#### PLAN OF FINANCE

#### The District

The District was created by Dynavest Joint Venture, LLC, an entity unaffiliated with the Master Developer, through the acts of the 86<sup>th</sup> Texas Legislature in 2019 for the primary purpose of facilitating the construction and continued maintenance of quality mixed-use residential and commercial development to benefit the residents of the City. The District is authorized under the District Legislation to undertake the financing of certain public improvements benefitting the District, including the Major Improvements (as defined herein).

The District as created by the District Legislation contained approximately 3,236.601 acres (the "Original District Acreage"). The District has received a petition to exclude certain land located within the Original District Acreage and expects to exclude such land after consent of the City to such exclusions, which consent is expected to be obtained on October 12, 2021. After such exclusions, the District is expected to contain approximately 3,210 acres. The expected boundaries of the District are shown in the "MAP SHOWING EXPECTED BOUNDARIES OF THE DISTRICT" on page v. Such map depicts the expected boundaries of the District after such expected exclusions. See "THE DISTRICT – Background."

## **Development Plan and Plan of Finance**

The Master Developer plans to develop the real property within the District as a mixed-use master planned community to be known as Legacy Hills (the "Development"). The Development is located within the corporate boundaries of the City and in Collin County, Texas, approximately forty miles north of Dallas and adjacent to the proposed path of the next phase of the Dallas North Tollway. Access to the District is currently provided from FM 455. The Development's location as part of the rapidly expanding northern corridor of the Dallas-Fort Worth Metroplex suggests significant growth over the next several years.

The District, after the exclusions described above, is expected to contain approximately 3,210 acres, approximately 2,193 of which are developable land. The Development is expected to include up to approximately 7,000 single-family residential homes, approximately 4,100 multifamily residential units, and approximately 100 acres of commercial development located along the Dallas North Tollway. Amenities in the Development are expected to include multiple amenity centers, a championship golf course with a clubhouse, open spaces and trails. Approximately 27 acres in the Development will be dedicated to the City for development of a sports park. See "THE DEVELOPMENT – Development Plan."

A portion of the land containing single-family residential homes is expected to be owned and developed as discrete "pods" by regional and national homebuilders, including Ashton Woods, Beazer Homes, First Texas Homes, Lennar Homes, and Mattamy Homes (collectively, the "Builder Pod Developers"), which Builder Pod Developers will complete lots and construct homes on their respective land within the District. Additional single family lot development is expected to be completed by MM Celina 294, LLC ("MM Celina 294") and MM Celina 40, LLC ("MM Celina 40"), each affiliates of the Master Developer, which affiliates will develop single-family lots for sale to homebuilders (M/I Homes and D.R. Horton) on a takedown basis. Such pods are expected to be developed in phases. See "THE DEVELOPMENT – Development Plan." The Builder Pod Developers, MM Celina 294 and MM Celina 40 are collectively referred to herein as the "Pod Developers." The Builder Pod Developers are expected to collectively develop approximately 3,294 lots in the District, MM Celina 294 is expected to develop approximately 1,216 lots in the District, and MM Celina 40 is expected to develop approximately 192 lots in the District. See "THE DEVELOPMENT – Expected Build-Out of Single-Family Development and Home Prices in the Development." A portion of the lots to be developed by Ashton Woods (approximately 278 located on Parcel 11) are expected to be utilized as single-family for rent homes. The Master Developer owns approximately 587 acres of additional land in the Development which is expected to be developed into single-family lots in the future, either by the Master Developer or by additional builders in a manner similar to the Builder Pod Developers.

Commercial and multifamily development in the District is expected to occur at a later date, in connection with sufficient single-family development and the development of the Dallas North Tollway extension abutting the commercial and multi-family zoned land. See "THE DEVELOPMENT – Expected Commercial/Multi-Family Development in the Development."

The Master Developer acquired the land within the District on August 2, 2021 and subsequently sold or conveyed various parcels of land within the District to buyers, including the Pod Developers and investors expected to develop land zoned for commercial and multi-family uses. See "ACQUISITION OF PROPERTY IN THE DEVELOPMENT AND DEVELOPMENT FINANCING PLAN – Master Developer Property Acquisition and Financing – <u>Property Acquisition</u>, <u>Concurrent Sales and Subsequent Sale</u>." The land in the District is currently owned by the Master Developer, the Pod Developers, and certain other holders as described under "THE DEVELOPMENT – Overview."

Development in the District will begin with the construction of (a) certain major roadway improvements, water distribution system improvements, sanitary sewer collection system improvements, and storm drainage collection system improvements (i) benefitting the single-family portion of development in the District (the "SF Major Improvements") and (ii) benefitting the entire commercial and multi-family portions of the District (the "Capital Recovery Fee Projects" and, together with the SF Major Improvements, the "District Major Improvements"), and certain local improvements benefitting discrete portions of the District (the "Local Improvements"), which improvements are expected to be constructed by the Pod Developers. See "THE DEVELOPMENT – Development Plan." The District Major Improvements and the Local Improvements will be dedicated to the District and conveyed to the City and constructed in accordance with City standards.

Financing of Capital Recovery Fee Projects - The Bonds. The Master Developer is responsible for construction of Capital Recovery Fee Projects, construction of which is expected to begin Q1 2022 and expected to be completed in Q3 2023. The District will pay the costs of the Capital Recovery Fee Projects from proceeds of the Bonds. The Master Developer will submit payment requests on a monthly basis for costs actually incurred in developing and constructing the Major Improvements and be paid in accordance with the Indenture and the "Capital Recovery Fee Projects Construction, Funding and Acquisition Agreement" by and among the District, the City and the Master Developer (the "Construction, Funding and Acquisition Agreement"). See "THE CAPITAL RECOVERY FEE PROJECTS," "THE DEVELOPMENT," "ACQUISITION OF PROPERTY IN THE DEVELOPMENT AND DEVELOPMENT FINANCING PLAN," and "APPENDIX F – Form of Construction, Funding and Acquisition Agreement."

Financing of SF Major Improvements - The Major Improvement Bonds. The Master Developer is responsible for construction of the SF Major Improvements, construction of which is expected to begin Q1 2022 and expected to be completed in Q3 2023. Concurrently with the issuance of the Bonds, the District is expected to issue its \$82,380,000\* Special Assessment Revenue Bonds, Series 2021 (Major Improvements Project) (the "Major Improvement Bonds") to fund a portion of the costs of the Single-Family Major Improvements. The Major Improvement Bonds are secured by a separate special assessment levied by the District (the "District Major Improvement Assessments") on the single-family property within the District.

The District Major Improvement Assessments are not pledged to and do not secure the payment of the Bonds.

The Master Developer obtained a loan from Trez Capital (2015) Corporation ("Trez") in an amount up to \$60,600,000 as backup financing for the Single-Family Major Improvements as part of the due diligence process relating to the sale of portions of land within the District to the Builder Pod Developers. It is expected that such loan will be terminated upon the issuance of the Bonds. See "ACQUISITION OF PROPERTY IN THE DEVELOPMENT AND DEVELOPMENT FINANCING PLAN – Master Developer Property Acquisition and Financing."

Financing of Local Improvements. The Builder Pod Developers are expected to construct the Local Improvements benefitting their various tracts of land within the District utilizing cash, loans or other available capital. Each of the Builder Pod Developers have entered into a "Facilities Reimbursement Agreement" (as defined herein) with the District relating to such Local Improvements, and the Builder Pod Developers have assigned their rights to reimbursement to the Master Developer. See "ACQUISITION OF PROPERTY IN THE DEVELOPMENT AND DEVELOPMENT FINANCING PLAN - Facilities Reimbursement Agreements and Future District Ad Valorem Tax Bonds." The Builder Pod Developers expect to complete phased development of their respective pods as outlined under "THE DEVELOPMENT - Expected Build-Out of Single-Family Development and Home Prices in the Development." In addition, other owners of property in the District have entered into Facilities Reimbursement Agreements with the District relating to such Direct Improvements, and such owners have assigned their rights to reimbursement to the Master Developer. The District may, if authorized in the future, issue bonds secured by ad valorem taxes to provide reimbursement for facilities constructed pursuant to a Facilities Reimbursement Agreement. See "THE DISTRICT – District Confirmation, Bond, and Powers Election to be held November 2, 2021" and "ACQUISITION OF PROPERTY IN THE DEVELOPMENT AND DEVELOPMENT FINANCING PLAN – Facilities Reimbursement Agreements and Future District Ad Valorem Tax Bonds."

To assist with funding the costs of construction of certain Local Improvements (the "City PID Improvements") benefitting the approximately 331.5-acre portion of land in the District owned by MM Celina 294 (the "MM Celina 294 Property") and MM Celina 40 (the "MM Celina 40 Property"), the City formed a public improvement district, the "Legacy Hills Public Improvement District" (the "City PID"), and is expected to enter into two separate reimbursement agreements (the "City Reimbursement Agreements") with the District relating to utilization of assessments levied in the City PID and the payment of costs of the City PID Improvements. Pursuant to the City Reimbursement Agreement, the City is expected to levy assessments (the "City PID Assessments") in the amount of \$13,300,000\* on a portion of the land within the City PID (consisting of approximately 154 acres located in the City PID) (the "City PID Assessed Property") on October 12, 2021 to assist with funding Local Improvements for the first phases of development within the City PID on the City PID Assessed Property. Concurrently with the issuance of the Bonds, the District expects to issue an initial series of contract revenue bonds in the amount of \$13,300,000\* (the "District Contract Revenue Bonds") to provide upfront financing to fund the City PID Improvements. The District Contract Revenue Bonds shall be secured by payments to be made under an interlocal agreement by and between the City and the District consisting primarily of the City PID Assessments. See "ACQUISITION OF PROPERTY IN THE DEVELOPMENT AND DEVELOPMENT FINANCING PLAN - MM Celina 294 and MM Celina 40 - Property Acquisition and Financing." The City PID Assessments are not pledged to and do not secure the payment of the Bonds.

In addition to utilizing a portion of the proceeds of the District Contract Revenue Bonds to fund City PID Improvements benefitting the MM Celina 294 Property, MM Celina 294 has obtained a development loan as described under "ACQUISITION OF PROPERTY IN THE DEVELOPMENT AND DEVELOPMENT FINANCING PLAN - MM Celina 294/MM Celina 40 – Property Acquisition and Financing" in order to finance the costs of improvements to the MM Celina 294 Property. MM Celina 40 expects to fund the portion of the City PID Improvements benefitting the MM Celina 40 Property using a portion of the proceeds of the District Contract Revenue Bonds, earnest money deposited by Dream Finder and, if necessary, a loan from a third party lender. MM Celina 40 expects to obtain a third-party development loan after closing of the District Contract Revenue Bonds.

It is expected that the District will issue one or more series of additional bonds (collectively, the "Future PID Contract Revenue Bonds") to finance the cost of Local Improvements benefitting each distinct portion of the City PID developed as an individual phase after the first phase (each a "Future Phase" and collectively, the "Future Phases"). Such Future PID Contract Revenue Bonds will be secured by a pledge of revenues to be received by the District under an interlocal agreement, which are expected to consist of separate assessments levied by the City on assessable property within the applicable Future Phase in the City PID. See "ACQUISITION OF PROPERTY IN THE DEVELOPMENT AND DEVELOPMENT FINANCING PLAN – MM Celina 294 and MM Celina 40 – Property Acquisition and Financing."

#### The Bonds

Proceeds of the Bonds will be used to provide funds for (i) paying the costs of the Capital Recovery Fee Projects, (ii) paying a portion of the interest on the Bonds during and after the period of acquisition and construction of the Capital Recovery Fee Projects, (iii) funding a reserve fund for the payment of interest on the Bonds, and (iv) paying the costs of issuing the Bonds. See "THE CAPITAL RECOVERY FEE PROJECTS," "APPENDIX B — Form of Indenture" and "SOURCES AND USES OF FUNDS."

Payment of the Bonds is secured by a pledge of and a lien upon the Pledged Revenues, which consist primarily of Contract Revenues payable pursuant to the Capital Recovery Fee Agreement, which Contract Revenues shall be payable from Capital Recovery Fees collected by the City within the District, and which are capped at the Maximum Contract Revenues. See "SECURITY FOR THE BONDS" and "THE CAPITAL RECOVERY FEE AGREEMENT." See also "BONDHOLDERS' RISKS — "Cash Flow" Nature of Payments on the Bonds." The Bonds shall never constitute an indebtedness or general obligation of the District, the City, the State or any other political subdivision of the State, within the meaning of any Constitutional provision or statutory limitation whatsoever, but the Bonds are limited and special obligations of the District payable solely from the Trust Estate as provided in the Indenture. Neither the faith and credit nor the taxing power of the District, City, the State or any other political subdivision of the State is pledged to the payment of the Bonds.

# **DESCRIPTION OF THE BONDS**

## **General Description**

Interest on the Bonds will be payable on each December 31, commencing December 31, 2022 (each an "Bond Payment Date"), until the Maturity Date or prior redemption of the Bonds to the solely to the extent that Contract Revenues have been received by the District. Failure to pay all of any portion of interest due on any Bond Payment Date shall not constitute an event of default and any such unpaid interest shall constitute Unpaid Prior Interest. "Unpaid Prior Interest" means, as calculated with respect to any Bond Payment Date, the sum of all amounts of interest due or payable on the Bonds but unpaid on all preceding Bond Payment Dates. Unpaid Prior Interest shall accrue interest at the rate borne on the Bonds.

There are no scheduled payments of principal on the Bonds. Payments of principal on the Bonds shall be effected solely through mandatory or extraordinary mandatory redemptions as described below, solely to the extent of available Pledged Revenues therefor. Failure to pay principal of or interest on the bonds shall not be an event of default if such failure is not due to an Event of Default. See "SECURITY FOR THE BONDS – Events of Default."

The Bonds will mature on the Maturity Date. "Maturity Date" means the earliest of:

- (i) the date on which the principal amount of the Bonds has been fully paid;
- (ii) the date on which the Owners have been paid all money available under the Indenture to pay principal of and interest due on the Bonds, being that date on which (a) the District has received the Maximum Contract Revenues and (b) all Pledged Funds have been depleted; and
- (iii) December 31, 2041.

The Bonds are subject to mandatory redemption on the Bond Payment Date in any year in which the Contract Revenues received by the District are sufficient to pay the Annual Principal Payment Amount (as defined herein), at a redemption price of 100% of the principal amount of the Bonds allocable to such Annual Principal Payment Amount plus accrued interest to the date of redemption. See "SECURITY FOR THE BONDS – Pledged Revenue Fund."

The Bonds are subject to extraordinary mandatory redemption as set forth below.

Extraordinary Mandatory Redemption – Reserve Fund Transfers. The Bonds are subject to extraordinary mandatory redemption before the Maturity Date, in whole or in part, on any Business Day, which date set for such redemption shall be set subject to the notice requirements set forth below (the "Extraordinary Mandatory Reserve Fund Redemption Date"), at a redemption price of 100% of the principal amount of such Bonds, or portions thereof, to be redeemed plus accrued and unpaid interest to the Extraordinary Mandatory Reserve Fund Redemption Date from amounts on deposit in the Redemption Fund as a result of transfers to the Redemption Fund from the Reserve Fund as provided in the Indenture. See "SECURITY FOR THE BONDS — Reserve Fund."

<u>Extraordinary Mandatory Redemption – Excess Project Funds</u>. The Bonds are subject to extraordinary mandatory redemption before the Maturity Date, in whole or in part, on any Business Day, which date set for such redemption shall be set subject to the notice requirements set forth below at a redemption price equal to 100% of the aggregate principal amount of the Bonds, or portions thereof, to be redeemed plus accrued interest to the date of redemption to the extent that money is transferred

to the Redemption Fund as a result of unexpended amounts in the Project Fund as provided in the Indenture. See "SECURITY FOR THE BONDS — Project Fund."

<u>Notice of Redemption</u>. The Trustee shall give notice of any redemption of Bonds by sending notice by first class United States mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond or portion thereof to be redeemed, at the address shown in the Register.

The notice shall state the redemption date, the Redemption Price or the amount of Bonds to be redeemed plus accrued interest to the date thereof, as applicable, the place at which the Bonds to be surrendered for payment, and, if less than all the Bonds outstanding are to be redeemed, and subject to the Indenture, an identification of the Bonds or portions thereof to be redeemed, any conditions to such redemption and that on the redemption date, if all conditions, if any, to such redemption have been satisfied, such Bond shall become due and payable.

Any notice given as provided in the Indenture shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

Additional Provisions with Respect to Redemption. If less than all of the Bonds are to be redeemed pursuant to, Bonds shall be redeemed in minimum principal amounts of \$1,000 or any integral of \$1,000 in excess thereof by any method selected by the Trustee resulting in a random selection. Each Bond shall be treated as representing the number of Bonds that is obtained by dividing the principal amount of such Bond by \$1,000. No redemption shall result in a Bond in a denomination of less than the Authorized Denomination in effect at that time; provided, however, if the amount of the Outstanding Bond is less than an Authorized Denomination after giving effect to such partial redemption, a Bond in the principal amount equal to the unredeemed portion, but not less than \$1,000, may be issued.

A portion of a single Bond of a denomination greater than an Authorized Denomination may be redeemed, but only in a principal amount equal to \$1,000 or any integral of \$1,000 in excess thereof. The Trustee shall treat each \$1,000 portion of such Bond as though it were a single bond for purposes of selection for redemption.

Upon surrender of any Bond for redemption in part, the Trustee in accordance with the Indenture, shall authenticate and deliver and exchange the Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, such exchange being without charge.

#### **BOOK-ENTRY ONLY SYSTEM**

The information in this section concerning DTC and the Book-Entry-Only System has been provided by DTC for use in disclosure documents such as this Limited Offering Memorandum. The District and the Underwriter believe the source of such information to be reliable, but neither the District nor the Underwriter takes responsibility for the accuracy or completeness thereof.

The District cannot and does not give any assurance that (1) DTC will distribute payments of debt service on the Bonds, or redemption or other notices, to DTC Participants, (2) DTC Participants or others will distribute debt service payments paid to DTC or its nominee (as the registered owner of the Bonds), or redemption or other notices, to the Beneficial Owners, or that they will do so on a timely basis or (3) DTC will serve and act in the manner described in this Limited Offering Memorandum. The current rules applicable to DTC are on file with the United States Securities and Exchange Commission, and the current procedures of DTC to be followed in dealing with DTC Participants are on file with DTC.

DTC will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered security certificate will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset

servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC, is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its registered subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of "AA+." The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all Bonds of the same maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant of such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, interest and all other payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or Paying Agent/Registrar, on the payment date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, the Paying Agent/Registrar, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, interest and payments to Cede & Co. (or such other nominee as may be requested by an authorized

representative of DTC) is the responsibility of the Trustee, the Paying Agent/Registrar or the District, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered. Thereafter, Bond certificates may be transferred and exchanged as described in the Indenture.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the District believes to be reliable, but none of the District, the District's Financial Advisor or the Underwriter take any responsibility for the accuracy thereof.

NONE OF THE DISTRICT, THE TRUSTEE, THE PAYING AGENT, THE DISTRICT'S FINANCIAL ADVISOR OR THE UNDERWRITER WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO THE DTC PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEE WITH RESPECT TO THE PAYMENTS TO OR THE PROVIDING OF NOTICE FOR THE DTC PARTICIPANTS, THE INDIRECT PARTICIPANTS OR THE BENEFICIAL OWNERS OF THE BONDS. THE DISTRICT CANNOT AND DOES NOT GIVE ANY ASSURANCES THAT DTC, THE DTC PARTICIPANTS OR OTHERS WILL DISTRIBUTE PAYMENTS OF PRINCIPAL OF OR INTEREST ON THE BONDS PAID TO DTC OR ITS NOMINEE, AS THE REGISTERED OWNER, OR PROVIDE ANY NOTICES TO THE BENEFICIAL OWNERS OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC WILL ACT IN THE MANNER DESCRIBED IN THIS LIMITED OFFERING MEMORANDUM. THE CURRENT RULES APPLICABLE TO DTC ARE ON FILE WITH THE SECURITIES AND EXCHANGE COMMISSION, AND THE CURRENT PROCEDURES OF DTC TO BE FOLLOWED IN DEALING WITH DTC PARTICIPANTS ARE ON FILE WITH DTC.

# LIMITATIONS APPLICABLE TO INITIAL PURCHASERS

Each initial purchaser is advised that the Bonds being offered pursuant to this Limited Offering Memorandum are being offered and sold only to "accredited investors" as defined in Rule 501 of Regulation D promulgated under the Securities Act of 1933 and "qualified institutional buyers" as defined in Rule 144A promulgated under the Securities Act of 1933. Each initial purchaser of the Bonds (each, an "Investor") will be deemed to have acknowledged, represented and warranted to the District as follows:

- 1) The Investor has authority and is duly authorized to purchase the Bonds and any other instruments and documents required to be executed by the Investor in connection with the purchase of the Bonds.
- 2) The Investor is an "accredited investor" under Rule 501 of Regulation D of the Securities Act or a "qualified institutional buyer" under Rule 144A of the Securities Act, and therefore, has sufficient knowledge and experience in financial and business matters, including purchase and ownership of municipal and other tax-exempt obligations, to be able to evaluate the risks and merits of the investment represented by the Bonds.
- 3) The Bonds are being acquired by the Investor for investment and not with a view to, or for resale in connection with, any distribution of the Bonds, and the Investor intends to hold the Bonds solely for its own account for investment purposes and for an indefinite period of time, and does not intend at this time to dispose of all or any part of the Bonds. However, the Investor may sell at any time the Investor deems appropriate. The Investor understands that it may need to bear the risks of this investment for an indefinite time, since any sale prior to maturity may not be possible.
- 4) The Investor understands that the Bonds are not registered under the Securities Act and that such registration is not legally required as of the date hereof; and further understands that the Bonds (a) are not being registered or otherwise qualified for sale under the "Blue Sky" laws and regulations of any state, (b) will not be listed in any stock or other securities exchange, and (c) will not carry a rating from any rating service.

- 5) The Investor acknowledges that it has either been supplied with or been given access to information, including financial statements and other financial information, and the Investor has had the opportunity to ask questions and receive answers from knowledgeable individuals concerning the District, the Capital Recovery Fee Projects, the Bonds, the security therefor, and such other information as the Investor has deemed necessary or desirable in connection with its decision to purchase the Bonds (collectively, the "Investor Information"). The Investor has received a copy of this Limited Offering Memorandum relating to the Bonds. The Investor acknowledges that it has assumed responsibility for its review of the Investor Information and it has not relied upon any advice, counsel, representation or information from the District in connection with the Investor's purchase of the Bonds. The Investor agrees that none of the District, its Board of Directors, officers, or employees shall have any liability to the Investor whatsoever for, or in connection with the Investor's decision to purchase the Bonds except for fraud or willful misconduct, to the extent permitted by law. For the avoidance of doubt, it is acknowledged that the Underwriter is not deemed an officer or employee of the District.
- 6) The Investor acknowledges that the obligations of the District under the Indenture are special, limited obligations payable solely from amounts paid to the District pursuant to the terms of the Indenture and the District shall not be directly or indirectly or contingently or morally obligated to use any other money or assets of the District for amounts due under the Indenture. The Investor understands that the Bonds are not secured by any pledge of any money received or to be received from taxation by the District, the City, the State of Texas (the "State") or any political subdivision or taxing district thereof; that the Bonds will never represent or constitute a general obligation or a pledge of the faith and credit of the District, the State or any political subdivision thereof; that no right will exist to have taxes levied by the State or any political subdivision thereof for the payment of principal of and interest on the Bonds; and that the liability of the District and the State with respect to the Bonds is subject to further limitations as set forth in the Indenture.
- 7) The Investor has made its own inquiry and analysis with respect to the Bonds and the security therefor. The Investor is aware that the development of the District involves certain economic and regulatory variables and risks that could adversely affect the security for the Bonds.
- 8) The Investor acknowledges that the sale of the Bonds to the Investor is made in reliance upon the certifications, representations and warranties described in items 1-7 above.

#### **SECURITY FOR THE BONDS**

#### General

THE BONDS ARE SPECIAL OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY FROM THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. THE BONDS DO NOT GIVE RISE TO A CHARGE AGAINST THE GENERAL CREDIT OR TAXING POWER OF THE DISTRICT OR THE CITY AND ARE PAYABLE SOLELY FROM THE SOURCES IDENTIFIED IN THE INDENTURE. THE OWNERS OF THE BONDS SHALL NEVER HAVE THE RIGHT TO DEMAND PAYMENT THEREOF OUT OF ANY FUNDS OF THE DISTRICT OTHER THAN THE PLEDGED REVENUES, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. NO OWNER OF THE BONDS SHALL HAVE THE RIGHT TO DEMAND ANY EXERCISE OF THE DISTRICT'S OR THE CITY'S TAXING POWER TO PAY THE PRINCIPAL OF THE BONDS OR THE INTEREST OR REDEMPTION PREMIUM, IF ANY, THEREON. THE DISTRICT SHALL HAVE NO LEGAL OR MORAL OBLIGATION TO PAY THE BONDS OUT OF ANY FUNDS OF THE DISTRICT OTHER THAN THE PLEDGED REVENUES.

## "Cash Flow" Nature of Payments on the Bonds

The Bonds are structured as "cash flow" bonds, meaning that there are no scheduled payments of principal thereof. Rather, the Bonds are subject to mandatory redemption upon the receipt of sufficient funds pursuant to the Capital Recovery Fee Agreement as more particularly described under "THE BONDS – Payment and Redemption Provisions" and "SECURITY FOR THE BONDS — Revenue Fund." No funds other than Contract Payments made by the City and received by the District pursuant to the Capital Recovery Fee Agreement, which are limited to the Maximum Contract Revenues, are expected to be available to pay principal of or interest on the Bonds. Maximum Contract Revenues means the Capital Recovery Fees collected by the City upon the City's issuance of building permits for the first 2,011 single family residential lots within the District, not

to exceed \$20,000,000.00, pursuant to the Capital Recovery Fees Agreement. See "RISK FACTORS — "Cash Flow" Nature of Payments on the Bonds" and "SECURITY FOR THE BONDS — Events of Default"

## **Pledged Revenues**

Pursuant to the Indenture, Pledged Revenues are the sum of (i) Contract Revenues and (ii) moneys held in any of the Pledged Funds. "Contract Revenues" means the revenues received by the District pursuant to the Capital Recovery Fee Agreement. See "THE CAPITAL RECOVERY FEE AGREEMENT." The District will covenant in the Indenture that it will take and pursue all actions permissible under Applicable Laws and the Capital Recovery Fee Agreement to cause the Contract Payments to be paid, and to cause no reduction, abatement or exemption in the Contract Payments. See "— Pledged Revenue Fund" and "APPENDIX B — Form of Indenture."

#### **Perfected Security Interest**

Chapter 1208, Texas Government Code, applies to the issuance of the Bonds and the pledge of the Pledged Revenues and such pledge is valid, effective, and perfected. The District will covenant in the Indenture that should Texas law be amended at any time while the Bonds are Outstanding such that the pledge of the Pledged Revenues granted by the District under the Indenture is to be subject to the filing requirements of Texas Business and Commerce Code, Chapter 9, as amended, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the District agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Texas Business and Commerce Code, Chapter 9, as amended, and enable a filing to perfect the security interest in said pledge to occur. See "APPENDIX B — Form of Indenture."

# **Pledged Revenue Fund**

The District has created under the Indenture a Pledged Revenue Fund to be held by the Trustee. Upon receipt thereof, while the Bonds are Outstanding and beginning with the first year in which Contract Revenues are received, the District shall transfer to the Trustee the Contract Revenues for deposit into the Pledged Revenue Fund. On November 30 of each year, beginning November 30, 2022, from amounts deposited to the Pledged Revenue Fund, the District shall transfer or cause to be transferred Pledged Revenues with the Trustee in the following priority: (i) first, to the payment of any authorized fees and expenses of the Trustee, (ii) second, to the Unpaid Prior Interest Account of the Bond Fund in amounts sufficient to pay any Unpaid Prior Interest, and any interest accrued thereon, on the next Bond Payment Date, (iii) third, to the Current Interest Account of the Bond Fund, in an amount sufficient, taking into account any amounts on deposit in the Capitalized Interest Account, to pay the interest coming due on the Bonds on the next Bond Payment Date, and (iv) fourth, to the Redemption Fund, the Annual Principal Payment Amount, to be used to redeem Bonds.

#### **Bond Fund**

On each Bond Payment Date, the Trustee shall withdraw from the Unpaid Prior Interest Account and transfer to the Paying Agent/Registrar the amounts necessary to pay Unpaid Prior Interest.

Subject to the provisions below, on each Bond Payment Date, the Trustee shall withdraw from the Current Interest Account and transfer to the Paying Agent/Registrar the interest then due and payable on the Bonds, less any amount to be used to pay interest on the Bonds on such Bond Payment Date from the Capitalized Interest Account as provided below.

On each Bond Payment Date in any year when the Annual Principal Amount has been deposited in the Bond Fund and the Trustee shall effect a Mandatory Redemption, the Trustee shall transfer (i) the Annual Principal Payment Amount from the Principal Account and (ii) an amount equal to the interest calculated on the Annual Principal Payment Amount from the Current Interest Account to the Redemption Fund.

If amounts in the Current Interest Account are insufficient for the purposes set forth in paragraph (b) above, the Trustee shall withdraw from the Reserve Fund, subject to the provisions of Section 6.7(c) herein, amounts to cover the amount of such insufficiency. Amounts so withdrawn from the Reserve Fund shall be deposited in the Current Interest Account and transferred to the Paying Agent/Registrar.

Money in the Capitalized Interest Account shall be used for the payment of interest on the Bonds on the following dates and in the following amounts:

| <u>Date</u>       | <u>Amount</u> |
|-------------------|---------------|
| December 31, 2022 | \$            |
| December 31, 2023 | \$            |

Any amounts on deposit in the Capitalized Interest Account after the payment of interest on the dates and in the amounts listed above shall be transferred to the Capital Recovery Fee Projects Account of the Project Fund, or if the Capital Recovery Fee Projects Account of the Project Fund has been closed, such amounts shall be transferred to the Redemption Fund to be used to redeem Bonds and the Capitalized Interest Account shall be closed.

# **Project Fund**

Disbursements from the Costs of Issuance Account of the Project Fund shall be made by the Trustee to pay costs of issuance of the Bonds pursuant to the instructions on the memorandum to be issued (the "Closing Memorandum") as of the Closing Date. Disbursements from the Capital Recovery Fee Projects Account of the Project Fund to pay Costs shall be made by the Trustee upon receipt by the Trustee of a properly executed and completed Closing Disbursement Request (attached as Exhibit B to the Construction Funding Agreement) or a Certification for Payment (attached as Exhibit C to the Construction Funding Agreement). The Trustee shall disburse amounts from the Capital Recovery Fee Projects Account of the Project Fund to pay Costs as provided in the Construction Funding Agreement. Each properly executed and completed Certification for Payment shall set forth the amount of the Costs to be paid from the Capital Recovery Fee Projects Account of the Project Fund.

If the District Representative determines in his or her sole discretion that amounts then on deposit in the Capital Recovery Fee Projects Account of the Project Fund are not expected to be expended for purposes of the Project Fund due to the abandonment, or constructive abandonment, of the Capital Recovery Fee Projects such that, in the opinion of the District Representative, it is unlikely that the amounts in the Capital Recovery Fee Projects Account of the Project Fund will ever be expended for the purposes of the Capital Recovery Fee Projects Account of the Project Fund, the District Representative shall file a District Order, approved in writing by the City, with the Trustee which identifies the amounts then on deposit in the Capital Recovery Fee Projects Account of the Project Fund that are not expected to be used for purposes of the Capital Recovery Fee Projects Account of the Project Fund. If such District Order is so filed, the amounts on deposit in the Capital Recovery Fee Projects Account of the Project Fund shall be transferred to the Redemption Fund to redeem Bonds on the earliest practicable date after notice of redemption has been provided in accordance with the Indenture.

Upon the filing of a District Order stating that all Capital Recovery Fee Projects have been completed and that all Costs have been paid, or that any such Costs are not required to be paid from the Capital Recovery Fee Projects Account of the Project Fund pursuant to a Certification for Payment, the Trustee shall transfer the amount, if any, remaining within the Project Fund to the Unpaid Prior Interest Account of the Bond Fund for the payment of any Unpaid Prior Interest then outstanding, to the Current Interest Account of the Bond Fund, or to the Redemption Fund, as directed by a District Order filed with the Trustee, and the Project Fund shall be closed.

Upon a determination by the District Representative that all costs of issuance of the Bonds have been paid, any amounts remaining in the Costs of Issuance Account shall be transferred to the Capital Recovery Fee Projects Account of the Project Fund and used to pay Costs or to Unpaid Prior Interest Account, if any Unpaid Prior Interest is then outstanding, or the Current Interest Account of the Bond Fund and used to pay interest or Unpaid Prior Interest on the Bonds, as directed by the District in a District Order filed with the Trustee, and the Costs of Issuance Account shall be closed.

#### **Reserve Fund**

Pursuant to the Indenture, a Reserve Account will be created within the Reserve Fund for the benefit of the Bonds and held by the Trustee and will be funded with proceeds of the Bonds in the amount of Initial Reserve Fund Requirement on the date of closing of the Bonds, and maintain in the Reserve Fund in an amount equal to not less than the Reserve Fund Requirement. "Initial Reserve Fund Requirement" means, as of the date of issuance of the Bonds, the principal amount of the Bonds multiplied by the interest rate on the Bonds, which is \$\_\_\_\_\_\_. "Reserve Fund Requirement" means the lesser of (a) the Initial Reserve Fund Requirement or (b) the Initial Reserve Fund Requirement less amounts transferred from the Reserve Fund for payment of interest, including Unpaid Prior Interest.

All amounts deposited in the Reserve Fund shall be used and withdrawn by the Trustee for the purpose of making transfers to the Current Interest Account or the Unpaid Prior Interest Account of the Bond Fund.

Whenever a transfer is made from the Reserve Fund to the Current Interest Account due to a deficiency in the Current Interest Account, the Trustee shall provide written notice thereof to the District, specifying the amount withdrawn.

On any Bond Payment Date, to the extent the amount on deposit in (i) the Current Interest Account of the Bond Fund or (ii) the Unpaid Prior Interest Account of the Bond Fund is insufficient to pay the interest on the Bonds due on such date, the Trustee shall transfer from the Reserve Fund in the following order of priority: first, to the Unpaid Prior Interest Account of the Bond Fund the amounts necessary to cure such deficiency, and second, to the Current Interest Account of the Bond Fund the amounts necessary to cure such deficiency.

As of the Maturity Date of the Bonds, the amount on deposit in the Reserve Fund, if any, shall be transferred to the Redemption Fund and applied to the payment of the principal of and interest due on the Bonds.

If the amount held in the Reserve Fund is sufficient to pay the principal amount of all Outstanding Bonds on any Extraordinary Mandatory Reserve Fund Redemption Date, together with the unpaid interest accrued on such Bonds as of such Extraordinary Mandatory Reserve Fund Redemption Date, the money shall be transferred to the Redemption Fund and thereafter used to redeem all Bonds as of such Extraordinary Mandatory Reserve Fund Redemption Date.

# **Redemption Fund**

The Trustee shall cause to be deposited to the Redemption Fund from the Bond Pledged Revenue Account of the Pledged Revenue Fund an amount sufficient to redeem Bonds on the dates specified for redemptions as provided in the Indenture. Amounts on deposit in the Redemption Fund shall be used and withdrawn by the Trustee to redeem Bonds as provided in the Indenture.

#### Defeasance

All Outstanding Bonds shall prior to the Stated Maturity or redemption date thereof be deemed to have been paid and to no longer be deemed Outstanding if (i) in case any such Bonds are to be redeemed on any date prior to their Stated Maturity. the Trustee shall have given notice of redemption on said date as provided in the Indenture, (ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Defeasance Securities the principal of and the interest on which when due will provide moneys which, together with any moneys deposited with the Trustee at the same time, shall be sufficient to pay when due the principal of and interest on of the Bonds to become due on such Bonds on and prior to the redemption date or Stated Maturity thereof, as the case may be, (iii) the Trustee shall have received a report by an independent certified public accountant selected by the District verifying the sufficiency of the moneys or Defeasance Securities deposited with the Trustee to pay when due the principal of and interest on of the Bonds to become due on such Bonds on and prior to the redemption date or Stated Maturity thereof, as the case may be, and (iv) if the Bonds are then rated, the Trustee shall have received written confirmation from each rating agency then rating the Bonds that such deposit will not result in the reduction or withdrawal of the rating on the Bonds. Neither Defeasance Securities nor moneys so deposited with the Trustee nor principal or interest payments on any such Defeasance Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on the Bonds and shall not be part of the Trust Estate. Any cash received from such principal of and interest on such Defeasance Securities deposited with the Trustee, if not then needed for such purpose, shall be reinvested in Defeasance Securities as directed by the District maturing at times and in amounts sufficient to pay when due the principal of and interest on the Bonds on and prior to such redemption date or Stated Maturity thereof, as the case may be. Any payment for Defeasance Securities purchased for the purpose of reinvesting cash as aforesaid shall be made only against delivery of such Defeasance Securities.

"Defeasance Securities" means Investment Securities then authorized by applicable law for the investment of funds to defease public securities. "Investment Securities" means those authorized investments described in the Public Funds Investment Act, Chapter 2256, Texas Government Code, as amended; and provided further investments are, at the time made, included in and authorized by the District's official investment policy as approved by the Board of Directors from time to time. Under current State law, Investment Securities that are authorized for the investment of funds to defease public securities are (a) direct, noncallable obligations of the United States of America, including obligations that are unconditionally guaranteed by the United States of America; (b) noncallable obligations of an agency or instrumentality of the United States, including obligations that are unconditionally guaranteed or insured by the agency or instrumentality, and that, on the date the governing body of the District adopts or approves the proceedings authorizing the issuance of refunding bonds, are rated as to investment quality by a nationally recognized investment rating firm not less than "AAA" or its equivalent; and (c) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on

the date the governing body of the District adopts or approves the proceedings authorizing the issuance of refunding bonds, are rated as to investment quality by a nationally recognized investment rating firm not less than "AAA" or its equivalent.

There is no assurance that the current law will not be changed in a manner which would permit investments other than those described above to be made with amounts deposited to defease the Bonds. Because the Indenture does not contractually limit such investments, Owners may be deemed to have consented to defeasance with such other investments, notwithstanding the fact that such investments may not be of the same investment quality as those currently permitted under State law. There is no assurance that the ratings for U.S. Treasury securities used as Defeasance Securities or that for any other Defeasance Security will be maintained at any particular rating category

# **Discharge of Indenture**

If the District shall pay or cause to be paid, or there shall otherwise be paid to the Owners, principal of and interest on all of the Bonds, at the times and in the manner stipulated in the Indenture, and all amounts due and owing with respect to the Bonds have been paid or provided for, then the pledge of the Trust Estate and all covenants, agreements, and other obligations of the District to the Owners of such Bonds, shall thereupon cease, terminate, and become void and be discharged and satisfied. In such event, the Trustee shall execute and deliver to the District copies of all such documents as it may have evidencing that principal of and interest on all of the Bonds has been paid so that the District may determine if the Indenture is satisfied; if so, the Trustee shall pay over or deliver all money held by it in the in Funds and Accounts held hereunder to the Person entitled to receive such amounts, or, if no Person is entitled to receive such amounts, then to the District.

Notwithstanding the foregoing, on the Maturity Date, the pledge of the Trust Estate and all covenants, agreements, and other obligations of the District to the Owners of such Bonds, shall thereupon cease, terminate, and become void and be discharged and satisfied regardless of whether the full principal of and interest due on the Bonds shall have been paid.

#### **Events of Default**

Each of the following occurrences or events shall be and is hereby declared to be an "Event of Default," under the Indenture:

- (i) The failure of the District to deposit the Pledged Revenues to the Bond Pledged Revenue Account of the Pledged Revenue Fund;
- (ii) The failure of the District to enforce its right to receive Contract Payments pursuant to the Capital Recovery Fees Agreement; and
- (iii) Default in the performance or observance of any covenant, agreement or obligation of the District under the Indenture and the continuation thereof for a period of sixty (60) days after written notice to the District by the Trustee, or by the Owners of at least 51% of the aggregate Outstanding principal of the Bonds with a copy to the Trustee, specifying such default by the Owners of at least 51% of the Bonds at the time Outstanding requesting that the failure be remedied.

Notwithstanding the foregoing, if not the result of an Event of Default listed in subsection (i) hereof, the failure to pay (i) Current Interest when due, (ii) Unpaid Prior Interest, and/or (iii) some or all of the principal amount of the Bonds shall not be an Event of Default under the Indenture.

#### Remedies in Event of Default

Upon the happening and continuance of any of the Events of Default described above, the Trustee, upon the direction of Owners of at least 51% of the aggregate outstanding principal of the Bonds, may proceed against the District for the purpose of protecting and enforcing the rights of the Owners under the Indenture, by action seeking mandamus or by other suit, action, or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief to the extent permitted by Applicable Laws, including, but not limited to, the specific performance of any covenant or agreement contained in the Indenture, or injunction; provided, however, that no action for money damages against the District may be sought or will be permitted.

THE PRINCIPAL OF THE BONDS SHALL NOT BE SUBJECT TO ACCELERATION UNDER ANY CIRCUMSTANCES.

If the assets of the Trust Estate are sufficient to pay all amounts due with respect to all Outstanding Bonds, in the selection of Trust Estate assets to be used in the payment of Bonds due in an Event of Default, the District shall determine, in its absolute discretion, and shall instruct the Trustee by District Order, which Trust Estate assets shall be applied to such payment and shall not be liable to any Owner or other Person by reason of such selection and application. In the event that the District shall fail to deliver to the Trustee such District Order, the Trustee shall select and liquidate or sell Trust Estate assets as provided in the following paragraph, and shall not be liable to any Owner, or other Person, or the District by reason of such selection, liquidation or sale.

Whenever moneys are to be applied pursuant to an Event of Default, irrespective of and whether other remedies authorized under the Indenture shall have been pursued in whole or in part, the Trustee may cause any or all of the assets of the Trust Estate, including Investment Securities, to be sold. The Trustee may so sell the assets of the Trust Estate and all right, title, interest, claim and demand thereto and the right of redemption thereof, in one or more parts, at any such place or places, and at such time or times and upon such notice and terms as the Trustee may deem appropriate and as may be required by law and apply the proceeds thereof in accordance with the provisions of the Indenture. Upon such sale, the Trustee may make and deliver to the purchaser or purchasers a good and sufficient assignment or conveyance for the same, which sale shall be a perpetual bar both at law and in equity against the District and all other Persons claiming such properties. No purchaser at any sale shall be bound to see to the application of the purchase money proceeds thereof or to inquire as to the authorization, necessity, expediency, or regularity of any such sale. Nevertheless, if so requested by the Trustee, the District shall ratify and confirm any sale or sales by executing and delivering to the Trustee or to such purchaser or purchasers all such instruments as may be necessary or, in the judgment of the Trustee, proper for the purpose which may be designated in such request.

