

# PRELIMINARY LIMITED OFFERING MEMORANDUM DATED MARCH 26, 2024

## NEW ISSUE - BOOK-ENTRY ONLY LIMITED OFFERING

NOT RATED

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications and the continuing compliance with certain tax covenants, under existing statutes, regulations, rulings and court decisions, interest on the Assessment Area Three Bonds (as hereinafter defined) is excludable from gross income for federal income tax purposes; and, further, interest on the Assessment Area Three Bonds will not be an item of tax preference for purposes of the alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Internal Revenue Code of 1986, as amended (the "Code") on applicable corporations (as defined in Section 59(k) of the Code), interest on the Assessment Area Three Bonds is not excluded from the determination of adjusted financial statement income. See "TAX MATTERS" herein for a description of certain other federal tax consequences of ownership of the Assessment Area Three Bonds. Bond Counsel is further of the opinion that the Assessment Area Three Bonds and the interest thereon are not subject to taxation under the laws of the State of Florida, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in said Chapter 220. See "TAX MATTERS" herein.

The District previously issued its Assessment Area One Bonds (as defined herein) and its Assessment Area Two Bonds (as defined herein) in order to finance a portion of the Assessment Area One Project (as defined herein) and the Assessment Area Two Project (as defined herein), respectively. Assessment Area One (as defined herein) has been developed and platted and installation of the Assessment Area Two Project (as defined herein) is underway. See "THE DEVELOPMENT – Update on Prior Phases" herein for more information.

The Assessment Area Three Bonds are being issued to finance certain public infrastructure improvements (the "Assessment Area Three Project") for the development of certain District Lands within the "Twisted Oaks Pointe" portion of the Development (the "Assessment Area Three"). See "THE ASSESSMENT AREA THREE PROJECT" herein for more information. The Assessment Area Three Bonds will be secured by the Assessment Area Three Special Assessments (as defined herein), which will initially be levied on the approximately 55.23 gross acres of land within Assessment Area Three of the District. As platting of the District Lands occurs, the Assessment Area Three Special Assessments will be assigned to the platted lots within Assessment Area Three within the District on a first-platted, first-assigned basis. See "THE DEVELOPER" herein for more information. The Developer has entered into a Builder Contract (as defined herein) with D.R. Horton, Inc., a Delaware corporation ("D.R. Horton" or the "Builder"), for the sale of all 982 lots planned for Twisted Oaks Pointe, including the 343 lots planned for Assessment Area Three. The Assessment Area Three Bonds will be secured by a pledge of the Assessment Area Three Pledged Revenues (as defined herein), which consist primarily of the revenues received by the District from the Assessment Area Three Special Assessments levied and collected on the assessable lands within Assessment Area Three within the District. Upon any redemption of Assessment Area Three Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Assessment Area Three Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Assessment Area Three Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Assessment Area Three Bonds in any year. In the event of a redemption occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

### **Extraordinary Mandatory Redemption**

The Assessment Area Three Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Assessment Area Three Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2024 Prepayment Principal deposited into the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account (taking into account the credit from the Series 2024 Reserve Account pursuant to the Third Supplemental Indenture) following a Prepayment in whole or in part of the Assessment Area Three Special Assessments on any assessable property within the District in accordance with the provisions of the Third Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2024 Funds, Accounts and subaccounts in the Funds and Accounts (other than the Series 2024 Rebate Fund, the Series 2024 Costs of Issuance Account and the Series 2024 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Assessment Area Three Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) from any funds remaining on deposit in the Series 2024 Acquisition and Construction Account not otherwise reserved to complete the Assessment Area Three Project (including any amounts transferred from the Series 2024 Reserve Account) all of which have been transferred to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

### **Notice of Redemption and of Purchase**

When required to redeem or purchase Assessment Area Three Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall cause notice of the redemption, either in whole or in part, to be mailed by first-class mail, postage prepaid, at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Assessment Area Three Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5<sup>th</sup>) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Assessment Area Three Bonds for which notice was duly mailed in accordance with the Master Indenture.

If at the time of mailing of notice of redemption or purchase, the District shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Assessment Area Three Bonds called for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited. If the amount of funds deposited with the Trustee for such redemption, or otherwise available, is insufficient to pay the Redemption Price and accrued interest on the Assessment Area Three Bonds so called for redemption (other than a mandatory sinking fund redemption) on the redemption date, the Trustee shall redeem and pay on such date an amount of such Assessment Area Three Bonds for which such funds are sufficient, selecting the Assessment Area Three Bonds to be redeemed randomly from among all such Assessment Area Three Bonds called for redemption on such date, and among different maturities of Assessment Area Three Bonds in the same manner as the initial selection of Assessment Area Three Bonds to be redeemed, and from and after such redemption date, interest on the Assessment Area Three Bonds or portions thereof so paid shall cease to accrue and become payable; but interest on any Assessment Area Three Bonds or portions thereof not so paid shall continue to accrue until

paid at the same rate as it would have had such Assessment Area Three Bonds not been called for redemption. The Trustee is authorized under the Indenture to provide conditional notices of redemption.

### **Purchase of Assessment Area Three Bonds**

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Series 2024 Sinking Fund Account to the purchase of the Assessment Area Three Bonds in accordance with the Indenture, at prices not higher than the principal amount thereof, in lieu of redemption, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given.

### **Book-Entry Only System**

*The information in this caption concerning DTC and DTC's book-entry system has been obtained from DTC and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.*

The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the Assessment Area Three Bonds. The Assessment Area Three Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Assessment Area Three Bond certificate will be issued for each maturity of the Assessment Area Three Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of Assessment Area Three Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Assessment Area Three Bonds on DTC's records. The ownership interest of each actual purchaser of the Assessment Area Three Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings,

from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Assessment Area Three Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Assessment Area Three Bonds, except in the event that use of the book-entry system for the Assessment Area Three Bonds is discontinued.

To facilitate subsequent transfers, all Assessment Area Three Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Assessment Area Three Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Assessment Area Three Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Assessment Area Three Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Assessment Area Three Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Assessment Area Three Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Assessment Area Three Bond documents. For example, Beneficial Owners of Assessment Area Three Bonds may wish to ascertain that the nominee holding the Assessment Area Three Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Assessment Area Three Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Assessment Area Three Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Assessment Area Three Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Assessment Area Three Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions\*, and interest payments on the Assessment Area Three Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and

---

\* Not applicable to the Series 2024 Bonds.

interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Assessment Area Three Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Assessment Area Three Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Assessment Area Three Bond certificates will be printed and delivered to DTC.

## **SECURITY FOR AND SOURCE OF PAYMENT OF THE ASSESSMENT AREA THREE BONDS**

### **General**

THE ASSESSMENT AREA THREE BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE FROM THE ASSESSMENT AREA THREE PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE, AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE ASSESSMENT AREA THREE BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, THE ASSESSMENT AREA THREE SPECIAL ASSESSMENTS TO SECURE AND PAY THE ASSESSMENT AREA THREE BONDS. THE ASSESSMENT AREA THREE BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Assessment Area Three Bonds will be secured by a pledge of the Assessment Area Three Pledged Revenues. "Assessment Area Three Pledged Revenues" shall mean (a) all revenues received by the District from the Assessment Area Three Special Assessments (as defined below) levied and collected on the assessable lands within Assessment Area Three within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Assessment Area Three Special Assessments or from the issuance and sale of tax certificates with respect to such Assessment Area Three Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Third Supplemental Indenture created and established with respect to or for the benefit of the Assessment Area Three Bonds; provided, however, that Assessment Area Three Pledged Revenues shall not include (A) any moneys transferred to the Series 2024 Rebate Fund established under the Third Supplemental Indenture and investment earnings thereon, (B) moneys on deposit in the Series 2024 Costs of Issuance Account established under the Third Supplemental Indenture within the Acquisition and Construction Fund; and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso).

"Assessment Area Three Special Assessments" shall mean the Special Assessments levied on the assessable lands within Assessment Area Three within the District as a result of the District's acquisition and/or construction of the Assessment Area Three Project, corresponding in amount to the debt service on the Assessment Area Three Bonds and designated as such in the Assessment Methodology (as defined below). See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information regarding the allocation of the Assessment Area Three Special Assessments.

The Assessment Area Three Special Assessments are non-ad valorem special assessments imposed and levied by the District pursuant to Section 190.022 of the Act and the Assessment Resolutions (as defined in the Third Supplemental Indenture) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the "Assessment Proceedings"). Non-ad valorem assessments are not based on millage and are not taxes, but are a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The Assessment Area Three Special Assessments will constitute separate liens against the land as to which the Assessment Area Three Special Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein. The Assessment Methodology, which describes the methodology for allocating the Assessment Area Three Special Assessments to the District Lands, is included as APPENDIX D attached hereto.

In the Indenture, the District covenants that, if any Assessment Area Three Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Assessment Area Three Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Assessment Area Three Special Assessment when it might have done so, the District shall either (i) take all necessary steps to cause a new Assessment Area Three Special Assessment to be made for the whole or any part of said improvement or against any property benefited by said improvement, or (ii) in its sole discretion, make up the amount of such Assessment Area Three Special Assessment from any legally available moneys, which moneys shall be deposited into the Series 2024 Revenue Account in the Revenue Fund. In case such second Assessment Area Three Special Assessment shall be annulled, the District shall obtain and make other Assessment Area Three Special Assessments until a valid Assessment Area Three Special Assessment shall be made.

### **Prepayment of Assessment Area Three Special Assessments**

Pursuant to the Assessment Proceedings, an owner of property subject to the Assessment Area Three Special Assessments may pay the entire principal balance of such Assessment Area Three Special Assessment on lands it owns, in whole at any time or in part up to two times, if there is also paid an amount equal to the interest that would otherwise be due on such prepaid amount on the next succeeding interest payment date for the Assessment Area Three Bonds which is at least 45 days after the date of the payment.

Pursuant to the Act, an owner of property subject to the levy of Assessment Area Three Special Assessments may pay the entire balance of the Assessment Area Three Special Assessments remaining due, without interest, within 30 days after the Assessment Area Three Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the Assessment Area Three Project pursuant to Chapter 170.09, Florida Statutes. The Developer will covenant to waive this right on behalf of itself and its successors and assigns for the land that it owns in Assessment Area Three within the District in connection with the issuance of the Assessment Area Three Bonds. See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

The Assessment Area Three Bonds are subject to extraordinary redemption as indicated under "DESCRIPTION OF THE ASSESSMENT AREA THREE BONDS – Redemption Provisions – Extraordinary Mandatory Redemption" from optional or required prepayments of the Assessment Area

Three Special Assessments by property owners. Prepayment of the Assessment Area Three Special Assessments does not entitle a property owner to any discounts.

### **Covenant Against Sale or Encumbrance**

In the Indenture, the District will covenant that (a) except for those improvements comprising the Assessment Area Three Project that are to be conveyed by the District to County, the City, the State Department of Transportation or another governmental entity and (b) except as otherwise permitted in the Master Indenture, it will not sell, lease or otherwise dispose of or encumber the Assessment Area Three Project or any part thereof. See "APPENDIX A: COPY OF MASTER INDENTURE AND PROPOSED FORM OF THIRD SUPPLEMENTAL INDENTURE" attached hereto for more information.

### **Additional Bonds**

The District will covenant in the Third Supplemental Indenture not to issue any other Bonds or other debt obligations secured by the Assessment Area Three Special Assessments. Such covenant shall not prohibit the District from issuing refunding Bonds. In addition, the District shall covenant not to issue any other Bonds or debt obligations for capital projects, secured by Special Assessments on the land within Assessment Area Three of the District which secure the Assessment Area Three Special Assessments, until the Assessment Area Three Special Assessments are Substantially Absorbed. "Substantially Absorbed" means the date at least ninety percent (90%) of the principal portion of the Assessment Area Three Special Assessments have been assigned to residential units within Assessment Area Three within the District that have received certificates of occupancy. The District's covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. The District or the District Manager on behalf of the District shall provide the Trustee with a certification that the Assessment Area Three Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Assessment Area Three Special Assessments are Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the District may issue other Bonds or debt obligations secured by Special Assessments levied on the same lands within Assessment Area Three, other than the Assessment Area Three Special Assessments, at any time upon the written consent of the Majority Holders.

Except as provided in the preceding paragraph, the District and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Assessment Area Three Special Assessments without the consent of the Owners of the Assessment Area Three Bonds. The District expects to continue to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Assessment Area Three Special Assessments, on the same lands upon which the Assessment Area Three Special Assessments are imposed, to fund the maintenance and operation of the District. See "THE DEVELOPMENT – Taxes, Fees and Assessments" and "BONDOWNERS' RISKS" herein for more information.

### **Acquisition and Construction Account**

The Third Supplemental Indenture establishes a separate account within the Acquisition and Construction Fund designated therein as the "Series 2024 Acquisition and Construction Account." Net proceeds of the Assessment Area Three Bonds shall be deposited into the Series 2024 Acquisition and Construction Account in the amount set forth in the Third Supplemental Indenture, together with any moneys transferred to the Series 2024 Acquisition and Construction Account in the manner provided in the Third Supplemental Indenture. Such moneys in the Series 2024 Acquisition and Construction Account shall

be disbursed by the Trustee as set forth in the Indenture, and, upon disbursement, the District shall apply such moneys as provided for in the Indenture and the Acquisition Agreement.

Subject to the provisions of the Third Supplemental Indenture, any moneys remaining in the Series 2024 Acquisition and Construction Account after the Completion Date and after the expenditure of all moneys remaining therein that have not been requisitioned after satisfaction of the Release Conditions #1 and Release Conditions #2, notice of the same given by the District Manager to the Trustee, except for any moneys reserved therein for the payment of any costs of the Assessment Area Three Project owed but not yet requisitioned, as evidenced in a certificate from the District Engineer to the Trustee upon which the Trustee may conclusively rely, and the adoption of a resolution by the District accepting the Assessment Area Three Project, as evidenced by a certificate from the District Manager delivered to the Trustee, upon which the Trustee may conclusively rely, shall be transferred by the Trustee to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account. Subject to the provisions of the Third Supplemental Indenture, the Series 2024 Acquisition and Construction Account shall be closed upon the expenditure or transfer of all funds therein including moneys deposited therein as a result of satisfaction of Release Conditions #1 and Release Conditions #2. Upon presentment to the Trustee of a properly signed requisition in substantially the form attached to the Third Supplemental Indenture, the Trustee shall withdraw moneys from the Series 2024 Acquisition and Construction Account and make such payments as directed by such requisition.

In accordance with the provisions of the Indenture, the Assessment Area Three Bonds are payable solely from the Assessment Area Three Pledged Revenues. Except as provided below, anything in the Indenture to the contrary notwithstanding, the District will acknowledge that the Assessment Area Three Pledged Revenues include, without limitation, all amounts on deposit in the Series 2024 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, and upon the occurrence of an Event of Default with respect to the Assessment Area Three Bonds, (i) the Assessment Area Three Pledged Revenues may not be used by the District (whether to pay costs of the Assessment Area Three Project or otherwise) without the consent of the Majority Holders except to the extent that prior to the occurrence of the Event of Default the District had incurred a binding obligation with third parties for work on the Assessment Area Three Project and payment is for such work, and (iii) the Assessment Area Three Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. Prior to any action by the Trustee under the Indenture, the Majority Holders shall provide the Trustee an indemnification regarding such actions so directed. The District also acknowledges and agrees that from and after an Event of Default, the Trustee is authorized to exercise the District's rights under the Collateral Assignment at the direction of the Majority Holders but without the consent or approval of the District and the District will covenant not to enter into any contract regarding the Assessment Area Three Project from and after an Event of Default without the written direction of the Majority Holders. See "THE DEVELOPMENT – Developer Agreements" herein for more information regarding the Collateral Assignment and "APPENDIX A: COPY OF MASTER INDENTURE AND PROPOSED FORM OF THIRD SUPPLEMENTAL INDENTURE" attached hereto for more information regarding the District's covenants.

### **Series 2024 Reserve Account**

The Third Supplemental Indenture establishes a "Series 2024 Reserve Account" within the Debt Service Reserve Fund for the Assessment Area Three Bonds. The Series 2024 Reserve Account will, at the time of delivery of the Assessment Area Three Bonds, be funded from a portion of the net proceeds of the Assessment Area Three Bonds in the amount of the initial Series 2024 Reserve Requirement. The "Series 2024 Reserve Requirement" or "Reserve Requirement" shall mean an amount equal to the maximum annual debt service with respect to the initial principal amount of the Assessment Area Three Bonds determined

on the date of issue. Upon satisfaction of the Release Conditions #1, the Series 2024 Reserve Requirement shall be reduced to an amount equal to fifty percent (50%) of the maximum annual debt service with respect to the then Outstanding principal amount of the Assessment Area Three Bonds. Upon satisfaction of the Release Conditions #2, the Series 2024 Reserve Requirement shall be reduced to an amount equal to ten percent (10%) of the maximum annual debt service with respect to the then Outstanding principal amount of the Assessment Area Three Bonds. If a portion of the Assessment Area Three Bonds are subject to extraordinary mandatory redemption as the result of a Prepayment of Assessment Area Three Special Assessments or from funds on deposit in the Series 2024 Acquisition and Construction Account after completion of the Assessment Area Three Project (as further described in the Third Supplemental Indenture), the Reserve Requirement shall be reduced in accordance with the provisions of the Third Supplemental Indenture. Any amount in the Series 2024 Reserve Account may, upon final maturity or redemption of all Outstanding Assessment Area Three Bonds be used to pay principal of and interest on the Assessment Area Three Bonds at that time. The initial Series 2024 Reserve Requirement shall be equal to \$\_\_\_\_\_.

"Release Conditions #1" shall mean collectively (i) all lots in Assessment Area Three have been developed, platted and conveyed to homebuilders, as certified by the District Manager in writing and upon which the Trustee may conclusively rely, and (ii) there shall be no Events of Default under the Master Indenture, all as certified by the District Manager in writing and upon which the Trustee may conclusively rely.

"Release Conditions #2" shall mean collectively (i) satisfaction of Reserve Release Conditions #1, (ii) all homes subject to the Assessment Area Three Special Assessments have been built and have received a certificate of occupancy, (iii) all of the principal portion of the Assessment Area Three Special Assessments has been assigned to such homes, and (iv) there shall be no Events of Default under the Master Indenture, all as certified by the District Manager in writing and upon which the Trustee may conclusively rely.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2024 Reserve Account and, prior to the Completion Date, transfer any excess therein above the Reserve Requirement for the Assessment Area Three Bonds caused by investment earnings to the Series 2024 Acquisition and Construction Account and after the Completion Date to the Series 2024 Revenue Account in accordance with the Third Supplemental Indenture.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2024 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Assessment Area Three Bonds to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account if, as a result of the application of the provisions of the Master Indenture relating to remedies in Events of Default, the proceeds received from lands sold subject to the corresponding Assessment Area Three Special Assessments and applied to redeem a portion of the Assessment Area Three Bonds are less than the principal amount of the Assessment Area Three Bonds indebtedness attributable to such lands.

Subject to the provisions of the Third Supplemental Indenture, on any date the District or the District Manager, on behalf of the District, receives notice that a landowner wishes to prepay its Assessment Area Three Special Assessments relating to the benefited property of such landowner within Assessment Area Three within the District, or as a result of a mandatory true-up payment, the District shall cause the District Manager, on behalf of the District to, calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2024 Prepayment Principal due by the amount of money in the Series 2024 Reserve Account that will be in excess of the Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2024 Reserve Account shall be transferred by

the Trustee to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Assessment Area Three Bonds in accordance with the Third Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing, and as further described in the next succeeding paragraph, upon satisfaction of the Release Conditions #1 or Release Conditions #2, as the case may be, the Trustee shall deposit such excess on deposit in the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account and pay such amount deposited in the Series 2024 Acquisition and Construction Account to the Person or Persons designated in a requisition attached as an exhibit to the Third Supplemental Indenture submitted to the District by the Developer which requisition shall be executed by the District and the District Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared, provided that there are Costs of the Assessment Area Three Project that were not paid from moneys initially deposited in the Series 2024 Acquisition and Construction Account and the Trustee has on file one or more properly executed unrefunded requisitions. In the event there are multiple unfunded requisitions on file with the Trustee, the Trustee shall fund such requisitions in the order the Trustee has received them (from oldest to newest). In the event that there are no unfunded requisitions on file with the Trustee, such excess moneys transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account shall be deposited into the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

Upon satisfaction of the Release Conditions #1 or Release Conditions #2 as evidenced by a written certificate of the District Manager delivered to the District and the Trustee stating that Release Conditions #1 or Release Conditions #2 have been satisfied and setting forth the amount of the new Series 2024 Reserve Requirement, the Trustee shall without further direction reduce the Series 2024 Reserve Requirement to either fifty percent (50%) of the maximum annual debt service of the then Outstanding principal amount of the Assessment Area Three Bonds, as calculated by the District Manager, upon satisfaction of Release Conditions #1 or ten percent (10%) upon satisfaction of Release Conditions #2 of the maximum annual debt service of the then Outstanding principal amount of the Assessment Area Three Bonds as calculated by the District Manager. The excess amount in the Series 2024 Reserve Account as a result of satisfaction of Release Conditions #1 or Release Conditions #2 shall be transferred to the Series 2024 Acquisition and Construction Account. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption from funds transferred to the Series 2024 General Redemption Subaccount from the Series 2024 Acquisition and Construction Account upon completion of the Assessment Area Three Project, the District Manager, on behalf of the District, shall communicate the same to the Trustee and the Trustee shall apply any resulting excess in the Series 2024 Reserve Account toward such extraordinary mandatory redemption.

It shall be an Event of Default under an Indenture if at any time the amount in the Series 2024 Reserve Account established thereunder is less than the Series 2024 Reserve Requirement for such Series 2024 Reserve Account as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirements of the Assessment Area Three Bonds and such amount has not been restored within thirty (30) days of such withdrawal.

### **Application of the Assessment Area Three Pledged Revenues**

The Third Supplemental Indenture establishes a "Series 2024 Revenue Account" within the Revenue Fund for the Assessment Area Three Bonds. Assessment Area Three Special Assessments (except for Prepayments of Assessment Area Three Special Assessments, which shall be identified as such by the District to the Trustee and deposited in the Series 2024 Prepayment Subaccount), shall be deposited by the Trustee into the Series 2024 Revenue Account and applied as set forth in the Indenture. Pursuant to the Third Supplemental Indenture, the Trustee shall transfer from amounts on deposit in the Series 2024 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each November 1 commencing November 1, 2024, to the Series 2024 Interest Account of the Debt Service Fund, an amount equal to the interest on the Assessment Area Three Bonds becoming due on the next succeeding November 1, less any amounts on deposit in the Series 2024 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each May 1 commencing May 1, 2025, to the Series 2024 Interest Account of the Debt Service Fund, an amount equal to the interest on the Assessment Area Three Bonds becoming due on the next succeeding May 1, less any amounts on deposit in the Series 2024 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each May 1, commencing May 1, 2025, to the Series 2024 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Assessment Area Three Bonds subject to sinking fund redemption on such May 1, less any amounts on deposit in the Series 2024 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding each May 1, which is a principal payment date for any Assessment Area Three Bonds, to the Series 2024 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Assessment Area Three Bonds Outstanding maturing on such May 1, less any amounts on deposit in the Series 2024 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Assessment Area Three Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2024 Interest Account, the amount necessary to pay interest on the Assessment Area Three Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Assessment Area Three Bonds remain Outstanding, to the Series 2024 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Assessment Area Three Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2024 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Assessment Area Three Bonds and next, any balance in the Series 2024 Revenue Account shall remain on deposit in such Series 2024 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2024 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

## **Investments**

The Trustee shall, as directed by the District in writing, invest moneys held in any Series Accounts in the Debt Service Fund, any Series Accounts within the Debt Service Reserve Fund, and any Series Accounts within the Bond Redemption Fund only in Government Obligations and certain types of securities described in the definition of Investment Securities (as defined in the Master Indenture). All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth in the Indenture. All securities securing investments under the Master Indenture shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the provisions of the Indenture, any interest and other income so received shall be deposited in the related Series Account of the Revenue Fund. Upon request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof, except as provided in the Indenture. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund.

Absent specific instructions as aforesaid or absent standing instructions from the District for investment of such moneys, then the Trustee shall not be responsible or liable for keeping the moneys invested. The Trustee shall not be liable or responsible for any loss or failure to achieve the highest return, or entitled to any gain, resulting from any investment or sale upon the investment instructions of the District or otherwise, including that set forth in the first sentence of this paragraph. The Trustee may make any investments permitted by the provisions of this section through its own bond department or investment department.

The Trustee shall value the assets in each of the Funds and Accounts established under the Indenture forty-five (45) days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the District a report of the status of each Fund and Account as of the valuation date. For the purpose of determining the amount on deposit to the credit of any Fund or Account established under the Indenture, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the redemption price thereof, to the extent that any such obligation is then redeemable at the option of the holder. See "APPENDIX A: COPY OF MASTER INDENTURE AND PROPOSED FORM OF THIRD SUPPLEMENTAL INDENTURE" attached hereto for more information.

## **Master Indenture Provisions Relating to Bankruptcy of Developer or Other Obligated Person**

For purposes of this heading, (a) each Series of Bonds, including the Assessment Area Three Bonds, secured by and payable from Special Assessments, including the Assessment Area Three Special Assessments, levied against property owned by any Insolvent Taxpayer (as defined below) are collectively referred to herein as the "Affected Bonds" and (b) the Special Assessments levied against any Insolvent

Taxpayer's (as defined below) property and pledged under one or more Supplemental Indentures as security for the Affected Bonds are collectively referred to herein as the "Affected Special Assessments".

The Master Indenture contains the following provisions which shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the District, to the extent permitted by applicable law, shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The District will agree that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

The District will also acknowledge and agree that, although the Affected Bonds were issued by the District, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake with respect to the Affected Bonds and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the District, to the extent permitted by applicable law, will agree that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture; (b) to the extent permitted by applicable law, the District will agree that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) to the extent permitted by applicable law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a bankruptcy plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District will agree that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing under this heading shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments and the District shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the District in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Special Assessments relating to the Bonds Outstanding whether such claim is pursued by the District or the Trustee.

### **Events of Default and Remedies**

The Indenture will provide that each of the following shall be an "Event of Default" under the Indenture with respect to the Assessment Area Three Bonds:

(a) if payment of any installment of interest on any Assessment Area Three Bond is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Assessment Area Three Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act, which failure or incapacity may reasonably be determined solely by the Majority Holders of the Assessment Area Three Bonds; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in any Assessment Area Three Bond issued pursuant to the Indenture and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders of the Outstanding Assessment Area Three Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as, the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the Series 2024 Reserve Account is less than the Series 2024 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Assessment Area Three Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or

(g) more than twenty percent (20%) of the "maintenance special assessments" levied by the District on District Lands upon which the Assessment Area Three Special Assessments are levied to secure the Assessment Area Three Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

No Series of Bonds issued under the Master Indenture shall be subject to acceleration. Upon the occurrence and continuance of an Event of Default with respect to the Assessment Area Three Bonds, no optional redemption or extraordinary mandatory redemption of Assessment Area Three Bonds pursuant to Article VIII of the Master Indenture shall occur unless all of the Assessment Area Three Bonds where an Event of Default has occurred will be redeemed or 100% of the Holders of the Assessment Area Three Bonds agree to such redemption.

If any Event of Default with respect to the Assessment Area Three Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holders of the aggregate principal amount of the Outstanding Assessment Area Three Bonds and receipt of indemnity to its satisfaction shall, in its capacity as Trustee:

- (a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Assessment Area Three Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Assessment Area Three Bondholders and to perform its or their duties under the Act;

- (b) bring suit upon the Assessment Area Three Bonds;

- (c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Assessment Area Three Bonds;

- (d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Assessment Area Three Bonds; and

- (e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Assessment Area Three Bonds.

If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, then the District, the Trustee, the applicable Paying Agent and the Bondholders shall be restored to their former positions and rights under the Indenture as though no such proceeding had been taken.

The Majority Holders of the Assessment Area Three Bonds then subject to remedial proceedings under the Master Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the applicable Indenture, provided that such directions shall not be otherwise than in accordance with applicable law or the provisions of the Indenture.

No Bondholder shall have any right to pursue any remedy under the Master Indenture unless (a) the Trustee shall have been given written notice of an Event of Default, (b) the Majority Holders of the Assessment Area Three Bonds shall have requested the Trustee, in writing, to exercise the powers granted in such Indenture or to pursue such remedy in its or their name or names, (c) the Trustee shall have been offered indemnity satisfactory to it against costs, expenses and liabilities, and (d) the Trustee shall have failed to comply with such request within a reasonable time.

