

NEW ISSUE

In the opinion of Hawkins Delafield & Wood LLP, Bond Counsel to the West Virginia Housing Development Fund (the “Housing Development Fund”), (a) under existing statutes and court decisions and assuming continuing compliance with certain tax covenants described herein, (i) interest on the below-defined 2024 B Bonds is excluded from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”) and (ii) interest on the 2024 B Bonds is not treated as a preference item in calculating the alternative minimum tax under the Code; however, interest on the 2024 B Bonds is included in the “adjusted financial statement income” of certain corporations that are subject to the alternative minimum tax under Section 55 of the Code; and (b) interest on the below-defined 2024 C Bonds is included in gross income for federal income tax purposes. In the opinion of General Counsel to the Housing Development Fund, under existing statutes, the below-defined 2024 BC Bonds and the income therefrom shall at all times be exempt from taxation by the State of West Virginia (the “State”), or any county, municipality or other governmental subdivision of the State, except for death and gift taxes, taxes on transfers, sales taxes, real property taxes and business and occupation taxes. See “TAX MATTERS” herein.

\$48,000,000 2024 Series B (Non-AMT)
(Social Bonds)

\$32,000,000 2024 Series C (Federally Taxable)
(Social Bonds)

Dated: Date of Delivery

Due: As Shown on Inside Cover

The Housing Finance Bonds, 2024 Series B (the “2024 B Bonds”) and the Housing Finance Bonds, 2024 Series C (the “2024 C Bonds”; together with the 2024 B Bonds, the “2024 BC Bonds”) are issuable only as fully-registered bonds, without coupons, and when issued, will be registered in the name of Cede & Co., as nominee of The Depository Trust Company, New York, New York (“DTC”). DTC will act as Securities Depository for the 2024 BC Bonds. Individual purchases will be made in book-entry form only in denominations of \$5,000 principal amount and integral multiples thereof. Beneficial Owners will not receive certificates representing their interest in the 2024 BC Bonds.

Principal and interest are payable by the Trustee, United Bank, a Virginia banking corporation authorized to transact business in West Virginia (formerly United Bank, Inc.), to the Securities Depository, which will in turn remit such principal and interest to its participants for subsequent distribution to the Beneficial Owners of the 2024 BC Bonds, as described herein. The 2024 BC Bonds will bear interest from their date of initial delivery at the rates set forth on the inside cover page hereof, payable semiannually on each May 1 and November 1, commencing November 1, 2024. Interest on the 2024 BC Bonds shall be computed on the basis of a 360-day year consisting of twelve 30-day months.

The 2024 BC Bonds are subject to redemption at par prior to maturity as more fully described herein.

BONDS ISSUED UNDER THE GENERAL RESOLUTION ARE GENERAL OBLIGATIONS OF THE HOUSING DEVELOPMENT FUND FOR WHICH ITS FULL FAITH AND CREDIT ARE PLEDGED.

THE HOUSING DEVELOPMENT FUND HAS NO TAXING POWER. THE STATE IS NOT LIABLE ON THE 2024 BC BONDS, AND THE 2024 BC BONDS ARE NOT A DEBT OF THE STATE.

The 2024 BC Bonds are offered when, as and if issued and received in book-entry form, subject to the approval of legality by Hawkins Delafield & Wood LLP, New York, New York, Bond Counsel to the Housing Development Fund, and certain other conditions. Certain legal matters will be passed upon for the Housing Development Fund by Jackson Kelly PLLC, Charleston, West Virginia, its General Counsel. Certain legal matters will be passed upon for the Underwriter by Kutak Rock LLP, Atlanta, Georgia. It is expected that the 2024 BC Bonds in definitive form will be available for delivery at DTC in New York, New York on or about June 18, 2024.

OFFICIAL STATEMENT

WEST VIRGINIA HOUSING DEVELOPMENT FUND

\$80,000,000

Housing Finance Bonds

\$48,000,000 2024 Series B (Non-AMT) (Social Bonds)

\$32,000,000 2024 Series C (Federally Taxable) (Social Bonds)

This Official Statement provides certain information concerning the West Virginia Housing Development Fund (the “Housing Development Fund”) in connection with the sale of its \$48,000,000 Housing Finance Bonds, 2024 Series B (the “2024 B Bonds”) and its \$32,000,000 Housing Finance Bonds, 2024 Series C (the “2024 C Bonds”; together with the 2024 B Bonds, the “2024 BC Bonds”).

The 2024 BC Bonds are being issued pursuant to the West Virginia Housing Development Fund Act, constituting Article 18 of Chapter 31 of the Code of West Virginia, 1931, as amended (the “Act”), the General Housing Finance Bond Resolution adopted by the Housing Development Fund on April 29, 1976, for the benefit of United Bank, a Virginia banking corporation (formerly United Bank, Inc.), authorized to transact business in the State of West Virginia (the “State”), as trustee (the “Trustee”), as amended and supplemented (the “General Resolution”), the Sixtieth Supplemental Housing Finance Bond Resolution adopted by the Housing Development Fund on April 24, 2024 (the “Sixtieth Supplemental Resolution”), the Direction and Certification of the Governor of the State dated May 9, 2024 and a Certificate of Determinations of the Housing Development Fund, dated as of May 30, 2024 (the “Certificate”).

Pursuant to the General Resolution, bonds issued thereunder are equally and ratably secured by the pledges and covenants contained therein. All such bonds, including the 2024 BC Bonds, are herein called the “Bonds.” Certain provisions of the General Resolution, the Sixtieth Supplemental Resolution and the Certificate (collectively, the “Resolutions”) are summarized herein, and a glossary of certain words and terms defined in the General Resolution appears as **APPENDIX E** to this Official Statement. Words and terms defined in the Resolutions are used herein as so defined, except as expressly provided herein.

INTRODUCTION

The General Resolution authorizes Bonds to be issued to provide funds to finance mortgage loans to eligible persons for single family housing (“Program Loans”) and mortgage loans to eligible persons or sponsors for multi-family rental housing accommodations (“Project Loans”) within the State and to provide funds for deposit into the various funds and accounts established under the General Resolution (the “Housing Finance Program”).

On April 24, 2024, the Housing Development Fund’s Board of Directors approved the Sixtieth Supplemental Resolution and a plan of finance authorizing the sale of up to \$288,985,000 of Bonds to provide funds to finance Program Loans and to refund bonds previously issued to provide such financing. Under authorization of the Sixtieth Supplemental Resolution and the plan of finance, proceeds of a portion of the 2024 BC Bonds will be used to finance single family mortgage loans (the “2024 BC Program Loans”) and to make a deposit to the Capital Reserve Fund. See “SOURCES AND USES OF FUNDS.”

Approximately \$3.81 billion of Bonds have been issued under the General Resolution, of which \$603,195,000 are currently Outstanding. As of March 31, 2024, there were unexpended lendable proceeds of the following Series of Bonds:

Series	Original Lendable Proceeds	Unexpended Lendable Proceeds
2023 Series B	\$50,000,000	\$ 1,106,317
2023 Series D	60,000,000	19,661,452
2024 Series A	70,038,870	70,038,870

The Housing Development Fund expects to have mortgage loan commitments exceeding the remaining lendable proceeds of such Bonds as of the date of issuance of the 2024 BC Bonds and expects that such remaining lendable proceeds will be fully expended to purchase Program Loans on or before September 30, 2024. Additional information concerning the currently Outstanding Bonds and the Mortgage Loans securing them is contained in the sections entitled “NATURE OF BONDS AND SOURCES OF PAYMENT – Debt Service and Estimated Revenues Including Prepayments” and “THE HOUSING FINANCE PROGRAM” and in **APPENDICES A-1, A-2, A-3 and A-4.**

Instances of market or business disruption may impact the origination of Mortgage Loans. See “BUSINESS DISRUPTION RISK” herein.

The General Resolution provides for a Capital Reserve Fund to be held by the Trustee, which is required to have on deposit an amount, as of any computation date, equal to the greatest annual amount of Aggregate Debt Service for the current or any future Bond Year (the “Capital Reserve Fund Requirement”). Upon the issuance of the 2024 BC Bonds, the amount on deposit in the Capital Reserve Fund will be at least equal to the Capital Reserve Fund Requirement. See “NATURE OF BONDS AND SOURCES OF PAYMENT – Capital Reserve Fund.”

Bonds issued under the General Resolution are general obligations of the Housing Development Fund for which its full faith and credit are pledged. Bonds are additionally secured by a pledge of the revenues derived from the Mortgage Loans financed pursuant to the General Resolution and moneys and securities held in any fund or account established thereunder. See “NATURE OF BONDS AND SOURCES OF PAYMENT – Pledge of the General Resolution.” In addition, the Bonds are entitled to the benefit of the Mortgage Finance Bond Insurance Fund, a special trust fund established and maintained pursuant to the Act, to which amounts may be appropriated by the State Legislature as more fully described herein. See “NATURE OF BONDS AND SOURCES OF PAYMENT – Mortgage Finance Bond Insurance Fund.”

THE HOUSING DEVELOPMENT FUND HAS NO TAXING POWER. THE STATE IS NOT LIABLE ON THE 2024 BC BONDS, AND THE 2024 BC BONDS ARE NOT A DEBT OF THE STATE.

There follows in this Official Statement a brief description of the Housing Development Fund and its Housing Finance Program, together with summaries of certain terms of the 2024 BC Bonds, the Resolutions and certain provisions of the Act. Brief descriptions of other programs and other outstanding obligations of the Housing Development Fund are included in “OTHER PROGRAMS OF THE HOUSING DEVELOPMENT FUND” herein. All references herein to the Act and the Resolutions are qualified in their entirety by reference to each such document, copies of which are available from the Housing Development Fund. All references to the 2024 BC Bonds are qualified in their entirety by reference to the definitive forms thereof and the information with respect thereto contained in the Resolutions.

The 2024 BC Bonds are designated as “Social Bonds.” See “DESIGNATION OF THE 2024 BC BONDS AS SOCIAL BONDS” herein.

Ratings

The 2024 BC Bonds are rated “AAA” by S&P Global Ratings (“S&P”) and are rated “Aaa” by Moody’s Investors Service, Inc. (“Moody’s”).

Additionally, Moody’s and S&P rate the Housing Development Fund’s unsecured, long-term general obligation debt pledge “Aaa” and “AAA” respectively. These ratings are not assigned to any particular issue of debt, but rather, represent an overall credit assessment by the respective rating agencies of the Housing Development Fund’s general obligation debt pledge. The Housing Development Fund makes no representation as to the meanings of such ratings.

The ratings are not recommendations to buy, sell or hold the 2024 BC Bonds. There is no assurance that such ratings will be maintained for any period of time or that such ratings will not be withdrawn or revised downward by Moody’s or S&P if, in their judgment, circumstances so warrant. Therefore, after the date hereof, investors should not assume that such ratings are still in effect. The Housing Development Fund has not assumed any responsibility either to notify the owners of any proposed rating change or withdrawal of such ratings subsequent to the date of this Official Statement, except in connection with the reporting of events as provided in the Continuing Disclosure Agreement (see “UNDERTAKING TO PROVIDE CONTINUING DISCLOSURE” herein) or to contest any such revision or withdrawal. A downward revision or withdrawal of any of such ratings, if taken, could have an adverse effect on the market price or marketability of bonds issued by the Housing Development Fund, including the 2024 BC Bonds.

An explanation of the Moody’s ratings may be obtained by writing to Moody’s Investors Service, Inc., 7 World Trade Center, 250 Greenwich Street, New York, New York 10007; and an explanation of the S&P ratings may be obtained by writing to S&P Global Ratings, 55 Water Street, New York, New York 10041.

DESIGNATION OF THE 2024 BC BONDS AS SOCIAL BONDS

General

The Housing Development Fund is designating the 2024 BC Bonds as Social Bonds based on, among other things, the intended use of proceeds of the 2024 BC Bonds to finance affordable home loans to primarily low and moderate income first-time homebuyers throughout the State. The Housing Development Fund's Social Bonds designation reflects the intended use of the proceeds of the 2024 BC Bonds in a manner that is consistent with the four core components (the "Social Bond Principles") described by the International Capital Market Association ("ICMA") in its June 2023 publication, *Social Bond Principles: Voluntary Process Guidelines for Issuing Social Bonds*: 1. Use of Proceeds; 2. Process for Project Evaluation and Selection; 3. Management of Proceeds; and 4. Reporting.

⁽¹⁾ Information provided by the Housing Development Fund. Past uses of the proceeds of the Housing Development Fund's Bonds do not guarantee that the proceeds of the 2024 BC Bonds will be used in the same manner or with the same results.

The term "Social Bonds" is neither defined in nor related to provisions in the Resolutions. The use of such term herein is for identification purposes only and is not intended to provide or imply that an owner of Social Bonds is entitled to any additional security beyond that provided therefor in the Resolutions. Holders of Social Bonds do not assume any specific risk with respect to any of the 2024 BC Program Loans by reason of the 2024 BC Bonds being designated as Social Bonds, and such 2024 BC Bonds are secured on a parity with all other Bonds issued and to be issued under the General Resolution.

Use of Proceeds. The core component of a Social Bond is the use of proceeds of the Social Bond consistent with the Social Bond Principles. The Social Bond Principles include project categories for the most commonly used types of projects (defined as "Social Projects") supported by or expected to be supported by the Social Bond market. Social Projects include "affordable housing." The Housing Development Fund's programs, as summarized below, provide affordable housing in the State and serve certain of the target populations included by the ICMA in the Social Bond Principles such as communities that are underserved regarding affordable homeownership. The Housing Development Fund's Social Bonds designation also reflects the process by which the Housing Development Fund has determined that its activities further advance affordable housing in the State, including the way the Housing Development Fund tracks the use of 2024 BC Bond proceeds to fund its affordable housing programs and reports on such activities. The proceeds of the 2024 BC Bonds will be used to finance the purchase of Program Loans pursuant to the Housing Finance Program. See "THE HOUSING FINANCE PROGRAM" and "TAX MATTERS" herein.

Program Evaluation and Selection. Program Loans funded by the proceeds of the 2024 BC Bonds will be originated by Participating Lenders and are expected to be consistent with the Housing Finance Program, as described in "THE HOUSING FINANCE PROGRAM" herein.

Management of Proceeds. Net of certain transaction costs, the proceeds of the 2024 BC Bonds will be invested in Investment Securities until disbursed to finance the 2024 BC Program Loans. Such disbursements will be tracked by the Housing Development Fund and the 2024 BC Program Loans are tracked for compliance with Housing Finance Program requirements.

Reporting. The Housing Development Fund will provide annual updates regarding the disbursement of the lendable proceeds of the 2024 BC Bonds, generally in the form included in **APPENDIX H – "FORM OF SOCIAL BONDS ANNUAL REPORTING"** in this Official Statement. Once all the lendable proceeds of the 2024 BC Bonds have been fully expended, no further updates will be provided.

The Housing Development Fund expects to post these updates as voluntary filings on the Electronic Municipal Market Access System (“EMMA”) of the Municipal Securities Rulemaking Board (“MSRB”). Although the Housing Development Fund intends to provide such updates, the Housing Development Fund is not required to provide these updates pursuant to its Continuing Disclosure Agreement (as hereinafter described) with respect to the 2024 BC Bonds or any other agreement to provide continuing disclosure and the failure to do so will not constitute an event default thereunder or under the General Resolution.

Mission & Summary Statistics

The Housing Development Fund’s mission is to assist in providing a range of affordable housing opportunities for West Virginia, which the Housing Development Fund finances through a variety of programs. One such program is the Housing Finance Program, which advances the Housing Development Fund’s mission by, among other things, financing Program Loans with proceeds of tax-exempt qualified mortgage bonds for owner-occupied housing for persons and families of low and moderate income in the State. With few exceptions, such homebuyers at the time of the funding of a Mortgage Loan satisfy the “first-time homebuyers restrictions,” discussed further herein. Moreover, the Housing Development Fund’s Low Down Home Loan Program assists eligible borrowers with down payment and closing costs associated with the purchase of a home. See “THE HOUSING FINANCE PROGRAM,” “OTHER PROGRAMS OF THE HOUSING DEVELOPMENT FUND” and “TAX MATTERS” herein.

The Housing Development Fund’s historical information from 2021 through 2023 demonstrates that, under its Housing Finance Program, the Housing Development Fund purchased during such period approximately 2,214 Program Loans in the approximate aggregate original principal amount of \$316.8 million from proceeds of its tax-exempt qualified mortgage bonds. Over 59% of such lendable proceeds were lent to borrowers whose household incomes were below 100% area median income (“AMI”) and 33.7% of such lendable proceeds were lent to borrowers whose household incomes were at or below 80% AMI, as broken down by AMI bands in the table below. These Program Loans were provided to residents throughout the State in fifty of the State’s 55 counties. The average borrower household income was \$53,296 and ranged from \$5,376 to \$159,781. Approximately 93% of such borrowers received down payment and closing costs assistance from the Housing Development Fund in the form of a second mortgage loan (“DPA Loan”) in an amount not to exceed the maximum amount therefor authorized by the Housing Development Fund’s Board of Directors (currently \$15,000). For additional details on the Housing Development Fund’s single family procedures and policies, see “THE HOUSING FINANCE PROGRAM – Single Family Procedures and Policies” herein.

DESCRIPTION OF THE 2024 BC BONDS

General

The 2024 BC Bonds will be issued as fully-registered bonds in denominations of \$5,000 principal amount and integral multiples thereof. The 2024 BC Bonds are available in book-entry form only in the name of Cede & Co., will be dated the date of issuance and delivery and will mature on the dates and in the amounts shown on the inside cover page of this Official Statement. Interest on the 2024 BC Bonds is payable on May 1 and November 1 of each year until maturity or prior redemption, commencing November 1, 2024.

See “NATURE OF BONDS AND SOURCES OF PAYMENT – Debt Service and Estimated Revenues Including Prepayments” regarding the scheduling of maturities of the 2024 BC Bonds.

So long as Cede & Co. is the registered owner of the 2024 BC Bonds as nominee of The Depository Trust Company, New York, New York (“DTC”), references herein to the holders or registered owners of the 2024 BC Bonds (*except* under “TAX MATTERS”) mean Cede & Co., as aforesaid, and do not mean the Beneficial Owners of the 2024 BC Bonds. Beneficial Owners of the 2024 BC Bonds will not receive certificates representing their interest in the 2024 BC Bonds. DTC will act as securities depository for the 2024 BC Bonds. One fully-registered Bond certificate for each maturity of the 2024 BC Bonds will be issued and deposited with DTC. For a summary of DTC’s policies and procedures relating to the 2024 BC Bonds, see **APPENDIX F**.

The Housing Development Fund may issue additional Bonds under the General Resolution. See “NATURE OF BONDS AND SOURCES OF PAYMENT – Additional Bonds.”

Redemption Provisions

The 2024 BC Bonds are subject to redemption as described below.

Special Optional Redemption

The 2024 BC Bonds are subject to redemption at the option of the Housing Development Fund as a whole or in part, at any time, at a redemption price equal to 100% of the principal amount plus accrued interest to the date of redemption, in amounts, irrespective of the source of such amount, not exceeding:

- (a) unexpended proceeds of the 2024 BC Bonds remaining in the Mortgage Loan Fund together with origination fees, if any, received in connection therewith, *provided* that unexpended proceeds of the 2024 B Bonds can only be applied to redeem 2024 B Bonds;
- (b) any repayments and Recoveries of Principal of mortgage loans deemed to be allocated to or financed with 2024 BC Bond proceeds or proceeds of any prior or other subsequent Series of Bonds to the extent not otherwise pledged or dedicated to the redemption of any prior or other subsequent Series of Bonds (see “NATURE OF BONDS AND SOURCES OF PAYMENT – Debt Service and Estimated Revenue Including Prepayments” herein), *subject to* compliance with the Housing Development Fund’s tax covenants; and
- (c) amounts on deposit in the Capital Reserve Fund in excess of the Capital Reserve Fund Requirement and amounts in the Revenue Fund in excess of the amount required to meet accrued Debt Service requirements with respect to the 2024 BC Bonds or any prior or subsequent Series of Bonds.

Special Required Redemptions

The Internal Revenue Code of 1986, as amended (the “Code”) requires repayments (including prepayments) of mortgage loans financed with proceeds of or allocable to tax-exempt qualified mortgage bonds received after 10 years from the date of issuance of such bonds (or the date of issuance of the original bonds in the case of refunding bonds), except for a \$250,000 *de minimis* amount, to be used to retire such bonds no later than the close of the first semiannual period beginning after the date of receipt. As a consequence, the following approximate percentages of repayments (including prepayments) of 2024 BC Program Loans allocable to the 2024 B Bonds received during the following applicable periods are expected to be required to be applied no later than the close of the first semiannual period beginning after the date of receipt to retire 2024 B Bonds. This information is based on the current expected use of proceeds of the 2024 B Bonds and on current tax law. The Housing Development Fund cannot predict the actual repayments (including prepayments) of 2024 BC Program Loans it will receive or whether such Code provisions may be repealed, and no assurance can be given that such actual redemptions will occur. Further, the Housing Development Fund reserves the right to modify the use of proceeds of the 2024 B Bonds, which could affect such dates and percentages.

Period (dates inclusive)	Percentage
Issue Date to June 17, 2034	0.00%
June 18, 2034 to Final Maturity of Bonds	100.00

Additionally, the Code requires that non-refunding lendable proceeds of the 2024 B Bonds not used to originate Program Loans within 42 months from the date of issuance of the 2024 B Bonds be used to redeem 2024 B Bonds.

Optional Redemption

The 2024 BC Bonds maturing on or after November 1, 2033 are subject to redemption at the option of the Housing Development Fund, as a whole or in part, from any source of funds, on any date on or after May 1, 2033, in such amounts as the Housing Development Fund shall determine, at a redemption price equal to 100% of the principal amount plus accrued interest to the date of the redemption.

Mandatory Sinking Fund Redemption

The 2024 BC Bonds shown below are subject to redemption in part, by lot, at a redemption price equal to the principal amounts thereof and interest thereon, from mandatory Sinking Fund Payments which are required to be made in amounts sufficient to redeem such 2024 BC Bonds on the respective dates and in the respective principal amounts as set forth herein.

[†] Final Maturity

Amounts accumulated for each Sinking Fund Payment may be applied by the Trustee, at the direction of the Housing Development Fund, prior to the forty-fifth day preceding the due date of the related Sinking Fund Payment, to the purchase of the 2024 BC Bonds to be redeemed from such Sinking Fund Payments, at prices (including any brokerage and other charges) not exceeding the applicable redemption price, plus accrued interest to the date of purchase, and the principal amount of the 2024 BC Bonds purchased is to be credited against the applicable Sinking Fund Payment.

Upon any purchase or redemption of 2024 BC Bonds of any maturity for which Sinking Fund Payments have been established, other than by application of Sinking Fund Payments, the principal amount of the 2024 BC Bonds so purchased or redeemed will reduce the principal amount of such 2024 BC Bonds required to be redeemed on any date from Sinking Fund Payments, as directed by the Housing Development Fund, or, failing such direction, will reduce each such principal amount in the same ratio as the total principal amount of all such 2024 BC Bonds so purchased or redeemed bears to the total principal amount of all the 2024 BC Bonds of the applicable maturity.

General Provisions

The Housing Development Fund may select Bonds for redemption from among any Series of Bonds and maturities as it deems appropriate, subject to the provisions of the applicable supplemental resolution and the Code. If less than all the Bonds of a single Series and maturity are called for redemption, the particular Bonds to be redeemed are to be selected by lot.

Any notice of redemption may state that it is conditional upon receipt by the Trustee of moneys sufficient to pay the redemption price of such Bonds or upon the satisfaction of any other condition, or that it may be rescinded upon the occurrence of any other event, and any conditional notice so given may be rescinded at any time before payment of such redemption price if any such condition so specified is not satisfied or if any such other event occurs.

SOURCES AND USES OF FUNDS

The proceeds of the 2024 BC Bonds and certain other amounts currently held under the General Resolution are expected to be applied approximately as follows:

BUSINESS DISRUPTION RISK

Certain external events, such as pandemics, natural disasters, severe weather, technological emergencies, riots, acts of war or terrorism or other circumstances, could potentially disrupt the Housing Development Fund's ability to conduct its business. A prolonged disruption in the Housing Development Fund's operations could have an adverse effect on the Housing Development Fund's financial condition and results of operations. To plan for and mitigate the impact such an event may have on its operations, the Housing Development Fund has developed a Business Continuity Plan (the "Plan"). The Plan is designed to (i) provide for the continued execution of the mission-essential functions of the Housing Development Fund and minimize disruption if an emergency threatens, interrupts or incapacitates the Housing Development Fund's operations, (ii) provide Housing Development Fund leadership with timely direction, control and coordination before, during and after an emergency, and (iii) facilitate the return to normal operating conditions as soon as practical based on the circumstances surrounding any given emergency. No assurances can be given that the Housing Development Fund's efforts to mitigate the effects of an emergency or other event will be successful in preventing any and all disruptions to its operations.

Cybersecurity

The Housing Development Fund relies on a complex technology environment to conduct its operations. As a recipient and provider of personal, private and sensitive information, the Housing Development Fund faces multiple cyber threats including, but not limited to, hacking, viruses, malware, ransomware, phishing, business email compromise, theft, destruction and other attacks on computers, servers, cloud resources, and other sensitive digital networks, systems, and assets. Housing finance authorities and other public finance entities have been targeted by outside third parties, including technically sophisticated and well-resourced actors, attempting to misappropriate assets or information or cause operational disruption and damage. Further, third parties, such as hosted solution providers, that provide various technology services to the Housing Development Fund, could also be a source of security risk in the event of a failure of their own security systems and infrastructure.

The Housing Development Fund uses a layered approach that employs sound operational strategies and security technology solutions to secure against, detect, and mitigate the effects of cyber threats on its infrastructure and information assets. The Housing Development Fund conducts regular information security and privacy awareness training that is mandatory for all Housing Development Fund staff and regularly conducts risk assessments and tests of its cybersecurity systems and infrastructure. The Housing Development Fund's Senior Manager – Information Services manages all information technology and leads the efforts of the Housing Development Fund to keep its cyber assets secure.

Despite its efforts, no assurances can be given that the Housing Development Fund's security and operational control measures will be successful in guarding against any and each cyber threat and attack, especially because the techniques used are increasingly sophisticated, change frequently, are complex, and are often not recognized until launched. To date, cyber-attacks have not had a material impact on the Housing Development Fund's financial condition, results or business; however, the Housing Development Fund is not able to predict future attacks or their severity. The results of any attack on the Housing Development Fund's computer and information technology systems as well as any third party hosted solutions utilized by the Housing Development Fund could impact its operations for an unknown period of time, damage the Housing Development Fund's digital networks and systems, and damage the Housing Development Fund's reputation, financial performance, and customer or vendor relationships. Such an attack also could result in litigation or regulatory investigations or actions, including regulatory actions by state and federal governmental authorities. The costs of remedying any such damage could be substantial and such damage to the Housing Development Fund's reputation and relationships could adversely affect the Housing Development Fund's ability to make loans and issue Bonds in the future.

NATURE OF BONDS AND SOURCES OF PAYMENT

Pledge of the General Resolution

The General Resolution is a contract among the Housing Development Fund, the Trustee and the holders of all Bonds issued thereunder, and the provisions thereof are for the equal benefit, protection and security of the holders of all such Bonds, each of which, regardless of time of issue or maturity, is to be of equal rank, without preference, priority or distinction except as provided in the General Resolution. See **APPENDIX E – “DEFINITIONS OF CERTAIN TERMS AND SUMMARY OF THE GENERAL RESOLUTION – Remedies.”**

The Bonds are general obligations of the Housing Development Fund, payable from any funds of the Housing Development Fund available therefor pursuant to the Act, which excludes payment from the Housing Development Fund's Land Development Fund (a source of funds for, among other things, the Housing Development Fund's West Virginia Property Rescue Initiative), Operating Loan Fund and Affordable Housing Fund. The Bonds are not payable from assets pledged to the payment of special, limited obligation bonds, as described further herein under “OTHER PROGRAMS OF THE HOUSING DEVELOPMENT FUND – Other Bond Programs.” To further secure the payment of the principal and redemption price of and interest on the Bonds, the General Resolution creates a continuing pledge of and lien on the following revenues and assets:

(a) The Pledged Receipts, which consist of (i) the scheduled payments of principal and interest from any Mortgage Loan financed pursuant to the General Resolution (the “Acquired Mortgages”) or amounts received in lieu thereof with respect to any Acquired Mortgage as a result of default, (ii) fees, charges and other income paid to the Housing Development Fund with respect to such Acquired Mortgages (excluding, however, servicing fees, escrow payments and Recoveries of Principal, as described below, and/or fees, charges and other income received prior to the financing of a Mortgage Loan pursuant to the General Resolution or amounts which are required by the Act to be deposited in the Mortgage Finance Bond Insurance Fund), and (iii) amounts received as a result of the investment or deposit of amounts held in any Fund or Account established pursuant to the General Resolution which are in excess of any losses on such investment or deposits;

(b) The Recoveries of Principal, which consist of all amounts received by the Housing Development Fund as a recovery of the principal amount of any Acquired Mortgage (i) as a result of the acceleration of the due date thereon through foreclosure or other proceeds of foreclosure or condemnation, (ii) as a result of the prepayment thereof, including any penalty, fee, premium or additional charge, or (iii) on account of the sale, assignment, endorsement or other disposition thereof, or from the sale of the whole or any part of the property originally covered by a Mortgage Loan subsequent to the acquisition of such property by the Housing Development Fund as a result of default, or insurance proceeds received as a result of default; and

(c) All amounts held in any Fund or Account established pursuant to the General Resolution, including Investment Securities on deposit therein.

Additional Bonds

Additional Series of Bonds may be issued as provided in the General Resolution on a parity with the Bonds of all other Series, secured by an equal charge and lien on such revenues and assets and payable equally therefrom, but no Series of Bonds may be issued unless the principal amount of all Bonds issued or to be issued will not exceed any limitation imposed by law and unless, upon the issuance of such Bonds, the amount credited to the Capital Reserve Fund will not be less than the Capital Reserve Fund Requirement. The Housing Development Fund reserves the right to adopt additional general bond resolutions and to issue other obligations. Certain revenues and assets of the Housing Development Fund have been pledged to the payment of certain obligations other than the Bonds. See “THE HOUSING DEVELOPMENT FUND – Management Discussion and Analysis – General Fund” and “OTHER PROGRAMS OF THE HOUSING DEVELOPMENT FUND.”

Capital Reserve Fund

The General Resolution provides for a Capital Reserve Fund to be held by the Trustee which, as of any computation date, is required to have on deposit an amount equal to the Capital Reserve Fund Requirement. In the event that other funds available to the Housing Development Fund under the General Resolution are insufficient to pay, when due, interest on the Bonds or the principal or Redemption Price thereof (whether redeemed from Sinking Fund Payments or otherwise), the Trustee is required to apply amounts in the Capital Reserve Fund to make such payments. Except for such payments, no withdrawal may be made from the Capital Reserve Fund which reduces the amount in the Capital Reserve Fund to less than the Capital Reserve Fund Requirement. The Housing Development Fund has covenanted to make no withdrawals therefrom unless it has determined that the amounts withdrawn are not necessary to make the scheduled payments of principal and interest on the Bonds. The General Resolution also provides that after the required monthly application of Pledged Receipts for Program Expenses and the provision of the amounts for the payment of principal of and interest on the Bonds, any amounts remaining are to be deposited in the Capital Reserve Fund to the extent necessary to meet the Capital Reserve Fund Requirement. As of March 31, 2024, the amount on deposit in the Capital Reserve Fund, valued in accordance with the General Resolution, was approximately \$55,507,430 which amount was at least equal to the Capital Reserve Fund Requirement on such date. Upon the issuance of the 2024 BC Bonds, the amount on deposit in the Capital Reserve Fund will be at least equal to the Capital Reserve Fund Requirement.

Debt Service and Estimated Revenues Including Prepayments

The ability of the Housing Development Fund to pay principal of, and interest on, the Bonds and Program Expenses depends upon the receipt by the Trustee of sufficient payments of principal and interest on the Acquired Mortgages and the investment or reinvestment of moneys held pursuant to the General Resolution.

The Housing Development Fund expects payments under the mortgage loans and moneys and securities held under the Resolutions and the income thereon to be sufficient to pay, when due, the principal (including Sinking Fund Payments) of and interest on the Outstanding Bonds (including the 2024 BC Bonds).

Maturities and Sinking Fund Payments with respect to the 2024 BC Bonds were scheduled based upon an assumed rate of prepayment of the related Program Loans of 50% of the Securities Industry and Financial Markets Association (formerly known as the Public Securities Association (“PSA”) prepayment standard model (the “PSA Prepayment Model”)). See the table appearing on the following page for certain information regarding prior Series of Bonds for which prepayments of Program Loans also were assumed to be received at a level other than 0%. Since Program Loan prepayments cannot be predicted, the actual principal amount of and characteristics of the Program Loans may differ from assumptions. The Housing Development Fund makes no representation that actual experience will conform to such prepayment assumptions.

The PSA Prepayment Model is based on an assumed rate of prepayment each month of the then unpaid principal balance of mortgage loans. One hundred percent of the PSA Prepayment Model assumes prepayment rates of 0.2 percent per year of the then unpaid principal balance of such mortgage loans in the first month of the life of such mortgage loans and an additional 0.2 percent per year in each month thereafter (for example, 0.4 percent per year in the second month) until the 30th month. Beginning in the 30th month and in each month thereafter during the life of the mortgage loans, 100 percent of the PSA Prepayment Model assumes a constant prepayment rate of the mortgage loans of six percent per year. Multiples will be calculated from this prepayment rate sequence; e.g., 200 percent of the PSA Prepayment Model assumes prepayment rates will be 0.4 percent per year in month one, 0.8 percent per year in month two, reaching 12 percent per year in month 30 and remaining constant at 12 percent per year thereafter.

The following table provides information regarding prior Series of Bonds that are currently Outstanding for which prepayments of Program Loans were assumed to be received at a level other than 0% in connection with scheduling related maturities and Sinking Fund Payments:

See **APPENDIX A-2** – “CERTAIN INFORMATION RELATING TO THE HOUSING FINANCE BOND PROGRAM LOANS – Program Loan Prepayments, Early Bond Redemptions and Recycled Loan Funds.”