#### **Restriction on Owner's Actions**

No Owner shall have any right to institute any action, suit or proceeding at law or in equity for the enforcement of the Indenture or for the execution of any trust thereof or any other remedy under the Indenture, unless (i) a default has occurred and is continuing of which the Trustee has been notified in writing, (ii) such default has become an Event of Default and the Owners of 25% of the aggregate principal amount of the Bonds then Outstanding have made written request to the Trustee and offered it reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, (iii) the Owners have furnished to the Trustee indemnity as provided in the Indenture, (iv) the Trustee has for 60 days after such notice failed or refused to exercise the powers hereinbefore granted, or to institute such action, suit, or proceeding in its own name, (v) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Owners of a majority of the aggregate principal amount of the Bonds then Outstanding, and (vi) notice of such action, suit, or proceeding is given to the Trustee; however, no one or more Owners of the Bonds shall have any right in any manner whatsoever to affect, disturb, or prejudice the Indenture by its, his or their action or to enforce any right under the Indenture except in the manner provided herein, and that all proceedings at law or in equity shall be instituted and maintained in the manner provided herein and for the equal benefit of the Owners of all Bonds then Outstanding. The notification, request and furnishing of indemnity set forth above shall, at the option of the Trustee, be conditions precedent to the execution of the powers and trusts of the Indenture and to any action or cause of action for the enforcement of the Indenture or for any other remedy under the Indenture.

Subject to provisions of the Indenture with respect to certain liabilities of the District, nothing in the Indenture shall affect or impair the right of any Owner to enforce, by action at law, payment of any Bond at and after the maturity thereof, or on the date fixed for redemption or the obligation of the District to pay each Bond issued thereunder to the respective Owners thereof at the time and place, from the source and in the manner expressed therein and in the Bonds.

In case the Trustee or any Owners of Bonds shall have proceeded to enforce any right under the Indenture and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or any Owners of Bonds, then and in every such case the District, the Trustee and the Owners of Bonds shall be restored to their former positions and rights thereunder, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

## **Application of Revenues and Other Moneys After Event of Default**

All moneys, securities, funds and Pledged Revenues and the income therefrom received by the Trustee pursuant to any right given or action taken under the provisions of the Indenture with respect to Events of Default shall, after payment of the cost and expenses of the proceedings resulting in the collection of such amounts, the expenses (including Trustee's counsel), liabilities, and advances incurred or made by the Trustee and the fees of the Trustee in carrying out the Indenture, be applied by the Trustee, on behalf of the District, to the payment of interest and principal or redemption price then due on Bonds, as follows:

FIRST: To the payment to the Owners of Bonds entitled thereto all installments of Unpaid Prior Interest then due and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the Owners entitled thereto, without any discrimination or preference; and

SECOND: To the payment to the Owners of Bonds entitled thereto all installments of Current Interest then due and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the Owners entitled thereto, without any discrimination or preference; and

THIRD: To the payment to the Owners entitled thereto of the unpaid principal of Outstanding Bonds, or Redemption Price or the amount to be redeemed plus accrued interest to the date thereof, as applicable, of any Bonds which shall have become due, whether at maturity or by call for redemption, in the direct order of their due dates and, if the amounts available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal due and to the Owners entitled thereto, without any discrimination or preference.

Within 10 days of receipt of such good and available funds, the Trustee may fix a record and payment date for any payment to be made to Owners pursuant to the provisions of the Indenture.

In the event that funds are not adequate to cure an Event of Default, the available funds shall be allocated to the Bonds that are Outstanding in proportion to the quantity of Bonds that are currently due and in default under the terms of the Indenture.

The restoration of the District to its prior position after any and all Events of Default have been cured, as provided above, shall not extend to or affect any subsequent default or Event of Default under the Indenture or impair any right consequent thereon.

# **Investment or Deposit of Funds**

Money in any fund or account established pursuant to the Indenture will be invested by the Trustee as directed by the District pursuant to a District Order filed with the Trustee at least two (2) days in advance of the making of such investment in time deposits or certificates of deposit secured in the manner required by law for public funds, or be invested in Investment Securities; provided that all such deposits and investments shall be made in such manner (which may include repurchase agreements for such investment with any primary dealer of such agreements) that the money required to be expended from any fund will be available at the proper time or times.

Obligations purchased as an investment of moneys in any Fund shall be deemed to be part of such Fund or Account, subject, however, to the requirements of the Indenture for transfer of interest earnings and profits resulting from investment of amounts in Funds and Accounts. Whenever in the Indenture any moneys are required to be transferred by the District to the Trustee, such transfer may be accomplished by transferring a like amount of Investment Securities.

# Other Obligations or Other Liens; Additional Obligations

The District reserves the right, subject to the provisions contained in the Indenture, to issue Additional Obligations under other indentures, assessment orders, or similar agreements or other obligations which do not constitute or create a lien on the Trust Estate and are not payable from Pledged Revenues.

Other than Refunding Bonds issued to refund all or a portion of the Bonds, the District will not create or voluntarily permit to be created any debt, lien or charge on the Trust Estate, and, will not do or omit to do or suffer to be or omitted to be done any matter or things whatsoever whereby the lien of the Indenture or the priority thereof might or could be lost or impaired; and further covenants that it will pay or cause to be paid or will make adequate provisions for the satisfaction and discharge of all lawful claims and demands which if unpaid might by law be given precedence over or any equality with the Indenture as a lien or charge upon the Pledged Revenues or Pledged Funds; provided, however, that nothing in the Indenture shall require the District to apply, discharge, or make provision for any such lien, charge, claim, or demand so long as the validity thereof shall be contested by it in good faith, unless thereby, in the opinion of Bond Counsel or counsel to the Trustee, the same would endanger the security for the Bonds.

Notwithstanding any contrary provisions of the Indenture, the District shall not issue additional bonds, notes, or obligations under the Indenture, secured by any pledge of or other lien or charges on the Pledged Revenues or other property of the Trust Estate pledged under the Indenture other than Refunding Bonds. The District reserves the right to issue Refunding Bonds, the proceeds of which would be utilized to refund all or any portion of the Outstanding Bonds or Outstanding Refunding Bonds and to pay all costs incident to the Refunding Bonds, as authorized by the laws of the State of Texas.

## THE CAPITAL RECOVERY FEE AGREEMENT

The City and the District have entered into the Capital Recovery Fee Agreement providing for the payment of the Capital Recovery Fees described therein to the District as an economic development grant. The Capital Recovery Fee Agreement is in effect until the first to occur of (a) the issuance of a building permit for the 2,011<sup>th</sup> single-family residential lots in the Property and the District is paid from the Segregated Capital Recovery Fees Account (as defined herein), or (b) the amount of the Capital Recovery Fees Grant (hereinafter defined) reaches \$20,000,000.00 and is reimbursed or provided to the District from the Segregated Capital Recovery Fees Account. The City agreed to provide a grant of collected capital recovery fees to the District, payable solely from the Capital Recovery Fees and no other revenues of the City, (the "Capital Recovery Fees Grant") pursuant to Chapter 380 as follows:

In consideration of the City entering into this Agreement providing for the payment of funds constituting a grant to the District under the terms and conditions set forth herein, District agrees to cause to be designed and constructed the Public Infrastructure (as defined in the Capital Recovery Fee Agreement) as set forth in the Development Agreement.

Pursuant to the Development Agreement, the City, the District, and Developer agreed to set Capital Recovery Fees for single-family residential lots as follows:

|                      |                         | <u>Years</u>         |                            |

|                      |                         |                      | successive 5 year period   |
| Water                | \$2,500                 | \$3,000              | Increase of \$500 for each |
|                      |                         |                      | successive 5 year period   |
| Wastewater           | \$2,500                 | \$3,000              | Increase of \$500 for each |
|                      |                         |                      | successive 5 year period   |

All Capital Recovery Fees are due and payable at the time building permits are issued for each single-family residential lot. Capital Recovery Fees collected upon the issuance of a building permit for the first 2,011 single-family residential lots in the Property shall be placed into a segregated interest-bearing account (the "Segregated Capital Recovery Fees Account").

If there is no default under the Capital Recovery Fee Agreement or the Development Agreement, monies shall be reimbursed or provided to the District as contract revenues or a Capital Recovery Fee Grant from the Segregated Capital Recovery Fees Account on a quarterly basis, being distributed to the District within fifteen (15) days of the commencement of the next succeeding quarter (no later than April 15<sup>th</sup>, July 15<sup>th</sup>, October 15<sup>th</sup>, and January 15<sup>th</sup>), in an amount not to exceed twenty million dollars (\$20,000,000.00) for and pledged to the payment of the District's contract revenue bonds for the benefit of the Development, the proceeds of which may be used for the construction, acquisition or reimbursement of or for the Public Infrastructure (as defined in the Capital Recovery Fee Agreement) or any authorized purpose of the District.

If the District does not by February 15, 2022 issue a series of contract revenue bonds secured by the Capital Recovery Fees, the District shall assign all of its rights, title, and interest to the Capital Recovery Fee Agreement to the Developer within three (3) business days of the Developer's request as agreed to between the District and the Developer pursuant to the Second Amendment, and the District shall have no claim to amounts collected in the Capital Recovery Fees Account and shall not be obligated to issue contract revenue bonds secured by the Capital Recovery Fees.

No default under the Capital Recovery Fee Agreement shall entitle the aggrieved party to terminate the Capital Recovery Fee Agreement or prevent the District from receiving any reimbursements or payments due and owed to the District under the Capital Recovery Fee Agreement.

# ANTICIPATED PAYMENTS SCHEDULES AND ASSUMPTIONS RELATED THERETO

Set forth below are anticipated payment schedules on the Bonds utilizing three absorption scenarios: a "Base Case Scenario," a "Developer/Builder Maximum Absorption Scenario" and a "Breakeven Scenario" (collectively, the "Anticipated Payments Schedules").

All Anticipated Payments Schedules set forth below are subject to the following assumptions:

Capital Recovery Fees are assumed to be collected by the City at the end of each month in which building permits are filed. Capital Recovery Fees are assumed to be transferred from the City to the District from the Segregated Capital Recovery Fees Account on the 15<sup>th</sup> day of each quarter, January 15th, April 15th, July 15th, and October 15th. These two assumptions intentionally create a lag in the realization of Pledged Revenues to the District. For example, should the City collect Capital Recovery Fees in the months of May, June, and July, the transfer to the District would only include fees collected in May and June. Additionally, available Pledged Revenues used to calculate the payment of Principal and Interest to be paid on December 31st of each year include only Capital Recovery Fees transferred from the City to the District through October 15th of each year. For clarity, funds collected by the District for payment on December 31, 2024, would include transfers from the City would include Capital Recovery Fees collected on the last day of each month beginning October 31, 2023, through September 30, 2024. Trustee fees and paid from available Capital Recovery Fees prior to the payment of principal and interest. Trustee fees are prepaid through the capitalized interest period.

In addition to the assumptions above, the "Base Case Scenario" Anticipated Payments Schedule is subject to the following assumptions:

This scenario delays the first expected home starts to the middle of the third quarter 2023 and grows to 25 home permits realized in each month beginning November 2023 (300 annually). Due to the reduced absorption assumption, this scenario realizes one (1) increase in Capital Recovery Fees five years after August 2, 2021, pursuant to the Development Agreement. The final permits are assumed to occur in June 2030.

In addition to the assumptions above, the "Developer/Builder Maximum Absorption Scenario" Anticipated Payments Schedule is subject to the following assumptions:

Capital Recovery Fees realized by the City are based on information provided by the Master Developer and Builder Pod Developers related to lot development and home starts. Information provided on a quarterly or annual basis were converted to monthly values by dividing the value by the number of months in the given period following the expected infrastructure completion date. The first expected home starts begin late in the second quarter of 2023. Under this scenario, absorption of the 2,011 lots occurs prior to the scheduled increase in Capital Recovery Fees occurring five and ten years after August 2, 2021, pursuant to the Development Agreement. The final permits are assumed to occur in January 2026.

In addition to the assumptions above, the "Breakeven Scenario" Anticipated Payments Schedule is subject to the following assumptions:

This scenario further delays the first expected home starts to January of 2024 and assumes between 18 and 19 home permits realized in each month (220 annually). Due to the reduced absorption assumption, this scenario realizes two (2) increases in Capital Recovery Fees five and ten years after August 2, 2021, pursuant to the Development Agreement. The final permits are assumed to occur in February 2033. The intent of this scenario is to reduce the annual absorption levels to a point that requires use of the Reserve Fund but does not result in nonpayment of principal and interest.

All Anticipated Payments Schedules are provided for informational purposes only. No assurance can be given that the District will receive payments under the Capital Recovery Fee Agreement in a manner consistent with any of the Anticipated Payments Schedules. Payments on the Bonds are made on a cash-flow basis as described under "SECURITY FOR THE BONDS" and "DESCRIPTION OF THE BONDS." Failure to pay principal of and interest on the Bonds is not an event of default if the District has not received revenues under the Capital Recovery Fee Agreement. See "SECURITY FOR THE BONDS – Events of Default." See also "BONDHOLDERS' RISKS – "Cash Flow" Nature of Payments on the Bonds."

## THE DISTRICT

# Background

The District was created by Dynavest Joint Venture, LLC, an entity unaffiliated with the Master Developer, and through an act of the 86th Texas Legislature in 2019 for the primary purpose of facilitating the construction of quality mixed-use residential and commercial development to benefit the residents of the District. The District is located within the municipal boundaries of the City and Collin County, Texas. The District as created was named the North Celina Municipal Management District No. 3, but has since been renamed to be the North Parkway Municipal Management District No. 1.

The District as created by the District Legislation contained the Original District Acreage, approximately 3,236.601 acres. The District has received a petition to exclude certain land located within the Original District Acreage and expects to exclude such land after consent of the City to such exclusions, which consent is expected to be obtained on October 12, 2021. After such exclusions, the District is expected to contain approximately 3,210 acres. The map on page v of this Limited Offering Memorandum depicts the expected boundaries of the District after such expected exclusions. The District may not exclude any land on which assessments or taxes have been levied nor can the District exclude land if unlimited tax bonds have been issued by the District.

#### **District Board of Directors**

The District is a political subdivision created to accomplish the purposes of Sections 52 and 52-a, Article III, and Section 59, Article XVI, of the Texas Constitution. The District is governed by a board of five directors, four of whom are elected and one of whom is appointed by the City from a list of persons recommended by the preceding board. The directors serve staggered terms of four years. The current members of the Board of Directors and their respective expiration of terms of office are as follows:

|                |                     | Term Expires |
|----------------|---------------------|--------------|
| <u>Name</u>    | <u>Office</u>       | (May)        |
| Greg Leveling  | President           | 2025         |
| William Rogers | Vice President      | 2023         |
| Robert Klarer  | Secretary           | 2025         |
| James Rose     | Assistant Secretary | 2023         |
| Steve Mitchell | Assistant Secretary | 2025         |

Members of the Board of Directors each own a one-fifth interest in a one-acre lot in the District, which lot is located in undevelopable flood plain acreage.

Director Leveling is a self-employed consultant. Director Leveling served as a board member for 14 years for Kaufman County Fresh Water Supply District No. 1-A ("Kaufman 1-A"). Kaufman 1-A is a development located in Kaufman County, Texas developed by Pillar Income Asset Management.

Director Rogers is a retired Texas Master Peace Officer. Director Rogers previously served as a board member for 14 years with Kaufman 1-A.

Director Klarer is a sales rep for First Line Reps. He has no prior water district board service.

Director Rose is a traffic safety consultant with Magnum Force Services. He has no prior water district board service.

Steve Mitchell is the Chief Operating Officer of Ronald Walker Associates II, Inc. Director Mitchell previously served as a board member of Kaufman 1-A for 14 years.

# **Powers and Authority**

The District Legislation provides that the District may provide, design, construct, acquire, improve, relocate, operate, maintain, or finance an improvement project or service using money available to the District, or contract with a governmental or private entity to provide, design, construct, acquire, improve, relocate, operate, maintain, or finance an improvement project or service authorized under the District Legislation or Chapter 375, Local Government Code (the "MMD Act"). Accordingly, upon receipt of a petition by the owners of the majority of the assessed value of real property in the District subject to

assessment, the District may impose and collect assessments to finance the improvement projects and services to be undertaken by the District. Upon approval at an election, the District may also impose an ad valorem tax. The District may issue bonds, notes, or other obligations payable from the District's ad valorem taxes or, if the improvement to be financed is a major public infrastructure project that serves a majority of the District, the District's assessments. The District may issue, by public or private sale, bonds, notes, or other obligations payable wholly or partly from assessments in the manner provided by Chapter 372, Local Government Code, if the improvement to be financed will be conveyed to or operated and maintained by a municipality or other retail utility provider pursuant to an agreement with the District entered into before the issuance of the obligation.

The District Legislation provides that the District may not issue bonds until the City has consented to the creation of and inclusion of land within the District. Such consent was obtained on March 19, 2019, as evidenced by Resolution No. 2019-18R and on June 8, 2021, as evidenced by Resolution 2021-35R (together, "Consent Resolution"). The Consent Resolution required that the District change its name to not contain the word "Celina", which has since occurred. The Consent resolution also required the City and the Master Developer's predecessor in interest, Dynavest Joint Venture, to enter into a development agreement, which development agreement is described herein under "THE DEVELOPMENT AGREEMENT." The Development Agreement (as defined herein) places certain conditions on the issuance of bonds by the District, including that the District must adopt a service and assessment plan, assessment roll, and assessment order, if such bonds are payable from assessments.

On August 2, 2021, the District received a Request for the North Parkway Municipal Management District No. 1 to Consider the Advisability and Nature of Improvements within the District and Levying Special Assessments Against Property within the District and Issuing Bonds Regarding the Same, properly executed by the owners of the majority of the assessed value of real property in the District subject to assessment, in fulfillment of the District Legislation. On September 13, 2021, after holding a public hearing on the subject, the Board of Directors by resolution made the finding that the Single-Family Major Improvements are necessary to accomplish the public purpose of the District and by resolution approved the preliminary service and assessment plan.

Pursuant to the District Legislation and the MMD Act, the District may undertake, or reimburse a developer for the costs of, improvement projects that confer a special benefit on property located within the District, whether located within or outside of the District. The District may levy and collect assessments on property in the District, or portions thereof, payable in periodic installments based on the benefit conferred by an improvement project to pay all or part of its cost. Pursuant to the authority granted by the MMD Act and the District Legislation, the District has determined to undertake the construction, acquisition or purchase of the SF Major Improvements and to finance a portion of the costs thereof through the issuance of the Major Improvement Bonds.

#### District Confirmation, Bond, and Powers Election to be Held November 2, 2021

Pursuant to the MMD Act, no District election is required for the District to levy assessments or issue bonds payable from assessments. The District has called an election to be held on November 2, 2021 (the "District Election") to confirm the creation of the District and authorize various other powers of the District, including the issuance of bonds and the levy and collection of ad valorem taxes on assessable property in the District in support thereof.

The following propositions are on the ballot for the District Election

- Confirmation of the Creation of the District:

- Issuance of \$111,193,200 Road Bonds and the Levy of Ad Valorem Taxes Adequate to Provide for the Payment of the Road Bonds by the District;

- A Joint Utility Contract between the District and the City and the Levy of an Ad Valorem Tax in Support of Such Contract
- Joint Road Contract between the District and the City and the Levy of an *Ad Valorem* Tax in Support of Such Contract.

No assurance can be given regarding the outcome of the District Election. If the above propositions pass, the District will be authorized to issue any approved bonds and levy any approved taxes as described above. The District does not currently expect to issue utility or road bonds in the near future, nor does the District expect to levy the full maintenance tax in the near future if authorized.

#### THE DEVELOPMENT AGREEMENT

Dynavest Joint Venture, the Master Developer's predecessor in interest, entered into a Development, Settlement and Annexation Agreement with the City effective September 8, 2020 (the "Original Development Agreement"). In connection with the purchase of land in the District by the Master Developer, the Master Developer, the City and the District entered into a First Amendment to a Development, Settlement and Annexation Agreement, effective as August 2, 2021. On September 14, 2021, the Master Developer, the City, and the District entered into a Second Amendment to a Development, Settlement and Annexation Agreement. The Original Development Agreement, as so amended, is referred to herein as the "Development Agreement."

Pursuant to the Development Agreement, the Master Developer has agreed to construct certain "Public Improvements" for the benefit of the Development in accordance with the conditions therein. Capitalized terms used in this "THE DEVELOPMENT AGREEMENT" section and not otherwise defined herein shall have the meanings assigned to them in the Development Agreement. The Development Agreement provides the scope of the Public Improvements to be constructed, sets forth certain condition for the issuance of bonds by the District and rules and regulations for the construction of the Public Improvements and certain private improvements, and provides the process for the development of all property within the Development. The Master Developer will pay or be reimbursed for a portion of the costs of the Capital Recovery Fee Projects from proceeds of the Bonds.

The Development Agreement contains certain additional agreements by the City and the Master Developer, a portion of which are outlined below.

<u>City Constructed Infrastructure Pursuant to the Development Agreement</u>. Under the Development Agreement, the City has agreed to construct a Dallas North Tollway water line south of J. Fred Smith Parkway (the "Southern DNT Water Line") on or before the date that is eighteen (18) months following the City's receipt of the Developer's Contribution (as defined below) and subject to the provision described in the paragraph below; provided however, that if the Southern DNT Water Line is not complete by such date, the Master Developer may, at its option, construct or cause the completion of the construction of the Southern DNT Water Line, and the City has agreed to reimburse the Master Developer for the Master Developer's costs to complete the Southern DNT Water Line.

Subject to Master Developer being in compliance with its obligations contained in the Development Agreement, the City has agreed to provide wastewater service to the North Tract (the portion of the District lying north of G.A. Moore Parkway) in a sufficient capacity and to further expand the WWTP, if necessary, to provide sufficient capacity to serve the North Tract, at no cost to the Master Developer.

The Master Developer may utilize pump and haul wastewater sewer service for the Property, at the Master Developer's sole cost and expense, until the WWTP is available to service to the Property; provided, however, the City has agreed to pay for pump and haul costs incurred after the later of (1) July 1, 2023; or (2) twenty-four (24) months after City receives Developer's Contribution if the WWTP is not complete and available for service to the Property by such time.

The Master Developer has further agreed to construct the second Regional Amenity Center within twenty-four months of the City's acceptance of the Public Improvements for the Phase and Pod in which the second Regional Amenity Center will be located.

The Master Developer has agreed to construct a network of twelve foot (12') concrete main spine trails and eight foot (8') concrete side trails and connectors as neighborhood trails, including trail heads and low water pedestrian crossings, to connect both sides of the creek and provide connectivity throughout the in conformance with the City's Master Parks & Trails Plan. The neighborhood trails shall be constructed in segments as required or necessary for each phase of the development, and the Master Developer shall complete or cause the completion of construction of each portion of the neighborhood trails in segments on or before the date that is twelve (12) months after the City's acceptance of the Public Improvements for the applicable phase. If the Master Developer does not complete or cause the completion of the segment of the neighborhood trails for the applicable phase by such date, the City may withhold issuance of building permits for single family residential homes after the two-thousandth (2,000<sup>th</sup>) building permit in the South Tract until completion.

#### THE DEVELOPMENT

The following information has been provided by the Master Developer and the City PID Developers. Certain of the following information is beyond the direct knowledge of the District, the District's Financial Advisor and the Underwriter, and none of the District, the District's Financial Advisor or the Underwriter have any way of guaranteeing the accuracy of such information. The Master Developer and the City PID Developers have reviewed this Limited Offering Memorandum and warrants and represents that neither (i) the information herein under the caption "THE DEVELOPMENT" nor (ii) the information relating to the Master Developer and the City PID Developers, as applicable, under the caption "BONDHOLDERS' RISKS" contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made herein, in the light of the circumstances under which they are made, not misleading. At the time of delivery of the Bonds to the Underwriter, the Master Developer and the City PID Developers will deliver a certificate to this effect to the District and the Underwriter.

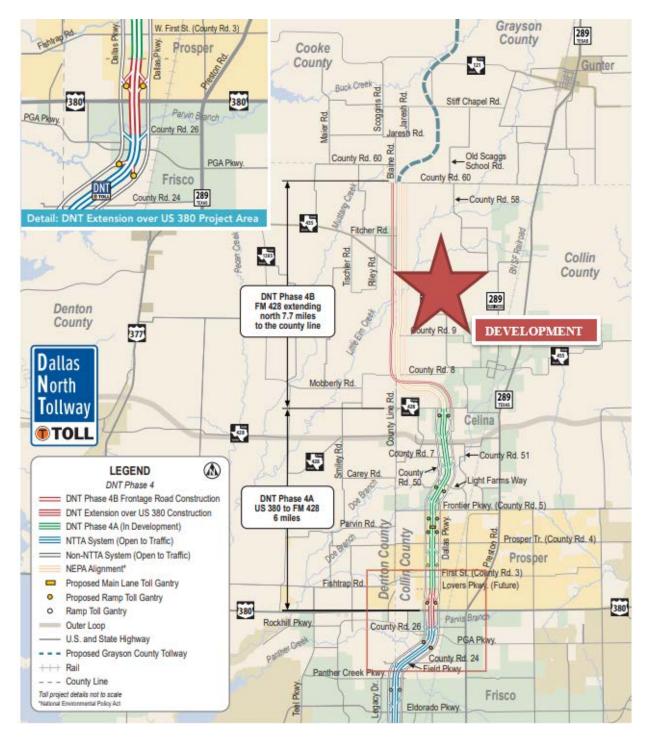

#### Overview

The land within the District will be developed as a mixed-use master planned development to be known as "Legacy Hills" (the "Development"). The Development is located within the city limits of the City, approximately 2 miles west of Preston Road, near the intersection of FM 455 and FM 946.

The City, located in the north-central region of the Dallas-Fort Worth-Arlington, Texas Metropolitan Statistical Area (the "DFW MSA"), is poised for significant growth as the overall DFW MSA continues its growth trajectory. In November 2020, utilizing data from the U.S. Census Bureau, the Dallas Business Journal ranked Celina as the fastest growing City above 10,000 residents in north Texas, with a population growth rate of 50% between 2015 and 2019. According to data from the U.S. Census Bureau, building permit activity for privately owned housing units in the City has increased 1400% since 2015, with an annual increase of 64% between 2019 and 2020, the latest year for which data is available. According to the Celina Economic Development Corporation, the City estimates its current population at 22,793, and projects a 2026 population of 51,000 residents.

The Development is located adjacent to the proposed "Phase 4" extension of the Dallas North Tollway, as generally shown below, which, when completed, will extend the Dallas North Tollway past the District, shortening commutes for residents of the Development and providing potential businesses in the Development with access to thousands of consumers each day. According to the summer 2021 progress report of the North Texas Tollway Authority, excavation and embankment work on frontage roads for "Phase 4B" of such extension, which runs parallel to the Development, has begun. "Phase 4A," the southernmost portion of the extension which will provide the connection to the existing Dallas North Tollway, is under development. The North Texas Tollway Authority has not currently projected an opening date for the extension.

Residents can currently access the Development by traveling north on FM 455 from the intersection of FM 455 and Preston Road. Drive time from the proposed main entrance of the site to Preston Road is 3.7 miles, approximately 7 minutes. An alternate route to access the Development is to come from Highway 377 heading south on FM 455. Drive time to the proposed main entrance of the site from Highway 377 is 9.2 miles, approximately 10 minutes. Residents of the Development can currently access most of the major highways throughout the greater Dallas area via Preston Road and the Dallas North Tollway. Employment centers including Garland, Richardson, and downtown Dallas are accessible via Preston Road and the Dallas North Tollway.

The Development is expected to include up to approximately 7,000 single family residential homes, approximately 4,100 multifamily residential units, and approximately 100 acres of commercial development located along the Dallas North Tollway in the City of Celina, Texas. The single family residential homes will be developed in pods by homebuilders, including: Ashton Woods, Beazer Homes, DR Horton, First Texas Homes, Lennar Homes, M/I Homes, and Mattamy Homes. See "THE DEVELOPMENT - Development Plan" and "THE DEVELOPMENT - Expected Build-Out of Single-Family Development and Home Prices in the Development" below.

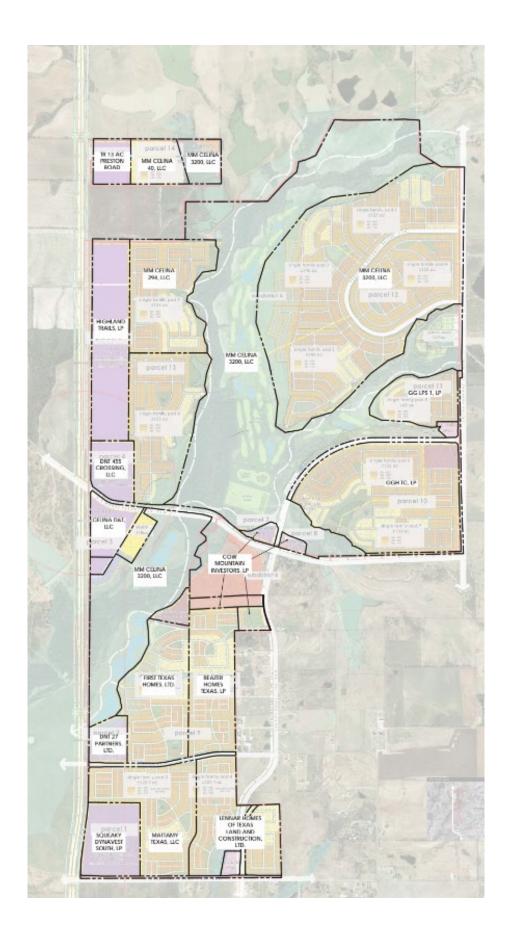

The Development is expected to include significant amenities, including seven total amenity centers which will include swimming pools and play areas, a championship golf course with a clubhouse, open spaces and trails as described under "THE DEVELOPMENT – Amenities," as well as a City sports park.

Ownership of the land within the Development is as follows and as further depicted below:

## **Development Plan**

A portion of the land containing single-family residential homes is expected to be owned and developed as discrete "pods" by the Builder Pod Developers, which are regional and national homebuilders, including Ashton Woods, Beazer Homes, First Texas Homes, Lennar Homes, and Mattamy Homes. The Builder Pod Developers will complete lots and construct homes on their respective land within the District. Additional single family lot development is expected to be completed by MM Celina 294 and MM Celina 40, each affiliates of the Master Developer, which affiliates will develop single-family lots for sale to homebuilders (M/I Homes and D.R. Horton) on a takedown basis. Such pods are expected to be developed in phases. See "THE DEVELOPMENT - Expected Build-Out of Single-Family Development and Home Prices in the Development" below. The Builder Pod Developers are expected to collectively develop approximately 3,294 lots in the District, MM Celina 294 is expected to develop approximately 1,216 lots in the District, and MM Celina 40 is expected to develop approximately 192 lots in the District. See "THE DEVELOPMENT – Expected Build-Out of Single-Family Development and Home Prices in the Development." A portion of the lots to be developed by Ashton Woods (approximately 278 located on Parcel 11) are expected to be utilized as single-family for rent homes. The Master Developer owns approximately 587 acres of additional land in the Development which is expected to be developed into single-family lots in the future, either by the Master Developer or by additional builders in a manner similar to the Builder Pod Developers.

Commercial and multifamily development in the District is expected to occur at a later date, in connection with sufficient single-family development and the development of the Dallas North Tollway extension abutting the commercial and multi-family zoned land.

Development in the District will begin with the construction of the District Major Improvements and certain Local Improvements, which Local Improvements are expected to be constructed by the Pod Developers. The District Major Improvements and the Local Improvements will be dedicated to the District and conveyed to the City, and constructed in accordance with City standards.

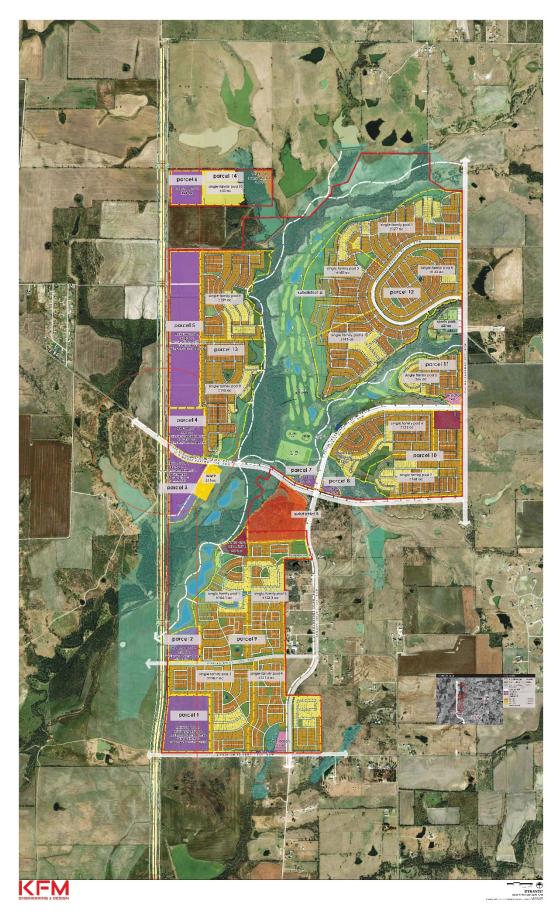

The Master Developer is responsible for construction of District Major Improvements, which include the Capital Recovery Fee Projects. Construction of such improvements is expected to begin Q1 2022 and is expected to be completed in Q3 2023. Proceeds of the Bonds will pay for the Capital Recovery Fee Projects. See "THE CAPITAL RECOVERY FEE PROJECTS" and "SOURCES AND USES OF FUNDS."

Local Improvements are expected to be completed in phases as described under "THE DEVELOPMENT - Expected Build-Out of Single-Family Development and Home Prices in the Development" below and funded as described under "ACQUISITION OF PROPERTY IN THE DEVELOPMENT AND DEVELOPMENT FINANCING PLAN."

# **Concept Plan**

Below is the current concept plan of the Development as approved by the City. The concept plan is conceptual and subject to change consistent with the City's zoning and subdivision regulations.

## MM Celina 294 and MM Celina 40 - Lot Purchase and Sale Agreements

D.R. Horton and M/I Homes have each contracted to purchase approximately half of the lots to be located on the MM Celina 294 Property. The latest amendments to the Lot Purchase and Sale Agreements provide certain quantities of 40', 50', and 60' lots in Phase #1A, #2 and #3 of the City PID to be sold to D.R. Horton and M/I Homes. Lot counts in such contracts were based on a prior concept plan and such contracts currently do not account for all of the lots in Phase #1A, #2 and #3 of the City PID. It is expected that the Lot Purchase & Sale Agreements with D.R. Horton and M/I Homes will be amended to include all lots in Phase #1A, 2 and 3 of the City PID as provided in the final concept plan for the City PID. Final lot splits will be determined at platting. D.R. Horton and M/I Homes have each delivered \$4,500,000 in earnest money pursuant to their respective contracts, which earnest money was released and utilized to fund a portion of the purchase price of the MM Celina 294 Property. MM Celina 294 has executed earnest money deeds of trust in favor of D.R. Horton and M/I Homes in connection with the release of such earnest money.

MM Celina 40 has entered into a Lot Purchase and Sale Agreement (the "Dream Finders PSA") with Dream Finders Homes ("Dream Finders") for all lots to be located on the MM Celina 40 Property. The Dream Finders PSA is currently in a thirty-day feasibility period, which feasibility period is expected to end on October 24, 2021 (the "Feasibility Period"). Dream Finders has deposited \$10,000 in initial earnest money pursuant to the Dream Finders PSA. On or prior to the expiration of the Feasibility Period, Dream Finders is required to deposit additional earnest money of \$240,000 if the Dream Finders PSA is not terminated within the Feasibility Period. Dream Finders is required to deposit additional earnest money in the amount of \$1,750,700 within five business days of Dream Finders' receipt of notice from MM Celina 40 that MM Celina 40 has secured

a development loan for Phase #1B. Earnest money delivered by Dream Finders will be released after the close of the Feasibility Period and the execution of an earnest money deed of trust which granting Dream Finders a lien on the purchased lots.

#### **Expected Commercial/Multi-Family Development in the District**

Approximately 341.8 acres within the District (Parcels 1-8 on the Concept Plan above) are currently expected to contain either commercial or multi-family development (the "Commercial/Multi-Family Land"). Pursuant to the PDD Ordinance (as defined herein) the Commercial/Multi-Family Land, as well as 30 acres of Parcel 13, may be developed as Flex, MF-2 (Urban Edge multi-family), MF-3 (Urban Living multi-family), or C (Commercial, Office, & Retail). The PDD Ordinance allows for a maximum number of 4,100 multifamily units with certain restrictions on the quantity of units on particular parcels as described under "THE DEVELOPMENT - Zoning" below.

Investors holding the Commercial/Multi-Family Land have indicated that such land is expected to be sold to future investors or developed at a later date as development of the single-family residences and the Dallas North Tollway extension progresses. Accordingly, the Commercial/Multi-Family Land has been deemed Non-Benefitted Property and no District Major Improvement Assessments have been levied on the Commercial/Multi-Family Land.

<sup>\*\*</sup> Dream Finders PSA is currently for 195 lots but is expected to be amended to reflect the 192 lots in Phase #1B.

#### **Zoning**

The Development is located in Planned Development District No. 17, and development therein is governed by the standards set forth in Ordinance 2006-57, as amended by Ordinance 2021-67, each adopted by the City (collectively, the "PDD Ordinance"). The PDD Ordinance allows certain residential, commercial, and multi-family uses within the District, and establishes guidelines pertaining to maximum lots and units, purpose, height, area, setbacks, landscaping, required open space in the Development, and the like.

The PDD Ordinance currently allows for a maximum of 7,000 single-family lots in the Development. In addition, the PDD Ordinance allows for a maximum of 4,100 multifamily units in the following Parcels: Parcels 1-8 and Parcel 13, subject to the following: (i) Parcel (1) will not exceed 1,100 units; (ii) Parcel (2) will not exceed 432 units; (iii) Parcel (3) will not exceed 480 units; and (iv) Parcel (4) will not exceed 480 units.

The PDD Ordinance also requires that a minimum of 7 amenity centers shall be dispersed throughout the Development. There shall be a minimum of five amenity centers which shall contain the following elements: a swimming pool, restrooms, shade structures, and a playscape area. In addition, there shall be a minimum of two large amenity centers, each of which shall contain the following elements: indoor air-conditioned space, restrooms, a swimming pool, and a playground. In addition, under the PDD Ordinance, the Master Developer must construct or cause the construction of a network of neighborhood concrete trails with main spine trails being twelve feet (12') in width and side trails and connections being eight feet (8') in width, in conformance with the City's Master Parks and Trails Plan. Such requirements are consistent with the requirements of the Development Agreement. See "THE DEVELOPMENT AGREEMENT."

#### **Amenities**

Community amenities will include (i) a minimum 18-hole golf course which may include a golf course clubhouse, driving range, and putting green; (ii) five Amenity Centers containing a swimming pool, restrooms, shade structures, and a playscape area; (iii) two Regional Amenity Centers containing indoor air-conditioned space, restrooms, a swimming pool, and a playground; (iv) tennis courts; (v) basketball courts; and (vi) a linear park and connecting neighborhood trails throughout the Development. The total expected cost of the Regional Amenity Centers, the additional Amenity Centers, the trails, trail amenities, parks and landscaping is \$14,000,000. The Master Developer has not completed current cost estimates for the golf course. It is expected that such amenities and the golf course will be financed through private financing acquired by the Master Developer.

It is expected that the trail amenities will be developed as the phases of development within the District come online in accordance with the Development Agreement. Construction of the amenities serving the development is expected to begin in 2023 and take approximately 10 years.

The PDD Ordinance and the Development Agreement contain specific requirements with respect to the amenity centers and trails within the Development. See "THE DEVELOPMENT AGREEMENT" and "THE DEVELOPMENT - Zoning." The Development Agreement contains certain timelines for completion of construction of the amenity centers and the trails, as well as the commencement of construction of the golf course. See "THE DEVELOPMENT AGREEMENT - Required Amenities and Timelines for Completion Thereof." Pursuant to the Development Agreement, if the Master Developer does not complete the amenity centers or the trails within the timeframes specified therein, the City may withhold permits on the South Tract after the 2,000th building permit. Accordingly, a delay in completion of the amenity centers and the trails could cause a delay in the construction of homes in South Tract of the Development. The Master Developer currently expects that the applicable deadlines in the Development Agreement will be met.

## **Education**

Children in the Development will attend schools in the Celina Independent School District ("CISD") which encompasses 96 square miles serving the residents of the City in Collin and Denton Counties, and the communities of Alla and Weston. CISD enrolls over 2,500 students in one high school, one junior high school, and two elementary schools and one early childhood/primary school. According to the Texas Education Agency, CISD received a "District Accountability Rating" of A from the TEA during its most recently evaluated school year. Students in the District will attend Lykins Elementary School (approximately 4.2 miles from the District), Celina Middle School (approximately 4.5 miles from the District) and Celina High School (approximately 7.7 miles from the District). In addition, the Master Developer has reserved two sites for potential future construction of schools within the District in accordance with the Development Agreement. See "THE DEVELOPMENT AGREEMENT."

## **Existing Mineral Rights, Easements and Other Third Party Property Rights**

Third parties hold title to certain rights applicable to real property within and around the District (the "Mineral Owners"), including reservations of mineral rights and royalty interests and easements (collectively, the "Third Party Rights") pursuant to various instruments in the chain of title for various tracts of land within and immediately adjacent to the District. Some of these reservations of mineral rights include a waiver by the Mineral Owners of their right to enter onto the surface of the property to explore, develop, drill, produce or extract minerals within the District. If the waiver is applicable, such Mineral Owners may only develop such mineral interests by means of wells drilled on land outside of the property of the District.

The Master Developer is not aware of any ongoing mineral rights development or exploration on or adjacent to the property within the District. The Master Developer is not aware of any interest in real property (including mineral rights) owned by the Mineral Owners adjacent to the District. Certain rules and regulations of the Texas Railroad Commission may also restrict the ability of the Mineral Owners to explore or develop the property due to well density, acreage, or location issues.

Although the Master Developer does not expect the above-described Third Party Rights, or the exercise of such rights or any other third party real property rights in or around the District, to have a material adverse effect on the Development or the property within the District, the Master Developer makes no guarantee as to such expectation. See "BONDHOLDERS' RISKS — Exercise of Third Party Property Rights."

#### **Environmental**

<u>Phase One</u>. A Phase One Environmental Site Assessment (a "Phase One ESA") of land within the District, was completed on February 5, 2021 by Environmental Property Investigations, Inc. Based on the information presented in the Phase One ESA, there was no evidence that the Development was under environmental regulatory review or enforcement action. The site reconnaissance, regulatory database review and historical source review revealed no evidence of recognized environmental conditions involving the site.

