**NEW ISSUE - BOOK-ENTRY-ONLY  
LIMITED OFFERING**

**NOT RATED**

*In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications of the District and the Developer (as such terms are herein defined) and continuing compliance with certain tax covenants, under existing statutes, regulations, rulings and court decisions, interest on the Series 2024 Bonds (as hereinafter defined) is excludable from gross income for federal income tax purposes and further, interest on the Series 2024 Bonds will not be an item of tax preference for purposes of the alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Internal Revenue Code of 1986, as amended (the "Code") on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2024 Bonds is not excluded from the determination of adjusted financial statement income. See "TAX MATTERS" herein for a description of certain other federal tax consequences of ownership of the Series 2024 Bonds. Bond Counsel is further of the opinion that the Series 2024 Bonds and the income thereon are not subject to taxation under the laws of the State of Florida, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in said Chapter 220. See "TAX MATTERS" herein.*

The Everlands Community Development District Special Assessment Bonds, Series 2024 (Assessment Area Two – Phase Two) (the "Series 2024 Bonds") are being issued by the Everlands Community Development District (the "District") only in fully registered form, without coupons, in denominations of \$5,000 and any integral multiple thereof.

The District is a local unit of special purpose government of the State of Florida, created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. 2020-17 of the City Council of the City of Palm Bay, Florida (the "City Council"), enacted on March 5, 2020 and by Ordinance No. 2021-51 enacted by the City Council on September 16, 2021, which expanded the boundaries of the District by approximately 291.11+/- gross acres (such expanded area is herein referred to as "Assessment Area Two"). The District was created for the purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined), and has previously determined to undertake the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of certain District Lands.

The Series 2024 Bonds will bear interest at the fixed rates set forth on the inside cover, calculated on the basis of a 360-day year comprised of twelve (12) 30-day months, payable semi-annually on each June 15 and December 15, commencing December 15, 2024. The Series 2024 Bonds, when issued, will be registered in the name of Cede & Co., as registered owner and nominee for The Depository Trust Company ("DTC"), New York, New York. Purchases of beneficial interests in the Series 2024 Bonds will be made only in book-entry form. Accordingly, principal of and interest on the Series 2024 Bonds will be paid from the sources described below by U.S. Bank Trust Company, National Association, a national banking association duly organized and existing under the laws of the United States of America and authorized to exercise corporate trust powers in the State of Florida, as trustee (the "Trustee") directly to DTC or its nominee as the registered owner thereof. Disbursements of such payments to the Direct Participants (as hereinafter defined) is the responsibility of DTC, and disbursements of such payments to the beneficial owners is the responsibility of the Direct Participants and the Indirect Participants (as hereinafter defined), as more fully described herein. Any purchaser of a beneficial interest in a Series 2024 Bond must maintain an account with a broker or dealer who is, or acts through, a Direct Participant to receive payment of the principal of and interest on such Series 2024 Bond. See "DESCRIPTION OF THE SERIES 2024 BONDS – Book-Entry Only System" herein.

The Series 2024 Bonds are being issued by the District pursuant to the Act, Resolution Nos. 2022-02 and 2024-07, adopted by the Board of Supervisors of the District (the "Board") on July 8, 2022 and October 11, 2024, respectively, and a Master Trust Indenture dated as of September 1, 2021 (the "Master Indenture"), as supplemented by a Third Supplemental Trust Indenture dated as of October 1, 2024 (the "Third Supplemental Indenture," and collectively with the Master Indenture, the "Indenture"), each by and between the District and the Trustee. Capitalized terms not defined herein shall have the meanings assigned to them in the Indenture.

Proceeds of the Series 2024 Bonds will be used to provide funds for (i) the Costs of acquiring and/or constructing a portion of the Assessment Area Two Project (as hereinafter defined), (ii) the funding of the Series 2024 Reserve Account in an amount equal to the initial Series 2024 Reserve Requirement, (iii) the funding of interest on the Series 2024 Bonds through at least December 15, 2024, and (iv) the payment of the costs of issuance of the Series 2024 Bonds. See "THE CAPITAL IMPROVEMENT AND THE ASSESSMENT AREA TWO PROJECT" and "ESTIMATED SOURCES AND USES OF FUNDS" herein.

The Series 2024 Bonds will be secured by a pledge of the Series 2024 Pledged Revenues. "Series 2024 Pledged Revenues" shall mean (a) all revenues received by the District from the Series 2024 Special Assessments (as hereinafter defined) levied and collected on the assessable lands within Assessment Area Two – Phase Two within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2024 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2024 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture created and established with respect to or for the benefit of the Series 2024 Bonds; provided, however, that Series 2024 Pledged Revenues shall not include (A) any moneys transferred to the Series 2024 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2024 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS" herein.

The Series 2024 Bonds are subject to optional, mandatory sinking fund and extraordinary mandatory redemption at the times, in the amounts and at the redemption prices as more fully described herein. See "DESCRIPTION OF THE SERIES 2024 BONDS – Redemption Provisions" herein.

THE SERIES 2024 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY FROM THE SERIES 2024 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE, AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE CITY OF PALM BAY, FLORIDA (THE "CITY"), BREVARD COUNTY, FLORIDA (THE "COUNTY"), THE STATE OF FLORIDA (THE "STATE"), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2024 BONDS; HOWEVER, THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, THE SERIES 2024 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2024 BONDS. THE SERIES 2024 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2024 Bonds involve a degree of risk (see "BONDOWNERS' RISKS" herein) and are not suitable for all investors (see "SUITABILITY FOR INVESTMENT" herein). The Underwriter named below is limiting this offering to "accredited investors" within the meaning of Chapter 517, Florida Statutes, and the rules of the Florida Department of Financial Services promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2024 Bonds. The Series 2024 Bonds are not credit enhanced or rated and no application has been made for any credit enhancement or a rating with respect to the Series 2024 Bonds.

**SPECIAL ASSESSMENT BONDS, SERIES 2024**

**INTRODUCTION**

The purpose of this Limited Offering Memorandum is to set forth certain information in connection with the offering for sale by the Everlands Community Development District (the “District”) of its \$9,670,000\* Special Assessment Bonds, Series 2024 (Assessment Area Two – Phase Two) (the “Series 2024 Bonds”).

THE SERIES 2024 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2024 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON ANY TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2024 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2024 BONDS. SEE “BONDOWNERS’ RISKS” AND “SUITABILITY FOR INVESTMENT” HEREIN.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the “Act”), and by Ordinance No. 2020-17 of the City Council of the City of Palm Bay, Florida (the “City Council”), enacted on March 5, 2020 and by Ordinance No. 2021-51 enacted by the City Council on September 16, 2021, which expanded the boundaries of the District by approximately 291.11+/- gross acres. The District was created for the purpose of delivering certain community development services and facilities for the benefit of the District Lands (as hereinafter defined) and has previously determined to undertake the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of the District Lands. The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, and equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District encompass approximately 341.51+/- gross acres of land (the “District Lands”), located entirely within the incorporated area of the City of Palm Bay, Florida (the “City”) within Brevard County, Florida (the “County”). The District Lands constitute a portion of a master planned community known as “Everlands” (the “Master Development”). The Master Development is planned to contain approximately 4,000 residential units at buildout, of which 1,002 residential units are planned for the District Lands (the “Development”). The Master Development is planned to consist of multiple community development districts that will be created over time to facilitate the financing of the public infrastructure for the Master Development.

The boundaries of the District originally consisted of approximately 50.4+/- gross acres of land planned for 162 residential units and is referred to herein as “Assessment Area One.” Subsequently, the

\* Preliminary, subject to change.

District expanded its boundaries by approximately 291.11+/- gross acres of land planned for an additional 840 residential units and is referred to herein as “Assessment Area Two.”

The two assessment areas within the District correspond to two separate residential communities of the Development known as (i) Edgewood at Everlands, a non-age restricted production housing community within Assessment Area One (“Edgewood”) and (ii) Timbers at Everlands, a 55+ age-restricted “active adult” community within Assessment Area Two (“Timbers”).

The portion of the Capital Improvement Plan associated with Assessment Area One is referred to herein as the “Assessment Area One Project.” The District previously issued its (i) \$3,200,000 Everlands Community Development District Special Assessment Bonds, Series 2021 (2021 Project), currently outstanding in the principal amount of \$3,060,000 (the “Series 2021 Bonds”) to finance certain infrastructure improvements in connection with the development of Assessment Area One (the “Assessment Area One Project”) and (ii) its \$8,065,000 Everlands Community Development District Special Assessment Bonds, Series 2024 (Assessment Area Two – 2024 Project Area), currently outstanding in the principal amount of \$8,065,000 (the “Assessment Area Two – Phase One Bonds”) to finance certain infrastructure improvements in connection with the development of a portion of Assessment Area Two. See “THE DISTRICT – Prior Indebtedness” for more information.

Land development associated with Assessment Area Two is occurring in phases. The initial phases of Assessment Area Two contain 380 developed and platted lots (the “Assessment Area Two – Phase One”). The remaining phases of Assessment Area Two are planned to contain 460 developed and platted lots (the “Assessment Area Two – Phase Two”). The portion of the Capital Improvement Plan associated with Assessment Area Two is referred to herein as the “Assessment Area Two Project.” The Series 2024 Bonds are being issued to finance a portion of the Assessment Area Two Project not funded by the Assessment Area Two – Phase One Bonds.

The Series 2024 Bonds are payable from and will be secured by the Series 2024 Pledged Revenues (as hereinafter defined), which consist primarily of the Series 2024 Special Assessments (as hereinafter defined), which will at issuance be levied on the 460 developed and platted lots within Assessment Area Two – Phase Two, as set forth in the Assessment Methodology attached hereto. See “APPENDIX D – ASSESSMENT METHODOLOGY” for more information.

DRP FL 6, LLC, a Delaware limited liability company (the “DRP Landowner”) is the primary owner of the assessable lands within Assessment Area Two. The DRP Landowner entered into a Construction Agreement dated May 27, 2022, as may be amended and supplemented from time to time (the “Construction Agreement”) with Lennar Homes, LLC, a Florida limited liability company (the “Developer”) pursuant to which the Developer will manage the installation of infrastructure improvements for 1,338 lots within the Master Development (including the 840 lots in Assessment Area Two). In addition, the DRP Landowner entered into the Option Agreement (as hereinafter defined) with the Developer pursuant to which the Developer has the option to purchase such 1,338 lots within the Master Development (including the 840 lots in Assessment Area Two) in a series of takedowns. The Developer will construct and market such residential units for sale to homebuyers. As of October 22, 2024, the DRP Landowner owns the land planned for 383 lots within Assessment Area Two and the Developer owns 371 lots within Assessment Area Two. The remaining 86 lots within Assessment Area Two have closed with homebuyers. Of the 371 lots owned by the Developer, 325 are within Assessment Area Two – Phase One and 46 lots are within Assessment Area Two – Phase Two. See “THE DEVELOPER AND THE DRP LANDOWNER” herein for more information regarding the Developer and the DRP Landowner and see “THE DEVELOPMENT – Assessment Area Two – Phase Two Development Plan / Status” herein for a summary of the current development status of Assessment Area Two – Phase Two.

The Series 2024 Bonds are being issued by the District pursuant to the Act, Resolution Nos. 2022-02 and 2024-07, adopted by the Board of Supervisors of the District (the “Board”) on July 8, 2022 and October 11, 2024, respectively, and a Master Trust Indenture dated as of September 1, 2021 (the “Master Indenture”), as supplemented by a Third Supplemental Trust Indenture dated as of October 1, 2024 (the “Third Supplemental Indenture,” and collectively with the Master Indenture, the “Indenture”), each by and between the District and U.S. Bank Trust Company, National Association, a national banking association duly organized and existing under the laws of the United States of America and authorized to exercise corporate trust powers in the State (the “Trustee”). All capitalized terms used in this Limited Offering Memorandum that are not otherwise defined shall have the respective meanings set forth in the Indenture. See “APPENDIX A – COPY OF MASTER INDENTURE AND PROPOSED FORM OF THIRD SUPPLEMENTAL INDENTURE.”

Proceeds of the Series 2024 Bonds will be used to provide funds for (i) the Costs of acquiring and/or constructing a portion of the Assessment Area Two Project (as hereinafter defined), (ii) the funding of the Series 2024 Reserve Account in an amount equal to the initial Series 2024 Reserve Requirement, (iii) the funding of interest on the Series 2024 Bonds through at least December 15, 2024, and (iv) the payment of the costs of issuance of the Series 2024 Bonds. See “THE CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA TWO PROJECT” and “ESTIMATED SOURCES AND USES OF FUNDS” herein.

The Series 2024 Bonds will be secured by a pledge of the Series 2024 Pledged Revenues. “Series 2024 Pledged Revenues” shall mean (a) all revenues received by the District from Series 2024 Special Assessments levied and collected on the assessable lands within Assessment Area Two – Phase Two within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2024 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2024 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture created and established with respect to or for the benefit of the Series 2024 Bonds; provided, however, that Series 2024 Pledged Revenues shall not include (A) any moneys transferred to the Series 2024 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2024 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) “special assessments” levied and collected by the District under Section 190.022 of the Act for maintenance purposes or “maintenance assessments” levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS” herein.

There follows in this Limited Offering Memorandum a brief description of the District, the Developer, the DRP Landowner, the Development, the Assessment Area Two Project, and summaries of certain terms of the Series 2024 Bonds, the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and statute, and all references to the Series 2024 Bonds are qualified by reference to the definitive form thereof and the information with respect thereto contained in the Indenture. The Series 2024 Bonds may, at the option of the District, provided written notice thereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days' notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after December 15, 20\_\_ (less than all Series 2024 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2024 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2024 Optional Redemption Subaccount of the Series 2024 Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Series 2024 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2024 Bonds is substantially level.

Upon any redemption of Series 2024 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2024 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2024 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2024 Bonds in any year. In the event of a redemption occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund payment amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption

The Series 2024 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below where an extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to one hundred percent (100%) of the principal amount of the Series 2024 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2024 Prepayment Principal deposited into the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account (taking into account the credit from the Series 2024 Reserve Account pursuant to the provisions of the Third Supplemental Indenture) following the Prepayment in whole or in part of Series 2024 Special Assessments on any assessable property within Assessment Area Two – Phase Two within the District in accordance with the provisions of the Third Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2024 Funds, Accounts and subaccounts in the Funds and Accounts (other than the Series 2024 Rebate Fund, the Series 2024 Costs of Issuance Account and Series 2024 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2024 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) from any funds remaining on deposit in the Series 2024 Acquisition and Construction Account not otherwise reserved to complete the Assessment Area Two Project (including any amounts transferred from the Series 2024 Reserve Account) all of which have been transferred to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

### Notice of Redemption and of Purchase

When required to redeem or purchase Series 2024 Bonds (as described below) under any provision of the Indenture or directed to do so by the District, the Trustee shall give or cause to be given notice of the redemption to be mailed by first-class mail, postage prepaid, at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2024 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5<sup>th</sup>) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2024 Bonds for which notice was duly mailed in accordance with the Indenture. If the Trustee determines that the giving of notice by mail is not feasible, the Trustee may use any other industry acceptable means of giving notice including, but not limited to, facsimile or email provided the Trustee can establish such other means of giving notice was in fact given. Pursuant to the Indenture, the Trustee is authorized to give a conditional notice of redemption.

### **Purchase of Series 2024 Bonds**

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Series 2024 Sinking Fund Account to the purchase of Series 2024 Bonds in accordance with the Indenture, at prices not higher than the principal amount thereof, in lieu of redemption, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given.

### **Book-Entry Only System**

*The information in this caption concerning DTC and DTC's book-entry system has been obtained from DTC, and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.*

The Depository Trust Company ("DTC"), New York, New York, will act as securities depository for the Series 2024 Bonds. The Series 2024 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One (1) fully-registered Series 2024 Bond certificate will be issued for each maturity of the Series 2024 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over one hundred (100) countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust

companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has an S&P Global Ratings, a division of S&P Global Inc. rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of Series 2024 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2024 Bonds on DTC’s records. The ownership interest of each actual purchaser of each Series 2024 Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2024 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2024 Bonds, except in the event that use of the book-entry system for the Series 2024 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2024 Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2024 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2024 Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Series 2024 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2024 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2024 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2024 Bond documents. For example, Beneficial Owners of Series 2024 Bonds may wish to ascertain that the nominee holding the Series 2024 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2024 Bonds are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2024 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2024 Bonds unless authorized by a Direct Participant in accordance with DTC’s MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts the Series 2024 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, and principal and interest payments on the Series 2024 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC’s practice is to credit Direct Participants’ accounts upon DTC’s receipt of funds and corresponding detail

information from the District or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2024 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2024 Bond certificates are required to be printed and delivered.

Pursuant to the procedures of DTC, the District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2024 Bond certificates will be printed and delivered to DTC.

## **SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS**

### **General**

THE SERIES 2024 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY FROM THE SERIES 2024 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE, AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE OF FLORIDA (THE "STATE"), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2024 BONDS; HOWEVER, THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, SERIES 2024 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2024 BONDS. THE SERIES 2024 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2024 Bonds will be secured by a pledge of the Series 2024 Pledged Revenues. "Series 2024 Pledged Revenues" shall mean (a) all revenues received by the District from Series 2024 Special Assessments levied and collected on the assessable lands within Assessment Area Two – Phase Two within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2024 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2024 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture created and established with respect to or for the benefit of the Series 2024 Bonds; provided, however, that Series 2024 Pledged Revenues shall not include (A) any moneys transferred to the Series 2024 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2024 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso).

“Series 2024 Special Assessments” shall mean the Special Assessments levied on the assessable lands within Assessment Area Two – Phase Two within the District as a result of the District’s acquisition and/or construction of a portion of the Assessment Area Two Project, corresponding in amount to the debt service on the Series 2024 Bonds and designated as such in the Assessment Methodology (as hereinafter defined), which describes the methodology for allocating the Series 2024 Special Assessments to the assessable lands within Assessment Area Two – Phase Two, and which is included as APPENDIX D hereto. The Series 2024 Special Assessments do not secure the Assessment Area Two – Phase One Bonds. The Series 2024 Special Assessments will be levied pursuant to Section 190.022 of the Act, resolutions of the District adopted prior to delivery of the Series 2024 Bonds, as amended and supplemented from time to time (collectively, the “Assessment Resolutions”) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the “Assessment Proceedings”). Non-ad valorem assessments are not based on millage and are not taxes, but are a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The Series 2024 Special Assessments will constitute a lien against the land as to which the Series 2024 Special Assessments are imposed. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein.

**Assessment Methodology / Projected Level of District Assessments**

As set forth in the Assessment Methodology, the Series 2024 Special Assessments will at issuance be levied on the 460 platted lots which comprise Assessment Area Two – Phase Two on the per unit basis below. See “ASSESSMENT METHODOLOGY” herein.

\* Preliminary, subject to change.

\*\* This amount is grossed up to include early payment discounts and County collection fees, currently six percent (6%).

The District will continue levying assessments within the District to cover its operation and administrative costs that are currently approximately \$1,200 per residential unit annually, net of early payment discounts, which amount is subject to change. In addition, residents will be required to pay homeowners association fees which are currently estimated to be \$290 per residential unit annually, which amount is subject to change. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate applicable to lands within the District for 2023 was approximately 18.4894 mills, which millage rate is subject to change in future tax years. These taxes are payable in addition to the Series 2024 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School District of Brevard County, Florida (“Brevard County Public Schools”) each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See “THE DEVELOPMENT – Taxes, Fees and Assessments” for more information.

## **Additional Obligations**

In the Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the Series 2024 Special Assessments. Such covenant shall not prohibit the District from issuing refunding Bonds. In addition, the District will covenant in the Indenture not to issue any other Bonds or debt obligations for capital projects, secured by Special Assessments on the land within Assessment Area Two – Phase Two within the District which secure the Series 2024 Special Assessments, until the Series 2024 Special Assessments are Substantially Absorbed. The District’s covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. “Substantially Absorbed” is defined in the Third Supplemental Indenture to mean the date on which at least seventy-five percent (75%) of the principal portion of the Series 2024 Special Assessments have been assigned to residential units within Assessment Area Two – Phase Two within the District that have received certificates of occupancy. The District shall provide the Trustee with a certification that the Series 2024 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2024 Special Assessments are Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the District may issue other Bonds or other debt obligations secured by Special Assessments levied within the District, on the same lands as the Series 2024 Special Assessments at any time upon the written consent of the Majority Holders.

The District (subject to the foregoing paragraph) and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2024 Special Assessments without the consent of the Owners of the Series 2024 Bonds. See “– Assessment Methodology / Projected Level of District Assessments” above. As set forth above, the District will continue to impose certain non-ad valorem special assessments within the District called maintenance assessments, which are of equal dignity with the Series 2024 Special Assessments, levied on the same lands upon which the Series 2024 Special Assessments are imposed, to fund the maintenance and operation of the District. See “BONDOWNERS’ RISKS” and “THE CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA TWO PROJECT” herein.

## **Covenant Against Sale or Encumbrance**

In the Master Indenture, the District will covenant that (a) except for those improvements comprising any Project that are to be conveyed by the District to the City, the County, the State Department of Transportation or another governmental entity and (b) except as otherwise permitted in the Indenture, it will not sell, lease or otherwise dispose of or encumber any Project or any part thereof. See “APPENDIX A – COPY OF MASTER INDENTURE AND PROPOSED FORM OF THIRD SUPPLEMENTAL INDENTURE” herein for more information.

## **Series 2024 Reserve Account**

The Indenture establishes a Series 2024 Reserve Account for the Series 2024 Bonds within the Debt Service Reserve Fund. The Series 2024 Reserve Account will, at the time of delivery of the Series 2024 Bonds, be funded from a portion of the proceeds of the Series 2024 Bonds in the amount of the initial Series 2024 Reserve Requirement. The “Series 2024 Reserve Requirement” or “Reserve Requirement” shall mean an amount initially equal to fifty percent (50%) of the maximum annual debt service with respect to the initial principal amount of the Series 2024 Bonds determined on the date of issue. Upon satisfaction of the Release Conditions, the Series 2024 Reserve Requirement shall be reduced to an amount equal to ten percent (10%) of the maximum annual debt service with respect to the then Outstanding principal amount of the Series 2024 Bonds. “Release Conditions” shall mean all of the following: (a) all of the principal

portion of the Series 2024 Special Assessments has been assigned to residential units that have received certificates of occupancy; and (b) no Event of Default under the Master Indenture has occurred, all as evidenced pursuant to the provisions of the Third Supplemental Indenture. The Series 2024 Reserve Requirement is also subject to reduction pursuant to the Third Supplemental Indenture upon certain extraordinary mandatory redemptions. Any amount in the Series 2024 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2024 Bonds, be used to pay principal of and interest on the Series 2024 Bonds at that time. The initial Series 2024 Reserve Requirement shall be equal to \$\_\_\_\_\_.

On each May 1 and November 1 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee will determine the amount on deposit in the Series 2024 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2024 Bonds caused by investment earnings prior to the Completion Date to the Series 2024 Acquisition and Construction Account and after the Completion Date transferred to the Series 2024 Revenue Account in accordance with the Indenture.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2024 Reserve Account will be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2024 Bonds to the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2024 Special Assessments and applied to redeem a portion of the Series 2024 Bonds is less than the principal amount of Series 2024 Bonds indebtedness attributable to such lands.

Subject to the provisions of the Third Supplemental Indenture, on any date the District receives notice from the District Manager that the Developer or any other landowner wishes to prepay its Series 2024 Special Assessments relating to the benefited property of such Developer or other landowner, or as a result of a mandatory true-up payment, the District shall, or cause the District Manager, on behalf of the District to, calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2024 Prepayment Principal due by the amount of money in the Series 2024 Reserve Account that will be in excess of the then Reserve Requirement, taking into account the proposed Prepayment. Such excess shall be transferred to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after receiving necessary notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the Developer or other landowner from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2024 Bonds in accordance with the provisions of the Third Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing and as further described in the next succeeding paragraph, upon satisfaction of the Release Conditions, the Trustee shall deposit such excess on deposit in the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account and pay such amount deposited in the Series 2024 Acquisition and Construction Account to the Person or Persons designated in a requisition in the form attached to the Third Supplemental Indenture submitted by the Developer to the District. Such payment is authorized notwithstanding that the Completion Date might have been declared provided the Developer can establish, to the satisfaction of the District Engineer, Costs of the Assessment Area Two Project that were not paid from moneys initially deposited in the Series 2024 Acquisition and Construction Account and the Trustee has on file one or more properly executed unfunded requisitions. In the event there are multiple unfunded requisitions on file with the Trustee, the Trustee shall fund such requisitions in the order the Trustee has received them (from oldest to newest). In the event that there are no unfunded requisitions on file with the Trustee, such excess moneys transferred from the Series 2024 Reserve Account to the Series

2024 Acquisition and Construction Account shall be deposited into the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

In addition, upon satisfaction of the Release Conditions as evidenced by a written certificate of the District Manager delivered to the District and the Trustee, stating that the Release Conditions have been satisfied and setting forth the amount of the new Series 2024 Reserve Requirement, the Trustee shall without further direction reduce the Series 2024 Reserve Requirement to ten percent (10%) of the maximum annual debt service of the then Outstanding principal amount of the Series 2024 Bonds as calculated by the District Manager. The excess amount in the Series 2024 Reserve Account shall be transferred to the Series 2024 Acquisition and Construction Account as a result of satisfaction of the Release Conditions. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to the provisions of the Third Supplemental Indenture, the District Manager, on behalf of the District, shall calculate the applicable Reserve Requirement and communicate the same to the Trustee and the Trustee shall apply any excess in the Series 2024 Reserve Account to the Series 2024 General Redemption Subaccount toward such extraordinary mandatory redemption.

It shall be an Event of Default under the Master Indenture if at any time the amount in the Series 2024 Reserve Account is less than the Series 2024 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement for the Series 2024 Bonds and such amount has not been restored within thirty (30) days of such withdrawal.

### **Deposit and Application of the Series 2024 Pledged Revenues**

Pursuant to the Indenture, the Trustee shall transfer from amounts on deposit in the Series 2024 Revenue Account to the Funds, Accounts and subaccounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each December 15 commencing December 15, 2024, to the Series 2024 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2024 Bonds becoming due on the next succeeding December 15, less any amounts on deposit in the Series 2024 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each June 15 commencing June 15, 2025, to the Series 2024 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2024 Bonds becoming due on the next succeeding June 15, less any amount on deposit in the Series 2024 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each June 15, commencing June 15, 20\_\_, to the Series 2024 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2024 Bonds subject to sinking fund redemption on such June 15, less any amount on deposit in the Series 2024 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding the June 15, which is a principal payment date for any Series 2024 Bonds, to the Series 2024 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2024 Bonds Outstanding maturing on such June 15, less any amounts on deposit in the Series 2024 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2024 Bonds are subject to redemption on a date which is not a June 15 or December 15 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2024 Interest Account, the amount necessary to pay interest on the Series 2024 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2024 Bonds remain Outstanding, to the Series 2024 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2024 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be first deposited into the Series 2024 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2024 Bonds and next, any balance in the Series 2024 Revenue Account shall remain on deposit in such Series 2024 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2024 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

## **Investments**

The Trustee shall, as directed by the District in writing, invest moneys held in the Series 2024 Accounts in the Debt Service Fund and the Series 2024 Bond Redemption Account only in Government Obligations and securities described in subparagraphs (a), (c), (e), (f), or (j) of the definition of Investment Securities, as set forth in the Master Indenture. The Trustee shall, as directed by the District in writing, invest moneys held in the Series 2024 Reserve Account in Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for the purposes set forth in the Indenture. All securities securing investments pursuant to the Master Indenture shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the provisions of the Indenture, any interest and other income so received shall be deposited in Series 2024 Revenue Account. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. Absent specific instructions as aforesaid or absent standing instructions from the District for investment of such moneys, then the Trustee shall not be responsible or liable for keeping the moneys invested. The Trustee shall not be liable or responsible for any loss or failure to achieve the highest return, or entitled to any gain, resulting from any investment or sale upon the investment instructions of the District or otherwise, including that set forth in the foregoing sentence. The Trustee may make any permitted investments through its own bond department or investment department. See "APPENDIX A – COPY OF MASTER INDENTURE AND PROPOSED FORM OF THIRD SUPPLEMENTAL INDENTURE" hereto.

The Trustee shall value the assets in each of the Funds and Accounts established under the Indenture forty-five (45) days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but no later than ten (10) days after such valuation date) shall provide the District a report of the status of each Fund and Account as of the valuation date.

## **Covenant to Levy the Series 2024 Special Assessments**

The District has covenanted to levy the Series 2024 Special Assessments to the extent and in the amount sufficient to pay the debt service requirements on the Series 2024 Bonds. If any Series 2024 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2024 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2024 Special Assessment when it might have done so, the District has additionally covenanted to either (i) take all necessary steps to cause a new Series 2024 Special Assessment to be made for the whole or any part of the improvement comprising the Assessment Area Two Project or against any property benefited by such improvement, or (ii) in its sole discretion, make up the amount of such Series 2024 Special Assessment from legally available moneys, which moneys shall be deposited into the Series 2024 Revenue Account. In case such second Series 2024 Special Assessment shall be annulled, the District shall obtain and make other Series 2024 Special Assessments until a valid Series 2024 Special Assessment shall be made.

## **Prepayment of Series 2024 Special Assessments**

Pursuant to the Assessment Proceedings, an owner of property subject to the Series 2024 Special Assessments may pay the principal balance of such Series 2024 Special Assessments, in whole or in part at any time, if there is also paid an amount equal to the interest that would otherwise be due on such balance to the earlier of the next succeeding Quarterly Redemption Date, which is at least forty-five (45) days after the date of payment.

Pursuant to the Act, an owner of property subject to the levy of Series 2024 Special Assessments may pay the entire balance of the Series 2024 Special Assessments remaining due, without interest, within thirty (30) days after the Assessment Area Two Project relating to Assessment Area Two – Phase Two has been completed or acquired by the District, and the Board has adopted a resolution accepting the Assessment Area Two Project pursuant to Chapter 170.09, Florida Statutes. The DRP Landowner and the Developer, as the majority owners of the assessed property within Assessment Area Two – Phase Two, will covenant to waive this right to prepay the Series 2024 Special Assessments without interest (without, however, limiting the right of property owners to prepay the Series 2024 Special Assessments with interest, as set forth in the Assessment Proceedings described above) in connection with the issuance of the Series 2024 Bonds pursuant to a “Declaration of Consent to Jurisdiction of Everlands Community Development District (Imposition of Series 2024 Special Assessments, and Imposition of Lien of Record).” Such declaration will be recorded in the public records of the County, and the covenants contained therein will be binding on the DRP Landowner and the Developer, respectively, and its successors and assigns.

