

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications and the continuing compliance with certain tax covenants, under existing statutes, regulations, rulings and court decisions, interest on the Series 2024 Bonds (as hereinafter defined) is excludable from gross income for federal income tax purposes; and, further, interest on the Series 2024 Bonds will not be an item of tax preference for purposes of the alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Internal Revenue Code of 1986, as amended (the "Code") on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2024 Bonds is not excluded from the determination of adjusted financial statement income. See "TAX MATTERS" herein for a description of certain other federal tax consequences of ownership of the Series 2024 Bonds. Bond Counsel is further of the opinion that the Series 2024 Bonds and the interest thereon are not subject to taxation under the laws of the State of Florida, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in said Chapter 220. See "TAX MATTERS" herein.

**YARBOROUGH LANE COMMUNITY DEVELOPMENT DISTRICT
(POLK COUNTY, FLORIDA)**

**\$11,990,000*
SPECIAL ASSESSMENT BONDS, SERIES 2024
(SERIES 2024 PROJECT)**

INTRODUCTION

The purpose of this Limited Offering Memorandum, including the cover page, inside cover and appendices hereto, is to provide certain information in connection with the issuance and sale by Yarborough Lane Community Development District (the "District" or the "Issuer") of its \$11,990,000* aggregate principal amount of Special Assessment Bonds, Series 2024 (Series 2024 Project) (the "Series 2024 Bonds").

PROSPECTIVE INVESTORS SHOULD BE AWARE OF CERTAIN RISK FACTORS, ANY OF WHICH, IF MATERIALIZED TO A SUFFICIENT DEGREE, COULD DELAY OR PREVENT PAYMENT OF PRINCIPAL OF AND/OR INTEREST ON THE SERIES 2024 BONDS. THE SERIES 2024 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2024 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES PROMULGATED THEREUNDER. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2024 BONDS. See "SUITABILITY FOR INVESTMENT" and "BONDOWNERS' RISKS" herein.

The District is a local unit of special-purpose government of the State of Florida (the "State"), created in accordance with the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. 2022-31 duly enacted by the Board of County Commissioners of Polk County, Florida (the "County") on May 3, 2022 (the "Ordinance"). The District was created for the purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined) and has previously determined to undertake, in one or more stages, the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of the District Lands. The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, or equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The District encompasses approximately 157 gross acres of land (the "District Lands"), located within the County. The Development is located in close proximity to U.S. Highway 98, which provides convenient access to Interstate 4, approximately 11 miles to the north of the Development. For more complete information about the District, its Board of Supervisors and the District Manager, see "THE DISTRICT" herein.

* Preliminary, subject to change.

The District Lands are being developed as a residential community known as "Touchstone" (collectively, the "Development"). At buildout, the Development is planned to contain 558 single-family residential units. See "THE DEVELOPMENT" herein for more information.

Land development associated with the District Lands is scheduled to occur in phases. Phase One of the Development contains approximately 65.20 acres of land and is planned for 238 residential units ("Assessment Area One"). Phase Two of the Development contains the remaining developable land within the District and is planned for 320 residential units ("Assessment Area Two"). The Series 2024 Bonds will finance a portion of the Capital Improvement Plan associated with Assessment Area One (as further described herein, the "Series 2024 Project"). See "THE CAPITAL IMPROVEMENT PLAN AND THE SERIES 2024 PROJECT" herein for more information.

The Series 2024 Bonds will be secured by the Series 2024 Special Assessments, which will initially be levied on all of the approximately 65.20 gross acres within Assessment Area One. As lots are platted, the Series 2024 Special Assessments will be assigned to the 238 lots planned within Assessment Area One, in accordance with the Assessment Methodology (as defined herein). See "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY" hereto for more information regarding the Series 2024 Special Assessments.

It is anticipated that the District will issue one or more additional series of bonds to finance the remaining public infrastructure improvements for Assessment Area Two. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Additional Bonds" herein for more information.

Clayton Properties Group, Inc., a Tennessee corporation doing business as Highland Homes and a wholly owned subsidiary of Berkshire Hathaway (the "Developer"), is the developer and one of the homebuilders for the Development. See "THE DEVELOPER" herein for more information. The Developer has also entered into a contract with NVR (as defined herein) for the sale of one hundred fifty (150) developed lots within the Development, of which fifty-nine (59) are expected to be located within Assessment Area One, in a series of takedowns. See "THE DEVELOPMENT – The Builder and the Builder Contract" herein for more information.

The Series 2024 Bonds are being issued pursuant to the Act, Resolution No. 2022-26 and Resolution No. 2024-03 adopted by the Board of Supervisors (the "Board") of the District on January 18, 2022 and June 19, 2024 (collectively, the "Resolution"), and a Master Trust Indenture dated as of August 1, 2024 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture, dated as August 1, 2024 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"). Capitalized terms not otherwise defined herein shall have the meanings assigned to them in the Indenture. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" hereto.

The Series 2024 Bonds are being issued for the purposes of: (i) providing funds to pay all or a portion of the costs of the planning, financing, acquisition, construction, equipping and installation of the Series 2024 Project, (ii) funding a deposit to the Series 2024 Reserve Account in the amount of the Series 2024 Reserve Requirement (each as defined herein), (iii) paying a portion of the interest coming due on the Series 2024 Bonds and (iv) paying the costs of issuance of the Series 2024 Bonds. See "ESTIMATED SOURCES AND USES OF FUNDS" herein.

The Series 2024 Bonds are payable from and secured solely by the Series 2024 Pledged Revenues. The Series 2024 Pledged Revenues for the Series 2024 Bonds consist of (a) all revenues received by the District from Series 2024 Special Assessments levied and collected on the assessable lands within Assessment Area One (each as defined herein), benefitted by the Series 2024 Project, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2024 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2024 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture created and established with respect to or for the benefit of the Series 2024 Bonds; provided, however, that Series 2024 Pledged Revenues shall not include (A) any moneys transferred to the Series 2024 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2024 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the Issuer under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the Issuer under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS" herein.

Set forth herein are brief descriptions of the District, the Capital Improvement Plan, the Series 2024 Project, Assessment Area One, the Developer and the Development, together with summaries of terms of Series 2024 Bonds, the Indenture, and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and the Act and all references to the Series 2024 Bonds are qualified by reference to the definitive forms thereof and the information with respect thereto contained in the Indenture. Proposed forms of the Master Indenture and the First Supplemental Indenture appear as APPENDIX B attached hereto.

This Limited Offering Memorandum speaks only as of its date and the information contained herein is subject to change.

Redemption Provisions

Optional Redemption

The Series 2024 Bonds maturing after May 1, 20__ may, at the option of the District be called for redemption prior to maturity as a whole or in part, at any time, on or after May 1, 20__ (less than all Series 2024 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2024 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date through which interest has been paid to the redemption date from moneys on deposit in the Series 2024 Optional Redemption Subaccount of the Series 2024 Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Series 2024 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level.

Upon any redemption of Series 2024 Bonds other than in accordance with scheduled mandatory sinking fund redemption amounts, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2024 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2024 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2024 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption

The Series 2024 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below, which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2024 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2024 Prepayment Principal deposited into the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account following the payment in whole or in part of Series 2024 Special Assessments on any assessable property within Assessment Area One in accordance with the provisions of the First Supplemental Indenture, together with any excess moneys transferred by the Trustee from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount as a result of such Prepayment and pursuant the First Supplemental Indenture. If such redemption shall be in part, the District shall select such principal amount of Series 2024 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level;

(ii) from moneys, if any, on deposit in the Funds, Accounts and subaccounts regarding Assessment Area One held by the Trustee within the First Supplemental Indenture (other than the Series 2024 Rebate Fund and the Series 2024 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2024 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Master Indenture; and

(iii) upon the Completion Date, from any funds remaining on deposit in the Series 2024 Acquisition and Construction Account in accordance with the provisions of the First Supplemental

Indenture, not otherwise reserved to complete the Series 2024 Project and transferred to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account, together with moneys deposited therein in accordance with the provisions of the First Supplemental Indenture, as a result of the reduction of the Series 2024 Reserve Requirement. If such redemption shall be in part, the District shall select such principal amount of Series 2024 Bonds to be redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level.

Notice of Redemption

When required to redeem or purchase Series 2024 Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall cause notice of the redemption, either in whole or in part, to be provided by Electronic Means or mailed at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2024 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2024 Bonds for which notice was duly mailed in accordance with the Indenture. If, at the time of mailing of notice of an optional redemption, the District shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all of the Series 2024 Bonds called for redemption, such notice shall expressly state that the redemption is conditional and is subject to the deposit of the redemption moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption date or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

Book-Entry Only System

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Series 2024 Bonds. The Series 2024 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2024 Bond certificate will be issued for each maturity of the Series 2024 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules

applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2024 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2024 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2024 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2024 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2024 Bonds, except in the event that use of the book-entry system for the Series 2024 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2024 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2024 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2024 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2024 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2024 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2024 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2024 Bond documents. For example, Beneficial Owners of Series 2024 Bonds may wish to ascertain that the nominee holding the Series 2024 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2024 Bonds within a series or maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such series or maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2024 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2024 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Series 2024 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Trustee, on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing

instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District or the Trustee, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

A Beneficial Owner shall give notice to elect to have its Series 2024 Bonds purchased or tendered, through its Participant, to the Trustee, and shall effect delivery of such Series 2024 Bonds by causing the Direct Participant to transfer the Participant's interest in the Series 2024 Bonds, on DTC's records, to the Trustee. The requirement for physical delivery of Series 2024 Bonds in connection with an optional tender or a mandatory purchase will be deemed satisfied when the ownership rights in the Series 2024 Bonds are transferred by Direct Participants on DTC's records and followed by a book-entry credit of tendered Series 2024 Bonds to the Trustee's DTC account.

DTC may discontinue providing its services as depository with respect to the Series 2024 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2024 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry-only transfers through DTC (or a successor securities depository) pursuant to the procedures of DTC. In that event, Security certificates will be printed and delivered to DTC.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the District believes to be reliable, but the District takes no responsibility for the accuracy thereof.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS

General

THE SERIES 2024 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY FROM THE SERIES 2024 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE, AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2024 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION SERIES 2024 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2024 BONDS. THE SERIES 2024 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2024 Bonds are payable from and secured solely by the Series 2024 Pledged Revenues. The Series 2024 Pledged Revenues for the Series 2024 Bonds consist of (a) all revenues received by the District from Series 2024 Special Assessments levied and collected on the assessable lands within Assessment Area One (each as defined herein), benefitted by the Series 2024 Project, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such

Series 2024 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2024 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture created and established with respect to or for the benefit of the Series 2024 Bonds; provided, however, that Series 2024 Pledged Revenues shall not include (A) any moneys transferred to the Series 2024 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2024 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the Issuer under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the Issuer under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso).

The "Series 2024 Special Assessments" consist of the non-ad valorem special assessments imposed and levied by the District against the assessable lands within Assessment Area One as a result of the District's acquisition and/or construction of the Series 2024 Project and designated as such in the Assessment Methodology. Non-ad valorem assessments are not based on millage and are not taxes, but constitute a lien against the land as to which the Series 2024 Special Assessments are imposed, including homestead property as permitted in Section 4, Article X of the Florida State Constitution. The Series 2024 Special Assessments will constitute a lien against the land as to which the Series 2024 Special Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein. The Series 2024 Special Assessments will initially be levied on the approximately 65.20 gross acres of land within Assessment Area One.

The Series 2024 Special Assessments are levied in an amount corresponding to the debt service on the Series 2024 Bonds on the basis of benefit received by the assessable lands within the District as a result of the Series 2024 Project. The Assessment Methodology (as hereinafter defined), which describes the methodology for allocating the Series 2024 Special Assessments to the assessable lands within the District, is included as APPENDIX D attached hereto.

In the Master Indenture, the District will covenant that, if any Series 2024 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2024 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2024 Special Assessment when it might have done so, the District shall either (i) take all necessary steps to cause a new Series 2024 Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement or (ii) in its sole discretion, make up the amount of such Series 2024 Special Assessment from any legally available moneys, which shall be deposited into the Series 2024 Revenue Account. In the case such second Series 2024 Special Assessment shall be annulled, the District shall obtain and make other Series 2024 Special Assessments until a valid Series 2024 Special Assessment shall be made.

Prepayment of Series 2024 Special Assessments

The Assessment Proceedings provide that an owner of property subject to the Series 2024 Special Assessments may prepay the entire remaining balance of such Series 2024 Special Assessments at any time, or a portion of the remaining balance of such Series 2024 Special Assessment one time, if there is also paid, in addition to the prepaid principal balance of the Series 2024 Special Assessment, an amount equal to the interest that would otherwise be due on such prepaid amount on the next succeeding interest payment date for the Series 2024 Bonds or, if prepaid during the forty-five (45) day period preceding such interest payment date, to the interest payment date following such next succeeding interest payment date. Prepayment of the Series 2024 Special Assessments does not entitle the property owner to any discounts for early payment.

Pursuant to the Act and the Assessment Proceedings, an owner of property subject to the levy of Series 2024 Special Assessments may pay the entire balance of the Series 2024 Special Assessments remaining due, without interest, within thirty (30) days after the Series 2024 Project has been completed, and the Board has adopted a resolution accepting the Series 2024 Project pursuant to Chapter 170.09, Florida Statutes. The Developer, as the sole owner of the assessable property within the District, will waive this right on behalf of itself and its successors and assigns in connection with the issuance of the Series 2024 Bonds.

The Series 2024 Bonds are subject to extraordinary mandatory redemption as indicated under "DESCRIPTION OF THE SERIES 2024 BONDS – Redemption Provisions – Extraordinary Mandatory Redemption" from optional and required prepayments of Series 2024 Special Assessments by property owners.

Additional Bonds

Under the Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the Series 2024 Special Assessments. In addition, the District will covenant not to issue any other Bonds or debt obligations secured by Special Assessments on the assessable lands within the District that are subject to the Series 2024 Special Assessments, until such time as the Series 2024 Special Assessments are Substantially Absorbed or the Majority Holder has consented in writing. "Substantially Absorbed" means the date at least 75% of the principal portion of the Series 2024 Special Assessments have been assigned to residential units within the District that have received certificates of occupancy. The District shall present the Trustee with a certification that the Series 2024 Special Assessments are Substantially Absorbed, and the Trustee may rely conclusively upon such certification and shall have no duty to verify if the Series 2024 Special Assessments are Substantially Absorbed. In the absence of such written certification, the Trustee is entitled to assume that the Series 2024 Special Assessments have not been Substantially Absorbed. Such covenant shall not prohibit the District from issuing refunding Bonds or any Bonds or other obligations secured by Special Assessments levied on District Lands not subject to the Series 2024 Special Assessments, or to finance any other capital project that is necessary to remediate any natural disaster, catastrophic damage or failure with respect to the Series 2024 Project.

The District and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2024 Special Assessments without the consent of the Owners of the Series 2024 Bonds. The District expects to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2024 Special Assessments on the same lands upon which the Series 2024 Special Assessments are imposed, to fund the maintenance and operation of the District. See "THE DEVELOPMENT – Taxes, Fees and Assessments" and "BONDOWNERS' RISKS" herein for more information.

Covenant Against Sale or Encumbrance

In the Master Indenture, the District will covenant that (a) except for those improvements comprising the Projects that are to be conveyed by the District to the County, the State Department of Transportation or another governmental entity, as to which no assessments of the District will be imposed and (b) except as otherwise permitted in the Master Indenture, it will not sell, lease or otherwise dispose of or encumber any Projects or any part thereof. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" herein.

Acquisition and Construction Account

The Indenture establishes a separate account within the Acquisition and Construction Fund designated as the "Series 2024 Acquisition and Construction Account." Net proceeds of the Series 2024 Bonds shall initially be deposited into the Series 2024 Acquisition and Construction Account in the amount set forth in the First Supplemental Indenture, together with any moneys subsequently transferred or deposited thereto, including moneys transferred from the Series 2024 Reserve Account after satisfaction of either the Reserve Release Conditions #1 or Reserve Release Conditions #2 (as defined herein) as certified in writing by the District Manager and upon which the Trustee may conclusively rely. Such moneys shall be applied as set forth in the Indenture and, by the District, as set forth in the Acquisition Agreement and the Engineer's Report. Funds on deposit in the Series 2024 Acquisition and Construction Account shall be requested by the District only to be applied to the Costs of the Series 2024 Project, subject to the First Supplemental Indenture. Upon satisfaction of Reserve Release Conditions #1 or Reserve Release Conditions #2, the amount on deposit in the Series 2024 Reserve Account in excess of the Series 2024 Reserve Requirement, as applicable and as calculated by the District, who shall be responsible for certifying the Trustee in writing that such Reserve Release Conditions #1 or Reserve Release Conditions #2 were satisfied, shall then be transferred by the Trustee to the Series 2024 Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, upon consultation with the Consulting Engineer, and applied as provided in the First Supplemental Indenture. The Trustee shall have no duty to review if either Reserve Release Conditions #1 or Reserve Release Conditions #2 have been satisfied.

Following the Completion Date of the Series 2024 Project, all moneys remaining in the Series 2024 Acquisition and Construction Account that have not been requisitioned within thirty (30) days after satisfaction of the Reserve Release Conditions #1 and #2, shall be transferred to the Series 2024 General Redemption Subaccount, as directed in writing by the District Manager on behalf of the District to the Trustee, to be applied as provided in the First Supplemental Indenture. Notwithstanding the foregoing, the Series 2024 Acquisition and Construction Account shall not be closed until after the Reserve Release Conditions #2 shall have occurred and the excess funds from the Series 2024 Reserve Account shall have been transferred to the Series 2024 Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, and applied in accordance with the First Supplemental Indenture.

The Trustee shall not be responsible for determining the amount in the Series 2024 Acquisition and Construction Account allocable to the Series 2024 Project or any transfers made to such Account in accordance with direction from the District Manager as provided for in the Indenture. The Trustee shall make no such transfer from the Series 2024 Acquisition and Construction Account to the Series 2024 General Redemption Subaccount if an Event of Default exists with respect to the Series 2024 Bonds of which the Trustee has actual notice as described in the Master Indenture. Except as provided in the First Supplemental Indenture, only upon presentment to the Trustee of a properly signed requisition in substantially the form attached to the First Supplemental Indenture shall the Trustee withdraw moneys from the Series 2024 Acquisition and Construction Account or subaccounts therein. After no funds remain in the Series 2024 Acquisition and Construction Account, such Account shall be closed.

The District will acknowledge in the First Supplemental Indenture that, anything in the Indenture to the contrary notwithstanding, the Series 2024 Pledged Revenues securing the Series 2024 Bonds include, without limitation, all amounts on deposit in the Series 2024 Acquisition and Construction Account then held by the Trustee, and that upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, (i) the Series 2024 Pledged Revenues may not be used by the District (whether to pay costs of the Series 2024 Project or otherwise) without the consent of the Majority Holders and (ii) the Series 2024 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay costs and expenses incurred in connection with the pursuit of remedies under the Indenture; provided, however, notwithstanding anything in the First Supplemental Indenture to the contrary, the Trustee is also

authorized to utilize the Series 2024 Pledged Revenues to pay fees and expenses as provided in the Master Indenture. See " – Events of Default and Remedies" herein for more information.

Reserve Account

The Indenture establishes a separate account within the Reserve Fund designated as the "Series 2024 Reserve Account" solely for the benefit of the Series 2024 Bonds. Net proceeds of the Series 2024 Bonds shall be deposited into the Series 2024 Reserve Account in the amount of the Series 2024 Reserve Requirement, and such moneys, together with any other moneys deposited into the Series 2024 Reserve Account shall be applied for the purposes provided in the Indenture.

"Series 2024 Reserve Requirement" or "Reserve Requirement" shall be (i) initially, an amount equal to the maximum annual debt service on the Series 2024 Bonds as calculated from time to time; (ii) upon the occurrence of Reserve Release Conditions #1, fifty percent (50%) of the maximum annual debt service on the Series 2024 Bonds as calculated from time to time; and (iii) upon the occurrence of the Reserve Release Conditions #2, ten percent (10%) of the maximum annual debt service on the Series 2024 Bonds as calculated from time to time. Upon satisfaction of the Reserve Release Conditions #1 or Reserve Release Conditions #2, as applicable, such excess amount shall be released from the Series 2024 Reserve Account and transferred to the Series 2024 Acquisition and Construction Account in accordance with the provisions of the First Supplemental Indenture. For the purpose of calculating the Series 2024 Reserve Requirement, maximum annual debt service, fifty percent (50%) of maximum annual debt service or ten percent (10%) of maximum annual debt service, as the case may be, shall be recalculated in connection with the extraordinary mandatory redemption described in the First Supplemental Indenture (but not upon the optional or mandatory sinking fund redemption thereof) and such excess amount shall be released from the Series 2024 Reserve Account and, other than as provided in the immediately preceding sentence, transferred to the Series 2024 General Redemption Subaccount or the Series 2024 Prepayment Subaccount as applicable, in accordance with the provisions of the First Supplemental Indenture. Amounts on deposit in the Series 2024 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2024 Bonds be used to pay principal of and interest on the Series 2024 Bonds at that time. Initially, the Series 2024 Reserve Requirement shall be equal to \$_____.

"Reserve Release Conditions #1" shall mean collectively (i) all of the Outstanding principal amount of the Series 2024 Special Assessments shall have been assigned to lots that have been developed and platted, and (ii) there shall be no Events of Default under the Indenture, all as certified by the District Manager in writing and upon which the Trustee may conclusively rely.

"Reserve Release Conditions #2" shall mean collectively (i) satisfaction of Reserve Release Conditions #1, (ii) all of the Outstanding principal portion of the Series 2024 Special Assessments have been assigned to homes that have received a certificate of occupancy, and (iii) there shall be no Events of Default under the Indenture, all as certified by the District Manager in writing and upon which the Trustee may conclusively rely.

Notwithstanding any provisions in the Master Indenture to the contrary, the District shall covenant not to substitute the cash and Investment Securities on deposit in the Series 2024 Reserve Account with a Debt Service Reserve Insurance Policy or a Debt Service Reserve Letter of Credit. Except as provided in the next paragraph, all investment earnings on moneys in the Series 2024 Reserve Account shall remain on deposit therein.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2024 Reserve Account and transfer any excess therein above the Series 2024 Reserve Requirement resulting from

investment earnings to the Series 2024 Acquisition and Construction Account and, if such Account is closed, to the Series 2024 Revenue Account in accordance with the Indenture.

Subject to the provisions of the First Supplemental Indenture, on any date the District receives notice from the District Manager that any landowner wishes to prepay its Series 2024 Special Assessments relating to the benefited property of such landowner, or as a result of a mandatory true-up payment, the District shall, or shall cause the District Manager on behalf of the District, to calculate the principal amount of such Prepayment, taking into account a credit against the amount of the Series 2024 Prepayment Principal due by the amount of money in the Series 2024 Reserve Account that will exceed the Series 2024 Reserve Requirement for the Series 2024 Bonds, taking into account the proposed Prepayment. Such excess shall be transferred to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the respective landowner from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2024 Bonds in accordance with the Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding any of the foregoing, amounts on deposit in the Series 2024 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2024 Bonds, to the Series 2024 General Redemption Subaccount, if as a result of the application of the provisions of the Master Indenture with respect to Events of Default, the proceeds received from lands sold subject to the Series 2024 Special Assessments and applied to redeem a portion of the Series 2024 Bonds is less than the principal amount of Series 2024 Bonds indebtedness attributable to such lands.

Notwithstanding the foregoing, upon satisfaction of the Reserve Release Conditions #1 and #2, the Trustee shall deposit such excess as directed by the District Manager in writing on deposit in the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account and pay such amount to the District as designated in a requisition in the form attached to the First Supplemental Indenture submitted by the Series 2024 Landowner within thirty (30) days of such transfer, which requisition shall be executed by the District and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared, provided the Series 2024 Landowner can establish, to the satisfaction of the Consulting Engineer, costs of the Series 2024 Project that were not paid from moneys initially deposited in the Series 2024 Acquisition and Construction Account. In the event that there are no unreimbursed costs to pay to the Series 2024 Landowner, such excess moneys transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account shall be deposited into the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account upon direction to the Trustee by the District. If no completed requisition as provided in this section is submitted to the Trustee within thirty (30) days of moneys having been transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account as a result of the satisfaction of the Reserve Release Conditions #1 and #2, such excess moneys in the Series 2024 Acquisition and Construction Account shall then be transferred by the Trustee to the Series 2024 General Redemption Subaccount and applied to the redemption of the Series 2024 Bonds as provided in the First Supplemental Indenture.

In addition, and together with the moneys transferred from the Series 2024 Reserve Account pursuant to this paragraph, if the amount on deposit in the Series 2024 General Redemption Subaccount is not sufficient to redeem a principal amount of the Series 2024 Bonds in an Authorized Denomination, the Trustee is authorized to withdraw amounts from the Series 2024 Revenue Account to round up the amount in the Series 2024 General Redemption Subaccount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2024 Revenue Account shall be made to pay interest on and/or principal of the Series 2024 Bonds for the redemption pursuant to the First Supplemental Indenture if as a result the deposits required under the First Supplemental Indenture cannot be made in full.

It shall be an event of default under the Indenture if at any time the amount in the Series 2024 Reserve Account is less than the Reserve Requirement therefor as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement for the Series 2024 Bonds and such amount has not been restored within thirty (30) days of such withdrawal.

Deposit and Application of the Pledged Revenues

Pursuant to the Indenture, the Trustee shall establish a separate account with the Revenue Fund designated as the "Series 2024 Revenue Account." Series 2024 Special Assessments (except for Prepayments of Series 2024 Special Assessments which shall be identified as such by the District to the Trustee and deposited in the Series 2024 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2024 Revenue Account and applied as set forth in the Indenture. The Trustee shall transfer from amounts on deposit in the Series 2024 Revenue Account to the Funds, Accounts and subaccounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, commencing November 1, 2024, to the Series 2024 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2024 Bonds becoming due on the next succeeding Interest Payment Date, less any amount on deposit in the Series 2024 Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each May 1, commencing May 1, 20__, to the Series 2024 Sinking Fund Account, an amount equal to the principal amount of Series 2024 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2024 Sinking Fund Account not previously credited;

THIRD, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2024 Bonds remain Outstanding, to the Series 2024 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2024 Reserve Requirement for the Series 2024 Bonds;

FOURTH, notwithstanding the foregoing, at any time the Series 2024 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2024 Interest Account, the amount necessary to pay interest on the Series 2024 Bonds subject to redemption on such date; and

FIFTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2024 Costs of Issuance Account upon the written request of the District to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2024 Bonds and next, any balance in the Series 2024 Revenue Account shall remain on deposit in such Series 2024 Revenue Account, unless needed to be transferred to the Series 2024 Prepayment Subaccount for the purposes of rounding the principal amount of a Series 2024 Bond subject to extraordinary mandatory redemption pursuant to the First Supplemental Indenture to an Authorized Denomination, or unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2024 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

Investments

The Trustee shall, as directed by the District in writing, invest moneys held in the Series Accounts in the Debt Service Fund and any Series Account within the Bond Redemption Fund only in Investment Securities (as defined in the Master Indenture). The Trustee shall, as directed by the District in writing, invest moneys held in the Series 2024 Reserve Account of the Debt Service Reserve Fund in Investment

Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth in the Master Indenture. All securities securing investments under the Indenture shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the Indenture, any interest and other income so received shall be deposited in the applicable Series Account of the Revenue Fund. Upon written request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the respective Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" attached hereto.

Master Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner

For purposes of the following, (a) the Series 2024 Bonds secured by and payable from Special Assessments levied against property owned by any Insolvent Taxpayer (defined below) are collectively referred to herein as the "Affected Bonds" and (b) the Special Assessments levied against any Insolvent Taxpayer's property and pledged under a Supplemental Indenture as security for the Affected Bonds are collectively referred to herein as the "Affected Special Assessments." The Master Indenture contains the following provisions which, pursuant to the Indenture, shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (herein, an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the District shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The District has agreed in the Master Indenture that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

In the Master Indenture, the District will acknowledge and agree that, although the Affected Bonds were issued by the District, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the District will agree in the Master Indenture that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture; (b) the District has agreed in the Master Indenture that it shall not make any election,

give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) to the extent permitted by law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal of the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District will agree in the Master Indenture that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim. See "BONDOWNERS' RISKS – Bankruptcy Risks" herein.

Events of Default and Remedies

The Master Indenture provides that each of the following shall be an "Event of Default" under the Indenture, with respect to the Series 2024 Bonds:

- (a) if payment of any installment of interest on any Series 2024 Bond is not made when it becomes due and payable; or
- (b) if payment of the principal or Redemption Price of any Series 2024 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or
- (c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act, as determined by a Majority Holder of the Series 2024 Bonds; or
- (d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or
- (e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in any Series 2024 Bond and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such

notice in its discretion and shall give such notice at the written request of the Majority Holder of the Outstanding Series 2024 Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the Debt Service Reserve Fund or any account therein is less than the Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Series 2024 Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or

(g) if, at any time after eighteen months following issuance of the Series 2024 Bonds, more than twenty percent (20%) of the "maintenance special assessments" levied by the District on District lands upon which the Series 2024 Special Assessments are levied to secure the Series 2024 Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

No Series 2024 Bonds shall be subject to acceleration. Upon occurrence and continuance of an Event of Default with respect to the Series 2024 Bonds, no optional redemption or extraordinary mandatory redemption of Series 2024 Bonds pursuant to the Indenture shall occur unless all of the Series 2024 Bonds will be redeemed or if 100% of the Holders of the Series 2024 Bonds agree to such redemption; provided, however, that the foregoing provision shall not prevent a pro rata default distribution pursuant to the Master Indenture.

If any Event of Default with respect to the Series 2024 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holder of the Outstanding Series 2024 Bonds and receipt of indemnity to its satisfaction shall, in its capacity as Trustee:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2024 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Bondholders of the Series 2024 Bonds and to perform its or their duties under the Act;

(b) bring suit upon the Series 2024 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2024 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2024 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2024 Bonds.

If any proceeding taken by the Trustee on account of any Event of Default with respect to the Series 2024 Bonds is discontinued or is determined adversely to the Trustee, then the District, the Trustee, the

Paying Agent and the Bondholders of the Series 2024 Bonds shall be restored to their former positions and rights under the Indenture as though no such proceeding had been taken.

Subject to the provisions of the Indenture, the Majority Holder of the Outstanding Series 2024 Bonds then subject to remedial proceedings under the Master Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law or the provisions of the Indenture.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2024 Bonds is the collection of Series 2024 Special Assessments imposed on certain assessable lands in the District specially benefited by the Series 2024 Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY."

The imposition, levy, and collection of Series 2024 Special Assessments must be done in compliance with the provisions of Florida law. Failure by the District, the Polk County Tax Collector ("Tax Collector") or the Polk County Property Appraiser ("Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2024 Special Assessments during any year. Such delays in the collection of Series 2024 Special Assessments, or complete inability to collect the Series 2024 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2024 Bonds. See "BONDOWNERS' RISKS." To the extent that landowners fail to pay the Series 2024 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2024 Bonds.

