### PRELIMINARY LIMITED OFFERING MEMORANDUM DATED SEPTEMBER 1, 2023

 $\frac{\text{NEW ISSUE - BOOK-ENTRY ONLY}}{\text{LIMITED OFFERING}}$ 

NOT RATED

In the opinion of GrayRobinson, P.A., Bond Counsel, under existing law and assuming compliance with the tax covenants described herein, and the accuracy of certain representations and certifications made by the District described herein, interest on the Series 2023 Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Internal Revenue Code of 1986, as amended (the "Code"). Bond Counsel, is also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code. However, for taxable years beginning after December 31, 2022, interest on the Series 2023 Bonds will be taken into account in computing the alternative minimum tax imposed on certain corporations under the Code to the extent that such interest is included in the "adjusted financial statement income" of such corporations. In the opinion of Bond Counsel, interest on the Series 2023 Bonds will not be subject to taxation under the laws of the State of Florida, except estate taxes and taxes under Chapter 220, Florida Statutes, as amended, on interest, income or profits on debt obligations owned by corporations as defined therein. See "TAX MATTERS" herein regarding certain other tax considerations.

### LIMITED OFFERING MEMORANDUM

# \$11,430,000\* TWO RIVERS WEST COMMUNITY DEVELOPMENT DISTRICT (PASCO COUNTY, FLORIDA) SPECIAL ASSESSMENT BONDS, SERIES 2023 (SERIES 2023 PROJECT)

### INTRODUCTION

The purpose of this Limited Offering Memorandum, including the cover page and appendices attached hereto, is to set forth certain information in connection with the offering for sale by the Two Rivers West Community Development District (the "District") of its \$11,430,000\* Special Assessment Bonds, Series 2023 (Series 2023 Project) (the "Series 2023 Bonds").

THE SERIES 2023 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2023 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2023 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2023 BONDS. SEE "BONDOWNERS' RISKS" AND "SUITABILITY FOR INVESTMENT" HEREIN.

The District, which is the issuer of the Series 2023 Bonds, is a local unit of special purpose government of the State of Florida, created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. 2021-41 of the Board of County Commissioners of the Pasco County, Florida (the "County"), adopted on December 7, 2021 and effective as of December 9, 2021 (the "Ordinance"). The District was created for the purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined) and has previously determined to undertake, in one or more stages, the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of the District Lands. The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, or equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District include approximately 1,641.903 gross assessable acres of land (the "District Lands") located entirely within an unincorporated portion of the County. The District Lands contain a portion of the master-planned mixed-use community to be known as "Two Rivers" (the "Master Development"). The Master Development consists of 3,400 acres of land and is planned to contain approximately (i) 4,575 single-family residential units (ii) 1,200 multifamily rental units and (iii) 3,300,000 square feet of commercial uses. The portion of the Master Development within the District is referred to herein as the "Development." At buildout, the Development is currently planned to contain approximately

<sup>\*</sup> Preliminary, subject to change.

2,208 single-family detached, villa and townhome lots, and associated infrastructure and amenities. The Development is being developed in phases. See "THE DEVELOPMENT" herein for more information.

The District previously issued its Bond Anticipation Note (as defined herein) to fund the acquisition and construction of certain offsite master improvements and associated costs (the "BAN Project"). The District subsequently issued its Series 2022 Bonds (as defined herein) to refund the Bond Anticipation Note and to finance certain master and offsite infrastructure improvements associated with the first phase of land development within the Development (the "Series 2022 Project"), which first phase is planned to contain 787 residential lots (the "Series 2022 Project Area"). See "–Update on the Development" below. See "THE DISTRICT — Outstanding Indebtedness" and "THE CAPITAL IMPROVEMENT PLAN AND THE SERIES 2023 PROJECT" herein for more information regarding the District's indebtedness and its Capital Improvement Plan and "THE DEVELOPMENT — Update on the Development" for more information regarding the status of Development within the District Lands.

The Series 2022 Bonds are secured by the Series 2022 Special Assessments, which were initially levied on all of the District Lands and which are being allocated to the first 1,107.75 equivalent assessment units (EAUs) associated with either platted lots or unplatted tracts closed with homebuilders. Pursuant to the Assessment Methodology (as defined herein), the Series 2022 Special Assessments will be fully assigned prior to any future Special Assessments. Currently, a portion of the Series 2022 Special Assessments have been assigned to tracts closed with homebuilders containing 768 planned lots. The remaining unassigned Series 2022 Special Assessments will be assigned to lands containing the next 19.50 EAUs (expected to correspond to nineteen (19) villa lots in Parcel E) within the District to close with homebuilders. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein.

The Series 2023 Bonds are being issued to finance a portion of the Series 2023 Project (as defined herein), which consists of master and offsite public infrastructure improvements associated with the next phase of land development (the "Series 2023 Project Area"). The Series 2023 Project Area is planned to contain 449 homes at buildout, corresponding to portions of Parcels C-1B, C-2, D-4 and E (Villas). See "THE CAPITAL IMPROVEMENT PLAN AND THE SERIES 2023 PROJECT" herein for more information.

The Series 2023 Bonds will be secured by the Series 2023 Special Assessments, which will initially be levied on approximately 1,148.555 acres of land within the District, which acreage contains all of the parcels within the District that have not closed with homebuilders. Such land is planned to contain approximately 1,440 homes at buildout. Once the Series 2022 Special Assessments have been fully assigned, the Series 2023 Special Assessments will be assigned to parcels at closing with third-party homebuilders on the basis of the development rights associated with such parcels and will thereafter be assigned to platted lots within such parcels, all in accordance with the Assessment Methodology. The Series 2023 Special Assessments are expected to be assigned to the 449 lots planned for the Series 2023 Project Area. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information.

EPG-Two Rivers, LLC, a Florida limited liability company, EPG Two Rivers I, LLC, a Florida limited liability company, EPG Two Rivers IV, LLC, a Florida limited liability company, EPG Two Rivers IV, LLC, a Florida limited liability company, and EPG Two Rivers Holdings VIII, LLC, a Florida limited liability company (collectively, the "Landowners"), own the developable land within the District that has not closed with homebuilders, including the land within the Series 2023 Project Area. See "THE LANDOWNERS" herein. The Landowners are installing offsite and master infrastructure improvements associated with the Development, which are being financed in part from proceeds of the Series 2023 Bonds, and have entered into contracts

to sell undeveloped, permitted parcels to homebuilders, as described herein. See "THE LANDOWNERS" herein for more information.

The Landowners have entered into contracts with homebuilders for the sale of 1,631 of the 2,208 lots planned within the Development. As of the date hereof, 768 lots planned within the Series 2022 Project Area have closed, with lands planned for the remaining 19 lots expected to close in September 2023. In particular, the Landowners have entered into the following contracts for lands containing 360 of the 449 lots planned for the 2023 Project Area: (i) Homes by West Bay (as defined herein) for the sale of lands within Parcel E planned for 89 villa lots, (ii) Homes by West Bay for the sale of lands within Parcel C-1B planned for 81 single-family detached lots, and (iii) Homes by West Bay for the sale of lands within Parcel C-2 planned for 108 single-family detached lots. In addition, the Landowners are in negotiations with Toll Brothers (as defined herein) for the sale of lands within Parcel D-4 planned for 171 single-family lots. Homes by West Bay and Toll Brothers are collectively referred to herein as the "Builders." See "THE DEVELOPMENT – The Builder Contracts and the Builders" herein for more information.

The Series 2023 Bonds are being issued pursuant to the Act, Resolutions Nos. 2022-22, 2023-06 and 2023-09 adopted by the Board of Supervisors of the District (the "Board") on December 17, 2021, July 18, 2023, and August 15, 2023, respectively (collectively, the "Bond Resolution"), and a Master Trust Indenture, dated as of January 1, 2022, as supplemented by a Third Supplemental Trust Indenture dated as of September 1, 2023 (collectively, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as Trustee (the "Trustee"). All capitalized terms used in this Limited Offering Memorandum that are defined in the Indenture and not defined herein shall have the respective meanings set forth in the Indenture. See "APPENDIX B: COPY OF MASTER INDENTURE AND PROPOSED FORM OF THIRD SUPPLEMENTAL INDENTURE" hereto.

The Series 2023 Bonds will be secured by a pledge of the Series 2023 Pledged Revenues. "Series 2023 Pledged Revenues" shall mean (a) all revenues received by the District from the Series 2023 Special Assessments levied and collected on the assessable lands within the District benefitted by the Series 2023 Project, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2023 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2023 Special Assessments, and (b) all moneys on deposit in the Funds and Accounts established under the Third Supplemental Indenture created and established with respect to or for the benefit of the Series 2023 Bonds; provided, however, that Series 2023 Pledged Revenues shall not include (A) any moneys transferred to the Series 2023 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2023 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS."

Proceeds of the Series 2023 Bonds will be used for the purpose of: (i) providing funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Series 2023 Project, (ii) funding a deposit to the Series 2023 Reserve Account in the amount of the Series 2023 Reserve Requirement, and (iii) paying the costs of issuance of the Series 2023 Bonds. See "ESTIMATED SOURCES AND USES OF SERIES 2023 BOND PROCEEDS."

All references herein to the Indenture and the Act are qualified in their entirety by reference to such document and statute, and all references to

The Series 2023 Bonds shall be dated as of the date of initial delivery. Interest on the Series 2023 Bonds shall be payable on each Interest Payment Date to maturity or prior redemption. "Interest Payment Date" means May 1 and November 1 of each year, commencing May 1, 2024. Interest on the Series 2023 Bonds shall be payable from the most recent Interest Payment Date next preceding the date of authentication thereof to which interest has been paid, unless the date of authentication thereof is a May 1 or November 1 to which interest has been paid, in which case from such date of authentication, or unless the date of authentication thereof is prior to May 1, 2024, in which case from the date of initial delivery or unless the date of authentication thereof is between a Record Date and the next succeeding Interest Payment Date, in which case from such Interest Payment Date. Interest on the Series 2023 Bonds will be computed in all cases on the basis of a 360-day year consisting of twelve 30-day months.

Upon initial issuance, the ownership of the Series 2023 Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York ("DTC"), and purchases of beneficial interests in the Series 2023 Bonds will be made in book-entry only form. As long as the Series 2023 Bonds are held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes under the Indenture. DTC shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants ("Direct Participants") and other institutions that clear through or maintain a custodial relationship with a DTC Participant, either directly or indirectly ("Indirect Participants"). The Direct Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Series 2023 Bonds ("Beneficial Owners"). Principal and interest on the Series 2023 Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC. Disbursal of such amounts to Direct Participants shall be the responsibility of DTC. Payments by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners shall be the responsibility of Direct Participants and Indirect Participants and not of DTC, the Trustee or the District. Individuals may purchase beneficial interests in Authorized Denominations in book-entry-only form, without certificated Series 2023 Bonds, through Direct Participants and Indirect Participants. During the period for which Cede & Co. is registered owner of the Series 2023 Bonds, any notices to be provided to any Beneficial Owner will be provided to Cede & Co. DTC shall be responsible for notices to Direct Participants and Direct Participants shall be responsible for notices to Indirect Participants, and Direct Participants and Indirect Participants shall be responsible for notices to Beneficial Owners. In the event DTC, any successor of DTC or the District, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system, the Trustee shall deliver bond certificates in accordance with the

instructions from DTC or its successor and after such time Series 2023 Bonds may be exchanged for an equal aggregate principal amount of Series 2023 Bonds in other Authorized Denominations upon surrender thereof at the designated corporate trust office of the Trustee.

U.S. Bank Trust Company, National Association is the Trustee, Bond Registrar and Paying Agent for the Series 2023 Bonds.

Upon any redemption of Series 2023 Bonds other than in accordance with scheduled mandatory sinking fund redemption amounts, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2023 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2023 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2023 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption amount is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

# **Extraordinary Mandatory Redemption**

The Series 2023 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below, which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2023 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) From Series 2023 Prepayment Principal deposited into the Series 2023 Prepayment Subaccount of the Series 2023 Bond Redemption Account following the payment in whole or in part of Series 2023 Special Assessments on any assessable property within the District in accordance with the provisions of the Third Supplemental Indenture, together with any excess moneys transferred by the Trustee from the Series 2023 Reserve Account to the Series 2023 Prepayment Subaccount as a result of such Series 2023 Prepayment and pursuant to the Third Supplemental Indenture. If such redemption shall be in part, the District shall select such principal amount of Series 2023 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2023 Bonds is substantially level; or

- (ii) From moneys, if any, on deposit in the Series 2023 Funds, Accounts and Subaccounts (other than the Series 2023 Rebate Fund and the Series 2023 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2023 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Master Indenture; or
- (iii) Upon the Completion Date, from any funds remaining on deposit in the Series 2023 Acquisition and Construction Account therein not otherwise reserved to complete the Series 2023 Project and transferred to the Series 2023 General Redemption Subaccount of the Series 2023 Bond Redemption Account. If such redemption shall be in part, the District shall select such principal amount of Series 2023 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2023 Bonds is substantially level.

As used herein, "Quarterly Redemption Date" shall mean each February 1, May 1, August 1, and November 1 of any calendar year. Except as otherwise provided in the Indenture, if less than all of the Series 2023 Bonds of a maturity are to be redeemed pursuant to an extraordinary mandatory redemption, the Trustee shall select the Series 2023 Bonds or portions of the Series 2023 Bonds to be redeemed by lot as provided in the Indenture. Partial redemptions of Series 2023 Bonds shall, to the extent possible, be made in such a manner that the remaining Series 2023 Bonds held by each Bondholder shall be in Authorized Denominations, except for the last remaining Series 2023 Bond. Reference is hereby specifically made to "APPENDIX B: COPY OF MASTER INDENTURE AND PROPOSED FORM OF THIRD SUPPLEMENTAL INDENTURE" for additional details concerning the redemption of Series 2023 Bonds.

# **Notice of Redemption**

When required to redeem or purchase Series 2023 Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall cause notice of the redemption, either in whole or in part, to be mailed by first-class mail, postage prepaid, at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2023 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5<sup>th</sup>) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2023 Bonds for which notice was duly mailed in accordance with the Indenture. A conditional notice of redemption is permitted to be given pursuant to the Indenture.

# **Purchase of Series 2023 Bonds**

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Series 2023 Sinking Fund Account to the purchase of the Series 2023 Bonds in accordance with the Indenture, at prices not higher than the principal amount thereof, in lieu of redemption, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given.

# **Book-Entry System**

The information in this section concerning DTC and DTC's book-entry system has been obtained from DTC, and the District does not make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

DTC will act as securities depository for the Series 2023 Bonds. The Series 2023 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered

certificate will be issued for each maturity of the Series 2023 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of the Series 2023 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2023 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2023 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2023 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2023 Bonds, except in the event that use of the bookentry system for the Series 2023 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2023 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2023 Bonds with DTC and their registration in the name of Cede & Co., or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2023 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2023 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2023 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2023 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the security documents. For

example, Beneficial Owners of Series 2023 Bonds may wish to ascertain that the nominee holding the Series 2023 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2023 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such series or maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2023 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2023 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and interest payments on the Series 2023 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent, on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Paying Agent, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2023 Bonds at any time by giving reasonable notice to the District or the Paying Agent. Under such circumstances, in the event that a successor depository is not obtained, the Series 2023 Bonds are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, the Series 2023 Bonds will be printed and delivered to DTC.

### SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS

### General

THE SERIES 2023 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY OUT OF THE SERIES 2023 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE, AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE COUNTY, THE STATE OF FLORIDA (THE "STATE"), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2023 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, SERIES 2023 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES

2023 BONDS. THE SERIES 2023 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2023 Bonds will be secured by a pledge of the Series 2023 Pledged Revenues. "Series 2023 Pledged Revenues" shall mean (a) all revenues received by the District from the Series 2023 Special Assessments levied and collected on the assessable lands within the District benefitted by the Series 2023 Project, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2023 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2023 Special Assessments, and (b) all moneys on deposit in the Funds and Accounts established under the Third Supplemental Indenture created and established with respect to or for the benefit of the Series 2023 Bonds; provided, however, that Series 2023 Pledged Revenues shall not include (A) any moneys transferred to the Series 2023 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2023 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso).

The "Series 2023 Special Assessments" are the Special Assessments levied on the assessable District Lands as a result of the District's acquisition and/or construction of the Series 2023 Project, corresponding in amount to the debt service on the Series 2023 Bonds and designated as such In the methodology report relating thereto. "Special Assessments" shall mean (a) the net proceeds derived from the levy and collection of "special assessments," as provided for in Sections 190.011(14) and 190.022 of the Act against District Lands that are subject to assessment as a result of a particular Project or any portion thereof or against one or more identified Assessment Areas, and (b) the net proceeds derived from the levy and collection of "benefit special assessments," as provided for in Section 190.021(2) of the Act, against the lands within the District that are subject to assessment as a result of a particular Project or any portion thereof, and in case of both "special assessments" and "benefit special assessments," including the interest and penalties on such assessments, pursuant to all applicable provisions of the Act and Chapter 170, Florida Statutes, and Chapter 197, Florida Statutes (and any successor statutes thereto), including, without limitation, any amount received from any foreclosure proceeding for the enforcement of collection of such assessments or from the issuance and sale of tax certificates with respect to such assessments, less (to the extent applicable) the fees and costs of collection thereof payable to the Tax Collector and less certain administrative costs payable to the Property Appraiser pursuant to the Property Appraiser and Tax Collector Agreement. "Special Assessments" shall not include "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance special assessments" levied and collected by the District under Section 190.021(3) of the Act. The Series 2023 Bonds are not secured by Special Assessments other than the Series 2023 Special Assessments on the District Lands.

"Assessment Proceedings" shall mean the proceedings of the District with respect to the establishment, levy and collection of the Series 2023 Special Assessments, including the Assessment Resolution and any supplemental proceedings undertaken by the District with respect to the Series 2023 Special Assessments.

Non-ad valorem assessments, such as the Series 2023 Special Assessments, are not based on millage and are not taxes, but can become a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The Series 2023 Special Assessments will constitute a lien against the

land as to which the Series 2023 Special Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

# **Covenant to Levy the Series 2023 Special Assessments**

The District will covenant in the Indenture to comply with the terms of the proceedings heretofore adopted with respect to the Series 2023 Special Assessments, including the Assessment Methodology, and to levy and collect the Series 2023 Special Assessments and any required true-up payments set forth in the Assessment Methodology, in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2023 Bonds when due. The District will further agree that it shall not amend the Assessment Methodology in any material manner without the written consent of the Majority Owners.

If any Series 2023 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2023 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2023 Special Assessment when it might have done so, the District has additionally covenanted to either (i) take all necessary steps to cause a new Series 2023 Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (ii) in its sole discretion, make up the amount of such Series 2023 Special Assessment from legally available moneys, which moneys shall be deposited into the Series 2023 Revenue Account. See "BONDOWNERS RISKS – Inadequacy of Reserve Account." In case any such subsequent Series 2023 Special Assessment shall also be annulled, the District shall obtain and make other Series 2023 Special Assessments until a valid Series 2023 Special Assessment shall be made.

# **Prepayment of Series 2023 Special Assessments**

Pursuant to the proceedings of the District relating to the levy of the Series 2023 Special Assessments (the "Assessment Proceedings"), any owner of land against which an Series 2023 Special Assessment has been levied may pay the principal balance of such Series 2023 Special Assessment, in whole or in part at any time, if there is also paid an amount equal to the interest that would otherwise be due on such balance to the earlier of the next succeeding interest payment date, which is at least 45 days after the date of payment.

Pursuant to the Act, an owner of property subject to the levy of Series 2023 Special Assessments may pay the entire balance of the Series 2023 Special Assessments remaining due, without interest, within thirty (30) days after the Series 2023 Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the Series 2023 Project pursuant to Chapter 170.09, Florida Statutes. The Landowners will waive this right in connection with the issuance of the Series 2023 Bonds. See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

The Series 2023 Bonds are subject to extraordinary redemption as indicated under "DESCRIPTION OF THE SERIES 2023 BONDS – Redemption Provisions – Extraordinary Mandatory Redemption" from optional prepayments of Series 2023 Special Assessments by property owners.

# **Limitation on Issuance of Additional Bonds**

In the Third Supplemental Indenture, the District will covenant as follows:

(a) The District will covenant not to issue any other Bonds or other debt obligations secured by the Series 2023 Special Assessments. Such covenant shall not prohibit the District from issuing refunding bonds.

- (b) Prior to the Series 2023 Special Assessments being assigned to either (i) platted lots or (ii) undeveloped, permitted parcels upon the closing of such parcel(s) with a homebuilder, pursuant to the Assessment Methodology, the District shall be authorized to issue additional Bonds secured by Special Assessments levied against the assessable District Lands to finance public infrastructure improvements, provided that the total annual Special Assessments levied for each planned, permitted unit within the District do not exceed \$32.50 per front foot (exclusive of collection costs and discount for early payment), taking into account Special Assessments levied to secure previously issued Bonds, including the Series 2022 Special Assessments and the Series 2023 Special Assessments.
- (c) Notwithstanding the limitation set forth in paragraph (b) above, the District may issue other Bonds or other debt obligations for any capital project without limit at any time after the Series 2023 Special Assessments have been Substantially Absorbed. "Substantially Absorbed" means the date at least 90% of the principal portion of the Series 2023 Special Assessments have been assigned to residential units within the District Lands that have received certificates of occupancy. The District shall present the Trustee with a certification that the Series 2023 Special Assessments are Substantially Absorbed and the Trustee may rely conclusively upon such certification and shall have no duty to verify if the Series 2023 Special Assessments are Substantially Absorbed.
- (d) Notwithstanding any of the foregoing, the District shall not be precluded from imposing Special Assessments or non-ad valorem assessments on District Lands (i) for the health, safety, and welfare of the District's residents or for purposes of remediating any natural disaster, catastrophic damage, or failure that has occurred with respect to any capital project or any component thereof or (ii) upon the written consent of the Majority Holders.

Notwithstanding the above paragraphs to the contrary, certain operation and maintenance assessments have and will continue to be levied upon the same lands subject to the Series 2023 Special Assessments; however, such assessments will not be available to pay debt service on the Series 2023 Bonds. The Series 2023 Special Assessments and the operation and maintenance assessments will have coequal lien status on the District Lands. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein.

### **Acquisition and Construction Account**

Pursuant to the Third Supplemental Indenture, there is established within the Acquisition and Construction Fund held by the Trustee an "Series 2023 Acquisition and Construction Account." Net proceeds of the Series 2023 Bonds shall be deposited into the Series 2023 Acquisition and Construction Account in the amount set forth in the Third Supplemental Indenture, together with any moneys transferred or deposited thereto, including moneys transferred from the Series 2023 Reserve Account after satisfaction of each of Condition #1 for Reduction of Reserve Requirement and Condition #2 for Reduction of Reserve Requirement (as defined herein), and such moneys shall be applied as set forth in the Indenture and the Acquisition Agreement. Funds on deposit in the Series 2023 Acquisition and Construction Account shall only be requested by the District to be applied to the Costs of the Series 2023 Project. See "—Series 2023 Reserve Account" herein for more information regarding Condition #1 for Reduction of Reserve Requirement and Condition #2 for Reduction of Reserve Requirement.

