PRELIMINARY LIMITED OFFERING MEMORANDUM DATED MARCH 16, 2023

NEW ISSUE - BOOK-ENTRY ONLY LIMITED OFFERING

NOT RATED

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications and the continuing compliance with certain tax covenants, under existing statutes, regulations, rulings and court decisions, interest on the Series 2023 Bonds (as hereinafter defined) is excludable from gross income for federal income tax purposes; and, further, interest on the Series 2023 Bonds will not be an item of tax preference for purposes of the alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Internal Revenue Code of 1986, as amended (the "Code") on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2023 Bonds is not excluded from the determination of adjusted financial statement income. See "TAX MATTERS" herein for a description of certain other federal tax consequences of ownership of the Series 2023 Bonds. Bond Counsel is further of the opinion that the Series 2023 Bonds and the interest thereon are not subject to taxation under the laws of the State of Florida, except as to estate taxes under Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in said Chapter 220. See "TAX MATTERS" herein.

The purpose of this Limited Offering Memorandum is to set forth certain information in connection with the offering for sale by the Peace Creek Community Development District (the "District" or "Issuer") of its \$11,915,000* Special Assessment Bonds, Series 2023 (Assessment Area One) (the "Series 2023 Bonds").

THE SERIES 2023 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2023 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AS AMENDED AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2023 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2023 BONDS. SEE "BONDOWNERS' RISKS" AND "SUITABILITY FOR INVESTMENT" HEREIN. NO PERSON HAS BEEN AUTHORIZED BY THE DISTRICT OR THE UNDERWRITER TO GIVE ANY INFORMATION OR TO MAKE ANY REPRESENTATIONS, OTHER THAN THOSE CONTAINED IN THIS LIMITED OFFERING MEMORANDUM, AND, IF GIVEN OR MADE, SUCH OTHER INFORMATION OR REPRESENTATIONS MUST NOT BE RELIED UPON AS HAVING BEEN AUTHORIZED BY ANY OF THE FOREGOING.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. O-22-15 of the City Council of City of Winter Haven, Florida (the "City"), enacted on February 28, 2022, as amended by Ordinance O-22-36, enacted on June 13, 2022. The District was created for the purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined) and has previously determined to undertake, in one or more stages, the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of the District Lands. The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, or equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District include approximately 168.55 acres of land (the "District Lands") located entirely within the incorporated area of the City, located in Polk County, Florida (the "County"). For more complete information about the District, its Board of Supervisors and the District Manager, see "THE DISTRICT" herein. The District Lands are being developed as a 673-unit residential community to

be known as "Peace Creek" (the "Development"). See "THE DEVELOPMENT" herein for more information.

Two Assessment Areas have been created within the District to facilitate the District's development and financing plans. "Assessment Area One" is substantially developed and contains 553 platted lots, which are planned to contain single-family detached homes at buildout. "Assessment Area Two" contains approximately 17 acres of land, which are planned to contain 120 townhome units at buildout and will be developed in the future. The Series 2023 Bonds are being issued to finance a portion of the public infrastructure improvements associated with Assessment Area One (the "2023 Project"). See "CAPITAL IMPROVEMENT PLAN AND THE 2023 PROJECT" herein for more information.

KLLB AIV LLC, a Delaware limited liability company (the "Primary Landowner"), is the primary owner of the assessable land in Assessment Area One. The Primary Landowner has entered into the Construction Agreement with Lennar Homes, LLC, a Florida limited liability company (the "Development Manager"), pursuant to which the Development Manager will manage the installation of infrastructure improvements for Assessment Area One. The Primary Landowner is obligated to reimburse the Development Manager for the associated costs incurred that are not funded with net proceeds of the Series 2023 Bonds. In addition, the Primary Landowner has entered into the Option Agreement with the Development Manager, pursuant to which the Development Manager has the option to purchase all of the developed lots in Assessment Area One in a series of takedowns, with the initial takedown of four lots having occurred in March 2023. The Development Manager is expected to construct and market residential units within Assessment Area One for sale to purchasers. "THE DEVELOPMENT – Land Acquisition and the Option Agreement" and "THE PRIMARY LANDOWNER AND THE DEVELOPMENT MANAGER" herein for more information.

The Series 2023 Special Assessments (as defined herein) will be levied on the 553 platted lots within Assessment Area One, in accordance with the Assessment Methodology (as defined herein). See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY" hereto for more information regarding allocation of the Series 2023 Special Assessments.

The Series 2023 Bonds are being issued by the District pursuant to the Act, Resolutions No. 2022-34 and No. 2023-02 adopted by the Board of Supervisors of the District (the "Board") on March 29, 2022 and February 14, 2023, respectively (collectively, the "Bond Resolution"), and a Master Trust Indenture, dated as of March 1, 2023 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture, dated as of March 1, 2023 (the "First Supplemental Indenture," and together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association (the "Trustee"). All capitalized terms used in this Limited Offering Memorandum not defined herein shall have the respective meanings set forth in the Indenture. See "APPENDIX A: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" hereto.

Proceeds of the Series 2023 Bonds will be used to provide funds for: (i) the Costs of acquiring and/or constructing a portion of the 2023 Project, (ii) the funding of the Series 2023 Reserve Account in an amount equal to the initial Series 2023 Reserve Requirement (as defined herein), (iii) funding interest on the Series 2023 Bonds through at least June 15, 2023, and (iv) the payment of the costs of issuance of the Series 2023 Bonds. See "THE 2023 PROJECT" and "ESTIMATED SOURCES AND USES OF FUNDS" herein.

The Series 2023 Bonds will be secured by a pledge of the Series 2023 Pledged Revenues. "Series 2023 Pledged Revenues" shall mean (a) all revenues received by the District from Series 2023 Special Assessments levied and collected on the assessable lands within Assessment Area One within the District,

including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2023 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2023 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture created and established with respect to or for the benefit of the Series 2023 Bonds; provided, however, that Series 2023 Pledged Revenues shall not include (A) any moneys transferred to the Series 2023 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2023 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS."

There follows in this Limited Offering Memorandum a brief description of the District, the Development Manager, the Primary Landowner, the Development, Assessment Area One, the 2023 Project and summaries of certain terms of the Series 2023 Bonds, the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and statute, and all references to the Series 2023 Bonds are qualified by reference to the definitive form thereof and the information with respect thereto contained in the Indenture. Proposed forms of the Master Indenture and the First Supplemental Indenture appear in APPENDIX A hereto.

The Series 2023 Bonds shall be dated as of the date of initial delivery. Interest on the Series 2023 Bonds shall be payable on each Interest Payment Date to maturity or prior redemption. Principal and interest on the Series 2023 Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC. Disbursal of such amounts to DTC Participants shall be the responsibility of DTC. Payments by DTC Participants to Indirect Participants, and by DTC Participants and Indirect Participants to Beneficial Owners shall be the responsibility of DTC Participants and Indirect Participants and not of DTC nor its nominee, the Trustee or the District. During the period for which Cede & Co. is registered owner of the Series 2023 Bonds, any notices to be provided to any Beneficial Owner will be provided to Cede & Co. DTC shall be responsible for notices to DTC Participants and DTC Participants shall be responsible for notices to Indirect Participants, and DTC Participants and Indirect Participants shall be responsible for notices to Beneficial Owners. Optional Redemption

The Series 2023 Bonds may, at the option of the District, provided written notice has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days' notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after June 15, 20__ (less than all Series 2023 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2023 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2023 Optional Redemption Subaccount of the Series 2023 Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Series 2023 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2023 Bonds is substantially level.

Mandatory Sinking Fund Redemption

The Series 2023 Bonds maturing on June 15, 20 are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2023 Sinking Fund Account on June 15 in the years and in the mandatory sinking fund redemption amounts set forth below at a redemption price of 100% of their principal amount plus accrued interest to the date of redemption.

Upon any redemption or purchase of Series 2023 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2023 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2023 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2023 Bonds in any year.

In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption

The Series 2023 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2023 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

- (i) from Series 2023 Prepayment Principal deposited into the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account (taking into account the credit from the Series 2023 Reserve Account pursuant to the First Supplemental Indenture) following a Prepayment in whole or in part of the Series 2023 Special Assessments on any assessable property within Assessment Area One within the District in accordance with the provisions of the First Supplemental Indenture.
- (ii) from moneys, if any, on deposit in the Series 2023 Funds, Accounts and subaccounts in the Funds and Accounts (other than the Series 2023 Rebate Fund, the Series 2023 Costs of Issuance Account and the Series 2023 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2023 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.
- (iii) from any funds remaining on deposit in the Series 2023 Acquisition and Construction Account not otherwise reserved to complete the 2023 Project (including any amounts transferred from the Series 2023 Reserve Account) all of which have been transferred to the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account.

Notice of Redemption and of Purchase

When required to redeem or purchase Series 2023 Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall cause notice of the redemption to be provided by Electronic means or mailed by first class mail, postage prepaid, not less than thirty (30) nor more than sixty (60) days prior to the redemption or purchase date to all Owners of Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2023 Bonds for which notice was duly mailed in accordance with the Indenture. The District is authorized to direct the Trustee to give a conditional notice of redemption.

Purchase of Series 2023 Bonds

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Series 2023 Sinking Fund Account to the purchase of the Series 2023 Bonds in accordance with the Indenture, at prices not higher than the principal amount thereof, in lieu of redemption, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given.

Book-Entry Only System

The information in this caption concerning DTC and DTC's book-entry system has been obtained from DTC, and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the Series 2023 Bonds. The Series 2023 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2023 Bond certificate will be issued for each maturity of the Series 2023 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2023 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2023 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2023 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2023 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2023 Bonds, except in the event that use of the bookentry system for the Series 2023 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2023 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2023 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2023 Bonds;

DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2023 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2023 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2023 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2023 Bond documents. For example, Beneficial Owners of Series 2023 Bonds may wish to ascertain that the nominee holding the Series 2023 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2023 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2023 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2023 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2023 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions,* and interest payments on the Series 2023 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2023 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2023 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2023 Bond certificates will be printed and delivered to DTC.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS

General

THE SERIES 2023 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY OUT OF THE SERIES 2023 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2023 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, SERIES 2023 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2023 BONDS. THE SERIES 2023 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2023 Bonds will be secured by a pledge of the Series 2023 Pledged Revenues. "Series 2023 Pledged Revenues" shall mean (a) all revenues received by the District from Series 2023 Special Assessments levied and collected on the assessable lands within Assessment Area One within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2023 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2023 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture created and established with respect to or for the benefit of the Series 2023 Bonds; provided, however, that Series 2023 Pledged Revenues shall not include (A) any moneys transferred to the Series 2023 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2023 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.021 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso).

The Series 2023 Special Assessments consist of the non-ad valorem special assessments imposed and levied by the District against the assessable lands within Assessment Area One, as a result of the District's acquisition and/or construction of a portion of the 2023 Project, corresponding in amount to the debt service on the Series 2023 Bonds and designated as such in the Assessment Methodology (as defined herein) relating thereto. The Series 2023 Special Assessments are levied pursuant to Section 190.022 of the Act, resolutions of the District adopted prior to delivery of the Series 2023 Bonds, as amended and supplemented from time to time (collectively, the "Assessment Resolutions") and assessment proceedings conducted by the District (together with the Assessment Resolutions, the "Assessment Proceedings"). The Assessment Methodology, which describes the methodology for allocating the Series 2023 Special Assessments to the assessable lands within the District, is included as APPENDIX D hereto. See also "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein.

Non-ad valorem assessments are not based on millage and are not taxes, but can become a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The Series 2023 Special Assessments will constitute a lien against the land as to which the Series 2023 Special Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

Covenant to Levy the Series 2023 Special Assessments

The District will covenant to levy the Series 2023 Special Assessments to the extent and in the amount sufficient to pay debt service requirements on the Series 2023 Bonds. If any Series 2023 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2023 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2023 Special Assessment when it might have done so, the District has additionally covenanted in the Indenture to either (i) take all necessary steps to cause a new Series 2023 Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (ii) in its sole discretion, make up the amount of such Series 2023 Special Assessment from legally available moneys, which moneys shall be deposited into the Series 2023 Revenue Account. In case such second Series 2023 Special Assessment shall be annulled, the District shall obtain and make other Series 2023 Special Assessments until a valid Series 2023 Special Assessment shall be made.

Prepayment of Series 2023 Special Assessments

Pursuant to the Act and the Assessment Proceedings, an owner of property subject to the levy of Series 2023 Special Assessments may pay the entire balance of the Series 2023 Special Assessments remaining due, without interest, within thirty (30) days after the 2023 Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the 2023 Project pursuant to Chapter 170.09, Florida Statutes. The Primary Landowner and the Development Manager, as the sole owners of the property within the District, will waive this right in connection with the issuance of the Series 2023 Bonds pursuant to a "Declaration of Consent to Jurisdiction of Peace Creek Community Development District and to Imposition of Special Assessments." Such declarations will be recorded in the public records of the County, and the covenants contained therein will be binding on the Primary Landowner, the Development Manager and their successors and assigns.

Pursuant to the Assessment Proceedings, an owner of land against which a Series 2023 Special Assessment has been levied may prepay the entire remaining balance of such Series 2023 Special Assessment at any time, or a portion of the remaining balance one time, if there is also paid, in addition to the prepaid principal balance of the Series 2023 Special Assessment, an amount equal to the interest that would otherwise be due on such prepaid amount on the next succeeding interest payment date, or, if prepaid during the forty-five (45) day period preceding such interest payment date, to the interest payment date following such next succeeding interest payment date.

Any prepayment of Series 2023 Special Assessments will result in the extraordinary mandatory redemption of Series 2023 Bonds, as indicated under "DESCRIPTION OF THE SERIES 2023 BONDS – Redemption Provisions – Extraordinary Mandatory Redemption." See also "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein. The prepayment of Series 2023 Special Assessments does not entitle the owner of the property to a discount for early payment.

Additional Obligations

In the Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the Series 2023 Special Assessments. Such covenant shall not prohibit the District from issuing refunding bonds. In addition, the District will covenant not to issue any other Bonds or debt obligations for capital projects, secured by any Special Assessments on assessable land within Assessment Area One within the District which secure the Series 2023 Special Assessments until the Series 2023 Special Assessments are Substantially Absorbed. "Substantially Absorbed" means the date at least seventy-five percent (75%) of the principal portion of the Series 2023 Special Assessments have been assigned to residential units

within Assessment Area One within the District that have received certificates of occupancy. The District's covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. The District, or the District Manager on behalf of the District, shall provide the Trustee with a certification that the Series 2023 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2023 Special Assessments are Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the District may issue other Bonds or debt obligations secured by Special Assessments levied on the same land upon which the Series 2023 Special Assessments have been levied at any time upon the written consent of the Majority Holders or at any time without such consent if Special Assessments are levied on any lands within the District which are not subject to the Series 2023 Special Assessments.

Except as set forth above, the District and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2023 Special Assessments without the consent of the Owners of the Series 2023 Bonds. Additionally, the District expects to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2023 Special Assessments, on the same lands upon which the Series 2023 Special Assessments are imposed, to fund the maintenance and operation of the District. See "THE DEVELOPMENT – Taxes, Fees and Assessments" and "BONDOWNERS' RISKS" herein.

Covenant Against Sale or Encumbrance

In the Master Indenture, the District will covenant that (a) except for those improvements comprising any Project that are to be conveyed by the District to the City, the County, the State Department of Transportation or another governmental entity and (b) except as otherwise permitted in the Indenture, it will not sell, lease or otherwise dispose of or encumber any Project or any part thereof, including the 2023 Project. See "APPENDIX A: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" herein for more information.

Series 2023 Acquisition and Construction Account

The First Supplemental Indenture establishes a separate account within the Acquisition and Construction Fund designated as the "Series 2023 Acquisition and Construction Account." A portion of the net proceeds of the Series 2023 Bonds shall be deposited into the Series 2023 Acquisition and Construction Account in the amount set forth in the First Supplemental Indenture, together with any other moneys that may be transferred to the Series 2023 Acquisition and Construction Account pursuant to the provisions of the First Supplemental Indenture. Such moneys in the Series 2023 Acquisition and Construction Account shall be disbursed by the Trustee as set forth in the Indenture and the Acquisition Agreement and, upon disbursement, the District shall apply such moneys as provided for in the Indenture and the Acquisition Agreement. Upon presentment by the District Manager or the District to the Trustee of a properly signed requisition in substantially the form attached to the First Supplemental Indenture, the Trustee shall withdraw moneys from the Series 2023 Acquisition and Construction Account and make payment to the Person or Persons so designated in such requisition.