Any prepayment of Series 2024 Special Assessments will result in the extraordinary mandatory redemption of a portion of the Series 2024 Bonds as indicated under “DESCRIPTION OF THE SERIES 2024 BONDS - Redemption Provisions - Extraordinary Mandatory Redemption.” The prepayment of Series 2024 Special Assessments does not entitle the owner of the property to a discount for early payment.

## **Indenture Provisions Relating to Bankruptcy or Insolvency of Certain Landowners**

The Indenture contains the following provisions which, shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against the Developer or other Obligated Person (as defined in the herein defined Disclosure Agreement), including the DRP Landowner, as long as the Developer or the DRP Landowner is an Obligated Person (as used under this heading, the “Landowner”) under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a “Proceeding”). For as long as any Series 2024 Bonds remain Outstanding, in any Proceeding involving the District, any

Landowner, or the Series 2024 Special Assessments, the District shall be obligated to act in accordance with direction from the Trustee with regard to all matters directly or indirectly affecting the Series 2024 Bonds.

In the Indenture, the District will acknowledge and agree that, although the Series 2024 Bonds were issued by the District, the Beneficial Owners of the Series 2024 Bonds are categorically the party with a financial stake in the repayment of the Series 2024 Bonds and, consequently, the party with a vested interest in a Proceeding. In the event of any Proceeding involving any Landowner (a) the District will agree that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2024 Special Assessments, the Series 2024 Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee, (b) the Trustee shall have the right, but is not obligated to, vote in any such Proceeding any and all claims of the District relating to the Series 2024 Special Assessments or the Series 2024 Bonds, and, if the Trustee chooses to exercise such right, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Landowner, including without limitation, the right to file and/or prosecute any claims, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (c) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of any lands submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District's claim with respect to the Series 2024 Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District will agree in the Indenture that the Trustee shall have the right (i) to file a proof of claim with respect to the Series 2024 Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim. See "BONDOWNERS' RISKS – No. 13" herein for more information.

### **Events of Default and Remedies**

Events of Default Defined. The Master Indenture provides that each of the following shall be an "Event of Default" under the Master Indenture, with respect to the Series 2024 Bonds:

(a) if payment of any installment of interest on any Series 2024 Bond is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Series 2024 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act, which failure or incapacity may be reasonably determined solely by the Majority Holders of the Series 2024 Bonds; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency,

local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in any Series 2024 Bond and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders of the Outstanding Series 2024 Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the Series 2024 Reserve Account is less than the Series 2024 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Series 2024 Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or

(g) more than twenty percent (20%) of the “maintenance special assessments” levied by the District on District Lands upon which the Series 2024 Special Assessments are levied to secure the Series 2024 Bonds pursuant to Section 190.021(3) of the Act, as amended, and collected directly by the District have become due and payable and have not been paid, within ninety (90) days of when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

No Acceleration; Redemption. No Series of Bonds issued under the Master Indenture, which includes the Series 2024 Bonds, shall be subject to acceleration. Upon the occurrence and continuance of an Event of Default, no optional redemption or extraordinary mandatory redemption of the Series 2024 Bonds pursuant to the Indenture shall occur unless all of the Series 2024 Bonds where an Event of Default has occurred will be redeemed or one hundred percent (100%) of the Holders of the Series 2024 Bonds agree to such redemption.

Legal Proceedings by Trustee. If any Event of Default with respect to the Series 2024 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holders of the Outstanding Series 2024 Bonds and receipt of indemnity to its satisfaction shall, in capacity as Trustee:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2024 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Series 2024 Bondholders and to perform its or their duties under the Act;

(b) bring suit upon the Series 2024 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2024 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2024 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2024 Bonds.

Discontinuance of Proceedings by Trustee. If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, then the District, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights under the Indenture as though no such proceeding had been taken.

Bondholders May Direct Proceedings. The Majority Holders of the Outstanding Series 2024 Bonds then subject to remedial proceedings under the Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with applicable law or the applicable provisions of the Indenture.

Limitations on Actions by Bondholders. No Series 2024 Bondholder shall have any right to pursue any remedy under the Indenture unless (a) the Trustee shall have been given written notice of an Event of Default, (b) the Majority Holders of the Series 2024 Bonds shall have requested the Trustee, in writing, to exercise the powers granted in the Indenture or to pursue such remedy in its or their name or names, (c) the Trustee shall have been offered indemnity satisfactory to it against costs, expenses and liabilities and (d) the Trustee shall have failed to comply with such request within a reasonable time.

Application of Moneys in Event of Default. Any moneys received by the Trustee or the Paying Agent, as the case may be, in connection with any proceedings brought under Article X of the Master Indenture with respect to the Series 2024 Bonds shall be applied in the following order of priority:

(a) to the payment of the costs of the Trustee and Paying Agent incurred in connection with actions taken under Article X of the Master Indenture with respect to such Series 2024 Bonds, including counsel fees and any disbursements of the Trustee and the Paying Agent and payment of unpaid fees and expenses owed to the Trustee.

(b) then:

FIRST: to payment of all installments of interest then due on the Series 2024 Bonds in the order of maturity of such installments of interest, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any preference or priority of one installment of interest over any other installment; and

SECOND: to payment to the persons entitled thereto of the unpaid principal or Redemption Price of any of the Series 2024 Bonds which shall have become due in the order of their due dates, with interest on such Series 2024 Bonds from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full the principal or Redemption Price coming due on such Series 2024 Bonds on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any preference or priority of one such Series 2024 Bond over another Bond or of any installment of interest over another.

Any surplus remaining after the payments described above shall be paid to the District or to the Person lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

Acknowledgment Regarding Series 2024 Acquisition and Construction Account Moneys Following an Event of Default. In accordance with the provisions of the Third Supplemental Indenture, the Series 2024 Bonds are payable solely from the Series 2024 Pledged Revenues and any other moneys held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the District hereby acknowledges that (i) the Series 2024 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2024 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, (ii) upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, the Series 2024 Pledged Revenues may not be used by the District (whether to pay costs of the Assessment Area Two Project or otherwise) without the consent of the Majority Holders, and (iii) upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, the Series 2024 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The District covenants not to enter into any contract regarding the Assessment Area Two Project from and after the occurrence of an Event of Default without the written direction of the Majority Holders.

## **ENFORCEMENT OF ASSESSMENT COLLECTIONS**

### **General**

The primary source of payment for the Series 2024 Bonds is the Series 2024 Special Assessments imposed on the assessable lands within Assessment Area Two – Phase Two pursuant to the Assessment Proceedings specially benefited by that portion of the Assessment Area Two Project relating to the development of Assessment Area Two – Phase Two. See “ASSESSMENT METHODOLOGY” herein and “APPENDIX D – ASSESSMENT METHODOLOGY.”

The determination, order, levy, and collection of Series 2024 Special Assessments must be done in compliance with procedural requirements and guidelines provided by State law. Failure by the District, the Brevard County Tax Collector (the “Tax Collector”) or the Brevard County Property Appraiser (the “Property Appraiser”) to comply with such requirements could result in a delay in the collection of, or the complete inability to collect, Series 2024 Special Assessments during any year. Such delays in the collection of Series 2024 Special Assessments, or complete inability to collect any of the Series 2024 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on such Series 2024 Bonds. See “BONDOWNERS’ RISKS.” To the extent that landowners fail to pay the Series 2024 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2024 Bonds. The Act provides for various methods of collection of delinquent Series 2024 Special Assessments by reference to other provisions of the Florida Statutes. See “BONDOWNERS’ RISKS” herein. The following is a description of certain statutory provisions of assessment payment and collection procedures appearing in the Florida Statutes, but is qualified in its entirety by reference to such statutes.

### **Alternative Uniform Tax Collection Procedure for Series 2024 Special Assessments**

The District will agree in the Indenture to collect the Series 2024 Special Assessments through the Uniform Method (as herein defined). Notwithstanding the foregoing, pursuant to the Indenture, the District shall directly bill the Series 2024 Special Assessments in lieu of using the Uniform Method with respect to any assessable lands which have not yet been platted or when the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders directs the District otherwise. At such time as the Series 2024 Special Assessments are collected pursuant to the Uniform Method, the provisions under this heading shall become applicable.

Section 197.3632, Florida Statutes, provides that, subject to certain conditions, non-ad valorem special assessments may be collected by using the uniform method of collection (the “Uniform Method”). The Uniform Method is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2024 Special Assessments to be levied and then collected in this manner. Subject to the provisions of the Indenture, the District’s election to use a certain collection method with respect to the Series 2024 Special Assessments does not preclude it from electing to use another collection method in the future. See “ – Foreclosure” below with respect to collection of delinquent assessments not collected pursuant to the Uniform Method.

If the Uniform Method is utilized, the Series 2024 Special Assessments will be collected together with City, County, special district, and other ad valorem taxes and non-ad valorem assessments, all of which will appear on the tax bill (also referred to as a “tax notice”) issued to each landowner in Assessment Area Two – Phase Two. The Florida Statutes relating to enforcement of ad valorem taxes and non-ad valorem assessments provide that such taxes and assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments (including the Series 2024 Special Assessments, if any, being collected by the Uniform Method) are to be billed, and landowners within Assessment Area Two – Phase Two are required to pay all such taxes and assessments, without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2024 Special Assessments. Upon any receipt of moneys by the Tax Collector from the Series 2024 Special Assessments, such moneys will be delivered to the District, which will remit such Series 2024 Special Assessments to the Trustee for deposit to the Series 2024 Revenue Account within the Revenue Fund, except that any Prepayments of Series 2024 Special Assessments shall be deposited to the Series 2024 Prepayment Subaccount within the Series 2024 Bond Redemption Account of the Bond Redemption Fund created under the Indenture and applied in accordance therewith.

All City, County, school and special districts, including the District, ad valorem taxes, non-ad valorem special assessments, including the Series 2024 Special Assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on bonds, are payable at one time, without preference in payment of any particular increment of the tax bill (such as the increment owing for the Series 2024 Special Assessments), except for partial payment schedules as may be provided by Sections 197.374 and 197.222, Florida Statutes, and when ad valorem taxes are challenged by the taxpayer as provided in Section 190.014, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. Except for such partial payments, if a taxpayer does not make complete payment of the total amount of all taxes and assessments (including the Series 2024 Special Assessments, if any, being collected by the Uniform Method), he or she cannot designate specific line items on his or her tax bill as deemed paid in full. In such cases, the Tax Collector does not accept such partial payment and the partial payment is returned to the taxpayer. Therefore, in the event the Series 2024 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item on a tax bill would cause the Series 2024 Special Assessments to not be collected as to that tax bill, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2024 Bonds. In cases where a taxpayer challenges the assessed value of property or otherwise challenges their ad valorem taxes to the County’s value adjustment board, Section 190.014, Florida Statutes, requires payment of all of the non-ad valorem assessments and a partial payment of at least seventy-five percent (75%) of the ad valorem taxes (less the applicable discount), before the taxes become delinquent; if such payments are not made, the value adjustment board will deny the petition by April 20, and taxes are delinquent and collected as provided below.

Under the Uniform Method, if the Series 2024 Special Assessments are paid during November when due or during the following three (3) months, the taxpayer is granted a variable discount equal to four percent (4%) in November and decreasing one percent (1%) per month to one percent (1%) in February. All unpaid taxes and assessments become delinquent on April 1 of the year following assessment. The Tax Collector is required to collect the ad valorem taxes and non-ad valorem special assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such taxes and assessments through the sale of “tax certificates,” as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process.

Neither the District nor the Underwriter can give any assurance to the holders of the Series 2024 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2024 Special Assessments, (2) that future landowners and taxpayers in Assessment Area Two – Phase Two will pay such Series 2024 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within Assessment Area Two – Phase Two, and (4) that the eventual sale of tax certificates for real property within Assessment Area Two – Phase Two, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2024 Special Assessments and all other liens that are coequal therewith. See “BONDOWNERS’ RISKS” herein.

Collection of delinquent Series 2024 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of “tax certificates” and remittance of the proceeds of such sale to the District for payment of the Series 2024 Special Assessments due. In the event of a delinquency in the payment of taxes and assessments on real property, the landowner may, prior to the sale of tax certificates, pay the total amount of delinquent ad valorem taxes and non-ad valorem assessments plus the cost of advertising and the applicable interest charge on the amount of such delinquent taxes and assessments. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates on such property to the person who pays the delinquent taxes and assessments owing, penalties and interest thereon and certain costs, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than eighteen percent (18%)). Tax certificates are sold by public bid. If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest (currently eighteen percent (18%)). The Tax Collector does not collect any money if tax certificates are “struck off” (issued) to the County. The County may sell such certificates to the public at any time at the principal amount thereof plus interest at the rate of not more than eighteen percent (18%) per annum and a fee. Proceeds from the sale of tax certificates are required to be used to pay taxes and assessments (including the Series 2024 Special Assessments), interest, costs and charges on the real property described in the certificate. The demand for such certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2024 Special Assessments, which are the primary source of payment of the Series 2024 Bonds. Legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued or the property is placed on the list of lands available for sale, at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, charges and omitted taxes due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of five percent (5%), unless the rate borne by the certificates is zero percent (0%). The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds

less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described in the preceding paragraph.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven (7) years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two (2) years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven (7) years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due. If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two (2) years after April 1 of the year of issuance of the certificate. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and the amount paid by such holder in applying for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, and all other amounts paid by such person in applying for a tax deed, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholders of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the County may, at any time within ninety (90) days from the date of offering for public sale, purchase the land without further notice or advertising for a statutorily prescribed opening bid. After ninety (90) days have passed, any person or governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three (3) years from the date of delinquency, unsold lands escheat to the County in which they are located and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

## **Foreclosure**

The following discussion regarding foreclosure is not applicable if the Series 2024 Special Assessments are being collected pursuant to the Uniform Method. In the event that the District itself

directly levies and enforces, pursuant to Chapters 170 and 190, Florida Statutes, the collection of the Series 2024 Special Assessments levied on certain lands within Assessment Area Two – Phase Two, Chapter 170.10, Florida Statutes, provides that upon the failure of any property owner to pay all or any part of the principal of a special assessment, including an Series 2024 Special Assessment, or the interest thereon, when due, the governing body of the entity levying the assessment is authorized to commence legal proceedings for the enforcement of the payment thereof, including commencement of an action in chancery, commencement of a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or commencement of an action under Chapter 173, Florida Statutes, relating to foreclosure of municipal tax and special assessment liens. Such a proceeding is in rem, meaning that it is brought against the land not against the owner. In light of the one (1) year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2024 Special Assessments and the ability to foreclose the lien of such Series 2024 Special Assessments (if not being collected pursuant to the Uniform Method) upon the failure to pay such Series 2024 Special Assessments may not be readily available or may be limited as such enforcement is dependent upon judicial action which is often subject to discretion and delay.

## BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described under other headings of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2024 Bonds offered hereby and are set forth below. Prospective investors in the Series 2024 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2024 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. The information under this heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2024 Bonds and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2024 Bonds.

1. The DRP Landowner and the Developer currently own a majority of the lands within Assessment Area Two – Phase Two that will be subject to the Series 2024 Special Assessments securing the Series 2024 Bonds. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS” herein. Payment of the Series 2024 Special Assessments is primarily dependent upon their timely payment by the DRP Landowner, the Developer and the other future landowners in the District. See “THE DEVELOPER AND THE DRP LANDOWNER” herein. In the event of the institution of bankruptcy or similar proceedings with respect to the DRP Landowner, the Developer or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2024 Bonds, as such bankruptcy could negatively impact the ability of: (i) the DRP Landowner, the Developer and any other landowner being able to pay the Series 2024 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2024 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2024 Special Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2024 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2024 Bonds, including, without limitation, enforcement of the obligation to pay the Series 2024 Special Assessments and the ability of the District to foreclose the lien of the Series 2024 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds (including Bond Counsel’s approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2024 Bonds could have a material adverse impact on the interest of the Owners thereof.

2. The principal security for the payment of the principal and interest on the Series 2024 Bonds is the timely collection of the Series 2024 Special Assessments. The Series 2024 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the landowners will be able to pay the Series 2024 Special Assessments or that they will pay such Series 2024 Special Assessments even though financially able to do so. Beyond legal delays that could result from bankruptcy or other legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the Tax Collector to sell tax certificates in regard to delinquent Series 2024 Special Assessments collected pursuant to the Uniform Method will be dependent upon various factors, including the interest rate which can be earned by ownership of such certificates and the value of the land which is the subject of such certificates. The assessment of the benefits to be received by the benefited land within the District as a result of

implementation and development of the Assessment Area Two Project is not indicative of the realizable or market value of the land, which value may actually be higher or lower than the assessment of benefits. To the extent that the realizable or market value of the land benefited by the Assessment Area Two Project is lower than the assessment of benefits, the ability of the Tax Collector to sell tax certificates relating to such land or the ability of the District to realize sufficient value from a foreclosure action to pay debt service on the Series 2024 Bonds may be adversely affected. Such adverse effect could render the District unable to collect delinquent Series 2024 Special Assessments, and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2024 Bonds.

3. The development of the Assessment Area Two Project within Assessment Area Two – Phase Two is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner or failure to maintain or renew any such approvals in a timely manner could delay or adversely affect the completion of the development of the Development. See “THE DEVELOPMENT – Zoning and Permitting,” and “– Environmental” herein for more information.

4. The successful development of Assessment Area Two – Phase Two and the sale of residential units therein, once such residential units are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developer and the DRP Landowner. Moreover, the Developer and the DRP Landowner have the right to modify or change plans for development of Assessment Area Two – Phase Two from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District, which may include the boundaries of Assessment Area Two – Phase Two. The Developer and other affiliates of the Developer, have and are developing other residential communities in other market areas, and may prioritize the development and sales of residential units among their various other developments, from time to time, and make no representation or agreement to prioritize development and sales within the Development.

5. The value of the lands subject to the Series 2024 Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition, such catastrophic events could potentially render the District lands unable to support the development and construction of the Development within the District. The occurrence of any such events could materially adversely impact the District’s ability to pay principal and interest on the Series 2024 Bonds. The Series 2024 Bonds are not insured and the District’s casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

6. Neither the DRP Landowner, the Developer nor any other subsequent landowner has any personal obligation to pay the Series 2024 Special Assessments. As described herein, the Series 2024 Special Assessments are an imposition against the land within Assessment Area Two – Phase Two only. Neither the DRP Landowner, the Developer nor any other landowner is a guarantor of payment of any Series 2024 Special Assessment and the recourse for the failure of the DRP Landowner, the Developer or any other landowner to pay the Series 2024 Special Assessments is limited to the collection proceedings against the land as described herein.

7. The willingness and/or ability of an owner of benefited land to pay the Series 2024 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the City, the County or any other local special purpose or general purpose governmental entities. City, County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2024 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District or the owners of the Series 2024 Bonds, impose additional taxes on the property within the District. The District will continue to impose operation and maintenance assessments encumbering the same property encumbered by the Series 2024 Special Assessments. In addition, lands within the District may also be subject to assessments by property and homeowners' associations.

8. The Series 2024 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2024 Bonds in the event an Owner thereof determines to solicit purchasers of the Series 2024 Bonds. Because the Series 2024 Bonds are being sold pursuant to exemptions from registration under applicable securities laws, no secondary market may develop and an owner may not be able to resell the Series 2024 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2024 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2024 Bonds, depending on the progress of development of the Development, existing real estate and financial market conditions and other factors.

9. In addition to legal delays that could result from bankruptcy or legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the District to enforce collection of delinquent Series 2024 Special Assessments will be dependent upon various factors, including the delay inherent in any judicial proceeding to enforce the lien of the Series 2024 Special Assessments and the value of the land which is the subject of such proceedings and which may be subject to sale if the Uniform Method is not be utilized. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS" herein. If the District has difficulty in collecting the Series 2024 Special Assessments, the Series 2024 Reserve Account could be rapidly depleted and the ability of the District to pay debt service could be materially adversely affected. In addition, during an Event of Default under the Master Indenture, the Trustee may withdraw moneys from the Series 2024 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2024 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2024 Special Assessments to provide for the replenishment of the Series 2024 Reserve Account.

10. The value of the land within the District, the success of the development of the District Lands, and the likelihood of timely payment of principal and interest on the Series 2024 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the District Lands, and the likelihood of the timely payment of the Series 2024 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. The Developer obtained a Phase I Environmental Site Assessment dated May 2022, covering the land in Assessment Area Two, which revealed no evidence of recognized environmental conditions. The Developer is not aware of any condition which currently requires, or is reasonably expected to require in the foreseeable future, investigation or remediation under any applicable federal, state or local governmental laws or regulations relating to the environment. See "THE DEVELOPMENT – Environmental" for more information on the Developer's environmental site assessments. Nevertheless, it is possible that hazardous environmental conditions could exist within the District and that such conditions

could have a material and adverse impact upon the value of the Development, and no assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future whether originating within the District or from surrounding property, and what effect such may have on the development of the District Lands.

11. If the District should commence a foreclosure action against a landowner for nonpayment of Series 2024 Special Assessments if not being collected pursuant to the Uniform Method, such landowners may raise affirmative defenses to such foreclosure action which, although the District believes that such affirmative defenses would likely be proven to be without merit, could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Series 2024 Bondholders to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code, there are limitations on the amounts of Series 2024 Bond proceeds that can be used for such purpose.

12. Under Florida law, a landowner may contest the assessed valuation determined for its property which forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a Tax Certificate under the Uniform Method will be suspended. If the Series 2024 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to the Series 2024 Special Assessment even though the landowner is not contesting the amount Series 2024 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers to pay all non-ad valorem taxes and at least seventy-five percent (75%) of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. In the event a taxpayer fails to pay their property taxes, the Value Adjustment Board is required to deny their petition by written decision by April 20 of such year.

13. A 2011 bankruptcy court decision in Florida held that only the governing body of a community development district could vote to approve a reorganization plan submitted by the developer/debtor in the case and, thus, the bondholders of such district were not able to vote for or against the plan. The governing body of that district was affiliated with the debtor. As a result of the reorganization plan that was approved, the bondholders were denied payment of their bonds for two (2) years or longer. The Indenture provides that for as long as any Bonds remain Outstanding, in any proceeding involving the District, the Developer or other "obligated person" (as defined in the herein defined Disclosure Agreement) (as used herein, the "Landowner") or the Special Assessments, the District shall be obligated to act in accordance with direction from the Trustee, and the Trustee shall be obligated to act in accordance with direction from the Beneficial Owners of at least twenty-five percent (25%) of the aggregate principal amount of all Outstanding Bonds, with regard to all matters directly or indirectly affecting the Bonds. Furthermore, pursuant to the Indenture, the District will acknowledge and agree that, although the Series 2024 Bonds were issued by the District, the Beneficial Owners of the Series 2024 Bonds are categorically the party with a financial stake in the repayment of the Series 2024 Bonds and, consequently, the party with a vested interest in a Proceeding. In the event of any Proceeding involving any Landowner (a) the District will agree that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2024 Special Assessments, the Series 2024 Bonds or any rights of the Trustee with respect to this paragraph or Series 2024 Bondholders under the Indenture that is inconsistent with any direction from the Trustee, (b) the Trustee shall have the right, but is not obligated to, vote in any such Proceeding any and all claims of the District relating to the Series 2024 Special Assessments or the Series 2024 Bonds, and, if the Trustee chooses to exercise such right, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an

irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Landowner, including without limitation, the right to file and/or prosecute any claims, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (c) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of any lands submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District's claim with respect to the Series 2024 Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District will agree in the Indenture that the Trustee shall have the right (i) to file a proof of claim with respect to the Series 2024 Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Indenture Provisions Relating to Bankruptcy or Insolvency of Developer." The District cannot express any view whether such delegation would be enforceable.

14. The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. The IRS conducted a lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations require that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses

of its funds or assets otherwise controlled by a government unit with all three (3) sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department (“Treasury”) announced that it will withdraw the proposed regulations, stating that, “while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety.” On October 20, 2017 a notice of withdrawal was published in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues.

It has been reported that the IRS has closed audits of other community development districts in Florida with no change to such districts’ bonds’ tax-exempt status, but has advised such districts that such districts must have public electors within five (5) or six (6) years of the issuance of tax-exempt bonds or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six (6) years and there are two hundred fifty (250) qualified electors in the district. Currently, all of the current members of the Board are employees of, or affiliated with, the Developer. The Developer will certify as to its expectations as to the timing of the transition of control of the Board to qualified electors pursuant to the Act, and its expectations as to compliance with the Act by any members of the Board that it elects. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2024 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable state or federal law.

Owners of the Series 2024 Bonds are advised that, if the IRS does audit the Series 2024 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2024 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2024 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2024 Bonds would adversely affect the availability of any secondary market for the Series 2024 Bonds. Should interest on the Series 2024 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2024 Bonds be required to pay income taxes on the interest received on such Series 2024 Bonds and related penalties, but because the interest rate on such Series 2024 Bonds will not be adequate to compensate Owners of the Series 2024 Bonds for the income taxes due on such interest, the value of the Series 2024 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATE ON THE SERIES 2024 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2024 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2024 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2024 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2024 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

15. In addition to a possible determination by the IRS that the District is not a political subdivision for purposes of the Code, and regardless of the IRS determination, it is possible that federal or

state regulatory authorities could also determine that the District is not a political subdivision for purposes of the federal and state securities laws. Accordingly, the District and purchasers of Series 2024 Bonds may not be able to rely on the exemption from registration under the Securities Act of 1933, as amended (the “Securities Act”), relating to securities issued by political subdivisions. In that event the Owners of the Series 2024 Bonds would need to ensure that subsequent transfers of the Series 2024 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act.

16. From time to time, there are legislative proposals suggested, debated, introduced or pending in Congress concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of changing the interpretation of existing tax laws. Certain of these proposals and interpretations, if enacted into law or upheld, could alter or amend one or more of the federal tax matters described herein including, without limitation, the excludability from gross income of interest on the Series 2024 Bonds, adversely affect the market price or marketability of the Series 2024 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. However, it cannot be predicted whether or in what form this proposed legislation or any other such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2024 Bonds. If enacted into law, such legislative proposals could affect the market price or marketability of the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

17. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the Assessment Area Two Project, that the District will be able to raise, through the issuance of bonds or otherwise, the moneys necessary to complete the Assessment Area Two Project. The Developer entered into a completion agreement with the District that will obligate the Developer to complete the unfinished portions of the Assessment Area Two Project not funded with the proceeds of the Assessment Area Two – Phase One Bonds and the Series 2024 Bonds. Such obligation of the Developer is an unsecured obligation. Pursuant to the Third Supplemental Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the Series 2024 Special Assessments. Such covenant shall not prohibit the District from issuing refunding Bonds. In addition, the District will covenant in the Indenture not to issue any other Bonds or debt obligations for capital projects, secured by special assessments on the land within Assessment Area Two – Phase Two which secure the Series 2024 Special Assessments, until the Series 2024 Special Assessments are Substantially Absorbed. The District’s covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Additional Obligations” and “THE DEVELOPER” herein for more information.

18. In addition, the Developer and the DRP Landowner will also execute and deliver to the District a Collateral Assignment, pursuant to which the Developer and the DRP Landowner will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer and the DRP Landowner, development rights relating to the Assessment Area Two Project and the development of Assessment Area Two – Phase Two. Notwithstanding such Collateral Assignment, in the event the District forecloses on the lands subject to the Series 2024 Special Assessments as a result of the DRP Landowner’s, the Developer’s or subsequent landowner’s failure to pay such Series 2024 Special Assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the Assessment Area Two Project or the development of Assessment Area Two – Phase Two. All such obligations of the Developer and the DRP Landowner are unsecured obligations. See “THE DEVELOPER AND THE DRP LANDOWNER” herein for more information.

19. It is impossible to predict what new proposals may be presented regarding ad valorem tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renews requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the “Executive Order”) directing the Office of Policy and Budget in the Executive Office of the Governor (“OPB”) to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2024 Bonds. It should be noted that Section 190.16(14) of the Act provides in pertinent part that “The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders.”

20. In the event a bank forecloses on property within Assessment Area Two – Phase Two because of a default on the mortgage in favor of such bank, and then the bank itself fails and the Federal Deposit Insurance Corporation (the “FDIC”) is appointed as receiver, the FDIC would then become the fee owner of such property. In such event, the FDIC would likely, pursuant to its own rules and regulations, not be liable to pay the Series 2024 Special Assessments levied against such property. In addition, the District would be required to obtain the consent of the FDIC prior to commencing a foreclosure action if the Series 2024 Special Assessments are not being collected pursuant to the Uniform Method.

21. The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties’ digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2024 Bonds.

22. The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Developer, the DRP Landowner, the timely and successful completion of the Development and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also “BONDOWNERS’ RISKS – No. 4” and “–No. 17” herein.

23. In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2024 Bonds are subject to extraordinary mandatory redemption as a result of prepayments of the Series 2024 Special Assessments by owners of the property within Assessment Area Two – Phase Two. Any such redemptions of the Series 2024 Bonds would be at the principal amount of such Series 2024 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2024 Bonds may not realize their anticipated rate of return on the Series 2024 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2024 Bonds. See “DESCRIPTION OF THE SERIES 2024 BONDS – Redemption Provisions” and “SECURITY FOR AND

SOURCE OF PAYMENT OF THE SERIES 2024 BONDS – Prepayment of Series 2024 Special Assessments” herein for more information.

## THE DISTRICT

### General Information

The District was established by Ordinance No. 2020-17 enacted by the City Council on March 5, 2020 and by Ordinance No. 2021-51 enacted by the City Council on September 16, 2021, which expanded the boundaries of the District by approximately 291.11+/- gross acres, under the provisions of the Act. The Development is located on St Johns Heritage Parkway and Pace Drive NW, approximately 7 miles west of Interstate-95 and 12 miles south of Melbourne Orlando International Airport and encompasses approximately 341.51+/- gross acres (the “District Lands”). The District lies entirely within the incorporated area of the City within the County and is being developed as part of a larger master planned residential community known as “Everlands.” See “THE DEVELOPMENT” herein.

### Legal Powers and Authority

The District is an independent special-purpose unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter. The District is classified as an independent district under Chapter 189, Florida Statutes.

Among other provisions, the Act gives the District’s Board of Supervisors, as the District’s governing body (the “Board”), the authority to, among other things, (a) plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; and (iv) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances, and the Act does not empower the District to grant building permits; these functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of the District to pursue any remedy for enforcement of any lien or pledge of the Series 2024 Pledged Revenues in connection with the Series 2024 Bonds.

