

THE BONDS ARE INITIALLY OFFERED ONLY TO PERSONS WHO MEET THE DEFINITION OF “QUALIFIED INSTITUTIONAL BUYER” (WITHIN THE MEANING OF RULE 144A UNDER THE SECURITIES ACT OF 1933) OR “ACCREDITED INVESTOR” (AS DEFINED IN RULE 501 OF REGULATION D PROMULGATED UNDER THE SECURITIES ACT OF 1933). SEE “LIMITATIONS APPLICABLE TO INITIAL PURCHASERS.”

In the opinion of Bond Counsel, under existing law, interest on the Bonds (i) is excludable from gross income for federal income tax purposes under section 103 of the Internal Revenue Code of 1986, as amended, and (ii) is not an item of tax preference for purposes of the alternative minimum tax on individuals. See “TAX MATTERS” herein, including information regarding potential alternative minimum tax consequences for corporations.

The Bonds will be issued in fully registered form, without coupons. Beneficial ownership of the Bonds may be acquired in principal denominations of \$25,000 and in integral multiples of \$1,000 in excess thereof. The Bonds will bear interest at the rates set forth on the inside cover, calculated on the basis of a 360-day year of twelve 30-day months, payable on each March 15 and September 15, commencing September 15, 2023, until maturity or earlier redemption. No physical delivery of the Bonds will be made to the beneficial owners thereof. For so long as the book-entry only system is maintained, the principal of and interest on the Bonds will be paid from the sources described herein by Wilmington Trust, N.A., as trustee (the “Trustee”), to DTC as the registered owner thereof. See “BOOK-ENTRY ONLY SYSTEM.”

The Bonds are being issued by the City pursuant to the Public Improvement District Assessment Act, Subchapter A of Chapter 372, Texas Local Government Code, as amended (the “PID Act”), an ordinance expected to be adopted by the City Council of the City (the “City Council”) on September 19, 2022, an Indenture of Trust dated as of September 15, 2022 (the “Indenture”), entered into by and between the City and the Trustee. Capitalized terms not otherwise defined herein shall have the meanings assigned to them in the Indenture.

Proceeds of the Bonds will be used for the purpose of: (1) paying or reimbursing a portion of the costs of the Improvement Area #1 Projects (defined herein), (2) funding the Bond Reserve Account of the Reserve Fund, (3) funding a portion of the Delinquency and Prepayment Reserve Account of the Reserve Fund, (4) paying a portion of the costs incidental to the organization of the District, and (5) paying the costs of issuance of the Bonds. The Bonds are not payable from funds raised or to be raised from taxation. See “SECURITY FOR THE BONDS.” The Bonds are subject to redemption at the times, in the amounts, and at the redemption prices more fully described herein under the subcaption “DESCRIPTION OF THE BONDS – Redemption Provisions.”

The Bonds involve a significant degree of risk and are not suitable for all investors. Prospective purchasers should carefully evaluate the risks and merits of an investment in the Bonds, should consult with their legal and financial advisors before considering a purchase of the Bonds, and should be willing to bear the risks of loss of their investment in the Bonds. The Bonds are not credit enhanced or rated and no application has been made for a rating on the Bonds. See “BONDHOLDERS’ RISKS” and “SUITABILITY FOR INVESTMENT.”

THE BONDS ARE SPECIAL, LIMITED OBLIGATIONS OF THE CITY PAYABLE SOLELY FROM THE PLEDGED REVENUES AND OTHER FUNDS AND ACCOUNTS COMPRISING THE TRUST ESTATE, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. THE BONDS DO NOT GIVE RISE TO A CHARGE AGAINST THE GENERAL CREDIT OR TAXING POWER OF THE CITY AND ARE PAYABLE SOLELY FROM THE SOURCES IDENTIFIED IN THE INDENTURE. THE OWNERS OF THE BONDS SHALL NEVER HAVE THE RIGHT TO DEMAND PAYMENT THEREOF OUT OF MONEY RAISED OR TO BE RAISED BY TAXATION, OR OUT OF ANY FUNDS OF THE CITY OTHER THAN THE TRUST ESTATE, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. NO OWNER OF THE BONDS SHALL HAVE THE RIGHT TO DEMAND ANY EXERCISE OF THE CITY’S TAXING POWER TO PAY THE PRINCIPAL OF THE BONDS OR THE INTEREST OR REDEMPTION PREMIUM, IF ANY, THEREON. THE CITY SHALL HAVE NO LEGAL OR MORAL OBLIGATION TO PAY THE BONDS OUT OF ANY FUNDS OF THE CITY OTHER THAN THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE. SEE “SECURITY FOR THE BONDS.”

This cover page contains certain information for quick reference only. It is not a complete summary of the Bonds. Investors must read this entire Limited Offering Memorandum to obtain information essential to the making of an informed investment decision.

The Bonds are offered for delivery when, as, and if issued by the City and accepted by FMSbonds, Inc. (the “Underwriter”), subject to, among other things, the approval of the Bonds by the Attorney General of Texas and the receipt of the opinion of Bracewell LLP, Bond Counsel, as to the validity of the Bonds and the excludability of interest thereon from gross income for federal income tax purposes. See “APPENDIX D – Form of Opinion of Bond Counsel.” Certain legal matters will be passed upon for the Underwriter by its counsel, Orrick, Herrington & Sutcliffe LLP, for the City by its counsel, Olson & Olson LLP, and for the Developer by Coats Rose, P.C., counsel to the Developer. (a municipal corporation of the State of Texas located in Harris and Montgomery Counties)

SPECIAL ASSESSMENT REVENUE BONDS, SERIES 2022

(WOOD LEAF RESERVE PUBLIC IMPROVEMENT DISTRICT IMPROVEMENT AREA #1)

INTRODUCTION

The purpose of this Limited Offering Memorandum, including the cover page, inside cover, and appendices hereto, is to provide certain information in connection with the issuance and sale by the City of Tomball, Texas (the “City”), of its \$4,435,000* aggregate principal amount of Special Assessment Revenue Bonds, Series 2022 (Wood Leaf Reserve Public Improvement District Improvement Area #1) (the “Bonds”).

The Bonds are being issued by the City pursuant to the Public Improvement District Assessment Act, Subchapter A of Chapter 372, Texas Local Government Code, as amended (the “PID Act”), an ordinance expected to be adopted by the City Council of the City (the “City Council”) on September 19, 2022 (the “Bond Ordinance”), and an Indenture of Trust dated as of September 15, 2022 (the “Indenture”), entered into by and between the City and Wilmington Trust, N.A., as trustee (the “Trustee”). Payment of the Bonds is secured by a pledge of and a lien upon the Trust Estate (defined in the Indenture), consisting primarily of revenue from special assessments (“Assessments”) levied pursuant to a separate ordinance expected to be adopted by the City Council on September 19, 2022 (the “Assessment Ordinance”) against assessable property (the “Improvement Area #1 Assessed Property”) located within Improvement Area #1 (defined below) of the Wood Leaf Reserve Public Improvement District (the “District”), all to the extent and upon the conditions described herein and in the Indenture. See “SECURITY FOR THE BONDS” and “ASSESSMENT PROCEDURES.”

Reference is made to the Indenture for a full statement of the authority for, and the terms and provisions of, the Bonds. All capitalized terms used in this Limited Offering Memorandum that are not otherwise defined herein shall have the meanings set forth in the Indenture substantially in the form attached hereto. See “APPENDIX B – Form of Indenture.”

Set forth herein are brief descriptions of the City, the District, the Assessment Ordinance, the Bond Ordinance, the Service and Assessment Plan (defined herein), the Development Agreement (defined herein), Chesmar Homes, LLC, a Texas limited liability company (together with its successors and assigns, the “Developer”), P3Works, LLC (the “Administrator”), and the Appraisal (defined herein), together with summaries of terms of the Bonds and the Indenture and certain provisions of the PID Act. All references herein to such documents and the PID Act are qualified in their entirety by reference to such documents or such PID Act and all references to the Bonds are qualified by reference to the definitive forms thereof and the information with respect thereto contained in the Indenture. Copies of these documents may be obtained during the period of the offering of the Bonds from the Underwriter, FMSbonds, Inc., 5 Cowboys Way, Suite 300-25, Frisco, Texas 75034, telephone number 214-418-1588. The substantially final form of the Indenture appears in APPENDIX B and the form of the Service and Assessment Plan appears in APPENDIX C. The information provided under this caption “INTRODUCTION” is intended to provide a brief overview of the information provided in the other captions herein and is not intended, and should not be considered, fully representative or complete as to the subjects discussed hereunder.

* Preliminary, subject to change.

PLAN OF FINANCE

Development Plan

In September of 2020, Chesmar Homes, LLC, a Texas limited liability company (the “Developer”), acquired approximately 90.54 acres comprising the District. See “THE DEVELOPER – History and Financing of the District.” When completed, the District is expected to include 299 single-family lots.

The Developer plans to develop the District in at least two, but not more than three, phases. The overall development plans for the District are referred to herein as the Development. The first phase, which was completed in May 2022, consists of clearing and grubbing and construction of water distribution, wastewater collection, stormwater detention and drainage, natural gas distribution and street improvements on approximately 33.441 acres of real property (123 lots) shown as Improvement Area #1 on page v (“Improvement Area #1”), as well as the Improvement Area #1 allocable share of the wastewater collection and stormwater drainage improvements that serve the District but are outside the boundaries of Improvement Area #1 (the “Major Improvements”). The improvements that specifically benefit Improvement Area #1 and the Improvement Area #1 allocable share of the Major Improvements are, together, the “Improvement Area #1 Projects.”

Subsequent development is expected to include one or two additional phases, depending on the pace of sales in Improvement Area #1 (see “– Status of Builder Contracts” and “THE DEVELOPMENT – Future Improvement Areas and Future Improvement Area Bonds”), and will include public improvements authorized by the PID Act, similar to the Improvement Area #1 Projects, and necessary to serve future phases shown as Future Improvement Areas on page v (the “Future Improvement Areas”), including those improvements described in the Service and Assessment Plan (collectively, the “Authorized Improvements”). See “THE DEVELOPMENT – Overview.” The Developer began design of the second phase of development of the District in February 2022 and expects to complete development of the lots in such phase by March 2023.

The boundaries of the District, Improvement Area #1, and the Future Improvement Area are shown in “MAP SHOWING BOUNDARIES OF THE DISTRICT” and “MAP SHOWING BOUNDARIES OF IMPROVEMENT AREA #1 AND THE FUTURE IMPROVEMENT AREAS OF THE DISTRICT” on pages iv and v, respectively.

The total costs of the Improvement Area #1 Projects equal approximately \$5,585,051. Proceeds of the Bonds in the approximate amount of \$3,634,820* will be used to reimburse costs of the Improvement Area #1 Projects. The remaining cost of the Improvement Area #1 Projects was approximately \$1,950,231* and was funded by a draw by the Developer on its unsecured line of credit with Wells Fargo Bank. Such remaining costs will not be reimbursed by the City. See “THE DEVELOPER – History and Financing of the District.”

The City expects to issue one or more series of bonds (each such series of bonds are “Future Improvement Area Bonds”) to finance the Actual Costs of Authorized Improvements to be developed to serve each Future Improvement Area. The estimated costs of such improvements benefiting Future Improvement Areas of the District will be determined as Future Improvement Areas of the District are developed, and the Service and Assessment Plan will be updated to identify the Authorized Improvements to be constructed within Future Improvement Areas of the District to be financed by each series of Future Improvement Area Bonds. Such Future Improvement Area Bonds will be secured by separate assessments levied pursuant to the PID Act on assessable property within the applicable Future Improvement Areas of the District that benefit from the Authorized Improvements. See “THE DEVELOPMENT – Future Improvement Areas and Future Improvement Area Bonds.”

Status of Builder Contracts

The Developer expects to build homes on 62 of the 123 Lots in Improvement Area #1. On March 1, 2022, the Developer signed a contract to sell the remaining 61 Lots in Improvement Area #1 to Shea Homes Houston, LLC, a Texas limited liability company (the “Homebuilder”). The Homebuilder is expected to purchase nine (9) 40’ lots and seven (7) 50’ lots, including two (2) 50’ model lots (the “Initial Closing”), following the issuance by the Texas Railroad Commission of the certification referenced in “THE DEVELOPMENT – Environmental.” Following the

* Preliminary, subject to change.

Initial Closing, the Homebuilder is expected to purchase eight (8) 40' lots and seven (7) 50' lots every three (3) months from the date of the Initial Closing until all 61 Lots have been purchased. The Developer received an earnest money deposit of \$340,000 from the Homebuilder. See "THE DEVELOPMENT" for more information concerning the status of Lot sales and the status of development in the District.

The Bonds

Proceeds of the Bonds will be used for the purposes of: (1) paying or reimbursing a portion of the costs of the Improvement Area #1 Projects, (2) funding the Bond Reserve Account of the Reserve Fund, (3) funding a portion of the Delinquency and Prepayment Reserve Account of the Reserve Fund, (4) paying a portion of the costs incidental to the organization of the District, and (5) paying the costs of issuance of the Bonds. See "SOURCES AND USES OF FUNDS," "THE IMPROVEMENT AREA #1 PROJECTS," and "APPENDIX B – Form of Indenture."

Payment of the Bonds is secured by a pledge of and a lien upon the Trust Estate, consisting primarily of revenue from the Assessments to be levied against the Assessed Properties, all to the extent and upon the conditions described herein and in the Indenture. See "SECURITY FOR THE BONDS" and "ASSESSMENT PROCEDURES." **The Bonds shall never constitute an indebtedness or general obligation of the City, the State, or any other political subdivision of the State within the meaning of any constitutional provision or statutory limitation whatsoever, but the Bonds are limited and special obligations of the City payable solely from the Trust Estate as provided in the Indenture. Neither the faith and credit nor the taxing power of the City, the State, or any other political subdivision of the State is pledged to the payment of the Bonds.**

LIMITATIONS APPLICABLE TO INITIAL PURCHASERS

Each initial purchaser is advised that the Bonds being offered pursuant to this Limited Offering Memorandum are being offered and sold only to "qualified institutional buyers" as defined in Rule 144A promulgated under the Securities Act of 1933, and "accredited investors" as defined in Rule 501 of Regulation D promulgated under the Securities Act of 1933. Each initial purchaser of the Bonds (each, an "Investor") will be deemed to have acknowledged, represented, and warranted to the City as follows:

1. The Investor has authority and is duly authorized to purchase the Bonds and to execute any instruments and documents required to be executed by the Investor in connection with the purchase of the Bonds.

2. The Investor is an "accredited investor" under Rule 501 of Regulation D of the Securities Act of 1933 or a "qualified institutional buyer" under Rule 144A of the Securities Act of 1933, and, therefore, has sufficient knowledge and experience in financial and business matters, including purchase and ownership of municipal and other tax-exempt obligations, to be able to evaluate the risks and merits of the investment represented by the Bonds.

3. The Bonds are being acquired by the Investor for investment and not with a view to, or for resale in connection with, any distribution of the Bonds, and the Investor intends to hold the Bonds solely for its own account for investment purposes for an indefinite period of time and does not intend at this time to dispose of all or any part of the Bonds. However, the Investor may sell the Bonds at any time the Investor deems appropriate. The Investor understands that it may need to bear the risks of this investment for an indefinite time, since any sale prior to maturity may not be possible.

4. The Investor understands that the Bonds are not registered under the Securities Act of 1933 and that such registration is not legally required as of the date hereof; and further understands that the Bonds (a) are not being registered or otherwise qualified for sale under the "Blue Sky" laws and regulations of any state, (b) will not be listed in any stock or other securities exchange, and (c) will not carry a rating from any rating service.

5. The Investor acknowledges that it has either been supplied with or been given access to information, including financial statements and other financial information, and the Investor has had the opportunity to ask questions and receive answers from knowledgeable individuals concerning the City, the Improvement Area #1 Projects, the Bonds, the security therefor, and such other information as the Investor has deemed necessary or desirable in connection with its decision to purchase the Bonds (collectively, the "Investor Information"). The Investor has received a copy of this Limited Offering Memorandum relating to the Bonds. The Investor acknowledges that it has

assumed responsibility for its review of the Investor Information, and it has not relied upon any advice, counsel, representation or information from the City in connection with the Investor's purchase of the Bonds. The Investor agrees that none of the City, its councilmembers, officers, or employees shall have any liability to the Investor whatsoever for or in connection with the Investor's decision to purchase the Bonds except for gross negligence, fraud or willful misconduct. For the avoidance of doubt, it is acknowledged that the Underwriter is not deemed an officer or employee of the City.

6. The Investor acknowledges that the obligations of the City under the Indenture are special, limited obligations payable solely from amounts paid by the City to the Trustee pursuant to the terms of the Indenture and the City shall not be directly or indirectly or contingently or morally obligated to use any other moneys or assets of the City for amounts due under the Indenture. The Investor understands that the Bonds are not secured by any pledge of any moneys received or to be received from taxation by the City, the State or any political subdivision or taxing district thereof; that the Bonds will never represent or constitute a general obligation or a pledge of the full faith and credit of the City, the State or any political subdivision thereof; that no right will exist to have taxes levied by the State or any political subdivision thereof for the payment of principal and interest on the Bonds; and that the liability of the City and the State with respect to the Bonds is subject to further limitations as set forth in the Bonds and the Indenture.

7. The Investor has made its own inquiry and analysis with respect to the Bonds and the security therefor. The Investor is aware that the development of the District involves certain economic and regulatory variables and risks that could adversely affect the security for the Bonds.

8. The Investor acknowledges that the sale of the Bonds to the Investor is made in reliance upon the certifications, representations and warranties described in items 1-7 above.

DESCRIPTION OF THE BONDS

General Description

Capitalized terms not otherwise defined in this caption have the meanings assigned to them in the Indenture. The Bonds will mature on the dates and in the amounts set forth in the inside cover page of this Limited Offering Memorandum. Interest on the Bonds will accrue from the Closing Date and will be computed on the basis of a 360-day year of twelve 30-day months. Interest on the Bonds will be payable on each March 15 and September 15, commencing September 15, 2023 (each, an "Interest Payment Date"), until maturity or prior redemption. Wilmington Trust, N.A., is the initial Trustee and Paying Agent/Registrar for the Bonds.

The Bonds will be issued in fully registered form, without coupons. Beneficial ownership of the Bonds may be acquired in principal denominations of \$25,000 and in integral multiples of \$1,000 in excess thereof ("Authorized Denominations"). Upon initial issuance, the ownership of the Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"), and purchases of beneficial interests in the Bonds will be made in book-entry only form. See "BOOK-ENTRY ONLY SYSTEM" and "SUITABILITY FOR INVESTMENT."

Redemption Provisions

Optional Redemption. The City reserves the option to redeem Bonds maturing on or after September 15, 20____, in whole or any part, before their respective scheduled maturity dates, on September 15, 20____, or on any date thereafter such redemption date or dates to be fixed by the City, at a redemption price equal to the principal amount of the Bonds called for redemption plus accrued and unpaid interest to the date fixed for redemption (the "Redemption Price").

The City, at least 45 days before the redemption date (unless a shorter period shall be satisfactory to the Paying Agent/Registrar), shall notify the Paying Agent/Registrar of such redemption date and of the principal amount of Bonds to be redeemed.

Extraordinary Optional Redemption. Notwithstanding any provision in the Indenture to the contrary, the City reserves the right and option to redeem Bonds before their respective scheduled maturity dates, in whole or in part, on any Business Day, at the Redemption Price from amounts on deposit in the Redemption Fund as a result of

Prepayments or any other transfers to the Redemption Fund required or permitted pursuant to the terms of the Indenture, including from transfers of Foreclosure Proceeds. The City direction for such redemption shall include details with regard to a corresponding reduction in the Bond Reserve Account Requirement, as contemplated by the definition thereof.

Notwithstanding the foregoing, the Trustee will not be required to make an extraordinary optional redemption pursuant to the Indenture unless it has at least \$5,000 available in the Redemption Fund with which to redeem the Bonds.

Mandatory Sinking Fund Redemption. The Bonds (referred to as “Term Bonds” below) are subject to mandatory sinking fund redemption prior to their respective maturities and will be redeemed by the City in part at a Redemption Price from moneys available for such purpose in the Principal and Interest Account of the Bond Fund, on the dates and in the Sinking Fund Installment amounts as set forth in the following schedule:

\$ Term Bonds maturing September 15, 20

<u>Redemption Date</u>	<u>Sinking Fund Installment Amount</u>
September 15, 20__	
September 15, 20__	
September 15, 20__†	

\$ Term Bonds maturing September 15, 20

<u>Redemption Date</u>	<u>Sinking Fund Installment Amount</u>

September 15, 20__	
September 15, 20__	
September 15, 20__	
September 15, 20__†	

† Stated maturity.

At least forty-five (45) days prior to each scheduled mandatory redemption date and subject to any prior reduction authorized by the Indenture, the Paying Agent/Registrar shall select for redemption by lot, or by any other customary method that results in a random selection, a principal amount of Term Bonds equal to the aggregate principal amount of such Term Bonds to be redeemed, shall call such Term Bonds for redemption on such scheduled mandatory redemption date, and shall give notice of such redemption, as required by the Indenture.

The principal amount of the Term Bonds required to be redeemed on any redemption date shall be reduced, at the option of the City, by the principal amount of any Term Bonds which, at least 45 days prior to the mandatory sinking fund redemption date (i) shall have been acquired by the City at a price not exceeding the principal amount of such Term Bonds plus accrued and unpaid interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, or (ii) shall have been redeemed pursuant to the optional or extraordinary redemption provisions and not previously credited to a mandatory sinking fund redemption.

Notice of Redemption to Owners. The Trustee shall give notice of any redemption of Bonds by sending notice by first class United States mail, postage prepaid, not less than thirty (30) days before the date fixed for redemption, to the Owner of each Bond or portion thereof to be redeemed, at the address shown in the Register. The notice shall state the redemption date, the Redemption Price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed, any conditions to such redemption, and that on the redemption date, if all conditions, if any, to such redemption have been satisfied, such Bond shall become due and payable. Any notice given as provided in this paragraph shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

The City reserves the right, in the case of an optional or extraordinary optional redemption, to give notice of its election or direction to redeem Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date, or (ii) that the City retains the right to rescind such notice at any time on or prior to the scheduled redemption date if the City delivers a certificate of the City to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional redemption and for which such redemption has been rescinded shall remain Outstanding and the rescission of such redemption shall not constitute an event of default. Further, in the case of a conditional redemption, the failure of the City to make moneys and/or authorized securities available in part or in whole on or before the redemption date shall not constitute an event of default.

Additional Provisions with Respect to Redemption. If less than all of the Bonds are to be redeemed, the Bonds shall be redeemed in minimum principal amounts of \$1,000 or any integral thereof. Each Bond shall be treated as representing the number of Bonds that is obtained by dividing the principal amount of such Bond by \$1,000. No redemption shall result in a Bond in a denomination of less than the Authorized Denomination in effect at the time; provided, however, if the amount of Outstanding Bonds is less than an Authorized Denomination after giving effect to such partial redemption, a Bond in the principal amount equal to the unredeemed portion, but not less than \$1,000, may be issued.

If less than all of the Bonds are to be redeemed pursuant to optional or extraordinary optional redemption, such redemption shall be effected by redeeming Bonds in such manner as may be specified by the City; provided, however, that in the absence of such instruction from the City by the date required for the sending of notice of redemption pursuant to the Indenture, the Bonds shall be redeemed by any method selected by the Trustee that results in a pro rata reduction of the Outstanding maturities, treating each date on which a Sinking Fund Installment is due as a separate maturity for such purpose.

Upon surrender of any Bond for redemption in part, the Trustee shall authenticate and deliver an exchange the Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, such exchange being without charge.

BOOK-ENTRY ONLY SYSTEM

This section describes how ownership of the Bonds is to be transferred and how the principal of, premium, if any, and interest on the Bonds are to be paid to and credited by The Depository Trust Company ("DTC"), New York, New York, while the Bonds are registered in its nominee name. The information in this section concerning DTC and the Book-Entry-Only System has been provided by DTC for use in disclosure documents such as this Limited Offering Memorandum. The information in this section concerning DTC and DTC's book-entry-only system has been obtained from sources that the City believes to be reliable, but none of the City, the City's Financial Advisor or the Underwriter takes any responsibility for the accuracy or completeness thereof.

The City cannot and does not give any assurance that (1) DTC will distribute payments of debt service on the Bonds, or redemption or other notices, to DTC participants, (2) DTC participants or others will distribute debt service payments paid to DTC or its nominee (as the registered owner of the Bonds), or redemption or other notices, to the Beneficial Owners, or that they will do so on a timely basis, or (3) DTC will serve and act in the manner described in this Limited Offering Memorandum. The current rules applicable to DTC are on file with the Securities and Exchange Commission, and the current procedures of DTC to be followed in dealing with DTC participants are on file with DTC.

DTC will act as securities depository for the Bonds. The Bonds will be issued as fully registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered security certificate will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its registered subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of "AA+." The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices for the Bonds shall be sent to DTC. If less than all Bonds of the same maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant of such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, interest, and all other payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or Paying Agent/Registrar, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, the Paying Agent/Registrar, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, interest and other payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, the Paying Agent/Registrar or the City, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the City, the Trustee, or the Paying Agent/Registrar. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered.

The City may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the City believes to be reliable, but none of the City, the City's Financial Advisor, bond counsel or the Underwriter take any responsibility for the accuracy thereof.

NONE OF THE CITY, THE TRUSTEE, THE PAYING AGENT/REGISTRAR, THE CITY'S FINANCIAL ADVISOR, OR THE UNDERWRITER WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO THE DTC PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEE WITH RESPECT TO THE PAYMENTS TO OR THE PROVIDING OF NOTICE FOR THE DTC DIRECT PARTICIPANTS, THE INDIRECT PARTICIPANTS, OR THE BENEFICIAL OWNERS OF THE BONDS. THE CITY CANNOT AND DOES NOT GIVE ANY ASSURANCES THAT DTC, THE PARTICIPANTS, OR OTHERS WILL DISTRIBUTE PAYMENTS OF PRINCIPAL OF OR INTEREST ON THE BONDS PAID TO DTC OR ITS NOMINEE, AS THE REGISTERED OWNER, OR PROVIDE ANY NOTICES TO THE BENEFICIAL OWNERS OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC WILL ACT IN THE MANNER DESCRIBED IN THIS LIMITED OFFERING MEMORANDUM. THE CURRENT RULES APPLICABLE TO DTC ARE ON FILE WITH THE SECURITIES AND EXCHANGE COMMISSION, AND THE CURRENT PROCEDURES OF DTC TO BE FOLLOWED IN DEALING WITH DTC PARTICIPANTS ARE ON FILE WITH DTC.

Use of Certain Terms in Other Sections of this Limited Offering Memorandum. In reading this Limited Offering Memorandum it should be understood that while the Bonds are in the Book-Entry-Only System, references in other sections of this Limited Offering Memorandum to registered owners should be read to include the person for which the participant acquires an interest in the Bonds, but (i) all rights of ownership must be exercised through DTC and the Book-Entry-Only System and (ii) except as described above, notices that are to be given to registered owners under the Indenture will be given only to DTC.

SECURITY FOR THE BONDS

General

THE BONDS ARE SPECIAL, LIMITED OBLIGATIONS OF THE CITY PAYABLE SOLELY FROM THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. THE BONDS DO NOT GIVE RISE TO A CHARGE AGAINST THE GENERAL CREDIT OR TAXING POWER OF THE CITY AND ARE PAYABLE SOLELY FROM THE SOURCES IDENTIFIED IN THE INDENTURE. THE OWNERS OF THE BONDS SHALL NEVER HAVE THE RIGHT TO DEMAND PAYMENT THEREOF OUT OF MONEY RAISED OR TO BE RAISED BY TAXATION, OR OUT OF ANY FUNDS OF THE CITY OTHER THAN THE TRUST ESTATE, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. NO OWNER OF THE BONDS SHALL HAVE THE RIGHT TO DEMAND

ANY EXERCISE OF THE CITY'S TAXING POWER TO PAY THE PRINCIPAL OF THE BONDS OR THE INTEREST OR REDEMPTION PREMIUM, IF ANY, THEREON. THE CITY SHALL HAVE NO LEGAL OR MORAL OBLIGATION TO PAY THE BONDS OUT OF ANY FUNDS OF THE CITY OTHER THAN THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE. SEE "APPENDIX B – FORM OF INDENTURE."

The principal of, premium, if any, and interest on the Bonds are secured by a pledge of and a lien upon the Pledged Revenues (defined below) and other assets of the Trust Estate, consisting primarily of revenues from the Assessments levied against the assessable parcels or lots within Improvement Area #1 of the District, all to the extent and upon the conditions described herein and in the Indenture. Improvement Area #1 contains approximately 33.4418 acres within the District. Other than Non-Benefited Property (as defined in the Service and Assessment Plan), all of the property within Improvement Area #1 will be assessed. In accordance with the PID Act, the City has caused the preparation of a Service and Assessment Plan (as updated, amended and supplemented, the "Service and Assessment Plan"), which describes the special benefit received by the property within the District, including Improvement Area #1, provides the basis and justification for the determination of special benefit on such property, establishes the methodology for the levy of the assessments (including Assessments), and provides for the allocation of Pledged Revenues for payment of principal of, premium, if any, and interest on the Bonds.

The Service and Assessment Plan is reviewed and updated annually for the purpose of determining the annual budget for improvements and the Annual Installments (defined below) of Assessments due in a given year. The determination by the City of the special assessment methodology set forth in the Service and Assessment Plan is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on all current and future landowners within the District. See "APPENDIX C – Form of Service and Assessment Plan."

Pledged Revenues

The City is authorized by the PID Act, the Assessment Ordinance, and other provisions of law to finance the Improvement Area #1 Projects by levying Assessments upon properties in Improvement Area #1 of the District benefitted thereby. For a description of the assessment methodology and the amounts of Assessments anticipated to be levied in each development phase of the District, see "ASSESSMENT PROCEDURES" and "APPENDIX C – Form of Service and Assessment Plan." The City will covenant in the Indenture that it will take and pursue all actions permissible under the PID Act, and all other laws or statutes, rules, or regulations, and any amendments thereto, of the State of Texas or of the United States (collectively, "Applicable Laws") to cause the Assessments to be collected and the liens thereof to be enforced continuously. See "– Pledged Revenue Fund," "APPENDIX B – Form of Indenture," and "APPENDIX C – Form of Service and Assessment Plan."

Pursuant to the Indenture, the following terms are assigned the following meanings:

"Annual Collection Costs" mean the actual or budgeted annual costs and expenses for: (1) the Administrator and City staff; (2) legal counsel, engineers, accountants, financial advisors, and other consultants engaged by the City; (3) calculating, collecting, and maintaining records with respect to Assessments and Annual Installments, including the costs of foreclosure; (4) preparing and maintaining records with respect to Assessment Rolls and Annual Service Plan Updates; (5) issuing, paying, and redeeming bonds; (6) investing or depositing Assessments and Annual Installments; (7) complying with the Service and Assessment Plan and the PID Act with respect to the issuance and sale of bonds, including continuing disclosure requirements; (8) the paying agent/registrar and Trustee in connection with the issuance of bonds, including their respective legal counsel; and (9) administering the construction of the Improvement Area #1 Projects. Annual Collection Costs collected but not expended in any year shall be carried forward and applied to reduce Annual Collection Costs for subsequent years.

"Annual Installment" means, with respect to each Improvement Area #1 Assessed Property, each annual payment of (i) the Assessments as shown on the Assessment Roll attached to the Service and Assessment Plan as Exhibit F and related to the Bonds and the Improvement Area #1 Projects, including (i) principal; (ii) interest (iii) Annual Collection Costs and (iv) Additional Interest collected pursuant to Section V of the Service and Assessment Plan and deposited to the Delinquency and Prepayment Reserve Account as described in the Indenture.

“Pledged Funds and Accounts” means the following funds and the accounts therein: the Pledged Revenue Fund, the Bond Fund, the Project Fund, the Reserve Fund, and the Redemption Fund.

“Pledged Revenues” means the sum of (i) Annual Installments (excluding the portion of the Annual Installments collected for the payment of Annual Collection Costs and Delinquent Collection Costs), (ii) the moneys held in any of the Pledged Funds and Accounts, and (iii) any additional revenues that the City may pledge to the payment of Bonds.

The PID Act provides that the Assessments (including any reassessment, with interest, the expense of collection and reasonable attorney’s fees, if incurred) are a first and prior lien (the “Assessment Lien”) against the property assessed, superior to all other liens or claims, except liens and claims for State of Texas (the “State”), county, school district, or municipality ad valorem taxes and are a personal liability of and charge against the owners of property, regardless of whether the owners are named. Pursuant to the PID Act, the Assessment Lien is effective from the date of the Assessment Ordinance until the Assessments are paid (or otherwise discharged) and is enforceable by the City Council in the same manner that an ad valorem property tax levied against real property may be enforced by the City Council. See “ASSESSMENT PROCEDURES.”

Collection and Deposit of Assessments

The Assessments on each parcel, tract or lot which are to be collected in each year during the term of the Bonds are shown on the Assessment Roll. The Assessments, together with the interest thereon, will be deposited in the Pledged Revenue Fund for the payment of the principal of, premium, if any, and interest on the Bonds. See “SECURITY FOR THE BONDS – Pledged Revenue Fund” and “APPENDIX B – Form of Indenture.”

The Assessments, together with interest thereon, are payable in Annual Installments established by the Assessment Ordinance and the Service and Assessment Plan to correspond, as nearly as practicable, to the debt service requirements for the Bonds plus additional interest collected for the Delinquency and Prepayment Fund (defined herein). An Annual Installment of Assessments has been made payable in the Assessment Ordinance in each Fiscal Year preceding the date of final maturity of the Bonds which, if collected, will be sufficient to pay the portion of the debt service requirements attributable to Assessments in the Service and Assessment Plan. Each Annual Installment is payable as provided in the Service and Assessment Plan and the Assessment Ordinance.

Any sums collected for the payment of Annual Collection Costs shall be deposited in the Administrative Fund and shall not constitute Pledged Revenues.

Unconditional Levy of Assessments

The City will impose Assessments on the property within Improvement Area #1 of the District to pay the principal of and interest on the Bonds scheduled for payment from Pledged Revenues as described in the Indenture and in the Service and Assessment Plan and coming due during each Fiscal Year. The Assessments are effective from the date, and strictly in accordance with the terms, of the Assessment Ordinance. Each Assessment may be paid in full or in part at any time or in periodic Annual Installments over a period of time equal to the term of the Bonds, which installments shall include interest on the Assessments. Pursuant to the Assessment Ordinance, interest on the Assessments for each lot within Improvement Area #1 and allocated to the Bonds begins to accrue on the date specified in the Service and Assessment Plan and bears interest at the rate of interest on the Bonds plus the 0.50% additional interest charged on Assessments pursuant to Section 372.018 of the PID Act (the “Additional Interest Rate”). Each Annual Installment, including the interest on the unpaid amount of Assessments, will be determined by September 30 of each year and billed on or around October 15 of each year. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of the following year.

As authorized by Section 372.003(b)(14) of the PID Act, the City will assess and collect each year while the Bonds are Outstanding and unpaid, as a part of the Annual Installment, an assessment amount to pay the annual costs incurred by the City in the administration and operation of Improvement Area #1 of the District (the “Annual Collection Costs”). The portion of each Annual Installment of an Assessment used to pay the Annual Collection Costs shall remain in effect from year to year until all Bonds are finally paid or until the City adjusts the levy after an annual

review in any year pursuant to Section 372.015(d) of the PID Act. The amount collected to pay Annual Collection Costs shall be due in the manner set forth in the Assessment Ordinance and shall be billed as a part of the Annual Installment on or about October 15 of each year and shall be delinquent if not paid by February 1 of the following year. Amounts collected for Annual Collection Costs do not secure repayment of the Bonds.

There will be no split payment of Assessments or discount for the early payment of Assessments.

The PID Act provides that the Assessments (including any reassessment, with interest, the expense of collection and reasonable attorney's fees, if incurred) are a first and prior lien (the "Assessment Lien") against the property within Improvement Area #1, superior to all other liens and claims, except liens and claims for the State, county, school district, or municipality for ad valorem taxes and are a personal liability of and charge against the owners of property, regardless of whether the owners are named. Pursuant to the PID Act, the Assessment Lien is effective from the date of the Assessment Ordinance until the Assessments are paid (or otherwise discharged) and is enforceable by the City Council in the same manner that an ad valorem property tax levied against real property may be enforced by the City Council. See "ASSESSMENT PROCEDURES." The Assessment Lien is superior to any homestead rights of a property owner that were properly claimed after the adoption of the Assessment Ordinance. However, an Assessment Lien may not be foreclosed upon if any homestead rights of a property owner were properly claimed prior to the adoption of the Assessment Ordinance ("Pre-existing Homestead Rights") for as long as such rights are maintained on the property. See "BONDHOLDERS' RISKS – Assessment Limitations." There are currently no properties within Improvement Area #1 that have claimed a homestead exemption.

Failure to pay an Annual Installment when due shall not accelerate the payment of the remaining Annual Installments of the Assessments and such remaining Annual Installments (including interest) shall continue to be due and payable at the same time and in the same amount and manner as if such default had not occurred.

Perfected Security Interest

The lien on and pledge of the Trust Estate shall be valid and binding and fully perfected from and after the Closing Date, and execution and delivery of the Indenture, without physical delivery or transfer of control of the Trust Estate, the filing of the Indenture or any other act; all as provided in Chapter 1208 of the Texas Government Code, as amended, which applies to the issuance of the Bonds and the pledge of the Trust Estate granted by the City under the Indenture, and such pledge is therefore valid, effective, and perfected. If Texas law is amended at any time while the Bonds are outstanding such that the pledge of the Trust Estate granted by the City under the Indenture is to be subject to the filing requirements of Chapter 9, Business and Commerce Code, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business and Commerce Code, and enable a filing to perfect the security interest in said pledge to occur. See "APPENDIX B – Form of Indenture."

Pledged Revenue Fund

On or before February 1 (provided that Pledged Revenues have been received by the City, or if not, then as soon as available) of each year while the Bonds are Outstanding, beginning February 1, 2023, the City shall deposit or cause to be deposited the Pledged Revenues (which excludes, for the avoidance of doubt, that portion of the Annual Installments collected for the payment of Annual Collection Costs and Delinquent Collection Costs, which shall be deposited to the Administrative Fund and the Delinquency and Prepayment Account, respectively) into the Pledged Revenue Fund, which deposit shall be directed by the City to the Trustee pursuant to a City Certificate. Specifically, the Pledged Revenues shall be deposited to the Pledged Revenue Fund to be used in the following order of priority:

- (i) *first*, to the Bond Pledged Revenue Account of the Pledged Revenue Fund amounts sufficient to pay debt service on the Bonds coming due in the next Bond Year;
- (ii) *second*, to the Bond Reserve Account in an amount to cause the amount in the Bond Reserve Account to equal the Bond Reserve Account Requirement;

(iii) *third*, amounts representing Additional Interest to the Delinquency and Prepayment Reserve Account of the Reserve Fund in an amount equal to the Delinquency and Prepayment Reserve Requirement; and

(iv) *fourth*, in accordance with the written direction of the City, to pay other costs permitted by the PID Act.

Notwithstanding the foregoing, if any funds remain on deposit in the Pledged Revenue Fund after the transfers required by clauses (i) through (iii) above are made, the City shall have the option, in its sole and absolute discretion, to transfer such excess funds into the Redemption Fund to redeem Bonds as provided in the Indenture. The City or the Administrator on behalf of the City shall direct the Trustee in writing with respect to the portions of the Pledged Revenues to be deposited as Additional Interest, Prepayments, or Foreclosure Proceeds.

From time to time as needed to pay the obligations relating to the Bonds, but no later than five (5) Business Days before each Interest Payment Date, the Trustee shall withdraw from the Bond Pledged Revenue Account of the Pledged Revenue Fund and transfer to the Principal and Interest Account, an amount, taking into account any amounts then on deposit in such Principal and Interest Account, such that the amount on deposit in the Principal and Interest Account equals the principal (including any Sinking Fund Installments) and interest due on the Bonds on the next Interest Payment Date.

If, after the foregoing transfers and any transfer from the Reserve Fund, there are insufficient funds to make the payments provided above, the Trustee shall apply the available funds in the Principal and Interest Account first to the payment of interest, then to the payment of principal (including any Sinking Fund Installments) on the Bonds.

Notwithstanding the above described flow of funds, (a) the Trustee shall deposit Additional Interest to the Pledged Revenue Fund and shall transfer all or a portion of such Additional Interest to the Delinquency and Prepayment Reserve Account (up to the Delinquency and Prepayment Reserve Requirement); (b) the Trustee shall deposit Prepayments to the Pledged Revenue Fund and as soon as practicable after such deposit shall transfer such Prepayments to the Redemption Fund; and (c) the Trustee shall deposit Foreclosure Proceeds to the Pledged Revenue Fund and as soon as practicable after such deposit shall transfer Foreclosure Proceeds first to the Reserve Fund to restore any transfers from the applicable account of the Reserve Fund made with respect to the Improvement Area #1 Assessed Property to which the Foreclosure Proceeds relate; and second, to the Redemption Fund.

Notwithstanding the foregoing, any portion of Foreclosure Proceeds that are attributable to Annual Collection Costs shall be deposited to the Administrative Fund, and any portion of Foreclosure Proceeds attributable to Delinquent Penalties and Interest shall be deposited to the Delinquency and Prepayment Reserve Account of the Reserve Fund until the Delinquency and Prepayment Reserve Requirement is met and then to the Administrative Fund.

After satisfaction of the requirements to (i) provide for the payment of the principal of and interest on the Bonds, and (ii) to fund any deficiency that may exist in the Reserve Fund (including the funding of the Delinquency and Prepayment Reserve Account), the City may direct the Trustee by City Certificate to apply Assessments for any lawful purposes permitted by the PID Act for which Assessments may be paid.

Bond Fund

No later than on each Interest Payment Date, the Trustee shall withdraw from the Principal and Interest Account and transfer to the Paying Agent/Registrar the principal (including any Sinking Fund Installments) and interest then due and payable on the Bonds.

If amounts in the Principal and Interest Account are insufficient for the purposes set forth above, the Trustee shall withdraw first from the Delinquency and Prepayment Reserve Account of the Reserve Fund and second from the Bond Reserve Account of the Reserve Fund amounts to cover the amount of such insufficiency. Amounts so withdrawn from the Reserve Fund shall be deposited in the Principal and Interest Account and transferred to the Paying Agent/Registrar.

Project Fund

Money on deposit in the Improvement Area #1 Improvement Account and Costs of Issuance Account of the Project Fund shall be used for the purpose of paying a portion of the costs of the Improvement Area #1 Projects or costs of issuance of the Bonds, as applicable.

Disbursements from the Costs of Issuance Account of the Project Fund shall be made by the Trustee to pay costs of issuance of the Bonds pursuant to one or more City Certificates. Moneys disbursed at closing to pay for the costs of creating the District shall be paid pursuant to a Closing Disbursement Request.

Except as otherwise provided in the Indenture, money on deposit in the Improvement Area #1 Improvement Account of the Project Fund shall be used solely to pay the costs of the Improvement Area #1 Improvements. Upon receipt of a reviewed and approved Certificate for Payment for any Improvement Area #1 Costs, the Trustee shall make payment from the Improvement Area #1 Improvement Account of the Project Fund.

Funds on deposit in the Improvement Area #1 Improvement Account of the Project Fund in the amount of \$2,138,500* shall be retained in the Project Fund and shall not be expended or used to pay the costs of the Improvement Area #1 Projects pursuant to a reviewed and approved Certificate for Payment until all of the following have occurred, as certified by the Developer to the City and the Trustee:

- (1) All of the Improvement Area #1 Projects have been constructed or installed and accepted by the City;
- (2) All of the 61 lots in Improvement Area #1 on which the Developer does not, on the Closing Date, expect to build single-family homes are either under contract with a third-party builder or are lots on which the Developer is building or expects to build homes; and
- (3) 22* single-family homes have been fully constructed within Improvement Area #1.

If the amount retained pursuant to the foregoing paragraph has not been released from the project Fund on or before September 15, 2025, any amounts remaining in the Project Fund may be transferred to the Redemption Fund to be used to redeem Bonds.

If the City Representative determines in his or her sole discretion that amounts then on deposit in the Improvement Area #1 Improvement Account are not expected to be expended for purposes thereof due to the abandonment, or constructive abandonment, of the Improvement Area #1 Projects, such that, in the opinion of the City Representative, it is unlikely that the amounts in the Improvement Account will ever be expended for the purposes thereof, the City Representative shall file a City Certificate with the Trustee which identifies the amounts then on deposit in the Improvement Area #1 Improvement Account that are not expected to be used for purposes thereof. If such City Certificate is so filed, the amounts identified on the City Certificate currently on deposit in the Improvement Area #1 Improvement Account shall be transferred to the Redemption Fund to redeem Bonds on the earliest practicable date after notice of redemption has been provided in accordance with the Indenture and the Improvement Account shall be closed.

Upon the filing of a City Certificate stating that all Improvement Area #1 Projects have been completed and that all Improvement Area #1 Costs thereof have been paid, or that any such costs are not required to be paid from the Improvement Area #1 Improvement Account pursuant to a Certificate for Payment, the Trustee shall transfer the amount, if any, remaining within the Improvement Area #1 Improvement Account to the Principal and Interest Account or to the Redemption Fund as directed by the City Representative in a City Certificate filed with the Trustee and shall close the Improvement Area #1 Improvement Account of the Project Fund.

Upon a determination by the City Representative that all costs of issuance of the Bonds have been paid, any amounts remaining in the Costs of Issuance Account shall be transferred to the Bond Fund and used to pay interest on the Bonds, as directed by the City in a City Certificate filed with the Trustee, and the Costs of Issuance Account shall be closed.

* Preliminary, subject to change.

Redemption Fund

Amounts on deposit in the Redemption Fund shall be used and withdrawn by the Trustee to redeem Bonds pursuant to optional redemption, extraordinary option redemption, and mandatory sinking fund redemption.

The Trustee shall cause to be deposited to the Redemption Fund from Prepayments and Foreclosure Proceeds an amount sufficient to redeem Bonds pursuant to the extraordinary optional redemption as set forth in the Indenture. If after such transfer there are insufficient funds to pay the principal amount plus accrued and unpaid interest on such Bonds to the date fixed for redemption of the Bonds to be redeemed as a result of such Prepayment, the Trustee shall transfer an amount equal to the shortfall from the Delinquency and Prepayment Reserve Account to the Redemption Fund to be applied to the redemption of the Bonds.

