The District, which is the issuer of the Series 2023 Bonds, is a local unit of special purpose government of the State of Florida (the "State"), created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. 2022-18 of the City Council of the City of St. Cloud, Florida (the "City"), adopted on August 11, 2022 (the "Ordinance"). The District was created for the purpose of delivering certain community development services and facilities for the benefit of the District Lands (as hereinafter defined) and has previously determined to undertake, in one or more stages, the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of the District Lands. The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, or equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The District currently contains approximately 385.77 gross acres of land (the "District Lands") located entirely within the City in Osceola County, Florida (the "County") and is being developed into 1,161 residential units (the "Development"). The District Lands are being developed as a portion of a larger planned residential community under the name "Center Lake Ranch" (the "Master Development"), which is planned to contain approximately 3,940 units. The Development is generally located south of Star Line Drive, west of undeveloped lands, north of Harkley Runyan Road and east of South Narcoossee Road.

* Preliminary, subject to change.
Land development for the District Lands is being phased. Assessment Area One contains approximately 234 acres of land which are planned to contain 735 residential units at buildout ("Assessment Area One"). Assessment Area One consists of (i) an approximately 162 acre parcel of land owned by Taylor Morrison of Florida, Inc., a Florida corporation (the "TM Developer"), which is planned to contain 431 residential units at buildout (the "Taylor Morrison Parcel") and (ii) an approximately 72 acre parcel of land owned by M/I Homes of Orlando, LLC, a Florida limited liability company (the "M/I Developer"), which is planned to contain 304 residential units at buildout (the "M/I Homes Parcel"). The remaining approximately 151.5 acres of land which comprise the District are planned to contain 426 residential units at buildout and will be developed in the future. See "THE DEVELOPMENT" herein for more information.

The TM Developer and the M/I Developer (collectively, the "Developers"), are the developers of the lands in Assessment Area One within the District. The TM Developer will be responsible for installing and funding the master infrastructure improvements necessary to develop Assessment Area One and the parcel specific infrastructure improvements necessary to develop the 431 lots planned for the Taylor Morrison Parcel. The M/I Developer will be responsible for installing and funding the parcel specific infrastructure improvements necessary to develop the 304 lots planned for the M/I Homes Parcel. See "THE DEVELOPMENT" and "THE DEVELOPERS" herein for additional information.

The Series 2023 Bonds are being issued pursuant to the Act, Resolution Nos. 2023-25 and 2023-33 adopted by the Board of Supervisors of the District (the "Board") on October 28, 2022 and July 20, 2023, respectively, and a Master Trust Indenture dated as of December 1, 2023 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture dated as of December 1, 2023 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"). All capitalized terms used in this Limited Offering Memorandum that are defined in the Indenture and not defined herein shall have the respective meanings set forth in the Indenture. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" hereto.

The Series 2023 Bonds are equally and ratably secured by the Series 2023 Trust Estate, without preference or priority of one Series 2023 Bond over another. The Series 2023 Pledged Revenues consist of all right, title and interest of the District in, to and under, subject to the terms and conditions of the Indenture, the revenues derived by the District from the Series 2023 Assessments (the "Series 2023 Pledged Revenues") and the Series 2023 Pledged Funds consist of all of the Funds and Accounts (except for the Series 2023 Rebate Account) established under the First Supplemental Indenture (the "Series 2023 Pledged Funds") which together shall constitute the Trust Estate securing the Series 2023 Bonds (the "Series 2023 Trust Estate"). **Extraordinary Mandatory Redemption**

The Series 2023 Bonds are subject to extraordinary mandatory redemption prior to maturity in whole or in part on any Redemption Date at the Redemption Price of one hundred percent (100%) of the principal amount thereof, without premium, together with accrued interest to the Redemption Date, if and to the extent that any one or more of the following shall have occurred:

(i) on or after the Date of Completion of the Assessment Area One Project, by application of moneys transferred from the Series 2023 Acquisition and Construction Account to the Series 2023 Prepayment Subaccount as provided for in the Indenture; or

(ii) from amounts, including Series 2023 Prepayments, required by the Indenture to be deposited into the Series 2023 Prepayment Subaccount; or

(iii) from amounts transferred from the Series 2023 Reserve Account to the Series 2023 Prepayment Subaccount resulting from a reduction in the Series 2023 Reserve Account Requirement as provided for in the Indenture; or

(iv) on the date on which the amount on deposit in the Series 2023 Reserve Account, together with other moneys available therefor, are sufficient to pay and redeem all of the Series 2023 Bonds then Outstanding, including accrued interest thereon.

If less than all of the Series 2023 Bonds shall be called for redemption, the particular Series 2023 Bonds or portions of Series 2023 Bonds to be redeemed shall be selected by lot by the Bond Registrar as provided in the Indenture, or as provided or directed by DTC.

**Notice of Redemption**

Notice of each redemption of Series 2023 Bonds is required to be mailed by the Bond Registrar, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the date of redemption to each registered Owner of Series 2023 Bonds to be redeemed at the address of such registered Owner recorded on the bond register maintained by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2023 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2023 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2023 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Series 2023 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositaries and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Pursuant to the Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.
Purchase of Series 2023 Bonds

Subject to the provisions of the Indenture, the District may purchase the Series 2023 Bonds in the open market at a price no higher than the highest Redemption Price (including premium) for the Series 2023 Bond to be so purchased with any funds legally available therefor and any such Series 2023 Bonds so purchased shall be credited to the amounts otherwise required to be deposited for the payment of the Series 2023 Bonds as provided in the Indenture. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE."

Book-Entry Only System

THE INFORMATION IN THIS CAPTION CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM DTC AND NEITHER THE DISTRICT NOR THE UNDERWRITER MAKES ANY REPRESENTATION OR WARRANTY OR TAKES ANY RESPONSIBILITY FOR THE ACCURACY OR COMPLETENESS OF SUCH INFORMATION.

DTC will act as securities depository for the Series 2023 Bonds. The Series 2023 Bonds will be issued as fully-registered bonds registered in the name of Cede & Co. (DTC's partnership nominee), or such other name as may be requested by an authorized representative of DTC. One fully-registered bond certificate will be issued for each maturity of the Series 2023 Bonds and will be deposited with DTC. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants (the "Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (the "Indirect Participants"). DTC has a Standard and Poor's rating of AA+. The DTC rules applicable to its Participants are on file with the Securities and Exchange Commission (the "SEC"). More information about DTC can be found at www.dtcc.com.

Purchases of the Series 2023 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for such Series 2023 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2023 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2023 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of the Beneficial Owners. Beneficial Owners will not receive
certificates representing their ownership interests in the Series 2023 Bonds, except in the event that use of the book-entry system for the Series 2023 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2023 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2023 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2023 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2023 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping an account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements made among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Series 2023 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2023 Bonds, as the case may be, to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2023 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2023 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Series 2023 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the District or the Registrar on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Registrar or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent for the Series 2023 Bonds. Disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of the Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2023 Bonds at any time by giving reasonable notice to the District. Under such circumstances, in the event that a successor securities depository is not obtained, Series 2023 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2023 Bond certificates will be printed and delivered to DTC.
SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS

General

The Series 2023 Bonds are equally and ratably secured by the Series 2023 Trust Estate, without preference or priority of one Series 2023 Bond over another. The Series 2023 Trust Estate consists of all right, title and interest of the District in, to and under, subject to the terms and conditions of the Indenture, the revenues derived by the District from the Series 2023 Assessments (the "Series 2023 Pledged Revenues") and the Funds and Accounts (except for the Series 2023 Rebate Account) established under the First Supplemental Indenture (the "Series 2023 Pledged Funds") which shall constitute the Trust Estate securing the Series 2023 Bonds (the “Series 2023 Trust Estate”). The "Series 2023 Assessments” are the non-ad valorem special assessments imposed, levied and collected by the District in accordance with the Series 2023 Assessment Proceedings. The Series 2023 Bonds will be secured by the Series 2023 Assessments levied on certain assessable land within Assessment Area One within the District.

Non-ad valorem assessments are not based on millage and are not taxes, but can become a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The Series 2023 Assessments will constitute a lien against the land as to which the Series 2023 Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

Covenant to Levy the Series 2023 Assessments

The District will covenant in the Indenture to comply with the terms of the Series 2023 Assessment Proceedings heretofore adopted with respect to the Series 2023 Assessments, including the Assessment Methodology (as defined herein), and to levy Series 2023 Assessments and collect any required true-up payments set forth in the Assessment Methodology in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2023 Bonds when due.

If any Series 2023 Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2023 Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2023 Assessment when it might have done so, the District has additionally covenanted to either (i) take all necessary steps to cause a new Series 2023 Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (ii) in its sole
discretion, make up the amount of such Series 2023 Assessment from legally available moneys, which moneys shall be deposited into the Series 2023 Revenue Account. See "BONDOWNERS' RISKS" herein. In case any such subsequent Series 2023 Assessment shall also be annulled, the District shall obtain and make other Series 2023 Assessments until a valid Series 2023 Assessment shall be made.

Prepayment of Series 2023 Assessments

Pursuant to the Series 2023 Assessment Proceedings, an owner of property subject to the Series 2023 Assessments may pay all at any time, or a portion up to two times, of the principal balance of such Series 2023 Assessments remaining due at any time if there is also paid an amount equal to the interest that would otherwise be due on such balance on the next succeeding Interest Payment Date for the Series 2023 Bonds, or, if prepaid during the forty-five (45) day period preceding such Interest Payment Date, on the second succeeding Interest Payment Date. See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

Pursuant to the Act, an owner of property subject to the levy of Series 2023 Assessments may pay the entire balance of the Series 2023 Assessments remaining due, without interest, within thirty (30) days after the Assessment Area One Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the Assessment Area One Project pursuant to Chapter 170.09, Florida Statutes. The Developers, as the sole owners of the property within Assessment Area One, will covenant to waive this right with respect to the property they own in Assessment Area One within the District in connection with the issuance of the Series 2023 Bonds pursuant to Declarations of Consent. Such declarations will be recorded in the public records of the County, and the covenants contained therein will be binding on their successors in interest. See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

Limitation on Issuance of Additional Obligations

Pursuant to the First Supplemental Indenture, other than Refunding Bonds issued to refund the then Outstanding Series 2023 Bonds, the issuance of which results in net present value Debt Service savings, the District shall not, while any Series 2023 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the Series 2023 Trust Estate. The District will further covenant and agree that so long as the Series 2023 Assessments have not been Substantially Absorbed, it will not issue Bonds or other debt obligations secured by Assessments on any lands subject to the Series 2023 Assessments without the written consent of the Majority Owners. Notwithstanding the immediately preceding sentence, the District may impose Assessments on property subject to the Series 2023 Assessments which are necessary for health, safety or welfare reasons, or to remediate a natural disaster, or to effect repairs to or replacement of property, facilities or equipment of the District without the consent of the Majority Owners. "Substantially Absorbed" is defined in the First Supplemental Indenture to mean the date on which the principal amount of the Series 2023 Assessments equaling seventy-five percent (75%) of the then Outstanding principal amount of the Series 2023 Bonds is levied on tax parcels within Assessment Area One with respect to which a certificate of occupancy has been issued for a structure thereon and are owned by end users, as certified by an Authorized Officer and upon which the Trustee may conclusively rely.

The District and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2023 Assessments without the consent of the Owners of the Series
2023 Bonds. The District is expected to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2023 Assessments, on the same lands upon which the Series 2023 Assessments are imposed, to fund the maintenance and operation of the District. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" and "BONDOWNERS’ RISKS" herein.

**Series 2023 Acquisition and Construction Account**

Pursuant to the First Supplemental Indenture, there is established within the Acquisition and Construction Fund held by the Trustee a Series 2023 Acquisition and Construction Account. Amounts on deposit in the Series 2023 Acquisition and Construction Account shall be applied to pay Costs of the Assessment Area One Project upon compliance with the requisition provisions set forth in the Master Indenture and in the form attached to the First Supplemental Indenture. The Trustee shall have no duty to verify that any requested disbursement from the Series 2023 Acquisition and Construction Account is for a Cost of the Assessment Area One Project. The Consulting Engineer shall establish a Date of Completion for the Assessment Area One Project, and any balance remaining in the Series 2023 Acquisition and Construction Account after such Date of Completion (taking into account the moneys then on deposit therein to pay any accrued but unpaid Costs of the Assessment Area One Project which are required to be reserved in the Series 2023 Acquisition and Construction Account in accordance with the certificate of the Consulting Engineer delivered to the District and the Trustee establishing such Date of Completion), shall be transferred to the Series 2023 Prepayment Subaccount and applied to the extraordinary mandatory redemption of the Series 2023 Bonds in accordance with the First Supplemental Indenture and in the manner prescribed in the form of Series 2023 Bond attached as an exhibit to the First Supplemental Indenture. Notwithstanding the foregoing, the District shall not establish a Date of Completion until after the Reserve Account Release Conditions have been satisfied and moneys have been transferred from the Series 2023 Reserve Account to the Series 2023 Acquisition and Construction Account as a result of such satisfaction pursuant to the First Supplemental Indenture. At such time as there are no amounts on deposit in the Series 2023 Acquisition and Construction Account, such Account shall be closed.

In accordance with the provisions of the Indenture, the Series 2023 Bonds are payable solely from the Series 2023 Pledged Revenues and the Series 2023 Pledged Funds held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the District acknowledges that (i) the Series 2023 Pledged Funds includes, without limitation, all amounts on deposit in the Series 2023 Acquisition and Construction Account then held by the Trustee, (ii) upon the occurrence of an Event of Default with respect to the Series 2023 Bonds, the Series 2023 Pledged Funds may not be used by the District (whether to pay Costs of the Assessment Area One Project or otherwise) without the consent of the Majority Owners, except to the extent that prior to the occurrence of the Event of Default the District had incurred a binding obligation with third parties for work on the Assessment Area One Project and payment is for such work, and (iii) upon the occurrence of an Event of Default with respect to the Series 2023 Bonds, the Series 2023 Pledged Funds may be used by the Trustee, at the direction or with the approval of the Majority Owners, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The District shall not enter into any binding agreement with respect to the Assessment Area One Project that will cause the expenditure of additional funds from the Series 2023 Trust Estate after the occurrence and during the continuance of an Event of Default unless authorized in writing by the Majority Owners.

**Series 2023 Reserve Account**

The First Supplemental Indenture establishes a Series 2023 Reserve Account within the Reserve Fund for the Series 2023 Bonds, which shall be held for the benefit of all of the Series 2023 Bonds, without distinction as to Series 2023 Bonds and without privilege or priority of one Series 2023 Bond over another.
The Series 2023 Reserve Account shall be funded and maintained at all times in an amount equal to the Series 2023 Reserve Account Requirement. "Series 2023 Reserve Account Requirement" is defined in the First Supplemental Indenture to mean an amount equal to fifty percent (50%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2023 Bonds, as of the time of any such calculation, until such time as the Reserve Account Release Conditions are met, at which time and thereafter, Series 2023 Reserve Account Requirement shall mean an amount equal to ten percent (10%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2023 Bonds, as of the time of any such calculation. On the date of initial issuance of the Series 2023 Bonds, the Series 2023 Reserve Account Requirement shall be $________.

"Reserve Account Release Conditions" shall mean, collectively, that (a) all homes within Assessment Area One have been built and have received a certificate of occupancy, (b) all of the principal portion of the Series 2023 Assessments has been assigned to such homes, (c) all Series 2023 Assessments are being collected pursuant to the Uniform Method, and (d) there are no Events of Default occurring or continuing under the Master Indenture. The District Manager shall provide a written certification to the District and the Trustee certifying that the events in clauses (a) through (d) have occurred, on which certifications the Trustee may conclusively rely.

Except as otherwise provided in the Indenture, amounts on deposit in the Series 2023 Reserve Account shall be used only for the purpose of making payments into the Series 2023 Interest Account and the Series 2023 Sinking Fund Account to pay Debt Service on the Series 2023 Bonds, when due, without distinction as to Series 2023 Bonds and without privilege or priority of one Series 2023 Bond over another, to the extent the moneys on deposit in such Accounts available therefor are insufficient and for no other purpose. The Series 2023 Reserve Account shall consist only of cash and Series 2023 Investment Obligations.

Anything in the Indenture to the contrary notwithstanding, on the forty-fifth (45th) day preceding each Quarterly Redemption Date (or, if such forty-fifth (45th) day is not a Business Day, on the first Business Day preceding such forty-fifth (45th) day), the Trustee is authorized and directed to recalculate the Series 2023 Reserve Account Requirement. Following such recalculation, the Trustee shall promptly notify the District of such excess on deposit in the Series 2023 Reserve Account whereupon the District shall direct the Trustee in writing to transfer such excess on deposit in the Series 2023 Reserve Account (a) resulting from Prepayments of Series 2023 Assessments into the Series 2023 Prepayment Subaccount and applied as a credit against the Prepayment otherwise required to be made by the owner of such lot or parcel subject to such Prepayment and thereafter applied to the extraordinary mandatory redemption of the Series 2023 Bonds, (b) resulting from a reduction of the Series 2023 Reserve Account Requirement as the result of the Reserve Account Release Conditions being met into the Series 2023 Acquisition and Construction Account and used for the purposes of such Account, or (c) resulting from investment earnings as provided in the First Supplemental Indenture.

On the earliest date on which there is on deposit in the Series 2023 Reserve Account sufficient moneys, after taking into account other moneys available therefor, to pay and redeem all of the Outstanding Series 2023 Bonds, together with accrued interest and redemption premium, if any, on such Series 2023 Bonds to the earliest Redemption Date permitted therein and in the First Supplemental Indenture, then the Trustee shall transfer the amount on deposit in the Series 2023 Reserve Account into the Series 2023 Prepayment Subaccount to pay and redeem all of the Outstanding Series 2023 Bonds on the earliest Redemption Date permitted for redemption therein and in the First Supplemental Indenture.

Anything in the Indenture to the contrary notwithstanding, amounts on deposit in the Series 2023 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first
charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

**Deposit and Application of the Series 2023 Pledged Revenues**

Pursuant to the First Supplemental Indenture, the Trustee is authorized and directed to deposit any and all amounts required to be deposited in the Series 2023 Revenue Account by the Indenture, and any other amounts or payments specifically designated by the District pursuant to a written direction or by a Supplemental Indenture for said purpose. The Series 2023 Revenue Account shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee.

The Trustee shall deposit into the Series 2023 Revenue Account (i) Series 2023 Assessment Revenues other than Series 2023 Prepayments (which Series 2023 Prepayments shall be identified by the District to the Trustee as such in writing upon deposit, upon which certification the Trustee may conclusively rely, and which shall be deposited into the Series 2023 Prepayment Subaccount), (ii) Series 2023 Prepayment Interest, and (iii) any other revenues required by other provisions of the Indenture to be deposited into the Series 2023 Revenue Account.

On the forty-fifth (45th) day preceding each Quarterly Redemption Date (or if such forty-fifth (45th) day is not a Business Day, on the Business Day preceding such forty-fifth (45th) day), the Trustee shall determine the amount on deposit in the Series 2023 Prepayment Subaccount and, if the balance therein is greater than zero, shall, upon written direction from the District, transfer from the Series 2023 Revenue Account for deposit into the Series 2023 Prepayment Subaccount an amount sufficient to increase the amount on deposit therein to the nearest integral multiple of $5,000 (provided that there are sufficient funds remaining in the Series 2023 Revenue Account to pay Debt Service coming due on the Series 2023 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2023 Bonds on the next succeeding Redemption Date in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2023 Prepayment Subaccount in accordance with the provisions for extraordinary mandatory redemption of the Series 2023 Bonds set forth in the form of Series 2023 Bonds attached to the First Supplemental Indenture and the provisions of the Indenture.

On May 1 and November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall first transfer from the Series 2023 Capitalized Interest Account to the Series 2023 Interest Account the lesser of (x) the amount of interest coming due on the Series 2023 Bonds on such May 1 or November 1, less the amount already on deposit in the Series 2023 Interest Account, or (y) the amount remaining in the Series 2023 Capitalized Interest Account. Following the foregoing transfer, on such May 1 or November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall then transfer amounts on deposit in the Series 2023 Revenue Account to the Accounts designated below in the following amounts and in the following order of priority:

FIRST, to the Series 2023 Interest Account, the amount, if any, equal to the difference between the amount of interest payable on all Series 2023 Bonds then Outstanding on such May 1 or November 1, and (i) the amount transferred from the Series 2023 Capitalized Interest Account in accordance with Section 408(d) of the First Supplemental Indenture and (ii) the amount already on deposit in the Series 2023 Interest Account not previously credited;

SECOND, on May 1, 20[____] and on each May 1 thereafter, to the Series 2023 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series
2023 Bonds subject to mandatory sinking fund redemption on such May 1 and the amount already on deposit in the Series 2023 Sinking Fund Account not previously credited;

THIRD, to the Series 2023 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2023 Reserve Account Requirement with respect to the Series 2023 Bonds; and

FOURTH, the balance shall first be deposited into the Series 2023 Costs of Issuance Account to fund any deficiencies in the amount allocated to pay the costs of issuance relating to the Series 2023 Bonds, and then the balance shall be retained in the Series 2023 Revenue Account.

On any date required by the Arbitrage Certificate, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the Series 2023 Revenue Account to the Series 2023 Rebate Account the amount due and owing to the United States, which amount shall be paid to the United States when due in accordance with such Arbitrage Certificate.

Investments

Anything in the Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security for the Series 2023 Bonds shall be invested only in Series 2023 Investment Obligations. Earnings on investments in the Series 2023 Acquisition and Construction Account, the Series 2023 Interest Account and the Series 2023 Capitalized Interest Account shall be retained, as realized, in such Accounts and used for the purpose of such Accounts. Earnings on investments in the Funds and Accounts other than the Series 2023 Reserve Account, and other than as set forth above, shall be deposited, as realized, to the credit of the Series 2023 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2023 Reserve Account shall be disposed of as follows:

(i) if there was no deficiency (as defined in the Master Indenture) in the Series 2023 Reserve Account as of the most recent date on which amounts on deposit in the Series 2023 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2023 Reserve Account since such date which have created a deficiency, then earnings on investments in the Series 2023 Reserve Account shall be deposited into the Series 2023 Capitalized Interest Account through May 1, 2024, and thereafter shall be deposited into the Series 2023 Revenue Account and used for the purpose of such Account; or

(ii) if there was a deficiency (as defined in the Master Indenture) in the Series 2023 Reserve Account as of the most recent date on which amounts on deposit in the Series 2023 Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series 2023 Reserve Account and have created such a deficiency, then earnings on investments in the Series 2023 Reserve Account shall be retained in the Series 2023 Reserve Account until the amount on deposit therein is equal to the Series 2023 Reserve Account Requirement, and then earnings on investments in the Series 2023 Reserve Account shall be deposited into the Series 2023 Capitalized Interest Account through May 1, 2024, and thereafter shall be deposited into the Series 2023 Revenue Account and used for the purpose of such Account.

The foregoing determination and disbursement shall be made prior to any recalculation and transfer of excess amounts on deposit in the Series 2023 Reserve Account made pursuant to the First Supplemental Indenture.
Provisions Relating to Bankruptcy or Insolvency of Landowner

The following provisions of the Master Indenture shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel, or tax parcels which are in the aggregate, subject to at least five percent (5%) of the Series 2023 Assessments pledged to the Series 2023 Bonds then Outstanding (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding").

The District will acknowledge and agree in the Indenture that, although the Series 2023 Bonds were issued by the District, the Owners of the Series 2023 Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer:

(a) the District will agree that it shall make a reasonable attempt to timely seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the Series 2023 Bonds then Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2023 Assessments relating to the Series 2023 Bonds then Outstanding, the Series 2023 Bonds then Outstanding or any rights of the Trustee under the Indenture (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Series 2023 Bonds then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee of a written request for consent);

(b) the District will agree that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2023 Assessments relating to the Series 2023 Bonds then Outstanding, the Series 2023 Bonds then Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee;

(c) the District will agree that it shall make a reasonable attempt to timely seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Series 2023 Bonds then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee of a written request for consent);

(d) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the Series 2023 Assessments relating to the Series 2023 Bonds then Outstanding would have the right to pursue and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Series 2023 Assessments relating to the Series 2023 Bonds then Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and
the District shall not challenge the validity or amount of any claim submitted in good faith by the Trustee in such Proceeding or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceeding, which is adverse to the Trustee's enforcement of the District's claim and rights with respect to the Series 2023 Assessments relating to the Series 2023 Bonds then Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District will agree that the Trustee shall have the right to (i) file a proof of claim with respect to the Series 2023 Assessments pledged to the Series 2023 Bonds then Outstanding, (ii) deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) defend any objection filed to said proof of claim.

The District will acknowledge and agree in the Indenture that it shall not be a defense to a breach of the foregoing covenants that it has acted on advice of counsel in not complying with the foregoing covenants.

Nothing in the Master Indenture shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for Operation and Maintenance Assessments, and the District shall be free to pursue such a claim for Operation and Maintenance Assessments in such manner as it shall deem appropriate in its sole and absolute discretion; provided, however, that such claim shall not seek to reduce the amount or receipt of Series 2023 Assessments. Any actions taken by the District in pursuance of its claim for Operation and Maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Series 2023 Assessments relating to the Series 2023 Bonds then Outstanding whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (d) above.