Subject to the provisions of the First Supplemental Indenture, any moneys remaining in the Series 2023 Acquisition and Construction Account after the Completion Date, and after the expenditure of all moneys remaining therein that have not been requisitioned within thirty (30) days after satisfaction of the Release Conditions (as defined herein), except for any moneys reserved therein for the payment of any costs of the 2023 Project owed but not yet requisitioned, as evidenced in a certificate from the District Engineer to the Trustee, upon which the Trustee may conclusively rely, and the adoption of a resolution by

the District accepting the 2023 Project, as evidenced by a certificate from the District Manager delivered to the Trustee, upon which the Trustee may conclusively rely, shall be transferred by the Trustee to the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account. Subject to the provisions of the First Supplemental Indenture, the Series 2023 Acquisition and Construction Account shall be closed upon the expenditure or transfer of all funds therein including moneys deposited therein as a result of satisfaction of the Release Conditions. For more information regarding the Release Conditions, see "—Series 2023 Reserve Account" herein.

Series 2023 Reserve Account

The Indenture establishes a Series 2023 Reserve Account within the Debt Service Reserve Fund for the Series 2023 Bonds. The Series 2023 Reserve Account will, at the time of delivery of the Series 2023 Bonds, be funded from a portion of the net proceeds of the Series 2023 Bonds in the amount of the initial Series 2023 Reserve Requirement. The "Series 2023 Reserve Requirement" or "Reserve Requirement" shall mean an amount initially equal to fifty percent (50%) of the maximum annual debt service with respect to the initial principal amount of the Series 2023 Bonds determined on the date of issue. Upon satisfaction of the Release Conditions, the Series 2023 Reserve Requirement shall be reduced to an amount equal to ten percent (10%) of the maximum annual debt service with respect to the then Outstanding principal amount of the Series 2023 Bonds. If a portion of the Series 2023 Bonds are redeemed (other than by way of a mandatory sinking fund redemption) pursuant to the First Supplemental Indenture, the Reserve Requirement shall be reduced as set forth in the First Supplemental Indenture. Any amount in the Series 2023 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2023 Bonds be used to pay principal of and interest on the Series 2023 Bonds at that time. The initial Series 2023 Reserve Requirement shall be equal to \$_______.

"Release Conditions" shall mean all of the following: (a) all of the principal portion of the Series 2023 Special Assessments has been assigned to residential units that have been constructed and have received a certificate of occupancy; and (b) no Event of Default under the Master Indenture has occurred, all as evidenced pursuant to the First Supplemental Indenture.

Net proceeds of the Series 2023 Bonds shall be deposited into the Series 2023 Reserve Account in the amount set forth in the First Supplemental Indenture, and such moneys, together with any other moneys deposited into the Series 2023 Reserve Account pursuant to the First Supplemental Indenture, shall be applied for the purposes provided in the First Supplemental Indenture.

On each May 1 and November 1 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2023 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2023 Bonds caused by investment earnings to the Series 2023 Acquisition and Construction Account and, after the Completion Date, to the Series 2023 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2023 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2023 Bonds to the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2023 Special Assessments and applied to redeem a portion of the Series 2023 Bonds is less than the principal amount of Series 2023 Bonds indebtedness attributable to such lands.

Subject to the provisions of the First Supplemental Indenture, on any date the District or the District Manager, on behalf of the District, receives notice that a landowner wishes to prepay its Series 2023 Special Assessments relating to the benefited property of such landowner within the District, or as a result of a

mandatory true-up payment, the District shall, or cause the District Manager, on behalf of the District to, calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2023 Prepayment Principal due by the amount of money in the Series 2023 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2023 Reserve Account shall be transferred by the Trustee to the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2023 Reserve Account to the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2023 Bonds in accordance with the First Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing, upon satisfaction of the Release Conditions, the Trustee shall deposit such excess on deposit in the Series 2023 Reserve Account as described below to the Series 2023 Acquisition and Construction Account and pay such amount deposited in the Series 2023 Acquisition and Construction Account to the Person or Persons designated in a requisition in the form attached as an exhibit to the First Supplemental Indenture to the District submitted by the Developer within thirty (30) days of such transfer which requisition shall be executed by the District and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided the Developer can establish, to the satisfaction of the Consulting Engineer, Costs of the 2023 Project that were not paid from moneys initially deposited in the Series 2023 Acquisition and Construction Account. In the event that there are no unreimbursed Costs to pay to the Developer, such excess moneys transferred from the Series 2023 Reserve Account to the Series 2023 Acquisition and Construction Account shall be deposited into the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account upon direction to the Trustee by the District.

In addition, upon satisfaction of the Release Conditions as evidenced by a written certificate of the District Manager delivered to the District and the Trustee, stating that the Release Conditions have been satisfied and setting forth the amount of the new Series 2023 Reserve Requirement, the Trustee shall without further direction reduce the Series 2023 Reserve Requirement to ten percent (10%) of the maximum annual debt service of the then Outstanding principal amount of the Series 2023 Bonds as calculated by the District Manager. The excess amount in the Series 2023 Reserve Account shall be transferred to the Series 2023 Acquisition and Construction Account as provided in the First Supplemental Indenture. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to the First Supplemental Indenture, the District Manager, on behalf of the District, shall calculate the applicable Reserve Requirement and the District Manager shall communicate the same to the Trustee and apply any excess in the Series 2023 Reserve Account toward such extraordinary mandatory redemption.

Deposit and Application of the Series 2023 Pledged Revenues

The Indenture establishes a Series 2023 Revenue Account within the Revenue Fund for the Series 2023 Bonds. Series 2023 Special Assessments and any other amounts required to be deposited therein (except for Prepayments of the Series 2023 Special Assessments, which shall be identified as such by the District to the Trustee and deposited in the Series 2023 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2023 Revenue Account and applied as set forth in the Indenture. Pursuant to the Indenture, the Trustee shall transfer from amounts on deposit in the Series 2023 Revenue Account to the Funds, Accounts and subaccounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each June 15, commencing June 15, 2023, to the Series 2023 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2023 Bonds becoming due on the next succeeding June 15, less any amount on deposit in the Series 2023 Interest Account not previously credited:

SECOND, upon receipt but no later than the Business Day next preceding each December 15, commencing December 15, 2023, to the Series 2023 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2023 Bonds becoming due on the next succeeding December 15, less any amounts on deposit in the Series 2023 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each June 15, commencing June 15, 2024, to the Series 2023 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2023 Bonds subject to sinking fund redemption on such June 15, less any amounts on deposit in the Series 2023 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding each June 15, which is a principal payment date for any Series 2023 Bonds, to the Series 2023 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2023 Bonds Outstanding maturing on such June 15, less any amounts on deposit in the Series 2023 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2023 Bonds are subject to redemption on a date which is not a June 15 or December 15 Interest Payment Date, the Trustee shall be authorized to transfer from the Series 2023 Revenue Account to the Series 2023 Interest Account, the amount necessary to pay interest on the Series 2023 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2023 Bonds remain Outstanding, to the Series 2023 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2023 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2023 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2023 Bonds and next, any balance in the Series 2023 Revenue Account shall remain on deposit in such Series 2023 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2023 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

Investments

The Trustee shall, as directed by the District in writing, invest moneys held in the Series 2023 Accounts in the Debt Service Fund, the Series 2023 Reserve Account in the Debt Service Reserve Fund and the Series 2023 Bond Redemption Account in Government Obligations and the other securities described in the definition of Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be for the purposes set forth in the Indenture. All securities securing investments under the Indenture shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however,

that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the provisions of the Indenture, any interest and other income so received shall be deposited in Series 2023 Revenue Account. Upon request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the Series 2023 Revenue Account of the Revenue Fund.

In the absence of written investment instructions from the District, the Trustee shall not be responsible or liable for keeping the moneys held by it under the Indenture invested or for any losses because such amounts were not invested. Moneys in any of the Funds and Accounts established pursuant to the Indenture, when held by the Trustee, shall be promptly invested by the Trustee in accordance with all written directions from the District and the District shall be responsible for ensuring that such instructions conform to requirements of the Master. The Trustee shall not be liable or responsible for any loss or entitled to any gain resulting from any investment or sale upon the investment instructions of the District or otherwise, including that set forth in the first sentence of this paragraph. The Trustee may conclusively rely upon the District's written instructions as to both the suitability and legality of all investments directed under the Indenture.

The Trustee shall value the assets in each of the Funds and Accounts established under the Indenture forty-five (45) days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but no later than ten (10) days after such valuation date) shall provide the District a report of the status of each Fund and Account as of the valuation date.

See "APPENDIX A: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" hereto for more information.

Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner

For purposes of the following, each Series of Bonds secured by and payable from Special Assessments levied against property owned by any Insolvent Taxpayer (defined below) are collectively referred to herein as the "Affected Bonds" and (b) the Special Assessments levied against any Insolvent Taxpayer's property and pledged under one or more Supplemental Indentures as security for the Affected Bonds are collectively referred to herein as the "Affected Special Assessments."

The Master Indenture will contain the following provisions which, pursuant to the Indenture, shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Affected Bonds remain Outstanding, the District, to the extent permitted by applicable law, shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds, the Affected Special Assessments or the Trustee. The District will agree that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

The District will also acknowledge and agree that, although the Affected Bonds will be issued by the District, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake with respect to the Affected Bonds and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the District, to the extent permitted by applicable law, will agree that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture; (b) to the extent permitted by applicable law, the District will agree that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) to the extent permitted by applicable law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the Issuer, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the Issuer in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a bankruptcy plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District will agree that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing in the Indenture shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments, or claims for moneys or performance under a contract, and the District shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the District in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Special Assessments relating to the Bonds Outstanding, whether such claim is pursued by the District or the Trustee. See "BONDOWNERS' RISKS – Bankruptcy Risks" herein for more information.

Events of Default and Remedies

The Indenture provides that each of the following shall be an "Event of Default" under the Indenture, with respect to the Series 2023 Bonds:

- (a) if payment of any installment of interest on any Series 2023 Bond is not made when it becomes due and payable; or
- (b) if payment of the principal or Redemption Price of any Series 2023 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or
- (c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act which may be determined solely by the Majority Holders of the Series 2023 Bonds; or
- (d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or
- (e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in any Series 2023 Bond and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders of the Outstanding Series 2023 Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or
- (f) if at any time the amount in the Series 2023 Reserve Account is less than the Series 2023 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Series 2023 Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or
- (g) more than twenty percent (20%) of the "maintenance special assessments" levied by the District on District lands upon which the Series 2023 Special Assessments are levied to secure the Series 2023 Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

No Series 2023 Bonds shall be subject to acceleration. Upon the occurrence and continuance of an Event of Default, no optional redemption or extraordinary mandatory redemption of the Series 2023 Bonds pursuant to the Indenture shall occur unless all of the Series 2023 Bonds where an Event of Default has occurred will be redeemed or if 100% of the Holders of the Outstanding Series 2023 Bonds agree to such redemption.

If any Event of Default with respect to the Series 2023 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holders of the Outstanding Series 2023 Bonds and receipt of indemnity to its satisfaction shall, in its capacity as Trustee:

- (a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2023 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Series 2023 Bondholders and to perform its or their duties under the Act;
 - (b) bring suit upon the Series 2023 Bonds;
- (c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2023 Bonds;
- (d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2023 Bonds; and
- (e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2023 Bonds.

If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, the District, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights under the Indenture as though no such proceeding had been taken.

The Majority Holders of the Series 2023 Bonds then subject to remedial proceedings under the Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law or the provisions of the Indenture.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2023 Bonds is the Series 2023 Special Assessments imposed on certain lands in Assessment Area One within the District that are specially benefited by the 2023 Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY" attached hereto.

The determination, order, levy, and collection of Series 2023 Special Assessments must be done in compliance with procedural requirements and guidelines provided by State law. Failure by the District, the Polk County Tax Collector (the "Tax Collector") or the Polk County Property Appraiser (the "Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2023 Special Assessments during any year. Such delays in the collection of Series 2023 Special Assessments, or complete inability to collect the Series 2023 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on such Series 2023 Bonds. To the extent that landowners fail to pay the Series 2023 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2023 Bonds. See "BONDOWNERS' RISKS" herein. The Act provides for various methods of collection of delinquent Series 2023 Special Assessments by reference to other provisions of the Florida Statutes. The following is a description of certain statutory provisions of assessment payment and collection procedures appearing in the Florida Statutes but is qualified in its entirety by reference to such statutes.

Uniform Method Procedure

Pursuant to the Indenture, the District shall collect the Series 2023 Special Assessments through the Uniform Method of Collection afforded by Chapter 197, Florida Statutes (the "Uniform Method"), except that, pursuant to the Indenture and the terms of the Assessment Resolutions, the District shall collect the Series 2023 Special Assessments directly in lieu of using the Uniform Method with respect to any assessable lands which have not yet been platted or when the timing for using the Uniform Method will not yet allow for using such method or as otherwise directed by the Majority Holders upon the occurrence of the Event of Default. Notwithstanding the foregoing, the District may collect the Series 2023 Special Assessments by way of a combination of using the Uniform Method and by way of direct billing, as the District sees fit. Initially, the Primary Landowner, the Development Manager and any subsequent landowners will directly pay the Series 2023 Special Assessments to the District. As District Lands are platted and added to the tax roll, the Series 2023 Special Assessments will be collected pursuant to the Uniform Method. At such time as the Series 2023 Special Assessments are collected pursuant to the Uniform Method, the provisions described under this heading shall be come applicable. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2023 Special Assessments to be levied and then collected in this manner. See "-Foreclosure" below with respect to collection of delinquent assessments not collected pursuant to the Uniform Method.

If the Uniform Method of collection is utilized, the Series 2023 Special Assessments will be collected together with City, County, special district, and other ad valorem taxes and non-ad valorem assessments, all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of ad valorem taxes and non-ad valorem assessments provide that such taxes and assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments (including the Series 2023 Special Assessments being collected by the Uniform Method) are to be billed, and landowners in the District are required to pay all such taxes and assessments, without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2023 Special Assessments. Upon any receipt of moneys by the Tax Collector from the Series 2023 Special Assessments, such moneys will be delivered to the District, which will remit such Series 2023 Special Assessments to the Trustee for deposit to the Series 2023 Revenue Account within the Revenue Fund, except that any Prepayments of Series 2023 Special Assessments shall be deposited to the Series 2023 Prepayment Subaccount within the Series 2023 Bond Redemption Account of the Bond Redemption Fund created under the Indenture and applied in accordance therewith.

All City, County, school and special district, including the District, ad valorem taxes, non-ad valorem special assessments, including the Series 2023 Special Assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on bonds, are payable at one time, except for partial payment schedules as may be provided by Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. In such cases, the tax Collector does not accept such partial payment and the partial payment is returned to the taxpayer. Therefore, in the event the Series 2023 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2023 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2023 Bonds. See "BONDOWNERS' RISKS – Other Taxes and Assessments."

Under the Uniform Method, if the Series 2023 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid taxes and assessments become delinquent on April 1 of the year following assessment. The Tax Collector is required to collect the ad valorem taxes and non-ad valorem special assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such taxes and assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process.

Neither the District nor the Underwriter can give any assurance to the holders of the Series 2023 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2023 Special Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2023 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable parcels within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2023 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2023 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2023 Special Assessments due. In the event of a delinquency in the payment of taxes and assessments on real property, the landowner may, prior to the sale of tax certificates, pay the total amount of delinquent ad valorem taxes and non-ad valorem assessments plus the cost of advertising and the applicable interest charge on the amount of such delinquent taxes and assessments. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates on such property to the person who pays the delinquent taxes and assessments owing, penalties and interest thereon and certain costs, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%). Tax certificates are sold by public bid. If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest (currently 18%). The Tax Collector does not collect any money if tax certificates are "struck off" (issued) to the County. The County may sell such certificates to the public at any time at the principal amount thereof plus interest at the rate of not more than 18% per annum and a fee. Proceeds from the sale of tax certificates are required to be used to pay taxes and assessments (including the Series 2023 Special Assessments), interest, costs and charges on the real property described in the certificate. The demand for such certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2023 Special Assessments, which are the primary source of payment of the Series 2023 Bonds. Legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates.

Unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees, any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued, and at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates

held by the County is effected by purchase of such certificates from the County, as described in the preceding paragraph.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due. If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and the amount paid by such holder in applying for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, and all other amounts paid by such person in applying for a tax deed, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the County may, at any time within ninety (90) days from the date of offering for public sale, purchase the land without further notice or advertising for a statutorily prescribed opening bid. After ninety (90) days have passed, any person or governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date of delinquency, unsold lands escheat to the County in which they are located and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

Foreclosure

The following discussion regarding foreclosure is not applicable if the Series 2023 Special Assessments are being collected pursuant to the Uniform Method. In the event that the District itself directly levies and enforces, pursuant to Chapters 170 and 190, Florida Statutes, the collection of the Series 2023

Special Assessments levied on the land within Assessment Area One of the District, Chapter 170.10, Florida Statutes provides that upon the failure of any property owner to pay all or any part of the principal of a special assessment, including a Series 2023 Special Assessment, or the interest thereon, when due, the governing body of the entity levying the assessment is authorized to commence legal proceedings for the enforcement of the payment thereof, including commencement of an action in chancery, commencement of a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or commencement of an action under Chapter 173, Florida Statutes relating to foreclosure of municipal tax and special assessment liens. Such a proceeding is in rem, meaning that it is brought against the land not against the owner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2023 Special Assessments and the ability to foreclose the lien of such Series 2023 Special Assessments upon the failure to pay such Series 2023 Special Assessments may not be readily available or may be limited as such enforcement is dependent upon judicial action which is often subject to discretion and delay.

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described under other headings of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2023 Bonds offered hereby and are set forth below. Prospective investors in the Series 2023 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2023 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. The information set forth under this heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2023 Bonds, and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2023 Bonds.

Concentration of Land Ownership

As of the date hereof, the Primary Landowner and the Development Manager own all of the assessable lands within Assessment Area One within the District, which are the lands that will be subject to the Series 2023 Special Assessments securing the Series 2023 Bonds. Payment of the Series 2023 Special Assessments is primarily dependent upon their timely payment by the Primary Landowner, the Development Manager and the other future landowners in Assessment Area One within the District. Non-payment of the Series 2023 Special Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay debt service on the Series 2023 Bonds. See "THE PRIMARY LANDOWNER AND THE DEVELOPMENT MANAGER" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS" herein.

Bankruptcy and Related Risks

In the event of the institution of bankruptcy or similar proceedings with respect to the Primary Landowner, the Development Manager or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2023 Bonds, as such bankruptcy could negatively impact the ability of: (i) the Primary Landowner, the Development Manager and any other landowner to pay the Series 2023 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect

to the Series 2023 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2023 Special Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2023 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2023 Bonds, including, without limitation, enforcement of the obligation to pay Series 2023 Special Assessments and the ability of the District to foreclose the lien of the Series 2023 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2023 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2023 Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Master Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an "Insolvent Taxpayer" (as previously defined). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner" herein. The District cannot express any view whether such delegation would be enforceable.

Series 2023 Special Assessments Are Non-Recourse

The principal security for the payment of the principal and interest on the Series 2023 Bonds is the timely collection of the Series 2023 Special Assessments. The Series 2023 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Primary Landowner, the Development Manager or subsequent landowners will be able to pay the Series 2023 Special Assessments or that they will pay such Series 2023 Special Assessments even though financially able to do so. Neither the Primary Landowner, the Development Manager nor any other subsequent landowners have any personal obligation to pay the Series 2023 Special Assessments. Neither the Primary Landowner, the Development Manager nor any subsequent landowners are guarantors of payment of any Series 2023 Special Assessments, and the recourse for the failure of the Primary Landowner, the Development Manager or any subsequent landowner to pay the Series 2023 Special Assessments is limited to the collection proceedings against the land subject to such unpaid Series 2023 Special Assessments, as described herein. Therefore the likelihood of collection of the Series 2023 Special Assessments may ultimately depend on the market value of the land subject to the Series 2023 Special Assessments. While the ability of the Primary Landowner, the Development Manager or subsequent landowners to pay the Series 2023 Special Assessments is a relevant factor, the willingness of the Primary Landowner, the Development Manager or subsequent landowners to pay the Series 2023 Special Assessments, which may also be affected by the value of the land subject to the Series 2023 Special Assessments, is also an important factor in the collection of Series 2023 Special Assessments. The failure of the Primary Landowner, the Development Manager or subsequent landowners to pay the Series 2023 Special Assessments could render the District unable to collect delinquent Series 2023 Special Assessments

and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2023 Bonds.

Regulatory and Environmental Risks

The development of the District Lands, including Assessment Area One, is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Zoning and Permitting" herein for more information.

The value of the land within Assessment Area One, the success of the Development, the development of Assessment Area One and the likelihood of timely payment of principal and interest on the Series 2023 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in Assessment Area One, which could materially and adversely affect the success of the development of the lands within Assessment Area One and the likelihood of the timely payment of the Series 2023 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within Assessment Area One. See "THE DEVELOPMENT — Environmental" for information on environmental site assessments obtained or received. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within Assessment Area One. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the lands in Assessment Area One.

The value of the lands subject to the Series 2023 Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2023 Bonds. The Series 2023 Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Economic Conditions and Changes in Development Plans

The successful development of the District and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Primary Landowner and the Development Manager. Moreover, the Primary Landowner, the Development Manager have the right to modify or change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Other Taxes and Assessments

The willingness and/or ability of an owner of benefited land to pay the Series 2023 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the City, the County or any other local special purpose or general purpose governmental entities. City, County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2023 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2023 Special Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2023 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2023 Special Assessment, even though the landowner is not contesting the amount of the Series 2023 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

Limited Secondary Market for Series 2023 Bonds

The Series 2023 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2023 Bonds in the event an Owner thereof determines to solicit purchasers for the Series 2023 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2023 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2023 Bonds, depending on the progress of development of the Development and the lands within the District, as applicable, existing real estate and financial market conditions and other factors.

Inadequacy of Reserve Account

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Series 2023 Special Assessments, may not adversely affect the timely payment of debt service on the Series 2023 Bonds because of the Series 2023 Reserve Account. The ability of the Series 2023 Reserve Account to fund deficiencies caused by delinquencies in the Series 2023 Special Assessments is dependent on the amount, duration and frequency of such deficiencies. Moneys on deposit in the Series 2023 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in the Series 2023 Reserve Account to make up deficiencies. If the District has difficulty in collecting the Series 2023 Special Assessments, the Series 2023 Reserve Account would be rapidly depleted and the ability of the District to pay debt service on the Series 2023 Bonds could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2023 Reserve

Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2023 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2023 Special Assessments in order to provide for the replenishment of the Series 2023 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Series 2023 Reserve Account" herein for more information about the Series 2023 Reserve Account.

Legal Delays

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2023 Special Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District may be required to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the Series 2023 Bonds to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code (as defined herein), there are limitations on the amounts of proceeds from the Series 2023 Bonds that can be used for such purpose.

IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations required that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by the landowners (or appointed by other landowner-elected Board Supervisors), and none were elected by qualified electors. The Development Manager will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act. Such certification by the Development Manager does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2023 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Series 2023 Bonds are advised that, if the IRS does audit the Series 2023 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2023 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2023 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2023 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2023 Bonds would adversely affect the availability of any secondary market for the Series 2023 Bonds. Should interest on the Series 2023 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2023 Bonds be required to pay income taxes on the interest received on such Series 2023 Bonds and related penalties, but because the interest rate on such Series 2023 Bonds will not be adequate to compensate Owners of the Series 2023 Bonds for the income taxes due on such interest, the value of the Series 2023 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE SERIES 2023 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2023 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2023 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2023 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2023 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

Loss of Exemption from Securities Registration

The Series 2023 Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for securities issued by political subdivisions. It is possible that federal or state regulatory authorities could in the future determine that the District is not a political subdivision for purposes of federal and state securities laws, including without limitation as the result of a determination by the IRS, judicial or otherwise, of the District's status for purposes of the Code. In such event, the District and purchasers of Series 2023 Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Series 2023 Bonds would need to ensure that subsequent transfers of the Series 2023 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

Federal Tax Reform

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2023 Bonds, by eliminating or changing the tax-exempt status of interest on such bonds. Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2023 Bonds cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2023 Bonds. Prospective purchasers of the Series 2023 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS" herein.

State Tax Reform

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renewed requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for

the Series 2023 Bonds. It should be noted that Section 190.16(14) of the Act provides in pertinent part that "The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders."

Insufficient Resources or Other Factors Causing Failure to Complete the 2023 Project or the Construction of Homes within Assessment Area One

The cost to finish the 2023 Project will exceed the available net proceeds from the Series 2023 Bonds. There can be no assurance, in the event the District does not have sufficient moneys from the net proceeds of the Series 2023 Bonds to complete the 2023 Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the 2023 Project. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Additional Obligations" for more information.

Although the Development Manager will agree to fund or cause to be funded the completion of the 2023 Project regardless of the insufficiency of proceeds from the Series 2023 Bonds and will enter into a completion agreement with the District as evidence thereof, there can be no assurance that the Development Manager will have sufficient resources to do so. Such obligation of the Development Manager is an unsecured obligation. See "THE PRIMARY LANDOWNER AND THE DEVELOPMENT MANAGER" herein for more information.

Further, there is a possibility that, even if Assessment Area One is developed, there can be no assurance that the Development Manager will close on all or any of the lots therein or that homes will be constructed and sold within Assessment Area One. See "THE PRIMARY LANDOWNER AND THE DEVELOPMENT MANAGER" herein for more information.

COVID-19 and Related Matters

In addition to the general economic conditions discussed above, the timely and successful completion of the Development and the construction and sale to purchasers of residential units may be adversely impacted by the continued spread of the novel strain of coronavirus called COVID-19 or by other highly contagious or epidemic or pandemic diseases. The United States, the State and the County have all previously imposed certain health and public safety restrictions in response to COVID-19 in the past. The District cannot predict whether new actions may be taken by government authorities in the future to contain or otherwise address the impact of the COVID-19 or similar outbreak.

To date, the outbreak has resulted in severe impacts on global financial markets, unemployment levels and commerce generally. The District, the Primary Landowner and the Development Manager cannot predict the duration of the current COVID-19 outbreak, and the ultimate impact the COVID-19 outbreak may have on the Development is unknown. It is possible that delays in lot purchases by the Development Manager, construction delays, delays in the receipt of permits or other government approvals, supply chain delays, increased costs, delays in sales to home purchasers or other delays could occur, or continue to occur, as applicable, as a result of the COVID-19 outbreak or other highly contagious or epidemic or pandemic diseases that adversely impact the Development. See also "BONDOWNERS' RISKS – Economic Conditions and Changes in Development Plans" and "–Insufficient Resources or Other Factors Causing Failure to Complete the 2023 Project or the Construction of Homes within Assessment Area One within the District herein.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2023 Bonds.

Prepayment and Redemption Risk

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2023 Bonds are subject to extraordinary mandatory redemption as a result of prepayments of the Series 2023 Special Assessments by the Primary Landowner, the Development Manager or subsequent owners of the property within Assessment Area One. Any such redemptions of the Series 2023 Bonds would be at the principal amount of such Series 2023 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2023 Bonds may not realize their anticipated rate of return on the Series 2023 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2023 Bonds. See "DESCRIPTION OF THE SERIES 2023 BONDS – Redemption Provisions," "– Purchase of Series 2023 Bonds" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Prepayment of Series 2023 Special Assessments" herein for more information.

Payment of Series 2023 Special Assessments after Bank Foreclosure

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within Assessment Area One, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2023 Special Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

THE DISTRICT

General Information

The District was established by Ordinance No. O-22-15 of the City Council of the City enacted on February 28, 2022, as amended by Ordinance No. O-22-36, enacted on June 13, 2022 (the "Ordinance"), under the provisions of the Act. The District encompasses approximately 168.55+/- acres of land (the "District Lands"). The District Lands are generally located in southeast Winter Haven, on the east side of County Road 653, approximately 2.65 miles south of Eloise Loop Road, within the incorporated boundaries of the City. The District Lands are being developed as a residential community known as "Peace Creek" (the "Development"). See "THE DEVELOPMENT" herein for more information.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter. The District is classified as an independent district under Chapter 189, Florida Statutes.

Among other provisions, the Act gives the District's Board of Supervisors the authority to, among other things, (a) plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and wastewater management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; and (iv) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessment liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits. These functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any bondholders to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2023 Bonds.

Board of Supervisors

The Act provides that a five-member Board of Supervisors (the "Board") serves as the governing body of the District. Members of the Board (the "Supervisors") must be residents of the State and citizens

of the United States. Initially, the Supervisors were appointed in the Ordinance. Within 90 days after formation of the District, an election was held pursuant to which new Supervisors were elected on an atlarge basis by the owners of the property within the District. Ownership of land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number). A Supervisor serves until expiration of his or her term and until his or her successor is chosen and qualified. If, during a term of office, a vacancy occurs, the remaining Supervisors may fill the vacancy by an appointment of an interim Supervisor for the remainder of the unexpired term.

The landowners in the District elect two Supervisors to four-year terms and three Supervisors to two-year terms at bi-annual elections. Thereafter, the elections will take place every two years on a date in November established by the Board. Upon the later of six years after the initial appointment of Supervisors and the year when the District next attains at least 250 qualified electors, Supervisors whose terms are expiring will begin to be elected (as their terms expire) by qualified electors of the District. A qualified elector is a registered voter who is at least 18 years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, each elected to four-year terms. The seat of the remaining Supervisor whose term is expiring at such election shall be filled by a Supervisor who is elected by the landowners for a four-year term and who is not required to be a qualified elector. CAPITAL IMPROVEMENT PLAN AND THE 2023 PROJECT

Hunter Engineering, Inc. (the "District Engineer") prepared a report entitled Amended and Restated Engineer's Report of Capital Improvements, dated April 14, 2022 (the "Engineer's Report"). The Engineer's Report sets forth certain public infrastructure improvements necessary for the development of the 673 residential units planned for the Development (the "Capital Improvement Plan"). "Assessment Area Two" contains approximately 17 acres of land, which are planned to contain 120 townhome units at buildout and will be developed in the future.

The Series 2023 Bonds are being issued to finance a portion of the public infrastructure improvements associated with Assessment Area One (the "2023 Project"). The District Engineer, in the Engineer's Report, estimates the total cost of the 2023 Project to be approximately \$18,755,500, as more particularly described below.

2023 Project Description	Total Costs
Off-Site Improvements	\$ 1,939,000
Stormwater Management	4,147,500
Utilities	4,700,500
Roadway	2,765,000
Entry Feature	1,106,000
Parks & Recreation	1,000,000

Development of Phase One, containing 195 lots, is complete. Development of Phase Two, containing 163 lots, and Phase Three, containing 195 lots, is expected to be complete in April 2023 and June 2023, respectively. A plat for all 553 lots within Assessment Area One was recorded in January 2023. See "THE DEVELOPMENT – Development Finance Plan" and "THE DEVELOPMENT – Development Plan and Status" herein for more information.

The net proceeds of the Series 2023 Bonds to be deposited in the Series 2023 Acquisition and Construction Account will be approximately \$10.15 million* and such proceeds will be used by the District for the funding and/or acquisition of a portion of the 2023 Project. The Development Manager will enter into a completion agreement that will obligate the Development Manager to complete any portion of the 2023 Project not funded with proceeds of the Series 2023 Bonds. See "BONDOWNERS' RISKS - Insufficient Resources or Other Factors Causing Failure to Complete the 2023 Project or the Construction of Homes within Assessment Area One" herein.

^{*} Preliminary, subject to change.

