THE SERIES 2023 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2023 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2023 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2023 BONDS. SEE "BONDOWNERS' RISKS" AND "SUITABILITY FOR INVESTMENT" HEREIN.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. 2021-451-E enacted by the City Council of the City of Jacksonville, Florida (the "City") on August 24, 2021 and became effective on August 30, 2021 (the "Ordinance"). The District was created for the purpose of financing the acquisition and construction of and managing the maintenance and operation of certain community development services and facilities for the benefit of District Lands (as defined in the herein defined Indenture), and has previously determined to undertake the acquisition and/or construction of certain public improvements and community facilities as set forth in the Act for the special benefit of certain District Lands. The Act authorizes the District to issue bonds for the purpose of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, landscape and hardscape improvements, and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District include approximately 345+/- gross acres of land (of which only 319+/- gross acres of land are developable) located entirely within the incorporated area of the City within Duval County, Florida (the "County"). The District is planned to contain a residential community known as "Seaton Creek" and referred to herein as the "Development." The Series 2023 Special Assessments (as hereinafter defined) will be levied on only a portion of the District Lands, consisting of approximately 134+/- gross acres of land which are referred to herein as "Assessment Area One" and which is planned for 279 single-family residential units. As platting occurs, the Series 2023 Special Assessments will be

_

^{*} Preliminary, subject to change.

assigned to the platted lots in Assessment Area One on a first-platted, first-assigned basis. See "APPENDIX D – ASSESSMENT METHODOLOGY" for more information.

AG EHC II (LEN) Multi State 1, LLC, a Delaware limited liability company (the "AG Landowner") is the owner of the assessable land within Assessment Area One. The AG Landowner entered into the Construction Agreement (as hereinafter defined) with Lennar Homes, LLC, a Florida limited liability company (the "Development Manager") pursuant to which the Development Manager will manage the installation of infrastructure improvements for the Development. As of the date hereof, the AG Landowner owns the land planned for 279 lots in Assessment Area One. See "THE DEVELOPMENT" and "THE AG LANDOWNER AND THE DEVELOPMENT MANAGER" herein for more information.

The Series 2023 Bonds are being issued by the District pursuant to the Act, Resolution No. 2021-24 and Resolution No. 2023-07 adopted by the Board of Supervisors of the District (the "Board") on September 21, 2021 and March 28, 2023, respectively (collectively, the "Bond Resolution"), and a Master Trust Indenture dated as of June 1, 2023 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture dated as of June 1, 2023 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"). Capitalized terms not defined herein shall have the meanings assigned to them in the Indenture. See "APPENDIX A: PROPOSED FORMS OF INDENTURE" herein.

Proceeds of the Series 2023 Bonds will be used to provide funds (i) for the payment of the Costs of acquiring and/or constructing a portion of the Assessment Area One Project (as hereinafter defined); (ii) to fund the Series 2023 Reserve Account in an amount equal to the initial Series 2023 Reserve Requirement (as hereinafter defined); and (iii) to pay the costs of issuance of the Series 2023 Bonds. See "THE CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA ONE PROJECT" and "ESTIMATED SOURCES AND USES OF FUNDS" herein.

The Series 2023 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2023 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

- (i) from Series 2023 Prepayment Principal deposited into the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account (taking into account the credit from the Series 2023 Reserve Account pursuant to the First Supplemental Indenture) following a Prepayment in whole or in part of the Series 2023 Special Assessments on any assessable property within Assessment Area One within the District in accordance with the provisions of the First Supplemental Indenture.
- (ii) from moneys, if any, on deposit in the Series 2023 Funds, Accounts and subaccounts in the Funds and Accounts (other than the Series 2023 Rebate Fund, the Series 2023 Costs of Issuance Account and the Series 2023 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2023 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.
- (iii) from any funds remaining on deposit in the Series 2023 Acquisition and Construction Account not otherwise reserved to complete the Assessment Area One Project (including any amounts transferred from the Series 2023 Reserve Account) all of which have been transferred to the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account.

Notice of Redemption and of Purchase. When required to redeem or purchase Series 2023 Bonds under any provision of the Indenture or directed to do so in writing by the District, the Trustee shall give or cause notice of the redemption, either in whole or in part, to be mailed by first class mail, postage prepaid, at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2023 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2023 Bonds for which notice was duly mailed in accordance with the Indenture. If the Trustee determines that the giving of notice by mail is not feasible, the Trustee may use any other industry acceptable means of giving notice including, but not limited to, facsimile or email provided the Trustee can establish such other means of giving notice was in fact given.

If at the time of mailing of notice of redemption or purchase, the District shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Series 2023 Bonds called for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

Purchase of Series 2023 Bonds

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Series 2023 Sinking Fund Account to the purchase of Series 2023 Bonds which mature in the aforesaid years, at prices not higher than the principal amount thereof, in lieu of redemption as aforesaid, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given. In the event of purchases at less than the principal amount thereof, the difference between the amount in the Series 2023 Series Sinking Fund Account representing the principal amount of the Series 2023 Bonds so purchased and the purchase price thereof (exclusive of accrued interest) shall be transferred to the related Series 2023 Interest Account of the Debt Service Fund.

Book-Entry Only System

The information in this caption concerning DTC (as defined below) and DTC's book-entry system has been obtained from DTC and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Series 2023 Bonds. The Series 2023 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2023 Bond certificate will be issued for each maturity of the Series 2023 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has an S&P Global Ratings, a division of S&P Global Inc.

rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2023 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2023 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2023 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2023 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2023 Bonds, except in the event that use of the book-entry system for the Series 2023 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2023 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2023 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2023 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2023 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2023 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2023 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2023 Bond documents. For example, Beneficial Owners of Series 2023 Bonds may wish to ascertain that the nominee holding the Series 2023 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2023 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2023 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2023 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2023 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, and principal and interest payments on the Series 2023 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent on payable date in accordance with their respective

holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, and principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2023 Bonds at any time by giving reasonable notice to the District and the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2023 Bond certificates are required to be printed and delivered.

The District may decide to discontinue, pursuant to the procedures of DTC, use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2023 Bond certificates will be printed and delivered to DTC.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS

General

THE SERIES 2023 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY OUT OF THE SERIES 2023 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE COUNTY, THE STATE OF FLORIDA (THE "STATE"), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2023 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, THE SERIES 2023 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2023 BONDS. THE SERIES 2023 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2023 Bonds will be secured by a pledge of the Series 2023 Pledged Revenues. "Series 2023 Pledged Revenues" shall mean (a) all revenues received by the District from the Series 2023 Special Assessments levied and collected on the assessable lands within Assessment Area One of the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2023 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2023 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts created and established under the Indenture with respect to or for the benefit of the Series 2023 Bonds; provided, however, that Series 2023 Pledged Revenues shall not include (A) any moneys transferred to the Series 2023 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2023 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the

foregoing clauses (A), (B) and (C) of this proviso). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS" herein.

The "Series 2023 Special Assessments" shall mean the Special Assessments levied on the assessable lands within Assessment Area One of the District as a result of the District's acquisition and/or construction of the Assessment Area One Project, corresponding in amount to the debt service on the Series 2023 Bonds and designated as such in the Assessment Methodology (as defined herein). The Assessment Methodology, which describes the methodology for allocating the Series 2023 Special Assessments to the assessable lands within Assessment Area One of the District is included as APPENDIX D hereto. The Series 2023 Special Assessments will be levied pursuant to Section 190.022 of the Act, and the Assessment Resolutions (as defined in the First Supplemental Indenture) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the "Assessment Proceedings"). Non-ad valorem assessments are not based on millage and are not taxes, but are a lien against the lands receiving special benefit, including, but not limited to, homestead property, as permitted in Section 4, Article X of the Florida State Constitution. The Series 2023 Special Assessments will constitute a lien against the land as to which the Series 2023 Special Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

Assessment Methodology / Projected Level of District Assessments

As set forth in the Assessment Methodology, the Series 2023 Special Assessments are initially levied on approximately 134+/- gross acres of land which comprise Assessment Area One until such time as lots are platted. As platting of the planned 279 lots within Assessment Area One occurs, the Series 2023 Special Assessments will be assigned to platted lots within Assessment Area One on a first platted, first assigned basis. Assuming that all of the 279 planned residential units within Assessment Area One are developed and platted, then the Series 2023 Special Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See "THE DEVELOPMENT – Development Plan/Status" and "APPENDIX D: ASSESSMENT METHODOLOGY" herein.

		Annual Series 2023
Product Type	No. of Units	Special Assessments Per Unit*
Single-Family	279	\$1,800

^{*}Preliminary, subject to change. This amount is grossed up to include early payment discounts and County collection fees, currently 6%.

The District anticipates levying assessments on residential units in the Development to cover its operation and maintenance costs that will initially be approximately \$1,484 per residential unit annually, which amount is subject to change. In addition, residents will be required to pay homeowners association fees currently estimated to be \$300 per year per unit. The District has no control over the level of homeowners' association fees or amenity fees imposed by the homeowners' association. The land within the District has been and is expected to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2022 was approximately 17.0303, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2023 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Duval County, Florida may each levy ad valorem taxes and/or special assessments upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes

levied by these other entities could be substantially higher than in the current year. See "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information.

Additional Obligations

The District covenants not to issue any other Bonds or other debt obligations secured by the Series 2023 Special Assessments. Such covenant shall not prohibit the District from issuing refunding bonds. In addition, the District shall not issue any other Bonds or debt obligations for capital projects, secured by any Special Assessments on assessable land within Assessment Area One within the District which secure the Series 2023 Special Assessments, until the Series 2023 Special Assessments are Substantially Absorbed. The District's covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. "Substantially Absorbed" means the date at least 75% of the principal portion of the Series 2023 Special Assessments have been assigned to residential units within the District that have received certificates of occupancy. The Issuer or the District Manager on behalf of the District, shall provide the Trustee with a certification that the Series 2023 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2023 Special Assessments are Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the District may issue other Bonds or debt obligations secured by Special Assessments levied on the same land upon which the Series 2023 Special Assessments have been levied, other than the Series 2023 Special Assessments, at any time upon the written consent of the Majority Holders or at any time without any such consent if Special Assessments are levied on any lands within the District which are not subject to the Series 2023 Special Assessments.

The District (subject to provisions described in the next preceding paragraph) and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2023 Special Assessments without the consent of the Owners of the Series 2023 Bonds. The District expects to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2023 Special Assessments, on the same lands upon which the Series 2023 Special Assessments are imposed, to fund the maintenance and operation of the District. See "THE DEVELOPMENT – Taxes, Fees and Assessments" and "BONDOWNERS' RISKS" herein for more information.

Covenant Against Sale or Encumbrance

In the Master Indenture, the District will covenant that (a) except for those improvements comprising the Assessment Area One Project that are to be conveyed by the District to the County, the State Department of Transportation or another governmental entity, and (b) except as otherwise permitted in the Indenture, it will not sell, lease or otherwise dispose of or encumber the Assessment Area One Project or any part thereof. See "APPENDIX A: PROPOSED FORMS OF INDENTURE" herein for more information.

Series 2023 Reserve Account

The Indenture establishes a Series 2023 Reserve Account within the Debt Service Reserve Fund for the Series 2023 Bonds. The Series 2023 Reserve Account will, at the time of delivery of the Series 2023 Bonds, be funded from a portion of the proceeds of the Series 2023 Bonds in an amount equal to the Series 2023 Reserve Requirement. "Series 2023 Reserve Requirement" or "Reserve Requirement" shall mean an amount initially equal to fifty percent (50%) of the maximum annual debt service with respect to the initial principal amount of the Series 2023 Bonds determined on the date of issue. Upon satisfaction of

the Release Conditions, the Series 2023 Reserve Requirement shall be reduced to an amount equal to ten percent (10%) of the maximum annual debt service with respect to the then Outstanding principal amount of the Series 2023 Bonds. "Release Conditions" shall mean all of the following: (a) all of the principal portion of the Series 2023 Special Assessments has been assigned to residential units that have been constructed and each has received a certificate of occupancy; and (b) no Event of Default under the Master Indenture has occurred, all as evidenced pursuant to the provisions of the First Supplemental Indenture. If a portion of the Series 2023 Bonds are redeemed pursuant to the provisions of the First Supplemental Indenture, the Reserve Requirement shall be reduced in accordance with the provisions of the First Supplemental Indenture. Any amount in the Series 2023 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2023 Bonds, be used to pay principal of and interest on the Series 2023 Bonds at that time. The initial Series 2023 Reserve Requirement shall be equal to \$

On each May 1 and November 1 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee will determine the amount on deposit in the Series 2023 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2023 Bonds caused by investment earnings prior to the Completion Date to be transferred to the Series 2023 Acquisition and Construction Account and after the Completion Date to the Series 2023 Revenue Account in accordance with the Indenture.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2023 Reserve Account will be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2023 Bonds to the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2023 Special Assessments and applied to redeem a portion of the Series 2023 Bonds is less than the principal amount of Series 2023 Bonds indebtedness attributable to such lands.

Subject to the provisions of the First Supplemental Indenture, on any date the District or the District Manager, on behalf of the District, receives notice that a landowner wishes to prepay its Series 2023 Special Assessments relating to the benefited property of such landowner within Assessment Area One within the District, or as a result of a mandatory true-up payment, the District shall, or cause the District Manager, on behalf of the District, to calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2023 Prepayment Principal due by the amount of money in the Series 2023 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2023 Reserve Account shall be transferred by the Trustee to the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2023 Reserve Account to the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2023 Bonds in accordance with the provisions of the First Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing, and as further described in the next succeeding paragraph, upon satisfaction of the Release Conditions, the Trustee shall deposit such excess on deposit in the Series 2023 Reserve Account to the Series 2023 Acquisition and Construction Account and pay such amount deposited in the Series 2023 Acquisition and Construction Account to the Person or Persons designated in a requisition in the form attached to the First Supplemental Indenture submitted by the Development Manager within thirty (30) days of such transfer which requisition shall be executed by the District and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided the Development Manager can establish, to the satisfaction of the Consulting Engineer, Costs of the Assessment Area One Project that were not paid from moneys initially deposited in the Series 2023

Acquisition and Construction Account. In the event that there are no unreimbursed Costs to pay to the Development Manager, such excess moneys transferred from the Series 2023 Reserve Account to the Series 2023 Acquisition and Construction Account shall be deposited into the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account upon direction to the Trustee by the District.