**Events of Default and Certain Remedies upon an Event of Default**

The Master Indenture provides that each of the following shall be an "Event of Default" under the Indenture with respect to the Series 2023 Bonds, but no other Series of Bonds unless otherwise provided in the Supplemental Indenture relating to such Series:

(a) any payment of Debt Service on the Series 2023 Bonds is not made when due;

(b) the District shall for any reason be rendered incapable of fulfilling its obligations under the Indenture;

(c) the District admits in writing its inability to pay its debts generally as they become due, or files a petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver or trustee for itself or for the whole or any part of the Assessment Area One Project;

(d) the District is adjudged insolvent by a court of competent jurisdiction, or is adjudged bankrupt on a petition in bankruptcy filed against the District, or an order, judgment or decree be entered by any court of competent jurisdiction appointing, without the consent of the District, a receiver or trustee of the District or of the whole or any part of its property and if the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within ninety (90) days from the date of entry thereof;

(e) the District shall file a petition or answer seeking reorganization or any arrangement under the federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof;
under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the District's assets or any part thereof, and such custody or control shall not be terminated within ninety (90) days from the date of assumption of such custody or control;

any portion of the Series 2023 Assessments shall have become Delinquent Assessments and, as the result thereof, the Indenture provides for the Trustee to withdraw funds in an amount greater than twenty-five percent (25%) of the amount on deposit in the Series 2023 Reserve Account to pay Debt Service on the Series 2023 Bonds (regardless of whether the Trustee does or does not, per the direction of the Majority Owners, actually withdraw such funds from the Series 2023 Reserve Account to pay Debt Service on the Series 2023 Bonds);

the District shall default in the due and punctual performance of any of the material covenants, conditions, agreements and provisions contained in the Series 2023 Bonds or in the Indenture on the part of the District to be performed (other than a default in the payment of Debt Service on the Series 2023 Bonds when due, which is an Event of Default under subsection (a) above) and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the District by the Trustee or, if the Trustee is unwilling or unable to act, by Owners of not less than ten percent (10%) in aggregate principal amount of the Series 2023 Bonds then Outstanding and affected by such default; and

more than twenty percent (20%) of the Operation and Maintenance Assessments levied by the District on tax parcels subject to the Series 2023 Assessments are not paid by the date such are due and payable.

No Series of Bonds issued under the Master Indenture are subject to acceleration unless the Assessments securing such Bonds have been accelerated. Upon the happening and continuance of any Event of Default specified above with respect to the Series 2023 Bonds, the Trustee may protect and enforce the rights of the Owners of the Series 2023 Bonds under State law, and under the Indenture and the Series 2023 Bonds, by such proceedings in equity or at law, either for the specific performance of any covenant or agreement contained in the Master Indenture or in aid or execution of any power in the Indenture granted or for the enforcement of any proper legal or equitable remedy, as the Trustee shall deem most effectual to protect and enforce such rights.

The Majority Owners of the Series 2023 Bonds then Outstanding shall, subject to the requirements of the Master Indenture, have the right, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings by the Trustee under the Master Indenture, provided that such directions shall not be in conflict with any rule of law or the Master Indenture and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unduly prejudicial to the rights of the Owners of such Series 2023 Bonds not parties to such direction or would subject the Trustee to personal liability or expense. Notwithstanding the foregoing, the Trustee shall have the right to select and retain legal counsel of its choosing to represent it in any such proceedings. The Trustee may take any other action which is not inconsistent with any direction under this paragraph.

No Owner of such Series 2023 Bonds shall have any right to pursue any other remedy under the Master Indenture or such Series 2023 Bonds unless: (a) an Event of Default shall have occurred and is continuing; (b) the Majority Owners of the Series 2023 Bonds then Outstanding have requested the Trustee, in writing, to exercise the powers granted in the Master Indenture or to pursue such remedy in its or their name or names; (c) the Trustee has been offered indemnity satisfactory to it against costs, expenses and liabilities reasonably anticipated to be incurred; (d) the Trustee has declined to comply with such request,
or has failed to do so, within sixty (60) days after its receipt of such written request and offer of indemnity; and (e) no direction inconsistent with such request has been given to the Trustee during such sixty (60) day period by the Majority Owners of the Series 2023 Bonds then Outstanding. The exercise of such rights is further subject to the provisions of the Master Indenture. No Owner or Owners of such Series 2023 Bonds shall have any right in any manner whatsoever to enforce any right under the Master Indenture, except in the manner provided in the Master Indenture.

The District will covenant and agree in the Master Indenture that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, the provisions for the foreclosure of liens of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, and will take such other appropriate remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Owners, from time to time, of the Series 2023 Bonds. Notwithstanding anything to the contrary in the Master Indenture, and unless otherwise directed by the Majority Owners of the Series 2023 Bonds and allowed pursuant to federal or State law, the District acknowledges and agrees that (y) upon failure of any property owner to pay an installment of Assessments collected directly by the District when due, that the entire Assessment on the tax parcel as to which such Delinquent Assessment appertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the District shall promptly, but in any event within 120 days, cause to be brought the necessary legal proceedings for the foreclosure of liens of Delinquent Assessments, including interest and penalties with respect to such tax parcel and (z) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" attached hereto for more information.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2023 Bonds is the collection of the Series 2023 Assessments imposed on certain lands in Assessment Area One of the District that are specially benefited by the Assessment Area One Project pursuant to the Series 2023 Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX E: ASSESSMENT METHODOLOGY REPORT" attached hereto.

The imposition, levy, and collection of Series 2023 Assessments must be done in compliance with the procedural requirements and guidelines provided by State law. Failure by the District, the Osceola County Tax Collector (the "Tax Collector") or the Osceola County Property Appraiser (the "Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, the Series 2023 Assessments during any year. Such delays in the collection of the Series 2023 Assessments would have a material adverse effect on the ability of the District to make full or punctual payment of Debt Service on the Series 2023 Bonds. See "BONDEES' RISKS." To the extent that landowners fail to pay the Series 2023 Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2023 Bonds. For the Series 2023 Assessments to be valid, the Series 2023 Assessments must meet two requirements: (1) the benefit from the Assessment Area One Project to the lands subject to the Series 2023 Assessments must exceed or equal the amount of the Series 2023 Assessments, and (2) the Series 2023 Assessments must be fairly and reasonably allocated across all such benefitted properties.

Pursuant to the Act, and the Series 2023 Assessment Proceedings, the District may collect the Series 2023 Assessments through a variety of methods. See "BONDEEES' RISKS." The Series 2023 Assessments levied on platted lots are expected to be added to the County tax roll and collected pursuant to the Uniform Method. For unplatted lands (and platted lots for the initial tax year), the District is expected to directly issue annual bills to the landowners requiring payment of the Series 2023 Assessments, and will enforce that bill through foreclosure proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" and "APPENDIX E: ASSESSMENT METHODOLOGY REPORT." The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing & Foreclosure Procedure

As noted above, and pursuant to Chapters 170 and 190 of the Florida Statutes, the District may directly levy, collect and enforce the Series 2023 Assessments. In this context, Section 170.10 of the Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2023 Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.
Enforcement of the obligation to pay the Series 2023 Assessments and the ability to foreclose the lien of such Series 2023 Assessments upon the failure to pay such Series 2023 Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2023 Assessments. See "BONDOWNERS’ RISKS.”

**Uniform Method Procedure**

Subject to certain conditions, and for developed lands (as described above), the District may alternatively elect to collect the Series 2023 Assessments using the Uniform Method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2023 Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2023 Assessments will be collected together with City, County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a “tax notice”) issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such Taxes and Assessments – including the Series 2023 Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2023 Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by State law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2023 Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2023 Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of Debt Service on the Series 2023 Bonds.

Under the Uniform Method, if the Series 2023 Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2023 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2023 Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2023 Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Series 2023 Assessment Proceedings to discharge the lien of the Series 2023 Assessments and all other liens that are coequal therewith.
Collection of delinquent Series 2023 Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2023 Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2023 Assessments), interest, costs and charges on the real property described in the certificate.

Unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees, any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued, and at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at $5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying
for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear. If the property is purchased for an amount in excess of the statutory bid of the certificate holder, but such excess is not sufficient to pay all governmental liens of record, the excess shall be paid to each governmental unit pro rata.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County Commission that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2023 Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2023 Assessments, which are the primary source of payment of the Series 2023 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDOWNERS' RISKS."

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described in other sections of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2023 Bonds offered hereby and are set forth below. Prospective investors in the Series 2023 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2023 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This section does not purport to summarize all risks that may be associated with purchasing or owning the Series 2023 Bonds, and
prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2023 Bonds.

**Concentration of Land Ownership**

As of the date hereof, the Developers own all of the assessable lands within Assessment Area One, which are the lands that will be subject to the Series 2023 Assessments securing the Series 2023 Bonds. Payment of the Series 2023 Assessments is primarily dependent upon their timely payment by the Developers and the other future landowners in Assessment Area One. Non-payment of the Series 2023 Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay Debt Service on the Series 2023 Bonds. See "THE DEVELOPERS" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS" herein.

**Bankruptcy and Related Risks**

In the event of the institution of bankruptcy or similar proceedings with respect to the Developers or any other owner of benefited property, delays could occur in the payment of Debt Service on the Series 2023 Bonds, as such bankruptcy could negatively impact the ability of: (i) the Developers and any other landowner to pay the Series 2023 Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2023 Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2023 Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2023 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2023 Bonds, including, without limitation, enforcement of the obligation to pay Series 2023 Assessments and the ability of the District to foreclose the lien of the Series 2023 Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2023 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2023 Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Master Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an "Insolvent Taxpayer" (as previously defined). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Provisions Relating to Bankruptcy or Insolvency of Landowner" herein. The District cannot express any view whether such delegation would be enforceable.
Series 2023 Assessments Are Non-Recourse

The principal security for the payment of the principal and interest on the Series 2023 Bonds is the timely collection of the Series 2023 Assessments. The Series 2023 Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Developers or subsequent landowners will be able to pay the Series 2023 Assessments or that they will pay such Series 2023 Assessments even though financially able to do so. Neither the Developers nor any other subsequent landowners have any personal obligation to pay the Series 2023 Assessments. Neither the Developers nor any subsequent landowners are guarantors of payment of any Series 2023 Assessments, and the recourse for the failure of the Developers or any subsequent landowner to pay the Series 2023 Assessments is limited to the collection proceedings against the land subject to such unpaid Series 2023 Assessments, as described herein. Therefore the likelihood of collection of the Series 2023 Assessments may ultimately depend on the market value of the land subject to the Series 2023 Assessments. While the ability of the Developers or subsequent landowners to pay the Series 2023 Assessments is a relevant factor, the willingness of the Developers or subsequent landowners to pay the Series 2023 Assessments, which may also be affected by the value of the land subject to the Series 2023 Assessments, is also an important factor in the collection of Series 2023 Assessments. The failure of the Developers or subsequent landowners to pay the Series 2023 Assessments could render the District unable to collect delinquent Series 2023 Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of Debt Service on the Series 2023 Bonds.

Regulatory and Environmental Risks

The development of the District Lands is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals" herein for more information.

The value of the land within the District, the success of the Development, the development of Assessment Area One and the likelihood of timely payment of principal and interest on the Series 2023 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Series 2023 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" for information on environmental site assessments obtained or received. Such information is being provided solely for informational purposes, and nothing herein or in such assessments grants any legal rights or remedies in favor of the Series 2023 Bondholders in the event any recognized environmental conditions are later found to be present on District Lands. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the lands in Assessment Area One.
The value of the lands subject to the Series 2023 Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2023 Bonds. The Series 2023 Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

**Economic Conditions and Changes in Development Plans**

The successful development of Assessment Area One and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developers. Moreover, the Developers have the right to modify or change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

**Other Taxes and Assessments**

The willingness and/or ability of an owner of benefited land to pay the Series 2023 Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2023 Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2023 Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See “THE DEVELOPMENT – Taxes, Fees and Assessments” herein for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2023 Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2023 Assessment, even though the landowner is not contesting the amount of the Series 2023 Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

**Limited Secondary Market for Series 2023 Bonds**

The Series 2023 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2023 Bonds in the event an Owner thereof determines to solicit purchasers for the Series 2023 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2023 Bonds may be sold. Such price may be lower than that
paid by the current Owners of the Series 2023 Bonds, depending on the progress of development of the Development and the lands within Assessment Area One, as applicable, existing real estate and financial market conditions and other factors.

**Inadequacy of Reserve Account**

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Series 2023 Assessments, may not adversely affect the timely payment of Debt Service on the Series 2023 Bonds because of the Series 2023 Reserve Account. The ability of the Series 2023 Reserve Account to fund deficiencies caused by delinquencies in the Series 2023 Assessments is dependent on the amount, duration and frequency of such deficiencies. Moneys on deposit in the Series 2023 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in the Series 2023 Reserve Account to make up deficiencies. If the District has difficulty in collecting the Series 2023 Assessments, the Series 2023 Reserve Account would be rapidly depleted and the ability of the District to pay Debt Service on the Series 2023 Bonds could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2023 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2023 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2023 Assessments in order to provide for the replenishment of the Series 2023 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Series 2023 Reserve Account" herein for more information about the Series 2023 Reserve Account.

**Legal Delays**

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2023 Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the Series 2023 Bonds to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Internal Revenue Code of 1986, as amended (the "Code"), there are limitations on the amounts of proceeds from the Series 2023 Bonds that can be used for such purpose.

**IRS Examination and Audit Risk**

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated
June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations required that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by the landowners and none were elected by qualified electors. Further, there can be no assurance that an audit by the IRS of the Series 2023 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Series 2023 Bonds are advised that, if the IRS does audit the Series 2023 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2023 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of
the Series 2023 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2023 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2023 Bonds would adversely affect the availability of any secondary market for the Series 2023 Bonds. Should interest on the Series 2023 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2023 Bonds be required to pay income taxes on the interest received on such Series 2023 Bonds and related penalties, but because the interest rate on such Series 2023 Bonds will not be adequate to compensate Owners of the Series 2023 Bonds for the income taxes due on such interest, the value of the Series 2023 Bonds may decline.

Loss of Exemption from Securities Registration

The Series 2023 Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for securities issued by political subdivisions. It is possible that federal or state regulatory authorities could in the future determine that the District is not a political subdivision for purposes of federal and state securities laws, including without limitation as the result of a determination by the IRS, judicial or otherwise, of the District's status for purposes of the Code. In such event, the District and purchasers of Series 2023 Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Series 2023 Bonds would need to ensure that subsequent transfers of the Series 2023 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

Federal Tax Reform

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2023 Bonds, by eliminating or changing the tax-exempt status of interest on such bonds. Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2023 Bonds cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2023 Bonds. Prospective purchasers of the Series 2023 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS" herein.
State Tax Reform

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renewed requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2023 Bonds. It should be noted that Section 190.16(14) of the Act provides in pertinent part that "The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the … assessments… and to fulfill the terms of any agreement made with the holders of such bonds … and that it will not impair the rights or remedies of such holders."

Insufficient Resources or Other Factors Causing Failure to Complete Development

The cost to finish the Assessment Area One Project and the development of Assessment Area One will exceed the net proceeds from the Series 2023 Bonds. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the Assessment Area One Project and the development of Assessment Area One, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the Assessment Area One Project. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Limitation on Issuance of Additional Obligations" for more information.

Although the TM Developer will enter into a completion agreement at closing on the Series 2023 Bonds whereby it will agree to fund the completion of the Master Improvements and the Taylor Morrison Neighborhood Improvements (each as hereinafter defined) and the M/I Developer will enter into a completion agreement at closing on the Series 2023 Bonds whereby it will agree to fund the completion of the M/I Homes Neighborhood Improvements (as hereinafter defined), there can be no assurance that the Developers will have sufficient resources to do so. Such obligations of each of the Developers is an unsecured obligation. See "THE DEVELOPERS" herein for more information.

There are no assurances that the Assessment Area One Project and any other remaining development work associated with Assessment Area One will be completed. Further, there is a possibility that, even if Assessment Area One is developed, the Developers may not construct and sell homes in Assessment Area One.

Pandemics and Other Public Health Emergencies

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Developers, the timely and successful completion of the Development, including without limitation Assessment Area One, and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain
delays, or increased costs. See also "Economic Conditions and Changes in Development Plans" and "Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of Debt Service on the Series 2023 Bonds.

Prepayment and Redemption Risk

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2023 Bonds are subject to extraordinary mandatory redemption, including, without limitation, as a result of prepayments of the Series 2023 Assessments by the Developers or subsequent owners of the property within Assessment Area One. Any such redemptions of the Series 2023 Bonds would be at the principal amount of such Series 2023 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2023 Bonds may not realize their anticipated rate of return on the Series 2023 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2023 Bonds. See "DESCRIPTION OF THE SERIES 2023 BONDS – Redemption Provisions," "– Purchase of Series 2023 Bonds" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Prepayment of Series 2023 Assessments" herein for more information.

Payment of Series 2023 Assessments after Bank Foreclosure

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2023 Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

GENERAL INFORMATION

THE DISTRICT

The District, which is the issuer of the Series 2023 Bonds, is a local unit of special purpose government of the State, created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. 2022-18 of the City Council of the City of St. Cloud, Florida (the "City"), adopted on August 11, 2022 (the "Ordinance"). The District encompasses approximately 385.77 gross acres that are located within the City. The District is generally located south of Star Line Drive, west of undeveloped lands, north of Harkley Runyan Road and east of South Narcoossee Road.

LEGAL POWERS AND AUTHORITY

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter.

Among other provisions, the Act gives the District's Board of Supervisors the authority to, among other things, (a) finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems, facilities, and basic infrastructure for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; (iv) conservation areas, mitigation areas, and wildlife habitat; (v) any other project, facility, or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District; and (vi) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses, and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessment liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits. These functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any bondholders to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2023 Bonds.
Board of Supervisors

The Act provides that a five-member Board of Supervisors (the "Board") serves as the governing body of the District. Members of the Board (the "Supervisors") must be residents of the State and citizens of the United States. Initially, the Supervisors were appointed in the Ordinance. Within 90 days after formation of the District, an election was held pursuant to which new Supervisors were elected on an at-large basis by the owners of the property within the District. Ownership of land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number). A Supervisor serves until expiration of his or her term and until his or her successor is chosen and qualified. If, during a term of office, a vacancy occurs, the remaining Supervisors may fill the vacancy by an appointment of an interim Supervisor for the remainder of the unexpired term.

At the initial election held within 90 days after formation of the District, the landowners in the District elected two Supervisors to four-year terms and three Supervisors to two-year terms. Thereafter, the elections take place every two years, with the first such election being held on the first Tuesday in November and subsequent elections being held on a date in November established by the Board. Upon the later of six years after the initial appointment of Supervisors and the year when the District next attains at least 250 qualified electors, Supervisors whose terms are expiring will begin to be elected (as their terms expire) by qualified electors of the District. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, each elected to four-year terms. The seat of the remaining Supervisor whose term is expiring at such election shall be filled by a Supervisor who is elected by the landowners for a four-year term and who is not required to be a qualified elector. Thereafter, as terms expire, all Supervisors must be qualified electors and must be elected by qualified electors to serve staggered four-year terms.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be qualified electors and be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under the State's open meeting or "Sunshine" law.
The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Wrathell, Hunt & Associates, LLC, Boca Raton, Florida, to serve as its district manager ("District Manager"). The District Manager's office is located at 2300 Glades Rd., Ste. #410W, Boca Raton, Florida 33431.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Nabors, Giblin & Nickerson, P.A., Tampa, Florida, as Bond Counsel; Poulos & Bennett, LLC, Orlando, Florida, as District Engineer; and Kutak Rock LLP, Tallahassee, Florida, as District Counsel. The Board has also retained Wrathell, Hunt & Associates, LLC, to serve as Methodology Consultant for the Series 2023 Bonds.

No Outstanding Bond Indebtedness

The District has not previously issued any bonds or other similar debt obligations.

THE CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA ONE PROJECT

General

Poulos & Bennett, LLC (the "District Engineer") prepared a report entitled First Supplemental Engineer's Report (Assessment Area One) dated November 2023 (the "Supplemental Engineer's Report"), which sets forth certain public infrastructure improvements associated with the development of Assessment Area One. Land development for the District Lands is being phased. Assessment Area One contains approximately 234 acres of land which are planned to contain 735 residential units at buildout ("Assessment Area One"). Assessment Area One consists of (i) an approximately 162 acre parcel of land owned by Taylor Morrison of Florida, Inc., a Florida corporation (the "TM Developer") which is planned to contain 431 residential units at buildout (the "Taylor Morrison Parcel") and (ii) an approximately 72 acre parcel of land owned by M/I Homes of Orlando, LLC, a Florida limited liability company (the "M/I Developer") which is planned to contain 304 residential units at buildout (the "M/I Homes Parcel"). The remaining approximately 151.5 acres of land which comprise the District are planned to contain 426 residential units at buildout and will be developed in the future.

The Supplemental Engineer's Report sets forth certain costs necessary to develop the 735 lots planned for Assessment Area One, which costs are broken out between (i) certain master infrastructure improvements necessary to develop Assessment Area One (the "Master Improvements"), (ii) the parcel specific infrastructure improvements necessary to develop the 431 lots planned for the Taylor Morrison Parcel (the "Taylor Morrison Neighborhood Improvements"), and (iii) the parcel specific infrastructure improvements necessary to develop the 304 lots planned for the M/I Homes Parcel (the "M/I Homes Neighborhood Improvements" and collectively, the "Assessment Area One Project"). The TM Developer will be responsible for installing and funding the Master Improvements and the Taylor Morrison Neighborhood Improvements. The M/I Developer will be responsible for installing and funding the M/I Homes Neighborhood Improvements. The Supplemental Engineer's Report estimates the total cost of the Assessment Area One Project to be approximately $74,280,293, as more particularly described below.

Installation of the Taylor Morrison Neighborhood Improvements, which will be sub-phased, commenced in July 2023 with completion expected by November 2024. Installation of the M/I Homes Neighborhood Improvements commenced in May 2023 with completion expected by April 2024. See "APPENDIX A: SUPPLEMENTAL ENGINEER’S REPORT" for more information regarding the Assessment Area One Project.
The TM Developer estimates the total estimated costs to develop the master infrastructure and neighborhood infrastructure for Assessment Area One to be approximately $114.0 million comprised of the following: (i) $48.6 million for master and offsite infrastructure to support Assessment Area One, (ii) $51.1 million for the Taylor Morrison Parcel, and (iii) $14.3 million for the M/I Homes Parcel.

As of October 31, 2023, the TM Developer has spent approximately $23.7 million on the master and offsite infrastructure to support Assessment Area One and approximately $4.5 million on the Taylor Morrison Parcel, and the M/I Developer has spent approximately $8.2 million on the M/I Parcel. The net proceeds of the Series 2023 Bonds will finance construction and/or acquisition of portions of the Assessment Area One Project from the TM Developer in the amount of approximately $11.9 million*.

The TM Developer will enter into a completion agreement at closing on the Series 2023 Bonds whereby it will agree to fund the completion of the Master Improvements and the Taylor Morrison Neighborhood Improvements. The M/I Developer will enter into a completion agreement at closing on the Series 2023 Bonds whereby it will agree to fund the completion of the M/I Homes Neighborhood Improvements. ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS

Wrathell, Hunt & Associates, LLC, Boca Raton, Florida (the "Methodology Consultant"), has prepared the Master Special Assessment Methodology Report for Assessment Area One dated June 28, 2023 (the "Master Assessment Methodology"), as supplemented by the Preliminary First Supplemental Special Assessment Methodology Report for Assessment Area One dated November 16, 2023, included herein as APPENDIX E (the "Supplemental Assessment Methodology" and together with the Master Assessment Methodology, the "Assessment Methodology"). The Assessment Methodology sets forth an overall method for allocating the Series 2023 Assessments to be levied against the lands within the District benefited by the Assessment Area One Project and collected by the District as a result thereof. Once the final terms of the Series 2023 Bonds are determined, the Supplemental Assessment Methodology will be revised to reflect such final terms. Once levied and imposed, the Series 2023 Assessments are a first lien on the assessable lands within Assessment Area One within the District against which they are assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District, including the operation and maintenance assessments, and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

The Series 2023 Bonds are payable from and secured by a pledge of the Series 2023 Trust Estate, which consist primarily of the revenues received by the District from the Series 2023 Assessments levied on the assessed lands within Assessment Area One. Assessment Area One consists of approximately 234 gross acres planned for 735 residential units. The District will initially impose approximately 62% of the Series 2023 Assessments across all of the lands within the Taylor Morrison Parcel in Assessment Area One and approximately 38% of the Series 2023 Assessments across all of the lands within the M/I Homes Parcel in Assessment Area One, each on an equal per acre basis. As lots are platted, the Series 2023 Assessments assigned to the Taylor Morrison Parcel and the M/I Homes Parcel will be assigned to platted lots in each of the Taylor Morrison Parcel and the M/I Homes Parcel, respectively, on a first platted, first assigned basis. See "APPENDIX E: ASSESSMENT METHODOLOGY REPORT" attached hereto for more information. Upon platting of Assessment Area One, the Series 2023 Assessments levied and allocated to platted units to pay Debt Service on the Series 2023 Bonds and the Series 2023 Bond par per unit are expected to be as follows:

* Preliminary, subject to change. Series 2023 Assessment levels shown above include early payment discounts and County collection fees.
The District anticipates levying assessments to cover its operation and administrative costs that are initially expected to average approximately $108 per residential unit annually, but such amount is subject to change. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate applicable to lands within the Development in 2022 was approximately 18.0215 mills. These taxes would be payable in addition to the Series 2023 Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County, and the School District of Osceola County, Florida may each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in 2022. See "BONDOWNERS' RISKS" and "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information, including proposed homeowners associations' assessments.
The information appearing below under the captions "THE DEVELOPMENT" and "THE DEVELOPERS" has been furnished by the Developers for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by Bond Counsel, the District or its counsel, or the Underwriter or its counsel, and no persons other than the Developers make any representation or warranty as to the accuracy or completeness of such information supplied by them. The following information is provided by the Developers as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. The Developers are not guaranteeing payment of the Series 2023 Bonds or the Series 2023 Assessments.