## Board of Supervisors

The Board is composed of five (5) Supervisors (the “Supervisors”). The Act provides that, at the initial meeting of the landowners, Supervisors must be elected by the landowners with the two (2) Supervisors receiving the highest number of votes to serve for four (4) years and the remaining Supervisors to serve for a two-year term. Three (3) of the five (5) Supervisors are elected to the Board every two (2) years in November. At such election the two (2) Supervisors receiving the highest number of votes are elected to four-year terms and the remaining Supervisor is elected to a two-year term. Until the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least two hundred fifty (250) qualified electors in the District, or such earlier time as the Board may decide to exercise its ad valorem taxing power, the Supervisors are elected by vote of the landowners of the District. Ownership of the land within the District entitles the owner to one (1) vote per acre (with fractions thereof rounded upward to the nearest whole number and, for purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre and shall not be aggregated for determining the number of voting units held). Upon the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least two hundred fifty (250) qualified electors in the District, the Supervisors whose terms are expiring will be elected (as their terms expire) by qualified electors of the District, except as described below. A qualified elector is a registered voter who is at least eighteen (18) years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two (2) Supervisors must be qualified electors and be elected by qualified electors, both to four-year terms. Thereafter, as terms expire, all Supervisors must be qualified electors and are elected to serve four-year terms. If there is a vacancy on the Board, whether as a result of the resignation or removal of a Supervisor or because no elector qualifies for a seat to be filled in an election, the remaining Board members are to fill such vacancy for the unexpired term.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be qualified electors and shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act. All of the current members of the Board are employees of the Developer.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below.

| <u>Name</u>             | <u>Title</u>        | <u>Term Expires</u> |
|-------------------------|---------------------|---------------------|

\* Employee of the Developer.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida’s open meeting or “Sunshine” law.

## **The District Manager and Other Consultants**

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

### **Assessment Area Two Finance Plan**

As of October 22, 2024, approximately \$40.4 million has been spent towards land development associated with Assessment Area Two, including the Assessment Area Two Project. Approximately 28 residential units are currently under construction within Assessment Area Two – Phase Two.

The Developer anticipates that approximately 196 residential units within Assessment Area Two will be sold and closed with end-users per annum until build out. This anticipated absorption is based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein.

**Projected Level of District Assessments**

As set forth in the Assessment Methodology, the Series 2024 Special Assessments will at issuance be levied on the 460 platted lots which comprise Assessment Area Two – Phase Two on the per unit basis below. See “ASSESSMENT METHODOLOGY” herein.

| Product Type      | No. of Units | Annual Series 2024 Special Assessments Per Unit*/** | Series 2024 Bonds Par Debt Per Unit* |
|-------------------|--------------|---|--------------------------------------|
| Paired Villa      | 96           | \$1,489   | \$20,684                             |
| Townhome          | 154          | 1,489   | 20,684                               |
| Single-family 40’ | 104          | 1,543   | 21,423                               |
| Single-family 50’ | <u>106</u>   | 1,543   | 21,423                               |
| <b>Total</b>      | <b>460</b>   |   |                                      |

\* Preliminary, subject to change.

\*\* This amount is grossed up to include early payment discounts and County collection fees, currently six percent (6%).

The District will continue levying assessments within the District to cover its operation and administrative costs that are currently approximately \$1,200 per residential unit annually, net of early payment discounts, which amount is subject to change. In addition, residents will be required to pay homeowners association fees which are currently estimated to be \$290 per residential unit annually, which amount is subject to change. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate applicable to lands within the District for 2023 was approximately 18.4894 mills, which millage rate is subject to change in future tax years. These taxes are payable in addition to the Series 2024 Special Assessments and any

other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School District of Brevard County, Florida (“Brevard County Public Schools”) each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See “THE DEVELOPMENT – Taxes, Fees and Assessments” for more information.

### **True-Up Mechanism**

The Assessment Methodology sets forth a “true-up mechanism” which provides that at the time of plat or re-plat, each residential unit is assessed no more than its pro-rata amount of the maximum annual debt service. If the sum of the number of assessable residential dwelling units in the proposed plat or re-plat and all prior plats (the “Planned Assessable Units”) and the amount of potential remaining assessable dwelling units (the “Remaining Assessable Units”) are less than 380 residential units (the “Total Assessable Units”), the Developer or the DRP Landowner, as applicable, will be obligated by the District to remit to the District an amount of money sufficient to enable the District to retire an amount of the Series 2024 Bonds such that the amount of debt service allocated to each Planned Assessable Unit does not exceed the amount of debt service that would have been allocated thereto had the total number of Planned Assessable Units been 380 residential units. Conversely, if the Planned Assessable Units or the mix of residential units is greater than the Total Assessable Units, then, there will be a pro-rata decrease in the annual non-ad valorem assessments to all of the benefited properties. See “APPENDIX D – ASSESSMENT METHODOLOGY” herein for additional information regarding the “true-up mechanism”.

## **TAX MATTERS**

### **General**

The Internal Revenue Code of 1986, as amended (the “Code”), includes requirements which the District must continue to meet after the issuance of the Series 2024 Bonds in order that the interest on the Series 2024 Bonds be and remain excludable from gross income for federal income tax purposes. The District’s failure to meet these requirements may cause the interest on the Series 2024 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2024 Bonds. The District has covenanted in the Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2024 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications of the District and the Developer and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings and court decisions, the interest on the Series 2024 Bonds is excludable from gross income of the holders thereof for federal income tax purposes. Interest on the Series 2024 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2024 Bonds is not excluded from the determination of adjusted financial statement income. Bond Counsel is further of the opinion that the Series 2024 Bonds and the income thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their own

tax advisors as to the status of interest on the Series 2024 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2024 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Developer, and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2024 Bonds will be and will remain obligations, the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other consequences regarding the Series 2024 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2024 Bonds, or the ownership or disposition of the Series 2024 Bonds. Prospective purchasers of Series 2024 Bonds should be aware that the ownership of Series 2024 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2024 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2024 Bonds, (iii) the inclusion of the interest on the Series 2024 Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Series 2024 Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Series 2024 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Series 2024 Bonds generally must be taken into account when computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt of certain investment income, including interest on the Series 2024 Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2024 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and are not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

### **Original Issue Discount and Premium**

Certain of the Series 2024 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (i.e., for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the

period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2024 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale or other disposition of that Discount Bond.

Certain of the Series 2024 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

*Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.*

## **Changes in Federal and State Tax Law**

From time to time, there are legislative proposals suggested, debated, introduced or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one (1) or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Series 2024 Bonds, adversely affect the market price or marketability of the Series 2024 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

## **Information Reporting and Backup Withholding**

Interest paid on tax-exempt bonds such as the Series 2024 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2024 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2024 Bonds, under certain circumstances, to "backup withholding" at the rates set forth in the Code, with respect to payments on the Series 2024 Bonds and proceeds from the sale of Series 2024 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2024 Bonds. This withholding generally applies if the owner of Series 2024 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to

properly report interest, dividends, or other “reportable payments” as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner’s securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2024 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

### **AGREEMENT BY THE STATE**

Under the Act, the State pledges to the holders of any bonds issued thereunder, including the Series 2024 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds, including the Series 2024 Bonds, and that it will not in any way impair the rights or remedies of such holders.

### **LEGALITY FOR INVESTMENT**

The Act provides that the Series 2024 Bonds are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

### **SUITABILITY FOR INVESTMENT**

In accordance with applicable provisions of Florida law, the Series 2024 Bonds may initially be sold by the District only to “accredited investors” within the meaning of Chapter 517, Florida Statutes, and the rules promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2024 Bonds. Investment in the Series 2024 Bonds poses certain economic risks. See “BONDOWNERS’ RISKS” herein. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

The Series 2024 Bonds will be issued in fully registered form, without coupons, in authorized denominations of \$5,000 and any integral multiple thereof, provided, however, if any initial beneficial owner of Series 2024 Bonds does not purchase at least \$100,000 of the Series 2024 Bonds at the time of initial delivery of the Series 2024 Bonds, such beneficial owner must execute and deliver to the District and the Underwriter on the date of delivery of the Series 2024 Bonds the investor letter in the form attached to the Indenture or otherwise establish to the satisfaction of the Underwriter that such beneficial owner is an “accredited investor,” as described in Rule 501(a) under Regulation D of the Securities Act of 1933, as amended.

### **ENFORCEABILITY OF REMEDIES**

The remedies available to the Owners of the Series 2024 Bonds upon an Event of Default under the Master Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2024 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the

delivery of the Series 2024 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

## **LITIGATION**

### **The District**

There is no litigation of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2024 Bonds, or in any way contesting or affecting (i) the validity of the Series 2024 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2024 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

### **The Developer**

There is no litigation of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the Assessment Area Two Project or the development of the District Lands, as described herein, materially and adversely affect the ability of the Developer to pay the Series 2024 Special Assessments imposed against the land within the District owned by the Developer or materially and adversely affect the ability of the Developer to perform its various obligations described in this Limited Offering Memorandum.

### **The DRP Landowner**

## **CONTINGENT FEES**

The District has retained Bond Counsel, District Counsel, the District Engineer, the Methodology Consultant, the Underwriter (who has retained Underwriter's Counsel) and the Trustee (who has retained Trustee's Counsel), with respect to the authorization, sale, execution and delivery of the Series 2024 Bonds. Except for the payment of fees to the District Engineer, District Counsel and the Methodology Consultant, the payment of fees of the other professionals is each contingent upon the issuance of the Series 2024 Bonds.

## **NO RATING**

No application for a rating for the Series 2024 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2024 Bonds would have been obtained if application had been made.

## **EXPERTS**

The Engineer's Report included in APPENDIX C to this Limited Offering Memorandum has been prepared by B.S.E. Consultants, Inc., Melbourne, Florida, the District Engineer. APPENDIX C should be read in its entirety for complete information with respect to the subjects discussed therein. Special District Services, Inc., Palm Beach Gardens, Florida, as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX D hereto. APPENDIX D should be read in its entirety for complete information with respect to the subjects discussed therein. As a condition to closing on the Series 2024 Bonds, both the District Engineer and the Methodology Consultant will consent to the inclusion of their reports in this Limited Offering Memorandum.

## **FINANCIAL INFORMATION**

This District will covenant in the Disclosure Agreement (as herein defined), the form of which is set forth in APPENDIX E hereto, to provide its annual audit to the Municipal Securities Rulemaking Board's ("MSRB") Electronic Municipal Markets Access repository ("EMMA") as described in APPENDIX E, commencing with the audit for the District fiscal year ending September 30, 2025. Attached hereto as APPENDIX F are copies of the District's most recent unaudited financial statements for the fiscal year ended September 30, 2024 and the audited financial statements for the fiscal year ended September 30, 2023. The audited financial statements for the fiscal year ended September 30, 2024 and September 30, 2025 are expected to be available on or before June 30, 2025 and June 30, 2026, respectively. The Series 2024 Bonds are not general obligation bonds of the District and are payable solely from the Series 2024 Pledged Revenues.

Each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, Florida Statutes, as amended. Under such statute, each district must post its proposed budget, final budget, most recent final audit report and a link to the Department of Financial Services' website on the district website. The District currently has a website in place and is presently in compliance with the statutory guidelines required by Section 189.069, Florida Statutes, as amended.

## **DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS**

Rule 69W-400.003, Rules of Government Securities under Section 517.051(1), Florida Statutes, promulgated by the Florida Department of Financial Services, Office of Financial Regulation, Division of Securities and Finance ("Rule 69W-400.003"), requires the District to disclose each and every default as to the payment of principal and interest with respect to obligations issued or guaranteed by the District after December 31, 1975. Rule 69W-400.003 further provides, however, that if the District, in good faith, believes that such disclosures would not be considered material by a reasonable investor, such disclosures may be omitted. The District is not and has never been in default as to principal or interest on its bonds or other debt obligations.

## **CONTINUING DISCLOSURE**

The District, the Developer and the DRP Landowner will enter into Continuing Disclosure Agreement (the "Disclosure Agreement"), the proposed form of which is set forth in Appendix E, for the benefit of the Series 2024 Bondholders (including owners of beneficial interests in such Bonds), respectively, to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") and to provide notice of the occurrence of certain listed events with MSRB through EMMA. The specific nature of the information to be contained in the Reports and a description of the listed events are set forth in "Appendix

E – PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT.” Under certain circumstances, the failure of the District, the Developer or the DRP Landowner to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an Event of Default under the Master Indenture, but such event of default under the Disclosure Agreement would allow the Series 2024 Bondholders (including owners of beneficial interests in such Bonds), as applicable, to bring an action for specific performance.

The District has previously entered into continuing disclosure obligations in connection with Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the “Rule”), relating to the Series 2021 Bonds and the Assessment Area Two – Phase One Bonds. The District has been in material compliance with such continuing disclosure obligations, except that the District filed their audited financial statements for the fiscal year ending September 30, 2022 six (6) days late. The District Manager will serve as the dissemination agent under the Disclosure Agreement.

Also, pursuant to the Disclosure Agreement, the Developer and the DRP Landowner will covenant to provide certain financial information and operating data relating to Assessment Area Two – Phase Two, the Developer and the DRP Landowner, as applicable, on a quarterly basis. The Developer has represented and warranted that to its knowledge it has provided on a timely basis all reporting information requested by the applicable dissemination agent with respect to prior continuing disclosure agreements entered into pursuant to the Rule. The Developer has been made aware of instances where the information required to be provided to the dissemination agents was not timely requested, not filed with the appropriate repository or, if filed, not filed on a timely basis. The Developer has represented that it has instituted internal processes to provide information to the dissemination agents on a timely basis and obtained assurances from the dissemination agents that they will in turn request the required reporting information timely and file such information timely with the appropriate repository. The DRP Landowner has represented and warranted that to its knowledge it has provided on a timely basis all reporting information requested by the applicable dissemination agent with respect to prior continuing disclosure agreements entered into pursuant to the Rule.

Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the Internal Revenue Service or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

At the option of the Bondholder, Bonds may be exchanged for other Bonds of a like aggregate principal amount and of the same Series and maturity, upon surrender of the Bonds to be exchanged at any such office of the Registrar. Whenever any Bonds are so surrendered for exchange, the Issuer shall execute and the Trustee (or Registrar as described in Section 2.03 and Section 2.04 hereof) shall authenticate and deliver the Bonds which the Bondholder making the exchange is entitled to receive.

All Bonds issued upon any transfer or exchange of Bonds shall be valid obligations of the Issuer, evidencing the same debt and entitled to the same benefits under this Master Indenture and applicable Supplemental Indenture as the Bonds of such Series surrendered upon such transfer or exchange.

Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing.

Principal and interest on the Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC without the need for presentment of such Bonds. Disbursal of such amounts to DTC Participants shall be the responsibility of DTC. Payments by DTC Participants to Indirect Participants, and by DTC Participants and Indirect Participants to Beneficial Owners shall be the responsibility of DTC Participants and Indirect Participants and not of DTC, the Trustee or the Issuer.

The Bonds registered in the name of Cede & Co. shall initially be issued in the form of one fully registered Bond for each maturity of each Series registered in the name of Cede & Co. and shall be held in such form until maturity. DTC SHALL BE RESPONSIBLE FOR NOTICES TO DTC PARTICIPANTS AND DTC PARTICIPANTS SHALL BE RESPONSIBLE FOR NOTICES TO INDIRECT PARTICIPANTS, AND DTC PARTICIPANTS AND INDIRECT PARTICIPANTS SHALL BE RESPONSIBLE FOR NOTICES TO BENEFICIAL OWNERS.

The Issuer and the Trustee, if appropriate, shall enter into a blanket letter of representations with DTC providing for such book-entry-only system. Such agreement may be terminated at any time by either DTC or the Issuer. In the event of such termination, the Issuer shall select another securities depository and in that event all references herein to DTC or Cede & Co. shall be deemed to be a reference to its respective successor. If the Issuer does not replace DTC, the Trustee will register and deliver to the Beneficial Owners replacement Bonds in the form of fully registered Bonds in accordance with the instructions from Cede & Co.

In the event DTC, any successor of DTC or the Issuer elects to discontinue the book-entry only system in conformity with the requirements of DTC, the Trustee shall deliver bond certificates in accordance with the instructions from DTC or its successor and after such time Bonds may be exchanged for an equal aggregate principal amount of Bonds in other Authorized Denominations and of the same maturity and Series upon surrender thereof at the designated corporate trust office of the Trustee.

In connection with the issuance of a Series of Bonds the Trustee shall, at the request of the Issuer, authenticate the Bonds and deliver or cause them to be authenticated and delivered, as specified in the request, but only upon receipt of:

(13) in the case of the issuance of a refunding Series of Bonds, a written opinion of Bond Counsel to the effect that the issuance of such Bonds will not adversely affect the exclusion from gross income for federal income tax purposes of interest on any Bonds issued pursuant to the Indenture (to the extent that upon original issuance thereof such Bonds were issued as Bonds the interest on which is excludable from gross income for federal income tax purposes); and

(14) such other documents, certifications and opinions as shall be required by the Supplemental Indenture, by the Participating Underwriter or the initial purchaser of a Series of Bonds or by the Issuer or the Trustee upon advice of counsel.

SECTION 4.01. Project to Conform to Plans and Specifications; Changes. The Issuer will proceed to complete any Project or portion thereof for which any Series of Bonds is being issued in accordance with the plans and specifications therefor, as such plans and specifications may be amended from time to time, and subject to the specific requirements of the Supplemental Indenture for such Series of Bonds.

SECTION 4.02. Compliance Requirements. The Issuer will comply with all present and future laws, acts, rules, regulations, orders and requirements lawfully made and applicable in fact to any acquisition or construction hereby undertaken and shall obtain all necessary approvals under federal, state and local laws, acts, rules and regulations necessary for the acquisition, completion and operation of any Project or portion thereof for which any Series of Bonds is being issued and shall complete any Project or portion thereof in conformity with such approvals, laws, rules and regulations. Prior to the completion of the Project, in the event that the Developer shall fail to pay, when due, any Special Assessments levied against lands within the District owned by the Developer or any affiliated entity, the Issuer shall immediately take all actions within its control and, to the extent it has legally available funds for such purpose, immediately take all actions within its power necessary to complete, or cause to be completed, the Project including taking control of the Project Documents.

of Bonds in question; provided, however, that if any amounts remain in the Series Account of the Acquisition and Construction Fund after the Completion Date (as defined in paragraph (c) below) of the Project or portion thereof pertaining to the Series of Bonds in question, and if such amounts are not reserved for payment of any remaining part of the Cost of the Project, such amounts shall be transferred to the applicable Series Account of the Bond Redemption Fund for application to the redemption of Bonds of the Series to which such proceeds relate, as set forth in Section 6.06 hereof or in the applicable Supplemental Indenture.

(b) Disbursements. Unless provided otherwise in a Supplemental Indenture, all payments from the Acquisition and Construction Fund shall be paid in accordance with the provisions of this subsection. Moneys in the appropriate Series Account of the Acquisition and Construction Fund shall be disbursed by check, voucher, order, draft, certificate or warrant signed by any one or more officers or employees of the Trustee legally authorized to sign such items or by wire transfer to an account specified by the payee upon satisfaction of the conditions for disbursement set forth in this subsection (b). Before any such payment shall be made, the Issuer shall file with the Trustee a fully executed requisition in the form of Exhibit D attached hereto, signed by a Responsible Officer and, except for payments of cost of issuance, a certificate of the Consulting Engineer signed by a Consulting Engineer also in the form of Exhibit D attached hereto and as may be modified by terms of the related Supplemental Indenture. Upon receipt of each such requisition and accompanying certificate, the Trustee shall promptly withdraw from the appropriate Series Account of the Acquisition and Construction Fund and pay to the person, firm or corporation named in such requisition the amount designated in such requisition. All requisitions and certificates received by the Trustee pursuant to this Section 5.01 shall be retained in the possession of the Trustee, subject at all reasonable times to the inspection of the Issuer, the Consulting Engineer, the Owner of any Bonds, and the agents and representatives thereof. The Trustee shall have no duty to verify that the disbursement of funds pursuant to a requisition is for a purpose for which payment may be made hereunder and the Trustee may conclusively rely that a properly signed requisition is, on its face, sufficient to authorize disbursement of funds from the Acquisition and Construction Fund.

(c) Completion of Project. On the date of completion of the Project or if sufficient moneys are retained in the appropriate Series Account of the Acquisition and Construction Fund, to complete the Cost of the Project, in either case, as evidenced by the delivery to the Trustee of a Certificate of the Consulting Engineer and adoption of a resolution by the Board accepting the Project as provided by Section 170.09, Florida Statutes, as amended (the "Completion Date"), the balance in the appropriate Series Account of the Acquisition and Construction Fund not reserved by the Issuer for the payment of any remaining part of the Cost of the Project shall be transferred by the Trustee to, and deposited in, the applicable Series Account of the Bond Redemption Fund and applied as provided in Section 6.06 hereof and in the applicable Supplemental Indenture.

**ARTICLE V  
ACQUISITION AND CONSTRUCTION FUND**

SECTION 5.01. Acquisition and Construction Fund. The Trustee shall establish an Acquisition and Construction Fund into which shall be deposited the proceeds from each Series of Bonds issued under the Indenture (unless otherwise specified herein or in the applicable Supplemental Indenture for a Series of Bonds) and from which Costs may be paid as set forth herein and in the applicable Supplemental Indenture. Unless otherwise specified in the applicable Supplemental Indenture, a separate Series Account shall be established in the Acquisition and Construction Fund with respect to each Series of Bonds issued hereunder and the proceeds of each Series of Bonds (other than Bonds issued to refund all or a portion of the Bonds) shall be deposited into the corresponding Series Account in the Acquisition and Construction Fund. The amounts in any Series Account of the Acquisition and Construction Fund, until applied as hereinafter provided, shall be held for the security of the Series of Bonds hereunder in respect of which such Series Account was established. Separate subaccounts within any Series Account of the Acquisition and Construction Fund shall be maintained by the Trustee in respect of each Series of Bonds upon request of the Issuer whenever, in the opinion of the Issuer, it is appropriate to have a separate accounting in respect of the Costs of any designated portion of the Project including, but not limited to, a costs of issuance subaccount. Payments shall be made from the appropriate Series Account of the Acquisition and Construction Fund to pay any unpaid costs of issuance of the Series of Bonds in question, including without limitation, legal, engineering, and consultants' fees and to pay amounts to be reimbursed to the Issuer for Costs advanced, and thereafter to pay Costs of planning, financing, acquisition, construction, reconstruction, equipping and installation of the Project or portion thereof.

(a) Deposits. In addition to the deposit of amounts received by the Trustee on the date of issuance of each Series of Bonds, the Issuer shall pay or cause to be paid to the Trustee, for deposit into the Series Account of the Acquisition and Construction Fund, as promptly as practicable, the following amounts:

- (i) subject to the provisions of Section 9.24 hereof, payments made to the Issuer from the sale, lease or other disposition of the Project or any portion thereof;

- (iii) deposits made by the Developer pursuant to the terms and provisions of a Developer Funding Agreement; and
- (iv) amounts received from a governmental entity pursuant to an interlocal agreement or other similar agreement between the District and such governmental entity providing for the payment by such governmental entity of a portion of the Costs of a Series Project.

Amounts in the applicable Series Account of the Acquisition and Construction Fund shall be applied to pay the Cost of the Project or a portion thereof, as applicable, pertaining to the Series

**ARTICLE VI  
SPECIAL ASSESSMENTS;  
APPLICATION THEREOF TO FUNDS AND ACCOUNTS**

SECTION 6.01. Special Assessments; Lien of Indenture on Pledged Revenues. The Issuer hereby covenants that it shall levy Special Assessments, and, unless provided otherwise with respect to a Series of Bonds, evidence and certify the same to the Tax Collector or shall cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer, pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable, to the extent and in the amount necessary to pay the Debt Service Requirement on Bonds issued and Outstanding hereunder.

The Issuer shall pay to the Trustee for deposit in the Series Account of the Revenue Fund established under Section 6.03 hereof all Special Assessments received by the Issuer from the levy thereof on the District Lands subject to assessments for the payment of the related Series of Bonds; provided, however, that amounts received as Prepayments of Special Assessments shall be deposited directly into the applicable Series Account within the Bond Redemption Fund established hereunder or in any account thereof established pursuant to the applicable Supplemental Indenture. The Issuer shall notify the Trustee at the time of deposit of any amounts received as Prepayments of Special Assessments and shall identify the related Series of Bonds. If necessary, the Issuer shall direct the landowner making such prepayment to specify what Series of Bonds such prepayments relate.

There are hereby pledged for the payment of the principal or Redemption Price of and interest on all Bonds of each Series issued and Outstanding under the Indenture and all reimbursements due to any Credit Facility Issuer for any drawing with respect to such Series of Bonds on its Credit Facility, including, without limitation, interest thereon, as required under the terms of the applicable Credit Facility Agreement, the Pledged Revenues; provided, however, that unless otherwise specifically provided herein or in a Supplemental Indenture relating to a Series of Bonds with respect to the Pledged Revenues securing such Series of Bonds, the Pledged Revenues securing a Series of Bonds shall secure only such Series of Bonds and Bonds issued on a parity therewith and shall not secure any other Bonds or Series of Bonds. The Pledged Revenues shall immediately be subject to the lien and pledge of the Indenture without any physical delivery hereof or further act; provided, however, that the lien and pledge of the Indenture shall not apply to any moneys transferred by the Trustee to the Rebate Fund. The foregoing notwithstanding, to the extent provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, such Series of Bonds may be made payable from and secured by less than all of the Pledged Revenues, and any one or more of the provisions of this Master Indenture may be made inapplicable to such Series of Bonds, all as more specifically provided in the corresponding Supplemental Indenture; provided, however, that any such provisions shall apply only to the particular Series of Bonds authorized by such Supplemental Indenture and shall not affect in any manner whatsoever any Outstanding Series of Bonds.

SECTION 6.02. Funds and Accounts Relating to the Bonds. The Funds and Accounts specified in this Article VI shall be established under this Master Indenture and each Supplemental Indenture pursuant to which a Series of Bonds is issued for the benefit of the

27

specific Series of Bonds and any Series issued on a parity therewith and, unless expressly otherwise provided in said Supplemental Indenture, shall not apply to Bonds Outstanding hereunder issued under any other indenture supplemental hereto or if separately secured by separate Special Assessments. Unless provided otherwise by Supplemental Indenture, all moneys, including, without limitation, proceeds of a Series of Bonds, on deposit to the credit of the Funds and Accounts established hereunder and under a Supplemental Indenture (except for moneys transferred to the Rebate Fund) shall be pledged to the payment of the principal, redemption or purchase price of (as the case may be) and interest on the Series of Bonds issued hereunder and under such Supplemental Indenture, and any Series issued on a parity therewith.

**SECTION 6.03. Revenue Fund.** The Trustee is hereby authorized and directed to establish a Revenue Fund and pursuant to a Supplemental Indenture a Series Account for each Series of Bonds issued hereunder, into which the Trustee shall immediately deposit any and all Special Assessments received from the levy thereof on the District Lands or any portion thereof (other than Prepayments) and any amounts received as the result of any foreclosure, sale of tax certificates or other remedial action for nonpayment of Special Assessments for the payment of the related Series of Bonds and other payments required hereunder or under the applicable Supplemental Indenture (unless such Special Assessments and/or other payments are specifically designated by the Issuer pursuant to a Supplemental Indenture for deposit into the Rebate Fund or any other Fund or Account established hereunder or under a Supplemental Indenture) and each Series Account therein shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. The Trustee shall transfer from amounts on deposit in the Series Account in the Revenue Fund to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority unless other times and/or other priorities are established in a Supplemental Indenture with respect to a Series of Bonds:

**FIRST**, upon receipt but no later than the Business Day preceding the first May 1 for which there is an insufficient amount from Bond proceeds (or investment earnings thereon) on deposit in the applicable Series Interest Account of the Debt Service Fund to be applied to the payment of interest on the Bonds of a Series due on the next succeeding May 1, and no later than the Business Day next preceding each May 1 thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Interest Account of the Debt Service Fund, an amount equal to the interest on the related Series of Bonds becoming due on the next succeeding May 1, less any amount on deposit in such Interest Account not previously credited;

**SECOND**, beginning on the date set forth in the related Supplemental Indenture, and no later than the Business Day next preceding each May 1 or November 1, as designated in the applicable Supplemental Indenture thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Principal Account of the Debt Service Fund, an amount equal to the principal amount of Bonds of such Series maturing on the next succeeding principal payment date, less any amount on deposit in the applicable Series Principal Account not previously credited;

**THIRD**, beginning on the date set forth in the related Supplemental Indenture, and no later than the Business Day next preceding each May 1 or November 1, as so

Trustee. The Trustee shall establish within the Debt Service Fund pursuant to a Supplemental Indenture, a Series Principal Account, a Series Interest Account and, if applicable, a Series Sinking Fund Account for each Series of Bonds and a Series Capitalized Interest Account, which accounts shall be separate and apart from all other Funds and Accounts established under the Indenture and from all other moneys of the Trustee.

The Trustee at all times shall make available to any Paying Agent the funds in the Series Principal Account and the Series Interest Account of the Debt Service Fund to pay the principal of the applicable Series of Bonds as they mature upon surrender thereof and the interest on the applicable Series of Bonds as it becomes payable, respectively. When a Series of Bonds is redeemed, the amount, if any, in the Debt Service Fund representing interest thereon shall be applied to the payment of accrued interest in connection with such redemption.

The Trustee shall apply moneys in the Series Sinking Fund Account in the Debt Service Fund for purchase or redemption of the applicable Series of Bonds in amounts and maturities set forth in the Supplemental Indenture. Whenever Bonds of a Series are to be purchased out of such Series Sinking Fund Account, if the Issuer shall notify the Trustee that the Issuer wishes to arrange for such purchase, the Trustee shall comply with the Issuer's arrangements provided they conform to the Indenture.

Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, purchases and redemptions out of the Series Sinking Fund Account shall be made as follows:

(a) The Trustee shall apply the amounts required to be transferred to the applicable Series Sinking Fund Account (less any moneys applied to the purchase of Bonds of the applicable Series pursuant to the next sentence hereof) on the mandatory sinking fund redemption date in each of the years set forth in the Supplemental Indenture to the redemption of Bonds of the related Series in the amounts, manner and maturities and on the dates set forth in the Supplemental Indenture, at a Redemption Price of 100% of the principal amount thereof. At the written direction of the Issuer, the Trustee shall apply moneys from time to time available in the applicable Series Sinking Fund Account to the purchase of Bonds of the applicable Series which mature in the aforesaid years, at prices not higher than the principal amount thereof, in lieu of redemption as aforesaid, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given. In the event of purchases at less than the principal amount thereof, the difference between the amount in the Series Sinking Fund Account representing the principal amount of the Bonds so purchased and the purchase price thereof (exclusive of accrued interest) shall be transferred to the related Series Interest Account of the Debt Service Fund.

(b) Accrued interest on purchased Bonds of a Series shall be paid from the related Series Interest Account of the Debt Service Fund.