The Trustee shall cause to be deposited to the Redemption Fund from Pledged Revenues and pursuant to any transfers made pursuant to the Indenture an amount sufficient to redeem Bonds pursuant to optional redemption, extraordinary optional redemption, or mandatory sinking fund redemption at the direction of the City.

Bond Reserve Account

Pursuant to the Indenture, a Bond Reserve Account will be created within the Reserve Fund for the benefit of the Bonds and will be held by the Trustee and funded with proceeds of the Bonds in the amount of the Bond Reserve Account Requirement. As of the Closing Date, the Bond Reserve Account Requirement is equal to \$_____.

The City agrees with the Owners of the Bonds to accumulate, and when accumulated, maintain in the Bond Reserve Account, an amount equal to not less than the Bond Reserve Account Requirement. As noted below, all amounts deposited in the Bond Reserve Account of the Reserve Fund shall be used and withdrawn by the Trustee for the purpose of making transfers to the Principal and Interest Account of the Bond Fund in the event of any deficiency in such Principal and Interest Account on any Interest Payment Date or any date on which principal of the Bonds is due.

Whenever a transfer is made from the Bond Reserve Account to the Principal and Interest Account of the Bond Fund due to a deficiency in the Principal and Interest Account, the Trustee shall provide written notice thereof to the City, specifying the amount withdrawn. Whenever, on any Interest Payment Date, or on any other date at the request of a City Representative, the amount in the Bond Reserve Account exceeds the Bond Reserve Account Requirement, the Trustee shall provide written notice to the City Representative and the Administrator of the amount of the excess. Upon receipt of a City Certificate, the Trustee shall transfer such excess to (i) the Principal and Interest Account, (ii) the Redemption Fund, or (iii) the Administrative Fund, as set forth in the City Certificate. The excess amounts transferred from the Bond Reserve Account to the Administrative Fund will be presumed to have been transferred, first, from sources other than Bond Proceeds (including investment earnings on such proceeds) and, second, from amounts that are Bond proceeds (including investment earnings on such proceeds).

At the final maturity of the Bonds, the amount on deposit in the Bond Reserve Account shall be transferred to the Redemption Fund and applied to the payment of the principal of the Bonds. If, after a Bond Reserve Account withdrawal, the amount on deposit in the Bond Reserve Account is less than the Bond Reserve Account Requirement, the Trustee shall transfer from the Pledged Revenue Fund to the Bond Reserve Account the amount of such deficiency, but only to the extent that such amount is not required for the timely payment of principal, interest, or Sinking Fund Installments.

At the final maturity of the Bonds, the amount on deposit in the Bond Reserve Account and the Delinquency and Prepayment Reserve Account shall be transferred to the Principal and Interest Account and applied to the payment of the principal of the Bonds. If the amount held in the Bond Reserve Account, together with the amounts held in the Pledged Revenue Fund and the Principal and Interest Account and Redemption Fund, is sufficient to pay the principal amount of all Outstanding Bonds on the next Interest Payment Date, together with the unpaid interest accrued on such Bonds as of such Interest Payment Date, the moneys shall be transferred to the Redemption Fund and thereafter used to redeem all Bonds as of such Interest Payment Date.

Whenever Bonds are to be redeemed with the proceeds of Prepayments, a proportionate amount in the Bond Reserve Account shall be transferred on the Business Day prior to the redemption date by the Trustee to the Redemption Fund to be applied to the redemption of the Bonds as detailed in a City Certificate. The amount so transferred from the Bond Reserve Account shall be equal to a percentage of the amount of the Bonds redeemed with such percentage equal to the lesser of: (i) the amount required to be in the Bond Reserve Account, as a percentage of the Outstanding Bonds prior to the redemption, and (ii) the amount actually in the Bond Reserve Account, as a percentage of the Outstanding Bonds prior to the redemption. If after such transfer, and after applying investment earnings on the Prepayment toward payment of accrued interest on the Bonds, there are insufficient funds to pay the principal amount plus accrued and unpaid interest on such Bonds to the date fixed for redemption of the Bonds to be redeemed as a result of such Prepayment, the Trustee shall transfer an amount equal to the shortfall from the Delinquency and Prepayment Reserve Account to the Redemption Fund to be applied to the redemption of the Bonds.

If the amount held in the Bond Reserve Account, together with the amounts held in the Pledged Revenue Fund, Principal and Interest Account, and Redemption Fund, is sufficient to pay the principal amount of all Outstanding Bonds on the next Interest Payment Date, together with the unpaid interest accrued on such Bonds as of such Interest Payment Date, the moneys shall be transferred to the Redemption Fund and thereafter used to redeem all Bonds as of such Interest Payment Date.

Delinquency and Prepayment Reserve Account

Pursuant to the Indenture, a Delinquency and Prepayment Reserve Account will be created and held by the Trustee for the benefit of the Bonds. In addition to the initial deposit to the Delinquency and Prepayment Reserve Account of the Reserve Fund, Additional Interest shall be deposited to the Delinquency and Prepayment Reserve Account of the Reserve Fund until such time that the amount on deposit in the Delinquency and Prepayment Reserve Account is at least equal to the Delinquency and Prepayment Reserve Requirement. Whenever, at the written request of the City Representative, on any Interest Payment Date or on any other date, the amount in the Delinquency and Prepayment Reserve Account exceeds the Delinquency and Prepayment Reserve Requirement, the Trustee shall provide written notice to the City of the amount of the excess. The City shall direct the Trustee in writing to transfer the amounts of such excess in the Delinquency and Prepayment Reserve Account to (i) the Bond Reserve Account to restore any deficiency in the Bond Reserve Account up to the Bond Reserve Account Requirement, (ii) the Administrative Fund for payment of Annual Collection Costs (in compliance with the Indenture), or (iii) to the Redemption Fund to be used to redeem Bonds. The excess amounts transferred from the Delinquency and Prepayment Reserve Account of the Reserve Fund to the Administrative Fund will be presumed to have been transferred, first, from sources other than Bond Proceeds (including investment earnings on such proceeds) and, second, from amounts that are Bond proceeds (including investment earnings on such proceeds). In the event that the Trustee does not receive a City Certificate directing the transfer of the excess Delinquency and Prepayment Reserve funds within forty-five (45) days of providing notice to the City of such excess Delinquency and Prepayment Reserve amount, the Trustee shall transfer the excess Delinquency and Prepayment Reserve amount to the Redemption Fund and provide the City with written notification of the transfer.

Whenever Bonds are to be redeemed with the proceeds of Prepayments, if there are insufficient funds in the Redemption Fund from such Prepayments to redeem the Bonds on their redemption date, the Trustee shall, to the extent sufficient funds are available in the Delinquency and Prepayment Reserve Account, transfer funds from the Delinquency and Prepayment Reserve Account to the Redemption Fund in the amount of the deficiency and such funds shall be used to redeem Bonds.

Administrative Fund

The City shall deposit or cause to be deposited to the Administrative Fund the amounts collected each year to pay Annual Collection Costs and Delinquent Collection Costs. The City or the Administrator, on behalf of the City, shall direct the Trustee pursuant to the City Certificate with respect to the portions of the Annual Installments collected for the payment of Annual Collection Costs and Delinquent Collection Costs to be deposited pursuant to the Indenture.

Moneys in the Administrative Fund shall be held by the Trustee separate and apart from the other Funds created and administered under the Indenture and used as directed by a City Certificate solely for the purposes set forth in the Service and Assessment Plan, including payment of Annual Collection Costs and Delinquent Collection

Costs. THE ADMINISTRATIVE FUND SHALL NOT BE PART OF THE TRUST ESTATE AND IS NOT SECURITY FOR THE BONDS.

The Trustee shall transfer its authorized fees and expenses from the Administrative Fund to pay the foregoing unless the Trustee receives written objection from the City within ten (10) Business Days of its delivery of notice of such costs to the City. No City Certificate is necessary for the Trustee to receive compensation for the services rendered under the Indenture.

Defeasance

All Outstanding Bonds shall, prior to the Stated Maturity or redemption date thereof, be deemed to have been paid and to no longer be deemed Outstanding if (i) in case any such Bonds are to be redeemed on any date prior to their Stated Maturity, the Trustee shall have given notice of redemption on said date as provided herein, (ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Defeasance Securities the principal of and the interest on which when due will provide moneys which, together with any moneys deposited with the Trustee at the same time, shall be sufficient to pay when due the principal of and interest on of the Bonds to become due on such Bonds on and prior to the redemption date or maturity date thereof, as the case may be, (iii) the Trustee shall have received a report by an independent certified public accountant selected by the City verifying the sufficiency of the moneys or Defeasance Securities deposited with the Trustee to pay when due the principal of and interest on of the Bonds to become due on such Bonds on and prior to the redemption date or maturity date thereof, as the case may be, and (iv) if the Bonds are then rated, the Trustee shall have received written confirmation from each rating agency that such deposit will not result in the reduction or withdrawal of the rating on the Bonds. Neither Defeasance Securities nor moneys deposited with the Trustee pursuant to the Indenture nor principal or interest payments on any such Defeasance Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on the Bonds. Any cash received from such principal of and interest on such Defeasance Securities deposited with the Trustee, if not then needed for such purpose, shall be reinvested in Defeasance Securities as directed in writing by the City maturing at times and in amounts sufficient to pay when due the principal of and interest on the Bonds on and prior to such redemption date or maturity date thereof, as the case may be, only upon receipt by the Trustee of (i) a report by an independent certified public accountant selected by the City, after giving effect to such request, verifying the sufficiency of the moneys or Defeasance Securities deposited with the Trustee to pay when due the principal of and interest on the Bonds to become due on such Bonds on and prior to the redemption date or maturity date thereof, as the case may be and (ii) an opinion of Bond Counsel stating that no adverse federal tax consequences will result from reinvesting such cash. Any payment for Defeasance Securities purchased for the purpose of reinvesting cash as aforesaid shall be made only against delivery of such Defeasance Securities.

“Defeasance Securities” means Investment Securities then authorized by applicable law for the investment of funds to defease public securities. “Investment Securities” means those authorized investments described in the City’s official investment policy as approved by the City Council from time to time, and eligible for the investment of public funds by the Public Funds Investment Act, Chapter 2256, Texas Government Code, as amended. Under current State law, Investment Securities that are authorized for the investment of funds to defease public securities are (a) direct, noncallable obligations of the United States of America, including obligations that are unconditionally guaranteed by the United States of America; (b) noncallable obligations of an agency or instrumentality of the United States, including obligations that are unconditionally guaranteed or insured by the agency or instrumentality, and that, on the date the governing body of the City adopts or approves the proceedings authorizing the issuance of refunding bonds, are rated as to investment quality by a nationally recognized investment rating firm not less than “AAA” or its equivalent; and (c) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on the date the governing body of the City adopts or approves the proceedings authorizing the issuance of refunding bonds, are rated as to investment quality by a nationally recognized investment rating firm not less than “AAA” or its equivalent.

There is no assurance that the current law will not be changed in a manner which would permit investments other than those described above to be made with amounts deposited to defease the Bonds. Because the Indenture does not contractually limit such investments, Owners may be deemed to have consented to defeasance with such other investments, notwithstanding the fact that such investments may not be of the same investment quality as those

currently permitted under State law. There is no assurance that the ratings for U.S. Treasury securities used as Defeasance Securities or that for any other Defeasance Security will be maintained at any particular rating category.

Events of Default

Each of the following occurrences or events constitutes an “Event of Default” under the Indenture:

- (i) the failure of the City to deposit the Pledged Revenues to the Pledged Revenue Fund;
- (ii) the failure of the City to enforce the collection of the Assessments, including the prosecution of foreclosure proceedings;
- (iii) the failure to make payment of the principal of or interest on any of the Bonds when the same becomes due and payable and such failure is not remedied within thirty (30) days; and
- (iv) default in the performance or observance of any covenant, agreement, or obligation of the City under the Indenture and the continuation thereof for a period of ninety (90) days after written notice to the City by the Trustee, or by the Owners of at least 25% of the aggregate outstanding principal of the Bonds with a copy to the Trustee, specifying such default by the Owners of at least 25% of the aggregate outstanding principal amount of the Bonds at the time Outstanding requesting that the failure be remedied.

An event described above will not be viewed as an Event of Default if it is in violation of any applicable state law or court order.

The City shall not be required to advance anything other than the Pledged Revenues that have been made available to the City or other assets that are part of the Trust Estate in order to avoid the Events of Default listed above.

Immediate Remedies for Default

Subject to the terms and provisions of the Indenture, upon the happening and continuance of any of the Events of Default described in the Indenture, the Owners of at least twenty-five percent (25%) aggregate outstanding principal amount of the Bonds then Outstanding may proceed against the City for the purpose of protecting and enforcing the rights of the Owners under the Indenture, by action seeking mandamus or by other suit, action, or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief to the extent permitted by Applicable Laws, including, but not limited to, the specific performance of any covenant or agreement contained in the Indenture, or injunction; provided, however, that no action for money damages against the City may be sought or shall be permitted.

THE PRINCIPAL OF THE BONDS SHALL NOT BE SUBJECT TO ACCELERATION UNDER ANY CIRCUMSTANCES.

If the assets of the Trust Estate are sufficient to pay all amounts due with respect to all Outstanding Bonds, in the selection of Trust Estate assets to be used in the payment of Bonds due in an Event of Default, the City shall determine, in its absolute discretion, and shall instruct the Trustee by City Certificate, which Trust Estate assets shall be applied to such payment and shall not be liable to any Owner or other Person by reason of such selection and application. In the event that the City shall fail to deliver to the Trustee such City Certificate, the Trustee shall select and liquidate or sell Trust Estate assets as provided in the following paragraph, and shall not be liable to any Owner, or other Person, or the City by reason of such selection, liquidation, or sale.

Whenever moneys are to be applied in an Event of Default pursuant to the Indenture, irrespective of and whether other remedies authorized under the Indenture shall have been pursued in whole or in part, the Trustee may cause any or all of the assets of the Trust Estate, including Investment Securities, to be sold. The Trustee may so sell the assets of the Trust Estate and all right, title, interest, claim, and demand thereto and the right of redemption thereof, in one or more parts, at any such place or places, and at such time or times and upon such notice and terms, as the Trustee may deem appropriate, and as may be required by Applicable Laws and apply the proceeds thereof in accordance with the provisions of this paragraph. Upon such sale, the Trustee may make and deliver to the purchaser

or purchasers a good and sufficient assignment or conveyance for the same, which sale shall be a perpetual bar both at law and in equity against the City, and all other Persons claiming such properties. No purchaser at any sale shall be bound to see to the application of the purchase money proceeds thereof or to inquire as to the authorization, necessity, expediency, or regularity of any such sale. Nevertheless, if so requested by the Trustee, the City shall ratify and confirm any sale or sales by executing and delivering to the Trustee or to such purchaser or purchasers all such instruments as may be necessary or proper for the purpose which may be designated in such request.

Restriction on Owner's Actions

No Owner shall have any right to institute any action, suit, or proceeding at law or in equity for the enforcement of the Indenture or for the execution of any trust thereof or any other remedy thereunder, unless (i) a default has occurred and is continuing of which the Trustee has been notified in writing, (ii) such default has become an Event of Default and the Owners of at least twenty-five percent (25%) of the aggregate principal amount of the Bonds then Outstanding have made written request to the Trustee and offered it reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit, or proceeding in its own name, (iii) the Owners have furnished to the Trustee written evidence of indemnity as required by the Indenture, (iv) the Trustee has for ninety (90) days after such notice failed or refused to exercise the powers hereinbefore granted, or to institute such action, suit, or proceeding in its own name, (v) no direction inconsistent with such written request has been given to the Trustee during such 90-day period by the registered owners of a majority of the aggregate principal amount of the Bonds then Outstanding, and (vi) notice of such action, suit, or proceeding is given to the Trustee; however, no one or more Owners of the Bonds shall have any right in any manner whatsoever to affect, disturb, or prejudice the Indenture by its, his, or their action or to enforce any right under the Indenture except in the manner provided therein, and that all proceedings at law or in equity shall be instituted and maintained in the manner provided in the Indenture and for the equal benefit of the registered owners of all Bonds then Outstanding. The notification, request, and furnishing of indemnity set forth above shall be conditions precedent to the execution of the powers and trusts of the Indenture and to any action or cause of action for the enforcement of the Indenture or for any other remedy thereunder.

Subject to provisions of the Indenture with respect to certain liabilities of the City, nothing in the Indenture shall affect or impair the right of any Owner to enforce, by action at law, payment of any Bond at and after the maturity thereof, or on the date fixed for redemption or the obligation of the City to pay each Bond issued under the Indenture to the respective Owners thereof at the time and place, from the source and in the manner expressed therein and in the Bonds.

In case the Trustee or any Owners shall have proceeded to enforce any right under the Indenture and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or any Owners, then and in every such case the City, the Trustee, and the Owners shall be restored to their former positions and rights thereunder, and all rights, remedies, and powers of the Trustee shall continue as if no such proceedings had been taken.

Application of Revenues and Other Moneys After Event of Default

All moneys, securities, funds, and Pledged Revenues and the income therefrom received by the Trustee pursuant to any right given or action taken under the provisions of the Indenture shall, after payment of the cost and expenses of the proceedings resulting in the collection of such amounts, the expenses (including its counsel), liabilities, and advances incurred or made by the Trustee and the fees of the Trustee in carrying out the Indenture, during the continuance of an Event of Default, shall be applied by the Trustee, on behalf of the City, to the payment of interest and principal or Redemption Price then due on Bonds, as follows:

- (i) *First:* To the payment to the registered owners entitled thereto all installments of interest then due in the direct order of maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the registered owners entitled thereto, without any discrimination or preference; and

(ii) *Second:* To the payment to the registered owners entitled thereto of the unpaid principal of Outstanding Bonds, or Redemption Price of any Bonds which shall have become due, whether at maturity or by call for redemption, in the direct order of their due dates and, if the amounts available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal due and to the registered owners entitled thereto, without any discrimination or preference.

Within ten (10) days of receipt of such good and available funds, the Trustee may fix a record and payment date for any payment to be made to Owners pursuant to the Indenture.

In the event funds are not adequate to cure any of the Events of Default, the available funds shall be allocated to the Bonds that are Outstanding in proportion to the quantity of Bonds that are currently due and in default under the terms of the Indenture. The restoration of the City to its prior position after any and all defaults have been cured shall not extend to or affect any subsequent default under the Indenture or impair any right consequent thereon.

Investment of Funds

Money in any Fund established pursuant to the Indenture shall be invested by the Trustee as directed by the City pursuant to a City Certificate filed with the Trustee at least two (2) Business Days in advance of the making of such investment in time deposits, other bank deposit products, or certificates of deposit secured in the manner required by law for public funds, or be invested in direct obligations of, including obligations the principal of and interest on which are unconditionally guaranteed by, the United States of America, in obligations of any agencies or instrumentalities thereof, or in such other investments as are permitted under the Public Funds Investment Act, Chapter 2256, Texas Government Code, as amended, or any successor law, as in effect from time to time; provided that all such deposits and investments shall be made in such manner (which may include repurchase agreements for such investment with any primary dealer of such agreements) that the money required to be expended from any Fund will be available at the proper time or times set forth in the Indenture. Such investments shall be valued each year in terms of current market value as of September 30. For purposes of maximizing investment returns, to the extent permitted by law, money in such Funds may be invested in common investments of the kind described above, or in a common pool of such investments which shall be kept and held at an official depository bank, which shall not be deemed to be or constitute a commingling of such money or funds provided that safekeeping receipts or certificates of participation clearly evidencing the investment or investment pool in which such money is invested and the share thereof purchased with such money or owned by such Fund are held by or on behalf of each such Fund. If necessary, such investments shall be promptly sold to prevent any default. In the absence of investment instructions from the City, the Trustee shall hold monies held by it uninvested and shall have no obligation to invest or reinvest such monies. Obligations purchased as an investment of moneys in any Fund or Account shall be deemed to be part of such Fund or Account, subject, however, to the requirements of the Indenture for transfer of interest earnings and profits resulting from investment of amounts in Funds and Accounts.

The Trustee and its affiliates may act as sponsor, advisor, depository, principal, or agent in the acquisition or disposition of any investment and may receive compensation in connection with any investment if approved by the City in writing. The Trustee shall not incur any liability for losses arising from any investments made pursuant to the Indenture. The Trustee shall not be required to determine the suitability or legality of any investments and may conclusively rely on the City's written instructions as to the directed investments.

Investments in any and all Funds and Accounts may be commingled in a separate fund or funds for purposes of making, holding and disposing of investments, notwithstanding provisions in the Indenture for transfer to or holding in or to the credit of particular Funds or Accounts of amounts received or held by the Trustee thereunder, provided that the Trustee shall at all times account for such investments strictly in accordance with the Funds and Accounts to which they are credited and otherwise as provided in the Indenture.

The Trustee will furnish the City monthly cash transaction statements which include detail for all investment transactions made by the Trustee under the Indenture; and the Trustee is not required to provide brokerage confirmations unless the Trustee receives a written request from the City. No monthly cash transaction statement need to be provided if no activity occurred during such month. The Trustee may conclusively rely on City Certificates that

such an investment will comply with the City's investment policy and with the Public Funds Investment Act, Chapter 2256, Texas Government Code, as amended.

Against Encumbrances

Other than bonds issued to refund all or a portion of the Bonds, the City shall not create and, to the extent Pledged Revenues are received, shall not suffer to remain, any lien, encumbrance, or charge upon the Pledged Revenues, or upon any other property pledged under the Indenture, except the pledge created for the security of the Bonds, and other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds.

So long as Bonds are Outstanding under the Indenture, the City shall not issue any bonds, notes, or other evidences of indebtedness, other than Bonds and Refunding Bonds issued to refund all or a portion of the Bonds, secured by any pledge of or other lien or charge on the Pledged Revenues or other property pledged under the Indenture, other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds.

Additional Obligations; Other Obligations or Other Liens

The City reserves the right, subject to the provisions of the Indenture, to issue Additional Obligations under other indentures, assessment ordinances, or similar agreements or other obligations which do not constitute or create a lien on the Trust Estate and are not payable from Pledged Revenues.

So long as Bonds are Outstanding under the Indenture, the City shall not issue any bonds, notes, or other evidences of indebtedness, other than the Bonds, secured by any pledge of or other lien or charge on the Trust Estate pledged under the Indenture other than (i) a lien or pledge subordinate to the lien and pledge of such property related to the Bonds, and (ii) Refunding Bonds.

Other than Refunding Bonds issued to refund all or a portion of the Bonds, the City will not create or voluntarily permit to be created any debt, lien, or charge on the Trust Estate, and will not do or omit to do or suffer to be or omitted to be done any matter or things whatsoever whereby the lien of the Indenture or the priority thereof might or could be lost or impaired; and further covenants that it will pay or cause to be paid or will make adequate provisions for the satisfaction and discharge of all lawful claims and demands which if unpaid might by law be given precedence over or any equality with the Indenture as a lien or charge upon the Pledged Revenues or Pledged Funds and Accounts; provided, however, that nothing shall require the City to apply, discharge, or make provision for any such lien, charge, claim, or demand so long as the validity thereof shall be contested by it in good faith, unless thereby, in the opinion of Bond Counsel or counsel to the Trustee, the same would adversely affect the ability of the City to timely pay the debt service due and owing on the Bonds.

OVERLAPPING TAXES AND DEBT

The land within Improvement Area #1 of the District has been, and is expected to continue to be, subject to taxes and assessments imposed by taxing entities. Such taxes are payable in addition to the Assessments. In addition, the Developer anticipates that each Lot owner in Improvement Area #1 of the District will pay a maintenance and operation fee and/or a property owner's association fee to a homeowner's association of approximately \$700 per year.

The City, Harris County, Harris County of Department of Education, Harris County Flood Control District, Harris County Hospital District, Harris County Emergency Services District #8, Lone Star College System, Port of Houston Authority, and Tomball Independent School District ("Tomball ISD") may each levy ad valorem taxes upon land in Improvement Area #1 of the District for payment of debt incurred by such governmental entities and/or for payment of maintenance and operations expenses. The City has no control over the level of ad valorem taxes or assessments levied by any other taxing authorities.

The following table reflects the overlapping ad valorem tax rates levied on property located in Improvement Area #1. Improvement Area #1 will be located entirely within the corporate limits of the City and within Harris County, Harris County of Department of Education, Harris County Flood Control District, Harris County Hospital District, Harris County Emergency Services District #8, Lone Star College System, Port of Houston Authority, and Tomball ISD.

For estimated average annual assessment in Improvement Area #1 as a tax rate equivalent without assuming completion of homes, see "Expected Improvement Area # 1 Assessment Reallocation in Improvement Area #1" below. Pursuant to the Development Agreement, the maximum projected annual assessment for each phase shall be no greater than \$0.90 per \$100 valuation at the time of issuance of each series of PID Bonds; the tax rate limit applies on an aggregate basis for the entire property within each phase or future improvement area and on an individual assessed parcel basis (including projected average sales price of the homes to be constructed on the Lots).

As noted above, Improvement Area #1 of the District includes territory located in other governmental entities that may issue or incur debt secured by the levy and collection of ad valorem taxes or assessments. Set forth below is an overlapping debt table showing the outstanding indebtedness payable from ad valorem taxes with respect to property within Improvement Area #1 of the District, and City debt to be secured by the Assessments:

⁽¹⁾ Based on the Appraisal and on certified valuations for Tax Year 2021 for the taxing entities. The Appraisal assumes the completion of the Improvement Area #1 Projects, which occurred in May 2022.

⁽²⁾ Preliminary, subject to change.

If land is devoted principally to agricultural use, a landowner can apply for an agricultural valuation on the property and pay ad valorem taxes based on the land's agricultural use valuation with respect to its ad valorem taxes. None of the property in Improvement Area #1 is currently subject to an agricultural value. Agricultural use includes production of crops or livestock. It also can include leaving the land idle for a government program or for normal crop or livestock rotation. See "BONDHOLDERS' RISKS – Agricultural Use Valuation and Redemption Rights."

If land qualified for an agricultural valuation but the land use changes to a non-agricultural use, "rollback taxes" are assessed for each of the previous five years in which the land received the lower agricultural valuation. The rollback tax is the difference between taxes paid on land's agricultural value and the taxes that the landowner would have paid if the land had been taxed on a higher market value plus interest charged for each year from the date on which taxes would have been due.

If the land use changes to a non-agricultural use on only a portion of a larger tract, the landowner can fence off the remaining land and maintain the agricultural valuation on the remaining land. In this scenario, the landowner would only be responsible for rollback taxes on that portion of the land where use changed and not the entire tract. The land within Improvement Area #1 is no longer subject to an agricultural valuation, and the Developer will pay roll-back taxes due when they are assessed.

ASSESSMENT PROCEDURES

General

Capitalized terms under this caption and not otherwise defined in this Limited Offering Memorandum shall have the meaning given to such terms in the Service and Assessment Plan. As required by the PID Act, when the City determines to defray a portion of the costs of the Improvement Area #1 Projects through Assessments, it must adopt a resolution generally describing the Improvement Area #1 Projects and the land within Improvement Area #1 of the District to be subject to Assessments to pay the costs therefor. The City has caused an assessment roll to be prepared (the "Assessment Roll") that shows the land within Improvement Area #1 to be assessed, the amount of the benefit to and the Assessment against each Lot or Parcel of land and the number of Annual Installments into which the Assessment is divided. The Assessment Roll was filed with the City Secretary and made available for public inspection. Statutory notice was given to the owners of the property to be assessed and a public hearing was conducted to hear testimony from affected property owners as to the propriety and advisability of undertaking the Improvement

Area #1 Projects and funding the same with Assessments. The City Council intends to consider a levy in the Assessments and adoption of the Assessment Ordinance on September 19, 2022. After adoption of the Assessment Ordinance, the Assessments will become legal, valid, and binding liens upon the property against which the Assessments were made.

Under the PID Act, the costs of the Improvement Area #1 Projects to be defrayed through Assessments may be assessed by the City against the assessable property in Improvement Area #1 of the District so long as the special benefit conferred upon the Improvement Area #1 Assessed Property by the Improvement Area #1 Projects equals or exceeds the Assessments. The costs of the Improvement Area #1 Projects may be assessed using any methodology that results in the imposition of equal shares of cost on Improvement Area #1 Assessed Property similarly benefited. The allocation of benefits and assessments to the benefitted land within Improvement Area #1 of the District is presented in the Service and Assessment Plan, which should be read in its entirety. See “APPENDIX C – Form of Service and Assessment Plan.”

Assessment Methodology

The Service and Assessment Plan describes the special benefit to be received by each parcel of assessable property within Improvement Area #1 as a result of the Improvement Area #1 Projects, provides the basis and justification for the determination that such special benefit exceeds the Assessments being levied, and establishes the methodology by which the City allocates the special benefit of the Improvement Area #1 Projects to parcels in a manner that results in equal shares of costs being apportioned to parcels similarly benefited. As described in the Service and Assessment Plan, a portion of the costs of the Improvement Area #1 Projects are being funded with proceeds of the Bonds, which are payable from and secured by Pledged Revenues and other assets of the Trust Estate, including the Assessments.

Method of Apportionment of Assessments. As set forth in the Service and Assessment Plan, the City Council has determined to allocate the cost of the Improvement Area #1 Projects entirely to the Improvement Area #1 Assessed Property by spreading the entire Assessment across all Improvement Area #1 Assessed Property based on the ratio of the estimated build out value of each Parcel within Improvement Area #1 to the estimated build out value for all Parcels within Improvement Area #1.

Method of Allocation of Assessments. As set forth in the Service and Assessment Plan, the City Council will initially allocate the Assessments to all Improvement Area #1 Assessed Property by Lot Type. Lots within Improvement Area #1 are either Lot Type 1 Lots or Lot Type 2 Lots. Assessments are allocated between Lot Type 1 Lots and Lot Type 2 Lots based on the ratio of the total estimated build out value of all such Lot Types to the estimated build out value for all Lots within Improvement Area #1. The Assessments allocated to a Lot Type are then spread evenly across all Lots of such Lot Type within Improvement Area #1. All Lots of each Lot Type are equally benefitted by the Improvement Area #1 Projects. See Exhibit F, Improvement Area #1 Assessment Roll, to “APPENDIX C – Form of Service and Assessment Plan.”

Method of Reallocation of Assessments.

1. Upon Division Prior to Recording of Subdivision Plat

Upon the division of any Improvement Area #1 Assessed Property (without the recording of subdivision plat), the Administrator shall reallocate the Assessment for the Improvement Area #1 Assessed Property prior to the division among the newly divided Assessed Properties according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for the newly divided Improvement Area #1 Assessed Property

B = the Assessment for the Improvement Area #1 Assessed Property prior to division

C = the Estimated Buildout Value of the newly divided Improvement Area #1 Assessed Property

D = the sum of the Estimated Buildout Value for all the newly divided Assessed Properties

The sum of the Assessments for all newly divided Assessed Properties shall equal the Assessment for the Improvement Area #1 Assessed Property prior to subdivision. The calculation shall be made separately for each newly divided Improvement Area #1 Assessed Property. The reallocation of an Assessment for an Improvement Area #1 Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to the above formula shall be reflected in an update to the Service and Assessment Plan approved by the City Council.

2. Upon Subdivision by a Recorded Subdivision Plat

Upon the subdivision of any Improvement Area #1 Assessed Property based on a recorded subdivision plat, the Administrator shall reallocate the Assessment for the Improvement Area #1 Assessed Property prior to the subdivision among the new subdivided Parcel according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the newly subdivided Lot

B = the Assessment for the Parcel prior to subdivision

C = the sum of the Estimated Buildout Value of all newly subdivided Lots with the same Lot Type

D = the sum of the Estimated Buildout Value for all the newly subdivided Lots excluding Non-Benefitted Property

E = the number of Lots with the same Lot Type

Prior to the recording of a subdivision plat, the Developer shall provide the City an Estimated Buildout Value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat.

The sum of the Assessments for all newly subdivided Parcels shall not exceed the Assessment for the portion of the Improvement Area #1 Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Improvement Area #1 Assessed Property. The reallocation of an Assessment for an Improvement Area #1 Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to the above formula shall be reflected in an update to the Service and Assessment Plan approved by the City Council.

3. Upon Consolidation

If two or more Assessed Properties are consolidated, the Administrator shall allocate the Assessments against the Assessed Properties before the consolidation to the consolidated Improvement Area #1 Assessed Property, which allocation shall be approved by the City Council in the next Annual Service Plan Update.

The Assessment for any resulting Lot will not exceed the Maximum Assessment, shown on Exhibit H to the Service and Assessment Plan for the applicable Lot Type, and compliance may require a mandatory Prepayment of Assessments pursuant to Section VI.B of the Service and Assessment Plan.

True-up of Assessments if Maximum Assessment Exceeded. Prior to the approval of a final subdivision plat, the Administrator shall certify that the final plat will not cause the Assessment for any Lot Type to exceed the Maximum Assessment. If the subdivision of any Improvement Area #1 Assessed Property by a final subdivision plat causes the Assessment per Lot for any Lot Type to exceed the applicable Maximum Assessment for such Lot Type, the owner must partially prepay the Assessment for each Improvement Area #1 Assessed Property that exceeds the applicable Maximum Assessment for such Lot Type in an amount sufficient to reduce the Assessment to the applicable Maximum Assessment for such Lot Type. The City's approval of a final subdivision plat without payment of such amounts does not eliminate the obligation of the person or entity filing the plat to pay such Assessments.

Mandatory Prepayment of Assessments. If Improvement Area #1 Assessed Property is transferred to a person or entity that is exempt from payment of the Assessment, the owner transferring the Improvement Area #1 Assessed Property shall pay to the City the full amount of the Assessment, plus Prepayment Costs and any Delinquent Collection Costs, prior to the transfer. If the owner of the Improvement Area #1 Assessed Property causes the Improvement Area #1 Assessed Property to become Non-Benefitted Property, the owner causing the change in status shall pay to the City the full amount of the Assessment, plus Prepayment Costs and any Delinquent Collection Costs, prior to the change in status.

Reduction of Assessments. If, as a result of cost savings or an Improvement Area #1 Project not being constructed, the Actual Costs of completed Improvement Area #1 Projects are less than the Assessments, the City shall direct the Trustee to apply amounts on deposit in the Improvement Area #1 Improvement Account of the Project Fund that are not expected to be used to pay costs of Improvement Area #1 Projects to redeem outstanding Bonds, in accordance with the Indenture.

The City Council may reduce the Assessments and the Annual Installments for Improvement Area #1 Assessed Property (1) in an amount that represents the Improvement Area #1 Projects provided for each property; (2) by an equal percentage per Lot; or (3) in any other manner determined by the City Council to be the most fair and practical means of reducing the Assessments for Improvement Area #1 Assessed Property, such that the sum of the resulting reduced Assessments equals the amount required to repay the Bonds, including interest on the Bonds,

Additional Interest, the Annual Collection Costs portion of the Assessment, as reduced pursuant to the Service and Assessment Plan.

The Administrator shall update (and submit to the City Council for review and approval as part of the next Annual Service Plan Update) the Assessment Roll and corresponding Annual Installments to reflect the reduced Assessments.

The following table provides the initial allocation of Assessments to Improvement Area #1 Parcels by Lot Type.

⁽²⁾ Derived from information in the Service and Assessment Plan.

⁽³⁾ *Preliminary, subject to change.* Pursuant to the Service and Assessment Plan, the Improvement Area #1 Maximum Assessment that can be levied on a Lot within Improvement Area #1 is the amount calculated pursuant to the assessment methodology described in Section V.A of, and shown in Exhibit H to, the Service and Assessment Plan. See "OVERLAPPING TAXES AND DEBT – Overlapping Taxes" and "APPENDIX C – Form of Service and Assessment Plan."

⁽⁴⁾ *Preliminary, subject to change.* Derived from information in the Service and Assessment Plan. Based on Annual Installments due from 2023 to 2051 due to anticipated release of the accounts within the Reserve Fund reducing the Annual Installment due January 31, 2052.

Collection and Enforcement of Assessment Amounts

Under the PID Act, the Annual Installments may be collected in the same manner and at the same time as ad valorem taxes of the City. The Assessments may be enforced by the City in the same manner that an ad valorem tax lien against real property is enforced. Delinquent installments of the Assessments incur interest, penalties, and attorney's fees in the same manner as delinquent ad valorem taxes. Under the PID Act, the Assessment Lien is a first and prior lien against the property assessed, superior to all other liens and claims except liens or claims for State, county, school district or municipality ad valorem taxes. See "BONDHOLDERS' RISKS – Assessment Limitations."

The City will covenant in the Indenture to collect, or cause to be collected, Assessments as provided in the Assessment Ordinance. No less frequently than annually, City staff or a designee of the City shall prepare, and the City Council shall approve, an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include an updated Assessment Roll and a calculation of the Annual Installment for each Parcel. Annual Collection Costs shall be allocated among all Improvement Area #1 Assessed Property in proportion to the amount of the Annual Installments for the Parcels.

The City will covenant, agree, and warrant in the Indenture that, for so long as any Bonds are Outstanding, that it will take and pursue all actions permissible under Applicable Laws to cause the Assessments to be collected and the liens thereof enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws, and, to the extent permitted by Applicable Laws, to cause no reduction, abatement or exemption in the Assessments.

To the extent permitted by law, notice of the Annual Installments will be sent by, or on behalf of, the City to the affected property owners on the same statement or such other mechanism that is used by the City, so that such Annual Installments are collected simultaneously with ad valorem taxes and shall be subject to the same penalties, procedures, and foreclosure sale in case of delinquencies as are provided for ad valorem taxes of the City.

The City will determine or cause to be determined, no later than April 1 of each year, whether or not any Annual Installment is delinquent and, if such delinquencies exist, the City will order and cause to be commenced, as soon as practicable, any and all appropriate and legally permissible actions to obtain such Annual Installment, and any delinquent charges and interest thereon, including diligently prosecuting an action in district court to foreclose the

currently delinquent Annual Installment. Notwithstanding the foregoing, the City shall not be required under any circumstances to purchase or make payment for the purchase of the delinquent Assessment or the corresponding Improvement Area #1 Assessed Property.

The City will generally implement the basic timeline and procedures for Assessment collections and pursuit of delinquencies set forth in Exhibit C of the Continuing Disclosure Agreement of the Issuer set forth in APPENDIX E-1 hereof and to comply therewith to the extent that the City reasonably determines that such compliance is the most appropriate timeline and procedures for enforcing the payment of delinquent Assessments.

The City shall not be required under any circumstances to expend any funds for Delinquent Collection Costs in connection with its covenants and agreements under the Indenture or otherwise other than funds on deposit in the Administrative Fund.

Annual Installments will be paid to the City or its agent. Annual Installments are billed in each year and become delinquent on February 1 of the following year. In the event Assessments are not timely paid, there are penalties and interest as set forth below:

Date Payment <u>Received</u>	Cumulative <u>Penalty</u>	Cumulative <u>Interest</u>	<u>Total</u>
February	6%	1%	7%
March	7%	2%	9%
April	8%	3%	11%
May	9%	4%	13%
June	10%	5%	15%
July	12%	6%	18%

After July, the penalty remains at 12%, and interest increases at the rate of 1% each month. In addition, if an account is delinquent in July, a 20% attorney's collection fee may be added to the total penalty and interest charge. In general, property subject to lien may be sold, in whole or in parcels, pursuant to court order to collect the amounts due. An automatic stay by creditors or other entities, including governmental units, could prevent governmental units from foreclosing on property and prevents liens for post-petition taxes from attaching to property and obtaining secured creditor status unless, in either case, an order lifting the stay is obtained from the bankruptcy court. In most cases, post-petition assessments are paid as an administrative expense of the estate in bankruptcy or by order of the bankruptcy court.

Assessment Amounts

Assessment Amounts. The maximum amounts of the Assessments have been established by the methodology described in the Service and Assessment Plan. The Assessment Roll sets forth for each year the Annual Installment for each parcel consisting of payment of (i) principal, (ii) interest, (iii) Annual Collection Costs, and (iv) Additional Interest. The Annual Installments for Improvement Area #1 may not exceed the amounts shown on the Assessment Roll. The Assessments will be levied against the Parcels comprising the Improvement Area #1 Assessed Property as indicated on the Assessment Roll. See "APPENDIX C – Form of Service and Assessment Plan."

The Annual Installments shown on the Assessment Roll will be reduced to equal the actual costs of repaying the Bonds, the Additional Interest, and actual Annual Collection Costs (as provided for in the definition of such term), taking into consideration any other available funds for these costs, such as interest income on account balances. See "– Assessment Methodology – Reduction of Assessments."

The Bonds are secured by a first lien on and pledge of the Trust Estate, including revenue from the Assessments. See "SECURITY FOR THE BONDS" and "APPENDIX C – Form of Service and Assessment Plan."

Prepayment of Assessments

Voluntary Prepayments. Pursuant to the PID Act and the Indenture, the owner of any property assessed may voluntarily prepay (a “Prepayment”) all or part of any Assessment levied against any Lot or Parcel, together with accrued interest to the date of payment, at any time. Upon receipt of such Prepayment, such amounts will be applied towards the redemption or payment of the Bonds. Amounts received at the time of a Prepayment which represent a payment of principal, interest, or penalties on a delinquent installment of an Assessment are not to be considered a Prepayment, but rather are to be treated as payment of regularly scheduled Assessments.

Mandatory Prepayments. If (i) Improvement Area #1 Assessed Property is transferred to a person or entity that is exempt from the payment of the Assessment under applicable law, or (ii) an owner of Improvement Area #1 Assessed Property causes the Improvement Area #1 Assessed Property to become Non-Benefited Property, the owner of such Improvement Area #1 Assessed Property shall pay to the City the full amount of the Assessment, plus all Prepayment Costs and Delinquent Collection Costs, prior to any such transfer or act (a “Mandatory Prepayment”), in accordance with the Service and Assessment Plan.

Priority of Lien

The Assessments or any reassessment, the expense of collection, and reasonable attorney’s fees, if incurred, constitute a first and prior lien against the property assessed, superior to all other liens and claims except liens or claims for the State, county, school district or municipality ad valorem taxes, and are a personal liability of and charge against the owners of the property regardless of whether the owners are named. The lien is effective from the date of the Assessment Ordinance until the Assessment is paid and may be enforced by the City in the same manner as an ad valorem tax levied against real property may be enforced by the City. The owner of any property assessed may pay the entire Assessment levied against any Lot or Parcel, together with accrued interest and any Prepayment Costs to the date of payment, at any time.

Foreclosure Proceedings

In the event of delinquency in the payment of any Annual Installment, except for unpaid Assessments on homestead property (unless the lien associated with the assessment attached prior to the date the property became a homestead), the City is empowered to order institution of an action in state district court to foreclose the lien of such delinquent Annual Installment. In such action the real property subject to the delinquent Annual Installments may be sold at judicial foreclosure sale for the amount of such delinquent Annual Installments, plus penalties and interest.

Any sale of property for nonpayment of an installment or installments of an Assessment will be subject to the lien established for remaining unpaid installments of the Assessment against such property and such property may again be sold at a judicial foreclosure sale if the purchaser thereof fails to make timely payment of the non-delinquent installments of the Assessments against such property as they become due and payable. Judicial foreclosure proceedings are not mandatory. In the event a foreclosure is necessary, there could be a delay in payments to owners of the Bonds pending prosecution of the foreclosure proceedings and receipt by the City of the proceeds of the foreclosure sale. It is possible that no bid would be received at the foreclosure sale, and in such event, there could be an additional delay in payment of the principal of and interest on Bonds or such payment may not be made in full. The City is not required under any circumstance to purchase or make payment for the purchase of the delinquent Assessment on the corresponding Improvement Area #1 Assessed Property.

The City will covenant in the Indenture to take and pursue all actions permissible under Applicable Laws to cause the Assessments to be collected and the liens thereof enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws, and to cause no reduction, abatement or exemption in the Assessments, provided that the City is not required to expend any funds for collection and enforcement of Assessments other than funds on deposit in the Administrative Fund. Pursuant to the Indenture, Foreclosure Proceeds (excluding Delinquent Collection Costs) constitute Pledged Revenues to be deposited into the Pledged Revenue Fund upon receipt by the City and distributed in accordance with the Indenture. See “APPENDIX B – Form of Indenture. See also “APPENDIX E-1 – Form of Disclosure Agreement of the Issuer” for a description of the expected timing of certain events with respect to collection of the delinquent Assessments.

The City is located in Harris and Montgomery Counties and is approximately 32 miles northwest of the City of Houston on FM Road 2920. The City covers approximately 12.32 square miles.

Population

The Federal Decennial Census information is provided below. The City estimates its 2022 population to be 12,341.

<u>Federal Decennial Census</u>

City Government

The City is a municipal corporation of the State, duly organized and existing under the laws of the State, including the City's Home Rule Charter. The City was incorporated in July of 1933 and first adopted its Home Rule Charter on January 17, 1987. The City operates under a Council-City Manager form of government with a City Council comprised of the Mayor and five Council members elected to serve three-year terms. The Mayor is the official head of City government, and the City Manager acts as the chief administrative officer. The City provides a number of services, including water, sanitary sewer collection and treatment, gas service, police, fire, maintenance of streets and drainage, municipal court, a community center, and parks.

The current members of the City Council and their respective expiration of terms of office, as well as the principal administrators of the City, are noted on page i. See "APPENDIX A – General Information Regarding the City" for more information.

Transportation and Utilities

The City is served by a Burlington Northern system affiliate, with rail spur connections available, and is also served by an Arrow-Trailways bus line. Commercial air service is afforded by the George Bush Intercontinental Airport, William P. Hobby Airport and David Wayne Hooks Memorial Airport, approximately 25 miles, 40 miles and 2 miles from the City, respectively. FM 2920, a four-lane highway, connects the City to Interstate 45 and State Highway 290.

Electricity is supplied by CenterPoint and natural gas by the City. The City supplies potable water from six water wells, five of which are currently in operation, and also provides two wastewater collection and treatment facilities.

Education and Health Care

The City is served by the schools of Tomball Independent School District ("Tomball ISD"). According to its website, Tomball ISD spans 83 square miles in northwest Harris County and southwest Montgomery County, and over 18,000 students in grades pre-kindergarten through 12 across 20 campuses. The district operates two comprehensive high schools, an accelerated high school, six middle schools, 11 elementary schools, a special programs center and an early childcare center. According to the Texas Education Agency annual school report cards, Tomball ISD was rated as "A" for 2018-2019. (The categories for public school districts and public schools are A, B, C, D or F).