The General Resolution requires that the Housing Development Fund deliver a Statement of Projected Revenues at least once annually and in connection with the issuance of each Series of Bonds and upon the occurrence of certain events as provided in the General Resolution. Each Statement of Projected Revenues is run with various sets of assumptions, one of which is that no prepayments are received with respect to the Acquired Mortgages. To date, each Statement of Projected Revenues run with such prepayment assumption demonstrates all scheduled principal of and interest on the Bonds being paid when due.

No Project Loans are currently subject to prepayment penalties. By their terms, Program Loans are subject to prepayment without penalty. The Housing Development Fund has experienced early terminations of Program Loans and Project Loans both as a result of prepayments and defaults. See **APPENDIX A-1**, **APPENDIX A-2** and **APPENDIX A-3** and “THE HOUSING FINANCE PROGRAM – Financing Activities of the Housing Finance Program.”

Special redemption provisions of the Bonds provide the Housing Development Fund the ability to cross-call Bonds between different Series under the Resolutions as well as the ability to target specific Bond maturities for redemption, in each case subject to applicable tax law. As a result of this practice, the original maturity structures of various bond issues can be and have been altered. See **APPENDIX A-4** – “SUMMARY OF HOUSING FINANCE BONDS OUTSTANDING.”

Due to the many factors that influence economic and financial market conditions, the Housing Development Fund is unable to predict the level of prepayments and default terminations on Mortgage Loans financed with Bonds. Prepayments received in excess of scheduled principal installments have been used to redeem Bonds and to finance

additional Mortgage Loans as discussed under “THE HOUSING FINANCE PROGRAM” below. Certain historical information regarding prepayments and early redemptions of Bonds therefrom is set forth in **APPENDICES A-1, A-2, A-3 and A-4**.

If, on any interest payment date, the amount on deposit in the Revenue Fund is insufficient to pay principal and interest due on Outstanding Bonds, the deficiency is to be provided from available amounts in the Capital Reserve Fund, the Surplus Fund, the Mortgage Finance Bond Insurance Fund, the General Fund or, under certain circumstances, the Mortgage Loan Fund. See “NATURE OF BONDS AND SOURCES OF PAYMENT – Capital Reserve Fund” herein.

Mortgage Finance Bond Insurance Fund

The Act created and established a special trust fund within the State Treasury designated as the “Mortgage Finance Bond Insurance Fund” (the “Bond Insurance Fund”). The Bond Insurance Fund is under the supervision and control of the West Virginia Municipal Bond Commission (the “Bond Commission”) and is kept separate and apart from all other funds of the Housing Development Fund, the Bond Commission, and the State. The Housing Development Fund is permitted to pledge amounts in the Bond Insurance Fund to the payment of certain bonds (herein called “Mortgage Finance Bonds”) in the manner, to the extent, and on such terms and conditions as may be provided by the Housing Development Fund. Currently, the only Mortgage Finance Bonds outstanding are the Bonds. The Housing Development Fund reserves the right to adopt additional general bond resolutions and to issue other obligations secured by the Bond Insurance Fund and designated as Mortgage Finance Bonds.

Except for federally insured/guaranteed mortgage loans, the Housing Development Fund is required to charge a special commitment fee in the amount of one percent of the principal amount and special monthly premiums at a rate of one-half of one percent per annum on all loans made or purchased with the proceeds of the sale of such Mortgage Finance Bonds, and such fees and premiums are required to be deposited in the Bond Insurance Fund.

In the General Resolution, the Housing Development Fund has pledged the amounts in the Bond Insurance Fund to the payment of the Bonds and has covenanted that it will not issue any other obligations secured by the pledge or lien on such amounts prior to or having a preference over the pledge and lien thereby created. The Act requires that the Housing Development Fund deposit an amount for the 2024 BC Bonds, which together with the sum of the amount then on deposit in the Bond Insurance Fund and in the Capital Reserve Fund, shall equal the “minimum bond insurance requirement” (as herein defined). However, pursuant to the General Resolution, amounts on deposit in the Bond Insurance Fund will not be taken into account when computing the Capital Reserve Fund Requirement.

Pursuant to the Act, the “minimum bond insurance requirement” means, as of any particular date of computation, an amount of money equal to the greatest of the respective amounts, for the then current or any future calendar year, of annual debt service of the Housing Development Fund on all outstanding Mortgage Finance Bonds secured by a pledge of amounts in the Bond Insurance Fund; such annual debt service for any calendar year being the amount of money equal to the aggregate of (a) all interest payable during such calendar year on such Mortgage Finance Bonds on such date of computation, plus (b) the principal amount of such Mortgage Finance Bonds outstanding which matures during such calendar year, other than Mortgage Finance Bonds for which annual sinking fund payments have been or are to be made in accordance with the general resolution authorizing such bonds, plus (c) the amount of all annual sinking fund payments payable during such calendar year with respect to any such Mortgage Finance Bonds, all calculated on the assumption that such bonds will after said date of computation cease to be outstanding by reason, but only by reason, of the payment of such bonds when due, and application in accordance with the general resolution authorizing such bonds of all such sinking fund payments payable at or after said date of computation.

If, at any time, the Housing Development Fund determines that because of defaults or other reasons the moneys available therefor are insufficient to pay the principal, including the annual sinking fund payments, of and interest on Mortgage Finance Bonds becoming due during the next ensuing six-month period, the Housing Development Fund must give written notice to the Bond Commission of the amount of moneys required for such payment, and must request that the Bond Commission make such payment on or before the time and to such trustee or paying agent for any of the Mortgage Finance Bonds as shall be specified in such notice, and the Bond Commission shall make such transfer.

In order to assist in maintaining an amount equal to the minimum bond insurance requirement in the Bond Insurance Fund, the Act provides that:

“In the event that the sum of the amount held in the mortgage finance bond insurance fund and in reserves set aside with a trustee or trustees and held pursuant to the resolution or resolutions authorizing the issuance of such bonds only for the payment of designated mortgage finance bonds prior to, or at, their maturity, shall be less than the minimum bond insurance requirement, the chairman of the housing development fund shall certify, on or before the first day of December of each year, the amount of such deficiency to the governor of the State, for inclusion, if the governor shall so elect, of the amount of such deficiency in the budget to be submitted to the next session of the Legislature for appropriation to the state sinking fund commission[†] for deposit in the mortgage finance bond insurance fund: Provided, that the Legislature shall not be required to make any appropriation so requested, and the amount of such deficiencies shall not constitute a debt or liability of the state.”

[†] The State Legislature has changed the name of the State Sinking Fund Commission to the “Municipal Bond Commission.”

Management Discussion and Analysis - Bond Insurance Fund

Based on the current levels of the Capital Reserve Fund and net assets of the Mortgage Finance Bonds to which the Bond Insurance Fund is pledged, the Housing Development Fund currently expects transfers from the Bond Insurance Fund will not be required to meet the Capital Reserve Fund Requirements of any currently outstanding Mortgage Finance Bonds. The Housing Development Fund has withdrawn funds from the Bond Insurance Fund to fund various programs as explained below under *Inter-program Transfers, Net*. The Housing Development Fund may make additional withdrawals from the Bond Insurance Fund for other purposes.

The Act requires a special commitment fee in the amount of one percent of the principal amount and a special monthly premium at a rate of one-half of one percent per annum on privately insured or uninsured mortgage loans made or purchased with the proceeds of Mortgage Finance Bonds. Since 1986, the Housing Development Fund has paid such fees and premiums on behalf of the borrowers on privately insured or uninsured Mortgage Loans originated with proceeds of Bonds from funds withdrawn from the Bond Insurance Fund pursuant to Section 20b(c) of the Act. The Summary of Revenues, Expenses and Changes in Fund Net Position of the Bond Insurance Fund is not affected by these withdrawals.

The following provides a brief explanation of the individual line items in the above table under the heading "Summary of Revenues, Expenses and Changes in Fund Net Position – Bond Insurance Fund."

Interest on Loans is mortgage loan interest income earned by the Bond Insurance Fund from both single family and multifamily mortgages held for investment purposes. The single family loans are primarily loans remaining from retired single family bond program resolutions. The multifamily loans include federally insured and federally guaranteed loans purchased as an investment from other programs operated by the Housing Development Fund. The increase from 2022 to 2023 is primarily due to an increase in mortgage asset balance.

Fees represent the amounts earned on loan servicing activities related to both single family and multifamily mortgages held by the Bond Insurance Fund for investment purposes.

Other Revenues consist of the gain on the disposition of a foreclosed property.

Program and Administrative Expenses, Net represents staff and other costs related to the administration of the Bond Insurance Fund, loan servicing fees paid to the General Fund as well as foreclosed property expenses and mortgage loan loss provisions. The fluctuations from year to year are primarily related to fluctuations in loss provision expenses.

Interest on Investments is income earned on the investment of funds in the Bond Insurance Fund. The increases in 2022 and 2023 are primarily related to increases in short-term investment rates. The decreases in 2020 and 2021 are primarily related to the maturity of long-term investments reinvested at lower rates and decreases in short-term investment rates.

Unrealized Gain (Loss) on Investments: The Governmental Accounting Standards Board ("GASB") Statement #31 requires certain investments be recorded at fair value and the unrealized gains or losses be reported in the Summary of Revenues, Expenses and Changes in Fund Net Position.

Inter-program Transfers, Net represents permanent funds transfers to or from other Housing Development Fund programs.

- In fiscal year 2019, the Housing Development Fund withdrew \$2,000,000 from the Bond Insurance Fund and transferred the funds to Other Loan Programs to originate multifamily mortgage loans.
- In fiscal year 2023, the Housing Development Fund withdrew \$3,500,000 from the Bond Insurance Fund and transferred the funds to the Housing Finance Program to fund the capital reserve for the 2023 A bond issue.
- In fiscal year 2024, the Housing Development Fund withdrew \$10,300,000 from the Bond Insurance Fund and transferred the funds to the Housing Finance Program to fund the capital reserve for the 2023 B, 2023 C, and 2023 D bond issues.

THE HOUSING DEVELOPMENT FUND

The Housing Development Fund was established in 1968 as a governmental instrumentality of the State and a public body corporate. Its primary corporate purpose is to increase the supply of residential housing in the State for persons and families of low and moderate income and, among other things, it is empowered by the Act to provide construction and permanent mortgage financing to public and private sponsors of such housing.

The Housing Development Fund is authorized under the Act to issue bonds or notes up to a limit of \$1,250,000,000 outstanding at any one time, exclusive of refunded obligations, for the purpose of carrying out its various programs. Upon the issuance of the 2024 BC Bonds, there will be Housing Development Fund bonds outstanding with an estimated aggregate principal maturity amount of approximately \$683,195,000. In addition to Bonds under the General Resolution, the Housing Development Fund's other bonds outstanding currently consist of three series of limited, special obligations of the Housing Development Fund. See "OTHER PROGRAMS OF THE HOUSING DEVELOPMENT FUND – Other Bond Programs."

Powers and Purposes

In 1969, the Supreme Court of Appeals of West Virginia unanimously affirmed the constitutionality of the Act as then in effect and the validity of the Housing Development Fund and its purposes. Since then, several amendments were made to the Act which expanded the scope of the Housing Development Fund's powers with respect to its housing programs including providing housing for persons of higher income, providing temporary housing for homeless people, disaster victims, battered persons, families with hospitalized persons, and students and handicapped persons, and providing home improvement and rehabilitation loans. In 1989, the Act was extensively amended to grant the Housing Development Fund significant new powers, including the making of loans for "nonresidential projects" as well as loans for residential housing. A "nonresidential project" is broadly defined to include any project determined by the Housing Development Fund as likely to foster and enhance economic growth and development in the State.

In 1992 the Act was amended to create a new "Special Project Account" in the Land Development Fund, into which the Housing Development Fund transferred \$10,000,000. From this amount \$5,450,000 was used to provide the State match for the Water Pollution Control Revolving Fund already existing under State law, and \$4,550,000 was used to finance soil conservation projects.

Under the Act, the State has pledged and agreed to the holders of any notes and bonds issued pursuant to the Act, including the 2024 BC Bonds, that the State will not limit or alter the rights vested in the Housing Development Fund to fulfill the terms of any agreements made with the holders of any such notes or bonds, or in any way impair the rights and remedies of such holders until such notes or bonds, together with the interest thereon, with interest on any unpaid installments of interest, and all costs and expenses for which the Housing Development Fund is liable in connection with any action or proceeding by or on behalf of such holders, are fully met and discharged. The Act authorizes the Housing Development Fund to include this pledge and agreement of the State in any agreement with the holders of such notes and bonds, and the Housing Development Fund has so covenanted in the Resolutions.

Operations to Date

Through its various programs, the Housing Development Fund has financed or assisted in the development or provision of over 169,000 housing units in the State. The Housing Development Fund finances a portion of its single family mortgage loans through the issuance of bonds using an advance commitment procedure. Using this procedure, mortgage loans are acquired which have been specifically originated for purchase by the Housing Development Fund. The Housing Development Fund also operates a secondary market program for single family mortgage loans as a Fannie Mae (formerly the Federal National Mortgage Association) ("Fannie Mae") seller/servicer (see "OTHER PROGRAMS OF THE HOUSING DEVELOPMENT FUND – Other Housing Programs" herein). The Housing Development Fund's multifamily loan portfolio is entirely self-originated. The Housing Development Fund services all single and multifamily loans in its portfolio and is the largest loan servicer in the State.

In planning and operating its various programs, the management of the Housing Development Fund takes into consideration various economic and regulatory factors which affect its business activities and legislative mandate. Such factors, including prevailing economic conditions, mortgage interest rates, investment rates, the demand for housing, the cost of housing and of operating housing programs, the volume of mortgage lending activity in the State

and other factors affecting the supply of housing in the State may affect the financing activities of the Housing Development Fund. The programs operated by the Housing Development Fund have been and may again be affected by State and federal administrative, regulatory and legislative actions.

Organization and Membership

The Housing Development Fund is governed by an eleven-member Board of Directors (the “Board of Directors”), consisting of the West Virginia Governor, Attorney General, Commissioner of Agriculture and Treasurer, all of whom serve ex-officio as public directors, and seven members chosen as private directors from the general public residing in the State. All public directors may designate representatives to serve on their behalf. The offices of Governor, Attorney General, Commissioner of Agriculture and Treasurer are elective and the current terms of such offices expire in January 2025. The Governor with the advice and consent of the State Senate appoints private directors for staggered terms of four years with no more than four of the private directors from the same political party. The Act designates the Governor or his or her designee as the Chair of the Board of Directors, and also provides that the Governor shall appoint the executive director, with the advice and consent of the State Senate, and that the executive director will serve at the Governor’s will and pleasure.

The members and officers of the Housing Development Fund, their State office or private affiliation, and the dates of expiration of their terms as directors of the Housing Development Fund are as set forth below:

JIM JUSTICE, Chair of the Board of Directors - Governor, State of West Virginia (ex-officio) (elective term expires January 2025).

Management Discussion and Analysis - General Fund

The General Fund includes certain programs funded from excess reserves of the Housing Development Fund, single family and multifamily mortgage loans purchased for investment purposes, results of the Housing Development Fund's loan servicing operations, fees for the contract administration of the U.S. Department of Housing and Urban Development's ("HUD") Section 8 Housing Assistance Payments ("HAP") Program, the Low-Income Housing Tax Credit Program, the administrative expenses of its operations and the operating revenues and expenses of the Housing Development Fund's office building.

Pursuant to the Act and its agreements with the holders of its notes and bonds, substantial portions of the Housing Development Fund's current and long-term assets are pledged to secure specific obligations or are otherwise restricted. Assets of restricted funds and programs may be transferred to the General Fund for general purposes, subject to the provisions of the respective bond and note resolutions. There can be no assurance that circumstances will not occur that will require expenditure of amounts in the General Fund or that losses in the General Fund will not occur.

The following provides a brief explanation of the individual line items in the above table under the heading "Summary of Revenues, Expenses and Changes in Fund Net Position – General Fund."

Interest on Loans represents the loan interest income earned on single family and multifamily loans purchased for investment purposes. As these loan balances fluctuate, so does Interest on Loan revenues.

Fees represent earnings on the Housing Development Fund's loan servicing activities. Also included in this line item are fees earned in connection with the administration of the HAP Program and the Low-Income Housing Tax Credit Program. The increase in 2021 is primarily due to an increase in mortgage loan processing fees and Low-Income Tax Credit fees. The increase in 2022 is primarily due to an increase in mortgage loan processing fees and HAP fees. The increase in 2023 is primarily due to an increase in Section 8 Fees and an increase in Low-Income Housing Tax Credit fees net of a decrease in mortgage loan processing fees. HUD has indicated that it intends to re-bid the administration of the HAP Program with an anticipated award in fiscal year 2025. Pending the re-bidding of the contract administration, the Housing Development Fund is currently operating the HAP Program under the Tenth amendment of HUD's Performance-Based Annual Contributions Contract (ACC). In December 2023, HUD gave notice of its election to exercise an additional successive term of six calendar months, extending the term of the ACC through July 31, 2024, subject to the availability of sufficient appropriations.

Other Revenues consist primarily of rental income from the Housing Development Fund's building. The increases in 2021 and 2022 are primarily due to increases in the gains on the disposition of foreclosed properties. The decrease in 2023 is primarily due to a decrease in gains on the disposition of foreclosed properties.

Program and Administrative Expenses, Net primarily includes wages, operating expenses of the loan servicing department, operations of the Housing Development Fund's building, provision for loan losses, servicing release fees paid for single family bond loans and loans purchased for sale in the Secondary Market Program, and loan origination fees paid on behalf of borrowers in the HOME Program.

Program and Administrative Expenses, Net increased in 2020 primarily due to an increase related to postemployment healthcare insurance benefits, an increase in expenses related to the Housing Development Fund's net pension liability, an increase in administrative expenses and a decrease in various administrative reimbursements. The decrease in 2021 is primarily due to an increase in various administrative reimbursements, a decrease in legal expenses and a decrease in expenses related to postemployment healthcare insurance benefits. The decrease in 2022 is primarily due to an increase in various administrative reimbursements related to temporary COVID-19 related relief programs and a decrease in expenses related to postemployment healthcare insurance benefits. The increase in 2023 is primarily due to a decrease in various administrative reimbursements related to temporary COVID-19 related relief programs.

Interest on Investments is interest earned on the investment of funds in the General Fund. Since the Housing Development Fund maintains a high level of liquidity in the General Fund it is particularly impacted by fluctuations in short-term interest rates.

Inter-program Transfers, Net, represents permanent funds transfers to or from other Housing Development Fund programs.

- In fiscal year 2020, the Housing Development Fund transferred \$1,947,000 to the General Fund from Other Loan Programs related to annual program funding allocations.
- In fiscal year 2021, the Housing Development Fund transferred \$2,772,000 from the Housing Finance Program and \$138,000 from Other Loan Programs to the General Fund related to annual program funding allocations.
- In fiscal year 2022, the Housing Development Fund transferred \$5,001,000 to the General Fund from the Housing Finance Program related to annual program funding allocations.
- In fiscal year 2023, the Housing Development Fund transferred \$300,000 to Other Loan Programs related to annual program funding allocations.

Assets and net assets of the General Fund are principally unrestricted. However, the Board of Directors has designated \$1,000,000 of the General Fund's net assets to provide indemnification for its Directors and Officers.

Pension Benefits and Other Postemployment Benefits: For ease of accounting, the Housing Development Fund elected to report the entire net pension liability and deferred inflows and outflows of resources related to GASB 68 in the General Fund.

Pursuant to GASB Statement No. 45, "Accounting and Financial Reporting by Employers for Postemployment Benefits Other Than Pensions" (OPEB), the Housing Development Fund has established a fund in respect of retiree health benefits, all amounts in which are held irrevocably in trust therefor, and the Housing Development Fund makes Annual Required Contributions to such fund (as defined by GASB Statement No. 45).

GASB Statement No. 45 requires the Housing Development Fund to perform an actuarial valuation of OPEB costs. The Housing Development Fund's most recent such valuation is as of January 1, 2022, rolled forward to June 30, 2023. Based on this valuation, the Housing Development Fund has an unfunded OPEB liability of approximately \$516,000.

THE HOUSING FINANCE PROGRAM

Financing Activities of the Housing Finance Program

The General Resolution authorizes the issuance of Bonds to provide funds for the Housing Finance Program, for making or purchasing Mortgage Loans for rental or owner-occupied dwellings, including uninsured, federally insured or guaranteed, and privately insured loans. **APPENDIX A-4** sets forth the original principal amounts and amounts of Bonds outstanding as of May 1, 2024.

Since 1976, the Housing Development Fund has issued 75 Series of taxable and tax-exempt Bonds to provide financing for both Project Loans and Program Loans. One issue, the 1991 Series A Bonds, was redeemed on May 1, 1992 from undisbursed proceeds. The Housing Development Fund has not had an unused original proceeds call on any bond issue since 1992.

As more fully described in **APPENDIX A-1**, there are eight Project Loans with a principal balance of \$25,509,835 outstanding as of March 31, 2024. Of these Project Loans, five receive some level of Section 8 rental assistance payments, and five are subject to some type of federal mortgage insurance or guarantee.

For some Project Loans that receive HUD Section 8 rental assistance payments, the Housing Development Fund deducts its monthly mortgage and escrow payment from the rental assistance payment due on the Project Loan and remits the balance to the project to ensure that the Housing Development Fund gets timely receipt of its monthly mortgage payments.

The 2000 Series D Bonds were issued to purchase certain existing Mortgage Loans (the “2000 D Loans”) from the West Virginia Investment Management Board (the “WVIMB”), consisting of Project Loans and Program Loans originated and serviced by the Housing Development Fund on behalf of the predecessor to the WVIMB. Due to the nature of these loans and the lack of federal mortgage insurance on the Project Loans, the 2000 D Loans were purchased at a significant discount from their outstanding principal balance. The 2000 Series D Bonds have been retired and the 2000 D Loans remain under the General Resolution.

Since 2001, 21 Project Loans totaling \$4,953,421 have been foreclosed or forgiven due to lack of marketability. Foreclosed projects are operated by the Housing Development Fund until the project is sold or the Project Loan is assumed by a new owner. No such foreclosed projects are currently held by the Housing Development Fund. Losses on foreclosed Project Loans have been immaterial. Twelve of the previously foreclosed Project Loans were assumed by a single non-profit organization. In June 2010, this non-profit organization indicated problems operating these projects and asked the Housing Development Fund for assistance and in February 2011, the debt of these projects was consolidated into a single loan; hence, the drop in the number of Project Loans.

The HUD Mark-to-Market Program has been designed to restructure FHA-insured multifamily loans whose Section 8 rental assistance contracts have expired. The goal of this program is to reduce the federal government’s long-term cost of rental assistance by reducing current rents through a reduction in financing costs. As of March 31, 2024, no Project Loans are seeking refinancing under the Mark-to-Market Program.

APPENDIX A-2 and **APPENDIX A-3** provide information on Program Loans financed under the Housing Finance Program. As of March 31, 2024, there are approximately 8,851 single family loans outstanding with a current principal balance of approximately \$804,100,364. Of these loans, approximately 81% measured by principal balance are insured by the Federal Housing Administration (“FHA”), Veterans Administration (“VA”), United States Department of Agriculture (“USDA”) Rural Development Rural Housing Service (the “USDA RHS”) (formerly the Farmer’s Home Administration) or private mortgage insurance. All Program Loans are fixed interest rate, level debt service loans, with generally a 30-year term.

The Housing Development Fund accepts Program Loan applications on a continuous basis. Lendable proceeds needed to cover these applications are provided from Bond proceeds, recycling of existing loan repayments and prepayments or excess revenues. The Housing Development Fund may also warehouse loans from general reserves and unrestricted amounts within the General Resolution in anticipation of upcoming bond issues.

Instances of market or business disruption may impact the origination of Program Loans. See “BUSINESS DISRUPTION RISK.”

Management Discussion and Analysis - Housing Finance Program

Surplus funds have been withdrawn from the Housing Finance Program to fund various programs. The Housing Development Fund may make additional withdrawals in the future. The Housing Development Fund has provided assurances to S&P and Moody's not to withdraw surplus funds of the Housing Finance Program in such a manner as would adversely affect the ratings on the Bonds.

The following provides a brief explanation of the individual line items in the above table under the heading "Summary of Revenues, Expenses and Changes in Fund Net Position – Housing Finance Program."

Interest on Loans represents interest income on mortgage loans made under the Housing Finance Program. The decrease in *Interest on Loans* in fiscal year 2022 is primarily due to a decrease in the average mortgage loan rate from the prior year. The decrease in fiscal year 2021 is due to prepayments and repayments exceeding mortgage loan originations. The increases in fiscal years 2020 and 2023 are primarily due to an increase in mortgage loan originations exceeding prepayments and repayments.

Fees represent income related to the origination of Housing Finance loans. The increases in fiscal years 2021, 2022, and 2023 are primarily due to increases in the volume of single family loan originations. The decrease in fiscal year 2020 is due to a decrease in the volume of single family loan originations.

Other Revenues consist primarily of gains on the disposition of foreclosed properties. The decreases in 2023 and 2022 are related to a decrease in the gains on the disposition of foreclosed properties. The increase in 2021 is related to an increase in the gains on the disposition of foreclosed properties.

Program and Administrative Expenses, Net represents administrative expenses for operating the Housing Finance Program, loan servicing fees paid to the General Fund, loan origination fees paid to lenders and costs of issuance paid on certain Bonds. The increase in fiscal year 2020 is primarily due to an increase in expenses related to foreclosed properties, an increase in bad debt expense and an increase in administrative expenses. The decrease in fiscal year 2021 is primarily due to a decrease in loan origination and service fees, a decrease in holding costs related to foreclosed properties, a decrease in bad debt expenses and a decrease in administrative expenses. The increase in fiscal year 2022 is primarily due to an increase in service fees, bad debt expense and administrative expenses, net of a decrease in cost of issuance expenses, losses on the sale of foreclosed properties, and holding costs related to foreclosed properties. The increase in 2023 is primarily due to an increase in loan origination fees and cost of issuance expenses.

Interest on Investments represents interest income earned on the investment of short-term funds pending the purchase of loans or the payment of debt service and income earned on the capital reserve fund investments which are primarily long-term securities. The decreases in 2020, 2021 and 2022 are primarily due to decreases in short-term rates. The increase in 2023 is primarily due to increases in short-term interest rates.

Interest and Debt Expense is the interest paid or accrued on outstanding bonds. The decrease in fiscal year 2022 is due to the decrease in the balance of Bonds outstanding. The increases in 2020, 2021, and 2023 are due to the increase in the balance of Bonds outstanding.

Unrealized Gain (Loss) on Investments: GASB Statement #31 requires certain investments be recorded at fair value and the unrealized gains or losses be reported in the Summary of Revenues, Expenses and Changes in Fund Net Position.

Inter-program Transfers, Net, reflect net contributions to or from other funds of the Housing Development Fund.

- During fiscal year 2021, \$239,000 was transferred from the New Issue Bond Program to the Housing Finance Bond Program related to the refunding and cash defeasance of New Issue Bond Program Bonds into the Housing Finance Bond Program.
- During fiscal year 2022, \$5,001,000 was transferred to the General Fund and \$5,000,000 was transferred to Other Loan Programs related to annual program funding allocations.

- During fiscal year 2023, the Housing Development Fund withdrew \$3,500,000 from the Bond Insurance Fund and transferred the funds to the Housing Finance Program to fund the capital reserve for the 2023 A bond issue.
- On July 10, 2023, the Housing Development Fund transferred \$2,000,000 from Housing Finance Resolution surplus funds to the Low Down Home Loan Program related to annual program funding allocations. An additional \$3,500,000 was transferred in November 2023.
- In fiscal year 2024, the Housing Development Fund withdrew \$10,300,000 from the Bond Insurance Fund and transferred the funds to the Housing Finance Program to fund the capital reserve for the 2023 B, 2023 C, and 2023 D bond issues.

Single Family Procedures and Policies

In connection with its single family financings, the Housing Development Fund has established program standards relating to its single family lending activities which set out general requirements and policies with respect to qualifications of Participating Lenders, Third Party Originators and Eligible Borrowers (all as defined below), as well as the basic requisites applicable to all Program Loans and the dwellings which are mortgaged to secure such Program Loans. The Housing Development Fund's Single Family Procedural Guide (the "Procedural Guide") sets forth more particular instructions for its Participating Lenders, Third Party Originators and the Housing Development Fund's retail operation, and includes procedures and documentation requirements established to enable the Housing Development Fund to comply with the provisions of the Code and to meet the requirements of the Act, the Resolutions, and the procedures applicable to mortgage loans insured by FHA, guaranteed by USDA RHS (formerly the Farmer's Home Administration) or the VA or insured by private mortgage insurance companies. The Housing Development Fund has generally conformed its single family procedures and policies, in most respects, to the procedures followed by Fannie Mae (including underwriting guidelines established by Fannie Mae for Housing Finance Agencies under the "HFA Preferred Program"), and industry standards and guidelines. The policies and procedures of the Housing Development Fund may be modified from time to time, and it is expected that there may be variations in the implementation of the policies and procedures in particular cases.

In order to monitor the compliance of Program Loans with applicable requirements as described above, the Housing Development Fund currently engages a third-party vendor to perform quality control audits and performs additional quality control audits in-house (the "Quality Control System"). The Quality Control System reviews a sample of purchased loans for compliance with the Code, Fannie Mae, insurer and guarantor and other requirements. Certain loan files are examined to determine that credit documents have been processed, loans are underwritten and closed in accordance with the Housing Development Fund's policies and procedures, and that investor, insurer or guarantor, Code and regulatory requirements are met. Appraisals are reviewed on a percentage of the loans to monitor the accuracy and quality of the information supplied, and additional credit reports may be obtained to monitor the accuracy of the reports relied upon for lending decisions.

Program Loan Requirements. Program Loans must meet the origination standards set forth in the Procedural Guide and must provide for substantially level payments of principal and interest on the first day of each month. In addition, Program Loans must conform to the eligibility and credit underwriting standards set forth in the Procedural Guide and to the requirements/limitations of the applicable federal or private mortgage insurer/guarantor.

Program Loans may be used for the purchase of owner-occupied one-unit dwellings or two-to-four unit dwellings (with limited exceptions) by residents of the State whose annual gross income, consistent with the Code, does not exceed certain maximum amounts determined from time to time by the Housing Development Fund ("Eligible Borrowers").

Each Eligible Borrower must (a) possess legal capacity to enter into the Program Loan; (b) have a satisfactory credit standing as determined by the Participating Lender and/or the Housing Development Fund; (c) intend to purchase the home for a permanent principal residence; and (d) with limited exceptions, not have had a present ownership interest in a principal residence at any time during the three-year period prior to the closing date of the applicable Program Loan ("first-time homebuyers restrictions").

Housing Development Fund policies and the requirements of the Code have resulted in the establishment of maximum purchase price limits and family income limits with respect to Program Loans. The Housing Development Fund, consistent with the Code, may from time to time revise the income eligibility requirements and the purchase price limitations.

Proceeds of each Program Loan must be applied to the permanent financing for the purchase or construction of a residential dwelling unit. Properties eligible for a Program Loan must be located in the State, be structurally sound and functionally adequate and meet all applicable zoning and similar requirements. Such dwelling units include detached and attached one-family houses or townhouses, condominium units or units in a planned unit development and subject to certain limitations, and manufactured housing units permanently constructed or affixed on a mortgagor's property.

A request for an assumption of a Program Loan may be considered in accordance with the Housing Development Fund's assumption policy.

APPENDIX B provides information concerning certain federal insurance programs covering single family and multifamily loans financed by the Housing Development Fund.

The Housing Development Fund currently makes second mortgage loans available to certain Eligible Borrowers who are qualified to obtain a Program Loan. Such loans, not to exceed the amount authorized by the Board of Directors (currently \$15,000), are to assist borrowers with certain closing costs and down payments in connection with the purchase of the home. These second mortgage loans are currently funded by general reserves or from other available funds. A de-minimis amount of these loan repayments are pledged to the payment of the Bonds.

Procedures for Origination and Purchase. The Housing Development Fund purchases Program Loans from lenders who, in the regular course of their business, have demonstrated an ability to originate mortgage loans and otherwise meet the requirement for participating established by the Housing Development Fund as set forth in the Procedural Guide ("Participating Lenders"). Each Participating Lender must execute a Loan Purchase Agreement that requires lenders to originate Program Loans in accordance with the requirements of the Procedural Guide, which includes all applicable requirements of the Code. The Housing Development Fund also originates Program Loans through its retail operation and receives Program Loan applications through assignment from a network of approved third party originators ("Third Party Originator") in accordance with the requirements of the Procedural Guide. Third Party Originators must execute a Third Party Originator Agreement that requires the performance of certain loan origination services for loans closed by the Housing Development Fund in accordance with the requirements of the Procedural Guide.

The Housing Development Fund establishes a pool of money from which lenders are able to apply for commitments of funds to purchase Program Loans. Participating Lenders draw from this pool by receiving a forward commitment at the time of the Participating Lender's prequalification of the Program Loan. Participating Lenders are required to enter into Program Loan Purchase Agreements under which each agrees that only Program Loans meeting the qualifications described in the Procedural Guide will be sold to the Housing Development Fund. Third Party Originators forward certain information as described in the Procedural Guide to the Housing Development Fund for review. The Housing Development Fund, after review, notifies the Third Party Originator of the approval or denial of the commitment of funds.

Participating Lenders are expected to deliver Program Loans to be purchased under the Housing Finance Program to the Housing Development Fund at a price of 100% of their respective principal amounts plus accrued interest. The Participating Lenders are expected to receive an origination fee not exceeding 185 basis points of the principal amount of the Program Loan to be purchased or a minimum of \$1,500. Such fee may come from funds paid by the Eligible Borrower or the seller but in most cases will be paid from funds provided by the Housing Development Fund. Additionally, the Housing Development Fund will pay the Participating Lender a servicing release fee as discussed below. Third Party Originators receive a fee payable by the Housing Development Fund, currently \$575, if certain loan origination services as described in the Procedural Guide are performed.

The Housing Development Fund has implemented various procedures to monitor the performance of Participating Lenders. Mortgage loans are reviewed for conformity with the standards set out in the Procedural Guide. The staff of the Housing Development Fund may also review property appraisals or make an on-site inspection of the property.

If substantial error or defect is discovered which could invalidate or jeopardize the lien securing the Program Loan or any other major violation of mortgage eligibility requirements, the Participating Lender must cure such error or defect. If the error or defect is not cured, the Program Loan may be subject to repurchase by the Participating Lender in accordance with the terms of the Loan Purchase Agreement and the Procedural Guide. In addition, the Housing Development Fund may sell, assign or otherwise dispose of a Program Loan.

