NEW ISSUES - BOOK-ENTRY ONLY LIMITED OFFERING

NOT RATED

In the opinion of Bond Counsel, assuming compliance with existing statutes, regulations, published rulings and court decisions, and assuming continuing compliance by the District with the tax covenants set forth in the Indenture, and the accuracy of certain representations included in the closing transcript for the 2024 Bonds, interest on the 2024 Bonds is, under Section 103 of the Code, excludable from gross income for federal income tax purposes and is not a specific preference item for purposes of the federal alternative minimum tax; however, such interest is taken into account in determining the adjusted financial statement income of applicable corporations for the purpose of computing the alternative minimum tax imposed on such corporations. See "TAX MATTERS" herein for a description of certain other federal tax consequences of ownership of the 2024 Bonds. Bond Counsel is further of the opinion that, pursuant to the Act, the 2024 Bonds and the interest thereon are exempt from taxation under the laws of the State of Florida, except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in Chapter 220.

RIVER HALL COMMUNITY DEVELOPMENT DISTRICT (LEE COUNTY, FLORIDA)

\$6,915,000* CAPITAL IMPROVEMENT REVENUE BONDS, SERIES 2024 (ASSESSMENT AREA 5)

INTRODUCTION

The purpose of this Limited Offering Memorandum is to set forth certain information in connection with the offering for sale by the River Hall Community Development District (the "District" or "Issuer") of its \$6,915,000* Capital Improvement Revenue Bonds, Series 2024 (Assessment Area 5) (the "2024 Bonds").

THE 2024 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE 2024 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFER IN ANY SECONDARY MARKET FOR THE 2024 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE 2024 BONDS. SEE "BONDOWNERS' RISKS" AND "SUITABILITY FOR INVESTMENT" HEREIN.

The District was established pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and pursuant to Chapter 42YY-1, Florida Administrative Code, implemented by the Florida Land and Water Adjudicatory Commission, effective on April 21, 2005, as amended by Rule 42YY-1.002, effective July 20, 2006. The District was established for purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined) and has previously determined to undertake, in one or more stages, the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of the District Lands. The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, or equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District include approximately 1,958 gross acres of land (the "District Lands") located approximately one-half mile south of Palm Beach Boulevard (State Road 80) and six miles east of Buckingham Road and Interstate 75, in an unincorporated portion of Lee County, Florida (the "County"). The District Lands are being developed as part of an approximately 1,978-acre residential development known as "River Hall" (the "Development"). At buildout, the Development is planned to include approximately 3,244 residential units. See "THE DEVELOPMENT" herein.

The District previously issued its 2005 Bonds to finance a portion of the public infrastructure improvements associated with prior phases of development of the District Lands (the "Original CIP"). The

^{*} Preliminary, subject to change.

Original CIP was anticipated to be constructed in five phases. The Original CIP is substantially complete. In addition, the District previously issued its 2020A Bonds (as defined herein) to finance additional public infrastructure improvements associated with the development of "Assessment Area 3" within the District and its 2023A Bonds (as defined herein) to finance additional public infrastructure improvements associated with the development of "Assessment Area 3" within the District and its 2023A Bonds (as defined herein) to finance additional public infrastructure improvements associated with the development of "Assessment Area 4." See "THE DISTRICT – Outstanding Bond Indebtedness and Prior Bond Defaults" for more information regarding the District's Prior Bonds (as defined herein), and "THE CAPITAL IMPROVEMENT PLAN AND 2024 PROJECT – General" and "THE DEVELOPMENT – General" herein for more information regarding the status of development within the District Lands.

"Assessment Area 5" corresponds to the seventh phase of land development within the District, which is planned to contain 297 residential lots consisting of: (i) the Townhome Parcel, which is planned to contain 202 townhome lots, and (ii) Parcel L within River Hall Country Club, which is planned to contain 95 single-family lots.

The 2024 Bonds are funding certain costs associated with the public infrastructure improvements required to support development of Assessment Area 5. Net proceeds of the 2024 Bonds will finance a portion of certain public infrastructure improvements, including without limitation, surface water management system, sanitary sewer system, water distribution system, and related professional fees relating to the development of Assessment Area 5 (as further defined herein, the "2024 Project"). See "THE CAPITAL IMPROVEMENT PLAN AND THE 2024 PROJECT – 2024 Project" herein for more information.

Proceeds of the 2024 Bonds will be used for the purposes of providing funds to: (i) finance a portion of the Cost of acquisition, construction, installation and equipping of a portion of the 2024 Project; (ii) pay a portion of the interest coming due on the 2024 Bonds; (iii) pay certain costs associated with the issuance of the 2024 Bonds; and (iv) fund the 2024 Reserve Account as provided in the Indenture (as defined herein). See "ESTIMATED SOURCES AND USES OF FUNDS" herein.

The 2024 Bonds are payable from and secured solely by the 2024 Pledged Revenues, which consist primarily of revenues received by the District from the 2024 Assessments (as defined herein). The 2024 Assessments will initially be levied over all of Assessment Area 5, which consists of approximately 56.04 gross acres planned for 297 residential lots. As the land within Assessment Area 5 is platted, the 2024 Assessments will be assigned to the platted lots therein in accordance with the Assessment Methodology. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY" hereto.

All of the lands within Assessment Area 5 are owned by RH Venture II, LLC, a Florida limited liability company, and RH Venture III, LLC, a Florida limited liability company (the "Landowners"). See "THE LANDOWNERS" herein for more information regarding the Landowners. The Landowners are in advanced negotiations with Lennar Homes (as defined herein) for the purchase of all 202 developed townhome lots planned within the Townhome Parcel in Assessment Area 5 and are also currently in contract negotiations with multiple homebuilders for the sale of the 95 single-family lots planned for Parcel L within Assessment Area 5. See "THE DEVELOPMENT – Builder Program" herein for more information.

The 2024 Bonds are being issued by the District pursuant to the Act, Resolution No. 2005-18 adopted by the Board of Supervisors of the District (the "Board") on June 17, 2005, as supplemented by Resolution No. 2024-12 adopted by the Board on September 5, 2024 (collectively, the "Bond Resolution"), and a Master Trust Indenture dated as of October 1, 2005 (the "Master Indenture"), by and between the District and U.S. Bank Trust Company, National Association (the "Trustee"), as successor in interest to Wachovia Bank, N.A., as amended and supplemented with respect to the 2024 Bonds by a Sixth Supplemental Trust Indenture dated as of November 1, 2024 (the "Sixth Supplemental Indenture" and,

together with the Master Indenture, the "Indenture"), by and between the District and the Trustee. Capitalized terms not defined herein shall have the meanings assigned to them in the Indenture. See "APPENDIX A: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SUPPLEMENTAL INDENTURE" attached hereto.