After the Completion Date for the Series 2023 Project, and after retaining costs to complete the Series 2023 Project, any moneys remaining in the Series 2023 Acquisition and Construction Account shall be transferred to the Series 2023 General Redemption Subaccount, as directed in writing by the District, or the District Manager on behalf of the District, to the Trustee. After no funds remain therein, the Series 2023 Acquisition and Construction Account shall be closed. Notwithstanding the foregoing, the Series 2023 Acquisition and Construction Account shall not be closed until after both Condition #1 for Reduction of

Reserve Requirement and Condition #2 for Reduction of Reserve Requirement shall have occurred and the excess funds from the Series 2023 Reserve Account shall have been transferred to the Series 2023 Acquisition and Construction Account and applied in accordance with the Third Supplemental Indenture. The Trustee shall not be responsible for determining the amounts in the Series 2023 Acquisition and Construction Account allocable to the respective components of the Series 2023 Project.

The Trustee shall make no such transfers from the Series 2023 Acquisition and Construction Account to the Series 2023 General Redemption Subaccount if an Event of Default exists with respect to the Series 2023 Bonds of which the Trustee has notice or actual knowledge as described in the Master Indenture. Except as provided in the Third Supplemental Indenture with respect to mandatory redemption of the Series 2023 Bonds after the Completion Date or with respect to use of the Series 2023 Acquisition and Construction Account following an Event of Default, the Trustee shall withdraw moneys from the Series 2023 Acquisition and Construction Account only upon presentment to the Trustee of a properly signed requisition in substantially the form attached as an exhibit to the Third Supplemental Indenture.

### **Reserve Account**

Pursuant to the Third Supplemental Indenture, there is established within the Debt Service Reserve Fund an Series 2023 Reserve Account, in which proceeds of the Series 2023 Bonds will be deposited in an amount equal to the Series 2023 Reserve Account Requirement. See "ESTIMATED SOURCES AND USES OF SERIES 2023 BOND PROCEEDS" herein.

The "Series 2023 Reserve Account Requirement" or "Reserve Requirement" shall mean (i) initially, an amount equal to the maximum annual debt service on the Series 2023 Bonds on their date of issuance; (ii) upon the occurrence of Condition #1 for Reduction of Reserve Requirement, fifty percent (50%) of the maximum annual debt service on the Series 2023 Bonds; and (iii) upon the occurrence of Condition #2 for Reduction of Reserve Requirement, ten percent (10%) of the maximum annual debt service on the Series 2023 Bonds. Upon satisfaction of Condition #1 for Reduction of Reserve Requirement or Condition #2 for Reduction of Reserve Requirement, as applicable, such excess amount shall be released from the Series 2023 Reserve Account and transferred to the Series 2023 Acquisition and Construction Account in accordance with the provisions of the Third Supplemental Indenture. For the purpose of calculating the Series 2023 Reserve Requirement, maximum annual debt service, fifty percent (50%) of maximum annual debt service, or ten percent (10%) of maximum annual debt service, as the case may be, shall be calculated as of the date of the original issuance and delivery and recalculated in connection with each extraordinary mandatory redemption of the Series 2023 Bonds from Series 2023 Prepayment Principal as set forth herein (but not upon the optional or mandatory sinking fund redemption thereof) and such excess amount shall be released from the Series 2023 Reserve Account and, other than as provided in the immediately preceding sentence, transferred to the Series 2023 Prepayment Subaccount in accordance with the provisions of the Third Supplemental Indenture. Amounts on deposit in the Series 2023 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2023 Bonds, be used to pay principal of and interest on the Series 2023 Bonds at that time. Initially, the Series 2023 Reserve Requirement shall be equal to \$[ ].

"Condition #1 for Reduction of Reserve Requirement" with respect to the Series 2023 Bonds shall mean collectively (i) all of the principal portion of the Series 2023 Special Assessments has been assigned to either platted lots or unplatted tracts that, in either case, have been sold and closed to homebuilders, as certified by the District Manager, and (ii) there shall be no Events of Default under the Indenture with respect to the Series 2023 Bonds, as certified by the District Manager. The District shall present the Trustee with the certifications of the District Manager regarding the satisfaction of the Condition #1 for Reduction of Reserve Requirement, and the Trustee may rely conclusively upon such certifications and shall have no duty to verify the same.

"Condition #2 for Reduction of Reserve Requirement" with respect to the Series 2023 Bonds shall mean collectively (i) all of the principal portion of the Series 2023 Special Assessments has been assigned to residential units within the District that have been constructed and have each received certificates of occupancy, as certified by the District Manager, and (ii) there shall be no Events of Default under the Indenture with respect to the Series 2023 Bonds, as certified by the District Manager. The District shall present the Trustee with the certifications of the District Manager regarding the satisfaction of the Condition #2 for Reduction of Reserve Requirement, and the Trustee may rely conclusively upon such certifications and shall have no duty to verify the same.

Net proceeds of the Series 2023 Bonds shall be deposited into the Series 2023 Reserve Account in the amount set forth in the Third Supplemental Indenture, and such moneys, together with any other moneys deposited into the Series 2023 Reserve Account shall be applied for the purposes provided in the Indenture. Notwithstanding any provisions in the Master Indenture to the contrary, the District will covenant not to substitute the cash and Investment Securities on deposit in the Series 2023 Reserve Account with a Debt Service Reserve Insurance Policy or a Debt Service Reserve Letter of Credit. Except as provided in the next paragraph, all investment earnings on moneys in the Series 2023 Reserve Account shall remain on deposit therein.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2023 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2023 Bonds caused by investment earnings to the Series 2023 Revenue Account in accordance with the Third Supplemental Indenture.

In the event of a prepayment of Series 2023 Special Assessments in accordance with the Third Supplemental Indenture, forty-five (45) days before the next Quarterly Redemption Date, the Trustee after receiving the written direction of the District described in the Third Supplemental Indenture, the Trustee shall recalculate the Series 2023 Reserve Requirement taking into account the amount of Series 2023 Bonds that will be outstanding as a result of such prepayment of Series 2023 Special Assessments, and cause the amount on deposit in the Series 2023 Reserve Account in excess of the Series 2023 Reserve Requirement, resulting from Series 2023 Prepayment Principal, to be transferred to the Series 2023 Prepayment Subaccount to be applied toward the extraordinary redemption of Series 2023 Bonds in accordance with the extraordinary mandatory redemption provisions set forth in an exhibit attached to the Third Supplemental Indenture, as a credit against the Series 2023 Prepayment Principal otherwise required to be made by the owner of such property subject to Series 2023 Special Assessments. Upon satisfaction of each of Condition #1 for Reduction of Reserve Requirement and Condition #2 for Reduction of Reserve Requirement, the amount on deposit in the Series 2023 Reserve Account in excess of the Series 2023 Reserve Requirement shall then be transferred to the Series 2023 Acquisition and Construction Account and applied as provided in the Third Supplemental Indenture.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2023 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2023 Bonds to the Series 2023 General Redemption Subaccount, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2023 Special Assessments and applied to redeem a portion of the Series 2023 Bonds is less than the principal amount of Series 2023 Bonds indebtedness attributable to such lands.

In addition, and together with the moneys transferred from the Series 2023 Reserve Account pursuant to this paragraph, if the amount on deposit in the Series 2023 General Redemption Subaccount is not sufficient to redeem a principal amount of the Series 2023 Bonds in an Authorized Denomination, the Trustee is authorized to withdraw amounts from the Series 2023 Revenue Account to round up the amount

in the Series 2023 Prepayment Subaccount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2023 Revenue Account shall be made to pay interest on and/or principal of the Series 2023 Bonds for the extraordinary mandatory redemption thereof if the deposits required under Section 4.02 FIRST through FIFTH of the Third Supplemental Indenture cannot first be made in full.

# **Deposit and Application of the Series 2023 Pledged Revenues**

Pursuant to the Third Supplemental Indenture, Series 2023 Special Assessments (except for Prepayments of Series 2023 Special Assessments, which shall be identified as such by the District to the Trustee and deposited in the Series 2023 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2023 Revenue Account established within the Revenue Fund. The Trustee shall transfer from amounts on deposit in the Series 2023 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, commencing May 1, 2024, to the Series 2023 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2023 Bonds becoming due on the next succeeding Interest Payment Date, less any amount on deposit in the Series 2023 Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each November 1, commencing November 1, 2024, to the Series 2023 Sinking Fund Account, an amount equal to the principal amount of Series 2023 Bonds subject to sinking fund redemption on such November 1, less any amount on deposit in the Series 2023 Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2023 Bonds remain Outstanding, to the Series 2023 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2023 Bonds;

FOURTH, notwithstanding the foregoing, at any time the Series 2023 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2023 Interest Account, the amount necessary to pay interest on the Series 2023 Bonds subject to redemption on such date; and

FIFTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2023 Costs of Issuance Account upon the written request of the District to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2023 Bonds and next, any balance in the Series 2023 Revenue Account shall remain on deposit in such Series 2023 Revenue Account, unless needed for the purposes of rounding the principal amount of an Series 2023 Bond subject to extraordinary mandatory redemption pursuant to the Third Supplemental Indenture to an Authorized Denomination, or unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2023 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

Notwithstanding the foregoing, in the event of redemption of Series 2023 Bonds from Prepayments on deposit in the Series 2023 Prepayment Subaccount, the Trustee is further authorized, upon written direction from the District, to transfer from the Series 2023 Revenue Account to the Series 2023 Prepayment

Subaccount sufficient funds to cause the redemption of the next closest Authorized Denomination of Series 2023 Bonds, as provided in the Third Supplemental Indenture.

### **Investments**

The Trustee shall, as directed by the District in writing, invest moneys held in the Series Accounts within the Debt Service Fund, any Series Accounts within the Debt Service Reserve Fund and any Series Account within the Bond Redemption Fund created under the Third Supplemental Indenture only in Government Obligations and other Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth in the Indenture. All securities securing investments under the Indenture shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the provisions of the Indenture, any interest and other income so received shall be deposited in the related Series Account of the Revenue Fund. Upon request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof, except as provided in the Indenture. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund. See "APPENDIX B: COPY OF MASTER INDENTURE AND PROPOSED FORM OF THIRD SUPPLEMENTAL INDENTURE" attached hereto.

In the absence of written investment instructions from the District, the Trustee shall not be responsible or liable for keeping the moneys held by it hereunder invested or for any losses because such amounts were not invested. Moneys in any of the Funds and Accounts established pursuant to the Indenture, when held by the Trustee, shall be promptly invested by the Trustee in accordance with all written directions from the District and the District shall be responsible for ensuring that such instructions conform to requirements of this Master Indenture including, without limitation, Article VII of the Master Indenture. The Trustee shall not be liable or responsible for any loss or entitled to any gain resulting from any investment or sale upon the investment instructions of the District or otherwise, including that set forth in the first sentence of this paragraph. The Trustee may conclusively rely upon the District's written instructions as to both the suitability and legality of all investments directed hereunder or under any Supplemental Indenture. Ratings of investments shall be determined by the District at the time of purchase of such investments and without regard to ratings subcategories. The Trustee shall have no responsibility to monitor the ratings of investments after the initial purchase of such investments. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades. Confirmations of investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month.

# **Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner**

The Indenture contains the following provisions which, pursuant to the Indenture, shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the District shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The District will agree that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

The District will acknowledge and agree that, although the Series 2023 Bonds were issued by the District, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer: (i) the District will agree that it shall follow the direction of the Trustee in making and election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds, or any rights of the Trustee; (ii) the District will agree that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds, or any rights of the Trustee under the Indenture that are inconsistent with direction from the Trustee; (iii) to the extent permitted by law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (iv) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement or the District's claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District will agree that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments pledged to the Affected Bonds Outstanding, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing gin this section shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for "maintenance special assessments," and the District shall be free to pursue such a claim in such manner as it shall deem appropriate. Any actions taken by the District in pursuance of its claim for "Maintenance special assessments" in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Affected Special Assessments, whether such claim is pursued by the District or the Trustee' provided, however, that the District shall not oppose any relief sought by the District under the authority granted to the Trustee in this Section.

### **Events of Default and Remedies**

The Indenture provides that each of the following shall be an "Event of Default" under the Indenture, with respect to the Series 2023 Bonds:

- (a) if payment of any installment of interest on any Series 2023 Bond is not made when it becomes due and payable; or
- (b) if payment of the principal or Redemption Price of any Series 2023 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or
- (c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act, which may be determined solely by the Majority Owners of the Series 2023 Bonds; or
- (d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or
- (e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in any Series 2023 Bonds and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Holders of not less than a majority in aggregate principal amount of the Series 2023 Bonds Outstanding; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or
- (f) if at any time the amount in the Debt Service Reserve Fund or any account therein is less than the Debt Service Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Bonds of any Series and such amount has not been restored within thirty (30) days of such withdrawal; or
- (g) if, at any time following issuance of the related series of Bonds, more than twenty percent (20%) of the "maintenance special assessments" levied by the District on the District Lands upon which the Special Assessments are levied to secure one or more Series of Bonds pursuant to Section 190.021(3),

Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

The Series 2023 Bonds are not subject to acceleration. Upon an occurrence and continuance of an Event of Default, no optional redemption or extraordinary mandatory redemption of the Series 2023 Bonds pursuant to Article VIII of the Master Indenture shall occur unless all of the Series 2023 Bonds where an Event of Default has occurred will be redeemed or if 100% of the Holders of such Series 2023 Bonds agree to such redemption.

If any Event of Default with respect to the Series 2023 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Holders of not less than a majority of the aggregate principal amount of the Outstanding Series 2023 Bonds and receipt of indemnity to its satisfaction shall, in its own name:

- (i) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2023 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Bondholders of the Series 2023 Bonds and to perform its or their duties under the Act;
  - (ii) bring suit upon the Series 2023 Bonds;
- (iii) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2023 Bonds;
- (iv) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2023 Bonds; and
- (v) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing such Series 2023 Bonds.

The Holders of a majority in aggregate principal amount of the Outstanding Series 2023 Bonds then subject to remedial proceedings under Article X of the Master Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law or the provisions of the Indenture. The Trustee shall have no liability as a result of any actions taken upon any such direction of the Holders.

Anything in the Indenture to the contrary notwithstanding, the District will acknowledge in the Third Supplemental Indenture that the Series 2023 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2023 Acquisition and Construction Account then held by the Trustee and that, upon the occurrence of an Event of Default with respect to the Series 2023 Bonds, (i) the Series 2023 Pledged Revenues may not be used by the District (whether to pay costs of the Series 2023 Project or otherwise) without the consent of the Majority Holders, and (ii) the Series 2023 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay costs and expenses incurred in connection with the pursuit of remedies under the Indenture, provided, however notwithstanding anything herein to the contrary the Trustee is also authorized to utilize the Series 2023 Pledged Revenues to pay fees and expenses as provided in the Master Indenture.

During the continuance of an Event of Default described in paragraphs (a), (b) or (f) above (a "Payment Related Default"), disbursements from the Series 2023 Acquisition and Construction Account shall be made only with the consent of the Majority Holders, except as provided in the Indenture. During the continuance of a Payment Related Default, the Majority Holders shall have the right to provide direction

to the District to terminate, suspend, or proceed under any contracts for construction of the Series 2023 Project entered into prior to the occurrence of such Payment Related Default. The Majority Holders may provide such direction at any time during the continuance of such Payment Related Default and shall not be deemed to have waived their right to do so through inaction or delay and may change such direction from time to time.

- (i) Until such time as the Majority Holders provide such direction to the District, disbursements may be made without the consent of the Majority Holders for Costs incurred by the District under construction contracts entered into by the District prior to the occurrence of such Payment Related Default.
- (ii) Upon direction by the Majority Holders to proceed under any such contract(s), no consent of the Majority Holders shall be required for disbursements for Costs incurred by the District thereunder until the date of suspension or termination of such contract directed by the Majority Holders described in subparagraph (iii) below.
- (iii) Upon direction by the Majority Holders to suspend or terminate such construction contract(s), disbursements for Costs incurred by the District thereunder shall only be made (x) for disbursements for Costs incurred by the District under construction contracts entered into by the District prior to the occurrence of such Payment Related Default and which Costs relate to work performed before the earliest date on which the District is entitled to suspend or terminate such construction contract at the direction of the Majority Holders, or (y) with the consent of the Majority Holders.

Notwithstanding anything to the contrary contained in the Indenture, during the continuance of a Payment Related Default, the consent of the Majority Holders shall be required for disbursements for Costs under contracts for the acquisition of Series 2023 Project improvements from the Landowners or their affiliates.

# Foreclosure of Series 2023 Assessment Lien

Notwithstanding any other provisions of the Indenture to the contrary, the Indenture provides that the following shall apply with respect to the Series 2023 Special Assessments and Series 2023 Bonds: If any property shall be offered for sale for the nonpayment of any Series 2023 Special Assessments, and no person or persons shall purchase such property for an amount equal to the full amount due on the Series 2023 Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the District for an amount equal to the balance due on the Series 2023 Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive in its corporate name or in the name of a special-purpose entity title to the property for the benefit of the Owners of the Series 2023 Bonds; provided that the Trustee shall have the right, acting at the written direction of the Majority Holders, but shall not be obligated, to direct the District with respect to any action taken pursuant to the Indenture. The District, either through its own actions, or actions caused to be taken through the Trustee, shall have the power to and shall lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Series 2023 Revenue Account. The District, either through its own actions, or actions caused to be taken through the Trustee, shall agree that it shall be required to take the measures provided by law for sale of property acquired by it as trustee for the Owners of the Series 2023 Bonds within thirty (30) days after the receipt of the request therefore signed by the Majority Holders of the Series 2023 Bonds Outstanding.

### ENFORCEMENT OF ASSESSMENT COLLECTIONS

### General

The primary source of payment for the Series 2023 Bonds is the Series 2023 Special Assessments imposed on the District Lands specially benefited by the Series 2023 Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX E: ASSESSMENT METHODOLOGY REPORT."

The determination, order, levy, and collection of Series 2023 Special Assessments must be done in compliance with procedural requirements and guidelines provided by State law. Failure by the District, the Pasco County Tax Collector (the "Tax Collector") or the Pasco County Property Appraiser (the "Property Appraiser") to comply with such requirements could result in a delay in the collection of, or the complete inability to collect, the Series 2023 Special Assessments during any year. Such delays in the collection of Series 2023 Special Assessments, or complete inability to collect Series 2023 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2023 Bonds. See "BONDOWNERS' RISKS." To the extent that landowners fail to pay the Series 2023 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2023 Bonds. The Act provides for various methods of collection of delinquent Series 2023 Special Assessments by reference to other provisions of the Florida Statutes. The following is a description of certain statutory provisions of assessment payment and collection procedures appearing in the Florida Statutes but is qualified in its entirety by reference to such statutes.

# **Uniform Method Procedure**

Initially, the Landowners and subsequent landowners will directly pay the Series 2023 Special Assessments to the District. After the lands in District are platted and assigned their respective tax folio numbers, the Series 2023 Special Assessments will be collected pursuant to the Uniform Method (as hereinafter defined). At such times as the Series 2023 Special Assessments are collected pursuant to the Uniform Method of collection, the provisions of this section shall be come applicable. The Florida Statutes provide that, subject to certain conditions, non-ad valorem special assessments may be collected by using the uniform method (the "Uniform Method") of collection. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2023 Special Assessments to be levied and then collected in this manner. The District's election to use a certain collection method with respect to the Series 2023 Special Assessments does not preclude it from electing to use another collection method in the future, subject to the provisions of the Indenture. See "—Foreclosure" below with respect to collection of delinquent assessments not collected pursuant to the Uniform Method.

If the Uniform Method of collection is utilized, the Series 2023 Special Assessments will be collected together with County, special district, and other ad valorem taxes and non-ad valorem assessments, all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of ad valorem taxes and non-ad valorem assessments provide that such taxes and assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments (including the Series 2023 Special Assessments being collected by the Uniform Method) are to be billed, and landowners in the District are required to pay, all such taxes and assessments, without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2023 Special Assessments. Upon any receipt of moneys by the Tax Collector from the Series 2023 Special

Assessments, such moneys will be delivered to the District, which will remit such Series 2023 Special Assessments to the Trustee for deposit to the 2021 Revenue Account within the Revenue Fund, except that any Prepayments of Series 2023 Special Assessments shall be deposited to the Series 2023 Prepayment Subaccount within the Series 2023 Bond Redemption Account created under the Indenture and applied in accordance therewith.

All County, school and special district, including the District, ad valorem taxes, non-ad valorem special assessments, including the Series 2023 Special Assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on bonds are payable at one time, except for partial payment schedules as may be provided by Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. In such cases, the Tax Collector does not accept such partial payment and the partial payment is returned to the taxpayer. Therefore, in the event the Series 2023 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item would cause the Series 2023 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2023 Bonds.

Under the Uniform Method, if the Series 2023 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid taxes and assessments become delinquent on April 1 of the year following assessment. The Tax Collector is required to collect the ad valorem taxes and non-ad valorem special assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such taxes and assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process.

Neither the District nor the Underwriter can give any assurance to the holders of the Series 2023 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2023 Special Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2023 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, or (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2023 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2023 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2023 Special Assessments due. In the event of a delinquency in the payment of taxes and assessments on real property, the landowner may, prior to the sale of tax certificates, pay the total amount of delinquent ad valorem taxes and non-ad valorem assessments plus the cost of advertising and the applicable interest charge on the amount of such delinquent taxes and assessments. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates on such property to the person who pays the delinquent taxes and assessments owing, penalties and interest thereon and certain costs, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%). Tax certificates are sold by public bid. If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest (currently 18%). The Tax Collector does not collect any money if tax certificates are "struck off" (issued) to the County. The County may sell such certificates to the public at any time at the principal amount thereof plus interest at the rate of not more than 18% per annum and a

fee. Proceeds from the sale of tax certificates are required to be used to pay taxes and assessments (including the Series 2023 Special Assessments), interest, costs and charges on the real property described in the certificate. The demand for such certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2023 Special Assessments, which are the primary source of payment of the Series 2023 Bonds. Legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates.

Unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees, any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued, and at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described in the preceding paragraph.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due. If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and the amount paid by such holder in applying for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, and all other amounts paid by such person in applying for a tax deed, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the County may, at any time within ninety (90) days from the date of offering for public sale, purchase the land without further notice or advertising for a statutorily prescribed opening bid. After ninety (90) days have passed, any person or governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date of delinquency, unsold lands escheat to the County in which they are located and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

### **Foreclosure**

The following discussion regarding foreclosure is not applicable if the Series 2023 Special Assessments are being collected pursuant to the Uniform Method. In the event that the District itself directly levies and enforces, pursuant to Chapters 170 and 190, Florida Statutes, the collection of the Series 2023 Special Assessments levied on the land within the District, Section 170.10, Florida Statutes provides that upon the failure of any property owner to pay all or any part of the principal of a special assessment, including an Series 2023 Special Assessment, or the interest thereon, when due, the governing body of the entity levying the assessment is authorized to commence legal proceedings for the enforcement of the payment thereof, including commencement of an action in chancery, commencement of a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or commencement of an action under Chapter 173, Florida Statutes relating to foreclosure of municipal tax and special assessment liens. Such a proceeding is in rem, meaning that it is brought against the land not against the owner. In light of the one-year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely that the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage, rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2023 Special Assessments and the ability to foreclose the lien of such Series 2023 Special Assessments upon the failure to pay such Series 2023 Special Assessments may not be readily available or may be limited as such enforcement is dependent upon judicial action which is often subject to discretion and delay.