For the Series 2024 Special Assessments to be valid, the Series 2024 Special Assessments must meet two requirements: (1) the benefit from the Series 2024 Project to the lands subject to the Series 2024 Special Assessments must exceed or equal the amount of the Series 2024 Special Assessments, and (2) the Series 2024 Special Assessments must be fairly and reasonably allocated across all such benefitted properties. The Certificate of the Methodology Consultant will certify that these requirements have been met with respect to the Series 2024 Special Assessments.

Pursuant to the Act and the Assessment Proceedings, the District may collect the Series 2024 Special Assessments through a variety of methods. Initially, and for undeveloped properties owned by the Developer, the District will directly issue annual bills to landowners requiring payment of the Series 2024 Special Assessments and will enforce that bill through foreclosure proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" and "APPENDIX D: ASSESSMENT METHODOLOGY." As lands are developed and platted, the Series 2024 Special Assessments will be added to the County tax roll and collected pursuant to the Uniform Method. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing & Foreclosure Procedure

As noted above, and pursuant to Chapters 170 and 190 of the Florida Statutes, the District may directly levy, collect and enforce the Series 2024 Special Assessments. In this context, Section 170.10 of the Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of the

annual installment of principal and/or interest of a special assessment due, including the Series 2024 Special Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2024 Special Assessments and the ability to foreclose the lien of such Series 2024 Special Assessments upon the failure to pay such Series 2024 Special Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2024 Special Assessments. See "BONDOWNERS' RISKS."

Uniform Method Procedure

Subject to certain conditions, and for developed lands (as described above), the District may alternatively elect to collect the Series 2024 Special Assessments using the Uniform Method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2024 Special Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2024 Special Assessments will be collected together with the County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments – including the Series 2024 Special Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2024 Special Assessments. In other words, any partial prepayment by a landowner must be distributed in equal proportion to all taxing districts and levying authorities.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2024 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2024 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2024 Bonds.

Under the Uniform Method, if the Series 2024 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2024 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2024 Special Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2024 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2024 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2024 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2024 Special Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2024 Special Assessments), interest, costs and charges on the real property described in the certificate.

Unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees, any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued, and at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

For any holder other than the County, a tax certificate expires seven (7) years after the date of issuance if a tax deed has not been applied for and no other administrative or legal proceeding, including a bankruptcy, has existed of record. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales

and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens, certain easements, and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates, accrued taxes, and liens of any nature against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2024 Special Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2024 Special Assessments, which are the

primary source of payment of the Series 2024 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDHOLDERS' RISKS."

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described in other headings of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2024 Bonds offered hereby and are set forth below. Prospective investors in the Series 2024 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2024 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2024 Bonds, and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2024 Bonds.

Concentration of Land Ownership

As of the date hereof, the Developer owns all of the assessable lands within Assessment Area One, which are the lands that will be subject to the Series 2024 Special Assessments securing the Series 2024 Bonds. Payment of the Series 2024 Special Assessments is primarily dependent upon their timely payment by the Developer and the other future landowners in Assessment Area One. Non-payment of the Series 2024 Special Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay debt service on the Series 2024 Bonds. See "THE DEVELOPER" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS" herein.

Bankruptcy and Related Risks

In the event of the institution of bankruptcy or similar proceedings with respect to the Developer or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2024 Bonds, as such bankruptcy could negatively impact the ability of: (i) the Developer and any other landowner to pay the Series 2024 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2024 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2024 Special Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2024 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2024 Bonds, including, without limitation, enforcement of the obligation to pay Series 2024 Special Assessments and the ability of the District to foreclose the lien of the Series 2024 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2024 Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the

landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an "Insolvent Taxpayer" (as previously defined). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Master Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner" herein. The District cannot express any view whether such delegation would be enforceable.

Series 2024 Special Assessments Are Non-Recourse

The principal security for the payment of the principal and interest on the Series 2024 Bonds is the timely collection of the Series 2024 Special Assessments. The Series 2024 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Developer or subsequent landowners will be able to pay the Series 2024 Special Assessments or that they will pay such Series 2024 Special Assessments even though financially able to do so. Neither the Developer nor any other subsequent landowners have any personal obligation to pay the Series 2024 Special Assessments. Neither the Developer nor any subsequent landowners are guarantors of payment of any Series 2024 Special Assessments, and the recourse for the failure of the Developer or any subsequent landowner to pay the Series 2024 Special Assessments is limited to the collection proceedings against the land subject to such unpaid Series 2024 Special Assessments, as described herein. Therefore the likelihood of collection of the Series 2024 Special Assessments may ultimately depend on the market value of the land subject to the Series 2024 Special Assessments. While the ability of the Developer or subsequent landowners to pay the Series 2024 Special Assessments is a relevant factor, the willingness of the Developer or subsequent landowners to pay the Series 2024 Special Assessments, which may also be affected by the value of the land subject to the Series 2024 Special Assessments, is also an important factor in the collection of Series 2024 Special Assessments. The failure of the Developer or subsequent landowners to pay the Series 2024 Special Assessments could render the District unable to collect delinquent Series 2024 Special Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2024 Bonds.

Regulatory and Environmental Risks

The development of the District Lands, including Assessment Area One, is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals" herein for more information.

The value of the land within the District, the success of the Development, the development of Assessment Area One and the likelihood of timely payment of principal and interest on the Series 2024 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within

Assessment Area One and the likelihood of the timely payment of the Series 2024 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" for information on environmental site assessments obtained or received. Such information is being provided solely for informational purposes, and nothing herein or in such assessments grants any legal rights or remedies in favor of the Series 2024 Bondholders in the event any recognized environmental conditions are later found to be present on District Lands. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within Assessment Area One. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of lands within Assessment Area One.

The value of the lands subject to the Series 2024 Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2024 Bonds. The Series 2024 Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Economic Conditions and Changes in Development Plans

The successful development of Assessment Area One and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developer. Moreover, the Developer has the right to modify or change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Other Taxes and Assessments

The willingness and/or ability of an owner of benefited land to pay the Series 2024 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2024 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2024 Special Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2024 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with

respect to such Series 2024 Special Assessment, even though the landowner is not contesting the amount of the Series 2024 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

Limited Secondary Market for Series 2024 Bonds

The Series 2024 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2024 Bonds in the event an Owner thereof determines to solicit purchasers for the Series 2024 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2024 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2024 Bonds, depending on the progress of development of the Development and Assessment Area One, existing real estate and financial market conditions and other factors.

Inadequacy of Reserve Account

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Series 2024 Special Assessments, may not adversely affect the timely payment of debt service on the Series 2024 Bonds because of the moneys on deposit in the Series 2024 Reserve Account. The ability of the Series 2024 Reserve Account to fund deficiencies caused by delinquencies in the payment of the Series 2024 Special Assessments is dependent on the amount, duration and frequency of such deficiencies. Moneys on deposit in the Series 2024 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in the Series 2024 Reserve Account to make up deficiencies. If the District has difficulty in collecting the Series 2024 Special Assessments, the moneys on deposit in the Series 2024 Reserve Account would be rapidly depleted and the ability of the District to pay debt service on the Series 2024 Bonds could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2024 Reserve Account and such other Funds, Accounts and subaccounts created under the Master Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2024 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2024 Special Assessments in order to provide for the replenishment of the Series 2024 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Reserve Account" herein for more information about the Series 2024 Reserve Account.

Legal Delays

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2024 Special Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the Series 2024 Bonds to allow funds on deposit under the Indenture

to be used to pay the costs of the foreclosure action. Under the Code (as defined herein), there are limitations on the amounts of proceeds from the Series 2024 Bonds that can be used for such purpose.

IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations required that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by the landowners and none were elected by qualified electors. The Developer will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2024 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Series 2024 Bonds are advised that, if the IRS does audit the Series 2024 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2024 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2024 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds would adversely affect the availability of any secondary market for the Series 2024 Bonds. Should interest on the Series 2024 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2024 Bonds be required to pay income taxes on the interest received on such Series 2024 Bonds and related penalties, but because the interest rate on such Series 2024 Bonds will not be adequate to compensate Owners of the Series 2024 Bonds for the income taxes due on such interest, the value of the Series 2024 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE SERIES 2024 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2024 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2024 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2024 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2024 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

Loss of Exemption from Securities Registration

The Series 2024 Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for securities issued by political subdivisions. It is possible that federal or state regulatory authorities could in the future determine that the District is not a political subdivision for purposes of federal and state securities laws, including without limitation as the result of a determination by the IRS, judicial or otherwise, of the District's status for purposes of the Code. In such event, the District and purchasers of Series 2024 Bonds

may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Series 2024 Bonds would need to ensure that subsequent transfers of the Series 2024 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

Federal Tax Reform

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2024 Bonds, by eliminating or changing the tax-exempt status of interest on such bonds. Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2024 Bonds cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS" herein.

State Tax Reform

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renewed requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2024 Bonds. It should be noted that Section 190.016(14) of the Act provides in pertinent part that "The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders."

Insufficient Resources or Other Factors Causing Failure to Complete Development

The cost to finish the Series 2024 Project will exceed the net proceeds from the Series 2024 Bonds. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the Series 2024 Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the Series 2024 Project. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Additional Bonds" for more information.

Although the Developer will agree to fund or cause to be funded the completion of the Series 2024 Project regardless of the insufficiency of proceeds from the Series 2024 Bonds and will enter into a completion agreement with the District as evidence thereof, there can be no assurance that the Developer

will have sufficient resources to do so. Such obligation of the Developer is an unsecured obligation. See "THE DEVELOPER" herein for more information.

There are no assurances that the Series 2024 Project and any other remaining development work associated with Assessment Area One will be completed, or that homes will be constructed thereon following completion. Further, there is a possibility that, even if Assessment Area One is developed, the Builder may not close on its lots therein, and such failure to close could negatively impact the construction and sale of homes in Assessment Area One. The Builder Contract may also be terminated by the Builder upon the occurrence or failure to occur of certain conditions set forth therein. See "THE DEVELOPMENT – The Builder and the Builder Contract" herein for more information about the Builder and the Builder Contract.

Pandemics and Other Public Health Emergencies

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Developer, the timely and successful completion of the Development, the purchase of lots therein by the Builder and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also "Economic Conditions and Changes in Development Plans" and "Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2024 Bonds.

Prepayment and Redemption Risk

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2024 Bonds are subject to extraordinary mandatory redemption, including, without limitation, as a result of prepayments of the Series 2024 Special Assessments by the Developer or subsequent owners of the property within Assessment Area One. Any such redemptions of the Series 2024 Bonds would be at the principal amount of such Series 2024 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2024 Bonds may not realize their anticipated rate of return on the Series 2024 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2024 Bonds. See "DESCRIPTION OF THE SERIES 2024 BONDS – Redemption Provisions," "– Purchase of Series 2024 Bonds" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Prepayment of Series 2024 Special Assessments" herein for more information.

Payment of Series 2024 Special Assessments after Bank Foreclosure

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2024 Special Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

THE DISTRICT

General

The District is an independent local unit of special-purpose government created in accordance with the Act. The District was established under Ordinance No. 2022-31, which was enacted by the County on May 3, 2022 (the "Ordinance"). The District encompasses approximately 157 gross acres of land located within the incorporated municipal boundaries of the County. The District is located in close proximity to U.S. Highway 98, which provides convenient access to Interstate 4, approximately 11 miles to the north of the Development. The District Lands are being developed as a planned residential community known as "Touchstone" (the "Development"). See "THE DEVELOPMENT" herein for more information.

Governance

The Act provides that a five-member Board of Supervisors (the "Board") serves as the governing body of the District. Members of the Board (the "Supervisors") must be residents of the State and citizens of the United States. Initially, the Supervisors were appointed in the Ordinance. Within 90 days after formation of the District, an election was held pursuant to which new Supervisors were elected on an at-large basis by the owners of the property within the District. Ownership of land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number). A Supervisor serves until expiration of his or her term and until his or her successor is chosen and qualified. If, during a term of office, a vacancy occurs, the remaining Supervisors may fill the vacancy by an appointment of an interim Supervisor for the remainder of the unexpired term.

At the initial election held within 90 days after formation of the District, the landowners in the District elected two Supervisors to four-year terms and three Supervisors to two-year terms. Thereafter, the elections take place every two years, with the first such election being held on the first Tuesday in November, and subsequent elections being held on a date in November established by the Board. Upon the later of six years after the initial appointment of Supervisors and the year when the District next attains at least 250 qualified electors, Supervisors whose terms are expiring will begin to be elected by qualified electors of the District. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, each elected to four-year terms. The seat of the remaining Supervisor whose term is expiring at such election shall be filled by a Supervisor who is elected by the landowners for a four-year term and who is not required to be a qualified elector. Thereafter, as terms expire, all Supervisors must be qualified electors and must be elected by qualified electors to serve staggered four-year terms.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under State law governing public officials for a Supervisor to be a stockholder, officer or employee of an owner of the land within the District.

The current members of the Board and the date of expiration of the term of each member are set forth below:

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Milton Andrade*	Chair	November 2026
Brian Walsh*	Vice-Chair	November 2026
Kareyann Ellison*	Assistant Secretary	November 2024
Jeffrey Shenefield*	Assistant Secretary	November 2024
Garret Parkinson*	Assistant Secretary	November 2024

* Elected by the landowners; employee of or affiliated with the Developer or its affiliates.

A majority of the Supervisors constitutes a quorum for the purposes of conducting the business of the District and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of the majority of the Supervisors present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under the State's "sunshine" or open meetings law.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter.

Among other provisions, the Act gives the District's Board of Supervisors the authority: (a) to finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems, facilities, and basic infrastructure for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges, (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system, (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines, (iv) conservation areas, mitigation areas, and wildlife habitat, (v) any other project, facility, or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District, and (vi) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses, and security; (b) to borrow money and issue bonds of the District; (c) to impose and foreclose special assessments liens as provided in the Act; and (d) to exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

Also, pursuant to the Ordinance, the District has been granted special powers pursuant to Sections 190.012(2)(a) and 190.012(2)(d) of the Act. Such special powers include, but are not limited to, the right to finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate, and maintain additional systems and facilities for (i) parks and facilities for indoor and outdoor recreational,

cultural and educational uses; and (ii) security, including, but not limited to, guardhouses, fences and gates, electronic intrusion-detection systems, and patrol cars, when authorized by proper governmental agencies.

The Act does not empower the District to adopt and enforce land use plans or zoning ordinances or to grant building permits; these functions are performed by the County, as applicable, acting through their respective Commissions and departments of government.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any bondholders to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2024 Bonds.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager. The Act provides that the District Manager shall have charge and supervision of the works of the District and shall be responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board. Governmental Management Services – Central Florida, LLC, serves as District Manager. The District Manager's corporate office is located at 219 E. Livingston Street, Orlando, Florida 32801.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Kilinski | Van Wyk PLLC, Tallahassee, Florida, as District Counsel; Greenberg Traurig, P.A., Miami, Florida, as Bond Counsel; and Governmental Management Services – Central Florida, LLC, Orlando, Florida, serves as Methodology Consultant for the Series 2024 Bonds.

No Outstanding Bond Indebtedness

The District has not previously issued any bonds or other similar debt obligations.

THE CAPITAL IMPROVEMENT PLAN AND THE SERIES 2024 PROJECT

Kimley-Horn and Associates, Inc., (the "Consulting Engineer") prepared a report entitled Engineer's Report for Yarborough Lane Community Development District, dated May 2022 (the "Master Engineer's Report"), as supplemented by the Supplemental Engineer's Report dated June 19, 2024 (the "Supplemental Engineer's Report" and, together with the Master Engineer's Report, the "Engineer's Report"), which sets forth certain public infrastructure improvements necessary for the development of 558 residential units planned for the District Lands (the "Capital Improvement Plan"). In the Engineer's Report, the Consulting Engineer estimates the total cost of the Capital Improvement Plan to be approximately \$25,000,000.

Land development associated with the District Lands is scheduled to occur in phases. Phase One of the Development contains approximately 65.20 acres of land and is planned for 238 residential units ("Assessment Area One"). Phase Two of the Development contains the remaining developable land within the District and is planned for 320 residential units ("Assessment Area Two").

The portion of the Capital Improvement Plan relating to the development of Assessment Area One is referred to herein as the "Series 2024 Project." The Supplemental Engineer's Report estimates the cost of the Series 2024 Project to be \$16,082,000, as set forth below.

Infrastructure	Estimated Costs
Stormwater Management	\$ 2,000,000
Roadways	3,000,000
Water & Wastewater Systems	2,000,000
Street Lighting and Conduit	320,000
Entry Feature, Landscape, Irrigation	400,000
Parks and Amenities	2,000,000
Offsite Improvements	4,500,000
Professional Services	400,000
Contingency	<u>1,462,000</u>
Total	\$16,082,000

Net proceeds from the Series 2024 Bonds in the amount of approximately \$10.4 million* will be available to the District for the funding and/or acquisition of the Series 2024 Project. The Developer will enter into a completion agreement that will obligate the Developer to complete any portions of the Series 2024 Project. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Land development associated with Assessment Area One is planned to commence in August 2024 and to be completed by July 2025. As of July 2024, the Developer had spent approximately \$820,888 towards soft costs, a portion of which includes the Series 2024 Project.

It is anticipated that the District will issue one or more additional series of bonds to finance additional components of the Capital Improvement Plan relating to Assessment Area Two. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Additional Bonds" herein for more information.

*Preliminary, subject to change.

The Consulting Engineer has indicated that all engineering permits necessary to construct the Series 2024 Project that are set forth in the Engineer's Report have been obtained or will be obtained in the ordinary course of business. In addition to the Engineer's Report, please refer to "THE DEVELOPMENT – Development Approvals" for a more detailed description of the entitlement and permitting status of the Development.

See "APPENDIX A: ENGINEER'S REPORT" for more information regarding the above improvements.

Set forth below is a sketch showing the development plan for the District Lands, including the location of Assessment Area One (labeled as Phase 1).

ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS

The Master Assessment Methodology for Yarborough Lane Community Development District, dated May 12, 2022, as supplemented by the First Supplemental Assessment Methodology (Series 2024 Project) for Yarborough Lane Community Development District, dated as of June 13, 2024 (collectively, the "Assessment Methodology"), which allocates the Series 2024 Special Assessments to the lands within the District, has been prepared by Governmental Management Services – Central Florida, LLC, Orlando, Florida (the "Methodology Consultant"). See "EXPERTS" herein for more information. A copy of the Assessment Methodology is included herein as APPENDIX D. Once the final terms of the Series 2024 Bonds are determined, the Assessment Methodology will be further supplemented to reflect such final terms. Once levied and imposed, the Series 2024 Special Assessments are a first lien on the assessed lands within the District until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

As set forth in the Assessment Methodology, Series 2024 Special Assessments will initially be levied on all of the approximately 65.20 gross acres within Assessment Area One, which are planned to contain 238 lots. As lots are platted, the Series 2024 Special Assessments will be assigned to platted lots on a first platted, first assigned basis, as set forth in the Assessment Methodology and below. See "APPENDIX D: ASSESSMENT METHODOLOGY" for more information.

Assuming full platting of Assessment Area One, the table below sets forth the estimated Series 2024 Special Assessments expected to be levied and allocated to platted units to pay debt service on the Series 2024 Bonds and the estimated Series 2024 Bond par per unit:

Product Type	No. of Units	Annual Series 2024 Special Assessments Per Unit*/**	Series 2024 Bonds Par Debt Per Unit*
Single-Family 40'	48	\$2,829	\$40,000
Single-Family 50'	133	\$3,536	\$50,000
Single-Family 60'	<u>57</u>	\$4,243	\$60,000
Total	238		

* Preliminary, subject to change. The Developer expects, but is not obligated to, prepay a portion of the Series 2024 Special Assessments at the time of closing on lots with homebuyers and/or the Builder, as applicable, to achieve target assessment levels of \$1,200 per 40' lot, \$1,500 per 50' lot and \$1,800 per 60' lot, representing a total prepayment of \$6,905,000 in principal (preliminary, subject to change). Such prepayment is not an obligation of the District. See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

** Series 2024 Special Assessments collected via the Uniform Method will be grossed up to include early payment discounts and County collection fees.

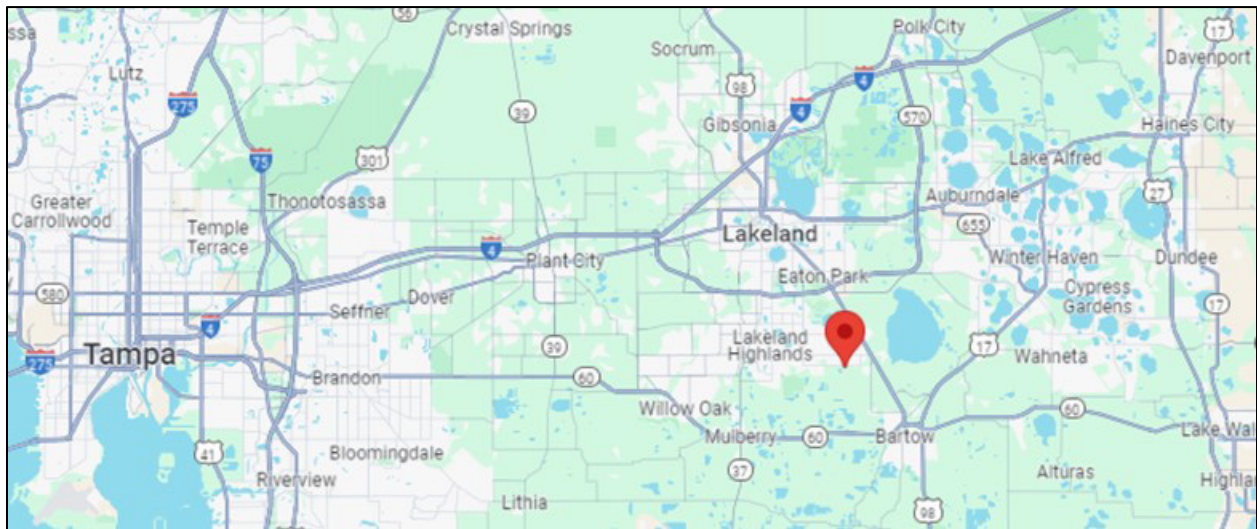

The District expects to levy assessments to cover its operation and maintenance costs which are expected to be approximately \$1,050 per single-family unit annually, but such amount is subject to change. The District Lands have been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. These taxes would be payable in addition to the Series 2024 Special Assessments and any other assessments levied by the District. The total millage rate imposed on taxable properties in the District in 2023 was 13.1187 mills. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School Board of Polk County each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information.

The information appearing below under the captions "THE DEVELOPMENT" and "THE DEVELOPER" has been furnished by the Developer for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by Bond Counsel, the District or its counsel, or the Underwriter or its counsel, and no persons other than the Developer make any representation or warranty as to the accuracy or completeness of such information supplied by them. The following information is provided by the Developer as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. The Developer is not guaranteeing payment of the Series 2024 Bonds or the Series 2024 Special Assessments.

THE DEVELOPMENT

General

The District Lands encompass approximately 157 gross acres located in unincorporated Polk County and are being developed as a residential community to be known as "Touchstone" (the "Development"). More specifically, the Development is bounded on the north by Crews Lake Drive, on the west by the Yarborough Lane extension, on the east by an existing subdivision, and on the south by the Wind Meadows South subdivision. The Development is also located near the Wind Meadows development, which was constructed by the Developer and completed in 2011. The Development is located in close proximity to U.S. Highway 98, which provides convenient access to Interstate 4, approximately 11 miles to the north of the Development. At buildout, the Development is planned to contain 558 residential units, comprised of (i) 152 single-family homes on 40' wide lots, (ii) 365 single-family homes on 50' wide lots, and (iii) 141 single-family homes on 60' wide lots. Set forth below is a map showing the general location of the Development.

Land development associated with the District Lands is scheduled to occur in phases. Phase One of the Development contains approximately 65.20 acres of land and is planned for 238 residential units ("Assessment Area One"). Phase Two of the Development contains the remaining developable District Lands and is planned for 320 residential units ("Assessment Area Two"). The Series 2024 Bonds will finance a portion of the District's Capital Improvement Plan associated with Assessment Area One (the "Series 2024 Project"). See "THE CAPITAL IMPROVEMENT PLAN AND THE SERIES 2024 PROJECT" herein.

The Series 2024 Bonds will be secured by the Series 2024 Special Assessments, which will initially be levied on the approximately 65.20 gross acres within Assessment Area One. As lots are platted, the Series 2024 Special Assessments will be assigned to platted lots therein on a first platted, first assigned basis in accordance with the Assessment Methodology. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY" hereto for more information.

It is anticipated that the District will issue one or more additional series of bonds in order to finance the remaining components of the Capital Improvement Plan associated with Assessment Area Two. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Additional Bonds" herein for more information.

Clayton Properties Group, Inc., a Tennessee corporation doing business as Highland Homes and a wholly owned subsidiary of Berkshire Hathaway (the "Developer"), is the developer and one of the homebuilders for the Development. See "THE DEVELOPER" herein for more information. The Developer has also entered into a contract with NVR (as defined herein) for the sale of one hundred fifty (150) developed lots within the Development, of which fifty-nine (59) are expected to be located within Assessment Area One, in a series of takedowns. See "–The Builder and the Builder Contract" herein for more information.

Homes planned for the Development will range in size from approximately 1,300 square feet to 3,100 square feet and prices will range from approximately \$285,000 to \$350,000. The target customers for units within the Development are first time homebuyers and move-up buyers. See "–Residential Product Offerings" herein for more information.

Land Acquisition and Finance Plan

The Developer acquired the lands within the District in December 2021 for approximately \$9 million. There are currently no mortgages on the lands within Assessment Area One, other than the mortgage securing the Builder's deposit. See "–The Builder and the Builder Contract" herein.

The Developer estimates that the costs to complete the land development associated with Assessment Area One will be approximately \$16.1 million, consisting of the costs of the Series 2024 Project and other hard and soft costs. As of July 2024, the Developer has spent approximately \$820,888 on soft costs associated with Assessment Area One. Net proceeds from the Series 2024 Bonds in the amount of approximately \$10.4 million* will be available to the District for funding and/or acquisition of the Series 2024 Project. The Developer will enter into a completion agreement that will obligate the Developer to complete any portions of the Series 2024 Project. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Development Plan and Status

Land development for Assessment Area One is planned to commence in August 2024 and to be completed by July 2025, at which point the Developer expects to commence sales and vertical construction and to commence lot deliveries to NVR pursuant to the NVR Contract. See "–The Builder and the Builder Contract" herein for more information regarding the NVR Contract. A final plat for Assessment Area One is expected to be recorded by May 2025.

* Preliminary, subject to change.

The Developer expects to construct two models homes, which are expected to be completed by December 2025. NVR is also expected to construct two model homes. Home closings with end users are anticipated to commence by December 2025.

The Developer anticipates that 72 homes will be delivered to end users per annum until buildout of Assessment Area One, which is expected by December 2026. This anticipated absorption is based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

The Builder and the Builder Contract

The Developer has entered into a Lot Purchase Agreement with NVR, Inc., a Virginia corporation ("NVR" or the "Builder"), dated January 17, 2022, as amended (the "NVR Contract") for the purchase of one hundred fifty (150) single-family residential lots, consisting of seventy-five (75) 40' lots and seventy-five (75) 50' lots, in a series of takedowns, of which fifty-nine (59) are expected to be located within Assessment Area One. The NVR Contract provides for a base purchase price of \$60,000 per 40' lot and \$75,000 per 50' lot, which purchase price is subject to adjustment and quarterly increases as set forth in the NVR Contract. The total consideration expected to be received from NVR for lots within Assessment Area One (before accounting for quarterly increases) is approximately \$4,125,000.

Pursuant to the NVR Contract, and subject to Developer's satisfaction of certain development conditions, NVR shall purchase a minimum of one (1) 40' lot and one (1) 50' lot to be used as model home lots. Thereafter, the NVR Contract provides that NVR is required to purchase a minimum of twelve (12) 40' lots and twelve (12) 50' lots prior to the end of each quarter (with the model lots counting toward the minimum purchase requirement for the first quarter), and continuing each quarter thereafter until all lots have been purchased. The first quarter will commence on the later of: (i) one hundred twenty (120) days after the purchase of the Model Lots and (ii) thirty (30) days after NVR's receipt that the conditions precedent to settlement, including development completion, have been met for at least twenty-four (24) 40' lots and twenty-four (24) 50' lots, all subject to the terms and conditions of the NVR Contract. The Developer expects that the initial takedown will occur in the third quarter of 2025.

Pursuant to the terms of the NVR Contract, NVR has made a deposit of \$526,185, which is nonrefundable to NVR and has been released to the Developer following satisfaction of certain conditions, including the recording of an indemnity mortgage in favor of NVR. In addition, NVR will be required to make an additional deposit in the amount of \$476,185 upon confirmation that the Developer has completed mass grading of the Development. The deposit will be applied as a credit to NVR in the amount of \$5,940 for each 40' and \$7,424.93 for each 50' lot. Notwithstanding the foregoing, there is a risk that NVR may not close on any lots pursuant to the NVR Contract or may fail to construct homes on such lots. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

NVR is a Virginia corporation. NVR's stock trades on the New York Stock Exchange under the symbol NVR. NVR is subject to the informational requirements of the Securities and Exchange Commission Act of 1934, as amended ("Exchange Act"), and in accordance therewith files reports, proxy statements, and other information with the Securities and Exchange Commission ("SEC"). The file number for NVR is No-0000906163. Such reports, proxy statements, and other information can be inspected and copied at the Public Reference Section of the SEC, Room 1024, 450 Fifth Street NW, Judiciary Plaza, Washington, DC, and at the SEC's internet website at <http://www.sec.gov>. Copies of such materials can be

obtained by mail from the Public Reference Section of the SEC at prescribed rates. All documents subsequently filed by NVR pursuant to the requirements of the Exchange Act after the date of this Limited Offering Memorandum will be available for inspection in the same manner as described above.

Residential Product Offerings

The target customers for units within the Development are first time homebuyers and move-up buyers. Below is a summary of the expected types of units and price points for units in the Development.

Product Type	Square Footage	Beds/Baths	Starting Price Points
Single-Family 40'	1,479 – 2,570	3-4 Bedrooms, 2-3.5 Baths	\$285,000

Development Approvals

The land within Assessment Area One, including, without limitation, the land therein subject to the Series 2024 Special Assessments, is zoned to allow for the contemplated residential uses described herein. All permits have been received by jurisdictional agencies to allow for the development contemplated herein or are reasonably expected to be received in the ordinary course. The County's development approval provides that the issuance of certificates of occupancy will not be granted until an offsite force main has been designed, permitted and constructed. Construction of the offsite force main is included in the Series 2024 Project. See "BONDOWNERS' RISKS – Regulatory and Environmental Regulatory Risks" herein for more information regarding potential regulatory risks and "APPENDIX A: ENGINEER'S REPORT" hereto for more information regarding the permitting for the Series 2024 Project.