Upon satisfaction of the Release Conditions as evidenced by a written certificate of the District Manager delivered to the District and the Trustee, stating that the Release Conditions have been satisfied and setting forth the amount of the new Series 2023 Reserve Requirement, the Trustee shall without further direction reduce the Series 2023 Reserve Requirement to ten percent (10%) of the maximum annual debt service of the then Outstanding principal amount of the Series 2023 Bonds as calculated by the District Manager. The excess amount in the Series 2023 Reserve Account shall be transferred to the Series 2023 Acquisition and Construction Account, as provided in the First Supplemental Indenture. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to the provisions of the First Supplemental Indenture, the District, or the District Manager on behalf of the District, shall calculate the applicable Reserve Requirement and communicate the same to the Trustee and the District shall instruct the Trustee by written direction to apply any excess in the Series 2023 Reserve Account toward such extraordinary mandatory redemption.

It shall be an Event of Default under the Indenture if at any time the amount in the Series 2023 Reserve Account is less than the Series 2023 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement for the Series 2023 Bonds and such amount has not been restored within thirty (30) days of such withdrawal.

Deposit and Application of the Series 2023 Pledged Revenues

Pursuant to the Indenture, the Trustee shall transfer from amounts on deposit in the Series 2023 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each December 15 commencing December 15, 2023, to the Series 2023 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2023 Bonds becoming due on the next succeeding December 15, less any amounts on deposit in the Series 2023 Interest Account not previously credited:

SECOND, upon receipt but no later than the Business Day next preceding each June 15 commencing June 15, 2024, to the Series 2023 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2023 Bonds becoming due on the next succeeding June 15, less any amounts on deposit in the Series 2023 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each June 15, commencing June 15, 20__, to the Series 2023 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2023 Bonds subject to sinking fund redemption on such June 15, less any amounts on deposit in the Series 2023 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding the June 15, which is a principal payment date for any Series 2023 Bonds, to the Series 2023 Principal Account of the Debt Service

Fund, an amount equal to the principal amount of Series 2023 Bonds Outstanding maturing on such June 15, less any amounts on deposit in the Series 2023 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2023 Bonds are subject to redemption on a date which is not a June 15 or December 15 Interest Payment Date, the Trustee shall be authorized to transfer from the Series 2023 Revenue Account to the Series 2023 Interest Account, the amount necessary to pay interest on the Series 2023 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2023 Bonds remain Outstanding, to the Series 2023 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2023 Reserve Requirement for the Series 2023 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2023 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2023 Bonds and next, any balance in the Series 2023 Revenue Account shall remain on deposit in such Series 2023 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2023 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

Investments

The Trustee shall, as directed by the District in writing, invest moneys held in any Accounts in the Debt Service Fund, any Account within the Bond Redemption Fund and the Series 2023 Debt Service Reserve Account only in Government Obligations and the other securities described in the definition of Investment Securities, as set forth in the Indenture. All deposits in time Accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for the purposes set forth in the Indenture. All securities securing investments shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the provisions of the Indenture, any interest and other income so received shall be deposited in the Series 2023 Revenue Account except that prior to the Completion Date, amounts on deposit in the Series 2023 Reserve Account in excess of the Reserve Requirement caused by investment earnings shall be transferred into the Series 2023 Acquisition and Construction Account and after the Completion Date to the Series 2023 Revenue Account. Upon request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. Absent specific instructions as aforesaid, the Trustee shall not be obligated, liable or responsible for not investing funds under the Indenture. The Trustee shall not be liable or responsible for any loss or failure to achieve the highest return, or entitled to any gain, resulting from any investment or sale upon the investment instructions of the District or otherwise. The Trustee may make any investments permitted by the provisions of this section through its own bond department or investment department. The

Trustee shall value the assets in each of the Funds and Accounts forty-five (45) days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but no later than ten (10) Business Days after each such valuation date) and shall provide the District a report of the status of each Fund and Account as of the valuation date. See "APPENDIX A: PROPOSED FORMS OF INDENTURE" hereto.

Covenant to Levy the Series 2023 Special Assessments

The District will covenant to levy the Series 2023 Special Assessments to the extent and in the amount sufficient to pay debt service on the Series 2023 Bonds when due. If any Series 2023 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2023 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2023 Special Assessment when it might have done so, the District has additionally covenanted to either (i) take all necessary steps to cause a new Series 2023 Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (ii) in its sole discretion, make up the amount of such Series 2023 Special Assessment from legally available moneys, which moneys shall be deposited into the Series 2023 Revenue Account. In case such second Series 2023 Special Assessments shall be annulled, the District shall obtain and make other Series 2023 Special Assessments until a valid Series 2023 Special Assessment shall be made.

Prepayment of Series 2023 Special Assessments

Pursuant to the Indenture, at any time any owner of property subject to the Series 2023 Special Assessments may, at its option, or as a result of acceleration of the Series 2023 Special Assessments because of non-payment thereof, or as a result of a true-up payment, shall require the District to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2023 Special Assessments by paying or causing there to be paid, to the District all or a portion (one time) of the Series 2023 Special Assessment, which shall constitute Series 2023 Prepayment Principal, plus accrued interest to the next succeeding Interest Payment Date (or the next succeeding Interest Payment Date if such Prepayment is made within forty-five (45) calendar days before an Interest Payment Date), attributable to the property subject to the Series 2023 Special Assessments owned by such owner. In connection with such Prepayments, in the event the amount in the Series 2023 Reserve Account will exceed the applicable Reserve Requirement as a result of a Prepayment in accordance with this paragraph and the resulting redemption of the Series 2023 Bonds in accordance with the provisions of the First Supplemental Indenture, the excess amount shall be transferred from the Series 2023 Reserve Account to the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account as a credit against the Series 2023 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions to the Trustee of the District Manager upon which the Trustee may conclusively rely, on behalf of the District, together with a certification stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2023 Reserve Account to equal or exceed the then Reserve Requirement for the Series 2023 Bonds and which certificate of the District Manager will further state that, after giving effect to the proposed redemption of Series 2023 Bonds, there will be sufficient Series 2023 Pledged Revenues to pay the principal and interest, when due, on all Series 2023 Bonds that will remain Outstanding.

Pursuant to the Act, an owner of property subject to the levy of Series 2023 Special Assessments may pay the entire balance of the Series 2023 Special Assessments remaining due, without interest, within thirty (30) days after the Assessment Area One Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the Assessment Area One Project pursuant to Chapter 170.09, Florida Statutes. The AG Landowner, as the owner of all of the property within Assessment Area One, will

covenant to waive this right on behalf of itself and its respective successors and assigns in connection with the issuance of the Series 2023 Bonds.

Any prepayment of Series 2023 Special Assessments will result in the extraordinary mandatory redemption of a portion of the Series 2023 Bonds as indicated under "DESCRIPTION OF THE SERIES 2023 BONDS - Redemption Provisions - Extraordinary Mandatory Redemption." The prepayment of Series 2023 Special Assessments does not entitle the owner of the property to a discount for early payment.

Development Manager and AG Landowner Agreements

The Development Manager and the District will enter into an Agreement Regarding the Acquisition of Certain Work Product and Infrastructure in connection with the issuance of the Series 2023 Bonds, pursuant to which the District will acquire all or portions of the Assessment Area One Project from the Development Manager. It is anticipated that the Development Manager will sell certain portions of the Assessment Area One Project to the District prior to the issuance of the Series 2023 Bonds and the District will use a portion of the proceeds of the Series 2023 Bonds to pay the Development Manager for such previously-sold portions of the Assessment Area One Project.

The Development Manager will enter into several other agreements with the District in connection with the issuance of the Series 2023 Bonds. Specifically, the Development Manager will enter into an Agreement Regarding the Completion of Certain Improvements (Assessment Area One Project) (the "Completion Agreement") that will obligate the Development Manager to complete any portions of the Assessment Area One Project not funded with proceeds of the Series 2023 Bonds. Notwithstanding the Completion Agreement, there is a risk that the Assessment Area One Project will not be completed. See "BONDOWNERS' RISK – No. 16" herein.

In addition, the AG Landowner and the Development Manager will execute and deliver to the District a Collateral Assignment and Assumption of Development and Contract Rights Relating to the Assessment Area One Project (the "Collateral Assignment Agreement") pursuant to which the AG Landowner and the Development Manager will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the AG Landowner or the Development Manager, development rights relating to the Assessment Area One Project. Notwithstanding the Collateral Assignment Agreement, and in the event the District forecloses on the lands subject to the Series 2023 Special Assessments as a result of the AG Landowner's, Development Manager's or subsequent landowners' failure to pay such assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the Assessment Area One Project or the development of the lands in the District sufficient to absorb the allocation of the Series 2023 Special Assessments. See "BONDOWNERS' RISK – No. 16" herein.

Finally, the AG Landowner and the Development Manager (to the extent the Development Manager has taken down any lots before the issuance of the Series 2023 Bonds), will also enter into an Agreement Regarding the True Up and Payment of Special Assessments for the Series 2023 Bonds (the "True-Up Agreement") in connection with its obligations to pay true-up payments in the event that, generally stated, debt levels remaining on unplatted lands in the District increase above the maximum debt levels set forth in the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" herein for additional information regarding the "true-up mechanism."

The descriptions of the various agreements herein are all qualified by the specific terms of the agreements. All such obligations of the Development Manager and the AG Landowner are unsecured obligations.

Indenture Provisions Relating to Bankruptcy or Insolvency of Certain Landowners

The following provisions of the Master Indenture shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Series 2023 Special Assessments (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Series 2023 Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Series 2023 Bonds or the Series 2023 Special Assessments, the District, to the extent permitted by applicable law, shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Series 2023 Bonds or for as long as any Series 2023 Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Series 2023 Bonds or the Series 2023 Special Assessments or the Trustee. The District agrees in the Master Indenture that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

In the Indenture, the District acknowledges and agrees that, although the Series 2023 Bonds were issued by the District, the Owners of the Series 2023 Bonds are categorically the party with the ultimate financial stake with respect to the Series 2023 Bonds and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the District, to the extent permitted by applicable law, hereby agrees that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2023 Special Assessments, the Series 2023 Bonds or any rights of the Trustee under the Indenture, (b) to the extent permitted by applicable law, the District agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2023 Special Assessments, the Series 2023 Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee, (c) to the extent permitted by applicable law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal of the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a bankruptcy plan to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District claim and rights with respect to the Series 2023 Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Series 2023 Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim. Notwithstanding the provisions of the

immediately preceding paragraphs, nothing in the Indenture shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments and the District shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the District in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Special Assessments relating to the Bonds Outstanding whether such claim is pursued by the District or the Trustee.

Events of Default and Remedies

<u>Events of Default Defined</u>. The Indenture provides that each of the following shall be an "Event of Default" under the Indenture, with respect to the Series 2023 Bonds:

- (a) if payment of any installment of interest on any Series 2023 Bond is not made when it becomes due and payable; or
- (b) if payment of the principal or Redemption Price of any Series 2023 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or
- (c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act which may be determined solely by the Majority Holders; or
- (d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or
- (e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in the Series 2023 Bonds and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or
- (f) if at any time the amount in the Series 2023 Reserve Account is less than the Series 2023 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Series 2023 Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or
- (g) more than twenty percent (20%) of the "maintenance special assessments" levied by the District on District Lands upon which the Series 2023 Special Assessments are levied to secure the Series 2023 Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, within ninety (90) days of when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

<u>No Acceleration; Redemption</u>. No Series 2023 Bonds shall be subject to acceleration. Upon an Event of Default, no optional redemption or extraordinary mandatory redemption of the Series 2023 Bonds pursuant to the Indenture shall occur unless all of the Series 2023 Bonds where an Event of Default has occurred will be redeemed or 100% of the Holders of the Series 2023 Bonds agree to such redemption.

<u>Legal Proceedings by Trustee</u>. If any Event of Default with respect to the Series 2023 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Holders of not less than a majority of the aggregate principal amount of the Outstanding Series 2023 Bonds and receipt of indemnity to its satisfaction shall, in its own name:

- (a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2023 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Series 2023 Bondholders and to perform its or their duties under the Act;
 - (b) bring suit upon the Series 2023 Bonds;
- (c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2023 Bonds;
- (d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2023 Bonds; and
- (e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2023 Bonds.

<u>Discontinuance of Proceedings by Trustee</u>. If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, the District, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

Bondholders May Direct Proceedings. The Majority Holders then subject to remedial proceedings under the Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law and the provisions of the Indenture.

Application of Moneys in Event of Default. Any moneys received by the Trustee or the Paying Agent, as the case may be, in connection with any proceedings brought under Article X of the Master Indenture with respect to the Series 2023 Bonds shall be applied in the following order of priority:

(a) to the payment of the costs of the Trustee and Paying Agent incurred in connection with actions taken under Article X of the Master Indenture with respect to such Series 2023 Bonds, including Counsel fees and any disbursements of the Trustee and the Paying Agent and payment of unpaid fees and expenses owed to the Trustee.

(b) then:

FIRST: to payment of all installments of interest then due on the Series 2023 Bonds in the order of maturity of such installments of interest, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any preference or priority of one installment of interest over any other installment; and

SECOND: to payment to the persons entitled thereto of the unpaid principal or Redemption Price of any of the Series 2023 Bonds which shall have become due in the order of their due dates, with interest on such Series 2023 Bonds from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full the principal or Redemption Price coming due on such Series 2023 Bonds on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any preference or priority of one such Series 2023 Bond over another Bond or of any installment of interest over another.

Any surplus remaining after the payments described above shall be paid to the District or to the Person lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2023 Bonds is the Series 2023 Special Assessments imposed on assessable lands within Assessment Area One specially benefited by the Assessment Area One Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY" herein and "APPENDIX D: ASSESSMENT METHODOLOGY."

The imposition, levy, and collection of Series 2023 Special Assessments must be done in compliance with procedural requirements and guidelines provided by State law. Failure by the District, the Duval County Tax Collector (the "Tax Collector") or the Duval County Property Appraiser (the "Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2023 Special Assessments during any year. Such delays in the collection of Series 2023 Special Assessments, or complete inability to collect any of the Series 2023 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on such Series 2023 Bonds. See "BONDOWNERS' RISKS Nos. 1 and 2." To the extent that landowners fail to pay the Series 2023 Special Assessments or delay payments, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2023 Bonds.

