THE SERIES 2024 BONDS AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE INDENTURE. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2024 BONDS. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2024 BONDS SHALL BE PAYABLE SOLELY FROM, AND SHALL BE SECURED SOLELY BY, THE SERIES 2024 PLEDGED REVENUES AND THE SERIES 2024 PLEDGED FUNDS PLEDGED TO THE SERIES 2024 BONDS, ALL AS PROVIDED IN THE SERIES 2024 BONDS AND IN THE INDENTURE.

THE SERIES 2024 BONDS INVOLVE A DEGREE OF RISK (SEE "BONDOWNERS' RISKS" HEREIN) AND ARE NOT SUITABLE FOR ALL INVESTORS (SEE "SUITABILITY FOR INVESTMENT" HEREIN). THE UNDERWRITER IS LIMITING THE OFFERING OF THE SERIES 2024 BONDS TO ACCREDITED INVESTORS WITHIN THE MEANING OF THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. HOWEVER, THE LIMITATION OF THE INITIAL OFFERING OF THE SERIES 2024 BONDS TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2024 BONDS. THE SERIES 2024 BONDS ARE NOT CREDIT ENHANCED AND ARE NOT RATED AND NO APPLICATION HAS BEEN MADE FOR CREDIT ENHANCEMENT OR A RATING WITH RESPECT TO THE SERIES 2024 BONDS, NOR IS THERE ANY REASON TO BELIEVE THAT THE DISTRICT WOULD HAVE BEEN SUCCESSFUL IN OBTAINING EITHER CREDIT ENHANCEMENT OR A RATING FOR THE SERIES 2024 BONDS HAD APPLICATION BEEN MADE.

LIMITED OFFERING MEMORANDUM

relating to

**LAKE HIDEAWAY COMMUNITY DEVELOPMENT DISTRICT
(Hernando County, Florida)
\$19,195,000* Capital Improvement Revenue Bonds, Series 2024
(Assessment Area One)**

INTRODUCTION

The purpose of this Limited Offering Memorandum, including the cover page and appendices hereto, is to set forth certain information concerning the Lake Hideaway Community Development District (the "District") in connection with the offering and issuance by the District of its \$19,195,000* Capital Improvement Revenue Bonds, Series 2024 (Assessment Area One) (the "Series 2024 Bonds").

The Series 2024 Bonds are being issued pursuant to the Act (hereinafter defined) and a Master Trust Indenture dated as of April 1, 2024 (the "Master Indenture"), between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), as supplemented by a First Supplemental Trust Indenture dated as of April 1, 2024, between the District and the Trustee (the "Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), and resolutions adopted by the Board of Supervisors of the District (the "Board") on November 16, 2021 and March 15, 2024, authorizing the issuance of the Series 2024 Bonds. All capitalized terms used in this Limited Offering Memorandum that are defined in the Indenture and not defined herein shall have the respective meanings set forth in the Indenture, the form of which appears in composite APPENDIX C attached hereto.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes (the "Act"), the Florida Constitution, and other applicable provisions of law, and established by Ordinance No. 2021-21, enacted by the Board of County Commissioners of Hernando County, Florida (the "County") on October 26, 2021, effective on October 27, 2021 (the "Ordinance"). The District was established for the purposes, among other things, of financing and managing the acquisition, construction, installation, maintenance, and operation of the major infrastructure within and without the boundaries of the District. For more complete information about the District, the Board and the District Manager (hereinafter defined), see "THE DISTRICT" herein.

The Act authorizes the District to issue bonds for the purposes, among others, of financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping, operating and maintaining water management, water supply, sewer and wastewater management, bridges or culverts, district roads, recreational facilities and other basic infrastructure projects within or without the boundaries of the District, all as provided in the Act.

* Preliminary, subject to change.

The boundaries of the District include approximately 229.43 acres of land (the "District Lands") located in an unincorporated area of the County. The District Lands are generally coterminous with a portion of an approximately 885-acre master planned mixed-use community to be known as "Lake Hideaway" (the "Master Development"). Hawk Lake Hideaway, LLC, a Delaware limited liability company (the "Developer"), is currently developing the District Lands into approximately 696 townhome and single-family residential units and various recreational amenities (collectively, the "Development"). The Master Development is planned to include a six (6) acre "Crystal Lagoon." See "THE DEVELOPMENT – Recreational Amenities" herein.

Approximately 165.23 gross acres of the Development consisting of Pods A, B and C are currently planned to include 494 single-family units, including 125 single-family units in Pod A, eight-seven (87) single-family units in Pod B and 282 single-family units in Pod C ("Assessment Area One"). The Assessment Area One Project (hereinafter defined) consists of public master and subdivision infrastructure for the benefit of the 494 residential units planned within Assessment Area One. See "THE CAPITAL IMPROVEMENT PROGRAM AND THE ASSESSMENT AREA ONE PROJECT" and "THE DEVELOPMENT" herein.

Under the Constitution and laws of the State of Florida (the "State"), including the Act, the District has the power and authority to levy non-ad valorem assessments upon the District Lands and to issue bonds for the purposes of providing community development services and facilities, including those financed with proceeds of the Series 2024 Bonds as described herein.

Consistent with the requirements of the Indenture and the Ordinance, the Series 2024 Bonds are being issued to (a) finance a portion of the Cost of acquiring, constructing and equipping assessable improvements comprising the Assessment Area One Project, (b) pay certain costs associated with the issuance of the Series 2024 Bonds, (c) make a deposit into the Series 2024 Reserve Account to be held for the benefit of all of the Series 2024 Bonds, and (d) pay a portion of the interest to become due on the Series 2024 Bonds.

The Series 2024 Bonds are payable from and secured by the revenues derived by the District from non-ad valorem special assessments (the "Series 2024 Assessments") and amounts in the Funds and Accounts (except for the Series 2024 Rebate Account) established by the Indenture (collectively, the "Series 2024 Trust Estate"). The Series 2024 Assessments are being imposed, levied and collected by the District with respect to property within Assessment Area One that is specially benefited by the Assessment Area One Project. The Series 2024 Assessments will be initially levied against the 165.23 gross acres within Assessment Area One anticipated to include 494 single-family units, that are all subject to assessment as a result of the Assessment Area One Project on a first platted first assessed basis as described in the Assessment Report (hereinafter defined).

The Series 2024 Assessments represent an allocation of the Costs of the Assessment Area One Project, including bond financing costs, to certain lands within Assessment Area One in accordance with the Assessment Report. The Assessment Report and assessment resolutions with respect to the Series 2024 Assessments (collectively, the "Assessment Proceedings") permit the prepayment in part or in full of the Series 2024 Assessments at any time without penalty, together with interest at the rate on the Series 2024 Bonds to the Quarterly Redemption Date that is more than forty-five (45) days next succeeding the date

of prepayment. See "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein.

Subsequent to the issuance of the Series 2024 Bonds, the District may cause one or more Series of Bonds to be issued pursuant to the Master Indenture, subject to the terms and conditions thereof. Bonds may be issued for the purpose of paying all or part of the Cost of a Series Project or refunding an Outstanding Series of Bonds or any portion thereof. The District covenants and agrees in the Supplemental Indenture that so long as there are any Series 2024 Bonds Outstanding, it shall not cause or permit to be caused any lien, charge or claim against the Series 2024 Trust Estate. The District further covenants and agrees in the Supplemental Indenture that so long as the Series 2024 Assessments have not been Substantially Absorbed, it shall not issue any Bonds or other debt obligations secured by Assessments on any lands subject to the Series 2024 Assessments; provided, however, that the foregoing shall not preclude the imposition of capital Assessments on property subject to the Series 2024 Assessments which are necessary for health, safety or welfare reasons or to remediate a natural disaster, or to effect repairs to or replacement of property, facilities or equipment of the District. Notwithstanding the foregoing, the District covenants and agrees that it shall not issue any Bonds secured by Assessments for capital projects if there shall have occurred and be continuing any Event of Default with respect to any Series of Bonds issued under the Master Indenture. "Substantially Absorbed" is defined in the Supplemental Indenture to mean the date on which the principal amount of the Series 2024 Assessments equaling ninety percent (90%) of the then Outstanding principal amount of the Series 2024 Bonds is levied on tax parcels within Assessment Area One with respect to which a certificate of occupancy has been issued for a structure thereon, as certified by an Authorized Officer and upon which the Trustee may conclusively rely. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Additional Obligations" herein.

There follows in this Limited Offering Memorandum a brief description of the District and the Development, together with summaries of the terms of the Series 2024 Bonds, the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and statutes and all references to the Series 2024 Bonds are qualified by reference to the definitive form thereof and the information with respect thereto contained in the Indenture, the form of which appears in composite APPENDIX C attached hereto.

SUITABILITY FOR INVESTMENT

Investment in the Series 2024 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or FMSbonds, Inc. (the "Underwriter"), to give any information or make any representations, other than those contained in this Limited Offering Memorandum. The Series 2024 Bonds are not subject to registration under the Securities Act of 1933, as amended (the "Securities Act"), and, as required by Chapter 189, Florida Statutes, the Underwriter will offer the Series 2024 Bonds only to "accredited investors," as such term is utilized in Chapter 517, Florida Statutes, and the rules promulgated thereunder. However, the limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2024 Bonds. Prospective investors in the Series 2024 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the

merits and risks of an investment in the Series 2024 Bonds and should have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment.

DESCRIPTION OF THE SERIES 2024 BONDS

General

The Series 2024 Bonds are issuable as fully registered bonds, without coupons, in denominations of \$5,000 or any integral multiple thereof; provided, however, if any initial Beneficial Owner does not purchase at least \$100,000 of the Series 2024 Bonds at the time of initial delivery of the Series 2024 Bonds, such Beneficial Owner must either execute and deliver to the District and the Underwriter on the date of delivery of the Series 2024 Bonds an investor letter substantially in the form attached to the Supplemental Indenture or otherwise establish to the satisfaction of the Underwriter that such Beneficial Owner is an "accredited investor," as described in Rule 501(a) under Regulation D of the Securities Act of 1933, as amended. The Series 2024 Bonds will initially be sold only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, as amended, and the rules promulgated thereunder by the Florida Department of Financial Services. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2024 Bonds.

The Series 2024 Bonds will be dated their date of issuance and delivery to the initial purchasers thereof and will bear interest payable on each May 1 and November 1, commencing November 1, 2024 (each, an "Interest Payment Date"), which shall be computed on the basis of a 360-day year comprised of twelve 30-day months. The Series 2024 Bonds will mature on May 1 of such years, in such amounts and at such rates as set forth on the cover page of this Limited Offering Memorandum.

Interest on the Series 2024 Bonds shall be payable on each Interest Payment Date to maturity or prior redemption. Each Series 2024 Bond shall bear interest from the Interest Payment Date to which interest has been paid next preceding the date of its authentication, unless the date of its authentication (a) is an Interest Payment Date to which interest on such Series 2024 Bond has been paid, in which event such Series 2024 Bond shall bear interest from its date of authentication, or (b) is prior to the first Interest Payment Date for the Series 2024 Bonds, in which event such Series 2024 Bond shall bear interest from its date.

Debt Service on the Series 2024 Bonds will be payable in any coin or currency of the United States of America which, at the date of payment thereof, is legal tender for the payment of public and private debts. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in the Indenture, be paid to the registered Owner at the close of business on the regular Record Date for such interest, which shall be the fifteenth (15th) day of the calendar month preceding such Interest Payment Date or, if such day is not a Business Day, on the Business Day immediately preceding such day; provided, however, that on or after the occurrence and continuance of an Event of Default under clause (a) of Section 902 of the Master Indenture, the payment of interest and principal or Redemption Price or Amortization Installments shall be made by the Paying Agent (hereinafter defined) to such person who, on a special record date which is fixed by the

Trustee, which shall be not more than fifteen (15) and not less than ten (10) days prior to the date of such proposed payment, appears on the registration books of the Bond Registrar as the registered Owner of a Series 2024 Bond. Any payment of principal, Amortization Installment or Redemption Price shall be made only upon presentation thereof at the designated corporate trust office of U.S. Bank Trust Company, National Association, located in Orlando, Florida, or any alternate or successor paying agent (collectively, the "Paying Agent"), unless the Series 2024 Bonds are held in the book-entry system in which case presentation shall not be required. Payment of interest shall be made by check or draft (or by wire transfer to the registered Owner if such Owner requests such method of payment in writing on or prior to the regular Record Date for the respective interest payment to such account as shall be specified in such request, but only if the registered Owner owns not less than \$1,000,000 in aggregate principal amount of the Series 2024 Bonds).

The Series 2024 Bonds will initially be registered in the name of Cede & Co. as Nominee for The Depository Trust Company ("DTC"), which will act initially as securities depository for the Series 2024 Bonds and, so long as the Series 2024 Bonds are held in book-entry only form, Cede & Co. will be considered the registered Owner for all purposes hereof. See "- Book-Entry Only System" below for more information about DTC and its book-entry system.

------------------------------	-------------------------------------	------------------------------	-------------------------------------

* Final maturity

As more particularly set forth in the Indenture, any Series 2024 Bonds that are purchased by the District with amounts held to pay an Amortization Installment will be cancelled and the principal amount so purchased will be applied as a credit against the applicable Amortization Installment of Series 2024 Bonds. Amortization Installments are also subject to recalculation, as provided in the Supplemental Indenture, as the result of the redemption of Series 2024 Bonds other than from scheduled Amortization Installments so as to reamortize the remaining Outstanding principal balance of the Series 2024 Bonds as set forth in the Supplemental Indenture.

Extraordinary Mandatory Redemption. The Series 2024 Bonds are subject to extraordinary mandatory redemption prior to maturity in whole or in part on any Redemption Date at the Redemption Price of 100% of the principal amount thereof, without premium, together with accrued interest to the Redemption Date, if and to the extent that any one or more of the following shall have occurred:

(a) on or after the Date of Completion of the Assessment Area One Project, by application of moneys transferred from the Series 2024 Acquisition and Construction Account to the Series 2024 Prepayment Subaccount as provided for in the Indenture; or

(b) from amounts, including Series 2024 Prepayments, required by the Indenture to be deposited into the Series 2024 Prepayment Subaccount; or

(c) from amounts transferred from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount resulting from a reduction in the Series 2024 Reserve Account Requirement as provided for in the Indenture; or

(d) on the date on which the amount on deposit in the Series 2024 Reserve Account, together with other moneys available therefor, are sufficient to pay and redeem all of the Series 2024 Bonds then Outstanding, including accrued interest thereon.

If less than all of the Series 2024 Bonds shall be called for redemption, the particular Series 2024 Bonds or portions of Series 2024 Bonds to be redeemed shall be selected by lot by the Bond Registrar as provided in the Indenture, or as provided or directed by DTC.

Notice of Redemption

Notice of each redemption of Series 2024 Bonds is required to be mailed by the Bond Registrar, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the date of redemption to each registered Owner of Series 2024 Bonds to be redeemed at the address of such registered Owner recorded on the bond register maintained by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2024 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2024 Bonds or such portions thereof on such date, interest on such Series 2024 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2024 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Series 2024 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Pursuant to the Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

Book-Entry Only System

THE INFORMATION IN THIS CAPTION CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM DTC AND NEITHER THE DISTRICT NOR THE UNDERWRITER MAKES ANY REPRESENTATION OR WARRANTY OR TAKES ANY RESPONSIBILITY FOR THE ACCURACY OR COMPLETENESS OF SUCH INFORMATION.

DTC will act as securities depository for the Series 2024 Bonds. The Series 2024 Bonds will be issued as fully-registered bonds registered in the name of Cede & Co. (DTC's partnership nominee), or such other name as may be requested by an authorized

representative of DTC. One fully-registered bond certificate will be issued for each maturity of the Series 2024 Bonds and will be deposited with DTC. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants (the "Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (the "Indirect Participants"). DTC has a Standard and Poor's rating of AA+. The DTC rules applicable to its Participants are on file with the Securities and Exchange Commission (the "SEC"). More information about DTC can be found at www.dtcc.com.

Purchases of the Series 2024 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for such Series 2024 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2024 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2024 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of the Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2024 Bonds, except in the event that use of the book-entry system for the Series 2024 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2024 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2024 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2024 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2024 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping an account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements made among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Series 2024 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2024 Bonds, as the case may be, to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2024 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2024 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Series 2024 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the District or the Registrar on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Registrar or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent for the Series 2024 Bonds. Disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of the Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2024 Bonds at any time by giving reasonable notice to the District. Under such circumstances, in the event that a successor securities depository is not obtained, Series 2024 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2024 Bond certificates will be printed and delivered to DTC.

NEITHER THE DISTRICT NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO THE DIRECT PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEE WITH RESPECT TO THE PAYMENTS TO OR THE PROVIDING OF NOTICE FOR THE DIRECT PARTICIPANTS, THE INDIRECT PARTICIPANTS OR THE BENEFICIAL OWNERS OF THE SERIES 2024 BONDS. THE DISTRICT CANNOT AND DOES NOT GIVE ANY ASSURANCES THAT DTC, THE DIRECT PARTICIPANTS OR OTHERS WILL DISTRIBUTE PAYMENTS OF PRINCIPAL OF OR INTEREST ON THE SERIES 2024 BONDS PAID TO DTC OR ITS

NOMINEE, AS THE REGISTERED OWNER, OR PROVIDE ANY NOTICES TO THE BENEFICIAL OWNERS OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC WILL ACT IN THE MANNER DESCRIBED IN THIS LIMITED OFFERING MEMORANDUM.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS

General

The Series 2024 Bonds are payable from and secured by the revenues derived by the District from the Series 2024 Assessments and amounts in the Funds and Accounts (except for the Series 2024 Rebate Account) established by the Indenture. Series 2024 Assessments will be levied and collected on the lands within Assessment Area One that receive a special benefit from the Assessment Area One Project, and shall not include Assessments imposed, levied and collected by the District with respect to property within the District not so specially benefited. The Series 2024 Assessments represent an allocation of the costs of the Assessment Area One Project, including bond financing costs, to such benefited land within Assessment Area One in accordance with the Assessment Report, attached hereto as composite APPENDIX B.

NEITHER THE SERIES 2024 BONDS NOR THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON SHALL CONSTITUTE A GENERAL OBLIGATION OR GENERAL INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF THE CONSTITUTION AND LAWS OF FLORIDA. THE SERIES 2024 BONDS AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE INDENTURE. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2024 BONDS. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2024 BONDS SHALL BE PAYABLE SOLELY FROM, AND SHALL BE SECURED SOLELY BY, THE SERIES 2024 PLEDGED REVENUES AND THE SERIES 2024 PLEDGED FUNDS PLEDGED TO THE SERIES 2024 BONDS, ALL AS PROVIDED IN THE SERIES 2024 BONDS AND IN THE INDENTURE.

Additional Obligations

The District covenants and agrees in the Supplemental Indenture that so long as there are any Series 2024 Bonds Outstanding, it shall not cause or permit to be caused any lien, charge or claim against the Series 2024 Trust Estate. The District further covenants and agrees in the Supplemental Indenture that so long as the Series 2024 Assessments have not been Substantially Absorbed, it shall not issue any Bonds or other debt obligations secured by Assessments on any lands subject to the Series 2024 Assessments; provided, however, that the foregoing shall not preclude the imposition of capital Assessments on property subject to the Series 2024 Assessments which are necessary for health, safety or welfare reasons or to remediate a natural disaster, or to effect repairs to or replacement of property, facilities or

equipment of the District. Notwithstanding the foregoing, the District covenants and agrees that it shall not issue any Bonds secured by Assessments for capital projects if there shall have occurred and be continuing any Event of Default with respect to any Series of Bonds issued under the Master Indenture. "Substantially Absorbed" is defined in the Supplemental Indenture to mean the date on which the principal amount of the Series 2024 Assessments equaling ninety percent (90%) of the then Outstanding principal amount of the Series 2024 Bonds is levied on tax parcels within Assessment Area One with respect to which a certificate of occupancy has been issued for a structure thereon, as certified by an Authorized Officer and upon which the Trustee may conclusively rely.

WHILE NO FUTURE ADDITIONAL BONDS WILL BE PAYABLE FROM OR SECURED BY THE SERIES 2024 ASSESSMENTS PLEDGED AS SECURITY FOR THE SERIES 2024 BONDS, THE DISTRICT, THE COUNTY, THE SCHOOL BOARD OF HERNANDO COUNTY, FLORIDA, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF MAY IN THE FUTURE IMPOSE, LEVY AND COLLECT ASSESSMENTS AND TAXES THE LIENS OF WHICH WILL BE CO-EQUAL WITH THE LIEN OF ASSESSMENTS, INCLUDING THE SERIES 2024 ASSESSMENTS SECURING THE SERIES 2024 BONDS. See "– Enforcement and Collection of Series 2024 Assessments" below.

Funds and Accounts

The Supplemental Indenture requires that the Trustee establish the following Accounts: (a) within the Acquisition and Construction Fund, a Series 2024 Acquisition and Construction Account and a Series 2024 Costs of Issuance Account; (b) within the Debt Service Fund, (i) a Series 2024 Debt Service Account and therein a Series 2024 Sinking Fund Account, a Series 2024 Interest Account and a Series 2024 Capitalized Interest Account, and (ii) a Series 2024 Redemption Account and therein a Series 2024 Prepayment Subaccount and a Series 2024 Optional Redemption Subaccount; (c) within the Reserve Fund, a Series 2024 Reserve Account, which shall be held for the benefit of all of the Series 2024 Bonds, without distinction as to Series 2024 Bonds and without privilege or priority of one Series 2024 Bond over another; (d) within the Revenue Fund, a Series 2024 Revenue Account; and (e) within the Rebate Fund, a Series 2024 Rebate Account.

Series 2024 Reserve Account

The Series 2024 Reserve Account shall be funded and maintained at all times in an amount equal to the Series 2024 Reserve Account Requirement. "Series 2024 Reserve Account Requirement" is defined in the Supplemental Indenture to mean an amount equal to the Maximum Annual Debt Service Requirement for all Outstanding Series 2024 Bonds, as of the time of any such calculation, until such time as the Reserve Account Release Conditions #1 are met, at which time and thereafter, Series 2024 Reserve Account Requirement shall mean an amount equal to fifty percent (50%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2024 Bonds, as of the time of any such calculation, until such time as the Reserve Account Release Conditions #2 are met, at which time and thereafter, Series 2024 Reserve Account Requirement shall mean an amount equal to ten percent (10%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2024 Bonds, as of the time of any such calculation. On the date of initial issuance of the Series 2024 Bonds, the Series 2024 Reserve Account Requirement shall be \$_____.

"Reserve Account Release Conditions #1" is defined in the Supplemental Indenture to mean, collectively, that (a) all lots subject to Series 2024 Assessments have been developed and platted, (b) all lots subject to Series 2024 Assessments have been sold and closed by the Developer to home builders, and (c) there are no Events of Default occurring or continuing under the Master Indenture with respect to the Series 2024 Bonds. The Consulting Engineer shall provide a written certification to the District and the Trustee certifying that the event in clause (a) has occurred and the District Manager shall provide a written certification to the District and the Trustee certifying that the event in clause (b) has occurred and affirming clause (c), on which certifications the Trustee may conclusively rely.

"Reserve Account Release Conditions #2" is defined in the Supplemental Indenture to mean, collectively, that (a) all of the Reserve Account Release Conditions #1 have been satisfied, (b) all homes within Assessment Area One have received a certificate of occupancy, (c) all of the principal portion of the Series 2024 Assessments has been assigned to such homes, and (d) all Series 2024 Assessments are being collected pursuant to the Uniform Method. The District Manager shall provide a written certification to the District and the Trustee certifying that the events in clauses (a) through (d) have occurred, on which certifications the Trustee may conclusively rely.

Except as otherwise provided in the Indenture, amounts on deposit in the Series 2024 Reserve Account shall be used only for the purpose of making payments into the Series 2024 Interest Account and the Series 2024 Sinking Fund Account to pay Debt Service on the Series 2024 Bonds, when due, without distinction as to Series 2024 Bonds and without privilege or priority of one Series 2024 Bond over another, to the extent the moneys on deposit in such Accounts available therefor are insufficient and for no other purpose. The Series 2024 Reserve Account shall consist only of cash and Series 2024 Investment Obligations.

Anything in the Indenture to the contrary notwithstanding, on the forty-fifth (45th) day preceding each Quarterly Redemption Date (or, if such forty-fifth (45th) day is not a Business Day, on the first Business Day preceding such forty-fifth (45th) day), the Trustee is authorized and directed to recalculate the Series 2024 Reserve Account Requirement. Following such recalculation, the Trustee shall promptly notify the District of any excess on deposit in the Series 2024 Reserve Account whereupon the District shall direct the Trustee in writing to transfer such excess on deposit in the Series 2024 Reserve Account (a) resulting from Prepayments of Series 2024 Assessments into the Series 2024 Prepayment Subaccount and applied as a credit against the Prepayment otherwise required to be made by the owner of such lot or parcel subject to such Prepayment and thereafter applied to the extraordinary mandatory redemption of the Series 2024 Bonds, (b) resulting from a reduction of the Series 2024 Reserve Account Requirement as the result of either the Reserve Account Release Conditions #1 or the Reserve Account Release Conditions #2 being met into the Series 2024 Acquisition and Construction Account and used for the purposes of such Account, or (c) resulting from investment earnings as provided in Section 408(f) of the Supplemental Indenture.

On the earliest date on which there is on deposit in the Series 2024 Reserve Account sufficient moneys, after taking into account other moneys available therefor, to pay and redeem all of the Outstanding Series 2024 Bonds, together with accrued interest and redemption premium, if any, on such Series 2024 Bonds to the earliest Redemption Date permitted therein and in the Supplemental Indenture, then the Trustee shall transfer the

amount on deposit in the Series 2024 Reserve Account into the Series 2024 Prepayment Subaccount to pay and redeem all of the Outstanding Series 2024 Bonds on the earliest Redemption Date permitted for redemption therein and in the Supplemental Indenture.

Anything in the Indenture to the contrary notwithstanding, amounts on deposit in the Series 2024 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

Series 2024 Revenue Account

(a) Pursuant to the Supplemental Indenture, the Trustee is authorized and directed to deposit any and all amounts required to be deposited in the Series 2024 Revenue Account by Section 408 of the Supplemental Indenture or by any other provision of the Indenture, and any other amounts or payments specifically designated by the District pursuant to a written direction or by a Supplemental Indenture for said purpose. The Series 2024 Revenue Account shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee.

(b) The Trustee shall deposit into the Series 2024 Revenue Account (i) Series 2024 Assessment Revenues other than Series 2024 Prepayments (which Series 2024 Prepayments shall be identified by the District to the Trustee as such in writing upon deposit, upon which certification the Trustee may conclusively rely, and which shall be deposited into the Series 2024 Prepayment Subaccount), (ii) Series 2024 Prepayment Interest, and (iii) any other revenues required by other provisions of the Indenture to be deposited into the Series 2024 Revenue Account.

(c) On the forty-fifth (45th) day preceding each Quarterly Redemption Date (or if such forty-fifth (45th) day is not a Business Day, on the Business Day preceding such forty-fifth (45th) day), the Trustee shall determine the amount on deposit in the Series 2024 Prepayment Subaccount and, if the balance therein is greater than zero, shall, upon written direction from the District, transfer from the Series 2024 Revenue Account for deposit into the Series 2024 Prepayment Subaccount an amount sufficient to increase the amount on deposit therein to the nearest integral multiple of \$5,000 (provided that there are sufficient funds remaining in the Series 2024 Revenue Account to pay Debt Service coming due on the Series 2024 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2024 Bonds on the next succeeding Redemption Date in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2024 Prepayment Subaccount in accordance with the provisions for extraordinary mandatory redemption of the Series 2024 Bonds set forth in the form of Series 2024 Bonds attached to the Supplemental Indenture, Section 301 of the Supplemental Indenture, and Article III of the Master Indenture.

(d) On May 1 and November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall first transfer from the Series 2024 Capitalized Interest Account to the Series 2024 Interest Account the lesser of (x) the amount of interest coming due on the Series 2024 Bonds on such May 1 or November 1, less the amount already on deposit in the Series 2024 Interest Account, or (y) the amount remaining in the Series 2024 Capitalized Interest Account. Following the

foregoing transfer, on such May 1 or November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall then transfer amounts on deposit in the Series 2024 Revenue Account to the Accounts designated below in the following amounts and in the following order of priority:

FIRST, to the Series 2024 Interest Account, the amount, if any, equal to the difference between the amount of interest payable on all Series 2024 Bonds then Outstanding on such May 1 or November 1, and (i) the amount transferred from the Series 2024 Capitalized Interest Account in accordance with Section 408(d) of the Supplemental Indenture and (ii) the amount already on deposit in the Series 2024 Interest Account not previously credited;

SECOND, on May 1, 20__, and on each May 1 thereafter, to the Series 2024 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series 2024 Bonds subject to mandatory sinking fund redemption on such May 1 and the amount already on deposit in the Series 2024 Sinking Fund Account not previously credited;

THIRD, to the Series 2024 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2024 Reserve Account Requirement with respect to the Series 2024 Bonds; and

FOURTH, the balance shall first be deposited into the Series 2024 Costs of Issuance Account to fund any deficiencies in the amount allocated to pay the costs of issuance relating to the Series 2024 Bonds, and then the balance shall be retained in the Series 2024 Revenue Account.

(e) On any date required by the Arbitrage Certificate, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the Series 2024 Revenue Account to the Series 2024 Rebate Account the amount due and owing to the United States, which amount shall be paid to the United States when due in accordance with such Arbitrage Certificate.

Investments

Anything in the Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security for the Series 2024 Bonds shall be invested only in Series 2024 Investment Obligations. Earnings on investments in the Series 2024 Acquisition and Construction Account, the Series 2024 Interest Account and the Series 2024 Capitalized Interest Account shall be retained, as realized, in such Accounts and used for the purpose of such Accounts. Earnings on investments in the Funds and Accounts other than the Series 2024 Reserve Account, and other than as set forth above, shall be deposited, as realized, to the credit of the Series 2024 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2024 Reserve Account shall be disposed of as follows:

(a) if there was no deficiency (as defined in Section 509 of the Master Indenture) in the Series 2024 Reserve Account as of the most recent date on which amounts on deposit

in the Series 2024 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2024 Reserve Account since such date which have created a deficiency, then earnings on investments in the Series 2024 Reserve Account shall be deposited into the Series 2024 Capitalized Interest Account through May 1, 2025, and thereafter shall be deposited into the Series 2024 Revenue Account and used for the purpose of such Account; or

(b) if there was a deficiency (as defined in Section 509 of the Master Indenture) in the Series 2024 Reserve Account as of the most recent date on which amounts on deposit in the Series 2024 Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series 2024 Reserve Account and have created such a deficiency, then earnings on investments in the Series 2024 Reserve Account shall be retained in the Series 2024 Reserve Account until the amount on deposit therein is equal to the Series 2024 Reserve Account Requirement, and then earnings on investments in the Series 2024 Reserve Account shall be deposited into the Series 2024 Capitalized Interest Account through May 1, 2025, and thereafter shall be deposited into the Series 2024 Revenue Account and used for the purpose of such Account.

The foregoing determination and disbursement shall be made prior to any recalculation and transfer of excess amounts on deposit in the Series 2024 Reserve Account made pursuant to Section 405 of the Supplemental Indenture.

Series 2024 Acquisition and Construction Account

Amounts on deposit in the Series 2024 Acquisition and Construction Account shall be applied to pay Costs of the Assessment Area One Project upon compliance with the requisition provisions set forth in Section 503(b) of the Master Indenture and on the form attached to the Supplemental Indenture. The Trustee shall have no duty to verify that any requested disbursement from the Series 2024 Acquisition and Construction Account is for a Cost of the Assessment Area One Project. The Consulting Engineer shall establish a Date of Completion for the Assessment Area One Project, and any balance remaining in the Series 2024 Acquisition and Construction Account after such Date of Completion (taking into account the moneys then on deposit therein to pay any accrued but unpaid Costs of the Assessment Area One Project which are required to be reserved in the Series 2024 Acquisition and Construction Account in accordance with the certificate of the Consulting Engineer delivered to the District and the Trustee establishing such Date of Completion), shall be transferred to the Series 2024 Prepayment Subaccount and applied to the extraordinary mandatory redemption of the Series 2024 Bonds in accordance with Section 301 of the Supplemental Indenture and in the manner prescribed in the form of Series 2024 Bond attached to the Supplemental Indenture. Notwithstanding the foregoing, the District shall not establish a Date of Completion until both the Reserve Account Release Conditions #1 and the Reserve Account Release Conditions #2 have been satisfied and moneys have been transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account as a result of such satisfaction pursuant to Section 405 of the Supplemental Indenture. At such time as there are no amounts on deposit in the Series 2024 Acquisition and Construction Account, such Account shall be closed.

Owner Direction and Consent with Respect to Series 2024 Acquisition and Construction Account upon Occurrence of Event of Default

In accordance with the provisions of the Indenture, the Series 2024 Bonds are payable solely from the Series 2024 Pledged Revenues and the Series 2024 Pledged Funds held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the District acknowledges that (a) the Series 2024 Pledged Funds includes, without limitation, all amounts on deposit in the Series 2024 Acquisition and Construction Account then held by the Trustee, (b) upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, the Series 2024 Pledged Funds may not be used by the District (whether to pay Costs of the Assessment Area One Project or otherwise) without the consent of the Majority Owners, except to the extent that prior to the occurrence of the Event of Default the District had incurred a binding obligation with third parties for work on the Assessment Area One Project and payment is for such work, and (c) upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, the Series 2024 Pledged Funds may be used by the Trustee, at the direction or with the approval of the Majority Owners, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The District shall not enter into any binding agreement with respect to the Assessment Area One Project that will cause the expenditure of additional funds from the Series 2024 Trust Estate after the occurrence and during the continuance of an Event of Default unless authorized in writing by the Majority Owners.