THE DEVELOPMENT

Overview

The District consists of approximately 385.77 gross acres (collectively, the "District Lands"), located in the City of St. Cloud (the "City") within Osceola County, Florida (the "County") and is being developed into 1,161 residential units (the "Development"). The District Lands are being developed as a portion of a larger planned residential community under the name "Center Lake Ranch" (the "Master Development"). The Master Development contains approximately 2,000 acres (including wetlands and conservation areas) planned for up to 3,940 residential units, and associated commercial uses. The Development is located south of Starline Drive, west of undeveloped lands, north of Harkley Runyan Road, and east of South Narcoossee Road. The Development is located 2.5 miles north of US Highway 192, which provides access to the Florida Turnpike. The Orlando International Airport is located approximately 17 miles to the north.
Land development for the District Lands is being phased. Assessment Area One contains approximately 234.3 acres of land which are planned to contain 735 residential units at buildout ("Assessment Area One"). Assessment Area One consists of (i) an approximately 161.95 acre parcel of land owned by Taylor Morrison of Florida, Inc., a Florida corporation (the "TM Developer") which is planned to contain 431 residential units at buildout (the "Taylor Morrison Parcel") and (ii) an approximately 72.35 acre parcel of land owned by M/I Homes of Orlando, LLC, a Florida limited liability company (the "M/I Developer") which is planned to contain 304 residential units at buildout (the "M/I Homes Parcel"). The remaining approximately 151.47 acres of land in the District are planned for an additional 426 residential units. TM Developer owns approximately 92.35 of these acres with the remaining approximately 59.12 acres in the District (along with the remaining acreage in the Master Development) owned by Center Lake Properties LLLP (the "Master Developer"). It is anticipated that such additional developable lands within the Development and Master Development will be developed in the future.

The Supplemental Engineer's Report sets forth certain costs necessary to develop the 735 lots planned for Assessment Area One, which costs are broken out between (i) certain master infrastructure improvements necessary to develop Assessment Area One (the "Master Improvements"), (ii) the parcel specific infrastructure improvements necessary to develop the 431 lots planned for the Taylor Morrison Parcel (the "Taylor Morrison Neighborhood Improvements"), and (iii) the parcel specific infrastructure improvements necessary to develop the 304 lots planned for the M/I Homes Parcel (the "M/I Homes Neighborhood Improvements" and collectively, the "Assessment Area One Project"). The TM Developer is installing the Master Improvements for Assessment Area One and the Taylor Morrison Neighborhood Improvements within the Taylor Morrison Parcel and then expected to construct and market homes for sale. The M/I Developer is installing the M/I Homes Neighborhood Improvements within the M/I Homes Parcel and then expected to construct and market homes for sale. See "Development Plan and Status" herein for more information.

The District anticipates issuing additional bonds in the future in order to finance a portion of the public infrastructure improvements associated with the remaining 426 units planned for the District which are outside of Assessment Area One. Such bonds will be secured by lands which are separate and distinct from the land securing the Series 2023 Bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2023 BONDS – Limitation on Issuance of Additional Obligations" herein for more information.

The Development is expected to contain various residential units including townhomes, villas, and single-family homes of varying lot widths. There are 10 different product lines expected to be offered by the two Builders. Attached products in Assessment Area One are expected to range in size from approximately 1,533 square feet to approximately 1,833 square feet, with price points starting from approximately $375,000 to approximately $400,000. Detached products in Assessment Area One are expected to range in size from approximately 1,803 square feet to approximately 4,400 square feet, with price points starting from approximately $446,000 to approximately $550,000. Assessment Area One will contain both age-restricted and production communities, and target customers for units within Assessment Area One are first-time homebuyers, move-up buyers, retirees and empty-nesters. See "Residential Product Offerings" herein.

**Land Acquisition and Development Finance Plan**

The TM Developer acquired approximately 254.3 acres, which includes the approximately 161.95 acre Taylor Morrison Parcel, on May 3, 2022 for approximately $31,350,400. The TM Developer land basis in the Taylor Morrison Parcel in Assessment Area One is approximately $17.8 million. The balance of the Taylor Morrison Parcel, outside of Assessment Area One, is subject to a seller mortgage in the aggregate outstanding principal amount of approximately $13.5 million.
The M/I Developer acquired approximately 72 acres of the M/I Homes Parcel on June 15, 2022 for an aggregate purchase price of $9,221,000.

The TM Developer estimates the total estimated costs to develop the master infrastructure and neighborhood infrastructure for Assessment Area One to be approximately $114.0 million comprised of the following: (i) $48.6 million for master and offsite infrastructure to support Assessment Area One, (ii) $51.1 million for the Taylor Morrison Parcel, and (iii) $14.3 million for the M/I Homes Parcel. As of October 31, 2023, the TM Developer has spent approximately $23.7 million on the master and offsite infrastructure to support Assessment Area One and approximately $4.5 million on the Taylor Morrison Parcel, and the M/I Developer has spent approximately $8.2 million on the M/I Parcel.

The net proceeds of the Series 2023 Bonds will finance construction and/or acquisition of portions of the Assessment Area One Project from the TM Developer in the amount of approximately $11.9 million*. The TM Developer will enter into a completion agreement at closing on the Series 2023 Bonds whereby it will agree to fund the completion of the Master Improvements for Assessment Area One and the Taylor Morrison Neighborhood Improvements. The M/I Developer will enter into a completion agreement at closing on the Series 2023 Bonds whereby it will agree to fund the completion of the M/I Homes Neighborhood Improvements. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

**Development Plan and Status**

Installation of the Master Improvements commenced in June 2022 and is expected to be completed by April 2024.

Installation of the Taylor Morrison Neighborhood Improvements, which will be sub-phased, commenced in July 2023 with completion expected by November 2024. A plat for the 431 lots planned for the Taylor Morrison Parcel is expected to be recorded by December 2023. Closings with homebuyers within the initial phases of the Taylor Morrison Parcel are anticipated to commence by July 2024.

Installation of the M/I Homes Neighborhood Improvements commenced in May 2023 with completion expected by April 2024, at which point the M/I Developer will commence marketing and vertical construction. A plat for the 304 lots planned for the M/I Homes Parcel is expected to be recorded by February 2024. Closings with homebuyers within the M/I Homes Parcel are anticipated to commence by November 2024.

The Developers anticipates that approximately 360 homes (across all 10 product lines) within Assessment Area One will close with purchasers per annum until buildout. These anticipated absorption rates are based upon estimates and assumptions made by the Developers that are inherently uncertain, though considered reasonable by the Developers, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developers. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

* Preliminary, subject to change.

Development Approvals

The District Lands are part of an approved future land use designation of Mixed Use Development and an approved Mixed Use District Conceptual Master Plan. All major permits and approvals for the development of Assessment Area One have been received. The District Engineer has certified that all permits and approvals for Assessment Area One by jurisdictional agencies to allow for the development contemplated herein have been received or are expected to be received in the ordinary course. See "BONDOWNERS' RISKS – Regulatory and Environmental Risks" herein and "APPENDIX A: SUPPLEMENTAL ENGINEER'S REPORT" hereto.

Pursuant to the City's land development code and a Tri-Party Development Agreement by and among the County, City and the Master Developer, both Center Lake Ranch Boulevard and Twelve Oaks Road have to be completed and transferred to the County pursuant to deed or plat as a condition precedent to the issuance of any certificates of occupancy for homes in the District. The District has temporary construction easements to complete the construction of such roads owned by the Master Developer and both roadway projects (roads and stormwater) are subject to payment and performance bonds in favor of the County pursuant to the County's land development code. The City, TOHO Water Authority, and the County have issued all offsite permits for construction of Center Lake Ranch Boulevard, Twelve Oaks Road, the master utilities, and the stormwater management infrastructure along these roads.

Additional offsite improvements need to be completed pursuant to the development approvals and agreements associated with Center Lake Ranch; however, such offsite improvements are included in the District's Capital Improvement Plan. All required permits associated with such improvements have either been received or are reasonably expected to be received in the ordinary course.
Environmental

Multiple Phase I Environmental Site Assessments were performed on the District Lands, including Assessment Area One, over a period from February 2021 through July 2023 (collectively, the "Phase I ESA"). The Phase I ESA identified one historically recognized environmental condition in Assessment Area One. The property historically maintained one 1,000 gallon above ground storage ("AST") tank containing vehicular diesel. A discharge was reported in May 2003 when the AST was being removed. The cleanup was completed by 2008 and a site rehabilitation completion order was issued by the Florida Department of Environmental Protection. Based on the completed clean up status, the site does not appear as a recognized environmental condition at this time; however, it is considered a historical recognized environmental condition. See "BONDOWNERS' RISKS – Regulatory and Environmental Risks" herein for more information.

Amenities

The amenity plan for the District consists of three amenities – two serving the planned production units and one serving the active adult Esplanade community exclusively. The amenities will be constructed in phases. The District will not fund the amenities described herein.

The production homes portion of the Taylor Morrison Parcel will contain a cabana building with bathrooms and a resort style pool (collectively, the "TM Amenity"). Construction of the TM Amenity is expected to commence in 2025 with completion expected by 2026 at a total approximate cost of $2.1 million.

The active adult Esplanade portion of the Taylor Morrison Parcel is expected to contain a clubhouse with fitness equipment, resort style pool, pickleball courts, bocce ball court, fire pit area, dog park, and a National Wildlife Federation Monarch Garden (collectively, the "Esplanade Amenity"). Construction of the Esplanade Amenity is expected to commence in 2025 with completion expected by 2026 at a total approximate cost of $3.6 million.

The M/I Homes Parcel will contain an 870 square foot cabana with bathrooms and a resort style pool (collectively, the "M/I Amenity"). Construction of the M/I Amenity is expected to commence in January 2024 with completion expected by May 2024 at a total approximate cost of $750,000.

Utilities

Toho Water Authority will provide water and sewer service to the lands in Assessment Area One. Orlando Utilities Commission will provide electrical service to the lands in Assessment Area One. See "APPENDIX A: SUPPLEMENTAL ENGINEER'S REPORT" attached hereto for more information regarding the ownership and maintenance of utilities within the District.

Taxes, Fees and Assessments

The Series 2023 Bonds are payable from and secured by a pledge of the Series 2023 Trust Estate, which consist primarily of the revenues received by the District from the Series 2023 Assessments levied on the assessed lands within Assessment Area One. Assessment Area One consists of approximately 234.3 gross acres planned for 735 residential units. The District will initially impose approximately 62% of the Series 2023 Assessments across all of the lands within the Taylor Morrison Parcel in Assessment Area One and approximately 38% of the Series 2023 Assessments across all of the lands within the M/I Homes Parcel in Assessment Area One, each on an equal per acre basis. As lots are platted, the Series 2023 Assessments assigned to the Taylor Morrison Parcel and the M/I Homes Parcel will be assigned to platted lots in each of
the Taylor Morrison Parcel and the M/I Homes Parcel, respectively, on a first platted, first assigned basis. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information. Upon platting of Assessment Area One, the Series 2023 Assessments levied and allocated to platted units to pay Debt Service on the Series 2023 Bonds and the Series 2023 Bond par per unit are expected to be as follows:

* Preliminary, subject to change. Series 2023 Assessment levels shown above include early payment discounts and County collection fees.

The District anticipates levying assessments to cover its operation and administrative costs that are initially expected to average approximately $108 per residential unit annually, but such amount is subject to change. In addition, residents will be required to pay homeowners' association fees which are currently estimated to range from $756 to $4,092 per residential lot annually, which amounts are subject to change. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate applicable to lands within the District in 2022 was approximately 18.0215 mills. These taxes would be payable in addition to the Series 2023 Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County, and the School District of Osceola County, Florida may each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in 2022.

**Public Schools**

School age residents in the Development are expected to attend Narcoossee Elementary School, Narcoossee Middle School and Harmony High School, which are located approximately 4.5 miles, 4.5 miles and 8 miles away from the Development, respectively, and received grades of B, B, and B, respectively from the State in 2022. The Osceola County School Board may change school boundaries from time to time, and there is no requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.
Competition

The Development is expected to compete with projects in the northern portion of the County market generally, which include Del Webb Sunbridge, Live Oak Lake, Split Oak Reserve, and Wiregrass. The foregoing does not purport to summarize all of the existing or planned communities in the area of the Development.

Developer Agreements

The TM Developer will enter into a completion agreement at closing on the Series 2023 Bonds whereby it will agree to fund the completion of the Master Improvements and the Taylor Morrison Neighborhood Improvements. The M/I Developer will enter into a completion agreement at closing on the Series 2023 Bonds whereby it will agree to fund the completion of the M/I Homes Neighborhood Improvements. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

In addition, each of the Developers will execute and deliver to the District Collateral Assignment and Assumption of Development Rights (the "Collateral Assignments") for their respective Parcels, pursuant to which each Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by each Developer, development rights relating to their related portion of the Assessment Area One Project. In addition, any mortgagees may have certain development rights and other rights assigned to it under the terms of their mortgage which may be superior to such rights that might otherwise be assigned to the District under the terms of the Collateral Assignment. Notwithstanding such Collateral Assignments, in the event the District forecloses on the lands subject to the Series 2023 Assessments as a result of a Developer's or subsequent landowners' failure to pay such assessments, there is a risk that the District, or its designee, will not have all permits and entitlements necessary to complete the Assessment Area One Project or the development of Assessment Area One.

Finally, each of the Developers will also enter into a True-Up Agreement in connection with their respective obligations to pay true-up payments in the event that debt levels remaining on unplatted lands in Assessment Area One increase above the maximum debt levels set forth in the Assessment Methodology. See "APPENDIX E: ASSESSMENT METHODOLOGY REPORT" herein for additional information regarding the "true-up mechanism."

Such obligations of the Developers are unsecured obligations. See "THE DEVELOPERS" herein for more information regarding the Developers.

Neither the Developers nor any of the other entities listed above are guaranteeing payment of the Series 2023 Bonds or the Series 2023 Assessments. None of the entities listed herein, other than the Developers, has entered into any agreements in connection with the issuance of the Series 2023 Bonds.

TAX MATTERS

Opinion of Bond Counsel

In the opinion of Bond Counsel, the form of which is attached hereto as APPENDIX C, the interest on the Series 2023 Bonds is excludable from gross income of the owners thereof for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax under existing statutes, regulations, rulings and court decisions; provided, however, with respect to certain corporations, interest on the Series 2023 Bonds is taken into account in determining the annual adjusted financial statement income for the purpose of computing the alternative minimum tax imposed on such corporations for tax years beginning after December 31, 2022. Failure by the District to comply subsequent to the issuance of the Series 2023 Bonds with certain requirements of the Internal Revenue Code of 1986, as amended (as previously defined, the "Code"), including but not limited to requirements regarding the use, expenditure and investment of Series 2023 Bond proceeds and the timely payment of certain investment earnings to the Treasury of the United States, may cause interest on the Series 2023 Bonds to become includable in gross income for federal income tax purposes retroactive to their date of issuance. The District has covenanted to comply with all provisions of the Code necessary to, among other things, maintain the exclusion from gross income of interest on the Series 2023 Bonds for purposes of federal income taxation. In rendering its opinion, Bond Counsel has assumed continuing compliance with such covenants.

Internal Revenue Code of 1986

The Code contains a number of provisions that apply to the Series 2023 Bonds, including, among other things, restrictions relating to the use or investment of the proceeds of the Series 2023 Bonds and the payment of certain arbitrage earnings in excess of the "yield" on the Series 2023 Bonds to the Treasury of the United States. Noncompliance with such provisions may result in interest on the Series 2023 Bonds being included in gross income for federal income tax purposes retroactive to their date of issuance.
Collateral Tax Consequences

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of, the Series 2023 Bonds. Prospective purchasers of the Series 2023 Bonds should be aware that the ownership of the Series 2023 Bonds may result in other collateral federal tax consequences. For example, ownership of the Series 2023 Bonds may result in collateral tax consequences to various types of corporations relating to (1) denial of interest deduction to purchase or carry such Series 2023 Bonds, (2) the branch profits tax, and (3) the inclusion of interest on the Series 2023 Bonds in passive income for certain Subchapter S corporations. In addition, the interest on the Series 2023 Bonds may be included in gross income by recipients of certain Social Security and Railroad Retirement benefits.

PURCHASE, OWNERSHIP, SALE OR DISPOSITION OF THE SERIES 2023 BONDS AND THE RECEIPT OR ACCRUAL OF THE INTEREST THEREON MAY HAVE ADVERSE FEDERAL TAX CONSEQUENCES FOR CERTAIN INDIVIDUAL AND CORPORATE BONDHOLDERS, INCLUDING, BUT NOT LIMITED TO, THE CONSEQUENCES REFERRED TO ABOVE. PROSPECTIVE SERIES 2023 BONDHOLDERS SHOULD CONSULT WITH THEIR TAX ADVISORS FOR INFORMATION IN THAT REGARD.

Florida Taxes

In the opinion of Bond Counsel, the Series 2023 Bonds and interest thereon are exempt from taxation under the laws of the State of Florida, except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations, as defined in said Chapter 220.

Other Tax Matters

Interest on the Series 2023 Bonds may be subject to state or local income taxation under applicable state or local laws in other jurisdictions. Purchasers of the Series 2023 Bonds should consult their tax advisors as to the income tax status of interest on the Series 2023 Bonds in their particular state or local jurisdictions.

The Inflation Reduction Act, H.R. 5376 (the "IRA"), was passed by both houses of the U.S. Congress and was signed by the President on August 16, 2022. As enacted, the IRA includes a 15 percent alternative minimum tax to be imposed on the "adjusted financial statement income", as defined in the IRA, of certain corporations for tax years beginning after December 31, 2022. Interest on the Series 2023 Bonds will be included in the "adjusted financial statement income" of such corporations for purposes of computing the corporate alternative minimum tax. Prospective purchasers that could be subject to this minimum tax should consult with their own tax advisors regarding the potential tax consequences of owning the Series 2023 Bonds.

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2023 Bonds. In some cases these proposals have contained provisions that altered these consequences on a retroactive basis. Such alterations of federal tax consequences may have affected the market value of obligations similar to the Series 2023 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2023 Bonds and their market value. No assurance can be given that additional legislative proposals will not be introduced or enacted that would or might apply to, or have an adverse effect upon, the Series 2023 Bonds.
On February 23, 2016, the Internal Revenue Service issued a notice of proposed rulemaking (the "Proposed Regulations") and notice of public hearing containing proposed regulations that provided guidance regarding the definition of political subdivision for purposes of the rules for tax-exempt bonds, including determinations of entities that are valid issuers of tax-exempt bonds. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." The Proposed Regulations were officially withdrawn on October 20, 2017. See also "BONDOWNERS' RISKS – IRS Examination and Audit Risk" herein.

Original Issue Discount

Certain of the Series 2023 Bonds (the "Discount Bonds") may be offered and sold to the public at an original issue discount, which is the excess of the principal amount of the Discount Bonds over the initial offering price to the public, excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers, at which price a substantial amount of the Discount Bonds of the same maturity was sold. Original issue discount represents interest which is excluded from gross income for federal income tax purposes to the same extent as interest on the Discount Bonds. Original issue discount will accrue over the term of a Discount Bond at a constant interest rate compounded semi-annually. An initial purchaser who acquires a Discount Bond at the initial offering price thereof to the public will be treated as receiving an amount of interest excludable from gross income for federal income tax purposes equal to the original issue discount accruing during the period such purchaser holds such Discount Bond and will increase its adjusted basis in such Discount Bond by the amount of such accruing discount for purposes of determining taxable gain or loss on the sale or other disposition of such Discount Bond. The federal income tax consequences of the purchase, ownership and prepayment, sale or other disposition of Discount Bonds which are not purchased in the initial offering price may be determined according to rules which differ from those above. Owners of Discount Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of interest accrued upon sale, prepayment or other disposition of such Discount Bonds and with respect to the state and local tax consequences of owning and disposing of such Discount Bonds.

Bond Premium

Certain of the Series 2023 Bonds (the "Premium Bonds") may be offered and sold to the public at a price in excess of the principal amount of such Premium Bond, which excess constitutes an initial purchaser amortizable bond premium which is not deductible from gross income for federal income tax purposes. The amount of amortizable bond premium for a taxable year is determined actuarially on a constant interest rate basis over the term of the Premium Bonds which term ends on the earlier of the maturity or call date for each Premium Bond which minimizes the yield on said Premium Bonds to the purchaser. For purposes of determining gain or loss on the sale or other disposition of a Premium Bond, an initial purchaser who acquires such obligation in the initial offering to the public at the initial offering price is required to decrease such purchaser's adjusted basis in such Premium Bond annually by the amount of amortizable bond premium for the taxable year. The amortization of bond premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Premium Bonds. The federal income tax consequences of the purchase, ownership and sale or other disposition of Premium Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those described above. Owners of the Premium Bonds are advised that they should consult with their own advisors with respect to the state and local tax consequences of owning such Premium Bonds.
AGREEMENT BY THE STATE

Under the Act, the State pledges to the holders of any bonds issued thereunder, including the Series 2023 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that the Series 2023 Bonds are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of State law, the Series 2023 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes and the rules promulgated thereunder. The limitation of the initial offering to "accredited investors" does not denote restrictions on transfers in any secondary market for the Series 2023 Bonds. Investment in the Series 2023 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

ENFORCEABILITY OF REMEDIES

The remedies available to the Owners of the Series 2023 Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2023 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2023 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

LITIGATION

The District

There is no litigation of any nature now pending or, to the knowledge of the District threatened, against the District, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2023 Bonds, or in any way contesting or affecting (i) the validity of the Series 2023 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2023 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Series 2023 Assessment Proceedings.
The Developers

The Developers have represented that there is no litigation of any nature now pending or, to the knowledge of the Developers, threatened, which could reasonably be expected to have a material and adverse effect upon the ability of the Developers to complete the development of the District Lands or to complete the Assessment Area One Project as described herein, or materially and adversely affect the ability of the Developers to pay the Series 2023 Assessments imposed against the land within Assessment Area One owned by the Developers.

CONTINGENT FEES

The District has retained Bond Counsel, District Counsel, the District Engineer, the District Manager/Methodology Consultant, the Underwriter (who has retained Underwriter's Counsel) and the Trustee (who has retained Trustee's counsel), with respect to the authorization, sale, execution and delivery of the Series 2023 Bonds. Except for the payment of certain fees to District Counsel, the District Engineer and the District Manager, the payment of fees of the other professionals is each contingent upon the issuance of the Series 2023 Bonds.

NO RATING

No application for a rating for the Series 2023 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2023 Bonds would have been obtained if application had been made.

EXPERTS

The Supplemental Engineer's Report included in APPENDIX A to this Limited Offering Memorandum has been prepared by Poulos & Bennett, LLC, Orlando, Florida, the District Engineer. APPENDIX A should be read in its entirety for complete information with respect to the subjects discussed therein. Wrathell, Hunt & Associates, LLC, Boca Raton, Florida, as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX E hereto. APPENDIX E should be read in its entirety for complete information with respect to the subjects discussed therein.

FINANCIAL INFORMATION

This District will covenant in the Disclosure Agreement (as defined herein), the proposed form of which is set forth in APPENDIX D hereto, to provide its annual audited financial statements to certain information repositories as described in APPENDIX D, commencing with the audit for the District Fiscal Year ending September 30, 2024. Attached hereto as APPENDIX F is a copy of the District's unaudited monthly financial statements for the period ended June 30, 2023. The District does not have audited financial statements because the District has not yet met the threshold under State law requiring an audit. The Series 2023 Bonds are not general obligation bonds of the District and are payable solely from the Series 2023 Trust Estate.