For the Series 2023 Special Assessments to be valid, the Series 2023 Special Assessments must meet two requirements: (1) the benefit from the Assessment Area One Project to the lands subject to the Series 2023 Special Assessments must exceed or equal the amount of the Series 2023 Special Assessments, and (2) the Series 2023 Special Assessments must be fairly and reasonably allocated across all such benefitted properties. The Certificate of the Assessment Consultant certifies that these requirements have been met with respect to the Series 2023 Special Assessments.

Pursuant to the Act, and the Assessment Proceedings, the District may collect the Series 2023 Special Assessments through a variety of methods. See "BONDOWNERS' RISKS." Initially, and for

undeveloped properties owned by the Development Manager and the AG Landowner, the District will directly issue annual bills to landowners requiring payment of the Series 2023 Special Assessments, and will enforce that bill through foreclosure proceedings. See "ASSESSMENT METHODOLOGY" and "APPENDIX D: ASSESSMENT METHODOLOGY." As lands are developed, the Series 2023 Special Assessments will be added to the County tax roll and collected pursuant to the Uniform Method. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing & Foreclosure Procedure

As noted above, and pursuant to Chapters 170 and 190 of the Florida Statutes, the District may directly levy, collect and enforce the Series 2023 Special Assessments. In this context, section 170.10 of the Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2023 Special Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay the Series 2023 Special Assessments and the ability to foreclose the lien of such Series 2023 Special Assessments upon the failure to pay such Series 2023 Special Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2023 Special Assessments. See "BONDOWNER'S RISKS."

Uniform Method Procedure

Subject to certain conditions, and for developed lands (as described above), the District may alternatively elect to collect the Series 2023 Special Assessments using the Uniform Method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2023 Special Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2023 Special Assessments will be collected together with County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in Assessment Area One. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such Taxes and Assessments – including the Series 2023 Special Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2023 Special Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2023 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2023 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2023 Bonds.

Under the Uniform Method, if the Series 2023 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2023 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2023 Special Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2023 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2023 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2023 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2023 Special Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs, and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs, and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs, and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2023 Special Assessments), interest, costs and charges on the real property described in the certificate.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued (unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees), at a price

equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on nonhomestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear. If the property is purchased for an amount in excess of the statutory bid of the certificate holder, but such excess is not sufficient to pay all governmental liens of record, the excess shall be paid to each governmental unit pro rata.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County Commission that the property is available. At

any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2023 Special Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2023 Special Assessments, which are the primary source of payment of the Series 2023 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDOWNERS' RISKS."

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described under other headings of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2023 Bonds offered hereby and are set forth below. Prospective investors in the Series 2023 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2023 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. The information under this heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2023 Bonds and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2023 Bonds.

As of the date hereof, the AG Landowner owns all of the lands within Assessment Area One, which are the lands that will initially be subject to the Series 2023 Special Assessments securing the Series 2023 Bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS" herein. Payment of the Series 2023 Special Assessments is primarily dependent upon their timely payment by the AG Landowner and subsequent landowners in the District. See "THE AG LANDOWNER AND THE DEVELOPMENT MANAGER" herein. In the event of the institution of bankruptcy or similar proceedings with respect to the AG Landowner, the Development Manager or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2023 Bonds as such bankruptcy could negatively impact the ability of: (i) the AG Landowner, the Development Manager and any other landowner being able to pay the Series 2023 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2023 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2023 Special Assessments not being collected pursuant to the Uniform Method. The Uniform Method will not be used with respect to any assessable lands which are still owned by the AG Landowner, the Development Manager or an entity affiliated with the AG Landowner or the Development Manager until such time lots are platted unless the majority of the owners of the Bonds Outstanding direct the District to use the Uniform Method or the District is unable to use the Uniform Method. In addition, the remedies available to the Owners of the Series 2023 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2023 Bonds, including, without limitation, enforcement of the obligation to pay Series 2023 Special Assessments and the ability of the District to foreclose the lien of the Series 2023 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2023 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2023 Bonds could have a material adverse impact on the interest of the Owners thereof.

- The principal security for the payment of the principal and interest on the Series 2023 Bonds is the timely collection of the Series 2023 Special Assessments. The Series 2023 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the landowners will be able to pay the Series 2023 Special Assessments or that they will pay such Series 2023 Special Assessments even though financially able to do so. Beyond legal delays that could result from bankruptcy or other legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the Tax Collector to sell tax certificates in regard to delinquent Series 2023 Special Assessments collected pursuant to the Uniform Method will be dependent upon various factors, including the interest rate which can be earned by ownership of such certificates and the value of the land which is the subject of such certificates and which may be subject to sale at the demand of the certificate holder after two years. The assessment of the benefits to be received by the benefited land within Assessment Area One as a result of implementation and development of the Assessment Area One Project is not indicative of the realizable or market value of the land, which value may actually be higher or lower than the assessment of benefits. To the extent that the realizable or market value of the land benefited by the Assessment Area One Project is lower than the assessment of benefits, the ability of the Tax Collector to sell tax certificates relating to such land or the ability of the District to realize sufficient value from a foreclosure action to pay debt service on the Series 2023 Bonds may be adversely affected. Such adverse effect could render the District unable to collect delinquent Series 2023 Special Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2023 Bonds.
- 3. The value of the lands subject to the Series 2023 Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District lands unable to support future development. Changing weather patterns have increased the likelihood of flooding within the County. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2023 Bonds. The Series 2023 Bonds are not insured and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.
- 4. The development of the Assessment Area One Project is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such

approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals," and "– Environmental" herein for more information. Moreover, the AG Landowner and the Development Manager has the right to modify or change its plan for development of the Development, from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with, and subject to the provisions of the Act, to contract or expand the boundaries of the District.

- 5. The successful sale of the residential units, once such homes are built within the Development may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the AG Landowner and the Development Manager. See "BONDOWNERS' RISKS No. 20" herein.
- 6. Neither the AG Landowner, the Development Manager nor any other subsequent landowner in the District has any personal obligation to pay the Series 2023 Special Assessments. As described in paragraph 2 above, the Series 2023 Special Assessments are an imposition against the land within Assessment Area One only. Neither the AG Landowner, the Development Manager nor any other subsequent landowner is a guarantor of payment of any Series 2023 Special Assessment and the recourse for the failure of the AG Landowner, the Development Manager or any other landowner to pay the Series 2023 Special Assessments is limited to the collection proceedings against the land as described herein.
- 7. The willingness and/or ability of an owner of benefited land within Assessment Area One to pay the Series 2023 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2023 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District, could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District, including Assessment Area One. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2023 Special Assessments. In addition, lands within the District may also be subject to assessments by property and home owner associations.
- 8. The Series 2023 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2023 Bonds in the event an Owner thereof determines to solicit purchasers of the Series 2023 Bonds. The Series 2023 Bonds are being sold pursuant to exemptions from registration under applicable securities laws. No secondary market may develop and an owner may not be able to resell the Series 2023 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2023 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2023 Bonds, depending on the progress of development of Assessment Area One, existing real estate and financial market conditions and other factors. See "BONDOWNERS' RISKS No. 20" below.
- 9. In addition to legal delays that could result from bankruptcy or legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the District to enforce collection of delinquent Series 2023 Special Assessments will be dependent upon various factors, including the delay inherent in any judicial proceeding to enforce the lien of the Series 2023 Special Assessments and the value of the land which is the subject of such proceedings and which may be subject to sale. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS Indenture Provisions Relating to Bankruptcy or Insolvency of Certain Landowners" herein. If the District has difficulty in collecting the

Series 2023 Special Assessments, the Series 2023 Reserve Account could be rapidly depleted and the ability of the District to pay debt service would be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2023 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2023 Reserve Account is accessed for such purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2023 Special Assessments in order to provide for the replenishment of the Series 2023 Reserve Account.

- 10. The value of the land within the District, the success of the development of the Development and the likelihood of timely payment of principal and interest on the Series 2023 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the Development and the likelihood of the timely payment of the Series 2023 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. Except as described under "THE DEVELOPMENT – Environmental", the AG Landowner and the Development Manager is not aware of any condition which currently requires, or is reasonably expected to require in the foreseeable future, investigation or remediation under any applicable federal, state or local governmental laws or regulations relating to the environment. See "THE DEVELOPMENT – Environmental" for more information on the Development Manager's environmental site assessments. Nevertheless, it is possible that hazardous environmental conditions could exist within the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District and no assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future whether originating within the District or from surrounding property, and what effect such may have on the development of the Development.
- 11. If the District should commence a foreclosure action against a landowner for nonpayment of Series 2023 Special Assessments if the Series 2023 Special Assessments are not being collected pursuant to the Uniform Method, such landowners may raise affirmative defenses to such foreclosure action, which although such affirmative defenses would likely be proven to be without merit, could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Series 2023 Bondholders to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code (as defined herein), there are limitations on the amounts of Series 2023 Bond proceeds that can be used for such purpose.
- 12. Under Florida law, a landowner may contest the assessed valuation determined for its property which forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a Tax Certificate under the Uniform Method will be suspended. If the Series 2023 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to the Series 2023 Special Assessment even though the landowner is not contesting the amount Series 2023 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem taxes and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. In the event a taxpayer fails to pay their property taxes by April 1, the Value Adjustment Board is required to deny their petition by written decision by April 20 of such year.

13. The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations require that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it will withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS believed that these proposed regulations should be withdrawn in their entirety." On October 20, 2017 a notice of withdrawal was published in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that they must have qualified electors within five years of the issuance of tax-exempt bonds or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the District has been established for six years and there are 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by resident landowners unaffiliated with the AG Landowner

and the Development Manager. Currently, all members of the Board of the District were elected by the Development Manager and none were elected by qualified electors or resident landowners. The Development Manager will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors or resident landowners pursuant to the Act, and its expectations as to compliance with the Act by any members of the Board that they elect; thus, if the District does not reach the minimum of 250 qualified electors after the sale of units to homebuyers, although the Board will continue to be elected by landowners, these landowners will be homebuyers, in the District. Such certification by the Development Manager does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2023 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable state or federal law.

Owners of the Series 2023 Bonds are advised that, if the IRS does audit the Series 2023 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2023 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2023 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2023 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2023 Bonds would adversely affect the availability of any secondary market for the Series 2023 Bonds. Should interest on the Series 2023 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2023 Bonds be required to pay income taxes on the interest received on such Series 2023 Bonds and related penalties, but because the interest rate on such Series 2023 Bonds will not be adequate to compensate Owners of the Series 2023 Bonds for the income taxes due on such interest, the value of the Series 2023 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATE ON THE SERIES 2023 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2023 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2023 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2023 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2023 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

- 14. In addition to a possible determination by the IRS that the District is not a political subdivision for purposes of the Code, and regardless of the IRS determination, it is possible that federal or state regulatory authorities could also determine that the District is not a political subdivision for purposes of the federal and state securities laws. Accordingly, the District and purchasers of Series 2023 Bonds may not be able to rely on the exemption from registration under the Securities Act of 1933, as amended (the "Securities Act"), relating to securities issued by political subdivisions. In that event the Owners of the Series 2023 Bonds would need to ensure that subsequent transfers of the Series 2023 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act.
- 15. Various proposals are mentioned from time to time by members of the Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United

States. In addition, the IRS may, in the future, issue rulings that have the effect of changing the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2023 Bonds, by eliminating or changing the tax-exempt status of interest on certain of such bonds. Whether any of such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2023 Bonds, cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2023 Bonds. See also "TAX MATTERS."

- 16. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the Assessment Area One Project, that the District will be able to raise through the issuance of bonds, or otherwise, the moneys necessary to complete the Assessment Area One Project. Further, pursuant to the First Supplemental Indenture, the District covenants not to issue any other Bonds or other debt obligations secured by the Series 2023 Special Assessments. Such covenant shall not prohibit the District from issuing refunding Bonds. In addition, the District covenants not to issue any other Bonds or debt obligations for capital projects, secured by any Special Assessments on assessable land within Assessment Area One within the District which secure the Series 2023 Special Assessments, until the Series 2023 Special Assessments are Substantially Absorbed. The District's covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. Notwithstanding any provision in the Indenture to the contrary, the District may issue other Bonds or debt obligations secured by Special Assessments levied on the same land upon which the Series 2023 Special Assessments have been levied, other than the Series 2023 Special Assessments, at any time upon the written consent of the Majority Holders or at any time without any such consent if Special Assessments are levied on any lands within the District which are not subject to the Series 2023 Special Assessments. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS -Additional Obligations" for more information. The Development Manager will enter into the Completion Agreement with the District with respect to any unfinished portions of the Assessment Area One Project not funded with the proceeds of the Series 2023 Bonds. Although the Development Manager will agree to complete the Assessment Area One Project (as hereinafter defined) regardless of any insufficiency of proceeds from the Series 2023 Bonds and will enter into a Completion Agreement with the District as evidence thereof, there can be no assurance that the Development Manager will have sufficient resources to do so. Such obligation of the Development Manager is an unsecured obligation. The AG Landowner and the Development Manager will also execute and deliver to the District the Collateral Assignment Agreement, pursuant to which the AG Landowner and the Development Manager will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the AG Landowner and the Development Manager, development rights relating to the Assessment Area One Project. Notwithstanding the Collateral Assignment Agreement, in the event the District forecloses on the lands subject to the Series 2023 Special Assessments as a result of the AG Landowner's or subsequent landowners' failure to pay such assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the development of the Assessment Area One Project. See "THE CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA ONE PROJECT" and "THE DEVELOPMENT" herein for more information.
- 17. It is impossible to predict what new proposals may be presented regarding ad valorem tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to

establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renews requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any future legislation will or may have on the security for the Series 2023 Bonds. It should be noted that Section 190.016(14) of the Act provides in pertinent part that "The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders."

- 18. In the event a bank forecloses on property within the Assessment Area One because of a default on a mortgage on such property in favor of such bank and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2023 Special Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.
- 19. The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2023 Bonds.
- 20. In addition to the general economic conditions discussed above, the timely and successful completion of the Development and the construction and sale of residential units therein may be adversely impacted by future public health emergencies or government regulations instituted in response thereto. Although it is unclear at this time what, if any, potential impacts future public health emergencies or government regulations instituted in response thereto may have on the Development, it is possible that construction delays, supply chain delays, delays in the receipt of permits or other government approvals or other delays could occur as a result of such emergencies that adversely impact the Development. Further, while the effects may be temporary, it may alter the future behavior of businesses and people in a manner that could have negative impacts on global and local economies, which could adversely impact the completion of the Development and/or the successful construction and sale of homes in the Development.
- 21. In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2023 Bonds are subject to extraordinary mandatory redemption as a result of prepayments of the Series 2023 Special Assessments by owners of the property within the Development or from excess moneys in the Series 2023 Acquisition and Construction Account after the completion of the Assessment Area One Project. Any such redemptions of the Series 2023 Bonds would be at the principal amount of such Series 2023 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2023 Bonds may not realize their anticipated rate of return on the Series 2023 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2023 Bonds. See "DESCRIPTION OF THE SERIES 2023 BONDS Redemption Provisions" and "SECURITY FOR

30

AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Prepayment of Series 2023 Special Assessments" herein for more information.