Enforcement of Completion Agreement and True-Up Agreement

Pursuant to the Indenture, the District, either through its own actions or actions caused to be taken through the Trustee, covenants that it shall strictly enforce all of the provisions of the Completion Agreement and the True-Up Agreement (each as hereinafter defined) and, upon the occurrence and continuance of a default under either or both of such Agreements, the District covenants and agrees that the Trustee, at the direction of the Majority Owners, may, subject to the provisions of Section 912 of the Master Indenture, act on behalf of and in the District's stead to enforce the provisions of such Agreements and to pursue all available remedies under applicable law or in equity. Anything in the Indenture to the contrary notwithstanding, failure of the District to enforce, or permit the Trustee to enforce in its stead, all of the provisions of the Completion Agreement and the True-Up Agreement upon demand of the Majority Owners, or the Trustee at the direction of the Majority Owners, shall constitute an Event of Default under the Indenture, provided, however, that the District shall have a reasonable opportunity to cure.

Events of Default and Remedies

The Master Indenture provides that each of the following shall be an "Event of Default" under the Indenture with respect to the Series 2024 Bonds, but no other Series of Bonds unless otherwise provided in the Supplemental Indenture relating to such Series:

- (a) any payment of Debt Service on the Series 2024 Bonds is not made when due;
- (b) the District shall for any reason be rendered incapable of fulfilling its obligations under the Indenture;

(c) the District admits in writing its inability to pay its debts generally as they become due, or files a petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver or trustee for itself or for the whole or any part of the Assessment Area One Project;

(d) the District is adjudged insolvent by a court of competent jurisdiction, or is adjudged bankrupt on a petition in bankruptcy filed against the District, or an order, judgment or decree be entered by any court of competent jurisdiction appointing, without the consent of the District, a receiver or trustee of the District or of the whole or any part of its property and if the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within ninety (90) days from the date of entry thereof;

(e) the District shall file a petition or answer seeking reorganization or any arrangement under the federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof;

(f) under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the District's assets or any part thereof, and such custody or control shall not be terminated within ninety (90) days from the date of assumption of such custody or control;

(g) any portion of the Series 2024 Assessments shall have become Delinquent Assessments and, as the result thereof, the Trustee has withdrawn funds in an amount greater than ten percent (10%) of the amount on deposit in the Series 2024 Reserve Account to pay Debt Service on the Series 2024 Bonds and such amount has not been restored within thirty (30) days of such withdrawal;

(h) the District shall default in the due and punctual performance of any of the material covenants, conditions, agreements and provisions contained in the Series 2024 Bonds or in the Indenture on the part of the District to be performed (other than a default in the payment of Debt Service on the Series 2024 Bonds when due, which is an Event of Default under subsection (a) above) and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the District by the Trustee or, if the Trustee is unwilling or unable to act, by Owners of not less than ten percent (10%) in aggregate principal amount of the Series 2024 Bonds then Outstanding and affected by such default; and

(i) more than twenty percent (20%) of the Operation and Maintenance Assessments levied by the District on tax parcels subject to the Series 2024 Assessments are not paid by the date such are due and payable.

The District covenants and agrees in the Indenture that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, the provisions for the foreclosure of liens of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, and will take such other appropriate remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Owners, from time to time, of the Series 2024 Bonds. Notwithstanding anything to the

contrary in the Indenture, and unless otherwise directed by the Majority Owners of the Series 2024 Bonds and allowed pursuant to federal or State law, the District acknowledges and agrees that (a) upon failure of any property owner to pay an installment of Assessments collected directly by the District when due, that the entire Assessment on the tax parcel as to which such Delinquent Assessment appertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the District shall promptly, but in any event within 120 days, cause to be brought the necessary legal proceedings for the foreclosure of liens of Delinquent Assessments, including interest and penalties with respect to such tax parcel, and (b) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages.

Additional Covenant Regarding Termination of District Manager Upon Event of Default

The District covenants in the Supplemental Indenture that, within thirty (30) days following the receipt of written notice from the Trustee (which written notice shall be provided in the manner set forth in Section 1302 of the Master Indenture) of the occurrence of an Event of Default under the Master Indenture with respect to any Series of Bonds issued thereunder, so long as such Series of Bonds is secured by Assessments levied on lands owned entirely or in part by the Developer or any affiliate of the Developer, the District shall terminate the District Manager and shall immediately appoint an Independent Third-Party Management Company to provide district management services, which appointment shall be evidenced by a certificate signed by an Authorized Officer and provided to the Trustee, upon which certificate the Trustee may conclusively rely. Failure to appoint an Independent Third-Party Management Company within the time period set forth above shall be an Event of Default under the Indenture without benefit for any period for cure. The Trustee shall not incur any liability for the District's termination of the District Manager pursuant to this section. For purposes of this section only, "District Manager" shall mean Breeze Connected, LLC d/b/a Breeze, a Delaware limited liability company, or any successor entity acting in the capacity of District Manager in which the Developer or any affiliate of the Developer has an ownership interest. "Independent Third-Party Management Company" is defined in the Supplemental Indenture to mean a management company in which neither the Developer nor any affiliate of the Developer has any ownership interest. See "THE DISTRICT – District Manager and Other Consultants" herein.

Provisions Relating to Bankruptcy or Insolvency of Landowner

The provisions of Section 913 of the Master Indenture, as summarized below, shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel, or tax parcels which are in the aggregate, subject to at least five percent (5%) of the Series 2024 Assessments pledged to the Series 2024 Bonds then Outstanding (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding").

The District acknowledges and agrees in the Indenture that, although the Series 2024 Bonds were issued by the District, the Owners of the Series 2024 Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with

a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer:

(a) the District agrees that it shall make a reasonable attempt to timely seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the Series 2024 Bonds then Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2024 Assessments relating to the Series 2024 Bonds then Outstanding, the Series 2024 Bonds then Outstanding or any rights of the Trustee under the Indenture (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Series 2024 Bonds then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee of a written request for consent);

(b) the District agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2024 Assessments relating to the Series 2024 Bonds then Outstanding, the Series 2024 Bonds then Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee;

(c) the District agrees that it shall make a reasonable attempt to timely seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Series 2024 Bonds then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee of a written request for consent);

(d) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the Series 2024 Assessments relating to the Series 2024 Bonds then Outstanding would have the right to pursue and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Series 2024 Assessments relating to the Series 2024 Bonds then Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and

(e) the District shall not challenge the validity or amount of any claim submitted in good faith by the Trustee in such Proceeding or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceeding or take any

other action in such Proceeding which is adverse to the Trustee's enforcement of the District's claim and rights with respect to the Series 2024 Assessments relating to the Series 2024 Bonds then Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right to (i) file a proof of claim with respect to the Series 2024 Assessments pledged to the Series 2024 Bonds then Outstanding, (ii) deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) defend any objection filed to said proof of claim.

The District acknowledges and agrees in the Indenture that it shall not be a defense to a breach of the foregoing covenants that it has acted on advice of counsel in not complying with the foregoing covenants.

Nothing in Section 913 of the Master Indenture shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for Operation and Maintenance Assessments, and the District shall be free to pursue such a claim for Operation and Maintenance Assessments in such manner as it shall deem appropriate in its sole and absolute discretion; provided, however, that such claim shall not seek to reduce the amount or receipt of Series 2024 Assessments. Any actions taken by the District in pursuance of its claim for Operation and Maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Series 2024 Assessments relating to the Series 2024 Bonds then Outstanding whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (d) above.

Enforcement and Collection of Series 2024 Assessments

The primary source of payment for the Series 2024 Bonds is the Series 2024 Assessments imposed on lands within Assessment Area One which are specially benefited by the Assessment Area One Project. To the extent that landowners fail to pay such Series 2024 Assessments, delay payments, or are unable to pay such Series 2024 Assessments, the successful pursuit of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2024 Bonds. The Act provides for various methods of collection of delinquent special assessments by reference to other provisions of the Florida Statutes. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein for a summary of special assessment payment and collection procedures appearing in the Florida Statutes.

Pursuant to the Indenture, when permitted by law, Series 2024 Assessments levied on platted lots no longer owned by the Developer and pledged to secure the Series 2024 Bonds shall be collected pursuant to the uniform method for the levy, collection and enforcement of Assessments afforded by Sections 197.3631, 197.3632 and 197.3635, Florida Statutes, as amended (the "Uniform Method"), and Series 2024 Assessments levied on unplatted lands and platted lots owned by the Developer and pledged to secure the Series 2024 Bonds shall be collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless otherwise directed by the Trustee acting at the direction of the Majority Owners upon the occurrence and continuance of an Event of Default. All Series 2024 Assessments that are collected directly

by the District and not via the Uniform Method shall be due and payable by the applicable landowner no later than thirty (30) days prior to each Interest Payment Date.

If the owner of any lot or parcel of land shall be delinquent in the payment of any Series 2024 Assessment, then such Series 2024 Assessment shall be enforced in accordance with the provisions of Chapters 170 and/or 197, Florida Statutes, including but not limited to the sale of tax certificates and tax deeds as regards such Delinquent Assessment. In the event the provisions of Chapter 197, Florida Statutes, are inapplicable or unavailable, or in the event that any Series 2024 Assessment was directly collected by the District, as permitted by the Supplemental Indenture, then upon the delinquency of any such Series 2024 Assessment, the District either on its own behalf or through the actions of the Trustee may, and shall, if so directed in writing by the Majority Owners of the Series 2024 Bonds then Outstanding, declare the entire unpaid balance of such Series 2024 Assessment to be in default and, at its own expense, cause such delinquent property to be foreclosed in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate, or pursuant to the provisions of Chapters 170 and 173, and Section 190.026, Florida Statutes, or otherwise as provided by law. The District further covenants in the Indenture to furnish, at its expense, to any Owner of Series 2024 Bonds so requesting, sixty (60) days after the due date of each annual installment, a list of all Delinquent Assessments together with a copy of the District's annual audit (if available) and a list of foreclosure actions currently in progress and the current status of such Delinquent Assessments.

If any tax certificates relating to Delinquent Assessments which are pledged to the Series 2024 Bonds are sold by the Tax Collector (hereinafter defined) pursuant to the provisions of Section 197.432, Florida Statutes, or if any such tax certificates are not sold but are later redeemed, the proceeds of such sale or redemption (to the extent that such proceeds relate to the Delinquent Assessments), less any commission or other charges retained by the Tax Collector, shall, if paid by the Tax Collector to the District, be paid by the District to the Trustee not later than five (5) Business Days following receipt of such proceeds by the District and shall be deposited by the Trustee to the credit of the Series 2024 Revenue Account.

If any property shall be offered for sale for the nonpayment of any Series 2024 Assessments and no person or persons shall purchase such property for an amount equal to the full amount due on the Series 2024 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the District for an amount equal to the balance due on the Series 2024 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive in its corporate name or in the name of a special purpose entity title to the property for the benefit of the Owners of the Series 2024 Bonds; provided that the Trustee shall have the right, acting at the direction of the Majority Owners, but shall not be obligated, to direct the District with respect to any action taken pursuant to this section. The District, either through its own actions, or actions caused to be taken through the Trustee, shall have the power and shall lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Series 2024 Revenue Account. The District, either through its own actions or actions caused to be taken through the Trustee, agrees that it shall, after being provided assurances satisfactory to it of payment of its fees, costs and expenses for doing so, be required to take the measures provided by law for sale of property acquired by it as trustee for the benefit of the Owners of the Series 2024 Bonds within thirty (30) days after the receipt of the request therefor signed by the Trustee or the Majority Owners. The Trustee may, upon

direction from the Majority Owners, pay costs associated with any actions taken by the District pursuant to this paragraph from any moneys legally available for such purpose held under the Indenture.

THERE CAN BE NO ASSURANCE THAT ANY SALE, PARTICULARLY A BULK SALE, OF LAND SUBJECT TO DELINQUENT ASSESSMENTS WILL PRODUCE PROCEEDS SUFFICIENT TO PAY THE FULL AMOUNT OF SUCH DELINQUENT ASSESSMENTS PLUS OTHER DELINQUENT TAXES AND ASSESSMENTS APPLICABLE THERETO.

Additional Covenants Regarding Assessments

The District covenants in the Indenture to comply with the terms of the Assessment Proceedings heretofore adopted with respect to the Series 2024 Assessments, including the Assessment Report, and to levy the Series 2024 Assessments and any required true-up payments set forth in the Assessment Report, in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2024 Bonds, when due. The Assessment Report shall not be materially amended without written consent of the Majority Owners.

Re-Assessment

Pursuant to the Master Indenture, if any Series 2024 Assessments shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or the District shall be satisfied that any such Series 2024 Assessment is so irregular or defective that it cannot be enforced or collected, or if the District shall have omitted to make such Series 2024 Assessment when it might have done so, the District shall either (a) take all necessary steps to cause a new Series 2024 Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (b) in its sole discretion, make up the amount of such Series 2024 Assessment from legally available moneys, which moneys shall be deposited into the Series 2024 Revenue Account. In case any such subsequent Series 2024 Assessment shall also be annulled, the District shall obtain and make other Series 2024 Assessments until a valid Series 2024 Assessment shall be made.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2024 Bonds is the revenues derived by the District from the collection of Series 2024 Assessments imposed on the lands in Assessment Area One specially benefited by the Assessment Area One Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein and "APPENDIX B – ASSESSMENT REPORT" attached hereto.

The imposition, levy, and collection of Series 2024 Assessments must be done in compliance with the provisions of State law. Failure by the District, the Hernando County Tax Collector (the "Tax Collector") or the Hernando County Property Appraiser (the "Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2024 Assessments during any year. Such delays

in the collection of Series 2024 Assessments, or complete inability to collect any Series 2024 Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of Debt Service on the Series 2024 Bonds. See "BONDOWNERS' RISKS" herein. To the extent that landowners fail to pay the Series 2024 Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2024 Bonds.

For the Series 2024 Assessments to be valid, the Series 2024 Assessments must meet two requirements: (a) the benefit from the Assessment Area One Project to the lands subject to the Series 2024 Assessments must exceed or equal the amount of the Series 2024 Assessments; and (b) the Series 2024 Assessments must be fairly and reasonably allocated across all such benefited properties. At closing, the Assessment Consultant (hereinafter defined) will certify that these requirements have been met with respect to the Series 2024 Assessments.

Pursuant to the Act and the Assessment Proceedings, the District may collect the Series 2024 Assessments through a variety of methods. See "BONDOWNERS' RISKS" herein. The Indenture provides that, when permitted by law, Series 2024 Assessments levied on platted lots no longer owned by the Developer and pledged to secure the Series 2024 Bonds shall be collected pursuant to the Uniform Method, and Series 2024 Assessments levied on unplatted lands and platted lots owned by the Developer and pledged to secure the Series 2024 Bonds shall be collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless otherwise directed by the Trustee acting at the direction of the Majority Owners upon the occurrence and continuance of an Event of Default. See "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein and "APPENDIX B – ASSESSMENT REPORT" attached hereto. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing & Foreclosure Procedure

As noted above, and pursuant to Chapter 170, Florida Statutes, and the Act, the District may directly levy, collect and enforce the Series 2024 Assessments. In this context, Section 170.10, Florida Statutes, provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2024 Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one-year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2024 Assessments and the ability to foreclose the lien of such Series 2024 Assessments upon the failure to pay such Series 2024 Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2024 Assessments. See "BONDOWNERS' RISKS" herein.

Uniform Method Procedure

Subject to certain conditions, the District may alternatively elect to collect the Series 2024 Assessments using the Uniform Method. The Uniform Method is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2024 Assessments to be levied and collected in this manner.

If the Uniform Method is used, the Series 2024 Assessments will be collected together with County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such Taxes and Assessments, including the Series 2024 Assessments, are to be billed together and landowners in the District are required to pay all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2024 Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2024 Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item would cause the Series 2024 Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of Debt Service on the Series 2024 Bonds.

Under the Uniform Method, if the Series 2024 Assessments are paid during November when due or during the following three (3) months, the taxpayer is granted a variable discount equal to four percent (4%) in November and decreasing one percentage point per month to one percent (1%) in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay

in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2024 Bonds that (a) the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2024 Assessments, (b) future landowners and taxpayers in the District will pay such Series 2024 Assessments, (c) a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (d) the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2024 Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2024 Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2024 Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than eighteen percent (18%)).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently eighteen percent (18%). The Tax Collector does not collect any money if tax certificates are issued, or "struck off," to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than eighteen percent (18%) per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2024 Assessments), interest, costs and charges on the real property described in the certificate.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued (unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees), at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of five percent (5%), unless the rate borne by the certificates is zero percent (0%). The proceeds of such redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is affected by purchase of such certificates from the County, as described above.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven (7) years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two (2) years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the

expiration of seven (7) years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two (2) years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear. If the property is purchased for an amount in excess of the statutory bid of the certificate holder, but such excess is not sufficient to pay all governmental liens of record, the excess shall be paid to each governmental unit pro rata.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the governing board of the County that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after

the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three (3) years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2024 Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2024 Assessments, which are the primary source of payment of the Series 2024 Bonds. Additionally, legal proceedings under federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDOWNERS' RISKS" herein.

THE DISTRICT

General

The District is a local unit of special purpose government duly organized and existing under the provisions of the Act and established by the Ordinance. The boundaries of the District include approximately 229.43 acres of land located entirely within an unincorporated area of the County and are coterminous with the boundaries of the Development.

Legal Powers and Authority

The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development.

The Act provides that community development districts have the power to issue general obligation, revenue and special assessment revenue debt obligations in any combination to pay all or part of the cost of infrastructure improvements authorized under the Act. The Act further provides that community development districts have the power under certain conditions to levy and assess ad valorem taxes or non-ad valorem assessments, including the Series 2024 Assessments, on all taxable real property within their boundaries to pay the principal of and interest on debt obligations issued and to provide for any sinking or other funds established in connection with any such debt obligation issues. Pursuant to the Act, such assessments may be levied, collected and enforced in the same manner and time as county property taxes.

Among other provisions, the Act gives the District's Board of Supervisors the authority to (a) finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or

extend, equip, operate and maintain systems and facilities for: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and wastewater management reclamation and re-use systems or any combination thereof, and to construct and operate connecting intercepting or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the applicable specifications of the county; roads and improvements to existing roads that are owned by or conveyed to the local general-purpose government, the State, or the federal government; street lights; alleys; landscaping; hardscaping; undergrounding of electric utility lines; buses, trolleys, transit shelters, ridesharing facilities and services, parking improvements, and related signage; (iv) conservation areas, mitigation areas, and wildlife habitat, including the maintenance of any plant or animal species, and any related interest in real or personal property; (v) any other project, facility or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District; and (vi) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses; and security, including, but not limited to, guardhouses, fences and gates, and electronic intrusion-detection systems; (b) borrow money and issue bonds of the District; (c) levy, collect and enforce special assessments; (d) impose and foreclose special assessment liens as provided in the Act; and (e) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District authorized by the Act.

The Act does not empower the District to adopt and enforce land use plans or zoning ordinances and the Act does not empower the District to grant building permits. These functions are collectively performed by the County and its departments of government.

The Act exempts all property of the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any Owner of bonds of the District to pursue any remedy for enforcement of any lien or pledge of the District in connection with such bonds, including the Series 2024 Bonds.

Board of Supervisors

The Act provides for a five-member Board of Supervisors (as previously defined, the "Board") to serve as the governing body of the District. Members of the Board must be residents of the State and citizens of the United States. Pursuant to the Act, six (6) years after establishment and after 250 qualified electors reside within the District, the seats of Board members whose terms expire are filled by votes of the qualified electors of the District, except as described below. A qualified elector is a registered voter who is a resident of the District and the State and a citizen of the United States. At the election where Board members are first elected by qualified electors, two Board members must be qualified electors and be elected by qualified electors, both to four-year terms. A third Board member is elected through an election of the landowners of the District. Thereafter, as terms expire, all Board members must be qualified electors elected by qualified electors to serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The current members of the Board and their respective term expiration dates are set forth below.

<u>Name</u>	<u>Title</u>	<u>Expiration of Term</u>
Michael S. Lawson*	Chairman	November 2026
Doug Draper*	Vice Chairman	November 2026
Lori Price*	Assistant Secretary	November 2024
Christie Ray*	Assistant Secretary	November 2024
Brittany Crutchfield*	Assistant Secretary	November 2024

* Affiliate or employee of the Developer.

The Act empowers the Board to adopt administrative rules and regulations with respect to any projects of the District, and to enforce penalties for the violation of such rules and regulations. The Act permits the Board to levy taxes under certain conditions, and to levy special assessments, and to charge, collect and enforce fees and user charges for use of District facilities.

District Manager and Other Consultants

The Act authorizes the Board to hire a District Manager as the chief administrative official of the District. The Act provides that the District Manager shall have charge and supervision of the works of the District and shall be responsible for (a) preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, (b) maintaining and operating the equipment owned by the District, and (c) performing such other duties as may be prescribed by the Board.

Breeze Connected, LLC d/b/a Breeze ("Breeze"), has been retained as the firm to provide district management services for the District (in such capacity, the "District Manager"). The District Manager's office is located at 1540 International Parkway, Suite 2000, Lake Mary, Florida 32746 and their phone number is (813) 565-4663.

It should be noted that Metro Development Group, L.L.C., an affiliate of the Developer, holds a controlling interest in Breeze. Pursuant to Section 190.007, Florida Statutes, it is not a conflict of interest under Chapter 112, Florida Statutes, for the district manager to be a stockholder, officer, or employee of a landowner or of an entity affiliated with a landowner.

The District Manager's typical responsibilities can briefly be summarized as directly overseeing and coordinating the District's planning, financing, purchasing, staffing, and reporting and acting as governmental liaison for the District. The District Manager's responsibilities also include requisitioning moneys to pay construction contracts and the related accounting and reporting that is required by the Indenture.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Nabors, Giblin & Nickerson, P.A., Tampa, Florida, as Bond Counsel and Disclosure Counsel; Straley Robin Vericker P.A., Tampa, Florida, as District Counsel; Stantec Consulting Services Inc., Tampa, Florida, as Consulting Engineer; and Breeze Connected, LLC d/b/a Breeze, Lake Mary, Florida, as Assessment Consultant.

THE CAPITAL IMPROVEMENT PROGRAM AND THE ASSESSMENT AREA ONE PROJECT

In connection with the issuance of the Series 2024 Bonds, Stantec Consulting Services Inc. (the "Consulting Engineer") has prepared the Bond Validation Report of the District Engineer dated November 16, 2021 (the "Master Engineer's Report"), as supplemented by the Report of the District Engineer – Capital Improvement Revenue Bonds, Series 2024 (Assessment Area One) dated March 1, 2024 (the "Supplemental Engineer's Report" and, together with the Master Engineer's Report, the "Engineer's Report") which is included herein as composite APPENDIX A. The Engineer's Report sets forth the public infrastructure improvements to be constructed in the District, including without limitation stormwater ponds, roadways, water and sewer facilities and off-site improvements (collectively, the "CIP").

The District Lands are being developed in phases. The portion of the CIP benefiting Assessment Area One (the "Assessment Area One Project") consists of public master and subdivision infrastructure improvements associated with Pods A, B and C of the Development, comprised of approximately 165.23 acres planned for 494 single-family units. The Series 2024 Bonds are being issued to finance a portion of the Assessment Area One Project. The Consulting Engineer estimates the total cost of the Assessment Area One Project to be approximately \$25.3 million, as more particularly described below:

Infrastructure	Master	Subdivision	Total
District Roads	\$2,884,700	\$2,026,100	\$4,910,800
Water Management & Control	1,057,600	7,395,800	8,453,400
Sanitary Sewer & Wastewater Management	976,800	2,783,100	3,759,900
Potable Water Supply	1,320,500	1,842,300	3,162,800
Undergrounding of Electrical Supply	--	681,000	681,000
Landscape/Irrigation/Hardscape	1,373,500	1,052,500	2,426,000
Professional Services/Fees/Perf. Bonds	300,000	1,569,000	1,869,000
Total	\$7,913,100	\$17,349,800	\$25,262,900

The Series 2024 Bonds will be secured by the Series 2024 Assessments which will initially be levied on the 165.23 acres constituting Assessment Area One planned for 494 single-family units. As lots in Assessment Area One are platted, the Series 2024 Assessments will be assigned to the 494 single-family units on a first platted, first assigned basis as set forth in the Assessment Report attached hereto as composite APPENDIX B. See "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein.

Pods A, B and C are being phased to coincide with the delivery of lots to the Builders (hereinafter defined). Pods A and B are underway and expected to be completed by November 2024. Pod C is expected to be completed by January 2025. As of March 19, 2024, the Developer has spent or incurred approximately \$6.6 million (hard and soft costs) toward land development associated with Assessment Area One, approximately \$5.2 million of which includes costs associated with the Assessment Area One Project. See "THE DEVELOPMENT – Development Plan and Status" herein.

Net proceeds of the Series 2024 Bonds are expected to fund a portion of the Assessment Area One Project in the approximate amount of \$16.1 million*. The remainder of the Assessment Area One Project not funded with net proceeds of the Series 2024 Bonds will be funded by the Developer. The Developer will enter into the Completion Agreement at the time of issuance of the Series 2024 Bonds whereby it will agree to complete the Assessment Area One Project to the extent that proceeds of the Series 2024 Bonds are insufficient therefor. See "THE DEVELOPMENT – Developer Agreements" and "BONDOWNERS' RISKS – Completion of Assessment Area One Project" herein.

It is anticipated that the District will issue additional Bonds in the future in order to finance public infrastructure improvements associated with future phases of the Development. Such Bonds will be secured by special assessments levied on lands which are separate and distinct from the lands upon which the Series 2024 Assessments are levied. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Additional Obligations" herein.

The Consulting Engineer has indicated that all permits necessary to construct the Assessment Area One Project have been obtained or will be obtained in the ordinary course of business. In addition to the Engineer's Report, see "THE DEVELOPMENT – Development Approvals" herein for a more detailed description of the entitlement and permitting status of the Development.

The information in this section with respect to the Engineer's Report is qualified in its entirety by reference to such report which is included herein as composite APPENDIX A, and such report should be read by prospective investors in its entirety.

ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS

DPFG Management & Consulting, LLC prepared the Master Special Assessment Methodology Report dated November 16, 2021 (the "Master Assessment Report") that allocates the total benefit derived from the District's CIP to the benefited lands in the District. In addition, Breeze Connected, LLC d/b/a Breeze (in such capacity, the "Assessment Consultant") has prepared the First Supplemental Special Assessment Methodology Report dated March 15, 2024 (the "Supplemental Assessment Report" and, together with the Master Assessment Report, the "Assessment Report") that allocates the Series 2024 Assessments in proportion to the benefit derived from the Assessment Area One Project. Once the final terms of the Series 2024 Bonds are determined, the Supplemental Assessment Report will be revised to reflect such final terms. The Assessment Report is attached hereto as composite APPENDIX B.

Initially, the Series 2024 Assessments securing the Series 2024 Bonds will be levied on 165.23 gross acres anticipated to be developed into 494 single-family residential units (as previously defined, "Assessment Area One"). Per the allocation methodology set forth in the Assessment Report, the Series 2024 Assessments levied on Assessment Area One will be

* Preliminary, subject to change.

allocated upon development completion and platting of the 494 lots planned within Assessment Area One on a first platted, first assigned basis.

The Developer anticipates paying down a portion of the debt allocated to each lot at the time of closing with the Builders in accordance with the maximum annual assessment levels set in the Builder Contracts (hereinafter defined). The table below presents estimated principal and annual amounts of the Series 2024 Assessments that will be levied on the lands within Assessment Area One in connection with the Series 2024 Bonds prior to such paydown.

Product Type	# of Lots	Series 2024 Principal Per Unit*	Annual Series 2024 Assessments†
Single-family 40'	259	\$34,726	\$2,469
Single-family 50'	235	43,408	3,086
Total	494		

* Preliminary, subject to change. Though not required, the Developer anticipates paying down a portion of the debt allocated to each lot at the time of closing with the Builders in accordance with the maximum annual assessment levels set in the Builder Contracts. See "THE DEVELOPMENT – Builder Contracts and Participating Builders" herein. The total expected principal paydown for the 494 lots within Assessment Area One will be approximately \$8,310,000, which amount is subject to change.

† Preliminary, subject to change. The annual Series 2024 Assessment levels shown assume collection via the Uniform Method and will be grossed up to account for early payment discounts and fees of the Property Appraiser and Tax Collector, currently estimated to be 8%. As noted above, the Developer anticipates paying down a portion of the debt allocated to each lot at the time of closing with the Builders such that the annual assessment levels will be \$1,400 and \$1,750 per single-family 40' unit and single-family 50' unit, respectively.

The following information appearing below under the captions "THE DEVELOPMENT" and "THE DEVELOPER" has been furnished by the Developer for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by the District or its counsel, the Underwriter or its counsel, or Bond Counsel, and no person other than the Developer makes any representation or warranty as to the accuracy or completeness of such information supplied by it. The following information is provided by the Developer as a means for prospective bondholders to understand the anticipated development plan and risks associated with the Development. The Developer is not guaranteeing payment of the Series 2024 Bonds or the Series 2024 Assessments.

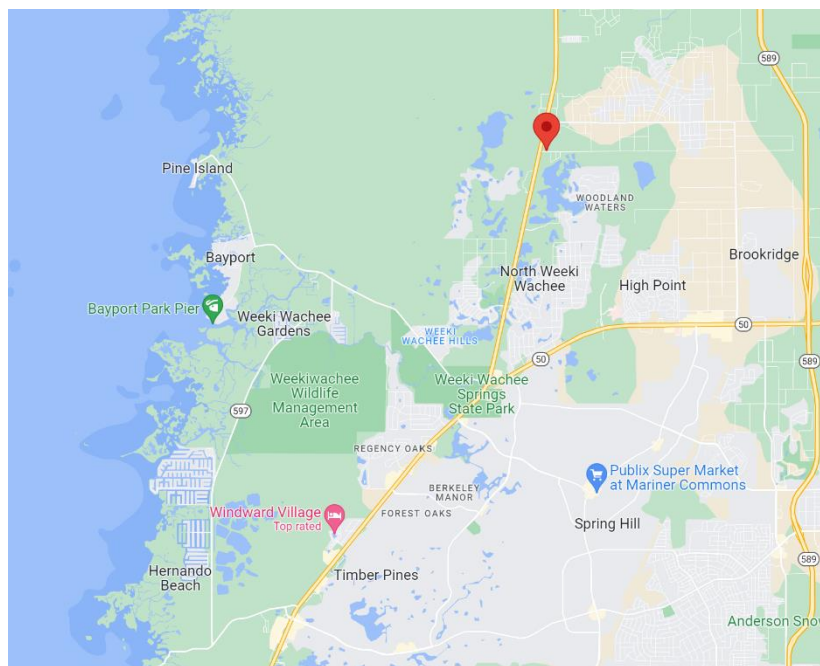

THE DEVELOPMENT

General

The District Lands encompass approximately 229.43 acres located within Hernando County, Florida (as previously defined, the "County") and contain a portion of the master planned mixed-use community to be known as "Lake Hideaway" (as previously defined, the "Master Development"). There are approximately 656 additional acres of land outside of the District boundaries encompassing the balance of the Master Development. At buildout, the Master Development is currently expected to contain approximately 2,918 units consisting of single-family homes and townhomes. The Master Development is anticipated to be highly

amenitized and will contain an approximately six (6) acre lagoon area amenity feature with associated, ancillary facilities. See "– Recreational Amenities" below.

Only a portion of the Master Development, which portion is expected to contain 696 single-family and townhome residential units, is currently within the boundaries of the District (as previously defined, the "Development"). The Development is located south of Hexam Road, north of Star Road and east of US Highway 19, which flows directly to employment and shopping areas within the cities of Weeki Wachee and Spring Hill. The Development is approximately ten (10) minutes from Weeki Wachee Springs State Park and twenty (20) minutes from Hernando Beach. The map below shows the general location of the Development.

Land development associated with the Development will occur in phases. Separate assessment areas have been or will be created in order to facilitate the District's financing and development plans. Assessment Area One consists of approximately 165.23 acres of land planned for 494 single-family units. The remaining approximately sixty-five (65) acres of land within the District, which are planned for approximately 202 residential units, will be developed in the future.

The Series 2024 Bonds are being issued in order to finance a portion of the Assessment Area One Project. The Series 2024 Bonds will be secured by the Series 2024 Assessments which will initially be levied on the 165.23 acres constituting Assessment Area One planned for 494 single-family units. As lots in Assessment Area One are platted, the Series 2024 Assessments will be assigned to the 494 single-family units on a first platted, first assigned basis as set forth in the Assessment Report attached hereto as composite APPENDIX B. See "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein.

The District anticipates issuing additional Series of Bonds in the future in order to finance additional infrastructure costs associated with future phases/assessment areas of the

Development within the District. Such bonds will be secured by special assessments which are separate and distinct from the Series 2024 Assessments which have been pledged as security for the Series 2024 Bonds and will be levied on future assessment areas comprising different areas of the Development as development progresses. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Additional Obligations" herein.

Hawk Lake Hideaway, LLC, a Delaware limited liability company (as previously defined, the "Developer"), is the owner and developer of all of the lands in the Development, including the lands within Assessment Area One. The Developer has entered into contracts (the "Builder Contracts") with D.R. Horton, Inc., a Delaware corporation ("Horton"), and KB Home Tampa LLC, a Delaware limited liability company ("KB Home" and, together with Horton, the "Builders"), for the sale of approximately 960 lots planned for the Master Development, which includes the 494 lots planned for Assessment Area One. See "– Builder Contracts and Participating Builders" herein.