### **BONDOWNERS' RISKS**

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described in other sections of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2023 Bonds offered hereby and are set forth below. Prospective investors in the Series 2023 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2023 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This section does not purport to summarize all risks that may be associated with purchasing or owning the Series 2023 Bonds, and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2023 Bonds.

# **Concentration of Land Ownership**

As of the date hereof, the Landowners own all of the assessable lands within the District that have not previously closed with homebuilders, which are the lands that will initially be subject to the Series 2023 Special Assessments securing the Series 2023 Bonds, along with any Series 2022 Special Assessments that have not been assigned to lots or lands previously sold to homebuilders. Payment of the Series 2023 Special Assessments is primarily dependent upon their timely payment by the Landowners and the other future landowners in the District. Non-payment of the Series 2023 Special Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay debt service on the Series 2023 Bonds. See "THE LANDOWNERS" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS" herein.

# **Bankruptcy and Related Risks**

In the event of the institution of bankruptcy or similar proceedings with respect to the Landowners or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2023 Bonds, as such bankruptcy could negatively impact the ability of: (i) the Landowners and any other landowner to pay the Series 2023 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2023 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2023 Special Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2023 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2023 Bonds, including, without limitation, enforcement of the obligation to pay Series 2023 Special Assessments and the ability of the District to foreclose the lien of the Series 2023 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2023 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2023 Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Master Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an "Insolvent Taxpayer" (as previously defined). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner" herein. The District cannot express any view whether such delegation would be enforceable.

# Series 2023 Special Assessments Are Non-Recourse

The principal security for the payment of the principal and interest on the Series 2023 Bonds is the timely collection of the Series 2023 Special Assessments. The Series 2023 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Landowners or subsequent landowners will be able to pay the Series 2023 Special Assessments or that they will pay such Series 2023 Special Assessments even though financially able to do so. Neither the Landowners nor any other subsequent landowners have any personal obligation to pay the Series 2023 Special Assessments. Neither the Landowners nor any subsequent landowners are guarantors of payment of any Series 2023 Special Assessments, and the recourse for the failure of the Landowners or any subsequent landowner to pay the Series 2023 Special Assessments is limited to the collection proceedings against the land subject to such unpaid Series 2023 Special Assessments, as described herein. Therefore the likelihood of collection of the Series 2023 Special Assessments may ultimately depend on the market value of the land subject to the Series 2023 Special Assessments. While the ability of the Landowners or subsequent landowners to pay the Series 2023 Special Assessments is a relevant factor, the willingness of the Landowners or subsequent landowners to pay the Series 2023 Special Assessments, which may also be affected by the value of the land subject to the Series 2023 Special Assessments, is also an important factor in the collection of Series 2023 Special Assessments. The failure of the Landowners or subsequent landowners to pay the Series 2023 Special Assessments could render the District unable to collect delinquent Series 2023 Special Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2023 Bonds.

Initially, the District Lands subject to the Series 2023 Special Assessments securing the Series 2023 Bonds are also subject to the Series 2022 Special Assessments securing the District's Series 2022 Bonds. See "THE DISTRICT – Outstanding Bonds" herein for more information. THE SERIES 2022 SPECIAL ASSESSMENTS ARE NOT AVAILABLE TO PAY DEBT SERVICE ON THE SERIES 2023 BONDS, AND THE SERIES 2023 SPECIAL ASSESSMENTS WILL NOT BE AVAILABLE TO PAY DEBT SERVICE ON THE SERIES 2022 BONDS. NOTWITHSTANDING THE FOREGOING, HOWEVER, UNTIL SUCH TIME AS THE SERIES 2022 SPECIAL ASSESSMENTS ARE FULLY ASSIGNED TO PLATTED LOTS OR UNPLATTED TRACTS THAT HAVE CLOSED WITH HOMEBUILDERS, THE SERIES 2023 SPECIAL ASSESSMENTS SECURING THE SERIES 2023 BONDS WILL BE LEVIED ON THE SAME DISTRICT LANDS AS THE SERIES 2022 SPECIAL ASSESSMENTS SECURING THE SERIES 2022 BONDS, SO THAT AN EVENT OF DEFAULT UNDER, OR THE EXERCISE OF REMEDIES AGAINST, THE SERIES 2022 BONDS COULD ADVERSELY AFFECT THE SERIES 2023 BONDS.

Pursuant to the Assessment Methodology, the Series 2023 Special Assessments will be assigned after the Series 2022 Special Assessments but prior to any future Special Assessments. Accordingly, the Series 2023 Special Assessments will not be assigned to platted lots or unplatted tracts closed with homebuilders until such time as the Series 2022 Special Assessments have been fully assigned. The remaining unassigned Series 2022 Special Assessments are expected to be assigned to lands planned for nineteen (19) villa lots within Parcel E; however, until such Parcel is closed with a homebuilder, there can be no assurance that the remaining Series 2022 Special Assessments will be assigned thereto. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information.

# **Regulatory and Environmental Risks**

The development of the District Lands is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in

connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals" herein for more information.

The value of the land within the District, the success of the Development, the development of the District and the likelihood of timely payment of principal and interest on the Series 2023 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Series 2023 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT - Environmental" for information on environmental site assessments obtained or received. Such information is being provided solely for informational purposes, and nothing herein or in such assessments grants any legal rights or remedies in favor of the Series 2023 Bondholders in the event any recognized environmental conditions are later found to be present on District Lands. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the lands in the District.

The value of the lands subject to the Series 2023 Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2023 Bonds. The Series 2023 Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

# **Economic Conditions and Changes in Development Plans**

The successful development of the District and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Landowners. Moreover, the Landowners have the right to modify or change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

### **Other Taxes and Assessments**

The willingness and/or ability of an owner of benefited land to pay the Series 2023 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2023 Special Assessments, collected pursuant

to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. Initially, the District Lands subject to the Series 2023 Special Assessments securing the Series 2023 Bonds are also subject to the Series 2022 Special Assessments securing the District's Series 2022 Bonds. The District also anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2023 Special Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2023 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2023 Special Assessment, even though the landowner is not contesting the amount of the Series 2023 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

# **Limited Secondary Market for Series 2023 Bonds**

The Series 2023 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2023 Bonds in the event an Owner thereof determines to solicit purchasers for the Series 2023 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2023 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2023 Bonds, depending on the progress of development of the Development and the lands within the District, as applicable, existing real estate and financial market conditions and other factors.

# **Inadequacy of Reserve Account**

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Series 2023 Special Assessments, may not adversely affect the timely payment of debt service on the Series 2023 Bonds because of the Series 2023 Reserve Account. The ability of the Series 2023 Reserve Account to fund deficiencies caused by delinquencies in the Series 2023 Special Assessments is dependent on the amount, duration and frequency of such deficiencies. Moneys on deposit in the Series 2023 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in such Reserve Account to make up deficiencies. If the District has difficulty in collecting the Series 2023 Special Assessments, the Series 2023 Reserve Account would be rapidly depleted and the ability of the District to pay debt service on the Series 2023 Bonds could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2023 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2023 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2023 Special Assessments in order to provide for the replenishment of the Series 2023 Reserve Account.

See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Reserve Account" herein for more information about the Series 2023 Reserve Account.

# **Legal Delays**

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2023 Special Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the Series 2023 Bonds to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Internal Revenue Code of 1986, as amended (the "Code"), there are limitations on the amounts of proceeds from the Series 2023 Bonds that can be used for such purpose.

### IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations required

that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by the landowners and none were elected by qualified electors. The Landowners will certify as to their expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act. Such certification by the Landowners does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2023 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Series 2023 Bonds are advised that, if the IRS does audit the Series 2023 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2023 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2023 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2023 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2023 Bonds would adversely affect the availability of any secondary market for the Series 2023 Bonds. Should interest on the Series 2023 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2023 Bonds be required to pay income taxes on the interest received on such Series 2023 Bonds and related penalties, but because the interest rate on such Series 2023 Bonds will not be adequate to compensate Owners of the Series 2023 Bonds for the income taxes due on such interest, the value of the Series 2023 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE SERIES 2023 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2023 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2023 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2023 BONDS IN THE EVENT THAT THE INTEREST

ON THE SERIES 2023 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

# **Loss of Exemption from Securities Registration**

The Series 2023 Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for securities issued by political subdivisions. It is possible that federal or state regulatory authorities could in the future determine that the District is not a political subdivision for purposes of federal and state securities laws, including without limitation as the result of a determination by the IRS, judicial or otherwise, of the District's status for purposes of the Code. In such event, the District and purchasers of Series 2023 Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Series 2023 Bonds would need to ensure that subsequent transfers of the Series 2023 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

# **Federal Tax Reform**

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2023 Bonds, by eliminating or changing the tax-exempt status of interest on such bonds. Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2023 Bonds cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2023 Bonds. Prospective purchasers of the Series 2023 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS" herein.

#### **State Tax Reform**

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renewed requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2023 Bonds. It should be noted that Section 190.16(14) of the Act provides in pertinent part that "The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders."

# **Insufficient Resources or Other Factors Causing Failure to Complete Development**

The cost to finish the Series 2023 Project will exceed the net proceeds from the Series 2023 Bonds. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the Series 2023 Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the Series 2023 Project. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Limitation on Issuance of Additional Bonds" for more information.

Although the respective Landowners will agree to fund or cause to be funded the completion of the Series 2023 Project regardless of the insufficiency of proceeds from the Series 2023 Bonds and will enter into a completion agreement with the District as evidence thereof, there can be no assurance that the Landowners will have sufficient resources to do so. Such obligation of the Landowners is an unsecured obligation, and the Landowners are special-purpose entities whose assets consist primarily of their respective interests in the District. See "THE LANDOWNERS" herein for more information.

There are no assurances that the Series 2023 Project and any other remaining development work associated with the District will be completed. The Series 2023 Project does <u>not</u> include neighborhood infrastructure for the Series 2023 Project Area, which is expected to be installed by the Builders. Further, there is a possibility that, even if the Series 2023 Project is completed, the Builders may not close on all or any of the tracts and lots therein, and such failure to close could negatively impact the installation of neighborhood infrastructure and the construction and sale of homes in the District. The Builder Contracts may also be terminated by the Builders upon the occurrence or failure to occur of certain conditions set forth therein. See "THE DEVELOPMENT – The Builder Contracts and the Builders" herein for more information about the Builders and the Builder Contracts.

# **Pandemics and Other Public Health Emergencies**

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Landowners, the timely and successful completion of the Development, the purchase of lands therein by the Builders and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also "Economic Conditions and Changes in Development Plans" and "Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

# Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2023 Bonds.

# **Prepayment and Redemption Risk**

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2023 Bonds are subject to extraordinary mandatory redemption, including, without limitation, as a result of prepayments of the Series 2023 Special Assessments by the Landowners or subsequent owners of the property within the District. Any such redemptions of the Series 2023 Bonds would be at the principal amount of such Series 2023 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2023 Bonds may not realize their anticipated rate of return on the Series 2023 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2023 Bonds. See "DESCRIPTION OF THE SERIES 2023 BONDS – Redemption Provisions," "– Purchase of Series 2023 Bonds" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Prepayment of Series 2023 Special Assessments" herein for more information.

# Payment of Series 2023 Special Assessments after Bank Foreclosure

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2023 Special Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

#### THE DISTRICT

#### **General Information**

The District, which is the issuer of the Series 2023 Bonds, is a local unit of special purpose government of the State of Florida, created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. 2021-41 of the Board of County Commissioners of the Pasco County, Florida, adopted on December 7, 2021 and effective as of December 9, 2021. The District currently encompasses approximately 1,641.903 acres of land and is located in an unincorporated area of the County. The District Lands are being developed as a portion of the master-planned mixed-use community to be known as "Two Rivers." See "THE DEVELOPMENT" herein for more information.

# **Legal Powers and Authority**

The District is an independent unit of local government created pursuant to and established in accordance with the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter. The District is classified as an independent district under Chapter 189, Florida Statutes.

Among other provisions, the Act gives the District's Board of Supervisors the authority to, among other things: (a) plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for, among other things, (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges, (ii) water supply, sewer and wastewater management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system, (iii) District roads equal to or exceeding the specifications of the county in which such district roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines, and (iv) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits; these functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any bondholders to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2023 Bonds.

### **Board of Supervisors**

The governing body of the District is its Board of Supervisors (the "Board"), which is composed of five Supervisors (the "Supervisors"). The Act provides that, at the initial meeting of the landowners,

Supervisors must be elected by the landowners with the two Supervisors receiving the highest number of votes to serve for four years and the remaining Supervisors to serve for a two-year term. Three of the five Supervisors are elected to the Board every two years in November. At such election, the two Supervisors receiving the highest number of votes are elected to four-year terms and the remaining Supervisor is elected to a two-year term. Ownership of the land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number and, for purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre and shall not be aggregated for determining the number of voting units held). Upon the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, the Supervisors whose terms are expiring will be elected (as their terms expire) by qualified electors of the District, except as described below. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State of Florida and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, both to four-year terms. Thereafter, as terms expire, all Supervisors must be qualified electors and are elected to serve four-year terms. If there is a vacancy on the Board, whether as a result of the resignation or removal of a Supervisor or because no elector qualifies for a seat to be filled in an election, the remaining Board members are to fill such vacancy for the unexpired term.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be qualified electors and shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner. The Landowners currently own all of the District Lands.

The current members of the Board and the expiration of the term of each member are set forth below.

<u>Name</u>	<u>Title</u>	Term Expires
Nicholas J. Dister*	Chairperson	November 2026
Carlos de la Ossa*	Vice-Chairperson	November 2024
Steven Luce*	Assistant Secretary	November 2024
Ryan Motko*	Assistant Secretary	November 2024
Thomas Spence*	Assistant Secretary	November 2026

<sup>\*</sup> Employee of, or affiliated with, the Landowners.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida's open meeting or "Sunshine" law.

# The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Inframark, LLC, a Florida limited liability company, to serve as its district manager ("District Manager"). The District Manager's office is located at 2005 Pan Am Circle, Suite #300, Tampa, Florida 33607, telephone number (813) 397-5121.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of GrayRobinson, P.A., Tampa, Florida, as Bond and Disclosure Counsel; Stantec Consulting Services Inc., Tampa, Florida, as Consulting Engineer; and Straley Robin Vericker P.A., Tampa, Florida, as District Counsel. The Board has also retained the District Manager to serve as Methodology Consultant and Dissemination Agent for the Series 2023 Bonds.

# **Outstanding Bond Indebtedness**

The District previously issued its Special Assessment Bond Anticipation Note, Series 2023 (the "Bond Anticipation Note") on January 24, 2022 in the original principal amount of \$11,700,000. The Bond Anticipation Note was redeemed in full from net proceeds of the Series 2022 Bonds (defined below).

The District previously issued its Special Assessment Bonds, Series 2022 (the "Series 2022 Bonds") on December 8, 2022 in the original principal amount of \$19,750,000, all of which is currently outstanding. The Series 2022 Bonds are secured by the Series 2022 Special Assessments, which were initially levied on all of the District Lands and which are being allocated to the first 1,107.75 equivalent assessment units (EAUs) associated with either platted lots or unplatted tracts closed with homebuilders. Currently, a portion of the Series 2022 Special Assessments have been assigned to tracts closed with homebuilders containing 768 planned lots. The remaining unassigned Series 2022 Special Assessments will be assigned to lands containing the next 19.50 EAUs within the District to close with homebuilders, which are expected to correspond to nineteen (19) villa lots within Parcel E. Until such time as the Series 2022 Special Assessments are fully assigned, the unassigned portion of the Series 2022 Special Assessments will be levied on the same District Lands that will be subject to the Series 2023 Special Assessments securing the Series 2023 Bonds. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein.

### THE CAPITAL IMPROVEMENT PLAN AND THE SERIES 2023 PROJECT

#### General

Stantec Consulting Services Inc. (the "Consulting Engineer"), prepared the report titled "Master Report of the District Engineer," dated December 17, 2021 (the "Master Engineer's Report"), as supplemented by the "Report of the District Engineer – Special Assessment Bonds, Series 2023" dated August 15, 2023 (the "Supplemental Engineer's Report" and, together with the Master Engineer's Report, the "Engineer's Report"), which sets forth certain public infrastructure improvements including, but not limited to, offsite improvements, stormwater, utilities (water and sewer), roadways, amenity facilities, landscaping, hardscaping, irrigation and professional services and permitting fees, to be constructed in connection with the development of the District (collectively, the "Capital Improvement Plan").

The District Lands are being developed in phases as a residential development. At buildout, the District Lands are currently planned to contain 2,208 residential units. The Landowners are installing offsite and master infrastructure improvements associated with the development of the District Lands. The Landowners have entered into contracts to sell undeveloped, permitted parcels to homebuilders, who will install parcel infrastructure for their respective parcels.

The District previously issued its Series 2022 Bonds to finance certain master and offsite infrastructure improvements associated with the first phase of land development within the Development (the "Series 2022 Project"), which first phase is planned to contain 787 single-family and villa lots (the "Series 2022 Project Area"). The Series 2022 Project is underway. As of August 31, 2023, lands containing 768 planned lots have closed with homebuilders, with such lands being in varying stages of land development. See "THE DEVELOPMENT – Update on the Development" herein. Land containing the remaining 19 lots to be assigned the Series 2022 Special Assessments (anticipated to be located in Parcel E) is expected to close with Homes by West Bay in September 2023.

# Series 2023 Project

The Supplemental Engineer's Report estimates the cost of (i) the public offsite and master infrastructure improvements required to develop the lands planned for the next 449 lots expected to be developed, which improvements are being installed by the Landowners and are expected to be acquired by the District from net proceeds of the Series 2023 Bonds ("Series 2023 Project"), and (ii) the parcel infrastructure associated with the development of such 449 lots located within Parcels C-1A, C-2, D-2 and E\*, which parcel infrastructure is expected to be funded by the Builders upon their acquisition of their respective undeveloped parcels. Such 449 lots are referred to herein as the "Series 2023 Project Area."

The master infrastructure improvements associated with the Series 2023 Project include construction of the second phase of Two Rivers Boulevard and of the second and third phases of Colston Boulevard, which serve as spine roads for the Development, together with associated improvements including entry features, master utilities, master earthwork and stormwater management. The total cost of the Series 2023 Project is estimated at \$10,200,000, as set forth in more detail below. See "APPENDIX A: SUPPLEMENTAL ENGINEER'S REPORT" for more information.

<sup>\*</sup> Parcel E is expected to contain an additional 19 villa lots, which are expected to form the remaining portion of the Series 2022 Project Area upon the sale of Parcel E and the assignment of Series 2022 Special Assessments thereto.

A portion of the Series 2023 Project will be funded with the net proceeds of the Series 2023 Bonds in the approximate amount of \$10.17 million.\* Costs of the Series 2023 Project not funded with proceeds of the Series 2023 Bonds are the obligation of the Landowners. The Landowners will agree to fund or cause to be funded the completion of the Series 2023 Project, regardless of the insufficiency of proceeds from the Series 2023 Bonds therefor, and the Landowners will enter into a Completion Agreement with the District as evidence of its completion obligation. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" and "THE DEVELOPMENT – Land Acquisition and Finance Plan" herein for more information.

Construction of the master infrastructure improvements constituting the Series 2023 Project is underway and is expected to be completed in June 2024. See also "THE DEVELOPMENT – Development Plan and Status" for more information on the development status of the Series 2023 Project and the lands within the Series 2023 Project Area. Construction of parcel infrastructure by the Builders within the Series 2023 Project Area is expected to commence following the Builders' acquisition of their respective parcels. See "THE DEVELOPMENT – The Builder Contracts and the Builders" herein for more information.

The Consulting Engineer has indicated that all permits necessary to develop the Series 2023 Project have been obtained or are expected to be obtained in the ordinary course. See "APPENDIX A: SUPPLEMENTAL ENGINEER'S REPORT" for more information. In addition to the Supplemental Engineer's Report, see "THE DEVELOPMENT – Development Approvals" for a more detailed description of the entitlement and permitting status of the Development.

### ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS

#### General

Inframark, LLC, a Florida limited liability company (the "Methodology Consultant"), has prepared the Master Assessment Methodology Report, dated December 17, 2021, as supplemented by the Second Supplemental Assessment Methodology Report dated August 15, 2023 and included herein as APPENDIX E (collectively, the "Assessment Methodology"). The Assessment Methodology sets forth an overall method for allocating the Series 2023 Special Assessments to be levied against the lands within the District benefited by the Series 2023 Project and collected by the District as a result thereof. Once the final terms of the Series 2023 Bonds are determined, the Assessment Methodology will be revised to reflect such final terms. Once levied and imposed, the Series 2023 Special Assessments are a first lien on the land against which assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District, including the operation and maintenance assessments, and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

The Series 2022 Bonds are secured by the Series 2022 Special Assessments, which were initially levied on all of the District Lands. The Series 2022 Special Assessments will be allocated to the first 1,107.75 EAUs corresponding to either platted lots or unplatted tracts closed with homebuilders. Pursuant to the Assessment Methodology, the Series 2022 Special Assessments will be fully assigned prior to any future Special Assessments, including the Series 2023 Special Assessments. As of the date hereof, Series 2022 Special Assessments have been assigned to tracts closed with homebuilders that are planned for 768 lots within the Series 2022 Project Area, and the remaining Series 2022 Special Assessments will be assigned to lands containing the next 19.50 EAUs (anticipated to be 19 villa lots in Parcel E). See "APPENDIX E: ASSESSMENT METHODOLOGY REPORT" hereto.

### **Series 2023 Special Assessments**

The Series 2023 Bonds will be secured by the Series 2023 Special Assessments, which will initially be levied on an equal-acre basis across 1,148.555 acres within the District on a co-equal lien basis with the unassigned Series 2022 Special Assessments. As undeveloped, permitted parcels are closed with homebuilders, the Series 2022 Assessments and subsequently the Series 2023 Special Assessments will be assigned to such parcels on the basis of the development rights allocated to such parcels based on the equivalent assessment unit (EAU) factors set forth in the Assessment Methodology. As parcels of land are closed with homebuilders, the Series 2023 Special Assessments will be assigned to such parcels in accordance with the Assessment Methodology and thereafter assigned to platted lots. See "APPENDIX E: ASSESSMENT METHODOLOGY REPORT" herein. The unassigned Series 2022 Special Assessments will be allocated to the next 19.50 EAUs that are associated with either platted lots or unplatted tracts closed with homebuilders. The Series 2023 Special Assessments will be allocated to the next 639.31 EAUs that are associated with either platted lots or unplatted tracts closed with homebuilders. Pursuant to the Assessment Methodology, the Series 2023 Special Assessments will be assigned after the Series 2022 Special Assessments but prior to any future Special Assessments. To the extent additional Bonds are issued prior to the Series 2023 Special Assessments being assigned to either platted lots or unplatted tracts closed with homebuilders, the Series 2023 Special Assessments will be assigned first.