The District anticipates issuing an additional series of bonds in the future to finance a portion of the public infrastructure improvements associated with Assessment Area Two. Such bonds will be secured by special assessments levied on lands which are separate and distinct from the lands within Assessment Area One, which will secure the Series 2023 Bonds. ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS

Governmental Management Services – Central Florida, LLC (the "Methodology Consultant"), has prepared the Amended and Restated Master Assessment Methodology dated March 29, 2022 (the "Master Assessment Methodology Report"), as supplemented by the Preliminary First Supplemental Assessment Methodology for Assessment Area One dated February 14, 2023 (the "Supplemental Assessment Methodology Report" and, together with the Master Assessment Methodology Report, the "Assessment Methodology"). The Assessment Methodology is included herein as Appendix D and sets forth an overall method for allocating the Series 2023 Special Assessments to be levied against the lands within Assessment Area One within the District benefited by the 2023 Project and collected by the District as a result thereof. Once the final terms of the Series 2023 Bonds are determined, the Supplemental Assessment Methodology Report will be revised to reflect such final terms. Once levied and imposed, the Series 2023 Special Assessments are a first lien on the land against which assessed until paid or barred by operation of law, coequal with other taxes and assessments levied by the District, including the operation and maintenance assessments, and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

The Series 2023 Bonds are payable from and secured solely by the Series 2023 Pledged Revenues, which consist primarily of the revenues received by the District from the Series 2023 Special Assessments. The Series 2023 Special Assessments will initially be levied on the approximately 553 platted lots within Assessment Area One, in accordance with the Assessment Methodology in the amounts set forth below. The estimated Series 2023 Special Assessments levied to pay debt service on the Series 2023 Bonds, along with the estimated total Series 2023 Bonds par amount allocated per unit, are expected to be as follows:

Product Type	No. of Units	Annual Series 2023 Special Assessments Per Unit*/**	Series 2023 Bonds Par Debt Per Unit*

^{*} Preliminary, subject to change.

Each homeowner in the District will pay annual taxes, fees and assessments on an ongoing basis as a result of its ownership of property within the District, including local ad valorem property taxes, the maintenance and operating assessments to be levied by the District, and homeowners' association fees to be levied by the homeowners' association. The District anticipates levying assessments to cover operations and maintenance costs in the amounts of approximately \$850 per single-family residential lot yearly, which is subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate applicable to lands within the Development in 2022 was approximately 19.027 mills, which is subject to change in future tax years. These taxes would be payable in addition to the Series 2023 Special Assessments and any other assessments levied by the District and other taxing authorities. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School District of Polk County, Florida may each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See "BONDOWNERS RISKS" and "THE DEVELOPMENT - Taxes, Fees and Assessments" for more information, including proposed associations' assessments.

^{**} This amount will be grossed up to include early payment discounts and County collection fees.

THE DEVELOPMENT

General

The District Lands contain approximately 168.55+/- gross acres located in the City of Winter Haven within Polk County, Florida, and are being developed as a 673-unit residential community to be known as "Peace Creek" (the "Development"). The Development is generally located in southeast Winter Haven, on the east side of County Road 653, approximately 2.65 miles south of Eloise Loop Road.

The Development is close to two major transportation arteries in the region, Cypress Gardens Boulevard and Lake Ruby Drive. The surrounding area is a densely populated infill area with a range of housing options, from entry-level to higher-end homes in the area of southern Winter Haven's interconnected chain of lakes. The immediate area has numerous retail establishments and businesses, most notably the regional headquarters of State Farm. Major employers in the area include State Farm and LEGOLAND.

The Development is centrally located between Tampa and Orlando, between U.S. Highway 17 and U.S. Highway 27, with access to Interstate-4. Residents of the Development will have access to Central Florida attractions such as Walt Disney World Resort and LEGOLAND Florida. Due to its close proximity to Tampa and Orlando, the Development serves as a "bedroom community" to those markets, offering price points substantially below that of similarly sized homes in those markets.

Two Assessment Areas have been created within the District to facilitate the District's development and financing plans. "Assessment Area One" is substantially developed and contains 553 platted lots, which are planned to contain single-family detached homes at buildout. "Assessment Area Two" contains approximately 17 acres of land, which are planned to contain 120 townhome units at buildout and will be developed in the future.

The Series 2023 Bonds are being issued to finance a portion of the public infrastructure improvements associated with the development of Assessment Area One (the "2023 Project"). The Series 2023 Bonds are secured by the Series 2023 Special Assessments, which at issuance will be levied on the 553 platted lots within comprise Assessment Area One, as set forth in the Assessment Methodology. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" and " – Taxes, Fees and Assessments" herein for more information.

KLLB AIV LLC, a Delaware limited liability company (the "Primary Landowner"), is the primary owner of the assessable land in Assessment Area One. The Primary Landowner has entered into the Construction Agreement with Lennar Homes, LLC, a Florida limited liability company (the "Development Manager"), pursuant to which the Development Manager will manage the installation of infrastructure

improvements for Assessment Area One. The Primary Landowner is obligated to reimburse the Development Manager for the associated development costs incurred that are not funded with net proceeds of the Series 2023 Bonds. In addition, the Primary Landowner has entered into the Option Agreement with the Development Manager, pursuant to which the Development Manager has the option to purchase all of the developed lots in Assessment Area One in a series of takedowns, with the first takedown of four lots having occurred in early March 2023. The Development Manager will construct and market residential units within Assessment Area One for sale to purchasers. See "THE PRIMARY LANDOWNER AND THE DEVELOPMENT MANAGER" and " – Land Acquisition and the Option Agreement" herein for more information.

The land within Assessment Area Two, which is not subject to the Series 2023 Special Assessments, is owned by 653th LLC, a Florida limited liability company (the "Assessment Area Two Landowner"). The District anticipates issuing an additional series of bonds in the future to finance a portion of the public infrastructure improvements associated with Assessment Area Two. Such bonds will be secured by special assessments levied on lands that are separate and distinct from the lands within Assessment Area One, which secure the Series 2023 Bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Additional Obligations" herein for more information.

Assessment Area One is planned to contain 553 single-family homes at buildout, consisting of (i) 286 single-family homes on 40' lots and (ii) 267 single-family homes on 50' lots. The target customers for units within the Development are primarily first time homebuyers and move-up homebuyers. Single-family homes within the Development will range in size from approximately 1,444 square feet to 2,109 square feet, with starting price points ranging from approximately \$280,990 to \$344,990. See " – Residential Product Offerings" herein for more information.

Land Acquisition and Option Agreement

The Primary Landowner acquired the lands within Assessment Area One in February 2022, for a purchase price of approximately \$13.8 million. There are currently no mortgages on the lands within Assessment Area One.

The Primary Landowner has entered into a Construction Agreement dated February 11, 2022 (the "Construction Agreement") with the Development Manager, pursuant to which the Development Manager will manage the installation of infrastructure improvements for Assessment Area One and the Primary Landowner is obligated to reimburse the Development Manager for the associated development costs incurred to the extent not funded with the proceeds of the Series 2023 Bonds, up to the contracted amount and subject to the provisions of the Construction Agreement.

The Development Manager and the Primary Landowner have also entered into an Option Agreement dated February 11, 2022, as amended (the "Option Agreement"). Pursuant to the Option Agreement, the Development Manager has paid the Primary Landowner an option payment of approximately \$5,560,739 (the "Option Payment") for the right for the Development Manager to acquire all of the residential units planned for the Assessment Area One at the following prices: (i) \$49,243.26 per single-family 40' lot (as to 143 lots) and \$39,443.85 per single-family 40' lot (as to 143 lots), and (ii) \$51,909.51 per single-family 50' lot (as to 133 lots) and \$41,618.06 per single-family 50' lot (as to 134 lots), all subject to adjustment as set forth in the Option Agreement, including additional option payments. Additionally, the Development Manager is required to pay to the Primary Landowner monthly interest on the capital outstanding at the rate set forth in the Option Agreement. The Option Payment is nonrefundable except in accordance with the terms of the Option Agreement. The initial takedown of 4 lots is occurred in early March 2023, with additional takedowns ranging from 4 to 30 lots per takedown commencing in April 2023 and continuing on a quarterly basis thereafter until all lots have been acquired. The Development

Manager has the right to acquire the lots early, subject to an early purchase premium, and to terminate the Option Agreement in accordance with the terms of the Option Agreement. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the Series 2023 Project or the Construction of Homes within Assessment Area One" herein.

Development Finance Plan

The Development Manager estimates the total land development costs associated with Assessment Area One to be approximately \$23.9 million, including the 2023 Project and other hard and soft costs. As of January 2023, approximately \$18.6 million has been spent toward land development associated with Assessment Area One, a portion of which includes the 2023 Project. A portion of the net proceeds of the Series 2023 Bonds to be deposited in the Series 2023 Acquisition and Construction Account will be approximately \$10.15 million* and such proceeds will be used by the District towards the funding and/or acquisition of a portion of the 2023 Project. The Development Manager will enter into a completion agreement that will obligate the Development Manager to complete any portion of the 2023 Project not funded with proceeds of the Series 2023 Bonds. See "BONDOWNERS' RISKS - Insufficient Resources or Other Factors Causing Failure to Complete the 2023 Project or the Construction of Homes within Assessment Area One" herein.

Development Plan and Status

All of the land in Assessment Area One has been cleared and mass graded, and all stormwater ponds have been excavated. Land development for all three phases in Assessment Area One is substantially complete, and a plat for all 553 lots was recorded in January 2023. A further breakdown of the phasing for Assessment Area One is as follows:

<u>Phase One</u>. The first phase of land development associated with Assessment Area One is planned to contain 195 single-family residential lots, consisting of (i) 101 homes on forty-foot wide lots and (ii) 94 homes on fifty-foot lots ("Phase One"). Land development associated with Phase One is complete as of February 2023.

<u>Phase Two</u>. The second phase of land development associated with Assessment Area One is planned to contain 163 single-family residential lots, consisting of (i) 84 homes on forty-foot wide lots and (ii) 79 homes on fifty-foot lots ("Phase Two"). Land development associated with Phase Two is substantially complete, with final completion expected by April 2023.

<u>Phase Three</u>. The third phase of land development associated with Assessment Area One is planned to contain 195 single-family residential lots, consisting of (i) 101 homes on forty-foot wide lots and (ii) 94 homes on fifty-foot lots ("Phase Three"). Land development associated with Phase Three is substantially complete, with final completion expected by June 2023.

Vertical construction of homes within Assessment Area One is expected to commence in March 2023. Home sales are expected to commence by April 2023, with deliveries anticipated by October 2023.

It is anticipated that approximately 145 residential units will close with homebuyers per annum until buildout. This anticipated absorption is based upon estimates and assumptions made by the Development Manager that are inherently uncertain, though considered reasonable by the Development Manager, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the

Development Manager. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

^{*} Preliminary, subject to change.

The District anticipates levying assessments to cover its operation and administrative costs in an amount estimated at approximately \$850 per single-family unit annually, which amount is subject to change. In addition, residents will be required to pay homeowners' association fees, which are currently expected to be approximately \$60 per month per residential unit, which amount is subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2022 was approximately 19.027 mills, which rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2023 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and Polk County Public Schools may each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

Education

The public schools for children residing in the Development are expected to be Chain of Lakes Elementary School, Bartow Middle School and Bartow Senior High School, which are located approximately 1.5 miles, 11 miles, and 11 miles from the Development, respectively, and which were each rated C by the Florida Department of Education in 2022. The Polk County School Board may change school boundaries from time to time and there is no requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.

Competition

The Development is located in southeastern Winter Haven and is expected to compete with projects in the Winter Haven area, including Villamar, Eagle Landing, Seasons at Vista Del Lago, Ranches at Lake Mcleod, Squires Grove, Leomas Landing.

The information under this heading does not purport to list all of the existing or planned communities in the area of the Development, but rather provide a list of those that the Development Manager feels pose primary competition to the Development.

Landowner and Developer Agreements

The Development Manager will enter into a completion agreement that will obligate the Development Manager to complete any portions of the 2023 Project not funded with proceeds of the Series 2023 Bonds.

^{**} This amount will be grossed up to include early payment discounts and County collection fees.

In addition, the Development Manager will execute and deliver to the District a Collateral Assignment and Assumption of Development Rights (the "Collateral Assignment"), pursuant to which Development Manager will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Development Manager, development rights relating the 2023 Project. Notwithstanding such Collateral Assignment, in the event the District forecloses on the lands subject to the Series 2023 Special Assessments as a result of the Primary Landowner's, the Development Manager's or subsequent landowners' failure to pay such assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the 2023 Project or the development of Assessment Area One.

Each of the obligations of the Development Manager set forth above is an unsecured obligation. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the 2023 Project or the Construction of Homes within Assessment Area One" and "THE PRIMARY LANDOWNER AND THE DEVELOPMENT MANAGER" herein for more information regarding the Development Manager.

TAX MATTERS

General

The Internal Revenue Code of 1986, as amended (the "Code"), includes requirements that the District must continue to meet after the issuance of the Series 2023 Bonds in order that the interest on the Series 2023 Bonds be and remain excludable from gross income for federal income tax purposes. The District's failure to meet these requirements may cause the interest on the Series 2023 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2023 Bonds. The District has covenanted in the Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2023 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings, and court decisions, the interest on the Series 2023 Bonds is excludable from gross income of the holders thereof for federal income tax purposes; and, further, interest on the Series 2023 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2023 Bonds is not excluded from the determination of adjusted financial statement income. Bond Counsel is further of the opinion that the Series 2023 Bonds and the interest thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income, or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2023 Bonds.

Prospective purchasers of the Series 2023 Bonds should consult their own tax advisors as to the status of interest on the Series 2023 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2023 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Development Manager, and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2023 Bonds will be and will remain obligations the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other consequences regarding the Series 2023 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2023 Bonds, or the ownership or disposition of the Series 2023 Bonds. Prospective purchasers of Series 2023 Bonds should be aware that the ownership of Series 2023 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2023 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2023 Bonds, (iii) the inclusion of the interest on the Series 2023 Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Series 2023 Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Series 2023 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Series 2023 Bonds generally must be taken into account when computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt of certain investment income, including interest on the Series 2023 Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2023 Bonds. Prospective purchasers of the Series 2023 Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2023 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

Original Issue Discount and Premium

Certain of the Series 2023 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (*i.e.*, for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the

period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2023 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale, or other disposition of that Discount Bond.

Certain of the Series 2023 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity), or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals suggested, debated, introduced, or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Series 2023 Bonds, or adversely affect the market price or marketability of the Series 2023 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2023 Bonds. Prospective purchasers of the Series 2023 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

On August 16, 2022, President Biden signed the Inflation Reduction Act of 2022 (H.R. 5376) into law. For tax years beginning after 2022, this legislation will impose a minimum tax of 15 percent on the adjusted financial statement income of applicable corporations as defined in Section 59(k) of the Code (which is primarily designed to impose a minimum tax on certain large corporations). For this purpose, adjusted financial statement income is not reduced for interest earned on tax-exempt obligations. Prospective purchasers that could be subject to this minimum tax should consult with their own tax advisors regarding the potential consequences of owning the Series 2023 Bonds.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2023 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2023 Bonds from gross income for

federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2023 Bonds, under certain circumstances, to "backup withholding" at the rates set forth in the Code, with respect to payments on the Series 2023 Bonds and proceeds from the sale of Series 2023 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2023 Bonds. This withholding generally applies if the owner of Series 2023 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2023 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

AGREEMENT BY THE STATE

Under the Act, the State pledges to the holders of any bonds issued thereunder, including the Series 2023 Bonds, that it will not limit or alter the rights of the issuer of such bonds, including the District, to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects, including the portion of the 2023 Project funded by the Series 2023 Bonds, subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that bonds issued by community development districts are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State, and constitute securities that may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2023 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2023 Bonds. Investment in the Series 2023 Bonds poses certain economic risks. No dealer, broker, salesman or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum, and, if given or made, such other information or representations must not be relied upon as having been authorized by either of the foregoing.