Beginning October 1, 2015, or by the end of the first full fiscal year after its creation, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, Florida Statutes, including, without limitation, the district's proposed and final budgets and audit. Additional information regarding the District's website is available from the District Manager at the address set forth under "THE DISTRICT – The District Manager and Other Consultants."
DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the
District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed
and that are or have been in default as to principal or interest at any time after December 31, 1975 (including
bonds or other debt obligations for which it has served only as a conduit issuer such as industrial
development or private activity bonds issued on behalf of private business). The District has not previously
issued any bonds or similar debt obligations and, therefore, is not and has never been in default as to
principal and interest on its bonds or other debt obligations.

CONTINUING DISCLOSURE

The District and the Developers will enter into the Continuing Disclosure Agreement (the
"Disclosure Agreement") in the proposed form of APPENDIX D, for the benefit of the Series 2023
Bondholders (including owners of beneficial interests in such Series 2023 Bonds), to provide certain
financial information and operating data relating to the District and the Development by certain dates
prescribed in the Disclosure Agreement (the "Reports") with the MSRB through the MSRB's EMMA
system. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX
D: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances,
the failure of the District or either Developer to comply with their respective obligations under the
Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event
of default under the Indenture, but such event of default under the Disclosure Agreement would allow the
Series 2023 Bondholders (including owners of beneficial interests in such Series 2023 Bonds) to bring an
action for specific performance.

The District has not previously issued any bonds and has not previously entered into any continuing
disclosure obligations pursuant to Rule 15c2-12, promulgated under the Securities Exchange Act of 1934,
as amended (the "Rule"). The District anticipates satisfying all future disclosure obligations required
pursuant to the Disclosure Agreement and the Rule. The District will appoint the District Manager as the
dissemination agent in the Disclosure Agreement. The Developers have previously entered into continuing
disclosure undertakings pursuant to the Rule in connection with other special districts. A review of filings
made pursuant to such prior undertakings indicates that certain filings required to be made by each of the
Developers were not timely filed and that notice of such late filings was not always provided. The
Developers anticipate satisfying all future disclosure obligations required pursuant to its continuing
disclosure undertakings and the Rule.

UNDERWRITING

FMSbonds, Inc. (the "Underwriter") has agreed, pursuant to a contract with the District, subject to
certain conditions, to purchase the Series 2023 Bonds from the District at a purchase price of $_________
(replicating the par amount of the Series 2023 Bonds [plus/less net original issue premium discount of
$______ and less an Underwriter's discount of $_______]). The Underwriter's obligations are subject to
certain conditions precedent and the Underwriter will be obligated to purchase all of the Series 2023 Bonds
if any are purchased.

The Underwriter intends to offer the Series 2023 Bonds to accredited investors at the offering prices
set forth on the cover page of this Limited Offering Memorandum, which may subsequently change without
prior notice. The Series 2023 Bonds may be offered and sold to certain dealers, banks and others at prices
lower than the initial offering prices, and such initial offering prices may be changed from time to time by
the Underwriter.
VALIDATION

Bonds issued pursuant to the terms of the Master Indenture have been validated by a judgment of the Circuit Court of the Ninth Judicial Circuit Court of Florida in and for Osceola County, Florida, rendered on February 21, 2023. The period of time during which an appeal can be taken from such judgment has expired without an appeal having been taken.

LEGAL MATTERS

The legal opinions of Bond Counsel to be delivered concurrently with the delivery of the Series 2023 Bonds are based on existing law, which is subject to change. Such opinions are further based on factual representations made to Bond Counsel as of the date of such opinions. Bond Counsel assumes no duty to update or supplement its opinions to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinions are not a guarantee of a particular result, and are not binding on the Internal Revenue Service or the courts; rather, such opinions represent Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

1. The probable costs estimated herein do not include anticipated carrying cost, interest reserves or other anticipated CDD expenditures that may be incurred.
2. Roadway, landscape/hardscape/irrigation, and amenities improvements, if behind hard-gates, will not be part of the Assessment Area One Project.
3. The developer(s) reserves the right to finance any of the improvements outlined above, and have such improvements owned and maintained by a property owner’s or homeowner’s association (in which case such items would not be part of the CIP), the District or a third-party.
4. A third-party, or an applicable property owner’s or homeowner’s association may elect to maintain any District-owned improvements, subject to the terms of an agreement with the District.
5. Center Lake Ranch Boulevard and Twelve Oaks Road will be owned and maintained by Osceola County while all internal subdivision roadways, except those within gated subdivisions, will be owned and maintained by the City of St. Cloud.
6. Note that the fee title to the right-of-way (but NOT the right-of-way improvements) for Center Lake Ranch Boulevard is impact fee creditable, but that will be provided directly from Taylor Morrison to the County at no cost to the District. No other mobility or impact fee credits are anticipated.
7. Because the CIP is a system of improvements, the assessment consultant should derive any benefit levels for Assessment Area One and from the Assessment Area One Project (comprising a portion of the overall CIP) by multiplying (a) the quotient of the Equivalent Residential Units (“ERUs”) (established by the CDD’s assessment consultant) planned for Assessment Area One, divided by the total ERUs for the whole CIP, by (b) the overall CIP costs. Further, and for the same reason, the proceeds from any future bond issuance may be used to finance any portions of the Assessment Area One Project not funded by the Series 2023 Bonds.

3. CONCLUSION

The Assessment Area One Project will be designed in accordance with current governmental regulations and requirements. The Assessment Area One Project will serve its intended function so long as the construction is in substantial compliance with the design.

It is further our opinion that:

• the estimated cost to the Assessment Area One Project as set forth herein is reasonable based on prices currently being experienced in the jurisdiction in which the District is located, and is not greater than the lesser of the actual cost of construction or the fair market value of such infrastructure;

• all of the improvements comprising the Assessment Area One Project are required by applicable development approvals issued pursuant to Section 380.06, Florida Statutes;

• the Assessment Area One Project is feasible to construct, there are no technical reasons existing at this time that would prevent the implementation of the Assessment Area One Project, and it is reasonable to assume that all necessary regulatory approvals will be obtained in due course; and

• the assessable property within Assessment Area One of the District will receive a special benefit from the Assessment Area One Project that is at least equal to the costs of the Assessment Area One Project.

As described above, this report identifies the benefits from the Assessment Area One Project to the lands within Assessment Area One. The general public, property owners, and property outside the District will benefit from the provisions of the District’s Assessment Area One Project; however, these are incidental to the District’s Assessment Area One Project, which are designed solely to provide special benefits peculiar to property within Assessment Area One. Special and peculiar benefits accrue to property within the District and enable properties within its boundaries to be developed.

The Assessment Area One Project will be owned by the District or other governmental units and such Assessment Area One Project is intended to be available and will reasonably be available for use by the general public (either by being part of a system of improvements that is available to the general public or is otherwise available to the general public) including nonresidents of the District. All of the Assessment Area One Project is or will be located on lands owned or to be owned by the District or another governmental entity or on perpetual easements in favor of the District or other governmental entity. The Assessment Area One Project, and any cost estimates set forth herein, do not include any earthwork, grading or other improvements on private lots or property. The District will pay the lesser of the cost of the components of the Assessment Area One Project or the fair market value.
Please note that the Assessment Area One Project as presented herein is based on current plans and market conditions which are subject to change. Accordingly, the Assessment Area One Project, as used herein, refers to sufficient public infrastructure of the kinds described herein (i.e., stormwater/floodplain management, sanitary sewer, potable water, etc.) to support the development and sale of the planned residential units in the District, which (subject to true-up determinations) number and type of units may be changed with the development of the site. Stated differently, during development and implementation of the public infrastructure improvements as described for the District, it may be necessary to make modifications and/or deviations for the plans, and the District expressly reserves the right to do so.

The aggregate principal amount of Bonds of such Series and all other Bonds previously authenticated and delivered and paid the Cost of the Series Project or Series Projects for which the proceeds of the Bond Anticipation Notes will be applied shall not exceed such Cost. The interest on such Bond Anticipation Notes may be payable out of the related Series Interest Account to the extent provided in the resolution of the District authorizing such Bond Anticipation Notes. The principal of and interest on such Bond Anticipation Notes and renewals thereof shall be payable from any moneys of the District available therefor or from the proceeds of the sale of the Series of Bonds in anticipation of which such Bond Anticipation Notes are issued. The proceeds of sale of Bond Anticipation Notes shall be applied to the purposes for which the Bonds anticipated by such Bond Anticipation Notes are authorized and shall be deposited in the appropriate Fund or Account established by the Indenture for such purposes; provided, however, that the resolution or resolutions authorizing such Bond Anticipation Notes may provide for the payment of interest on such Bond Anticipation Notes from the proceeds of sale of such Bond Anticipation Notes and for the deposit in the related Series Capitalized Interest Account. In the event that the District adopts a resolution authorizing the issuance of Bond Anticipation Notes, the District shall promptly furnish to the Trustee a copy of such resolution, certified by an Authorized Officer, together with such information with respect to such Bond Anticipation Notes as the Trustee may reasonably request, including, without limitation, information as to the paying agent or agents for such Bond Anticipation Notes. The Trustee shall have no duties or obligations to the holders of such Bond Anticipation Notes unless specifically so authorized by the resolution of the District authorizing the issuance of such Bond Anticipation Notes and unless the Trustee accepts in writing such duties and obligations.

Section 211. Tax Status of Bonds. Any Series of Bonds issued under this Master Indenture may be issued either as Tax-Exempt Bonds or Taxable Bonds. The intended tax status of any Series of Bonds to be issued may be referred to in any Supplemental Indenture authorizing the issuance of such Series of Bonds.

The Bonds of any Series shall be subject to redemption, either in whole on any date or in part on any Interest Payment Date, and at such times, in the manner and at such prices, as may be provided by the Supplemental Indenture authorizing the issuance of such Series of Bonds. The District shall provide written notice to the Trustee of any optional redemption on or before the forty-fifth (45th) day prior to the Payment Date to be fixed for such optional redemption. Notwithstanding any other provision of this Master Indenture, notice of optional redemption may be conditioned on the occurrence of certain events or the deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

Unless otherwise provided in the Supplemental Indenture relating to a Series of Bonds, if less than all of the Bonds of a Series shall be called for redemption, the particular Bonds of such Series to be redeemed shall be selected by lot in such reasonable manner as the Bond Registrar in its discretion may determine. The portion of any Series of Bonds to be redeemed shall be in an authorized Denomination and, in selecting the Bonds of such Series to be redeemed, the Bond Registrar shall treat each such Bond as representing that number of Bonds of such

Payments of the Cost of constructing and acquiring a Series Project shall be made from the Acquisition and Construction Fund as herein provided. Failure to give notice by mailing to the Owner of any Bond designated for redemption or to any depository or information service shall not affect the validity of the proceedings for the redemption of any Bonds.

Section 303. Effect of Calling for Redemption. On the date designated for redemption of any Bonds, notices having been filed and mailed in the manner provided above, the Bonds called for redemption shall be due and payable at the Redemption Price, provided for the redemption of such Bonds on such date and, and moneys for payment of the Redemption Price being held in a separate account by the Paying Agent in trust for the Owners of the Bonds to be redeemed, interest on the full amount of such Bonds called for redemption or to any depository or information service shall not affect the validity of the proceedings for the redemption of such Bonds.

Section 404. Disposition of Balances in Acquisition and Construction Fund. On the Date of Completion of a Series Project, the balance in the related Series Acquisition and Construction Account not reserved for the payment of any remaining part of the Cost of the Series Project shall be transferred to the Trustee to the credit of the Series Prepayment Subaccount in the Series Redemption Account, or as otherwise provided in the Supplemental Indenture, and used for the purposes set forth for such Subaccount in the Supplemental Indenture relating to such Series of Bonds.

Notwithstanding the foregoing, the Supplemental Indenture authorizing any Series of Bonds may establish such other Accounts or dispense with the Accounts set forth above as shall be deemed advisable by the District in connection with such Series of Bonds.

Section 503. Acquisition and Construction Fund. (a) Deposits. The District shall pay to the Trustee, for deposit into the related Series Acquisition and Construction Account in the Acquisition and Construction Fund, as promptly as practicable, the following amounts received by it:

(vi) such other amounts as may be provided in a Supplemental Indenture.

Amounts in such Series Acquisition and Construction Account shall be applied to the Cost of the Series Project.

Section 501. Lien. There is hereby irrevocably pledged for the payment of the Bonds of each Series issued hereunder, subject only to the provisions of this Master Indenture and any Supplemental Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in this Master Indenture and any such Supplemental Indenture with respect to each Series of Bonds, the Trust Estate; provided, however, that unless otherwise specifically provided herein or in a Supplemental Indenture relating to a Series of Bonds with respect to the Series Trust Estate securing such Series of Bonds, the Pledged Funds and Pledged Revenues securing a Series of Bonds shall secure only such Series of Bonds and shall not secure any other Bonds or Series of Bonds.

The foregoing pledge shall be valid and binding from and after the date of initial delivery of the Bonds and the proceeds of sale of the Bonds and all the moneys, securities and funds set forth in this Section 501 shall immediately be subject to the lien of the foregoing pledge, which lien is hereby created, without any physical delivery thereof or further act. Such lien shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the District or the Trustee, irrespective of whether such parties have notice thereof. Such lien shall be prior and superior to all other liens now existing or hereafter created.

Section 502. Establishment of Funds. The following funds are hereby established and shall be held by the Trustee:

(a) Acquisition and Construction Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Acquisition and Construction Account and a separate Series Costs of Issuance Account for each Series of Bonds issued hereunder;

(b) Revenue Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Revenue Account for each Series of Bonds issued hereunder;

(c) Debt Service Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds,

(i) a Series Debt Service Account, and therein a Series Interest Account, a Series Principal Account, a Series Sinking Fund Account and a Series Capitalized Interest Account, and

(ii) a Series Redemption Account and therein a Series Prepayment Subaccount and a Series Optional Redemption Subaccount,

(b) Disbursements. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of such Series of Bonds, payments from a Series Acquisition and Construction Account shall be paid in accordance with the provisions of this subsection (b). Before any such payment shall be made, the District shall file with the Trustee a requisition in the form of Exhibit A attached hereto, signed by an Authorized Officer.

Upon receipt of each such requisition and accompanying certificate, the Trustee shall promptly withdraw from the Series Acquisition and Construction Account and pay to the person, firm or corporation named in such requisition the amount designated in such requisition. The Trustee shall have no duty to investigate either the accuracy or validity of the items delivered pursuant to this Section 503(b) or whether such amount is properly payable hereunder or under the Supplemental Indenture for such Series of Bonds.

(c) Inspection. All requisitions and certificates received by the Trustee pursuant to this Article V shall be retained in the possession of the Trustee, subject at all reasonable times to the inspection of the District, the Consulting Engineer, the Owner of any Bonds of the related Series, and the agents and representatives thereof.

(d) Completion of Series Project. On the Date of Completion of a Series Project, the balance in the related Series Acquisition and Construction Account not reserved by the District for the payment of any remaining part of the Cost of acquiring or constructing the Series Project shall be applied in accordance with the provisions of Section 404 hereof. The Trustee shall have no duty to determine whether the Date of Completion has occurred and the Trustee shall not be deemed to have knowledge that the Date of Completion has occurred until the Trustee has received the certificate of the Consulting Engineer establishing such Date of Completion as specified in the definition of Date of Completion in Section 101 hereof.

Section 504. Revenue Fund. The District hereby covenants and agrees that it will assess, impose, establish and collect the Pledged Revenues with respect to each Series of Bonds in amounts and at times sufficient to pay, when due, the principal of, premium, if any, and interest on such Series of Bonds. The District hereby covenants and agrees to immediately deposit upon receipt all such Pledged Revenues with the Trustee (including Prepayments, which shall be identified as such by the District at the time of deposit with the Trustee), and the Trustee shall immediately deposit all such Pledged Revenues, when received, into the related Series Revenue Account and immediately deposit all Prepayments, when received, into the related Series Prepayment Subaccount in the Series Redemption Account, unless otherwise provided for in the Supplemental Indenture relating to a Series of Bonds.
Section 505. Debt Service Fund.

(a) Principal, Maturity Amount, Interest and Amortization Installments. Except as otherwise provided in a Supplementary Indenture, on the Business Day preceding each Interest Payment Date on the Bonds, the Trustee shall order from the Series Revenue Account and, from the amount so withdrawn, shall make the following deposits in the following order of priority:

(i) to the related Series Interest Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the amount of interest payable on the Bonds of such Series on such Interest Payment Date;

(ii) to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the principal amount, if any, payable with respect to Serial Bonds of such Series on such Interest Payment Date;

(iii) in each Bond Year in which Term Bonds of such Series are subject to mandatory redemption from Amortization Installments, to the related Series Sinking Fund Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the Amortization Installment payable on the Term Bonds of such Series on such Interest Payment Date;

(iv) in each Bond Year in which Capital Appreciation Bonds of such Series mature, to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the Maturity Amount payable with respect to the Capital Appreciation Bonds of such Series maturing on such Interest Payment Date;

(v) to the Series Reserve Account, an amount, if any, which, together with other amounts, if any, then on deposit therein, will equal the Series Reserve Account Requirement; and

(vi) to the Series Rebate Account, the Rebate Amount, if any, required to be deposited therein pursuant to the Supplementary Indenture related to a Series of Tax-Exempt Bonds.

Notwithstanding the foregoing, so long as there are moneys on deposit in the related Series Capitalized Interest Account on the date required for any transfer into the Series Interest Account as set forth above, the Trustee shall, prior to paying any amount into the related Series Interest Account from the related Series Revenue Account, transfer to the related Series Interest Account from the related Series Capitalized Interest Account, the lesser of the interest on such Series of Bonds coming due or the amount of the principal or Maturity Amount of, or interest or Amortization Installment related to such Series of Bonds due in the current Bond Year. The Trustee may pay the principal portion of the purchase price of any Bonds or in a related Series of Bonds coming due on the next succeeding Interest Payment Date or the amount remaining on deposit in the related Series Capitalized Interest Account.

(b) Disposition of Remaining Amounts on Deposit in Series Revenue Account. The District shall authorize the withdrawal, from time to time, from the Series Revenue Account to the fullest extent of the amount sufficient to pay the commissions, fees, costs and any other charges of the Tax Collector and the Property Appraiser or, if such commissions, fees, costs, or other charges have been paid by the District, then to reimburse the District for such payment upon written request of an Authorized Officer. If, after such amounts have been withdrawn, paid, and provided for as provided above, any amount remains in the Series Revenue Account, such amounts shall be disbursed to the District on written request of an Authorized Officer and applied to the operating and administrative costs and expenses of the District. After making the payments provided for in this subsection (b), the balance, if any, remaining in the Series Revenue Account shall be retained therein or, at the written direction of an Authorized Officer to the Trustee, transferred into the Series Prepayment Subaccount of the Series Redemption Account. Upon the occurrence and continuance of an Event of Default hereunder, the foregoing transfer to the Series Prepayment Subaccount shall not be made.

(c) Series Reserve Account. Except as otherwise provided for herein or in a Supplementary Indenture, moneys held for the credit of a Series Reserve Account shall be used for the purpose of paying interest or principal or Amortization Installment or Maturity Amount on the Bonds of the related Series whenever amounts on deposit in the Series Debt Service Account shall be insufficient for such purpose.

(d) Series Debt Service Account. Moneys held for the credit of a Series Debt Service Account in a Series Debt Service Account Certificate of Deposit shall be withdrawn therefrom by the Trustee and transferred by the Trustee to the Paying Agent in amounts and at times sufficient to pay, when due, the interest on the Bonds of such Series, the principal of Serial Bonds of such Series, the Capital Appreciation Bonds coming due in the current Bond Year and the Amortization Installments required to be paid in such Bond Year, and (ii) any amounts remain in the Series Revenue Account on November 2 of such Bond Year, then such amounts shall, at the written direction of the District, be applied to pay the commissions, fees, costs and any other charges of the Tax Collector and the Property Appraiser or, if such commissions, fees, costs, or other charges have been paid by the District, then to reimburse the District for such payment upon written request of an Authorized Officer. If, after such amounts have been withdrawn, paid, and provided for as provided above, any amount remains in the Series Revenue Account, such amounts shall be disbursed to the District on written request of an Authorized Officer and applied to the operating and administrative costs and expenses of the District. After making the payments provided for in this subsection (b), the balance, if any, remaining in the Series Revenue Account shall be retained therein or, at the written direction of an Authorized Officer to the Trustee, transferred into the Series Prepayment Subaccount of the Series Redemption Account. Upon the occurrence and continuance of an Event of Default hereunder, the foregoing transfer to the Series Prepayment Subaccount shall not be made.

(e) Series Redemption Account. Moneys representing Prepayments on deposit in a Series Prepayment Subaccount to the full extent of a multiple of an Authorized Denomination shall, unless otherwise provided in the Supplementary Indenture relating to such Series of Bonds, be used by the Trustee to redeem Bonds of such Series on the earliest date on which such Bonds are permitted to be called without payment of premium by the terms thereof (including extraordinary mandatory redemption) and of the Supplementary Indenture relating to such Series of Bonds. Such redemption shall be made pursuant to the provisions of Article III hereof. The District shall pay all expenses incurred by the Trustee and Paying Agent in connection with such redemption. Moneys other than from such purchase shall be held and applied in a Series Redemption Account as provided in Section 506(a) hereof.

(f) Payment to the District. When no Bonds of a Series remain Outstanding and after all expenses and charges paid or required by the Supplementary Indenture required to be paid have been paid as certified to the Trustee in writing by an Authorized Officer, and after all amounts due and owing to the Trustee have been paid in full, the Trustee shall pay any balance in the Accounts for such Series of Bonds to the District upon the written direction of an Authorized Officer, free and clear of any lien and pledge created by this Master Indenture; provided, however, that if an Event of Default has occurred and is continuing in the payment of the principal or Maturity Amount of, or interest or premium on the Bonds of any other Series, the Trustee shall pay over and apply any such excess pro rata (based upon the ratio of the aggregate principal amount of such Series of Bonds to the aggregate principal amount of all Series of Bonds then outstanding and for which such an Event of Default has occurred and is continuing) to each other Series of Bonds for which such an Event of Default has occurred and is continuing.

Section 506. Optional Redemption.

(a) Excess Amounts in Series Redemption Account. The Trustee shall, but only at the written direction of an Authorized Officer on or prior to the forty-fifth (45th) Business Day preceding the date of redemption, call for redemption on each Inter-
of Tax-Exempt Bonds. Moneys deposited and held in the Rebate Fund shall be subject to the pledge of this Master Indenture.

(b) Payment to United States. The Trustee shall pay to the District, upon written request of the District, the Rebate Amount required to be paid to the United States at the time, in the manner and as calculated in accordance with the Supplemental Indenture related to a Series of Tax-Exempt Bonds. The Trustee shall have no responsibility for computation of the Rebate Amount and instead the District shall cause the Rebate Amount to be calculated by the Rebate Analyst and shall cause the Rebate Analyst to deliver such computation to the Trustee as provided in the Supplemental Indenture related to a Series of Tax-Exempt Bonds but shall pay the date of the Rebate Amount to the Internal Revenue Service. The fees of, and expenses incurred by, the Rebate Analyst in computing the Rebate Amount shall be paid by the District, which amount shall be treated as administrative and operating expenses of the District.

(c) Deficiencies. If the Trustee does not have on deposit in the Rebate Account sufficient amounts to make the payments required by this Section 507, the District shall pay, from any legally available source, the amount of any such deficiency to the United States as provided in paragraph (b) above. The Trustee shall have no duty to pay such deficiency from its own funds.

(d) Survival. The covenants and agreements of the District in this Section 507 and Section 809, and any additional covenants related to compliance with provisions necessary in order to preserve the exclusion of interest on the Tax-Exempt Bonds of a Series from gross income for federal income tax purposes shall survive the defeasance of the Bonds of such Series in accordance with Article XII hereof.

Section 508. Investment of Funds and Accounts. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, moneys held for the credit of the Accounts for such Series of Bonds shall be invested as hereinafter in this Section 508 provided.

(a) Series Acquisition and Construction Account, Series Revenue Account and Series Debt Service Account. Money for the credit of a Series Acquisition and Construction Account, a Series Revenue Account, and a Series Debt Service Account shall, as nearly as may be practicable, be continuously invested and reinvested by the Trustee in Investment Obligations as directed in writing by an Authorized Officer, which Investment Obligations shall mature, or shall be subject to redemption by the holder thereof at the option of such holder, not later than the respective dates, as estimated by an Authorized Officer, when

value of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of days remaining to maturity on such obligation at the date of such purchase and by multiplying the amount thus calculated by the number of days having passed since such purchase; and (i) in the case of an obligation purchased at a premium by deducting the product thus obtained from the purchase price, and (ii) in the case of an obligation purchased at a discount by adding the product thus obtained to the purchase price.

Section 509. Deficiencies and Surpluses in Funds and Accounts. For purposes of this Section 509, "deficiency" shall mean, in the case of a Series Reserve Account, that the amount on deposit therein is less than the Series Reserve Account Requirement, that shall be applied to the Bond Year in which the deposit is made. A "surplus" shall mean in the case of a Series Reserve Account, that the amount on deposit therein is in excess of the Series Reserve Account Requirement. At the time of any withdrawal from a Series Reserve Account that results in a deficiency therein, the Trustee shall promptly notify the District of the amount of such deficiency and the Trustee shall withdraw the amount of such deficiency from the related Series Reserve Account and, if amounts on deposit therein are insufficient therefor, the District shall pay the amount of such deficiency to the Trustee, for deposit in such Series Reserve Account, from the first legally available sources of the District.