<u>Endangered Species</u>. According to the website for the United States Fish and Wildlife Service, the whooping crane and the least tern are endangered species in Collin County. The Master Developer is not aware of any endangered species located on District property.

## **Preliminary Geotechnical Report**

Alpha Testing performed a limited preliminary geotechnical exploration of Parcels 1, 2, 3, 4, and 5 and Single-Family Pods 1, 2, 3, 4, 8 and 9 (the "Preliminary Geotechnical Report"). Based on subsurface conditions encountered at the borings, Alpha Testing estimated slab foundations/floor slabs constructed within 3 feet of existing grade as encountered during drilling could experience soil-related seasonal movements (potential vertical rise, PVR) in excess of 4½ to 6 inches in certain areas, and in excess of 6 inches in others. The Preliminary Geotechnical Report recommended certain construction methodologies for the construction of single-family residences and commercial structures to accommodate the subsurface conditions.

#### **Flood Designation**

According to the Federal Emergency Management Agency (FEMA) Flood Insurance Rate Map (FIRM) Community Panel Number 48085C0105J, revised on June 2, 2009 an approximately 985-acre portion of the property in the Development is currently located in Zone A which corresponds to special flood hazard areas subject to inundation by the 100-year flood. Mandatory flood insurance purchase requirements apply in areas designated as Zone A. Approximately 55 acres of such flood plain land are expected to be reclaimed. If such property is reclaimed and a letter of map revision obtained, such flood insurance requirements will not apply. Approximately 33 of such acres are expected to include single-family residential lots and 5 acres are expected to include commercial development. Approximately sixteen additional acres of reclaimed land will be used for a waste-water treatment plant and approximately one acre will be dedicated to the Celina Independent School District. A hydrologic study is currently being performed with respect to such reclamation efforts.

## Utilities

<u>Water and Wastewater</u>. The City will provide both water and wastewater service to the District. The City purchases its water wholesale from the Upper Trinity Regional Water District, and the City maintains its own water distribution system and wastewater collection and treatment system.

The City currently does not have sufficient wastewater capacity to serve the expected development in the District. The City will construct the WWTP to serve the "South Tract" of the Development as described under "THE DEVELOPMENT AGREEMENT." Pursuant to the terms of the Development Agreement, the City has commenced permitting and design on the WWTP. The Master Developer is responsible for the cost of pumping and hauling wastewater generated by the Development until the City's wastewater treatment plant is constructed. However, the City will be responsible for the costs associated with pumping and hauling of wastewater if the WWTP is not complete within twenty-four months of the City's receipt of the Master Developer's contribution to the construction of the WWTP, which is expected to occur at closing of the Bonds. See "THE DEVELOPMENT AGREEMENT" and "BONDHOLDERS RISKS – Availability of Utilities."

<u>Other Utilities</u>. Additional utilities in the District are expected to be provided by: (1) Phone/Data - AT&T, Spectrum, and Suddenlink; (2) Electric - GCEC; (3) Cable – AT&T, Spectrum, and Suddenlink; and (4) Natural Gas - Atmos Energy.

#### General

In general, the activities of a developer in a development such as the District include purchasing the land, designing the subdivision, including the utilities and streets to be installed and any community facilities to be built, defining a marketing program and building schedule, securing necessary governmental approvals and permits for development, arranging for the construction of roads and the installation of utilities (including, in some cases, water, sewer, and drainage facilities, as well as telephone and electric service) and selling improved lots and commercial reserves to builders, developers, or other third parties. The relative success or failure of a developer to perform such activities within a development may have a material effect on the security of revenue bonds, such as the Bonds, issued by a municipality for a public improvement district. A developer is generally under no obligation to a public improvement district, such as the District, to develop the property which it owns in a development. Furthermore, there is no restriction on the developer's right to sell any or all of the land which the developer owns within a development. In addition, a developer is ordinarily the major tax and assessment payer within a district during its development.

# Description of the Master Developer and the City PID Developers

The Master Developer, MM Celina 294 and MM Celina 40 are affiliates of Centurion American Custom Homes Inc. d/b/a Centurion American Development Group Inc. ("Centurion"). Each of such affiliates was created by Centurion for the purpose of managing and ultimately conveying property in the Development to third parties. The Master Developer and the City PID Developers are nominally capitalized limited liability companies, the primary assets of which is unsold property within the District and the City PID.

Since 1990, Centurion has developed over 20,000 single-family lots in dozens of communities surrounding North Texas. It has worked closely with investors, land-owners, financial institutions, and vendors to acquire over 15,000 acres of land inventory for a diverse mix of developments in size and scope. Centurion's communities include amenities such as parks, golf courses, water park themes, and hiking and biking trails. Over the past thirty years, Centurion has demonstrated the ability to successfully deliver master-planned communities that have been recognized in the real estate industry.

Mr. Mehrdad Moayedi has ultimate control of Centurion and its affiliates. Centurion maintains a staff of approximately 50 employees. Centurion creates single-asset limited liability companies to own development sites and contracts with developers and other professionals in the delivery of its communities.

In addition, Centurion works closely with local municipalities, commercial developers, and public school systems as part of its overall master plan. Centurion works with North Texas' top builders to deliver the latest concepts ranging from upscale, luxury homes in secluded neighborhoods to affordable housing communities for first-time home buyers. Centurion purchases and develops land in prime locations with the right mix of natural land settings, strong job growth, good school systems and access to local community shopping. A snapshot of some of the communities Centurion has developed is presented below.

## **Executive Biography**

Mehrdad Moayedi is the President and Chief Executive Officer of Centurion. Mr. Moayedi has more than thirty years of direct experience in the development industry. With a background in construction and real estate, Mr. Moayedi employs a comprehensive approach to each Centurion development. Mr. Moayedi has extensive knowledge of the interconnection of all parts of residential real estate development.

Before forming JBM Development in 1986, Mr. Moayedi completed several construction and fee development projects in Northeast Tarrant County, Texas subdivisions as well as various construction and remodeling projects. JBM Development, along with Centurion American Custom Homes, formed Centurion in 1990. The company has become broadly diversified, with residential developments ranging from upscale high-rise residential towers to affordable housing communities for first-time home buyers.

# **General Development Financing by Centurion**

Centurion and its various affiliated special purpose entities, including the Master Developer, utilize a variety of funding sources for the purchase land and subsequent development or redevelopment thereof. Typically, the applicable Centurion affiliate will obtain an acquisition loan from a lender to fund the acquisition of land. To fund horizontal development of such land, Centurion affiliates use a combination of developer equity, builder earnest money, builder payments under lot contracts, development loans from lending institutions, incentives from local governments (including tax increment grants),

public/private partnerships, funds from tax-exempt bonds issued by local governments and backed by special assessments on the developable land and other sources of capital.

Centurion has also recently completed a financing (the "Financing") under which acquisition loans relating to certain projects (the "Financing Projects") owned by various Centurion affiliates were refinanced with the proceeds of securities issued by an unaffiliated newly-formed limited liability company created for the purpose of (i) acquiring the property relating to such Financing Projects, (ii) providing funds for limited infrastructure development by the Centurion affiliates related to such Financing Projects and (iii) issuing the bonds secured by inter alia, the property relating to such Financing Projects and certain proceeds derived from lot contracts relating to such Financing Projects. The Financing was completed for the purpose of refinancing loans related to the Financing Projects at a lower rate and achieving debt service savings, terminating certain covenants and freeing up certain collateral related to the refinanced loans, and providing additional funds for development of a portion of the Financing Projects, which funds are expected to be provided at a lower interest rate than development loans typically available relating to the Financing Projects from traditional lenders. Property relating to the Financing Projects is cross-collateralized under the Financing.

The five Financing Projects are comprised of certain projects located in the Dallas-Fort Worth area, one of which is located in a special district and one of which is located in two public improvement districts. The Development, the Master Developer and the City PID Developers were not involved in such Financing.

<u>Property Acquisition, Concurrent Sales and Subsequent Sale</u>. On August 2, 2021, the Master Developer purchased a 3,150 acre parcel of land, all of which is located in the District, for approximately \$125 million. Master Developer Acquisition Loan. The remainder of the purchase price not financed with the Concurrent Sales was financed with a loan provided by Trez Capital (2015) Corporation ("Trez") in the amount of \$17,489,200 (the "MM 3200 Purchase Loan"). The MM 3200 Purchase Loan bears interest at a rate of the greater of (i) ten percent (10%) and (ii) the New York Prime Rate, which is the annual lending rate of interest announced from time to time by the JP Morgan Chase & Co., New York, New York, as its prime rate, plus 6.5%, but in no event at a rate that is greater than the maximum non-usurious rate permitted by federal or Texas law. Payments under the Purchase Loan are interest only payments due monthly, with the full principal of the MM 3200 Purchase Loan payable at maturity. The outstanding balance of the MM 3200 Purchase Loan as of September 3, 2021 is \$3,137,071.71. The MM 3200 Purchase Loan matures on July 30, 2022.

MM Turtle Creek, LLC, an affiliate of the Master Developer, and MM Celina 294, are co-borrowers on the MM 3200 Purchase Loan for the purpose of pledging certain land owned by MM Turtle Creek, LLC and MM Celina 294, respectively, as collateral. In connection with the MM 3200 Purchase Loan, the Major Improvement Loan (as defined herein) and the MM 294 Development Loan (as defined herein) (such loans collectively referred to herein as the "MM Entity Loans"), the Master Developer executed a first lien deed of trust in favor of Trez (the "MM 3200 DOT"), which secures payment of the MM Entity Loans on a cross-collateralized basis, and pledges all of the Master Developer's land in the Development. In connection with the MM Entity Loans, MM Turtle Creek, LLC executed a first lien deed of trust (the "MM Turtle Creek DOT") which secures payment of the MM Entity Loans on a cross-collateralized basis, and pledges certain land owned by MM Turtle Creek, LLC which is not located in the Development. In connection with the MM Entity Loans, MM Celina 294 executed a third lien deed of trust in favor of Trez (the "MM Celina 294 3rd Lien DOT"), which secures payment of the MM Entity Loans on a cross-collateralized basis, and pledges all of the MM Celina 294's land in the Development.

Accordingly, the MM 3200 Purchase Loan is secured by first lien on MM Celina 3200's property in the District, a first lien on MM Turtle Creek, LLC's unconnected property pledged through the MM Turtle Creek DOT, and a third lien on the MM Celina 294 Property pursuant to the MM Celina 294 3<sup>rd</sup> Lien DOT, as well as certain assignments of contracts and proceeds of reimbursement rights. The MM 3200 Purchase Loan is personally guaranteed by Mehrdad Moayedi.

The Master Developer previously held an interest in the Capital Recovery Fees and held such interest at the time the Master Developer acquired the MM 3200 Purchase Loan and the SF Major Improvements Loan (as defined below). Accordingly, Trez also holds a security interest in the Capital Recovery Fees to be received by the Master Developer, if any, pursuant to the Development Agreement or otherwise. Trez consented to the Capital Recovery Fee Agreement, and is expected to release any such security interest at the time the bond purchase agreement is executed with respect to the Bonds.

The Bonds, the Major Improvement Bonds and the SF Major Improvements Loan. The Master Developer is responsible for construction of SF Major Improvements and the Capital Recovery Fee Projects. Concurrently with the issuance of the Bonds, the District is expected to issue the Major Improvement Bonds. The Major Improvement Bonds are expected to fund the SF Major Improvements which will serve the Development. However, in order to assure the third party homebuilders that the Master Developer has access to funding sufficient to complete the infrastructure projects necessary to serve the single-family portion of the Development in the event that the sale of bonds does not occur, the Master Developer secured a loan from Trez in the amount of \$60,600,000 (the "SF Major Improvements Loan"). The SF Major Improvements Loan bears interest at a rate of ten percent (10%). Interest on the SF Major Improvements Loan is payable monthly. The SF Major Improvements Loan matures on January 30, 2022. The current outstanding balance of the SF Major Improvements Loan is \$1,000, which amount was advanced to provide for the perfection of the liens related to the SF Major Improvements Loan.

The SF Major Improvements Loan is secured by a first lien on MM Celina 3200's property in the District, a first lien on MM Turtle Creek's unconnected property pledged through the MM Turtle Creek DOT, and a third lien on the MM Celina 294 Property pursuant to the MM Celina 294 3<sup>rd</sup> Lien DOT, as well as certain assignments of contracts and proceeds of reimbursement rights. The SF Major Improvements Loan is personally guaranteed by Mehrdad Moayedi.

The Master Developer obtained the SF Major Improvements Loan as part of the due diligence process relating to the sale of portions of land within the District to the Builder Pod Developers. <u>It is expected that the SF Major Improvements Loan will be terminated upon the issuance of the Major Improvement Bonds and that the SF Major Improvements will be funded with the proceeds of the Major Improvement Bonds.</u>

Proceeds of the Bonds are expected to fund the Capital Recovery Fee Projects.

## MM Celina 294 and MM Celina 40 - Property Acquisition and Financing

<u>MM Celina 294 Acquisition and Development Funding</u>. On August 2, 2021, subsequent to the Master Developer's acquisition of the land within the District, MM Celina 294 purchased the MM Celina 294 Property (approximately 292.2 acres within the Development) from the Master Developer at a price of \$25,520,000. MM Celina 294 is an affiliate of the Master Developer owned and controlled by Mehrdad Moayedi.

A \$9,000,000 portion of the purchase price for the MM Celina 294 Property was paid with earnest money delivered to MM Celina 294 from M/I Homes and D.R. Horton. See "THE DEVELOPMENT – MM Celina 294 and MM Celina 40 – Lot Purchase and Sale Agreements." To finance the remaining portion of the purchase price of the MM Celina 294 Property and construction of improvements which will benefit the MM Celina 294 Property, MM Celina 294 secured a loan in an amount up to \$35,068,641 from Trez (the "MM 294 Loan"). Interest payments on the MM 294 Loan are due on a monthly basis, and principal reduction payments are due on a quarterly basis starting in March 2023. The March 2023 and June 2023 payments are \$2,650,000. All subsequent quarterly principal reduction payments are \$2,700,000. The full principal of the MM 294 Loan is payable at maturity. The MM 294 Loan matures on July 30, 2024. The current outstanding balance of the MM 294 Loan is \$17,770,086.

The MM 294 Loan is secured by (i) a first lien on the MM Celina 294 Property pursuant to a separate deed of trust executed with respect to the MM 294 Loan, which is not cross collateralized (ii) a third lien on the MM Celina 294 Property pursuant to the MM Celina 294 3<sup>rd</sup> Lien DOT, which is cross-collateralized as described under "ACQUISITION OF PROPERTY IN THE DEVELOPMENT AND DEVELOPMENT FINANCING PLAN - <u>Master Developer Acquisition Loan</u>" above and (iii) collateral assignments of rights to certain contracts and sales proceeds. The MM 294 Loan is personally guaranteed by Mehrdad Moayedi.

<u>MM Celina 40 Acquisition and Development Funding</u>. On August 2, 2021, the Master Developer conveyed approximately 38.6 acres in the District to MM Celina 40. MM Celina 40 is an affiliate of the Master Developer owned and controlled by Mehrdad Moayedi. Such conveyance was an internal transfer, done at no cost to MM Celina 40. There is currently no outstanding debt of MM Celina 40, nor any outstanding debt secured by a pledge of the MM Celina 40 Property.

MM Celina 40 expects to fund the portion of the City PID Improvements benefitting the MM Celina 40 Property using a portion of the proceeds of the District Contract Revenue Bonds Property using a portion of the proceeds of the Bonds, earnest money deposited by Dream Finder and a loan from a third party lender. MM Celina 40 expects to obtain a third-party development loan after closing of the District Contract Revenue Bonds.

City PID and District Contract Revenue Bonds for MM Celina 294 Property and MM Celina 40 Property. To assist with funding the costs of construction of the City PID Improvements benefitting the MM Celina 294 Property and the MM Celina 40 Property, the City has formed the City PID, and the City and the District expect to enter into the City Reimbursement Agreements relating to utilization of assessments levied in the City PID and the payment of costs of the City PID Improvements. Pursuant to the City Reimbursement Agreements, the City is expected to levy the City PID on a portion of the land within the City PID (consisting of approximately 154 acres located in the City PID) on October 12, 2021 to assist with funding Local Improvements the first phase of development within the City PID. Concurrently with the issuance of the Bonds, the District expects to issue the District Contract Revenue Bonds to provide upfront financing to fund the City PID Improvements. The District Contract Revenue Bonds shall be secured by payments under an interlocal agreement by and between the City and the District, which payments shall primarily consist of the City PID Assessments are not pledged to and do not secure the payment of the Bonds.

The District expects to issue one or more series of Future PID Contract Revenue Bonds to finance the cost of Local Improvements benefitting each distinct portion of the MM Celina 294 Property and MM Celina 40 Property developed as an individual phase after the first phase (each a "Future PID Phase" and collectively, the "Future PID Phases"). Such Future PID Contract Revenue Bonds will be secured by a pledge of revenues to be received by the District under an interlocal agreement, which are expected to consist of separate assessments levied by the City on assessable property within the applicable Future PID Phase in the City PID.

#### **Builder Pod Developers - Property Acquisition and Development Financing**

The Builder Pod Developers acquired their respective property in the District with cash. It is expected that the Builder Pod Developers will finance development of their respective portions of land within the district utilizing cash or loans as necessary. The Builder Pod Developers are national and regional homebuilders.

The Builder Pod Developers have estimated the following costs to develop the Local Improvements on their respective land in the District:

The Builder Pod Developers have entered into the Facilities Reimbursement Agreements as described under "-Facilities Reimbursement Agreements and Future District Ad Valorem Tax Bonds" below pursuant to which the District may provide reimbursement for the cost of Local Improvements installed on the Builder Pod Developers' land in the District. The Builder Pod Developers have assigned their rights to such reimbursement to the Master Developer.

#### Facilities Reimbursement Agreements and Future District Ad Valorem Tax Bonds

Under the Creation Legislation, the District may levy assessments solely for the purpose of financing major improvements which benefit the entire District. The District may levy an ad valorem tax for the cost of Local Improvements that benefit specific areas of the District (the "Direct Improvements"). The District and each owner of property in the District has entered into a Facilities Construction and Reimbursement Agreement (each, a "Facilities Reimbursement Agreement") pursuant to which such owners have agreed to construct Direct Improvements and the District has agreed to reimburse each such owner for the Direct Improvements constructed by such owner through the issuance of bonds by the District or other legally available funds of the District. It is expected that, at a future date, the District may issue bonds to provide reimbursements for Direct Improvements. The District has called an election as described under "THE DISTRICT - District Confirmation, Bond, and Powers Election to be Held November 2, 2021" at which, if various propositions are approved, the District will be empowered to issue bonds supported by ad valorem taxes to be collected within the District.

Pursuant to the provisions of the Facilities Reimbursement Agreements, the District's obligation to issue bonds to provide reimbursement for Direct Improvements is conditioned on certain terms, including the requirement that if such reimbursement bonds are secured by ad valorem taxes, the assessed value of all taxable property within the Property, as shown by the latest appraisal roll issued for the District by the Collin Central Appraisal District, together with the projected increase in the assessed value as a result of development of the Property, is such that the projected debt service on the Bonds and any

other District assessment bonds, outstanding bonds of the District, and the bonds then being issued, can be paid with a tax rate equal to or less than \$0.71 per \$100 valuation.

#### THE MARKET STUDY

Zonda ("Zonda") prepared a development review and market study of the Development (referred to under this heading as the "Subject Property" or the "Development") dated July 2021 (the "Market Study"). The description herein of the Markey Study is intended to be a brief summary only of the Markey Study as it relates to the Development. The Markey Study is included in Appendix G and should be read in its entirety. The conclusions reached in the Markey Study are subject to certain assumptions, hypothetical conditions and qualifications, which are set forth therein. See APPENDIX G.

The Market Study includes a description of current and future market conditions, retail market trends, office market trends, and absorption and potential future competition in order to analyze relevant real estate market conditions and economic demographic trends in the appropriate market area relative to the Development to assess demand for the planned product mix to be developed in the Development. See APPENDIX G. The Market Study assessed such current and future market conditions and established recommendations regarding phasing, product mix, pricing and the like for the Development. Such recommendations may differ from the current plans for the Development, and no assurance can be given that the Development will be developed in the manner recommended by the Market Study.

Subject to various assumptions and limiting conditions stated in the Market Study, Zonda determined, among other things:

- 1. Zonda's research and analysis indicates a strong opportunity exists for the development of the Development. This is based on several factors, including:
  - Strong demand for new homes in the CMA with nearly 4,000 annual starts (up 31% YOY) and 3,200 annual closings (up 29% YOY).
  - Established strong demand at large-scale MPCs in the CMA (Sutton Fields and Light Farms).
  - Unique ability to introduce 40' wide lot product that can mitigate the impact of rising home prices in the CMA and DFW.
  - Recommended price points that target the core of the new home market in the CMA (\$300,000 to \$500,000 53% of starts).
  - Ability to fill the expected demand void as communities in the CMA build-out (Sutton Field, Light Farms, etc.).
  - Vacant developed lot supply levels in the CMA (13.5 months) are significantly constrained (equilibrium is 20 to 24 months).
- 2. The Development will also face some challenges. They include:
  - Local services near the Subject Property remain limited. While this will evolve over time, residents in the area currently must drive 13 miles to larger format shopping options. Mitigating factor is a Brookshire's grocery store is less than five miles away.
  - While current supply levels in the CMA are constrained, an additional 44,400 future platted lots exist in the CMA (Celina and Prosper ISDs). While these lots are not under active development, supply conditions will need to be monitored.
  - Internal competition for sales will be strong at the Subject Property with between four and seven builders
    concurrently selling homes on each lot size. Adequate product and price segmentation will be needed to
    minimize internal cannibalization of sales.
- 3. Based on the proposed lot sizes, Zonda's concluded base prices for the Development range from \$310,990 to \$485,490 (July 2021 dollars). In addition to base prices, Zonda estimated that buyers will spend 3.0% of base prices on options and upgrades and 1.0% of base prices on lot premiums to arrive at an average sale price of \$398,629 (\$164/SF). This creates an attractive market position when compared to large-scale communities such as Sutton Fields (\$307,999 to \$515,950), Light Farms (\$390,000 to \$717,000), Green Meadows (\$380,900 to \$649,990), and Cambridge Crossing (\$490,990 to \$654,990).

- 4. Based upon the proposed lot sizes and Zonda's recommended price points, Zonda estimates that the Subject Property could achieve a peak annual absorption pace of 654 homes sold per year. Zonda's hypothetical build-out of the community occurs over the course of roughly 12 to 13 years with a strong mix of product offered throughout much of the lifecycle of the community. At 654 sales per year, the Subject Property would rank as the most active new home community in the Metroplex. As a comparison, the five most active new home communities in the Metroplex started between 507 and 605 homes between 3Q20 and 2Q21. While aggressive, Zonda believes the combination of attractive pricing, high-volume builder partners, established demand in the CMA, and market-wide supply constraints will allow the Subject Property to achieve these absorption levels.
- 5. Historical conditions and market forecast indicate demand for multifamily units. This is based on several factors, including:
  - Positive unit absorption resulting in high occupancies and positive rent growth;
  - Minimal current apartment stock in the CMA portion of the Frisco submarket;
  - Demand has typically been strongest for one-bedroom units; and
  - Continued job growth and development commencing along the Dallas North Tollway and in the Celina area.
- 6. **Based on market conditions, two phases of development for multifamily are recommended.** The following are the recommended phasing:
  - Phase I should be delivered in first quarter of 2024 at the earliest and the second phase two years later (any additional phases should be developed afterwards depending on the performance of the first two phases and future pipeline supply).
  - Building design is recommended as garden-style design with surface parking as well as carports and detached garages.
  - Phase I: 300 units with sizes ranging from 650 to 1,550 square feet and rent from \$1,412 to \$2,496 per month (\$1.86 per square foot on average).
  - Phase II: 300 units with sizes ranging from 625 to 1,575 square feet and rent from \$1,395 to \$2,520 per month (\$1.91 per square foot on average). Phase II has smaller units and three-bedroom townhomes.
  - Estimated average absorption is 30 units per month.
  - Future phases should come online based on the absorption, stabilization, and performance of the first two phases and market demand.
- 7. Zonda's office demand model supports absorption of approximately 41,500 square feet of office space at the Development annually, over the next 15 years, resulting in a total of 665,000 square feet of leasable office space. The demand analysis is based on job growth projections by industry for the Dallas-Ft Worth MSA's office market which are then refined by applying low and high capture rate estimates for the local submarket and ultimately for the Development. Potential annual lease rates for office space at the North Parkway Property are estimated to be approximately \$26.00 to \$30.00 per square foot per year on a Modified Gross basis.
- 8. Zonda considered the supportable square footage by retail type and translated that into a realistic buildout for the commercial core of the Development currently and using household growth and income projections through 2036. The recommended retail program equates to a demand for marginal retail demand currently, but an additional 145,500 square feet by the end of 2026, an additional 259,000 square feet by the end of 2031, and an additional 268,500 square feet by the end of 2036 (total of 673,000 square feet of supportable retail space). Potential annual lease rates for in-line retail space at the Development are estimated to be approximately \$25.00 to \$30.00 per square foot per year on a NNN basis.
- 9. Based upon Zonda's analysis, the Development can likely build-out over the course of 15 years. While demand exists today for both the for-sale and for-rent residential components of the Development, commercial components will need to come online as additional households/rooftops are added both within the Development and in Celina and as infrastructure improvements are completed (i.e. extension of the Dallas North Tollway). Growth or infrastructure delays could negatively impact demand for the commercial components of the Development, pushing out the potential market-entry dates or extending the absorption timelines shown in the Market Study (particularly as it relates to potential demand for office space). While Zonda projects the for rent residential component bringing 300 units to market in 2023 and 2025, this delivery schedule should increase as the local area continues to evolve and grow.

The Market Study provides certain projections regarding absorption of single-family, multi-family, retail and office development in the Development, which projections may differ from the expectations described by the Master Developer and

the Pod Developers herein or the Base Case Scenario presented under "ANTICIPATED PAYMENTS SCHEDULE (BASE CASE SCENARIO). See APPENDIX G.

The Master Developer and the Underwriter make no representations as to the accuracy, completeness, assumptions or information contained in the Market Study. The assumptions or qualifications with respect to the Market Study are contained therein. There can be no assurance that any such assumptions will be realized, and the Master Developer and the Underwriter make no representation as to the reasonableness of such assumptions.

## **BONDHOLDERS' RISKS**

Before purchasing any of the Bonds, prospective investors and their professional advisors should carefully consider all of the risk factors described below which may create possibilities wherein interest may not be paid when due or that the Bonds may not be paid at maturity or otherwise as scheduled, or, if paid, without premium, if applicable. The following risk factors (which are not intended to be an exhaustive listing of all possible risks associated with an investment in the Bonds) should be carefully considered prior to purchasing any of the Bonds. Moreover, the order of presentation of the risks summarized below does not necessarily reflect the significance of such investment risks.

THE BONDS ARE SPECIAL OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY FROM THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. THE BONDS DO NOT GIVE RISE TO A CHARGE AGAINST THE GENERAL CREDIT OR TAXING POWER OF THE DISTRICT OR THE CITY AND ARE PAYABLE SOLELY FROM THE SOURCES IDENTIFIED IN THE INDENTURE. THE OWNERS OF THE BONDS SHALL NEVER HAVE THE RIGHT TO DEMAND PAYMENT THEREOF OUT OF ANY FUNDS OF THE DISTRICT OTHER THAN THE PLEDGED REVENUES, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. NO OWNER OF THE BONDS SHALL HAVE THE RIGHT TO DEMAND ANY EXERCISE OF THE DISTRICT'S OR THE CITY'S TAXING POWER TO PAY THE PRINCIPAL OF THE BONDS OR THE INTEREST OR REDEMPTION PREMIUM, IF ANY, THEREON. THE DISTRICT SHALL HAVE NO LEGAL OR MORAL OBLIGATION TO PAY THE BONDS OUT OF ANY FUNDS OF THE DISTRICT OTHER THAN THE PLEDGED REVENUES.

THE CITY HAS NOT UNDERTAKEN TO REVIEW THIS OFFICIAL STATEMENT OR ASSUMED ANY RESPONSIBILITY FOR THE MATTERS CONTAINED HEREIN. ALL FINDINGS AND DETERMINATIONS BY THE CITY ARE AND HAVE BEEN MADE FOR ITS OWN INTERNAL USES AND PURPOSES IN PERFORMING ITS DUTIES AND OBLIGATIONS UNDER THE DISTRICT LEGISLATION AND THE DEVELOPMENT AGREEMENT. NOTWITHSTANDING ITS APPROVAL OF THE BONDS FOR PURPOSES OF THE DISTRICT LEGISLATION AND THE DEVELOPMENT AGREEMENT, THE CITY DOES NOT ENDORSE OR IN ANY MANNER, DIRECTLY OR INDIRECTLY, GUARANTEE OR PROMISE TO PAY THE BONDS FROM ANY TAXES OR OTHER SOURCE OF FUNDS OF THE CITY OR GUARANTEE, WARRANT OR ENDORSE THE CREDITWORTHINESS OR CREDIT STANDING OF THE DISTRICT OR IN ANY MANNER GUARANTEE, WARRANT OR ENDORSE THE INVESTMENT QUALITY OR VALUE OF THE BONDS. THE BONDS ARE PAYABLE SOLELY AS DESCRIBED IN THIS OFFICIAL STATEMENT AND ARE NOT IN ANY MANNER PAYABLE WHOLLY OR PARTIALLY FROM ANY FUNDS OR PROPERTIES OTHERWISE BELONGING TO THE CITY.

The ability of the District to pay debt service on the Bonds as due is subject to various factors that are beyond the District's control. These factors include, among others, (a) general and local economic conditions which may impact real property values, the ability to liquidate real property holdings and the overall value of real property development projects, and (b) general economic conditions which may impact the general ability to market and sell the lots within the District, it being understood that poor economic conditions within the District, State and region may slow the assumed pace of sales of such lots.

The Underwriter is not obligated to make a market in or repurchase any of the Bonds, and no representation is made by the Underwriter, the District or the District's Financial Advisor that a market for the Bonds will develop and be maintained in the future. If a market does develop, no assurance can be given regarding future price maintenance of the Bonds.

The District has not applied for or received a rating on the Bonds. The absence of a rating could affect the future marketability of the Bonds. There is no assurance that a secondary market for the Bonds will develop or that holders who desire to sell their Bonds prior to the stated maturity will be able to do so.

#### "Cash Flow" Nature of Payments on the Bonds

The Bonds are structured as "cash flow" bonds, meaning that there are no scheduled payments of principal thereof prior to the final maturity date. Rather, the Bonds are subject to mandatory redemption upon the receipt of funds pursuant under the Capital Recovery Fee Agreement as more particularly described under "THE BONDS – Payment and Redemption Provisions" and "SECURITY FOR THE BONDS – Revenue Fund." The Capital Recovery Fee Agreement provides that the maximum amount of Capital Recovery Fees to be paid through the Capital Recovery Fee Agreement is the Maximum Contract Revenues. Maximum Contract Revenues means the Capital Recovery Fees collected by the City upon the City's issuance of building permits for the first 2,011 single family residential lots within the District, not to exceed \$20,000,000.00, pursuant to the Capital Recovery Fees Agreement. To the extent that such funds (after payment of fees and expenses of the Trustee as provided in the Indenture) are insufficient to pay the principal of or interest on the Bonds, or accrued interest on Unpaid Prior Interest, when due, no additional funds other than any funds, if any, transferred from the Reserve Fund solely as provided in the Indenture will be available for payment of the Bonds. Failure to pay principal of or interest on the Bonds when due does not constitute an event of default.

#### **Unpaid Interest Accrues Interest; Redemption by Lot**

Unpaid Prior Interest and accrued interest thereon could result in a lack of funds available to pay Owners current interest and principal. Payment of principal on the Bonds is accomplished through mandatory redemption as more particularly described under "THE BONDS – Payment and Redemption Provisions." Redemption of the Bonds in such circumstances shall be done by random selection by the Trustee and a lack of available funds to pay principal may result in certain Owners receiving less than their pro-rata share of the principal of the Bonds if the Bonds are held by more than one Owner.

The accrual of interest on Unpaid Prior Interest could result in certain internal accounting and tax consequences to investors. Investors are advised to consult their CPA and attorney as to the tax and accounting treatment of such accrued interest.

# Dependence on the Master Developer, City PID Developers, and Builder Pod Developers to Complete Improvements

Payment of the Bonds is secured by the Contract Revenues which consist primarily of the Capital Recovery Fees. As described in the Capital Recovery Fee Agreement, the Capital Recovery Fees consist of certain fees payable at the time a builder pulls a building permit to construct a home within the Development. Building permits are applied for after the construction of improvements necessary to provide service to the lot for which such builder permit is applied for, including improvements such as the District Major Improvements, the City PID Improvements and the Local Improvements to be constructed by the Builder Pod Developers. Any failure or delay of any of the Master Developer to complete the District Major Improvements, the City PID Developers to complete the City PID Improvements or the Builder Pod Developers to complete Local Improvements serving their respective property in the District could materially delay the availability of Capital Recovery Fees and accordingly, available Contract Revenues to utilized to make payments on the Bonds. No assurance can be given that the Master Developer will complete the District Major Improvements or that the City PID Developers and the Builder Pod Developers will complete improvements to serve their respective property in the District within the timeframes set forth under "THE DEVELOPMENT."

#### **Competition; Real Estate Market**

The successful development of the land within the District, the success of the Development, and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Master Developer and the Pod Developers. Moreover, the Master Developer and the Pod Developers have the right to modify or change their plans for development of the land within the District from time to time, including, without limitation, land use changes, changes in overall land and phasing plans, and changes to the type, mix, size and number of units to be developed. No prediction can be made about the state of the real estate market in the future or the availability of financing for potential home buyers.

Contracts that the Master Developer and the City PID Developers may have with individual homebuilders are subject to a myriad of contractual conditions and contingencies, all or some of which if not complied with, could precipitate a termination or winding up of such contractual arrangement for the sale of lots, causing the Master Developer or the City PID Developers to possibly need to execute a different strategy for the development and sale of lots and residential units within the District.

The land in the District is subject to special assessments levied pursuant to the Chapter 372, Texas Local Government Code relating to public improvement districts. The 87th Legislature passed HB 1543, which took effect September 1, 2021, requires a person who proposes to sell or otherwise convey real property within a public improvement district to provide to the purchaser of the property, before the execution of a binding contract of purchase and sale, written notice of the obligation to pay public improvement district assessments, in accordance with Section 5.014, Texas Property Code, as amended. In the event a contract of purchase and sale is entered into without the seller providing the notice, the purchaser is entitled to terminate the contract. If the Master Developer or homebuilders within the District do not provide the required notice and prospective purchasers of property within the District terminate a purchase and sale contract, the anticipated absorption schedule may be affected. No assurance can be given that the projected absorption schedule presented in this Limited Offering Memorandum will be realized.

#### Risks Related to Current Increase in Costs of Building Materials

As a result of the Pandemic, low supply, high demand, and the ongoing trade war, there have been substantial increases in the cost of lumber and other materials, causing many homebuilders and general contractors to experience budget overruns. The Master Developer is responsible for the construction of the SF Major Improvements and the Capital Recovery Fee Projects. The Master Developer expects to finance the costs of the SF Major Improvements from proceeds of the District Major Improvement Bonds and the costs of the Capital Recovery Fee Projects through the Capital Recovery Fee Bonds. There is no way to predict whether such cost increases or low supply of building materials will continue or if such continuance will affect the development of the District.

## **Risks Inherent in Market Study**

The Market Study set forth in APPENDIX G hereto contains provides an assessment of the housing and commercial market conditions in the submarket in which the Development is located based on current market conditions, which conditions are comprised solely of those specifically identified in the Market Study. The Market Study does not address or evaluate other factors which could impact whether development in the Development proceeds as described under "THE DEVELOPMENT."

#### **Loss of Tax Exemption**

The Indenture contains covenants by the District intended to preserve the exclusion from gross income of interest on the Bonds for federal income tax purposes. As discussed under the caption "TAX MATTERS" herein, interest on the Bonds could become includable in gross income for purposes of federal income taxation, retroactive to the date the Bonds were issued, as a result of future acts or omissions of the District in violation of its covenants in the Indenture.

Tax legislation, administrative actions taken by tax authorities, or court decisions, whether at the federal or State level, may adversely affect the tax-exempt status of interest on the Bonds under federal or State law and could affect the market price or marketability of the Bonds. Any such proposal could limit the value of certain deductions and exclusions, including the exclusion for tax-exempt interest. The likelihood of any such proposal being enacted cannot be predicted. Prospective purchasers of the Bonds should consult their own tax advisors regarding the foregoing matters.

#### Depletion of Reserve Account of Reserve Fund; No Replenishment of Reserve Fund

A shortage of Contract Revenues received pursuant to the Capital Recovery Fee Agreement could result in the rapid, total depletion of Reserve Account of the Reserve Fund. The Reserve Account of the Reserve Fund will not be replenished from Contract Revenues, including in the event of a draw from the Reserve Fund pursuant to the Indenture. See "SECURITY FOR THE BONDS — Reserve Account of the Reserve Fund" herein.

## **Hazardous Substance**

While governmental taxes, assessments and charges are a common claim against the value of a parcel, other less common claims may be relevant. One of the most serious in terms of the potential reduction in the value that may be realized to the assessment is a claim with regard to a hazardous substance. In general, the owners and operators of a parcel may be required by law to remedy conditions relating to releases or threatened releases of hazardous substances. The federal Comprehensive Environmental Response, Compensation and Liability Act of 1980, sometimes referred to as "CERCLA" or "Superfund Act," is the most well-known and widely applicable of these laws. It is likely that, should any of the parcels of land located in the District be affected by a hazardous substance, the marketability and value of parcels would be reduced by the

costs of remedying the condition, because the purchaser, upon becoming owner, will become obligated to remedy the condition just as is the seller.

The value of the land within the District does not take into account the possible liability of the owner (or operator) for the remedy of a hazardous substance condition of the parcel. The District has not independently verified, and is not aware, that the owner (or operator) of any of the parcels within the District has such a current liability with respect to such parcel; however, it is possible that such liabilities do currently exist and that the District is not aware of them.

Further, it is possible that liabilities may arise in the future with respect to any of the land within the District resulting from the existence, currently, of a substance presently classified as hazardous but which has not been released or the release of which is not presently threatened, or may arise in the future resulting from the existence, currently, on the parcel of a substance not presently classified as hazardous but which may in the future be so classified. Further, such liabilities may arise not simply from the existence of a hazardous substance but from the method of handling it. All of these possibilities could significantly affect the value of a parcel that is realizable upon a delinquency.

See "THE DEVELOPMENT — Environmental" for discussion of previous Phase One ESA and Supplemental Report performed on property within the District.

#### 100 Year Flood Plain

According to the Federal Emergency Management Agency (FEMA) Flood Insurance Rate Map (FIRM) Community Panel Number 48085C0105J, revised on June 2, 2009 an approximately 985-acre portion of the property in the Development is currently located in Zone A which corresponds to special flood hazard areas subject to inundation by the 100-year flood. Mandatory flood insurance purchase requirements apply in areas designated as Zone A. Approximately 55 acres of such flood plain land are expected to be reclaimed. If such property is reclaimed and a letter of map revision obtained, such flood insurance requirements will not apply. Approximately 33 of such acres are expected to include single-family residential lots and 5 acres are expected to include commercial development. Approximately sixteen additional acres of reclaimed land will be used for a waste-water treatment plant and approximately one acre will be dedicated to the Celina Independent School District. A hydrologic study is currently being performed with respect to such reclamation efforts.

#### Regulation

Development within the District may be subject to future federal, state and local regulations. Approval may be required from various agencies from time to time in connection with the layout and design of development in the District, the nature and extent of public improvements, land use, zoning and other matters. Failure to meet any such regulations or obtain any such approvals in a timely manner could delay or adversely affect development in the District and property values.

#### **Bondholders' Remedies and Bankruptcy**

In the event of default in the payment of principal of or interest on the Bonds or the occurrence of any other Event of Default under the Indenture, and upon the written request of at least 25% the owners of the Bonds, the Trustee shall proceed to protect and enforce its rights and the rights of the owners of the Bonds under the Indenture by such suits, actions or special proceedings in equity or at law, or by proceedings in the office of any board or officer having jurisdiction, either for mandamus or the specific performance of any covenant or agreement contained therein or in aid or execution of any power granted or for the enforcement of any proper legal or equitable remedy, as the Trustee shall deem most effectual to protect and enforce such rights. The issuance of a writ of mandamus may be sought if there is no other available remedy at law to compel performance of the District's obligations under the Bonds or the Indenture and such obligations are not uncertain or disputed. The remedy of mandamus is controlled by equitable principles, so rests with the discretion of the court, but may not be arbitrarily refused. There is no acceleration of maturity of the Bonds in the event of default and, consequently, the remedy of mandamus may have to be relied upon from year to year. The owners of the Bonds cannot themselves foreclose on property within the District or sell property within the District in order to pay the principal of and interest on the Bonds. The enforceability of the rights and remedies of the owners of the Bonds further may be limited by laws relating to bankruptcy, reorganization or other similar laws of general application affecting the rights of creditors of political subdivisions such as the District.

In addition, in 2006, the Texas Supreme Court ruled in *Tooke v. City of Mexia*, 197 S.W.3d 325 (Tex. 2006) ("Tooke") that a waiver of sovereign immunity must be provided for by statute in "clear and unambiguous" language. In so ruling, the Court declared that statutory language such as "sue and be sued", in and of itself, did not constitute a clear and unambiguous waiver of sovereign immunity. In Tooke, the Court noted the enactment in 2005 of sections 271.151-.160, Texas Local

Government Code (the "Local Government Immunity Waiver Act"), which, according to the Court, waives "immunity from suit for contract claims against most local governmental entities in certain circumstances." The Local Government Immunity Waiver Act covers entities such as the District and relates to contracts entered into by local government entities, including the District, for providing goods or services to such local government entities.

The District is not aware of any Texas court construing the Local Government Immunity Waiver Act in the context of whether contractual undertakings of local governments that relate to their borrowing powers are contracts covered by such act. Because it is unclear whether the Texas legislature has effectively waived the District's sovereign immunity from a suit for money damages in the absence of District action, the Trustee or the owners of the Bonds may not be able to bring such a suit against the District for breach of the Bonds or the Indenture covenants. As noted above, the Indenture provides that owners of the Bonds may exercise the remedy of mandamus to enforce the obligations of the District under the Indenture. Neither the remedy of mandamus nor any other type of injunctive relief was at issue in Tooke, and it is unclear whether Tooke will be construed to have any effect with respect to the exercise of mandamus, as such remedy has been interpreted by Texas courts. In general, Texas courts have held that a writ of mandamus may be issued to require public officials to perform ministerial acts that clearly pertain to their duties. Texas courts have held that a ministerial act is defined as a legal duty that is prescribed and defined with a precision and certainty that leaves nothing to the exercise of discretion or judgment, though mandamus is not available to enforce purely contractual duties. However, mandamus may be used to require a public officer to perform legally-imposed ministerial duties necessary for the performance of a valid contract to which the State or a political subdivision of the State is a party (including the payment of money due under a contract).