The Development is expected to attract first-time and move-up homebuyers, with prices starting around \$250,000. See "– Residential Product Offerings" hereinbelow.

Land Acquisition and Finance Plan

The Developer acquired the lands comprising the Development from an affiliated entity, which is owned and controlled by a group of different principals/investors, on or about October 22, 2021, for an aggregate purchase price of approximately \$6 million. There is currently a mortgage and security agreement (the "Mortgage") that encumbers all of the District Lands, including Assessment Area One, and secures a loan in the maximum principal amount of \$29.8 million (the "Loan"), which is currently outstanding in the amount of \$12.4 million, in favor of Fidelity Land, LLC, a Florida limited liability company ("Fidelity"), a wholly owned subsidiary of Lennar Corporation. The Developer has applied approximately \$6 million of the net proceeds of the Loan towards the purchase price/acquisition costs related to the District Lands and the remaining amount that has been drawn, approximately \$6.4 million, towards development costs.

The Loan is governed by an Amended and Restated Credit Agreement dated as of February 22, 2021 (the "Credit Agreement") between Hawk Land Investors New, LLC, a Delaware limited liability company ("Hawk Land") and Fidelity. The Credit Agreement provides for subsidiaries of Hawk Land (such as the Developer) to request and receive loans (such as the Loan) from Fidelity with respect to different projects and properties owned by various subsidiaries from time to time, subject to the terms of the Credit Agreement (the Loan collectively with any other loans outstanding under the Credit Agreement referred to herein as the "Credit Agreement Loans"). The Loan bears interest at a fixed rate of 12% and is payable quarterly with interest only, and all principal under the Loan matures and is due on February 28, 2027. Pursuant to the Credit Agreement, additional requests for draws ("Additional Advances") can be made for the Loan, subject to a maximum expected cap of \$29.8 million that can be outstanding at any time. The Developer anticipates requesting any Additional Advances in the future, as necessary, in order to cover costs related to ongoing development. The Loan is also pre-payable by the Developer with at least two (2) days' notice.

Under the terms of the Loan, the Developer has assigned all of its interests in the Builder Contracts to Fidelity, and, further, with Fidelity's consent, the Builder Deposits

(hereinafter defined) under the Builder Contracts have been or will be released to the Developer in order to fund development costs. In connection with the release of the Builder Deposits under the Builder Contracts, consensual liens have been or will be recorded in favor of the Builders, which also burden the underlying lands that are subject to sale as finished lots under the Builder Contracts (the "Builder Liens"), including the lands associated with Assessment Area One. Such Builder Liens have been approved by Fidelity. See "– Builder Contracts and Participating Builders" hereinbelow and "BONDOWNERS' RISKS – Completion of Assessment Area One Project" herein.

Further, in accordance with the Credit Agreement and the Loan, 100% of the net cash sale proceeds from the sale of each lot under the Builder Contracts will be applied first to the payment of the Loan before any portion of such net sale proceeds can be distributed to the Developer. In accordance with the Credit Agreement, the Mortgage and the Loan are cross collateralized with any other Credit Agreement Loans made by Fidelity under the Credit Agreement with respect to the Development or any other projects unrelated to the Development, and such Credit Agreement Loans, including the Loan, are subject to cross default as a result of delinquencies and events of default as specified in the Credit Agreement which may or may not be related to the Development.

The total costs associated with land development for Assessment Area One is expected to be approximately \$25.3 million. As of March 19, 2024, the Developer has spent approximately \$6.6 million (hard and soft costs) toward land development associated with Assessment Area One, approximately \$5.2 million of which includes costs associated with the Assessment Area One Project. Net proceeds of the Series 2024 Bonds in the approximate amount of \$16.1 million* will be used to finance a portion of the Assessment Area One Project. Land development costs not funded by proceeds of the Series 2024 Bonds will be funded by Builder Deposits and proceeds from the Loan. The Developer will enter into the Completion Agreement at closing on the Series 2024 Bonds whereby the Developer will covenant to complete any portions of the Assessment Area One Project not funded with net proceeds of the Series 2024 Bonds. See "BONDOWNERS' RISKS – Completion of Assessment Area One Project" herein.

Development Plan and Status

Assessment Area One is planned for 494 single-family residential units consisting of (a) 259 single-family units on forty foot (40') wide lots and (b) 235 single-family units on fifty foot (50') wide lots. Parcel infrastructure installation associated with Pods A and B, planned for 212 lots within Assessment Area One, commenced in October 2023 and is expected to be completed by November 2024, at which point lot deliveries to the Builders will commence. Marketing and construction of residential units will commence shortly thereafter. Parcel infrastructure installation associated with Pod C, planned for 282 lots within Assessment Area One, commenced in October 2023 and is expected to be completed by January 2025. A plat for Pods A and B within Assessment Area One is expected to be recorded by August 2024 and a plat for Pod C within Assessment Area One is expected to be recorded by October 2024. Closings with homebuyers in Pods A and B within Assessment Area One are expected to

* Preliminary, subject to change.

commence by March 2025 and closings with homebuyers in Pod C within Assessment Area One are expected to commence by May 2025.

The Developer expects the Builders to deliver approximately 300 homes per annum within the Development until buildout, which is expected to occur by July 2027. These anticipated absorption rates are based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer based on current market conditions, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. As a result, there can be no assurance such absorption rates will occur or be realized in the time frames anticipated.

Builder Contracts and Participating Builders

The Developer has entered into contracts (as previously defined, the "Builder Contracts") with D.R. Horton, Inc., a Delaware corporation (as previously defined, "Horton"), and KB Home Tampa LLC, a Delaware limited liability company (as previously defined, "KB Home" and, together with Horton, as previously defined, the "Builders"), for the sale of approximately 960 lots planned for the Master Development for a total expected consideration of \$75.4 million, which includes the 494 lots planned for Assessment Area One. The total expected consideration for the sale of the 494 lots planned for Assessment Area One is approximately \$43.3 million. Set forth below is a table which summarizes the terms of the Builder Contracts. For a more detailed discussion, please see the narrative below.

Product Type	No. of Units	Builder	Plan	Gross Base Lot Price	Expected Additional Consideration*	Total Expected Consideration
Single-family 40'	133	Horton	Takedown of developed lots	\$64,000	\$10,000	\$9,842,000
Single-family 40'	126	KB Home	Takedown of developed lots	\$76,000	\$10,000	\$10,836,000
Single-family 50'	135	Horton	Takedown of developed lots	\$80,000	\$10,000	\$12,150,000
Single-family 50'	100	KB Home	Takedown of developed lots	\$95,000	\$10,000	\$10,500,000
Total	494					\$43,328,000

* Expected Additional Consideration is an estimate based upon a formula tied to the sale price of a home and is subject to change based upon the actual sale price of the home.

Horton Contract

Horton is currently under contract with the Developer (the "Horton Contract") to purchase approximately 600 lots within the Master Development, including 133 forty-foot (40') lots and 135 fifty-foot (50') lots within Pods A and C within Assessment Area One of the Development (such 268 lots subject to the Horton Contract within Assessment Area One are collectively referred to herein as the "Horton Lots"). The total expected consideration under the Horton Contract for the 268 Horton Lots planned within Assessment Area One is approximately \$21.992 million.

The initial Lot Purchase Agreement was executed by the local division of Horton on November 22, 2022, and received corporate ratification on December 22, 2022. Subsequently, the Developer and Horton entered into a First Amendment to Lot Purchase Agreement, which was executed by the local division of Horton on October 31, 2023, and received corporate ratification on December 7, 2023. Pursuant to the Horton Contract, the inspection period has expired and Horton has issued a notice of suitability to the Developer to proceed with acquisition of the Horton Lots.

Pursuant to the Horton Contract, Horton delivered an aggregate deposit in the amount of \$4,576,000 (the "Horton Deposit"), which will be released to the Developer upon the satisfaction of certain conditions, which are anticipated to be satisfied by the end of April 2024. Upon release of the Horton Deposit, a mortgage which secures the Developer's obligations under the Horton Contract (the "Horton Mortgage") will be recorded, burdening the Horton Lots. The Horton Deposit is generally non-refundable, once it has been fully released, unless the Developer does not perform as required under the Horton Contract.

Pursuant to the Horton Contract, the Developer is required to deliver fifty (50) lots to Horton at the initial closing (the "Horton Initial Closing"), which is anticipated to occur by November 2024. Following the Horton Initial Closing, the Horton Contract provides, generally, for subsequent lot takedowns of fifty (50) lots each to occur at least every ninety (90) days after the prior closing.

The Horton Lots are initially priced at \$64,000 per forty-foot (40') lot, and \$80,000 per fifty-foot (50') lot. From and after the date of the Horton Initial Closing until the final closing, Horton Lots subject to takedowns are subject to a price escalator at the rate of six percent (6.0%) simple interest per year. In addition, Horton is required to pay to the Developer an additional fee based on the amount by which Horton is ultimately able to sell improved Horton Lots to end users. At closing of the Horton Lots, the Developer anticipates making a partial prepayment of the Series 2024 Assessments on such lots in order to bring the annual Series 2024 Assessment to approximately \$1,400 per forty-foot (40') lot and \$1,750 per fifty-foot (50') lot. See "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein.

KB Home Contract

KB Home is currently under contract with the Developer (the "KB Home Contract") to purchase approximately 360 lots within the Master Development, including 126 forty-foot (40') lots and 100 fifty-foot (50') lots within Pods A, B and C within Assessment Area One of the Development (such 226 lots subject to the KB Home Contract within Assessment Area One are collectively referred to herein as the "KB Home Lots"). The total expected consideration under the KB Home Contract for the 226 KB Home Lots planned within Assessment Area One is approximately \$21.336 million.

The initial Lot Purchase and Sale Agreement, with an effective date of October 30, 2023, was subsequently amended by that certain First Amendment to Lot Purchase and Sale Agreement, dated as of January 30, 2024. Pursuant to the KB Home Contract, the inspection period expired on or about January 29, 2024, and KB Home delivered a notice of suitability to the Developer to proceed with the acquisition of the lots on January 29, 2024.

Pursuant to the KB Home Contract, KB Home delivered an aggregate deposit in the amount of \$3,078,000 (the "KB Home Deposit" and, together with the Horton Deposit, the "Builder Deposits"), which will be released to the Developer upon the satisfaction of certain conditions, which are anticipated to be satisfied by the end of April 2024. Upon release of the KB Home Deposit, a mortgage which secures the Developer's obligations under the KB Home Contract (the "KB Home Mortgage") will be recorded, burdening the KB Home Lots. The KB Home Deposit is generally non-refundable, once it has been fully released, unless the Developer does not perform as required under the KB Home Contract.

Pursuant to the KB Home Contract, the Developer is required to deliver twenty-five (25) lots to KB Home at the initial closing (the "KB Home Initial Closing"), which is anticipated to occur by November 2024. Following the KB Home Initial Closing, the KB Home Contract provides, generally, for subsequent lot takedowns of twenty-five (25) lots each to occur at least every ninety (90) days after the prior closing.

The KB Home Lots are initially priced at \$76,000 per forty-foot (40') lot, and \$95,000 per fifty-foot (50') lot. From and after the date of the KB Home Initial Closing until the final closing, KB Home Lots subject to takedowns are subject to a price escalator at the rate of four percent (4.0%) simple interest per year. In addition, KB Home is required to pay to the Developer an additional fee based on the amount by which KB Home is ultimately able to sell improved KB Home Lots to end users. At closing of the KB Home Lots, the Developer anticipates making a partial prepayment of the Series 2024 Assessments on such lots in order to bring the annual Series 2024 Assessment to approximately \$1,400 per forty-foot (40') lot and \$1,750 per fifty-foot (50') lot. See "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein.

Development Approvals

The Master Development was approved by the Board of County Commissioners of Hernando County, Florida ("BOCC") as a Combined-Planned Development Project ("C-PDP") in February 2010 and a master plan revision was approved by the BOCC on February 8, 2022. The C-PDP allows for the development of 3,700 residential units, up to 1,300 of which may be multifamily units, and approximately six (6) acres for potential community recreational facilities within the Master Development. The C-PDP generally governs the conditions under which the Master Development may be developed, and any changes to the conditions identified in the C-PDP would require a modification to the C-PDP, which would need to be approved by the BOCC. Among other items, the C-PDP approval establishes certain conditions pertaining to transportation, roadways, sidewalks, drainage, traffic concurrency, environmental, trails and parks, lighting, landscaping, tree protection and irrigation, and impact fees. As part of the subdivision approval process, and prior to platting of any phase of the Development, the County reviewing agencies will determine compliance with all conditions delineated in the C-PDP. The C-PDP approvals for the lands comprising the Development (including Assessment Area One) are consistent with the current land use and development plan for those portions of the Development that will be subject to the Series 2024 Assessments, and all conditions of the C-PDP are currently being complied with.

As previously mentioned, Assessment Area One consists of Pods A, B and C within the Development. The Development will not require any permits from the Army Corps of Engineers. However, the Development does include some wetlands under the jurisdiction of the Southwest Florida Water Management District ("SWFWMD"). As such, the Developer received environmental resource individual construction permits from SWFWMD in February 2022 for Pods A and B and in May 2023 for Pod C, which permits cover the final construction of the stormwater management system for Assessment Area One within the Development.

In addition, the County issued construction plan approval in April 2022 for Pods A and B and an early site clearance approval in October 2023 for Pod C. Initial construction will include certain water management control, sewer, and potable water facilities, roads, and associated earthwork and paving, as identified in the Engineer's Report attached hereto as composite APPENDIX A.

The Florida Department of Environmental Protection ("FDEP"), through the Hernando County Utilities Department, issued domestic wastewater collection/transmission permits in April 2022 for Pods A and B and in December 2023 for Pod C. In addition, FDEP issued water transmission permits in May 2022 for Pods A and B and in December 2023 for Pod C.

The Florida Fish and Wildlife Conservation Commission issued gopher tortoise take permits in April 2023 for Pods A and B and in August 2023 for Pod C.

The Consulting Engineer will certify at the closing of the Series 2024 Bonds that there are no known issues which would prevent any additional permits necessary for the installation of the infrastructure for the Assessment Area One Project from being obtained.

The Development, including Assessment Area One, also has full transportation concurrency based on a traffic study submitted to the County by the Developer, and no additional, off-site transportation improvements or improvements needed to satisfy school concurrency requirements are expected to be required in order to obtain further construction permits from the County and other agencies, as required by the C-PDP.

Residential Product Offerings

The target market for Assessment Area One is expected to be first-time and move-up homebuyers. The following table reflects the Developer's current expectations of the product types to be constructed within Assessment Area One and their approximate average base price and square footage, all of which are subject to change.

Product Type	Average Approximate Square Footage	Average Expected Home Base Price
Single-family 40'	1,800	\$250,000
Single-family 50'	2,300	\$350,000

Environmental

A Phase I Environmental Site Assessment was prepared by Coastal Engineering Associates, Inc. dated July 2020 (the "ESA"), covering the lands in the Master Development (inclusive of the lands within the Development). The ESA revealed three (3) on-site recognized environmental conditions ("RECs"), involving possible soil contamination due to two (2) burned abandoned automobiles and a dump/debris area within the Master Development, but outside of the District. In August 2020, soil sampling in the areas of the RECs was conducted by Creative Environmental Solutions, Inc. (the "Soil Sampling"), which revealed no significant impacts in the soil in such areas. Only the Developer and certain other parties are entitled to rely on the ESA or the Soil Sampling, and the information included herein as represented on the ESA and the Soil Sampling is being provided for informational purposes only. See "BONDOWNERS' RISKS – Regulatory and Environmental Risks" herein for more information regarding potential environmental risks.

Recreational Amenities

Metro Lagoons, LLC, a Delaware limited liability company, manages the operations of multiple man-made lagoons on behalf of special purpose entities (collectively, the "Lagoon

Developer") that plan, design, construct and own lagoons that are surrounded by sandy beaches and can be used for the practice of water sports and recreational activities year-round. The first lagoon in the U.S. was completed in 2018 with an approximately 7.5-acre lagoon area and ancillary facilities located adjacent to the Epperson Ranch Community Development District, the Epperson Ranch II Community Development District, and the Epperson North Community Development District and the lagoon has been a major driver of sales within such communities. Additionally, in 2022, a 5-acre lagoon area was completed adjacent to the Hidden Creek Community Development District and the Southshore Bay Community Development District, and the largest lagoon in the U.S. was completed in 2023 with a 15-acre lagoon area adjacent to the Mirada Community Development District and the Mirada II Community Development District.

The Lagoon Developer is currently in the process of designing, permitting and creating a similar lagoon feature on approximately six (6) acres as part of its plans for the Master Development (the "Main Recreational Amenity"). The Main Recreational Amenity will be funded directly by the Lagoon Developer, at a cost of in excess of \$5 million, and residents of the Development and the Master Development are all expected to be members of a club plan by virtue of the recordation of a club plan, which will burden the lands within the Master Development (the "Club Plan"). As members of such Club Plan, owners and residents within the Master Development are given membership rights to use such Main Recreational Amenity, subject to the payment of any applicable fees and adherence to the Club Plan. Residents within the Development are expected to pay approximately \$420 a year per unit to use the Main Recreational Amenity in accordance with the Club Plan. Construction of the Main Recreational Amenity is anticipated to commence in the second quarter of 2025 and anticipated to be complete in the fourth quarter of 2026. In addition, the Development will include various amenities that will provide families the opportunity to create their own lifestyle, which are anticipated to include pedestrian trails, passive parks, benches, pool/cabana, and landscaping, hardscaping, lighting and irrigation within all of these areas.

Utilities

The Development is located within the franchise/service areas of Hernando County Utilities which will provide water and wastewater services to the Development. Withlacoochee River Electric Cooperative will provide electrical power to the Development and Spectrum will provide cable, data, and telephone services.

Education

School age residents of the Development are expected to attend Winding Waters K-8 and Weeki Wachee High School, both of which were rated "C" by the Florida Department of Education in 2023. Both schools are within five (5) miles of the Development. In addition, Pasco-Hernando State College is located within a twenty (20) minute drive from the Development. The Hernando County School Board may change school boundaries from time to time, and there is no requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.

Taxes, Fees and Assessments

As set forth in the Assessment Report, the Series 2024 Assessments are initially levied on the 165.23 gross acres constituting Assessment Area One anticipated to be developed into 494 single-family units. Once Assessment Area One is platted, the Series 2024 Assessments will be assigned to the platted lots within Assessment Area One on a first platted, first assigned basis.

As discussed further herein, the Developer anticipates paying down a portion of the debt allocated to each lot at the time of closing with the Builders in accordance with the maximum annual assessment levels set in the Builder Contracts. Assuming that all of the currently planned 494 residential units are developed and platted, the Series 2024 Assessments will be allocated on a per unit basis below and as set forth in the Assessment Report. See "APPENDIX B – ASSESSMENT REPORT" attached hereto.

Product Type	# of Lots	Series 2024 Principal Per Unit*	Annual Series 2024 Assessments†
Single-family 40'	259	\$34,726	\$2,469
Single-family 50'	235	43,408	3,086
Total	494		

* Preliminary, subject to change. Though not required, the Developer anticipates paying down a portion of the debt allocated to each lot at the time of closing with the Builders in accordance with the maximum annual assessment levels set in the Builder Contracts. See "THE DEVELOPMENT – Builder Contracts and Participating Builders" herein. The total expected principal paydown for the 494 lots within Assessment Area One will be approximately \$8,310,000, which amount is subject to change.

† Preliminary, subject to change. The annual Series 2024 Assessment levels shown assume collection via the Uniform Method and will be grossed up to account for early payment discounts and fees of the Property Appraiser and Tax Collector, currently estimated to be 8%. As noted above, the Developer anticipates paying down a portion of the debt allocated to each lot at the time of closing with the Builders such that the annual assessment levels will be \$1,400 and \$1,750 per single-family 40' unit and single-family 50' unit, respectively.

The current millage rate for the area of the County where the District is located is approximately 15.1872 mills. Assuming an average home price of \$300,000 with a \$25,000 homestead exemption (\$275,000 taxable value), the annual ad valorem property tax would be approximately \$4,176.48. The Developer has created a homeowner's association ("HOA") for the residents within the District, with its main function being architectural review and deed restriction enforcement. The annual HOA fee is anticipated to be approximately \$1,500 per year, regardless of product type, with an additional \$300 start-up fee imposed on each resident, which amounts are subject to change. Each property owner in the District is also anticipated to pay annual operation and maintenance assessments ("O&M Assessments") ranging from approximately \$1,200 to \$1,500 a year (depending on unit type), and approximately \$420 per year for use of the Main Recreational Amenity.

The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. Exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School Board of Hernando County each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in 2023.

Competition

The Development is expected to compete with projects in the Hernando County market, which include Glen Lakes, Woodland Waters and Royal Highlands. The foregoing does not purport to summarize all of the existing or planned communities in the area of the Development.

Developer Agreements

The Developer will enter into an agreement (the "Completion Agreement") that will obligate the Developer to complete any portions of the Assessment Area One Project not funded with net proceeds of the Series 2024 Bonds.

In addition, the Developer will enter into an agreement (the "Collateral Assignment"), pursuant to which the Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer, certain development rights relating to the Assessment Area One Project and the development of Assessment Area One. Notwithstanding such Collateral Assignment, in the event the District forecloses on the lands subject to the Series 2024 Assessments as a result of the Developer's or subsequent landowner's failure to pay such Series 2024 Assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the Assessment Area One Project or the development of Assessment Area One. Further, Fidelity may have certain intangible personal property rights assigned to it under the terms of the Credit Agreement and/or Loan and the Mortgage which may be superior to such intangible rights that might otherwise be assigned to the District under the terms of the Collateral Assignment. See "BONDOWNERS' RISKS – Completion of Assessment Area One Project" and "BONDOWNERS' RISKS – District May Not be Able to Obtain Permits" herein.

Finally, the Developer will enter into an agreement (the "True-Up Agreement") in connection with its obligations to pay true-up payments in the event that debt levels remaining on unplatted lands in Assessment Area One increase above the maximum debt levels set forth in the Assessment Report. See "APPENDIX B – ASSESSMENT REPORT" attached hereto for additional information regarding the "true-up mechanism." See also "BONDOWNERS' RISKS – Completion of Assessment Area One Project" herein.

Such obligations of the Developer are unsecured obligations. The Developer is a special-purpose entity whose assets consist primarily of its interests in the Development. See "THE DEVELOPER" herein for more information regarding the Developer.

THE DEVELOPER

Development Manager

Under the terms of a Development Agreement (the "Development Agreement"), the Developer has engaged Substantia II, LLC, a Delaware limited liability company (the "Development Manager"), for the purpose of overseeing the day-to-day activities of, among other things, the Development, including planning, entitlement, lot development, sales activities, and to act as the contracting party for third party vendors necessary for the Development, all subject to the terms of the Development Agreement.

The Development Manager utilizes a team of experienced real estate professionals located in Tampa, Florida that has significant hands-on experience developing large master planned residential communities. Those individuals include John M. Ryan, Robert Ahrens and Michael Lawson. This team has led the development of over 44,000 single-family lots and has been selected to manage multiple projects in the current market. The Development Manager is controlled by Mr. John M. Ryan, and the Development Manager is ultimately owned, through other, affiliated entities (the "Development Manager Affiliates"), by Mr. Ryan's family. Such Development Manager Affiliates are also managed by Mr. Ryan, either through Metro Development Group, LLC, a Florida limited liability company, The Ryan Group LLC, a Florida limited liability company, or other affiliated entities.

The following are biographies of the management team and key personnel utilized by the Development Manager that will oversee development of the Development.

John M. Ryan is the sole manager of the Development Manager. Prior to the Development Manager, Mr. Ryan had a successful career in Canadian real estate development in Toronto and real estate development in Florida. Mr. Ryan's rare combination of big picture vision and attention to detail, along with his extensive experience in residential and commercial development and hands-on approach to every project the company undertakes, have helped the Development Manager and its affiliates become a premier land developer. Mr. Ryan has successfully and simultaneously managed development companies in Canada and the United States. Mr. Ryan holds a degree in Civil Engineering from Queens University, Kingston, Ontario.

Robert Ahrens was previously a Senior Vice President at KB Homes in charge of acquisition and development. As a Division President for Lennar Homes, Mr. Ahrens managed assets in excess of \$200 million, and as a Vice President at Arvida, Mr. Ahrens directed a 10,000-acre development, the single largest asset in the company's history. Mr. Ahrens' responsibilities for the Development Manager include identifying and negotiating new opportunities.

Michael Lawson serves as the Managing Director of Operations for the Development Manager and oversees all aspects of land development and entitlement for the Development Manager. Mr. Lawson was a pioneer in the formation and financing of community development districts and has two decades of experience rising through the ranks of two of the nation's preeminent homebuilders, U.S. Home and Lennar Homes, ultimately having become a Division President. Mr. Lawson holds an accounting degree from Florida Southern.

Neither the Developer, the Development Manager, nor any of the individuals or entities listed above is guaranteeing payment of the Series 2024 Bonds or the Series 2024 Assessments.

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds secured by special assessments issued by a public authority or governmental body in the State. Certain of these risks are described in the section above entitled "ENFORCEMENT OF ASSESSMENT COLLECTIONS." However, certain additional risks are associated with the Series 2024 Bonds offered hereby. This section does not purport to summarize all risks that may be associated with purchasing or owning the Series 2024 Bonds and prospective purchasers are advised to read this Limited Offering Memorandum including all appendices hereto in its entirety to identify investment considerations relating to the Series 2024 Bonds.

Limited Pledge

The principal security for the payment of Debt Service on the Series 2024 Bonds is the timely collection of the Series 2024 Assessments. The Series 2024 Assessments do not constitute a personal indebtedness of the owners of the land subject thereto but are secured by a lien on such land. There is no assurance that the Developer or any subsequent landowner will be able to pay the Series 2024 Assessments or that they will pay such Series 2024 Assessments even though financially able to do so. Neither the Developer nor any subsequent landowner is a guarantor of payment of any Series 2024 Assessment and the recourse for the failure of the Developer or any subsequent landowner to pay the Series 2024 Assessments is limited to the collection proceedings against the land. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein. The District has not granted, and may not grant under State law, a mortgage or security interest in the Assessment Area One Project. Furthermore, the District has not pledged the revenues, if any, from the operation of the Assessment Area One Project as security for, or a source of payment of, the Series 2024 Bonds. The Series 2024 Bonds are payable solely from, and secured solely by, the Series 2024 Trust Estate, including the Series 2024 Assessments. The failure of the Developer or any subsequent landowner to pay the required Series 2024 Assessment on its property will not result in an increase in the amount of Series 2024 Assessments other landowners are or would be required to pay.

Concentration of Land Ownership and Bankruptcy Risks

Initially, payment of the Series 2024 Assessments is substantially dependent upon their timely payment by the Developer. In the event of the institution of bankruptcy or similar proceedings with respect to the Developer or any other subsequent significant owner of property subject to the Series 2024 Assessments, delays and impairment could occur in the payment of Debt Service on the Series 2024 Bonds as such bankruptcy could negatively impact the ability of (a) the Developer or any other landowner being able to pay the Series 2024 Assessments, (b) the County to sell tax certificates in relation to such property with respect to the Series 2024 Assessments being collected pursuant to the Uniform Method, and (c) the District's ability to enforce collection with respect to the Series 2024 Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2024 Bonds, the Trustee and the District upon an Event of Default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including during a bankruptcy of the Developer or any other landowner, the remedies specified by federal, State and local law and in the Indenture and the Series 2024

Bonds, including, without limitation, enforcement of the obligation to pay Series 2024 Assessments and the ability of the District to foreclose the lien of the Series 2024 Assessments, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce available remedies respecting the Series 2024 Bonds could have a material adverse impact on the interest of the Owners thereof.

Delay and Discretion Regarding Remedies

Beyond legal delays that could result from bankruptcy, the ability of the County to sell tax certificates in regard to delinquent Series 2024 Assessments collected pursuant to the Uniform Method will be dependent upon various factors, including the interest rate which can be earned by ownership of such certificates and the value of the land which is the subject of such certificates and which may be subject to sale at the demand of the certificate holder after two (2) years. Similarly, the ability of the District to enforce collection of delinquent Series 2024 Assessments collected directly by the District will be dependent upon various factors, including the delay inherent in any judicial proceeding to enforce the lien of the Series 2024 Assessments and the value of the land which is the subject of such proceedings and which may be subject to sale. If the District should commence a foreclosure action against a landowner for nonpayment of Series 2024 Assessments which are not being collected pursuant to the Uniform Method and that are delinquent, such landowners may raise affirmative defenses to such foreclosure action, which although such affirmative defenses would likely be proven to be without merit, could result in delays in completing the foreclosure action.

Limitation on Funds Available to Exercise Remedies

In the event of a default by a landowner in payment of Series 2024 Assessments that are not collected pursuant to the Uniform Method, the District is required under the Indenture to fund the costs of foreclosure of such delinquent Series 2024 Assessments. It is possible that the District will not have sufficient funds and will be compelled to request the Owners of the Series 2024 Bonds to allow funds on deposit under the Indenture to be used to pay such costs. Under the Internal Revenue Code of 1986, as amended (the "Code"), there are limitations on the amount of Series 2024 Bond proceeds that can be used for such purpose. As a result, there may be insufficient funds for the exercise of remedies.

Determination of Land Value upon Default

The assessment of the benefits to be received by the benefited land within Assessment Area One as a result of implementation and development of the Assessment Area One Project is not indicative of the realizable or market value of the land, which value may actually be higher or lower than the assessment of benefits. In other words, the value of the land could potentially be ultimately less than the debt secured by the Series 2024 Assessments associated with it. To the extent that the realizable or market value of the land benefited by the Assessment Area One Project is lower than the assessment of benefits, the ability of the Tax Collector to sell tax certificates relating to such land, or the District to realize sufficient

value from a foreclosure action, may be adversely affected. Such adverse effect could render the District unable to collect delinquent Series 2024 Assessments, if any, and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of Debt Service on the Series 2024 Bonds.

Landowner Challenge of Assessed Valuation

Under State law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2024 Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2024 Assessment, even though the landowner is not contesting the amount of the Series 2024 Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least seventy-five percent (75%) of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification, or a determination that their improvements were substantially complete, must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

Failure to Comply with Assessment Proceedings

The District is required to comply with statutory procedures in levying the Series 2024 Assessments. Failure of the District to follow these procedures could result in the Series 2024 Assessments not being levied or potential future challenges to such levy.

Other Taxes and Assessments

The willingness and/or ability of a landowner within Assessment Area One to pay the Series 2024 Assessments could be affected by the existence of other taxes and assessments imposed upon the property. Public entities whose boundaries overlap those of the District, such as the County, the School Board of Hernando County and other special districts could, without the consent of the owners of the land within Assessment Area One, impose additional taxes or assessments on the property within Assessment Area One. County, municipal, school and special district taxes and assessments, including the Series 2024 Assessments, and any additional voter-approved ad valorem taxes, are payable at the same time when collected pursuant to the Uniform Method, except for partial payment schedules as may be provided by Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment, such taxpayer cannot designate specific line items on the tax bill as deemed paid in full. Therefore, any failure by a landowner to pay any one line item, whether or not it is the Series 2024 Assessment, would result in such landowner's Series 2024 Assessment to not be fully collected, which could have a significant adverse impact on the District's ability to make full or punctual payment of Debt Service on the Series 2024 Bonds.

As referenced herein, the Series 2024 Assessments are levied on lands within Assessment Area One that are also subject to O&M Assessments, HOA fees and fees associated with the Club Plan. See "THE DEVELOPMENT – Taxes, Fees and Assessments" herein.

Limited Secondary Market

The Series 2024 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2024 Bonds in the event an Owner thereof determines to solicit purchasers of the Series 2024 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2024 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2024 Bonds, depending on the progress of the Development, existing market conditions and other factors.

Inadequacy of Series 2024 Reserve Account

Some of the risk factors described herein, if materialized, could result in a delay in the collection of the Series 2024 Assessments or a failure to collect the Series 2024 Assessments, but may not affect the timely payment of Debt Service on the Series 2024 Bonds because of the Series 2024 Reserve Account established by the District for the Series 2024 Bonds. However, the ability of the District to fund deficiencies caused by delinquent or delayed Series 2024 Assessments is dependent upon the amount, duration and frequency of such deficiencies or delays. If the District has difficulty in collecting the Series 2024 Assessments, the Series 2024 Reserve Account could be rapidly depleted and the ability of the District to pay Debt Service on the Series 2024 Bonds could be materially adversely affected. Owners should note that although the Indenture contains the Series 2024 Reserve Account Requirement for the Series 2024 Reserve Account, and a corresponding obligation on the part of the District to replenish such Series 2024 Reserve Account to the Series 2024 Reserve Account Requirement, the District does not have a designated revenue source for replenishing the Series 2024 Reserve Account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2024 Assessments in order to provide for the replenishment of the Series 2024 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Additional Obligations" herein.

Moneys on deposit in the Series 2024 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys available in the Series 2024 Reserve Account to make up deficiencies or delays in collection of Series 2024 Assessments.

Regulatory and Environmental Risks

The Development is subject to comprehensive federal, State and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received

as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the Development.

The value of the land within Assessment Area One, the ability to complete the Assessment Area One Project or develop Assessment Area One, and the likelihood of timely payment of Debt Service on the Series 2024 Bonds could be affected by environmental factors with respect to the lands in Assessment Area One, such as contamination by hazardous materials. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future whether originating within Assessment Area One or from surrounding property, and what effect such may have on the development of the lands within Assessment Area One. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" herein.