The Trustee, as of the close of business on the last Business Day in each Bond Year, after taking into account all payments and transfers made as of such date, shall compute, in the manner set forth in Section 508(d), the value of the Series Reserve Account and shall promptly notify the District of the amount of any deficiency or surplus as of such date in such Series Reserve Account. The District shall immediately pay the amount of any deficiency to the Trustee, for deposit in the Series Reserve Account, from any legally available sources of the District. The Trustee, as soon as practicable after such computation, shall deposit any surplus, at the direction of an Authorized Officer, to the credit of the Series Reserve Account, or at other times provided in the related Supplemental Indenture.

Section 510. Investment Income. Unless otherwise provided in a Supplemental Indenture, earnings on investments in a Series Acquisition and Construction Account, a Series Interest Account, a Series Capitalized Interest Account and a Series Reserve Account shall be realized, as realized, to the credit of such Account and used for the purpose of such Account. Unless otherwise provided in a Supplemental Indenture, earnings on investments in the Funds and Accounts other than a Series Reserve Account and other than in a Series Sinking Fund Account shall be deposited, as realized, to the credit of such Series Reserve Account and used for the purpose of such Account.
Earnings on investments in a Series Reserve Account shall, unless otherwise provided in a Supplemental Indenture, be disposed of as follows:

(a) if there was no deficiency (as defined in Section 509 above) in the Series Reserve Account as of the most recent date on which amounts on deposit in the Series Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series Reserve Account since such date, then earnings on investments in the Series Reserve Account shall be deposited to the Series Revenue Account; or

(b) if there was a deficiency (as defined in Section 509 above) in the Series Reserve Account as of the most recent date on which amounts on deposit in the Series Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series Reserve Account and have decreased the Series Reserve Account below the deficiency, then earnings on investments in the Series Reserve Account shall be retained in the Series Reserve Account until the amount on deposit therein equals the Series Reserve Account Requirement and thereafter shall be deposited to the Series Revenue Account.

Section 511. Cancellation of Bonds. All Bonds paid, redeemed or purchased, either at or before maturity, shall be canceled upon the payment, redemption or purchase of such Bonds. All Bonds canceled under any of the provisions of this Master Indenture shall be destroyed by the Paying Agent, which shall upon request of the Trustee execute a certificate in duplicate describing the Bonds so destroyed. One executed certificate shall be filed with the Trustee and the other executed certificate shall be retained by the Paying Agent.

 ARTICLE VI CONCERNING THE TRUSTEE

Section 601. Acceptance of Trust. The Trustee accepts and agrees to execute the trusts hereby created, but only upon the additional terms set forth in this Article VI, to all of which the parties hereto and the Owners agree. The Trustee shall have only those duties expressly set forth herein, and no duties shall be implied against the Trustee.

Section 602. No Responsibility for Recitals. The recitals, statements and representations in this Master Indenture, in any Supplemental Indenture or in the Bonds, save only the Trustee's authentication certificate, if any, upon the Bonds, have been made by the District and not by the Trustee, and the Trustee shall be under no responsibility for the correctness thereof.

Section 603. Trustee May Act Through Agents; Answerable Only for Willful Misconduct or Gross Negligence. The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers, or employees, and shall be entitled to advice of counsel concerning all questions hereunder, and the Trustee shall not be answerable for the default or misconduct of any attorney, agent or employee selected by it with reasonable care. In performance of its duties hereunder, the Trustee may rely on the advice of counsel and shall not be held liable for actions taken in reliance on the advice of counsel. The Trustee shall not be answerable for the exercise of any discretion or power under this Master Indenture or any Supplemental Indenture or for anything whatever in connection with the trust hereunder, except only its own gross negligence or willful misconduct.

Section 604. Compensation and Indemnity. The District shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, including the reasonable fees and expenses of Trustee's counsel, and to the extent permitted under State law shall indemnify the Trustee and hold the Trustee harmless against any liabilities which may incur in the exercise and performance of its powers and duties hereunder except with respect to its own negligence or misconduct. The Trustee shall give no duty in connection with its responsibilities hereunder to advance its own funds nor shall the Trustee have any duty to take any action hereunder without first having received indemnification satisfactory to it. If the District defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys received or held by the Trustee under this Master Indenture or any Supplemental Indenture other than moneys from a Credit Facility or Liquidity Facility. This Section 604 shall survive termination of this Master Indenture and any Supplemental Indenture, and as to any Trustee, its resignation or removal thereof. As security for the foregoing, the District hereby grants to the Trustee a security interest in and to the amounts on deposit in all Series Funds and Accounts (other than the Rebate Fund) thereby, in effect, granting the Trustee a first charge against those moneys following an event of Default for its fees and expenses (including legal counsel and default administration costs and expenses), subordinate and inferior to the security interest granted to the Owners of the Bonds from time to time secured thereby, but nevertheless payable in the order of priority as set forth in Section 905(a) upon the occurrence of an Event of Default.

Section 605. No Duty to Renew Insurance. The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the District to require or effect or renew insurance or to report or file claims of loss thereunder.

Section 606. Notice of Default; Right to Investigate. The Trustee shall give written notice, as soon as practicable, by first-class mail to registered Owners of Bonds of all defaults of which the Trustee has actual knowledge, unless such defaults have been remedied (the term “default” for purposes of this Section 606 and Section 607 being defined to include the events specified as “Events of Default” in Section 902 hereof, but not including any notice or periods of grace provided for therein) or if the Trustee, based upon the advice of counsel upon which the Trustee is entitled to rely, determines that the giving of such notice is not in the best interests of the Owners of the Bonds. The Trustee will be deemed to have actual knowledge of any payment default under this Master Indenture or under any Supplemental Indenture and after receipt of written notice thereof by a Credit Facility issuer or Liquidity Facility issuer of a default under its respective reimbursement agreement, but shall not be deemed to have actual knowledge of any other default unless notified in writing of such default by the Owners of at least twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding and effected by such default. The Trustee may, however, at any time the require of the District full information as to the performance of any covenant hereunder; and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the District, an investigation into the affairs of the District.

Section 607. Obligation to Act on Default. (i) More than twenty percent (20%) of the Operation and Maintenance Assessments levied by the District on tax parcels subject to Assessments or Benefit Special Assessments pledged to a Series of Bonds are not paid by the date such are due and payable.

Section 903. Acceleration of Maturities of Bonds of a Series Under Certain Circumstances. Upon the happening and continuance of any Event of Default specified in clauses (a) through (i) of Section 902 above with respect to a Series of Bonds, the Trustee shall, upon written direction of the Majority Owners of the Bonds of such Series then Outstanding, by a notice in writing to the District, declare the aggregate principal amount of all the Bonds of such Series then Outstanding (if not then due and payable) to be due and payable immediately and, upon such declaration, the same shall become and be immediately due and payable, anything contained in the Bonds of such Series or in this Master Indenture or in the Supplemental Indenture authorizing such Series of Bonds to the contrary notwithstanding; provided, however, that no such declaration of acceleration shall occur in the case of Bonds of a Series secured by Assessments, except to the extent that the Assessments have been accelerated and are currently due and payable in accordance with applicable law; and provided further, however, that if at any time after the aggregate principal amount of the Bonds of any Series then Outstanding shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under this Master Indenture or the related Supplemental Indenture, moneys shall have accumulated in the related Series Revenue Account sufficient to pay the principal of all matured Bonds of such Series and all arrears of interest, if any, upon all Bonds of such Series then Outstanding; and the aggregate principal amount of all the Bonds of such Series then Outstanding that is due only because of a declaration under this Section 903, and except for the interest accrued on the Bonds of such Series since the last Interest Payment Date, all amounts then payable by the District hereunder shall have been paid or a sum sufficient to pay the same shall have been deposited with the Paying Agent, and every other default (other than a default in the payment of the aggregate principal amount of the Bonds of such Series then Outstanding that is due only because of a declaration under this Section 903) shall have been remedied, then the Trustee or, if the Trustee is unable or unwilling to act, the Majority Owners of such Series of Bonds then Outstanding not then due except by virtue of a declaration under this Section 903, may, by written notice to the District, rescind and annul such declaration and its consequences, but no such rescission or annulment shall extend to or affect any subsequent default or impair any right conferred by any such declaration.

Section 904. Enforcement of Remedies. Upon the happening and continuance of any Event of Default specified in Section 902 above with respect to a Series of Bonds, the Trustee may protect and enforce the rights of the Owners of the Bonds of such Series under State law, and under this Master Indenture, the related Supplemental Indenture and the Bonds of such Series, by such proceedings in equity or at law, either for the specific performance of any covenant or agreement contained herein or in aid or execution of any power herein or in the related Supplemental Indenture granted or for the enforcement of any proper legal or equitable remedy, as the Trustee shall deem most effectual to protect and enforce such rights.

The Majority Owners of the Bonds of such Series then Outstanding shall, subject to the requirements of Section 607, have the right, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings by the Trustee hereunder, provided that such directions shall not be in conflict with any rule of law or this Master Indenture and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unduly prejudicial to the rights of the Owners of such Series of Bonds not parties to such direction or would subject the Trustee to personal liability or expense. Notwithstanding the foregoing, the Trustee shall have the right to select and retain legal counsel of its choosing to represent it in any such proceedings. The Trustee may take any other action which is not inconsistent with any direction under this second paragraph of this Section 904.

No Owner of such Series of Bonds shall have any right to pursue any other remedy under this Master Indenture or such Series of Bonds unless: (a) an Event of Default shall have occurred and is continuing, (b) the Majority Owners of the Bonds of such Series then Outstanding have requested the Trustee, in writing, to exercise the powers granted in the first paragraph of this Section 904 or to pursue such remedy in its or their behalf, (c) the Trustee has been offered indemnity satisfactory to it against costs, expenses and liabilities reasonably anticipated to be incurred; (d) the Trustee has declined to comply with such request, or has failed to do so within sixty (60) days after receipt of the notice of such default; (e) the Trustee has been offered indemnity; and (f) no direction inconsistent with such request has been given to the Trustee during such sixty (60) day period by the Majority Owners of the Bonds of such Series then Outstanding. The provisions of the immediately preceding sentence of this Section 904 are conditions precedent to the exercise by any Owner of such Series of Bonds of any remedy hereunder. The exercise of such rights is further subject to the provisions of Sections 907, 908, 910, 912 and the second paragraph of this Section 904. No Owner or Owners of such Series of Bonds shall have any right in any manner whatsoever to enforce any right under this Master Indenture, except in the manner herein provided.

The District covenants and agrees that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of this Indenture, the provisions for the collection of Delinquent Assessments, including delinquent Direct Bill Collection and Maintenance Assessments, the provisions for the foreclosure of liens of Delinquent Assessments, including delinquent Direct Bill Collection and Maintenance Assessments, and will take such other appropriate remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Owners, from time to time, of the Bonds of a Series. Notwithstanding anything to the contrary herein, and unless otherwise directed by the Majority Owners of the Bonds of a Series and allowed pursuant to federal or State law, the District acknowledges and agrees that: (i) upon failure of any property owner to pay an installment of Assessments collected directly by the District when due, that the entire Assessment on the tax parcel as to which such Delinquent Assessment appertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the District shall promptly, but in any event within 120 days, cause to be brought the necessary legal proceedings for the foreclosure of liens of Delinquent Assessments, including interest and penalties with respect to such tax parcel and (a) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages.

Section 905. Pro Rata Application of Funds Among Owners of a Series of Bonds. Anything in this Master Indenture to the contrary notwithstanding, if at any time money is in the hands of the Trustee in respect of the payment of any sum required not to be sufficient to pay Debt Service on the related Series of Bonds when due, such moneys together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article IX or otherwise, shall be applied as follows:

(a) Unless the aggregate principal amount of all the Bonds of such Series shall have become due and payable or shall have been declared due and payable pursuant to the provisions of Section 903 hereof, all such moneys shall be applied

FIRST: to the payment of any then-due fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid;

SECOND: to payment to the persons entitled thereto of all installments of interest then due and payable on the Bonds of such Series, in the order in which such installments become due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the rates of interest specified in the Bonds of such Series; and

THIRD: to the payment to the persons entitled thereto of the unpaid principal of any of the Bonds of such Series which shall have become due (other than Bonds of such Series called for redemption for the payment of interest specified in the Bonds of such Series then Outstanding that is due only because of a declaration under this Section 903, or any installment of interest thereon which sufficient moneys are held pursuant to this Master Indenture), in the order of their due dates, with interest upon the Bonds of such Series at the rates specified therein from the dates upon which they become due to their payment date, and, if the amount available shall not be sufficient to pay in full the principal of Bonds of such Series due on any particular date, together with such interest, then to the payment first of such interest, ratably according to the amount of such interest due on such date, and then to the payment of such principal, ratably according to the amount of such principal due on such date, to the Owners of the Bonds of such Series entitled thereto without any discrimination or preference except as to any difference in the foregoing rates of interest.

(b) If the aggregate principal amount of all the Bonds of a Series shall have become due and payable in accordance with their terms or shall have been declared due and payable pursuant to the provisions of Section 903 hereof, all such moneys shall be applied first to the payment of any fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid, and then the payment of the whole amount of principal and interest then due and payable upon the Bonds of such Series including any amount of principal or of interest of or any installment of interest over any other, or of any Bond over any other Bond of such Series, ratably, according to the amounts due respectively for principal and interest, to the persons entitled to such interest or preference except as to any difference in the respective rates of interest specified in the Bonds of such Series.

(c) If the principal of all the Bonds of a Series shall have been declared due and payable pursuant to the provisions of Section 903 hereof, and if such declaration shall thereafter have been rescinded and annulled pursuant to the provisions of Section 903 hereof, then, if the aggregate principal amount of all the Bonds of such Series shall later become due and payable pursuant to the provisions of Section 903 hereof, the moneys remaining in and thereafter accruing to the related Series Revenue Fund shall be applied in accordance with subsection (b) above.
The provisions of this Section 905 are in all respects subject to the provisions of Section 901 hereof.

Whenever moneys are to be applied pursuant to this Section 905, such moneys shall be applied by the Trustee at such times as the Trustee in its sole discretion shall determine, having due regard to the uses of such moneys available for application and the likelihood of additional moneys becoming available for such application. The deposit of such moneys with the Paying Agent shall constitute proper application by the Trustee, and the Trustee shall incur no liability whatsoever to any Owner or to any other person for any delay in applying any such funds, so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies such funds in accordance with the provisions of this Master Indenture as may be applicable at the time of application.

Whenever the Trustee shall exercise such discretion in applying such funds, it shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date and shall not be required to make payment to any Owner until such Bond shall be surrendered to him for appropriate endorsement.

Section 906. Effect of Discontinuance of Proceedings. If any proceeding taken by the Trustee or any Owner on account of any default shall have been discontinued or abandoned for any reason, then the District and the Owner shall be restored to their former positions and rights hereunder, respectively, and all rights and remedies of the Owners shall continue as though no such proceeding had been taken.

Section 907. Restriction on Individual Owner Actions. Except as provided in Section 910 below, no Owner of any Bonds of a Series shall have any right in any manner whatsoever to affect, disturb or prejudice the security of this Master Indenture or any Supplemental Indenture, or to enforce any right hereunder or thereunder except in the manner herein or therein provided, and all proceedings at law or in equity shall be instituted and maintained for the benefit of all Owners of the Bonds of such Series.

Section 908. No Remedy Exclusive. No remedy conferred upon the Trustee or the Owners is intended to be exclusive of any other remedy herein or in any Supplemental Indenture provided, and each such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or thereunder.

Section 909. Delay Not a Waiver. No delay or omission of the Trustee or any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default and shall not be required to make payment to any Owner until such Bond shall be surrendered to him for appropriate endorsement.

(i) the District hereby agrees that it shall make a reasonable attempt to timely seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the Bonds of a Series then Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Assessments relating to the Bonds of a Series then Outstanding, the Bonds of such Series then Outstanding or any rights of the Trustee under the Indenture (provided, however, the Trustee shall be deemed to have obtained such written consent if the Majority Owners of the Bonds of such Series then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee of a written request for consent);

(ii) the District hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Assessments relating to the Bonds of a Series then Outstanding, the Bonds of such Series then Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee;

(iii) the District hereby agrees that it shall make a reasonable attempt to timely seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Bonds of such Series then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee of a written request for consent);

(iv) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the Assessments relating to the Bonds of a Series then Outstanding, would have the right to pursue, and, if the Trustee chooses to exercise such right or powers in connection with any Insolvent Taxpayer, including, without limitation, the right to file and/or prosecute and/or defend any claims or proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Assessments relating to the Bonds of a Series then Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer’s exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and

(v) the District shall not challenge the validity or amount of any claim submitted in good faith by the Trustee in such Proceeding or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceeding or take any other action in such Proceeding, which is adverse to the Trustee's enforcement of the District’s claim and rights with respect to the Assessments relating to the Bonds of a Series then Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right to (A) file a proof of claim with respect to the Assessments pledged to the Bonds of a Series then Outstanding, (B) deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (C) defend any objection filed to said proof of claim.

The District acknowledges and agrees that it shall not be a defense to a breach of the foregoing covenants that it has acted on advice of counsel in not complying with the foregoing covenants.

Section 910. Right to Enforce Payment of Bonds. Nothing in this Article IX shall affect or impair the right of any Owner to enforce the payment of Debts due such person or Owner at the option of the District or the obligation of the District to pay Debt Service to the Owner at the time and place specified in such Bond.

Section 911. No Cross Default Among Series. The occurrence of an Event of default hereunder or under any Supplemental Indenture with respect to any Series of Bonds shall constitute an Event of default under any other Supplemental Indenture with respect to any other Series of Bonds, unless the event giving rise to the Event of default also constitutes an Event of default hereunder or under the Supplemental Indenture with respect to such other Series of Bonds.

Section 912. Indemnification. Other than to make proper draws under a Credit Facility, the Trustee shall be under no obligation to institute any suit or to take any remedial proceeding under this Master Indenture or any Supplemental Indenture or to enter any appearances or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability. Notwithstanding the foregoing, the indemnification provided by this Section 912 shall not be applicable in cases of the Trustee’s gross negligence or willful misconduct.

Section 913. Provisions Relating to Bankruptcy or Insolvency of Landowner.

(a) The provisions of this Section 913 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel, or tax parcels which are in the aggregate, subject to at least five percent (5%) of the Assessments pledged to the Bonds of a Series then Outstanding, to any proceeding taken by the Trustee or any other person for any delay in applying any such application, and the Trustee shall incur no liability whatsoever to any Owner or to any other person for any delay in applying any such application or for any other action or position in any Proceeding in the event of any Proceeding involving an Insolvent Taxpayer.

(b) The District acknowledges and agrees that, although the Bonds of a Series were issued by the District, the Owners of the Bonds of a Series with respect to such other Series of Bonds. In any Proceeding, which is adverse to the Trustee's enforcement of the District’s claim and rights with respect to the Assessments relating to the Bonds of a Series then Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right to (A) file a proof of claim with respect to the Assessments pledged to the Bonds of a Series then Outstanding, (B) deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (C) defend any objection filed to said proof of claim.

The District acknowledges and agrees that it shall not be a defense to a breach of the foregoing covenants that it has acted on advice of counsel in not complying with the foregoing covenants.

Nothing in this Section 913 shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for Operation and Maintenance Assessments, and the District shall be free to pursue such a claim for Operation and Maintenance Assessments in such manner as it shall deem appropriate in its sole and absolute discretion; provided, however, that such claim shall not seek to reduce the amount or receipt of Assessments. Any actions taken by the District in pursuance of its claim for Operation and Maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee’s rights or consents with respect to the Assessments relating to the Bonds of a Series then Outstanding, whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (b)(iv) above.

ARTICLE X
EXECUTION OF INSTRUMENTS BY OWNERS AND PROOF OF OWNERSHIP OF BONDS

Section 1001. Execution of Instruments by Owners and Proof of Ownership of Bonds. Any request, direction, consent of other instrument in writing required or permitted by this Master Indenture or any Supplemental Indenture to be signed or executed by Owners may be in any number of concurrent
instruments of similar tenor and may be signed or executed by Owners or their attorneys or legal representatives. Proof of the execution of any such instrument shall be sufficient for any purpose of this Master Indenture and shall be conclusive in favor of the District with regard to any act or action taken by it under such instrument if verified by any officer in any jurisdiction who, by the laws thereof, has power to take affidavits within such jurisdiction, to the effect that such instrument was subscribed and sworn to before him, or by an affidavit of a witness to such execution. Where such execution is on behalf of a person other than an individual such verification or affidavit shall also constitute sufficient proof of the authority of the signer thereof.

Nothing contained in this Article X shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which it may deem sufficient. Any request or consent of the Owner of any Bond shall bind every future Owner of the same Bond in respect of anything done by the Trustee or the District in pursuance of such request or consent.

Section 1002. Deposit of Bonds. Notwithstanding the foregoing, neither the District nor the Trustees shall be required to recognize any person as an Owner of any Bond or to take any action at his request unless such Bond shall be deposited with the Trustee.

ARTICLE XI
SUPPLEMENTAL INDENTURES

Section 1101. Supplemental Indentures Without Owner Consent. The Governing Body from time to time may authorize such indentures supplemental hereto or amending hereto as shall not be inconsistent with the terms and provisions hereof (which Supplemental Indenture shall thereafter form a part hereof), without the consent of the Owners, for the following purposes:

(a) to provide for the initial issuance of a Series of Bonds or Refunding Bonds; or

(b) to make any change whatsoever to the terms and provisions of this Master Indenture, but only as such change relates to a Series of Bonds upon the original issuance thereof (or upon the original issuance of Refunding Bonds which defease and discharge the Supplemental Indenture of the Series of Bonds to be refunded) under and pursuant to the terms of the Supplemental Indenture effecting such change; or

(c) to cure any ambiguity or formal defect or omission or to correct any inconsistent provisions in this Master Indenture; or

(d) to grant to the Owners or to the Trustee on behalf of the Owners any additional rights or security that may lawfully be granted; or

(e) to add to the covenants and agreements of the District in this Master Indenture other covenants and agreements thereafter to be observed by the District to the benefit of the Owners of the Bonds then Outstanding; or

(f) to make such changes as may be necessary in order to reflect amendments to Chapters 170, 190, 197 and 298, Florida Statutes, or any other Florida Statutes, so long as, in the opinion of counsel to the District, such changes with (i) do not have a material adverse effect on the validity of the Bonds to which such changes relate; or (ii) if such changes do have a material adverse effect, that they nevertheless are required to be made as a result of such amendments; or

(g) to modify the provisions of this Master Indenture or any Supplemental Indenture provided that such modifications do not, in the written opinion of Bond Counsel, materially adversely affect the interests of the Owners of Bonds then Outstanding, upon which opinion the Trustee may conclusively rely.

Section 1102. Supplemental Indentures With Owner Consent.

(a) Subject to the provisions contained in this Section 1102, and not otherwise, the Majority Owners of Bonds then Outstanding shall have the right, from time to time, anything contained in this Master Indenture to the contrary notwithstanding, to consent to and approve the adoption of such indentures supplemental hereto or amending hereto as shall be deemed desirable by the District for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the provisions of this Master Indenture, provided, however, that nothing herein contained shall permit, or be construed as permitting, without the consent of all Owners of Bonds then Outstanding and affected by such supplemental or amendment,

(i) an extension of the maturity of, or an extension of the Interest Payment Date on, any Bond; or

(ii) a reduction in the principal, premium, or interest on any Bond;

(iii) a preference or priority of any Bond over any other Bond; or

(iv) a reduction in the aggregate principal amount of the Bonds required for consent to such Supplemental Indenture.

(b) In addition to the foregoing, the Majority Owners of any Series of Bonds then Outstanding shall have the right, from time to time, anything contained in this Master Indenture or in the Supplemental Indenture relating to such Series

cause it to be executed, in substantially such form, without liability or responsibility to any Owner.

Section 1103. Opinion of Bond Counsel With Respect to Supplemental Indenture. In addition to the other requirements herein set forth with respect to Supplemental Indentures or indentures supplemental to a Supplemental Indenture, no such indenture shall be effective unless and until there shall have been delivered to the Trustee, at the expense of the District, an opinion of Bond Counsel to the effect that such indenture is the valid and binding obligation of the District in this Master Indenture and that such indenture is permitted pursuant to this Section.

Section 1104. Supplemental Indenture Part of Indenture. Any Supplemental Indenture executed in accordance with this Article XI and approved as to legality by counsel to the District shall thereafter, except as otherwise provided herein, form a part of this Master Indenture. Except as applicable only to Bonds of a Series, all of the terms and conditions contained in any such Supplemental Indenture amending this Master Indenture shall be part of the terms and conditions hereof. The Trustee is not obligated to execute any amendment that is adverse to the interests of the Trustee.