Higher education facilities in the area include Lone Star College – Tomball which is a 145-acre campus offering Associate of Applied Science and Associate of Arts Degrees. Other colleges and universities within commuting distance include Houston Baptist University, Prairie View A&M University, Rice University, St. Thomas

University, Sam Houston State University, Texas A&M University, Texas Southern University, and the University of Houston.

The City is served by the non-profit acute general care hospital, Tomball Regional Hospital. Tomball Regional Hospital includes complete diagnostic facilities, a cardiac care unit, 24-hour emergency room, outpatient surgery center, a birthing center, a sports medicine center, home health care and the Texas Wound and Lymphedema Center. Also included with the hospital is The Heritage Retirement Community, which offers independent assisted living, comprehensive living and an Adult Daybreak Center. The City is also served by the for-profit long-term acute care hospital Kindred Hospital. The facility provides intensive care services, endoscopy suites, in-house radiology with CT, hyperbaric oxygen chambers, and 24-hour in-house physician coverage.

City Regulation of Oil and Gas Wells

In 2008, the City enacted an ordinance prohibiting, without a permit, the drilling or deepening of any well, or the conducting of any seismic activity, within 1,000 feet of any residence, building, or other structure intended for human occupancy without a permit. This applies to wells drilled after September 2, 2008, and does not apply to any fully drilled wells in existence prior to September 2, 2008. Accordingly, there are several producing wells within the City limits; although, none in the District. See also “THE DEVELOPMENT – Existing Mineral and Groundwater Rights.”

THE DISTRICT

General

The PID Act authorizes municipalities, such as the City, to create public improvement districts within their boundaries or extraterritorial jurisdiction, and to impose assessments within the public improvement district to pay for certain improvements. The District was created by Resolution No. 2021-04 of the City adopted on January 18, 2021 (the “Creation Resolution”) in accordance with the PID Act for the purpose of undertaking and financing, in phases, the costs of certain public improvements within the District, including the Improvement Area #1 Projects, authorized by the PID Act and approved by the City Council, that confer a special benefit on the portion of the District property being developed. The District is not a separate political subdivision of the State and is governed by the City Council. Maps of the property within the District are included on pages iii-iv hereof.

Powers and Authority of the City

Pursuant to the PID Act, the City may establish and create the District and undertake, or reimburse a developer for the costs of, improvement projects that confer a special benefit on property located within the District, whether located within the City limits or the City’s extraterritorial jurisdiction. The PID Act provides that the City may levy and collect assessments on property in the District, or portions thereof, payable in periodic installments based on the benefit conferred by an improvement project to pay all or part of its cost.

Pursuant to the PID Act and the Creation Resolution, the City has the power to undertake, or reimburse a developer for the costs of, the financing, acquisition, construction, or improvement of the Improvement Area #1 Projects. See “THE IMPROVEMENT AREA #1 PROJECTS.” Pursuant to the authority granted by the PID Act and the Creation Resolution, the City has determined to undertake the construction, acquisition or purchase of certain improvements within the District, which include: (i) design, construction and other allowed costs related to street and roadway improvements, including related sidewalks, drainage, utility relocation, signalization, landscaping, lighting, signage, off-street parking and right-of-way; (ii) design, construction and other allowed costs related to improvement of parks and open space, together with any ancillary structures, features or amenities such as trails, playgrounds, walkways, lighting and any similar items located therein; (iii) design, construction and other allowed costs related to sidewalks and landscaping and hardscaping, fountains, lighting and signage; (iv) design, construction and other allowed costs related to gas, water, wastewater and drainage (including detention) improvements and facilities; (v) design, construction and other allowed costs related to projects similar to those listed in subsections (i) - (iv) above authorized by the PID Act, including similar off-site projects that provide a benefit to the property within the District; (vi) special supplemental services for improvement and promotion of the district; (vii) payment of costs associated with operating and maintaining the public improvements listed in subparagraphs (i) - (v) above; and (viii) payment of

costs associated with developing and financing the public improvements listed in subparagraphs (i) - (v) above, and costs of establishing, administering and operating the District. The City has determined to finance a portion of the costs thereof through the issuance of the Bonds, and to provide for the payment of debt service on the Bonds from the Trust Estate. See “ASSESSMENT PROCEDURES” and “APPENDIX C – Form of Service and Assessment Plan.”

THE IMPROVEMENT AREA #1 PROJECTS

General

The Developer plans to develop the District in at least two, but not more than three, phases (the “Development”). The first phase, which was completed in May 2022, consists of clearing and grubbing and construction of water distribution, wastewater collection, stormwater detention and drainage, natural gas distribution, and street improvements on approximately 33.4418 acres of real property (123 lots) shown as Improvement Area #1 on page v (“Improvement Area #1”), as well as the Improvement Area #1 allocable share of the wastewater collection and stormwater drainage improvements in the District but outside the boundaries of Improvement Area #1 (the “Major Improvements”). The public improvements within Improvement Area #1 and the Improvement Area #1 allocable share of the Major Improvements are, together, the “Improvement Area #1 Projects.” The Improvement Area #1 Projects were designed and constructed in accordance with City standards and specifications and have been accepted by the City. See “APPENDIX C – Form of Service and Assessment Plan.”

Subsequent development is expected to include one or two additional phases, depending on the pace of sales in Improvement Area #1 (see “PLAN OF FINANCE – Status of Builder Contracts” and “THE DEVELOPMENT – Future Improvement Areas and Future Improvement Area Bonds”), and will include public improvements authorized by the PID Act, similar to the Improvement Area #1 Projects, and necessary to serve future phases shown as Future Improvement Areas on page v (the “Future Improvement Areas”), including those improvements described in the Service and Assessment Plan (collectively, the “Authorized Improvements”). See “THE DEVELOPMENT – Overview.” The Developer began design of the second phase of development of the District in February 2022 and expects development of the lots in such phase to be completed by March 2023.

The Improvement Area #1 Projects

Improvement Area #1 contains sixty-six (66) forty-foot (40’) lots and fifty-seven (57) fifty-foot (50’) lots, for a total of 123 Lots. The Developer completed construction of the Improvement Area #1 Projects in May 2022.

Proceeds of the Bonds will be used for the purposes of: (1) paying or reimbursing a portion of the costs of the Improvement Area #1 Projects, (2) funding the Bond Reserve Account of the Reserve Fund, (3) funding a portion of the Delinquency and Prepayment Reserve Account of the Reserve Fund, (4) paying a portion of the costs incidental to the organization of the District, and (5) paying the costs of issuance of the Bonds. All Improvement Area #1 Projects were designed and constructed in accordance with City standards and will be owned and operated by the City.

The Developer is responsible for the completion of the construction, acquisition, or purchase of the Improvement Area #1 Projects. The total costs of the Improvement Area Projects equal approximately \$5,585,051. Proceeds of the Bonds in the approximate amount of \$3,634,820* will be used to reimburse costs of the Improvement Area #1 Projects. The remaining cost of the Improvement Area #1 Projects is approximately \$1,950,231* and was funded by a draw by the Developer on its unsecured line of credit with Wells Fargo Bank. Such remaining cost will not be reimbursed by the City. See “THE DEVELOPER – History and Financing of the District.”

The following table reflects the total expected costs of the Improvement Area #1 Projects. As of May 30, 2022, the Developer has spent approximately \$6.9 million towards the costs of Improvement Area #1 Projects and other improvements and soft costs related to Improvement Area #1 of the District. Soft Costs include costs related to designing, constructing, and installing the Major Improvements including land planning and design, City fees, engineering, soil testing, survey, construction management, and contingency, and District Formation Costs.

Ownership and Maintenance of Improvements

All Improvement Area #1 Projects were designed and constructed in accordance with City standards and will be owned and operated by the City. A homeowner's association will maintain the amenity components of the detention areas.

The Development Agreement

The Developer entered into a Wood Leaf Reserve Development Agreement, dated effective January 18, 2021, with the City (the "Development Agreement"), to establish provisions for the apportionment, levying, and collection of assessments on the property within the District, the construction of the Authorized Improvements, reimbursement, acquisition, ownership and maintenance of certain public improvements within the District, including the Improvement Area #1 Projects (collectively, the "Authorized Improvements"), and the issuance of one or more series of bonds secured by District assessments ("PID Bonds") for the financing of the Authorized Improvements benefitting the property within the District.

In the Development Agreement, the Developer has agreed to undertake or cause the undertaking of the design, development, construction, maintenance, management, use and operation of the Development, and to undertake the design, development and construction of the Authorized Improvements. The Development Agreement provides that the Development will consist of the following elements: (i) up to 318 single-family homes; (ii) a minimum 1-acre recreational reserve, centrally located within the Development which may include a playground, picnic facilities and other recreational components, and (iii) a minimum 30% of the Development to be open space.

Under the Development Agreement, the issuance of PID Bonds is subject to the discretion of the City Council of the City and the following conditions must be satisfied prior to the City's consideration of the sale of PID Bonds:

1. The maximum aggregate par amount of the PID Bonds to be issued by the City shall not exceed \$18,895,633.
2. The maximum "tax rate" for the projected annual assessment for each phase shall be no greater than \$0.90 per \$100 assessed valuation at the time of issuance of each series of PID Bonds; the tax rate limit applies on an individual assessed parcel basis based on the estimated build out value of each parcel.
3. Minimum value to lien ratio of at least 3:1 for each series of PID Bonds; such value shall be confirmed by an appraisal.*
4. The Developer or its affiliates shall own all property within a phase of the District prior to the levy of assessments for such phase.
5. The Developer must provide evidence reasonably acceptable to the City of an executed loan document and/or private equity in an amount sufficient to complete the amenities required for the Development described above.
6. The Developer shall not be in default under the Development Agreement.
7. A site plan including preliminary engineering is approved by City staff for the Authorized Improvements for the phase for which PID Bonds are being issued.

Under the Development Agreement, at closing on any series of PID Bonds intended to fund construction of Authorized Improvements that have not already been constructed by the Developer, the Developer is required deposit with the trustee under the applicable Indenture an amount equal to the difference between the costs of the Authorized Improvements and the net proceeds of the applicable series of PID Bonds.

The Development Agreement may be amended or modified in writing signed by the parties thereto. Any such amendment could affect the security for the Bonds.

This caption contains a brief summary of the Development Agreement. Potential purchasers of the Bonds should review the complete copy of the Development Agreement attached to this Limited Offering Memorandum. See "APPENDIX G – Development Agreement."

THE DEVELOPMENT

Overview

The Development is an approximately 90.54-acre master planned project that is currently located within the corporate limits of the City. The Development is located just east of State Highway 249 (Tomball Parkway) and north of State Highway 99 (The Grand Parkway) between Holderreith Road and Theis Lane. Plans for the Development currently include trails, open space, a lake with fountains and landscaping, and a park with a pavilion and playground. The Developer expects to complete the Development in two or three phases with full buildout estimated by July 2025. The entire Development is located within the corporate limits of the City.

* The par amount of the Bonds does not satisfy the 3:1 ratio. However, the Indenture requires that a portion of the proceeds of the Bonds be "held back" in the Project Fund until such time as the 3:1 ratio is satisfied. See "SECURITY FOR THE IMPROVEMENT AREA #1 BONDS – Project Fund."

The Developer's current expectations regarding estimated home prices in Improvement Area #1 are as follows:

Estimated Home Prices in Improvement Area #1 and Value to Lien Ratios

Lot Size	Quantity ⁽¹⁾	Base Lot Price ⁽¹⁾⁽²⁾⁽³⁾	Average Base Home Price ⁽¹⁾⁽²⁾	Maximum Assessment per Lot ⁽⁴⁾	Estimated Ratio of Value of Average Base Lot Price to Assessment ⁽⁴⁾	Estimated Ratio of Value of Average Base Home Price to Assessment ⁽⁴⁾

(2) Assumes completion of the Improvement Area #1 Projects.

(3) Values based on sales prices in the Developer's purchase and sale agreements with Homebuilder for the Initial Closing, as defined below. Thereafter, the Base Lot Price will increase by an amount equal to the amount of simple interest that accrues on the Base Lot Price for the period elapsing between the date of the Initial Closing and the date on which the purchase of such Lot is closed and funded, at a per annum rate equal to six percent (6%). Additionally, the purchase price for each Lot will be increased by a fence fee equal to \$40 per linear foot for upgraded wood fencing or \$50 per linear foot for masonry fencing.

(4) Preliminary, subject to change.

Status of Lot Purchase and Sale Agreements

The Developer expects to build homes on 62 of the 123 Lots in Improvement Area #1. On March 1, 2022, the Developer signed a contract to sell the remaining 61 Lots in Improvement Area #1 to Shea Homes Houston, LLC, a Texas limited liability company (the "Homebuilder"). The Homebuilder is expected to purchase nine (9) 40' lots and seven (7) 50' lots, including two (2) 50' model lots (the "Initial Closing"), following the issuance by the Texas Railroad Commission of the certification referenced in "– Environmental" below. Following the Initial Closing, the Homebuilder is expected to purchase eight (8) 40' lots and seven (7) 50' lots every three (3) months from the date of the Initial Closing until all 61 Lots have been purchased. The Developer received an earnest money deposit of \$340,000 from the Homebuilder which will be applied to the purchase price of Lots as they are purchased by the Homebuilder.

Future Improvement Areas and Future Improvement Area Bonds

The Developer anticipates developing the Future Improvement Area in one or two additional phases following the development of Improvement Area #1. The Developer projects the following characteristics and timeline for development of the District, but such projections are subject to change based on a variety of factors, many of which are outside of the control of the Developer:

Expected Buildout of the District ⁽¹⁾

Phase	Expected/Actual Lots	Expected/Actual Lot Sizes	Expected/Actual Infrastructure Completion Date	Expected Final Sale Date of Lots to Builders
1 – Developer	33	40'	May 2022	N/A
1 – Developer	29	50'	May 2022	N/A
1 – Homebuilder	33	40'	May 2022	June 2023
1 – Homebuilder	28 ⁽²⁾	50'	May 2022	June 2023
2/3	103	40'	March 2023	September 2024
2/3	73	50'	March 2023	September 2024

(1) Provided by the Developer.

(2) Homebuilder will designate two (2) Improvement Area #1 50' Lots for model homes.

The City expects to issue Future Improvement Area Bonds to finance the Actual Costs of Authorized Improvements within the Future Improvement Areas of the District as the development proceeds. The Future Improvement Area Bonds, if any, will be secured by separate assessments, separate and distinct from the Assessments, levied pursuant to the PID Act on assessable property within the applicable Future Improvement Areas that benefit from the Authorized Improvements being financed.

The Bonds and the Future Improvement Area Bonds, if any, are separate and distinct securities. The City has reserved the right to issue other obligations for any purpose permitted by the PID Act, including those described above, subject to the conditions discussed in “SECURITY FOR THE BONDS – Additional Obligations; Other Obligations or Other Liens.”

Zoning/Permitting

Pursuant to the Development Agreement, the Developer has agreed that development of the District will be governed by the provisions of the City's Code of Ordinances, ordinances not codified, design standards, uniform and international building and construction codes, and other policies duly adopted by the City, including, but not limited to zoning ordinance No. 2020-19, a planned development ordinance created for the District ("Planned Development - 12"). In the Development Agreement, the Developer consented and agreed to the zoning of the District consistent with Planned Development - 12.

Amenities

Plans for the Development currently include the following amenities: a 1.1-acre park with pavilion and playground, a 3.7-acre lake with fountains and landscape, and walking/jogging trails. The Developer estimates the cost of such amenities to be approximately \$635,000, which the Developer expects to pay with cash. Construction of the amenities began in April 2022 and is expected to be completed in October 2022. Upon completion, the HOA is expected to own and maintain the amenities.

Schools

The Development is located entirely within Tomball Independent School District. Students in the Development are expected to attend Tomball Elementary School (EE – 4) (approximately 2 miles from the Development), Tomball Intermediate School (5 – 6) (approximately 2 miles from the Development), Tomball Junior

High School (7 – 8) (approximately 3 miles from the Development) and Tomball High School (9 – 12) (approximately 3 miles from the District).

GreatSchools.org rated Tomball Elementary School a 5-out-of-10, Tomball Intermediate School a 7-out-of-10, Tomball Junior High School a 7-out-of-10, and Tomball High School a 6-out-of-10. According to the Texas Education Agency annual school report cards, Tomball Elementary was rated “C” and Tomball Intermediate and Tomball High School were rated as “B” for 2018-2019 (the last year accountability report cards were issued, due to COVID-19). (The categories for public school districts and public schools are A, B, C, D or F).

Environmental

Environmental Site Assessments performed prior to the Developer’s purchase of the Development identified some isolated areas with elevated levels of metals, the chemicals benzyne, toluene, ethylbenzene and xylene (BTEX), total petroleum hydrocarbons (TPH) and chlorides in the soils. The site was entered into a Voluntary Cleanup Program (“VCP”) with the Texas Railroad Commission prior to Developer’s purchase of the site. The Developer joined with the prior owner of the property in the VCP and has overseen, through DCH Environmental Consultants, LLC (“DCH”), an environmental consultant, the cleanup during development of the tract. All contaminated materials identified have been removed from the developed sections of the site and have been remediated. The VCP is now complete, but the Texas Railroad Commission has not yet certified its closure. The Developer cannot predict when the certificate will be issued.

DHC completed a post cleanup Phase I Environmental Site Assessment of the Development in March 2022. DHC recommended that the Development stay in the VCP until the final certificate of completion is received from the Texas Railroad Commission. No development restrictions or other action was recommended.

Utilities

Water and Wastewater Service. The City will provide both water and wastewater service to end users within the District.

Other Utilities. The Developer expects additional utilities to be provided by: (1) Electric – CenterPoint Energy; (2) Natural Gas – the City; and (3) Telecommunicates – AT&T and Comcast.

Existing Mineral and Groundwater Rights

The Developer has the groundwater rights relative to the land within the District. Mineral rights within the District are owned by persons other than the Developer. There are two active wells and three inactive wells and associated pipelines in the Future Development Area. However, the Developer has obtained surface waivers for the entirety of the District except for designated drill sites and easements outside of the areas to be developed in the District. All five of the wells are located within land reserves. One of the inactive wells is within the primary detention pond for the District and was plugged and abandoned during development. The active wells are located on a 1.6-acre drill site and a 1.9-acre drill site, both shown on page vi.

Other than the two active wells, there is no exploration or production of oil, gas or other mineral or groundwater rights on the property within the District. However, exploration and/or production may be possible on adjacent properties. While adjacent properties may have developable mineral and groundwater rights, the City has enacted an ordinance regulating the drilling, production, and operation of oil and gas wells, the exploration associated with such operations, and the transport of hydrocarbons or wastes associated with these operations, within the regulated area of the City. Such ordinance may make it difficult for owners of such rights to develop same.

Although the Developer does not expect the above-described mineral rights, or the exercise of such rights or any other mineral rights or related real property rights in or around the District, to have a material adverse effect on the Development, the property within the District, or the ability of landowners within the District to pay Assessments, the Developer makes no guarantee as to such expectation. See “BONDHOLDERS’ RISKS – Exercise of Mineral Rights.”

THE DEVELOPER

General

In general, the activities of a developer in a development such as the District include purchasing the land, designing the subdivision, including the utilities and streets to be installed and any community facilities to be built, defining a marketing program and building schedule, securing necessary governmental approvals and permits for development, arranging for the construction of roads and the installation of utilities (including, in some cases, water, sewer, and drainage facilities, as well as telephone and electric service) and selling improved lots and commercial reserves to builders, developers, or other third parties. The relative success or failure of a developer to perform such activities within a development may have a material effect on the security of the revenue bonds, such as the Bonds, issued by a municipality for a public improvement district. A developer is generally under no obligation to develop the property which it owns in a development. Furthermore, there is no restriction on the developer's right to sell any or all of the land which the developer owns within a development. In addition, a developer is ordinarily the major tax and assessment payer within a district during its development. See “BONDHOLDERS’ RISKS – Dependence Upon Developer.”

Description of the Developer

Chesmar, LLC, and Chesmar Homes, LTD, were founded in 2005 and were converted to Chesmar Homes, LLC (the “Developer”) on or about November 11, 2018. As of July 1, 2022, the Developer is owned in its entirety by Chesmar Holdings, LLC, a Delaware limited liability company (“Chesmar Holdings”), the sole member of which is SH Residential Holdings, LLC, a Delaware limited liability company. The sole member of SH Residential Holdings, LLC, is Sekisui House US Holdings, LLC, a Delaware limited liability company, which owned entirely by Sekisui House Ltd., a Japanese entity and one of Japan’s largest homebuilders. Sekisui House Ltd. is a publicly traded company listed on the NASDAQ stock exchange under the ticker symbol “SKHSF.”

Donald P. Klein is the founder and Chief Executive Officer of the Developer. Additionally, Mr. Klein is the Manager and sole member of Affinity Development Company, LLC (“Affinity”), a land development company also founded in 2005. Mr. Klein is an honors graduate of the University of Maryland where he received his degree in Accounting in 1974.

In its second full year of operation ending in 2007, the Developer closed 357 homes and was the second fastest growing builder in the Houston market. Since that time, the Developer has grown to six active building divisions in Houston, San Antonio, Central Texas, Austin and Dallas with home closings totaling 1,692 in 2020.

Both the Developer and Affinity have been involved in land development projects since 2005. Combined, the companies have completed eight projects totaling 1,781 single-family residential lots and currently have two projects under development that will produce a combined 1,081 single-family lots at completion.

Mr. Klein formed both companies after leaving his position as City President for the Lennar Corporation in 2005, where he directed the overall management and operation of homebuilding and land development in the Houston market. During his five years as City President, Lennar grew its business from 2,082 closings and \$390 million in revenue to 4,174 closings and \$724 million in revenue in 2004. Over this same period, Lennar’s Houston operations grew from 2 housing divisions and 1 land division to 6 housing divisions and 2 land divisions as the company garnered one of the highest market shares for a national builder in a top ten U.S. market.

The second land division launched during Mr. Klein’s tenure was Lennar Houston Land, which was exclusively conceived by Mr. Klein in 2001 as a needed complement to homebuilding operations. In four years, this division grew from two projects to over twenty projects that produced in excess of \$10 million annual profit in 2004.

Development operations for both organizations have been managed by Ron Brooks since 2005. Mr. Brooks has been involved in residential development for 20 years, including 4 years with Lennar Homes of Texas where he was directly responsible for the development of seven communities totaling over 2,000 residential home sites. Mr.

Brooks is a graduate of Texas A&M University, where he received a Bachelor of Science in Civil Engineering (1982) and a Master of Science in Land and Real Estate Development (1997).

The projects undertaken by the Developer and Affinity in the Houston market have primarily been within municipal utility districts (“MUDs”), the most common project financing vehicle in this market area. One development project was located in a Tax Increment Reinvestment Zone rather than a MUD and was successfully completed in the City of Baytown. Otherwise, experience with public improvement districts in Houston has been limited to a single community developed by others in the City of Conroe and the present Wood Leaf Reserve in the City of Tomball.

History and Financing of the District

The Property Acquisition. The Developer was formed for the purpose, among other things, of acquiring and developing property within the District. The Developer acquired the real property comprising the District in September 2020 for \$4,978,358 using a line of credit from Wood Forest Bank. That line of credit was subsequently terminated and moved to Wells Fargo Bank. The Developer owns the Improvement Area #1 Assessed Property free and clear of any liens.

The Development Financing. Prior to its purchase by Chesmar Holdings, the Developer had a \$175,000,000 unsecured line of credit with Wells Fargo Bank for the purpose of, among other things, financing land acquisition, land development and home construction for multiple operating divisions within the company, including paying taxes, insurance and certain of the costs associated with the development of Improvement Area #1 and the Future Improvement Areas. Such line of credit was terminated in connection with the purchase of the Developer by Chesmar Holdings. Future phases are expected to be funded with corporate funds. See “THE DEVELOPER – Description of the Developer.”

THE PID ADMINISTRATOR

The following information has been provided by P3Works, LLC, as the Administrator. Certain of the following information is beyond the direct knowledge of the City and the Underwriter, and neither the City nor the Underwriter have any way of guaranteeing the accuracy of such information.

The City has selected P3Works, LLC as the initial Administrator. The City has entered into an agreement for administration of the District with the Administrator to provide specialized services related to the administration of the District needed to support the issuance of the Bonds. The Administrator will primarily be responsible for preparing the annual update to the Service and Assessment Plan. The Administrator is a consulting firm focused on providing special taxing district services relating to the formation and administration of public improvement districts, and is based in Austin, Houston, and North Richland Hills, Texas.

The Administrator’s duties will include:

- Preparation of the annual update to the Service and Assessment Plan
- Preparation of assessment rolls for County billing and collection
- Establishing and maintaining a database of all County parcel IDs within the District
- Trust account analysis and reconciliation
- Property owner inquiries

APPRAISAL

Barletta & Associates, Inc. (the “Appraiser”), prepared an appraisal report for the City dated November 5, 2021, based upon a physical inspection of the District conducted on October 30, 2021 (the “Appraisal”). The Appraisal was prepared at the request of the City and is addressed solely to the Underwriter for use in preparing an estimated value of property in connection with the issuance of the Bonds. The estimates of value presented in the Appraisal are no indication of the appraised property’s actual market value and do not address the value or benefit of the Authorized Improvements. Investors should not assume that the disposition of the lots in Improvement Area #1 in the event of default would provide sufficient funds to pay the principal of Bonds outstanding at that time. The Appraisal does not constitute a recommendation to any person to purchase or sell the Bonds. The description herein of the Appraisal is intended to be a brief summary only of the Appraisal as it relates to Improvement Area #1 of the District. The Executive Summary of the Appraisal is attached hereto as APPENDIX F and should be read in its entirety. For a complete copy of the Appraisal Report, please contact the Underwriter using the contact information on page 1. The conclusions reached in the Appraisal are subject to certain assumptions, hypothetical conditions and qualifications, which are set forth therein. See “APPENDIX F – Appraisal.”

The Appraiser estimated the bulk market value of the fee simple interest in the land comprising Improvement Area #1 (described as “Section 1” in the Appraisal) of the District by gathering comparable market data and conducting a study of the market area for the purpose of providing the Appraiser’s opinion of the “Upon Completion” bulk market value of the 123 proposed lots in Improvement Area #1.

The sales comparison approach was used to conclude the market values of the bulk and retail revenue of the existing and proposed residential lots. An income approach retail sell-out technique was then employed to derive the indicated “upon completion” bulk market values of the proposed lots in Improvement Area #1. See “APPENDIX F – Appraisal.”

The value estimate for the assessable property within Improvement Area #1 of the District using the methodologies described in the Appraisal and subject to the limiting conditions and assumptions set forth in the Appraisal, is \$6,100,000, based on an effective date of January 15, 2022.

None of the City, the Developer nor the Underwriter makes any representation as to the accuracy, completeness, assumptions, or information contained in the Appraisal. The assumptions or qualifications with respect to the Appraisal are contained therein. There can be no assurance that any such assumptions will be realized, and the City, the Developer and the Underwriter make no representation as to the reasonableness of such assumptions.

In connection with the preparation of the Appraisal, the Appraiser may have reviewed the information supplied or otherwise made available to it by the City for reasonableness, has assumed and relied upon the accuracy and completeness of all such information and of all information supplied or otherwise made available to it by any other party, and did not undertake any duty or responsibility to verify independently any of such information. The Appraiser has not made or obtained, nor will it make or obtain, an independent valuation or appraisal of any other assets or liabilities (contingent or otherwise) other than the property in Improvement Area #1. With respect to operating or financial forecasts and other information and data provided to or otherwise reviewed by or discussed with the Appraiser, the Appraiser has assumed that such forecasts and other information and data were reasonably prepared in good faith on bases reflecting the best currently available estimates and judgments of the City’s employees, representatives and advisors, as well as any corrections or updates to such forecasts and other information and data.

In performing its analyses, the Appraiser has made numerous other assumptions with respect to general business, economic and regulatory conditions and other matters, many of which are beyond the Appraiser’s control and the City’s control, as well as certain factual matters. For example, the Appraiser assumed that the Developer has clear and marketable title to the property in the District, that no title defects exist unless the Appraiser was specifically informed to the contrary, that improvements were made in accordance with law, that no hazardous materials are present or were present previously, that no deed restrictions exist, and that no changes to zoning ordinances or regulations governing use, density or shape are pending or being considered. Furthermore, the Appraiser’s analysis, opinions and conclusions are necessarily based upon market, economic, financial and other circumstances and conditions existing prior to the valuation. The foregoing is a summary of the standard assumptions, qualifications and limitations that generally apply to the Appraiser’s appraisal reports.

The Appraiser confirms that the valuations included in the Appraisal were prepared in conformity with the Uniform Standards of Professional Appraisal Practice (USPAP) and the requirements of the Code of Professional Ethics and Standards of Professional Appraisal Practice of the Appraisal Institute.

Caution should be exercised in the evaluation and use of appraisal results. An appraisal is an estimate of market value as of a specified date based upon assumptions and limiting conditions and any extraordinary assumptions specific to the relevant valuation. It is not a precise measure of value but is based on a subjective comparison of related activity taking place in the real estate market. The valuation set forth in the Appraisal is based on various assumptions of future expectations and while the Appraiser's internal forecasts of net operating income for the properties in Improvement Area #1 is considered by the Appraiser to be reasonable at the current time, some of the assumptions may not materialize or may differ materially from actual experience in the future.

The Bonds will not necessarily trade at values determined solely by reference to the underlying value of the properties in the District.

The intended use and user of the Appraisal are specifically identified in the Appraisal as agreed upon in the contract for services and/or reliance language found in the Appraisal. Barletta & Associates, Inc. has consented to the use of the Appraisal in this Limited Offering Memorandum in connection with the issuance of the Bonds. No other use or user of the Appraisal is permitted by any other party for any other purpose.

BONDHOLDERS' RISKS

Before purchasing any of the Bonds, prospective investors and their professional advisors should carefully consider all of the risk factors described below which may create possibilities wherein interest may not be paid when due or that the Bonds may not be paid at maturity or otherwise as scheduled, or, if paid, without premium, if applicable. The following risk factors (which are not intended to be an exhaustive listing of all possible risks associated with an investment in the Bonds) should be carefully considered prior to purchasing any of the Bonds. Moreover, the order of presentation of the risks summarized below does not necessarily reflect the significance of such investment risks.

THE BONDS ARE SPECIAL, LIMITED OBLIGATIONS OF THE CITY PAYABLE SOLELY FROM THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. THE BONDS DO NOT GIVE RISE TO A CHARGE AGAINST THE GENERAL CREDIT OR TAXING POWER OF THE CITY AND ARE PAYABLE SOLELY FROM THE SOURCES IDENTIFIED IN THE INDENTURE. THE OWNERS OF THE BONDS SHALL NEVER HAVE THE RIGHT TO DEMAND PAYMENT THEREOF OUT OF MONEY RAISED OR TO BE RAISED BY TAXATION, OR OUT OF ANY FUNDS OF THE CITY OTHER THAN THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. NO OWNER OF THE BONDS SHALL HAVE THE RIGHT TO DEMAND ANY EXERCISE OF THE CITY'S TAXING POWER TO PAY THE PRINCIPAL OF THE BONDS OR THE INTEREST OR REDEMPTION PREMIUM, IF ANY, THEREON. THE CITY SHALL HAVE NO LEGAL OR MORAL OBLIGATION TO PAY THE BONDS OUT OF ANY FUNDS OF THE CITY OTHER THAN THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE.

General

The ability of the City to pay debt service on the Bonds as due is subject to various factors that are beyond the City's control. These factors include, among others, (a) the ability or willingness of property owners within the District to pay Assessments levied by the City, (b) cash flow delays associated with the institution of foreclosure and enforcement proceedings against property within Improvement Area #1 of the District, (c) general and local economic conditions that may impact real property values, the ability to liquidate real property holdings and the overall value of real property development projects, and (d) general economic conditions which may impact the general ability to market and sell the Lots within the District, it being understood that poor economic conditions within the City, State and region may slow the assumed pace of sales of such Lots.

The rate of development of the property in the District is directly related to the vitality of the residential housing industry. In the event that the sale of the Lots within the District should proceed more slowly than expected and the Developer is unable to pay the Assessments, only the value of the Lots, with improvements, will be available for payment of the debt service on the Bonds, and such value can only be realized through the foreclosure or expeditious liquidation of the lands within Improvement Area #1. There is no assurance that the value of such lands will be sufficient for that purpose and the expeditious liquidation of real property through foreclosure or similar means is generally considered to yield sales proceeds in a lesser sum than might otherwise be received through the orderly marketing of such real property.

The Underwriter is not obligated to make a market in or repurchase any of the Bonds, and no representation is made by the Underwriter, the City, or the City's Financial Advisor that a market for the Bonds will develop and be maintained in the future. If a market does develop, no assurance can be given regarding future price maintenance of the Bonds.

The City has not applied for or received a rating on the Bonds. The absence of a rating could affect the future marketability of the Bonds. There is no assurance that a secondary market for the Bonds will develop or that holders who desire to sell their Bonds prior to the stated maturity will be able to do so.

Deemed Representations and Acknowledgment by Purchasers

Each purchaser of Bonds ("Investor") will be deemed to have acknowledged and represented to the City the matters set forth under the heading "LIMITATIONS APPLICABLE TO INITIAL PURCHASERS" which include, among others, a representation and acknowledgment that the purchase of the Bonds involves investment risks, certain of which are set forth under this heading "BONDHOLDERS' RISKS" and elsewhere herein, and each Investor, either alone or with its purchaser representative(s) (as defined in Rule 501(h) of Regulation D under the Securities Act), has sophisticated knowledge and experience in financial and business matters and the capacity to evaluate such risks in making an informed investment decision to purchase the Bonds, and the Investor can afford a complete loss of its investment in the Bonds.

Infectious Disease Outbreak

In March 2020, the World Health Organization and the President of the United States separately declared the outbreak of a respiratory disease caused by a novel coronavirus ("COVID-19") to be a public health emergency. On March 13, 2020, the Governor of Texas (the "Governor") declared a state of disaster for all counties in the State because of the effects of COVID-19. Subsequently, in response to a rise in COVID-19 infections in the State of Texas ("Texas") and pursuant to Chapter 418 of the Texas Government Code, the Governor issued a number of executive orders intended to help limit the spread of COVID-19 and mitigate injury and the loss of life, including limitations imposed on business operations, social gatherings, and other activities. Since such time, COVID-19 negatively affected commerce, travel and businesses locally and globally, and negatively affected economic growth worldwide and within the State. Following the widespread release and distribution of various COVID-19 vaccines in 2021 and a decrease in active COVID-19 cases generally in the United States, state governments (including Texas) have started to lift business and social limitations associated with COVID-19. Beginning in March 2021, the Governor issued various executive orders, which, among other things, rescinded and superseded prior executive orders and provide that there are currently no COVID-19 related operating limits for any business or other establishment.

The Governor retains the right to impose additional restrictions on activities if needed to mitigate the effects of COVID-19. Additional information regarding executive orders issued by the Governor is accessible on the website of the Governor at <https://gov.texas.gov/>. Neither the information on (nor accessed through) such website of the Governor is incorporated by reference, either expressly or by implication, into this Report.

With the easing or removal of COVID-19 associated governmental restrictions, economic activity has increased. However, there are no assurances that such increased economic activity will continue or continue at the same rate, especially if there are future outbreaks of COVID-19. The City has not experienced any decrease in property values, unusual tax delinquencies, or interruptions to service as a result of COVID-19; however, the City cannot predict the long-term economic effect of COVID-19 or a similar virus should there be a reversal of economic activity and re-imposition of restrictions.

The Bonds are secured primarily by Assessments levied on benefitted property within the District. If Lot or home sales are negatively impacted by the continuation or escalation of the Pandemic, the Developer will continue to be responsible for the payment of the Assessments as long as it owns such Lots.

The City continues to monitor the spread of COVID-19 and is working with local, State, and national agencies to address the potential impact of the Pandemic upon the City. While the City has experienced growth in its assessed valuation during the Pandemic, the continued outbreak of COVID-19 could have an adverse effect on the City's operations and financial condition. None of the City, the Financial Advisor, the Underwriter, or the Developer can predict the impact the Pandemic may have on the City, the financial and operating condition of the Developer, the projected buildout schedule, home prices and buildout values, or an investment in the Bonds.

Failure or Inability to Complete Proposed Development

Proposed development within the District may be affected by changes in general economic conditions, fluctuations in the real estate market and interest rates, changes in the income tax treatment of real property ownership, unexpected increases in development costs and other similar factors as well as availability of utilities and the development or existence of environmental concerns with such land. See “– Availability of Utilities” and “– Hazardous Substances” below. Land development within the District could also be affected adversely by changes in governmental policies, including, but not limited to, governmental policies to restrict or control development. (Any approvals needed in the future for the Development must come from the City.) There can be no assurances that other similar projects will not be developed in the future or that existing projects will not be upgraded or otherwise able to compete with the Development. A slowdown of the development process and the related absorption rate within the Development because of any or all of the foregoing could affect adversely land values. THE TIMELY PAYMENT OF THE BONDS DEPENDS UPON THE WILLINGNESS AND ABILITY OF THE DEVELOPER AND ANY SUBSEQUENT OWNERS TO PAY THE IMPROVEMENT AREA #1 ASSESSMENTS WHEN DUE. ANY OR ALL OF THE FOREGOING COULD REDUCE THE WILLINGNESS AND THE ABILITY OF SUCH OWNERS TO PAY THE IMPROVEMENT AREA #1 ASSESSMENTS AND COULD GREATLY REDUCE THE VALUE OF PROPERTY WITHIN IMPROVEMENT AREA #1 IN THE EVENT SUCH PROPERTY HAS TO BE FORECLOSED UPON. In that event, there could be a default in the payment of the Bonds.

Absorption Rate

There can be no assurance that the Developer or the Homebuilder will be able to achieve their anticipated absorption rates. Failure to achieve the absorption rate estimates will adversely affect the estimated value of the lots being assessed, could impair the economic viability of the Development and could reduce the ability or desire of property owners to pay the Assessments.

The Developer is constructing homes on approximately half of the Lots in Improvement Area #1. Consequently, the Developer will not be able to affect or control the absorption rate of homes within approximately half of Improvement Area #1.

Assessment Limitations

Annual Installments of the Assessments are billed to property owners in Improvement Area #1 of the District. Annual Installments are due and payable, and bear the same penalties and interest for non-payment, as for ad valorem taxes as set forth under “ASSESSMENT PROCEDURES.” Additionally, Annual Installments established by the Service and Assessment Plan correspond in number and proportionate amount to the number of installments and principal amounts of Bonds maturing in each year, Annual Collection Costs, the Additional Interest and amounts due pursuant to a reimbursement agreement. See “ASSESSMENT PROCEDURES.” The unwillingness or inability of a property owner to pay regular property tax bills as evidenced by property tax delinquencies may also indicate an unwillingness or inability to make regular property tax payments and Annual Installments of Assessments in the future.

In order to pay debt service on the Bonds, it is necessary that Annual Installments are paid in a timely manner. Due to the lack of predictability in the collection of Annual Installments in the District, the City has established a Bond Reserve Account in the Reserve Fund, to be funded from the proceeds of the Bonds, to cover delinquencies. The Annual Installments are secured by the Assessment Lien. However, there can be no assurance that foreclosure proceedings will occur in a timely manner so as to avoid depletion of the Bond Reserve Account and delay in payments of debt service on the Bonds. See “BONDHOLDERS’ RISKS – Bondholders’ Remedies and Bankruptcy.”

Upon an ad valorem tax lien foreclosure event of a property within Improvement Area #1, any Assessment that is also delinquent will be foreclosed upon in the same manner as the ad valorem tax lien (assuming all necessary conditions and procedures for foreclosure are duly satisfied). To the extent that a foreclosure sale results in insufficient funds to pay in full both the delinquent ad valorem taxes and the delinquent Assessments, the liens securing such delinquent ad valorem taxes and delinquent Assessments would likely be extinguished. Any remaining unpaid balance of the delinquent Assessments would then be an unsecured personal liability of the original property owner.

Based upon the language of Texas Local Government Code, § 372.017(b), case law relating to other types of assessment liens and opinions of the Texas Attorney General, the Assessment Lien as it relates to installment payments that are not yet due should remain in effect following an ad valorem tax lien foreclosure, with future installment payments not being accelerated. Texas Local Government Code § 372.018(d) supports this position, stating that an Assessment Lien runs with the land and the portion of an assessment payment that has not yet come due is not eliminated by foreclosure of an ad valorem tax lien.

The Assessment Lien is superior to any homestead rights of a property owner that were properly claimed after the adoption of the Assessment Ordinance. However, an Assessment Lien may not be foreclosed upon if any homestead rights of a property owner were properly claimed prior to the adoption of the Assessment Ordinance (“Pre-existing Homestead Rights”) for as long as such rights are maintained on the property. It is unclear under Texas law whether or not Pre-existing Homestead Rights would prevent the Assessment Lien from attaching to such homestead property or instead cause the Assessment Lien to attach, but remain subject to, the Pre-existing Homestead Rights.

Under Texas law, in order to establish homestead rights, the claimant must show a combination of both overt acts of homestead usage and intention on the part of the owner to claim the land as a homestead. Mere ownership of the property alone is insufficient and the intent to use the property as a homestead must be a present one, not an intention to make the property a homestead at some indefinite time in the future. As of the date of adoption of the Assessment Ordinance, no such homestead rights had been claimed. Furthermore, the Developer is not eligible to claim homestead rights and the Developer represents that it owns all property within the District as of the date of the Assessment Ordinance. Consequently, there are and can be no homestead rights on the Improvement Area #1 Assessed Property superior to the Assessment Lien and, therefore, the Assessment Liens may be foreclosed upon by the City.

Failure by owners of the parcels to pay Annual Installments when due, depletion of the Bond Reserve Account and Delinquency and Prepayment Reserve Account, delay in foreclosure proceedings, or the inability of the City to sell parcels which have been subject to foreclosure proceedings for amounts sufficient to cover the delinquent installments of Assessments levied against such parcels may result in the inability of the City to make full or punctual payments of debt service on the Bonds.

THE IMPROVEMENT AREA #1 ASSESSMENTS CONSTITUTE A FIRST AND PRIOR LIEN AGAINST THE PROPERTY ASSESSED, SUPERIOR TO ALL OTHER LIENS AND CLAIMS EXCEPT LIENS AND CLAIMS FOR STATE, COUNTY, SCHOOL DISTRICT OR MUNICIPALITY AD VALOREM TAXES AND ARE A PERSONAL OBLIGATION OF AND CHARGE AGAINST THE OWNERS OF PROPERTY LOCATED WITHIN IMPROVEMENT AREA #1.

Competition

The housing industry in the Houston MSA area is very competitive, and none of the Developer, the City, the City’s Financial Advisor or the Underwriter can give any assurance that the building programs that are planned will ever commence. The competitive position of the Developer in the sale of developed lots or of any homebuilder in the

construction and sale of single-family residential units is affected by most of the factors discussed in this section, and such competitive position is directly related to maintenance of market values in the District.

Competitive projects in the area include, but are not limited to:⁽¹⁾

Project Name	Number of Units	Units Remaining	Proximity to District	Developer	Start of Home Construction	Prices
Alexander Estates	251	156	3 miles	Meritage Homes/Lennar	Q3 2020	\$340,000 - \$450,000
Cherry Pines	305	168	Adjacent	Meritage Homes	Q2 2020	\$320,000 - \$380,000
Cherrywood Estates	58	58	1 mile	Bold Fox/Chesmar	Q2 2021	\$350,000 - \$400,000
Raburn Reserve	349	349	3.8 miles	Hines Interests	Q4 2021	\$380,000 - \$520,000

⁽¹⁾ Provided by the Developer from Metrostudy 2021 year-end report. Except for Cherry Pines, all of such projects are located either in a public improvement district or municipal utility district.

Bankruptcy

The payment of Assessments and the ability of the City to foreclose on the lien of a delinquent unpaid Assessment may be limited by bankruptcy, insolvency or other laws generally affecting creditors' rights or by the laws of the State relating to judicial foreclosure. Although bankruptcy proceedings would not cause the Assessments to become extinguished, bankruptcy of a property owner in all likelihood would result in a delay in prosecuting foreclosure proceedings. Such a delay would increase the likelihood of a delay or default in payment of the principal of and interest on the Bonds, and the possibility that delinquent Assessments might not be paid in full.

Direct and Overlapping Indebtedness, Assessments and Taxes

The ability of an owner of property within the District to pay the Assessments could be affected by the existence of other taxes and assessments imposed upon the property. Public entities whose boundaries overlap those of the District currently impose ad valorem taxes on the property within the District and will likely do so in the future. Such entities could also impose assessment liens on the property within the District. The imposition of additional liens, whether from taxes, assessments or private financing, may reduce the ability or willingness of the landowners to pay the Assessments. See "OVERLAPPING TAXES AND DEBT."

Depletion of Reserve Fund; No Prefunding of Delinquency and Prepayment Reserve Account

Failure of the owners of property within the District to pay the Assessments when due could result in the rapid, total depletion of the accounts in the Reserve Fund prior to replenishment from the resale of property upon a foreclosure or otherwise or delinquency redemptions after a foreclosure sale, if any. There could be a default in payments of the principal of and interest on the Bonds if sufficient amounts are not available in the Reserve Fund. The Delinquency and Prepayment Reserve Account of the Reserve Fund is only partially funded from the proceeds of the Bonds. The remainder of the Delinquency and Prepayment Reserve Requirement of the Delinquency and Prepayment Reserve Account is accumulated over the course of approximately 10 years by the mechanism described in "SECURITY FOR THE BONDS – Delinquency and Prepayment Reserve Account of the Reserve Fund." The Indenture provides that if, after a withdrawal from the Bond Reserve Account of the Reserve Fund, the amount in the Bond Reserve Account of the Reserve Fund is less than the Bond Reserve Account Requirement or the Delinquency and Prepayment Reserve Requirement, as applicable, the Trustee shall transfer an amount from the Pledged Revenue Fund to the Bond Reserve Account of the Reserve Fund sufficient to cure such deficiency, as described under "SECURITY FOR THE BONDS – Bond Reserve Account" and "– Delinquency and Prepayment Reserve Account."

Hazardous Substances

While governmental taxes, assessments and charges are a common claim against the value of a parcel, other less common claims may be relevant. One of the most serious in terms of the potential reduction in the value that may

be realized to the assessment is a claim with regard to a hazardous substance. In general, the owners and operators of a parcel may be required by law to remedy conditions relating to releases or threatened releases of hazardous substances. The federal Comprehensive Environmental Response, Compensation and Liability Act of 1980, sometimes referred to as “CERCLA” or the “Superfund Act,” is the most well-known and widely applicable of these laws. It is likely that, should any of the Parcels of land located in the District be affected by a hazardous substance, the marketability and value of Parcels would be reduced by the costs of remedying the condition, because the purchaser, upon becoming owner, will become obligated to remedy the condition just as is the seller.