The District expects (but can give no assurance) that the Series 2023 Special Assessments will ultimately be assigned to lands planned for approximately 449 residential lots. Upon final assignment of the Series 2023 Special Assessments to platted lots, the estimated Series 2023 Special Assessments levied to pay debt service on the Series 2023 Bonds, along with the estimated Series 2023 Bonds par amount allocated per unit, are expected to be as follows:

Product	Planned Units	Annual Series 2023 Special Assessment*	Series 2023 Bonds Total Par Per Unit*
Villa 42.5'	89	\$1,381	\$19,013
Single-Family 50'	88	\$1,625	\$22,368
Single-Family 60'	165	\$1,950	\$26,841
Single-Family 70'	107	\$2,275	\$31,315
Total:	449	_	

<sup>\*</sup> Preliminary, subject to change. The annual Series 2023 Special Assessment collected via the Uniform Method will be subject to a gross up to account for fees of the Property Appraiser and Tax Collector and the statutory early payment discount.

Each homeowner in the District will pay annual taxes, assessment and fees on an ongoing basis as a result of its ownership of property within the District, including local ad valorem property taxes, the maintenance and operating assessments to be levied by the District, and the homeowners' association assessments to be levied by the homeowners' association. The District anticipates levying assessments to cover its operation and administrative costs that will initially be approximately \$1,400 per, which amount is subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total ad valorem millage rate applicable to the District Lands for tax year 2022 was approximately 15.6884 mills. These taxes would be payable in addition to the Series 2023 Special Assessments and any other assessments levied by the District and other taxing authorities. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Pasco County, Florida may each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See "BONDOWNERS' RISKS" and "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information.

The information appearing below under the captions "THE DEVELOPMENT" and "THE LANDOWNERS" has been furnished by the Landowners for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by Bond Counsel, Disclosure Counsel, the District or its counsel, or the Underwriter or its counsel, and no persons other than the Landowners make any representation or warranty as to the accuracy or completeness of such information supplied by them. The following information is provided by the Landowners as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. The Landowners are not guaranteeing payment of the Series 2023 Bonds or the Series 2023 Special Assessments.

### THE DEVELOPMENT

### General

The boundaries of the District include a total of approximately 1,641.903 acres of land, which contain a portion of the master-planned mixed-use community to be known as "Two Rivers" (the "Master" Development"). The Master Development consists of approximately 3,400 acres of land and is planned to contain (i) 4,575 single-family residential units, (ii) 1,200 multifamily rental units and (iii) 3,300,000 square feet of commercial uses. The Master Development is located in an unincorporated portion of the County at the intersection of US Highway 301 and State Road 56 in the Crystal Springs region of the County, which lies south of Zephyrhills and east of Wesley Chapel. Nearby communities include River Landing, Summerstone, Avalon Park Wesley Chapel, and Zephyr Lakes. The general location of the Master Development is shown below:

Three community development districts have been created to facilitate the financing of the Master Development, including the District. Adjacent to the District are the Two Rivers North Community Development District (the "TRN CDD") and the Two Rivers East Community Development District (the "TRE CDD"). The TRN CDD encompasses approximately 429.2 acres of land and is planned to contain 923 single-family residential homes at buildout. Raw permitted parcels within the TRN CDD planned for all 923 lots were closed with Lennar Homes and D.R. Horton in March 2022 and April 2022, respectively. Land development is substantially complete within TRN CDD, and home construction and sales have commenced. The TRE CDD encompasses approximately 645.185 acres of land and is planned to contain 1,466 single-family residential homes at buildout. A raw permitted parcel within TRE CDD planned for approximately 258 lots has closed with Meritage, and development of such lands is underway. See "-Update on Master Development" herein for more information.

The portion of the Master Development within the District is referred to herein as the "Development." The Development is planned for 2,208 residential units. The District previously issued its Series 2022 Bonds to finance certain master and offsite infrastructure improvements associated with the first phase of land development within the Development (the "Series 2022 Project"), which first phase is planned to contain 787 single-family and villa lots (the "Series 2022 Project Area"). The Series 2022 Project is underway. As of the date hereof, lands containing 768 of the planned lots have closed with homebuilders, with such lands being in varying stages of land development. Lands containing the remaining 19 villa lots that are expected to be assigned Series 2022 Special Assessments (anticipated to be in Parcel E) are expected to close in September 2023. See "—Update on the Development" below.

The Series 2023 Bonds are being issued to finance a portion of the Series 2023 Project, which consists of master and offsite public infrastructure improvements associated with the next phase of land development (the "Series 2023 Project Area"). The Series 2023 Project Area is planned to contain 449 homes at buildout, corresponding to portions of Parcels C-1B, C-2, D-4 and E (Villas). See "THE CAPITAL IMPROVEMENT PLAN AND THE SERIES 2023 PROJECT" herein for more information.

The Series 2023 Bonds will be secured by the Series 2023 Special Assessments, which will initially be levied on approximately 1,148.555 acres of land within the District, which acreage contains all of the parcels within the District that have not closed with homebuilders. Such land is planned to contain approximately 1,440 homes at buildout. Once the Series 2022 Special Assessments have been fully assigned, the Series 2023 Special Assessments will be assigned to parcels at closing with third-party homebuilders on the basis of the development rights associated with such parcels and will thereafter be assigned to platted lots within such parcels, all in accordance with the Assessment Methodology. The Series 2023 Special Assessments are expected to be assigned to the 449 lots planned for the Series 2023 Project Area. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information.

EPG-Two Rivers, LLC, a Florida limited liability company, EPG Two Rivers I, LLC, a Florida limited liability company, EPG Two Rivers II, LLC, a Florida limited liability company, EPG Two Rivers IV, LLC, a Florida limited liability company, and EPG Two Rivers Holdings VII, LLC, a Florida limited liability company, and EPG Two Rivers Holdings VIII, LLC, a Florida limited liability company (collectively, the "Landowners"), own the developable land within the District that has not closed with homebuilders, including the land within the Series 2023 Project Area. See "THE LANDOWNERS" herein. The Landowners are installing offsite and master infrastructure improvements associated with the Development, which are being financed in part from proceeds of the Series 2023 Bonds, and have entered into contracts to sell undeveloped, permitted parcels to homebuilders, as described herein. Homebuilders will receive a development credit to install parcel infrastructure for their respective parcels, as further described below.

The Landowners have entered into contracts with homebuilders for the sale of 1,631 of the 2,208 lots planned within the Development. As of the date hereof, 768 lots planned within the Series 2022 Project Area have closed, with lands planned for the remaining 19 lots expected to close in September 2023. In particular, the Landowners have entered into the following contracts for land containing 360 of the 449 lots planned for the 2023 Project Area: (i) Homes by West Bay (as defined herein) for the sale of lands within Parcel E planned for 89 villa lots, (ii) Homes by West Bay for the sale of lands within Parcel C-1B planned for 81 single-family detached lots, and (iii) Homes by West Bay for the sale of lands within Parcel C-2 planned for 108 single-family detached lots. In addition, the Landowners are in negotiations with Toll Brothers (as defined herein) for the sale of lands within Parcel D-4 planned for 171 single-family lots. Homes by West Bay and Toll Brothers are collectively referred to herein as the "Builders." The Builders are expected to begin closing on their respective parcels in September 2023. Homes by West Bay has provided nonrefundable deposits attributable to the purchase of its parcels in the amount of approximately \$4.76 million, which have been released to the Landowners. See "THE DEVELOPMENT – The Builder Contracts and the Builders" herein for more information.

The Development contains a variety of lot sizes and product types. The Series 2023 Special Assessments are ultimately expected to be assigned to (i) attached villa units of approximately 2,160 square feet, with home prices starting from approximately \$530,000 and (ii) single-family homes ranging in size from 1,800 square feet to 6,000 square feet, with home prices starting from approximately \$420,000. The target market for residents of the Development consist of entry-level homebuyers as well as move-up buyers. Set forth below is a site plan of the Development (labeled as CDD West below), together with TRN CDD (labeled as CDD North below) and TRE CDD (labeled as CDD East below).

# **Update on the Development**

The District issued its Series 2022 Bonds in December 2022 to finance master infrastructure improvements associated with the first phase of the Development (i.e., the Series 2022 Project Area). Within the Series 2022 Project Area, the Landowners sold and closed on (i) a raw permitted parcel planned for approximately 242 lots with Park Square Homes for a purchase price of approximately \$15.9 million in March 2023, (ii) a raw permitted parcel planned for 100 lots with Homes by West Bay for a purchase price of approximately \$6.2 million in July 2023, (iii) a raw permitted parcel planned for approximately 333 lots with M/I Homes for a purchase price of approximately \$20.8 million in August 2023 and (iv) a raw permitted parcel planned for approximately 92 lots with Pulte for a purchase price of approximately \$6.6 million in August 2023 (purchase prices being net prices after receipt of development credits). Development of a portion of such lands is underway, and the development of the remaining land is expected to commence imminently. Lands containing the remaining 19 villa lots planned for the Series 2022 Project Area (anticipated to be within Parcel E) are expected to close with Homes by West Bay in September 2023 for an approximate purchase price of \$1,800 per front foot (less a development credit). See "-The Builder Contracts and the Builders - Homes by West Bay (Parcel E)" herein for more information. The builder closings within the Series 2022 Project Area, initially all scheduled to close during the first quarter of 2023, were delayed due to site plan and engineering modifications in an effort to reduce land development costs.

# **Update on the Master Development**

# Two Rivers North ("TRN CDD")

The TRN CDD encompasses approximately 429.2 acres of land and is planned to contain 923 single-family residential homes at buildout. The TRN CDD issued bonds in May 2022 to finance master infrastructure improvements associated with the TRN CDD. An affiliate of the Landowners sold and closed on raw permitted parcels planned for all 923 lots within the TRN CDD with Lennar Homes and D.R. Horton in March 2022 and April 2022, for a combined net purchase price (after development credit) of approximately \$39,460,000. As of the date hereof, all 923 lots planned within TRN CDD have been developed and platted. Vertical construction and sales of homes are underway.

# Two Rivers East ("TRE CDD")

The TRE CDD encompasses approximately 645.185 acres of land and is planned to contain approximately 1,461 residential units at buildout. An affiliate of the Landowners owns the land within TRE CDD and has entered into contracts with homebuilders for lands planned for approximately 1,210 single-family lots therein, as developed lots and raw permitted parcels. The TRE CDD issued bonds in May 2023 to finance a portion of the public infrastructure improvements associated with such 1,210 lots. A raw permitted parcel within TRE CDD planned for approximately 258 lots closed in July 2023 with Meritage, for a purchase price of \$2,025 per front foot, less a development credit (resulting in a net purchase price of approximately \$13.2 million), and development of such lands is underway. A raw permitted parcel planned for approximately 192 lots is expected to close with Homes by West Bay in September 2023. Land development for the remaining lands within the TRE CDD is also underway, and closings with homebuilders on developed lots within the first phase therein are expected to begin by the third quarter of 2024.

# **Land Acquisition and Finance Plan**

The Landowners and their affiliates acquired title to approximately 3,242.454 acres of land within the Master Development in October 2021 for an aggregate purchase price of approximately \$70 million,

which included the Landowners' acquisition of all of the developable acres of land within the District, as well as certain lands outside of the District.

An affiliate of the Landowners subsequently sold and closed on approximately 129 acres of land planned for all 923 lots within the TRN CDD for a purchase price of approximately \$39.46 million, as well as land planned for 258 lots within the TRE CDD for a purchase price of \$13.2 million. In addition, an affiliate of the Landowners sold and closed on approximately 55.7 acres within the Master Development planned for approximately 624 multi-family units for a purchase price of \$25,120,000. The Landowners have also sold and closed on approximately 493.348 acres of raw permitted land planned for 768 lots within the Development for an aggregate purchase price of approximately \$49.5 million. See "–Update on the Development" herein.

The approximately 1,148.555 aggregate acres owned by the Landowners within the Development (planned for approximately 1,440 units) and their affiliates within the TRE CDD (planned for 1,203 units) are subject to cross-collateralized first mortgages securing a loan from KL EIG AIV LLC, a Delaware limited liability company (the "Loan"), to the Landowners and their affiliates. The estimated total value of the land securing the Loan is approximately \$175 million (or approximately \$65,000 per lot). The interest rate on the Loan is 14.75%, subject to adjustment in the event of a default, and the Loan matures on or about October 22, 2023. As of August 31, 2023, approximately \$27.8 million is outstanding under the Loan. The Loan provides for partial releases (i) of lots, upon payment of a lot release price equal to the greater of seventy percent (70%) of the net sales proceeds from the sale of such lot or the minimum lot release price set forth in the Loan documents, and (ii) of property not constituting a lot upon payment of a release price determined by the lender in its reasonable discretion based upon, among other factors, the outstanding balance of the Loan, the remaining lots subject to mortgages securing the Loan and the sales prices of such lots to third-party buyers. The estimated average release price per lot is approximately \$34,000, but varies by lot size. The Landowners estimate that the Loan will be repaid in from the net proceeds of land sales within the Development and TRE CDD and from cash from operations.

The Landowners' development plan is to sell undeveloped permitted parcels to homebuilders, who will install the parcel infrastructure. The Landowners are responsible for installing the offsite and master infrastructure associated with the Development. The Landowners estimate that the total offsite and master infrastructure costs constituting the Series 2023 Project will be approximately \$10.2 million. See "THE CAPITAL IMPROVEMENT PLAN AND THE SERIES 2023 PROJECT" herein. Net proceeds of the Series 2023 Bonds will provide approximately \$10.17 million\* to fund costs of the Series 2023 Project. The remaining costs will be funded by the Landowners. The Landowners will enter into a completion agreement at closing on the Series 2023 Bonds agreeing to complete the Series 2023 Project.

The Consulting Engineer estimates that the parcel infrastructure costs associated with developing the next 468 lots planned for the Development (19 of which will be part of the Series 2022 Project Area, with the remaining 449 lots forming the Series 2023 Project Area) will be approximately \$21.355 million (exclusive of private roadway funding). Such costs are not a part of the Series 2023 Project and will not be part of the Landowners' completion agreement. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein. The parcel infrastructure for the Series 2023 Project Area is expected to be installed by the homebuilders. See "—The Builder Contracts and the Builders" for more information, including information regarding the Builders' expected development credits.

<sup>\*</sup> Preliminary, subject to change.

# **Development Plan and Status**

Construction of the master and offsite improvements that constitute the Series 2023 Project has commenced, and is expected to be completed by June 2024. The Series 2023 Project includes construction of the second phase of Two Rivers Boulevard and of the second and third phases of Colston Boulevard, which serve as spine roads for the Development, together with associated improvements including entry features, master utilities, master earthwork and stormwater management. Construction of parcel infrastructure by the Builders is expected to commence following the Builders' acquisitions of their respective parcels, beginning in October 2023, with completion expected in the fourth calendar quarter of 2024. See "-The Builder Contracts and the Builders" herein for more information regarding the expected timing of each Builder closing.

Closings with homebuyers are expected to commence in the second calendar quarter of 2025. The Landowners anticipate that homes will be sold to residential end users within the Series 2023 Project Area at the rate of approximately 15 homes per month per builder. These anticipated absorption rates are based on estimates and assumptions made by the Landowners that are inherently uncertain, though considered reasonable by the Landowners, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Landowners. As a result, there can be no assurance such absorption rates will occur or be realized in the timeframes anticipated.

### The Builder Contracts and the Builders

The Landowners are installing offsite and master infrastructure improvements associated with the Development and are under contract to sell undeveloped, permitted parcels to homebuilders. The Landowners have entered into contracts with homebuilders for the sale of 1,631 of the 2,208 lots planned within the Development. The total expected consideration from all the planned lots in the Development is approximately \$248,851,500 (before development credits). Closings on the land within the Series 2023 Project Area are expected to commence in September 2023. The total expected consideration from the existing and expected Builder Contracts 4 is approximately \$31.55 million, as further described below, and the Landowners have received nonrefundable deposits thereunder totaling approximately \$4.76 million. The Builders will install onsite parcel infrastructure for their respective parcels and will receive a builder development credit against the gross purchase price for

The deposit shown reflects the full deposit made thereunder; however, purchase price and development figures have been adjusted pro rata to reflect the 89 lots planned within the Series 2023 Project Area.

# **Homes by West Bay (Parcel E)**

One of the Landowners has entered into an Agreement for the Purchase and Sale of Real Property, dated October 21, 2021, as amended (the "Homes by West Bay Parcel E Contract") with HBWB Development Services, LLC, a Florida limited liability company, an affiliate of Homes by West Bay, LLC, a Florida limited liability company ("Homes by West Bay"), to purchase in a single closing an undeveloped permitted parcel planned for one hundred eight (108) single-family villa lots. Of the total 108 lots contemplated by the Homes by West Bay Contract, 19 lots are expected to be assigned Series 2022 Special Assessments upon closing on Parcel E, with the remaining 89 lots located within the Series 2023 Project Area The Series 2023 Special Assessments are expected to be allocated to the land in Parcel E upon closing with Homes by West Bay. The Homes By West Bay Parcel E Contract provides for the purchase price of \$1,800 per front foot for each planned lot acquired in the initial closing (for an aggregate base purchase price of approximately \$6,808,500), less a development credit expected to equal \$3,008,500, for a net purchase price of \$3,008,500. The Homes By West Bay Parcel E Contract also provides for the payment of additional consideration upon the closing of homes with end users, calculated using a formula set forth in the Homes By West Bay Parcel E Contract.

Pursuant to the Homes By West Bay Parcel E Contract, closing shall occur on or before fifteen (15) days after: (a) the Landowners provide Homes by West Bay with a completion notice or (b) the date on which all of the conditions precedent have been satisfied or waived by Homes by West Bay. The Landowners anticipate that the closing will occur in September 2023.

<sup>\*\*</sup> The Landowners are currently in negotiations with Toll Brothers to enter into a contract; the terms described herein represent the Landowners' current expectations for such contract, but no assurance can be given that the Landowners will ultimately enter into a contract with Toll Brothers or that the final terms of such contract, if entered into, will match the terms described herein.

Pursuant to the terms of the Homes By West Bay Parcel E Contract, Homes By West Bay has made a deposit of \$1,077,300, which is nonrefundable to Homes by West Bay except upon the occurrence of certain conditions, including a failure by the Landowners to perform thereunder. The deposit has been released to the Landowners and is secured by a mortgage in favor of Homes By West Bay. There is a risk that Homes by West Bay may not close on the undeveloped parcel pursuant to the Homes by West Bay Parcel E Contract or may fail to complete development of such parcel or to construct homes on developed lots. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

The Landowners previously closed under the Homes by West Bay Parcel C Contract on a parcel of land within the Series 2022 Project Area planned for 100 lots. The Landowners expect that the next two closings under the Homes by West Bay Parcel C Contract will be for Parcel C-1B and Parcel C-2, respectively, within the Series 2023 Project Area. Parcel C-1B is planned for eighty-one lots and Parcel C-2 is planned for one hundred eight (108) lots, in the sizes set forth in the table above. The Homes By West Bay Parcel C Contract provides for the purchase price of \$2,200 per front foot for each planned lot acquired within Parcel C-1B and Parcel C-2. The aggregate base purchase price for Parcel C-1B is \$12,078,000, less a development credit expected to equal \$3,025,000, for a net purchase price of \$9,053,000. The aggregate base purchase price for Parcel C-2 is \$15,224,000, less a development credit expected to equal \$6,970,000, for a net purchase price of \$8,254,000. The Homes By West Bay Parcel C Contract also provides for the payment of additional consideration upon the closing of homes with end users, calculated using a formula set forth in the Homes By West Bay Parcel C Contract.

Pursuant to the Homes By West Bay Parcel C Contract, each closing shall occur on or before fifteen (15) days after: (a) the Landowners provide Homes by West Bay with a completion notice as to the applicable closing or (b) the date on which all of the conditions precedent have been satisfied or waived by Homes by West Bay. The Landowners anticipate that the closing on Parcel C-1B will occur in October 2023 and that the closing on Parcel C-2 will occur in the first quarter of 2025.

Pursuant to the terms of the Homes By West Bay Parcel C Contract, Homes By West Bay has made a deposit of \$3,683,000, which is nonrefundable to Homes by West Bay except upon the occurrence of certain conditions, including a failure by the Landowners to perform thereunder. The deposit has been released to the Landowners and is secured by a mortgage in favor of Homes By West Bay. There is a risk that Homes by West Bay may not close on the undeveloped parcels pursuant to the Homes by West Bay Parcel C Contract or may fail to complete development of such parcel or to construct homes on developed lots. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

# **Toll Brothers (Parcel D-4)**

The Landowners are currently in negotiations with Toll Brothers for the purchase of an undeveloped permitted parcel planned for one hundred seventy-one (171) lots in the sizes set forth in the table above. The Landowners expect that the purchase price for such parcel will be equal to \$2,200 per front foot (for an aggregate base purchase price of approximately \$20.6 million), less a development credit of approximately \$9.4 million, for a net purchase price of approximately \$11.2 million. The Landowners expect that closing under a contract with Toll Brothers would occur in December 2023. # **Development Approvals**

The lands within the Master Development are zoned as Master Planned Unit Development ("MPUD"). The Master Development's zoning approval allows for the development therein of up to 6,400 residential units (consisting of 3,875 single-family units, 1,400 multifamily units and 1,125 age-restricted units), 1,335,000 square feet of office/target industry use, 1,355,000 square feet of industrial use and 630,000 square feet of retail use, subject to adjustment as set forth therein. The zoning approval gives control of the allocation, exchange and assignment of development entitlements thereunder to EPG-Two Rivers, LLC, one of the Landowners. The zoning approval contains various conditions and obligations required for development of the land within the Master Development, which include the dedication of park, school and fire station/public safety sites and rights of way.

The District has received permit approval from the Southwest Florida Water Management District and preliminary construction plan approval from the County for development of the 449 lots planned for the Series 2023 Project Area. The Consulting Engineer has indicated that all permits necessary to construct the District's Capital Improvement Plan have been or will be received in the ordinary course and will certify to the same upon closing of the issuance of the Series 2023 Bonds. See "BONDOWNERS' RISKS – Regulatory and Environmental Risks" for more information about risks relating to development and regulatory requirements.

