The City of Celina, Texas, Special Assessment Revenue Refunding Bonds, Series 2024 (Sutton Fields II Public Improvement District Major Improvement Area Project) (the “Bonds”), are being issued by the City of Celina, Texas (the “City”). The Bonds will be issued in fully registered form, without coupons, in authorized denominations of \$25,000 of principal amount and any integral multiple of \$1,000 in excess thereof. The Bonds will bear interest at the rates set forth on the inside cover page hereof, and such interest will be calculated on the basis of a 360-day year of twelve 30-day months, and will be payable on each March 1 and September 1, commencing March 1, 2025, until maturity or earlier redemption. The Bonds will be registered in the name of Cede & Co., as nominee of The Depository Trust Company (“DTC”), New York, New York. No physical delivery of the Bonds will be made to the beneficial owners thereof. For so long as the book-entry only system is maintained, the principal of and interest on the Bonds will be paid from the sources described herein by U.S. Bank Trust Company, National Association, as trustee (the “Trustee”), to DTC as the registered owner thereof. See “BOOK-ENTRY ONLY SYSTEM.”

The Bonds are being issued by the City pursuant to the Public Improvement District Assessment Act, Subchapter A of Chapter 372, Texas Local Government Code, as amended (the “PID Act”), Chapter 1207, Texas Government Code, as amended, an ordinance expected to be adopted by the City Council of the City (the “City Council”) on August 13, 2024, and an Indenture of Trust, dated as of August 1, 2024 (the “Indenture”), entered into by and between the City and the Trustee. Capitalized terms not otherwise defined herein shall have the meanings assigned to them in the Indenture.

Proceeds of the Bonds will be used to provide funds for (i) refunding the outstanding City of Celina, Texas, Special Assessment Revenue Bonds, Series 2015 (Sutton Fields II Public Improvement District Neighborhood Improvement Areas #2-5 Major Improvement Project) (the “Refunded Bonds”), (ii) funding a reserve fund for payment of principal and interest on the Bonds, and (iii) paying the costs of issuing the Bonds. The Bonds are not payable from funds raised or to be raised from taxation. See “SECURITY FOR THE BONDS.”

The Bonds are subject to redemption at the times, in the amounts, and at the redemption prices more fully described herein under the subcaption “DESCRIPTION OF THE BONDS — Redemption Provisions.”

The scheduled payment of principal of and interest on the Bonds when due will be guaranteed under a municipal bond insurance policy expected to be issued concurrently with the delivery of the Bonds by Build America Mutual Assurance Company. See “BOND INSURANCE” and “APPENDIX E – Specimen Municipal Bond Insurance Policy” herein.

THE BONDS ARE SPECIAL, LIMITED OBLIGATIONS OF THE CITY PAYABLE SOLELY FROM THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. THE BONDS DO NOT GIVE RISE TO A CHARGE AGAINST THE GENERAL CREDIT OR TAXING POWER OF THE CITY AND ARE PAYABLE SOLELY FROM THE SOURCES IDENTIFIED IN THE INDENTURE. THE OWNERS OF THE BONDS SHALL NEVER HAVE THE RIGHT TO DEMAND PAYMENT THEREOF OUT OF MONEY RAISED OR TO BE RAISED BY TAXATION, OR OUT OF ANY FUNDS OF THE CITY OTHER THAN THE PLEDGED REVENUES, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. NO OWNER OF THE BONDS SHALL HAVE THE RIGHT TO DEMAND ANY EXERCISE OF THE CITY’S TAXING POWER TO PAY THE PRINCIPAL OF THE BONDS OR THE INTEREST OR REDEMPTION PREMIUM, IF ANY, THEREON. THE CITY SHALL HAVE NO LEGAL OR MORAL OBLIGATION TO PAY THE BONDS OUT OF ANY FUNDS OF THE CITY OTHER THAN THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE. SEE “SECURITY FOR THE BONDS.”

The Bonds are offered for delivery when, as, and if issued by the City and accepted by the Underwriter, subject to, among other things, the approval of the Bonds by the Attorney General of Texas and the receipt of the opinion of Norton Rose Fulbright US LLP, Bond Counsel, as to the validity of the Bonds and the excludability of interest thereon from gross income for federal income tax purposes. See “APPENDIX C — Form of Opinion of Bond Counsel.” Certain legal matters will be passed upon for the Underwriter by its counsel, Locke Lord LLP. ## PLAN OF FINANCE

### Prior Bonds and the Bonds

To finance a portion of the costs of certain infrastructure improvements that benefit the entire District (the “Major Improvements”) allocable to the Major Improvement Area (such allocable portion, the “Major Improvement Area Improvements”), the City previously issued the City of Celina, Texas, Special Assessment Revenue Bonds, Series 2015 (Sutton Fields II Public Improvement District Neighborhood Improvement Areas #2-5 Major Improvement Project) (the “Refunded Bonds”). “Major Improvement Area” refers to all phases in the District except the area shown as Phase 1 on the MAP SHOWING BOUNDARIES OF THE DISTRICT AND PHASES on page v hereof. The Refunded Bonds are secured by a pledge of and a lien upon certain pledged revenues, consisting primarily of the Assessments.

Proceeds of the Bonds will be used primarily to provide funds for (i) refunding the outstanding Refunded Bonds (see “Schedule I – Schedule of Refunded Bonds”), (ii) funding a reserve fund for payment of principal and interest on the Bonds, and (iii) paying the costs of issuing the Bonds. To the extent that a portion of the proceeds of the Bonds is allocated for the payment of the costs of issuance of the Bonds and less than all of such amount is used to pay such costs, the excess amount may, at the option of the City, be transferred to the Bond Fund to pay interest on the Bonds. See “APPENDIX A — Form of Indenture” and “SOURCES AND USES OF FUNDS.”

Payment of the Bonds is secured by a pledge of and a lien upon the Pledged Revenues, consisting primarily of Assessments levied against the assessable parcels or lots within the Major Improvement Area of the District, all to the extent and upon the conditions described herein and in the Indenture. See “SECURITY FOR THE BONDS” and “ASSESSMENT PROCEDURES.” **The Bonds shall never constitute an indebtedness or general obligation of the City, the State of Texas (“State”) or any other political subdivision of the State, within the meaning of any Constitutional provision or statutory limitation whatsoever, but the Bonds are limited and special obligations of the City payable solely from the Trust Estate as provided in the Indenture. Neither the faith and credit nor the taxing power of the City, the State or any other political subdivision of the State is pledged to the payment of the Bonds.**

Concurrently with the issuance of the Bonds, the City will issue its \$9,990,000\* City of Celina, Texas, Special Assessment Revenue Refunding Bonds, Series 2024 (Sutton Fields II Public Improvement District Neighborhood Improvement Area #1 Project) (the “2024 NIA #1 Refunding Bonds”) to refund the outstanding City of Celina, Texas, Special Assessment Revenue Bonds, Series 2015 (Sutton Fields II Public Improvement District Neighborhood Improvement Area #1 Project) (the “2015 NIA #1 Bonds”), which 2015 NIA #1 Bonds were issued to fund (i) the pro rata portion of the Major Improvements allocable to Neighborhood Improvement Area #1 (as defined herein) and (ii) the internal infrastructure improvements which only benefit Neighborhood Improvement Area #1 and are secured by assessments levied on Neighborhood Improvement Area #1 (the “NIA #1 Assessments”). “Neighborhood Improvement Area #1” refers to the phase identified as Phase 1 on the MAP SHOWING BOUNDARIES OF THE DISTRICT AND PHASES on page v hereof. The 2024 NIA #1 Refunding Bonds will be secured solely by the NIA #1 Assessments.

The City also previously issued its \$6,355,000 City of Celina, Texas, Special Assessment Revenue Bonds, Series 2019 (Sutton Fields II Public Improvement District Neighborhood Improvement Areas #2-3 Project) (the “NIA #2-3 Bonds”) to finance a portion of the costs of the construction of certain infrastructure improvements that benefited only “Neighborhood Improvement Area #2” of the District (the “NIA #2 Improvements”) and “Neighborhood Improvement Area #3” of the District (the “NIA #3 Improvements” and, collectively with the NIA #2 Improvements, the “NIA #2-3 Improvements”). “Neighborhood Improvement Area #2” refers to the phases identified as Phases 2C and 1C on the MAP SHOWING BOUNDARIES OF THE DISTRICT AND PHASES on page v hereof. “Neighborhood Improvement Area #3” refers to the phases identified as Phase 2A and 2B on the MAP SHOWING BOUNDARIES OF THE DISTRICT AND PHASES on page v hereof. The NIA #2-3 Bonds are secured by a pledge of and a lien upon certain pledged revenues, consisting primarily of the assessments levied on Neighborhood Improvement Area #2 (the “NIA #2 Assessments”) and Neighborhood Improvement Area #3 of the District (the “NIA

#3 Assessments”). **The NIA #2 Assessments and NIA #3 Assessments are levied on property lying in the Major Improvement Area, but the NIA #2 Assessments and NIA #3 Assessments are not pledged to and do not secure the Bonds. See “BONDHOLDERS’ RISKS – Assessment Limitations.”** The NIA #2-3 Bonds are currently outstanding in the amount of \$6,255,000.

The City also previously issued its \$4,000,000 City of Celina, Texas, Special Assessment Revenue Bonds, Series 2020 (Sutton Fields II Public Improvement District Neighborhood Improvement Area #4 Project) (the “NIA #4 Bonds”) to finance a portion of the costs of the construction of certain infrastructure improvements that benefited only “Neighborhood Improvement Area #4” of the District (the “NIA #4 Improvements”). “Neighborhood Improvement Area #4” refers to the phases identified as Phases 2C and 4B on the MAP SHOWING BOUNDARIES OF THE DISTRICT AND PHASES on page v hereof. The NIA #4 Bonds are secured by a pledge of and a lien upon certain pledged revenues, consisting primarily of the assessments levied on Neighborhood Improvement Area #4 of the District (the “NIA #4 Assessments”). **The NIA #4 Assessments are levied on property lying in the Major Improvement Area but the NIA #4 Assessments are not pledged to and do not secure the Bonds. See “BONDHOLDERS’ RISKS – Assessment Limitations.”** The NIA #4 Bonds are currently outstanding in the amount of \$3,990,000.

The City also previously issued its \$20,784,000 City of Celina, Texas, Special Assessment Revenue Bonds, Series 2022 (Sutton Fields II Public Improvement District Neighborhood Improvement Area #5 Project) (the “NIA #5 Bonds”) to finance a portion of the costs of the construction of certain infrastructure improvements that benefited only “Neighborhood Improvement Area #5A” of the District (the “NIA #5A Improvements”) and certain infrastructure improvements that benefited only “Neighborhood Improvement Area #5B” of the District (the “NIA #5B Improvements,” and collectively with the NIA #5A Improvements, the “NIA #5 Improvements”). “Neighborhood Improvement Area #5A” is used herein to describe the property identified in Phases 3A, 3B, 3C, 3D and 3E as shown on the “MAP SHOWING BOUNDARIES OF THE DISTRICT AND PHASES” on page v. “Neighborhood Improvement Area #5B” is used herein to describe the property identified in Phases 4A, 4C, 5, 7, 8A and 8B as shown on the “MAP SHOWING BOUNDARIES OF THE DISTRICT AND PHASES” on page v. The NIA #5 Bonds are secured by a pledge of and a lien upon certain pledged revenues, consisting primarily of the assessments levied on Neighborhood Improvement Area #5A (the “NIA #5A Assessments”) and Neighborhood Improvement Area #5B of the District (the “NIA #5B Assessments”). **The NIA #5A Assessments and NIA #5B Assessments are levied on property lying in the Major Improvement Area, but the NIA #5A Assessments and NIA #5B Assessments are not pledged to and do not secure the Bonds. See “BONDHOLDERS’ RISKS – Assessment Limitations.”** The NIA #5 Bonds are currently outstanding in the amount of \$20,621,000.

The NIA #2 Assessments, NIA #3 Assessments, NIA #4 Assessments, NIA #5A Assessments and NIA #5B Assessments are collectively referred to herein as the “Local NIA Assessments.” The NIA #2-3 Bonds, NIA #4 Bonds, and NIA #5 Bonds are collectively referred to herein as the “Local NIA Bonds.”

### **The Refunded Bonds**

The proceeds from the Bonds will be used to refund the Refunded Bonds (see “SCHEDULE I – Schedule of Refunded Bonds”) for debt service savings. The Refunded Bonds and the interest due thereon are to be paid on September 1, 2024 at the redemption price shown in Schedule I hereof, plus accrued interest, from funds on deposit with and to be deposited with the paying agent for the Refunded Bonds, U.S. Bank Trust Company, National Association (in such role, the “Refunded Bonds Paying Agent”).

The Indenture provides that moneys on deposit in the funds maintained for the payment of the Refunded Bonds, together with the proceeds of the sale of the Bonds received from the Underwriter, in an amount sufficient to pay in full the Refunded Bonds scheduled to mature and authorized to be redeemed on September 1, 2024 (the “Defeasance Deposit”) will be deposited into the Bond Proceeds Account of the Project Fund created in the Indenture. On the Closing Date (as defined in the Indenture), the funds deposited into the Bond Proceeds Account will be immediately transferred to the Refunded Bonds Paying Agent to be applied to the redemption of the Refunded Bonds pursuant to instructions from the City to the Refunded Bonds Paying Agent.

An independent certified public account will certify as to the sufficiency (such certification, the “Sufficiency Certificate”) of the Defeasance Deposit without regard to investment, to pay the principal and interest on the Refunded Bonds, when due, at their date of redemption.

By the deposit of the Defeasance Deposit with the Refunded Bonds Paying Agent, the City will have effected the defeasance of all of the Refunded Bonds in accordance with State law and the indenture authorizing the issuance of the Refunded Bonds (the “Refunded Bonds Indenture”). As a result of such defeasance, the Refunded Bonds will be outstanding only for the purpose of receiving payments from the cash held for such purpose by the Refunded Bonds Paying Agent, and the Refunded Bonds will not be deemed as being outstanding obligations of the City nor for the purpose of applying any limitation on the issuance of debt, and the City will have no further responsibility with respect to the Refunded Bonds.

## **DESCRIPTION OF THE BONDS**

### **General Description**

The Bonds shall be dated the Date of Delivery and will mature on the dates and in the amounts set forth in the inside cover page of this Official Statement. Interest on the Bonds will accrue from their Date of Delivery and will be computed on the basis of a 360-day year of twelve 30-day months. Interest on the Bonds will be payable on each March 1 and September 1, commencing March 1, 2025 (each an “Interest Payment Date”), until maturity or prior redemption. U.S. Bank Trust Company, National Association, Dallas, Texas is the initial Trustee, Paying Agent and Registrar for the Bonds.

The Bonds will be issued in fully registered form, without coupons, in authorized denominations of \$25,000 of principal amount and any integral multiple of \$1,000 in excess thereof (“Authorized Denominations”). Upon initial issuance, the ownership of the Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York (“DTC”), and purchases of beneficial interests in the Bonds will be made in book-entry only form. See “BOOK-ENTRY ONLY SYSTEM” and “SUITABILITY FOR INVESTMENT.” No physical delivery of the Bonds will be made to the beneficial owners. The principal of and interest on the Bonds at maturity or upon prior redemption, will be payable by the Paying Agent/Registrar to Cede & Co., which will distribute the amounts paid to the participating members of DTC for subsequent payment to the beneficial owners of the Bonds. See “BOOK-ENTRY-ONLY SYSTEM” for a more complete description of such system.

### **Redemption Provisions**

Optional Redemption. The City reserves the right and option to redeem Bonds maturing on or after September 1, 20\_\_, before their respective scheduled maturity dates, in whole or in part, on any date on or after September 1, 20\_\_, such redemption date or dates to be fixed by the City, at 100% of the principal amount thereof, plus accrued interest to the date of redemption (the “Redemption Price”).

Extraordinary Optional Redemption. The City reserves the right and option to redeem Bonds before their respective scheduled maturity dates, in whole or in part and in an amount specified and on any date specified in a City Certificate at the Redemption Price of such Bonds, or portions thereof, to be redeemed plus accrued interest to the date of redemption from amounts on deposit in the Redemption Fund as a result of Prepayments (including related transfers to the Redemption Fund made pursuant to the terms of the Indenture) or any other transfers to the Redemption Fund under the terms of the Indenture. See “APPENDIX A – Form of Indenture.”

Mandatory Sinking Fund Redemption. The Bonds maturing on September 1 in the years 20\_\_ and 20\_\_, are subject to mandatory sinking fund redemption prior to their respective maturities and will be redeemed by the City in part at the Redemption Price from moneys available for such purpose in the Principal and Interest Account of the Bond Fund pursuant to the Indenture, on the dates and in the respective sinking fund installments as set forth in the following schedule:

**§ Term Bonds Maturing September 1, 20**

<b><u>Redemption Date</u></b>	<b><u>Sinking Fund Installment</u></b>

† Stated maturity.

At least 45 days prior to each mandatory sinking fund redemption date, and subject to any prior reduction authorized by the next two succeeding paragraphs, the Trustee shall select a principal amount of Bonds of such maturity equal to the Sinking Fund Installment amount of such Bonds to be redeemed, in accordance with the Indenture, shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in the Indenture.

The principal amount of Bonds of a Stated Maturity required to be redeemed on any mandatory sinking fund redemption date shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least 45 days prior to the mandatory sinking fund redemption date shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued and unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation.

The principal amount of Bonds required to be redeemed on any mandatory sinking fund redemption date shall be reduced on a pro rata basis among Sinking Fund Installments by the principal amount of any Bonds which, at least 45 days prior to the mandatory sinking fund redemption date, shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption provisions of the Indenture and not previously credited to a mandatory sinking fund redemption.

*Notice of Redemption.* The Trustee shall give notice of any redemption of Bonds by sending notice by United States mail, first-class, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond or portion thereof to be redeemed, at the address shown in the Register. So long as the Bonds are in book-entry-only form and held by DTC as the securities depository, Owner means Cede & Co., as nominee for DTC.

The notice shall state the redemption date, the Redemption Price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, and subject to the Indenture, an identification of the Bonds or portions thereof to be redeemed, any conditions to such redemption and that on the redemption date, if all conditions, if any, to such redemption have been satisfied, such Bond shall become due and payable.

Any notice given as provided in the Indenture shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

The City has the right to rescind any optional redemption or extraordinary optional redemption described in the Indenture by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under the Indenture. The Trustee shall mail notice of rescission of redemption in the same manner notice of redemption was originally provided.

With respect to any optional redemption or extraordinary optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the Redemption Price of the Bonds to be redeemed before giving of a notice of redemption, the notice may state that the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not satisfied and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

Additional Provisions with Respect to Redemption. The following defined terms apply to this subsection:

“Minor Amount Redemption” means an extraordinary optional redemption of Bonds pursuant to the Indenture of a principal amount of Bonds redeemed that is less than ten percent (10%) of the outstanding principal amount of the Bonds.

“Substantial Amount Redemption” means an extraordinary optional redemption of Bonds pursuant to the Indenture of a principal amount of Bonds redeemed that is greater than or equal to ten percent (10%) of the outstanding principal amount of the Bonds.

If less than all of the Bonds are to be redeemed pursuant to an optional, mandatory sinking fund or extraordinary optional redemption, Bonds shall be redeemed in minimum principal amounts of \$1,000 or any integral multiple thereof. Each Bond shall be treated as representing the number of Bonds that is obtained by dividing the principal amount of such Bond by \$1,000. No redemption shall result in a Bond in a denomination of less than the Authorized Denomination in effect at that time; provided, however, if the amount of the Outstanding Bond is less than an Authorized Denomination after giving effect to such partial redemption, a Bond in the principal amount equal to the unredeemed portion may be issued.

In selecting the Bonds to be redeemed pursuant to the mandatory sinking fund redemption provisions the Indenture, the Trustee may select Bonds in any method that results in a random selection.

In selecting the Bonds to be redeemed pursuant to the optional redemption provisions in the Indenture, the Trustee may rely on the directions provided in a City Certificate.

If less than all of the Bonds are called for extraordinary optional redemption pursuant to the Indenture, the Bonds or portion of a Bond, as applicable, to be redeemed shall be selected in the following manner:

- (i) with respect to a Substantial Amount Redemption, the principal amount called for redemption shall be allocated on a pro-rata basis among all Outstanding Bonds; and
- (ii) with respect to a Minor Amount Redemption, the Outstanding Bonds or Bond, as applicable, shall be redeemed in the inverse order of maturity.

Upon surrender of any Bond for redemption in part, the Trustee in accordance with the Indenture, shall authenticate and deliver an exchange Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, such exchange being without charge.

### **BOOK-ENTRY ONLY SYSTEM**

*This section describes how ownership of the Bonds is to be transferred and how the principal of, premium, if any, and interest on the Bonds are to be paid to and credited by DTC while the Bonds are registered in its nominee name. The information in this section concerning DTC and the Book-Entry-Only System has been provided by DTC for use in disclosure documents such as this Official Statement. The City and the Underwriter believe the source of such information to be reliable, but neither the City nor the Underwriter takes responsibility for the accuracy or completeness thereof.*

*The City cannot and does not give any assurance that (1) DTC will distribute payments of debt service on the Bonds, or redemption or other notices, to DTC Participants, (2) DTC Participants or others will distribute debt service payments paid to DTC or its nominee (as the registered owner of the Bonds), or redemption or other notices, to the Beneficial Owners, or that they will do so on a timely basis or (3) DTC will serve and act in the manner described in this Official Statement. The current rules applicable to DTC are on file with the United States Securities and Exchange Commission, and the current procedures of DTC to be followed in dealing with DTC Participants are on file with DTC.*

DTC will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered security certificate will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC, is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its registered subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has S&P Global Ratings' rating of "AA+". The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC's records. The ownership interest of each actual purchaser of each Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the

Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all Bonds of the same maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant of such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, interest and all other payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or Paying Agent/Registrar on the payment date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, the Paying Agent/Registrar, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, interest and payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, the Paying Agent/Registrar or the City, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the City or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, Bond certificates are required to be printed and delivered.

The City may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered. Thereafter, Bond certificates may be transferred and exchanged as described in the Indenture.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the City believes to be reliable, but none of the City, the City's Financial Advisor or the Underwriter take any responsibility for the accuracy thereof.

**NONE OF THE CITY, THE TRUSTEE, THE PAYING AGENT, THE CITY'S FINANCIAL ADVISOR OR THE UNDERWRITER WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO THE DTC PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEE WITH RESPECT TO THE PAYMENTS TO OR THE PROVIDING OF NOTICE FOR THE DTC PARTICIPANTS, THE INDIRECT PARTICIPANTS OR THE BENEFICIAL OWNERS OF THE BONDS. THE CITY CANNOT AND DOES NOT GIVE ANY ASSURANCES THAT DTC, THE DTC PARTICIPANTS OR OTHERS WILL DISTRIBUTE PAYMENTS OF PRINCIPAL OF OR INTEREST ON THE BONDS PAID TO DTC OR ITS NOMINEE, AS THE REGISTERED OWNER, OR PROVIDE ANY NOTICES TO THE BENEFICIAL OWNERS OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC WILL ACT IN THE MANNER DESCRIBED IN THIS OFFICIAL STATEMENT. THE CURRENT RULES APPLICABLE TO DTC ARE ON FILE WITH THE SECURITIES AND EXCHANGE COMMISSION, AND THE CURRENT PROCEDURES OF DTC TO BE FOLLOWED IN DEALING WITH DTC PARTICIPANTS ARE ON FILE WITH DTC.**

## **SECURITY FOR THE BONDS**

### **General**

THE BONDS ARE SPECIAL, LIMITED OBLIGATIONS OF THE CITY PAYABLE SOLELY FROM THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. THE BONDS DO NOT GIVE RISE TO A CHARGE AGAINST THE GENERAL CREDIT OR TAXING POWER OF THE CITY AND ARE PAYABLE SOLELY FROM THE SOURCES IDENTIFIED IN THE INDENTURE. THE OWNERS OF THE BONDS SHALL NEVER HAVE THE RIGHT TO DEMAND PAYMENT THEREOF OUT OF MONEY RAISED OR TO BE RAISED BY TAXATION, OR OUT OF ANY FUNDS OF THE CITY OTHER THAN THE PLEDGED REVENUES, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. NO OWNER OF THE BONDS SHALL HAVE THE RIGHT TO DEMAND ANY EXERCISE OF THE CITY'S TAXING POWER TO PAY THE PRINCIPAL OF THE BONDS OR THE INTEREST OR REDEMPTION PREMIUM, IF ANY, THEREON. THE CITY SHALL HAVE NO LEGAL OR MORAL OBLIGATION TO PAY THE BONDS OUT OF ANY FUNDS OF THE CITY OTHER THAN THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE.

The principal of, premium, if any, and interest on the Bonds are secured by a pledge of and a lien upon the Trust Estate, consisting primarily of the pledged revenues (the "Pledged Revenues") which consist of the Assessments levied against the assessable parcels or lots within the Major Improvement Area of the District and other funds comprising the Trust Estate, all to the extent and upon the conditions described herein and in the Indenture. In accordance with the PID Act and in connection with the issuance of the Refunded Bonds, the City caused the preparation of a service and assessment plan (the "Initial Service and Assessment Plan") at the time of the levy of Assessments on property within the Major Improvement Area of the District. Such Initial Service and Assessment Plan has been amended and restated in connection with the issuance of Local NIA Bonds within the District, and updated annually since its initial adoption. The City is expected to approve an updated assessment plan in connection with the issuance of the Bonds (the Initial Service and Assessment Plan, as amended, restated, updated and supplemented, referred to herein as the "Service and Assessment Plan"). The Service Assessment Plan describes the special benefit received by the assessed property within the Major Improvement Area of the District (the "Assessed Property"), provides the basis and justification for the determination of special benefit to the Assessed Property, and establishes the methodology for the levy of Assessments. The Service and Assessment Plan is reviewed and updated at least annually for the purpose of determining the annual budget for improvements and the Annual Installments (as defined below) of Assessments due in a given year. The determination by the City of the assessment methodology set forth in the Service and Assessment Plan is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on all current and future landowners within the District. See "APPENDIX B — Service and Assessment Plan."

### **Pledged Revenues**

The City is authorized by the PID Act, the Assessment Ordinance and other provisions of law to finance the Major Improvement Area Improvements by levying Assessments upon properties in the Major Improvement Area the District benefitted thereby. For a description of the assessment methodology and the amounts of Assessments levied in the Major Improvement Area in the District, see "ASSESSMENT PROCEDURES" and "APPENDIX B — Service and Assessment Plan."

Pursuant to the Indenture, Pledged Revenues are the sum of (i) Assessment Revenue less the Administrative Expenses and (ii) any additional revenues that the City may pledge to the payment of Bonds. "Assessment Revenue" means moneys collected by or on behalf of the City from any one or more of the following: (i) an Assessment levied against a parcel of Assessed Property (an "Assessed Parcel"), or Annual Installment payment thereof, including any interest on such Assessment or Annual Installment thereof during any period of delinquency, (ii) a Prepayment, and (iii) Foreclosure Proceeds. "Annual Installments" means, with respect to each Assessed Parcel, each annual payment of the Assessments as shown on the Assessment Roll attached to the Service and Assessment Plan as Appendix F (the "Assessment Roll") and related to the Bonds and the Major Improvement Area Improvements; which annual payment includes the Administrative Expenses and 0.50% additional interest rate that may be collected on each annual payment of the Assessments related to the Bonds for the Additional Interest Reserve Account (the "Additional Interest Component"), if any, as described in the Indenture and as defined and calculated in the Service and Assessment Plan

or in any Annual Service Plan Update. The City has covenanted in the Indenture that it will take and pursue all actions permissible under Applicable Laws to cause the Assessments to be collected and the liens thereof to be enforced continuously. See “SECURITY FOR THE BONDS — Pledged Revenue Fund.” See also “APPENDIX A — Form of Indenture” and “APPENDIX B —Service and Assessment Plan.”

The PID Act provides that the Assessments (including any reassessment, with interest, the expense of collection and reasonable attorney’s fees, if incurred) are a first and prior lien (the “Assessment Lien”) against the property assessed, superior to all other liens or claims, except liens and claims for State, county, school district, or municipality ad valorem taxes and are a personal liability of and charge against the owners of property, regardless of whether the owners are named, and runs with the land. Pursuant to the PID Act, the Assessment Lien is effective from the date of the Assessment Ordinance until the Assessments are paid (or otherwise discharged), and is enforceable by the City Council in the same manner that an ad valorem property tax levied against real property may be enforced by the City Council. See “ASSESSMENT PROCEDURES” herein.

### **TIRZ Revenues May Reduce Assessments**

The Assessments levied by the City according to the Assessment Ordinance and described in the Service and Assessment Plan are set at a level sufficient to fund a portion of the costs of the Major Improvement Area Improvements. The City adopted a tax increment reinvestment zone project and finance plan (the “TIRZ Project and Finance Plan”) and created City of Celina Tax Increment Reinvestment Zone No. 8 (the “TIRZ”) pursuant to Chapter 311, Texas Tax Code, as amended (the “TIRZ Act”), which TIRZ is coterminous with the boundaries of the District. Pursuant to the TIRZ Act, the tax increment base of the City is the total taxable value of all real property taxable by the City located in the TIRZ as of January 1 the year in which the TIRZ was designated as a reinvestment zone (the “Tax Increment Base”). Pursuant to the TIRZ Act, the City has set the amount of the “Tax Increment” for a year as 7.76% of property taxes levied, assessed, and collected by the City for that year on the Captured Appraised Value in the Major Improvement Area of the District taxable by the City. Consistent with Section 311.012(b) of the TIRZ Act, the Captured Appraised Value of real property taxable by the City for a year is the total appraised value of all real property taxable by the City and located in the TIRZ for that year less the Tax Increment Base (the “Captured Appraised Value”). Currently, there are no other taxing units participating in the TIRZ.

Pursuant to the TIRZ Project and Finance Plan and the Service and Assessment Plan, the City intends to dedicate annual Tax Increment revenues collected to that portion of the costs of the Major Improvement Area Improvements on a parcel-by-parcel basis. The City will agree to transfer from the tax increment fund a portion of Tax Increment revenue collected each year to the Principal and Interest Account of the Bond Fund for the payment of debt service on the Bonds. Such Tax Increment revenue, if and when collected and transferred by the City, will be used to pay that portion of the principal of and interest on the Bonds or other bonds issued by the City attributable to such portion of the costs of the Major Improvement Area Improvements (such payment, a “TIRZ Credit”). Any amount of such Tax Increment revenue used to pay principal of and interest on the Bonds will result in a reduction in Annual Installments of Assessments by a corresponding amount. The City intends to dedicate and deposit Tax Increment revenues collected through fiscal year 2043 in the tax increment fund for payment of debt service on the Bonds through fiscal year 2045. On an annual basis, any remaining tax increment fund balance after paying all items required under the TIRZ Project and Finance Plan will be release to the City’s general fund.

THE TIRZ REVENUES, IF AVAILABLE, WILL NOT BE PLEDGED TO THE PAYMENT OF THE BONDS, AND THERE IS NO GUARANTEE THAT THERE WILL EVER BE SUFFICIENT TIRZ REVENUES TO GENERATE A TIRZ CREDIT. THE TIRZ CREDIT WILL NOT BE APPLIED IN ANY MANNER THAT WOULD AFFECT THE COLLECTION AND CONTINUOUS ENFORCEMENT OF ASSESSMENTS COLLECTED FOR THE PAYMENT OF DEBT SERVICE ON THE BONDS AND ADMINISTRATIVE EXPENSES AND THE FUNDING OF THE ADDITIONAL INTEREST RESERVE REQUIREMENT, IN THE MANNER AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAWS.

### **Collection and Deposit of Assessments**

The Assessments shown on the Assessment Roll, together with the interest thereon, shall be applied to the payment of the principal of and interest on the Bonds as and to the extent provided in the Service and Assessment Plan and the Indenture.

The Assessments assessed to pay debt service on the Bonds, together with interest thereon, are payable in Annual Installments established by the Assessment Ordinance and the Service and Assessment Plan to correspond, as nearly as practicable, to the debt service requirements for the Bonds. An Annual Installment of an Assessment has been made payable in the Assessment Ordinance in each fiscal year of the City preceding the date of final maturity of the Bonds which, if collected, will be sufficient to first pay debt service requirements attributable to Assessments in the Service and Assessment Plan. Each Annual Installment is payable as provided in the Service and Assessment Plan and the Assessment Ordinance.