The 2024 Bonds will be secured by a pledge of the 2024 Pledged Revenues. "2024 Pledged Revenues" shall mean all revenues received by the District from the 2024 Assessments, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such 2024 Assessments or from the issuance and sale of tax certificates with respect to such 2024 Assessments; provided, however, that 2024 Pledged Revenues shall not include (A) any moneys transferred to the 2024 Rebate Fund, or investment earnings thereon and (B) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance special assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A) and (B) of this proviso). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE 2024 BONDS" herein.

There follows in this Limited Offering Memorandum a brief description of the District, the Landowners, the Development, the 2024 Project, Assessment Area 5 and summaries of the terms of the 2024 Bonds, the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and statute, and all references to the 2024 Bonds are qualified by reference to the definitive form thereof and the information with respect thereto contained in the Indenture. A copy of the Master Indenture and the proposed form of the Sixth Supplemental Indenture appear in APPENDIX A attached hereto.

This Limited Offering Memorandum speaks only as of its date and the information contained herein is subject to change.

Extraordinary Mandatory Redemption

*

The 2024 Bonds are subject to extraordinary mandatory redemption prior to maturity, in whole on any date or in part on any February 1, May 1, August 1 or November 1, in the manner determined by the Bond Registrar, at the Redemption Price of 100% of the principal amount thereof, without premium, together with accrued interest to the date of redemption, if and to the extent that any one or more of the following shall have occurred:

(a) from 2024 Prepayment Principal (as defined in the Indenture) deposited into the 2024 Prepayment Subaccount of the 2024 Redemption Account;

(b) on or after the Completion Date of the 2024 Project, by application of moneys remaining in the 2024 Acquisition and Construction Account of the Acquisition and Construction Fund not reserved by the District for the payment of any remaining part of the Cost of the 2024 Project, all of which shall be transferred to the 2024 Redemption Account of the Debt Service Fund and credited toward extinguishment of the 2024 Assessments and applied toward the redemption of the 2024 Bonds, in accordance with the manner it has credited such excess moneys toward extinguishment of 2024 Assessments, which the District shall describe to the Trustee in writing; or

(c) from amounts transferred to the 2024 Prepayment Subaccount of the 2024 Redemption Account resulting from a reduction in the 2024 Reserve Account Requirement as provided for in the Indenture, and, on the date on which the amount on deposit in the 2024 Reserve Account, together with other moneys available therefor, are sufficient to pay and redeem all of the 2024 Bonds then Outstanding, including accrued interest thereon.

If less than all of the 2024 Bonds shall be called for redemption, the particular 2024 Bonds or portion of 2024 Bonds to be redeemed shall be selected by lost by the Registrar as provided in the Indenture.

Notice of Redemption and of Purchase

When required to redeem or purchase 2024 Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall cause notice of the redemption to be given by the Bond Registrar not less than thirty (30) nor more than forty-five (45) days prior to the date fixed for redemption by first-class mail, postage prepaid, to any Paying Agent for the 2024 Bonds to be redeemed and to the registered Owner of each 2024 Bond to be redeemed, at the address of such registered Owner, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the 2024 Bonds for which notice was duly mailed in accordance with the Indenture.

Purchase of 2024 Bonds

The District may purchase a 2024 Bond in the open market at a price no higher than the highest redemption price (including premium, if any) for the 2024 Bond to be so purchased with any funds legally available therefor and any such 2024 Bonds so purchased shall be credited to the amounts otherwise required to be deposited for the payment of 2024 Bonds as provided in the Indenture.

Book-Entry Only System

The information in this caption concerning DTC and DTC's book-entry system has been obtained from DTC and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

The Depository Trust Company ("DTC"), New York, NY, will act as securities depository for the 2024 Bonds. The 2024 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered 2024 Bond certificate will be issued for each maturity of the 2024 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules

applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of 2024 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the 2024 Bonds on DTC's records. The ownership interest of each actual purchaser of each 2024 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the 2024 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the 2024 Bonds, except in the event that use of the book-entry system for the 2024 Bonds is discontinued.

To facilitate subsequent transfers, all 2024 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the 2024 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the 2024 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such 2024 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of 2024 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the 2024 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the 2024 Bond documents. For example, Beneficial Owners of 2024 Bonds may wish to ascertain that the nominee holding the 2024 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the 2024 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such 2024 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the 2024 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the 2024 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and interest payments on the 2024 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or

registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the 2024 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, 2024 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, 2024 Bond certificates will be printed and delivered to DTC.

SECURITY FOR AND SOURCE OF PAYMENT OF THE 2024 BONDS

General

NEITHER THE 2024 BONDS NOR THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON SHALL CONSTITUTE A GENERAL OBLIGATION OR GENERAL INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF THE CONSTITUTION AND LAWS OF THE STATE OF FLORIDA (THE "STATE"). THE 2024 BONDS AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE INDENTURE AUTHORIZING THE ISSUANCE OF THE 2024 BONDS. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE 2024 BONDS. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE 2024 BONDS, SHALL BE PAYABLE SOLELY FROM. AND SHALL BE SECURED SOLELY BY, THE 2024 PLEDGED REVENUES AND THE 2024 PLEDGED FUNDS AND ACCOUNTS PLEDGED TO THE 2024 BONDS, ALL AS PROVIDED IN THE INDENTURE.

The 2024 Bonds will be secured by a pledge of the 2024 Pledged Revenues. "2024 Pledged Revenues" shall mean all revenues received by the District from the 2024 Assessments, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such 2024 Assessments or from the issuance and sale of tax certificates with respect to such 2024 Assessments; provided, however, that 2024 Pledged Revenues shall not include (A) any moneys transferred to the 2024 Rebate Fund, or investment earnings thereon and (B) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance special assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A) and (B) of this proviso).

The "2024 Assessments" consist of the non-ad valorem special assessments levied in an amount corresponding to the debt service on the 2024 Bonds against the lands within Assessment Area 5 specially benefited by the 2024 Project or any portion thereof, pursuant to Section 190.022 of the Act, and the

Assessment Resolutions (as defined in the Indenture) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the "Assessment Proceedings"), all as more specifically provided herein. Non-ad valorem assessments are not based on millage and are not taxes, but are a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The 2024 Assessments will constitute a lien against the lands as to which the 2024 Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

The Assessment Methodology (as hereinafter defined), which describes the methodology for allocating the 2024 Assessments to the assessable lands within Assessment Area 5, is included as APPENDIX D attached hereto.

In the Master Indenture, the District has covenanted that, if any Assessment (including the 2024 Assessments) shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Assessment when it might have done so, the District shall either (i) take all necessary steps to cause a new Assessment to be made for the whole or any part of said improvement or against any property benefited by said improvement, or (ii) in its sole discretion, make up the amount of such Assessment from any legally available moneys, which moneys shall be deposited into the Series Account in the Revenue Fund. In case such second Assessment shall be annulled, the District shall obtain and make other Assessments until a valid Assessment shall be made.