Environmental

A Phase I Environmental Site Assessment was performed in November 2021 (the "ESA"), covering the land in the Development. The ESA notes that the subject lands had historically been used as a citrus grove, which use is a Recognized Environmental Conditions ("REC"), but noted that further testing was not required. See "BONDOWNERS' RISK – Regulatory and Environmental Risks" herein for more information regarding potential environmental risks.

Amenities

The District will provide funding for an Amenity Center to include the following: parking area, pavilion with restroom facilities, pool, all-purpose play field, and walking trails between the phases to provide connectivity to the Amenity Center. Construction of the Amenity Center is expected to commence in July 2025 and be completed by December 2025 at an approximate cost of \$2.0 million, a portion of which may be funded with proceeds of the Series 2024 Bonds. The Amenity Center and its appurtenant features will be available to the general public and will be owned, operated and maintained by the District.

Utilities

Potable water, wastewater treatment and reclaimed wastewater (reuse services) for the Development are expected to be provided by the Polk County Utilities Department. Electric power is expected to be provided by Lakeland Electric. All utility services are available to the property.

Taxes, Fees and Assessments

As set forth in the Assessment Methodology, Series 2024 Special Assessments will initially be levied on all of the approximately 65.20 gross acres within Assessment Area One, which are planned to contain 238 lots. As lots are platted, the Series 2024 Special Assessments will be assigned to platted lots on a first platted, first assigned basis, as set forth in the Assessment Methodology and below. See "APPENDIX D: ASSESSMENT METHODOLOGY" for more information.

Assuming full platting of Assessment Area One, the table below sets forth the estimated Series 2024 Special Assessments expected to be levied and allocated to platted units to pay debt service on the Series 2024 Bonds and the estimated Series 2024 Bond par per unit:

Product Type	No. of Units	Annual Series 2024 Special Assessments Per Unit*/**	Series 2024 Bonds Par Debt Per Unit*
Single-Family 40'	48	\$2,829	\$40,000
Single-Family 50'	133	\$3,536	\$50,000
Single-Family 60'	<u>57</u>	\$4,243	\$60,000
Total	238		

* Preliminary, subject to change. The Developer expects, but is not obligated to, prepay a portion of the Series 2024 Special Assessments at the time of closing on lots with homebuyers and/or the Builder, as applicable, to achieve target assessment levels of \$1,200 per 40' lot, \$1,500 per 50' lot and \$1,800 per 60' lot, representing a total prepayment of \$6,905,000 in principal (preliminary, subject to change). Such prepayment is not an obligation of the District. See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

** Series 2024 Special Assessments collected via the Uniform Method will be grossed up to include early payment discounts and County collection fees.

The District anticipates levying assessments to cover its operation and maintenance costs that will be approximately \$1,050 per residential unit annually; which amount is subject to change. In addition, residents will be required to pay homeowners association fees which are currently estimated to be \$150 per year per residential unit, which amount is subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District in 2023 was 13.1187 mills. These taxes would be payable in addition to the Series 2024 Special Assessments and any other assessments levied by the District; which amount is subject to change. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Polk County, Florida may each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

Education

The public schools for children residing in the Development are expected to be Spessard L. Holland Elementary School, Bartow Middle School and Bartow High School, which are located approximately 1.3 miles, 6.3 miles and 7 miles, respectively, from the Development and were each rated "C" by the State in 2023 (the most recent year for which grades were available. The Polk County School Board may change school boundaries from time to time, and there is no requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.

Competition

The following communities have been identified by the Developer as being competitive with the Development, because of their proximity to the Development, price ranges and product types. Those communities include Wind Meadows South, Riverstone, Morgan Creek, and Lakes at Laurel Highlands.

The information under this heading does not purport to summarize all of the existing or planned communities in the area of the Development, but rather provide a description of those that the Developer feels pose primary competition to the Development.

Developer Agreements

The Developer will enter into a completion agreement that will obligate the Developer to complete any portions of the Series 2024 Project not funded with proceeds of the Series 2024 Bonds.

In addition, the Developer will execute and deliver to the District a Collateral Assignment and Assumption of Development Rights (the "Collateral Assignment"), pursuant to which the Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer, development rights relating to the Series 2024 Project. In addition, any mortgagees or the Builder may have certain development rights and other rights assigned to it under the terms of their mortgage or Builder contract relating to the Development, which may be superior to such rights that might otherwise be assigned to the District under the terms of the Collateral Assignment. Notwithstanding such Collateral Assignment, in the event the District forecloses on the lands subject to the Series 2024 Special Assessments as a result of the Developer's or subsequent landowners' failure to pay such assessments, there is a risk that the District, or its designee, if any, will not have all of the permits and entitlements necessary to complete the Series 2024 Project or the development of Assessment Area One.

Finally, the Developer will also enter into a True-Up Agreement in connection with its obligations to pay true-up payments in the event that debt levels remaining on unplatted lands in Assessment Area One increase above the maximum debt levels set forth in the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" herein for additional information regarding the "true-up mechanism."

Such obligations of the Developer are unsecured obligations. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" and "THE DEVELOPER" herein for more information regarding the Developer.

Neither the Developer nor any of the other individuals or entities listed above is guaranteeing payment of the Series 2024 Bonds or the Series 2024 Special Assessments. None of the entities listed herein, other than the Developer, has entered into any agreements in connection with the issuance of the Series 2024 Bonds.

TAX MATTERS

General

The Internal Revenue Code of 1986, as amended (the "Code"), includes requirements that the District must continue to meet after the issuance of the Series 2024 Bonds in order that the interest on the Series 2024 Bonds be and remain excludable from gross income for federal income tax purposes. The District's failure to meet these requirements may cause the interest on the Series 2024 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2024 Bonds. The District has covenanted in the Bond Resolution to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2024 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings, and court decisions, the interest on the Series 2024 Bonds is excludable from gross income of the holders thereof for federal income tax purposes; and, further, interest on the Series 2024 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2024 Bonds is not excluded from the determination of adjusted financial statement income. Bond Counsel is further of the opinion that the Series 2024 Bonds and the interest thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income, or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their own tax advisors as to the status of interest on the Series 2024 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2024 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Developer,

and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2024 Bonds will be and will remain obligations the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other consequences regarding the Series 2024 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2024 Bonds, or the ownership or disposition of the Series 2024 Bonds. Prospective purchasers of Series 2024 Bonds should be aware that the ownership of Series 2024 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2024 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2024 Bonds, (iii) the inclusion of the interest on the Series 2024 Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Series 2024 Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Series 2024 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Series 2024 Bonds generally must be taken into account when computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt of certain investment income, including interest on the Series 2024 Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2024 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

Original Issue Discount and Premium

Certain of the Series 2024 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (*i.e.*, for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest

on the Series 2024 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale, or other disposition of that Discount Bond.

Certain of the Series 2024 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity), or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals suggested, debated, introduced, or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Series 2024 Bonds, or adversely affect the market price or marketability of the Series 2024 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2024 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2024 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2024 Bonds, under certain circumstances, to "backup withholding" at the rates set forth in the Code, with respect to payments on the Series 2024 Bonds and proceeds from the sale of Series 2024 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2024 Bonds. This withholding generally applies if the owner of Series 2024 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2024 Bonds may also wish to consult with their

tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

AGREEMENT BY THE STATE

Under the Act, the State pledges to the holders of any bonds issued thereunder, including the Series 2024 Bonds, that it will not limit or alter the rights of the issuer of such bonds, including the District, to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects, including the Series 2024 Project funded by the Series 2024 Bonds, or to levy and collect taxes, assessments, rentals, rates, fees and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that bonds issued by community development districts are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State, and constitute securities that may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2024 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2024 Bonds. Investment in the Series 2024 Bonds poses certain economic risks. No dealer, broker, salesman or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum, and, if given or made, such other information or representations must not be relied upon as having been authorized by either of the foregoing.

ENFORCEABILITY OF REMEDIES

The remedies available to the owners of the Series 2024 Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions, which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2024 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds will be qualified, as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors and enacted before or after such delivery.

FINANCIAL INFORMATION

This District will covenant in a Continuing Disclosure Agreement, the proposed form of which is set forth in APPENDIX E hereto, to provide its annual audited financial statements to certain information repositories as described in APPENDIX E, commencing with the audit for the District fiscal year ending September 30, 2024. Attached hereto as APPENDIX F is a copy of the District's unaudited monthly financial statements for the period ended June 30, 2024. The District does not have audited financial

statements because the District has not yet met the threshold under State law requiring an audit. The Series 2024 Bonds are not general obligation bonds of the District and are payable solely from the Series 2024 Pledged Revenues.

By the end of the first full fiscal year after its creation, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S., including, without limitation, the district's proposed and final budgets and audit. Additional information regarding the District's website is available from the District Manager at the address set forth under "THE DISTRICT – The District Manager and Other Consultants."

LITIGATION

The District

There is no litigation of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2024 Bonds, or in any way contesting or affecting (i) the validity of the Series 2024 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2024 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The Developer

The Developer has represented in connection with the Series 2024 Bond issuance that there is no litigation of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the ability of the Developer to complete the development of the District Lands as described herein, materially and adversely affect the ability of the Developer to pay the Series 2024 Special Assessments imposed against the District Lands or materially and adversely affect the ability of the Developer to perform its obligations described in this Limited Offering Memorandum.

NO RATING

No application for a rating of the Series 2024 Bonds has been made to any rating agency, nor is there any reason to believe that the District would have been successful in obtaining an investment grade rating for the Series 2024 Bonds had application been made.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private business). The District is not and has never been in default on any bonds or other debt obligations since December 31, 1975.

CONTINUING DISCLOSURE

The District and the Developer will enter into the Continuing Disclosure Agreement (the "Disclosure Agreement") in the proposed form of APPENDIX E, for the benefit of the Series 2024 Bondholders (including owners of beneficial interests in such Series 2024 Bonds), to provide certain

financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") with the MSRB through the MSRB's EMMA system. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District or the Developer to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2024 Bondholders (including owners of beneficial interests in such Series 2024 Bonds) to bring an action for specific performance.

The District has not previously issued any bonds and has not previously entered into any continuing disclosure obligations pursuant to Rule 15c2-12, promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"). The District will appoint the District Manager as the dissemination agent in the Disclosure Agreement and anticipates satisfying all future disclosure obligations required pursuant to the Disclosure Agreement.

The Developer has previously entered into continuing disclosure undertakings pursuant to the Rule with respect to bonds issued by other community development districts. A review of filings made pursuant to such prior undertakings indicates that certain filings required to be made by the Developer were not timely filed and that notice of such late filings was not always provided. The Developer anticipates satisfying all future disclosure obligations required pursuant to the Disclosure Agreement.

(the "Underwriter"), has agreed, pursuant to a contract with the District, subject to certain conditions, to purchase the Series 2024 Bonds from the District at a purchase price of \$ _____ (par amount of the Series 2024 Bonds, [plus/less an original issue premium/discount of \$ _____ and] less an Underwriter's discount of \$ _____). The Underwriter's obligations are subject to certain conditions precedent and the Underwriter will be obligated to purchase all of the Series 2024 Bonds if any Series 2024 Bonds are purchased.

The Series 2024 Bonds may be offered and sold to certain dealers, banks and others at prices lower than the initial offering prices, and such initial offering prices may be changed from time to time by the Underwriter.

Yarborough Lane Community Development District

Engineer's Report

1. Introduction

A. Description of the Yarborough Lane Community Development District

The Yarborough Lane Planned Development is proposed to be served by the Yarborough Lane Community Development District (the "District") and is located within portions of Sections 23 and 26, Township 29 South, Range 24 East in Polk County, Florida. The District is bounded on the North by Crews Lake Drive on the West by the proposed Yarborough Lane extension and undeveloped lands, on the East by existing subdivisions and undeveloped lands, and on the South by Windmeadows South subdivision. A location map is included as Exhibit "A" along with the District boundary as Exhibit "B". The proposed capital improvement plan for the District includes various community infrastructure improvements necessary to serve development of residential and open areas within the District and includes drainage facilities, conservation areas, amenities and related improvements as indicated in Tables 2 and 3 (together, the "Master Project"). Unit 1 provides the land use category breakdowns.

The Planned Development was approved for a 558 lot residential community to include open areas, conservation area, community clubhouse area and open space recreation area. The project will contain 558 single family lots with 154-40 feet wide lots, 320-50 feet wide lots, and 84-60 feet wide lots. See Exhibit "C" for phasing breakdown of lots and lot sizes.

Table 1

Summary of Land Uses Proposed Yarborough Lane Community Development District

Land Use	Gross Acres (Phases I & II)	Percentage (Phases I & II)
Single Family	86.8	55.2%
Wetlands	8.2	5.2%
Recreation/Buffer	26.4	16.5%
Right of Way	24.8	15.8%
Drainage Facilities	10.8	7.3%
Total	157.0	100%

B. Purpose and Scope of Report

The purpose and scope of this report is to provide a description of the District and capital improvements to be constructed and financed by the District. The District's financial advisor will develop the financing and assessment methodology.

District Boundary And Property

A. District Boundary

Exhibit "B" delineates the proposed District, which consists of approximately 157 acres. The District is bounded by Polk County roadways on the North and Northeast and a combination of developed subdivisions and undeveloped lands on the South and East.

B. Description of Property

The District property is located within Polk County in Sections 23 and 26, Township 29 South, Range 24 East. The District falls within the Touchstone Planned Development approved by the County, and is zoned residential.

The existing land slopes to the south and southeast towards various existing wetlands within and bounding the District. The remaining undeveloped areas are former citrus groves and grass-covered areas with soils ranging from very poorly drained to excessively drained. Existing water table levels range from being above ground to depths greater than 10 feet.

C. Existing Infrastructure

The District is located within the Polk County Utilities (PCU) service area. On Ronald Reagan Parkway, PCU has an existing 12-inch potable water main and is currently constructing a 30-inch wastewater force main as part of their capital improvements plan. Connection for these services for the Phase I portion of the project has been approved through the normal permitting process with PCU.

Polk County's Northeast Regional Wastewater Treatment Facility will provide sewage treatment to the District.

Ronald Reagan Parkway is an existing two lane paved County roadway. The District's existing access point will be relocated to the west and will include turn and deceleration lanes consistent with Polk County criteria.

The District is located within the franchise areas of Progress Energy, Bright House Networks Cable, and Verizon. Service is available from these providers and they are expected to serve the District throughout development.

2. Proposed District Infrastructure

Summary of Proposed District Infrastructure

The District Master Project will be completed as indicated in Exhibit C and will generally consist of the following categories:

- Roadways
- Utilities
- Earthwork/Demolition
- Storm Water Management
- Landscaping/Pedestrian Improvements
- Signage/Lighting
- Conservation

A. Roadways

The roadways within the District will consist of two-lane sections constructed to provide access to all of the proposed land uses within the District's boundaries. Construction will include the addition of turn lanes on Crews Lake Drive, as required by Polk County as conditions of approval of the project. The roads will be constructed by the District and dedicated as public right of way. All roads within the District will be open and available to the general public.

Yarborough Lane will be constructed with a cross-section consistent with the County's requirements for a collector road and extend along the District's western boundary.

The roadways will be constructed in accordance with Polk County and Florida Department of Transportation standards. Typically, the roads will consist of asphalt, limerock and stabilized subbase with curb. The right of way design will include sidewalks, lighting, landscaping and utilities such as water, sewer and drainage. It is anticipated that the roadways will provide ingress and egress for the entire District and the residents within the District will generate the vast majority of the trips anticipated for the roadways.

Site grading including preparation of roadway areas for installation of paving construction has been partially completed. Construction of limerock roadway sub-base and asphalt paving will be initiated once all grading work has been completed.

B. Utilities

The utilities within the District will consist of potable water, wastewater collection and transmission, reclaimed water, irrigation system and conduit. Costs for conduit to be used by private utilities such as electric, cable, gas and communication lines have not been included as CDD costs. The utility systems will be designed in accordance with the applicable standards of each type of system. Potable water will be designed to Polk County Utilities (PCU) specifications as well as the Polk County Health Department, and the wastewater system will be designed to Polk County Utilities standards as well as the Florida Department of Environmental Protection. Polk County Utilities has allocated the capacity to provide water and wastewater treatment services to the District, with the PD approval and with the final construction plan approval that is pending.

The potable water lines will typically run within the right of way of all the roadways and at build out will provide a complete interconnected network of water lines. At build out the water lines will connect along Crews Lake Drive. Fire hydrants will be installed according to Polk County Fire Codes at one thousand-foot intervals or four hundred feet to each structure.

The wastewater lines will consist of manholes and gravity PVC lines within the roadway rights-of-way. These will convey sewage flow to a lift station. The pump station will then pump the wastewater via PVC force main to the existing Polk County Utilities force main/sewage collection system on Crews Lake Drive. When constructed the wastewater lines will provide service to lots and parcels within the District. Polk County is working on force main upgrades along Crews Lake Drive that will likely require Developer participation prior to the final phase.

C. Earthwork

The District consists of undulating and rolling terrain which will require earthwork moving operations in order to construct roadways and storm water management facilities. The material excavated will be moved and shaped to allow for controlled slopes within the District boundaries.

D. Storm Water Management

The District storm water management system will consist of detention ponds, inlets, pipes, swales, berms, and control structures. The storm water management system will be designed in accordance with standards set by Polk County and the SWFWMD. A system of inlets, pipes, swales and berms will convey the runoff into detention ponds throughout the District's boundaries. The detention ponds will treat and attenuate the runoff to required standards prior to discharging to offsite properties and conveyance systems. Surface water permitting is required for the District through Polk County Engineering and SWFWMD. As described in Section 5 below, the Southwest Florida Water Management District will issue an Environmental Resource Permit for the construction.

E. Landscaping/Pedestrian Improvements/Amenities

Landscaping is proposed throughout the District boundaries in right of ways, open space areas, and boundary buffers. The landscaping will consist of shrub and tree planting as well as a variety of plants and material. Incorporated with the landscape improvements will also be pedestrian improvements such as sidewalks. Construction of sidewalks and other pedestrian improvements will be performed after the roadways are complete, and installation of landscape improvements will occur near the time of project construction completion. Amenities are to include recreation area with clubhouse and activities within open space area.

F. Signage and Lighting

Signage and lighting improvements will be needed within the District’s boundaries marking the entrance way, roadways and points of interest. Lighting will be constructed in pedestrian and parking areas and will be maintained by the District or by agreement with Lakeland Electric. No construction has begun on the signage and lighting systems.

G. Conservation and Mitigation

Conservation of wetland areas and associated upland buffers have been approved for specified areas throughout the District as part of the SWFWMD permitting process. Additionally, relocation of gopher tortoises will be permitted prior to construction and relocated accordingly. These areas are proposed for passive use and will be maintained by the District; all such areas will be open and available to the general public.

A description of the ownership and maintenance of the proposed infrastructure is provided in Table 2 below.

Table 2
Infrastructure Ownership & Maintenance

3. Opinion of Preliminary Probable Construction Costs

A summary of the opinion of the probable costs for the District infrastructure is noted in Table 3. The opinion of costs has assumed 2021 fees for design and construction of the anticipated improvements. Fluctuations do occur with material costs, permitting and design constraints that could impact the estimates. The costs do not include legal, administrative or financial services necessary to operate and maintain the District. Earthwork costs

included in this report are those costs associated with earthmoving on CDD land, utilities and for storm water management purposes and not for private development or lot purposes.

It is the professional opinion of Kimley-Horn and Associates, Inc. that the preliminary probable costs are reasonable based on the information available and the anticipated quality and quantity of work described.

V. CONCLUSION

The Series 2024 Project will be designed in accordance with current governmental regulations and requirements. The Series 2024 Project will serve its intended function so long as the construction is in substantial compliance with the design.

It is further our opinion that:

- the estimated cost to the Series 2024 Project as set forth herein is reasonable based on prices currently being experienced in the jurisdiction in which the District is located and is not greater than the lesser of the actual cost of construction or the fair market value of such infrastructure;
- all of the improvements comprising the CIP are required by applicable development approvals issued pursuant to Section 380.06, Florida Statutes;
- the Series 2024 Project is feasible to construct, there are no technical reasons existing at this time that would prevent the implementation of the Series 2024 Project, and it is reasonable to assume that all necessary regulatory approvals will be obtained in due course; and

- the assessable property within the Series 2024 Assessment Area will receive a special benefit from the Series 2024 Project that is at least equal to the costs of the Series 2024 Project.

As described above, this report identifies the benefits from the Series 2024 Project to the lands within the District. The general public, property owners, and property outside the District will benefit from the provisions of the District's CIP; however, these are incidental to the District's Series 2024 Project, which is designed solely to provide special benefits peculiar to property within the Series 2024 Assessment Area, and enable properties within the Series 2024 Assessment Area to be developed.

The Series 2024 Project will be owned by the District or other governmental units and such Series 2024 Project is intended to be available and will reasonably be available for use by the general public (either by being part of a system of improvements that is available to the general public or is otherwise available to the general public) including nonresidents of the District. All of the Series 2024 Project is or will be located on lands owned or to be owned by the District or another governmental entity or on perpetual easements in favor of the District or other governmental entity. The Series 2024 Project, and any cost estimates set forth herein, do not include any earthwork, grading or other improvements on private lots or property. The District will pay the lesser of the cost of the components of the Series 2024 Project or the fair market value.

trust office of the Paying Agent upon the presentation and surrender of such Bonds as the same shall become due and payable.

Except to the extent otherwise provided in Section 2.11 hereof or in a Supplemental Indenture, interest on any Bond is payable on any Interest Payment Date by check or draft mailed on the Interest Payment Date to the person in whose name that Bond is registered at the close of business on the Regular Record Date for such Interest Payment Date, at his address as it appears on the Bond Register. The Bonds shall bear interest from the Interest Payment Date next preceding the date on which they are authenticated unless authenticated on an Interest Payment Date in which event they shall bear interest from such Interest Payment Date, or unless authenticated before the first Interest Payment Date in which event they shall bear interest from their date; provided, however, that if a Bond is authenticated between a Record Date and the next succeeding Interest Payment Date, such Bond shall bear interest from such succeeding Interest Payment Date; provided further, however, that if at the time of authentication of any Bond interest thereon is in default, such Bond shall bear interest from the date to which interest has been paid. Any interest on any Bond which is payable, but is not punctually paid or provided for on any Interest Payment Date (hereinafter called "Defaulted Interest") shall be paid to the Owner in whose name the Bond is registered at the close of business on a Special Record Date to be fixed by the Trustee, such date to be not more than fifteen (15) nor less than ten (10) days prior to the date of proposed payment. The Trustee shall cause notice of the proposed payment of such Defaulted Interest and the Special Record Date therefor to be given by Electronic Means or mailed, first-class, postage-prepaid, to each Owner of record as of the fifth (5th) day prior to the giving of such notices, at its address as it appears in the Bond Register on the date of the giving of such notices. The foregoing notwithstanding, but subject to the procedures set forth in Section 2.11 hereof, any Owner of Bonds of a Series in an aggregate principal amount of at least \$1,000,000 shall be entitled to have interest paid by wire transfer to such Owner to the bank account number on file with the Trustee and Paying Agent, upon requesting the same in a writing received by the Trustee and Paying Agent at least fifteen (15) days prior to the relevant Record Date, which writing shall specify the bank, which shall be a bank within the continental United States, and bank account number to which interest payments are to be wired. Any such request for interest payments by wire transfer shall remain in effect until rescinded or changed, in a writing delivered by the Owner to the Trustee and Paying Agent, and any such rescission or change of wire transfer instructions must be received by the Trustee and Paying Agent at least fifteen (15) days prior to the relevant Record Date. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, interest on the Bonds will be computed on the basis of a 360-day year of twelve 30-day months. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, interest on overdue principal and, to the extent lawful, on overdue interest will be payable at the numerical rate of interest borne by such Bonds on the day before the default occurred.

The Trustee is hereby constituted and appointed as Paying Agent for the Bonds.

SECTION 2.02. Execution. The Bonds shall be executed by the manual or facsimile signature of the Chair or Vice Chair of the Issuer or by any other member of the Board designated by the Chair for such purpose, and the corporate seal of the Issuer shall appear thereon (which may be in facsimile) and shall be attested by the manual or facsimile signature of its Secretary or Assistant Secretary. Bonds executed as above provided may be issued and shall, upon request of the Issuer, be authenticated by the Trustee, notwithstanding that one or both of the officers of the

15

Issuer whose signatures appear on such Bonds shall have ceased to hold office at the time of issuance or authentication or shall not have held office at the date of the Bonds.

SECTION 2.03. Authentication; Authenticating Agent. No Bond shall be valid until the certificate of authentication shall have been duly executed by the Trustee, and such authentication shall be proof that the Bondholder is entitled to the benefit of the trust hereby created. The Trustee shall at all times serve as Authenticating Agent.

SECTION 2.04. Registration and Registrar. The Trustee is hereby constituted and appointed as the Registrar for the Bonds. The Registrar shall act as registrar and transfer agent for the Bonds. The Issuer shall cause to be kept at an office of the Registrar a register (herein sometimes referred to as the "Bond Register" or "Register") in which, subject to the provisions set forth in Section 2.08 below and such other regulations as the Issuer and Registrar may prescribe, the Issuer shall provide for the registration of the Bonds and for the registration of transfers and exchanges of such Bonds. The Trustee shall notify the Issuer in writing of the specific office location (which may be changed from time to time, upon similar notification) at which the Bond Register is kept. Initially, and until the Trustee provides notice to the Issuer as provided in the immediately preceding sentence, the Bond Register shall be kept at the Trustee's corporate trust office in Fort Lauderdale, Florida.

SECTION 2.05. Mutilated, Destroyed, Lost or Stolen Bonds. If any Bond shall become mutilated, the Issuer shall execute and the Trustee or Authenticating Agent, as the case may be, shall thereupon authenticate and deliver a new Bond of like Series, tenor and denomination in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee or Authenticating Agent, as the case may be, of such mutilated Bond for cancellation, and the Issuer and the Trustee or Authenticating Agent, as the case may be, may require reasonable indemnity therefor. If any Bond shall be reported lost, stolen or destroyed, evidence as to the ownership and the loss, theft or destruction thereof shall be submitted to the Issuer and the Trustee or Authenticating Agent, as the case may be; and if such evidence shall be satisfactory to both and indemnity satisfactory to both shall be given, the Issuer shall execute, and thereupon the Trustee or Authenticating Agent, as the case may be, shall authenticate and deliver a new Bond of like Series, tenor and denomination. The cost of providing any substitute Bond under the provisions of this Section shall be borne by the Bondholder for whose benefit such substitute Bond is provided. If any such mutilated, lost, stolen or destroyed Bond shall have matured or be about to mature, the Issuer may, with the consent of the Trustee or Authenticating Agent, as the case may be, pay to the Owner the principal amount of and accrued interest on such Bond upon the maturity thereof and compliance with the aforesaid conditions by such Owner, without the issuance of a substitute Bond therefor.

Every substituted Bond issued pursuant to this Section 2.05 shall constitute an additional contractual obligation of the Issuer, whether or not the Bond alleged to have been destroyed, lost or stolen shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Master Indenture and applicable Supplemental Indenture equally and proportionately with any and all other Bonds of such same Series duly issued hereunder and under such Supplemental Indenture.

All Bonds shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of mutilated, destroyed, lost or stolen

16

Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

Neither the Issuer nor the Registrar on behalf of the Issuer shall be required (i) to issue, transfer or exchange any Bond during a period beginning at the opening of business fifteen (15) days before the day of giving of a notice of redemption of Bonds selected for redemption and ending at the close of business on the day of giving such notice, or (ii) to transfer or exchange any Bond so selected for redemption in whole or in part.

SECTION 2.09. Persons Deemed Owners. The Issuer, the Trustee, any Paying Agent, the Registrar, or the Authenticating Agent shall deem and treat the person in whose name any Bond is registered as the absolute Owner thereof (whether or not such Bond shall be overdue and notwithstanding any notation of ownership or other writing thereon made by anyone other than the Issuer, the Trustee, any Paying Agent, the Registrar or the Authenticating Agent) for the purpose of receiving payment of or on account of the principal or Redemption Price of and interest on such Bond, and for all other purposes, and the Issuer, the Trustee, any Paying Agent, the Registrar and the Authenticating Agent shall not be affected by any notice to the contrary. All such payments so made to any such Owner, or upon his order, shall be valid and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for moneys payable upon any such Bond.

SECTION 2.10. Limitation on Incurrence of Certain Indebtedness. The Issuer will not issue Bonds of any Series, except upon the conditions and in the manner provided or as otherwise permitted in the Indenture, provided that the Issuer may enter into agreements with issuers of Credit Facilities which involve liens on Pledged Revenues on a parity with that of the Bonds or portion thereof which is supported by such Credit Facilities.

SECTION 2.11. Qualification for The Depository Trust Company. To the extent provided in a Supplemental Indenture or authorized and directed by a Resolution of the Issuer authorizing the issuance of a Series of Bonds, the Trustee shall be authorized to enter into agreements with The Depository Trust Company, New York, New York ("DTC") and other depository trust companies, including, but not limited to, agreements necessary for wire transfers of interest and principal payments with respect to the Bonds, utilization of electronic book entry data received from DTC, and other depository trust companies in place of actual delivery of Bonds and provision of notices with respect to Bonds registered by DTC and other depository trust companies (or any of their designees identified to the Trustee) by overnight delivery, courier service, telegram, teletype or other similar means of communication.

So long as there shall be maintained a book-entry-only system with respect to a Series of Bonds, the following provisions shall apply:

Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, each Series of Bonds shall initially be registered in the name of Cede & Co. as nominee for DTC, which will act initially as securities depository for the Bonds and so long as the Bonds are held in book-entry-only form, Cede & Co. shall be considered the Registered Owner for all purposes hereof. On original issue, such Bonds shall be deposited with DTC, which shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants

18

Bonds, and shall preclude any and all other rights or remedies with respect to the replacement or payment of negotiable instruments, investments or other securities without their surrender.

SECTION 2.06. Temporary Bonds. Pending preparation of definitive Bonds, or by agreement with the original purchasers of all Bonds, the Issuer may issue and, upon its request, the Trustee shall authenticate in lieu of definitive Bonds one or more temporary printed or typewritten Bonds of substantially the tenor recited above. Upon request of the Issuer, the Trustee shall authenticate definitive Bonds in exchange for and upon surrender of an equal principal amount of temporary Bonds. Until so exchanged, temporary Bonds shall have the same rights, remedies and security hereunder as definitive Bonds. So long as Cede & Co., or any other nominee of DTC is the Registered Owner of the Bonds, the definitive Bonds shall be in typewritten form.

SECTION 2.07. Cancellation and Destruction of Surrendered Bonds. All Bonds surrendered for payment or redemption and all Bonds surrendered for exchange shall, at the time of such payment, redemption or exchange, be promptly transferred by the Registrar, Paying Agent or Authenticating Agent to, and cancelled and disposed of by, the Trustee in accordance with its then current procedures. The Trustee shall deliver to the Issuer a certificate of destruction (or other evidence of destruction) in respect of all Bonds destroyed in accordance with this Section.