A record of the Assessments on each parcel, tract or lot which are to be collected in each year during the term of the Bonds is shown on the Assessment Roll. Sums received from the collection of the Assessments to pay the debt service requirements (including delinquent installments, Foreclosure Proceeds and penalties) and of the interest thereon shall be deposited into the Bond Pledged Revenue Account of the Pledged Revenue Fund. Notwithstanding the foregoing, the Trustee shall deposit Foreclosure Proceeds to the Pledged Revenue Fund and as soon as practicable after such deposit shall transfer Foreclosure Proceeds first, to the Reserve Account of the Reserve Fund to restore any transfers from the Reserve Account made with respect to the Assessed Parcel or Assessed Parcels to which the Foreclosure Proceeds relate, second, to the Additional Interest Reserve Account to restore any transfers from the Additional Interest Reserve Account made with respect to the Assessed Parcel(s) to which the Foreclosure Proceeds relate, and third, to the Redemption Fund. The Trustee shall deposit Prepayments to the Pledged Revenue Fund and as soon as practicable after such deposit shall transfer such Prepayments to the Redemption Fund. See "SECURITY FOR THE BONDS — Pledged Revenue Fund" and APPENDIX A — Form of Indenture.

The portions of the Annual Installments of Assessments collected to pay Administrative Expenses and Delinquent Collection Costs shall be deposited in the Administrative Fund and shall not constitute Pledged Revenues.

#### **Unconditional Levy of Assessments**

The City has imposed Assessments on the property within the District to pay the principal of and interest on the Bonds scheduled for payment from Pledged Revenues as described in the Indenture and in the Service and Assessment Plan and coming due during each fiscal year. The Assessments were effective on the date of, and strictly in accordance with the terms of, the Assessment Ordinance. Each Assessment may be paid immediately in full or in periodic Annual Installments over a period of time equal to the term of the Bonds, which installments shall include interest on the Assessments. Pursuant to the Assessment Ordinance, interest on the Assessments will be calculated at the rate of interest on the Bonds plus 0.50% if the Additional Interest Component is being collected, calculated on the basis of a 360-day year of twelve 30-day months. Such rate may be adjusted as described in the Service and Assessment Plan. Each Annual Installment, including the interest on the unpaid amount of an Assessment, shall be billed on or about October 1 of each year. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of the following year.

As authorized by Section 372.018(b) of the PID Act, the City will calculate and collect each year while the Bonds are Outstanding and unpaid an assessment to pay the Administrative Expenses incurred by the City in the administration and operation of the District. The portion of each Annual Installment used to pay such Administrative Expenses shall remain in effect from year to year until all Bonds are finally paid or until the City adjusts the amount of the levy after an annual review in any year pursuant to Section 372.013 of the PID Act. The assessments to pay Administrative Expenses shall be billed on October 1 of each year and shall be delinquent if not paid by February 1 of the following year. Such portion of the Annual Installments collected to pay Administrative Expenses do not secure repayment of the Bonds.

There will be no discount for the early payment of Assessments.

Assessments, together with interest, penalties, and expense of collection and reasonable attorneys' fees, as permitted by the Texas Tax Code, shall be a first and prior lien against the property assessed, superior to all other liens and claims, except liens or claims for State, county, school district or municipality ad valorem taxes and shall be a personal liability of and charge against the owner of the property regardless of whether the owners are named and runs with the land. The lien for Assessments and penalties and interest began on the effective date of the Assessment Ordinance and continues until the Assessments are paid or until all Bonds are finally paid.

Failure to pay an Annual Installment when due will not accelerate the payment of the remaining Annual Installments of the Assessments and such remaining Annual Installments (including interest) shall continue to be due and payable at the same time and in the same amount and manner as if such default had not occurred.

### **Perfected Security Interest**

The lien on and pledge of the Trust Estate shall be valid and binding and fully perfected from and after the Closing Date, without physical delivery or transfer of control of the Trust Estate, the filing of the Indenture or any other act; all as provided in Texas Government Code, Chapter 1208, as amended, which applies to the issuance of the Bonds and the pledge of the Trust Estate granted by the City under the Indenture, and such pledge is therefore valid, effective and perfected from and after the Closing Date. If Texas law is amended at any time while the Bonds are Outstanding such that the pledge of the Trust Estate granted by the City under the Indenture is to be subject to the filing requirements of Texas Business and Commerce Code, Chapter 9, as amended, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Texas Business and Commerce Code, Chapter 9, as amended, and enable a filing to perfect the security interest in said pledge to occur. See “APPENDIX A — Form of Indenture.”

### **Pledged Revenue Fund**

The City has created under the Indenture a Pledged Revenue Fund to be held by the Trustee. On or before February 15 of each year while the Bonds are Outstanding and beginning February 15, 2025, the City shall deposit or cause to be deposited the Pledged Revenues into the Pledged Revenue Fund. Specifically, the City shall deposit or cause to be deposited Pledged Revenues (i) first, to the Bond Pledged Revenue Account of the Pledged Revenue Fund in an amount sufficient to pay debt service on the Bonds next coming due in such calendar year, (ii) second, to the Reserve Account of the Reserve Fund in an amount to cause the amount in the Reserve Account to equal the Reserve Account Requirement in accordance with the Indenture, (iii) third, to the Additional Interest Reserve Account in an amount equal to the Additional Interest collected, if any, in accordance with the Indenture, and (iv) fourth, to pay other costs permitted by the PID Act.

From time to time as needed to pay the obligations relating to the Bonds, but no later than five (5) Business Days before each Interest Payment Date, the Trustee shall withdraw from the Bond Pledged Revenue Account of the Pledged Revenue Fund and transfer to the Principal and Interest Account of the Bond Fund, an amount, taking into account any amounts then on deposit in the Principal and Interest Account of the Bond Fund, such that the amount on deposit in the Principal and Interest Account of the Bond Fund equals the principal (including any Sinking Fund Installments) and interest due on the Bonds on the next Interest Payment Date.

If, after the foregoing transfers and any transfer from an Account within the Reserve Fund as provided in the Indenture, there are insufficient funds to make the payments provided in the Indenture, the Trustee shall apply the available funds in the Principal and Interest Account of the Bond Fund first to the payment of interest, and, then to the payment of principal (including any Sinking Fund Installments) on the Bonds.

Notwithstanding the deposits described in (i)-(iv) above, the Trustee shall deposit Prepayments to the Pledged Revenue Fund and as soon as practicable after such deposit shall transfer such Prepayments to the Redemption Fund.

Notwithstanding the deposits described in (i)-(iv) above, the Trustee shall deposit Foreclosure Proceeds to the Pledged Revenue Fund and as soon as practicable after such deposit shall transfer Foreclosure Proceeds first to the Reserve Account to restore any transfers from the Reserve Account made with respect to the Assessed Parcel(s) to which the Foreclosure Proceeds relate, second, to the Additional Interest Reserve Account to restore any transfers from the Additional Interest Reserve Account made with respect to the Assessed Parcel(s) to which the Foreclosure Proceeds relate, and third, to the Redemption Fund.

After satisfaction of the requirement to provide for the payment of the principal and interest on the Bonds and to fund any deficiency that may exist in an Account of the Reserve Fund, the Trustee, at the direction of the City by City Certificate, may apply Assessments for any lawful purposes permitted by the PID Act for which Assessments

may be paid, including making transfers to the Redemption Fund to redeem Bonds in accordance with the terms of the Indenture.

Any Pledged Revenues remaining after satisfying the foregoing payments shall be applied by the Trustee, as instructed by the City pursuant to a City Certificate, for any lawful purpose permitted by the PID Act for which such additional Pledged Revenues may be used, including transfers to other Funds and Accounts created pursuant to the Indenture.

### **Bond Fund**

On each Interest Payment Date, the Trustee shall withdraw from the Principal and Interest Account of the Bond Fund and transfer to the Paying Agent/Registrar the principal (including any Sinking Fund Installments) and/or interest then due and payable on the Bonds as provided in the Indenture.

If amounts in the Bond Fund are insufficient for the purposes set forth in the paragraph above, the Trustee shall withdraw from the Reserve Fund amounts to cover the amount of such insufficiency in accordance with the Indenture. Amounts so withdrawn from the Reserve Fund shall be deposited in the Principal and Interest Account of the Bond Fund and transferred to the Paying Agent/Registrar.

### **Project Fund**

Money on deposit in the Project Fund shall be used for the defeasance of the Refunded Bonds and to pay the costs of issuance of the Bonds, as specified in the Indenture.

Pursuant to the Indenture, a Bond Proceeds Account will be created within the Project Fund and held by the Trustee for the benefit of the Bonds. On the Closing Date, the funds in the Bond Proceeds Account shall be immediately transferred to the Paying Agent for the Refunded Bonds to be applied towards the redemption of the Refunded Bonds.

### **Reserve Fund**

Pursuant to the Indenture, a Reserve Account and an Additional Interest Reserve Account will be created within the Reserve Fund for the benefit of the Owners of the Bonds and held by the Trustee.

The Reserve Account of the Reserve Fund will be funded in the amount of the Reserve Account Requirement. Pursuant to the Indenture, the "Reserve Account Requirement" means 50% of the Maximum Annual Debt Service of the Bonds as of the date of issuance; provided, however, that such amount shall be reduced by the amount of any transfers made in connection with the redemption of Bonds due to Prepayments pursuant to the Indenture; and provided further that as a result of an optional redemption pursuant to the Indenture or an extraordinary optional redemption pursuant to the Indenture, the Reserve Account Requirement shall be reduced by a percentage equal to the pro rata principal amount of Bonds redeemed by such redemption compared to the total principal amount of the Outstanding Bonds prior to such redemption or as otherwise provided in a City Certificate delivered in connection with the redemption of such Bonds, which amount may be funded with cash or Investment Securities. Upon initial delivery of the Bonds, the Reserve Account Requirement will be funded from Bond proceeds or cash available for such purpose.

At the Closing Date, the Additional Interest Reserve Account shall be funded as set forth in the Indenture in an amount equal to the Additional Interest Reserve Requirement. "Additional Interest Reserve Requirement" means an amount equal to \$\_\_\_\_\_ (or such lesser amount that may be identified in a City Certificate pursuant to the Indenture), which will initially be funded in full at the Closing Date, and, if necessary, will thereafter be funded from Additional Interest, if collected, to be deposited to the Pledged Revenue Fund and transferred to the Additional Interest Reserve Account in accordance with provisions of the Indenture.

If the amount on deposit in the Additional Interest Reserve Account shall at any time, be less than the Additional Interest Reserve Requirement, the Trustee shall notify the City, in writing, of the amount of such shortfall, and the City shall file a City Certificate with the Trustee instructing the Trustee to transfer from the Bond Pledged

Revenue Account to the Additional Interest Reserve Account on March 1 and September 1 of each year, an amount equal to the Additional Interest collected, if any, until the Additional Interest Reserve Requirement has been accumulated in the Additional Interest Reserve Account. If, after such deposits, there is surplus Additional Interest remaining in excess of the Additional Interest Reserve Requirement, the Trustee shall transfer such surplus Additional Interest to the Redemption Fund, and shall notify the City of such transfer in writing. Notwithstanding the foregoing, the City shall not be required to replenish the Additional Interest Reserve Account in the event funds are transferred from the Additional Interest Reserve Account to the Redemption Fund as a result of an extraordinary optional redemption of Bonds from the proceeds of a Prepayment pursuant to the Indenture, and the Additional Interest Reserve Requirement shall be reduced, accordingly. In the event the Additional Interest Reserve Requirement is reduced in accordance with the above provisions, the City will notify the Trustee, by a City Certificate, of the new Additional Interest Reserve Requirement. In calculating the amounts to be transferred pursuant to the Indenture, the Trustee may conclusively rely on the Annual Installments as shown on the Assessment Roll in the Service and Assessment Plan or an Annual Service Plan Update, unless and until it receives a City Certificate directing that a different amount be used.

Whenever a transfer is made from an Account of the Reserve Fund to the Principal and Interest Account of the Bond Fund due to a deficiency in the Bond Fund, the Trustee shall provide written notice thereof to the City, specifying the amount withdrawn and the source of said funds.

Whenever Bonds are to be redeemed with the proceeds of Prepayments pursuant the Indenture, the Trustee shall transfer, on the Business Day prior to the redemption date (or on such other date as agreed to by the City and the Trustee), from the Reserve Account of the Reserve Fund to the Redemption Fund, an amount specified in a City Certificate to be applied to the redemption of the Bonds. The amount so transferred from the Reserve Account of the Reserve Fund shall be equal to the principal amount of the Bonds to be redeemed with such Prepayments multiplied by the lesser of: (i) the amount required to be in the Reserve Account of the Reserve Fund divided by the principal amount of Outstanding Bonds prior to the redemption, and (ii) the amount actually in the Reserve Account of the Reserve Fund divided by the principal amount of Outstanding Bonds prior to the redemption. If after such transfer, and after applying investment earnings on the Prepayment toward payment of accrued interest, there are insufficient funds in the Redemption Fund to pay the principal amount plus accrued and unpaid interest to the date fixed for redemption of the Bonds to be redeemed, as identified in a City Certificate, as a result of such Prepayment and as a result of the transfer from the Reserve Account as provided in this paragraph, the Trustee shall transfer an amount equal to the shortfall, and/or any additional amounts necessary to permit the Bonds to be redeemed in minimum principal amounts of \$1,000, from the Additional Interest Reserve Account to the Redemption Fund to be applied to the redemption of the Bonds.

Whenever, on any Interest Payment Date, or on any other date at the written request of a City Representative, the amount in the Reserve Account (including the value of the cash together with the value of any Investment Securities then on deposit in the Reserve Account) exceeds the Reserve Account Requirement, the Trustee shall provide written notice to the City Representative of the amount of the excess. Such excess shall be transferred to the Principal and Interest Account of the Bond Fund to be used for the payment of debt service on the Bonds on the next Interest Payment Date in accordance with the Indenture, unless within 30 days of such notice to the City Representative, the Trustee receives a City Certificate instructing the Trustee to apply such excess: (i) to pay amounts due as rebatable arbitrage, or (ii) for such other use specified in a City Certificate if the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that such alternate use will not adversely affect the exemption from federal income tax of the interest on the Bond.

Whenever, on any Interest Payment Date, the amount on deposit in the Principal and Interest Account of the Bond Fund is insufficient to pay the debt service on the Bonds due on such date, the Trustee shall transfer first, from the Additional Interest Reserve Account of the Reserve Fund to the Principal and Interest Account of the Bond Fund and, second, from the Reserve Account of the Reserve Fund to the Principal and Interest Account of the Bond Fund the amounts necessary to cure such deficiency.

At the final maturity of the Bonds, the amount on deposit in the Reserve Account and the Additional Interest Reserve Account shall be transferred to the Principal and Interest Account of the Bond Fund and applied to the payment of the principal of the Bonds.

If, after a Reserve Account withdrawal pursuant to the Indenture, the amount on deposit in the Reserve Account of the Reserve Fund is less than the Reserve Account Requirement, the Trustee shall transfer from the Pledged Revenue Fund to the Reserve Account of the Reserve Fund the amount of such deficiency, in accordance with the Indenture.

If the amount held in the Reserve Fund together with the amount held in the Bond Fund and Redemption Fund is sufficient to pay the principal amount of all Outstanding Bonds on the next Interest Payment Date, together with the unpaid interest accrued on such Outstanding Bonds as of such Interest Payment Date, the moneys shall be transferred to the Redemption Fund and thereafter used to redeem all Outstanding Bonds as of such Interest Payment Date.

### **Administrative Fund**

The City will create under the Indenture an Administrative Fund to be held by the Trustee. Upon receipt, the City shall transfer to the Trustee, for deposit to the Administrative Fund, the portion of the Annual Installment of Assessments allocated to the payment of Administrative Expenses and Delinquent Collection Costs as set forth in the Service and Assessment Plan. Moneys in the Administrative Fund may be used as directed by City Certificate for the purposes set forth in the Service and Assessment Plan, including payment of the Administrative Expenses and Delinquent Collection Costs. See “APPENDIX B — Service and Assessment Plan.”

### **THE ADMINISTRATIVE FUND IS NOT PART OF THE TRUST ESTATE AND IS NOT SECURITY FOR THE BONDS.**

### **Defeasance**

All Outstanding Bonds shall prior to the Stated Maturity or redemption date thereof be deemed to have been paid and to no longer be deemed Outstanding if (i) in case any such Bonds are to be redeemed on any date prior to their Stated Maturity, the Trustee shall have given notice of redemption on said date as provided in the Indenture, (ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Defeasance Securities the principal of and the interest on which when due will provide moneys which, together with any moneys deposited with the Trustee for such purpose, shall be sufficient to pay when due the principal of and interest on of the Bonds to become due on such Bonds on and prior to the redemption date or maturity date thereof, as the case may be, (iii) the Trustee shall have received a report by an independent certified public accountant or other authorized third-party selected by the City verifying the sufficiency of the moneys and/or Defeasance Securities deposited with the Trustee to pay when due the principal of and interest on of the Bonds to become due on such Bonds on and prior to the redemption date or maturity date thereof, as the case may be, and (iv) if the Bonds are then rated, the Trustee shall have received written confirmation from each rating agency, then publishing a rating on the Bonds, that such deposit will not result in the reduction or withdrawal of the rating on the Bonds. Neither Defeasance Securities nor moneys deposited with the Trustee pursuant to the Indenture nor principal or interest payments on any such Defeasance Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on the Bonds. Any cash received from such principal of and interest on such Defeasance Securities deposited with the Trustee, if not then needed for such purpose, shall, be reinvested in Defeasance Securities as directed in writing by the City maturing at times and in amounts sufficient to pay when due the principal of and interest on the Bonds on and prior to such redemption date or maturity date thereof, as the case may be. Any payment for Defeasance Securities purchased for the purpose of reinvesting cash as aforesaid shall be made only against delivery of such Defeasance Securities.

“Defeasance Securities” means Investment Securities then authorized by applicable law for the investment of funds to defease public securities. “Investment Securities” means those authorized investments described in the Public Funds Investment Act, Chapter 2256, Texas Government Code, as amended (the “PFIA”); and provided further investments and are, at the time made, included in and authorized by the City’s official investment policy as approved by the City Council from time to time. Under current State law, Investment Securities that are authorized for the investment of funds to defease public securities are (a) direct, noncallable obligations of the United States of America, including obligations that are unconditionally guaranteed by the United States of America; (b) noncallable obligations of an agency or instrumentality of the United States, including obligations that are unconditionally guaranteed or insured by the agency or instrumentality, and that, on the date the governing body of the City adopts or approves the

proceedings authorizing the issuance of refunding bonds, are rated as to investment quality by a nationally recognized investment rating firm not less than “AAA” or its equivalent; and (c) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on the date the governing body of the City adopts or approves the proceedings authorizing the issuance of refunding bonds, are rated as to investment quality by a nationally recognized investment rating firm not less than “AAA” or its equivalent.

There is no assurance that the current law will not be changed in a manner which would permit investments other than those described above to be made with amounts deposited to defease the Bonds. Because the Indenture does not contractually limit such investments, Owners may be deemed to have consented to defeasance with such other investments, notwithstanding the fact that such investments may not be of the same investment quality as those currently permitted under State law. There is no assurance that the ratings for U.S. Treasury securities used as Defeasance Securities or that for any other Defeasance Security will be maintained at any particular rating category.

### **Events of Default**

Each of the following occurrences or events constitutes an “Event of Default” under the Indenture:

- i. The failure of the City to deposit the Pledged Revenues to the Bond Pledged Revenue Account of the Pledged Revenue Fund;
- ii. The failure of the City to enforce the collection of the Assessments including the prosecution of foreclosure proceedings;
- iii. The failure to make payment of the principal of or interest on any of the Bonds when the same becomes due and payable and such failure is not remedied within 30 days; provided however that the payments are to be made only from Pledged Revenues or other funds currently available in the Pledged Funds and available to the City to make such payments; and
- iv. Default in the performance or observance of any covenant, agreement or obligation of the City under the Indenture and the continuation thereof for a period of 90 days after written notice to the City by the Trustee, or by the Owners of at least 25% of the aggregate Outstanding principal of the Bonds with a copy to the Trustee, specifying such default and requesting that the failure be remedied.

Nothing in (i)-(iv) above will be an Event of Default if such provision is in violation of any applicable federal or state law or court order.

### **Remedies in Event of Default**

Subject to the Indenture, upon the happening and continuance of any of the Events of Default described in the Indenture the Trustee may, and at the written direction of the Owners of at least 25% of the Bonds then Outstanding and its receipt of indemnity satisfactory to it, shall proceed against the City for the purpose of protecting and enforcing the rights of the Owners under the Indenture, by action seeking mandamus or by other suit, action, or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief to the extent permitted by Applicable Laws, including, but not limited to, the specific performance of any covenant or agreement contained in the Indenture, or injunction; provided, however, that no action for money damages against the City may be sought or shall be permitted. The Trustee retains the right to obtain the advice of counsel in its exercise of remedies of default.

**THE PRINCIPAL OF AND INTEREST ON THE BONDS, AS APPLICABLE, SHALL NOT BE SUBJECT TO ACCELERATION UNDER ANY CIRCUMSTANCES.**

If the assets of the Trust Estate are sufficient to pay all amounts due with respect to Outstanding Bonds, in the selection of Trust Estate assets to be used in the payment of Bonds due under the Indenture, the City shall determine, in its absolute discretion, and shall instruct the Trustee by City Certificate, which Trust Estate assets shall be applied to such payment and shall not be liable to any Owner or other Person by reason of such selection and application. In the event that the City shall fail to deliver to the Trustee such City Certificate, the Trustee shall select

and liquidate or sell Trust Estate assets as provided in the following paragraph, and shall not be liable to any Owner, or other Person, or the City by reason of such selection, liquidation or sale.

Whenever moneys are to be applied pursuant to the Indenture, irrespective of and whether other remedies authorized under the Indenture shall have been pursued in whole or in part, the Trustee may cause any or all of the assets of the Trust Estate, including Investment Securities, to be sold. The Trustee may so sell the assets of the Trust Estate and all right, title, interest, claim and demand thereto and the right of redemption thereof, in one or more parts, at any such place or places, and at such time or times and upon such notice and terms as the Trustee may deem appropriate and as may be required by law and apply the proceeds thereof in accordance with the provisions of the Indenture. Upon such sale, the Trustee may make and deliver to the purchaser or purchasers a good and sufficient assignment or conveyance for the same, which sale shall be a perpetual bar both at law and in equity against the City, and all other Persons claiming such properties. No purchaser at any sale shall be bound to see to the application of the purchase money proceeds thereof or to inquire as to the authorization, necessity, expediency, or regularity of any such sale. Nevertheless, if so requested by the Trustee, the City shall ratify and confirm any sale or sales by executing and delivering to the Trustee or to such purchaser or purchasers all such instruments as may be necessary or, in the judgment of the Trustee, proper for the purpose which may be designated in such request.

### **Restriction on Owner's Actions**

No Owner shall have any right to institute any action, suit or proceeding at law or in equity for the enforcement of the Indenture or for the execution of any trust thereof or any other remedy under the Indenture, unless (i) a default has occurred and is continuing of which the Trustee has been notified in writing, (ii) such default has become an Event of Default and the Owners of at least 25% of the aggregate principal amount of the Bonds then Outstanding have made written request to the Trustee and offered it reasonable opportunity either to proceed to exercise the powers granted in the Indenture or to institute such action, suit or proceeding in its own name, (iii) the Owners have furnished to the Trustee indemnity as provided in the Indenture, (iv) the Trustee has for 90 days after such notice failed or refused to exercise the powers granted in the Indenture, or to institute such action, suit, or proceeding in its own name, (v) no direction inconsistent with such written request has been given to the Trustee during such 90-day period by the Owners of at least a majority of the aggregate principal amount of the Bonds then Outstanding, and (vi) notice of such action, suit, or proceeding is given to the Trustee; however, no one or more Owners of the Bonds shall have any right in any manner whatsoever to affect, disturb, or prejudice the Indenture by its, his or their action or to enforce any right under the Indenture except in the manner provided in the Indenture, and that all proceedings at law or in equity shall be instituted and maintained in the manner provided in the Indenture and for the equal benefit of the Owners of all Bonds then Outstanding. The notification, request and furnishing of indemnity set forth above shall, at the option of the Trustee, be conditions precedent to the execution of the powers and trusts of the Indenture and to any action or cause of action for the enforcement of the Indenture or for any other remedy under the Indenture.

Subject to the Indenture, nothing in the Indenture shall affect or impair the right of any Owner to enforce, by action at law, payment of any Bond at and after the maturity thereof, or on the date fixed for redemption or the obligation of the City to pay each Bond issued under the Indenture to the respective Owners thereof at the time and place, from the source and in the manner expressed in the Indenture and in the Bonds.

In case the Trustee or any Owners shall have proceeded to enforce any right under the Indenture and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or any Owners, then and in every such case the City, the Trustee and the Owners shall be restored to their former positions and rights under the Indenture, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

### **Application of Revenues and Other Moneys After Event of Default**

All moneys, securities, funds and Pledged Revenues and other assets of the Trust Estate and the income therefrom received by the Trustee pursuant to any right given or action taken under the provisions of the Indenture shall, after payment of the cost and expenses of the proceedings resulting in the collection of such amounts, the expenses (including its counsel), liabilities, and advances incurred or made by the Trustee and the fees of the Trustee in carrying out the Indenture, during the continuance of an Event of Default, notwithstanding the provisions above, be

applied by the Trustee, on behalf of the City, to the payment of interest, and principal or Redemption Price then due on Bonds, as follows:

FIRST: To the payment to the Owners entitled thereto all installments of interest then due in the direct order of maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the Owners entitled thereto, without any discrimination or preference; and

SECOND: To the payment to the Owners entitled thereto of the unpaid principal of Outstanding Bonds, or Redemption Price of any Bonds which shall have become due, whether at maturity or by call for redemption, in the direct order of their due dates and, if the amounts available shall not be sufficient to pay in full all the Bonds due on any date, then to the payment thereof ratably, according to the amounts of principal due and to the Owners entitled thereto, without any discrimination or preference.

Within ten (10) days of receipt of such good and available funds, the Trustee may fix a record and payment date for any payment to be made to Owners.

In the event funds are not adequate to cure any of the Events of Default described above, the available funds shall be allocated to the Bonds that are Outstanding in proportion to the quantity of Bonds that are currently due and in default under the terms of the Indenture.

The restoration of the City to its prior position after any and all defaults have been cured, as provided above, shall not extend to or affect any subsequent default under the Indenture or impair any right consequent thereon.

#### **Investment or Deposit of Funds**

Money in any Fund or Account established pursuant to the Indenture shall be invested by the Trustee as directed by the City pursuant to a City Certificate filed with the Trustee at least two (2) days in advance of the making of such investment. The money in any Fund or Account shall be invested (i) in time deposits or certificates of deposit secured in the manner required by law for public funds, (ii) in direct obligations of, including obligations the principal and interest on which are unconditionally guaranteed by, the United States of America, (iii) in obligations of any agencies or instrumentalities thereof, or (iv) in such other investments as are permitted under the Public Funds Investment Act, Texas Government Code, Chapter 2256, as amended, or any successor law, as in effect from time to time; provided that all such deposits and investments shall be directed by the City to be made in such manner (which may include repurchase agreements for such investment with any primary dealer of such agreements) that the money required to be expended from any Fund will be available at the proper time or times. Such investments shall be valued each year in terms of current market value as of September 30. Notwithstanding the preceding sentences, amounts in the Additional Interest Reserve Account may not be invested above the Yield (as defined in the Indenture) on the Bonds, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that such investment and/or the failure to comply with such yield restriction will not adversely affect the exemption from federal income tax of the interest on any Bond. For purposes of maximizing investment returns, to the extent permitted by law, money in such Funds or Accounts may be invested in common investments of the kind described above, or in a common pool of such investment which shall be kept and held at an official depository bank, which shall not be deemed to be or constitute a commingling of such money or funds provided that safekeeping receipts or certificates of participation clearly evidencing the investment or investment pool in which such money is invested and the share thereof purchased with such money or owned by such Fund or Account are held by or on behalf of each such Fund or Account. If necessary, upon written direction by the City to the Trustee, such investments shall be promptly sold to prevent any default.

Obligations purchased as an investment of moneys in any Fund or Account shall be deemed to be part of such Fund or Account, subject, however, to the requirements of the Indenture for transfer of interest earnings and profits resulting from investment of amounts in Funds and Accounts. Whenever in the Indenture any moneys are required to be transferred by the City to the Trustee, such transfer may be accomplished by transferring a like amount of Investment Securities.

If, following an annual calculation of the Rebate Amount in accordance with the Indenture, it is determined that a Rebate Amount is owed with respect to the Bonds, the City shall direct the Trustee, pursuant to a City Certificate, to transfer to the Rebate Fund an amount equal to the Rebate Amount owed by the City from investment earnings derived from the investment of the amount on deposit in Pledged Funds. The City Certificate shall specify the amount to be transferred and identify the Pledged Fund or Pledged Funds from which the investment earnings shall be transferred.

### **Against Encumbrances**

Other than bonds issued to refund all or a portion of the Bonds, the City shall not create and, to the extent Pledged Revenues are received, shall not suffer to remain, any lien, encumbrance or charge upon the Trust Estate, other than that specified in the Indenture, or upon any other property pledged under the Indenture, except the pledge created for the security of the Bonds, and other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds.

So long as Bonds are Outstanding under the Indenture, and except as set forth under “— Additional Obligations,” the City shall not issue any bonds, notes or other evidences of indebtedness other than the Bonds and bonds issued to refund all or a portion of the Bonds secured by any pledge of or other lien or charge on the Trust Estate or other property pledged under the Indenture, other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds.

### **Additional Obligations**

The City reserves the right, subject to the provisions contained in the Indenture, to issue Additional Obligations under other indentures, assessment ordinances, or similar agreements or other obligations which do not constitute or create a lien on any portion of the Trust Estate and are not payable from Pledged Revenues or any other portion of the Trust Estate. Additionally, the City has reserved the right to issue bonds or other obligations secured by and payable from Pledged Revenues or assessments levied against the Assessed Property so long as such pledge is subordinate to the pledge of Pledged Revenues securing payment of the Bonds.

Other than bonds issued to refund all or a portion of the Bonds, the City will not create or voluntarily permit to be created any debt, lien or charge on the Trust Estate, and will not do or omit to do or suffer to be or omitted to be done any matter or things whatsoever whereby the lien of the Indenture or the priority of the Indenture might or could be lost or impaired.

Notwithstanding any contrary provision of the Indenture, the City shall not issue additional bonds, notes or other obligations under the Indenture, secured by any pledge of or other lien or charge on the Trust Estate, other than refunding bonds. The City reserves the right to issue refunding bonds, the proceeds of which would be utilized to refund all or any portion of the Outstanding Bonds or Outstanding refunding bonds and to pay all costs incident to the refunding bonds, as authorized by the laws of the State. In addition, the City reserves the right to issue Additional Obligations as described below, which additional obligations will not be secured by the Trust Estate.

Notwithstanding anything to the contrary in the Indenture, no bond issued to refund all or a portion of the Bonds or the subordinate obligations described in the first paragraph above may be issued by the City unless: (1) the principal (including any principal amounts to be redeemed on a mandatory sinking fund redemption date) of such refunding bonds or subordinate obligations are scheduled to mature on September 1 of the years in which principal is scheduled to mature, and (2) the interest on such refunding bonds or subordinate obligations is scheduled to be paid on March 1 and September 1 of the years in which interest is scheduled to be paid.

## OVERLAPPING TAXES AND DEBT

### Overlapping Taxes

The land within Major Improvement Area of the District has been, and is expected to continue to be, subject to taxes and assessments imposed by taxing entities other than the City. Such taxes are payable in addition to the Assessments levied by the City.

In addition to the taxes and assessments described above, each lot owner in Major Improvement Area of the District will pay \$550 in the form of an annual maintenance and operation fee and/or a property owner's association fee to the homeowner's association for the property within the District (the "HOA"), which homeowner's association has been formed. In addition to the City, Denton County, Texas, and the Prosper Independent School District may each levy ad valorem taxes upon land in Major Improvement Area of the District for payment of debt incurred by such governmental entities and/or for payment of maintenance and operations expenses. The City has no control over the level of ad valorem taxes or special assessments levied by such other taxing authorities. The following table reflects the overlapping ad valorem tax rates currently levied on property located in Major Improvement Area of the District. The District is located within the boundaries of the City.

### ASSESSMENT PROCEDURES

#### General

Capitalized terms under this caption and not otherwise defined in the Official Statement shall have the meanings given to such terms in the Service and Assessment Plan. As required by the PID Act and in connection with the issuance of the Refunded Bonds, the City adopted a resolution generally describing the Major Improvement Area Improvements and the land within the Major Improvement Area of the District to be subject to Assessments to pay the costs therefor. The City caused an assessment roll to be prepared for the Major Improvement Area of the District (the “Assessment Roll”), which Assessment Roll showed the land within the Major Improvement Area of the District to be assessed, the amount of the benefit to and the Assessment against each lot or parcel of land and the number of Annual Installments in which the Assessment is divided. Statutory notice was given to the owners of the property to be assessed and a public hearing was conducted to hear testimony from affected property owners as to the propriety and advisability of undertaking the Major Improvement Area Improvements and funding the same with Assessments. Following the hearing, the City levied the Assessments and adopted the Assessment Ordinance. Following such adoption, the Assessments became legal, valid and binding liens upon the property against which the Assessments are made. The Assessment Roll was filed with the City Secretary and made available for public inspection. The City is expected to update the Service and Assessment Plan in connection with the issuance of the Bonds. See “APPENDIX B — Service and Assessment Plan.”