Prepayment of 2024 Assessments

Pursuant to the Assessment Proceedings, an owner of property subject to the 2024 Assessments may, at its option, prepay the entire amount of the 2024 Assessment attributable to such owner's property subject to 2024 Assessments at any time, or a portion of the amount of the 2024 Assessment, provided the prepayment includes all accrued interest to the next succeeding interest payment date or to the second succeeding interest payment date if such prepayment is made within forty-five (45) calendar days before an interest payment date.

Pursuant to the Act, an owner of property subject to the levy of 2024 Assessments may pay the entire balance of the 2024 Assessments remaining due, without interest, within thirty (30) days after the 2024 Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the 2024 Project pursuant to Chapter 170.09, Florida Statutes. The Landowners will covenant to waive this right in connection with the lands within Assessment Area 5 in connection with the issuance of the 2024 Bonds. Such declaration will be recorded in the public records of the County.

Any prepayment of 2024 Assessments is to be applied to the extraordinary mandatory redemption of 2024 Bonds, as indicated under "DESCRIPTION OF THE 2024 Bonds – Redemption Provisions – Extraordinary Mandatory Redemption." The prepayment of 2024 Assessments does not entitle the owner of the property to a discount for early payment.

The 2024 Bonds are subject to extraordinary mandatory redemption as indicated under "DESCRIPTION OF THE 2024 BONDS – Redemption Provisions – Extraordinary Mandatory Redemption" from optional prepayments of 2024 Assessments by property owners.

Covenant Against Sale or Encumbrance

In the Master Indenture, the District has covenanted that (a) except for those improvements comprising the 2024 Project that are to be conveyed by the District to the County, the State Department of Transportation or another governmental entity, as to which no assessments of the District will be imposed

and (b) except as otherwise permitted in the Indenture, it will not sell, lease or otherwise dispose of or encumber the 2024 Project or any part thereof. See "APPENDIX A: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SUPPLEMENTAL INDENTURE" attached hereto for more information.

Additional Obligations

Other than Bonds issued to refund a portion of Outstanding 2024 Bonds, the issuance of which as determined by the District results in present value debt service savings, the District shall not issue or incur any debt payable in whole or in part from the 2024 Pledged Revenues other than the 2024 Bonds. So long as there are any 2024 Bonds Outstanding, the District shall not issue any Bonds or other debt obligations (the "Additional Bonds"), secured by Assessments on any parcels within Assessment Area 5 until at least seventy-five percent (75%) of the principal amount of the 2024 Assessments have been allocated to tax parcels with respect to which a certificate of occupancy has been issued for a structure thereon. The provisions of the immediately preceding sentence shall not apply to any Bonds or other debt obligations secured by Assessments on properties other than Assessment Area 5. Further, notwithstanding such restriction, the District may issue Bonds secured by Assessments on lands in Assessment Area 5 for the health, safety, welfare or repairs. Prior to the delivery of any such Additional Bonds or other debt obligations, the District will deliver a written certificate from the District Manager to the Trustee on which it may conclusively rely that all of the applicable conditions set forth above have been met.

The District (subject to the limitations described in the preceding paragraph) and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the 2024 Assessments without the consent of the Owners of the 2024 Bonds. The District imposes certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the 2024 Assessments, on the same lands upon which the 2024 Assessments are imposed to fund maintenance and operation costs of the District. See also "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information.

Acquisition and Construction Account

The Sixth Supplemental Indenture establishes a separate account within the Acquisition and Construction Fund designated as the "2024 Acquisition and Construction Account." Amounts deposited to the 2024 Acquisition and Construction Account shall be applied to Costs of the 2024 Project in accordance with the Master Indenture and the Sixth Supplemental Indenture.

The District shall not declare that the Date of Completion of the 2024 Project has occurred until after the Reserve Account Release Conditions (as defined herein) have been satisfied, and all moneys transferred from the 2024 Reserve Account to the 2024 Acquisition and Construction Account have been expended or the Consulting Engineer has certified in writing to the District and the Trustee that the amount on deposit in the 2024 Acquisition and Construction Account is in excess of what is needed to complete the 2024 Project. The Trustee shall have no obligation to inquire if Reserve Account Release Conditions have occurred and, in the absence of written notice from the District, the Trustee may assume that the Reserve Account Release Conditions have not occurred. See "–Reserve Account" herein for more information regarding the Reserve Account Release Conditions.

Reserve Account

The Sixth Supplemental Indenture establishes a separate account within the Reserve Fund designated as the "2024 Reserve Account" for the 2024 Bonds. The 2024 Reserve Account will, at the time of delivery of the 2024 Bonds, be funded from a portion of the net proceeds of the 2024 Bonds in the amount of the 2024 Reserve Account Requirement for the 2024 Bonds.

The "2024 Reserve Account Requirement" shall mean (i) initially, an amount equal to fifty percent (50%) of the maximum annual debt service on the 2024 Bonds as calculated from time to time; and (ii) upon the occurrence of the Reserve Account Release Conditions, ten percent (10%) of the maximum annual debt service on the 2024 Bonds as calculated from time to time. Upon satisfaction of the Reserve Account Release Conditions, the excess amount on deposit in the 2024 Reserve Account shall be released and transferred to the General Subaccount within the 2024 Acquisition and Construction Account in accordance with the provisions of the Indenture. For the purpose of calculating the 2024 Reserve Requirement, fifty percent (50%) of maximum annual debt service and ten percent (10%) of maximum annual debt service as the case may be, shall be calculated as of the date of the original issuance and delivery and recalculated in connection with each extraordinary mandatory redemption of the 2024 Bonds from 2024 Prepayment Principal as set forth in the Indenture (but not upon the optional or mandatory sinking fund redemption thereof) and such excess amount shall be released from the 2024 Reserve Account and transferred to the 2024 Prepayment Subaccount in accordance with the provisions of the Indenture. Amounts on deposit in the 2024 Reserve Account may, upon final maturity or redemption of all Outstanding 2024 Bonds, be used to pay principal of and interest on the 2024 Bonds at that time The 2024 Reserve Account Requirement is initially \$[1.

"Reserve Account Release Conditions" with respect to the 2024 Bonds shall mean collectively (i) all of the principal portion of the 2024 Assessments has been assigned to residential units that have been constructed and each have received certificates of occupancy, and (ii) there shall be no Events of Default under the Indenture with respect to the 2024 Bonds, each as certified by the District Manager. The District shall present the Trustee with the certifications of the District Manager regarding the satisfaction of the Reserve Account Release Conditions, and the Trustee may rely conclusively upon such certifications and shall have no duty to verify the same.

Except as otherwise provided in the Indenture, amounts on deposit in the 2024 Reserve Account shall be used only for the purpose of making payments into the 2024 Interest Account, the 2024 Principal Account and the 2024 Sinking Fund Account to pay Debt Service on the 2024 Bonds, when due, without privilege or priority of one 2024 Bond over another, to the extent the moneys on deposit in such Accounts and available therefor are insufficient and for no other purpose. Such Account shall consist only of cash and 2024 Investment Obligations. The 2024 Reserve Account is held solely for the benefit of, and as security for, the 2024 Bonds and amounts therein shall not be available or be used for the purpose of making any payments with respect to any other Bonds.