Economic Conditions

The successful sale of lots to homebuilders and the successful sale of residential units, in turn, by homebuilders to end users once homes are built within the District, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developer, the Development Manager or the District. Contracts that the Developer may have with individual homebuilders are subject to a myriad of contractual conditions, which if not complied with, may lead to termination or rescission of such contracts, causing the Developer to possibly need to execute a different strategy for the development and sale of finished lots or undeveloped land. See "THE DEVELOPMENT – Builder Contracts and Participating Builders" herein.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurance can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of Debt Service on the Series 2024 Bonds.

Infectious Viruses and/or Diseases

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Developer, the timely and successful completion of the Development, and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs.

Damage to District from Natural Disasters

The value of the lands subject to the Series 2024 Assessments could be adversely affected by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the lands within the District unable to support the construction of the Assessment Area One Project or development of Assessment Area One. The occurrence of any such events could materially adversely affect the District's ability to collect Series 2024 Assessments and pay Debt Service on the Series 2024 Bonds. The Series 2024 Bonds are not insured and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Change in Development Plans

The Developer has the right to modify or change plans for development of certain property within the Development, from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with, and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Completion of Assessment Area One Project

In the event the District does not have sufficient moneys on hand to complete the Assessment Area One Project, there can be no assurance that the District will be able to raise through the issuance of bonds, or otherwise, the moneys necessary to complete the Assessment Area One Project. Further, pursuant to the Supplemental Indenture, the District will covenant that so long as there are any Series 2024 Bonds Outstanding, it shall not cause or permit to be caused any lien, charge or claim against the Series 2024 Trust Estate. Further, the District will covenant and agree that so long as the Series 2024 Assessments have not been Substantially Absorbed, it shall not issue any Bonds or other debt obligations secured by Assessments on any lands subject to the Series 2024 Assessments. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Additional Obligations" herein. The Developer will enter into the Completion Agreement with the District whereby the Developer will agree to provide funds to complete the Assessment Area One Project to the extent that net proceeds of the Series 2024 Bonds are insufficient therefor. However, such obligation of the Developer is an unsecured obligation and the Developer is a single asset entity whose primary asset is the lands comprising the Development. In addition, the Developer will also execute and deliver to the District the Collateral Assignment, pursuant to which the Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer, certain of its development rights relating to the Assessment Area One Project and the lands subject to the Series 2024 Assessments as security for the Developer's payment and performance and discharge of its obligation to pay the Series 2024 Assessments. However, there can be no assurance that in the case of a default in the payment of the Series 2024 Assessments and a default of the Series 2024 Bonds that if the District and/or the Trustee were to exercise their rights under such Collateral Assignment that the District and/or the Trustee, as the case may be, will have all development rights necessary to develop Assessment Area One. See "THE CAPITAL IMPROVEMENT PROGRAM AND THE

ASSESSMENT AREA ONE PROJECT" and "THE DEVELOPMENT" herein. Further, Fidelity may have certain intangible personal property rights assigned to it under the terms of the Credit Agreement and/or Loan and the Mortgage which may be superior to such intangible rights that might otherwise be assigned to the District under the terms of the Collateral Assignment. See "THE DEVELOPMENT – Land Acquisition and Finance Plan" herein. Finally, lands within the Development are subject to a recorded Club Plan that burdens such lands as it relates to membership within such Club Plan and use of the Main Recreational Amenity which will be owned by an affiliate of the Developer. No rights related to the Club Plan or the Main Recreational Amenity are being assigned to the District or any other entity under the Collateral Assignment. See "THE DEVELOPMENT – Recreational Amenities" herein.

District May Not be Able to Obtain Permits

In connection with a foreclosure of lien of assessments prior to completion of a development, the Circuit Court in and for Lake County, Florida concluded that a community development district had no right, title or interest in any permits and approvals owned by the owner of the parcels so foreclosed. As discussed herein, the District and the Developer will enter into the Collateral Assignment upon issuance of the Series 2024 Bonds in which the Developer collaterally assigns to the District certain of its development and contract rights relating to the Assessment Area One Project. Notwithstanding the foregoing, in the event that the District forecloses on the property subject to the lien of the Series 2024 Assessments to enforce payment thereof, the District may not have the right, title or interest in all the permits and approvals owned by the Developer and failure to obtain any such permits or approvals in a timely manner could delay or adversely affect the completion of Assessment Area One. See "THE DEVELOPMENT – Developer Agreements" herein.

Interest Rate Risk; No Rate Adjustment for Taxability

The interest rates borne by the Series 2024 Bonds are, in general, higher than interest rates borne by other bonds of political subdivisions that do not involve the same degree of risk as investment in the Series 2024 Bonds. These higher interest rates are intended to compensate investors in the Series 2024 Bonds for the risk inherent in the purchase of the Series 2024 Bonds. However, such higher interest rates, in and of themselves, increase the amount of Series 2024 Assessments that the District must levy in order to provide for payment of Debt Service on the Series 2024 Bonds and, in turn, may increase the burden of landowners within the District, thereby possibly increasing the likelihood of non-payment or delinquency in payment of such Series 2024 Assessments.

The Indenture does not contain an adjustment of the interest rates on the Series 2024 Bonds in the event of a determination of taxability of the interest thereon. Such a change could occur as a result of the District's failure to comply with tax covenants contained in the Indenture or the Arbitrage Certificate executed by the District upon issuance of the Series 2024 Bonds or due to a change in the United States income tax laws. Should interest on the Series 2024 Bonds become includable in gross income for federal income tax purposes, Owners of the Series 2024 Bonds will be required to pay income taxes on the interest received on such Series 2024 Bonds and related penalties. Because the interest rates on such Series 2024 Bonds will not be adequate to compensate Owners of the Series 2024 Bonds for the income taxes due on such interest, the value of the Series 2024 Bonds may decline.

Prospective purchasers of the Series 2024 Bonds should evaluate whether they can own the Series 2024 Bonds in the event that the interest on the Series 2024 Bonds becomes taxable and/or the District is ever determined to not be a political subdivision for purposes of the Code and/or Securities Act.

IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this paragraph, the "Audited Bonds") issued by Village Center Community Development District ("Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local governmental body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements was closed without change to the tax-exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to Village Center CDD.

On February 23, 2016, the IRS issued a notice of proposed rulemaking containing proposed regulations (the "Proposed Regulations") that provided guidance as to the definition of a political subdivision for purposes of the rules for tax-exempt bonds. However, on July 24, 2017, in response to Executive Order 13789 issued by President Trump, the Secretary of the Treasury (the "Secretary") identified the Proposed Regulations among a list of eight regulations that (a) impose an undue financial burden on U.S. taxpayers, (b) add undue complexity to the federal tax laws, or (c) exceed the statutory authority of the IRS. On October 2, 2017, in his Second Report to the President on Identifying and Reducing Tax Regulatory Burdens, the Secretary reported that the Treasury Department and the IRS

believed that the Proposed Regulations should be withdrawn in their entirety, and the Treasury Department and the IRS withdrew the Proposed Regulations on October 20, 2017. The Secretary further provided that the Treasury Department and the IRS would continue to study the legal issues relating to political subdivisions and may propose more targeted guidance in the future. Because the Proposed Regulations have been withdrawn, it is not possible to determine the extent to which all or a portion of the discussion herein regarding the Village Center CDD and the TAMs may continue to be applicable in the absence of further guidance from the IRS.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by applicable State law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six (6) years or when there are 250 qualified electors in the District. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all members of the Board were elected by the landowners within the District and none were elected by qualified electors. The Developer will certify as to its expectations as to the timing of the transition of control of the Board to qualified electors pursuant to the Act. Such certification by the Developer does not ensure that such certification shall be determinative of or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2024 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Series 2024 Bonds are advised that, if the IRS does audit the Series 2024 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2024 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2024 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds would adversely affect the availability of any secondary market for the Series 2024 Bonds. Should interest on the Series 2024 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2024 Bonds be required to pay income taxes on the interest received on such Series 2024 Bonds and related penalties, but because the interest rates on such Series 2024 Bonds will not be adequate to compensate Owners of the Series 2024 Bonds for the income taxes due on such interest, the value of the Series 2024 Bonds may decline. See also "TAX MATTERS" herein.

Legislative Proposals and State Tax Reform

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2024 Bonds. In some cases, these proposals have contained provisions that altered these consequences on a retroactive basis. Such alteration of federal tax consequences may have affected the market value of obligations similar to the Series 2024 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2024 Bonds and their market value. No assurance can be given that legislative proposals will not be enacted that would apply to, or have an adverse effect upon, the Series 2024 Bonds. For example, in connection with federal deficit reduction, job creation and tax law reform efforts, proposals have been made and others are likely to be made that could significantly reduce the benefit of, or otherwise affect, the exclusion from gross income of interest on obligations like the Series 2024 Bonds. There can be no assurance that any such legislation or proposal will be enacted, and if enacted, what form it may take. The introduction or enactment of any such legislative proposals may affect, perhaps significantly, the market price for or marketability of the Series 2024 Bonds.

It is impossible to predict what new proposals may be presented regarding ad valorem tax reform and/or community development districts during upcoming State legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2024 Bonds. It should be noted that Section 190.016(14) of the Act provides in pertinent part that "the state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the assessments and to fulfill the terms of any agreement made with the holders of such bonds and that it will not impair the rights or remedies of such holders."

Loss of Exemption from Securities Registration

Since the Series 2024 Bonds have not been, and will not be, registered under the Securities Act or any state securities laws, pursuant to the exemption for political subdivisions, and regardless of any potential IRS determination that the District is not a political subdivision for purposes of the Code, it is possible that federal or state regulatory authorities could independently determine that the District is not a political subdivision for purposes of federal and state securities laws. Accordingly, the District and purchasers of the Series 2024 Bonds may not be able to rely on the exemption from registration relating to securities issued by political subdivisions. In that event, the Owners of the Series 2024 Bonds would need to ensure that subsequent transfers of the Series 2024 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act.

Prepayment and Redemption Risk

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2024 Bonds are subject to extraordinary mandatory redemption as a result of Prepayments of the Series 2024 Assessments by the Developer or subsequent owners of the

property within Assessment Area One. Any such redemptions of the Series 2024 Bonds would be at the principal amount of such Series 2024 Bonds being redeemed plus accrued interest to the date of redemption. In such event, Owners of the Series 2024 Bonds may not realize their anticipated rate of return on the Series 2024 Bonds and Owners of any Premium Bonds (hereinafter defined) may receive less than the price they paid for the Series 2024 Bonds. See "DESCRIPTION OF THE SERIES 2024 BONDS – Redemption Provisions" herein.

Performance of District Professionals

The District has represented to the Underwriter that it has selected its District Manager, District Counsel, Consulting Engineer, Assessment Consultant, Trustee and other professionals with the appropriate due diligence and care. While the foregoing professionals have each represented that they have the requisite experience to accurately and timely perform the duties assigned to them in such roles, the District does not guarantee the performance of such professionals.

Existing Mortgage

As further described under "THE DEVELOPMENT – Land Acquisition and Finance Plan," there is an existing mortgage (as previously defined, the "Mortgage") that burdens all of the lands in the District in favor of Fidelity Land, LLC, a Florida limited liability company (as previously defined, "Fidelity"). Although the Series 2024 Assessments are considered to be superior to the lien of a conventional mortgage by operation of law, it is not unusual for mortgagees to raise defenses during a foreclosure action to protect their security interests, and similarly situated mortgagees have, in fact, raised defenses in the past in the context of a community development district foreclosing on a delinquent assessment lien (the "Mortgagee Defenses"). Such Mortgagee Defenses could affect the timing and/or outcome of an action by the District to foreclose on delinquent Series 2024 Assessments. In addition, Fidelity may have certain intangible rights assigned to it under the terms of the Loan relating to the Development which are superior to such intangible rights that might otherwise be assigned to the District under the terms of the Collateral Assignment.

No Credit Enhancement or Rating

No application for credit enhancement or a rating on the Series 2024 Bonds has been made, nor is there any reason to believe that the District would have been successful in obtaining either for the Series 2024 Bonds had application been made.

Mortgage Default and FDIC

In the event a bank forecloses on property in Assessment Area One because of a default on a mortgage with respect thereto and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2024 Assessments. In addition, the District would be required to obtain the consent of the FDIC prior to commencing a foreclosure action on such property for failure to pay Series 2024 Assessments.

TAX MATTERS

Opinion of Bond Counsel

In the opinion of Bond Counsel, the form of which is included as APPENDIX D hereto, the interest on the Series 2024 Bonds is excludable from gross income of the owners thereof for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax under existing statutes, regulations, rulings and court decisions; provided, however, with respect to certain corporations, interest on the Series 2024 Bonds is taken into account in determining the annual adjusted financial statement income for the purpose of computing the alternative minimum tax imposed on such corporations. Failure by the District to comply subsequent to the issuance of the Series 2024 Bonds with certain requirements of the Internal Revenue Code of 1986, as amended (as previously defined, the "Code"), including but not limited to requirements regarding the use, expenditure and investment of Series 2024 Bond proceeds and the timely payment of certain investment earnings to the Treasury of the United States, may cause interest on the Series 2024 Bonds to become includable in gross income for federal income tax purposes retroactive to their date of issuance. The District has covenanted to comply with all provisions of the Code necessary to, among other things, maintain the exclusion from gross income of interest on the Series 2024 Bonds for purposes of federal income taxation. In rendering its opinion, Bond Counsel has assumed continuing compliance with such covenants.

Internal Revenue Code of 1986

The Code contains a number of provisions that apply to the Series 2024 Bonds, including, among other things, restrictions relating to the use or investment of the proceeds of the Series 2024 Bonds and the payment of certain arbitrage earnings in excess of the "yield" on the Series 2024 Bonds to the Treasury of the United States. Noncompliance with such provisions may result in interest on the Series 2024 Bonds being included in gross income for federal income tax purposes retroactive to their date of issuance.

Collateral Tax Consequences

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of, the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should be aware that the ownership of the Series 2024 Bonds may result in other collateral federal tax consequences. For example, ownership of the Series 2024 Bonds may result in collateral tax consequences to various types of corporations relating to (1) denial of interest deduction to purchase or carry such Series 2024 Bonds, (2) the branch profits tax, and (3) the inclusion of interest on the Series 2024 Bonds in passive income for certain Subchapter S corporations. In addition, the interest on the Series 2024 Bonds may be included in gross income by recipients of certain Social Security and Railroad Retirement benefits.

PURCHASE, OWNERSHIP, SALE OR DISPOSITION OF THE SERIES 2024 BONDS AND THE RECEIPT OR ACCRUAL OF THE INTEREST THEREON MAY HAVE ADVERSE FEDERAL TAX CONSEQUENCES FOR CERTAIN INDIVIDUAL AND CORPORATE BONDHOLDERS, INCLUDING, BUT NOT LIMITED TO, THE CONSEQUENCES REFERRED TO ABOVE. PROSPECTIVE SERIES 2024

BONDHOLDERS SHOULD CONSULT WITH THEIR TAX ADVISORS FOR INFORMATION IN THAT REGARD.

Florida Taxes

In the opinion of Bond Counsel, the Series 2024 Bonds and interest thereon are exempt from taxation under the laws of the State of Florida, except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations, as defined in said Chapter 220.

Other Tax Matters

Interest on the Series 2024 Bonds may be subject to state or local income taxation under applicable state or local laws in other jurisdictions. Purchasers of the Series 2024 Bonds should consult their tax advisors as to the income tax status of interest on the Series 2024 Bonds in their particular state or local jurisdictions.

The Inflation Reduction Act, H.R. 5376 (the "IRA"), was passed by both houses of the U.S. Congress and was signed by the President on August 16, 2022. As enacted, the IRA includes a 15 percent alternative minimum tax to be imposed on the "adjusted financial statement income", as defined in the IRA, of certain corporations. Interest on the Series 2024 Bonds will be included in the "adjusted financial statement income" of such corporations for purposes of computing the corporate alternative minimum tax. Prospective purchasers that could be subject to this minimum tax should consult with their own tax advisors regarding the potential tax consequences of owning the Series 2024 Bonds.

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2024 Bonds. In some cases these proposals have contained provisions that altered these consequences on a retroactive basis. Such alterations of federal tax consequences may have affected the market value of obligations similar to the Series 2024 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2024 Bonds and their market value. No assurance can be given that additional legislative proposals will not be introduced or enacted that would or might apply to, or have an adverse effect upon, the Series 2024 Bonds.

On February 23, 2016, the Internal Revenue Service issued a notice of proposed rulemaking (the "Proposed Regulations") and notice of public hearing containing proposed regulations that provided guidance regarding the definition of political subdivision for purposes of the rules for tax-exempt bonds, including determinations of entities that are valid issuers of tax-exempt bonds. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." The Proposed Regulations were officially

withdrawn on October 20, 2017. See also "BONDOWNERS' RISKS – IRS Examination and Audit Risk" herein.

Original Issue Discount

Certain of the Series 2024 Bonds (the "Discount Bonds") may be offered and sold to the public at an original issue discount, which is the excess of the principal amount of the Discount Bonds over the initial offering price to the public, excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers, at which price a substantial amount of the Discount Bonds of the same maturity was sold. Original issue discount represents interest which is excluded from gross income for federal income tax purposes to the same extent as interest on the Discount Bonds. Original issue discount will accrue over the term of a Discount Bond at a constant interest rate compounded semi-annually. An initial purchaser who acquires a Discount Bond at the initial offering price thereof to the public will be treated as receiving an amount of interest excludable from gross income for federal income tax purposes equal to the original issue discount accruing during the period such purchaser holds such Discount Bond and will increase its adjusted basis in such Discount Bond by the amount of such accruing discount for purposes of determining taxable gain or loss on the sale or other disposition of such Discount Bond. The federal income tax consequences of the purchase, ownership and prepayment, sale or other disposition of Discount Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those above. Owners of Discount Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of interest accrued upon sale, prepayment or other disposition of such Discount Bonds and with respect to the state and local tax consequences of owning and disposing of such Discount Bonds.

Bond Premium

Certain of the Series 2024 Bonds (the "Premium Bonds") may be offered and sold to the public at a price in excess of the principal amount of such Premium Bond, which excess constitutes to an initial purchaser amortizable bond premium which is not deductible from gross income for federal income tax purposes. The amount of amortizable bond premium for a taxable year is determined actuarially on a constant interest rate basis over the term of the Premium Bonds which term ends on the earlier of the maturity or call date for each Premium Bond which minimizes the yield on said Premium Bonds to the purchaser. For purposes of determining gain or loss on the sale or other disposition of a Premium Bond, an initial purchaser who acquires such obligation in the initial offering to the public at the initial offering price is required to decrease such purchaser's adjusted basis in such Premium Bond annually by the amount of amortizable bond premium for the taxable year. The amortization of bond premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Premium Bonds. The federal income tax consequences of the purchase, ownership and sale or other disposition of Premium Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those described above. Owners of the Premium Bonds are advised that they should consult with their own advisors with respect to the state and local tax consequences of owning such Premium Bonds.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975. The District has not previously issued any bonds or other indebtedness and the District is not and has not ever been in default as to principal and interest on its bonds or other debt obligations.

VALIDATION

The Series 2024 Bonds are a portion of the Bonds that were validated by a Final Judgment of the Circuit Court of the Fifth Judicial Circuit of Florida, in and for Hernando County, Florida, entered on February 17, 2022. The period during which an appeal can be taken has expired with no appeal being taken.

LITIGATION

District

There is no pending or, to the knowledge of the District, any threatened litigation against the District of any nature whatsoever which in any way questions or affects the validity of the Series 2024 Bonds, or any proceedings or transactions relating to their issuance, sale, execution, or delivery, or the execution of the Indenture. Neither the creation, organization nor existence of the District, nor the title of the present members of the Board has been challenged.

From time to time, the District expects to experience routine litigation and claims incidental to the conduct of its affairs. In the opinion of District Counsel, there are no actions presently pending or threatened, the adverse outcome of which would have a material adverse effect on the availability of the Series 2024 Trust Estate, or the ability of the District to pay the Series 2024 Bonds from the Series 2024 Trust Estate.

Developer

In connection with the issuance of the Series 2024 Bonds, the Developer will represent to the District that there is no litigation of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the ability of the Developer to complete the Development as described herein or materially and adversely affect the ability of the Developer to perform its obligations described in this Limited Offering Memorandum.

1.0 INTRODUCTION

The Lake Hideaway Community Development District ("the District") encompasses approximately 229.43 acres in Hernando County, Florida. The District is located within Section 12, Township 22 South, Range 17 East and Sections 7, 17 and 18, Township 22 South, Range 18 East and is vacant land with various abutting subdivisions.

See Appendix A for a Vicinity Map and Legal Description of the District.

2.0 PURPOSE

The District was established by Hernando County Ordinance 2021-21 effective on October 27, 2021 for the purpose of constructing and/or acquiring, maintaining, and operating all or a portion of the public improvements and community facilities within the District. The purpose of this Bond Validation Report of the District Engineer is to provide a description and estimated costs of the public improvements and community facilities being planned within the District.

3.0 THE DEVELOPER AND DEVELOPMENT

The property owner Hawk Land Investors New, LLC currently plans to build 679 residential units.

The possible major public improvements and community facilities include, but are not limited to, water management and control, water supply, sewer and wastewater management, roads, parks and recreation, and landscaping/hardscaping/irrigation.

4.0 PUBLIC IMPROVEMENTS AND COMMUNITY FACILITIES

Detailed descriptions of the proposed public improvements and community facilities are provided in the following sections.

4.1 WATER MANAGEMENT AND CONTROL

The design criteria for the District's water management and control is regulated by Hernando County and the Southwest Florida Water Management District (SWFWMD). The water management and control plan for the District focuses on utilizing newly constructed ponds within upland areas and on-site wetlands for stormwater treatment and storage.

Any excavated soil from the ponds is anticipated to remain within the development for use in building public infrastructure including roadways, landscape berming, drainage pond bank fill requirements, utility trench backfill, and filling and grading of public property.

The primary objectives of the water management and control for the District are:

1. To provide stormwater quality treatment.
2. To protect the development within the District from regulatory-defined rainfall events.
3. To maintain natural hydroperiods in the wetlands and connecting flow ways.
4. To ensure that adverse stormwater impacts do not occur upstream or downstream as a result of constructing the District improvements during regulatory-defined rainfall events.
5. To satisfactorily accommodate stormwater runoff from adjacent off-site areas which may naturally drain through the District.
6. To preserve the function of the flood plain storage during the 100-year storm event.

Water management and control systems will be designed in accordance with Hernando County technical standards. The District is anticipated to own and maintain these facilities.

4.2 WATER SUPPLY

The District is located within the Hernando County utilities service area which will provide water supply for potable water service and fire protection to the property. The water supply improvements are anticipated to include 8" looped water mains which will supply potable water and service and fire protection to the District. Off-site improvements may be required to provide service to the District.

The water supply systems will be designed in accordance with Hernando County technical standards. It is anticipated that Hernando County will own and maintain these facilities.

4.3 SEWER AND WASTEWATER MANAGEMENT

The District is located within the Hernando County utilities service area which will provide sewer and wastewater management service to the District. The sewer and wastewater management improvements are anticipated to include an 8" gravity sanitary sewer system within the road rights of way and pumping stations that will connect to an existing force main located north of the District. Off-site improvements may be required to provide service to the District.

All sanitary sewer and wastewater management facilities will be designed in accordance with Hernando County technical standards. It is anticipated that Hernando County will own and maintain these facilities.

4.4 DISTRICT ROADS

District Roads include the roadway asphalt, base, and subgrade, roadway curb and gutter, and sidewalks within rights of way abutting common areas.

All roads will be designed in accordance with the Hernando County technical standards and are anticipated to be owned and maintained by the Hernando County.

4.5 PARKS AND RECREATIONAL FACILITIES

Parks and recreation facilities are planned throughout the community and will be owned and maintained by the District.

4.6 LANDSCAPING/ HARDSCAPE/IRRIGATION

Community entry monumentation and landscape buffering and screening will be provided at several access points into the District. Irrigation will also be provided in the landscaped common areas.

It is anticipated that these improvements will be owned and maintained by the District.

4.7 PROFESSIONAL SERVICES AND PERMITTING FEES

Hernando County and SWFWMD impose fees for construction permits and plan reviews. These fees vary with the magnitude and size of the development. Additionally, engineering, surveying, and architecture services are needed for the subdivision, landscape, hardscape, and community amenity's design, permitting, and construction. As well, development/construction management services are required for the design, permitting, construction, and maintenance acceptance of the public improvements and community facilities.

Fees associated with performance and warranty financial securities covering Hernando County infrastructure may also be required.

These fees associated with public improvements may be funded by the District.

5.0 PUBLIC IMPROVEMENTS AND COMMUNITY FACILITIES COSTS

See Appendix B for the Construction Cost Estimate of the Public Improvements and Community Facilities.

6.0 SUMMARY AND CONCLUSION

The District, as outlined above, is responsible for the functional development of the lands within the District and, except as noted above in this report, such public improvements and facilities are located within the boundary of the District.

The planning and design of the District will be in accordance with current governmental regulatory requirements.

Items of construction cost in this report are based on our review and analysis of the conceptual site plans for the development and recent costs expended in similar projects of nature and size. It is our professional opinion that the estimated infrastructure costs provided herein for the development are conservative to complete the construction of the Public Improvements and Community Facilities described herein. All such infrastructure costs are public improvements or community facilities as set forth in Section 190.012(1) and (2) of the Florida Statutes.

The estimate of the construction costs is only an estimate and not a guaranteed maximum cost. The estimated cost is based on historical unit prices or current prices being experienced for on-going and similar items of work in the Hernando County. The labor market, future costs of equipment and materials, and the actual construction process are all beyond our control. Due to this inherent possibility for fluctuation in costs, the total final cost may be more or less than this estimate.

The professional service for establishing the Construction Cost Estimate is consistent with the degree of care and skill exercised by members of the same profession under similar circumstances.

The design criteria for the District's water management and control is regulated by the Hernando County Land Development Regulations' Stormwater Management Standards and the Southwest Florida Water Management District (the "SWFWMD"). The master water management and control plan for the District focuses on utilizing newly constructed stormwater ponds for stormwater treatment and storage within upland areas, as well as, storm sewer systems which convey runoff into the stormwater ponds.

Any excavated soil from the ponds is anticipated to remain within the development for use in building public infrastructure including roadways, landscape berming, stormwater pond bank fill, utility trench backfill, and filling and grading of public property.

The primary objectives of the water management and control for the District are:

1. To convey runoff into stormwater ponds

4. To ensure that adverse stormwater impacts do not occur upstream or downstream as a result of constructing the District improvements during regulatory-defined rainfall events.
5. To satisfactorily accommodate stormwater runoff from adjacent off-site areas which may naturally drain through the District.
6. To preserve the function of the flood plain storage during the 100-year storm event.
7. Design storm sewer systems to handle the runoff generated during the required storm events, as established by Hernando County.

The District will own and maintain the master water management and control.

4.2 MASTER DISTRICT ROADS

The master District roads include a portion of the District's collector road, Eagle Shore Drive, which connects to U.S. Highway 19 for access into and through the District. Master District roads will be designed in accordance with Hernando County technical standards and will ultimately be owned and maintained by Hernando County.

4.3 MASTER SEWER AND WASTEWATER MANAGEMENT

The District is located within the Hernando County Public Utilities' service area which will provide sewer and wastewater management service to the District. The master sewer and wastewater management improvements will include a combination of a gravity sanitary sewer system within the Eagle Shore Drive right-of-way along with two pumping stations and force main connections to an existing force system. Improvements to relocate an existing reclaimed water main is also required.

Off-site improvements are required to provide service to the District and are considered master improvements.

The master water supply improvements will include looped water mains within the Eagle Shore Drive right-of-way which will connect to existing water mains and supply potable water service and fire protection to the District.

Off-site improvements are required to provide service to the District and are considered master improvements.

The master water supply systems will be designed in accordance with Hernando County Public Utilities' technical standards. Hernando County will ultimately own and maintain these facilities.

4.5 MASTER LANDSCAPING, IRRIGATION AND HARDSCAPING

Community entry monumentation and landscape buffering and screening along Eagle Shore Drive are considered master improvements. An irrigation system will be provided within the landscaped areas.

These master improvements will be owned and maintained by the District.

4.6 MASTER PROFESSIONAL SERVICES AND PERMITTING FEES

Hernando County and SWFWMD impose fees for construction permits and plan reviews. Additionally, engineering, surveying, and architecture services are needed for the master landscape, hardscape, and community amenity's design, permitting, and construction. As well, development/construction management services are required for the design, permitting, construction, and maintenance acceptance of the public improvements and community facilities. The design, permitting, and construction administration fees for master improvements are considered master professional services and permitting fees.

SUBDIVISION PUBLIC IMPROVEMENTS AND COMMUNITY FACILITIES

4.7 SUBDIVISION WATER MANAGEMENT AND CONTROL

The design criteria for the District's water management and control is regulated by the Hernando County Land Development Regulations' Stormwater Management Standards and "SWFWMD." The master water management and control plan for the District focuses on utilizing

Subdivision District roads include the subdivision street rights of way improvements, including the asphalt, base and subgrade, roadway curb and gutter, and sidewalks within rights of way abutting common areas.

All subdivision streets will be designed in accordance with Hernando County technical standards and all subdivision roads are anticipated to be owned and maintained by the District.

4.9 SUBDIVISION SEWER AND WASTEWATER MANAGEMENT

The District is located within Hernando County Public Utilities' service area which will provide sewer and wastewater management service to the District. The subdivision sewer and wastewater management improvements will include a gravity sanitary sewer collection system within the subdivision roads rights-of-way.

All subdivision sewer and wastewater management systems will be designed in accordance with Hernando County Public Utilities' technical standards. Hernando County will ultimately own and maintain these facilities.

4.10 SUBDIVISION WATER SUPPLY

The District is located within the Hernando County Public Utilities' service area which will provide water supply for potable water service and fire protection to the property. The subdivision water supply will include looped water mains within the subdivision streets rights-of-way which will supply potable water service and fire protection to the District. Subdivision water supply will connect to the master water supply.

The subdivision water supply will be designed in accordance with Hernando County Public Utilities' technical standards. Hernando County will ultimately own and maintain these facilities.

4.11 SUBDIVISION ELECTRIC SERVICE, UNDERGROUNDING OF ELECTRICAL POWER AND STREET LIGHTS

The District lies within the area served by Withlacoochee River Electric Cooperative, Inc. for electrical power service, and there are fees paid to convert this service from overhead to underground within the District. It is also anticipated that streetlights will be constructed throughout the District either through a lease or purchase by the District.

Subdivision underground electrical service conversion and street light costs cover improvements along subdivision streets.

4.12 SUBDIVISION PROFESSIONAL SERVICES AND PERMITTING FEES

Hernando County and SWFWMD impose fees for construction permits and plan reviews. Additionally, engineering, surveying, and architecture services are needed for the subdivision, landscape, hardscape, permitting, and construction. As well, development/construction management services are required for the design, permitting, construction, and maintenance acceptance of the subdivision public improvements and community facilities. The design, permitting, and construction administration fees for subdivision improvements are considered subdivision professional services and permitting fees.

Fees associated with performance and warranty financial securities are required for transition to operation and maintenance.

5.0 PUBLIC IMPROVEMENTS AND COMMUNITY FACILITIES COSTS

See Appendix C for the Public Improvements and Community Facilities Construction Cost Estimate.

6.0 CONSTRUCTION PERMITTING STATUS

See Appendix D for the Permit Summary.

7.0 SUMMARY AND CONCLUSION

The District, as outlined above, is responsible for the functional development of the lands within the District and, except as noted above in this report, such public improvements and facilities are located within the boundary of the District.

Construction costs in this report are based on local contractor construction bids and analyses provided by the Developer. It is our professional opinion that the estimated infrastructure costs provided herein for the development are conservative to complete the construction of the Public Improvements and Community Facilities described herein.

The estimate of the construction costs is only an estimate and not a guaranteed maximum cost. The estimated cost is based on historical unit prices or current prices being experienced for on-going and similar items of work in Hernando County. The labor market, future costs of equipment and materials, and the actual construction process are all beyond our control.

The professional service for establishing the Construction Cost Estimate is consistent with the degree of care and skill exercised by members of the same profession under similar circumstances.

THE DISTRICT

General

The petition to establish the Lake Hideaway Community Development District (the “CDD” or “**District**”) was adopted by the Board of County Commissioners of Hernando County and the District was subsequently created by Ordinance No. 2021-21. The District encompasses 229.43 acres.

Purpose

The District is a local unit of special-purpose government established pursuant to, and existing in accordance with, Chapter 190, Florida Statutes (the “**Act**”). Pursuant to the Act, the District was created for the purpose of delivering certain community development services and facilities within its jurisdiction, including the design, acquisition and/or construction of certain public infrastructure improvements consisting of, but not limited to, roadways, water, sewer and wastewater, reclaimed water and irrigation systems, storm water management, community amenities, landscaping improvements, signage and lighting, electrical power and professional services and fees, as further described in the District Engineer’s Report, prepared by Stantec, dated November 16, 2021 (the “**Project**”).

Methodology Reports

This report provides a master assessment methodology for analyzing the benefits derived from the Project and determining the fair and equitable allocation of such benefits through the levy of special assessments on property within the District to fund all or portions of the Project. It is designed to conform to the requirements of Chapters 170 and 190, Florida Statutes, with respect to special assessments. The District plans to issue bonds to finance portions of the Project as development progresses. The District will deliver a supplemental assessment methodology report associated with each bond issuance describing the phase of the development and improvements to be funded.