SECTION 2.08. Registration, Transfer and Exchange. As provided in Section 2.04 hereof, the Issuer shall cause a Bond Register in respect of the Bonds to be kept at the designated office of the Registrar.

Upon surrender for registration of transfer of any Bond at the designated office of the Registrar, and upon compliance with the conditions for the transfer of Bonds set forth in this Section 2.08, the Issuer shall execute and the Trustee (as Authenticating Agent and/or Registrar as described in Section 2.03 and Section 2.04 hereof) shall authenticate and deliver, in the name of the designated transferees, one or more new Bonds of a like aggregate principal amount and of the same Series and maturity.

At the option of the Bondholder, Bonds may be exchanged for other Bonds of a like aggregate principal amount and of the same Series and maturity, upon surrender of the Bonds to be exchanged at any such office of the Registrar or agency. Whenever any Bonds are so surrendered for exchange, the Issuer shall execute and the Trustee (as Authenticating Agent and/or Registrar as described in Section 2.03 and Section 2.04 hereof) shall authenticate and deliver the Bonds which the Bondholder making the exchange is entitled to receive.

All Bonds issued upon any transfer or exchange of Bonds shall be valid obligations of the Issuer, evidencing the same debt and entitled to the same benefits under this Master Indenture and applicable Supplemental Indenture as the Bonds of such Series surrendered upon such transfer or exchange.

Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing.

("Direct Participants") and other institutions that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Direct Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Bonds ("Beneficial Owners").

Principal and interest on the Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC without the need for presentment of such Bonds. Disbursal of such amounts to Direct Participants shall be the responsibility of DTC. Payments by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners shall be the responsibility of Direct Participants and Indirect Participants and not of DTC, the Trustee or the Issuer.

The Bonds registered in the name of Cede & Co. shall initially be issued in the form of one fully registered Bond for each maturity of each Series registered in the name of Cede & Co. and shall be held in such form until maturity. Individuals may purchase beneficial interests in Authorized Denominations in book-entry-only form, without certificated Bonds, through Direct Participants and Indirect Participants.

DURING THE PERIOD FOR WHICH CEDE & CO. IS REGISTERED OWNER OF THE BONDS, ANY NOTICES TO BE PROVIDED TO ANY REGISTERED OWNER WILL BE PROVIDED TO CEDE & CO. DTC SHALL BE RESPONSIBLE FOR NOTICES TO DIRECT PARTICIPANTS AND DIRECT PARTICIPANTS SHALL BE RESPONSIBLE FOR NOTICES TO INDIRECT PARTICIPANTS, AND DIRECT PARTICIPANTS AND INDIRECT PARTICIPANTS SHALL BE RESPONSIBLE FOR NOTICES TO BENEFICIAL OWNERS.

The Issuer and the Trustee, if appropriate, shall enter into a blanket letter of representations with DTC providing for such book-entry-only system. Such agreement may be terminated at any time by either DTC or the Issuer. In the event of such termination, the Issuer shall select another securities depository and in that event all references herein to DTC or Cede & Co. shall be deemed to be references to their respective successors. If the Issuer does not replace DTC, the Trustee will register and deliver to the Beneficial Owners replacement Bonds in the form of fully registered Bonds in accordance with the instructions from Cede & Co.

In the event DTC, any successor of DTC or the Issuer elects to discontinue the book-entry only system in conformity with the requirements of DTC, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time Bonds may be exchanged for an equal aggregate principal amount of Bonds in other Authorized Denominations and of the same maturity and Series upon surrender thereof at the corporate trust office of the Trustee.

ARTICLE III ISSUE OF BONDS

Subject to the provisions of Section 2.01 hereof, the Issuer may issue one or more Series of Bonds hereunder and under Supplemental Indentures from time to time for the purpose of financing the Costs of acquisition or construction of the Project or to refund all or a portion of a Series of Bonds (and to pay the costs of the issuance of such Bonds

19

(3) an opinion of Counsel to the Issuer, which shall also be addressed to the Trustee, to the effect that: (a) the Issuer has good right and lawful authority under the Act to undertake the Project, subject to obtaining such licenses, orders or other authorizations as are, at the date of such opinion, required to be obtained from any agency or regulatory body; (b) the Special Assessment proceedings have been taken in accordance with Florida law and that the Issuer has taken all action necessary to levy and impose the Special Assessments; (c) the Special Assessments are legal, valid and binding liens upon the property against which the Special Assessments are made, coequal with the lien of all state, county, district and municipal ad valorem taxes and superior in priority to all other liens, titles and claims against said property then existing or thereafter created, until paid; (d) this Master Indenture and the applicable Supplemental Indenture have been duly and validly authorized, approved, and executed by the Issuer; (e) the issuance of the Series of Bonds has been duly authorized and approved by the Board; and (f) this Master Indenture

(14) in the case of the issuance of a refunding Series of Bonds, a written opinion of Bond Counsel to the effect that the issuance of such Bonds will not adversely affect the exclusion from gross income for federal income tax purposes of interest on any Bonds issued pursuant to the Indenture (to the extent that upon original issuance thereof such Bonds were issued as Bonds the interest on which is excludable from gross income for federal income tax purposes); and

(15) such other documents, certifications and opinions as shall be required by the Supplemental Indenture, by the Participating Underwriter or the initial purchaser of a Series of Bonds or by the Issuer or the Trustee upon advice of counsel.

At the option of the Issuer, any or all of the matters required to be stated in the Certified Resolution described in (1) above may instead be stated in a Supplemental Indenture, duly approved by a Certified Resolution of the Issuer. Execution of a Series of the Bonds by the Issuer and payment to the Trustee of the net proceeds from the original issuance of the Series of Bonds shall be conclusive evidence of satisfaction of the conditions precedent, set forth in this Article, as to the Issuer, the Participating Underwriter and the initial purchaser of the respective Series of Bonds.

ARTICLE IV ACQUISITION AND CONSTRUCTION OF PROJECT

SECTION 4.01. Project to Conform to Plans and Specifications; Changes. Prior to the completion of the Project, in the event that any developer of the District Lands shall fail to pay, when due, any Special Assessments levied against lands within the Issuer owned by the developer or any affiliated entity thereof, the Issuer shall immediately take all actions necessary, to the extent revenues of the Issuer are legally available for such purpose, to complete the Project including, without limitation, taking control of the Project Documents.

ARTICLE V ACQUISITION AND CONSTRUCTION FUND

SECTION 5.01. Acquisition and Construction Fund. The Trustee shall establish an Acquisition and Construction Fund into which shall be deposited the proceeds from each Series of Bonds issued under the Indenture (unless otherwise specified herein or in the applicable Supplemental Indenture for a Series of Bonds) and from which Costs may be paid as set forth herein and in the applicable Supplemental Indenture. Unless otherwise specified in the applicable Supplemental Indenture, a separate Series Account shall be established in the Acquisition and Construction Fund with respect to each Series of Bonds issued hereunder and the proceeds of each Series of Bonds (other than Bonds issued to refund all or a portion of the Bonds) shall be deposited into the corresponding Series Account in the Acquisition and Construction Fund. The amounts in any Series Account of the Acquisition and Construction Fund, until applied as hereinafter provided, shall be held for the security of the Series of Bonds hereunder in respect of which such Series Account was established. Separate subaccounts within any Series Account of the Acquisition and Construction Fund shall be maintained by the Trustee in respect of each Series of Bonds upon request of the Issuer whenever, in the opinion of the Issuer, it is appropriate to have a separate written accounting in respect of the Costs of any designated portion of the Project. Payments shall be made from the appropriate Series Account of the Acquisition and Construction Fund to pay any unpaid Costs of Issuance of the Series of Bonds in question, including without limitation, legal, engineering, and consultants' fees and to pay amounts to be reimbursed to the Issuer for Costs advanced, and thereafter to pay Costs of planning, financing, acquisition, construction, reconstruction, equipping and installation of the Project or portion thereof.

(a) Deposits. In addition to the deposit of amounts received by the Trustee on the date of issuance of each Series of Bonds, the Issuer shall pay or cause to be paid to the Trustee, for deposit into the Series Account of the Acquisition and Construction Fund, as promptly as practicable, the following amounts:

(i) subject to the provisions of Section 9.23 hereof, payments made to the Issuer from the sale, lease or other disposition of the Project or any portion thereof;

(ii) subject to the provisions of Section 9.14 hereof, the balance of insurance proceeds with respect to the loss or destruction of the Project or any portion thereof;

(iii) deposits made by any developer of the District Lands pursuant to the terms and provisions of a developer funding agreement; and

23

(iv) amounts received from a governmental entity pursuant to an interlocal agreement or other similar agreement between the District and such governmental entity providing for the payment by such governmental entity of a portion of the Costs of the Project.

Amounts in the applicable Series Account of the Acquisition and Construction Fund shall be applied to pay the Cost of the Project or a portion thereof, as applicable, pertaining to the Series of Bonds in question; provided, however, that if any amounts remain in the Series Account of the Acquisition and Construction Fund after the Completion Date (as defined in paragraph (c) below) of the Project or portion thereof pertaining to the Series of Bonds in question, and if such amounts are not reserved for payment of any remaining part of the Cost of the Project as directed in writing by the Issuer, such amounts shall be transferred to the applicable Series Account of the Bond Redemption Fund for application to the redemption of Bonds of the Series to which such proceeds relate, as set forth in Section 6.06 hereof or in the applicable Supplemental Indenture.

(b) *Disbursements.* Unless provided otherwise in a Supplemental Indenture, all payments from the Acquisition and Construction Fund shall be paid in accordance with the provisions of this subsection. Moneys in the appropriate Series Account of the Acquisition and Construction Fund shall be disbursed by check, voucher, order, draft, certificate or warrant signed by any one or more officers or employees of the Trustee legally authorized to sign such items or by wire transfer to an account specified by the payee upon satisfaction of the conditions for disbursement set forth in this subsection (b). Before any such payment shall be made, the Issuer shall file with the Trustee a fully executed requisition in the form of Exhibit D attached hereto, signed by a Responsible Officer and, except for payments of cost of issuance, a certificate of the Consulting Engineer signed by a consulting engineer also in the form of Exhibit D attached hereto and as may be modified by terms of the related Supplemental Indenture. Upon receipt of each such requisition and accompanying certificate, the Trustee shall promptly withdraw from the appropriate Series Account of the Acquisition and Construction Fund and pay to the person, firm or corporation named in such requisition the amount designated in such requisition. The Trustee shall have no duty to investigate the accuracy or validity of the items delivered pursuant to this section. All requisitions and certificates received by the Trustee pursuant to this Section 5.01 shall be retained in the possession of the Trustee, subject at all reasonable times to the inspection of the Issuer, the Consulting Engineer, the Owner of any Bonds, and the agents and representatives thereof. The Trustee shall have no duty to verify that the disbursement of funds pursuant to a requisition is for a purpose for which payment may be made hereunder and the Trustee may conclusively rely that a properly signed requisition is, on its face, sufficient to disburse funds from the Acquisition and Construction Fund.

(c) *Completion of Project.* On the date of completion of the Project or if sufficient moneys are retained in the appropriate Series Account of the Acquisition and Construction Fund, to complete the Cost of the Project, in either case, as evidenced by the delivery of a Certificate of the Consulting Engineer to the Trustee and adoption of a resolution by the Board accepting the Project as provided by Section 170.09, Florida Statutes, as amended (the "Completion Date"), the balance in the appropriate Series Account of the Acquisition and Construction Fund not reserved by the Issuer for the payment of any remaining part of the Cost of the Project shall be transferred by the Trustee to, and deposited in, the applicable Series Account

24

SECTION 6.02. Funds and Accounts Relating to the Bonds. The Funds and Accounts specified in this Article VI shall be established under this Master Indenture and each Supplemental Indenture pursuant to which a Series of Bonds is issued for the benefit of the specific Series of Bonds issued pursuant to such Supplemental Indenture and any Series issued on a parity therewith and, unless expressly otherwise provided in said Supplemental Indenture, shall not apply to Bonds Outstanding hereunder issued under any other indenture supplemental hereto or separately secured hereunder by separate Special Assessments. Unless provided otherwise by Supplemental Indenture, all moneys, including, without limitation, proceeds of a Series of Bonds, on deposit to the credit of the Funds and Accounts established hereunder and under a Supplemental Indenture (except for moneys transferred to the Rebate Fund) shall be pledged to the payment of the principal, redemption or purchase price of (as the case may be) and interest on the Series of Bonds issued hereunder and under such Supplemental Indenture, and any Series issued on a parity therewith.

SECTION 6.03. Revenue Fund. The Trustee is hereby authorized and directed to establish a Revenue Fund and pursuant to a Supplemental Indenture a Series Account for each Series of Bonds issued hereunder, into which the Trustee shall immediately deposit any and all Special Assessments received from the levy thereof on the District Lands or any portion thereof (other than Prepayments) and any amounts received as the result of any foreclosure, sale of tax certificates or other remedial action for nonpayment of Special Assessments for the payment of the related Series of Bonds and other payments required hereunder or under the applicable Supplemental Indenture (unless such Special Assessments and/or other payments are specifically designated by the Issuer pursuant to a Supplemental Indenture for deposit into the Rebate Fund or any other Fund or Account established hereunder or under a Supplemental Indenture) and each Series Account therein shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. The Trustee shall transfer from amounts on deposit in the Series Account in the Revenue Fund to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority unless other times and/or priorities are established in a Supplemental Indenture with respect to a Series of Bonds:

FIRST, upon receipt but no later than the Business Day preceding the first May 1 for which there is an insufficient amount from Bond proceeds (or investment earnings thereon) on deposit in the applicable Series Interest Account of the Debt Service Fund to be applied to the payment of interest on the Bonds of a Series due on the next succeeding May 1, and no later than the Business Day next preceding each May 1 thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Interest Account of the Debt Service Fund, an amount equal to the interest on the related Series of Bonds becoming due on the next succeeding May 1, less any amount on deposit in such Interest Account not previously credited;

SECOND, beginning on the date set forth in the related Supplemental Indenture, and no later than the Business Day next preceding each May 1 or November 1, as designated in the applicable Supplemental Indenture thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Principal Account of the Debt Service Fund, an amount equal to the principal amount of Bonds of such Series

26

of the Bond Redemption Fund and applied as provided in Section 6.06 hereof and in the applicable Supplemental Indenture.

ARTICLE VI SPECIAL ASSESSMENTS; APPLICATION THEREOF TO FUNDS AND ACCOUNTS

SECTION 6.01. Special Assessments; Lien of Indenture on Pledged Revenues. The Issuer hereby covenants that it shall levy Special Assessments in the amount necessary to pay the Debt Service Requirement on Bonds issued and Outstanding hereunder, and, unless provided otherwise with respect to a Series of Bonds, evidence and certify the same to the Tax Collector or cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer, pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable.

The Issuer shall, within five (5) Business Days of receipt thereof, pay to the Trustee for deposit in the Series Account of the Revenue Fund established under Section 6.03 hereof all Special Assessments received by the Issuer from the levy thereof on the District Lands subject to assessments for the payment of the related Series of Bonds; provided, however, that amounts received as Prepayments of Special Assessments shall be deposited directly into the applicable Series Account within the Bond Redemption Fund established hereunder or in any account thereof established pursuant to the applicable Supplemental Indenture. The Issuer shall notify the Trustee in writing at the time of deposit of any amounts received as Prepayments of Special Assessments and shall identify the related Series of Bonds. If necessary, the Issuer shall direct the Landowner making such prepayment to specify to which Series of Bonds such prepayments relate.

There are hereby pledged for the payment of the principal or Redemption Price of and interest on all Bonds of each Series issued and Outstanding under the Indenture and all reimbursements due to any Credit Facility Issuer for any drawing with respect to such Series of Bonds on its Credit Facility, including, without limitation, interest thereon, as required under the terms of the applicable Credit Facility Agreement, the Pledged Revenues; provided, however, that unless otherwise specifically provided herein or in a Supplemental Indenture relating to a Series of Bonds with respect to the Pledged Revenues securing such Series of Bonds, the Pledged Revenues securing a Series of Bonds shall secure only such Series of Bonds and Bonds issued on a parity therewith and shall not secure any other Bonds or Series of Bonds. The Pledged Revenues shall immediately be subject to the lien and pledge of the Indenture without any physical delivery hereof or further act; provided, however, that the lien and pledge of the Indenture shall not apply to any moneys transferred by the Trustee to the Rebate Fund. The foregoing notwithstanding, to the extent provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, such Series of Bonds may be made payable from and secured by less than all of the Pledged Revenues, and any one or more of the provisions of this Master Indenture may be made inapplicable to such Series of Bonds, all as more specifically provided in the corresponding Supplemental Indenture; provided, however, that any such provisions shall apply only to the particular Series of Bonds authorized by such Supplemental Indenture and shall not affect in any manner whatsoever any Outstanding Series of Bonds.

25

maturing on the next succeeding principal payment date, less any amount on deposit in the applicable Series Principal Account not previously credited;

THIRD, beginning on the date set forth in the related Supplemental Indenture, and no later than the Business Day next preceding each May 1 or November 1, as so designated in the applicable Supplemental Indenture thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Bonds of such Series subject to mandatory sinking fund redemption on the next succeeding mandatory sinking fund redemption date, less any amount on deposit in the applicable Series Sinking Fund Account not previously credited;

FOURTH, upon receipt but no later than the Business Day preceding the first November 1 for which there remains an insufficient amount from Bond proceeds (or investment earnings thereon) on deposit in the applicable Series Interest Account to be applied to the payment of interest on the Bonds of a Series due on the next succeeding November 1, and no later than the Business Day next preceding each November 1 thereafter while Bonds of such Series issued under the Indenture remain Outstanding, to the applicable Series Interest Account of the Debt Service Fund, an amount equal to the interest on the Bonds of such Series becoming due on the next succeeding November 1, less any amount on deposit in the applicable Series Interest Account not previously credited;

FIFTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Account of the Debt Service Reserve Fund, if any, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Debt Service Reserve Requirement;

SIXTH, subject to the following paragraph, the balance of any moneys remaining in a Series Account of the Revenue Fund after making the foregoing deposits shall remain therein.

Except as otherwise provided in a Supplemental Indenture, the Trustee shall retain any moneys held for the credit of the Revenue Fund which are not otherwise required to be deposited pursuant to this Section and apply such amounts on subsequent dates for the purposes and in the priority set forth above. Notwithstanding the foregoing, if pursuant to any Arbitrage Certificate it is necessary to make a deposit in the Rebate Fund, the Issuer shall direct the Trustee to make such deposit thereto. Prepayments pledged to a particular Series of Bonds shall be deposited directly into the applicable Series Account of the Bond Redemption Fund as provided herein.

SECTION 6.04. Debt Service Fund. The Trustee is hereby authorized and directed to establish a Debt Service Fund which shall consist of amounts deposited therein by the Trustee and any other amounts the Issuer may pay to the Trustee for deposit therein with respect to the related Series of Bonds. The Debt Service Fund shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. The Trustee shall establish within the Debt Service Fund pursuant to a Supplemental Indenture, a Series

27

Principal Account, a Series Interest Account and, if applicable, a Series Sinking Fund Account for each Series of Bonds and a Series Capitalized Interest Account, which accounts shall be separate and apart from all other Funds and Accounts established under the Indenture and from all other moneys of the Trustee.

The Trustee at all times shall make available to any Paying Agent the funds in the Series Principal Account and the Series Interest Account of the Debt Service Fund to pay the principal of the applicable Series of Bonds as they mature upon surrender thereof and the interest on the applicable Series of Bonds as it becomes payable, respectively. When a Series of Bonds is redeemed, the amount, if any, in the Debt Service Fund representing interest thereon shall be applied to the payment of accrued interest in connection with such redemption.

The Trustee shall apply moneys in the Series Sinking Fund Account in the Debt Service Fund for purchase or redemption of the applicable Series of Bonds in amounts and maturities set forth in the Supplemental Indenture. Whenever Bonds of a Series are to be purchased out of such Series Sinking Fund Account, if the Issuer shall notify the Trustee in writing that the Issuer wishes to arrange for such purchase, the Trustee shall comply with the Issuer's arrangements provided they conform to the Indenture.

Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, purchases and redemptions out of the Series Sinking Fund Account shall be made as follows:

(a) The Trustee shall apply the amounts required to be transferred to the Series Sinking Fund Account (less any moneys applied to the purchase of Bonds of the applicable Series pursuant to the next sentence hereof) on the mandatory sinking fund redemption date in each of the years set forth in the Supplemental Indenture to the redemption of Bonds of the related Series in the amounts, manner and maturities and on the dates set forth in the Supplemental Indenture, at a Redemption Price of 100% of the principal amount thereof. At the written direction of the Issuer, the Trustee shall apply moneys from time to time available in the Series Sinking Fund Account to the purchase of Bonds of the applicable Series which mature in the aforesaid years, at prices not higher than the principal amount thereof, in lieu of redemption as aforesaid, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given. In the event of purchases at less than the principal amount thereof, the difference between the amount in the Series Sinking Fund Account representing the principal amount of the Bonds so purchased and the purchase price thereof (exclusive of accrued interest) shall be transferred to the related Series Interest Account of the Debt Service Fund.

(b) Accrued interest on purchased Bonds of a Series shall be paid from the related Series Interest Account of the Debt Service Fund.

(c) In lieu of paying the Debt Service Requirements necessary to allow any mandatory redemption of Bonds of a Series from the related Series Sinking Fund Account, the Issuer may present to the Trustee Bonds of such Series purchased by the Issuer pursuant to subparagraph (a) above and furnished for such purposes; provided, however, that no Bonds of such Series so purchased shall be credited towards the Debt Service Requirements in respect of the mandatory redemption of Bonds of such Series for which notice of redemption has been given

28

of the Debt Service Reserve Fund the amount in the related Series Interest Account, the related Series Principal Account or the related Series Sinking Fund Account, as the case may be, is insufficient to pay all amounts payable on such Series of Bonds therefrom on such payment dates, the Trustee shall, without further instructions, but subject to contrary direction by the Majority Holder of the Bonds to which such Series Account of the Debt Service Reserve Fund relates, transfer the amount of any such deficiency from the related Series Account of the Debt Service Reserve Fund into the related Series Interest Account, the related Series Principal Account and the related Series Sinking Fund Account, as the case may be, with priority to the related Series Interest Account and then, proportionately according to the respective deficiencies therein, to the related Series Principal Account and the related Series Sinking Fund Account, to be applied to pay the Series of Bonds secured by the Series Account of the Debt Service Reserve Fund.

Notwithstanding the foregoing, if permitted by the terms of the applicable Supplemental Indenture, in lieu of the required deposits into the related Series Account of the Debt Service Reserve Fund, the Issuer may cause to be deposited into the Series Account of the Debt Service Reserve Fund a Debt Service Reserve Insurance Policy or Debt Service Reserve Letter of Credit, either in lieu of any cash amount required to be deposited therein in connection with the issuance of any Series of Bonds or in substitution for the full amounts then on deposit therein or in an amount equal to the difference between the amount required to be deposited and the sum, if any, then on deposit in the Series Account of the Debt Service Reserve Fund, which Debt Service Reserve Insurance Policy or Debt Service Reserve Letter of Credit shall be payable (upon the giving of notice as required thereunder) on any Interest Payment Date or principal payment date on which a deficiency exists which cannot be remedied by moneys in any other Fund or Account held pursuant to the Indenture and available for such purpose. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, if any such Debt Service Reserve Insurance Policy or Debt Service Reserve Letter of Credit is substituted for moneys on deposit in the Series Account of the Debt Service Reserve Fund, or if at any time there are excess moneys in the Series Account of the Debt Service Reserve Fund, the excess moneys in the Series Account of the Debt Service Reserve Fund shall be transferred to and deposited in the related Series Account or Subaccount of the Revenue Fund. If a disbursement is made from a Debt Service Reserve Insurance Policy or Debt Service Reserve Letter of Credit, the Issuer shall be obligated to either reinstate the maximum limits of such Debt Service Reserve Insurance Policy or Debt Service Reserve Letter of Credit immediately following such disbursement or to deposit into the Series Account of the Debt Service Reserve Fund, as provided in the Indenture for restoration of withdrawals from the Series Account of the Debt Service Reserve Fund, funds in the amount of the disbursement made under such Debt Service Reserve Insurance Policy or Debt Service Reserve Letter of Credit.

In the event that upon the occurrence of any deficiency in a Series Interest Account, a Series Principal Account or a Series Sinking Fund Account, the Series Account of the Debt Service Reserve Fund is then funded with a Debt Service Reserve Letter of Credit or Debt Service Reserve Insurance Policy, the Trustee shall, on an Interest Payment Date or principal payment date or mandatory redemption date to which such deficiency relates, draw upon the Debt Service Reserve Letter of Credit or cause to be paid under the Debt Service Reserve Insurance Policy an amount sufficient to remedy such deficiency, in accordance with the terms and provisions of the Debt Service Reserve Letter of Credit or Debt Service Reserve Insurance Policy, as applicable, and any corresponding reimbursement or other agreement governing the Debt Service Reserve Letter of

30

pursuant to Section 8.02 of this Master Indenture. Any Bond so purchased shall be presented to the Trustee for cancellation. In such event, the Debt Service Requirements with respect to the Bonds of a Series for the period in which the purchased Bonds are presented to the Trustee shall, for all purposes hereunder, be reduced by an amount equal to the aggregate principal amount of any such Bonds so presented.

SECTION 6.05. Debt Service Reserve Fund. The Trustee is hereby authorized and directed to establish a Debt Service Reserve Fund and, if applicable, pursuant to a Supplemental Indenture a Series Account for each Series of Bonds issued hereunder. The Debt Service Reserve Fund and each Series Account therein shall be held by the Trustee solely for the benefit of each related Series of Bonds or sub-Series, as determined by the applicable Supplemental Indenture; provided, however, that notwithstanding anything to the contrary contained in this Master Indenture, the Supplemental Indenture authorizing the issuance of a Series of Bonds may provide that the Debt Service Reserve Fund is not applicable and no account therein shall secure such Series of Bonds. The Debt Service Reserve Fund and each Series Account therein shall constitute an irrevocable trust fund to be applied solely as set forth herein and shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, on the date of issuance and delivery of a Series of Bonds an amount of Bond proceeds or equity equal to the Debt Service Reserve Requirement in respect of such Series of Bonds, calculated as of the date of issuance and delivery of such Series of Bonds, shall be deposited in the related Series Account of the Debt Service Reserve Fund. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, and as long as there exists no default under the Indenture and the amount in the Series Account of the Debt Service Reserve Fund is not reduced below the then applicable Debt Service Reserve Requirement with respect to such Series of Bonds, earnings on investments in the Series Account of the Debt Service Reserve Fund shall, prior to the Completion Date of a Project, be transferred to the applicable Series Account of the Acquisition and Construction Fund, and after the Completion Date, shall be transferred, at the written direction of the Issuer, to the related Series Account of the Revenue Fund. Otherwise, earnings on investments in each Series Account of the Debt Service Reserve Fund shall be retained therein until applied as set forth herein. Unless otherwise provided in a Supplemental Indenture, in the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement as a result of a Prepayment of Special Assessments, which Special Assessments are pledged for the payment and security of such Series of Bonds, the excess amount shall be transferred from the Series Account or Subaccount of the Debt Service Reserve Fund to the applicable Series Account of the Bond Redemption Fund established for such Series of Bonds and shall constitute a credit against such Prepayment. In the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement for any other reason, the excess amount shall, unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, be transferred from the Series Account of the Debt Service Reserve Fund to the related Series Account or subaccount of the Bond Redemption Fund.

Whenever for any reason on an Interest Payment Date, principal payment date or mandatory redemption date with respect to a related Series of Bonds secured by a Series Account

29

Credit or Debt Service Reserve Insurance Policy; provided, however, that if at the time of such deficiency the Series Account of the Debt Service Reserve Fund is only partially funded with a Debt Service Reserve Letter of Credit or Debt Service Reserve Insurance Policy, prior to drawing on the Debt Service Reserve Letter of Credit or Debt Service Reserve Insurance Policy, as applicable, the Trustee shall first apply any cash and securities on deposit in the Series Account of the Debt Service Reserve Fund to remedy the deficiency in accordance with the second paragraph of this Section 6.05 and, if after such application a deficiency still exists, the Trustee shall make up the balance of the deficiency by drawing on the Debt Service Reserve Letter of Credit or Debt Service Reserve Insurance Policy, as provided in this sentence. Amounts drawn on the Debt Service Reserve Letter of Credit or Debt Service Reserve Insurance Policy, as applicable, shall be applied as set forth in the second paragraph of this Section 6.05. Any amounts drawn under a Debt Service Reserve Letter of Credit or Debt Service Reserve Insurance Policy shall be reimbursed to the issuer thereof in accordance with the terms and provisions of the reimbursement or other agreement governing such Debt Service Reserve Letter of Credit or Debt Service Reserve Insurance Policy.

SECTION 6.06. Bond Redemption Fund. The Trustee is hereby authorized and directed to establish a Bond Redemption Fund and a Series Account therein for each Series of Bonds issued hereunder into which shall be deposited moneys, unless otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, in the amounts and at the times provided in Sections 5.01, 6.01, 6.03, 6.05, 9.08(d) and 9.14(c) of this Master Indenture. The Series Account within the Bond Redemption Fund shall constitute an irrevocable trust fund to be applied solely as set forth in the applicable Supplemental Indenture for the related Series of Bonds and shall be held by the Trustee separate and apart from all other Funds and Accounts held under such Indenture and from all other moneys of the Trustee. All earnings on investments held in the Series Account within the Bond Redemption Fund shall be retained therein and applied as set forth below.

Moneys in the Series Account within the Bond Redemption Fund (including all earnings on investments held in the Series Account within the Bond Redemption Fund) shall be accumulated therein to be used in the following order of priority, to the extent that the need therefor arises:

FIRST, to make such deposits into the Rebate Fund created and established under this Master Indenture as the Issuer may direct in accordance with an arbitrage rebate agreement, such moneys thereupon to be used solely for the purposes specified in said arbitrage rebate agreement. Any moneys so transferred from the Series Account within the Bond Redemption Fund to the Rebate Fund shall thereupon be free from the lien and pledge of the related Indenture;

SECOND, to be used to call for redemption pursuant to clause (b) of Section 8.01 hereof an amount of Bonds of the applicable Series equal to the amount of money transferred to the Series Account within the Bond Redemption Fund pursuant to the aforesaid clauses or provisions, as appropriate, for the purpose of such extraordinary mandatory redemption on the dates and at the prices provided in such clauses or provisions, as appropriate; and

31

THIRD, the remainder to be utilized by the Trustee, at the direction of a Responsible Officer, to call for redemption on each Interest Payment Date or other date on which Bonds of the applicable Series are subject to optional redemption pursuant to Section 8.01(a) hereof such amount of Bonds of the applicable Series as, with the redemption premium, may be practicable; provided, however, that not less than Five Thousand Dollars (\$5,000) principal amount of Bonds of the applicable Series shall be called for redemption at one time.