Under the PID Act, the Actual Costs of Major Improvement Area Improvements may be assessed by the City against the assessable property in the Major Improvement Area of the District so long as the special benefit conferred upon the Assessed Property by the Major Improvement Area Improvements equals or exceeds the Assessments. The costs of the Major Improvement Area Improvements may be assessed using any methodology that results in the imposition of equal shares of cost on Assessed Property similarly benefited. The allocation of benefits and

assessments to the benefitted land within the Major Improvement Area of the District is presented in the Service and Assessment Plan, which should be read in its entirety. See “APPENDIX B — Service and Assessment Plan.”

### **Assessment Methodology**

The Service and Assessment Plan describes the special benefit to be received by each parcel of Assessed Property as a result of the Major Improvement Area Improvements, provides the basis and justification for the determination that such special benefit exceeds the Assessments that were or will be levied, and establishes the methodology by which the City allocates the special benefit of the Major Improvement Area Improvements to parcels in a manner that results in equal shares of costs being apportioned to parcels similarly benefited. As set forth in the Service and Assessment Plan, the City Council has determined that the Actual Costs (as defined in the Service Assessment Plan) associated with the Major Improvement Area Improvements have been allocated to the Assessed Parcels in Major Improvement Area by spreading the entire Assessment across all Parcels and Lots within Major Improvement Area on the ratio of estimated build-out value of each Parcel or Lot to the estimated build-out value to for all Parcels or Lots within the Major Improvement Area.

For further explanation of the Assessment methodology, see “APPENDIX B —Service and Assessment Plan.”

The City has determined that the foregoing method of allocation will result in the imposition of equal shares of the Assessments on parcels similarly situated within the Major Improvement Area of the District. The Assessments and interest thereon are expected to be paid in Annual Installments as described above. The determination by the City of the assessment methodology set forth in the Service and Assessment Plan is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on all future owners within the District. See “APPENDIX B — Service and Assessment Plan.”

### **Collection and Enforcement of Assessment Amounts**

Under the PID Act, the Annual Installments may be collected in the same manner and at the same time as ad valorem taxes of the City. The Assessments may be enforced by the City in the same manner that an ad valorem tax lien against real property is enforced. Delinquent installments of the Assessments incur interest, penalties and attorney’s fees in the same manner as delinquent ad valorem taxes. Under the PID Act, the Assessment Lien is a first and prior lien against the property assessed, superior to all other liens and claims except liens or claims for State, county, school district or municipality ad valorem taxes. See “BONDHOLDERS’ RISKS — Assessment Limitations” herein.

In the Indenture, the City will covenant to collect, or cause to be collected, Assessments as provided in the Assessment Ordinance. No less frequently than annually, City staff or a designee of the City shall prepare, and the City Council shall approve, an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include updated Assessment Roll and a calculation of the Annual Installment for each Parcel. Administrative Expenses shall be allocated among all Parcels in proportion to the amount of the Annual Installments for the Parcels.

In the Indenture, the City will covenant, agree and warrant that, for so long as any Bonds are Outstanding, it will take and pursue all actions permissible under Applicable Laws to cause the Assessments to be collected and the liens thereof enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws, and, to the extent permitted by Applicable Laws, to cause no reduction, abatement or exemption in the Assessments.

To the extent permitted by law, notice of the Annual Installments will be sent by, or on behalf of the City, to the affected property owners on the same statement or such other mechanism that is used by the City, so that such Annual Installments are collected simultaneously with ad valorem taxes and shall be subject to the same penalties, procedures, and foreclosure sale in case of delinquencies as are provided for ad valorem taxes of the City.

The City will determine or cause to be determined, no later than February 15 of each year, whether or not any Annual Installment is delinquent and, if such delinquencies exist, the City will order and cause to be commenced as soon as practicable any and all appropriate and legally permissible actions to obtain such Annual Installment, and

any delinquent charges and interest thereon, including diligently prosecuting an action in district court to foreclose the currently delinquent Annual Installment. Notwithstanding the foregoing, the City shall not be required under any circumstances to purchase or make payment for the purchase of the delinquent Assessment or the corresponding Assessed Parcel.

The City will implement the basic timeline and procedures for Assessment collections and pursuit of delinquencies set forth in Exhibit C of the City’s Continuing Disclosure Agreement set forth in APPENDIX D and to comply therewith to the extent that the City reasonably determines that such compliance is the most appropriate timeline and procedures for enforcing the payment of delinquent Assessments.

The City shall not be required under any circumstances to expend any funds for delinquent collection costs in connection with its covenants and agreements under the Indenture or otherwise other than funds on deposit in the Administrative Fund.

Annual Installments will be paid to the City or its agent. Annual Installments are due on October 1 of each year, and become delinquent on February 1 of the following year. In the event Assessments are not timely paid, there are penalties and interest as set forth below:

<u>Date Payment</u>	<u>Cumulative</u>	<u>Cumulative</u>	
<u>Received</u>	<u>Penalty</u>	<u>Interest</u>	<u>Total</u>
February	6%	1%	7%
March	7%	2%	9%
April	8%	3%	11%
May	9%	4%	13%
June	10%	5%	15%
July	12%	6%	18%

After July, the penalty remains at 12%, and interest accrues at the rate of 1% each month. In addition, if an account is delinquent in July, a 20% attorney’s collection fee may be added to the total penalty and interest charge. In general, property subject to lien may be sold, in whole or in parcels, pursuant to court order to collect the amounts due. An automatic stay by creditors or other entities, including governmental units, could prevent governmental units from foreclosing on property and prevents liens for post-petition taxes from attaching to property and obtaining secured creditor status unless, in either case, an order lifting the stay is obtained from the bankruptcy court. In most cases, post-petition Assessments are paid as an administrative expense of the estate in bankruptcy or by order of the bankruptcy court.

**Assessment Amounts**

The maximum amounts of the Assessments have been established by the methodology described in the Service and Assessment Plan. See “ASSESSMENT PROCEDURES – Assessment Methodology.” The Assessments have been levied against the parcels comprising the Assessed Parcels as indicated on the Assessment Roll. See “APPENDIX B — Service and Assessment Plan.”

The Annual Installments shown on the Assessment Roll will be reduced to equal the actual costs of repaying the Bonds, the Additional Interest Component (if any), and actual Administrative Expenses (as provided for in the definition of such term), taking into consideration any other available funds for these costs, such as interest income on account balances and the applicable TIRZ Credit as described herein. See “SECURITY FOR THE BONDS – TIRZ Revenues May Reduce Assessments” and “ASSESSMENT PROCEDURES – TIRZ Credit Applied to Annual Installments.”

**The Service and Assessment Plan is expected to be updated to reflect the issuance of the Bonds and the Annual Installments shown on the Assessment Roll will be adjusted to equal the actual costs of repaying the Bonds, taking into consideration any other available funds for these costs.**

The original Assessments, the current outstanding Assessments, and the expected outstanding Assessments for the respective Lot Types is as follows:

1 – As shown in the initial Service and Assessment Plan approved at Major Improvement Area Bond issuance.

2 – Derived from information provided in the Service and Assessment Plan.

3 – Preliminary, subject to change.

4 – The initial Service and Assessment Plan did not include a 70' Lots for Improvement Area #5. Original Assessment per Unit has been calculated based on the projected home prices for 70' Lots and estimated leverage information shown for 50' and 60' Lots in the initial Service and Assessment Plan.

### **Prepayment of Assessments**

Pursuant to the PID Act and the Indenture, the owner of any property assessed may voluntarily prepay (a “Prepayment”) all or part of any Assessment levied against any lot or parcel, together with accrued interest to the date of payment, at any time. Upon receipt of such Prepayment, such amounts will be applied towards the redemption or payment of the Bonds. Amounts received at the time of a Prepayment which represent a payment of principal, interest, or penalties on a delinquent installment of an Assessment are not to be considered a Prepayment, but rather are to be treated as payment of regularly scheduled Assessments.

### **Priority of Lien**

The Assessments or any reassessment, the expense of collection, and reasonable attorney’s fees, if incurred, constitute a first and prior lien against the property assessed, superior to all other liens and claims except liens or claims for the State, county, school district or municipality ad valorem taxes, and are a personal liability of and charge against the owners of the property regardless of whether the owners are named. The lien is effective from the date of the respective Assessment Ordinance until the Assessment is paid, and may be enforced by the City in the same manner as an ad valorem tax levied against real property may be enforced by the City. The owner of any property assessed may pay the entire Assessment levied against any lot or parcel, together with accrued interest to the date of payment, at any time.

### **Foreclosure Proceedings**

In the event of delinquency in the payment of any Annual Installment, except for unpaid Assessments on homestead property (unless the lien associated with the assessment attached prior to the date the property became a homestead), the City is empowered to order institution of an action in state district court to foreclose the lien of such delinquent Annual Installment. In such action the real property subject to the delinquent Annual Installments may be sold at judicial foreclosure sale for the amount of such delinquent Annual Installments, plus penalties and interest.

Any sale of property for nonpayment of an installment or installments of an Assessment will be subject to the lien established for remaining unpaid installments of the Assessment against such property and such property may again be sold at a judicial foreclosure sale if the purchaser thereof fails to make timely payment of the non-delinquent

installments of the Assessments against such property as they become due and payable. Judicial foreclosure proceedings are not mandatory. In the event a foreclosure is necessary, there could be a delay in payments to owners of the Bonds pending prosecution of the foreclosure proceedings and receipt by the City of the proceeds of the foreclosure sale. It is possible that no bid would be received at the foreclosure sale, and in such event there could be an additional delay in payment of the principal of and interest on Bonds or such payment may not be made in full. The City is not required under any circumstance to purchase the property or to pay the delinquent Assessment on the corresponding Assessed Parcel.

In the Indenture, the City will covenant to take and pursue all actions permissible under Applicable Laws to cause the Assessments to be collected and the liens thereof enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws, and to cause no reduction, abatement or exemption in the Assessments, provided that the City is not required to expend any funds for collection and enforcement of Assessments other than funds on deposit in the Administrative Fund. Pursuant to the Indenture, Foreclosure Proceeds (excluding Delinquent Collection Costs) constitute Pledged Revenues to be deposited into the Pledged Revenue Fund upon receipt by the City and distributed in accordance with the Indenture. See “APPENDIX A – Form of Indenture.” See also “APPENDIX D – Form of City Disclosure Agreement” for a description of the expected timing of certain events with respect to collection of the delinquent Assessments.

In the Indenture, the City will create the Additional Interest Reserve Account under the Reserve Fund and will fund such account as provided in the Indenture. The City will not be obligated to fund foreclosure proceedings out of any funds other than in the Administrative Fund. If Pledged Revenues are insufficient to pay foreclosure costs, the owners of the Bonds may be required to pay amounts necessary to continue foreclosure proceedings. See “SECURITY FOR THE BONDS – Reserve Fund,” “APPENDIX A – Form of Indenture” and “APPENDIX B – Service and Assessment Plan.”

**TIRZ Credit Applied to Annual Installments**

The City is expected to apply the TIRZ Credit to Annual Installments of Assessments as described under “SECURITY FOR THE BONDS – TIRZ Revenues May Reduce Assessments.” Set forth in the table below is historical information regarding the TIRZ Credit applied to the Annual Installments.

## THE DISTRICT

### General

The PID Act authorizes municipalities, such as the City, to create public improvement districts within their boundaries or extraterritorial jurisdiction, and to impose assessments within the public improvement district to pay for certain improvements. The District was created by the Creation Resolution for the purpose of undertaking and financing the cost of certain public improvements within the District, including the Major Improvement Area Improvements, authorized by the PID Act and approved by the City Council that confer a special benefit on the District property being developed. The District is not a separate political subdivision of the State and is governed by the City Council. A map of the property within the District is included on page v hereof.

### Powers and Authority

Pursuant to the PID Act, the City may establish and create the District and undertake, or reimburse a developer for the costs of, improvement projects that confer a special benefit on property located within the District, whether located within the City limits or the City's extraterritorial jurisdiction. The PID Act provides that the City

may levy and collect assessments on property in the District, or portions thereof, payable in periodic installments based on the benefit conferred by an improvement project to pay all or part of its cost.

Pursuant to the PID Act and the Creation Resolution, the City has the power to undertake, or reimburse a developer for the costs of, the financing, acquisition, construction or improvement of the Major Improvement Area Improvements. See “THE MAJOR IMPROVEMENT AREA IMPROVEMENTS.” Pursuant to the authority granted by the PID Act and the Creation Resolution, the City determined to undertake the construction, acquisition or purchase of certain roadway, water, wastewater and drainage public improvements within the Major Improvement Area of the District and outside of the District comprising the Major Improvement Area Improvements and to finance a portion of the costs thereof through the issuance of the Refunded Bonds which are now being refunded by the Bonds. The City has further determined to provide for the payment of debt service on the Bonds through Pledged Revenues. See “ASSESSMENT PROCEDURES” herein and “APPENDIX B — Service and Assessment Plan.”

## **THE MAJOR IMPROVEMENT AREA IMPROVEMENTS**

### **Ownership and Maintenance of Improvements**

The Major Improvement Area Improvements have been completed and dedicated to and accepted by the City and Mustang Special Utility District (“Mustang SUD”), as applicable, and constitute a portion of the City’s and Mustang SUD’s infrastructure improvements. The City and Mustang SUD will provide for the ongoing operation, maintenance and repair of the Major Improvement Area Improvements, as applicable.

### **Zoning/Permitting**

A portion of the District is zoned under the City’s Planned Development District #62, enacted by City Ordinance Number 2016-05 PD-62 (“PD #62”) and the remainder of the District is zoned under the City’s Planned Development District #52, enacted by City Ordinance Number 2015-18 PD-52 (“PD #52”). ## **THE ADMINISTRATOR**

The following information has been provided by the Administrator. Certain of the following information is beyond the direct knowledge of the City, the City’s Financial Advisor and the Underwriter, and none of the City, the City’s Financial Advisor or the Underwriter have any way of guaranteeing the accuracy of such information. The Administrator has reviewed this Official Statement and warrant and represent that the information herein under the caption “THE ADMINISTRATOR” does not contain any untrue statement of a material fact or omit to state any material fact necessary in order to make the statements made herein, in the light of the circumstances under which they are made, not misleading.

The MuniCap Agreement will include seven general types of services provided by MuniCap: (i) administrative support services related to the Assessments, (ii) delinquency management, (iii) prepayment of Assessments, (iv) arbitrage rebate services, (v) continuing disclosure services, (vi) accounting and audit coordination, and (vii) IRS compliance monitoring.

## **BONDHOLDERS’ RISKS**

*Before purchasing any of the Bonds, prospective investors and their professional advisors should carefully consider all of the risk factors described below which may create possibilities wherein interest may not be paid when due or that the Bonds may not be paid at maturity or otherwise as scheduled, or, if paid, without premium, if applicable. The following risk factors (which are not intended to be an exhaustive listing of all possible risks associated with an investment in the Bonds) should be carefully considered prior to purchasing any of the Bonds. Moreover, the order of presentation of the risks summarized below does not necessarily reflect the significance of such investment risks.*

## **General**

THE BONDS ARE SPECIAL, LIMITED OBLIGATIONS OF THE CITY PAYABLE SOLELY FROM THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE, AS AND TO THE

EXTENT PROVIDED IN THE INDENTURE. THE BONDS DO NOT GIVE RISE TO A CHARGE AGAINST THE GENERAL CREDIT OR TAXING POWER OF THE CITY AND ARE PAYABLE SOLELY FROM THE SOURCES IDENTIFIED IN THE INDENTURE. THE OWNERS OF THE BONDS SHALL NEVER HAVE THE RIGHT TO DEMAND PAYMENT THEREOF OUT OF MONEY RAISED OR TO BE RAISED BY TAXATION, OR OUT OF ANY FUNDS OF THE CITY OTHER THAN THE PLEDGED REVENUES, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. NO OWNER OF THE BONDS SHALL HAVE THE RIGHT TO DEMAND ANY EXERCISE OF THE CITY'S TAXING POWER TO PAY THE PRINCIPAL OF THE BONDS OR THE INTEREST OR REDEMPTION PREMIUM, IF ANY, THEREON. THE CITY SHALL HAVE NO LEGAL OR MORAL OBLIGATION TO PAY THE BONDS OUT OF ANY FUNDS OF THE CITY OTHER THAN THE PLEDGED REVENUES, AND OTHER FUNDS COMPRISING THE TRUST ESTATE.

The ability of the City to pay debt service on the Bonds as due is subject to various factors that are beyond the City's control. These factors include, among others, (a) the ability or willingness of property owners within the Major Improvement Area of the District to pay Assessments levied by the City, (b) cash flow delays associated with the institution of foreclosure and enforcement proceedings against property within the Major Improvement Area of the District, and (c) general and local economic conditions which may impact real property values, the ability to liquidate real property holdings and the overall value of real property development projects.

The City has not applied for or received a rating on the Bonds. The absence of a rating could affect the future marketability of the Bonds. There is no assurance that a secondary market for the Bonds will develop or that holders who desire to sell their Bonds prior to the stated maturity will be able to do so.

The Underwriter is not obligated to make a market in or repurchase any of the Bonds, and no representation is made by the Underwriter, the City or the City's Financial Advisor that a market for the Bonds will develop and be maintained in the future. If a market does develop, no assurance can be given regarding future price maintenance of the Bonds.

### **Assessment Limitations**

Annual Installments of Assessments are billed to property owners in the Major Improvement Area of the District. Annual Installments are due and payable, and bear the same penalties and interest for non-payment, as for ad valorem taxes as set forth under "ASSESSMENT PROCEDURES" herein. Additionally, Annual Installments established by the Service and Assessment Plan correspond in number and proportionate amount to the number of installments and principal amounts of Bonds maturing in each year, and the Administrative Expenses for such year. See "ASSESSMENT PROCEDURES" herein. The unwillingness or inability of a property owner to pay regular property tax bills as evidenced by property tax delinquencies may also indicate an unwillingness or inability to make regular property tax payments and Annual Installments of Assessment payments in the future.

In order to pay debt service on the Bonds, it is necessary that Annual Installments are paid in a timely manner. Due to the lack of predictability in the collection of Annual Installments in the Major Improvement Area of the District, the City has established a Reserve Account in the Reserve Fund, to be funded from the proceeds of the Bonds, to cover delinquencies. The Annual Installments are secured by the Assessment Lien. However, there can be no assurance that foreclosure proceedings will occur in a timely manner so as to avoid depletion of the Reserve Account and delay in payments of debt service on the Bonds. See "BONDHOLDERS' RISKS — Bondholders' Remedies and Bankruptcy" herein.

Upon an ad valorem tax lien foreclosure event of a property within the Major Improvement Area of the District, any of the Assessments that is also delinquent will be foreclosed upon in the same manner as the ad valorem tax lien (assuming all necessary conditions and procedures for foreclosure are duly satisfied). To the extent that a foreclosure sale results in insufficient funds to pay in full both the delinquent ad valorem taxes and the delinquent Assessments, the liens securing such delinquent ad valorem taxes and delinquent Assessments would likely be extinguished. Any remaining unpaid balance of the delinquent Assessments would then be an unsecured personal liability of the original property owner.

Based upon the language of Texas Local Government Code, §372.017(b), case law relating to other types of assessment liens and opinions of the Texas Attorney General, the Assessment Lien as it relates to installment payments that are not yet due should remain in effect following an ad valorem tax lien foreclosure, with future installment payments not being accelerated. Texas Local Government Code § 372.018(d) supports this position, stating that an Assessment Lien runs with the land and the portion of an assessment payment that has not yet come due is not eliminated by foreclosure of an ad valorem tax lien.

The Assessment Lien is superior to any homestead rights of a property owner that were properly claimed after the adoption of the Assessment Ordinance. However, an Assessment Lien may not be foreclosed upon if any homestead rights of a property owner were properly claimed prior to the adoption of the Assessment Ordinance (“Pre-existing Homestead Rights”) for as long as such rights are maintained on the property. It is unclear under Texas law whether or not Pre-existing Homestead Rights would prevent the Assessment Lien from attaching to such homestead property or instead cause the Assessment Lien to attach, but remain subject to, the Pre-existing Homestead Rights.

Under Texas law, in order to establish homestead rights, the claimant must show a combination of both overt acts of homestead usage and intention on the part of the owner to claim the land as a homestead. Mere ownership of the property alone is insufficient and the intent to use the property as a homestead must be a present one, not an intention to make the property a homestead at some indefinite time in the future. As of the date of adoption of the Assessment Ordinance, no such homestead rights had been claimed. Consequently, there are and can be no homestead rights on the Assessed Parcels superior to the Assessment Lien and, therefore, the Assessment Lien may be foreclosed upon by the City.

THE ASSESSMENTS WILL CONSTITUTE A FIRST AND PRIOR LIEN AGAINST THE PROPERTY ASSESSED, SUPERIOR TO ALL OTHER LIENS AND CLAIMS EXCEPT LIENS AND CLAIMS FOR STATE, COUNTY, SCHOOL DISTRICT OR MUNICIPALITY AD VALOREM TAXES AND WILL BE A PERSONAL OBLIGATION OF AND CHARGE AGAINST THE OWNERS OF PROPERTY LOCATED WITHIN THE DISTRICT.

**The Assessments levied for the payment of the Bonds and the respective Local NIA Assessments which were levied for and pledged to the payment of the respective series of Local NIA Bonds to which they apply have a lien of equal dignity of the respective parcels assessed therefor. In the event of partial payments of the Annual Installments of the Assessments and the respective Local NIA Assessments, the Denton County Tax Assessor/Collector advises that such partial payments will be applied to the payment of the Annual Installments of the Assessments and the respective Local NIA Assessments on a pro rata basis unless otherwise directed by the payer of such Annual Installments of the Assessments and the respective Local NIA Assessments.**

Failure by owners of the parcels to pay Annual Installments when due, depletion of the Reserve Fund, delay in foreclosure proceedings, or the inability of the City to sell parcels which have been subject to foreclosure proceedings for amounts sufficient to cover the delinquent installments of Assessments levied against such parcels may result in the inability of the City to make full or punctual payments of debt service on the Bonds.

### **Completion of Homes**

The cost and time for completion of homes by the homebuilders is uncertain and may be affected by changes in national, regional and local and economic conditions; changes in long and short term interest rates; changes in the climate for real estate purchases; changes in demand for or supply of competing properties; changes in local, regional and national market and economic conditions; unanticipated development costs, market preferences and architectural trends; unforeseen environmental risks and controls; the adverse use of adjacent and neighboring real estate; changes in interest rates and the availability of mortgage funds to buyers of the homes yet to be built in the Development, which may render the sale of such homes difficult or unattractive; acts of war, terrorism or other political instability; delays or inability to obtain governmental approvals; changes in laws; moratorium; force majeure (which may result in uninsured losses); strikes; labor shortages; energy shortages; material shortages; inflation; adverse weather conditions; subcontractor defaults; and other unknown contingencies and factors beyond the control of any developer or homebuilder in the Major Improvement Area.

### **Risks Related to Current Increase in Costs of Building Materials**

As a result of low supply, high demand, and the ongoing trade war, there have been substantial increases in the cost of materials, causing many homebuilders and general contractors to experience budget overruns. If the construction costs associated with completing homes in the Major Improvement Area of the District are substantially higher than the estimated costs or if the homebuilders within the Major Improvement Area of the District are unable to access building materials in a timely manner, it may affect the ability of such homebuilders in the Major Improvement Area of the District to complete the construction of homes or pay the Assessments when due. There is no way to predict whether such cost increases or low supply of building materials will continue or if such continuance will affect the development of the Major Improvement Area of the District.

### **Economic Conditions Affecting the Real Estate Market**

The successful sale or resale of residential units in the Development may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the City. No prediction can be made about the state of the real estate market in the future or the availability of financing for potential home buyers.

### **Recent Changes in State Law Regarding Public Improvement Districts; Failure to Deliver Required Notice Pursuant to Texas Property Code May Provide for Prepayments Causing Partial Redemptions of Bonds**

The 87th Legislature passed HB 1543, which became effective September 1, 2021, and requires a person who proposes to sell or otherwise convey real property within a public improvement district to provide to the purchaser of the property, before the execution of a binding contract of purchase and sale, written notice of the obligation to pay public improvement district assessments, in accordance with Section 5.014, Texas Property Code, as amended. In the event a contract of purchase and sale is entered into without the seller providing the notice, the intended purchaser is entitled to terminate the contract or purchase and sale. In addition to the right to terminate the purchase contract, a property owner who did not receive the required notice is entitled, after sale, to sue for damages for (i) all costs relative to the purchase, plus interest and reasonable attorney's fees, or (ii) an amount not to exceed \$5,000, plus reasonable attorney's fees. In a suit filed pursuant to clause (i), any damages awarded must go first to pay any outstanding liens on the property. In such an event, the outstanding Assessments on such property may be prepaid. In the event of such prepayment, a partial redemption of the Bonds could occur. See "DESCRIPTION OF THE BONDS – Redemption Provisions." On payment of all damages respectively to the lienholders and purchaser pursuant to clause (i), the purchaser is required to reconvey the property to the seller. The form of notice to be provided to homebuyers is attached to the Service and Assessment Plan and will be attached to each Annual Service Plan Update. See "APPENDIX B — Service and Assessment Plan."

### **Loss of Tax Exemption**

The Indenture contains covenants by the City intended to preserve the exclusion from gross income of interest on the Bonds for federal income tax purposes. As discussed under the caption "TAX MATTERS" herein, interest on the Bonds could become includable in gross income for purposes of federal income taxation, retroactive to the date the Bonds were issued, as a result of future acts or omissions of the City in violation of its covenants in the Indenture.

Tax legislation, administrative actions taken by tax authorities, or court decisions, whether at the Federal or state level, may adversely affect the tax-exempt status of interest on the Bonds under Federal or state law and could affect the market price or marketability of the Bonds. Any such proposal could limit the value of certain deductions and exclusions, including the exclusion for tax-exempt interest. The likelihood of any such proposal being enacted cannot be predicted. Prospective purchasers of the Bonds should consult their own tax advisors regarding the foregoing matters.

### **Bankruptcy**

The payment of Assessments and the ability of the City to foreclose on the lien of a delinquent unpaid Assessment may be limited by bankruptcy, insolvency or other laws generally affecting creditors' rights or by the laws of the State relating to judicial foreclosure. Although bankruptcy proceedings would not cause the Assessments

to become extinguished, bankruptcy of a property owner in all likelihood would result in a delay in prosecuting foreclosure proceedings. Such a delay would increase the likelihood of a delay or default in payment of the principal of and interest on the Bonds and the possibility that delinquent Assessments might not be paid in full.

### **Direct and Overlapping Indebtedness, Assessments and Taxes**

The ability of an owner of property within the Major Improvement Area of the District to pay the Assessments could be affected by the existence of other taxes and assessments imposed upon the property. Public entities whose boundaries overlap those of the District currently impose ad valorem taxes on the property within the Major Improvement Area of the District and will likely do so in the future. Such entities could also impose assessment liens on the property within the Major Improvement Area of the District. The imposition of additional liens, for private financing, may reduce the ability or willingness of the landowners to pay the Assessments.

### **Competition**

The housing industry in the Dallas-Fort-Worth MSA area is very competitive. The competitive position of any homebuilder in the construction and sale of single-family residential units is directly related to maintenance of market values in the District. There can be no assurances that other similar single-family residential projects will not be developed in the future or that existing projects will not be upgraded or otherwise able to compete with the Development.

### **Depletion of Reserve Account of Reserve Fund**

Failure of the owners of property within the Major Improvement Area of the District to pay the Assessments when due could result in the rapid, total depletion of the Reserve Account of the Reserve Fund prior to replenishment from the resale of property upon a foreclosure or otherwise or delinquency redemptions after a foreclosure sale, if any. There could be a default in payments of the principal of and interest on the Bonds if sufficient amounts are not available in the Reserve Account of the Reserve Fund. The Indenture provides that if, after a withdrawal from the Reserve Account of the Reserve Fund to cover a deficiency in the Bond Fund, the amount in the Reserve Account of the Reserve Fund is less than the Reserve Account Requirement, the Trustee shall transfer an amount from the Bond Pledged Revenue Account of the Pledged Revenue Fund to the Reserve Account of the Reserve Fund sufficient to cure such deficiency, as described under “SECURITY FOR THE BONDS — Reserve Fund” herein.

### **Hazardous Substance**

While governmental taxes, assessments and charges are a common claim against the value of a parcel, other less common claims may be relevant. One of the most serious in terms of the potential reduction in the value that may be realized to the assessment is a claim with regard to a hazardous substance. In general, the owners and operators of a parcel may be required by law to remedy conditions relating to releases or threatened releases of hazardous substances. The federal Comprehensive Environmental Response, Compensation and Liability Act of 1980, sometimes referred to as “CERCLA” or “Superfund Act,” is the most well-known and widely applicable of these laws. It is likely that, should any of the parcels of land located in the Major Improvement Area of the District be affected by a hazardous substance, the marketability and value of parcels would be reduced by the costs of remedying the condition, because the purchaser, upon becoming owner, will become obligated to remedy the condition just as is the seller.

The City has not independently verified, and is not aware, that the owner (or operator) of any of the parcels within the Major Improvement Area of the District has a current liability for the remedy of a hazardous substance condition of the parcel with respect to such parcel; however, it is possible that such liabilities do currently exist and that the City is not aware of them.

It is possible that liabilities may arise in the future with respect to any of the land within the Major Improvement Area of the District resulting from the existence, currently, of a substance presently classified as hazardous but which has not been released or the release of which is not presently threatened, or may arise in the future resulting from the existence, currently, on the parcel of a substance not presently classified as hazardous but which may in the future be so classified. Further, such liabilities may arise not simply from the existence of a

hazardous substance but from the method of handling it. The actual occurrence of any of these possibilities could significantly negatively affect the value of a parcel that is realizable upon a foreclosure.

See “THE DEVELOPMENT – Environmental” for discussion of the previous Phase One ESA performed on property within the District.

### **Bondholders’ Remedies and Bankruptcy**

In the event of default in the payment of principal or interest on the Bonds or the occurrence of any other Event of Default under the Indenture, the Trustee may, and upon the written request of at least 25% of the owners of the Bonds then Outstanding, the Trustee shall proceed to protect and enforce its rights and the rights of the owners of the Bonds under the Indenture by such suits, actions or special proceedings in equity or at law, or by proceedings in the office of any board or officer having jurisdiction, either for mandamus or the specific performance of any covenant or agreement contained therein or in aid or execution of any power granted or for the enforcement of any proper legal or equitable remedy, as the Trustee shall deem most effectual to protect and enforce such rights. The issuance of a writ of mandamus may be sought if there is no other available remedy at law to compel performance of the City’s obligations under the Bonds or the Indenture and such obligations are not uncertain or disputed. The remedy of mandamus is controlled by equitable principles, so rests with the discretion of the court, but may not be arbitrarily refused. There is no acceleration of maturity of the Bonds in the event of default and, consequently, the remedy of mandamus may have to be relied upon from year to year. The owners of the Bonds cannot themselves foreclose on property within the Major Improvement Area of the District or sell property within the Major Improvement Area of the District in order to pay the principal of and interest on the Bonds. The enforceability of the rights and remedies of the owners of the Bonds further may be limited by laws relating to bankruptcy, reorganization or other similar laws of general application affecting the rights of creditors of political subdivisions such as the City. In this regard, should the City file a petition for protection from creditors under federal bankruptcy laws, the remedy of mandamus or the right of the City to seek judicial foreclosure of its Assessment Lien would be automatically stayed and could not be pursued unless authorized by a federal bankruptcy judge. See “BONDHOLDERS’ RISKS — Bankruptcy Limitation to Bondholders’ Rights” herein.

Any bankruptcy court with jurisdiction over bankruptcy proceedings initiated by or against a property owner within the Major Improvement Area of the District pursuant to the Federal Bankruptcy Code could, subject to its discretion, delay or limit any attempt by the City to collect delinquent Assessments, or delinquent ad valorem taxes, against such property owner.

In addition, in 2006, the Texas Supreme Court ruled in *Tooke v. City of Mexia*, 197 S.W.3d 325 (Tex. 2006) (“Tooke”) that a waiver of sovereign immunity must be provided for by statute in “clear and unambiguous” language. In so ruling, the Court declared that statutory language such as “sue and be sued”, in and of itself, did not constitute a clear and unambiguous waiver of sovereign immunity. In *Tooke*, the Court noted the enactment in 2005 of sections 271.151-.160, Texas Local Government Code (the “Local Government Immunity Waiver Act”), which, according to the Court, waives “immunity from suit for contract claims against most local governmental entities in certain circumstances.” The Local Government Immunity Waiver Act covers cities and relates to contracts entered into by cities for providing goods or services to cities.