The value of the land within the District does not take into account the possible liability of the owner for the remedy of a hazardous substance condition of a Parcel. The City has not independently verified, and is not aware, that the Developer has such a current liability with respect to such Parcel; however, it is possible that such liabilities do currently exist and that the City is not aware of them.

Further, it is possible that liabilities may arise in the future with respect to any of the land within the District resulting from the existence, currently, of a substance presently classified as hazardous but which has not been released, or the release of which is not presently threatened, or may arise in the future resulting from the existence, currently, on a Parcel of a substance not presently classified as hazardous but which may in the future be so classified. Further, such liabilities may arise not simply from the existence of a hazardous substance but from the method of handling it. All of these possibilities could significantly affect the value of a Parcel that is realizable upon a delinquency.

See “THE DEVELOPMENT – Environmental” for discussion of the ESAs performed on property within the District.

Regulation

Development within the District may be subject to future federal, State and local regulations. Approval may be required from various agencies from time to time in connection with the layout and design of development in the District, the nature and extent of public improvements, land use, zoning and other matters. Failure to meet any such regulations or obtain any such approvals in a timely manner could delay or adversely affect development in the District and property values.

Recent Changes in State Law Regarding Public Improvement Districts

The 87th Legislature passed HB 1543, which became effective September 1, 2021, and requires a person who proposes to sell or otherwise convey real property within a public improvement district to provide to the purchaser of the property, before the execution of a binding contract of purchase and sale, written notice of the obligation to pay public improvement district assessments, in accordance with Section 5.014, Texas Property Code, as amended. In the event a contract of purchase and sale is entered into without the seller providing the notice, the intended purchaser is entitled to terminate the contract of purchase and sale. If the Developer or homebuilders within Improvement Area #1 do not provide the required notice and prospective purchasers of property within Improvement Area #1 terminate a purchase and sale contract, the anticipated absorption schedule may be affected. In addition to the right to terminate the purchase contract, a property owner who did not receive the required notice is entitled, after sale, to sue for damages for (i) all costs relative to the purchase, plus interest and reasonable attorney’s fees, or (ii) an amount not to exceed \$5,000, plus reasonable attorney’s fees. In a suit filed pursuant to clause (i), any damages awarded must go first to pay any outstanding liens on the property. In such an event, the outstanding Assessments on such property should be paid. On payment of all damages respectively to the lienholders and purchaser pursuant to clause (i), the purchaser is required to reconvey the property to the seller. Further, if the Developer or homebuilders within the Improvement Area #1 do not provide the required notice and become liable for monetary damages, the anticipated buildout and absorption schedule may be affected. No assurances can be given that the projected buildout and absorption schedules presented in this Limited Offering Memorandum will be realized. The form of notice to be provided to homebuyers is attached as Exhibit N to the Service and Assessment Plan. See “Appendix C – Form of Service and Assessment Plan.”

Potential Future Changes in State Law Regarding Public Improvement Districts

During Texas legislative sessions and interim business of the Texas legislature, various proposals and reports have been presented by committees of Texas Senate and Texas House of Representative which suggest or recommend changes to the PID Act relating to oversight of bonds secured by special assessments, including adopting requirements relating to levels of build out or adding State level oversight in connection with the issuance of bonds secured by special assessments under the PID Act. The 87th Legislative Session of the State ended on May 31, 2021, without any legislation being passed by either chamber of the Texas legislature recommending oversight of bonds secured by assessments. The Governor called three special legislative sessions, which all concluded without any legislation being introduced or passed related to the oversight of bonds secured by assessments. It is impossible to predict what bills may be introduced during upcoming legislative sessions and, if passed, the impact that any future legislation will or may have on the security for the Bonds.

100-Year Flood Plain and Severe Weather Events

According to the Federal Emergency Management Agency's flood map 48201C0230L, effective June 2007, none of Improvement Area #1 is located within the 100-year flood plain. Approximately one-third of the District is located within the 100-year flood plain, all within the Future Improvement Areas. The Developer expects the majority of the areas within the flood plain to be used for detention, mitigation and park space. Areas within the flood plain that the Developer expects to be used for residential Lots have been filled and are expected to be subject to a future Letter of Map Revision.

The District is located near the Texas Gulf Coast. Land located in this area is susceptible to high winds, heavy rain and flooding caused by hurricanes, tropical storms, and other tropical disturbances. The greater Houston area has experienced four storms exceeding a 0.2% probability (i.e., "500-year flood" event) since 2015. Several of these storms, including Hurricane Harvey and Tropical Storm Imelda, resulted in widespread damages to residential and commercial properties in the greater Houston area. If a future weather event significantly damaged all or part of the properties comprising the tax base within the City, the assessed value of property within the City could be substantially reduced, which could result in a decrease in tax revenues and/or necessitate an increase the City's tax rate. There can be no assurance that a casualty loss to taxable property within the City or the District will be covered by insurance (or that property owners will even carry flood or other casualty insurance), that any insurance company will fulfill its obligation to provide insurance proceeds, or that insurance proceeds will be used to rebuild or repair any damaged improvements within the City or the District. Even if insurance proceeds are available and improvements are rebuilt, there could be a lengthy period in which assessed values within the City or the value of property within the District could be adversely affected.

In February 2021, much of Texas, including the City, was impacted by Winter Storm Uri, which resulted in disruptions in the Electric Reliability Council of Texas power grid and prolonged blackouts throughout the State. It is impossible to predict whether similar events will occur in the future and the impact they may have on the City, including land within the District.

Exercise of Mineral Rights

As described herein under "THE DEVELOPMENT – Existing Mineral and Groundwater Rights," there are certain mineral rights reservations located within the District and not owned by the Developer. There may also be additional mineral rights and related real property rights reflected in the chain of title for the real property within the District recorded in the real property records of Harris County.

The Developer does not expect the existence or exercise of any mineral rights or related real property rights in or around the District to have a material adverse effect on the Development, the property within the District, or the ability of landowners within the District to pay Assessments. However, none of the City, the Financial Advisor or the Underwriter provide any assurances as to such Developer expectations.

Bondholders' Remedies and Bankruptcy

In the event of default in the payment of principal of or interest on the Bonds or the occurrence of any other Event of Default under the Indenture, the Trustee may, and at the written direction of the Owners of at least twenty-five percent (25%) of the Bonds then Outstanding and its receipt of indemnity satisfactory to it shall, proceed against the City for the purpose of protecting and enforcing the rights of the Owners under the Indenture, by action seeking mandamus or by other suit, action, or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief to the extent permitted by the Indenture or Applicable Laws, including, but not limited to, the specific performance of any covenant or agreement contained therein, or injunction; provided, however, that no action for money damages against the City may be sought or shall be permitted.

The issuance of a writ of mandamus may be sought if there is no other available remedy at law to compel performance of the City's obligations under the Bonds or the Indenture and such obligations are not uncertain or disputed. The remedy of mandamus is controlled by equitable principles, so its use rests within the discretion of the court but may not be arbitrarily refused. There is no acceleration of maturity of the Bonds in the event of default and, consequently, the remedy of mandamus may have to be relied upon from year to year. The owners of the Bonds cannot themselves foreclose on property within Improvement Area #1 or sell property within Improvement Area #1 in order to pay the principal of and interest on the Bonds. The enforceability of the rights and remedies of the owners of the Bonds further may be limited by laws relating to bankruptcy, reorganization or other similar laws of general application affecting the rights of creditors of political subdivisions such as the City. In this regard, should the City file a petition for protection from creditors under federal bankruptcy laws, the remedy of mandamus or the right of the City to seek judicial foreclosure of its Assessment Lien would be automatically stayed and could not be pursued unless authorized by a federal bankruptcy judge. See "BONDHOLDERS' RISKS – Bankruptcy Limitation to Bondholders' Rights."

Any bankruptcy court with jurisdiction over bankruptcy proceedings initiated by or against a property owner within the District pursuant to the Federal Bankruptcy Code could, subject to its discretion, delay or limit any attempt by the City to collect delinquent Assessments, or delinquent ad valorem taxes, against such property owner.

In addition, in 2006, the Texas Supreme Court ruled in *Tooke v. City of Mexia*, 197 S.W.3d 325 (Tex. 2006) ("Tooke") that a waiver of sovereign immunity must be provided for by statute in "clear and unambiguous" language. In so ruling, the Court declared that statutory language such as "sue and be sued," in and of itself, did not constitute a clear and unambiguous waiver of sovereign immunity. In *Tooke*, the Court noted the enactment in 2005 of sections 271.151-.160, Texas Local Government Code (the "Local Government Immunity Waiver Act"), which, according to the Court, waives "immunity from suit for contract claims against most local governmental entities in certain circumstances." The Local Government Immunity Waiver Act covers cities and relates to contracts entered into by cities for providing goods or services to cities.

In *Wasson Interests, Ltd. v. City of Jacksonville*, 489 S.W.3d 427 (Tex. 2016) ("Wasson"), the Texas Supreme Court (the "Court") addressed whether the distinction between governmental and proprietary acts (as found in tort-based causes of action) applies to breach of contract claims against municipalities. The Court analyzed the rationale behind the Proprietary-Governmental Dichotomy to determine that "a city's proprietary functions are not done pursuant to the 'will of the people'" and protecting such municipalities "via the [S]tate's immunity is not an efficient way to ensure efficient allocation of [S]tate resources." While the Court recognized that the distinction between governmental and proprietary functions is not clear, the Wasson opinion held that the Proprietary-Governmental Dichotomy applies in a contract-claims context. The Court reviewed Wasson for a second time and issued an opinion on October 5, 2018, clarifying that to determine whether governmental immunity applies to a breach of contract claim, the proper inquiry is whether the municipality was engaged in a governmental or proprietary function when it entered into the contract, not at the time of the alleged breach. Therefore, in regard to municipal contract cases (as in tort claims), it is incumbent on the courts to determine whether a function was proprietary or governmental based upon the statutory and common law guidance at the time of inception of the contractual relationship. Texas jurisprudence has generally held that proprietary functions are those conducted by a city in its private capacity, for the benefit only of those within its corporate limits, and not as an arm of the government or under authority or for the benefit of the State; these are usually activities that can be, and often are, provided by private persons, and therefore are not done as a branch of the State, and do not implicate the state's immunity since they are not performed under the authority, or for the benefit, of the State as sovereign. Notwithstanding the foregoing new case law issued by the Court, such

sovereign immunity issues have not been adjudicated in relation to bond matters (specifically, in regard to the issuance of municipal debt). Each situation will be prospectively evaluated based on the facts and circumstances surrounding the contract in question to determine if a suit, and subsequently, a judgment, is justiciable against a municipality.

The City is not aware of any Texas court construing the Local Government Immunity Waiver Act in the context of whether contractual undertakings of local governments that relate to their borrowing powers are contracts covered by such act. Because it is unclear whether the Texas legislature has effectively waived the City's sovereign immunity from a suit for money damages in the absence of City action, the Trustee or the owners of the Bonds may not be able to bring such a suit against the City for breach of the Bonds or the Indenture covenants. As noted above, the Indenture provides that owners of the Bonds may exercise the remedy of mandamus to enforce the obligations of the City under the Indenture. Neither the remedy of mandamus nor any other type of injunctive relief was at issue in *Tooke*, and it is unclear whether *Tooke* will be construed to have any effect with respect to the exercise of mandamus, as such remedy has been interpreted by Texas courts. In general, Texas courts have held that a writ of mandamus may be issued to require public officials to perform ministerial acts that clearly pertain to their duties. Texas courts have held that a ministerial act is defined as a legal duty that is prescribed and defined with a precision and certainty that leaves nothing to the exercise of discretion or judgment, though mandamus is not available to enforce purely contractual duties. However, mandamus may be used to require a public officer to perform legally imposed ministerial duties necessary for the performance of a valid contract to which the State or a political subdivision of the State is a party (including the payment of moneys due under a contract).

Judicial Foreclosures

Judicial foreclosure proceedings are not mandatory; however, the City has covenanted to order and cause such actions to be commenced. In the event a foreclosure is necessary, there could be a delay in payments to owners of the Bonds pending prosecution of the foreclosure proceedings and receipt by the City of the proceeds of the foreclosure sale. It is possible that no bid would be received at the foreclosure sale, and, in such event, there could be an additional delay in payment of the principal of and interest on the Bonds or such payment may not be made in full. Moreover, in filing a suit to foreclose, the City must join other taxing units that have claims for delinquent taxes against all or part of the same property; the proceeds of any sale of property within Improvement Area #1 available to pay debt service on the Bonds may be limited by the existence of other tax liens on the property. See "OVERLAPPING TAXES AND DEBT." Collection of delinquent taxes, assessments and the Assessments may be adversely affected by the effects of market conditions on the foreclose sale price, and by other factors, including taxpayers' right to redeem property within two years of foreclosure for residential and agricultural use property and six months for other property, and by a time-consuming and expensive collection procedure.

No Acceleration

The Indenture expressly denies the right of acceleration in the event of a payment default or other default under the terms of the Bonds or the Indenture.

Limited Secondary Market for the Bonds

The Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Bonds in the event an Owner thereof determines to solicit purchasers for the Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Bonds may be sold. Such price may be lower than that paid by the current Owners of the Bonds, depending on the progress of development of the District subject to the Assessments, existing real estate and financial market conditions and other factors.

No Credit Rating

The City has not applied for or received a rating on the Bonds. Even if a credit rating had been sought for the Bonds, it is not anticipated that such a rating would have been investment grade. The absence of a rating could affect the future marketability of the Bonds. There is no assurance that a secondary market for the Bonds will develop or that holders who desire to sell their Bonds prior to the stated maturity will be able to do so. Occasionally, because of general market conditions or because of adverse history or economic prospects connected with a particular issue,

secondary market trading in connection with a particular issue is suspended or terminated. Additionally, prices of issues for which a market is being made will depend upon then generally prevailing circumstances. Such prices could be substantially different from the original purchase price.

Bankruptcy Limitation to Bondholders' Rights

The enforceability of the rights and remedies of the owners of the Bonds may be limited by laws relating to bankruptcy, reorganization or other similar laws of general application affecting the rights of creditors of political subdivisions such as the City. The City is authorized under Texas law to voluntarily proceed under Chapter 9 of the Federal Bankruptcy Code, 11 U.S.C. 901-946 ("Chapter 9"). The City may proceed under Chapter 9 if it (1) is generally not paying its debts, or unable to meet its debts, as they become due, (2) desires to effect a plan to adjust such debts, and (3) has either obtained the agreement of or negotiated in good faith with its creditors, is unable to negotiate with its creditors because negotiation is impracticable, or reasonably believes that a creditor may attempt to obtain a preferential transfer.

If the City decides in the future to proceed voluntarily under the Chapter 9, the City would develop and file a plan for the adjustment of its debts, and the Bankruptcy Court would confirm the plan if (1) the plan complies with the applicable provisions of the Chapter 9, (2) all payments to be made in connection with the plan are fully disclosed and reasonable, (3) the City is not prohibited by law from taking any action necessary to carry out the plan, (4) administrative expenses are paid in full, (5) all regulatory or electoral approvals required under Texas law are obtained and (6) the plan is in the best interests of creditors and is feasible. The rights and remedies of the owners of the Bonds would be adjusted in accordance with the confirmed plan of adjustment of the City's debt.

Management and Ownership

The management and ownership of the Developer and related or affiliated property owners could change in the future. Purchasers of the Bonds should not rely on the management experience of such entities. There are no assurances that such entities will not sell the subject property or that officers will not resign or be replaced. In such circumstances, a new developer or new officers in management positions may not have comparable experience in projects comparable to the Development.

Tax-Exempt Status of the Bonds

The Indenture contains covenants by the City intended to preserve the exclusion from gross income of interest on the Bonds for federal income tax purposes. As discussed under the caption "TAX MATTERS," interest on the Bonds could become includable in gross income for purposes of federal income taxation retroactive to the date the Bonds were issued as a result of future acts or omissions of the City in violation of its covenants in the Indenture.

Tax legislation, administrative actions taken by tax authorities, or court decisions, whether at the federal or State level, may adversely affect the tax-exempt status of interest on the Bonds under federal or State law and could affect the market price or marketability of the Bonds. Any such proposal could limit the value of certain deductions and exclusions, including the exclusion for tax-exempt interest. The likelihood of any such proposal being enacted cannot be predicted. Prospective purchasers of the Bonds should consult their own tax advisors regarding the foregoing matters.

As further described in "TAX MATTERS" below, failure of the City to comply with the requirements of the Internal Revenue Code of 1986 (the "Code") and the related legal authorities, or changes in the federal tax law or its application, could cause interest on the Bonds to be included in the gross income of owners of the Bonds for federal income tax purposes, possibly from the date of original issuance of the Bonds. Further, the opinion of Bond Counsel is based on current legal authority, covers certain matters not directly addressed by such authorities, and represents Bond Counsel's judgment as to the proper treatment of interest on the Bonds for federal income tax purposes. It is not binding on the Internal Revenue Service ("IRS") or the courts. The IRS has an ongoing program of auditing obligations that are issued and sold as bearing tax-exempt interest to determine whether, in the view of the IRS, interest on such obligations is included in the gross income of the owners thereof for federal income tax purposes. It cannot be predicted if this IRS focus could lead to an audit of the Bonds or what the result would be of any such audit. If an

audit of the Bonds is commenced, under current procedures parties other than the City would have little, if any, right to participate in the audit process. Moreover, because achieving judicial review in connection with an audit of tax-exempt obligations is difficult, obtaining an independent review of IRS positions with which the City legitimately disagrees may not be practicable. Any action of the IRS, regardless of the outcome, including but not limited to selection of the Bonds for audit, or the course or result of such audit, or an audit of obligations presenting similar tax issues, may affect the market price for, or the marketability of, the Bonds. Finally, if the IRS ultimately determines that the interest on the Bonds is not excluded from the gross income of Bondholders for federal income tax purposes, the City may not have the resources to settle with the IRS, the Bonds are not required to be redeemed, and the interest rate on the Bonds will not increase.

General Risks of Real Estate Investment and Development

The Developer may, in certain limited circumstances, have the right to modify or change its plan for development of the District, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size, and number of units to be developed. No defined “true-up” agreement has been entered into between the City and the Developer, nor is there a requirement that future developers enter into such an agreement. There can be no assurance, in the event the Developer or a subsequent developer modifies or changes its plan for development that the necessary revisions to the Service and Assessment Plan will be made. Nor can there be an assurance that the eventual assessment burden on the property will be marketable.

The ability of the Developer and homebuilders to develop lots and sell single-family residential homes within the District may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the owner of the single-family residential lots. In the event that a large number of single-family projects are constructed outside of the District and compete with the Development, the demand for residential housing within the District could be reduced, thereby adversely affecting the continued development of the Development, or its attraction to and residents.

Investments in undeveloped or developing real estate are generally considered to be speculative in nature and to involve a high degree of risk. The Development will be subject to the risks generally incident to real estate investments and development. Many factors that may affect the Development, as well as the operating revenues of the Developer, including those derived from the Development, are not within the control of the Developer. Such factors include changes in national, regional and local economic conditions; changes in long and short term interest rates; changes in the climate for real estate purchases; changes in demand for or supply of competing properties; changes in local, regional and national market and economic conditions; unanticipated development costs, market preferences and architectural trends; unforeseen environmental risks and controls; the adverse use of adjacent and neighboring real estate; changes in interest rates and the availability of mortgage funds to buyers of the homes to be built in the Development, which may render the sale of such homes difficult or unattractive; acts of war, terrorism or other political instability; delays or inability to obtain governmental approvals; changes in laws; moratorium; acts of God (which may result in uninsured losses); strikes; labor shortages; energy shortages; material shortages; inflation; adverse weather conditions; contractor or subcontractor defaults; and other unknown contingencies and factors beyond the control of the Developer.

The Development cannot be completed without the Developer obtaining a variety of governmental approvals and permits, some of which have already been obtained. Certain permits are necessary to initiate construction of the Development and to allow the occupancy of residences and to satisfy conditions included in the approvals and permits. There can be no assurance that all of these permits and approvals can be obtained or that the conditions to the approvals and permits can be fulfilled. The failure to obtain any of the required approvals or fulfill any one of the conditions could cause materially adverse financial results for the Developer.

A slowdown of the development process and the related absorption rate within the Development because of any or all of the foregoing could affect adversely land values. The timely payment of the Bonds depends on the willingness and ability of the Developer, the Homebuilder and any subsequent owners to pay the Assessments when due. Any or all of the foregoing could reduce the willingness and ability of such owners to pay the Assessments and could greatly reduce the value of the property within the District in the event such property has to be foreclosed. If Annual Installments of Assessments are not timely paid and there are insufficient funds in the accounts of the Reserve Fund, a nonpayment could result in a payment default under the Indenture.

Risks Related to the Current Residential Real Estate Market

In the past, the real estate market has experienced significant slowing of new home sales and new home closings due in part to the subprime mortgage crisis involving adjustable-rate mortgages and other creative mortgage financing tools that allowed persons with higher credit risk to buy homes. The economic crisis that resulted from higher interest rates, at a time when many subprime mortgages were due to reset their interest rates, has served to reduce the availability of mortgages to many potential home buyers, making entry into the real estate market more difficult. Downturns in the real estate market and other factors beyond the control of the Developer, including general economic conditions, may impact the timing of Parcel, Lot and home sales within the District. No assurances can be given that projected home prices and buildout values presented in this Limited Offering Memorandum will be realized.

Risks Related to Exposure to the Oil and Gas Industry

The economy of the greater Houston area has, in the past, been particularly affected by adverse conditions in the oil and gas industry, and such conditions and their spillover effects into other industries could result in declines in the demand of residential and commercial property in the area and could reduce or negatively affect property values or homebuilding activity within the District.

Availability of Utilities

The progress of development within the District is also dependent upon the City providing an adequate water and wastewater service to the Development. If the City fails to provide water and wastewater services to the property in the District, the Development cannot be substantially completed, and builders will not purchase lots to construct homes. See “THE DEVELOPMENT – Utilities.”

Dependence Upon Developer

Initial Liability for Assessments. The Developer, as the sole owner of assessable property within Improvement Area #1, has the obligation for the payment of all of the Assessments. The Developer will construct homes on 62 of the Lots in Improvement Area #1. Until the Developer completes and sells homes on those 62 Lots, and until the Developer closes on the sale of the remaining 61 Lots to the Homebuilder or other third-parties, the ability of the Developer to make full and timely payment of the Assessments will directly affect the ability of the City to meet its debt service obligations with respect to the Bonds.

The source of funding for future land development activities and infrastructure construction to develop the lots proposed for the District also consists of proceeds from Future Improvement Area Bonds, if issued by the City as anticipated, and proceeds from Lot sales, as well as equity contributions by the Developer and its equity holders and affiliates. There can be no assurances given as to the financial ability of the Developer to advance any funds to the City to supplement revenues from the Assessments if necessary, or as to whether the Developer will advance such funds.

Agricultural Use Valuation and Redemption Rights

None of the property in the District is currently entitled to valuation for ad valorem tax purposes based upon its agricultural use. Under Texas law, an owner of land that is entitled to an agricultural valuation has the right to redeem such property after a tax sale for a period of two years after the tax sale by paying to the tax sale purchaser a twenty-five percent (25%) premium, if redeemed during the first year, or a 50% premium, if redeemed during the second year, over the purchase price paid at the tax sale and certain qualifying costs incurred by the purchaser. Although the Assessments are not considered a tax under Texas law, the PID Act provides that the lien for Assessments may be enforced in the same manner as a lien for ad valorem taxes. This shared enforcement mechanism raises the possibility that the right to redeem agricultural valuation property may be available following a foreclosure of a lien for Assessments, though there is no indication in Texas law that such redemption rights would be available in such a case.

TAX MATTERS

The following discussion of certain federal income tax considerations is for general information only and is not tax advice. Each prospective purchaser of the Bonds should consult its own tax advisor as to the tax consequences of the acquisition, ownership and disposition of the Bonds.

Tax Exemption

In the opinion of Bond Counsel, under existing law, interest on the Bonds (i) is excludable from gross income for federal income tax purposes under section 103 of the Internal Revenue Code of 1986, as amended (the “Code”), and (ii) is not an item of tax preference for purposes of the alternative minimum tax on individuals.

The Code imposes a number of requirements that must be satisfied for interest on state or local obligations, such as the Bonds, to be excludable from gross income for federal income tax purposes. These requirements include limitations on the use of bond proceeds and the source of repayment of bonds, limitations on the investment of bond proceeds prior to expenditure, a requirement that excess arbitrage earned on the investment of bond proceeds be paid periodically to the United States and a requirement that the issuer file an information report with the Internal Revenue Service (the “Service”). The City has covenanted in the Indenture that it will comply with these requirements.

Bond Counsel’s opinion will assume continuing compliance with the covenants of the Indenture pertaining to those sections of the Code that affect the excludability of interest on the Bonds from gross income for federal income tax purposes and, in addition, will rely on representations by the City and other parties involved with the issuance of the Bonds with respect to matters solely within the knowledge of the City and such parties, which Bond Counsel has not independently verified. If the City fails to comply with the covenants in the Indenture or if the foregoing representations are determined to be inaccurate or incomplete, interest on the Bonds could become includable in gross income from the date of delivery of the Bonds, regardless of the date on which the event causing such inclusion occurs.

Except as stated above, Bond Counsel will express no opinion as to the amount of interest on the Bonds or any federal, state or local tax consequences resulting from the receipt or accrual of interest on, or acquisition, ownership or disposition of, the Bonds. Certain actions may be taken or omitted subject to the terms and conditions set forth in the Indenture upon the advice or with the approving opinion of Bond Counsel. Bond Counsel will express no opinion with respect to Bond Counsel’s ability to render an opinion that such actions, if taken or omitted, will not adversely affect the excludability of interest of the Bonds from gross income for federal income tax purposes.

Bond Counsel’s opinions are based on existing law, which is subject to change. Such opinions are further based on Bond Counsel’s knowledge of facts as of the date thereof. Bond Counsel assumes no duty to update or supplement its opinions to reflect any facts or circumstances that may thereafter come to Bond Counsel’s attention or to reflect any changes in any law that may thereafter occur or become effective. Moreover, Bond Counsel’s opinions are not a guarantee of result and are not binding on the Service; rather, such opinions represent Bond Counsel’s legal judgment based upon its review of existing law and in reliance upon the representations and covenants referenced above that it deems relevant to such opinions. The Service has an ongoing audit program to determine compliance with rules that relate to whether interest on state or local obligations is includable in gross income for federal income tax purposes. No assurance can be given as to whether or not the Service will commence an audit of the Bonds. If an audit is commenced, in accordance with its current published procedures the Service is likely to treat the City as the taxpayer, and the Owners may not have a right to participate in such audit. Public awareness of any future audit of the Bonds could adversely affect the value and liquidity of the Bonds regardless of the ultimate outcome of the audit.

Collateral Tax Consequences

Prospective purchasers of the Bonds should be aware that the ownership of tax-exempt obligations may result in collateral federal income tax consequences, including but not limited to those noted below. Therefore, prospective purchasers of the Bonds should consult their own tax advisors as to the tax consequences of the acquisition, ownership and disposition of the Bonds.

For tax years beginning after December 31, 2022, an “applicable corporation” (as defined in section 59(k) of the Code) may be subject to a 15% alternative minimum tax imposed under section 55 of the Code on its “adjusted financial statement income” (as defined in section 56A of the Code) for such taxable year. Because interest on tax-exempt obligations, such as the Bonds, is included in a corporation’s “adjusted financial statement income,” ownership of the Bonds could subject certain corporations to alternative minimum tax consequences.

Ownership of tax-exempt obligations also may result in collateral federal income tax consequences to financial institutions, life insurance and property and casualty insurance companies, certain S corporations with Subchapter C earnings and profits, individual recipients of Social Security or Railroad Retirement benefits, taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, low and middle income taxpayers otherwise qualifying for the health insurance premium assistance credit and individuals otherwise qualifying for the earned income tax credit. In addition, certain foreign corporations doing business in the United States may be subject to the “branch profits tax” on their effectively connected earnings and profits, including tax-exempt interest such as interest on the Bonds.

Prospective purchasers of the Bonds should also be aware that, under the Code, taxpayers are required to report on their returns the amount of tax-exempt interest, such as interest on the Bonds, received or accrued during the year.

Tax Accounting Treatment of Original Issue Premium

The issue price of all or a portion of the Bonds may exceed the stated redemption price payable at maturity of such Bonds. Such Bonds (the “Premium Bonds”) are considered for federal income tax purposes to have “bond premium” equal to the amount of such excess. The basis of a Premium Bond in the hands of an initial owner is reduced by the amount of such excess that is amortized during the period such initial owner holds such Premium Bond in determining gain or loss for federal income tax purposes. This reduction in basis will increase the amount of any gain or decrease the amount of any loss recognized for federal income tax purposes on the sale or other taxable disposition of a Premium Bond by the initial owner. No corresponding deduction is allowed for federal income tax purposes for the reduction in basis resulting from amortizable bond premium. The amount of bond premium on a Premium Bond that is amortizable each year (or shorter period in the event of a sale or disposition of a Premium Bond) is determined using the yield to maturity on the Premium Bond based on the initial offering price of such Premium Bond.

The federal income tax consequences of the purchase, ownership and redemption, sale or other disposition of Premium Bonds that are not purchased in the initial offering at the initial offering price may be determined according to rules that differ from those described above. All owners of Premium Bonds should consult their own tax advisors with respect to the determination for federal, state, and local income tax purposes of amortized bond premium upon the redemption, sale or other disposition of a Premium Bond and with respect to the federal, state, local, and foreign tax consequences of the purchase, ownership, and sale, redemption or other disposition of such Premium Bonds.

Tax Accounting Treatment of Original Issue Discount

The issue price of all or a portion of the Bonds may be less than the stated redemption price payable at maturity of such Bonds (the “Original Issue Discount Bonds”). In such case, the difference between (i) the amount payable at the maturity of each Original Issue Discount Bond, and (ii) the initial offering price to the public of such Original Issue Discount Bond constitutes original issue discount with respect to such Original Issue Discount Bond in the hands of any owner who has purchased such Original Issue Discount Bond in the initial public offering of the Bonds. Generally, such initial owner is entitled to exclude from gross income (as defined in Section 61 of the Code) an amount of income with respect to such Original Issue Discount Bond equal to that portion of the amount of such original issue discount allocable to the period that such Original Issue Discount Bond continues to be owned by such owner. Because original issue discount is treated as interest for federal income tax purposes, the discussions regarding interest on the Bonds under the captions “TAX MATTERS – Tax Exemption,” “– Collateral Tax Consequences” and “– Tax Legislative Changes” generally apply and should be considered in connection with the discussion in this portion of the Limited Offering Memorandum.

In the event of the redemption, sale or other taxable disposition of such Original Issue Discount Bond prior to stated maturity, however, the amount realized by such owner in excess of the basis of such Original Issue Discount Bond in the hands of such owner (adjusted upward by the portion of the original issue discount allocable to the period for which such Original Issue Discount Bond was held by such initial owner) is includable in gross income.

The foregoing discussion assumes that (i) the Underwriter has purchased the Bonds for contemporaneous sale to the public and (ii) all of the Original Issue Discount Bonds have been initially offered, and a substantial amount of each maturity thereof has been sold, to the general public in arm's-length transactions for a price (and with no other consideration being included) not more than the initial offering prices thereof stated on the inside cover page of this Limited Offering Memorandum. Neither the City nor Bond Counsel has made any investigation or offers any comfort that the Original Issue Discount Bonds will be offered and sold in accordance with such assumptions.

Under existing law, the original issue discount on each Original Issue Discount Bond accrues daily to the stated maturity thereof (in amounts calculated as described below for each six-month period ending on the date before the semiannual anniversary dates of the date of the Bonds and ratably within each such six-month period) and the accrued amount is added to an initial owner's basis for such Original Issue Discount Bond for purposes of determining the amount of gain or loss recognized by such owner upon the redemption, sale or other disposition thereof. The amount to be added to basis for each accrual period is equal to (i) the sum of the issue price and the amount of original issue discount accrued in prior periods multiplied by the yield to stated maturity (determined on the basis of compounding at the close of each accrual period and properly adjusted for the length of the accrual period) less (ii) the amounts payable as current interest during such accrual period on such Original Issue Discount Bond.

The federal income tax consequences of the purchase, ownership, and redemption, sale or other disposition of Original Issue Discount Bonds that are not purchased in the initial offering at the initial offering price may be determined according to rules that differ from those described above. All owners of Original Issue Discount Bonds should consult their own tax advisors with respect to the determination for federal, state, and local income tax purposes of interest accrued upon redemption, sale or other disposition of such Original Issue Discount Bonds and with respect to the federal, state, local and foreign tax consequences of the purchase, ownership, redemption, sale or other disposition of such Original Issue Discount Bonds.

Tax Legislative Changes

Current law may change so as to directly or indirectly reduce or eliminate the benefit of the excludability of interest on the Bonds from gross income for federal income tax purposes. Any proposed legislation, whether or not enacted, could also affect the value and liquidity of the Bonds. Prospective purchasers of the Bonds should consult with their own tax advisors with respect to any recently enacted, proposed, pending or future legislation.

LEGAL MATTERS

Legal Proceedings

Delivery of the Bonds will be accompanied by the unqualified approving legal opinion of the Attorney General to the effect that the Bonds are valid and legally binding obligations of the City under the Constitution and laws of the State, payable from the Trust Estate and, based upon their examination of a transcript of certified proceedings relating to the issuance and sale of the Bonds, the legal opinion of Bond Counsel, to a like effect.

Bracewell LLP serves as Bond Counsel to the City. Orrick, Herrington & Sutcliffe LLP serves as Underwriter's Counsel. The legal fees paid to Bond Counsel and Underwriter's Counsel are contingent upon the sale and delivery of the Bonds.

Legal Opinions

The City will furnish the Underwriter a transcript of certain certified proceedings incident to the authorization and issuance of the Bonds. Such transcript will include a certified copy of the approving opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State, to the effect

that the Bonds are valid and binding special, limited obligations of the City. The City will also furnish the legal opinion of Bond Counsel, to the effect that, based upon an examination of such transcript, the Bonds are valid and binding special, limited obligations of the City under the Constitution and laws of the State. The legal opinion of Bond Counsel will further state that the Bonds, including principal of and interest thereon, are payable from and secured by a pledge of and lien on the Trust Estate. Bond Counsel will also provide a legal opinion to the effect that interest on the Bonds will be excludable from gross income for federal income tax purposes under Section 103(a) of the Code, subject to the matters described above under the caption "TAX MATTERS." A copy of the form of the opinion of Bond Counsel is attached hereto as "APPENDIX D – Form of Opinion of Bond Counsel."

Except as noted below, Bond Counsel did not take part in the preparation of the Limited Offering Memorandum, and such firm has not assumed any responsibility with respect thereto or undertaken independently to verify any of the information contained therein, except that, in its capacity as Bond Counsel, such firm has reviewed the information describing the Bonds in the Limited Offering Memorandum under the captions or subcaptions "PLAN OF FINANCE – The Bonds," "DESCRIPTION OF THE BONDS," "SECURITY FOR THE BONDS," "ASSESSMENT PROCEDURES" (except for the subcaptions "Assessment Methodology" and "Assessment Amounts"), "THE DISTRICT," "TAX MATTERS," "LEGAL MATTERS – Legal Proceedings," "– Legal Opinions," "CONTINUING DISCLOSURE – The City," "REGISTRATION AND QUALIFICATION OF BONDS FOR SALE," "LEGAL INVESTMENTS AND ELIGIBILITY TO SECURE PUBLIC FUNDS IN TEXAS" and APPENDIX B and such firm is of the opinion that the information relating to the Bonds, the Bond Ordinance, the Assessment Ordinance and the Indenture contained therein fairly and accurately describes the laws and legal issues addressed therein and, with respect to the Bonds, such information conforms to the Bond Ordinance, the Assessment Ordinance and the Indenture.

The various legal opinions to be delivered concurrently with the delivery of the Bonds express the professional judgment of the attorneys rendering the opinions as to the legal issues explicitly addressed therein. In rendering a legal opinion, the attorney does not become an insurer or guarantor of that expression of professional judgment, of the transaction opined upon, or of the future performance of the parties to the transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

Litigation — The City

At the time of delivery and payment for the Bonds, the City will certify that, except as disclosed herein, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, regulatory agency, public board or body, pending or, to its knowledge, overtly threatened against the City affecting the existence of the District, or seeking to restrain or to enjoin the sale or delivery of the Bonds, the application of the proceeds thereof in accordance with the Indenture, or the collection or application of the Assessments securing the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds, the Assessment Ordinance, the Indenture, any action of the City contemplated by any of the said documents, or the collection or application of the Trust Estate, or in any way contesting the completeness or accuracy of this Limited Offering Memorandum or any amendment or supplement thereto, or contesting the powers of the City or its authority with respect to the Bonds or any action of the City contemplated by any documents relating to the Bonds.

Litigation — The Developer

At the time of delivery and payment for the Bonds, Developer will certify that, except as disclosed herein, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, regulatory body, public board or body pending, or, to the best knowledge of Developer, threatened against or affecting Developer wherein an unfavorable decision, ruling or finding would have a material adverse effect on the financial condition or operations of Developer or its officers or would adversely affect (1) the transactions contemplated by, or the validity or enforceability of, the Bonds, the Indenture, the Bond Ordinance, the Service and Assessment Plan, the Development Agreement, or the Bond Purchase Agreement, or otherwise described in this Limited Offering Memorandum, or (2) the tax-exempt status of interest on the Bonds (individually or in the aggregate, a "Material Adverse Effect"). The Developer and its affiliates have been and are parties to pending and threatened litigation related to their commercial and real estate development activities. According to the Developer, such litigation occurs in the ordinary course of business and is not expected to have a Material Adverse Effect.

SUITABILITY FOR INVESTMENT

Investment in the Bonds poses certain economic risks. See “BONDHOLDERS’ RISKS.” The Bonds are not, at this time, rated by any nationally recognized municipal securities rating service. No dealer, broker, salesman or other person has been authorized by the City or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum, and, if given or made, such other information or representations must not be relied upon as having been authorized by either of the foregoing. Additional information will be made available to each prospective investor, including the benefit of a site visit to the City and the opportunity to ask questions of the Developer, as such prospective investor deems necessary in order to make an informed decision with respect to the purchase of the Bonds.

ENFORCEABILITY OF REMEDIES

The remedies available to the owners of the Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions, which are often subject to discretion and delay. See “BONDHOLDERS’ RISKS – Remedies and Bankruptcy.” Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors and enacted before or after such delivery.

NO RATING

No application for a rating on the Bonds has been made to any rating agency, nor is there any reason to believe that the City would have been successful in obtaining an investment grade rating for the Bonds had application been made.

CONTINUING DISCLOSURE

The City

Pursuant to Rule 15c2-12 of the Securities and Exchange Commission (the “Rule”), the City, the Administrator and HTS Continuing Disclosure Services, a Division of Hilltop Securities Inc. (the “Dissemination Agent”) have entered into a Continuing Disclosure Agreement (the “Disclosure Agreement of the Issuer”) for the benefit of the Owners of the Bonds (including owners of beneficial interests in the Bonds), to provide, by certain dates prescribed in the Disclosure Agreement of the Issuer, certain financial information and operating data relating to the City (collectively, the “City Reports”). The specific nature of the information to be contained in the City Reports is set forth in “APPENDIX E-1 – Form of Disclosure Agreement of the Issuer.” Under certain circumstances, the failure of the City to comply with its obligations under the Disclosure Agreement of the Issuer constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement of the Issuer would allow the Owners of the Bonds (including owners of beneficial interests in the Bonds) to bring an action for specific performance.

The City has agreed to update information and to provide notices of certain specified events only as provided in the Disclosure Agreement of the Issuer. The City has not agreed to provide other information that may be relevant or material to a complete presentation of its financial results of operations, condition, or prospects or agreed to update any information that is provided in this Limited Offering Memorandum, except as provided in the Disclosure Agreement of the Issuer. The City makes no representation or warranty concerning such information or concerning its usefulness to a decision to invest in or sell the Bonds at any future date. The City disclaims any contractual or tort liability for damages resulting in whole or in part from any breach of the Disclosure Agreement of the Issuer or from any statement made pursuant to the Disclosure Agreement of the Issuer.

The City's Compliance with Prior Undertakings

In the last five years, the City has not failed to comply in any material respect with any material provisions of the continuing disclosure agreements made by the City in accordance with the Rule.

The Developer

The Developer, the Administrator, and the Dissemination Agent, will, in connection with the issuance of the Bonds, enter into a Continuing Disclosure Agreement (the "Disclosure Agreement of the Developer") for the benefit of the Owners of the Bonds (including owners of beneficial interests in the Bonds), to provide, by certain dates prescribed in the Disclosure Agreement of the Developer, certain information regarding Improvement Area #1 and the Improvement Area #1 Projects (collectively, the "Developer Reports"). The specific nature of the information to be contained in the Developer Reports is set forth in "APPENDIX E-2 – Form of Disclosure Agreement of the Developer." Under certain circumstances, the failure of the Developer or the Administrator to comply with its obligations under the Disclosure Agreement of the Developer constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement of the Developer would allow the Owners of the Bonds (including owners of beneficial interests in the Bonds) to bring an action for specific performance.

The Developer has agreed to provide (i) certain updated information to the Administrator, which consultant will prepare and provide such updated information in report form and (ii) notices of certain specified events, only as provided in the Disclosure Agreement of the Developer. The Developer has not agreed to provide other information that may be relevant or material to a complete presentation of its financial results of operations, condition, or prospects or agreed to update any information that is provided in this Limited Offering Memorandum, except as provided in the Disclosure Agreement of the Developer. The Developer makes no representation or warranty concerning such information or concerning its usefulness to a decision to invest in or sell the Bonds at any future date. The Developer disclaims any contractual or tort liability for damages resulting in whole or in part from any breach of the Disclosure Agreement of the Developer or from any statement made pursuant to the Disclosure Agreement of the Developer.

The Developer's Compliance with Prior Undertakings

In the last five years, the Developer has not failed to comply in any material respect with any material provisions of the continuing disclosure agreements made by the Developer in accordance with the Rule.

UNDERWRITING

FMSbonds, Inc. (the "Underwriter") has agreed to purchase the Bonds from the City at a purchase price of \$_____ (representing the par amount of the Bonds, less an underwriting discount of \$_____) and no accrued interest. The Underwriter's obligations are subject to certain conditions precedent and if obligated to purchase any of the Bonds the Underwriter will be obligated to purchase all of the Bonds. Subject to certain restrictions contained in the bond purchase agreement, the Bonds may be offered and sold by the Underwriter at prices lower than the initial offering prices stated on the inside cover page hereof, and such initial offering prices may be changed from time to time by the Underwriter.

Additionally, there are no assurances that if a secondary market for the Bonds were to develop, that it will not be disrupted by events including, but not limited to, the current Pandemic associated with the COVID-19 virus. Consequently, investors may not be able to resell the Bonds purchased should they need or wish to do so for emergency or other purposes. See "BONDHOLDERS' RISKS – Infectious Disease Outbreak."

REGISTRATION AND QUALIFICATION OF BONDS FOR SALE

The sale of the Bonds has not been registered under the Federal Securities Act of 1933, as amended, in reliance upon the exemption provided thereunder by Section 3(a)(2); and the Bonds have not been qualified under the Securities Act of Texas in reliance upon various exemptions contained therein; nor have the Bonds been qualified under the securities acts of any other jurisdiction. The City assumes no responsibility for qualification of the Bonds

under the securities laws of any jurisdiction in which the Bonds may be sold, assigned, pledged, hypothecated or otherwise transferred. This disclaimer of responsibility for qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration provisions.

LEGAL INVESTMENTS AND ELIGIBILITY TO SECURE PUBLIC FUNDS IN TEXAS

The PID Act and Section 1201.041 of the Public Security Procedures Act (Chapter 1201, Texas Government Code, as amended) provide that the Bonds are negotiable instruments and investment securities governed by Chapter 8, Texas Business and Commerce Code, as amended, and are legal and authorized investments for insurance companies, fiduciaries, trustees, or for the sinking funds of municipalities or other political subdivisions or public agencies of the State. With respect to investment in the Bonds by municipalities or other political subdivisions or public agencies of the State, the Texas Public Funds Investment Act (the “PFIA”) requires that the Bonds be assigned a rating of at least “A” or its equivalent as to investment quality by a national rating agency. See “NO RATING.” In addition, the PID Act and various provisions of the Texas Finance Code provide that, subject to a prudent investor standard, the Bonds are legal investments for state banks, savings banks, trust companies with capital of one million dollars or more, and savings and loan associations. The Bonds are eligible to secure deposits to the extent of their market value. No review by the City has been made of the laws in other states to determine whether the Bonds are legal investments for various institutions in those states. No representation is made that the Bonds will be acceptable to public entities to secure their deposits or acceptable to such institutions for investment purposes.

The City made no investigation of other laws, rules, regulations or investment criteria which might apply to such institutions or entities, or which might limit the suitability of the Bonds for any of the foregoing purposes or limit the authority of such institutions or entities to purchase or invest in the Bonds for such purposes.

The City may invest in such obligations directly or through government investment pools that invest solely in such obligations provided that the pools are rated no lower than "AAA" or "AAA-m" or an equivalent by at least one nationally recognized rating service or no lower than investment grade by at least one nationally recognized rating service with a weighted average maturity no greater than 90 days. The City may also contract with an investment management firm registered under the Investment Advisers Act of 1940 (15 U.S.C. Section 80b-1 et seq.) or with the State Securities Board to provide for the investment and management of its public funds or other funds under its control for a term up to two years, but the City retains ultimate responsibility as fiduciary of its assets. In order to renew or extend such a contract, the City must do so by order, ordinance, or resolution.

The City is specifically prohibited from investing in: (1) obligations whose payment represents the coupon payments on the outstanding principal balance of the underlying mortgage-backed security collateral and pays no principal; (2) obligations whose payment represents the principal stream of cash flow from the underlying mortgage-backed security and bears no interest; (3) collateralized mortgage obligations that have a stated final maturity of greater than 10 years; and (4) collateralized mortgage obligations the interest rate of which is determined by an index that adjusts opposite to the changes in a market index.