PROJECT FINANCING AND BENEFIT ALLOCATION

To advance development of the land in the District, the District plans to finance the construction of the Project thru the issuance of multiple series of bonds. The bonds will be secured by and payable from the levy of Special Assessments collected from property that benefits from the public improvements constructed with proceeds from the bond issues. The amount of the Special Assessment is based on mathematical formulas that consider benefit from the bond funded infrastructure.

Infrastructure Project

The Project contains improvements that benefit all assessable units within the District (the “**Improvements**”). Accordingly, the Special Assessments levied in connection with the Improvements will be levied on all planned units in the District. The Project is estimated to cost approximately \$24.22 million.

A summary of the estimated costs of the Project, as shown in the Engineer's Report, is set forth in the following table.

Table 1 - Estimated Project Costs

Improvement Category	Total
Engineering Design, Permitting, Surveying, Testing	\$1,200,000
Consultant Management Fees	1,680,000
Storm Water Management	5,581,981
Roads	4,024,551
Potable Water	1,684,566
Sanitary Sewer	3,099,067
Dry Utilities Trenching	660,000
Recreational	1,050,000
Landscaping/Irrigation/Hardscape/Recreation	1,950,000
Permit and Other Fees	1,950,000
Contingency	1,339,017
Total	\$24,219,182

The proposed issuance of multiple series of bonds is anticipated to fund a portion or all of the costs associated with the development of the District which is planned for a total 679 lots.¹ The developer will covenant through a completion agreement to be entered into at the time of closing on each series of bonds to complete the Project to the extent any portions of the same are not funded with the net proceeds of each bond issue.

¹ At this time, total lot count is based on an approval of a preliminary plat for 211 single-family residential lots and a site plan for an additional 260 single-family residential lots and 208 townhomes.

Benefits

The construction of the Project will advance development of the properties within the District and will thereby create special benefits for those properties, and enhance the value of the property. All properties within the District will generally benefit from the Project, but developed residential lots with structures have an added benefit from the Project, for example, in terms of vehicular access, disposal of plumbing waste thru a system of pipes, flood prevention thru a stormwater collection system, potable water lines, recreational facilities, and other basic public infrastructure benefits for use of the subdivision.

Assessment Allocation

The preliminary land use plan describes the development of the land in one construction phase with final build-out anticipated to include a total of 679 residential dwelling units to be constructed on lots of varying frontage along a street. Customarily in the land development industry, residential lots are sold and bought in the market in standard lot width categories pursuant to purchase contracts, as opposed by exact lot width measurements of the street front footage or the size of such lot shown on a future plat map (this concept is referred to as “**Product Type**” herein). The methodology herein allocates debt Special Assessments to such residential Product Types based upon the benefits derived from the Project and apportioned such benefit to particular Product Types based on frontage and proposed construction plans for each Product Type. Accordingly, this report utilizes Project costs as a proxy value for benefit and allocates the Special Assessments based on standard front foot, or frontage, as standard measurement of land applied at the frontage, or linear distance, along a street.

Each constructed unit on a lot Product Type of fifty feet street frontage will be assigned an equal 1.0 Equivalent Residential Unit (“**ERU**”) value and ranking; then proportion the amount of the Special Assessment for each individual platted lot based on respective lot front footage categories and Product Types. In the event that multi-family units or different types of townhomes are constructed, it is anticipated that such units would be assigned a different ERU value based on proposed construction plans. This ERU ranking is the basis upon which the benefits to other lot size categories are measured. The advantage to an ERU structured methodology includes the ability to assign identical benefits to generally uniform sized lots or similarly used properties (e.g., all Product Types with front footage of fifty feet are assigned 1.0 ERU irrespective of home size or phase) or assign different ERUs to reflect different land uses (e.g., residential versus non-residential).

In connection with the Project, as of this date, the developer has informed the District that it plans to construct 679 lots of varying Product Types as shown in the table below, which represents a total of 554.32 ERUs.

Table 2 – Proposed Product Type Mix and ERU Assignment

PROJECT BOND FINANCING PROGRAM

For purposes of this master report, the bond principal amount and associated maximum annual debt service assessments (“MADS”) have been sized based on funding all of the Project costs described in the Engineer’s Report and adjusted for allowable bond financing costs including capitalized interest, reserves and costs of issuance. These bond principal amounts represent a maximum bonding amount. The developable properties within the District will constitute the properties on which the Special Assessments are levied to repay the bonds. These properties include those which will be developed into the planned 679 residential units. The following table sets forth an estimated sources and uses of the bonds for the maximum bonding amount to finance all of the Project costs.

Table 3 – Estimated Maximum Sources and Uses of Funds

Assessment Levy and Collection

Each fiscal year, the District will certify for collection the Special Assessments in connection with the MADS, or debt service requirement , for each bond series. The following table summarizes the estimated MADS requirement for all phases of development.

Table 4 - Maximum Annual Debt Service²

Phases	Lots	Total ERU	Total MADS	MADS/ERU
All	679	554.32	\$2,544,668	\$4,591

Prior to recordation of a subdivision plat map, the Special Assessments and debt will be allocated to each property, as described by FOLIO or legal description, based on acreage. Upon recordation of a subdivision plat map the lot sizes are determinable, and the Special Assessments will then be levied on the individual lots based on the ERU assigned to each lot.

ASSESSMENT ALLOCATION STANDARDS

Standard

There are two requirements for a valid special assessment that is made pursuant to District legislative authority: (1) the property assessed must derive a direct and special benefit from the improvement or service provided, and (2) the assessment must be fairly and reasonably apportioned among properties that receive the special benefits. Section 170.02, Florida Statutes, states “Special assessments against property deemed to be benefited by local improvements, as provided for in sec. 170.01, shall be assessed upon the property specially benefited by the improvement in proportion to the benefits to be derived therefrom, said special benefits to be determined and prorated according to the foot frontage of the respective properties specially benefited by said improvement, or by such other method as the governing body of the municipality may prescribe.”

The ERU allocation approach is a generally recognized and commonly approved method of proportionally spreading assessments over benefited properties for special assessments levied by community development districts. Although the general public outside the District will benefit from the Project, such benefits are incidental. The facilities in the Project meet the needs of the developed property within the District, as well as provide benefit to all residential property within the District. The property owners within the District are

² Excluding County collection charges and early payment discount.

therefore receiving special benefits not received by those outside the boundaries, and direct and cumulative benefits accrue mainly to residents.

Methodology

This benefit and allocation approach is based on the principle that dwelling units on a similar size lot will receive a relatively equal and direct benefit from the Project. The direct benefits from these improvements include increased use, enjoyment and increased property values to all residential properties, and the direct benefits from each public improvement system and function provided by the District. The benefits are quantified and assigned to lots based on construction timing, phasing, and costs.

An assessment methodology based on ERUs provides a way to allocate the benefit that different lot sizes and land use types receive from public improvements in terms of their equivalence to a single-family residential dwelling unit on a fifty-foot-wide lot, which is defined as 1.0 ERU. Under the ERU model, the District allocates special assessments on platted property proportionately based on generally uniform lot size as indicated on the subject recorded plat map; special assessments on undeveloped property (e.g., property without recorded subdivision plat map) are allocated proportionately based on acreage basis. The special assessments are fairly and reasonably allocated based on lot front footage categories and acreage among properties that receive the special benefits; for example, upon plat map recordation, the special assessments per lot front footage are generally uniform for each benefitted lot.

Special Benefits

As described above in the present case, the financing program will enable the District to provide for the construction and/or acquisition of the Project. Such public improvements will provide direct benefit for the utilization of this property, will substantially enhance the use and enjoyment of the benefitted residential properties, and will increase the value and marketability of the benefitted residential properties. These benefits flow proportionately over all benefitted properties. The District will apply the assessment methodology to the financing program relating to the Project. All residential units will proportionally benefit from the construction of the Project.

Rates

A rate and method of apportionment of the Special Assessments is attached as Appendix. The developer may decide to re-adjust product types within the District in order to meet market demand. Changes in product types may or may not trigger a density “true-up” obligation depending on whether or not the revised product mix, consistent with the terms of the assessment allocation methodology, is able to absorb the Special Assessments that were originally planned to be levied under the existing development plan outlined at the time of the actual bond issuance.

At time of bond issuance, the true up obligation is described in the supplemental assessment methodology report. The supplemental assessment report anticipates a mechanism by which the landowner shall, if required, make certain payments to the District in order to satisfy, in whole or in part, the assessments allocated and the liens imposed pursuant to adopted resolutions, the amount of such payments being equal to the par debt that is not capable of being assigned to the total number of developed units, plus any applicable interest charges and collection fees as described in the supplemental assessment report (which payments shall collectively be referenced as the “**True-Up Payment**”). The true-up obligation, as described herein and in each supplemental assessment resolution, constitutes a part of the Special Assessments and is enforceable as part of the Special Assessment liens. Additionally, the landowner desires to guarantee the payment of any True-Up Payment required of it and all other owners of land within the District; and the landowner and the District desire to enter into an agreement to confirm the landowner’s intentions and obligations to make any and all True-Up Payments related to the assessments.

In the event Undeveloped Property (“**Transferred Parcel**”) is sold to a third party not affiliated with the Developer, the Special Assessments will be assigned to that Transferred Parcel based on the maximum total number of Lots assigned by the Developer to the Transferred Parcel (subject to any true-up considerations if applicable as determined by the District in its sole discretion). The owner of the Transferred Parcel will be responsible for the total assessments applicable to the Transferred Parcel, regardless of the total number of Lots ultimately actually platted. These total assessments are fixed to the Transferred Parcel at the time of the sale. If the Transferred Parcel is subsequently sub-divided into smaller parcels, the total assessments initially allocated to the Transferred Parcel will be re-allocated to the smaller parcels pursuant to the methodology as described herein (i.e. equal assessment per acre until platting).

The District reserves the right to reallocate the Special Assessments in the event that the Project is not completed as anticipated or for other circumstances that may legally require such a reallocation, provided however that any such reallocation shall not be construed to relieve any party of contractual or other obligations to the District.

PRELIMINARY ASSESSMENT ROLL AND COLLECTION

A Preliminary Assessment Roll is attached in the Appendix.

CONCLUSION

The acquisition and construction of the Project using bond proceeds will be utilized for common District purposes. These assessments will be levied over all benefited properties on a fair and equitable basis as described herein. The benefited properties will receive benefits in excess of the allocated assessments.

Accordingly, this is an appropriate District project that will significantly benefit the properties and enhance the District.

Special Benefit

The Project will provide special benefits to parcels within the District. The parcels will receive special benefits, because the subject Project delivers interconnected structural improvements that provide an infrastructure system, which supports and adds to the entire development of the District. The Project yields benefits to parcel owners in terms of meeting basic public infrastructure needs and increasing property values.

Assessment Apportionment

The Special Assessments are fairly and equally apportioned over all the benefited properties. The benefits, using Project costs as proxy for benefit, are quantified and assigned to parcels based on lot size categories and Product Types since larger lot areas consume proportionately greater benefits than smaller lots from the Project. The District assigned an ERU value and ranking to the expected lot sizes on the basis that a Product Type with frontage of approximately fifty feet receives the value of 1.0 ERU.

Reasonableness of Assessment Apportionment

It is reasonable, proper and just to assess the costs of the Project against lands in the District. As a result of the Project, properties in the District receive special benefit and increase in value. Based on the premise that the benefits from the District's Project make the properties useful for residential use, more accessible and valuable, in return it is reasonable for the District to levy the Special Assessments against benefitted lands within the District. The benefits will be equal to or in excess of the Special Assessments thereon when allocated.

Best Interest

The District provides for delivering the Project in a timely, orderly, and efficient manner. It can economically and efficiently provide the amount and quality of services required by the public. The District provides a financing mechanism to (i) fund the Project at a relatively low cost of capital, and (ii) on a timely, "pay for itself" type basis. The exercise by the District of its powers is consistent with applicable with state law. It is in the best interest of the District.

APPENDIX 1. RATE AND METHOD OF APPORTIONMENT OF SPECIAL ASSESSMENT

The Special Assessments shall be levied on all parcels within the CDD that benefit from the Project and will be collected each Fiscal Year in an amount determined by the CDD through the application of this rate and method of apportionment as described below. All of the real property within the CDD, unless exempted by law or the provisions hereof, shall be assessed for the purposes, to the extent and in the manner herein provided.

A. Definitions

The terms hereinafter set forth have the following meanings:

“Administrative Expenses” means any actual or reasonably estimated expenses of the CDD to carry out the administration of the CDD related to the determination of the amount of the Special Assessments, the collection of Special Assessments, and costs otherwise incurred in order to carry out the authorized purposes of the CDD.

"Appraiser's Parcel" means a Lot or parcel shown in Hernando County appraiser's parcel map, or included or includable in Hernando County's non-ad valorem assessment roll designated by folio or PIN.

"Assessable Property" means all of the Appraiser's Parcels within the boundaries of the CDD that are not exempt from the Special Assessment pursuant to law or as defined below.

“District Debt” means bonds or other debt issued by the CDD, which are secured by the levy of Special Assessments of the CDD.

"Developed Property" means all Taxable Property for which the Hernando County property appraiser designated a property use code for each Lot that indicates developed residential property, as reasonably determined by the CDD, or a Lot which has legal entitlements created by a recorded Plat Map and whose physical characteristics are a fine grade level pad with infrastructure contiguous to each individual lot, asphalt paved roads, and the necessary utilities.

“ERU” means a way to quantify different land use types in terms of their equivalence to a fifty-foot-wide lot Product Type, which is defined as 1.0 ERU.

"Fiscal Year" means the period starting October 1 and ending on the following September 30.

"Lot" means an individual residential lot, identified and numbered on a recorded final subdivision map, on which a building permit has been or is permitted to be issued for construction of a residential unit without further subdivision of the lot and for which no further subdivision of the lot is anticipated.

“Property Owner Association Property” means any property within the CDD boundaries that is owned by a property owner association, including any master or sub-association.

"Public Property" means any property within the CDD boundaries that is, at the time of the CDD formation, expected to be used for any public purpose and is owned by or dedicated to the federal government, the State of Florida, Hernando County, Florida, the District or any other public agency.

"Special Assessments" means the Special Assessments levied pursuant to the provisions of Sections C and D below in each Fiscal Year on each Appraiser's Parcel of Developed Property and Undeveloped Property in the CDD to fund the Special Assessment Requirement.

“Special Assessment Requirement” means that amount determined by the CDD’s Board of Supervisors that is required in any Fiscal Year to pay regularly scheduled debt service for the calendar year, which commences in such Fiscal Year, on the outstanding District Debt, less available funds pursuant to the indenture.

"Undeveloped Property" means, for each Fiscal Year, all Assessable Property not classified as Developed Property, such as vacant acreage or similar property use codes as determined by the CDD.

B. Assignment of Land Use Categories and of ERU

Each Fiscal Year, all Assessable Property within each phase of the CDD shall be classified as Developed Property or Undeveloped Property, and shall be subject to Special Assessment pursuant to Sections C and D below.

C. Annual Maximum Special Assessment Requirement

Refer to Table 3 for details on the bond sizing. The estimated maximum annual debt service (MADS), or Special Assessment Requirement, to fund all of the Project costs is presented in the following table.

E. Method of Apportionment of the Special Assessment

Each Fiscal Year, the CDD shall levy the Special Assessments as follows:

First (Developed Property): The Special Assessment shall be levied proportionately on each Appraiser's Parcel of Developed Property in an amount up to 100% of the applicable Special Assessment rate as determined pursuant to Section D.1 for each particular phase or subdivision.

Second (Undeveloped Property): If additional monies are needed to satisfy the debt service requirement after the first step has been completed, the Special Assessment shall be levied proportionally on each Appraiser's Parcel of Undeveloped Property at up to 100% of the Assigned Special Assessment rate for Undeveloped Property as determined pursuant to Section D.2 for each particular phase.

Third – True Up: If additional monies are needed to satisfy the debt service requirement after the first two steps have been completed as a result of a plat or re-plat of property, the owner of such property will be obligated to immediately remit to the trustee, for deposit into the redemption account,

the total bond principal amount for the difference between the debt service requirement and the Special Assessment revenue generated after the first two steps have been completed (the “**True Up Obligation**”). The true up obligation will be described in a separate agreement as part of the bond documents.

Refer to the Appendix for a preliminary assessment roll illustrating the initial levy of the Special Assessments in accordance with the method of apportionment described above.

F. Manner of Collection

The Special Assessments shall be collected in the same manner and at the same time as ordinary *ad valorem* property taxes once parcels are platted. The CDD intends to directly collect Special Assessments on unplatted parcels, and, to the extent permitted by the applicable indenture and in the CDD’s discretion, for bulk ownership of platted lots. Note that the Special Assessments securing each bond series may be made payable in no more than 30 yearly installments.

APPENDIX 2. ESTIMATED PUBLIC IMPROVEMENT COSTS AND BENEFIT ALLOCATION

As described above, the total benefits will be, of course, the completed public infrastructure with estimated costs in the amount of \$24.22 million. The following tables allocate the Project costs, which are used as a proxy for benefit, excluding bond financing costs. Refer to Engineer's Report for cost details.

1. OVERVIEW

The Lake Hideaway Community Development District (the “CDD” or “District”) is a local unit of special-purpose government established pursuant to, and existing in accordance with, Chapter 190, Florida Statutes (the “Act”). The District was created for the purpose of delivering certain community development services and facilities within its jurisdiction, including the design, acquisition and/or construction of certain public infrastructure improvements consisting of, but not limited to, roadways, storm water management, water supply, sewer and wastewater management, landscape/hardscape, and professional services and permitting fees pursuant to the Act. To advance the development of the properties within the District, certain capital improvements have been planned, as described in the Lake Hideaway Community Development District Bond Validation Report of the District Engineer, dated November 16, 2021 (the “CIP”) prepared by Stantec Consulting Services Inc (the "District Engineer"). To finance the construction of the CIP, the District plans to issue bonds in multiple series and levy Special Assessments to repay the bonds, including interest.

2. MASTER ASSESSMENT ALLOCATION

The District determined to implement a portion of the CIP and to defray the cost thereof by levying Special Assessments on benefitted property and expressed an interest to issue bonds to provide the funds needed therefor prior to the collection of Special Assessments. The costs of the CIP are assessed against the benefitted property using the methods described in the Master Special Assessment Methodology Report, dated November 16, 2021 (the “**Master AMR**”), prepared by DPFG Management & Consulting, LLC. These methodologies result in Special Assessments set forth in the assessment roll, which is part of the Master AMR and included in Appendix V herein. The Special Assessments are initially levied over all Undeveloped Property within the District on an equal acreage basis anticipated for the development of all Lots defined below) within the District. Subsequently, the Special Assessments attach to Developed Property on a “first platted, first assessed basis” according to the assessment allocation methodology. The Master AMR relates to the anticipated development of 679 residential Lots and the validation of not to exceed \$33,230,000 Capital Improvement Revenue Bonds to be issued in one or more series to be payable from and secured by certain Special Assessments as described in the Master AMR.

3. PURPOSE OF THIS REPORT

This First Supplemental Special Assessment Methodology Report (this “**Report**”) relates to the issuance of the District’s Capital Improvement Revenue Bonds, Series 2024 (Assessment Area One) (the “**Series 2024 Bonds**”), which are being issued to fund portions of the CIP (the “**Assessment Area One Project**”), as described in the Capital Improvement Revenue Bonds, Series 2024 (Assessment Area One) Report of the District Engineer, dated March 15, 2024, prepared by the District Engineer (the “**Engineer’s Report**”), necessary to service 494 residential Lots planned in Pods A, B & C (“**Assessment Area One**”). The Assessment Area One Project costs are estimated to total \$25,262,900. This Report provides an assessment methodology for analyzing the benefits derived from the Assessment Area One Project and determining a fair and equitable allocation of such benefits through the levy of the Special Assessments securing the Series 2024 Bonds (the “**Series 2024 Assessments**”) among the 494 Lots planned for Assessment Area One.

As described above, the District levied Special Assessments in the amount of not to exceed \$33,230,000 pursuant to the Master AMR¹, which report is supplemented by this Report. Any capitalized terms not otherwise defined herein will have the meaning ascribed to such term in the Master AMR. However, this Report controls and supersedes the Master AMR, in case of any inconsistencies between this Report and the Master AMR. Consistent with the Master AMR, the methodologies herein allocate the Series 2024 Assessments to residential properties within Assessment Area One based upon the benefits derived from the construction and use of the Assessment Area One Project improvements. This Report utilizes Assessment Area One Project costs as a proxy value for benefit from public improvements and allocates the Series 2024 Assessments accordingly.

Overview of the Assessment Allocation Methodologies

The Series 2024 Assessment allocation method is based on front foot, or frontage, which is a standard measurement of land applied at the frontage, or linear distance, along a street. This method considers that benefits and costs from the Assessment Area One Project improvements accrue to each Lot based on lot frontage. For example, compared with narrower lot frontage in higher density tracts within the District, relative wider lot frontage requires more material to build water, sewer and road improvements for which there is a correlated higher cost to cover the distance between Lots and connections to the system of District improvements. This Report utilizes Equivalent Residential Units (“**ERU**”) to allocate the Series 2024 Assessments based on lot frontage. Each constructed Unit (defined below) on a fifty-foot-wide Lot will be assigned an equal 1.0 ERU value and ranking. This ranking is the basis upon which the benefits to other lot widths are measured.

While there is Undeveloped Property (defined below), the Series 2024 Assessments will remain levied against all 2024 Assessable Property (defined below) on an equal acreage basis.² As the 2024 Assessable Property becomes Developed Property (defined below), the Series 2024 Assessments will be re-allocated to those Lots constituting Developed Property based on its lot width and equal lot basis.

4. PROJECT BOND FINANCING PROGRAM

As noted above, the District will finance a portion of the Assessment Area One Project with net proceeds from the Series 2024 Bonds. The Series 2024 Bonds principal amount has been determined based on an amount sufficient to fund portions of the cost of the Assessment Area One Project and reflect the maximum annual assessment level permitted pursuant to certain builder contracts.

Based on the foregoing determination, the total principal amount of the Series 2024 Bonds is \$19,195,000, which is payable from and secured by the Series 2024 Assessments. The Developer is anticipating prepaying a portion of the Series 2024 Assessments upon Lot closings to homebuilders in accordance with the maximum annual assessment levels set in the builder contracts and the Special Assessment component that is spread equally across Lot types (the “**Paydown**”). The Developer is not required to make any prepayments of the Series 2024 Assessments. However, the Developer anticipates making prepayments comprising the total amount of approximately \$8,310,000. The table below sets forth the proposed Series

¹ Based on bond principal amount sized for funding of all the CIP costs and adjusted for allowable bond financing costs including capitalized interest, reserves and cost of issuance.

² Refer to Appendix V: Assessment Roll for details and legal description and sketch of Assessment Area One.

Series 2024 Assessment Allocation

Prior to the 2024 Assessable Property becoming Developed Property, the Series 2024 Assessments will be allocated to the 2024 Assessable Property on an equal acreage basis. Upon recordation of a plat map

and completion of Lot development, the Series 2024 Assessments will be allocated to each Lot based on its assigned ERU as set forth in the tables above.

Each Fiscal Year, the District will certify for collection the Series 2024 Assessments on all 2024 Assessable Property, apportioned proportionately to the various land uses identified in the Appendix, until the aggregate amount of the Series 2024 Assessments equals the Special Assessment Requirement (defined below) for the Series 2024 Bonds.

Assessment Reallocation and True-Up

In connection with the Assessment Area One Project, as of this date, the Developer (defined below) has informed the District that it plans to construct a total of 494 Lots, which represents a total of 442.20 ERUs. As development occurs, it is possible that the number of Lots and Lot mix may change. In order to ensure that the Series 2024 Assessment allocation is maintained in accordance with the methodology specified by this Report, a true-up analysis may be necessary (“**True-Up Analysis**”).

This True-Up Analysis is utilized to ensure that the principal amount of the Series 2024 Assessments on a per Lot and per acre basis never exceeds the initially allocated amount as contemplated in the assessment methodology described herein. In accordance with the True-Up Agreement to be entered into by the Developer and the District at the time of issuance of the Series 2024 Bonds, prior to the time a parcel within Assessment Area One is platted and developed, or ownership is transferred by the Developer to any other entity or person with a specific number of assessable Units allocated thereto, the True-Up Analysis will be conducted in accordance with the assessment methodology set forth herein and in the True-Up Agreement. As the lands within Assessment Area One are developed, the allocation of the amounts assessed to and constituting a lien upon the 2024 Assessable Property will be calculated based upon certain density assumptions, which assumptions were provided by the Developer.

At such time as acreage is contained within a proposed plat, or a deed or assignment agreement between the Developer and a transferee that specifies the residential Lots or entitlements thereto being transferred to such transferee (“**Entitlement Transfer Document**”), the Developer agrees that such proposed plat or Entitlement Transfer Document shall be presented to the District in accordance with the terms of the True-Up Agreement. The District will allocate the Series 2024 Assessments to the 2024 Assessable Property reflected in such plat or Entitlement Transfer Document in accordance with the applicable land use classifications, and the remaining 2024 Assessable Property within Assessment Area One, and such reallocation will be recorded in the District’s lien book. This True-Up Analysis will ensure that the Series 2024 Bond debt does not accumulate disproportionately on Undeveloped Property within Assessment Area One. In the event that the density assumptions upon which this Report is based change over time as determined by any True-Up Analysis such that fewer ERUs or Lots are being developed within Assessment Area One than are contemplated by this Report, the True-Up Analysis will determine the amount required to be paid by the Developer to the District in order to satisfy, in whole or in part, the Series 2024 Assessments and ensure that the Series 2024 Assessments continue to be allocated ratably against the actual density within Assessment Area One in accordance with the methodology set forth in this Report (the “**True-Up Obligation**”). The True-Up Agreement shall further set forth the terms associated with the Developer’s satisfaction of the True-Up Obligation.

5. ALLOCATION OF BENEFITS OF ASSESSMENTS

Assessment Standard

Under Florida law, a valid special assessment that is made pursuant to District legislative authority requires that (1) the property assessed must derive a direct and special benefit from the improvement or service provided and (2) the assessment must be fairly and reasonably apportioned among properties that receive the special benefits.

Section 170.02, Florida Statutes, states “Special assessments against property deemed to be benefited by local improvements, as provided for in sec. 170.01, shall be assessed upon the property specially benefited by the improvement in proportion to the benefits to be derived therefrom, said special benefits to be determined and prorated according to the foot frontage of the respective properties specially benefited by said improvement, or by such other method as the governing body of the municipality may prescribe.”

The ERU allocation approach is a generally recognized and commonly approved method of proportionally spreading assessments over benefited properties for special assessments levied by community development districts. Although the general public outside the District will benefit from the Assessment Area One Project, such benefits are incidental. The facilities in the Assessment Area One Project meet the needs of the developable property within Assessment Area One, as well as provide benefit to the 2024 Assessable Property within Assessment Area One. While there may be incidental benefits from certain master improvements included in the Assessment Area One Project to other properties within the District, it is anticipated that the remaining portions of the master improvements in the CIP will be funded through future bond issuances and those properties will pay their fair share of the cumulative cost of all master improvements. Certain master improvements are necessarily required to be constructed first and by completing those master improvements in one stage the District is able to reduce mobilization and overall costs for all residents. The property owners within Assessment Area One are therefore receiving special benefits not received by those outside the boundaries, and direct and cumulative benefits accrue mainly to future residents in Assessment Area One.

Assessment Methodology

These benefit and allocation approaches are based on the principle that dwelling Units on a similar size Lot will receive a relatively equal and direct benefit from the District’s CIP, and all Lots regardless of lot frontage will receive a relative uniform direct benefit from the master improvements included in the CIP. The direct benefits from these improvements include increased use, enjoyment, flood damage prevention, and increased property values to all residential properties, and other direct benefits from each of the District’s improvement system and function. All residential Units that are a part of Assessment Area One will proportionally benefit from the construction of the Assessment Area One Project.

An assessment methodology based on ERUs provides a way to quantify the benefit that different Lot sizes and land use types receive from public improvements in terms of their equivalence to a single-family residential dwelling Unit on a fifty-foot-wide lot, which is defined as 1.0 ERU. Under the ERU model, the District allocates assessments on platted property proportionately based on lot size, or regardless of lot size, as indicated on the subject recorded plat map. Assessments levied on undeveloped property (e.g., property without recorded subdivision plat map) are allocated proportionately based on acreage. As noted

above, the equal benefit and assessment allocation approach is a generally recognized and approved method of proportionally spreading assessments over benefited properties within a special district.

These Special Benefits and Allocation of Assessments

In the present case, the financing program will enable the District to provide public improvements to certain development phases of the District. Such improvements will provide direct benefit for the utilization of this property, will substantially enhance the use and enjoyment of the benefited residential properties, and will increase the value and marketability of the benefited residential properties. These benefits flow proportionately over all benefited properties.

The District will apply the assessment methodology to the financing program relating to the Assessment Area One Project components. All residential Units planned within Assessment Area One will benefit from the construction, purchase and maintenance of the public improvements included in the Assessment Area One Project. A ranking and finding of 1.0 ERU per residential Unit on a fifty-foot Lot applies, and for all other Lots an ERU value will be assigned based on the lot size in proportion to such lot category and benefits received from the Assessment Area One Project. For example, a residential Unit on a 40' Lot would proportionally benefit less from the District's improvements, and so accordingly would be assigned a value and ranking of 0.8 ERU (40' divided by 50' equals 0.8).

6. RATE AND METHOD OF APPORTIONMENT

A rate and method of apportionment of Series 2024 Assessments is attached in Appendix I.

7. ASSESSMENT ROLL AND COLLECTION

The preliminary assessment roll is attached in Appendix V. The District intends to directly collect the Series 2024 Assessments on unplatted parcels, and, to the extent permitted by the Indenture and in the District's discretion, for bulk ownership of platted Lots. For all other platted Lots, the District expects to place the Series 2024 Assessments on the Hernando County tax roll for collection.

8. CONCLUSION

The acquisition and construction of the Assessment Area One Project using Series 2024 Bond proceeds will be utilized for common District purposes. These Series 2024 Assessments will be levied over all 2024 Assessable Property on a fair and equitable basis as described herein. The 2024 Assessable Property will receive benefits in excess of the allocated Series 2024 Assessments. Accordingly, this is an appropriate District project that will significantly benefit 2024 Assessable Property and enhance the District.

Special Benefit

The Assessment Area One Project will provide special benefit to parcels within Assessment Area One. The parcels will receive special benefit because the subject public improvements deliver interconnected structural improvement elements that provide a framework that supports and adds to the entire development. The Assessment Area One Project yields benefits to parcel owners in terms of meeting development needs and increasing property values.

Assessment Apportionment

The Series 2024 Assessments are fairly and equally apportioned over all the 2024 Assessable Property. The benefits are quantified and assigned to parcels based on lot size since larger Lots consume

proportionately greater benefits than smaller Lots from the Assessment Area One Project's improvements. The District has assigned proxy values to the various expected lot sizes on the basis that a fifty-foot-wide Lot receives the value of 1.0 ERU.

Reasonableness of Assessment Apportionment

It is reasonable, proper and just to assess the costs of the Assessment Area One Project against lands in Assessment Area One. As a result of the Assessment Area One Project, properties in Assessment Area One receive special benefit and increase in value. Based on the premise that the District's CIP makes the properties more valuable, in return it is reasonable for the District to levy the Series 2024 Assessments against the 2024 Assessable Property within the District. The benefits will be equal to or in excess of the Series 2024 Assessments thereon when allocated.

Best Interest

The District provides for delivering the public improvements in a timely, orderly, and efficient manner. It can economically and efficiently provide the amount and quality of services required by the public. The District provides a financing mechanism to (i) fund public improvements at a relatively low cost of capital, and (ii) on a timely, "pay for itself" type basis. The exercise by the District of its powers is consistent with applicable state law. It is in the best interest of the District.

Appendix I: Rate and Method of Apportionment of Special Assessment

The Series 2024 Assessments shall be levied on all 2024 Assessable Property within the District and collected each Fiscal Year commencing Fiscal Year 2024 in an amount determined by the District through the application of the rate and method of apportionment as described below. b) Undeveloped Property

Prior to the property, or portion thereof, becoming Developed Property, the Series 2024 Assessments and Debt will be allocated to each property, as described by Property Tax Appraiser parcel information or legal description, based on acreage. Upon recordation of a subdivision plat map, the Lot sizes are determinable, therefore, upon any portion of the property becoming Developed Property, the Series 2024 Assessments are then levied on the individual Lots based on Lot size by assigning ERUs to each Lot at the applicable Series 2024 Assessment rates for Developed Property described above.

c) District Debt Allocation

The District Debt is initially allocated per acre. The District Debt principal amount per acre is determined in the following table.

d) Assigned Annual Special Assessment Rate

In the current Fiscal Year, all Tax Parcels within Assessment Area One are classified as Undeveloped Property. Based on the assignment, the assigned Series 2024 Assessment rate for Undeveloped Property within the District is presented in the following table.

SERIES 2024	Ac	165.230	\$1,364,785	\$8,260

Please refer to Appendix IV for details on property classification and land size.

e) Exemptions

No Series 2024 Assessment shall be levied on Public Property, Property Owner Association Property, and property which constitutes a “common element” consistent with the provisions of Section 193.0235 Florida Statutes.

E. METHOD OF APPORTIONMENT OF THE SPECIAL ASSESSMENT

Commencing with Fiscal Year 2024 and for each following Fiscal Year, the CDD shall levy the Series 2024 Assessments as follows:

First (Developed Property, All Phases): The Series 2024 Assessments shall be levied proportionately on each Tax Parcel of Developed Property in an amount at the applicable assigned Series 2024 Assessments rate as determined pursuant to Section D.1.