On April 1, 2016, the Texas Supreme Court ruled in *Wasson Interests, Ltd. v. City of Jacksonville*, 489 S.W. 3d 427 (Tex. 2016) that sovereign immunity does not imbue a city with derivative immunity when it performs proprietary, as opposed to governmental, functions in respect to contracts executed by a city. The Court reviewed *Wasson Interests, Ltd. v. City of Jacksonville* again in June 2018 and clarified that to determine whether governmental immunity applies to a breach of contract claim, the proper inquiry is whether the municipality was engaged in governmental or proprietary function when it entered into the contract, not at the time of the alleged breach. Texas jurisprudence has generally held that proprietary functions are those conducted by a city in its private capacity, for the benefit only of those within its corporate limits, and not as an arm of the government or under the authority or for the benefit of the state. In its decision, the Court held that since the Local Government Immunity Waiver Act waives governmental immunity in certain breach of contract claims without addressing whether the waiver applies to a governmental function or a proprietary function of a city, the Court could not reasonably read the Local Government Immunity Waiver Act to evidence legislative intent to waive immunity when a city performs a proprietary function.

The City is not aware of any Texas court construing the Local Government Immunity Waiver Act in the context of whether contractual undertakings of local governments that relate to their borrowing powers are contracts covered by such act. Because it is unclear whether the Texas legislature has effectively waived the City's sovereign immunity from a suit for money damages in the absence of City action, the Trustee or the owners of the Bonds may not be able to bring such a suit against the City for breach of the Bonds or the Indenture covenants. As noted above, the Indenture provides that owners of the Bonds may exercise the remedy of mandamus to enforce the obligations of the City under the Indenture. Neither the remedy of mandamus nor any other type of injunctive relief was at issue in Tooke, and it is unclear whether Tooke will be construed to have any effect with respect to the exercise of mandamus, as such remedy has been interpreted by Texas courts. In general, Texas courts have held that a writ of mandamus may be issued to require public officials to perform ministerial acts that clearly pertain to their duties. Texas courts have held that a ministerial act is defined as a legal duty that is prescribed and defined with a precision and certainty that leaves nothing to the exercise of discretion or judgment, though mandamus is not available to enforce purely contractual duties. However, mandamus may be used to require a public officer to perform legally-imposed ministerial duties necessary for the performance of a valid contract to which the State or a political subdivision of the State is a party (including the payment of moneys due under a contract).

### **Judicial Foreclosures**

Judicial foreclosure proceedings are not mandatory; however, the City has covenanted to order and cause such actions to be commenced. In the event a foreclosure is necessary, there could be a delay in payments to owners of the Bonds pending prosecution of the foreclosure proceedings and receipt by the City of the proceeds of the foreclosure sale. It is possible that no bid would be received at the foreclosure sale, and, in such event, there could be an additional delay in payment of the principal of and interest on the Bonds or such payment may not be made in full. Moreover, in filing a suit to foreclose, the City must join other taxing units that have claims for delinquent taxes against all or part of the same property; the proceeds of any sale of property within the Major Improvement Area of the District available to pay debt service on the Bonds may be limited by the existence of other tax liens on the property. (See "OVERLAPPING TAXES AND DEBT" herein.) Collection of delinquent taxes, assessments and the Assessments may be adversely affected by the effects of market conditions on the foreclose sale price, and by other factors, including taxpayers' right to redeem property within two years of foreclosure for residential and agricultural use property and six months for other property, and by a time-consuming and expensive collection procedure.

### **No Acceleration**

The Indenture does not contain a provision allowing for the acceleration of the Bonds in the event of a payment default or other default under the terms of the Bonds or the Indenture.

### **Bankruptcy Limitation to Bondholders' Rights**

The enforceability of the rights and remedies of the owners of the Bonds may be limited by laws relating to bankruptcy, reorganization or other similar laws of general application affecting the rights of creditors of political subdivisions such as the City. The City is authorized under Texas law to voluntarily proceed under Chapter 9 of the Federal Bankruptcy Code, 11 U.S.C. 901-946. The City may proceed under Chapter 9 if it (1) is generally not paying its debts, or unable to meet its debts, as they become due, (2) desires to effect a plan to adjust such debts, and (3) has either obtained the agreement of or negotiated in good faith with its creditors, is unable to negotiate with its creditors because negotiation is impracticable, or reasonably believes that a creditor may attempt to obtain a preferential transfer.

If the City decides in the future to proceed voluntarily under the Federal Bankruptcy Code, the City would develop and file a plan for the adjustment of its debts, and the Bankruptcy Court would confirm the plan if (1) the plan complies with the applicable provisions of the Federal Bankruptcy Code, (2) all payments to be made in connection with the plan are fully disclosed and reasonable, (3) the City is not prohibited by law from taking any action necessary to carry out the plan, (4) administrative expenses are paid in full, (5) all regulatory or electoral approvals required under Texas law are obtained and (6) the plan is in the best interests of creditors and is feasible. The rights and remedies of the owners of the Bonds would be adjusted in accordance with the confirmed plan of adjustment of the City's debt.

## **Potential Future Changes in State Law Regarding Public Improvement Districts**

During prior sessions and interim business of the Texas legislature, various proposals and reports have been presented by committees of Texas Senate and Texas House of Representative which suggest or recommend changes to the PID Act relating oversight of bonds secured by special assessments including adopting requirements relating to levels of build out or adding state level oversight in connection with the issuance of bonds secured by special assessments under the PID Act. To date, no legislation has been introduced to act on such recommendations; however, it is impossible to predict what new proposals may be presented regarding the PID Act and the issuance of special assessment bonds during any upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Texas Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. It is impossible to predict with certainty the impact that any such future legislation will or may have on the security for the Bonds.

## **Risk from Weather Events**

All of the State, including the City, is subject to extreme weather events that can cause loss of life and damage to property through strong winds, tornadoes, flooding, heavy rains, extreme heat and freezes, including events similar to the severe winter storm that the continental United States experienced in February 2021, which resulted in disruptions in the Electric Reliability Council of Texas power grid and prolonged blackouts throughout the State. It is impossible to predict whether similar events will occur in the future and the impact they may have on the City, including land within the District.

## **100-Year Flood Plain**

According to FEMA Flood Insurance Rate Map No. Panel 48121C0270G dated April 18, 2011, all property in the District lies in Zone X, outside of any special flood hazard designation.

FEMA will from time to time revise its Flood Insurance Rate Maps. Neither the City nor the Underwriter make any representation as to whether FEMA may revise its Flood Insurance Rate Maps, whether such revisions may result in homes that are currently outside of the 100-year flood plain from being included in the 100-year flood plain in the future, or whether extreme flooding events may occur more often than assumed in creating the 100-year flood plain.

## **Tax-Exempt Status of the Bonds**

As further described in “TAX MATTERS” below, failure of the City to comply with the requirements of the Internal Revenue Code of 1986 (the “Code”) and the related legal authorities, or changes in the federal tax law or its application, could cause interest on the Bonds to be included in the gross income of owners of the Bonds for federal income tax purposes, possibly from the date of original issuance of the Bonds. Further, the opinion of Bond Counsel is based on current legal authority, covers certain matters not directly addressed by such authorities, and represents Bond Counsel’s judgment as to the proper treatment of interest on the Bonds for federal income tax purposes. It is not binding on the Internal Revenue Service (“IRS”) or the courts. The IRS has an ongoing program of auditing obligations that are issued and sold as bearing tax-exempt interest to determine whether, in the view of the IRS, interest on such obligations is included in the gross income of the owners thereof for federal income tax purposes. The IRS has announced that its audit efforts will focus in part on “developer-driven bond transactions,” including certain tax increment financings and certain assessment bond transactions. It cannot be predicted if this IRS focus could lead to an audit of the Bonds or what the result would be of any such audit. If an audit of the Bonds is commenced, under current procedures parties other than the City would have little, if any, right to participate in the audit process. Moreover, because achieving judicial review in connection with an audit of tax-exempt obligations is difficult, obtaining an independent review of IRS positions with which the City legitimately disagree, may not be practicable. Any action of the IRS, regardless of the outcome, including but not limited to selection of the Bonds for audit, or the course or result of such audit, or an audit of obligations presenting similar tax issues, may affect the market price for, or the marketability of, the Bonds. Finally, if the IRS ultimately determines that the interest on the Bonds is not excluded from the gross income of Bondholders for federal income tax purposes, the City may not have the resources to settle with the IRS, the Bonds are not required to be redeemed, and the interest rate on the Bonds will not increase.

## **Limited Secondary Market for the Bonds**

The Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Bonds in the event an Owner thereof determines to solicit purchasers for the Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Bonds may be sold. Such price may be lower than that paid by the current Owners of the Bonds, depending on existing real estate and financial market conditions and other factors.

## **TAX MATTERS**

### **Tax Exemption**

The delivery of the Bonds is subject to the opinion of Bond Counsel to the effect that interest on the Bonds for federal income tax purposes (1) will be excludable from gross income, as defined in section 61 of the Internal Revenue Code of 1986, as amended to the date of such opinion (the “Code”), pursuant to section 103 of the Code and existing regulations, published rulings, and court decisions, and (2) will not be included in computing the alternative minimum taxable income of the owners thereof who are individuals. A form of Bond Counsel’s opinion is reproduced as APPENDIX C. The statutes, regulations, rulings, and court decisions on which such opinion is based are subject to change.

In rendering the foregoing opinions, Bond Counsel will rely upon representations and certifications of the City made in a certificate dated the Closing Date pertaining to the use, expenditure, and investment of the proceeds of the Bonds and will assume continuing compliance by the City with the provisions of the Indenture subsequent to the issuance of the Bonds. The Indenture contains covenants by the City with respect to, among other matters, the use of the proceeds of the Bonds and the facilities financed therewith by persons other than state or local governmental units, the manner in which the proceeds of the Bonds are to be invested, the periodic calculation and payment to the United States Treasury of arbitrage “profits” from the investment of proceeds, and the reporting of certain information to the United States Treasury. Failure to comply with any of these covenants may cause interest on the Bonds to be includable in the gross income of the owners thereof from the date of the issuance of the Bonds.

Bond Counsel’s opinion is not a guarantee of a result, but represents its legal judgment based upon its review of existing statutes, regulations, published rulings and court decisions and the representations and covenants of the City described above. No ruling has been sought from the Internal Revenue Service (the “IRS”) with respect to the matters addressed in the opinion of Bond Counsel, and Bond Counsel’s opinion is not binding on the IRS. The IRS has an ongoing program of auditing the tax-exempt status of the interest on tax-exempt obligations. If an audit of the Bonds is commenced, under current procedures the IRS is likely to treat the City as the “taxpayer,” and the owners of the Bonds would have no right to participate in the audit process. In responding to or defending an audit of the tax-exempt status of the interest on the Bonds, the City may have different or conflicting interests from the owners of the Bonds. Public awareness of any future audit of the Bonds could adversely affect the value and liquidity of the Bonds during the pendency of the audit, regardless of its ultimate outcome.

Except as described above, Bond Counsel expresses no other opinion with respect to any other federal, state or local tax consequences under present law, or proposed legislation, resulting from the receipt or accrual of interest on, or the acquisition or disposition of, the Bonds. Prospective purchasers of the Bonds should be aware that the ownership of tax-exempt obligations such as the Bonds may result in collateral federal tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, certain foreign corporations doing business in the United States, S corporations with subchapter C earnings and profits, corporations subject to the alternative minimum tax on adjusted financial statement income, individual recipients of Social Security or Railroad Retirement benefits, individuals otherwise qualifying for the earned income tax credit, owners of an interest in a financial asset securitization investment trust (“FASIT”), and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations. Prospective purchasers should consult their own tax advisors as to the applicability of these consequences to their particular circumstances.

For taxable years beginning after 2022, the Code imposes a minimum tax of 15 percent of the adjusted financial statement income of certain large corporations, generally consisting of corporations (other than S

corporations, regulated investment companies and real estate investment trusts) with more than \$1 billion in average annual adjusted financial statement income, determined over a three-year period. For this purpose, adjusted financial statement income generally consists of the net income or loss of the taxpayer set forth on the taxpayer's applicable financial statement for the taxable year, subject to various adjustments, but is not reduced for interest earned on tax-exempt obligations, such as the Bonds. Prospective purchasers that could be subject to this minimum tax should consult with their own tax advisors regarding the potential impact of owning the Bonds.

Existing law may change to reduce or eliminate the benefit to bondholders of the exclusion of interest on the Bonds from gross income for federal income tax purposes. Any proposed legislation or administrative action, whether or not taken, could also affect the value and marketability of the Bonds. Prospective purchasers of the Bonds should consult with their own tax advisors with respect to any proposed or future changes in tax law.

### **Tax Accounting Treatment of Discount and Premium on Certain Bonds**

The initial public offering price of certain Bonds (the "Discount Bonds") may be less than the amount payable on such Bonds at maturity. An amount equal to the difference between the initial public offering price of a Discount Bond (assuming that a substantial amount of the Discount Bonds of that maturity are sold to the public at such price) and the amount payable at maturity constitutes original issue discount to the initial purchaser of such Discount Bond. A portion of such original issue discount allocable to the holding period of such Discount Bond by the initial purchaser will, upon the disposition of such Discount Bond (including by reason of its payment at maturity), be treated as interest excludable from gross income, rather than as taxable gain, for federal income tax purposes, on the same terms and conditions as those for other interest on the Bonds described above under "Tax Exemption." Such interest is considered to be accrued actuarially in accordance with the constant interest method over the life of a Discount Bond, taking into account the semiannual compounding of accrued interest, at the yield to maturity on such Discount Bond and generally will be allocated to an initial purchaser in a different amount from the amount of the payment denominated as interest actually received by the initial purchaser during the tax year.

However, such interest may be required to be taken into account in determining the amount of the branch profits tax applicable to certain foreign corporations doing business in the United States, even though there will not be a corresponding cash payment. In addition, the accrual of such interest may result in certain other collateral federal income tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, S corporations with subchapter C earnings and profits, corporations subject to the alternative minimum tax on adjusted financial statement income, individual recipients of Social Security or Railroad Retirement benefits, individuals otherwise qualifying for the earned income tax credit, owners of an interest in a FASIT, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations. Moreover, in the event of the redemption, sale or other taxable disposition of a Discount Bond by the initial owner prior to maturity, the amount realized by such owner in excess of the basis of such Discount Bond in the hands of such owner (adjusted upward by the portion of the original issue discount allocable to the period for which such Discount Bond was held) is includable in gross income.

Owners of Discount Bonds should consult with their own tax advisors with respect to the determination of accrued original issue discount on Discount Bonds for federal income tax purposes and with respect to the state and local tax consequences of owning and disposing of Discount Bonds. It is possible that, under applicable provisions governing determination of state and local income taxes, accrued interest on Discount Bonds may be deemed to be received in the year of accrual even though there will not be a corresponding cash payment.

The purchase price of certain Bonds (the "Premium Bonds") paid by an owner may be greater than the amount payable on such Bonds at maturity. An amount equal to the excess of a purchaser's tax basis in a Premium Bond over the amount payable at maturity constitutes premium to such purchaser. The basis for federal income tax purposes of a Premium Bond in the hands of such purchaser must be reduced each year by the amortizable bond premium, although no federal income tax deduction is allowed as a result of such reduction in basis for amortizable bond premium. Such reduction in basis will increase the amount of any gain (or decrease the amount of any loss) to be recognized for federal income tax purposes upon a sale or other taxable disposition of a Premium Bond. The amount of premium that is amortizable each year by a purchaser is determined by using such purchaser's yield to maturity (or, in some cases with respect to a callable Bond, the yield based on a call date that results in the lowest yield on the Bond).

Purchasers of the Premium Bonds should consult with their own tax advisors with respect to the determination of amortizable bond premium on Premium Bonds for federal income tax purposes and with respect to the state and local tax consequences of owning and disposing of Premium Bonds.

## **LEGAL MATTERS**

### **Legal Proceedings**

Delivery of the Bonds will be accompanied by the unqualified approving legal opinion of the Attorney General to the effect that the Bonds are valid and legally binding obligations of the City under the Constitution and laws of the State, payable from the Trust Estate and, based upon their examination of a transcript of certified proceedings relating to the issuance and sale of the Bonds, the legal opinion of Bond Counsel, to a like effect.

Norton Rose Fulbright US LLP serves as Bond Counsel to the City. Locke Lord LLP serves as Underwriter's Counsel. The legal fees paid to Bond Counsel and Underwriter's Counsel are contingent upon the sale and delivery of the Bonds.

### **Legal Opinions**

The City will furnish the Underwriter a transcript of certain certified proceedings incident to the authorization and issuance of the Bonds. Such transcript will include a certified copy of the approving opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State, to the effect that the Bonds are valid and binding special obligations of the City. The City will also furnish the legal opinion of Bond Counsel, to the effect that, based upon an examination of such transcript, the Bonds are valid and binding special obligations of the City under the Constitution and laws of the State. The legal opinion of Bond Counsel will further state that the Bonds, including principal thereof and interest thereon, are payable from and secured by a pledge of and lien on the Pledged Revenues. Bond Counsel will also provide a legal opinion to the effect that interest on the Bonds will be excludable from gross income for federal income tax purposes under Section 103(a) of the Code, subject to the matters described above under the caption "TAX MATTERS." A copy of the opinion of Bond Counsel is attached hereto as "APPENDIX C —Form of Opinion of Bond Counsel."

Except as noted below, Bond Counsel did not take part in the preparation of the Official Statement, and such firm has not assumed any responsibility with respect thereto or undertaken independently to verify any of the information contained therein, except that, in its capacity as Bond Counsel, such firm has reviewed the information describing the Bonds in the Official Statement under the captions or subcaptions "PLAN OF FINANCE," "DESCRIPTION OF THE BONDS," "SECURITY FOR THE BONDS" (except for the last paragraph under the subcaption "General"), "ASSESSMENT PROCEDURES" (except for the subcaptions "Assessment Methodology" and "Assessment Amounts") "THE DISTRICT," "TAX MATTERS," "LEGAL MATTERS — Legal Proceedings," "LEGAL MATTERS — Legal Opinions," "SUITABILITY FOR INVESTMENT," "CONTINUING DISCLOSURE — The City," "REGISTRATION AND QUALIFICATION OF BONDS FOR SALE," "LEGAL INVESTMENTS AND ELIGIBILITY TO SECURE PUBLIC FUNDS IN TEXAS" and APPENDIX A and such firm is of the opinion that the information relating to the Bonds, the Bond Ordinance, the Assessment Ordinance and the Indenture contained therein fairly and accurately describes the laws and legal issues addressed therein and, with respect to the Bonds, such information conforms to the Bond Ordinance, the Assessment Ordinance and the Indenture.

The various legal opinions to be delivered concurrently with the delivery of the Bonds express the professional judgment of the attorneys rendering the opinions as to the legal issues explicitly addressed therein. In rendering a legal opinion, the attorney does not become an insurer or guarantor of that expression of professional judgment, of the transaction opined upon, or of the future performance of the parties to the transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

### **Litigation — The City**

At the time of delivery and payment for the Bonds, the City will certify that, except as disclosed herein, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, regulatory agency, public board or body, pending or overtly threatened against the City affecting the existence of the District, or seeking

to restrain or to enjoin the sale or delivery of the Bonds, the application of the proceeds thereof, in accordance with the Indenture, or the collection or application of Assessments securing the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds, the Assessment Ordinance, the Indenture, any action of the City contemplated by any of the said documents, or the collection or application of the Pledged Revenues, or in any way contesting the completeness or accuracy of this Official Statement or any amendment or supplement thereto, or contesting the powers of the City or its authority with respect to the Bonds or any action of the City contemplated by any documents relating to the Bonds.

### **SUITABILITY FOR INVESTMENT**

Investment in the Bonds poses certain economic risks. See “BONDHOLDERS’ RISKS.” No dealer, broker, salesman or other person has been authorized by the City or the Underwriter to give any information or make any representations, other than those contained in this Official Statement, and, if given or made, such other information or representations must not be relied upon as having been authorized by either of the foregoing.

### **ENFORCEABILITY OF REMEDIES**

The remedies available to the owners of the Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions, which are often subject to discretion and delay. See “BONDHOLDERS’ RISKS — Remedies and Bankruptcy.” Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified, as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors and enacted before or after such delivery.

### **BOND INSURANCE**

#### **Bond Insurance Policy**

Concurrently with the issuance of the Bonds, Build America Mutual Assurance Company (“BAM”) will issue its Municipal Bond Insurance Policy for the Bonds (the “Policy”). The Policy guarantees the scheduled payment of principal of and interest on the Bonds when due as set forth in the form of the Policy included as an exhibit to this Official Statement.

The Policy is not covered by any insurance security or guaranty fund established under New York, California, Connecticut or Florida insurance law.

#### **Build America Mutual Assurance Company**

BAM is a New York domiciled mutual insurance corporation and is licensed to conduct financial guaranty insurance business in all fifty states of the United States and the District of Columbia. BAM provides credit enhancement products solely to issuers in the U.S. public finance markets. BAM will only insure municipal bonds, as defined in Section 6901 of the New York Insurance Law, which are most often issued by states, political subdivisions, integral parts of states or political subdivisions or entities otherwise eligible for the exclusion of income under section 115 of the U.S. Internal Revenue Code of 1986, as amended. No member of BAM is liable for the obligations of BAM.

The address of the principal executive offices of BAM is: 200 Liberty Street, 27<sup>th</sup> Floor, New York, New York 10281, its telephone number is: 212-235-2500, and its website is located at: [www.buildamerica.com](http://www.buildamerica.com).

BAM is licensed and subject to regulation as a financial guaranty insurance corporation under the laws of the State of New York and in particular Articles 41 and 69 of the New York Insurance Law.

BAM’s financial strength is rated “AA/Stable” by S&P Global Ratings, a business unit of Standard & Poor's Financial Services LLC (“S&P”). An explanation of the significance of the rating and current reports may be obtained from

S&P at [www.standardandpoors.com](http://www.standardandpoors.com). The rating of BAM should be evaluated independently. The rating reflects S&P's current assessment of the creditworthiness of BAM and its ability to pay claims on its policies of insurance. The above rating is not a recommendation to buy, sell or hold the Bonds, and such rating is subject to revision or withdrawal at any time by S&P, including withdrawal initiated at the request of BAM in its sole discretion. Any downward revision or withdrawal of the above rating may have an adverse effect on the market price of the Bonds. BAM only guarantees scheduled principal and scheduled interest payments payable by the issuer of the Bonds on the date(s) when such amounts were initially scheduled to become due and payable (subject to and in accordance with the terms of the Policy), and BAM does not guarantee the market price or liquidity of the Bonds, nor does it guarantee that the rating on the Bonds will not be revised or withdrawn.

#### *Capitalization of BAM*

BAM's total admitted assets, total liabilities, and total capital and surplus, as of March 31, 2024 and as prepared in accordance with statutory accounting practices prescribed or permitted by the New York State Department of Financial Services were \$483.2 million, \$221.8 million and \$261.4 million, respectively.

BAM is party to a first loss reinsurance treaty that provides first loss protection up to a maximum of 15% of the par amount outstanding for each policy issued by BAM, subject to certain limitations and restrictions.

BAM's most recent Statutory Annual Statement, which has been filed with the New York State Insurance Department and posted on BAM's website at [www.buildamerica.com](http://www.buildamerica.com), is incorporated herein by reference and may be obtained, without charge, upon request to BAM at its address provided above (Attention: Finance Department). Future financial statements will similarly be made available when published.

BAM makes no representation regarding the Bonds or the advisability of investing in the Bonds. In addition, BAM has not independently verified, makes no representation regarding, and does not accept any responsibility for the accuracy or completeness of this Official Statement or any information or disclosure contained herein, or omitted herefrom, other than with respect to the accuracy of the information regarding BAM, supplied by BAM and presented under the heading "BOND INSURANCE".

#### *Additional Information Available from BAM*

**Credit Insights Videos.** For certain BAM-insured issues, BAM produces and posts a brief Credit Insights video that provides a discussion of the obligor and some of the key factors BAM's analysts and credit committee considered when approving the credit for insurance. The Credit Insights videos are easily accessible on BAM's website at [www.buildamerica.com/videos](http://www.buildamerica.com/videos). (The preceding website address is provided for convenience of reference only. Information available at such address is not incorporated herein by reference.)

**Credit Profiles.** Prior to the pricing of bonds that BAM has been selected to insure, BAM may prepare a pre-sale Credit Profile for those bonds. These pre-sale Credit Profiles provide information about the sector designation (e.g. general obligation, sales tax); a preliminary summary of financial information and key ratios; and demographic and economic data relevant to the obligor, if available. Subsequent to closing, for any offering that includes bonds insured by BAM, any pre-sale Credit Profile will be updated and superseded by a final Credit Profile to include information about the gross par insured by CUSIP, maturity and coupon. BAM pre-sale and final Credit Profiles are easily accessible on BAM's website at [www.buildamerica.com/credit-profiles](http://www.buildamerica.com/credit-profiles). BAM will produce a Credit Profile for all bonds insured by BAM, whether or not a pre-sale Credit Profile has been prepared for such bonds. (The preceding website address is provided for convenience of reference only. Information available at such address is not incorporated herein by reference.)

**Disclaimers.** The Credit Profiles and the Credit Insights videos and the information contained therein are not recommendations to purchase, hold or sell securities or to make any investment decisions. Credit-related and other analyses and statements in the Credit Profiles and the Credit Insights videos are statements of opinion as of the date expressed, and BAM assumes no responsibility to update the content of such material. The Credit Profiles and Credit Insight videos are prepared by BAM; they have not been reviewed or approved by the issuer of or the underwriter for the Bonds, and the issuer and underwriter assume no responsibility for their content.

BAM receives compensation (an insurance premium) for the insurance that it is providing with respect to the Bonds. Neither BAM nor any affiliate of BAM has purchased, or committed to purchase, any of the Bonds, whether at the initial offering or otherwise.

### **BOND INSURANCE RISK FACTORS**

In the event of default of the payment of principal of or interest on the Bonds when all or some becomes due, any owner of the Bonds shall have a claim against BAM under the Policy for such payments. The payment of principal and interest in connection with mandatory or optional prepayment of the Bonds by the City which is recovered by the City from the Bond owner as a voidable preference under applicable bankruptcy law is covered by the Policy, however, such payments will be made by BAM at such time and in such amounts as would have been due absent such prepayment by the City unless BAM chooses to pay such amounts at an earlier date.

Under no circumstances does default of payment of principal or interest obligate acceleration of the obligations of BAM without their consent, so long as BAM performs its obligations under the Policy. In the event BAM is unable to make payment of principal or interest as such payments become due under the Policy, the Bonds are payable solely from Trust Estate pledged in the Indenture. In the event BAM becomes obligated to make payments with respect to the Bonds, no assurance is given that such event will not adversely affect the market price of the Bonds or the marketability (liquidity) for the Bonds.

The long-term rating on the Bonds is dependent in part on the financial strength of BAM and its claims paying ability. BAM's financial strength and claims paying ability are predicated upon a number of factors which could change over time. No assurance is given that the long-term ratings of BAM or of the Bonds insured by BAM will not be subject to downgrade and such event could adversely affect the market price of the Bonds or the marketability (liquidity) for the Bonds.

The obligations of BAM are general obligations of BAM and in an event of default by BAM the remedies may be limited by applicable bankruptcy law. None of the City, the Underwriter or the Financial Advisor have made an independent investigation into the claims paying ability of BAM and no assurance or representation regarding the financial strength or projected financial strength of BAM is given.

### **RATING**

S&P Global Ratings, a business unit of Standard & Poor's Financial Services LLC business ("S&P") has assigned a rating of AA (stable outlook) based on the municipal bond insurance policy of BAM to be issued simultaneously with the delivery of the Bonds. S&P is located at 55 Water Street, New York, New York 10041, telephone number (212) 208-8000 and has engaged in providing ratings for corporate bonds since 1923 and municipal bonds since 1940. Long-term debt ratings assigned by S&P reflect its analysis of the overall level of credit risk involved in financings. At present S&P assigns long-term debt ratings with symbols "AAA" (the highest rating) through "D" (the lowest rating). Furthermore, a security rating is not a recommendation to buy, sell, or hold securities. There is no assurance that such rating will continue for any given period of time or that it will not be revised downward or withdrawn entirely by S&P, if in its judgment, circumstances so warrant. Any such revisions or withdrawal of the rating may have an adverse effect on the market price of the Bonds. An explanation of the significance of any rating may be obtained from S&P. The ratings reflect only the view of S&P and the City makes no representation as to the appropriateness of the rating.

### **CONTINUING DISCLOSURE**

#### **The City**

Pursuant to Rule 15c2-12 of the United States Securities and Exchange Commission (the "Rule"), the City, the Administrator and HTS Continuing Disclosure Services, a division of Hilltop Securities Inc. (in such capacity, the "Dissemination Agent") expect to enter into a Continuing Disclosure Agreement (the "City Disclosure Agreement") for the benefit of the Owners of the Bonds (including owners of beneficial interests in the Bonds), to provide, by certain dates prescribed in the City Disclosure Agreement, certain financial information and operating data relating to the City (collectively, the "City Reports"). The specific nature of the information to be contained in the City Reports

is set forth in “APPENDIX D — Form of City Disclosure Agreement.” Under certain circumstances, the failure of the City to comply with its obligations under the City Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the City Disclosure Agreement would allow the Owners of the Bonds (including owners of beneficial interests in the Bonds) to bring an action for specific performance.

The City has agreed to update information and to provide notices of certain specified events only as provided in the City Disclosure Agreement. The City has not agreed to provide other information that may be relevant or material to a complete presentation of its financial results of operations, condition, or prospects or agreed to update any information that is provided in this Official Statement, except as provided in the City Disclosure Agreement. The City makes no representation or warranty concerning such information or concerning its usefulness to a decision to invest in or sell the Bonds at any future date. The City disclaims any contractual or tort liability for damages resulting in whole or in part from any breach of the City Disclosure Agreement or from any statement made pursuant to the City Disclosure Agreement.

### **The City’s Compliance with Prior Undertakings**

Except as described below, during the last five years, the City has complied in all material respects with its continuing disclosure agreements made in accordance with the Rule.

In connection with the City’s Special Assessment Revenue Bonds, Series 2018 (Creeks of Legacy Public Improvement District Phase #1B Project), the City timely filed certain financial information and operating data for the fiscal year ended in September 30, 2018 and for the fiscal year ended in September 30, 2019 required by its continuing disclosure undertaking related to such bonds. Due to an administrative oversight, such filings did not include certain information of the general type included in “Table 4 – TIRZ Collection and Credit Information in Phase #1 of the District” and “Table 5 – Collection and Delinquency History in Assessments in Neighborhood Improvement Area #1 of the District” of the final Limited Offering Memorandum for such bonds. On December 3, 2019, the City filed on EMMA the omitted information contained in Table 4 related to its Fiscal Year 2018 filing, as well as a notice of failure to timely file such information. Due to an administrative oversight, the omitted information contained in such Table 5 was not included in the City’s December 3, 2019 supplemental filing. Additionally, on July 2, 2020, the City filed on EMMA the omitted information contained in Table 4 and Table 5 related to its Fiscal Year 2019 filing along with a notice of failure to timely file such information.

## **UNDERWRITING**

FMSbonds, Inc. (the “Underwriter”) has agreed to purchase the Bonds from the City at a purchase price of \$ \_\_\_\_\_ (the par amount of the Bonds, less an original issue discount of \$ \_\_\_\_\_ and less an underwriting discount of \$ \_\_\_\_\_, which includes Underwriter’s Counsel’s fee of \$ \_\_\_\_\_). The Underwriter’s obligations are subject to certain conditions precedent and if obligated to purchase any of the Bonds the Underwriter will be obligated to purchase all of the Bonds. The Bonds may be offered and sold by the Underwriter at prices lower than the initial offering prices stated on the inside cover page hereof, and such initial offering prices may be changed from time to time by the Underwriter.

## **REGISTRATION AND QUALIFICATION OF BONDS FOR SALE**

The sale of the Bonds has not been registered under the federal Securities Act of 1933, as amended (the “Securities Act”), in reliance upon the exemption provided thereunder by Section 3(a)(2); and the Bonds have not been qualified under the Securities Act of Texas in reliance upon various exemptions contained therein; nor have the Bonds been qualified under the securities acts of any other jurisdiction. The City assumes no responsibility for qualification of the Bonds under the securities laws of any jurisdiction in which the Bonds may be sold, assigned, pledged, hypothecated or otherwise transferred. This disclaimer of responsibility for qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration provisions.

## LEGAL INVESTMENT AND ELIGIBILITY TO SECURE PUBLIC FUNDS IN TEXAS

The PID Act and Section 1201.041 of the Public Security Procedures Act (Chapter 1201, Texas Government Code, as amended) provide that the Bonds are negotiable instruments and investment securities governed by Chapter 8, Texas Business and Commerce Code, as amended, and are legal and authorized investments for insurance companies, fiduciaries, trustees, or for the sinking funds of municipalities or other political subdivisions or public agencies of the State. With respect to investment in the Bonds by municipalities or other political subdivisions or public agencies of the State, the PPIA requires that the Bonds be assigned a rating of at least “A” or its equivalent as to investment quality by a national rating agency. See “RATING” above. In addition, the PID Act and various provisions of the Texas Finance Code provide that, subject to a prudent investor standard, the Bonds are legal investments for state banks, savings banks, trust companies with capital of one million dollars or more, and savings and loan associations. The Bonds are eligible to secure deposits to the extent of their market value. No review by the City has been made of the laws in other states to determine whether the Bonds are legal investments for various institutions in those states. No representation is made that the Bonds will be acceptable to public entities to secure their deposits or acceptable to such institutions for investment purposes.