Investment Policies

Under Texas law, the City is required to invest its funds under written investment policies that primarily emphasize safety of principal and liquidity; that address investment diversification, yield, maturity, and the quality and capability of investment management; and that include a list of authorized investments for City funds, maximum allowable stated maturity of any individual investment, the maximum average dollar-weighted maturity allowed for pooled fund groups, methods to monitor the market price of investments acquired with public funds, a requirement

for settlement of all transactions, except investment pool funds and mutual funds, on a delivery versus payment basis, and procedures to monitor rating changes in investments acquired with public funds and the liquidation of such investments consistent with the PFIA. All City funds must be invested consistent with a formally adopted "Investment Strategy Statement" that specifically addresses each fund's investment. Each Investment Strategy Statement will describe its objectives concerning: (1) suitability of investment type, (2) preservation and safety of principal, (3) liquidity, (4) marketability of each investment, (5) diversification of the portfolio, and (6) yield.

Under Texas law, City investments must be made "with judgment and care, under prevailing circumstances, that a person of prudence, discretion, and intelligence would exercise in the management of the person's own affairs, not for speculation, but for investment, considering the probable safety of capital and the probable income to be derived." At least quarterly the investment officers of the City shall submit an investment report detailing: (1) the investment position of the City, (2) that all investment officers jointly prepared and signed the report, (3) the beginning market value, any additions and changes to market value and the ending value of each pooled fund group, (4) the book value and market value of each separately listed asset at the beginning and end of the reporting period, (5) the maturity date of each separately invested asset, (6) the account or fund or pooled fund group for which each individual investment was acquired, and (7) the compliance of the investment portfolio as it relates to: (a) adopted investment strategy statements and (b) state law. No person may invest City funds without express written authority from the City Council.

Additional Provisions

Under Texas law, the City is additionally required to: (1) annually review its adopted policies and strategies; (2) require any investment officers with personal business relationships or relatives with firms seeking to sell securities to the City to disclose the relationship and file a statement with the Texas Ethics Commission and the City Council; (3) require the registered principal of firms seeking to sell securities to the City to: (a) receive and review the City's investment policy, (b) acknowledge that reasonable controls and procedures have been implemented to preclude imprudent investment activities, and (c) deliver a written statement attesting to these requirements; (4) perform an annual audit of the management controls on investments and adherence to the City's investment policy; (5) provide specific investment training for the Treasurer, Chief Financial Officer and investment officers; (6) restrict reverse repurchase agreements to not more than 90 days and restrict the investment of reverse repurchase agreement funds to no greater than the term of the reverse repurchase agreement; (7) restrict its investment in mutual funds in the aggregate to no more than 15 percent of its monthly average fund balance, excluding bond proceeds and reserves and other funds held for debt service, and to invest no portion of bond proceeds, reserves and funds held for debt service, in mutual funds; (8) require local government investment pools to conform to the new disclosure, rating, net asset value, yield calculation, and advisory board requirements; (9) adopt an order or resolution stating that it has reviewed its investment policy and investment strategies and record any changes made to either its investment policy or investment strategy in the said order or resolution, and (10) at least annually review, revise, and adopt a list of qualified brokers that are authorized to engage in the investment transactions with the City.

ARTICLE 2

THE BONDS

Section 2.1 Security for the Bonds.

The Bonds, as to both principal and interest, are and shall be equally and ratably secured by and payable from a first lien on and pledge of the Trust Estate.

The lien on and pledge of the Trust Estate shall be valid and binding and fully perfected from and after the Closing Date, without physical delivery or transfer of control of the Trust Estate, the filing of this Indenture or any other act; all as provided in Texas Government Code, Chapter 1208, as amended, which applies to the issuance of the Bonds and the pledge of the Trust Estate granted by the City under this Indenture, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Bonds are Outstanding such that the pledge of the Trust Estate granted by the City under this Indenture is to be subject to the filing requirements of Texas Business and Commerce Code, Chapter 9, as amended, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Texas Business and Commerce Code, Chapter 9, as amended, and enable a filing to perfect the security interest in said pledge to occur.

Section 2.2 Limited Obligations.

The Bonds are special and limited obligations of the City, payable solely from and secured solely by the Trust Estate, including the Pledged Revenues and the Pledged Funds and Accounts; and the Bonds and any other obligations incurred by the City under the terms of this Indenture shall never be payable out of funds raised or to be raised by taxation or from any other revenues, properties or income of the City.

Section 2.3 Authorization for Indenture.

The terms and provisions of this Indenture and the execution and delivery hereof by the City to the Trustee have been duly authorized by the Bond Ordinance. The City has ascertained and it is hereby determined and declared that the execution and delivery of this Indenture is necessary to carry out and effectuate the purposes set forth in the preambles of this Indenture and that each and every covenant or agreement herein contained and made is necessary, useful or convenient in order to better secure the Bonds and is a contract or agreement necessary, useful and convenient to carry out and effectuate the purposes herein described.

Section 2.4 Contract with Owners and Trustee.

(a) The purposes of this Indenture are to establish a lien and the security for, and to prescribe the minimum standards for the authorization, issuance, execution and delivery of, the Bonds and to prescribe the rights of the Owners, and the rights and duties of the City and the Trustee.

(b) In consideration of the purchase and acceptance of any or all of the Bonds by those who shall purchase and hold the same from time to time, the provisions of this Indenture shall be a part of the contract of the City with the Owners, and shall be deemed to be and shall constitute a contract among the City, the Owners, and the Trustee.

ARTICLE 3

AUTHORIZATION; GENERAL TERMS AND
PROVISIONS REGARDING THE BONDS

Section 3.1 Authorization.

The Bonds are hereby authorized to be issued and delivered in accordance with the Constitution and laws of the State of Texas, including particularly the PID Act. The Bonds shall be issued in the aggregate principal amount of \$_____ for the purpose of (i) paying or reimbursing a portion of the costs of the Improvement Area #1 Projects, (ii) funding the Bond Reserve Account of the Reserve Fund, (iii) funding a portion of the Delinquency and Prepayment Reserve Account, (iv) paying a portion of the costs incidental to the organization of the District, and (v) paying the costs of issuance of the Bonds.

Section 3.2 Date, Denomination, Maturities, Numbers and Interest.

(a) The Bonds shall be dated _____ 2022 (the "Bond Date") and shall be issued in Authorized Denominations. The Bonds shall be in fully registered form, without coupons, and shall be numbered separately from R-1 upward, except the Initial Bond, which shall be numbered T-1.

(b) Interest shall accrue and be paid on each Bond from the later of the date of initial delivery of the Bonds or the most recent Interest Payment Date to which interest has been paid or provided for, at the rate per annum set forth below until the principal thereof has been paid on the maturity date specified below or otherwise provided for. Such interest shall be payable

semiannually on March 15 and September 15 of each year, commencing _____ 15, 2023 computed on the basis of a 360-day year of twelve 30-day months.

(c) The Bonds shall mature on September 15 in the years and in the principal amounts and shall bear interest as set forth below:

<u>Term Bonds</u>		
<u>Year</u>	<u>Principal Amount</u>	<u>Interest Rate</u>

(d) The Bonds shall be subject to mandatory sinking fund redemption, optional redemption, and extraordinary optional redemption prior to maturity as provided in Article 4 herein, and shall otherwise have the terms, tenor, denominations, details, and specifications as set forth in the form of Bond set forth in Exhibit A to this Indenture.

Section 3.3 Conditions Precedent to Delivery of Bonds.

The Bonds shall be executed by the City and delivered to the Trustee, whereupon the Trustee shall authenticate the Bonds and, upon payment of the purchase price of the Bonds, shall deliver the Bonds upon the order of the City, but only upon delivery to the Trustee of:

- (a) a copy of the executed Assessment Ordinance;
- (b) a copy of the executed Bond Ordinance;

- (d) an executed General Certificate;
- (e) an executed opinion of Bond Counsel; and
- (f) approving opinion of the Attorney General of the State and the State Comptroller's registration certificate.

Section 3.4 Medium, Method and Place of Payment.

(a) Principal of and interest on the Bonds shall be paid in lawful money of the United States of America, as provided in this Section.

(b) Interest on the Bonds shall be payable to the Owners thereof as shown in the Register at the close of business on the relevant Record Date; provided, however, that in the event of nonpayment of interest on a scheduled Interest Payment Date, and for thirty (30) days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Trustee, if and when funds for the payment of such interest have been received from the City.

Notice of the Special Record Date and of the scheduled payment date of the past due interest (the "Special Payment Date," which shall be fifteen (15) days after the Special Record Date) shall be sent at least five (5) Business Days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each Owner of a Bond appearing on the books of the Trustee at the close of business on the last Business Day preceding the date of mailing such notice.

(c) Interest on the Bonds shall be paid by check, dated as of the Interest Payment Date, and sent, first class United States mail, postage prepaid, by the Paying Agent/Registrar to each Owner at the address of each as such appears in the Register or by such other customary banking arrangement acceptable to the Paying Agent/Registrar and the Owner; provided, however, the Owner shall bear all risk and expense of such other banking arrangement.

(d) The principal of each Bond shall be paid to the Owner of such Bond on the due date thereof, whether at the maturity date or the date of prior redemption thereof, upon presentation and surrender of such Bond at the Designated Payment/Transfer Office of the Paying Agent/Registrar.

(e) If the date for the payment of the principal of or interest on the Bonds shall be a Saturday, Sunday, legal holiday, or day on which banking institutions in the city where the Designated Payment/Transfer Office of the Paying Agent/Registrar is located are required or authorized by law or executive order to close, the date for such payment shall be the next succeeding day that is not a Saturday, Sunday, legal holiday, or day on which banking institutions are required or authorized to close, and payment on such date shall for all purposes be deemed to have been made on the due date thereof as specified in Section 3.2 of this Indenture.

(f) Unclaimed payments of amounts due hereunder shall be segregated in a special account and held in trust, uninvested by the Paying Agent/Registrar, for the account of the Owner of the Bonds to which such unclaimed payments pertain. Subject to any escheat, abandoned property, or similar law of the State of Texas, any such payments remaining unclaimed by the Owners entitled thereto for two (2) years after the applicable payment or redemption date shall be applied to the next payment or payments on such Bonds thereafter coming due and, to the extent any such money remains after the retirement of all Outstanding Bonds, shall be paid to the City to be used for any lawful purpose. Thereafter, none of the City, the Paying Agent/Registrar, or any other Person shall be liable or responsible to any holders of such Bonds for any further payment of such unclaimed moneys or on account of any such Bonds, subject to any applicable escheat law or similar law of the State of Texas, including the provisions of Title 6 of the Texas Property Code, as amended.

Section 3.5 Execution and Registration of Bonds.

(a) The Bonds shall be executed on behalf of the City by the Mayor and City Secretary, by their manual or facsimile signatures, and the official seal of the City shall be impressed or placed in facsimile thereon. Such facsimile signatures on the Bonds shall have the same effect as if each of the Bonds had been signed manually and in person by each of said officers, and such facsimile seal on the Bonds shall have the same effect as if the official seal of the City had been manually impressed upon each of the Bonds.

(b) In the event that any officer of the City whose manual or facsimile signature appears on the Bonds ceases to be such officer before the authentication of such Bonds or before the delivery thereof, such manual or facsimile signature nevertheless shall be valid and sufficient for all purposes as if such officer had remained in such office.

(c) Except as provided below, no Bond shall be valid or obligatory for any purpose or be entitled to any security or benefit of this Indenture unless and until there appears thereon the Certificate of Trustee substantially in the form provided herein (the "Certificate of Trustee" included in the Form of Bond attached hereto as Exhibit A), duly authenticated by manual execution by an officer or duly authorized signatory of the Trustee. It shall not be required that the same officer or authorized signatory of the Trustee sign the Certificate of Trustee on all of the Bonds. In lieu of the executed Certificate of Trustee described above, the Initial Bond delivered at the Closing Date shall have attached thereto the Comptroller's Registration Certificate substantially in the form provided herein (the "Comptroller's Registration Certificate"), included in the Form of Bond attached hereto as Exhibit A, manually executed by the Comptroller of Public Accounts of the State of Texas, or by her duly authorized agent, which certificate shall be evidence that the Initial Bond has been duly approved by the Attorney General of the State of Texas, is a valid and binding obligation of the City, and has been registered by the Comptroller of Public Accounts of the State of Texas, including the provisions of Title 6 of the Texas Property Code, as amended.

(d) On the Closing Date, one Initial Bond representing the entire principal amount of all Bonds, payable in stated installments to the Purchaser, or its designee, executed with the manual or facsimile signatures of the Mayor and the City Secretary, approved by the Attorney General, and registered and manually signed by the Comptroller of Public Accounts, will be delivered to the Purchaser or its designee. Upon payment for the Initial Bond, the Trustee shall cancel the Initial Bond and deliver to DTC on behalf of the Purchaser one registered definitive Bond for each year of maturity of the Bonds, in the aggregate principal amount of all Bonds for such maturity, registered in the name of Cede & Co., as nominee of DTC.

Section 3.6 Ownership.

(a) The City, the Trustee, the Paying Agent/Registrar and any other Person may treat the Person in whose name any Bond is registered as the absolute owner of such Bond for the purpose of making and receiving payment as provided herein (except interest shall be paid to the Person in whose name such Bond is registered on the relevant Record Date) and for all other purposes, whether or not such Bond is overdue, and neither the City nor the Trustee, nor the Paying Agent/Registrar, shall be bound by any notice or knowledge to the contrary.

(b) All payments made to the Owner of any Bond shall be valid and effectual and shall discharge the liability of the City, the Trustee and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

Section 3.7 Registration, Transfer and Exchange.

(a) So long as any Bond remains Outstanding, the City shall cause the Paying Agent/Registrar to keep at the Designated Payment/Transfer Office a Register in which, subject to

such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds as is acceptable to the Paying Agent/Registrar, in accordance with this Indenture. The Paying Agent/Registrar represents and warrants that it will maintain a copy of the Register and shall cause the Register to be current with all registration and transfer information as from time to time may be applicable.

(b) A Bond shall be transferable only upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar with such endorsement or other evidence of transfer. No transfer of any Bond shall be effective until entered in the Register.

(c) The Bonds shall be exchangeable upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar for a Bond or Bonds of the same maturity and interest rate and in any Authorized Denomination and in an aggregate principal amount equal to the unpaid principal amount of the Bond presented for exchange. The Trustee is hereby authorized to authenticate and deliver Bonds exchanged for other Bonds in accordance with this Section.

(d) The Trustee is hereby authorized to authenticate and deliver Bonds transferred or exchanged in accordance with this Section. A new Bond or Bonds will be delivered by the Paying Agent/Registrar, in lieu of the Bond being transferred or exchanged, at the Designated Payment/Transfer Office, or sent by United States mail, first class, postage prepaid, to the Owner or his designee. Each transferred Bond delivered by the Paying Agent/Registrar in accordance with this Section shall constitute an original contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond or Bonds in lieu of which such transferred Bond is delivered.

(e) Each exchange Bond delivered in accordance with this Section shall constitute an original contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond or Bonds in lieu of which such exchange Bond is delivered.

(f) No service charge shall be made to the Owner for the initial registration, subsequent transfer, or exchange for a different Authorized Denomination of any of the Bonds. The Paying Agent/Registrar, however, may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer, or exchange of a Bond.

(g) Neither the City nor the Paying Agent/Registrar shall be required to issue, transfer, or exchange any Bond or portion thereof called for redemption prior to maturity within forty-five (45) days prior to the date fixed for redemption; provided, however, such limitation shall not be applicable to an exchange by the Owner of the uncalled principal balance of a Bond.

Section 3.8 Cancellation.

All Bonds paid or redeemed before scheduled maturity in accordance with this Indenture, and all Bonds in lieu of which exchange Bonds or replacement Bonds are authenticated and delivered in accordance with this Indenture, shall be cancelled, and proper records shall be made

regarding such payment, redemption, exchange, or replacement. The Paying Agent/Registrar shall dispose of cancelled Bonds in accordance with the records retention requirements of the Trustee.

Section 3.9 Temporary Bonds.

(a) Following the delivery and registration of the Initial Bond and pending the preparation of definitive Bonds, the proper officers of the City may execute and, upon the City's request, the Trustee shall authenticate and deliver, one or more temporary Bonds that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any Authorized Denominations, substantially of the tenor of the definitive Bonds in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers of the City executing such temporary Bonds may determine, as evidenced by their signing of such temporary Bonds.

(b) Until exchanged for Bonds in definitive form, such Bonds in temporary form shall be entitled to the benefit and security of this Indenture.

(c) The City, without unreasonable delay, shall prepare, execute and deliver to the Trustee the Bonds in definitive form; thereupon, upon the presentation and surrender of the Bond or Bonds in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Bonds in temporary form and the Trustee shall authenticate and deliver in exchange therefor a Bond or Bonds of the same maturity and series, in definitive form, in the Authorized Denomination, and in the same aggregate principal amount, as the Bond or Bonds in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.10 Replacement Bonds.

(a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond, the Trustee shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding. The City or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Trustee, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like tenor and principal amount bearing a number not contemporaneously outstanding, provided that the Owner first complies with the following requirements:

(1) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;

(2) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the Trustee to save them and the City harmless;

(3) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Trustee and the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(4) satisfies any other reasonable requirements imposed by the City and the Trustee.

(c) After the delivery of such replacement Bond, if a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the City and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the Person to whom it was delivered or any Person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost, or expense incurred by the City, the Paying Agent/Registrar or the Trustee in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, instead of issuing a replacement Bond, may pay such Bond if it has become due and payable or may pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

Section 3.11 Book-Entry Only System.

(a) The Bonds shall initially be issued in book-entry-only form and shall be deposited with DTC, which is hereby appointed to act as the securities depository therefor, in accordance with the letter of representations from the City to DTC. On the Closing Date the definitive Bonds shall be issued in the form of a single typewritten certificate for each maturity thereof registered in the name of Cede & Co., as nominee for DTC.

(b) With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any Person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other Person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other Person, other than an Owner, as shown in the Register of any amount with respect to principal of, premium, if any, or interest on the Bonds. Notwithstanding any other provision of this Indenture to the contrary, the City and the Paying Agent/Registrar shall be entitled to treat and consider the Person in whose name each Bond is registered in the Register as the absolute owner of such Bond for the purpose of payment of principal of, premium, if any, and interest on Bonds, for the purpose of giving notices of

redemption and other matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Owners as shown in the Register, as provided in this Indenture, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No Person other than an Owner, as shown in the Register, shall receive a Bond certificate evidencing the obligation of the City to make payments of amounts due pursuant to this Indenture. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Indenture with respect to interest checks or drafts being mailed to the registered owner at the close of business on the relevant Record Date, the word "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

Section 3.12 Successor Securities Depository: Transfer Outside Book-Entry-Only System.

In the event that the City determines that DTC is incapable of discharging its responsibilities described herein and in the letter of representations from the City to DTC, the City shall (i) appoint a successor securities depository, qualified to act as such under Section 17A of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository; or (ii) notify DTC and DTC Participants of the availability through DTC of certificated Bonds and cause the Paying Agent/Registrar to transfer one or more separate registered Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Indenture.

Section 3.13 Payments to Cede & Co.

Notwithstanding any other provision of this Indenture to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bonds, and all notices with respect to such Bonds shall be made and given, respectively, in the manner provided in the blanket letter of representations from the City to DTC.

(b) At least forty-five (45) days prior to each scheduled mandatory redemption date, the Paying Agent/Registrar shall select for redemption by lot, or by any other customary method that results in a random selection, a principal amount of Term Bonds equal to the aggregate principal amount of such Term Bonds to be redeemed, shall call such Term Bonds for redemption on such scheduled mandatory redemption date, and shall give notice of such redemption, as provided in Section 4.6.

(c) The principal amount of the Term Bonds required to be redeemed on any redemption date pursuant to subparagraph (a) of this Section 4.2 shall be reduced, at the option of the City, by the principal amount of any Term Bonds which, at least 45 days prior to the mandatory sinking fund redemption date (i) shall have been acquired by the City at a price not exceeding the principal amount of such Term Bonds plus accrued and unpaid interest to the date of purchase thereof, and delivered to the Paying Agent/Registrar for cancellation, or (ii) shall have been redeemed pursuant to the optional or extraordinary optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.

Section 4.3 Optional Redemption.

(a) The City reserves the option to redeem Bonds maturing on or after September 15, 20__ in whole or any part, before their respective scheduled maturity dates, on September 15, 20__, or on any date thereafter such redemption date or dates to be fixed by the City, at a Redemption Price equal to the principal amount of the Bonds called for redemption plus accrued and unpaid interest to the date fixed for redemption.

(b) The City, at least 45 days before the redemption date (unless a shorter period shall be satisfactory to the Paying Agent/Registrar), shall notify the Paying Agent/Registrar of such redemption date and of the principal amount of Bonds to be redeemed.

Section 4.4 Extraordinary Optional Redemption.

(a) Notwithstanding any provision in this Indenture to the contrary, but subject to the provisions of Section 4.6(d), the City reserves the right and option to redeem Bonds before their respective scheduled maturity dates, in whole or in part, on any Business Day, at a Redemption Price of 100% of the principal amount of such Bonds, or portions thereof, to be redeemed plus accrued and unpaid interest to the date of redemption from amounts on deposit in the Redemption Fund as a result of Prepayments (including related transfers to the Redemption Fund as provided in Section 6.7(h)) or any other transfers to the Redemption Fund under the terms of this Indenture, including from transfers of Foreclosure Proceeds and transfers pursuant to Section 6.5(e), 6.5(f), 6.5(h) and section 6.3. The City direction for such redemption shall include details with regard to a corresponding reduction in the Bond Reserve Account Requirement, as contemplated by the definition thereof.

(c) Notwithstanding the foregoing, the Trustee will not be required to make an extraordinary optional redemption pursuant to this Section 4.4 unless it has at least \$5,000 available in the Redemption Fund with which to redeem the Bonds.

Section 4.5 Partial Redemption.

(a) If less than all of the Bonds are to be redeemed pursuant to Sections 4.2, 4.3, or 4.4, Bonds shall be redeemed in minimum principal amounts of \$1,000 or any integral thereof. Each Bond shall be treated as representing the number of Bonds that is obtained by dividing the principal amount of such Bond by \$1,000. No redemption shall result in a Bond in a denomination of less than the Authorized Denomination in effect at that time; provided, however, if the amount of the Outstanding Bond is less than an Authorized Denomination after giving effect to such partial redemption, a Bond in the principal amount equal to the unredeemed portion, but not less than \$1,000, may be issued.

(b) If less than all of the Bonds are to be redeemed pursuant to optional or extraordinary optional redemption, such redemption shall be effected by redeeming Bonds in such manner as may be specified by the City; provided, however that in the absence of such instruction from the City by the date required for the sending of notice of redemption pursuant to Section 4.6, the Bonds shall be redeemed by any method selected by the Trustee that results in a pro rata reduction of the Outstanding maturities, treating each date on which a Sinking Fund Installment is due as a separate maturity for such purpose.

(c) Upon surrender of any Bond for redemption in part, the Trustee in accordance with Section 3.7 of this Indenture, shall authenticate and deliver an exchange Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, such exchange being without charge.

Section 4.6 Notice of Redemption to Owners.

(a) The Trustee shall give notice of any redemption of Bonds by sending notice by first class United States mail, postage prepaid, not less than thirty (30) days before the date fixed for redemption, to the Owner of each Bond or portion thereof to be redeemed, at the address shown in the Register.

(b) The notice shall state the redemption date, the Redemption Price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, and subject to Section 4.5 hereof, an identification of the Bonds or portions thereof to be redeemed, any conditions to such redemption and that on the redemption date, if all conditions, if any, to such redemption have been satisfied, such Bond shall become due and payable.

(c) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

(d) The City reserves the right, in the case of an optional or extraordinary optional redemption pursuant to Sections 4.3 or 4.4 herein, to give notice of its election or direction to redeem Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date, or (ii) that the City retains the right to rescind such notice at any time on or prior to the scheduled redemption

date if the City delivers a certificate of the City to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional redemption and such redemption has been rescinded shall remain Outstanding and the rescission of such redemption shall not constitute an event of default. Further, in the case of a conditional redemption, the failure of the City to make moneys and or authorized securities available in part or in whole on or before the redemption date shall not constitute an event of default.

Section 4.7 Payment Upon Redemption.

(a) The Trustee shall make provision for the payment of the Bonds to be redeemed on such date by setting aside and holding in trust an amount from the Redemption Fund or otherwise received by the Trustee from the City and shall use such funds solely for the purpose of paying the Redemption Price on the Bonds being redeemed.

(b) Upon presentation and surrender of any Bond called for redemption at the designated corporate trust office of the Trustee on or after the date fixed for redemption, the Trustee shall pay the Redemption Price on such Bond to the date of redemption from the moneys set aside for such purpose.

Section 4.8 Effect of Redemption.

Notice of redemption having been given as provided in, and not otherwise rescinded as provided by, Section 4.6 of this Indenture, the Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption provided that funds for the payment of the Redemption Price of such Bonds or the principal of and interest on such Bonds, as applicable, to the date fixed for redemption are on deposit with the Trustee; thereafter, such Bonds or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Bonds are presented and surrendered for payment on such date.

Section 5.1 Form Generally.

(a) The Bonds, including the Registration Certificate of the Comptroller of Public Accounts of the State of Texas to appear on the Initial Bond, and the Certificate of the Trustee and the Assignment to appear on each of the Bonds, (i) shall be substantially in the form set forth in Exhibit A to this Indenture with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Indenture, and (ii) may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including any reproduction of an opinion of counsel) thereon as, consistently herewith, may be determined by the City or by the officers executing such Bonds, as evidenced by their execution thereof.

(b) Any portion of the text of any Bonds may be set forth on the reverse side thereof, with an appropriate reference thereto on the face of the Bonds.

Section 5.2 CUSIP Registration.

The City may secure identification numbers through the CUSIP Global Services, managed by CUSIP Global Services on behalf of the American Bankers Association, and may authorize the printing of such numbers on the face of the Bonds. It is expressly provided, however, that the presence or absence of CUSIP numbers on the Bonds shall be of no significance or effect as regards the legality thereof; and, none of the City, the Trustee, or the attorneys approving said Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed on the Bonds. The City prohibits any Bond to be issued in a denomination of less than an Authorized Denomination and further prohibits the assignment of a CUSIP number to any Bond with a denomination of less than an Authorized Denomination and any attempt to accomplish either of the foregoing shall be void and of no effect. The Trustee may include in any redemption notice a statement to the effect that the CUSIP numbers on the Bonds have been assigned by an independent service and are included in such notice solely for the convenience of the Owners of the Bonds and that neither the City nor the Trustee shall be liable for any inaccuracies of such numbers.

Section 6.3 Pledged Revenue Fund.

(a) On or before February 1 (provided that Pledged Revenues have been received by the City, or if not, then as soon available) while the Bonds are Outstanding, beginning February 1, 2023, the City shall deposit or cause to be deposited the Pledged Revenues (which excludes, for the avoidance of doubt that portion of the Annual Installments collected for the payment of Annual Collection Costs and Delinquent Collection Costs, which shall be deposited pursuant to Section 6.10 hereof) into the Pledged Revenue Fund which deposit shall be directed by the City to the Trustee pursuant to a City Certificate. Specifically, except as set forth in Section 6.3(e), the Pledged Revenues shall be deposited to the Pledged Revenue Fund to be used in the following order of priority:

(1) first, to the Bond Pledged Revenue Account of the Pledged Revenue Fund amounts sufficient to pay debt service on the Bonds coming due on each Interest Payment Date in the next Bond Year.

(2) second, to the Bond Reserve Account in an amount to cause the amount in the Bond Reserve Account to equal the Bond Reserve Account Requirement as described in Section 6.7(a) and Section 6.7(e),

(3) third, amounts representing Additional Interest to the Delinquency and Prepayment Reserve Account in an amount equal to the Delinquency and Prepayment Reserve Requirement, and

(4) fourth, in accordance with the written direction of the City, to pay other costs permitted by the PID Act.

(b) Notwithstanding the foregoing, if any funds remain on deposit in the Pledged Revenue Fund after the transfers required by clauses (1) through (3) above are made, the City shall have the option, in its sole and absolute discretion, to transfer such excess funds into the Redemption Fund to redeem Bonds as provided in Article 4.

(c) The City or the Administrator on behalf of the City shall direct the Trustee in writing with respect to the portions of the Pledged Revenues to be deposited pursuant to Section 6.3(e) as Additional Interest, Prepayments or Foreclosure Proceeds. For the avoidance of doubt, all portions of the Annual Installment collected as Additional Interest shall be deposited pursuant only to (1), (2) and (3) above.

(d) From time to time as needed to pay the obligations relating to the Bonds, but no later than five (5) Business Days before each Interest Payment Date, the Trustee shall withdraw from the Bond Pledged Revenue Account of the Pledged Revenue Fund and transfer to the Principal and Interest Account, an amount, taking into account any amounts then on deposit in such Principal and Interest Account, such that the amount on deposit in the Principal and Interest Account equals the principal (including any Sinking Fund Installments) and interest due on the Bonds on the next Interest Payment Date.

(e) If, after the foregoing transfers and any transfer from the Reserve Fund as provided in Section 6.7 herein, there are insufficient funds to make the payments provided in paragraph (b) above, the Trustee shall apply the available funds in the Principal and Interest Account first to the payment of interest, then to the payment of principal (including any Sinking Fund Installments) on the Bonds.

(f) Notwithstanding Section 6.3(a) above:

(1) the Trustee shall deposit Additional Interest to the Pledged Revenue Fund and shall transfer all or a portion of such Additional Interest to the Delinquency and Prepayment Reserve Account as set forth in 6.3(a) above and as otherwise directed by Section 6.8(a) hereof.

(2) the Trustee shall deposit Prepayments to the Pledged Revenue Fund and as soon as practicable after such deposit shall transfer such Prepayments to the Redemption Fund; and

(3) the Trustee shall deposit Foreclosure Proceeds to the Pledged Revenue Fund and as soon as practicable after such deposit shall transfer Foreclosure Proceeds first to the Reserve Fund, to restore any transfers from the applicable account of the Reserve Fund made with respect to the Improvement Area #1 Assessed Property to which the Foreclosure Proceeds relate, and second, to the Redemption Fund. Notwithstanding the foregoing, any portion of Foreclosure Proceeds that are attributable to Annual Collection Costs (as identified to the Trustee in writing) shall be deposited to the Administrative Fund, and any portion of Foreclosure Proceeds attributable to Delinquent Penalties and Interest (as identified to the Trustee in writing) shall be deposited to the Delinquency and Prepayment Reserve Account of the Reserve Fund until the Delinquency and Prepayment Reserve Requirement is met and then to the Administrative Fund.

(g) After satisfaction of the requirements to (i) provide for the payment of the principal and interest on the Bonds and (ii) to fund any deficiency that may exist in the Reserve Fund (including the funding of the Delinquency and Prepayment Reserve Account), the City may direct the Trustee by City Certificate to apply Improvement Area #1 Assessments for any lawful purposes permitted by the PID Act for which Improvement Area #1 Assessments may be paid.

(h) Improvement Area #1 Assessments representing Delinquent Penalties and Interest (as identified to the Trustee in writing) shall be deposited first to the Delinquency and Prepayment Reserve Account until the Delinquency and Prepayment Reserve Account Reserve Requirement is met and then to the Administrative Fund.

(i) Any Improvement Area #1 Assessments remaining after satisfying the foregoing payments may be used for any lawful purpose for which Improvement Area #1 Assessments may be used under the PID Act and such payments shall be applied in accordance with written direction from a City Representative to the Trustee.

Section 6.4 Bond Fund.

(a) No later than on each Interest Payment Date, the Trustee shall withdraw from the Principal and Interest Account and transfer to the Paying Agent/Registrar the principal (including any Sinking Fund Installments) and interest then due and payable on the Bonds.

(b) If amounts in the Principal and Interest Account are insufficient for the purposes set forth in paragraph (a) above, the Trustee shall withdraw first from the Delinquency and Prepayment Reserve Account of the Reserve Fund and second from the Bond Reserve Account of the Reserve Fund amounts to cover the amount of such insufficiency. Amounts so withdrawn from the Reserve Fund shall be deposited in the Principal and Interest Account and transferred to the Paying Agent/Registrar.

Section 6.5 Project Fund.

(a) Money on deposit in the Improvement Area #1 Improvement Account, and Costs of Issuance Account shall be used for the purposes specified in Section 3.1 hereof.

(b) Disbursements from the Costs of Issuance Account shall be made by the Trustee to pay costs of issuance of the Bonds pursuant to one or more City Certificates. Moneys disbursed at closing to pay for the costs of creating the District shall be paid pursuant to a Closing Disbursement Request.

(c) Except as otherwise provided herein, money on deposit in the Improvement Area #1 Improvement Account, shall be used solely to pay the costs of the Improvement Area #1 Projects. Upon receipt of a reviewed and approved Certificate for Payment for any Improvement Area #1 Costs, the Trustee shall make payment from the Improvement Area #1 Improvement Account. Except as provided in Sections 6.5(d), 6.5(f), 6.5(h) and 6.5(i), money on deposit in the Improvement Area #1 Improvement Account shall be used solely to pay the Improvement Area #1 Costs as set forth in the applicable Certificate for Payment.

(d) Funds on deposit in the Improvement Area #1 Improvement Account in the amount of \$_____ shall be retained in the Project Fund and shall not be expended or used to pay the costs of the Improvement Area #1 Projects pursuant to a reviewed and approved Certificate for Payment until all of the following have occurred, as certified by the Developer to the City and the Trustee:

(1) All of the Improvement Area #1 Projects have been constructed or installed and accepted by the City, to the extent applicable;

(2) All of the 61 lots in Improvement Area #1 on which the Developer does not, on the Closing Date, expect to build single-family homes are either under contract with a

third-party builder or are lots on which the Developer is building or expects to build homes; and

(3) 22 single-family homes have been fully constructed within Improvement Area #1.

(e) If the amount retained pursuant to (d) above have not been released from the project Fund on or before September 15, 2025, any amounts remaining in the Project Fund may be transferred to the Redemption Fund to be used to redeem Bonds pursuant to Section 4.4 herein.

(f) If the City Representative determines in his or her sole discretion that amounts then on deposit in the Improvement Area #1 Improvement Account are not expected to be expended for purposes thereof due to the abandonment, or constructive abandonment, of the Improvement Area #1 Projects, such that, in the opinion of the City Representative, it is unlikely that the amounts in the Improvement Area #1 Improvement Account will ever be expended for the purposes thereof, the City Representative shall file a City Certificate with the Trustee which identifies the amounts then on deposit in the Improvement Area #1 Improvement Account that are not expected to be used for purposes thereof. If such City Certificate is so filed, the amounts identified on the City Certificate currently on deposit in the Improvement Area #1 Improvement Account shall be transferred to the Redemption Fund to redeem Bonds on the earliest practicable date after notice of redemption has been provided in accordance with this Indenture.

(g) In making any determination pursuant to this Section, the City Representative may conclusively rely upon a certificate of an Independent Financial Consultant.

(h) Upon the filing of a City Certificate stating that all Improvement Area #1 Projects have been completed and that all Improvement Area #1 Costs have been paid, or that any such costs are not required to be paid from the Improvement Area #1 Improvement Account pursuant to a Certificate for Payment, the Trustee shall transfer the amount, if any, remaining within the Improvement Area #1 Improvement Account to the Principal and Interest Account or to the Redemption Fund as directed by the City Representative in a City Certificate filed with the Trustee and shall close the Improvement Area #1 Improvement Account of the Project Fund.

(i) Upon a determination by the City Representative that all costs of issuance of the Bonds have been paid, any amounts remaining in the Costs of Issuance Account shall be transferred to the Bond Fund and used to pay interest on the Bonds, as directed by the City in a City Certificate filed with the Trustee, and the Costs of Issuance Account shall be closed.

Section 6.6 Redemption Fund.

(a) Amounts on deposit in the Redemption Fund shall be used and withdrawn by the Trustee to redeem Bonds as provided in Article 4.

(b) The Trustee shall cause to be deposited to the Redemption Fund from Prepayments and Foreclosure Proceeds, an amount sufficient to redeem Bonds as provided in Section 4.4 on the dates specified for redemption as provided in Section 4.4. If after such transfer, there are insufficient funds to pay the principal amount plus accrued and unpaid interest on such Bonds to the date fixed for redemption of the Bonds to be redeemed as a result of such Prepayment, the

Trustee shall transfer an amount equal to the shortfall from the Delinquency and Prepayment Reserve Account to the Redemption Fund to be applied to the redemption of the Bonds.

(c) The Trustee shall cause to be deposited to the Redemption Fund from Pledged Revenues and pursuant to any transfers made pursuant to Section 6.7, an amount sufficient to redeem Bonds as provided in Sections 4.2, 4.3 and 4.4 at the direction of the City.

Section 6.7 Bond Reserve Account.

(a) The City agrees with the Owners of the Bonds to accumulate, and when accumulated, maintain in the Bond Reserve Account, an amount equal to not less than the Bond Reserve Account Requirement. Subject to subsection (c) below, all amounts deposited in the Bond Reserve Account of the Reserve Fund shall be used and withdrawn by the Trustee for the purpose of making transfers to the Principal and Interest Account in the event of any deficiency in such Principal and Interest Account on any Interest Payment Date or any date on which principal of the Bonds is due.

(b) Whenever a transfer is made from the Bond Reserve Account to the Principal and Interest Account due to a deficiency in the Principal and Interest Account, the Trustee shall provide written notice thereof to the City, specifying the amount withdrawn.

(c) Whenever, on any Interest Payment Date, or on any other date at the request of a City Representative, the amount in the Bond Reserve Account exceeds the Bond Reserve Account Requirement, the Trustee shall provide written notice to the City Representative and the Administrator of the amount of the excess. Upon receipt of a City Certificate, the Trustee shall transfer such excess to (i) the Principal and Interest Account, (ii) the Redemption Fund or (iii) the Administrative Fund (in compliance with Section 6.13(d) herein), as set forth in the City Certificate. The excess amounts transferred from the Bond Reserve Account to the Administrative Fund will be presumed to have been transferred, first, from sources other than Bond proceeds (including investment earnings on such proceeds) and, second, from amounts that are Bond proceeds (including investment earnings on such proceeds).

(d) At the final maturity of the Bonds, the amount on deposit in the Bond Reserve Account shall be transferred to the Redemption Fund and applied to the payment of the principal of the Bonds.

(e) If, after a Bond Reserve Account withdrawal, the amount on deposit in the Bond Reserve Account is less than the Bond Reserve Account Requirement, the Trustee shall transfer from the Pledged Revenue Fund to the Bond Reserve Account the amount of such deficiency, in accordance with Section 6.3, but only to the extent that such amount is not required for the timely payment of principal, interest, or Sinking Fund Installments.

(f) At the final maturity of the Bonds, the amount on deposit in the Bond Reserve Account and the Delinquency and Prepayment Reserve Account shall be transferred to the Principal and Interest Account and applied to the payment of the principal of the Bonds.

(g) If the amount held in the Bond Reserve Account, together with the amounts held in the Pledged Revenue Fund and the Principal and Interest Account and Redemption Fund, is

sufficient to pay the principal amount of all Outstanding Bonds on the next Interest Payment Date, together with the unpaid interest accrued on such Bonds as of such Interest Payment Date, the moneys shall be transferred to the Redemption Fund and thereafter used to redeem all Bonds as of such Interest Payment Date.

(h) Whenever Bonds are to be redeemed with the proceeds of Prepayments pursuant to Section 4.4, a proportionate amount in the Bond Reserve Account shall be transferred on the Business Day prior to the redemption date by the Trustee to the Redemption Fund to be applied to the redemption of the Bonds as detailed in a City Certificate. The amount so transferred from the Bond Reserve Account shall be a proportional amount equal to a percentage of the amount of the Bonds redeemed with such percentage equal to the lesser of: (i) the amount required to be in the Bond Reserve Account, as a percentage of the Outstanding Bonds prior to the redemption, and (ii) the amount actually in the Bond Reserve Account, as a percentage of the Outstanding Bonds prior to the redemption. If after such transfer, and after applying investment earnings on the Prepayment toward payment of accrued interest on the Bonds, there are insufficient funds to pay the principal amount plus accrued and unpaid interest on such Bonds to the date fixed for redemption of the Bonds to be redeemed as a result of such Prepayment, the Trustee shall transfer an amount equal to the shortfall from the Delinquency and Prepayment Reserve Account to the Redemption Fund to be applied to the redemption of the Bonds.

(i) If the amount held in the Bond Reserve Account, together with the amounts held in the Pledged Revenue Fund, Principal and Interest Account and Redemption Fund, is sufficient to pay the principal amount of all Outstanding Bonds on the next Interest Payment Date, together with the unpaid interest accrued on such Bonds as of such Interest Payment Date, the moneys shall be transferred to the Redemption Fund and thereafter used to redeem all Bonds as of such Interest Payment Date.

(j) The cumulative amount of any Bond proceeds (including investment earnings on such proceeds) that are transferred to the Administrative Fund pursuant to the provisions of 6.7(c) and subsequently used for the payment of operating costs directly relating to the Improvement Area #1 Projects will not exceed 5% of sale proceeds of the Bonds. The Trustee shall have no liability or responsibility for compliance with this section so long as it follows the written instructions from the City.

Section 6.8 Delinquency and Prepayment Reserve Account.

(a) In addition to the initial deposit to the Delinquency and Prepayment Reserve Account pursuant to Section 6.2, Additional Interest shall be deposited to the Delinquency and Prepayment Reserve Account pursuant to Section 6.3 herein until such time that the amount on deposit in the Delinquency and Prepayment Reserve Account is at least equal to the Delinquency and Prepayment Reserve Requirement. Whenever, at the written request of the City Representative, on any Interest Payment Date or on any other date, the amount in the Delinquency and Prepayment Reserve Account exceeds the Delinquency and Prepayment Reserve Requirement, the Trustee shall provide written notice to the City of the amount of the excess. The City shall direct the Trustee in writing to transfer the amounts of such excess in the Delinquency and Prepayment Reserve Account to (i) the Bond Reserve Account to restore any deficiency in the Bond Reserve Account up to the Bond Reserve Account Requirement, (ii) the Administrative Fund

for payment of Annual Collection Costs (in compliance with Section 6.13(d) herein), or (iii) to the Redemption Fund to be used to redeem Bonds pursuant to Section 4.3. The excess amounts transferred from the Delinquency and Prepayment Reserve Account of the Reserve Fund to the Administrative Fund will be presumed to have been transferred, first, from sources other than Bond proceeds (including investment earnings on such proceeds) and, second, from amounts that are Bond proceeds (including investment earnings on such proceeds). In the event that the Trustee does not receive a City Certificate directing the transfer of the excess Delinquency and Prepayment Reserve funds within forty-five (45) days of providing notice to the City of such excess Delinquency and Prepayment Reserve amount, the Trustee shall transfer the excess Delinquency and Prepayment Reserve amount to the Redemption Fund and provide the City with written notification of the transfer. The Trustee shall incur no liability for the accuracy or validity of the transfer if compliant with this section.

(b) Whenever Bonds are to be redeemed with the proceeds of Prepayments pursuant to Section 4.4, if there are insufficient funds in the Redemption Fund from such Prepayments to redeem the Bonds on their redemption date, the Trustee shall transfer funds from the Delinquency and Prepayment Reserve Account to the Redemption Fund in the amount of the deficiency and such funds shall be used to redeem Bonds pursuant to Section 4.4.

Section 6.9 Rebate Fund.

(a) Amounts on deposit in the Rebate Fund shall be used solely for the purpose of paying amounts due the United States Government in accordance with the Code. The Rebate Fund shall not be part of the Trust Estate and is not security for the Bonds.

(b) In order to assure that the amount required to be rebated to the federal government is paid to the United States rather than to a third party, investments of funds on deposit in the Rebate Fund shall be made as directed by the City in a written direction and in accordance with the Code and Tax Certificate. The Trustee may conclusively rely on such written instructions as set forth in this section and shall not be responsible for any loss or liability resulting from the investment of funds hereunder.

(c) The Trustee conclusively shall be deemed to have complied with the provisions of this Section and Section 8.6 and shall not be liable or responsible if it follows the written instructions of the City and shall not be required to take any action under this Section and Section 8.6 in the absence of written instructions from the City.

(d) If, after the payment to the federal government of any amounts required to be paid in compliance with section 8.6, the amount on deposit in the Rebate Fund exceeds the amount required to be rebated to the federal government, the City may direct the Trustee, pursuant to a City Certificate, to transfer the amount in excess of the amount required to be rebated to the federal government to the Bond Fund.

Section 6.10 Administrative Fund.

(a) The City shall deposit or cause to be deposited to the Administrative Fund the amounts collected each year to pay Annual Collection Costs and Delinquent Collection Costs. The City or the Administrator, on behalf of the City, shall direct the Trustee pursuant to the City

Certificate with respect to the portions of the Annual Installments collected for the payment of Annual Collection Costs and Delinquent Collection Costs to be deposited pursuant to this section.

(b) Moneys in the Administrative Fund shall be held by the Trustee separate and apart from the other Funds created and administered hereunder and used as directed by a City Certificate solely for the purposes set forth in the Service and Assessment Plan, including payment of Annual Collection Costs and Delinquent Collection Costs. The Administrative Fund shall not be part of the Trust Estate and is not security for the Bonds.

(c) In accordance with Section 10.6 hereof, the Trustee shall transfer its authorized fees and expenses from the Administrative Fund to pay the foregoing unless the Trustee receives written objection from the City within 10 Business Days of its delivery of notice of such costs to the City. No City Certificate is necessary for the Trustee to receive compensation for the services rendered hereunder.

Section 6.11 Investment of Funds.

(a) Money in any Fund established pursuant to this Indenture shall be invested by the Trustee as directed by the City pursuant to a City Certificate filed with the Trustee at least two (2) Business Days in advance of the making of such investment in time deposits, other bank deposit products, or certificates of deposit secured in the manner required by law for public funds, or be invested in direct obligations of, including obligations the principal and interest on which are unconditionally guaranteed by, the United States of America, in obligations of any agencies or instrumentalities thereof, or in such other investments as are permitted under the Public Funds Investment Act Chapter 2256 Texas Government Code, as amended, or any successor law, as in effect from time to time; provided that all such deposits and investments shall be made in such manner (which may include repurchase agreements for such investment with any primary dealer of such agreements) that the money required to be expended from any Fund will be available at the proper time or times set forth in this Indenture. Such investments shall be valued each year in terms of current market value as of September 30. For purposes of maximizing investment returns, to the extent permitted by law, money in such Funds may be invested in common investments of the kind described above, or in a common pool of such investments which shall be kept and held at an official depository bank, which shall not be deemed to be or constitute a commingling of such money or funds provided that safekeeping receipts or certificates of participation clearly evidencing the investment or investment pool in which such money is invested and the share thereof purchased with such money or owned by such Fund are held by or on behalf of each such Fund. If necessary, such investments shall be promptly sold to prevent any default. In the absence of investment instructions from the City, the Trustee shall hold monies held by it uninvested and shall have no obligation to invest or reinvest such monies.