Servicing. The Housing Development Fund will service all Program Loans financed or acquired with the proceeds of the Bonds. The Housing Development Fund currently services all of the Project Loans and Program Loans held pursuant to the General Resolution and all other loans originated and owned by the Housing Development Fund. The Housing Development Fund currently charges a servicing fee of 1/4 to 3/8 of 1% per annum computed monthly on the basis of the outstanding aggregate principal amount of Program Loans serviced. The Housing Development Fund pays a servicing release fee to all Participating Lenders originating Program Loans and services those Program Loans directly and collects the servicing fee mentioned above.

Requirements of the Code. The Code contains specific requirements related to single family mortgage loans made or purchased with proceeds allocable to Qualified Mortgage Bonds (including the 2024 B Bonds), and related eligible mortgagors, as well as investment and other limitations as described below. These requirements do not apply to single family mortgage loans made or purchased with amounts allocable to taxable bonds or not otherwise subject to such requirements of the Code, such as loans made under the Movin' Up Program. See "Movin' Up Program Procedures and Policies" below.

The Code provides that an issue of Qualified Mortgage Bonds will be treated as meeting the mortgage eligibility requirements only if (a) at least 95% of the lendable proceeds of such bonds is applied to the financing of mortgages which meet such requirements, (b) with respect to any defective mortgages, the Housing Development Fund must in good faith have attempted to satisfy all requirements of the Code before the mortgage loans were executed, and (c) the Housing Development Fund must correct such defects within a reasonable period after it discovers such defects.

These requirements currently limit the use of proceeds of Qualified Mortgage Bonds to the financing of single family, one to four unit, residences which premises, or one unit of which, the borrower intends to use as a principal residence, and the borrower (a) with limited exceptions, has not had a prior homeownership interest within the last three years, (b) is not refinancing an existing mortgage, and (c) meets certain income limits depending on the location of the residence. The requirements also limit assumptions of the mortgage loan to Eligible Borrowers and limit the acquisition price of the residence based on location. See "Program Loan Requirements" above.

The Code, in the case of mortgage loans made or purchased with proceeds allocable to tax-exempt bonds, requires a payment to the United States from certain mortgagors upon sale of their homes. This requirement provides that an assumed subsidy amount (but not in excess of 50% of any gain on the sale of the house) be recaptured on disposition of the house. The recapture amount increases over the period of ownership, with full recapture occurring if the house is sold at the end of the fifth year. The recapture amount declines ratably to zero with respect to sales occurring between five and nine full years after the closing of the Program Loan. An exception excludes from recapture part or all of the subsidy in the case of certain mortgagors whose incomes are less than prescribed amounts at the time of the disposition.

Under procedures established by the Housing Development Fund to comply with the Code, Participating Lenders and/or the Housing Development Fund will be responsible for reviewing each mortgage loan application and the accompanying documentation including, but not limited to, the Application Affidavit, the Seller Affidavit, and the borrower's past one year of federal income tax returns when three years of residency is clearly disclosed on the loan application. When three years residency, type of residency and landlord information is not disclosed on the loan application, tax returns for the previous three years are required. Normal and appropriate measures may be undertaken to verify the information given, either independently or concurrently with credit reviews when applicable.

Prior to purchasing a Program Loan, the Housing Development Fund conducts a review of the relevant documents for compliance with the requirements of the Code. To the extent these requirements are not complied with, the Participating Lender is contacted to provide sufficient additional explanation or documentation to enable the Housing Development Fund to make a determination regarding the status of the loan application.

The Code requires that the effective interest rate on the Program Loans financed or refinanced with proceeds of an issue of tax-exempt bonds may not exceed the yield on such issue by more than 1.125%.

Movin' Up Program Procedures and Policies

The Movin' Up Program, which was approved by the Board of Directors on December 6, 2012, provides financing for Program Loans and Project Loans from funds within the General Resolution that are not tax-exempt bond proceeds under the Code. Earnings from this program are recycled to enable it to be self-sustaining.

Program Loans financed under the Movin' Up Program are not subject to requirements of the Code, such as the income and purchase price limits, and are generally offered to borrowers who do not meet the first-time homebuyer requirement. See "THE HOUSING FINANCE PROGRAM – Single Family Procedures and Policies – Requirements of the Code." The income limits in the Movin' Up Program are set by the Board of Directors and are generally higher than those then provided for by the Code. The Housing Development Fund currently uses the same purchase price limits for the Movin' Up Program as those provided for by the Code. The Housing Development Fund may at any time revise at its discretion the income and purchase price limits it has chosen to apply to the Movin' Up Program. See **APPENDIX A-3** – "SUMMARY OF HOUSING FINANCE PROGRAM SINGLE FAMILY LOANS OUTSTANDING."

On August 28, 2020, the Housing Development Fund executed a Mortgage Partnership Finance Program Participating Financial Institution Agreement (the "PFI Agreement") with the Federal Home Loan Bank of Pittsburgh (the "FHLB Pittsburgh"), pursuant to which the Housing Development Fund sells single family mortgage loans to the FHLB Pittsburgh. Such loans may be FHA-insured or guaranteed by the VA or USDA RHS, and the Housing Development Fund retains the servicing of such loans. Such loans are originated under the Movin' Up Program. The Housing Development Fund began selling mortgage loans under the PFI Agreement in fiscal year 2021. As of March 31, 2024, the Housing Development Fund has sold 13 mortgage loans under the PFI Agreement with an approximate aggregate original principal amount of \$2.0 million.

The Movin' Up Program also provides financing for Project Loans. See "THE HOUSING FINANCE PROGRAM – Multifamily Procedures and Policies" and **APPENDIX A-1** – "PROJECT LOANS FINANCED WITH HOUSING FINANCE BONDS."

Multifamily Procedures and Policies

Tenant Selection, Marketing and Management. Housing Development Fund financed developments are subject to a Loan Agreement between the Housing Development Fund and the mortgagor which typically regulates, among other things, the rents, profits, occupancy, management and operation of the development. The management of the development is also typically governed by a Management Agreement and a Management Plan between the mortgagor and its managing agent which may, in some cases, be affiliated with the mortgagor. This agreement is reviewed and approved by the Housing Development Fund. The Housing Development Fund has the right to terminate the Management Agreement for failure of the managing agent to perform in accordance with the Management Plan approved by the Housing Development Fund.

The Housing Development Fund's Asset Management Department is responsible for monitoring the standards and procedures for the management of the developments.

The mortgagor is required to submit a variety of reports to the Housing Development Fund's Asset Management Department, which may include the following: (a) an annual operating budget; (b) a quarterly budget comparison with actual operating expenses and receipts; (c) a monthly listing of all occupancies; and (d) a summary of leasing and occupancy activity upon request. The mortgagor is also required to submit to the Housing Development Fund annual audited financial statements for the development prepared by a certified public accountant.

Reserve for Replacement and Escrow for Real Estate Taxes and Insurance Premiums. The Loan Agreement typically requires each mortgagor to pay monthly amounts to fund a Reserve for Replacement Account for each development. The mortgagor may request the Housing Development Fund to disburse funds from the Reserve for Replacement Account from time to time for payment of costs of replacement items and/or capital improvements. These requests are reviewed and approved by the Housing Development Fund's Asset Management Department. Disbursements are made primarily in accordance with the Housing Development Fund's determinations as to what is in the best interest of the development. An escrow account for the payment of real estate taxes is maintained by the Housing Development Fund for each development it services and is funded by monthly payments by the mortgagor of one-twelfth of the estimated annual real estate tax assessments by all taxing authorities for the next following tax year. Mortgagors are required to contribute additional funds in the event of a deficiency in the escrow account.

For multifamily projects with credit enhancement, an escrow account for the payment of annual federal mortgage insurance/guarantee premiums is also maintained by the Housing Development Fund and funded by monthly payments by or on behalf of the mortgagor.

The Housing Development Fund requires each mortgagor to provide adequate insurance acceptable to the Housing Development Fund. An escrow account for the payment of fire and extended coverage insurance is maintained by the Housing Development Fund.

Housing Development Fund financed loans are often also subject to restrictions from a third party that provides credit enhancement to the loan (mortgage guarantee or insurance) such as the USDA Rural Development Section 538 Guaranteed Rural Rental Housing Program (the “USDA Section 538 Program”), or HUD’s 221(d)(3) Program or 221(d)(4) Program.

OTHER PROGRAMS OF THE HOUSING DEVELOPMENT FUND

As a public body with statewide responsibility for a range of housing needs, the Housing Development Fund has implemented a number of other programs to provide technical, consultative and financial assistance for the provision of sanitary, decent and safe residential housing for persons of low and moderate income. These activities are described below. Except as specified below, these activities are financed out of the general reserves of the Housing Development Fund. Such activities are not expected to have a material impact on such reserves or the amounts available to pay debt service on the Bonds under the General Resolution.

Other Bond Programs

The Housing Development Fund has issued under separate indentures and/or financing agreements three series of limited, special obligation bonds which financed the loan of bond proceeds from the Housing Development Fund to the respective borrowers for the acquisition and rehabilitation of three separate affordable housing projects. Such bonds, separately issued, are currently outstanding in the aggregate principal amount of \$32,200,000. These limited, special obligation bonds are separately secured by, among other things, loan repayments on the bond proceeds. None of the Housing Development Fund’s other assets or revenues, including the Bond Insurance Fund and amounts held in any Fund or Account established pursuant to the General Resolution, are pledged to the payment of these limited, special obligation bonds. Furthermore, these limited, special obligation bonds are not secured by the Housing Development Fund’s general obligation debt pledge.

Land Development Program

With an initial appropriation by the State Legislature of \$2,000,000 in 1973, the Housing Development Fund established the Land Development Fund from which below-market interest rate loans are made to qualified builders and developers for the purpose of acquiring and making improvements to land for residential housing and nonresidential construction. The Housing Development Fund has transferred an additional \$4,930,000 to the Land Development Fund from the General Fund, Bond Insurance Fund and Housing Finance Program.

The Housing Development Fund owns various land parcels and developments that were directly developed by the Housing Development Fund or acquired for emergency and permanent housing for victims of various floods or through foreclosure. All assets of the Land Development Program are restricted in accordance with the Act.

In 2015, the Legislature created the West Virginia Property Rescue Initiative (“PRI”) program to provide loans to assist cities and counties throughout the State in the acquisition and/or demolition of blighted properties which constitute health and safety hazards. The PRI program required the Housing Development Fund to contribute \$1,000,000 annually for five years beginning July 1, 2015 to establish a revolving loan program, following which the Board of Directors is authorized to adjust the funding for the program as needed. The PRI program is funded by the Land Development Fund and is subject to legislative restrictions and restricted in accordance with the Act.

Other Housing Programs

Other housing programs consist of a variety of single and multifamily programs funded by the Housing Development Fund's general reserves and earnings. These programs are designed to provide a full range of housing assistance to the citizens of the State and to meet the Housing Development Fund's mission of providing safe, decent and affordable housing. In certain instances, repayment from borrowers is not required. In these instances, the Housing Development Fund has established loss provisions. The net assets of these programs are generally unrestricted and are available, as needed, to satisfy the general obligations of the Housing Development Fund, including the Bonds.

In 1991, the Housing Development Fund established the Secondary Market Program designed to provide liquidity to small lenders by providing a market for loans which would otherwise be held in their portfolios. Mortgage loans purchased in the Secondary Market Program are currently sold to Fannie Mae. This program is intended to encourage the making of loans on more favorable terms than are available from small State lenders.

The Multifamily Loan Program provides rehabilitation, construction and/or permanent financing for multifamily rental projects, which may receive part of their financing from equity raised through the syndication of Low-Income Housing Tax Credits and other lenders or programs. Many of these loans are guaranteed under the USDA Section 538 Program. On January 30, 2020, the Housing Development Fund entered into a revolving Commercial Loan Agreement (the "Line of Credit") with United Bank, in an amount not to exceed \$20,000,000, currently bearing interest thereon at a rate of 5.52% per annum (on January 1, 2025, such rate will adjust to a new fixed rate equal to the then-current per annum rate for one-year-maturity United States Treasury bills plus 0.80% per annum), payable monthly, and due to expire January 30, 2026, in order to provide a funding source for loans under the Multifamily Loan Program. As of March 31, 2024, Housing Development Fund multifamily loan notes in the aggregate principal amount of \$27,037,338 are pledged as collateral for the Line of Credit. Notwithstanding such, upon the occurrence of an Event of Default under the Line of Credit, United Bank may have the right to set-off amounts due thereunder against any amount owing by United Bank to the Housing Development Fund in any unrestricted funds, including any of the Housing Development Fund's unrestricted deposit accounts with United Bank. The Line of Credit is neither secured by nor payable from amounts under the General Resolution. As of March 31, 2024, the Housing Development Fund has no outstanding balance under the Line of Credit.

The Low Down Home Loan Program assists borrowers in the Housing Development Fund's single family bond program with down payment and closing costs associated with the purchase of a home. Such loans may not exceed the amount authorized by the Board of Directors (currently \$15,000).

The Low Income Assisted Mortgage Program ("LAMP") was established to help non-profit housing groups increase their production of owner-occupied housing for very low-income families. LAMP provides a secondary market where non-profit groups can sell their existing single family loans to the Housing Development Fund. The proceeds of those loan sales can then be used to construct additional housing units. In 1993, LAMP was one of ten recipients of a \$100,000 grant from the Ford Foundation as a winner of its Innovations in State and Local Government awards administered by the John F. Kennedy School of Government at Harvard University.

On-Site Systems Loan Program

The On-Site Systems Loan Program ("OSLP") was created in September 2007 in partnership with the West Virginia Department of Environmental Protection (the "DEP"). Under this program the Housing Development Fund is authorized to borrow up to \$2,000,000 from the DEP Clean Water Revolving Loan Fund. These funds are loaned to State residents to upgrade, replace or repair inadequate septic systems. The Housing Development Fund is obligated to repay the amount borrowed from the DEP only to the extent the Housing Development Fund receives payments from loan recipients.

Home4Good

Home4Good is a collaborative initiative between the FHLB Pittsburgh and the Housing Development Fund to provide grants and/or forgivable loans to address systemic gaps in support services and help make homelessness in West Virginia rare, brief and non-recurring. The funds are awarded to organizations that help individuals retain or find housing, provide supportive services to those facing homelessness or address other unmet needs within the existing homeless provider network. Since 2018, the FHLB Pittsburgh has contributed \$6.7 million to the Home4Good program and the Housing Development Fund has contributed \$1.5 million.

The HOME Investment Partnership Program

In March 1991, the Housing Development Fund began operating HUD's HOME Investment Partnership Program (the "HOME Program") for the development and financing of housing for persons at or below 80% of the State's median income. A minimum of fifteen percent of HOME Program funds are spent for projects developed by approved Community Housing Development Organizations and ten percent is used to offset the administrative costs incurred by the Housing Development Fund. The ten percent used to offset administrative costs generally does not cover the Housing Development Fund's costs of administering the HOME Program. Therefore, uncovered costs of the HOME Program are paid by the General Fund. This program is restricted by federal regulations.

In April 2021, the Housing Development Fund received a \$19,106,500 HOME – American Rescue Plan Program ("HOME – ARP") allocation to provide assistance to individuals or households who are homeless or are at risk of homelessness and other vulnerable populations. HOME – ARP funds may be used for production or preservation of affordable housing, tenant-based rental assistance, supportive services, and purchase and development of non-congregate shelter. The HOME – ARP funds are administered through the HOME Program.

Housing Trust Fund

The Housing Trust Fund ("HTF") is an affordable housing production program funded by HUD that will complement existing federal, state and local efforts to increase and preserve the supply of safe, decent and sanitary affordable housing for extremely low and very low-income households (30% or less of AMI). HTF funds may be used for the production or preservation of affordable housing through the acquisition, new construction, reconstruction, and/or rehabilitation of non-luxury housing with suitable amenities. This program is restricted by federal regulations.

Low-Income Housing Tax Credit Program

The Low-Income Housing Tax Credit Program facilitates the development of quality rental housing in the State by offering a conduit through which owners, builders and organizations may qualify for a federal income tax credit. The Housing Development Fund, as the State's authorized issuer of Low-Income Housing Tax Credits, can allocate up to the State's applicable annual housing credit ceiling in housing credit dollars.

Mortgage Credit Certificates

The Housing Development Fund is authorized to act as the State's issuer of Mortgage Credit Certificates. This program permits qualified homebuyers to receive a federal tax credit for a portion of the interest paid on the homebuyer's mortgage loan. Currently, the Housing Development Fund is not issuing any new Mortgage Credit Certificates but may resume doing so in the future.

Mortgage Loan Refinance Program

Whenever loans repay, the Housing Development Fund loses the corresponding mortgage loan servicing revenue. In order to reduce the effect of prepayments on this revenue, the Housing Development Fund has developed a refinancing program for those customers who want to reduce their borrowing costs. This allows the Housing Development Fund to continue to earn servicing income on the loan. Generally, these loans are funded from general reserves and are then sold in the secondary market.

Affordable Housing Fund

In 2001, the Legislature created the Affordable Housing Trust Fund to provide funding for both technical assistance and housing assistance to non-profit organizations and government entities and to encourage stronger partnerships, collaboration and greater involvement of local communities in meeting affordable housing needs in West Virginia.

The Legislature passed legislation in 2018, effective June 8, 2018, discontinuing the existence of the Affordable Housing Trust Fund, creating under the Act an Affordable Housing Fund to be administered by the Housing Development Fund, and transferring certain former powers, procedures and assets of the Affordable Housing Trust Fund to the Housing Development Fund in connection therewith. The Affordable Housing Fund receives a per-transaction transfer fee from residential real estate transfers and sales of manufactured homes in the State. This fee must be used solely for the purposes

of the Affordable Housing Fund as provided by the Act. The Housing Development Fund receives no allocation from the transfer fee to compensate it for any costs of administering the Affordable Housing Fund.

Mountaineer Rental Assistance Program

The Consolidated Appropriations Act of 2021 contained federal spending provisions through the U.S. Department of the Treasury (the “U.S. Treasury”) for grants to states to fund emergency rental assistance, rental arrears, and utility costs for households with incomes no more than 80% of AMI and at risk of homelessness or housing instability due to COVID-19. The State was awarded \$200 million for this purpose under the Emergency Rental Assistance Program – ERA1 (“ERA1”). Ten percent of this amount was available to be used to offset administrative costs.

The American Rescue Plan Act of 2021 (the “American Rescue Plan”) provided funds through the U.S. Treasury to states to fund emergency rental assistance, rental arrears, and utility costs for households with incomes consistent with the definition of “low-income families,” as defined in Section 3(b) of the United States Housing Act of 1937, and at risk of homelessness or instability due to COVID-19. The State was awarded \$152 million for this purpose under the Emergency Rental Assistance Program – ERA2 (“ERA2”). Fifteen percent of this amount is available to be used to offset administrative costs.

The Housing Development Fund administers these programs on behalf of the State as the Mountaineer Rental Assistance Program (“MRAP”). As of August 26, 2022, the MRAP ceased accepting applications for rental and utility assistance. All activity under ERA1 ceased pursuant to the U.S. Treasury guidelines as of September 30, 2022. The Housing Development Fund will continue the ERA2 funding to provide eviction prevention activities and the production or rehabilitation of existing housing units as permitted under the regulations.

West Virginia Homeowners Rescue Program

The American Rescue Plan also provided funds through the U.S. Treasury to states to provide assistance designed to prevent homeowner mortgage delinquencies, mortgage defaults, foreclosures, loss of utilities or home energy services, and displacements of homeowners who experienced a financial hardship after January 21, 2020 due to the effects of COVID-19 and have incomes equal to or less than 150% of AMI or 100% of the median income of the United States, whichever is greater. The State was awarded \$50 million for this purpose. Fifteen percent of this amount is available to be used to offset administrative costs. The Housing Development Fund administers this program on behalf of the State as the West Virginia Homeowners Rescue Program.

TAX MATTERS

2024 B Bonds (Tax-Exempt Bonds)

Opinion of Bond Counsel

In the opinion of Hawkins Delafield & Wood LLP, Bond Counsel to the Housing Development Fund, under existing statutes and court decisions and assuming continuing compliance with certain tax covenants described herein, (i) interest on the 2024 B Bonds is excluded from gross income for federal income tax purposes pursuant to Section 103 of the Code and (ii) interest on the 2024 B Bonds is not treated as a preference item in calculating the alternative minimum tax under the Code; however, interest on the 2024 B Bonds is included in the “adjusted financial statement income” of certain corporations that are subject to the alternative minimum tax under Section 55 of the Code. In rendering its opinion, Bond Counsel has relied on certain representations, certifications of fact, and statements of reasonable expectations made by the Housing Development Fund and others in connection with the 2024 B Bonds, and Bond Counsel has assumed compliance by the Housing Development Fund with certain ongoing covenants to comply with applicable requirements of the Code to assure the exclusion of interest on the 2024 B Bonds from gross income under Section 103 of the Code.

Bond Counsel expresses no opinion as to any other federal, state or local tax consequences arising with respect to the 2024 B Bonds, or the ownership or disposition thereof, except as stated in the paragraph above. Bond Counsel renders its opinion under existing statutes and court decisions as of the issue date, and assumes no obligation to update, revise or supplement its opinion to reflect any action thereafter taken or not taken, any fact or circumstance that may thereafter come to its attention, any change in law or interpretation thereof that may thereafter occur, or for any other reason. Bond Counsel expresses no opinion as to the consequence of any of the events described in the preceding

sentence or the likelihood of their occurrence. In addition, Bond Counsel expresses no opinion on the effect of any action taken or not taken in reliance upon an opinion of other counsel regarding federal, state or local tax matters, including, without limitation, exclusion from gross income for federal income tax purposes of interest on the 2024 B Bonds.

Certain Ongoing Federal Tax Requirements and Covenants

The Code establishes certain ongoing requirements that must be met subsequent to the issuance and delivery of the 2024 B Bonds in order that interest on the 2024 B Bonds be and remain excluded from gross income under Section 103 of the Code. These requirements include, but are not limited to, requirements relating to use and expenditure of gross proceeds of the 2024 B Bonds, yield and other restrictions on investments of gross proceeds of the 2024 B Bonds, and the arbitrage rebate requirement that certain excess earnings on gross proceeds of the 2024 B Bonds be rebated to the federal government. Noncompliance with such requirements may cause interest on the 2024 B Bonds to become included in gross income for federal income tax purposes retroactive to their issue date, irrespective of the date on which such noncompliance occurs or is discovered. The Housing Development Fund has covenanted to comply with certain applicable requirements of the Code to assure the exclusion of interest on the 2024 B Bonds from gross income under Section 103 of the Code.

Certain Collateral Federal Tax Consequences

The following is a brief discussion of certain collateral federal income tax matters with respect to the 2024 B Bonds. It does not purport to address all aspects of federal taxation that may be relevant to a particular owner of a 2024 B Bond. Prospective investors, particularly those who may be subject to special rules, are advised to consult their own tax advisors regarding the federal tax consequences of owning and disposing of the 2024 B Bonds.

Prospective owners of the 2024 B Bonds should be aware that the ownership of such obligations may result in collateral federal income tax consequences to various categories of persons, such as corporations (including S corporations and foreign corporations), financial institutions, property and casualty and life insurance companies, individual recipients of Social Security and railroad retirement benefits, individuals otherwise eligible for the earned income tax credit, and taxpayers deemed to have incurred or continued indebtedness to purchase or carry obligations the interest on which is excluded from gross income for federal income tax purposes. Interest on the 2024 B Bonds may be taken into account in determining the tax liability of foreign corporations subject to the branch profits tax imposed by Section 884 of the Code.

Original Issue Discount

“Original issue discount” (“OID”) is the excess of the sum of all amounts payable at the stated maturity of a 2024 B Bond (excluding certain “qualified stated interest” that is unconditionally payable at least annually at prescribed rates) over the issue price of that maturity. In general, the “issue price” of a maturity (a bond with the same maturity date, interest rate, and credit terms) means the first price at which at least 10 percent of such maturity was sold to the public, i.e., a purchaser who is not, directly or indirectly, a signatory to a written contract to participate in the initial sale of the 2024 B Bonds. In general, the issue price for each maturity of 2024 B Bonds is expected to be the initial public offering price set forth on the inside cover page of this Official Statement. Bond Counsel further is of the opinion that, for any 2024 B Bonds having OID (a “Discount Bond”), OID that has accrued and is properly allocable to the owners of the Discount Bonds under Section 1288 of the Code is excludable from gross income for federal income tax purposes to the same extent as other interest on the 2024 B Bonds.

In general, under Section 1288 of the Code, OID on a Discount Bond accrues under a constant yield method, based on periodic compounding of interest over prescribed accrual periods using a compounding rate determined by reference to the yield on that Discount Bond. An owner’s adjusted basis in a Discount Bond is increased by accrued OID for purposes of determining gain or loss on sale, exchange, or other disposition of such Bond. Accrued OID may be taken into account as an increase in the amount of tax-exempt income received or deemed to have been received for purposes of determining various other tax consequences of owning a Discount Bond even though there will not be a corresponding cash payment.

Owners of Discount Bonds should consult their own tax advisors with respect to the treatment of OID for federal income tax purposes, including various special rules relating thereto, and the state and local tax consequences of acquiring, holding, and disposing of Discount Bonds.

Bond Premium

In general, if an owner acquires a 2024 B Bond for a purchase price (excluding accrued interest) or otherwise at a tax basis that reflects a premium over the sum of all amounts payable on the 2024 B Bond after the acquisition date (excluding certain “qualified stated interest” that is unconditionally payable at least annually at prescribed rates), that premium constitutes “bond premium” on that 2024 B Bond (a “Premium Bond”). In general, under Section 171 of the Code, an owner of a Premium Bond must amortize the bond premium over the remaining term of the Premium Bond, based on the owner’s yield over the remaining term of the Premium Bond determined based on constant yield principles (in certain cases involving a Premium Bond callable prior to its stated maturity date, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on such bond). An owner of a Premium Bond must amortize the bond premium by offsetting the qualified stated interest allocable to each interest accrual period under the owner’s regular method of accounting against the bond premium allocable to that period. In the case of a tax-exempt Premium Bond, if the bond premium allocable to an accrual period exceeds the qualified stated interest allocable to that accrual period, the excess is a nondeductible loss. Under certain circumstances, the owner of a Premium Bond may realize a taxable gain upon disposition of the Premium Bond even though it is sold or redeemed for an amount less than or equal to the owner’s original acquisition cost. Owners of any Premium Bonds should consult their own tax advisors regarding the treatment of bond premium for federal income tax purposes, including various special rules relating thereto, and state and local tax consequences, in connection with the acquisition, ownership, amortization of bond premium on, sale, exchange, or other disposition of Premium Bonds.

Information Reporting and Backup Withholding

Information reporting requirements apply to interest paid on tax-exempt obligations, including the 2024 B Bonds. In general, such requirements are satisfied if the interest recipient completes, and provides the payor with, a Form W-9, “Request for Taxpayer Identification Number and Certification,” or if the recipient is one of a limited class of exempt recipients. A recipient not otherwise exempt from information reporting who fails to satisfy the information reporting requirements will be subject to “backup withholding,” which means that the payor is required to deduct and withhold a tax from the interest payment, calculated in the manner set forth in the Code. For the foregoing purpose, a “payor” generally refers to the person or entity from whom a recipient receives its payments of interest or who collects such payments on behalf of the recipient.

If an owner purchasing a 2024 B Bond through a brokerage account has executed a Form W-9 in connection with the establishment of such account, as generally can be expected, no backup withholding should occur. In any event, backup withholding does not affect the excludability of the interest on the 2024 B Bonds from gross income for federal income tax purposes. Any amounts withheld pursuant to backup withholding would be allowed as a refund or a credit against the owner’s federal income tax once the required information is furnished to the Internal Revenue Service.

West Virginia Taxes

Under the Act, the 2024 B Bonds and the income therefrom shall at all times be exempt from taxation by the State, or any county, municipality or other governmental subdivision of the State, except for death and gift taxes, taxes on transfers, sales taxes, real property taxes and business and occupation taxes.

The State also imposes a corporation net income tax on corporations and a personal income tax on the resident partners of partnerships, the resident shareholders of S corporations and the resident members of limited liability companies doing business in the State. The corporation net income and personal income tax statutes contain formulary adjustments decreasing the amount of income subject to these taxes for certain corporations, partnerships, S corporations or limited liability companies owning bonds such as the 2024 B Bonds.

Miscellaneous

Tax legislation, administrative actions taken by tax authorities, or court decisions, whether at the federal or state level, may adversely affect the tax-exempt status of interest on the 2024 B Bonds under federal or state law or otherwise prevent beneficial owners of the 2024 B Bonds from realizing the full current benefit of the tax status of such interest. In addition, such legislation or actions (whether currently proposed, proposed in the future, or enacted) and such decisions could affect the market price or marketability of the 2024 B Bonds.

Prospective purchasers of the 2024 B Bonds should consult their own tax advisors regarding the foregoing matters.

2024 C Bonds (Taxable Bonds)

General

The following discussion is a brief summary of the principal United States federal income tax consequences of the acquisition, ownership and disposition of 2024 C Bonds (“Taxable Bonds”) by original purchasers of the Taxable Bonds who are “U.S. Holders,” as defined herein. This summary (i) is based on the Code, Treasury Regulations, revenue rulings and court decisions, all as currently in effect and all subject to change at any time, possibly with retroactive effect; (ii) assumes that the Taxable Bonds will be held as “capital assets”; and (iii) does not discuss all of the United States federal income tax consequences that may be relevant to a U.S. Holder in light of its particular circumstances or to U.S. Holders subject to special rules, such as insurance companies, financial institutions, tax-exempt organizations, dealers in securities or foreign currencies, persons holding the Taxable Bonds as a position in a “hedge” or “straddle,” U.S. Holders whose functional currency (as defined in Section 985 of the Code) is not the United States dollar, U.S. Holders who acquire Taxable Bonds in the secondary market, or individuals, estates and trusts subject to the tax on unearned income imposed by Section 1411 of the Code.

Certain taxpayers who are required to prepare certified financial statements and file such financial statements with certain regulatory or governmental agencies may be required to recognize income, gain and loss with respect to the Taxable Bonds at the time that such income, gain or loss is taken into account on such financial statements instead of under the rules described below. In addition, interest on the Taxable Bonds is included in the “adjusted financial statement income” of certain corporations that are subject to the alternative minimum tax under Section 55 of the Code.

U.S. Holders of Taxable Bonds should consult with their own tax advisors concerning the United States federal income tax and other consequences with respect to the acquisition, ownership and disposition of the Taxable Bonds as well as any tax consequences that may arise under the laws of any state, local or foreign tax jurisdiction.

Opinion of Bond Counsel

In the opinion of Hawkins Delafield & Wood LLP, Bond Counsel to the Housing Development Fund, interest on the Taxable Bonds is *included* in gross income for federal income tax purposes.

Bond Counsel expresses no opinion as to any other federal, state or local tax consequences arising with respect to the Taxable Bonds, or the ownership or disposition thereof, except as stated in the paragraph above. Bond Counsel renders its opinion under existing statutes and court decisions as of the issue date, and assumes no obligation to update, revise or supplement its opinion to reflect any action thereafter taken or not taken, any fact or circumstance that may thereafter come to its attention, any change in law or interpretation thereof that may thereafter occur, or for any other reason. Bond Counsel expresses no opinion as to the consequence of any of the events described in the preceding sentence or the likelihood of their occurrence. In addition, Bond Counsel expresses no opinion on the effect of any action taken or not taken in reliance upon an opinion of other counsel regarding federal, state or local tax matters.

Original Issue Discount

In general, if OID is greater than a statutorily defined de minimis amount, a U.S. Holder of a Taxable Bond must include in federal gross income (for each day of the taxable year, or portion of the taxable year, in which such U.S. Holder holds such Taxable Bond) the daily portion of OID, as it accrues (generally on a constant-yield method) and regardless of the U.S. Holder’s method of accounting. “OID” is the excess of (i) the “stated redemption price at maturity” over (ii) the “issue price.” For purposes of the foregoing: “issue price” means the first price at which a substantial amount of the Taxable Bond is sold to the public (excluding bond houses, brokers, or similar persons or organizations acting in the capacity of underwriters, placement agents or wholesalers); “stated redemption price at maturity” means the sum of all payments, other than “qualified stated interest,” provided by such Taxable Bond; “qualified stated interest” is stated interest that is unconditionally payable in cash or property (other than debt instruments of the issuer) at least annually at a single fixed rate; and “de minimis amount” is an amount equal to 0.25 percent of the Taxable Bond’s stated redemption price at maturity multiplied by the number of complete years to its

maturity. A U.S. Holder may irrevocably elect to include in gross income all interest that accrues on a Taxable Bond using the constant-yield method, subject to certain modifications.

Bond Premium

In general, if a Taxable Bond is originally issued for an issue price (excluding accrued interest) that reflects a premium over the sum of all amounts payable on the Taxable Bond other than “qualified stated interest” (a “Taxable Premium Bond”), that Taxable Premium Bond will be subject to Section 171 of the Code, relating to bond premium. In general, if the U.S. Holder of a Taxable Premium Bond elects to amortize the premium as “amortizable bond premium” over the remaining term of the Taxable Premium Bond, determined based on constant-yield principles (in certain cases involving a Taxable Premium Bond callable prior to its stated maturity date, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the highest yield on such bond), the amortizable premium is treated as an offset to interest income; the U.S. Holder will make a corresponding adjustment to the U.S. Holder’s basis in the Taxable Premium Bond. Any such election is generally irrevocable and applies to all debt instruments of the U.S. Holder (other than tax-exempt bonds) held at the beginning of the first taxable year to which the election applies and to all such debt instruments thereafter acquired. Under certain circumstances, the U.S. Holder of a Taxable Premium Bond may realize a taxable gain upon disposition of the Taxable Premium Bond even though it is sold or redeemed for an amount less than or equal to the U.S. Holder’s original acquisition cost.

Disposition and Defeasance

Generally, upon the sale, exchange, redemption, or other disposition (which would include a legal defeasance) of a Taxable Bond, a U.S. Holder generally will recognize taxable gain or loss in an amount equal to the difference between the amount realized (other than amounts attributable to accrued interest not previously includable in income) and such U.S. Holder’s adjusted tax basis in the Taxable Bond.