ENFORCEABILITY OF REMEDIES

The remedies available to the owners of each Series of the Series 2023 Bonds upon an Event of Default under the Indenture are in many respects dependent upon judicial actions, which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2023 Bonds may not be

readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of each Series of the Series 2023 Bonds will be qualified, as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors and enacted before or after such delivery.

LITIGATION

The District

There is no litigation of any nature now pending or, to the knowledge of the District, threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2023 Bonds, or in any way contesting or affecting (i) the validity of the Series 2023 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2023 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The Development Manager

There is no litigation of any nature now pending or, to the knowledge of the Development Manager, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the 2023 Project and the development of Assessment Area One as described herein, materially and adversely affect the ability of the Development Manager to pay the Series 2023 Special Assessments imposed against the land within the District owned by the Development Manager or materially and adversely affect the ability of the Development Manager to perform its various obligations described in this Limited Offering Memorandum.

The Primary Landowner

There is no litigation of any nature now pending or, to the knowledge of the Primary Landowner, threatened, which could reasonably be expected to have a material and adverse effect upon the ability of the Primary Landowner to pay the Series 2023 Special Assessments imposed against the land within the District owned by the Primary Landowner or materially and adversely affect the ability of the Primary Landowner to perform any of its obligations described in this Limited Offering Memorandum.

CONTINGENT FEES

The District has retained Bond Counsel, District Counsel, the District Engineer, the District Manager/Methodology Consultant, the Underwriter (who has retained Underwriter's Counsel) and the Trustee (which has retained Trustee's counsel), with respect to the authorization, sale, execution and delivery of the Series 2023 Bonds. Except for the payment of certain fees to District Counsel, the District Engineer and the District Manager, the payment of fees of the other professionals is each contingent upon the issuance of the Series 2023 Bonds.

NO RATING

No application for a rating for the Series 2023 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2023 Bonds would have been obtained if application had been made.

EXPERTS

The Engineer's Report included in APPENDIX C to this Limited Offering Memorandum has been prepared by Hunter Engineering, Inc., Winter Haven, Florida, the District Engineer. APPENDIX C should be read in its entirety for complete information with respect to the subjects discussed therein. Governmental Management Services – Central Florida, LLC, Orlando, Florida, as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX D hereto. APPENDIX D should be read in its entirety for complete information with respect to the subjects discussed therein. As a condition to closing on the Series 2023 Bonds, both the District Engineer and the Methodology Consultant will consent to the inclusion of their reports in this Limited Offering Memorandum.

FINANCIAL INFORMATION

This District will covenant in a Disclosure Agreement (as defined herein), the proposed form of which is set forth in APPENDIX E hereto, to provide its annual audited financial statements to certain information repositories as described in APPENDIX E, commencing with the audit for the District fiscal year ending September 30, 2023. The District does not have audited financial statements because the District has only recently been established. As of the date hereof, the District does not have any significant assets or liabilities and the District has not previously issued any debt obligations. The Series 2023 Bonds are not general obligation bonds of the District and are payable solely from the Series 2023 Pledged Revenues.

Beginning October 1, 2015, or by the end of the first full fiscal year after its creation, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S., including, without limitation, the district's proposed and final budgets and audit. Additional information regarding the District's website, which is under construction, is available from the District Manager at the address set forth under "THE DISTRICT – The District Manager and Other Consultants."

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private business). The District is not and has never been in default on any bonds or other debt obligations since December 31, 1975.

CONTINUING DISCLOSURE

The District, the Development Manager and the Primary Landowner will enter into a Continuing Disclosure Agreement (the "Disclosure Agreement"), the proposed form of which is set forth in APPENDIX E, for the benefit of the Series 2023 Bondholders (including owners of beneficial interests in such Bonds) to provide certain financial information and operating data relating to the District and the Development and disclosure of certain enumerated material events by certain dates prescribed in the Disclosure Agreement (the "Reports") with the Municipal Securities Rulemaking Board ("MSRB") through the MSRB's Electronic Municipal Market Access system ("EMMA"). The specific nature of the information to be contained in the Reports is set forth in "APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT" attached hereto. Under certain circumstances, the failure of the District, the Development Manager or the Primary Landowner to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event

of default under the Indenture, but such Event of Default under the Disclosure Agreement would allow the Series 2023 Bondholders (including owners of beneficial interests in such Bonds) to bring an action for specific performance.

The District has not previously issued any bonds and has not previously entered into any continuing disclosure obligations pursuant to Rule 15c2-12, promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"). The District will appoint the District Manager as the dissemination agent in the Disclosure Agreement and anticipates satisfying all future disclosure obligations required pursuant to its continuing disclosure undertakings and the Rule.

The Development Manager has represented and warranted that, to its knowledge, it has provided on a timely basis all reporting information requested by the applicable dissemination agent with respect to prior continuing disclosure agreements entered into pursuant to Rule 15c2-12. The Development Manager has been made aware of instances where the information required to be provided to the dissemination agents was not timely requested, not filed with the appropriate repository or, if filed, not filed on a timely basis. The Development Manager has represented that it has instituted internal processes to provide information to the dissemination agents on a timely basis and obtained assurances from the dissemination agents that they will in turn request the required reporting information timely and file such information timely with the appropriate repository.

The Primary Landowner has not previously entered into any continuing disclosure obligations pursuant to the Rule.

UNDERWRITING

FMSbonds, Inc. (the "Underwriter") has agreed, pursuant to a contract with the District, subject to certain conditions, to purchase the Series 2023 Bonds from the District at a purchase price of \$_______ (representing the par amount of the Series 2023 Bonds less [an original issue discount of \$______ and] an Underwriter's discount of \$_______). The Underwriter's obligations are subject to certain conditions precedent and, upon satisfaction or waiver of such conditions, the Underwriter will be obligated to purchase all of the Series 2023 Bonds if any are purchased.

The Series 2023 Bonds may be offered and sold to certain dealers, banks and others at prices lower than the initial offering prices, and such initial offering prices may be changed from time to time by the Underwriter.

VALIDATION

Bonds issued pursuant to the terms of the Master Indenture have been validated by a judgment of the Circuit Court of the Tenth Judicial Circuit Court of Florida in and for Polk County, Florida, rendered on June 28, 2022. The period of time during which an appeal can be taken from such judgment has expired without an appeal having been taken.

LEGAL MATTERS

Certain legal matters related to the authorization, sale and delivery of the Series 2023 Bonds are subject to the approval of Greenberg Traurig, P.A., West Palm Beach, Florida, Bond Counsel. Certain legal matters will be passed upon for the District by its counsel Kilinski | Van Wyk PLLC, Tallahassee, Florida, for the Development Manager by its counsel Greenberg Traurig, P.A., West Palm Beach, Florida, for the Primary Landowner by its counsel Godbold, Downing, Bill & Rentz, P.A., Winter Park, Florida, and for

the Underwriter by it counsel, GrayRobinson, P.A., Tampa, Florida. Greenberg Traurig, P.A., has also represented and continues to represent the Development Manager on unrelated matters.

Bond Counsel's opinion included herein is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date hereof. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the Internal Revenue Service or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

MISCELLANEOUS

Any statements made in this Limited Offering Memorandum involving matters of opinion or estimates, whether or not expressly so stated, are set forth as such and not as representations of fact, and no representations are made that any of the estimates will be realized.

The references herein to the Series 2023 Bonds and other documents referred to herein are brief summaries of certain provisions thereof. Such summaries do not purport to be complete and reference is made to such documents for full and complete statements of such provisions.

This Limited Offering Memorandum is submitted in connection with the limited offering of the Series 2023 Bonds and may not be reproduced or used, as a whole or in part, for any other purpose. SECTION 9.03. Special Assessments; Re-Assessments.

(a) The Issuer shall levy Special Assessments, and, unless the Issuer collects the Special Assessments directly under the conditions set forth herein, evidence and certify the same to the Tax Collector or shall cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable, and Section 9.04 hereof, to the extent and in an amount sufficient to pay Debt Service Requirements on all Outstanding Bonds. The District Manager or the District Manager's designee, at the end of each Fiscal Year, shall prepare a written report setting forth the collections received, the number and amount of delinquencies, the proceedings taken to enforce collections and cure delinquencies and an estimate of time for the conclusion of such legal proceedings. As soon as practicable after a signed copy of the Issuer's audit becomes available, the Issuer shall, upon written request, mail the same to any requesting registered owner.

SECTION 9.08. <u>Removal of Special Assessment Liens.</u> Except as otherwise provided in a Supplemental Indenture with respect to a related Series of Bonds, the following procedures shall apply in connection with the removal of Special Assessment liens:

(a) At any time subsequent to thirty (30) days after a Project has been completed within the meaning of Section 5.01(e) hereof and the Board has adopted a resolution accepting such Project as provided by Section 170.09, Florida Statutes, as amended, any owner of property subject to the Special Assessments may, at its option, and under certain circumstances described in the assessment resolutions in connection with prepayments derived from application of the "True-Up" mechanism therein, require the Issuer, upon receipt of such prepayment, to release and extinguish the lien, in whole or in part, upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire amount or a portion, as the case may be, of the Special Assessment, plus accrued interest, attributable to the property subject to Special Assessment, plus accrued interest, attributable to the property subject to Special Assessment whose the Trustee receives such Prepayment. If any such prepayment of Special Assessments shall occur within thirty (30) days after such Project has been completed and the Board has adopted a resolution accepting that Project as provided in Section 170.09, Florida Statutes, as amended, no accrued interest shall be required to be paid unless such right has been irrevocably awived by the landowners within the District. (b) Upon receipt of a Prepayment as described in (a) above, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the County an affidavit or affidavits, as the case may be, executed by an authorized officer of the Issuer, to the effect that the Special Assessment has been paid in full or in part and that such Special Assessment lien is thereby released and extinguished if paid in full or such Special Assessment lien shall be reduced if the landowner only made a partial Prepayment. Upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the applicable Account or subaccount of the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof. In connection with such Prepayment, the Issuer shall calculate the credit authorized pursuant to

action from the proceeds of such foreclosure. The Issuer covenants not to use the provisions of Chapter 173, Florida Statutes, unless no other provision under applicable law can be used to foreclose the Special Assessments. Notwithstanding anything to the contrary herein, the Issuer shall be entitled to recover from any foreclosure all fees and costs expended in connection with such foreclosure regardless whether such fees and costs are included as part of "Special Assessments," as defined herein.

- (b) If the Special Assessments levied and collected under the Uniform Method described in Section 9.04 are delinquent, then the applicable procedures for issuance and sale of tax certificates and tax deeds for nonpayment shall be followed in accordance with Chapter 197, Florida Statutes and related statutes. Alternatively, if the Uniform Method is not utilized, and if any property shall be offered for sale for the nonpayment of any Special Assessment, and no person or persons shall purchase the same for an amount at least equal to the full amount due on the Special Assessment (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the Issuer, to the extent the Issuer has available funds or credit bids, for an amount equal to the balance due on the Special Assessment (principal, interest, penalties and costs, plus attorneys' fees, if any), and the Issuer shall thereupon receive in its corporate name or in the name of special purpose entity nominee of the Issuer, the title to the property for the benefit of the registered owners.
- (c) Not less than ten (10) days prior to the filing of any foreclosure action or any sale of tax deed as herein provided, the Issuer shall cause written notice thereof to be mailed to the registered owners of the Series of Bonds secured by such delinquent Special Assessments. Not less than thirty (30) days prior to the proposed sale of any lot or tract of land acquired by foreclosure by the Issuer, it shall give written notice thereof to such registered owners.
- (d) Notwithstanding any of the foregoing to the contrary, for as long as there is an "Obligated Person," as defined under the Rule, then in addition to the Issuer, the decision to file a foreclosure action shall be made by the Majority Holders of the Outstanding Bonds so secured by the delinquent Special Assessments and such decision shall be communicated to the Issuer and Trustee in writing.

SECTION 9.06. Management of Property Acquired by the Trustee or Issuer. The Issuer, either through its own actions or actions caused to be done through the Trustee, agrees that it shall be required to take the measure provided by law for sale of property acquired by it as Trustee for the registered owners within thirty (30) days after the receipt of the request therefor signed by the registered owners of at least twenty-five percent (25%) of the aggregate principal amount of all Outstanding Bonds of the Series payable from Special Assessments assessed on such property. If directed by the Majority Holders of a Series or if the Trustee or the Issuer shall so elect, the Issuer and the Trustee, as directed by the Majority Holders, shall place title of property received upon foreclosure or deed in lieu of foreclosure into a special purpose entity controlled by the Trustee or such other entity acceptable to the Majority Holders of a Series so effected by such foreclosure, for the benefit of the registered owners.

In lieu of such Prepayment with cash, an owner of property within the District may surrender to the District for cancellation to completely extinguish the lien on such property or reduce the lien equally on every portion of such property, a principal amount of Outstanding Bonds of a Series that is secured by Special Assessments levied against such property.
- (d) Upon receipt of a prepayment as described in (a), (b) or (c) above, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official land records of the County an affidavit or affidavits, as the case may be, executed by an authorized officer of the Issuer, to the effect that the Special Assessment has been paid and that such Special Assessment lien is thereby released and extinguished. Except as otherwise provided by a Supplemental Indenture, upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the applicable Account or subaccount of the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof.

SECTION 9.09. Deposit of Special Assessments. The Issuer covenants to cause any Special Assessments collected or otherwise received by it to be deposited with the Trustee within five (5) Business Days after receipt thereof for deposit into the related Series Account of the Revenue Fund (except that amounts received as prepayments of Special Assessments shall be designated by the Issuer as such upon delivery to the Trustee and shall be deposited directly into the related Series Account within the Bond Redemption Fund). or communications services; accidents; labor disputes; acts of civil or military authority or governmental action; it being understood that the Trustee shall use commercially reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as reasonably practicable under the circumstances.

SECTION 11.04. Compensation and Indemnity. The Issuer shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, and shall, to the extent permitted by law, but without waiving any limitations of liability afforded by law, indemnify and hold the Trustee harmless against any liabilities which it may incur in the proper exercise and performance of its powers and duties hereunder, except with respect to its own willful misconduct or negligence hereunder. If the Issuer defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys held by the Trustee or coming into its hands but exclusive of the Rebate Fund and moneys from a drawing on any Credit Facility, which right of payment shall be prior to the right of the holders of the Bonds. If requested by the Issuer, the Trustee shall provide periodic reports of any moneys the Trustee has deducted for amounts owing to it. This Section 11.04 shall survive the termination of this Master Indenture and any Supplemental Indenture and, as to any Trustee, its removal or resignation as Trustee. No provision of this Master Indenture shall require the Trustee to expend or risk its own funds.

SECTION 11.05. No <u>Duty to Renew Insurance</u>. The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the Issuer to require or effect or renew insurance or to report or file claims of loss thereunder.

SECTION 11.06. Notice of Default: Right to Investigate. The Trustee shall give written notice by first-class mail to registered Holders of a Series of Bonds of all defaults known to the Trustee, unless such defaults have been remedied (the term 'defaults' for purposes of this Section and Section 11.07 being defined to include the events specified as "Events of Default" in Article X hereof, but not including any notice or periods of grace provided for therein); provided that, except in the case of a default in payment of principal or interest or Redemption Price, the Trustee may withhold such notice so long as it in good faith determines that such withholding is in the interest of the Bondholders. The Trustee shall not be deemed to have notice of any default other than a payment default under this Master Indenture and any Supplemental Indenture or a notification by a Credit Facility Issuer of a default under its Credit Facility, unless notified in writing of such default by the Holders of at least a majority of the aggregate principal amount of the Outstanding Bonds of a Series. The Trustee may, however, at any time require of the Issuer full information as to the performance of any covenant hereunder, and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the Issuer, an investigation into the affairs of the Issuer.

SECTION 11.07. Obligation to Act on Defaults. The Trustee shall be under no obligation to take any action in respect of any default or otherwise, unless it is requested in writing to do so by the Majority Holders which are or would be, upon the taking of such action, subject to remedial proceedings under Article X of this Master Indenture if in its opinion such action may tend to involve expense or liability, and unless it is also furnished with indemnity satisfactory to it. No provision of the Indenture or the Bonds shall require the Trustee (a) to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties

hereunder, or in the exercise of any of its rights or powers, or (b) to take any action that the Trustee believes is contrary to applicable law. Under no circumstances shall the Trustee be liable in its individual capacity for the obligations evidenced by the Bonds. The Trustee shall have no responsibility for actions taken at the direction of the Majority Holders.