## **ENFORCEMENT OF ASSESSMENT COLLECTIONS**

### **General**

The primary source of payment for the Assessment Area Three Bonds is the collection of Assessment Area Three Special Assessments imposed on the District Lands in Assessment Area Three specially benefited by the Assessment Area Three Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY" attached hereto.

The imposition, levy, and collection of Assessment Area Three Special Assessments must be done in compliance with the provisions of Florida law. Failure by the District, the Sumter County Tax Collector ("Tax Collector") or the Sumter County Property Appraiser (the "Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Assessment Area Three Special Assessments during any year. Such delays in the collection of Assessment Area Three Special Assessments, or complete inability to collect the Assessment Area Three Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Assessment Area Three Bonds. See "BONDOWNERS' RISKS." To the extent that landowners fail to pay the Assessment Area Three Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Assessment Area Three Bonds.

For the Assessment Area Three Special Assessments to be valid, the Assessment Area Three Special Assessments must meet two requirements: (1) the benefit from the Assessment Area Three Project to the lands subject to the Assessment Area Three Special Assessments must exceed or equal the amount of the Assessment Area Three Special Assessments, and (2) the Assessment Area Three Special Assessments must be fairly and reasonably allocated across all such benefitted properties.

Pursuant to the Act and the Assessment Proceedings, the District may collect the Assessment Area Three Special Assessments through a variety of methods. See "BONDOWNERS' RISKS." Initially, with respect to any assessable lands within Assessment Area Three which have not yet been platted, platted lands still owned by the Developer, or when the timing for using the Uniform Method (as defined herein) will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders directs the District otherwise, the District will directly issue annual bills to landowners requiring payment of the Assessment Area Three Special Assessments and will enforce that bill through foreclosure proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY" hereto. As lands are platted and sold, the Assessment Area Three Special Assessments will be added to the County tax roll and collected pursuant to the Uniform Method. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes. See also "APPENDIX A: COPY OF MASTER INDENTURE AND PROPOSED FORM OF THIRD SUPPLEMENTAL INDENTURE" attached hereto for more information on the use of the Uniform Method.

### **Direct Billing and Foreclosure Procedure**

As noted above, and pursuant to Chapters 170 and 190 of the Florida Statutes, the District may directly levy, collect and enforce the Assessment Area Three Special Assessments. In this context, Section 170.10 of the Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Assessment Area Three Special Assessments, the whole assessment, with the interest and penalties thereon,

shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Assessment Area Three Special Assessments and the ability to foreclose the lien of such Assessment Area Three Special Assessments upon the failure to pay such Assessment Area Three Special Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Assessment Area Three Special Assessments. See "BONDHOLDER'S RISKS."

### **Uniform Method Procedure**

Subject to certain conditions, the District may alternatively elect to collect the Assessment Area Three Special Assessments using the uniform method of collection pursuant to Section 197.3632, Florida Statutes (the "Uniform Method"). The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Assessment Area Three Special Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Assessment Area Three Special Assessments will be collected together with County, City, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments – including the Assessment Area Three Special Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Assessment Area Three Special Assessments. In other words, any partial prepayment by a landowner must be distributed in equal proportion to all taxing districts and levying authorities.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Assessment Area Three Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Assessment Area Three Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Assessment Area Three Bonds.

Under the Uniform Method, if the Assessment Area Three Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Assessment Area Three Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Assessment Area Three Special Assessments, (2) that future landowners and taxpayers in the District will pay such Assessment Area Three Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Assessment Area Three Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Assessment Area Three Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Assessment Area Three Special Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Assessment Area Three Special Assessments), interest, costs and charges on the real property described in the certificate.

Unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees, any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued, and at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

For any holder other than the County, a tax certificate expires seven (7) years after the date of issuance, if a tax deed has not been applied for, and no other administrative or legal proceeding, including a bankruptcy, has existed of record. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales

and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens, certain easements, and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County Commission that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates, accrued taxes, and liens of any nature against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Assessment Area Three Special Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Assessment Area Three Special

Assessments, which are the primary source of payment of the Assessment Area Three Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDHOLDERS' RISKS."

## **BONDOWNERS' RISKS**

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described under other headings of this Limited Offering Memorandum. Certain additional risks are associated with the Assessment Area Three Bonds offered hereby and are set forth below. Prospective investors in the Assessment Area Three Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Assessment Area Three Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This heading does not purport to summarize all risks that may be associated with purchasing or owning the Assessment Area Three Bonds, and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Assessment Area Three Bonds.

### **Concentration of Land Ownership**

As of the date hereof, the Developer owns all of the assessable lands within Assessment Area Three, which are the lands that will be subject to the Assessment Area Three Special Assessments securing the Assessment Area Three Bonds. Payment of the Assessment Area Three Special Assessments is primarily dependent upon their timely payment by the Developer and the other future landowners in Assessment Area Three. Non-payment of the Assessment Area Three Special Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay debt service on the Assessment Area Three Bonds. See "THE DEVELOPER" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE ASSESSMENT AREA THREE BONDS" herein.

### **Bankruptcy and Related Risks**

In the event of the institution of bankruptcy or similar proceedings with respect to the Developer or any other owner of benefited property, delays could occur in the payment of debt service on the Assessment Area Three Bonds, as such bankruptcy could negatively impact the ability of: (i) the Developer and any other landowner to pay the Assessment Area Three Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Assessment Area Three Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Assessment Area Three Special Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Assessment Area Three Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Assessment Area Three Bonds, including, without limitation, enforcement of the obligation to pay Assessment Area Three Special Assessments and the ability of the District to foreclose the lien of the Assessment Area Three Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Assessment Area Three Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies

available with respect to the Assessment Area Three Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Master Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an Insolvent Taxpayer. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE ASSESSMENT AREA THREE BONDS – Master Indenture Provisions Relating to Bankruptcy of Developer or Other Obligated Person" herein. The District cannot express any view whether such delegation would be enforceable.

### **Assessment Area Three Special Assessments Are Non-Recourse**

The principal security for the payment of the principal and interest on the Assessment Area Three Bonds is the timely collection of the Assessment Area Three Special Assessments. The Assessment Area Three Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Developer or subsequent landowners will be able to pay the Assessment Area Three Special Assessments or that they will pay such Assessment Area Three Special Assessments even though financially able to do so. Neither the Developer nor any other subsequent landowners have any personal obligation to pay the Assessment Area Three Special Assessments. Neither the Developer nor any subsequent landowners are guarantors of payment of any Assessment Area Three Special Assessments, and the recourse for the failure of the Developer or any subsequent landowner to pay the Assessment Area Three Special Assessments is limited to the collection proceedings against the land subject to such unpaid Assessment Area Three Special Assessments, as described herein. Therefore the likelihood of collection of the Assessment Area Three Special Assessments may ultimately depend on the market value of the land subject to the Assessment Area Three Special Assessments. While the ability of the Developer or subsequent landowners to pay the Assessment Area Three Special Assessments is a relevant factor, the willingness of the Developer or subsequent landowners to pay the Assessment Area Three Special Assessments, which may also be affected by the value of the land subject to the Assessment Area Three Special Assessments, is also an important factor in the collection of Assessment Area Three Special Assessments. The failure of the Developer or subsequent landowners to pay the Assessment Area Three Special Assessments could render the District unable to collect delinquent Assessment Area Three Special Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Assessment Area Three Bonds.

### **Regulatory and Environmental Risks**

The development of the District Lands is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner

could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals," herein for more information.

The value of the land within the District, the success of the Development, the development of Assessment Area Three and the likelihood of timely payment of principal and interest on the Assessment Area Three Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Assessment Area Three Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" for information on environmental site assessments obtained or received. Such information is being provided solely for informational purposes, and nothing herein or in such assessments grants any legal rights or remedies in favor of the Assessment Area Three Bondholders in the event any recognized environmental conditions are later found to be present on District Lands. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the lands in Assessment Area Three.

The value of the lands subject to the Assessment Area Three Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Assessment Area Three Bonds. The Assessment Area Three Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

### **Economic Conditions and Changes in Development Plans**

The successful development of Assessment Area Three and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developer. Moreover, the Developer has the right to modify or change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

### **Other Taxes and Assessments**

The willingness and/or ability of an owner of benefited land to pay the Assessment Area Three Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Assessment Area Three Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates continuing to impose operation

and maintenance assessments encumbering the same property encumbered by the Assessment Area Three Special Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Assessment Area Three Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Assessment Area Three Special Assessment, even though the landowner is not contesting the amount of the Assessment Area Three Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

### **Limited Secondary Market for Assessment Area Three Bonds**

The Assessment Area Three Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Assessment Area Three Bonds in the event an Owner thereof determines to solicit purchasers for the Assessment Area Three Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Assessment Area Three Bonds may be sold. Such price may be lower than that paid by the current Owners of the Assessment Area Three Bonds, depending on the progress of development of the Development and the lands within Assessment Area Three, as applicable, existing real estate and financial market conditions and other factors.

### **Inadequacy of Series 2024 Reserve Account**

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Assessment Area Three Special Assessments, may not adversely affect the timely payment of debt service on the Assessment Area Three Bonds because of the Series 2024 Reserve Account. The ability of the Series 2024 Reserve Account to fund deficiencies caused by delinquencies in the Assessment Area Three Special Assessments is dependent on the amount, duration and frequency of such deficiencies. Moneys on deposit in the Series 2024 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in such Reserve Account to make up deficiencies. If the District has difficulty in collecting the Assessment Area Three Special Assessments, the Series 2024 Reserve Account would be rapidly depleted and the ability of the District to pay debt service on the Assessment Area Three Bonds could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2024 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2024 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Assessment Area Three Special Assessments in order to provide for the replenishment of the Series 2024 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE ASSESSMENT AREA THREE BONDS – Series 2024 Reserve Account" herein for more information about the Series 2024 Reserve Account.

## **Legal Delays**

If the District should commence a foreclosure action against a landowner for nonpayment of Assessment Area Three Special Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the Assessment Area Three Bonds to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code (as defined), there are limitations on the amounts of proceeds from the Assessment Area Three Bonds that can be used for such purpose.

## **IRS Examination and Audit Risk**

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations required that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an

electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by the landowners and none were elected by qualified electors. The Developer will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Assessment Area Three Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Assessment Area Three Bonds are advised that, if the IRS does audit the Assessment Area Three Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Assessment Area Three Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Assessment Area Three Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Assessment Area Three Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Assessment Area Three Bonds would adversely affect the availability of any secondary market for the Assessment Area Three Bonds. Should interest on the Assessment Area Three Bonds become includable in gross income for federal income tax purposes, not only will Owners of Assessment Area Three Bonds be required to pay income taxes on the interest received on such Assessment Area Three Bonds and related penalties, but because the interest rate on such Assessment Area Three Bonds will not be adequate to compensate Owners of the Assessment Area Three Bonds for the income taxes due on such interest, the value of the Assessment Area Three Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE ASSESSMENT AREA THREE BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE ASSESSMENT AREA THREE BONDS. PROSPECTIVE PURCHASERS OF THE ASSESSMENT AREA THREE BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE ASSESSMENT AREA THREE BONDS IN THE EVENT THAT THE INTEREST ON THE ASSESSMENT AREA THREE BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER

DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS DEFINED HEREIN).

### **Loss of Exemption from Securities Registration**

The Assessment Area Three Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for securities issued by political subdivisions. It is possible that federal or state regulatory authorities could in the future determine that the District is not a political subdivision for purposes of federal and state securities laws, including without limitation as the result of a determination by the IRS, judicial or otherwise, of the District's status for purposes of the Code. In such event, the District and purchasers of Assessment Area Three Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Assessment Area Three Bonds would need to ensure that subsequent transfers of the Assessment Area Three Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

### **Federal Tax Reform**

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Assessment Area Three Bonds, by eliminating or changing the tax-exempt status of interest on such bonds. Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Assessment Area Three Bonds cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Assessment Area Three Bonds. Prospective purchasers of the Assessment Area Three Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS" herein.

### **State Tax Reform**

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renewed requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Assessment Area Three Bonds. It should be noted that Section 190.016(14) of the Act provides in pertinent part that "The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders."

### **Insufficient Resources or Other Factors Causing Failure to Complete Development**

The cost to finish the Assessment Area Three Project will exceed the available net proceeds from the Assessment Area Three Bonds. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the Assessment Area Three Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the Assessment Area Three Project. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE ASSESSMENT AREA THREE BONDS – Additional Obligations" for more information.

Although the Developer will agree to fund or cause to be funded the completion of the Assessment Area Three Project regardless of the insufficiency of proceeds from the Assessment Area Three Bonds and will enter into a completion agreement with the District as evidence thereof, there can be no assurance that the Developer will have sufficient resources to do so. Such obligation of the Developer is an unsecured obligation, and the Developer is a special-purpose entity whose assets consist primarily of its interests in Assessment Area Three within the District. See "THE DEVELOPER" herein for more information.

There are no assurances that the Assessment Area Three Project and any other remaining development work associated with Assessment Area Three will be completed. Further, there is a possibility that, even if Assessment Area Three is developed, the Builder may not close on all or any of the lots therein, and such failure to close could negatively impact the construction and sale of homes in Assessment Area Three. The Builder Contract may also be terminated by the Builder upon the occurrence or failure to occur of certain conditions set forth therein. See "THE DEVELOPMENT – The Builder Contract and the Builder" herein for more information about the Builder and the Builder Contract.

### **Pandemics and Other Public Health Emergencies**

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Developer, the timely and successful completion of the Development, the purchase of lots therein by the Builder and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also "Economic Conditions and Changes in Development Plans" and "Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

### **Cybersecurity**

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Assessment Area Three Bonds.

### **Prepayment and Redemption Risk**

In addition to being subject to optional and mandatory sinking fund redemptions, the Assessment Area Three Bonds are subject to extraordinary mandatory redemption as a result of prepayments of the Assessment Area Three Special Assessments by the Developer or subsequent owners of the property within Assessment Area One. Any such redemptions of the Assessment Area Three Bonds would be at the principal amount of such Assessment Area Three Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Assessment Area Three Bonds may not realize their anticipated rate of return on the Assessment Area Three Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Assessment Area Three Bonds. See "DESCRIPTION OF THE ASSESSMENT AREA THREE BONDS – Redemption Provisions," "– Purchase of Assessment Area Three Bonds" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE ASSESSMENT AREA THREE BONDS – Prepayment of Assessment Area Three Special Assessments" herein for more information.

### **Payment of Assessment Area Three Special Assessments after Bank Foreclosure**

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within Assessment Area Three within the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Assessment Area Three Special Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

## **THE DISTRICT**

### **General Information**

The District was established by Ordinance No. 02022-57, enacted by the City Commission of the City of Wildwood, Florida (the "City") on July 25, 2022, under the provisions of the Act, as amended by Ordinance No. 02023-38 enacted on July 24, 2023, which expanded the District's boundaries. The boundaries of the District include approximately 439.435 gross acres of land (the "District Lands"). The District is generally located north of Clark Street, south of East County Road 462, and west of North U.S. Highway 301. See "THE DEVELOPMENT" herein for more information.

### **Legal Powers and Authority**

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter.

Among other provisions, the Act gives the District's Board of Supervisors the authority to, among other things, (a) finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems, facilities, and basic infrastructure for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; (iv) conservation areas, mitigation areas, and wildlife habitat; (v) any other project, facility, or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District, and (vi) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses, and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits. These functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any bondholders to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Assessment Area Three Bonds.

## Board of Supervisors

The Act provides that a five-member Board of Supervisors (the "Board") serves as the governing body of the District. Members of the Board (the "Supervisors") must be residents of the State and citizens of the United States. Initially, the Supervisors were appointed in the initial establishing ordinance. Within 90 days after formation of the District, an election was held pursuant to which new Supervisors were elected on an at-large basis by the owners of the property within the District. Ownership of land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number). A Supervisor serves until expiration of his or her term and until his or her successor is chosen and qualified. If, during a term of office, a vacancy occurs, the remaining Supervisors may fill the vacancy by an appointment of an interim Supervisor for the remainder of the unexpired term.

At the initial election held within ninety (90) days after formation of the District, the landowners in the District elected two Supervisors to four-year terms and three Supervisors to two-year terms. Thereafter, the elections take place every two years, with the first such election being held on the first Tuesday in November, and subsequent elections being held on a date in November established by the Board. Upon the later of six years after the initial appointment of Supervisors and the year when the District next attains at least 250 qualified electors, Supervisors whose terms are expiring will begin to be elected (as their terms expire) by qualified electors of the District. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, each elected to four-year terms. The seat of the remaining Supervisor whose term is expiring at such election shall be filled by a Supervisor who is elected by the landowners for a four-year term and who is not required to be a qualified elector. Thereafter, as terms expire, all Supervisors must be qualified electors and must be elected by qualified electors to serve staggered four-year terms.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

Name	Title	Term Expires
Vacant**	Chairman	--
John Curtis*	Vice Chairman	November 2026
Greg Meath*	Assistant Secretary	November 2024
Troy Simpson*	Assistant Secretary	November 2024
Greg Beliveau*	Assistant Secretary	November 2024

### **The District Manager and Other Consultants**

The chief administrative official of the District is the District Manager (as defined herein). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Wrathell, Hunt & Associates, LLC, Boca Raton, Florida, to serve as its district manager ("District Manager"). The District Manager's office is located at 2300 Glades Rd., Ste. #410W, Boca Raton, Florida 33431.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Greenberg Traurig, P.A., West Palm Beach, Florida, as Bond Counsel; Morris Engineering & Consulting LLC, Lakewood Ranch, Florida, as District Engineer; and Kutak Rock LLP, Tallahassee, Florida, as District Counsel. The Board has also retained the District Manager to serve as Methodology Consultant and to prepare the Assessment Methodology and to serve as Dissemination Agent for the Assessment Area Three Bonds.

### **Outstanding Bond Indebtedness**

## THE ASSESSMENT AREA THREE PROJECT

Morris Engineering & Consulting LLC (the "District Engineer") prepared the Restated Engineer's Report, dated August 8, 2022, as restated August 10, 2023 (the "Master Report"), as supplemented by the Third Supplemental Engineer's Report, dated March 11, 2024 (the "Supplemental Report" and collectively with the Master Report, the "Engineer's Report"). The Engineer's Report sets forth certain public infrastructure improvements for the development of the 1,376 residential lots planned for the District (the "Capital Improvement Plan"). The District Engineer, in the Master Report, estimated the total cost of the Capital Improvement Plan for the entire District to be approximately \$69,820,000.

Land development associated within the District has been phased. Multiple assessment areas have been created in order to facilitate the District's financing plans. Assessment Area One consists of approximately 101 acres of land planned to contain 335 units. Assessment Area Two consists of approximately 75 acres of land planned to contain 265 units. Assessment Area Three consists of approximately 55.23 acres of land planned to contain 343 units. The remaining District Lands consist of approximately 241.2 acres of land planned to contain 433 units, which are expected to be developed and financed in phases.

The portion of the Capital Improvement Plan associated with Assessment Area One is referred to herein as the Assessment Area One Project. The portion of the Capital Improvement Plan associated with Assessment Area Two is referred to herein as the Assessment Area Two Project. The portion of the Capital Improvement Plan associated with Assessment Area Three is referred to herein as the "Assessment Area Three Project".

The District previously issued its Assessment Area One Bonds and its Assessment Area Two Bonds in order to finance a portion of the Assessment Area One Project and the Assessment Area Two, respectively. Assessment Area One consists of 215 platted and developed lots with the remaining 120 lots expected to be platted and developed in June 2024. Installation of the Assessment Area Two Project is underway. See "THE DEVELOPMENT – Update on Prior Phases" herein for more information.

The Assessment Area Three Bonds are being issued in order to finance a portion of the Assessment Area Three Project. The District Engineer, in the Supplemental Report, estimated the total cost of the Assessment Area Three Project to be approximately \$9,306,000, as more particularly described below.

<u>Assessment Area Three Project Description</u>	<u>Assessment Area Three Costs</u>
CDD Roadways	\$1,500,000
Stormwater Management	550,000
Utilities (Water, Sewer, Reclaim)	1,950,000
Utilities Connection Fees	2,260,000
Hardscape, Landscape, and Irrigation	775,000
Undergrounding of Conduit (differential cost)	400,000
Environmental Conservation/Mitigation	50,000
Professional Services	975,000
Contingency	<u>846,000</u>
Total	\$9,306,000

Assessment Area Three has been cleared and mass-graded. Land development is being sub-phased to correspond to lot deliveries under the Builder Contract. The 128 planned townhome lots are substantially developed. See "THE DEVELOPMENT – Development Plan and Status" herein for more information.

The Developer estimates the total onsite land development costs of Assessment Area Three will be approximately \$9.3 million. Certain offsite improvements are being constructed and paid for by the Developer and will be reimbursed by impact fee credits or builder payments. See "THE DEVELOPMENT – Development Approvals." As of March 1, 2024, the Developer has spent or incurred approximately \$2.9 million in land development costs associated with Assessment Area Three. See "THE DEVELOPMENT" herein for more information.

The available net proceeds of the Assessment Area Three Bonds to be deposited in the Series 2024 Acquisition and Construction Account are expected to be approximately \$7.96 million\* and such proceeds will be used by the District towards the construction and/or acquisition of a portion of the Assessment Area Three Project from the Developer. The Developer plans on funding the remaining Assessment Area Three land development costs from equity, lot sale proceeds, and/or draws under the A&D Loan (as defined herein). The Developer will enter into a completion agreement that will obligate the Developer to complete the Assessment Area Three Project. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

The District Engineer has indicated that all engineering permits necessary to construct the Assessment Area Three Project that are set forth in the Engineer's Report have been obtained or are reasonably expected to be obtained in the ordinary course of business. In addition to the Engineer's Report, please refer to "THE DEVELOPMENT – Development Approvals" for a more detailed description of the zoning and permitting status of the District. ## ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS

The Amended and Restated Master Special Assessment Methodology Report dated August 14, 2023 (the "Master Assessment Methodology"), as supplemented by the Preliminary Third Supplemental Special Assessment Methodology Report dated March 22, 2024 (the "Supplemental Assessment Methodology" and together with the Master Assessment Methodology, the "Assessment Methodology"), which allocates the Assessment Area Three Special Assessments to certain lands in the District, has been prepared by Wrathell, Hunt & Associates, LLC, Boca Raton, Florida (the "Methodology Consultant"). See "EXPERTS" herein for more information. The Assessment Methodology is included herein as APPENDIX D. Once the final terms of the Assessment Area Three Bonds are determined, the Supplemental Methodology will be revised to reflect such final terms. Once levied and imposed, the Assessment Area Three Special Assessments will be first liens on the assessable lands within Assessment Area Three within the District against which they are assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

As set forth in the Assessment Methodology, the Assessment Area Three Special Assessments are being levied on the approximately 55.23 gross acres within Assessment Area Three until such time as lots in Assessment Area Three are platted. As platting of the planned 343 lots within Assessment Area Three occurs, the Assessment Area Three Special Assessments will be assigned to platted lots in Assessment Area Three on a first platted, first assigned basis. Assuming that all of the 343 planned residential units within Assessment Area Three are developed and platted, then the Assessment Area Three Special Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" attached hereto for more information.

<u>Product Type</u>	<u>No. of Units</u>	Annual Assessment Area Three	Assessment Area Three
		Special Assessments	Bonds Par
		<u>Per Unit*</u>	<u>Debt Per Unit*</u>
Townhome	128	\$1,637	\$21,302

Single-Family 50'	<u>108</u>	\$2,729	\$35,503
<b>Total</b>	<b>343</b>		

\* The annual Assessment Area Three Special Assessments have been grossed up to include County collection costs currently at 3% and an early collection discount allowance currently at 4% when collected by the Uniform Method. See "APPENDIX D: ASSESSMENT METHODOLOGY" attached hereto for more information. It is anticipated that at the time of sale of lots to the Builder, the Developer will make a partial prepayment of Assessment Area Three Special Assessments in the amount of \$7,309 per townhome unit, \$11,051 per single-family 40' lot and \$13,814 per single-family 50' lot, for a total prepayment of \$3,610,000 (which amounts are preliminary and subject to change) to achieve target gross annual assessment levels of \$1,075 per townhome unit, \$1,333 per single-family 40' lot and \$1,667 per single-family 50' lot (inclusive of collection costs and early payment discounts).

The District anticipates continuing to levy assessments to cover its operation and maintenance costs that will be approximately \$1,000 per unit annually; which amounts are subject to change in future tax years. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2023 was approximately 13.2100 mills, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Assessment Area Three Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School District of Sumter County, Florida may each levy ad valorem taxes and/or special assessments upon the land in the

District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See "THE DEVELOPMENT – Taxes, Fees and Assessments" for information on anticipated homeowner association assessments.

## **THE DEVELOPMENT**

### **General**

The District Lands encompass approximately 439.435 gross acres located in the City of Wildwood (the "City") within the northern portion of Sumter County, Florida (the "County") and are being developed as two residential communities which are planned for 1,376 single-family homes (collectively referred to herein as the "Development"). 982 units within the Development will be marketed under the name "Twisted Oaks Pointe"; the remaining 394 lots within the Development will be marketed under the name "Highfields at Twisted Oaks Pointe."

Twisted Oaks Pointe is a Horton-centric community that is planned for numerous product lines: an age-targeted "Active Adult" community, a work-force targeted townhouse community, as well as a primary housing community. Highfields at Twisted Oaks Pointe initially will contain two homebuilders, as set forth in further detail below, and will not contain any age-restricted product offerings.

The Development is generally located north of Clark Street, south of East County Road 462, and west of North U.S. Highway 301. The Development is in close proximity to The Villages and Beaumont, a mixed-use development which is being developed by an affiliate of the Developer. The single-family portion of Beaumont is being constructed and marketed by D.R. Horton. The Development is intended to continue upon the success of Beaumont and to capture demand from homebuyers who desire to live nearby The Villages but not in The Villages.

Land development associated within the District is being phased. Multiple assessment areas have been created in order to facilitate the District's financing plans. Assessment Area One consists of approximately 101 acres of land planned to contain 335 units. Assessment Area Two consists of approximately 75 acres of land planned to contain 265 units. Assessment Area Three consists of approximately 55.23 acres of land planned to contain 343 units. The remaining District Lands consist of approximately 241.2 acres of land planned to contain 433 units, which are expected to be developed and financed in phases.

The District previously issued its Assessment Area One Bonds and its Assessment Area Two Bonds in order to finance a portion of the Assessment Area One Project and the Assessment Area Two Project, respectively. See "Update on Prior Phases" below for more information.

The Assessment Area Three Bonds are being issued to finance a portion of the Assessment Area Three Project. The Assessment Area Three Bonds will be secured by the Assessment Area Three Special Assessments, which will initially be levied on the approximately 55.23 gross acres which comprise Assessment Area Three. As platting of the planned 343 lots within Assessment Area Three occurs, the Assessment Area Three Special Assessments will be assigned to the platted lots in Assessment Area Three

on a first platted, first assigned basis. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information.

KL Twisted Oaks, LLC, a Florida limited liability company (the "Developer"), is the landowner and developer of the residential units planned within Assessment Area Three. See "THE DEVELOPER" herein for more information. The Developer has entered into a builder contract with D.R. Horton (the "Builder") for the sale of all 982 lots planned for Twisted Oaks Pointe, including the 343 lots planned for Assessment Area Three. See "THE DEVELOPMENT – The Builder Contract and the Builder" herein for more information.

At build-out, the Development is planned to contain approximately 1,376 residential units, consisting of (i) 248 townhome units, (ii) 505 single-family homes on 40' wide lots, (iii) 531 single-family homes on 50' wide lots, and (iv) 92 single-family homes on 60' wide lots. Townhomes will range in size from approximately 1,460 square feet to 1,465 square feet and starting price points will range from approximately \$262,990 to \$275,990. Single-family homes will range in size from approximately 1,402 square feet to 2,794 square feet and starting price points will range from approximately \$299,990 to \$434,990. See "Residential Product Offerings" herein for more information. Set forth below is a map showing the general location of the District.

### **Update on Prior Phases**

The District previously issued its Assessment Area One Bonds in order to finance a portion of the Assessment Area One Project, which consists of the public infrastructure improvements necessary to develop the 335 lots planned for Assessment Area One. Land development for Assessment Area One is substantially complete, 215 lots have been developed and platted, with the remaining 120 lots to be completed in June 2024. Assessment Area One is a part of Twisted Oaks Pointe and all 335 lots therein are under contract with D.R. Horton. As of March 20, 2024, approximately 65 lots have closed with D.R. Horton. Closings with homebuyers within Assessment Area One are expected to commence in June 2024. Set forth below is a recent picture of Assessment Area One and Assessment Area Three.