The Housing Development Fund may cause the deposit of moneys or securities in escrow in such amount and manner as to cause the Taxable Bonds to be deemed to be no longer outstanding under the General Resolution (a “defeasance”). (See APPENDIX E – “DEFINITIONS OF CERTAIN TERMS AND SUMMARY OF THE GENERAL RESOLUTION” herein). For federal income tax purposes, such defeasance could result in a deemed exchange under Section 1001 of the Code and a recognition by such owner of taxable income or loss, without any corresponding receipt of moneys. In addition, the character and timing of receipt of payments on the Taxable Bonds subsequent to any such defeasance could also be affected.

Information Reporting and Backup Withholding

In general, information reporting requirements will apply to non-corporate U.S. Holders of the Taxable Bonds with respect to payments of principal, payments of interest, and the accrual of OID on a Taxable Bond and the proceeds of the sale of a Taxable Bond before maturity within the United States. Backup withholding may apply to U.S. Holders of Taxable Bonds under Section 3406 of the Code. Any amounts withheld under the backup withholding rules from a payment to a beneficial owner, and which constitutes over-withholding, would be allowed as a refund or a credit against such beneficial owner’s United States federal income tax provided the required information is furnished to the Internal Revenue Service.

U.S. Holders

The term “U.S. Holder” means a beneficial owner of a Taxable Bond that is: (i) a citizen or resident of the United States, (ii) a corporation, partnership or other entity created or organized in or under the laws of the United States or of any political subdivision thereof, (iii) an estate the income of which is subject to United States federal income taxation regardless of its source or (iv) a trust whose administration is subject to the primary jurisdiction of a United States court and which has one or more United States fiduciaries who have the authority to control all substantial decisions of the trust.

West Virginia Taxes

Under the Act, the Taxable Bonds and the income therefrom shall at all times be exempt from taxation by the State, or any county, municipality or other governmental subdivision of the State, except for death and gift taxes, taxes on transfers, sales taxes, real property taxes and business and occupation taxes.

The State also imposes a corporation net income tax on corporations and a personal income tax on the resident partners of partnerships, the resident shareholders of S corporations and the resident members of limited liability companies doing business in the State. The corporation net income and personal income tax statutes contain formulary adjustments decreasing the amount of income subject to these taxes for certain corporations, partnerships, S corporations or limited liability companies owning bonds such as the Taxable Bonds.

Miscellaneous

Tax legislation, administrative actions taken by tax authorities, or court decisions, whether at the federal or state level, may adversely affect the tax-exempt status of interest on the Taxable Bonds under state law and could affect the market price or marketability of the Taxable Bonds.

Prospective purchasers of the Taxable Bonds should consult their own tax advisors regarding the foregoing matters.

UNDERTAKING TO PROVIDE CONTINUING DISCLOSURE

Prior to the issuance of the 2024 BC Bonds, the Housing Development Fund will enter into a Continuing Disclosure Agreement with the Trustee, for the benefit of the holders of the 2024 BC Bonds, pursuant to which the Housing Development Fund will agree to provide certain financial information and operating data relating to the Housing Development Fund on an annual basis and to provide notices of the occurrence of certain enumerated events, in each case by filings with the MSRB through EMMA. The Housing Development Fund will enter into the Continuing Disclosure Agreement in order to assist the underwriter of the 2024 BC Bonds in complying with Rule 15c2-12(b)(5) promulgated by the Securities and Exchange Commission, as amended (the “Rule”). **APPENDIX G** contains the form of the Continuing Disclosure Agreement.

A failure by the Housing Development Fund to comply with this undertaking will not constitute an Event of Default under the Resolutions. Nevertheless, such a failure must be considered by any broker or dealer before recommending the purchase or sale of the 2024 BC Bonds in the secondary market. Consequently, such a failure may adversely affect the transferability and liquidity of the 2024 BC Bonds and their market price and the ability of the Housing Development Fund to issue and sell bonds in the future.

The Housing Development Fund has filed Annual and Quarterly Secondary Market Disclosure Reports and other materials with the MSRB’s EMMA portal. This information is also available on the Housing Development Fund website at www.wvhdf.com.

LITIGATION

There is no controversy or litigation of any nature now pending or threatened restraining or enjoining the issuance, sale, execution or delivery of the 2024 BC Bonds, or in any way contesting or affecting the validity of the 2024 BC Bonds or any proceedings of the Housing Development Fund taken with respect to moneys or security provided for the payment of the 2024 BC Bonds, or the existence or powers of the Housing Development Fund insofar as they relate to the authorization, sale and issuance of the 2024 BC Bonds or such pledge or the application of moneys and security.

APPROVAL OF LEGALITY

In connection with the issuance of the 2024 BC Bonds, legal matters incident to the authorization, issuance, sale and delivery of the 2024 BC Bonds are subject to the approval of Hawkins Delafield & Wood LLP, New York, New York, Bond Counsel to the Housing Development Fund. The proposed form of the opinion of Bond Counsel is included in **APPENDIX D**. Certain legal matters will be passed upon for the Housing Development Fund by its

General Counsel, Jackson Kelly PLLC, Charleston, West Virginia. Certain legal matters will be passed upon for the Underwriter by its counsel, Kutak Rock LLP, Atlanta, Georgia.

FINANCIAL STATEMENTS OF THE HOUSING DEVELOPMENT FUND

Included in **APPENDIX C** to this Official Statement are the basic financial statements for the Housing Development Fund, as of and for the fiscal years ended June 30, 2023 and June 30, 2022. The June 30, 2023 and June 30, 2022 financial statements were audited by Brown, Edwards & Company, L.L.P. These financial statements are also available on the Housing Development Fund website at www.wvhdf.com and on the EMMA website of the MSRB.

UNDERWRITING

The 2024 BC Bonds are being offered by Raymond James & Associates, Inc. (the “Underwriter”) at the initial offering prices set forth on the inside cover page hereof. The Underwriter will be paid a fee of \$520,077.35 which will include reimbursement of certain expenses, with respect to the offering and sale of the 2024 BC Bonds. The initial public offering prices may be changed, from time to time, by the Underwriter.

The Housing Development Fund has been advised that the Underwriter expects to make a market in the 2024 BC Bonds. However, the Underwriter is not obligated to make such markets and may discontinue making such markets at any time without notice. Neither the Housing Development Fund nor the Underwriter can give any assurance that secondary markets will develop.

The following paragraph has been provided by the Underwriter:

The Underwriter is a full-service financial institution engaged in various activities, which may include securities trading, commercial and investment banking, financial advisory, investment management, principal investment, hedging, financing and brokerage activities. The Underwriter and its affiliates may have, from time to time, performed and may in the future perform, various investment banking services for the Housing Development Fund, for which they received or will receive customary fees and expenses. In the ordinary course of their various business activities, the Underwriter and its affiliates may make or hold a broad array of investments and actively trade debt and equity securities (or related derivative securities) and financial instruments (which may include bank loans and/or credit default swaps) for their own account and for the accounts of their customers and may at any time hold long and short positions in such securities and instruments. Such investment and securities activities may involve securities and instruments of the Housing Development Fund.

FINANCIAL ADVISOR

Piper Sandler & Co. has been engaged to provide financial advisory services for the issuance of Bonds under the April 24, 2024 plan of finance (including the 2024 BC Bonds).

ADDITIONAL INFORMATION

Certain provisions of the Act and the Resolutions are summarized in this Official Statement. Such summaries do not purport to be comprehensive or definitive and reference is made to such documents, copies of which are available upon request, for a full and complete statement of their respective provisions.

The information contained in this Official Statement is subject to change without notice and no implication shall be derived therefrom or from the sale of the 2024 BC Bonds that there has been no change in the affairs of the Housing Development Fund from the date hereof.

Pursuant to the Resolutions, the Housing Development Fund has covenanted to keep proper books of record and account in which full, true and correct entries will be made of all its dealings and transactions under the Resolutions and to cause such books to be audited for each fiscal year. The Resolutions require that such books be open to inspection by the holder of an aggregate of not less than 5% of the Outstanding Bonds during regular business hours of the Housing Development Fund and that the Housing Development Fund furnish a copy of the auditor’s report, when available, upon the request of the holder of any Outstanding Bonds.

Copies of the Housing Development Fund's future audited financial statements, when available, may be requested from the Housing Development Fund at 5710 MacCorkle Avenue, SE, Charleston, WV 25304, telephone (304) 391-8600, or accessed on the Housing Development Fund website, www.wvhdf.com.

This Official Statement is submitted in connection with the offering of the 2024 BC Bonds and may not be reproduced or used, as a whole or in part, for any other purposes. Any statements in this Official Statement involving matters of opinion or estimate, whether or not expressly so stated, are intended as such and not as representations of fact. This Official Statement is not to be construed as a contract or agreement between the Housing Development Fund and the purchasers or holders of any of the 2024 BC Bonds. The distribution of this Official Statement has been approved by the Board of Directors. Additional information may be obtained from the Housing Development Fund at 5710 MacCorkle Avenue, SE, Charleston, WV 25304, telephone (304) 391-8600.

(1) The Housing Development Fund makes no representation regarding the financial condition of any of the private mortgage insurance companies or their ability to make full and timely payment of claims on Program Loans on which losses are incurred. Recent rating agency reviews of private mortgage insurers may be indicative of some future inability of private mortgage insurers generally to fulfill in full their obligations, if and when required upon a mortgage default, to make timely payments on policies.

(2) See Appendix B for PMI coverage requirements.

- (1) All loans are fixed-rate loans.
- (2) This outstanding loan balance consists of mortgage loans transferred from various Housing Finance Bond issues which have been refunded or redeemed.
- (3) The Movin' Up Program provides financing for borrowers seeking to sell their current residence and purchase a new residence from amounts under the General Resolution that are not subject to Code requirements applicable to first-time homebuyers. The income limits in the Movin' Up Program are generally higher than those set by the Code for first-time homebuyers. Although not required by the Code, the Movin' Up Program follows the purchase price limits set by the Code for first-time homebuyers.
- (4) This issue permits the purchase of additional Program Loans from certain recoveries of principal and surplus revenues. However, the Housing Development Fund may instead elect to redeem bonds from such recoveries of principal and surplus revenues where economically prudent.

APPENDIX B

SUMMARY OF CERTAIN FEDERAL HOUSING SUBSIDY AND MORTGAGE INSURANCE PROGRAMS AND EXPERIENCE WITH LOAN DEFAULTS

INTRODUCTION

The United States Department of Housing and Urban Development (“HUD”), created by the Housing and Urban Development Act of 1965, is responsible for the administration of various federal programs authorized under the National Housing Act of 1934, as amended, and the United States Housing Act of 1937, as amended. The United States Department of Veterans Affairs, formerly Veterans Administration (“VA”) administers the mortgage guaranty program authorized under the Servicemen’s Readjustment Act of 1944, as amended. The Rural Housing Loan Program (the “Loan Guaranty Program”) is administered by the United States Rural Housing Service (“RHS”) (formerly the Farmers Home Administration) under Sections 1980.301 et. seq. of the Code of Federal Regulations. These programs may be financed by annual appropriations from Congress, as well as by mortgage insurance premiums and fees; subsidies and insurance payments are in some cases made from trust funds established under the various programs.

Following is a summary of these programs as they affect mortgages that the Housing Development Fund has financed or intends to finance under the Housing Finance Program. This summary is intended only as a brief description and does not purport to summarize or describe all of the provisions of such programs and insurance. Reference is made to applicable statutes, regulations and agreements for more detailed information regarding Federal Housing Administration (“FHA”) and VA program(s), Rural Housing and this summary is qualified in its entirety by reference to such statutes, regulations and agreements.

THE SECTION 8 HOUSING ASSISTANCE PAYMENTS PROGRAM

The Section 8 project-based program is provided by HUD and authorizes payments to the owners of qualified housing units. The housing assistance payments to the owner represent the differences between the “contract rents” for all eligible units in a rental dwelling, adjusted annually as specified by HUD, and the eligible tenants’ rental contributions. Housing assistance payments provide a subsidy for the benefit of families whose incomes generally do not exceed 50% of the median income (adjusted for family size), as determined by HUD, in the area where the housing is located.

Subsidy Contracts – Under Section 8 of the United States Housing Act of 1937, as amended (“Section 8”), HUD contracts with Public Housing Authorities to administer and implement federal rental assistance contracts. The State’s Section 8 project-based subsidy program is administered by the Housing Development Fund.

The payment of subsidies under the Section 8 program is generally made pursuant to two contracts: an annual contributions contract (“ACC”), between HUD and the Housing Development Fund, and a housing assistance payments contract (the “HAPC”) among HUD, the Housing Development Fund and the owner of the development. The ACC obligates HUD to provide funds to the Housing Development Fund with which to make monthly housing assistance payments to the owner pursuant to the HAPC.

The HAPC is usually for a term of 20 years. Currently, there are three Project Loans whose terms extend beyond the expiration of the related HAPC. See APPENDIX A-1 – “PROJECT LOANS FINANCED WITH HOUSING FINANCE BONDS.”

Amount and Payment of Subsidy – The contract rent initially established for each unit in a development is limited to the fair market rent for the dwelling unit, which is the rent, as determined annually by HUD and published in the Federal Register, which would be required to be paid to occupy privately developed and owned housing of a comparable nature with respect to each locality.

For each assisted unit, the amount of the subsidy actually payable to the Housing Development Fund for the account of the owner is equal to the contract rent less the payment to be made to the owner by the tenant(s), as approved by HUD. The tenant payment is generally 30% of adjusted family income, with a minimum rent of \$25 a month. The total rental income from subsidized housing units payable to the owner is equal to the contract rent, part being paid by the tenants directly to the owner and the remainder subsidized by HUD and paid through the Housing Development Fund. Tenants are required to report any changes in their income or household status and to certify their income and family composition at least annually to determine any necessary changes to the payment contribution.

Adjustments of Subsidy Amount -- HUD's Section 8 regulations and the HAPC provide that the initial contract rents for the assisted dwelling units in each development will be adjusted annually by HUD pursuant to an annual adjustment factor, operating cost adjustment factor and/or a Rent Comparability Study. Such adjustments may increase or decrease the amount of the contract rents from time to time, but will not reduce the amount of the contract rents below the level initially established pursuant to the ACC and throughout the term of the HAPC. Additionally, special adjustments may be approved by HUD to reflect increases in the actual and necessary expenses of owning and maintaining the development which have resulted from substantial general increases in real property taxes, utility rates or similar costs (e.g., assessments and utilities not covered by regulated rates), but only to the extent that the adjusted rent does not exceed the reasonable rent as determined under the regulations.

On October 27, 1997, Congress enacted the Multi-Family Assisted Housing Reform Act ("MAHRA") which established new policies for renewal of Section 8 HAPCs, upon expiration. Renewal HAPC's can be based upon comparable market rents instead of the Fair Market Rent ("FMR") standard. Owners may elect from several options, the method used to establish rents and other financing objectives upon contract expiration and at each successive renewal term.

Vacancies and Debt Service -- Generally, the Section 8 subsidy is payable with respect to the dwelling unit only when it is occupied by an eligible family. However, the law and the regulations provide for payment of the subsidy under certain circumstances, for a limited period of time, when the dwelling unit is not occupied.

If requested, upon occurrence of a vacancy in a dwelling unit, a subsidy amounting to 80% of the contract rent is payable for a vacancy period of 60 days subject to compliance by the mortgagor with certain conditions relating primarily to a diligent effort to rent the subsidized unit. Subsequent to the initial rent-up period, if a dwelling unit remains vacant after such 60-day period and certain other criteria are met, certain projects may request the payment of a subsidy for one or more additional periods of up to 12 months in an amount equal to the principal and interest payments required to amortize that portion of the debt attributable to such vacant unit.

The regulations provide that HUD and the Housing Development Fund may reduce the number of contract units if the owner fails for a substantial period of time to lease or make available for leasing by eligible families the required percentage of contract units.

Pledge of Subsidy as Security for the Bonds -- HUD regulations permit the mortgagor and the Housing Development Fund to pledge, or offer the federal subsidy payments as security for financing of the developments. The Housing Development Fund requires the mortgagor for each development to pledge or offer as security such federal subsidy payments, with HUD approval, as security for the mortgage loan on the development by an assignment of the HAPC to the Housing Development Fund, and in the Resolution, the Housing Development Fund has pledged the revenues received from the Mortgage Loans to the payment of the Bonds.

The regulations provide that in the event of foreclosure, or assignment or sale to the Housing Development Fund in lieu of foreclosure, or in the event of an assignment or sale agreed to by the Housing Development Fund and approved by HUD (which approval shall not be unreasonably delayed or withheld), subsidy payments will continue in accordance with the HAPC.

Compliance with Subsidy Contracts -- The ACC and the HAPC each contain numerous agreements on the part of the Housing Development Fund and the mortgagor.

Housing subsidies will continue as long as the owner complies with the requirements of the HAPC and has leased the assisted units to eligible tenants or has satisfied the criteria for receiving assistance for vacant units. The Housing Development Fund, which has primary responsibility for administering the HAPC, subject to review and audit by HUD, may require the owner to cure any default under the HAPC, and housing assistance payments may be abated and overpayments recovered pending remedy for the default. If the default is not cured, the HAPC may be terminated or other corrective actions taken.

If HUD determines that the Housing Development Fund has failed to fulfill its obligations, HUD may, after notice to the Housing Development Fund and giving it a reasonable opportunity to take corrective action, require that the Housing Development Fund assign to it all rights under the HAPC.

FHA INSURANCE PROGRAMS

The National Housing Act of 1934, as amended, authorizes various FHA mortgage insurance programs. Insurance benefits are payable only upon foreclosure (or other acquisition or possession) and conveyance of the mortgaged premises to HUD or, in the case of multifamily loans, upon assignment of the defaulted loan to HUD.

With respect to the conveyance of defaulted home mortgage loans to HUD, the insured must first pursue a full range of loss mitigation efforts. Loss mitigation efforts include temporary or special forbearance, loan modification, partial claim, pre-foreclosure sale or a deed in lieu of foreclosure to cure the delinquency within a reasonable time, or to return a borrower to regular, full mortgage payments or to assist the borrower with disposition of the property without foreclosure. The loss mitigation strategy must be pursued consistent with the borrower's circumstances, before the mortgagee makes the determination to initiate foreclosure proceedings.

Under some of the FHA insurance programs, HUD pays insurance claims in cash unless the mortgage lender specifically requests payment in debentures issued by HUD. Under others, HUD has the option at its discretion to pay insurance claims in cash or in such debentures. The current HUD policy, subject to change at any time, is to make insurance payments on mortgages covering less than five dwelling units in cash with respect to all programs covering such units as to which it has discretion to determine the form of insurance payments. HUD debentures issued in satisfaction of FHA insurance claims bear interest at the HUD debenture interest rate in effect under HUD regulations on the date of the mortgage insurance commitment or of the initial insurance endorsement of the mortgage, whichever rate is higher.

When entitlement to insurance benefits results from foreclosure (or other acquisition of possession) and conveyance, the insurance payment is computed as of the date of default by the mortgagor, as defined in HUD regulations, and the mortgage holder generally is compensated for the unpaid principal balance plus six months of interest after the date of default. The regulations under all insurance programs described above provide that the insurance payment itself shall bear interest from the date of default to the date of payment of the claim at the same interest rate as the applicable HUD debenture interest rate determined in the manner set forth above.

When a property to be conveyed has been damaged by any cause, whether by accidental means or otherwise, it generally is required as a condition to payment of an insurance claim, that such property be restored excepting reasonable wear and tear to an established conveyance condition. When any property conveyed to HUD or subject to a mortgage to be assigned to HUD has been damaged by fire, earthquake, flood or tornado, it generally is required, as a condition to payment of an insurance claim, that such property be repaired by the mortgage lender prior to such conveyance or assignment.

Not all mortgaged properties are required to be conveyed to HUD. The Housing Development Fund participates in the Claims Without Conveyance of Title Program. In this Program, the foreclosure bid price is based on the Federal Housing Commissioner's Adjusted Fair Market Value ("CAFMV") after a HUD appraisal is received. If these properties are not sold to a third party during the foreclosure sale, they are added to the Housing Development Fund's real estate owned inventory.

EXPERIENCE WITH MULTIFAMILY LOAN DEFAULTS

The Housing Development Fund is entitled to claim the benefits of federal mortgage insurance upon the occurrence and continuance for 30 days of certain events of default specified in its loan agreements with the project mortgagors, including failure of the mortgagor to make timely payments due under the Mortgage Loan. A notice of the existence of the default is sent to the mortgagor and reported electronically to HUD. The Housing Development Fund must pursue loss mitigation strategies prior to a decision to foreclose. Once all loss mitigation has failed to resolve the default, the Housing Development Fund may proceed with foreclosure and convey the property to HUD at which time the Housing Development Fund is eligible to receive the insurance proceeds, in an amount equal to 99% of the outstanding balance of the mortgage loan plus an amount, representative of accrued interest on the claim, at a rate equal to the FHA debenture rate in effect on the date of commitment or initial endorsement of the loan by HUD, whichever rate is higher (in the case of Section 236 insurance the interest rate applicable during the period between default and assignment is the mortgage rate). This rate may be higher or lower than the rate the mortgagor was obligated to pay. To date, the Housing Development Fund has requested payment from FHA on several Program Loans but has never assigned a Project Loan to FHA for payment. The Housing Development Fund has assigned one multifamily mortgage in the Bond Insurance Fund to FHA, and received payment under the insurance program.

VETERANS ADMINISTRATION GUARANTY PROGRAM*

**The VA has become the "Department of Veterans Affairs".*

The Servicemen's Readjustment Act of 1944, as amended, permits a veteran (or in certain instances, a spouse) to obtain a mortgage loan guaranty by the VA covering mortgage financing of the purchase of a one-to-four family dwelling at interest rates permitted by VA. The program has no mortgage loan limits, requires no down payment from the purchaser and permits the guaranty of mortgage loans of up to thirty years and thirty-two days duration.

For loans of \$45,000 or less, the guaranty will be 50% of the loan amount. For loans of more than \$45,000, but not more than \$56,250, \$22,500 of the loan is guaranteed, and for loans of more than \$56,250 and less than \$144,000, the guaranty will be the lesser of 40% of the loan amount or \$36,000, with a minimum guaranty of \$22,500. For loans greater than \$144,000, the maximum guarantee amount is up to an amount equal to 25% of the county loan limit. For manufactured homes the guaranty will be the lesser of 40% of the loan amount or \$20,000. In addition, a manufactured home loan is limited to 95% of the purchase price, requiring a minimum down payment of 5%. The liability on the guaranty is reduced or increased pro rata with any reduction or increase in the amount of the indebtedness, but in no event will the amount payable on the guaranty exceed the amount of the original guaranty. Notwithstanding the dollar and percentage limitations of the guaranty, a mortgage lender will ordinarily suffer a monetary loss only when the difference between the unsatisfied indebtedness and the proceeds of a foreclosure sale of a mortgaged premise is greater than the original guaranty as adjusted. The VA may, at its option, and without regard to the guaranty, make full payment to a mortgage lender of unsatisfied indebtedness on a mortgage upon its assignment to VA.

PRIVATE MORTGAGE INSURANCE

The Housing Development Fund requires private mortgage insurance coverage for all Program Loans if the principal amount of the Program Loan exceeds 80% of the lesser of the purchase price or appraised value and the Program Loan is not guaranteed by VA or USDA/RD or insured by FHA.

The Housing Development Fund will allow privately insured Program Loans underwritten using nationally accepted underwriting guidelines established by Fannie Mae for Housing Finance Agencies under the Fannie Mae "HFA Preferred" program. These loans must be approved through an automated underwriting system such as Desktop Underwriter with expanded approvals generally not acceptable. Such privately insured mortgage loans may have loan-to-value ratios no greater than 100% of the lesser of the purchase price or the appraised value.

Effective June 19, 2006 the Housing Development Fund's minimum requirement for private mortgage insurance coverage are as follows:

Loan-to-Value Ratio	PMI Coverage
97% to 100%	20%*
95% to ≤97%	18%
90% to ≤95%	16%
85% to ≤90%	12%
80% to ≤85%	6%

*No longer offered as this coverage is not available from private mortgage insurers.

See "APPENDIX A-2 – Certain Information Relating to the Housing Finance Bond Program Loans", for additional information regarding private mortgage insurance and the Program Loans.

Prior to a decision to foreclose on a loan in default, the Housing Development Fund must pursue loss mitigation strategies. The strategies include forbearance, loan modification, pre-foreclosure sale of the mortgaged property, or a deed-in-lieu of foreclosure. Once all loss mitigation strategies have been exhausted, the Housing Development Fund may proceed with a foreclosure sale.

The amount of loss payable generally consists of the following: a percentage of the unpaid principal balance plus a portion of the accrued interest; usual and customary attorneys' fees; real estate taxes; a portion of the hazard and private mortgage insurance premiums necessarily advanced by the insured; some expenses incurred in preservation and maintenance of the property; and other costs and expenses incurred to acquire title to the property.

The majority of privately insured mortgage loans are held for sale by the Real Estate Owned department of the Housing Development Fund. On the rare occasion when a property to be conveyed directly to a private mortgage insurer or subject to a mortgage to be assigned to such insurer has been damaged by any cause, whether by accidental means or otherwise, it generally is required, as a condition to payment of an insurance claim, that such property be restored to its condition at the time such insurance was issued, excepting reasonable wear and tear, prior to such conveyance or assignment.

RURAL HOUSING LOAN GUARANTY PROGRAM

The Rural Housing Loan Program (the "Loan Guaranty Program") is administered by the United States Rural Housing Service ("RHS") (formerly the Farmers Home Administration) under Title 7, Sections 1980.301 et. seq. of the Code of Federal Regulations. The objective of the Loan Guaranty Program is to assist eligible households in obtaining modest, decent, safe, and sanitary dwellings for their own use in rural areas by guarantying loans, which would not be made without a guaranty.

Guaranties are limited to loans to applicants with incomes that do not exceed median income limits specified and published by RHS. Applicants may not be denied assistance based on receipt of income from public assistance. The amount of the loan may not exceed the maximum dollar limitation for loans insured by HUD under Section 203 (b) (2) of the National Housing Act. The loan may include amounts for the guaranty fee. The property (including certain eligible leaseholds) must be located in rural areas as established from time to time by the State Director of RHS.

To be eligible for the guaranty, the loan must be a fixed interest rate loan amortizing over a period of 30 years.

The terms of the Lender Agreement between RHS and the Housing Development Fund obligate the Housing Development Fund to notify RHS whenever a borrower is a full 60 days past due on a payment or is otherwise in default and to update RHS with respect to such loans each thirty days until the default is resolved.

The Housing Development Fund is also required to request the borrower to participate in an interview for the purpose of resolving the past due account before the loan becomes 90 days past due. The Housing Development Fund is a delegated servicer and is not required to seek RHS approval for loss mitigation, but must provide information to RHS via their website. Options for resolving the past due account are informal forbearance/repayment, special forbearance, loan modifications, special loan servicing or pre-foreclosure sale and deed in lieu.

If the plan of liquidation involves a foreclosure, the Housing Development Fund must obtain a fair market value appraisal and bid in an amount, at foreclosure, that is at least 78% of the appraised value. After liquidation, the Housing Development Fund markets the property and a claim must be filed with RHS for insurance benefits no later than 60 days from the date of recording of the foreclosure sale deed. The maximum guarantee for the permanent loan will be 90% of unpaid principal and accrued interest for 90 days from the date the decision is made to liquidate the loan. The maximum loss payment to a lender or holder is 100% of any loss sustained by the holder on the guaranteed portion.

The guaranty is an obligation supported by the full faith and credit of the United States. The amount of the guaranty loss payment may not exceed unpaid principal and interest to the date of final settlement. Interest on interest is not permitted.

U.S. DEPARTMENT OF AGRICULTURE SECTION 538 GUARANTEED RURAL RENTAL HOUSING LOAN PROGRAM

The U.S. Department of Agriculture's ("USDA") Section 538 Guaranteed Rural Rental Housing Program (Section 538 Program) provides a loan note guarantee to the lender of the permanent loan amount for qualifying residential rental properties, serving low or moderate-income families. Generally, properties must be located in areas with a population of less than 10,000 (and in some cases up to 35,000).

Section 538 Program loans may have a loan and amortization term of up to 40 years. In addition to the 90% loan note guarantee, the Section 538 Program may also provide an interest credit on the first \$1,500,000 of the permanent loan (funneled through the lender) to the property owner to buy down the interest rate to the applicable federal rate. At initial occupancy, each tenant household's income cannot exceed 115% of the area median income as adjusted for family size. On an annual basis, the monthly rent cannot exceed 30% of the area median income as adjusted for family size.

Servicing procedures are defined under Section IV. Servicing, Section V. Default and Section VI. Liquidation of the Lender's Agreement Business and Industry Guaranteed Loan Program and Section 9006 Program Form 4279-4. The lender will notify USDA of any loan 30 days past due on form FmHA 1980-44 and all actions taken will be with the written concurrence of USDA.

If the lender concludes pursuant to USDA regulations that liquidation of a guaranteed loan account is necessary, the lender will pursue actions in concurrence with USDA and prepare a liquidation plan. If USDA concurs with the liquidation plan the Lender will ordinarily conduct the liquidation. The Lender will transmit to the USDA their pro rata share of any payments received from the Borrower and of liquidation and any other proceeds, using FmHA form 449-30.

The foregoing description of certain programs is only a brief outline and does not purport to summarize or describe all of the provisions of these programs. For a more complete description of the terms of these programs, reference is made to the provisions of the contracts embodied in the regulations of the FHA, the VA, RHS and USDA respectively.

MORTGAGOR BANKRUPTCY

Mortgagors may seek protection under the United States Bankruptcy Code, which provides a debtor with an opportunity to adjust his debts without losing control of his assets. Under a plan confirmed under Chapter 13 of the Bankruptcy Code, the debtor's unsecured and secured debts may be modified, except that debts secured by a mortgage

on real property used as the debtor's principal residence may not be modified, except to cure defaults or reinstate maturity. Absent court ordered relief (which is only available under limited circumstances) the automatic stay under Section 362 of the Bankruptcy Code will apply in any case commenced under the Bankruptcy Code, and the mortgagee will be stayed from any action to satisfy its claim, including foreclosure on the real property. To date, the Housing Development Fund has not experienced any significant loss of principal as a result of the implementation of plans confirmed under Chapter 13 of the Bankruptcy Code, and it does not believe that any such implementations will have a materially adverse effect on its Housing Finance Program.

INDEPENDENT AUDITOR'S REPORT

To the Board of Directors
West Virginia Housing Development Fund
Charleston, West Virginia

Opinions

We have audited the accompanying financial statements of the business-type activities (enterprise fund) and fiduciary fund type activities of the West Virginia Housing Development Fund (the Fund), a component unit of the State of West Virginia, as of and for the years ended June 30, 2023 and 2022, and the related notes to the financial statements, which collectively comprise the Fund's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the business-type activities (enterprise fund) and the fiduciary fund type activities of the Fund, as of June 30, 2023 and 2022, and the respective changes in financial position, and, where applicable, cash flows thereof for the years then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the Fund and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the Fund's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Fund's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis, the schedules of the proportionate share of the net pension liability (asset) PERS, the schedules of contributions to the PERS, the schedules of changes in net OPEB liability (asset) and related ratios - Welfare Benefit plan, the schedules of contributions to the Welfare Benefit plan, the schedules of annual rate of return on investments - Welfare Benefit plan, and the accompanying notes to required supplementary information be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements,

Required Supplementary Information (Continued)

is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

WEST VIRGINIA HOUSING DEVELOPMENT FUND MANAGEMENT'S DISCUSSION AND ANALYSIS (UNAUDITED)

INTRODUCTION

The West Virginia Housing Development Fund (the Fund) is a public body corporate with statewide responsibility for housing and operates a wide variety of programs to provide safe and affordable housing for residents and families in the State of West Virginia (the State). The Fund is a self-supporting agency and does not receive State appropriations for its operations. Through June 30, 2023, the Fund has provided assistance for more than 165,900 housing or housing-related units.

The permanent staff of the Fund consists of 110 persons as of June 30, 2023, including professional staff members qualified in the fields of accounting, finance, law, mortgage underwriting, mortgage loan servicing, secondary mortgage markets, planning, cost estimation, construction, inspection, and housing management. The Fund provides services in these fields for its programs as required and utilizes professional consulting services from time to time to supplement its own staff.

The Fund has 14 bond issues totaling \$389,635,000 par amount outstanding under its Housing Finance bond resolution. The bonds are rated "AAA" by Standard & Poor's Public Ratings Services (S&P) and "Aaa" by Moody's Investors Service, Inc. (Moody's).

The Fund's unsecured long-term general obligation debt pledge is rated "Aaa" by Moody's and "AAA" by S&P. The Fund is the first and only housing finance agency ever to receive such ratings on its long-term general obligation debt pledge. These ratings are not assigned to any particular issue of debt, but rather represent an overall credit assessment of the Fund's long-term general obligation pledge.¹

The financial transactions of the Fund related to its various programs are reported in the enterprise fund financial statements, which are more fully explained in the Notes to the Financial Statements. These programs consist of the General Account, Bond Programs, Other Loan Programs, Affordable Housing Fund, Land Development Program, Bond Insurance Account, and Federal Programs. These were established in accordance with the West Virginia Housing Development Fund Act (the Act), the bond resolution, or at management's discretion. The restricted net position of the Fund includes the net position of the Bond Programs, Affordable Housing Fund, Land Development Program, Bond Insurance Account, and Federal Programs, which are restricted by the bond resolution, the Act, or federal regulations. The Fund reports one fiduciary type fund, the Welfare Benefit Plan, an irrevocable trust for postemployment healthcare insurance benefits (OPEB) for the Fund's employees. The fiduciary fund's activities benefit the employees of the Fund and the fiduciary fund's resources are not available to support the various programs of the enterprise fund.

As management of the Fund, we offer readers of the Fund's enterprise fund financial statements the following narrative overview and analysis of the Statements of Net Position and the Statements of Revenues, Expenses, and Changes in Fund Net Position as of and for the years ended June 30, 2023, 2022, and 2021.

¹ An explanation of the Moody's ratings may be obtained by writing to Moody's Investors Service, Inc., 7 World Trade Center, 250 Greenwich Street, New York, New York 10007; an explanation of the S&P ratings may be obtained by writing to Standard & Poor's Public Ratings Services, 55 Water Street, New York, New York 10041. There is no assurance that such ratings will be maintained for any period of time or that such ratings will not be withdrawn or revised downward by Moody's or S&P if, in their judgment, circumstances so warrant. Such actions, if taken, could have an adverse effect on the market price of bonds issued by the Fund.