On each December 15, March 15, June 15 and September 15 (or, if such date is not a Business Day, on the Business Day preceding such day), the Trustee shall determine the amount on deposit in the 2024 Reserve Account and transfer any excess therein above the 2024 Reserve Account Requirement (other than as a result of optional prepayment of a 2024 Assessment which shall be applied as provided in the Sixth Supplemental Indenture or as a result of investment earnings which shall be deposited into the 2024 Revenue Account as required by the Master Indenture), to the 2024 Prepayment Subaccount of the 2024 Redemption Account for the extraordinary mandatory redemption of 2024 Bonds.

On each December 15, March 15, June 15 and September 15 (or, if such date is not a Business Day, on the Business Day preceding such day), in the event that the amount of proceeds of the 2024 Bonds on deposit in the 2024 Reserve Account exceeds the 2024 Reserve Account Requirement due to a decrease in the amount of 2024 Bonds that will be outstanding as a result of an optional prepayment by the owner of a lot or parcel of land of a 2024 Assessment against such lot or parcel, such excess shall be transferred to the 2024 Prepayment Subaccount of the 2024 Redemption Account (and the District shall include such excess as a credit against the 2024 Prepayment Principal otherwise required to be made by the owner of such lot or parcel) to be used for the extraordinary mandatory redemption of 2024 Bonds.

On the date of prepayment of a 2024 Assessment by cancellation of 2024 Bonds pursuant to the Sixth Supplemental Indenture, in the event that the amount on deposit in the 2024 Reserve Account exceeds the 2024 Reserve Account Requirement due to a decrease in the amount of 2024 Bonds that will be outstanding as a result of such prepayment by such 2024 Assessment, such excess shall be transferred to the 2024 Prepayment Account of the 2024 Redemption Account (and the District shall include such excess as a credit against the 2024 Prepayment Principal otherwise required to be made by the owner of such lot or parcel) to be used for the extraordinary mandatory redemption of 2024 Bonds.

Any excess in the 2024 Reserve Account as a result of satisfaction of the Reserve Account Release Conditions shall be deposited into the 2024 Acquisition and Construction Account. The District or the District Manager, on behalf of the District, shall provide written notice to the Trustee when the Reserve Account Release Conditions have been satisfied, upon which notice the Trustee may conclusively rely. The Trustee shall have no obligation to inquire if the Reserve Account Release Conditions have occurred and, in the absence of notice from the District, the Trustee may assume that the Reserve Account Release Conditions have not occurred.

Anything in the Indenture to the contrary notwithstanding, on the earliest date on which there is on deposit in the 2024 Reserve Account sufficient monies, taking into account other monies available therefor, to pay and redeem all of the Outstanding 2024 Bonds, together with accrued interest and redemption premium, if any, on such 2024 Bonds to the earliest date of redemption permitted therein and herein, then the Trustee shall transfer the amount on deposit in the 2024 Reserve Account into the 2024 Prepayment Subaccount in the 2024 Redemption Account to pay and redeem all of the Outstanding 2024 Bonds on the earliest date permitted for redemption therein.

Application of the 2024 Pledged Revenues

The Sixth Supplemental Indenture establishes a Series 2024 Revenue Account within the Revenue Fund. The 2024 Revenue Account shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee and for the sole benefit of the 2024 Bonds.

The District shall deposit all revenues received by the District from the 2024 Assessments with the Trustee immediately upon receipt together with a written accounting setting forth the amounts of such 2024 Assessments which are in the following categories which shall be deposited by the Trustee into the Funds and Accounts established hereunder as follows:

(i) 2024 Prepayment Principal, which shall be deposited into the 2024 Prepayment Subaccount in the Redemption Account; and

(ii) all other revenues from the 2024 Assessments, which shall be deposited into the 2024 Revenue Account.

Moneys other than 2024 Assessments received by the Trustee in respect of the 2024 Assessments or 2024 Bonds shall, at the written direction of the District, be deposited into the 2024 Optional Redemption Subaccount of the 2024 Redemption Account and used to pay the principal of and premium, if any, on 2024 Bonds called or to be called for optional redemption at the written direction of the District in accordance with the provisions for optional redemption of 2024 Bonds as set forth in the form of 2024 Bonds attached hereto.

On the December 15, March 15, June 15 or September 15, as applicable, preceding each Quarterly Redemption Date (or if such date is not a Business Day, on the Business Day next preceding such date),

the Trustee shall determine the amount on deposit in the 2024 Prepayment Subaccount of the 2024 Redemption Account, and, if the balance therein is greater than zero, shall transfer from the 2024 Revenue Account for deposit into the 2024 Prepayment Subaccount, an amount sufficient to increase the amount on deposit therein to an integral multiple of \$5,000, and, shall thereupon give notice and cause the extraordinary mandatory redemption of the 2024 Bonds on the next succeeding Quarterly Redemption Date in the maximum aggregate principal amount for which moneys are then on deposit in the 2024 Prepayment Subaccount in accordance with the provisions for extraordinary redemption of the 2024 Bonds set forth in the Indenture. The Trustee is authorized and directed to withdraw from the corresponding Interest Account, the amount of interest accrued or to accrue on 2024 Bonds to be redeemed to the Quarterly Redemption Date therefor.

On each May 1 or November 1 (or if such May 1 or November 1 is not a Business Day, on, the Business Day preceding such May 1 or November 1), the Trustee shall then transfer amounts on deposit in the 2024 Revenue Account to the Funds and Accounts designated below in the following amounts and in the following order of priority:

FIRST, to the 2024 Interest Account of the Debt Service Fund, an amount equal to the amount of interest payable on all 2024 Bonds then Outstanding on such May 1 or November 1, less any other amount already on deposit in the 2024 Interest Account not previously credited (including amounts transferred from the 2024 Capitalized Interest Account pursuant to the Indenture);

SECOND, to the 2024 Principal Account, the amount, if any, equal to the difference between the principal of all 2024 Bonds due on such May 1 (or, with respect to each November 1, the ensuing May 1), and the amount already on deposit in the 2024 Principal Account not previously credited;

THIRD, to the 2024 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all 2024 Bonds subject to mandatory sinking fund redemption on such May 1 (or, with respect to each November 1, the next ensuing May 1), and the amount already on deposit in the 2024 Sinking Fund Account not previously credited; and

FOURTH, to the 2024 Reserve Account, the maximum amount which will not cause the balance therein to exceed the 2024 Reserve Account Requirement.

Anything in the Indenture to the contrary notwithstanding, it shall not, a fortiori, constitute an Event of Default under the Indenture if the full amount of the foregoing deposits are not made due to an insufficiency of funds therefor.