The District subsequently issued its Assessment Area Two Bonds in order to finance a portion of the Assessment Area Two Project, which consists of the public infrastructure improvements necessary to develop the 265 lots planned for Assessment Area Two. Land development for Assessment Area Two is underway. The first 125 lots planned for Assessment Area Two are expected to be completed and delivered to homebuilders by May 2024, at which point sales and vertical construction are expected to commence. The remaining 140 lots planned for Assessment Area Two are expected to be completed by October 2024. Assessment Area Two is within the Highfields at Twisted Oaks Pointe portion of the Development. KL Highfield LLC, a Florida limited liability company (the "Assessment Area Two Developer"), has entered into two builder contracts for 230 of the 265 lots planned for Assessment Area Two. One contract is with Park Square Enterprises, LLC, a Delaware limited liability company ("Park Square"), for the sale of 130 developed lots. The second contract is with Pulte Home Company, LLC, a Michigan limited liability company ("Pulte") for the sale of 100 developed lots. Pulte has a right of first offer on 84 of the 129 additional lots planned for Highfields at Twisted Oaks Pointe, including the remaining 35 lots planned for Assessment Area Two. The total expected base consideration for the 265 lots planned for Assessment Area Two is approximately \$19.8 million. The following is a recent picture of Assessment Area Two.

[Remainder of page intentionally left blank.]

### **Land Acquisition and Finance Plan**

The Developer acquired the land within the Twisted Oaks Pointe portion of the Development on August 9, 2021 and an affiliate of the Developer subsequently acquired the remainder of the District Lands on May 26, 2023. The Developer's acquisition basis in the Twisted Oaks Pointe portion of the District Lands was approximately \$9,339,000.

All of the land in the Twisted Oaks Pointe portion of the Development which has not closed with homebuilders is subject to a mortgage securing a \$17,294,000 revolving acquisition and development loan ("A&D Loan") provided by Texas Capital Bank, National Association, of which approximately \$11 million is outstanding as of March 20, 2024. The loan matures on September 21, 2025.

The Developer estimates that the total onsite land development costs to develop the 343 lots within Assessment Area Three to be approximately \$9.3 million. As of March 1, 2024, the Developer has spent or incurred approximately \$2.9 million in development soft costs in land development costs associated with Assessment Area Three.

In addition to the Assessment Area Three onsite land development costs, there are required offsite improvements and concurrency payments. The Developer and its affiliate anticipate receiving impact fee credits and Builder reimbursements to defray the costs of the required offsite improvements and concurrency payments. See "Development Approvals" herein for more information.

The available net proceeds from the Assessment Area Three Bonds to be deposited in the Series 2024 Acquisition and Construction Account are expected to be approximately \$7.96 million\* and such proceeds will be used by the District towards the construction and/or acquisition of a portion of the Assessment Area Three Project from the Developer. The Developer plans on funding the remaining Assessment Area Three land development costs from equity, lot sale proceeds, and/or draws under the A&D

---

\* Preliminary, subject to change

Loan. The Developer will enter into a completion agreement that will obligate the Developer to complete the Assessment Area Three Project. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

### **Development Plan and Status**

Assessment Area Three is planned to contain 343 lots consisting of (i) 128 townhome lots, (ii) 107 single-family 40' lots, and (iii) 108 single-family 50' lots.

Assessment Area Three is cleared and mass graded. Land development for the 128 townhome lots is substantially complete. Land development for the first 100 single-family lots is expected to be completed by the fourth quarter of 2024 and the remaining 115 single-family lots are expected to be completed by the second quarter of 2025. Lots will be delivered to the Builder at development completion in accordance with the Builder Contract, at which point sales and vertical construction associated with such lots will commence.

The Developer anticipates that home closings will commence in 2025 and that Assessment Area Three will be built out by 2027. This anticipated absorption is based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

### **Builder Contract and The Builder**

The Developer has entered into a Lot Purchase Agreement dated May 26, 2022, as amended (collectively, the "Builder Contract") with D.R. Horton, Inc., a Delaware corporation ("D.R. Horton" or the "Builder"), for all of the 982 lots planned for the Twisted Oaks Pointe portion of the Development, consisting of 248 townhome units and 734 single-family units. The Builder Contract provides for a purchase price of \$60,000 per 40' lot, \$75,000 per 50' lot, \$90,000 per 60' lot and \$45,500 per townhome lot, which are subject to increases after the sale of the 165<sup>th</sup> single-family lot and the 125<sup>th</sup> townhome lot and subject to certain additional consideration payments as set forth in the Builder Contract. The aggregate base purchase price for the sale of all 982 lots planned for the District Lands is expected to exceed \$66.27 million, approximately \$21.4 million of which is associated with the 343 lots subject to the Assessment Area Three Special Assessments. The Builder Contract provides for a series of takedowns. The initial closing of 65 single-family lots occurred in March 2024. The initial townhome sale of 24 lots is anticipated to occur in April 2024. The Builder Contract then provides for a second closing on 24 townhome lots three months thereafter. Thereafter, additional closings of 24 townhomes and 50 single-family lots every three months thereafter until there are no remaining townhomes or single-family lots to be purchased respectively. The Builder has made a deposit of \$7,885,250, which deposit has been released to the Developer and is secured by a mortgage on the Twisted Oaks Pointe portion of the Development. The deposit will be applied pro-rata against lot takedown prices. The inspection period has expired. The Builder's obligations under the Builder Contract are subject to the Developer satisfying certain development obligations. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

## **Development Approvals**

The land within the District, including, without limitation, the land therein subject to the Assessment Area Three Special Assessments, is zoned to allow for the contemplated residential uses described herein. All permits have been received by jurisdictional agencies to allow for the development contemplated herein or are reasonably expected to be received in the ordinary course.

Pursuant to a development agreement with the County, the Developer is required to construct certain improvements to County Road 462 to provide additional access to the Development. The County Road 462 improvements are not required to be completed for the issuance of any development permits or certificates of occupancy. This work is underway with completion expected in the fourth quarter of 2024. The Developer estimates the total cost for such improvements to be approximately \$3.8 million. All of the costs are either reimbursable to the Developer pursuant to either impact fee credits or reimbursements from builders.

Lastly, the Developer and builders are responsible for approximately \$5.1 million in concurrency fees for the entire Development, with approximately \$1.85 million in water concurrency fees and approximately \$3.2 million for sewer concurrency fees. Assessment Area Three will require approximately \$632,000 for water concurrency fees and approximately \$1.131 million for sewer concurrency fees for its portion. Pursuant to its developer agreement with the City, the Developer has completed required water-main improvements, estimated to be approximately \$2.35 million, which satisfies the entire obligation of the \$1.85 million in concurrency payments for water capacity reservation for the entire Development. The Developer is entitled to reimbursements for a portion of its concurrency fee obligations related to Assessment Area Three from the Builder under the Builder Contract and from the City pursuant to the development agreement.

## **Environmental**

A Phase I Environmental Site Assessment dated November 20, 2020 (the "ESA"), was prepared covering the Twisted Oaks Pointe portion of the Development as well as certain adjacent lands. The ESA revealed no recognized environmental conditions in connection with the District Lands. See "BONDOWNERS' RISK – Regulatory and Environmental Risks" herein for more information regarding potential environmental risks.

## **Amenities**

The District Lands are planned to contain an approximately 3.7-acre community site with an approximately 6,000 square foot clubhouse (4,180 square feet under air conditioning), a resort-style swimming pool, a lap pool, fitness center, tot lot, various recreation fields, dog park and sport courts (collectively, the "Twisted Oaks Main Amenity"). Site work on the Twisted Oaks Main Amenity is expected to commence in the second quarter of 2024 and is expected to be completed in the second quarter of 2025 at a total cost of approximately \$4.86 million.

Residents of the Development will also have access to additional amenities comprised of a pavilion, pool, dog parks, playground areas and related improvements, which will also be available to all residents of the District. Construction of these amenities is expected to commence in the second quarter of 2024 and is expected to be completed by the first quarter of 2025 at a total approximate cost of \$1.2 million. It is anticipated that these amenities will be owned, operated and maintained by the District.

## **Utilities**

Potable water and wastewater treatment for the Development are expected to be provided by the City. Electric power is expected to be provided by Duke Energy. All utility services are available to the property or are expected in the ordinary course. See "Development Approvals" herein for more information.

## **Taxes, Fees and Assessments**

As set forth in the Assessment Methodology, the Assessment Area Three Special Assessments are being levied on approximately 55.23 gross acres within Assessment Area Three until such time as lots in Assessment Area Three are platted. As platting of the planned 343 lots within Assessment Area Three occurs, the Assessment Area Three Special Assessments will be assigned to platted lots in Assessment Area Three on a first platted, first assigned basis. Assuming that all of the 343 planned residential units within Assessment Area Three are developed and platted, then the Assessment Area Three Special Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS."

It is anticipated that at the time of sale of lots to the Builder, the Developer will make a partial prepayment of Assessment Area Three Special Assessments in the amount of \$7,309 per townhome unit, \$11,051 per single-family 40' lot and \$13,814 per single-family 50' lot, for a total prepayment of \$3,610,000 (which amounts are preliminary and subject to change) to achieve target gross annual assessment levels of \$1,075 per townhome unit, \$1,333 per single-family 40' lot and \$1,667 per single-family 50' lot (inclusive of collection costs and early payment discounts).

The District anticipates continuing to levy assessments to cover its operation and maintenance costs that will be approximately \$1,000 per unit annually; which amounts are subject to change in future tax years. In addition, residents will be required to pay homeowners association fees, which are currently estimated to be \$115 per year per unit in the aggregate. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2023 was approximately 13.21 mills, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Assessment Area Three Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School District of Sumter County, Florida may each levy ad valorem taxes and/or special assessments upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

## Education

The public schools for children residing in the Development are expected to be Wildwood Elementary School and Wildwood Middle High School which are located approximately 2.1 miles and 2.3 miles from the Development, respectively, and which were both rated "C" by the Florida Department of Education in 2023. Students also have the option to attend The Villages Charter School if they have a parent who works in some capacity for The Villages (or for a business that leases property from The Villages). The Villages Charter School was rated "A" by the Florida Department of Education in 2022. The Sumter County School Board may change school boundaries from time to time and there is no requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.

## Competition

The following communities have been identified by the Developer as being competitive with the Development, because of their proximity to the Development, price ranges and product types. Those communities include The Villages, Beaumont (which is approaching completion) and Triumph South.

The information under this heading does not purport to list all of the existing or planned communities in the area of the Development, but rather provide a list of those that the Developer feels pose primary competition to the Development.

### **Developer Agreements**

The Developer will enter into a completion agreement that will obligate the Developer to complete any portions of the Assessment Area Three Project not funded with proceeds of the Assessment Area Three Bonds. In addition, the Developer will execute and deliver to the District a Collateral Assignment Agreement (the "Collateral Assignment"), pursuant to which the Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer, development rights relating to the Assessment Area Three Project. The Developer previously entered into a collateral assignment in connection with the Assessment Area One Bonds which granted similar rights and such rights under such prior collateral assignment are superior to and may take priority over the rights granted under the Collateral Assignment. In addition, mortgagees may have certain development rights and other rights assigned to them relating to portions of the Assessment Area Three lands, which rights may be superior to the rights that might otherwise be assigned to the District under the terms of the Collateral Assignment. Notwithstanding such Collateral Assignment, in the event the District forecloses on the lands subject to the Assessment Area Three Special Assessments as a result of a Developer's or subsequent landowners' failure to pay such assessments, there is a risk that the District, or its designee, if any, will not have all of the permits and entitlements necessary to complete the Assessment Area Three Project or the development of Assessment Area Three. Finally, the Developer will also enter into a True-Up Agreement in connection with its obligations to pay true-up payments in the event that debt levels remaining on unplatted lands in Assessment Area Three increase above the maximum debt levels set forth in the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" herein for additional information regarding the "true-up mechanism." Such obligations of the Developer are unsecured obligations, and the Developer is a special-purpose entity whose assets consist primarily of its interests in certain District Lands. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" and "THE DEVELOPER" herein for more information regarding the Developer.

### **THE DEVELOPER**

KL Twisted Oaks LLC, a Florida limited liability company (the "Developer"), is the owner and developer of the lands in Assessment Area Three within the District. The Developer is managed by The Kolter Group LLC, a Florida limited liability company (the "Kolter Group").

Kolter Group is a private investment firm focused on real estate development and investment and based in Delray Beach, Florida. Kolter Group and its predecessors and affiliates (collectively, "Kolter"), currently include four residential development business units, detailed below. Kolter has sponsored over \$24 billion of real estate projects throughout the southeastern United States (including Florida, Georgia, South Carolina, North Carolina and Tennessee). In Florida alone, Kolter has completed or is in the process of developing over 100 projects that are expected to total over 50,000 homesites.

Kolter Land LLC, together with certain of its affiliates (collectively, "Kolter Land"), is focused on land investment and development of finished lots for sale typically to third party homebuilders. The focus is on projects that will deliver 250 to 1,000 lots and deliver affordable product with amenities and proximity to employment centers. Kolter Land has completed or is in the process of developing over 80 projects that are expected to total over 40,000 finished lots to homebuilders, including many public-traded homebuilders.

Kolter Homes LLC, together with certain of its affiliates (collectively, "Kolter Homes"), is focused on the development, construction and sale of 500 to 1,500 for-sale single-family units, often as Cresswind branded, age-restricted, amenity-rich master-planned communities, with additional focus on smaller traditional and age-targeted add-on communities of 100 to 500 homes. Kolter Homes has completed or is in the process of developing over 41 projects that are expected to total over 25,000 residences across Florida, Georgia, South Carolina, and North Carolina,

Kolter Urban LLC, together with certain of its affiliates (collectively, "Kolter Urban"), is focused on the development of luxury condominium communities of 50 to 500 residences in waterfront, water view or downtown walkable locations. Kolter Urban has completed or is in the process of developing over 25 residential projects that are expected to total over 5,000 residences located in some of the most desirable locations in Florida and the Southeast, including the Palm Beaches, Fort Lauderdale, Sarasota, St. Petersburg, Tampa and Atlanta.

Kolter Multifamily LLC, together with certain of its affiliates (collectively, "Kolter Multifamily"), is focused on the development of market-rate and affordable rental communities of 200 to 350 units with proximity to employment and shopping. Kolter Multifamily's urban and suburban rental communities are strategically located to allow residents to enjoy the very best of the surrounding area, with prime locations and on-site amenities that create enduring value. Kolter Multifamily has completed or is in the process of developing 11 projects that are expected to total over 3,000 units.

*Neither the Developer nor any of the other entities listed above are guaranteeing payment of the Assessment Area Three Bonds or the Assessment Area Three Special Assessments. None of the entities listed herein, other than the Developer, has entered into any agreements in connection with the issuance of the Assessment Area Three Bonds.*

## **TAX MATTERS**

### **General**

The Internal Revenue Code of 1986, as amended (the "Code"), includes requirements that the District must continue to meet after the issuance of the Assessment Area Three Bonds in order that the interest on the Assessment Area Three Bonds be and remain excludable from gross income for federal income tax purposes. The District's failure to meet these requirements may cause the interest on the Assessment Area Three Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Assessment Area Three Bonds. The District has covenanted in the Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Assessment Area Three Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings, and court decisions, the interest on the Assessment Area Three Bonds is excludable from gross income of the holders thereof for federal income tax purposes; and, further, interest on the Assessment Area Three Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Assessment Area Three Bonds is not excluded from the determination of adjusted financial statement income. Bond Counsel is further of the opinion that the Assessment Area Three Bonds and the interest thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income, or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax

consequences regarding the Assessment Area Three Bonds. Prospective purchasers of the Assessment Area Three Bonds should consult their own tax advisors as to the status of interest on the Assessment Area Three Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Assessment Area Three Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Developer, and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Assessment Area Three Bonds will be and will remain obligations the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other consequences regarding the Assessment Area Three Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Assessment Area Three Bonds, or the ownership or disposition of the Assessment Area Three Bonds. Prospective purchasers of Assessment Area Three Bonds should be aware that the ownership of Assessment Area Three Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Assessment Area Three Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Assessment Area Three Bonds, (iii) the inclusion of the interest on the Assessment Area Three Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Assessment Area Three Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Assessment Area Three Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Assessment Area Three Bonds generally must be taken into account when computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt of certain investment income, including interest on the Assessment Area Three Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Assessment Area Three Bonds. Prospective purchasers of the Assessment Area Three Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Assessment Area Three Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

### **Original Issue Discount and Premium**

Certain of the Assessment Area Three Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or

1274 (*i.e.*, for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Assessment Area Three Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale, or other disposition of that Discount Bond.

Certain of the Assessment Area Three Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity), or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

*Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.*

## **Changes in Federal and State Tax Law**

From time to time, there are legislative proposals suggested, debated, introduced, or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Assessment Area Three Bonds, or adversely affect the market price or marketability of the Assessment Area Three Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Assessment Area Three Bonds. Prospective purchasers of the Assessment Area Three Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

## **Information Reporting and Backup Withholding**

Interest paid on tax-exempt bonds such as the Assessment Area Three Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Assessment Area Three Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Assessment Area Three Bonds, under certain circumstances, to "backup withholding" at the rates set forth in the Code, with

respect to payments on the Assessment Area Three Bonds and proceeds from the sale of Assessment Area Three Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Assessment Area Three Bonds. This withholding generally applies if the owner of Assessment Area Three Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Assessment Area Three Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

### **AGREEMENT BY THE STATE**

Under the Act, the State of Florida pledges to the holders of any bonds issued thereunder, including the Assessment Area Three Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

### **LEGALITY FOR INVESTMENT**

The Act provides that bonds issued by community development districts are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State of Florida, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

### **SUITABILITY FOR INVESTMENT**

In accordance with applicable provisions of Florida law, the Assessment Area Three Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes and the rules promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Assessment Area Three Bonds. Investment in the Assessment Area Three Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum, and, if given or made, such other information or representations must not be relied upon as having been authorized by either of the foregoing.

### **ENFORCEABILITY OF REMEDIES**

The remedies available to the Owners of the Assessment Area Three Bonds upon an Event of Default under the Master Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Master Indenture and the Assessment Area Three Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Assessment Area Three Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy,

reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

## **LITIGATION**

### **The District**

There is no litigation of any nature now pending or, to the knowledge of the District, threatened against the District and seeking to restrain or enjoin the issuance, sale, execution or delivery of the Assessment Area Three Bonds, or in any way contesting or affecting (i) the validity of the Assessment Area Three Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Assessment Area Three Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

### **The Developer**

The Developer has represented that there is no litigation of any nature now pending or, to the knowledge of the Developer, threatened against the Developer, which could reasonably be expected to have a material and adverse effect upon the completion of the Assessment Area Three Project or the development of Assessment Area Three as described herein, materially and adversely affect the ability of the Developer to pay the Assessment Area Three Special Assessments imposed against the land within Assessment Area Three of the District of the District owned by the Developer or materially and adversely affect the ability of the Developer to perform its various obligations described in this Limited Offering Memorandum.

## **CONTINGENT FEES**

The District has retained Bond Counsel, District Counsel, the Consulting Engineer, the District Manager/Methodology Consultant, the Underwriter (who has retained Underwriter's Counsel) and the Trustee (which has retained Trustee's counsel), with respect to the authorization, sale, execution and delivery of the Assessment Area Three Bonds. Except for the payment of certain fees to District Counsel, the Consulting Engineer and the District Manager, the payment of fees of the other professionals is each contingent upon the issuance of the Assessment Area Three Bonds.

## **NO RATING**

No application for a rating for the Assessment Area Three Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Assessment Area Three Bonds would have been obtained if application had been made.

## **EXPERTS**

The Engineer's Report attached as APPENDIX C to this Limited Offering Memorandum has been prepared by Morris Engineering & Consulting LLC, Lakewood Ranch, Florida, the District Engineer. APPENDIX C should be read in its entirety for complete information with respect to the subjects discussed therein. Wrathell, Hunt & Associates, LLC, Boca Raton, Florida, as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX D attached hereto. APPENDIX D should be read in its entirety for complete information with respect to the subjects discussed therein. As a condition to closing on the Assessment Area Three Bonds, both the District Engineer and the Methodology Consultant will consent to the inclusion of their reports in this Limited Offering Memorandum.

## **FINANCIAL INFORMATION**

This District will covenant in the Disclosure Agreement (as defined herein), the proposed form of which is set forth in APPENDIX E hereto, to provide its annual audited financial statements to the Municipal Securities Rulemaking Board's ("MSRB") Electronic Municipal Market Access ("EMMA") system as described in APPENDIX E, commencing with the audit for the District fiscal year ending September 30, 2023. Attached hereto as APPENDIX F is a copy of the District's unaudited monthly financial statements for the period ended January 31, 2024. The District does not have audited financial statements because the District has not yet met the threshold required under State law to have an audit. The Assessment Area Three Bonds are not general obligation bonds of the District and are payable solely from the Assessment Area Three Pledged Revenues.

By the end of the first full fiscal year after its creation, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S., including, without limitation, the district's proposed and final budgets and audit. Additional information regarding the District's website is available from the District Manager at the address set forth under "THE DISTRICT – The District Manager and Other Consultants."

## **DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS**

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private business). The District is not and has never been in default as to principal or interest on its bonds or other debt obligations since December 31, 1975.

## **CONTINUING DISCLOSURE**

The District and the Developer will enter into the Continuing Disclosure Agreement (the "Disclosure Agreement") in the proposed form of APPENDIX F, for the benefit of the Assessment Area Three Bondholders (including owners of beneficial interests in such Assessment Area Three Bonds), to provide certain financial information and operating data relating to the District and the development of the Assessment Area Three lands by certain dates prescribed in the Disclosure Agreement and to provide notice of certain enumerated material events (the "Reports") with the MSRB through the MSRB's EMMA system. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District or the Developer to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an Event of Default under the Indenture, but such event of default under the Disclosure Agreement would allow the Assessment Area Three Bondholders (including owners of beneficial interests in such Assessment Area Three Bonds), as applicable, to bring an action for specific performance.

The District has previously entered into a continuing disclosure undertaking pursuant to Rule 15c2-12, promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"), with respect to its Assessment Area One Bonds and Assessment Area Two Bonds. The District has not materially failed to comply with its requirements thereunder. The District will appoint the District Manager as the dissemination agent in the Disclosure Agreement and anticipates satisfying all future disclosure obligations required pursuant to the Disclosure Agreement.

The Developer has previously entered into a continuing disclosure undertaking pursuant to the Rule with respect to the District's Assessment Area One Bonds. A review of filings made pursuant to such prior undertaking indicates that the Developer has not materially failed to comply with the requirements thereunder within the last five years. The Developer anticipates satisfying all future disclosure obligations required pursuant to the Disclosure Agreement.

## **UNDERWRITING**

FMSbonds, Inc. (the "Underwriter") has agreed, pursuant to a contract with the District, subject to certain conditions, to purchase the Assessment Area Three Bonds from the District at a purchase price of \$\_\_\_\_\_ (par amount of the Assessment Area Three Bonds, [plus/less net original issue premium/discount of \$\_\_\_\_\_ and] and less an Underwriter's discount of \$\_\_\_\_\_). The Underwriter's obligations are subject to certain conditions precedent and, subject to satisfaction or waiver of such conditions, the Underwriter will be obligated to purchase all of the Assessment Area Three Bonds if any Assessment Area Three Bonds are purchased.

The Underwriter intends to offer the Assessment Area Three Bonds to accredited investors at the offering prices set forth on the cover page of this Limited Offering Memorandum, which may subsequently change without prior notice. The Assessment Area Three Bonds may be offered and sold to certain dealers, banks and others at prices lower than the initial offering prices, and such initial offering prices may be changed from time to time by the Underwriter.

## **VALIDATION**

Bonds issued pursuant to the terms of the Master Indenture have been validated by a judgment of the Circuit Court of the Fifth Judicial Circuit Court of Florida in and for Sumter County, Florida, rendered on December 1, 2022. The period of time during which an appeal can be taken has expired with no appeal having been filed.

## **LEGAL MATTERS**

Certain legal matters related to the authorization, sale and delivery of the Assessment Area Three Bonds are subject to the approval of Greenberg Traurig, P.A., West Palm Beach, Florida, Bond Counsel. Certain legal matters will be passed upon for the District by its counsel, Kutak Rock LLP, Tallahassee, Florida. Certain legal matters will be passed upon for the Underwriter by its counsel, GrayRobinson, P.A. Tampa, Florida. Certain legal matters will be passed upon for the Developer by its counsel, Greene Hamrick Schermer & Johnson, P.A., Bradenton, Florida.

Bond Counsel's opinion included herein is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of delivery of the Assessment Area Three Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and are not binding on the Internal Revenue Service or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

The references herein to the Assessment Area Three Bonds and other documents referred to herein are brief summaries of certain provisions thereof. Such summaries do not purport to be complete and reference is made to such documents for full and complete statements of such provisions.

SECTION 6.01. Special Assessments; Lien of Indenture on Pledged Revenues. The Issuer hereby covenants that it shall levy Special Assessments, and, unless provided otherwise with respect to a Series of Bonds, evidence and certify the same to the Tax Collector or shall cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer, pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable, to the extent and in the amount necessary to pay the Debt Service Requirement on Bonds issued and Outstanding hereunder.

The Issuer shall pay to the Trustee for deposit in the Series Account of the Revenue Fund established under Section 6.03 hereof all Special Assessments received by the Issuer from the levy thereof on the District Lands subject to assessments for the payment of the related Series of Bonds; provided, however, that amounts received as Prepayments of Special Assessments shall be deposited directly into the applicable Series Account within the Bond Redemption Fund established hereunder or in any account thereof established pursuant to the applicable Supplemental Indenture. The Issuer shall notify the Trustee at the time of deposit of any amounts received as Prepayments of Special Assessments and shall identify the related Series of Bonds. If necessary, the Issuer shall direct the landowner making such prepayment to specify what Series of Bonds such prepayments relate.

There are hereby pledged for the payment of the principal or Redemption Price of and interest on all Bonds of each Series issued and Outstanding under the Indenture and all reimbursements due to any Credit Facility Issuer for any drawing with respect to such Series of Bonds on its Credit Facility, including, without limitation, interest thereon, as required under the terms of the applicable Credit Facility Agreement, the Pledged Revenues; provided, however, that unless otherwise specifically provided herein or in a Supplemental Indenture relating to a Series of Bonds with respect to the Pledged Revenues securing such Series of Bonds, the Pledged Revenues securing a Series of Bonds shall secure only such Series of Bonds and Bonds issued on a parity therewith and shall not secure any other Bonds or Series of Bonds. The Pledged Revenues shall immediately be subject to the lien and pledge of the Indenture without any physical delivery hereof or further act; provided, however, that the lien and pledge of the Indenture shall not apply to any moneys transferred by the Trustee to the Rebate Fund. The foregoing notwithstanding, to the extent provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, such Series of Bonds may be made payable from and secured by less than all of the Pledged Revenues, and any one or more of the provisions of this Master Indenture may be made inapplicable to such Series of Bonds, all as more specifically provided in the corresponding Supplemental Indenture; provided, however, that any such provisions shall apply only to the particular Series of Bonds authorized by such Supplemental Indenture and shall not affect in any manner whatsoever any Outstanding Series of Bonds.

SECTION 6.02. Funds and Accounts Relating to the Bonds. The Funds and Accounts specified in this Article VI shall be established under this Master Indenture and each Supplemental Indenture pursuant to which a Series of Bonds is issued for the benefit of the specific Series of

of Bonds in question; provided, however, that if any amounts remain in the Series Account of the Acquisition and Construction Fund after the Completion Date (as defined in paragraph (c) below) of the Project or portion thereof pertaining to the Series of Bonds in question, and if such amounts are not reserved for payment of any remaining part of the Cost of the Project, such amounts shall be transferred to the applicable Series Account of the Bond Redemption Fund for application to the redemption of Bonds of the Series to which such proceeds relate, as set forth in Section 6.06 hereof or in the applicable Supplemental Indenture.

(b) *Disbursements*. Unless provided otherwise in a Supplemental Indenture, all payments from the Acquisition and Construction Fund shall be paid in accordance with the provisions of this subsection. Moneys in the appropriate Series Account of the Acquisition and Construction Fund shall be disbursed by check, voucher, order, draft, certificate or warrant signed by any one or more officers or employees of the Trustee legally authorized to sign such items or by wire transfer to an account specified by the payee upon satisfaction of the conditions for disbursement set forth in this subsection (b). Before any such payment shall be made, the Issuer shall file with the Trustee a fully executed requisition in the form of Exhibit D attached hereto, signed by a Responsible Officer and, except for payments of cost of issuance, a certificate of the Consulting Engineer signed by a Consulting Engineer also in the form of Exhibit D attached hereto and as may be modified by terms of the related Supplemental Indenture. Upon receipt of each such requisition and accompanying certificate, the Trustee shall promptly withdraw from the appropriate Series Account of the Acquisition and Construction Fund and pay to the person, firm or corporation named in such requisition the amount designated in such requisition. All requisitions and certificates received by the Trustee pursuant to this Section 5.01 shall be retained in the possession of the Trustee, subject at all reasonable times to the inspection of the Issuer, the Consulting Engineer, the Owner of any Bonds, and the agents and representatives thereof. The Trustee shall have no duty to verify that the disbursement of funds pursuant to a requisition is for a purpose for which payment may be made hereunder and the Trustee may conclusively rely that a properly signed requisition is, on its face, sufficient to authorize disbursement of funds from the Acquisition and Construction Fund.