Section 1105. Insurer or Issuer of a Credit Facility or Liquidity Facility as Owner of Bonds.

(a) As long as a Credit Facility or Liquidity Facility securing all or a portion of the Bonds then Outstanding is in effect, the Bond issuer thereof is not in default of any of its obligations under such Credit Facility or Liquidity Facility, as the case may be, the issuer of the Credit Facility or Liquidity Facility or the Trustee, to the extent so authorized in the applicable Supplemental Indenture, will be deemed to be the Owner of the Bonds of such Series secured by the Credit Facility or Liquidity Facility.

(i) at all times for the purpose of the execution and delivery of a Supplemental Indenture or any amendment, change or modification of the Master Indenture or the applicable Supplemental Indenture or the initiation by Owners of any action to be undertaken by the Trustee at the Owner's request, which under the terms of this Master Indenture or the applicable Supplemental Indenture requires the written approval or consent of or can be initiated by the Majority Owners of the Bonds of such Series then Outstanding;
(ii) at all times for the purpose of the mailing of any notice to Owners under the Master Indenture or the applicable Supplemental Indenture; and

(iii) following an Event of Default for all other purposes.

(b) Notwithstanding the foregoing, neither an Insurer nor the issuer of a Credit Facility or Liquidity Facility with respect to a Series of Bonds will be deemed to be an Owner of the Bonds of such Series with respect to any such Supplemental Indenture or of any amendment, change or modification of the Master Indenture which would have the effect of permitting:

(i) a change in the terms of redemption or maturity of any Bonds of a Series then Outstanding or of any installment of interest thereon; or

(ii) a reduction in the principal amount or the Redemption Price thereof or in rate of interest thereon; or

(iii) reducing the percentage or otherwise affecting the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment; or

(iv) creating any preference or priority of any Bond of a Series over any other Bond of such Series.

ARTICLE XII
DEFEASANCE
Section 1201. Defeasance and Discharge of the Lien of this Master Indenture and Supplemental Indentures.

(a) If the District pays or causes to be paid, or there shall otherwise be paid, to the Owners of all Bonds, the principal or Redemption Price, if applicable, and interest due or to become due thereon and the obligations under any Letter of Credit Agreement and any Liquidity Agreement, at the times and in the manner stipulated therein and in this Master Indenture and pays or causes to be paid all other moneys owing hereunder and under any Supplemental Indenture (including, without limitation the fees and expenses of the Trustee, including reasonable counsel fees and expenses), then the lien of this Master Indenture and all covenants, agreements and other obligations of the District to the Owners and the issuer of any Credit Facility or Liquidity Facility shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee upon the request of the District shall execute and deliver to the District all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee and the Paying Agent shall pay over or deliver, as directed by the District, all moneys or securities held by them pursuant to this Master Indenture which are not required for the payment of principal or Redemption Price, if applicable, on Bonds not theretofore surrendered for such payment or redemption or for payment of obligations under any Letter of Credit Agreement and any Liquidity Agreement. If the District pays or causes to be paid, or there shall otherwise be paid, to the Owners of all Bonds then Outstanding or of a particular maturity, of a particular Series or of any part of a particular maturity or Series, the principal or Redemption Price, if applicable, and interest due or to become due thereon and in the manner stipulated therein and in this Master Indenture, such Bonds shall cease to be entitled to any lien, benefit or security under this Master Indenture, and all covenants, agreements and obligations of the District to the Owners of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied. Anything to the contrary in this Section 1201 notwithstanding, this Master Indenture shall not be discharged nor shall any Bonds with respect to which moneys or Federal Securities have been deposited in accordance with the provisions of this Section 1201 cease to be entitled to the lien, benefit or security under this Master Indenture, except to the extent that the lien, benefit and security of this Master Indenture and the obligations of the District hereunder shall be limited solely to and such Bonds shall be secured solely by and be payable solely from the moneys or Federal Securities so deposited.

(b) Bonds or interest installments for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Trustee (through deposit pursuant to this Master Indenture of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in this Section 1201. All Bonds of any particular maturity or Series then Outstanding shall, prior to the maturity or redemption date thereof, be deemed to have been paid within the meaning and with the effect expressed in subsection (a) of this Section 1201 if:

(i) in case any of such Bonds are to be redeemed on any date prior to their maturity, the District shall have given to the Trustee or the Bond Registrar irrevocable instructions accepted in writing by the Trustee or the Bond Registrar to mail as provided in Article III hereof notice of redemption of such Bonds on such date;

(ii) there shall have been deposited with the Trustee other moneys in an amount which shall be sufficient, or Federal Securities, the principal of and the interest on which when due shall, as demonstrated in an Accountant’s Certificate, provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient, to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on or prior to the redemption date or maturity date thereof, as the case may be;

(iii) the District shall have given the Trustee or the Bond Registrar in form satisfactory to it irrevocable instructions to mail, postage prepaid, to each registered Owner of Bonds then Outstanding at the address, if any, appearing upon the registration books of the District, a notice to the registered Owners of such Bonds and to the Bond Registrar that the deposit required by (ii) above has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this Section 1201 and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price, if applicable, on such Bonds;

(iv) an opinion of Bond Counsel to the effect that such defeasance is permitted under this Master Indenture and the Supplemental Indenture relating to the Series of Bonds so defeased and that, in the case of Tax-Exempt Bonds, such defeasance will not adversely affect the tax-exempt status of such Series of Bonds.

(c) Neither Federal Securities nor moneys deposited with the Trustee pursuant to this Section 1201 nor principal or interest payments on such Federal Securities shall be withdrawn or used for any purpose other than, and shall become void and be discharged and satisfied. In such event, the Trustee upon

(i) to the extent such cash shall not be required at any time for such purpose as evidenced by an Accountant’s Certificate, and to the extent all obligations under any Letter of Credit Agreement and any Liquidity Agreement are satisfied, as determined by an Insurer or an issuer of any Credit Facility or Liquidity Facility securing the Bonds with respect to which such Federal Securities have been so deposited, shall be paid over upon the direction of the District as received by the Trustee, free and clear of any trust, lien, pledge or assignment securing such Bonds or otherwise existing under this Master Indenture; and

(ii) to the extent such cash shall be required for such purpose at a later date, to the extent practicable, be reinvested in Federal Securities maturing at times and in amounts sufficient to pay when due the principal or Redemption Price, if applicable, and interest to become due on such Bonds, or obligations under any Letter of Credit Agreement and any Liquidity Agreement, on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over as received by the Trustee to the District, free and clear of any lien, pledge or security interest securing such Bonds or otherwise existing under this Master Indenture.

For the purposes of this provision, Federal Securities means and includes only such securities which shall not be subject to redemption prior to their maturity other than at the option of the holder thereof.

(b) The Trustee shall deposit into the Series 2023 Revenue Account (i) Series 2023 Assessment Revenues other than Series 2023 Prepayments (which Series 2023 Prepayments shall be identified by the District to the Trustee as such in writing upon deposit, upon which certification the Trustee may conclusively rely, and which shall be deposited into the Series 2023 Prepayment Subaccount), (ii) Series 2023 Prepayment Interest, and (iii) any other revenues required by any other provisions of the Indenture to be deposited into the Series 2023 Revenue Account.

(c) On the forty-fifth (45th) day preceding each Quarterly Redemption Date (or if such forty-fifth (45th) day is not a Business Day, on the Business Day preceding such forty-fifth (45th) day), the Trustee shall determine the amount on deposit in the Series 2023 Prepayment Subaccount and, if the balance thereon is greater than zero, shall, upon written direction from the District, transfer from the Series 2023 Revenue Account to the Deposit Account an amount sufficient to increase the amount on deposit therein to the nearest integral multiple of $5,000 (provided that there are sufficient funds remaining in the Series 2023 Revenue Account to pay Debt Service coming due on the Series 2023 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2023 Bonds on the next succeeding Interest Payment Date in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2023 Prepayment Subaccount in accordance with the provisions for extraordinary mandatory redemption of the Series 2023 Bonds set forth in the form of Series 2023 Bonds attached hereto, Section 301 hereof, and Article III of the Master Indenture.

Following the foregoing transfer, on such May 1 or November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall then transfer amounts on deposit in the Series 2023 Revenue Account to the Accounts designated below in the following amounts and in the following order of priority:

FIRST, to the Series 2023 Interest Account, the amount, if any, equal to the difference between the amount of interest payable on all Series 2023 Bonds then Outstanding on such May 1 or November 1 and (i) the amount transferred from the Series 2023 Capitalized Interest Account in accordance with this Section 408(d) and (ii) the amount already on deposit in the Series 2023 Interest Account not previously credited;

THIRD, to the Series 2023 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2023 Reserve Account Requirement with respect to the Series 2023 Bonds and

FOURTH, the balance shall first be deposited into the Series 2023 Costs of Issuance Account to fund any deficiencies in the amount allocated to pay the costs of issuance relating to the Series 2023 Bonds, and then the balance shall be retained in the Series 2023 Revenue Account.

(e) On any date required by the Arbitrage Certificate, the District shall give the Trustee written notice to, and the Trustee shall, transfer from the Series 2023 Revenue Account to the Series 2023 Reserve Account the amount due and owing to the United States, which amount shall be paid to the United States when due in accordance with such Arbitrage Certificate.

Anything herein or in the Master Indenture to the contrary notwithstanding, on the forty-fifth (45th) day preceding each Quarterly Redemption Date (or, if such forty-fifth (45th) day is not a Business Day, on the Business Day preceding such forty-fifth (45th) day), the Trustee is hereby authorized and directed to recalculate the Series 2023 Reserve Account Requirement. Following such recalculation, the Trustee shall promptly notify the District of any excess on deposit in the Series 2023 Reserve Account (a) resulting from Prior Provisions, (b) resulting from the Series 2023 Prepayment Subaccount and applied as a credit against the Prepayment otherwise required to be made by the owner of such lot or parcel subject to such Prepayment and thereafter applied to the extraordinary mandatory redemption of the Series 2023 Bonds, (b) resulting from a reduction of the Series 2023 Reserve Account Requirement as the result of the Reserve Account Release Conditions being met into the Series 2023 Acquisition and Construction Account and used for the purposes of such Account, or (c) resulting from investment earnings as provided in Section 408(h) hereof.

On the earliest date on which there is on deposit in the Series 2023 Reserve Account sufficient moneys, after taking into account other moneys available therefor, to pay and redeem all of the Outstanding Series 2023 Bonds, together with accrued interest and redemption premium, if any, on such Series 2023 Bonds to the earliest Redemption Date permitted therein and herein, then the Trustee shall transfer the amount on deposit in the Series 2023 Reserve Account into the Series 2023 Prepayment Subaccount to pay and redeem all of the Outstanding Series 2023 Bonds on the earliest Redemption Date permitted for redemption therein and herein.

Anything herein or in the Master Indenture to the contrary notwithstanding, amounts on deposit in the Series 2023 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

Section 406. Amortization Installments; Selection of Bonds for Redemption. (a) The Trustee shall select the Series 2023 Bonds (other than Series 2023 Bonds redeemed in accordance with scheduled Amortization Installments and other than Series 2023 Bonds redeemed at the direction of the District accompanied by a cash flow certificate as required by Section 506(b) of the Master Indenture), the Trustee shall cause Series 2023 Bonds to be redeemed in such amounts and having
Obligations. Earnings on investments in the Series 2023 Acquisition and Construction Account, the Series 2023 Interest Account and the Series 2023 Capitalized Interest Account shall be retained, as realized, in such Accounts and used for the purpose of such Account. Earnings on investments in the Funds and Accounts other than the Series 2023 Reserve Account, and other than as set forth above, shall be deposited, as realized, to the credit of the Series 2023 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2023 Reserve Account shall be disposed of as follows:

(i) if there was no deficiency (as defined in Section 509 of the Master Indenture) in the Series 2023 Reserve Account as of the most recent date on which amounts on deposit in the Series 2023 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2023 Reserve Account since such date which have created a deficiency, then earnings on investments in the Series 2023 Reserve Account shall be deposited into the Series 2023 Capitalized Interest Account through May 1, 2024, and thereafter shall be deposited into the Series 2023 Revenue Account and used for the purpose of such Account; or

(ii) if there was a deficiency (as defined in Section 509 of the Master Indenture) in the Series 2023 Reserve Account as of the most recent date on which amounts on deposit in the Series 2023 Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series 2023 Reserve Account and have created such a deficiency, then earnings on investments in the Series 2023 Reserve Account shall be deposited into the Series 2023 Capitalized Interest Account through May 1, 2024, and thereafter shall be deposited into the Series 2023 Revenue Account and used for the purpose of such Account.

The foregoing determination and disbursement shall be made prior to any recalculation and transfer of excess amounts on deposit in the Series 2023 Reserve Account made pursuant to Section 405 hereof.

ARTICLE VI
CONCERNING THE TRUSTEE

Section 501. Acceptance by Trustee. The Trustee accepts the trusts declared and provided in this First Supplemental Indenture and agrees to perform such trusts upon the terms and conditions set forth herein and in the Master Indenture.

Section 703. Additional Covenant Regarding Assessments. In addition to, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the District covenants to comply with the terms of the Series 2023 Assessment Proceedings heretofore adopted with respect to the Series 2023 Assessments, including the Assessment Methodology, and to levy the Series 2023 Assessments and collect any required true-up payments set forth in the Assessment Methodology in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2023 Bonds, when due.

Section 704. Collection of Assessments. (a) Any person in or the Master Indenture to the contrary notwithstanding, when permitted by law, Series 2023 Assessments levied on platted lots and pledged hereunder to secure the Series 2023 Bonds shall be collected pursuant to the Uniform Method, and Series 2023 Assessments levied on unplatted lands and pledged hereunder to secure the Series 2023 Bonds shall be collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless otherwise directed by the Trustee acting at the direction of the Majority Owners upon the occurrence and continuance of an Event of Default.

(b) Series 2023 Assessments that are collected directly by the District and not via the Uniform Method shall be due and payable by each landowner no later than thirty (30) days prior to each respective Interest Payment Date.

Section 705. Foreclosure of Assessment Lien. Notwithstanding Section 814 of the Master Indenture or any other provision of the Indenture to the contrary, the following provisions shall apply with respect to the Series 2023 Assessments and Series 2023 Bonds.

If any property shall be offered for sale for the nonpayment of any Series 2023 Assessments and no person or persons shall purchase such property for an amount equal to the full amount due on the Series 2023 Assessments (principal, interest, penalties and costs, plus attorney's fees, if any), the property may then be purchased by the District for an amount less than or equal to the balance due on the Series 2023 Assessments (principal, interest, penalties and costs, plus attorney's fees, if any), from any legally available funds of the District and the District shall receive, in its corporate name or in the name of a special purpose entity, title to the property for the benefit of the Owners of the Series 2023 Bonds; provided that the Trustee shall have the right acting at the direction of the Majority Owners, but shall not be obligated, to direct the District with respect to any action taken pursuant to this Section 705. The District, either through its own actions or actions caused to be taken through the Trustee, shall have the power to lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Series 2023 Revenue Account. The District, either through its own actions or actions caused to be taken through the Trustee, agrees that it shall, after being provided assurances satisfactory to it of payment of its fees, costs and expenses for doing so, be required to take the measures provided by law for listing for sale of property acquired by it as trustee for the benefit of the Owners of the Series 2023 Bonds within sixty (60) days after the receipt of the request therefor signed by the Majority Owner or Owners. If the District, or the Majority Owner or Owners, pays costs associated with any actions taken by the District pursuant to this paragraph from any moneys legally available for such purpose held under the Indenture.

Section 706. Owner Direction and Consent with Respect to Series 2023 Acquisition and Construction Account Upon Occurrence of Event of Default. In accordance with the provisions of the Indenture, the Series 2023 Bonds are payable solely from the Series 2023 Pledged Revenues and the Series 2023 Pledged Funds held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the District hereby acknowledges that (a) the Series 2023 Pledged Funds include, without limitation, all amounts on deposit in the Series 2023 Acquisition and Construction Account then held by the Trustee, (b) upon the occurrence of an Event of Default with respect to the Series 2023 Bonds, the Series 2023 Pledged Funds may not be used by the District (whether to pay Costs of the Assessment Area One Project or otherwise) without the consent of the Majority Owners, except to the extent that prior to the occurrence of the Event of Default the District had incurred a binding obligation with third parties for work on the Assessment Area One Project and payment is for such work, and (c) upon the occurrence of an Event of Default with respect to the Series 2023 Bonds, the Series 2023 Pledged Funds may be used by the Trustee, at the direction or with the approval of the Majority Owners, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The District shall not enter into any binding agreement with respect to the Assessment Area One Project that will cause the expenditure of additional funds from the Series 2023 Trust Estate after the occurrence and during the continuance of an Event of Default unless authorized in writing by the Majority Owners.

Section 707. Assignment of District's Rights Under Collateral Assignments. Subject to the terms of the Collateral Assignments, the District hereby assigns its rights under the Collateral Assignments to the Trustee for the benefit of the Owners, from time to time, of the Series 2023 Bonds. The Trustee shall not be deemed to have accepted any obligation under the Collateral Assignments by virtue of such assignment.
Section 708. Enforcement of True-Up Agreements and Completion Agreements. The District, either through its own actions, or actions caused to be taken through the Trustee, covenants that it shall strictly enforce all of the provisions of the True-Up Agreements and the Completion Agreements and, upon the occurrence and continuance of a default under any or all of such Agreements, the District covenants and agrees that the Trustee, at the direction of the Majority Owners, may, subject to the provision of Section 912 of the Master Indenture, act on behalf of and in the District’s stead to enforce the provisions of such Agreements and to pursue all available remedies under applicable law or in equity. Anything herein or in the Master Indenture to the contrary notwithstanding, the District shall have a reasonable opportunity to cure.

Section 709. Payment of Rebate Amount. Anything herein or in the Master Indenture to the contrary notwithstanding, the District shall cause a Rebate Analyst to determine the Rebate Amount, if any, at the times and in the manner provided in the Tax Regulatory Covenants attached as an exhibit to the Arbitrage Certificate. If a Rebate Amount shall be due, the District shall deliver to the Trustee the written direction of an Authorized Officer to pay from the Series 2023 Rebate Account, or from any other available funds as shall be provided in such written direction, the Rebate Amount to the District for remittance to the Internal Revenue Service. The Trustee may conclusively rely on such written direction and shall have no responsibility for the calculation or payment of the Rebate Amount, if any. Notwithstanding Section 507(b) of the Master Indenture, the District shall not be required to provide the report of the Rebate Analyst to the Trustee.

The Series 2023 Bonds are equally and ratably secured by the Series 2023 Trust Estate, without prejudice or priority of one Series 2023 Bond over another. The Supplemental Indenture does not authorize the issuance of any additional Bonds ranking on parity with the Series 2023 Bonds as to the lien and pledge of the Series 2023 Trust Estate except, under certain circumstances, as provided in the Indenture. The Supplemental Indenture contains provisions limiting the imposition of capital Assessments on property subject to the Series 2023 Assessments.

On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2023 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price, together with other moneys if deposited with the Trustee or Paying Agent after the date when such Bond has become due and payable, either at its stated maturity or by call for earlier redemption, if such moneys were held by the Trustee or any Paying Agent at such date, or for two (2) years after the date of deposit of such moneys if deposited with the Trustee or Paying Agent after the date when such Bond became due and payable, shall be paid to the District, and thereupon and thereafter no claimant shall have any rights against the Paying Agent to or in respect of such moneys.

PROPOSED FORM OF APPROVING OPINION
OF BOND COUNSEL
FORM OF OPINION OF NABORS, GIBLIN & NICKERSON, P.A.,
WITH RESPECT TO THE SERIES 2023 BONDS

Upon delivery of the Series 2023 Bonds in definitive form, Nabors, Giblin & Nickerson, P.A., Tampa, Florida, Bond Counsel, proposes to render its opinion with respect to the Series 2023 Bonds in substantially the following form:

(Date of Closing)

Board of Supervisors
Center Lake Ranch West Community
Development District

Board Members:

We have examined a record of proceedings relating to the issuance by the Center Lake Ranch West Community Development District (the "District") of its $[Bond Amount] Capital Improvement Revenue Bonds, Series 2023 (Assessment Area One) (the "Series 2023 Bonds"). The Series 2023 Bonds are issued under the authority of the laws of the State of Florida, including Chapter 190, Florida Statutes (the "Act") and other applicable provisions of law, and pursuant to a Master Trust Indenture, dated as of December 1, 2023 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture, dated as of December 1, 2023 (the "Supplemental Indenture" and together with the Master Indenture, the "Indenture"), each between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee") and Resolution Nos. 2023-25 and 2023-33 adopted by the Board of Supervisors of the District on October 28, 2022 and July 20, 2023, respectively (collectively, the "Bond Resolution"). Capitalized terms used and not otherwise defined herein shall have the meanings ascribed thereto in the Indenture.

The Series 2023 Bonds are dated and shall bear interest from their date of delivery, except as otherwise provided in the Indenture. The Series 2023 Bonds will mature on the dates and in the principal amounts and will bear interest at the respective rates per annum, as provided in the Indenture and set forth in the Bond Purchase Contract executed in connection with the sale of the Series 2023 Bonds (the "Purchase Contract"). Interest on the Series 2023 Bonds shall be payable on each May 1 and November 1, commencing May 1, 2024. The Series 2023 Bonds are subject to redemption prior to maturity in accordance with the Indenture and as set forth in the Purchase Contract.
The Series 2023 Bonds are issued for the principal purposes of (a) financing a portion of the Cost of acquiring, constructing and equipping assessable improvements comprising the Assessment Area One Project, (b) paying certain costs associated with the issuance of the Series 2023 Bonds, (c) making a deposit into the Series 2023 Reserve Account to be held for the benefit of all of the Series 2023 Bonds, and (d) paying a portion of the interest to become due on the Series 2023 Bonds, all as more particularly described in the Indenture. The Series 2023 Bonds are payable from and secured by the Series 2023 Assessments levied on property within the District specially benefitted by the assessable improvements financed with the proceeds of the Series 2023 Bonds and also by the Series 2023 Pledged Revenues and Series 2023 Pledged Funds comprising the Series 2023 Trust Estate.

As to questions of fact material to our opinion, we have relied upon the representations of the District contained in the Bond Resolution and the Indenture and in the certified proceedings relating thereto and to the issuance of the Series 2023 Bonds and other certifications of public officials furnished to us in connection therewith including, but not limited to, the Final Judgment issued by the Circuit Court of the Ninth Judicial Circuit in and for Osceola County, Florida, in connection with the validation of the Series 2023 Bonds, without undertaking to verify the same by independent investigation. Furthermore, we have assumed continuing compliance with the covenants and agreements contained in the Indenture. We have not undertaken an independent audit, examination, investigation or inspection of the matters described or contained in any agreements, documents, certificates, representations and opinions relating to the Series 2023 Bonds, and have relied solely on the facts, estimates and circumstances described and set forth therein. In our examination of the foregoing, we have assumed the genuineness of signatures on all documents and instruments, the authenticity of documents submitted as originals and the conformity to originals of documents submitted as copies.

Based on the foregoing, under existing law, we are of the opinion that:

1. The District is a duly created and validly existing community development district under the Act.

2. The District has the right and power under the Act to authorize, execute and deliver the Indenture, and the Indenture has been duly and lawfully authorized, executed and delivered by the District, is in full force and effect in accordance with its terms and is valid and binding upon the District and enforceable in accordance with its terms. The Indenture creates the valid pledge which it purports to create of the Series 2023 Trust Estate in favor of the Series 2023 Bonds, including the Series 2023 Assessments, in the manner and to the extent provided in the Indenture.

3. The District is duly authorized and entitled to issue the Series 2023 Bonds and the Series 2023 Bonds have been duly and validly authorized and issued...
by the District in accordance with the Constitution and laws of the State of Florida, the Bond Resolution and the Indenture. The Series 2023 Bonds constitute valid and binding obligations of the District as provided in the Indenture and are enforceable in accordance with their terms and the terms of the Indenture and are entitled to the benefits of the Indenture and the Act. The Series 2023 Bonds do not constitute a general indebtedness of the District or the State of Florida or any agency, department or political subdivision thereof, or a pledge of the faith and credit of such entities, but are solely payable from the Series 2023 Trust Estate in the manner and to the extent provided in the Indenture. No holder of the Series 2023 Bonds shall ever have the right to compel the exercise of any ad valorem taxing power of the District or the State of Florida or any political subdivision, agency or department thereof to pay the Series 2023 Bonds.

4. Under existing statutes, regulations, rulings and court decisions, the interest on the Series 2023 Bonds (a) is excluded from gross income for federal income tax purposes and (b) is not an item of tax preference for purposes of the federal alternative minimum tax; provided, however, with respect to certain corporations, interest on the Series 2023 Bonds is taken into account in determining the annual adjusted financial statement income for the purpose of computing the alternative minimum tax imposed on such corporations for tax years beginning after December 31, 2022. The opinions set forth in this paragraph are subject to the condition that the District comply with all requirements of the Internal Revenue Code of 1986, as amended, that must be satisfied subsequent to the issuance of the Series 2023 Bonds in order that interest thereon be (or continues to be) excluded from gross income for federal income tax purposes. Failure to comply with certain of such requirements could cause the interest on the Series 2023 Bonds to be so included in gross income retroactive to the date of issuance of the Series 2023 Bonds. The District has covenanted in the Indenture to comply with all such requirements. Ownership of the Series 2023 Bonds may result in collateral federal tax consequences to certain taxpayers. We express no opinion regarding such federal tax consequences arising with respect to the Series 2023 Bonds.