#### No Acceleration

The Indenture does not contain a provision allowing for the acceleration of the Bonds in the event of a payment default or other default under the terms of the Bonds or the Indenture.

## Bankruptcy Limitation to Bondholders' Rights

The enforceability of the rights and remedies of the owners of the Bonds may be limited by laws relating to bankruptcy, reorganization or other similar laws of general application affecting the rights of creditors of political subdivisions such as the District. The District is authorized under Texas law to voluntarily proceed under Chapter 9 of the Federal Bankruptcy Code, 11 U.S.C. 901-946. The District may proceed under Chapter 9 if it (1) is generally not paying its debts, or unable to meet its debts, as they become due, (2) desires to effect a plan to adjust such debts, and (3) has either obtained the agreement of or negotiated in good faith with its creditors, is unable to negotiate with its creditors because negotiation is impracticable, or reasonably believes that a creditor may attempt to obtain a preferential transfer.

If the District decides in the future to proceed voluntarily under the Federal Bankruptcy Code, the District would develop and file a plan for the adjustment of its debts, and the Bankruptcy Court would confirm the plan if (1) the plan complies with the applicable provisions of the Federal Bankruptcy Code, (2) all payments to be made in connection with the plan are fully disclosed and reasonable, (3) the District is not prohibited by law from taking any action necessary to carry out the plan, (4) administrative expenses are paid in full, (5) all regulatory or electoral approvals required under Texas law are obtained and (6) the plan is in the best interests of creditors and is feasible. The rights and remedies of the owners of the Bonds would be adjusted in accordance with the confirmed plan of adjustment of the District's debt.

#### **Management and Ownership**

The management and ownership of the Master Developer and the Pod Developers and related property owners could change in the future. Purchasers of the Bonds should not rely on the management experience of such entities. There are no assurances that such entities will not sell the subject property or that officers will not resign or be replaced. In such circumstances, a new developer or new officers in management positions may not have comparable experience in projects comparable to the Development.

#### **Availability of Utilities**

The progress of development within the District is also dependent upon the City providing an adequate supply of water and sufficient capacity for the collection and treatment of wastewater. If the City fails to supply water and wastewater services to the property within the District, the development of the land in the District could be adversely affected.

The City currently does not have sufficient wastewater capacity to serve the expected development in the District. The City will construct a wastewater treatment plant to serve the Development. The Master Developer is responsible for the cost of pumping and hauling wastewater generated by the Development until the City's wastewater treatment plant is constructed. However, the City will be responsible for the costs associated with pumping and hauling of wastewater if the City facility is not complete within twenty-four months of the City's receipt of the Master Developer's "Developer Contribution" to the construction of the wastewater treatment plant, which is expected to occur at closing of the Bonds. See "THE DEVELOPMENT AGREEMENT."

The City's failure to timely construct a wastewater treatment plant could result in the Master Developer being responsible for the costs of pumping and hauling wastewater generated by the Development, including those portions of the Development which are no longer owned by the Master Developer, for a period of up to twenty-four months.

As the Contract Revenues consist of Capital Recovery Fees with are paid by builders at the time of application for a building permit for homes in the District, the lack of available utilities in the District could materially delay application for building permits in the District and, accordingly, the availability of Contract Revenues payable to the District pursuant to the Capital Recovery Fees Agreement.

# **General Risks of Real Estate Investment and Development**

Investments in undeveloped or developing real estate are generally considered to be speculative in nature and to involve a high degree of risk. The Development will be subject to the risks generally incident to real estate investments and development. Many factors that may affect the Development, as well as the operating revenues of the Master Developer and the Pod Developers, including those derived from the Development, are not within the control of the Master Developer or the Pod Developers. Such factors include changes in national, regional and local economic conditions; changes in long and short term interest rates; changes in the climate for real estate purchases; changes in demand for or supply of competing properties; changes in local, regional and national market and economic conditions; unanticipated development costs, market preferences and architectural trends; unforeseen environmental risks and controls; the adverse use of adjacent and neighboring real estate; changes in interest rates and the availability of mortgage funds to buyers of the homes to be built in the Development, which may render the sale of such homes difficult or unattractive; acts of war, terrorism or other political instability; delays or inability to obtain governmental approvals; changes in laws; moratorium; acts of God (which may result in uninsured losses); strikes; labor shortages; energy shortages; material shortages; inflation; adverse weather conditions; contractor or subcontractor defaults; and other unknown contingencies and factors beyond the control of the Master Developer or the Pod Developers. Further, the operating revenues of the Master Developer may be materially affected by conditions in any leases in the Development or contracts for the sale thereof.

The Development cannot be initiated or completed without the Master Developer and the Pod Developers obtaining a variety of governmental approvals and permits, some of which have already been obtained. Certain permits are necessary to initiate construction of each phase of the Development and to allow the occupancy of residences and to satisfy conditions included in the approvals and permits. There can be no assurance that all of these permits and approvals can be obtained or that the conditions to the approvals and permits can be fulfilled. The failure to obtain any of the required approvals or fulfill any one of the conditions could cause materially adverse financial results for the Master Developer and the Pod Developers.

Additionally, recent demand in the real estate sector has resulted in increases in the prices of commodities used for real estate construction and development. There can be no guarantee that prices of such commodities will not continue to increase in the future which may impact the Master Developer's and the Pod Developers' ability to complete development within the District as described herein.

# **Exercise of Third Party Property Rights**

As described herein under "THE DEVELOPMENT — Existing Mineral Rights, Easements and Other Third Party Property Rights", third parties hold title to certain Third Party Rights applicable to real property within and around the District, including reservations of mineral rights and royalty interests and easements, pursuant to various instruments in the chain of title for various tracts of land within and around the District.

The Master Developer and the Pod Developers do not expect the existence or exercise of such Third Party Property Rights or other third party real property rights in or around the District to have a material adverse effect on the Development

or the property within the District. However, none of the District, the District's Financial Advisor, the Underwriter, the Master Developer or the Pod Developers provide any assurances as to such expectations.

## **Agricultural Use Valuation and Redemption Rights**

All of the land within the District is currently entitled to valuation for ad valorem tax purposes based upon its agricultural use. Under Texas law, an owner of land that is entitled to an agricultural valuation has the right to redeem such property after a tax sale for a period of two years after the tax sale by paying to the tax sale purchaser a 25% premium, if redeemed during the first year, or a 50% premium, if redeemed during the second year, over the purchase price paid at the tax sale and certain qualifying costs incurred by the purchaser.

#### **Successor Trustee**

The Indenture provides a contractual limitation which limits the compensation of the Trustee under the terms thereof. In the event that at some point subsequent to the date of the Indenture, the Trustee reasonably expects that the value to be received under the Indenture would otherwise exceed the value limitation established under the terms of the Indenture but for such contractual limitation, the Trustee may seek to (i) amend the Indenture to increase such value if such amendment may be made in accordance with applicable Texas law and the Indenture or (ii) resign as trustee and paying agent pursuant to the terms of the Indenture. Any such amendment to the Indenture (including a supplement appointing a successor trustee) would have to be made in accordance with the terms of the Indenture. Any successor trustee would have to satisfy the qualifications set forth in, and be appointed in accordance with the terms of, the Indenture. Under certain facts and circumstances, a delay in identifying or appointing a qualified successor trustee to assume the duties and responsibilities of trustee under the Indenture and in accordance with applicable Texas law could result in the delay of certain remedies being available to the Owners of the Bonds. See "APPENDIX B — FORM OF INDENTURE" for more information regarding the process of amending or supplementing the Indenture and the appointment of a successor trustee.

The Indenture provides that, if the position of Trustee shall become vacant for any reason, a successor Trustee may be appointed within one year after any such vacancy shall have occurred by the Owners of at least 25% of the aggregate outstanding principal of the Bonds by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or their attorneys-in-fact, duly authorized and delivered to such successor Trustee, with notification thereof being given to the predecessor Trustee and the District. Until such successor Trustee shall have been appointed by the Owners the Bonds, the District shall forthwith (and in no event in excess of 30 days after such vacancy occurs) appoint a Trustee to act hereunder. Copies of any instrument of the District providing for any such appointment shall be delivered by the District to the Trustee so appointed. The District shall mail notice of any such appointment to each Owner of any Outstanding Bonds within 30 days after such appointment. Any appointment of a successor Trustee made by the District immediately and without further act shall be superseded and revoked by an appointment subsequently made by the Owners of Bonds. See "APPENDIX B — FORM OF INDENTURE" for more information regarding the process of amending or supplementing the Indenture and the appointment of a successor trustee.

# Master Developer, MM Celina 294 and MM Celina 40 Principal Financial Relationships and Other Matters Relating to the Master Developer, MM Celina 294, MM Celina 40 and Affiliates Thereof

Set forth below is a summary of certain litigation and other matters involving certain affiliates of Centurion. No assurances can be given as to the result of the following lawsuits or any charges related thereto or the impact, if any, of such result on one or more of Mehrdad Moayedi ("Moayedi"), the operations of Centurion, and the Master Developer's, MM Celina 294's or MM Celina 40's ability to continue funding the Development.

Investigation of United Development Funding. Subsidiaries of Centurion American are involved in the development of master planned residential community and mixed-use projects. Some of these projects have previously been developed using funding provided by various entities associated with United Development Funding ("UDF"), including United Development Funding IV, a publicly traded real estate investment trust ("UDF IV"). In connection with governmental investigations of UDF (the "UDF Investigations"), Centurion and some of its employees were contacted in mid-2016 to provide certain information to such governmental fact-finders as part of an information gathering process on the UDF Investigations. Centurion and its employees fully complied with the information gathering process. Neither Centurion nor any of its employees or affiliates have received any information indicating that they are either targets or subjects of any governmental investigation.

Westlake Entrada/Flower Mound Riverwalk Project (the "Entrada/Riverwalk Lawsuit"). In August 2018, a minority owner of one Riverwalk Project entity, FZ WLRW, LLC (the "Westlake Plaintiff"), brought suit against Centurion, LLSF, LLC ("LLSF"), MRW Investors, LLC ("MRW"), and Moayedi (collectively, the "Defendants") and other parties involved in structuring the financing of the Entrada and Riverwalk Projects. Most claims have been nonsuited or dismissed. Following a hearing on Defendants' motions for summary judgment, Moavedi is no longer a Defendant in this case. The only remaining claims are the Westlake Plaintiff's direct and derivative claims for breach of fiduciary duty and breach of contract against LLSF. LLSF filed Motions to exclude each of Westlake Plaintiff's purported experts. Additionally, Former Defendants Centurion American Custom Homes, Inc. d/b/a Centurion American Development Group and MRW ("Former Defendants") have filed a motion for attorneys' fees as prevailing party in a derivative action ("Fee Motion") against the Westlake Plaintiff. Further, On March 25, 2021, Plaintiff's former expert Columbus (Sandy) Alexander filed suit against Plaintiff's law firm (MacDonald Devin, P.C.) regarding unpaid fees for work done in this lawsuit. On May 5, 2021, based upon the affidavit of Sandy Alexander, LLSF and Moayedi moved for sanctions against: (1) Plaintiff; (2) Frank Zaccanelli; (3) Greg Ziegler; and (4) MacDonald Devin, P.C. In lieu of ruling on the Motion for Sanctions, the Court ordered the parties to participate in mediation. The parties participated in an unsuccessful mediation in September 2021, and ruling on a motion for jury trial has been continued until after November 29, 2021. The court has delayed ruling on the motion to exclude and the Fee Motion, and hearings for rulings on such motions are in the process of being scheduled. The Westlake Plaintiff also filed a lis pendens against property owned by MRW in the Riverwalk Project on September 17, 2021.

Rainier Medical Investors LLC & RMI River Walk Investors LP v. Centurion Riverwalk, LLC, et al., in Denton County, Texas. Plaintiff Rainier Medical Investors LLC and Plaintiff RMI River Walk Investors, LP ("Rainier Plaintiffs") brought claims against Defendant Centurion Riverwalk, LLC ("Centurion") and Defendant 2M Riverwalk, LLC ("2M," together with Centurion, "Rainier Defendants") and alleged various causes of action against other defendants, including Defendant Megatel Lakeshores TH, LLC ("Megatel TH"). Megatel TH asserted a cross-petition against Rainier Defendants and Third-Party Defendant Moavedi for statutory fraud, fraudulent inducement, and breach of contract ("Cross-Claims"), On May 27, 2020, Megatel TH non-suited without prejudice its claims against Moayedi. On July 8, 2020, the Court signed an order dismissing, with prejudice, all claims between the Rainier Plaintiffs and Rainier Defendants. On April 29, 2021, Megatel TH filed an agreed scheduling order. However, the Court did not sign the Order because the proposed September 20, 2021 trial date was no longer available. Thereafter, without a signed scheduling order reopening discovery, Megatel TH propounded written discovery to the Rainier Defendants and noticed the depositions of the Rainier Defendants. The Rainier Defendants timely objected as discovery was closed. On June 9, 2021, the Rainier Defendants filed their motion for summary judgment. Thereafter, Megatel TH moved to reopen and to compel discovery. On July 15, the Court heard Megatel TH's motion to enter new scheduling order, motions to quash depositions, and objections to discovery. The judge granted Megatel's motions and re-opened discovery. The Rainier Defendants were ordered by the Court to respond to Megatel TH's written discovery by August 16, 2021. Additionally, the Rainier Defendants' summary judgment motion, which was originally set for hearing on August 11, 2021, was continued by the Court until after November 30, 2021. Further, the Court ordered the depositions of the Rainier Defendants and Non-Party Travis Boghetich. Megatel TH conducted such depositions on September 15, 2021. Currently, there is no trial date set in this case.

Megatel Homes III, LLC v. Wilbow-Windhaven Development Corporation v. Centurion Windhaven, LP, et al.; in Denton County Texas. Plaintiff Megatel Homes III, LLC ("Megatel") brought claims against both Defendant Wilbow Windhaven Development Corp. ("Wilbow"), Defendant Centurion Acquisitions, LP ("CA"), and Defendant CADG Windhaven, LLC ("CADG," collectively with CA, "Centurion Defendants"). Megatel's claims against Wilbow consist of request for Declaratory Judgment; Breach of Contract; and Indemnity. Megatel's claims against CA and CADG consist of Breach of Contract; Fraud; and Indemnity. A Motion to Expunge Lis Pendens was granted by court on October 2, 2020. Megatel re-filed the Lis Pendens and Wilbow filed a Motion to Expunge. The court granted the Motion to Expunge the Lis Pendens on May 19, 2021. No trial date is set.

<u>Megatel Claims</u>. Megatel has brought several additional causes of action against Moayedi, Centurion (and certain of its affiliates) and UDF as listed below. Megatel has asserted various allegations of fraud, RICO violations, conspiracy, breach of fiduciary duty, and others in what Centurion believes to be an attempt to force Moayedi, Centurion and UDF to settle with Megatel. In addition to the filing of the below lawsuits, Megatel has also filed Lis Pendens against property owned by third-parties, has sent letters to Megatel's competitors attempting to interfere with their relationship with Centurion and has possibly partnered with parties believed to be adversarial to Moayedi, Centurion and UDF. Centurion continues to aggressively fight against these actions and against what it believes to be the baseless claims made in the lawsuits.

#### Infectious Disease Outbreak - COVID-19

The outbreak of COVID-19, a respiratory disease caused by a new strain of coronavirus, has been characterized as a pandemic (the "Pandemic") by the World Health Organization and is currently affecting many parts of the world, including the United States and Texas. On January 31, 2020, the Secretary of the United States Health and Human Services Department declared a public health emergency for the United States. On March 13, 2020, the President of the United States declared the Pandemic a national emergency and the Governor of Texas (the "Governor") declared a state of disaster for all counties in the State in response to the Pandemic. Under State law, the proclamation of a state of disaster by the Governor may not continue for more than 30 days unless renewed. The Governor has renewed his declaration monthly, most recently on August 30, 2021. On March 25, 2020, in response to a request from the Governor, the President issued a Major Disaster Declaration for the State. Subsequently, the President's Coronavirus Guidelines for America and the United States Centers for Disease Control and Prevention called upon Americans to take actions to slow the spread of COVID-19 in the United States.

Pursuant to Chapter 418 of the Texas Government Code, the Governor has broad authority to respond to disasters, including suspending any regulatory statute prescribing the procedures for conducting state business or any order or rule of a state agency that would in any way prevent, hinder, or delay necessary action in coping with the disaster, and issuing executive orders that have the force and effect of law. The Governor has since issued a number of executive orders relating to COVID-19 preparedness and mitigation.

In early March 2021, the Governor issued Executive Order GA-34, effective as of March 10, 2021, which supersedes previous executive orders imposing mask requirements and limiting business capacity. Executive Order GA-34 provides that in counties not in an area of high hospitalization, no mayor or county judge may require face coverings. In counties located in areas with high hospitalizations, Executive Order GA-34 allows a county judge to use COVID-19 mitigation strategies, but the COVID-19 mitigation strategies may not require businesses to operate at less than 50% of total occupancy and may not impose any occupancy limits on churches, schools (including institutions of higher education), or childcare services. Additionally, Executive Order GA-34 prohibits jail time as a penalty for violating orders issued in response to COVID-19 or any penalties for failure to wear face coverings. Executive Order GA-34 remains in full force and effect unless modified, amended, rescinded, or superseded by the Governor. For additional information regarding Executive Orders and other actions of the Governor, see www.gov.texas.gov.

Most of the federal and state actions and policies under the aforementioned disaster declarations are focused on limiting instances where the public can congregate or interact with each other, which affects the operation of businesses and directly impacts the economy. Since the disaster declarations were made, the Pandemic has negatively affected travel, commerce, and financial markets globally, and is widely expected to continue negatively affecting economic growth and financial markets worldwide. Stock values and crude oil prices, in the United States and globally, have seen significant declines attributed to COVID-19 concerns. Texas may be particularly at risk from any global slowdown, given the prevalence of international trade in the State and the risk of contraction in the oil and gas industry and spillover effects into other industries.

Such adverse economic conditions, if they continue, may reduce or negatively affect economic conditions in the District and lead to unemployment for property owners within the District or may otherwise have a negative impact on the sale of parcels, lots or homes within the District.

The District continues to monitor the spread of COVID-19 and is working with local, state, and national agencies to address the potential impact of the Pandemic upon the District. While the potential impact of the Pandemic on the District cannot be quantified at this time, the continued outbreak of COVID-19 could have an adverse effect on the District's operations and financial condition. None of the District, the Financial Advisor, the Underwriter or the Master Developer can predict the impact the Pandemic may have on the District, the financial and operating condition of the Master Developer, the projected buildout schedule, home prices and buildout values or an investment in the Bonds.

#### **Risk from Weather Events**

All of the State, including the City and the District, is subject to extreme weather events that can cause loss of life and damage to property through strong winds, flooding, heavy rains and freezes, including events similar to the severe winter storm that the continental United States experienced in February 2021, which resulted in disruptions in the Electric Reliability Council of Texas power grid and prolonged blackouts throughout the State. It is impossible to predict whether similar events will occur in the future and the impact they may have on the City or the District, including land within the District.

#### **No Credit Rating**

The District has not applied for or received a rating on the Bonds. Even if a credit rating had been sought for the Bonds, it is not anticipated that such a rating would have been investment grade. The absence of a rating could affect the future marketability of the Bonds. There is no assurance that a secondary market for the Bonds will develop or that holders who desire to sell their Bonds prior to the stated maturity will be able to do so. Occasionally, because of general market conditions or because of adverse history or economic prospects connected with a particular issue, secondary market trading in connection with a particular issue is suspended or terminated. Additionally, prices of issues for which a market is being made will depend upon then generally prevailing circumstances. Such prices could be substantially different from the original purchase price.

## **Limited Secondary Market for the Bonds**

The Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Bonds in the event an Owner thereof determines to solicit purchasers for the Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Bonds may be sold. Such price may be lower than that paid by the current Owners of the Bonds, depending on the progress of development of the District, existing real estate and financial market conditions and other factors.

#### TAX MATTERS

# **Opinion**

Bond Counsel will render its opinion that, under existing law, and assuming compliance with certain covenants and the accuracy of certain representations, discussed below, interest on the Bonds is excludable from gross income for federal income tax purposes and is not a specific preference item for purposes of the federal alternative minimum tax. (See APPENDIX F – Form of Bond Counsel's Opinion.)

Section 103 of the Internal Revenue Code of 1986, as amended (the "Code") establishes certain requirements that must be met at and subsequent to the issuance of the Bonds in order for interest on the Bonds to be and remain excludable from federal gross income. Included among these continuing requirements are certain restrictions and prohibitions on the use of bond proceeds, yield and other restrictions on the investment of gross proceeds and other amounts, and the arbitrage rebate requirement that certain earnings on gross proceeds be rebated to the federal government. Failure to comply with these continuing requirements may cause interest on the Bonds to become includable in gross income for federal income tax purposes retroactively to the date of their issuance. The District has covenanted to comply with certain procedures, and has made certain representations and certifications designed to assure compliance with these Code requirements. In rendering its opinion, Bond Counsel will rely on these covenants, on representations and certifications of the District relating to matters solely within its knowledge (which Bond Counsel has not independently verified), and will assume continuing compliance by the District.

The statutes, regulations, published rulings, and court decisions on which Bond Counsel has based its opinion are subject to change by Congress, as well as to subsequent judicial and administrative interpretation by courts and the Internal Revenue Service (the "Service"). No assurance can be given that such law or its interpretation will not change in a manner that would adversely affect the tax treatment of receipt or accrual of interest on, or the acquisition, ownership, market value, or disposition of, the Bonds. No ruling concerning the tax treatment of the Bonds has been sought from the Service, and the opinion of Bond Counsel is not binding on the Service. The Service has an ongoing audit program of tax-exempt obligations to determine whether, in the Service's view, interest on such tax-exempt obligations is excludable from gross income for federal income tax purposes. No assurance can be given regarding whether or not the Service will commence an audit of the Bonds. If such an audit were to be commenced, under current procedures, the Service would treat the District as the taxpayer, and owners of the Bonds would have no right to participate in the audit process. In this regard, in responding to or defending an audit with respect to the Bonds, the District might have different or conflicting interests from those of the owners of the Bonds.

In rendering the foregoing opinions, Bond Counsel will rely upon the representations and certifications of the District made in a certificate dated the date of delivery of the Bonds pertaining to the use, expenditure, and investment of the proceeds of the Bonds and will assume continuing compliance with the provisions of the Order subsequent to the issuance of the Bonds. The Order contains covenants by the District with respect to, among other matters, the use of the proceeds of the Bonds, the manner in which the proceeds of the Bonds are to be invested, the reporting of certain information to the United States Treasury, and rebating any arbitrage profits to the United States Treasury. Failure to comply with any of these covenants would cause interest on the Bonds to be includable in the gross income of the owners thereof from date of the issuance of the Bonds.

The opinions set forth above are based on existing law and Bond Counsel's knowledge of relevant facts on the date of issuance of the Bonds. Such opinions are an expression of professional judgment and are not a guarantee of result. Except as stated above, Bond Counsel expresses no opinion regarding any other federal, state, or local tax consequences under current law or proposed legislation resulting from the receipt or accrual of interest on, or the acquisition, ownership, or disposition of, the Bonds. Further, Bond Counsel assumes no obligation to update or supplement its opinions to reflect any facts or circumstances that may come to its attention or any changes in law that may occur after the issuance date of the Bonds. In addition, Bond Counsel has not undertaken to advise in the future whether any events occurring after the issuance date of the Bonds may affect the tax-exempt status of interest on the Bonds.

# **Original Issue Discount**

Certain of the Bonds (the "Discount Bonds") may be offered and sold to the public at an "original issue discount" ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of such Bonds. In general, the issue price of Discount Bonds is the first price at which a substantial amount of Discount Bonds of the same maturity are sold to the public (other than bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters, placement agents, or wholesalers).

For federal income tax purposes, OID accrues to the owner of a Discount Bond over such Discount Bond's period to maturity based on the constant interest rate method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). Bond Counsel is of the opinion that the portion of OID that accrues during the ownership period of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as is other interest on the Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, sale, or other disposition of that Discount Bond. OID may be treated as continuing to accrue even if payment of the Discount Bonds becomes doubtful in the event that the District encounters financial difficulties, and it is treated as interest earned by cash-basis owners, even though no cash corresponding to the accrual is received in the year of accrual. An owner's adjusted basis in a Discount Bond is increased by accrued OID for purposes of determining gain or loss on sale, exchange, or other disposition of such Discount Bond.

The federal income tax consequences of the acquisition, ownership, redemption, sale, or other disposition of Discount Bonds not purchased in the initial offering at the initial offering price may be determined according to rules different from those described above. Owners of such Discount Bonds should consult their tax advisors regarding the federal, state, and local income tax treatment and consequences of acquisition, ownership, redemption, sale, or other disposition of such Discount Bonds.

#### **Original Issue Premium**

Certain maturities of the Bonds (the "Premium Bonds") may be offered and sold to the public at prices greater than their stated redemption prices (the principal amount) payable at maturity ("Bond Premium"). In general, under section 171 of the Code, an owner of a Premium Bond must amortize the bond premium over the remaining term of the Premium Bond, based on the owner's yield over the remaining term of the Premium Bond determined based on constant yield principles (in certain cases involving a Premium Bond callable prior to its stated maturity date, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on such Bond). An owner of a Premium Bond must amortize the bond premium by offsetting the qualified stated interest allocable to each interest accrual period under the owner's regular method of accounting against the bond premium allocable to that period. In the case of a tax-exempt Premium Bond, if the bond premium allocable to an accrual period exceeds the qualified stated interest allocable to that accrual period, the excess is a nondeductible loss. Under certain circumstances, the owner of a Premium Bond may realize a taxable gain upon disposition of the Premium Bond even though it is sold or redeemed for an amount less than or equal to the owner's original acquisition cost. Owners of any Premium Bonds should consult their own tax advisors regarding the treatment of bond premium for federal income tax purposes, including various special rules relating thereto, and state and local tax consequences, in connection with the acquisition, ownership, amortization of bond premium on, sale, exchange, or other disposition of Premium Bonds.

## **Collateral Tax Consequences Summary**

The following discussion is a brief discussion of certain collateral federal income tax consequences resulting from the purchase, ownership, or disposition of the Bonds. It does not purport to address all aspects of federal taxation that may be relevant to a particular owner of a Bond. This discussion is based on existing statutes, regulations, published rulings, and court decisions, all of which are subject to change or modification, retroactively. Prospective investors should be aware that the ownership of such obligations may result in collateral federal income tax consequences to various categories of persons, such as corporations (including S corporations and foreign corporations), financial institutions, property and casualty and life insurance companies, individual recipients of Social Security and railroad retirement benefits, individuals otherwise eligible for the earned income tax credit, and taxpayers deemed to have incurred or continued indebtedness to purchase or carry obligations the interest on which is excluded from gross income for federal income tax purposes. Interest on the Bonds may be taken into account in determining the tax liability of foreign corporations subject to the branch profits tax imposed by section 884 of the Code.

THE DISCUSSION CONTAINED HEREIN MAY NOT BE EXHAUSTIVE. PROSPECTIVE INVESTORS, INCLUDING THOSE WHO ARE SUBJECT TO SPECIAL PROVISIONS OF THE CODE, SHOULD CONSULT THEIR OWN TAX ADVISORS AS TO THE TAX TREATMENT WHICH MAY BE ANTICIPATED TO RESULT FROM THE PURCHASE, OWNERSHIP, AND DISPOSITION OF TAX-EXEMPT OBLIGATIONS BEFORE DETERMINING WHETHER TO PURCHASE THE BONDS.

Under section 6012 of the Code, owners of tax-exempt obligations, such as the Bonds, may be required to disclose interest received or accrued during each taxable year on their returns of federal income taxation.

Section 1276 of the Code provides for ordinary income tax treatment of gain recognized upon the disposition of a tax exempt obligation, such as the Bonds, if such obligation was acquired at a "market discount" and if the fixed maturity of such obligation is equal to, or exceeds, one year from the date of issue. Such treatment applies to "market discount bonds" to the extent such gain does not exceed the accrued market discount of such bonds; although for this purpose, a de minimis amount of market discount is ignored. A "market discount bond" is one which is acquired by the owner at a purchase price which is less than the stated redemption price at maturity or, in the case of a bond issued at an original issue discount, the "revised issue price" (i.e., the issue price plus accrued original issue discount). The "accrued market discount" is the amount which bears the same ratio of the market discount as the number of days during which the holder holds the obligation bears to the number of days between the acquisition date and the final maturity date.

## State, Local, and Foreign Taxes

Investors should consult their own tax advisors concerning the tax implications of the purchase, ownership, or disposition of the Bonds under applicable state or local laws. Foreign investors should also consult their own tax advisors regarding the tax consequences unique to investors who are not United States persons.

#### **Changes in Law**

Tax legislation, administrative actions taken by tax authorities, or court decisions, whether at the federal or state level, may adversely affect the tax-exempt status of interest on the Bonds under federal or state law or otherwise prevent owners of the Bonds from realizing the full current benefit of the tax status of such interest. In addition, such legislation or actions (whether currently proposed, proposed in the future, or enacted) and such decisions could affect the market price or marketability of the Bonds.

Prospective purchasers of the Bonds should consult their own tax advisors regarding the foregoing matters.

#### **LEGAL MATTERS**

#### **Legal Proceedings**

Delivery of the Bonds will be accompanied by the unqualified approving legal opinion of the Attorney General to the effect that the Bonds are valid and legally binding obligations of the District under the Constitution and laws of the State, payable from the proceeds of the Pledged Revenues and, based upon their examination of a transcript of certified proceedings relating to the issuance and sale of the Bonds, the legal opinion of Bond Counsel, to a like effect.

Winstead PC, Dallas, Texas, serves as Bond Counsel and Disclosure Counsel to the District. Locke Lord LLP serves as Underwriter's Counsel. The legal fees paid to Bond Counsel, Disclosure Counsel and Underwriter's Counsel are contingent upon the sale and delivery of the Bonds.

#### **Legal Opinions**

The District will furnish the Underwriter a transcript of certain certified proceedings incident to the authorization and issuance of the Bonds. Such transcript will include a certified copy of the approving opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State, to the effect that the Bonds are valid and binding special obligations of the District. The District will also furnish the legal opinion of Bond Counsel, to the effect that, based upon an examination of such transcript, the Bonds are valid and binding special obligations of the District under the Constitution and laws of the State. The legal opinion of Bond Counsel will further state that the Bonds, including principal of and interest thereon, are payable from and secured by a pledge of and lien on the Pledged Revenues. Bond Counsel will also provide a legal opinion to the effect that interest on the Bonds will be excludable from gross income for federal income tax purposes under Section 103(a) of the Code, subject to the matters described above under the caption "TAX MATTERS," including the alternative minimum tax consequences for corporations. A copy of the opinion of Bond Counsel is attached hereto as "APPENDIX F — Form of Opinion of Bond Counsel."

Except as noted below, Bond Counsel did not take part in the preparation of the Limited Offering Memorandum, and such firm has not assumed any responsibility with respect thereto or undertaken independently to verify any of the information contained therein, except that, in its capacity as Bond Counsel, such firm has reviewed the information describing the Bonds in the Limited Offering Memorandum under the captions or subcaptions "PLAN OF FINANCE — The Bonds" (except for the last paragraph thereof), "DESCRIPTION OF THE BONDS," "SECURITY FOR THE BONDS" (except for the last paragraph under the subcaption "General" and the last sentence under the subcaption "Pledged Revenues"), "THE DISTRICT," "TAX MATTERS," "LEGAL MATTERS — Legal Proceedings" (except for the last paragraph thereof), "LEGAL MATTERS — Legal Opinions," "CONTINUING DISCLOSURE— The District" (first paragraph only), "REGISTRATION AND QUALIFICATION OF BONDS FOR SALE," "LEGAL INVESTMENTS AND ELIGIBILITY TO SECURE PUBLIC FUNDS IN TEXAS" and APPENDIX B and such firm is of the opinion that the information relating to the Bonds, the Bond Order and the Indenture contained therein fairly and accurately describes the laws and legal issues addressed therein and, with respect to the Bonds, such information conforms to the Bond Order and the Indenture.

The various legal opinions to be delivered concurrently with the delivery of the Bonds express the professional judgment of the attorneys rendering the opinions as to the legal issues explicitly addressed therein. In rendering a legal opinion, the attorney does not become an insurer or guarantor of that expression of professional judgment, of the transaction opined upon, or of the future performance of the parties to the transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

#### **Litigation** — The District

At the time of delivery and payment for the Bonds, the District will certify that, except as disclosed herein, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, regulatory agency, public board or body, pending or overtly threatened against the District affecting the existence of the District, or seeking to restrain or to enjoin the sale or delivery of the Bonds, the application of the proceeds thereof, in accordance with the Indenture, or the collection or application of Contract Revenues securing the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds, the Bond Order, the Capital Recovery Fee Agreement, the Indenture, any action of the District contemplated by any of the said documents, or the collection or application of the Pledged Revenues, or in any way contesting the completeness or accuracy of this Limited Offering Memorandum or any amendment or supplement thereto, or contesting the powers of the District or its authority with respect to the Bonds or any action of the District contemplated by any documents relating to the Bonds.

#### **Litigation** — The Master Developer

At the time of delivery and payment for the Bonds, the Master Developer will certify that, except as disclosed herein, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, regulatory body, public board or body pending, or, to the best knowledge of the Master Developer, threatened against or affecting the Master Developer wherein an unfavorable decision, ruling or finding would have a material adverse effect on the financial condition or operations of the Master Developer or its manager or member or would adversely affect (1) the transactions contemplated by, or the validity or enforceability of, the Bonds, the Indenture, the Bond Order, Construction, Funding and Acquisition Agreement, the Development Agreement, or the Bond Purchase Agreement, or otherwise described in this Limited Offering Memorandum, or (2) the tax-exempt status of interest on the Bonds (individually or in the aggregate, a "Material Adverse Effect"). Additionally, principals of the Master Developer and their affiliated entities have been and are parties to pending and threatened litigation related to their commercial and real estate development activities. Such litigation occurs in the ordinary course of business and is not expected to have a Material Adverse Effect.

#### SUITABILITY FOR INVESTMENT

Investment in the Bonds poses certain economic risks. See "BONDHOLDERS' RISKS". The Bonds are not rated by any nationally recognized municipal securities rating service. No dealer, broker, salesman or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum, and, if given or made, such other information or representations must not be relied upon as having been authorized by either of the foregoing. Additional information will be made available to each prospective investor, including the benefit of a site visit to the District and the opportunity to ask questions of the Master Developer, as such prospective investor deems necessary in order to make an informed decision with respect to the purchase of the Bonds.

#### **ENFORCEABILITY OF REMEDIES**

While the Bonds are not subject to registration under the Securities Act, the District has determined that the Bonds are not suitable for investment by persons other than Approved Investors. Prospective investors should have such knowledge and experience in financial and business matters as to be capable of evaluating the merits and risks of an investment in the Bonds and should have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment.

The remedies available to the owners of the Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions, which are often subject to discretion and delay. See "BONDHOLDERS' RISKS — Remedies and Bankruptcy." Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified, as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors and enacted before or after such delivery.

#### **NO RATING**

No application for a rating on the Bonds has been made to any rating agency, nor is there any reason to believe that the District would have been successful in obtaining an investment grade rating for the Bonds had application been made.

#### CONTINUING DISCLOSURE

#### The District

Pursuant to Rule 15c2-12 of the Securities and Exchange Commission (the "Rule"), the District and MuniCap, Inc. (the "Dissemination Agent") will enter into a Continuing Disclosure Agreement (the "District Disclosure Agreement") for the benefit of the Owners of the Bonds (including owners of beneficial interests in the Bonds), to provide, by certain dates prescribed in the District Disclosure Agreement, certain financial information and operating data relating to the District (collectively, the "District Reports"). The specific nature of the information to be contained in the District Reports is set forth in "APPENDIX E-1 — FORM OF DISTRICT DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District to comply with its obligations under the District Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the District Disclosure Agreement would allow the Owners of the Bonds (including owners of beneficial interests in the Bonds) to bring an action for specific performance.

The District has agreed to update information and to provide notices of certain specified events only as provided in the District Disclosure Agreement. The District has not agreed to provide other information that may be relevant or material to a complete presentation of its financial results of operations, condition, or prospects or agreed to update any information that is provided in this Limited Offering Memorandum, except as provided in the District Disclosure Agreement. The District makes no representation or warranty concerning such information or concerning its usefulness to a decision to invest in or sell the Bonds at any future date. The District disclaims any contractual or tort liability for damages resulting in whole or in part from any breach of the District Disclosure Agreement or from any statement made pursuant to the District Disclosure Agreement.

#### The Master Developer

The Master Developer, and MuniCap, Inc., as District Administrator (the "Administrator"), and the Dissemination Agent will enter into a Continuing Disclosure Agreement (the "Master Developer Disclosure Agreement") for the benefit of the Owners of the Bonds (including owners of beneficial interests in the Bonds), to provide, by certain dates prescribed in the Master Developer Disclosure Agreement, certain information regarding the Development and the District Major Improvements (which include the Capital Recovery Fee Projects) (collectively, the "Master Developer Reports"). The specific nature of the information to be contained in the Master Developer Reports is set forth in "APPENDIX E-2 — FORM OF MASTER DEVELOPER DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the Master Developer or the Administrator to comply with their respective obligations under the Master Developer Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Master Developer Disclosure Agreement would allow the Owners of the Bonds (including owners of beneficial interests in the Bonds) to bring an action for specific performance.

The Master Developer has agreed to provide (i) certain updated information to the Administrator, which consultant will prepare and provide such updated information in report form and (ii) notices of certain specified events, only as provided in the Master Developer Disclosure Agreement. The Master Developer has not agreed to provide other information that may be relevant or material to a complete presentation of its financial results of operations, condition, or prospects or agreed to update any information that is provided in this Limited Offering Memorandum, except as provided in the Master Developer Disclosure Agreement. The Master Developer makes no representation or warranty concerning such information or concerning its usefulness to a decision to invest in or sell the Bonds at any future date. The Master Developer disclaims any contractual or tort liability for damages resulting in whole or in part from any breach of the Master Developer Disclosure Agreement or from any statement made pursuant to the Master Developer Disclosure Agreement.

#### UNDERWRITING

#### REGISTRATION AND QUALIFICATION OF BONDS FOR SALE

The sale of the Bonds has not been registered under the Federal Securities Act of 1933, as amended, in reliance upon the exemption provided thereunder by Section 3(a)(2); and the Bonds have not been qualified under the Securities Act of Texas in reliance upon various exemptions contained therein; nor have the Bonds been qualified under the securities acts of any other jurisdiction. The District assumes no responsibility for qualification of the Bonds under the securities laws of any jurisdiction in which the Bonds may be sold, assigned, pledged, hypothecated or otherwise transferred. This disclaimer of responsibility for qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration provisions.

#### LEGAL INVESTMENT AND ELIGIBILITY TO SECURE PUBLIC FUNDS IN TEXAS

Section 1201.041 of the Public Security Procedures Act (Chapter 1201, Texas Government Code, as amended) provide that the Bonds are negotiable instruments and investment securities governed by Chapter 8, Texas Business and Commerce Code, as amended, and are legal and authorized investments for insurance companies, fiduciaries, trustees, or for the sinking funds of municipalities or other political subdivisions or public agencies of the State. With respect to investment in the Bonds by municipalities or other political subdivisions or public agencies of the State, the PFIA requires that the Bonds be assigned a rating of at least "A" or its equivalent as to investment quality by a national rating agency. See "NO RATING" above. In addition, various provisions of the Texas Finance Code provide that, subject to a prudent investor standard, the Bonds are legal investments for state banks, savings banks, trust companies with capital of one million dollars or more, and savings and loan associations. The Bonds are eligible to secure deposits to the extent of their market value. No review by the District has been made of the laws in other states to determine whether the Bonds are legal investments for various institutions in those states. No representation is made that the Bonds will be acceptable to public entities to secure their deposits or acceptable to such institutions for investment purposes.

The District made no investigation of other laws, rules, regulations or investment criteria which might apply to such institutions or entities or which might limit the suitability of the Bonds for any of the foregoing purposes or limit the authority of such institutions or entities to purchase or invest in the Bonds for such purposes.

#### **INVESTMENTS**

The District invests its funds in investments authorized by Texas law in accordance with investment policies approved by the Board of Directors. Both Texas law and the District's investment policies are subject to change.

by law for District deposits, or (ii) certificates of deposits where (a) the funds are invested by the District through (I) a broker that has its main office or a branch office in the State and is selected from a list adopted by the District as required by law or (II) a depository institution that has its main office or a branch office in the State that is selected by the District; (b) the broker or the depository institution selected by the District arranges for the deposit of the funds in certificates of deposit in one or more federally insured depository institutions, wherever located, for the account of the District; (c) the full amount of the principal and accrued interest of each of the certificates of deposit is insured by the United States or an instrumentality of the United States, and (d) the District appoints the depository institution selected under (a) above, a custodian as described by Section 2257.041(d) of the Texas Government Code, or a clearing broker-dealer registered with the Securities and Exchange Commission and operating pursuant to Securities and Exchange Commission Rule 15c3-3 (17 C.F.R. Section 240.15c3-3) as custodian for the District with respect to the certificates of deposit; (10) fully collateralized repurchase agreements that have a defined termination date, are fully secured by a combination of cash and obligations described in clause (1) above or clause (12) below, which are pledged to the District, held in the District's name, and deposited at the time the investment is made with the District or with a third party selected and approved by the District and are placed through a primary government securities dealer, as defined by the Federal Reserve, or a financial institution doing business in the State; (11) securities lending programs if (i) the securities loaned under the program are 100% collateralized, a loan made under the program allows for termination at any time and a loan made under the program is either secured by (a) obligations that are described in clauses (1) through (8) above, (b) irrevocable letters of credit issued by a state or national bank that is continuously rated by a nationally recognized investment rating firm at not less than A or its equivalent or (c) cash invested in obligations described in clauses (1) through (8) above, clauses (13) through (15) below, or an authorized investment pool; (ii) securities held as collateral under a loan are pledged to the District, held in the District's name and deposited at the time the investment is made with the District or a third party designated by the District; (iii) a loan made under the program is placed through either a primary government securities dealer or a financial institution doing business in the State; and (iv) the agreement to lend securities has a term of one year or less; (12) certain bankers' acceptances with the remaining term of 270 days or less, if the short-term obligations of the accepting bank or its parent are rated at least A-1 or P-1 or the equivalent by at least one nationally recognized credit rating agency; (13) commercial paper with a stated maturity of 365 days or less that is rated at least A-1 or P-1 or the equivalent by either (a) two nationally recognized credit rating agencies or (b) one nationally recognized credit rating agency if the paper is fully secured by an irrevocable letter of credit issued by a U.S. or state bank; (14) no-load money market mutual funds registered with and regulated by the Securities and Exchange Commission that provide the District with a prospectus and other information required by the Securities Exchange Act of 1934 or the Investment Company Act of 1940 and comply with federal Securities and Exchange Commission Rule 2a-7; and (15) no-load mutual funds registered with the Securities and Exchange Commission that have an average weighted maturity of less than two years, and have a duration of one year or more and are invested exclusively in obligations described in this paragraph or have a duration of less than one year and the investment portfolio is limited to investment grade securities, excluding asset-backed securities. In addition, bond proceeds may be invested in guaranteed investment contracts that have a defined termination date and are secured by obligations, including letters of credit, of the United States or its agencies and instrumentalities in an amount at least equal to the amount of bond proceeds invested under such contract, other than the prohibited obligations described in the next succeeding paragraph.