THE DISTRICT

General Information

The District was established under the provisions of the Act and created by Ordinance No. 2021-451-E enacted by the City Council of the City on August 24, 2021 and effective on August 30, 2021, pursuant to the provisions of the Act. The boundaries of the District include approximately 345+/- gross acres of land (of which only 319+/- gross acres of land are developable) (the "District Lands") located entirely within the incorporated area of the City within the County.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter. The District is classified as an independent district under Chapter 189, Florida Statutes.

Among other provisions, the Act gives the District's Board of Supervisors (the "Board") the authority to, among other things, (a) plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; and (iv) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

As a special district, the District has only those powers specifically delegated to it by the Act and the Ordinance, or necessarily implied from powers specifically delegated to it. The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits; these functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any owner of Bonds of the District to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2023 Bonds.

Board of Supervisors

The governing body of the District is its Board, which is composed of five Supervisors (the "Supervisors"). The Act provides that, at the initial meeting of the landowners, Supervisors must be elected by the landowners with the two Supervisors receiving the highest number of votes to serve for four years and the remaining Supervisors to serve for a two-year term. Three of the five Supervisors are elected to the Board every two years in November. At such election the two Supervisors receiving the highest number of votes are elected to four-year terms and the remaining Supervisor is elected to a two-year term. Until the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, or such earlier time as the Board may decide to exercise its ad valorem taxing power, the Supervisors are elected by vote of the landowners of the District. Ownership of the land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number and, for purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre and shall not be aggregated for determining the number of voting units held). Upon the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, the Supervisors whose terms are expiring will be elected (as their terms expire) by qualified electors of the District, except as described below. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State of Florida and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, both to four-year terms. Thereafter, as terms expire, all Supervisors must be qualified electors and are elected to serve four-year terms. If there is a vacancy on the Board, whether as a result of the resignation or removal of a Supervisor or because no elector qualifies for a seat to be filled in an election, the remaining Board members are to fill such vacancy for the unexpired term.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be qualified electors and shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

Name	<u>Title</u>	Term Expires
Zenzi Rogers*	Chairperson	November 2024
James "Chris" Mayo*	Vice-Chairperson	November 2024
Ross Puzzitiello**	Assistant Secretary	November 2026
Rick Puzzitiello**	Assistant Secretary	November 2026
Michael Della Penta*	Assistant Secretary	November 2024

^{*} Employee of, or affiliated with, the Development Manager.

^{**} Employee of, or affiliated with, the original developer of the Development.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the Board shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida's open meeting or "Sunshine" law.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Inframark, LLC, to serve as its district manager ("District Manager"). The District Manager's office is located at 2005 Pan Am Circle, Suite #300, Tampa, Florida 33607.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Greenberg Traurig, P.A., West Palm Beach, Florida, as Bond Counsel; Dominion Engineering Group, Inc., Jacksonville, Florida, as District Engineer; and Kutak Rock LLP, Tallahassee, Florida, as District Counsel. The Board has also retained the District Manager to serve as Methodology Consultant and to prepare the Assessment Methodology and to serve as dissemination agent for the Series 2023 Bonds.

No Existing Indebtedness

The District has not previously issued any other bonds or indebtedness.

THE CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA ONE PROJECT

Dominion Engineering Group, Inc. (the "District Engineer") prepared a report entitled Amended Master Engineer's Report for Seaton Creek Reserve Community Development District dated November 7, 2022, revised on March 21, 2023 and April 24, 2023, as may be supplemented and amended from time to time (collectively, the "Engineer's Report"). Assessment Area Two contains 185+/- gross acres of land and is planned to consist of 475 residential units ("Assessment Area Two"). The Series 2023 Bonds will fund a portion of the Capital Improvement Plan associated with Assessment Area One (the "Assessment Area One Project"). The District Engineer, in the Engineer's Report estimates the total cost of the Assessment Area One Project to be approximately \$37,767,281, as more particularly described below.

The Series 2023 Bonds will be secured by the Series 2023 Special Assessments, which will initially be levied on the 134+/- gross acres of land which comprise Assessment Area One until such time as lots are platted. As platting of the planned 279 lots within Assessment Area One occurs, the Series 2023 Special Assessments will be assigned to the platted lots within Assessment Area One on a first platted, first assigned basis, as set forth in the Assessment Methodology. The District plans to issue one or more additional series of bonds to finance the infrastructure associated with Assessment Area Two. Such additional series of bonds will not be secured by special assessments levied on the lands within Assessment Area One. See "APPENDIX D: ASSESSMENT METHODOLOGY" and "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for more information.

Land development for Assessment Area One will occur in phases with final completion expected by March 2024. As of the date hereof, the Development Manager has spent approximately \$15 million towards land development associated with Assessment Area One, a portion of which includes the Assessment Area One Project. Net proceeds of the Series 2023 Bonds to be deposited into the Series 2023

Acquisition and Construction Account will be approximately \$6.18 million* and such proceeds will be used by the District towards the construction and/or acquisition of the Assessment Area One Project. The information appearing below under the captions "THE DEVELOPMENT" and "THE AG LANDOWNER AND THE DEVELOPMENT MANAGER" has been furnished by either the AG Landowner or the Development Manager for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by Bond Counsel, the District or its counsel, or the Underwriter or its counsel, and no persons other than the AG Landowner or the Development Manager make any representation or warranty as to the accuracy or completeness of such information supplied by them. The following information is provided by either the AG Landowner or the Development Manager as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. Neither the AG Landowner, the Development Manager nor any other party is guaranteeing payment of the Series 2023 Bonds or the Series 2023 Special Assessments.

THE DEVELOPMENT

General

The District Lands encompass approximately 345+/- gross acres (of which only 319+/- gross acres of land are developable) located entirely within the incorporated area of the City of Jacksonville, Florida (the 'City") within Duval County, Florida (the "County"). The District is planned to contain a 754 unit residential community known as "Seaton Creek" (the "Development"). The Development is located near the Jacksonville International Airport, west of Interstate-95 and bounded to the south by Pecan Park Road.

Land development associated with the District Lands will occur in phases. Two assessment areas have been created to facilitate the District's financing program. Assessment Area One contains 134+/- gross acres of land and is planned to consist of 279 single-family residential units. Assessment Area Two contains 185+/- gross acres of land and is planned to consist of 475 single-family residential units.

The District is issuing the Series 2023 Bonds to finance a portion of the Assessment Area One Project. The Series 2023 Bonds will be secured by the Series 2023 Special Assessments, which will initially be levied on the 134+/- gross acres of land which comprise Assessment Area One until such time as lots are platted. As platting of the planned 279 lots within Assessment Area One occurs, the Series 2023 Special Assessments will be assigned to the platted lots within Assessment Area One on a first platted, first assigned basis, as set forth in the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" and "– Taxes, Fees and Assessments" herein for more information.

The District plans to issue one or more additional series of bonds to finance the infrastructure associated with Assessment Area Two. Such additional series of bonds will not be secured by special assessments levied on the lands within Assessment Area One. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Additional Obligations" herein for more information.

AG EHC II (LEN) Multi State 1, LLC, a Delaware limited liability company (the "AG Landowner") is the owner of the assessable land within Assessment Area One. The AG Landowner entered into the Construction Agreement with Lennar Homes, LLC, a Florida limited liability company (the "Development Manager") pursuant to which the Development Manager will manage the installation of infrastructure improvements for the Development. The Development Manager will construct and market residential units for sale to homebuyers. As of the date hereof, the AG Landowner owns the land planned for 279 lots in Assessment Area One. See "THE AG LANDOWNER AND THE DEVELOPMENT MANAGER" herein for more information.

The target customers for residential units within Assessment Area One are primarily first time homebuyers and move-up homebuyers. Single-family homes within Assessment Area One are expected to range in size from 1,712 square feet to 2,657 square feet with prices ranging from \$291,990 to \$385,490. See "– Residential Product Offerings" herein for more information.

Land Acquisition and the Option Agreement

The Development Manager acquired the lands within the Development in February 2021 for approximately \$7.5 million and subsequently sold the lands within the Development to the AG Landowner in February 2022 for approximately \$8 million. There are currently no mortgages on the lands within the Development.

The AG Landowner entered into a Construction Agreement dated February 15, 2022 (the "Construction Agreement") with the Development Manager pursuant to which the Development Manager will manage the installation of infrastructure improvements for the Development and the AG Landowner is obligated to reimburse the Development Manager for the associated costs incurred not funded with the proceeds of the Series 2023 Bonds. Pursuant to the Construction Agreement, the AG Landowner is obligated to fund and the Development Manager is obligated to complete the installation of the infrastructure related to the Development which is budgeted to cost approximately \$25,801,370. The Development Manager is obligated to pay all cost overruns.

The Development Manager and the AG Landowner entered into an Option Agreement dated February 15, 2022, as may be amended and supplemented from time to time (the "Option Agreement"). Pursuant to the Option Agreement, the Development Manager paid the AG Landowner an option payment of \$3,610,171 (the "Option Payment") for the right to acquire all of the developed lots within Assessment Area One at approximately \$110,816 per single-family fifty-foot (50') lot and \$125,124 per single-family sixty-foot (60') lot. Assessment Area One is planned to consist of (i) one hundred seventy-seven (177) single-family homes on fifty foot (50') lots and (ii) one hundred two (102) single-family homes on sixty foot (60') lots. The Option Payment is nonrefundable except in the event of a default by the AG Landowner and is to be applied against lot takedowns in accordance with the terms of the Option Agreement. Pursuant to the Option Agreement, the initial takedown of 25 lots is expected to occur in June 2023 and the remaining takedowns are required to occur every month thereafter until all remaining lots owned by the AG Landowner have been acquired. The Development Manager has the right to acquire the lots early, subject to an early purchase premium, and to terminate the Option Agreement at any time upon delivery of written notice to the AG Landowner. As of the date hereof, the AG Landowner owns the land planned for 279 lots in Assessment Area One. See "BONDOWNERS' RISKS – No. 16" herein.

Development Finance Plan

The total land development costs associated with Assessment Area One are expected to be approximately \$32.5 million, consisting of the costs of the Assessment Area One Project (excluding the cost of the Amenity) and other hard and soft costs. As of the date hereof, the Development Manager has spent approximately \$15 million towards land development activity associated with Assessment Area One, a portion of which includes the Assessment Area One Project. Net proceeds from the Series 2023 Bonds to be deposited into the Series 2023 Acquisition and Construction Account will be approximately \$6.18 million* and such proceeds will be used by the District towards the funding and/or acquisition of a portion of the Assessment Area One Project. The Development Manager will enter into the Completion Agreement

that will obligate the Development Manager to complete any portions of the Assessment Area One Project not funded with proceeds of the Series 2023 Bonds. See "BONDOWNERS' RISKS – No. 16" herein.

Development Plan / Status

Land development associated with Assessment Area One will occur in phases and commenced in June 2022, with final completion expected by March 2024.

Assessment Area One will be developed in the phases, as more particularly set forth below.

<u>Phase One</u>. Phase one of Assessment Area One is planned to contain 59 single-family residential units ("Phase One"). Land development associated with Phase One is substantially complete, with final completion expected by the fourth calendar quarter of 2023. A final plat for 59 lots within Phase One is expected to be recorded in June 2023, at which time the Development Manager will begin to takedown lots pursuant to the Option Agreement. As of the date hereof, approximately 60 residential units within Phase One are under contract with homebuyers and 6 residential units are under construction. Closings with homebuyers are expected to commence in September 2023.

<u>Phase Two</u>. Phase two of Assessment Area One is planned to contain 103 single-family residential units ("Phase Two"). Land development for Phase Two is underway and is expected to be completed by January 2024, at which point sales and vertical construction will commence. A final plat for Phase Two is expected to be recorded in September 2023.

<u>Phase Three</u>. Phase three of Assessment Area One is planned to contain 117 single-family residential units ("Phase Three"). Land development for Phase Three is underway and is expected to be completed by March 2024, at which point sales and vertical construction will commence. A final plat for Phase Three is expected to be recorded in September 2023.

The Development Manager anticipates that approximately 90 residential units within Assessment Area One will be sold and closed with homebuyers per annum until build out, which is expected by the fourth calendar quarter of 2026. This anticipated absorption is based upon estimates and assumptions made by the Development Manager that are inherently uncertain, though considered reasonable by the Development Manager, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Development Manager. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

Residential Product Offerings

The target customers for units within the Development are first time homebuyers and move-up homebuyers. Below is a summary of the expected types of units and starting price ranges for units in the Development.

Product Type	Square Footage	Beds/Baths	Starting Price Range
Single-Family	1,712 to 2,657	3 to 4 Bedrooms, 2 to 3 Baths	\$291,990 to \$385,490

Development Approvals

The land within the Development, including, without limitation, the land therein subject to the Series 2023 Special Assessments, is zoned to allow for the contemplated residential uses described herein. All permits have been received by jurisdictional agencies to allow for the development contemplated herein or are reasonably expected to be received in the ordinary course.

Environmental

A Phase I Environmental Site Assessment was prepared by Kleinfelder Inc., dated April 8, 2021 (the "ESA"), covering the land in Assessment Area One. The ESA revealed no recognized environmental conditions in connection with Assessment Area One. See "BONDOWNERS' RISK - No. 10" herein for more information regarding potential environmental risks.

Amenities

The Development is planned to contain an approximately 4,260 square foot clubhouse (3,060 square feet under air conditioning), a resort-style swimming pool, a fitness center, tot lot, various recreation fields and courts (collectively, the "Amenity"). Construction of the Amenity is expected to commence in third calendar quarter of 2024. The estimated cost of the Amenity is approximately \$6 million, which is included as a cost of the Assessment Area One Project, but will be funded by the Development Manager. The Amenity will be owned, operated and maintained by the District.