(b) Obligations purchased as an investment of moneys in any Fund shall be deemed to be part of such Fund or Account, subject, however, to the requirements of this Indenture for transfer of interest earnings and profits resulting from investment of amounts in Funds and Accounts. Whenever in this Indenture any moneys are required to be transferred by the City to the Trustee, such transfer may be accomplished by transferring a like amount of Investment Securities.

(c) The Trustee and its affiliates may act as sponsor, advisor, depository, principal or agent in the acquisition or disposition of any investment and may receive compensation in connection with any investment if authorized by the City Representative in writing. The Trustee shall not incur any liability for losses arising from any investments made pursuant to this Section. The Trustee shall not be required to determine the suitability or legality of any investments and may conclusively rely on the City's written instructions as to the directed investments.

(d) Investments in any and all Funds and Accounts may be commingled in a separate fund or funds for purposes of making, holding and disposing of investments, notwithstanding provisions herein for transfer to or holding in or to the credit of particular Funds or Accounts of amounts received or held by the Trustee hereunder, provided that the Trustee shall at all times account for such investments strictly in accordance with the Funds and Accounts to which they are credited and otherwise as provided in this Indenture.

(e) The Trustee will furnish the City monthly cash transaction statements which include detail for all investment transactions made by the Trustee hereunder; and, the Trustee is not required to provide brokerage confirmations unless the Trustee receives a written request from the City. No monthly cash transaction statement need to be furnished if no activity occurred during such month.

(f) The Trustee may conclusively rely on City Certificates pursuant to Section 6.11(a) that such an investment will comply with the City's investment policy and with the Public Funds Investment Act, Chapter 2256, Texas Government Code, as amended.

Section 6.12 Investment Income.

(a) Interest and income derived from investment of the Project Fund shall be deposited to the credit of the Principal and Interest Account.

(b) Interest and income derived from investment of the Bond Fund shall be credited to the Principal and Interest Account.

(c) Interest and income derived from investment of the Bond Reserve Account and Delinquency and Prepayment Reserve Account shall be credited to such Accounts.

Section 6.13 Security of Funds.

All Funds heretofore created or reaffirmed, to the extent not invested as herein permitted, shall be secured in the manner and to the fullest extent required by law for the security of public funds, and such Funds shall be used only for the purposes and in the manner permitted or required by this Indenture.

The City shall not be liable for any error of judgment made in good faith unless it shall be proved that it was negligent in ascertaining the pertinent facts.

No provision of this Indenture, the Bonds, the Assessment Ordinance, or any agreement, document, instrument, or certificate executed, delivered or approved by the City in connection with the issuance, sale, delivery, or administration of the Bonds (collectively, the "Bond Documents"), shall require the City to expend or risk its own general funds or revenues or other funds or otherwise incur any financial liability in the performance of any of its obligations hereunder, the sole source of payment of obligations incurred by the City under the Bond Documents being limited to the Pledged Revenues.

Any such claim shall be payable only from Pledged Revenues. Nothing contained in any of the Bond Documents shall be construed to preclude any action or proceeding in any court or before any governmental body, agency, or instrumentality against the City or any of its officers, officials, agents, or employees to enforce the provisions of any of the Bond Documents or to enforce all rights of the Owners of the Bonds by mandamus or other proceeding at law or in equity.

The City may consult with counsel with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Indenture the City shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of willful misconduct on the part of the City, be deemed to be conclusively proved and established by a certificate of the Trustee, an Independent Financial Consultant, an independent inspector or City Manager or other person designated by the City Council to so act on behalf of the City, and such certificate shall be full warrant to the City for any action taken or suffered under the provisions of this Indenture upon the faith thereof, but in its discretion the City may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

In order to perform its duties and obligations hereunder, the City may employ such persons or entities as it deems necessary or advisable. The City shall not be liable for any of the acts or omissions of such persons or entities employed by it in good faith hereunder, and shall be entitled to rely, and shall be fully protected in doing so, upon the opinions, calculations, determinations, and directions of such persons or entities.

Section 10.3 Responsibilities of the Trustee.

The Trustee accepts the trusts imposed upon it by this Indenture, and agrees to observe and perform those trusts, but only upon and subject to the terms and conditions set forth in this Article, to all of which the parties hereto and the Owners agree.

(1) this subparagraph shall not be construed to affect the limitation of the Trustee's duties and obligations provided in subparagraph (a)(1) of this Section or the Trustee's right to rely on the truth of statements and the correctness of opinions as provided in subparagraph (a)(2) of this Section;

(2) the Trustee shall not be liable for any error of judgment made in good faith by any one of its officers, unless it shall be established that the Trustee was negligent in ascertaining the pertinent facts;

(d) The recitals contained in this Indenture and in the Bonds shall be taken as the statements of the City and the Trustee assumes no responsibility and undertakes no duty to verify the correctness of the same. undertake any other action unless specifically authorized pursuant to a written direction provided by the City or pursuant to this Indenture.

(e) The duties and obligations of the Trustee shall be determined by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture.

(f) The Trustee shall not be liable for any action taken or omitted by it in the performance of its duties under this Indenture, except for its own negligence or willful misconduct. In no event shall the Trustee be liable for incidental, indirect, special or consequential damages in connection with or arising from this Indenture for the existence, furnishing or use of the Improvement Area #1 Projects. The Trustee shall have no liability for any action taken, or errors in judgment made in good faith by it or any of its officers, agents or employees unless it shall have been negligent in employing such agent or in ascertaining the pertinent facts.

(h) Except for its certificate of authentication on the Bonds, the Trustee shall not be responsible for:

(1) the validity, priority, recording, re-recording, filing or re-filing of this Indenture or any Supplemental Indenture,

(2) any instrument or document of further assurance or collateral assignment,

(6) the sufficiency of the security for the Bonds issued hereunder or intended to be secured hereby.

(i) The Trustee shall not be accountable for the application by any Person of the proceeds of any Bonds authenticated or delivered hereunder.

(j) The Trustee may request, conclusively rely on and shall be protected, in the absence of bad faith or negligence on its part, in acting upon any notice, request, direction, consent, certificate, order, affidavit, letter, telegram or other paper or document reasonably believed by it to be genuine and correct and to have been signed or sent by the proper Person or Persons. Any action taken by the Trustee pursuant to this Indenture upon the direction, request, authority or

consent of any Person who is the Owner of any Bonds at the time of making the request or giving the authority or consent, shall be conclusive and binding upon all future Owners of the same Bond and of Bonds issued in exchange therefor or in place thereof.

(k) The Trustee shall not be required to take notice, and shall not be deemed to have notice, of any default or Event of Default, except Events of Default described in Section 12.1(1), unless the Trustee shall be notified specifically of the default or Event of Default in a written instrument or document delivered to it by the City or by the Owners of more than 50% of the aggregate outstanding principal amount of Bonds. In the absence of delivery of a notice satisfying those requirements, the Trustee may assume conclusively that there is no Event of Default, except as noted above.

(l) The Trustee shall not be required to give any bond or surety with respect to the execution of these trusts and powers or otherwise in respect of the premises.

(m) Any resolution by the City, and any opinions, certificates and other instruments and documents for which provision is made in this Indenture, may be accepted by the Trustee, in the absence of bad faith on its part, as conclusive evidence of the facts and conclusions stated therein and shall be full warrant, protection and authority to the Trustee for its actions taken hereunder.

(n) The Trustee shall be entitled to file proofs of claim in bankruptcy. Ordinary trustee and paying agent/registrar fees and expenses and extraordinary fees and expenses of the Trustee and the Paying Agent/Registrar incurred hereunder are intended to constitute Annual Collection Costs in bankruptcy.

(q) The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds, except for any information provided by the Trustee, and shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds.

(r) The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and the Trustee shall not be answerable for other than its negligence or willful misconduct.

(s) The Trustee shall not be responsible or liable for the environmental condition or any contamination of the Improvement Area #1 Projects or any real property or improvements related thereto or for any diminution in value of the same as a result of any contamination by any hazardous substance, hazardous material, pollutant or contaminant. The Trustee shall not be liable for any claims by or on behalf of the Owners or any other person or entity arising from contamination by any hazardous substance, hazardous material, pollutant or contaminant, and shall have no duty or obligation to assess the environmental condition of the Improvement Area #1 Projects or any real property or improvements related thereto or with respect to compliance thereof under state or federal laws pertaining to the transport, storage, treatment or disposal of, hazardous substances, hazardous materials, pollutants, or contaminants or regulations, permits or licenses issued under such laws.

Section 12.7 Waiver of Default.

With the written consent of at least a majority in aggregate principal amount of the Bonds then Outstanding, the Owners may waive compliance by the City with certain past defaults under

the Indenture and their consequences. Any such consent shall be conclusive and binding upon the Owners and upon all future Owners.

Section 16.9 Counterparts.

This Indenture may be executed in counterparts, each of which shall be deemed an original.

The Trustee hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and, to the extent this Agreement is

a contract for goods or services, will not boycott Israel during the term of this Agreement. The foregoing verification is made solely to comply with Section 2271.002, Texas Government Code, and to the extent such Section does not contravene applicable Federal law. As used in the foregoing verification, ‘boycott Israel’ means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. The Trustee understands ‘affiliate’ to mean an entity that controls, is controlled by, or is under common control with the Trustee and exists to make a profit.

Section 16.11 Iran, Sudan and Foreign Terrorist Organizations.

The Trustee represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Texas Government Code, and posted on any of the following pages of such officer’s internet website: <https://comptroller.texas.gov/purchasing/docs/sudan-list.pdf>, <https://comptroller.texas.gov/purchasing/docs/iran-list.pdf>, or <https://comptroller.texas.gov/purchasing/docs/fto-list.pdf>. The foregoing representation is made solely to comply with Section 2252.152, Texas Government Code, and to the extent such Section does not contravene applicable Federal law and excludes the Trustee and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization. The Trustee understands “affiliate” to mean any entity that controls, is controlled by, or is under common control with the Trustee and exists to make a profit.

Section 16.12 Petroleum.

To the extent this Indenture constitutes a contract for goods or services for which a written verification is required under Section 2274.002 (as added by Senate Bill 13 in the 87th Texas Legislature, Regular Session), Texas Government Code, as amended, the Trustee hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and will not boycott energy companies during the term of this Indenture. The foregoing verification is made solely to enable the Issuer to comply with such Section and to the extent such Section does not contravene applicable Texas or federal law. As used in the foregoing verification, “boycott energy companies” shall mean, without an ordinary business purpose, refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with a company because the company (A) engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil fuel-based energy and does not commit or pledge to meet environmental standards beyond applicable federal and state law; or (B) does business with a company described by (A) above. The Trustee understands “affiliate” to mean an entity that

controls, is controlled by, or is under common control with Trustee within the meaning of SEC Rule 133(f), 17 C.F.R. §230.133(f), and exists to make a profit.

Section 16.13 Firearms.

To the extent this Indenture constitutes a contract for goods or services for which a written verification is required under Section 2274.002 (as added by Senate Bill 19 in the 87th Texas Legislature, Regular Session), Texas Government Code, as amended, the Trustee hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate during the term of this Indenture against a firearm entity or firearm trade association. The foregoing verification is made solely to enable the Issuer to comply with such Section and to the extent such Section does not contravene applicable Texas or federal law. As used in the foregoing verification, ‘discriminate against a firearm entity or firearm trade association’ (A) means, with respect to the firearm entity or firearm trade association, to (i) refuse to engage in the trade of any goods or services with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association, (ii) refrain from continuing an existing business relationship with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association, or (iii) terminate an existing business relationship with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association and (B) does not include (i) the established policies of a merchant, retail seller, or platform that restrict or prohibit the listing or selling of ammunition, firearms, or firearm accessories and (ii) a company’s refusal to engage in the trade of any goods or services, decision to refrain from continuing an existing business relationship, or decision to terminate an existing business relationship (aa) to comply with federal, state, or local law, policy, or regulations or a directive by a regulatory agency or (bb) for any traditional business reason that is specific to the customer or potential customer and not based solely on an entity’s or association’s status as a firearm entity or firearm trade association. As used in the foregoing verification, (b) ‘firearm entity’ means a manufacturer, distributor, wholesaler, supplier, or retailer of firearms (i.e., weapons that expel projectiles by the action of explosive or expanding gases), firearm accessories (i.e., devices specifically designed or adapted to enable an individual to wear, carry, store, or mount a firearm on the individual or on a conveyance and items used in conjunction with or mounted on a firearm that are not essential to the basic function of the firearm, including detachable firearm magazines), or ammunition (i.e., a loaded cartridge case, primer, bullet, or propellant powder with or without a projectile) or a sport shooting range (as defined by Section 250.001, Texas Local Government Code), and (c) ‘firearm trade association’ means a person, corporation, unincorporated association, federation, business league, or business organization that (i) is not organized or operated for profit (and none of the net earnings of which inures to the benefit of any private shareholder or individual), (ii) has two or more firearm entities as members, and (iii) is exempt from federal income taxation under Section 501(a), Internal Revenue Code of 1986, as an organization described by Section 501(c) of that code. The Trustee understands “affiliate” to mean an entity that controls, is controlled by, or is under common control

with Trustee within the meaning of SEC Rule 133(f), 17 C.F.R. §230.133(f), and exists to make a profit.

Section 16.14 Form 1295 Exemption. The Trustee represents that it is a wholly owned subsidiary of M&T Bank Corporation, a publicly traded business entity, and therefore this Agreement is exempt from Section 2252.908, Texas Government Code, as amended.

unless this Bond shall have been sooner called for redemption and the payment of the principal hereof shall have been paid or provision for such payment shall have been made, and to pay interest on the unpaid principal amount hereof from the later of the Date of Delivery, as specified above, or the most recent Interest Payment Date to which interest has been paid or provided for until such principal amount shall have been paid or provided for, at the per annum rate of interest specified above, computed on the basis of a 360-day year of twelve 30-day months, such interest to be paid semiannually commencing on September 15, 2023, and on each March 15 and September 15 thereafter until maturity or prior redemption.

Capitalized terms appearing herein that are defined terms in the Indenture defined below, have the meanings assigned to them in the Indenture. Reference is made to the Indenture for such definitions and for all other purposes.

The principal of this Bond shall be payable without exchange or collection charges in lawful money of the United States of America upon presentation and surrender of this Bond at the corporate trust office in Dallas, Texas (the “Designated Payment/Transfer Office”), of Wilmington Trust, N.A., a national banking association, as trustee and paying agent/registrar (the “Trustee,” which term includes any successor trustee under the Indenture), or, with respect to a successor trustee and paying agent/registrar, at the Designated Payment/Transfer Office of such successor. Interest on this Bond is payable by check dated as of the Interest Payment Date, mailed by the Trustee to the registered owner at the address shown on the registration books kept by the Trustee or by such other customary banking arrangements, requested by, and at the risk and expense of, the Person to whom interest is to be paid. For the purpose of the payment of interest on this Bond, the registered owner shall be the Person in whose name this Bond is registered at the close of business on the “Record Date,” which shall be the fifteenth day of the month next preceding such Interest Payment Date; provided, however, that in the event of nonpayment of interest on a scheduled Interest Payment Date, and for thirty (30) days thereafter, a new record date for such interest payment (a “Special Record Date”) will be established by the Trustee, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the “Special Payment Date,” which shall be 15 days after the Special Record Date) shall be sent at least five (5) Business Days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each Owner of a Bond appearing on the books of the Trustee at the close of business on the last Business Day preceding the date of mailing such notice.

If a date for the payment of the principal of or interest on the Bonds is a Saturday, Sunday, legal holiday, or a day on which banking institutions in the city in which the Designated Payment/Transfer Office is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding Business Day, and payment on such date shall have the same force and effect as if made on the original date payment was due.

This Bond is one of a duly authorized issue of assessment revenue bonds of the City having the designation specified in its title (herein referred to as the “Bonds”), dated _____, 2022 and issued in the aggregate principal amount of \$_____ and issued, with the limitations described herein, pursuant to an Indenture of Trust, dated as of September 15, 2022 (the “Indenture”), by and between the City and the Trustee, to which Indenture reference is hereby made for a description of the amounts thereby pledged and assigned, the nature and extent of the lien and security, the respective rights thereunder to the holders of the Bonds, the Trustee, and the City, and the terms upon which the Bonds are, and are to be, authenticated and delivered and by this reference to the terms of which each holder of this Bond hereby consents. All Bonds issued under the Indenture are equally and ratably secured by the amounts thereby pledged and assigned. The Bonds are being issued for the purpose of (i) paying a portion of the Improvement Area #1 Costs, (ii) funding a debt service reserve fund for payment of principal and interest on the Bonds, (iii) funding a portion of the Delinquency and Prepayment Reserve Account, (iv) paying a portion of the costs incidental to the organization of the District, and (v) paying the costs of issuance of the Bonds.

The Bonds are limited obligations of the City payable solely from the Trust Estate as defined in the Indenture. Reference is hereby made to the Indenture, copies of which are on file with and available upon request from the Trustee, for the provisions, among others, with respect to the nature and extent of the duties and obligations of the City, the Trustee and the Owners. The Owner of this Bond, by the acceptance hereof, is deemed to have agreed and consented to the terms, conditions and provisions of the Indenture.

Notwithstanding any provision hereof, the Indenture may be released and the obligation of the City to make money available to pay this Bond may be defeased by the deposit of money and/or certain direct or indirect Defeasance Securities sufficient for such purpose as described in the Indenture.

The Bonds are issuable as fully registered bonds only in denominations of \$25,000, or any integral multiple of \$5,000 in excess thereof ("Authorized Denominations"), subject to the partial redemption provisions of the Indenture authorizing redemptions of less than \$25,000 in denominations of \$5,000 and any multiple of \$5,000 in excess thereof.

The Bonds are subject to mandatory sinking fund redemption prior to their respective maturities and will be redeemed by the City in part at a Redemption Price equal to the principal amount thereof plus accrued and unpaid interest thereon to the date set for redemption from moneys available for such purpose in the Principal and Interest Account of the Bond Fund pursuant to Article 6 of the Indenture, on the dates and in the Sinking Fund Installment amounts as set forth in the following schedule:

At least forty-five (45) days prior to each sinking fund redemption date, the Trustee shall select for redemption by lot, or by any other customary method that results in a random selection, a principal amount of Bonds of such maturity equal to the Sinking Fund Installments of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in the Indenture.

The principal amount of Bonds required to be redeemed on any sinking fund redemption date shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least forty-five (45) days prior to the sinking fund redemption date (i) shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued and unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation, or (ii) shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption and not previously credited to a sinking fund redemption.

The City reserves the right and option to redeem Bonds maturing on or after September 15, 20__ before their scheduled maturity dates, in whole or in part, on any date, on or after September 15, 20__, such redemption date or dates to be fixed by the City, at a price of par plus accrued and unpaid interest to the date of redemption:

Bonds are subject to extraordinary optional redemption prior to maturity in whole or in part, on any Business Day, at a Redemption Price equal to the principal amount of the Bonds called for redemption, plus accrued and unpaid interest to the date fixed for redemption from amounts on deposit in the Redemption Fund as a result of Prepayments, other transfers to the Redemption Fund pursuant to the Indenture, or any other transfers to the Redemption Fund permitted in the Indenture.

The Trustee shall give notice of any redemption of Bonds by sending notice by first class United States mail, postage prepaid, not less than thirty (30) days before the date fixed for redemption, to the Owner of each Bond (or part thereof) to be redeemed, at the address shown on the Register. The notice shall state the redemption date, the Redemption Price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed. Any notice so given shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

The City reserves the right, in the case of an optional or extraordinary optional redemption, to give notice of its election or direction to redeem Bonds conditioned upon the occurrence of subsequent events. Such notice may state (i) that the redemption is conditioned upon the deposit of moneys and/or authorized securities, in an amount equal to the amount necessary to effect the redemption, with the Paying Agent/Registrar, or such other entity as may be authorized by law, no later than the redemption date, or (ii) that the City retains the right to rescind such notice at any time on or prior to the scheduled redemption date if the City delivers a certificate of the City to the Paying Agent/Registrar instructing the Paying Agent/Registrar to rescind the redemption notice and such notice and redemption shall be of no effect if such moneys and/or authorized securities are not so deposited or if the notice is rescinded. The Paying Agent/Registrar shall give prompt notice of any such rescission of a conditional notice of redemption to the affected Owners. Any Bonds subject to conditional redemption and such redemption has been rescinded shall remain Outstanding and the rescission of such redemption shall not constitute an event of default. Further,

in the case of a conditional redemption, the failure of the City to make moneys and or authorized securities available in part or in whole on or before the redemption date shall not constitute an event of default.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the City and the rights of the holders of the Bonds under the Indenture at any time Outstanding affected by such modification. The Indenture also contains provisions permitting the holders of specified percentages in aggregate principal amount of the Bonds at the time Outstanding, on behalf of the holders of all the Bonds, to waive compliance by the City with certain past defaults under the Bond Ordinance or the Indenture and their consequences. Any such consent or waiver by the holder of this Bond or any predecessor Bond evidencing the same debt shall be conclusive and binding upon such holder and upon all future holders thereof and of any Bond issued upon the transfer thereof or in exchange therefor or in lieu thereof, whether or not notation of such consent or waiver is made upon this Bond.

As provided in the Indenture, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office, with such endorsement or other evidence of transfer, and upon delivery to the Trustee of such certifications and/or opinion of counsel as may be required under the Indenture for the transfer of this Bond. Upon satisfaction of such requirements, one or more new fully registered Bonds of the same Stated Maturity, of Authorized Denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the City nor the Trustee shall be required to issue, transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within forty-five (45) calendar days of the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

The City, the Trustee, and any other Person may treat the Person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the Person in whose name this Bond is registered on the Record Date or Special Record Date, as applicable) and for all other purposes, whether or not this Bond be overdue, and neither the City nor the Trustee shall be affected by notice to the contrary.

NEITHER THE FULL FAITH AND CREDIT NOR THE GENERAL TAXING POWER OF THE CITY OF TOMBALL, TEXAS; HARRIS COUNTY, TEXAS; THE STATE OF TEXAS; OR ANY POLITICAL SUBDIVISION THEREOF, IS PLEDGED TO THE PAYMENT OF THE BONDS.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; and that the total indebtedness of the City, including the Bonds, does not exceed any Constitutional or statutory limitation.

IN WITNESS WHEREOF, the City Council of the City has caused this Bond to be executed under the official seal of the City.

INTRODUCTION

Capitalized terms used in this Service and Assessment Plan shall have the meanings given to them in Section I unless otherwise defined in this Service and Assessment Plan or unless the context in which a term is used clearly requires a different meaning. Unless otherwise defined, a reference to a “Section” or an “Exhibit” shall be a reference to a Section of this Service and Assessment Plan or an Exhibit attached to and made a part of this Service and Assessment Plan for all purposes.

On January 18, 2021, the City passed and approved Resolution No. 2021-04 authorizing the creation of the District in accordance with the PID Act, as amended, which authorization was effective upon publication as required by the PID Act.

The purpose of the District is to finance the Actual Costs of Authorized Improvements that confer a special benefit on approximately 90.54 acres located within the City, as described by metes and bounds on **Exhibit A-1** and depicted on **Exhibit B-1**.

The PID Act requires a service plan covering a period of at least five years and defining the annual indebtedness and projected cost of the Authorized Improvements. The Service Plan is contained in **Section IV**.

The PID Act requires that the Service Plan include an assessment plan that assesses the Actual Costs of the Authorized Improvements against the District based on the special benefits conferred on the District by the Authorized Improvements. The Assessment Plan is contained in **Section V**.

The PID Act requires an assessment roll that states the assessment against each Parcel in the District determined by the method chosen by the City Council. The Assessment against each Parcel must be sufficient to pay the share of the Actual Costs apportioned to the Parcel and cannot exceed the special benefit conferred on the Parcel by the Authorized Improvements. The Improvement Area #1 Assessment Roll is included as **Exhibit F**.

The sources and uses of funds shown on **Exhibit E** shall be updated each year in the Annual Service Plan Update to reflect any budget revisions and Actual Costs.

SECTION V: ASSESSMENT PLAN

The PID Act allows the City Council to apportion the costs of the Authorized Improvements to the Assessed Property based on the special benefit received from the Authorized Improvements. The PID Act provides that such costs may be apportioned: (1) equally per front foot or square foot; (2) according to the value of property as determined by the City Council, with or without regard to improvements constructed on the property; or (3) in any other manner approved by the City Council that results in imposing equal shares of such costs on property similarly benefited. The PID Act further provides that the governing body may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the City and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

The determination by the City Council of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Developer and all future Owners and developers of the Assessed Property.

A. Assessment Methodology

The City Council, acting in its legislative capacity based on information provided by the Developer and its engineer and reviewed by the City staff and by third-party consultants retained by the City, has determined that the Authorized Improvements, Bond Issuance Costs, and First Year Annual Collection Costs shall be allocated as follows:

- The Improvement Area #1 Improvements are allocated entirely to the Improvement Area #1 Assessed Property.
- Bond Issuance Costs and First Year Annual Collection Costs shall be allocated entirely to the Assessed Property securing the applicable series of PID Bonds.

When, and if, Future Improvement Areas are developed and the issuance of Future Improvement Area Bonds or the adoption of a Reimbursement Agreement relating to a Future Improvement Area is contemplated, this Service and Assessment Plan will be amended to determine the assessment methodology necessary to apply equal shares of Actual Costs of Future Improvement Area Improvements on Assessed Property similarly benefited within that Future Improvement Area.

B. Assessments

Improvement Area #1 Assessments will be levied on the Improvement Area #1 Assessed Property as shown on the Improvement Area #1 Assessment Roll, attached hereto as **Exhibit F**. The projected Improvement Area #1 Annual Installments are shown on **Exhibit G**, subject to revisions made during any Annual Service Plan Update.

The Maximum Assessment for each Lot Type is shown on **Exhibit H**. In no case will the Assessment for any Lot Type exceed the Maximum Assessment.

When, and if, Future Improvement Areas are developed and the levy of Assessments on Future Improvement Areas is contemplated, this Service and Assessment Plan will be amended to determine the Assessment and Annual Installment associated with the costs of Future Improvement Area Improvements on each Lot located within a Future Improvement Area. The Assessment shall not exceed the benefit received by the Assessed Property.

C. Findings of Special Benefit

The City Council, acting in its legislative capacity based on information provided by the Developer and its engineer and reviewed by the City staff and by third-party consultants retained by City, has found and determined:

- *Improvement Area #1*
 1. The cost of Improvement Area #1 Projects and the applicable First Year Annual Collection Costs and Bond Issuance Costs equal \$6,385,231 as shown on **Exhibit C**; and
 2. The Improvement Area #1 Assessed Property receives special benefit from Improvement Area #1 Projects and applicable First Year Annual Collection Costs and Bond Issuance Costs equal to or greater than the Actual Costs of the Improvement

Area #1 Projects and applicable First Year Annual Collection Costs and Bond Issuance Costs; and

3. The Improvement Area #1 Assessed Property will be allocated 100% of the Improvement Area #1 Assessments levied on the Improvement Area #1 Assessed Property for Improvement Area #1 Projects and the applicable First Year Annual Collection Costs and Bond Issuance Costs, which equal \$4,435,000, as shown on the Improvement Area #1 Assessment Roll attached hereto as **Exhibit F**; and
4. The special benefit (\geq \$6,385,231) received by the Improvement Area #1 Assessed Property from Improvement Area #1 Projects and applicable First Year Annual Collection Costs and Bond Issuance Costs is equal to or greater than the amount of the Improvement Area #1 Assessments (\$4,435,000) levied on the Improvement Area #1 Assessed Property; and
5. At the time the City Council approved the Assessment Ordinance, the property owners within Improvement Area #1 acknowledged that Improvement Area #1 Projects and the applicable First Year Annual Collection Costs and Bond Issuance Costs confer a special benefit on the Improvement Area #1 Assessed Property and consented to the imposition of the Improvement Area #1 Assessments to pay for Improvement Area #1 Projects and applicable First Year Annual Collection Costs and Bond Issuance Costs associated therewith. The property owners within Improvement Area #1 ratified, confirmed, accepted, agreed to, and approved (1) the determinations and findings by the City Council as to the special benefits described herein and in the Assessment Ordinance, (2) the Service and Assessment Plan and the Assessment Ordinance, and (3) the levying of the Improvement Area #1 Assessments on the Improvement Area #1 Assessed Property.

D. Annual Collection Costs

The Annual Collection Costs shall be paid for on a pro rata basis by each Assessed Property based on the amount of outstanding Assessments remaining on the Assessed Property. E. Additional Interest

The interest rate on the Improvement Area #1 Assessments shall bear interest at the rate of the Improvement Area #1 Bonds plus additional interest. Interest at the rate of the PID Bonds and the Additional Interest shall be collected as part of each Annual Installment and shall be deposited pursuant to the Indenture.

SECTION VI: TERMS OF THE ASSESSMENTS

A. Reallocation of Assessments

1. *Upon Division Prior to Recording of Subdivision Plat*

Upon the division of any Assessed Property (without the recording of subdivision plat), the Administrator shall reallocate the Assessment for the Assessed Property prior to the division among the newly divided Assessed Properties according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for the newly divided Assessed Property

B = the Assessment for the Assessed Property prior to division

C = the Estimated Buildout Value of the newly divided Assessed Property

D = the sum of the Estimated Buildout Value for all the newly divided Assessed Properties

The sum of the Assessments for all newly divided Assessed Properties shall equal the Assessment for the Assessed Property prior to subdivision. The calculation shall be made separately for each newly divided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this Service and Assessment Plan approved by the City Council.

2. *Upon Subdivision by a Recorded Subdivision Plat*

Upon the subdivision of any Assessed Property based on a recorded subdivision plat, the Administrator shall reallocate the Assessment for the Assessed Property prior to the subdivision among the new subdivided Parcel according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the newly subdivided Lot

B = the Assessment for the Parcel prior to subdivision

C = the sum of the Estimated Buildout Value of all newly subdivided Lots with the same Lot Type

D = the sum of the Estimated Buildout Value for all the newly subdivided Lots excluding Non-Benefitted Property

E = the number of Lots with the same Lot Type

Prior to the recording of a subdivision plat, the Developer shall provide the City an Estimated Buildout Value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat.

The sum of the Assessments for all newly subdivided Parcels shall not exceed the Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this Service and Assessment Plan approved by the City Council.

3. Upon Consolidation

If two or more Assessed Properties are consolidated, the Administrator shall allocate the Assessments against the Assessed Properties before the consolidation to the consolidated Assessed Property, which allocation shall be approved by the City Council in the next Annual Service Plan Update.

The Assessment for any resulting Lot will not exceed the Maximum Assessment, shown on **Exhibit H** for the applicable Lot Type, and compliance may require a mandatory Prepayment of Assessments pursuant to **Section VI.B.**

B. True-up of Assessments if Maximum Assessment Exceeded

Prior to the approval of a final subdivision plat, the Administrator shall certify that the final plat will not cause the Assessment for any Lot Type to exceed the Maximum Assessment. If the subdivision of any Assessed Property by a final subdivision plat causes the Assessment per Lot for any Lot Type to exceed the applicable Maximum Assessment for such Lot Type, the Owner must partially prepay the Assessment for each Assessed Property that exceeds the applicable Maximum Assessment for such Lot Type. The City's approval of a final subdivision plat without payment of such amounts does not eliminate the obligation of the Developer to pay such Assessments.

C. Mandatory Prepayment of Assessments

If Assessed Property is transferred to a person or entity that is exempt from payment of the Assessment, the Owner transferring the Assessed Property shall pay to the City the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs, prior to the transfer. If the Owner of the Assessed Property causes the Assessed Property to become Non-Benefited Property, the Owner causing the change in status shall pay to the City the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs, prior to the change in status.

D. Reduction of Assessments

If, as a result of cost savings or an Improvement Area #1 Project not being constructed, the Actual Costs of completed Improvement Area #1 Projects are less than the Improvement Area #1 Assessments, (i) in the event PID Bonds are not issued, the Improvement Area #1 Assessments and the Reimbursement Obligation shall be reduced on a pro-rata basis such that the sum of the resulting reduced Improvement Area #1 Assessments for all Assessed Properties equals the reduced Actual Costs, or (ii) in the event that PID Bonds have been issued, the City shall direct the Trustee to apply amounts on deposit in the applicable account of the project fund, relating to the applicable series of PID Bonds, that are not expected to be used to pay costs of Improvement Area #1 Projects to be used to redeem outstanding PID Bonds, in accordance with the applicable Indenture.

The City Council may reduce the Improvement Area #1 Assessments and the Annual Installments for Assessed Property (1) in an amount that represents the Improvement Area #1 Projects provided for each property; (2) by an equal percentage per Lot; or (3) in any other manner determined by the City Council to be the most fair and practical means of reducing the Improvement Area #1 Assessments for Assessed Property, such that the sum of the resulting reduced Improvement Area #1 Assessments equals the amount required to repay the PID Bonds, including interest on the PID Bonds or Reimbursement Obligation, Additional Interest, and the Annual Collection Costs portion of the Improvement Area #1 Assessment, as reduced pursuant to this Section.

The Administrator shall update (and submit to the City Council for review and approval as part of the next Annual Service Plan Update) the Assessment Roll and corresponding Annual Installments to reflect the reduced Assessments.

E. Prepayment of Assessments

The Owner of the Assessed Property may pay, at any time, all or any portion of an Assessment in accordance with the PID Act, including all Prepayment Costs. Interest costs from the date of Prepayment to the date of redemption of the applicable PID Bonds, if any, may be paid from a fund established under the applicable Indenture for such purpose. If an Annual Installment has been billed prior to the Prepayment, the Annual Installment shall be due and payable and shall be credited against the Prepayment.

If the principal portion of an Assessment is paid in full, with interest accrued to the date of Prepayment: (1) the Administrator shall cause the Assessment to be reduced to zero and the Assessment Roll to be revised accordingly; (2) the Administrator shall prepare the revised Assessment Roll and submit to the City Council for review and approval as part of the next Annual Service Plan Update; (3) the obligation to pay the Assessment and corresponding Annual

Installments shall terminate; and (4) the City shall provide the Owner with a recordable "Notice of PID Assessment Termination," a form of which is attached hereto as **Exhibit L**.

If an Assessment is paid in part, with interest: (1) the Administrator shall cause the Assessment to be reduced and the Assessment Roll to be revised accordingly; (2) the Administrator shall prepare the revised Assessment Roll and submit to the City Council for review and approval as part of the next Annual Service Plan Update; and (3) the obligation to pay the Assessment and corresponding Annual Installments shall be reduced to the extent of the prepayment made.

F. Prepayment as a result of Eminent Domain Proceeding or Taking

If any portion of any Parcel of Assessed Property is taken from an Owner as a result of eminent domain proceedings or if a transfer of any portion of any Parcel of Assessed Property is made to an entity with the authority to condemn all or a portion of the Assessed Property in lieu of or as a part of an eminent domain proceeding (a **"Taking"**), the portion of the Assessed Property that was taken or transferred (the **"Taken Property"**) shall be reclassified as Non-Benefited Property.

For the Assessed Property that is subject to the Taking as described in the preceding paragraph, the Assessment that was levied against the Assessed Property prior to the Taking shall remain in force against the remaining Assessed Property (the Assessed Property less the Taken Property), (the **"Remaining Property"**) following the reclassification of the Taken Property as Non-Benefited Property. The Owner of the Remaining Property will remain liable to pay in Annual Installments, or payable as otherwise provided by this Service and Assessment Plan, as updated, or the PID Act, the Assessment that remains due on the Remaining Property.

Following the initiation of the Taking, the Administrator will be required to determine the portion of the Assessment that was levied against the Assessed Property that would have been allocated to the Taken Property prior to its reclassification as Non-Benefitted Property based on a manner that results in imposing equal shares of the costs of the applicable Authorized Improvements on property similarly benefitted.

The Owner shall make a Prepayment of the Assessment in an amount equal to the amount determined by the Administrator in the preceding paragraph prior to the transfer of ownership of the Taken Property.

By way of illustration, if an Owner owns 100 acres of Assessed Property subject to a \$100 Assessment and 10 acres is taken through a Taking, the 10 acres of Taken Property shall be reclassified as Non-Benefited Property and the remaining 90 acres of Remaining Property shall be subject to the \$100 Assessment, and the Owner shall owe \$10 as a Prepayment for the Taken Property.

Notwithstanding the previous paragraphs in this subsection if the Administrator determines that the Taking prevents the Remaining Property from being developed as shown on the final plat,

the Owner shall be required to prepay the total amount of the Assessment levied against the Remaining Property within sixty (60) days of such determination.

G. Payment of Assessment in Annual Installments

Exhibit G shows the projected Improvement Area #1 Annual Installments. Assessments that are not paid in full shall be due and payable in Annual Installments. Annual Installments are subject to adjustment in each Annual Service Plan Update.

If any Parcel shown on the Assessment Roll is assigned multiple tax identification numbers, the Annual Installment shall be allocated pro rata based on the acreage of the property as shown by Harris County Appraisal District for each tax identification number.

The Administrator shall prepare and submit to the City Council for its review and approval an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include updated Assessment Rolls and updated calculations of Annual Installments. Annual Collection Costs shall be allocated pro rata among Assessed Property for which Assessments remain unpaid based on the amount of the outstanding Assessment on each Assessed Property. Annual Installments shall be collected in the same manner and at the same time as ad valorem taxes. Annual Installments shall be subject to the penalties, procedures, and foreclosure sale in case of delinquencies as set forth in the PID Act and in the same manner as ad valorem taxes for the City. The City Council may provide for other means of collecting Annual Installments. Assessments shall have the lien priority specified in the PID Act.

Foreclosure sales of the Assessed Property for nonpayment of Annual Installments shall be subject to the lien for the remaining unpaid Annual Installments against the Assessed Property, and the Assessed Property may again be sold at a judicial foreclosure sale if the purchaser fails to timely pay the non-delinquent Annual Installments as they become due and payable.

The City reserves the right to refund PID Bonds in accordance with the PID Act and the applicable Indenture. In the event of a refunding, the Administrator shall recalculate the Annual Installments so that total Annual Installments will be sufficient to pay the refunding bonds, and the refunding bonds shall constitute "PID Bonds."

Each Annual Installment of an Assessment, including interest on the unpaid principal of the Assessment, shall be updated annually. Each Annual Installment shall be due when billed and shall be delinquent if not paid prior to February 1 of the following year. The initial Annual Installments relating to the Improvement Area #1 2022 Bonds shall be due when billed and shall be delinquent if not paid prior to February 1, 2023.

Failure of an Owner to receive an invoice for an Annual Installment on the property tax bill shall not relieve the Owner of the responsibility for payment of the Assessment. Assessments, or Annual Installments thereof, that are delinquent shall incur Delinquent Collection Costs. The City may provide for other means of collecting the Annual Installments to the extent permitted by the PID Act.

H. Allocating Annual Installments if Assessed Property is Sold

If Assessed Property is sold, the Annual Installment shall be allocated between the buyer and seller in the same methodology as property taxes.

SECTION VII: ASSESSMENT ROLL

The Improvement Area #1 Assessment Roll is attached as **Exhibit F**. The Administrator shall prepare and submit to the City Council for review and approval proposed revisions to the Assessment Roll and Annual Installments for each Parcel as part of each Annual Service Plan Update.

As Future Improvement Areas are developed, this Service and Assessment Plan will be amended to determine the Assessment for each Lot located within such Future Improvement Areas.

SECTION VIII: ADDITIONAL PROVISIONS

A. Administrative Review

To the extent consistent with the PID Act, an Owner of Assessed Property claiming that a calculation error has been made in the Assessment Roll, including the calculation of the Annual Installment, shall send a written notice describing the error to the City not later than thirty (30) days after the date the invoice or other bill for the Annual Installment is received. If the Owner fails to give such notice, such Owner shall be deemed to have accepted the calculation of the Assessment Roll (including the Annual Installments) and to have waived any objection to the calculation. The Administrator shall promptly review the notice, and if necessary, meet with the Owner, consider written and oral evidence regarding the alleged error and decide whether, in fact, such a calculation error occurred. The City may elect to designate a third party who is not an officer or employee of the City to serve as Administrator of the District.

If the Administrator determines that a calculation error has been made and the Assessment Roll should be modified or changed in favor of the Assessed Property Owner, such change or modification shall be presented to the City Council for approval to the extent permitted by the PID Act. A cash refund may not be made for any amount previously paid by the Assessed Property Owner (except for the final year during which the Annual Installment shall be collected or if it is

determined there are sufficient funds to meet the expenses of the District for the current year), but an adjustment may be made in the amount of the Annual Installment to be paid in the following year. The decision of the Administrator regarding a calculation error relating to the Assessment Roll may be appealed to the City Council. Any amendments made to the Assessment Roll pursuant to calculation errors shall be made pursuant to the PID Act.

The decision of the Administrator, or if such decision is appealed to the City Council, the decision of the City Council, shall be conclusive. This procedure shall be exclusive and its exhaustion by any property Owner shall be a condition precedent to any other appeal or legal action by such Owner.

B. Termination of Assessments

Each Assessment shall be extinguished on the date the Assessment is paid in full, including unpaid Annual Installments and Delinquent Collection Costs, if any. After the extinguishment of an Assessment and the collection of any delinquent Annual Installments and Delinquent Collection Costs, the City shall provide the Owner of the affected Assessed Property a recordable “Notice of the PID Assessment Termination,” attached hereto as **Exhibit L**.

C. Amendments

Amendments to this Service and Assessment Plan must be made by the City Council in accordance with the PID Act. To the extent permitted by the PID Act, this Service and Assessment Plan may be amended without notice to Owners of the Assessed Property: (1) to correct mistakes and clerical errors; (2) to clarify ambiguities; (3) to provide procedures to collect Assessments, Annual Installments, and other charges imposed by this Service and Assessment Plan; and (4) for any other purpose authorized by the PID Act.

D. Administration and Interpretation

The Administrator shall: (1) perform the obligations of the Administrator as set forth in this Service and Assessment Plan; (2) administer the District for and on behalf of and at the direction of the City Council; and (3) interpret the provisions of this Service and Assessment Plan. Interpretations of this Service and Assessment Plan by the Administrator shall be in writing and shall be appealable to the City Council by Owners or developers adversely affected by the interpretation. Appeals shall be decided by the City Council during which all interested parties have an opportunity to be heard. Decisions by the City Council shall be final and binding on the Owners and developers and their successors and assigns.

E. Form of Buyer Disclosure

Per Section 5.014 of the Texas Property Code, as amended, this Service and Assessment Plan, and any future Annual Service Plan Updates, shall include a form of the buyer disclosures for the

District. The buyer disclosures are attached hereto as **Exhibit N-1** and **Exhibit N-2**. Within seven days of approval by the City Council, the City shall file and record in the real property records of the County the executed ordinance approving this Service and Assessment Plan, or any future Annual Service Plan Updates. The executed ordinance, including any attachments, approving this Service and Assessment Plan or any future Annual Service Plan Updates shall be filed and recorded in its entirety.

F. Severability

If any provision of this Service and Assessment Plan is determined by a governmental agency or court to be unenforceable, the unenforceable provision shall be deleted and, to the maximum extent possible, shall be rewritten to be enforceable. Every effort shall be made to enforce the remaining provisions.

FORM OF OPINION OF BOND COUNSEL

THIS PAGE IS LEFT BLANK INTENTIONALLY.

[Form of Bond Opinion]

[Date]

\$ _____

CITY OF TOMBALL, TEXAS
SPECIAL ASSESSMENT REVENUE BONDS SERIES 2022
(WOOD LEAF RESERVE PUBLIC IMPROVEMENT DISTRICT IMPROVEMENT AREA #1)

We have represented the City of Tomball, Texas (the “Issuer”), as its bond counsel in connection with an issue of assessment revenue bonds (the “Bonds”) described as follows:

CITY OF TOMBALL, TEXAS SPECIAL ASSESSMENT REVENUE BONDS, SERIES 2022 (WOOD LEAF RESERVE PUBLIC IMPROVEMENT DISTRICT IMPROVEMENT AREA #1), dated [____, 2022], issued in the principal amount of \$_____.

In such capacity, we have examined the law and such certified proceedings and other papers as we deem necessary to render this opinion. The scope of our engagement as bond counsel extends solely to an examination of the facts and law incident to rendering the opinions specifically expressed herein.

The Bonds have been authorized and issued pursuant to Texas Local Government Code, Chapter 372, as amended (the “Act”) and an Ordinance adopted by the Issuer on [September 19, 2022] (the “Ordinance”). The Bonds are issued pursuant to a Trust Indenture, dated as of September 15, 2022 (the “Indenture”), by and between the Issuer and Wilmington Trust, N.A., as Trustee (the “Trustee”).

Unless the context clearly indicates otherwise, each capitalized term used in this opinion shall have the same meaning as set forth in the Indenture.

We have represented the Issuer as bond counsel for the sole purpose of rendering an opinion with respect to the legality and validity of the Bonds under the Constitution and laws of the State of Texas and with respect to the excludability of interest on the Bonds from gross income for federal income tax purposes. We have not investigated or verified original proceedings, records, data or other material, but have relied solely upon the transcript of proceedings described in the following paragraph. We have not assumed any responsibility with respect to the financial condition or capabilities of the Issuer or the disclosure thereof in connection with the sale of the Bonds. Our role in connection with the Issuer’s Limited Offering Memorandum prepared for use in connection with the sale of the Bonds has been limited as described therein. We express no opinion herein regarding the accuracy, adequacy or completeness of the Limited Offering Memorandum relating to the Bonds.

In our capacity as bond counsel, we have participated in the preparation of and have examined a transcript of certified proceedings pertaining to the Bonds, on which we have relied in giving our opinion. The transcript contains certified copies of certain proceedings of the Issuer; customary certificates of officers, agents and representatives of the Issuer and other public officials, and other certified showings relating to the authorization and issuance of the Bonds. We also have analyzed such laws, regulations,

guidance, documents and other materials as we have deemed necessary to render the opinions herein. We have also examined executed Bond No. 1 of this issue.

In providing the opinions set forth herein, we have relied on representations and certifications of the Issuer and other parties involved with the issuance of the Bonds with respect to matters solely within the knowledge of the Issuer and such parties, which we have not independently verified. In addition, we have assumed for purposes of this opinion continuing compliance with the covenants in the Indenture, including, but not limited to, covenants relating to the tax-exempt status of the Bonds.