The City made no investigation of other laws, rules, regulations or investment criteria which might apply to such institutions or entities or which might limit the suitability of the Bonds for any of the foregoing purposes or limit the authority of such institutions or entities to purchase or invest in the Bonds for such purposes.

In addition, bond proceeds may be invested in guaranteed investment contracts that have a defined termination date and are secured by obligations, including letters of credit, of the United States or its agencies and instrumentalities in an amount at least equal to the amount of bond proceeds invested under such contract, other than the prohibited obligations described in the next succeeding paragraph

The City invests its funds in investments authorized by Texas law in accordance with investment policies approved by the City Council. Both Texas law and the City's investment policies are subject to change.

Under Texas law, the City may invest in such obligations directly or through government investment pools that invest solely in such obligations provided that the pools are rated no lower than "AAA" or "AAA-m" or an equivalent by at least one nationally recognized rating service. The City may also contract with an investment management firm registered under the Investment Advisers Act of 1940 (15 U.S.C. Section 80b-1 et seq.) or with the State Securities Board to provide for the investment and management of its public funds or other funds under its control for a term up to two years, but the City retains ultimate responsibility as fiduciary of its assets. In order to renew or extend such a contract, the City must do so by order, ordinance, or resolution. The City is specifically prohibited from investing in: (1) obligations whose payment represents the coupon payments on the outstanding principal balance of the underlying mortgage-backed security collateral and pays no principal; (2) obligations whose payment represents the principal stream of cash flow from the underlying mortgage-backed security and bears no interest; (3) collateralized mortgage obligations that have a stated final maturity of greater than 10 years; and (4) collateralized mortgage obligations the interest rate of which is determined by an index that adjusts opposite to the changes in a market index.

Political subdivisions such as the City are authorized to implement securities lending programs if (i) the securities loaned under the program are 100% collateralized, a loan made under the program allows for termination at any time and a loan made under the program is either secured by (a) obligations that are described in clauses (1) through (6) of the first paragraph under this subcaption, (b) irrevocable letters of credit issued by a state or national bank that is continuously rated by a nationally recognized investment rating firm not less than "A" or its equivalent, or (c) cash invested in obligations that are described in clauses (1) through (6) and (10) through (12) of the first paragraph under this subcaption, or an authorized investment pool; (ii) securities held as collateral under a loan are

Under Texas law, the City is required to invest its funds under written investment policies that primarily emphasize safety of principal and liquidity; that address investment diversification, yield, maturity, and the quality and capability of investment management; and that includes a list of authorized investments for City funds, the maximum allowable stated maturity of any individual investment, the maximum average dollar-weighted maturity allowed for pooled fund groups, methods to monitor the market price of investments acquired with public funds, a requirement for settlement of all transactions, except investment pool funds and mutual funds, on a delivery versus payment basis, and procedures to monitor rating changes in investments acquired with public funds and the liquidation of such investments consistent with the PFIA. All City funds must be invested consistent with a formally adopted "Investment Strategy Statement" that specifically addresses each fund's investment. Each Investment Strategy Statement will describe its objectives concerning: (1) suitability of investment type, (2) preservation and safety of principal, (3) liquidity, (4) marketability of each investment, (5) diversification of the portfolio, and (6) yield.

Under Texas law, City investments must be made "with judgment and care, under prevailing circumstances, that a person of prudence, discretion, and intelligence would exercise in the management of the person's own affairs, not for speculation, but for investment, considering the probable safety of capital and the probable income to be derived." At least quarterly the investment officers of the City shall submit an investment report detailing: (1) the investment position of the City, (2) that all investment officers jointly prepared and signed the report, (3) the beginning market value, the ending market value and the fully accrued interest for the reporting period of each pooled fund group, (4) the book value and market value of each separately listed asset and fund type invested at the beginning and end of the reporting period by the type of asset and fund type invested, (5) the maturity date of each separately invested asset, (6) the account or fund or pooled fund group for which each individual investment was acquired, and (7) the compliance of the investment portfolio as it relates to: (a) adopted investment strategy statements and (b) state law. No person may invest City funds without express written authority from the City Council.

Under Texas law the City is additionally required to: (1) annually review its adopted policies and strategies; (2) adopt a rule, order, ordinance or resolution stating that it has reviewed its investment policy and investment strategies and records any changes made to either its investment policy or investment strategy in the respective rule, order, ordinance or resolution; (3) require any investment officers' with personal business relationships or relatives with firms seeking to sell securities to the City to disclose the relationship and file a statement with the Texas Ethics Commission and the City Council; (4) require the registered principal of firms seeking to sell securities to the City to: (a) receive and review the City's investment policy, (b) acknowledge that reasonable controls and procedures have been implemented to preclude investment transactions conducted between the City and the business organization that are not authorized by the City's investment policy (except to the extent that this authorization is dependent on an analysis of the makeup of the City's entire portfolio or requires an interpretation of subjective investment standards), and (c) deliver a written statement attesting to these requirements; (5) perform an annual audit of the management controls on investments and adherence to the City's investment policy; (6) provide specific investment training for the officers of the City; (7) restrict reverse repurchase agreements to not more than 90 days and restrict the investment of reverse repurchase agreement funds to no greater than the term of the reverse repurchase agreement; (8) restrict the investment in no-load mutual funds in the aggregate to no more than 15% of the entity's monthly average fund balance, excluding bond proceeds and reserves and other funds held for debt service; (9) require local government investment pools to conform to the new disclosure, rating, net asset value, yield calculation, and advisory board requirements; and (10) at least annually review, revise, and adopt a list of qualified brokers that are authorized to engage in investment transactions with the City.

Provided, however, if the City or its assigns shall well and truly pay, or cause to be paid, the principal or redemption price of and the interest on all the Bonds at the times and in the manner stated in the Bonds, according to the true intent and meaning thereof, then this Indenture and the rights hereby granted shall cease, terminate and be void; otherwise this Indenture is to be and shall remain in full force and effect.

(a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond, the Trustee shall authenticate and deliver in exchange therefor a replacement Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding. The City or the Paying Agent/Registrar may require the Owner of such Bond to pay a sum

sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond is lost, apparently destroyed or wrongfully taken, the Trustee, pursuant to the Applicable Laws of the State of Texas and in the absence of notice or knowledge that such Bond has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond of like tenor and principal amount bearing a number not contemporaneously outstanding, provided that the Owner first complies with the following requirements:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the Trustee to save them and the City harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Trustee and the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the City and the Trustee.

(c) After the delivery of such replacement Bond, if a bona fide purchaser of the original Bond in lieu of which such replacement Bond was issued presents for payment such original Bond, the City and the Paying Agent/Registrar shall be entitled to recover such replacement Bond from the Person to whom it was delivered or any Person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost, or expense incurred by the City, the Paying Agent/Registrar or the Trustee in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond, may pay such Bond if it has become due and payable or may pay such Bond when it becomes due and payable.

(e) Each replacement Bond delivered in accordance with this Section shall constitute an original additional contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond or Bonds in lieu of which such replacement Bond is delivered.

### Section 3.11. Book-Entry Only System.

The Bonds shall initially be issued in book-entry-only form and shall be deposited with DTC, which is hereby appointed to act as the securities depository therefor, in accordance with the letter of representations from the City to DTC. On the Closing Date the definitive Bonds shall be issued in the form of a single typewritten certificate for each maturity thereof registered in the name of Cede & Co., as nominee for DTC.

With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the City, the Trustee and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any Person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the City, the Trustee and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other Person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other Person, other than an Owner, as shown in the Register of any amount with respect to principal of, premium, if any, or interest on the Bonds. Notwithstanding any other provision of this Indenture to the contrary, the City, the Trustee and the Paying Agent/Registrar shall be entitled to treat and consider the Person in whose name each Bond is registered in the Register as the absolute owner of such Bond for the purpose of payment of principal of, premium, if any, and interest on Bonds, for the purpose of giving notices of redemption and other matters with respect to such Bond, for the purpose of registering transfer with respect to such Bond, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Owners as shown in the Register, as provided in this Indenture, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No Person other than an Owner, as shown in the Register, shall receive a Bond certificate evidencing the obligation of the City to make payments of amounts due pursuant to this Indenture. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Indenture with respect to interest checks or drafts being mailed to the registered owner at the close of business on the relevant Record Date, the word "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

### Section 3.12. Successor Securities Depository: Transfer Outside Book-Entry-Only System.

In the event that the City determines that DTC is incapable of discharging its responsibilities described herein and in the letter of representations from the City to DTC, the City shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository; or (ii) notify DTC and DTC Participants of the availability through DTC of certificated Bonds and cause the Paying Agent/Registrar to transfer one or more separate registered Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Indenture.

### Section 3.13. Payments to Cede & Co.

Notwithstanding any other provision of this Indenture to the contrary, so long as any Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bonds, and all notices with respect to such Bonds shall be made and given, respectively, in the manner provided in the rules and procedures of DTC or in the blanket letter of representations from the City to DTC.

(b) At least 45 days prior to each mandatory sinking fund redemption date, and subject to any prior reduction authorized by subparagraphs (c) and (d) of this Section, the Trustee shall select a principal amount of Bonds of such maturity equal to the Sinking Fund Installment amount of such Bonds to be redeemed, in accordance with Section 4.5(b), shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in Section 4.6.

(c) The principal amount of Bonds of a Stated Maturity required to be redeemed on any mandatory sinking fund redemption date pursuant to subparagraph (a) of this Section 4.2 shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least 45 days prior to the mandatory sinking fund redemption date shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued and unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation.

(d) The principal amount of Bonds required to be redeemed on any mandatory sinking fund redemption date pursuant to subparagraph (a) of this Section 4.2 shall be reduced on a pro rata basis among Sinking Fund Installments by the principal amount of any Bonds which, at least 45 days prior to the mandatory sinking fund redemption date, shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.

Section 4.3. Optional Redemption.

The City reserves the right and option to redeem the Bonds maturing on or after September 1, 20\_\_, before their respective scheduled maturity dates, in whole or in part, on any date on or after September 1, 20\_\_, such redemption date or dates to be fixed by the City, at the Redemption Price.

Section 4.4. Extraordinary Optional Redemption.

Notwithstanding any provision in this Indenture to the contrary, the City reserves the right and option to redeem Bonds before their respective scheduled maturity dates, in whole or in part and in an amount and on any date specified in a City Certificate, at the Redemption Price of such Bonds, or portions thereof, to be redeemed plus accrued interest to the date of redemption from amounts on deposit in the Redemption Fund as a result of Prepayments (including related transfers to the Redemption Fund made pursuant to the terms of this Indenture) or any other transfers to the Redemption Fund under the terms of this Indenture.

Section 4.5. Partial Redemption.

(a) If less than all of the Bonds are to be redeemed pursuant to Sections 4.2, 4.3, or 4.4, Bonds shall be redeemed in minimum principal amounts of \$1,000 or any integral multiple thereof. Each Bond shall be treated as representing the number of Bonds that is obtained by dividing the principal amount of such Bond by \$1,000. No redemption shall result in a Bond in a denomination of less than the Authorized Denomination in effect at that time; provided, however, if the amount of the Outstanding Bond is less than an Authorized Denomination after giving effect to such partial redemption, a Bond in the principal amount equal to the unredeemed portion may be issued.

(b) In selecting the Bonds to be redeemed pursuant to Section 4.2, the Trustee may select Bonds in any method that results in a random selection.

(c) In selecting the Bonds to be redeemed pursuant to Section 4.3, the Trustee may rely on the directions provided in a City Certificate.

(d) If less than all of the Bonds are called for extraordinary optional redemption pursuant to Section 4.4 hereof, the Bonds or portion of a Bond, as applicable, to be redeemed shall be selected in the following manner:

(i) with respect to a Substantial Amount Redemption, the principal amount called for redemption shall be allocated on a pro-rata basis among all Outstanding Bonds; and

(ii) with respect to a Minor Amount Redemption, the Outstanding Bonds or Bond, as applicable, shall be redeemed in the inverse order of maturity.

(e) Upon surrender of any Bond for redemption in part, the Trustee in accordance with Section 3.7 of this Indenture, shall authenticate and deliver an exchange Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, such exchange being without charge.

Section 4.6. Notice of Redemption to Owners.

(a) The Trustee shall give notice of any redemption of Bonds by sending notice by United States mail, first-class, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond or portion thereof to be redeemed, at the address shown in the Register. So long as the Bonds are in book-entry-only form and held by DTC as the securities depository, Owner means Cede & Co., as nominee for DTC.

(b) The notice shall state the redemption date, the Redemption Price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, and subject to Section 4.5 hereof, an identification of the Bonds or portions thereof to be redeemed, any conditions to such redemption and that on the redemption date, if all conditions, if any, to such redemption have been satisfied, such Bond shall become due and payable.

(c) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

(d) The City has the right to rescind any optional redemption or extraordinary optional redemption described in Section 4.3 or 4.4 by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under the Indenture. The Trustee shall mail notice of rescission of redemption in the same manner notice of redemption was originally provided.

(e) With respect to any optional redemption or extraordinary optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the Redemption Price of the Bonds to be redeemed before giving of a notice of redemption, the notice may state that the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not satisfied and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

Section 4.7. Payment Upon Redemption.

(a) The Trustee shall make provision for the payment of the Bonds to be redeemed on such date by setting aside and holding in trust an amount from the Redemption Fund or otherwise received by the Trustee from the City and shall use such funds solely for the purpose of paying the Redemption Price on the Bonds being redeemed.

(b) Upon presentation and surrender of any Bond called for redemption at the Designated Payment/Transfer Office on or after the date fixed for redemption, the Paying Agent/Registrar shall pay the Redemption Price on such Bond to the date of redemption from the moneys set aside for such purpose.

Section 4.8. Effect of Redemption.

Notice of redemption having been given as provided in Section 4.6 of this Indenture, the Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption provided that funds for the payment of the Redemption Price are on deposit with the Trustee; thereafter, such Bonds or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Bonds are presented and surrendered for payment on such date.

The City may secure identification numbers through the CUSIP Services managed by S&P Global Market Intelligence on behalf of The American Bankers Association, New York, New York, and may authorize the printing of such numbers on the face of the Bonds. It is expressly provided, however, that the presence or absence of CUSIP numbers on the Bonds shall be of no significance or effect as regards the legality thereof and neither the City, the Trustee or the attorneys approving said Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed on the Bonds. The Trustee may include in any redemption notice a statement to the effect that the CUSIP numbers on the Bonds have been assigned by an independent service and are included in such notice solely for the convenience of the Owners of the Bonds and that neither the City nor the Trustee shall be liable for any inaccuracies of such numbers.

Section 5.3. Legal Opinion.

The approving legal opinion of Bond Counsel may be printed on or attached to each Bond over the certification of the City Secretary of the City, which may be executed in facsimile.

(e) The Trustee may, from time to time, upon written direction from the City pursuant to a City Certificate, create additional Funds or Accounts hereunder as may be necessary for the receipt and application of the Assessment Revenues, to facilitate the payment or redemption of the Bonds.

Section 6.2. Initial Deposits to Funds and Accounts.

(a) The proceeds from the sale of the Bonds in the amount of \$\_\_\_\_\_, and moneys transferred from accounts previously created in the indenture authorizing the Refunded Bonds in an amount of \$\_\_\_\_\_ shall be paid to the Trustee and deposited or transferred by the Trustee as follows:

(a) On or before February 15 of each year while the Bonds are Outstanding and beginning February 15, 2025, the City shall deposit or cause to be deposited the Pledged Revenues into the Pledged Revenue Fund. From amounts deposited to the Pledged Revenue Fund, the City shall deposit or cause to be deposited the Pledged Revenues as follows: (i) first, to the Bond Pledged Revenue Account of the Pledged Revenue Fund in an amount sufficient to pay debt service on the Bonds next coming due in such calendar year, (ii) second, to the Reserve Account of the Reserve Fund in an amount to cause the amount in the Reserve Account to equal the Reserve Account Requirement in accordance with Section 6.7 hereof, (iii) third, to the Additional Interest Reserve Account in an amount equal to the Additional Interest collected, if any, in accordance with Section 6.7(b) hereof, and (iv) fourth, to pay other costs permitted by the PID Act.

(b) From time to time as needed to pay the obligations relating to the Bonds, but no later than five (5) Business Days before each Interest Payment Date, the Trustee shall withdraw from the Bond Pledged Revenue Account of the Pledged Revenue Fund and transfer to the Principal and Interest Account of the Bond Fund, an amount, taking into account any amounts then on deposit in the Principal and Interest Account of the Bond Fund, such that the amount on deposit in the Principal and Interest Account of the Bond Fund equals the principal (including any Sinking Fund Installments) and interest due on the Bonds on the next Interest Payment Date.

(c) If, after the foregoing transfers and any transfer from an Account within the Reserve Fund as provided in Section 6.7 herein, there are insufficient funds to make the payments provided in paragraph (b) above, the Trustee shall apply the available funds in the Principal and

Interest Account of the Bond Fund first to the payment of interest, and, then to the payment of principal (including any Sinking Fund Installments) on the Bonds.

(d) Notwithstanding Section 6.3(a) hereof, the Trustee shall deposit Prepayments to the Pledged Revenue Fund and as soon as practicable after such deposit shall transfer such Prepayments to the Redemption Fund.

(e) Notwithstanding Section 6.3(a) hereof, the Trustee shall deposit Foreclosure Proceeds to the Pledged Revenue Fund and as soon as practicable after such deposit shall transfer Foreclosure Proceeds first, to the Reserve Account to restore any transfers from the Reserve Account made with respect to the Assessed Parcel(s) to which the Foreclosure Proceeds relate, second, to the Additional Interest Reserve Account to restore any transfers from the Additional Interest Reserve Account made with respect to the Assessed Parcel(s) to which the Foreclosure Proceeds relate, and third, to the Redemption Fund.

(f) After satisfaction of the requirement to provide for the payment of the principal and interest on the Bonds and to fund any deficiency that may exist in an Account of the Reserve Fund, the Trustee, at the direction of the City by City Certificate, may apply Assessments for any lawful purposes permitted by the PID Act for which Assessments may be paid, including making transfers to the Redemption Fund to redeem Bonds in accordance with the terms hereof.

(g) Any Pledged Revenues remaining after satisfying the foregoing payments shall be applied by the Trustee, as instructed by the City pursuant to a City Certificate, for any lawful purpose permitted by the PID Act for which such additional Pledged Revenues may be used, including transfers to other Funds and Accounts created pursuant to this Indenture.

Section 6.4. Bond Fund.

(a) On each Interest Payment Date, the Trustee shall withdraw from the Principal and Interest Account of the Bond Fund and transfer to the Paying Agent/Registrar the principal (including any Sinking Fund Installments) and/or interest then due and payable on the Bonds.

(b) If amounts in the Bond Fund are insufficient for the purposes set forth in paragraph (a) above, the Trustee shall withdraw from the Reserve Fund amounts to cover the amount of such insufficiency in accordance with Section 6.7(f) hereof. Amounts so withdrawn from the Reserve Fund shall be deposited in the Principal and Interest Account of the Bond Fund and transferred to the Paying Agent/Registrar.

Section 6.5. Project Fund.

(a) Money on deposit in the Project Fund shall be used for the purposes specified in Section 3.1 hereof.

(b) On the Closing Date, the proceeds in the Bond Proceeds Account shall be immediately transferred by the Trustee to the paying agent/registrar for the Refunded Bonds to be applied towards the defeasance of the Refunded Bonds, as set forth in the indenture authorizing the Refunded Bonds. Once all of the funds deposited into the Bond Proceeds Account have been transferred to the paying agent/registrar for the Refunded Bonds, the Bond Proceeds Account of the Project Fund shall be closed.

(c) Disbursements from the Costs of Issuance Account of the Project Fund shall be made by the Trustee to pay costs of issuance of the Bonds pursuant to one or more City Certificates.

(d) Not later than six months following the Closing Date or upon an earlier determination by the City Representative that all costs of issuance of the Bonds have been paid, any amounts remaining in the Costs of Issuance Account shall be transferred to the Principal and Interest Account of the Bond Fund and used to pay interest on the Bonds, as directed by the City in a City Certificate filed with the Trustee, and the Costs of Issuance Account shall be closed.

(e) In making the determination pursuant to subsection (d) of this Section, the City Representative may conclusively rely upon a certificate of an Independent Financial Consultant.

Section 6.6. Redemption Fund.

(a) The Trustee shall cause to be deposited to the Redemption Fund from the Pledged Revenue Fund an amount sufficient to redeem Bonds as provided in Sections 4.3 and 4.4 on the dates specified for redemption as provided in Sections 4.3 and 4.4. Amounts on deposit in the Redemption Fund shall be used and withdrawn by the Trustee to redeem Bonds as provided in Article IV.

Section 6.7. Reserve Fund.

(a) At the Closing Date, the Reserve Account shall be funded as set forth in Section 6.2 above. The City agrees with the Owners of the Bonds to accumulate, and when accumulated maintain in the Reserve Account of the Reserve Fund, an amount equal to not less than the Reserve Account Requirement, except to the extent such deficiency is due to the application of Section 6.7(d) hereof. All amounts deposited in the Reserve Account of the Reserve Fund shall be used and withdrawn by the Trustee for the purpose of making transfers to the Bond Fund or the Redemption Fund as provided in this Indenture.

(b) At the Closing Date, the Additional Interest Reserve Account shall be funded as set forth in Section 6.2 above. If the amount on deposit in the Additional Interest Reserve Account shall at any time, be less than the Additional Interest Reserve Requirement, the Trustee shall notify the City, in writing, of the amount of such shortfall, and the City shall file a City Certificate with the Trustee instructing the Trustee to transfer from the Bond Pledged Revenue Account to the Additional Interest Reserve Account on March 1 and September 1 of each year, an amount equal to the Additional Interest collected, if any, until the Additional Interest Reserve Requirement has been accumulated in the Additional Interest Reserve Account. If, after such deposits, there is surplus Additional Interest remaining in excess of the Additional Interest Reserve Requirement, the Trustee shall transfer such surplus Additional Interest to the Redemption Fund, and shall notify the City of such transfer in writing. Notwithstanding the foregoing, the City shall not be required to replenish the Additional Interest Reserve Account in the event funds are transferred from the Additional Interest Reserve Account to the Redemption Fund as a result of an extraordinary optional redemption of Bonds from the proceeds of a Prepayment pursuant to Section 4.4 of this Indenture, and the Additional Interest Reserve Requirement shall be reduced, accordingly. In the event the Additional Interest Reserve Requirement is reduced in accordance with the above provisions, the City will notify the Trustee, by a City Certificate, of the new Additional Interest Reserve Requirement. In calculating the amounts to be transferred pursuant to this Section, the Trustee may conclusively rely on the

Annual Installments as shown on the Assessment Roll in the Service and Assessment Plan or an Annual Service Plan Update, unless and until it receives a City Certificate directing that a different amount be used.

(c) Whenever a transfer is made from an Account of the Reserve Fund to the Bond Fund due to a deficiency in the Principal and Interest Account of the Bond Fund, the Trustee shall provide written notice thereof to the City, specifying the amount withdrawn and the source of said funds.

(d) Whenever Bonds are to be redeemed with the proceeds of Prepayments pursuant to Section 4.4, the Trustee shall transfer, on the Business Day prior to the redemption date (or on such other date as agreed to by the City and the Trustee), from the Reserve Account of the Reserve Fund to the Redemption Fund, an amount specified in a City Certificate to be applied to the redemption of the Bonds. The amount so transferred from the Reserve Account of the Reserve Fund shall be equal to the principal amount of the Bonds to be redeemed with such Prepayments multiplied by the lesser of: (i) the amount required to be in the Reserve Account of the Reserve Fund divided by the principal amount of Outstanding Bonds prior to the redemption, and (ii) the amount actually in the Reserve Account of the Reserve Fund divided by the principal amount of Outstanding Bonds prior to the redemption. If after such transfer, and after applying investment earnings on the Prepayment toward payment of accrued interest, there are insufficient funds in the Redemption Fund to pay the principal amount plus accrued and unpaid interest to the date fixed for redemption of the Bonds to be redeemed, as identified in a City Certificate, as a result of such Prepayment and as a result of the transfer from the Reserve Account under this Section 6.7(d), the Trustee shall transfer an amount equal to the shortfall, and/or any additional amounts necessary to permit the Bonds to be redeemed in minimum principal amounts of \$1,000, from the Additional Interest Reserve Account to the Redemption Fund to be applied to the redemption of the Bonds.

(e) Whenever, on any Interest Payment Date, or on any other date at the written request of a City Representative, the amount in the Reserve Account exceeds the Reserve Account Requirement, the Trustee shall provide written notice to the City Representative of the amount of the excess. Such excess shall be transferred to the Principal and Interest Account of the Bond Fund to be used for the payment of debt service on the Bonds on the next Interest Payment Date in accordance with Section 6.4 hereof, unless within 30 days of such notice to the City Representative, the Trustee receives a City Certificate instructing the Trustee to apply such excess: (i) to pay amounts due under Section 6.8 hereof, or (ii) for such other use specified in a City Certificate if the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that such alternate use will not adversely affect the exemption from federal income tax of the interest on the Bond.

(f) Whenever, on any Interest Payment Date, the amount on deposit in the Principal and Interest Account of the Bond Fund is insufficient to pay the debt service on the Bonds due on such date, the Trustee shall transfer first, from the Additional Interest Reserve Account of the Reserve Fund to the Principal and Interest Account of the Bond Fund and, second, from the Reserve Account of the Reserve Fund to the Principal and Interest Account of the Bond Fund the amounts necessary to cure such deficiency.

(g) At the final maturity of the Bonds, the amount on deposit in the Reserve Account and the Additional Interest Reserve Account shall be transferred to the Principal and Interest Account of the Bond Fund and applied to the payment of the principal of the Bonds.

(h) If, after a Reserve Account withdrawal pursuant to Section 6.7(f), the amount on deposit in the Reserve Account of the Reserve Fund is less than the Reserve Account Requirement, the Trustee shall transfer from the Pledged Revenue Fund to the Reserve Account of the Reserve Fund the amount of such deficiency, in accordance with Section 6.3.

(i) If the amount held in the Reserve Fund together with the amount held in the Bond Fund and Redemption Fund is sufficient to pay the principal amount of all Outstanding Bonds on the next Interest Payment Date, together with the unpaid interest accrued on such Outstanding Bonds as of such Interest Payment Date, the moneys shall be transferred to the Redemption Fund and thereafter used to redeem all Outstanding Bonds as of such Interest Payment Date.

Section 6.8. Rebate Fund: Rebate Amount.

(a) There is hereby established a special fund of the City to be designated "City of Celina, Texas, Rebate Fund" (the "Rebate Fund") to be held by the Trustee in accordance with the terms and provisions of this Indenture. Amounts on deposit in the Rebate Fund shall be used solely for the purpose of paying amounts due the United States Government relating to the Bonds, in accordance with the Code.

(b) In order to assure that Rebate Amount is paid to the United States rather than to a third party, investments of funds on deposit in the Rebate Fund shall be made in accordance with the Code and the Tax Certificate.

(c) The Trustee conclusively shall be deemed to have complied with the provisions of this Section and Section 7.5(h) and shall not be liable or responsible if it follows the instructions of the City and shall not be required to take any action under this Section (including investment of amounts in the Rebate Fund) and Section 7.5(h) in the absence of written instructions from the City.

(d) If, on the date of each annual calculation, the amount on deposit in the Rebate Fund exceeds the Rebate Amount, the City may direct the Trustee, pursuant to a City Certificate, to transfer the amount in excess of the Rebate Amount to the Principal and Interest Account of the Bond Fund.

Section 6.9. Administrative Fund.

(a) The City shall deposit or cause to be deposited to the Administrative Fund the amounts collected each year to pay the Administrative Expenses and Delinquent Collection Costs.

(b) Moneys in the Administrative Fund shall be held by the Trustee separate and apart from the other Funds created and administered hereunder and used as directed by a City Certificate solely for the purposes set forth in the Service and Assessment Plan.

(c) The Administrative Fund shall not be part of the Trust Estate and shall not be security for the Bonds.

Section 6.10. Investment of Funds.

(a) Money in any Fund or Account established pursuant to this Indenture shall be invested by the Trustee as directed by the City pursuant to a City Certificate filed with the Trustee at least two (2) days in advance of the making of such investment. The money in any Fund or Account shall be invested (i) in time deposits or certificates of deposit secured in the manner required by law for public funds, (ii) in direct obligations of, including obligations the principal and interest on which are unconditionally guaranteed by, the United States of America, (iii) in obligations of any agencies or instrumentalities thereof, or (iv) in such other investments as are permitted under the Public Funds Investment Act, Texas Government Code, Chapter 2256, as amended, or any successor law, as in effect from time to time; provided that all such deposits and investments shall be directed by the City to be made in such manner (which may include repurchase agreements for such investment with any primary dealer of such agreements) that the money required to be expended from any Fund will be available at the proper time or times. Such investments shall be valued each year in terms of current market value as of September 30. Notwithstanding the preceding sentences, amounts in the Additional Interest Reserve Account may not be invested above the Yield (as defined in Section 7.5(a) hereof) on the Bonds, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that such investment and/or the failure to comply with such yield restriction will not adversely affect the exemption from federal income tax of the interest on any Bond. For purposes of maximizing investment returns, to the extent permitted by law, money in such Funds or Accounts may be invested in common investments of the kind described above, or in a common pool of such investment which shall be kept and held at an official depository bank, which shall not be deemed to be or constitute a commingling of such money or funds provided that safekeeping receipts or certificates of participation clearly evidencing the investment or investment pool in which such money is invested and the share thereof purchased with such money or owned by such Fund or Account are held by or on behalf of each such Fund or Account. If necessary, upon written direction by the City to the Trustee, such investments shall be promptly sold to prevent any default.

(b) Obligations purchased as an investment of moneys in any Fund or Account shall be deemed to be part of such Fund or Account, subject, however, to the requirements of this Indenture for transfer of interest earnings and profits resulting from investment of amounts in Funds and Accounts. Whenever in this Indenture any moneys are required to be transferred by the City to the Trustee, such transfer may be accomplished by transferring a like amount of Investment Securities.

(c) The Trustee and its affiliates may act as sponsor, advisor, depository, principal or agent in the acquisition or disposition of any investment. The Trustee shall have no investment discretion and the Trustee's only responsibility for investments shall be to follow the written instructions contained in any City Certificate and to ensure that an investment it is directed to purchase is a permitted investment pursuant to the terms of this Indenture. The Trustee shall not incur any liability for losses arising from any investments made pursuant to this Section. The Trustee shall not be required to determine the suitability or legality of any investments.

(d) Investments in any and all Funds and Accounts may be commingled in a separate fund or funds for purposes of making, holding and disposing of investments, notwithstanding provisions herein for transfer to or holding in or to the credit of particular Funds or Accounts of amounts received or held by the Trustee hereunder, provided that the Trustee

shall at all times account for such investments strictly in accordance with the Funds and Accounts to which they are credited and otherwise as provided in this Indenture.

(e) The Trustee will furnish the City and the Administrator monthly cash transaction statements for such month which include detail for all investment transactions made by the Trustee hereunder; and, unless the Trustee receives a written request, the Trustee is not required to provide brokerage confirmations so long as the Trustee is providing such monthly cash transaction statements.

(f) If, following an annual calculation of the Rebate Amount in accordance with Sections 6.8 and 7.5(h) hereof, it is determined that a Rebate Amount is owed with respect to the Bonds, the City shall direct the Trustee, pursuant to a City Certificate, to transfer to the Rebate Fund an amount equal to the Rebate Amount owed by the City from investment earnings derived from the investment of the amount on deposit in Pledged Funds. The City Certificate shall specify the amount to be transferred and identify the Pledged Fund or Pledged Funds from which the investment earnings shall be transferred.

Section 6.11. Security of Funds.

All Funds or Accounts heretofore created, to the extent not invested as herein permitted, shall be secured in the manner and to the fullest extent required by law for the security of public funds, and such Funds or Accounts shall be used only for the purposes and in the manner permitted or required by this Indenture.

ARTICLE VII

COVENANTS

Section 7.1. Confirmation of Assessments.

The City hereby confirms, covenants, and agrees that the Assessments to be collected from the Assessed Property are as so reflected in the Service and Assessment Plan (as it may be updated from time to time) and, in accordance with the Assessment Ordinance, it has levied the Assessments against the respective Assessed Parcels from which the Pledged Revenues will be collected and received.

Section 7.2. Collection and Enforcement of Assessments.