SECTION 11.08. Reliance by Trustee. The Trustee may act on any requisition, resolution, notice, Electronic Means, telegram, facsimile transmission, request, consent, waiver, certificate, statement, affidavit, voucher, bond, or other paper or document which it in good faith believes to be genuine and to have been passed, signed or given by the persons purporting to be authorized (which in the case of the Issuer shall be a Responsible Officer) or to have been prepared and furnished pursuant to any of the provisions of this Master Indenture and any Supplemental Indenture; the Trustee shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement

SECTION 11.09. Trustee May Deal in Bonds. The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Bondholders may be entitled to take with like effect as if the Trustee were not a party to this Master Indenture and any Supplemental Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the Issuer; provided, however, that if the Trustee determines that any such relation is in conflict with its duties under this Master Indenture and any Supplemental Indenture, it shall eliminate the conflict or resign as Trustee.

SECTION 11.10. <u>Construction of Ambiguous Provisions</u>. The Trustee may construe any ambiguous or inconsistent provisions of this Master Indenture and any Supplemental Indenture, and except as otherwise provided in Article XIII of this Master Indenture, any construction by the Trustee shall be binding upon the Bondholders. The Trustee shall give prompt notice to the Issuer of any intention to make such construction.

SECTION 11.11. Resignation of Trustee. The Trustee may resign and be discharged of the trusts created by this Master Indenture and all Supplemental Indentures by written resignation filed with the Secretary of the Issuer not less than sixty (60) days before the date when such resignation is to take effect. Notice of such resignation shall be sent by Electronic Means or first-class mail to each Bondholder as its name and address appears on the Bond Register and to any Paying Agent, Registrar and Credit Facility Issuer, if any, at least sixty (60) days before the resignation is to take effect. Such resignation shall take effect on the day specified in the Trustee's notice of resignation unless a successor Trustee is previously appointed, in which event the resignation shall take effect immediately on the appointment of such successor; provided, however, that notwithstanding the foregoing, such resignation shall not take effect until a successor Trustee has been appointed. If a successor Trustee has not been appointed within ninety (90) days after the Trustee has given its notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has been duly appointed. Notice of such resignation shall also be given to any rating agency that shall then have in effect a rating on any of the Bonds.

SECTION 11.12. <u>Removal of Trustee</u>. The Trustee may be removed at any time by either (a) the Issuer, if no default exists under this Master Indenture or any Supplemental Indenture,

64

filing of any paper or any further act on the part of the parties hereto, anything herein to the contrary notwithstanding; provided, however, that any such successor corporation, purchaser or entity continuing to act as Trustee hereunder shall meet the requirements of Section 11.14 hereof, and if such corporation, purchaser or entity does not meet the aforesaid requirements, a successor Trustee shall be appointed pursuant to this Article XI. The Trustee may not resign as the Paying Agent or the Registrar without resigning as Trustee. Subject to the foregoing, the Trustee may enter into any such transaction without prior written notice to the Issuer or the Bondholders.

SECTION 11.17. Extension of Rights and Duties of Trustee to Paying Agent and Registrar. The provisions of Sections 11.02, 11.03, 11.04, 11.08, 11.09, 11.10 and 11.24 hereof are hereby made applicable to the Paying Agent and the Registrar, as appropriate, and any Person serving as Paying Agent and/or Registrar, hereby enters into and agrees to comply with the covenants and agreements of this Master Indenture and all Supplemental Indentures applicable to the Paying Agent and Registrar, respectively.

SECTION 11.18. Resignation of Paving Agent or Registrar. The Paving Agent or Registrar may resign and be discharged of the duties created by this Master Indenture and all Supplemental Indentures by executing an instrument in writing resigning such duties and specifying the date when such resignation shall take effect, and filing the same with the Issuer, the Trustee, and any rating agency that shall then have in effect a rating on any of the Bonds, not less than forty-five (45) days before the date specified in such instrument when such resignation shall take effect, and by giving written notice of such resignation not less than three (3) weeks prior to such resignation date to the Bondholders, mailed to their addresses as such appear in the Bond Register. Such resignation shall take effect on the date specified in such instrument and notice, but only if a successor Paying Agent or Registrar shall have been appointed as hereinafter provided, in which event such resignation shall take effect immediately upon the appointment of such successor Paying Agent or Registrar. If the successor Paying Agent or Registrar shall not have been appointed within a period of ninety (90) days following the giving of notice, then the Paying Agent or Registrar shall be authorized to petition any court of competent jurisdiction to appoint a successor Paying Agent or Registrar as provided in Section 11.22 hereof.

SECTION 11.19. Removal of Paying Agent or Registrar. The Paying Agent or Registrar may be removed at any time prior to any Event of Default by the Issuer by filing with the Paying Agent or Registrar to be removed, and with the Trustee, an instrument or instruments in writing executed by the Issuer appointing a successor, or an instrument or instruments in writing designating, and accompanied by an instrument or appointment by the Issuer of, such successor. Such removal shall be effective thirty (30) days (or such longer period as may be set forth in such instrument) after delivery of the instrument; provided, however, that no such removal shall be effective until the successor Paying Agent or Registrar appointed hereunder shall execute, acknowledge and deliver to the Issuer an instrument accepting such appointment hereunder.

SECTION 11.20. Appointment of Successor Paying Agent or Registrar. In case at any time the Paying Agent or Registrar shall be removed, or be dissolved, or if its property or affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy, or for any other reason, then a vacancy shall forthwith and ipso facto exist in the office of the Paying Agent or Registrar, as the case may be, and a successor shall be appointed by the Issuer; and in case at any time the Paying Agent or Registrar shall resign, then a

A photographic copy of any instrument or instruments filed with the Issuer under the provisions of this paragraph, duly certified by a Responsible Officer, shall be delivered promptly by the Issuer to the Trustee and to any Paying Agent, Registrar and Credit Facility Issuer, if any.

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Master Indenture or any Supplemental Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the Issuer or the Holders of not less than a majority of the aggregate principal amount of the Bonds then Outstanding or the Trustee may petition a court of competent jurisdiction for the appointment of a successor trustee.

SECTION 11.13. Appointment of Successor Trustee. If the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and the Issuer shall appoint a successor and shall mail notice of such appointment by first-class mail to each Bondholder as its name and address appear on the Bond Register, and to the Paying Agent, Registrar, Credit Facility Issuer, if any, and any rating agency that shall then have in effect a rating on any of the Bonds. APPENDIX B PROPOSED FORM OF OPINION OF BOND COUNSEL

FORM OF BOND COUNSEL OPINION

Upon delivery of the Bonds (as defined below) in definitive form, Greenberg Traurig, P.A., as Bond Counsel, proposes to render its final approving opinion with respect to such Bonds in substantially the following form:

Board of Supervisors of the Peace Creek Community Development District City of Winter Haven, Florida

PEACE CREEK COMMUNITY DEVELOPMENT DISTRICT SPECIAL ASSESSMENT BONDS, SERIES 2023 (ASSESSMENT AREA ONE)

Dear Board Members:

We have acted as bond counsel in connection with the issuance by the Peace Creek Community Development District (the "District") of its \$ in aggregate principal amount of Special Assessment Bonds, Series 2023 (Assessment Area One) (the "Bonds"), issued and delivered on this date pursuant to the constitution and laws of the State of Florida, particularly, the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, and other applicable provisions of law (collectively, the "Act") and Resolution No. 2022-34, adopted by the Board of Supervisors of the District (the "Board") adopted by the Board on March 29, 2022, as supplemented by Resolution No. 2023-02 adopted by the Board on February 14, 2023 (collectively, the "Bond Resolution"). The Bonds are being issued and secured under that certain Master Trust Indenture, dated as of February 1, 2023 (the "Master Indenture"), as supplemented by that certain First Supplemental Trust Indenture, dated as of February 1, 2023 (the "First Supplement" and, together with the Master Indenture, the "2023 Indenture"), each by and between the District and U.S. Bank National Association, as trustee (the "Trustee"). Capitalized terms used herein without definitions have the meanings ascribed thereto in the 2023 Indenture.

The Bonds are being issued for the primary purpose of financing certain public infrastructure deemed necessary to develop the lands within Assessment Area One within the District.

In order to secure the payment of the Bonds, and subject to the terms of the 2023 Indenture, the District has pledged to the holders of the Bonds, and granted a lien to the holders of the Bonds on, the Series 2023 Pledged Revenues.

In connection with this opinion, we have examined the Act, certified copies of the Resolution, the 2023 Indenture, the Arbitrage Certificate, a transcript of the proceedings related to the issuance of the Bonds and such other documents and opinions as we have deemed necessary to render this opinion, and are relying on certain findings, covenants and agreements of the District set forth therein and such certified copies of the proceedings of the District and such other documents and opinions as we have deemed necessary to render this opinion. As to the questions of fact material to our opinion, we have relied upon representations of the District furnished to us, without undertaking to verify such representations by independent investigation. We have also relied upon certain certifications and representations provided by Lennar Homes, LLC, as the party primarily responsible for the payment of the Series 2023 Special Assessments comprising the Series 2023 Pledged Revenues.

Based on the foregoing, we are of the opinion that:

- 1. The District has the power to authorize, execute and deliver the 2023 Indenture, to perform its obligations thereunder and to issue the Bonds.
- 2. The 2023 Indenture has been duly authorized, executed and delivered by the District. The 2023 Indenture creates a valid pledge of the Series 2023 Pledged Revenues and constitutes a valid and binding obligation of the District enforceable against the District in accordance with its terms.
- 3. The issuance and sale of the Bonds have been duly authorized by the District and, assuming the due authentication thereof, the Bonds constitute valid and binding limited obligations of the District, payable in accordance with, and as limited by, the terms of the 2023 Indenture.
- 4. The Internal Revenue Code of 1986, as amended (herein, the "Code") includes requirements which the District must continue to meet after the issuance of the Bonds in order that interest on the Bonds not be included in gross income for federal income tax purposes. The failure of the District to meet these requirements may cause interest on the Bonds to be included in gross income for federal income tax purposes retroactive to their date of issuance. The District has covenanted in the 2023 Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds.

Under existing statutes, regulations, rulings and court decisions, subject to the assumption stated in the following paragraph, interest on the Bonds is excludable from the gross income of the owners thereof for federal income tax purposes and, furthermore, interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Bonds is not excluded from the determination of adjusted financial statement income.

In rendering the opinion expressed above, we have assumed continuing compliance with the tax covenants referred to above that must be met after the issuance of the Bonds in order that interest on the Bonds not be included in gross income for federal income tax purposes.

The Bonds and interest thereon are not subject to taxation under the laws of the State of Florida except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in Chapter 220.

We express no opinion regarding other federal or any state tax consequences resulting from the ownership, receipt or accrual of interest on, or disposition of the Bonds.

In rendering the foregoing opinions we have assumed the accuracy and truthfulness of all public records and of all certifications, documents and other proceedings examined by us that have been executed or certified by public officials acting within the scope of their official capacities and have not verified the accuracy or truthfulness thereof. We have also assumed the genuineness of the signatures appearing upon such public records, certifications, documents and proceedings.

The opinions set forth herein are subject to state and federal laws relating to bankruptcy, insolvency, reorganization, moratorium and similar laws, and to equitable principles, affecting the enforcement of creditors' rights generally, and to the exercise of judicial discretion in appropriate cases.

We wish to call to your attention that the Bonds are limited obligations of the District payable solely from the Series 2023 Pledged Revenues and neither the full faith and credit nor the taxing power of the District, the City of Winter Haven, Florida, Polk County, Florida, the State of Florida or any other political subdivision thereof is pledged as security for the payment of the Bonds. The Bonds do not constitute an indebtedness of the District within the meaning of any constitutional or statutory provision or limitation.

Respectfully submitted,

GREENBERG TRAURIG, P.A.

ENGINEER'S REPORT PEACE CREEK COMMUNITY DEVELOPMENT DISTRICT

I. INTRODUCTION

The Peace Creek Community Development District (the "District" or the "CDD") is generally located on the east side of County Road 653 approximately 2.65 miles south of Eloise Loop Road, within the limits of the City of Winter Haven, Florida (the "City"). The District currently contains approximately 154.05 acres and, as of the date of this report, is moving forward with a boundary amendment to include an additional 14.50 acres, bringing the anticipated District area to a total of 168.55 acres. The District is expected to consist of 553 single-family lots, 120 multi-family townhome lots, recreation & amenity areas, and associated infrastructure.

The CDD was established by City Ordinance No. 0-22-15, which was approved by the City Commission on February 28, 2022, and has authorized the submittal of a boundary amendment petition to the City which will expand the boundary as set forth in the previous paragraph. The District will own and operate the stormwater management facilities as well as the landscape, irrigation, signage, and recreational facilities within the Development. The roadway system will be owned and operated by the District except for offsite roadway improvements which will be owned and operated by Polk County.

Public improvements and facilities financed, acquired, and/or constructed by the District will be designed and constructed to conform to applicable regulatory criteria of the City, Polk County, Florida (the "County"), the Southwest Florida Water Management District (SWFWMD), and other applicable agencies with regulatory jurisdiction over the Development, defined below. Any public improvements or facilities acquired by the District will be at the lesser of cost or fair market value. An estimate of the probable cost of the public improvements is provided in Composite Exhibit 9 of this report.

This Report and the Capital Improvement Plan (as herein defined) included herein, reflect the present intentions of the District and the landowners. It should be noted that the location of proposed facilities and improvements may be adjusted during the final design, permitting, and implementation

phases. It should also be noted that these modifications, if any, are not expected to diminish the benefits received by the developable land within the District. The District reserves the right to make reasonable adjustments to this Report to meet applicable regulatory requirements of agencies with jurisdiction over the Development, while maintaining comparable levels of benefit to the developable lands served by the public improvements.

Implementation of any proposed facilities or public improvements outlined in this Report requires written approval from the District's Board of Supervisors. Estimated costs outlined in this Report are based on best available information, which includes but is not limited to previous experience with similar projects. Actual costs may differ from the estimates due to a wide variety of factors having the potential to affect construction costs.

All roadways, including sidewalks, as well as the storm drainage collection systems (from the curb inlets to their connection to the Stormwater ponds), landscaping, irrigation, signage, & recreational amenities within the Development will be maintained by the District. Water distribution and wastewater collection systems (gravity lines, force mains, and lift stations), will upon completion, be dedicated to the City for ownership and maintenance. All offsite roadway improvements will be owned and maintained by Polk County.

II. PURPOSE AND SCOPE

The purpose of this Report is to provide engineering support to fund improvements in the District. This Report will identify the proposed public infrastructure to be constructed or acquired by the District along with an opinion of probable cost.

Contained within this Report is a brief description of the public infrastructure to be constructed or acquired by the District. The District will finance, construct and/or acquire, operate, and maintain specific portions of the proposed public infrastructure. An assessment methodology consultant has been retained by the District, who will develop the assessment and financing methodology to be applied using this Report.

The predominant portion of this Report provides descriptions of the proposed public infrastructure improvements, determination of estimated probable construction costs, and the corresponding benefits associated with the implementation of the described public improvements. We have considered, and in specific instances have relied upon, the information and documentation prepared or supplied by others, and information that may have been provided by public entities, public employees, the landowner, site construction contractors, other engineering professionals, land surveyors, and the District Board of Supervisors, including its staff and consultants.

III. THE DEVELOPMENT

The Development will consist of 553 single-family lots, 120 multi-family townhome lots, and associated infrastructure ("Development"). The Development is a planned residential community generally located on the east side of County Road 653 approximately 2.65 miles south of Eloise Loop Road, within the limits of the City. The property has Future Land Use designations of RL (Residential Low) and Conservation, and zoning designations of R-3 & PD (Planned Development). The current construction plans identify 4 phases of project development, however, the current intention of the Developer is to construct the all 3 phases of the single family project at once, with the townhome development to follow. An Opinion of Costs for the development of the entire project is provided in Composite Exhibit 9 of this report.