USING THIS REPORT

This report consists of a series of enterprise fund financial statements extracted from the audited financial statements: the Statements of Net Position, the Statements of Revenues, Expenses, and Changes in Fund Net Position, and the Statements of Cash Flows. These statements provide information about the activities for each period presented.

The Fund prepares financial statements in conformity with accounting principles generally accepted in the United States of America for state housing finance enterprise funds. The enterprise fund Statements of Net Position represent the difference between the assets and deferred outflows of resources and liabilities and deferred inflows of resources and include all assets, deferred outflows of resources, liabilities, and deferred inflows of resources using the basis of accounting described above. Over time, increases or decreases in the net position are one indicator of whether financial status is improving, stable, or deteriorating. There are also other factors that should be considered when reviewing the operational results, such as changes in the interest rate environment, bond market, changes to state and federal laws governing the Fund's programs, changes to the tax code, and the real estate market in the State. The Statements of Revenues, Expenses, and Changes in Fund Net Position reflect revenues, such as interest on loans, loan-servicing fees, interest on investments, fees for the administration of federal financial awards programs, and expenses, such as loan fees, program expenses, administrative expenses, and interest on outstanding debt. The Notes to the Financial Statements provide information that is essential to fully understand the data provided in the financial statements.

Below is additional discussion of the significant financial statement items and the changes in those items over the prior two years due to recent events and activities of the Fund, current economic factors, and other factors affecting financial and programmatic operations.

Current assets

The decrease of \$34,579,000 (17.2%) in *Current assets* from 2022 to 2023 was primarily due to a decrease of \$32,866,000 in federal funds, which includes COVID relief funds, a decrease in cash of \$4,395,000 for debt service, a \$739,000 decrease in accounts receivable, a decrease of \$557,000 in cash held for the Federal Home Loan Bank of Pittsburgh's HOME 4 Good program, a decrease of \$173,000 in foreclosed property, a decrease of \$20,000 in the balance of Mortgage Loans Held for Sale, an increase of \$1,469,000 in multifamily construction funds, an increase of \$1,334,000 in funds held for others which includes insurance and tax accounts held on behalf of the Fund's various mortgagors, an increase of \$971,000 in cash for program disbursements, and an increase of \$402,000 in accrued interest.

The decrease of \$146,183,000 (42.1%) in *Current assets* from 2021 to 2022 was primarily due to a decrease of \$124,417,000 in federal funds, which includes COVID relief funds, a decrease in cash of \$12,618,000 for debt service, a decrease in multifamily construction funds of \$10,524,000, a decrease of \$610,000 in the balance of Mortgage Loans Held for Sale, a decrease of \$326,000 in accrued interest, a decrease of \$121,000 in funds held for others which includes insurance and tax accounts held on behalf of the Fund's various mortgagors, an increase of \$1,804,000 in cash for program disbursements, an increase in cash of \$401,000 in cash held for the Federal Home Loan Bank of Pittsburgh's HOME 4 Good program, and a \$215,000 increase in accounts receivable.

Mortgage loans & Restricted mortgage loans, net of allowance for losses

The increase of \$90,018,000 (12.8%) in *Mortgage loans & Restricted mortgage loans, net of allowance for losses* from 2022 to 2023 was primarily due to originations of \$174,204,000 exceeding loan repayments of \$81,607,000, foreclosures of \$2,325,000, and an increase in allowance for loan losses of \$254,000.

The increase of \$30,095,000 (4.5%) in *Mortgage loans & Restricted mortgage loans, net of allowance for losses* from 2021 to 2022 was primarily due to originations of \$152,165,000 exceeding loan repayments of \$119,698,000, foreclosures of \$2,154,000, and an increase in allowance for loan losses of \$218,000.

Restricted Federal Program mortgage loans, net of allowance for losses

This line item consists of the United States Department of Housing and Urban Development's (HUD) HOME Investment Program (HOME) and National Housing Trust Fund (NHTF) mortgage loans. The fluctuations from year to year represent the net of HOME and NHTF program loan originations and repayments during the years presented.

Restricted cash and cash equivalents

The increase of \$18,478,000 (32.1%) in *Restricted cash and cash equivalents* from 2022 to 2023 was primarily due to a \$20,084,000 net increase in the balance of funds available to purchase single family mortgage loans related to the timing of bond issuances and a decrease of \$1,606,000 in short-term funds on hand in 2022 invested long-term in 2023.

The decrease of \$33,586,000 (36.8%) in *Restricted cash and cash equivalents* from 2021 to 2022 was primarily due to a decrease of \$15,574,000 in short-term funds on hand in 2021 invested long-term in 2022 and a \$9,185,000 net decrease in the balance of funds available to purchase single family mortgage loans related to the timing of bond issuances.

Investments & Restricted investments

The fluctuations in *Investments and Restricted investments* from year to year is the net effect of investment purchases, redemptions, maturities and amortization and the change in fair value of investments as required by governmental accounting standards. Certain investments are required to be recorded at fair value and the unrealized gains or losses are to be reported in the enterprise fund Statements of Revenues, Expenses and Changes in Fund Net Position.

The following summary illustrates the changes in *Investments & Restricted investments* as of June 30:

Capital assets, net of depreciation See Note A – *Capital assets, net of depreciation*

The decrease of \$269,000 (3.5%) from 2022 to 2023 was due to depreciation of the Fund's office building, equipment, and software.

The decrease of \$269,000 (3.4%) from 2021 to 2022 was due to depreciation of the Fund's office building, equipment, and software.

Other assets and Restricted other assets, net of allowance for losses

The decrease of \$2,499,000 (46.7%) in *Other assets and Restricted other assets, net of allowance for losses* from 2022 to 2023 was primarily due to a decrease in the net pension asset of \$3,538,000 a decrease in miscellaneous assets of \$12,000, a \$1,023,000 increase in foreclosed properties, and an increase of \$28,000 due from Federal program reimbursements.

The increase of \$3,222,000 (151.1%) in *Other assets and Restricted other assets, net of allowance for losses* from 2021 to 2022 was primarily due to an increase in the net pension asset of \$3,538,000, an increase of \$103,000 due from Federal program reimbursements, an increase in miscellaneous assets of \$12,000 and a \$431,000 decrease in foreclosed properties.

Deferred outflows of resources related to pension and OPEB and Deferred inflows of resources related to pension and OPEB
See Note A – *Accounting methods*

Deferred outflows and inflows of resources are directly related to the activity described in Note F – *Retirement Plan* to the financial statements in accounting for the changes in the Fund's proportionate share of the West Virginia Public Employees Retirement System's net pension liability (asset) and in Note H – *Other Postemployment Benefits* to the financial statements in accounting for the changes in the Fund's net OPEB liability (asset).

Accounts payable and other liabilities

The increase of \$311,000 (1.7%) in *Accounts payable and other liabilities* from 2022 to 2023 was primarily due to an increase of \$1,137,000 in funds held for others, which includes tax and insurance accounts held on behalf of the Fund's various mortgagors, a decrease of \$557,000 in cash held on behalf of the Federal Home Loan Bank of Pittsburgh (FHLB) for program disbursements to be used for its Home4Good program, a decrease of \$200,000 in accrued expenses at year-end, and a decrease in the bond rebate liability of \$69,000.

The increase of \$737,000 (4.1%) in *Accounts payable and other liabilities* from 2021 to 2022 was primarily due to an increase of \$470,000 in accrued expenses at year-end, an increase of \$402,000 in cash held on behalf of the FHLB for program disbursements to be used for its Home4Good program, an increase in the bond rebate liability of \$73,000 and a decrease of \$208,000 in funds held for others, which includes tax and insurance accounts held on behalf of the Fund's various mortgagors.

Bonds and notes payable, current and noncurrent

As illustrated in the following schedule, the changes in *Bonds and notes payable* were due to the early redemption or refunding of bonds, scheduled debt service payments, and new bonds and notes issued. The changes in the balance of bonds and notes payable and interest rates generally account for the fluctuations in *Accrued interest payable* in 2023 and 2022. See Note D – *Bonds & Notes payable, current and noncurrent*.

OVERVIEW OF THE ENTERPRISE FUND FINANCIAL STATEMENTS

COVID Relief Programs

In response to the housing crisis related to a global outbreak of COVID-19, a respiratory disease declared to be a pandemic (the Pandemic) by the World Health Organization, Congress enacted the Consolidated Appropriations Act, 2021 in December 2020 creating the Emergency Rental Assistance (ERA1) program to provide funding to assist households that were unable to pay rent or utilities. The Fund received the State's allocation of \$200 million under this Act to administer the rental assistance program on behalf of the State. As of June 30, 2023, \$87,359,000 of these funds have been disbursed for rental and utility assistance. These funds are included in pass through grant revenue and pass through grant expense and in restricted cash and cash equivalents. As of August 26, 2022, the Fund ceased accepting applications for rental and utility assistance and all activity under ERA1 ceased pursuant to the U.S. Treasury guidelines as of September 30, 2022.

In addition, in March 2021 Congress enacted the American Rescue Plan Act of 2021, which allocated an additional \$152,000,000 to the State for rental assistance for the Emergency Rental Assistance (ERA2) Program and \$50,000,000 in homeowner assistance for the Homeowners Assistance Fund (HAF), both of which the Fund administers on behalf of the State. Collectively, ERA1 and ERA2 are locally known as the Mountaineer Rental Assistance Program (MRAP). As of June 30, 2023, \$80,512,000 of the ERA2 funds has been disbursed for rental and utility assistance and \$354,000 for the development of multifamily rental units. In addition, \$19,311,000 of the HAF funds has been disbursed for mortgage and utility assistance. These funds are included in pass through grant revenue and pass through grant expense and in restricted cash and cash equivalents.

Mortgage Lending

The Fund's Bond Programs are the core-housing programs and the primary source of income for the Fund. Various economic and regulatory factors such as prevailing economic conditions, mortgage interest rates, investment rates, the demand for housing, the cost of housing and of operating housing programs, the volume of mortgage lending activity in the State and other factors affecting the supply of housing in the State can create significant challenges for the Fund in both the Bond Programs and its overall operations.

The Fund's Movin' Up program is a long-term strategy intended to be a self-funding lending program as an alternative to dependency on the bond market and a method of assisting moderate income borrowers. The program is designed to attract a market to our single family loan program and provide a long-term increase in the Fund's mortgage loan balances. Unlike other single family bond programs the Fund offers, the Movin' Up Program does not have a first time homebuyer restriction and has significantly higher income limits than other single family programs offered. Its target market is moderate income buyers who may have outgrown their current homes and want to move up to a larger home and provides the borrower with down payment and closing cost assistance.

In fiscal years 2020 and 2021, a decrease in interest rates contributed to an increase in the number of borrowers refinancing their mortgages. To a lesser extent, the decrease also reduced the Fund's competitive edge of mortgage rates and loan originations. The Fund's Bond Program mortgage loan balances decreased \$22,494,000 (3.8%) in fiscal year 2021 compared to 2020 due to borrowers refinancing loans due to a drop in interest rates. In fiscal year 2022, mortgage rates increased, and the Fund regained its competitive edge of mortgage rates and loan originations increased. The Fund's Bond Program mortgage loan balances increased \$13,505,000 (2.4%) in fiscal year 2022 as compared to fiscal year 2021 and increased \$82,211,000 (14.1%) in fiscal year 2023 as compared to fiscal year 2022. Mortgage loan balances and continued loan originations are key elements to future earnings potential.

The changes in Bond Programs mortgage loan balances from fiscal year 2021 through fiscal year 2023 are as follows:

(Dollars in thousands)

% Increase from prior year	14.1%	2.4%	

The Fund continues to proactively monitor cash positions to ensure sufficient liquidity is maintained and to meet the increased demand for single family mortgage loan originations.

The Fund's single family Bond Program loans consist of 30-year fixed rate loans and no sub-prime loans. The median income of Fund single family borrowers is \$51,000 as of June 30, 2023. This income level tends to be impacted quicker than an average borrower during economic declines.

The ability of the Fund to pay debt service on bonds outstanding is heavily dependent on the receipt of mortgage payments from borrowers. However, the Fund maintains a Capital Reserve Fund in an amount no less than the highest aggregate debt service of any year on all outstanding Mortgage Finance Bonds. In addition, the Fund maintains the Bond Insurance Account, as required by the Act, to provide for the payment of debt service on Mortgage Finance Bonds, if necessary.

The Fund's Bond Program loan delinquency rates increased from 2021 to 2022 in the One-, Two- and Three-month categories and increased again from 2022 to 2023 as shown in the chart below. The Three + month category decreased in 2022 and 2023 due to the expiration of the foreclosure moratorium and borrowers receiving assistance from the federal COVID relief HAF. The Fund will continue

to monitor delinquencies and increase communication with borrowers to control delinquencies where possible and/or modify loans as borrowers continue to deal with unemployment and other economic impacts.

In response to a continual increase in the demand for affordable rental housing, the Fund provides financing for both construction and permanent financing of multifamily rental housing. Resources for this initiative are provided from Other Loan Programs, HOME, the National Housing Trust Fund and the Low-Income Housing Tax Credit Program. Permanent loans financed from Other Loan Programs often carry United States Department of Agriculture (USDA) 538 loan guarantees. The Fund expects to continue its focus on financing rental housing into fiscal 2024 and future years.

Interest rates on new single family bond loans originated in fiscal year 2023 have averaged approximately 5.49%. Interest rates on new multifamily permanent loans originated in fiscal year 2023 have averaged approximately 4.83%. The average loan interest rate listed below shows the Bond Programs average for fiscal years 2021 through 2023.

<u>Average Loan Interest Rate</u>	
June 30, 2021	4.28%
June 30, 2022	4.12%
June 30, 2023	4.41%

Investments

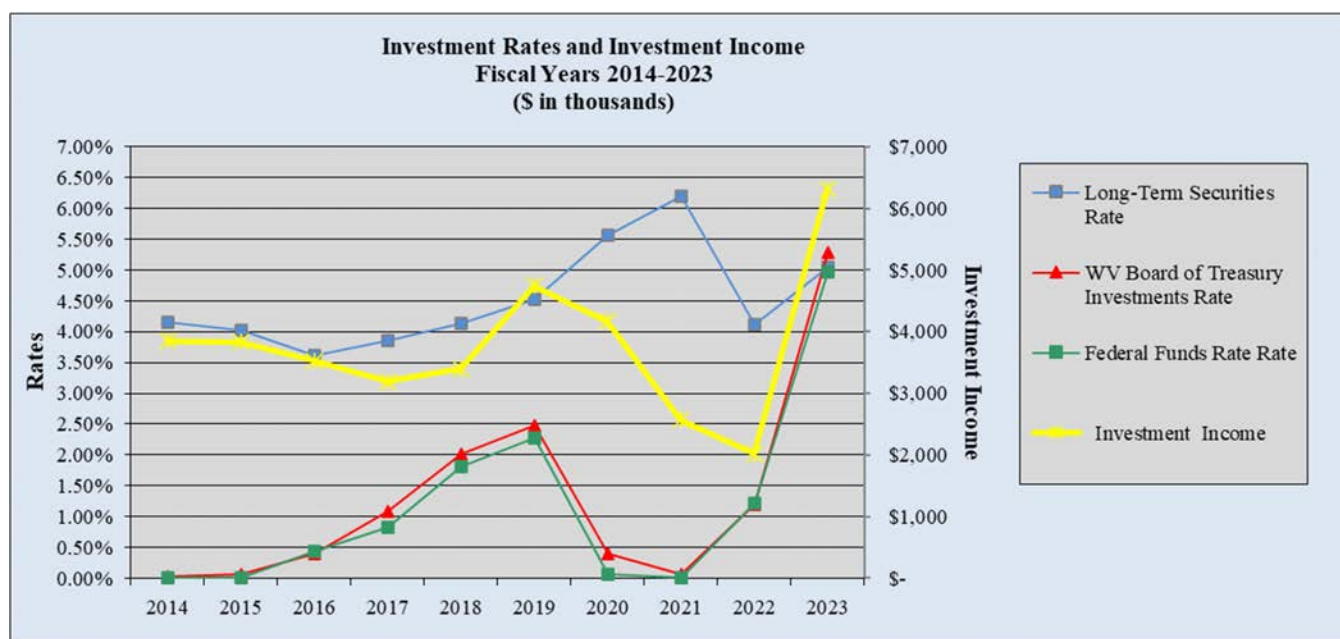

The Fund invests cash, as permitted by the Act, the bond resolution, and the Board approved Investment Policy. Funds related to the Bond Programs capital reserves and the Bond Insurance Account are primarily invested in long-term United States agency securities and FDIC insured money market accounts, which are expected to be held to maturity. Certain funds in the Bond Insurance Account and general operating funds are invested in mortgage loans held solely for investment. The interest earnings on these investment types are less affected by the fluctuation in short-term interest rates.

Loan proceeds and revenues of the Bond Programs, Other Loan Program, and operating funds are primarily on deposit with a bank, invested in FDIC insured money market accounts and short-term United States agency securities. All bank deposits are either FDIC insured or collateralized by permitted investments. The remaining funds are on deposit with the West Virginia Board of Treasury Investments (WVBOTI). Such funds are extremely sensitive to short-term interest rate fluctuations.

As shown in the following chart, the average investment rates for short-term investments and the WVBOTI have been consistent with the Federal Funds rate and remained at a historical low of 0.00% to 0.25% in 2014 and 2015. During fiscal year 2016, the Federal Reserve increased the federal funds rate ranging from 0.25% to 0.50% and continued to increase the rate eight additional times during fiscal years 2017 through 2019 ranging from 1.00% to 2.50%. During fiscal year 2020, the Federal Reserve decreased the rate five times to rates ranging from 0.00% to 0.25% where they remained for fiscal year 2021. During 2022, the Federal Reserve increased the rate seven times with the rates ranging from 0.25% to 4.5%. Since February 2023, the Federal Reserve increased the rate three times with rates ranging from 4.5% to 5.25%.

Due to fluctuations in interest rates, investment earnings decreased 21.1% from 2021 to 2022, net of unrealized gains or losses and increased 211.9% from 2022 to 2023, net of unrealized gains or losses.

Below is a summary of the average investment rates from June 2014 to June 2023:

Debt Management

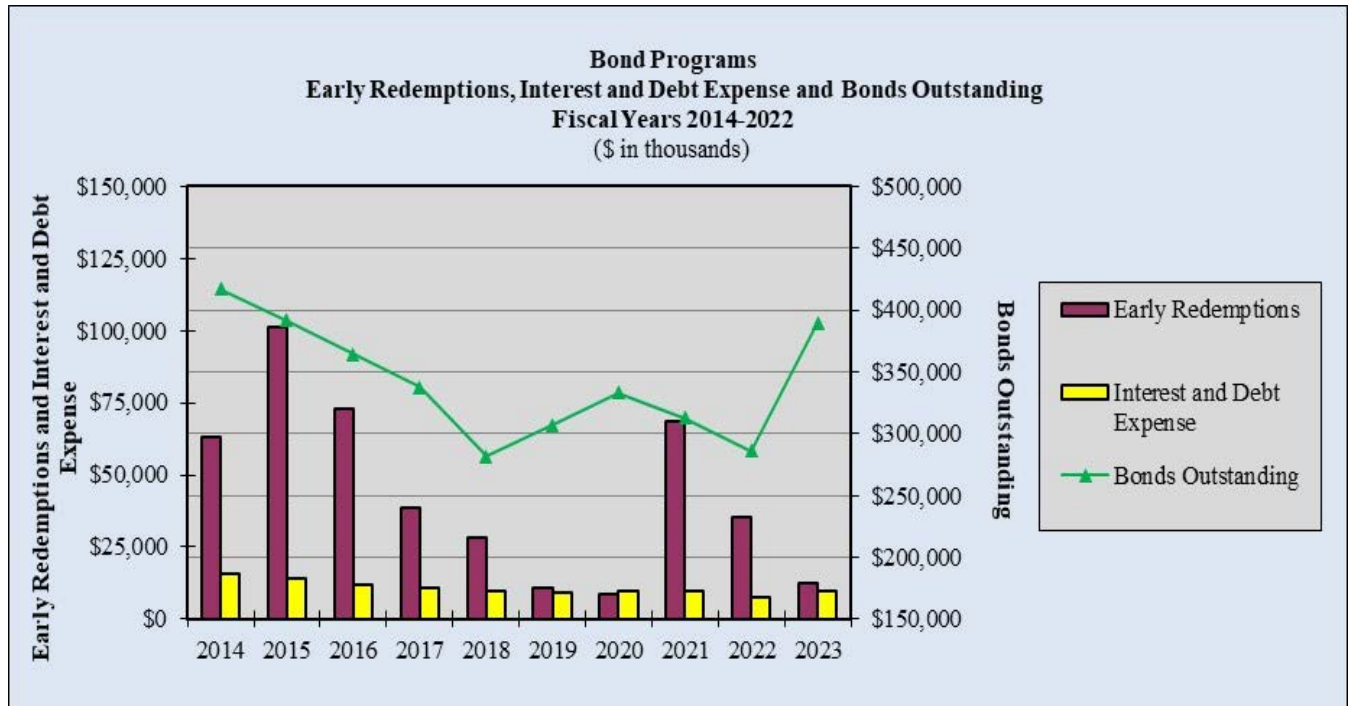

The Fund issues qualified mortgage revenue bonds to fund its single family Bond Programs. When bonds are issued, the initial proceeds are invested in short-term investments until the funds are used for the purchase of mortgage loans. Because short-term investment rates are typically lower than the long-term bond rates, this creates negative arbitrage. To reduce this negative arbitrage, the Fund delays the issuance of new bonds until absolutely necessary. The Fund sometimes uses general operating funds or other available funds as a warehouse line to purchase new loans in anticipation of bond sales.

When bonds are issued from the bond volume allocation, known as “new money” bonds, certain repayments and prepayments of mortgage loans made from these proceeds may be “recycled” into additional mortgage loans for ten years. The Fund uses recycling to supplement its bond issues by using prepayments for additional mortgage loans instead of issuing debt. If the market interest rates on mortgages are lower than the corresponding bond rates, the Fund may redeem bonds in lieu of recycling. However, if mortgage rates are higher than the corresponding bond rates the Fund may redirect prepayments into additional mortgage loans in lieu of redeeming bonds. Moving forward into fiscal year 2024 the Fund expects to continue to recycle mortgage loan repayments from its bond issues when it is economically prudent to do so.

During fiscal years 2021, 2022 and 2023, the Fund redeemed \$68,660,000, \$35,530,000 and \$12,370,000 in bonds, respectively. By actively redeeming bonds, the Fund offsets the impact of reduced mortgage loan balances and rates.

Interest and debt expense was \$9,576,000, \$7,358,000 and \$9,923,000 in fiscal years 2021, 2022 and 2023, respectively. Interest and debt expense decreased in 2022 as compared to 2021 due to \$35,530,000 in redemptions and debt service of \$21,278,000 exceeding bond issuances of \$30,250,000. Interest and debt expense increased in 2023 as compared to 2022 due to bond issuances of \$134,953,000 exceeding debt service of \$19,000,000 and \$12,370,000 in redemptions.

The following chart illustrates early bond redemptions, interest and debt expense and bonds outstanding in the Bond Programs.

Other

The Fund services all of its outstanding mortgage loans and services loans on behalf of Fannie Mae, Freddie Mac, Federal Home Loan Bank of Pittsburgh and various non-profit organizations. The Fund is the largest loan servicer located in the State with serviced loans of \$1.2 billion. Servicing fee income in the amount of \$2,801,000 represents 6.10% of the Fund's total revenues, net of pass through grant revenue, for the fiscal year ended June 30, 2023.

OVERVIEW OF THE FIDUCIARY FUND FINANCIAL STATEMENTS

The Fund has one fiduciary fund, the Welfare Benefit Plan, which is an irrevocable trust for postemployment healthcare benefits for employees. These funds are not available to support the Fund's enterprise activities. The accounting used for fiduciary funds is much like that used for enterprise funds.

Net position restricted for other postemployment benefits improved by \$465,000 (7.8%) from June 30, 2021 to June 30, 2022. From June 30, 2022 to June 30, 2023, Net position restricted for other postemployment benefits improved by \$343,000 (5.3%) to \$6,770,000 at June 30, 2023.

The fiduciary fund financial statements Plan is discussed in greater detail in *Note H – Postemployment Healthcare Plan*.

WEST VIRGINIA HOUSING DEVELOPMENT FUND
NOTES TO FINANCIAL STATEMENTS, AN INTEGRAL PART OF THE FINANCIAL STATEMENTS
June 30, 2023

NOTE A – AGENCY DESCRIPTION AND SIGNIFICANT ACCOUNTING POLICIES

The West Virginia Housing Development Fund (the Fund) is a governmental instrumentality of the State of West Virginia (the State) and a public body corporate, created under the provisions of Article 18, Chapter 31 of the Code of West Virginia, 1931, as amended, and known as the West Virginia Housing Development Fund Act (the Act). Under the Act, the Fund's corporate purposes primarily relate to providing various housing programs. The Fund can also finance non-residential projects as defined in the Act.

The Fund is governed by a Board of Directors consisting of the Governor, Attorney General, Commissioner of Agriculture, and Treasurer of the State, all of whom serve ex-officio as public directors, and seven members, chosen by the Governor with the advice and consent of the State Senate, as private directors from the general public residing in the State. The Act designates the Governor or his or her designee as the Chair of the Board of Directors and provides that the Governor shall appoint the Executive Director, with the advice and consent of the State Senate, and that the Executive Director will serve at the Governor's will and pleasure.

The Fund receives no appropriations from the State; however, it is included as a discretely presented component unit of the primary government in the State's Annual Comprehensive Financial Report. The reporting entity for the Fund includes its Enterprise Fund and Welfare Benefit Plan. In defining the Fund for financial reporting purposes, management considered all potential component units. Based on the criteria of accounting principles generally accepted in the United States, the Fund has one component unit, the Welfare Benefit Plan, an irrevocable trust for postemployment healthcare insurance benefits provided to the Fund's employees. The Fund's financial statement presentation includes the Welfare Benefit Plan as a fiduciary fund.

The various programs of the Fund consist of the General Account, the Bond Programs, Other Loan Programs, Affordable Housing Fund, Land Development Program, Bond Insurance Account, and Federal Programs.

The General Account includes the results of the Fund's loan servicing operations, administrative expenses of the Fund's operations, operations of the Fund's building, fee income related to the administration of the Section 8 Housing Assistance Payments Programs (HAPs Program) and the Low-Income Housing Tax Credit Program, and Single Family mortgage loans remaining after the retirement of the corresponding bonds.

The Bond Programs include the activities of the single-family bond programs under the Housing Finance Bond Program resolution, the purpose of which is to provide affordable housing throughout the State. Assets and revenues of the Bond Programs are restricted, subject to the provisions of the bond resolution, and are available for other purposes only to the extent they are not required to meet specified reserve and funding provisions of the resolution.

Other Loan Programs include the Down Payment and Closing Cost Assistance Program, Secondary Market Program, Multifamily Lending Program, Low-Income Assisted Mortgage Program, On-Site Septic Systems Loan Program and the Special Assistance Lending Program, all of which have been financed from the general reserves of the Fund.

The Affordable Housing Fund was created by the State Legislature in 2018 through the transfer of operations of the West Virginia Affordable Housing Trust Fund (WVAHTF) to the Fund effective June 8, 2018. The Affordable Housing Fund's purpose is to provide funding for both technical assistance and housing assistance to 501(C)(3) non-profits, public housing authorities and government entities to encourage stronger partnerships, collaboration and greater involvement of local communities in meeting housing needs in the State. The Affordable Housing Fund receives a fee of twenty dollars on the transfer of real property and on the sale of factory-built homes by licensed dealers and is restricted by State statute. The transfer fees are required to be set aside in a special purpose account for the sole benefit of the WVAHTF.

The Land Development Program was established by the Act in 1973 with a \$2,000,000 appropriation from the State Legislature from which the Fund can make below-market interest rate loans to developers to acquire and improve land for residential housing and non-residential construction. The Land Development Program includes the West Virginia Property Rescue Initiative Program and is restricted by State statute. The Land Development Program is included in the Fund's financial statements but is kept separate and apart from all other accounts of the Fund and the State.

The Bond Insurance Account was created by the Act as a special trust fund within the State Treasury designated as the “Mortgage Finance Bond Insurance Fund” and was established to provide for the payment of principal and interest in the event of default by the Fund on “Mortgage Finance Bonds,” as defined in the Act. The Bond Insurance Account is restricted by State statute and is under the supervision of the West Virginia Municipal Bond Commission (the “Bond Commission”). The Bond Insurance Account is included in the Fund’s financial statements but is kept separate and apart from all other accounts of the Fund, the Bond Commission, and the State. The only Mortgage Finance Bonds currently outstanding are in the Housing Finance Bond Program.

Federal Programs include the United States Department of Housing and Urban Development’s (HUD) HOME Investment Program (HOME), National Housing Trust Fund (NHTF), HOME American Rescue Plan (ARP), Tax Credit Assistance Program (TCAP), HAPs Program and the U.S. Treasury’s Tax Credit Exchange Program (TCEP) for which the Fund acts as program administrator. These programs are funded solely through federal monies and are restricted by Federal regulations.

Additionally, in response to the housing crisis related to the COVID-19 Pandemic, Congress enacted the Consolidated Appropriations Act, 2021 in December 2020 creating the Emergency Rental Assistance (ERA1) program to provide funding to assist households that are unable to pay rent or utilities. The Fund received the State’s allocation of \$200 million under this Act to administer the rental assistance program on behalf of the State. As of August 26, 2022, the Fund ceased accepting applications for rental and utility assistance and all activity under ERA1 ceased pursuant to the U.S. Treasury guidelines as of September 30, 2022. As of June 30, 2023, \$87,359,000 of these funds had been disbursed for rental and utility assistance.

In addition, in March 2021 Congress enacted the American Rescue Plan Act of 2021, which allocated an additional \$152,000,000 to the State for the Emergency Rental Assistance (ERA2) Program and \$50,000,000 in homeowner’s assistance for the Homeowners Assistance Fund (HAF), both of which the Fund administers on behalf of the State. Collectively, ERA1 and ERA2 are locally known as the Mountaineer Rental Assistance Program MRAP). As of June 30, 2023, \$80,512,000 of the ERA2 funds have been disbursed for rental and utility assistance and \$354,000 has been disbursed for the production of multifamily rental units. In addition, \$19,311,000 of the HAF funds has been disbursed for mortgage and utility assistance.

Accounting methods: The accounting policies of the Fund conform to accounting principles generally accepted in the United States and to accounting principles for state housing finance agency enterprise funds. The various programs were established in accordance with the Act, the bond resolution, or at management’s discretion. The financial statements of the enterprise fund and the fiduciary fund are prepared using the flow of economic resources measurement focus and the accrual basis of accounting, which requires recognition of revenue when earned and expenses when incurred.

Estimates: Certain estimates and assumptions are required by management in the preparation of the financial statements in accordance with accounting principles generally accepted in the United States (US GAAP). The significant estimates and assumptions are those required in the determination of the allowance for losses for the following items: accounts receivable and other assets, mortgage loans, restricted mortgage loans, and restricted other assets. Actual results in the near-term could differ significantly from those estimates.

Cash and cash equivalents: The Fund considers all highly liquid investments with an original maturity of three months or less to be cash equivalents. This includes cash, certificates of deposit, short-term agency notes, and deposits with the West Virginia Board of Treasury Investments (WVBOTI).

Accounts receivable and other assets, net of allowance for losses include accounts receivables, land for housing purposes and foreclosed properties, net of an allowance for estimated probable declines in net realizable value.

Mortgage loans held for sale: In its Secondary Market Program, the Fund purchases and sells fixed-rate mortgage loans, primarily to Fannie Mae and Federal Home Loan Bank of Pittsburgh, on a servicing retained basis. The sale price is determined at the date of commitment and the commitment period generally ranges from 30 to 90 days. Mortgage loans held for sale are carried at the lower of aggregate cost or estimated fair value.

Enterprise fund Restricted cash and cash equivalents represents monies the Fund holds on behalf of others, restricted by the Act or by the bond resolution. Included in this line item are tax and insurance escrows held on behalf of the Fund's various mortgagors and payments collected on mortgages for which the Fund acts as servicer only. The Fund is obligated to expend these monies on escrowed items or remit them to the appropriate investors in the case of mortgage loans serviced for the benefit of others. Also included in Restricted cash and cash equivalents are federal and other housing program funds, including COVID relief funds, for which the Fund acts as grantee or agent. The total funds held on behalf of others were \$118,498,000 at June 30, 2023 and \$150,587,000 at June 30, 2022. Restricted cash and cash equivalents to be used for the acquisition of noncurrent assets, such as mortgage loans or investments, are classified as Noncurrent assets.

Fiduciary fund Restricted cash and cash equivalents represents monies held in an irrevocable trust for postemployment healthcare insurance benefits for Fund employees. These funds are not available to support the various programs of the enterprise fund.

Mortgage loans, net of allowances for losses: These loans consist primarily of unrestricted mortgage loans made under the General Account and Other Loan Programs. The Fund provides for possible losses on loans based on management's review of potential problem loans. The allowance for loan losses is shown below.

Capital assets, net of depreciation include land, buildings, equipment, furnishings and computer software that are stated at their original cost less accumulated depreciation. Capital asset expenditures of \$20,000 or more with a useful life greater than 1 year are capitalized at cost and reported net of accumulated depreciation. Depreciation is computed using the straight-line method over the useful lives of the assets, which is 40 years for the building and from 3 to 10 years for furniture, equipment and software.

Restricted investments: The Fund established guidelines for the investment of its funds to meet the requirements of the bond resolution and the Act. Currently, investments consist primarily of United States government and agency obligations with maturities greater than 90 days.

Investment securities are recorded at fair value, or at amortized cost as permissible, and a portion of the unrealized gains or losses is reported in the Statements of Revenues, Expenses, and Changes in Fund Net Position as part of Net investment earnings as more fully explained in Note C – Cash and Investments.

Restricted mortgage loans, net of allowance for losses includes loans originated that are restricted by the bond resolution, the Act, State statute or other restricted purposes.

The allowance for loan losses in these programs is shown below.