Utilities

Potable water, wastewater treatment and reclaimed wastewater (reuse services) for the Development are expected to be provided by Jacksonville Electric Authority. Electric power is expected to be provided by Jacksonville Electric Authority. Cable television and broadband cable services are expected to be provided by FisionX. All utility services will be available to the property.

Taxes, Fees and Assessments

As set forth in the Assessment Methodology, the Series 2023 Special Assessments are initially levied on approximately 134+/- gross acres of land which comprise Assessment Area One until such time as lots are platted. As platting of the planned 279 lots within Assessment Area One occurs, the Series 2023 Special Assessments will be assigned to platted lots within Assessment Area One on a first platted, first assigned basis. Assuming that all of the 279 planned residential units within Assessment Area One are developed and platted, then the Series 2023 Special Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See "THE DEVELOPMENT – Development Plan/Status" and "APPENDIX D: ASSESSMENT METHODOLOGY" herein.

The District anticipates levying assessments on residential units in the Development to cover its operation and maintenance costs that will initially be approximately \$1,484 per residential unit annually, which amount is subject to change. In addition, residents will be required to pay homeowners association fees currently estimated to be \$300 per year per unit. The District has no control over the level of homeowners' association fees or amenity fees imposed by the homeowners' association. The land within the District has been and is expected to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2022 was approximately 17.0303, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2023 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Duval County, Florida may each levy ad valorem taxes and/or special assessments upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

Education

Students in elementary school are expected to attend Biscayne Elementary School which was rated "C" by the Florida Department of Education for 2022. Students in middle school are expected to attend Highlands Middle School, which was rated "C" by the Florida Department of Education for 2022. Students in high school are expected to attend First Coast High School, which was rated "C" by the Florida Department of Education for 2022. There are also several private and charter school alternatives in the vicinity of the Development.

Competition

The following communities have been identified by the Development Manager as being competitive with the Development because of their proximity to the Development, price ranges and product types: Alta Lakes, Seasons at Scarlett Oaks and Bradley Pond.

This heading does not purport to list all the existing or planned communities in the area of the Development, but rather provide a list of those that the Development Manager feels poses primary competition to the Development.

The SEC maintains an Internet web site that contains reports, proxy and information statements and other information regarding registrants that file electronically with the SEC, including Lennar. The address of such Internet web site is www.sec.gov.

NEITHER THE AG LANDOWNER, THE DEVELOPMENT MANAGER, LENNAR CORPORATION NOR ANY OF THE ENTITIES OR INDIVIDUALS LISTED HEREIN IS GUARANTEEING THE PAYMENT OF THE SERIES 2023 BONDS OR THE SERIES 2023 SPECIAL ASSESSMENTS.

ASSESSMENT METHODOLOGY

The Master Assessment Methodology dated April 25, 2023 (the "Master Methodology"), as supplemented by the final First Supplemental Assessment Methodology Report – Assessment Area One to be dated the sale date of the Series 2023 Bonds (the "Supplemental Methodology" and together with the Master Methodology, the "Assessment Methodology"), describes the methodology for allocation of the Series 2023 Special Assessments to lands within the District, has been prepared by Inframark, LLC (the "Methodology Consultant"). See "EXPERTS" herein for more information. The Assessment Methodology is included herein as APPENDIX D. Once the final terms of the Series 2023 Bonds are determined, the Supplemental Methodology will be amended to reflect such final terms.

Once levied and imposed, the Series 2023 Special Assessments are a first lien on the land against which assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other non-federal units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

To ensure that there will always be sufficient development potential remaining in the property that has not been platted or is re-platted and to provide for the payment of debt service on the Series 2023 Bonds after a recording of a plat or re-plat, the Assessment Methodology sets forth a "true-up mechanism" which provides that the debt per acre remaining on the unplatted land within Assessment Area One is never allowed to increase above its maximum debt per acre level. If the debt per acre level remaining on unplatted land within Assessment Area One increases above the maximum debt per acre level, a density reduction payment would be made by the AG Landowner or the Development Manager, as applicable, so that the maximum debt per acre level is not breached. This debt reduction payment would result in the extraordinary mandatory redemption of a portion of the Series 2023 Bonds. The AG Landowner and the Development Manager (to the extent the Development Manager has taken down any lots before the issuance of the Series 2023 Bonds) are expected to enter into the True-Up Agreement in connection with its obligations to pay true-up payments in the event that the debt per acre remaining on unplatted land increases above the maximum debt per acre level. The obligations of the AG Landowner and the Development Manager under the True-Up Agreement are unsecured obligations. See "APPENDIX D: ASSESSMENT METHODOLOGY" herein for additional information regarding the "true-up mechanism."

TAX MATTERS

General

The Internal Revenue Code of 1986, as amended (the "Code"), includes requirements which the District must continue to meet after the issuance of the Series 2023 Bonds in order that the interest on the Series 2023 Bonds be and remain excludable from gross income for federal income tax purposes. The District's failure to meet these requirements may cause the interest on the Series 2023 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2023 Bonds. The District has covenanted in the Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2023 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications of the District and the Development Manager, and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings and court decisions, the interest on the Series 2023 Bonds is excludable from gross income of the holders thereof for federal income tax purposes. Interest on the Series 2023 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2023 Bonds is not excluded from the determination of adjusted financial statement income. Bond Counsel is further of the opinion that the Series 2023 Bonds and the interest thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2023 Bonds. Prospective purchasers of the Series 2023 Bonds should consult their own tax advisors as to the status of interest on the Series 2023 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2023 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Development Manager, and compliance with certain covenants of the District and the Development Manager to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2023 Bonds will be and will remain obligations, the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other consequences regarding the Series 2023 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2023 Bonds, or the ownership or disposition of the Series 2023 Bonds. Prospective purchasers of Series 2023 Bonds should be aware that the ownership of Series 2023 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2023 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2023 Bonds, (iii) the inclusion of the interest on the Series 2023 Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Series 2023 Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Series 2023 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Series 2023 Bonds generally must be taken into account when computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt of certain investment income, including interest on the Series 2023 Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2023 Bonds. Prospective purchasers of the Series 2023 Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2023 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and are not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

Original Issue Discount and Premium

Certain of the Series 2023 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (i.e., for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period

of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2023 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale or other disposition of that Discount Bond.

Certain of the Series 2023 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals suggested, debated, introduced or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Series 2023 Bonds, adversely affect the market price or marketability of the Series 2023 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2023 Bonds. Prospective purchasers of the Series 2023 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. On August 16, 2022, President Biden signed the Inflation Reduction Act of 2022 (H.R. 5376) into law. For tax years beginning after 2022, this legislation will impose a minimum tax of 15 percent on the adjusted financial statement income of applicable corporations as defined in Section 59(k) of the Code (which is primarily designed to impose a minimum tax on certain large corporations). For this purpose, adjusted financial statement income is not reduced for interest earned on tax-exempt obligations. Prospective purchasers that could be subject to this minimum tax should consult with their own tax advisors regarding the potential consequences of owning the Series 2023 Bonds.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2023 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2023 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2023 Bonds, under certain circumstances, to "backup

withholding" at the rates set forth in the Code, with respect to payments on the Series 2023 Bonds and proceeds from the sale of Series 2023 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2023 Bonds. This withholding generally applies if the owner of Series 2023 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2023 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

AGREEMENT BY THE STATE

Under the Act, the State of Florida pledges to the holders of any bonds issued thereunder, including the Series 2023 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the Assessment Area One Project subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that the Series 2023 Bonds are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State of Florida, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2023 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes and the rules promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2023 Bonds. Investment in the Series 2023 Bonds poses certain economic risks. See "BONDOWNERS' RISKS" herein. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

The Series 2023 Bonds will be issued in fully registered form, without coupons, in authorized denominations of \$5,000 and any integral multiple thereof, provided, however, if any initial beneficial owner of Series 2023 Bonds does not purchase at least \$100,000 of the Series 2023 Bonds at the time of initial delivery of the Series 2023 Bonds, such beneficial owner must execute and deliver to the District and the Underwriter on the date of delivery of the Series 2023 Bonds the investor letter in the form attached to the First Supplemental Indenture or otherwise establish to the satisfaction of the Underwriter that such beneficial owner is an "accredited investor," as described in Rule 501(a) under Regulation D of the Securities Act of 1933, as amended.

ENFORCEABILITY OF REMEDIES

The remedies available to the Owners of the Series 2023 Bonds upon an Event of Default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2023 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2023 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

LITIGATION

The District

There is no litigation against the District of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2023 Bonds, or in any way contesting or affecting (i) the validity of the Series 2023 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2023 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The AG Landowner

There is no litigation of any nature now pending or, to the knowledge of the AG Landowner, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the Assessment Area One Project or the development of the District Lands, as described herein, materially and adversely affect the ability of the AG Landowner to pay the Series 2023 Special Assessments imposed against the land within the District owned by the AG Landowner or materially and adversely affect the ability of the AG Landowner to perform its various obligations described in this Limited Offering Memorandum.

The Development Manager

There is no litigation of any nature now pending or, to the knowledge of the Development Manager, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the Assessment Area One Project or the development of the District Lands, as described herein, materially and adversely affect the ability of the Development Manager to pay the Series 2023 Special Assessments imposed against the land within the District owned by the Development Manager or materially and adversely affect the ability of the Development Manager to perform its various obligations described in this Limited Offering Memorandum.

CONTINGENT FEES

The District has retained Bond Counsel, District Counsel, the District Engineer, the Methodology Consultant, the Underwriter (who has retained Underwriter's counsel) and the Trustee (who has retained Trustee's Counsel), with respect to the authorization, sale, execution and delivery of the Series 2023 Bonds. Except for the payment of fees to District Counsel, the District Engineer and the Methodology Consultant, the payment of fees of certain other professionals is each contingent upon the issuance of the Series 2023 Bonds.

NO RATING

No application for a rating for the Series 2023 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2023 Bonds would have been obtained if application had been made.

EXPERTS

The Engineer's Report included in APPENDIX C to this Limited Offering Memorandum has been prepared by Dominion Engineering Group, Inc., Jacksonville, Florida, the District Engineer. APPENDIX C should be read in its entirety for complete information with respect to the subjects discussed therein. Inframark, LLC, as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX D hereto. APPENDIX D should be read in its entirety for complete information with respect to the subjects discussed therein. As a condition to closing on the Series 2023 Bonds, both the District Engineer and the Methodology Consultant have consented to the inclusion of their reports in this Limited Offering Memorandum.

FINANCIAL INFORMATION

The District will covenant in the Disclosure Agreement (as defined below), the form of which is set forth in APPENDIX E hereto, to provide its annual audit to the Municipal Securities Rulemaking Board's ("MSRB") Electronic Municipal Markets Access repository ("EMMA") as described in APPENDIX E commencing with the audited financial statements of the District for the Fiscal Year ending September 30, 2023.

Beginning October 1, 2015, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S. Under such statute, each district must post its proposed budget and final budget and a link to the auditor general's website (and the district's audit) on a district website or the website of the municipal or county government. The District currently has a website in place.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Rule 69W-400.003, Rules of Government Securities under Section 517.051(1), Florida Statutes, promulgated by the Florida Department of Financial Services, Office of Financial Regulation, Division of Securities and Finance ("Rule 69W-400.003"), requires the District to disclose each and every default as to the payment of principal and interest with respect to obligations issued or guaranteed by the District after December 31, 1975. Rule 69W-400.003 further provides, however, that if the District, in good faith, believes that such disclosures would not be considered material by a reasonable investor, such disclosures may be omitted. The District has not previously issued any bonds or other debt obligations. Accordingly, the District is not and has never been in default as to principal or interest on its bonds or other debt obligations.

CONTINUING DISCLOSURE

The District, the AG Landowner and the Development Manager will enter into a Continuing Disclosure Agreement (the "Disclosure Agreement"), the proposed form of which is set forth in APPENDIX E, for the benefit of the Series 2023 Bondholders (including owners of beneficial interests in such Series 2023 Bonds), respectively, to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports")

through EMMA. In addition, certain listed events must be disclosed through EMMA within a prescribed time period. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District, the AG Landowner or the Development Manager to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an Event of Default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2023 Bondholders (including owners of beneficial interests in such Bonds), as applicable, to bring an action for specific performance.

The District has not previously entered into any continuing disclosure obligation in connection with Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the "Rule"). The District has appointed the District Manager to initially serve as the Dissemination Agent for the Series 2023 Bonds.

Also, pursuant to the Disclosure Agreement, the AG Landowner and the Development Manager will covenant to provide certain financial information and operating data relating to the Development and the AG Landowner and the Development Manager, as applicable, on a quarterly basis, upon the written request of the Dissemination Agent. The AG Landowner and the Development Manager have represented and warranted that to their knowledge they have provided on a timely basis all reporting information requested by the applicable dissemination agent with respect to prior continuing disclosure agreements entered into pursuant to the Rule. The Development Manager has been made aware of instances where the information required to be provided to the dissemination agents was not timely requested, not filed with the appropriate repository or, if filed, not filed on a timely basis. The AG Landowner and the Development Manager have represented that they have instituted internal processes to provide information to the dissemination agents on a timely basis and obtained assurances from the dissemination agents that they will in turn request the required reporting information timely and file such information timely with the appropriate repository. See "APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT."

THIS MASTER TRUST INDENTURE, dated as of June 1, 2023 (the "Master Indenture"), by and between SEATON CREEK RESERVE COMMUNITY DEVELOPMENT DISTRICT (together with its permitted successors and assigns, the "Issuer"), a local unit of special-purpose government organized and existing under the laws of the State of Florida, and U.S. BANK TRUST COMPANY, NATIONAL ASSOCIATION, a national banking association duly organized and existing under the laws of the United States of America and having a designated corporate trust office in Orlando, Florida (said national banking association and any bank or trust company becoming successor trustee under this Master Indenture and all Supplemental Indentures (as hereinafter defined) being hereinafter referred to as the "Trustee");

Notwithstanding the foregoing, the Trustee is authorized to give conditional notice of redemption as provided in the Master Indenture.

The Owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

Any moneys held by the Trustee or Paying Agent in trust for the payment and discharge of any Bond which remain unclaimed for three (3) years after the date when such Bond has become due and payable, either at its stated maturity date or by call for earlier redemption shall be paid to the Issuer, thereupon and thereafter no claimant shall have any rights against the Trustee or Paying Agent to or in respect of such moneys.