Second (Undeveloped Property, All Phases): If additional monies are needed to satisfy the Special Assessment Requirement after the first step has been completed, the Series 2024 Assessments shall be levied proportionally on each Tax Parcel of Undeveloped Property at the assigned Series 2024 Assessments rate for Undeveloped Property.

F. PROCESS OF ASSESSMENT REALLOCATION AND TRUE UP

The Series 2024 Assessments will be initially allocated in accordance with this methodology. All changes in the number of Lots and Lot mix within parcels will be permitted as long as the per-ERU assessment or the per acre assessment, as applicable, on the remaining Undeveloped Property does not exceed the initial level as established in this Report. Any changes which increase the per-ERU assessments or the per acre assessments, as applicable, above the initial level will require payment of a True-Up Obligation by the Developer. The per-ERU assessments are presented in the table below.

Table 8. Debt per ERU

UNPLATTED LAND BONDS ALLOCATION METHODOLOGY				
BOND SERIES	TOTAL LOTS	TOTAL ERUs	TOTAL PRINCIPAL	PRINCIPAL PER ERU
SERIES 2024	494	442.200	\$19,195,000	\$43,408

The land use and numbers of ERUs within each parcel will be certified by the Developer and the District Engineer. Refer to Appendix V for the preliminary assessment roll presenting the Series 2024 Assessments levied for Fiscal Year 2024 in accordance with the method of apportionment described above.

G. MANNER OF COLLECTION

The Series 2024 Assessments shall be collected as provided in the Indenture. It is anticipated that when or after the 2024 Assessable Property becomes Developed Property, the Series 2024 Assessments levied to repay the Series 2024 Bonds will be collected in the same manner and at the same time as ordinary *ad valorem* property taxes, provided, however, that the CDD may collect the Series 2024 Assessments at a different time or in a different manner if necessary, to meet its obligations under the Indenture for the Series 2024 Bonds.

H. PREPAYMENT

The following definition applies to this Section H.

“Outstanding District Debt” means previously issued Series 2024 Bonds secured by the levy of Series 2024 Assessments, which remain outstanding, from time to time, excluding Series 2024 Bonds to be redeemed at a later date with the proceeds of prior prepayments.

The Series 2024 Assessment obligation of a Tax Parcel may be prepaid in full, or in part, and the obligation of the Tax Parcel to pay the Series 2024 Assessments permanently, or partially, satisfied; provided that a prepayment may be made only if there are no delinquent Special Assessments with respect to such Tax Parcel at time of prepayment. The Series 2024 Assessments Prepayment amount is calculated as follows:

Outstanding District Debt amount allocated to the subject Tax Parcel

Plus: Accrued interest on principal amount to be prepaid, calculated to next interest payment date, which shall occur at least 45 days following such prepayment

Less: Allocable portion of Capitalized Interest, if any remains at time of the prepayment

Less: Allocable portion of Debt Service Reserve Fund, if any released

Total: Equals Prepayment Amount (PA)

Plus: Reasonable administrative fees and expenses related to lien release, calculation and recordation as determined by the CDD manager (A)

Partial Prepayment (PP) is calculated as follows: $PP = (PA * F) + A$

The term F means the percent by which the owner of the Tax Parcel is partially prepaying the Series 2024 Assessments. With respect to a partial prepayment, the CDD manager shall indicate in the CDD records that there has been a partial prepayment and that a portion of the Series 2024 Assessments equal to (1.00 minus F) of the remaining Series 2024 Assessments shall continue to be authorized to be levied on such Tax Parcel pursuant to Section D.

ARTICLE II FORM, EXECUTION, DELIVERY AND DESIGNATION OF BONDS

Section 201. Issuance of Bonds. For the purpose of providing funds for paying all or part of the Cost of a Series Project, Bonds of a Series, without limitation as to aggregate principal amount, may be issued under this Master Indenture subject to the conditions hereinafter provided in Section 207 hereof. Debt Service on each Series of Bonds shall be payable solely from the Pledged Revenues and Pledged Funds pledged to such Series of Bonds in the Supplemental Indenture authorizing the issuance of such Series of Bonds and, as may be provided in such Supplemental Indenture, all of the provisions of this Master Indenture shall be for the benefit and security of the present and future Owners of such Series of Bonds so issued, without preference, priority or distinction, as to lien or otherwise, of any one Bond of such Series over any other Bond of such Series. The District may also issue

17

the face of the Bonds shall be signed by the Trustee; provided, however, that each Bond shall be manually signed by either the Chairman, the Secretary or the Trustee. The official seal of the District shall be imprinted or impressed on each Bond. In case any officer whose signature or a facsimile of whose signature appears on any Bond shall cease to be such officer before the delivery of such Bond, such signature or such facsimile shall nevertheless be valid for all purposes the same as if he or she had remained in office until such delivery. Any Bond may bear the facsimile signature of, or may be signed by, such persons as at the actual time of the execution of such Bond shall be proper officers to execute such Bond although at the date of such Bond such persons may not have been such officers. The Bonds, and the provisions for registration and reconversion to be endorsed on such Bonds, shall be substantially in the form set forth in a Supplemental Indenture. The Trustee may appoint one or more authenticating agents.

Section 204. Negotiability, Registration and Transfer of Bonds. The District shall cause books for the registration and for the transfer of the Bonds as provided in this Master Indenture to be kept by the Bond Registrar. All Bonds shall be registered as to both principal and interest. Any Bond may be transferred only upon an assignment duly executed by the registered Owner or his attorney or legal representative in such form as shall be satisfactory to the Bond Registrar, such transfer to be made on such books and endorsed on the Bond by the Bond Registrar. No charge shall be made to any Owner for registration and transfer as hereinabove provided, but any Owner requesting any such registration or transfer shall pay any tax or other governmental charge required to be paid with respect thereto. The Bond Registrar shall not be required to transfer any Bond during the period between the Record Date and the Interest Payment Date next succeeding the Record Date of such Bond, during the period between the Record Date for the mailing of a notice of redemption and the date of such mailing, nor after such Bond has been selected for redemption. The Bonds shall be and have all the qualities and incidents of negotiable instruments under the laws of the State, and each successive Owner, in accepting any of the Bonds, shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the laws of the State.

Section 205. Ownership of Bonds. The person in whose name any Bond shall be registered shall be deemed the absolute Owner thereof for all purposes, and payment of Debt Service shall be made only to or upon the order of the registered Owner thereof or his attorney or legal representative as herein provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid. The Trustee, the District, the Bond Registrar and the Paying Agent may deem and treat the registered Owner of any Bond as the absolute Owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment thereof and for all other purposes whatsoever, and neither the Trustee, the District, the Bond Registrar nor the Paying Agent shall be affected by any notice to the contrary.

19

Section 206. Special Obligations. Each Series of Bonds shall be a special and direct obligation of the District. Neither the Bonds nor the interest and premium, if any, payable thereon shall constitute a general obligation or general indebtedness of the District within the meaning of the Constitution and laws of the State. The Bonds and the interest and premium, if any, payable thereon do not constitute either a pledge of the full faith and credit of the District or a lien upon any property of the District other than as provided herein or in the Supplemental Indenture authorizing the issuance of such Series of Bonds. No Owner or any other person shall ever have the right to compel the exercise of any ad valorem taxing power of the District or any other public authority or governmental body to pay Debt Service or to pay any other amounts required to be paid pursuant to this Master Indenture, any Supplemental Indenture, or the Bonds. Rather, Debt Service and any other amounts required to be paid pursuant to this Master Indenture, any Supplemental Indenture, or the Bonds, shall be payable solely from, and shall be secured solely by, the Series Pledged Revenues and the Series Pledged Funds pledged to such Series of Bonds, all as provided herein and in such Supplemental Indenture.

Section 207. Authorization of Bonds.

(a) There shall be issued from time to time in Series, under and secured by this Master Indenture, Bonds without limitation as to aggregate principal amount for the purposes of:

(i) paying all or part of the Cost of a Series Project or Series Projects or refunding a Series of Bonds or any portion thereof then Outstanding; and

(ii) depositing the Series Reserve Account Requirement to the Series Reserve Account for such Series of Bonds.

(b) Each Series of Bonds, upon initial issuance thereof, shall be executed by the District for delivery to the Trustee and thereupon shall be authenticated by the Trustee and delivered to the District or upon its order, but only upon the further receipt by the Trustee of the following:

(i) an executed and attested original or certified copy of this Master Indenture;

(ii) an executed and attested original or certified copy of the Supplemental Indenture fixing the amount of and security for the Series of Bonds authorized to be issued thereby and establishing, among other things, the dates on which, and the amounts in which, such Series of Bonds will mature (provided that the final maturity date of such Series of Bonds shall be not later than permitted by the Act with respect to such Series of Bonds), designating the Paying Agent and Bond Registrar, fixing the Amortization

20

(i) the amount received as accrued interest on the Bonds, if any, shall be deposited to the credit of the Series Interest Account and Capitalized Interest, if any, shall be deposited to the credit of the Series Capitalized Interest Account;

(ii) an amount equal to the Series Reserve Account Requirement or the initial cost of satisfying the Series Reserve Account Requirement if not satisfied by the deposit of cash, shall be deposited to the credit of the Series Reserve Account; and

(iii) the balance shall be deposited and applied as provided for in the Supplemental Indenture authorizing the issuance of such Series of Bonds.

Section 208. Mutilated, Destroyed or Lost Bonds. If any Bonds become mutilated, destroyed or lost, the District may cause to be executed and delivered a new Bond in substitution therefor upon the cancellation of such mutilated Bond or in lieu of and in substitution for such Bond destroyed or lost, and upon payment by the Owner of the reasonable expenses and charges of the District and the Trustee in connection therewith and, in the case of a Bond destroyed or lost, upon the Owner filing with the Trustee evidence satisfactory to it that such Bond was destroyed or lost and of his or her ownership thereof, and upon furnishing the District and the Trustee with indemnity satisfactory to them.

Section 209. Parity Obligations Under Credit Agreements. As may be provided for or required in any Supplemental Indenture, the District may incur financial obligations under a Letter of Credit Agreement or a Liquidity Agreement payable on parity with respect to the lien on the Trust Estate pledged to a Series of Bonds issued under this Master Indenture and a Supplemental Indenture, without meeting any financial test or requirement set forth in this Master Indenture or the corresponding Supplemental Indenture, but only if the Letter of Credit Agreement or Liquidity Agreement supports a related Series of Bonds then being issued which does meet such tests or requirements.

Section 210. Bond Anticipation Notes. Whenever the District shall authorize the issuance of a Series of Bonds, the District may by resolution authorize the issuance of Bond Anticipation Notes in anticipation of the sale of such authorized Series of Bonds in a principal amount not exceeding the principal amount of such Series of Bonds. The aggregate principal amount of Bonds of such Series and all other Bonds previously authenticated and delivered to pay the Cost of the Series Project or Series Projects for which the proceeds of the Bond Anticipation Notes will be applied shall not exceed such Cost. The interest on such Bond Anticipation Notes may be payable out of the related Series Interest Account to the extent provided in the resolution of the District authorizing such Bond Anticipation Notes. The principal of and interest on such Bond Anticipation Notes and renewals thereof shall be payable from any moneys of the District available therefor or from

22

Installments, if any, for the Term Bonds of such Series, awarding the Series of Bonds, specifying the interest rates or the method for calculating such interest rates with respect to such Series of Bonds, specifying the redemption provisions and prices thereupon, specifying other details of such Series of Bonds, and directing the delivery of such Series of Bonds to or upon the order of the initial purchaser thereof upon payment of the purchase price therefor set forth in such Supplemental Indenture;

(iii) an opinion of counsel for the District substantially to the effect that the signer is of the opinion that this Master Indenture and the Supplemental Indenture relating to such Series of Bonds have been duly and validly authorized in accordance with the terms hereof and of the Act, and have been duly approved and adopted, that the issuance of such Series of Bonds has been duly authorized, and that this Master Indenture and the Supplemental Indenture constitute binding obligations of the District, enforceable against the District in accordance with their terms except as enforcement thereof may be affected by bankruptcy and other similar laws relating to creditor's rights generally; and

(iv) an opinion of Bond Counsel for the District substantially to the effect that the signer is of the opinion that the Bonds of such Series are valid, binding and enforceable obligations of the District and, if such Series of Bonds are Tax-Exempt Bonds, that interest thereon is excludable from gross income of the Owners under the income tax laws of the United States in effect on the date such Series of Bonds are delivered to the initial purchasers.

Execution of a Series of Bonds by the District shall be conclusive evidence of satisfaction of the conditions precedent set forth in this Section 207(b) as to the District and payment to the Trustee of the initial purchase price for a Series of Bonds shall be conclusive evidence of satisfaction of the conditions precedent set forth in this Section 207(b) as to the underwriter of such Series of Bonds.

The Trustee shall be provided with reliance letters with respect to the opinions required in paragraphs (iii) and (iv) above. When the documents mentioned in subsections (i) through (iv) above shall have been received, and when the Bonds of such Series shall have been executed and authenticated as required by this Master Indenture, such Series of Bonds shall be delivered to, or upon the order of, the District, but only upon payment to the Trustee of the purchase price of such Series of Bonds, together with accrued interest, if any, thereon as set forth in a certificate of delivery and payment executed by the Chairman of the District.

(c) To the extent not set forth in the Supplemental Indenture authorizing the issuance of a Series of Bonds, the proceeds (including accrued interest and any premium) of each Series of Bonds shall be applied as soon as practicable upon delivery thereof to the Trustee as follows:

21

the proceeds of the sale of the Series of Bonds in anticipation of which such Bond Anticipation Notes are issued. The proceeds of sale of Bond Anticipation Notes shall be applied to the purposes for which the Bonds anticipated by such Bond Anticipation Notes are authorized and shall be deposited in the appropriate Fund or Account established by the Indenture for such purposes; provided, however, that the resolution or resolutions authorizing such Bond Anticipation Notes may provide for the payment of interest on such Bond Anticipation Notes from the proceeds of sale of such Bond Anticipation Notes and for the deposit in the related Series Capitalized Interest Account. In the event that the District adopts a resolution authorizing the issuance of Bond Anticipation Notes, the District will promptly furnish to the Trustee a copy of such resolution, certified by an Authorized Officer, together with such information with respect to such Bond Anticipation Notes as the Trustee may reasonably request, including, without limitation, information as to the paying agent or agents for such Bond Anticipation Notes. The Trustee shall have no duties or obligations to the holders of such Bond Anticipation Notes unless specifically so authorized by the resolution of the District authorizing the issuance of such Bond Anticipation Notes and unless the Trustee accepts in writing such duties and obligations.

Section 211. Tax Status of Bonds. Any Series of Bonds issued under this Master Indenture may be issued either as Tax-Exempt Bonds or Taxable Bonds. The intended tax status of any Series of Bonds to be issued may be referenced in any Supplemental Indenture authorizing the issuance of such Series of Bonds.

**ARTICLE III
REDEMPTION OF BONDS**

Section 301. Redemption Generally. The Bonds of any Series shall be subject to redemption, either in whole on any date or in part on any Interest Payment Date, and at such times, in the manner and at such prices, as may be provided by the Supplemental Indenture authorizing the issuance of such Series of Bonds. The District shall provide written notice to the Trustee of any optional redemption on or before the forty-fifth (45th) day next preceding the date to be fixed for such optional redemption. Notwithstanding any other provision of this Master Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

Unless otherwise provided in the Supplemental Indenture relating to a Series of Bonds, if less than all of the Bonds of a Series shall be called for redemption, the particular Bonds of such Series to be redeemed shall be selected by lot in such reasonable manner as the Bond Registrar in its discretion may determine. The portion of any Series of Bonds to be redeemed shall be in an Authorized

23

Denomination and, in selecting the Bonds of such Series to be redeemed, the Bond Registrar shall treat each such Bond as representing that number of Bonds of such Series which is obtained by dividing the principal amount of such Bond by an Authorized Denomination (such amount being hereinafter referred to as the "unit of principal amount").

If it is determined that one or more, but not all, of the units of principal amount represented by any such Bond is to be called for redemption, then upon notice of intention to redeem such unit or units of principal amount as provided below, the registered Owner of such Bond, upon surrender of such Bond to the Paying Agent for payment to such registered Owner of the redemption price of the unit or units of principal amount called for redemption, shall be entitled to receive a new Bond or Bonds of such Series in the aggregate principal amount of the unredeemed balance of the principal amount of such Bond. New Bonds of such Series representing the unredeemed balance of the principal amount shall be issued to the Owner thereof without any charge therefor. If the Owner of any Bond of a denomination greater than the unit of principal amount to be redeemed shall fail to present such Bond to the Paying Agent for payment in exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the unit or units of principal amount called for redemption.

Subject to the provisions of Section 506(b) hereof, the District may purchase a Bond or Bonds of a Series in the open market at a price no higher than the highest Redemption Price (including premium) for the Bond to be so purchased with any funds legally available therefor and any such Bonds so purchased shall be credited to the amounts otherwise required to be deposited for the payment of Bonds of such Series as provided in Section 506(b) hereof or as otherwise provided in the Supplemental Indenture relating to such Series of Bonds.

Section 302. Notice of Redemption; Procedure for Selection. The District shall establish each redemption date, other than in the case of a mandatory redemption, in which case the Trustee shall establish the redemption date, and the District or the Trustee, as the case may be, shall notify the Bond Registrar in writing of such redemption date on or before the forty-fifth (45th) day next preceding the date fixed for redemption, which notice shall set forth the terms of the redemption and the aggregate principal amount of Bonds to be redeemed. Except as otherwise provided herein, notice of redemption shall be given by the Bond Registrar not less than thirty (30) nor more than forty-five (45) days prior to the date fixed for redemption by first-class mail, postage prepaid, to any Paying Agent for the Bonds to be redeemed and to the registered Owner of each Bond to be redeemed, at the address of such registered Owner on the registration books maintained by the Bond Registrar (and, for any Owner of \$1,000,000 or more in principal amount of Bonds, to one additional address if written request therefor is provided to the Bond Registrar prior to the Record Date); and a second notice of redemption shall be sent by registered or certified mail at such address to any

24

thereof, except to receive payment of the Redemption Price thereof, and interest, if any, accrued thereon to the redemption date, and such Bonds shall no longer be deemed to be Outstanding.

Section 304. Cancellation. Bonds called for redemption shall be canceled upon the surrender thereof pursuant to the provisions of Section 511 hereof.

ARTICLE IV ACQUISITION AND CONSTRUCTION FUND

Section 401. Acquisition and Construction Fund. There is created and established by Section 502 hereof a fund designated as the "Acquisition and Construction Fund" which shall be held by the Trustee and there shall be deposited to the credit of the Series Acquisition and Construction Accounts the amounts specified in the Supplemental Indenture relating to such Series of Bonds.

Section 402. Payments from Acquisition and Construction Fund. Payments of the Cost of constructing and acquiring a Series Project shall be made from the Acquisition and Construction Fund as herein provided. All such payments shall be subject to the provisions and restrictions set forth in this Article IV and in Article V hereof, and the District covenants that it will not request any sums to be paid from the Acquisition and Construction Fund except in accordance with such provisions and restrictions. Moneys in the Acquisition and Construction Fund shall be disbursed by check, voucher, order, draft, certificate or warrant signed by any one or more officers or employees of the Trustee legally authorized to sign such items or by wire transfer to an account specified by the payee upon satisfaction of the conditions for disbursement set forth in Section 503(b) hereof.

Section 403. Cost of a Series Project. For the purposes of this Master Indenture, the Cost of a Series Project shall include, without intending thereby to limit or to restrict or expand any proper definition of such cost under the Act, other applicable provisions of State law, or this Master Indenture, the following:

(a) **Expenses of Bond Issuance.** All expenses and fees relating to the issuance of the Bonds, including, but not limited to, initial Credit Facility or Liquidity Facility fees and costs, attorneys' fees, underwriting fees and discounts, the Trustee's acceptance fees and costs, Trustee's counsel fees and costs, rating agency fees, fees of financial advisors, engineer's fees and costs, administrative expenses of the District, the costs of preparing audits and engineering reports, the costs of preparing reports, surveys, and studies, and the costs of printing the Bonds and preliminary and final disclosure documents.

(b) **Accrued and Capitalized Interest.** Any interest accruing on the Bonds from their date through the first Interest Payment Date received from the

26

Owner who has not submitted his Bond to the Paying Agent for payment on or before the date sixty (60) days following the date fixed for redemption of such Bond, in each case stating: (a) the numbers of the Bonds to be redeemed, by giving the individual certificate number of each Bond to be redeemed (or stating that all Bonds between two stated certificate numbers, both inclusive, are to be redeemed or that all of the Bonds of one or more maturities have been called for redemption); (b) the CUSIP numbers of all Bonds being redeemed; (c) in the case of a partial redemption of Bonds, the principal amount of each Bond being redeemed; (d) the date of issue of each Bond as originally issued and the complete official name of the Bonds including the Series designation; (e) the rate or rates of interest borne by each Bond being redeemed; (f) the maturity date of each Bond being redeemed; (g) the place or places where amounts due upon such redemption will be payable; and (h) the notice date, redemption date, and Redemption Price. The notice shall require that such Bonds be surrendered at the designated corporate trust office of the Paying Agent for redemption at the Redemption Price and shall state that further interest on such Bonds will not accrue from and after the redemption date; provided, however, that such presentation shall not be required while such Bonds are registered in book-entry only format. CUSIP number identification with appropriate dollar amounts for each CUSIP number also shall accompany all redemption payments.

Any required notice or redemption shall also be sent by registered mail, overnight delivery service, telecopy or other secure means, postage prepaid, to any Owner of \$1,000,000 or more in aggregate principal amount of Bonds to be redeemed, to certain municipal registered securities depositories in accordance with the then-current guidelines of the Securities and Exchange Commission, which are known to the Bond Registrar to be holding Bonds thirty-two (32) days prior to the redemption date and to at least two of the national information services that disseminate securities redemption notices in accordance with the then-current guidelines of the Securities and Exchange Commission, when possible, at least thirty (30) days prior to the redemption date; provided that neither failure to send or receive any such notice nor any defect in any notice so mailed shall affect the sufficiency of the proceedings for the redemption of such Bonds.

Failure to give notice by mailing to the Owner of any Bond designated for redemption or to any depository or information service shall not affect the validity of the proceedings for the redemption of any other Bond.

Section 303. Effect of Calling for Redemption. On the date designated for redemption of any Bonds, notice having been filed and mailed in the manner provided above, the Bonds called for redemption shall be due and payable at the Redemption Price provided for the redemption of such Bonds on such date and, moneys for payment of the Redemption Price being held in a separate account by the Paying Agent in trust for the Owners of the Bonds to be redeemed, interest on the Bonds called for redemption shall cease to be entitled to any benefit under this Master Indenture, and the Owners of such Bonds shall have no rights in respect

25

Notwithstanding the deposit of Capitalized Interest into the related Series Capitalized Interest Account, Capitalized Interest shall also include any amount directed by the District to the Trustee in writing to be withdrawn from the related Series Acquisition and Construction Account and deposited into such Series Capitalized Interest Account, provided that such direction includes a certification that such amount represents earnings on amounts on deposit in the related Series Acquisition and Construction Account and that, after such deposit, the amount on deposit in such Series Acquisition and Construction Account, together with earnings thereon, will be sufficient to pay for the remaining Costs of the related Series Project which are to be funded from such Series Acquisition and Construction Account.

(c) **Acquisition Expenses.** The costs of acquiring, by purchase or condemnation, all of the land, structures, improvements, rights-of-way, franchises, easements, plans and specifications and similar items and other interests in property, whether real or personal, tangible or intangible, which themselves constitute a Series Project or which are necessary or convenient to acquire, install and construct a Series Project and payments, contributions, dedications, taxes, assessments or permit fees or costs and any other exactions required as a condition to receive any government approval or permit necessary to accomplish any District purpose.

(d) **Construction Expense.** All costs incurred, including interest charges, for labor and materials, including equipment, machinery and fixtures, by contractors, builders, and materialmen in connection with the acquisition, installation and construction of a Series Project, and including without limitation costs incident to the award of contracts.

ARTICLE V ESTABLISHMENT OF FUNDS AND APPLICATION THEREOF

Section 501. Lien. There is hereby irrevocably pledged for the payment of the Bonds of each Series issued hereunder, subject only to the provisions of this Master Indenture and any Supplemental Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in this Master Indenture and any such Supplemental Indenture with respect to each Series of Bonds, the Trust Estate; provided, however, that unless otherwise specifically provided herein or in a Supplemental Indenture relating to a Series of Bonds with respect to the Series Trust Estate securing such Series of Bonds, the Pledged Funds and Pledged Revenues securing a Series of Bonds shall secure only such Series of Bonds and shall not secure any other Bonds or Series of Bonds.

The foregoing pledge shall be valid and binding from and after the date of initial delivery of the Bonds and the proceeds of sale of the Bonds and all the moneys, securities and funds set forth in this Section 501 shall immediately be subject to the lien of the foregoing pledge, which lien is hereby created, without any physical delivery thereof or further act. Such lien shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the District or the Trustee, irrespective of whether such parties have notice thereof. Such lien shall be prior and superior to all other liens now existing or hereafter created.

Section 502. Establishment of Funds. The following funds are hereby established and shall be held by the Trustee:

(a) Acquisition and Construction Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Acquisition and Construction Account and a separate Series Costs of Issuance Account for each Series of Bonds issued hereunder;

(b) Revenue Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Revenue Account for each Series of Bonds issued hereunder;

(c) Debt Service Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds,

(i) a Series Debt Service Account, and therein a Series Interest Account, a Series Principal Account, a Series Sinking Fund Account and a Series Capitalized Interest Account, and

(ii) a Series Redemption Account and therein a Series Prepayment Subaccount and a Series Optional Redemption Subaccount,

29

(b) **Disbursements.** Unless otherwise provided in the Supplemental Indenture authorizing the issuance of such Series of Bonds, payments from a Series Acquisition and Construction Account shall be paid in accordance with the provisions of this subsection (b). Before any such payment shall be made, the District shall file with the Trustee a requisition in the form of Exhibit A attached hereto, signed by an Authorized Officer.

Upon receipt of each such requisition and accompanying certificate, the Trustee shall promptly withdraw from the Series Acquisition and Construction Account and pay to the person, firm or corporation named in such requisition the amount designated in such requisition. The Trustee shall have no duty to investigate either the accuracy or validity of the items delivered pursuant to this Section 503(b) or whether such amount is properly payable hereunder or under the Supplemental Indenture for such Series of Bonds.

(c) **Inspection.** All requisitions and certificates received by the Trustee pursuant to this Article V shall be retained in the possession of the Trustee, subject at all reasonable times to the inspection of the District, the Consulting Engineer, the Owner of any Bonds of the related Series, and the agents and representatives thereof.

(d) **Completion of Series Project.** On the Date of Completion of a Series Project, the balance in the related Series Acquisition and Construction Account not reserved by the District for the payment of any remaining part of the Cost of acquiring or constructing the Series Project shall be applied in accordance with the provisions of Section 404 hereof. The Trustee shall have no duty to determine whether the Date of Completion has occurred and the Trustee shall not be deemed to have knowledge that the Date of Completion has occurred until the Trustee has received the certificate of the Consulting Engineer establishing such Date of Completion as specified in the definition of Date of Completion in Section 101 hereof.

Section 504. Revenue Fund. The District hereby covenants and agrees that it will assess, impose, establish and collect the Pledged Revenues with respect to each Series of Bonds in amounts and at times sufficient to pay, when due, the principal of, premium, if any, and interest on such Series of Bonds. The District hereby covenants and agrees to immediately deposit upon receipt all such Pledged Revenues with the Trustee (including Prepayments, which shall be identified as such by the District at the time of deposit with the Trustee), and the Trustee shall immediately deposit all such Pledged Revenues, when received, into the related Series Revenue Account and immediately deposit all Prepayments, when received, into the related Series Prepayment Subaccount in the Series Redemption Account, unless otherwise provided for in the Supplemental Indenture relating to a Series of Bonds.

Section 505. Debt Service Fund.

(a) **Principal, Maturity Amount, Interest and Amortization Installments.** Except as otherwise provided in a Supplemental Indenture, on the Business Day preceding each Interest Payment Date on the Bonds, the Trustee shall withdraw from the Series Revenue Account and, from the amount so withdrawn, shall make the following deposits in the following order of priority:

(i) to the related Series Interest Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the amount of interest payable on the Bonds of such Series on such Interest Payment Date;

(ii) to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the principal amount, if any, payable with respect to Serial Bonds of such Series on such Interest Payment Date;

(iii) in each Bond Year in which Term Bonds of such Series are subject to mandatory redemption from Amortization Installments, to the related Series Sinking Fund Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the Amortization Installment payable on the Term Bonds of such Series on such Interest Payment Date;

(iv) in each Bond Year in which Capital Appreciation Bonds of such Series mature, to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the Maturity Amount payable with respect to the Capital Appreciation Bonds of such Series maturing on such Interest Payment Date;

(v) to the Series Reserve Account, an amount, if any, which, together with other amounts, if any, then on deposit therein, will equal the Series Reserve Account Requirement; and

(vi) to the Series Rebate Account, the Rebate Amount, if any, required to be deposited therein pursuant to the Supplemental Indenture related to a Series of Tax-Exempt Bonds.

Notwithstanding the foregoing, so long as there are moneys on deposit in the related Series Capitalized Interest Account on the date required for any transfer into the Series Interest Account as set forth above, the Trustee shall, prior to making any transfer into the related Series Interest Account from the related Series Revenue Account, transfer to the related Series Interest Account from the related Series Capitalized Interest Account, the lesser of the interest on such Series of

32

(e) **Series Redemption Account.** Moneys representing Prepayments on deposit in a Series Prepayment Subaccount to the full extent of a multiple of an Authorized Denomination shall, unless otherwise provided in the Supplemental Indenture relating to such Series of Bonds, be used by the Trustee to redeem Bonds of such Series on the earliest date on which such Bonds are permitted to be called without payment of premium by the terms hereof (including extraordinary mandatory redemption) and of the Supplemental Indenture relating to such Series of Bonds. Such redemption shall be made pursuant to the provisions of Article III hereof. The District shall pay all expenses incurred by the Trustee and Paying Agent in connection with such redemption. Moneys other than from Prepayments shall be held and applied in a Series Redemption Account as provided in Section 506(a) hereof.

(f) **Payment to the District.** When no Bonds of a Series remain Outstanding, and after all expenses and charges herein and in the related Supplemental Indenture required to be paid have been paid as certified to the Trustee in writing by an Authorized Officer, and after all amounts due and owing to the Trustee have been paid in full, the Trustee shall pay any balance in the Accounts for such Series of Bonds to the District upon the written direction of an Authorized Officer, free and clear of any lien and pledge created by this Master Indenture; provided, however, that if an Event of Default has occurred and is continuing in the payment of the principal or Maturity Amount of, or interest or premium on the Bonds of any other Series, the Trustee shall pay over and apply any such excess pro rata (based upon the ratio of the aggregate principal amount of such Series of Bonds to the aggregate principal amount of all Series of Bonds then Outstanding and for which such an Event of Default has occurred and is continuing) to each other Series of Bonds for which such an Event of Default has occurred and is continuing.

Section 506. Optional Redemption.

(a) **Excess Amounts in Series Redemption Account.** The Trustee shall, but only at the written direction of an Authorized Officer on or prior to the forty-fifth (45th) day preceding the date of redemption, call for redemption on each Interest Payment Date on which Bonds are subject to optional redemption, from moneys on deposit in a Series Redemption Account such amount of Authorized Denominations of Bonds of such Series then subject to optional redemption as, with the redemption premium, if any, will exhaust such amount as nearly as may be practicable. Such redemption shall be made pursuant to the provisions of Article III hereof. The District shall pay all expenses incurred by the Trustee and Paying Agent in connection with such redemption.

(b) **Purchase of Bonds of a Series.** The District may purchase Bonds of a Series then Outstanding at any time, whether or not such Bonds shall then be subject to redemption, at the most advantageous price obtainable with reasonable

Bonds coming due on the next succeeding Interest Payment Date or the amount remaining on deposit in the related Series Capitalized Interest Account.

(b) **Disposition of Remaining Amounts on Deposit in Series Revenue Account.** The District shall authorize the withdrawal, from time to time, from the Series Revenue Account an amount sufficient to pay the fees and charges of the Trustee, Bond Registrar, and Paying Agent, when due. Subject to the provisions of Section 604 hereof, if (i) the amount on deposit in the Series Interest Account, Series Principal Account, Series Sinking Fund Account and Series Redemption Account in each Bond Year equals the interest payable on the Bonds of such Series in such Bond Year, the principal amount of all Serial Bonds payable in such Bond Year, the Maturity Amount of all Capital Appreciation Bonds due in such Bond Year and the Amortization Installments required to be paid in such Bond Year, and (ii) any amounts remain in the Series Revenue Account on November 2 of such Bond Year, then such amounts shall, at the written direction of the District, be applied to pay the commissions, fees, costs and any other charges of the Tax Collector and the Property Appraiser or, if such commissions, fees, costs, or other charges have been paid by the District, then to reimburse the District for such payment upon written request of an Authorized Officer. If, after such amounts have been withdrawn, paid and provided for as provided above, any amounts remain in the Series Revenue Account, such amounts shall be disbursed to the District on written request of an Authorized Officer and applied to pay the operating and administrative costs and expenses of the District. After making the payments provided for in this subsection (b), the balance, if any, remaining in the Series Revenue Account shall be retained therein or, at the written direction of an Authorized Officer to the Trustee, transferred into the Series Prepayment Subaccount of the Series Redemption Account. Upon the occurrence and continuance of an Event of Default hereunder, the foregoing transfer to the Series Prepayment Subaccount shall not be made.