Any such redemption shall be made in accordance with the provisions of Article VIII of this Master Indenture and the applicable provisions of the related Supplemental Indenture. The Issuer shall pay all expenses in connection with such redemption.

SECTION 6.07. Drawings on Credit Facility. With respect to Bonds in respect of which there has been issued a Credit Facility, the Trustee shall draw on the Credit Facility, in accordance with the provisions for drawing under such Credit Facility, and within the requisite time period, all as set forth in the Credit Facility Agreement or the Supplemental Indenture.

SECTION 6.08. Procedure When Funds Are Sufficient to Pay All Bonds of a Series. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, if at any time the moneys held by the Trustee in the Funds (other than the moneys in the Rebate Fund) and Accounts hereunder and under a Supplemental Indenture and available therefor are sufficient to pay the principal or Redemption Price of, as the case may be, and interest on all Bonds of a Series then Outstanding under such Indenture to maturity or prior redemption, together with any amounts due the Issuer and the Trustee, Paying Agent, Registrar and Credit Facility Issuer, if any, the Trustee, at the direction of the Issuer, shall apply the amounts in the Series Funds and Series Accounts to the payment of the aforesaid obligations and the Issuer shall not be required to pay over any further Pledged Revenues with respect to such Series of Bonds unless and until it shall appear that there is a deficiency in the Funds and Accounts held by the Trustee.

SECTION 6.09. Certain Moneys to Be Held for Series Bondholders Only. Each Series of Bonds issued pursuant to this Master Indenture and the related Supplemental Indenture shall be secured by Pledged Revenues, as set forth herein, and otherwise may be secured by such additional Funds and Accounts and other security (including, but not limited to, Credit Facilities) established by the pertinent Supplemental Indenture. Moneys and investments in the various Funds and Accounts created under a Supplemental Indenture expressly and solely for the benefit of the Series of Bonds issued under such Supplemental Indenture shall be held in trust by the Trustee for the benefit of the Holders of, and Credit Facility Issuer with respect to, Bonds of that Series only.

SECTION 6.10. Unclaimed Moneys. In the event any Bond shall not be presented for payment when the principal of such Bond becomes due, either at maturity or at the date fixed for redemption of such Bond or otherwise, if amounts sufficient to pay such Bond have been deposited with the Trustee for the benefit of the owner of the Bond and have remained unclaimed for two (2) years after the date payment thereof becomes due shall, upon request of the Issuer, if the Issuer is not at the time to the actual knowledge of a Responsible Officer of the Trustee in default with respect to any covenant in this Master Indenture, any Supplemental Indenture or the Bonds contained, be paid to the Issuer; and the Owners of the Bonds for which the deposit was made shall thereafter be limited to a claim against the Issuer; provided, however, that the Trustee, before

32

the extent not insured, and to the extent permitted by law, be fully secured as to both principal and interest earned, by Investment Securities of the types set forth in the definition of Investment Securities and the provisions thereof provided, however, the foregoing shall not apply to Investment Securities of the types specified in (b) and (e) of the definition of Investment Securities. If at any time the Trustee is unwilling to accept such deposits or unable to secure them as provided above, the Trustee may deposit such moneys with any other depository which is authorized to receive them and the deposits of which are insured by the Federal Deposit Insurance Corporation (including the FDIC Savings Association Insurance Fund). All deposits in any other depository in excess of the amount covered by insurance (whether under this Section 7.01 or Section 7.02 as aforesaid) shall, except for investments of the type specified in (b) and (e) of the definition of Investment Securities, to the extent permitted by law, be fully secured as to both principal and interest earned, in the same manner as required herein for deposits with the Trustee. Such security shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000.

SECTION 7.02. Investment or Deposit of Funds. The Trustee shall, as directed by the Issuer in writing, invest moneys held in the Series Accounts in the Debt Service Fund and any Series Account within the Bond Redemption Fund created under any Supplemental Indenture only in Investment Securities unless the applicable Supplemental Indenture provides for alternate investments. Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, the Trustee shall, as directed by the Issuer in writing, invest moneys held in any Series Account of the Debt Service Reserve Fund in Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth herein or in the Supplemental Indenture with respect to a Series of Bonds. All securities securing investments under this Section shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to Section 6.05 of this Master Indenture and unless otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, any interest and other income so received shall be deposited in the related Series Account of the Revenue Fund. Upon written request of the Issuer, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund.

34

making payment to the Issuer, may, at the expense of the Issuer, cause a notice to be published in an Authorized Newspaper, stating that the money remaining unclaimed will be returned to the Issuer after a specified date.

SECTION 6.11. Rebate Fund. The Trustee is hereby authorized and directed to establish a Rebate Fund. Unless provided otherwise in a Supplemental Indenture, the Trustee shall transfer monies from the applicable Series Account in the Revenue Fund and deposit the same to the Rebate Fund, and shall make payments therefrom at the times and in the amounts as directed by the Issuer in writing that are required to comply with the covenants in the applicable Arbitrage Certificate. If so directed by the Issuer in writing, the Trustee shall create one or more Series Accounts within the Rebate Fund relating to one or more particular Series of Bonds.

(a) All amounts held in the Rebate Fund shall be governed by this Section and the applicable Arbitrage Certificate. The Trustee shall be entitled to rely on the rebate calculations obtained from the rebate analyst retained by the Issuer pursuant to any Arbitrage Certificate and the Trustee shall not be responsible for any loss or damage resulting from any good faith action taken or omitted to be taken by the Issuer in reliance upon such calculations.

(b) Pursuant to the applicable Arbitrage Certificate, the Trustee shall remit all rebate installments and a final rebate payment to the United States. The Trustee shall have no obligation to pay any amounts required to be rebated pursuant to this Section and the applicable Arbitrage Certificate, other than at the direction of the Issuer and from moneys held in the Rebate Fund or from other moneys provided to it by the Issuer. Any moneys remaining in the Rebate Fund after redemption and payment of all of the Bonds and payment and satisfaction of any arbitrage rebate shall be withdrawn and paid to the Issuer.

(c) Notwithstanding any other provision of this Indenture, including in particular Article XIV hereof, the obligation to pay arbitrage rebate to the United States and to comply with all other requirements of this Section and the Arbitrage Certificate shall survive the defeasance or payment in full of the Bonds.

(d) The Trustee shall not be deemed to have constructive knowledge of the Code or regulations, rulings and judicial decisions concerning the Code.

ARTICLE VII SECURITY FOR AND INVESTMENT OR DEPOSIT OF FUNDS

SECTION 7.01. Deposits and Security Therefor. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, all moneys received by the Trustee under a Supplemental Indenture for deposit in any Fund or Account established under this Master Indenture or such Supplemental Indenture shall be considered trust funds, shall not be subject to lien or attachment, except for the lien created by this Master Indenture and the related Supplemental Indenture, and shall be deposited with the Trustee, until or unless invested or deposited as provided in Section 7.02 hereof. All deposits of moneys received by the Trustee under this Master Indenture or such Supplemental Indenture (whether original deposits under this Section 7.01 or deposits or redeposits in time accounts under Section 7.02) shall, except for investments of the type specified in (b) and (c) of the definition of Investment Securities, and to

33

In the absence of written investment instructions from the Issuer, the Trustee shall not be responsible or liable for keeping the moneys held by it hereunder invested or for any losses because such amounts were not invested. Moneys in any of the Funds and Accounts established pursuant to the Indenture, when held by the Trustee, shall be promptly invested by the Trustee in accordance with all written directions from the Issuer and the Issuer shall be responsible for ensuring that such instructions conform to requirements of this Master Indenture including, without limitation, this Article VII. The Trustee shall not be liable or responsible for any loss or entitled to any gain resulting from any investment or sale upon the investment instructions of the Issuer or otherwise, including that set forth in the first sentence of this paragraph. The Trustee may conclusively rely upon the Issuer's written instructions as to both the suitability and legality of all investments directed hereunder or under any Supplemental Indenture. Ratings of investments shall be determined by the Issuer at the time of purchase of such investments and without regard to ratings subcategories. The Trustee shall have no responsibility to determine or monitor the ratings of investments. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades. Confirmations of investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any fund or account if no activity occurred in such fund or account during such month.

SECTION 7.03. Valuation of Funds. Except for the assets on deposit in the Debt Service Reserve Fund, the Trustee shall value the assets in each of the Funds and Accounts established hereunder or under any Supplemental Indenture within ten (10) Business Days prior to each Interest Payment Date. With respect to the assets in the Debt Service Reserve Fund, including all accounts established therein, the Trustee shall value such assets forty-five (45) days prior to each Interest Payment Date. In either case, as soon as practicable after each such valuation date (but no later than ten (10) Business Days after each such valuation date), the Trustee shall provide the Issuer a report of the status of each Fund and Account as of the valuation date, unless otherwise agreed to by the Trustee or District, but may provide such report earlier if it so elects. In computing the assets of any Fund or Account, investments and accrued interest thereon shall be deemed a part thereof, subject to Section 7.02 hereof. For the purpose of determining the amount on deposit to the credit of any Fund or Account established hereunder or under any Supplemental Indenture, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the Redemption Price thereof, to the extent that any such obligation is then redeemable at the option of the holder.

SECTION 7.04. Brokerage Confirmations. The District acknowledges that to the extent regulations of the Comptroller of the Currency or other applicable regulatory entity grant the District the right to receive individual confirmations of security transactions at no additional cost, as they occur, the District specifically waives receipt of such confirmations to the extent permitted by law. The Trustee will furnish the District periodic cash transaction statements that include detail for all investment transactions made by the Trustee hereunder.

ARTICLE VIII REDEMPTION AND PURCHASE OF BONDS

SECTION 8.01. Redemption Dates and Prices. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, the Bonds of a Series may be made

35

subject to optional, mandatory and extraordinary redemption and purchase, either in whole or in part, by the Issuer, prior to maturity in the amounts, at the times and in the manner provided in this Article VIII and in the related Supplemental Indenture.

(a) *Optional Redemption.* Bonds of a Series shall be subject to optional redemption at the direction of the Issuer, at the times and upon payment of the purchase price as provided in the related Supplemental Indenture.

(b) *Extraordinary Mandatory Redemption in Whole or in Part.* Except as otherwise provided in a Supplemental Indenture with respect to Bonds of the related Series, Bonds of a Series are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole, on any date, or in part, on any Interest Payment Date, at an extraordinary mandatory redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date, (i) from moneys deposited into the related Series Bond Redemption Fund following the payment in full of Special Assessments on any portion of the District Lands in accordance with the provisions of Section 9.08(a) hereof; (ii) from moneys deposited into the related Series Bond Redemption Fund following the payment in full of Special Assessments on any portion of the District Lands as a result of any prepayment of Special Assessments in accordance with Section 9.08(b) hereof; (iii) when sufficient moneys are on deposit in the related Series Funds and Accounts (other than moneys in the Rebate Fund and any other excluded Fund or Account as provided in a Supplemental Indenture with respect to a Series of Bonds or moneys required to pay Costs of the Project under the applicable Supplemental Indenture) to pay and redeem all Outstanding Bonds of a Series and accrued interest thereon to the redemption date in addition to all amounts owed to Persons under the Indenture; (iv) from moneys in excess of the Series Account of the Debt Service Reserve Requirement in the Series Account of the Debt Service Reserve Fund transferred to the Series Bond Redemption Fund pursuant to Section 6.05 hereof; (v) from excess moneys transferred from the Series Account of the Revenue Fund to the Series Bond Redemption Fund in accordance with Section 6.03 of this Master Indenture; (vi) from moneys, if any, on deposit in the Series Bond Redemption Fund pursuant to Section 9.14(c) hereof following condemnation or the sale of any portion of the District Lands benefited by a Project to a governmental entity under threat of condemnation by such governmental entity or the damage or destruction of all or substantially all of the Project when such moneys are not to be used pursuant to 9.14(c) to repair, replace or restore the Project; provided, however, that at least forty-five (45) days prior to such extraordinary mandatory redemption, the Issuer shall cause to be delivered to the Trustee (x) notice setting forth the redemption date and (y) a certificate of the Consulting Engineer confirming that the repair and restoration of the Project would not be economical or would be impracticable; or (vii) from amounts transferred to the Series Account of the Bond Redemption Fund from the Series Account of the Acquisition and Construction Fund in accordance with Section 5.01(c) hereof.

(c) *Mandatory Sinking Fund Redemption.* Bonds of a Series may be subject to mandatory sinking fund redemption at a Redemption Price of 100% of the principal amount thereof plus accrued interest to the redemption date, in the years and amounts set forth in a Supplemental Indenture.

36

(e) if less than all Outstanding Bonds of a Series to be redeemed or purchased, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed or purchased;

(f) that on the redemption or purchase date the Redemption Price or purchase price will become due and payable upon surrender of each such Bond or portion thereof called for redemption or purchase, and that interest thereon shall cease to accrue from and after said date; and

(g) the place where such Bonds are to be surrendered for payment of the redemption or purchase price, which place of payment shall be a corporate trust office of the Trustee.

If at the time of mailing of notice of an optional redemption or purchase, the Issuer shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Bonds called for redemption or purchase, such notice shall be entitled "CONDITIONAL NOTICE OF REDEMPTION" or "CONDITIONAL NOTICE OF PURCHASE", as appropriate, and shall expressly state that the redemption or purchase, as appropriate, is conditional and is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

If the amount of funds deposited with the Trustee for such redemption, or otherwise available, is insufficient to pay the Redemption Price and accrued interest on the Bonds so called for redemption on the redemption date, the Trustee shall redeem and pay on such date an amount of such Bonds for which such funds are sufficient, selecting the Bonds to be redeemed randomly from among all such Bonds called for redemption on such date, and among different maturities of Bonds in the same manner as the initial selection of Bonds to be redeemed, and from and after such redemption date, interest on the Bonds or portions thereof so paid shall cease to accrue and become payable; but interest on any Bonds or portions thereof not so paid shall continue to accrue until paid at the same rate as it would have had such Bonds not been called for redemption.

The notices required to be given by this Section 8.02 shall state that no representation is made as to correctness or accuracy of the CUSIP numbers listed in such notice or printed on the Bonds.

SECTION 8.03. *Payment of Redemption Price.* If any required (a) unconditional notice of redemption has been duly mailed or waived by the Owners of all Bonds called for redemption or (b) conditional notice of redemption has been so mailed or waived and the redemption moneys have been duly deposited with the Trustee or Paying Agent, then in either case, the Bonds called for redemption shall be payable on the redemption date at the applicable Redemption Price plus accrued interest, if any, to the redemption date. Bonds of a Series so called for redemption, for which moneys have been duly deposited with the Trustee, will cease to bear interest on the specified redemption date, shall no longer be secured by the related Indenture and shall not be deemed to be Outstanding under the provisions of the related Indenture.

38

In connection with such mandatory sinking fund redemption of Bonds, amounts shall be transferred from the applicable Series Account of the Revenue Fund to the Series Sinking Fund Account of the Debt Service Fund, all as more particularly described in Section 6.03 hereof.

The principal amounts of scheduled mandatory sinking fund redemption amounts shall be reduced as specified by the Issuer or as provided in Section 8.04 hereof by any principal amounts of the Bonds redeemed pursuant to Section 8.01(a) and (b) hereof or purchased pursuant to Section 6.04 hereof.

Upon any redemption of Bonds other than in accordance with scheduled mandatory sinking fund redemption amounts, the Issuer shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Bonds of such Series in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Bonds of such Series. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Bonds of such Series in any year. In the event of a redemption or purchase occurring less than 45 days prior to a date on which a mandatory sinking fund redemption amount is due, the foregoing recalculation shall not be made to mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

SECTION 8.02. *Notice of Redemption and of Purchase.* Except where otherwise required by a Supplemental Indenture, when required to redeem or purchase Bonds of a Series under any provision of the related Indenture or directed to do so by the Issuer, the Trustee shall cause notice of the redemption, either in whole or in part, to be provided by Electronic Means or mailed at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Bonds of such Series for which notice was duly mailed in accordance with this Section 8.02. Such notice shall be given in the name of the Issuer, shall be dated, shall set forth the Bonds of such Series Outstanding which shall be called for redemption or purchase and shall include, without limitation, the following additional information:

- (a) the redemption or purchase date;
- (b) the redemption or purchase price;
- (c) CUSIP numbers, to the extent applicable, and any other distinctive numbers and letters;
- (d) any conditions that must be satisfied for the Bonds to be redeemed on the date of redemption;

37

Payment of the Redemption Price, together with accrued interest, shall be made by the Trustee or Paying Agent to or upon the order of the Owners of the Bonds called for redemption upon surrender of such Bonds. The Redemption Price of the Bonds to be redeemed, the expenses of giving notice and any other expenses of redemption, shall be paid out of the Fund from which redemption is to be made or by the Issuer, or as specified in a Supplemental Indenture.

SECTION 8.04. *Partial Redemption of Bonds.* Except to the extent otherwise provided in a Supplemental Indenture, if less than all of a Series of Bonds of a maturity are to be redeemed, the Trustee shall select the particular Bonds or portions of the Bonds to be called for redemption by lot in such reasonable manner as the Trustee in its discretion may determine. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(a), such redemption shall be effectuated by redeeming Bonds of such Series of such maturities in such manner as shall be specified by the Issuer in writing, subject to the provisions of Section 8.01 hereof. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(b), such redemption shall be effectuated by redeeming Bonds of such Series pro rata among the maturities, treating each date on which a mandatory sinking fund redemption amount is due as a separate maturity for such purpose, with the portion to be redeemed from each maturity being equal to the product of the aggregate principal amount of Bonds of such Series to be redeemed multiplied times a fraction the numerator of which is the principal amount of the Series of Bonds of such maturity outstanding immediately prior to the redemption date and the denominator of which is the aggregate principal amount of all Bonds of such Series outstanding immediately prior to the redemption date rounded up or down to the nearest \$5,000 amount in order to maintain Authorized Denominations. The District Manager, on behalf of the Issuer, shall be responsible for calculating such revised sinking fund installments and providing the Trustee with the revised sinking fund installments.

ARTICLE IX COVENANTS OF THE ISSUER

SECTION 9.01. *Power to Issue Bonds and Create Lien.* The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Bonds, to adopt and execute this Master Indenture and to pledge the Pledged Revenues for the benefit of the Bonds of a Series and any Credit Facility Issuer, except to the extent otherwise provided in a Supplemental Indenture. The Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Bonds of a Series and any Credit Facility Issuer with respect to such Series. The Bonds and the provisions of this Master Indenture and any Supplemental Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by this Master Indenture and any Supplemental Indenture and all the rights of the Bondholders and any Credit Facility Issuer under this Master Indenture and any Supplemental Indenture against all claims and demands of all other Persons whomsoever.

SECTION 9.02. *Payment of Principal and Interest on Bonds.* The payment of the principal or Redemption Price of and interest on all of the Bonds of a Series issued under the related Indenture shall be secured forthwith equally and ratably by a first lien on and pledge of the Pledged Revenues, except to the extent otherwise provided in a Supplemental Indenture; and Pledged Revenues in an amount sufficient to pay the principal or Redemption Price of and interest on the Bonds of a Series authorized by the related Indenture are hereby irrevocably pledged to the

39

payment of the principal or Redemption Price of and interest on the Bonds of a Series authorized under the related Indenture, as the same become due and payable. The Issuer shall promptly pay the interest on and the principal or Redemption Price of every Bond issued hereunder according to the terms thereof, but shall be required to make such payment only out of the Pledged Revenues.

THE BONDS AUTHORIZED UNDER THIS MASTER INDENTURE AND THE RELATED SUPPLEMENTAL INDENTURE AND THE OBLIGATIONS EVIDENCED THEREBY SHALL NOT CONSTITUTE A LIEN UPON ANY PROPERTY OF THE ISSUER, INCLUDING, WITHOUT LIMITATION, THE PROJECT OR ANY PORTION THEREOF IN RESPECT OF WHICH ANY SUCH BONDS ARE BEING ISSUED, OR ANY PART THEREOF, BUT SHALL CONSTITUTE A LIEN ONLY ON THE PLEDGED REVENUES AS SET FORTH IN THIS MASTER INDENTURE AND ANY SUPPLEMENTAL INDENTURE. NOTHING IN THE BONDS AUTHORIZED UNDER THIS MASTER INDENTURE AND ANY SUPPLEMENTAL INDENTURE SHALL BE CONSTRUED AS OBLIGATING THE ISSUER TO PAY THE BONDS OR THE REDEMPTION PRICE THEREOF OR THE INTEREST THEREON EXCEPT FROM THE PLEDGED REVENUES, OR AS PLEDGING THE FAITH AND CREDIT OF THE ISSUER, THE COUNTY, THE STATE OR ANY OTHER POLITICAL SUBDIVISION THEREOF, OR AS OBLIGATING THE ISSUER, THE COUNTY, THE STATE OR ANY OF ITS POLITICAL SUBDIVISIONS, DIRECTLY OR INDIRECTLY OR CONTINGENTLY, TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATSOEVER THEREFOR.

SECTION 9.03. Special Assessments; Re-Assessments.

(a) Except as otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, the Issuer shall levy Special Assessments, and evidence and certify the same to the Tax Collector or cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable, and Section 9.04 hereof, to the extent and in an amount sufficient to pay Debt Service Requirements on all Outstanding Bonds.

(b) If any Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the Issuer shall be satisfied that any such Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the Issuer shall have omitted to make such Special Assessment when it might have done so, the Issuer shall either (i) take all necessary steps to cause a new Special Assessment to be made for the whole or any part of said improvement or against any property benefited by said improvement, or (ii) in its sole discretion, make up the amount of such Special Assessment from any legally available moneys, which moneys shall be deposited into the applicable Series Account in the Revenue Fund. In case such second Special Assessment shall be annulled, the Issuer shall obtain and make other Special Assessments until a valid Special Assessment shall be made.

SECTION 9.04. Method of Collection. Special Assessments shall be collected by the Issuer in accordance with the provisions of the Act and Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes thereto, as applicable, in accordance with the terms of this Section. Except as stated in the next succeeding sentence, the Issuer shall use the uniform method

40

if any property shall be offered for sale for the nonpayment of any Special Assessment, and no person or persons shall purchase the same for an amount at least equal to the full amount due on the Special Assessment (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the Issuer, to the extent the Issuer has available funds, for an amount equal to the balance due on the Special Assessment (principal, interest, penalties and costs, plus attorneys' fees, if any), and the Issuer shall thereupon receive, in its corporate name or in the name of a special purpose entity nominee of the Issuer, the title to the property for the benefit of the Registered Owners. The Issuer, either through its own actions or actions caused to be done through the Trustee, shall have the power and shall use its best efforts to lease or sell such property and deposit all of the net proceeds of any such lease or sale into the related Series Account of the Revenue Fund. Not less than ten (10) days prior to the filing of any foreclosure action or any sale of tax deed as herein provided, the Issuer shall cause written notice thereof to be mailed to the Registered Owners of the Series of Bonds secured by such delinquent Special Assessments. Not less than thirty (30) days prior to the proposed sale of any lot or tract of land acquired by foreclosure by the Issuer, it shall give written notice thereof to such Registered Owners. The Issuer, either through its own actions or actions caused to be done through the Trustee, agrees that it shall be required to take the measure provided by law for sale of property acquired by it as trustee for the Registered Owners within thirty (30) days after the receipt of the request therefor signed by the Registered Owners of at least twenty-five percent (25%) of the aggregate principal amount of all Outstanding Bonds of the Series payable from Special Assessments assessed on such property. If directed by an owner of at least twenty-five percent (25%) of the Bonds Outstanding or if the Trustee or the Issuer shall so elect, the Issuer and the Trustee may place title of property received upon foreclosure or deed in lieu of foreclosure into a special purpose entity controlled by the Trustee or such other entity acceptable to the registered Holders of a majority of the Bonds of a Series so effected by such foreclosure, for the benefit of the Registered Owners. If the Issuer determines, after consultation with District Counsel, that there is an obligated person, as defined under the Rule, then in addition to the Issuer, the decision to file a foreclosure action shall be made by at least twenty-five percent (25%) of the Holders of the Bonds so secured by the delinquent Special Assessments and such decision shall be communicated to the Issuer and Trustee in writing.

SECTION 9.07. Books and Records with Respect to Special Assessments. In addition to the books and records required to be kept by the Issuer pursuant to the provisions of Section 9.17 hereof, the Issuer shall keep books and records for the collection of the Special Assessments on the District Lands, which such books, records and accounts shall be kept separate and apart from all other books, records and accounts of the Issuer. The District Manager or the District Manager's designee, at the end of each Fiscal Year, shall prepare a written report setting forth the collections received, the number and amount of delinquencies, the proceedings taken to enforce collections and cure delinquencies and an estimate of time for the conclusion of such legal proceedings. As soon as practicable after such audit shall become available, a copy of such audit shall be mailed to any Registered Owner upon its written request.

SECTION 9.08. Removal of Special Assessment Liens. Except as otherwise provided in a Supplemental Indenture with respect to a related Series of Bonds, the following procedures shall apply in connection with the removal of Special Assessment liens:

(a) At any time from the date of levy of Special Assessments on a parcel of District Lands through the date that is thirty (30) days after the related Project has been completed

42

for the levy, collection and enforcement of Special Assessments afforded by Sections 197.3631, 197.3632 and 197.3635, Florida Statutes, or any successor statutes thereto (the "Uniform Method"), and to do all things necessary to continue to use the Uniform Method or a comparable alternative method afforded by Section 197.3631, Florida Statutes. The Issuer shall use its best efforts to enter into and/or maintain in effect one or more written agreements with the Property Appraiser and the Tax Collector, either individually or jointly (together, the "Property Appraiser and Tax Collector Agreement") in order to effectuate the provisions of this Section. The Issuer shall ensure that any such Property Appraiser and Tax Collector Agreement remains in effect for at least as long as the final maturity of Bonds Outstanding under this Indenture. To the extent that the Issuer is legally prevented from collecting Special Assessments pursuant to the Uniform Method, then the Issuer shall collect and enforce Special Assessments pursuant to any available method under the Act, Chapter 170, Florida Statutes, or Chapter 197, Florida Statutes, or any successor statutes thereto.

Notwithstanding the immediately preceding paragraph or any other provision in this Master Indenture to the contrary, upon the occurrence of an Event of Default, if the Trustee, acting at the direction of the Majority Holder of a Series of Bonds, requests that the Issuer not use the Uniform Method to collect the Special Assessments levied by the Issuer for the purpose of paying the Debt Service Requirements such Series of Bonds, but instead collect and enforce the Special Assessments levied by the Issuer for the purpose of paying the Debt Service Requirements such Series of Bonds to another available method under the Act, Chapter 170, Florida Statutes, or Chapter 197, Florida Statutes, or any successor statutes thereto, then the Issuer shall collect and enforce said Special Assessments in the manner and pursuant to the method so requested by the Trustee. Any Special Assessments that are not collected pursuant to the Uniform Method shall be billed directly to the applicable Landowner and be payable not later than thirty (30) days prior to each Interest Payment Date.

SECTION 9.05. Delinquent Special Assessments. Subject to the provisions of Section 9.04 hereof, if the owner of any lot or parcel of land assessed for a particular Project shall be delinquent in the payment of any Special Assessment, then such Special Assessment shall be enforced pursuant to the provisions of Chapter 197, Florida Statutes, or any successor statute thereto, including but not limited to the sale of tax certificates and tax deeds as regards such delinquent Special Assessment. In the event the provisions of Chapter 197, Florida Statutes, and any provisions of the Act with respect to such sale are inapplicable by operation of law, then upon the delinquency of any Special Assessment the Issuer shall, to the extent permitted by law, utilize any other method of enforcement as provided by Section 9.04 hereof, including, without limitation, declaring the entire unpaid balance of such Special Assessment to be in default and, at its own expense, cause such delinquent property to be foreclosed, pursuant to the provisions of Section 170.10, Florida Statutes, in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate and Sections 190.026 and 170.10, Florida Statutes, or otherwise as provided by law. The Issuer covenants not to use the provisions of Chapter 173, Florida Statutes.

SECTION 9.06. Sale of Tax Certificates and Issuance of Tax Deeds; Foreclosure of Special Assessment Liens. If the Special Assessments levied and collected under the Uniform Method described in Section 9.04 are delinquent, then the applicable procedures for issuance and sale of tax certificates and tax deeds for nonpayment shall be followed in accordance with Chapter 197, Florida Statutes and related statutes. Alternatively, if the Uniform Method is not utilized, and

41

and the Board has adopted a resolution accepting such Project as provided by Section 170.09, Florida Statutes, as amended, any owner of property subject to the Special Assessments may, at its option, require the Issuer to release and extinguish the lien upon its property by virtue of the levy of the Special Assessments that relate to a Series of Bonds by paying to the Issuer the entire amount of such Special Assessment on such property, without interest. The Issuer shall promptly notify the Trustee in writing of any Prepayment made under such circumstances. Accrued interest on the principal amount of any Bonds that would be redeemed as a result of such Prepayment made within thirty (30) days after the Board has adopted a resolution accepting the Project shall be derived from moneys on deposit in the Capitalized Interest Account and, if no moneys remain, from moneys on deposit in the Interest Account, and, if no moneys remain therein, from moneys on deposit in the Debt Service Reserve Account.

Upon receipt of a Prepayment as described in the immediately preceding paragraph, the Issuer shall immediately, but in any event within two (2) Business Days following the receipt of such Prepayment moneys, pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the Issuer that the Special Assessment has been paid in full or in part and that such Special Assessment lien is thereby released and extinguished if paid in full or such Special Assessment lien shall be reduced if the Landowner only made a partial Prepayment. Upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof. In connection with such Prepayment, the Trustee shall calculate the credit authorized pursuant to Section 6.05 hereof, and transfer such credit to the Bond Redemption Fund to be used together with such Prepayment for the redemption of Bonds in accordance with Section 8.01(b)(i) hereof.

(b) Notwithstanding the foregoing, and consistent with the proceedings of the Issuer relating to the imposition and levy of the Special Assessments, any Landowner may at any time require the Issuer to release and extinguish the lien upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire amount of the Special Assessment, plus accrued interest to the next succeeding Interest Payment Date (or the second succeeding Interest Payment Date if such prepayment is made within forty (40) calendar days before an Interest Payment Date), attributable to the property subject to Special Assessment owned by such owner.

(c) Upon receipt of a Prepayment as described in (a) and (b) above, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the Issuer that the Special Assessment has been paid or otherwise satisfied and that such Special Assessment lien is thereby released and extinguished. Except as otherwise provided by a Supplemental Indenture, upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the applicable Series Account within the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) or (ii) hereof, as the case may be.

SECTION 9.09. Deposit of Special Assessments. The Issuer covenants to cause any Special Assessments collected or otherwise received by it to be deposited with the Trustee within five (5) Business Days after receipt thereof for deposit into the related Series Account of the

43

Revenue Fund (except that amounts received as Prepayments of Special Assessments shall be designated by the Issuer as such upon delivery to the Trustee and shall be deposited directly into the related Series Account within the Bond Redemption Fund).