If the Issuer deposits or causes to be deposited with the Trustee funds or Defeasance Securities (as defined in the Master Indenture) sufficient to pay the principal or Redemption Price of any Bonds becoming due at maturity or by call for redemption in the manner set forth in the Indenture, together with the interest accrued to the due date, the lien of such Bonds as to the trust estate with respect to such Bonds shall be discharged, except for the rights of the Owners thereof with respect to the funds so deposited as provided in the Indenture.

This Bond shall have all the qualities and incidents, including negotiability, of investment securities within the meaning and for all the purposes of the Uniform Commercial Code of the State of Florida.

The Issuer shall keep books for the registration of the Bonds at the designated corporate trust office of the Registrar in Orlando, Florida. In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

The Issuer, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute owner thereof (whether or not such Bond shall be overdue) for the purpose of receiving payment of or on account of the principal of, premium, if any, and interest on such Bond as the same becomes due, and for all other purposes. PROPOSED FORM OF OPINION OF BOND COUNSEL

FORM OF BOND COUNSEL OPINION

Upon delivery of the Bonds (as defined below) in definitive form, Greenberg Traurig, P.A., as Bond Counsel, proposes to render its final approving opinion with respect to such Bonds in substantially the following form:

		,	2023

Board of Supervisors of the Seaton Creek Reserve Community Development District City of Jacksonville, Florida

SEATON CREEK RESERVE COMMUNITY DEVELOPMENT DISTRICT SPECIAL ASSESSMENT BONDS, SERIES 2023 (ASSESSMENT AREA ONE)

Dear Board Members:

The Bonds are being issued for the primary purpose of financing certain public infrastructure for the benefit of development of Assessment Area One within the District.

In order to secure the payment of the Bonds, and subject to the terms of the 2023 Indenture, the District has pledged to the holders of the Bonds, and granted a lien to the holders of the Bonds on, the Series 2023 Pledged Revenues.

In connection with this opinion, we have examined the Act, certified copies of the Resolution, the 2023 Indenture, the Arbitrage Certificate, a transcript of the proceedings related to the issuance of the Bonds and such other documents and opinions as we have deemed necessary to render this opinion, and are relying on certain findings, covenants and agreements of the District set forth therein and such certified copies of the proceedings of the District and such other documents and opinions as we have deemed necessary to render this opinion. As to the questions of fact material to our opinion, we have relied upon representations of the District furnished to us, without undertaking to verify such representations by independent investigation. We have also relied upon certain certifications and representations provided by Lennar Homes, LLC as the primary developer within Assessment Area One within the District that is subject to the Series 2023 Special Assessments comprising the Series 2023 Pledged Revenues.

Based on the foregoing, we are of the opinion that:

- 1. The District has the power to authorize, execute and deliver the 2023 Indenture, to perform its obligations thereunder and to issue the Bonds.
- 2. The 2023 Indenture has been duly authorized, executed and delivered by the District. The 2023 Indenture creates a valid pledge of the Series 2023 Pledged Revenues and constitutes a valid and binding obligation of the District enforceable against the District in accordance with its terms.
- 3. The issuance and sale of the Bonds have been duly authorized by the District and, assuming the due authentication thereof, the Bonds constitute valid and binding limited obligations of the District, payable in accordance with, and as limited by, the terms of the 2023 Indenture.
- 4. The Internal Revenue Code of 1986, as amended (herein, the "Code") includes requirements which the District must continue to meet after the issuance of the Bonds in order that interest on the Bonds not be included in gross income for federal income tax purposes. The failure of the District to meet these requirements may cause interest on the Bonds to be included in gross income for federal income tax purposes retroactive to their date of issuance. The District has covenanted in the 2023 Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds.

Under existing statutes, regulations, rulings and court decisions, subject to the assumption stated in the following paragraph, interest on the Bonds is excludable from the gross income of the owners thereof for federal income tax purposes and, furthermore, interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Bonds is not excluded from the determination of adjusted financial statement income.

In rendering the opinion expressed above, we have assumed continuing compliance with the tax covenants referred to above that must be met after the issuance of the Bonds in order that interest on the Bonds not be included in gross income for federal income tax purposes.

The Bonds and interest thereon are not subject to taxation under the laws of the State of Florida except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in Chapter 220.

We express no opinion regarding other federal or any state tax consequences resulting from the ownership, receipt or accrual of interest on, or disposition of the Bonds.

In rendering the foregoing opinions we have assumed the accuracy and truthfulness of all public records and of all certifications, documents and other proceedings examined by us that have been executed or certified by public officials acting within the scope of their official capacities and have not verified the accuracy or truthfulness thereof. We have also assumed the genuineness of the signatures appearing upon such public records, certifications, documents and proceedings.

The opinions set forth herein are subject to state and federal laws relating to bankruptcy, insolvency, reorganization, moratorium and similar laws, and to equitable principles, affecting the enforcement of creditors' rights generally, and to the exercise of judicial discretion in appropriate cases.

We wish to call to your attention that the Bonds are limited obligations of the District payable solely from the Series 2023 Pledged Revenues and neither the full faith and credit nor the taxing power of the District, City of Jacksonville, Florida, Duval County, Florida, the State of Florida or any other political subdivision thereof is pledged as security for the payment of the Bonds. The Bonds do not constitute an indebtedness of the District within the meaning of any constitutional or statutory provision or limitation.

Respectfully submitted,

GREENBERG TRAURIG, P.A.

The Seaton Creek Community Development District ("CDD") was established by City of Jacksonville effective on August 30, 2021, Ordinance number 2021-451-E, pursuant to the provisions of Chapter 190, Florida Statutes. The CDD consists of approximately 345 acres and was established for the purpose of providing an efficient mechanism for financing, operating, and maintaining the public infrastructure associated with and necessary to support development within the CDD. A location map of the CDD is shown on Figure 1.

FIGURE 1 LOCATION MAP

The lands within the CDD are wholly within and consist of a portion of the Seaton Creek Reserve Planned Unit Development (P.U.D.) located within the City of Jacksonville, Florida and approved by the City of Jacksonville City Council on August 8, 2006 by the enactment of Ordinances No 2007-386-E and Modification MM-2020-13 dated November 19, 2020 (the "Development"). The Development is anticipated to consist of 754-single family residential units developed in 2 phases, spanning approximately 10 years.

This is an update to the Master Engineer's Report for the Seaton Creek Reserve Community Development District ("Master Engineer's Report") which has been prepared to identify the public infrastructure necessary to support the Development. The updates include acreage and lot changes, as well as updates to the permitting status and costs based upon actual construction contracts. To serve the Development, the CDD plans to design, permit, finance, acquire and/or construct, install, operate, and maintain all of part of certain public infrastructure improvements, including, but not limited to, certain offsite utility and transportation improvements; stormwater management facilities; utility infrastructure; recreation facilities; entry features; and landscaping (the "Capital Improvement Plan"). A portion of the Capital Improvement Plan is anticipated to be funded by the CDD through the issuance of bonds. A project of this type generally requires many permits through federal, state and local agencies. Identification of the various permits and respective status has been included in Section 3.

The current development plan ("Master Plan") for the lands within the CDD is shown on Figure 2.

1.1 PROPOSED LAND USES

As described above, the CDD includes approximately 345 acres located entirely within City of Jacksonville, Florida and comprising a part of the Seaton Creek PUD. Approximately 26 acres in the CDD is undevelopable and not owned by Lennar Homes. The assessment area owned by Lennar Homes is 319 acres. Phase 1 assessment area has 134 acres and Phase 2 assessment area consists of 185 acres. The proposed land uses within Phase 1 and Phase 2 are tabled below.

	Land Use	Acres	Residential Units

Section 2 SEATON CREEK RESERVE CDD PROPOSED IMPORVEMENTS

2.0 GENERAL

The public infrastructure improvements currently comprising the Capital Improvement Plan and proposed to be provided by the CDD include, but may not necessarily be limited to, the following:

2.1 DESCRIPTION OF IMPROVEMENTS

2.1.1 Infrastructure

The infrastructure improvements will benefit and provide environmental preservation, amenities, landscaping, signage, District roadways, stormwater and environmental management, and recreation for residents of the District. Infrastructure costs are based upon construction contracts, bids, construction drawing takeoffs, and other requirements contained in the approved Planned Unit Development (PUD). The infrastructure consists of the following categories as further described herein:

2.1.2 Stormwater Management Facilities

The CDD will construct and/or acquire drainage systems that collect and treat stormwater by temporarily holding in on-site retention/settlement basins before discharge to the regional drainage system. The stormwater collection system will consist of a stabilized subgrade, lime rock base, asphalt and curbs with inlets, piping system and ponds. These will all be constructed consistent with the specifications of City of Jacksonville and the St. Johns River Water Management District.

The design of the roadway base and subgrade will be prepared in accordance with the current State of Florida Manual of Minimum Standards for Design, Construction and Maintenance of Streets and Highways, City of Jacksonville Road Construction Specifications, and current AASHTO policies.

The project engineer has prepared a stormwater master plan for the project. The purpose of the Seaton Creek Stormwater Master Plan is to assure that adequate stormwater management facilities are available to provide stormwater management capacity for the final development and to meet the regulatory requirements, as listed below:

- a) St. Johns River Water Management District (SJRWMD)
- b) City of Jacksonville
- c) Florida Department of Environmental Protection (FDEP)

The Master Plan identifies peak discharge rates, water quality requirements, 100-year floodplain elevations, groundwater flows. More specifically, the plan includes:

- a) location and size of ponds and lakes required for stormwater management facilities;
- b) control elevations of ponds and lakes including required water quality treatment volumes;
- c) peak flow rates, flow volumes and stages for flood events determined within each basin and within major conveyance areas;
- d) compensating storage requirements to mitigate for encroachments into the 100-year floodplain in the basins which encroachments occur;
- e) wetland evaluations to show that hydroperiods and viability of wetlands are being maintained;
- f) groundwater impacts quantified as to the effects on flow rates and wetland impacts.

For each phase, final design of the proposed stormwater drainage system for the CDD will be reviewed and approved by SJRWMD and the City of Jacksonville prior to construction. The drainage system will maintain existing drainage patterns to the greatest extent possible. The stormwater retention ponds will be wet detention biological treatment facilities designed to provide for the treatment of stormwater according to Chapter 40E-4, Florida Administrative Code. As part of the overall Seaton Creek PUD, SJRWMD stormwater permit, mitigation is required for wetland impacts. The Master Plan provides for the mitigation.

The removal of surface drainage from the roadways will be accomplished by storm sewer systems, including curb and gutter, inlets and pipes along each side of the roadways that will collect and convey surface drainage to stormwater retention ponds located along the roadways. Protection of the road base material from undermining will be accomplished by underdrain systems as needed along each side of the roadways. The underdrain system will bleed off excess groundwater and discharge to the roadside storm sewer system.

The costs of the stormwater management facilities include: clearing, earthwork operations to ensure a continuously functioning stormwater system, drainage structures, and wetland mitigation planting maintenance. The stormwater management system is included in the process of site grading and development for the PUD. The ponds are part of an integrated stormwater management and wetland mitigation system. The Capital Improvement Plan does not include the transportation to, or any grading on, the private lots.

2.1.3 Entrances and Entrance Landscaping

The CDD intends to construct monumentation and entry landscaping, including entrance and street tree plantings along the interior streets of the CDD. The streets will not be gated.

2.1.4 Wetland (environmental) Compliance and Mitigation

The Developer will purchase offsite wetland mitigation credits for the any proposed wetland impacts.

2.1.5 Transportation Improvements

The CDD currently intends to finance certain transportation facilities necessary for development within the CDD boundaries. The infrastructure transportation improvements will be owned and maintained by the CDD upon completion of construction. These improvements have been designed and will be constructed to City of Jacksonville standards. Landscaping and irrigation of the completed roadways will be operated and maintained by the district.

The proposed improvements includes approximately 5,200 linear feet of two-lane minor collector section with appropriate turn lanes and approximately 26,730 linear-feet of two-lane local section.

The cost estimate for the roadways included for the CDD infrastructure improvements is based upon curb and gutter section roadways with variable pavement widths, within variable width rights- of-way. The clearing, grubbing and earthwork estimates include all work necessary for the complete right-of-way area. Disturbed areas within the rights-of-way, which are outside of the paved areas, will be sodded and/or seeded and grassed to provide erosion and sediment control in accordance with City of Jacksonville standards.

2.1.6 Water and Sewer

Water and sewer facilities are anticipated to be constructed onsite by the CDD and dedicated to JEA, a public utility company which will then provide service to the residents. The costs associated with the construction of the water distribution and wastewater collection infrastructure are included in the cost estimate in Table 2. This includes wastewater pumping stations and force mains. Water and sewer lines are currently available to the site along Gold Star Family Parkway and Pecan Park Road to provide service to the development. Any water or sewer pipes, lines or facilities placed on private property will not be publicly funded.

The points of connection for the project are outside the CDD boundary and the CDD intends to install the lines necessary to connect the project to the regional utilities. Offsite utilities will be limited to approximately 360-feet of 16-inch water main to a point of connection at the corner of Pecan Park Road and Gold Star Family Parkway. The offsite and onsite utility trunk lines are shown on Figure 3 below.

FIGURE 3 UTILTY TRUNK LINES

2.1.7 Street Lights

Interior Street Lighting construction and equipment will be provided by JEA. Street Light wiring, fixtures and all related equipment will be provided by, and will remain in the ownership and maintenance control of JEA. The CDD may finance the incremental cost of undergrounding the electric utilities.

2.1.7 Amenity

Amenities will be constructed in both Phase 1 and Phase 2; however, the amenities will by developer funded. We anticipate Phase 1 amenities will consist of a community center with a separate workout area and workout equipment. A pool with lounging areas and covered sitting areas. We anticipate two tennis courts and two pickle ball courts along with a bocce court. A playground and 80 parking spaces for residents.

We anticipate Phase 2 amenity will include an open-air pavilion, restrooms, pool, playground, parking and grassed fields for activities by the residents.

2.2. Ownership and Maintenance

All improvements funded by the CDD will be on land owned by, or on which a permanent easement is granted in favor of, the CDD or another governmental entity. The ownership and maintenance responsibilities for the infrastructure improvements within the CDD vary by the improvement as noted in the following table:

Improvement	Ownership	Maintenance Entity
Wetland (environmental) Compliance	CDD	CDD
Stormwater Management Facilities	CDD	CDD
Offsite Improvements	City	City
Water and Sewer Utilities	JEA	JEA
Internal Roads	City	City
Recreation and Open Space	CDD	CDD

3.2 PERMIT STATUS

Permits are sufficient for the progress of work for Phase 1. Permits for Phase 2 will be achieved in the normal course of development.