### **Environmental**

An affiliate of the Landowners obtained a Phase 1 Environmental Site Assessment dated March, 11, 2021, for all of the lands within the Master Development, including the District Lands (the "ESA"). #### Taxes, Fees and Assessments

The Series 2023 Bonds will be secured by the Series 2023 Special Assessments, which will initially be levied on an equal-acre basis across 1,148.555 acres within the District on a co-equal lien basis with the unassigned Series 2022 Special Assessments. As undeveloped, permitted parcels are closed with homebuilders, the Series 2022 Assessments and subsequently the Series 2023 Special Assessments will be assigned to such parcels on the basis of the development rights allocated to such parcels based on the equivalent assessment unit (EAU) factors set forth in the Assessment Methodology. As parcels of land are closed with homebuilders, the Series 2023 Special Assessments will be assigned to such parcels in accordance with the Assessment Methodology and thereafter assigned to platted lots. See "APPENDIX E: ASSESSMENT METHODOLOGY REPORT" herein. The unassigned Series 2022 Special Assessments will be allocated to the next 19.50 EAUs that are associated with either platted lots or unplatted tracts closed with homebuilders (expected to be 19 villa lots in Parcel E). The Series 2023 Special Assessments will be allocated to the next 639.31 EAUs that are associated with either platted lots or unplatted tracts closed with homebuilders. Pursuant to the Assessment Methodology, the Series 2023 Special Assessments will be assigned after the Series 2022 Special Assessments but prior to any future Special Assessments. To the extent additional Bonds are issued prior to the Series 2023 Special Assessments being assigned to either platted lots or unplatted tracts closed with homebuilders, the Series 2023 Special Assessments will be assigned first.

The District expects (but can give no assurance) that the Series 2023 Special Assessments will ultimately be assigned to lands planned for approximately 449 residential lots. Upon final assignment of the Series 2023 Special Assessments to platted lots, the estimated Series 2023 Special Assessments levied to pay debt service on the Series 2023 Bonds, along with the estimated Series 2023 Bonds par amount allocated per unit, are expected to be as follows:

	Planned	<b>Annual Series 2023</b>	Series 2023 Bonds
Product	Units	Special Assessment*	Total Par Per Unit*
Villa 42.5'	89	\$1,381	\$19,013
Single-Family 50'	88	\$1,625	\$22,368
Single-Family 60'	165	\$1,950	\$26,841
Single-Family 70'	107	\$2,275	\$31,315
Total:	449	_	

<sup>\*</sup> Preliminary, subject to change. The annual Series 2023 Special Assessment collected via the Uniform Method will be subject to a gross up to account for fees of the Property Appraiser and Tax Collector and the statutory early payment discount.

Each homeowner in the District will pay annual taxes, assessment and fees on an ongoing basis as a result of its ownership of property within the District, including local ad valorem property taxes, the maintenance and operating assessments to be levied by the District, and the homeowners' association assessments to be levied by the homeowners' association. The District anticipates levying assessments to cover its operation and administrative costs that will initially be approximately \$1,400 per, which amount is subject to change. In addition to the above estimated Series 2023 Special Assessments and maintenance and operation assessments to be levied by the District, each homeowner in the District will also pay annual taxes, including local ad valorem property taxes and homeowners' association assessments to be levied by the homeowners' association, which are estimated to be approximately \$300 per lot per year. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total ad valorem millage rate applicable to the District Lands for tax year 2022 was approximately 15.6884 mills. These taxes would be payable in addition to the Series 2023 Special Assessments and any other assessments levied by the District and other taxing authorities. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Pasco County, Florida may each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See "BONDOWNERS' RISKS" and "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" for more information.

### **Amenities**

The District is planned to include a private recreation center that consists of an approximately 8,000 square-foot clubhouse with fitness center, meeting rooms, catering kitchen, junior Olympic pool and resort style pool, playground and sports courts (collectively, the "Amenities"). Pocket parks and walking trails will connect throughout the District. Construction of the Amenities is expected to begin in the first calendar quarter of 2024 and be completed in the third calendar quarter of 2025, with an estimated cost of \$8 million. The Amenities will be constructed by the Landowners. A portion of the sales proceeds from closings with homebuilders (including the Builder Contracts) will be escrowed to fund the construction of the Amenities. The Amenities are not part of the Series 2023 Project and will not be owned by the District.

### **Education**

Children residing in the Development are expected to attend Chester W. Taylor, Jr. Elementary School, Raymond B. Stewart Middle School and Zephyrhills High School, which are located approximately 1.8 miles, 5.7 miles and 6.4 miles from the Development, respectively, and which were assigned grades of C, D and C, respectively, by the State in 2022. The Pasco County School Board may change school boundaries from time to time and there is no requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.

#### Utilities

Electric utilities will be provided to the Development by Tampa Electric Company and Withlacoochee River Electric Cooperative. Potable water and sanitary sewer service to the Development will be provided by the County. Spectrum (Bright House) and Frontier Communications (Verizon) will provide cable, internet and telephone service to the Development.

# Competition

The homes in the District are expected to compete with projects in the southern Pasco County market generally and more immediate surrounding communities such as River Landing, Summerstone, Avalon Park Wesley Chapel and Zephyr Lakes. The foregoing does not purport to summarize all of the existing or planned communities in the area of the Development.

### Landowners' Agreements

The Landowners will enter into a completion agreement that will obligate the Landowners to complete any portions of the Series 2023 Project not funded with proceeds of the Series 2023 Bonds. The Series 2023 Project does <u>not</u> include the parcel infrastructure for the Series 2023 Project Area, which is anticipated to be installed by the respective Builders following their acquisition of such lands.

In addition, the Landowners will execute and deliver to the District a Collateral Assignment and Assumption of Development Rights (the "Collateral Assignment"), pursuant to which the Landowners will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Landowners, certain development rights relating to the Series 2023 Project. That said, the Landowners have previously executed and delivered to the District a collateral assignment in connection with the issuance of the Series 2022 Bonds. In addition, the holder of the Loan and the Builders may have certain development rights and other rights assigned to them under the terms of the Loan and the mortgages securing builder deposits, respectively, that may be superior to such rights assigned to the District under the terms of the Collateral Assignment. Notwithstanding such Collateral Assignment, in the event the District forecloses on the lands subject to the Series 2023 Special Assessments as a result of a Landowners' or subsequent landowners' failure to pay such assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the Series 2023 Project or the development of lands subject to the Series 2023 Special Assessments of lands subject to the Series 2023 Special Assessments.

Finally, the Landowners will also enter into a True-Up Agreement (which will be recorded and binding upon the Landowners' successors in interest) in connection with their obligations to pay true-up payments in the event that parcels to which Series 2023 Special Assessments are assigned upon their sale to homebuilders are platted in such a way that the debt levels assigned thereto increase above the maximum debt levels set forth in the Assessment Methodology. See "APPENDIX E: ASSESSMENT METHODOLOGY REPORT" herein for additional information regarding the "true-up mechanism."

Such obligations of the Landowners are unsecured obligations, and each of the Landowners is a special-purpose entity whose assets consist primarily of its respective interests in the Development. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" and "THE LANDOWNERS" herein for more information regarding the Landowners.

Neither the Landowners nor any of the other entities listed above are guaranteeing payment of the Series 2023 Bonds or the Series 2023 Special Assessments. None of the entities listed herein, other than the Landowners, has entered into any agreements in connection with the issuance of the Series 2023 Bonds.

### TAX MATTERS

#### **Federal Income Taxes**

The delivery of the Series 2023 Bonds is subject to the opinion of GrayRobinson, P.A., Bond Counsel, to the effect that the interest on the Series 2023 Bonds is excluded from gross income of the owners thereof for federal income tax purposes. The Internal Revenue Code of 1986, as amended (the "Code"), imposes certain requirements that must be met subsequent to the issuance and delivery of the Series 2023 Bonds for interest thereon to be and remain excluded from gross income for federal income tax purposes. Noncompliance with such requirements could cause the interest on the Series 2023 Bonds to be included in gross income for federal income tax purposes retroactive to the date of issue of the Series 2023 Bonds. Pursuant to the Indenture and the Tax Certificate, the District has covenanted to comply with the applicable requirements of the Code in order to maintain the exclusion of the interest on the Series 2023 Bonds from gross income for federal income tax purposes pursuant to Section 103 of the Code. The opinion of Bond Counsel on federal tax matters with respect to the Series 2023 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Landowners, and compliance with certain covenants of the District to be contained in the transcript of proceedings. Bond Counsel will not independently verify the accuracy of those certifications and representations.

In the opinion of Bond Counsel, under existing law and assuming compliance with the aforementioned covenant, and the accuracy of certain representations and certifications made by the District described above, interest on the Series 2023 Bonds is excluded from gross income for federal income tax purposes under Section 103 of the Code. Bond Counsel, is also of the opinion that such interest is not treated as a preference item in calculating the alternative minimum tax imposed under the Code. However, for taxable years beginning after December 31, 2022, interest on the Series 2023 Bonds will be taken into account in computing the alternative minimum tax imposed on certain corporations under the Code to the extent that such interest is included in the "adjusted financial statement income" of such corporations.

# **State Taxes**

Bond Counsel is of the opinion that the Series 2023 Bonds and the interest thereon will not be subject to taxation under the laws of the State, except estate taxes and taxes under Chapter 220, Florida Statutes, as amended, on interest, income or profits on debt obligations owned by corporations as defined therein. Bond Counsel expresses no opinion as to other State or local tax consequences arising with respect to the Series 2023 Bonds or as to the taxability of the Series 2023 Bonds or the income therefrom under the laws of any state other than the State.

# [Original Issue Discount and Premium Bonds]

[Certain of the Series 2023 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (i.e., for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period

of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2023 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale or other disposition of that Discount Bond.

Certain of the Series 2023 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.]

# **Ancillary Tax Matters**

Ownership of the Series 2023 Bonds may result in other federal tax consequences to certain taxpayers, including, without limitation, certain S corporations, foreign corporations with branches in the United States, property and casualty insurance companies, individuals receiving Social Security or Railroad Retirement benefits, individuals seeking to claim the earned income credit, and taxpayers (including banks, thrift institutions and other financial institutions) who may be deemed to have incurred or continued indebtedness to purchase or to carry the Series 2023 Bonds. Prospective investors are advised to consult their own tax advisors regarding these rules.

Interest paid on tax-exempt obligations such as the Series 2023 Bonds is subject to information reporting to the IRS in a manner similar to interest paid on taxable obligations. In addition, interest on the Series 2023 Bonds may be subject to backup withholding if such interest is paid to a registered owner that (a) fails to provide certain identifying information (such as the registered owner's taxpayer identification number) in the manner required by the IRS, or (b) has been identified by the IRS as being subject to backup withholding.

Bond Counsel is not rendering any opinion as to any federal tax matters other than those described in the opinions attached as APPENDIX C. Prospective investors, particularly those who may be subject to special rules described above, are advised to consult their own tax advisors regarding the federal tax consequences of owning and disposing of the Series 2023 Bonds, as well as any tax consequences arising under the laws of any state or other taxing jurisdiction.

# **Changes in Law and Post Issuance Events**

Legislative or administrative actions and court decisions, at either the federal or state level, could have an adverse impact on the potential benefits of the exclusion from gross income of the interest on the

Series 2023 Bonds for federal or state income tax purposes, and thus on the value or marketability of the Series 2023 Bonds. This could result from changes to federal or state income tax rates, changes in the structure of federal or state income taxes (including replacement with another type of tax), repeal of the exclusion of the interest on the Series 2023 Bonds from gross income for federal or state income tax purposes, or otherwise. It is not possible to predict whether any legislative or administrative actions or court decisions having an adverse impact on the federal or state income tax treatment of holders of the Series 2023 Bonds may occur. Prospective purchasers of the Series 2023 Bonds should consult their own tax advisors regarding the impact of any change in law on the Series 2023 Bonds.

Bond Counsel's opinions will be based on existing law, which is subject to change. Bond Counsel has not undertaken to advise in the future whether any events after the date of issuance and delivery of the Series 2023 Bonds may affect the tax status of interest on the Series 2023 Bonds. Bond Counsel expresses no opinion as to any federal, state or local tax law consequences with respect to the Series 2023 Bonds, or the interest thereon, if any action is taken with respect to the Series 2023 Bonds or the proceeds thereof upon the advice or approval of other counsel. Moreover, the opinions of Bond Counsel are not a guarantee of a particular result and are not binding on the IRS or the courts; rather, such opinions represent Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinions.

### AGREEMENT BY THE STATE

Under the Act, the State of Florida pledges to the holders of any bonds issued thereunder, including the Series 2023 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

## LEGALITY FOR INVESTMENT

The Act provides that the Series 2023 Bonds are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State of Florida, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

### SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2023 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes and the rules promulgated thereunder. The limitation of the initial offering to "accredited investors" does not denote restrictions on transfers in any secondary market for the Series 2023 Bonds. Investment in the Series 2023 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

## **ENFORCEABILITY OF REMEDIES**

The remedies available to the Owners of the Series 2023 Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and

delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2023 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2023 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

## 4.0 PUBLIC IMPROVEMENTS AND COMMUNITY FACILITIES

Detailed descriptions of the proposed public improvements and community facilities are provided in the following sections.

## 4.1 WATER MANAGEMENT AND CONTROL

The design criteria for the District's water management and control is regulated by Pasco County and the Southwest Florida Water Management District (SWFWMD). The water management and control plan for the District focuses on utilizing newly constructed ponds within upland areas and on-site wetlands for stormwater treatment and storage.

Any excavated soil from the ponds is anticipated to remain within the development for use in building public infrastructure including roadways, landscape berming, drainage pond bank fill requirements, utility trench backfill, and filling and grading of public property.

The primary objectives of the water management and control for the District are:

- 1. To provide stormwater quality treatment.
- 2. To protect the development within the District from regulatory-defined rainfall events.
- 3. To maintain natural hydroperiods in the wetlands and connecting flow ways.
- To ensure that adverse stormwater impacts do not occur upstream or downstream as a result of constructing the District improvements during regulatory-defined rainfall events.
- 5. To satisfactorily accommodate stormwater runoff from adjacent off-site areas which may naturally drain through the District.
- 6. To preserve the function of the flood plain storage during the 100-year storm event.

Water management and control systems are designed in accordance with Pasco County and SWFWMD technical standards. The District is anticipated to own and maintain these facilities. Storm sewer systems within collector roads rights-of-way are anticipated to be owned and maintained by Pasco County and storm sewer systems within the subdivision street rights-of-way are anticipated to be owned and maintained by the District.

## 4.2 WATER SUPPLY

The District is located within the Pasco County Utilities Services Department's service area which will provide water supply for potable water service and fire protection to the property. The water supply improvements are anticipated to include looped water mains within roads/streets rights-of-way and will supply potable water service and fire protection to the District.

The water supply systems are designed in accordance with Pasco County Utilities Standards for Design and Construction. Pasco County Utilities Department will own and maintain these facilities.

## 4.3 SEWER AND WASTEWATER MANAGEMENT

The District is located within the Pasco County Utilities Services Department's service area which will provide sewer and wastewater management service to the District. The sewer and wastewater management improvements are anticipated to include a gravity sanitary sewer system within the roads/streets rights-of-way and pumping stations that will connect to an existing force main. As well, reclaimed water service will be provided as part of the sewer and wastewater management system.

All sanitary sewer and wastewater management facilities are designed in accordance with Pasco County Utilities Standards for Design and Construction. Pasco County Utilities Services Department will own and maintain these facilities.

## 4.4 DISTRICT ROADS

District Roads include the roadway asphalt, base, and subgrade, roadway curb and gutter, and sidewalks within rights-of-way abutting common areas.

Master public collector roads include 1) a portion of Colston Avenue west of the Two Rivers Boulevard intersection, 2) a portion of Two Rivers Boulevard north of Colston Avenue and 3) a portion of Colston Avenue east of the Two Rivers Boulevard intersection and terminating at the access points into Parcels C1B/C2 and the Parcel D4. These improvements have been designed in accordance with the Pasco County Engineering Services' Project Management/Design Division technical standards and are anticipated to be owned and maintained by Pasco County.

Subdivision streets have been designed in accordance with the Pasco County Engineering Services' Project Management/Design Division technical standards and are anticipated to be privately owned and maintained.

## 4.6 LANDSCAPING/ HARDSCAPE/IRRIGATION

Community entry monumentation and landscape buffering and screening will be provided at several access points into the District. Irrigation will also be provided in the landscaped common areas.

These improvements will be owned and maintained by the District.

# 5.0 PUBLIC IMPROVEMENTS AND COMMUNITY FACILITIES COSTS

See Appendix C for the Construction Cost Estimate of the Public Improvements and Community Facilities for Parcels C1B, C2, D4, and Parcel E Villas and the master collector road right-of-way improvements.

## 6.0 SUMMARY AND CONCLUSION

Items of the construction costs in this report are based on the review of local contractor bid information obtained and provided by the Developer. It is our professional opinion that the estimated infrastructure costs provided herein for the development are conservative to complete the construction of the Public Improvements and Community Facilities described herein.

The estimate of the construction costs is only an estimate and not a guaranteed maximum cost. The estimated cost is based on historical unit prices or current prices being experienced for ongoing and similar items of work in the Pasco County. The labor market, future costs of equipment and materials, and the actual construction process are all beyond our control. Due to this inherent possibility for fluctuation in costs, the total final cost may be more or less that this estimate.

The professional service for establishing the Construction Cost Estimate is consistent with the degree of care and skill exercised by members of the same profession under similar circumstances.

The Issuer, either through its own actions or actions caused to be done through the Trustee, agrees that it shall be required to take the measure provided by law for sale of property acquired by it as trustee for the Registered Owners within thirty (30) days after the receipt of the request therefor signed by the Registered Owners of the Majority Holders of the Outstanding Bonds of the Series payable from Special Assessments assessed on such property. The Issuer and the Trustee, if directed by the Majority Holders shall, or if the Trustee or the Issuer shall so elect may, place title of property received upon foreclosure or deed in lieu of foreclosure into a special purpose entity controlled by the Trustee or such other entity acceptable to the Majority Holders of the Bonds of a Series so effected by such foreclosure, for the benefit of the Registered Owners. Except as stated in the next succeeding sentence, the Issuer shall use the uniform method for the levy, collection and enforcement of Special Assessments afforded by Sections 197.3631, 197.3632 and 197.3635, Florida Statutes, or any successor statutes thereto (the "Uniform Method"), and to do all things necessary to continue to use the Uniform Method or a comparable alternative method afforded by Section 197.3631, Florida Statutes. The Issuer shall use its best efforts to enter into and/or maintain in effect one or more written agreements with the Property Appraiser and Tax Collector, either individually or jointly (together, the "Property Appraiser and Tax Collector Agreement") in order to effectuate the provisions of this Section. The Issuer shall ensure that any such Property Appraiser and Tax Collector Agreement remains in effect for at least as long as the final maturity of Bonds Outstanding under this Indenture. To the extent that lessuer is legally prevented from collecting Special Assessments pursuant to the Uniform Method, then the Issuer shall collect and enforce Special Assessments pursuant to any available method under the Act, Chapter 170, Florida Statutes, or Chapter 197, Florida Statutes, or any successor statutes thereto.

Notwithstanding the immediately preceding paragraph or any other provision in this Master Indenture to the contrary, upon the occurrence of an Event of Default, if the Trustee, acting at the direction of the Majority Holders of a Series of Bonds, requests that the Issuer not use the Uniform Method to collect the Special Assessments levied by the Issuer for the purpose of paying the Debt Service Requirements such Series of Bonds, but instead collect and enforce the Special Assessments levied by the Issuer for the purpose of paying the Debt Service Requirements such Series of Bonds to another available method under the Act, Chapter 170, Florida Statutes, or Chapter 197, Florida Statutes, or any successor statutes thereto, then the Issuer shall collect and enforce said Special Assessments in the manner and pursuant to the method so requested by the Trustee. In the event the provisions of Chapter 197, Florida Statutes, and any provisions of the Act with respect to such sale are inapplicable by operation of law, then upon the delinquent of any Special Assessment the Issuer shall, to the extent permitted by law, utilize any other method of enforcement as provided by Section 9.04 hereof, including, without limitation, declaring the entire unpaid balance of such Special Assessment to be in default and, at its own expense, cause such delinquent property to be foreclosed, pursuant to the provisions of Section 170.10, Florida Statutes, in the same method now or hereafter provided by law for the foreclosure

soon as practicable after such audit shall become available, a copy of such audit shall be mailed to any Registered Owner upon its written request.

SECTION 9.08. Removal of Special Assessment Liens. Except as otherwise provided in a Supplemental Indenture with respect to a related Series of Bonds, the following procedures shall apply in connection with the removal of Special Assessment liens:

(a) At any time from the date of levy of Special Assessments on a parcel of District Lands through the date that is thirty (30) days after the related Project has been completed and the Board has adopted a resolution accepting such Project as provided by Section 170.09, Florida Statutes, as amended, any owner of property subject to the Special Assessments may, at its option, require the Issuer to release and extinguish the lien upon its property by virtue of the levy of the Special Assessments that relate to a Series of Bonds by paying to the Issuer the entire amount of such Special Assessment on such property, without interest. The Issuer shall promptly notify the Trustee in writing of any Prepayment made under such circumstances. Accrued interest on the principal amount of any Bonds that would be redeemed as a result of such Prepayment made within thirty (30) days after the Board has adopted a resolution accepting the Project shall be derived from moneys on deposit in the Capitalized Interest Account and, if no moneys remain, from moneys on deposit in the Interest Account, and, if no moneys remain therein, from moneys on deposit in the Debt Service Reserve Account.

Upon receipt of a Prepayment as described in the immediately preceding paragraph, the Issuer shall immediately, but in any event within two (2) Business Days following the receipt of such Prepayment moneys, pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the Issuer that the Special Assessment has been paid in full or in part and that such Special Assessment lien is thereby released and extinguished if paid in full or such Special Assessment lien shall be reduced if the Landowner only made a partial Prepayment. Upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof. In connection with such Prepayment, the Trustee shall calculate the credit authorized pursuant to Section 6.05 hereof, and transfer such credit to the Bond Redemption Fund to be used together with such Prepayment for the redemption of Bonds in accordance with Section 8.01(b)(i) hereof.