(c) *Completion of Project*. On the date of completion of the Project or if sufficient moneys are retained in the appropriate Series Account of the Acquisition and Construction Fund, to complete the Cost of the Project, in either case, as evidenced by the delivery to the Trustee of a Certificate of the Consulting Engineer and adoption of a resolution by the Board accepting the Project as provided by Section 170.09, Florida Statutes, as amended (the "Completion Date"), the balance in the appropriate Series Account of the Acquisition and Construction Fund not reserved by the Issuer for the payment of any remaining part of the Cost of the Project shall be transferred by the Trustee to, and deposited in, the applicable Series Account of the Bond Redemption Fund and applied as provided in Section 6.06 hereof and in the applicable Supplemental Indenture.

Bonds and any Series issued on a parity therewith and, unless expressly otherwise provided in said Supplemental Indenture, shall not apply to Bonds Outstanding hereunder issued under any other indenture supplemental hereto or if separately secured by separate Special Assessments. Unless provided otherwise by Supplemental Indenture, all moneys, including, without limitation, proceeds of a Series of Bonds, on deposit to the credit of the Funds and Accounts established hereunder and under a Supplemental Indenture (except for moneys transferred to the Rebate Fund) shall be pledged to the payment of the principal, redemption or purchase price of (as the case may be) and interest on the Series of Bonds issued hereunder and under such Supplemental Indenture, and any Series issued on a parity therewith.

SECTION 6.03. Revenue Fund. The Trustee is hereby authorized and directed to establish a Revenue Fund and pursuant to a Supplemental Indenture a Series Account for each Series of Bonds issued hereunder, into which the Trustee shall immediately deposit any and all Special Assessments received from the levy thereof on the District Lands or any portion thereof (other than Prepayments) and any amounts received as the result of any foreclosure, sale of tax certificates or other remedial action for nonpayment of Special Assessments for the payment of the related Series of Bonds and other payments required hereunder or under the applicable Supplemental Indenture (unless such Special Assessments and/or other payments are specifically designated by the Issuer pursuant to a Supplemental Indenture for deposit into the Rebate Fund or any other Fund or Account established hereunder or under a Supplemental Indenture) and each Series Account therein shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. The Trustee shall transfer from amounts on deposit in the Series Account in the Revenue Fund to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority unless other times and/or other priorities are established in a Supplemental Indenture with respect to a Series of Bonds:

FIRST, upon receipt but no later than the Business Day preceding the first May 1 for which there is an insufficient amount from Bond proceeds (or investment earnings thereon) on deposit in the applicable Series Interest Account of the Debt Service Fund to be applied to the payment of interest on the Bonds of a Series due on the next succeeding May 1, and no later than the Business Day next preceding each May 1 thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Interest Account of the Debt Service Fund, an amount equal to the interest on the related Series of Bonds becoming due on the next succeeding May 1, less any amount on deposit in such Interest Account not previously credited;

SECOND, beginning on the date set forth in the related Supplemental Indenture, and no later than the Business Day next preceding each May 1 or November 1, as designated in the applicable Supplemental Indenture thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Principal Account of the Debt Service Fund, an amount equal to the principal amount of Bonds of such Series maturing on the next succeeding principal payment date, less any amount on deposit in the applicable Series Principal Account not previously credited;

THIRD, beginning on the date set forth in the related Supplemental Indenture, and no later than the Business Day next preceding each May 1 or November 1, as so designated

in the applicable Supplemental Indenture thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Bonds of such Series subject to mandatory sinking fund redemption on the next succeeding mandatory sinking fund redemption date, less any amount on deposit in the applicable Series Sinking Fund Account not previously credited;

FOURTH, upon receipt but no later than the Business Day preceding the first November 1 for which there remains an insufficient amount from Bond proceeds (or investment earnings thereon) on deposit in the applicable Series Interest Account to be applied to the payment of interest on the Bonds of a Series due on the next succeeding November 1, and no later than the Business Day next preceding each November 1 thereafter while Bonds of such Series issued under the Indenture remain Outstanding, to the applicable Series Interest Account of the Debt Service Fund, an amount equal to the interest on the Bonds of such Series becoming due on the next succeeding November 1, less any amount on deposit in the applicable Series Interest Account not previously credited;

FIFTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Account of the Debt Service Reserve Fund, if any, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Debt Service Reserve Requirement;

SIXTH, subject to the following paragraph, the balance of any moneys remaining in a Series Account of the Revenue Fund after making the foregoing deposits shall, subject to application by one or more Supplemental Indentures, if applicable, remain therein, unless pursuant to any Arbitrage Certificate it is necessary to make a deposit in the Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

Unless otherwise provided in the applicable Supplemental Indenture, the Trustee shall within ten (10) Business Days after the last Interest Payment Date in any calendar year, at the direction of the Issuer, withdraw any moneys held for the credit of the Revenue Fund which are not otherwise required to be deposited pursuant to this Section and deposit such moneys as directed to the credit of the applicable Series Account of the Bond Redemption Fund in accordance with the provisions hereof. Notwithstanding the foregoing, if pursuant to any Arbitrage Certificate it is necessary to make a deposit in the Rebate Fund, the Issuer shall direct the Trustee to make such deposit thereto. Prepayments pledged to a particular Series of Bonds shall be deposited directly into the applicable Series Account of the Bond Redemption Fund as provided herein.

SECTION 6.04. Debt Service Fund. The Trustee is hereby authorized and directed to establish a Debt Service Fund which shall consist of amounts deposited therein by the Trustee and any other amounts the Issuer may pay to the Trustee for deposit therein with respect to the related Series of Bonds. The Debt Service Fund shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. The Trustee shall establish within the Debt Service Fund pursuant to a Supplemental Indenture, a Series Principal Account, a Series Interest Account and, if applicable, a Series Sinking Fund Account for

each Series of Bonds and a Series Capitalized Interest Account, which accounts shall be separate and apart from all other Funds and Accounts established under the Indenture and from all other moneys of the Trustee.

The Trustee at all times shall make available to any Paying Agent the funds in the Series Principal Account and the Series Interest Account of the Debt Service Fund to pay the principal of the applicable Series of Bonds as they mature upon surrender thereof and the interest on the applicable Series of Bonds as it becomes payable, respectively. When a Series of Bonds is redeemed, the amount, if any, in the Debt Service Fund representing interest thereon shall be applied to the payment of accrued interest in connection with such redemption.

The Trustee shall apply moneys in the Series Sinking Fund Account in the Debt Service Fund for purchase or redemption of the applicable Series of Bonds in amounts and maturities set forth in the Supplemental Indenture. Whenever Bonds of a Series are to be purchased out of such Series Sinking Fund Account, if the Issuer shall notify the Trustee that the Issuer wishes to arrange for such purchase, the Trustee shall comply with the Issuer's arrangements provided they conform to the Indenture.

Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, purchases and redemptions out of the Series Sinking Fund Account shall be made as follows:

(a) The Trustee shall apply the amounts required to be transferred to the applicable Series Sinking Fund Account (less any moneys applied to the purchase of Bonds of the applicable Series pursuant to the next sentence hereof) on the mandatory sinking fund redemption date in each of the years set forth in the Supplemental Indenture to the redemption of Bonds of the related Series in the amounts, manner and maturities and on the dates set forth in the Supplemental Indenture, at a Redemption Price of 100% of the principal amount thereof. At the written direction of the Issuer, the Trustee shall apply moneys from time to time available in the applicable Series Sinking Fund Account to the purchase of Bonds of the applicable Series which mature in the aforesaid years, at prices not higher than the principal amount thereof, in lieu of redemption as aforesaid, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given. In the event of purchases at less than the principal amount thereof, the difference between the amount in the Series Sinking Fund Account representing the principal amount of the Bonds so purchased and the purchase price thereof (exclusive of accrued interest) shall be transferred to the related Series Interest Account of the Debt Service Fund.

(b) Accrued interest on purchased Bonds of a Series shall be paid from the related Series Interest Account of the Debt Service Fund.

(c) In lieu of paying the Debt Service Requirements necessary to allow any mandatory redemption of Bonds of a Series from the related Series Sinking Fund Account, the Issuer may present to the Trustee Bonds of such Series purchased by the Issuer pursuant to subparagraph (a) above and furnished for such purposes; provided, however, that no Bonds of such Series so purchased shall be credited towards the Debt Service Requirements in respect of the mandatory redemption of Bonds of such Series for which notice of redemption has been given pursuant to Section 8.02 of this Master Indenture. Any Bond so purchased shall be presented to

28

the Trustee for cancellation. In such event, the Debt Service Requirements with respect to the Bonds of a Series for the period in which the purchased Bonds are presented to the Trustee shall, for all purposes hereunder, be reduced by an amount equal to the aggregate principal amount of any such Bonds so presented.

SECTION 6.05. Debt Service Reserve Fund. The Trustee is hereby authorized and directed to establish a Debt Service Reserve Fund and, if applicable, pursuant to a Supplemental Indenture a Series Account for each Series of Bonds issued hereunder. The Debt Service Reserve Fund and each Series Account therein shall be held by the Trustee solely for the benefit of each related Series of Bonds or sub-Series, as determined by the applicable Supplemental Indenture; provided, however, that notwithstanding anything to the contrary contained in this Master Indenture, the Supplemental Indenture authorizing the issuance of a Series of Bonds may provide that the Debt Service Reserve Fund is not applicable and no account therein shall secure such Series of Bonds. The Debt Service Reserve Fund and each Series Account therein shall constitute an irrevocable trust fund to be applied solely as set forth herein and shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, on the date of issuance and delivery of a Series of Bonds an amount of Bond proceeds or equity equal to the Debt Service Reserve Requirement in respect of such Series of Bonds, calculated as of the date of issuance and delivery of such Series of Bonds, shall be deposited in the related Series Account of the Debt Service Reserve Fund. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, and as long as there exists no default under the Indenture and the amount in the Series Account of the Debt Service Reserve Fund is not reduced below the then applicable Debt Service Reserve Requirement with respect to such Series of Bonds, earnings on investments in the Series Account of the Debt Service Reserve Fund shall, prior to the Completion Date of a Project, be transferred to the applicable Acquisition and Construction Account of the Acquisition and Construction Fund, and after the Completion Date, shall be, at the written direction of the Issuer, transferred to the related Series Account of the Revenue Fund. Otherwise, earnings on investments in each Series Account of the Debt Service Reserve Fund shall be retained therein until applied as set forth herein. If made applicable in a Supplemental Indenture, in the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement as a result of an optional prepayment by the owner of a lot or parcel of land of Special Assessments against such lot or parcel or a mandatory true-up payment, which Special Assessments are pledged for the payment and security of such Series of Bonds, the excess amount shall, as directed by the terms of the applicable Supplemental Indenture, be transferred from the Series Account of the Debt Service Reserve Fund to the applicable Series Account or Subaccount of the Bond Redemption Fund established for such Series of Bonds and shall constitute a credit against such optional prepayment or true-up payment. If made applicable in the Supplemental Indenture with respect to a Series of Bonds, in the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement for any other reason, the excess amount shall, as directed by the terms of the applicable Supplemental Indenture, be transferred from the Series Account of the Debt Service Reserve Fund to the applicable Series Account or Subaccount of the Bond Redemption Fund or to the applicable Series Account or subaccount of the Acquisition and Construction Fund.

Whenever for any reason on an Interest Payment Date, principal payment date or mandatory redemption date with respect to a related Series of Bonds secured by a Series Account of the Debt Service Reserve Fund the amount in the related Series Interest Account, the related Series Principal Account or the related Series Sinking Fund Account, as the case may be, is insufficient to pay all amounts payable on such Series of Bonds therefrom on such payment dates, the Trustee shall, without further instructions, transfer the amount of any such deficiency from the related Series Account of the Debt Service Reserve Fund into the related Series Interest Account, the related Series Principal Account and the related Series Sinking Fund Account, as the case may be, with priority to the related Series Interest Account and then, proportionately according to the respective deficiencies therein, to the related Series Principal Account and the related Series Sinking Fund Account, to be applied to pay the Series of Bonds secured by the Series Account of the Debt Service Reserve Fund.

SECTION 6.06. Bond Redemption Fund. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, the Trustee is hereby authorized and directed to establish a Bond Redemption Fund and pursuant to a Supplemental Indenture a Series Account within the Bond Redemption Fund for each Series of Bonds issued hereunder into which shall be deposited, moneys in the amounts and at the times provided in Sections 5.01, 6.01, 6.03, 6.05, 9.08(b) and 9.14(c) of this Master Indenture. The Series Account within the Bond Redemption Fund shall constitute an irrevocable trust fund to be applied solely as set forth in the applicable Supplemental Indenture and shall be held by the Trustee separate and apart from all other Funds and Accounts held under such Indenture and from all other moneys of the Trustee. All earnings on investments held in the Series Account within the Bond Redemption Fund shall be retained therein and applied as set forth below.

Moneys in the Series Account within the Bond Redemption Fund (including all earnings on investments held in the Series Account within the Bond Redemption Fund) shall be accumulated therein to be used in the following order of priority, to the extent that the need therefor arises:

FIRST, (except for amounts resulting from Prepayments of Special Assessments, which shall be applied as provided in the next paragraph) make such deposits into the Rebate Fund created and established under this Master Indenture as the Issuer may direct in accordance with an arbitrage rebate agreement, such moneys thereupon to be used solely for the purposes specified in said arbitrage rebate agreement. Any moneys so transferred from the Series Account within the Bond Redemption Fund to the Rebate Fund shall thereupon be free from the lien and pledge of the related Indenture;

SECOND, to be used to call for redemption pursuant to clause (b) of Section 8.01 hereof an amount of Bonds of the applicable Series equal to the amount of money transferred to the Series Account within the Bond Redemption Fund pursuant to the aforesaid clauses or provisions, as appropriate, for the purpose of such extraordinary mandatory redemption on the dates and at the prices provided in such clauses or provisions, as appropriate; and

THIRD, the remainder to be utilized by the Trustee, at the direction of a Responsible Officer, to call for redemption on each Interest Payment Date or other date on

which Bonds of the applicable Series are subject to optional redemption pursuant to Section 8.01(a) hereof such amount of Bonds of the applicable Series taking into account any redemption premium, as may be practicable; provided, however, that not less than Five Thousand Dollars (\$5,000) principal amount of Bonds of the applicable Series shall be called for redemption at one time.

Any such redemption shall be made in accordance with the provisions of Article VIII of this Master Indenture and the applicable provisions of the related Supplemental Indenture. The Issuer shall pay all expenses in connection with such redemption.

**SECTION 6.07. Drawings on Credit Facility.** With respect to Bonds in respect of which there has been issued a Credit Facility, the Trustee shall draw on the Credit Facility, in accordance with the provisions for drawing under such Credit Facility, and within the requisite time period, all as set forth in the Credit Facility Agreement or the Supplemental Indenture.

**SECTION 6.08. Procedure When Funds Are Sufficient to Pay All Bonds of a Series.** Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, if at any time the moneys held by the Trustee in the Funds (other than the moneys in the Rebate Fund) and Accounts hereunder and under a Supplemental Indenture and available therefor are sufficient to pay the principal or Redemption Price of, as the case may be, and interest on all Bonds of a Series then Outstanding under such Indenture to maturity or prior redemption, together with any amounts due the Issuer and the Trustee, Paying Agent, Registrar and Credit Facility Issuer, if any, the Trustee, at the direction of the Issuer, shall apply the amounts in the Series Funds and Series Accounts to the payment of the aforesaid obligations and the Issuer shall not be required to pay over any further Pledged Revenues with respect to such Series of Bonds unless and until it shall appear that there is a deficiency in the Funds and Accounts held by the Trustee.

**SECTION 6.09. Certain Moneys to Be Held for Series Bondowners Only.** Each Series of Bonds issued pursuant to this Master Indenture and the related Supplemental Indenture shall be secured by Pledged Revenues, as set forth herein, and otherwise may be secured by such additional Funds and Accounts and other security (including, but not limited to, Credit Facilities) established by the pertinent Supplemental Indenture. Moneys and investments in the various Funds and Accounts created under a Supplemental Indenture expressly and solely for the benefit of the Series of Bonds issued under such Supplemental Indenture shall be held in trust by the Trustee for the benefit of the Holders of, and Credit Facility Issuer with respect to, Bonds of that Series only.

**SECTION 6.10. Unclaimed Moneys** In the event any Bond shall not be presented for payment when the principal of such Bond becomes due, either at maturity or at the date fixed for redemption of such Bond or otherwise, if amounts sufficient to pay such Bond have been deposited with the Trustee for the benefit of the owner of the Bond and have remained unclaimed for three (3) years after the date payment thereof becomes due shall, upon request of the Issuer, if the Issuer is not at the time to the knowledge of the Trustee in default with respect to any covenant in this Master Indenture, any Supplemental Indenture or the Bonds contained, be paid to the Issuer; and the Owners of the Bonds for which the deposit was made shall thereafter be limited to a claim against the Issuer; provided, however, that the Trustee, before making payment to the Issuer, may, at the expense of the Issuer and if directed by the Issuer, cause a notice to be published in an

**SECTION 7.01. Deposits and Security Therefor.** Unless otherwise as provided in the Supplemental Indenture with respect to a Series of Bonds, all moneys received by the Trustee under a Supplemental Indenture for deposit in any Fund or Account established under this Master Indenture or such Supplemental Indenture shall be considered trust funds, shall not be subject to lien or attachment, except for the lien created by this Master Indenture and the related Supplemental Indenture, and shall be deposited with the Trustee, until or unless invested or deposited as provided in Section 7.02 hereof. Except for the Investment Securities of the type described in clause (c) of the definition of Investment Securities, all deposits of moneys received by the Trustee under this Master Indenture or such Supplemental Indenture (whether original deposits under this Section 7.01 or deposits or redeposits in time accounts under Section 7.02) shall, to the extent not insured, and to the extent permitted by law, be fully secured as to both principal and interest earned, by Investment Securities of the types set forth in the definition of Investment Securities and the provisions thereof. If at any time the Trustee is unwilling to accept such deposits or unable to secure them as provided above, the Trustee may deposit such moneys with any other depository which is authorized to receive them and the deposits of which are insured by the Federal Deposit Insurance Corporation (including the FDIC Savings Association Insurance Fund). All deposits in any other depository in excess of the amount covered by insurance (whether under this Section 7.01 or Section 7.02 as aforesaid) shall, to the extent permitted by law, be fully secured as to both principal and interest earned, in the same manner as required herein for deposits with the Trustee. Such security shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000.

**SECTION 7.02. Investment or Deposit of Funds.** Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, the Trustee shall, as directed by the Issuer in writing, invest moneys held in the Series Accounts in the Debt Service Fund and any Series Account within the Bond Redemption Fund created under any Supplemental Indenture only in Government Obligations and securities described in subparagraphs (a), (c), (e), (f), or (j) of the definition of Investment Securities. Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, the Trustee shall, as directed by the Issuer in writing, invest moneys held in any Series Account of the Debt Service Reserve Fund in Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth herein or in the Supplemental Indenture with respect to a Series of Bonds. All securities securing investments under this Section shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to Section 6.05 of this Master Indenture and unless otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, any interest and other income so

**SECTION 6.11. Rebate Fund** The Trustee is hereby authorized and directed to establish a Rebate Fund. Unless provided otherwise in a Supplemental Indenture, at the written direction of the Issuer, the Trustee shall transfer monies from the applicable Series Account in the Revenue Fund and deposit the same to the Rebate Fund, and shall make payments therefrom at the times and in the amounts required to comply with any applicable provisions in the applicable Arbitrage Certificate. If so directed by the Issuer in writing, the Trustee shall create one or more Series Accounts within the Rebate Fund relating to one or more particular Series of Bonds.

(a) All amounts held in the Rebate Fund shall be governed by this Section and the applicable Arbitrage Certificate. The Trustee shall be entitled to rely on the rebate calculations obtained from the rebate analyst retained by the Issuer pursuant to any Arbitrage Certificate and the Trustee shall not be responsible for any loss or damage resulting from any good faith action taken or omitted to be taken in reliance upon such calculations.

(b) Pursuant to the applicable Arbitrage Certificate, the Trustee shall remit all rebate installments and a final rebate payment to the United States. The Trustee shall have no obligation to pay any amounts required to be rebated pursuant to this Section and the applicable Arbitrage Certificate, other than at the direction of the Issuer and from moneys held in the Rebate Fund or from other moneys provided to it by the Issuer. Any moneys remaining in the Rebate Fund after redemption and payment of all of the Bonds and payment and satisfaction of any arbitrage rebate shall be withdrawn and paid to the Issuer.

(c) Notwithstanding any other provision of this Master Indenture, including in particular Article XIV hereof, the obligation of the Issuer to pay arbitrage rebate to the United States and to comply with all other requirements of this Section and the Arbitrage Certificate shall survive the defeasance or payment in full of the Bonds.

The Trustee shall not be deemed to have constructive knowledge of the Code or regulations, rulings and judicial decisions concerning the Code.

received shall be deposited in the related Series Account of the Revenue Fund. Upon request of the Issuer, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund.

Absent specific instructions as aforesaid or absent standing instructions from the Issuer for investment of such moneys, then the Trustee shall not be responsible or liable for keeping the moneys invested. The Trustee shall not be liable or responsible for any loss or failure to achieve the highest return, or entitled to any gain, resulting from any investment or sale upon the investment instructions of the Issuer or otherwise, including that set forth in the first sentence of this paragraph. The Trustee may make any investments permitted by the provisions of this section through its own bond department or investment department.

**SECTION 7.03. Valuation of Funds.** The Trustee shall value the assets in each of the Funds and Accounts established hereunder or under any Supplemental Indenture forty-five (45) days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the Issuer a report of the status of each Fund and Account as of the valuation date. In computing the assets of any Fund or Account, investments and accrued interest thereon shall be deemed a part thereof, subject to Section 7.02 hereof. For the purpose of determining the amount on deposit to the credit of any Fund or Account established hereunder or under any Supplemental Indenture, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the redemption price thereof, to the extent that any such obligation is then redeemable at the option of the holder. For the purpose of determining the amount on deposit to the credit of the Debt Service Reserve Fund, obligations in which money in such Fund shall have been invested shall be valued at par, if purchased at par, or at amortized cost, if purchased at other than par, plus, in each case, accrued interest. Amortized cost, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of days remaining to maturity on such obligation at the date of such purchase and by multiplying the amount thus calculated by the number of days having passed since such purchase; and (i) in the case of an obligation purchased at a premium by deducting the product thus obtained from the purchase price, and (ii) in the case of an obligation purchased at a discount by adding the product thus obtained to the purchase price.

**ARTICLE VIII  
REDEMPTION AND PURCHASE OF BONDS**

SECTION 8.01. Redemption Dates and Prices. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, the Bonds of a Series may be made subject to optional, mandatory and extraordinary redemption and purchase, either in whole or in part, by the Issuer, prior to maturity in the amounts, at the times and in the manner provided in this Article VIII and in the related Supplemental Indenture.

(a) *Optional Redemption.* Bonds of a Series shall be subject to optional redemption at the direction of the Issuer, at the times and upon payment of the redemption price as provided in the related Supplemental Indenture.

(b) *Extraordinary Mandatory Redemption in Whole or in Part.* Except as otherwise provided in a Supplemental Indenture with respect to Bonds of the related Series, Bonds of a Series are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole, on any date, or in part, on any Interest Payment Date, at an extraordinary mandatory redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date, (i) from moneys deposited into the related Series Account within the Bond Redemption Fund following the payment of Special Assessments on any portion of the District Lands in accordance with the provisions of Section 9.08 hereof; (ii) when sufficient moneys are on deposit in the related Series Funds and Accounts (other than moneys in the Rebate Fund and any other excluded Fund or Account as provided in a Supplemental Indenture with respect to a Series of Bonds) to pay and redeem all Outstanding Bonds of a Series and accrued interest thereon to the redemption date in addition to all amounts owed to Persons under the related Indenture; (iii) if made applicable in the Supplemental Indenture with respect to a Series of Bonds, from moneys in excess of the Debt Service Reserve Requirement for a Series of Bonds in the applicable Series Account of the Debt Service Reserve Fund transferred to the Series Account within the Bond Redemption Fund pursuant to Section 6.05 hereof; (iv) if made applicable in the Supplemental Indenture with respect to a series of Bonds, from excess moneys transferred from the Series Account of the Revenue Fund to the Series Account within the Bond Redemption Fund in accordance with Section 6.03 of this Master Indenture; (v) if the following is made applicable by the terms of a Supplemental Indenture, from moneys, if any, on deposit in the Series Account within the Bond Redemption Fund pursuant to Section 9.14(c) hereof following condemnation or the sale of any portion of the District Lands benefited by a Project to a governmental entity under threat of condemnation by such governmental entity or the damage or destruction of all or substantially all of the Project when such moneys are not to be used pursuant to Section 9.14(c) to repair, replace or restore the Project; provided, however, that at least forty-five (45) days prior to such extraordinary mandatory redemption, the Issuer shall cause to be delivered to the Trustee (x) notice setting forth the redemption date and (y) a certificate of the Consulting Engineer confirming that the repair and restoration of the Project would not be economical or would be impracticable; or (vi) from amounts transferred to the Series Account of the Bond Redemption Fund from the Series Account of the Acquisition and Construction Fund in accordance with Section 5.01(c) hereof.

(c) *Mandatory Sinking Fund Redemption.* Bonds of a Series may be subject to mandatory sinking fund redemption at a Redemption Price of 100% of the principal amount thereof

36

(d) if less than all Outstanding Bonds of a Series to be redeemed or purchased, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed or purchased;

(e) that on the redemption or purchase date the Redemption Price or purchase price will become due and payable upon surrender of each such Bond or portion thereof called for redemption or purchase, and that interest thereon shall cease to accrue from and after said date; and

(f) the place where such Bonds are to be surrendered for payment of the redemption or purchase price, which place of payment shall be a corporate trust office of the Trustee.

If at the time of mailing of notice of redemption or purchase, the Issuer shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Bonds called for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

If the amount of funds deposited with the Trustee for such redemption, or otherwise available, is insufficient to pay the Redemption Price and accrued interest on the Bonds so called for redemption (other than a mandatory sinking fund redemption) on the redemption date, the Trustee shall redeem and pay on such date an amount of such Bonds for which such funds are sufficient, selecting the Bonds to be redeemed randomly from among all such Bonds called for redemption on such date, and among different maturities of Bonds in the same manner as the initial selection of Bonds to be redeemed, and from and after such redemption date, interest on the Bonds or portions thereof so paid shall cease to accrue and become payable; but interest on any Bonds or portions thereof not so paid shall continue to accrue until paid at the same rate as it would have had such Bonds not been called for redemption.

The notices required to be given by this Section 8.02 shall state that no representation is made as to correctness or accuracy of the CUSIP numbers listed in such notice or printed on the Bonds.

SECTION 8.03. Payment of Redemption Price. If any required (a) unconditional notice of redemption has been duly mailed or waived by the Owners of all Bonds called for redemption or (b) conditional notice of redemption has been so mailed or waived and the redemption moneys have been duly deposited with the Trustee or Paying Agent, then in either case, the Bonds called for redemption shall be payable on the redemption date at the applicable Redemption Price plus accrued interest, if any, to the redemption date. Bonds of a Series so called for redemption, for which moneys have been duly deposited with the Trustee, will cease to bear interest on the specified redemption date, shall no longer be secured by the related Indenture and shall not be deemed to be Outstanding under the provisions of the related Indenture.

Payment of the Redemption Price, together with accrued interest, shall be made by the Trustee or Paying Agent to or upon the order of the Owners of the Bonds called for redemption

plus accrued interest to the redemption date, in the years and amounts set forth in a Supplemental Indenture.

In connection with such mandatory sinking fund redemption of Bonds, amounts shall be transferred from the applicable Series Account of the Revenue Fund to the Series Sinking Fund Account of the Debt Service Fund, all as more particularly described in Section 6.03 hereof.