(c) In lieu of paying the Debt Service Requirements necessary to allow any mandatory redemption of Bonds of a Series from the related Series Sinking Fund Account, the Issuer may present to the Trustee Bonds of such Series purchased by the Issuer pursuant to subparagraph (a) above and furnished for such purposes; provided, however, that no Bonds of

30

designated in the applicable Supplemental Indenture thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Bonds of such Series subject to mandatory sinking fund redemption on the next succeeding mandatory sinking fund redemption date, less any amount on deposit in the applicable Series Sinking Fund Account not previously credited;

**FOURTH**, upon receipt but no later than the Business Day preceding the first November 1 for which there remains an insufficient amount from Bond proceeds (or investment earnings thereon) on deposit in the applicable Series Interest Account to be applied to the payment of interest on the Bonds of a Series due on the next succeeding November 1, and no later than the Business Day next preceding each November 1 thereafter while Bonds of such Series issued under the Indenture remain Outstanding, to the applicable Series Interest Account of the Debt Service Fund, an amount equal to the interest on the Bonds of such Series becoming due on the next succeeding November 1, less any amount on deposit in the applicable Series Interest Account not previously credited;

**FIFTH**, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Account of the Debt Service Reserve Fund, if any, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Debt Service Reserve Requirement;

**SIXTH**, subject to the following paragraph, the balance of any moneys remaining in a Series Account of the Revenue Fund after making the foregoing deposits shall, subject to application by one or more Supplemental Indentures, if applicable, remain therein, unless pursuant to any Arbitrage Certificate it is necessary to make a deposit in the Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

Unless otherwise provided in the applicable Supplemental Indenture, the Trustee shall within ten (10) Business Days after the last Interest Payment Date in any calendar year, at the direction of the Issuer, withdraw any moneys held for the credit of the Revenue Fund which are not otherwise required to be deposited pursuant to this Section and deposit such moneys as directed to the credit of the applicable Series Account of the Bond Redemption Fund in accordance with the provisions hereof. Notwithstanding the foregoing, if pursuant to any Arbitrage Certificate it is necessary to make a deposit in the Rebate Fund, the Issuer shall direct the Trustee to make such deposit thereto. Prepayments pledged to a particular Series of Bonds shall be deposited directly into the applicable Series Account of the Bond Redemption Fund as provided herein.

**SECTION 6.04. Debt Service Fund.** The Trustee is hereby authorized and directed to establish a Debt Service Fund which shall consist of amounts deposited therein by the Trustee and any other amounts the Issuer may pay to the Trustee for deposit therein with respect to the related Series of Bonds. The Debt Service Fund shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the

29

such Series so purchased shall be credited towards the Debt Service Requirements in respect of the mandatory redemption of Bonds of such Series for which notice of redemption has been given pursuant to Section 8.02 of this Master Indenture. Any Bond so purchased shall be presented to the Trustee for cancellation. In such event, the Debt Service Requirements with respect to the Bonds of a Series for the period in which the purchased Bonds are presented to the Trustee shall, for all purposes hereunder, be reduced by an amount equal to the aggregate principal amount of any such Bonds so presented.

**SECTION 6.05. Debt Service Reserve Fund.** The Trustee is hereby authorized and directed to establish a Debt Service Reserve Fund and, if applicable, pursuant to a Supplemental Indenture a Series Account for each Series of Bonds issued hereunder. The Debt Service Reserve Fund and each Series Account therein shall be held by the Trustee solely for the benefit of each related Series of Bonds or sub-Series, as determined by the applicable Supplemental Indenture; provided, however, that notwithstanding anything to the contrary contained in this Master Indenture, the Supplemental Indenture authorizing the issuance of a Series of Bonds may provide that the Debt Service Reserve Fund is not applicable and no account therein shall secure such Series of Bonds. The Debt Service Reserve Fund and each Series Account therein shall constitute an irrevocable trust fund to be applied solely as set forth herein and shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, on the date of issuance and delivery of a Series of Bonds an amount of Bond proceeds or equity equal to the Debt Service Reserve Requirement in respect of such Series of Bonds, calculated as of the date of issuance and delivery of such Series of Bonds, shall be deposited in the related Series Account of the Debt Service Reserve Fund. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, and as long as there exists no default under the Indenture and the amount in the Series Account of the Debt Service Reserve Fund is not reduced below the then applicable Debt Service Reserve Requirement with respect to such Series of Bonds, earnings on investments in the Series Account of the Debt Service Reserve Fund shall, prior to the Completion Date of a Project, be transferred to the applicable Acquisition and Construction Account of the Acquisition and Construction Fund, and after the Completion Date, shall be, at the written direction of the Issuer, transferred to the related Series Account of the Revenue Fund. Otherwise, earnings on investments in each Series Account of the Debt Service Reserve Fund shall be retained therein until applied as set forth herein. If made applicable in a Supplemental Indenture, in the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement as a result of an optional prepayment by the owner of a lot or parcel of land of Special Assessments against such lot or parcel or a mandatory true-up payment, which Special Assessments are pledged for the payment and security of such Series of Bonds, the excess amount shall, as directed by the terms of the applicable Supplemental Indenture, be transferred from the Series Account of the Debt Service Reserve Fund to the applicable Series Account or Subaccount of the Bond Redemption Fund established for such Series of Bonds and shall constitute a credit against such optional prepayment or true-up payment. If made applicable in the Supplemental Indenture with respect to a Series of Bonds, in the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement for any other reason, the excess amount shall, as directed by the

31

terms of the applicable Supplemental Indenture, be transferred from the Series Account of the Debt Service Reserve Fund to the applicable Series Account or Subaccount of the Bond Redemption Fund.

Whenever for any reason on an Interest Payment Date, principal payment date or mandatory redemption date with respect to a related Series of Bonds secured by a Series Account of the Debt Service Reserve Fund the amount in the related Series Interest Account, the related Series Principal Account or the related Series Sinking Fund Account, as the case may be, is insufficient to pay all amounts payable on such Series of Bonds therefrom on such payment dates, the Trustee shall, without further instructions, transfer the amount of any such deficiency from the related Series Account of the Debt Service Reserve Fund into the related Series Interest Account, the related Series Principal Account and the related Series Sinking Fund Account, as the case may be, with priority to the related Series Interest Account and then, proportionately according to the respective deficiencies therein, to the related Series Principal Account and the related Series Sinking Fund Account, to be applied to pay the Series of Bonds secured by the Series Account of the Debt Service Reserve Fund.

**SECTION 6.06. Bond Redemption Fund.** Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, the Trustee is hereby authorized and directed to establish a Bond Redemption Fund and pursuant to a Supplemental Indenture a Series Account within the Bond Redemption Fund for each Series of Bonds issued hereunder into which shall be deposited, moneys in the amounts and at the times provided in Sections 5.01, 6.01, 6.03, 6.05, 9.08(b) and 9.14(c) of this Master Indenture. The Series Account within the Bond Redemption Fund shall constitute an irrevocable trust fund to be applied solely as set forth in the applicable Supplemental Indenture and shall be held by the Trustee separate and apart from all other Funds and Accounts held under such Indenture and from all other moneys of the Trustee. All earnings on investments held in the Series Account within the Bond Redemption Fund shall be retained therein and applied as set forth below.

Moneys in the Series Account within the Bond Redemption Fund (including all earnings on investments held in the Series Account within the Bond Redemption Fund) shall be accumulated therein to be used in the following order of priority, to the extent that the need therefor arises:

FIRST, (except for amounts resulting from Prepayments of Special Assessments, which shall be applied as provided in the next paragraph) make such deposits into the Rebate Fund created and established under this Master Indenture as the Issuer may direct in accordance with an arbitrage rebate agreement, such moneys thereupon to be used solely for the purposes specified in said arbitrage rebate agreement. Any moneys so transferred from the Series Account within the Bond Redemption Fund to the Rebate Fund shall thereupon be free from the lien and pledge of the related Indenture;

SECOND, to be used to call for redemption pursuant to clause (b) of Section 8.01 hereof an amount of Bonds of the applicable Series equal to the amount of money transferred to the Series Account within the Bond Redemption Fund pursuant to the aforesaid clauses or provisions, as appropriate, for the purpose of such extraordinary

32

for three (3) years after the date payment thereof becomes due shall, upon request of the Issuer, if the Issuer is not at the time to the knowledge of the Trustee in default with respect to any covenant in this Master Indenture, any Supplemental Indenture or the Bonds contained, be paid to the Issuer; and the Owners of the Bonds for which the deposit was made shall thereafter be limited to a claim against the Issuer; provided, however, that the Trustee, before making payment to the Issuer, may, at the expense of the Issuer and if directed by the Issuer, cause a notice to be published in an Authorized Newspaper, stating that the money remaining unclaimed will be returned to the Issuer after a specified date.

**SECTION 6.11. Rebate Fund** The Trustee is hereby authorized and directed to establish a Rebate Fund. Unless provided otherwise in a Supplemental Indenture, at the written direction of the Issuer, the Trustee shall transfer monies from the applicable Series Account in the Revenue Fund and deposit the same to the Rebate Fund, and shall make payments therefrom at the times and in the amounts required to comply with any applicable provisions in the applicable Arbitrage Certificate. If so directed by the Issuer in writing, the Trustee shall create one or more Series Accounts within the Rebate Fund relating to one or more particular Series of Bonds.

(a) All amounts held in the Rebate Fund shall be governed by this Section and the applicable Arbitrage Certificate. The Trustee shall be entitled to rely on the rebate calculations obtained from the rebate analyst retained by the Issuer pursuant to any Arbitrage Certificate and the Trustee shall not be responsible for any loss or damage resulting from any good faith action taken or omitted to be taken by the Issuer in reliance upon such calculations.

(b) Pursuant to the applicable Arbitrage Certificate, the Trustee shall remit all rebate installments and a final rebate payment to the United States. The Trustee shall have no obligation to pay any amounts required to be rebated pursuant to this Section and the applicable Arbitrage Certificate, other than at the direction of the Issuer and from moneys held in the Rebate Fund or from other moneys provided to it by the Issuer. Any moneys remaining in the Rebate Fund after redemption and payment of all of the Bonds and payment and satisfaction of any arbitrage rebate shall be withdrawn and paid to the Issuer.

(c) Notwithstanding any other provision of this Master Indenture, including in particular Article XIV hereof, the obligation of the Issuer to pay arbitrage rebate to the United States and to comply with all other requirements of this Section and the Arbitrage Certificate shall survive the defeasance or payment in full of the Bonds.

The Trustee shall not be deemed to have constructive knowledge of the Code or regulations, rulings and judicial decisions concerning the Code.

mandatory redemption on the dates and at the prices provided in such clauses or provisions, as appropriate; and

THIRD, the remainder to be utilized by the Trustee, at the direction of a Responsible Officer, to call for redemption on each Interest Payment Date or other date on which Bonds of the applicable Series are subject to optional redemption pursuant to Section 8.01(a) hereof such amount of Bonds of the applicable Series taking into account any redemption premium, as may be practicable; provided, however, that not less than Five Thousand Dollars (\$5,000) principal amount of Bonds of the applicable Series shall be called for redemption at one time.

Any such redemption shall be made in accordance with the provisions of Article VIII of this Master Indenture and the applicable provisions of the related Supplemental Indenture. The Issuer shall pay all expenses in connection with such redemption.

**SECTION 6.07. Drawings on Credit Facility.** With respect to Bonds in respect of which there has been issued a Credit Facility, the Trustee shall draw on the Credit Facility, in accordance with the provisions for drawing under such Credit Facility, and within the requisite time period, all as set forth in the Credit Facility Agreement or the Supplemental Indenture.

**SECTION 6.08. Procedure When Funds Are Sufficient to Pay All Bonds of a Series.** Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, if at any time the moneys held by the Trustee in the Funds (other than the moneys in the Rebate Fund) and Accounts hereunder and under a Supplemental Indenture and available therefor are sufficient to pay the principal or Redemption Price of, as the case may be, and interest on all Bonds of a Series then Outstanding under such Indenture to maturity or prior redemption, together with any amounts due the Issuer and the Trustee, Paying Agent, Registrar and Credit Facility Issuer, if any, the Trustee, at the direction of the Issuer, shall apply the amounts in the Series Funds and Series Accounts to the payment of the aforesaid obligations and the Issuer shall not be required to pay over any further Pledged Revenues with respect to such Series of Bonds unless and until it shall appear that there is a deficiency in the Funds and Accounts held by the Trustee.

**SECTION 6.09. Certain Moneys to Be Held for Series Bondowners Only.** Each Series of Bonds issued pursuant to this Master Indenture and the related Supplemental Indenture shall be secured by Pledged Revenues, as set forth herein, and otherwise may be secured by such additional Funds and Accounts and other security (including, but not limited to, Credit Facilities) established by the pertinent Supplemental Indenture. Moneys and investments in the various Funds and Accounts created under a Supplemental Indenture expressly and solely for the benefit of the Series of Bonds issued under such Supplemental Indenture shall be held in trust by the Trustee for the benefit of the Holders of, and Credit Facility Issuer with respect to, Bonds of that Series only.

**SECTION 6.10. Unclaimed Moneys** In the event any Bond shall not be presented for payment when the principal of such Bond becomes due, either at maturity or at the date fixed for redemption of such Bond or otherwise, if amounts sufficient to pay such Bond have been deposited with the Trustee for the benefit of the owner of the Bond and have remained unclaimed

## ARTICLE VII SECURITY FOR AND INVESTMENT OR DEPOSIT OF FUNDS

**SECTION 7.01. Deposits and Security Thereof.** Unless otherwise as provided in the Supplemental Indenture with respect to a Series of Bonds, all moneys received by the Trustee under a Supplemental Indenture for deposit in any Fund or Account established under this Master Indenture or such Supplemental Indenture shall be considered trust funds, shall not be subject to lien or attachment, except for the lien created by this Master Indenture and the related Supplemental Indenture, and shall be deposited with the Trustee, until or unless invested or deposited as provided in Section 7.02 hereof. Except for the Investment Securities of the type described in clause (c) of the definition of Investment Securities, all deposits of moneys received by the Trustee under this Master Indenture or such Supplemental Indenture (whether original deposits under this Section 7.01 or deposits or redeposits in time accounts under Section 7.02) shall, to the extent not insured, and to the extent permitted by law, be fully secured as to both principal and interest earned, by Investment Securities of the types set forth in the definition of Investment Securities and the provisions thereof. If at any time the Trustee is unwilling to accept such deposits or unable to secure them as provided above, the Trustee may deposit such moneys with any other depository which is authorized to receive them and the deposits of which are insured by the Federal Deposit Insurance Corporation (including the FDIC Savings Association Insurance Fund). All deposits in any other depository in excess of the amount covered by insurance (whether under this Section 7.01 or Section 7.02 as aforesaid) shall, to the extent permitted by law, be fully secured as to both principal and interest earned, in the same manner as required herein for deposits with the Trustee. Such security shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000.

**SECTION 7.02. Investment or Deposit of Funds.** Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, the Trustee shall, as directed by the Issuer in writing, invest moneys held in the Series Accounts in the Debt Service Fund and any Series Account within the Bond Redemption Fund created under any Supplemental Indenture only in Government Obligations and securities described in subparagraphs (a), (c), (e), (f), or (j) of the definition of Investment Securities. Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, the Trustee shall, as directed by the Issuer in writing, invest moneys held in any Series Account of the Debt Service Reserve Fund in Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth herein or in the Supplemental Indenture with respect to a Series of Bonds. All securities securing investments under this Section shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to

35

Section 6.05 of this Master Indenture and unless otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, any interest and other income so received shall be deposited in the related Series Account of the Revenue Fund. Upon request of the Issuer, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund.

Absent specific instructions as aforesaid or absent standing instructions from the Issuer for investment of such moneys, the Trustee shall not be obligated, liable or responsible for keeping the moneys invested. The Trustee shall not be liable or responsible for any loss or failure to achieve the highest return, or entitled to any gain, resulting from any investment or sale upon the investment instructions of the Issuer or otherwise, including that set forth in the first sentence of this paragraph. The Trustee may make any investments permitted by the provisions of this section through its own bond department or investment department.

**SECTION 7.03. Valuation of Funds.** The Trustee shall value the assets in each of the Funds and Accounts established hereunder or under any Supplemental Indenture forty-five (45) days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the Issuer a report of the status of each Fund and Account as of the valuation date. In computing the assets of any Fund or Account, investments and accrued interest thereon shall be deemed a part thereof, subject to Section 7.02 hereof. For the purpose of determining the amount on deposit to the credit of any Fund or Account established hereunder or under any Supplemental Indenture, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the redemption price thereof, to the extent that any such obligation is then redeemable at the option of the holder. For the purpose of determining the amount on deposit to the credit of the Debt Service Reserve Fund, obligations in which money in such Fund shall have been invested shall be valued at par, if purchased at par, or at amortized cost, if purchased at other than par, plus, in each case, accrued interest. Amortized cost, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of days remaining to maturity on such obligation at the date of such purchase and by multiplying the amount thus calculated by the number of days having passed since such purchase; and (i) in the case of an obligation purchased at a premium by deducting the product thus obtained from the purchase price, and (ii) in the case of an obligation purchased at a discount by adding the product thus obtained to the purchase price.

[END OF ARTICLE VII]

thereof plus accrued interest to the redemption date, in the years and amounts set forth in a Supplemental Indenture.

In connection with such mandatory sinking fund redemption of Bonds, amounts shall be transferred from the applicable Series Account of the Revenue Fund to the Series Sinking Fund Account of the Debt Service Fund, all as more particularly described in Section 6.03 hereof.

The principal amounts of scheduled mandatory sinking fund payments shall be reduced as specified by the Issuer or as provided in Section 8.04 hereof by any principal amounts of the Bonds redeemed pursuant to Section 8.01(a) and (b) hereof or purchased and cancelled pursuant to Section 6.04 hereof.

Upon any redemption or purchase of Bonds other than in accordance with scheduled mandatory sinking fund payments, the Issuer shall cause to be recalculated and delivered to the Trustee a revised mandatory sinking fund schedule recalculated so as to amortize the Outstanding principal amount of Bonds of such Series in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Bonds of such Series. The mandatory sinking fund payments as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund payments for all Bonds of such Series in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund payment due in the year in which such redemption or purchase occurs, but shall be made to mandatory sinking fund payments for the immediately succeeding and subsequent years.

**SECTION 8.02. Notice of Redemption and of Purchase.** Except where otherwise required by a Supplemental Indenture, when required to redeem or purchase Bonds of a Series under any provision of the related Indenture or directed to do so by the Issuer, the Trustee shall cause notice of the redemption, either in whole or in part, to be mailed by first class mail, postage prepaid at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Bonds of such Series for which notice was duly mailed in accordance with this Section 8.02. The Issuer shall, when it is directing the Trustee to mail such notice, provide written direction to the Trustee at least forty-five (45) days (unless the Trustee agrees to a shorter period) prior to the date on which the Trustee is required to send notice hereunder. Such notice shall be given in the name of the Issuer, shall be dated, shall set forth the Bonds of such Series Outstanding which shall be called for redemption or purchase and shall include, without limitation, the following additional information:

- (a) the redemption or purchase date;
- (b) the redemption or purchase price;
- (c) CUSIP numbers, to the extent applicable, and any other distinctive numbers and letters;

## ARTICLE VIII REDEMPTION AND PURCHASE OF BONDS

**SECTION 8.01. Redemption Dates and Prices.** Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, the Bonds of a Series may be made subject to optional, mandatory and extraordinary redemption and purchase, either in whole or in part, by the Issuer, prior to maturity in the amounts, at the times and in the manner provided in this Article VIII and in the related Supplemental Indenture.

(a) *Optional Redemption.* Bonds of a Series shall be subject to optional redemption at the direction of the Issuer, at the times and upon payment of the redemption price as provided in the related Supplemental Indenture.

(b) *Extraordinary Mandatory Redemption in Whole or in Part.* Except as otherwise provided in a Supplemental Indenture with respect to Bonds of the related Series, Bonds of a Series are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole, on any date, or in part, on any Interest Payment Date, at an extraordinary mandatory redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date, (i) from moneys deposited into the related Series Account within the Bond Redemption Fund following the payment of Special Assessments on any portion of the District Lands in accordance with the provisions of Section 9.08 hereof; (ii) when sufficient moneys are on deposit in the related Series Funds and Accounts (other than moneys in the Rebate Fund and any other excluded Fund or Account as provided in a Supplemental Indenture with respect to a Series of Bonds) to pay and redeem all Outstanding Bonds of a Series and accrued interest thereon to the redemption date in addition to all amounts owed to Persons under the related Indenture; (iii) if made applicable in the Supplemental Indenture with respect to a Series of Bonds, from moneys in excess of the Debt Service Reserve Requirement for a Series of Bonds in the applicable Series Account of the Debt Service Reserve Fund transferred to the Series Account within the Bond Redemption Fund pursuant to Section 6.05 hereof; (iv) if made applicable in the Supplemental Indenture with respect to a series of Bonds, from excess moneys transferred from the Series Account of the Revenue Fund to the Series Account within the Bond Redemption Fund in accordance with Section 6.03 of this Master Indenture; (v) if the following is made applicable by the terms of a Supplemental Indenture, from moneys, if any, on deposit in the Series Account within the Bond Redemption Fund pursuant to Section 9.14(c) hereof following condemnation or the sale of any portion of the District Lands benefited by a Project to a governmental entity under threat of condemnation by such governmental entity or the damage or destruction of all or substantially all of the Project when such moneys are not to be used pursuant to Section 9.14(c) to repair, replace or restore the Project; provided, however, that at least forty-five (45) days prior to such extraordinary mandatory redemption, the Issuer shall cause to be delivered to the Trustee (x) notice setting forth the redemption date and (y) a certificate of the Consulting Engineer confirming that the repair and restoration of the Project would not be economical or would be impracticable; or (vi) from amounts transferred to the Series Account of the Bond Redemption Fund from the Series Account of the Acquisition and Construction Fund in accordance with Section 5.01(c) hereof.

(c) *Mandatory Sinking Fund Redemption.* Bonds of a Series may be subject to mandatory sinking fund redemption at a Redemption Price of 100% of the principal amount

37

(d) if less than all Outstanding Bonds of a Series to be redeemed or purchased, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed or purchased;

(e) that on the redemption or purchase date the Redemption Price or purchase price will become due and payable upon surrender of each such Bond or portion thereof called for redemption or purchase, and that interest thereon shall cease to accrue from and after said date; and

(f) the place where such Bonds are to be surrendered for payment of the redemption or purchase price, which place of payment shall be a corporate trust office of the Trustee.

If at the time of mailing of notice of redemption or purchase, the Issuer shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Bonds called for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

If the amount of funds deposited with the Trustee for such redemption, or otherwise available, is insufficient to pay the Redemption Price and accrued interest on the Bonds so called for redemption on the redemption date, the Trustee shall redeem and pay on such date an amount of such Bonds for which such funds are sufficient, selecting the Bonds to be redeemed randomly from among all such Bonds called for redemption on such date, and among different maturities of Bonds in the same manner as the initial selection of Bonds to be redeemed, and from and after such redemption date, interest on the Bonds or portions thereof so paid shall cease to accrue and become payable; but interest on any Bonds or portions thereof not so paid shall continue to accrue until paid at the same rate as it would have had such Bonds not been called for redemption.

The notices required to be given by this Section 8.02 shall state that no representation is made as to correctness or accuracy of the CUSIP numbers listed in such notice or printed on the Bonds.

**SECTION 8.03. Payment of Redemption Price.** If any required (a) unconditional notice of redemption has been duly mailed or waived by the Owners of all Bonds called for redemption or (b) conditional notice of redemption has been so mailed or waived and the redemption moneys have been duly deposited with the Trustee or Paying Agent, then in either case, the Bonds called for redemption shall be payable on the redemption date at the applicable Redemption Price plus accrued interest, if any, to the redemption date. Bonds of a Series so called for redemption, for which moneys have been duly deposited with the Trustee, will cease to bear interest on the specified redemption date, shall no longer be secured by the related Indenture and shall not be deemed to be Outstanding under the provisions of the related Indenture.

Payment of the Redemption Price, together with accrued interest, shall be made by the Trustee or Paying Agent to or upon the order of the Owners of the Bonds called for redemption

39

upon surrender of such Bonds. The Redemption Price of the Bonds to be redeemed, the expenses of giving notice and any other expenses of redemption, shall be paid out of the Fund from which redemption is to be made or by the Issuer, or as specified in a Supplemental Indenture.

SECTION 8.04. Partial Redemption of Bonds. Except to the extent otherwise provided in a Supplemental Indenture, if less than all of a Series of Bonds of a maturity are to be redeemed, the Trustee shall select the particular Bonds or portions of the Bonds to be called for redemption randomly in such reasonable manner as the Trustee in its discretion may determine. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(a), such redemption shall be effectuated by redeeming Bonds of such Series of such maturities in such manner as shall be specified by the Issuer in writing, subject to the provisions of Section 8.01 hereof. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(b), such redemption shall be effectuated by redeeming Bonds of such Series pro rata among the maturities, treating each date on which a Sinking Fund Installment is due as a separate maturity for such purpose, with the portion to be redeemed from each maturity being equal to the product of the aggregate principal amount of Bonds of such Series to be redeemed multiplied times a fraction the numerator of which is the principal amount of the Series of Bonds of such maturity outstanding immediately prior to the redemption date and the denominator of which is the aggregate principal amount of all Bonds of such Series outstanding immediately prior to the redemption date, rounded up or down to the nearest \$5,000 amount in order to maintain Authorized Denominations.

SECTION 9.03. Special Assessments; Re-Assessments.

(a) The Issuer shall levy Special Assessments, and, unless the Issuer collects the Special Assessments directly under the conditions set forth herein, evidence and certify the same to the Tax Collector or shall cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable, and Section 9.04 hereof, to the extent and in an amount sufficient to pay Debt Service Requirements on all Outstanding Bonds. The Issuer shall also diligently collect any true-up payments that the Developer is required to make. The Issuer covenants and agrees that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of this Master Indenture, as supplemented in connection with the Series of Bonds as to which the Event of Default occurred, including the remedial provisions for collection of delinquent Special Assessments, the provisions for foreclosure of liens of delinquent Special Assessments and delinquent operation and maintenance assessments, and will take such other remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Holders of the Series of Bonds as to which the Event of Default occurred.

(b) If any Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the Issuer shall be satisfied that any such Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the Issuer shall have omitted to make such Special Assessment when it might have done so, the Issuer shall either (i) take all necessary steps to cause a new Special Assessment to be made for the whole or any part of said improvement or against any property benefited by said improvement, or (ii) in its sole discretion, make up the amount of such Special Assessment from any legally available moneys, which moneys shall be deposited into the applicable Series Account in the Revenue Fund. In case such second Special Assessment shall be annulled, the Issuer shall obtain and make other Special Assessments until a valid Special Assessment shall be made.

SECTION 9.04. Method of Collection. Special Assessments shall be collected by the Issuer in accordance with the provisions of the Act and Chapter 197, Florida Statutes, or any successor statutes thereto, as applicable, in accordance with the terms of this Section. Except as stated in the next succeeding sentence or during the continuance of an Event of Default and the Majority Holders of a Series of Bonds are providing direction as to the method of collection, the Issuer shall use the uniform method for the levy, collection and enforcement of Special Assessments afforded by Sections 197.3631, 197.3632 and 197.3635, Florida Statutes, or any successor statutes thereto (the "Uniform Method"), and to do all things necessary to continue to use the Uniform Method or a comparable alternative method afforded by Section 197.3631, Florida Statutes. Notwithstanding the foregoing, the Issuer shall not collect Special Assessments pursuant to the Uniform Method levied against District Lands and will direct bill the applicable landowners for the same either prior to platting of such lands or if the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders of the applicable Series of Bonds directs the Issuer otherwise upon an Event of Default. Upon any failure of any property owner to pay an installment of Special Assessments when due (with respect Special Assessments collected directly by the Issuer), the

ARTICLE IX  
COVENANTS OF THE ISSUER

SECTION 9.01. Power to Issue Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Bonds, to adopt and execute this Master Indenture and to pledge the Pledged Revenues for the benefit of the Bonds of a Series and any Credit Facility Issuer, except to the extent otherwise provided in a Supplemental Indenture. The Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Bonds of a Series and any Credit Facility Issuer with respect to such Series. The Bonds and the provisions of this Master Indenture and any Supplemental Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by this Master Indenture and any Supplemental Indenture and all the rights of the Bondholders and any Credit Facility Issuer under this Master Indenture and any Supplemental Indenture against all claims and demands of all other Persons whomsoever.

SECTION 9.02. Payment of Principal and Interest on Bonds. The payment of the principal or Redemption Price of and interest on all of the Bonds of a Series issued under the related Indenture shall be secured forthwith equally and ratably by a first lien on and pledge of the Pledged Revenues, except to the extent otherwise provided in a Supplemental Indenture; and Pledged Revenues in an amount sufficient to pay the principal or Redemption Price of and interest on the Bonds of a Series authorized by the related Indenture are hereby irrevocably pledged to the payment of the principal or Redemption Price of and interest on the Bonds of a Series authorized under the related Indenture, as the same become due and payable. The Issuer shall promptly pay the interest on and the principal or Redemption Price of every Bond issued hereunder according to the terms thereof, but shall be required to make such payment only out of the Pledged Revenues.

THE BONDS AUTHORIZED UNDER THIS MASTER INDENTURE AND THE RELATED SUPPLEMENTAL INDENTURE AND THE OBLIGATIONS EVIDENCED THEREBY SHALL NOT CONSTITUTE A LIEN UPON ANY PROPERTY OF THE ISSUER, INCLUDING, WITHOUT LIMITATION, THE PROJECT OR ANY PORTION THEREOF IN RESPECT OF WHICH ANY SUCH BONDS ARE BEING ISSUED, OR ANY PART THEREOF, BUT SHALL CONSTITUTE A LIEN ONLY ON THE PLEDGED REVENUES AS SET FORTH IN THIS MASTER INDENTURE AND ANY SUPPLEMENTAL INDENTURE. NOTHING IN THE BONDS AUTHORIZED UNDER THIS MASTER INDENTURE AND ANY SUPPLEMENTAL INDENTURE SHALL BE CONSTRUED AS OBLIGATING THE ISSUER TO PAY THE BONDS OR THE REDEMPTION PRICE THEREOF OR THE INTEREST THEREON EXCEPT FROM THE PLEDGED REVENUES, OR AS PLEDGING THE FAITH AND CREDIT OF THE ISSUER, THE COUNTY, THE STATE OR ANY OTHER POLITICAL SUBDIVISION THEREOF, OR AS OBLIGATING THE ISSUER, THE COUNTY, THE STATE OR ANY OF ITS POLITICAL SUBDIVISIONS, DIRECTLY OR INDIRECTLY OR CONTINGENTLY, TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATEVER THEREFOR.