- (b) Notwithstanding the foregoing, and consistent with the proceedings of the Issuer relating to the imposition and levy of the Special Assessments, any Landowner may at any time require the Issuer to release and extinguish the lien upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire amount of the Special Assessment, plus accruced interest to the next succeeding Interest Payment Date (or the second succeeding Interest Payment Date if such prepayment is made within forty (40) calendar days before an Interest Payment Date), attributable to the property subject to Special Assessment owned by such owner.
- (c) In addition to the Prepayments described in paragraphs (a) and (b) above, any Landowner, or any Person on behalf of a Landowner, may present to the Issuer, Bonds of a Series purchased in the open market for cancellation and such cancellation of such purchased Bonds shall constitute an optional Prepayment; provided that no Special Assessments shall be deemed paid by a Landowner until such time as the Bonds presented for cancellation by a

Landowner as an In Kind Payment are surrendered to the Trustee, as proxy for the Issuer, accompanied by a written direction to the Trustee to cancel and destroy said Bonds. Except as provided in the next succeeding sentence, such Landowner shall receive the benefit of a reduction, in whole or in part, of the lien of the Special Assessments levied by the Issuer against the lands of such Landowner equal to principal amount of the Bonds surrendered as an In Kind Payment in accordance with the provisions hereof. If the amount credited to the Series Account in the Debt Service Reserve Account would exceed the Debt Service Reserve Requirement for the remaining Outstanding Bonds of a Series as a result of such optional Prepayment described in this paragraph (c), such excess amount shall, prior to the Completion Date of a Project, be transferred to the applicable Series Account of the Acquisition and Construction Fund, and after the Completion Date, shall constitute a credit against the amount of Prepayment to be applied for the partial extraordinary redemption of the Outstanding Bonds of a Series safter such cancellation pursuant to Section 8.01(b)(ii) hereof. Notwithstanding anything to the contrary herein, in the event that the amount of the In Kind Payment made by any Landowner is less than the amount of Special Assessments levied against such property, then the In Kind Payment shall be applied pro rata to reduce the principal amount of Special Assessments levied by the District on all District Lands owned by said Landowner as an In Kind Payment.

(d) Upon receipt of a Prepayment or an In Kind Payment as described in (a), (b) or (c) above, the Issuer shall immediately pay the amount so received or remit the Bonds tendered as an In Kind Payment to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the Issuer that the Special Assessment has been paid or otherwise satisfied and that such Special Assessment lien is thereby released and extinguished. Except as otherwise provided by a Supplemental Indenture, upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the applicable Series Account within the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) or (ii) hereof, as the case may be.

SECTION 9.09. <u>Deposit of Special Assessments</u>. The Issuer covenants to cause any Special Assessments collected or otherwise received by it to be deposited with the Trustee within five (5) Business Days after receipt thereof for deposit into the related Series Account of the Revenue Fund (except that amounts received as Prepayments of Special Assessments shall be designated by the Issuer as such upon delivery to the Trustee and shall be deposited directly into the related Series Account within the Bond Redemption Fund).

SECTION 9.10. Construction to be on District Lands. The Issuer covenants that no part of the Project will be constructed on, over or under lands other than (i) lands good and marketable title to which is owned by the Issuer or other appropriate entity in fee simple, (ii) lands on, over or under which the Issuer or other appropriate entity shall have acquired perpetual easements for the purposes of the Project, or (iii) lands, including public streets and highways, the right to the use and occupancy of which for such purposes shall be vested in the Issuer or other appropriate entity by law or by valid franchises, licenses, easements or rights of way or other legally effective permissions or approval.

determines to be in its best interests and otherwise consistent with this Master Indenture and any Supplemental Indenture; provided further, however, that the Issuer may act as a self-insurer in accordance with the requirements of subsection (d) hereof. All policies providing the insurance coverages required by this Section shall designate the Issuer as the loss-payee and shall be made payable to the Issuer.

All proceeds received from property damage or destruction insurance and all proceeds received from the condemnation of the Project or any part thereof are hereby pledged by the Issuer as security for the related Series of Bonds and shall be deposited at the option of the Issuer, but subject to the limitations hereinafter described, either (i) into a separate subaccount within the Acquisition and Construction Fund to be established by the Trustee for such purpose, and used to remedy the loss, damage or taking for which such proceeds are received, either by repairing the damaged property or replacing the destroyed or taken property, as soon as practicable after the receipt of such proceeds, or (ii) into the related Series Account within the Bond Redemption Fund for the purpose of purchasing or redeeming Bonds according to the provisions set forth in Article VIII hereof. The Issuer shall not be entitled to deposit insurance proceeds or condemnation awards into the separate fund described above in clause (i) of this paragraph (and such proceeds and awards shall be deposited directly into the related Series Account within the Bond Redemption Fund pursuant to clause (ii) of this paragraph) unless there shall have been filed with the Issuer within a reasonable time after the damage, destruction or condemnation (A) a certificate from the Consulting Engineer that the proceeds of the insurance or condemnation awards deposited into such separate fund, together with other funds available for such purposes, will be sufficient to repair, rebuild, replace or restore such property to substantially the same condition as it was in prior to its damage, destruction or condemnation (taking into consideration any changes, alterations and modifications that the Issuer may desire), (B) an opinion from the Consulting Engineer that the Project can be repaired, rebuilt, replaced or restored within two (2) years following the damage, destruction or condemnation thereof and (C) an opinion of the Consulting Engineer that, in each of the three (3) Fiscal Years following completion of such repair, rebuilding, replacement or restoration, the Issuer will be in compliance with its obligations hereunder. If the certificate described in clause (A) of this paragraph is not rendered because such proceeds or awards are insufficient for such purposes, the Issuer may deposit any other legally available funds in such separate fund in an amount required to enable the Consulting Engineer to render its certificate. If the insurance proceeds or condemnation awards deposited in such separate fund are more than sufficient to repair the damaged property or to replace the destroyed or taken property, the balance thereof remaining shall be deposited to the credit of the related Series Account in the Revenue Fund.

(d) The Issuer shall be entitled to provide all or a portion of the insurance coverage required by subsections (a) and (b) of this Section through Qualified Self Insurance, provided that the requirements hereinafter set forth in this subsection (d) are satisfied. "Qualified Self Insurance" means insurance maintained through a program of self insurance or insurance maintained with a company or association in which the Issuer has a material interest or of which the Issuer has control, either singly or with others.

- (b) At all times, to the extent commercially available, the Issuer shall maintain a practical insurance program, with reasonable terms, conditions, provisions and costs which the District Manager determines will afford adequate protection against loss caused by damage to or destruction of any component of the Project owned by the Issuer. Limits for such coverage will be subject to the Consulting Engineer's recommendations which are to be provided in an annual report, as required by Section 9.21 hereof. The Issuer shall also, at all times, maintain a practical comprehensive general liability insurance program with respect to the Project for such coverage, with such reasonable terms, conditions, provisions and costs as the District Manager determines will afford adequate protection against bodily injury and property damage.

(e) Copies of all recommendations and approvals made by the Consulting Engineer under the provisions of this Section shall be filed with the District Manager.

SECTION 9.15. Collection of Insurance Proceeds. The Trustee shall in no way be liable or responsible for the collection of insurance moneys in case of any loss or damage.

SECTION 9.16. <u>Use of Revenues for Authorized Purposes Only.</u> None of the Pledged Revenues shall be used for any purpose other than as provided in this Master Indenture and the related Supplemental Indenture and no contract or contracts shall be entered into or any action taken by the Issuer or the Trustee which will be inconsistent with the provisions of this Master Indenture and the related Supplemental Indenture.

The provisions of this Section 9.31 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the Issuer, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the Issuer shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly reindirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the Issuer, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The Issuer agrees that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

The Issuer acknowledges and agrees that, although the Affected Bonds were issued by the Issuer, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the Issuer hereby agrees that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture; (b) the Issuer hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) to the extent permitted by law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the Issuer, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the Issuer, including without limitation, motions seeking relief from the automatic stay, dismissal the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. Without limiting the generality of the foregoing, the Issuer agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the Issuer a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing in this Section 9.31 shall preclude the Issuer from becoming a party to a Proceeding in order to enforce a claim for "maintenance special assessments," and the Issuer shall be free to pursue such a claim in such manner as it shall deem appropriate. Any actions taken by the Issuer in pursuance of its claim for "maintenance special assessments" in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Affected Special Assessments, whether such claim is pursued by the Issuer or the Trustee; provided, however, that the Issuer shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in this Section.

SECTION 9.32. Continuing Disclosure. The Issuer hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement. Notwithstanding any other provision of this Master Indenture and any Supplemental Indenture, failure of the Issuer or a Landowner (if obligated pursuant to the Continuing Disclosure Agreement) to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default; however, the Trustee may (and, at the request of any participating underwriter or the Holders of at least 25% aggregate principal amount in Outstanding Bonds of a Series and receipt of indemnity to its satisfaction, shall) or any Holder of the Bonds or Beneficial Owner may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Issuer to comply with its obligations under this Section 9.32. Notwithstanding the foregoing, in the event of redemption of Series 2023 Bonds from Prepayments on deposit in the Series 2023 Prepayment Subaccount, the Trustee is further authorized, upon written direction from the District, to transfer from the Series 2023 Revenue Account to the Series 2023 Prepayment Subaccount sufficient funds to cause the redemption of the next closest Authorized Denomination of Series 2023 Bonds, as provided in Section 4.01(i) hereinabove.

SECTION 4.03. Power to Issue Series 2023 Bonds and Create Lien. The District is duly authorized under the Act and all applicable laws of the State to issue the Series 2023 Bonds, to execute and deliver the Indenture and to pledge the Series 2023 Pledged Revenues for the benefit of the Series 2023 Bonds to the extent set forth herein. The Series 2023 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2023 Bonds, except as otherwise permitted under Section 5.04 hereof. The Series 2023 Bonds and the provisions of the Indenture are and will be valid and legally enforceable obligations of the District in accordance with their respective terms. The District shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Indenture and all the rights of the Holders of the Series 2023 Bonds under the Indenture against all claims and demands of all persons whomsoever.

- (a) At any time any owner of property subject to the Series 2023 Special Assessments may, at its option, or as a result of acceleration of the Series 2023 Special Assessments because of non-payment thereof, shall, or by operation of law, require the District to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2023 Special Assessments by paying or causing there to be paid, to the District all or a portion of the Series 2023 Special Assessment, which shall constitute Series 2023 Prepayment Principal, plus, except as provided below, accrued interest to the next succeeding Quarterly Redemption Date (or the first succeeding Quarterly Redemption Date that is at least forty-five (45) days after such Prepayment, if such Prepayment is made within forty-five (45) calendar days before the next succeeding Quarterly Redemption Date, as the case may be), attributable to the property subject to Series 2023 Special Assessments owned by such owner. To the extent that such Prepayments are to be used to redeem Series 2023 Bonds pursuant to the extraordinary mandatory redemption provisions set forth in Exhibit B hereto, in the event the amount on deposit in the Series 2023 Reserve Account will exceed the Series 2023 Reserve Requirement for the Series 2023 Bonds as a result of a Prepayment in accordance with this Section 4.05(a) and the resulting extraordinary mandatory redemption of Series 2023 Bonds, the excess amount shall be transferred from the Series 2023 Reserve Account to the Series 2023 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions of the District to the Trustee together with a certificate of a Responsible Officer of the District stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2023 Reserve Account to equal or exceed the Series 2023 Reserve Requirement.
- (b) Upon receipt of Series 2023 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the District shall immediately pay the amount so received to the Trustee, and the District shall take such action as is necessary to record in the official improvement lien book of the District that the Series 2023 Special Assessment has been paid in whole or in part and that such Series 2023 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

The Trustee may conclusively rely on the District's determination of what moneys constitute Prepayments. In the absence of such written certification, the Trustee is entitled to assume that the Series 2023 Special Assessments have not been Substantially Absorbed.
- (d) Notwithstanding any of the foregoing, the District shall not be precluded from imposing Special Assessments or non-ad valorem assessments on District Lands (i) for the health, safety, and welfare of the District's residents or for purposes of remediating any natural disaster, catastrophic damage, or failure that has occurred with respect to any capital project or any component thereof or (ii) upon the written consent of the Majority Holders.

We have acted as bond counsel in connection with the issuance by Two Rivers West original principal amount Community Development District (the "District") of its \$[ of Special Assessment Bonds, Series 2023 (Series 2023 Project) (the "Series 2023 Bonds"), issued and delivered on this date pursuant to the constitution and laws of the State of Florida, particularly, the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, and other applicable provisions of law (collectively, the "Act") and by Ordinance No. 2021-41, duly enacted by the Board of County Commissioners of Pasco County, Florida, on December 7, 2021 and effective as of December 9, 2021. The Series 2023 Bonds are being issued pursuant to the Act, Resolution Nos. 2022-22, 2023-06 and 2023-09 adopted by the Board of Supervisors (the "Board") of the District on December 17, 2021, July 18, 2023, and August 15, 2023, respectively (collectively, the "Resolution"). The Series 2023 Bonds are being issued and secured under that certain Master Trust Indenture dated as of January 1, 2022 (the "Master Indenture"), as supplemented by that certain Third Supplemental Trust Indenture dated as of September 1, 2023 (the "Supplemental Indenture" and, together with Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"). Capitalized terms used herein without definitions have the meanings ascribed thereto in the Indenture.

The Series 2023 Bonds are being issued for the primary purpose of financing and refinancing the Series 2023 Project. To secure the payment of the Series 2023 Bonds, and subject to the terms of the Indenture, the District has pledged to the holders of the Series 2023 Bonds, and granted a lien to the holders of the Series 2023 Bonds on, the Series 2023 Pledged Revenues.

In connection with this opinion, we have examined the Act, certified copies of the Resolution, the Indenture, the Arbitrage Certificate, a transcript of the proceedings related to the issuance of the Series 2023 Bonds and such other documents and opinions as we have deemed

Board of Supervisors of Two Rivers West Community Development District Pasco County, Florida [Date of Delivery] Page 2 of 3

necessary to render this opinion, and are relying on certain findings, covenants and agreements of the District set forth therein and such certified copies of the proceedings of the District and such other documents and opinions as we have deemed necessary to render this opinion. As to questions of fact material to our opinion, we have relied upon representations of the District furnished to us, without undertaking to verify such representations by independent investigation. We have also relied upon certain certifications and representations provided by EPG–Two Rivers, LLC, a Florida limited liability company, EPG Two Rivers I, LLC, a Florida limited liability company, EPG Two Rivers IV, LLC, a Florida limited liability company, and EPG Two Rivers Holdings VII, LLC, a Florida limited liability company (collectively, the "Landowners"), as the landowners of all the assessable real property within the District subject to the Series 2023 Special Assessments constituting the Series 2023 Pledged Revenues, without undertaking to verify such representations by independent investigation.

Based on the foregoing, and subject to the qualifications and limitations stated in this letter, we are of the opinion that:

- 1. The District has the power to authorize, execute and deliver the Indenture, to perform its obligations thereunder and to issue the Series 2023 Bonds.
- 2. The Indenture has been duly authorized, executed and delivered by the District. The Indenture creates a valid pledge of the Series 2023 Pledged Revenues with respect to the Series 2023 Bonds and constitutes a valid and binding obligation of the District enforceable against the District in accordance with its terms.
- 3. The issuance and sale of the Series 2023 Bonds have been duly authorized by the District and, assuming the due authentication thereof, the Series 2023 Bonds constitute valid and binding limited obligations of the District, payable in accordance with, and as limited by, the terms of the Indenture.
- 4. The Internal Revenue Code of 1986, as amended (herein, the "Code"), includes requirements that the District must continue to meet after the issuance of the Series 2023 Bonds in order that interest on the Series 2023 Bonds not be included in gross income for federal income tax purposes. The failure of the District to meet these requirements may cause interest on the Series 2023 Bonds to be included in gross income for federal income tax purposes retroactive to their date of issuance. The District has covenanted in the Indenture to take the actions required by the Code to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2023 Bonds. In rendering the opinion expressed below, we have assumed continuing compliance with the covenants that must be met after the issuance of the Series 2023 Bonds in order that interest on the Series 2023 Bonds not be included in gross income for federal income tax purposes.

Board of Supervisors of Two Rivers West Community Development District Pasco County, Florida [Date of Delivery] Page 3 of 3

Based on the foregoing, under existing statutes, regulations, rulings and court decisions, subject to the assumptions stated in the preceding paragraph, interest on the Series 2023 Bonds is excludable under Section 103 of the Code from the gross income of the owners thereof for federal income tax purposes. Furthermore, we are of the opinion that interest on the Series 2023 Bonds is not treated as a preference item in calculating the federal alternative minimum tax. However, for taxable years beginning after December 31, 2022, interest on the Series 2023 Bonds will be taken into account in computing the alternative minimum tax imposed on certain corporations under the Code to the extent that such interest is included in the "adjusted financial statement income" of such corporations.

5. The Series 2023 Bonds and interest thereon are not subject to taxation under the laws of the State of Florida except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in Chapter 220.

We express no opinion regarding other federal or any state tax consequences resulting from the ownership, receipt or accrual of interest on, or disposition of the Series 2023 Bonds.

In rendering the foregoing opinions, we have assumed the accuracy and truthfulness of all public records and of all certifications, documents and other proceedings examined by us that have been executed or certified by public officials acting within the scope of their official capacities and have not verified the accuracy or truthfulness thereof. We have also assumed the genuineness of the signatures appearing upon such public records, certifications, documents and proceedings.

The opinions set forth herein are subject to state and federal laws relating to bankruptcy, insolvency, reorganization, moratorium and similar laws, and to equitable principles, affecting the enforcement of creditors' rights generally, and to the exercise of judicial discretion in appropriate cases.

We wish to call to your attention that the Series 2023 Bonds are limited obligations of the District payable solely from the Series 2023 Pledged Revenues, and neither the full faith and credit nor the taxing power of the District, Pasco County, Florida, the State of Florida or any other political subdivision thereof is pledged as security for the payment of the Series 2023 Bonds. The Series 2023 Bonds do not constitute an indebtedness of the District within the meaning of any constitutional or statutory provision or limitation.

Our opinions expressed herein are predicated upon present laws, facts and circumstances, and we assume no affirmative obligation to update the opinions expressed herein if such laws, facts or circumstances change after the date hereof.

Respectfully submitted,

#### I. REPORT OBJECTIVE

This Master Assessment Methodology Report (the "Master Report") details the basis of the benefit allocation and assessment methodology to support the financing plan to complete the public infrastructure required within the Two Rivers West Community Development District (the "District"). The private assessable lands ("Assessable Property") benefitting from the public infrastructure is generally described within Exhibit A of this Master Report and further described within the Engineer's Report, dated December 17th 2021 (the "Engineer's Report"). The objective of this Master Report is to:

- 1. Identify the District's capital improvement program ("CIP") for the project to be financed, constructed and/or acquired by the District; and
- 2. Determine a fair and equitable method of spreading the associated costs to the benefiting Assessable Properties within the District pre- and post-development completion; and
- 3. Provide a basis for the placement of a lien on the Assessable Properties within the District benefiting from the CIP, as outlined by the Engineer's Report.

The basis of benefit received by Assessable Properties relates directly to the proposed CIP. It is the District's CIP that will create the public infrastructure that enables Assessable Properties within the District to be developed and improved under current allowable densities. The CIP includes off-site improvements, storm water, utilities (water and sewer), roadways, landscape and hardscape. The Engineers Report identified estimated cost to complete the CIP, inclusive of associated "soft cost" such as legal/engineering services with contingencies to account for commodity and service market fluctuations. This report will further address additional financing cost associated with funding the CIP. Without the required improvements in the CIP, the development of the Assessable Properties could not be undertaken within the current development standards. The main objective of this Master Report is to establish a basis on which to quantify and allocate the special benefit provided by the CIP proportionally to the private property within the District. A detailed allocation methodology and finance plan will be utilized to equitably distribute CIP costs upon the Assessable Properties within the District based upon the level of proportional benefit received.

This Master Report outlines the assignment of benefit, assessment methodology and financing structure for bonds to be issued by the District. As a result of the methodology application, the maximum long-term assessment associated with the current CIP is identified. The District will issue Special Assessment Bonds (the "Bonds"), in one or more series consisting of various amounts of principal debt and maturities to finance the construction and/or acquisition of all or a portion of the CIP.

It is anticipated that the methodology consultant will prepare individual supplemental reports applying the allocation methodology contained herein for the imposition and collection of long-term special assessments on a first platted, first assigned basis for repayment of a specific series of Bonds. The methodology consultant may distribute supplemental reports in connection with updates and/or revisions to the finance plan. Such

supplemental reports will be created to stipulate amended terms, interest rates, developer contributions if any, issuance costs and will detail the resulting changes in the level of funding allocated to the various trust accounts and subaccounts. The Bonds will be repaid from and secured by non-ad valorem assessments levied on those Assessable Properties benefiting from the public improvements within the District. Non-ad valorem assessments will be levied each year to provide the funding necessary to pay debt service on the Bonds and to fund operations and maintenance costs related to the capital improvements maintained by the District.

In summary, this Master Report will determine the benefit, apportionment and financing structure for the Bonds to be issued by the District in accordance with Chapters 170, 190 and 197, Florida Statutes, as amended, to establish a basis for the levying and collecting of special assessments based on the benefits received and is consistent with our understanding and experience with case law on this subject.

#### II. DEFINED TERMS

- "Capital Improvement Program" (CIP) The public infrastructure development program as outlined by the Master Engineer Report dated 12/17/2021.
- "Developer" EPG Two Rivers, LLC.
- "Development Plan" The end-use configuration of Platted Units and Product Types for Unplatted Parcels within the District, Table 2.
- "District" Two Rivers West Community Development District, encompasses 1,641.903 +/- acres, Pasco County Florida.
- "Engineer Report" Master Engineer's Report, dated December 17, 2021.
- "Equivalent Assessment Unit" (EAU) A weighted value assigned to dissimilar residential lot product types to differentiate assignment of benefit and lien values.
- "Maximum Assessments" The maximum amount of special assessments and liens to be levied against benefiting assessable properties.
- "Platted Units" Private property subdivided as a portion of gross acreage by virtue of the platting process.
- "Product Type" Classification assigned by the District Engineer to dissimilar lot products for the development of the vertical construction. Determined in part as to differentiated sizes, setbacks and other factors.
- "Unplatted Parcels" Gross acreage intended for subdivision and platting pursuant to the Development Plan.

#### III. DISTRICT OVERVIEW

The District area encompasses 1,641.903 +/- acres and is located in Pasco County, Florida, within Sections 28,29,30,31,32 and 33, Township 26 South, Range 21 East, and Section 36, Township 26 South, Range 20 East. The primary developer of the Assessable Properties is EPG Two Rivers, LLC (the "Developer"), who has created the overall development plan as outlined and supported by the Engineer's Report. The development plan for the District contemplates multiple phases consisting of 2,246 single family lots. The public improvements as described in the Engineer's Report include off-site improvements, storm water, utilities (water and sewer), roadways, amenities and landscape/hardscape. The off-site improvements cost will be proportionally shared with Two Rivers North CDD via interlocal agreement based on proportional densities of planned units and EAUs for each CDD. This report may be modified if additional Districts enjoin by interlocal agreement for further proportional share. The methodology for the cost share is contained within Table 1.

#### IV. PROPOSED IMPROVEMENTS

The District and Developer are undertaking the responsibility of providing the public infrastructure necessary to develop the District's CIP. As designed, the CIP is an integrated system of facilities. Each infrastructure facility works as a system to provide special benefit to District lands, i.e.: all benefiting landowners of Assessable Properties within the District benefit the same from the first few feet of infrastructure as they do from the last few feet. The CIP costs within Table 1 of this Master Report reflect cost as further detailed within the Engineer's Report, these costs are exclusive of any financing related costs.