The principal amounts of scheduled mandatory sinking fund payments shall be reduced as specified by the Issuer or as provided in Section 8.04 hereof by any principal amounts of the Bonds redeemed pursuant to Section 8.01(a) and (b) hereof or purchased and cancelled pursuant to Section 6.04 hereof.

Upon any redemption or purchase of Bonds other than in accordance with scheduled mandatory sinking fund payments, the Issuer shall cause to be recalculated and delivered to the Trustee a revised mandatory sinking fund schedule recalculated so as to amortize the Outstanding principal amount of Bonds of such Series in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Bonds of such Series. The mandatory sinking fund payments as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund payments for all Bonds of such Series in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund payment due in the year in which such redemption or purchase occurs, but shall be made to mandatory sinking fund payments for the immediately succeeding and subsequent years.

SECTION 8.02. Notice of Redemption and of Purchase. Except where otherwise required by a Supplemental Indenture, when required to redeem or purchase Bonds of a Series under any provision of the related Indenture or directed to do so by the Issuer, the Trustee shall cause notice of the redemption, either in whole or in part, to be mailed by first class mail, postage prepaid at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Bonds of such Series for which notice was duly mailed in accordance with this Section 8.02. The Issuer shall, when it is directing the Trustee to mail such notice, provide written direction to the Trustee at least forty-five (45) days (unless the Trustee agrees to a shorter period) prior to the date on which the Trustee is required to send notice hereunder. Such notice shall be given in the name of the Issuer, shall be dated, shall set forth the Bonds of such Series Outstanding which shall be called for redemption or purchase and shall include, without limitation, the following additional information:

- (a) the redemption or purchase date;
- (b) the redemption or purchase price;
- (c) CUSIP numbers, to the extent applicable, and any other distinctive numbers and letters;

37

upon surrender of such Bonds. The Redemption Price of the Bonds to be redeemed, the expenses of giving notice and any other expenses of redemption, shall be paid out of the Fund from which redemption is to be made or by the Issuer, or as specified in a Supplemental Indenture.

SECTION 8.04. Partial Redemption of Bonds. Except to the extent otherwise provided in a Supplemental Indenture, if less than all of a Series of Bonds of a maturity are to be redeemed, the Trustee shall select the particular Bonds or portions of the Bonds to be called for redemption randomly in such reasonable manner as the Trustee in its discretion may determine. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(a), such redemption shall be effectuated by redeeming Bonds of such Series of such maturities in such manner as shall be specified by the Issuer in writing, subject to the provisions of Section 8.01 hereof. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(b), such redemption shall be effectuated by redeeming Bonds of such Series pro rata among the maturities, treating each date on which a Sinking Fund Installment is due as a separate maturity for such purpose, with the portion to be redeemed from each maturity being equal to the product of the aggregate principal amount of Bonds of such Series to be redeemed multiplied by a fraction the numerator of which is the principal amount of the Series of Bonds of such maturity outstanding immediately prior to the redemption date and the denominator of which is the aggregate principal amount of all Bonds of such Series outstanding immediately prior to the redemption date, rounded up or down to the nearest \$5,000 amount in order to maintain Authorized Denominations.

[END OF ARTICLE VIII]

**ARTICLE IX  
COVENANTS OF THE ISSUER**

SECTION 9.01. Power to Issue Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Bonds, to adopt and execute this Master Indenture and to pledge the Pledged Revenues for the benefit of the Bonds of a Series and any Credit Facility Issuer, except to the extent otherwise provided in a Supplemental Indenture. The Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Bonds of a Series and any Credit Facility Issuer with respect to such Series. The Bonds and the provisions of this Master Indenture and any Supplemental Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by this Master Indenture and any Supplemental Indenture and all the rights of the Bondholders and any Credit Facility Issuer under this Master Indenture and any Supplemental Indenture against all claims and demands of all other Persons whomsoever.

SECTION 9.02. Payment of Principal and Interest on Bonds. The payment of the principal or Redemption Price of and interest on all of the Bonds of a Series issued under the related Indenture shall be secured forthwith equally and ratably by a first lien on and pledge of the Pledged Revenues, except to the extent otherwise provided in a Supplemental Indenture; and Pledged Revenues in an amount sufficient to pay the principal or Redemption Price of and interest on the Bonds of a Series authorized by the related Indenture are hereby irrevocably pledged to the payment of the principal or Redemption Price of and interest on the Bonds of a Series authorized under the related Indenture, as the same become due and payable. The Issuer shall promptly pay the interest on and the principal or Redemption Price of every Bond issued hereunder according to the terms thereof, but shall be required to make such payment only out of the Pledged Revenues.

THE BONDS AUTHORIZED UNDER THIS MASTER INDENTURE AND THE RELATED SUPPLEMENTAL INDENTURE AND THE OBLIGATIONS EVIDENCED THEREBY SHALL NOT CONSTITUTE A LIEN UPON ANY PROPERTY OF THE ISSUER, INCLUDING, WITHOUT LIMITATION, THE PROJECT OR ANY PORTION THEREOF IN RESPECT OF WHICH ANY SUCH BONDS ARE BEING ISSUED, OR ANY PART THEREOF, BUT SHALL CONSTITUTE A LIEN ONLY ON THE PLEDGED REVENUES AS SET FORTH IN THIS MASTER INDENTURE AND ANY SUPPLEMENTAL INDENTURE. NOTHING IN THE BONDS AUTHORIZED UNDER THIS MASTER INDENTURE AND ANY SUPPLEMENTAL INDENTURE SHALL BE CONSTRUED AS OBLIGATING THE ISSUER TO PAY THE BONDS OR THE REDEMPTION PRICE THEREOF OR THE INTEREST THEREON EXCEPT FROM THE PLEDGED REVENUES, OR AS PLEDGING THE FAITH AND CREDIT OF THE ISSUER, THE CITY, THE COUNTY, THE STATE OR ANY OTHER POLITICAL SUBDIVISION THEREOF, OR AS OBLIGATING THE ISSUER, THE CITY, THE COUNTY, THE STATE OR ANY OF ITS POLITICAL SUBDIVISIONS, DIRECTLY OR INDIRECTLY OR CONTINGENTLY, TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATEVER THEREOF.

40

own behalf or through the actions of the Trustee may, and shall, if so directed in writing by the Majority Holders of the related Series of Bonds, at the Issuer's own expense, cause such delinquent property to be foreclosed as hereafter provided. The Issuer covenants it shall promptly, after written notice to the delinquent landowner, but not later than one hundred twenty (120) days from the due date of such Special Assessments that have not been paid, cause there to be brought legal proceedings for the foreclosure of the Special Assessment lien including interest and penalties with respect to such tax parcel. The foreclosure proceedings shall be prosecuted to sale and conveyance of such tax parcel as now provided by law in suits to foreclose mortgages unless the Majority Holders provide written direction to suspend or terminate such foreclosure proceedings. Nothing herein shall obligate the Issuer to credit bid at any foreclosure sale. The Issuer shall enter into or maintain in effect one or more written agreements with the Property Appraiser and the Tax Collector, either individually or jointly (together, the "Property Appraiser and Tax Collector Agreement") in order to effectuate the provisions of this Section. The Issuer shall ensure that any such Property Appraiser and Tax Collector Agreement remains in effect for at least as long as the final maturity of Bonds Outstanding under this Master Indenture. The Issuer shall provide to the dissemination agent under the applicable Continuing Disclosure Agreement a list of all properties where the Special Assessments relating to the Series of Bonds subject to the applicable Continuing Disclosure Agreement which are being billed directly, and have not been paid within sixty (60) days of the due date of such Special Assessments and the current status of any foreclosure actions currently in progress and the current status of the delinquent Special Assessments. The Issuer covenants to comply with all proceedings relating to the imposition and collection of the Special Assessments and will not make material amendments to any assessment methodology relating to the Special Assessments without the written consent of the Majority Holders.

SECTION 9.05. [RESERVED].

SECTION 9.06. [RESERVED].

SECTION 9.07. Books and Records with Respect to Special Assessments. In addition to the books and records required to be kept by the Issuer pursuant to the provisions of Section 9.17 hereof, the Issuer shall keep books and records for the collection of the Special Assessments on the District Lands, which such books, records and accounts shall be kept separate and apart from all other books, records and accounts of the Issuer. The District Manager or the District Manager's designee, at the end of each Fiscal Year, shall prepare a written report setting forth the collections received, the number and amount of delinquencies, the proceedings taken to enforce collections and cure delinquencies and an estimate of time for the conclusion of such legal proceedings. A signed copy of such audit shall, as soon as practicable after such audit, become available and shall, upon written request, be mailed to any Registered Owner.

SECTION 9.08. Removal of Special Assessment Liens. Except as otherwise provided in a Supplemental Indenture with respect to a related Series of Bonds, the following procedures shall apply in connection with the removal of Special Assessment liens:

(a) At any time subsequent to thirty (30) days after the Project has been completed within the meaning of Section 5.01(c) hereof and the Board has adopted a resolution accepting the Project as provided by Section 170.09, Florida Statutes, as amended, any owner of property subject to the Special Assessments may, at its option, and under certain circumstances

**SECTION 9.03. Special Assessments; Re-Assessments.**

(a) The Issuer shall levy Special Assessments, and, unless the Issuer collects the Special Assessments directly under the conditions set forth herein, evidence and certify the same to the Tax Collector or shall cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable, and Section 9.04 hereof, to the extent and in an amount sufficient to pay Debt Service Requirements on all Outstanding Bonds. The Issuer shall also diligently collect any true-up payments that the Developer is required to make. The Issuer covenants and agrees that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of this Master Indenture, as supplemented in connection with the Series of Bonds as to which the Event of Default occurred, including the remedial provisions for collection of delinquent Special Assessments, the provisions for foreclosure of liens of delinquent Special Assessments and delinquent operation and maintenance assessments, and will take such other remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Holders of the Series of Bonds as to which the Event of Default occurred.

(b) If any Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the Issuer shall be satisfied that any such Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the Issuer shall have omitted to make such Special Assessment when it might have done so, the Issuer shall either (i) take all necessary steps to cause a new Special Assessment to be made for the whole or any part of said improvement or against any property benefited by said improvement, or (ii) in its sole discretion, make up the amount of such Special Assessment from any legally available moneys, which moneys shall be deposited into the applicable Series Account in the Revenue Fund. In case such second Special Assessment shall be annulled, the Issuer shall obtain and make other Special Assessments until a valid Special Assessment shall be made.

SECTION 9.04. Method of Collection. Special Assessments shall be collected by the Issuer in accordance with the provisions of the Act and Chapter 197, Florida Statutes, or any successor statutes thereto, as applicable, in accordance with the terms of this Section. Except as stated in the next succeeding sentence or during the continuance of an Event of Default and the Majority Holders of a Series of Bonds are providing direction as to the method of collection, the Issuer shall use the uniform method for the levy, collection and enforcement of Special Assessments afforded by Sections 197.3631, 197.3632 and 197.3635, Florida Statutes, or any successor statutes thereto (the "Uniform Method"), and to do all things necessary to continue to use the Uniform Method or a comparable alternative method afforded by Section 197.3631, Florida Statutes. Notwithstanding the foregoing, the Issuer shall not collect Special Assessments pursuant to the Uniform Method levied against District Lands and will direct bill the applicable landowners for the same either prior to platting of such lands or if the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders of the applicable Series of Bonds directs the Issuer otherwise upon an Event of Default. Upon any failure of any property owner to pay an installment of Special Assessments when due (with respect Special Assessments collected directly by the Issuer), the entire Special Assessment on the parcel or parcels as to which such delinquency pertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the Issuer either on its

described in the assessment resolutions in connection with prepayments derived from application of the "True-Up" mechanism therein, require the Issuer, upon receipt of the prepayment by the Trustee, to release and extinguish the lien, in whole or in part, upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire amount or a portion, as the case may be, of the Special Assessment, plus accrued interest, attributable to the property subject to Special Assessment owned by such owner to the earlier of the next Interest Payment Date occurring at least forty-five (45) days after the Trustee receives such Prepayment. If any such prepayment of Special Assessments shall occur within thirty (30) days after the Project has been completed and the Board has adopted a resolution accepting the Project as provided in Section 170.09, Florida Statutes, as amended, no accrued interest shall be required to be paid unless such right has been irrevocably waived by the landowners within the District. The Issuer shall promptly notify the Trustee in writing of any Prepayment made under such circumstances. Accrued interest on any Bonds that would be redeemed as a result of such Prepayment made within thirty (30) days after the Board has adopted a resolution accepting the Project shall be derived from moneys on deposit in the Interest Account or capitalized interest account and if no moneys remain, from moneys on deposit in the Debt Service Reserve Account or as otherwise provided pursuant to the applicable Supplemental Indenture.

(b) Upon receipt of a Prepayment as described in (a) above, the Issuer shall within five (5) Business Days pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the County an affidavit or affidavits as the case may be, executed by an authorized officer of the Issuer to the effect that the Special Assessment has been paid in full or in part and that such Special Assessment lien is thereby released and extinguished if paid in full or such Special Assessment lien shall be reduced if the landowner only made a partial Prepayment. Upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof. In connection with such Prepayment, the Trustee shall calculate the credit authorized pursuant to Section 6.05 hereof, and transfer such credit to the Bond Redemption Fund to be used together with such Prepayment for the redemption of Bonds in accordance with Section 8.01(b)(i) hereof.

(c) Notwithstanding the foregoing, and consistent with the proceedings of the Issuer relating to the imposition and levy of the Special Assessments, the owner of property (including the Developer) may at any time require the Issuer to release and extinguish the lien upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire amount of the Special Assessment, plus accrued interest to the next succeeding Interest Payment Date (or the second succeeding Interest Payment Date if such prepayment is made within forty-five (45) calendar days before an Interest Payment Date), attributable to the property subject to Special Assessment owned by such owner. In lieu of such Prepayment with cash, an owner of property within the District may surrender to the District for cancellation to completely extinguish the lien on such property or reduce the lien equally on every portion of such property, a principal amount of Outstanding Bonds of a Series that is secured by Special Assessments levied against such property.

(d) Upon receipt of a prepayment as described in (a), (b) or (c) above, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official land records of the County an affidavit or affidavits, as the

42

43

case may be, executed by an authorized officer of the Issuer to the effect that the Special Assessment has been paid and that such Special Assessment lien is thereby released and extinguished. Except as otherwise provided by a Supplemental Indenture, upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the applicable Series Account within the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof.

**SECTION 9.09. Deposit of Special Assessments.** The Issuer covenants to cause any Special Assessments collected or otherwise received by it to be deposited with the Trustee within five (5) Business Days after receipt thereof for deposit into the related Series Account of the Revenue Fund (except that amounts received as prepayments of Special Assessments shall be designated by the Issuer as such upon delivery to the Trustee and shall be deposited directly into the related Series Account within the Bond Redemption Fund). In connection with any payment of Special Assessments referred to in the prior sentence, the Issuer shall provide advance written notice to the Trustee of the amount of the payment and the Series account within either of the Revenue Fund or Bond Redemption Fund to which such payment relates.

**SECTION 9.10. Construction to be on District Lands.** Except for certain off site mitigation, roadway and possibly landscaping improvements which are or may be outside the District Lands and are required in order for the District Lands to be developed, the Issuer covenants that no part of the Project will be constructed on, over or under lands other than (i) lands good and marketable title to which is owned by the Issuer or other appropriate entity in fee simple, (ii) lands on, over or under which the Issuer or other appropriate entity shall have acquired perpetual easements for the purposes of the Project, or (iii) lands, including public streets and highways, the right to the use and occupancy of which for such purposes shall be vested in the Issuer or other appropriate entity by law or by valid franchises, licenses, easements or rights of way or other legally effective permissions or approval.

**SECTION 9.11. Operation, Use and Maintenance of Project.** The Issuer shall establish and enforce reasonable rules and regulations governing the use of the Project owned by the Issuer, and the operation thereof, such rules and regulations to be adopted in accordance with the Act, and the Issuer shall operate, use and maintain the Project owned by the Issuer in accordance with the Act and all other applicable federal and State laws, rules and regulations; the Issuer shall maintain and operate the Project owned by the Issuer in an efficient and economical manner, shall at all times maintain the same in good repair and in sound operating condition and shall make all necessary repairs, renewals and replacements.

**SECTION 9.12. Observance of and Compliance with Valid Requirements.** The Issuer shall pay all municipal or governmental charges lawfully levied or assessed upon any Project or any part thereof or upon any revenues when the same shall become due, and the Issuer shall duly observe and comply with all valid requirements of any municipal or governmental authority relative to each Project. The Issuer shall not, except as otherwise permitted in Section 9.24 hereof, create or suffer to be created any lien or charge upon any Project or upon Pledged Revenues, except the lien and charge of the Bonds on the Pledged Revenues.

**SECTION 9.13. Payment of Operating or Maintenance Costs by State or Others.** The Issuer may permit the United States of America, the State, or any of their agencies, departments

44

directly into the related Series Account within the Bond Redemption Fund pursuant to clause (ii) of this paragraph) unless there shall have been filed with the Issuer within a reasonable time after the damage, destruction or condemnation (A) a certificate from the Consulting Engineer that the proceeds of the insurance or condemnation awards deposited into such separate fund, together with other funds available for such purposes, will be sufficient to repair, rebuild, replace or restore such property to substantially the same condition as it was in prior to its damage, destruction or condemnation (taking into consideration any changes, alterations and modifications that the Issuer may desire), (B) an opinion from the Consulting Engineer that the Project can be repaired, rebuilt, replaced or restored within two (2) years following the damage, destruction or condemnation thereof and (C) an opinion of the Consulting Engineer that, in each of the three (3) Fiscal Years following completion of such repair, rebuilding, replacement or restoration, the Issuer will be in compliance with its obligations hereunder. If the certificate described in clause (A) of this paragraph is not rendered because such proceeds or awards are insufficient for such purposes, the Issuer may deposit any other legally available funds in such separate fund in an amount required to enable the Consulting Engineer to render its certificate. If the insurance proceeds or condemnation awards deposited in such separate fund are more than sufficient to repair the damaged property or to replace the destroyed or taken property, the balance thereof remaining shall be deposited to the credit of the related Series Account in the Revenue Fund.

(d) The Issuer shall be entitled to provide all or a portion of the insurance coverage required by subsections (a) and (b) of this Section through Qualified Self Insurance, provided that the requirements hereinafter set forth in this subsection (d) are satisfied. "Qualified Self Insurance" means insurance maintained through a program of self-insurance or insurance maintained with a company or association in which the Issuer has a material interest or of which the Issuer has control, either singly or with others.

Prior to participation in any plan of Qualified Self Insurance not currently in effect, the Issuer shall obtain a certificate of compliance executed by the District Manager or a licensed insurance agent selected by the District Manager to the effect that (A) the proposed Qualified Self Insurance plan will provide the coverage required by subsections (a) and (b) of this Section, and (B) the proposed Qualified Self Insurance plan provides for the creation of actuarially sound reserves.

Each plan of Qualified Self Insurance shall be in written form, shall provide that upon the termination of such plan reserves will be established or insurance acquired in amounts adequate to cover any potential retained liability in respect of the period of self-insurance, and shall be reviewed annually by the District Manager or registered actuary who shall deliver to the Issuer a report on the adequacy of the reserves established thereunder in light of claims made. If the District Manager or registered actuary determines that such reserves are inadequate in light of the claims made, he shall make recommendations as to the amount of reserves that should be established and maintained, and the Issuer shall comply with such recommendations unless it can establish to the satisfaction of the District Manager or an insurance consultant retained by the Issuer that such recommendations are unreasonable in light of the nature of the claims or the history of recovery against the Issuer for similar claims.

(e) Copies of all recommendations and approvals made by the Consulting Engineer under the provisions of this Section shall be filed with the District Manager.

or political subdivisions to pay all or any part of the cost of maintaining, repairing and operating the Project out of funds other than Pledged Revenues.

**SECTION 9.14. Public Liability and Property Damage Insurance; Maintenance of Insurance; Use of Insurance and Condemnation Proceeds.**

(a) Except as otherwise provided in subsection (d) of this Section, the Issuer will carry or cause to be carried, in respect of each Project, comprehensive general liability insurance (covering bodily injury and property damage) issued by one or more insurance companies authorized and qualified to do business under the laws of the State, in such amounts as is customary for similar operations, or as is more specifically set forth hereinbelow.

(b) At all times, to the extent commercially available, the Issuer shall maintain a practical insurance program, with reasonable terms, conditions, provisions and costs which the District Manager determines will afford adequate protection against loss caused by damage to or destruction of any component of any Project owned by the Issuer. Limits for such coverage will be subject to the Consulting Engineer's recommendations. The Issuer shall also, at all times, maintain a practical comprehensive general liability insurance program with respect to any Project for such coverage, with such reasonable terms, conditions, provisions and costs as the District Manager determines will afford adequate protection against bodily injury and property damage.

All insurance policies of the Issuer relating to any Project shall be carried with companies authorized to do business in the State, with a Best rating of no less than "A" as to management and Class "V" as to financial strength; provided, however, that if, in the opinion of the District Manager, adequate insurance protection under reasonable terms, conditions, provisions and cost cannot be purchased from an insurance company with the above-designated ratings, then the District Manager, on behalf of the Issuer, may secure such insurance protection as the Issuer determines to be in its best interests and otherwise consistent with this Master Indenture and any Supplemental Indenture; provided further, however, that the Issuer may act as a self-insurer in accordance with the requirements of subsection (d) hereof. All policies providing the insurance coverages required by this Section shall designate the Issuer as the loss-payee and shall be made payable to the Issuer.

(c) All proceeds received from property damage or destruction insurance and all proceeds received from the condemnation of any Project or any part thereof are hereby pledged by the Issuer as security for the related Series of Bonds and shall be deposited at the option of the Issuer, but subject to the limitations hereinafter described, either (i) into a separate fund to be established by the Trustee for such purpose which may be an Account within the Acquisition and Construction Fund as directed by the Issuer, and used to remedy the loss, damage or taking for which such proceeds are received, either by repairing the damaged property or replacing the destroyed or taken property, as soon as practicable after the receipt of such proceeds, or (ii) if so provided in a Supplemental Indenture, into the related Series Account within the Bond Redemption Fund for the purpose of purchasing or redeeming Bonds according to the provisions set forth in Article VIII hereof. To the extent a Supplemental Indenture provides for extraordinary mandatory redemption in the event the Issuer receives insurance proceeds or condemnation awards, the Issuer shall not be entitled to deposit insurance proceeds or condemnation awards into the separate fund described above in clause (i) of this paragraph (and such proceeds and awards shall be deposited

45

**SECTION 9.15. Collection of Insurance Proceeds.** Copies of all insurance policies referred to in Section 9.14 of this Article shall be available at the offices of the Issuer at all reasonable times to the inspection of the Holders of the Bonds and their agents and representatives duly authorized in writing. The Issuer covenants that it will take such action as may be necessary to demand, collect and sue for any insurance money which may become due and payable under any policy of insurance required under this Master Indenture or any Supplemental Indenture, whether such policy is payable to the Issuer or to the Trustee. The Trustee is hereby authorized in its own name to demand, collect, sue and receive any insurance money which may become due and payable under any policies payable to it.

**SECTION 9.16. Use of Revenues for Authorized Purposes Only.** None of the Pledged Revenues shall be used for any purpose other than as provided in this Master Indenture and the related Supplemental Indenture and no contract or contracts shall be entered into or any action taken by the Issuer or the Trustee which will be inconsistent with the provisions of this Master Indenture and the related Supplemental Indenture.

**SECTION 9.17. Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the Issuer, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the Issuer, to the extent permitted by applicable law, shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the Issuer, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The Issuer agrees that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

The Issuer acknowledges and agrees that, although the Affected Bonds were issued by the Issuer, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake with respect to the Affected Bonds and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the Issuer, to the extent permitted by applicable law, hereby agrees that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture; (b) to the extent permitted by applicable law, the Issuer hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) to the extent permitted by applicable law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding and all claims of the Issuer, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the Issuer, including without limitation, motions seeking relief from the automatic stay, dismissal of the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the Issuer shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the Issuer in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a bankruptcy plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the Issuer shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the Issuer claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the Issuer agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the Issuer a copy thereof, together with evidence

of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing in this Section shall preclude the Issuer from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments and the Issuer shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the Issuer in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Special Assessments relating to the Bonds Outstanding whether such claim is pursued by the Issuer or the Trustee.

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing such Series of Bonds.

SECTION 10.05. Discontinuance of Proceedings by Trustee. If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, the Issuer, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

(f) written notice shall have been received by the Trustee from a Credit Facility Issuer securing Bonds of such Series that an event of default has occurred under the Credit Facility Agreement, or there shall have been a failure by said Credit Facility Issuer to make said Credit Facility available or to reinstate the interest component of said Credit Facility in accordance with the terms of said Credit Facility, to the extent said notice or failure is established as an event of default under the terms of a Supplemental Indenture; or

SECTION 10.09. Remedies Not Exclusive. Except as limited under Section 15.01 of this Master Indenture, no remedy contained in the Indenture with respect to a Series of Bonds is intended to be exclusive of any other remedy or remedies, and each remedy is in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

SECTION 10.10. Delays and Omissions Not to Impair Rights. No delay or omission in respect of exercising any right or power accruing upon any Event of Default shall impair such right or power or be a waiver of such Event of Default, and every remedy given by this Article X may be exercised from time to time and as often as may be deemed expedient.

SECTION 10.11. Application of Moneys in Event of Default. Any moneys received by the Trustee or the Paying Agent, as the case may be, in connection with any proceedings brought under this Article X with respect to a Series of Bonds shall be applied in the following order of priority:

55

SECOND: to payment to the persons entitled thereto of the unpaid principal or Redemption Price of any of the Bonds of such Series which shall have become due in the order of their due dates, with interest on such Bonds from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full the principal or Redemption Price coming due on such Bonds on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any preference or priority of one such Bond of a Series over another or of any installment of interest over another.

Any surplus remaining after the payments described above shall be paid to the Issuer or to the Person lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

For purposes of the application of moneys described above, to the extent payments of principal of and interest on a Series of Bonds shall have been made under a Credit Facility relating thereto, the Credit Facility Issuer shall be entitled to moneys in the related Series Accounts in the Debt Service Fund in accordance with the agreement pursuant to which such Credit Facility has been issued (but subject to subsection (a) hereof and Section 11.04 hereof) and the Certified Resolution of the Issuer authorizing the issuance of such Bonds to which such Credit Facility relates.

Anything in the Indenture to the contrary notwithstanding, if any Event of Default, other than Events of Default described in Section 10.02(a) or (b) hereof, has occurred and is continuing while a Credit Facility securing all or a portion of such Bonds of a Series Outstanding is in effect, the Credit Facility Issuer shall have the right, in lieu of the Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility, by an instrument in writing, executed and delivered to the Trustee, to direct the time, method and place of conducting all remedial proceedings available to the Trustee under the Indenture, or exercising any trust or power conferred on the Trustee by the Indenture. Said direction shall be controlling to the extent the direction of Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility would have been controlling under this Article. If the Credit Facility Issuer shall be in default in the performance of its obligations under the Credit Facility, said Credit Facility Issuer shall have no rights under this Section.

except in the case of a default in payment of principal or interest or Redemption Price, the Trustee may withhold such notice so long as it in good faith determines that such withholding is in the interest of the Bondholders. The Trustee shall not be deemed to have notice of any default other than a payment default under this Master Indenture and any Supplemental Indenture or a notification by a Credit Facility Issuer of a default under its Credit Facility, unless notified in writing of such default by the Holders of at least a majority of the aggregate principal amount of the Outstanding Bonds of a Series. The Trustee may, however, at any time require of the Issuer full information as to the performance of any covenant hereunder, and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the Issuer, an investigation into the affairs of the Issuer.

The Trustee shall have no responsibility for actions taken at the direction of the Majority Holders.

SECTION 11.08. Reliance by Trustee. The Trustee may act on any requisition, resolution, notice, verifiable electronic communication, telegram, facsimile transmission, request, consent, waiver, certificate, statement, affidavit, voucher, bond, or other paper or document which it in good faith believes to be genuine and to have been passed, signed or given by the persons purporting to be authorized (which in the case of the Issuer shall be a Responsible Officer) or to have been prepared and furnished pursuant to any of the provisions of this Master Indenture and any Supplemental Indenture; the Trustee shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement.

SECTION 11.09. Trustee May Deal in Bonds. The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Bondholders may be entitled to take with like effect as if the Trustee were not a party to this Master Indenture and any Supplemental Indenture. The Trustee shall act as Trustee under this Master Indenture. Subject to the provisions of Section 11.03 hereof, the Trustee shall have only such duties as are expressly set forth herein, and no duties shall be implied on the part of the Trustee.