The District may invest in such obligations directly or through government investment pools that invest solely in such obligations provided that the pools are rated no lower than "AAA" or "AAA-m" or an equivalent by at least one nationally recognized rating service. The District may also contract with an investment management firm registered under the Investment Advisers Act of 1940 (15 U.S.C. Section 80b-1 et seq.) or with the State Securities Board to provide for the investment and management of its public funds or other funds under its control for a term up to two years, but the District retains ultimate responsibility as fiduciary of its assets. In order to renew or extend such a contract, the District must do so by order, ordinance, or resolution. The District is specifically prohibited from investing in: (1) obligations whose payment represents the coupon payments on the outstanding principal balance of the underlying mortgage-backed security collateral and pays no principal; (2) obligations whose payment represents the principal stream of cash flow from the underlying mortgage-backed security and bears no interest; (3) collateralized mortgage obligations that have a stated final maturity of greater than 10 years; and (4) collateralized mortgage obligations the interest rate of which is determined by an index that adjusts opposite to the changes in a market index.

Under Texas law, the District is required to invest its funds under written investment policies that primarily emphasize safety of principal and liquidity; that address investment diversification, yield, maturity, and the quality and capability of investment management; and that includes a list of authorized investments for District funds, the maximum allowable stated maturity of any individual investment, the maximum average dollar-weighted maturity allowed for pooled fund groups, methods to monitor the market price of investments acquired with public funds, a requirement for settlement of all transactions, except investment pool funds and mutual funds, on a delivery versus payment basis, and procedures to monitor rating changes in investments acquired with public funds and the liquidation of such investments consistent with the PFIA. All District funds

must be invested consistent with a formally adopted "Investment Strategy Statement" that specifically addresses each fund's investment. Each Investment Strategy Statement will describe its objectives concerning: (1) suitability of investment type, (2) preservation and safety of principal, (3) liquidity, (4) marketability of each investment, (5) diversification of the portfolio, and (6) yield.

Under Texas law, District investments must be made "with judgment and care, under prevailing circumstances, that a person of prudence, discretion, and intelligence would exercise in the management of the person's own affairs, not for speculation, but for investment, considering the probable safety of capital and the probable income to be derived." At least quarterly the investment officers of the District shall submit an investment report detailing: (1) the investment position of the District, (2) that all investment officers jointly prepared and signed the report, (3) the beginning market value, the ending market value and the fully accrued interest for the reporting period of each pooled fund group, (4) the book value and market value of each separately listed asset and fund type invested at the beginning and end of the reporting period by the type of asset and fund type invested, (5) the maturity date of each separately invested asset, (6) the account or fund or pooled fund group for which each individual investment was acquired, and (7) the compliance of the investment portfolio as it relates to: (a) adopted investment strategy statements and (b) state law. No person may invest District funds without express written authority from the Board of Directors.

Under Texas law the District is additionally required to: (1) annually review its adopted policies and strategies; (2) adopt a rule, order, ordinance or resolution stating that it has reviewed its investment policy and investment strategies and records any changes made to either its investment policy or investment strategy in the respective rule, order, ordinance or resolution; (3) require any investment officers' with personal business relationships or relatives with firms seeking to sell securities to the District to disclose the relationship and file a statement with the Texas Ethics Commission and the Board of Directors; (4) require the registered principal of firms seeking to sell securities to the District to: (a) receive and review the District's investment policy, (b) acknowledge that reasonable controls and procedures have been implemented to preclude investment transactions conducted between the District and the business organization that are not authorized by the District's investment policy (except to the extent that this authorization is dependent on an analysis of the makeup of the District's entire portfolio, requires an interpretation of subjective investment standards or relates to investment transactions of the entity that are not made through accounts or other contractual arrangements over which the business organization has accepted discretionary investment authority), and (c) deliver a written statement attesting to these requirements; (5) perform an annual audit of the management controls on investments and adherence to the District's investment policy; (6) provide specific investment training for the officers of the District; (7) restrict reverse repurchase agreements to not more than 90 days and restrict the investment of reverse repurchase agreement funds to no greater than the term of the reverse repurchase agreement; (8) restrict the investment in no-load mutual funds in the aggregate to no more than 15% of the entity's monthly average fund balance, excluding bond proceeds and reserves and other funds held for debt service; (9) require local government investment pools to conform to the new disclosure, rating, net asset value, yield calculation, and advisory board requirements; and (10) at least annually review, revise, and adopt a list of qualified brokers that are authorized to engage in investment transactions with the District.

- (b) In the event that any officer of the District whose manual or facsimile signature appears on the Bonds ceases to be such officer before the authentication of such Bonds or before the delivery thereof, such manual or facsimile signature nevertheless shall be valid and sufficient for all purposes as if such officer had remained in such office.
- (c) Except as provided below, no Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit of this Indenture unless and until there appears thereon the Certificate of Trustee substantially in the form provided herein, duly authenticated by manual execution by an officer or duly authorized signatory of the Trustee. It shall not be required that the same officer or authorized signatory of the Trustee sign the Certificate of Trustee on all of the Bonds. In lieu of the executed Certificate of Trustee described above, the Initial Bond delivered at the Closing Date shall have attached thereto the Comptroller's Registration Certificate substantially in the form provided herein, manually executed by the Comptroller of Public Accounts of the State of Texas, or by his duly authorized agent, which certificate shall be evidence that the Initial Bond has been duly approved by the Attorney General of the State of Texas, is a valid and binding obligation of the District, and has been registered by the Comptroller of Public Accounts of the State of Texas.

(d) On the Closing Date, one Initial Bond representing the entire principal amount of all Bonds, payable in stated installments to the Purchaser, or its designee, executed with the manual or facsimile signatures of the President or Vice President of the Board of Directors, and attested by the Secretary or Assistant Secretary of the Board of Directors, approved by the Attorney General, and registered and manually signed by the Comptroller of Public Accounts, will be delivered to the Purchaser or its designee. Upon payment for the Initial Bond, the Trustee shall cancel the Initial Bond and deliver to DTC on behalf of the Purchaser one registered definitive Bond for each year of maturity of the Bonds, in the aggregate principal amount of all Bonds for such maturity, registered in the name of Cede & Co., as nominee of DTC.

#### Section 3.6 Ownership.

- (a) The District, the Trustee, the Paying Agent/Registrar and any other Person may treat the Person in whose name any Bond is registered as the absolute owner of such Bond for the purpose of making and receiving payment as provided herein (except interest shall be paid to the Person in whose name such Bond is registered on the relevant Record Date) and for all other purposes, whether or not such Bond is overdue, and neither the District nor the Trustee, nor the Paying Agent/Registrar, shall be bound by any notice or knowledge to the contrary.
- (b) All payments made to the Owner of any Bond shall be valid and effectual and shall discharge the liability of the District, the Trustee and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

#### Section 3.7 <u>Registration, Transfer and Exchange.</u>

- (a) So long as any Bond remains Outstanding, the District shall cause the Paying Agent/Registrar to keep at the Designated Payment/Transfer Office a Register in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds in accordance with this Indenture. The Paying Agent/Registrar represents and warrants that it will file and maintain a copy of the Register with the District and shall cause the Register to be current with all registration and transfer information as from time to time may be applicable.
- (b) A Bond shall be transferable only upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar. No transfer of any Bond shall be effective until entered in the Register.
- (c) The Bonds shall be exchangeable upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar for a Bond or Bonds of the same maturity and interest rate and in any Authorized Denomination and in an aggregate principal amount equal to the unpaid principal amount of the Bond presented for exchange. The Trustee is hereby authorized to authenticate and deliver Bonds exchanged for other Bonds in accordance with this Section.
- (d) The Trustee is hereby authorized to authenticate and deliver Bonds transferred or exchanged in accordance with this Section. A new Bond or Bonds will be

delivered by the Paying Agent/Registrar, in lieu of the Bond being transferred or exchanged, at the Designated Payment/Transfer Office, or sent by United States mail, first class, postage prepaid, to the Owner or his designee. Each transferred Bond delivered by the Paying Agent/Registrar in accordance with this Section shall constitute an original contractual obligation of the District and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond or Bonds in lieu of which such transferred Bond is delivered.

- (e) Each exchange Bond delivered in accordance with this Section shall constitute an original contractual obligation of the District and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond or Bonds in lieu of which such exchange Bond is delivered.
- (f) No service charge shall be made to the Owner for the initial registration, subsequent transfer, or exchange for a different Authorized Denomination of any of the Bonds. The Paying Agent/Registrar, however, may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer, or exchange of a Bond.
- (g) Neither the District nor the Paying Agent/Registrar shall be required to issue, transfer, or exchange any Bond or portion thereof called for redemption prior to maturity within forty-five (45) days prior to the date fixed for redemption; provided, however, such limitation shall not be applicable to an exchange by the Owner of the uncalled principal balance of a Bond.

#### Section 3.8 Cancellation.

All Bonds paid or redeemed before scheduled maturity in accordance with this Indenture, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Indenture, shall be cancelled, and proper records shall be made regarding such payment, redemption, exchange, or replacement. The Paying Agent/Registrar shall dispose of cancelled Bonds in accordance with the records retention requirements of the Trustee.

#### Section 3.9 Temporary Bonds.

- (a) Following the delivery and registration of the Initial Bond and pending the preparation of definitive Bonds, the proper officers of the District may execute and, upon the District's request, the Trustee shall authenticate and deliver, one or more temporary Bonds that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any Authorized Denomination, substantially of the tenor of the definitive Bonds in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers of the District executing such temporary Bonds may determine, as evidenced by their signing of such temporary Bonds.
- (b) Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the benefit and security of this Indenture.

(c) The District, without unreasonable delay, shall prepare, execute and deliver to the Trustee the Bonds in definitive form; thereupon, upon the presentation and surrender of the Bond or Bonds in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Bonds in temporary form and the Trustee shall authenticate and deliver in exchange therefore a Bond or Bonds of the same maturity and series, in definitive form, in the Authorized Denomination, and in the same aggregate principal amount, as the Bond or Bonds in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

### Section 3.10 Replacement Bonds.

- (a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond, the Trustee shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding. The District or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.
- (b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Trustee, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like tenor and principal amount bearing a number not contemporaneously outstanding, provided that the Owner first complies with the following requirements;
  - (i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;
  - (ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the Trustee to save them and the District harmless;
  - (iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Trustee and the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and
  - (iv) satisfies any other reasonable requirements imposed by the District and the Trustee.
- (c) After the delivery of such replacement Bond, if a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the District and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the Person to whom it was delivered or any Person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost, or expense incurred by the District, the Paying Agent/Registrar or the Trustee in connection therewith.
- (d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying

Agent/Registrar, in its discretion, instead of issuing a replacement Bond, may pay such Bond if it has become due and payable or may pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the District and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

#### Section 3.11 <u>Book-Entry Only System.</u>

The Bonds shall initially be issued in book-entry-only form and shall be deposited with DTC, which is hereby appointed to act as the securities depository therefor, in accordance with the letter of representations from the District to DTC. On the Closing Date the definitive Bonds shall be issued in the form of a single typewritten certificate for each maturity thereof registered in the name of Cede & Co., as nominee for DTC.

With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the District and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any Person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the District and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other Person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other Person, other than an Owner, as shown in the Register, of any amount with respect to principal of, premium, if any, or interest on the Bonds. Notwithstanding any other provision of this Indenture to the contrary, the District and the Paying Agent/Registrar shall be entitled to treat and consider the Person in whose name each Bond is registered in the Register as the absolute owner of such Bond for the purpose of payment of principal of, premium, if any, and interest on Bonds, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering a transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Owners as shown in the Register, as provided in this Indenture, and all such payments shall be valid and effective to fully satisfy and discharge the District's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No Person other than an Owner, as shown in the Register, shall receive a Bond certificate evidencing the obligation of the District to make payments of amounts due pursuant to this Indenture. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Indenture with respect to interest checks or drafts being mailed to the registered owner at the close of business on the relevant Record Date, the word "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

## Section 3.12 <u>Successor Securities Depository: Transfer Outside Book-Entry-Only System.</u>

In the event that the District determines that DTC is incapable of discharging its responsibilities described herein and in the letter of representations from the District to DTC, the District shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository; or (ii) notify DTC and DTC Participants of the availability through DTC of certificated Bonds and cause the Paying Agent/Registrar to transfer one or more separate registered Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Indenture.

#### Section 3.13 Payments to Cede & Co.

Notwithstanding any other provision of this Indenture to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bonds, and all notices with respect to such Bonds shall be made and given, respectively, in the manner provided in the blanket letter of representations from the District to DTC.

## ARTICLE IV REDEMPTION OF BONDS BEFORE MATURITY

#### Section 4.1 Limitation on Redemption.

The Bonds shall be subject to redemption before their scheduled maturity only as provided in this Article IV.

- Section 4.2 <u>Mandatory Redemption</u>. The Bonds are subject to mandatory redemption on the Bond Payment Date in any year in which the Contract Revenues received by the District are sufficient to pay the Annual Principal Payment Amount, at a redemption price of 100% of the principal amount of the Bonds allocable to such Annual Principal Payment Amount plus accrued interest to the date of redemption from moneys transferred to the Redemption Fund pursuant to Section 6.4(c).
- Section 4.3 <u>Extraordinary Redemption</u>. The Bonds are subject to extraordinary redemption as set forth below.
- (a) <u>Extraordinary Mandatory Redemption Reserve Fund Transfers</u>. The Bonds are subject to extraordinary mandatory redemption before the Maturity Date, in whole or in part, on any Business Day, which date set for such redemption shall be set subject to the notice requirements set forth in Section 4.5 hereof (the "Extraordinary Mandatory Reserve Fund Redemption Date"), at a redemption price of 100% of the principal amount of such Bonds, or

portions thereof, to be redeemed plus accrued and unpaid interest to the Extraordinary Mandatory Reserve Fund Redemption Date from amounts on deposit in the Redemption Fund as a result of transfers to the Redemption Fund made pursuant to Section 6.7(e).

(b) <u>Extraordinary Mandatory Redemption – Excess Project Funds</u>. The Bonds are subject to extraordinary mandatory redemption before the Maturity Date, in whole or in part, on any Business Day, which date set for such redemption shall be set subject to the notice requirements set forth in Section 4.5 hereof at a redemption price equal to 100% of the aggregate principal amount of the Bonds, or portions thereof, to be redeemed plus accrued interest to the date of redemption to the extent that money is transferred to the Redemption Fund as a result of unexpended amounts in the Project Fund as provided in Section 6.5(d) hereof.

# Section 4.4 Partial Redemption.

- (a) If less than all of the Bonds are to be redeemed pursuant to Sections 4.2 or 4.3, Bonds shall be redeemed in minimum principal amounts of \$1,000 or any integral of \$1,000 in excess thereof by any method selected by the Trustee resulting in a random selection. Each Bond shall be treated as representing the number of Bonds that is obtained by dividing the principal amount of such Bond by \$1,000. No redemption shall result in a Bond in a denomination of less than the Authorized Denomination in effect at that time; provided, however, if the amount of the Outstanding Bond is less than an Authorized Denomination after giving effect to such partial redemption, a Bond in the principal amount equal to the unredeemed portion, but not less than \$1,000, may be issued.
- (b) A portion of a single Bond of a denomination greater than an Authorized Denomination may be redeemed, but only in a principal amount equal to \$1,000 or any integral of \$1,000 in excess thereof. The Trustee shall treat each \$1,000 portion of such Bond as though it were a single bond for purposes of selection for redemption.
- (c) Upon surrender of any Bond for redemption in part, the Trustee in accordance with Section 3.7 of this Indenture, shall authenticate and deliver and exchange the Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, such exchange being without charge.

#### Section 4.5 Notice of Redemption to Owners.

The Trustee shall give notice of any redemption of Bonds by sending notice by first class United States mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond or portion thereof to be redeemed, at the address shown in the Register.

(b) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

# Section 4.6 <u>Payment Upon Redemption</u>.

- (a) The Trustee shall make provision for the payment of the Bonds to be redeemed on such date by setting aside and holding in trust an amount from the Redemption Fund or otherwise received by the Trustee from the District and shall use such funds solely for the purpose of paying (i) the Redemption Price on the Bonds being optionally redeemed or (ii) the principal amount plus accrued interest thereon of the Bonds being extraordinarily redeemed.
- (b) Upon presentation and surrender of any Bond called for redemption at the designated corporate trust office of the Trustee on or after the date fixed for redemption, the Trustee shall pay the Redemption Price or principal amount plus accrued interest thereon, as applicable, on such Bond to the date of redemption from the money set aside for such purpose.

# Section 4.7 <u>Effect of Redemption</u>.

Notice of redemption having been given as provided in Section 4.5 of this Indenture, the Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption provided that funds for the payment of the principal amount and premium, if any, plus accrued unpaid interest on such Bonds to the date fixed for redemption are on deposit with the Trustee; thereafter, such Bonds or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Bonds are presented and surrendered for payment on such date.

It is expressly provided, however, that the presence or absence of CUSIP numbers on the Bonds shall be of no significance or effect as regards the legality thereof and neither the District, the Trustee, nor the attorneys approving said Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed on the Bonds.

# Section 5.3 <u>Legal Opinion</u>.

- (e) If the amount held in the Reserve Fund is sufficient to pay the principal amount of all Outstanding Bonds on any Extraordinary Mandatory Reserve Fund Redemption Date, together with the unpaid interest accrued on such Bonds as of such Extraordinary Mandatory Reserve Fund Redemption Date, the money shall be transferred to the Redemption Fund and thereafter used to redeem all Bonds as of such Extraordinary Mandatory Reserve Fund Redemption Date.

# Section 6.8 Rebate Fund; Rebate Amount.

- Money in any Fund established pursuant to this Indenture shall be invested by the Trustee as directed by the District pursuant to a District Order filed with the Trustee at least two (2) days in advance of the making of such investment in time deposits or certificates of deposit secured in the manner required by law for public funds, or be invested in Investment Securities; provided that all such deposits and investments shall be made in such manner (which may include repurchase agreements for such investment with any primary dealer of such agreements) that the money required to be expended from any Fund will be available at the proper time or times. Such investments shall be valued each year in terms of current market value as of September 30. In the absence of a District Order filed with the Trustee, the Trustee shall have no responsibility to invest or reinvest money in any Fund established pursuant to this Indenture. For purposes of maximizing investment returns, to the extent permitted by law, money in such Funds may be invested in common investments of the kind described above, or in a common pool of such investments which shall be kept and held at an official depository bank, which shall not be deemed to be or constitute a commingling of such money or funds provided that safekeeping receipts or certificates of participation clearly evidencing the investment or investment pool in which such money is invested and the share thereof purchased with such money or owned by such Fund are held by or on behalf of each such Fund. If necessary, such investments shall be promptly sold to prevent any default.
- (b) Obligations purchased as an investment of money in any Fund shall be deemed to be part of such Fund or Account, subject, however, to the requirements of this Indenture for transfer of interest earnings and profits resulting from investment of amounts in Funds and Accounts. Whenever in this Indenture any money is required to be transferred by the District to the Trustee, such transfer may be accomplished by transferring a like amount of Investment Securities.
- (c) The Trustee and its affiliates may act as sponsor, advisor, depository, principal or agent in the acquisition or disposition of any investment. The Trustee shall not incur any liability for losses arising from any investments made pursuant to this Section. The Trustee shall not be required to determine the suitability or legality of any investments.

26

- (d) Investments in any and all Funds and Accounts may be commingled in a separate fund or funds for purposes of making, holding and disposing of investments, notwithstanding provisions herein for transfer to or holding in or to the credit of particular Funds or Accounts of amounts received or held by the Trustee hereunder, provided that the Trustee shall at all times account for such investments strictly in accordance with the Funds and Accounts to which they are credited and otherwise as provided in this Indenture.
- (e) The Trustee will furnish the District monthly cash transaction statements which include detail for all investment transactions made by the Trustee hereunder; and, unless the Trustee receives a written request, the Trustee is not required to provide brokerage confirmations so long as the Trustee is providing such monthly cash transaction statements.

#### Section 6.10 Security of Funds.

All Funds heretofore created or reaffirmed, to the extent not invested as herein permitted, shall be secured in the manner and to the fullest extent required by law for the security of public funds, and such Funds shall be used only for the purposes and in the manner permitted or required by this Indenture.

# ARTICLE VII COVENANTS

#### Section 7.1 Collection and Enforcement of Contract Payments.

For so long as any Bonds are Outstanding, the District covenants, agrees and warrants that it will take and pursue all actions permissible under Applicable Laws and the Capital Recovery Fees Agreement to cause the Contract Payments to be paid and the liens thereon enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws and the Capital Recovery Fees Agreement, and to cause no reduction, abatement or exemption in the Contract Payments.

# Section 7.2 Against Encumbrances.

- (a) The District shall not create and, to the extent Pledged Revenues are received, shall not suffer to remain, any lien, encumbrance or charge upon the Pledged Revenues, other than that specified in Section 9.6 of this Indenture, or upon any other property pledged under this Indenture, except the pledge created for the security of the Bonds, and other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds.
- (b) So long as Bonds are Outstanding hereunder, the District shall not issue any bonds, notes or other evidences of indebtedness other than the Bonds secured by any pledge of or other lien or charge on the Pledged Revenues or other property pledged under this Indenture, other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds.

# Section 7.3 Records; Accounts; Accounting Reports.

The District hereby covenants and agrees that so long as any of the Bonds are Outstanding or any interest thereon remains outstanding and unpaid, it will keep and maintain a proper and complete system of records and accounts pertaining to the Contract Revenues. The Trustee and holder or holders of any Bonds or any duly authorized agent or agents of such holders shall have the right at all reasonable times to inspect all such records, accounts, and data relating thereto, upon written request to the District by the Trustee or duly authorized representative, as applicable. The District shall provide the Trustee or duly authorized representative, as applicable, an opportunity to inspect such books and records relating to the Bonds during the District's regular business hours and on a mutually agreeable date not later than thirty days after the District receives such request.

# Section 7.4 <u>Covenants to Maintain Tax-Exempt Status.</u>

(a) <u>Definitions</u>. When used in this Section, the following terms shall have the following meanings:

"Computation Date" has the meaning set forth in Section 1.148-1(b) of the Regulations.

"Gross Proceeds" means any proceeds as defined in Section 1.148-1 (b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1 (c) of the Regulations, of the Bonds.

"Investment" has the meaning set forth in Section 1.148-1 (b) of the Regulations.

"Nonpurpose Investment" means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

"Regulations" means any proposed, temporary or final Income Tax Regulations issued pursuant to sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

"Yield" of (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations; and (2) the Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The District shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the District receives a written opinion of counsel nationally recognized in the

field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the District shall comply with each of the specific covenants in this Section.

- (c) <u>No Private Use or Private Payments</u>. Except as permitted by section 141 of the Code and the Regulations and rulings thereunder, the District shall at all times prior to the last Stated Maturity of Bonds:
  - (i) Not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and
  - (ii) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the District or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.
- (d) No Private Loan. Except to the extent permitted by section 141 of the Code and the Regulations and rulings thereunder, the District shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be "loaned" to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.
- (e) Not to Invest at Higher Yield. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the District shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested) if, as a result of such investment, the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds.
- (f) <u>Not Federally Guaranteed</u>. Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the District shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

29

- (g) <u>Information Report</u>. The District shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary of the Treasury may prescribe.
- (h) <u>Rebate of Arbitrage Profits</u>. Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder:
  - (i) The District shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last Outstanding Bond is discharged. However, to the extent permitted by law, the District may commingle Gross Proceeds of the Bonds with other money of the District, provided that the District separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.
  - (ii) Not less frequently than each Computation Date, the District shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The District shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.
  - As additional consideration for the purchase of the Bonds by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to ensure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the District shall, pursuant to a District Order, direct the Trustee to transfer to the Rebate Fund from the funds or subaccounts designated in such District Order and direct the Trustee to pay to the United States from the Rebate Fund the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder.
  - (iv) The District shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (ii) and (iii), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

- (i) Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the District shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's-length and had the Yield of the Bonds not been relevant to either party.
- (j) <u>Elections</u>. The District hereby directs and authorizes the President and Vice President of the Board of Directors to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds, in the Tax Certificate or similar or other appropriate certificate, form or document.

# ARTICLE VIII LIABILITY OF DISTRICT

The District shall not incur any responsibility in respect of the Bonds or this Indenture other than in connection with the duties or obligations explicitly herein or in the Bonds assigned to or imposed upon it. The District shall not be liable in connection with the performance of its duties hereunder, except for its own willful default or act of bad faith. The District shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions, covenants or agreements of the Trustee herein or of any of the documents executed by the Trustee in connection with the Bonds, or as to the existence of a default or event of default thereunder.

In the absence of bad faith, the District may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the District and conforming to the requirements of this Indenture. The District shall not be liable for any error of judgment made in good faith unless it shall be proved that it was negligent in ascertaining the pertinent facts.

Neither the Owners nor any other Person shall have any claim against the District or any of its officers, officials, agents, or employees for damages suffered as a result of the District's failure to perform in any respect any covenant, undertaking, or obligation under any Bond Documents or as a result of the incorrectness of any representation in, or omission from, any of the Bond Documents, except to the extent that any such claim relates to an obligation, undertaking, representation, or covenant of the District, in accordance with the Bond Documents and the Act. Any such claim shall be payable only from Pledged Revenues. Nothing contained in any of the Bond Documents shall be construed to preclude any action or proceeding in any court or before any governmental body, agency, or instrumentality against the District or any of its officers, officials, agents, or employees to enforce the provisions of any of the Bond Documents or to enforce all rights of the Owners of the Bonds by mandamus or other proceeding at law or in equity.

The District may rely on and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond, or other paper or

document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The District may consult with counsel with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Indenture the District shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of willful misconduct on the part of the District, be deemed to be conclusively proved and established by a certificate of the Trustee, an Independent Financial Consultant, an independent inspector or other person designated by the Board of Directors to so act on behalf of the District, and such certificate shall be full warrant to the District for any action taken or suffered under the provisions of this Indenture upon the faith thereof, but in its discretion the District may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

In order to perform its duties and obligations hereunder, the District may employ such persons or entities as it deems necessary or advisable. The District shall not be liable for any of the acts or omissions of such persons or entities employed by it in good faith hereunder, and shall be entitled to rely, and shall be fully protected in doing so, upon the opinions, calculations, determinations, and directions of such persons or entities.

# ARTICLE IX THE TRUSTEE

#### Section 9.1 Trustee as Registrar and Paying Agent

The Trustee accepts and agrees to execute the respective trusts imposed by this Indenture but only upon the terms set forth in this Article IX. The Trustee is hereby designated and agrees to act as Registrar and Paying Agent for and in respect to the Bonds.

# Section 9.2 <u>Trustee Entitled to Indemnity</u>

The Trustee shall be under no obligation to institute any suit, or to undertake any proceeding under this Indenture, or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified, to the extent permitted by law, to its satisfaction against any and all costs and expenses, outlays, and counsel fees and other reasonable disbursements, and against all liability except as a consequence of its own negligence or willful misconduct; provided however in no event shall the Trustee request or require indemnification as a condition for making any deposits, payments, or transfers when required hereunder or to deliver any notice when required hereunder. Nevertheless, the Trustee may begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as the Trustee, without indemnity, and in such case the Trustee may make transfers from the Pledged Revenue Fund to pay all costs and expenses, outlays, and counsel fees and other reasonable disbursements properly incurred in connection therewith and shall be entitled to a preference therefor over any Bonds Outstanding hereunder.

# Section 9.3 <u>Responsibilities of the Trustee.</u>

- (a) The recitals contained in this Indenture and in the Bonds shall be taken as the statements of the District and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or the Bonds or with respect to the security afforded by this Indenture, and the Trustee shall incur no liability with respect thereto. Except as otherwise expressly provided in this Indenture, the Trustee shall have no responsibility or duty with respect to: (i) the issuance of Bonds for value; (ii) the application of the proceeds thereof, except to the extent that such proceeds are received by it in its capacity as Trustee; (iii) the application of any money paid to the District or others in accordance with this Indenture, except as to the application of any money paid to it in its capacity as Trustee; or (iv) any calculation of arbitrage or rebate under the Code.
- (b) The Trustee, prior to the occurrence of an Event of Default (hereinafter defined) with respect to the Bonds and after the curing or waiving of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture and no implied covenants or obligations shall be read into this Indenture against the Trustee (it being agreed that the permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty). If an Event of Default has occurred and is continuing (of which the Trustee has been notified in writing, or is deemed to have notice), the Trustee shall exercise the rights and powers vested in it by this Indenture and use the same degree of care and skill in their exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs.
- (c) The Trustee may not be relieved from liability for its own negligent action, its own negligent failure to act or its own willful misconduct, except that:
  - (i) this paragraph does not limit the effect of the previous paragraph of this Section;
  - (ii) the Trustee shall not be liable for any action taken, or error of judgment made in good faith by any one of its responsible officers, employees or agents unless it is proved that the Trustee was negligent in ascertaining the pertinent facts;
  - (iii) the Trustee shall not be liable with respect to any action it takes or omits to take in good faith in accordance with a direction received by it pursuant to this Indenture or in accordance with the exercising of any trust or power conferred upon it pursuant to this Indenture; and
  - (iv) no provision of this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have grounds for believing that repayment of such funds or adequate indemnity against such risk or liability is not assured to it.
- (d) The Trustee shall not be liable for any action taken or omitted by it in the performance of its duties under this Indenture, except for such losses, damages or expenses which have been finally adjudicated by a court of competent jurisdiction to have directly resulted

from the Trustee's its own negligence or willful misconduct. In no event shall the Trustee be liable for incidental, indirect, punitive, special or consequential loss or damages whatsoever (including, but not limited to, loss of profit) in connection with or arising from this Indenture, irrespective of whether the Trustee has been advised of the likelihood of such loss or damage and regardless of the form of action.

- (e) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or by or through agents or attorneys and the Trustee shall not be responsible for any acts or omissions of any such attorney or agent appointed with due care.
- (f) The Trustee shall not be required to take notice, and shall not be deemed to have notice, of any default or Event of Default unless the Trustee shall be notified specifically of the default or Event of Default in a written instrument or document delivered to it by the District. In the absence of delivery of a notice satisfying those requirements, the Trustee may assume conclusively that there is no Event of Default.
- (g) Neither the Trustee nor any of its directors, officers, employees, agents or affiliates shall be responsible for nor have any duty to monitor the performance or any action of the District, or any of its directors, members, officers, agents, affiliates or employee, nor shall it have any liability in connection with the malfeasance or nonfeasance by such party. The Trustee may assume performance by all Persons of their respective obligations. The Trustee shall have no enforcement or notification obligations relating to breaches of representations or warranties of any other Person.
- (h) In the event that any assets held hereunder shall be attached, garnished or levied upon by any court order, or the delivery thereof shall be stayed or enjoined by an order of a court, or any order, judgment or decree shall be made or entered by any court order affecting such assets, the Trustee is hereby expressly authorized, in its sole discretion, to respond as it deems appropriate or to comply with all writs, orders or decrees so entered or issued, or which it is advised by legal counsel of its own choosing is binding upon it, whether with or without jurisdiction. In the event that the Trustee obeys or complies with any such writ, order or decree it shall not be liable to any of the parties or to any other person, firm or corporation, should, by reason of such compliance notwithstanding, such writ, order or decree be subsequently reversed, modified, annulled, set aside or vacated.
- (i) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its control, including without limitation, any act or provision of any present or future law or regulation or governmental authority; acts of God; earthquakes; fires; floods; wars; terrorism; civil or military disturbances; sabotage; epidemics; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications service; accidents; labor disputes; acts of civil or military authority or governmental actions; or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility

Every provision of this Indenture that in any way relates to the Trustee is subject to this Section. The Trustee shall not be liable for interest on any money received by it except as the Trustee may agree in writing with the District.

# Section 9.4 <u>Property Held in Trust.</u>

All money and securities held by the Trustee at any time pursuant to the terms of this Indenture shall be held by the Trustee in trust for the purposes and under the terms and conditions of this Indenture.

### Section 9.5 Trustee Protected in Relying on Certain Documents.

The Trustee may request, conclusively rely on and shall be protected in acting upon any order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond, e-mail, electronic transmission, or other document provided to the Trustee in accordance with the terms of this Indenture that it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or Person or to have been prepared and furnished pursuant to any of the provisions of this Indenture, or upon the written opinion of any counsel, architect, engineer, insurance consultant, management consultant, or accountant believed by the Trustee to be qualified in relation to the subject matter, and the Trustee shall be under no duty to make any investigation or inquiry into any statements contained or matters referred to in any such instrument. The Trustee may consult with counsel, who may or may not be Bond Counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it in good faith and in accordance therewith.

Whenever the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Indenture, such matter may be deemed to be conclusively proved and established by a District Certificate, unless other evidence in respect thereof be hereby specifically prescribed. Such District Certificate shall be full warrant for any action taken or suffered in good faith under the provisions hereof, but in its discretion the Trustee may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable. Except as otherwise expressly provided herein, any request, order, notice, or other direction required or permitted to be furnished pursuant to any provision hereof by the District to the Trustee shall be sufficiently executed if executed in the name of the District by the District Representative.

The Trustee shall not be under any obligation to see to the recording or filing of this Indenture, or otherwise to the giving to any Person of notice of the provisions hereof except as expressly required in Section 9.13 herein.

# Section 9.6 <u>Compensation</u>.

Unless otherwise provided by contract with the Trustee, the Trustee shall transfer from the Pledged Revenue Fund, from time to time, reasonable compensation for all services rendered by it hereunder, including its services as Paying Agent/Registrar, together with all its reasonable expenses, charges, and other disbursements and those of its counsel, agents and employees, incurred in and about the administration and execution of the trusts hereby created and the exercise of its powers and the performance of its duties hereunder, subject to any limit on the amount of such compensation or recovery of expenses or other charges as shall be prescribed by specific agreement, and the Trustee shall have a lien therefor on any and all funds at any time held by it hereunder prior to any Bonds Outstanding; provided, however, notwithstanding

anything herein to the contrary, the aggregate value of fees paid to the Trustee under this Indenture shall not exceed the dollar limitation set forth in Section 2274.002(a)(2) of the Texas Government Code. None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if in the judgment of the Trustee there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it. If the District shall fail to make any payment required by this Section, the Trustee may make such payment from any money in its possession under the provisions of this Indenture (with the exception of the Rebate Fund) and shall be entitled to a preference therefor over any Bonds Outstanding hereunder.

#### Section 9.7 Permitted Acts.

The Trustee and its directors, officers, employees, or agents may become the owner of or may in good faith buy, sell, own, hold and deal in Bonds and may join in any action that any Owner of Bonds may be entitled to take as fully and with the same rights as if it were not the Trustee. The Trustee may act as depository, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, the District or any committee formed to protect the rights of holders of Bonds or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Indenture, whether or not such committee shall represent the holders of a majority of the Bonds.

# Section 9.8 Resignation of Trustee.

The Trustee may at any time resign and be discharged of its duties and obligations hereunder by giving not fewer than 60 days of notice, specifying the date when such resignation shall take effect, to the District and each Owner of any Outstanding Bond. Such resignation shall take effect upon the appointment of a successor as provided in Section 9.10 and the acceptance of such appointment by such successor. In the event that a successor Trustee has not been approved within ninety (90) days of such notice, the Trustee has the right to seek appointment of a successor Trustee from a court of competent jurisdiction and shall be reimbursed for its costs and expenses (including reasonable attorneys' fees).

#### Section 9.9 Removal of Trustee.

The Trustee may be removed at any time on 30 days advance written notice to the Trustee by (i) the Owners of at least a majority of the aggregate Outstanding principal of the Bonds by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or by their attorneys-in-fact, duly authorized and delivered to the District, or (ii) so long as the District is not in default under this Indenture, the District. Copies of each such instrument shall be delivered by the District to the Trustee and any successor thereof. The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the District or the Owners of not less than 10% of the aggregate Outstanding principal of the Bonds.

#### Section 9.10 Successor Trustee.

If the Trustee shall resign, be removed, be dissolved, or become incapable of acting, or shall be adjudged a bankrupt or insolvent, or if a receiver, liquidator, or conservator of the Trustee or of its property shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, the position of the Trustee hereunder shall thereupon become vacant.

If the position of Trustee shall become vacant for any of the foregoing reasons or for any other reason, a successor Trustee may be appointed within one year after any such vacancy shall have occurred by the Owners of at least twenty-five percent (25%) of the aggregate Outstanding principal of the Bonds by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or their attorneys-in-fact, duly authorized and delivered to such successor Trustee, with notification thereof being given to the predecessor Trustee and the District.

Until such successor Trustee shall have been appointed by the Owners of the Bonds, the District shall forthwith appoint a Trustee to act hereunder. Copies of any instrument of the District providing for any such appointment shall be delivered by the District to the Trustee so appointed. The District shall mail notice of any such appointment to each Owner of any Outstanding Bonds within thirty (30) days after such appointment. Any appointment of a successor Trustee made by the District immediately and without further act shall be superseded and revoked by an appointment subsequently made by the Owners of Bonds.

If in a proper case no appointment of a successor Trustee shall be made within 45 days after the giving by any Trustee of any notice of resignation in accordance with Section 9.8 herein or after the occurrence of any other event requiring or authorizing such appointment, the Trustee or any Owner of Bonds may apply to any court of competent jurisdiction for the appointment of such a successor, and the court may thereupon, after such notice, if any, as the court may deem proper, appoint such successor and the District shall be responsible for the costs of such appointment process.

Any successor Trustee appointed under the provisions of this Section shall be a commercial bank or trust company or national banking association (i) having a capital and surplus and undivided profits aggregating at least \$50,000,000, if there be such a commercial bank or trust company or national banking association willing and able to accept the appointment on reasonable and customary terms, and (ii) authorized by law to perform all the duties of the Trustee required by this Indenture.

Each successor Trustee shall mail, in accordance with the provisions of the Bonds, notice of its appointment to the Trustee, to any rating agency which, at the time of such appointment, is providing a rating on the Bonds and each of the Owners of the Bonds.

The Trustee shall not be responsible or liable for the acts or omissions of any successor trustee, nor shall it be responsible or liable for any costs of appointment or transition of such successor trustee.

# Section 9.11 <u>Transfer of Rights and Property to Successor Trustee.</u>

Any successor Trustee appointed under the provisions of Section 9.10 shall execute, acknowledge, and deliver to its predecessor and the District an instrument in writing accepting such appointment, and thereupon such successor, without any further act, deed, or conveyance, shall become fully vested with all money, estates, properties, rights, immunities, powers, duties, obligations, and trusts of its predecessor hereunder, with like effect as if originally appointed as Trustee. However, the Trustee then ceasing to act shall nevertheless, on request of the District or of such successor, execute, acknowledge, and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor all the rights, immunities, powers, and trusts of such Trustee and all the right, title, and interest of such Trustee in and to the Trust Estate, and shall pay over, assign, and deliver to such successor any money or other properties subject to the trusts and conditions herein set forth. Should any deed, conveyance, or instrument in writing from the District be required by such successor for more fully and certainly vesting in and confirming to it any such money, estates, properties, rights, powers, duties, or obligations, any and all such deeds, conveyances, and instruments in writing, on request and so far as may be authorized by law, shall be executed, acknowledged, and delivered by the District.

# Section 9.12 <u>Merger, Conversion or Consolidation of Trustee.</u>

Any corporation or association into which the Trustee may be converted or merged or with which it may be consolidated or any corporation or association resulting from any merger, conversion or consolidation to which it shall be a party or any corporation or association to which the Trustee may sell or transfer all or substantially all of its corporate trust business shall be the successor to such Trustee hereunder and will have and succeed to the rights, powers, duties, immunities and privileges as its predecessor, without any further act, deed or conveyance, provided that such corporation or association shall be a commercial bank or trust company or national banking association qualified to be a successor to such Trustee under the provisions of Section 9.10, or a trust company that is a wholly-owned subsidiary of any of the foregoing.

# Section 9.13 Trustee To File Continuation Statements.

#### Section 9.14 <u>Trustee Representations</u>.

(a) <u>Certificate of Interested Parties Form 1295</u>. The Trustee represents and warrants that it is exempt from the requirements of Section 2252.908 of the Texas Government Code, as amended, pursuant to subsection (c)(4) thereof, and, accordingly, the Trustee is not required to file a Certificate of Interested Parties Form 1295 otherwise prescribed thereunder.

The Trustee hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and, to the extent this Indenture is a contract for goods or services, will not boycott Israel during the term of this Indenture. The foregoing verification is made solely to comply with Section 2271.002, Texas Government Code, and to the extent such Section does not contravene applicable State or federal law. As used in the foregoing verification, 'boycott Israel' means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. The Trustee understands 'affiliate' to mean an entity that controls, is controlled by, or is under common control with the Trustee and exists to make a profit.

The Trustee represents that neither it nor any of its respective parent companies, wholly-or majority-owned subsidiaries, and other affiliates, if any, is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Texas Government Code, and posted on any of the following pages of such officer's internet website:

The foregoing representation is made solely to comply with Section 2252.152, Texas Government Code, and to the extent such Section does not contravene applicable Federal law and excludes the Trustee and any of its respective parent companies, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization. The Trustee understands "affiliate" to mean any entity that controls, is controlled by, or is under common control with the Trustee and exists to make a profit.

consent without a meeting, of the Owners of the Bonds of at least fifty one percent (51%) of the aggregate principal amount of the Bonds then Outstanding and District approval of such modification or amendment. No such modification or amendment shall (i) extend the maturity of any Bond or reduce the interest rate thereon, or otherwise alter or impair the obligation of the District to pay the principal of, and the interest and any premium on, any Bond, without the express consent of the Owner of such Bond, or (ii) permit the creation by the District of any pledge or lien upon the Pledged Revenues superior to or on a parity with the pledge and lien created for the benefit of the Bonds (except as otherwise permitted by Applicable Laws or this Indenture), or reduce the percentage of Bonds required for the amendment hereof. Any such amendment may not modify any of the rights, immunities, indemnities, or obligations of the Trustee without its written consent.