#### V. FINANCING

The District intends to finance only a portion of the CIP through the issuance of the Bonds; however this report assumes the financing of 100% of the improvements to identify the full benefit and potential. As the Bonds will be issued in one or more series, the Bonds will be sized at an amount rounded to the nearest \$5,000 and will include items such debt service reserves, underwriter's discount, issuance costs and rounding.

For purposes of the Master Report, conservative allowances have been made for a debt service reserve, underwriter's discount, issuance costs, rounding and collection cost as shown on Table 5. The methodology consultant will issue supplemental report(s) which outline the provisions specific to each bond issue with the application of the assessment methodology contained herein. The supplemental report(s) will detail the negotiated terms, interest rates and costs associated with each series of Bonds representing the market rate at that point in time. The supplemental reports will outline any Developer contributions towards the completion of the CIP applied to prepay any assessments on any one or collective Assessable Properties within the District. The supplemental report(s) will also detail the level of funding allocated to the construction/acquisition account, the debt service reserve account, underwriter's discount, issuance and collection costs. Additionally, the supplemental report(s) will apply the principles set forth in the Master Report to determine the specific assessments required to repay the Bonds.

#### VI. ALLOCATION METHODOLOGY

EQUIVALENT ASSESSMENT UNITS (EAU) ALLOCATION: This method was selected as off-site improvements; storm water, utilities (water and sewer), roadways and landscape/hardscape benefit all assessable properties within the District proportionally. The level of relative benefit can be compared through the use of defining "equivalent" units of measurement by product type to compare dissimilar development product types. This is accomplished through determining an estimate of the relationship between the product types, based on a relative benefit received by each product type from the system of capital improvements. The use of equivalent assessment unit methodologies is well established as a fair and reasonable proxy for estimating the benefit received by private benefiting properties. One (1) EAU is assigned to the 40' residential use product type as a baseline, with a proportional increase or decrease relative to other planned residential product types and sizes. Table 2 outlines EAUs assigned for residential product types under the current development plan as described in this section. If future Assessable Property is added or product types are contemplated, this report will be amended to reflect.

Pursuant to Section 193.0235, Florida Statutes, certain "common elements" such as clubhouses, amenities, lakes and common areas for community use and benefit are exempt from non-ad valorem assessments regardless of the private ownership. It is contemplated that the Developer will be constructing a private clubhouse within the District for ownership and operation. This clubhouse will be exempt from non-ad valorem assessments as a common element benefiting all residents within the District.

The method of benefit allocation is based on the special benefit received from infrastructure improvements relative to the benefiting Assessable Property by use and size in comparison to other Assessable Property within the District. According to F.S. 170.02, the methodology by which valid special assessments are allocated to specifically benefited property must be determined and adopted by the governing body of the District. This alone gives the District latitude in determining how special assessments will be allocated to specific Assessable Property. The CIP benefit and special assessment allocation rationale is detailed below and provides a mechanism by which these costs, based on a determination of the estimated level of benefit conferred by the CIP, are apportioned to the Assessable Property within the District for levy and collection. The allocation of benefits and assessments associated with the CIP are demonstrated on Table 3 & 4. The Developer may choose to pay down or contribute infrastructure on a portion or all of the long-term assessments as evaluated on a per parcel basis, thereby reducing the annual debt service assessment associated with the Series of Bonds.

#### VII. DETERMINATION OF SPECIAL ASSESSMENT

There are three main requirements for valid special assessments. The first requirement demands that the improvements to benefited properties, for which special assessments are levied, be implemented for an approved and assessable purpose (F.S. 170.01). As a second requirement, special assessments can only be levied on those properties specially benefiting from the improvements (F.S. 170.01). Thirdly, the special assessments allocated to each benefited property cannot exceed the proportional benefit to each parcel (F.S. 170.02).

The District's CIP contains a "system of improvements" including the funding, construction and/or acquisition of off-site improvements, stormwater management, utilities (water and sewer), roadways, landscape/hardscape and amenities; all of which are considered to be for an approved and assessable purpose (F.S. 170.01) which satisfies the first requirement for a valid special assessment, as described above. Additionally, the improvements will result in all Assessable Property within the District receiving a direct and specific benefit, thereby making those properties legally subject to assessments (F.S. 170.01), which satisfies the second requirement, above. Finally, the specific benefit to the Assessable Property is equal to or exceeds the cost of the assessments levied on the Assessable Property (F.S. 170.02), which satisfies the third requirement, above.

The first requirement for determining the validity of a special assessment is plainly demonstrable; eligible improvements are found within the list provided in F.S. 170.01. However, the second and third requirements for a valid special assessment require a more analytical examination. As required by F.S. 170.02, and described in the preceding section entitled "Allocation Methodology," this approach involves identifying and assigning value to specific benefits being conferred upon the various Assessable Property, while confirming the value of these benefits exceed the cost of providing the improvements. These special benefits include, but are not limited to, the added use of the property, added enjoyment of the property, probability of decreased insurance premiums and the probability of increased marketability and value of the property.

The determination has been made that the duty to pay the non-ad valorem special assessments is valid based on the special benefits imparted upon the various Assessable Property. These benefits are derived from the acquisition and/or construction of the District's CIP. The allocation of responsibility for payment of the on the Bonds has been apportioned according to reasonable estimates of the special benefits provided consistent with each land use category. Accordingly, no acre or parcel of property within the boundary of the properties will be assessed for the payment of any non-ad valorem special assessment greater than the determined special benefit particular to that parcel of the District.

Property within the District that currently is not, or upon future development, will not be subject to the special assessments include publicly owned (State/County/City/CDD) tax-exempt parcels such as: lift stations, road rights-of-way, waterway management systems, common areas, and certain lands/amenities owned by HOA(s). To the extent it is later determined that a property no longer qualifies for an exemption, assessments will be apportioned and levied based on an EAU factor proportionate to acreage density as demonstrated in other use EAU assignment.

#### VIII. ASSIGNMENT OF ASSESSMENTS

This section sets out the manner in which special assessments will be assigned to the Assessable Property within the District. In general, the assessments will initially be assigned on a gross acreage basis, gradually absorbed and assigned on a first platted, first assigned priority.

It is useful to consider three distinct states or conditions of development within a community. The initial condition is the "undeveloped state." At this point the infrastructure may or may not be installed but none of the units in the development program have been platted. This condition exists when the infrastructure program is financed prior to any development. While the land is in an "undeveloped state," special assessments will be assigned on an equal acre basis across all of the gross acreage within each phase, relative to the special assessment lien levied as identified within Exhibit "A" of this Master Report. Debt will not be solely assigned to properties within each phase which have development rights, but will be assigned to undevelopable properties to ensure integrity of development plans, rights and entitlements.

The second condition is "on-going development". At this point, if not already in place, the installation of infrastructure has begun. Additionally, the development program has started to take shape. As lands subject to special assessments within each phase are platted and fully-developed, they are assigned specific assessments in relation to the estimated benefit that each unit receives from the CIP, with the balance of the debt assigned on a per acre basis as described in the preceding paragraph. This generally describes the flow for a "first platted, first assigned basis" of assessments against product types per parcel, Therefore each fully-developed, platted unit would be assigned a par debt assessment as set forth in Tables 6. It is not contemplated that any unassigned debt would remain once all of the lots associated with the improvements are platted and fully-developed; if such a condition was to occur; the true-up provisions in section IX of this Master Report would be applicable.

The third condition is the "completed development state." In this condition the entire development program for the District has been platted and the total par value of the Bonds has been assigned as specific assessments to each of the platted lots within each phase of the District based on the methodology described herein.

#### IX. TRUE-UP MODIFICATION

During the construction period of phases of development, it is possible that the number of residential units built may change, thereby necessitating a modification to the per unit allocation of assessment principal. In order to ensure the District's debt does not build up on the unplatted land, the District shall apply the following test as outlined within this "true up methodology".

The debt per acre remaining on the unplatted land within the District is never allowed to increase above its ceiling debt per acre. The ceiling level of debt per acre is calculated as the total amount of debt for each Bond issue divided by the number of acres encumbered by those Bonds. Thus, every time the test is applied, the debt encumbering the remaining un-platted acres must remain equal to, or lower than the ceiling level of debt per acre as established by Exhibit A.

True-up tests shall be performed upon the acceptance of each recorded plat submitted to subdivide developed lands within the District. If upon the completion of any true-up analyses it is found that the debt per gross acre exceeds the established maximum ceiling debt per acre, or there is not sufficient development potential in the remaining acreage in the District to produce the densities required to adequately service Bond debt, the District

would require the immediate remittance of a density reduction payment, plus accrued interest as applicable in an amount sufficient to reduce the remaining debt per acre to the ceiling amount per acre, thus allow the remaining gross acreage to adequately service bond debt upon planned development. The final test shall be applied at the platting of 100% of the development units within each phase of the District. Should additional coverage be identified at or prior to the final true up as a result of changes in the development plan, the District will reserve the right to either use excess to issue more debt or pay down the existing principal amounts within outstanding Bonds proportionally.

True-up payment provisions may be suspended if the landowner can demonstrate, to the reasonable satisfaction of the District and bondholders, that there is sufficient development potential in the remaining acreage within the District to produce the densities required to adequately service Bond debt. The Developer and District will enter into a true-up agreement to evidence the obligations described in this Section VIII.

All assessments levied run with the land and it is the responsibility of the District to enforce the true-up provisions and collect any required true-up payments due. The District will not release any liens on property for which true-up payments are due, until provision for such payment has been satisfactorily made.

#### **EXHIBIT A**

The maximum par amount of Bonds that may be borrowed by the District to pay for the public capital infrastructure improvements is \$176,095,000.00 payable in 30 annual installments of principal of \$8,599.57 per gross acre. The maximum par debt is \$107,250.55 per gross acre and is outlined below.

Prior to platting, the debt associated with the Capital Improvement Plan will initially be allocated on a per acre basis within the District. Upon platting, the principal and long term assessment levied on each benefited property will be allocated to platted lots and developed units in accordance with this Report.

"Master Report" – The Master Assessment Methodology Report, dated December 17, 2021 as provided to support benefit and maximum assessments on private developable property within the District.

#### III. OBJECTIVE

The objective of this Second Supplemental Assessment Methodology Report is to:

- A. Allocate a portion of the costs of the CIP to the 2023 Project;
- B. Refine the benefits, as initially defined in the Master Report, to the assessable properties within the District that will be assessed as a result of the issuance of the Series 2023 Bonds (as herein defined);
- C. Determine a fair and equitable method of spreading the associated costs to the benefiting properties within the District and ultimately to the individual units therein; and
- D. Provide a basis for the placement of a lien on the assessable lands within the District that benefit from the 2023 Project, as outlined by the Engineer's Report.

The basis of benefit received by properties within the District relates directly to the 2023 Project allocable to Assessable Property within the District. It is the District's 2023 Project that will create the public infrastructure which enables the assessable properties within the District to be developed and improved. Without these public improvements, which include off-site improvements, storm water, utilities (water and sewer), roadways, landscape and hardscape - the development of lands within the District could not be undertaken within the current legal development standards. This Second Supplemental Report applies the methodology described in the Master Report to assign assessments to assessable properties within the District as a result of the benefit received from the 2023 Project and assessments required to satisfy the repayment of the Bonds by benefiting assessable properties.

The District will issue its Special Assessment Bonds, Series 2023 (the "Bonds") to finance the construction and/or acquisition of a portion of the 2023 Project which will provide special benefit to the assessable parcels within the District. The Bonds will be repaid from and secured by non-ad valorem assessments levied on those properties benefiting from the improvements within the District. Non-ad valorem assessments will be collected each year to provide the funding necessary to remit Bond debt service payments and to fund operations and maintenance costs related to the capital improvements maintained by the District.

In summary, this Second Supplemental Report will determine the benefit, apportionment and financing structure for the Bonds to be issued by the District in accordance with Chapters 170, 190, and 197, Florida Statutes, as amended, to establish a basis for the levying and collecting of special assessments based on the benefits received and is consistent with our understanding and experience with case law on this subject.

#### IV. DISTRICT OVERVIEW

The District area encompasses 1,641.903 +/- acres and is located in Pasco County, Florida, within Sections 28,29,30,31,32 and 33, Township 26 South, Range 21 East, and Section 36, Township 26 South, Range 20 East. EPG-Two Rivers, LLC, a Florida limited liability company, EPG Two Rivers I, LLC, a Florida limited liability company, EPG Two Rivers IV, a Florida limited liability company, LLC, EPG Two Rivers Holdings VII, LLC, a Florida limited liability company, and EPG Two Rivers Holdings VIII, LLC, a Florida limited

liability company (collectively, the "Landowners") own all of the Assessable Property in the District, and have created the overall development plan as outlined and supported by the Engineer's Report. The development plan for the District contemplates multiple phases consisting of 2,208 single family and Villa lots. The public improvements as described in the Engineer's Report include off-site improvements, stormwater management, utilities (water and sewer), roadways, landscape/hardscape and amenities. The off-site improvements cost will be proportionally shared with Two Rivers North CDD via interlocal agreement based on proportional densities of planned units and EAUs for each CDD. This report may be modified if additional Districts enjoin by interlocal agreement for further proportional share.

#### V. CAPITAL IMPROVEMENT PROGRAM (CIP)

The District and Landowners are undertaking the responsibility of providing public infrastructure necessary to develop the District. As designed, the 2023 Project representing a portion of the total CIP is an integrated system of facilities. Each infrastructure facility works as a system to provide special benefit to assessable lands within the District. The drainage and surface water management system are an example of a system that provides benefit to all planned residential lots within the District. As a system of improvements, all private benefiting landowners within the District benefit the same from the first few feet of pipe as they do from the last few feet. The storm water management system; as an interrelated facility which, by its design and interconnected control structures, provides a consistent level of protection to the entire development program, and thus all landowners within the District will benefit from such improvement.

The District Engineer has identified the infrastructure, and respective costs, to be acquired and/or constructed as the 2023 Project. The 2023 Project includes storm water, utilities (water and sewer), roadways, landscape and hardscape. The cost of the 2023 Project is generally described within Tables 2 and 3 of this Second Supplemental Report with further detail provided in the Engineer's Report.

#### VI. DETERMINATION OF SPECIAL ASSESSMENT

There are three main requirements for valid special assessments. The first requirement demands that the improvements to benefited properties, for which special assessments are levied, be implemented for an approved and assessable purpose (F.S. 170.01). As a second requirement, special assessments can only be levied on those properties specially benefiting from the improvements (F.S. 170.01). Thirdly, the special assessments allocated to each benefited property cannot exceed the proportional benefit to each parcel (F.S. 170.02).

The 2023 Project contains a "system of improvements" for the Development which benefit the entire District; all of which are considered to be for an approved and assessable purpose (F.S. 170.01) which satisfies the first requirement for a valid special assessment, as described above. Additionally, the improvements will result in all private developable properties receiving a direct and specific benefit, thereby making those properties legally subject to assessments (F.S. 170.01), which satisfies the second requirement, above. Finally, the specific benefit to the properties is equal to or exceeds the cost of the assessments to be levied on the benefited properties (F.S. 170.02), which satisfies the third requirement, above.

The first requirement for determining the validity of a special assessment is plainly demonstrable. Eligible improvements are found within the list provided in F.S. 170.01. However, certifying compliance with the second and third requirements necessary to establish valid special assessment requires a more analytical examination. As required by F.S. 170.02, and described in the next section entitled "Allocation Methodology," this approach involves identifying and assigning value to specific benefits being conferred upon the various benefitting properties, while confirming the value of these benefits exceed the cost of providing the improvements. These special benefits include, but are not limited to, the added use of the property, added enjoyment of the property, probability of decreased insurance premiums and the probability of increased marketability and value of the property. The Development plan contains a mix of single-family home sites. The method of apportioning benefit to the planned product mix can be related to development density and intensity where it "equates" the estimated benefit conferred to a specific single-family unit type. This is done to implement a fair and equitable method of apportioning benefit.

The second and third requirements are the key elements in defining a valid special assessment. A reasonable estimate of the proportionate special benefits received from the 2023 Project of the CIP is demonstrated in the calculation of an equivalent assessment unit (EAU), further described in the next section.

The determination has been made that the duty to pay the non-ad valorem special assessments is valid based on the special benefits imparted upon the benefitting property. These benefits are derived from the acquisition and/or construction of the District's CIP. The allocation of responsibility for the payment of special assessments, being associated with the special assessment liens encumbering the District as a result of the 2023 Project, has been apportioned according to a reasonable estimate of the special benefits provided, consistent with each land use category. Accordingly, no acre or parcel of property within the boundary of the District will be assessed for the payment of any non-ad valorem special assessment greater than the determined special benefit particular to that property.

Property within the District that currently is not, or upon future development, will not be subject to the special assessments include publicly owned (State/County/City/CDD) tax-exempt parcels such as: lift stations, road rights-of-way, waterway management systems, common areas, and certain lands/amenities owned by the Owner and other community property. To the extent it is later determined that a property no longer qualifies for an exemption, assessments will be apportioned and levied based on an EAU factor proportionate to lot product average front footage.

#### VII. ALLOCATION METHODOLOGY

Table 1 outlines EAUs assigned for residential product types under the current Development plan. If future assessable property is added or product types are contemplated, this Report will be amended to reflect such change.

The method of benefit allocation is based on the special benefit received from infrastructure improvements relative to the benefiting Assessable Property by use and size in comparison to other Assessable Property within the District. According to F.S. 170.02, the methodology by which special assessments are allocated to specifically benefited property must be determined and adopted by the governing body of the District. This alone gives the District latitude in determining

how special assessments will be allocated to specific assessable property. The CIP benefit with respect to the 2023 Project and special assessment allocation rationale is detailed herein and provides a mechanism by which these costs, based on a determination of the estimated level of benefit conferred by the CIP, are apportioned to the Assessable Property within the District for levy and collection. The allocation of benefits and assessments associated with the 2023 Project are demonstrated on Table 3 through Table 4. The Owner may choose to pay down or contribute infrastructure on a portion or all of the long-term assessments as evaluated on a per parcel basis, thereby reducing the annual debt service assessment associated with any series of bonds.

#### VIII. ASSIGNMENT OF ASSESSMENTS

This section sets out the manner in which special assessments will be assigned and to establish a lien on land in accordance with the development rights and entitlements within the District. With regards to the Assessable Property the special assessments are initially assigned to all assessable property within the District on a gross acreage basis over all the lands within the district, until such time parcels are transferred, sold or conveyed to a builder. Upon such sale, the 2023 Special Assessments will be assigned to the parcels. Table 4 illustrates 2023 Special Assessments allocated based upon the current development plan. As property is assigned to such parcels upon their sale, the District's debt will be re-allocated and assigned to platted lots with each parcel. Pursuant to Section 193.0235, Florida Statutes, certain privately or publicly owned "common elements" such as clubhouses, amenities, lakes and common areas for community use and benefit are exempt from non-ad valorem assessments and liens regardless of the private ownership.

It is useful to consider three distinct states or conditions of development within a community. The initial condition is the "undeveloped state". At this point the infrastructure may or may not be installed and none of the units in the Development plan have been platted. This condition exists when the infrastructure program is financed prior to any development. In the undeveloped state all of the lands within the District are assumed to receive benefit from the 2023 Project and all of the Assessable Property would be assessed to repay the Bonds. While the land is in an "undeveloped state," special assessments will be assigned on an equal acre basis across all of the gross acreage within the District. Debt will not be solely assigned to parcels which have development rights, but will and may be assigned to certain undevelopable parcels to ensure integrity of development plans, rights and entitlements.

The second condition is "on-going development". At this point, if not already in place, the installation of infrastructure has begun. Additionally, the Development plan has started to take shape. As undeveloped parcels are sold to home builders, they are assigned specific special assessments in relation to the estimated benefit that each platted unit within the District receives from the 2023 Project, with the balance of the debt assigned on a per gross acre basis as described in the preceding paragraph. Therefore, each fully-developed, platted unit would be assigned a special assessment pursuant to its Product Type classification as set forth in Table 4. If land is sold in bulk to a third party prior to platting, then the District will assign Series 2023 Assessments based upon the development rights conveyed and/or assigned to such parcel in the land sale based on the equivalent assessment unit (EAU) factors set forth in the Assessment Methodology. It

is not contemplated that any unassigned debt would remain once all of the 449 lots associated with the 2023 Project are platted and fully-developed.

The third condition is the "completed development state." In this condition all of the Assessable Property within the Development plan has been platted and the total par value of the Bonds has been assigned as specific assessments to each of the platted lots within the portion of the District representing 639.31 EAUs.

#### <u>i.</u> <u>Priority of 2023 Special Assessments Assignment</u>

The Series 2022 Special Assessments have been fully assigned to 1107.75 EAUS within the initial development phase of the District. The 2023 Special Assessments will be allocated to the first 639.31 EAUS within the Assessable Property associated with either: platted lots or sold parcels. The Series 2023 Special Assessments will be assigned prior to any future bonds or assessments. To the extent additional bonds are issued prior to the Series 2023 Special Assessments being fully assigned to either platted lots or sold property, the Series 2023 Special Assessments will be assigned first.

#### IX. FINANCING INFORMATION

The District will finance a portion of the Series 2023 Project through the issuance of the Bonds secured ultimately by Assessable Properties within the District. A number of items will comprise the bond sizing such as a debt service reserve, issuance costs and rounding as shown on Table 3.

#### X. TRUE-UP MODIFICATION

During the construction period of phases of development, it is possible that the number of residential units built may change, thereby necessitating a modification to the per unit allocation of special assessment principal associated with each parcel. In order to ensure the District's debt does not build up on the unplatted land, the District shall apply the following test as outlined within this "true up methodology."

This mechanism is to be utilized to ensure that the principal assessment per parcel never exceeds the initially allocated assessment as contemplated in the adopted assessment methodology. If such changes occur, the Methodology is applied to each parcel is based on the number of and type of units of each parcel as signified by the number of EAUs.

As each parcel is sold to a builder, the assessments are assigned to such parcels based on the figures in Table 4 of this Second Supplemental Report. If as a result of platting and apportionment of assessment to the platted land within a parcel, the assessment per EAU for the land within such parcel that remains unplatted remains equal, then no true-up adjustment will be necessary within a parcel. If as a result of platting and apportionment of assessment to the platted land, the assessment per EAU for the land that remains unplatted equals to less than (either as a result of a larger number of lots, larger lots or both), the District reserves the right to utilize the surplus EAUs as security for a future, separate debt instrument. Should the District refuse this right, the per EAU assessments for all lots will be lowered (if that state persists at the conclusion of platting of all land in the District).

If, in contrast, as a result of platting and apportionment of assessment to platted land within a parcel, the assessment per EAU for the land that remains unplatted within such parcel equals to more than (either as a result of a smaller number of lots, smaller lots or both), then the difference in assessment will be collected from the owner of the property which platting caused the increase of assessment per EAU to occur, in accordance with the True-Up Agreement, which will be binding on assignees. The owner(s) of a parcel will be required to immediately remit to the Trustee a true-up payment equal to the difference between the actual assessment per EAU and max amount multiplied by the actual number of EAUs developed plus accrued interest to the next succeeding interest payment date on the Bonds, unless such interest payment date occurs within 45 days of such true-up payment, in which case the accrued interest shall be calculated to the following interest payment date.