5. The Series 2023 Bonds and interest thereon are exempt from taxation under the laws of the State of Florida, except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations, as defined in said Chapter 220.

It should be noted that, except as may expressly be set forth in an opinion delivered by us to the underwriter (on which opinion only it may rely) for the Series 2023 Bonds on the date hereof, we have not been engaged or undertaken to review (1) the accuracy, completeness or sufficiency of the Limited Offering Memorandum or other offering material relating to the Series 2023 Bonds and we express no opinion relating thereto, or (2) the compliance with any federal or state law with regard to the sale or distribution of the Series 2023 Bonds and we express no opinion relating thereto.
The opinions expressed in paragraphs 2 and 3 hereof are qualified to the extent that (1) the enforceability of the Indenture and the Series 2023 Bonds, respectively, may be limited by any applicable bankruptcy, insolvency, moratorium, reorganization or other similar laws affecting creditors' rights generally, or by the exercise of judicial discretion in accordance with general principles of equity, and (2) we have assumed the due authorization, execution and delivery of the Indenture by the Trustee.

The opinions set forth herein are expressly limited to, and we opine only with respect to, the laws of the State of Florida and the federal income tax laws of the United States of America. The only opinions rendered hereby shall be those expressly stated as such herein, and no opinion shall be implied or inferred as a result of anything contained herein or omitted herefrom.

This opinion is given as of the date hereof and we assume no obligation to update, revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

We have examined the form of the Series 2023 Bonds and, in our opinion, the form of the Series 2023 Bonds is regular and proper.

Very truly yours,

1.0 Introduction

1.1 Purpose

This Master Special Assessment Methodology Report for Assessment Area One (the "Report") was developed to provide a financing plan and a special assessment methodology for the 735 residential dwelling units projected to be developed within Assessment Area One ("Assessment Area One") of the Center Lake Ranch West Community Development District (the “District”), located in the City of St. Cloud, Osceola County, Florida, as related to funding the costs of public infrastructure improvements (the “Assessment Area One Project”) contemplated to be provided by the District in support of the development of Assessment Area One.

1.2 Scope of the Report

This Report presents the projections for financing the Assessment Area One Project, which is described in the First Supplemental Engineer’s Report (Assessment Area One) developed by Poulos & Bennett, LLC (the “District Engineer”) and dated June, 2023 (the “Supplemental Engineer’s Report”). This Report also presents the projections for financing the District’s Assessment Area One Project described in the Supplemental Engineer’s Report, as well as describes the method for the allocation of special benefits and the apportionment of special assessment debt resulting from the provision and funding of the Assessment Area One Project.

1.3 Special Benefits and General Benefits

The public infrastructure improvements undertaken and funded by the District as part of the Assessment Area One Project create special and peculiar benefits, different in kind and degree than general benefits, for properties within Assessment Area One as well as general benefits to properties outside of Assessment Area One and to the public at large. However, as discussed within this First Supplemental Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits which accrue to property within Assessment Area One. The District’s Assessment Area One Project enables properties within the boundaries of Assessment Area One to be developed.

There is no doubt that the general public and property owners of property outside Assessment Area One will benefit from the provision of the Assessment Area One Project. However, these benefits are only incidental since the Assessment Area One Project
is designed solely to provide special benefits peculiar to property within Assessment Area One. Properties outside Assessment Area One are not directly served by the Assessment Area One Project and do not depend upon the Assessment Area One Project to obtain or to maintain their development entitlements. This fact alone clearly distinguishes the special benefits which Assessment Area One properties receive compared to those lying outside of Assessment Area One's boundaries.

The Assessment Area One Project will provide public infrastructure improvements which are all necessary in order to make the lands within Assessment Area One developable and saleable. The installation of such improvements will cause the value of the developable and saleable lands within Assessment Area One to increase by more than the sum of the financed cost of the individual components of the Assessment Area One Project. Even though the exact value of the benefits provided by the Assessment Area One Project is hard to estimate at this point, it is nevertheless greater than the costs associated with providing the same.

1.4 Organization of the Report

Section Two describes the development program for Assessment Area One as proposed by the Developer, as defined below.

Section Three provides a summary of the Assessment Area One Project as determined by the District Engineer.

Section Four discusses the financing program for Assessment Area One.

Section Five introduces the special assessment methodology for Assessment Area One.

2.0 Development Program

2.1 Overview

The District will serve the Center Lake Ranch West development, a master planned residential development located in the City of St. Cloud, Osceola County, Florida. The land within the District consists of approximately 385.77 +/- acres and is generally located south of Starline Drive, west of undeveloped lands, north of Harkley Runyan Road and east of South Narcoossee Road.
2.2 The Assessment Area One Development Program

The development of Assessment Area One is anticipated to be conducted by Taylor Morrison of Florida, Inc. or an affiliated entity (the "Developer"). Based upon the information provided by the Developer and the District Engineer, the current development plan for Assessment Area One envisions a total of 735 residential dwelling units, although unit numbers, land use types and phasing may change throughout the development period. The portion of Assessment Area One that is projected to have the residential units constructed by the Developer and comprises portions of Neighborhood 1A West and Neighborhood 1A East is referred to as the “Taylor Morrison Parcel” while the portion of Assessment Area One that is projected to have the residential units constructed by M/I Homes of Orlando, LLC or an affiliate (“M/I Homes”) and comprises the Neighborhood 1B is referred to as the “M/I Homes Parcel”. Table 1 in the Appendix illustrates the development plan for Assessment Area One.

3.0 The Assessment Area One Project

3.1 Overview

The public infrastructure costs to be funded by the District are described by the District Engineer in the Engineer's Report. Only public infrastructure that may qualify for bond financing by the District under Chapter 190, Florida Statutes and under the Internal Revenue Code of 1986, as amended, was included in these estimates.

3.2 Assessment Area One Project

The Assessment Area One Project comprises a portion of the Capital Improvement Plan for the District and is designed to serve and will benefit the 735 residential dwelling units that are projected to be developed within the Assessment Area One. According to the Supplemental Engineer's Report, the Assessment Area One Project is comprised of certain offsite roadway and utility improvements which are designed to serve and benefit all parcels and units within Assessment Area One (the “Master Improvements”), certain neighborhood improvements (“Taylor Morrison Neighborhood Improvements”) for the Taylor Morrison Parcel, and certain neighborhood improvements (“M/I Homes Neighborhood Improvements”) for the M/I Homes Parcel.
The Assessment Area One Project is projected to include roadway improvements, stormwater improvements, utilities (water, sewer, reclaim), incremental cost of undergrounding of electric conduit, hardscape/landscape/irrigation, public passive amenities and conservation/mitigation. All of the public infrastructure improvements included in the Master Improvements portion of the Assessment Area One Project will comprise an interrelated systems of improvements for Assessment Area One, which means that all public infrastructure improvements that comprise the Master Improvements portion of the Assessment Area One Project will serve all lands and all land use types within Assessment Area One and all will be interrelated such that all public infrastructure improvements that comprise the Master Improvements portion of the Assessment Area One Project will reinforce one another.

Similarly, all of the public infrastructure improvements included in the Taylor Morrison Neighborhood Improvements and M/I Homes Neighborhood Improvements portions of the Assessment Area One Project will comprise separate interrelated systems of improvements for the Taylor Morrison Parcel and the M/I Homes Parcel respectively, which means that all public infrastructure improvements that comprise the Taylor Morrison Neighborhood Improvements portion of the Assessment Area One Project and the M/I Homes Neighborhood Improvements portion of the Assessment Area One Project will serve all lands and all land use types within the Taylor Morrison Parcel and the M/I Homes Parcel respectively and all will be interrelated such that all public infrastructure improvements that comprise the Taylor Morrison Neighborhood Improvements and the M/I Homes Neighborhood Improvements portions of the Assessment Area One Project will reinforce one another within the Taylor Morrison Parcel and the M/I Homes Parcel respectively.

Table 2 in the Appendix illustrates the specific components of the Assessment Area One Project and their costs, which total $72,780,293.

4.0 Financing Program

4.1 Overview

As noted above, the District is embarking on a program of capital improvements which will facilitate the development of lands within the District. Generally, construction of public improvements is either funded by the Developer and then acquired by the District or funded directly by the District. As of the time of writing of this Report, the
District will most likely acquire completed improvements from the Developer, although the District maintains the complete flexibility to either acquire the public infrastructure from the Developer or construct it, or even partly acquire it and partly construct it.

Even though the actual financing plan may change to include multiple series of bonds, it is likely that in order to fully fund costs of the Assessment Area One Project as described in Section 3.2 in one financing transaction, the District would have to issue approximately $96,170,000 in par amount of special assessment bonds (the “Bonds”).

Please note that the purpose of this Report is to allocate the benefit of the Assessment Area One Project to the various land uses in the District and based on such benefit allocation to apportion the maximum debt necessary to fund the Assessment Area One Project. The discussion of the structure and size of the indebtedness is based on various estimates and is subject to change.

4.2 Types of Bonds Proposed

The proposed financing plan for the District provides for the issuance of the Bonds in the approximate principal amount of $96,170,000 to finance approximately $72,780,293 in Assessment Area One Project costs. The Bonds as projected under this financing plan would be structured to be amortized in 30 annual installments following a 24-month capitalized interest period. Interest payments on the Bonds would be made every May 1 and November 1, and principal payments on the Bonds would be made either on May 1 or on November 1.

In order to finance the improvement and other costs, the District would need to borrow more funds and incur indebtedness in the total amount of approximately $96,170,000. The difference is comprised of debt service reserve, capitalized interest, underwriter's discount and costs of issuance. Preliminary sources and uses of funding for the Bonds are presented in Table 3 in the Appendix.

Please note that the structure of the Bonds as presented in this Report is preliminary and may change due to changes in the development program, market conditions, timing of infrastructure installation as well as for other reasons. The District maintains complete flexibility as to the structure of the Bonds and reserves the right to modify it as necessary.
5.0 Assessment Methodology

5.1 Overview

The issuance of the Bonds provides the District with funds necessary to construct/acquire the infrastructure improvements which are part of the Assessment Area One Project outlined in Section 3.2 and described in more detail by the District Engineer in the Engineer's Report. These improvements lead to special and general benefits, with special benefits accruing to the assessable properties within the boundaries of Assessment Area One and general benefits accruing to areas outside Assessment Area One but being only incidental in nature. The debt incurred in financing the public infrastructure will be secured by assessing properties that derive special and peculiar benefits from the Assessment Area One Project. All properties that receive special benefits from the Assessment Area One Project will be assessed for their fair share of the debt issued in order to finance all or a portion of the Assessment Area One Project.

5.2 Benefit Allocation

The most current development plan envisions the development of 735 residential dwelling units consisting of townhomes, villas and single-family units, although unit numbers and land use types may change throughout the development period.

All of the public infrastructure improvements included in the Master Improvements will comprise an interrelated systems of improvements for Assessment Area One, which means that all public infrastructure improvements that comprise the Master Improvements will serve all lands and all land use types within Assessment Area One and all will be interrelated such that all public infrastructure improvements that comprise the Master Improvements will reinforce one another.

Similarly, all of the public infrastructure improvements included in the Taylor Morrison Neighborhood Improvements and M/I Homes Neighborhood Improvements will comprise separate interrelated systems of improvements for the Taylor Morrison Parcel and the M/I Homes Parcel respectively, which means that all public infrastructure improvements that comprise the Taylor Morrison Neighborhood Improvements and the M/I Homes Neighborhood Improvements will serve all lands and all land use types within the Taylor Morrison Parcel and the M/I Homes Parcel respectively and all will be interrelated such that all public infrastructure improvements that comprise the Taylor Morrison Neighborhood Improvements and the
M/I Homes Neighborhood Improvements will reinforce one another within the Taylor Morrison Parcel and the M/I Homes Parcel respectively.

By allowing for the land in Assessment Area One to be developable, both the public infrastructure improvements that comprise the Assessment Area One Project and their combined benefit will be greater than the sum of their individual benefits. All of the land uses within Assessment Area One will benefit from each infrastructure improvement category that is part of the Master Improvements, all of the land uses within the Taylor Morrison Parcel and the M/I Homes Parcel will benefit from each infrastructure improvement category that is part of the Taylor Morrison Neighborhood Improvements and the M/I Homes Neighborhood Improvements respectively, as the improvements provide basic infrastructure to all land within Assessment Area One (for the Master Improvements) and within the Taylor Morrison Parcel and the M/I Homes Parcel (for the Taylor Morrison Neighborhood Improvements and the M/I Homes Neighborhood Improvements respectively) and benefit all land within Assessment Area One (for the Master Improvements), the Taylor Morrison Parcel (for the Taylor Morrison Neighborhood Improvements) and M/I Homes Parcel (for the M/I Homes Neighborhood Improvements) as integrated systems of improvements.

As stated previously, the public infrastructure improvements included in the Assessment Area One Project have a logical connection to the special and peculiar benefits received by the land within Assessment Area One, as without such improvements, the development of the properties within Assessment Area One Project would not be possible. Based upon the connection between the improvements and the special and peculiar benefits to the land within Assessment Area One Project, the District can assign or allocate a portion of the District's debt through the imposition of non-ad valorem assessments, to the land receiving such special and peculiar benefits. Even though these special and peculiar benefits are real and ascertainable, the precise amount of the benefit cannot yet be calculated with mathematical certainty. However, such benefit is more valuable than the cost of, or the actual non-ad valorem assessment amount levied on that parcel.

The benefit associated with the Assessment Area One Project of the District is proposed to be allocated to the different unit types within Assessment Area One Project in proportion to the density of development and intensity of use of the infrastructure as measured by a standard unit called an Equivalent Residential Unit ("ERU").
Table 4 in the *Appendix* illustrates the ERU weights that are proposed to be assigned to the unit types contemplated to be developed within Assessment Area One Project based on the relative density of development and the intensity of use of master infrastructure, the total ERU counts for each unit type, and the share of the benefit received by each unit type.

The rationale behind different ERU weights is supported by the fact that generally and on average smaller units, such as townhomes, will use and benefit from the District's improvements less than larger units, such as single-family units, as for instance, generally and on average smaller units or units produce less storm water runoff, may produce fewer vehicular trips, and may need less water/sewer capacity than larger units. Additionally, the value of the larger units is likely to appreciate by more in terms of dollars than that of the smaller units as a result of the implementation of the Assessment Area One Project. As the exact amount of the benefit and appreciation is not possible to be calculated at this time, the use of ERU measures serves as a reasonable approximation of the relative amount of benefit received by the different unit types from the District's improvements.

Table 5 in the *Appendix* which illustrates the calculation of the costs of the Master Improvements, Taylor Morrison Neighborhood Improvements and M/I Homes Neighborhood Improvements that are attributable to the various product types proposed to be developed within Assessment Area One, while Table 6 in the *Appendix* presents the apportionment of the assessment associated with funding the District’s Assessment Area One Project (the “Bond Assessments”) in accordance with the ERU benefit allocation method presented in Table 4. Table 6 also presents the annual levels of the projected annual debt service assessments per unit.

**Amenities.** No Bond Assessments are allocated herein to any private amenities or other common areas planned for the development. If owned by a homeowner’s association, the amenities and common areas would be considered a common element for the exclusive benefit of property owners. Accordingly, any benefit to the amenities and common areas would directly benefit all platted lots in the District. If the common elements are owned by the District, then they would be governmental property not subject to the Bond Assessments and would be open to the general public, subject to District rules and policies. As such, no Bond Assessments will be assigned to the amenities and common areas.
**Government Property.** Real property owned by units of local, state, and federal governments, or similarly exempt entities, shall not be subject to the Bond Assessments without specific consent thereto. If at any time, any real property on which Bond Assessments are imposed is sold or otherwise transferred to a unit of local, state, or federal government, or similarly exempt entity, all future unpaid Bond Assessments for such tax parcel shall become due and payable immediately prior to such transfer by way of a mandatory true-up payment without any further action of the District.

### 5.3 Assigning Bond Assessments

As the land within both the Taylor Morrison Parcel and the M/I Homes Parcel is not yet platted for its intended final use and the precise location of the various land use types by lot or parcel is unknown, the Bond Assessments will initially be levied on all of the land within the Taylor Morrison Parcel and the M/I Homes Parcel respectively, on a pro-rata gross acre basis. Thus, the Bond Assessments in the amount of $66,069,619.86 (the amount of Bond Assessments proposed to be apportioned to the Taylor Morrison Parcel) will be preliminarily levied on approximately 161.95 +/- gross acres (the number of gross acres contained within the Taylor Morrison Parcel) at the rate of $407,963.07 per gross acre, while the Bond Assessments in the amount of $30,100,380.14 (the amount of Bond Assessments proposed to be apportioned to the M/I Homes Parcel) will be preliminarily levied on approximately 72.35 +/- gross acres (the number of gross acres contained within the M/I Homes Parcel) at the rate of $416,038.43 per gross acre.

When the land is platted, the Bond Assessments will be allocated to each platted parcel on a first platted-first assigned basis based on the planned land use for that platted parcel as reflected in Table 6 in the Appendix. Such allocation of Bond Assessments from unplatted gross acres to platted parcels will reduce the amounts of Bond Assessments levied on unplatted gross acres within the District.

**Transferred Property.** In the event unplatted land is sold to a third party (the “Transferred Property”), the Bond Assessments will be assigned to such Transferred Property at the time of the sale based on the maximum total number of ERUs (as herein defined) assigned by the Developer to that Transferred Property, subject to review by the District’s methodology consultant, to ensure that any such assignment is reasonable, supported by current development rights and plans, and otherwise consistent with this Report. The owner of the Transferred Property will be responsible for the total Bond Assessments applicable to the Transferred Property, regardless of
the total number of ERUs ultimately actually platted. This total Bond Assessment is allocated to the Transferred Property at the time of the sale. If the Transferred Property is subsequently sub-divided into smaller parcels, the total Bond Assessments initially allocated to the Transferred Property will be re-allocated to the smaller parcels pursuant to the methodology as described herein (i.e., equal assessment per gross acre until platting).

5.4 Lienability Test: Special and Peculiar Benefit to the Property

As first discussed in Section 1.3, Special Benefits and General Benefits, public infrastructure improvements undertaken by the District create special and peculiar benefits to certain properties within Assessment Area One. The District’s public infrastructure improvements benefit assessable properties within Assessment Area One and accrue to all such assessable properties on an ERU basis.

Public infrastructure improvements undertaken by the District can be shown to be creating special and peculiar benefits to the property within Assessment Area One. The special and peculiar benefits resulting from each improvement are:

a. added use of the property;
b. added enjoyment of the property;
c. decreased insurance premiums; and
d. increased marketability and value of the property.

The public infrastructure improvements which are part of the Assessment Area One Project make the land in Assessment Area One developable and saleable and when implemented jointly as parts of the Assessment Area One Project, provide special and peculiar benefits which are greater than the benefits of any single category of improvements. These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value; however, such benefits are more valuable than either the cost of, or the actual assessment levied for, the improvement or debt allocated to the parcel of land.

5.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay

A reasonable estimate of the proportion of special and peculiar benefits received by the various land use types from the improvements is delineated in Table 4 (expressed as the ERU factors).
The apportionment of the assessments is fair and reasonable because it was conducted on the basis of consistent application of the methodology described in Section 5.2 across all assessable property within Assessment Area One according to reasonable estimates of the special and peculiar benefits derived from the Assessment Area One Project.

Accordingly, no acre or parcel of property within Assessment Area One will be liened for the payment of the Series 2023 Bond Assessments more than the determined special benefit peculiar to that property.

5.6 True-Up Mechanism

The District’s assessment program is predicated on the development of lots in a manner sufficient to include all of the planned Equivalent Residential Units (“ERUs”) as set forth in Table 4 in the Appendix (“Development Plan”). At such time as lands are to be platted (or re-platted) or site plans are to be approved (or re-approved), the plat or site plan (either, herein, “Proposed Plat”) shall be presented to the District for a “true-up” review as follows:

a. If a Proposed Plat results in the same amount of ERUs (and thus Bond Assessments) able to be imposed on the “Remaining Unplatted Lands” (i.e., those remaining unplatted lands after the Proposed Plat is recorded) as compared to what was originally contemplated under the Development Plan, then the District shall allocate the Bond Assessments to the product types being platted and the remaining property in accordance with this Report, and cause the Bond Assessments to be recorded in the District’s improvement lien book.

b. If a Proposed Plat results in a greater amount of ERUs (and thus Bond Assessments) able to be imposed on the Remaining Unplatted Lands as compared to what was originally contemplated under the Development Plan, then the District may undertake a pro rata reduction of Bond Assessments for all assessed properties within the Property, or may otherwise address such net decrease as permitted by law.

c. If a Proposed Plat results in a lower amount of ERUs (and thus Bond Assessments) able to be imposed on the Remaining Unplatted Lands as compared to what was originally contemplated under the Development Plan, then the District shall require the landowner(s) of the lands encompassed by the Proposed Plat to pay
a “True-Up Payment” equal to the difference between: (i) the Bond Assessments originally contemplated to be imposed on the lands subject to the Proposed Plat, and (ii) the Bond Assessments able to be imposed on the lands subject to the Proposed Plat, after the Proposed Plat (plus applicable interest, collection costs, penalties, etc.).

With respect to the foregoing true-up analysis, the District’s Assessment Consultant, in consultation with the District Engineer and District Counsel, shall determine in his or her sole discretion what amount of ERUs (and thus Bond Assessments) are able to be imposed on the Remaining Unplatted Lands, taking into account a Proposed Plat, by reviewing: a) the original, overall development plan showing the number and type of units reasonably planned for the development, b) the revised, overall development plan showing the number and type of units reasonably planned for the development, c) proof of the amount of entitlements for the Remaining Unplatted Lands, d) evidence of allowable zoning conditions that would enable those entitlements to be placed in accordance with the revised development plan, and e) documentation that shows the feasibility of implementing the proposed development plan. Prior to any decision by the District not to impose a true-up payment, a supplemental methodology shall be produced demonstrating that there will be sufficient assessments to pay debt service on the applicable series of bonds and the District will conduct new proceedings under Chapters 170, 190 and 197, Florida Statutes upon the advice of District Counsel.

Any True-Up Payment shall become due and payable that tax year by the landowner of the lands subject to the Proposed Plat, shall be in addition to the regular assessment installment payable for such lands, and shall constitute part of the debt assessment liens imposed against the Proposed Plat property until paid. A True-Up Payment shall include accrued interest on the applicable bond series to the interest payment date that occurs at least 45 days after the True-Up Payment (or the second succeeding interest payment date if such True-Up Payment is made within forty-five (45) calendar days before an interest payment date (or such other time as set forth in the supplemental indentures for the applicable bond series)).

All Bond Assessments levied run with the land, and such assessment liens include any True-Up Payments. The District will not release any liens on property for which True-Up Payments are due, until provision for such payment has been satisfactorily made. Further, upon the District’s review of the final plat for the developable acres, any unallocated Bond Assessments shall become due and payable and
must be paid prior to the District’s approval of that plat. This true-up process applies for both plats and/or re-plats.

Such review shall be limited solely to the function and the enforcement of the District’s assessment liens and/or true-up agreements. Nothing herein shall in any way operate to or be construed as providing any other plat approval or disapproval powers to the District. For further detail on the true-up process, please refer to the True-Up Agreement and applicable assessment resolution(s).

5.7 Additional Items Regarding Bond Assessment Imposition and Allocation

This Report is intended to establish the necessary benefit and fair and reasonable allocation findings for a master assessment lien, which may give rise to one or more individual assessment liens relating to individual bond issuances necessary to fund all or a portion of the project(s) referenced herein comprising the Assessment Area One Project. All such liens shall be within the benefit limits established herein and using the allocation methodology described herein, and shall be described in one or more supplemental reports.

As noted herein, the Assessment Area One Project functions as a system of improvements. Among other implications, this means that proceeds from any particular bond issuance can be used to fund improvements within any benefitted property or designated assessment area within the District, regardless of where the Bond Assessments are levied, provided that Bond Assessments are fairly and reasonably allocated across all benefitted properties.

As set forth in any supplemental report, and for any particular bond issuance, the Developer may opt to “buy down” the Bond Assessments on particular product types and/or lands using a contribution of cash, infrastructure or other consideration, and in order for Bond Assessments to reach certain target levels. Note that any “true-up,” as described herein, may require a payment to satisfy “true-up” obligations as well as additional contributions to maintain such target assessment levels. Any amounts contributed by the Developer to pay down Bond Assessment will not be eligible for “deferred costs,” if any are provided for in connection with any particular bond issuance.