41

entire Special Assessment on the parcel or parcels as to which such delinquency pertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the Issuer either on its own behalf or through the actions of the Trustee may, and shall, if so directed in writing by the Majority Holders of the related Series of Bonds, at the Issuer's own expense, cause such delinquent property to be foreclosed as hereafter provided. The Issuer covenants it shall promptly, after written notice to the delinquent landowner, but not later than one hundred twenty (120) days from the due date of such Special Assessments that have not been paid, cause there to be brought legal proceedings for the foreclosure of the Special Assessment lien including interest and penalties with respect to such tax parcel. The foreclosure proceedings shall be prosecuted to sale and conveyance of such tax parcel as now provided by law in suits to foreclose mortgages unless the Majority Holders provide written direction to suspend or terminate such foreclosure proceedings. Nothing herein shall obligate the Issuer to credit bid at any foreclosure sale. The Issuer shall enter into or maintain in effect one or more written agreements with the Property Appraiser and the Tax Collector, either individually or jointly (together, the "Property Appraiser and Tax Collector Agreement") in order to effectuate the provisions of this Section. The Issuer shall ensure that any such Property Appraiser and Tax Collector Agreement remains in effect for at least as long as the final maturity of Bonds Outstanding under this Master Indenture. The Issuer shall provide to the dissemination agent under the applicable Continuing Disclosure Agreement a list of all properties where the Special Assessments relating to the Series of Bonds subject to the applicable Continuing Disclosure Agreement which are being billed directly, and have not been paid within sixty (60) days of the due date of such Special Assessments and the current status of any foreclosure actions currently in progress and the current status of the delinquent Special Assessments. The Issuer covenants to comply with all proceedings relating to the imposition and collection of the Special Assessments and will not make material amendments to any assessment methodology relating to the Special Assessments without the written consent of the Majority Holders.

SECTION 9.05. [RESERVED].

SECTION 9.06. [RESERVED].

SECTION 9.07. Books and Records with Respect to Special Assessments. In addition to the books and records required to be kept by the Issuer pursuant to the provisions of Section 9.17 hereof, the Issuer shall keep books and records for the collection of the Special Assessments on the District Lands, which such books, records and accounts shall be kept separate and apart from all other books, records and accounts of the Issuer. The District Manager or the District Manager's designee, at the end of each Fiscal Year, shall prepare a written report setting forth the collections received, the number and amount of delinquencies, the proceedings taken to enforce collections and cure delinquencies and an estimate of time for the conclusion of such legal proceedings. A signed copy of such audit shall, as soon as practicable after such audit, become available and shall, upon written request, be mailed to any Registered Owner.

SECTION 9.08. Removal of Special Assessment Liens. Except as otherwise provided in a Supplemental Indenture with respect to a related Series of Bonds, the following procedures shall apply in connection with the removal of Special Assessment liens:

43

(a) At any time subsequent to thirty (30) days after the Project has been completed within the meaning of Section 5.01(c) hereof and the Board has adopted a resolution accepting the Project as provided by Section 170.09, Florida Statutes, as amended, any owner of property subject to the Special Assessments may, at its option, and under certain circumstances described in the assessment resolutions in connection with prepayments derived from application of the "True-Up" mechanism therein, require the Issuer, upon receipt of the prepayment by the Trustee, to release and extinguish the lien, in whole or in part, upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire amount or a portion, as the case may be, of the Special Assessment, plus accrued interest, attributable to the property subject to Special Assessment owned by such owner to the earlier of the next Interest Payment Date occurring at least forty-five (45) days after the Trustee receives such Prepayment. If any such prepayment of Special Assessments shall occur within thirty (30) days after the Project has been completed and the Board has adopted a resolution accepting the Project as provided in Section 170.09, Florida Statutes, as amended, no accrued interest shall be required to be paid unless such right has been irrevocably waived by the landowners within the District. The Issuer shall promptly notify the Trustee in writing of any Prepayment made under such circumstances. Accrued interest on any Bonds that would be redeemed as a result of such Prepayment made within thirty (30) days after the Board has adopted a resolution accepting the Project shall be derived from moneys on deposit in the Interest Account or capitalized interest account and if no moneys remain, from moneys on deposit in the Debt Service Reserve Account or as otherwise provided pursuant to the applicable Supplemental Indenture.

(b) Upon receipt of a Prepayment as described in (a) above, the Issuer shall within five (5) Business Days pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the County an affidavit or affidavits as the case may be, executed by an authorized officer of the Issuer to the effect that the Special Assessment has been paid in full or in part and that such Special Assessment lien is thereby released and extinguished if paid in full or such Special Assessment lien shall be reduced if the landowner only made a partial Prepayment. Upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof. In connection with such Prepayment, the Trustee shall calculate the credit authorized pursuant to Section 6.05 hereof, and transfer such credit to the Bond Redemption Fund to be used together with such Prepayment for the redemption of Bonds in accordance with Section 8.01(b)(i) hereof.

(c) Notwithstanding the foregoing, and consistent with the proceedings of the Issuer relating to the imposition and levy of the Special Assessments, the owner of property (including the Developer) may at any time require the Issuer to release and extinguish the lien upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire amount of the Special Assessment, plus accrued interest to the next succeeding Interest Payment Date (or the second succeeding Interest Payment Date if such prepayment is made within forty-five (45) calendar days before an Interest Payment Date), attributable to the property subject to Special Assessment owned by such owner. In lieu of such Prepayment with cash, an owner of property within the District may surrender to the District for cancellation to completely extinguish the lien on such property or reduce the lien equally on every portion of such property, a principal amount of Outstanding Bonds of a Series that is secured by Special Assessments levied against such property.

SECTION 9.13. Payment of Operating or Maintenance Costs by State or Others. The Issuer may permit the United States of America, the State, or any of their agencies, departments or political subdivisions to pay all or any part of the cost of maintaining, repairing and operating the Project out of funds other than Pledged Revenues.

SECTION 9.14. Public Liability and Property Damage Insurance; Maintenance of Insurance; Use of Insurance and Condemnation Proceeds.

(a) Except as otherwise provided in subsection (d) of this Section, the Issuer will carry or cause to be carried, in respect of each Project, comprehensive general liability insurance (covering bodily injury and property damage) issued by one or more insurance companies authorized and qualified to do business under the laws of the State, in such amounts as is customary for similar operations, or as is more specifically set forth hereinbelow.

(b) At all times, to the extent commercially available, the Issuer shall maintain a practical insurance program, with reasonable terms, conditions, provisions and costs which the District Manager determines will afford adequate protection against loss caused by damage to or destruction of any component of any Project owned by the Issuer. Limits for such coverage will be subject to the Consulting Engineer's recommendations. The Issuer shall also, at all times, maintain a practical comprehensive general liability insurance program with respect to any Project for such coverage, with such reasonable terms, conditions, provisions and costs as the District Manager determines will afford adequate protection against bodily injury and property damage.

All insurance policies of the Issuer relating to any Project shall be carried with companies authorized to do business in the State, with a Best rating of no less than "A" as to management and Class "V" as to financial strength; provided, however, that if, in the opinion of the District Manager, adequate insurance protection under reasonable terms, conditions, provisions and cost cannot be purchased from an insurance company with the above-designated ratings, then the District Manager, on behalf of the Issuer, may secure such insurance protection as the Issuer determines to be in its best interests and otherwise consistent with this Master Indenture and any Supplemental Indenture; provided further, however, that the Issuer may act as a self-insurer in accordance with the requirements of subsection (d) hereof. All policies providing the insurance coverages required by this Section shall designate the Issuer as the loss-payee and shall be made payable to the Issuer.

(c) All proceeds received from property damage or destruction insurance and all proceeds received from the condemnation of any Project or any part thereof are hereby pledged by the Issuer as security for the related Series of Bonds and shall be deposited at the option of the Issuer, but subject to the limitations hereinafter described, either (i) into a separate fund to be established by the Trustee for such purpose which may be an Account within the Acquisition and Construction Fund as directed by the Issuer, and used to remedy the loss, damage or taking for which such proceeds are received, either by repairing the damaged property or replacing the destroyed or taken property, as soon as practicable after the receipt of such proceeds, or (ii) if so provided in a Supplemental Indenture, into the related Series Account within the Bond Redemption Fund for the purpose of purchasing or redeeming Bonds according to the provisions set forth in Article VIII hereof. To the extent a Supplemental Indenture

(d) Upon receipt of a prepayment as described in (a), (b) or (c) above, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official land records of the County an affidavit or affidavits, as the case may be, executed by an authorized officer of the Issuer to the effect that the Special Assessment has been paid and that such Special Assessment lien is thereby released and extinguished. Except as otherwise provided by a Supplemental Indenture, upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the applicable Series Account within the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof.

SECTION 9.09. Deposit of Special Assessments. The Issuer covenants to cause any Special Assessments collected or otherwise received by it to be deposited with the Trustee within five (5) Business Days after receipt thereof for deposit into the related Series Account of the Revenue Fund (except that amounts received as prepayments of Special Assessments shall be designated by the Issuer as such upon delivery to the Trustee and shall be deposited directly into the related Series Account within the Bond Redemption Fund). In connection with any payment of Special Assessments referred to in the prior sentence, the Issuer shall provide advance written notice to the Trustee of the amount of the payment and the Series account within either of the Revenue Fund or Bond Redemption Fund to which such payment relates.

SECTION 9.10. Construction to be on District Lands. Except for certain off site mitigation, roadway and possibly landscaping improvements which are or may be outside the District Lands and are required in order for the District Lands to be developed, the Issuer covenants that no part of the Project will be constructed on, over or under lands other than (i) lands good and marketable title to which is owned by the Issuer or other appropriate entity in fee simple, (ii) lands on, over or under which the Issuer or other appropriate entity shall have acquired perpetual easements for the purposes of the Project, or (iii) lands, including public streets and highways, the right to the use and occupancy of which for such purposes shall be vested in the Issuer or other appropriate entity by law or by valid franchises, licenses, easements or rights of way or other legally effective permissions or approval.

SECTION 9.11. Operation, Use and Maintenance of Project. The Issuer shall establish and enforce reasonable rules and regulations governing the use of the Project owned by the Issuer, and the operation thereof, such rules and regulations to be adopted in accordance with the Act, and the Issuer shall operate, use and maintain the Project owned by the Issuer in accordance with the Act and all other applicable federal and State laws, rules and regulations; the Issuer shall maintain and operate the Project owned by the Issuer in an efficient and economical manner, shall at all times maintain the same in good repair and in sound operating condition and shall make all necessary repairs, renewals and replacements.

SECTION 9.12. Observance of and Compliance with Valid Requirements. The Issuer shall pay all municipal or governmental charges lawfully levied or assessed upon any Project or any part thereof or upon any revenues when the same shall become due, and the Issuer shall duly observe and comply with all valid requirements of any municipal or governmental authority relative to each Project. The Issuer shall not, except as otherwise permitted in Section 9.24 of this Article, create or suffer to be created any lien or charge upon any Project or upon Pledged Revenues, except the lien and charge of the Bonds on the Pledged Revenues.

45

provides for extraordinary mandatory redemption in the event the Issuer receives insurance proceeds or condemnation awards, the Issuer shall not be entitled to deposit insurance proceeds or condemnation awards into the separate fund described above in clause (i) of this paragraph (and such proceeds and awards shall be deposited directly into the related Series Account within the Bond Redemption Fund pursuant to clause (ii) of this paragraph) unless there shall have been filed with the Issuer within a reasonable time after the damage, destruction or condemnation (A) a certificate from the Consulting Engineer that the proceeds of the insurance or condemnation awards deposited into such separate fund, together with other funds available for such purposes, will be sufficient to repair, rebuild, replace or restore such property to substantially the same condition as it was in prior to its damage, destruction or condemnation (taking into consideration any changes, alterations and modifications that the Issuer may desire), (B) an opinion from the Consulting Engineer that the Project can be repaired, rebuilt, replaced or restored within two (2) years following the damage, destruction or condemnation thereof and (C) an opinion of the Consulting Engineer that, in each of the three (3) Fiscal Years following completion of such repair, rebuilding, replacement or restoration, the Issuer will be in compliance with its obligations hereunder. If the certificate described in clause (A) of this paragraph is not rendered because such proceeds or awards are insufficient for such purposes, the Issuer may deposit any other legally available funds in such separate fund in an amount required to enable the Consulting Engineer to render its certificate. If the insurance proceeds or condemnation awards deposited in such separate fund are more than sufficient to repair the damaged property or to replace the destroyed or taken property, the balance thereof remaining shall be deposited to the credit of the related Series Account in the Revenue Fund.

(d) The Issuer shall be entitled to provide all or a portion of the insurance coverage required by subsections (a) and (b) of this Section through Qualified Self Insurance, provided that the requirements hereinafter set forth in this subsection (d) are satisfied. "Qualified Self Insurance" means insurance maintained through a program of self-insurance or insurance maintained with a company or association in which the Issuer has a material interest or of which the Issuer has control, either singly or with others.

Prior to participation in any plan of Qualified Self Insurance not currently in effect, the Issuer shall obtain a certificate of compliance executed by the District Manager or a licensed insurance agent selected by the District Manager to the effect that (A) the proposed Qualified Self Insurance plan will provide the coverage required by subsections (a) and (b) of this Section, and (B) the proposed Qualified Self Insurance plan provides for the creation of actuarially sound reserves.

Each plan of Qualified Self Insurance shall be in written form, shall provide that upon the termination of such plan reserves will be established or insurance acquired in amounts adequate to cover any potential retained liability in respect of the period of self-insurance, and shall be reviewed annually by the District Manager or registered actuary who shall deliver to the Issuer a report on the adequacy of the reserves established thereunder in light of claims made. If the District Manager or registered actuary determines that such reserves are inadequate in light of the claims made, he shall make recommendations as to the amount of reserves that should be established and maintained, and the Issuer shall comply with such recommendations unless it can establish to the satisfaction of the District Manager or an insurance consultant retained by the

47

Issuer that such recommendations are unreasonable in light of the nature of the claims or the history of recovery against the Issuer for similar claims.

(e) Copies of all recommendations and approvals made by the Consulting Engineer under the provisions of this Section shall be filed with the District Manager.

**SECTION 9.15. Collection of Insurance Proceeds.** Copies of all insurance policies referred to in Section 9.14 of this Article shall be available at the offices of the Issuer at all reasonable times to the inspection of the Holders of the Bonds and their agents and representatives duly authorized in writing. The Issuer covenants that it will take such action as may be necessary to demand, collect and sue for any insurance money which may become due and payable under any policy of insurance required under this Master Indenture or any Supplemental Indenture, whether such policy is payable to the Issuer or to the Trustee. The Trustee is hereby authorized in its own name to demand, collect, sue and receive any insurance money which may become due and payable under any policies payable to it.

**SECTION 9.16. Use of Revenues for Authorized Purposes Only.** None of the Pledged Revenues shall be used for any purpose other than as provided in this Master Indenture and the related Supplemental Indenture and no contract or contracts shall be entered into or any action taken by the Issuer or the Trustee which will be inconsistent with the provisions of this Master Indenture and the related Supplemental Indenture.

**SECTION 9.17. Books and Records.** The Issuer shall keep proper books of record and account in accordance with Generally Accepted Accounting Principles (separate from all other records and accounts) in which complete and correct entries shall be made of its transactions relating to any Project, and which, together with all other books and records of the Issuer, including, without limitation, insurance policies, relating to any Project, shall at all times be subject during regular business hours to the inspection of the Trustee.

**SECTION 9.18. Observance of Accounting Standards.** The Issuer covenants that all the accounts and records of the Issuer relating to the Project will be kept according to Generally Accepted Accounting Principles consistently applied and consistent with the provisions of this Master Indenture and any Supplemental Indenture.

**SECTION 9.19. Employment of Certified Public Accountant.** The Issuer shall employ or cause to be employed as required a Certified Public Accountant to perform auditing functions and duties required by the Act and this Master Indenture and any Supplemental Indenture.

**SECTION 9.20. Establishment of Fiscal Year, Annual Budget.** The Issuer has established a Fiscal Year beginning October 1 of each year and ending September 30 of the following year. The reports and budget of the Issuer shall relate to such Fiscal Year unless and until, in accordance with applicable law, a different Fiscal Year is established by Certified Resolution of the Issuer and is filed with the Trustee to hold solely as a repository with no duty to review the contents thereof.

On or before the first day of each Fiscal Year the Issuer shall adopt a final Annual Budget with respect to the Project for such Fiscal Year for the payment of anticipated operating and maintenance expenses and shall supply a copy of such budget promptly upon the approval

48

9.31 hereof, the Issuer may, however, from time to time, sell any machinery, fixtures, apparatus, tools, instruments or other movable property acquired by it from the proceeds of a Series of Bonds or from Pledged Revenues if the District Manager shall determine, with the approval of the Consulting Engineer, that such items are no longer needed or are no longer useful in connection with the construction, maintenance and operation of the related Project, and the proceeds thereof shall be applied to the replacement of the properties so sold or disposed of or, at the written direction of the Issuer shall be deposited to the credit of the related Series Account in the Revenue Fund.

Upon any sale of property relating to the Project, the aggregate of which in any thirty (30) day period exceeds Fifty Thousand Dollars (\$50,000) under the provisions of this Section, the Issuer shall provide written notice to the Trustee of the property so sold and the amount and disposition of the proceeds thereof.

Subject to obtaining an opinion of Bond Counsel that such action is permitted hereunder and will not adversely affect the exclusion of interest on the Bonds for federal income tax purposes, the Issuer may lease or grant easements, franchises or concessions for the use of any part of the Project not incompatible with the maintenance and operation thereof, if the Consulting Engineer shall approve such lease, easement, franchise or concession in writing, and the net proceeds of any such lease, easement, franchise or concession (after the making of provision for payment from said proceeds of all costs incurred in financing, constructing, operating, maintaining or repairing such leases, easements, franchises or concessions) shall be deposited as received to the credit of related Series Account in the Revenue Fund.

**SECTION 9.25. Enforcement of Ancillary Agreements.** The Issuer covenants that it shall promptly and strictly enforce the provisions of the Ancillary Agreements. Upon the occurrence of an event entitling the Issuer to pursue its remedies under the Ancillary Agreements, the Issuer covenants and agrees it will timely pursue such remedies in accordance with the Ancillary Agreements, and upon an Event of Default hereunder, the Issuer agrees that the Trustee, upon the written direction of the Majority Holders, may enforce the provisions of the Ancillary Agreements in lieu of the Issuer.

**SECTION 9.26. No Loss of Lien on Pledged Revenues.** The Issuer shall not do or omit to do, or suffer to be done or omitted to be done, any matter or thing whatsoever whereby the lien of the Bonds on the Pledged Revenues or any part thereof, or the priority thereof, would be lost or impaired; provided, however, that this Section shall not prohibit the Trustee from transferring moneys to the Rebate Fund held by the Trustee under any arbitrage rebate agreement.

**SECTION 9.27. Compliance With Other Contracts and Agreements.** The Issuer shall comply with and abide by all of the terms and conditions of any and all contracts and agreements which the Issuer enters into in connection with the Project and the issuance of the Bonds.

**SECTION 9.28. Issuance of Additional Obligations.** The Issuer shall not issue any obligations other than the Bonds payable from Pledged Revenues, nor voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge, payable from Pledged Revenues, except in the ordinary course of business.

If for any reason the Issuer shall not have adopted the Annual Budget with respect to the Project on or before the first day of any Fiscal Year, the Annual Budget for the preceding Fiscal Year shall, until the adoption of the new Annual Budget, be deemed in force for the ensuing Fiscal Year. The Issuer may at any time adopt an amended or supplemental Annual Budget for the remainder of the current Fiscal Year, and when such amended or supplemental Annual Budget is approved it shall be treated as the official Annual Budget under this Master Indenture and any Supplemental Indenture. Copies of such amended or supplemental Annual Budget shall be mailed by the Issuer to any Bondholders who shall have so requested in writing and shall have filed their names and addresses with the Secretary of the Board for such purpose.

**SECTION 9.21. Employment of Consulting Engineer; Consulting Engineer's Report.**

(a) The Issuer shall, for the purpose of performing and carrying out the duties imposed on the Consulting Engineer by this Master Indenture and any Supplemental Indenture, employ one or more Independent engineers or engineering firms or corporations having a statewide and favorable reputation for skill and experience in such work.

(b) The Issuer shall cause the Consulting Engineer to make an inspection of any portions of the Project owned by the Issuer at least once in each Fiscal Year and, on or before the first day of July in each Fiscal Year, to submit to the Board a report setting forth (i) its findings as to whether such portions of the Project owned by the Issuer have been maintained in good repair, working order and condition, and (ii) its recommendations as to the proper maintenance, repair and operation of the Project during the ensuing Fiscal Year and an estimate of the amount of money necessary for such purpose.

Copies of such annual report shall be mailed by the Issuer to any Bondholders who shall have filed their names and addresses with the Secretary of the Board for such purpose.

**SECTION 9.22. Audit Reports.** The Issuer covenants that, no later than 270 days after the end of each Fiscal Year, it will cause an audit to be made by a Certified Public Accountant covering all receipts and moneys then on deposit with or in the name of the Trustee or the Issuer and any security held therefor and any investments thereof. Copies of such audit reports shall be filed with the District Manager and the Secretary of the Board, and mailed by said Secretary to the Consulting Engineer and to all Bondholders who shall have filed their names and addresses with him for such purpose.

**SECTION 9.23. Issuer Records.** The Issuer shall keep accurate records and books of account with respect to a Project, and shall have a complete audit of such records and accounts made annually by a Certified Public Accountant, as provided in Section 9.24 hereof.

**SECTION 9.24. Subject to the provisions of Section

**SECTION 9.30. Further Assurances.** The Issuer shall not enter into any contract or take any action by which the rights of the Trustee or the Bondholders may be impaired and shall, from time to time, execute and deliver such further instruments and take such further action as may be required to carry out the purposes of this Master Indenture and any Supplemental Indenture.

**SECTION 9.31. Use of Bond Proceeds to Comply with Internal Revenue Code.** The Issuer covenants to the Holders of the Bonds that it will not make or direct the making of any investment or other use of the proceeds of any Bonds issued hereunder, the interest on which is intended to be excluded from gross income for federal income tax purposes ("Tax-Exempt Bonds") which would cause such Bonds to be "arbitrage bonds" as that term is defined in Section 148 (or any successor provision thereto) of the Code or "private activity bonds" as that term is defined in Section 141 (or any successor provision thereto) of the Code, and that it will comply with the requirements of such Code sections and related regulations throughout the term of such Tax-Exempt Bonds. The Issuer hereby further covenants and agrees to comply with the procedures and covenants contained in any Arbitrage Certificate executed in connection with the issuance of each Series of Tax-Exempt Bonds for so long as compliance is necessary in order to maintain the exclusion from gross income for federal income tax purposes of interest on each Series of Tax-Exempt Bonds.

**SECTION 9.32. Corporate Existence and Maintenance of Properties.** For so long as any Bonds are Outstanding hereunder, unless otherwise provided by the Act, the Issuer shall maintain its corporate existence as a local unit of special purpose government under the Act and shall provide for or otherwise require all Projects, and all parts thereof owned by the Issuer to be (a) continuously operated, repaired, improved and maintained as shall be necessary to provide adequate service to the lands benefited thereby; and (b) in compliance with all valid and applicable laws, acts, rules, regulations, permits, orders, requirements and directions of any competent public authority.

**SECTION 9.33. Continuing Disclosure.** The Issuer hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement. Notwithstanding any other provision of this Master Indenture and any Supplemental Indenture, failure of the Issuer or any other Person (if obligated pursuant to the Continuing Disclosure Agreement) to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default; however, the Trustee may (and, at the request of any Participating Underwriter

51

or the Holders of at least 25% aggregate principal amount in Outstanding Bonds of a Series and receipt of indemnity to its satisfaction, shall) or any Holder of the Bonds or Beneficial Owner may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Issuer to comply with its obligations under this Section 9.33. For purposes of this Section, "Beneficial Owner" means any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

**SECTION 9.34. For as long as any Bonds remain Outstanding, in any Proceeding involving the Issuer, any Landowner, or the Special Assessments, the District shall be obligated to act in accordance with direction from the Trustee and the Trustee, subject to the satisfaction of its rights under Article XI hereof, shall be obligated to act in accordance with the direction from the Beneficial Owners of at least twenty-five percent (25%) of the aggregate principal amount of all Outstanding Bonds with regard to all matters directly or indirectly affecting the Bonds.

The Issuer acknowledges and agrees that, although the Bonds will be issued by the Issuer, the Beneficial Owners of such Bonds are categorically the party with a financial stake in the repayment of the Bonds and, consequently, the party with a vested interest in a Proceeding. In the event of any Proceeding involving any Landowner (a) the Issuer hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Special Assessments, the Bonds or any rights of the Trustee with respect to this Section 9.34 or Bondholders under this Master Indenture or applicable Supplemental Trust Indenture that is inconsistent with any direction from the Trustee, (b) the Trustee shall have the right, but is not obligated to, vote in any such Proceeding any and all claims of the Issuer relating to the Special Assessment or the Bonds, and, if the Trustee chooses to exercise such right, the Issuer shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the Issuer in connection with any Proceeding of any Landowner, including without limitation, the right to file and/or prosecute any claims, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (c) the Issuer shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of any lands submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the Issuer's claim with respect to the Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the Issuer agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Special Assessments, (ii) to deliver to the Issuer a copy thereof, together with

**SECTION 10.02. Events of Default Defined.** Each of the following shall be an "Event of Default" under the Indenture, with respect to a Series of Bonds:

(c) if the Issuer, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act which failure or incapacity may be reasonably determined solely by the Majority Holders; or

(d) if the Issuer proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the Issuer or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the Issuer and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the Issuer defaults in the due and punctual performance of any other covenant in the Indenture or in any Bond of such Series issued pursuant to the Indenture and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the Issuer by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders of the Outstanding Bonds of such Series; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the Issuer shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) written notice shall have been received by the Trustee from a Credit Facility Issuer securing Bonds of such Series that an event of default has occurred under the Credit Facility Agreement, or there shall have been a failure by said Credit Facility Issuer to make said Credit Facility available or to reinstate the interest component of said Credit Facility in accordance with the terms of said Credit Facility, to the extent said notice or failure is established as an event of default under the terms of a Supplemental Indenture; or

The Trustee shall not be required to rely on any official action, admission or declaration by the Issuer before recognizing that an Event of Default under (e) above has occurred.

**SECTION 10.03. No Acceleration; Redemption.** No Series of Bonds issued under this Master Indenture shall be subject to acceleration. Upon the occurrence and continuation of an Event of Default, no optional redemption or extraordinary mandatory redemption of the Bonds pursuant to Article VIII hereof shall occur unless all of the Bonds of the Series where an Event of Default has occurred will be redeemed or if 100% of the Holders of the Outstanding Bonds of such Series of Bonds agree to such redemption.

**SECTION 10.04. Legal Proceedings by Trustee.** If any Event of Default with respect to a Series of Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holders of the Outstanding Bonds of such Series and receipt of indemnity to its satisfaction shall, in its capacity as Trustee:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Bonds of such Series, including, without limitation, the right to require the Issuer to carry out any agreements with, or for the benefit of, the Bondholders of the Bonds of such Series and to perform its or their duties under the Act;

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing such Series of Bonds.

**SECTION 10.05. Discontinuance of Proceedings by Trustee.** If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, the Issuer, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

55

SECTION 10.06. Bondholders May Direct Proceedings. The Majority Holders of the Outstanding Bonds of a Series then subject to remedial proceedings under this Article X shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with applicable law and the applicable provisions of the Indenture.

SECTION 10.07. Limitations on Actions by Bondholders. No Bondholder shall have any right to pursue any remedy hereunder unless (a) the Trustee shall have been given written notice of an Event of Default, (b) the Majority Holders of the Outstanding Bonds of the applicable Series shall have requested the Trustee, in writing, to exercise the powers hereinabove granted or to pursue such remedy in its or their name or names, (c) the Trustee shall have been offered indemnity satisfactory to it against costs, expenses and liabilities, and (d) the Trustee shall have failed to comply with such request within a reasonable time.

SECTION 10.08. Trustee May Enforce Rights Without Possession of Bonds. All rights under the Indenture and a Series of Bonds may be enforced by the Trustee without the possession of any of the Bonds of such Series or the production thereof at the trial or other proceedings relative thereto, and any proceeding instituted by the Trustee shall be brought in its name for the ratable benefit of the Holders of the Bonds of such Series.

SECTION 10.09. Remedies Not Exclusive. Except as limited under Section 15.01 of this Master Indenture, no remedy contained in the Indenture with respect to a Series of Bonds is intended to be exclusive of any other remedy or remedies, and each remedy is in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

SECTION 10.10. Delays and Omissions Not to Impair Rights. No delay or omission in respect of exercising any right or power accruing upon any Event of Default shall impair such right or power or be a waiver of such Event of Default, and every remedy given by this Article X may be exercised from time to time and as often as may be deemed expedient.

SECTION 10.11. Application of Moneys in Event of Default. Any moneys received by the Trustee or the Paying Agent, as the case may be, in connection with any proceedings brought under this Article X with respect to a Series of Bonds shall be applied in the following order of priority:

[END OF ARTICLE X]

Any surplus remaining after the payments described above shall be paid to the Issuer or to the Person lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

For purposes of the application of moneys described above, to the extent payments of principal and interest on a Series of Bonds shall have been made under a Credit Facility relating thereto, the Credit Facility Issuer shall be entitled to moneys in the related Series Accounts in the Debt Service Fund in accordance with the agreement pursuant to which such Credit Facility has been issued (but subject to subsection (a) hereof and Section 11.04 hereof) and the Certified Resolution of the Issuer authorizing the issuance of such Bonds to which such Credit Facility relates.

SECTION 10.12. Trustee's Right to Receiver; Compliance with Act. The Trustee shall be entitled as of right to the appointment of a receiver and the Trustee, the Bondholders and any receiver so appointed shall have such rights and powers and be subject to such limitations and restrictions as are contained in the Act and other applicable law of the State.

SECTION 10.13. Trustee and Bondholders Entitled to all Remedies under Act. It is further intended that, insofar as lawfully possible, the provisions of this Article X shall apply to and be binding upon any receiver appointed in accordance with Section 10.13 hereof.

SECTION 10.14. Credit Facility Issuer's Rights Upon Events of Default. Anything in the Indenture to the contrary notwithstanding, if any Event of Default, other than Events of Default described in Section 10.02(a) or (b) hereof, has occurred and is continuing while a Credit Facility securing all or a portion of such Bonds of a Series Outstanding is in effect, the Credit Facility Issuer shall have the right, in lieu of the Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility, by an instrument in writing, executed and delivered to the Trustee, to direct the time, method and place of conducting all remedial proceedings available to the Trustee under the Indenture, or exercising any trust or power conferred on the Trustee by the Indenture. Said direction shall be controlling to the extent the direction of Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility would have been controlling under this Article. ## ARTICLE XI THE TRUSTEE; THE PAYING AGENT AND REGISTRAR

SECTION 11.01. Acceptance of Trust. The Trustee accepts and agrees to execute the trusts hereby created, but only upon the additional terms set forth in this Article XI, to all of which the parties hereto and the Bondholders and any Credit Facility Issuer agree. The Trustee shall act as Trustee under this Master Indenture. Subject to the provisions of Section 11.03 hereof, the Trustee shall have only such duties as are expressly set forth herein, and no duties shall be implied on the part of the Trustee.