3.2.1 Federal Permits

Under a delegated program, the Florida Department of Environmental Protection issued a Federal 404 permit for the Phase 1 project. Permits are sufficient for the progress of work for Phase 1. Federal permits for Phase 2 will be achieved in the normal course of development

3.2.2 State Permits

Florida Department of Environmental Protection has issued multiple water and sewer permits for Phase 1. State permits for Phase 2 will be achieved in the normal course of development.

3.2.3 City of Jacksonville Permits

Site Construction permits have been issued by City of Jacksonville for Phase 1. City of Jacksonville Permits for Phase 2 will be achieved in the normal course of development.

3.2.4 JEA Utility Permits

Utility permits have been issued by JEA for Phase 1. JEA utility permits for Phase 2 will be achieved in the normal course of development.

3.3 CONSTRUCTION STATUS

Construction of Phase 1 is currently underway.

Phase 2 has not begun construction with estimated construction dates estimated to begin in 2024.

Section 4 ENGINEER'S CERTIFICATION

4.1 ENGINEER'S CERTIFICATION

In our opinion, the improvements cost estimates are fair and reasonable, and we have no reason to believe that the improvements described herein cannot be constructed and installed at such costs and in the construction time frames as described in this report. The estimated probable construction costs were determined from actual construction contracts with a ten percent (10%) contingency and compared to unit prices within North Florida. We expect that all improvements to be constructed can be completed on schedule. Permits necessary to complete the improvements will be acquired in the normal course of business. We, therefore, believe that the CDD will be well served by the infrastructure improvements discussed in this report. The improvements, if constructed to the designs described herein, will be sufficient to support the Development as described in Section 2 of this Engineering Report. The benefit to the assessable lands within the CDD as a result of the Capital Improvement Plan shall at least be equal to cost thereof. The CDD shall pay the lesser of the actual cost or the fair market value of the public improvements comprising the Capital Improvement Plan.

I hereby certify that the foregoing is a true and correct copy of the Capital Improvement Plan.

I. INTRODUCTION

This Master Assessment Methodology Report (the "Master Report") details the basis of the benefit allocation and assessment methodology to support the financing plan to complete the public infrastructure required within the Seaton Creek Reserve Community Development District (the "District"). The private assessable lands ("Assessable Property") benefitting from the public infrastructure is generally described within Exhibit A of this Master Report and further described within the Amended Master Engineer's Report, dated November 7, 2022, revised March 24, 2023 (the "Engineer's Report").

The objective of this Master Report is to:

- 1. Identify the District's capital improvement program ("CIP") for the project to be financed, constructed and/or acquired by the District; and
- 2. Determine a fair and equitable method of spreading the associated costs to the benefiting Assessable Properties within the District pre- and post-development completion; and
- 3. Provide a basis for the placement of a lien on the Assessable Properties within the District benefiting from the CIP, as outlined by the Engineer's Report.

The basis of benefit received by Assessable Properties relates directly to the proposed CIP. It is the District's CIP that will create the public infrastructure that enables Assessable Properties within the District to be developed and improved under current allowable densities. The Engineers Report identified estimated costs to complete the CIP, inclusive of associated "soft cost" such as legal/engineering services with contingencies to account for commodity and service market fluctuations. This Master Report will further address additional financing cost associated with funding the CIP. Without the required improvements in the CIP, the development of the Assessable Properties could not be undertaken within the current development standards. The main objective of this Master Report is to establish a basis on which to quantify and allocate the special benefit provided by the CIP proportionally to the assessable property within the District. A detailed allocation methodology and finance plan will be utilized to equitably distribute CIP costs upon the Assessable Property within the District based upon the level of proportional benefit received.

This Master Report outlines the assignment of benefit, assessment methodology and financing structure for bonds to be issued by the District. As a result of the methodology application, the maximum long-term assessment associated with the current CIP is identified. The District will issue Special Assessment Bonds (the "Bonds"), in one or more series consisting of various amounts of principal debt and maturities to finance the construction and/or acquisition of all or a portion of the CIP. The Bonds will be repaid from and secured by non-ad valorem assessments levied on those Assessable Property benefiting from the CIP within the District.

It is anticipated that we as the methodology consultant for the District will prepare individual supplemental reports applying the allocation methodology contained herein for the imposition and collection of long-term special assessments for repayment of a specific series of Bonds. The methodology consultant may distribute supplemental reports in connection with updates and/or revisions to the finance plan. Such supplemental reports will be created to stipulate amended terms,

interest rates, developer contributions if any, issuance costs and will detail the resulting changes in the level of funding allocated to the various trust accounts and subaccounts.

In summary, this Master Report will determine the benefit, apportionment and financing structure for the Bonds to be issued by the District in accordance with Chapters 170, 190 and 197, Florida Statutes, as amended, to establish a basis for the levying and collecting of special assessments based on the benefits received and is consistent with our understanding and experience with case law on this subject.

III. DISTRICT OVERVIEW

The District area encompasses 345 +/- acres and is generally located north of the intersection of Arnold Road and Pecan Road, west of I-95, and south and east of the Seaton Creek Reserve Historic Preserve within the City of Jacksonville, Florida. The primary developer of the Assessable Property is Lennar Homes, LLC (the "Developer"), who created the overall development plan as outlined and supported by the Engineer's Report. The development plan for the District contemplates two phases consisting of 754 single family lots within 319 Assessable Gross Acres described in Exhibit B to this Report. The CIP as described in the Engineer's Report includes, but is not limited to, certain offsite utility and transportation improvements, stormwater management facilities, utility infrastructure, recreation facilities, entry features, and landscaping.

IV. CAPITAL IMPROVEMENT PROGRAM

The District and Developers are undertaking the responsibility of providing the public infrastructure necessary to develop the District's CIP. As designed, the CIP is an integrated system of facilities. Each infrastructure facility works as a system to provide special benefit to District lands, i.e.: all benefiting landowners of the Assessable Property within the District benefit the same from the first few feet of infrastructure as they do from the last few feet. The CIP costs within Table 1 of this Master Report reflect cost as further detailed within the Engineer's Report, these costs are exclusive of any financing related costs.

V. DETERMINATION OF SPECIAL ASSESSMENT

There are three main requirements for valid special assessments. The first requirement demands that the improvements to benefited properties, for which special assessments are levied, be implemented for an approved and assessable purpose (F.S. 170.01). As a second requirement, special assessments can only be levied on those properties specially benefiting from the improvements (F.S. 170.01). Thirdly, the special assessments allocated to each benefited property cannot exceed the proportional benefit to each parcel (F.S. 170.02).

The District's CIP contains a "system of improvements" including the funding, construction and/or acquisition of offsite utility and transportation improvements, stormwater management facilities, utility infrastructure, recreation facilities, entry features, and landscaping; all of which are considered to be for an approved and assessable purpose (F.S. 170.01) which satisfies the first requirement for a valid special assessment, as described above. Additionally, the improvements will result in all Assessable Property within the District receiving a direct and specific benefit, thereby making those properties legally subject to assessments (F.S. 170.01), which satisfies the second requirement, above. Finally,

the specific benefit to the Assessable Property is equal to or exceeds the cost of the assessments levied on the Assessable Property (F.S. 170.02), which satisfies the third requirement, above.

The first requirement for determining the validity of a special assessment is plainly demonstrable; eligible improvements are found within the list provided in F.S. 170.01. However, the second and third requirements for a valid special assessment require a more analytical examination. As required by F.S. 170.02 and described in the succeeding section entitled "Allocation Methodology," this approach involves identifying and assigning value to specific benefits being conferred upon the various Assessable Property, while confirming the value of these benefits exceed the cost of providing the improvements. These special benefits include, but are not limited to, the added use of the property, added enjoyment of the property, probability of decreased insurance premiums and the probability of increased marketability and value of the property.

The determination has been made that the duty to pay the non-ad valorem special assessments is valid based on the special benefits imparted upon the various Assessable Property. These benefits are derived from the acquisition and/or construction of the District's CIP. The allocation of responsibility for payment of the Bonds has been apportioned according to reasonable estimates of the special benefits provided consistent with each land use category. Accordingly, no acre or parcel of Assessable Property within the District will be assessed for the payment of any non-ad valorem special assessment greater than the determined special benefit particular to that parcel within the District.

Property within the District that currently is not, or upon future development, will not be subject to the special assessments include publicly owned (State/County/City/CDD) tax-exempt parcels such as: lift stations, road rights-of-way, waterway management systems, and common areas. To the extent it is later determined that a property no longer qualifies for an exemption, assessments will be apportioned and levied based on an EAU factor proportionate to acreage density as demonstrated in other use EAU assignment.

VI. ALLOCATION METHODOLOGY

The CIP benefits all assessable properties within the District proportionally. The level of relative benefit can be compared through the use of defining "equivalent" units of measurement by product type to compare dissimilar development product types. This is accomplished through determining an estimate of the relationship between the product types, based on a relative benefit received by each product type from the CIP. The use of Equivalent Assessment Unit (EAU) methodologies is well established as a fair and reasonable proxy for estimating the benefit received by private benefiting properties. One (1) EAU has been assigned to all residential use product types under the current Development Plan. If future assessable property is added or product types are contemplated, this Report will be amended to reflect such change.

The method of benefit allocation is based on the special benefit received from infrastructure improvements relative to the benefiting Assessable Property. According to F.S. 170.02, the methodology by which special assessments are allocated to specifically benefited property must be determined and adopted by the governing body of the District. This alone gives the District latitude in determining how special assessments will be allocated to specific Assessable Property. The CIP

benefit and special assessment allocation rationale is detailed herein and provides a mechanism by which these costs, based on a determination of the estimated level of benefit conferred by the CIP, are apportioned to the Assessable Property within the District for levy and collection. The allocation of benefits and Maximum Assessments associated with the CIP are demonstrated on Table 3 through Table 6. The Developer may choose to pay down or contribute infrastructure on a portion or all of the long-term assessments as evaluated on a per parcel basis, thereby decreasing the annual debt service assessment associated with any series of Bonds.

VII. ASSIGNMENT OF MAXIMUM ASSESSMENTS

This section sets out the manner in which special assessments will be assigned and establish a lien on land within the District. With regard to the Assessable Property liens will be assessed on a gross acreage basis until such time as the developable acreage is platted. The platted parcels will then be reviewed as to use and product types. Pursuant to Section 193.0235, Florida Statutes, certain privately or publicly owned "common elements" such as clubhouses, amenities, lakes and common areas for community use and benefit are exempt from non-ad valorem assessments and liens regardless of the private ownership.

It is useful to consider three distinct states or conditions of development within a community. The initial condition is the "undeveloped state". At this point the infrastructure may or may not be installed but none of the units in the Development Plan have been platted. This condition exists when the infrastructure program is financed prior to any development. In the undeveloped state all of the lands within the District receive benefit from the CIP and all of such land within the District would be assessed to repay any bonds. While the land is in an "undeveloped state," special assessments will be assigned on an equal acre basis across all of the gross acreage within the District. Debt will not be solely assigned to parcels which have development rights, but will be assigned to undevelopable parcels to ensure integrity of development plans, rights and entitlements.

The second condition is "on-going development". At this point, if not already in place, the installation of infrastructure has begun. Additionally, the Development Plan has started to take shape. As lands subject to special assessments are platted and fully-developed, they are assigned specific assessments in relation to the estimated benefit that each platted unit receives from the CIP, with the balance of the debt assigned on a per acre basis as described in the preceding paragraph. Therefore, each fully-developed, platted unit would be assigned a Maximum Assessment pursuant to its Product Type classification as set forth in Table 6. It is not contemplated that any unassigned debt would remain once all of the lots associated with the improvements are platted and fully-developed; if such a condition was to occur; the true-up provisions within this Report would be applicable.

The third condition is the "completed development state." In this condition the entire Development Plan for the District has been platted and the total par value of the Bonds has been assigned as specific assessments to each of the platted lots within the District.

VIII. FINANCING INFORMATION

The District intends to finance only a portion of the CIP through the issuance of the Bonds; however this report assumes the financing of 100% of the improvements to identify the full benefit and potential. As the Bonds will be issued in one or more series, the Bonds will be sized at an amount rounded to the nearest \$5,000 and will include items such as debt service reserves, capitalized interest, underwriter's discount, issuance costs and rounding.

For purposes of the Master Report, conservative allowances have been made for a debt service reserve, underwriter's discount, capitalized interest, issuance costs, rounding and collection cost as shown on Table 3. The methodology consultant will issue supplemental report(s) which outline the provisions specific to each bond issue with the application of the assessment methodology contained herein. The supplemental report(s) will detail the negotiated terms, interest rates and costs associated with each series of Bonds representing the market rate at that point in time. The supplemental reports will outline any Developer contributions towards the completion of the CIP applied to prepay any assessments on any one or collective Assessable Properties within the District. The supplemental report(s) will also detail the level of funding allocated to the construction/acquisition account, the debt service reserve account, underwriter's discount, issuance and collection costs. Additionally, the supplemental report(s) will apply the principles set forth in the Master Report to determine the specific assessments required to repay the Bonds.

IX. TRUE-UP MODIFICATION

During the construction period of development, it is possible that the number of residential units built may change, thereby necessitating a modification to the per unit allocation of special assessment principal. In order to ensure the District's debt does not build up on the unplatted developable land, the District shall apply the following test as outlined within this "true-up methodology."

The debt per acre remaining on the unplatted land within the District may not increase above its ceiling debt per acre. The ceiling level of debt per acre is calculated as the total amount of debt for each Bond issue divided by the number of gross acres for such phase. Thus, every time the test is applied, the debt encumbering the remaining undivided land must remain equal to or lower than the ceiling level of debt per gross acre. If the debt per gross acre is found to be above the established maximum, the District would require a density reduction payment in an amount sufficient to reduce the remaining debt per acre to the ceiling amount based on the schedule found in Exhibit A, the Preliminary Assessment Roll, which amount will include accrued interest to the first interest payment date on the Bonds which occurs at least 45 days following such debt reduction payment.

True-up tests shall be performed upon the recording of each plat submitted to subdivide developed lands within the District. If upon the completion of any true-up analyses it is found the debt per acre exceeds the established maximum ceiling debt per gross acre, or there is not sufficient development potential in the remaining acreage of the District to produce the EAU densities required to adequately service Bond debt, the District shall require the immediate remittance of a density reduction payment, plus accrued interest as applicable, in an amount sufficient to reduce the remaining debt

per assessable acre to the ceiling amount per acre and to allow the remaining acreage to adequately service Bond debt upon development. The final test shall be applied at the platting of 100% of the development units within the District.