SECTION 9.10. Construction to be on District Lands. The Issuer covenants that no part of the Project will be constructed on, over or under lands other than (i) lands good and marketable title to which is owned by the Issuer or other appropriate entity in fee simple, (ii) lands on, over or under which the Issuer or other appropriate entity shall have acquired perpetual easements for the purposes of the Project, or (iii) lands, including public streets and highways, the right to the use and occupancy of which for such purposes shall be vested in the Issuer or other appropriate entity by law or by valid franchises, licenses, easements or rights of way or other legally effective permissions or approval.

SECTION 9.11. Operation, Use and Maintenance of Project. The Issuer shall establish and enforce reasonable rules and regulations governing the use of the Project owned by the Issuer, and the operation thereof, such rules and regulations to be adopted in accordance with the Act, and the Issuer shall operate, use and maintain the Project owned by the Issuer in accordance with the Act and all other applicable federal and State laws, rules and regulations; the Issuer shall maintain and operate the Project owned by the Issuer in an efficient and economical manner, shall at all times maintain the same in good repair and in sound operating condition and shall make all necessary repairs, renewals and replacements.

SECTION 9.12. Observance of and Compliance with Valid Requirements. The Issuer shall pay all municipal or governmental charges lawfully levied or assessed upon any Project or any part thereof or upon any revenues when the same shall become due, and the Issuer shall duly observe and comply with all valid requirements of any municipal or governmental authority relative to the Project. The Issuer shall not, except as otherwise permitted in Sections 9.23 and 9.24 of this Article, create or suffer to be created any lien or charge upon any Project or upon Pledged Revenues, except the lien and charge of the Bonds on the Pledged Revenues.

SECTION 9.13. Payment of Operating or Maintenance Costs by State or Others. The Issuer may permit the United States of America, the State, the County or any of their agencies, departments or political subdivisions to pay all or any part of the cost of maintaining, repairing and operating the Project out of funds other than Pledged Revenues.

SECTION 9.14. Public Liability and Property Damage Insurance; Maintenance of Insurance; Use of Insurance and Condemnation Proceeds.

(a) Except as otherwise provided in subsection (d) of this Section, the Issuer will carry or cause to be carried, in respect of each Project, comprehensive general liability insurance (covering bodily injury and property damage) issued by one or more insurance companies authorized and qualified to do business under the laws of the State, in such amounts as is customary for similar operations, or as is more specifically set forth herein below.

(b) At all times, to the extent commercially available, the Issuer shall maintain a practical insurance program, with reasonable terms, conditions, provisions and costs which the District Manager determines will afford adequate protection against loss caused by damage to or

44

property, the balance thereof remaining shall be deposited to the credit of the related Series Account in the Revenue Fund.

(d) The Issuer shall be entitled to provide all or a portion of the insurance coverage required by subsections (a) and (b) of this Section through Qualified Self Insurance, provided that the requirements hereinafter set forth in this subsection (d) are satisfied. "Qualified Self Insurance" means insurance maintained through a program of self insurance or insurance maintained with a company or association in which the Issuer has a material interest or of which the Issuer has control, either singly or with others.

Each plan of Qualified Self Insurance shall be in written form, shall provide that upon the termination of such plan reserves will be established or insurance acquired in amounts adequate to cover any potential retained liability in respect of the period of self insurance, and shall be reviewed annually by the District Manager or registered actuary who shall deliver to the Issuer a report on the adequacy of the reserves established thereunder in light of claims made. If the District Manager or registered actuary determines that such reserves are inadequate in light of the claims made, he shall make recommendations as to the amount of reserves that should be established and maintained, and the Issuer shall comply with such recommendations.

(e) Copies of all recommendations and approvals made by the Consulting Engineer under the provisions of this Section shall be filed with the District Manager.

SECTION 9.15. Collection of Insurance Proceeds. Copies of all insurance policies referred to in Section 9.14 of this Article shall be available at the offices of the Issuer at all reasonable times to the inspection of the Holders of the Bonds and their agents and representatives duly authorized in writing. The Issuer covenants that it will take such action as may be necessary to demand, collect and sue for any insurance money which may become due and payable under any policy of insurance required under this Master Indenture or any Supplemental Indenture, whether such policy is payable to the Issuer or to the Trustee. The Trustee is hereby authorized in its own name to demand, collect, sue and receive any insurance money which may become due and payable under any policies payable to it.

Any appraisal or adjustment of any loss or damage under any policy of insurance required under the Indenture, whether such policy is payable to the Issuer or to the Trustee, and any settlement or payment of indemnity under any such policy which may be agreed upon by the Issuer and any insurer shall be evidenced by a certificate, signed by the District Manager approved by the Consulting Engineer, and filed with the Trustee. The Trustee shall in no way be liable or responsible for the collection of insurance moneys in case of any loss or damage.

SECTION 9.16. Use of Revenues for Authorized Purposes Only. None of the Pledged Revenues shall be used for any purpose other than as provided in this Master Indenture and the related Supplemental Indenture and no contract or contracts shall be entered into or any action taken by the Issuer or the Trustee which will be inconsistent with the provisions of this Master Indenture and the related Supplemental Indenture.

SECTION 9.17. Books, Records and Annual Reports. The Issuer shall keep proper books of record and account in accordance with Generally Accepted Accounting Principles

46

destruction of any component of the Project owned by the Issuer. Limits for such coverage will be subject to the Consulting Engineer's recommendations which are to be provided in an annual report, as required by Section 9.21 hereof. The Issuer shall also, at all times, maintain a practical comprehensive general liability insurance program with respect to the Project for such coverage, with such reasonable terms, conditions, provisions and costs as the District Manager determines will afford adequate protection against bodily injury and property damage.

All insurance policies of the Issuer relating to the Project shall be carried with companies authorized to do business in the State, with a Best rating of no less than "A" as to management and Class "V" as to financial strength; provided, however, that if, in the opinion of the District Manager, adequate insurance protection under reasonable terms, conditions, provisions and cost cannot be purchased from an insurance company with the above-designated ratings, then the District Manager, on behalf of the Issuer, may secure such insurance protection as the Issuer determines to be in its best interests and otherwise consistent with this Master Indenture and any Supplemental Indenture; provided further, however, that the Issuer may act as a self-insurer in accordance with the requirements of subsection (d) hereof. All policies providing the insurance coverages required by this Section shall designate the Issuer as the loss-payee and shall be made payable to the Issuer.

(c) All proceeds received from property damage or destruction insurance and all proceeds received from the condemnation of the Project or any part thereof are hereby pledged by the Issuer as security for the related Series of Bonds and shall be deposited at the option of the Issuer, but subject to the limitations hereinafter described, either (i) into a separate subaccount within the Acquisition and Construction Fund to be established by the Trustee for such purpose, and used to remedy the loss, damage or taking for which such proceeds are received, either by repairing the damaged property or replacing the destroyed or taken property, as soon as practicable after the receipt of such proceeds, or (ii) into the related Series Account within the Bond Redemption Fund for the purpose of purchasing or redeeming Bonds according to the provisions set forth in Article VIII hereof. The Issuer shall not be entitled to deposit insurance proceeds or condemnation awards into the separate fund described above in clause (i) of this paragraph (and such proceeds and awards shall be deposited directly into the related Series Account within the Bond Redemption Fund pursuant to clause (ii) of this paragraph) unless there shall have been filed with the Issuer within a reasonable time after the damage, destruction or condemnation (A) a certificate from the Consulting Engineer that the proceeds of the insurance or condemnation awards deposited into such separate fund, together with other funds available for such purposes, will be sufficient to repair, rebuild, replace or restore such property to substantially the same condition as it was in prior to its damage, destruction or condemnation (taking into consideration any changes, alterations and modifications that the Issuer may desire), (B) an opinion from the Consulting Engineer that the Project can be repaired, rebuilt, replaced or restored within two (2) years following the damage, destruction or condemnation thereof and (C) an opinion of the Consulting Engineer that, in each of the three (3) Fiscal Years following completion of such repair, rebuilding, replacement or restoration, the Issuer will be in compliance with its obligations hereunder. If the certificate described in clause (A) of this paragraph is not rendered because such proceeds or awards are insufficient for such purposes, the Issuer may deposit any other legally available funds in such separate fund in an amount required to enable the Consulting Engineer to render its certificate. If the insurance proceeds or condemnation awards deposited in such separate fund are more than sufficient to repair the damaged property or to replace the destroyed or taken

SECTION 9.18. [Reserved].

SECTION 9.19. Employment of Certified Public Accountant. The Issuer shall employ or cause to be employed as required a Certified Public Accountant to perform accounting and auditing functions and duties required by the Act and this Master Indenture and any Supplemental Indenture.

SECTION 9.20. Establishment of Fiscal Year, Annual Budget. The Issuer has established a Fiscal Year beginning October 1 of each year and ending September 30 of the following year. The reports and budget of the Issuer shall relate to such Fiscal Year unless and until, in accordance with applicable law, a different Fiscal Year is established by Certified Resolution of the Issuer and is filed with the Trustee to hold solely as a repository and with no duty to review the contents thereof.

On or before the first day of each Fiscal Year the Issuer shall adopt a final Annual Budget with respect to the Project for such Fiscal Year for the payment of anticipated operating and maintenance expenses and shall supply a copy of such budget promptly upon the approval thereof to any Bondholders who shall have so requested in writing and shall have filed their names and addresses with the Secretary of the Board for such purpose. If for any reason the Issuer shall not have adopted the Annual Budget with respect to the Project on or before the first day of any Fiscal Year, the Annual Budget for the preceding Fiscal Year shall, until the adoption of the new Annual Budget, be deemed in force for the ensuing Fiscal Year. The Issuer may at any time adopt an amended or supplemental Annual Budget for the remainder of the current Fiscal Year, and when such amended or supplemental Annual Budget is approved it shall be treated as the official Annual Budget under this Master Indenture and any Supplemental Indenture. Copies of such amended or supplemental Annual Budget shall be mailed by the Issuer to any Bondholders who shall have so requested in writing and shall have filed their names and addresses with the Secretary of the Board for such purpose.

SECTION 9.21. Employment of Consulting Engineer; Consulting Engineer's Report.

(a) The Issuer shall, for the purpose of performing and carrying out the duties imposed on the Consulting Engineer by this Master Indenture and any Supplemental Indenture, employ one or more independent engineers or engineering firms or corporations having a statewide and favorable repute for skill and experience in such work.

(b) The Issuer shall cause the Consulting Engineer to make an inspection of any portions of the Project owned by the Issuer at least once in each Fiscal Year and, on or before the first day of July in each Fiscal Year, to submit to the Board a report setting forth (i) its findings as to whether such portions of the Project owned by the Issuer have been maintained in good repair,

47

working order and condition, (ii) its recommendations as to the proper maintenance, repair and operation of the Project during the ensuing Fiscal Year and an estimate of the amount of money necessary for such purpose and (iii) the insurance to be carried under the provisions of Section 9.14 hereof and the amount that should be set aside monthly for the purpose of paying insurance premiums which fall due less often than monthly.

Promptly after the receipt of such reports by the Issuer, copies thereof shall be mailed by the Issuer to all Bondholders who shall have filed their names and addresses with the Secretary of the Board for such purpose.

SECTION 9.22. Audit Reports. The Issuer covenants to keep accurate records and books of account with respect to the Project, and covenants that, no later than 270 days after the end of each Fiscal Year, it will cause an audit to be made by a Certified Public Accountant covering all receipts and moneys then on deposit with or in the name of the Trustee or the Issuer and any security held therefor and any investments thereof. Copies of such audit reports shall be filed with the District Manager and the Secretary of the Board, and mailed by said Secretary to the Consulting Engineer and to all Bondholders who shall have filed their names and addresses with him for such purpose.

SECTION 9.23. Covenant Against Sale or Encumbrance; Exceptions. The Issuer covenants that, (a) except for those improvements comprising the Project that are to be conveyed by the Issuer to the County, the State Department of Transportation or another governmental entity, as to which no assessments of the Issuer will be imposed and (b) except as in this Section permitted, it will not sell, lease or otherwise dispose of or encumber the Project, or any part thereof. Subject to the provisions of Section 9.29 hereof, the Issuer may, however, from time to time, sell any machinery, fixtures, apparatus, tools, instruments or other movable property acquired by it from the proceeds of a Series of Bonds or from Pledged Revenues if the District Manager shall determine, with the approval of the Consulting Engineer, that such items are no longer needed or are no longer useful in connection with the construction, maintenance and operation of the related Project, and the proceeds thereof shall be applied to the replacement of the properties so sold or disposed of or, at the written direction of the Issuer shall be deposited to the credit of the related Series Account in the Acquisition and Construction Fund.

Upon any sale of property relating to the Project, the aggregate of which in any thirty (30) day period exceeds Fifty Thousand Dollars (\$50,000) under the provisions of this Section, the Issuer shall provide written notice to the Trustee of the property so sold and the amount and disposition of the proceeds thereof.

Subject to obtaining an opinion of Bond Counsel that such action will not adversely affect the exclusion of interest on the Bonds for federal income tax purposes, the Issuer may lease or grant easements, franchises or concessions for the use of any part of the Project not incompatible with the maintenance and operation thereof, if the Consulting Engineer shall approve such lease, easement, franchise or concession in writing, and the net proceeds of any such lease, easement, franchise or concession (after the making of provision for payment from said proceeds of all costs incurred in financing, constructing, operating, maintaining or repairing such leases, easements, franchises or concessions) shall be deposited as received to the credit of related Series Account in the Acquisition and Construction Fund.

provide for or otherwise require all Projects, and all parts thereof owned by the Issuer to be (a) continuously operated, repaired, improved and maintained as shall be necessary to provide adequate service to the lands benefited thereby; and (b) in compliance with all valid and applicable laws, acts, rules, regulations, permits, orders, requirements and directions of any competent public authority.

SECTION 9.31. Bankruptcy or Insolvency of Landowner. For purposes of this Section 9.31, (a) each Series of Bonds secured by and payable from Special Assessments levied against property owned by any Insolvent Taxpayer (defined below) are collectively referred to herein as the "Affected Bonds" and (b) the Special Assessments levied against any Insolvent Taxpayer's property and pledged under one or more Supplemental Indentures as security for the Affected Bonds are collectively referred to herein as the "Affected Special Assessments".

The provisions of this Section 9.31 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the Issuer, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the Issuer shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the Issuer, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The Issuer agrees that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

The Issuer acknowledges and agrees that, although the Affected Bonds were issued by the Issuer, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the Issuer hereby agrees that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture; (b) the Issuer hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) to the extent permitted by law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the Issuer, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the Issuer, including without limitation, motions seeking relief from the automatic stay, dismissal the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to

SECTION 9.24. No Loss of Lien on Pledged Revenue. The Issuer shall not do or omit to do, or suffer to be done or omitted to be done, any matter or thing whatsoever whereby the lien of the Bonds on the Pledged Revenues or any part thereof, or the priority thereof, would be lost or impaired; provided, however, that this Section shall not prohibit the Trustee from transferring moneys to the Rebate Fund held by the Trustee under any arbitrage rebate agreement.

SECTION 9.25. Compliance with Other Contracts and Agreements. The Issuer shall comply with and abide by all of the terms and conditions of any and all contracts and agreements which the Issuer enters into in connection with the Project and the issuance of the Bonds.

SECTION 9.26. Issuance of Additional Obligations. The Issuer shall not issue any obligations other than the Bonds payable from Pledged Revenues, nor voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge, payable from Pledged Revenues, except in the ordinary course of business.

SECTION 9.27. Extension of Time for Payment of Interest Prohibited. The Issuer shall not directly or indirectly extend or assent to an extension of time for payment of any claim for interest on any of the Bonds and shall not directly or indirectly be a party to or approve any arrangement therefor by purchasing or funding or in any manner keeping alive any such claim for interest; no claim for interest which in any way, at or after maturity, shall have been transferred or pledged apart from the Bonds to which it relates or which shall in any manner have been kept alive after maturity by extension or by purchase thereof by or on behalf of the Issuer, shall be entitled, in case of a default hereunder, to any benefit or security under this Master Indenture and any Supplemental Indenture except after the prior payment in full of the principal of all Bonds and claims for interest appertaining thereto not so transferred, pledged, kept alive or extended.

SECTION 9.28. Further Assurances. The Issuer shall not enter into any contract or take any action by which the rights of the Trustee or the Bondholders may be impaired and shall, from time to time, execute and deliver such further instruments and take such further action as may be required to carry out the purposes of this Master Indenture and any Supplemental Indenture.

SECTION 9.29. Use of Bond Proceeds to Comply with Internal Revenue Code. The Issuer covenants to the Holders of the Bonds that it will not make or direct the making of any investment or other use of the proceeds of any Bonds issued hereunder, the interest on which is intended to be excluded from gross income for federal income tax purposes ("Tax-Exempt Bonds") which would cause such Bonds to be "arbitrage bonds" as that term is defined in Section 148 of the Code or "private activity bonds" as that term is defined in Section 141, of the Code, and that it will comply with the requirements of such Code sections and related regulations throughout the term of such Tax-Exempt Bonds. The Issuer hereby further covenants and agrees to comply with the procedures and covenants contained in any Arbitrage Certificate executed in connection with the issuance of each Series of Tax-Exempt Bonds for so long as compliance is necessary in order to maintain the exclusion from gross income for federal income tax purposes of interest on each Series of Tax-Exempt Bonds.

SECTION 9.30. Corporate Existence and Maintenance of Properties. For so long as any Bonds are Outstanding hereunder, unless otherwise provided by the Act, the Issuer shall maintain its corporate existence as a local unit of special purpose government under the Act and shall

49

exercise any such rights, the Issuer shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the Issuer in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the Issuer shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the Issuer claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the Issuer agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the Issuer a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

SECTION 9.32. Continuing Disclosure. The Issuer hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement. Notwithstanding any other provision of this Master Indenture and any Supplemental Indenture, failure of the Issuer or any developer of District Lands (if obligated pursuant to the Continuing Disclosure Agreement) to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default; however, the Trustee may (and, at the request of any participating underwriter or the Holders of at least 25% aggregate principal amount in Outstanding Bonds of a Series and receipt of indemnity to its satisfaction, shall) or any Holder of the Bonds or Beneficial Owner may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Issuer to comply with its obligations under this Section 9.32. For purposes of this Section, "Beneficial Owner" means any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

ARTICLE X EVENTS OF DEFAULT AND REMEDIES

SECTION 10.01. Events of Default and Remedies. Except to the extent otherwise provided in the Supplemental Indenture authorizing a Series of Bonds, events of default and remedies with respect to each Series of Bonds shall be as set forth in this Master Indenture.

SECTION 10.02. Events of Default Defined. Each of the following shall be an "Event of Default" under the Indenture, with respect to a Series of Bonds:

- (a) if payment of any installment of interest on any Bond of such Series is not made when it becomes due and payable; or

51

(c) if the Issuer, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act, as determined by the Majority Holder of such Series of Bonds; or

(d) if the Issuer proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the Issuer or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the Issuer and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the Issuer defaults in the due and punctual performance of any other covenant in the Indenture or in any Bond of such Series issued pursuant to the Indenture and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the Issuer by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holder of the Outstanding Bonds of such Series; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the Issuer shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) written notice shall have been received by the Trustee from a Credit Facility Issuer securing Bonds of such Series that an event of default has occurred under the Credit Facility Agreement, or there shall have been a failure by said Credit Facility Issuer to make said Credit Facility available or to reinstate the interest component of said Credit Facility in accordance with the terms of said Credit Facility, to the extent said notice or failure is established as an event of default under the terms of a Supplemental Indenture; or

(g) if at any time the amount in the Debt Service Reserve Fund or any account therein is less than the Debt Service Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to pay debt service on any Series of Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or

(h) if at any time after eighteen months following issuance of the related series of Bonds, more than twenty percent (20%) of the "maintenance special assessments" levied by the Issuer on the District Lands upon which the Special Assessments are levied to secure one or more Series of Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the Issuer before recognizing that an Event of Default under (c) above has occurred.

SECTION 10.03. No Acceleration; Redemption. No Series of Bonds issued under this Master Indenture shall be subject to acceleration. Upon occurrence and continuance of an Event of Default, no optional redemption or extraordinary mandatory redemption of the Bonds pursuant

52

SECTION 10.06. Discontinuance of Proceedings by Trustee. If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, the Issuer, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

SECTION 10.07. Bondholders May Direct Proceedings. Subject to Section 10.08 below, the Majority Holder of the Outstanding Bonds of a Series then subject to remedial proceedings under this Article X shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law or the provisions of the Indenture.

SECTION 10.08. Limitations on Actions by Bondholders. No Bondholder shall have any right to pursue any remedy hereunder unless (a) the Trustee shall have been given written notice of an Event of Default, (b) the Majority Holder of the Outstanding Bonds of the applicable Series shall have requested the Trustee, in writing, to exercise the powers hereinabove granted or to pursue such remedy in its or their name or names, (c) the Trustee shall have been offered indemnity satisfactory to it against costs, expenses and liabilities (including attorneys' fees, costs and expenses), and (d) the Trustee shall have failed to comply with such request within a reasonable time.

SECTION 10.09. Trustee May Enforce Rights Without Possession of Bonds. All rights under the Indenture and a Series of Bonds may be enforced by the Trustee without the possession of any of the Bonds of such Series or the production thereof at the trial or other proceedings relative thereto, and any proceeding instituted by the Trustee shall be brought in its name for the ratable benefit of the Holders of the Bonds of such Series.

SECTION 10.10. Remedies Not Exclusive. Except as limited under Section 15.01 of this Master Indenture, no remedy contained in the Indenture with respect to a Series of Bonds is intended to be exclusive of any other remedy or remedies, and each remedy is in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

SECTION 10.11. Delays and Omissions Not to Impair Rights. No delay or omission in respect of exercising any right or power accruing upon any Event of Default shall impair such right or power or be a waiver of such Event of Default, and every remedy given by this Article X may be exercised from time to time and as often as may be deemed expedient.

SECTION 10.12. Application of Moneys in Event of Default. Any moneys received by the Trustee or the Paying Agent, as the case may be, in connection with any proceedings brought under this Article X with respect to a Series of Bonds shall be applied in the following order of priority:

(a) to the payment of the costs of the Trustee and Paying Agent incurred in connection with actions taken under this Article X with respect to such Series of Bonds, including counsel fees, costs and expenses and any disbursements of the Trustee and the Paying Agent and payment of unpaid fees owed to the Trustee, the Registrar or the Paying Agent.

(b) unless the principal of all the Bonds of such Series shall have become or shall have been declared due and payable:

54

SECTION 10.04. Foreclosure of Assessment Lien. Notwithstanding Section 9.06 of this Master Indenture or any other provision of this Master Indenture to the contrary, the following provisions shall apply with respect to the Special Assessments securing a Series of Bonds and such Series of Bonds.

If any property shall be offered for sale for the nonpayment of any Special Assessment and no person or persons shall purchase such property for an amount equal to the full amount due on the Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the Issuer for an amount equal to the balance due on the Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the Issuer and the Issuer shall receive in its corporate name or in the name of a special purpose entity title to the property for the benefit of the Owners of the applicable Series of Bonds; provided that the Trustee shall have the right, acting at the written direction of the Majority Holder, but shall not be obligated, to direct the Issuer with respect to any action taken pursuant to this Section. The Issuer, either through its own actions, or actions caused to be taken through the Trustee, shall have the power and shall lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Revenue Account. The Issuer, either through its own actions, or actions caused to be taken through the Trustee, agrees that it shall be required to take the measures provided by law for sale of property acquired by it as Trustee for the Owners of the applicable Series of Bonds within sixty (60) days after the receipt of the request therefor signed by the Trustee or the Majority Holder.

SECTION 10.05. Legal Proceedings by Trustee. If any Event of Default with respect to a Series of Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holder of the Outstanding Bonds of such Series and receipt of indemnity to its satisfaction shall, in its capacity as Trustee:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Bonds of such Series, including, without limitation, the right to require the Issuer to carry out any agreements with, or for the benefit of, the Bondholders of the Bonds of such Series and to perform its or their duties under the Act;

(b) bring suit upon the Series of Bonds;

(c) by action or suit in equity require the Issuer to account as if it were the trustee of an express trust for the Holders of the Bonds of such Series;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Bonds of such Series; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing such Series of Bonds.

53

FIRST, to payment of all installments of interest then due on the Bonds of such Series in the order of maturity of such installments of interest, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any preference or priority of one installment of interest over any other installment; and

SECOND, to payment to the persons entitled thereto of the unpaid principal or Redemption Price of any of the Bonds of such Series which shall have become due in the order of their due dates, with interest on such Bonds from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full the principal or Redemption Price coming due on such Bonds on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any preference or priority of one such Bond of a Series over another or of any installment of interest over another.

(c) if the principal of all Bonds of a Series shall have become or shall have been declared due and payable, to the payment of principal or Redemption Price (as the case may be) and interest then owing on the Bonds of such Series and in case such moneys shall be insufficient to pay the same in full, then to the payment of principal or Redemption Price and interest ratably, without preference or priority of one Bond of such Series over another or of any installment of interest over any other installment of interest.

Any surplus remaining after the payments described above shall be paid to the Issuer or to the Person lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

For purposes of the application of moneys described above, to the extent payments of principal of and interest on a Series of Bonds shall have been made under a Credit Facility relating thereto, the Credit Facility Issuer shall be entitled to moneys in the related Series Accounts in the Debt Service Fund in accordance with the agreement pursuant to which such Credit Facility has been issued (but subject to subsection (a) hereof and Section 11.04 hereof) and the Certified Resolution of the Issuer authorizing the issuance of such Bonds to which such Credit Facility relates.

SECTION 10.13. Trustee's Right to Receiver; Compliance with Act. During the continuance of an Event of Default, the Trustee shall be entitled as of right to the appointment of a receiver and the Trustee, the Bondholders and any receiver so appointed shall have such rights and powers and be subject to such limitations and restrictions as are contained in the Act and other applicable law of the State. When the Trustee incurs costs or expenses (including legal fees, costs and expenses) or renders services after the occurrence of an Event of Default, such costs and expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

SECTION 10.14. Trustee and Bondholders Entitled to all Remedies under Act. It is the purpose of this Article to provide such remedies to the Trustee and Bondholders as may be lawfully granted under the provisions of the Act and other applicable laws of the State; if any remedy herein granted shall be held unlawful, the Trustee and the Bondholders shall nevertheless be entitled to

55

every other remedy provided by the Act and other applicable laws of the State. It is further intended that, insofar as lawfully possible, the provisions of this Article X shall apply to and be binding upon any receiver appointed in accordance with Section 10.13 hereof.

SECTION 10.15. Credit Facility Issuer's Rights Upon Events of Default. Anything in the Indenture to the contrary notwithstanding, if any Event of Default, other than Events of Default described in Section 10.02(a) or (b) hereof, has occurred and is continuing while a Credit Facility securing all or a portion of such Bonds of a Series Outstanding is in effect, the Credit Facility Issuer shall have the right, in lieu of the Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility, by an instrument in writing, executed and delivered to the Trustee, to direct the time, method and place of conducting all remedial proceedings available to the Trustee under the Indenture, or exercising any trust or power conferred on the Trustee by the Indenture. Said direction shall be controlling to the extent the direction of Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility would have been controlling under this Article. If the Credit Facility Issuer shall be in default in the performance of its obligations under the Credit Facility, said Credit Facility Issuer shall have no rights under this Section.

ARTICLE XI THE TRUSTEE; THE PAYING AGENT AND REGISTRAR

SECTION 11.01. Acceptance of Trust. The Trustee accepts and agrees to execute the trusts hereby created, but only upon the additional terms set forth in this Article XI, to all of which the parties hereto the Bondholders and any Credit Facility Issuer agree. The Trustee shall act as Trustee under this Master Indenture. Subject to the provisions of Section 11.03 hereof, the Trustee shall have only such duties as are expressly set forth herein, and no duties shall be implied on the part of the Trustee. The Trustee further agrees to assist the Issuer in complying with the procedures and covenants of the Issuer contained in any arbitrage rebate agreement to which the Issuer is a party and which specifically pertain to the Trustee for so long as compliance is necessary in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds, to the extent applicable.

SECTION 11.02. No Responsibility for Recitals. The recitals, statements and representations in this Master Indenture or in the Bonds, save only the Trustee's Certificate of Authentication, if any, upon the Bonds, have been made by the Issuer and not by the Trustee and the Trustee shall be under no responsibility for the correctness thereof.

SECTION 11.03. Trustee May Act Through Agents; Answerable Only for Willful Misconduct or Negligence. The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers or employees, and shall be entitled to advice of Counsel concerning all questions hereunder and the advice of such Counsel or any opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by the Trustee hereunder in good faith and in reliance thereon; the Trustee shall not be answerable for the default or misconduct of any attorney or agent selected and supervised by it with reasonable care. The Trustee shall not be answerable for the exercise of any discretion or power under this Master Indenture and any Supplemental Indenture nor for anything whatever in connection with the trust hereunder, except only its own negligence or willful misconduct. The Trustee shall not be accountable for the use or application of any of the Bonds

56

Facility, unless notified in writing of such default by the Majority Holder of the Outstanding Bonds of a Series. The Trustee may, however, at any time require of the Issuer full information as to the performance of any covenant hereunder, and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the Issuer, an investigation into the affairs of the Issuer.

SECTION 11.07. Obligation to Act on Defaults. The Trustee shall be under no obligation to take any action in respect of any default or otherwise, unless it is requested in writing to do so by the Majority Holder of the Outstanding Bonds which are or would be, upon the taking of such action, subject to remedial proceedings under Article X of this Master Indenture if in its opinion such action may tend to involve expense or liability, and unless it is also furnished with indemnity satisfactory to it.

SECTION 11.08. Reliance by Trustee. The Trustee may act on any requisition, resolution, notice, telegram, electronic mail, facsimile transmission, request, consent, waiver, certificate, statement, affidavit, voucher, bond, or other paper or document which it in good faith believes to be genuine and to have been passed, signed or given by the persons purporting to be authorized (which in the case of the Issuer shall be a Responsible Officer) or to have been prepared and furnished pursuant to any of the provisions of this Master Indenture and any Supplemental Indenture; the Trustee shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement.

SECTION 11.09. Trustee May Deal in Bonds. The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Bondholders may be entitled to take with like effect as if the Trustee were not a party to this Master Indenture and any Supplemental Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the Issuer; provided, however, that if the Trustee determines that any such relation is in conflict with its duties under this Master Indenture and any Supplemental Indenture, it shall eliminate the conflict or resign as Trustee.

SECTION 11.10. Construction of Ambiguous Provisions. The Trustee may construe any ambiguous or inconsistent provisions of this Master Indenture and any Supplemental Indenture, and except as otherwise provided in Article XIII of this Master Indenture, any construction by the Trustee shall be binding upon the Bondholders. The Trustee shall give prompt notice to the Issuer of any intention to make such construction.