SECTION 11.04. Compensation and Indemnity. The Issuer shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, and shall, to the extent permitted by law, indemnify and hold the Trustee harmless against any liabilities which it may incur in the proper exercise and performance of its powers and duties hereunder, except with respect to its own willful misconduct or negligence hereunder. If the Issuer defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys held by the Trustee or coming into its hands but exclusive of the Rebate Fund and moneys from a drawing on any Credit Facility, which right of payment shall be prior to the right of the holders of the Bonds. The Trustee shall each month, along with its monthly trust statements, provide periodic reports of any moneys the Trustee has deducted for amounts owing to it. This Section 11.04 shall survive the termination of this Master Indenture and any Supplemental Indenture and, as to any Trustee, its removal or resignation as Trustee. No provision of this Master Indenture shall require the Trustee to expend or risk its own funds.

SECTION 11.05. No Duty to Renew Insurance. The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the Issuer to require or effect or renew insurance or to report or file claims of loss thereunder.

SECTION 11.06. Notice of Default; Right to Investigate. Such resignation shall take effect on the day specified in the Trustee's notice of resignation unless a successor Trustee is previously appointed, in which event the resignation shall take effect immediately on the appointment of such successor; provided, however, that notwithstanding the foregoing, such resignation shall not take effect until a successor Trustee has been appointed. If a successor Trustee has not been appointed within ninety (90) days after the Trustee has given its notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has been duly appointed. Notice of such resignation shall also be given to any rating agency that shall then have in effect a rating on any of the Bonds.

SECTION 11.12. Removal of Trustee. The Trustee may be removed at any time by either (a) the Issuer, if no default exists under this Master Indenture or any Supplemental Indenture, or (b) an instrument or concurrent instruments in writing, executed by the Owners of at least a majority of the aggregate principal amount of the Bonds then Outstanding and filed with the Issuer. A photographic copy of any instrument or instruments filed with the Issuer under the provisions of this paragraph, duly certified by a Responsible Officer, shall be delivered promptly by the Issuer to the Trustee and to any Paying Agent, Registrar and Credit Facility Issuer, if any.

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Master Indenture or any Supplemental Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the Issuer or the Holders of not less than a majority of the aggregate principal amount of the Bonds then Outstanding.

SECTION 11.13. Appointment of Successor Trustee. If the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and the Issuer shall appoint a successor and shall mail notice of such appointment by first-class mail to each Bondholder as its name and address appear on the Bond Register, and to the Paying Agent, Registrar, Credit Facility Issuer, if any, and any rating agency that shall then have in effect a rating on any of the Bonds. If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Master Indenture prior to the date specified in the notice of resignation or removal as the date when such resignation or removal was to take effect, the Majority Holders in aggregate principal amount of all Bonds then Outstanding may appoint a successor Trustee or the Trustee may petition a court of competent jurisdiction for the appointment of a successor Trustee.

SECTION 11.14. Qualification of Successor. A successor Trustee shall be a bank or trust company with trust powers, having a combined net capital and surplus of at least \$50,000,000.

SECTION 11.15. Instruments of Succession. Subject to Section 11.16 hereof, any successor Trustee shall execute, acknowledge and deliver to the Issuer an instrument accepting such appointment hereunder and thereupon, such successor Trustee, without any further act, deed, or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor in trust hereunder, with like effect as if originally named Trustee herein. The Trustee ceasing to act hereunder, after deducting all amounts owed to the

Trustee, shall pay over to the successor Trustee all moneys held by it hereunder and, upon request of the successor Trustee, the Trustee ceasing to act and the Issuer shall execute and deliver an instrument or instruments prepared by the Issuer transferring to the successor Trustee all the estates, properties, rights, powers and trusts hereunder of the predecessor Trustee, except for its rights under Section 11.04 hereof.

The Trustee may not resign as the Paying Agent or the Registrar without resigning as Trustee.

SECTION 11.17. Extension of Rights and Duties of Trustee to Paying Agent and Registrar. The provisions of Sections 11.02, 11.03, 11.04, 11.08, 11.09 and 11.10 hereof are hereby made applicable to the Paying Agent and the Registrar, as appropriate, and any Person serving as Paying Agent and/or Registrar, hereby enters into and agrees to comply with the covenants and agreements of this Master Indenture and all Supplemental Indentures applicable to the Paying Agent and Registrar, respectively.

SECTION 11.18. Resignation of Paying Agent or Registrar. The Paying Agent or Registrar may resign and be discharged of the duties created by this Master Indenture and all Supplemental Indentures by executing an instrument in writing resigning such duties and specifying the date when such resignation shall take effect, and filing the same with the Issuer, the Trustee, and any rating agency that shall then have in effect a rating on any of the Bonds, not less than forty-five (45) days before the date specified in such instrument when such resignation shall take effect, and by giving written notice of such resignation not less than three (3) weeks prior to such resignation date to the Bondholders, mailed to their addresses as such appear in the Bond Register. Such resignation shall take effect on the date specified in such instrument and notice, but only if a successor Paying Agent or Registrar shall have been appointed as hereinafter provided, in which event such resignation shall take effect immediately upon the appointment of such successor Paying Agent or Registrar. If the successor Paying Agent or Registrar shall not have been appointed within a period of ninety (90) days following the giving of notice, then the Paying Agent or Registrar shall be authorized to petition any court of competent jurisdiction to appoint a successor Paying Agent or Registrar as provided in Section 11.22 hereof.

SECTION 11.19. Removal of Paying Agent or Registrar. The Paying Agent or Registrar may be removed at any time prior to any Event of Default by the Issuer by filing with the Paying Agent or Registrar to be removed, and with the Trustee, an instrument or instruments in writing executed by the Issuer appointing a successor, or an instrument or instruments in writing designating, and accompanied by an instrument or appointment by the Issuer of, such successor. Such removal shall be effective thirty (30) days (or such longer period as may be set forth in such

instrument) after delivery of the instrument; provided, however, that no such removal shall be effective until the successor Paying Agent or Registrar appointed hereunder shall execute, acknowledge and deliver to the Issuer an instrument accepting such appointment hereunder.

SECTION 11.20. Appointment of Successor Paying Agent or Registrar. In case at any time the Paying Agent or Registrar shall be removed, or be dissolved, or if its property or affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy, or for any other reason, then a vacancy shall forthwith and ipso facto exist in the office of the Paying Agent or Registrar, as the case may be, and a successor shall be appointed by the Issuer; and in case at any time the Paying Agent or Registrar shall resign, then a successor shall be appointed by the Issuer. After any such appointment, notice of such appointment shall be given by the Issuer to the predecessor Paying Agent or Registrar, the successor Paying Agent or Registrar, the Trustee, the Credit Facility Issuer, if any, any rating agency that shall then have in effect a rating on any of the Bonds, and all Bondholders. Any new Paying Agent or Registrar so appointed shall immediately, and without further act, supersede the predecessor Paying Agent or Registrar.

SECTION 11.21. Qualifications of Successor Paying Agent or Registrar. Every successor Paying Agent or Registrar (a) shall be a commercial bank or trust company (i) duly organized under the laws of the United States or any state or territory thereof, (i) authorized by law to perform all the duties imposed upon it by this Master Indenture and all Supplemental Indentures and (iii) capable of meeting its obligations hereunder, and (b) shall have a combined net capital and surplus of at least \$50,000,000.

SECTION 11.22. Judicial Appointment of Successor Paying Agent or Registrar. In case at any time the Paying Agent or Registrar shall resign and no appointment of a successor Paying Agent or Registrar shall be made pursuant to the foregoing provisions of this Master Indenture prior to the date specified in the notice of resignation as the date when such resignation is to take effect, the retiring Paying Agent or Registrar may forthwith apply to a court of competent jurisdiction for the appointment of a successor Paying Agent or Registrar. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor Paying Agent or Registrar. Notice of such appointment shall be given by the Successor Registrar or Paying Agent to the Issuer, the Trustee, the Credit Facility Issuer, if any, any rating agency that shall then have in effect a rating on any of the Bonds, and all Bondholders. In the absence of such an appointment, the Trustee shall become the Registrar or Paying Agent, and shall so notify the Issuer, any rating agency that shall then have in effect a rating on the Bonds, and all Bondholders.

SECTION 11.23. Acceptance of Duties by Successor Paying Agent or Registrar. Any successor Paying Agent or Registrar shall become duly vested with all the estates, property, rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named Paying Agent or Registrar herein. Upon request of such Paying Agent or Registrar, such predecessor Paying Agent or Registrar and the Issuer shall, after payment of its fees and expenses, execute and deliver an instrument transferring to such successor Paying Agent or Registrar all the estates, property, rights and powers hereunder of such predecessor Paying Agent or Registrar, except for its rights under Section 11.04 hereof, and such predecessor Paying Agent or Registrar shall pay over and deliver to the successor Paying Agent or Registrar all moneys and other assets at the time held by it hereunder.

In the case of any partial redemption of Bonds pursuant to an extraordinary mandatory redemption, such redemption shall be effectuated by redeeming Bonds pro rata among the maturities, treating each date on which a Sinking Fund Installment is due as a separate maturity for such purpose, with the portion to be redeemed from each maturity being equal to the product of the aggregate principal amount of Bonds to be redeemed multiplied times a fraction the numerator of which is the principal amount of Bonds of such maturity outstanding immediately prior to the redemption date and the denominator of which is the aggregate principal amount of all Bonds outstanding immediately prior to the redemption date.

The Issuer, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute

Pursuant to the Master Indenture, the Trustee shall establish a separate Account within the Acquisition and Construction Fund designated as the "Series 2024 Costs of Issuance Account." Net proceeds of the Assessment Area Three Bonds shall be deposited into the Series 2024 Costs of Issuance Account in the amount set forth in Section 2.06 of this Third Supplemental Indenture. Upon presentment to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2024 Costs of Issuance Account to pay the costs of issuing the Assessment Area Three Bonds. Six months after the issuance of the Assessment Area Three Bonds, any moneys remaining in the Series 2024 Costs of Issuance Account in excess of the amounts requested to be disbursed by the Issuer shall be deposited into the Series 2024 Interest Account. Any deficiency in the amount allocated to pay the cost of issuing the Assessment Area Three Bonds shall be paid from excess Assessment Area Three Pledged Revenues on deposit in the Series 2024 Revenue Account in accordance with Section 4.02 SEVENTH. than the principal amount of Assessment Area Three Bonds indebtedness attributable to such lands.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer or the District Manager, on behalf of the Issuer, receives notice that a landowner wishes to prepay its Assessment Area Three Special Assessments relating to the benefited property of such landowner within the Assessment Area Three within the District, or as a result of a mandatory true-up payment, the Issuer shall cause the District Manager, on behalf of the Issuer, to calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2024 Prepayment Principal due by the amount of money in the Series 2024 Reserve Account that will be in excess of the Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2024 Reserve Account shall be transferred by the Trustee to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Assessment Area Three Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing, and as further described in the next succeeding paragraph, upon satisfaction of the Release Conditions #1 or Release Conditions #2, as the case may be, the Trustee shall deposit such excess on deposit in the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account and pay such amount deposited in the Series 2024 Acquisition and Construction Account to the Person or Persons designated in a requisition in the form attached hereto as Exhibit "C" submitted to the Issuer by the Developer which requisition shall be executed by the Issuer and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided that there are Costs of the Assessment Area Three Project that were not paid from moneys initially deposited in the Series 2024 Acquisition and Construction Account and the Trustee has on file one or more properly executed unfunded requisitions. In the event there are multiple unfunded requisitions on file with the Trustee, the Trustee shall fund such requisitions in the order the Trustee has received them (from oldest to newest). In the event that there are no unfunded requisitions on file with the Trustee, such excess moneys transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account shall be deposited into the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

Upon satisfaction of the Release Conditions #1 or Release Conditions #2 as evidenced by a written certificate of the District Manager delivered to the Issuer and the Trustee, stating that the Release Conditions #1 or Release Conditions #2 have been satisfied and setting forth the amount of the new Series 2024 Reserve Requirement, the Trustee shall without further direction reduce the Series 2024 Reserve Requirement to either fifty percent (50%) of the maximum annual debt service of the then Outstanding principal amount of the Assessment Area Three Bonds, as calculated by the District Manager, upon satisfaction of Release Conditions #1 or ten percent (10%) upon satisfaction of Release Conditions #2 of the maximum annual debt service of the then Outstanding principal amount of the Assessment Area Three Bonds as calculated by the District Manager. The excess amount in the Series 2024 Reserve Account as a result of satisfaction of Release Conditions #1 or Release Conditions #2 shall be transferred to the Series 2024 Acquisition

Net proceeds of the Assessment Area Three Bonds shall be deposited into the Series 2024 Reserve Account in the amount set forth in Section 2.06 of this Third Supplemental Indenture, and such moneys, together with any other moneys deposited into the Series 2024 Reserve Account shall be applied for the purposes provided therein and in this Section 4.01(f) of this Third Supplemental Indenture.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2024 Reserve Account and, prior to the Completion Date, transfer any excess therein above the Reserve Requirement for the Assessment Area Three Bonds caused by investment earnings to the Series 2024 Acquisition and Construction Account and after the Completion Date to the Series 2024 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2024 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Assessment Area Three Bonds to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Assessment Area Three Special Assessments and applied to redeem a portion of the Assessment Area Three Bonds is less

In addition, in the event of an extraordinary mandatory redemption pursuant to Section 3.01(b)(iii), the Issuer, or the District Manager on behalf of the Issuer, shall calculate the Reserve Requirement and communicate the same to the Trustee and the Trustee shall apply any resulting excess in the Series 2024 Reserve Account, based on the Reserve Requirement calculated by the District Manager, toward such extraordinary mandatory redemption.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the "Series 2024 Bond Redemption Account" and within such Account, a "Series 2024 General Redemption Subaccount," a "Series 2024 Optional Redemption Subaccount," and a "Series 2024 Prepayment Subaccount." Except as otherwise provided in this Third Supplemental Indenture regarding Prepayments or in connection with the optional redemption of the Assessment Area Three Bonds, moneys to be deposited into the Series 2024 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

(h) Moneys that are deposited into the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account (including all earnings on investments held therein) shall be used to call Assessment Area Three Bonds for the extraordinary mandatory redemption in whole, pursuant to Section 3.01(b)(ii) hereof or in part pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account (including all earnings on investments held in such Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Assessment Area Three Bonds equal to the amount of money transferred to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof.

(j) The Issuer hereby directs the Trustee to establish a Series 2024 Rebate Fund designated as the "Series 2024 Rebate Fund." Moneys shall be deposited into the Series 2024 Rebate Fund, as provided in the Arbitrage Certificate and applied for the purposes provided therein.

(k) Any moneys on deposit in the Series 2024 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Assessment Area Three Bonds pursuant to Section 3.01(a) hereof.

**SECTION 4.02. Series 2024 Revenue Account.** The Trustee shall transfer from amounts on deposit in the Series 2024 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each November 1 commencing November 1, 2024, to the Series 2024 Interest Account of the

21

Debt Service Fund, an amount equal to the interest on the Assessment Area Three Bonds becoming due on the next succeeding November 1, less any amounts on deposit in the Series 2024 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each May 1 commencing May 1, 2025, to the Series 2024 Interest Account of the Debt Service Fund, an amount equal to the interest on the Assessment Area Three Bonds becoming due on the next succeeding May 1, less any amounts on deposit in the Series 2024 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each May 1, commencing May 1, 2025, to the Series 2024 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Assessment Area Three Bonds subject to sinking fund redemption on such May 1, less any amounts on deposit in the Series 2024 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding each May 1, which is a principal payment date for any Assessment Area Three Bonds, to the Series 2024 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Assessment Area Three Bonds Outstanding maturing on such May 1, less any amounts on deposit in the Series 2024 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Assessment Area Three Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2024 Interest Account, the amount necessary to pay interest on the Assessment Area Three Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Assessment Area Three Bonds remain Outstanding, to the Series 2024 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Assessment Area Three Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2024 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Assessment Area Three Bonds and next, any balance in the Series 2024 Revenue Account shall remain on deposit in such Series 2024 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2024 Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

**SECTION 4.03. Power to Issue Assessment Area Three Bonds and Create Lien.** The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Assessment Area Three Bonds, to execute and deliver the Indenture and to pledge the Assessment Area Three Pledged Revenues for the benefit of the Assessment Area Three Bonds to the extent set forth herein. The Assessment Area Three Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Assessment Area Three

22

in whole or in part and that such Series 2024 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

(c) The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Series 2024 Prepayment Principal. The Trustee shall calculate the amount available for extraordinary mandatory redemption of the Assessment Area Three Bonds pursuant to Section 3.01(b)(i) hereof forty-five (45) days before each Quarterly Redemption Date being a March 15, June 15, September 15, or December 15 and will withdraw money from the Series 2024 Reserve Account as a credit against the amount of Prepayment that is owed in an amount as directed by the Issuer or the District Manager on behalf of the Issuer in accordance with Section 4.01(f) hereof and Section 4.05(a) hereof. No credit shall be given if as a result the Reserve Requirement shall be less than is required after taking into account the proposed extraordinary mandatory redemption pursuant to Section 3.01(b)(i) hereof. At any time such Prepayment is not in an integral multiple of \$5,000, the Trustee shall withdraw moneys from the Series 2024 Revenue Account to round-up to an integral multiple of \$5,000 and deposit such amount into the Series 2024 Prepayment Subaccount. Notwithstanding the foregoing, the Trustee shall not be authorized to withdraw any moneys from the Series 2024 Revenue Account unless all of the deposits required under Section 4.02 hereof have or can be made to the next succeeding Interest Payment Date.

Bonds, except as otherwise permitted under the Master Indenture. The Assessment Area Three Bonds and the provisions of the Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Indenture and all the rights of the Owners of the Assessment Area Three Bonds under the Indenture against all claims and demands of all persons whomsoever.

**SECTION 4.04. Assessment Area Three Project to Conform to Consulting Engineers Report.** Upon the issuance of the Assessment Area Three Bonds, the Issuer will promptly proceed to construct or acquire the Assessment Area Three Project, as described in Exhibit A hereto and in the Consulting Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

**SECTION 4.05. Prepayments: Removal of the Series 2024 Special Assessment Liens.**

(a) At any time any owner of property subject to the Assessment Area Three Special Assessments may, at its option, or as a result of acceleration of the Assessment Area Three Special Assessments because of non-payment thereof or as a result of true-up payment, require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Assessment Area Three Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Series 2024 Special Assessment, which shall constitute Series 2024 Prepayment Principal, plus accrued interest to the next succeeding Interest Payment Date (or the next succeeding Interest Payment Date if such Prepayment is made within forty-five (45) calendar days before a Quarterly Redemption Date being a March 15, June 15, September 15, or December 15), attributable to the property subject to the Series 2024 Special Assessment owned by such owner. In connection with such Prepayments, in the event the amount in the Series 2024 Debt Service Reserve Account will exceed the Reserve Requirement for the Assessment Area Three Bonds as a result of a Prepayment in accordance with this Section 4.05(a) and Section 4.01(f) and the resulting redemption of the Assessment Area Three Bonds in accordance with Section 3.01(b)(i) of this Third Supplemental Indenture, the excess amount shall be transferred from the Series 2024 Debt Service Reserve Account to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account as a credit against the Series 2024 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions to the Trustee of the District Manager upon which the Trustee may conclusively rely, on behalf of the Issuer, together with a certification stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2024 Debt Service Reserve Account to equal or exceed the then Reserve Requirement for the Assessment Area Three Bonds and which certificate of the District Manager will further state that, after giving effect to the proposed redemption of Assessment Area Three Bonds, there will be sufficient Assessment Area Three Pledged Revenues to pay the principal and interest, when due, on all Assessment Area Three Bonds that will remain Outstanding.

(b) Upon receipt of Series 2024 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the Issuer that the Series 2024 Special Assessment has been paid

## ARTICLE V COVENANTS AND DESIGNATIONS OF THE ISSUER

**SECTION 5.01. Collection of Assessment Area Three Special Assessments.** Pursuant to the terms and provisions of the Master Indenture and except as provided in the next succeeding sentence, the Issuer shall collect the Assessment Area Three Special Assessments relating to the acquisition and construction of the Assessment Area Three Project through the Uniform Method of Collection (the "Uniform Method") afforded by Chapter 197, Florida Statutes. Pursuant to the terms and provisions of the Master Indenture, the Issuer shall, pursuant to the provisions of the Assessment Resolutions, directly collect the Assessment Area Three Special Assessments levied in lieu of the Uniform Method with respect to any assessable lands which have not yet been platted, platted lands still owned by the Developer, or the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders directs the Issuer otherwise. In addition, and not in limitation of, the covenants contained elsewhere in this Third Supplemental Indenture and in the Master Indenture, the Issuer covenants to comply with the terms of the proceedings heretofore adopted with respect to the Assessment Area Three Special Assessments, and to levy the Assessment Area Three Special Assessments in such manner as will generate funds sufficient to pay debt service on the Assessment Area Three Bonds when due. All Assessment Area Three Special Assessments that are collected directly by the Issuer shall be due and payable by the landowner not later than thirty (30) days prior to each Interest Payment Date.

**SECTION 5.02. Continuing Disclosure.** Contemporaneously with the execution and delivery hereof, the Issuer has executed and delivered a Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934. The Issuer covenants and agrees to comply with the provisions of such Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute and Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

**SECTION 5.03. Investment of Funds and Accounts.** The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Series 2024 Accounts and subaccounts therein created hereunder.

**SECTION 5.04. Additional Obligations.** The Issuer covenants not to issue any other Bonds or other debt obligations secured by the Assessment Area Three Special Assessments. Such covenant shall not prohibit the Issuer from issuing refunding Bonds. In addition, the Issuer covenants not to issue any other Bonds or debt obligations secured by special assessments on the land within Assessment Area Three within the District which secure the Assessment Area Three Special Assessments, until the Assessment Area Three Special Assessments are Substantially Absorbed. The Issuer's covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. The Issuer or the District Manager on behalf of the Issuer shall provide the Trustee with a certification that the Assessment Area Three Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Assessment Area Three Special Assessments are Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the Issuer may issue other Bonds or debt obligations

25

secured by Special Assessments levied on the lands within Assessment Area Three, other than the Assessment Area Three Special Assessments, at any time upon the written consent of the Majority Holders.

**SECTION 5.05. Acknowledgement Regarding Series 2024 Acquisition and Construction Account Moneys Following an Event of Default.** In accordance with the provisions of the Indenture, the Assessment Area Three Bonds are payable solely from the Assessment Area Three Pledged Revenues. Anything in the Indenture to the contrary notwithstanding, the Issuer hereby acknowledges that the Assessment Area Three Pledged Revenues include, without limitation, all amounts on deposit in the Series 2024 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, and upon the occurrence of an Event of Default with respect to the Assessment Area Three Bonds, (i) the Assessment Area Three Pledged Revenues may not be used by the Issuer (whether to pay costs of the Assessment Area Three Project or otherwise) without the consent of the Majority Holders except to the extent that prior to the occurrence of the Event of Default the District had incurred a binding obligation with third parties for work on the Assessment Area Three Project and payment is for such work, and (ii) the Assessment Area Three Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. Prior to any action by the Trustee under this Section 5.05 or Section 10.05 of the Master Indenture, the Majority Holders shall provide the Trustee an indemnification regarding such actions so directed. The Issuer also acknowledges and agrees that from and after an Event of Default, the Trustee is authorized to exercise the Issuer's rights under the Collateral Assignment at the direction of the Majority Holders but without the consent or approval of the Issuer and the Issuer covenants not to enter into any contract regarding the Assessment Area Three Project from and after an Event of Default without the written direction of the Majority Holders.

The owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any event of default under the Indenture or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

It is expressly agreed by the owner of this Bond that such owner shall never have the right to require or compel the exercise of the ad valorem taxing power of the Issuer, the City, the County, the State or any other political subdivision thereof, or taxation in any form of any real or personal property of the Issuer, the City, the County, the State or any other political subdivision thereof, for the payment of the principal of and interest on this Bond or the making of any other sinking fund and other payments provided for in the Indenture, except for the Assessment Area Three Special Assessments to be assessed and levied by the Issuer as set forth in the Indenture.

By the acceptance of this Bond, the owner hereof assents to all the provisions of the Indenture.

This Bond is payable from and secured by Assessment Area Three Pledged Revenues, as such term is defined in the Indenture, all in the manner provided in the Indenture. (ASSESSMENT AREA THREE PROJECT)**

Dear Board Members:

We have acted as bond counsel in connection with the issuance by the Twisted Oaks Pointe Community Development District (the “District”) of its \$ \_\_\_\_\_ in aggregate principal amount of Special Assessment Bonds, Series 2024 (Assessment Area Three Project) (the “Bonds”), issued and delivered on this date pursuant to the constitution and laws of the State of Florida, particularly, the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, and other applicable provisions of law (collectively, the “Act”) and Resolution No. 2022-26, adopted by the Board of Supervisors of the District (the “Board”) on August 8, 2022, as supplemented by Resolution No. 2024-04 adopted by the Board on March 22, 2024 (collectively, the “Bond Resolution”). The Bonds are being issued and secured under that certain Master Trust Indenture, dated as of May 1, 2023 (the “Master Indenture”), as supplemented by that certain Third Supplemental Trust Indenture, dated as of April 1, 2024 (the “Third Supplement”) and, together with the Master Indenture, the “2024 Indenture”), each by and between the District and Regions Bank, as trustee (the “Trustee”). Capitalized terms used herein without definitions have the meanings ascribed thereto in the 2024 Indenture.

The Bonds are being issued for the primary purpose of financing certain public infrastructure within Assessment Area Three within the District.

In order to secure the payment of the Bonds, and subject to the terms of the 2024 Indenture, the District has pledged to the holders of the Bonds, and granted a lien to the holders of the Bonds on, the Assessment Area Three Pledged Revenues.

In connection with this opinion, we have examined the Act, certified copies of the Resolution, the 2024 Indenture, the Arbitrage Certificate, a transcript of the proceedings related to

the issuance of the Bonds and such other documents and opinions as we have deemed necessary to render this opinion, and are relying on certain findings, covenants and agreements of the District set forth therein and such certified copies of the proceedings of the District and such other documents and opinions as we have deemed necessary to render this opinion. As to the questions of fact material to our opinion, we have relied upon representations of the District furnished to us, without undertaking to verify such representations by independent investigation. We have also relied upon certain certifications and representations provided by KL Twisted Oaks LLC as the developer within Assessment Area Three which is subject to the Assessment Area Three Special Assessments comprising the Assessment Area Three Pledged Revenues.

Based on the foregoing, we are of the opinion that:

1. The District has the power to authorize, execute and deliver the 2024 Indenture, to perform its obligations thereunder and to issue the Bonds.
2. The 2024 Indenture has been duly authorized, executed and delivered by the District. The 2024 Indenture creates a valid pledge of the Assessment Area Three Pledged Revenues and constitutes a valid and binding obligation of the District enforceable against the District in accordance with its terms.
3. The issuance and sale of the Bonds have been duly authorized by the District and, assuming the due authentication thereof, the Bonds constitute valid and binding limited obligations of the District, payable in accordance with, and as limited by, the terms of the 2024 Indenture.
4. The Internal Revenue Code of 1986, as amended (herein, the “Code”) includes requirements which the District must continue to meet after the issuance of the Bonds in order that interest on the Bonds not be included in gross income for federal income tax purposes. The failure of the District to meet these requirements may cause interest on the Bonds to be included in gross income for federal income tax purposes retroactive to their date of issuance. The District has covenanted in the 2024 Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds.

Under existing statutes, regulations, rulings and court decisions, subject to the assumption stated in the following paragraph, interest on the Bonds is excludable from the gross income of the owners thereof for federal income tax purposes and, furthermore, interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Bonds is not excluded from the determination of adjusted financial statement income.

In rendering the opinion expressed above, we have assumed continuing compliance with the tax covenants referred to above that must be met after the issuance of the Bonds in order that interest on the Bonds not be included in gross income for federal income tax purposes.

The Bonds and interest thereon are not subject to taxation under the laws of the State of Florida except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in Chapter 220.

We express no opinion regarding other federal or any state tax consequences resulting from the ownership, receipt or accrual of interest on, or disposition of the Bonds.

In rendering the foregoing opinions we have assumed the accuracy and truthfulness of all public records and of all certifications, documents and other proceedings examined by us that have been executed or certified by public officials acting within the scope of their official capacities and have not verified the accuracy or truthfulness thereof. We have also assumed the genuineness of the signatures appearing upon such public records, certifications, documents and proceedings.