Investments

Anything in the Indenture to the contrary notwithstanding, amounts in all of the Funds and Accounts held as security for the 2024 Bonds shall be invested only in 2024 Investment Obligations, and all earnings thereon shall be deposited, as realized, to the 2024 Revenue Account and applied for the purposes of such Account. Investment Obligations purchased as an investment of moneys in any Fund or Account shall be deemed at all times to be part of such Fund or Account, and the interest accruing thereon and profit realized from such investment shall be credited as provided in the Master Indenture. Any loss resulting from such investment shall be charged to such Fund or Account. The Trustee may, upon the direction of an Authorized Officer, transfer investments within such Funds or Accounts without being required to sell such investments. The Trustee shall sell at the best price obtainable or present for redemption any obligation so purchased whenever it shall be necessary so to do in order to provide moneys to meet any payment or transfer from any such Fund or Account. The Trustee shall not be liable or responsible for any loss resulting from any such investment or for failure to make an investment (except failure to make an

investment in accordance with the written direction of an Authorized Officer) or for failure to achieve maximum possible earnings on investment. See "APPENDIX A: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SUPPLEMENTAL INDENTURE" attached hereto.

Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner

The Indenture contains the following provisions which, pursuant to the Indenture, shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to at least eight percent (8%) of the 2024 Assessments pledged to the 2024 Bonds Outstanding (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding").

The District will acknowledge and agree in the Indenture that, although the 2024 Bonds were issued by the District, the Owners of the 2024 Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer: (i) the District will agree that it shall seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the 2024 Bonds Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceedings or in any action related to a Proceeding that affects, either directly or indirectly, the 2024 Assessments relating to the 2024 Bonds Outstanding, the Outstanding 2024 Bonds or any rights of the Trustee under the Indenture (provided, however, Trustee shall be deemed to have consented, on behalf of the Majority Owners of the 2024 Bonds Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following receipt by the Trustee of the written request for consent); (ii) the District will agree that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the 2024 Assessments relating to the 2024 Bonds Outstanding, the 2024 Bonds Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee; (iii) the District will agree that it shall seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, Trustee shall be deemed to have consented, on behalf of the Majority Owners of the 2024 Bonds Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following receipt by the Trustee of the written request for consent); (iv) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the 2024 Assessments relating to the 2024 Bonds Outstanding would have the right to pursue, and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the 2024 Assessments relating the 2024 Bonds Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and (v) the District shall not challenge the validity or amount of any claim submitted in good faith in such Proceeding by the Trustee or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceedings or take any other action in such Proceedings, which is adverse to Trustee's enforcement or the District's claim and rights with respect to the 2024 Assessments relating to the 2024 Bonds Outstanding or receipt of adequate protection (as that

term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District will agree that the Trustee shall have the right (i) to file a proof of claim with respect to the 2024 Assessments pledged to the 2024 Bonds Outstanding, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Notwithstanding the provisions of the District's covenants described above, nothing in the Indenture shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance Assessments, and the District shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the District in pursuance of its claim for operation and maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the 2024 Assessments relating to the 2024 Bonds Outstanding whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (iv) above. See "BONDOWNERS' RISKS – Bankruptcy Risks" herein for more information.

Events of Default and Remedies

Each of the following shall be an "Event of Default" under the Indenture, with respect to the 2024 Bonds:

(a) Any payment of Debt Service on such 2024 Bonds is not made when due;

(b) The District shall for any reason be rendered incapable of fulfilling its obligations under the Indenture;

(c) The District admits in writing its inability to pay its debts general as they become due, or files a petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver or trustee for itself or for the whole or any part of a related 2024 Project;

(d) The District is adjudged insolvent by a court of competent jurisdiction, or is adjudged a bankrupt on a petition in bankruptcy filed against the District, or an order, judgment or decree be entered by any court of competent jurisdiction appointing, without the consent of the District, a receiver or trustee of the District or of the whole or any part of its property and if the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within ninety (90) days from the date of entry thereof;

(e) The District shall file a petition or answer seeking reorganization or any arrangement under the Federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof;

(f) Under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the District's assets or any part thereof, and such custody or control shall not be terminated within ninety (90) days from the date of assumption of such custody or control;

(g) The District shall default in the due and punctual performance of any of the material covenants, conditions, agreements and provisions contained in the 2024 Bonds or in the Indenture relating to such 2024 Bonds on the part of the District to be performed (other than a default in the payment of Debt Service on the 2024 Bonds when due, which is an Event of Default under the Master Indenture) and such default shall continue for thirty (30) days after written notice specifying such default and requiring same to

be remedied shall have been given to the District by the Trustee or, if the Trustee is unwilling or unable to act, by Owner of not less than ten percent (10%) in aggregate principal amount of the 2024 Bonds then Outstanding and affected by such amendment;

(i) Any portion of the 2024 Assessments pledged to the 2024 Bonds shall have become delinquent and, as the result thereof, the Indenture authorizes the Trustee to withdraw funds in an amount greater than twenty-five percent (25%) of the amount on deposit in 2024 Reserve Account to pay the Debt Service Requirements on the 2024 Bonds (regardless of whether the Trustee does or does not actually withdraw such funds from the 2024 Reserve Account to pay the Debt Service Requirements on the 2024 Reserve Account Event") unless within sixty (60) days from the Reserve Account Event the District has either (i) replenished the amounts, if any, withdrawn from the 2024 Reserve Account or (ii) the portion of the delinquent 2024 Assessments giving rise to the Reserve Account Event are paid and are no longer delinquent 2024 Assessments; or

(j) More than fifteen percent (15%) of the operation and maintenance assessments that are directly billed by the District and levied by the District on tax parcels subject to the 2024 Assessments are not paid by the date such are due and payable and such default continues for sixty (60) days after the date when due. The District shall give written notice to the Trustee of the occurrence of the events set forth in this paragraph (b) not later than 10 days after the end of the sixty day period referred to in the preceding sentence. The Trustee shall not be deemed to have knowledge of the occurrence of such an Event of Default absent notice thereof from the District.

The 2024 Bonds are not subject to acceleration under the Indenture.

Upon the happening and continuance of any Event of Default specified in the Indenture with respect to the 2024 Bonds, the Trustee or, if the Trustee is unwilling or unable to act, the Majority Owners of the 2024 Bonds then Outstanding may protect and enforce the rights of the Owners of the 2024 Bonds under Florida law, and under the Indenture and the 2024 Bonds, by such proceedings in equity or at law, either for the specific performance of any covenant or agreement contained herein or in aid or execution of any power in the Indenture granted or for the enforcement of any proper legal or equitable remedy, as the Trustee or the Owners of such 2024 Bonds, as the case may be, shall deem most effectual to protect and enforce such rights.

If any proceeding taken by the Trustee or any Owner on account of any default shall have been discontinued or abandoned for any reason, then the District and the Owner shall be restored to their former positions and rights under the Indenture, respectively, and all rights and remedies of the Owners shall continue as though no such proceeding had been taken.