Federal Programs include HOME, NHTF, and HOME ARP, which are designed to assist very low-income borrowers and to provide capacity building funds for nonprofit housing organizations. The funds provided to the nonprofits will only be required to be repaid if the nonprofit fails to provide the services required as a condition of receiving HOME and NHTF funds. Federal Programs also include TCAP and TCEP, which were designed to assist in the development of Low-Income Housing Tax Credit Program properties. These funds will only be repaid if the recipient fails to comply with certain covenants of their agreement. Therefore, HOME, NHTF, TCAP and TCEP projects are recorded as restricted mortgage loans and the TCAP, TCEP and nonprofit HOME and NHTF projects have a corresponding 100% loss allowance in the Statements of Net Position.

Most loans in the Bond Programs are protected against loss by various federal and private insurance programs. Repayment of certain multifamily rental project loans is dependent, in part, upon rental and interest subsidy programs of HUD.

Enterprise fund Restricted other assets include certain foreclosed properties, properties developed for flood activities, other land for restricted housing purposes, the Fund's net pension asset as explained in *Note F – Retirement Plan* and miscellaneous receivables, net of an allowance for estimated probable declines in the net realizable value. These assets are restricted subject to the provisions of the bond resolution, the Act, or federal regulations.

Deferred outflows of resources related to pension and OPEB represent a consumption of net assets that applies to future periods and will not be recognized as an outflow of resources (expense) until that time as explained in *Note F – Retirement Plan* and *Note H – Other Postemployment Healthcare Benefits*.

Accounts payable and other liabilities includes amounts held on behalf of others as explained in *Note A – Restricted cash and cash equivalents*, amounts due to vendors, and rebateable investment earnings.

Other liabilities include federal housing program funds for which the Fund acts as grantee or agent to originate mortgages under the HOME and NHTF programs and to disburse program funds under the ERA1, ERA2 and HAF programs, the Fund's net pension liability (asset) as explained in *Note F – Retirement Plan* and the Fund's net OPEB liability (asset) as explained in *Note H – Other Postemployment Healthcare Benefits*.

Deferred inflows of resources related to pension and OPEB represent an acquisition of net assets that applies to future periods and will not be recognized as an inflow of resources (revenue) until that time as explained in *Note F – Retirement Plan* and *Note H – Other Postemployment Healthcare Benefits*.

Enterprise fund Restricted net position: Net position of the Bond Programs is restricted to meet specified reserve and funding provisions in accordance with the bond resolution. Net positions of the Affordable Housing Fund, Land Development Program and Bond Insurance Account are restricted in accordance with the Act. Federal Programs are restricted due to requirements of HUD or other grantor agencies. Net position restricted for pension and OPEB is restricted for the payment of pension and OPEB benefits. When both restricted and unrestricted resources are available for use, it is generally the Fund's policy to use restricted resources first, and then unrestricted resources as they are needed.

Fiduciary fund Restricted net position: Net position of the fiduciary fund is restricted to postemployment healthcare insurance benefits for the Fund's employees.

Operating revenues and expenses: The Fund classifies operating revenues and expenses in the enterprise fund based on the services provided by the Fund and its ongoing operations. This includes such activities as mortgage lending, administration of federal financial awards programs, property management and development, and other related program activities. Net investment earnings and interest on debt are reported as non-operating revenues and expenses.

Pass-through grant revenue and pass-through grant expense: The Fund receives grants and other financial assistance from HOME, NHTF, HOME ARP, CDBG, ERA1, ERA2, HAF and the HAPs Programs to transfer or spend on behalf of various secondary recipients. These amounts are considered pass-through grants and are reported in the financial statements as revenue and expense when funds are disbursed to the secondary recipient.

Fee revenue consists primarily of loan servicing fees on mortgage loans serviced by the Fund, administration fees earned from the HAPs Program, financing fees, tax credit fees, secondary market fees, Affordable Housing Fund transfer fees and deferred document penalty fees.

The Fund services all loans in its portfolio as well as loans on behalf of others totaling approximately \$1,213,463,000 and \$1,156,447,000 at June 30, 2023 and 2022, respectively. Of this total, the portfolio serviced by the Fund on behalf of others approximated \$233,522,000 and \$281,973,000 at June 30, 2023 and 2022, respectively.

Other revenues consist primarily of rental income, gains on sale of mortgages in the Secondary Market Program, gains on sales of foreclosed properties acquired through the Fund's mortgage lending activities, and other miscellaneous revenue items.

Loan fees expense includes fees paid to lenders and vendors related to the origination of mortgage loans. In addition, loan fees expense includes the cost of acquiring the servicing rights to mortgage loans owned by the Fund and loans owned by others, primarily Fannie Mae.

Program expenses primarily consist of disbursements made under the Fund's various programs, provisions for mortgage loan losses, losses on sales of foreclosed properties acquired through the Fund's mortgage lending activities, repair and maintenance costs for foreclosed properties and costs of bond issuance. Program expenses also include daily operating expenses of the office building owned by the Fund.

Administrative expenses, net include salary, benefits, and other operating expenses related to the daily operations of the Fund. When an expense is incurred, the expense is charged to the program or account for which it is directly applicable, whether restricted or unrestricted. Indirect expenses are allocated to programs and accounts based on a percentage of the program's or account's direct salary cost.

Contributions – Employer includes contributions from the enterprise fund to the fiduciary fund for healthcare insurance benefits for retired employees and their eligible dependents.

Net investment income represents interest earnings on postemployment healthcare cash and investments and the increase or decrease in the fair value of investments for the fiduciary fund.

Benefits include benefit payments from the fiduciary fund for postemployment healthcare costs for retired employees and their eligible dependents.

Administrative expenses in the fiduciary fund include trustee fees associated with investment management of the Welfare Benefit Plan and fees for actuarial valuations.

NOTE B – ASSETS FOR RESERVED AND OTHER PURPOSES

Assets and revenues of the Bond Programs are subject to the provisions of the bond resolution and are available for other purposes only to the extent they are not required to meet specified reserve and funding provisions of the resolution. The Fund, to the extent such monies become available under the terms of the resolution, has pledged to maintain the net position of its Bond Programs at a level to preserve the Fund's bond ratings. In the event that the Fund fails to comply with the terms of the bond resolution the holders of such obligations would have recourse to the unrestricted assets of the Fund. The Affordable Housing Fund, Land Development Program and the Bond Insurance Account are restricted by State statute.

Assets of the General Account and Other Loan Programs are principally unrestricted and may be transferred to other programs subject to the approval of the Board of Directors. As of June 30, 2023, the Fund has committed \$32,057,000 from Other Loan Programs for various loans or projects. These amounts are included in Unrestricted net position. The Fund is actively accepting applications from prospective recipients to originate loans from amounts allocated by the Board of Directors from Other Loan Programs.

The Board of Directors has also allocated \$1,000,000 of the Unrestricted net position for the "Directors' and Officers' Insurance Account" for the purpose of providing indemnification for the directors and officers of the Fund. The fiscal year 2024 administrative budget of \$15,393,300 will be provided from the Unrestricted net position and from future revenues of the Fund.

NOTE C – CASH AND INVESTMENTS

The Fund's enterprise fund actively invests cash in conformity with the Act, the Bond Programs and the Board-approved Investment Policy. Permitted investments include a wide variety of securities and obligations such as certain corporate deposits, money market accounts, investment agreements or repurchase agreements with primary government dealers, direct obligations or obligations guaranteed by the State, United States government securities, or federal agency securities. Currently, the enterprise fund's investments consist primarily of United States government or agency securities, FDIC insured money markets and cash. The Investment Policy also permits the Fund to invest a maximum of \$40,000,000, excluding funds held for others, with the WVBOTI of which a maximum of \$20,000,000 can be invested in the WVBOTI West Virginia Money Market Pool. The WVBOTI operates in accordance with applicable State laws and regulations.

Interest Rate Risk - Enterprise fund. The Investment Policy limits the weighted average maturity of various fund types as shown in the following table. The Act does not provide for investment maturity limits. Reserve funds are the capital reserve investments required for the Bond Programs which are currently invested in long-term U.S. Government and government agency obligations. The Bond Insurance Account, which provides additional reserves for the payment of the Housing Finance Bonds is currently invested in U.S. Government and government agency obligations as well as mortgage loans for investment purposes. Other funds consist of bond revenues to be used for debt service on the outstanding bonds, bond proceeds for the purchase of mortgage revenue bond loans, Other Loan Program funds and general operating funds. Other funds are primarily invested short-term to meet program funding needs and to provide for daily operational costs of the Fund. Funds held for others consist of single family and multifamily escrow funds as well as amounts to be remitted to others. The Fund has both the intent and the ability to hold long-term securities until final maturity and is therefore limited in its exposure to interest rate risk on these long-term obligations.

Credit Risk – Enterprise fund. Although permitted by the Act, the Fund’s Investment Policy prohibits investment in State and Local obligations other than West Virginia and prohibits investment in corporate debt instruments. The Fund’s Investment Policy additionally requires repurchase agreements to be invested with banks or primary dealers which are rated or provide the necessary collateral to maintain the Fund’s bond, note and issuer ratings. Furthermore, the Investment Policy limits collateral for repurchase agreements to direct federal and federally guaranteed obligations, and federal agency obligations.

As of June 30, 2023, the Fund’s investments in the WVBOTI are rated AAAM. Federal agency securities consist of Fannie Mae, Federal Farm Credit Bank and Federal Home Loan Bank all of which are rated AAA. Fannie Mae MBS pools are also rated AAA. Insured Cash Sweep (ICS) Funds and the Demand Deposit Marketplace Funds are FDIC insured. Money Market Funds are invested in the Fidelity Investments Money Market Government Portfolio and are rated AAA. Mortgages held for investment purposes are not rated.

Credit Risk – Fiduciary fund. The fiduciary fund’s Investment Policy limits investments to U.S. Treasury Securities that are backed by the full faith and credit of the United States, Federal agency securities, which are rated AAA and FDIC insured certificates of deposit.

Concentration of Credit Risk – Enterprise fund. The Investment Policy limits the percentage or amount of the investment portfolio that may be invested in various types of issuers as indicated in the table below. The Act does not limit the percentage of investments in any permitted investment type.

Custodial Credit Risk – Deposits - The Act requires all deposits to be FDIC insured or fully collateralized by permitted investments for both enterprise funds and fiduciary funds. The enterprise fund Investment Policy further limits the securities permitted as collateral for amounts in excess of FDIC insurance to direct federal or federally guaranteed obligations, federal agency, or State of West Virginia obligations. The fiduciary fund Investment Policy further limits the securities permitted as collateral for amounts in excess of FDIC insurance to direct federal or federally guaranteed obligations or federal agency obligations.

The enterprise fund cash, including escrow funds, had a carrying value of \$94,721,000 and \$102,020,000 as of June 30, 2023 and 2022, respectively. Bank balances approximated \$96,396,000 and \$112,923,000 as of June 30, 2023 and 2022, respectively, of which approximately \$79,740,000 and \$85,463,000 was covered by federal depository insurance as of June 30, 2023 and 2022, respectively, and \$13,450,000 and \$22,985,000 was either collateralized with securities pledged to the Fund and held by the trust department of the pledging financial institution or held and pledged to the Fund by the pledging financial institution's agent as of June 30, 2023 and 2022, respectively. Also included in the bank balances above are trust account money market fund balances of \$3,206,000 and \$4,475,000 as of June 30, 2023 and 2022, respectively, which are not subject to custodial credit risk.

The fiduciary fund cash had a carrying value of \$904,000 and \$495,000 as of June 30, 2023 and 2022, respectively. Bank balances approximated \$907,000 and \$496,000 as of June 30, 2023 and 2022, respectively, which are trust account money market funds and not subject to custodial credit risk.

Custodial Credit Risk – Investments – The Investment Policy requires purchased securities to be physically delivered to the Fund’s custodian or trustee or, in the case of book-entry securities; registration books shall designate the custodian or trustee. The Investment Policy also requires collateral for repurchase agreements be delivered to a third-party custodian or in the case of book-entry securities, be registered to the Fund. All U.S. government and agency obligations owned by the Fund are registered in the Fund’s name or the Fund’s designated trustee. The Act does not address custodial credit risk for investments.

Fair value hierarchy: The fair value hierarchy established under GAAP categorizes the inputs to valuation techniques used to measure fair value into three levels. The fair value hierarchy gives the highest priority to quoted prices in active markets inputs (Level 1) and the lowest priority to unobservable inputs (Level 3).

The levels of the hierarchy are identified as follows:

Level 1 – Valuation is based upon quoted prices (unadjusted) for identical assets or liabilities in an active market.

Level 2 – Valuation is based upon inputs other than quoted prices included within Level 1 that are observable for an asset or liability, either directly or indirectly.

Level 3 – Valuation is based upon unobservable inputs for an asset or liability.

Enterprise fund investments measured at fair value using the fair value hierarchy categories are as follows:

(Dollars in thousands)	June 30,

Less unrealized loss	(155)	(100)
Total Invested Funds	<u>\$ 6,894</u>	<u>\$ 6,240</u>

The enterprise fund has an unrealized gain on investments of \$1,086,000 and \$2,879,000 as of June 30, 2023 and 2022, respectively. This represents an increase in unrealized loss on investments of \$1,793,000 and \$4,675,000 as of June 30, 2023 and 2022, respectively. In connection with the unrealized gain, a liability for related investment earnings is recorded in the amount of \$4,000 and \$73,000 as of June 30, 2023 and June 30, 2022, respectively. This portion is recorded as a liability because, if this gain were realized, it would increase excess rebateable investment earnings pursuant to Section 103A of the Internal Revenue Code, as amended (the Code). To adjust the fair value of investments to reflect this unrealized gain at June 30, 2023 and 2022 and to properly reflect the rebate liability, a \$1,725,000 and \$4,748,000 decrease was recorded in Net investment earnings in the Statements of Revenues, Expenses, and Changes in Fund Net Position for the year ended June 30, 2023 and 2022, respectively.

The fiduciary fund has an unrealized loss on investments of \$155,000 and \$100,000 as of June 30, 2023 and June 30, 2022, respectively. This represents an increase in unrealized loss on investments of \$55,000 and \$119,000 from June 30, 2022 and 2021, respectively. To adjust the fair value of investments to reflect this unrealized loss at June 30, 2023 and 2022 a \$55,000 and a \$119,000 decrease was recorded in Net investment income in the Statements Changes in Fiduciary Net Position for the year ended June 30, 2023 and 2022, respectively.

NOTE D – BONDS PAYABLE

The Act authorizes the Fund to issue bonds and notes for its various programs in an aggregate principal amount not to exceed \$1,250,000,000 outstanding at any one time, exclusive of refunded obligations. Bonds and notes issued by the Fund are considered obligations of the Fund and are not deemed to constitute a debt or liability of the State.

The proceeds from the Fund's Bond Programs are used to finance mortgage loans to eligible State borrowers and to establish certain reserves as required by the resolution. The mortgage loans are secured by deeds of trust and approximately 77.91% of all Bond Program loans are subject to coverage under federal or private mortgage insurance or guarantee programs. All bonds are secured by a pledge of all mortgage loan repayments, all proceeds of federal or private mortgage insurance, interest received on any monies or securities held pursuant to the resolution, and the rights and interest of the Fund in and to the mortgage loans. In the event that the Fund fails to comply with the terms of the bond resolution, the holders of such obligations would have recourse to the unrestricted assets of the Fund. Principal

and interest paid on bonds and notes payable for the years ended June 30, 2023 and 2022 was \$40,512,000 and \$64,264,000, respectively. Total pledged revenues in 2023 and 2022 were \$81,346,000 and \$109,380,000 respectively.

The On-Site Systems Loan Program (the OSLP) was created in September 2007 in partnership with the West Virginia Department of Environmental Protection (the DEP). Under this program the Fund may borrow funds from the DEP Clean Water Revolving Loan Fund. These funds are then loaned to State residents to upgrade, replace or repair inadequate septic systems. Initially, the Board authorized \$1,000,000 for the OSLP and the Board authorized an additional \$1,000,000 in March 2013 and again in May 2022 for the program. The Fund is obligated to repay the amount borrowed from the DEP only to the extent the Fund receives payments from loan recipients. An allowance for loan losses has been established based on management's review of potential problem loans. At June 30, 2023, Bonds & notes payable - noncurrent includes a \$535,000 note payable, net of a \$132,000 loss allowance, due to DEP related to this program under Other Loan Programs.

Most bonds issued by the Fund are subject to redemption at the option of the Fund prior to maturity at dates and premiums as set forth in the bond documents. To reduce its debt expense, the Fund redeems bonds prior to their stated maturity dates primarily due to excess program revenues, the prepayments of mortgage loans pledged for the repayment of the bonds, excess amounts in the capital reserve funds, and/or from proceeds of refunding bonds. During the fiscal years ended June 30, 2023 and 2022, the Fund redeemed or refunded \$12,370,000 and \$35,530,000 of bonds, respectively, at redemption prices that approximated their carrying value.

These special obligation bonds are secured by loan payments and deeds of trust on three projects. None of the Fund's assets or revenues are pledged to the payment of these special obligations. Furthermore, these special obligations are not secured by the Fund's general obligation debt pledge or its moral obligation and are not included in the Fund's financial statements.

In accordance with Section 103A of the Code, the Fund has established allowances for excess rebateable investment earnings. The excess rebateable investment earnings arise due to actual investment yields earned by the Fund being greater than yields permitted to be retained by the Fund under the Code. The Code requires such excess investment earnings to be remitted to the Internal Revenue Service. The Housing Finance Bond Program established liabilities of \$4,000 and \$73,000 at June 30, 2023 and June 30, 2022, respectively, for the excess of the fair value of investments over amortized costs as explained in *Note C - Cash and Investments*. Future excess investment earnings may require the establishment of liabilities for these and other bond issues.

On January 30, 2020, the Fund entered into a revolving Commercial Loan Agreement (the “Line of Credit”) with United Bank, in an amount not to exceed \$20,000,000, payable monthly, which expired January 30, 2022. This Line of Credit was renewed January 31, 2022 and is due to expire on January 30, 2024. The purpose of the Line of Credit is to provide warehouse funding for loans under the Multifamily Loan Program. As of June 30, 2023, there have been no draws under the Line of Credit.

NOTE E – CONTINGENT LIABILITIES AND RISK MANAGEMENT

Under the terms of certain federal programs, periodic audits are required and certain costs and expenditures may be questioned under the terms of the program. Such audits could lead to reimbursements to the grantor agencies. Historically, questioned costs have been immaterial. Management of the Fund believes future disallowances relating to current federal program expenditures, if any, will continue to be immaterial.

The Fund is a defendant in various legal proceedings arising in the normal course of business. In the opinion of management, based upon the advice of legal counsel, the ultimate resolution of these proceedings will not have a material adverse effect on the Fund’s financial position.

Through its business operations, the Fund is exposed to various risks of loss related to potential loan losses on program mortgages, fire, liability, and employee wrongdoing. To reduce the risk of loss on program mortgages, the Fund has various types of mortgage insurance. At June 30, 2023, 46.8% of the Fund’s single family Bond Program loans were VA, USDA Rural Development, or FHA guaranteed. Another 31.11% of these loans carry private mortgage insurance. Substantially all permanent multifamily mortgages are federally insured or guaranteed and/or are subject to HUD Section 8 rental assistance subsidies.

The Fund is insured against fire for owned assets, liability, and employee negligence through private insurance. Furthermore, key staff members of the Fund are bonded against theft in the aggregate amount of \$4,000,000. The Board of Directors has allocated \$1,000,000 of the Fund’s unrestricted net position to provide indemnification for the directors and officers of the Fund. Additionally, the Fund has general liability insurance with the State Board of Risk and Insurance Management in the amount of \$1,000,000 per occurrence and excess liability coverage of \$10,000,000 aggregate with General Star Insurance Company for officers’ and directors’ indemnity. The Fund pays an annual premium in exchange for such coverage. The Fund has \$3,000,000 in cyber insurance through At-Bay and an additional \$2,000,000 excess policy for cyber coverage through Lloyd’s syndicate. There have been no significant settlements in excess of insurance coverage during the past three calendar years.

NOTE F – RETIREMENT PLAN

Plan Description. All full-time Fund employees participate in the State’s Public Employees’ Retirement System (PERS), a multiple-employer defined benefit cost-sharing public employee retirement system administered by the West Virginia Consolidated Public Retirement Board (CPRB). Benefits under PERS include deferred retirement, early retirement, death, and disability benefits and have been established and may be amended by action of the State Legislature. The CPRB issues a publicly available financial report that includes financial statements for PERS that may be obtained at www.wvretirement.com.

Benefits Provided. Employees hired before July 1, 2015 are eligible for normal retirement at age 60 with five or more years of credited service, or at least age 55 with age and service equal to 80 or greater. Employees hired on or after July 1, 2015 may retire at age 62 with ten years of service. The straight-life annuity retirement benefit, established by State statute, is equivalent to two percent of the employee’s final average salary multiplied by years of service. Final average salary is the average of the three consecutive highest annual earnings out of the last fifteen years of earnings. For all employees hired on or after July 1, 2015, average salary is the average of the five consecutive highest annual earnings

out of the last fifteen years of earnings. Terminated members with at least five years of contributory service who do not withdraw their accumulated contributions may elect to receive their retirement annuity beginning at age 62. For all employees hired on or after July 1, 2015, this age increases to 64 with ten years of service.

Contributions. Contributions as a percentage of payroll for members are established by statutes, subject to legislative limitations and are not actuarially determined. Contributions as a percentage of payroll for employees are established by the CPRB. Current funding policy requires employer contributions of 9.0% for 2023 and 10.0% for each of the years ended June 30, 2022 and 2021. As permitted by legislation, the Fund has elected to pay 100% of all costs relating to the Plan, including the employee's 4.5% contribution of annual earnings for employees hired on or before February 6, 2012. Beginning February 7, 2012, new hires are required to pay the employee's contribution of 4.5%. For all employees hired on or after July 1, 2015 the employee contribution is 6.0%. The Fund's contribution to the Plan, excluding the employee's contribution paid by the Fund, approximated \$640,000, \$721,000, and \$642,000 for the fiscal years ended June 30, 2023, 2022, and 2021, respectively.

Pension Liabilities (Assets), Pension Expense, and Deferred Outflows of Resources and Deferred Inflows of Resources Related to Pensions. The Fund reported a liability (asset) of \$663,000 and (\$3,538,000) as of June 30, 2023 and June 30, 2022, respectively, for its proportionate share of the net pension liability (asset). The net pension liability (asset) reported at June 30, 2023 was measured as of June 30, 2022 and the total pension liability used to calculate the net pension liability (asset) was determined by an actuarial valuation as of July 1, 2021, rolled forward to the measurement date of June 30, 2022. The Fund's proportion of the net pension liability (asset) was based on the Fund's share of contributions to the pension plan relative to the contributions of all employers participating in PERS for the year ended June 30, 2022. At June 30, 2022 and June 30, 2021, the Fund's proportionate share was .45% and .40% respectively.

For the years ended June 30, 2023 and June 30, 2022, respectively, the Fund recognized pension expense of \$352,000 and \$(660,000). At June 30, 2023 and June 30, 2022, the Fund reported deferred outflows of resources and deferred inflows of resources related to pensions from the following sources:

(Dollars in thousands)	June 30, 2023

Deferred outflows of resources related to pensions of \$640,000 resulting from Fund contributions subsequent to the measurement date will be recognized as a reduction of the net pension liability (or increase in the net pension asset) in the year ended June 30, 2024. Other amounts reported as deferred outflows of resources and deferred inflows of resources related to pension will be recognized in pension expense as follows:

The long-term rates of return on pension plan investments were determined using the building-block method in which estimates of expected future real rates of return (expected returns, net of pension plan investment expenses and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. Best estimates of long-term geometric rates of return are summarized in the following table:

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>	<u>Weighted Average Expected Real Rate of Return</u>
Domestic Equity	27.5%	5.3%	1.46%
International Equity	27.5%	6.1%	1.68%

Hedge funds	10.0%	3.8%	0.38%
Total	100%		5.45%
Inflation (CPI)			1.80%
			7.25%

Discount Rate. The discount rates used to measure the total pension liabilities were 7.25% for the 2022 and 2021 actuarial valuations. At June 30, 2022 and 2021, the projection of cash flows used to determine the discount rate assumed that employer contributions will continue to follow the current funding policies. Based on those assumptions, the pension plan's fiduciary net position was projected to be available to make all projected future benefit payments of current plan members. Therefore, the long-term expected rate of return on pension plan investments was applied to all periods of projected benefit payments to determine the total pension liability.

Sensitivity of the Fund's proportionate share of the net pension liability (asset) to changes in the discount rate. The following table presents the Fund's proportionate share of the net pension liability (asset) calculated using the discount rate of 7.25% and 7.25% for the years ended June 30, 2023 and June 30, 2022, respectively, as well as what the Fund's proportionate share of the net pension liability (asset) would be if it were calculated using a discount rate that is one-percentage-point lower or one-percentage-point higher than the current rate:

NOTE G – COMPENSATED ABSENCES

Employees accumulate annual leave balances to a maximum of 210 hours. Most employees receive a 100% termination payment upon separation based upon their final rate of pay. The liability for annual leave is valued at 100% of the balance plus the Fund's share of Social Security and Medicare contributions. The Fund has recorded a liability for accrued leave for all employees in accordance with GAAP. The liability for annual leave is shown below. In lieu of cash payment at retirement, an employee who became a member of PERS before July 1, 2015 may elect to use accumulated annual leave toward additional service in the computation of retirement benefits or toward their postemployment health care insurance

premium as further explained in *Note H – Postemployment Healthcare Plan*. If an employee became a member on or after July 1, 2015, they may not use accumulated annual leave to acquire additional credited service but they may still elect to use accumulated annual leave toward their postemployment health care insurance premium explained in *Note H – Postemployment Healthcare Plan*.

NOTE H – OTHER POSTEMPLOYMENT HEALTHCARE BENEFITS

Plan Description

Plan administration. The Welfare Benefit Plan (the Plan), an irrevocable trust, is a single-employer defined other postemployment benefit plan administered by the Fund and the Fund's Board of Directors that is used to provide postemployment benefits other than pensions (OPEB) for employees of the Fund. Substantially all employees may become eligible for these benefits if they reach normal retirement age while working for the Fund. The assets of the Plan are deposited with an external trustee and are presented in the stand-alone fiduciary fund financial statements.

Benefits Provided

The Fund provides certain healthcare insurance benefits for retired employees and their eligible dependents. Benefits are fully self-insured by the Fund and are administered through a third-party administrator. The full cost of benefits is covered by the plan. Management of the Fund has the authority to establish and amend benefit provisions of the Plan. In lieu of cash payment at retirement, an employee may elect to use accumulated annual and accumulated sick leave toward their postemployment health care insurance premium. A retiree may convert two unused leave days into one month's insurance premium for single coverage or three unused leave days into one month's premium for family coverage. The Fund will pay monthly health insurance premiums of these retirees based on unused sick leave and/or annual leave at the time of retirement until the unused leave is fully utilized or until the retiree reaches the eligible age for Medicare. Accordingly, the maximum period for which a retiree may be entitled to such benefits would be twelve years.

Employees covered by benefit terms. At June 30, 2023 and June 30, 2022, the following employees were covered by the benefit terms:

Covered Employees	June 30,	
	2023	2022
Inactive employees or beneficiaries currently receiving benefit payments	8	3
Inactive employees entitled to but not yet receiving benefit payments	-	-
Active plan members	97	96
Total	<u>105</u>	<u>99</u>

Contributions

The contribution requirements of plan members and the Fund are established and may be amended by the Fund's management. Management establishes contribution rates based on an actuarially determined rate. Plan members are not required to contribute to the plan. The Fund's contribution to the Plan approximated \$450,000, and \$789,000 for the fiscal years ended June 30, 2023 and 2022, respectively.

Investments

Investment policy. The Plan's policy in regard to the allocation of invested assets is established and may be amended by the Fund's Board of Directors. Investments are to be diversified as to minimize the risk of large losses as follows:

<u>Permitted Investments</u>	<u>Maximum % of Portfolio</u>
Cash:	
Demand Deposits	30%
Fixed Income:	
Direct Federal Obligations	90%
Federal Agency Obligations	90%
Federally Guaranteed Obligations	90%
FDIC Insured CDs	50%

Rate of Return. For the years ended June 30, 2023 and June 30, 2022, the annual money-weighted rate of return on investments, net of investment expense, was 1.27% and (1.42) %, respectively. The money-weighted rate of return expresses investment performance, net of investment expense, adjusted for the changing amounts actually invested.

Net OPEB Liability (Asset)

At June 30, 2023 and 2022, the components of the net OPEB liability of the Fund were as follows:

(Dollars in thousands)	June 30,

Actuarial Assumptions and Methods

The total OPEB liability as of June 30, 2023 was determined by an actuarial valuation as of January 2022 rolled forward to June 30, 2022 and the total OPEB liability as of June 30, 2021 was determined by an actuarial valuation as of January 2020 and rolled forward to June 30, 2021. The following actuarial assumptions and methods were used:

Valuation Date	1/1/2022 Rolled forward to 6/30/2023	1/1/2022 Rolled forward to 6/30/2022
Actuarial Method	Entry Age	Entry Age
Amortization Method	Level Percentage of Pay, Closed	Level Percentage of Pay, Closed
Remaining Amortization Period	15 years as of 1/1/2022	15 years as of 1/1/2022
Asset Valuation Method	Fair Value of Assets	Fair Value of Assets
Actuarial Assumptions:		
Investment Rate of Return	3.00%	3.00%
Salary Increases	3.00%	3.00%
Ultimate Rate of Medical Inflation	2.72%	2.72%
General Rate of Inflation	2.00%	2.00%

Mortality rates for the January 2020 valuation rolled forward to June 30, 2021 were based on RP-2014 Mortality Table, adjusted to 2006 with Scale MP-2014, and projected fully generationally with Scale MP-2019. Mortality rates for the January 1, 2022 valuation rolled forward to June 30, 2022 were based on Pub-2010 General Employees table, below-median, headcount-weighted, projected generationally with scale MP-2018.

An actuarial experience study was not completed. Actuarial assumptions for disability, termination, retirement, and dependent age were based on the PERS actuarial valuation as of July 1, 2020 and July 1, 2018, for the January 2022 and January 2020 Plan valuation rolled forward to June 30, 2022 and June 30, 2021, respectively.

The long-term expected rate of return on the Plan investments was determined using a building-block method in which best-estimate ranges of expected future real rates of return (expected returns, net of Plan investment expense and inflation) are developed for each major asset class. These ranges are combined to produce the long-term expected rate of return by weighting the expected future real rates of return by the target asset allocation percentage and by adding expected inflation. The target allocation and best estimates of arithmetic real rates of return for each major asset class are summarized in the following table:

<u>Asset Class</u>	<u>Target Allocation</u>	<u>Long-Term Expected Real Rate of Return</u>
Cash and cash equivalents	10.0%	3.00%
U.S. Government Obligations	90.0%	3.50%
Total	100.0%	

Discount rate. The discount rate as of June 30, 2023 and June 30, 2022 is 3.00%, which is the assumed long-term expected rate of return on Plan investments. This is the same discount rate that was used in the January 1, 2022 liability calculations. Projections of the Plan's fiduciary net position have indicated that it is expected to be sufficient to make projected benefit payments for current plan members. As such, the single rate of return is equal to the long-term expected rate of return on the Plan assets, which is 3.00%.

Development of discount rate.

As of June 30, 2023, the Plan uses the Bond Buyer GO 20-Bond Municipal Bond Index. As this index is issued weekly, the value closest to but not after the reporting date is used in determining the appropriate rate. Based on this practice, the municipal bond rate at June 30, 2022 was 3.54% and the municipal bond rate at June 29, 2023 was 3.65%. However, the depletion test as of the most recent actuarial valuation as of January 1, 2022, reflecting known contributions after that date as well as the current funding policy, showed that the projected assets are expected to cover future benefit payments for current participants and as such the single rate used as the discount rate is the long-term expected rate of return, 3.00%. The actuarial liability, normal cost, and expected benefit payments were projected for the remaining lifetimes of the closed group population as of January 1, 2022, using the assumptions detailed in the 2022 actuarial valuation report. An Actuarially Determined Contribution (ADC) was calculated each year based on the current closed amortization period. The assets were then projected forward reflecting known contributions through June 30, 2023, and then assuming that the ADC is contributed in the future. Since the assets are projected to always be greater than the expected benefit payments in any year, the long-term expected rate of return of 3.00% is used to calculate the liabilities.

As of June 30, 2022, the Plan uses the Bond Buyer GO 20-Bond Municipal Bond Index. As this index is issued weekly, the value closest to but not after the reporting date is used in determining the appropriate rate. Based on this practice, the municipal bond rate at June 24, 2021 was 2.16% and the municipal bond rate at June 30, 2022 was 3.54%. However, the depletion test as of the most recent actuarial valuation as of January 1, 2022, reflecting known contributions after that date as well as the current funding policy, showed that the projected assets are expected to cover future benefit payments for current participants and as such the single rate used as the discount rate is the long-term expected rate of return, 3.00%. The actuarial liability, normal cost, and expected benefit payments were projected for the remaining lifetimes of the closed group population as of January 1, 2022, using the assumptions detailed in the 2022 actuarial valuation report. An Actuarially Determined Contribution (ADC) was calculated each year based on the current closed amortization period. The assets were then projected forward reflecting known contributions through June 30, 2022, and then assuming that the ADC is contributed in the future. Since the assets are projected to always be greater than the expected benefit payments in any year, the long-term expected rate of return of 3.00% is used to calculate the liabilities.

Changes in the Net OPEB Liability (Asset)

At June 30, 2023 and June 30, 2022, respectively, the Fund reported a Net OPEB Liability of \$515,512 and \$848,503. Total OPEB Liability (TOL) at the end of the measurement year, June 30, 2023 and June 30, 2022, is measured as of a valuation date of January 1, 2022 and is projected to June 30, 2023 and June 30, 2022, respectively. Valuations will be completed every other year.

NOTE I – SUBSEQUENT EVENTS

On July 19, 2023, the Fund issued the Housing Finance 2023 Series B bonds in the amount of \$50,000,000. Bond proceeds will be used to originate single family mortgage loans.

On July 26, 2023, the Fund withdrew \$15,000,000 in funds from the Line of Credit with United Bank.

NOTE J - NEW ACCOUNTING PRONOUNCEMENTS

The GASB has issued Statement No. 100, *Accounting Changes and Error Corrections* and Statement No. 101, *Compensated Absences*. The provisions of Statement 100 are effective for periods beginning after June 15, 2023. The provisions of Statement 101 are effective for periods beginning after December 15, 2023. The Fund has not yet determined the effect, if any, these statements will have on its financial statements.