(c) **Series Reserve Account.** Except as otherwise provided for herein or in a Supplemental Indenture, moneys held for the credit of a Series Reserve Account shall be used for the purpose of paying interest or principal or Amortization Installment or Maturity Amount on the Bonds of the related Series whenever amounts on deposit in the Series Debt Service Account shall be insufficient for such purpose.

(d) **Series Debt Service Account.** Moneys held for the credit of a Series Interest Account, Series Principal Account and Series Sinking Fund Account in a Series Debt Service Account shall be withdrawn therefrom by the Trustee and transferred by the Trustee to the Paying Agent in amounts and at times sufficient to pay, when due, the interest on the Bonds of such Series, the principal of Serial Bonds of such Series, the Maturity Amount of Capital Appreciation Bonds of such Series and the Amortization Installments of Term Bonds of such Series, as the case may be.

diligence, having regard to maturity, option to redeem, rate and price, such price not to exceed the principal of such Bonds plus the amount of the premium, if any, which would be payable on the next redemption date to the Owners of such Bonds under the provisions of this Master Indenture and the Supplemental Indenture pursuant to which such Series of Bonds was issued if such Bonds were called for redemption on such date. Before making each such purchase, the District shall file with the Trustee a statement in writing directing the Trustee to pay the purchase price of the Bonds of such Series so purchased upon their delivery and cancellation, which statement shall set forth a description of such Bonds, the purchase price to be paid therefor, the name of the seller, and the place of delivery of the Bonds. The Trustee shall pay the interest accrued on such Bonds to the date of delivery thereof from the related Series Interest Account and the principal portion of the purchase price of Serial Bonds from the related Series Principal Account, but no such purchase shall be made after the Record Date in any Bond Year in which Bonds have been called for redemption. To the extent that insufficient moneys are on deposit in a related Series Interest Account to pay the accrued interest portion of the purchase price of any Bonds or in a related Series Principal Account to pay the principal amount of the purchase price of any Serial Bond, the Trustee shall transfer into such Accounts from the related Series Revenue Account sufficient moneys to pay such respective amounts. In the event that there are insufficient moneys on deposit in the related Series Sinking Fund Account with which to pay the principal portion of the purchase price of any Term Bonds, the Trustee may, at the written direction of the District, transfer moneys into such related Series Sinking Fund Account from the related Series Revenue Account to pay the principal amount of such purchase price, but only in an amount no greater than the Amortization Installment related to such Series of Bonds coming due in the current Bond Year calculated after giving effect to any other purchases of Term Bonds during such Bond Year. The Trustee may pay the principal portion of the purchase price of Bonds from the related Series Redemption Account, but only upon delivery of written instructions from an Authorized Officer of the District to the Trustee accompanied by a certificate of an Authorized Officer: (A) stating that sufficient moneys are on deposit in the Series Redemption Account to pay the purchase price of such Bonds; (B) setting forth the amounts and maturities of Bonds of such Series which are to be redeemed from such amounts; and (C) containing cash flows which demonstrate that, after giving effect to the purchase of Bonds in the amounts and maturities set forth in clause (B) above, the Pledged Revenues to be received by the District in the current and each succeeding Bond Year will be sufficient to pay the principal, Maturity Amount and Amortization Installments of and interest on all Bonds of such Series. The Trustee may pay the principal portion of the purchase price of any Term Bonds from the related Series Sinking Fund Account, but only Term Bonds of a maturity having Amortization Installments in the current Bond Year and in the principal amount no greater than the Amortization Installment related to such Series of Bonds coming due in the current Bond Year (calculated after giving effect to any other purchases of Term Bonds during such Bond Year).

33

34

35

The Trustee may pay the principal portion of the purchase price of Term Bonds having maturities different from or in amounts greater than set forth in the preceding sentence from amounts on deposit in the related Series Sinking Fund Account and the Trustee may transfer moneys from the related Series Revenue Account to the related Series Sinking Fund Account for such purpose, but only upon delivery of written instructions from an Authorized Officer to the Trustee accompanied by a certificate of an Authorized Officer: (X) stating that sufficient moneys are on deposit in the Series Sinking Fund Account, after giving effect to any transfers from the related Series Revenue Account, to pay the principal portion of the purchase price of such Term Bonds; (Y) setting forth the amounts and maturities of Term Bonds of such Series which are to be redeemed from such amounts and the Amortization Installments against which the principal amount of such purchases are to be credited; and (Z) containing cash flows which demonstrate that, after giving effect to the purchase of Term Bonds in the amounts and having the maturities and with the credits against Amortization Installments set forth in clause (Y) above and any transfers from the related Series Revenue Account, the Pledged Revenues to be received by the District in the current and in each succeeding Bond Year will be sufficient to pay the principal, Maturity Amount and Amortization Installments of and interest on all Bonds of such Series. If any Bonds are purchased pursuant to this subsection (b), the principal amount of the Bonds so purchased shall be credited as follows:

(i) if the Bonds are to be purchased from amounts on deposit in the Series Prepayment Subaccount of a Series Redemption Account, against the principal coming due or Amortization Installments set forth in the certificate of the Authorized Officer accompanying the direction of the District to effect such purchase; or

(ii) if the Bonds are Term Bonds of a Series, against the Amortization Installments for Bonds of such Series first coming due in the current Bond Year or, if such Term Bonds so purchased are to be credited against Amortization Installments coming due in any succeeding Bond Year, against the Amortization Installments on Term Bonds of such Series maturing on the same date and designated in the certificate of the Authorized Officer accompanying the direction of the District to effect such purchase; or

(iii) against the principal or Maturity Amount of Serial Bonds coming due on the maturity date of such Serial Bonds.

Section 507. Rebate Fund.

(a) **Creation.** There is created and established by Section 502 hereof a Rebate Fund, and within the Rebate Fund a Series Rebate Account for each Series

of Tax-Exempt Bonds. Moneys deposited and held in the Rebate Fund shall not be subject to the pledge of this Master Indenture.

(b) **Payment to United States.** The Trustee shall pay to the District, upon written request of the District, the Rebate Amount required to be paid to the United States at the times, in the manner and as calculated in accordance with the Supplemental Indenture related to a Series of Tax-Exempt Bonds. The Trustee shall have no responsibility for computation of the Rebate Amount and instead the District shall cause the Rebate Amount to be calculated by the Rebate Analyst and shall cause the Rebate Analyst to deliver such computation to the Trustee as provided in the Supplemental Indenture related to a Series of Tax-Exempt Bonds but before the date of any required payment of the Rebate Amount to the Internal Revenue Service. The fees of, and expenses incurred by, the Rebate Analyst in computing the Rebate Amount shall be paid by the District, which amount shall be treated as administrative and operating expenses of the District payable or reimbursable from the Series Revenue Account in accordance with Section 505(b) hereof.

(c) **Deficiencies.** If the Trustee does not have on deposit in the Series Rebate Account sufficient amounts to make the payments required by this Section 507, the District shall pay, from any legally available source, the amount of any such deficiency to the United States as provided in paragraph (b) above. The Trustee shall have no duty to pay such deficiency from its own funds.

(d) **Survival.** The covenants and agreements of the District in this Section 507 and Section 809, and any additional covenants related to compliance with provisions necessary in order to preserve the exclusion of interest on the Tax-Exempt Bonds of a Series from gross income for federal income tax purposes shall survive the defeasance of the Bonds of such Series in accordance with Article XII hereof.

Section 508. Investment of Funds and Accounts. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, moneys held for the credit of the Accounts for such Series of Bonds shall be invested as hereinafter in this Section 508 provided.

(a) **Series Acquisition and Construction Account, Series Revenue Account and Series Debt Service Account.** Moneys held for the credit of a Series Acquisition and Construction Account, a Series Revenue Account, and a Series Debt Service Account shall, as nearly as may be practicable, be continuously invested and reinvested by the Trustee in Investment Obligations as directed in writing by an Authorized Officer, which Investment Obligations shall mature, or shall be subject to redemption by the holder thereof at the option of such holder, not later than the respective dates, as estimated by an Authorized Officer, when

moneys held for the credit of each such Account will be required for the purposes intended.

(b) **Series Reserve Account.** Moneys held for the credit of a Series Reserve Account shall be continuously invested and reinvested by the Trustee in Investment Obligations as directed in writing by an Authorized Officer.

(c) **Investment Obligations as a Part of Funds and Accounts.** Investment Obligations purchased as an investment of moneys in any Fund or Account shall be deemed at all times to be a part of such Fund or Account, and the interest accruing thereon and profit realized from such investment shall be credited as provided in Section 510 hereof. Any loss resulting from such investment shall be charged to such Fund or Account. The foregoing notwithstanding, for purposes of investment and to the extent permitted by law, amounts on deposit in any Fund or Account may be commingled for purposes of investment, provided adequate care is taken to account for such amounts in accordance with the prior sentence. The Trustee may, upon the written direction of an Authorized Officer, transfer investments within such Funds or Accounts without being required to sell such investments. The Trustee shall sell at the best price obtainable or present for redemption any obligations so purchased whenever it shall be necessary so to do in order to provide moneys to meet any payment or transfer from any such Fund or Account. The Trustee shall not be liable or responsible for any loss resulting from any such investment or for failure to make an investment (except failure to make an investment in accordance with the written direction of an Authorized Officer) or for failure to achieve the maximum possible earnings on investments. The Trustee shall have no obligation to invest funds without written direction from an Authorized Officer.

(d) **Valuation.** In computing the value of the assets of any Fund or Account, investments and earnings thereon shall be deemed a part thereof. The Trustee shall value the assets in each of the Funds and Accounts established hereunder as of September 30 of each Fiscal Year, and as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the District a report of the status of each Fund and Account as of the valuation date. For the purpose of determining the amount on deposit to the credit of any Fund or Account established hereunder, with the exception of a Series Reserve Account, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the Redemption Price thereof, to the extent that any such obligation is then redeemable at the option of the holder. For the purpose of determining the amount on deposit to the credit of a Series Reserve Account, obligations in which money in such Account shall have been invested shall be valued at par, if purchased at par, or at amortized cost, if purchased at other than par, plus, in each case, accrued interest. Amortized cost, when used with respect to an obligation purchased at a premium above or a discount below par, means the

value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of days remaining to maturity on such obligation at the date of such purchase and by multiplying the amount thus calculated by the number of days having passed since such purchase; and (i) in the case of an obligation purchased at a premium by deducting the product thus obtained from the purchase price, and (ii) in the case of an obligation purchased at a discount by adding the product thus obtained to the purchase price.

Section 509. Deficiencies and Surpluses in Funds and Accounts. For purposes of this Section 509, (a) a "deficiency" shall mean, in the case of a Series Reserve Account, that the amount on deposit therein is less than the Series Reserve Account Requirement (but only after the Bond Year in which the amount on deposit therein first equals the Series Reserve Account Requirement), and (b) a "surplus" shall mean in the case of a Series Reserve Account, that the amount on deposit therein is in excess of the Series Reserve Account Requirement.

At the time of any withdrawal from a Series Reserve Account that results in a deficiency therein, the Trustee shall promptly notify the District of the amount of any such deficiency and the Trustee shall withdraw the amount of such deficiency from the related Series Revenue Account and, if amounts on deposit therein are insufficient therefor, the District shall pay the amount of such deficiency to the Trustee, for deposit in such Series Reserve Account, from the first legally available sources of the District.

The Trustee, as of the close of business on the last Business Day in each Bond Year, after taking into account all payments and transfers made as of such date, shall compute, in the manner set forth in Section 508(d), the value of the Series Reserve Account and shall promptly notify the District of the amount of any deficiency or surplus as of such date in such Series Reserve Account. The District shall immediately pay the amount of any deficiency to the Trustee, for deposit in the Series Reserve Account, from any legally available sources of the District. The Trustee, as soon as practicable after such computation, shall deposit any surplus, at the direction of an Authorized Officer, to the credit of the Series Revenue Account, or as otherwise provided in the related Supplemental Indenture.

Section 510. Investment Income. Unless otherwise provided in a Supplemental Indenture, earnings on Investments in a Series Acquisition and Construction Account, a Series Interest Account, a Series Capitalized Interest Account and a Series Revenue Account shall be retained, as realized, to the credit of such Account and used for the purpose of such Account. Unless otherwise provided in a Supplemental Indenture, earnings on investments in the Funds and Accounts other than a Series Reserve Account and other than as set forth above shall be deposited, as realized, to the credit of such Series Revenue Account and used for the purpose of such Account.

Earnings on investments in a Series Reserve Account shall, unless otherwise provided in a Supplemental Indenture, be disposed of as follows:

(a) if there was no deficiency (as defined in Section 509 above) in the Series Reserve Account as of the most recent date on which amounts on deposit in the Series Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series Reserve Account since such date, then earnings on investments in the Series Reserve Account shall be deposited to the Series Revenue Account; or

(b) if there was a deficiency (as defined in Section 509 above) in the Series Reserve Account as of the most recent date on which amounts on deposit in the Series Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series Reserve Account and have created such a deficiency, then earnings on investments in the Series Reserve Account shall be retained in the Series Reserve Account until the amount on deposit therein equals the Series Reserve Account Requirement and thereafter shall be deposited to the Series Revenue Account.

Section 511. Cancellation of Bonds. All Bonds paid, redeemed or purchased, either at or before maturity, shall be canceled upon the payment, redemption or purchase of such Bonds. All Bonds canceled under any of the provisions of this Master Indenture shall be destroyed by the Paying Agent, which shall upon request of the District execute a certificate in duplicate describing the Bonds so destroyed. One executed certificate shall be filed with the Trustee and the other executed certificate shall be retained by the Paying Agent.

ARTICLE VI CONCERNING THE TRUSTEE

Section 601. Acceptance of Trust. The Trustee accepts and agrees to execute the trusts hereby created, but only upon the additional terms set forth in this Article VI, to all of which the parties hereto and the Owners agree. The Trustee shall have only those duties expressly set forth herein, and no duties shall be implied against the Trustee.

Section 602. No Responsibility for Recitals. The recitals, statements and representations in this Master Indenture, in any Supplemental Indenture or in the Bonds, save only the Trustee's authentication certificate, if any, upon the Bonds, have been made by the District and not by the Trustee, and the Trustee shall be under no responsibility for the correctness thereof.

Section 603. Trustee May Act Through Agents; Answerable Only for Willful Misconduct or Gross Negligence. The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers

40

provided for therein) or if the Trustee, based upon the advice of counsel upon which the Trustee is entitled to rely, determines that the giving of such notice is not in the best interests of the Owners of the Bonds. The Trustee will be deemed to have actual knowledge of any payment default under this Master Indenture or under any Supplemental Indenture and after receipt of written notice thereof by a Credit Facility issuer or Liquidity Facility issuer of a default under its respective reimbursement agreement, but shall not be deemed to have actual knowledge of any other default unless notified in writing of such default by the Owners of at least twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding and affected by such default. The Trustee may, however, at any time require of the District full information as to the performance of any covenant hereunder; and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the District, an investigation into the affairs of the District.

Section 607. Obligation to Act on Default. Before taking any action under this Master Indenture or any Supplemental Indenture in respect of an Event of Default, or any action that would require the Trustee to expend its own funds, the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability resulting from its own gross negligence or willful misconduct in connection with any such action.

Section 608. Reliance by Trustee. The Trustee may act on any requisition, resolution, notice, telegram, request, consent, waiver, opinion, certificate, statement, affidavit, voucher, bond, or other paper or document or telephone message which it in good faith believes to be genuine and to have been passed, signed or given by the proper persons or to have been prepared and furnished pursuant to any of the provisions of this Master Indenture or any Supplemental Indenture, and the Trustee shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement.

Section 609. Trustee May Deal in Bonds. The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Owners may be entitled to take with like effect as if the Trustee were not a party to this Master Indenture or any Supplemental Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the District.

Section 610. Construction of Ambiguous Provision. The Trustee may construe any ambiguous or inconsistent provisions of this Master Indenture or any Supplemental Indenture and any construction by the Trustee shall be binding upon the Owners. The Trustee shall give prompt written notice to the District of any intention to make such construal.

42

or employees, and shall be entitled to advice of counsel concerning all questions hereunder, and the Trustee shall not be answerable for the default or misconduct of any attorney, agent or employee selected by it with reasonable care. In performance of its duties hereunder, the Trustee may rely on the advice of counsel and shall not be held liable for actions taken in reliance on the advice of counsel. The Trustee shall not be answerable for the exercise of any discretion or power under this Master Indenture or any Supplemental Indenture nor for anything whatsoever in connection with the trust hereunder, except only its own gross negligence or willful misconduct.

Section 604. Compensation and Indemnity. The District shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, including the reasonable fees and expenses of Trustee's counsel, and to the extent permitted under State law shall indemnify the Trustee and hold the Trustee harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder except with respect to its own negligence or misconduct. The Trustee shall have no duty in connection with its responsibilities hereunder to advance its own funds nor shall the Trustee have any duty to take any action hereunder without first having received indemnification satisfactory to it. If the District defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys received or held by the Trustee under this Master Indenture or any Supplemental Indenture other than moneys from a Credit Facility or Liquidity Facility. This Section 604 shall survive termination of this Master Indenture and any Supplemental Indenture, and as to any Trustee, its resignation or removal thereof. As security for the foregoing, the District hereby grants to the Trustee a security interest in and to the amounts on deposit in all Series Funds and Accounts (other than the Rebate Fund) thereby, in effect, granting the Trustee a first charge against these moneys following an Event of Default for its fees and expenses (including legal counsel and default administration costs and expenses), subordinate and inferior to the security interest granted to the Owners of the Bonds from time to time secured thereby, but nevertheless payable in the order of priority as set forth in Section 905(a) upon the occurrence of an Event of Default.

Section 605. No Duty to Renew Insurance. The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the District to require or effect or renew insurance or to report or file claims of loss thereunder.

Section 606. Notice of Default; Right to Investigate. The Trustee shall give written notice, as soon as practicable, by first-class mail to registered Owners of Bonds of all defaults of which the Trustee has actual knowledge, unless such defaults have been remedied (the term "defaults" for purposes of this Section 606 and Section 607 being defined to include the events specified as "Events of Default" in Section 902 hereof, but not including any notice or periods of grace

41

Section 611. Resignation of Trustee. The Trustee may resign and be discharged of the trusts created by this Master Indenture by written resignation filed with the Secretary of the District not less than sixty (60) days before the date when such resignation is to take effect; provided that notice of such resignation shall be sent by first-class mail to each Owner as its name and address appears on the Bond Register and to any Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer, at least sixty (60) days before the resignation is to take effect. Such resignation shall take effect on the day specified in the Trustee's notice of resignation unless a successor Trustee is previously appointed, in which event the resignation shall take effect immediately on the appointment of such successor; provided, however, that notwithstanding the foregoing such resignation shall not take effect until a successor Trustee has been appointed. If a successor Trustee has not been appointed within sixty (60) days after the Trustee has given its notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has been duly appointed.

Section 612. Removal of Trustee. Any Trustee hereunder may be removed at any time by an instrument appointing a successor to the Trustee so removed, upon application of the District; provided, however, that if an Event of Default has occurred hereunder and is continuing with respect to a Series of Bonds, then the Trustee hereunder may be removed only by an instrument appointing a successor to the Trustee so removed executed by the Majority Owners of the Series of Bonds as to which such Event of Default exists and filed with the Trustee and the District.

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Master Indenture or any Supplemental Indenture with respect to the duties and obligations of the Trustee, by any court of competent jurisdiction upon the application of the District; provided that no Event of Default has occurred hereunder and is continuing, or upon the application of the Owners of not less than twenty percent (20%) in aggregate principal amount of the Bonds then Outstanding.

Section 613. Appointment of Successor Trustee. (i) More than twenty percent (20%) of the Operation and Maintenance Assessments levied by the District on tax parcels subject to Assessments or Benefit Special Assessments pledged to a Series of Bonds are not paid by the date such are due and payable.

Section 903. Acceleration of Maturities of Bonds of a Series Under Certain Circumstances. Upon the happening and continuance of any Event of Default specified in clauses (a) through (i) of Section 902 above with respect to a Series of Bonds, the Trustee shall, upon written direction of the Majority Owners of the Bonds of such Series then Outstanding, by a notice in writing to the District, declare the aggregate principal amount of all of the Bonds of such Series then Outstanding (if not then due and payable) to be due and payable immediately and, upon such declaration, the same shall become and be immediately due and payable, anything contained in the Bonds of such Series or in this Master Indenture or in the Supplemental Indenture authorizing such Series of Bonds to the contrary notwithstanding; provided, however, that no such declaration of acceleration shall occur in the case of Bonds of a Series secured by Assessments, except to the extent that the Assessments have been accelerated and are currently due and payable in accordance with applicable law; and provided further, however, that if at any time after the aggregate principal amount of the Bonds of any Series then Outstanding shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under this Master Indenture or the related Supplemental Indenture, moneys shall have accumulated in the related Series Revenue Account sufficient to pay the principal of all matured Bonds of such Series and all arrears of interest, if any, upon all Bonds of such Series then Outstanding (except the aggregate principal amount of any Bonds of such Series then Outstanding that is only due because of a declaration under this Section 903, and except for the interest accrued on the Bonds of such Series since the last Interest Payment Date), and all amounts then payable by the District hereunder shall have been paid or a sum sufficient to pay the same shall have been deposited with the Paying Agent, and every other default (other than a default in the payment of the aggregate principal amount of the Bonds of such Series then Outstanding that is due only because of a declaration under this Section 903) shall have been remedied, then the Trustee or, if the Trustee is unable or unwilling to act, the Majority Owners of such Series of Bonds then Outstanding not then due except by virtue of a declaration under this Section 903, may, by written notice to the District, rescind and annul such declaration and its consequences, but no such rescission or annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

Section 904. Enforcement of Remedies. Upon the happening and continuance of any Event of Default specified in Section 902 above with respect to a Series of Bonds, the Trustee may protect and enforce the rights of the Owners of the Bonds of such Series under State law, and under this Master Indenture, the related

56

delinquent Direct Billed Operation and Maintenance Assessments, and will take such other appropriate remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Owners, from time to time, of the Bonds of a Series. Notwithstanding anything to the contrary herein, and unless otherwise directed by the Majority Owners of the Bonds of a Series and allowed pursuant to federal or State law, the District acknowledges and agrees that (y) upon failure of any property owner to pay an installment of Assessments collected directly by the District when due, that the entire Assessment on the tax parcel as to which such Delinquent Assessment appertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the District shall promptly, but in any event within 120 days, cause to be brought the necessary legal proceedings for the foreclosure of liens of Delinquent Assessments, including interest and penalties with respect to such tax parcel and (z) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages.

Section 905. Pro Rata Application of Funds Among Owners of a Series of Bonds. Anything in this Master Indenture to the contrary notwithstanding, if at any time the moneys in the Series Funds and Accounts shall not be sufficient to pay Debt Service on the related Series of Bonds when due, such moneys together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article IX or otherwise, shall be applied as follows:

(a) Unless the aggregate principal amount of all the Bonds of such Series shall have become due and payable or shall have been declared due and payable pursuant to the provisions of Section 903 hereof, all such moneys shall be applied:

FIRST: to the payment of any then-due fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid;

SECOND: to payment to the persons entitled thereto of all installments of interest then due and payable on the Bonds of such Series, in the order in which such installments become due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the rates of interest specified in the Bonds of such Series; and

THIRD: to the payment to the persons entitled thereto of the unpaid principal of any of the Bonds of such Series which shall have become due (other than Bonds of such Series called for redemption for the payment of which sufficient moneys are held pursuant to this Master Indenture), in the

58

Supplemental Indenture and the Bonds of such Series, by such proceedings in equity or at law, either for the specific performance of any covenant or agreement contained herein or in aid or execution of any power herein or in the related Supplemental Indenture granted or for the enforcement of any proper legal or equitable remedy, as the Trustee shall deem most effectual to protect and enforce such rights.

The Majority Owners of the Bonds of such Series then Outstanding shall, subject to the requirements of Section 607, have the right, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings by the Trustee hereunder, provided that such directions shall not be in conflict with any rule of law or this Master Indenture and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unduly prejudicial to the rights of the Owners of such Series of Bonds not parties to such direction or would subject the Trustee to personal liability or expense. Notwithstanding the foregoing, the Trustee shall have the right to select and retain legal counsel of its choosing to represent it in any such proceedings. The Trustee may take any other action which is not inconsistent with any direction under this second paragraph of this Section 904.

No Owner of such Series of Bonds shall have any right to pursue any other remedy under this Master Indenture or such Series of Bonds unless: (a) an Event of Default shall have occurred and is continuing; (b) the Majority Owners of the Bonds of such Series then Outstanding have requested the Trustee, in writing, to exercise the powers granted in the first paragraph of this Section 904 or to pursue such remedy in its or their name or names; (c) the Trustee has been offered indemnity satisfactory to it against costs, expenses and liabilities reasonably anticipated to be incurred; (d) the Trustee has declined to comply with such request, or has failed to do so, within sixty (60) days after its receipt of such written request and offer of indemnity; and (e) no direction inconsistent with such request has been given to the Trustee during such sixty (60) day period by the Majority Owners of the Bonds of such Series then Outstanding. The provisions of the immediately preceding sentence of this Section 904 are conditions precedent to the exercise by any Owner of such Series of Bonds of any remedy hereunder. The exercise of such rights is further subject to the provisions of Sections 907, 909, 910, 912 and the second paragraph of this Section 904. No Owner or Owners of such Series of Bonds shall have any right in any manner whatsoever to enforce any right under this Master Indenture, except in the manner herein provided.

The District covenants and agrees that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, the provisions for the foreclosure of liens of Delinquent Assessments, including

57

order of their due dates, with interest upon the Bonds of such Series at the rates specified therein from the dates upon which they become due to their payment date, and, if the amount available shall not be sufficient to pay in full the principal of Bonds of such Series due on any particular date, together with such interest, then to the payment first of such interest, ratably according to the amount of such interest due on such date, and then to the payment of such principal, ratably according to the amount of such principal due on such date, to the Owners of the Bonds of such Series entitled thereto without any discrimination or preference except as to any difference in the foregoing rates of interest.

(b) If the aggregate principal amount of all the Bonds of a Series shall have become due and payable in accordance with their terms or shall have been declared due and payable pursuant to the provisions of Section 903 hereof, all such moneys shall be applied first to the payment of any fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid, and then the payment of the whole amount of principal and interest then due and unpaid upon the Bonds of such Series, without preference or priority of principal or of interest or of any installment of interest over any other, or of any Bond over any other Bond of such Series, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds of such Series.

(c) If the principal of all the Bonds of a Series shall have been declared due and payable pursuant to the provisions of Section 903 hereof, and if such declaration shall thereafter have been rescinded and annulled pursuant to the provisions of Section 903 hereof, then, if the aggregate principal amount of all of the Bonds of such Series shall later become due or be declared due and payable pursuant to the provisions of Section 903 hereof, the moneys remaining in and thereafter accruing to the related Series Revenue Fund shall be applied in accordance with subsection (b) above.

The provisions of this Section 905 are in all respects subject to the provisions of Section 901 hereof.

Whenever moneys are to be applied pursuant to this Section 905, such moneys shall be applied by the Trustee at such times as the Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application. The deposit of such moneys with the Paying Agent shall constitute proper application by the Trustee, and the Trustee shall incur no liability whatsoever to any Owner or to any other person for any delay in applying any such funds, so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies such moneys in accordance with such

59

provisions of this Master Indenture as may be applicable at the time of application. Whenever the Trustee shall exercise such discretion in applying such funds, it shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date and shall not be required to make payment to any Owner until such Bond shall be surrendered to him for appropriate endorsement.

Section 906. Effect of Discontinuance of Proceedings. If any proceeding taken by the Trustee or any Owner on account of any default shall have been discontinued or abandoned for any reason, then the District and the Owner shall be restored to their former positions and rights hereunder, respectively, and all rights and remedies of the Owners shall continue as though no such proceeding had been taken.

Section 907. Restriction on Individual Owner Actions. Except as provided in Section 910 below, no Owner of any Bonds of a Series shall have any right in any manner whatsoever to affect, disturb or prejudice the security of this Master Indenture or any Supplemental Indenture, or to enforce any right hereunder or thereunder except in the manner herein or therein provided, and all proceedings at law or in equity shall be instituted and maintained for the benefit of all Owners of the Bonds of such Series.

Section 908. No Remedy Exclusive. No remedy conferred upon the Trustee or the Owners is intended to be exclusive of any other remedy herein or in any Supplemental Indenture provided, and each such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or thereunder.

Section 909. Delay Not a Waiver. No delay or omission of the Trustee or any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given to the Trustee and the Owners may be exercised from time to time and as often as may be deemed expedient.

Section 910. Right to Enforce Payment of Bonds. Nothing in this Article IX shall affect or impair the right of any Owner to enforce the payment of Debt Service on the Bond of which such person is the registered Owner, or the obligation of the District to pay Debt Service to the Owner at the time and place specified in such Bond.

Section 911. No Cross Default Among Series. The occurrence of an Event of Default hereunder or under any Supplemental Indenture with respect to any Series of Bonds shall not constitute an Event of Default with respect to any other Series of Bonds, unless the event giving rise to the Event of Default also

60

Trustee within sixty (60) days following delivery to the Trustee of a written request for consent);

(ii) the District hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Assessments relating to the Bonds of a Series then Outstanding, the Bonds of such Series then Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee;

(iii) the District hereby agrees that it shall make a reasonable attempt to timely seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Bonds of such Series then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee of a written request for consent);

(iv) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the Assessments relating to the Bonds of a Series then Outstanding, would have the right to pursue, and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including, without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Assessments relating to the Bonds of a Series then Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and

(v) the District shall not challenge the validity or amount of any claim submitted in good faith by the Trustee in such Proceeding or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceeding or take any other action in such Proceeding, which is adverse to the Trustee's enforcement of the District's claim and rights with respect to the Assessments relating to the Bonds of a

constitutes an Event of Default hereunder or under the Supplemental Indenture with respect to such other Series of Bonds.

Section 912. Indemnification. Other than to make proper draws under a Credit Facility, the Trustee shall be under no obligation to institute any suit or to take any remedial proceeding under this Master Indenture or any Supplemental Indenture or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to advance its own money, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability. Notwithstanding the foregoing, the indemnification provided by this Section 912 shall not be applicable in cases of the Trustee's gross negligence or willful misconduct.

Section 913. Provisions Relating to Bankruptcy or Insolvency of Landowner.

(a) The provisions of this Section 913 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel, or tax parcels which are in the aggregate, subject to at least five percent (5%) of the Assessments pledged to the Bonds of a Series then Outstanding (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding").

(b) The District acknowledges and agrees that, although the Bonds of a Series were issued by the District, the Owners of the Bonds of a Series are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer:

(i) the District hereby agrees that it shall make a reasonable attempt to timely seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the Bonds of a Series then Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Assessments relating to the Bonds of a Series then Outstanding, the Bonds of such Series then Outstanding or any rights of the Trustee under the Indenture (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Bonds of such Series then Outstanding, to the proposed action if the District does not receive a written response from the

61

Series then Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right to (A) file a proof of claim with respect to the Assessments pledged to the Bonds of a Series then Outstanding, (B) deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (C) defend any objection filed to said proof of claim.

The District acknowledges and agrees that it shall not be a defense to a breach of the foregoing covenants that it has acted on advice of counsel in not complying with the foregoing covenants.

(c) Nothing in this Section 913 shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for Operation and Maintenance Assessments, and the District shall be free to pursue such a claim for Operation and Maintenance Assessments in such manner as it shall deem appropriate in its sole and absolute discretion; provided, however, that such claim shall not seek to reduce the amount or receipt of Assessments. Any actions taken by the District in pursuance of its claim for Operation and Maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Assessments relating to the Bonds of a Series then Outstanding whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (b)(iv) above.

ARTICLE X EXECUTION OF INSTRUMENTS BY OWNERS AND PROOF OF OWNERSHIP OF BONDS

Section 1001. Execution of Instruments by Owners and Proof of Ownership of Bonds. Any request, direction, consent or other instrument in writing required or permitted by this Master Indenture or any Supplemental Indenture to be signed or executed by Owners may be in any number of concurrent instruments of similar tenor and may be signed or executed by Owners or their attorneys or legal representatives. Proof of the execution of any such instrument shall be sufficient for any purpose of this Master Indenture and shall be conclusive in favor of the District with regard to any action taken by it under such instrument if verified by any officer in any jurisdiction who, by the laws thereof, has power to take affidavits within such jurisdiction, to the effect that such instrument was subscribed and sworn to before him, or by an affidavit of a witness to such execution. Where such execution is on behalf of a person other than an individual such verification or affidavit shall also constitute sufficient proof of the authority of the signer thereof.

63

Nothing contained in this Article X shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which it may deem sufficient. Any request or consent of the Owner of any Bond shall bind every future Owner of the same Bond in respect of anything done by the Trustee or the District in pursuance of such request or consent.

Section 1002. Deposit of Bonds. Notwithstanding the foregoing, neither the District nor the Trustee shall be required to recognize any person as an Owner of any Bond or to take any action at his request unless such Bond shall be deposited with the Trustee.