IV. THE CAPITAL IMPROVEMENTS

The Capital Improvement Plan, (the "CIP"), consists of public infrastructure for all three phases of the Development. The primary portions of the CIP will entail stormwater pond construction, roadways built to an "urban" typical section, water and sewer facilities, recreational facilities, off-site roadway improvements (including turn lanes along County Road 653) and off-site utility extensions.

There will also be stormwater structures and conveyance culverts within the CIP which will outfall into the on-site retention ponds. These structures and pond areas comprise the overall stormwater facilities of the CIP. Installation of the water distribution and wastewater collection system will occur as required.

Below ground installation of telecommunications and cable TV will occur, but will not be funded by the District. The CDD will enter into a lighting agreement with Duke Energy for the street light poles and lighting service. Only the differential cost of undergrounding of wire in the public right-of-way or on District land is included.

As a part of the recreational component of the CIP, an amenity center and other public parks will be constructed within the Development. The public parks and amenity center will be accessed by the proposed public roadways and sidewalks and will be available for use by the general public.

All improvements financed by the District will be on land owned by, or subject to a permanent easement in favor of, the District or another governmental entity.

V. CAPITAL IMPROVEMENT PLAN COMPONENTS

The Capital Improvement Plan includes the following:

Stormwater Management Facilities

Stormwater management facilities consisting of storm conveyance systems and retention ponds are contained within the District boundaries. Stormwater will be conveyed via roadway curb and gutter to storm inlets. Storm culverts convey the runoff into the proposed retention ponds for water quality treatment and attenuation. The proposed stormwater systems will utilize dry retention and wet detention to achieve water quality treatment. The design criteria for the District's stormwater management systems is regulated by the SWFWMD. There are no known natural surface waters within the Development.

Federal Emergency Management Agency Flood Insurance Rate Map (FEMA FIRM) Panel No. 12105C-0545H demonstrates that the property is located within Flood Zones X with certain portions along the Peace Creek, the C.R. 653 Right of Way, and other isolated wetlands lying in Zone AE. A relatively small amount of floodplain encroachment and associated compensation has been designed and permitted.

During the construction of stormwater management facilities, utilities and roadway improvements, the contractor will be required to adhere to a *Stormwater Pollution Prevention Plan* (SWPPP) as required by Florida Department of Environmental Protection (FDEP) as delegated by the Environmental Protection Agency (EPA). The SWPPP has been prepared to depict for the contractor the proposed locations of required erosion control measures and staked turbidity barriers specifically along the down gradient side of any proposed construction activity. The site contractor will be required to provide the necessary reporting on various forms associated with erosion control, its maintenance and any rainfall events that occur during construction activity.

Public Roadways

The proposed public right of ways within the Development are primarily 50 feet in width with wider sections for the boulevard entrance. The roadways will primarily consist of 22 ft. of asphalt pavement and Miami curb or Type F curb and gutter on each side. The proposed roadway section will consist of stabilized subgrade, lime rock, crushed concrete or cement treated base and asphalt wearing surface. The proposed curb is to be 2' wide and placed along the edge of the proposed roadway section for purposes of protecting the integrity of the pavement and also to provide stormwater runoff conveyance to the proposed stormwater inlets. All roadways within the District will be open to the general public.

The proposed roadways will also require signing and pavement markings within the public rights-of-way, as well as street signs depicting street name identifications, and addressing, which will be utilized by the residents and the public. As stated above, the District's funding of roadway construction is expected to occur for all public roadways within the Development.

Water and Wastewater Facilities

A potable water system inclusive of water main, gate valves, fire hydrants and appurtenances will be installed for the development. The water service provider will be the City of Winter Haven. The water system will be a "looped" system. These facilities will be installed within the proposed public rights-of-way along C.R. 653 and within the District. This water will provide the potable (domestic) and fire protection services which will serve the lands within the District. In order to reach and serve the project,

offsite utility extensions are necessary, bringing lines from the north down CR 653 and looping them back again to the north via an existing easement which will be dedicated for public purposes.

A domestic wastewater collection system inclusive of gravity sanitary sewer mains and sewer laterals will be installed. The wastewater service provider will be the City of Winter Haven. The gravity sanitary sewer mains will be 8" diameter PVC. The gravity sanitary sewer lines will be placed primarily inside of the proposed public rights-of-way, under the proposed paved roadways. Branching off from these sewer lines will be laterals to serve the individual lots. This proposed gravity sewer system will connect to one of two proposed public lift stations within the Development, both of which will be City owned and maintained.

Reclaimed water is not proposed for this project. For the irrigation of the public right of ways and common areas, either an irrigation well will be funded and constructed by the District, or irrigation water service will be provided as part of the domestic water system design. Any water, sewer, or reclaimed water pipes or facilities placed on private property will not be publicly funded.

Off-Site Improvements

The District will provide funding for the anticipated turn lanes at the Developments entrances on C.R. 653 as well as offsite extensions for water and wastewater utilities to serve the project. At this time, there are no finalized impact fee credits or other cost-share agreements associated with the aforementioned off-site improvements; however, the developer is currently in negotiation with the City on a Developers Agreement to address cost-sharing. Should this Developers Agreement be finalized, this Report may be amended accordingly.

The site construction activities associated with the CIP are anticipated for completion in early 2023. Upon completion of the improvements, inspections will occur and certifications will be obtained from the SWFWMD, the Polk County Health Department (water distribution system), Florida Department of Environmental Protection (FDEP) (wastewater collection) and the City/County.

Amenities and Parks

The District will provide funding for a primary amenity center to include parking areas, a clubhouse with restroom facilities, pool, and a tot lot. A secondary amenity area will also be provided which includes parking areas, a recreational pavilion, open space and walking trails. All paths, parks, etc. discussed in this paragraph are available to the general public.

Electric and Lighting

The electric distribution system serving the Development is currently planned to be underground. The District presently intends to fund the cost of the electric conduit, transformer/cabinet pads, and electric manholes required by the District. The District shall fund only the difference in cost from overhead versus underground. Electric facilities funded by the District will be owned and maintained by the District, with Duke Energy providing underground electrical service to the Development. The CDD presently intends to purchase, install, and maintain the street lighting along the internal roadways within the CDD or enter into a Lighting Agreement with Duke Energy for operation and maintenance of the street light poles and lighting service to the District. Only the differential cost of undergrounding of wire in public right-of-way on District land is included.

Entry Feature, Landscaping, and Irrigation

Landscaping, irrigation, and entry features will be provided by the District. It is anticipated, though not confirmed at this time, that the irrigation system will use an irrigation well. The well and irrigation water mains to the various phases of the Development will be constructed or acquired by the CDD with District funds and operated and maintained by the CDD. Landscaping where provided will consist of sod, shrubs, ground cover and trees for certain common areas within the Development. These items will be funded, owned and maintained by the CDD.

Miscellaneous

The stormwater improvements, landscaping and irrigation, recreational improvements, the differential cost of undergrounding electrical lines, and certain permits and professional fees as described in this

report, are being financed by the District with the intention for benefiting all of the developable real property within the District. The construction and maintenance of the proposed public improvements will benefit the Development for the intended use as a single-family planned development.

VI. PERMITTING

Construction permits for the Development are required and include the SWFWMD Environmental Resource Permit (ERP), Polk County Health Department, Florida Department of Environmental Protection (FDEP), Army Corps of Engineer Permit (ACOE), and City Construction Plan Approval. The following is a summary of required permits obtained and pending for the construction of the public infrastructure improvements for the District:

Permits / Approvals	Approval / Expected Date
Zoning Approval	Approved
Preliminary Plat	Approved
SWFWMD ERP	Approved
City Construction Plan Approval	Approved
Polk County Health Department Water	Approved
FDEP Sewer	Approved
FDEP NOI	Approved
ACOE	Not Applicable

VII. RECOMMENDATION

As previously described within this Report, the public infrastructure as described is necessary for the development and functional operation as required by the City. The site planning, engineering design and construction plans for the infrastructure are in accordance with the applicable requirements of the City, County, the SWFWMD, and other applicable agencies. It should be noted that the public infrastructure will provide its intended use and function so long as the construction and installation is in substantial conformance with the design construction plans and regulatory permits.

Items utilized in the Opinion of Probable Costs for this Report are based upon proposed planned

infrastructure as shown on construction drawings incorporating the required specifications found in the most current City, County & SWFWMD regulations.

VIII. REPORT MODIFICATION

During development and implementation of the public infrastructure improvements as described herein for the District, it may be necessary to make modifications and/or deviations for the plans. However, if such deviations and/or revisions do not change the overall primary objective of the plan for such improvements, then the costs differences would not materially affect the proposed cost estimates.

IX. CONCLUSION

It is our professional opinion that the public infrastructure costs for the CIP provided in this Report are reasonable to complete the construction of the public infrastructure improvements. Furthermore, the public infrastructure improvements will benefit and add value to lands within the District at least equal to the costs of such improvements.

The *Opinion of Probable Costs* of the public infrastructure improvements is only an estimate and is not a guaranteed maximum price. The estimated costs are based upon unit prices currently experienced on an ongoing and similar basis for work in the area. However, labor market, future costs of equipment, materials, changes to the regulatory permitting agencies activities, and the actual construction processes employed by the chosen site contractor are beyond the engineer's control. Due to this inherent opportunity for changes (upward or downward) in the construction costs, the total, final construction cost may be more or less than this estimate.

Based upon the presumption that the CIP construction continues in a timely manner, it is our professional opinion that the proposed public infrastructure improvements when constructed and built in substantial conformance with the approved plans and specifications, can be completed and used for their intended function. Be advised that we have utilized historical costs and direct unit costs from site

contractors and consultants in the area, which we believe to be necessary in order to facilitate accuracy associated with the *Opinion of Probable Costs*. Based upon the information above, it is our professional opinion that the proposed CIP can be completed at the cost as stated.

1.0 Introduction

The Peace Creek Community Development District (the "District") is a local unit of special-purpose government organized and existing under Chapter 190, Florida Statutes as amended. The District anticipates the issuance at this time of not to exceed \$28,000,000 of tax-exempt bonds in one or more series (the "Bonds") for the purpose of financing certain infrastructure improvements ("Capital Improvement Plan") within the District more specifically described in the Amended and Restated Engineer's Report Composite Exhibit 7, dated March 29, 2022 prepared by Hunter Engineering Inc. as may be amended and supplemented from time to time (the "Engineer's Report"). The District anticipates the construction of all or a portion of the Capital Improvements or Capital Improvement Plan ("Capital Improvements") that benefit property owners within the District.

1.1 Purpose

This Master Assessment Methodology (the "Assessment Report") provides for an assessment methodology that allocates the debt to be incurred by the District to benefiting properties within the District. This Assessment Report allocates the debt to properties based on the special benefits each receives from the Capital Improvements. This Assessment Report will be supplemented with one or more supplemental methodology reports to reflect the actual terms and conditions at the time of the issuance of each series of Bonds issued to finance all or a portion of the Capital Improvements. This Assessment Report is designed to conform to the requirements of Chapters 190 and 170, Florida Statutes, with respect to special assessments and is consistent with our understanding of case law on this subject.

The District intends to levy, impose and collect non ad valorem special assessments ("Special Assessments") on the benefited lands within the District securing repayment of the Bonds based on this Assessment Report. It is anticipated that ultimately all of the proposed Special Assessments will be collected through the Uniform Method of Collection described in Section 197.3632, Florida Statutes or any other legal means available to the District. It is not the intent of this Assessment Report to address any other assessments, if applicable, that may be levied by the District including those for maintenance and operation of the Bonds, a homeowner's association, or any other unit of government.

1.2 Background

The District currently includes approximately 171.61 gross acres within Winter Haven, Florida. The development program for the District currently envisions approximately 673 residential units. The proposed development program is depicted in Table 1. It is recognized that such development plan may change, and this Assessment Report will be modified or supplemented accordingly.

The Capital Improvements contemplated by the District in the Capital Improvement Plan will provide facilities that benefit certain property within the District. Specifically, the District will construct and/or acquire certain offsite improvements, stormwater

management facilities, utility facilities, roadways, entry features, and park and amenity features. The acquisition and construction costs are summarized in Table 2.

The assessment methodology is a four-step process.

- The District Engineer must first determine the public infrastructure improvements that may be provided by the District and the costs to implement the Capital Improvements.
- The District Engineer determines the benefit derived from the District's Capital Improvements.
- A calculation is made to determine the funding amounts necessary to acquire and/or construct the Capital Improvements.
- 4. This amount is initially divided equally among the benefited properties on a prorated assessable acreage basis. Ultimately, as land is platted, this amount will be assigned to each of the benefited properties based on the number and type of platted units.

1.3 Special Benefits and General Benefits

Capital Improvements undertaken by the District create special and peculiar benefits to the property, different in kind and degree, for properties within its borders as well as general benefits to the public at large. However, as discussed within this Assessment Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits, which accrue to property within the District. The implementation of the Capital Improvement Plan enables properties within the boundaries of the District to be developed. Without the District's Capital Improvement Plan, there would be no infrastructure to support development of land within the District. Without these improvements, development of the property within District would be prohibited by law.

The general public and property owners outside of the District may benefit from the provision of the Capital Improvements. However, any such benefit will be incidental for the purpose of the Capital Improvement Plan, which is designed solely to meet the needs of property within the District. Properties outside of the District boundaries do not depend upon the District's Capital Improvements. The property owners within the District are therefore receiving special benefits not received by the general public and those outside of the District's boundaries.

1.4 Requirements of a Valid Assessment Methodology

There are two requirements under Florida law for a valid special assessment:

 The properties must receive a special benefit from the Capital Improvements being paid for. The assessments must be fairly and reasonably allocated or apportioned to the properties being assessed based on the special benefit such properties receive.

Florida law provides for a wide application of special assessments that meet these two characteristics of special assessments.

1.5 Special Benefits Will Equal or Exceed the Costs Allocated

The special benefits provided to the property within the District will be equal to or greater than the costs associated with providing these benefits. The District Engineer estimates that the District's Capital Improvement Plan that is necessary to support full development of property within the District will cost approximately \$21,999,091. The District's Underwriter projects that financing costs required to fund the Capital Improvement Plan costs, the cost of issuance of the Bonds, the funding of a debt service reserve account and capitalized interest, will be approximately \$28,000,000. Without the Capital Improvement Plan, the property within the District would not be able to be developed and occupied by future residents of the community.

2.0 Assessment Methodology

2.1 Overview

The District anticipates issuing approximately \$28,000,000 in Bonds in one or more series to fund the District's entire Capital Improvement Plan, provide for capitalized interest, one or more debt service reserve accounts and pay cost of issuance. It is the purpose of this Assessment Report to allocate the \$28,000,000 in debt to the properties within the District benefiting from the Capital Improvement Plan. This Assessment Report will be supplemented to reflect actual bond terms.

Table 1 identifies the land uses and lot sizes in the development as identified by the Developer within the District. The District has commissioned an Engineer's Report that includes estimated construction costs for the Capital Improvements needed to support the development; these construction costs are outlined in Table 2. The Capital Improvements needed to support the development are described in detail in the Engineer's Report and are estimated to cost \$21,999,091. Based on the estimated costs, the size of the Bond issues under current market conditions needed to generate funds to pay for the Capital Improvements and related costs was determined by the District's Underwriter to total approximately \$28,000,000. Table 3 shows the breakdown of the Bond sizing.

2.2 Allocation of Debt

Allocation of debt is a continuous process until the development plan for the District are completed. Until the platting process occurs, the Capital Improvements funded by District Bonds benefits all acres within the District.

The initial assessments will be levied on an equal basis to all gross acreage within the District. A fair and reasonable methodology allocates the debt incurred by the District proportionately to the properties receiving the special benefits. At this point all of the lands within the District are benefiting from the Capital Improvements.

Once platting or the recording of a declaration of condominium of any portion of the District into individual lots or units ("Assigned Properties") has begun, the Special Assessments will be levied to the Assigned Properties based on the benefits they receive, on a first platted, first assigned basis. The "Unassigned Properties" defined as property that has not been platted or subjected to a declaration of condominium, will continue to be assessed on a per acre basis. Eventually the development plan will be completed and the debt relating to the Bonds will be allocated to the assigned properties within the District, which are the beneficiaries of the Capital Improvement Plan, as depicted in Table 5 and Table 6. If there are changes to development plan, a true up of the assessment will be calculated to determine if a debt reduction or true-up payment from the Developer is required. The process is outlined in Section 3.0.