NOTE C – PERS PLAN AMENDMENTS

The PERS was amended to make changes which apply to new employees hired on or after July 1, 2015 as follows:

- For employees hired prior to July 1, 2015, qualification for normal retirement is age 60 with five years of service or at least age 55 with age and service equal to 80 or greater. A member may retire with the pension reduced actuarially if the member is at least 55 and has at least 10 years of contributory service, or at any age with 30 years of contributory service. For employees hired after July 1, 2015, qualification for normal retirement is 62 with 10 years of service. A member hired after July 1, 2015 may retire with the pension reduced actuarially if the member is between the ages of 60 and 62 with at least ten years of contributory service, between ages 57 and 62 with at least twenty years of contributory service or between the ages 55 and 62 with at least thirty years of contributory service.
- The straight life annuity retirement benefit is equivalent to 2% of average salary multiplied by years of service. For employees hired prior to July 1, 2015, average salary is the average of the three consecutive highest annual earnings out of the last fifteen years of earnings. For all employees hired on or after July 1, 2015 average salary is the average of the five consecutive highest annual earnings out of the last fifteen years of earnings.
- For employees hired prior to July 1, 2015, terminated members with at least five years of contributory service who do not withdraw their accumulated contributions may elect to receive their retirement annuity beginning at age 62. For all employees hired on or after July 1, 2015, this age increases to 64 with at least ten years of contributory service, or age 63 with at least twenty years of contributory service.
- For all employees hired prior to July 1, 2015, employees are required to contribute 4.5% of annual earnings. All employees hired on or after July 1, 2015, are required to contribute 6% of annual earnings.

FORM OF APPROVING OPINION OF BOND COUNSEL

WEST VIRGINIA HOUSING DEVELOPMENT FUND
5710 MacCorkle Ave., SE
Charleston, West Virginia 25304

At your request, we have examined the constitution and laws of the State of West Virginia (the “State”) and a record of proceedings related to the issuance of \$48,000,000 aggregate principal amount of Housing Finance Bonds, 2024 Series B (the “2024 B Bonds”) and \$32,000,000 aggregate principal amount of Housing Finance Bonds, 2024 Series C (the “2024 C Bonds”; together with the 2024 B Bonds, the “2024 BC Bonds”) of the West Virginia Housing Development Fund (the “Housing Development Fund”), a public body corporate of the State created by and pursuant to Article 18 of Chapter 31 of the Code of West Virginia, 1931, as amended (the “Act”), and organized and existing under the Act and the laws of the State.

The 2024 BC Bonds are authorized to be issued pursuant to the Act, the General Housing Finance Bond Resolution, dated April 29, 1976, as amended and supplemented (the “Resolution”), the Sixtieth Supplemental Housing Finance Bond Resolution, adopted on April 24, 2024 (the “Supplemental Resolution”; together with the Resolution, the “Resolutions”), and a Certificate of Determinations of the Housing Development Fund, dated as of May 30, 2024 (the “Certificate”). Housing Finance Bonds, including the 2024 BC Bonds, are authorized to be issued for the purpose of providing funds to carry out the Housing Finance Program as described in the Resolution.

The 2024 BC Bonds are dated the date of issuance and delivery, mature on the dates, in the respective principal amounts, bear interest at the rates and are subject to redemption and otherwise are as described and provided for in the Supplemental Resolution and the Certificate.

The Housing Development Fund is authorized to issue other Housing Finance Bonds in addition to the 2024 BC Bonds upon the terms and conditions set forth in the Resolution, and such Bonds, when issued, shall with the 2024 BC Bonds and with all other such Bonds theretofore and thereafter issued, be entitled to the equal benefit, protection and security of the provisions, covenants and agreements of the Resolution.

Pursuant to the Act, a special trust fund has been established with the Municipal Bond Commission of the State and designated as the Mortgage Finance Bond Insurance Fund. Amounts in the Mortgage Finance Bond Insurance Fund are required by the Act to be applied to the payment of the principal of and interest on Mortgage Finance Bonds, as defined in the Act, when due, to the extent other moneys are not available therefor. The Act provides that in the event that the amount in the Mortgage Finance Bond Insurance Fund is less than its requirement, as established by the Act, the Governor of the State is authorized, but not required, to include the amount of any such deficiency in the budget of the State for the next fiscal year and that the

Legislature is authorized, but not required, to make an appropriation of the amount necessary to cure such deficiency.

We are of the opinion that:

1. Under the constitution and laws of the State, the Housing Development Fund has good, right and lawful authority, among other things, to carry out the Housing Finance Program (as defined in the Resolution), to provide sufficient funds therefor by the adoption of the Resolutions and the issuance and sale of the Housing Finance Bonds, including the 2024 BC Bonds, and to perform its obligations under the terms and conditions of the Resolutions, including financing the mortgage loans and collecting and enforcing the collection of Pledged Receipts and Recoveries of Principal as covenanted in the Resolution.

2. The Resolutions have been duly adopted by the Housing Development Fund, are in full force and effect, and are valid and binding upon the Housing Development Fund and enforceable in accordance with their terms.

3. The 2024 BC Bonds have been duly authorized, sold and issued by the Housing Development Fund in accordance with the Resolutions and the laws of the State, including the Act, and pursuant to the Act are issued by a public body corporate of the State for a public purpose.

4. Subject to agreements heretofore or hereafter made with the holders of any notes or other bonds of the Housing Development Fund pledging any particular revenues or assets not pledged under the Resolution and the exclusion by the Act of a pledge of funds in the Land Development, Operating Loan and Affordable Housing Funds, the 2024 BC Bonds are valid and legally binding general obligations of the Housing Development Fund payable from the revenues, funds or moneys pledged for the payment thereof pursuant to the Resolution, are enforceable in accordance with their terms and the terms of the Resolutions, and are entitled to the equal benefit, protection and security of the provisions, covenants and agreements of the Resolution.

5. The Housing Finance Bonds, including the 2024 BC Bonds, are secured by a pledge in the manner and to the extent set forth in the Resolution. The Resolution creates the valid pledge of and lien on the Pledged Receipts and Recoveries of Principal, as defined in the Resolution, and all the Funds and Accounts established by the Resolution and moneys and securities therein, which the Resolution purports to create, subject only to the provisions of the Resolution permitting the use and application thereof for or to the purposes and on the terms and conditions set forth in the Resolution.

6. Pursuant to the Resolutions, the Housing Development Fund has validly covenanted in the manner and to the extent provided in the Resolution, among other things, to undertake the Housing Finance Program with the proceeds of the 2024 BC Bonds, including the financing of mortgage loans subject to the requirements of the Resolution with respect thereto, and to do all such acts and things necessary to receive and collect the Pledged Receipts and, when applicable, Recoveries of Principal.

7. The State is not liable on the 2024 BC Bonds and the 2024 BC Bonds are not a debt of the State. Neither the faith and credit nor the taxing power of the State is pledged to the payment of the principal of and interest on the 2024 BC Bonds.

8. The Housing Development Fund has validly pledged amounts in the Mortgage Finance Bond Insurance Fund to secure the payment of the 2024 BC Bonds and other Mortgage Finance Bonds and the interest thereon, and amounts to cure deficiencies in the Mortgage Finance Bond Insurance Fund for the payment of Mortgage Finance Bonds may be validly appropriated in accordance with law. The Housing Development Fund is authorized to pledge amounts in the Mortgage Finance Bond Insurance Fund to payment of other obligations issued by the Housing Development Fund upon the terms and conditions contained in the Act and the Resolution.

9. Under existing statutes and court decisions and assuming continuing compliance with certain tax covenants described below, (i) interest on the 2024 B Bonds is excluded from gross income for federal income tax purposes pursuant to Section 103 of the Internal Revenue Code of 1986, as amended (the “Code”) and (ii) interest on the 2024 B Bonds is not treated as a preference item in calculating the alternative minimum tax under the Code; however, interest on the 2024 B Bonds is included in the “adjusted financial statement income” of certain corporations that are subject to the alternative minimum tax under Section 55 of the Code. In rendering our opinion, we have relied on certain representations, certifications of fact, and statements of reasonable expectations made by the Housing Development Fund and others in connection with the 2024 B Bonds, and we have assumed compliance by the Housing Development Fund with certain ongoing covenants to comply with applicable requirements of the Code to assure the exclusion of interest on the 2024 B Bonds from gross income under Section 103 of the Code.

10. Interest on the 2024 C Bonds is included in gross income for federal income tax purposes.

We express no opinion as to any other federal, state or local tax consequences arising with respect to the 2024 BC Bonds, or the ownership or disposition thereof, except as stated in paragraphs 9 and 10 above. We render our opinion under existing statutes and court decisions as of the date hereof, and assume no obligation to update, revise or supplement our opinion to reflect any action hereafter taken or not taken, any fact or circumstance that may hereafter come to our attention, any change in law or interpretation thereof that may hereafter occur, or for any other reason. We express no opinion as to the consequence of any of the events described in the preceding sentence or the likelihood of their occurrence. In addition, we express no opinion on the effect of any action taken or not taken in reliance upon an opinion of other counsel regarding federal, state or local tax matters, including, without limitation, exclusion from gross income for federal income tax purposes of interest on the 2024 B Bonds. We undertake no responsibility for the accuracy, completeness, or fairness of any official statement or other offering materials relating to the 2024 BC Bonds and express herein no opinion relating thereto.

We have assumed, without undertaking to verify, the genuineness of all documents, certificates and opinions presented to us (whether as originals or as copies) and of the signatures thereon, the accuracy of the factual matters represented, warranted, or certified

therein, and the due and legal execution thereof by, and the validity against, any parties other than the Housing Development Fund.

In rendering this opinion, we are advising you that the rights and obligations under the 2024 BC Bonds and the Resolutions and their enforceability may be limited by bankruptcy, insolvency, reorganization, moratorium, arrangement, fraudulent conveyance, or other laws affecting creditors' rights or remedies and are subject to general principles of equity (regardless of whether such enforceability is considered in a proceeding in equity or at law), to the exercise of judicial discretion in appropriate cases, and to limitations on legal remedies. We express no opinion with respect to any indemnification, contribution, penalty, choice of law, choice of forum, waiver, or severability provisions contained in the documents described herein.

We have examined specimens of the 2024 BC Bonds and in our opinion the forms thereof and their execution are regular and proper.

Very truly yours,

APPENDIX E

DEFINITIONS OF CERTAIN TERMS AND SUMMARY OF THE GENERAL RESOLUTION

Definitions of Certain Terms

“Acquired Mortgage” means any Mortgage Loan financed by the Housing Development Fund under the Housing Finance Program or credited or to be credited to a Fund or Account pursuant to the General Resolution.

“Aggregate Debt Service” means, with respect to any particular Bond Year and as of any particular date of computation, the sum of the individual amounts of Debt Service (including Sinking Fund Payments) for such year with respect to all Series.

“Authorized Newspapers” means not less than two newspapers or financial journals, printed in the English language and customarily published (except in the case of legal holidays) at least once a day for at least five days in each calendar week, one of which is of general circulation in the City of Charleston, West Virginia, and the other of which is of general circulation in the Borough of Manhattan, City and State of New York. Notwithstanding the foregoing, any requirement under the General Resolution for publication of notice in Authorized Newspapers may be satisfied, at the election of the Housing Development Fund, by the posting of such notice with respect to the affected Bonds on the Municipal Securities Rulemaking Board’s Electronic Municipal Market Access website or similar successor thereto.

“Bond Year” means a twelve-month period commencing on November 2 and ending on November 1.

“Capital Reserve Fund Requirement” means, as of any particular date of computation, the Aggregate Debt Service for the then current or any future Bond Year, whichever is greatest. If Bonds are issued bearing interest at a variable rate, the Housing Development Fund may, for purpose of determining the Capital Reserve Fund Requirement treat such Bonds as bearing interest at such rate as it determines in the Supplemental Resolution authorizing the issuance of such Bonds to be reasonable and proper under the circumstances.

“Debt Service” means, with respect to any particular Bond Year and any particular Series of Bonds, an amount equal to the sum of (i) all interest payable on such Bonds during such Bond Year, plus (ii) any Principal Installments of such Bonds during such Bond Year.

“Eligible Persons and Families” means (i) persons and families of low and moderate income, (ii) persons and families of higher income to the extent that the Housing Development Fund finds and determines that construction of new or rehabilitated housing for occupancy by them will cause to be vacated existing sanitary, decent and safe housing available at prices or rentals which persons and families of low and moderate income can afford, (iii) persons who because of age or physical disability are found and determined by the Housing Development Fund to require residential housing of a special location or design in order to provide them with sanitary, decent and safe residential housing or (iv) persons and families for whom, as found and determined by the Housing Development Fund, construction of new or rehabilitated residential housing in some designated area or areas of the State is necessary for the purpose of retaining in, or attracting to, such area or areas qualified manpower resources essential to modern mining, industrial and commercial operations and development in such area or areas.

“Investment Securities” means any of the following securities, if and to the extent the same are at the time legal investments by the Housing Development Fund of the funds to be invested therein:

- (A) Direct obligations of or obligations guaranteed by the United States of America or for the payment of the principal and interest on which the full faith and credit of the United States of America is pledged;
- (B) Bonds, debentures, notes or other evidences of indebtedness issued by any of the following agencies: Banks for Cooperatives; Federal Intermediate Credit Banks; Federal Home Loan Bank System; Federal Home Loan Mortgage Corporation; Federal Farm Credit Bank; Export-Import Bank of the United States; Federal Land Banks; the Federal National Mortgage Association; the Government National Mortgage

Association; the Tennessee Valley Authority; or the Washington Metropolitan Area Transit Authority;

- (C) Public Housing Bonds issued by public agencies or municipalities and fully secured as to the payment of both principal and interest by a pledge of annual contributions under an annual contributions contract with the United States of America; temporary notes, preliminary loan notes or project notes issued by public agencies or municipalities, in each case fully secured as to the payment of both principal and interest by a requisition or payment agreement with the United States of America;
- (D) Certificates of deposit, time deposits, investment agreements, repurchase agreements, or similar banking arrangements with a member bank or banks of the federal reserve system or a bank the deposits of which are insured by the federal deposit insurance corporation, or its successor, or a savings and loan association or savings bank the deposits of which are insured by the federal savings and loan insurance corporation, or its successor, or government bond dealers reporting to, trading with and recognized as primary dealers by a federal reserve bank: Provided, That such investments shall only be made to the extent insured by the Federal Deposit Insurance Corporation or the Federal Savings and Loan Insurance Corporation or to the extent that the principal amount thereof shall be fully collateralized by obligations described in clauses (A), (B) or (E) of this definition;
- (E) Direct and general obligations of or obligations guaranteed by the State;
- (F) Direct and general obligations of any state of the United States, to the payment of the principal of and interest on which the full faith and credit of such state is pledged, but only if, at the time of their purchase hereunder such obligations are rated in either of the two highest rating categories by either Standard & Poor's or Moody's rating service or, upon the discontinuance of either or both of such services, such other nationally recognized rating service or services, as the case may be, as shall be determined in a Supplemental Resolution; and
- (G) Certificates, shares or other interests in mutual funds, unit trusts or other entities registered under section eight of the United States Investment Company Act of 1940, but only to the extent that the terms on which the underlying investments are to be made prevent any more than a minor portion of the pool which is being invested in to consist of obligations other than obligations described in clauses (A), (B) or (E) of this definition.

Provided, that it is expressly understood that the definition of Investment Securities shall be, and be deemed to be, expanded, or new definitions and related provisions shall be added to the General Resolution, thus permitting investments with different characteristics from those permitted which the Housing Development Fund deems from time to time to be in its interest to include as Investment Securities, as reflected in a Supplemental Resolution, if at the time of inclusion such inclusion will not, in and of itself, impair, or cause the Bonds to fail to retain, the then-existing rating assigned to them by each nationally-recognized rating service then providing a rating on the Bonds at the request of the Housing Development Fund.

"Mortgage" means a mortgage deed, deed of trust or other instrument securing a Mortgage Loan.

"Mortgage Loan" means an interest bearing loan for residential housing secured by a Mortgage or an instrument backed by a pool of such loans.

"Outstanding" when used with reference to Bonds means as of any date all Bonds which have been authenticated and delivered under the General Resolution except:

- (A) Any Bonds cancelled by the Trustee at or prior to such date;
- (B) Bonds (or portions of Bonds) for the payment or redemption of which moneys or Investment Securities, as described in clause (A) of the definition thereof or certificates of deposit secured by such obligations, the principal of and interest on which when due or payable will provide moneys which, together with the moneys, if any, deposited at the same time, will be sufficient to pay the principal or redemption price thereof, as the case may be, with interest to the date of maturity or redemption date, shall be held in trust

and set aside for such payment or redemption (whether at, prior to or after the maturity or redemption date) and, if such Bonds are to be redeemed, for which notice of such redemption shall have been given as provided in the General Resolution or provisions satisfactory to the Trustee shall have been made for the giving of such notices;

(C) Bonds in lieu of or in substitution for which other Bonds shall have been authenticated and delivered pursuant to the General Resolution; and

(D) Bonds deemed to have been paid in accordance with the provisions relating to defeasance.

“Pledged Receipts” means scheduled payments of principal and interest called for by any Acquired Mortgage (monthly or otherwise) and paid to the Housing Development Fund from any source, including both timely and delinquent payments with late charges, fees and charges and other revenues and income paid to the Housing Development Fund on account of or in connection with any Acquired Mortgage on or subsequent to the date upon which such Acquired Mortgage was financed under the General Resolution and, upon receipt thereof by the Housing Development Fund, all interest earned or gain realized upon the investment or deposit of amounts in any Fund or Account and any amount deposited in the Revenue Fund representing an amount equal to the mortgage payment with respect to a project which the Housing Development Fund has taken possession of or acquired title to upon default, but does not include (i) Recoveries of Principal, (ii) any amount retained by the Servicer of any Acquired Mortgage as compensation for services rendered, (iii) escrow payments or (iv) interest earned or gain realized on investments to the extent required by the General Resolution to be retained in a particular Fund or Account.

“Recoveries of Principal” means all amounts received by the Housing Development Fund as a recovery of the principal amount of an Acquired Mortgage (i) as a result of the acceleration of the due date thereon through foreclosure or other proceedings taken in the event of default, including proceeds of insurance or condemnation, (ii) as a result of the prepayment thereof, including any penalty, fee, premium or additional charge, but not including the amount retained by the servicer as additional compensation as a result of such prepayment or (iii) on account of the sale, assignment, endorsement or other disposition thereof or from the sale of the whole or any part of the property of a project subsequent to the acquisition of such property by the Housing Development Fund as a result of default and amounts received as a reimbursement of accrued interest, with respect to which payments have been made as provided by, and subject to, the limitations contained in the General Resolution. The term does not include recoveries on account of any Acquired Mortgage financed with the Surplus Fund.

“Sinking Fund Payment” means the amount required by a Supplemental Resolution to be paid in any event by the Housing Development Fund on a single future date for the retirement of Bonds of any Series which mature after said future date, but does not include any amount payable by the Housing Development Fund by reason only of the maturity of a Bond.

Introduction

The General Resolution contains various covenants and security provisions certain of which are summarized below. Reference should be made to the General Resolution for a full and complete statement of its provisions.

Contract with Bondholders (Section 202)

The provisions of the General Resolution constitute a contract between the Housing Development Fund, the Trustee and the holders of the Bonds and the related coupons and the provisions thereof are for the equal benefit, protection and security of the holders of any and all of such Bonds and coupons.

Provisions for Issuance of Bonds (Sections 204, 206, and 711)

The General Resolution authorizes Bonds to be issued from time to time in accordance with its terms without limitation as to amount except as provided by law. The Bonds of a Series may be authenticated and delivered only upon receipt by the Trustee of, among other things:

(1) A counsel’s opinion to the effect, among other things, that the Bonds of such Series have been duly and

validly authorized and issued in accordance with the constitution and statutes of the State, including the Act as amended to the date of such opinion, and in accordance with the General Resolution;

- (2) The amount of the proceeds of such Series to be deposited in any Fund or Account held by the Trustee pursuant to the General Resolution;
- (3) Except in the case of a refunding issue, a certificate of an authorized officer stating that the Housing Development Fund is not in default in the performance of any of the covenants, conditions, agreements or provisions contained in the General Resolution;
- (4) A Statement of Projected Revenues, consisting of a certificate setting forth the Housing Development Fund's estimate of the Pledged Receipts to be received in each Bond Year on all Mortgage Loans financed or expected to be financed with the proceeds of outstanding Bonds (including the Series thereupon being issued), together with any other Pledged Receipts and any withdrawals from the Capital Reserve Fund or Recoveries of Principal for which, as set forth in a Supplemental Resolution, principal installments on Bonds have been scheduled and showing that such amounts will be sufficient to pay the aggregate debt service and the program expenses in each Bond Year.

The Housing Development Fund is not permitted to issue any obligations or create any indebtedness which will be secured by a superior or equal charge or lien on the revenues or assets pledged under the General Resolution, except that various Series of Bonds may be issued as provided in the General Resolution on a parity with the Bonds of all other Series, secured by an equal charge and lien on such revenues and assets and payable equally therefrom. No Series of Bonds may be issued unless the principal amount of all Bonds issued or to be issued will not exceed any limitation imposed by law and unless, upon the issuance of such Bonds, the amount credited to the Capital Reserve Fund will not be less than the Capital Reserve Fund Requirement. The Housing Development Fund has reserved the right to adopt one or more additional general bond resolutions and to issue other obligations.

Provisions for Refunding Issues (Section 207)

One or more Series of refunding Bonds may be issued to refund any Outstanding Bonds. Refunding Bonds may be authenticated and delivered only upon receipt by the Trustee of, among other things, irrevocable instructions to give notice of the redemption of all Bonds to be refunded and to give notice as required of the redemption of such Bonds and either (i) moneys sufficient to effect payment at the applicable redemption price of the Bonds to be refunded, together with interest accrued to the redemption date, or (ii) direct obligations of, or obligations insured or guaranteed by, the United States of America or certificates of deposit secured by such obligations, which by their terms will provide moneys sufficient to provide for the payment of such redemption price and accrued interest. Any such moneys, obligations or certificates are required to be held irrevocably in trust under the General Resolution.

Regulations with Respect to Exchanges and Transfers (Section 308)

For every exchange or transfer of Bonds pursuant to the General Resolution, the Housing Development Fund or the Trustee may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer, and, except (i) with respect to the delivery of definitive Bonds in exchange for temporary Bonds, (ii) in the case of a Bond issued upon the first exchange or transfer of a Bond or Bonds hereunder or (iii) as otherwise provided in the General Resolution, may charge the person requesting such exchange or transfer a sum sufficient to pay the cost of preparing each new bond issued upon such exchange or transfer. Neither the Housing Development Fund nor the Trustee is obligated to make any such exchange or transfer of Bonds of any Series during the sixty days next preceding an interest payment date on the Bonds of such Series or, in the case of any proposed redemption of Bonds of such Series, next preceding the date of selection of Bonds for redemption or thereafter until the date of the first publication of notice of such redemption.

Application of Bond Proceeds and Recoveries of Principal (Sections 401 and 402)

Upon the delivery of each Series of Bonds, other than refunding Bonds, the amount necessary to cause the amount on deposit in the Capital Reserve Fund to equal the Capital Reserve Fund Requirement immediately after such

delivery is required to be deposited in the Capital Reserve Fund. Proceeds of such Series of Bonds which are not to be deposited in the Capital Reserve Fund or in the Interest Account (as may be directed by a Supplemental Resolution) are to be deposited in the Mortgage Loan Account established for such Series or in the Insurance Fund.

Amounts in the respective Mortgage Loan Accounts, including proceeds of Bonds and Recoveries of Principal, may be applied to the financing of Mortgage Loans only if the mortgages securing such Mortgage Loans have been executed and recorded in accordance with existing laws and unless, among other things, for each such Mortgage Loan:

- (1) such mortgage constitutes a first lien, subject to Permitted Encumbrances, on the real property or interest therein securing such Mortgage Loan, or is a participation therein;
- (2) the mortgagor has entered into a binding agreement with or for the benefit of the Housing Development Fund that it will pay or escrow all taxes, assessments, water rates, sewer rents and municipal and other charges and fees and any prior liens levied against the premises or any part thereof, and in the case of default in the payment thereof the Housing Development Fund, without notice or demand to the mortgagor, may pay the same and add the amount thereof to the amount of the Mortgage Loan;
- (3) the mortgagor must covenant that it will keep the buildings on the premises insured against loss by fire and other hazards as required by the Housing Development Fund and that it will maintain the premises in good repair and comply with all requirements of governmental authority relating thereto; and
- (4) the mortgagor must obtain a mortgagee policy of title insurance insuring the Housing Development Fund that the mortgage is valid and enforceable in the full amount of the Mortgage Loan.

In addition, unless the Mortgage Loan has been insured by the Federal Housing Administration, Farmers Home Administration or the Veteran's Administration, or a successor federal agency, the Mortgage Loan must have a principal value not exceeding 90% or, in the case of a Mortgage Loan for residential housing consisting of not more than four dwelling units, 80% of the value of the property securing such Mortgage Loan as determined in an appraisal by or acceptable to the Housing Development Fund, or is insured to the extent of any excess over such percentages by a private mortgage insurance company. In the case of the making of any Mortgage Loan for residential housing consisting of more than four dwelling units, the Housing Development Fund is not permitted to make disbursements with respect thereto unless, among other things, the mortgagor (i) has provided for the payment of all costs of completion which exceed the maximum amount of the Mortgage Loan in a manner satisfactory to the Housing Development Fund, (ii) has obtained all material governmental approvals then required for the acquisition, construction and operation of the project and (iii) has obtained prior approval of the plans and specifications for the housing proposed to be constructed.

Establishment of Funds and Accounts (Section 502)

The General Resolution establishes the following Funds and Accounts which are to be held by the Trustee:

- (1) Mortgage Loan Fund,
 - (a) Mortgage Loan Accounts (for each Series),
 - (b) Project Accounts (for each Project to be financed);
- (2) Revenue Fund;
- (3) Debt Service Fund,
 - (a) Interest Account,
 - (b) Principal Installment Account;

- (4) Redemption Fund,
 - (a) General Redemption Account,
 - (b) Special Redemption Accounts (for each Series);
- (5) Capital Reserve Fund; and
- (6) Surplus Fund.

Mortgage Loan Fund (Section 503)

In addition to proceeds of a Series of Bonds, any Recoveries of Principal received with respect to Mortgage Loans financed by such Series of Bonds constitute part of the Mortgage Loan Account established for such Series and are to be deposited promptly with a Depositary and transmitted to the Trustee as soon as practicable. Except to the extent applied to the payment or redemption of Bonds, amounts in the Mortgage Loan Accounts may be expended only to pay the cost of financing Mortgage Loans (or to pay or provide for the payment of Notes issued for such purpose), to pay reasonable and necessary costs of issuance and make deposits in the Principal Account as provided in a Supplemental Resolution or to pay the principal or Redemption Price, if any, of and the interest on the Bonds when due. The Trustee is required to transfer amounts in the Mortgage Loan Account to the Principal Installment Account in amounts equal to the amounts of Recoveries of Principal for which principal installments on Bonds have been scheduled, as set forth in a Supplemental Resolution. At the direction of the Housing Development Fund, the Trustee may transfer amounts in any Mortgage Loan Account to the appropriate Account within the Redemption Fund or apply such amounts directly to the redemption, purchase or retirement of Bonds at any time that such Bonds shall be subject to redemption or payment from such amounts.

Revenue Fund (Section 504)

All Pledged Receipts are to be deposited promptly with a Depositary and transmitted to the Trustee regularly for deposit in the Revenue Fund. On the day preceding each interest payment date, the Trustee is required to make payments from the Revenue Fund as follows:

FIRST: Into the Interest Account, the amount necessary to increase the amount in such Account so that it equals unpaid interest on the Outstanding Bonds due on such interest payment date.

SECOND: Into the Principal Installment Account, to the full extent available in the Revenue Fund, the amount necessary to increase the amount in such Account so that it equals the amount of unpaid principal installments on the Outstanding Bonds due on or before the next November 1.

THIRD: Into the Capital Reserve Fund, the amount, if any, necessary to cause the amount in such Fund to equal the Capital Reserve Fund Requirement.

FOURTH: Into the Surplus Fund, the amount remaining.

Debt Service Fund (Section 505)

The Trustee is directed to pay to the Paying Agents from the Principal Installment Account and the Interest Account, on or before each Interest Payment Date, the amount required for the payment of the principal (including any Sinking Fund Payment) and interest due on the Outstanding Bonds on such date and is directed to pay from the Interest Account the amounts required for the payment of accrued interest on any Bonds purchased or redeemed. Prior to the forty-fifth day preceding the due date thereof, the amount accumulated in the Principal Installment Account for a Sinking Fund Payment may and, if directed by the Housing Development Fund, is required to be applied by the Trustee to the purchase or redemption of Bonds of the Series and maturity for which such Sinking Fund Payment was established at prices not exceeding the redemption price which would be payable for such Bonds upon redemption by application of such Sinking Fund Payments and upon any such purchase or redemption, an amount equal to the

principal amount of such Bonds is to be credited toward such Sinking Fund Payment. The amount of any excess of the principal amounts so credited over the amount of such Sinking Fund Payment is to be credited against future Sinking Fund Payments for such Series in direct chronological order.

As soon as practicable after the forty-fifth day preceding the due date of any Sinking Fund Payment, the Trustee is to proceed to call for redemption on such due date, Bonds of the Series and maturity for which such Sinking Fund Payment was established in a principal amount equal to the amount of such Sinking Fund Payment reduced by crediting thereto, the principal amount of Bonds purchased or redeemed as described above. The Trustee is required to call such Bonds for redemption whether or not it then has moneys in the Principal Installment Account sufficient to pay the applicable Redemption Price on the Redemption Date.

Redemption Fund (Section 506)

There are to be deposited in the General Redemption Account and the Special Redemption Accounts any amounts required by the General Resolution or a Supplemental Resolution to be so deposited and any other amounts available therefore and determined by the Housing Development Fund to be deposited therein. Subject to the provisions of the General Resolution or of any Supplemental Resolution requiring the application thereof to the purchase or redemption of any particular Bonds, the Trustee is required to apply the amounts deposited in any Special Redemption Account to the purchase or redemption of any of the Bonds of the Series with respect to which such Account was created at the time and in the manner provided in the General Resolution and amounts in the General Redemption Account may be applied to the purchase or redemption of any Bonds at the election of the Housing Development Fund. Prior to the forty-fifth day upon which Bonds are to be redeemed from such amounts, the Trustee may apply amounts in any Account within the Redemption Fund to the purchase of any of such Bonds, except that the Housing Development Fund may require or prohibit such purchases. The purchase price paid may not exceed the principal amount of such Bonds unless such Bond may be redeemed within thirteen months after such purchase in which event such price shall not exceed the applicable redemption price. If the Housing Development Fund is able to purchase a principal amount of Bonds equal to the amounts deposited in such Account any balance of the moneys remaining in such Account is to be deposited in the Revenue Account.

Upon the purchase or redemption of Bonds of any Series and maturity for which Sinking Fund Payments have been established from amounts in any Special Redemption Account, each future Sinking Fund Payment for such Bonds will be credited by an amount bearing the same ratio to such Sinking Fund Payment as the total principal amount of such Bonds so purchased or redeemed bears to the total amount of all such Sinking Fund Payments, unless otherwise directed by the Housing Development Fund.

On or before the redemption date, the Trustee is required to pay to the Paying Agents, from the applicable Account within the Redemption Fund, the amounts required for the payment of the Redemption Price on any Bonds to be redeemed. When none of the Bonds of the Series relating thereto remain outstanding, the Special Redemption Account will be closed and the amounts therein are to be withdrawn and deposited in the Revenue Fund. Except for amounts required to be retained therein for the redemption of Bonds for which notice of redemption has been given or for which the Trustee has received irrevocable instructions to give such notice on a future date, amounts in any Account in the Redemption Fund may be transferred to the Principal Account at the written request of an Authorized Officer of the Housing Development Fund.

Capital Reserve Fund (Section 507)

If the amounts on deposit in the Principal Installment Account or Redemption Fund and the Interest Account are less than the amount required for the payments due on the Bonds on any date, the Trustee is to apply amounts from the Capital Reserve Fund to the extent required to make good the deficiency. All income earned or gain realized as a result of investment of amounts on deposit in the Capital Reserve Fund are to be deposited therein. If, concurrently with the transfer of funds from the Revenue Fund, the amount on deposit in the Capital Reserve Fund is in excess of the Capital Reserve Fund Requirement, the Trustee, at the direction of an authorized officer of the Housing Development Fund, is to transfer the amount of such excess to the Revenue Fund. The Trustee is also required to apply amounts in the Capital Reserve Fund to the redemption of Bonds if and to the extent, as nearly as practicable, as the redemption of any Bonds from any other Fund or Account would cause the Capital Reserve Fund to exceed the Capital Reserve Fund Requirement. Bonds to be redeemed from amounts in the Capital Reserve Fund are to be selected in such manner as

the Housing Development Fund specifies in written instructions or, failing such instructions as the Trustee, in its discretion, deems advisable.

Whenever the amount in the Capital Reserve Fund, together with the amount in the Debt Service Fund, is sufficient to pay the principal of and interest on all Outstanding Bonds (including the Sinking Fund Payments for the retirement thereof), all amounts on deposit in the Capital Reserve Fund are to be transferred to the appropriate Account in the Debt Service Fund.

Surplus Fund (Section 508)

Amounts in the Surplus Fund not needed to cover deficiencies in the Principal Installment Account, Interest Account or Capital Reserve Fund may be applied at any time to any lawful purpose of the Housing Development Fund.

Deposits and Investments (Sections 510, 511 and 512)

All amounts held by the Trustee, any Paying Agent or any Depository under the General Resolution may be placed on demand or time deposit and, in addition, any amounts held by the Trustee thereunder may be invested in Investment Securities. All amounts held under the General Resolution which are not held in trust for the payment of particular Bonds or which do not represent an investment of amounts held thereunder must be continuously and fully secured for the benefit of the Housing Development Fund and the holders of the Bonds by lodging Investment Securities with the Trustee, or in such other manner as may then be required by applicable federal or state laws regarding the deposit of trust funds. In computing the amount in any Fund or Account, obligations purchased as an investment of moneys therein shall be valued at par if purchased at par value or at amortized value if purchased at other than par value. Valuation shall be made on each May 1, and November 1, and on any particular date shall include the amount of interest then earned or accrued to such date on any such moneys or investment.