ARTICLE XI SUPPLEMENTAL INDENTURES

Section 1101. Supplemental Indentures Without Owner Consent. The Governing Body from time to time may authorize such indentures supplemental hereto or amendatory hereof as shall not be inconsistent with the terms and provisions hereof (which Supplemental Indenture shall thereafter form a part hereof), without the consent of the Owners, for the following purposes:

- (a) to provide for the initial issuance of a Series of Bonds or Refunding Bonds; or
- (b) to make any change whatsoever to the terms and provisions of this Master Indenture, but only as such change relates to a Series of Bonds upon the original issuance thereof (or upon the original issuance of Refunding Bonds which defease and discharge the Supplemental Indenture of the Series of Bonds to be refunded) under and pursuant to the terms of the Supplemental Indenture effecting such change; or
- (c) to cure any ambiguity or formal defect or omission or to correct any inconsistent provisions in this Master Indenture; or
- (d) to grant to the Owners or to the Trustee on behalf of the Owners any additional rights or security that may lawfully be granted; or
- (e) to add to the covenants and agreements of the District in this Master Indenture other covenants and agreements thereafter to be observed by the District to the benefit of the Owners of the Bonds then Outstanding; or
- (f) to make such changes as may be necessary in order to reflect amendments to Chapters 170, 190, 197 and 298, Florida Statutes, or any other Florida Statutes, so long as, in the opinion of counsel to the District, such changes either: (i) do not have a material adverse effect on the Owners of each Series of Bonds to which such changes relate; or (ii) if such changes do have a material

64

- (ii) a reduction in the principal, premium, or interest on any Bond of such Series;

- (iii) a preference or priority of any Bond of such Series over any other Bond of such Series; or

- (iv) a reduction in the aggregate principal amount of the Bonds of such Series required for consent to such indenture supplemental to the Supplemental Indenture.

- (c) If at any time the District shall determine that it is desirable to approve any Supplemental Indenture pursuant to this Section 1102, the District shall cause the Trustee to mail, at the expense of the District, notice of the proposed approval to the Owners whose approval is required. Such notice shall be prepared by the District and shall briefly set forth the nature of the proposed Supplemental Indenture or indenture supplemental to a Supplemental Indenture and shall state that copies thereof are on file with the Secretary for inspection by all affected Owners. The District shall not, however, be subject to any liability to any Owner by reason of its failure to cause the notice required by this Section 1102 to be mailed and any such failure shall not affect the validity of such Supplemental Indenture or indenture supplemental to a Supplemental Indenture when consented to and approved as provided in this Section 1102.

- (d) Whenever, at any time within one (1) year after the date of the first mailing of such notice, there shall be delivered to the District an instrument or instruments in writing purporting to be executed by the Owners of the requisite principal amount of the Bonds of such Series then Outstanding, which instrument or instruments shall refer to the proposed Supplemental Indenture or indenture supplemental to a Supplemental Indenture described in such notice and shall specifically consent to and approve the execution thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the Governing Body and the Trustee may approve such Supplemental Indenture and cause it to be executed, in substantially such form, without liability or responsibility to any Owner.

Section 1103. Opinion of Bond Counsel With Respect to Supplemental Indenture. In addition to the other requirements herein set forth with respect to Supplemental Indentures or indentures supplemental to a Supplemental Indenture, no such indenture shall be effective unless and until there shall have been delivered to the Trustee, at the expense of the District, an opinion of Bond Counsel to the effect that such indenture is permitted pursuant to this Master Indenture and that such indenture is the valid and binding obligation of the District enforceable in accordance with its terms, except as the enforceability thereof may be limited by bankruptcy, insolvency or general equitable principles, upon which opinion the Trustee may conclusively rely. In addition, if such

adverse effect, that they nevertheless are required to be made as a result of such amendments; or

- (g) to modify the provisions of this Master Indenture or any Supplemental Indenture provided that such modification does not, in the written opinion of Bond Counsel, materially adversely affect the interests of the Owners of Bonds then Outstanding, upon which opinion the Trustee may conclusively rely.

Section 1102. Supplemental Indentures With Owner Consent.

- (a) Subject to the provisions contained in this Section 1102, and not otherwise, the Majority Owners of Bonds then Outstanding shall have the right, from time to time, anything contained in this Master Indenture to the contrary notwithstanding, to consent to and approve the adoption of such indentures supplemental hereto or amendatory hereof as shall be deemed desirable by the District for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the provisions of this Master Indenture; provided, however, that nothing herein contained shall permit, or be construed as permitting, without the consent of all Owners of Bonds then Outstanding and affected by such supplement or amendment,

- (i) an extension of the maturity of, or an extension of the Interest Payment Date on, any Bond;

- (ii) a reduction in the principal, premium, or interest on any Bond;

- (iii) a preference or priority of any Bond over any other Bond; or

- (iv) a reduction in the aggregate principal amount of the Bonds required for consent to such Supplemental Indenture.

- (b) In addition to the foregoing, the Majority Owners of any Series of Bonds then Outstanding shall have the right, from time to time, anything contained in this Master Indenture or in the Supplemental Indenture relating to such Series of Bonds to the contrary notwithstanding, to consent to and approve the adoption of such indentures supplemental to the Supplemental Indenture relating to such Series of Bonds or amendatory thereof, but not hereof, as shall be deemed desirable by the District for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the provisions of such Supplemental Indenture or of any indenture supplemental thereto; provided, however, that nothing herein contained shall permit, or be construed as permitting, without the consent of all Owners of Bonds of such Series then Outstanding and affected by such amendment,

- (i) an extension of the maturity of, or an extension of the Interest Payment Date on, any Bond of such Series;

65

indenture relates to a Series of Tax-Exempt Bonds, such opinion shall also state that such indenture will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the related Series of Bonds.

Section 1104. Supplemental Indenture Part of Indenture. Any Supplemental Indenture executed in accordance with this Article XI and approved as to legality by counsel to the District shall thereafter, except as otherwise provided therein, form a part of this Master Indenture. Except as applicable only to Bonds of a Series, all of the terms and conditions contained in any such Supplemental Indenture amendatory of this Master Indenture shall be part of the terms and conditions hereof. The Trustee is not obligated to execute any amendment that is adverse to the interests of the Trustee.

Section 1105. Insurer or Issuer of a Credit Facility or Liquidity Facility as Owner of Bonds.

- (a) As long as a Credit Facility or Liquidity Facility securing all or a portion of the Bonds of a Series then Outstanding is in effect and the issuer thereof is not in default of any of its obligations under such Credit Facility or Liquidity Facility, as the case may be, the issuer of the Credit Facility or Liquidity Facility or the Insurer, to the extent so authorized in the applicable Supplemental Indenture, will be deemed to be the Owner of the Bonds of such Series secured by the Credit Facility or Liquidity Facility:

- (i) at all times for the purpose of the execution and delivery of a Supplemental Indenture or of any amendment, change or modification of the Master Indenture or the applicable Supplemental Indenture or the initiation by Owners of any action to be undertaken by the Trustee at the Owner's request, which under the Master Indenture or the applicable Supplemental Indenture requires the written approval or consent of or can be initiated by the Majority Owners of the Bonds of such Series then Outstanding;

- (ii) at all times for the purpose of the mailing of any notice to Owners under the Master Indenture or the applicable Supplemental Indenture; and

- (iii) following an Event of Default for all other purposes.

- (b) Notwithstanding the foregoing, neither an Insurer nor the issuer of a Credit Facility or Liquidity Facility with respect to a Series of Bonds will be deemed to be an Owner of the Bonds of such Series with respect to any such Supplemental Indenture or of any amendment, change or modification of the Master Indenture which would have the effect of permitting:

- (i) a change in the terms of redemption or maturity of any Bonds of a Series then Outstanding or of any installment of interest thereon; or

66

67

(ii) a reduction in the principal amount or the Redemption Price thereof or in rate of interest thereon; or

(iii) reducing the percentage or otherwise affecting the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment; or

(iv) creating any preference or priority of any Bond of a Series over any other Bond of such Series.

ARTICLE XII DEFEASANCE

Section 1201. Defeasance and Discharge of the Lien of this Master Indenture and Supplemental Indentures.

(a) If the District pays or causes to be paid, or there shall otherwise be paid, to the Owners of all Bonds, the principal or Redemption Price, if applicable, and interest due or to become due thereon and the obligations under any Letter of Credit Agreement and any Liquidity Agreement, at the times and in the manner stipulated therein and in this Master Indenture and pays or causes to be paid all other moneys owing hereunder and under any Supplemental Indenture (including, without limitation the fees and expenses of the Trustee, including reasonable counsel fees and expenses), then the lien of this Master Indenture and all covenants, agreements and other obligations of the District to the Owners and the issuer of any Credit Facility or Liquidity Facility shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee upon the request of the District shall execute and deliver to the District all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee and the Paying Agent shall pay over or deliver, as directed by the District, all moneys or securities held by them pursuant to this Master Indenture which are not required for the payment of principal or Redemption Price, if applicable, on Bonds not theretofore surrendered for such payment or redemption or for payment of obligations under any Letter of Credit Agreement and any Liquidity Agreement. If the District pays or causes to be paid, or there shall otherwise be paid, to the Owners of all Bonds then Outstanding or of a particular maturity, of a particular Series or of any part of a particular maturity or Series, the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Master Indenture, such Bonds shall cease to be entitled to any lien, benefit or security under this Master Indenture, and all covenants, agreements and obligations of the District to the Owners of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied. Anything to the contrary in this Section 1201 notwithstanding, this Master Indenture shall not be discharged nor shall any Bonds with respect to which moneys or Federal Securities have been deposited in

68

Exempt Bonds, such defeasance will not adversely affect the tax-exempt status of such Series of Bonds.

(c) Neither Federal Securities nor moneys deposited with the Trustee pursuant to this Section 1201 nor principal or interest payments on any such Federal Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if applicable, and interest on such Bonds; provided that any cash received from such principal or interest payments on such Federal Securities deposited with the Trustee:

(i) to the extent such cash shall not be required at any time for such purpose as evidenced by an Accountant's Certificate, and to the extent all obligations under any Letter of Credit Agreement and any Liquidity Agreement are satisfied, as determined by an Insurer or an issuer of any Credit Facility or Liquidity Facility securing the Bonds with respect to which such Federal Securities have been so deposited, shall be paid over upon the direction of the District as received by the Trustee, free and clear of any trust, lien, pledge or assignment securing such Bonds or otherwise existing under this Master Indenture; and

(ii) to the extent such cash shall be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Federal Securities maturing at times and in amounts sufficient to pay when due the principal or Redemption Price, if applicable, and interest to become due on such Bonds, or obligations under any Letter of Credit Agreement and any Liquidity Agreement, on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over as received by the Trustee to the District, free and clear of any lien, pledge or security interest securing such Bonds or otherwise existing under this Master Indenture.

For the purposes of this provision, Federal Securities means and includes only such securities which shall not be subject to redemption prior to their maturity other than at the option of the holder thereof.

All Bonds of any particular maturity or Series then Outstanding shall, prior to the maturity or redemption date thereof, be deemed to have been paid within the meaning and with the effect expressed in subsection (a) of this Section 1201 if:

(i) in case any of such Bonds are to be redeemed on any date prior to their maturity, the District shall have given to the Trustee or the Bond Registrar irrevocable instructions accepted in writing by the Trustee or the Bond Registrar to mail as provided in Article III hereof notice of redemption of such Bonds on such date;

(g) In the event that the principal and Redemption Price, if applicable, and interest due on the Bonds shall be paid by the Insurer pursuant to a municipal bond insurance policy, the assignment and pledge and all covenants, agreements and other obligations of the District to the Owners of such Bonds shall continue to exist and the Insurer shall be subrogated to the rights of such Owners.

(h) Anything in this Master Indenture to the contrary notwithstanding, the provisions of the foregoing subsections (b) through (g) shall apply to the discharge of Bonds of a Series and to the discharge of the lien of any Supplemental Indenture securing such Series of Bonds as though each reference to the "Master Indenture" were a reference to such "Supplemental Indenture" and as though each reference to "Bonds then Outstanding" were a reference to the "Bonds of such Series then Outstanding."

The foregoing determination and disbursement shall be made prior to any recalculation and transfer of excess amounts on deposit in the Series 2024 Reserve Account made pursuant to Section 405 hereof.

ARTICLE V CONCERNING THE TRUSTEE

Section 501. Acceptance by Trustee. The Trustee accepts the trusts declared and provided in this First Supplemental Indenture and agrees to perform such trusts upon the terms and conditions set forth herein and in the Master Indenture.

Section 502. Limitation of Trustee's Responsibility. The Trustee shall not be responsible in any manner for the due execution of this First Supplemental

18

an Event of Default hereunder, but instead shall be enforceable as provided in the Continuing Disclosure Agreement.

Section 703. Additional Covenant Regarding Assessments. In addition to, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the District covenants to comply with the terms of the Series 2024 Assessment Proceedings heretofore adopted with respect to the Series 2024 Assessments, including the Assessment Methodology, and to levy the Series 2024 Assessments and collect any required true-up payments set forth in the Assessment Methodology in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2024 Bonds, when due. The Assessment Methodology shall not be materially amended without written consent of the Majority Owners.

Section 704. Collection of Assessments. (a) Anything herein or in the Master Indenture to the contrary notwithstanding, when permitted by law, Series 2024 Assessments levied on platted lots no longer owned by the Developer and pledged hereunder to secure the Series 2024 Bonds shall be collected pursuant to the Uniform Method, and Series 2024 Assessments levied on unplatted lands and platted lots owned by the Developer and pledged hereunder to secure the Series 2024 Bonds shall be collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless otherwise directed by the Trustee acting at the direction of the Majority Owners upon the occurrence and continuance of an Event of Default.

(b) All Series 2024 Assessments that are collected directly by the District and not via the Uniform Method shall be due and payable by the applicable landowner no later than thirty (30) days prior to each Interest Payment Date.

Section 705. Foreclosure of Assessment Lien. Notwithstanding Section 814 of the Master Indenture or any other provision of the Indenture to the contrary, the following provisions shall apply with respect to the Series 2024 Assessments and Series 2024 Bonds.

If any property shall be offered for sale for the nonpayment of any Series 2024 Assessments and no person or persons shall purchase such property for an amount equal to the full amount due on the Series 2024 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the District for an amount equal to the balance due on the Series 2024 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive, in its corporate name or in the name of a special purpose entity, title to the property for the benefit of the Owners of the Series 2024 Bonds; provided that the Trustee shall have the right acting at the direction of the Majority Owners, but shall not be obligated, to direct the District with respect to any action taken pursuant to this Section 705. The District, either through its own actions, or actions caused to be taken through the

20

Indenture by the District or for the recitals contained herein, all of which are made solely by the District.

Section 503. Trustee's Duties. Nothing contained herein shall limit the rights, benefits, privileges, protection and entitlements inuring to the Trustee under the Master Indenture, including, particularly, Article VI thereof.

ARTICLE VI ADDITIONAL BONDS

Section 601. No Parity Bonds; Limitation on Parity Assessments. The District covenants and agrees that so long as there are any Series 2024 Bonds Outstanding, it shall not cause or permit to be caused any lien, charge or claim against the Series 2024 Trust Estate. The District further covenants and agrees that so long as the Series 2024 Assessments have not been Substantially Absorbed, it shall not issue any Bonds or other debt obligations secured by Assessments on any lands subject to the Series 2024 Assessments; provided, however, that the foregoing shall not preclude the imposition of capital Assessments on property subject to the Series 2024 Assessments which are necessary for health, safety or welfare reasons or to remediate a natural disaster, or to effect repairs to or replacement of property, facilities or equipment of the District. Notwithstanding the foregoing, the District covenants and agrees that it shall not issue any Bonds secured by Assessments for capital projects if there shall have occurred and be continuing any Event of Default with respect to any Series of Bonds issued under the Master Indenture.

ARTICLE VII MISCELLANEOUS

Section 701. Confirmation of Master Indenture. As supplemented by this First Supplemental Indenture, the Master Indenture is in all respects ratified and confirmed, and this First Supplemental Indenture shall be read, taken and construed as a part of the Master Indenture so that all of the rights, remedies, terms, conditions, covenants and agreements of the Master Indenture, except insofar as modified herein, shall apply and remain in full force and effect with respect to this First Supplemental Indenture and to the Series 2024 Bonds issued hereunder.

Section 702. Continuing Disclosure Agreement. Contemporaneously with the execution and delivery hereof, the District has executed and delivered the Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934. The District covenants and agrees to comply with the provisions of the Continuing Disclosure Agreement. However, as set forth therein, failure to so comply shall not constitute

19

Trustee, shall have the power and shall lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Series 2024 Revenue Account. The District, either through its own actions or actions caused to be taken through the Trustee, agrees that it shall, after being provided assurances satisfactory to it of payment of its fees, costs and expenses for doing so, be required to take the measures provided by law for sale of property acquired by it as trustee for the benefit of the Owners of the Series 2024 Bonds within thirty (30) days after the receipt of the request therefor signed by the Trustee or the Majority Owners. The Trustee may, upon direction from the Majority Owners, pay costs associated with any actions taken by the District pursuant to this paragraph from any moneys legally available for such purpose held under the Indenture.

Section 706. Owner Direction and Consent with Respect to Series 2024 Acquisition and Construction Account Upon Occurrence of Event of Default. In accordance with the provisions of the Indenture, the Series 2024 Bonds are payable solely from the Series 2024 Pledged Revenues and the Series 2024 Pledged Funds held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the District hereby acknowledges that (a) the Series 2024 Pledged Funds includes, without limitation, all amounts on deposit in the Series 2024 Acquisition and Construction Account then held by the Trustee, (b) upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, the Series 2024 Pledged Funds may not be used by the District (whether to pay Costs of the Assessment Area One Project or otherwise) without the consent of the Majority Owners, except to the extent that prior to the occurrence of the Event of Default the District had incurred a binding obligation with third parties for work on the Assessment Area One Project and payment is for such work, and (c) upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, the Series 2024 Pledged Funds may be used by the Trustee, at the direction or with the approval of the Majority Owners, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The District shall not enter into any binding agreement with respect to the Assessment Area One Project that will cause the expenditure of additional funds from the Series 2024 Trust Estate after the occurrence and during the continuance of an Event of Default unless authorized in writing by the Majority Owners.

Section 707. Assignment of District's Rights Under Collateral Assignment. Subject to the terms of the Collateral Assignment, the District hereby assigns its rights under the Collateral Assignment to the Trustee for the benefit of the Owners, from time to time, of the Series 2024 Bonds. The Trustee shall not be deemed to have accepted any obligation under the Collateral Assignment by virtue of such assignment.

Section 708. Enforcement of True-Up Agreement and Completion Agreement. The District, either through its own actions or actions caused to be taken through the Trustee, covenants that it shall strictly enforce all of the provisions

21

of the True-Up Agreement and the Completion Agreement and, upon the occurrence and continuance of a default under either or both of such Agreements, the District covenants and agrees that the Trustee, at the direction of the Majority Owners, may, subject to the provisions of Section 912 of the Master Indenture, act on behalf of and in the District's stead to enforce the provisions of such Agreements and to pursue all available remedies under applicable law or in equity. Anything herein or in the Master Indenture to the contrary notwithstanding, failure of the District to enforce, or permit the Trustee to enforce in its stead, all of the provisions of the True-Up Agreement and the Completion Agreement upon demand of the Majority Owners, or the Trustee at the direction of the Majority Owners, shall constitute an Event of Default under the Indenture, provided, however, that the District shall have a reasonable opportunity to cure.

Section 709. Payment of Rebate Amount. Anything herein or in the Master Indenture to the contrary notwithstanding, the District shall cause a Rebate Analyst to determine the Rebate Amount, if any, at the times and in the manner provided in the Tax Regulatory Covenants attached as an exhibit to the Arbitrage Certificate. If a Rebate Amount shall be due, the District shall deliver to the Trustee the written direction of an Authorized Officer to pay from the Series 2024 Rebate Account, or from any other available funds as shall be provided in such written direction, the Rebate Amount to the District for remittance to the Internal Revenue Service. The Trustee may conclusively rely on such written direction and shall have no responsibility for the calculation or payment of the Rebate Amount, if any. Notwithstanding Section 507(b) of the Master Indenture, the District shall not be required to provide the report of the Rebate Analyst to the Trustee.

Section 710. Additional Covenant Regarding Termination of District Manager Upon Event of Default. The District hereby covenants that, within thirty (30) days following the receipt of written notice from the Trustee (which written notice shall be provided in the manner set forth in Section 1302 of the Master Indenture) of the occurrence of an Event of Default under the Master Indenture with respect to any Series of Bonds issued thereunder, so long as such Series of Bonds is secured by Assessments levied on lands owned entirely or in part by the Developer or any affiliate of the Developer, the District shall terminate the District Manager and shall immediately appoint an Independent Third-Party Management Company to provide district management services, which appointment shall be evidenced by a certificate signed by an Authorized Officer and provided to the Trustee, upon which certificate the Trustee may conclusively rely. Failure to appoint an Independent Third-Party Management Company within the time period set forth above shall be an Event of Default under the Indenture without benefit for any period for cure. The Trustee shall not incur any liability for the District's termination of the District Manager pursuant to this Section 710. For purposes of this Section 710 only, "District Manager" shall mean Breeze Connected, LLC d/b/a Breeze, a Delaware limited liability company, or any successor entity acting in the capacity of District Manager in which the Developer or any affiliate of the Developer has an ownership interest.

FORM OF OPINION OF BOND COUNSEL

[THIS PAGE INTENTIONALLY LEFT BLANK]

**FORM OF OPINION OF NABORS, GIBLIN & NICKERSON, P.A.,
WITH RESPECT TO THE SERIES 2024 BONDS**

Upon delivery of the Series 2024 Bonds in definitive form, Nabors, Giblin & Nickerson, P.A., Tampa, Florida, Bond Counsel, proposes to render its opinion with respect to the Series 2024 Bonds in substantially the following form:

(Date of Closing)

Board of Supervisors
Lake Hideaway Community
Development District

Board Members:

We have examined a record of proceedings relating to the issuance by the Lake Hideaway Community Development District (the "District") of its \$[Bond Amount] Capital Improvement Revenue Bonds, Series 2024 (Assessment Area One) (the "Series 2024 Bonds"). The Series 2024 Bonds are issued under the authority of the laws of the State of Florida, including Chapter 190, Florida Statutes (the "Act") and other applicable provisions of law, and pursuant to a Master Trust Indenture, dated as of April 1, 2024 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture, dated as of April 1, 2024 (the "Supplemental Indenture" and together with the Master Indenture, the "Indenture"), each between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee") and Resolution Nos. 2022-24 and 2024-02 adopted by the Board of Supervisors of the District on November 16, 2021 and March 15, 2024, respectively (collectively, the "Bond Resolution"). Capitalized terms used and not otherwise defined herein shall have the meanings ascribed thereto in the Indenture.

The Series 2024 Bonds are dated and shall bear interest from their date of delivery, except as otherwise provided in the Indenture. The Series 2024 Bonds will mature on the dates and in the principal amounts and will bear interest at the respective rates per annum, as provided in the Indenture and set forth in the Bond Purchase Contract executed in connection with the sale of the Series 2024 Bonds (the "Purchase Contract"). Interest on the Series 2024 Bonds shall be payable on each May 1 and November 1, commencing November 1, 2024. The Series 2024 Bonds are subject to redemption prior to maturity in accordance with the Indenture and as set forth in the Purchase Contract.

The Series 2024 Bonds are issued for the principal purposes of (a) financing a portion of the Cost of acquiring, constructing and equipping assessable

improvements comprising the Assessment Area One Project, (b) paying certain costs associated with the issuance of the Series 2024 Bonds, (c) making a deposit into the Series 2024 Reserve Account to be held for the benefit of all of the Series 2024 Bonds, and (d) paying a portion of the interest to become due on the Series 2024 Bonds, all as more particularly described in the Indenture. The Series 2024 Bonds are payable from and secured by the Series 2024 Assessments levied on property within the District specially benefitted by the assessable improvements financed with the proceeds of the Series 2024 Bonds and also by the Series 2024 Pledged Revenues and Series 2024 Pledged Funds comprising the Series 2024 Trust Estate.

As to questions of fact material to our opinion, we have relied upon the representations of the District contained in the Bond Resolution and the Indenture and in the certified proceedings relating thereto and to the issuance of the Series 2024 Bonds and other certifications of public officials furnished to us in connection therewith including, but not limited to, the Final Judgment issued by the Circuit Court of the Fifth Judicial Circuit in and for Hernando County, Florida, in connection with the validation of the Series 2024 Bonds, without undertaking to verify the same by independent investigation. Furthermore, we have assumed continuing compliance with the covenants and agreements contained in the Indenture. We have not undertaken an independent audit, examination, investigation or inspection of the matters described or contained in any agreements, documents, certificates, representations and opinions relating to the Series 2024 Bonds, and have relied solely on the facts, estimates and circumstances described and set forth therein. In our examination of the foregoing, we have assumed the genuineness of signatures on all documents and instruments, the authenticity of documents submitted as originals and the conformity to originals of documents submitted as copies.

Based on the foregoing, under existing law, we are of the opinion that:

1. The District is a duly created and validly existing community development district under the Act.
2. The District has the right and power under the Act to authorize, execute and deliver the Indenture, and the Indenture has been duly and lawfully authorized, executed and delivered by the District, is in full force and effect in accordance with its terms and is valid and binding upon the District and enforceable in accordance with its terms. The Indenture creates the valid pledge which it purports to create of the Series 2024 Trust Estate in favor of the Series 2024 Bonds, including the Series 2024 Assessments, in the manner and to the extent provided in the Indenture.
3. The District is duly authorized and entitled to issue the Series 2024 Bonds and the Series 2024 Bonds have been duly and validly authorized and issued by the District in accordance with the Constitution and laws of the State of Florida,

the Bond Resolution and the Indenture. The Series 2024 Bonds constitute valid and binding obligations of the District as provided in the Indenture and are enforceable in accordance with their terms and the terms of the Indenture and are entitled to the benefits of the Indenture and the Act. The Series 2024 Bonds do not constitute a general indebtedness of the District or the State of Florida or any agency, department or political subdivision thereof, or a pledge of the faith and credit of such entities, but are solely payable from the Series 2024 Trust Estate in the manner and to the extent provided in the Indenture. No holder of the Series 2024 Bonds shall ever have the right to compel the exercise of any ad valorem taxing power of the District or the State of Florida or any political subdivision, agency or department thereof to pay the Series 2024 Bonds.

4. Under existing statutes, regulations, rulings and court decisions, the interest on the Series 2024 Bonds (a) is excluded from gross income for federal income tax purposes and (b) is not an item of tax preference for purposes of the federal alternative minimum tax; provided, however, with respect to certain corporations, interest on the Series 2024 Bonds is taken into account in determining the annual adjusted financial statement income for the purpose of computing the alternative minimum tax imposed on such corporations. The opinions set forth in this paragraph are subject to the condition that the District comply with all requirements of the Internal Revenue Code of 1986, as amended, that must be satisfied subsequent to the issuance of the Series 2024 Bonds in order that interest thereon be (or continues to be) excluded from gross income for federal income tax purposes. Failure to comply with certain of such requirements could cause the interest on the Series 2024 Bonds to be so included in gross income retroactive to the date of issuance of the Series 2024 Bonds. The District has covenanted in the Indenture to comply with all such requirements. Ownership of the Series 2024 Bonds may result in collateral federal tax consequences to certain taxpayers. We express no opinion regarding such federal tax consequences arising with respect to the Series 2024 Bonds.

5. The Series 2024 Bonds and interest thereon are exempt from taxation under the laws of the State of Florida, except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations, as defined in said Chapter 220.

It should be noted that, except as may expressly be set forth in an opinion delivered by us to the underwriter (on which opinion only it may rely) for the Series 2024 Bonds on the date hereof, we have not been engaged or undertaken to review (1) the accuracy, completeness or sufficiency of the Limited Offering Memorandum or other offering material relating to the Series 2024 Bonds and we express no opinion relating thereto, or (2) the compliance with any federal or state law with regard to the sale or distribution of the Series 2024 Bonds and we express no opinion relating thereto.

The opinions expressed in paragraphs 2 and 3 hereof are qualified to the extent that (1) the enforceability of the Indenture and the Series 2024 Bonds, respectively, may be limited by any applicable bankruptcy, insolvency, moratorium, reorganization or other similar laws affecting creditors' rights generally, or by the exercise of judicial discretion in accordance with general principles of equity, and (2) we have assumed the due authorization, execution and delivery of the Indenture by the Trustee.

The opinions set forth herein are expressly limited to, and we opine only with respect to, the laws of the State of Florida and the federal income tax laws of the United States of America. The only opinions rendered hereby shall be those expressly stated as such herein, and no opinion shall be implied or inferred as a result of anything contained herein or omitted herefrom.

This opinion is given as of the date hereof and we assume no obligation to update, revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

We have examined the form of the Series 2024 Bonds and, in our opinion, the form of the Series 2024 Bonds is regular and proper.

Very truly yours,

APPENDIX E

(c) The Dissemination Agent shall:

If any such termination occurs prior to the final maturity of the Bonds, the District and/or the Developer shall give notice of such termination in the same manner as for a Listed Event under Section 7.

10. Dissemination Agent. The District will either serve as the Dissemination Agent or appoint one under this Disclosure Agreement. Upon termination of the Dissemination Agent's services as Dissemination Agent, whether by notice of the District or the Dissemination Agent, the District agrees to appoint a successor Dissemination Agent or,

The acceptance of such designation is evidenced by the execution of this Disclosure Agreement by a duly authorized signatory of Breeze Connected, LLC d/b/a Breeze. Breeze Connected, LLC d/b/a Breeze, may terminate its role as Dissemination Agent at any time upon delivery of written notice to the District and the Developer. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the District or the Developer pursuant to this Disclosure Agreement.

11. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Agreement, the District, the Developer and the Dissemination Agent (if the Dissemination Agent is not the District) may amend this Disclosure Agreement, and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) if the amendment or waiver relates to the provisions of Sections 3(a), 4, 5(a), 6 or 7, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the District and/or the Developer, or the type of business conducted;

(b) the Disclosure Agreement, as amended or taking into account such waiver, would, in the opinion of counsel expert in federal securities laws, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) the amendment or waiver either (i) is approved by the holders or Beneficial Owners of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of holders or Beneficial Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the holders or Beneficial Owners of the Bonds.

Notwithstanding the foregoing, the District, the Developer and the Dissemination Agent shall have the right to adopt amendments to this Disclosure Agreement necessary to comply with modifications to and interpretations of the provisions of the Rule as announced by the SEC from time to time without any other conditions.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the District and/or the Developer shall describe such amendment in its next Annual Report or Quarterly Report, as applicable, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change in accounting principles, on the presentation) of financial information or operating data being presented by the District or the Developer, as applicable. In addition, if the amendment relates to the accounting principles to be followed by the District in preparing financial statements, (i) notice of such change shall be given in the same manner as for a

Listed Event under Section 7(a), and (ii) the Annual Report or Audited Financial Statements, as applicable, for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

12. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the District or the Developer from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report, Quarterly Report, or notice of occurrence of a Listed Event in addition to that which is required by this Disclosure Agreement. If the District or the Developer chooses to include any information in any Annual Report, Quarterly Report, or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the District or the Developer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report, Quarterly Report, or notice of occurrence of a Listed Event.

13. Default. In the event of a failure of the District, an Obligated Person, a Disclosure Representative, or the Dissemination Agent to comply with any provision of this Disclosure Agreement, the Trustee may (and, at the request of the Participating Underwriter or the Beneficial Owners of more than fifty percent (50%) aggregate principal amount of Outstanding Bonds and receipt of indemnity satisfactory to the Trustee, shall) or any Beneficial Owner of a Bond may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District, an Obligated Person, a Disclosure Representative, or the Dissemination Agent, as the case may be, to comply with its obligations under this Disclosure Agreement. No default hereunder shall be deemed an Event of Default under the Indenture, and the sole remedy under this Disclosure Agreement in the event of any failure of the District, an Obligated Person, a Disclosure Representative, or the Dissemination Agent, to comply with this Disclosure Agreement shall be an action to compel performance.

14. Duties of Dissemination Agent. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement. The Dissemination Agent shall have no obligation to notify any other party hereto of an event that may constitute a Listed Event. Any filings under this Disclosure Agreement made to the MSRB through EMMA shall be in an EMMA compliant format. Anything herein to the contrary notwithstanding, in the event that a Disclosure Representative and the Dissemination Agent are the same party, such party's limited duties in their capacity as Dissemination Agent, as described hereinabove, shall not in any way relieve or limit such party's duties in their capacity as Disclosure Representative under this Disclosure Agreement.

15. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the District, the Developer, the Dissemination Agent, the Trustee, the Participating Underwriter and Beneficial Owners of the Bonds (the Trustee, the Participating Underwriter and Beneficial Owners of the Bonds being hereby deemed express third-party beneficiaries of this Disclosure Agreement) and shall create no rights in any other person or entity.

16. Counterparts. This Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

17. Governing Law. This Disclosure Agreement shall be governed by the laws of the State and federal law.

18. Trustee Cooperation. The District represents that the Dissemination Agent is a bona fide agent of the District and directs the Trustee to deliver to the Dissemination Agent, at the expense of the District, any information or reports it requests that the District has a right to request from the Trustee (inclusive of balances, payments, etc.) that are in the possession of and readily available to the Trustee.

19. Binding Effect. This Disclosure Agreement shall be binding upon each party to this Disclosure Agreement and upon each successor and assignee of each party to this Disclosure Agreement and shall inure to the benefit of, and be enforceable by, each party to this Disclosure Agreement and each successor and assignee of each party to this Disclosure Agreement. Notwithstanding the foregoing, as to the Developer or any assignee or successor thereto that becomes an Obligated Person pursuant to the terms of this Disclosure Agreement, only successors or assignees to such parties who are, by definition, Obligated Persons, shall be bound or benefited by this Disclosure Agreement.

20. Undertakings. The Developer represents that it has instituted internal processes to provide information to the Dissemination Agent on a timely basis and obtained assurances from the Dissemination Agent that they will in turn request the required reporting information timely and file such information timely with the appropriate Repository.