Based on such examination and in reliance on such representations, certifications and assumptions, it is our opinion that:

- (1) The transcript of certified proceedings evidences complete legal authority for the issuance of the Bonds in full compliance with the Constitution and laws of the State of Texas presently effective and, therefore, the Bonds constitute valid and legally binding obligations of the Issuer payable solely from the Pledged Revenues as and to the extent provided in the Indenture.
- (2) Interest on the Bonds is excludable from gross income for federal income tax purposes under section 103 of the Internal Revenue Code of 1986, as amended. In addition, interest on the Bonds is not an item of tax preference for purposes of the alternative minimum tax on individuals, but we observe that such interest is taken into account in computing the alternative minimum tax on certain corporations for tax years beginning after December 31, 2022. .

The rights of the owners of the Bonds are subject to the applicable provisions of the federal bankruptcy laws and any other similar laws affecting the rights of creditors of political subdivisions generally and may be limited by general principles of equity which permit the exercise of judicial discretion.

Except as stated above, we express no opinion as to the amount of interest on the Bonds or any federal, state or local tax consequences resulting from the receipt or accrual of interest on, or the acquisition, ownership or disposition of, the Bonds. This opinion is specifically limited to the laws of the State of Texas and, to the extent applicable, the laws of the United States of America. Further, in the event that the representations of the Issuer and other parties upon which we have relied are determined to be inaccurate or incomplete or the Issuer fails to comply with the covenants of the Ordinance, interest on the Bonds could become includable in gross income for federal income tax purposes from the date of the original delivery of the Bonds, regardless of the date on which the event causing such inclusion occurs.

Our opinions are based on existing law and our knowledge of facts as of the date hereof and may be affected by certain actions that may be taken or omitted on a later date. We assume no duty to update or supplement our opinions, and this opinion letter may not be relied upon in connection with any changes to the law or facts, or actions taken or omitted, after the date hereof.

“Trustee” shall have the meaning assigned to such term in the Indenture.

SECTION 3. Provision of Annual Issuer Reports.

(a) The Issuer shall, not later than six (6) months after the end of the Issuer’s Fiscal Year, commencing with the Fiscal Year ending September 30, 2022, provide or cause to be provided to the MSRB, in the electronic or other format required by the MSRB, an Annual Issuer Report which is consistent with the requirements of Section 4 of this Disclosure Agreement. In each case, the Annual Issuer Report may be submitted as a single document or as separate documents comprising a package and may include by reference other information as provided in Section 4 of this Disclosure Agreement. If the Issuer’s Fiscal Year changes, it shall file notice of such change (including the date of the new Fiscal Year) with the MSRB prior to the next date by which the Issuer otherwise would be required to provide the Annual Issuer Report pursuant to Section 4 of this Disclosure Agreement. All documents provided to the MSRB shall be accompanied by identifying information as prescribed by the MSRB.

(b) Upon delivery by the Issuer of the Annual Issuer Report to the Dissemination Agent together with written instructions to file such report with the MSRB, the Dissemination Agent shall:

(i) determine the filing address or other filing location of the MSRB each year prior to filing the Annual Issuer Report on the date required in subsection (a); and

(ii) file the Annual Issuer Report containing or incorporating by reference the information set forth in Section 4 hereof;

(c) If the Issuer has provided the Dissemination Agent with the completed Annual Issuer Report together with written instructions to file such with the MSRB and the Dissemination Agent has filed such Annual Issuer Report with the MSRB, then the Dissemination Agent shall file a report with the Issuer certifying that the Annual Issuer Report has been provided pursuant to this Disclosure Agreement, stating the date it was provided and that it was filed with the MSRB, which report shall include a filing receipt from the MSRB.

SECTION 4. Content and Timing of Annual Issuer Reports. The Annual Issuer Report for the Bonds shall contain or incorporate by reference, and the Issuer agrees to provide or cause to be provided to the Dissemination Agent, the following:

(a) Within six (6) months after the end of each Fiscal Year the Annual Financial Information of the Issuer (any or all of which may be unaudited) being:

(i) Tables setting forth the following information, as of the end of such Fiscal Year:

(A) For the Bonds, the maturity date or dates, the interest rate or rates, the original aggregate principal amount and principal amount remaining Outstanding;

(B) The amounts in the funds and accounts under the Indenture securing the Bonds and a description of the related investments; and

(C) The assets and liabilities of the Trust Estate.

(ii) Financial information and operating data with respect to the Issuer of the general type, in substantially similar form to that shown in the tables provided under Sections 4(a)(ii)(A) and 4(a)(ii)(B) of Exhibit B attached hereto. Such information shall be provided: (a) as of the end of the Fiscal Year (for tables in Section 4(a)(ii)(A) of Exhibit B), and (b) both as of the end of the Fiscal Year and through February 1 of the calendar year immediately succeeding such Fiscal Year (for tables in Section 4(a)(ii)(B) of Exhibit B).

(iii) Updates to the information in the Service and Assessment Plan as most recently amended or supplemented (a “SAP Update”), including any changes to the methodology for levying the Assessments in Improvement Area #1.

(iv) Until building permits have been issued for parcels or lots representing, in the aggregate, ninety-five percent (95%) of the total Assessments levied within Improvement Area #1, the Annual Issuer Report (in the SAP Update or otherwise) shall include the number of certificates of occupancy (“COs”) issued for new homes completed in Improvement Area #1 during such Fiscal Year and the aggregate number of COs issued for new homes completed within Improvement Area #1 since filing the initial Annual Issuer Report for Fiscal Year ending September 30, 2022.

(v) If the total amount of delinquencies greater than 150 days equals or exceeds ten percent (10%) of the amount of Assessments due in any fiscal year, a list of delinquent property owners.

(vi) A description of any amendment to this Disclosure Agreement and a copy of any restatements to the Issuer’s audited financial statements during such Fiscal Year.

(b) The Issuer agrees to provide or cause to be provided to the Dissemination Agent the Annual Financial Statements of the Issuer for the most recently ended Fiscal Year. Such Annual Financial Statements shall be provided to the Dissemination Agent within 12 months after the end of each Fiscal Year. If the audit of such Annual Financial Statements is not complete within 12 months after any such Fiscal Year, then the Issuer shall provide unaudited Annual

Financial Statements within such 12-month period and audited Annual Financial Statements for the applicable Fiscal Year when and if the audit report on such statements becomes available.

See Exhibit B hereto for a form for submitting the information set forth in the preceding paragraphs.

(c) The Issuer has designated P3Works, LLC, as the initial Administrator. The Administrator shall prepare and provide the Annual Financial Information required (except for the information of the type included under the heading “Debt Service Requirements on the Bonds” and audited or unaudited financial statements of the Issuer) under Section 4(a) above to the Dissemination Agent no later than five (5) Business Days prior to the day that is six (6) months after the end of each Fiscal Year. If no Administrator has been designated, the Issuer shall prepare and provide the Annual Financial Information required under Section 4(a) above to the Dissemination Agent no later than five (5) Business Days prior to the day that is six (6) months after the end of each Fiscal Year.

Any or all of the items listed above may be included by specific reference to other documents, including disclosure documents of debt issues of the Issuer, which have been submitted to and are publicly accessible from the MSRB. If the document included by reference is a final offering document, it must be available from the MSRB. The Issuer shall clearly identify each such other document so included by reference.

SECTION 5. Reporting of Significant Events.

(a) Pursuant to the provisions of this Section 5, each of the following is a Listed Event with respect to the Bonds:

1. Principal and interest payment delinquencies.
2. Non-payment related defaults, if material.
3. Unscheduled draws on debt service reserves reflecting financial difficulties.
4. Unscheduled draws on credit enhancements reflecting financial difficulties.
5. Substitution of credit or liquidity providers, or their failure to perform.
6. Adverse tax opinions, the issuance by the IRS of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds.
7. Modifications to rights of Owners, if material.
8. Bond calls, if material, and tender offers.
9. Defeasances.

10. Release, substitution, or sale of property securing repayment of bonds, if material.
11. Rating changes.
12. Bankruptcy, insolvency, receivership or similar event of the Issuer.
13. The consummation of a merger, consolidation, or acquisition of the Issuer, or the sale of all or substantially all of the assets of the Issuer, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material.
14. Appointment of a successor or additional trustee under the Indenture or the change of name of a trustee, if material.
15. Incurrence of a Financial Obligation of the Issuer, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the Issuer, any of which affect security holders, if material.
16. Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the Issuer, any of which reflect financial difficulties.

The Issuer does not intend for any sale by the Developer of real property within Improvement Area #1 in the ordinary course of the Developer's business to be considered a material event for the purposes of paragraph (10) above.

For these purposes, determinations regarding whether an event is "material" will be based on whether the information would be important to a reasonable investor, taking into account the total mix of facts of circumstances.

For these purposes, any event described in paragraph (12) above is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the Issuer in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Issuer, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Issuer.

The Issuer intends the words used in paragraphs (15) and (16) above and the definition of Financial Obligation to have the same meanings as when they are used in the Rule, as evidenced by SEC Release No. 34-83885, dated August 20, 2018 (the "2018 Release") and any further written guidance provided by the SEC or its staff with respect to the amendments to the Rule effected by the 2018 Release. For the avoidance of doubt, the issuance of additional bonds under the Indenture or the incurrence of additional obligations without the filing of a corresponding official statement

with the MSRB will constitute the incurrence of a material Financial Obligation for which a notice of a Listed Event in accordance with this Section 5 must be filed with the MSRB.

Upon the occurrence of a Listed Event, the Issuer shall promptly notify the Dissemination Agent in writing and the Issuer shall direct the Dissemination Agent to file a notice of such occurrence with the MSRB. The Dissemination Agent shall file such notice no later than the Business Day immediately following the day on which it receives written notice of such occurrence from the Issuer; provided, however, any such notice is required to be filed within ten (10) Business Days of the occurrence of such Listed Event.

Additionally, the Issuer shall notify the MSRB, in a timely manner, of any failure by the Issuer to provide annual audited financial statements (or unaudited financial statements, if audited financial statements are not available) or Annual Financial Information as required under this Disclosure Agreement. See Exhibit A hereto for a form for submitting “Notice to MSRB of Failure to File.”

Any notice under the preceding paragraphs shall be accompanied with the text of the disclosure that the Issuer desires to make, the written authorization of the Issuer for the Dissemination Agent to disseminate such information as provided herein, and the date the Issuer desires for the Dissemination Agent to disseminate the information (which date shall not be more than ten (10) Business Days after the occurrence of the Listed Event or failure to file).

In all cases, the Issuer shall have the sole responsibility for the content, design and other elements comprising substantive contents of all disclosures made pursuant to Sections 4 and 5 of this Disclosure Agreement. In addition, the Issuer shall have the sole responsibility to ensure that any notice required to be filed under this Section 5 is filed within ten (10) Business Days of the occurrence of the Listed Event.

(b) The Dissemination Agent shall, promptly, and not more than three (3) Business Days after obtaining actual knowledge of the occurrence of any Listed Event with respect to the Bonds, notify the Disclosure Representative in writing of such Listed Event. The Dissemination Agent shall not be required to file a notice of the occurrence of such Listed Event with the MSRB unless and until it receives written instructions from the Disclosure Representative to do so. If the Dissemination Agent has been instructed by the Disclosure Representative on behalf of the Issuer to report the occurrence of a Listed Event under this subsection (b), the Dissemination Agent shall file a notice of such occurrence with the MSRB no later than the Business Day immediately following the day on which it receives written instructions from the Issuer. It is agreed and understood that the duty to make or cause to be made the disclosures herein is that of the Issuer and not that of the Trustee or the Dissemination Agent. It is agreed and understood that the Dissemination Agent has agreed to give the foregoing notice to the Issuer as an accommodation to assist it in monitoring the occurrence of such event but is under no obligation to investigate whether any such event has occurred. As used above, “actual knowledge” means the actual fact or statement of knowing, without a duty to make any investigation with respect thereto. In no event shall the Dissemination Agent be liable in damages or in tort to the Issuer, the Trustee, or any Owner or beneficial owner of any interests in the Bonds as a result of its failure to give the foregoing notice or to give such notice in a timely fashion.

(c) If in response to a notice from the Dissemination Agent under subsection (b), the Issuer determines that the Listed Event under number 2, 7, 8 (as to bond calls only), 10, 13, 14, or 15 of subparagraph (a) above is not material under applicable federal securities laws, the Issuer shall promptly, but in no case more than five (5) Business Days after occurrence of the event, notify the Dissemination Agent and the Trustee (if the Dissemination Agent is not the Trustee) in writing and instruct the Dissemination Agent not to report the occurrence pursuant to subsection (b).

SECTION 6. Termination of Reporting Obligations. The obligations of the Issuer, the Administrator and the Dissemination Agent under this Disclosure Agreement shall terminate upon the occurrence of the following: (i) the legal defeasance, prior redemption or payment in full of all of the Bonds, (ii) when the Issuer is no longer an obligated person with respect to the Bonds, or (iii) upon delivery by the Disclosure Representative to the Dissemination Agent of an opinion of nationally recognized bond counsel to the effect that continuing disclosure is no longer required. So long as any of the Bonds remain Outstanding, the Dissemination Agent may assume that the Issuer is an obligated person with respect to the Bonds until it receives written notice from the Disclosure Representative stating that the Issuer is no longer an obligated person with respect to the Bonds, and the Dissemination Agent may conclusively rely upon such written notice with no duty to make investigation or inquiry into any statements contained or matters referred to in such written notice. If such termination occurs prior to the final maturity of the Bonds, the Issuer shall give notice of such termination in the same manner as for a Listed Event with respect to the Bonds under Section 5(a).

SECTION 7. Dissemination Agent. The Issuer may, from time to time, appoint or engage a Dissemination Agent or successor Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement, and may discharge such Dissemination Agent. If the Issuer discharges the Dissemination Agent, the Issuer shall use its best efforts to appoint a successor Dissemination Agent within 30 days of such discharge. If at any time there is not any other designated Dissemination Agent, the Issuer shall be the Dissemination Agent. The initial Dissemination Agent appointed hereunder shall be HTS Continuing Disclosure Services, a Division of Hilltop Securities Inc. The Issuer will give prompt written notice to the Developer, or any other party responsible for providing quarterly information pursuant to the Disclosure Agreement of Developer, of any change in the identity of the Dissemination Agent under the Disclosure Agreement of Developer.

SECTION 8. Amendment; Waiver. Notwithstanding any other provisions of this Disclosure Agreement, the Issuer and the Dissemination Agent may amend this Disclosure Agreement (and the Dissemination Agent shall not unreasonably withhold its consent to any amendment so requested by the Issuer), and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Sections 3(a), 4, or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the delivery of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Owners of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Owners or beneficial owners of the Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Issuer shall describe such amendment in the next related Annual Issuer Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Issuer. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 5(a), and (ii) the Annual Issuer Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. No amendment which adversely affects the Dissemination Agent may be made without its prior written consent (which consent will not be unreasonably withheld or delayed).

SECTION 9. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Issuer Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Issuer chooses to include any information in any Annual Issuer Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Issuer Report or notice of occurrence of a Listed Event.

SECTION 10. Default. In the event of a failure of the Issuer to comply with any provision of this Disclosure Agreement, the Dissemination Agent or any Owner or beneficial owner of the Bonds may (and the Trustee, at the request of the Owners of at least twenty-five percent (25%) aggregate principal amount of Outstanding Bonds, shall, upon such Dissemination Agent being indemnified to its satisfaction) take such actions as may be necessary and appropriate to cause the Issuer to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture with respect to the Bonds, and the sole remedy under this Disclosure Agreement in the event of any failure of the Issuer to comply with this Disclosure Agreement shall be an action for mandamus or specific performance. A default under this Disclosure Agreement by the Issuer shall not be deemed a default under the Disclosure Agreement of Developer by the Developer, and a default under the Disclosure Agreement of Developer by the Developer shall not be deemed a default under this Disclosure Agreement by the Issuer.

SECTION 11. Duties, Immunities and Liabilities of Dissemination Agent and Administrator.

(a) The Dissemination Agent shall not be responsible in any manner for the content of any notice or report (including without limitation the Annual Issuer Report) prepared by the Issuer pursuant to this Disclosure Agreement. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Dissemination Agent. To the extent permitted by law, the Issuer agrees to hold harmless the Dissemination Agent, its officers, directors, employees and agents, but only with funds to be provided by the Developer or from Annual Collection Costs collected from the property owners in Improvement Area #1 of the District, but only to the extent such funds are available under the Indenture, against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct; provided, however, that nothing herein shall be construed to require the Issuer to indemnify the Dissemination Agent for losses, expenses or liabilities arising from information provided to the Dissemination Agent by the Developer or the failure of the Developer to provide information to the Dissemination Agent as and when required under the Disclosure Agreement of Developer. The obligations of the Issuer under this Section shall survive resignation or removal of the Dissemination Agent and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Dissemination Agent is an "obligated person" under the Rule. The Dissemination Agent shall not be responsible for the Issuer's failure to submit a complete Annual Issuer Report to the MSRB. The Dissemination Agent is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder. The fact that the Dissemination Agent may have a banking or other business relationship with the Issuer or any person with whom the Issuer contracts in connection with the transaction described in the Indenture, apart from the relationship created by the Indenture or this Disclosure Agreement, shall not be construed to mean that the Dissemination Agent has actual knowledge of any event described in Section 5 above, except as may be provided by written notice to the Dissemination Agent pursuant to this Disclosure Agreement.

The Dissemination Agent may, from time to time, consult with legal counsel of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or their respective duties hereunder, and the Dissemination Agent shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel.

(b) Except as otherwise provided herein, the Administrator shall not have any duty with respect to the content of any disclosures made pursuant to the terms hereof. The Administrator shall have only such duties as are specifically set forth in this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Administrator. To the extent permitted by law, the Issuer agrees to hold harmless the Administrator, its officers, directors, employees and agents, but only with funds to be provided by the Developer or from Annual Collection Costs collected from the property owners in Improvement Area #1, but only to the extent such funds are available under the Indenture, against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties

hereunder, including the costs and expenses (including reasonable attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Administrator's negligence or willful misconduct; provided, however, that nothing herein shall be construed to require the Issuer to indemnify the Administrator for losses, expenses or liabilities arising from information provided to the Administrator by third parties, or the failure of any third party to provide information to the Administrator as and when required under this Disclosure Agreement, or the failure of the Developer to provide information to the Administrator as and when required under the Disclosure Agreement of Developer. The obligations of the Issuer under this Section shall survive resignation or removal of the Administrator and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Administrator is an "obligated person" under the Rule. The Administrator is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder. The Administrator shall not in any event incur any liability with respect to (i) any action taken or omitted to be taken in good faith upon advice of legal counsel given with respect to any question relating to duties and responsibilities of the Administrator hereunder, or (ii) any action taken or omitted to be taken in reliance upon any document delivered to the Administrator and believed to be genuine and to have been signed or presented by the proper party or parties.

The Administrator may, from time to time, consult with legal counsel of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or their respective duties hereunder, and the Administrator shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel.

(c) UNDER NO CIRCUMSTANCES SHALL THE DISSEMINATION AGENT, THE ADMINISTRATOR, OR THE ISSUER BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE ISSUER, THE ADMINISTRATOR, OR THE DISSEMINATION AGENT, RESPECTIVELY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS DISCLOSURE AGREEMENT, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE. THE DISSEMINATION AGENT OR THE ADMINISTRATOR IS UNDER NO OBLIGATION NOR IS IT REQUIRED TO BRING SUCH AN ACTION.

SECTION 12. Assessment Timeline. The basic expected timeline for the collection of Assessments and the anticipated procedures for pursuing the collection of delinquent Assessments is set forth in Exhibit C which is intended to illustrate the general procedures expected to be followed in enforcing the payment of delinquent Improvement Area #1 Assessments. Failure to adhere to such expected timeline shall not constitute a default by the Issuer under this Disclosure Agreement, the Indenture, the Bonds or any other document related to the Bonds.

SECTION 13. No Personal Liability. No covenant, stipulation, obligation or agreement of the Issuer, the Administrator, or Dissemination Agent contained in this Disclosure Agreement shall be deemed to be a covenant, stipulation, obligation, or agreement of any present or future council

members, officer, agent or employee of the Issuer, the Administrator, or Dissemination Agent in other than that person's official capacity.

SECTION 14. Severability. In case any section or provision of this Disclosure Agreement, or any covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder or any application thereof, is for any reasons held to be illegal or invalid, such illegality or invalidity shall not affect the remainder thereof or any other section or provision thereof or any other covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder (except to the extent that such remainder or section or provision or other covenant, stipulation, obligation, agreement, act or action, or part thereof is wholly dependent for its operation on the provision determined to be invalid), which shall be construed and enforced as if such illegal or invalid portion were not contained therein, nor shall such illegality or invalidity of any application thereof affect any legal and valid application thereof, and each such section, provision, covenant, stipulation, obligation, agreement, act or action, or part thereof shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.

SECTION 15. Sovereign Immunity. The Dissemination Agent and the Administrator agree that nothing in this Disclosure Agreement shall constitute or be construed as a waiver of the Issuer's sovereign or governmental immunities regarding liability or suit.

SECTION 16. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the Issuer, the Administrator, the Dissemination Agent, and the Owners and the beneficial owners from time to time of the Bonds and shall create no rights in any other person or entity. Nothing in this Disclosure Agreement is intended or shall act to disclaim, waive or otherwise limit the duties of the Issuer under federal and state securities laws.

SECTION 17. Dissemination Agent and Administrator Compensation. The fees and expenses incurred by the Dissemination Agent and the Administrator for their respective services rendered in accordance with this Disclosure Agreement constitute Annual Collection Costs and will be included in the Annual Installments as provided in the annual updates to the Service and Assessment Plan. The Issuer shall pay or reimburse the Dissemination Agent and the Administrator, but only with funds to be provided from the Annual Collection Costs component of the Annual Installments collected from the property owners in Improvement Area #1, for the fees and expenses for their respective services rendered in accordance with this Disclosure Agreement. The Dissemination Agent and the Administrator both separately agree and represent that the total compensation due to the Dissemination Agent or the Administrator, as the case may be, pursuant to this Disclosure Agreement shall not exceed the dollar limitation set forth in Section 2271.002, Texas Government Code, Section 2274.002(a)(2) of the Texas Government Code (as added by Senate Bill 13, 87th Texas Legislature, Regular Session) and Section 2274.002(a)(2) of the Texas Government Code (as added by Senate Bill 19, 87th Texas Legislature, Regular Session).

SECTION 19. Iran, Sudan and Foreign Terrorist Organizations. The Dissemination Agent and the Administrator, each respectively, represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or

Section 2270.0201, Texas Government Code, and posted on any of the following pages of such officer's internet website:

<https://comptroller.texas.gov/purchasing/docs/sudan-list.pdf>,
<https://comptroller.texas.gov/purchasing/docs/iran-list.pdf>, or
<https://comptroller.texas.gov/purchasing/docs/fto-list.pdf>.

The foregoing representation is made solely to enable the Issuer to comply with Section 2252.152, Texas Government Code, and to the extent such Section does not contravene applicable Federal law and excludes the Dissemination Agent and the Administrator, each respectively, and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.

SECTION 22. Affiliate. As used in Sections 18 through 21, the Dissemination Agent and Administrator, each respectively, understands "affiliate" to mean an entity that controls, is controlled by, or is under common control with the Dissemination Agent or the Administrator within the meaning of SEC Rule 405, 17.C.F.R. § 230.405, and exists to make a profit.

SECTION 23. Disclosure of Interested Parties. Pursuant to Section 2252.908(c)(4), Texas Government Code, as amended, the Dissemination Agent hereby certifies it is a publicly traded business entity and is not required to file a Certificate of Interested Parties Form 1295 related to this Disclosure Agreement.

SECTION 24. Governing Law. This Disclosure Agreement shall be governed by the laws of the State of Texas.

SECTION 25. Counterparts. This Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument. The Issuer, the Administrator and the Dissemination Agent agree that electronic signatures to this Disclosure Agreement may be regarded as original signatures.

(c) At such time that the reporting obligations of the Developer or Significant Homebuilder, if any, terminate in accordance with subsection (a) or (b) of this Section 7, the Administrator shall provide written notice to the Developer or Significant Homebuilder, as applicable, the Participating Underwriter, the Issuer and the Dissemination Agent in substantially the form attached as Exhibit C, thereby, terminating the applicable party's reporting obligations under this Disclosure Agreement (the "Termination Notice"). If such Termination Notice with respect to the Developer or Significant Homebuilder occurs while any of the Bonds remain Outstanding, the Administrator shall immediately provide, or cause to be provided, the Termination Notice to the Dissemination Agent, and the Dissemination Agent shall provide such Termination Notice to the MSRB, the Issuer, the Trustee, the Developer or Significant Homebuilder, as applicable, and the Participating Underwriter on or before the next succeeding Quarterly Filing Date.

(d) The obligations of the Administrator and the Dissemination Agent under this Disclosure Agreement shall terminate upon the earlier of (i) the date when none of the Bonds remain Outstanding, or (ii) termination of the Developer's and all Significant Homebuilder's, if any, reporting obligations in accordance with subsection (a) or (b) of this Section 7 and any Termination Notice required by subsection (c) of this Section 7 has been provided to the MSRB, the Issuer, the Trustee, the Developer or Significant Homebuilder, as applicable, and the Participating Underwriter.

SECTION 8. Dissemination Agent. The Issuer may, from time to time, appoint or engage a Dissemination Agent or successor Dissemination Agent to assist it in carrying out the obligations of the Developer, Significant Homebuilder, if any, and the Administrator under this Disclosure Agreement, and may discharge such Dissemination Agent, with or without appointing a successor Dissemination Agent. If at any time there is not any other designated Dissemination Agent, the Issuer shall be the Dissemination Agent. The initial Dissemination Agent appointed hereunder shall be HTS Continuing Disclosure Services, a Division of Hilltop Securities Inc.

SECTION 9. Amendment; Waiver. Notwithstanding any other provisions of this Disclosure Agreement, the Developer, the Administrator and the Dissemination Agent may jointly amend this Disclosure Agreement (and the Dissemination Agent shall not unreasonably withhold its

consent to any amendment so requested by the Developer or Administrator), and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Sections 3 or 4, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the Developer or any Significant Homebuilder, or the type of business conducted; and

(b) The amendment or waiver either (i) is approved by the Owners of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Owners or beneficial owners of the Bonds. No amendment which adversely affects the Dissemination Agent or the Issuer may be made without the respective party's prior written consent (which consent will not be unreasonably withheld or delayed).

(c) In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Administrator shall describe such amendment in the next related Quarterly Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type of financial information or operating data being presented by the Developer. The Developer shall provide, or cause to be provided, at its cost and expense, an executed copy of any amendment or waiver entered into under this Section 9 to the Issuer, the Administrator, the Dissemination Agent, and the Participating Underwriter.

SECTION 10. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Developer or any Significant Homebuilder from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in addition to that which is required by this Disclosure Agreement. If the Developer or Significant Homebuilder chooses to include any information in any Quarterly Report or notice of occurrence of a Developer Listed Event or Significant Homebuilder Listed Event, as applicable, in addition to that which is specifically required by this Disclosure Agreement, the Developer or the Significant Homebuilder, as applicable, shall have no obligation under this Disclosure Agreement to update such information or include it in any future Quarterly Report or notice of occurrence of a Developer Listed Event or Significant Homebuilder Listed Event.

SECTION 11. Content of Disclosures. In all cases, the Developer or Significant Homebuilder, as applicable, shall have the sole responsibility for the content, design and other elements comprising substantive contents of all disclosures, whether provided under Section 3, 4 or 10 of this Disclosure Agreement.

SECTION 12. Default. In the event of a failure of the Developer, any Significant Homebuilder or the Administrator to comply with any provision of this Disclosure Agreement, the Dissemination Agent may (and, at the request of any Participating Underwriter or the Owners of at least twenty-five percent (25%) aggregate principal amount of Outstanding Bonds, shall, and upon such Dissemination Agent being indemnified to its satisfaction), or any Owner or beneficial owner of the Bonds may, take such actions as may be necessary and appropriate to cause the Developer, Significant Homebuilder and/or the Administrator to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture

with respect to the Bonds, and the sole remedy under this Disclosure Agreement in the event of any failure of the Developer, Significant Homebuilder or the Administrator to comply with this Disclosure Agreement shall be an action to mandamus or specific performance. A default under this Disclosure Agreement by the Developer, or any Significant Homebuilder, as applicable, shall not be deemed a default under the Disclosure Agreement of Issuer by the Issuer, and a default under the Disclosure Agreement of Issuer by the Issuer shall not be deemed a default under this Disclosure Agreement by the Developer, any Significant Homebuilder or the Administrator. Additionally, a default by the Developer of its obligations under this Disclosure Agreement shall not be deemed a default by any Significant Homebuilder of such Significant Homebuilder's obligations under this Disclosure Agreement; and, likewise, a default by any Significant Homebuilder of such Significant Homebuilder's obligations under this Disclosure Agreement shall not be deemed a default of the Developer of the Developer's obligations under this Disclosure Agreement.

SECTION 13. Duties, Immunities and Liabilities of Dissemination Agent and Administrator.

(a) The Dissemination Agent shall not be responsible in any manner for the content of any notice or report (including without limitation the Quarterly Report) prepared by the Developer, Significant Homebuilder and/or the Administrator pursuant to this Disclosure Agreement. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Dissemination Agent. The Developer agrees to hold harmless the Dissemination Agent, its officers, directors, employees and agents against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including reasonable attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct. The obligations of the Developer under this Section shall survive resignation or removal of the Dissemination Agent and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Dissemination Agent is an "obligated person" under the Rule. The Dissemination Agent is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder. The Dissemination Agent shall not in any event incur any liability with respect to (i) any action taken or omitted to be taken in good faith upon advice of legal counsel given with respect to any question relating to duties and responsibilities of the Dissemination Agent hereunder, or (ii) any action taken or omitted to be taken in reliance upon any document delivered to the Dissemination Agent and believed to be genuine and to have been signed or presented by the proper party or parties.

(b) Except as otherwise provided herein, the Administrator shall not have any duty with respect to the content of any disclosures made pursuant to the terms hereof. The Administrator shall have only such duties as are specifically set forth in this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Administrator. The Developer agrees to hold harmless the Administrator, its officers, directors, employees and agents against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including reasonable attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Administrator's breach, negligence or willful misconduct. The obligations of the Developer under this Section shall survive resignation or removal of the Administrator and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Administrator is an "obligated person" under the Rule. The Administrator is not acting in a fiduciary capacity in connection with the performance of its respective

obligations hereunder. The Administrator shall not in any event incur any liability with respect to (i) any action taken or omitted to be taken in good faith upon advice of legal counsel given with respect to any question relating to duties and responsibilities of the Administrator hereunder, or (ii) any action taken or omitted to be taken in reliance upon any document delivered to the Administrator and believed to be genuine and to have been signed or presented by the proper party or parties.

(c) The Dissemination Agent or the Administrator may, from time to time, consult with legal counsel of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or their respective duties hereunder, and the Dissemination Agent and Administrator shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel.

(d) UNDER NO CIRCUMSTANCES SHALL THE DISSEMINATION AGENT, THE ADMINISTRATOR OR THE DEVELOPER BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY ANY OTHER PARTY TO THIS DISCLOSURE AGREEMENT OR A SIGNIFICANT HOMEBUILDER, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS DISCLOSURE AGREEMENT, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE. THE DISSEMINATION AGENT AND THE ADMINISTRATOR ARE UNDER NO OBLIGATION NOR ARE THEY REQUIRED TO BRING SUCH AN ACTION.

SECTION 14. No Personal Liability. No covenant, stipulation, obligation or agreement of the Developer, any Significant Homebuilder, the Administrator or the Dissemination Agent contained in this Disclosure Agreement shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future officer, agent or employee of the Developer, any Significant Homebuilder, the Administrator or Dissemination Agent in other than that person's official capacity.

SECTION 15. Severability. In case any section or provision of this Disclosure Agreement, or any covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder or any application thereof, is for any reasons held to be illegal or invalid, such illegality or invalidity shall not affect the remainder thereof or any other section or provision thereof or any other covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder (except to the extent that such remainder or section or provision or other covenant, stipulation, obligation, agreement, act or action, or part thereof is wholly dependent for its operation on the provision determined to be invalid), which shall be construed and enforced as if such illegal or invalid portion were not contained therein, nor shall such illegality or invalidity of any application thereof affect any legal and valid application thereof, and each such section, provision, covenant, stipulation, obligation, agreement, act or action, or part thereof shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.

SECTION 16. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the Developer, the Administrator, the Dissemination Agent, the Issuer, the Participating Underwriter, and the Owners and the beneficial owners from time to time of the Bonds, and shall create no rights in

any other person or entity. Nothing in this Disclosure Agreement is intended or shall act to disclaim, waive or otherwise limit the duties of the Issuer under federal and state securities laws.

SECTION 17. Dissemination Agent Compensation. The fees and expenses incurred by the Dissemination Agent for its services rendered in accordance with this Disclosure Agreement constitute Collection Costs and will be included in the Annual Installments as provided in the annual updates to the Service and Assessment Plan. The Issuer shall pay or reimburse the Dissemination Agent, but only with funds to be provided from the Collection Costs component of the Annual Installments collected from the property owners in Improvement Area #1, for the fees and expenses for its services rendered in accordance with this Disclosure Agreement.

SECTION 18. Administrator Compensation. The fees and expenses incurred by the Administrator for its services rendered in accordance with this Disclosure Agreement constitute Collection Costs and will be included in the Annual Installments as provided in the annual updates to the Service and Assessment Plan. The Administrator has entered into a separate agreement with the Issuer, which agreement governs the administration of Improvement Area #1, including the payment of the fees and expenses of the Administrator for its services rendered in accordance with this Disclosure Agreement.

SECTION 19. Governing Law. This Disclosure Agreement shall be governed by the laws of the State of Texas.

SECTION 20. Counterparts. This Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

RE: An Appraisal Report of **Wood Leaf Reserve, Section 1, being 123 under-development lots out of the 33.4418-acre section, located along the south line of Theis Lane, east of S.H. 249, west of Cherry Street and north of Holderreith Road, in the city of Tomball, Harris County, Texas 77375.** The subject lots have a typical lot size of 40' x 120' or 4,800 SF per lot and 50' x 120' or 6,000 SF per lot.

B&A File No. C7689-01

Dear Mr. Davenport:

At your request, we have personally visited and prepared an appraisal of the above-captioned lots, gathered comparable market data, and conducted a study of the market area for the purpose of providing our opinion of the **"Upon Completion" Bulk Market Value** of the subject lots in compliance with FMSbonds, Inc.'s Appraisal Instructions, the Uniform Standards of Professional Appraisal Practice and the Appraisal Institute's Code of Professional Ethics.

At the request of the client, the "As Is" Market Value of the under-development lots, has not been valued herein.

To conclude, it is our opinion that the **"Upon Completion" Bulk Market Value** of the fee simple interest in the subject lots, as of the indicated date, is as follows:

Wood Leaf Reserve, Section 1				
Description	No. of Lots	Avg. Lot FF	Bulk Value	Effective Date
"Upon Completion" Bulk Market Value - Section 1	123	40' & 50'	\$6,100,000	1/15/2022

The Bulk Market Value above is derived from a Sum of Retail Revenue of **\$6,889,950**, or \$56,016 per lot for Section 1.

The estimated prospective **Marketing Period** and historic **Exposure Time** for the 123 proposed subject lots at the above concluded "Upon Completion" Bulk Market Value is estimated within 3 months, based upon discussions with area builders, and the marketing period for comparable properties that have recently sold.

The use of extraordinary assumptions or hypothetical conditions might have affected assignment results.

Extraordinary Assumptions:

- 1.) The 123-lot subdivision appraised herein is under-development, with prospective completion dates. In this Appraisal Report, we have projected market conditions at the prospective time of completion that would be anticipated by typical market participants. In a similar fashion, we have projected the retail valuation of the individual subject lots, absorption period and holding costs based on projected conditions that are anticipated by typical market participants. Further, unknown circumstances may change the anticipated date of completion to another date, which may have market conditions that are different from that which are expected on the anticipated dates of completion that are reflected in this report. Because actual future market conditions may deviate from that which are anticipated by typical market participants, this appraisal is subject to a review of market conditions and current sales data that will be available on the prospective date of completion.
- 2.) The valuation of the subject improvements "Upon Completion" require valuation of the various subject improvements as of the prospective date, when they are projected to be physically complete based upon the plans and specifications provided. Therefore, we have relied upon surveys, plats and specifications for the proposed improvements provided by the subject developing party. Should these representations be amended, or prove to be inaccurate, the value estimate is subject to revision.
- 3.) This appraisal is subject to all proposed improvements being completed in a timely and professional workmanlike manner and that the proposed improvements do not deviate significantly from those described herein.
- 4.) This appraisal assumes that Chesmar Homes or comparable production builder, and at least one other production builder, will build upon the under-development subject lots, detached single-family units with a projected price point of \$290,000 to \$340,000.
- 5.) If any of these assumptions and conditions prove to be false, it may have an effect on the Market Values contained herein.

Wood Leaf Reserve, Section 1				
Description	No. of Lots	Avg. Lot FF	Bulk Value	Effective Date

The use of extraordinary assumptions or hypothetical conditions might have affected assignment results.

Extraordinary Assumptions:

1.) The 123-lot subdivision appraised herein is under-development, with prospective completion dates. In this Appraisal Report, we have projected market conditions at the prospective time of completion that would be anticipated by typical market participants. In a similar fashion, we have projected the retail valuation of the individual subject lots, absorption period and holding costs based on projected conditions that are anticipated by typical market participants. Further, unknown circumstances may change the anticipated date of completion to another date, which may have market conditions that are different from that which are expected on the anticipated dates of completion that are reflected in this report. Because actual future market conditions may deviate from that which are anticipated by typical market participants, this appraisal is subject to a review of market conditions and current sales data that will be available on the prospective date of completion.

2.) The valuation of the subject improvements “Upon Completion” require valuation of the various subject improvements as of the prospective date, when they are projected

to be physically complete based upon the plans and specifications provided. Developing this opinion of value requires the use of an extraordinary assumption because the subject in the prospective value opinion is as it exists as of a future date when physically complete. Therefore, we have relied upon surveys, plats and specifications for the proposed improvements provided by the subject developing party. Should these representations be amended, or prove to be inaccurate, the value estimate is subject to revision.

3.) This appraisal is subject to all proposed improvements being completed in a timely and professional workmanlike manner and that the proposed improvements do not deviate significantly from those described herein.

4.) This appraisal assumes that Chesmar Homes or comparable production builder, and at least one other production builder, will build upon the under-development subject lots, detached single-family units with a projected price point of \$290,000 to \$340,000.

5.) If any of these assumptions and conditions prove to be false, it may have an effect on the Market Values contained herein.

The net proceeds from the sale of each series of PID Bonds (i.e., net of costs and expenses of issuance of each series of PID Bonds and amounts for debt service reserves and capitalized interest) will be used to pay for, reimburse or acquire the Public Improvements. Notwithstanding the foregoing, the issuance of PID Bonds is a discretionary action by the City Council and is further conditioned upon the adequacy of the bond security and the financial ability and obligation of the Developer to pay the Developer Cash Contribution and perform its obligations hereunder.

(b) The Developer shall complete all Public Improvements within each phase in the PID and such Public Improvements shall be completed by the applicable Public Improvement Completion Date.

(c) The issuance of PID Bonds is subject to the discretion of the City Council and each series of PID Bonds shall be issued with the terms deemed appropriate by the City Council at the time of issuance, if at all.

(iii) the total assessment value to lien ratio is at least 3:1 at the time of the levy of assessments and the total assessment value to lien ratio of each series of PID Bonds for each PID Phase is at least 3:1 at the time of the issuance of PID Bonds for each PID Phase; such values shall be confirmed by appraisal from licensed MAI appraiser.

At closing on any series of PID Bonds intended to fund construction of Public Improvements that have not already been constructed by the Developer, Developer shall deposit into a designated account with the Trustee under the applicable Indenture a pro-rata amount of the Developer Cash Contribution. If the Public Improvements relating to each series of PID Bonds have already been constructed and the PID Bonds are intended to acquire the Public Improvements, then Developer shall not be required to deposit the Developer Cash Contribution as provided in this paragraph for such series. The amount of the Developer Cash Contribution for each series of PID Bonds shall be equal to the difference between the costs of the Public Improvements and the Net PID Bonds Proceeds available to fund such costs of the Public Improvements related to such series of PID Bonds, as set forth in the SAP.

The City shall require consent of each of the owners of Assessed Property in the PID to the levy of Assessments on each property and to the creation of the PID prior to Assessments being levied on such owner's property. The Developer understands and acknowledges that evidence of land transfer, the execution of the Landowner Consent, appraisal district certificate and property record recording will be required from each Assessed Property Owner in order to levy the Assessments and issue PID Bonds. Developer's obligations are contingent on said right of way to be dedicated to the City, free and clear of all encumbrances,

including utilities or third party facilities, prior to the commencement of paving for the development of Phase C.

ARTICLE VII

CONSTRUCTION OF THE PUBLIC IMPROVEMENTS

Section 7.01. Designation of Construction Manager, Construction Engineers.

(a) Prior to construction of any Public Improvement, Developer shall make, or cause to be made, application for any necessary permits and approvals required by City and any applicable Governmental Authority to be issued for the construction of the Public Improvements and shall obligate each general contractor, architect, and consultants who work on the Public Improvements to obtain all applicable permits, licenses or approvals as required by Applicable Law. The Developer shall require or cause the design, inspection and supervision of the construction of the Public Improvements to be undertaken in accordance with City Regulations and Applicable Law.

(b) The Developer shall design and construct or cause the design and construction of the Public Improvements, together with and including the acquisition, at its sole costs, of any and all easements or fee simple title to such land necessary to provide for and accommodate the Public Improvements.

(c) Developer shall comply, or shall require its contractors to comply, with all local and state laws and regulations regarding the design and construction of the Public Improvements applicable to similar facilities constructed by City, including, but not limited to, the requirement for payment, performance and two- year maintenance bonds for the Public Improvements.

(d) Upon Completion of Construction of any portion of the Public Improvements, Developer shall provide City with a final cost summary of all Public Improvement Project Costs incurred and paid associated with the construction of that portion of the Public Improvements and provide proof that all amounts owing to contractors and subcontractors have been paid in full evidenced by the "all bills paid" affidavits and lien releases executed by Developer and/or its contractors with regard to that portion of the Public Improvements. (e) Developer agrees to require the contractors and subcontractors which construct the Public Improvements to provide payment, performance and two-year maintenance bonds in forms reasonably satisfactory to the City Attorney. Any surety company through which a bond is written shall be a surety company duly authorized to do business in the State of Texas, provided that the City Attorney has the right to reasonably reject any surety company regardless of such company's authorization to do business in Texas. Evidence of payment and performance bonds shall be delivered to the City prior to Commencement of Construction of any such Public Improvements.

Section 7.02. Construction Agreements. The Construction Agreements shall be let in the name of the Developer. The Developer's engineers shall prepare and provide, or cause the preparation and provision of all contract specifications and necessary related documents. The Developer shall provide all construction documents for the Public Improvements and shall acknowledge that the City has no obligations and liabilities thereunder. The Developer shall include a provision in the construction documents for the Public Improvements that the contractor will indemnify the City and its officers and employees against any costs or liabilities thereunder. The Developer or its designee (Engineer) shall administer the contracts. The Public Improvement Project Costs, which are estimated on Exhibit C, shall be paid by the Developer or caused to be paid by the Developer, or from the proceeds of PID Bonds and/or the Developer Cash Contribution in accordance with the Bond Indentures, or reimbursed by the Assessments levied pursuant to the terms of a Reimbursement Agreement.

(a) The following requirements apply to Construction Agreements for Public Improvements:

(i) Plans and specifications shall comply with all Applicable Law and City Regulations and all Plans and Specification shall be reviewed and approved by the City prior to the issuance of permits. The City shall have thirty (30) business days from its receipt of the first submittal of the Plans and Specifications to approve or deny the Plans and Specifications or to provide comments to the submitter. If any approved Plans and Specifications are amended or supplemented, the City shall have thirty (30) business days from its receipt of such amended or supplemented Plans and Specifications to approve or deny the Plans and Specification or provide comments back to the submitter. Any written City approval or denial must be based on compliance with applicable City Regulations or other regulatory agencies that have jurisdiction over the Development.

(ii) Each Construction Agreement shall provide that the Contractor is an independent contractor, independent of and not the agent of the City and that the Contractor is responsible for retaining, and shall retain, the services of necessary and appropriate architects and engineers; and

(iii) Each Construction Agreement for improvements not yet under construction shall provide that the Contractor shall indemnify the City, its officers and employees for any costs or liabilities thereunder and for the negligent acts or omissions of the Contractor.

(b) City's Role.

The City shall have no responsibility for the cost of planning, design, engineering construction, furnishing/equipping the Public Improvements (before, during or after construction)

except to the extent of the reimbursement or funding of the Public Improvements Project Costs as set forth in this Agreement. The Developer will not hold the City responsible for any costs of the Public Improvements other than the reimbursements or fundings described in this Agreement. The City shall have no liability for any claims that may arise out of design or construction of the Public Improvements, and the Developer shall cause all of its contractors, architects, engineers, and consultants to agree in writing that they will look solely to the Developer, not to the City, for payment of all costs and valid claims associated with construction of the Public Improvements.

Section 7.03. Project Scope Verification.

(a) The Developer will from time to time, as reasonably requested by the City Representative, verify to the City Representative that the Public Improvements are being constructed substantially in accordance with the Plans and Specifications approved by the City. To the extent the City has concerns about such verification that cannot be answered by the Developer, to the City's reasonable satisfaction, the Developer will cause the appropriate architect, engineer or general contractor to consult with the Developer and the City regarding such concerns.

Section 7.04. Joint Cooperation; Access for Planning and Development.

(a) Cooperation and Timely Response. During the planning, design, development and construction of the Public Improvements, the parties agree to cooperate and coordinate with each other, and to assign appropriate, qualified personnel to this project. The City staff will make reasonable efforts to accommodate urgent or emergency requests during construction. In order to facilitate a timely review process, the Developer shall cause the architect, engineer and other design professionals to attend City meetings if requested by the City.

Section 7.05. City Not Responsible.