(a) For so long as any Bonds are Outstanding, the City covenants, agrees and warrants that it will take and pursue all actions permissible under Applicable Laws to cause the Assessments to be collected and the liens thereof enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws, and, to the extent permitted by Applicable Laws, to cause no reduction, abatement or exemption in the Assessments.

(b) The City will determine or cause to be determined, no later than February 15 of each year, whether or not any Annual Installment is delinquent and, if such delinquencies exist, the City will order and cause to be commenced as soon as practicable any and all appropriate and legally permissible actions to obtain such Annual Installment, and any delinquent charges and interest thereon, including diligently prosecuting an action in district court to foreclose the

currently delinquent Annual Installment. Notwithstanding the foregoing, the City shall not be required under any circumstances to purchase or make payment for the purchase of the delinquent Assessment or the corresponding Assessed Parcel. Furthermore, nothing shall obligate the City, the City Attorney, or any appropriate designee to undertake collection or foreclosure actions against delinquent accounts in violation of applicable state law, court order, or existing contractual provisions between the City and its appropriate collections enforcement designees.

Section 7.3. Against Encumbrances.

(a) Other than bonds issued to refund all or a portion of the Bonds, the City shall not create and, to the extent Pledged Revenues are received, shall not suffer to remain, any lien, encumbrance or charge upon the Trust Estate, other than that specified in Section 9.6 of this Indenture, or upon any other property pledged under this Indenture, except the pledge created for the security of the Bonds, and other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds.

(b) So long as Bonds are Outstanding hereunder, and except as set forth in Section 13.2 hereof, the City shall not issue any bonds, notes or other evidences of indebtedness other than the Bonds and bonds issued to refund all or a portion of the Bonds secured by any pledge of or other lien or charge on the Trust Estate or other property pledged under this Indenture, other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds.

Section 7.4. Records, Accounts, Accounting Reports.

The City hereby covenants and agrees that so long as any of the Bonds or any interest thereon remain Outstanding and unpaid, it will keep and maintain a proper and complete system of records and accounts pertaining to the Assessments. The Trustee and Owner or Owners of any Bonds or any duly authorized agent or agents of such Owners shall have the right at all reasonable times to inspect all such records, accounts, and data relating thereto, upon written request to the City by the Trustee, such Owner or duly authorized representative, as applicable. The City shall provide the Trustee, such Owner or duly authorized representative, as applicable, an opportunity to inspect such books and records relating to the Bonds during the City's regular business hours and on a mutually agreeable date not later than thirty days after the City receives such request.

Section 7.5. Covenants to Maintain Tax-Exempt Status.

(a) Definitions. When used in this Section, the following terms shall have the following meanings:

“*Closing Date*” means the date on which the Bonds are first authenticated and delivered to the Purchaser against payment therefor.

“*Code*” means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

“*Computation Date*” has the meaning set forth in section 1.148-1(b) of the Regulations.

“*Gross Proceeds*” means any proceeds as defined in section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in section 1.148-1(c) of the Regulations, of the Bonds.

“*Investment*” has the meaning set forth in section 1.148-1(b) of the Regulations.

“*Nonpurpose Investment*” means any investment property, as defined in section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

“*Regulations*” means any proposed, temporary or final Income Tax Regulations issued pursuant to sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

“*Yield*” of (1) any Investment has the meaning set forth in section 1.148-5 of the Regulations; and (2) the Bonds has the meaning set forth in section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of Bonds:

(i) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds (including property financed with Gross Proceeds of the Refunded Bonds), and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency,

department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(ii) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds (including property financed with Gross Proceeds of the Refunded Bonds), other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan.

(i) Except to the extent permitted by section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of the Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be "loaned" to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(ii) The City covenants and agrees that the levied Assessments will meet the requirements of the "tax assessment loan exception" within the meaning of section 1.141-5(d) of the Regulations on the date the Bonds are delivered and will ensure that the Assessments continue to meet such requirements for so long as the Bonds are outstanding hereunder.

(e) Not to Invest at Higher Yield. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested) if, as a result of such investment, the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds.

(f) Not Federally Guaranteed. Except to the extent permitted by section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The City shall timely file the information required by section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in section 148(f) of the Code and the Regulations and rulings thereunder:

(i) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Bond is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Bonds with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(ii) Not less frequently than each Computation Date, the City shall calculate the Rebate Amount in accordance with rules set forth in section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

(iii) As additional consideration for the purchase of the Bonds by the Purchaser and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall, pursuant to a City Certificate, direct the Trustee to transfer to the Rebate Fund from the funds or subaccounts designated in such City Certificate and direct the Trustee to pay to the United States from the Rebate Fund the amount that when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(iv) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (ii) and (iii), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(j) Elections. The City hereby directs and authorizes the Mayor, Mayor Pro Tem, City Manager, Assistant City Manager, Finance Director, or City Secretary, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations,

as they deem necessary or appropriate in connection with the Bonds, in the Tax Certificate or similar or other appropriate certificate, form or document.

(k) Bonds Not Hedge Bonds.

(i) At the time the Refunded Bonds were issued, the City reasonably expected to spend at least 85% of the spendable proceeds of the Refunded Bonds within three years after the Refunded Bonds were issued.

(ii) Not more than 50% of the proceeds of the Refunded Bonds were invested in Nonpurpose Investments having a substantially guaranteed Yield for a period of four (4) years or more.

ARTICLE VIII

LIABILITY OF CITY

The City shall not incur any responsibility in respect of the Bonds or this Indenture other than in connection with the duties or obligations explicitly herein or in the Bonds assigned to or imposed upon it. The City shall not be liable in connection with the performance of its duties hereunder, except for its own willful default or act of bad faith. The City shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions covenants or agreements of the Trustee herein or of any of the documents executed by the Trustee in connection with the Bonds, or as to the existence of a default or event of default thereunder.

In the absence of bad faith, the City may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the City and conforming to the requirements of this Indenture. The City shall not be liable for any error of judgment made in good faith unless it shall be proved that it was negligent in ascertaining the pertinent facts.

No provision of this Indenture, the Bonds, the Assessment Ordinance, the Bond Ordinance, or any agreement, document, instrument, or certificate executed, delivered or approved in connection with the issuance, sale, delivery, or administration of the Bonds (the "Bond Documents"), shall require the City to expend or risk its own general funds or otherwise incur any financial liability (other than with respect to the Trust Estate and the Administrative Expenses) in the performance of any of its obligations hereunder, or in the exercise of any of its rights or powers, if in the judgment of the City there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it.

Neither the Owners nor any other Person shall have any claim against the City or any of its officers, officials, agents, or employees for damages suffered as a result of the City's failure to perform in any respect any covenant, undertaking, or obligation under any Bond Documents or as a result of the incorrectness of any representation in, or omission from, any of the Bond Documents, except to the extent that any such claim relates to an obligation, undertaking, representation, or covenant of the City, in accordance with the Bond Documents and the PID Act. Any such claim shall be payable only from the Pledged Revenues or the amounts collected to pay Administrative Expenses on deposit in the Administrative Fund. Nothing contained in any of the Bond Documents shall be construed to preclude any action or proceeding in any court or before any governmental body, agency, or instrumentality against the City or any of its officers, officials,

agents, or employees to enforce the provisions of any of the Bond Documents or to enforce all rights of the Owners of the Bonds by mandamus or other proceeding at law or in equity.

The City may rely on and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The City may consult with counsel with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Indenture the City shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of willful misconduct on the part of the City, be deemed to be conclusively proved and established by a certificate of the Trustee, an Independent Financial Consultant, an independent inspector or City Manager or other person designated by the City Council to so act on behalf of the City, and such certificate shall be full warrant to the City for any action taken or suffered under the provisions of this Indenture upon the faith thereof, but in its discretion the City may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

In order to perform its duties and obligations hereunder, the City may employ such persons or entities as it deems necessary or advisable. The City shall not be liable for any of the acts or omissions of such persons or entities employed by it in good faith hereunder, and shall be entitled to rely, and shall be fully protected in doing so, upon the opinions, calculations, determinations, and directions of such persons or entities.

## ARTICLE IX

### THE TRUSTEE

#### Section 9.1. Trustee as Paying Agent/Registrar.

The Trustee is hereby designated and agrees to act as Paying Agent/Registrar for and in respect to the Bonds.

#### Section 9.2. Trustee Entitled to Indemnity.

The Trustee shall be under no obligation to spend its own funds, to institute any suit, or to undertake any proceeding under this Indenture, or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified, to the extent permitted by law, to its satisfaction against any and all costs and expenses, outlays, and counsel fees and other reasonable disbursements, and against all liability except as a consequence of its own negligence or willful misconduct; provided, however, the Trustee may not request or require indemnification as a condition to making any deposits, payments, or transfers when required hereunder, or delivering any notice when required hereunder. Nevertheless, the Trustee may begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as the Trustee, without indemnity, and in such case the Trustee may make transfers from the District Administration Account of the Administrative

Fund, and to the extent money in the District Administration Account is insufficient, from the Pledged Revenue Fund to pay all costs and expenses, outlays, and counsel fees and other reasonable disbursements properly incurred in connection therewith and shall, to the extent permitted by law, be entitled to a preference therefor over any Bonds Outstanding hereunder.

Section 9.3. Responsibilities of the Trustee.

The recitals contained in this Indenture and in the Bonds shall be taken as the statements of the City and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of any offering documents, this Indenture, or the Bonds or with respect to the security afforded by this Indenture, and the Trustee shall incur no liability with respect thereto. Except as otherwise expressly provided in this Indenture, the Trustee shall have no responsibility or duty with respect to: (i) the issuance of Bonds for value; (ii) the application of the proceeds thereof, except to the extent that such proceeds are received by it in its capacity as Trustee; (iii) the application of any moneys paid to the City or others in accordance with this Indenture, except as to the application of any moneys paid to it in its capacity as Trustee; or (iv) any calculation of arbitrage or rebate under the Code. The Trustee has the right to act through agents and attorneys and shall have no liability for the negligence or willful misconduct of the agents and attorneys appointed with due care.

The duties and obligations of the Trustee shall be determined by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture. No implied covenants or obligations shall be read into this Indenture against the Trustee.

The Trustee shall not be liable for any action taken or omitted by it in the performance of its duties under this Indenture, except for its own negligence or willful misconduct, both before and after default by the City. In no event shall the Trustee be liable for incidental, indirect, special or consequential damages in connection with or arising from this Indenture for the existence, furnishing or use of the Major Improvement Area Improvements.

The Trustee shall not be required to take notice, and shall not be deemed to have notice, of any default or Event of Default hereunder, unless the Trustee shall be notified specifically of the default or Event of Default in a written instrument or document delivered to it by the City or by the holders of at least a majority of the aggregate principal amount of Bonds then Outstanding. In the absence of delivery of a notice satisfying those requirements, the Trustee may assume conclusively that there is no default or Event of Default.

In case a default or an Event of Default has occurred and is continuing hereunder (of which the Trustee has been notified), the Trustee shall exercise those rights and powers vested in it by this Indenture and shall use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of his own affairs.

Section 9.4. Property Held in Trust.

All moneys and securities held by the Trustee at any time pursuant to the terms of this Indenture shall be held by the Trustee in trust for the purposes and under the terms and conditions of this Indenture.

Section 9.5. Trustee Protected in Relying on Certain Documents.

The Trustee may rely upon any order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond, or other document provided to the Trustee in accordance with the terms of this Indenture that it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or Person or to have been prepared and furnished pursuant to any of the provisions of this Indenture, or upon the written opinion of any counsel, architect, engineer, insurance consultant, management consultant, or accountant believed by the Trustee to be qualified in relation to the subject matter, and the Trustee shall be under no duty to make any investigation or inquiry into any statements contained or matters referred to in any such instrument. The Trustee may consult with counsel, who may or may not be Bond Counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered, or omitted to be taken by it in good faith and in accordance therewith.

Whenever the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Indenture, such matter may be deemed to be conclusively proved and established by a City Certificate, unless other evidence in respect thereof be hereby specifically prescribed. Such City Certificate shall be full warrant for any action taken or suffered in good faith under the provisions hereof, but in its sole discretion the Trustee may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable. Except as otherwise expressly provided herein, any request, order, notice, or other direction required or permitted to be furnished pursuant to any provision hereof by the City to the Trustee shall be sufficiently executed if executed in the name of the City by the City Representative.

The Trustee shall not be under any obligation to see to the recording or filing of this Indenture, or otherwise to the giving to any Person of notice of the provisions hereof except as expressly required in Section 9.13 herein.

Section 9.6. Compensation.

Unless otherwise provided by contract with the Trustee, the Trustee shall transfer from the District Administration Account of the Administrative Fund, from time to time, reasonable compensation for all services rendered by it hereunder, including its services as Paying Agent/Registrar, together with all its reasonable expenses, charges, and other disbursements and those of its counsel, agents and employees, incurred in and about the administration and execution of the trusts hereby created and the exercise of its powers and the performance of its duties hereunder, subject to any limit on the amount of such compensation or recovery of expenses or other charges as shall be prescribed by specific agreement, and the Trustee shall have a lien therefor on any and all funds at any time held by it in the Administrative Fund. None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if in the judgment of the Trustee there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it. If the City shall fail to make any payment required by this Section, the Trustee may make such payment from any moneys in its possession in the Administrative Fund.

Section 9.7. Permitted Acts.

The Trustee and its directors, officers, employees, or agents may become the owner of or may in good faith buy, sell, own, hold and deal in Bonds and may join in any action that any Owner of Bonds may be entitled to take as fully and with the same rights as if it were not the Trustee. The Trustee may act as depository, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, the City or any committee formed to protect the rights of Owners or to effect or aid in any reorganization growing out of the enforcement of the Bonds or this Indenture, whether or not such committee shall represent the Owners of a majority in aggregate Outstanding principal amount of the Bonds.

Section 9.8. Resignation of Trustee.

The Trustee may at any time resign and be discharged of its duties and obligations hereunder by giving not fewer than 30 days' written notice, specifying the date when such resignation shall take effect, to the City and each Owner of any Outstanding Bond. Such resignation shall take effect upon the appointment of a successor as provided in Section 9.10 and the acceptance of such appointment by such successor.

Section 9.9. Removal of Trustee.

The Trustee may be removed at any time by (i) the Owners of at least a majority of the aggregate Outstanding principal of the Bonds by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or by their attorneys-in-fact, duly authorized and delivered to the City, or (ii) the City, so long as the City is not in default under this Indenture. Copies of each such instrument shall be delivered by the City to the Trustee and any successor thereof. The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the City or the Owners of not less than 10% of the aggregate outstanding principal of the Bonds.

Section 9.10. Successor Trustee.

If the Trustee shall resign, be removed, be dissolved, or become incapable of acting, or shall be adjudged as bankrupt or insolvent, or if a receiver, liquidator, or conservator of the Trustee or of its property shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, the position of the Trustee hereunder shall thereupon become vacant.

If the position of Trustee shall become vacant for any of the foregoing reasons or for any other reason, a successor Trustee may be appointed within one year after any such vacancy shall have occurred by the Owners of at least 25% of the aggregate outstanding principal of the Bonds by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or their attorneys-in-fact, duly authorized and delivered to such successor Trustee, with notification thereof being given to the predecessor Trustee and the City.

Unless such successor Trustee shall have been appointed by the Owners of the Bonds, the City shall forthwith appoint a Trustee to act hereunder. Copies of any instrument of the City providing for any such appointment shall be delivered by the City to the Trustee so appointed. The City shall mail notice of any such appointment to each Owner of any Outstanding Bonds

within 30 days after such appointment. Any appointment of a successor Trustee made by the City immediately and without further act shall be superseded and revoked by an appointment subsequently made by the Owners of Bonds, in accordance with the immediately preceding paragraph.

If in a proper case no appointment of a successor Trustee shall be made within 45 days after the giving by any Trustee of any notice of resignation in accordance with Section 9.8 herein or after the occurrence of any other event requiring or authorizing such appointment, the Trustee or any Owner of Bonds may apply to any court of competent jurisdiction for the appointment of such a successor, and the court may thereupon, after such notice, if any, as the court may deem proper, appoint such successor and the City shall be responsible for the costs of such appointment process.

No such modification or amendment shall (i) extend the maturity of any Bond or reduce the interest rate thereon, or otherwise alter or impair the obligation of the City to pay the principal of or the interest and any premium on, any Bond, without the express consent of the Owner of such Bond, (ii) permit the creation by the City of any pledge or lien upon the Trust Estate superior to or on a parity with the pledge and lien created for the benefit of the Bonds (except as otherwise permitted by Applicable Laws or this Indenture), or (iii) reduce the percentage of the Owners of Bonds required for the amendment hereof. Any such amendment may not modify any of the rights or obligations of the Trustee without its written consent.

(b) This Indenture and the rights and obligations of the City and of the Owners may also be modified or amended at any time by a Supplemental Indenture, without the consent of any Owners, only to the extent permitted by law and only for any one or more of the following purposes:

(i) to add to the covenants and agreements of the City in this Indenture contained, other covenants and agreements thereafter to be observed, or to limit or surrender any right or power herein reserved to or conferred upon the City;

#### Section 10.2. Owners' Meetings.

The City may at any time call a meeting of the Owners of the Bonds. In such event the City is authorized to fix the time and place of said meeting and to provide for the giving of notice thereof, and to fix and adopt rules and regulations for the conduct of said meeting.

#### Section 10.3. Procedure for Amendment with Written Consent of Owners.

The City and the Trustee may at any time adopt a Supplemental Indenture amending the provisions of the Bonds or of this Indenture, to the extent that such amendment is permitted by Section 10.1 herein, to take effect when and as provided in this Section. A copy of such Supplemental Indenture, together with a request to Owners for their consent thereto, which Supplemental Indenture shall be mailed by first-class mail, by the Trustee to each Owner of Bonds from whom consent is required under this Indenture, but failure to mail copies of such Supplemental Indenture and request shall not affect the validity of the Supplemental Indenture when assented to as in this Section provided.

Such Supplemental Indenture shall not become effective unless there shall be filed with the Trustee the written consents of the Owners as required by this Indenture and a notice shall have been mailed as hereinafter in this Section provided. Each such consent shall be effective only if accompanied by proof of ownership of the Bonds for which such consent is given, which proof shall be such as is permitted by Section 11.6 herein. Any such consent shall be binding upon the Owner of the Bonds giving such consent and on any subsequent Owner (whether or not such subsequent Owner has notice thereof), unless such consent is revoked in writing by the Owner giving such consent or a subsequent Owner by filing such revocation with the Trustee prior to the date when the notice hereinafter in this Section provided for has been mailed.

After the Owners of the required percentage of Bonds shall have filed their consents to the Supplemental Indenture, the City shall mail a notice to the Owners in the manner hereinbefore provided in this Section for the mailing of the Supplemental Indenture, stating in substance that the Supplemental Indenture has been consented to by the Owners of the required percentage of Bonds and will be effective as provided in this Section (but failure to mail copies of said notice shall not affect the validity of the Supplemental Indenture or consents thereto). Proof of the mailing of such notice shall be filed with the Trustee. A record, consisting of the papers required by this Section 10.3 to be filed with the Trustee, shall be proof of the matters therein stated until the contrary is proved. The Supplemental Indenture shall become effective upon the filing with the Trustee of the proof of mailing of such notice, and the Supplemental Indenture shall be deemed conclusively binding (except as otherwise hereinabove specifically provided in this Article) upon the City and the Owners of all Bonds at the expiration of sixty (60) days after such filing, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in a legal action or equitable proceeding for such purpose commenced within such sixty-day period; provided, however, that the Trustee during such sixty day period and any such further period during which any such action or proceeding may be pending shall be entitled in its sole discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Indenture, as it may deem expedient; provided, further, that the Trustee shall have no obligation to take or refrain from taking any such action and the Trustee shall have no liability with respect to any action taken or any instance of inactions.

Section 10.4.        Effect of Supplemental Indenture.

From and after the time any Supplemental Indenture becomes effective pursuant to this Article X, this Indenture shall be deemed to be modified and amended in accordance therewith, the respective rights, duties, and obligations under this Indenture of the City, the Trustee, and all Owners of Bonds Outstanding shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

The City may determine that Bonds issued and delivered after the effective date of any action taken as provided in this Article X shall bear a notation, by endorsement or otherwise, in form approved by the City, as to such action. In that case, upon demand of the Owner of any Bond Outstanding at such effective date and presentation of his Bond for that purpose at the designated office of the Trustee or at such other office as the City may select and designate for that purpose, a suitable notation shall be made on such Bond. The City may determine that new Bonds, so modified as in the opinion of the City is necessary to conform to such Owners' action,

shall be prepared, executed, and delivered. In that case, upon demand of the Owner of any Bonds then Outstanding, such new Bonds shall be exchanged at the designated office of the Trustee without cost to any Owner, for Bonds then Outstanding, upon surrender of such Bonds.

Section 10.6. Amendatory Endorsement of Bonds.

The provisions of this Article X shall not prevent any Owner from accepting any amendment as to the particular Bonds held by such Owner, provided that due notation thereof is made on such Bonds.

Section 10.7. Waiver of Default.

With the written consent of at least a majority in aggregate principal amount of the Bonds then Outstanding, the Owners may waive non-compliance by the City with certain past defaults under the Indenture and their consequences. Any such consent shall be conclusive and binding upon the Owners and upon all future Owners.

Section 10.8. Execution of Supplemental Indenture

In executing, or accepting the additional trusts created by, any Supplemental Indenture permitted by this Article or the modification thereby of the trusts created by this Indenture, the Trustee shall receive, and shall be fully protected in relying upon, an opinion of counsel addressed and delivered to the Trustee and the City stating that the execution of such Supplemental Indenture is permitted by and in compliance with this Indenture. The Trustee may, but shall not be obligated to, enter into any such Supplemental Indenture which affects the Trustee's own rights, duties and immunities under this Indenture.

The Trustee may so sell the assets of the Trust Estate and all right, title, interest, claim and demand thereto and the right of redemption thereof, in one or more parts, at any such place or places, and at such time or times and upon such notice and terms as the Trustee may deem appropriate and as may be required by law and apply the proceeds thereof in accordance with the provisions of this Section. Upon such sale, the Trustee may make and deliver to the purchaser or purchasers a good and sufficient assignment or conveyance for the same, which sale shall be a perpetual bar both at law and in equity against the City, and all other Persons claiming such properties. No purchaser at any sale shall be bound to see to the application of the purchase money proceeds thereof or to inquire as to the authorization, necessity, expediency, or regularity of any such sale. Nevertheless, if so requested by the Trustee, the City shall ratify and confirm any sale or sales by executing and delivering to the Trustee or to such purchaser or

purchasers all such instruments as may be necessary or, in the judgment of the Trustee, proper for the purpose which may be designated in such request.

Section 11.3. Restriction on Owner's Action.

(a) No Owner shall have any right to institute any action, suit or proceeding at law or in equity for the enforcement of this Indenture or for the execution of any trust thereof or any other remedy hereunder, unless (i) a default has occurred and is continuing of which the Trustee has been notified in writing, (ii) such default has become an Event of Default and the Owners of at least 25% of the aggregate principal amount of the Bonds then Outstanding have made written request to the Trustee and offered it reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, (iii) the Owners have furnished to the Trustee indemnity as provided in Section 9.2 herein, (iv) the Trustee has for 90 days after such notice failed or refused to exercise the powers hereinbefore granted, or to institute such action, suit, or proceeding in its own name, (v) no direction inconsistent with such written request has been given to the Trustee during such 90-day period by the Owners of at least a majority of the aggregate principal amount of the Bonds then Outstanding, and (vi) notice of such action, suit, or proceeding is given to the Trustee; however, no one or more Owners of the Bonds shall have any right in any manner whatsoever to affect, disturb, or prejudice this Indenture by its, his or their action or to enforce any right hereunder except in the manner provided herein, and that all proceedings at law or in equity shall be instituted and maintained in the manner provided herein and for the equal benefit of the Owners of all Bonds then Outstanding. The notification, request and furnishing of indemnity set forth above shall, at the option of the Trustee, be conditions precedent to the execution of the powers and trusts of this Indenture and to any action or cause of action for the enforcement of this Indenture or for any other remedy hereunder.

(b) Subject to Article VIII, nothing in this Indenture shall affect or impair the right of any Owner to enforce, by action at law, payment of any Bond at and after the maturity thereof, or on the date fixed for redemption or the obligation of the City to pay each Bond issued hereunder to the respective Owners thereof at the time and place, from the source and in the manner expressed herein and in the Bonds.

(c) In case the Trustee or any Owners shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or any Owners, then and in every such case the City, the Trustee and the Owners shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Within 10 days of receipt of such good and available funds, the Trustee may fix a record and payment date for any payment to be made to Owners pursuant to this Section 11.4.

(b) In the event funds are not adequate to cure any of the Events of Default described in Section 11.1, the available funds shall be allocated to the Bonds that are Outstanding in proportion to the quantity of Bonds that are currently due and in default under the terms of this Indenture.

(c) The restoration of the City to its prior position after any and all defaults have been cured, as provided in Section 11.3, shall not extend to or affect any subsequent default under this Indenture or impair any right consequent thereon.

Section 11.5. Effect of Waiver.

No delay or omission of the Trustee, or any Owner, to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Indenture to the Trustee or the Owners, respectively, may be exercised from time to time and as often as may be deemed expedient.

Section 11.6. Evidence of Ownership of Bonds.

(a) Any request, consent, revocation of consent or other instrument which this Indenture may require or permit to be signed and executed by the Owners of Bonds may be in one or more instruments of similar tenor, and shall be signed or executed by such Owners in person or by their attorneys duly appointed in writing. (i) The fact and date of the execution of such instruments by any Owner of Bonds or the duly appointed attorney authorized to act on behalf of such Owner may be provided by a guarantee of the signature thereon by a bank or trust company or by the certificate of any notary public or other officer authorized to take acknowledgments of deeds, that the Person signing such request or other instrument acknowledged to him the execution thereof, or by an affidavit of a witness of such execution, duly sworn to before

such notary public or other officer. Where such execution is by an officer of a corporation or association or a member of a partnership, on behalf of such corporation, association or partnership, such signature guarantee, certificate, or affidavit shall also constitute sufficient proof of his authority.

(ii) The ownership of Bonds and the amount, numbers and other identification and date of holding the same shall be proved by the Register.

(b) Except as otherwise provided in this Indenture with respect to revocation of a consent, any request or consent by an Owner of Bonds shall bind all future Owners of the same Bonds in respect of anything done or suffered to be done by the City or the Trustee in accordance therewith.

Section 11.7. No Acceleration.

In the event of the occurrence of an Event of Default under Section 11.1 hereof, the right of acceleration of any Stated Maturity is not granted as a remedy hereunder and the right of acceleration under this Indenture is expressly denied.

Section 11.8. Mailing of Notice.

If the City elects to give the Trustee Instructions using Electronic Means and the Trustee in its discretion elects to act upon such Instructions, the Trustee's understanding of such Instructions shall be deemed controlling. The City understands and agrees that the Trustee cannot determine the identity of the actual sender of such Instructions and that the Trustee shall conclusively presume that directions that

purport to have been sent by an Authorized Officer listed on the incumbency certificate provided to the Trustee have been sent by such Authorized Officer. The City shall be responsible for ensuring that only Authorized Officers transmit such Instructions to the Trustee and the City and all Authorized Officers are solely responsible to safeguard the use and confidentiality of applicable user and authorization codes, passwords and/or authentication keys upon receipt by the City. The Trustee shall not be liable for any losses, costs or expenses arising directly or indirectly from the Trustee's reliance upon and compliance with such Instructions notwithstanding such directions conflict or are inconsistent with a subsequent written instruction. Section 15.6. Partial Invalidity.

If any Section, paragraph, sentence, clause, or phrase of this Indenture shall for any reason be held illegal or unenforceable, such holding shall not affect the validity of the remaining portions of this Indenture. The City hereby declares that it would have adopted this Indenture and each and every other Section, paragraph, sentence, clause, or phrase hereof and authorized the issue of the Bonds pursuant thereto irrespective of the fact that any one or more Sections, paragraphs, sentences, clauses, or phrases of this Indenture may be held illegal, invalid, or unenforceable.

Section 15.8. Payment on Business Day.

In any case where the date of the maturity of interest or of principal (and premium, if any) of the Bonds or the date fixed for redemption of any Bonds or the date any action is to be taken pursuant to this Indenture is other than a Business Day, the payment of interest or principal (and premium, if any) or the action need not be made on such date but may be made on the next succeeding day that is a Business Day with the same force and effect as if made on the date required and no interest shall accrue for the period from and after such date.

The Trustee makes the following representation and verifications to enable the City to comply with Chapters 2252, 2271, 2274, and 2276, Texas Government Code, as heretofore amended (the "Government Code"), in entering into this Indenture. As used in such verifications, "affiliate" means an entity that controls, is controlled by, or is under common control with the Trustee within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit. Liability for breach of any such verification during the term of this Indenture shall survive until barred by the applicable statute of limitations, and shall not be liquidated or otherwise limited by any provision of this Indenture, notwithstanding anything in this Indenture to the contrary.

(a) Not a Sanctioned Company. The Trustee represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Government Code. The foregoing representation excludes the Trustee and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.

(b) No Boycott of Israel. As used in the foregoing verification, "boycott Israel" has the meaning provided in Section 2271.001, Government Code.

(c) No Discrimination Against Firearm Entities. The Trustee hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate against a firearm entity or firearm trade association during the term of this Indenture. As used in the foregoing verification, "discriminate against a firearm entity or firearm trade association" has the meaning provided in Section 2274.001(3), Government Code.

(d) No Boycott of Energy Companies. The Trustee hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and will not boycott energy companies during the term of this Indenture. or registered assigns, on the Maturity Date, as specified above, the sum of

\_\_\_\_\_ DOLLARS

unless this Bond shall have been sooner called for redemption and the payment of the principal hereof shall have been paid or provision for such payment shall have been made, and to pay interest on the unpaid principal amount hereof from the later of the Date of Delivery, as specified above, or the most recent Interest Payment Date to which interest has been paid or provided for until such principal amount shall have been paid or provided for, at the per annum rate of interest specified above, computed on the basis of a 360-day year of twelve 30-day months, such interest to be paid semiannually on March 1 and September 1 of each year, commencing March 1, 2025, until maturity or prior redemption.

Capitalized terms appearing herein that are defined terms in the Indenture defined below, have the meanings assigned to them in the Indenture. Reference is made to the Indenture for such definitions and for all other purposes.

The principal of this Bond shall be payable without exchange or collection charges in lawful money of the United States of America upon presentation and surrender of this Bond at the corporate trust office in Dallas, Texas (the "Designated Payment/Transfer Office"), of U.S. Bank Trust Company, National Association, as trustee and paying agent/registrant (the "Trustee", which term includes any successor trustee under the Indenture), or, with respect to a successor trustee and paying agent/registrant, at the Designated Payment/Transfer Office of such successor. Interest on this Bond is payable by check dated as of the Interest Payment Date, mailed by the Trustee to the registered owner at the address shown on the registration books kept by the Trustee or by such other customary banking arrangements acceptable to the Trustee, requested by, and at the risk and expense of, the Person to whom interest is to be paid. For the purpose of the payment of interest on this Bond, the registered owner shall be the Person in whose name this Bond is registered at the close of business on the "Record Date," which shall be the 15th calendar day of the month next preceding such Interest Payment Date; provided, however, that in the event of nonpayment of interest on a scheduled Interest Payment Date, and for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Trustee, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the "Special Payment Date," which shall be 15 days after the Special Record Date) shall be sent at least five Business Days prior to the Special Record Date by United States mail, first-class, postage prepaid, to the address of each Owner of a Bond appearing on the books of the Trustee at the close of business on the last Business Day preceding the date of mailing such notice.

If a date for the payment of the principal of or interest on the Bonds is a Saturday, Sunday, legal holiday, or a day on which banking institutions in the city in which the Designated Payment/Transfer Office is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding Business Day, and payment on such date shall have the same force and effect as if made on the original date payment was due.

This Bond is one of a duly authorized issue of assessment revenue bonds of the City having the designation specified in its title (herein referred to as the "Bonds"), dated August 30, 2024 and issued in the aggregate principal amount of \$\_\_\_\_\_ and issued, with the limitations described herein, pursuant to an Indenture of Trust, dated as of August 1, 2024 (the "Indenture"), by and between the City and the Trustee, to which Indenture reference is hereby made for a description of the amounts thereby pledged and assigned, the nature and extent of the lien and security, the respective rights thereunder to the holders of the Bonds, the Trustee, and the City, and the terms upon which the Bonds are, and are to be, authenticated and delivered and by this reference to the terms of which each holder of this Bond hereby consents. All Bonds issued under the Indenture are equally and ratably secured by the amounts thereby pledged and assigned. The Bonds are being issued for the purpose of (i) refunding the Refunded Bonds, (ii) funding a reserve fund for payment of principal and interest on the Bonds, and (iii) paying the costs of issuing the Bonds.