SECTION 11.11. Resignation of Trustee. The Trustee may resign and be discharged of the trusts created by this Master Indenture and all Supplemental Indentures by written resignation filed with the Secretary of the Issuer not less than sixty (60) days before the date when such resignation is to take effect. Notice of such resignation shall be sent by Electronic Means or first-class mail to each Bondholder as its name and address appears on the Bond Register and to any Paying Agent, Registrar and Credit Facility Issuer, if any, at least sixty (60) days before the resignation is to take effect. or the proceeds thereof or for the use or application of any money paid over by the Trustee in accordance with the provisions of this Indenture. The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty. The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds and shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds. None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers. The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fire; flood; hurricanes or other storms; wars; terrorism; similar military disturbances; sabotage; epidemic; pandemic; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications services; accidents; labor disputes; acts of civil or military authority or governmental action; it being understood that the Trustee shall use commercially reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as reasonably practicable under the circumstances.

SECTION 11.04. Compensation and Indemnity. The Issuer shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, and shall, to the extent permitted by law, indemnify and hold the Trustee harmless against any liabilities which it may incur in the proper exercise and performance of its powers and duties hereunder, except with respect to its own willful misconduct, negligence. If the Issuer defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys held by the Trustee or coming into its hands but exclusive of the Rebate Fund and moneys from a drawing on any Credit Facility, which right of payment shall be prior to the right of the holders of the Bonds. The Trustee shall promptly provide to the Issuer a periodic report of any moneys the Trustee has deducted for amounts owing to it. This Section 11.04 shall survive the termination of this Master Indenture and any Supplemental Indenture and, as to any Trustee, its removal or resignation as Trustee. No provision of this Master Indenture shall require the Trustee to expend or risk its own funds.

SECTION 11.05. No Duty to Renew Insurance. The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the Issuer to require or effect or renew insurance or to report or file claims of loss thereunder.

SECTION 11.06. Notice of Default; Right to Investigate. The Trustee shall give written notice by Electronic Means or first-class mail to registered Holders of a Series of Bonds of all defaults known to the Trustee, unless such defaults have been remedied (the term "defaults" for purposes of this Section and Section 11.07 being defined to include the events specified as "Events of Default" in Article X hereof, but not including any notice or periods of grace provided for therein); provided that, except in the case of a default in payment of principal or interest or Redemption Price, the Trustee may withhold such notice so long as it in good faith determines that such withholding is in the interest of the Bondholders. The Trustee shall not be deemed to have notice of any default other than a payment default under this Master Indenture and any Supplemental Indenture or a notification by a Credit Facility Issuer of a default under its Credit

If a successor Trustee has not been appointed within ninety (90) days after the Trustee has given its notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has been duly appointed. Notice of such resignation shall also be given to any rating agency that shall then have in effect a rating on any of the Bonds.

SECTION 11.12. Removal of Trustee. A photographic copy of any instrument or instruments filed with the Issuer under the provisions of this paragraph, duly certified by a Responsible Officer, shall be delivered promptly by the Issuer to the Trustee and to any Paying Agent, Registrar and Credit Facility Issuer, if any.

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any material provision of this Master Indenture or any Supplemental Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the Issuer or the Majority Holder of the Bonds then Outstanding or the Trustee may petition a court of competent jurisdiction for the appointment of a successor trustee.

If the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and the Issuer shall appoint a successor and shall mail notice of such appointment by Electronic Means or first-class mail to each Bondholder as its name and address appear on the Bond Register, and to the Paying Agent, Registrar, Credit Facility Issuer, if any, and any rating agency that shall then have in effect a rating on any of the Bonds. If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Master Indenture prior to the date specified in the notice of resignation or removal as the date when such resignation or removal was to take effect, the Majority Holder of all Bonds then Outstanding may appoint a successor Trustee or the Trustee may petition a court of competent jurisdiction for the appointment of a successor trustee.

SECTION 11.14. Qualification of Successor. A successor Trustee shall be a bank or trust company with trust powers, having a combined net capital and surplus of at least \$50,000,000.

SECTION 11.15. Instruments of Succession. Subject to Section 11.16 hereof, any successor Trustee shall, subject to Section 11.16 hereof, execute, acknowledge and deliver to the Issuer an instrument accepting such appointment hereunder and thereupon, such successor Trustee, without any further act, deed, or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor in trust hereunder, with like effect as if originally named Trustee herein. The Trustee ceasing to act hereunder, after deducting all amounts owed to the Trustee, shall pay over to the successor Trustee all moneys held by it hereunder and, upon written request of the successor Trustee, the Trustee ceasing to act and the Issuer shall execute and deliver an instrument or instruments prepared by the Issuer transferring

The Trustee may not resign as the Paying Agent or the Registrar without resigning as Trustee.

SECTION 11.17. Extension of Rights and Duties of Trustee to Paying Agent and Registrar. SECTION 11.18. Resignation of Paying Agent or Registrar. The Paying Agent or Registrar may resign and be discharged of the duties created by this Master Indenture and all Supplemental Indentures by executing an instrument in writing resigning such duties and specifying the date when such resignation shall take effect, and filing the same with the Issuer, the Trustee, and any rating agency that shall then have in effect a rating on any of the Bonds, not less than forty-five (45) days before the date specified in such instrument when such resignation shall take effect, and by giving written notice of such resignation not less than three (3) weeks prior to such resignation date to the Bondholders, mailed to their addresses as such appear in the Bond Register. Such resignation shall take effect on the date specified in such instrument and notice, but only if a successor Paying Agent or Registrar shall have been appointed as hereinafter provided, in which event such resignation shall take effect immediately upon the appointment of such successor Paying Agent or Registrar. If the successor Paying Agent or Registrar shall not have been appointed within a period of ninety (90) days following the giving of notice, then the Paying Agent or Registrar shall be authorized to petition any court of competent jurisdiction to appoint a successor Paying Agent or Registrar as provided in Section 11.22 hereof.

SECTION 11.19. Removal of Paying Agent or Registrar. Such removal shall be effective thirty (30) days (or such longer period as may be set forth in such instrument) after delivery of the instrument; provided, however, that no such removal shall be effective until the successor Paying Agent or Registrar appointed hereunder shall execute, acknowledge and deliver to the Issuer an instrument accepting such appointment hereunder.

(d) to make such changes as may be necessary in order to reflect amendments to Chapters 170, 190 and 197, Florida Statutes, so long as, in the opinion of counsel to the Issuer, such changes either: (i) do not have a material adverse effect on the Holders of the Bonds; or (ii) if such changes do have an adverse effect, that they nevertheless are required to be made as a result of such amendments.

SECTION 13.02. Amendments with Bondholders' Consent. Subject to the provisions of Section 13.01 hereof, this Master Indenture and any Supplemental Indenture may be amended from time to time by a Supplemental Indenture approved by the Majority Holder of the Bonds then Outstanding in the case of the Master Indenture, and of the Series of Bonds then Outstanding and secured by such Supplemental Indenture in the case of an amendment of a Supplemental Indenture including, but not limited to, any material amendment to the Special Assessments and related proceedings which secure a Series of Bonds; provided that with respect to (a) the interest payable upon any Bonds, (b) the dates of maturity or redemption provisions of any Bonds, (c) this Article XIII and (d) the security provisions hereunder or under any Supplemental Indenture, which may only be amended by approval of the Owners of all Bonds to be so amended.

ARTICLE XIV DEFESANCE

SECTION 14.01. Defeasance. When interest on, and principal or Redemption Price (as the case may be) of, the Bonds of a Series or any portion thereof to be defeased have been paid, or there shall have been deposited with the Trustee or such other escrow agent designated in a Certified Resolution of the Issuer (the "Escrow Agent") moneys sufficient, or Defeasance Securities, the principal of and interest on which, when due, together with any moneys remaining uninvested, will provide sufficient moneys to fully pay (i) such Bonds of a Series or portion thereof to be defeased, and (ii) any other sums payable hereunder by the Issuer, including the Trustee's

63

fees and expenses, the right, title and interest of the Trustee with respect to such Bonds of a Series or portion thereof to be defeased shall thereupon cease, the lien of the Indenture on the Pledged Revenues, and the Funds and Accounts established under the Indenture shall be defeased and discharged, and the Trustee, on demand of the Issuer, shall release the Indenture as to such Bonds of a Series or portion thereof to be so defeased and shall execute such documents to evidence such release as may be reasonably required by the Issuer and shall turn over to the Issuer or to such Person, body or authority as may be entitled to receive the same all balances remaining in any Series Funds and Accounts upon the defeasance in whole of all of the Bonds of a Series.

SECTION 14.02. Deposit of Funds for Payment of Bonds. If the Issuer deposits with the Escrow Agent moneys sufficient, or Defeasance Securities, the principal of and interest on which, when due, together with any moneys remaining uninvested, will provide sufficient moneys to pay the principal or Redemption Price of any Bonds of a Series becoming due, either at maturity or by redemption or otherwise, together with all interest accruing thereon to the date of maturity or such prior redemption, and reimburses or causes to be reimbursed or pays or causes to be paid the other amounts required to be reimbursed or paid under Section 14.01 hereof, interest on such Bonds of a Series shall cease to accrue on such date of maturity or prior redemption and all liability of the Issuer with respect to such Bonds of a Series shall likewise cease, except as hereinafter provided; provided, however, that (a) if any Bonds are to be redeemed prior to the maturity thereof, notice of the redemption thereof shall have been duly given in accordance with the provisions of Section 8.02 hereof, or irrevocable provision satisfactory to the Trustee shall have been duly made for the giving of such notice, and (b) in the event that any Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days following a deposit of moneys with the Escrow Agent, in accordance with this Section, the Issuer shall have given the Escrow Agent, in form satisfactory to the Escrow Agent, irrevocable instructions to mail to the Owners of such Bonds at their addresses as they appear on the Bond Register, a notice stating that a deposit in accordance with this Section has been made with the Escrow Agent and that the Bonds to which such notice relates are deemed to have been paid in accordance with this Section and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price (as the case may be) of, and interest on, said Bonds of a Series. Thereafter such Bonds shall be deemed not to be Outstanding hereunder and the Owners of such Bonds shall be restricted exclusively to the funds so deposited for any claim of whatsoever nature with respect to such Bonds, and the Escrow Agent shall hold such funds in trust for such Owners. Money so deposited with the Escrow Agent which remains unclaimed two (2) years after the date payment thereof becomes due shall, upon request of the Issuer, if the Issuer is not at the time to the knowledge of the Escrow Agent in default with respect to any covenant in the Indenture or the Bonds of the Series contained, be paid to the Issuer; and the Owners of the Bonds for which the deposit was made shall thereafter be limited to a claim against the Issuer; provided, however,

SECTION 3.01. Redemption Dates and Prices. The Series 2024 Bonds shall be subject to redemption at the times and in the manner provided in Article VIII of the Master Indenture and in this Article III. All payments of the Redemption Price of the Series 2024 Bonds shall be made on the dates hereinafter required. Except as otherwise provided in this Section 3.01, if less than all the Series 2024 Bonds of a maturity are to be redeemed pursuant to an extraordinary mandatory redemption, the Trustee shall select the Series 2024 Bonds or portions of the Series 2024 Bonds to be redeemed by lot. Partial redemptions of Series 2024 Bonds shall, to the extent possible, be made in such a manner that the remaining Series 2024 Bonds held by each Bondholder shall be in Authorized Denominations, except for the last remaining Series 2024 Bond.

The Series 2024 Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. **ARTICLE IV
ESTABLISHMENT OF CERTAIN FUNDS AND ACCOUNTS;
ADDITIONAL COVENANTS OF THE ISSUER; PREPAYMENTS;
REMOVAL OF SERIES 2024 SPECIAL ASSESSMENT LIENS**

SECTION 4.01. Establishment of Certain Funds and Accounts.

(a) The Trustee shall establish a separate account within the Acquisition and Construction Fund designated as the "Series 2024 Acquisition and Construction Account." Net proceeds of the Series 2024 Bonds shall initially be deposited into the Series 2024 Acquisition and Construction Account in the amount set forth in Section 2.06 of this First Supplemental Trust Indenture, together with any moneys subsequently transferred or deposited thereto, including moneys transferred from the Series 2024 Reserve Account after satisfaction of either the Reserve Release Conditions #1 or Reserve Release Conditions #2 as certified in writing by the District Manager and upon which the Trustee may conclusively rely, and such moneys shall be applied as set forth in this Section 4.01(a), Section 5.01 of the Master Indenture, and by the District as set forth in the Acquisition Agreement and the Engineer's Report. Funds on deposit in the Series 2024 Acquisition and Construction Account shall only be requested by the Issuer to be applied to the Costs of the Series 2024 Project, subject to Sections 3.01(b)(iii), 4.01(f) and 5.06 herein. Upon satisfaction of the Reserve Release Conditions #1 and Reserve Release Conditions #2, the amount on deposit in the Series 2024 Reserve Account in excess of the Series 2024 Reserve Requirement, as applicable and as calculated by the District, who shall be responsible for certifying to the Trustee in writing that such Reserve Release Conditions #1 or Reserve Release Conditions #2 were satisfied, shall then be transferred by the Trustee to the Series 2024 Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, upon consultation with the Consulting Engineer, and applied as provided in this Section 4.01(a). The Trustee shall have no duty to review if either Reserve Release Conditions #1 or Reserve Release Conditions #2 have been satisfied.

Following the Completion Date of the Series 2024 Project, all moneys remaining in the Series 2024 Acquisition and Construction Account that have not been requisitioned within thirty (30) days after satisfaction of the Reserve Release Conditions #1 and #2, shall be transferred to the Series 2024 General Redemption Subaccount, as directed in writing by the District Manager on behalf of the Issuer to the Trustee, to be applied as provided in Section 3.01(b)(iii) hereof. Notwithstanding the foregoing, the Series 2024 Acquisition and Construction Account shall not be closed until after the Reserve Release Conditions #2 shall have occurred and the excess funds from the Series 2024 Reserve Account shall have been transferred to the Series 2024 Acquisition and Construction Account, as directed in writing to the Trustee by the District Manager, and applied in accordance with this Section 4.01(a) or as otherwise provided in Section 4.01(f) hereinbelow. The Trustee shall not be responsible for determining the amount in the Series 2024 Acquisition and Construction Account allocable to the Series 2024 Project or any transfers made to such Account in accordance with direction from the District Manager as provided for herein. The Trustee shall make no such transfer from the Series 2024 Acquisition and Construction Account to the Series 2024 General Redemption Subaccount if an Event of Default exists with respect to the Series 2024 Bonds of which the Trustee has actual notice as described in Section 11.06 of the Master Indenture. Except as provided in Section 3.01(b)(iii) or Section 5.06 hereof,

18

(f) Pursuant to Section 6.05 of the Master Indenture, the Trustee shall establish a separate Account within the Debt Service Reserve Fund designated as the "Series 2024 Reserve Account." Net proceeds of the Series 2024 Bonds shall be deposited into the Series 2024 Reserve Account in the amount set forth in Section 2.06 of this First Supplemental Trust Indenture, and such moneys, together with any other moneys deposited into the Series 2024 Reserve Account shall be applied for the purposes provided in the Master Indenture and in this Section 4.01(f) and Section 4.05 of this First Supplemental Trust Indenture. Notwithstanding any provisions in the Master Indenture to the contrary, the Issuer covenants not to substitute the cash and Investment Securities on deposit in the Series 2024 Reserve Account with a Debt Service Reserve Insurance Policy or a Debt Service Reserve Letter of Credit. Except as provided in the next paragraph, all investment earnings on moneys in the Series 2024 Reserve Account shall remain on deposit therein.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2024 Reserve Account and transfer any excess therein above the Series 2024 Reserve Requirement resulting from investment earnings to the Series 2024 Acquisition and Construction Account and if such Account is closed, to the Series 2024 Revenue Account in accordance with Section 6.05 of the Master Indenture.

Subject to the provisions of Section 4.05 hereof, on any date the Issuer receives notice from the District Manager that any landowner wishes to prepay its Series 2024 Special Assessments relating to the benefited property of such landowner, or as a result of a mandatory true-up payment, the Issuer shall, or cause the District Manager, on behalf of the Issuer, to calculate the principal amount of such Prepayment taking into account a credit against the amount of Series 2024 Prepayment Principal due by the amount of money in the Series 2024 Reserve Account that will exceed the Series 2024 Reserve Requirement for the Series 2024 Bonds, taking into account the proposed Prepayment. Such excess shall be transferred to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the respective landowner from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2024 Bonds in accordance with Section 3.01(b)(i) hereof. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding any of the foregoing, amounts on deposit in the Series 2024 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2024 Bonds to the Series 2024 General Redemption Subaccount, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2024 Special Assessments and applied to redeem a portion of the Series 2024 Bonds are less than the principal amount of Series 2024 Bonds indebtedness attributable to such lands.

Notwithstanding the foregoing, upon satisfaction of the Reserve Release Conditions #1 and #2, the Trustee shall deposit such excess as directed by the District Manager in writing on deposit in the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account and pay such amount as designated in a requisition in the form attached hereto as

20

only upon presentation to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, shall the Trustee withdraw moneys from the Series 2024 Acquisition and Construction Account or subaccounts therein. After no funds remain in the Series 2024 Acquisition and Construction Account, such Account shall be closed.

Pursuant to the Master Indenture, the Trustee shall establish a separate account within the Acquisition and Construction Fund designated as the "Series 2024 Costs of Issuance Account." Net proceeds of the Series 2024 Bonds shall be deposited into the Series 2024 Costs of Issuance Account in the amount set forth in Section 2.06 of this First Supplemental Trust Indenture. Upon presentation to the Trustee of a properly signed requisition in substantially the form attached hereto as Exhibit C, the Trustee shall withdraw moneys from the Series 2024 Costs of Issuance Account to pay the costs of issuing the Series 2024 Bonds. Six months after the issuance of the Series 2024 Bonds, any moneys remaining in the Series 2024 Costs of Issuance Account in excess of the amounts requested to be disbursed by the Issuer shall be deposited into the Series 2024 Interest Account and the Series 2024 Costs of Issuance Account shall be closed. Any deficiency in the amount allocated to pay the cost of issuing the Series 2024 Bonds shall be paid from excess Series 2024 Pledged Revenues on deposit in the Series 2024 Revenue Account as provided in Section 4.02. After no funds remain therein, the Series 2024 Costs of Issuance Account shall be closed.

(b) Pursuant to Section 6.03 of the Master Indenture, the Trustee shall establish a separate Account within the Revenue Fund designated as the "Series 2024 Revenue Account." Series 2024 Special Assessments (except for Prepayments of Series 2024 Special Assessments which shall be identified as such by the Issuer to the Trustee and deposited in the Series 2024 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2024 Revenue Account which shall be applied as set forth in Section 6.03 of the Master Indenture and Section 4.02 of this First Supplemental Trust Indenture. The Trustee may conclusively rely that unless expressly indicated in writing by the District as a Prepayment upon deposit thereof with the Trustee, payments of Series 2024 Special Assessments otherwise received by the Trustee are to be deposited into the Series 2024 Revenue Account.

(c) [RESERVED].

(d) Pursuant to Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Trust Indenture, the Trustee shall establish a separate Account within the Debt Service Fund designated as the "Series 2024 Interest Account." Moneys deposited into the Series 2024 Interest Account pursuant to Section 6.04 of the Master Indenture and Sections 2.06 and 4.02 of this First Supplemental Trust Indenture, shall be applied for the purposes provided therein and used to pay interest on the Series 2024 Bonds.

(e) Pursuant to Section 6.04 of the Master Indenture, the Trustee shall establish a separate account within the Debt Service Fund designated as the "Series 2024 Sinking Fund Account." Moneys shall be deposited into the Series 2024 Sinking Fund Account as provided in Section 6.04 of the Master Indenture and Section 4.02 of this First Supplemental Trust Indenture, and applied for the purposes provided therein and in Section 3.01(c) of this First Supplemental Trust Indenture.

Exhibit C to the Issuer submitted by the Series 2024 Landowner within thirty (30) days of such transfer which requisition shall be executed by the Issuer and the Consulting Engineer. Such payment is authorized notwithstanding that the Completion Date might have been declared provided the Series 2024 Landowner can establish, to the satisfaction of the Consulting Engineer, costs of the Series 2024 Project that were not paid from moneys initially deposited in the Series 2024 Acquisition and Construction Account. In the event that there are no unreimbursed costs to pay to the Series 2024 Landowner, such excess moneys transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account shall be deposited into the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account upon direction to the Trustee by the District. If no completed requisition as provided in this section is submitted to the Trustee within thirty (30) days of moneys having been transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account as a result of the satisfaction of the Reserve Release Conditions #1 and #2, such excess moneys in the Series 2024 Acquisition and Construction Account shall then be transferred by the Trustee to the Series 2024 General Redemption Subaccount and applied to the redemption of the Series 2024 Bonds as provided in Section 4.01(a) hereinabove.

In addition, and together with the moneys transferred from the Series 2024 Reserve Account pursuant to this paragraph, if the amount on deposit in the Series 2024 General Redemption Subaccount, is not sufficient to redeem a principal amount of the Series 2024 Bonds in an Authorized Denomination, the Trustee is authorized to withdraw amounts from the Series 2024 Revenue Account to round up to the amount in the Series 2024 General Redemption Subaccount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2024 Revenue Account shall be made to pay interest on and/or principal of the Series 2024 Bonds for the redemption pursuant to Section 3.01(b)(iii) if as a result the deposits required under Section 4.02 FIRST through FIFTH cannot be made in full.

(g) Pursuant to Section 6.06 of the Master Indenture, the Trustee shall establish a separate Series Bond Redemption Account within the Bond Redemption Fund designated as the "Series 2024 Bond Redemption Account" and within such Account, a "Series 2024 General Redemption Subaccount," a "Series 2024 Optional Redemption Subaccount," and a "Series 2024 Supplemental Subaccount." Except as otherwise provided in this First Supplemental Trust Indenture regarding Prepayments or in connection with the optional redemption of the Series 2024 Bonds, moneys to be deposited into the Series 2024 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2024 General Redemption Subaccount.

(h) Moneys that are deposited into the Series 2024 General Redemption Subaccount (including all earnings on investments held therein) shall be used to call for the extraordinary mandatory redemption (i) in whole, pursuant to Section 3.01(b)(ii) hereof, the Outstanding amount of Series 2024 Bonds, or (ii) in whole or in part pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Series 2024 Prepayment Subaccount (including all earnings on investments held in such Series 2024 Prepayment Subaccount) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2024 Bonds equal to the amount of money transferred to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account for the purpose of such extraordinary mandatory

21

redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof. In addition, and together with the moneys transferred from the Series 2024 Reserve Account pursuant to paragraph (f) above, if the amount on deposit in the Series 2024 Prepayment Subaccount is not sufficient to redeem a principal amount of the Series 2024 Bonds in an Authorized Denomination, the Trustee upon written direction from the Issuer, shall be authorized to withdraw amounts from the Series 2024 Revenue Account to deposit to the Series 2024 Prepayment Subaccount to round-up the amount to the nearest Authorized Denomination. Notwithstanding the foregoing, no transfers from the Series 2024 Revenue Account shall be directed by the Issuer to pay interest on and/or principal of the Series 2024 Bonds for the redemption pursuant to Section 3.01(b)(i) hereof if as a result the deposits required under Section 4.02 FIRST through FIFTH cannot be made in full.

(j) The Issuer hereby directs the Trustee to establish a separate account in the Rebate Fund designated as the "Series 2024 Rebate Account." Moneys shall be deposited into the Series 2024 Rebate Account, as provided in the Arbitrage Certificate and applied for the purposes provided therein.

(k) Moneys on deposit in the Series 2024 Optional Redemption Subaccount shall be used to optionally redeem all or a portion of the Series 2024 Bonds pursuant to Section 3.01(a) hereof.

SECTION 4.02. Series 2024 Revenue Account. The Trustee shall transfer from amounts on deposit in the Series 2024 Revenue Account to the Funds, Accounts and subaccounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each Interest Payment Date, commencing November 1, 2024, to the Series 2024 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2024 Bonds becoming due on the next succeeding Interest Payment Date, less any amount on deposit in the Series 2024 Interest Account not previously credited;

SECOND, no later than the Business Day next preceding each May 1, commencing May 1, 2024, to the Series 2024 Sinking Fund Account, an amount equal to the principal amount of Series 2024 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2024 Sinking Fund Account not previously credited;

FOURTH, notwithstanding the foregoing, at any time the Series 2024 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2024 Interest Account, the

ARTICLE V COVENANTS AND DESIGNATIONS OF THE ISSUER

SECTION 5.01. Collection of Series 2024 Special Assessments. The Series 2024 Special Assessments levied for each full year on platted lots shall be collected pursuant to the uniform method provided for in Sections 197.3632 and 197.3635, Florida Statutes (the "Uniform Method"), unless the District determines that it is in its best interests to collect directly. The Series 2024 Special Assessments levied on unplatted lots or lands shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method unless the District determines that it is in its best interests to do so. Prior to any Event of Default, the election to collect and enforce Series 2024 Special Assessments in any year pursuant to any one method shall not, to the extent permitted by law, preclude the District from electing to collect and enforce Series 2024 Special Assessments pursuant to any other method permitted by law in any subsequent year. Following an Event of Default, Series 2024 Special Assessments levied on platted lots shall be collected pursuant to the Uniform Method and Series 2024 Special Assessments levied on unplatted lots or lands shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless the Trustee, acting at the direction of the Majority Holders of the Series 2024 Bonds Outstanding, provides written consent/direction to a different method of collection. All Series 2024 Special Assessments that are billed and collected directly by the District and not via the Uniform Method shall be due and payable by the landowner no later than thirty (30) days prior to each Interest Payment Date; provided, however, that such Series 2024 Special Assessments shall not be deemed to be delinquent unless and until they are not paid by the applicable Interest Payment Date with respect to which they have been billed. The applicable assessment methodology report shall not be materially amended without the written consent of the Majority Holders, which consent shall be deemed given if no response is received within sixty (60) days of a written request therefor.

SECTION 5.02. Continuing Disclosure. Contemporaneously with the execution and delivery hereof, the Issuer and the Series 2024 Landowner has executed and delivered a Continuing Disclosure Agreement in order to assist the Underwriter in complying with the requirements of Rule 15c2-12 promulgated under the Securities and Exchange Act of 1934. The Issuer covenants and agrees to comply with the provisions of the Continuing Disclosure Agreement applicable to it; however, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but shall instead be enforceable by mandamus or any other means of specific performance.

SECTION 5.03. Investment of Funds and Accounts. The provisions of Section 7.02 of the Master Indenture shall apply to the investment and reinvestment of moneys in the Funds, Accounts and subaccounts therein created hereunder.

SECTION 5.04. Additional Obligations. The Issuer covenants not to issue any other Bonds or other debt obligations secured by the Series 2024 Special Assessments. In addition, the Issuer covenants not to issue any other Bonds or debt obligations secured by Special Assessments on the assessable lands within the District that are subject to the Series 2024 Special Assessments, until such time as the Series 2024 Special Assessments are Substantially

Absorbed or the Majority Holder has consented in writing. The District shall present the Trustee with a certification that the Series 2024 Special Assessments are Substantially Absorbed and the Trustee may rely conclusively upon such certification and shall have no duty to verify if the Series 2024 Special Assessments are Substantially Absorbed. In the absence of such written certification, the Trustee is entitled to assume that the Series 2024 Special Assessments have not been Substantially Absorbed. Such covenant shall not prohibit the Issuer from issuing refunding Bonds or any Bonds or other obligations secured by Special Assessments levied on District Lands not subject to the Series 2024 Special Assessment, or to finance any other capital project that is necessary to remediate any natural disaster, catastrophic damage or failure with respect to the Series 2024 Project.

SECTION 5.05. Requisite Owners for Direction or Consent. Anything in the Master Indenture to the contrary notwithstanding, any direction or consent or similar provision which requires greater than 50% (fifty percent) of the Owners, shall in each case be deemed to refer to, and shall mean, the Majority Holders.

SECTION 5.06. Acknowledgement Regarding the Moneys in the Series 2024 Acquisition and Construction Account Following an Event of Default. In accordance with the provisions of the Series 2024 Indenture, the Series 2024 Bonds are payable solely from the Series 2024 Pledged Revenues and any other moneys held by the Trustee under the Series 2024 Indenture for such purpose. Anything in the Series 2024 Indenture to the contrary notwithstanding, the Issuer hereby acknowledges that, the Series 2024 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2024 Acquisition and Construction Account then held by the Trustee, and that upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, (i) the Series 2024 Pledged Revenues may not be used by the Issuer (whether to pay costs of the Series 2024 Project or otherwise) without the consent of the Majority Holders and (ii) the Series 2024 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay costs and expenses incurred in connection with the pursuit of remedies under the Series 2024 Indenture, provided, however notwithstanding anything herein to the contrary the Trustee is also authorized to utilize the Series 2024 Pledged Revenues to pay fees and expenses as provided in Section 10.12 of the Master Indenture.

Redemption Price being held by the Paying Agent, all as provided in the Series 2024 Indenture, the Series 2024 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2024 Bonds or such portions thereof on such date, interest on such Series 2024 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2024 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Series 2024 Indenture and the Registered Owners thereof shall have no rights in respect of such Series 2024 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Registrar to certain registered securities depositories and information services as set forth in the Series 2024 Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

The Registered Owner of this Bond shall have no right to enforce the provisions of the Series 2024 Indenture or to institute action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Series 2024 Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Series 2024 Indenture.

In certain events, on the conditions, in the manner and with the effect set forth in the Series 2024 Indenture, the principal of all the Series 2024 Bonds then Outstanding under the Series 2024 Indenture may become and may be declared due and payable before the stated maturity thereof, with the interest accrued thereon.

Modifications or alterations of the Series 2024 Indenture or of any Series 2024 Indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Series 2024 Indenture.

Any moneys held by the Trustee or Paying Agent in trust for the payment and discharge of any Bond which remain unclaimed for two (2) years after the date when such Bond has become due and payable, either at its stated maturity date or by call for earlier redemption shall be paid to the Issuer, thereupon and thereafter no claimant shall have any rights against the Trustee or Paying Agent to or in respect of such moneys.

If the Issuer deposits or causes to be deposited with the Trustee funds or Government Obligations (as defined in the Master Indenture) sufficient to pay the principal or Redemption Price of any Series 2024 Bond becoming due at maturity or by call for redemption in the manner set forth in the Series 2024 Indenture, together with the interest accrued to the due date or date of redemption, as applicable, the lien of such Series 2024 Bonds as to the trust estate with respect to the Series 2024 Bonds shall be discharged, except for the rights of the Registered Owners thereof with respect to the funds so deposited as provided in the Series 2024 Indenture.

This Bond shall have all the qualities and incidents, including negotiability, of investment securities within the meaning and for all the purposes of the Uniform Commercial Code of the State of Florida.

B-7

This Bond shall initially be issued in the name of Cede & Co. as nominee for DTC, and so long as this Bond is held in book-entry-only form Cede & Co. shall be considered the Registered Owner for all purposes hereof, including the payment of the principal of and interest on this Bond. Payment to Direct Participants shall be the responsibility of DTC. Payments by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to individual Beneficial Owners shall be the responsibility of Direct Participants and Indirect Participants and not of DTC, the Issuer or the Trustee.