True-up payment requirements may be suspended if the landowner can demonstrate, to the reasonable satisfaction of the District, that there is sufficient development potential in the remaining acreage within the District to produce the densities required to adequately service Bond debt. The Developer, primary landowner, and the District will enter into a true-up agreement to evidence the obligations described in this section.

All assessments levied run with the land and it is the responsibility of the District to enforce the true-up provisions and collect any required true-up payments due. The District will not release any liens on property for which true-up payments are due, until provision for such payment has been satisfactorily made.

I. INTRODUCTION

This First Supplemental Assessment Methodology Report – Assessment Area One (the "First Supplemental Report") serves to apply the basis of benefit allocation and assessment methodology in accordance with the Master Assessment Methodology Report (the "Master Report") dated April 25th 2023 specifically to support the issuance of the Bonds (as defined below) which will fund a portion of the Assessment Area One Project of the District's Capital Infrastructure Program.

II. DEFINED TERMS

- "Assessment Area One" all property within the District that receives a special benefit from the Assessment Area One Project being more particularly defined as 134 +/- acres within the Development planned for 279 units.
- "Assessment Area One Project" Phase 1 of the CIP relating to public infrastructure for the Assessment Area One identified with the Engineer's Report.
- "Assessable Property" all property within the Assessment Area One of the District that receives a special benefit from the Assessment Area One Project.
- "Capital Improvement Program" (CIP) The public infrastructure development program as outlined by the Engineer's Reports.
- "Developer" Lennar Homes, LLC
- "Development" The end-use configuration of Platted Units and Product Types for Unplatted Parcels within the District.

- "Platted Units" private property subdivided as a portion of gross acreage by virtue of the platting process.
- "Product Type" Classification assigned by the Developer to dissimilar Lot products and size for the development of the vertical construction.

Engineer.

"Unit(s)" - A planned or developed residential lot assigned a Product Type classification by the District

"Unplatted Parcels" – gross acreage intended for subdivision and platting pursuant to the Development plan for the Assessment Area One.

III. OBJECTIVE

The objective of this First Supplemental Assessment Methodology Report is to:

- A. Allocate a portion of the costs of the CIP to the Assessment Area One Project;
- B. Refine the benefits, as initially defined in the Master Report, to the assessable properties within the District that will be assessed as a result of the issuance of the Bonds (as herein defined);
- C. Determine a fair and equitable method of spreading the associated costs to the benefiting properties within the District and ultimately to the individual units therein; and
- D. Provide a basis for the placement of a lien on the assessable lands within the District that benefit from the Assessment Area One Project, as outlined by the Engineer's Reports.

The basis of benefit received by properties within the District relates directly to the Assessment Area One Project allocable to Assessable Property within the Assessment Area One within the District. It is the District's Assessment Area One Project that will create the public infrastructure which enables the assessable properties within the Assessment Area One to be developed and improved. Without these public improvements, which include off-site improvements. storm water, utilities (water and sewer), roadways, landscape and hardscape - the development of lands within the Assessment Area One could not be undertaken within the current legal development standards. This First Supplemental Report applies the methodology described in the Master Report to assign assessments to assessable properties within the Assessment Area One as a result of the benefit received from the Assessment Area One Project and assessments required to satisfy the repayment of the Bonds by benefiting assessable properties.

The District will issue its Special Assessment Revenue Bonds, Series 2023 (Assessment Area One) (the "Bonds") to finance the construction and/or acquisition of a portion of the Assessment Area One Project which will provide special benefit to the assessable parcels within the Assessment Area One after platting. The Bonds will be repaid from and secured by non-ad valorem assessments levied on those properties benefiting from the improvements within the Assessment Area One. Non-ad valorem assessments will be collected each year to provide the funding necessary to remit Bond debt service payments and to fund operations and maintenance costs related to the capital improvements maintained by the District.

In summary, this First Supplemental Report will determine the benefit, apportionment and financing structure for the Bonds to be issued by the District in accordance with Chapters 170, 190, and 197, Florida Statutes, as amended, to establish a basis for the levying and collecting of special assessments based on the benefits received and is consistent with our understanding and experience with case law on this subject.

IV. DISTRICT OVERVIEW

The District area encompasses 345 +/- acres and is generally located north of the intersection of Arnold Road and Pecan Road, west of I-95, and south and east of the Seaton Creek Historic Preserve within the City of Jacksonville, Florida. The primary developer of the Assessable Property is Lennar Homes, LLC (the "Developer"), who has created the development plan for Assessment Area One as outlined and supported by the Engineer's Reports. The development plan

for Assessment Area One contemplates 279 single family lots. The public improvements as described in the Engineer's Reports include offsite utility and transportation improvements; stormwater management facilities; utility infrastructure; recreation facilities; entry features; and landscaping.

V. CAPITAL IMPROVEMENT PROGRAM

The Landowner and Developer are undertaking the responsibility of providing public infrastructure necessary to develop the District. As designed, the Assessment Area One Project representing a portion of the total CIP is an integrated system of facilities. Each infrastructure facility works as a system to provide special benefit to assessable lands within Assessment Area One. The drainage and surface water management system are an example of a system that provides benefit to all planned residential lots within Assessment Area One. As a system of improvements, all private benefiting landowners within Assessment Area One benefit the same from the first few feet of pipe as they do from the last few feet. The storm water management system; as an interrelated facility which, by its design and interconnected control structures, provides a consistent level of protection to the entire development program, and thus all landowners within Assessment Area One will benefit from such improvement.

The District Engineer has identified the infrastructure, and respective costs, to be acquired and/or constructed as the Assessment Area One Project. The Assessment Area One Project includes off-site improvements, storm water, utilities (water and sewer), roadways, landscape and hardscape. The cost of the Assessment Area One Project is estimated to be \$37,767,281 and approximately \$6.182,733 of which will be funded by issuance of the Bonds as generally described within Tables 2 and 3 of this First Supplemental Report with further detail provided in the Engineer's Reports.

VI. DETERMINATION OF SPECIAL ASSESSMENT

There are three main requirements for valid special assessments. The first requirement demands that the improvements to benefited properties, for which special assessments are levied, be implemented for an approved and assessable purpose (F.S. 170.01). As a second requirement, special assessments can only be levied on those properties specially benefiting from the improvements (F.S. 170.01). Thirdly, the special assessments allocated to each benefited property cannot exceed the proportional benefit to each parcel (F.S. 170.02).

The Assessment Area One Project contains a "system of improvements" including the funding, construction and/or acquisition of offsite utility and transportation improvements, stormwater management facilities, utility infrastructure, recreation facilities, entry features, and landscaping; all of which are considered to be for an approved and assessable purpose (F.S. 170.01) which satisfies the first requirement for a valid special assessment, as described above. Additionally, the improvements will result in all Assessable Property within the District receiving a direct and specific benefit, thereby making those properties legally subject to assessments (F.S. 170.01), which satisfies the second requirement, above. Finally, the specific benefit to the Assessable Property is equal to or exceeds the cost of the assessments levied on the Assessable Property (F.S. 170.02), which satisfies the third requirement, above.

The first requirement for determining the validity of a special assessment is plainly demonstrable. Eligible improvements are found within the list provided in F.S. 170.01. However, certifying compliance with the second and third requirements necessary to establish valid special assessment requires a more analytical examination. As required by F.S. 170.02, and described in the next section entitled "Allocation Methodology," this approach involves identifying and assigning value to specific benefits being conferred upon the various Assessable Property, while confirming the value of these benefits exceed the cost of providing the improvements. These special benefits include, but are not limited to, the added use of the property, added enjoyment of the property, probability of decreased insurance premiums and the probability of increased marketability and value of the property. The method of apportioning benefit to the planned product mix can be related to development density and intensity where it "equates" the estimated benefit conferred to a specific single-family unit type. This is done to implement a fair and equitable method of apportioning benefit.

The second and third requirements are the key elements in defining a valid special assessment. A reasonable estimate of the proportionate special benefits received from the Assessment Area One Project of the CIP is demonstrated in the calculation of an equivalent assessment unit (EAU), further described in the next section.

The determination has been made that the duty to pay the non-ad valorem special assessments is valid based on the special benefits imparted upon the Assessable Property. These benefits are derived from the acquisition and/or construction of the District's CIP. The allocation of responsibility for the payment of special assessments, being associated with the special assessment liens encumbering the District as a result of the Assessment Area One Project, has been apportioned according to a reasonable estimate of the special benefits provided, consistent with each land use category. Accordingly, no acre or parcel of property within the boundary of the District will be assessed for the payment of any non-ad valorem special assessment greater than the determined special benefit particular to that property.

Property within the Assessment Area One that currently is not, or upon future development, will not be subject to the special assessments include publicly owned (State/County/City/CDD) tax-exempt parcels such as: lift stations, road rights-of-way, waterway management systems, common areas, and certain lands/amenities owned by the Developer and other community property. To the extent it is later determined that a property no longer qualifies for an exemption, assessments will be apportioned and levied based on an EAU factor proportionate to lot product average front footage.

VII. ALLOCATION METHODOLOGY

Table 1 outlines EAUs assigned for residential product types under the current Development plan. If future assessable property is added or product types are contemplated, this Report will be amended to reflect such change.

The method of benefit allocation is based on the special benefit received from infrastructure improvements relative to the benefiting Assessable Property by use and size in comparison to other Assessable Property within the District. According to F.S. 170.02, the methodology by which special assessments are allocated to specifically benefited property must be determined and adopted by the governing body of the District. This alone gives the District latitude in determining how special assessments will be allocated to specific assessable property. The CIP benefit with respect to the Assessment

Area One Project and special assessment allocation rationale is detailed herein and provides a mechanism by which these costs, based on a determination of the estimated level of benefit conferred by the CIP, are apportioned to the Assessable Property within the District for levy and collection. The allocation of benefits and maximum assessments associated with the Assessment Area One Project are demonstrated on Table 3 through Table 4. The Developer may choose to pay down or contribute infrastructure on a portion or all of the long-term assessments as evaluated on a per parcel basis, thereby reducing the annual debt service assessment associated with any series of bonds.

VIII. ASSIGNMENT OF ASSESSMENTS

This section sets out the manner in which special assessments will be assigned and to establish a lien on land within the Assessment Area One. With regard to the Assessable Property the special assessments are assigned to all property within the Assessment Area One on a gross acreage basis until such time as the developable acreage is platted. The platted parcels will then be reviewed as to use and product types. As of the date of this report, no lots have been platted. Pursuant to Section 193.0235, Florida Statutes, certain privately or publicly owned "common elements" such as clubhouses, amenities, lakes and common areas for community use and benefit are exempt from non-ad valorem assessments and liens regardless of the private ownership.

It is useful to consider two distinct states or conditions of development within a community. The first condition is "on-going development". At this point, if not already in place, the installation of infrastructure has begun. Additionally, the Development plan has started to take shape. As lands subject to special assessments are platted and fully developed, they are assigned specific special assessments in relation to the estimated benefit that each platted unit within the Assessment Area One receives from the Assessment Area One Project, with the balance of the debt assigned on a per gross acre basis as described in the preceding paragraph. Therefore, each fully developed, platted unit would be assigned a special assessment pursuant to its Product Type classification as set forth in Table 4. If land is sold in bulk to a third party prior to platting, then the District will assign Series 2023 Assessments based upon the development rights conveyed and/or assigned to such parcel in the land sale based on the equivalent assessment unit (EAU) factors set forth in the Assessment Methodology. It is not contemplated that any unassigned debt would remain once all of the 279 lots associated with the Assessment Area One Project are platted and fully developed; if such a condition was to occur; the true-up provisions described below would be applicable.

The second condition is the "completed development state." In this condition all of the Assessable Property within the Development plan has been platted and the total par value of the Bonds has been assigned as specific assessments to each of the platted lots within the portion of the Assessment Area One representing 279 EAUs.

IX. FINANCING INFORMATION

The District will finance a portion of the Assessment Area One Project through the issuance of the Bonds secured ultimately by Assessable Properties within Assessment Area One. A number of items will comprise the bond sizing such as a debt service reserve and issuance costs as shown on Table 3.

X. TRUE-UP MODIFICATION

During the construction period of the Development, it is possible that the number of residential units built may change, thereby necessitating a modification to the per unit allocation of special assessment principal. In order to ensure the District's debt does not build up on the unplatted land, the District shall apply the following test as outlined within this "true-up methodology."

The debt per acre remaining on the unplatted land within Assessment Area One may not increase above its ceiling debt per acre. The ceiling level of debt per acre is calculated as the total amount of debt for the Bonds divided by the number of developable acres within Assessment Area One. Thus, every time the test is applied, the debt encumbering the remaining unplatted developable land must remain equal to or lower than the ceiling level of debt per acre. If the debt per gross acre is found to be above the established maximum, the District would require a density reduction payment in an amount sufficient to reduce the remaining debt per acre to the ceiling amount based on the schedule found in Exhibit A, Preliminary Assessment Roll, which amount will include accrued interest to the first interest payment date on the Bonds which occurs at least 45 days following such debt reduction payment.

True-up tests shall be performed upon the recording of each plat submitted to subdivide developed lands within Assessment Area One (including any replats). If upon the completion of any true-up analyses it is found the debt per acre exceeds the established maximum ceiling debt per acre, or there is not sufficient development potential in the remaining acreage within the Assessment Area One to produce the EAU densities required to adequately service the Bond debt, the District shall require the remittance of a density reduction payment, plus accrued interest as applicable, in an amount sufficient to reduce the remaining debt per assessable acre to the ceiling amount per acre and to allow the remaining acreage to adequately service Bond debt upon development. The final test shall be applied at the platting of 100% of the development units within Assessment Area One of the District.

True-up payment requirements may be suspended if the landowner can demonstrate, to the reasonable satisfaction of the District, that there is sufficient development potential in the remaining acreage within the Assessment Area One to produce the densities required to adequately service Bond debt. The Landowner, the Developer and District will enter into a true-up agreement to evidence the obligations described in this section.

All assessments levied run with the land and it is the responsibility of the District to enforce the true-up provisions and collect any required true-up payments due. The District will not release any liens on property for which true-up payments are due, until provision for such payment has been satisfactorily made.

XI. ADDITIONAL STIPULATIONS