The opinions set forth herein are subject to state and federal laws relating to bankruptcy, insolvency, reorganization, moratorium and similar laws, and to equitable principles, affecting the enforcement of creditors' rights generally, and to the exercise of judicial discretion in appropriate cases.

We wish to call to your attention that the Bonds are limited obligations of the District payable solely from the Assessment Area Three Pledged Revenues and neither the full faith and credit nor the taxing power of the District, the City of Wildwood, Florida, Sumter County, Florida, the State of Florida or any other political subdivision thereof is pledged as security for the payment of the Bonds. The Bonds do not constitute an indebtedness of the District within the meaning of any constitutional or statutory provision or limitation.

Respectfully submitted,

GREENBERG TRAURIG, P.A.

## TWISTED OAKS POINTE COMMUNITY DEVELOPMENT DISTRICT

### RESTATED ENGINEER'S REPORT

#### 1. INTRODUCTION

The purpose of this report is to provide an updated description of the capital improvement plan ("CIP") and estimated costs of the CIP for the Twisted Oaks Pointe Community Development District ("District"), taking into account additional lands that were recently added to the District.

#### 2. GENERAL SITE DESCRIPTION

The District is located entirely within the City of Wildwood, Florida ("City"), north of Clark Street and west of North U.S. Highway 301 (N. Main Street). The District's boundaries originally covered 339.289 acres of land, but were amended by the City effective July 14, 2023 to include a total of 439.435 acres.

#### 3. PROPOSED CIP

The CIP is intended to provide public infrastructure improvements for the lands within the District, which are planned for 1,376 residential homes. The following chart shows the planned product types and land uses for the District:

Product Type	Original Planned Units	Boundary Amendment Units	TOTAL Units
40' Single Family Detached	287	218	505
50' Single Family Detached	355	176	531
60' Single Family Detached	92	0	92
Townhomes	248	0	248
Total	982	394	1,376

The CIP infrastructure includes:

##### Roadway Improvements:

The CIP includes subdivision roads within the District. Generally, all roads will be 2-lane un-divided roads with periodic roundabouts. Such roads include the roadway asphalt, base, and subgrade, roadway curb and gutter, striping and signage and sidewalks within rights-of-way abutting non-lot lands. These roadways will serve the residential units within the District as well as the multi-family and commercial parcels. Sidewalks abutting lots will be constructed by the homebuilders. All roads will be designed in accordance with City standards.

Certain of the roadways will be financed by the District, and dedicated to the City of Wildwood for ownership, operation, and maintenance; while remaining roadways will be financed by the District and will be owned, operated and maintained by the District. Roads that are to be owned, operated and maintained by the District may be gated with a soft gate and open to the public.

Further, a proposed 4-lane segment of County Road 462 will be constructed through a portion of the District. This segment of roadway will be fully impact fee creditable and will be funded by the Developer.

#### **Stormwater Management System:**

The stormwater collection and outfall system is a combination of roadway curbs, curb inlets, pipe, control structures and open dry retention areas designed to treat and attenuate stormwater runoff from District lands. The stormwater system will be designed consistent with the criteria established by the applicable Water Management District and the City for stormwater/floodplain management systems. The District will finance, own, operate and maintain the stormwater system, including the inlets and pipes within portions of the roadways that are financed by the District and owned, operated and maintained by the City.

NOTE: No private earthwork is included in the CIP. Accordingly, the District will not fund any costs of any grading of lots, or the costs of transporting any fill to private lots.

#### **Water, Wastewater and Reclaim Utilities:**

As part of the CIP, the District intends to construct and/or acquire water, wastewater and reclaim infrastructure. In particular, the on-site water supply improvements include water mains that will be located within rights-of-way and used for potable water service and fire protection. Water main connections will be made at County Roads 209 and 462.

Wastewater improvements for the project will include an onsite gravity collection system, offsite and onsite force main and onsite lift stations. The offsite force main connection will be made at County Road 209.

Similarly, the reclaim water distribution system will be constructed to provide service for irrigation throughout the community. An offsite reclaim connection will be made at County Road 209.

The water and reclaim distribution and wastewater collection systems for all phases will be completed by the District and then dedicated to the City for operation and maintenance. The CIP will only include laterals to the lot lines (i.e., point of connection) for both the residential units as well as the multi-family and commercial parcels.

The District may also fund utility connection fees as part of the CIP. Any resulting credits will be addressed through a separate acquisition agreement between the District and the developer.

#### **Hardscape, Landscape, and Irrigation:**

The District will construct and/or install landscaping, irrigation and hardscaping within District common areas and public rights-of-way. The City has distinct design criteria requirements for planting and irrigation design. This project will at a minimum meet those requirements and in most cases will exceed the requirements with enhancements for the benefit of the community.

All such landscaping, irrigation and hardscaping will be owned, maintained and funded by the District. Such infrastructure, to the extent that it is located in rights-of-way owned by the County or City will be maintained pursuant to a right-of-way agreement to be entered into with the County or City.

#### **Street Lights / Undergrounding of Electrical Utility Lines**

The District intends to lease street lights through an agreement with the local power utility in which case the District would fund the street lights through an annual operations and maintenance assessment. As such, streetlights are not included as part of the CIP.

The CIP does however include the incremental cost of undergrounding of electrical utility lines within right-of-way utility easements throughout the community. Any lines and transformers located in such areas would be owned by the power utility and not paid for by the District as part of the CIP.

#### **Recreational Amenities:**

In conjunction with the construction of the CIP, the District intends to construct an amenity center, open spaces and other amenities. These improvements will be funded, owned and maintained by the District, or alternatively may be funded by the developer and turned over to a homeowners' association for ownership, operation and maintenance. If financed by the District, all such improvements will be open to the general public, but, if financed by the developer and owned by a homeowner's association, all such improvements will be considered common elements for the exclusive benefit of the District landowners.

#### **On-Site Mitigation**

There are forested and herbaceous wetland impacts associated with the proper construction of the District's infrastructure which will require wetland mitigation. The District will be responsible for the design, permitting, construction, maintenance, and government reporting of the environmental mitigation. These costs are included within the CIP.

#### **Professional Services**

The CIP also includes various professional services. These include: (i) engineering, surveying and architectural fees, (ii) permitting and plan review costs, and (iii) development/construction management services fees that are required for the design, permitting, construction, and maintenance acceptance of the public improvements and community facilities.

#### **Off-Site Improvements**

Offsite improvements being financed by the District include turn lanes at County Road 462 and County Road 209 at entrances into the Development. These turn lanes will be designed, permitted and constructed per requirements of Sumter County and the City of Wildwood and will be turned over to Sumter County for ownership, operations and maintenance.

In addition to the turn lane improvements, the District will finance certain offsite utility main installations that are not impact fee creditable, to include portions of offsite reuse mains and potable water mains along County Road 209 serving the District.

NOTE: In the event that impact fee credits are generated from any roadway, utilities or other improvements funded by the District, any such credits, if any, will be the subject of a separate agreement between the applicable developer and the District. Pursuant to such an agreement, and without intending to alter the terms of such an agreement, the applicable developer may elect to retain such credits if the developer provides consideration equal to the market value of the credits in the form of work product, improvements and/or land (based on the lesser of appraised value or the developer's cost basis as it relates to land), or in the form of a cash paydown of certain debt assessments.

#### 4. PERMITTING/CONSTRUCTION COMMENCEMENT

All necessary permits for the construction of the CIP have either been obtained or are currently under review by respective governmental authorities, and include the following:

City of Wildwood Mass Grading Development Order – APPROVED  
 Southwest Florida Water Management District ERP – APPROVED  
 City of Wildwood Improvement Plan Development Order – APPROVED  
 FDEP Potable Water and Sanitary Sewer Construction Permits – APPROVED

#### 5. OPINION OF PROBABLE CONSTRUCTION COSTS

The table show below presents, among other things, the Opinion of Probable Cost for the CIP. It is our professional opinion that the costs set forth in the table are reasonable and consistent with market pricing, both for the CIP.

- a. The probable costs estimated herein do not include anticipated carrying cost, interest reserves or other anticipated CDD expenditures that may be incurred.
- b. The master developer reserves the right to finance any of the improvements outlined above, and have such improvements owned and maintained by a property owner's or homeowner's association (in which case such items would not be part of the CIP), the District or a third-party.
- c. At the master developer's option, a third-party, or an applicable property owner's or homeowner's association may elect to maintain any District-owned improvements, subject to the terms of an agreement with the District and the approval of the District's Bond Counsel.

## **6. CONCLUSIONS**

The CIP will be designed in accordance with current governmental regulations and requirements. The CIP will serve its intended function so long as the construction is in substantial compliance with the design.

It is further our opinion that:

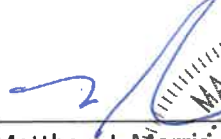

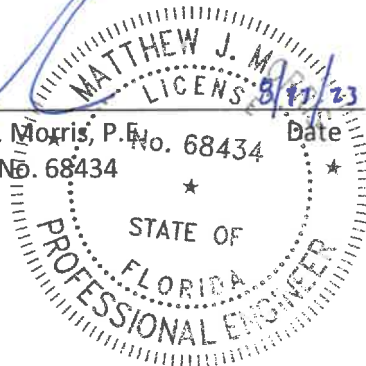

- the estimated cost to the CIP as set forth herein is reasonable based on prices currently being experienced in Sumter County, Florida, and is not greater than the lesser of the actual cost of construction or the fair market value of such infrastructure;
- All of the improvements comprising the CIP are required by applicable development approvals issued pursuant to Section 380.06, Florida Statutes;
- the CIP is feasible to construct, there are no technical reasons existing at this time that would prevent the implementation of the CIP, and it is reasonable to assume that all necessary regulatory approvals will be obtained in due course; and
- the assessable property within the District will receive a special benefit from the CIP that is at least equal to such costs.

Also, the CIP will constitute a system of improvements that will provide benefits, both general, and special and peculiar, to all lands within the District. The general public, property owners outside of the District, and property outside the District will benefit from the provisions of the District's CIP; however, these are incidental to the District's CIP, which is designed solely to provide special benefits peculiar to property within the District. Special and peculiar benefits accrue to property within the District and enables properties within its boundaries to be developed.

The professional service for establishing the Construction Cost Estimate is consistent with the degree of care and skill exercised by members of the same profession under similar circumstances.

The CIP will be owned by the District or other governmental units and such CIP is intended to be available and will reasonably be available for use by the general public (either by being part of a system of improvements that is available to the general public or is otherwise available to the general public) including nonresidents of the District. All of the CIP is or will be located on lands owned or to be owned by the District or another governmental entity or on perpetual public easements in favor of the District or other governmental entity. The CIP, and any cost estimates set forth herein, do not include any earthwork, grading or other improvements on private lots or property.

Please note that the CIP as presented herein is based on current plans and market conditions which are subject to change. Accordingly, the CIP, as used herein, refers to sufficient public infrastructure of the kinds described herein (i.e., stormwater/floodplain management, sanitary sewer, potable water, etc.) to support the development and sale of the planned residential units in the District, which (subject to true-up determinations) number and type of units may be changed with the development of the site. Stated differently, during development and implementation of the public infrastructure improvements as described for the District, it may be necessary to make modifications and/or deviations for the plans, and the District expressly reserves the right to do so.

### **Estimated Costs / Benefits**

The table below shows the estimated costs of the Assessment Area Three Project that are necessary for the development of Assessment Area Three, which includes the roads, utilities, and other improvements specific to Assessment Area Three as well as “master” improvements that may be outside of those phases.

#### **ESTIMATED COSTS OF DELIVERING THE ASSESSMENT AREA THREE PROJECT**

<b>FACILITY DESCRIPTION</b>	<b>ASSESSMENT AREA THREE PROJECT ESTIMATED COST</b>
CDD Roadways	\$1,500,000
Stormwater Management	\$550,000
Utilities (Water, Sewer, Reclaim)	\$1,950,000
Utilities Connection Fees	\$2,260,000
Hardscape/Landscape/Irrigation	\$775,000

Professional Services	\$975,000
Contingency	\$846,000
<b>TOTAL</b>	<b>\$9,306,000</b>

- The probable costs estimated herein do not include anticipated carrying cost, interest reserves or other anticipated CDD expenditures that may be incurred.
- The developer reserves the right to finance any of the improvements outlined above, and have such improvements owned and maintained by a property owner’s or homeowner’s association, in which case such items would not be part of the CIP.
- The District may enter into an agreement with a third-party, or an applicable property owner’s or homeowner’s association, to maintain any District-owned improvements, subject to the approval of the District’s bond counsel.
- Impact fee credits may be available from master roadway and utility improvements. The developer and the District will enter into an acquisition agreement whereby the developer may elect to keep any such credits, provided that consideration is provided to the District in the form of improvements, land, a prepayment of debt assessments, or other consideration.
- Because the Assessment Area Three Project is part of the CIP’s overall system of improvements, the District reserves the right to adjust benefit levels to specific assessment areas when undertaking future project phases. As a practical matter, this means that future bonds, secured by special assessments levied on lands outside of Assessment Area Three, may be issued to finance certain master improvements that were constructed as part of the Assessment Area Three Project.
- The District will not finance any lateral lines beyond any private property boundary lines.

### **3. CONCLUSION**

The Assessment Area Three Project will be designed in accordance with current governmental regulations and requirements. The Assessment Area Three Project will serve its intended function so long as the construction is in substantial compliance with the design.

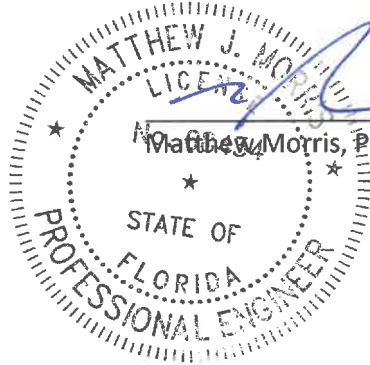

It is further our opinion that:

- the estimated cost to the Assessment Area Three Project as set forth herein is reasonable based on prices currently being experienced in the jurisdiction in which the District is located, and is not greater than the lesser of the actual cost of construction or the fair market value of such infrastructure;
- all of the improvements comprising the Assessment Area Three Project are required by applicable development approvals issued pursuant to Section 380.06, Florida Statutes;
- the Assessment Area Three Project is feasible to construct, there are no technical reasons existing at this time that would prevent the implementation of the Assessment Area Three Project, and it is reasonable to assume that all necessary regulatory approvals will be obtained in due course; and
- the assessable property within Assessment Area Three of the District will receive a special benefit from the Assessment Area Three Project that is at least equal to the costs of the Assessment Area Three Project.

As described above, this report identifies the benefits from the Assessment Area Three Project to the Assessment Area Three lands within the District. The general public, property owners, and property outside of Assessment Area Three and outside the District will benefit from the provision of the Assessment Area Three Project; however, these are incidental benefits from the District's Assessment Area Three Project, which is designed solely to provide special benefits peculiar to property within Assessment Area Three. Special and peculiar benefits accrue to property within Assessment Area Three and enable properties therein to be developed.

The Assessment Area Three Project will be owned by the District or other governmental units and such Assessment Area Three Project is intended to be available and will reasonably be available for use by the general public (either by being part of a system of improvements that is available to the general public or is otherwise available to the general public) including nonresidents of the District. All of the Assessment Area Three Project is or will be located on lands owned or to be owned by the District or another governmental entity or on perpetual easements in favor of the District or other governmental entity. The Assessment Area Three Project, and any cost estimates set forth herein, do not include any earthwork, grading or other improvements on private lots or property. The District will pay the lesser of the cost of the components of the Assessment Area Three Project or the fair market value.

Please note that the Assessment Area Three Project as presented herein is based on current plans and market conditions which are subject to change. Accordingly, the Assessment Area Three Project, as used herein, refers to sufficient public infrastructure of the kinds described herein (i.e., stormwater/floodplain management, sanitary sewer, potable water, etc.) to support the development and sale of the planned residential units in the District, which (subject to true-up determinations) number and type of units may be changed with the development of the site. Stated differently, during development and implementation of the public infrastructure improvements as described for the District, it may be necessary to make modifications and/or deviations for the plans, and the District expressly reserves the right to do so.

## **1.0 Introduction**

### **1.1 Purpose**

This Amended and Restated Master Special Assessment Methodology Report (the "Amended Report") was developed to provide a revised financing plan and a special assessment methodology for the Twisted Oaks Pointe Community Development District (the "District"), located entirely within the City of Wildwood, Sumter County, Florida, as related to funding the costs of public infrastructure improvements (the "Capital Improvement Plan" or "CIP") contemplated to be provided by the District. This Amended Report amends and restates the Master Special Assessment Methodology Report dated August 8, 2022 (the "Original Report").

### **1.2 Scope of the Amended Report**

This Amended Report presents the updated projections for financing the District's Capital Improvement Plan described in the Restated Engineer's Report developed by Morris Engineering & Consulting, LLC (the "District Engineer") and dated August 10, 2023 (the "Amended Engineer's Report"), as well as describes the method for the allocation of special benefits and the apportionment of special assessment debt resulting from the provision and funding of the CIP.

### **1.3 Special Benefits and General Benefits**

The public infrastructure improvements undertaken and funded by the District as part of the CIP create special and peculiar benefits, different in kind and degree to general and incidental benefits to the public at large, property owners and general public outside of the boundaries of the District. However, as discussed within this Amended Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits which accrue to property within the District. The District's CIP enables properties within its boundaries to be developed.

There is no doubt that the general public and property owners of property outside the District will benefit from the provision of the CIP. However, these benefits are only incidental since the CIP is designed solely to provide special benefits peculiar to property within the District. Properties outside the District are not directly served by the CIP and do not depend upon the CIP to obtain or to maintain their development entitlements. This fact alone clearly distinguishes the special benefits which District properties receive compared to those lying outside of the District's boundaries.

The CIP will provide public infrastructure improvements which are all necessary in order to make the lands within the District developable and saleable. The installation of such improvements will cause the value of the developable and saleable lands within the District to increase by more than the sum of the financed cost of the individual components of the CIP. Even though the exact value of the benefits provided by the CIP is hard to estimate at this point, it is nevertheless greater than the costs associated with providing the same.

#### **1.4 Organization of the Amended Report**

*Section Two* describes the development program as proposed by the Developer, as defined below.

*Section Three* provides a summary of the CIP as determined by the District Engineer.

*Section Four* discusses the financing program for the District.

*Section Five* introduces the special assessment methodology for the District.

### **2.0 Development Program**

#### **2.1 Overview**

The District will serve the Twisted Oaks Pointe development, a master planned residential development located entirely within the City of Wildwood, Sumter County, Florida. The District's boundaries originally covered 339.289 acres of land, but were amended by the City of Wildwood by the enactment of Ordinance No. 02023-38 on July 14, 2023 to include a total of 439.435 acres and is generally located north of Clark Street, south of East County Road 462 and west of North U.S. Highway 301 (N. Main Street).

#### **2.2 The Development Program**

The development of Twisted Oaks Pointe, which is a portion of the development planned for the District, will be and is anticipated to be conducted by KL Twisted Oaks, LLC or an affiliated entity (the "Twisted Oaks Developer"). The development of the Highfields at Twisted Oaks Pointe, which is a portion of the development planned for the remainder of the District (herein, collectively, the "Development") is to be conducted by KL Highfield LLC or an affiliate entity (the "Highfield Developer" and, together with the Twisted Oaks

Developer, the “Developer”). The initial development plan as discussed in the Original Report envisioned a total of 982 residential units which were to be comprised of 248 Townhomes, 287 Single-family 40’ units, 355 Single-family 50’ units, and 92 Single-family 60’ units. Based upon the updated information provided by the Developer and the District Engineer, the current development plan envisions a total of 1,376 residential units which are to be comprised of 248 Townhomes, 505 Single-family 40’ units, 531 Single-family 50’ units, and 92 Single-family 60’ units<sup>101</sup> Single-family 62’ units developed over a multi-year period in multiple development phases, although unit numbers, land use types and phasing may change throughout the development period. Table 1 in the *Appendix* illustrates the development plan for Twisted Oaks Pointe.

### **3.0 The Capital Improvement Plan**

#### **3.1 Overview**

The public infrastructure costs to be funded by the District are described by the District Engineer in the Amended Engineer’s Report. Only public infrastructure that may qualify for bond financing by the District under Chapter 190, Florida Statutes and under the Internal Revenue Code of 1986, as amended, was included in these estimates.

#### **3.2 The CIP**

The public infrastructure improvements which are part of the CIP and are needed to serve the Development are projected to consist of improvements which will serve all of the lands in the District. The District, however, reserves the right to create distinct assessment areas to coincide with the phases of development. The CIP will consist of CDD roadways, stormwater management, utilities (water, sewer, reclaim), utilities connection fees, hardscape/ landscape/ irrigation, differential cost of undergrounding of conduit, recreation amenities, environmental conservation/ mitigation, and off-site improvements, the costs of which, along with contingencies and professional services, were estimated by the District Engineer at \$69,820,000.

The public infrastructure improvements that comprise the CIP will serve and provide benefit to all land uses in the District and will comprise an interrelated system of improvements, which means all of improvements will serve the entire District and improvements will be interrelated such that they will reinforce one another.

Table 2 in the *Appendix* illustrates the specific components of the CIP.

## **4.0 Financing Program**

### **4.1 Overview**

As noted above, the District has embarked on a program of capital improvements which will facilitate the development of lands within the District. Generally, construction of public improvements is either funded by the Developer and then acquired by the District or funded directly by the District. As of the time of writing of this Amended Report, the District will most likely acquire completed improvements from the Developer, although the District maintains the complete flexibility to either acquire the public infrastructure from the Developer or construct it, or even partly acquire it and partly construct it.

Even though the actual financing plan may change to include multiple series of bonds, it is likely that in order to fully fund costs of the CIP as described in *Section 3.2* in one financing transaction, the District would have to issue approximately \$95,835,000 in par amount of special assessment bonds (the "Bonds"). It should be noted that the District has previously issued \$6,020,000 in Bonds to finance a portion of the public infrastructure necessary for development of a designated assessment area within the District referred to as "Assessment Area One."

**Please note that the purpose of this Amended Report is to allocate the benefit of the CIP to the various land uses in the District and based on such benefit allocation to apportion the maximum debt necessary to fund the CIP. The discussion of the structure and size of the indebtedness is based on various estimates and is subject to change.**

### **4.2 Types of Bonds Proposed**

The proposed financing plan for the District provides for the issuance of the Bonds in the approximate principal amount of \$95,835,000 to finance approximately \$69,820,000 in CIP costs. The Bonds as projected under this financing plan would be structured to be amortized in 30 annual installments following a 24-month capitalized interest period. Interest payments on the Bonds would be made every May 1 and November 1, and principal payments on the Bonds would be made either on May 1 or on November 1.

In order to finance the improvement and other costs, the District would need to borrow more funds and incur indebtedness in the total amount of approximately \$95,835,000. The difference is comprised of debt service reserve, capitalized interest, underwriter's discount and costs of issuance. Preliminary sources and uses of funding for the Bonds are presented in Table 3 in the *Appendix*.

**Please note that the structure of the Bonds as presented in this Amended Report is preliminary and may change due to changes in the development program, market conditions, timing of infrastructure installation as well as for other reasons. The District maintains complete flexibility as to the structure of the Bonds and reserves the right to modify it as necessary.**

## **5.0 Assessment Methodology**

### **5.1 Overview**

The issuance of the Bonds provides the District with funds necessary to construct/acquire the infrastructure improvements which are part of the CIP outlined in *Section 3.2* and described in more detail by the District Engineer in the Amended Engineer's Report. These improvements lead to special and general benefits, with special benefits accruing to the assessable properties within the boundaries of the District and general benefits accruing to areas outside the District but being only incidental in nature. The debt incurred in financing the public infrastructure will be secured by assessing properties that derive special and peculiar benefits from the CIP. All properties that receive special benefits from the CIP will be assessed for their fair share of the debt issued in order to finance all or a portion of the CIP.

### **5.2 Benefit Allocation**

While the initial development plan as discussed in the Original Report envisioned a total of 982 residential units which were to be comprised of 248 Townhomes, 287 Single-family 40' units, 355 Single-family 50' units, and 92 Single-family 60' units, the most current development plan envisions a total of 1,376 residential units which are to be comprised of 248 Townhomes, 505 Single-family 40' units, 531 Single-family 50' units, and 92 Single-family 60' units developed over a multi-year period in multiple development phases, although unit numbers, land use types and phasing may change throughout the development period and a supplemental or amended methodology would be adopted to adjust and address such changes in unit types and numbers.

The public infrastructure improvements that comprise the CIP will serve and provide benefit to all land uses in the District and will comprise an interrelated system of improvements, which means all of improvements will serve the entire District and improvements will be interrelated such that they will reinforce one another.

By allowing for the land in the District to be developable, both the public infrastructure improvements that comprise the CIP and their combined benefit will be greater than the sum of their individual benefits. All of the land uses within the District will benefit from each infrastructure improvement category, as the improvements provide basic infrastructure to all land within the District and benefit all land within the District as an integrated system of improvements.

As stated previously, the public infrastructure improvements included in the CIP have a logical connection to the special and peculiar benefits received by the land within the District, as without such improvements, the development of the properties within the District would not be possible. Based upon the connection between the improvements and the special and peculiar benefits to the land within the District, the District can assign or allocate a portion of the District's debt through the imposition of non-ad valorem assessments, to the land receiving such special and peculiar benefits. Even though these special and peculiar benefits are real and ascertainable, the precise amount of the benefit cannot yet be calculated with mathematical certainty. However, such benefit is more valuable than the cost of, or the actual non-ad valorem assessment amount levied on that parcel.

The benefit associated with the CIP of the District is proposed to be allocated to the different unit types within the District in proportion to the density of development and intensity of use of the infrastructure as measured by a standard unit called an Equivalent Residential Unit ("ERU"). Table 4 in the *Appendix* illustrates the ERU weights that are proposed to be assigned to the unit types contemplated to be developed within the District based on the relative density of development and the intensity of use of master infrastructure, the total ERU counts for each unit type, and the share of the benefit received by each unit type.

The rationale behind different ERU weights is supported by the fact that generally and on average smaller units, such as townhomes, will use and benefit from the District's improvements less than larger units, such as single-family units, as for instance, generally and on average smaller units or units produce less storm water runoff, may produce fewer vehicular trips, and may need less water/sewer

capacity than larger units. Additionally, the value of the larger units is likely to appreciate by more in terms of dollars than that of the smaller units as a result of the implementation of the CIP. As the exact amount of the benefit and appreciation is not possible to be calculated at this time, the use of ERU measures serves as a reasonable approximation of the relative amount of benefit received by the different unit types from the District's improvements.

Table 5 in the *Appendix* presents the apportionment of the assessment associated with funding the District's CIP (the "Bond Assessments") in accordance with the ERU benefit allocation method presented in Table 4. Table 5 also presents the annual levels of the projected annual debt service assessments per unit.

### **5.3 Assigning Debt**

The Bond Assessments associated with repayment of the Bonds will initially be levied on all of the gross acres of land in the District subject to creation of Assessment Area One and Assessment Area Two and future assessment areas. Consequently, the Bond Assessments will initially be levied on approximately 439.435 +/- gross acres on an equal pro-rata gross acre basis and thus the total bonded debt in the amount of \$95,835,000 will be preliminarily levied on approximately 439.435 +/- gross acres at a rate of \$218,086.86 per acre.

As the land is platted, the Bond Assessments will be allocated to each platted parcel on a first platted-first assigned basis based on the planned use for that platted parcel as reflected in Table 5 in the *Appendix*. Such allocation of Bond Assessments to platted parcels will reduce the amount of Bond Assessments levied on unplatted gross acres within the District.

Please note that the method used to derive ERU values for residential units is based on the linear front footage of the various product types as a proportion to the product type that is set to a standard unit of 1 ERU. For example, if the product type that is set to a standard unit of 1 ERU is a Single-family 40' unit, a Single-family 50' unit would be 1.25 ERU (50' / 40'). In the event that a new product type was to be introduced, the aforementioned ERU value method would be applied accordingly.

Further, to the extent that any residential land which has not been platted is sold to another developer or builder, the Bond Assessments will be assigned to such parcel at the time of the sale based upon the development rights associated with such parcel that are transferred from seller to buyer. The District shall provide an

estoppel or similar document to the buyer evidencing the amount of Bond Assessments transferred at sale.

#### **5.4 Lienability Test: Special and Peculiar Benefit to the Property**

As first discussed in *Section 1.3*, Special Benefits and General Benefits, public infrastructure improvements undertaken by the District create special and peculiar benefits to certain properties within the District. The District's improvements benefit assessable properties within the District and accrue to all such assessable properties on an ERU basis.