The Bonds are special, limited obligations of the City payable solely from the Trust Estate as defined in the Indenture. Reference is hereby made to the Indenture, copies of which are on file with and available upon request from the Trustee, for the provisions, among others, with respect to the nature and extent of the duties and obligations of the City, the Trustee and the Owners. The Owner of this Bond, by the acceptance hereof, is deemed to have agreed and consented to the terms, conditions and provisions of the Indenture.

Notwithstanding any provision hereof, the Indenture may be released and the obligation of the City to make money available to pay this Bond may be defeased by the deposit of money and/or certain direct or indirect Defeasance Securities sufficient for such purpose as described in the Indenture.

The Bonds are issuable as fully registered bonds only in Authorized Denominations, subject to the provisions of the Indenture authorizing redemption in denominations of \$25,000 and any multiple of \$1,000 in excess thereof, except as otherwise provided in the Indenture.

The Bonds are subject to sinking fund redemption prior to their Stated Maturity and will be redeemed by the City in part at a price equal to the principal amount thereof plus accrued and unpaid interest thereon to the date set for redemption from moneys available for such purpose in the Principal and Interest Account of the Bond Fund pursuant to Article VI of the Indenture, on the dates and in the respective Sinking Fund Installments as set forth in the following schedule:

\*Stated Maturity

At least 45 days prior to each mandatory sinking fund redemption date and subject to any prior reduction authorized by the Indenture, the Trustee shall select in accordance with the terms of the Indenture, a principal amount of Bonds of such maturity equal to the Sinking Fund Installment amount of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in the Indenture.

The principal amount of Bonds of a Stated Maturity required to be redeemed on any mandatory sinking fund redemption date shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least 45 days prior to the mandatory sinking fund redemption date shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued and unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation.

The principal amount of Bonds required to be redeemed on any mandatory sinking fund redemption date shall be reduced on a pro rata basis among Sinking Fund Installments by the principal amount of any Bonds which, at least 45 days prior to the mandatory sinking fund redemption date, shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption provisions appearing below and not previously credited to a mandatory sinking fund redemption.

The City reserves the right and option to redeem the Bonds maturing on or after September 1, 20\_\_, before their respective scheduled maturity dates, in whole or in part, on any date on or after September 1, 20\_\_, such redemption date or dates to be fixed by the City, at the Redemption Price.

The Bonds are subject to extraordinary optional redemption prior to maturity in whole or in part, and in an amount and on any date specified in a City Certificate, at a Redemption Price equal to the principal amount of the Bonds called for redemption, plus accrued and unpaid interest to the date fixed for redemption from amounts on deposit in the Redemption Fund as a result of Prepayments and other transfers to the Redemption Fund in accordance with the provisions of the Indenture.

If less than all of the Bonds are redeemed pursuant to the mandatory sinking fund redemption, optional redemption or extraordinary optional redemption provisions, the Bonds to be redeemed shall be selected in accordance with the terms of the Indenture.

The Trustee shall give notice of any redemption of Bonds by sending notice by United States mail, first-class, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond (or part thereof) to be redeemed, at the address shown on the Register. The notice shall state the redemption date, the Redemption Price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding

are to be redeemed, an identification of the Bonds or portions thereof to be redeemed. Any notice so given shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

With respect to any optional redemption or extraordinary optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the Redemption Price of the Bonds to be redeemed before giving of a notice of redemption, the notice may state that the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not satisfied and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the City and the rights of the holders of the Bonds under the Indenture at any time Outstanding affected by such modification. The Indenture also contains provisions permitting the Owners of specified percentages in aggregate principal amount of the Bonds at the time Outstanding, on behalf of the Owners of all the Bonds, to waive compliance by the City with certain past defaults under the Bond Ordinance or the Indenture and their consequences. Any such consent or waiver by the Owner of this Bond or any predecessor Bond evidencing the same debt shall be conclusive and binding upon such Owner and upon all future Owners thereof and of any Bond issued upon the transfer thereof or in exchange therefor or in lieu thereof, whether or not notation of such consent or waiver is made upon this Bond.

As provided in the Indenture, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office, with such endorsement or other evidence of transfer as is acceptable to the Trustee, and upon delivery to the Trustee of such certifications and/or opinion of counsel as may be required under the Indenture for the transfer of this Bond. Upon satisfaction of such requirements, one or more new fully registered Bonds of the same Stated Maturity, of Authorized Denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the City nor the Trustee shall be required to issue, transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days of the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond redeemed in part.

The City, the Trustee, and any other Person may treat the Person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the Person in whose name this Bond is registered on the Record Date or Special Record Date, as applicable) and for all other purposes, whether or not this Bond be overdue, and neither the City nor the Trustee shall be affected by notice to the contrary.

The City has reserved the right to issue Additional Obligations and bonds issued to refund all or a portion of the Bonds on the terms and conditions specified in the Indenture.

NEITHER THE FULL FAITH AND CREDIT NOR THE GENERAL TAXING POWER OF THE CITY OF CELINA, TEXAS OR THE STATE OF TEXAS, OR ANY POLITICAL SUBDIVISION THEREOF, IS PLEDGED TO THE PAYMENT OF THE BONDS.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; and that the total indebtedness of the City, including the Bonds, does not exceed any Constitutional or statutory limitation.

IN WITNESS WHEREOF, the City Council of the City has caused this Bond to be executed under the official seal of the City.

## **B. DESCRIPTIONS AND COSTS OF THE AUTHORIZED IMPROVEMENTS THAT ONLY BENEFIT NEIGHBORHOOD IMPROVEMENT AREA #1**

The Authorized Improvements that only benefit Improvement Area #1 are described below:

### Neighborhood Improvement Area #1 Water Distribution System:

This water portion of the Neighborhood Improvement Area #1 waterline improvements consists of constructing 8-inch water line, including associated and 8-inch gate valves. One-inch diameter water services will be provided to each of the 515 lots within Neighborhood Improvement Area #1. All associated waterline testing, trench safety and erosion protection during construction are included. These lines have been designed and constructed in accordance with Mustang Special Utility District (MSUD) standards and specifications and are owned and operated by MSUD. These lines include the necessary appurtenances to be fully operational transmission lines extending water service to the limits of Neighborhood Improvement Area #1 and all 515 lots within Neighborhood Improvement Area #1.

### Neighborhood Improvement Area #1 Sanitary Sewer:

Neighborhood Improvement Area #1 wastewater improvements also include construction of 8" gravity sanitary sewer line that connects to the 10" gravity sewer main line. Construction includes connection at multiple points through concrete manholes. Services to individual lots are by 4" gravity sewer services. All lines have been designed and constructed in accordance with MSUD standards and specifications and are owned and operated by MSUD. These lines include the necessary appurtenances to be fully operational extending wastewater service to the limits of Neighborhood Improvement Area #1 and each of the 515 lots within Neighborhood Improvement Area #1.

### Neighborhood Improvement Area #1 Storm Drainage:

The drainage portion of the Neighborhood Improvement Area #1 Improvements shall consist round concrete pipes, reinforced concrete boxes, inlets and rock riprap protection at outfalls. The main means of conveyance of storm drainage within Neighborhood Improvement Area #1 is within underground storm drainpipes. The roadway pavement section incorporates the use of curbs with integrated drainage inlets to control runoff and conveyance of storm-water throughout the drainage basins associated with Neighborhood Improvement Area #1. The system includes underground reinforced concrete pipe (RCP) with associated headwalls, safety end treatments, manholes and storm sewer energy dissipaters at the points of discharge. This project has been constructed to City standards and specifications and has been dedicated to the City to own and operate.

### Neighborhood Improvement Area #1 Residential Streets:

Roadway improvements within Neighborhood Improvement Area #1 include construction of concrete pavement and pavement subgrade. Intersections, signage, lighting and re-vegetation of all disturbed areas within the right of way are included. These roadway improvements include streets that will provide street access to each lot within Neighborhood Improvement Area #1. All

roadway projects have been designed and constructed in accordance with City standards and specifications and has been dedicated to the City to own and operate These projects provide access to community roadways and state highways.

### **C. DESCRIPTIONS AND COSTS OF THE AUTHORIZED IMPROVEMENTS THAT BENEFIT NEIGHBORHOOD IMPROVEMENT AREAS #2-5**

The original plan for the PID anticipated the City as a customer of Upper Trinity Regional Water District (UTRWD) providing water to the properties in the PID. This plan has since changed and currently, the PID is being developed with Mustang Special Utility District (“MSUD”) as its retail provider of water. The Major Improvements originally anticipated to be constructed and updates to the Major Improvements because of the change are described below:

The Neighborhood Improvement Areas #2-5 Major Improvements are described below and their Actual Costs are shown in Table III-A. The Neighborhood Improvement Areas #2-5 Major Improvement Bonds will only pay for Neighborhood Improvement Areas #2-5’s share of the Major Improvements (approximately 79% except for the Offsite Sewer Improvements which are approximately 74%) as shown within Table III-A. The Actual Costs to construct the Major Improvements including the Off-Site Major Improvements is \$11,520,649. The Actual Costs to construct the Neighborhood Improvement Areas #2-5 Major Improvements minus the Off-Site Sewer Major Improvements allocated to Neighborhood Improvement Areas #2-5 and as shown in Table V-B, is \$10,611,272. The Actual Costs shown in Table III-A may be revised through Annual Service Plan Updates.

The Actual Costs for the Neighborhood Improvement Areas #2-5 Major Improvements are to be funded both from the proceeds of the Neighborhood Improvement Areas #2-5 Major Improvement Bonds as described herein and from funds contributed by the Developer.

#### **1. Detention Ponds**

##### *Drainage System*

Project shall consist of the construction of one (1) retention/detention pond, including excavation to a depth of 15-feet and the associated drainage improvements for each pond. Underground reinforced concrete storm sewer pipes, inlets and rock riprap protection at outfalls will also be installed at each pond. This project has been constructed according to City standards and specifications and is owned and operated by the City. The portion of these costs allocated to Neighborhood Improvement Areas #2-5 is \$215,582.

##### *Updates to the Drainage System Improvements:*

According to Pettit Barazza, LLC (the “Project Engineer”), final design incorporated additional detention ponds, which are new projects. Storm drainage system associated with the detention ponds are included with these improvements and generally consists of reinforced concrete pipes and reinforced concrete boxes, along with headwalls and safety end treatments, erosion control such as riprap protection, and soil stabilization. The improvements were designed according to

City and the Texas Department of Transportation (TxDOT). The City maintains and operates the underground storm drainage system and the Homeowners' Association maintains and operates the detention ponds.

## **2. Paving**

### *A. Road "A" Improvements*

The Roadway 'A' portion of the project consists of the construction of approximately 240 linear feet of 6-inch thick, 36-foot wide, concrete pavement with curb and gutter and 3,280 linear feet of 6-inch thick, 44-foot wide, concrete pavement with curb and gutter. The concrete will be 3,600 pounds per square inch (psi) strength. 17,978 square yards (sy) of pavement sub-grade will be lime stabilized and compacted. Intersections, signage, lighting and re-vegetation of all disturbed areas within the right of way are included. This provides access from FM 1385 into the Sutton Fields Amenity Center and rest of the development.

### *B. Updates to the Roadway "A" Improvements:*

According to the Project Engineer, Roadway "A" was renamed as Fenwick Trail. In addition, the final design includes 6-inch lime stabilization and 5-foot wide sidewalk and round concrete pipes are also included in the contracted quantities for Fenwick Trail improvements.

### *C. Road "F" Improvements*

The Roadway 'F' portion of the project consists of the construction of 4 lanes divided concrete pavement with curb and gutter. The pavement sub-grade will be lime stabilized and compacted. Intersections, signage, lighting and re-vegetation of all disturbed areas within the right of way are included. This section is located within the project and provides north-south access to the entire development. The roadway improvements have constructed according to City standards.

### *D. Updates to the Roadway "F" Improvements:*

The Project Engineer provided the following updates to the Roadway "F" Improvements:

The City required a second point of access for the current phases, which required the extension of Sutton Fields Boulevard to the north and partial construction of the intersection at Crutchfield Road. The southern end of Sutton Fields Boulevard was also extended to the end of the lots developed and platted with the current phases. 4-lane divided concrete pavement and 6-inch stabilized subgrade are currently under contract. The north and south extension of Sutton Fields Boulevard is a new project, not included in the initial list of Authorized Improvements for the PID and has been constructed according to City standards.

### *E. Road C1 – Crutchfield Road*

The improvement of one-half (1/2) of Crutchfield Road (Road C1), from FM 1385 east to the intersection of Sutton Fields Boulevard, was required by the City as a second point of access to

the development through Sutton Fields Boulevard. The Roadway ‘C1’ portion of the project consists of the construction 4 lanes divided concrete pavement with curb and gutter. The pavement sub-grade will be lime stabilized and compacted. Intersections, signage, lighting and re-vegetation of all disturbed areas within the right of way are included. This section is located within the project and provides east-west access to the entire development. The improvement of Crutchfield Road is a new project that was not included in the initial list of Authorized Improvements for the PID and has been constructed according to City standards.

*F. Road B – Boleyn Avenue*

The City required the additional improvement of Boleyn Avenue as a condition of approval. The Roadway ‘B’ portion of the project consists of the construction of, 4 lanes divided concrete pavement with curb and gutter. The pavement sub-grade will be lime stabilized and compacted. Intersections, signage, lighting and re-vegetation of all disturbed areas within the right of way are included. This section is located within the project and provides a north access to the entire development. The construction of Boleyn Avenue is a new project that was not included in the initial list of Authorized Improvements for the PID and has been constructed according to City standards.

*G. FM 1385*

The FM 1385 roadway portion of the project consists of the construction left and right turn lanes within FM 1385 to enhance traffic turning movement in and out of the development. These improvements have been constructed to TX DOT, Denton County and City standards. These Improvements benefit the entire project.

*H. Updates to the FM 1385 Improvements:*

With the additional new project of Crutchfield Road (Road C1) Improvements by the City, an additional right turn lane was required. One (1) northbound right turn lane is being constructed at Fenwick Trail (Road A) and an additional one (1) northbound right turn lane at Crutchfield Road (Road C1) with the current phases. Both turn lanes consist of hot mix asphaltic concrete. The additional right turn lane is a new project that was not included in the initial list of Authorized Improvements for the PID.

As described above, MSUD continues to provide water and wastewater services to the properties in the PID, and holds the CCNs required for the PID.

**Offsite Water**

*A. Water Distribution System*

The City is a customer of the Upper Trinity Regional Water District (“UTRWD”) and receives wholesale treated water through a major transmission line from the UTRWD Tom Harpool water treatment plant. Therefore, there are no water treatment plant upgrades required.

There is an existing 36-inch water transmission line located along the Western boundary of the project. The off-site improvements consist of constructing a new delivery point/ meter station, a 0.25 MG Ground Storage Tank, a 1.0 MG Elevated Storage Tank and a Pump Station with the required pumps to provide adequate pressure to the system. The combination of the Elevated and Ground Storage Tanks will provide the adequate storage capacity required by TCEQ and will also provide the required pressures for the entire system. Approximately 11,000 linear feet of 12-inch water line have been constructed as part of the water distribution system. All of the improvements benefit the Development. Additional waterline improvements include connection to the existing water-main, installation of associated 12-inch valves, fire hydrants, ductile iron fittings, erosion control, trench safety and testing. All water improvements have been constructed to City standards and specifications and all improvements are owned and operated by the City. These Improvements benefit Neighborhood Improvement Areas #2-5.

*B. Updates to the Offsite Water Distribution System Improvements:*

The original plan for the PID anticipated the City as a customer of Upper Trinity Regional Water District (UTRWD) providing water to the properties in the PID. This plan has since changed and currently, the PID is being developed with MSUD as its retail provider of water. The transition from UTRWD to MSUD resulted in the addition of 12-inch water lines along the future Tudor Place, and downsizing the proposed 12-inch water line along Fenwick Trail to an 8-inch water line. Also, a 12-inch water line was extended along the additional length of Sutton Fields Boulevard required by the City in conjunction with the current phase. The additional 12-inch water lines are new projects that were not included in the initial list of Authorized Improvements for the PID.

*C. Elevated Storage Tank Engineering*

Engineering for the Elevated Storage Tank would have started with NIA #1 to secure all necessary approvals, including TCEQ and the City. These Improvements would have benefitted the entire project.

The elevated storage tank is no longer required because of the transition from UTRWD to MSUD. As a result, the water distribution system was redesigned to accommodate the new points of connection and the elevated storage tank is no longer required for the PID.

**3. Offsite Sewer**

*A. Sanitary Sewer*

The City is a customer city of the Upper Trinity Regional Water District (UTRWD) and receives wastewater collection services by constructing a wastewater interceptor line and wastewater treatment services from the UTRWD collection point located at Parvin Road & Good Hope. UTRWD operates the Riverbend and Doe Creek wastewater treatment plants. The UTRWD treatment plant permit with the TCEQ has excess capacity to serve the Sutton Fields development. UTRWD is in the process of expanding both wastewater treatment plants.

This project consists of constructing 6-inch force main, associated lift station, 6,050 linear feet of 15-inch sanitary sewer gravity line, 1,250 linear feet of 12-inch sanitary sewer gravity line and 800 linear feet of 10-inch sanitary sewer gravity line generally flowing southeasterly along Parvin Road and connecting to the UTRWD collection point and Doe Creek/ Riverbend Wastewater Treatment Plants. Cutoff valves, air release valves have been constructed in accordance with City of Celina and TCEQ regulations. The gravity interceptor line has been designed to maintain the 3.0 fps minimum velocity. The line has been designed and constructed in accordance with the City's standards and specifications and is owned and operated by the City. The portion of the acquisition of this and other related costs allocated to Neighborhood Improvement Areas #2-3 is \$909,377.

*B. Updates to the Offsite Sanitary Sewer System Improvements:*

The original plan for the PID anticipated the City as a customer of UTRWD providing wastewater collection services to the PID. This plan has since changed and currently, The PID has been developed with MSUD as its retail provider of wastewater collection services. As a result of this the transition from UTRWD to MSUD, the metering station at the UTRWD delivery point is no longer required because the offsite gravity sewer connects into an existing MSUD gravity line. The contracted quantities for the offsite sewer also includes gravity sanitary sewer mains from 8-inch to 24-inch diameters, along with a concrete encasement for crossing under Doe Creek, and removal and replacement of existing MSUD gravity lines to facilitate outfall. It also includes removal and replacement of existing fences.

**4. Right of Way, Open Space, and Civic Site Land**

Upon closing of the PID Bonds corresponding to the development of a certain number of lots, the City has paid a certain amount for the acquisition of the right-of-way, open space and civic site land comprising approximately 71.3 acres.

## *V. ASSESSMENT PLAN*

---

---

### **A. INTRODUCTION**

The PID Act requires the City Council to apportion the cost of the Authorized Improvements based on the special benefits conferred to each Parcel resulting from the Authorized Improvements. The PID Act provides that the costs of certain Authorized Improvements may be assessed: (i) equally per front foot or square foot; (ii) according to the value of the property as determined by the governing body, with or without regard to improvements on the property; or (iii) in any other manner that results in imposing equal shares of the cost on property similarly benefited. The PID Act further provides that the governing body may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the municipality and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

The City Council has determined that funding the Actual Costs through the PID is beneficial to the City. The Authorized Improvements result in a special benefit to the Assessed Property, and such special benefit exceeds the amount of the Assessment. This conclusion is supported by the information provided to the City Council regarding the PID.

The proposed bond issuance program entails a series of PID Bond financings that are intended to finance the Authorized Improvements required for the Project. This financing will necessarily be undertaken in phases to coincide with the private investment and development of the Authorized Improvements. Following the initial Neighborhood Improvement Area #1 Bonds and the Neighborhood Improvement Areas #2-5 Major Improvement Bonds issued in 2015, the Neighborhood Improvement Areas #2-3 Bonds were issued in 2019, the Neighborhood Improvement Area #4 Bonds were issued in 2020, and the Neighborhood Improvement Area #5 Bonds were issued in 2022. This Service and Assessment Plan is being updated to provide for the Neighborhood Improvement Areas #2-5 Major Improvement Refunding Bonds and the Neighborhood Improvement Area #1 Refunding Bonds being issued in 2024.

The purpose of this gradual issuance of PID Bonds is to mirror the actual private development of the Authorized Improvements. The PID Bonds to be issued are most prudently and efficiently utilized when directly coinciding with construction of public infrastructure needed for private development that is to occur once the infrastructure is completed; it is most effective to issue the PID Bonds when the infrastructure is needed, not before. Furthermore, there is no economic advantage, and several disadvantages to issuing debt and encumbering property within the PID prior to the need for the Authorized Improvements.

Additionally, phased issuance of debt will maintain a prudent value to lien ("VtL") within the financing program. In order to maintain a prudent VtL, the initial issuance of PID Bonds for a specific set of Authorized Improvements may not fund the entire desired level of public infrastructure because the property value is not high enough to support the entire debt load at the VtL chosen for the development. In that case, the Developer will need to fund the additional infrastructure costs with cash at closing. This cash investment by the Developer for certain Authorized Improvements can be reimbursed by a subsequent parity lien bond financing, secured

by the same assessments, once the assessed property is partially or fully developed and the value has increased sufficiently to permit the issuance of the additional bonds in a prudent fashion.

This section of this Service and Assessment Plan currently (i) describes the special benefit received by each Parcel within the PID as a result of the Neighborhood Improvement Areas #2-5 Major Improvements, Neighborhood Improvement Area #1 Improvements, Neighborhood Improvement Area #2 Improvements, Neighborhood Improvement Area #3 Improvements, Neighborhood Improvement Area #4 Improvements, Neighborhood Improvement Area #5A Improvements, and Neighborhood Improvement Area #5B Improvements (ii) provides the basis and justification for the determination that this special benefit exceeds the amount of the Assessments levied on the Neighborhood Improvement Area #1 Assessed Property, the Neighborhood Improvement Area #2 Assessed Property, the Neighborhood Improvement Area #3 Assessed Property, the Neighborhood Improvement Area #4 Assessed Property, the Neighborhood Improvement Area #5A Assessed Property, the Neighborhood Improvement Area #5B Property, and the Neighborhood Improvement Areas #2-5 Major Improvements Assessed Property for such Authorized Improvements, and (iii) establishes the methodologies by which the City Council allocates and reallocates the special benefit of the Neighborhood Improvement Areas #2-5 Major Improvements, Neighborhood Improvement Area #1 Improvements, Neighborhood Improvement Area #2 Improvements, Neighborhood Improvement Area #3 Improvements, Neighborhood Improvement Area #4 Improvements, Neighborhood Improvement Area #5A Improvements, and Neighborhood Improvement Area #5B Improvements to Parcels in a manner that results in equal shares of the Actual Costs of such Authorized Improvements being apportioned to Parcels similarly benefited. The determination by the City Council of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Developer and all future owners and developers of the Assessed Property.

The Developer has acknowledged that the Authorized Improvements confer a special benefit on the Assessed Property and consented to the imposition of the Assessments to pay for the Actual Costs associated therewith. The Developer has ratified, confirmed, accepted, agreed to and approved: (i) the determinations and findings by the City Council as to the special benefits described herein and the Assessment Ordinance; (ii) the SAP and the Assessment Ordinance, and (iii) the levying of Assessments on the Assessed Property.

#### **K. ANNUAL ASSESSMENT ROLL UPDATES**

The Administrator shall prepare, and shall submit to the City Council for approval, updates to the Assessment Rolls and the Annual Service Plan Update to reflect changes such as (i) the identification of each Parcel or Lot (ii) the Assessment for each Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VII.G of this Service and Assessment Plan.

The Service and Assessment Plan Update shall reflect the actual interest on the PID Bonds on which the Annual Installments shall be paid, any reduction in the Assessments, and any revisions in the Actual Costs to be funded by the PID Bonds and Developer funds.

#### **L. ASSESSMENTS AND ANNUAL INSTALLMENTS**

The Assessments have been levied on each Parcel or Lot according to the Assessment Rolls. The Annual Installments of the Assessments will be collected on the dates and in the amounts shown on the Assessment Rolls, subject to any revisions made during an Annual Service Plan Update.

## **M. ADMINISTRATIVE EXPENSES**

The cost of administering the PID and collecting the Annual Installments shall be paid for on a pro rata basis by each Parcel or Lot based on the amount of outstanding Assessment remaining on the Parcel or Lot. The Administrative Expenses shall be collected as part of and in the same manner as Annual Installments in the amounts shown on the Assessment Roll, which will be revised based on actual costs incurred in Annual Service Plan Updates. Administrative Expenses collected and not expended for actual Administrative Expenses shall be carried forward and applied to reduce Administrative Expenses in subsequent years to avoid the over-collection of Administration Expenses.

## **N. ADDITIONAL INTEREST RATE**

Pursuant to the PID Act, the interest rate for Assessments which secure a series of PID Bonds, may exceed the actual interest rate per annum paid on the PID Bonds by no more than one half of one percent (0.50%). Funds generated by the Additional Interest Rate (the “Additional Interest Component”), if any, related to a series of PID Bonds are held in the Additional Interest Reserve held under the respective Indenture for such series of PID Bonds, which may be used to fund the associated interest charged between the date of prepayment of an Assessment and the date on which the related PID Bonds are redeemed, to offset any possible delinquent payments as provided for in the applicable Indenture.

With respect to the Neighborhood Improvement Areas #2-3 Bonds, Neighborhood Improvement Area #4 Bonds, and Neighborhood Improvement Area #5 Bonds, this Additional Interest Reserve shall be funded each year from Additional Interest Component collected, if any, up to 5.5% of the par amount of the respective series of PID Bonds. If in a given year the Additional Interest Reserve is fully funded at 5.5% of the par amount of the applicable series of PID Bonds, the City shall not collect the Additional Interest Rate in such year. However, in the event such amount is reduced below the required reserve, the City shall resume collecting the Additional Interest Rate as set forth in the applicable Indenture.

With respect to the Neighborhood Improvement Area #1 Refunding Bonds and the Neighborhood Improvement Areas #2-5 Major Improvement Refunding Bonds, the respective Additional Interest Reserve shall be initially funded up to an amount set forth in each respective Indenture from available funds. Following the issuance of the Neighborhood Improvement Area #1 Refunding Bonds and the Neighborhood Improvement Areas #2-5 Major Improvement Refunding Bonds, in the event the amount deposited into the Additional Interest Reserve should drop below the established reserve, the City shall resume collecting the Additional Interest Component as set forth in the applicable Indenture.

## **O. TIRZ CREDIT**

The City has agreed to use TIRZ Revenues from TIRZ No. 4 generated from property within Neighborhood Improvement Area #1 Assessed Property to offset a portion of the Annual Installment on the Neighborhood Improvement Area #1 Assessed Property and has agreed to use TIRZ Revenues from TIRZ No. 8 generated from property within Neighborhood Improvement

Areas #2-5 Major Improvements Assessed Property to offset a portion of the Annual Installment on the Neighborhood Improvement Areas #2-5 Major Improvements Assessed Property, respectively (the "TIRZ Credit"). The Annual Installment for each Parcel shall be calculated by taking into consideration any TIRZ Credit applicable to the Parcel.

**F. REALLOCATION OF ASSESSMENTS FOR PARCELS LOCATED WITHIN THE PID**

**1. Upon Division Prior to Recording of Subdivision Plat**

Upon the division of any Assessed Property (without the recording of subdivision plat), the Administrator shall reallocate the Assessment for the Assessed Property prior to the division among the newly divided Assessed Properties according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

- A = the Assessment for the new divided Assessed Property
- B = the Assessment for the Assessed Property prior to division
- C = the estimated As-Built Assessed Value of the new divided Assessed Property
- D = the sum of the As-Built Assessed Value for all of the new divided Assessed Properties

The calculation of the As-Built Assessed Value of an Assessed Property shall be performed by the Administrator based on information from the City, the Developer, third party consultants, the Official Public Records of Denton County, Texas, and any other relevant source of information regarding the Assessed Property. The calculation as confirmed by the City Council shall be conclusive.

The sum of the Assessments for all newly divided Assessed Properties shall equal the Assessment for the Assessed Property prior to subdivision. The calculation shall be made separately for each newly divided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this Service and Assessment Plan approved by the City Council.

## **2. Upon Subdivision by a Recorded Subdivision Plat**

Upon the subdivision of any Assessed Property based on a recorded Subdivision Plat, the Administrator shall reallocate the Assessment for the Assessed Property prior to the subdivision among the new subdivided Lots according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

B = the Assessment for the Parcel prior to subdivision

C = the sum of the estimated As-Built Assessed Value of all new subdivided Lots with same Lot Type

D = the sum of the estimated As-Built Assessed Value for all of the new subdivided Lots excluding Non-Benefitted Property

E = the number of Lots with same Lot Type

Prior to the recording of a subdivision plat, the Developer shall provide the City an estimated As-Built Assessed Value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat considering factors such as density, lot size, proximity to amenities, view premiums, location, market conditions, historical sales, discussions with homebuilders, and any other factors that may impact future as-built Lot value and any other information available to the Developer. The calculation of the estimated As-Built Lot value for a Lot shall be performed by the Administrator and confirmed by the City Council based on information provided by the Developer, homebuilders, third party consultants, and/or the Official Public Records of Denton County, Texas regarding the Lot.

The sum of the Assessments for all newly subdivided Lots shall not exceed the Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this Service and Assessment Plan approved by the City Council.

## **3. Upon Consolidation**

Upon the consolidation of two or more Parcels, the Assessment for the consolidated Parcel shall be the sum of the Assessments for the Parcels prior to consolidation. The reallocation of

an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the consolidation of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

#### **G. MANDATORY PREPAYMENT OF ASSESSMENTS**

1. If a Parcel subject to Assessments is transferred to a party that is exempt from the payment of the Assessment under applicable law, or if an owner causes a Parcel subject to Assessments to become Non-Benefited Property, the transferring party of such Parcel shall pay to the City the full amount of the principal portion of the Assessment on such Parcel, plus all Prepayment Costs, prior to any such transfer or act.
2. The payments required above shall be treated the same as any Assessment that is due and owing under the Act, the Assessment Ordinance, and this Service and Assessment Plan, including the same lien priority, penalties, procedures, and foreclosure specified by the Act.

#### **H. REDUCTION OF ASSESSMENTS**

1. If after all Authorized Improvements to be funded with a series of PID Bonds have been completed and Actual Costs for such Authorized Improvements are less than the Actual Costs used to calculate the Assessments securing such series of PID Bonds, resulting in excess Bond proceeds being available to redeem Bonds of such series, then the Assessment securing such series of PID Bonds for each Parcel of Assessed Property shall be reduced by the City Council such that the sum of the resulting reduced Assessments for all Assessed Properties equals the actual reduced Actual Costs and such excess Bond proceeds shall applied to redeem Bonds of such series or as described in the applicable Indenture. The Assessments shall not be reduced to an amount less than the related outstanding series of PID Bonds. If all of the Authorized Improvements are not completed, the City may reduce the Assessments in another method if it determines such method would better reflect the benefit received by the Parcels from the Authorized Improvements completed.
2. If all the Authorized Improvements are not undertaken, resulting in excess PID Bond proceeds being available to redeem PID Bonds, then the Assessments and Annual Installments for each Parcel shall be appropriately reduced by the City Council to reflect only the amounts required to repay the PID Bonds, including interest on the PID Bonds and Administrative Expenses, and such excess Bond proceeds shall be applied to redeem Bonds or as described in the applicable Indenture. The City Council may reduce the Assessments and the Annual Installments for each Parcel (i) in an amount that represents the Authorized Improvements provided for each Parcel or (ii) by an equal percentage calculated based on estimated build out value of each Parcel or Lot, if determined by the City Council to be the most fair and practical means of reducing the Assessments for each Parcel, such that the sum of the resulting reduced

Assessments equals the amount required to repay the PID Bonds, including interest on the PID Bonds and Administrative Expenses. The principal portion of the Assessment for each Parcel shall be reduced to the reduction in the Assessments for each Parcel such that the sum of the resulting reduced principal portion of the PID Bonds is equal to the outstanding principal amount of the PID Bonds.

3. If after all Authorized Improvements to be funded with a series of PID Bonds have been completed and the Actual Costs for the Authorized Improvements are less than the Budgeted Costs used to calculate the Assessments securing the PID Bonds, resulting in excess Bond proceeds, then the City Council may reduce the Assessment securing the PID Bonds for each Assessed Property such that the sum of the resulting reduced Assessments for all Assessed Properties equals the reduced Actual Costs. The Assessments shall not be reduced to an amount less than the related outstanding series of PID Bonds.
4. Similarly, if the City does not undertake some of the Authorized Improvements with the PID Bonds then the City Council may reduce the Assessment securing the PID Bonds for each Assessed Property to reflect only the Actual Costs that were expended. The Assessments shall not be reduced to an amount less than the related outstanding series of PID Bonds.
5. The City Council may apply excess PID Bond proceeds to the redemption of the respective PID Bonds or as described in the applicable Indenture.