Except as provided in the Indenture, no Owner of any of the 2024 Bonds shall have any right in any manner whatever to affect, disturb or prejudice the security of the Indenture, or to enforce any right thereunder except in the manner as provided in the Indenture, and all proceedings at law or in equity shall be instituted and maintained for the benefit of all Owners of the 2024 Bonds.

Nothing in the Indenture shall affect or impair the right of any Owner to enforce the payment of Debt Service on the 2024 Bond of which such person is the registered Owner, or the obligation of the District to pay Debt Service to the Owner at the time and place specified in in such 2024 Bond.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the 2024 Bonds are the collection of 2024 Assessments imposed on certain lands in the District specially benefited by the 2024 Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY."

The imposition, levy, and collection of 2024 Assessments must be done in compliance with the provisions of Florida law. Failure by the District, the Lee County Tax Collector ("Tax Collector") or the Lee County Property Appraiser ("Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, 2024 Assessments during any year. Such delays in the collection of 2024 Assessments, or complete inability to collect the 2024 Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the 2024 Bonds. See "BONDOWNERS' RISKS." To the extent that landowners fail to pay the 2024 Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the 2024 Bonds.

For the 2024 Assessments to be valid, the 2024 Assessments must meet two requirements: (1) the benefit from the District's CIP, including the 2024 Project, to the lands subject to the 2024 Assessments must exceed or equal the amount of the 2024 Assessments, and (2) the 2024 Assessments must be fairly and reasonably allocated across all such benefitted properties. The Methodology Consultant will certify at closing that these requirements have been met with respect to the 2024 Assessments.

Pursuant to the Act and the Assessment Proceedings, the District may collect the 2024 Assessments through a variety of methods. See "BONDOWNERS' RISKS." Pursuant to the Indenture, the District has agreed that, subject to the District entering into agreements with the Property Appraiser and Tax Collector, 2024 Assessments levied on platted lots and pledged under the Indenture to secure the 2024 Bonds will be collected pursuant to the Uniform Method for the levy, collection and enforcement of special assessments. To the extent the District is not able to collect 2024 Assessments through the Uniform Method, the District may elect to collect and enforce the 2024 Assessments pursuant to any other available method. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY." As lands are platted and sold, the 2024 Assessments will be added to the County tax roll and collected pursuant to the Uniform Method unless the timing for using the Uniform Method will not yet allow for using such method. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing & Foreclosure Procedure

As noted above, and pursuant to Chapters 170 and 190 of the Florida Statutes, the District may directly levy, collect and enforce the 2024 Assessments. In this context, Section 170.10 of the Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the 2024 Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are

in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay 2024 Assessments and the ability to foreclose the lien of such 2024 Assessments upon the failure to pay such 2024 Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the 2024 Assessments. See "BONDOWNERS' RISKS."

Uniform Method Procedure

Subject to certain conditions, and for developed lands (as described above), the District may alternatively elect to collect the 2024 Assessments using the Uniform Method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the 2024 Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the 2024 Assessments will be collected together with County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments – including the 2024 Assessments — are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the 2024 Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the 2024 Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the 2024 Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the 2024 Bonds.

Under the Uniform Method, if the 2024 Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the 2024 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the 2024 Assessments, (2) that

future landowners and taxpayers in the District will pay such 2024 Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the 2024 Assessments and all other liens that are coequal therewith.

Collection of delinquent 2024 Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the 2024 Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus the cost of advertising and the applicable interest charge on the amount of such delinquent Taxes and Assessments. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, penalties and interest thereon and certain costs, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or "struck off," to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and a fee. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the 2024 Assessments), interest, costs and charges on the real property described in the certificate.

Unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees, any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued, and at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

For any holder other than the County, a tax certificate expires seven (7) years after the date of issuance if a tax deed has not been applied for and no other administrative or legal proceeding, including a bankruptcy, has existed of record. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal

to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and the amount paid by such holder in applying for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, and all other amounts paid by such person in applying for a tax deed, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens, certain easements, and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the County may, at any time within ninety (90) days from the date of offering for public sale, purchase the land without further notice or advertising for a statutorily prescribed opening bid. After ninety (90) days have passed, any person or governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property is available for public sale, unsold lands escheat to the County in which they are located and all tax certificates, accrued taxes, and liens of any nature against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of 2024 Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the 2024 Assessments, which are the primary source of payment of the 2024 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDOWNERS' RISKS."

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described in other headings of this Limited Offering Memorandum. Certain additional risks are associated with the 2024 Bonds offered hereby and are set forth below. Prospective investors in the 2024 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the 2024 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This heading does not purport to summarize all risks that may be associated with purchasing or owning the 2024 Bonds, and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the 2024 Bonds.

Concentration of Land Ownership

As of the date hereof, the Landowners own all of the assessable lands within Assessment Area 5, which are the lands that will be subject to the 2024 Assessments securing the 2024 Bonds. Payment of the 2024 Assessments is primarily dependent upon their timely payment by the Landowners and the other future landowners in Assessment Area 5. Non-payment of the 2024 Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay debt service on the 2024 Bonds. See "THE LANDOWNERS" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE 2024 BONDS" herein.

Bankruptcy and Related Risks

In the event of the institution of bankruptcy or similar proceedings with respect to the Landowners or any other owner of benefited property, delays could occur in the payment of debt service on the 2024 Bonds, as such bankruptcy could negatively impact the ability of: (i) the Landowners and any other landowner to pay the 2024 Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the 2024 Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the 2024 Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the 2024 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the 2024 Bonds, including, without limitation, enforcement of the obligation to pay 2024 Assessments and the ability of the District to foreclose the lien of the 2024 Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the 2024 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the 2024 Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Sixth Supplemental Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an "Insolvent Taxpayer" (as previously defined). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE 2024 Bonds – Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner" herein. The District cannot express any view whether such delegation would be enforceable.

2024 Assessments Are Non-Recourse

The principal security for the payment of the principal and interest on the 2024 Bonds is the timely collection of the 2024 Assessments. The 2024 Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Landowners or subsequent landowners will be able to pay the 2024 Assessments or that they will pay

such 2024 Assessments even though financially able to do so. Neither the Landowners nor any other subsequent landowners have any personal obligation to pay the 2024 Assessments. Neither the Landowners nor any subsequent landowners are guarantors of payment of any 2024 Assessments, and the recourse for the failure of the Landowners or any subsequent landowner to pay the 2024 Assessments is limited to the collection proceedings against the land subject to such unpaid 2024 Assessments, as described herein. Therefore the likelihood of collection of the 2024 Assessments may ultimately depend on the market value of the land subject to the 2024 Assessments. While the ability of the Landowners or subsequent landowners to pay the 2024 Assessments, which may also be affected by the value of the land subject to the 2024 Assessments, is also an important factor in the collection of 2024 Assessments. The failure of the Landowners to pay the 2024 Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the 2024 Bonds.