True-up payment provisions may be suspended if the landowner can demonstrate, to the reasonable satisfaction of the District and the District Manager, that there is sufficient development potential in the remaining acreage within the District (or parcel as applicable) to produce the densities required to adequately service Bond debt. The Landowners and District will enter into a true-up agreement to evidence the obligations described in this Section VIII.

All assessments levied run with the land and it is the responsibility of the District to enforce the true-up provisions and collect any required true-up payments due. The District will not release any liens on property for which true-up payments are due, until provision for such payment has been satisfactorily made.

#### XI. ADDITIONAL STIPULATIONS

Inframark was retained by the District to prepare a methodology to fairly allocate the special assessments related to the District's CIP relating to the 2023 Project. Certain financing, development and engineering data was provided by members of District Staff and/or the Owner. The allocation Methodology described herein was based on information provided by those professionals. Inframark makes no representations regarding said information transactions beyond restatement of the factual information necessary for compilation of this report. For additional information on the Bond structure and related items, please refer to the Offering Statement associated with this transaction.

Inframark does not represent the District as a Municipal Advisor or Securities Broker nor is Inframark registered to provide such services as described in Section 15B of the Securities and Exchange Act of 1934, as amended. - (1) This is an illustration and expectation based upon the Landowners development plan. The unit mix assumes that parcels assigned entitlement rights to develop 449 lots are sold to third parties and assigned assessments. Debt is not assigned pursuant to the AM until land is either platted or sold. If other land in the District is sold or platted prior to the parcels planned for the 449 lots shown herein, then the Series 2023 Assessments will be assigned accordingly to those parcels or lots. The Series 2023 Bonds will be assigned to the first 639.31 EAUS within AA2. This unit mix excludes 19 Villa 42.5' lots in Parcel E which are expected to be assigned the Series 2022 Assessments.
- (2) EAU factors assigned based on Product Type as identified by district engineer and do not reflect front footage of planned lots.
- (3) Any development plan changes will require recalculations pursuant to the true-up provisions within this report.

#### INDEPENDENT AUDITOR'S REPORT

To the Board of Supervisors Two Rivers West Community Development District Pasco County, Florida

#### Report on the Audit of the Financial Statements

#### **Opinions**

We have audited the accompanying financial statements of the governmental activities and each major fund of Two Rivers West Community Development District, Pasco County, Florida ("District") as of and for the period from inception December 7, 2021 to September 30, 2022, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the District, as of September 30, 2022, and the respective changes in financial position thereof for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America

#### Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

#### Responsibilities of Management for the Financial Statements

The District's management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

#### Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to
  fraud or error, and design and perform audit procedures responsive to those risks. Such procedures
  include examining, on a test basis, evidence regarding the amounts and disclosures in the financial
  statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

#### Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### Other Information Included in the Financial Report

Management is responsible for the other information included in the financial report. The other information comprises the information for compliance with FL Statute 218.39 (3) (c), but does not include the financial statements and our auditor's report thereon. Our opinions on the financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

#### Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated August 23, 2023, on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

#### MANAGEMENT'S DISCUSSION AND ANALYSIS

Our discussion and analysis of Two Rivers West Community Development District, Pasco County, Florida ("District") provides a narrative overview of the District's financial activities for the fiscal year ended September 30, 2022. Please read it in conjunction with the District's Independent Auditor's Report, basic financial statements, accompanying notes and supplementary information to the basic financial statements.

This information is being presented to provide additional information regarding the activities of the District and to meet the disclosure requirements of Government Accounting Standards Board Statement ("GASB") No. 34, Basic Financial Statements – and Management's Discussion and Analysis – for State and Local Governments issued June 1999. Comparative information between the current year and the prior year is required to be presented in the Management's Discussion and Analysis ("MD&A"). However, because this is the first year of significant operations of the District, comparative information is excluded in this report. Subsequent reports will include the comparative information.

#### **FINANCIAL HIGHLIGHTS**

- The liabilities of the District exceeded its assets at the close of the most recent fiscal year resulting in a net position deficit balance of (\$408,700).
- The change in the District's total net position in comparison with the prior fiscal year was (\$408,700). The key components of the District's net position and change in net position are reflected in the table in the government-wide financial analysis section.
- At September 30, 2022, the District's governmental funds reported combined ending fund balances of \$4,568,720. The total fund balance is restricted for debt service and capital projects, and the remainder is deficit unassigned fund balance in the general fund.

#### **OVERVIEW OF FINANCIAL STATEMENTS**

This discussion and analysis are intended to serve as the introduction to the District's basic financial statements. The District's basic financial statements are comprised of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

#### **Government-Wide Financial Statements**

The government-wide financial statements are designed to provide readers with a broad overview of the District's finances, in a manner similar to a private-sector business.

The statement of net position presents information on all the District's assets, deferred outflows of resources, liabilities, and deferred inflows of resources with the residual amount being reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the District is improving or deteriorating.

The statement of activities presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods.

The government-wide financial statements include all governmental activities that are principally supported by Developer contributions. The District does not have any business-type activities. The governmental activities of the District include general government (management) and maintenance functions.

#### OVERVIEW OF FINANCIAL STATEMENTS (Continued)

#### **Fund Financial Statements**

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The District, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The District has one fund category, governmental funds.

#### Governmental Funds

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflow of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a District's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the District's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The District maintains three governmental funds for external reporting. Information is presented separately in the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances for the general fund, debt service fund and capital projects fund, all of which are considered major funds.

The District adopts an annual appropriated budget for its general fund. A budgetary comparison schedule has been provided for the general fund to demonstrate compliance with the budget.

#### Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

#### **GOVERNMENT-WIDE FINANCIAL ANALYSIS**

As noted earlier, net position may serve over time as a useful indicator of an entity's financial position. In the case of the District, liabilities exceeded assets at the close of the period from inception December 7, 2021 to September 30, 2022.

Key components of the District's net position are reflected in the following table:

NET POSITION SEPTEMBER 30,

	 2022
Assets, excluding capital assets	\$ 4,875,990
Capital assets, net of depreciation	 6,933,075
Total assets	 11,809,065
Current liabilities	517,765
Long-term liabilities	 11,700,000
Total liabilities	12,217,765
Net Position	 
Net investment in capital assets	(289,651)
Unrestricted	 (119,049)
Total net position	\$ (408,700)

#### GOVERNMENT-WIDE FINANCIAL ANALYSIS (Continued)

The District's net position reflects its investment in capital assets (e.g. land, land improvements, and infrastructure) less any related debt used to acquire those assets that is still outstanding. These assets are used to provide services to residents; consequently, these assets are not available for future spending. Although the District's investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

The majority of the deficit of the District represents the extent to which the cost of operations exceeded program revenues.

Key elements of the change in net position are reflected in the following table:

## CHANGES IN NET POSITION FOR THE PERIOD FROM INCEPTION DECEMBER 7, 2021 TO SEPTEMBER 30.

	,	2022			
Revenues:	•				
Program revenues					
Operating grants and contributions	\$	42,273

Total revenues		69,407			
Expenses:					
General government		38,207			
Bond issuance costs		211,750

Total expenses		478,107			
Change in net position		(408,700)			
Net position - beginning		-			
Net position - ending	\$	(408,700)			

As noted above and in the statement of activities, the cost of all governmental activities for the fiscal year ended September 30, 2022 was \$478,107. The costs of the District's activities were funded by program revenues. Program revenues of the District are comprised primarily of Developer contributions. The District also received funds from investment earnings which are included in program revenues. The majority of the current year expenses is comprised of bond issuance costs and interest expense on debt.

#### GENERAL BUDGETING HIGHLIGHTS

An operating budget was adopted and maintained by the governing board for the District pursuant to the requirements of Florida Statutes. The budget is adopted using the same basis of accounting that is used in preparation of the fund financial statements. The legal level of budgetary control, the level at which expenditures may not exceed budget, is in the aggregate. Any budget amendments that increase the aggregate budgeted appropriations must be approved by the Board of Supervisors. Actual general fund expenditures did not exceed appropriations for the period from inception December 7, 2021 to September 30, 2022.

#### CAPITAL ASSETS AND DEBT ADMINISTRATION

#### Capital Assets

At September 30, 2022, the District had \$6,933,075 invested in capital assets for its governmental activities. No depreciation has been taken as the assets are under construction. More detailed information about the District's capital assets is presented in the notes of the financial statements.

#### Capital Debt

At September 30, 2022, the District had \$11,700,000 in Bond Anticipated Notes outstanding for its governmental activities. More detailed information about the District's capital debt is presented in the notes of the financial statements.

Subsequent to fiscal year end, the District issued \$19,750,000 Series 2022 Bonds (Series 2022 Project), consisting of multiple term bonds with due dates ranging from May 1, 2028 to May 1, 2053 and fixed interest rates ranging from 5.250% to 6.250%. The Bonds were issued to redeem the Series 2022 Bond Anticipated Note and to finance the acquisition and construction of certain improvements for the benefit of the District.

Subsequent to the issuance of the Series 2022 Bonds, the District authorized the issuance of additional bonds.

## TWO RIVERS WEST COMMUNITY DEVELOPMENT DISTRICT PASCO COUNTY, FLORIDA NOTES TO FINANCIAL STATEMENTS

#### NOTE 1 - NATURE OF ORGANIZATION AND REPORTING ENTITY

Two Rivers West Community Development District ("District") was created on December 7, 2021 by Ordinance 2021-41 of the Pasco County, Florida, pursuant to the Uniform Community Development District Act of 1980, otherwise known as Chapter 190, Florida Statutes. The Act provides among other things, the power to manage basic services for community development, power to borrow money and issue bonds, and to levy and assess non-ad valorem assessments for the financing and delivery of capital infrastructure.

The District was established for the purposes of financing and managing the acquisition, construction, maintenance and operation of a portion of the infrastructure necessary for community development within the District.

The District is governed by the Board of Supervisors ("Board"), which is composed of five members. The Supervisors are elected on an at large basis by the owners of the property within the District. Ownership of land within the District entitles the owner to one vote per acre. The Board of Supervisors of the District exercise all powers granted to the District pursuant to Chapter 190, Florida Statutes. At September 30, 2022, all of the Board members are affiliated with EPG-Two Rivers, LLC and affiliates ("Developers").

The Board has the final responsibility for:

- 1. Assessing and levying assessments.
- 2. Approving budgets.
- 3. Exercising control over facilities and properties.
- 4. Controlling the use of funds generated by the District.
- 5. Approving the hiring and firing of key personnel.
- 6. Financing improvements.

The financial statements were prepared in accordance with Governmental Accounting Standards Board ("GASB") Statements. Under the provisions of those standards, the financial reporting entity consists of the primary government, organizations for which the District is considered to be financially accountable and other organizations for which the nature and significance of their relationship with the District are such that, if excluded, the financial statements of the District would be considered incomplete or misleading. There are no entities considered to be component units of the District; therefore, the financial statements include only the operations of the District.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

#### **Government-Wide and Fund Financial Statements**

The basic financial statements include both government-wide and fund financial statements.

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the non-fiduciary activities of the primary government. For the most part, the effect of interfund activity has been removed from these statements.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment is offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. *Program revenues* include 1) charges to customers who purchase, use or directly benefit from goods, services or privileges provided by a given function or segment; operating-type special assessments for maintenance and debt service are treated as charges for services and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Other items not included among program revenues are reported instead as *general revenues*.

#### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Measurement Focus, Basis of Accounting and Financial Statement Presentation

The government-wide financial statements are reported using the *economic resources measurement* focus and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Assessments are recognized as revenues in the year for which they are levied. Grants and similar items are to be recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures are recorded only when payment is due.

#### Assessments

Assessments are non-ad valorem assessments on all platted lots within the District. Assessments are levied each November 1 on property as of the previous January 1 to pay for the operations and maintenance of the District. The fiscal year for which annual assessments are levied begins on October 1 with discounts available for payments through February 28 and become delinquent on April 1. For debt service assessments, amounts collected as advance payments are used to prepay a portion of the Bonds outstanding. Otherwise, assessments are collected annually to provide funds for the debt service on the portion of the Bonds which are not paid with prepaid assessments.

Assessments and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. Only the portion of assessments receivable due within the current fiscal period is considered to be susceptible to accrual as revenue of the current period.

The District was funded with Developer contributions in the current fiscal year.

The District reports the following major governmental funds:

#### General Fund

The general fund is the general operating fund of the District. It is used to account for all financial resources except those required to be accounted for in another fund.

#### Debt Service Fund

The debt service fund is used to account for the accumulation of resources for the annual payment of principal and interest on long-term debt.

#### Capital Projects Fund

This fund accounts for the financial resources to be used for the acquisition or construction of major infrastructure within the District.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements.

When both restricted and unrestricted resources are available for use, it is the District's policy to use restricted resources first for qualifying expenditures, then unrestricted resources as they are needed.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Assets, Liabilities and Net Position or Equity

#### Restricted Assets

These assets represent cash and investments set aside pursuant to Bond covenants or other contractual restrictions.

#### Deposits and Investments

The District's cash and cash equivalents are considered to be cash on hand and demand deposits (interest and non-interest bearing).

The District has elected to proceed under the Alternative Investment Guidelines as set forth in Section 218.415 (17) Florida Statutes. The District may invest any surplus public funds in the following:

- a) The Local Government Surplus Trust Funds, or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act;
- b) Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency;
- c) Interest bearing time deposits or savings accounts in qualified public depositories;
- d) Direct obligations of the U.S. Treasury.

Securities listed in paragraph c and d shall be invested to provide sufficient liquidity to pay obligations as they come due.

The District records all interest revenue related to investment activities in the respective funds. Investments are measured at amortized cost or reported at fair value as required by generally accepted accounting principles.

#### Prepaid Items

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements.

#### Capital Assets

Capital assets which include property, plant and equipment, and infrastructure assets (e.g., roads, sidewalks and similar items) are reported in the government activities columns in the government-wide financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than \$5,000 (amount not rounded) and an estimated useful life in excess of two years. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at acquisition value.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

In the governmental fund financial statements, amounts incurred for the acquisition of capital assets are reported as fund expenditures. No depreciation has been taken in the current fiscal year as the District's infrastructure and other capital assets are under construction.

#### NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Assets, Liabilities and Net Position or Equity (Continued)

#### **Unearned Revenue**

Governmental funds report unearned revenue in connection with resources that have been received, but not yet earned.

#### Long-Term Obligations

In the government-wide financial statements long-term debt and other long-term obligations are reported as liabilities in the statement of net position. Bond premiums and discounts are deferred and amortized ratably over the life of the Bonds. Bonds payable are reported net of applicable premiums or discounts. Bond issuance costs are expensed when incurred.

In the fund financial statements, governmental fund types recognize premiums and discounts, as well as issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

#### <u>Deferred Outflows/Inflows of Resources</u>

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then.

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time.

#### Fund Equity/Net Position

In the fund financial statements, governmental funds report non spendable and restricted fund balance for amounts that are not available for appropriation or are legally restricted by outside parties for use for a specific purpose. Assignments of fund balance represent tentative management plans that are subject to change.

The District can establish limitations on the use of fund balance as follows:

<u>Committed fund balance</u> – Amounts that can be used only for the specific purposes determined by a formal action (resolution) of the Board of Supervisors. Commitments may be changed or lifted only by the Board of Supervisors taking the same formal action (resolution) that imposed the constraint originally. Resources accumulated pursuant to stabilization arrangements sometimes are reported in this category.

Assigned fund balance – Includes spendable fund balance amounts established by the Board of Supervisors that are intended to be used for specific purposes that are neither considered restricted nor committed. The Board may also assign fund balance as it does when appropriating fund balance to cover differences in estimated revenue and appropriations in the subsequent year's appropriated budget. Assignments are generally temporary and normally the same formal action need not be taken to remove the assignment.

The District first uses committed fund balance, followed by assigned fund balance and then unassigned fund balance when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

#### NOTE 2 - SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

#### Assets, Liabilities and Net Position or Equity (Continued)

#### Fund Equity/Net Position (Continued)

Net position is the difference between assets and deferred outflows of resources less liabilities and deferred inflows of resources. Net position in the government-wide financial statements are categorized as net investment in capital assets, restricted or unrestricted. Net investment in capital assets represents net position related to infrastructure and property, plant and equipment. Restricted net position represents the assets restricted by the District's Bond covenants or other contractual restrictions. Unrestricted net position consists of the net position not meeting the definition of either of the other two components.

#### **Other Disclosures**

#### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

#### **NOTE 3 – BUDGETARY INFORMATION**

The District is required to establish a budgetary system and an approved Annual Budget. Annual Budgets are adopted on a basis consistent with generally accepted accounting principles for the general fund. All annual appropriations lapse at fiscal year-end.

The District follows these procedures in establishing the budgetary data reflected in the financial statements.

- Each year the District Manager submits to the District Board a proposed operating budget for the fiscal year commencing the following October 1.
- b) Public hearings are conducted to obtain public comments.
- c) Prior to October 1, the budget is legally adopted by the District Board.
- All budget changes must be approved by the District Board.
- e) The budgets are adopted on a basis consistent with generally accepted accounting principles.
- f) Unused appropriation for annually budgeted funds lapse at the end of the year.

### **NOTE 4 - DEPOSITS AND INVESTMENTS**

#### **Deposits**

The District's cash balances were entirely covered by federal depository insurance or by a collateral pool pledged to the State Treasurer. Florida Statutes Chapter 280, "Florida Security for Public Deposits Act", requires all qualified depositories to deposit with the Treasurer or another banking institution eligible collateral equal to various percentages of the average daily balance for each month of all public deposits in excess of any applicable deposit insurance held. The percentage of eligible collateral (generally, U.S. Governmental and agency securities, state or local government debt, or corporate bonds) to public deposits is dependent upon the depository's financial history and its compliance with Chapter 280. In the event of a failure of a qualified public depository, the remaining public depositories would be responsible for covering any resulting losses.

#### NOTE 4 – DEPOSITS AND INVESTMENTS (Continued)

#### Investments

The District's investments were held as follows at September 30, 2022:

	Am	ortized cost	Credit Risk	Maturities
				Weighted average
First American Government Oblig Fd Cl Y	\$	4,857,540	S&PAAAm	maturity: 18 days
Total Investments	\$	4,857,540		

Credit risk – For investments, credit risk is generally the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. Investment ratings by investment type are included in the preceding summary of investments.

Concentration risk - The District places no limit on the amount the District may invest in any one issuer.

*Interest rate risk* – The District does not have a formal policy that limits investment maturities as a means of managing exposure to fair value losses arising from increasing interest rates.

However, the Bond Indenture limits the type of investments held using unspent proceeds.

Fair Value Measurement – When applicable, the District measures and records its investments using fair value measurement guidelines established in accordance with GASB Statements. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques.

These guidelines recognize a three-tiered fair value hierarchy, in order of highest priority, as follows:

- Level 1: Investments whose values are based on unadjusted quoted prices for identical investments in active markets that the District has the ability to access;
- Level 2: Investments whose inputs other than quoted market prices are observable either directly or indirectly; and,
- Level 3: Investments whose inputs are unobservable.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the entire fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Money market investments that have a maturity at the time of purchase of one year or less and are held by governments other than external investment pools should be measured at amortized cost. Accordingly, the District's investments have been reported at amortized cost above.

#### **NOTE 5 - CAPITAL ASSETS**

#### **NOTE 6 – LONG-TERM LIABILITIES**

On January 13, 2022, the District issued \$11,700,000 of Special Assessment Bond Anticipated Note, Series 2022 (the "BAN"), due January 15, 2023 with a fixed interest rate of 3.00%. The Bonds were issued to finance the acquisition and construction of certain improvements for the benefit of the District. Principal and interest are to be paid in full on January 15, 2023. The Note was redeemed subsequent to year end with the issuance of Special Assessment Bonds, Series 2022 (Series 2022 Project).

The BAN is subject to redemption at the option of the District prior to their maturity. The BAN is subject to extraordinary mandatory redemption prior to its maturity in the manner determined by the BAN Registrar if certain events occurred as outlined in the BAN Indenture.

The BAN Indenture established a debt service reserve requirement as well as other restrictions and requirements relating principally to the use of proceeds to pay for the infrastructure improvements and the procedures to be followed by the District on assessments to property owners. The District agrees to levy special assessments in annual amounts adequate to provide payment of debt service and to meet the reserve requirements. The District was in compliance with the requirements at September 30, 2022.

#### **Long-term Debt Activity**

Changes in long-term liability activity for the period from inception December 7, 2021 to September 30, 2022 were as follows:

	Beg	ginning				Ending	Due Within
	Ba	lance	Additions	Additions Reductions		Balance	One Year

At September 30, 2022, the scheduled debt service requirements on the long-term debt were as follows:

Year ending	 Governmental Activities								
September 30:	Principal		Interest	Total					
2023	\$ 11,700,000	\$	342,225	\$	12,042,225				
Total	\$ 11,700,000	\$	342,225	\$	12,042,225				

#### **NOTE 7 - DEVELOPER TRANSACTIONS**

The Developers have agreed to fund the general operations of the District. In connection with that agreement, Developer contributions to the general fund were \$24,288. In addition, there is a receivable of \$17,655 from the Developer at year end.

In addition, the District reimbursed the Developer \$4,898,185 for construction costs from proceeds of the BAN.

#### **NOTE 8 - CONCENTRATION**

The District's activity is dependent upon the continued involvement of the Developers, the loss of which would have a material adverse effect on the District's operations.

#### **NOTE 9 - MANAGEMENT COMPANY**

The District has contracted with a management company to perform management advisory services, which include financial and accounting services. Certain employees of the management company also serve as officers (Board appointed non-voting positions) of the District. Under the agreement, the District compensates the management company for management, accounting, financial reporting, and other administrative costs.

#### **NOTE 10 - RISK MANAGEMENT**

The District is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. The District has obtained commercial insurance from independent third parties to mitigate the costs of these risks; coverage may not extend to all situations. There were no settled claims since the inception of the District.

#### **NOTE 11 - SUBSEQUENT EVENTS**

#### **Bond Issuance and BAN Payment**

Subsequent to fiscal year end, the District issued \$19,750,000 of Series 2022 Bonds (Series 2022 Project), consisting of multiple term bonds with due dates ranging from May 1, 2028 to May 1, 2053 and fixed interest rates ranging from 5.250% to 6.250%. A portion of the proceeds of the Series 2002 Bonds was used to redeem the District's outstanding BAN; the remaining proceeds will be used to finance the acquisition and construction of certain improvements for the benefit of the District.

# INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Supervisors Two Rivers West Community Development District Pasco County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and each major fund of Two Rivers West Community Development District, Pasco County, Florida ("District") as of and for the period from inception December 7, 2021 to September 30, 2022, and the related notes to the financial statements, which collectively comprise the District's basic financial statements, and have issued our opinion thereon dated August 23, 2023.

#### Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

#### **Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

#### **Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error. We believe that the evidence we obtained is sufficient and appropriate to provide a reasonable basis for our opinion.