SECTION 11.02. No Responsibility for Recitals. The recitals, statements and representations in this Master Indenture or in the Bonds, save only the Trustee's Certificate of Authentication, if any, upon the Bonds, have been made by the Issuer and not by the Trustee and the Trustee shall be under no responsibility for the correctness thereof.

SECTION 11.03. Trustee May Act Through Agents; Answerable Only for Willful Misconduct or Negligence. The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers or employees, and shall be entitled to advice of Counsel concerning all questions hereunder; the Trustee shall not be answerable for the default or misconduct of any attorney or agent selected by it with reasonable care. The Trustee shall not be answerable for the exercise of any discretion or power under this Master Indenture and any Supplemental Indenture nor for anything whatever in connection with the trust hereunder, except only its own negligence or willful misconduct hereunder.

SECTION 11.04. Compensation and Indemnity. The Issuer shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, and shall, to the extent permitted by law, indemnify and hold the Trustee harmless against any liabilities which it may incur in the proper exercise and performance of its powers and duties hereunder, except with respect to its own willful misconduct or negligence hereunder. If the Issuer defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys held by the Trustee or coming into its hands but exclusive of the Rebate Fund and moneys from a drawing on any Credit Facility, which right of payment shall be prior to the right of the holders of the Bonds. The Trustee shall each month, along with its monthly trust statements, provide periodic reports of any moneys the Trustee has deducted for amounts owing to it. This Section 11.04 shall survive the termination of this Master Indenture and any Supplemental Indenture and, as to any Trustee, its removal or resignation as Trustee. No provision of this Master Indenture shall require the Trustee to expend or risk its own funds.

SECTION 11.05. No Duty to Renew Insurance. The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the Issuer to require or effect or renew insurance or to report or file claims of loss thereunder.

SECTION 11.06. Notice of Default; Right to Investigate. The Trustee shall give written notice by first-class mail to registered Holders of a Series of Bonds of all defaults known to the Trustee, unless such defaults have been remedied (the term "defaults" for purposes of this Section and Section 11.07 being defined to include the events specified as "Events of Default" in

58

59

Article X hereof, but not including any notice or periods of grace provided for therein); provided that, except in the case of a default in payment of principal or interest or Redemption Price, the Trustee may withhold such notice so long as it in good faith determines that such withholding is in the interest of the Bondholders. The Trustee shall not be deemed to have notice of any default other than a payment default under this Master Indenture and any Supplemental Indenture or a notification by a Credit Facility Issuer of a default under its Credit Facility, unless notified in writing of such default by the Holders of at least a majority of the aggregate principal amount of the Outstanding Bonds of a Series. The Trustee may, however, at any time require of the Issuer full information as to the performance of any covenant hereunder, and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the Issuer, an investigation into the affairs of the Issuer.

**SECTION 11.07. Obligation to Act on Defaults.** The Trustee shall be under no obligation to take any action in respect of any default or otherwise, unless it is requested in writing to do so by the Majority Holders which are or would be, upon the taking of such action, subject to remedial proceedings under Article X of this Master Indenture if in its opinion such action may tend to involve expense or liability, and unless it is also furnished with indemnity satisfactory to it. The Trustee shall have no responsibility for actions taken at the direction of the Majority Holders.

**SECTION 11.08. Reliance by Trustee.** The Trustee may act on any requisition, resolution, notice, verifiable electronic communication, telegram, facsimile transmission, request, consent, waiver, certificate, statement, affidavit, voucher, bond, or other paper or document which it in good faith believes to be genuine and to have been passed, signed or given by the persons purporting to be authorized (which in the case of the Issuer shall be a Responsible Officer) or to have been prepared and furnished pursuant to any of the provisions of this Master Indenture and any Supplemental Indenture; the Trustee shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement.

**SECTION 11.09. Trustee May Deal in Bonds.** The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Bondholders may be entitled to take with like effect as if the Trustee were not a party to this Master Indenture and any Supplemental Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the Issuer; provided, however, that if the Trustee determines that any such relation is in conflict with its duties under this Master Indenture and any Supplemental Indenture, it shall eliminate the conflict or resign as Trustee.

**SECTION 11.10. Construction of Ambiguous Provisions.** The Trustee may construe any ambiguous or inconsistent provisions of this Master Indenture and any Supplemental Indenture, and except as otherwise provided in Article XIII of this Master Indenture, any construction by the Trustee shall be binding upon the Bondholders. The Trustee shall give prompt notice to the Issuer of any intention to make such construction.

**SECTION 11.11. Resignation of Trustee.** The Trustee may resign and be discharged of the trusts created by this Master Indenture and all Supplemental Indentures by written resignation filed with the Secretary of the Issuer not less than sixty (60) days before the date

60

such appointment hereunder and thereupon, such successor Trustee, without any further act, deed, or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor in trust hereunder, with like effect as if originally named Trustee herein. The Trustee ceasing to act hereunder, after deducting all amounts owed to the Trustee, shall pay over to the successor Trustee all moneys held by it hereunder and, upon request of the successor Trustee, the Trustee ceasing to act and the Issuer shall execute and deliver an instrument or instruments prepared by the Issuer transferring to the successor Trustee all the estates, properties, rights, powers and trusts hereunder of the predecessor Trustee, except for its rights under Section 11.04 hereof.

**SECTION 11.16. Merger of Trustee.** Any corporation into which any Trustee hereunder may be merged or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which any Trustee hereunder shall be a party, or any corporation which shall have purchased substantially all of the bond administration business of the corporate trust department shall be the successor Trustee under this Master Indenture and all Supplemental Indentures, without the execution or filing of any paper or any further act on the part of the parties hereto, anything herein to the contrary notwithstanding; provided, however, that any such successor corporation continuing to act as Trustee hereunder shall meet the requirements of Section 11.14 hereof, and if such corporation does not meet the aforesaid requirements, a successor Trustee shall be appointed pursuant to this Article XI. The Trustee may not resign as the Paying Agent or the Registrar without resigning as Trustee.

**SECTION 11.17. Extension of Rights and Duties of Trustee to Paying Agent and Registrar.** The provisions of Sections 11.02, 11.03, 11.04, 11.08, 11.09 and 11.10 hereof are hereby made applicable to the Paying Agent and the Registrar, as appropriate, and any Person serving as Paying Agent and/or Registrar, hereby enters into and agrees to comply with the covenants and agreements of this Master Indenture and all Supplemental Indentures applicable to the Paying Agent and Registrar, respectively.

**SECTION 11.18. Resignation of Paying Agent or Registrar.** The Paying Agent or Registrar may resign and be discharged of the duties created by this Master Indenture and all Supplemental Indentures by executing an instrument in writing resigning such duties and specifying the date when such resignation shall take effect, and filing the same with the Issuer, the Trustee, and any rating agency that shall then have in effect a rating on any of the Bonds, not less than forty-five (45) days before the date specified in such instrument when such resignation shall take effect, and by giving written notice of such resignation not less than three (3) weeks prior to such resignation date to the Bondholders, mailed to their addresses as such appear in the Bond Register. Such resignation shall take effect on the date specified in such instrument and notice, but only if a successor Paying Agent or Registrar shall have been appointed as hereinafter provided, in which event such resignation shall take effect immediately upon the appointment of such successor Paying Agent or Registrar. If the successor Paying Agent or Registrar shall not have been appointed within a period of ninety (90) days following the giving of notice, then the Paying Agent or Registrar shall be authorized to petition any court of competent jurisdiction to appoint a successor Paying Agent or Registrar as provided in Section 11.22 hereof.

**SECTION 11.19. Removal of Paying Agent or Registrar.** The Paying Agent or Registrar may be removed at any time prior to any Event of Default by the Issuer by filing with the Paying

62

when such resignation is to take effect. Notice of such resignation shall be sent by first-class mail to each Bondholder as its name and address appears on the Bond Register and to any Paying Agent, Registrar and Credit Facility Issuer, if any, at least sixty (60) days before the resignation is to take effect. Such resignation shall take effect on the day specified in the Trustee's notice of resignation unless a successor Trustee is previously appointed, in which event the resignation shall take effect immediately on the appointment of such successor; provided, however, that notwithstanding the foregoing, such resignation shall not take effect until a successor Trustee has been appointed. If a successor Trustee has not been appointed within ninety (90) days after the Trustee has given its notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has been duly appointed. Notice of such resignation shall also be given to any rating agency that shall then have in effect a rating on any of the Bonds.

**SECTION 11.12. Removal of Trustee.** The Trustee may be removed at any time by either (a) the Issuer, if no default exists under this Master Indenture or any Supplemental Indenture, or (b) an instrument or concurrent instruments in writing, executed by the Owners of at least a majority of the aggregate principal amount of the Bonds then Outstanding and filed with the Issuer. A photographic copy of any instrument or instruments filed with the Issuer under the provisions of this paragraph, duly certified by a Responsible Officer, shall be delivered promptly by the Issuer to the Trustee and to any Paying Agent, Registrar and Credit Facility Issuer, if any.

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Master Indenture or any Supplemental Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the Issuer or the Holders of not less than a majority of the aggregate principal amount of the Bonds then Outstanding.

**SECTION 11.13. Appointment of Successor Trustee.** If the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and the Issuer shall appoint a successor and shall mail notice of such appointment by first-class mail to each Bondholder as its name and address appear on the Bond Register, and to the Paying Agent, Registrar, Credit Facility Issuer, if any, and any rating agency that shall then have in effect a rating on any of the Bonds. If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Master Indenture prior to the date specified in the notice of resignation or removal as the date when such resignation or removal was to take effect, the Majority Holders in aggregate principal amount of all Bonds then Outstanding may appoint a successor Trustee or the Trustee may petition a court of competent jurisdiction for the appointment of a successor trustee.

**SECTION 11.14. Qualification of Successor.** A successor Trustee shall be a bank or trust company with trust powers, having a combined net capital and surplus of at least \$50,000,000.

Such removal shall be effective thirty (30) days (or such longer period as may be set forth in such instrument) after delivery of the instrument; provided, however, that no such removal shall be effective until the successor Paying Agent or Registrar appointed hereunder shall execute, acknowledge and deliver to the Issuer an instrument accepting such appointment hereunder.

**SECTION 11.20. Appointment of Successor Paying Agent or Registrar.** In case at any time the Paying Agent or Registrar shall be removed, or be dissolved, or if its property or affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy, or for any other reason, then a vacancy shall forthwith and ipso facto exist in the office of the Paying Agent or Registrar, as the case may be, and a successor shall be appointed by the Issuer; and in case at any time the Paying Agent or Registrar shall resign, then a successor shall be appointed by the Issuer. After any such appointment, notice of such appointment shall be given by the Issuer to the predecessor Paying Agent or Registrar, the successor Paying Agent or Registrar, the Trustee, the Credit Facility Issuer, if any, any rating agency that shall then have in effect a rating on any of the Bonds, and all Bondholders. Any new Paying Agent or Registrar so appointed shall immediately, and without further act, supersede the predecessor Paying Agent or Registrar.

**SECTION 11.21. Qualifications of Successor Paying Agent or Registrar.** Every successor Paying Agent or Registrar (a) shall be a commercial bank or trust company (i) duly organized under the laws of the United States or any state or territory thereof, (ii) authorized by law to perform all the duties imposed upon it by this Master Indenture and all Supplemental Indentures and (iii) capable of meeting its obligations hereunder, and (b) shall have a combined net capital and surplus of at least \$50,000,000.

**SECTION 11.22. Judicial Appointment of Successor Paying Agent or Registrar.** In case at any time the Paying Agent or Registrar shall resign and no appointment of a successor Paying Agent or Registrar shall be made pursuant to the foregoing provisions of this Master Indenture prior to the date specified in the notice of resignation as the date when such resignation is to take effect, the retiring Paying Agent or Registrar may forthwith apply to a court of competent jurisdiction for the appointment of a successor Paying Agent or Registrar. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor Paying Agent or Registrar. Notice of such appointment shall be given by the Successor Registrar or Paying Agent to the Issuer, the Trustee, the Credit Facility Issuer, if any, any rating agency that shall then have in effect a rating on any of the Bonds, and all Bondholders. In the absence of such an appointment, the Trustee shall become the Registrar or Paying Agent, and shall so notify the Issuer, any rating agency that shall then have in effect a rating on the Bonds, and all Bondholders.

**SECTION 11.23. Acceptance of Duties by Successor Paying Agent or Registrar.** Any successor Paying Agent or Registrar shall become duly vested with all the estates, property, rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named Paying Agent or Registrar herein. Upon request of such Paying Agent or Registrar, such predecessor Paying Agent or Registrar and the Issuer shall, after payment of its

Notice of Redemption

The Trustee shall cause notice of redemption to be mailed by first class mail, postage prepaid, at least thirty (30) but not more than sixty (60) days prior to the date of redemption to all registered owners of Bonds to be redeemed (as such owners appear on the books of the Registrar on the fifth (5th) day prior to such mailing) and to certain additional parties as set forth in the Indenture; provided, however, that failure to mail any such notice or any defect in the notice or the mailing thereof shall not affect the validity of the redemption of the Bonds for which such notice was duly mailed in accordance with the Indenture. If less than all of the Bonds shall be

C-6

at the close of business on the day of such mailing, or (ii) to transfer or exchange any Bond so selected for redemption in whole or in part.

The Issuer, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute owner thereof (whether or not such Bond shall be overdue and notwithstanding any notation of ownership or other writing thereon made by anyone other than the Issuer, the Trustee, the Paying Agent or the Registrar) for the purpose of receiving payment of or on account of the principal of, premium, if any, and interest on such Bond as the same becomes due, and for all other purposes. All such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen, and to be performed, precedent to and in connection with the issuance of this Bond exist, have happened and have been performed in regular and due form and time as required by the laws and Constitution of the State of Florida applicable thereto, including particularly the Act, and that the issuance of this Bond, and of the issue of the Bonds of which this Bond is one, is in full compliance with all constitutional and statutory limitations or provisions.

C-8

called for redemption, the notice of redemption shall specify the Bonds to be redeemed. On the redemption date, the Bonds called for redemption will be payable at the designated corporate trust office of the Paying Agent and on such date interest shall cease to accrue, such Bonds shall cease to be entitled to any benefit under the Indenture and such Bonds shall not be deemed to be outstanding under the provisions of the Indenture and the registered owners of such Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof. If the amount of funds so deposited with the Trustee, or otherwise available, is insufficient to pay the redemption price and interest on all Bonds so called for redemption on such date, the Trustee shall redeem and pay on such date an amount of such Bonds for which such funds are sufficient, selecting the Bonds to be redeemed randomly from among all such Bonds called for redemption on such date, and interest on any Bonds not paid shall continue to accrue, as provided in the Indenture.

*Partial Redemption of Bonds.* If less than all the Bonds of a maturity are to be redeemed, the Trustee shall select the particular Bonds or portions of Bonds to be redeemed randomly in such reasonable manner as the Trustee in its discretion may determine. In the case of any partial redemption of Bonds pursuant to an optional redemption, such redemption shall be effectuated by redeeming Bonds of such maturities in such manner as shall be specified by the Issuer in writing, subject to the provisions of the Indenture. In the case of any partial redemption of Bonds pursuant to an extraordinary mandatory redemption, such redemption shall be effectuated by redeeming Bonds pro rata among the maturities, treating each date on which a Sinking Fund Installment is due as a separate maturity for such purpose, with the portion to be redeemed from each maturity being equal to the product of the aggregate principal amount of Bonds to be redeemed multiplied times a fraction the numerator of which is the principal amount of Bonds of such maturity outstanding immediately prior to the redemption date and the denominator of which is the aggregate principal amount of all Bonds outstanding immediately prior to the redemption date.

The Issuer shall keep books for the registration of the Bonds at the corporate trust office of the Registrar in Fort Lauderdale, Florida. Subject to the restrictions contained in the Indenture, the Bonds may be transferred or exchanged by the registered owner thereof in person or by his attorney duly authorized in writing only upon the books of the Issuer kept by the Registrar and only upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds. Neither the Issuer nor the Registrar on behalf of the Issuer shall be required (i) to issue transfer or exchange any Bond during a period beginning at the opening of business fifteen (15) days before the day of mailing of a notice of redemption of Bonds selected for redemption and ending

**SECTION 3.01. Redemption Dates and Prices.** The Series 2024 Bonds shall be subject to redemption at the times and in the manner provided in Article VIII of the Master Indenture and in this Article III. All payments of the Redemption Price of the Series 2024 Bonds shall be made on the dates hereinafter required. Partial redemptions of Series 2024 Bonds shall be made in such a manner that the remaining Series 2024 Bonds held by each Bondholder shall be in Authorized Denominations, except for the last remaining Series 2024 Bond.

The Series 2024 Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. All payments of the Redemption Price of the Series 2024 Bonds shall be made on the dates specified below.

(a) **Optional Redemption.** The Series 2024 Bonds may, at the option of the Issuer, provided written notice hereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days' notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after December 15, 20XX (less than all Series 2024 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2024 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2024 Optional Redemption Subaccount of the Series 2024 Bond Redemption Account. (b) **Extraordinary Mandatory Redemption in Whole or in Part.** The Series 2024 Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole or in part, on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2024 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

Subject to the provisions of Section 4.05 hereof, on any date the Issuer receives notice from the District Manager that the Developer or any other landowner wishes to prepay its Series 2024 Special Assessments relating to the benefited property of such Developer or other landowner, or as a result of a mandatory true-up payment, the Issuer shall, or cause the District Manager, on behalf of the Issuer to, calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2024 Prepayment Principal due by the amount of money in the Series 2024 Reserve Account that will be in excess of the then Reserve Requirement, taking into account the proposed Prepayment. Such excess shall be transferred to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account, as a result of such Prepayment. In the event there are multiple unfunded requisitions on file with the Trustee, the Trustee shall fund such requisitions in the order the Trustee has received them (from oldest to newest). In the event that there are no unfunded requisitions on file with the Trustee, such excess moneys transferred from the Series 2024 Reserve Account to the Series 2024 Acquisition and Construction Account shall be deposited into the Series 2024 General Redemption Subaccount of the Series 2024 Bond Redemption Account.

The excess amount in the Series 2024 Reserve Account shall be transferred to the Series 2024 Acquisition and Construction Account as a result of satisfaction of the Release Condition. FOURTH, no later than the Business Day next preceding each June 15, which is a principal payment date for any Series 2024 Bonds, to the Series 2024 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2024 Bonds Outstanding maturing on such June 15, less any amounts on deposit in the Series 2024 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2024 Bonds are subject to redemption on a date which is not a June 15 or December 15 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2024 Interest Account, the amount necessary to pay interest on the Series 2024 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2024 Bonds remain Outstanding, to the Series 2024 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2024 Bonds; and

The Series 2024 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2024 Bonds, except as otherwise permitted under the Master Indenture. The Series 2024 Bonds and the provisions of the Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. (a) At any time any owner of property subject to the Series 2024 Special Assessments may, at its option, or as a result of acceleration of the Series 2024 Special Assessments because of non-payment thereof or as a result of true-up payment, require the Issuer to reduce or release and extinguish the lien upon such landowner's property by virtue of the levy of the Series 2024 Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Series 2024 Special Assessment, which shall constitute Series 2024 Prepayment Principal, plus accrued interest to the next succeeding Quarterly Redemption Date (or the next succeeding Quarterly Redemption Date if such Prepayment is made within forty-five (45) calendar days before a Quarterly Redemption Date), attributable to the property subject to the Series 2024 Special Assessment owned by such owner. To the extent that such Prepayments are to be used to redeem Series 2024 Bonds, in the event the amount in the Series 2024 Reserve Account will exceed the applicable Reserve Requirement as a result of a Prepayment in accordance with this Section 4.05(a) and the resulting redemption of the Series 2024 Bonds in accordance with Section 3.01(b)(i) of this Third Supplemental Indenture, the excess amount shall be transferred from the Series 2024 Reserve Account to the Series 2024 Prepayment Subaccount of the Series 2024 Bond Redemption Account as a credit against the Series 2024 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel. Upon written instructions to the Trustee of the District Manager, on behalf of the Issuer, upon which the Trustee may conclusively rely, together with a certification stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2024 Reserve Account to equal or exceed the then Reserve Requirement for the Series 2024 Bonds and which certificate of the District Manager will further state that, after giving effect to the proposed redemption of Series 2024 Bonds, there will be sufficient Series 2024 Pledged Revenues to pay the principal and interest, when due, on all Series 2024 Bonds that will remain Outstanding.

(b) Upon receipt of Series 2024 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the Issuer that the Series 2024 Special Assessment has been paid in whole or in part and that such Series 2024 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Series 2024 Prepayment Principal. The Trustee shall calculate the amount available for extraordinary mandatory redemption of the Series 2024 Bonds pursuant to Section 3.01(b)(i) hereof forty-five (45) days before each Quarterly Redemption Date and will withdraw money from the Series 2024 Reserve Account as a credit against the amount of Prepayment that is owed in an amount as directed by the District. No credit shall be given if as a result the Reserve Requirement shall be less than is required after taking into account the proposed extraordinary mandatory

Pursuant to the terms and provisions of the Master Indenture, the Issuer shall, pursuant to the provisions of the Assessment Resolutions, directly collect the Series 2024 Special Assessments levied in lieu of the Uniform Method with respect to any assessable lands which have not yet been platted, or the timing for using the Uniform Method will not yet allow for using such method, unless the Trustee at the direction of the Majority Holders directs the Issuer otherwise. In addition, and not in limitation of, the covenants contained elsewhere in this Third Supplemental Indenture and in the Master Indenture, the Issuer covenants to comply with the terms of the proceedings heretofore adopted with respect to the Series 2024 Special Assessments, and to levy the Series 2024 Special Assessments in such manner as will generate funds sufficient to pay debt service on the Series 2024 Bonds when due. All Series 2024 Special Assessments that are collected directly by the Issuer shall be due and payable by the landowner not later than thirty (30) days prior to each Interest Payment Date.

The Issuer's covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. The Issuer shall provide the Trustee with a certification that the Series 2024 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2024 Special Assessments are Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the Issuer may issue other Bonds or debt obligations secured by Special Assessments, other than the Series 2024 Special Assessments, at any time upon the written consent of the Majority Holders.

At any time such Prepayment is not in an integral multiple of \$5,000, the Trustee shall withdraw moneys from the Series 2024 Revenue Account to round-up to an integral multiple of \$5,000 and deposit such amount into the Series 2024 Prepayment Subaccount. Notwithstanding the foregoing, the Trustee shall not be authorized to withdraw any moneys from the Series 2024 Revenue Account unless all of the deposits required under Section 4.02 hereof have or can be made to the next succeeding Interest Payment Date.

**SECTION 5.05.** Acknowledgement Regarding Series 2024 Acquisition and Construction Account Moneys Following an Event of Default. In accordance with the provisions of the Indenture, the Series 2024 Bonds are payable solely from the Series 2024 Pledged Revenues. Anything in the Indenture to the contrary notwithstanding, the Issuer hereby acknowledges that the Series 2024 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2024 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, and upon the occurrence of an Event of Default with respect to the Series 2024 Bonds, (i) the Series 2024 Pledged Revenues may not be used by the Issuer (whether to pay costs of the Assessment Area Two Project or otherwise) without the consent of the Majority Holders, and (ii) the Series 2024 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The Issuer covenants not to enter into any contract regarding the Assessment Area Two Project from and after the occurrence of an Event of Default without the written direction of the Majority Holders.

Modifications or alterations of the Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Indenture.

Any moneys held by the Trustee or Paying Agent in trust for the payment and discharge of any Bond which remain unclaimed for three (3) years after the date when such Bond has become due and payable, either at its stated maturity date or by call for earlier redemption shall be paid to the Issuer, thereupon and thereafter no claimant shall have any rights against the Trustee or Paying Agent to or in respect of such moneys.

If the Issuer deposits or causes to be deposited with the Trustee funds or Defeasance Securities (as defined in the Master Indenture) sufficient to pay the principal or Redemption Price of any Bonds becoming due at maturity or by call for redemption in the manner set forth in the Indenture, together with the interest accrued to the due date, the lien of such Bonds as to the trust estate with respect to such Bonds shall be discharged, except for the rights of the Owners thereof with respect to the funds so deposited as provided in the Indenture.

This Bond shall have all the qualities and incidents, including negotiability, of investment securities within the meaning and for all the purposes of the Uniform Commercial Code of the State of Florida.

The Issuer shall keep books for the registration of the Bonds at the designated corporate trust office of the Registrar in Fort Lauderdale, Florida. Subject to the restrictions contained in the Indenture, the Bonds may be transferred or exchanged by the registered owner thereof in person or by his attorney duly authorized in writing only upon the books of the Issuer kept by the Registrar and only upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

The Issuer, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute owner thereof (whether or not such Bond shall be overdue) for the purpose of receiving payment

of or on account of the principal of and interest on such Bond as the same becomes due, and for all other purposes. All such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen, and to be performed, precedent to and in connection with the issuance of this Bond exist, have happened and have been performed in regular and due form and time as required by the laws and Constitution of the State of Florida applicable thereto, including particularly the Act, and that the issuance of this Bond, and of the issue of the Bonds of which this Bond is one, is in full compliance with all constitutional and statutory limitations or provisions.

**PROPOSED FORM OF OPINION OF BOND COUNSEL**

[THIS PAGE INTENTIONALLY LEFT BLANK]

FORM OF BOND COUNSEL OPINION

Upon delivery of the Bonds (as defined below) in definitive form, Greenberg Traurig, P.A., as Bond Counsel, proposes to render its final approving opinion with respect to such Bonds in substantially the following form:

\_\_\_\_\_, 2024

Board of Supervisors of the Everlands  
Community Development District  
Palm Bay, Florida

§ \_\_\_\_\_  
**EVERLANDS COMMUNITY DEVELOPMENT DISTRICT  
SPECIAL ASSESSMENT BONDS, SERIES 2024  
(ASSESSMENT AREA TWO – PHASE TWO)**

Chairman and Board Members:

We have acted as bond counsel in connection with the issuance by the Everlands Community Development District (the “District”) of its \$\_\_\_\_\_ in aggregate principal amount of Special Assessment Bonds, Series 2024 (Assessment Area Two - Phase Two) (the “Bonds”), issued and delivered on this date pursuant to the constitution and laws of the State of Florida, particularly, the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, and other applicable provisions of law (collectively, the “Act”) and Resolution No. 2022-02, adopted by the Board of Supervisors of the District (the “Board”) on July 8, 2022, as supplemented by Resolution No. 2024-07 adopted by the Board on October 11, 2024 (collectively, the “Bond Resolution”). The Bonds are being issued and secured under that certain Master Trust Indenture, dated as of September 1, 2021 (the “Master Indenture”), as supplemented by that certain Third Supplemental Trust Indenture, dated as of October 1, 2024 (the “Third Supplement” and, together with the Master Indenture, the “2024 Indenture”), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”). Capitalized terms used herein without definitions have the meanings ascribed thereto in the 2024 Indenture.

The Bonds are being issued for the primary purpose of financing certain public infrastructure deemed necessary to develop 460 residential units within Assessment Area Two – Phase Two within the District.

In order to secure the payment of the Bonds, and subject to the terms of the 2024 Indenture, the District has pledged to the holders of the Bonds, and granted a lien to the holders of the Bonds on, the Series 2024 Pledged Revenues.

In connection with this opinion, we have examined the Act, certified copies of the Bond Resolution, the 2024 Indenture, the Arbitrage Certificate, a transcript of the proceedings related to the issuance of the Bonds and such other documents and opinions as we have deemed necessary to render this opinion, and are relying on certain findings, covenants and agreements of the District set forth therein and such certified copies of the proceedings of the District and such other documents and opinions as we have deemed necessary to render this opinion. As to the questions of fact material to our opinion, we have relied upon representations of the District furnished to us, without undertaking to verify such representations by independent investigation. We have also relied upon certain certifications and representations provided by Lennar Homes, LLC, as the primary landowner within the District that is subject to the Series 2024 Special Assessments comprising the Series 2024 Pledged Revenues.

Based on the foregoing, we are of the opinion that:

1. The District has the power to authorize, execute and deliver the 2024 Indenture, to perform its obligations thereunder and to issue the Bonds.
2. The 2024 Indenture has been duly authorized, executed and delivered by the District. The 2024 Indenture creates a valid pledge of the Series 2024 Pledged Revenues and constitutes a valid and binding obligation of the District enforceable against the District in accordance with its terms.
3. The issuance and sale of the Bonds have been duly authorized by the District and, assuming the due authentication thereof, the Bonds constitute valid and binding limited obligations of the District, payable in accordance with, and as limited by, the terms of the 2024 Indenture.
4. The Internal Revenue Code of 1986, as amended (herein, the “Code”) includes requirements which the District must continue to meet after the issuance of the Bonds in order that interest on the Bonds not be included in gross income for federal income tax purposes. The failure of the District to meet these requirements may cause interest on the Bonds to be included in gross income for federal income tax purposes retroactive to their date of issuance. The District has covenanted in the 2024 Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds.

Under existing statutes, regulations, rulings and court decisions, subject to the assumption stated in the following paragraph, interest on the Bonds is excludable from the gross income of the owners thereof for federal income tax purposes, and furthermore, interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals.

In rendering the opinion expressed above, we have assumed continuing compliance with the tax covenants referred to above that must be met after the issuance of the Bonds in order that interest on the Bonds not be included in gross income for federal income tax purposes.

The Bonds and interest thereon are not subject to taxation under the laws of the State of Florida except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in Chapter 220.

We express no opinion regarding other federal or any state tax consequences resulting from the ownership, receipt or accrual of interest on, or disposition of the Bonds.

In rendering the foregoing opinions we have assumed the accuracy and truthfulness of all public records and of all certifications, documents and other proceedings examined by us that have been executed or certified by public officials acting within the scope of their official capacities and have not verified the accuracy or truthfulness thereof. We have also assumed the genuineness of the signatures appearing upon such public records, certifications, documents and proceedings.

The opinions set forth herein are subject to state and federal laws relating to bankruptcy, insolvency, reorganization, moratorium and similar laws, and to equitable principles, affecting the enforcement of creditors' rights generally, and to the exercise of judicial discretion in appropriate cases.

We wish to call to your attention that the Bonds are limited obligations of the District payable solely from the Series 2024 Pledged Revenues and neither the full faith and credit nor the taxing power of the District, the City of Palm Bay, Florida, Brevard County, Florida, the State of Florida or any other political subdivision thereof is pledged as security for the payment of the Bonds. The Bonds do not constitute an indebtedness of the District within the meaning of any constitutional or statutory provision or limitation.