Regulatory and Environmental Risks

The development of the District Lands, including Assessment Area 5, is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals" herein for more information.

The value of the land within the District, the success of the Development, the development of Assessment Area 5 and the likelihood of timely payment of principal and interest on the 2024 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the 2024 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT - Environmental" for information on environmental site assessments obtained or received. Such information is being provided solely for informational purposes, and nothing herein or in such assessments grants any legal rights or remedies in favor of the 2024 Bondholders in the event any recognized environmental conditions are later found to be present on District Lands. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the lands in Assessment Area 5.

The value of the lands subject to the 2024 Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the 2024 Bonds. The 2024 Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Economic Conditions and Changes in Development Plans

The successful development of Assessment Area 5 and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Landowners. Moreover, the Landowners have the right to modify or change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Other Taxes and Assessments

The willingness and/or ability of an owner of benefited land to pay the 2024 Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the 2024 Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the 2024 Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the 2024 Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such 2024 Assessment, even though the landowner is not contesting the amount of the 2024 Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

Limited Secondary Market for 2024 Bonds

The 2024 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the 2024 Bonds in the event an Owner thereof determines to solicit purchasers for the 2024 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the 2024 Bonds may be sold. Such price may be lower than that paid by the current Owners of the 2024 Bonds, depending on the progress of development of Assessment Area 5, existing real estate and financial market conditions and other factors.

Inadequacy of Reserve Account

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the 2024 Assessments, may not adversely affect the timely payment of debt service on the 2024 Bonds because of the moneys on deposit in the 2024 Reserve Account corresponding to the 2024

Bonds. The ability of the 2024 Reserve Account to fund deficiencies caused by delinquencies in the payment of the 2024 Assessments is dependent on the amount, duration and frequency of such deficiencies. Moneys on deposit in the 2024 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in the 2024 Reserve Account to make up deficiencies. If the District has difficulty in collecting the 2024 Assessments, the moneys on deposit in the 2024 Reserve Account would be rapidly depleted and the ability of the District to pay debt service on the 2024 Bonds could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the 2024 Reserve Account and such other Funds, Accounts and subaccounts created under the Master Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the 2024 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the 2024 Assessments in order to provide for the replenishment of the 2024 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE 2024 Bonds – Reserve Account" herein for more information about the 2024 Reserve Account.

Legal Delays

If the District should commence a foreclosure action against a landowner for nonpayment of 2024 Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the 2024 Bonds to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code (as defined herein), there are limitations on the amounts of proceeds from the 2024 Bonds that can be used for such purpose.

IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did

not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations required that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations should be withdrawn in their legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by qualified electors. There can be no assurance that an audit by the IRS of the 2024 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the 2024 Bonds are advised that, if the IRS does audit the 2024 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the 2024 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the 2024 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the 2024 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the 2024 Bonds would adversely affect the availability of any secondary market for the 2024 Bonds. Should interest on the 2024 Bonds become includable in gross income for federal income tax purposes, not only will Owners of 2024 Bonds be required to pay income taxes on the interest received on such 2024 Bonds and related penalties, but because the interest rate on such 2024 Bonds will not be adequate to compensate Owners of the 2024 Bonds for the income taxes due on such interest, the value of the 2024 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE 2024 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE 2024 BONDS. PROSPECTIVE PURCHASERS OF THE 2024 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE 2024 BONDS IN THE EVENT THAT THE INTEREST ON THE 2024 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

Loss of Exemption from Securities Registration

The 2024 Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for securities issued by political subdivisions. It is possible that federal or state regulatory authorities could in the future determine that the District is not a political subdivision for purposes of federal and state securities laws, including without limitation as the result of a determination by the IRS, judicial or otherwise, of the District's status for purposes of the Code. In such event, the District and purchasers of 2024 Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the 2024 Bonds would need to ensure that subsequent transfers of the 2024 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

Federal Tax Reform

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the 2024 Bonds, by eliminating or changing the tax-exempt status of interest on such bonds. Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the 2024 Bonds cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the 2024 Bonds. Prospective purchasers of the 2024 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS" herein.

State Tax Reform

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renewed requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for

the 2024 Bonds. It should be noted that Section 190.016(14) of the Act provides in pertinent part that "[t]he state pledges to the holders of any bonds issued under this act that it will not limit or alter the rights of the district to ... levy and collect the ... assessments ... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not in any way impair the rights or remedies of such holders."

Insufficient Resources or Other Factors Causing Failure to Complete Development

The cost to finish the 2024 Project will exceed the net proceeds from the 2024 Bonds. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the 2024 Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the 2024 Project. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE 2024 Bonds – Additional Obligations" for more information.

Although the Landowners will agree to fund or cause to be funded the completion of the 2024 Project regardless of the insufficiency of proceeds from the 2024 Bonds and will enter into a completion agreement with the District as evidence thereof, there can be no assurance that the Landowners will have sufficient resources to do so. Such obligation of the Landowners is an unsecured obligation, and the Landowners are special-purpose entities whose assets consist primarily of their respective interests in the Development. See "THE LANDOWNERS" herein for more information.

There are no assurances that the 2024 Project and any other remaining development work associated with Assessment Area 5 will be completed. Further, there is a possibility that, even if Assessment Area 5 is developed, Lennar Homes and any other homebuilders that enter into builder contracts may not close on all or any of the lots therein, and such failure to close could negatively impact the construction and sale of homes in Assessment Area 5. There can be no assurance that the Landowners will enter into builder contracts for Assessment Area 5, and such contracts, if entered into, may also be terminated by the respective builders upon the occurrence or failure to occur of certain conditions set forth therein. See "THE DEVELOPMENT – Builder Program" herein for more information about the status of builder negotiations within Assessment Area 5.

Pandemics and other Public Health Emergencies

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Landowners, the timely and successful completion of the Development, the purchase of lots therein by homebuilders and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also "Economic Conditions and Changes in Development Plans" and "Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the 2024 Bonds.

Prepayment and Redemption Risk

In addition to being subject to optional and mandatory sinking fund redemptions, the 2024 Bonds are subject to extraordinary mandatory redemption, including, without limitation, as a result of prepayments of the 2024 Assessments by the Landowners or subsequent owners of the property within Assessment Area 5. Any such redemptions of the 2024 Bonds would be at the principal amount of such 2024 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the 2024 Bonds may not realize their anticipated rate of return on the 2024 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the 2024 Bonds. See "DESCRIPTION OF THE 2024 Bonds – Redemption Provisions," "– Purchase of 2024 Bonds" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE 2024 Bonds – Prepayment of 2024 Assessments" herein for more information.