## **I. PAYMENT OF ASSESSMENTS**

### **1. Payment in Full**

- (a) The Assessment for any Parcel may be paid in full at any time in accordance the PID Act. The Payment shall include all Prepayment Costs. If prepayment in full will result in redemption of PID Bonds, the payment amount shall be reduced from any proceeds from the Debt Service Reserve Fund applied to the redemption pursuant to the Indenture, net of any other costs applicable to the redemption of PID Bonds.
- (b) If an Annual Installment has been billed prior to payment in full of an Assessment, the Annual Installment shall be due and payable and shall be credited against the payment-in-full amount upon payment.
- (c) Upon payment in full of an Assessment and all Prepayment Costs, the City shall deposit the payment in accordance with the related Indenture; whereupon, the Assessment shall be reduced to zero, and the owner's obligation to pay the Assessment and Annual Installments thereof shall automatically terminate. The City shall provide the owner of the affected Assessed Property a recordable "Notice of PID Assessment Termination."
- (d) At the option of the Parcel owner, the Assessment on any Parcel may be paid in

part in an amount equal to the amount of prepaid Assessments plus Prepayment Costs with respect thereto. Upon the payment of such amount for a Parcel, the Assessment for the Parcel shall be reduced, the Assessment Roll shall be updated to reflect such partial payment, and the obligation to pay the Annual Installment for such Parcel shall be reduced to the extent the partial payment is made. The partial Assessment payment will be used to redeem the bonds.

## **2. Payment of Annual Installments**

The Act provides that an Assessment for a Parcel may be paid in full at any time. If not paid in full, the Act authorizes the City to collect interest and collection costs on the outstanding Assessment. An Annual Installment for a Parcel that is not paid in full will be collected in Annual Installments each year in the amounts shown in the Assessment Roll, which includes interest on the outstanding Assessment and Administrative Expenses.

The Annual Installments as listed on the Assessment Rolls for Neighborhood Improvement Area #1 in Appendix E and Neighborhood Improvement Areas #2-5 in Appendix F have been calculated using an estimated interest rate on the Neighborhood Improvement Area #1 Refunding Bonds of 5.00% and an estimated interest rate on the Neighborhood Improvement Areas #2-5 Major Improvement Refunding Bonds of 5.375% for years 1 through 9 (2024-2033) and 5.750% for years 10 through 16 (2034-2040), respectively.

The Annual Installments as listed on the Assessment Rolls for Neighborhood Improvement Area #2 in Appendix G and Neighborhood Improvement Areas #3 in Appendix H have been calculated using an interest rate of 4.125% for the Neighborhood Improvement Areas #2-3 Bonds maturing through 2039 and an interest rate of 4.250% for the Neighborhood Improvement Areas #2-3 Bonds maturing after 2039.

The Annual Installments as listed on the Assessment Rolls for Neighborhood Improvement Area #4 in Appendix I have been calculated using an interest rate of 4.125% for the Neighborhood Improvement Area #4 Bonds.

The Annual Installments as listed on the Assessment Rolls for Neighborhood Improvement Area #5A and Neighborhood Improvement Area #5B in Appendix J (including Appendix J-1, Appendix J-2, and Appendix J-3) have been calculated using an interest rate of 2.875% in years 1 through 6 (2022-2027), 3.25% in years 7 through 11 (2028-2032), 3.50% in years 12 through 21 (2033-2042), and 4.00% in years 22 through 30 (2043-2051) on the Neighborhood Improvement Area #5 Bonds.

The Annual Installments shall be reduced to equal the actual costs of repaying the PID Bonds and actual Administrative Expenses (as provided for in the definition of such term), taking into consideration any other available funds for these costs, such as interest income on account balances. If additional Assessments are levied on the Project by the City, the Annual Installments will be adjusted to reflect the changes.

The City reserves and shall have the right and option to refund the PID Bonds in accordance with Section 372.027 of the PID Act. In the event of such refunding, the Administrator shall recalculate the Annual Installments, and if necessary, may adjust, or decrease, the amount of the Annual Installment so that total Annual Installments of Assessments will be produced in annual amounts that are required to pay the refunding PID Bonds when due and payable as required by and established in the ordinance and/or the indenture authorizing and securing the refunding PID Bonds, and such refunding PID Bonds shall constitute “PID Bonds” for purposes of this Service and Assessment Plan.

## **J. COLLECTION OF ANNUAL INSTALLMENTS**

The Administrator shall, no less frequently than annually, prepare and submit to the City Council for its approval, an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include updated Assessment Rolls and a calculation of the Annual Installment for each Assessed Property. Administrative Expenses shall be allocated among Assessed Properties in proportion to the amount of the Annual Installments for the Assessed Property. Each Annual Installment shall be reduced by any credits applied under the Indenture, such as capitalized interest, interest earnings on any account balances, and any other funds available to the Trustee for such purpose, and existing deposits for an Additional Interest Reserve. Annual Installments may be collected by the City (or such entity to whom the City directs) in the same manner and at the same time as ad valorem taxes. Annual Installments shall be subject to the penalties, procedures, and foreclosure sale in case of delinquencies in the same manner and at the same time as ad valorem taxes. The City Council may provide for other means of collecting the Annual Installments to the extent permitted under the PID Act. The Assessments shall have lien priority as specified in the PID Act.

Any sale of Assessed Property for nonpayment of the delinquent Annual Installments shall be subject to the lien established for the remaining unpaid Annual Installments against such Assessed Property and such Assessed Property may again be sold at a judicial foreclosure sale if the purchaser thereof fails to make timely payment of the non-delinquent Annual Installments against such Assessed Property as they become due and payable.

Each Annual Installment, including the interest on the unpaid amount of an Assessment, shall be calculated each September 1 and assessed annually. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of the following year.

Each Annual Installment for the Neighborhood Improvement Area #2 Assessments, including the interest on the unpaid amount of an Assessment, shall be assessed annually. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of each year following the commencement of collection of the Neighborhood Improvement Area #2 Annual Installments. Each Annual Installment for the Neighborhood Improvement Area #3 Assessments, including the interest on the unpaid amount of an Assessment, shall be assessed annually. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of each

year following the commencement of collection of the Neighborhood Improvement Area #3 Annual Installments. Collection of the Annual Installment for the Neighborhood Improvement Area #3 Assessments commenced with the issuance of the Neighborhood Improvement Areas #2-3 Bonds.

Each Annual Installment for the Neighborhood Improvement Area #4 Assessments, including the interest on the unpaid amount of an Assessment, shall be assessed annually. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of each year following the commencement of collection of the Neighborhood Improvement Area #4 Annual Installments. Collection of the Annual Installment for the Neighborhood Improvement Area #4 Assessments commenced with the issuance of the Neighborhood Improvement Area #4 Bonds.

Each Annual Installment for the Neighborhood Improvement Area #5A Assessments and the Neighborhood Improvement Area #5B Assessments including the interest on the unpaid amount of an Assessment shall begin with the issuance of Neighborhood Improvement Area #5 Bonds and be assessed annually thereafter. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of each year following the commencement of collection of the Neighborhood Improvement Area #5A Annual Installments and the Neighborhood Improvement Area #5B Annual Installments. Collection of the Annual Installment for the Neighborhood Improvement Area #5A Assessments and Neighborhood Improvement Area #5B Assessments shall commence with the issuance of the Neighborhood Improvement Area #5 Bonds.

The City may elect to designate a third party to serve as Administrator of the PID. The City shall notify Developer in writing at least thirty (30) days in advance before appointing a third-party Administrator.

To the extent consistent with the PID Act, an owner of an Assessed Property claiming that a calculation error has been made in the Assessment Roll, including the calculation of the Annual Installment, must send a written notice describing the error to the City no later than thirty (30) days after the date any amount which is alleged to be incorrect is due prior to seeking any other remedy. If an owner fails to give such notice, such owner shall be deemed to have accepted the calculation of the Assessment Rolls (including the Annual Installments) and to have waived any objection to the calculation. The Administrator shall promptly review the notice, and if necessary, meet with the Assessed Property owner, consider written and oral evidence regarding the alleged error and decide whether, in fact, such a calculation error occurred.

If the Administrator determines that a calculation error has been made and the Assessment Rolls should be modified or changed in favor of the Assessed Property owner, such change or modification shall be presented to the City Council for approval, to the extent permitted by the PID Act. A cash refund may not be made for any amount previously paid by the Assessed Property owner (except for the final year during which the Annual Installment shall be collected), but an adjustment may be made in the amount of the Annual Installment to be paid in the following year. The decision of the Administrator regarding a calculation error relating to the Assessment Rolls may be appealed to the City Council. Any amendments made to the Assessment Rolls pursuant to calculation errors shall be made pursuant to the PID Act.

### **B. TERMINATION OF ASSESSMENTS**

Each Assessment shall terminate on the date the Assessment is paid in full, including payment of any unpaid Annual Installments and Delinquent Collection Costs, if any. After the termination of the Assessment, and the collection of any delinquent Annual Installments and Delinquent Collection Costs, the City shall provide the owner of the affected Parcel a recordable “Notice of the PID Assessment Termination.”

### **C. AMENDMENTS**

### **D. ADMINISTRATION AND INTERPRETATION OF PROVISIONS**

The City Council shall administer (or cause the administration of) the PID, this SAP, and all Annual Service Plan Updates consistent with the PID Act, unless stated otherwise herein or in the Indenture, such determination shall be conclusive.

#### **E. SEVERABILITY**

If any provision, section, subsection, sentence, clause or phrase of this Service and Assessment Plan, or the application of same to an Assessed Property or any person or set of circumstances is for any reason held to be unconstitutional, void or invalid, the validity of the remaining portions of this Service and Assessment Plan or the application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council in adopting this Service and Assessment Plan that no part thereof, or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness or invalidity of any other part hereof, and all provisions of this Service and Assessment Plan are declared to be severable for that purpose.

If any provision of this Service and Assessment Plan is determined by a court to be unenforceable, the unenforceable provision shall be deleted from this Service and Assessment Plan and the unenforceable provision shall, to the extent possible, be rewritten to be enforceable and to give effect to the intent of the City.

IN REGARD to the authorization and issuance of the “City of Celina, Texas Special Assessment Revenue Refunding Bonds, Series 2024 (Sutton Fields II Public Improvement District Major Improvement Area Project)” (the “Bonds”), dated August 30, 2024, in the principal amount of \$ \_\_\_\_\_, we have examined the legality and validity of the issuance thereof by the City of Celina, Texas (the “City”) solely to express legal opinions as to the validity of the Bonds, the defeasance and discharge of the City’s outstanding obligations being refunded by the Bonds and the exclusion of the interest on the Bonds from gross income for federal income tax purposes, and for no other purpose. We have not been requested to investigate or verify, and we neither expressly nor by implication render herein any opinion concerning, the financial condition or capabilities of the City, or the history or prospects of the collection of the Pledged Revenues, the disclosure of any financial or statistical information or data pertaining to the City and used in the sale of the Bonds, or the sufficiency of the security for or the value or marketability of the Bonds, and have not assumed any responsibility with respect thereto. Capitalized terms used herein and not otherwise defined have the meanings assigned in the Indenture.

THE BONDS are issued in fully registered form only and mature, unless redeemed prior to maturity in accordance with the terms stated on the Bonds, on September 1 in each of the years specified in an Indenture of Trust (the “Indenture”), dated as of August 1, 2024 with U.S. Bank Trust Company, National Association, as trustee (the “Trustee”), approved by the City Council of the City pursuant to an ordinance (the “Ordinance”) adopted by the City Council of the City authorizing the issuance of the Bonds. The Bonds accrue interest from the date, at the rates, and in the manner and interest is payable on the dates, all as provided in the Indenture.

IN RENDERING THE OPINIONS herein we have examined and rely upon (i) original or certified copies of the proceedings had in connection with the issuance of the Bonds, including the Indenture, the Ordinance and an examination of the initial Bond executed and delivered by the City (which we found to be in due form and properly executed); (ii) certifications of officers of the City relating to the expected use and investment of proceeds of the sale of the Bonds and certain other funds of the City and (iii) other documentation and such matters of law as we deem relevant. In the examination of the proceedings relating to the issuance of the Bonds, we have assumed the authenticity of all documents submitted to us as originals, the conformity to original copies of all documents submitted to us as certified copies, and the accuracy of the statements contained in such documents and certifications.

BASED ON OUR EXAMINATION, we are of the opinion that, under applicable law of the United States of America and the State of Texas in force and effect on the date hereof:

1. The Bonds have been authorized, issued and delivered in accordance with law; that the Bonds are valid, legally binding and enforceable limited obligations of the City in accordance with their terms payable solely from the Trust Estate, except to the extent the enforceability thereof may be limited by bankruptcy, insolvency, reorganization, moratorium, liquidation and other similar laws now or hereafter enacted relating to creditors’ rights generally or the exercise of judicial discretion in accordance with the general principles of equity.

Norton Rose Fulbright US LLP is a limited liability partnership registered under the laws of Texas.

Norton Rose Fulbright US LLP, Norton Rose Fulbright LLP, Norton Rose Fulbright Australia, Norton Rose Fulbright Canada LLP and Norton Rose Fulbright North Africa Inc are separate legal entities and all of them are members of Norton Rose Fulbright Verein, a Swiss verein. Norton Rose Fulbright Verein helps coordinate the activities of the members but does not itself provide legal services to clients. Details of each entity, with certain regulatory information, are available at [nortonrosefulbright.com](http://nortonrosefulbright.com).

2. The outstanding obligations refunded, discharged, paid and retired with the proceeds of the Bonds have been defeased and are regarded as being outstanding only for the purpose of receiving payment from the funds held by the trustee for the outstanding obligations being refunded (“Refunded Bonds Trustee”) and in accordance with the provisions of Texas Government Code, Chapter 1207, as amended. In rendering this opinion, we have relied upon the certificate of the Refunded Bonds Trustee as to the sufficiency of cash deposited with the Refunded Bonds Trustee for the purposes of paying the outstanding obligations refunded and to be retired with the proceeds of the Bonds and the interest thereon.

3. Assuming continuing compliance after the date hereof by the City with the provisions of the Indenture and in reliance upon representations and certifications of the City made in a certificate of even date herewith pertaining to the use, expenditure, and investment of the proceeds of the Bonds, interest on the Bonds for federal income tax purposes (i) will be excludable from gross income, as defined in Section 61 of the Internal Revenue Code of 1986, as amended to the date hereof, of the owners thereof pursuant to Section 103 of such Code, existing regulations, published rulings, and court decisions thereunder, and (ii) will not be included in computing the alternative minimum taxable income of the owners thereof who are individuals.

We express no opinion with respect to any other federal, state, or local tax consequences under present law or any proposed legislation resulting from the receipt or accrual of interest on, or the acquisition or disposition of, the Bonds. Ownership of tax-exempt obligations such as the Bonds may result in collateral federal tax consequences to, among others, financial institutions, property and casualty insurance companies, life insurance companies, certain foreign corporations doing business in the United States, S corporations with subchapter C earnings and profits, corporations subject to the alternative minimum tax on adjusted financial statement income, individual recipients of Social Security or Railroad Retirement Benefits, individuals otherwise qualifying for the earned income tax credit, owners of an interest in a financial asset securitization investment trust, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations.

Our opinions are based on existing law, which is subject to change. Such opinions are further based on our knowledge of facts as of the date hereof. We assume no duty to update or supplement our opinions to reflect any facts or circumstances that may thereafter come to our attention or to reflect any changes in any law that may thereafter occur or become effective. Moreover, our opinions are not a guarantee of result and are not binding on the Internal Revenue Service; rather, such opinions represent our legal judgment based upon our review of existing law that we deem relevant to such opinions and in reliance upon the representations and covenants referenced above.

supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Issuer.

Upon the occurrence of a Listed Event, the Issuer shall promptly notify the Dissemination Agent in writing and the Issuer shall direct the Dissemination Agent to file a notice of such occurrence with the MSRB. The Dissemination Agent shall file such notice no later than the Business Day immediately following the day on which it receives written notice of such occurrence from the Issuer. Any such notice is required to be filed within ten (10) Business Days of the occurrence of such Listed Event.

Any notice under the preceding paragraphs shall be accompanied with the text of the disclosure that the Issuer desires to make, the written authorization of the Issuer for the Dissemination Agent to disseminate such information as provided herein, and the date the Issuer desires for the Dissemination Agent to disseminate the information (which date shall not be more than ten (10) Business Days after the occurrence of the Listed Event or failure to file).

In all cases, the Issuer shall have the sole responsibility for the content, design and other elements comprising substantive contents of all disclosures made under this Section 5. In addition, the Issuer shall have the sole responsibility to ensure that any notice required to be filed under this Section 5 is filed within ten (10) Business Days of the occurrence of the Listed Event.

(b) The Dissemination Agent shall, within one (1) Business Day of obtaining actual knowledge of the occurrence of any Listed Event with respect to the Bonds, notify the Disclosure Representative of such Listed Event. The Dissemination Agent shall not be required to file a notice of the occurrence of such Listed Event with the MSRB unless and until it receives written instructions from the Disclosure Representative to do so. If the Dissemination Agent has been instructed by the Disclosure Representative on behalf of the Issuer to report the occurrence of a Listed Event under this subsection (b), the Dissemination Agent shall immediately file a notice of such occurrence with the MSRB. It is agreed and understood that the duty to make or cause to be made the disclosures herein is that of the Issuer and not that of the Trustee or the Dissemination Agent. It is agreed and understood that the Dissemination Agent has agreed to give the foregoing notice to the Issuer as an accommodation to assist it in monitoring the occurrence of such event, but is under no obligation to investigate whether any such event has occurred. As used above, “actual knowledge” means the actual fact or statement of knowing, without a duty to make any investigation with respect thereto. In no event shall the Dissemination Agent be liable in damages or in tort to the Issuer, the Participating Underwriter, the Trustee, or any Owner or beneficial owner of any interests in the Bonds as a result of its failure to give the foregoing notice or to give such notice in a timely fashion.

(c) If in response to a notice from the Dissemination Agent under subsection (b), the Issuer determines that the Listed Event under number 2, 7, 8 (as to Bond calls only), 10, 13, 14 or 15 of subparagraph (a) above is not material under applicable federal securities laws, the Issuer shall promptly notify the Dissemination Agent and the Trustee (if the Dissemination Agent is not the Trustee) in writing and instruct the Dissemination Agent not to report the occurrence pursuant to subsection (b).

(d) In addition to the Listed Events above, the Issuer shall provide to the Dissemination Agent filing with the MSRB period reporting on delinquencies and collection activities related to delinquent

Assessments and foreclosure activities in the Major Improvement Area of the District as provided in Exhibit C hereto.

SECTION 6. Termination of Reporting Obligations. The obligations of the Issuer, the Administrator and the Dissemination Agent under this Disclosure Agreement shall terminate upon the legal defeasance, prior redemption or payment in full of all of the Bonds, when the Issuer is no longer an obligated person with respect to the Bonds, or upon delivery by the Disclosure Representative to the Dissemination Agent of an opinion of nationally recognized bond counsel to the effect that continuing disclosure is no longer required. So long as any of the Bonds remain Outstanding, the Dissemination Agent may assume that the Issuer is an obligated person with respect to the Bonds until it receives written notice from the Disclosure Representative stating that the Issuer is no longer an obligated person with respect to the Bonds, and the Dissemination Agent may conclusively rely upon such written notice with no duty to make investigation or inquiry into any statements contained or matters referred to in such written notice. If such termination occurs prior to the final maturity of the Bonds, the Issuer shall give notice of such termination in the same manner as for a Listed Event with respect to such series of Bonds under Section 5(a).

SECTION 7. Dissemination Agent. The Issuer may, from time to time, appoint or engage a Dissemination Agent or successor Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement, and may discharge such Dissemination Agent, with or without appointing a successor Dissemination Agent. If at any time there is not any other designated Dissemination Agent, the Issuer shall be the Dissemination Agent. The initial Dissemination Agent appointed hereunder shall be HTS Continuing Disclosure Services, a division of Hilltop Securities Inc.

SECTION 8. Amendment; Waiver. Notwithstanding any other provisions of this Disclosure Agreement, the Issuer and the Dissemination Agent may amend this Disclosure Agreement (and the Dissemination Agent shall not unreasonably withhold its consent to any amendment so requested by the Issuer), and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Sections 3(a), 4, or 5(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of an obligated person with respect to the Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the delivery of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Owners of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Owners or beneficial owners of the Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Issuer shall describe such amendment in the next related Annual Issuer Report, and shall include, as applicable,

a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Issuer. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 5(a), and (ii) the Annual Issuer Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. No amendment which materially adversely affects the Dissemination Agent may be made without its prior written consent (which consent will not be unreasonably withheld or delayed).

SECTION 9. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Issuer Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Issuer chooses to include any information in any Annual Issuer Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Issuer Report or notice of occurrence of a Listed Event.

SECTION 10. Default. In the event of a failure of the Issuer to comply with any provision of this Disclosure Agreement, the Dissemination Agent may (and, at the request of any Participating Underwriter or the Owners of at least twenty-five (25%) aggregate principal amount of Outstanding Bonds, shall, upon being indemnified to its satisfaction), or any Owner or beneficial owner of the Bonds may, take such actions as may be necessary and appropriate to cause the Issuer, as the case may be, to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture with respect to the Bonds, and the sole remedy under this Disclosure Agreement in the event of any failure of the Issuer to comply with this Disclosure Agreement shall be an action for mandamus or specific performance.

SECTION 11. Duties, Immunities and Liabilities of Dissemination Agent and Administrator.

(a) The Dissemination Agent shall not have any duty with respect to the content of any disclosures made pursuant to the terms hereof. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Dissemination Agent. To the extent permitted by law, the Issuer agrees to hold harmless the Dissemination Agent, its officers, directors, employees and agents, but only with funds to be provided from Assessments collected from the property owners in the Major Improvement Area of the District, against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Dissemination Agent's negligence or willful misconduct. The obligations of the Issuer under this Section shall survive resignation or removal of the Dissemination Agent and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Dissemination Agent is an "obligated person" under the Rule. The Dissemination Agent is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder. The fact that the

Dissemination Agent may have a banking or other business relationship with the Issuer or any person with whom the Issuer contracts in connection with the transaction described in the Indenture, apart from the relationship created by the Indenture or this Disclosure Agreement, shall not be construed to mean that the Dissemination Agent has actual knowledge of any event described in Section 5 above, except as may be provided by written notice to the Dissemination Agent pursuant to this Disclosure Agreement.

(b) The Administrator shall not have any duty with respect to the content of any disclosures made pursuant to the terms hereof. The Administrator shall have only such duties as are specifically set forth in this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Administrator. To the extent permitted by law, the Issuer agrees to hold harmless the Administrator, its officers, directors, employees and agents, but only with funds to be provided from Assessments collected from the property owners in the Major Improvement Area of the District for Administrative Expenses, against any loss, expense and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including reasonable attorneys' fees) of defending against any claim of liability, but excluding liabilities due to the Administrator's negligence or willful misconduct. The obligations of the Issuer under this Section shall survive resignation or removal of the Administrator and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Administrator is an "obligated person" under the Rule. The Administrator is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder. The Administrator shall not in any event incur any liability with respect to (i) any action taken or omitted to be taken in good faith upon advice of legal counsel given with respect to any question relating to duties and responsibilities of the Administrator hereunder, or (ii) any action taken or omitted to be taken in reliance upon any document delivered to the Administrator and believed to be genuine and to have been signed or presented by the proper party or parties.

(c) The Administrator may, from time to time, consult with legal counsel of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or their respective duties hereunder, and the Dissemination Agent and Administrator shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel.

UNDER NO CIRCUMSTANCES SHALL THE DISSEMINATION AGENT, THE ADMINISTRATOR OR THE ISSUER BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY THE ISSUER, THE ADMINISTRATOR OR THE DISSEMINATION AGENT, RESPECTIVELY, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS DISCLOSURE AGREEMENT, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE. THE DISSEMINATION AGENT AND THE ADMINISTRATOR ARE UNDER NO OBLIGATION NOR ARE THEY REQUIRED TO BRING SUCH AN ACTION.

SECTION 12. Assessment Timeline. Subject to the provisions of Section 5(d) hereof, the basic expected timeline for the collection of Assessments and the anticipated procedures for pursuing

the collection of delinquent Assessments is set forth in Exhibit C which is intended to illustrate the general procedures expected to be followed in enforcing the payment of delinquent Assessments.

SECTION 13. No Personal Liability. No covenant, stipulation, obligation or agreement of the Issuer, Administrator or Dissemination Agent contained in this Disclosure Agreement shall be deemed to be a covenant, stipulation, obligation or agreement of any present or future council members, officer, agent or employee of the Issuer, Administrator or Dissemination Agent in other than that person's official capacity.

SECTION 14. Severability. In case any section or provision of this Disclosure Agreement, or any covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder or any application thereof, is for any reasons held to be illegal or invalid, such illegality or invalidity shall not affect the remainder thereof or any other section or provision thereof or any other covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder (except to the extent that such remainder or section or provision or other covenant, stipulation, obligation, agreement, act or action, or part thereof is wholly dependent for its operation on the provision determined to be invalid), which shall be construed and enforced as if such illegal or invalid portion were not contained therein, nor shall such illegality or invalidity of any application thereof affect any legal and valid application thereof, and each such section, provision, covenant, stipulation, obligation, agreement, act or action, or part thereof shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.

SECTION 15. Sovereign Immunity. The Dissemination Agent agrees that nothing in this Disclosure Agreement shall constitute or be construed as a waiver of the Issuer's sovereign or governmental immunities regarding liability or suit.

SECTION 16. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the Issuer, the Administrator, the Dissemination Agent, the Participating Underwriter, and the Owners and the beneficial owners from time to time of the Bonds, and shall create no rights in any other person or entity. Nothing in this Disclosure Agreement is intended or shall act to disclaim, waive or otherwise limit the duties of the Issuer under federal and state securities laws.

SECTION 17. Dissemination Agent Compensation. The fees and expenses incurred by the Dissemination Agent for its services rendered in accordance with this Disclosure Agreement constitute Administrative Expenses and will be included in the Annual Installments as provided in the annual updates to the Service and Assessment Plan. The Dissemination Agent has entered into a separate agreement with the Issuer, which agreement provides for the payment of the fees and expenses of the Dissemination Agent for its services rendered in accordance with this Disclosure Agreement.

SECTION 18. Administrator Compensation. The fees and expenses incurred by the Administrator for its services rendered in accordance with this Disclosure Agreement constitute Administrative Expenses and will be included in the Annual Installments as provided in the annual updates to the Service and Assessment Plan. The Administrator has entered into a separate agreement with the Issuer, which agreement governs the administration of the Major Improvement Area of the District, including the payment of the fees and expenses of the Administrator for its services rendered in accordance with this Disclosure Agreement.

SECTION 19. Governing Law. This Disclosure Agreement shall be governed by the laws of the State of Texas.

SECTION 20. Counterparts. This Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument.

SECTION 21. Form 1295. Pursuant to Section 2252.908(c)(4), Texas Government Code, as amended, the Dissemination Agent hereby certifies it is a publicly traded business entity and is not required to file a Certificate of Interested Parties Form 1295 related to this Disclosure Agreement. BUILD AMERICA MUTUAL ASSURANCE COMPANY ("BAM"), for consideration received, hereby UNCONDITIONALLY AND IRREVOCABLY agrees to pay to the trustee (the "Trustee") or paying agent (the "Paying Agent") for the Bonds named above (as set forth in the documentation providing for the issuance and securing of the Bonds), for the benefit of the Owners or, at the election of BAM, directly to each Owner, subject only to the terms of this Policy (which includes each endorsement hereto), that portion of the principal of and interest on the Bonds that shall become Due for Payment but shall be unpaid by reason of Nonpayment by the Issuer.

On the later of the day on which such principal and interest becomes Due for Payment or the first Business Day following the Business Day on which BAM shall have received Notice of Nonpayment, BAM will disburse (but without duplication in the case of duplicate claims for the same Nonpayment) to or for the benefit of each Owner of the Bonds, the face amount of principal of and interest on the Bonds that is then Due for Payment but is then unpaid by reason of Nonpayment by the Issuer, but only upon receipt by BAM, in a form reasonably satisfactory to it, of (a) evidence of the Owner's right to receive payment of such principal or interest then Due for Payment and (b) evidence, including any appropriate instruments of assignment, that all of the Owner's rights with respect to payment of such principal or interest that is Due for Payment shall thereupon vest in BAM. If any Notice of Nonpayment received by BAM is incomplete, it shall be deemed not to have been received by BAM for purposes of the preceding sentence, and BAM shall promptly so advise the Trustee, Paying Agent or Owner, as appropriate, any of whom may submit an amended Notice of Nonpayment. Upon disbursement under this Policy in respect of a Bond and to the extent of such payment, BAM shall become the owner of such Bond, any appurtenant coupon to such Bond and right to receipt of payment of principal of or interest on such Bond and shall be fully subrogated to the rights of the Owner, including the Owner's right to receive payments under such Bond. Payment by BAM either to the Trustee or Paying Agent for the benefit of the Owners, or directly to the Owners, on account of any Nonpayment shall discharge the obligation of BAM under this Policy with respect to said Nonpayment.

Except to the extent expressly modified by an endorsement hereto, the following terms shall have the meanings specified for all purposes of this Policy. "Business Day" means any day other than (a) a Saturday or Sunday or (b) a day on which banking institutions in the State of New York or the Insurer's Fiscal Agent (as defined herein) are authorized or required by law or executive order to remain closed. "Due for Payment" means (a) when referring to the principal of a Bond, payable on the stated maturity date thereof or the date on which the same shall have been duly called for mandatory sinking fund redemption and does not refer to any earlier date on which payment is due by reason of call for redemption (other than by mandatory sinking fund redemption), acceleration or other advancement of maturity (unless BAM shall elect, in its sole discretion, to pay such principal due upon such acceleration together with any accrued interest to the date of acceleration) and (b) when referring to interest on a Bond, payable on the stated date for payment of interest. "Nonpayment" means, in respect of a Bond, the failure of the Issuer to have provided sufficient funds to the Trustee or, if there is no Trustee, to the Paying Agent for payment in full of all principal and interest that is Due for Payment on such Bond. "Nonpayment" shall also include, in respect of a Bond, any payment made to an Owner by or on behalf of the Issuer of principal or interest that is Due for Payment, which payment has been recovered from such Owner pursuant to the United States Bankruptcy Code in accordance with a final, nonappealable order of a court having competent jurisdiction. "Notice" means delivery to BAM of a notice of claim and certificate, by certified mail, email or telecopy as set forth on the attached Schedule or other acceptable electronic delivery, in a form satisfactory to BAM, from and signed by an Owner, the Trustee or the Paying Agent, which notice shall specify (a) the person or entity making the claim, (b) the Policy Number, (c) the claimed amount, (d) payment instructions and (e) the date such claimed amount becomes or became Due for Payment. "Owner" means, in respect of a Bond, the person or entity who, at the time of Nonpayment, is entitled under the terms of such Bond to payment thereof, except that "Owner" shall not include the Issuer, the Member or any other person or entity whose direct or indirect obligation constitutes the underlying security for the Bonds.

BAM may appoint a fiscal agent (the "Insurer's Fiscal Agent") for purposes of this Policy by giving written notice to the Trustee, the Paying Agent, the Member and the Issuer specifying the name and notice address of the Insurer's Fiscal Agent. From and after the date of receipt of such notice by the Trustee, the Paying Agent, the Member or the Issuer (a) copies of all notices required to be delivered to BAM pursuant to this Policy shall be simultaneously delivered to the Insurer's Fiscal Agent and to BAM and shall not be deemed received until received by both and (b) all payments required to be made by BAM under this Policy may be made directly by BAM or by the Insurer's Fiscal Agent on behalf of BAM. The Insurer's Fiscal Agent is the agent of BAM only, and the Insurer's Fiscal Agent shall in no event be liable to the Trustee, Paying Agent or any Owner for any act of the Insurer's Fiscal Agent or any failure of BAM to deposit or cause to be deposited sufficient funds to make payments due under this Policy.

To the fullest extent permitted by applicable law, BAM agrees not to assert, and hereby waives, only for the benefit of each Owner, all rights (whether by counterclaim, setoff or otherwise) and defenses (including, without limitation, the defense of fraud), whether acquired by subrogation, assignment or otherwise, to the extent that such rights and defenses may be available to BAM to avoid payment of its obligations under this Policy in accordance with the express provisions of this Policy. This Policy may not be canceled or revoked.

This Policy sets forth in full the undertaking of BAM and shall not be modified, altered or affected by any other agreement or instrument, including any modification or amendment thereto. Except to the extent expressly modified by an endorsement hereto, any premium paid in respect of this Policy is nonrefundable for any reason whatsoever, including payment, or provision being made for payment, of the Bonds prior to maturity. THIS POLICY IS NOT COVERED BY THE PROPERTY/CASUALTY INSURANCE SECURITY FUND SPECIFIED IN ARTICLE 76 OF THE NEW YORK INSURANCE LAW. THIS POLICY IS ISSUED WITHOUT CONTINGENT MUTUAL LIABILITY FOR ASSESSMENT.

In witness whereof, BUILD AMERICA MUTUAL ASSURANCE COMPANY has caused this Policy to be executed on its behalf by its Authorized Officer.