Respectfully submitted,

GREENBERG TRAURIG, P.A.

Re: Engineering Report – Phase 2 Infrastructure Improvement Bonds

We are pleased to present herein the Engineering Report associated with the District's expected issuance of Special Assessment Bonds to fund the construction, acquisition and installation of public infrastructure improvements. This report provides a description of the proposed Project together with design criteria, general service locations and estimated costs.

The current Project consists of on-site and off-site improvements for Phase 2 (Palm Vista Everlands) as well as off-site water main and force main improvements on St. Johns Heritage Parkway (SJHP) to serve the overall District.

Costs are based on preliminary bid quantities and prices, based on the 30% design plans. Final plans are expected to be substantially similar to the 30% plans. It is our professional opinion that the infrastructure costs provided herein for the District improvements are reasonable to complete the construction of the infrastructure described herein and that these infrastructure improvements will benefit and add value to the District.

We thank you for the opportunity to be of service in this matter.

Sincerely,

*Kenneth Ludwa*

## EXECUTIVE SUMMARY

The Everlands Community Development District (the District) is pursuant to Chapter 190 Florida Statutes authorized to finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate, and maintain certain systems, facilities and basic infrastructure benefiting lands within the District. In accordance with this authority, the District has identified facilities, systems and basic infrastructure authorized by Chapter 190 and their costs required to provide service based on the anticipated land uses in the District. The District has requested an Engineering Report be prepared by the District Engineer to identify certain required facilities, service locations, and projected costs associated with those improvements.

The current project consists of on-site and off-site public infrastructure improvements for Phase 2 (Medley) as well as remaining off-site water main and force main improvements on St. Johns Heritage Parkway (SJHP) to serve the overall District (herein the “Expansion Area Project”), as described below.

- **Phase 2 (Palm Vista Medley at Everlands):** Costs for Grading, drainage, and utilities for construction of the ±840-unit subdivision. **\$21,144,233.99.**
- **SJHP Off-Site Utility Improvements:** Costs for 16-inch water main and 16-inch force main on St. Johns Heritage Parkway from interim termination points north of Pace Drive to Emerson Drive. **\$1,359,608.67.**

The total cost for Phase 2 is estimated to be **\$22,503,842.66**. The Project will provide a direct and special benefit to the assessable lands identified as Phase 2/Palm Vista Medley within the herein defined District Expansion Area, indicated within the attached Exhibits.

Additional District utilities will be described in future engineering reports, including future phases.

The District, the Homeowner’s Associations (HOAs), and the City of Palm Bay will provide services to the lands within the District. Some facilities constructed or acquired by the District, such as potable water and wastewater facilities, will be transferred to local government for ownership, operation, and maintenance. The HOAs will own and maintain private road rights-of-way. Drainage and stormwater management facilities will be owned and/or maintained by the District. All public infrastructure that will be financed by the District will be on land owned by the District or subject to a permanent easement dedicated to the District.

## **DISTRICT LOCATION AND LIMITS**

The District is located within the corporate limits of the City of Palm Bay, Florida. The District currently encompasses the following areas:

- Phase 1/Palm Vista Everlands (±50.4 acres) located east of St. Johns Heritage Parkway (SJHP) between the Melbourne-Tillman Water Control District (MTWCD) C-1 Canal and Pace Drive. This phase (162 units) is complete.
- Phase 2/Palm Vista Medley at Everlands (±291.11 acres) located east of St. Johns Heritage Parkway (SJHP) between Pace Drive and Emerson Drive. This phase will be ±840 units. Construction will commence in mid-2022. Refer to attached sketch and legal description for the Medley subdivision (herein the “District Expansion Area”).

Total District area is currently ±341.51 acres. Refer to attached sketch and legal description of current District boundaries.

## **PROPOSED DISTRICT FACILITIES**

### **I. Stormwater Management Facilities**

1. **Existing Facilities** – The District lands have historically been utilized for agricultural purposes, including intermittent sod and cattle pasture, over the past 30-40 years. The land is traversed by a series of minor agricultural drainage ditches. These ditches have effectively provided adequate drainage for the ongoing agricultural operations. In Phase 1, stormwater management facilities were constructed for the Palm Vista Everlands subdivision.
2. **Proposed Facilities** – Stormwater management facilities are designed in accordance with criteria established by the City of Palm Bay, Melbourne-Tillman Water Control District (MTWCD) and the St. Johns River Water Management District (SJRWMD). These criteria include requirements to provide flood protection, water quality treatment, and discharge attenuation so that stormwater discharge from the site in the post-development condition does not exceed pre-development values.

Proposed Phase 2 facilities will include stormwater ponds and interconnecting pipes and discharge control structures in the Medley subdivision. Drainage inlets, curb and gutter, swales, pipes, and soil stabilization methods will also be constructed to insure the system functions in accordance with applicable governmental agency requirements. The District will own and maintain the stormwater management and drainage facilities. A permanent easement will be granted to the District wherever stormwater management and drainage facilities cross lands not owned by the district.

Additional District stormwater management facilities will be assessed in future engineering reports, including future phases as well as ponds, interconnecting pipes, control structures, and water quality treatment facilities.

## II. Utilities

1. **Existing Facilities** – In Phase 1, offsite water main and force main were constructed to interim termination points on SJHP. A 16-inch water main was extended from SJHP Station 25+50 to Station 109+60, and a 16-inch force was extended from SJHP Station 24+40 to Station 85+40. Water mains, gravity sewer, lift station, and force main were also constructed for the Palm Vista Everlands subdivision.
2. **Proposed Facilities** – Phase 2 includes completion of the off-site utility improvements, from the interim termination points to Emerson Drive. Refer to Off-site Utilities Exhibit. The SJHP water main and force main extension are based on plans developed and approved by the City of Palm Bay in 2018.

Phase 2 also includes water and sewer utility improvements in the Medley subdivision. The facilities will include on-site water mains within the subdivision, on-site gravity sewers, two sanitary lift stations, on-site force mains, and off-site water main and force main to connect to the SJHP utility extensions at Pace Drive. No lateral utility service lines on private property will be financed by the District.

Potable water and wastewater facilities financed by the District will be transferred to the City of Palm Bay for ownership, operation, and maintenance.

Water mains are designed for a design flow of 275 gpm per ERC with a peaking factor of 4.0. The potable water system will be designed to provide fire flows of 1,000 gpm plus peak potable water demand with a minimum pressure of 20 psi and a maximum flow velocity of 10 ft/s.

Force mains are designed for a sanitary design flow of 210 gpm per ERC with a peak factor calculated using the Ten States Standards formula, based on population. Minimum force main flow velocity is 2 ft/s.

This report assesses facilities and costs for the off-site water main from SJHP Station 109+60 to Emerson Drive, off-site force main from SJHP Station 85+40 to Emerson Drive, and Phase 2 (Medley subdivision) on-site utilities. Additional District utility phases will be assessed in future engineering reports.

## ESTIMATED PROJECT COSTS

Separate cost estimates for Phase 2 (Medley subdivision) and SJHP Off-Site Utilities are provided in Appendix A and summarized in the table below. The total estimated cost is **\$22,503,842.66**. Quantities for the Medley subdivision are based on preliminary plans and bid prices, verified at market rates by the District Engineer. Actual quantities are likely to change in final plans; however, preliminary quantities are conservatively low. The cost estimates are based on current prices at current cost levels with no allowances for inflation or escalation over time.

**Table 1. Overall Cost Summary - Expansion Area Project**

## CONCLUSIONS AND RECOMMENDATIONS

The public infrastructure to be financed by the District is designed and sized based upon the requirements for the development within the District (assuming current boundaries) and is in conformance with applicable governmental regulations and accepted engineering design practices.

It is our professional opinion that the infrastructure costs provided herein for the District improvements are reasonable to complete the construction of the infrastructure described herein and that these infrastructure improvements will benefit and add value to the District equal to or exceeding the cost thereof and will provide a direct and special benefit to the assessable lands within Phase 2/Palm Vista Medley at Everlands. All such infrastructure costs are public improvements or community facilities as set forth in Section 190.012(1) and (2) of the Florida Statutes. The District will pay no more for the public improvements than the actual cost or the current market value, whichever is less. The cost of the improvements described herein does not include the cost of transporting fill to or grading on the building lots.

We recommend that the District proceed to obtain the necessary funding to acquire and/or construct the facilities discussed herein.

**1.0 INTRODUCTION**

The Everlands Community Development District (the “District”) is a local unit of special purpose government located in the City of Palm Bay (the “City”) in Brevard, Florida (the “County”). The District was established on March 5, 2020, by Ordinance No.2020-17 enacted by the City Council of the City to provide for the construction, and/or acquisition, financing, long-term administration and management of certain infrastructure of the Development, as defined below. The District before the addition of the herein defined Expansion Area contained 50.4 +/- gross acres and is being developed as a master planned residential community (the “development”). The Development includes the entire District as expanded on September 16, 2021, by Ordinance No. 2021-51. This Master Special Assessment Methodology Report (the “Master Report”) addresses 291.11 +/- gross acres (the “Expansion Area”) of land adjacent to the current District boundary and now a part of the District boundaries (See attached **Exhibit “A”**) and the plan of development which currently contemplates approximately 840 residential dwelling units for the following land uses:

**Table 1 – Proposed Land Uses for the District**

| Land Use Category | Unit               |
|-------------------|--------------------|
| Duplex            | 150 Dwelling units |
| Townhome          | 234 Dwelling units |
| SF 40’            | 228 Dwelling units |
| SF 50’            | 166 Dwelling units |
| SF 60’            | 62 Dwelling units  |

The District anticipates issuing approximately \$27,225,000.00 of tax exempt Special Assessment Bonds (the “Bonds”) in one or more series for the purpose of financing all or a portion of the construction of certain public infrastructure improvements within the Expansion Area; as more specifically described in the Everlands Community Development District Phase 2 Engineer’s Report dated July 20, 2022 (the “Engineer’s Report”), prepared by B.S.E. Consultants, Inc. (the “District’s Engineer”).

This Master Report will equitably allocate the costs being incurred by the District to provide public infrastructure improvements to all of the assessable lands within the Expansion Area. The implementation of the public improvements will convey special and peculiar benefits to the assessable properties in the Expansion Area. The Bonds issued to finance the public improvements will be repaid through the levy of non-ad valorem special assessments on all assessable property within the Expansion Area.

**2.0 PROJECTS TO BE FUNDED BY THE DISTRICT**

The District intends to finance all or a portion of the construction of the public infrastructure improvements associated with the development of the Expansion Area, including, but not limited to, , stormwater management system, water distribution system, the sanitary sewer system off-site utilities

and other related improvements (the “Project”). The Project, as designed, is an integrated system of facilities that provides specific benefits to all of the lands within the Expansion Area. The total cost of the Project is currently estimated to be \$22,503,843. A detail of the estimated Project costs for the development is included herein on **Table A**.

The Project has been designed to be functional and confer special benefits to all the lands in the Expansion Area. Any portion of the Project costs not financed through the issuance of Bonds will be paid for by Lennar Homes, LLC (the “Developer”).

Each component of the infrastructure works as a system to provide benefits to the assessable lands in the Expansion Area. It is useful to consider three (3) distinct states or conditions of development within a community. The initial condition is the “undeveloped state”. At this point the infrastructure may or may not be installed and none of the units in the plan of development have received a certificate of occupancy (CO). This condition exists when the infrastructure is financed prior to any development. In the undeveloped state all the lands within the Expansion Area are deemed to receive benefit from the Project and all of the lands within the Expansion Area will be assessed to repay the Bonds. These assessments would be calculated on an equal acreage basis.

The second condition is “on-going development”. During this stage the installation of infrastructure has commenced. Additionally, the plan of development has started to unfold. Therefore, each platted unit would be assigned a proportionate amount of the total debt service special assessments to be levied to pay debt service on the Bonds. The remaining unassigned debt would continue to fall on the balance of the unplatted land and the unplatted land would continue to be assessed on an equal acre basis.

The third condition is the “completed development state”. In this condition the entire plan of development is in place and the total Bond debt has been assigned as specific assessments to each development unit within the Expansion Area as shown herein on **Table F**.

Construction and/or acquisition and maintenance obligations by the District for its proposed infrastructure improvements are described as follows:

All of the surface water management and drainage system will be constructed by the Developer and will be acquired by the District To the extent of available proceeds of the Bonds. The District will be responsible for the operation and maintenance of the system retained by the District and serve the District.

The water distribution and wastewater collection sewer systems will be constructed by the Developer and will be acquired by the District to the extent of available proceeds of the Bonds and dedicated to the City of Palm Bay Utility Department upon certification of construction. Upon such transfer by the District, the ownership, operation and maintenance of these systems will be the responsibility of City of Palm Bay Utility Department. In the event the connection charges are paid by the Developer these charges are being paid for and on behalf of the District.

Other construction items such as off-site utilities consisting of but not limited to general utilities, water main, force main, and sitework. The District will be responsible for the operation and maintenance of the portion of the system retained by the District which serves the Development.

The construction costs identified in this report were provided by the District Engineer. Special District Services, Inc., as District Manager, makes no representation regarding the accuracy or validity of those costs and did not undertake any analysis or verification regarding such costs.

**3.0 FUNDING OF IMPROVEMENTS**

To defray the costs of construction, acquisition, operation and maintenance of all or a portion of the Project, the District will impose non-ad valorem special assessments on all benefited real property in the Expansion Area. These assessments are based on the special and peculiar benefits accruing to such property from the improvements comprising the Project. The use of non-ad valorem special assessments has an advantage in that the properties that receive the special benefits from the Project are the only properties that are obligated to pay for those facilities and services. Without these improvements, development of the property within the Expansion Area would not be possible. The improvements, which will be funded through these special assessments, include only facilities which may be undertaken by a community development district under Chapter 190, *F.S.* This Master Report is designed to meet the requirements of Chapters 170, 190 and 197, *F.S.*; and will be supplemented with one or more Supplemental Methodology Reports, as needed, to describe the actual terms and conditions at the time of issuance of one or more series of the proposed Bonds.

In summary, special assessments may be made only: (1) for facilities which provide special benefits to property as distinct from general benefits, (2) against property which receives that special benefit, (3) in proportion to the benefits received by the properties, and (4) according to methods that the governing body of the jurisdiction determines. The assessments placed upon all benefited properties in the Expansion Area must be sufficient to cover the debt service of the Bonds that will be issued for financing the Project. In addition to the special assessments imposed for debt service, the District will also levy an annual operations and maintenance special assessment to pay the costs to maintain those portions of the infrastructure that remain under the ownership of the District. The special assessments must be fairly and reasonably allocated to the properties being assessed.

**4.0 ALLOCATION OF BENEFIT AND ASSESSMENTS**

In developing the methodology used for special assessments for the Development within the Expansion Area within the District, two (2) interrelated factors were used:

- A. Allocation of Benefit: Each parcel of assessable land within the Expansion Area within the District benefits from the proposed improvements.
- B. Cost/Benefit: The special assessments imposed on each assessable parcel of land within the Expansion Area within the District cannot exceed the value of the benefits provided to such parcel.

The planned improvements comprising the Project is an integrated system of facilities designed to provide benefits to the assessable property within the Expansion Area within the District as a whole. The Project is intended to work as a total system which will provide special benefits for each unit type. The fair and reasonable method of allocating the benefit to each planned residential unit has been accomplished by assigning an *equivalent residential unit* (“ERU”) to each unit. Therefore, for the purpose of this Master Report each 50 foot single family residential unit will be assigned one (1) ERU. The proposed land uses will be assigned as follows in **Table 2**.

**Table 2 – Equivalent Residential Unit (ERU)**

| <b><u>Product Type</u></b> | <b><u># of Units</u></b> | <b><u>ERU</u></b> |
|----------------------------|--------------------------|-------------------|
| Duplex                     | 150                      | 0.926             |
| Townhome                   | 234                      | 0.889             |
| SF 40'                     | 228                      | 0.963             |
| SF 50'                     | 166                      | 1.000             |
| SF 60'                     | 62                       | 1.019             |
| <b>Total Units</b>         | <b>840</b>               |                   |

The Assessments will initially be levied across all the gross acreage in the Expansion Area within the District. The lien will shift to the parcels in the Expansion Area within the District, as represented in **Table F** upon platting on a first platted, first assigned bases.

The amount of the assessments that will shift to platted lots is based on the schedule in **Table F**. Land that is sold in the District prior to platting will have a lien amount attached to the parcel that is equal to the development rights conveyed with such parcel and type of planned use. Assessment will then be assigned in accordance with **Table F**. As platting occurs the debt assessment will be assigned on a first platted first assigned basis to platted lots receiving property folio numbers, and allocated on an ERU basis as shown herein on **Table F**.

In addition to the special assessments imposed for debt service on the Bonds, the District will also levy an annual administrative assessment to fund the costs of operating and managing the District. As each residential dwelling unit will benefit equally from the operation and management of the District and the Project, the annual operation and management assessments will be allocated equally to each assessable lot or unit.

Given the District's land use plan and the type of infrastructure to be funded by the special assessments, this method will result in a fair allocation of benefits and services and an equitable allocation of costs for the proposed Bonds. However, if the future platting results in changes in land use or proportion of benefit per unit, this allocation methodology may not be applicable and it may be necessary for the District to revise this methodology.

## **5.0 COLLECTION OF SPECIAL ASSESSMENTS**

The proposed special assessments relating to the Project will be collected through the Uniform Method of Collection described in Chapter 197, Section 197.3632; F.S. or any other legal means available to the District.

Since there are costs associated with the collection of the special assessments (whether by uniform method of collection as authorized under Chapter 197.3632, F.S. or other methods allowed by Florida law), these costs must also be included in the special assessment levy. These costs generally include the 1% collection fee of the County Tax Collector, a 1% service fee of the County Property Appraiser and a 4% discount for early payment of taxes. These additional costs may be reflected by dividing the annual debt service and operation and maintenance assessment amounts by 0.94.

**6.0 FINANCING STRUCTURE**

The estimated cost of the Project is approximately \$22,503,843. The construction program and the estimated costs associated therewith are identified herein on **Table A**. A portion of the capital improvements comprising the Project is assumed to be financed by the Bonds, which, when issued will be payable from and secured by special assessments levied annually on all assessable properties in the Expansion Area. Based on the current market conditions, the total aggregate principal amount of the Bonds proposed to be issued for the Project is anticipated to be approximately \$27,225,000 as shown herein on **Table B**. The proceeds of the Bonds will provide approximately \$22,503,843 for the Project and related costs. The sizing of the Bonds is assumed to include capitalized interest, a debt service reserve fund equal to the maximum annual net debt service and other costs as shown herein on **Table B**.

**7.0 MODIFICATIONS, REVISIONS AND TRUE-UP MECHANISIM**

Allocation of costs and benefits, shown herein on **Table C** and **Table D**, for the infrastructure improvements financed by the District (estimated at \$22,503,843) is initially based on the estimated number of residential dwelling units (840 units) projected to be developed within the Expansion Area and benefited by the infrastructure improvements. Based on an anticipated Bond size of approximately \$27,225,000 at an assumed interest rate of 6.5%, the maximum annual debt service for the Bonds as shown herein on **Table E**, is estimated to be approximately \$2,084,821, which has not been grossed up to include the 1% County Tax Collector fee, 1% County Property Appraiser fee, and 4% discount for early payment of taxes.

To ensure that each residential unit is assessed no more than their pro-rata amount of the maximum annual debt service shown herein on **Table E**, the District will be required to perform a true-up analysis, which requires a computation at the time of submission of each plat or re-plat to determine the potential remaining assessable dwelling units. The District shall, at the time a plat or re-plat is submitted to the County:

- A.** Assume that the total number of assessable residential units being utilized as a basis for this assessment methodology is 840 residential dwelling units (“Total Assessable Units”).
- B.** Ascertain the number of assessable residential dwelling units in the proposed plat or re-plat and all prior plats (“Planned Assessable Units”).
- C.** Ascertain the current amount of potential remaining assessable dwelling units (“Remaining Assessable Units”).

If the Planned Assessable Units are equal to the Total Assessable Units no action would be required at that time. However, if the sum of the Planned Assessable Units and the Remaining Assessable Units are less than 840 residential dwelling units, the Developer will be obligated by the District to remit to the District an amount of money sufficient to enable the District to retire an amount of Bonds such that the amount of debt service allocated to each Planned Assessable Unit does not exceed the amount of debt service that would have been allocated thereto had the total number of Planned Assessable Units been 840 residential dwelling units. Conversely, if the Planned Assessable Units is greater than the Total Assessable Units, then, there will be a pro-rata decrease in the annual non-ad valorem assessments to all of the benefited properties.

All assessments levied run with the land. A determination of a true-up payment shall be at the sole discretion of the District. It is the responsibility of the landowner of record to make any required true-up payments that are due including any accrued interest. The District will not release any liens on the property for which true-up payments are due until provision for such payment has been satisfied. It is recommended that the true-up mechanism be formalized in an agreement between the District and the Developer.

In the event that additional land is annexed into the Expansion Area within the District which is currently not subject to the assessments and is developed in such a manner as to receive special benefit from the Project described herein, it will be necessary for this assessment methodology to be re-applied to include such parcels. The additional land will, as a result of re-applying this allocation methodology, then be allocated an appropriate share of the special assessments while all currently assessed parcels will receive a relative reduction in their assessments.

**8.0 PRELIMINARY ASSESSMENT ROLL**

As described above, the debt associated with the District’s improvement plan will be initially distributed on an equal acreage basis across all of the gross acreage within the Expansion Area as outlined herein on **Table F** and as described in **Exhibit “A”** attached hereto. As plats are approved lots/units will be assessed in the manner described herein.

The lands within the Expansion Area boundaries consist of 291.11 +/- acres as described in **Exhibit “A”** attached hereto. The anticipated par amount of Bonds to be issued by the District to pay for the Project is approximately \$27,225,000. For the purpose of this Master Report each gross acre will be assigned approximately \$93,521.35 of par Bond debt as described herein on **Table F**. Prior to final platting approval the assessments levied against the lands/lots within the Expansion Area will be apportioned on a gross acre basis. Therefore, each assessable gross acre of land in the Expansion Area will be assessed annually approximately \$7,619, which has been grossed up to include the 1% County Tax Collector fee, 1% County Property Appraiser fee, and 4% discount for early payment of taxes, as described herein on **Table E**.

When fully developed the Expansion Area is planned for a total of 840 dwelling units as identified herein on **Tables C** and **D**.

## 1.0 INTRODUCTION

The Everlands Community Development District (the “District”) is a local unit of special purpose government located in the City of Palm Bay (the “City”) in Brevard, Florida (the “County”). The District was established on March 5, 2020, by Ordinance No. 2020-17 enacted by the City Council of the City to provide for the construction, and/or acquisition, financing, long-term administration and management of certain infrastructure of the Development, as defined below. The District, before the addition of the herein defined Assessment Area Two, contained 50.4 +/- gross acres and is being developed as a master planned residential community (the “Development”). The Development includes the entire District, as expanded on September 16, 2021, by City Ordinance No. 2021-51. This Third Supplemental Special Assessment Methodology Report (the “Third Supplemental Report”) addresses a portion of the 291.11 +/- gross acres of land within a designated assessment area within the District (“Assessment Area Two”) adjacent to the original boundaries of the District and which is now included within the District boundaries (See attached **Exhibit “A”**) and the plan of development that currently contemplates approximately 840 residential dwelling units for the following land uses:

**Table 1 – Proposed Land Uses for Assessment Area Two within the District**

| Land Use Category | Unit               |
|-------------------|--------------------|
| Duplex            | 150 Dwelling units |
| Townhome          | 234 Dwelling units |
| SF 40’            | 228 Dwelling units |
| SF 50’            | 166 Dwelling units |
| SF 60’            | 62 Dwelling units  |

It should be pointed out that the District issued, on March 6, 2024, its \$8,065,000 Special Assessment Bonds, Series 2024 (Assessment Area Two – 2024 Project Area) (herein, the “Prior Bonds”). The Prior Bonds financed approximately \$7,315,289.68 of the Assessment Area Two Project defined herein and are secured by 380 platted lots within Assessment Area Two. This Third Supplemental Report prepared by Special District Services, Inc. will demonstrate the allocation of special assessments as it relates to the sale and issuance of special assessment bonds for financing public infrastructure and will equitably allocate the costs being incurred by the District to provide the benefit of the Assessment Area Two Project to the lands within Assessment Area Two within the District as identified herein on **Exhibit “A.”** The capital improvements comprising the Assessment Area Two Project are described in the adopted Everlands Community Development District Engineering Report, Phase 2 Infrastructure, dated July 20, 2022 as may be amended and supplemented by the District (the “Engineer’s Report”), prepared by B.S.E. Consultants, Inc. (the “District’s Engineer”).

## **2.0 PROJECTS TO BE FUNDED BY THE DISTRICT**

The District intends to finance, through the issuance of its Special Assessment Bonds, Series 2024 (Assessment Area Two – Phase Two) (the “ Series 2024 Phase Two Bonds”), a portion of the construction of the public infrastructure improvements associated with the development plan, including, but not limited to, the surface water management and drainage system, the water distribution system, the wastewater collection system, and other related improvements (collectively, the “Assessment Area Two Project”). The Series 2024 Phase Two Bonds will be repaid through the levy of non-ad valorem special assessments on the second phase of construction consisting of 460 residential units within Assessment Area Two within the District not encumbered by the lien securing the Prior Bonds. The total cost of the Assessment Area Two Project is currently estimated to be \$22,503,843, a portion which was financed with a portion of the proceeds of the Prior Bonds. A detail of the estimated Assessment Area Two Project costs for the development is included herein on **Table A**.

The Assessment Area Two Project as designed is an integrated system of facilities that is functional and provides direct and special benefits to all of the assessable lands within Assessment Area Two within the District. The total cost of the Assessment Area Two Project is currently estimated to be approximately \$22,503,843. A detail of the Assessment Area Two Project costs is included herein on **Table A**. Any portion of the Assessment Area Two Project costs not financed through the issuance of the Prior Bonds or the Series 2024 Phase Two Bonds will be paid for by Lennar Homes, LLC (the “Developer”).

The acquisition and maintenance obligations for the District’s proposed infrastructure improvements constituting the Assessment Area Two Project are described in summary as follows (a detailed description is included in the Engineer’s Report):

All of the surface water management and drainage system will be constructed by the Developer and will be acquired by the District. The District will be responsible for the operation and maintenance of such system.

The water distribution and wastewater collection sewer systems will be constructed by the Developer and will be acquired by the District and dedicated to the City of Palm Bay Utility Department upon certification of completion. Upon such transfer by the District, the ownership, operation and maintenance of these systems will be the responsibility of City of Palm Bay Utility Department.

Other construction items such as off-site utilities consist of but are not limited to general utilities, water main, force main, and sitework. The District will be responsible for the operation and maintenance of the portion of the system retained by the District which serves the Development.

The construction costs identified in this report were provided by the District Engineer. Special District Services, Inc., as District Manager, makes no representation regarding the accuracy or validity of those costs and did not undertake any analysis or verification regarding such costs.

### **3.0 FUNDING OF IMPROVEMENTS**

To defray the costs of construction and/or acquisition of a portion of the Assessment Area Two Project not otherwise financed with a portion of the proceeds of the Prior Bonds, the District will impose non-ad valorem special assessments on the assessable property within a portion of Assessment Area Two within the District represented by the 460 platted lots not encumbered by the lien securing the Prior Bonds (“Assessment Area Two – Phase Two”). These assessments are based on the direct, special and peculiar benefits accruing to such property from the improvements comprising the Assessment Area Two Project not otherwise financed with a portion of the proceeds of the Prior Bonds. The use of non-ad valorem special assessments has an advantage in that the properties that receive the direct and special benefits from the Assessment Area Two Project are the only properties that are obligated to pay for those facilities and services. Without these improvements, development of the property would not be possible. The capital facilities which will be funded through these special assessments include only facilities which may be undertaken by a community development district under Chapter 190, F.S. This Third Supplemental Report is designed to meet the requirements of Chapters 170, 190 and 197, F.S. and will describe the expected terms and conditions of the Series 2024 Phase Two Bonds.

In summary, special assessments may be made only: (1) for facilities which provide direct and special benefits to property as distinct from general benefits, (2) against property which receives that direct and special benefit, (3) in proportion to the benefits received by such properties, and (4) according to fair and reasonable methods that the governing body of the jurisdiction determines. The special assessments (both capital special assessments and operation and maintenance special assessments) placed upon the benefited properties within the District must be sufficient to cover the debt service of the Series 2024 Phase Two Bonds that will be issued for financing a portion of the Assessment Area Two Project and to pay the costs to maintain those portions of the infrastructure that remain under the ownership of the District. The assessments must be fairly and reasonably allocated to the properties being assessed.

### **4.0 ALLOCATION OF BENEFIT AND ASSESSMENTS**

In developing the methodology used for special assessments for Phase Two of Assessment Area Two within the District, two (2) interrelated factors were used:

- A. Allocation of Benefit: Each parcel of assessable land within Assessment Area Two within the District not otherwise encumbered by the lien securing the Prior Bonds benefits from the proposed improvements.
- B. Cost/Benefit: The special assessments imposed on each assessable parcel of land within Assessment Area Two not otherwise encumbered by the lien securing the Prior Bond within the District cannot exceed the value of the direct and benefits provided to such parcel.

The planned improvements comprising the Assessment Area Two Project is an integrated system of facilities designed to provide benefits to the assessable property within Assessment Area Two within the District as a whole. The Assessment Area Two Project is intended to work as a total

system which will provide direct and special benefits for each unit type. The fair and reasonable method of allocating the benefit to each planned residential unit has been accomplished by assigning an *equivalent residential unit* (“ERU”) to each unit. Therefore, for the purpose of this Third Supplemental Report each 50 foot single family residential unit will be assigned one (1) ERU. The proposed land uses will be assigned as follows in **Table 2**.

**Table 2 – Equivalent Residential Unit (ERU)**

| <b><u>Product Type</u></b> | <b><u># of Units</u></b> | <b><u>ERU</u></b> |
|----------------------------|--------------------------|-------------------|
| Duplex                     | 150                      | 0.966             |
| Townhome                   | 234                      | 0.966             |
| SF 40'                     | 228                      | 1.000             |
| SF 50'                     | 166                      | 1.000             |
| SF 60'                     | 62                       | 1.017             |
| <b>Total Units</b>         | <b>840</b>               |                   |

The special assessments for the Series 2024 Phase Two Bonds will be levied across 460 platted residential units in Assessment Area Two – Phase Two within the District as represented in **Table F**.

In view of the approved land use plan for the Assessment Area Two Project in the District and the type of infrastructure to be funded by the proposed special assessments securing the Series 2024 Phase Two Bonds, this method results in a fair allocation of benefits and an equitable allocation of costs for the Series 2024 Phase Two Bonds. However, if future re-platting results in changes in land use or proportion of benefit per unit type, this allocation methodology may not be applicable and it may be necessary for the District to revise the allocation methodology.