In the event that the Assessment Area One Project is not completed, required contributions are not made, additional benefitted lands are added to the District and/or assessment area(s), or under certain
other circumstances, the District may elect to reallocate the Bond Assessments, and the District expressly reserves the right to do so, provided however that any such reallocation shall not be construed to relieve any party of contractual or other obligations to the District.

5.8 Preliminary Assessment Roll

The Bond Assessments in the amount of $66,069,619.86 are proposed to be levied over the area described in Exhibit “A” while Bond Assessments in the amount of $30,100,380.14 are proposed to be levied over the area described in Exhibit “B”. Excluding any capitalized interest period, debt service assessments shall be paid in no more than thirty (30) annual principal installments.

1.0 Introduction

1.1 Purpose

This Preliminary First Supplemental Special Assessment Methodology Report for Assessment Area One (the “Preliminary First Supplemental Report”) was developed to supplement the Master Special Assessment Methodology Report for Assessment Area One (the “Master Report”) dated June 28, 2023 and to provide a supplemental financing plan and a supplemental special assessment methodology for Assessment Area One (to be defined further herein) of the Center Lake Ranch West Community Development District (the “District”), located in the City of St. Cloud, Osceola County, Florida, as related to funding a portion of the costs of the acquisition and construction of public infrastructure improvements contemplated to be provided by the District to support the development of 735 residential dwelling units projected to be developed within Assessment Area One of the District (“Assessment Area One”).

1.2 Scope of the Preliminary First Supplemental Report

This Preliminary First Supplemental Report presents the projections for financing a portion of what is known as the “Assessment Area One Project,” which refers to the portion of the District’s overall “Capital Improvement Plan” related to the development and supporting the development of Assessment Area One. The Assessment Area One Project is described in the First Supplemental Engineer’s Report (Assessment Area One) developed by Poulos & Bennett, LLC (the “District Engineer”) and dated November 2023 (the “Supplemental Engineer’s Report”). This Preliminary First Supplemental Report also describes the method for the allocation of special benefits and the apportionment of special assessment debt resulting from the provision and funding a portion of the Assessment Area One Project with proceeds of indebtedness projected to be issued by the District.

1.3 Special Benefits and General Benefits

The public infrastructure improvements undertaken and funded by the District as part of the Assessment Area One Project create special and peculiar benefits, different in kind and degree than general benefits, for properties within Assessment Area One as well as general benefits to properties outside of Assessment Area One and to the public at large. However, as discussed within this Preliminary First Supplemental Report, these general benefits are
incidental in nature and are readily distinguishable from the special and peculiar benefits which accrue to property within Assessment Area One. The District’s Assessment Area One Project enables properties within the boundaries of Assessment Area One to be developed.

There is no doubt that the general public and property owners of property outside Assessment Area One will benefit from the provision of the Assessment Area One Project. However, these benefits are only incidental since the Assessment Area One Project is designed solely to provide special benefits peculiar to property within Assessment Area One. Properties outside Assessment Area One are not directly served by the Assessment Area One Project and do not depend upon the Assessment Area One Project to obtain or to maintain their development entitlements. This fact alone clearly distinguishes the special benefits which Assessment Area One properties receive compared to those lying outside of Assessment Area One’s boundaries.

The Assessment Area One Project will provide public infrastructure improvements which are all necessary in order to make the lands within Assessment Area One developable and saleable. The installation of such improvements will cause the value of the developable and saleable lands within Assessment Area One to increase by more than the sum of the financed cost of the individual components of the Assessment Area One Project. Even though the exact value of the benefits provided by the Assessment Area One Project is hard to estimate at this point, it is nevertheless greater than the costs associated with providing the same.

1.4 Organization of the Preliminary First Supplemental Report

Section Two describes the development program for Assessment Area One as proposed by the Developer, as defined below.

Section Three provides a summary of the Assessment Area One Project as determined by the District Engineer.

Section Four discusses the financing program for Assessment Area One.

Section Five introduces the special assessment methodology for Assessment Area One.
2.0 Development Program

2.1 Overview

The District serves the Center Lake Ranch West development, a master planned residential development located in the City of St. Cloud, Osceola County, Florida. The land within the District consists of approximately 385.77 +/- acres and is generally located south of Starline Drive, west of undeveloped lands, north of Harkley Runyan Road and east of South Narcoossee Road.

2.2 The Assessment Area One Development Program

The development of Assessment Area One is anticipated to be conducted by Taylor Morrison of Florida, Inc. or an affiliated entity (the "Developer"). Based upon the information provided by the Developer and the District Engineer, the current development plan for Assessment Area One envisions a total of 735 residential dwelling units, although unit numbers, land use types and phasing may change throughout the development period. The portion of Assessment Area One that is projected to have the residential units constructed by the Developer and comprises portions of Neighborhood 1A West and Neighborhood 1A East is referred to as the "Taylor Morrison Parcel" while the portion of Assessment Area One that is projected to have the residential units constructed by M/I Homes of Orlando, LLC or an affiliate ("M/I Homes") and comprises the Neighborhood 1B is referred to as the "M/I Homes Parcel". Table 1 in the Appendix illustrates the development plan for Assessment Area One.

3.0 The Assessment Area One Project

3.1 Overview

The public infrastructure costs to be funded by the District are described by the District Engineer in the Engineer's Report. Only public infrastructure that may qualify for bond financing by the District under Chapter 190, Florida Statutes and under the Internal Revenue Code of 1986, as amended, was included in these estimates.

3.2 Assessment Area One Project

The Assessment Area One Project comprises a portion of the Capital Improvement Plan for the District and is designed to serve and will benefit the 735 residential dwelling units that are projected to be
developed within the Assessment Area One. According to the Supplemental Engineer’s Report, the Assessment Area One Project is comprised of certain offsite roadway and utility improvements which are designed to serve and benefit all parcels and units within Assessment Area One (the “Master Improvements”), certain neighborhood improvements (“Taylor Morrison Neighborhood Improvements”) for the Taylor Morrison Parcel, and certain neighborhood improvements (“M/I Homes Neighborhood Improvements”) for the M/I Homes Parcel.

The Assessment Area One Project is projected to include roadway improvements, stormwater improvements, utilities (water, sewer, reclaim), incremental cost of undergrounding of electric conduit, hardscape/landscape/irrigation, public passive amenities and conservation/mitigation. All of the public infrastructure improvements included in the Master Improvements portion of the Assessment Area One Project will comprise an interrelated systems of improvements for Assessment Area One, which means that all public infrastructure improvements that comprise the Master Improvements portion of the Assessment Area One Project will serve all lands and all land use types within Assessment Area One and all will be interrelated such that all public infrastructure improvements that comprise the Master Improvements portion of the Assessment Area One Project will reinforce one another.

Similarly, all of the public infrastructure improvements included in the Taylor Morrison Neighborhood Improvements and M/I Homes Neighborhood Improvements portions of the Assessment Area One Project will comprise separate interrelated systems of improvements for the Taylor Morrison Parcel and the M/I Homes Parcel respectively, which means that all public infrastructure improvements that comprise the Taylor Morrison Neighborhood Improvements portion of the Assessment Area One Project and the M/I Homes Neighborhood Improvements portion of the Assessment Area One Project will serve all lands and all land use types within the Taylor Morrison Parcel and the M/I Homes Parcel respectively and all will be interrelated such that all public infrastructure improvements that comprise the Taylor Morrison Neighborhood Improvements and the M/I Homes Neighborhood Improvements portions of the Assessment Area One Project will reinforce one another within the Taylor Morrison Parcel and the M/I Homes Parcel respectively.

Table 2 in the Appendix illustrates the specific components of the Assessment Area One Project and their costs, which total $74,280,293.
4.0 Financing Program

4.1 Overview

As noted above, the District is embarking on a program of public infrastructure improvements which will facilitate the development of lands within Assessment Area One. Generally, construction of public infrastructure improvements is either funded by the Developer and then acquired by the District or funded directly by the District. The choice of the exact mechanism for providing public infrastructure improvements has not yet been made at the time of this writing, and the District may either acquire the public infrastructure from the Developer or construct it, or even partly acquire it and partly construct it.

The District intends to issue Capital Improvement Revenue Bonds, Series 2023 (Assessment Area One) in the estimated principal amount of $13,495,000* (the "Series 2023 Bonds") to fund a portion of the Assessment Area One Project costs in the estimated total amount of $11,908,376.16*. It is anticipated that any costs of the Assessment Area One Project which are not funded by the Series 2023 Bonds will be completed or funded by the Developer pursuant to a Completion Agreement and an Acquisition Agreement that will be entered into by the Developer and the District.

4.2 Types of Bonds Proposed

The financing plan for the District provides for the issuance of the Series 2023 Bonds in the estimated principal amount of $13,495,000* to finance a portion of the Assessment Area One Project costs in the estimated total amount of $11,908,376.16*. The Series 2023 Bonds are structured to be amortized in 30 annual installments. Interest payments on the Series 2023 Bonds will be made every May 1 and November 1, and principal payments on the Series 2023 Bonds will be made on May 1.

In order to finance a portion of the costs of the Assessment Area One Project in the estimated total amount of $11,908,376.16*, the District will need to borrow more funds and incur indebtedness in the estimated principal amount of $13,495,000*. The difference is comprised of debt service reserve, capitalized interest, and costs of issuance, which include the underwriter's discount. Preliminary sources and uses of funding for the Series 2023 Bonds are presented in Table 3 in the Appendix.

* Preliminary, subject to change.
5.0 Assessment Methodology

5.1 Overview

The issuance of the Series 2023 Bonds provides the District with funds necessary to construct/acquire the infrastructure improvements which are part of the Assessment Area One Project outlined in Section 3.2 and described in more detail by the District Engineer in the Supplemental Engineer's Report. These improvements lead to special and general benefits, with special benefits accruing to the assessable properties within the boundaries of Assessment Area One and general benefits accruing to areas outside of Assessment Area One but being only incidental in nature. The debt incurred in financing the public infrastructure will be secured by assessing properties that derive special and peculiar benefits from the Assessment Area One Project. All properties that receive special benefits from the Assessment Area One Project will be assessed for their fair share of the debt issued in order to finance all or a portion of the Assessment Area One Project.

5.2 Benefit Allocation

The most current development plan envisions the development of 735 residential dwelling units consisting of townhomes, villas and single-family units, although unit numbers and land use types may change throughout the development period.

All of the public infrastructure improvements included in the Master Improvements will comprise an interrelated systems of improvements for Assessment Area One, which means that all public infrastructure improvements that comprise the Master Improvements will serve all lands and all land use types within Assessment Area One and all will be interrelated such that all public infrastructure improvements that comprise the Master Improvements will reinforce one another.

Similarly, all of the public infrastructure improvements included in the Taylor Morrison Neighborhood Improvements and M/I Homes Neighborhood Improvements will comprise separate interrelated systems of improvements for the Taylor Morrison Parcel and the M/I Homes Parcel respectively, which means that all public infrastructure improvements that comprise the Taylor Morrison Neighborhood Improvements and the M/I Homes Neighborhood Improvements will serve all lands and all land use types within the Taylor Morrison Parcel and the M/I Homes Parcel respectively and all will be interrelated such that all public infrastructure improvements that
comprise the Taylor Morrison Neighborhood Improvements and the M/I Homes Neighborhood Improvements will reinforce one another within the Taylor Morrison Parcel and the M/I Homes Parcel respectively.

By allowing for the land in Assessment Area One to be developable, both the public infrastructure improvements that comprise the Assessment Area One Project and their combined benefit will be greater than the sum of their individual benefits. All of the land uses within Assessment Area One will benefit from each infrastructure improvement category that is part of the Master Improvements, all of the land uses within the Taylor Morrison Parcel and the M/I Homes Parcel will benefit from each infrastructure improvement category that is part of the Taylor Morrison Neighborhood Improvements and the M/I Homes Neighborhood Improvements respectively, as the improvements provide basic infrastructure to all land within Assessment Area One (for the Master Improvements) and within the Taylor Morrison Parcel and the M/I Homes Parcel (for the Taylor Morrison Neighborhood Improvements and the M/I Homes Neighborhood Improvements respectively) and benefit all land within Assessment Area One (for the Master Improvements), the Taylor Morrison Parcel (for the Taylor Morrison Neighborhood Improvements) and M/I Homes Parcel (for the M/I Homes Neighborhood Improvements) as integrated systems of improvements.

As stated previously, the public infrastructure improvements included in the Assessment Area One Project have a logical connection to the special and peculiar benefits received by the land within Assessment Area One, as without such improvements, the development of the properties within Assessment Area One Project would not be possible. Based upon the connection between the improvements and the special and peculiar benefits to the land within Assessment Area One Project, the District can assign or allocate a portion of the District’s debt through the imposition of non-ad valorem assessments, to the land receiving such special and peculiar benefits. Even though these special and peculiar benefits are real and ascertainable, the precise amount of the benefit cannot yet be calculated with mathematical certainty. However, such benefit is more valuable than the cost of, or the actual non-ad valorem assessment amount levied on that parcel.

The benefit associated with the Assessment Area One Project of the District is proposed to be allocated to the different unit types within Assessment Area One Project in proportion to the density of development and intensity of use of the infrastructure as measured
by a standard unit called an Equivalent Residential Unit ("ERU"). Table 4 in the Appendix illustrates the ERU weights that are proposed to be assigned to the unit types contemplated to be developed within Assessment Area One Project based on the relative density of development and the intensity of use of master infrastructure, the total ERU counts for each unit type, and the share of the benefit received by each unit type.

The rationale behind different ERU weights is supported by the fact that generally and on average smaller units, such as townhomes, will use and benefit from the District's improvements less than larger units, such as single-family units, as for instance, generally and on average smaller units or units produce less storm water runoff, may produce fewer vehicular trips, and may need less water/sewer capacity than larger units. Additionally, the value of the larger units is likely to appreciate by more in terms of dollars than that of the smaller units as a result of the implementation of the Assessment Area One Project. As the exact amount of the benefit and appreciation is not possible to be calculated at this time, the use of ERU measures serves as a reasonable approximation of the relative amount of benefit received by the different unit types from the District's improvements.

In order to facilitate the marketing of the residential units developed within Assessment Area One, the Developer requested that the District limit the amounts of annual assessments for debt service on the Series 2023 Bonds (the “Series 2023 Bond Assessments”) to certain predetermined levels. In order to accomplish that goal, the Developer will be required as part of the Completion Agreement and Acquisition Agreement to provide at no cost to the District a certain amount of public infrastructure improvements in the estimated amount of $62,371,916.84*, which represent a required “buy down” of assessment levels. See Table 5 in the Appendix which illustrates the calculation of the costs of the Master Improvements, Taylor Morrison Neighborhood Improvements and M/I Homes Neighborhood Improvements that are attributable to the various product types proposed to be developed within Assessment Area One as well as the “buy down” of assessment levels in excess of the total amount available from the proceeds of the Series 2023 Bonds.

Table 6 in the Appendix presents the apportionment of the Series 2023 Bond Assessments in accordance with the ERU benefit allocation method presented in Table 4 as modified by the effects of the contributions illustrated in Table 5 in the Appendix. Table 6 also

* Preliminary, subject to change.
presents the annual levels of the annual debt service assessments per unit.

**Amenities.** No Series 2023 Bond Assessments are allocated herein to any private amenities or other common areas planned for the development. If owned by a homeowner’s association, the amenities and common areas would be considered a common element for the exclusive benefit of property owners. Accordingly, any benefit to the amenities and common areas would directly benefit all platted lots in the District. If the common elements are owned by the District, then they would be governmental property not subject to the Series 2023 Bond Assessments and would be open to the general public, subject to District rules and policies. As such, no Series 2023 Bond Assessments will be assigned to the amenities and common areas.

**Government Property.** Real property owned by units of local, state, and federal governments, or similarly exempt entities, shall not be subject to the Series 2023 Bond Assessments without specific consent thereto. If at any time, any real property on which Series 2023 Bond Assessments are imposed is sold or otherwise transferred to a unit of local, state, or federal government, or similarly exempt entity, all future unpaid Series 2023 Bond Assessments for such tax parcel shall become due and payable immediately prior to such transfer by way of a mandatory true-up payment without any further action of the District.

### 5.3 Assigning Series 2023 Bond Assessments

As the land within both the Taylor Morrison Parcel and the M/I Homes Parcel is not yet platted for its intended final use and the precise location of the various land use types by lot or parcel is unknown, the Series 2023 Bond Assessments will initially be levied in different amounts on all of the land within the Taylor Morrison Parcel and the M/I Homes Parcel respectively, on a pro-rata gross acre basis. Thus, the Series 2023 Bond Assessments in the estimated amount of $8,364,229.41* (the amount of Series 2023 Bond Assessments proposed to be apportioned to the Taylor Morrison Parcel) will be preliminarily levied on approximately 161.95 +/- gross acres (the number of gross acres contained within the Taylor Morrison Parcel) at the estimated rate of $51,646.99* per gross acre, while the Series 2023 Bond Assessments in the estimated amount of $5,130,770.59* (the amount of Series 2023 Bond Assessments proposed to be apportioned to the M/I Homes Parcel) will be preliminarily levied on approximately 72.35 +/- gross acres (the number of gross acres contained within the M/I Homes Parcel), where:

*Preliminary, subject to change.*
contained within the M/I Homes Parcel) at the estimated rate of $70,915.97* per gross acre.

When the land is platted, the Series 2023 Bond Assessments assigned to the Taylor Morrison Parcel and M/I Homes Parcel will be allocated to each platted parcel within the Taylor Morrison Parcel and M/I Homes Parcel, respectively, on a first platted-first assigned basis based on the planned land use for that platted parcel as reflected in Table 7 in the Appendix. Such allocation of Series 2023 Bond Assessments from unplatted gross acres to platted parcels will reduce the amounts of Series 2023 Bond Assessments levied on unplatted gross acres within each respective area.

**Transferred Property.** In the event unplatted land is sold to a third party (the "Transferred Property"), the Series 2023 Bond Assessments will be assigned to such Transferred Property at the time of the sale based on the maximum total number of ERUs (as herein defined) assigned by the Developer to that Transferred Property, subject to review by the District’s methodology consultant, to ensure that any such assignment is reasonable, supported by current development rights and plans, and otherwise consistent with this Preliminary First Supplemental Report. The owner of the Transferred Property will be responsible for the total Series 2023 Bond Assessments applicable to the Transferred Property, regardless of the total number of ERUs ultimately actually platted. This total amount of Series 2023 Bond Assessments is allocated to the Transferred Property at the time of the sale. If the Transferred Property is subsequently sub-divided into smaller parcels, the total Series 2023 Bond Assessments initially allocated to the Transferred Property will be re-allocated to the smaller parcels pursuant to the methodology as described herein (i.e., equal assessment per gross acre until plating). The Taylor Morrison Parcel and the M/I Homes Parcel are each considered Transferred Properties, and have their own ERUs assigned to them at the outset based on planned units and entitlements for their respective areas.

### 5.4 Lienability Test: Special and Peculiar Benefit to the Property

As first discussed in Section 1.3, Special Benefits and General Benefits, public infrastructure improvements undertaken by the District create special and peculiar benefits to certain properties within Assessment Area One. The District's public infrastructure improvements benefit assessable properties within Assessment Area One and accrue to all such assessable properties on an ERU basis.

* Preliminary, subject to change.
Public infrastructure improvements undertaken by the District can be shown to be creating special and peculiar benefits to the property within Assessment Area One. The special and peculiar benefits resulting from each improvement are:

a. added use of the property;
b. added enjoyment of the property;
c. decreased insurance premiums; and
d. increased marketability and value of the property.

The public infrastructure improvements which are part of the Assessment Area One Project make the land in Assessment Area One developable and saleable and when implemented jointly as parts of the Assessment Area One Project, provide special and peculiar benefits which are greater than the benefits of any single category of improvements. These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value; however, such benefits are more valuable than either the cost of, or the actual assessment levied for, the improvement or debt allocated to the parcel of land.

5.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay

A reasonable estimate of the proportion of special and peculiar benefits received by the various land use types from the improvements is delineated in Table 4 (expressed as the ERU factors).

The apportionment of the assessments is fair and reasonable because it was conducted on the basis of consistent application of the methodology described in Section 5.2 across all assessable property within Assessment Area One according to reasonable estimates of the special and peculiar benefits derived from the Assessment Area One Project.

Accordingly, no acre or parcel of property within Assessment Area One will be liened for the payment of the Series 2023 Bond Assessments more than the determined special benefit peculiar to that property.

5.6 True-Up Mechanism

The District’s assessment program is predicated on the development of lots in a manner sufficient to include all of the planned Equivalent Residential Units (“ERUs”) as set forth in Table 4 in the Appendix.
(“Development Plan”). At such time as lands are to be platted (or re-platted) or site plans are to be approved (or re-approved), the plat or site plan (either, herein, “Proposed Plat”) shall be presented to the District for a “true-up” review as follows:

a. If a Proposed Plat results in the same amount of ERUs (and thus Series 2023 Bond Assessments) able to be imposed on the “Remaining Developable Unplatted Lands” (i.e., those remaining developable unplatted lands after the Proposed Plat is recorded) as compared to what was originally contemplated under the Development Plan, then the District shall allocate the Series 2023 Bond Assessments to the product types being platted and the remaining property in accordance with this Second Supplemental Report, and cause the Series 2023 Bond Assessments to be recorded in the District’s improvement lien book.

b. If a Proposed Plat within the District has more than the anticipated ERUs (and Bond Assessments) such that the Remaining Unplatted Developable Lands would be assigned fewer ERUs (and Bond Assessments) than originally contemplated in the Development Plan, then the District may undertake a pro rata reduction of Series 2023 Bond Assessments for all assessed properties within the Property, or may otherwise address such net decrease as permitted by law.

c. If a Proposed Plat within the District has fewer than the anticipated ERUs (and Bond Assessments) such that the Remaining Unplatted Developable Lands would have to be assigned more ERUs (and Bond Assessments) in order to fully assign all of the ERUs originally contemplated in the Development Plan, then the District shall require the landowner(s) of the lands encompassed by the Proposed Plat to pay a “True-Up Payment” equal to the difference between: (i) the Series 2023 Bond Assessments originally contemplated to be imposed on the lands subject to the Proposed Plat, and (ii) the Series 2023 Bond Assessments able to be imposed on the lands subject to the Proposed Plat, after the Proposed Plat (plus applicable interest, collection costs, penalties, etc.).

With respect to the foregoing true-up analysis, the District’s Assessment Consultant, in consultation with the District Engineer and District Counsel, shall determine in his or her sole discretion what amount of ERUs (and thus Series 2023 Bond Assessments) are able to be imposed on the Remaining Developable Unplatted Lands, taking into account a Proposed Plat, by reviewing: a) the original, overall development plan showing the number and type of units reasonably planned for the development, b) the revised, overall
development plan showing the number and type of units reasonably planned for the development, c) proof of the amount of entitlements for the Remaining Developable Unplatted Lands, d) evidence of allowable zoning conditions that would enable those entitlements to be placed in accordance with the revised development plan, and e) documentation that shows the feasibility of implementing the proposed development plan. Prior to any decision by the District not to impose a true-up payment, a supplemental methodology shall be produced demonstrating that there will be sufficient assessments to pay debt service on the applicable series of bonds and the District will conduct new proceedings under Chapters 170, 190 and 197, Florida Statutes upon the advice of District Counsel.

Any True-Up Payment shall become due and payable prior to the recordation of the plat by the landowner of the lands subject to the Proposed Plat, shall be in addition to the regular assessment installment payable for such lands, and shall constitute part of the debt assessment liens imposed against the Proposed Plat property until paid. A True-Up Payment shall include accrued interest on the applicable bond series to the interest payment date that occurs at least 45 days after the True-Up Payment (or the second succeeding interest payment date if such True-Up Payment is made within forty-five (45) calendar days before an interest payment date (or such other time as set forth in the supplemental indentures for the applicable bond series)).

All Series 2023 Bond Assessments levied run with the land, and such assessment liens include any True-Up Payments. The District will not release any liens on property for which True-Up Payments are due, until payment has been satisfactorily made. Further, upon the District’s review of the final plat for the developable acres, any unallocated Series 2023 Bond Assessments shall become due and payable and must be paid prior to the District’s approval of that plat. This true-up process applies for both plats and/or re-plats.

Such review shall be limited solely to the function and the enforcement of the District’s assessment liens and/or true-up agreements. Nothing herein shall in any way operate to or be construed as providing any otherplat approval or disapproval powers to the District. For further detail on the true-up process, please refer to the True-Up Agreement and applicable assessment resolution(s).

NOTE: Because the Taylor Morrison Parcel and M/I Homes Parcel are treated as “Transferred Parcels” hereunder, with specific assignments of Debt Assessments, any true-up analysis will be specific to that individual parcel.
5.7 Preliminary Assessment Roll

The Series 2023 Bond Assessments in the estimated amount of $8,364,229.41* are proposed to be levied over the area described in Exhibit “A” while Series 2023 Bond Assessments in the estimated amount of $5,130,770.59* are proposed to be levied over the area described in Exhibit “B”. Excluding any capitalized interest period, debt service assessments shall be paid in no more than thirty (30) annual principal installments.