Payment of Bonds (Section 701)

The Housing Development Fund covenants that it will duly and punctually pay, or cause to be paid, the principal and redemption price, if any, of every Bond and the interest thereon, at the dates and places and in the manner stated in the Bonds and in the coupons thereto appertaining, if any, according to the true intent and meaning thereof, and shall duly and punctually pay or cause to be paid all Sinking Fund Payments, if any, becoming payable with respect to any Series of Bonds.

Powers as to Bonds and Pledge (Section 704)

The Housing Development Fund covenants that it is duly authorized, pursuant to law, to authorize and issue the Bonds and to adopt the General Resolution and to pledge the assets and revenues purported to be pledged by the General Resolution in the manner and to the extent provided in the General Resolution.

Tax Covenants (Section 705)

The Housing Development Fund covenants that it will at all times do and perform all acts and things permitted by law and necessary or desirable in order to assure that interest paid on the Bonds shall, for the purposes of federal income taxation, be excludable from the gross income of the recipients thereof and exempt from such taxation, except in the event that such recipient is a "substantial user" or "related person" within the meaning of Section 103(c)(7) of the Internal Revenue Code of 1954, as amended, or the corresponding provisions of the Code. It is expressly provided in the General Resolution that the Housing Development Fund shall require that no person or "related person" shall purchase Bonds in an amount related to the Mortgage Loans to be acquired by the Housing Development Fund from such person or "related person".

Accounts and Reports (Section 706)

The Housing Development Fund covenants that it will keep, or cause to be kept, proper books of record and account in which complete and accurate entries shall be made of all its transactions relating to the Housing Finance

Program and all Funds and Accounts established by the General Resolution which shall at all reasonable times be subject to the inspection of the Trustee and the holders of an aggregate of not less than 5% in principal amount of Bonds then outstanding or their representatives duly authorized in writing.

On or before the twenty-fifth day of each month or as soon as practicable thereafter, the Housing Development Fund is required to submit to the Trustee a statement of account for the preceding month and setting forth the individual totals of the amounts received as Recoveries of Principal and Pledged Receipts during such month.

The Housing Development Fund must annually, on or before the first day of each Bond Year, deliver a Statement of Projected Revenues, as described under "Provisions for Issuance of Bonds", to the Trustee and, on or before 120 days after the close of each fiscal year, must file with the Trustee, and with such officials of the State, if any, as may be required by the Act, as amended (1) a copy of an annual report for such fiscal year, setting forth its operations and accomplishments during such fiscal year and (2) financial statements of the Housing Development Fund for such fiscal year setting forth in reasonable detail: (a) a statement of revenues and expenses in accordance with the categories or classifications established by the Housing Development Fund for its Housing Finance Program purposes, (b) a balance sheet for the Housing Finance Program showing its assets and liabilities at the end of such fiscal year, and (c) a statement of changes in financial position for the Housing Finance Program for such fiscal year. The financial statements for the Housing Finance Program may be combined with financial statements for other programs and purposes of the Housing Development Fund so long as the said financial statements for the Housing Finance Program are separately identified. The financial statements shall be accompanied by the report of an accountant to the effect that the financial statements examined present fairly the financial position of the Housing Development Fund at the end of the fiscal year, the results of its operations and the changes in financial position for the period examined, in conformity with generally accepted accounting principles. A copy of each such annual report and accountant's report shall be mailed promptly thereafter by the Housing Development Fund to each Bondholder who shall have filed his name and address with the Housing Development Fund for such purpose.

Budgets (Section 707)

The Housing Development Fund must prepare a preliminary budget covering its fiscal operations for the succeeding year at least sixty days prior to the first day of each fiscal year and a summary of such budget shall be mailed to Bondholders who have filed their names and addresses with the Housing Development Fund for such purpose. The Housing Development Fund shall hold a public hearing on the budget if requested by the holders of 10% or more of the Outstanding Bonds in the manner provided by the terms of the General Resolution.

The Housing Development Fund must adopt an annual budget covering its fiscal operations for the succeeding fiscal year not later than the first day of each such fiscal year, and file the same with the Trustee and with such officials of the State as may be required by the Act, as then amended. The annual budget shall at least set forth for such fiscal year the estimated Pledged Receipts, Recoveries of Principal, Principal Installments and interest due and payable or estimated to become due and payable during such fiscal year and estimated Program Expenses. The Housing Development Fund at any time may adopt and file with the Trustee an amended annual budget for the remainder of the then current fiscal year in the manner provided in the General Resolution for the adoption of the annual budget. Copies of the annual budget and any amended annual budget must be made available by the Trustee for inspection by any Bondholder.

Housing Finance Program (Section 708)

The Housing Development Fund covenants from time to time, with all practical dispatch and in a sound and economical manner consistent in all respects with the Act, with the provisions of the General Resolution and with sound banking practices and principles, to use and apply the proceeds of the Bonds (to the extent not reasonably or otherwise required for other purposes of the Housing Finance Program) to finance Mortgage Loans, to do all such acts and things necessary to receive and collect Pledged Receipts and, when applicable, Recoveries of Principal sufficient to pay Program Expenses and principal or redemption price, if any, of and interest on the Bonds and to diligently enforce, and take all steps, actions and proceedings reasonably necessary in the judgment of the Housing Development Fund to maintain any insurance on Mortgage Loans and to enforce all terms, covenants and conditions of the Mortgage Loans.

Whenever necessary in order to protect and enforce the interests and security of the holders of the Bonds, the Housing Development Fund covenants to commence foreclosure or pursue other appropriate remedies with respect to any Acquired Mortgage which is in default. In the event that the Housing Development Fund shall, in its discretion, determine such action to be in the best interests of the holders of the Bonds, the Housing Development Fund may bid for and purchase the development covered by any such Acquired Mortgage at any foreclosure sale thereof or may otherwise take possession of or acquire such development prior to the purchase or acquisition of any such development (an "Acquired Project"). The Housing Development Fund is required to file a Statement of Projected Revenues with the Trustee giving effect to the proposed purchase or acquisition of such development.

The Housing Development Fund may sell or assign an Acquired Mortgage or an Acquired Project:

- (1) in order to realize the benefits of insurance with respect to such Acquired Mortgage or Acquired Project;
- (2) in order to provide funds to finance another Mortgage Loan having substantially equivalent terms as the remainder of such Acquired Mortgage; or
- (3) in order to provide funds to provide for the redemption or purchase of a principal amount of Bonds of the applicable Series and maturities corresponding to the unpaid principal amount of such Acquired Mortgage.

In the event of such a sale, a statement of Projected Revenues must be filed with the Trustee giving effect to the proposed sale thereof and application of the proceeds of such sale.

In addition, the Housing Development Fund may sell an Acquired Project if there is filed with the Trustee a Certificate of an Authorized Officer to the effect that, in the judgment of the Housing Development Fund, (i) the proposed sale and the terms thereof are in the best interests of the Bondholders and (ii) the loss of revenues available for the payment or retirement of Bonds as a result of such sale is less than that estimated to result if the Acquired Project were not sold or the risk of such a loss absent the sale is substantial.

Housing Development Fund to Maintain Existence (Section 716)

The Housing Development Fund has covenanted and agreed that, so long as Bonds remain Outstanding under the Resolution it will maintain its corporate existence and continue to be a governmental instrumentality of the State subject to suit in the courts of the State and that it will not dissolve or otherwise dispose of all or substantially all of its assets and will not consolidate with or merge into another entity or permit another entity to consolidate with or merge into it.

Maintenance of Debt Ratios (Section 717)

The Housing Development Fund has covenanted to take reasonable steps to provide that, under normal circumstances, (i) the amount of annual principal payments on long term unsecured general obligation indebtedness will not exceed the excess of general fund revenues over general fund expenses, (ii) the amount of working capital available will not fall below 25% of budgeted annual operating expenses of the general fund, (iii) the ratio of total liabilities (including special obligations or subordinated debt) to fund balances will not exceed 20:1 and (iv) the consolidated tangible fund balances of all funds (including the Bond Insurance Fund) will not be less than 10% of the principal amount of the outstanding general obligation indebtedness having a maturity of greater than three years.

Powers of Amendment (Section 902)

Any modification or amendment of any provision of the General Resolution or of the rights and obligations of the Housing Development Fund and of the holders of the Bonds and coupons may be made by a Supplemental Resolution, with the written consent given as provided in the General Resolution (a) of the holders of at least two-thirds in principal amount of the Outstanding Bonds, (b) in case less than all of the several Series of Bonds would be affected by such modification or amendment, of the holders of at least two-thirds in principal amount of the Outstanding Bonds of each Series so affected, or (c) in case the modification or amendment changes the terms of any Sinking Fund

Payment, of the holders of at least two-thirds in principal amount of the Outstanding Bonds of the particular Series and maturity entitled to such Sinking Fund Payment, except that if such modification or amendment will, by its terms, not take effect so long as any Bonds of any specified like Series and maturity remain outstanding, the consent of the holders of such Bonds shall not be required. No such modification or amendment shall permit a change in the terms of redemption or maturity of the principal amount or the redemption price of any Bond or in the rate of interest thereon without the consent of the holder of such Bond or shall reduce the percentages or otherwise affect the classes of Bonds, the consent of the holders of which is required to effect any such modification or amendment.

The Housing Development Fund may, without the consent of Bondholders, adopt Supplemental Resolutions (i) to provide for the issuance of Bonds, (ii) to add to the rights of the Bondholders or (iii) to cure any ambiguity, omission or defect.

Events of Default (Section 1002)

It is an "event of default" if: (a) the Housing Development Fund shall default in the payment of the principal or redemption price of any Bonds when and as the same shall become due, whether at maturity or upon call for redemption or otherwise; (b) payment of any installment of interest on any of the Bonds shall not be made within fifteen days after the same shall become due; (c) the Housing Development Fund shall fail or refuse to comply with its obligations under the General Resolution and the Act with respect to the Mortgage Finance Bond Insurance Fund; or (d) the Housing Development Fund fails or refuses to comply with the provisions of the General Resolution, or shall default in the performance or observance of any of the covenants, agreements or conditions contained therein, in any Supplemental Resolution, or in the Bonds, and such failure, refusal or default shall continue for a period of forty-five days after written notice thereof by the Trustee or the holders of not less than 5% in principal amount of the Outstanding Bonds.

Remedies (Section 1003)

Upon the happening and continuance of any event of default specified in clauses (a), (b) and (c) directly above, the Trustee shall proceed, or upon the happening and continuance of any event of default specified in clause (d) directly above, the Trustee may proceed, and upon the written request of the holders of not less than 25% in principal amount of the Outstanding Bonds shall proceed, in its own name, subject to the General Resolution, to protect and enforce its rights and the rights of the Bondholders by such of the following remedies as the Trustee, being advised by counsel, shall deem most effectual to protect and enforce such rights: (a) by mandamus or other suit, action or proceeding at law or in equity, to enforce all rights of the Bondholders, including the right to require the Housing Development Fund to receive and collect revenues and assets, including Pledged Receipts and Recoveries of Principal, adequate to carry out the covenants and agreements as to, and pledge of, such revenues and assets, and to require the Housing Development Fund to carry out any other covenant or agreement with Bondholders and to perform its duties under the Act; (b) by bringing suit upon the Bonds; (c) by action or suit in equity, to require the Housing Development Fund to account as if it were the trustee of an express trust for the holders of the Bonds; (d) by action or suit in equity, to enjoin any acts or things which may be unlawful or in violation of the rights of the holders of the Bonds; (e) by declaring all Bonds due and payable, and if all defaults shall be made good, then, with the written consent of the holders of not less than 25% in principal amount of the Outstanding Bonds, by annulling such declaration and its consequences; or (f) in the event that all Bonds are declared due and payable, by selling Acquired Mortgages.

In the event that during the continuance of an event of default, the funds held by the Trustee and Paying Agents are insufficient for the payment of principal or redemption price, if any, and interest then due on the Bonds, such funds (other than funds held for the payment or redemption of particular Bonds or coupons which have theretofore become due at maturity or by call for redemption) and any other moneys received or collected by the Trustee acting pursuant to the Act and the General Resolution, after making provision for the payment of any expenses necessary in the opinion of the Trustee to protect the interests of the holders of the Bonds and for the payment of the charges and expenses and liabilities incurred and advances made by the Trustee or any Paying Agents in the performance of their respective duties under the General Resolution, are to be applied as follows:

- (1) Unless the principal of all of the Bonds has become or been declared due and payable:

FIRST: To the payment to the persons entitled thereto of all installments of interest then due in the order of the maturity of such installments, and, if the amount available is not sufficient to pay in full any installment then to the payment thereof ratably, according to the amounts due on such installment, to the person entitled thereto, without any discrimination or preference; and

SECOND: To the payment to the persons entitled thereto of the unpaid principal or redemption price of any Bonds which shall have become due, whether at maturity or by call for redemption, in the order of their due dates and, if the amounts available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal or redemption if any, due on such date, to the persons entitled thereto, without any discrimination or preference.

- (2) If the principal of all of the Bonds has become or been declared due and payable, to the payment of the principal and interest then due and unpaid upon the Bonds without preference or priority of principal over interest or of interest over principal, or of any installment of interest over any other installment of interest, or of any Bond over any other Bond, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds and coupons.

Compensation of Trustee (Section 1105)

The Housing Development Fund is required to pay to the Trustee and to each Paying Agent from time to time reasonable compensation for all services rendered under the General Resolution, and also all reasonable expenses, charges, counsel fees and other disbursements, including those of their attorneys, agents and employees, incurred in and about the performance of their powers and duties under the General Resolution, and the Trustee and each Paying Agent shall have a lien therefore on any and all funds at any time held by it under the General Resolution.

Defeasance (Section 1201)

If the Housing Development Fund shall pay or cause to be paid to the holders of the Bonds and coupons, the principal and interest and redemption price, if any, to become due thereon, at the times and in the manner stipulated therein and in the General Resolution, then the pledge of any revenues and assets thereby pledged and all other rights granted thereby shall be discharged and satisfied.

Bonds or coupons or interest installments for the payment or redemption of which moneys have been set aside and held in trust by Fiduciaries (through deposit by the Housing Development Fund of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof will be deemed to have been paid within the meaning and with the effect expressed in the above paragraph. Any outstanding Bonds and all coupons appertaining to such Bonds shall, prior to the maturity or redemption date thereof, be deemed to have been paid within the meaning and with the effect so expressed if (a) in case any of said Bonds are to be redeemed on any date prior to their maturity, the Housing Development Fund shall have given to the Trustee, in form satisfactory to it, irrevocable instructions to publish, as provided in the General Resolution, notice of redemption on said date of such Bonds, (b) there shall have been deposited with the Trustee either moneys in an amount which is sufficient, or direct obligations of or obligations guaranteed by the United States of America or certificates of deposit secured by such obligations, the principal of and the interest on which when due will provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on and prior to the redemption date or maturity date thereof, as the case may be, and (c) in the event said Bonds are not by their terms subject to redemption within the next succeeding sixty days, the Housing Development Fund has given the Trustee in form satisfactory to it irrevocable instructions to publish, as soon as practicable, at least twice, at an interval of not less than seven days between publications, in the Authorized Newspapers a notice to the holders of such Bonds and coupons that the deposit required by (b) above has been made with the Trustee and that said Bonds and coupons are deemed to have been paid and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price, if applicable, on said Bonds. Neither the obligations nor the moneys so deposited with the Trustee nor principal or

interest payments on any such obligations shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or redemption price, if applicable, and interest on said Bonds, but any cash received from such principal or interest payments on such obligations deposited with the Trustee, if not then needed for such purpose, shall, to the extent practicable, be reinvested in obligations maturing at times and in amounts sufficient to pay when due the principal or redemption price, if applicable, and interest to become due on said Bonds on and prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestment shall be paid over to the Housing Development Fund, as received by the Trustee, free and clear of any trust, lien or pledge.

APPENDIX F

SUMMARY OF DTC'S POLICIES AND PROCEDURES

The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the 2024 BC Bonds (the "Bonds"). The Bonds will be issued as fully-registered bonds registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Bond certificate will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants (the "Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of Bonds ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners of the Bonds will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interest in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Bonds except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts the Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers. Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices for the Bonds are to be sent to Cede & Co. If less than all of the Bonds within a maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the Housing Development Fund as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal and interest payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the Housing Development Fund or the Trustee on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the Housing Development Fund, subject to any statutory or regulatory requirements that may be in effect from time to time. Payment of principal and interest to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Bonds at any time by giving reasonable notice to the Housing Development Fund or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Bond certificates are required to be printed and delivered. The Housing Development Fund may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered to DTC.

Information contained in the preceding paragraphs in this Appendix has been obtained from DTC. The Housing Development Fund makes no representation as to the completeness or the accuracy of such information or as to the absence of material adverse changes in such information subsequent to the date hereof. No assurance can be given by the Housing Development Fund that DTC and the Direct or Indirect Participants will make prompt transfers of payments to Beneficial Owners. **The Housing Development Fund is not responsible or liable for payments by DTC or the Direct or Indirect Participants or for sending transaction statements or for maintaining, supervising or reviewing records maintained by DTC or the Direct or Indirect Participants, or for any other action taken by DTC or the Direct or Indirect Participants, including the furnishing of notices to Beneficial Owners or the choice of Beneficial Owners to whom redemptions of Bonds will apply.**

In the event the Housing Development Fund determines that it is in the best interest of the Beneficial Owners that they be able to obtain Bond certificates in physical form for any of the Bonds, the Housing Development Fund may notify DTC and the Trustee, whereupon DTC will notify the Direct or Indirect Participants of the availability through DTC of the Bond certificates. In such event, the Trustee shall issue, transfer and exchange Bond certificates as requested by DTC and any other Bond owners in appropriate amounts. In any event Bond certificates are issued, the provisions of the General Resolution shall apply to, among other things, the transfer and exchange of such certificates and the method of payment of principal and interest on such Bond certificates.

Holders of the Bonds on the fifteenth day of April of each year shall be entitled to receive the principal, if any, and accrued interest due on such Bonds on the next following May 1 payment date, and holders of the Bonds on the fifteenth day of October of each year shall be entitled to receive the principal, if any, and accrued interest due on such Bonds on the next following November 1 payment date.

APPENDIX G

Form of Continuing Disclosure Agreement

This Continuing Disclosure Agreement (the “Agreement”) dated as of June 18, 2024 by and between the West Virginia Housing Development Fund (the “Housing Development Fund”) and United Bank, as trustee (the “Trustee”), pursuant to the General Housing Finance Bond Resolution, adopted by the Housing Development Fund on April 29, 1976, as amended and supplemented (the “Resolution”), is executed and delivered in connection with the issuance of the Housing Development Fund’s \$80,000,000 aggregate principal amount of Housing Finance Bonds, 2024 Series BC (the “Bonds”). Capitalized terms used in this Agreement which are not otherwise defined in the Resolution shall have the respective meanings specified above or in Article IV hereof. The parties agree as follows:

ARTICLE I **The Undertaking**

Section 1.1. Purpose. This Agreement shall constitute a written undertaking for the benefit of the holders of the Bonds.

Section 1.2. Annual Financial Information. (a) The Housing Development Fund shall provide Annual Financial Information with respect to each fiscal year of the Housing Development Fund, commencing with the fiscal year ending June 30, 2024, by no later than 180 days after the end of the respective fiscal year, to the MSRB.

(b) The Housing Development Fund shall provide, in a timely manner, notice of any failure of the Housing Development Fund to provide the Annual Financial Information by the date specified in subsection (a) above to the MSRB.

Section 1.3. Audited Financial Statements. If not provided as part of Annual Financial Information by the date required by Section 1.2(a) hereof, the Housing Development Fund shall provide Audited Financial Statements, when and if available, to the MSRB.

Section 1.4. Notice Events. (a) If a Notice Event occurs, the Housing Development Fund shall provide, in a timely manner not in excess of ten (10) business days after the occurrence of such Notice Event, notice of such Notice Event to the MSRB and the Trustee.

(b) Any such notice of a defeasance of Bonds shall state whether the Bonds have been escrowed to maturity or to an earlier redemption date and the timing of such maturity or redemption.

(c) The Trustee shall promptly advise the Housing Development Fund whenever, in the course of performing its duties as Trustee under the Resolution, the Trustee has actual notice of an occurrence which, if material, would require the Housing Development Fund to provide notice of a Notice Event hereunder; provided, however, that the failure of the Trustee so to advise the Housing Development Fund shall not constitute a breach by the Trustee of any of its duties and responsibilities under this Agreement or the Resolution.

Section 1.5. Additional Disclosure Obligations. The Housing Development Fund acknowledges and understands that other state and federal laws, including but not limited to the Securities Act of 1933 and Rule 10b-5 promulgated under the Securities Exchange Act of 1934, may apply to the Housing Development Fund and that, under some circumstances, additional disclosures or other action in addition to those required by this Agreement may be required to enable the Housing Development Fund to fully discharge all of its duties and obligations under such laws.

Section 1.6. Additional Information. Nothing in this Agreement shall be deemed to prevent the Housing Development Fund from disseminating any other information, using the means of dissemination set forth in this Agreement or any other means of communication, or including any other information in any Annual Financial Information or notice of a Notice Event hereunder, in addition to that which is required by this Agreement. If the Housing Development Fund chooses to do so, the Housing Development Fund shall have no obligation under this Agreement to update such additional information or include it in any future Annual Financial Information or notice of a Notice Event hereunder.

ARTICLE II

Operating Rules

Section 2.1. Reference to Other Documents. It shall be sufficient for purposes of Section 1.2 hereof if the Housing Development Fund provides Annual Financial Information by specific reference to documents (i) available to the public on the MSRB Internet Web site (currently, www.emma.msrb.org) or (ii) filed with the SEC. The provisions of this Section shall not apply to notices of Notice Events pursuant to Section 1.4 hereof.

Section 2.2. Submission of Information. Annual Financial Information may be set forth or provided in one document or a set of documents, and at one time or in part from time to time.

Section 2.3. Dissemination Agents. The Housing Development Fund may from time to time designate an agent to act on its behalf in providing or filing notices, documents and information as required of the Housing Development Fund under this Agreement, and revoke or modify any such designation.

Section 2.4. Transmission of Notices, Documents and Information. (a) Unless otherwise required by the MSRB, all notices, documents and information provided to the MSRB shall be provided to the MSRB's Electronic Municipal Markets Access (EMMA) system, the current Internet Web address of which is www.emma.msrb.org.

(b) All notices, documents and information provided to the MSRB shall be provided in an electronic format as prescribed by the MSRB and shall be accompanied by identifying information as prescribed by the MSRB.

Section 2.5. Fiscal Year. (a) The Housing Development Fund's current fiscal year is the twelve-month period ending on June 30. The Housing Development Fund shall promptly notify the MSRB and the Trustee of each change in its fiscal year.

(b) Annual Financial Information shall be provided at least annually notwithstanding any fiscal year longer than 12 calendar months.

ARTICLE III

Effective Date, Termination, Amendment and Enforcement

Section 3.1. Effective Date; Termination. (a) This Agreement shall be effective upon the issuance of the Bonds.

(b) The Housing Development Fund's and the Trustee's obligations under this Agreement shall terminate upon a legal defeasance, prior redemption or payment in full of all of the Bonds.

(c) This Agreement, or any provision hereof, shall be null and void in the event that the Housing Development Fund (1) delivers to the Trustee an opinion of Counsel, addressed to the Housing Development Fund and the Trustee, to the effect that those portions of the Rule which require this Agreement, or such provision, as the case may be, do not or no longer apply to such Bonds, whether because such portions of the Rule are invalid, have been repealed, or otherwise, as shall be specified in such opinion, and (2) delivers copies of such opinion to the MSRB.

Section 3.2. Amendment. (a) This Agreement may be amended, by written agreement of the parties, without the consent of the holders of the Bonds (except to the extent required under clause (4)(ii) below), if all of the following conditions are satisfied: (1) such amendment is made in connection with a change in circumstances that arises from a change in legal (including regulatory) requirements, a change in law (including rules or regulations) or in interpretations thereof, or a change in the identity, nature or status of the Housing Development Fund or the type of business conducted thereby, (2) this Agreement as so amended would have complied with the requirements of the Rule as of the date of this Agreement, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances, (3) the Housing Development Fund shall have delivered to the Trustee an opinion of Counsel, addressed to the Housing Development Fund and the Trustee, to the same effect as set forth in clause (2) above, (4) either (i) the Housing Development Fund shall have delivered to the Trustee an opinion of Counsel or a determination by a person, in each case unaffiliated with the Housing Development Fund (such as bond counsel or the Trustee) and acceptable to the Housing Development Fund, addressed to the Housing Development Fund and the Trustee, to the effect that the amendment does not materially impair the interests of the holders of the Bonds or (ii) the holders of the Bonds consent to the amendment to this Agreement pursuant to the same procedures as are required for amendments to the Resolution with consent of holders of Bonds pursuant to Section 803 of the Resolution as in effect at the time of the amendment, and (5) the Housing Development Fund shall have delivered copies of such opinion(s) and amendment to the MSRB.

(b) This Agreement may be amended, by written agreement of the parties, without the consent of the holders of the Bonds, if all of the following conditions are satisfied: (1) an amendment to the Rule is adopted, or a new or modified official interpretation of the Rule is issued, after the effective date of this Agreement which is applicable to this Agreement, (2) the Housing Development Fund shall have delivered to the Trustee an opinion of Counsel, addressed to the Housing Development Fund and the Trustee, to the effect that performance by the Housing

Development Fund and Trustee under this Agreement as so amended will not result in a violation of the Rule and (3) the Housing Development Fund shall have delivered copies of such opinion and amendment to the MSRB.

(c) This Agreement may be amended, by written agreement of the parties, without the consent of the holders of the Bonds, if all of the following conditions are satisfied: (1) the Housing Development Fund shall have delivered to the Trustee an opinion of Counsel, addressed to the Housing Development Fund and the Trustee, to the effect that the amendment is permitted by rule, order or other official pronouncement, or is consistent with any interpretive advice or no-action positions of Staff, of the SEC, and (2) the Trustee shall have delivered copies of such opinion and amendment to the MSRB.

(d) To the extent any amendment to this Agreement results in a change in the type of financial information or operating data provided pursuant to this Agreement, the first Annual Financial Information provided thereafter shall include a narrative explanation of the reasons for the amendment and the impact of the change in the type of operating data or financial information being provided.

(e) If an amendment is made pursuant to Section 3.2(a) hereof to the accounting principles to be followed by the Housing Development Fund in preparing its financial statements, the Annual Financial Information for the fiscal year in which the change is made shall present a comparison between the financial statements or information prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. Such comparison shall include a qualitative and, to the extent reasonably feasible, quantitative discussion of the differences in the accounting principles and the impact of the change in the accounting principles on the presentation of the financial information.

Section 3.3. Benefit; Third-Party Beneficiaries; Enforcement. (a) The provisions of this Agreement shall constitute a contract with, and inure solely to the benefit of, the holders from time to time of the Bonds, except that Beneficial Owners of Bonds shall be third-party beneficiaries of this Agreement and shall be deemed to be holders of Bonds for purposes of Section 3.3(b) hereof. The provisions of this Agreement shall create no rights in any person or entity except as provided in this subsection (a).

(b) The obligations of the Housing Development Fund to comply with the provisions of this Agreement shall be enforceable (i) in the case of enforcement of obligations to provide financial statements, financial information, operating data and notices, by any holder of Outstanding Bonds, or by the Trustee on behalf of the holders of Outstanding Bonds, or (ii) in the case of challenges to the adequacy of the financial statements, financial information and operating data so provided, by the Trustee on behalf of the holders of Outstanding Bonds; provided, however, that the Trustee shall not be required to take any enforcement action except at the direction of the holders of not less than 25% in aggregate principal amount of the Bonds at the time Outstanding who shall have provided the Trustee with adequate security and indemnity. The holders' and Trustee's rights to enforce the provisions of this Agreement shall be limited solely to a right, by action in mandamus or for specific performance, to compel performance of the Housing Development Fund's obligations under this Agreement.

(c) Any failure by the Housing Development Fund or the Trustee to perform in accordance with this Agreement shall not constitute a default or an Event of Default under the Resolution, and the rights and remedies provided by the Resolution upon the occurrence of a default or an Event of Default shall not apply to any such failure.

(d) This Agreement shall be construed and interpreted in accordance with the laws of the State, and any suits and actions arising out of this Agreement shall be instituted in a court of competent jurisdiction in the State; provided, however, that to the extent this Agreement addresses matters of federal securities laws, including the Rule, this Agreement shall be construed in accordance with such federal securities laws and official interpretations thereof.

ARTICLE IV **Definitions**

Section 4.1. Definitions. The following terms used in this Agreement shall have the following respective meanings:

(1) “Annual Financial Information” means, collectively, (i) updated versions of the financial information and operating data with respect to the Housing Development Fund, for each fiscal year of the Housing Development Fund, of the types included in the Official Statement under the subcaptions “Summary of Revenues, Expenses and Changes in Fund Net Position-Bond Insurance Fund” and “Management Discussion and Analysis-Bond Insurance Fund” under the caption “Nature of Bonds and Sources of Payment”; the subcaptions “Summary of Revenues, Expenses and Changes in Fund Net Position-General Fund” and “Management Discussion and Analysis-General Fund” under the caption “The Housing Development Fund”; the caption “The Housing Finance Program”; the caption “Other Programs of the Housing Development Fund” and in Appendices A-1, A-2, and A-3 and (ii) the information regarding amendments to this Agreement required pursuant to Sections 3.2(d) and (e) of this Agreement. Annual Financial Information shall include Audited Financial Statements, if available, or Unaudited Financial Statements.

The descriptions contained in clause (i) of the preceding paragraph of financial information and operating data constituting Annual Financial Information are of general categories of financial information and operating data. When such descriptions include information that no longer can be generated because the operations to which it related have been materially changed or discontinued, a statement to that effect shall be provided in lieu of such information. Any Annual Financial Information containing modified financial information or operating data shall explain, in narrative form, the reasons for the modification and the impact of the modification on the type of financial information or operating data being provided.

(2) “Audited Financial Statements” means the annual financial statements, if any, of the Housing Development Fund, audited by such auditor as shall then be required or permitted by State law or the Resolution. Audited Financial Statements shall be prepared in accordance with GAAP; provided, however, that pursuant to Sections 3.2(a) and (e) hereof, the Housing Development Fund may from time to time, if required by federal or State legal requirements, modify the accounting principles to be followed in preparing its financial statements. The notice of any such modification required by Section 3.2(a) hereof shall include a reference to the specific federal or State law or regulation describing such accounting principles, or other description thereof.

(3) “Counsel” means Hawkins Delafield & Wood LLP or other nationally recognized bond counsel or counsel expert in federal securities laws.

(4) “GAAP” means generally accepted accounting principles as prescribed from time to time for governmental units by the Governmental Accounting Standards Board, the Financial Accounting Standards Board, or any successor to the duties and responsibilities of either of them.

(5) “MSRB” means the Municipal Securities Rulemaking Board established pursuant to Section 15B(b)(1) of the Securities Exchange Act of 1934 or any successor thereto or to the functions of the MSRB contemplated by this Agreement.

(6) “Notice Event” means any of the following events with respect to the Bonds, whether relating to the Housing Development Fund or otherwise:

- (i) principal and interest payment delinquencies;
- (ii) non-payment related defaults, if material;
- (iii) unscheduled draws on debt service reserves reflecting financial difficulties;
- (iv) unscheduled draws on credit enhancements reflecting financial difficulties;
- (v) substitution of credit or liquidity providers, or their failure to perform;
- (vi) adverse tax opinions, the issuance by the Internal Revenue Service of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds;
- (vii) modifications to rights of Bondholders, if material;
- (viii) Bond calls, if material, and tender offers;
- (ix) defeasances;
- (x) release, substitution, or sale of property securing repayment of the Bonds if material;
- (xi) rating changes;
- (xii) bankruptcy, insolvency, receivership or similar event of the Housing Development Fund;

Note to clause (xii): For the purposes of the event identified in clause (xii) above, the event is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent or similar officer for the Housing Development Fund in a proceeding under the U.S. Bankruptcy Code or in any other proceeding under state

or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Housing Development Fund, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Housing Development Fund;

- (xiii) the consummation of a merger, consolidation, or acquisition involving the Housing Development Fund or the sale of all or substantially all of the assets of the Housing Development Fund, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;
- (xiv) appointment of a successor or additional trustee or the change of name of a trustee, if material;
- (xv) incurrence of a financial obligation of the Housing Development Fund, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a financial obligation of the Housing Development Fund, any of which affect Bondholders, if material; and
- (xvi) default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a financial obligation of the Housing Development Fund, any of which reflect financial difficulties.

For the purposes of the events identified in clauses (xv) and (xvi) above, the term “financial obligation” means: (A) a debt obligation; (B) a derivative instrument entered into in connection with, or pledged as security or a source of payment for, an existing or planned debt obligation; or (C) a guarantee of (A) or (B). The term “financial obligation” shall not include municipal securities as to which a final official statement has been provided to the MSRB consistent with the Rule.

(7) “Official Statement” means “final official statement”, as defined in paragraph (f)(3) of the Rule, relating to the Bonds.

(8) “Rule” means Rule 15c2-12 promulgated by the SEC under the Securities Exchange Act of 1934 (17 CFR Part 240, §240.15c2-12), as amended, as in effect on the date of this Agreement, including any official interpretations thereof issued either before or after the effective date of this Agreement which are applicable to this Agreement.

(9) “SEC” means the United States Securities and Exchange Commission.

(10) “State” means the State of West Virginia.

(11) “Unaudited Financial Statements” means the same as Audited Financial Statements, except that they shall not have been audited.

ARTICLE V
Miscellaneous

Section 5.1. Duties, Immunities and Liabilities of Trustee. The Trustee shall have only such duties under the Agreement as are specifically set forth in this Agreement, and the Housing Development Fund agrees to indemnify and save the Trustee, its officers, directors, employees and agents, harmless against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys fees) of defending against any claim of liability, but excluding liabilities due to the Trustee's negligence or willful misconduct in the performance of its duties hereunder. Such indemnity shall be separate from and in addition to that provided to the Trustee under the Resolution. The obligations of the Housing Development Fund under this Section shall survive resignation or removal of the Trustee and payment of the Bonds.

Section 5.2. Counterparts. This Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

IN WITNESS WHEREOF, the parties have each caused this Agreement to be executed by their duly authorized representatives, all as of the date first above written.