This Indenture and the rights and obligations of the District and of the Owners may also be modified or amended at any time by a Supplemental Indenture, without the consent of any Owners, only to the extent permitted by law and only for any one or more of the following purposes:

- (ii) to make modifications not adversely affecting any Outstanding Bonds in any material respect;
- (iii) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Indenture, or in regard to questions arising under this Indenture, as the District and the Trustee may deem necessary or desirable and not inconsistent with this Indenture, and that shall not adversely affect the rights of the Owners of the Bonds; and
- (iv) to make such additions, deletions or modifications as may be necessary or desirable to assure exemption from federal income taxation of interest on the Bonds.

Before the District and the Trustee may enter into any amendment to this Indenture, there must be delivered to the Trustee and the District an opinion of Bond Counsel stating that such amendment (i) is authorized or permitted under this Indenture and the Applicable Laws, (ii) complies with their respective terms, (iii) will, upon execution and delivery thereof, be valid and binding on the District in accordance with its terms, and (iv) will not adversely affect the exclusion of interest on the Bonds from gross income for federal income tax purposes, to the extent such Bonds are issued on a tax-exempt basis.

# Section 10.2 Owners' Meetings

The District may at any time call a meeting of the Owners of the Bonds. In such event the District is authorized to fix the time and place of said meeting and to provide for the giving of notice thereof, and to fix and adopt rules and regulations for the conduct of said meeting.

The District and the Trustee may at any time adopt a Supplemental Indenture amending the provisions of the Bonds or of this Indenture, to the extent that such amendment is permitted by Section 10.1 herein, to take effect when and as provided in this Section. A copy of such Supplemental Indenture, together with a request to Owners for their consent thereto, shall be mailed by first class mail, by the Trustee to each Owner of Bonds from whom consent is required under this Indenture, but failure to mail copies of such Supplemental Indenture and request shall not affect the validity of the Supplemental Indenture when assented to as in this Section provided.

Such Supplemental Indenture shall not become effective unless there shall be filed with the Trustee the written consents of the Owners as required by this Indenture and a notice shall have been mailed as hereinafter in this Section provided. Each such consent shall be effective only if accompanied by proof of ownership of the Bonds for which such consent is given, which proof shall be such as is permitted by Section 11.6 herein. Any such consent shall be binding upon the Owner of the Bonds giving such consent and on any subsequent Owner (whether or not such subsequent Owner has notice thereof), unless such consent is revoked in writing by the Owner giving such consent or a subsequent Owner by filing such revocation with the Trustee prior to the date when the notice hereinafter in this Section provided for has been mailed.

After the Owners of the required percentage of Bonds shall have filed their consents to the Supplemental Indenture, the District shall mail a notice to the Owners in the manner hereinbefore provided in this Section for the mailing of the Supplemental Indenture, stating in substance that the Supplemental Indenture has been consented to by the Owners of the required percentage of Bonds and will be effective as provided in this Section (but failure to mail copies of said notice shall not affect the validity of the Supplemental Indenture or consents thereto). Proof of the mailing of such notice shall be filed with the Trustee. A record, consisting of the papers required by this Section 10.3 to be filed with the Trustee, shall be proof of the matters therein stated until the contrary is proved. The Supplemental Indenture shall become effective upon the filing with the Trustee of the proof of mailing of such notice, and the Supplemental Indenture shall be deemed conclusively binding (except as otherwise hereinabove specifically provided in this Article) upon the District and the Owners of all Bonds at the expiration of sixty (60) days after such filing, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in a legal action or equitable proceeding for such purpose commenced within such sixty (60) day period.

# Section 10.4 <u>Effect of Supplemental Indenture</u>.

# Section 10.5 <u>Endorsement or Replacement of Bonds Issued After Amendments.</u>

The District may determine that Bonds issued and delivered after the effective date of any action taken as provided in this Article X shall bear a notation, by endorsement or otherwise, in form approved by the District, as to such action. In that case, upon demand of the Owner of any Bond Outstanding at such effective date and presentation of his Bond for that purpose at the designated office of the Trustee or at such other office as the District may select and designate for that purpose, a suitable notation shall be made on such Bond. The District may determine that new Bonds, so modified as in the opinion of the District is necessary to conform to such Owners' action, shall be prepared, executed, and delivered. In that case, upon demand of the Owner of any Bonds then Outstanding, such new Bonds shall be exchanged at the designated office of the Trustee without cost to any Owner, for Bonds then Outstanding, upon surrender of such Bonds.

#### Section 10.6 <u>Amendatory Endorsement of Bonds</u>.

The provisions of this Article X shall not prevent any Owner from accepting any amendment as to the particular Bonds held by such Owner, provided that due notation thereof is made on such Bonds.

#### Section 10.7 Waiver of Default.

With the written consent of at least fifty one percent (51%) in aggregate principal amount of the Bonds then Outstanding, the Owners may waive compliance by the District with certain past defaults under the Indenture and their consequences. or registered assigns, beginning on December 31, 2022, and on December 31 of each year until the Maturity Date, the Annual Principal Payment Amount. The Annual Principal Payment Amount is the amount of Contract Revenues received by the District between January 15 and October 15 of each then current calendar year while the Bonds are outstanding and deposited by the District with the Trustee, less (a) any amounts used to pay fees and expenses of the Trustee in such calendar year, and (b) any amounts to be utilized to pay Unpaid Prior Interest and interest accrued thereon, and (c) any amounts utilized to pay interest coming due on the Bonds on the next scheduled Bond Payment Date, rounded down to the nearest \$1,000.

The Maturity Date is the earliest of: (i) the date on which the principal amount of the Bonds has been fully paid; (ii) the date on which the Owners have been paid all money available under the Indenture to pay principal of and interest due on the Bonds, being that date on which (a) the District has received the Maximum Contract Revenues and (b) all Pledged Funds have been depleted; and (iii) December 31, 2041, the "Final Maturity Date".

The District promises to pay interest on the unpaid principal amount hereof from the later of the Date of Delivery, as specified above, or the most recent Bond Payment Date to which interest has been paid or provided for until the Maturity Date, at the per annum rate of interest specified above, computed on the basis of a 360-day year of twelve 30-day months, such interest to be paid annually on December 31 of each year, commencing December 31, 2022, until the Maturity Date or prior redemption. The District also agrees to pay interest on any Unpaid Prior Interest from the Bond Payment Date on which such interest was not paid or provided for, at the per annum rate of interest specified above, computed on the basis of a 360-day year of twelve 30-day months, such interest to be paid annually on December 31 of each year until the Maturity Date or prior redemption.

The principal of this Bond shall be payable without exchange or collection charges in lawful money of the United States of America upon presentation and surrender of this Bond at corporate trust office in Dallas, Texas (the "Designated Payment/Transfer Office"), of Wilmington Trust, National Association, as trustee and paying agent/registrar (the "Trustee", which term includes any successor trustee under the Indenture), or, with respect to a successor trustee and paying agent/registrar, at the Designated Payment/Transfer Office of such successor. Interest on this Bond is payable by check dated as of the Bond Payment Date, mailed by the Trustee to the registered owner at the address shown on the registration books kept by the Trustee or by such other customary banking arrangements acceptable to the Trustee, requested by, and at the risk and expense of, the Person to whom interest is to be paid. For the purpose of the payment of interest on this Bond, the registered owner shall be the Person in whose name this Bond is registered at the close of business on the "Record Date," which shall be the fifteenth day of the month preceding such Bond Payment Date.

If a date for the payment of the principal of or interest on the Bonds is not a Business Day, then the date for such payment shall be the next succeeding Business Day, and payment on such date shall have the same force and effect as if made on the original date payment was due.

This Bond is one of a duly authorized issue of contract revenue bonds of the District having the designation specified in its title (herein referred to as the "Bonds"), dated as of the date of delivery and issued in the aggregate principal amount of \$14,000,000 and issued, with the limitations described herein, pursuant to an Indenture of Trust, dated as of October 1, 2021 (the "Indenture"), by and between the District and the Trustee, to which Indenture reference is hereby made for a description of the amounts thereby pledged and assigned, the nature and extent of the lien and security, the respective rights thereunder to the holders of the Bonds, the Trustee, and the District, and the terms upon which the Bonds are, and are to be, authenticated and delivered and by this reference to the terms of which each holder of this Bond hereby consents. All Bonds issued under the Indenture are equally and ratably secured by the amounts thereby pledged and assigned. The Bonds are being issued for the purpose of (i) paying a portion of the Costs of the Capital Recovery Fee Projects, (ii) paying a portion of the interest on the Bonds during and after the period of acquisition and construction of the Capital Recovery Fee Projects, (iii) funding a reserve fund for payment of principal of and interest on the Bonds, and (iv) paying the costs of

issuing the Bonds. The Bonds are limited obligations of the District payable solely from the Trust Estate (as defined in the Indenture). Reference is hereby made to the Indenture, copies of which are on file with and available upon request from the Trustee, for the provisions, among others, with respect to the nature and extent of the duties and obligations of the District, the Trustee and the Owners. The Owner of this Bond, by the acceptance hereof, is deemed to have agreed and consented to the terms, conditions and provisions of the Indenture.

The Bonds are issuable as fully registered bonds only in Authorized Denominations, subject to the provisions of the Indenture authorizing redemption in denominations of \$1,000 and any multiple of \$1,000 in excess thereof.

The Bonds are subject to mandatory redemption on the Bond Payment Date in any year in which the Contract Revenues received by the District are sufficient to pay the Annual Principal Payment Amount, at a redemption price of 100% of the principal amount of the Bonds allocable to such Annual Principal Payment Amount plus accrued interest to the date of redemption.

The Bonds are subject to extraordinary mandatory redemption before the Maturity Date, in whole or in part, on any Business Day, which date set for such redemption shall be set subject to the notice requirements set forth below, at a redemption price of 100% of the principal amount of such Bonds, or portions thereof, to be redeemed plus accrued and unpaid interest to the redemption date if amounts on deposit in the Reserve Fund are sufficient to pay the principal amount of all Outstanding Bonds, together with the unpaid interest accrued on such Bonds.

The Bonds are also subject to extraordinary mandatory redemption before the Maturity Date, in whole or in part, on any Business Day, which date set for such redemption shall be set subject to the notice requirements set forth below at a redemption price equal to 100% of the aggregate principal amount of the Bonds, or portions thereof, to be redeemed plus accrued interest to the date of redemption to the extent that money is transferred to the Redemption Fund as a result of unexpended amounts in the Project Fund.

The Trustee shall give notice of any redemption of Bonds by sending notice by first class United States mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond or portion thereof to be redeemed, at the address shown on the Register. The notice shall state the redemption date, the redemption price or the amount of Bonds to be redeemed plus accrued interest to the date thereof, as applicable, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed, any conditions to such redemption and that on the redemption date, if all conditions, if any, to such redemption have been satisfied, such Bond shall become due and payable. Any notice so given shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the District and the rights of the holders of the Bonds under the Indenture at any time Outstanding affected by such modification. The Indenture also contains provisions permitting the holders of specified percentages in aggregate principal amount of the Bonds at the time Outstanding, on behalf of the holders of all

the Bonds, to waive compliance by the District with certain past defaults under the Bond Order or the Indenture and their consequences. Any such consent or waiver by the holder of this Bond or any predecessor Bond evidencing the same debt shall be conclusive and binding upon such holder and upon all future holders thereof and of any Bond issued upon the transfer thereof or in exchange therefor or in lieu thereof, whether or not notation of such consent or waiver is made upon this Bond.

As provided in the Indenture, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office, with such endorsement or other evidence of transfer as is acceptable to the Trustee, and upon delivery to the Trustee of such certifications as may be required under the Indenture for the transfer of this Bond. Upon satisfaction of such requirements, one or more new fully registered Bonds of the same Stated Maturity, of Authorized Denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the District nor the Trustee shall be required to issue, transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days of the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

The District, the Trustee, and any other Person may treat the Person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the Person in whose name this Bond is registered on the Record Date) and for all other purposes, whether or not this Bond be overdue, and neither the District nor the Trustee shall be affected by notice to the contrary.

NEITHER THE FULL FAITH AND CREDIT NOR THE GENERAL TAXING POWER OF THE CITY OF CELINA, TEXAS, THE DISTRICT, THE STATE OF TEXAS, OR ANY OTHER POLITICAL SUBDIVISION THEREOF ARE PLEDGED TO THE PAYMENT OF THE BONDS.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; and that the total indebtedness of the District, including the Bonds, does not exceed any Constitutional or statutory limitation.

acquisition or reimbursement of or for the Public Infrastructure or any authorized purpose of the District. If the District does not by February 15, 2022 issue a series of contract revenue bonds secured by the Capital Recovery Fees, the District shall assign all of its rights, title, and interest to this Agreement to the Developer within three (3) business days of the Developer's request as agreed to between the District and the Developer pursuant to the Second Amendment, and the District shall have no claim to amounts collected in the Capital Recovery Fees Account and shall not be obligated to issue contract revenue bonds secured by the Capital Recovery Fees. The Developer and its lienholder(s) have agreed and consented to this Agreement, and such consents are attached hereto as **Exhibit A** (the "Developer Consent") and **Exhibit B** (the "Lienholder Consent").

#### 5. **Indemnification**.

DISTRICT IN PERFORMING ITS OBLIGATIONS UNDER THIS AGREEMENT IS ACTING INDEPENDENTLY, AND THE CITY ASSUMES NO RESPONSIBILITIES OR LIABILITIES TO THIRD PARTIES IN CONNECTION WITH THE DYNAVEST DEVELOPMENT. TO THE EXTENT PERMITTED BY LAW, DISTRICT AGREES TO INDEMNIFY, DEFEND, AND HOLD HARMLESS THE CITY, ITS OFFICERS, AGENTS, AND EMPLOYEES IN BOTH THEIR PUBLIC AND PRIVATE CAPACITIES, FROM AND AGAINST CLAIMS, SUITS, DEMANDS, LOSSES, DAMAGES, CAUSES OF ACTION, AND LIABILITY OF EVERY KIND, INCLUDING, BUT NOT LIMITED TO, EXPENSES OF LITIGATION OR SETTLEMENT, COURT COSTS, AND ATTORNEYS' FEES WHICH MAY ARISE DUE TO ANY DEATH OR INJURY TO A PERSON OR THE LOSS OF, LOSS OF USE, OR DAMAGE TO PROPERTY, ARISING OUT OF OR OCCURRING AS A CONSEQUENCE OF THE PERFORMANCE OF THIS AGREEMENT, EXCLUDING ANY ERRORS OR OMISSIONS, OR GROSSLY NEGLIGENT ACT OR OMISSION OF THE CITY, ITS OFFICERS, AGENTS OR EMPLOYEES.

#### 6. Events of Default; Remedies.

Events of Default. No Party shall be in default under this Agreement until Notice of the alleged failure of such Party to perform has been given (which Notice shall set forth in reasonable detail the nature of the alleged failure) and until such Party has been given a reasonable time to cure the alleged failure (such reasonable time determined based on the nature of the alleged failure, but in no event less than thirty (30) days after written Notice of the alleged failure has been given). In addition, if a Cure Time Notice (as defined below) has been provided within thirty (30) days of the Notice, no Party shall be in default under this Agreement if, within the applicable cure period, the Party to whom the Notice was given begins performance and thereafter diligently and continuously pursues performance until the alleged failure has been cured. Notwithstanding the foregoing, however, a Party shall be in default of its obligation to make any payment required under this Agreement if such payment is not made within thirty (30) business days after receipt of a Notice of failure to provide payment. If a Party who has received Notice under this Section cannot cure an alleged failure to perform within thirty (30) days after receipt of written Notice, such Party shall give written Notice to the other Party within such thirty (30) day period: (a) stating that the Party cannot cure the alleged failure within thirty (30) days after receipt of written Notice and explaining the reason; and (b) providing a date by

which such Party can reasonably cure the alleged failure ("Cure Time Notice"). A Party who does not timely provide a Cure Time Notice shall be deemed to be able to cure the alleged failure to perform within thirty (30) days after the initial written Notice of the alleged failure has been given. The City's failure to fulfill an obligation or intention of the City contained in this Agreement that creates a contractual obligation that controls, waives, or supplants the City Council's legislative discretion or functions shall not be considered an event of default.

(b) **Remedies**. If a Party is in default, the aggrieved Party may, at its option and without prejudice to any other right or remedy under this Agreement, seek any relief available at law or in equity, including, but not limited to, an action under the Uniform Declaratory Judgment Act, specific performance, mandamus, and injunctive relief. NOTWITHSTANDING THE FOREGOING, HOWEVER, NO DEFAULT UNDER THIS AGREEMENT SHALL ENTITLE THE AGGRIEVED PARTY TO TERMINATE THIS AGREEMENT AND PREVENT THE DEVELOPER, THE DISTRICT, OR THE CITY FROM RECEIVING ANY REIMBURSEMENTS OR PAYMENTS DUE AND OWED TO THE DEVELOPER, THE DISTRICT, OR THE CITY UNDER THIS AGREEMENT.

#### 7. **General Provisions**.

# APPENDIX D FORM OF OPINION OF BOND COUNSEL

#### October 28, 2021

# NORTH PARKWAY MUNICIPAL MANAGEMENT DISTRICT NO. 1 CONTRACT REVENUE BONDS, SERIES 2021 (CAPITAL RECOVERY FEE PROJECTS) IN THE ORIGINAL PRINCIPAL AMOUNT OF \$14,400,000

We have acted as "Bond Counsel" to North Parkway Municipal Management District No. 1 (the "District") in connection with the issuance of the bonds described above (the "Bonds") for the sole purpose of providing legal advice and traditional legal services to the District including rendering an opinion with respect to the legality and validity of the Bonds under the Constitution and laws of the State of Texas and with respect to the exclusion of interest on the Bonds from gross income for federal income tax purposes. We have not investigated or verified original proceedings, records, data, or other material, but we have relied solely upon the transcript of certified proceedings, certifications, and other documents described in the following paragraph. We have not assumed any responsibility with respect to the financial condition or capabilities of the District or the disclosure thereof in connection with the sale of the Bonds. We have relied solely on information and certifications furnished to us by the District with respect to the current outstanding indebtedness of the District and the adequacy of the "Trust Estate", described in the Indenture defined below, for payment of the Bonds.

In our capacity as Bond Counsel, we have participated in the preparation of and have examined a transcript of certified proceedings pertaining to the Bonds that contains certified copies of certain proceedings of the Board of Directors of the District (the "Board of Directors"); an order of the Board of Directors authorizing the Bonds adopted on October 6, 2021 (the "Order"); the Indenture of Trust dated as of October 1, 2021 between the District and Wilmington Trust, National Association (the "Indenture"); the Bond Purchase Agreement dated October 6, 2021 between the underwriter named therein and the District; the approving opinion of the Attorney General of the State of Texas; customary certificates of officers, agents, and representatives of the District (including a "Federal Tax Certificate"), and other public officials; and other documents relating to the issuance of the Bonds. In such examination, we have assumed the authenticity of all documents submitted to us as originals, the conformity to original copies of all documents submitted to us as certified copies, and the truth and accuracy of the statements contained in such certificates. We have also examined applicable provisions of the Internal Revenue Code of 1986, as amended (the "Code"), court decisions, Treasury Regulations, and published rulings of the Internal Revenue Service (the "Service") as we have deemed relevant. We have examined executed Bond No. T-1.

Based on said examination and in accordance with customary legal practice, it is our opinion that:

- 1. The District is a validly existing municipal management district of the State of Texas with power to adopt the Order, perform its agreements therein, and issue the Bonds.
  - 2. The Bonds have been authorized, sold, and delivered in accordance with law.
- 3. The Bonds constitute valid and legally binding obligations of the District enforceable in accordance with their terms except as the enforceability thereof may be limited by principles of sovereign

immunity and bankruptcy, insolvency, reorganization, moratorium, liquidation, and other similar laws now or hereafter enacted relating to creditors' rights generally.

- 4. The Trust Estate (as described in the Indenture) consisting primarily of Contract Revenues of the District in accordance with an Amended and Restated Capital Recovery Fees Economic Development Agreement between the District and the City of Celina, Texas (the "City") necessary to pay the interest on and principal of the Bonds have been pledged irrevocably for such purpose.
- 5. Interest on the Bonds is excludable from gross income for federal income tax purposes under section 103 of the Code and is not an item of tax preference for purposes of the federal alternative minimum tax.

We call your attention to the fact that the ownership of obligations such as the Bonds may result in collateral federal tax consequences to, among others, financial institutions, property and casualty insurance companies, life insurance companies, certain foreign corporations doing business in the United States, individual recipients of Social Security or Railroad Retirement benefits, individuals otherwise qualifying for the earned income tax credit, owners of an interest in a financial asset securitization investment trust, certain S corporations with Subchapter C earnings and profits, taxpayers qualifying for the health insurance premium assistance credit, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred expenses allocable to, tax-exempt obligations.

The Service has an ongoing audit program to determine compliance with rules relating to whether interest on state or local obligations is excludable from gross income for federal income tax purposes. No assurance can be given regarding whether or not the Service will commence an audit of the Bonds. If such an audit is commenced, under current procedures, the Service would treat the District as the taxpayer, and owners of the Bonds would have no right to participate in the audit process. We observe that the District has covenanted not to take any action, or omit to take any action within its control, that, if taken or omitted, respectively, may result in the treatment of interest on the Bonds as includable in gross income for federal income tax purposes.

In rendering these opinions, we have relied upon representations and certifications of the District and the City, the District's financial advisor, and the initial purchaser of the Bonds with respect to matters solely within the knowledge of such parties, respectively, which we have not independently verified, and we assume continuing compliance by the District, and as applicable, by the City, with covenants pertaining to those sections of the Code which affect the exclusion from gross income of interest on the Bonds for federal income tax purposes. If such representations and certifications are determined to be inaccurate or incomplete, or the District or the City fail to comply with the foregoing covenants, interest on the Bonds could become includable in gross income retroactively to the date of issuance of the Bonds, regardless of the date on which the event causing such inclusion occurs.

Except as stated above, we express no opinion as to any other federal, state, or local tax consequences under present law, or proposed legislation, resulting from the receipt or accrual of interest on or the acquisition, ownership, or disposition of the Bonds.

The District reserves the right, subject to the restrictions set forth in the Indenture, and without obtaining the consent of the registered owners of the Bonds, to issue "Refunding Bonds" to refund the Bonds to the extent authorized by state law.

The registered owners of the Bonds shall never have the right to demand payment of the principal thereof or interest thereon out of any funds raised or to be raised by taxation or from any source whatsoever other than the source specified in the Indenture.

We express no opinion herein regarding the accuracy, adequacy, or completeness of the Limited Offering Memorandum relating to the Bonds.

The opinions set forth above are based on existing laws of the United States and the State of Texas, which are subject to change. Such opinions are further based on our knowledge of facts as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may hereafter come to our attention or to reflect any changes in any law that may hereafter occur or become effective. Moreover, our opinions are not a guarantee of result and are not binding on the Service; rather, such opinions represent our legal judgment based on our review of existing law, and are made in reliance on the representations and covenants referenced above that we deem relevant to such opinions.

This legal opinion expresses the professional judgment of this firm as to the legal issues explicitly addressed therein. In rendering a legal opinion, we do not become an insurer or guarantor of that expression of professional judgment, of the transaction opined upon, or of the future performance of the parties to the transaction. Nor does the rendering of our opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

Respectfully submitted,

The Issuer does not intend for any sale by the Master Developer of real property within the District to be considered a significant event for the purposes of number (10) above.

For these purposes, "financial obligation" means (i) a debt obligation; (ii) derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (iii) guarantee of (i) or (ii). The term "financial obligation" shall not include municipal securities as to which a final official statement has been provided to the Municipal Securities Rulemaking Board consistent with the Rule. The Issuer intends the words used in numbers (15) and (16) and the definition of "financial obligation" to have the meanings ascribed to them in SEC Release No. 34-83885 (August 20, 2018).

For these purposes, any event described in the immediately preceding number (12) is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the Issuer in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Issuer, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Issuer.

Upon the occurrence of a Listed Event, the Issuer shall promptly notify the Dissemination Agent in writing and the Issuer shall direct the Dissemination Agent to file a notice of such occurrence with the MSRB; provided, however, the Issuer shall deliver such written notice to the Dissemination Agent within eight (8) business days of the occurrence of such Listed Event in order for the Dissemination Agent to timely file such notice in a timely manner with the MSRB through EMMA. The Dissemination Agent shall file such notice no later than the second Business Day immediately following the day on which it receives written notice of such occurrence from the Issuer. Any such notice is required to be filed within ten (10) Business Days of the occurrence of such Listed Event; provided that the Dissemination Agent shall not be liable for the filing of notice of any Listed Event more than ten (10) Business Days after the occurrence of such Listed Event is received from the Issuer more than ten (10) Business Days after the occurrence of such Listed Event; provided, however, the failure of the Issuer to provide timely written notice to the Dissemination Agent in accordance this paragraph shall not constitute a failure of the Dissemination Agent to comply with the MSRB's ten (10) business day filing requirement.

Additionally, the Dissemination Agent shall notify the MSRB, in a timely manner, of any failure by the Issuer to provide annual audited financial statements or Annual Financial Information as required under this Disclosure Agreement. The form for submitting such notice is attached hereto as Exhibit A.

Any notice under the preceding paragraphs shall be accompanied with the text of the disclosure that the Issuer desires to make, the written authorization of the Issuer for the Dissemination Agent to disseminate such information as provided herein, and the date the Issuer desires for the Dissemination

Agent to disseminate the information (which written direction from the Issuer to the Dissemination Agent shall within eight (8) business days after the occurrence of the Listed Event or failure to file and date of such filing provided by the Issuer shall not be more than ten (10) Business Days after the occurrence of the Listed Event or failure to file).

In all cases, the Issuer shall have the sole responsibility for the content, design, and other elements comprising substantive contents of all disclosures. In addition, the Issuer shall have the sole responsibility to ensure that any notice required to be filed under this Section 5 is filed within ten (10) Business Days of the occurrence of the Listed Event.

- The Dissemination Agent shall, within two (2) Business Days of obtaining actual knowledge of the occurrence of any Listed Event with respect to the Bonds, notify the Disclosure Representative of such Listed Event. The Dissemination Agent shall not be required to file a notice of the occurrence of such Listed Event with the MSRB unless and until it receives written instructions from the Disclosure Representative to do so. If the Dissemination Agent has been instructed in writing by the Disclosure Representative on behalf of the Issuer to report the occurrence of a Listed Event under this subsection (b), the Dissemination Agent shall file a notice of such occurrence with the MSRB no later than 2 Business Days following the day on which it receives such written instructions. It is agreed and understood that the duty to make or cause to be made the disclosures herein is that of the Issuer and not that of the Trustee or the Dissemination Agent. It is agreed and understood that the Dissemination Agent has agreed to give the foregoing notice to the Issuer as an accommodation to assist it in monitoring the occurrence of such event, but is under no obligation to investigate whether any such event has occurred. As used above, "actual knowledge" means the actual fact or statement of knowing, without a duty to make any investigation with respect thereto. In no event shall the Dissemination Agent be liable in damages or in tort to the Issuer or any Owner or beneficial owner of any interests in the Bonds as a result of its failure to give the foregoing notice or to give such notice in a timely fashion.
- (c) If in response to a notice from the Dissemination Agent under subsection (b), the Issuer determines that the Listed Event under number 2, 7, 8, 10, 13, 14 or 15 of subsection (a) above is not material under applicable federal securities laws, the Issuer shall promptly, but in no case more than five (5) Business Days after the occurrence of the event, notify the Dissemination Agent and the Trustee (if the Dissemination Agent is not the Trustee) in writing and instruct the Dissemination Agent not to report the occurrence pursuant to subsection (d).
- (d) If the Dissemination Agent has been instructed by the Issuer to report the occurrence of a Listed Event, the Dissemination Agent shall immediately file a notice of such occurrence with the MSRB (which date shall not be more than ten (10) Business Days after the occurrence of the Listed Event or failure to file).
- Section 6. <u>Termination of Reporting Obligations</u>. The obligations of the Issuer and the Dissemination Agent under this Disclosure Agreement shall terminate upon the discharge of the Indenture whether by payment in full, redemption of the Bonds or otherwise, when the Issuer is no longer an obligated person with respect to the Bonds, or upon delivery by the Disclosure Representative to the Dissemination Agent of an opinion of nationally recognized bond counsel to the effect that continuing disclosure is no longer required. So long as any of the Bonds remain Outstanding, the Dissemination Agent may assume that the Issuer is an obligated person with respect to the Bonds until it receives written notice from the Disclosure Representative stating that the Issuer is no longer an obligated person with

respect to the Bonds, and the Dissemination Agent may conclusively rely upon such written notice with no duty to make investigation or inquiry into any statements contained or matters referred to in such written notice. If such termination occurs prior to the final maturity of the Bonds, the Issuer shall give notice of such termination in the same manner as for a Listed Event with respect to such series of Bonds under Section 5(a).

- Section 7. <u>Dissemination Agent</u>. The Dissemination Agent agrees to perform the duties set forth in this Agreement. The Issuer may, from time to time, appoint or engage a Dissemination Agent or successor Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement, and may discharge such Dissemination Agent with or without appointing a successor Dissemination Agent. The Dissemination Agent may resign at any time with thirty (30) days' notice to the Issuer. If at any time there is not any other designated Dissemination Agent, the Issuer shall be the Dissemination Agent. The initial Dissemination Agent appointed hereunder is set forth in Section 2.
- Section 8. <u>Amendment; Waiver</u>. Notwithstanding any other provisions of this Disclosure Agreement, the Issuer and the Dissemination Agent may amend this Disclosure Agreement (and the Dissemination Agent shall not unreasonably withhold its consent to any amendment so requested by the Issuer), and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:
- (a) If the amendment or waiver relates to the provisions of Sections 3(a), 4, or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of an obligated person with respect to the Bonds, or the type of business conducted;
- (b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the delivery of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and
- (c) The amendment or waiver either (i) is approved by the Owners of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Owners or beneficial owners of the Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Issuer shall describe such amendment in the next related Annual Issuer Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Issuer. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 5(a), and (ii) the Annual Issuer Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. No amendment which adversely affects the Dissemination Agent may be made without its prior written consent (which consent will not be unreasonably withheld or delayed).

Section 9. <u>Additional Information</u>. Nothing in this Disclosure Agreement shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Issuer Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Issuer chooses to include any information in any Annual Issuer Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Issuer Report or notice of occurrence of a Listed Event.

Section 10. <u>Default</u>. In the event of a failure of the Issuer to comply with any provision of this Disclosure Agreement, the Dissemination Agent may and the Trustee may(and, at the request of any Participating Underwriter or the Owners of more than fifty percent (50%) aggregate principal amount of Outstanding Bonds, shall, upon being indemnified to its satisfaction as provided in the Indenture), or any Owner or beneficial owner of the Bonds may, take such actions as may be necessary and appropriate to cause the Issuer, as the case may be, to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture with respect to the Bonds, and the sole remedy under this Disclosure Agreement in the event of any failure of the Issuer to comply with this Disclosure Agreement shall be an action for mandamus or specific performance. A default under this Disclosure Agreement by the Issuer shall not be deemed a default under the Master Developer Disclosure Agreement by the Master Developer, and a default under the Master Developer Disclosure Agreement by the Master Developer shall not be deemed a default under this Disclosure Agreement by the Issuer.

Section 11. Duties, Immunities and Liabilities of Dissemination Agent. The Dissemination Agent shall not have any duty with respect to the content of any disclosures made pursuant to the terms hereof. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Dissemination Agent. To the extent permitted by law, the Issuer agrees to hold harmless the Dissemination Agent, its officers, directors, employees, and agents, but only with funds to be provided by the Master Developer against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's gross negligence or willful misconduct; provided, however, that nothing herein shall be construed to require the Issuer to indemnify the Dissemination Agent for losses, expenses, or liabilities arising from information provided to the Dissemination Agent by the Master Developer or the failure of the Master Developer to provide information to the Dissemination Agent as and when required under the Master Developer Disclosure Agreement. The obligations of the Issuer under this Section shall survive resignation or removal of the Dissemination Agent and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Dissemination Agent is an "obligated person" under the Rule. The Dissemination Agent is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder. The fact that the Dissemination Agent may have a banking or other business relationship with the Issuer or any person with whom the Issuer contracts in connection with the transaction described in the Indenture, apart from the relationship created by the Indenture or this Disclosure Agreement, shall not be construed to mean that the Dissemination Agent has actual knowledge of any event described in Section 5 above,

except as may be provided by written notice to the Dissemination Agent pursuant to this Disclosure Agreement.

The Dissemination Agent may, from time to time, consult with legal counsel of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or their respective duties hereunder, and the Dissemination Agent shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel.

The Administrator shall not have any responsibility for the (1) accuracy of any information provided by third parties or the Issuer for the disclosures made pursuant to the terms hereof, or (2) the untimeliness of any information provided by third parties or the Issuer for the disclosures made pursuant to the terms hereof, except where such untimeliness is attributable to the actions or inactions of the Administrator. The Administrator shall have only such duties as are specifically set forth in Sections 3 and 4 of this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Administrator. To the extent permitted by law, the Issuer agrees to hold harmless the Administrator, its officers, directors, employees and agents, but only with funds to be provided by the Master Developer against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability resulting from information provided to the Administrator by the Issuer, but excluding liabilities due to the Administrator's negligence or willful misconduct; provided, however, that nothing herein shall be construed to require the Issuer to indemnify the Administrator for losses, expenses or liabilities arising from information provided to the Administrator by third parties or the Master Developer, or the failure of any third party or the Master Developer to provide information to the Administrator as and when required under this Agreement. The obligations of the Issuer under this Section shall survive resignation or removal of the Administrator and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Administrator is an "obligated person" under the Rule. The Administrator is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder. The Administrator shall not in any event incur any liability with respect to any action taken or omitted to be taken in reliance upon any document delivered to the Administrator and believed to be genuine and to have been signed or presented by the proper party or parties.

The Administrator may, from time to time, consult with legal counsel of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or their respective duties hereunder, and the Administrator shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel.

UNDER NO CIRCUMSTANCES SHALL THE DISSEMINATION AGENT, THE ADMINISTRATOR OR THE ISSUER BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE ISSUER, THE ADMINISTRATOR OR THE DISSEMINATION AGENT, RESPECTIVELY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS DISCLOSURE AGREEMENT, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE. NEITHER THE

### DISSEMINATION AGENT NOR THE ADMINISTRATOR ARE UNDER ANY OBLIGATION NOR ARE THEY REQUIRED TO BRING SUCH AN ACTION.

- Section 12. <u>No Personal Liability</u>. No covenant, stipulation, obligation or agreement of the Issuer, the Administrator or the Dissemination Agent contained in this Disclosure Agreement shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future council members, officer, agent or employee of the Issuer, the Administrator or the Dissemination Agent in other than that person's official capacity.
- Section 13. Severability. In case any section or provision of this Disclosure Agreement, or any covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder or any application thereof, is for any reasons held to be illegal or invalid, such illegality or invalidity shall not affect the remainder thereof or any other section or provision thereof or any other covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder (except to the extent that such remainder or section or provision or other covenant, stipulation, obligation, agreement, act or action, or part thereof is wholly dependent for its operation on the provision determined to be invalid), which shall be construed and enforced as if such illegal or invalid portion were not contained therein, nor shall such illegality or invalidity of any application thereof affect any legal and valid application thereof, and each such section, provision, covenant, stipulation, obligation, agreement, act or action, or part thereof shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.

- Section 16. <u>Governing Law</u>. This Disclosure Agreement shall be governed by the laws of the State of Texas.

As used above, "actual knowledge" means the actual fact or statement of knowing, without a duty to make any investigation with respect thereto. In no event

shall the Dissemination Agent be liable in damages or in tort to the Underwriter, the District, the Master Developer, Significant Homebuilder, or any Owner or beneficial owner of any interests in the Bonds as a result of its failure to give the foregoing notice or to give such notice in a timely fashion.

If the Dissemination Agent has been notified in writing by the Master Developer or (e) Significant Homebuilder to report the occurrence of a Listed Event in accordance with subsections (c) or (d) of this Section 4, the Dissemination Agent shall file a notice of such occurrence with the MSRB within one (1) Business Day after its receipt of such written instructions from the Master Developer or Significant Homebuilder, as applicable; provided that all such notices must be filed no later than the date specified in subsection (c) of this Section 4 for such Listed Event. The Dissemination Agent shall, within three (3) Business Days of obtaining actual knowledge of the occurrence of any Listed Event, notify the District and the Master Developer of such Listed Event. The Dissemination Agent shall not be required to file a notice of the occurrence of such Listed Event with the MSRB unless and until it receives written instructions from the Master Developer to do so. It is agreed and understood that the duty to make or cause to be made the disclosures herein is that of the Master Developer and not that of the Trustee or the Dissemination Agent. It is agreed and understood that the Dissemination Agent has agreed to give the foregoing notice to the Master Developer as an accommodation to assist it in monitoring the occurrence of such event but is under no obligation to investigate whether any such event has occurred. As used above, "actual knowledge" means the actual fact or statement of knowing, without a duty to make any investigation with respect thereto. In no event shall the Dissemination Agent be liable in damages or in tort to the Underwriter, the District, the Master Developer or any Owner or beneficial owner of any interests in the Bonds as a result of its failure to give the foregoing notice or to give such notice in a timely fashion.

#### Section 5. <u>Assumption of Reporting Obligations.</u>

The Master Developer shall cause each Person, who, through assignment, assumes the obligations, requirements or covenants to construct one or more of the Capital Recovery Fee Projects to assume and comply with the disclosure obligations of the Master Developer under this Disclosure Agreement. The Master Developer shall deliver to the Dissemination Agent, Administrator and the District, a written acknowledgement and assumption from each Person who assumes the obligations, requirements or covenants to construct one or more of the Capital Recovery Fee Projects, in substantially the form attached as Exhibit E (the "Master Developer Acknowledgment"), acknowledging and assuming its obligations under this Disclosure Agreement. Pursuant to Section 4(a)(ix) above, the Master Developer shall direct the Dissemination Agent to file a copy of each Master Developer Acknowledgment with the MSRB, in accordance with Sections 4(c) and 4(e) above. Upon any such transfer to a Person, and such Person's delivery of written acknowledgement of assumption of Master Developer's obligations under this Disclosure Agreement as to the property transferred, the Master Developer shall have no further obligation or liability for disclosures or other responsibilities under this Disclosure Agreement as to the property transferred or the obligations assigned. Notwithstanding anything to the contrary elsewhere herein, after such transfer of ownership, the Master Developer shall not be liable for the acts or omissions of such Person arising from or in connection with such disclosure obligations under this Disclosure Agreement. Additionally, for the avoidance of doubt, the Master Developer shall require that any Person comply with obligations of this Section 5 with respect to any subsequent transfers by such Person to any individual or entity meeting the definition of a "Master Developer" in the future.

#### Section 6. Assumption of Reporting Obligations by Significant Homebuilders.

If a Homebuilder acquires ownership of real property in the District resulting in such Homebuilder becoming a Significant Homebuilder, the Master Developer shall cause such Significant Homebuilder to comply with the Master Developer's disclosure obligations under Sections 3(d)(iv) and/or 3(e)(iv), as applicable, and 4(b) hereof, with respect to such acquired real property until such party's disclosure obligations terminate pursuant to Section 7 of this Disclosure Agreement; provided, however, a Significant Homebuilder who is also a Master Developer shall be required to provide the disclosure information required by Sections 3 and 4(a), as applicable, pursuant to Section 5 above. The Master Developer shall deliver to the Dissemination Agent, Administrator and the District, a written acknowledgement from each Significant Homebuilder, in substantially the form attached as Exhibit F (the "Significant Homebuilder Acknowledgment"), acknowledging and assuming its obligations under this Disclosure Agreement. Pursuant to Sections 4(a)(ix) and 4(b)(vi) above, the Master Developer or Significant Homebuilder, as applicable, shall direct the Dissemination Agent to file a copy of the Significant Homebuilder Acknowledgment with the MSRB, in accordance with Sections 4(c) and 4(e) above. Upon any such transfer to a Significant Homebuilder, and such Significant Homebuilder's delivery of written acknowledgement of assumption of Master Developer's obligations under this Disclosure Agreement as to the property transferred, the Master Developer shall have no further obligation or liability for disclosures or other responsibilities under this Disclosure Agreement as to the property transferred or the obligations assigned. Notwithstanding anything to the contrary elsewhere herein, after such transfer of ownership, the Master Developer shall not be liable for the acts or omissions of such Significant Homebuilder arising from or in connection with such disclosure obligations under this Disclosure Agreement.

#### Section 7. <u>Termination of Reporting Obligations</u>.

- (a) The reporting obligations of the Master Developer under this Disclosure Agreement shall terminate upon the earlier of (i) the date when none of the Bonds remain Outstanding or (ii) the date when (A) all of the District Major Improvements are complete and (B) the Master Developer and the Pod Developers no longer own collectively own at least five percent (5%)<sup>2</sup> of the single family residential lots (proposed or actual) within the District, as of the applicable Quarterly Ending Date.
- (b) The reporting obligations of a Significant Homebuilder, if any, under this Disclosure Agreement shall terminate upon the earlier of when (i) none of the Bonds remain Outstanding, or (ii) the Significant Homebuilder no longer owns at least five percent (5%)<sup>2</sup> of the single family residential lots within the District, as of the applicable Quarterly Ending Date.
- (c) Upon receipt of written notice from a Reporting Party or the Dissemination Agent that the reporting obligations of a Reporting Party have terminated in accordance with subsection (a) or (b) of this Section 7, the Administrator shall provide written notice to the applicable Reporting Party, the Underwriter, the District, and the Dissemination Agent in substantially the form attached as <a href="Exhibit C">Exhibit C</a>, thereby, terminating such Reporting Party's reporting obligations under this Disclosure Agreement (the "Termination Notice"). If such Termination Notice with respect to a Reporting Party occurs while any of the Bonds remain Outstanding, the Administrator shall immediately provide, or cause to be provided,

<sup>&</sup>lt;sup>2</sup> At closing of the Bonds, five percent (5%) of the total single family residential lots (proposed or actual) within the District is currently equal to approximately 344 lots.

the Termination Notice to the Dissemination Agent, and the Dissemination Agent shall provide such Termination Notice to the MSRB, the District, the Trustee, the applicable Reporting Party and the Underwriter on or before the next succeeding Quarterly Filing Date.