The assignment of debt in this Assessment Report sets forth the process by which debt is apportioned. As mentioned herein, this Assessment Report will be supplemented from time to time.

2.3 Allocation of Benefit

The Capital Improvement Plan consists of offsite improvements, stormwater management facilities, utility facilities, roadways, entry features, and park and amenity features and professional fees along with related incidental costs. There are three product types within the planned development. The 40' single-family home has been set as the base unit and has been assigned one equivalent residential unit ("ERU"). Table 4 shows the allocation of benefit to the particular product types. It is important to note that the benefit derived from the Capital Improvements on a particular unit will exceed the cost that the unit will be paying for such benefits.

2.4 Lienability Test: Special and Peculiar Benefit to the Property

Construction and/or acquisition by the District of its proposed Capital Improvements will provide several types of systems, facilities and services for its residents. These include offsite improvements, stormwater management facilities, utility facilities,

roadways, entry features, and park and amenity features. The benefit from the Capital Improvements accrue in differing amounts and are somewhat dependent on the product type receiving the special benefits peculiar to that property type, which flow from the logical relationship of the Capital Improvements to the assigned properties.

Once these determinations are made, they are reviewed in the light of the special benefits peculiar to the property, which flow to the properties as a result of their logical connection from the Capital Improvements actually provided.

For the provision of the Capital Improvement Plan, the special and peculiar benefits are:

- 1) the added use of the property,
- 2) added enjoyment of the property, and
- 3) the increased marketability and value of the property.

These special and peculiar benefits are real and ascertainable but are not yet capable of being calculated as to value with mathematical certainty. However, each is more valuable than either the cost of, or the actual Special Assessment levied for the Improvement as allocated.

2.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay Non-Ad Valorem Assessments

A reasonable estimate of the proportion of special and peculiar benefits received from the public improvements described in the Capital Improvement Plan is delineated in Table 5 (expressed as Allocation of Par Debt per Product Type). This is also shown on Table 7 depicting Allocation of Par Debt per Product Type.

The determination has been made that the duty to pay the Special Assessments is fairly and reasonably apportioned because the special and peculiar benefits to the property derived from the acquisition and/or construction of the Capital Improvement Plan have been apportioned to the property within the District according to reasonable estimates of the special and peculiar benefits provided consistent with the product type of assignable properties.

Accordingly, no acre or parcel of property within the boundaries of the District will have a lien for the payment of any Special Assessment more than the determined special benefit particular to that property and therefore, the debt allocation will not be increased more than the debt allocation set forth in this Assessment Report.

In accordance with the benefit allocation suggested for the product types in Table 4, a total debt per unit and the Special Assessment per unit have been calculated for each product type (Table 6). These amounts represent the preliminary anticipated per unit

debt allocation assuming all anticipated assigned properties are built and sold as planned, and the entire proposed Capital Improvement Plan is constructed.

3.0 True Up Mechanism

Although the District does not process plats, declaration of condominiums, site plans or revisions thereto, it does have an important role to play during the course of platting and site planning. Whenever a plat, declaration of condominium or site plan is approved, the District must allocate a portion of its debt to the property according to this Assessment Report outlined herein ("Assigned Property"). In addition, the District must also prevent any buildup of debt on property or land that could be fully conveyed and/or platted without all of the debt being allocated ("Unassigned Property"). To preclude this, when platting for 25%, 50%, 75% and 100% of the units planned for platting has occurred within the District, the District will determine the amount of anticipated Special Assessment revenue that remains on the Unassigned Properties, taking into account the full development plan of the District. If the total anticipated Special Assessment revenue to be generated from the Assigned and Unassigned Properties is greater than or equal to the maximum annual debt service then no debt reduction or true-up payment is required. In the case that the revenue generated is less then the required amount then a debt reduction or true-up payment by the landowner in the amount necessary to reduce the par amount of the outstanding Bonds plus accrued interest to a level that will be supported by the new net annual debt service assessments will be required.

If a true-up payment is made less than 45 days prior to an interest payment date, the amount of accrued interest will be calculated to the next succeeding interest payment date.

4.0 Assessment Roll

The District will initially distribute the Special Assessments across the property within the District boundaries on a gross acreage basis. As Assigned Properties become known with certainty, the District will refine its allocation of debt from a per acre basis to a per unit basis as shown in Table 6. If the land use plan or product type changes, then the District will update Table 6 to reflect the changes as part of the foregoing true-up process. As a result, the assessment liens are not finalized with certainty on any acre of land in the District prior to the time final Assigned Properties become known. The preliminary assessment roll is attached as Table 7.

1.0 Introduction

The Peace Creek Community Development District is a local unit of special-purpose government organized and existing under Chapter 190, Florida Statutes (the "District"), as amended. It is expected that the District will issue on or about March 15, 2023, its \$11,915,000 of tax exempt bonds (the "Series 2023 Bonds" or "Bonds") for the purpose of financing certain infrastructure improvements (the "2023 Project") within the District described in the Amended and Restated Engineer's Report dated April 14, 2022 prepared by Hunter Engineering, Inc. as may be amended and supplemented from time to time (the "Engineer's Report"). The construction and/or acquisition of the 2023 Project will provide special benefit to the property owners within Assessment Area One within the District.

1.1 Purpose

This First Supplemental Assessment Methodology Report for Assessment Area One supplements the Amended and Restated Master Assessment Methodology dated March 29, 2022 (together the "Assessment Report") and provides for an assessment methodology for allocating the Series 2023 Bonds incurred by the District to benefiting properties within Assessment Area One within the District. This Assessment Report allocates the Series 2023 Bonds to properties within Assessment Area One based on the special benefits each receives from the District's capital improvement plan ("CIP"). This Assessment Report is designed to conform to the requirements of Chapters 190 and 170, Florida Statutes with respect to special assessments and is consistent with our understanding of case law on this subject.

The District has imposed non ad valorem special assessments on the benefited lands within Assessment Area One within the District based on this Assessment Report. It is anticipated that all of the proposed special assessments will be collected through the Uniform Method of Collection described in Chapter 197.3632, Florida Statutes or any other legal means of collection available to the District. It is not the intent of this Assessment Report to address any other assessments, if applicable, that may be levied by the District, a homeowner's association, or any other unit of government.

1.2 Background

The District consists of approximately 168.55 acres in Polk County, Florida. Assessment Area One, a designated area within the District, currently includes 553 platted residential units. The proposed Assessment Area One is depicted in Table 1. It is recognized that such land use plan may change, and this Assessment Report will be modified accordingly.

The public improvements contemplated by the District in the CIP that will be funded with the net proceeds of the Series 2023 Bonds will provide facilities that benefit the assessable property within the District. The CIP is delineated in the Engineer's Report.

Specifically, the District may construct and/or acquire certain offsite improvements, stormwater management facilities, utility facilities, roadways, entry feature, parks and recreation facilities, and contingencies. Only a portion of the CIP constituting the 2023 Project will be funded with the proceeds of the Series 2023 Bonds. The acquisition and construction costs are summarized in Table 2.

The assessment methodology is a four-step process.

- 1. The District Engineer must first determine the public infrastructure improvements and services that may be provided by the District and the estimated costs to implement the CIP.
- 2. The District Engineer determines the assessable acres that benefit from the District's CIP.
- 3. A calculation is made to determine the funding amounts necessary to acquire and/or construct CIP.
- 4. This amount is initially divided equally among the benefited properties on a prorated gross acreage basis. Ultimately, as land is platted, this amount will be assigned to each of the benefited properties based on the number and type of platted units.

1.3 Special Benefits and General Benefits

Improvements undertaken by the District create special and peculiar benefits to the assessable property, different in kind and degree than general benefits, for properties within its borders as well as general benefits to the public at large.

However, as discussed within this Assessment Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits, which accrue to the assessable property within the District. The implementation of the CIP enables properties within its boundaries to be developed. Without the District's CIP, there would be no infrastructure to support development of land within the District and development of the property within the District would be prohibited by law.

There is no doubt that the general public and property owners outside of the District will benefit from the provision of the District's CIP. However, these benefits will be incidental to the District's portion of the CIP financed with a portion of the Series 2023 Bonds, which is designed solely to meet the needs of property within Assessment Area One within the District. Properties outside the District boundaries and outside of Assessment Area One within the District do not depend upon the District's CIP. The property owners within Assessment Area One within the District are therefore receiving special benefits not received by those outside the District's boundaries and outside of Assessment Area One within the District.

1.4 Requirements of a Valid Assessment Methodology

There are two requirements under Florida law for a valid special assessment:

- 1) The properties must receive a special benefit from the improvements being paid for.
- 2) The assessments must be fairly and reasonably allocated to the properties being assessed.

Florida law provides for a wide application of benefit that meet these two characteristics of special assessments.

1.5 Special Benefits Exceed the Costs Allocated

The special benefits provided to the property owners within Assessment Area One within the District are greater than the costs associated with providing these benefits. The District Engineer estimates that the portion of District's CIP that is necessary to support full development of Assessment Area One will cost approximately \$18,755,500. The District's Underwriter has determined that financing costs required to fund a portion of the infrastructure improvements for the 2023 Project, the cost of issuance of the Bonds, funding capitalized interest*, and the funding of the debt service reserve account are \$11,915,000. Additionally, funding required to complete the CIP not funded with the proceeds of the Series 2023 Bonds is anticipated to be funded by Lennar Homes, LLC (the "Developer"). Without the CIP, the property within District would not be able to be developed and occupied by future residents of the community.

2.0 Assessment Methodology

2.1 Overview

It is expected that the District will issue on or about March 15, 2023, \$11,915,000* in Series 2023 Bonds to fund a portion of the District's CIP representing the 2023 Project, provide for a debt service reserve account, fund capitalized interest, and cost of issuance. It is the purpose of this Assessment Report to allocate the \$11,915,000* in debt to the properties benefiting from the CIP.

Table 1 identifies the proposed land uses as identified by the Developer of the land the within District. The District has relied on the Engineer's Report for the CIP needed to

support the development; these estimated construction costs are outlined in Table 2. The improvements needed to support Assessment Area One are described in detail in the Engineer's Report and are estimated to cost \$18,755,500. Based on the estimated costs, the size of the bond issue under current market conditions needed to generate funds to pay for a portion of the CIP representing the 2023 Project and related costs was determined by the District's Underwriter to total \$11,915,000*. Table 3 shows the breakdown of the bond sizing for the Assessment Area One.

2.2 Allocation of Debt

Allocation of debt is a continuous process until the development plan is completed. The portion of the CIP funded by the Series 2023 Bonds benefits all developable acres within the District.

The initial assessments will be levied to all 553 platted residential units within Assessment Area One within the District. A fair and reasonable methodology allocates the debt represented by the Series 2023 Bonds incurred by the District proportionately to the properties receiving the special benefits. At this point all of the lands within Assessment Area One within the District are benefiting from the improvements.

All residential units within Assessment Area One within the District have been platted and the debt relating to the Bonds will be allocated to the 553 platted residential units within Assessment Area One within the District, which are the beneficiaries of the 2023 Project, as depicted in Table 5 and Table 6. If there are changes to the development program, a true up of the assessment will be calculated to determine if a debt reduction or true-up payment from the Developer is required. The process is outlined in Section 3.0.

In order for debt service assessment levels to be consistent with market conditions, developer contributions are recognized. This is reflected on Table 5. Based on the product type and number of units anticipated to absorb the Series 2023 Bond principal, the preliminary estimate is that the CDD will recognize a developer contribution equal to approximately \$1,185,000, in eligible infrastructure.

The assignment of debt in this Assessment Report sets forth the process by which debt is apportioned. As mentioned herein, this Assessment Report may be supplemented from time to time.

2.3 Allocation of Benefit

The CIP consists of offsite improvements, stormwater management facilities, utility facilities, roadways, entry feature, parks and recreation facilities, and contingencies. There are <u>two</u> residential product types within the Assessment Area One as reflected

in Table 1. The single family 40' lot has been set as the base unit and has been assigned one equivalent residential unit ("ERU") per lot. The CIP for the District is reflected in Table 2. There may be other improvements constructed, but not funded by the Series 2023 Bonds. Table 4 shows the allocation of benefit to the particular land uses. It is important to note that the benefit derived from the CIP on the particular units exceeds the cost that the units will be paying for such benefits.

2.4 Lienability Test: Special and Peculiar Benefit to the Property

Construction and/or acquisition by the District of the proposed 2023 Project will provide several types of systems, facilities and services for its residents. These include offsite improvements, stormwater management facilities, utility facilities, roadways, entry feature, parks and recreation facilities, and contingencies. These improvements accrue in differing amounts and are somewhat dependent on the type of land use receiving the special benefits peculiar to those properties, which flow from the logical relationship of the improvements to the properties.

For the provision of the 2023 Project relating to the Development, the special and peculiar benefits are:

- 1) the added use of the property,
- 2) added enjoyment of the property, and
- 3) the probability of increased marketability and value of the property.

These special and peculiar benefits are real and ascertainable but are not yet capable of being calculated as to value with mathematical certainty. However, each is more valuable than either the cost of, or the actual non-ad valorem special assessment levied for the improvement or the debt as allocated.

2.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay Non-Ad Valorem Assessments

A reasonable estimate of the proportion of special and peculiar benefits received from the public improvements described in the Engineer's Report relating to the Development is delineated in Table 5 (expressed as Allocation of Par Debt per Product Type). In lieu of having the District issue a greater amount of bonds, and in order to reduce assessment levels by product type, the Developer will be making a contribution of infrastructure in the approximate amount of \$1,185,000, as delineated in Table 5.

The determination has been made that the duty to pay the non-ad valorem special assessments is fairly and reasonably apportioned because the special and peculiar benefits to the property derived from the acquisition and/or construction of the District's 2023 Project relating to the Development have been apportioned to the

property according to reasonable estimates of the special and peculiar benefits provided consistent with the land use categories.

Accordingly, no acre or parcel of property within Assessment Area One within the District will have a lien for the payment of any non-ad valorem special assessment more than the determined special benefit peculiar to that property and therefore, the debt allocation will not be increased more than the debt allocation set forth in this Assessment Report.

In accordance with the benefit allocation for the product types in Table 4, a total debt per unit and an annual assessment per unit have been calculated for each product type (Table 6). These amounts represent the per unit debt allocation assuming all anticipated units are platted, built and sold as planned, and the 2023 Project are developed or acquired and financed by the District.

3.0 True Up Mechanism

Although the District does not process plats, declaration of condominiums, site plans or revisions thereto for the Developer, it does have an important role to play during the course of platting and site planning. Whenever a plat, declaration of condominium or site plan is processed, the District must allocate a portion of its debt to the property according to this Assessment Report outlined herein. In addition, the District must also prevent any buildup of debt on Unassigned Property. Unassigned Property means property within Assessment Area One within the District where no platting or declaration of condominium has been recorded. Otherwise, the land could be fully conveyed and/or platted without all of the debt being allocated. To preclude this, at the time Unassigned Properties become Assigned Properties, the District will determine the amount of anticipated assessment revenue that remains on the Unassigned Properties, taking into account the proposed plat, or site plan approval. If the total anticipated assessment revenue to be generated from the Assigned and Unassigned Properties is greater than or equal to the maximum annual debt service, then no debt reduction or true-up payment is required. In the case that the revenue generated is less than the required amount then a debt reduction or true-up payment by the landowner in the amount necessary to reduce the par amount of the outstanding Bonds plus accrued interest to a level that will be supported by the new net annual debt service assessments will be required.

4.0 Assessment Roll

The District will distribute the liens to the 553 platted lots within Assessment Area One within the District boundaries. If the land use plan changes, then the District will update Table 1, 4, 5, 6 & 7 to reflect the changes. As the development process occurs, the debt will be distributed against the Assigned Property in the manner described in this Supplemental Report. The preliminary assessment roll is depicted in Table 7.