By performing the functions described in this Article, the City shall not, and shall not be deemed to, assume the obligations or responsibilities of the Developer, whose obligations under this Agreement and under Applicable Law shall not be affected by the City's exercise of the functions described in this Article. The City's review of any Plans and Specifications is solely for the City's own purposes, and the City does not make any representation or warranty concerning the appropriateness of any such Plans and Specifications for any purpose. The City's approval of (or failure to disapprove) any such Plans and Specifications, including the Site Plan, submitted with such Plans and Specifications and any revisions thereto, shall not render the City liable for same, and the Developer assumes and shall be responsible for any and all claims arising out of or from the use of such Plans and Specifications.

Section 7.06. Construction Standards and Inspection.

The Public Improvements will be installed within the public right-of-way or in easements granted to the City. Such easements may be granted at the time of final platting in the final plat or by separate instrument. The Public Improvements shall be constructed and inspected in accordance with applicable state law, and City Regulations, and all other applicable development requirements, including those imposed by any other governing body or entity with jurisdiction over the Public Improvements, and this Agreement, provided, however, that if there is any conflict,

the regulations of the governing body or entity with jurisdiction over the Public Improvement being constructed shall control.

Section 7.07. Public Improvements to be Owned by the City – Title Evidence.

The Developer shall furnish to the City a preliminary title report for land with respect to the Public Improvements, including any related rights-of-way, easements, and open spaces if any, to be acquired and accepted by the City from the Developer and not previously dedicated or otherwise conveyed to the City, for review and approval at least 30 calendar days prior to the transfer of title of a Public Improvement to the City. The City Representative shall approve the preliminary title report unless it reveals a matter which, in the reasonable judgment of the City, could materially affect the City's use and enjoyment of any part of the property or easement covered by the preliminary title report. In the event the City Representative does not approve the preliminary title report, the City shall not be obligated to accept title to the Public Improvement until the Developer has cured such objections to title to the satisfaction of the City Representative.

Section 7.08. Public Improvement Constructed on City Land or the Property.

If the Public Improvement is on land owned by the City, the City hereby grants to the Developer a temporary easement to enter upon such land for purposes related to construction (and maintenance pending acquisition and acceptance) of the Public Improvement. If the Public Improvement is on land owned by the Developer, the Developer shall dedicate easements by plat or shall execute and deliver to the City such access and maintenance easements as the City may reasonably require in recordable form, and the Developer hereby grants to the City a permanent access and maintenance easement to enter upon such land for purposes related to inspection and maintenance of the Public Improvement. The grant of the permanent easement shall not relieve the Developer of any obligation to grant the City title to property and/or easements related to the Public Improvement as required by this Agreement or as should in the City's reasonable judgment be granted to provide for convenient access to and routine and emergency maintenance of such Public Improvement. The provisions for inspection and acceptance of such Public Improvement otherwise provided herein shall apply.

Section 7.09. Additional Requirements.

In connection with the design and construction of the Public Improvements, the Developer shall take or cause the following entities or persons to take the following actions and to undertake the following responsibilities:

(a) The Developer shall provide to the City electronic copies of the Plans and Specifications for the Public Improvements (including revisions) as such Plans and Specifications are currently in existence and as completed after the date hereof and shall provide the City one complete set of record drawings (in electronic format) for the Public Improvements, in accordance with Applicable Law;

(b) In accordance with the requirements between the Developer and the City with regard to the development and construction of the Public Improvements, the Developer or such person selected by and contracting with the Developer shall provide the City with a copy of the

detailed construction schedule outlining the major items of work of each major construction contractor, and any revisions to such schedule;

(c) The Developer shall provide construction documents, including the Plans and Specifications to the City, signed and sealed by one or more registered professional architects or engineers licensed in the State of Texas at the time the construction documents are submitted to the City for approval;

(d) The Developer shall provide the City with reasonable advance notice of any regularly-scheduled construction meetings regarding the Public Improvements, and shall permit the City to attend and observe such meetings as the City so chooses in order to monitor the project, and shall provide the City with copies of any construction schedules as are discussed and reviewed at any such regularly-scheduled construction meeting;

(e) The Developer or any general contractor shall comply with, and shall require that its agents and subcontractors comply with, all Applicable Laws regarding the use, removal, storage, transportation, disposal and remediation of hazardous materials;

(f) The Developer or any general contractor shall notify and obtain the City's approval for all field changes that directly result in material changes to the portion of the Plans and Specifications for the Public Improvements that describe the connection of such improvements with City streets, storm sewers and utilities;

(g) Upon notice from the City, the Developer shall or shall cause any general contractor to promptly repair, restore or correct, on a commercially reasonable basis, all damage caused by the general contractor or its subcontractors to property or facilities of the City during construction of the Public Improvements and to reimburse the City for out-of-pocket costs actually incurred by the City that are directly related to the City's necessary emergency repairs of such damage;

(h) Upon notice from the City, the Developer shall promptly cause the correction of defective work and shall cause such work to be corrected in accordance with the construction contracts for the Public Improvements and with City Regulations;

(i) If the Developer performs any soils, construction and materials testing during construction of the Public Improvements, the Developer shall make available to the City copies of the results of all such tests; and

(j) If any of the foregoing entities or persons shall fail in a material respect to perform any of its obligations described above (or elsewhere under this Agreement), the Developer shall use its good faith efforts to enforce such obligations against such entities or persons, or the Developer may cure any material failure of performance as provided herein; and

(k) The Developer shall provide any other information or documentation or services required by City Regulations; and

(l) The Developer shall allow the City Representative to conduct a reasonable pre-final and final inspection of the Public Improvements. Upon acceptance by the City of the Public

Improvements, the City shall become responsible for the maintenance of the Public Improvements and making any bond or warranty claim, if applicable.

Section 7.10. Revisions to Scope and Cost of Public Improvements.

(a) The Public Improvement Project Costs, as set forth in Exhibit C, may be modified or amended from time to time upon the approval of the City Representative, provided that the total cost of the Public Improvements shall not exceed such amounts as set forth in the applicable SAP plus the Developer Cash Contribution. Should the Public Improvements be amended by the City Council in a SAP pursuant to the PID Act, the City Representative shall be authorized to make corresponding changes to the applicable Exhibits attached hereto and shall keep official record of such amendments.

(b) Should the Public Improvement Project Costs exceed the amounts set forth in the SAPs, the Developer must make a Developer Cash Contribution at the time of each PID Bond issuance such that the net proceeds of each series of PID Bonds plus the Developer Cash Contribution, is sufficient to fund the Public Improvement Project Costs for which the PID Bonds are being issued.

Section 7.11. City Police Powers.

The Developer recognizes the authority of the City pursuant to the Texas Constitution together with the City's charter and ordinances to exercise its police powers in accordance with applicable laws to protect the public health, safety, and welfare. The City retains its police powers over the Developer's or its general contractor's construction activities on or at the Property, and the Developer recognizes the City's authority to take appropriate enforcement action in accordance with Applicable Law to provide such protection. No lawful action taken by the City pursuant to these police powers shall subject the City to any liability under this Agreement, including without limitation liability for costs incurred by any general contractor or the Developer, and as between the Developer and the City, any such costs shall be the sole responsibility of the Developer and any of its general contractors and shall not be reimbursable from PID Bond Proceeds.

Section 7.12. Title and Mechanic's Liens.

(a) Title. The Developer agrees that the Public Improvements shall not have a lien or cloud on title upon their dedication to and acceptance by the City.

(i) Mechanic's Liens. Developer shall not create nor allow or permit any liens, encumbrances, or charges of any kind whatsoever against the Public Improvements arising from any work performed by any contractor by or on behalf of the Developer. The Developer shall not permit any claim of lien made by any mechanic, materialman, laborer, or other similar liens to stand against the Public Improvements for work or materials furnished to the Developer in connection with any construction, improvements, renovation, maintenance or repair thereof made by the Developer or any contractor, agent or representative of the Developer. The Developer shall cause any such claim of lien to be fully discharged no later than thirty (30) days after the Developer's receipt of written notice of the filing thereof.

Section 7.13. City Consents.

Any consent or approval by or on behalf of the City required in connection with the design, construction, improvement or replacement of the Public Improvements or otherwise under this Agreement shall not be unreasonably withheld, delayed, or conditioned. Any review associated with any determination to give or withhold any such consent or approval shall be conducted in a timely and expeditious manner with due regard to the cost to the Developer associated with delay.

Section 7.14. Right of the City to Make Inspection.

(a) At any time during the construction of the Public Improvements, the City shall have the right to enter the Property for the purpose of inspection of the progress of construction on the Public Improvements; provided, however, the City Representative shall comply with reasonable restrictions generally applicable to all visitors to the Development that are imposed by the Developer or its General Contractor or subcontractors. The Developer shall pay the City's costs for the retention of a third-party inspector.

(b) Inspection of the construction of all Public Improvements shall be by the City Representative or his/her designee. In accordance with Sections 5.03 and 7.03, the Developer shall pay the inspection fee which may be included as a Public Improvement Project Cost.

(c) City may enter the Property in accordance with customary City procedures and Applicable Law to make any repairs or perform any maintenance of Public Improvements which the City has accepted for maintenance. If, during construction of the Public Improvements, the Developer is in default under this Agreement beyond any applicable cure period or in the event of an emergency which is not being timely addressed, the City may enter the Property to make any repairs to the Public Improvements that have not been accepted for maintenance by the City, of every kind or nature, which the Developer is obligated under this Agreement to repair or maintain but which the Developer has failed to perform after reasonable notice (other than in the case of an emergency in which notice is impossible or impractical). The Developer shall be obligated to reimburse the City the reasonable costs incurred by the City for any such repairs. Nothing contained in this paragraph shall be deemed to impose on the City any obligation to actually make repairs or alterations on behalf of the Developer.

Section 7.15. Competitive Bidding. The construction of the Public Improvements (which are funded from Assessments) is anticipated to be exempt from competitive bidding pursuant to Texas Local Government Code Section 252.022(a)(9). In the event that the actual costs of the Public Improvement do not meet the parameters for exemption from the competitive bid

requirement, then either competitive bidding or alternative delivery method may be utilized by the City as allowed by Applicable Law.

ARTICLE VIII

PAYMENT OF PUBLIC IMPROVEMENTS

Section 8.01. Overall Requirements.

(a) The City shall not be obligated to provide funds for any Public Improvement except from the proceeds of the PID Bonds or from Assessments pursuant to a Reimbursement Agreement. The City makes no warranty, either express or implied, that the proceeds of the PID Bonds available for the payment or reimbursement of the Public Improvement Project Costs or for the payment of the cost to construct or acquire a Public Improvement by the City will be sufficient for the construction or acquisition of all of the Public Improvements. Any costs of the Public Improvements in excess of the available PID Bond Proceeds or Assessments pursuant to a Reimbursement Agreement, shall not be paid or reimbursed by the City. The Developer acknowledges and agrees that any lack of availability of monies in the Project Funds established under the Indentures to pay the costs of the Public Improvements shall in no way diminish any obligation of the Developer with respect to the construction of or contributions for the Public Improvements required by this Agreement, or any other agreement to which the Developer is a party, or any governmental approval to which the Developer or Property is subject.

(b) Upon written acceptance of a Public Improvement, and subject to any applicable maintenance-bond period, the City shall be responsible for all operation and maintenance of such Public Improvement, including all costs thereof and relating thereto.

(c) The City's obligation with respect to the reimbursement or payment of the Public Improvement Project Costs as finally set forth in the Service and Assessment Plan, shall be limited to the lower of Actual Costs or the available Net PID Bond Proceeds or Assessment revenues, and shall be payable solely from amounts on deposit in the Project Funds from the sale of the PID Bonds as provided herein and in the Indentures, or Assessments collected for the reimbursement or payment of such costs pursuant to Reimbursement Agreement. The Developer agrees and acknowledges that it is responsible for all costs and all expenses related to the Public Improvements in excess of the available Net PID Bond Proceeds and that the Developer Cash Contribution must be deposited at the time of the issuance of PID Bonds.

(d) The City shall have no responsibility whatsoever to the Developer with respect to the investment of any funds held in the Project Fund by the Trustee under the provisions of the Indenture, including any loss of all or a portion of the principal invested or any penalty for liquidation of an investment. Any such loss may diminish the amounts available in the Project Fund to pay or reimburse the Public Improvement Project Costs in the PID. The obligation of Developer to pay the Assessments is not in any way dependent on the availability of amounts in the Project Fund to pay for all or any portion of the Public Improvements Project Costs hereunder.

Section 8.02. Remaining Funds after Completion of a Public Improvement.

If, upon the Completion of Construction of a Public Improvement (or segment or stage thereof) and payment or reimbursement for such Public Improvement, there are Cost Underruns, any remaining budgeted cost(s) may be available to pay Cost Overruns on any other Public Improvement with the approval of the City Representative, such approval not to be unreasonably withheld, at completion of the Public Improvements for each PID Phase and provided that all Public Improvements for such PID Phase, as set forth in the Service and Assessment Plan are undertaken at least in part. The elimination of a category of Public Improvements in a PID Phase as set forth in the Service and Assessment Plan will require an amendment to the Service and Assessment Plan. Upon receipt of all acceptance letters from the City for the Public Improvements within an improvement category as set forth in the Service and Assessment Plan, any Underruns from that category may be released to pay for Overruns in another improvement category, as approved by the City.

Section 8.03. Payment Process for Public Improvements.

(a) The City shall authorize payment or reimbursement of the Public Improvement Project Costs from PID Bond Proceeds or from Assessments collected in the PID as set forth in 8.04 below. The Developer shall submit a Payment Certificate to the City (no more frequently than monthly) for Public Improvement Project Costs including a completed segment, section or portion of a Public Improvement, as approved by the City. The form of the Payment Certificate is set forth in Exhibit F, as may be modified by the applicable Indenture or Reimbursement Agreement. The City shall review the sufficiency of each Payment Certificate with respect to compliance with this Agreement, compliance with the Applicable Law, and compliance with the applicable SAP and Plans and Specifications. The City shall review each Payment Certificate within thirty (30) Business Days of receipt thereof and upon approval, certify the Payment Certificate pursuant to the provisions of the applicable Indenture or Reimbursement Agreement, and payment shall be made to the Developer or its designee pursuant to the terms of the applicable Indenture or Reimbursement Agreement, provided that funds are available under the applicable Indenture or Reimbursement Agreement. Notwithstanding the foregoing, the City shall review the first Payment Certificate within forty-five (45) business days of receipt thereof. If a Payment Certificate is approved only in part, the City shall specify the extent to which the Payment Certificate is approved and payment for such partially approved Payment Certificate shall be made to the Developer pursuant to the terms of the applicable Indenture or Reimbursement Agreement, provided that funds are available under the applicable Indenture or Reimbursement Agreement.

(b) If the City requires additional documentation, timely disapproves or questions the correctness or authenticity of the Payment Certificate, the City shall deliver a detailed notice to the Developer within fifteen (15) Business Days of receipt thereof, then payment with respect to disputed portion(s) of the Payment Certificate shall not be made until the Developer and the City have jointly settled such dispute or additional information has been provided to the City's reasonable satisfaction.

(c) The City shall reimburse the Public Improvement Project Costs as set forth in Exhibit C and the SAP, from funds available pursuant to the applicable Indenture or Reimbursement Agreement.

(d) Reimbursement to the Developer and the City for administrative costs relating to the creation of the PID, the levy of assessments and issuance of the PID Bonds may be distributed at closing of the applicable series of PID Bonds pursuant to a Closing Disbursement Request, in the form attached as Exhibit G.

Section 8.04. Public Improvements Reimbursement from Assessment Fund In the Event of a Non-Issuance of PID Bonds.

(a) In the event that, (i) the City does not issue PID Bonds by the Public Improvement Financing Date, or (ii) PID Bonds cannot be issued for the full costs of the Public Improvements of a result of the parameters set forth in Section 3.02(d), the reimbursement for costs of the Public Improvements set forth in Exhibit C and in the Service and Assessments Plan that are not paid with PID Bond Proceeds shall be made on an annual basis from Assessments levied by the City for the Public Improvements pursuant to Chapter 372, Texas Local Government Code, as amended, unless the Public Improvement Financing Date has been extended by written agreement between the Developer and the City and approved by City Council. Such reimbursement shall be made pursuant to the terms and provisions of one or more Reimbursement Agreements. Such Reimbursement Agreement shall set forth the terms of the annual reimbursement for the costs of the Public Improvements. If the City does not issue additional PID Bonds to fund subsequent Public Improvement Project Costs that have not been previously funded by PID Bonds, such unfunded costs may be funded from Assessments pursuant to additional Reimbursement Agreements. These Reimbursement Agreement obligations may, in the City's discretion, be reimbursed through the issuance of PID Bonds by the City once the parameters set forth in Section 3.02(d) can be met. The issuance of any PID Bonds to fund obligations under a Reimbursement Agreement is subject to the City's discretion and shall be determined by the City. In any event, the issuance of PID Bonds to Fund any obligations under a Reimbursement Agreement, if the City determines to issue such PID Bonds, shall occur no later than three (3) years after the Phase C Public Improvement Financing Date or the City shall not issue such PID Bonds.

(b) Reimbursement or payment of the costs of the Public Improvements shall only be made from the levy of Assessments within the PID as set forth herein.

(c) The term, manner and place of payment or reimbursement to the Developer under this Section shall be set forth in the Reimbursement Agreement.

(d) Reimbursement or payment shall be made only for the costs of the Public Improvements as set forth in this Agreement, the Service and Assessment Plan or in the Reimbursement Agreement, as approved by the City. Any additional public improvements other than the Public Improvements constructed by the Developer and dedicated to the City, shall not be subject to payment or reimbursement under the terms of this Agreement.

Section 8.05. Rights to Audit.

(a) The City shall have the right to audit, upon reasonable notice and at the City's own expense, records of the Developer with respect to the expenditure of funds to pay Public Improvement Project Costs. Upon written request by the City, the Developer shall give the City or its agent, access to those certain records controlled by, or in the direct or indirect possession of,

the Developer (other than records subject to legitimate claims of attorney-client privilege) with respect to the expenditure of Public Improvement Project Costs, and permit the City to review such records in connection with conducting a reasonable audit of such fund and account. The Developer shall make these records available to the City electronically or at a location that is reasonably convenient for City staff.

(b) The City and the Developer shall reasonably cooperate with the assigned independent auditors (internal or external) in this regard, and shall retain and maintain all such records for at least 2 years from the date of Completion of Construction of the Public Improvements. All audits must be diligently conducted and once begun, no records pertaining to such audit shall be destroyed until such audit is completed.

(b) Due Authority: No Conflict. The Developer has all requisite power and authority to execute and deliver this Agreement and to carry out its obligations hereunder and the transactions contemplated hereby. This Agreement has been, and the documents contemplated hereby will be, duly executed and delivered by the Developer and constitute the Developer's legal, valid and binding obligations enforceable against the Developer in accordance with their terms. The consummation by the Developer of the transactions contemplated hereby is not in violation of or in conflict with, nor does it constitute a default under, any term or provision of the organizational documents of the Developer, or any of the terms of any agreement or instrument to which the Developer is a Party, or by which the Developer is bound, or of any provision of any applicable law, ordinance, rule or regulation of any governmental authority or of any provision of any applicable order, judgment or decree of any court, arbitrator or governmental authority.

(e) Legal Proceedings. There is no action, proceeding, inquiry or investigation, at law or in equity, before any court, arbitrator, governmental or other board or official, pending or, to the knowledge of the Developer, threatened against or affecting the Developer, any of the principals of the Developer and any key person or their respective Affiliates and representatives which the outcome of which would (a) materially and adversely affect the validity or enforceability of, or the authority or ability of the Developer under, this Agreement to perform its obligations under this Agreement, or (b) have a material and adverse effect on the consolidated financial condition or results of operations of the Developer or on the ability of the Developer to conduct its business as presently conducted or as proposed or contemplated to be conducted.

(f) Ownership. The Developer represents that it or one or more Affiliates will be the sole owners of the Property within the PID at the time of their creation and will be the sole owners at the time of the levy of Assessments. ARTICLE X

MAINTENANCE OF LANDSCAPE IMPROVEMENTS

Section 10.01. Mandatory Property Owners' Association.

(a) The Developer will create a mandatory homeowners' association ("HOA") over the portion of the Property then being developed as single family homes ("the "Single Family Property"), which HOA, through its conditions and restrictions filed of record in the property records of Harris County, shall be required to assess and collect from owners annual fees in an amount calculated to maintain the open spaces, common areas, right-of-way irrigation systems, raised medians and other right-of-way landscaping, detention areas, drainage areas, screening walls, trails, lawns, landscaped entrances to the Single Family Property and any other common improvements or appurtenances (the "HOA Maintained Improvements"). Maintenance of any Public Improvements or land owned by the City shall be pursuant to a maintenance agreement between the HOA and the City (the "HOA Maintenance Agreement").

(b) While the Parties anticipate that the HOA established to maintain and operate the HOA Maintained Improvements, will adequately perform such duties, in the event that the City determines that the HOA is not adequately performing the duties for which it was created, which non-performance shall be evidenced by violations of the HOA Maintenance Agreement, applicable deed restrictions and/or applicable City ordinances, the City reserves the right to levy an assessment each year equal to the actual costs of operating and maintaining the HOA Maintained Improvements that are owned by the City. The City agrees that it will not levy such assessments without first giving the HOA written notice of the deficiencies and providing the HOA with sixty (60) days in which to cure the deficiencies.

(c) Covenants, conditions and restrictions for the HOA must be filed in each PID Phase and the HOA Maintenance Agreement must be approved and executed before any PID Bonds are issued by the City.

ARTICLE XI

Section 11.01. Developer Termination Events.

The Developer may terminate this Agreement as to a phase of Development if the City does not either (i) sell PID Bonds by a Public Improvement Financing Date (i.e., the Phase A Public Improvement Financing Date, the Phase B Public Improvement Financing Date and the Phase C Public Improvement Financing Date or (ii) levy Assessments and enter into a Reimbursement Agreement pursuant to Section 8.04 for such phase of the Development.

(b) The City may terminate this Agreement and any Reimbursement Agreement with respect to the applicable PID Phase and any remaining PID Phase, upon an uncured Event of Default by the Developer pursuant to Article XIV herein.

Section 11.03. Termination Procedure.

If either Party determines that it wishes to terminate this Agreement pursuant to this Article, such Party must deliver a written notice to the other Party specifying in reasonable detail the basis for such termination and electing to terminate this Agreement. Upon such a termination, the Parties hereto shall have no duty or obligation one to the other under this Agreement, including the reimbursement of any of Developer's costs that were previously advanced or incurred or the levy of assessments on any remaining phases. Provided, however, that as of the date of termination, (i) any Public Improvements completed and accepted by the City or (ii) Public Improvement Project Costs submitted pursuant to a Payment Certificate and approved by the City, shall still be subject to reimbursement.

Section 11.04. City Actions Upon Termination.

ARTICLE XII

This Agreement shall terminate upon the earlier of: (i) the expiration of 30 years from the Effective Date, (ii) the date on which the City and the Developer discharge all of their obligations

hereunder, including Completion of Construction and acceptance of the Public Improvements, and (b) all PID Bond Proceeds have been expended for the construction of all of the Public Improvements and the Developer has been reimbursed for all completed and accepted Public Improvements up to the Reimbursement Cap but in the amount set forth in the Service and Assessment Plan (iii) an event of default under Article XIII, or (iv) the occurrence of a termination event under Article XI.

ARTICLE XIII

DEFAULT AND REMEDIES

Section 13.01. Developer Default.

Each of the following events shall be an "Event of Default" by the Developer under this Agreement:

(a) The Developer shall fail to pay to the City any monetary sum hereby required of it as and when the same shall become due and payable and shall not cure such default within thirty (30) calendar days after the later of the date on which written notice thereof is given by the City to the Developer, as provided in this Agreement. The Developer shall fail in any material respect to maintain any of the insurance or bonds required by this Agreement; provided, however, that if a contractor fails to maintain any of the insurance or bonds required by this Agreement, the Developer shall have thirty (30) calendar days to cure.

(b) The Developer shall fail to comply in any material respect with any term, provision or covenant of this Agreement (other than the payment of money to the City), and shall not cure such failure within ninety (90) calendar days after written notice thereof is given by the City to the Developer;

(c) The filing by Developer of a voluntary proceeding under present or future bankruptcy, insolvency, or other laws respecting debtors, rights;

(d) The consent by Developer to an involuntary proceeding under present or future bankruptcy, insolvency, or other laws respecting debtor's rights;

(e) The entering of an order for relief against Developer or the appointment of a receiver, trustee, or custodian for all or a substantial part of the property or assets of Developer in any involuntary proceeding, and the continuation of such order, judgment or degree unstayed for any period of ninety (90) consecutive days;

(f) The failure by Developer or any Affiliate to pay Impositions, and Assessments on property owned by the Developer and/or any Affiliates within the PID if such failure is not cured within thirty (30) calendar days after written notice by the City; OR

(g) Any representation or warranty confirmed or made in this Agreement by the Developer was untrue in any material respect as of the Effective Date.

Section 13.02. Notice and Cure Period.

(a) Before any Event of Default under this Agreement shall be deemed to be a breach of this Agreement, the Party claiming such Event of Default shall notify, in writing, the Party alleged to have failed to perform the alleged Event of Default and shall demand performance (with the exception of 13.01(f) above). Except with respect to cure periods set forth in 13.01 above, which shall be controlling, no breach of this Agreement may be found to have occurred if performance has commenced to the reasonable satisfaction of the complaining Party within thirty (30) calendar days of the receipt of such notice (or thirty (30) calendar days in the case of a monetary default), with completion of performance within ninety (90) calendar days subject.

(b) Notwithstanding any provision in this Agreement to the contrary, if the performance of any covenant or obligation to be performed hereunder by any Party is delayed by Force Majeure, the time for such performance shall be extended by the amount of time of the delay directly caused by and relating to such uncontrolled circumstances. The Party claiming delay of performance as a result of any of the foregoing Force Majeure events shall deliver written notice of the commencement of any such delay resulting from such Force Majeure event and the length of the Force Majeure event is reasonably expected to last not later than seven (7) days after the claiming Party becomes aware of the same, and if the claiming Party fails to so notify the other Party of the occurrence of a Force Majeure event causing such delay, the claiming Party shall not be entitled to avail itself of the provisions for the extension of performance contained in this Article. The number of days a Force Majeure event is in effect shall be determined by the City based upon commercially reasonable standards.

Section 13.03. City's Remedies.

With respect to the occurrence of an Event of Default the City may pursue the following remedies:

(a) The City may pursue any legal or equitable remedy or remedies, including, without limitation, specific performance, damages, and termination of this Agreement. The City shall not terminate this Agreement unless it delivers to the Developer a second notice expressly providing that the City will terminate within thirty (30) additional days. Termination or non-termination of this Agreement upon a Developer Event of Default shall not prevent the City from suing the Developer for specific performance, damages, actual damages, excluding punitive, special and consequential damages, injunctive relief or other available remedies with respect to obligations that expressly survive termination. In the event the Developer fails to pay any of the expenses or amounts or perform any obligation specified in this Agreement, then to the extent such failure constitutes an Event of Default hereunder, the City may, but shall not be obligated to do so, pay any such amount or perform any such obligations and the amount so paid and the reasonable out of pocket costs incurred by the City in said performance shall be due and payable by the Developer to the City within thirty (30) days after the Developer's receipt of an itemized list of such costs.

(b) No remedy herein conferred or reserved is intended to be exclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder now or hereafter existing at law or in equity.

(c) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

Section 13.04. City Default.

Each of the following events shall be an Event of Default by the City under this Agreement:

(a) So long as the Developer has complied with the terms and provisions of this Agreement, the City shall fail to pay to the Developer any monetary sum hereby required of it and shall not cure such default within thirty (30) calendar days after the later of the date on which written notice thereof is given to the City by the Developer.

(b) The City shall fail to comply in any material respect with any term, provision or covenant of this Agreement, other than the payment of money, and shall not cure such failure within ninety (90) calendar days after written notice thereof is given by the Developer to the City.

Section 13.05. Developer's Remedies.

(a) Upon the occurrence of any Event of Default by the City, the Developer may pursue any legal remedy or remedies specifically including damages as set forth below (specifically excluding specific performance and other equitable remedies), and termination of this Agreement; provided, however, that the Developer shall have no right to terminate this Agreement unless the Developer delivers to the City a second notice which expressly provides that the Developer will terminate within thirty (30) days if the default is not addressed as herein provided.

(b) No remedy herein conferred or reserved is intended to be inclusive of any other available remedy or remedies, but each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder now or hereafter existing.

(c) The exercise of any remedy herein conferred or reserved shall not be deemed a waiver of any other available remedy.

Section 13.06. Limited Waiver of Immunity.

(a) The City and the Developer hereby acknowledge and agree that to the extent this Agreement is subject to the provisions of Subchapter I of Chapter 271, Texas Local Government Code, as amended, and the City's immunity from suit is waived only as set forth in such statute.

(b) Should a court of competent jurisdiction determine the City's immunity from suit is waived in any manner other than as provided in Subchapter I of Chapter 271, TEXAS LOCAL GOVERNMENT CODE, as amended, the Parties hereby acknowledge and agree that in a suit against the City for breach of this Agreement:

(i) The total amount of money awarded is limited to actual damages in an amount not to exceed the balance due and owed by City under this Agreement or any Reimbursement Agreement and is payable solely from Assessment revenues;

(ii) The recovery of damages against City or the Developer may not include consequential damages or exemplary damages;

(iii) The Parties may not recover attorney's fees; and

(iv) The Parties are not entitled to specific performance or injunctive relief against the City.

Section 13.07. Limitation on Damages.

In no event shall any Party have any liability under this Agreement for any exemplary or consequential damages.

Section 13.08. Waiver.

Forbearance by the non-defaulting Party to enforce one or more of the remedies herein provided upon the occurrence of an Event of Default by the other Party shall not be deemed or construed to constitute a waiver of such default. One or more waivers of a breach of any covenant, term or condition of this Agreement by either Party hereto shall not be construed by the other Party as a waiver of a different or subsequent breach of the same covenant, term or condition. The consent or approval of either Party to or of any act by the other Party of a nature requiring consent or approval shall not be deemed to waive or render unnecessary the consent to or approval of any other subsequent similar act.

ARTICLE XIV

INSURANCE, INDEMNIFICATION AND RELEASE

Section 14.01. Insurance.

With no intent to limit any contractor's liability or obligation for indemnification, the Developer shall maintain or cause to be maintained, by the persons constructing the Public Improvements, certain insurance, as provided below in full force and effect at all times during construction of the Public Improvements and shall require that the City is named as an additional insured under such contractor's insurance policies.

(a) With regard to the obligations of this Agreement, the Developer shall obtain and maintain in full force and effect at its expense, or shall cause each contractor to obtain and maintain at their expense, the following policies of insurance and coverage:

(i) Commercial general liability insurance insuring the City, contractor and the Developer against liability for injury to or death of a person or persons and for damage to property occasioned by or arising out of the activities of Developer, the contractor, the City and their respective officers, directors, agents, contractors, or employees, in the amount of \$500,000 Per Occurrence or a limit equal to the amount of the contract amount, \$2,000,000 General Aggregate Bodily Injury and Property Damage. The contractor may procure and maintain a Master or Controlled Insurance policy to satisfy the requirements of this section,

which may cover other property or locations of the contractor and its affiliates, so long as the coverage required in this section is separate;

(ii) Worker's Compensation insurance as required by law;

(iii) Business automobile insurance covering all operations of the contractor pursuant to the Construction Agreement involving the use of motor vehicles, including all owned, non-owned and hired vehicles with minimum limits of not less than One Million Dollars (\$1,000,000) combined single limit for bodily injury, death and property damage liability.

(iv) To the extent available, each policy shall be endorsed to provide that the insurer waives all rights of subrogation against the City;

(v) Each policy of insurance with the exception of Worker's Compensation and professional liability shall be endorsed to include the City (including its former, current, and future officers, directors, agents, and employees) as additional insureds;

(vi) Each policy, with the exception of Worker's Compensation and professional liability, shall be endorsed to provide the City sixty (60) days' written notice prior to any cancellation, termination or material change of coverage; and

(vii) The Developer shall cause each contractor to deliver to the City the policies, copies of policy endorsements, and/or certificates of insurance evidencing the required insurance coverage before the Commencement of Construction of the Public Improvements and within 10 days before expiration of coverage, or as soon as practicable, deliver renewal policies or certificates of insurance evidencing renewal and payment of premium. On every date of renewal of the required insurance policies, the contractor shall cause a Certificate of Insurance and policy endorsements to be issued evidencing the required insurance herein and delivered to the City. In addition the contractor shall within ten (10) business days after written request provide the City with the Certificates of Insurance and policy endorsements for the insurance required herein (which request may include copies of such policies).

Section 14.02. Waiver of Subrogation Rights.

The Commercial General Liability, Worker's Compensation, Business Auto and Excess Liability Insurance required pursuant to this Agreement shall provide for waivers of all rights of subrogation against the City.

Section 14.03. Additional Insured Status.

With the exception of Worker's Compensation Insurance and any Professional Liability Insurance, all insurance required pursuant to this Agreement shall include and name the City as additional insureds using Additional Insured Endorsements that provide the most comprehensive coverage to the City under Texas law including products/completed operations.

Section 14.04. Certificates of Insurance.

Certificates of Insurance and policy endorsements in a form satisfactory to City shall be delivered to City prior to the commencement of any work or services on the Public Improvements. All required policies shall be endorsed to provide the City with sixty (60) days advance notice of cancellation or non-renewal of coverage. The Developer shall provide sixty (60) days written notice of any cancellation, non-renewal or material change in coverage for any of the required insurance in this Article.

On every date of renewal of the required insurance policies, the Developer shall cause (and cause its contractors) to provide a certificate of insurance and policy endorsements to be issued evidencing the required insurance herein and delivered to the City. In addition, the Developer shall, within ten (10) business days after written request, provide the City with certificates of insurance and policy endorsements for the insurance required herein (which request may include copies of such policies). The delivery of the certificates of insurance and the policy endorsements (including copies of such insurance policies) to the City is a condition precedent to the payment of any amounts to the Developer by the City.

Section 14.05. Carriers.

All policies of insurance required to be obtained by the Developer and its contractors pursuant to this Agreement shall be maintained with insurance carriers that are satisfactory to and as reasonably approved by City, and lawfully authorized to issue insurance in the state of Texas for the types and amounts of insurance required herein. All insurance companies providing the required insurance shall be authorized to transact business in Texas and rated at least "A" by AM Best or other equivalent rating service. All policies must be written on a primary basis, non-contributory with any other insurance coverage and/or self-insurance maintained by the City. All insurance coverage required herein shall be evidenced by a certificate of insurance and policy endorsements submitted by the Developer's and its contractors' insurer or broker. Certificates of insurance and policy endorsements received from any other source will be rejected.

Section 14.06. INDEMNIFICATION.

DEVELOPER AGREES TO DEFEND, INDEMNIFY AND HOLD THE CITY AND ITS RESPECTIVE OFFICERS, AGENTS AND EMPLOYEES, HARMLESS AGAINST ANY AND ALL CLAIMS, LAWSUITS, JUDGMENTS, FINES, PENALTIES, COSTS AND EXPENSES FOR PERSONAL INJURY (INCLUDING DEATH), PROPERTY DAMAGE OR OTHER HARM OR VIOLATIONS FOR WHICH RECOVERY OF DAMAGES, FINES, OR PENALTIES IS SOUGHT, SUFFERED BY ANY PERSON OR PERSONS, THAT MAY ARISE OUT OF OR BE OCCASIONED BY DEVELOPER'S BREACH OF ANY OF THE TERMS OR PROVISIONS OF THIS CONTRACT, VIOLATIONS OF LAW, OR BY ANY NEGLIGENT, GROSSLY NEGLIGENT, INTENTIONAL, OR STRICTLY LIABLE ACT OR OMISSION OF THE CONTRACTOR, ITS OFFICERS, AGENTS, EMPLOYEES, INVITEES, SUBCONTRACTORS, OR SUB-SUBCONTRACTORS AND THEIR RESPECTIVE OFFICERS, AGENTS, OR REPRESENTATIVES, OR ANY OTHER PERSONS OR ENTITIES FOR WHICH THE CONTRACTOR IS LEGALLY RESPONSIBLE IN THE PERFORMANCE OF THIS CONTRACT. THE INDEMNITY PROVIDED FOR IN THIS PARAGRAPH SHALL

NOT APPLY TO ANY LIABILITY RESULTING FROM THE SOLE NEGLIGENCE OF THE CITY, AND ITS OFFICERS, AGENTS, EMPLOYEES OR SEPARATE CONTRACTORS. THE CITY DOES NOT WAIVE ANY GOVERNMENTAL IMMUNITY OR OTHER DEFENSES AVAILABLE TO IT UNDER TEXAS OR FEDERAL LAW. THE PROVISIONS OF THIS PARAGRAPH ARE SOLELY FOR THE BENEFIT OF THE PARTIES HERETO AND ARE NOT INTENDED TO CREATE OR GRANT ANY RIGHTS, CONTRACTUAL OR OTHERWISE, TO ANY OTHER PERSON OR ENTITY.

DEVELOPER AT ITS OWN EXPENSE IS EXPRESSLY REQUIRED TO DEFEND CITY AGAINST ALL SUCH CLAIMS. CITY RESERVES THE RIGHT TO PROVIDE A PORTION OR ALL OF ITS OWN DEFENSE; HOWEVER, CITY IS UNDER NO OBLIGATION TO DO SO. ANY SUCH ACTION BY CITY IS NOT TO BE CONSTRUED AS A WAIVER OF DEVELOPER'S OBLIGATION TO DEFEND CITY OR AS A WAIVER OF DEVELOPER'S OBLIGATION TO INDEMNIFY CITY PURSUANT TO THIS AGREEMENT. DEVELOPER SHALL RETAIN DEFENSE COUNSEL WITHIN SEVEN (7) BUSINESS DAYS OF CITY'S WRITTEN NOTICE THAT CITY IS INVOKING ITS RIGHT TO INDEMNIFICATION UNDER THIS AGREEMENT. IF DEVELOPER FAILS TO RETAIN COUNSEL WITHIN THE REQUIRED TIME PERIOD, CITY SHALL HAVE THE RIGHT TO RETAIN DEFENSE COUNSEL ON ITS OWN BEHALF AND DEVELOPER SHALL BE LIABLE FOR ALL COSTS INCURRED BY THE CITY.

ARTICLE XV

Section 15.02. Make-Whole Provision. If the issuance of the PID Bonds in any calendar year precludes the City from issuing bank qualified debt for that calendar year, then the Developer shall pay to the City a fee (the "PID Bond Fee") to compensate the City for the interest savings the City would have achieved had the debt issued by the City been bank qualified. The City's financial advisor shall calculate the PID Bond Fee based on the planned debt issuances for the City in the year in which each series of PID Bonds are issued, and shall notify the Developer of the total amount due prior to the issuance of the applicable series of PID Bonds. The Developer agrees to pay the PID Bond Fee to the City within ten (10) business days after receiving notice from the City of the amount of PID Bond Fee due to the City. The PID Bond Fee shall be held in a segregated account of the City and if the total amount of debt obligations sold or entered into by the City in the calendar year in which the applicable series of PID Bonds are issued are less than the bank qualification limits (currently \$10 million per calendar year), then the PID Bond Fee shall be returned to the Developer. If, at the time of the City's notification to the Developer as set forth above, there are additional bonds to be issued by the City in that year that will be issued to accommodate additional developers within the City, the PID Bond Fee shall be shared by all parties in a pro-rata amount based upon the estimated par amounts of each series of bonds issued for the benefit of each, as determined by the City and its financial advisor.

Section 15.03. Assignment.

(a) This Agreement shall be binding upon and inure to the benefit of the successors and assigns of the Parties. The obligations, requirements or covenants to develop the Property, including construction of the Public Improvements may be assigned to an Affiliate without the prior written consent of the City. The obligations, requirements or covenants to the development of the Property, including construction of the Public Improvements shall not be assigned to any non-Affiliate without the prior written consent of the City Council, which consent shall not be unreasonably withheld if the assignee demonstrates the financial ability to perform in the reasonable judgment of the City Council. Each assignment shall be in writing executed by Developer and the assignee and shall obligate the assignee to be bound by this Agreement to the extent this Agreement applies or relates to the obligations, rights, title or interests being assigned. No assignment by Developer shall release Developer from any liability that resulted from an act or omission by Developer that occurred prior to the effective date of the assignment unless the

City approves the release in writing. Developer shall maintain written records of all assignments made by Developer to Assignee, including a copy of each executed assignment and the Assignee's notice information as required by this Agreement, and, upon written request from the City, any Party or Assignee, shall provide a copy of such records to the requesting person or entity, and this obligation shall survive the assigning Party's sale, assignment, transfer or other conveyance of any interest in this Agreement or the Property. The City shall not be required to make any representations or execute any consent with respect to any assignment.

(b) Developer may assign any receivables or revenues due pursuant to this Agreement or any Reimbursement Agreement to a third party without the consent of, but upon written notice to the City. Provided, however, that notwithstanding the above, the City shall not be required to make partial payments to more than two parties as a result of an assignment and shall not execute any consent or other representations with respect thereto.

(c) The Developer and assignees have the right, from time to time, to collaterally assign, pledge, grant a lien or security interest in, or otherwise encumber any of their respective rights, title, or interest under this Agreement for the benefit of (a) their respective lenders without the consent of, but with prompt written notice to, the City. The collateral assignment, pledge, grant of lien or security interest, or other encumbrance shall not, however, obligate any lender to perform any obligations or incur any liability under this Agreement unless the lender agrees in writing to perform such obligations or incur such liability. Provided the City has been given a copy of the documents creating the lender's interest, including Notice information for the lender, then that lender shall have the right, but not the obligation, to cure any default under this Agreement within thirty (30) days written Notice to the lender, not to be unreasonably withheld. A lender is not a party to this Agreement unless this Agreement is amended, with the consent of the lender, to add the lender as a Party. Notwithstanding the foregoing, however, this Agreement shall continue to bind the Property and shall survive any transfer, conveyance, or assignment occasioned by the exercise of foreclosure or other rights by a lender, whether judicial or non-judicial. Any purchaser from or successor owner through a lender of any portion of the Property shall be bound by this Agreement and shall not be entitled to the rights and benefits of this Agreement with respect to the acquired portion of the Property until all defaults under this Agreement with respect to the acquired portion of the Property have been cured. The City shall not be required to make partial payments to more than two parties as a result of an assignment and shall not execute any consent or other representations with respect thereto.

(d) The City shall not be required to acknowledge the receipt of any Assignment by the Developer; however, to the extent the City does acknowledge receipt of any assignment pursuant to this Section, such acknowledgment does not evidence the City's agreement, acceptance or acknowledgment of the content of the assignment documents or any rights accruing thereunder; it is solely an acknowledgment of receipt of the notice via mail, express mail or email.

(e) The City does not and shall not consent to nor participate in any third-party financing based upon the Developer's assignment of its right to receive funds pursuant to this Agreement or any Reimbursement Agreement.

Section 15.04. Table of Contents; Titles and Headings.

Section 15.08. Severability; Waiver.

If any provision of this Agreement is illegal, invalid, or unenforceable, under present or future laws, it is the intention of the parties that the remainder of this Agreement not be affected and, in lieu of each illegal, invalid, or unenforceable provision, a provision be added to this Agreement which is legal, valid, and enforceable and is as similar in terms to the illegal, invalid, or enforceable provision as is possible.

Any failure by a Party to insist upon strict performance by the other party of any material provision of this Agreement will not be deemed a waiver or of any other provision, and such Party may at any time thereafter insist upon strict performance of any and all of the provisions of this Agreement.

Section 15.09. No Third-Party Beneficiaries.

The City and the Developer intend that this Agreement shall not benefit or create any right or cause of action in or on behalf of any third party beneficiary, or any individual or entity other than the City, the Developer or assignees of such Parties.

Section 15.10. Notice of Assignment. Developer shall not transfer any portion of the Property prior to the levy of Assessments, except as provided in Section 3.05. Subject to Section 15.03 herein, the requirements set forth below shall apply in the event that the Developer

- (d) the Notice must be signed by a duly authorized person representing the Developer and a duly authorized representative of the person that will acquire any rights or benefits as a result of the sale, assignment transfer or other conveyance.

Section 15.11. No Joint Venture.

Nothing contained in this Agreement or any other agreement between the Developer and the City is intended by the Parties to create a partnership or joint venture between the Developer, on the one hand, and the City on the other hand and any implication to the contrary is hereby expressly disavowed. It is understood and agreed that this Agreement does not create a joint enterprise, nor does it appoint either Party as an agent of the other for any purpose whatsoever. Neither Party shall in any way assume any of the liability of the other for acts of the other or obligations of the other. Each Party shall be responsible for any and all suits, demands, costs or actions proximately resulting from its own individual acts or omissions.

No other representations in the Estoppel shall be made by the City.

Section 15.13. Independence of Action.

It is understood and agreed by and among the Parties that in the design, construction and development of the Public Improvements and any of the related improvements described herein, and in the Parties' satisfaction of the terms and conditions of this Agreement, that each Party is acting independently, and the City assumes no responsibility or liability to any third parties in connection to the Developer's obligations hereunder.

Section 15.16. Survival of Covenants.

Any of the representations, warranties, covenants, and obligations of the Parties, as well as any rights and benefits of the Parties, pertaining to a period of time following the termination of this Agreement shall survive termination.

All amounts due pursuant to this Agreement and any remedies under this Agreement are not subject to acceleration.

Following the issuance of each series of PID Bonds, the Developer agrees not to take any action or actions to reduce the total amount of the Assessments levied in payment of such PID Bonds. The Developer agrees not to take any action or actions to reduce the total amount of such Assessments to be levied as of the effective date of this Agreement.

Section 15.20. Anti-Boycott Verification.

The Developer hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and, to the extent this Agreement is a contract for goods or services, will not boycott Israel during the term of this Agreement. The foregoing verification is made solely to comply with Section 2270.002, Texas Government Code, and to the extent such Section does not contravene applicable Federal law. As used in the foregoing verification, 'boycott Israel' means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. The Developer understands 'affiliate' to mean an entity that controls, is controlled by, or is under common control with the Developer and exists to make a profit.

Section 15.21. Iran, Sudan and Foreign Terrorist Organizations

The Developer represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Texas Government Code, and posted on any of the following pages of such officer's internet website: <https://comptroller.texas.gov/purchasing/docs/sudan-list.pdf>, <https://comptroller.texas.gov/purchasing/docs/iran-list.pdf>, or <https://comptroller.texas.gov/purchasing/docs/fto-list.pdf>. The foregoing representation is made solely to comply with Section 2252.152, Texas Government Code, and to the extent such Section does not contravene applicable Federal law and excludes the Developer and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.