To defray the applicable operation and maintenance costs for the portions of the Assessment Area Two Project that will be owned and maintained by the District, the District will impose on an annual basis non-ad valorem Operations and Maintenance (“O&M”) special assessments on the benefitted real property within Assessment Area Two – Phase Two within the District not otherwise encumbered by the lien securing the Prior Bonds.

**5.0 COLLECTION OF SPECIAL ASSESSMENTS**

The proposed special assessments relating to the Series 2024 Phase Two Bonds will be collected through the Uniform Method of Collection described in Chapter 197, Section 197.3632; F.S. or any other legal means available to the District.

Since there are costs associated with the collection of the special assessments (whether by uniform method of collection as authorized under Chapter 197.3632, F.S. or other methods allowed by Florida law), these costs must also be included in the special assessment levy. These costs generally include the 1% collection fee of the County Tax Collector, a 1% service fee of the County Property Appraiser and a 4% discount for early payment of taxes. These additional costs may be

reflected by dividing the annual debt service and operation and maintenance assessment amounts by 0.94.

## **6.0 FINANCING STRUCTURE**

The estimated cost of the Assessment Area Two Project is approximately \$22,503,843. The construction program and the estimated costs associated therewith are identified herein on **Table A**. A portion of the capital improvements comprising the Assessment Area Two Project not otherwise financed with a portion of the proceeds of the Prior Bonds will be financed by the Series 2024 Phase Two Bonds, which will be payable from and secured by special assessments levied annually on 460 platted lots within Assessment Area Two Phase Two within in the District. The principal amount of the Series 2024 Phase Two Bonds to be issued to finance a portion of the Assessment Area Two Project is \$9,670,000.\* The proceeds of the Series 2024 Phase Two Bonds will provide approximately \$8,820,014\* for construction and/or acquisition and related costs. The sizing of the Series 2024 Phase Two Bonds includes a debt service reserve fund, capitalized interest, issuance costs and underwriter’s discount as shown herein on **Table B**.

## **7.0 MODIFICATIONS, REVISIONS AND TRUE-UP MECHANISM**

Allocation of costs and benefits, shown herein on **Table C** and **Table D**, for the infrastructure improvements financed by the District for the Assessment Area Two Project (estimated at \$22,503,843) is initially based on the development of 460 dwelling units projected to be developed within Assessment Area Two – Phase Two within the District and benefited by the infrastructure improvements comprising the Assessment Area Two Project not otherwise financed with a portion of the proceeds of the Prior Bonds. Based on the estimated Series 2024 Phase Two Bond size of \$9,670,000\*, at an estimated interest rate of 5.35%, the maximum annual debt service for the Series 2024 Phase Two Bonds as shown herein on **Table E**, will be \$654,500, which has not been grossed up to include the 1% County Tax Collector fee, 1% County Property Appraiser fee, and 4% discount for early payment of taxes.

To ensure that each residential dwelling unit within Assessment Area Two – Phase Two is assessed no more than their pro-rata amount of the maximum annual debt service shown herein on **Table E**, the District will be required to perform a “true-up” analysis, which requires a computation at the time of submission of any re-plat to determine the potential remaining assessable dwelling units in the District. The District shall, at the time a re-plat within the District is submitted to the City:

A. Assume that the total number of assessable residential units being utilized as a basis for this assessment methodology is as described below, **Table 2** (“Total Assessable Lots/Units”).

---

\* Preliminary, subject to change.

**Table 2 – Total Assessable Lots/Units for  
Assessment Area Two - Phase Two within the District**

| <b>Land Use Category</b> | <b>Unit</b>        |
|--------------------------|--------------------|
| Duplex                   | 96 Dwelling units  |
| Townhome                 | 154 Dwelling units |
| SF 40'                   | 104 Dwelling units |
| SF 50'                   | 106 Dwelling units |

**B.** Ascertain the number of assessable residential dwelling units in the proposed re-plat and all prior plats (“Planned Assessable Units”).

**C.** Ascertain the current amount of potential remaining assessable dwelling units (“Remaining Assessable Units”).

If the Planned Assessable Lots/Units are equal to the Total Assessable Lots/Units no action would be required at that time. However, if the sum of the Planned Assessable Lots/Units and the Remaining Assessable Lots/Units are less than an estimated number reflected in **Table 2**, the Developer will be obligated by the District to remit to the District an amount of money sufficient to enable the District to retire an amount of Series 2024 Phase Two Bonds plus accrued interest such that the amount of non-ad valorem special assessments allocated to each Planned Assessable Lot does not exceed the amount of debt service that would have been allocated thereto had the total number of Planned Assessable Lots/Units and Remaining Assessable Lots/Units not changed from what is represented in **Table 2**. Conversely, if the Planned Assessable Lots/Units and Remaining Assessable Lots/Units of the residential lots/units is greater than the Total Assessable Lots/Units, then, there will be a pro-rata decrease in the annual non-ad valorem assessments to all of the benefited properties.

All assessments levied run with the land. In the event of a replat, a determination of a true-up payment shall be based on the terms and provisions of the applicable assessment resolutions. It is the responsibility of the landowner of record to make any required true-up payments that are due. The District will not release any liens on the property for which true-up payments are due until provision for such payment has been satisfied.

**8.0 PRELIMINARY ASSESSMENT ROLL**

Assessable lands in Assessment Area Two within the District consist of 291.11+/- acres as described in **Exhibit “A”** attached hereto and as outlined herein on **Table F**. The estimated par amount of Series 2024 Phase Two Bonds to be issued by the District to pay for a portion of the Assessment Area Two Project not otherwise financed with a portion of the proceeds of the Prior

Bonds will be \$9,670,000.\* For the purpose of this Third Supplemental Report each assessable unit in Assessment Area Two – Phase Two of the Development, represented by the 460 planned residential units within Assessment Area Two which have been platted, will be assigned a portion of par Series 2024 Phase Two Bond debt as described herein on **Table D**.

When fully developed, Assessment Area Two is planned for a total of 840 dwelling units as identified herein on **Tables C**.

If the Developer transfers the lands within the District to an entity which will in turn own or have the option to acquire lands within the District, which lands are responsible for the payment of at least 20% of the Assessments, the Developer agrees to assign and retain, if applicable, its respective obligations set forth herein to its successor in interest.

5. **Quarterly Reports.**

(a) The Dissemination Agent shall, no later than (10) days prior to the end of each calendar quarter commencing with the calendar quarter ending June 30, 2025, provide a written request to the Developer to provide the corresponding Quarterly Report and, upon receipt of such request, the Developer, so long as it is an Obligated Person, shall provide such Quarterly Report no later than thirty (30) days after the end of each calendar quarter to the Dissemination Agent and to any Bondholders that request a Quarterly Report. Notwithstanding the foregoing, the Developer, so long as it is an Obligated Person, shall prepare the Quarterly Report for the calendar quarter ending December 31 of each year no later than thirty (30) days after the end of such calendar quarter and provide such Quarterly Report to the Dissemination Agent, regardless of whether or not the Developer receives a written request from the Dissemination Agent pursuant to the preceding sentence for such Quarterly Report. The Dissemination Agent shall provide all such Quarterly Reports to each Repository promptly upon receipt but in no event later than the corresponding Quarterly Filing Date. Notwithstanding the foregoing, if and for so long as the Developer is a reporting company, such thirty (30) days shall be extended to the date of filing of the Primary Developer's 10K or 10Q, if later, as the case may be. At such time as the Developer (or its successors or assigns) is no longer an Obligated Person, the Developer (or its successors or assigns) will no longer be obligated to prepare the Quarterly Reports as it relates to the District.

The Transferor Obligated Person shall notify the District and the Dissemination Agent in writing of any Transfer within five (5) Business Days of the occurrence thereof. Nothing herein shall be construed to relieve the Developer or the DRP Landowner, as applicable, from its obligations hereunder except to the extent a written Assignment from a Transferee is obtained and delivered to the Dissemination Agent and then only to the extent of such Assignment.

(d) If the Dissemination Agent has not received a Quarterly Report from each Obligated Person that contains, at a minimum, the information in Section 5(b) of this Disclosure Agreement by 12:00 noon on the first (1st) Business Day following each Quarterly Filing Date, a Listed Event described in Section 6(a)(xvii) shall have occurred and the District and each Obligated Person hereby direct the Dissemination Agent to send a notice to the Repository in substantially the form attached as Exhibit A, with a copy to the District. The Dissemination Agent shall file such notice no later than thirty (30) days following the applicable Quarterly Filing Date.

(d) If the Dissemination Agent has been instructed by the Issuer to report the occurrence of a Listed Event, the Dissemination Agent shall immediately file a notice of such occurrence with each Repository.

7. **Termination of Disclosure Agreement.** This Disclosure Agreement shall terminate upon the defeasance, prior redemption or payment in full of all of the Bonds. Notwithstanding the prior sentence, the Developer's or the DRP Landowner's obligations under this Disclosure Agreement shall terminate at such time as the Developer or the DRP Landowner is no longer an Obligated Person and the Developer's or the DRP Landowner's obligations under Section 5(b)(ix), if any, are satisfied.

8. **Prior Undertakings.** Except as otherwise disclosed in the Limited Offering Memorandum, each of the Developer and the DRP Landowner hereby represents and warrants

that to its knowledge it has provided on a timely basis all reporting information requested by the applicable dissemination agent with respect to prior continuing disclosure agreements entered into pursuant to the Rule. The Developer has been made aware of instances where the information required to be provided to the dissemination agents was not timely requested, not filed with the appropriate repository or, if filed, not filed on a timely basis. The Developer has instituted internal processes to provide information to the Dissemination Agent on a timely basis and obtained assurances from the Dissemination Agent that it will in turn request the required reporting information timely and file such information timely with the appropriate repository.

9. **Dissemination Agent.** Upon termination of the Dissemination Agent's services as Dissemination Agent, whether by notice of the Issuer or the Dissemination Agent, the Issuer agrees to appoint a successor Dissemination Agent or, alternatively, agrees to assume all responsibilities of Dissemination Agent under this Disclosure Agreement for the benefit of the Holders of the Bonds. The initial Dissemination Agent shall be Special District Services, Inc., Palm Beach Gardens, Florida. The acceptance of such designation is evidenced by the execution of this Disclosure Agreement by a duly authorized signatory of Special District Services, Inc. Special District Services, Inc. may terminate its role as Dissemination Agent at any time upon delivery of thirty (30) days prior written notice to the District and each Obligated Person.

10. **Amendment; Waiver.** Notwithstanding any other provision of this Disclosure Agreement, the Issuer, the Developer and the Dissemination Agent may amend this Disclosure Agreement, and any provision of this Disclosure Agreement may be waived, if such amendment or waiver is supported by an opinion of counsel expert in federal securities laws, acceptable to the Issuer, to the effect that such amendment or waiver would not, in and of itself, cause the undertakings herein to violate the Rule if such amendment or waiver had been effective on the date hereof but taking into account any subsequent change in or official interpretation of the Rule.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Issuer shall describe such amendment and/or waiver in the next Annual Report and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change in accounting principles, or the presentation) of financial information or operating data being presented by the Issuer. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements: (i) notice of such change shall be given in the same manner as for a Listed Event under Section 6(b); and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Notwithstanding the above provisions of this Section 10, no amendment to the provisions of Section 5(b) hereof may be made without the consent of each Obligated Person, if any.

11. **Additional Information.** Nothing in this Disclosure Agreement shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Issuer chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

12. **Default.** In the event of a failure of the Issuer, the Disclosure Representative, any Obligated Person or the Dissemination Agent to comply with any provision of this Disclosure Agreement, the Trustee shall, at the request of any Participating Underwriter or the Beneficial Owners of at least twenty-five percent (25%) aggregate principal amount of Outstanding Bonds and receipt of indemnity satisfactory to the Trustee, or any Beneficial Owner of a Bond may take such actions as may be necessary and appropriate, including seeking mandamus or specific performance by court order, to cause the Issuer, the Disclosure Representative, any Obligated Person or a Dissemination Agent, as the case may be, to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement by any Obligated Person, the Disclosure Representative or Dissemination Agent shall not be deemed a default by the Issuer hereunder and no default hereunder shall be deemed an Event of Default under the Indenture, and the sole remedy under this Disclosure Agreement in the event of any failure of the Issuer, the Disclosure Representative, any Obligated Person, or a Dissemination Agent, to comply with this Disclosure Agreement shall be an action to compel performance.

13. **Duties of Dissemination Agent.** The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement among the District, the Developer, the DRP Landowner and such Dissemination Agent. The Dissemination Agent shall have no obligation to notify any other party hereto of an event that may constitute a Listed Event. The District, each Obligated Person and the Disclosure Representative covenant that they will supply, in a timely fashion, any information reasonably requested by the Dissemination Agent that is necessary in order for the Dissemination Agent to carry out its duties under this Disclosure Agreement. The District, the Developer, the DRP Landowner and the Disclosure Representative acknowledge and agree that the information to be collected and disseminated by the Dissemination Agent will be provided by the District, Obligated Person(s), the Disclosure Representative and others. The Dissemination Agent's duties do not include authorship or production of any materials, and the Dissemination Agent shall have no responsibility hereunder for the content of the information provided to it by the District, any Obligated Person or the Disclosure Representative as thereafter disseminated by the Dissemination Agent. Any filings under this Disclosure Agreement made to the MSRB through EMMA shall be in an EMMA Compliant Format and shall include the applicable CUSIP number(s) for the Bonds set forth in Exhibit A hereto, to which any such filing relates.

14. **Beneficiaries.** This Disclosure Agreement shall inure solely to the benefit of the Issuer, the Developer, the DRP Landowner, the Dissemination Agent, the Trustee, the Participating Underwriter and the Owners of the Bonds (the Dissemination Agent, Participating

Underwriter and Owners of the Bonds being hereby deemed express third party beneficiaries of this Disclosure Agreement), and shall create no rights in any other person or entity.

15. **Tax Roll and Budget.** Upon the request of the Dissemination Agent, the Trustee or any Bondholder, the Issuer, through its District Manager, if applicable, agrees to provide such party with a certified copy of its most recent tax roll provided to the Brevard County Tax Collector and the Issuer's most recent adopted budget.

16. **Governing Law.** The laws of the State of Florida and Federal law shall govern this Disclosure Agreement and venue shall be any state or federal court having jurisdiction in Brevard County, Florida.

17. **Counterparts.** This Disclosure Agreement may be executed in several counterparts and by PDF signature and all of which shall constitute but one and the same instrument.

18. **Trustee Cooperation.** The Issuer represents that the Dissemination Agent is a bona fide agent of the Issuer and the Issuer instructs the Trustee to deliver to the Dissemination Agent at the expense of the Issuer, any information or reports in the possession of or readily available to the Trustee which the Dissemination Agent requests in writing.

19. **Binding Effect.** This Disclosure Agreement shall be binding upon each party to this Disclosure Agreement and upon each successor and assignee of each party to this Disclosure Agreement and shall inure to the benefit of, and be enforceable by, each party to this Disclosure Agreement and each successor and assignee of each party to this Disclosure Agreement. Notwithstanding the foregoing, as to the Developer, the DRP Landowner or any assignee or successor thereto that becomes an Obligated Person pursuant to the terms of this Disclosure Agreement, only successor or assignees to such parties who are, by definition, Obligated Persons, shall be bound or benefited by this Disclosure Agreement.

**INDEPENDENT AUDITOR'S REPORT**

To the Board of Supervisors  
Everlands Community Development District  
City of Palm Bay, Florida

**Report on the Audit of the Financial Statements**

***Opinions***

We have audited the accompanying financial statements of the governmental activities and each major fund of Everlands Community Development District, City of Palm Bay, Florida ("District") as of and for the fiscal year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the District as of September 30, 2023, and the respective changes in financial position thereof for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

***Basis for Opinions***

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

***Responsibilities of Management for the Financial Statements***

The District's management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

***Auditor's Responsibilities for the Audit of the Financial Statements***

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

#### ***Required Supplementary Information***

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

#### ***Other Information Included in the Financial Report***

Management is responsible for the other information included in the financial report. The other information comprises the information for compliance with FL Statute 218.39 (3) (c) but does not include the financial statements and our auditor's report thereon. Our opinions on the financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

#### ***Other Reporting Required by Government Auditing Standards***

In accordance with Government Auditing Standards, we have also issued our report dated June 7, 2024, on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. The purpose of that report is solely to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with Government Auditing Standards in considering the District's internal control over financial reporting and compliance.

### FINANCIAL HIGHLIGHTS

- Due to the accrual of debt service, the District's liabilities exceeded its assets at the close of the most recent fiscal year resulting in a net position balance of (\$773,970). Further, financial condition assessment procedures have been applied and no deteriorating financial conditions were noted.
- The change in the District's total net position was (\$478,117), a decrease. The key components of the District's net position and change in net position are reflected in the table in the government-wide financial analysis section.
- At September 30, 2023, the District's governmental funds reported combined ending fund balances of \$196,298 an increase of \$150,142 in comparison with the prior fiscal year. The total fund balance is restricted for debt service and capital projects and the remainder is unassigned fund balance in the general fund.

### OVERVIEW OF FINANCIAL STATEMENTS

This discussion and analysis are intended to serve as the introduction to the District's basic financial statements. The District's basic financial statements are comprised of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

#### Government-Wide Financial Statements

The government-wide financial statements are designed to provide readers with a broad overview of the District's finances, in a manner similar to a private-sector business.

The statement of net position presents information on all the District's assets and liabilities with the residual amount being reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the District is improving or deteriorating.

The statement of activities presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods.

The government-wide financial statements include all governmental activities that are principally supported by assessments and Developer contributions. The District does not have any business-type activities. The governmental activities of the District include the general government (management) and maintenance functions.

#### Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The District, like other state and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. All of the funds of the District can be divided into one category governmental funds.

## OVERVIEW OF FINANCIAL STATEMENTS (Continued)

### Governmental Funds

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflow of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a District's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the District's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The District maintains three governmental funds for external reporting. Information is presented separately in the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances for the general fund, debt service fund and capital projects fund, all of which are considered major funds.

The District adopts an annual appropriated budget for its general fund. A budgetary comparison schedule has been provided for the general fund to demonstrate compliance with the budget.

### Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

GOVERNMENT-WIDE FINANCIAL ANALYSIS (Continued)

The District's net position reflects its investment in capital assets (e.g. land, land improvements, and infrastructure); less any related debt used to acquire those assets that is still outstanding. These assets are used to provide services to residents; consequently, these assets are not available for future spending. Although the District's investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

The restricted portion of the District's net position represents resources that are subject to external restrictions on how they may be used. The remaining balance of unrestricted net position may be used to meet the District's other obligations.

The District's net position decreased during the most recent fiscal year. The majority of the decrease was due to conveyance of infrastructure.

Key elements of the change in net position are reflected in the following table:

As noted above and in the statement of activities, the cost of all governmental activities for the fiscal year ended September 30, 2023 was \$881,844. The costs of the District's activities were partially funded by program revenues. Program revenues are comprised of assessments and Developer Contributions. The remainder of current fiscal year revenue includes interest revenue. Expenses increased due to conveyance of infrastructure during the current fiscal year.

GENERAL BUDGETING HIGHLIGHTS

An operating budget was adopted and maintained by the governing board for the District pursuant to the requirements of Florida Statutes. The budget is adopted using the same basis of accounting that is used in preparation of the fund financial statements. The legal level of budgetary control, the level at which expenditures may not exceed budget, is in the aggregate. Any budget amendments that increase the aggregate budgeted appropriations must be approved by the Board of Supervisors. The general fund budget for the fiscal year ended September 30, 2023 was amended to increase revenues by \$2,354 and decrease appropriations by (\$11,717). Actual general fund expenditures did not exceed appropriations for the fiscal year ended September 30, 2023.

**EVERLANDS COMMUNITY DEVELOPMENT DISTRICT  
CITY OF PALM BAY, FLORIDA  
NOTES TO FINANCIAL STATEMENTS**

**NOTE 1 – NATURE OF ORGANIZATION AND REPORTING ENTITY**

Everlands Community Development District ("District") was created on March 5, 2020 by the City Council of the City of Palm Bay, Florida as Ordinance 2020-17, pursuant to the Uniform Community Development District Act of 1980, otherwise known as Chapter 190, Florida Statutes. The Act provides among other things, the power to manage basic services for community development, power to borrow money and issue Bonds, and to levy and assess non-ad valorem assessments for the financing and delivery of capital infrastructure.

The District was established for the purposes of financing and managing the acquisition, construction, maintenance and operation of a portion of the infrastructure necessary for community development within the District.

The District is governed by the Board of Supervisors ("Board"), which is composed of five members. The Supervisors are elected by the owners of the property within the District. The Board of Supervisors of the District exercise all powers granted to the District pursuant to Chapter 190, Florida. All of the Board members are affiliated with the ("Developer") Lennar Homes, LLC.

The Board has the responsibility for:

1. Assessing and levying assessments.
2. Approving budgets.
3. Exercising control over facilities and properties.
4. Controlling the use of funds generated by the District.
5. Approving the hiring and firing of key personnel.
6. Financing improvements.

The financial statements were prepared in accordance with Governmental Accounting Standards Board ("GASB") Statements. Under the provisions of those standards, the financial reporting entity consists of the primary government, organizations for which the District is considered to be financially accountable and other organizations for which the nature and significance of their relationship with the District are such that, if excluded, the financial statements of the District would be considered incomplete or misleading. There are no entities considered to be component units of the District; therefore, the financial statements include only the operations of the District.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES**

**Government-Wide and Fund Financial Statements**

The basic financial statements include both government-wide and fund financial statements.

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the non-fiduciary activities of the primary government. For the most part, the effect of interfund activity has been removed from these statements.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment is offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. *Program revenues* include 1) charges to customers who purchase, use, or directly benefit from goods, services, or privileges provided by a given function or segment; operating-type special assessments for maintenance and debt service are treated as charges for services and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Other items not included among program revenues are reported instead as *general revenues*.

## **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

### **Measurement Focus, Basis of Accounting and Financial Statement Presentation**

The government-wide financial statements are reported using the *economic resources measurement focus* and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Assessments are recognized as revenues in the year for which they are levied. Grants and similar items are to be recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures are recorded only when payment is due.

### **Assessments**

Assessments are non-ad valorem assessments on certain land and all platted lots within the District. Assessments are levied each November 1 on property of record as of the previous January. The fiscal year for which annual assessments are levied begins on October 1 with discounts available for payments through February 28 and become delinquent on April 1. For debt service assessments, amounts collected as advance payments are used to prepay a portion of the Bonds outstanding. Otherwise, assessments are collected annually to provide funds for the debt service on the portion of the Bonds which are not paid with prepaid assessments.

Assessments and interest associated with the current fiscal period are considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. The portion of assessments receivable due within the current fiscal period is considered to be susceptible to accrual as revenue of the current period.

The District reports the following major governmental fund:

### **General Fund**

The general fund is the general operating fund of the District. It is used to account for all financial resources except those required to be accounted for in another fund.

### **Debt Service Fund**

The debt service fund is used to account for the accumulation of resources for the annual payment of principal and interest on long-term debt.

### **Capital Projects Fund**

This fund accounts for the financial resources to be used for the acquisition or construction of major infrastructure within the District.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements.

When both restricted and unrestricted resources are available for use, it is the government's policy to use restricted resources first for qualifying expenditures, then unrestricted resources as they are needed

### **Assets, Liabilities and Net Position or Equity**

#### **Restricted Assets**

These assets represent cash and investments set aside pursuant to Bond covenants or other contractual restrictions.

**NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

**Assets, Liabilities and Net Position or Equity (Continued)**

Deposits and Investments

The District's cash and cash equivalents are considered to be cash on hand and demand deposits (interest and non-interest bearing).

The District has elected to proceed under the Alternative Investment Guidelines as set forth in Section 218.415 (17) Florida Statutes. The District may invest any surplus public funds in the following:

- a) The Local Government Surplus Trust Funds, or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act;
- b) Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency;
- c) Interest bearing time deposits or savings accounts in qualified public depositories;
- d) Direct obligations of the U.S. Treasury.

Securities listed in paragraphs c and d shall be invested to provide sufficient liquidity to pay obligations as they come due. In addition, surplus funds may be deposited into certificates of deposit which are insured.

The District records all interest revenue related to investment activities in the respective funds. Investments are measured at amortized cost or reported at fair value as required by generally accepted accounting principles.

Inventories and Prepaid Items

Inventories of governmental funds are recorded as expenditures when consumed rather than when purchased.

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements.

Capital Assets

Capital assets, which include property, plant and equipment, and infrastructure assets (e.g., roads, sidewalks and similar items) are reported in the government activities columns in the government-wide financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than \$5,000 (amount not rounded) and an estimated useful life in excess of two years. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at acquisition value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

Property, plant and equipment of the District are depreciated using the straight-line method over the following estimated useful lives:

| <u>Assets</u>  | <u>Years</u> |
|----------------|--------------|
| Infrastructure | 15 - 40      |

In the governmental fund financial statements, amounts incurred for the acquisition of capital assets are reported as fund expenditures. Depreciation expense is not reported in the governmental fund financial statements.

Unearned Revenue

Governmental funds report unearned revenue in connection with resources that have been received, but not yet earned.

## **NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)**

### **Assets, Liabilities and Net Position or Equity (Continued)**

#### Long-Term Obligations

In the government-wide financial statements long-term debt and other long-term obligations are reported as liabilities in the statement of net position. Bond premiums and discounts are deferred and amortized ratably over the life of the Bonds. Bonds payable are reported net of applicable premiums or discounts. Bond issuance costs are expensed when incurred.

In the fund financial statements, governmental fund types recognize premiums and discounts, as well as issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

#### Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then.

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time.

#### Fund Equity/Net Position

In the fund financial statements, governmental funds report non spendable and restricted fund balance for amounts that are not available for appropriation or are legally restricted by outside parties for use for a specific purpose. Assignments of fund balance represent tentative management plans that are subject to change.

The District can establish limitations on the use of fund balance as follows:

Committed fund balance – Amounts that can be used only for the specific purposes determined by a formal action (resolution) of the Board of Supervisors. Commitments may be changed or lifted only by the Board of Supervisors taking the same formal action (resolution) that imposed the constraint originally. Resources accumulated pursuant to stabilization arrangements sometimes are reported in this category.

Assigned fund balance – Includes spendable fund balance amounts established by the Board of Supervisors that are intended to be used for specific purposes that are neither considered restricted nor committed. The Board may also assign fund balance as it does when appropriating fund balance to cover differences in estimated revenue and appropriations in the subsequent year's appropriated budget. Assignments are generally temporary and normally the same formal action need not be taken to remove the assignment.

The District first uses committed fund balance, followed by assigned fund balance and then unassigned fund balance when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

Net position is the difference between assets and deferred outflows of resources less liabilities and deferred inflows of resources. Net position in the government-wide financial statements are categorized as net investment in capital assets, restricted or unrestricted. Net investment in capital assets represents net position related to infrastructure and property, plant and equipment. Restricted net position represents the assets restricted by the District's Bond covenants or other contractual restrictions. Unrestricted net position consists of the net position not meeting the definition of either of the other two components.

## NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

### Other Disclosures

#### Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

## NOTE 3 – BUDGETARY INFORMATION

The District is required to establish a budgetary system and an approved Annual Budget. Annual Budgets are adopted on a basis consistent with generally accepted accounting principles for the general fund. All annual appropriations lapse at fiscal year-end.

The District follows these procedures in establishing the budgetary data reflected in the financial statements.

- a) Each year the District Manager submits to the District Board a proposed operating budget for the fiscal year commencing the following October 1.
- b) Public hearings are conducted to obtain public comments.
- c) Prior to October 1, the budget is legally adopted by the District Board.
- d) All budget changes must be approved by the District Board.
- e) The budgets are adopted on a basis consistent with generally accepted accounting principles.
- f) Unused appropriation for annually budgeted funds lapse at the end of the year.

## NOTE 4 – DEPOSITS AND INVESTMENTS

### Deposits

The District's cash balances were entirely covered by federal depository insurance or by a collateral pool pledged to the State Treasurer. Florida Statutes Chapter 280, "Florida Security for Public Deposits Act", requires all qualified depositories to deposit with the Treasurer or another banking institution eligible collateral equal to various percentages of the average daily balance for each month of all public deposits in excess of any applicable deposit insurance held. The percentage of eligible collateral (generally, U.S. Governmental and agency securities, state or local government debt, or corporate bonds) to public deposits is dependent upon the depository's financial history and its compliance with Chapter 280. In the event of a failure of a qualified public depository, the remaining public depositories would be responsible for covering any resulting losses.

### Investments

The District's investments were held as follows at September 30, 2023:

| <u>Investment</u>   | <u>Amortized Cost</u> | <u>Credit Risk</u> | <u>Maturities</u> |
|---------------------|-----------------------|--------------------|-------------------|
| US Bank Mmkt 5 - Ct | \$ 174,979            | Not available      | Not available     |
|                     | <u>\$ 174,979</u>     |                    |                   |

*Credit risk* – For investments, credit risk is generally the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. Investment ratings by investment type are included in the preceding summary of investments.

*Concentration risk* – The District places no limit on the amount the District may invest in any one issuer.

*Interest rate risk* – The District does not have a formal policy that limits investment maturities as a means of managing exposure to fair value losses arising from increasing interest rates.

**NOTE 4 – DEPOSITS AND INVESTMENTS (Continued)**

**Investments (Continued)**

However, the Bond Indenture limits the type of investments held using unspent proceeds.

*Fair Value Measurement* – When applicable, the District measures and records its investments using fair value measurement guidelines established in accordance with GASB Statements. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques.

These guidelines recognize a three-tiered fair value hierarchy, in order of highest priority, as follows:

- *Level 1:* Investments whose values are based on unadjusted quoted prices for identical investments in active markets that the District has the ability to access;
- *Level 2:* Investments whose inputs - other than quoted market prices - are observable either directly or indirectly; and,
- *Level 3:* Investments whose inputs are unobservable.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the entire fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Money market investments that have a maturity at the time of purchase of one year or less and are held by governments other than external investment pools should be measured at amortized cost. Accordingly, the District's investments have been reported at amortized cost above.

**NOTE 5 – CAPITAL ASSETS**

Capital asset activity for the fiscal year ended September 30, 2023 was as follows:

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS**

To the Board of Supervisors  
Everlands Community Development District  
City of Palm Bay, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and each major fund of Everlands Community Development District, Miami-Dade County, Florida ("District") as of and for the fiscal year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the District's basic financial statements, and have issued our opinion thereon dated June 7, 2024.

**Report on Internal Control Over Financial Reporting**

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

*A deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

**Report on Compliance and Other Matters**

As part of obtaining reasonable assurance about whether the District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

**Purpose of this Report**

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