- (d) The obligations of the Administrator and the Dissemination Agent under this Disclosure Agreement shall terminate upon, the earlier of (i) the date when none of the Bonds remain Outstanding, or (ii) termination of all Reporting Parties' reporting obligations in accordance with subsection (a) or (b) of this Section 7 and any Termination Notice required by subsection (c) of this Section 7 has been provided to the MSRB, the District, the Trustee, the Dissemination Agent, the Reporting Parties, and the Underwriter, as applicable.
- Dissemination Agent. The initial Dissemination Agent appointed hereunder Section 8. shall be MuniCap, Inc. The District may, from time to time, appoint or engage a successor Dissemination Agent to assist the Master Developer, any Person that has executed a Master Developer Acknowledgement pursuant to Section 5 hereof or any Significant Homebuilder that has executed a Significant Homebuilder Acknowledgment pursuant to Section 6 hereof in carrying out their obligations under this Disclosure Agreement, and may discharge such Dissemination Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent may resign at any time with sixty (60) days' notice to the District, the Master Developer and the Administrator; provided, however, that if the Dissemination Agent is serving in the same capacity under the Disclosure Agreement of Issuer, the Dissemination Agent shall resign under the Disclosure Agreement of Issuer simultaneously with its resignation hereunder; provided, further, that if the District is the Dissemination Agent, the District may not resign without first appointing a successor Dissemination Agent. If at any time there is not any other designated Dissemination Agent, the District shall be the Dissemination Agent. Pursuant to the Disclosure Agreement of Issuer, the District has agreed to provide written notice to each of the Master Developer, any Person that has executed a Master Developer Acknowledgement pursuant to Section 5 hereof or any Significant Homebuilder that has executed a Significant Homebuilder Acknowledgment pursuant to Section 6 hereof of any change in the identity of the Dissemination Agent.
- Section 9. <u>Amendment; Waiver</u>. Notwithstanding any other provisions of this Disclosure Agreement, the Master Developer, the Administrator and the Dissemination Agent may jointly amend this Disclosure Agreement (and the Dissemination Agent shall not unreasonably withhold its consent to any amendment so requested by the Master Developer or Administrator), and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:
- (a) If the amendment or waiver relates to the provisions of Section 3 or 4, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the Master Developer or any Significant Homebuilder, or the type of business conducted; and
- (b) The amendment or waiver either (i) is approved by the Owners of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Owners or beneficial owners of the Bonds. No amendment which adversely affects the Dissemination Agent or the District may be made without the respective party's prior written consent (which consent will not be unreasonably withheld or delayed).

- (c) In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Administrator shall describe such amendment in the next related Quarterly Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type of financial information or operating data being presented by the Master Developer. The Master Developer shall provide, or cause to be provided, at its cost and expense, an executed copy of any amendment or waiver entered into under this Section 9 to the District, the Administrator, the Dissemination Agent, and the Underwriter.
- Section 10. <u>Additional Information</u>. Nothing in this Disclosure Agreement shall be deemed to prevent a Reporting Party from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in addition to that which is required by this Disclosure Agreement. If the Master Developer or Significant Homebuilder chooses to include any information in any Quarterly Report or notice of occurrence of a Master Developer Listed Event or Significant Homebuilder Listed Event, as applicable, in addition to that which is specifically required by this Disclosure Agreement, the Master Developer or the Significant Homebuilder, as applicable, shall have no obligation under this Disclosure Agreement to update such information or include it in any future Quarterly Report or notice of occurrence of a Master Developer Listed Event or Significant Homebuilder Listed Event.
- Section 11. <u>Content of Disclosures</u>. In all cases, the Master Developer or Significant Homebuilder, as applicable, shall have the sole responsibility for the content, design and other elements comprising substantive contents of all disclosures, whether provided under Section 3, 4 or 10 of this Disclosure Agreement.
- Section 12. Default. In the event of a failure of the Master Developer, any Significant Homebuilder or the Administrator to comply with any provision of this Disclosure Agreement, the Dissemination Agent or any Owner or beneficial owner of the Bonds may, and the Trustee (at the request of any Underwriter or the Owners of at least twenty-five percent (25%) aggregate principal amount of Outstanding Bonds and upon being indemnified to its satisfaction) shall, take such actions as may be necessary and appropriate to cause the Master Developer, Significant Homebuilder and/or the Administrator to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture with respect to the Bonds, and the sole remedy under this Disclosure Agreement in the event of any failure of the Master Developer, Significant Homebuilder or the Administrator to comply with this Disclosure Agreement shall be an action to mandamus or specific performance. A default under this Disclosure Agreement by the Master Developer, or any Significant Homebuilder, as applicable, shall not be deemed a default under the Disclosure Agreement of Issuer by the District, and a default under the Disclosure Agreement of Issuer by the District shall not be deemed a default under this Disclosure Agreement by the Master Developer, any Significant Homebuilder or the Administrator. Additionally, a default by the Master Developer of its obligations under this Disclosure Agreement shall not be deemed a default by any Significant Homebuilder of such Significant Homebuilder's obligations under this Disclosure Agreement; and, likewise, a default by any Significant Homebuilder of such Significant Homebuilder's obligations under this Disclosure Agreement shall not be deemed a default of the Master Developer of the Master Developer's obligations under this Disclosure Agreement.

#### Section 13. Duties, Immunities and Liabilities of Dissemination Agent and Administrator.

- The Dissemination Agent shall not be responsible in any manner for the content of any notice or report (including without limitation the Quarterly Report) prepared by the Master Developer, Significant Homebuilder and/or the Administrator pursuant to this Disclosure Agreement. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Dissemination Agent. The Master Developer agrees to hold harmless the Dissemination Agent, its officers, directors, employees and agents against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including reasonable attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's breach, negligence or willful misconduct. The obligations of the Master Developer under this Section shall survive resignation or removal of the Dissemination Agent and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Dissemination Agent is an "obligated person" under the Rule. The Dissemination Agent is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder. The Dissemination Agent shall not in any event incur any liability with respect to (i) any action taken or omitted to be taken in good faith upon advice of legal counsel given with respect to any question relating to duties and responsibilities of the Dissemination Agent hereunder, or (ii) any action taken or omitted to be taken in reliance upon any document delivered to the Dissemination Agent and believed to be genuine and to have been signed or presented by the proper party or parties.
- The Administrator shall not have any duty with respect to the content of any disclosures made pursuant to the terms hereof. The Administrator shall have only such duties as are specifically set forth in this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Administrator. The Master Developer agrees to hold harmless the Administrator, its officers, directors, employees and agents against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including reasonable attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Administrator's breach, negligence or willful misconduct. The obligations of the Master Developer under this Section shall survive resignation or removal of the Administrator and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Administrator is an "obligated person" under the Rule. The Administrator is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder. The Administrator shall not in any event incur any liability with respect to (i) any action taken or omitted to be taken in good faith upon advice of legal counsel given with respect to any question relating to duties and responsibilities of the Administrator hereunder, or (ii) any action taken or omitted to be taken in reliance upon any document delivered to the Administrator and believed to be genuine and to have been signed or presented by the proper party or parties.
- (c) The Dissemination Agent or the Administrator may, from time to time, consult with legal counsel of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or their respective duties hereunder, and the Dissemination Agent and Administrator shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel.

UNDER NO CIRCUMSTANCES SHALL THE DISSEMINATION AGENT, THE ADMINISTRATOR OR THE MASTER DEVELOPER, OR ANY SIGNIFICANT HOMEBUILDER BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY ANY OTHER PARTY TO THIS DISCLOSURE AGREEMENT OR A SIGNIFICANT HOMEBUILDER, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS DISCLOSURE AGREEMENT, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE. THE DISSEMINATION AGENT AND THE ADMINISTRATOR ARE UNDER NO OBLIGATION NOR ARE THEY REQUIRED TO BRING SUCH AN ACTION.

- Section 14. <u>No Personal Liability</u>. No covenant, stipulation, obligation or agreement of the Master Developer, any Significant Homebuilder, the Administrator or the Dissemination Agent contained in this Disclosure Agreement shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future officer, agent or employee of the Master Developer, any Significant Homebuilder, the Administrator or Dissemination Agent in other than that person's official capacity.
- Section 15. Severability. In case any section or provision of this Disclosure Agreement, or any covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder or any application thereof, is for any reasons held to be illegal or invalid, such illegality or invalidity shall not affect the remainder thereof or any other section or provision thereof or any other covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder (except to the extent that such remainder or section or provision or other covenant, stipulation, obligation, agreement, act or action, or part thereof is wholly dependent for its operation on the provision determined to be invalid), which shall be construed and enforced as if such illegal or invalid portion were not contained therein, nor shall such illegality or invalidity of any application thereof affect any legal and valid application thereof, and each such section, provision, covenant, stipulation, obligation, agreement, act or action, or part thereof shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.
- Section 16. <u>Beneficiaries</u>. This Disclosure Agreement shall inure solely to the benefit of the Master Developer, the Administrator, the Dissemination Agent, the District, the Underwriter, and the Owners and the beneficial owners from time to time of the Bonds, and shall create no rights in any other person or entity. Nothing in this Disclosure Agreement is intended or shall act to disclaim, waive or otherwise limit the duties of the District under federal and state securities laws.
- Section 17. <u>Governing Law</u>. This Disclosure Agreement shall be governed by the laws of the State of Texas.
- Section 18. <u>Counterparts</u>. This Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

- (b) Within fifteen (15) business days of receipt of any Certification for Payment, the City Representative shall either (i) approve and execute the Certification for Payment and forward the Certification for Payment to the MMD Representative who shall forward it to the Trustee for payment in accordance with Section 5.03 hereof, or (ii) in the event the City Representative disapproves the Certification for Payment, give written notification to the Developer of the City Representative's disapproval, in whole or in part, of such Certification for Payment, specifying the reasons for such disapproval and the additional requirements to be satisfied for approval of such Certification for Payment. (c) If the City Representative denies or partially denies the Certification for Payment, the denial must be in writing, stating the reason(s) for denial. The denial may be appealed to the City Council by the Developer in writing within 30 days of being denied by the City Representative. Denial of the Certification for Payment by the City Council shall be attempted to be resolved by half-day mediation between the parties in the event an agreement is not otherwise reached by the parties, with the mediator's fee being paid by Developer. The Certification for Payment shall not be forwarded to the City Representative or the MMD Representative or the Trustee, as applicable, for payment until the dispute is resolved by the City and the Developer.

Neither the MMD, the MMD Representative, nor the City, City Council, City Manager, or City Representative shall have

any liability for relying on the accuracy of the payee information in any Certification for Payment as presented by the Developer or its assignees.

  - (1) The Developer covenants to provide, or cause to be provided, such facts and estimates as the MMD reasonably considers necessary to enable it to execute and deliver its Tax Certificate. The Developer further covenants that (i) such facts and estimates will be based on its reasonable expectations on the date of issuance of the Bonds and will be, to the best of the knowledge of the officers of the Developer providing such facts and estimates, true, correct and complete as of that date, and (ii) the Developer will make reasonable inquires to ensure such truth, correctness and completeness. The Developer covenants that it will not make, or (to the extent that it exercises control or direction) permit to be made, any use or investment of the Bond Proceeds (including, but not limited to, the use of the Capital Recovery Fee Projects) that would cause any of the covenants or agreements of the MMD contained in the Tax Certificate to be violated or that would otherwise have an adverse effect on the tax-exempt status of the interest payable on the Bonds for federal income tax purposes.

Section 7.02. <u>City Authority; Representations.</u> The City represents and warrants to the Developer and the MMD that (1) the City has the authority to enter into and perform its obligations under this Agreement; (2) the person executing this Agreement on behalf of the City has been duly authorized to do so; (3) this Agreement is binding upon the City in accordance with its terms; and (4) the execution of this Agreement and the performance by the City of its obligations under this Agreement do not constitute a breach or event of default by the City under any other agreement, instrument, or order to which the City is a party or by which the City is bound.

Section 7.03. MMD Representations. The MMD represents and warrants to the Developer and the City that (1) the MMD has the authority to enter into and perform its obligations under this Agreement; (2) the person executing this Agreement on behalf of the MMD has been duly authorized to do so; (3) this Agreement is binding upon the MMD in accordance with its terms; and (4) the execution of this Agreement and the performance by the MMD of its obligations under this Agreement do not constitute a breach or event of default by the MMD under any other agreement, instrument, or order to which the MMD is a party or by which the MMD is bound.

Section 7.04. <u>Indemnification and Hold Harmless</u>. THE DEVELOPER SHALL INDEMNIFY AND HOLD HARMLESS THE INSPECTORS, THE CITY, ITS OFFICIALS, EMPLOYEES, OFFICERS, REPRESENTATIVES AND AGENTS; AND THE MMD, ITS OFFICIALS, OFFICERS, REPRESENTATIVES AND AGENTS (EACH AN "INDEMNIFIED PARTY"), FROM AND AGAINST ALL ACTIONS, DAMAGES, CLAIMS, LOSSES OR EXPENSE OF EVERY TYPE AND DESCRIPTION TO WHICH THEY MAY BE SUBJECTED OR PUT: (I) BY REASON OF, OR RESULTING FROM THE BREACH OF ANY PROVISION OF THIS AGREEMENT BY THE DEVELOPER; (II) THE NEGLIGENT DESIGN, ENGINEERING, AND/OR CONSTRUCTION BY THE DEVELOPER OR ANY ARCHITECT, ENGINEER OR CONTRACTOR HIRED BY THE DEVELOPER OF ANY OF THE CAPITAL RECOVERY FEE PROJECTS ACQUIRED FROM THE DEVELOPER HEREUNDER; (III) THE DEVELOPER'S NONPAYMENT UNDER CONTRACTS BETWEEN THE DEVELOPER AND ITS CONSULTANTS, ENGINEERS, ADVISORS, CONTRACTORS, SUBCONTRACTORS AND SUPPLIERS IN THE PROVISION OF THE CAPITAL RECOVERY FEE PROJECTS; (IV) ANY CLAIMS OF PERSONS EMPLOYED BY THE DEVELOPER OR ITS AGENTS TO CONSTRUCT THE CAPITAL RECOVERY FEE PROJECTS; OR (V) ANY CLAIMS AND SUITS OF THIRD PARTIES, INCLUDING BUT NOT LIMITED TO DEVELOPER'S RESPECTIVE PARTNERS, OFFICERS, DIRECTORS, EMPLOYEES, REPRESENTATIVES, AGENTS, SUCCESSORS, ASSIGNEES, VENDORS, GRANTEES AND/OR TRUSTEES, REGARDING OR RELATED TO THE CAPITAL RECOVERY FEE PROJECTS OR ANY AGREEMENT OR RESPONSIBILITY REGARDING THE CAPITAL RECOVERY FEE PROJECTS, INCLUDING CLAIMS AND CAUSES OF ACTION WHICH MAY ARISE OUT OF THE SOLE OR PARTIAL NEGLIGENCE OF AN INDEMNIFIED PARTY (THE "CLAIMS"). NOTWITHSTANDING THE FOREGOING, NO INDEMNIFICATION IS GIVEN HEREUNDER FOR ANY ACTION, DAMAGE, CLAIM, LOSS OR EXPENSE DETERMINED BY A COURT OF COMPETENT JURISDICTION TO BE DIRECTLY ATTRIBUTABLE TO THE WILLFUL MISCONDUCT OF ANY INDEMNIFIED PARTY, DEVELOPER IS EXPRESSLY REQUIRED TO DEFEND CITY AND MMD AGAINST ALL SUCH CLAIMS, AND CITY AND MMD ARE REQUIRED TO REASONABLY COOPERATE AND ASSIST DEVELOPER IN PROVIDING SUCH DEFENSE.

IN ITS REASONABLE DISCRETION, EACH OF THE CITY AND MMD SHALL HAVE THE RIGHT TO APPROVE OR SELECT DEFENSE COUNSEL TO BE RETAINED BY DEVELOPER IN FULFILLING ITS OBLIGATIONS HEREUNDER TO DEFEND AND INDEMNIFY THE INDEMNIFIED PARTIES, UNLESS SUCH RIGHT IS EXPRESSLY WAIVED BY CITY OR MMD IN WRITING. THE INDEMNIFIED PARTIES RESERVE THE RIGHT TO PROVIDE A PORTION OR ALL OF THEIR/ITS OWN DEFENSE, AT THEIR/ITS SOLE COST; HOWEVER, INDEMNIFIED PARTIES ARE UNDER NO OBLIGATION TO DO SO. ANY SUCH ACTION BY AN INDEMNIFIED PARTY IS NOT TO BE CONSTRUED AS A WAIVER OF DEVELOPER'S OBLIGATION TO DEFEND INDEMNIFIED PARTIES OR AS A WAIVER OF DEVELOPER'S OBLIGATION TO INDEMNIFY INDEMNIFIED PARTIES, PURSUANT TO THIS AGREEMENT. DEVELOPER SHALL RETAIN CITY-APPROVED OR MMD-APPROVED DEFENSE COUNSEL WITHIN SEVEN (7) BUSINESS DAYS OF WRITTEN NOTICE FROM AN INDEMNIFIED PARTY THAT IT IS INVOKING ITS RIGHT TO INDEMNIFICATION UNDER THIS AGREEMENT. IF DEVELOPER FAILS TO RETAIN COUNSEL WITHIN SUCH TIME PERIOD, INDEMNIFIED PARTIES SHALL HAVE THE RIGHT TO RETAIN DEFENSE COUNSEL ON ITS OWN BEHALF, AND DEVELOPER SHALL BE JOINTLY AND SEVERALLY LIABLE FOR ALL REASONABLE COSTS INCURRED BY INDEMNIFIED PARTIES.

THIS SECTION 7.04 SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT.

THE PARTIES AGREE AND STIPULATE THAT THIS INDEMNIFICATION COMPLIES WITH THE CONSPICUOUSNESS REQUIREMENT AND THE EXPRESS NEGLIGENCE TEST, AND IS VALID AND ENFORCEABLE AGAINST THE DEVELOPER.

Section 7.05. <u>Use of Monies by MMD</u>. The MMD agrees not to take any action or direct the Trustee to take any action to expend, disburse or encumber the money held in the Project Fund and any money to be transferred thereto for any purpose other than the purposes permitted by the Indenture. Prior to the acceptance of all the Capital Recovery Fee Projects, the MMD agrees not to modify or supplement the Indenture without the approval of the Developer if as a result or as a consequence of such modification or supplement: (a) the amount of money that would otherwise have been available under the Indenture for disbursement for the Costs of the Capital Recovery Fee Projects is reduced, delayed or deferred, (b) the obligations or liabilities of the Developer are

or may be substantially increased or otherwise adversely affected in any manner, or (c) the rights of the Developer are or may be modified, limited, restricted or otherwise substantially adversely affected in any manner.

### ARTICLE VIII TERMINATION

Section 8.01. <u>Mutual Consent</u>. This Agreement may be terminated by the mutual, written consent of the City, the MMD, and the Developer, in which event the MMD and the City may either execute contracts for or perform any remaining work related to the Capital Recovery Fee Projects not accepted by the MMD or the City or other appropriate entity and use all or any portion of funds on deposit in the Project Fund or other amounts transferred to the Project Fund under the terms of the Indenture to pay for same, and the Developer shall have no claim or right to any further payments for the Cost(s) of a Capital Recovery Fee Project hereunder, except as otherwise may be provided in such written consent.

### Section 8.02. City's Election for Cause.

- (a) The City, upon notice to Developer and the MMD and the passage of the cure period identified in subsection (b) below, may terminate this Agreement, without the consent of the Developer and the MMD if the Developer or the MMD shall breach any material covenant or default in the performance of any material obligation hereunder.
- If any such event described in Section 8.02(a) occurs, the City shall give written (b) notice of its knowledge of such event to the Developer and the MMD, and the Developer agrees to promptly meet and confer with the City Inspector and other appropriate City staff and consultants as to options available to assure timely completion, subject to the terms of this Agreement, of the Capital Recovery Fee Projects. Such options may include, but not be limited to, the termination of this Agreement by the City. If the City elects to terminate this Agreement, the City shall first notify the Developer (and any mortgagee or trust deed beneficiary specified in writing by the Developer to the City to receive such notice) and the MMD of the grounds for such termination and allow the Developer and the MMD a minimum of 45 days to eliminate or to mitigate to the satisfaction of the City the grounds for such termination. Such period may be extended, at the sole discretion of the City, if the Developer and the MMD, to the reasonable satisfaction of the City, is proceeding with diligence to eliminate or mitigate such grounds for termination. If at the end of such period (and any extension thereof), as determined reasonably by the City, the Developer and the MMD have not eliminated or completely mitigated such grounds to the satisfaction of the City, the City may then terminate this Agreement. In the event of the termination of this Agreement, the Developer is entitled to payment for work accepted by the City related to a Capital Recovery Fee Project only as provided for under the terms of an indenture and this Agreement prior to the termination date of this Agreement. Notwithstanding the foregoing, so long as the Developer has breached any material covenant or defaulted in the performance of

any material obligation hereunder, notice of which has been given by the City to the Developer and the MMD, and such event has not been cured or otherwise eliminated by the Developer, the City may in its discretion cause the trustee to cease making payments for the Actual Costs of Capital Recovery Fee Projects, provided that the Developer shall receive payment of the Actual Costs of any Capital Recovery Fee Projects that were accepted by the City at the time of the occurrence of such breach or default by the Developer upon submission of the documents and compliance with the other applicable requirements of this Agreement and this Indenture.

(c) If this Agreement is terminated by the MMD and the City for cause, the MMD and the City may either execute contracts for or perform any remaining work related to the Capital Recovery Fee Projects not accepted by the MMD or the City and the MMD may use all or any portion of the funds on deposit in the Project Fund or other amounts transferred to the Project Fund and the Developer shall have no claim or right to any further payments for the Capital Recovery Fee Projects hereunder, except as otherwise may be provided upon the mutual written consent of the City, the MMD, and the Developer. The MMD and the City shall have no obligation to perform any work related to a Capital Recovery Fee Project or to incur any expense or cost in excess of the remaining balance of the Project Fund.

Section 8.03. <u>Termination Upon Redemption or Defeasance of Bonds</u>. This Agreement will terminate automatically and with no further action by the MMD, the City or the Developer upon the redemption or defeasance of all outstanding Bonds issued under the Indenture.

Section 8.04. <u>Construction of the Capital Recovery Fee Projects Upon Termination of this Agreement</u>. Notwithstanding anything to the contrary contained herein, upon the termination of this Agreement pursuant to this Article VIII, the Developer shall perform its obligations with respect to the Capital Recovery Fee Projects in accordance with this Agreement and the Development Agreement.

Section 8.05. Force Majeure. Each Party shall use good faith, due diligence and reasonable care in the performance of its respective obligations under this Agreement, and time shall be of the essence in such performance; however, in the event a Party is unable, due to Force Majeure, to perform its obligations under this Agreement, then the obligations affected by the Force Majeure shall be temporarily suspended. Within fifteen (15) business days after the occurrence of a Force Majeure, the Party claiming the right to temporarily suspend its performance, shall give notice to all the Parties, including a detailed explanation of the Force Majeure and a description of the action that will be taken to remedy the Force Majeure and resume full performance at the earliest possible time.

# ARTICLE IX MISCELLANEOUS

Section 9.01. <u>Limited Liability of City and MMD</u>. The Developer agrees that any and all obligations of each of the City and the MMD arising out of or related to this Agreement are special obligations of the City and the MMD, and the MMD's obligations to make any payments hereunder are restricted entirely to the monies, in the Project Fund and, subject in all respects to Article III hereof, from no other source. Neither the MMD, the MMD Representative, nor any other MMD officer, official, or agent or City, the City Inspector, the City Representative, nor any other City employee, officer, official, or agent shall incur any liability hereunder to the Developer or any other party in their individual capacities by reason of their actions hereunder or execution hereof.

Section 9.02. <u>Audit</u>. The MMD, the MMD Representative, the City Inspector or a finance officer of the City shall have the right, during normal business hours and upon the giving of three business days' prior written notice to a Developer, to review all books and records of the Developer pertaining to Costs and expenses incurred by the Developer only with respect to any of the Capital Recovery Fee Projects and any bids taken or received for the construction thereof or materials therefor.

Section 9.03. <u>Notices</u>. Any notice, payment or instrument required or permitted by this Agreement to be given or delivered to any party shall be deemed to have been received when personally delivered or transmitted by telecopy or facsimile transmission (which shall be immediately confirmed by telephone and shall be followed by mailing an original of the same within twenty-four (24) hours after such transmission) or seventy-two (72) hours following deposit of the same in any United States Post Office, registered or certified mail, postage prepaid, addressed as follows:

The obligations, requirements, or covenants of this Agreement shall not be assigned by the Developer to a non-affiliate or non-related entity of the Developer without prior written consent of the City Manager and the MMD, except pursuant to a collateral assignment to any person or entity providing financing to the Developer for the Developer for a Capital Recovery Fee Project, provided such person or entity expressly agrees to assume all obligations of the Developer hereunder if there is a default under such financing and such Person elects to complete the Capital Recovery Fee Project. In connection with any consent of the City or the MMD, the City and the MMD may condition their respective consent upon the acceptability of the financial condition of the proposed assignee, upon the assignee's express assumption of all obligations of the Developer hereunder and/or upon any other reasonable factor which the City or the MMD deems relevant in the circumstances. In any event, any such assignment shall be in writing, shall clearly identify the scope of the rights and/or obligations assigned.

- Section 9.06. Other Agreements. The obligations of the Developer hereunder shall be those of a Party hereto and not as an owner of property in the MMD. Nothing herein shall be construed as affecting the MMD's, the City's or the Developer's rights or duties to perform their respective obligations under other agreements, use regulations, ordinances or subdivision requirements relating to the development of the lands in the MMD, including the applicable Construction Contracts and the Development Agreement. To the extent there is a conflict between this Agreement and the Development Agreement, the Development Agreement shall control. - Section 9.07. <u>Waiver</u>. Failure by a Party to insist upon the strict performance of any of the provisions of this Agreement by any other Party, or the failure by a Party to exercise its rights upon the default of any other Party, shall not constitute a waiver of such Party's right to insist and demand strict compliance by such other Party with the terms of this Agreement thereafter.
- Section 9.08. <u>Merger</u>. No other agreement, statement or promise made by any Party or any employee, officer or agent of any Party with respect to any matters covered hereby that is not in writing and signed by all the Parties to this Agreement shall be binding.

Nothing in this Agreement, expressed or implied, is intended to or shall be construed to confer upon or to give to any person or entity other than the Parties hereto any rights, remedies or claims under or by reason of this Agreement or any covenants, conditions or stipulations hereof, and all covenants, conditions, promises and agreements in this Agreement contained by or on behalf of the Parties shall be for the sole and exclusive benefit of the Parties.
- Section 9.10. <u>Amendment</u>. This Agreement may be amended upon Agreement of the Parties, from time to time in a manner consistent with the PID Act and the MMD Act, in writing hereto and executed in counterparts, each of which shall be deemed an original.

- Section 9.14 <u>No Waiver of Powers or Immunity</u>. Each of the City and the MMD does not waive or surrender any of its governmental powers, immunities, or rights except as necessary to allow Developer to enforce its remedies under this Agreement.

Section 9.15. No Boycott Israel. # Project Overview

#### **Overall Site Plan**

**Project Overview** 

The Dynavest tract encompasses 3,235-acres along the future extension of the Dallas North Tollway in Celina, Texas. At build-out, the amenitized master planned community could include up to 6,955 single-family homes, 4,074 apartments, and 1.355 million square feet of commercial space (retail/office). Additional plans for the community includes open space, community amenity centers, and future onsite elementary schools.

#### Commercial Site Plan

**Project Overview** 

The Subject Property comprises a series of commercial parcels on the western portion of the Dynavest tract that will include retail, office, and other potential uses. These commercial parcels are shown in purple on the site plan and total 276 acres. These parcels represent a logical location for commercial development since they are situated along the future expansion of Dallas North Tollway, offering a high traffic and highly visible regional location in the future. The commercial parcels will also be supported by the significant for sale and apartment development planned for the Subject Property.

#### **Site Photos**

**Project Overview** 

The Dynavest tract offers an attractive rolling topography and desirable natural setting. With significant frontage along the future extension of the Dallas North Tollway (frontage roads in place by August 2022), the Dynavest tract will offer excellent access and visibility. The site offers a rolling topography and natural setting that is preserved down the spine of the property (between development sections to the east and west). No negative site conditions were noted during our fieldwork.

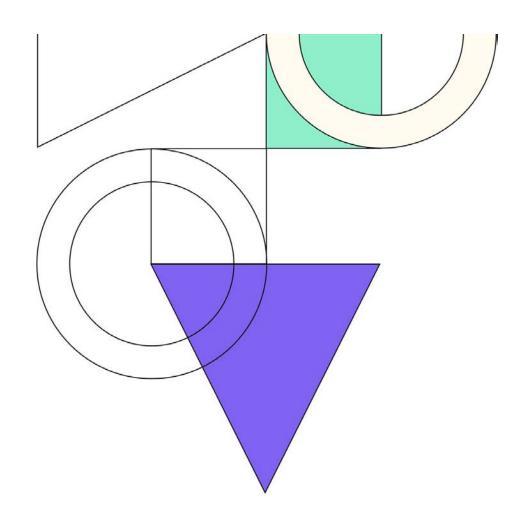

# **Key Findings**

## Summary of Key Conclusions (For Sale Housing) Key Findings

The following bullet points summarize the key findings from our research:

- Our analysis indicates a strong opportunity exists for the development of the Subject Property. This is based on several factors:
  - ✓ Strong demand for new homes in the CMA with nearly 4,000 annual starts (up 31% YOY) and 3,200 annual closings (up 29% YOY).
  - ✓ Established strong demand at large-scale MPCs in the CMA (Sutton Fields and Light Farms).
  - ✓ Unique ability to introduce 40' wide lot product that can mitigate the impact of rising home prices in the CMA and DFW.
  - ✓ Recommended price points that target the core of the new home market in the CMA (\$300,000 to \$500,000 53% of starts).
  - ✓ Ability to fill the expected demand void as communities in the CMA build-out (Sutton Field, Light Farms, etc.).
  - ✓ Vacant developed lot supply levels in the CMA (13.5 months) are significantly constrained (equilibrium is 20 to 24 months).
  - ✓ High-volume builder partners should result in top of market absorption for the Subject Property.
- The Subject Property could face some potential headwinds as well. Challenges that will need to be mitigated include:
  - ✓ Local services near the Subject Property remain limited. While this will evolve over time, residents in the area currently must drive 13 miles to larger format shopping options. Mitigating factor is a Brookshire's grocery store is less than five miles away.
  - ✓ While current supply levels in the CMA are constrained, an additional 44,400 future platted lots exist in the CMA (Celina and Prosper ISDs). While these lots are not under active development, supply conditions will need to be monitored.
  - ✓ Internal competition for sales will be strong at the Subject Property with between four and seven builders concurrently selling homes on each lot size. Adequate product and price segmentation will be needed to minimize internal cannibalization of sales.
- Based on the proposed lot sizes, our concluded base prices for the Subject Property range from \$310,990 to \$485,490 (July 2021 dollars). In addition to base prices, we estimated that buyers will spend 3.0% of base prices on options and upgrades and 1.0% of base prices on lot premiums to arrive at an average sale price of \$398,629 (\$164/SF). This creates an attractive market position when compared to large-scale communities such as Sutton Fields (\$307,999 to \$515,950), Light Farms (\$390,000 to \$717,000), Green Meadows (\$380,900 to \$649,990), and Cambridge Crossing (\$490,990 to \$654,990).
- Based upon the proposed lot sizes and our recommended price points, we estimate that the Subject Property could achieve a peak annual absorption pace of 654 homes sold per year. Our hypothetical build-out of the community occurs over the course of roughly 13 years with a strong mix of product offered throughout much of the lifecycle of the community. At 654 sales per year, the Subject Property would rank as the most active new home community in the Metroplex. As a comparison, the five most active new home communities in the Metroplex started between 507 and 605 homes between 3Q20 and 2Q21. While aggressive, we believe the combination of attractive pricing, high-volume builder partners, established demand in the CMA, and market-wide supply constraints will allow the Subject Property to achieve these absorption levels.

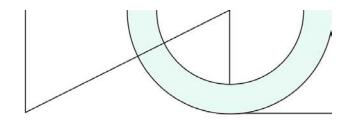

## Summary of Key Conclusions (Apartments)

**Key Findings** 

The following are the key findings from our research.

- ✓ Positive unit absorption resulting in high occupancies and positive rent growth;
- ✓ Minimal current apartment stock in the CMA portion of the Frisco submarket;
- ✓ Demand has typically been strongest for one-bedroom units; and
- ✓ Continued job growth and development commencing along the Dallas North Tollway and in the Celina area.
- Based on market conditions, two phases of development are recommended. The following are the recommended phasing:
  - ✓ Phase I should be delivered in first quarter of 2024 at the earliest and the second phase two years later (any additional phases should be developed afterwards depending on the performance of the first two phases and future pipeline supply).
  - ✓ Building design is recommended as garden-style design with surface parking as well as carports and detached garages.
  - ✓ Phase I: 300 units with sizes ranging from 650 to 1,550 square feet and rent from \$1,412 to \$2,496 per month (\$1.86 per square foot on average).
  - ✓ Phase II: 300 units with sizes ranging from 625 to 1,575 square feet and rent from \$1,395 to \$2,520 per month (\$1.91 per square foot on average). Phase II has smaller units and three-bedroom townhomes.
  - ✓ Estimated average absorption is 30 units per month.
  - ✓ Future phases should come online based on the absorption, stabilization, and performance of the first two phases and market demand.

## Summary of Key Conclusions (Retail) Key Findings

The chart below considers the supportable square footage by retail type and translates that into a realistic buildout for the Celina Dynavest Commercial Core currently and using household growth and income projections through 2036. The recommended retail program equates to a demand for marginal retail demand currently but an additional 145,500 square feet by the end of 2026, an additional +/-259,000 square feet by the end of 2031, and an additional 268,500 square feet by the end of 2036 (total of 673,000 square feet of supportable retail space).

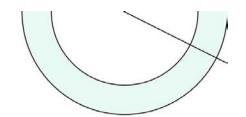

Potential annual lease rates for in-line retail space at Celina Dynavest Commercial Core are estimated to be approximately \$25.00 to \$30.00 per square foot per year on a NNN basis. Anchor tenant lease rates are typically negotiable and dependent on store size, lease duration, and tenant improvement allowances among other variables.

At a building coverage ratio of 30%, a retail development comprising 673,000 square feet would require approximately 51.5 acres of land.

# Summary of Key Conclusions (Office) Key Findings

Our demand model supports absorption of approximately 41,500 square feet of office space at the Subject Project annually over the next 15 years, for a total of 665,000 square feet of leasable office space. Our office demand analysis is based on job growth projections by industry for the Dallas-Ft Worth MSA's office market which are then refined by applying low and high capture rate estimates for the local submarket and ultimately for the Subject Property. The tables below represent realistic demand (average of low and high capture percentages) for office space annually over the next 15 years. We project that demand for office space increases over time, as the area grows and evolves into an increasingly viable location for future office development.

Potential annual lease rates for office space at Celina Dynavest Commercial Core are estimated to be approximately \$26.00 to \$30.00 per square foot per year. For perspective, lease rates for newly completed office space range from \$24.50 per square foot per year in Prosper to \$27.00 per square foot per year in Celina to \$39.00 per square foot per year in Frisco.

At a building coverage ratio of 40%, an office development comprising 665,000 square feet would require approximately 38.2 acres of land.

| arket: | The Plano/ Allen market comprises 5.2% of the total office inventory in the        |
|        | Dallas-Ft Worth MSAs, and current indicators are stronger than the overall         |
|        | capture in terms of office development: annual deliveries over the past five years |
|        | represent 18.5% of the MSA, and absorption equates to 53% of overall               |
|        | absorption. Over the past two years, deliveries have comprised 11.4% of the        |
|        | MSA and absorption has represented 0.5% of the MSA. Currently the amount           |
|        | of space under construction represents 46.5% of the DFW market, and the            |
|        | submarket is projected to represent 20% of deliveries and 33% of absorption        |
|        | over the next five years. Accordingly, we suggest a strong capture of 20.0% to     |
|        | 30.0% of the overall market over the near term, followed by more moderate          |
|        | capture over time.   |
|        |  |

Subject: Capture as a percentage of the Plano/ Allen market is minimal in the near term (0.0% to 2.0%), based on the limited office development activity that has occurred to date in and around Celina as well as feedback from commercial brokers that are active in the local market. Capture can in increase over time, as the local population grows and complimentary uses are introduced (retail, multifamily) in and around the masterplan.

#### **Absorption Summary**

**Key Findings** 

Based upon our analysis, the Subject Property can likely build-out over the course of 15 years. While demand exists today for both the for sale and for rent residential components of the Subject Property, commercial components will need to come online as additional households/rooftops are added both within the Subject Property and in Celina and as infrastructure improvements are completed (i.e. extension of the Dallas North Tollway). Growth or infrastructure delays could negatively impact demand for the commercial components of the Subject Property, pushing out the potential market-entry dates or extending the absorption timelines shown in the table below (particularly as it relates to potential demand for office space). While we project the for rent residential component bringing 300 units to market in 2023 and 2025, this delivery schedule should increase as shown below as the local area continues to evolve and grow.

For Sale Product, Pricing & Absorption

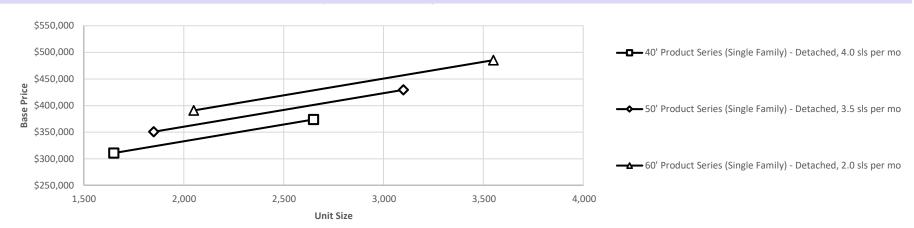

### **Current & Recommended Pricing**

For Sale Product, Pricing, and Absorption

Based on the proposed lot sizes, our concluded base prices for the Subject Property range from \$310,990 to \$485,490 (July 2021 dollars). In addition to base prices, we estimated that buyers will spend 3.0% of base prices on options and upgrades and 1.0% of base prices on lot premiums to arrive at an average sale price of \$398,629 (\$164/SF). This creates an attractive market position when compared to large-scale communities such as Sutton Fields (\$307,999 to \$515,950), Light Farms (\$390,000 to \$717,000), Green Meadows (\$380,900 to \$649,990), and Cambridge Crossing (\$490,990 to \$654,990). Given that each product series will include between four and seven builder programs, actual base prices will likely land slightly above or below our recommendations given product offering differences amongst builder partners. While the Subject Property could support higher home prices, our recommendations took into account the expected builder partners and were designed to optimize the overall sales/absorption potential of the community.

#### **Price Appreciation**

For Sale Product, Pricing, and Absorption

While our recommended prices are in July 2021 dollars, continued strong price appreciation is expected over the near-term in the Metroplex. The table below shows our current recommended prices (July 2021 dollars) being inflated by projected appreciation rates from a variety of sources (Zonda, Zillow, Moody's, etc.):

Note: 2021 appreciation in the table above is for the remaining five months of the year.

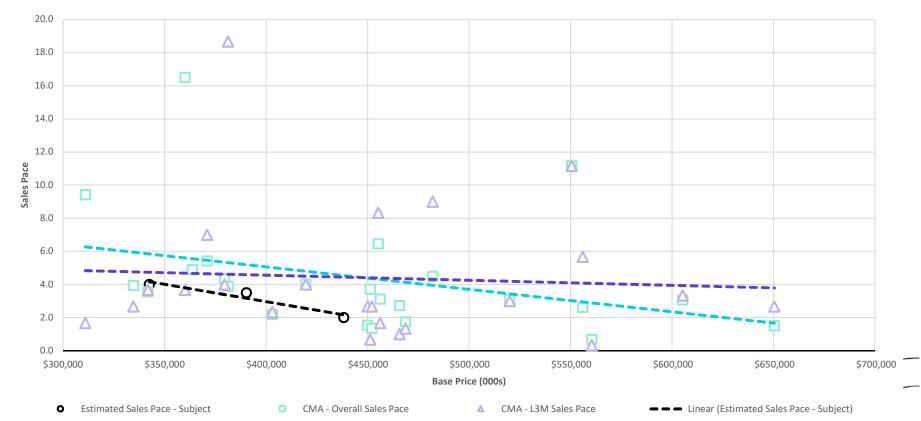

While strong demand and the high cost of building materials will likely continue to influence pricing in 2021, appreciation levels could taper off in 2022 if material pricing stabilizes, affordability levels continue to erode, or if interest rates increase. Early signs of this are emerging with price increases across the Metroplex slowing over the past couple of months (some builders have paused price increases).

### **Elasticity of Demand**

For Sale Product, Pricing, and Absorption

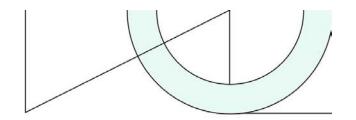

Our market research indicates that the competitive market is elastic with a direct relationship between price and absorption. The chart below reflects two markers for each of the actively selling communities surveyed for this engagement. One marker reflects the sales rate since the builder program opened and one reflects the sales rate for the builder program over the past three months. The trend lines in the competitive market provide support for our projected sales rates for the Subject Property. While our concluded absorption rates are slightly below the overall trendlines, this is reasonable given the impact of select D.R. Horton communities (above 16.0 sales per month) and the fact that the Subject Property will have between four and seven concurrently selling builder programs on each lot size (enhanced internal competition for sales).

### CMA Starts, Closings, & Inventory

For Sale Product, Pricing, and Absorption

In aggregate, start and closing activity at communities surveyed in the CMA increased significantly over the past 12 months. Driven mainly by new communities brought to market, new home starts at surveyed communities in Celina increased 59% over the past year. Sutton Fields (#8) and Light Farms (#29) were among the 30 most active communities in the Dallas-Ft. Worth MSA.

Most active surveyed communities in Celina have less than four years of remaining lot supply. Seven communities that started 1,319 new homes between 3Q20 and 2Q21 have less than fours year of remaining lot supply. Only larger-scale communities such as Green Meadows and Cambridge Crossing (both higher price points communities) will significantly overlap sales activity at the Subject Property. Given price points and builder mix, the Subject Property represents excellent replacement product for Sutton Fields (most active community in the CMA). Given that the CMA has 44,400 future platted lots (including the Subject Property and the communities listed above), supply conditions should be monitored on a go forward basis.