Public infrastructure improvements undertaken by the District can be shown to be creating special and peculiar benefits to the property within the District. The special and peculiar benefits resulting from each improvement include, but are not limited to:

- a. added use of the property;
- b. added enjoyment of the property;
- c. decreased insurance premiums;
- d. increased marketability and value of the property.

The public infrastructure improvements which are part of the CIP make the land in the District developable and saleable and when implemented jointly as parts of the CIP, provide special and peculiar benefits which are greater than the benefits of any single category of improvements. These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value; however, such benefits are more valuable than either the cost of, or the actual assessment levied for, the improvement or debt allocated to the parcel of land.

#### **5.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay**

A reasonable estimate of the proportion of special and peculiar benefits received from the improvements is delineated in Table 4 (expressed as ERU factors) in the *Appendix*.

The apportionment of the Bond Assessments is fair and reasonable because it was conducted on the basis of consistent application of the methodology described in *Section 5.2* across all assessable property within the District according to reasonable estimates of the special and peculiar benefits derived from the CIP by different unit types.

## 5.6 True-Up Mechanism

The District's assessment program is predicated on the development of lots in a manner sufficient to include all of the planned Equivalent Residential Units ("ERUs") as set forth in Table 1 in the Appendix ("Development Plan"). At such time as lands are to be platted (or re-platted) or site plans are to be approved (or re-approved), the plat or site plan (either, herein, "Proposed Plat") shall be presented to the District for a "true-up" review as follows:

- a. If a Proposed Plat results in the same amount of ERUs (and thus Bond Assessments) able to be imposed on the "Remaining Unplatted Lands" (i.e., those remaining unplatted lands after the Proposed Plat is recorded) as compared to what was originally contemplated under the Development Plan, then the District shall allocate the Bond Assessments to the product types being platted and the remaining property in accordance with this Amended Report, and cause the Bond Assessments to be recorded in the District's Improvement Lien Book.
- b. If a Proposed Plat results in a greater amount of ERUs (and thus Bond Assessments) able to be imposed on the Remaining Unplatted Lands as compared to what was originally contemplated under the Development Plan, then the District may undertake a pro rata reduction of Bond Assessments for all assessed properties within the Property, or may otherwise address such net decrease as permitted by law.
- c. If a Proposed Plat results in a lower amount of ERUs (and thus Bond Assessments) able to be imposed on the Remaining Unplatted Lands as compared to what was originally contemplated under the Development Plan, then the District shall require the landowner(s) of the lands encompassed by the Proposed Plat to pay a "True-Up Payment" equal to the difference between: (i) the Bond Assessments originally contemplated to be imposed on the lands subject to the Proposed Plat, and (ii) the Bond Assessments able to be imposed on the lands subject to the Proposed Plat, after the Proposed Plat (plus applicable interest, collection costs, penalties, etc.).<sup>1</sup>

---

<sup>1</sup> For example, if the first platting includes 248 Townhomes, 505 Single-family 40' units, 511 Single-family 50' units, and 92 Single-family 60' units, which equates to a total allocation of \$94,229,992.46 in Bond Assessments, then the remaining unplatted land would be required to absorb 20 Single Family 50' units, which equates to \$1,605,007.54 in Bond Assessments. If the remaining unplatted land would only be able to absorb 10 instead of 20 Single Family 50' units or \$802,503.77 in Bond Assessments, then a true-up, payable by the owner of the unplatted land, would be due in the amount of \$802,503.77 in Bond Assessments plus applicable accrued interest to the extent described in this Section.

With respect to the foregoing true-up analysis, the District, through the District's Assessment Consultant, in consultation with the District Engineer and District Counsel and shall determine in his or her sole discretion what amount of ERUs (and thus Bond Assessments) are able to be imposed on the Remaining Unplatted Lands, taking into account a Proposed Plat, by reviewing: a) the original, overall development plan showing the number and type of units reasonably planned for the development, b) the revised, overall development plan showing the number and type of units reasonably planned for the development, c) proof of the amount of entitlements for the Remaining Unplatted Lands, d) evidence of allowable zoning conditions that would enable those entitlements to be placed in accordance with the revised development plan, and e) documentation that shows the feasibility of implementing the proposed development plan. Prior to any decision by the District not to impose a true-up payment, a supplemental methodology shall be produced demonstrating that there will be sufficient assessments to pay debt service on the applicable series of bonds and the District may conduct new proceedings under Chapters 170, 190 and 197, Florida Statutes upon the advice of District Counsel.

Any True-Up Payment shall become due and payable that tax year by the landowner of the lands subject to the Proposed Plat, shall be in addition to the regular assessment installment payable for such lands, and shall constitute part of the debt assessment liens imposed against the Proposed Plat property until paid. A True-Up Payment shall include accrued interest on the applicable bond series to the interest payment date that occurs at least 45 days after the True-Up Payment (or the second succeeding interest payment date if such True-Up Payment is made within 45 calendar days before an interest payment date (or such other time as set forth in the supplemental indentures for the applicable bond series)).

All Bond Assessments levied run with the land, and such assessment liens include any True-Up Payments. The District will not release any liens on property for which True-Up Payments are due, until provision for such payment has been satisfactorily made. Further, upon the District's review of the final plat for the developable acres, any unallocated Bond Assessments shall become due and payable and must be paid prior to the District's approval of that plat. This true-up process applies for both plats and/or re-plats.

Such review shall be limited solely to the function and the enforcement of the District's assessment liens and/or true-up agreements. Nothing herein shall in any way operate to or be construed as providing any other plat approval or disapproval powers

to the District. For further detail on the true-up process, please refer to the True-Up Agreement and applicable assessment resolution(s).

## **5.7 Assessment Roll**

The Bond Assessments of \$95,835,000, of which \$6,020,000 have been levied with respect to Assessment Area One, are proposed to be levied over the area described in Exhibit “A.” Excluding any capitalized interest period, debt service assessments shall be paid in 30 annual principal installments.

## **5.8 Additional Items Regarding Bond Assessments Imposition and Allocation**

This master assessment allocation methodology is intended to establish the necessary benefit and fair and reasonable allocation findings for a master assessment lien, which may give rise to one or more individual assessment liens relating to individual bond issuances necessary to fund all or a portion of the project(s) referenced herein comprising the CIP. All such liens shall be within the benefit limits established herein and using the allocation methodology described herein, and shall be described in one or more supplemental reports.

As noted herein, the CIP functions as a system of improvements. Among other implications, this means that proceeds from any particular bond issuance can be used to fund improvements within any benefitted property or designated assessment area within the District, regardless of where the Bond Assessments are levied, provided that Bond Assessments are fairly and reasonably allocated across all benefitted properties.

As set forth in any supplemental report, and for any particular bond issuance, the Developer may opt to “buy down” the Bond Assessments on particular product types and/or lands using a contribution of cash, infrastructure or other consideration, and in order for Bond Assessments to reach certain target levels. Note that any “true-up,” as described herein, may require a payment to satisfy “true-up” obligations as well as additional contributions to maintain such target assessment levels. Any amounts contributed by the Developer to pay down Bond Assessments will not be eligible for “deferred costs,” if any are provided for in connection with any particular bond issuance.

No Bond Assessments are allocated herein to any public or private amenities or other common areas planned for the development.

Such amenities and common areas will be owned and operated by the District and/or master homeowners' association. If owned by a homeowners' association, the amenities will be considered a common element for the exclusive benefit of property owners. Alternatively, if owned by the District, the amenities will be available for use by the public, subject to the District's rules and policies. Accordingly, any benefit to the amenities and common areas flows directly to the benefit of all property in the District. As such, no Bond Assessments will be assigned to the amenities and common areas.

In the event that the CIP is not completed, required contributions are not made, additional benefitted lands are added to the District and/or assessment area(s), or under certain other circumstances, the District may elect to reallocate the Bond Assessments, and the District expressly reserves the right to do so, provided however that any such reallocation shall not be construed to relieve any party of contractual or other obligations to the District.

## **1.0 Introduction**

### **1.1 Purpose**

This Preliminary Third Supplemental Special Assessment Methodology Report (the “Preliminary Third Supplemental Report”) was developed to supplement the Amended and Restated Master Special Assessment Methodology Report (the “Amended Master Report”) dated August 14, 2023 and to provide a supplemental financing plan and a supplemental special assessment methodology for Assessment Area Three (to be defined further herein) of the Twisted Oaks Pointe Community Development District (the “District”), located in the City of Wildwood, Sumter County, Florida, as related to funding a portion of the costs of the acquisition and construction of public infrastructure improvements contemplated to be provided by the District to support the development of 343 residential dwelling units projected to be developed within a designated assessment area within the District (herein, “Assessment Area Three”).

### **1.2 Scope of the Preliminary Third Supplemental Report**

This Preliminary Third Supplemental Report presents the projections for financing a portion of what is known as the “Assessment Area Three Project,” which refers to the portion of the District’s overall “Capital Improvement Plan” related to the development and supporting the development of Assessment Area Three. The Assessment Area Three Project is described in the Third Supplemental Engineer’s Report developed by Morris Engineering & Consulting, LLC (the “District Engineer”) and dated March 11, 2024 (the “Third Supplemental Engineer’s Report”). This Preliminary Third Supplemental Report also describes the method for the allocation of special benefits and the apportionment of special assessment debt resulting from the provision and funding a portion of the Assessment Area Three Project with proceeds of indebtedness projected to be issued by the District.

### **1.3 Special Benefits and General Benefits**

The public infrastructure improvements undertaken and funded by the District as part of the Assessment Area Three Project create special and peculiar benefits for properties within Assessment Area Three, different in kind and degree than general benefits, to properties outside of Assessment Area Three and to the public at large. However, as discussed within this Preliminary Third Supplemental Report, these general benefits are incidental in nature

and are readily distinguishable from the special and peculiar benefits which accrue to property within Assessment Area Three. The District's Assessment Area Three Project enables properties within the boundaries of Assessment Area Three to be developed.

There is no doubt that the general public and property owners of property outside Assessment Area Three will benefit from the provision of the Assessment Area Three Project. However, these benefits are only incidental since the Assessment Area Three Project is designed solely to provide special benefits peculiar to property within Assessment Area Three. Properties outside Assessment Area Three are not directly served by the Assessment Area Three Project and do not depend upon the Assessment Area Three Project to obtain or to maintain their development entitlements. This fact alone clearly distinguishes the special benefits which Assessment Area Three properties receive compared to those lying outside of Assessment Area Three's boundaries.

The Assessment Area Three Project will provide public infrastructure improvements which are all necessary in order to make the lands within Assessment Area Three developable and saleable. The installation of such improvements will cause the value of the developable and saleable lands within Assessment Area Three to increase by more than the sum of the financed cost of the individual components of the Assessment Area Three Project. Even though the exact value of the benefits provided by the Assessment Area Three Project is hard to estimate at this point, it is nevertheless greater than the costs associated with providing the same.

#### **1.4 Organization of the Preliminary Third Supplemental Report**

*Section Two* describes the development program for Assessment Area Three as proposed by the Developer, as defined below.

*Section Three* provides a summary of the Assessment Area Three Project as determined by the District Engineer.

*Section Four* discusses the financing program for Assessment Area Three.

*Section Five* introduces the special assessment methodology for Assessment Area Three.

## **2.0 Development Program**

### **2.1 Overview**

The District serves the Twisted Oaks Pointe development, a master planned residential development located in the City of Wildwood, Sumter County, Florida. The land within the District consists of approximately 439.435 +/- acres and is generally located north of Clark Street, south of East County Road 462 and west of North U.S. Highway 301 (N. Main Street).

### **2.2 The Assessment Area Three Development Program**

The development of Assessment Area Three is anticipated to be conducted by KL Twisted Oaks, LLC or an affiliated entity (the "Developer"). Based upon the information provided by the Developer and the District Engineer, the current development plan for Assessment Area Three envisions a total of 343 residential dwelling units, although unit numbers, land use types and phasing may change throughout the development period. Table 1 in the *Appendix* illustrates the development plan for Assessment Area Three.

## **3.0 The Assessment Area Three Project**

### **3.1 Overview**

The public infrastructure costs to be funded by the District are described by the District Engineer in the Second Supplemental Engineer's Report. Only public infrastructure that may qualify for bond financing by the District under Chapter 190, Florida Statutes and under the Internal Revenue Code of 1986, as amended, was included in these estimates.

### **3.2 Assessment Area Three Project**

The Assessment Area Three Project comprises a portion of the Capital Improvement Plan for the District and is designed to serve and will benefit the 343 residential dwelling units that are projected to be developed within Assessment Area Three. According to the Third Supplemental Engineer's Report, the Assessment Area Three Project is comprised of CDD roadways, stormwater management, utilities (water, sewer, reclaim), utilities connection fees, hardscape/ landscape/ irrigation, differential cost of undergrounding of conduit, and environmental conservation/ mitigation, the costs of which, along with contingencies and professional services, were estimated by the

District Engineer at \$9,306,000. Table 2 in the *Appendix* illustrates the specific components of the Assessment Area Three Project and their costs.

## **4.0 Financing Program**

### **4.1 Overview**

As noted above, the District is embarking on a program of public infrastructure improvements which will facilitate the development of lands within Assessment Area Three. Generally, construction of public infrastructure improvements is either funded by the Developer and then acquired by the District or funded directly by the District. The choice of the exact mechanism for providing public infrastructure improvements has not yet been made at the time of this writing, and the District may either acquire the public infrastructure from the Developer or construct it, or even partly acquire it and partly construct it.

The District intends to issue its Special Assessment Bonds, Series 2024 (Assessment Area Three Project) in the estimated principal amount of \$9,600,000\* (the "Series 2024 Bonds") to fund a portion of the Assessment Area Three Project costs in the estimated total amount of \$7,960,127.48\*. It is anticipated that any costs of the Assessment Area Three Project which are not funded by the Series 2024 Bonds will be completed or funded by the Developer pursuant to a completion agreement that will be entered into by the Developer and the District.

### **4.2 Types of Bonds Proposed**

The financing plan for the District provides for the issuance of the Series 2024 Bonds in the estimated principal amount of \$9,600,000\* to finance a portion of the Assessment Area Three Project costs in the estimated total amount of \$7,960,127.48\*. The Series 2024 Bonds are structured to be amortized in 30 annual installments. Interest payments on the Series 2024 Bonds would be made every May 1 and November 1, and principal payments on the Series 2024 Bonds would be made on either May 1 or November 1.

In order to finance a portion of the costs of the Assessment Area Three Project in the estimated total amount of \$7,960,127.48\*, the District will need to borrow more funds and incur indebtedness in the estimated principal amount of \$9,600,000\*. The difference is

---

\* Preliminary, subject to change.

comprised of funding a debt service reserve, funding capitalized interest, and paying costs of issuance, which include the underwriter's discount. Preliminary sources and uses of funding for the Series 2024 Bonds are presented in Table 3 in the *Appendix*.

## **5.0 Assessment Methodology**

### **5.1 Overview**

The issuance of the Series 2024 Bonds provides the District with funds necessary to construct/acquire the infrastructure improvements which are part of the Assessment Area Three Project outlined in *Section 3.2* and described in more detail by the District Engineer in the Third Supplemental Engineer's Report. These improvements lead to special and general benefits accruing to the assessable properties within the boundaries of Assessment Area Three and general benefits accruing to areas outside of Assessment Area Three but being only incidental in nature. The debt incurred in financing the public infrastructure will be secured by assessing properties that derive special and peculiar benefits from the Assessment Area Three Project. All properties within Assessment Area Three that receive special benefits from the Assessment Area Three Project will be assessed for their fair share of the debt issued in order to finance all or a portion of the Assessment Area Three Project.

### **5.2 Benefit Allocation**

The most current development plan envisions the development of 343 residential dwelling units consisting of 128 townhomes, 107 single-family 40' units and 108 single-family 50' units, although unit numbers and land use types may change throughout the development period.

The public infrastructure included in the CIP – including the Assessment Area Three Project – will comprise an interrelated system of public infrastructure improvements, which means that all of the improvements will serve each respective assessment area within the District and such public improvements will be interrelated in such way that, once constructed, they will reinforce each other and their combined benefit will be greater than the sum of their individual benefits. As a practical matter, this means that public improvements that are part of the Assessment Area Three Project and not financed by the Series 2024 Bonds may be constructed by the Developer or funded by a future series of bonds.

As stated previously, the public infrastructure improvements included in the Assessment Area Three Project have a logical connection to the special and peculiar benefits received by the assessable lands within Assessment Area Three, as without such improvements, the development of such properties within Assessment Area Three would not be possible. Based upon the connection between the improvements and the special and peculiar benefits to the assessable lands within Assessment Area Three, the District can assign or allocate a portion of the District's debt through the imposition of non-ad valorem assessments, to the lands within Assessment Area Three receiving such special and peculiar benefits. Even though these special and peculiar benefits are real and ascertainable, the precise amount of the benefit cannot yet be calculated with mathematical certainty. However, such benefit is more valuable than the assessments related to the financed cost of constructing a portion of the Assessment Area Three Project.

In following the Amended Master Report, this Preliminary First Supplemental Report proposes to allocate the benefit associated with the Assessment Area Three Project to the different unit types proposed to be developed within Assessment Area Three in proportion to their density of development and intensity of use of infrastructure as measured by a standard unit called an Equivalent Residential Unit ("ERU"). Table 4 in the *Appendix* illustrates the ERU weights that are proposed to be assigned to the unit types contemplated to be developed within Assessment Area Three.

The rationale behind the different ERU values is supported by the fact that generally and on average units with smaller lot sizes will use and benefit from the improvements which are part of the Assessment Area Three Project less than units with larger lot sizes. For example, generally and on average units with smaller lot sizes will produce less storm water runoff, may produce fewer vehicular trips, and may need less water/sewer capacity than units with larger lot sizes. Additionally, the value of the units with larger lot sizes is likely to appreciate by more in terms of dollars than that of the units with smaller lot sizes as a result of the implementation of the infrastructure improvements. As the exact amount of the benefit and appreciation is not possible to be calculated at this time, the use of ERU measures serves as a reasonable approximation of the relative amount of benefit received by representatives of different unit types from the District's Assessment Area Three Project.

Please note that the method used to derive ERU values for single family units is based on the linear front footage of the various product types as a proportion to the product type that is set to a standard unit

of 1 ERU. For example, if the product type that is set to a standard unit of 1 ERU is a single family 50' unit, a single family 40' unit would be 0.8 ERU (40' / 50'). In the event that a new product type were to be introduced, the aforementioned ERU value method would be applied accordingly.

Based on the ERU benefit allocation illustrated in Table 4, Table 6 in the *Appendix* presents the allocation of the amount of Assessment Area Three Project costs allocated to the various unit types proposed to be developed within Assessment Area Three based on the ERU benefit allocation factors present in Table 4. Further, Table 6 illustrates the approximate costs that are projected to be financed with the Series 2024 Bonds, and the approximate costs of the portion of the Assessment Area Three Project costs to be contributed by the Developer, as the case may be. With the Series 2024 Bonds funding approximately \$7,960,127.48\* in costs of the CIP, the Developer is anticipated to fund improvements valued at an estimated cost of \$1,345,872.52\* which will not be funded with proceeds of the Series 2024 Bonds.

Finally, Table 7 in the *Appendix* presents the apportionment of the bond assessments securing the Series 2024 Bonds (the "Series 2024 Bond Assessments") and also present the annual levels of the projected annual debt service assessments per unit.

**Amenities.** No Series 2024 Bond Assessments are allocated herein to any private amenities or other common areas planned for the development. If owned by a homeowner's association, the amenities and common areas would be considered a common element for the exclusive benefit of property owners. Accordingly, any benefit to the amenities and common areas would directly benefit all platted lots in the District. If the common elements are owned by the District, then they would be governmental property not subject to the Series 2024 Bond Assessments and would be open to the general public, subject to District rules and policies. As such, no Series 2024 Bond Assessments will be assigned to the amenities and common areas.

**Government Property.** Real property owned by units of local, state, and federal governments, or similarly exempt entities, shall not be subject to the Series 2024 Bond Assessments without specific consent thereto. If at any time, any real property on which Series 2024 Bond Assessments are imposed is sold or otherwise transferred to a unit of local, state, or federal government, or similarly exempt entity, all future unpaid Series 2024 Bond Assessments for such tax parcel shall become due and payable immediately prior to

---

\* Preliminary, subject to change.

such transfer by way of a mandatory true-up payment without any further action of the District.

**New Product Types** - Generally stated, the Series 2024 Bond Assessments have been established based on an ERU value per front foot for the anticipated product types as set forth in Table 4. However, as noted herein and in the Master Report, additional product types may be developed throughout the development period. In such an event, the District's Assessment Consultant will determine ERU allocations, and the resulting Series 2024 Bond Assessment, for the added product types based on the underlying ERU values per front foot set forth in Table 4, without the need for a further assessment hearing.

### **5.3 Assigning Series 2024 Bond Assessments**

As the land within Assessment Area Three within the District is not yet fully platted for its intended final use and the precise location of the various product types by lot or parcel is unknown, the Series 2024 Bond Assessments will initially be levied on all of the land in Assessment Area Three on an equal pro-rata gross acre basis and thus the total bonded debt attributable to the Assessment Area Three Project in the estimated amount of \$9,600,000\* will be preliminarily levied on approximately 55.231 +/- acres at an estimated rate of \$173,815.43\* per gross acre.

When the land is platted within Assessment Area Three, the Series 2024 Bond Assessments will be allocated to each platted parcel on a first platted-first assigned basis based on the planned use for that platted parcel as reflected in Table 7 in the *Appendix* for the Series 2024 Bond Assessments. Such allocation of Series 2024 Bond Assessments from unplatted gross acres to platted parcels will reduce the amounts of Series 2024 Bond Assessments levied on unplatted gross acres within the District.

In the event unplatted land within Assessment Area Three is sold to a third party (the "Transferred Property"), the Series 2024 Bond Assessments will be assigned to such Transferred Property at the time of the sale based on the maximum total number of ERUs assigned by the Developer to that Transferred Property, subject to review by the District's methodology consultant, to ensure that any such assignment is reasonable, supported by current development rights and plans, and otherwise consistent with this Preliminary Third Supplemental Report. The owner of the Transferred Property will be responsible for the total Series 2024 Bond Assessments applicable

---

\* Preliminary, subject to change.

to the Transferred Property, regardless of the total number of ERUs ultimately actually platted. This total Series 2024 Bond Assessment is allocated to the Transferred Property at the time of the sale.

#### **5.4 Lienability Test: Special and Peculiar Benefit to the Property**

As first discussed in *Section 1.3*, Special Benefits and General Benefits, public infrastructure improvements undertaken by the District create special and peculiar benefits to the assessable properties within Assessment Area Three. The District's public infrastructure improvements benefit assessable properties within Assessment Area Three and accrue to all such assessable properties on an ERU basis.

Public infrastructure improvements undertaken by the District can be shown to be creating special and peculiar benefits to the property within Assessment Area Three. The special and peculiar benefits resulting from each improvement are:

- a. added use of the property;
- b. added enjoyment of the property;
- c. decreased insurance premiums; and
- d. increased marketability and value of the property.

The public infrastructure improvements which are part of the Assessment Area Three Project make the land in Assessment Area Three developable and saleable and when implemented jointly as parts of the Assessment Area Three Project, provide special and peculiar benefits which are greater than the benefits of any single category of improvements. These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value; however, such benefits are more valuable than either the cost of, or the actual assessment levied for, the improvement or debt allocated to the parcel of land.

#### **5.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay**

A reasonable estimate of the proportion of special and peculiar benefits received by the various land use types within Assessment Area One from the improvements is delineated in Table 4 (expressed as the ERU factors).

The apportionment of the Series 2024 Bond Assessments is fair and reasonable because it was conducted on the basis of consistent application of the methodology described in *Section 5.2* across all assessable property within Assessment Area Three according to

reasonable estimates of the special and peculiar benefits derived from the Assessment Area Three Project.

Accordingly, no acre or parcel of property within Assessment Area Three will be liened for the payment of the Series 2024 Bond Assessments more than the determined special benefit peculiar to that property.

## **5.6 True-Up Mechanism**

The District's assessment program is predicated on the development of lots in a manner sufficient to include all of the planned Equivalent Residential Units ("ERUs") as set forth in Table 4 in the *Appendix* ("Twisted Oaks Pointe Development Plan"). At such time as lands are to be platted (or re-platted) or site plans are to be approved (or re-approved), the plat or site plan (either, herein, "Proposed Plat") shall be presented to the District for a "true-up" review as follows:

- a. If a Proposed Plat results in the same amount of ERUs (and thus Series 2024 Bond Assessments) able to be imposed on the "Remaining Developable Unplatted Lands" (i.e., those remaining developable unplatted lands after the Proposed Plat is recorded) as compared to what was originally contemplated under the Twisted Oaks Pointe Development Plan, then the District shall allocate the Series 2024 Bond Assessments to the product types being platted and the remaining property in accordance with this Second Supplemental Report, and cause the Series 2024 Bond Assessments to be recorded in the District's improvement lien book.
- b. If a Proposed Plat within the District has more than the anticipated ERUs (and Series 2024 Bond Assessments) such that the Remaining Unplatted Developable Lands would be assigned fewer ERUs (and Series 2024 Bond Assessments) than originally contemplated in the Development Plan, then the District may undertake a pro rata reduction of Series 2024 Bond Assessments for all assessed properties within the Property, or may otherwise address such net decrease as permitted by law.
- c. If a Proposed Plat within the District has fewer than the anticipated ERUs (and Series 2024 Bond Assessments) such that the Remaining Unplatted Developable Lands would have to be assigned more ERUs (and Series 2024 Bond Assessments) in order to fully assign all of the ERUs originally contemplated in the Development Plan, then the District shall require the landowner(s) of the lands encompassed by the Proposed Plat to pay a "True-Up Payment" equal to the difference between: (i) the Series 2024 Bond

Assessments originally contemplated to be imposed on the lands subject to the Proposed Plat, and (ii) the Series 2024 Bond Assessments able to be imposed on the lands subject to the Proposed Plat, after the Proposed Plat (plus applicable interest, collection costs, penalties, etc.).

With respect to the foregoing true-up analysis, the District's Methodology Consultant, in consultation with the District Engineer and District Counsel, shall determine in their sole discretion what amount of ERUs (and thus Series 2024 Bond Assessments) are able to be imposed on the Remaining Developable Unplatted Lands, taking into account a Proposed Plat, by reviewing: a) the original, overall development plan showing the number and type of units reasonably planned for the development, b) the revised, overall development plan showing the number and type of units reasonably planned for the development, c) proof of the amount of entitlements for the Remaining Developable Unplatted Lands, d) evidence of allowable zoning conditions that would enable those entitlements to be placed in accordance with the revised development plan, and e) documentation that shows the feasibility of implementing the proposed development plan. Prior to any decision by the District not to impose a true-up payment, a supplemental methodology shall be produced demonstrating that there will be sufficient assessments to pay debt service on the applicable series of bonds and the District will conduct new proceedings under Chapters 170, 190 and 197, Florida Statutes upon the advice of District Counsel.

Any True-Up Payment shall become due and payable prior to the recordation of the plat by the landowner of the lands subject to the Proposed Plat, shall be in addition to the regular assessment installment payable for such lands, and shall constitute part of the debt assessment liens imposed against the Proposed Plat property until paid. A True-Up Payment shall include accrued interest on the applicable bond series to the interest payment date that occurs at least 45 days after the True-Up Payment (or the second succeeding interest payment date if such True-Up Payment is made within forty-five (45) calendar days before an interest payment date (or such other time as set forth in the supplemental indentures for the applicable bond series)).

All Series 2024 Bond Assessments levied run with the land, and such assessment liens include any True-Up Payments. The District will not release any liens on property for which True-Up Payments are due, until payment has been satisfactorily made. Further, upon the District's review of the final plat for the developable acres within Assessment Area Three, any unallocated Series 2024 Bond

Assessments shall become due and payable and must be paid prior to the District's approval of that plat. This true-up process applies for both plats and/or re-plats.

Such review shall be limited solely to the function and the enforcement of the District's assessment liens and/or true-up agreements. Nothing herein shall in any way operate to or be construed as providing any other plat approval or disapproval powers to the District. For further detail on the true-up process, please refer to the True-Up Agreement and applicable assessment resolution(s).

## **5.7 Preliminary Assessment Roll**

The Series 2024 Bond Assessments in the estimated amount of \$9,600,000\* are proposed to be levied over the area described in Exhibit "A." Excluding any capitalized interest period, debt service assessments shall be paid in no more than thirty (30) annual principal installments.