The Issuer shall keep books for the registration of the Series 2024 Bonds at the designated corporate trust office of the Registrar in Fort Lauderdale, Florida. Subject to the restrictions contained in the Series 2024 Indenture, and except when the Series 2024 Bonds are registered in book-entry only form, the Series 2024 Bonds may be transferred or exchanged by the Registered Owner thereof in person or by his attorney duly authorized in writing only upon the books of the Issuer kept by the Registrar and only upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the Registered Owner or his duly authorized attorney. In all cases in which the privilege of transferring or exchanging Series 2024 Bonds is exercised, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond or Series 2024 Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Series 2024 Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Series 2024 Bonds. Neither the Issuer nor the Registrar on behalf of the Issuer shall be required (i) to issue, transfer or exchange any Series 2024 Bond during a period beginning at the opening of business fifteen (15) days before the day of mailing of a notice of redemption of Series 2024 Bonds selected for redemption and ending at the close of business on the day of such mailing, or (ii) to transfer or exchange any Series 2024 Bond so selected for redemption in whole or in part.

The Issuer, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute owner thereof (whether or not such Bond shall be overdue, and notwithstanding any notation of ownership or other writing thereon made by anyone other than the Issuer, the Trustee, any Paying Agent, the Registrar or the Authenticating Agent) for the purpose of receiving payment of or on account of the principal of, premium, if any, and interest on such Bond as the same becomes due, and for all other purposes. All such payments so made to any such Registered Owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen, and to be performed, precedent to and in the issuance of this Bond exist, have happened and have been performed in regular and due form and time as required by the laws and Constitution of the State of Florida applicable thereto, including particularly the Act, and that the

issuance of this Bond, and of the issue of the Series 2024 Bonds of which this Bond is one, is in full compliance with all constitutional and statutory limitations or provisions.

This Bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Series 2024 Indenture until it shall have been authenticated by execution of the Trustee, or such other authenticating agent as may be appointed by the Trustee under the Series 2024 Indenture, of the certificate of authentication endorsed hereon.

PROPOSED FORM OF OPINION OF BOND COUNSEL

[THIS PAGE INTENTIONALLY LEFT BLANK]

[Date of Delivery]

Board of Supervisors of Yarborough Lane
Community Development District
Polk County, Florida

Re: **\$_____ Yarborough Lane Community Development District (Polk County, Florida) Special Assessment Bonds, Series 2024 (Series 2024 Project)**

Ladies and Gentlemen:

We have acted as bond counsel in connection with the issuance by the Yarborough Lane Community Development District (the "District") of its \$_____ original principal amount of Special Assessment Bonds, Series 2024 (Series 2024 Project) (the "Series 2024 Bonds"), issued and delivered on this date pursuant to the constitution and laws of the State of Florida, particularly, the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, and other applicable provisions of law (collectively, the "Act") created pursuant to Ordinance No. 2022-031 duly enacted by the Board of County Commissioners of Polk County, Florida (the "County") on May 3, 2022, which became effective on May 3, 2022. The Series 2024 Bonds are being issued pursuant to the Act, Resolution Nos. 2022-26 and 2024-03 adopted by the Board of Supervisors of the District on May 12, 2022 and June 13, 2024, respectively (collectively, the "Resolution"). The Series 2024 Bonds are being issued and secured under that certain Master Trust Indenture (the "Master Indenture"), as supplemented by that certain First Supplemental Trust Indenture, each dated as of August 1, 2024 (together with the Master Indenture, the "Series 2024 Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee. Capitalized terms used herein without definitions have the meanings ascribed thereto in the Series 2024 Indenture.

The Series 2024 Bonds are being issued for the primary purpose of financing the Series 2024 Project.

In order to secure the payment of the Series 2024 Bonds, and subject to the terms of the Series 2024 Indenture, the District has pledged to the holders of the Series 2024 Bonds and granted a lien to the holders of the Series 2024 Bonds on, the Series 2024 Pledged Revenues.

In connection with this opinion, we have examined the Act, certified copies of the Resolution, the Series 2024 Indenture, the Arbitrage Certificate, a transcript of the proceedings related to the issuance of the Series 2024 Bonds and such other documents and opinions as we have deemed necessary to render this opinion, and are relying on certain findings, covenants and agreements of the District set forth therein and such certified copies of the proceedings of the District and such other documents and opinions as we have deemed necessary to render this opinion.

As to questions of fact material to our opinion, we have relied upon representations of the District furnished to us, without undertaking to verify such representations by independent investigation. We have also relied upon certain certifications and representations provided by Clayton Properties Group, Inc., a Tennessee corporation doing business as Highland Homes and a wholly owned subsidiary of Berkshire Hathaway, as landowner and developer, of all the real property within Assessment Area One subject to the Series 2024 Special Assessments comprising the Series 2024 Pledged Revenues, without undertaking to verify such representations by independent investigation.

Based on the foregoing, and subject to the qualifications and limitations stated in this letter, we are of the opinion that:

1. The District has the power to authorize, execute and deliver the Series 2024 Indenture, to perform its obligations thereunder and to issue the Series 2024 Bonds.

2. The Series 2024 Indenture has been duly authorized, executed and delivered by the District. The Series 2024 Indenture creates a valid pledge of the Series 2024 Pledged Revenues with respect to the Series 2024 Bonds and constitutes a valid and binding obligation of the District enforceable against the District in accordance with its terms.

3. The issuance and sale of the Series 2024 Bonds have been duly authorized by the District and, assuming the due authentication thereof, the Series 2024 Bonds constitute valid and binding limited obligations of the District, payable in accordance with, and as limited by, the terms of the Series 2024 Indenture and the Series 2024 Bonds.

4. The Internal Revenue Code of 1986, as amended (herein, the "Code") includes requirements which the District must continue to meet after the issuance of the Series 2024 Bonds in order that interest on the Series 2024 Bonds not be included in gross income for federal income tax purposes. The failure of the District to meet these requirements may cause interest on the Series 2024 Bonds to be included in gross income for federal income tax purposes retroactive to their date of issuance. The District has covenanted in the Series 2024 Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2024 Bonds.

Under existing statutes, regulations, rulings and court decisions, subject to the assumption stated in the following paragraph, interest on the Series 2024 Bonds is excludable from the gross income of the owners thereof for federal income tax purposes. Furthermore, interest on the Series 2024 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2024 Bonds is not excluded from the determination of adjusted financial statement income.

In rendering the opinion expressed above, we have assumed continuing compliance with the tax covenants referred to above that must be met after the issuance of the Series 2024 Bonds

in order that interest on the Series 2024 Bonds not be included in gross income for federal income tax purposes.

5. The Series 2024 Bonds and interest thereon are not subject to taxation under the laws of the State of Florida except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in Chapter 220.

We express no opinion regarding other federal or any state tax consequences resulting from the ownership, receipt or accrual of interest on, or disposition of the Series 2024 Bonds.

In rendering the foregoing opinions, we have assumed the accuracy and truthfulness of all public records and of all certifications, documents and other proceedings examined by us that have been executed or certified by public officials acting within the scope of their official capacities and have not verified the accuracy or truthfulness thereof. We have also assumed the genuineness of the signatures appearing upon such public records, certifications, documents and proceedings.

The opinions set forth herein are subject to state and federal laws relating to bankruptcy, insolvency, reorganization, moratorium and similar laws, and to equitable principles, affecting the enforcement of creditors' rights generally, and to the exercise of judicial discretion in appropriate cases.

We wish to call to your attention that the Series 2024 Bonds are limited obligations of the District payable solely from the Series 2024 Pledged Revenues, and neither the full faith and credit nor the taxing power of the District, the County, the State of Florida or any other political subdivision thereof is pledged as security for the payment of the Series 2024 Bonds. The Series 2024 Bonds do not constitute an indebtedness of the District within the meaning of any constitutional or statutory provision or limitation.

We express no opinion herein with respect to any other document or agreement entered into by the District or by any other person in connection with the Series 2024 Bonds, other than as expressed herein.

Our opinions expressed herein are predicated upon present laws, facts and circumstances, and we assume no affirmative obligation to update the opinions expressed herein if such laws, facts or circumstances change after the date hereof.

Respectfully submitted,

GMS-CF, LLC does not represent the Yarborough Lane Community Development District as a Municipal Advisor or Securities Broker nor is GMS-CF, LLC registered to provide such services as described in Section 15B of the Securities and Exchange Act of 1934, as amended. Similarly, GMS-CF, LLC does not provide the Yarborough Lane Community Development District with financial advisory services or offer investment advice in any form.

1.0 Introduction

The Yarborough Lane Community Development District is a local unit of special-purpose government organized and existing under Chapter 190, Florida Statutes (the “District”), as amended. The District plans to issue up to \$32,155,000 of tax exempt bonds in one or more series (the “Bonds”) for the purpose of financing certain infrastructure improvements within the District, more specifically described in the Master Engineer’s Report dated May 12, 2022 prepared by Kimley-Horn and Associates, Inc. as may be amended and supplemented from time to time (the “Engineer’s Report”). The District anticipates the construction of public infrastructure improvements consisting of improvements that benefit property owners within the District.

1.1 Purpose

This Master Assessment Methodology Report (the “Assessment Report”) provides for an assessment methodology for allocating the debt to be incurred by the District to benefiting properties within the District. This Assessment Report allocates the debt to properties based on the special benefits each receives from the District’s capital improvement plan which improvements are generally described in the Engineer’s Report (“CIP”). This Assessment Report will be supplemented with one or more supplemental methodology reports to reflect the actual terms and conditions at the time of the issuance of each series of Bonds. This Assessment Report is designed to conform to the requirements of Chapters 190 and 170, Florida Statutes with respect to special assessments and is consistent with our understanding of case law on this subject.

The District intends to impose non ad valorem special assessments on the benefited lands within the District based on this Assessment Report. It is anticipated that all of the proposed special assessments will be collected through the Uniform Method of Collection described in Chapter 197.3632, Florida Statutes, or any other legal means of collection available to the District. It is not the intent of this Assessment Report to address any other assessments, if applicable, that may be levied by the District, a homeowner’s association, or any other unit of government.

1.2 Background

The District currently includes approximately 157 acres within unincorporated Polk County, Florida. The development program currently envisions approximately 558 residential units (herein the “Development”). The proposed Development program is depicted in Table 1. It is recognized that such land use plan may change, and this Assessment Report will be modified accordingly.

The public improvements contemplated by the District in the CIP will provide facilities that benefit certain property within the District. The CIP is delineated in the

Engineer's Report. Specifically, the District will construct and/or acquire certain stormwater management system, roadways, water & wastewater systems, street lighting and conduit, entry feature, landscape & irrigation, parks and amenities, offsite improvements, professional fees, and contingency. The acquisition and construction costs are summarized in Table 2.

The assessment methodology is a four-step process.

1. The District Engineer must first determine the public infrastructure improvements that may be provided by the District and the costs to implement the CIP.
2. The District Engineer determines the assessable acres that benefit from the District's CIP.
3. A calculation is made to determine the funding amounts necessary to acquire and/or construct CIP.
4. This amount is initially divided equally among the benefited properties on a prorated gross acreage basis. Ultimately, as land is platted, this amount will be assigned to each of the benefited properties based on the number of platted units.

1.3 Special Benefits and General Benefits

Improvements undertaken by the District create special and peculiar benefits to the assessable property, different in kind and degree than general benefits, for properties within its borders as well as general benefits to the public at large.

However, as discussed within this Assessment Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits, which accrue to the assessable property within the District. The implementation of the CIP enables properties within its boundaries to be developed. Without the District's CIP, there would be no infrastructure to support development of land within the District. Without these improvements, development of the property within the District would be prohibited by law.

There is no doubt that the general public and property owners outside the District will benefit from the provision of the District's CIP. However, these benefits will be incidental to the District's CIP, which is designed solely to meet the needs of property within the District. Properties outside the District boundaries do not depend upon the District's CIP. The property owners within the District are therefore receiving special benefits not received by those outside the District's boundaries.

1.4 Requirements of a Valid Assessment Methodology

There are two requirements under Florida law for a valid special assessment:

- 1) The properties must receive a special benefit from the improvements being paid for.
- 2) The assessments must be fairly and reasonably allocated to the properties being assessed.

Florida law provides for a wide application of special assessments that meet these two characteristics of special assessments.

1.5 Special Benefits Exceed the Costs Allocated

The special benefits provided to the property owners within the District are greater than the costs associated with providing these benefits. The District Engineer estimates that the District's CIP that is necessary to support full development of property will cost approximately \$25,000,000. The District's Underwriter projects that financing costs required to fund the infrastructure improvements, including project costs, the cost of issuance of the Bonds, the funding of debt service reserves and capitalized interest, will be approximately \$32,155,000. Additionally, funding required to complete the CIP which is not financed with Bonds will all or a portion of be funded by Developer. Without the CIP, the property would not be able to be developed and occupied by future residents of the community.

2.0 Assessment Methodology

2.1 Overview

The District is planning to issue up to \$32,155,000 in Bonds to fund the District's CIP, provide for capitalized interest, a debt service reserve account and cost of issuance. It is the purpose of this Assessment Report to allocate the \$32,155,000 in debt to the properties benefiting from the CIP.

Table 1 identifies the proposed land uses as identified by the Developer and current landowners of the land within the District. The District has relied on the Engineer's Report to develop the costs of the CIP needed to support the Development, these construction costs are outlined in Table 2. The improvements needed to support the Development are described in detail in the Engineer's Report and are estimated to cost \$25,000,000. Based on the estimated costs, the size of the bond issue under current market conditions needed to generate funds to pay for the CIP and related costs was determined by the District's Underwriter to total approximately \$32,155,000. Table 3 shows the breakdown of the bond sizing.

2.2 Allocation of Debt

Allocation of debt is a continuous process until the development plan is completed. The CIP funded by District Bonds benefits all developable acres within the District.

The initial assessments will be levied on an equal basis to all acres within the District. A fair and reasonable methodology allocates the debt incurred by the District proportionately to the properties receiving the special benefits. At this point all of the lands within the District are benefiting from the improvements.

Once platting or the recording of declaration of condominium, (“Assigned Properties”) has begun, the assessments will be levied to the Assigned Properties based on the benefits they receive. The Unassigned Properties, defined as property that has not been platted, assigned development rights or subjected to a declaration of condominium, will continue to be assessed on a per acre basis (“Unassigned Properties”). Eventually the development plan will be completed and the debt relating to the Bonds will be allocated to the planned 558 residential units within the District, which are the beneficiaries of the CIP, as depicted in Table 5 and Table 6. If there are changes to the development plan, a true up of the assessment will be calculated to determine if a debt reduction or true-up payment from the Developer is required. The process is outlined in Section 3.0

The assignment of debt in this Assessment Report sets forth the process by which debt is apportioned. As mentioned herein, this Assessment Report will be supplemented from time to time.

2.3 Allocation of Benefit

The CIP consists of stormwater management system, roadways, water & wastewater systems, street lighting and conduit, entry feature, landscape & irrigation, parks and amenities, offsite improvements, professional fees, and contingency. There are *three* residential product type(s) within the planned development. The Single Family 50’ home has been set as the base unit and has been assigned one equivalent residential unit (“ERU”). Table 4 shows the allocation of benefit to the particular land uses. It is important to note that the benefit derived from the improvements on the particular units exceeds the cost that the units will be paying for such benefits.

2.4 Lienability Test: Special and Peculiar Benefit to the Property

Construction and/or acquisition by the District of its proposed CIP will provide several types of systems, facilities and services for its residents. These include stormwater management system, roadways, water & wastewater systems, street lighting and conduit, entry feature, landscape & irrigation, parks and amenities, offsite improvements, professional fees, and contingency. These improvements accrue in

differing amounts and are somewhat dependent on the type of land use receiving the special benefits peculiar to those properties, which flow from the logical relationship of the improvements to the properties.

Once these determinations are made, they are reviewed in the light of the special benefits peculiar to the property, which flow to the properties as a result of their logical connection from the improvements in fact actually provided.

For the provision of CIP, the special and peculiar benefits are:

- 1) the added use of the property,
- 2) added enjoyment of the property, and
- 3) the probability of increased marketability and value of the property.

These special and peculiar benefits are real and ascertainable, but are not yet capable of being calculated as to value with mathematical certainty. However, each is more valuable than either the cost of, or the actual non-ad valorem special assessment levied for the improvement or the debt as allocated.

2.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay Non-Ad Valorem Assessments

A reasonable estimate of the proportion of special and peculiar benefits received from the public improvements described in the Engineer's Report is delineated in Table 5 (expressed as Allocation of Par Debt per Product Type).

The determination has been made that the duty to pay the non-ad valorem special assessments is fairly and reasonably apportioned because the special and peculiar benefits to the property derived from the acquisition and/or construction of the District's CIP have been apportioned to the property according to reasonable estimates of the special and peculiar benefits provided consistent with the land use categories.

Accordingly, no acre or parcel of property within the boundaries of the District will have a lien for the payment of any non-ad valorem special assessment more than the determined special benefit peculiar to that property and therefore, the debt allocation will not be increased more than the debt allocation set forth in this Assessment Report.

In accordance with the benefit allocation suggested for the product types in Table 4, a total debt per unit and an annual assessment per unit have been calculated for each product type (Table 6). These amounts represent the preliminary anticipated per unit debt allocation assuming all anticipated units are built and sold as planned, and the entire proposed CIP is developed or acquired and financed by the District.

3.0 True Up Mechanism

Although the District does not process plats, declaration of condominiums, site plans or revisions thereto for the Developer, it does have an important role to play during the course of platting and site planning. Whenever a plat, declaration of condominium or site plan is processed, the District must allocate a portion of its debt to the property according to this Assessment Report outlined herein. In addition, the District must also prevent any buildup of debt on Unassigned Property. Otherwise, the land could be fully conveyed and/or platted without all of the debt being allocated. To preclude this, at the time Unassigned Properties become Assigned Properties, the District will determine the amount of anticipated assessment revenue that remains on the Unassigned Properties, taking into account the proposed plat, or site plan approval. If the total anticipated assessment revenue to be generated from the Assigned and Unassigned Properties is greater than or equal to the maximum annual debt service then no adjustment is required. In the case that the revenue generated is less than the required amount then a debt reduction or true-up payment by the landowner in the amount necessary to reduce the par amount of the outstanding Bonds plus accrued interest to a level that will be supported by the new net annual debt service assessments will be required.

4.0 Assessment Roll

The District will initially distribute the liens across the property within the District boundaries on a gross acreage basis. As Assigned Property becomes known with certainty, the District will refine its allocation of debt from a per acre basis to a per unit basis as shown in Table 6. If the land use plan changes, then the District will update Table 6 to reflect the changes. As a result, the assessment liens are neither fixed nor are they determinable with certainty on any acre of land in the District prior to the time final Assigned Properties become known. At this time the debt associated with the District's CIP will be distributed evenly across the acres within the District. As the development process occurs, the debt will be distributed against the Assigned Property in the manner described in this Assessment Report. The current assessment roll is depicted in Table 7.

1.0 Introduction

The Yarborough Lane Community Development District (the “District”) is a local unit of special-purpose government organized and existing under Chapter 190, Florida Statutes, as amended. The District has authorized the issuance of up to \$30,000,000 of tax exempt bonds in one or more series (the “Bonds”) for the purpose of financing certain infrastructure improvements that benefit property owners within the District (the “Capital Improvement Plan” or “CIP”), more specifically described in the Supplemental Engineer’s Report dated June 19, 2024, prepared by Kimley-Horn and Associates, Inc. as may be amended and supplemented from time to time (the “Engineer’s Report”). At this time, the District plans to issue approximately \$11,990,000 of its Special Assessment Revenue Bonds, Series 2024 (Series 2024 Project) (“Series 2024 Bonds”) to finance a portion of the District’s CIP (the “Series 2024 Project”).

1.1 Purpose

This First Supplemental Assessment Methodology Report (the “Supplemental Report”) supplements the Master Assessment Methodology dated May 12, 2022 (“Master Report” and, together with the Supplemental Report, the “Assessment Report”). The Assessment Report provides for an assessment methodology for allocating the debt to be incurred by the District to benefiting properties within the District. As stated in the Master Report, the Master Report will be supplemented with one or more supplemental methodology reports to reflect the actual terms and conditions at the time of the issuance of each series of Bonds. This Supplemental Report applies the methodology described in the Master Report to the assessments levied to secure the Series 2024 Bonds (the “Series 2024 Assessments”) and allocates the debt based on the special benefits each property receives. This Assessment Report is designed to conform to the requirements of Chapters 190 and 170, Florida Statutes with respect to special assessments and is consistent with our understanding of case law on this subject.

The District intends to impose non ad valorem special assessments on the benefited lands within the first phase of the development program (“Phase One”) which consists of 65.20 acres (herein the “Series 2024 Assessment Area”) based on this Supplemental Report. It is anticipated that all of the proposed special assessments will be collected through the Uniform Method of Collection described in Chapter 197.3632, Florida Statutes, or any other legal means of collection available to the District. It is not the intent of this Assessment Report to address any other assessments, if applicable, that may be levied by the District, a homeowner’s association, or any other unit of government.

1.2 Background

The District currently includes approximately 157 acres and envisions 558 residential units within unincorporated Polk County, Florida. The 2024 Assessment Area consists of 65.20 acres and currently envisions 238 residential units. The proposed development program for the 2024 Assessment Area is depicted in Table 1. It is recognized that such land use plan may change, and this Assessment Report will be modified accordingly.

The public improvements contemplated by the District in the CIP, including the Series 2024 Project, will provide facilities that benefit certain property within the District. The CIP is delineated in the Engineer's Report. Specifically, the District will construct and/or acquire certain stormwater management system, roadways, water & wastewater systems, street lighting and conduit, entry feature, landscape & irrigation, parks and amenities, offsite improvements, professional fees, and contingency. The acquisition and construction costs are summarized in Table 2.

The assessment methodology outlined in the Master Report is a four-step process.

1. The District Engineer must first determine the public infrastructure improvements that may be provided by the District and the costs to implement the CIP.
2. The District Engineer determines the assessable acres that benefit from the District's CIP.
3. A calculation is made to determine the funding amounts necessary to acquire and/or construct CIP.
4. This amount is initially divided equally among the benefited properties on a prorated gross acreage basis. Ultimately, as land is platted, this amount will be assigned to each of the benefited properties based on the number of platted units.

1.3 Special Benefits and General Benefits

Improvements undertaken by the District create special and peculiar benefits to the assessable property, different in kind and degree than general benefits, for properties within its borders as well as general benefits to the public at large.

However, as discussed within this Assessment Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits, which accrue to the assessable property within the District. The implementation of the CIP, including the Series 2024 Project, enables properties within the 2024 Assessment Area boundaries to be developed. Without the District's CIP, including the Series 2024 Project, there would be no infrastructure to support

development of land within the District. Without these improvements, development of the property within the District would be prohibited by law.

There is no doubt that the general public and property owners outside the District will benefit from the provision of the District's CIP. However, these benefits will be incidental to the District's CIP, which is designed solely to meet the needs of property within the District. Properties outside the District boundaries do not depend upon the District's CIP. The property owners within the District are therefore receiving special benefits not received by those outside the District's boundaries.

1.4 Requirements of a Valid Assessment Methodology

There are two requirements under Florida law for a valid special assessment:

- 1) The properties must receive a special benefit from the improvements being paid for.
- 2) The assessments must be fairly and reasonably allocated to the properties being assessed.

Florida law provides for a wide application of special assessments that meet these two characteristics of special assessments.

1.5 Special Benefits Exceed the Costs Allocated

The special benefits provided to the property owners within the District are greater than the costs associated with providing these benefits. The District Engineer estimates that the District's Series 2024 Project that is necessary to support full development of property will cost approximately \$16,082,000. The District's Underwriter projects that financing costs required to fund a portion of the infrastructure improvements, including project costs, the cost of issuance of the Bonds, the funding of debt service reserves and capitalized interest, will be approximately \$11,990,000. Additionally, funding required to complete the Series 2024 Project, which is not financed with Bonds, will be funded by Developer. Without the Series 2024 Project, the property within the 2024 Assessment Area would not be able to be developed and occupied by future residents of the community.

2.0 Assessment Methodology

2.1 Overview

The District is planning to issue \$11,990,000 in Bonds to fund a portion of the District's Series 2024 Project, provide for capitalized interest, a debt service reserve account and cost of issuance. It is the purpose of this Assessment Report to allocate the \$11,990,000 in debt to the properties benefiting from the Series 2024 Project.

Table 1 identifies the proposed land uses as identified by the Developer and current landowners of the land within the District. The District has relied on the Engineer's Report to develop the costs of the Series 2024 Project needed to support the development of land within the 2024 Assessment Area, these construction costs are outlined in Table 2. The improvements needed to support the Development are described in detail in the Engineer's Report and are estimated to cost \$16,082,000. Based on the estimated costs, the size of the bond issue under current market conditions needed to generate funds to pay for a portion of the Series 2024 Project and related costs was determined by the District's Underwriter to total approximately \$11,990,000. Table 3 shows the breakdown of the bond sizing.

2.2 Allocation of Debt

Allocation of debt is a continuous process until the 2024 Assessment Area development plan is completed. The Series 2024 Project funded by District Bonds benefits all developable acres within the 2024 Assessment Area of the District.

Initially, the Series 2024 Assessments will be levied on an equal basis to all acres within the 2024 Assessment Area of the District. A fair and reasonable methodology allocates the debt incurred by the District proportionately to the properties receiving the special benefits. At this point all of the lands within the District are benefiting from the improvements.

Once platting or the recording of declaration of condominium, ("Assigned Properties") has begun, the assessments will be levied to the Assigned Properties based on the benefits they receive on a first platted, first assigned basis. The Series 2024 Assessments are expected to be allocated to and fully absorbed by the 238 residential units planned for Phase One of the Development within the 2024 Assessment Area. The Unassigned Properties, defined as property that has not been platted, assigned development rights or subjected to a declaration of condominium, will continue to be assessed on a per acre basis ("Unassigned Properties") until the Series 2024 Assessments are fully absorbed. Eventually the Series 2024 Project will be completed and the debt relating to the Series 2024 Bonds will be allocated to the planned 238 residential units, planned for Phase One of the Development, as depicted in Table 5 and Table 6. If there are changes to the development plan, a true up of the assessment will be calculated to determine if a debt reduction or true-up payment from the Developer is required. The process is outlined in Section 3.0

The assignment of debt in this Assessment Report sets forth the process by which debt is apportioned.

2.3 Allocation of Benefit

The CIP, including the Series 2024 Project, consists of stormwater management system, roadways, water & wastewater systems, street lighting and conduit, entry feature, landscape & irrigation, parks and amenities, offsite improvements, professional fees, and contingency. There are *three* residential product type(s) within the planned development for Phase One. The Single Family 50' home has been set as the base unit and has been assigned one equivalent residential unit ("ERU"). Table 4 shows the allocation of benefit to the particular land uses. It is important to note that the benefit derived from the improvements on the particular units exceeds the cost that the units will be paying for such benefits.

2.4 Lienability Test: Special and Peculiar Benefit to the Property

Construction and/or acquisition by the District of its proposed CIP, including the Series 2024 Project, will provide several types of systems, facilities and services for its residents. These include stormwater management system, roadways, water & wastewater systems, street lighting and conduit, entry feature, landscape & irrigation, parks and amenities, offsite improvements, professional fees, and contingency. These improvements accrue in differing amounts and are somewhat dependent on the type of land use receiving the special benefits peculiar to those properties, which flow from the logical relationship of the improvements to the properties.

Once these determinations are made, they are reviewed in the light of the special benefits peculiar to the property, which flow to the properties as a result of their logical connection from the improvements in fact actually provided.

For the provision of CIP, the special and peculiar benefits are:

- 1) the added use of the property,
- 2) added enjoyment of the property, and
- 3) the probability of increased marketability and value of the property.

These special and peculiar benefits are real and ascertainable, but are not yet capable of being calculated as to value with mathematical certainty. However, each is more valuable than either the cost of, or the actual non-ad valorem special assessment levied for the improvement or the debt as allocated.

2.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay Non-Ad Valorem Assessments

A reasonable estimate of the proportion of special and peculiar benefits received from the public improvements described in the Engineer's Report is delineated in Table 5 (expressed as Allocation of Par Debt per Product Type).

The determination has been made that the duty to pay the non-ad valorem special assessments is fairly and reasonably apportioned because the special and peculiar benefits to the property derived from the acquisition and/or construction of the District's Series 2024 Project have been apportioned to the property according to reasonable estimates of the special and peculiar benefits provided consistent with the land use categories.

Accordingly, no acre or parcel of property within the boundaries of the District will have a lien for the payment of any non-ad valorem special assessment more than the determined special benefit peculiar to that property and therefore, the debt allocation will not be increased more than the debt allocation set forth in this Assessment Report.

In accordance with the benefit allocation suggested for the product types in Table 4, a total debt per unit and an annual assessment per unit have been calculated for each product type (Table 6). These amounts represent the preliminary anticipated per unit debt allocation assuming all anticipated units are built and sold as planned, and the entire proposed Series 2024 Project is developed or acquired and financed by the District.

3.0 True Up Mechanism

Although the District does not process plats, declaration of condominiums, site plans or revisions thereto for the Developer, it does have an important role to play during the course of platting and site planning. Whenever a plat, declaration of condominium or site plan is processed, the District must allocate a portion of its debt to the property according to this Assessment Report outlined herein. In addition, the District must also prevent any buildup of debt on Unassigned Property. Otherwise, the land could be fully conveyed and/or platted without all of the debt being allocated. To preclude this, at the time Unassigned Properties become Assigned Properties, the District will determine the amount of anticipated assessment revenue that remains on the Unassigned Properties, taking into account the proposed plat, or site plan approval. If the total anticipated assessment revenue to be generated from the Assigned and Unassigned Properties is greater than or equal to the maximum annual debt service then no adjustment is required. In the case that the revenue generated is less than the required amount then a debt reduction or true-up payment by the landowner in the amount necessary to reduce the par amount of the outstanding Bonds plus accrued interest to a level that will be supported by the new net annual debt service assessments will be required.

4.0 Assessment Roll

The District will initially distribute the liens across all property within the 2024 Assessment Area of the District boundaries on a gross acreage basis. As Assigned Property becomes known with certainty, the District will refine its allocation of debt from a per acre basis to a per unit first platted, first assigned basis, as shown in Table 6. If the land use plan changes, then the District will update Table 6 to reflect the changes. As a result, the assessment liens are neither fixed nor are they determinable with certainty on any acre of land in the 2024 Assessment Area of the District prior to the time final Assigned Properties become known. At this time the debt associated with the District’s Series 2024 Project benefits all acres within the 2024 Assessment Area of the District. As the development process occurs, the debt will be distributed against the Assigned Property in the manner described in this Assessment Report. The current assessment roll is depicted in Table 7.