<sup>&</sup>lt;sup>18</sup> Source: Zonda; Individual Communities

| Our hypothetical build-out of the Subject Property has several underlying marketing assumptions. In order to achieve an optimal build-out of the Subject Property, our absorption projections were based upon the following:  |
|---|
| <ul> <li>□ Sales activity ramps up over the first 24 months (80% of peak in M1-12, 90% of peak in M13-24, and 100% of peak in M25+).</li> <li>□ Each product series / lot size will feature between four and seven concurrently selling builder programs.</li> <li>□ Inclusion of appropriately segmented and priced product series that limits internal cannibalization of sales.</li> <li>□ Access to the Subject Property via future Dallas North Tollway frontage roads.</li> <li>□ Inclusion of high-volume builder partners (D.R. Horton, Lennar, etc.).</li> <li>□ Lot development and delivery pace that keeps up with the projected build-out schedule.</li> <li>□ A regional marketing program with staffed models and regular business hours.</li> </ul> |
| Our build-out also assumes an eventual leveling out of start and closing activity in the Dallas-Ft. Worth MSA (volume likely continuing to rise through 2021 and 2022). While our near-term projections do not call for a decline in activity, double-digit increases in annual start and closing activity will likely pull back in the coming years.   |
| While at the top of the market, our absorption projections for the Subject Property appear achievable. Our peak projected annual absorption pace for the Subject Property is 654 home sales in year four of development activity (2026). While higher than current activity levels at other communities in the CMA and the broader market, we believe several factors support this conclusion:  |
| □ Subject Property is effectively replacement product for Sutton Fields (Centurion American community with 434 annual starts). □ Price position that is at the lower-end of the CMA (both the 40′ and 50′ product series focus on prices below \$400,000). □ Many communities surveyed in the competitive market will build-out prior to the Subject Property being brought to market. □ Inclusion of builder partners that typically achieve top of market absorption rates (D.R. Horton and Lennar). □ Both the CMA (13.7 months) and the Metroplex (13.5 months) have VDL levels significantly below equilibrium (20 to 24 months).  |
| At 654 sales per year, the Subject Property would rank as the most active new home community in the Metroplex. As a comparison, the five most active new home communities in the Metroplex started between 507 and 605 homes between 3Q20 and 2Q21.   |

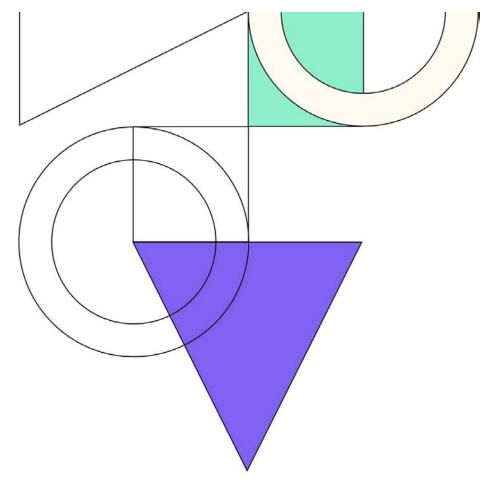

## **Estimated Annual Absorption**

For Sale Product, Pricing, and Absorption

Based upon the proposed lot sizes and our recommended price points, we estimate that the Subject Property could achieve a peak annual absorption pace of 654 homes sold per year. Our hypothetical build-out of the community occurs over the course of roughly 13 years with a strong mix of product offered throughout much of the lifecycle of the community:

#### Location of Surveyed New Home Communities

For Sale Competitive Supply Analysis

We identified nine communities with 27 builder programs in Celina that can be used to understand the pricing and absorption potential of the Subject Property. These communities offer similar lot sizes and varying price points in locations that feature comparable access and school quality. The performance of these communities is likely indicative of the potential of the Subject Property.

#### Base Price Positioning: Large-Scale MPCs

For Sale Competitive Supply Analysis

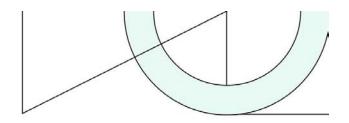

Our product and pricing recommendations position the Subject Property toward the lower-end of large-scale master planned communities in the CMA. Given similar projected builder partners, our recommendations position the Subject Property most similar to Centurion American's Sutton Fields (most active community in the CMA). While the CMA can support significantly higher price points, our recommendations optimize the absorption potential of the Subject Property (significant focus on home prices below \$400,000). This absorption focused pricing strategy should expedite lot and land sales at the Subject Property as well.

#### Base Price Positioning: Smaller-Scale Communities

For Sale Competitive Supply Analysis

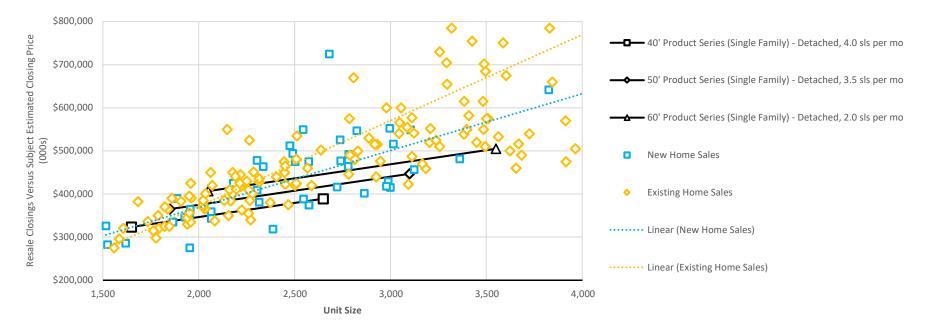

Our product and pricing recommendations position the Subject Property similar to nearby smaller-scale communities in the CMA. In terms of location, the Subject Property is closest to both Chalk Hill (Centurion American community) and Buffalo Ridge (D.R. Horton community). Given location similarities and similar builder partners, our pricing recommendations are in line with these communities. D.R. Hortons's The Columns (16.5 sales per month) illustrates the absorption power of attractively priced 40' wide lot product in the CMA. This bodes well for the market acceptance of 40' wide lot product at the Subject Property.

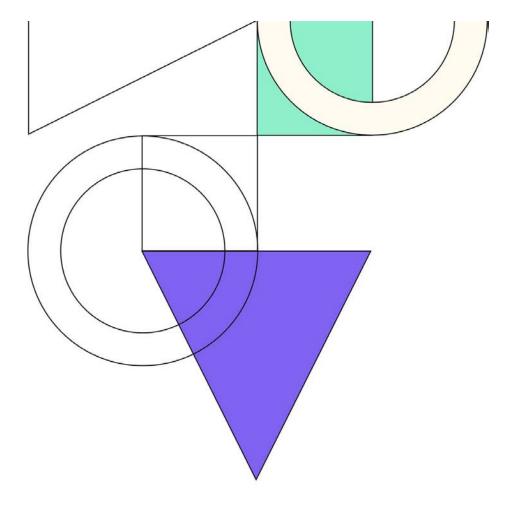

## Sale Price Positioning: 5-Mile Radius MLS Home Sales (Trailing Three Months) For Sale Competitive Supply Analysis

Our recommended prices position the Subject Property similar to slightly below trend lines for local area new and existing homes sold via the MLS. With a price position near the lower-end of new home communities in the CMA, our recommended prices for the Subject Property are similar to slightly below the trendline for new home sold via the MLS. Existing homes sold within a five-mile radius typically offer larger lot sizes (average of 0.75-acres) and are priced at a premium to many of the new homes being sold on smaller lots (average of 6,400 square feet). Based upon local area MLS sales trends, our recommended home sizes and prices are market tested and accepted.

#### Zonda's Recommended Rent Positioning Notes

**Apartment Recommendations & Conclusions** 

Zonda Advisory's recommended rental rates for the Subject are reconciled at a premium to the competitive set of rental projects analyzed. The Subject rental rates are influenced by the following factors:

- 1) Competitive Amenity Package: The Celina Dynavest Apartments will offer an amenity package that will be in line with the most recently constructed comparables (see page 51). The subject's amenity package is targeted mostly toward couples and some single renters. Zonda Advisory estimates the average age of renters will be 35.7 years. Targeted renters must earn a minimum income of \$61,597.
- 2) Age adjustment: The Celina Dynavest Apartments Phase I will be delivered to the market in 2024, which will make the subject an average of eight years newer than the comparable set. According to Marshal & Swift, the age adjustment for an eight year old property is 5% which equates to \$41 per unit or \$0.04 per square foot (see page 50).

| Summary of Adjustments |            |  |  |  |  |  |  |  |  |  |

| All-In Rent            | \$1.86 psf |  |  |  |  |  |  |  |  |  |

<sup>\*</sup>Summary of adjustments is not equal to all-in rent due to rounding.

3) Location Adjustment: The subject is located in Celina west of FM 455, about 3 miles west of Preston Road (Route 289), and possibly less than a mile from the Dallas North Tollway extension. A location adjustment for Celina Dynavest Apartments is calculated based on the weighted average of the four closest comparables. The location adjustment of 0.9% results in a base increase of \$10 per month or \$0.01 per square foot (see page 54). The location premium assumes that the Dallas North Tollway's extension (Phase 4A extends FM 428 north to the Grayson County line) is built by 2024.

#### Stripped Rent

Apartment Market Analysis - Rents

In order to arrive at base rents, Zonda Advisory utilized a stripped rent trend line methodology where y = mx + b or Stripped Rent per Unit = slope x Unit Size + intercept. Using the equation, a Stripped Rent per Unit can be solved for any given unit size.

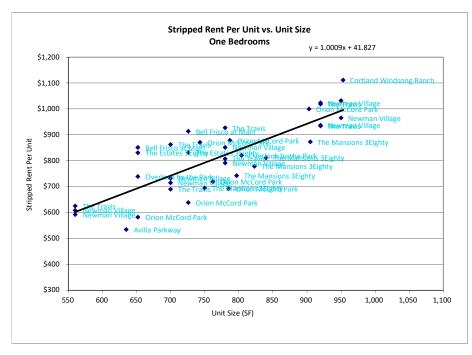

The Stripped Rent Analysis takes asking rents at each comparable development and then "strips" those rents of all upgrades, amenities, premiums and other factors to arrive at a true base rent for a given unit size. These deconstructed rents allow for an accurate "apples to apples" comparison (particularly for markets in which comparable product does not exist), that ultimately results in the ability to maximize revenue through highly granular research. The steps involved in this type of analysis include:

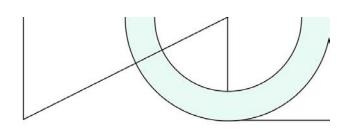

- Adjusting the base market rent for all unit and common amenities, based on national apartment resident surveys. These amenities include, but are not limited to, countertop material, flooring material, appliance packages, cabinetry finish, building design, fitness center components, pool design, pet amenities, and parking. The apartment is stripped of all unit and community amenities until it is a single dot on the stripped rent trend line with only four walls. This process is performed to determine an amenity package value at each community and arrive at a "stripped rent" for each utilized floor plan.
- Adjusting the Stripped Rent for age, so that it will reflect a rent level typical of a newly constructed property.
- Adjusting the Stripped Rent for premiums and discounts, which are established by using the comparable properties weighted average position to the trend line by floor plan type. This methodology implies that when stripped rents are compared, the differences in position relative to the trend line reflect location and other non-quantifiable factors such as property management and unit mix.

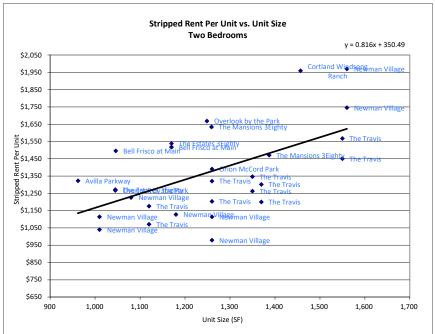

The concluded rents for the subject project reflect Zonda Advisory's assumptions of features/amenities, detailed in this report; the site's location premium or discount; and parking provision. These variables are applied to the subject project to arrive at an indicated mathematical market rent by floor plan.

## Stripped Rent: One Bedroom and Two Bedroom Units

Apartment Market Analysis - Rents

#### **One Bedrooms Trend Line:**

Slope = 1.0009

Intercept = 41.83

Example:  $(1.0009 \times 750 \text{ SF}) + 41.83 \times (1 + 0.0095 \text{ loc adj}) = $800$ 

#### **Two Bedroom Trend Line:**

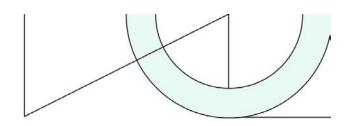

Slope = 0.8160

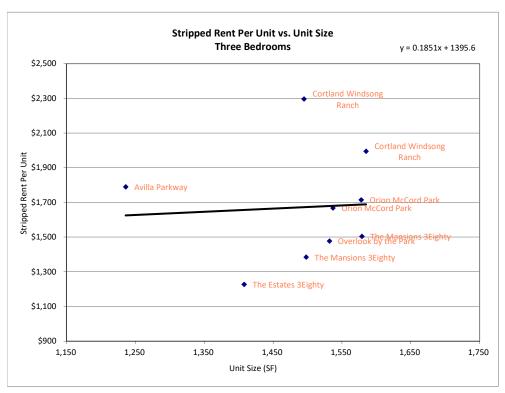

Intercept = 350.49

Example:  $(0.8160 \times 1,150 \text{ SF}) + 350.49 \times (1 + 0.0095 \text{ loc adj}) = $1,301$ 

## Stripped Rent: Three Bedroom Units

Apartment Market Analysis - Rents

#### **Three Bedroom Trend Line:**

Slope = 0.1851

Intercept = 1,395.65

Example: (0.1851 x 1,550 SF) + 1,395.65 x (1 - 0.0095 loc adj) = \$1,699

#### Age Adjustments

**Apartment Market Analysis - Rents** 

Each comparable receives an adjustment so that it will reflect a rent level typical of a newly constructed property. The methodology employed in this analysis is based on a study performed by Marshall & Swift Valuation Service. The premise of this methodology is that depreciation is not linear and that the aging process is minimal at first but accelerates as a property ages and has adjustments along the way as periodic maintenance improvements are made.

While the subject is not yet constructed, using a completion date of 2024 for Phase I is appropriate for this analysis. Rent estimates are presented in July 2021 dollars. After completion, the subject will have an age difference of three years between today and its actual development date. The age adjustments applied in this analysis are based on an economic life of 50 years. When the community is completed, it will be an average of eight years newer than the comparables which equates to an age adjustment of 5% or \$41 per unit (\$0.04 per square foot).

#### **Location Adjustments**

Apartment Market Analysis - Rents

Location premiums and discounts were established using the comparable properties weighted average position to the trendline by floor plan type. This methodology implies that when stripped rents are compared, the differences in position relative to the trend line reflect location and other non-quantifiable factors such as property management, unit mix, floorplan offerings, and product type.

A series of variables was analyzed to properly determine the magnitude, if any, of a location adjustment. Factors such as proximity, average household income, traffic count, amenity package, Walk Score, and difference in rent for each unit type in each project to the trendlines shown earlier in this section were all considered.

The comparables have premiums/discounts to the trend line ranging from -6.8% to 21.2%. All of the comparables have weak Walk Scores, which is typical for more rural or suburban areas. Average household incomes range from \$120,647 to \$191,616. Traffic counts at the comparables vary from 4,597 to 46,854 vehicles per day. Zonda Advisory elected to give the subject a location adjustment based on the weighted average distance to trend of the closest four comparables. The location adjustment of 0.9% results in a base increase of \$10 per month or \$0.01 per square foot. The location premium assumes that the Dallas North Tollway's extension (Phase 4A extends FM 428 north to the Grayson County line) is built by 2024. The weighted average distance to trend of all of the comparables is 4.8%.

#### Subject Property Indicated Effective Rent – Phase I

Apartment Market Analysis - Rents

Zonda Advisory adjusted for age, amenities, size, and location. Using the data presented in the trend line, the estimated "stripped" rent for each Subject unit was derived by the following formula: Predicted Stripped Rent per Unit = Slope x Unit Size + Intercept x (1 + Location Adjustment)

After estimating the "stripped" rent for each of the Subject's floor plans, the values associated with the recommended amenities (illustrated on the following page) were added to the "stripped" rent estimate to arrive at an indicated market rent. All rental rates are stated in July 2021 dollars.

The Unit Type Spread is an indicator of how units are performing against each other within a property and can provide a benchmark for the optimum mix. A general rule of thumb indicates that the one to two bedroom spreads should fall within -\$0.15 to -\$0.25. A greater negative spread indicates that one bedrooms may be outperforming two bedrooms and a lower negative spread is an indication that two bedrooms may be more desirable. The overall average spread equals -\$0.37, which indicates that the one bedrooms are performing well. Three bedroom spreads can vary due to the amount and size of offerings, but typically spreads should fall within -\$0.15 to +\$0.15. The overall spread is -0.16. The two bedrooms are outperforming the three bedroom units in four of the properties; while three bedrooms are doing well in three properties.

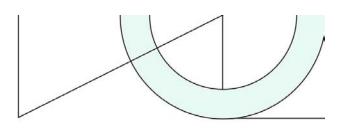

The recommended unit mix for Celina Dynavest Apartments I is weighted heavily towards one bedrooms (58.3%), followed by two bedrooms (35.0%), and three bedrooms (6.7%); while Phase II will consist of 61.7% one bedrooms, 33.3% two bedrooms, and 5.0% three bedrooms.

The table presents the rentable inventory for the CMA from 2011 to 2020 and Zonda Advisory's new supply forecast for 2021 to 2025.

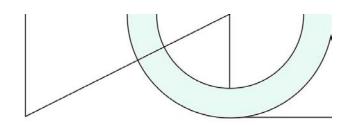

The peak in completions occurred in 2017 with 1,080 units. There were no completions in 2011, 2012, 2013, 2015, and 2019. The past five years have averaged 523 net completions per year (228 per year in the past three).

While there were minimal completions in the period from 2011 to 2015, completions ramped in 2016. Zonda Advisory forecasts an average annual supply of 887 units or 14.4% growth in rentable stock through 2025. The methodology is above the historical average as well as the previous five years.

#### **Forecast Methodology**

Apartment Market Analysis - Supply & Demand

To determine CMA demand growth going forward, the relationship between the change in the occupied stock (demand growth) in the CMA and several other factors were analyzed as follows:

- Annual employment growth rates were provided by the Bureau of Labor Statistics. Average annual occupancy was utilized in the calculations.
- Zonda Advisory determined that two variables had the best correlation with CMA demand growth: change in unemployment rate, and the CMA's share of available units (existing + new) as a percentage of the CMA's inventory.
- A multivariate regression model was used to devise the equation as follows:

#### **CMA Demand Growth =**

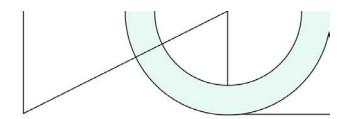

[(Change in Unemployment Rate \* -0.005847) + (Available Unit % to Stock \* -0.043295] + 0.945365

- An estimate of annual CMA demand growth is obtained by multiplying the forecast unemployment rate by the calculated annual growth factors. The model's projected demand growth averages 14.1% per year, which is higher than the historical average of 10.8%. The historic high for demand growth was set in 2016 at 38.7% followed by 2017 at 38.2%.
- Zonda Advisory's projections are in line with the expected employment growth and supply of new deliveries over the next five years.

#### **CMA Forecast**

Apartment Market Analysis - Supply & Demand

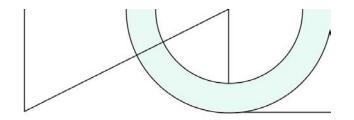

The CMA rent growth is forecast to average 3.2% with occupancy averaging 94.2% between 2021 and 2025. Both job growth and rent growth are predicted to outpace that of the previous five years. After an uptick in 2016, vacancy has decreased in the recent four years; however due to projected pipeline, vacancy is expected to slightly increase from 2022 to 2025. The model depicts the CMA as impacted by job growth combined with new supply.

Overall, the average absorption per month for the sample of stabilized properties is 40 units per month over an 8-month lease-up period. Avilla Parkway, the only property in lease-up, is reporting an absorption pace 41 units per month over 2 months.

During their lease-up, the currently stabilized properties averaged 3.8% in concessions. Avilla Parkway is offering 8.3% in concessions.

Considering all the factors and the competitive environment expected upon first delivery of units in 2024, Zonda Advisory concludes an absorption pace of 30 units per month to be achievable for Celina Dynavest Apartments I, which equates to a 10-month lease-up period.

### Site Location And Demographic Indicators

**Retail Demand Analysis** 

The Primary Market Area (PMA) and Secondary Market Areas (SMA) used for our Retail Demand Analysis are shown on the map below.

The PMA is just over a three-mile radius surrounding the Commercial Core site (red line), while the SMA is a five-mile radius surrounding the Site (blue line). We use these boundaries to compare the existing supply of retailers versus the existing households within these boundaries, and estimate the additional opportunity for retail uses as household levels increase over time.

Population: 3,399 Households: 1,087 HH Income: \$85,567 Per Capita Income: \$37,508 Primary Market Area (2026 Est.)

### Average Daily Vehicle Traffic

**Retail Demand Analysis** 

Current traffic levels are unknown at the Site, though vehicle traffic will increase over time with the expansion of the Dallas North Tollway as well as household growth from the Subject Property itself. Currently the highest recorded traffic levels in Celina are 15,282 ADTs along Preston Road, just south of the town center. Typically, retail centers require ADT's of at least 20,000 and prefer over 30,000 ADT's to locate at a site, indicating that it will require time for households to emerge in the community before retailers would consider locating here. Ultimately, the success of retail development at the Subject Property will depend upon demand from a combination of existing local households, future local residential growth, local workforce population and employment growth, and passerby traffic that does not live within the immediate

area.

### The Retail Landscape Surrounding The Site

**Retail Demand Analysis** 

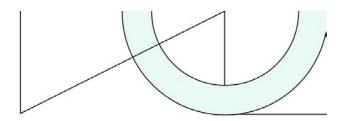

Existing retail centers are concentrated along U.S. 380 and Highway 289 in Prosper. These include several "big box" general merchandise, grocery, home improvements, and clothing stores. Nearly all of these retailers are over seven miles from the Subject Property, with concentrations along US 380 in Prosper, McKinney and Frisco. Currently, retail options in Celina are limited to a grocery store, drug store, and a few fast food restaurants. The lack of retail development near is due to the limited number of households in the area currently, but represents an opportunity to deliver new retail space as households continue to grow at the Subject Property and as the surrounding area evolves.

#### Retail Demand In Primary Market Area

**Retail Demand Analysis** 

The chart below illustrates the Subject Property's capture rate of total retail demand in the PMA from our retail demand analysis. We estimate that the Subject Property can capture a relatively large portion of demand (+/-90%) within PMA since it represents a high visibility commercial location along a major road. It offers a "captive audience" of households within the Subject Property as well as future household growth in the local area. At a 90% capture rate, this equates to 39,737 square feet of unmet demand currently but increasing to 250,459 square feet demanded by 2026, 548,619 square feet demanded by 2031 and 811,489 square feet demanded by 2036. While demand is evident in select subcategories, it is important to note that some of these retail use types have minimal supportable square footage (less than 1,000 SF) and/or do not typically locate in new retail developments (Used Merchandise). Thus, they are not recommended for the Subject Property.

### Retail Demand In Secondary Market Area

**Retail Demand Analysis** 

The chart below illustrates the Subject Property's capture rate of total retail demand in the SMA from our retail demand analysis. We estimate that the Subject Property can capture a smaller portion of demand (+/-50%) within SMA since it represents a viable commercial location. However, the SMA is a larger area (78 square miles) and there are other viable retail development sites within the SMA. At a 50% capture rate, this equates to approximately 78,987 square feet demanded currently, 237,999 square feet demanded by 2026, 444,906 square feet demanded by 2031, and 632,962 square feet demanded by 2036, though various categories are suggested to be introduced at different times and not all retail categories are recommended for the site.

#### Average Demand Of PMA And SMA

**Retail Demand Analysis** 

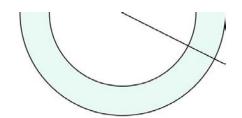

The average of these market areas also indicates growing demand in nearly every retail category. The average of the PMA and SMA equates to 59,362 square feet demanded currently, 244,229 square feet demanded by 2026, 496,763 square feet demanded by 2031 and 722,225 square feet by 2036. It is important to note that various categories are suggested to be introduced at different times and not all retail categories are recommended for the site. Further, we must consider the impact that online shopping is having on the amount spent in all retail categories—see the following page for an estimate of "brick and mortar" retail demand after subtracting out e-commerce retail spending.

### Average Demand Of PMA And SMA – Less Online Shopping Estimate Retail Demand Analysis

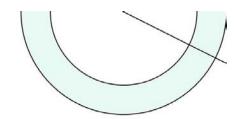

The table below estimates total demand for additional retail uses at the Subject Property minus estimated online shopping. According to an analysis of US Department of Commerce data by Digital Commerce 360, consumers spent \$861.12 billion online with U.S. merchants in 2020, up an incredible 44.0% year over year. This equates to 21.3% of spending in 2020, up from 15.8% in 2019 and 14.3% in 2018. While much of this spending was a function of stay-at-home practices due to COVID-19, it is likely that increased online spending is here to stay—thus we subtracted out 22% of demand from the previous page on this table below. After considering online spending, the average of the PMA and SMA equates to 49,425 square feet demanded by 2026, 417,164 square feet demanded by 2031 and 606,719 square feet demanded by 2036.

## Office Demand Growth From 2020 To 2021

Office Demand Analysis

By the end of 2021, our employment-based demand model yields approximately 28 million square feet of office space demanded in the Dallas-Ft Worth MSA, though we do not suggest any supportable office space demanded at the Subject Property. The total office space demanded by the end of 2021 is relatively high since it is rebounding off of negative space demanded in 2020 due to the COVID-19 pandemic.

Moody's projects stronger growth levels between 2021 and 2025 (average of 63,200 new households per year). This amount of household growth could propel the new home market in the Metroplex to record high activity levels.

# **Demographic Characteristics**

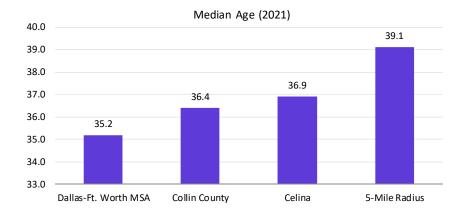

**Economic & Demographic Analysis** 

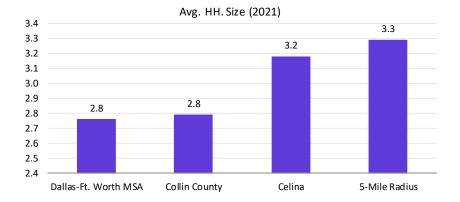

Projected growth levels within Celina and the surrounding area are significantly higher than the overall market. Given strong development activity, expected household growth in Celina and the surrounding area is more than double the expected growth level across Collin County. The average household size in Celina and the surrounding area indicates a strong presence of families. Based upon product and pricing, young, growing, and maturing families will be a key buyer demographic at the Subject Property.

# **Demographic Characteristics**

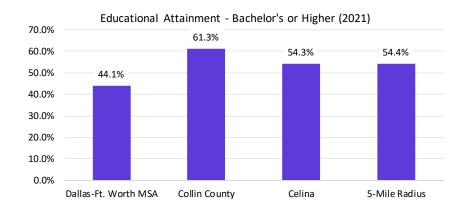

Economic & Demographic Analysis

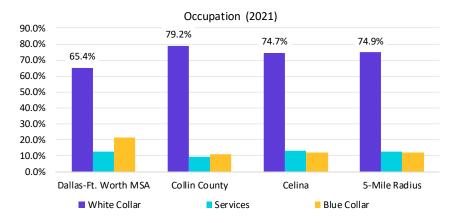

Celina and the surrounding area are more affluent than both broader Collin County and the Metroplex. With many new residents in the CMA relocating from closer-in, higher priced areas in the Metroplex (i.e. Frisco, Plano, etc.) or from out of state, the CMA generally has higher household income and net worth levels than either Collin County or the broader market. This bodes well for the demand potential of the Subject Property (price points will generally target households earning over \$100,000 per year).

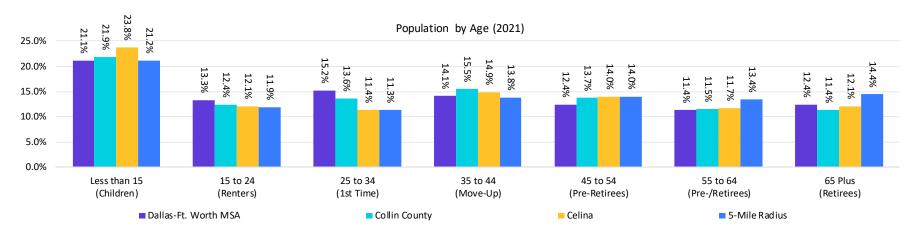

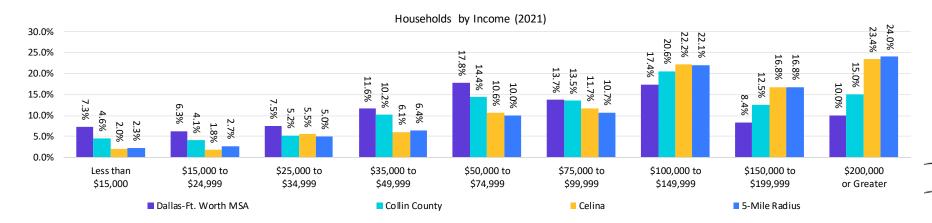

Source: ESRI

# Age & Income Distributions

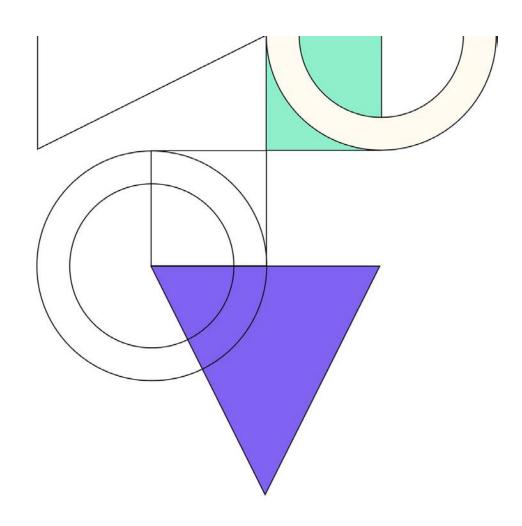

**Economic & Demographic Analysis** 

Most households in Celina and the surrounding area earn over \$100,000 per year. Over 62% of households in the surrounding area earn over \$100,00 per year versus 36% in the broader Dallas-Ft. Worth MSA. Based upon age distributions, Celina and the surrounding area has a strong mix of younger singles/couples, families, and empty-nester / retirees. Our recommendations allow the Subject Property to target potential buyers across various age and income segments.

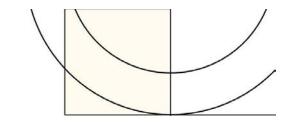

# Housing Market Analysis

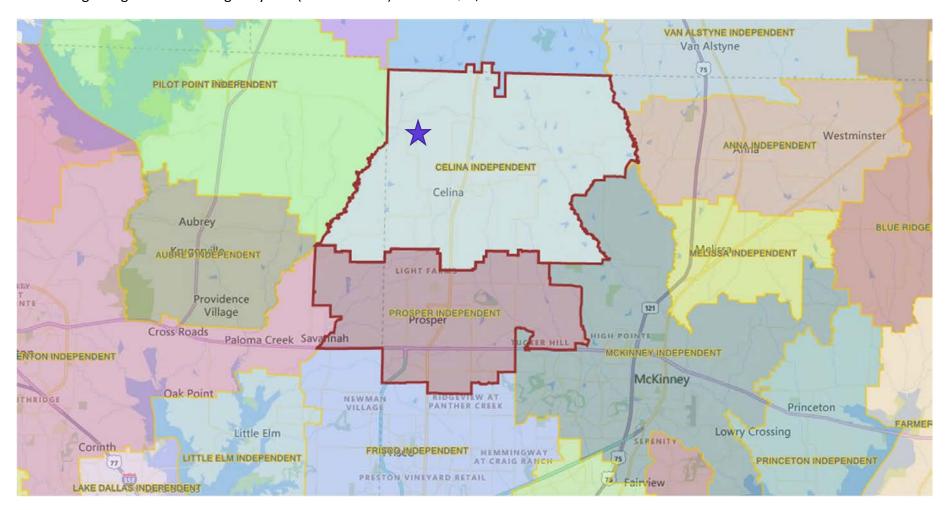

# Definition of the Competitive Market Area (CMA)

While a broad area, much of the new home activity in the CMA is occurring along and west of Highway 289 (Preston Road). Since 2Q19, annual new home starts in the CMA increased 31%.

# **New Housing Summary**

**Housing Market Analysis** 

There are nearly 4,500 vacant developed lots in the CMA. VDL levels within the CMA equate to 13.7 months of supply (below the equilibrium point of 20 to 24 months). An additional 2,484 lots currently under development in the CMA are expected to be delivered in coming quarters. While there are an additional 41,934 future/potential lots in the CMA, these are approved plats showing no development activity that are not expected to enter the market over the next 24 months. Nearly 64% of future platted lots are found in 12 communities in the CMA that feature between 1,069 and 7,000 lots (including the Subject Property). Given current start levels, VDL, and lots under development, it appears that lot supply levels will remain constrained over the next several quarters.

#### DEFINITIONS

Annual Starts: The number of homes started during the last four quarters. A "start" occurs when a slab or foundation is initiated.

Annual Closings: The # of homes closed during the last four quarters. A "closing" occurs when a home is moved into and occupied. Metrostudy tracks move-ins, as they are a better indicator of demand than deed deliveries.

Models: Must be fully finished, furnished and decorated.

Finished Vacant: Construction is complete, the site is clean, but there is no evidence of occupancy.

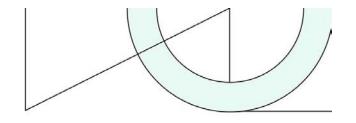

Vacant Developed Lots: Also referred to as "VDL" and "Finished Lots"; a lot on a recorded plat with streets and utilities in place, ready for construction of a new home.

Future Lots: Lots that are platted, but not yet developed.

### **Annual Lot Deliveries**

**Housing Market Analysis** 

New home starts have generally outpaced lot deliveries in the CMA since 2018. Both new home starts (up 31%) and lot deliveries (up 30%) increased significantly since 2Q20. With starts outpacing lot deliveries by nearly 1,700 lots over the past three years, the CMA has become significantly more supply constrained.

### **Vacant Developed Lots**

**Housing Market Analysis** 

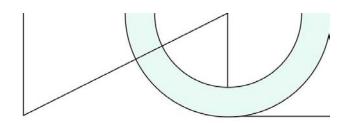

VDL months of supply has trended significantly lower over the past year. With starts increasing 31% and VDL declining 6% between 2Q20 and 2Q21, VDL months of supply fell from 19.0 months (slightly undersupplied) to 13.7 months (significantly undersupplied). With less than 2,500 lots currently under active development (7.5 month supply), the CMA will likely remain supply constrained.

## New Home Starts & Closings by Base Price Range Housing Market Analysis

In the CMA, nearly 53% of new home starts between 3Q20 and 2Q21 were priced between \$300,000 and \$500,000. With less than 7% of new home starts priced below \$300,000, the new home market in the CMA heavily targets move-up homebuyers. Our recommended base prices for the Subject Property (\$311,000 to \$485,000) target the core of new home market activity in the CMA. VDL levels are undersupplied (less than 20 months) for price points below \$750,000.

### New Home Starts & Closings by Lot Width Range

**Housing Market Analysis** 

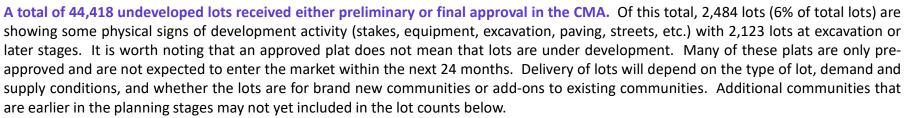

In the CMA, nearly 60% of new home starts in 2020 were on 50' and 60' wide. With an additional 23% of starts on 70' wide or larger lots and only 10% of starts on under 50' wide lots, activity in the CMA skews to larger lot sizes when compared to trends across the Dallas-Ft. Worth MSA. With rising home and lot prices and the CMA continuing to evolve into a more suburban location, a pivot to higher concentrations of smaller lot sizes at future communities such as the Subject Property will likely occur. Given these factors, the proposed lot mix for the Subject Property (40', 50', and 60' wide lots) is appropriate. VDL levels are undersupplied (less than 20 months) for virtually all lot size segments in the CMA.

### Dallas MSA Retail Deliveries

**Retail Market Trends** 

Retail deliveries in the Dallas MSA have been below the long-term average for over a decade. The market averaged 4.65 million square feet of retail deliveries annually since 2010 with higher deliveries in 2015 and 2017 (over six million square feet in each year). Given the growth in e-commerce over this period, coupled with select national chains contracting their number of storefronts, it is likely that we will see new retail deliveries continue below the long-term average for the foreseeable future.

### Dallas MSA Retail Inventory

**Retail Market Trends** 

Retail inventory in the Dallas market has gradually increased over the past decade, though annual gains have been minimal. Over the past ten years, the market retail inventory levels increased an average of 0.8% per year with the sharpest gains in 2015 (1.4% growth) followed by minimal gains in 2019 and 2020 (0.6% and 0.4% growth).

### Dallas MSA Lease Rates And Inventory

**Retail Market Trends** 

Average lease rates and vacancy rates appear to have peaked in 2019. The average retail lease rate in the market increased from \$1.36 per square foot per month in 2010 to \$1.58 per square foot per month currently. Vacancy rates declined from a peak of 14.8% in 2010 to 11.5% in 2017 to 13.0% in 2020, and it is projected that lease rates will soften and vacancy rates will increase given the impact of e-commerce and the effects of COVID-19 on the retail market in 2021 and beyond.

### Dallas MSA Deliveries Versus Absorption

**Retail Market Trends** 

Net absorption has been declining for three consecutive years and is projected to remain in negative territory through 2021. While total demand outpaced supply in the market from 2015 through 2018, there is projected to be nearly one million square feet of negative net absorption in the Dallas MSA in 2020 and 2021, largely due to the shift in online retailing that was accelerated due to COVID. REIS/ Moody's expects absorption to recover in 2024 and 2025, with three times more positive net absorption than new deliveries during those years.

### Dallas Retail Submarkets Overview

**Retail Market Trends** 

The Allen/ Frisco/ McKinney retail submarket accounts for 8.8% of the total retail square footage in the Dallas MSA and has a lower vacancy rate (11.3%) and higher lease rates (\$1.91/ SF) than the Dallas MSA. Net absorption has been negative over the past year, while there has been 27,000 square feet of new space delivered and another 24,800 square feet is under construction. Despite negative net absorption, the submarket is relatively healthy in terms of its occupancy and lease rates.

## Allen/ Frisco/ McKinney Lease Rates & Vacancy Rates Retail Market Trends

Like the Dallas MSA, average lease rates and vacancy rates appear to have peaked in the Allen/Frisco/McKinney market as of the end of 2018. The average retail lease rate in the market increased from \$1.80 per square foot per month in 2011 to \$1.91 per square foot per month currently. Vacancy rates remained steady over the past decade, from 10.4% in 2011 to 9.9% in 2020, though it is projected that lease rates will soften and vacancy rates will increase given the effects of COVID-19 on the retail market in 2021 and beyond.

## Allen/Frisco/McKinney Retail Absorption Vs Completed Space Retail Market Trends

Absorption and new deliveries in the Allen/Frisco/McKinney submarket have been minimal over the past eight years, and conditions are expected to soften in 2021. REIS/Moody's expects negative net absorption in 2021-2023, followed by a recovery in the coming years (2024-2025) where positive absorption will outpace new deliveries by a more than two-to-one.

### Dallas MSA Historical Office Deliveries

Office Market Trends

New office deliveries in the Dallas MSA averaged approximately 7.1 million square feet annually over the past four decades. Office deliveries follow cycles of development and Dallas had select years where deliveries were remarkably high (mid-1980's, late 1990's). Dallas has been below this long-term average for most of the past decade, a fallout of the Great Recession. Recent years deliveries (2017-2020) have been close to the long-term average.

## Dallas MSA Office Inventory And Projections Office Market Trends

The Dallas MSA experienced steady office inventory growth over the past seven years. Annual increases in office inventory levels ranged from a slight decrease of -0.7% in 2010 to a 3.1% - 3.2% increase in 2016 and 2017. Projections call for 0.6% to 1.9% annual growth going forward (though COVID-19 impacts could soften these projections).

## Dallas MSA Average Office Lease Rates & Vacancy Rates Office Market Trends

Despite COVID impacts in 2020, the Dallas office market experienced rising lease rates though vacancy rates increased. In 2020, the vacancy rate reached a high of 24.3% while lease rates reached a record high of \$2.19 per square foot per month. This year is expected to see a 2.7% decrease in lease rates and a 2.8% increase in vacancy rates, as the pandemic aftermath and work-from-home practices will cause some tenants to reconsider the amount of office space needed and/or renegotiate their lease rates. It is important to note that lease rates and vacancy rates vary greatly by submarket and can vary from building to building within each submarket.

## Dallas MSA Office Absorption Versus Completed Space Office Market Trends

Annual net absorption has generally kept pace with new deliveries since 2014, though net absorption turned negative in 2020 and conditions are expected to soften in the coming years. The office market started an increased development trend that peaked in 2016, with 4.5 million square feet of new deliveries and 5.0 million square feet of positive net absorption. Prior to 2020, the past five years had a combined 16.9 million square feet of new deliveries and 15.6 million square feet of positive net absorption, indicating a healthy and stable office market (prior to COVID). There is some concern that office development is going to far exceed demand in 2021, with 3.3 million square feet projected to be delivered, and only 155,000 square feet absorbed, though the market is expected to recover in 2022 and beyond with absorption outpacing new deliveries.

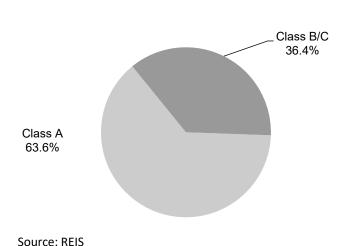

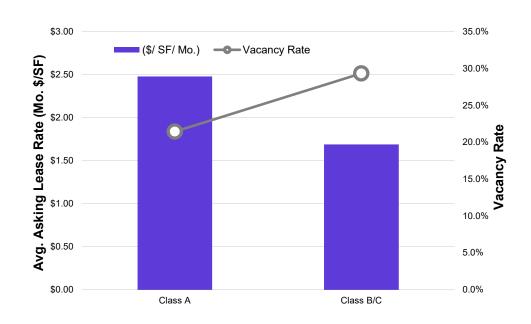

## Dallas MSA Office Market Space Type Distribution Office Market Trends

Buildings that are designated as Class A account for the majority (63%) of total office space in the market. Class A space achieves the highest lease rates and has a lower vacancy rate than other building classes. Dallas is a relatively active Class A office development market with 1.6 million square feet under construction and over 1.6 million square feet delivered over the past 12 months. It is somewhat encouraging to note that there were only 93,000 square feet of negative net absorption during the past year in Class A space. Note: REIS does not track many smaller Class B/C buildings, thus the market share of these buildings may be understated.

Moody's/REIS projects soft conditions to continue through 2021, with absorption rebounding to exceed new completion in 2022 and beyond.