Payment of 2024 Assessments after Bank Foreclosure

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within Assessment Area 5 of the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the 2024 Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

THE DISTRICT

General Information

The District was established pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and pursuant to Chapter 42YY-1, Florida Administrative Code, implemented by the Florida Land and Water Adjudicatory Commission, effective on April 21, 2005, as amended by Rule 42YY-1.002, effective July 20, 2006. The boundaries of the District include approximately 1,958 gross acres of land (the "District Lands"), located approximately one-half mile south of Palm Beach Boulevard (State Road 80) and six miles east of Buckingham Road and Interstate 75, in an unincorporated portion of Lee County, Florida. The District Lands are being developed as a residential development known as "River Hall" (the "Development"). See "THE DEVELOPMENT" herein for more information.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter. The District is classified as an independent district under Chapter 189, Florida Statutes.

Among other provisions, the Act gives the District's Board of Supervisors the authority to, among other things, (a) plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and wastewater management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; and (iv) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits; these functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any bondholders to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the 2024 Bonds.

Board of Supervisors

The governing body of the District is its Board of Supervisors (the "Board"), which is composed of five Supervisors (the "Supervisors"). Landowner elections are held every two years in November.

Generally stated, at each landowner election, each landowner is entitled to cast one vote for each acre of land owned with fractions thereof rounded upward to the nearest whole number, or one vote per platted lot. All of the current Supervisors were elected by qualified electors of the District. A "qualified elector" in this instance is any person at least eighteen (18) years of age who is a citizen of the United States, a legal resident of Florida and of the District, and who is also registered to vote with the Supervisor of Elections for the County. Any candidate elected through a "qualified elector" election receives a four year term.

The current members of the Board and the expiration of the term of each member are set forth below:

Name	Title	Term Expires
Kenneth D. Mitchell	Chair	November 2024*
Robert Stark	Vice Chair	November 2026
Paul D. Asfour	Assistant Secretary	November 2024*
Michael G. Morash	Assistant Secretary	November 2024*
Daniel J. Block	Assistant Secretary	November 2026

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida's open meeting or "Sunshine" law.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Wrathell, Hunt & Associates, LLC, Boca Raton, Florida, to serve as its district manager ("District Manager"). The District Manager's office is located at 2300 Glades Rd., Ste. #410W, Boca Raton, Florida 33431.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Akerman LLP, Jacksonville, Florida, as Bond Counsel; and Coleman, Yovanovich & Koester, P.A., Naples, Florida, as District Counsel. The Board has also retained the District Manager to serve as Methodology Consultant and prepare the Assessment Methodology and to serve as Dissemination Agent for the 2024 Bonds. Barraco and Associates, Inc., Fort Myers, Florida, is serving as Project Engineer with respect to the 2024 Project.

Outstanding Bond Indebtedness and Prior Bond Defaults

The District previously issued its River Hall Community Development District Capital Improvement Revenue Bonds, Series 2005 (the "2005 Bonds") in the aggregate principal amount of \$26,485,000. The 2005 Bonds were secured by the 2005 Assessments, which were levied on the District Lands benefitted by the Original CIP (as defined herein), a portion of which 2005 Assessments became delinquent (the "Delinquent Lands") due the failure of prior landowner(s) to timely pay such 2005

^{*} Seats whose terms expire in November 2024 are subject to the November 5, 2024, general election. Mr. Mitchell's seat is uncontested. Mr. Asfour's seat is contested. Mr. Morash has elected not to run for re-election.

Assessments. As a result of these delinquencies, the District defaulted on the 2005 Bonds. The Delinquent Lands were subsequently acquired by an affiliate of the Landowners, RH Venture I (as defined herein), and the District entered into a restructuring agreement with RH Venture I.

Pursuant to the restructuring, the District issued its Capital Improvement Revenue Bonds, Series 2011A-1, in the original principal amount of \$12,505,000 (the "2011A-1 Bonds") and its Capital Improvement Revenue Bonds, Series 2011A-2, in the original principal amount of \$13,860,000 (the "2011A-2 Bonds and, together with the 2011A-1 Bonds, the "2011 Bonds") in exchange for the then Outstanding 2005 Bonds. Following the exchange, the 2011A-1 Bonds were secured by the 2011A-1 Assessments levied on the District Lands that were not Delinquent Lands, and the 2011A-2 Bonds were secured by the 2011A-2 Assessments levied on the Delinquent Lands. In 2014, the District was late in making a payment of principal and interest with respect to the 2011A-2 Bonds. The payment was subsequently made, and the 2011A-2 Bonds were brought current.

On September 16, 2021, the District issued its \$9,065,000 Capital Improvement Refunding Revenue Bonds, Series 2021A-1 (the "2021A-1 Bonds") to refund the 2011A-1 Bonds and its \$9,930,000 Capital Improvement Refunding Revenue Bonds, Series 2021A-2 (the "2021A-2 Bonds" and, together with the 2021A-1 Bonds, the "2021A Bonds") to refund the 2011A-2 Bonds. As of October 23, 2024, the 2021A Bonds were outstanding in the principal amount of \$14,230,000.*

Following the refunding, the 2021A-1 Bonds are secured by the 2021A-1 Assessments (formerly the 2011A-1 Assessments) levied on the District Lands that are not Delinquent Lands. The District Lands subject to the 2021A-1 Assessments are separate and distinct from the District Lands that will be subject to the 2024 Assessments securing the 2024 Bonds. The 2021A-2 Bonds are secured by the 2012A-2 Assessments (formerly the 2011A-2 Assessments) levied on the Delinquent Lands. Prior to issuance of the 2024 Bonds, the Landowners will prepay all of the 2021A-2 Assessments levied on that portion of the Delinquent Lands that corresponds to Parcel L within River Hall Country Club, which constitutes a portion of Assessment Area 5, in the principal amount of \$208,890.39, together with unpaid interest, if any, accrued thereon through the redemption date. Thereafter, the lands in Assessment Area 5 will no longer be subject to assessments securing the 2021A-2 Bonds. The portion of the 2021A-2 Bonds secured by 2021A-2 Assessments levied on lands outside of Assessment Area 5, which are separate and distinct from the District Lands that will be subject to the 2024 Assessment Area 5, which are separate and distinct from the District Lands that will be subject to the 2024 Assessment Area 5, which are separate and distinct from the District Lands that will be subject to the 2024 Assessment Area 5, which are separate and distinct from the District Lands that will be subject to the 2024 Assessment Securing the 2024 Bonds, will remain outstanding.

The District also previously issued its Capital Improvement Revenue Bonds, Series 2020A (Assessment Area 3) (the "2020A Bonds") in the aggregate principal amount of \$7,410,000, of which \$6,960,000 was outstanding as of October 23, 2024. The District Lands subject to the 2020A Assessments are separate and distinct from the District Lands that will be subject to the 2024 Assessments securing the 2024 Bonds.

The District also previously issued its Capital Improvement Revenue Bonds, Series 2023A (Assessment Area 4) (the "2023A Bonds") in the aggregate principal amount of \$8,020,000, all of which were outstanding as of October 23, 2024. The District Lands subject to the 2023A Assessments are separate and distinct from the District Lands that will be subject to the 2024 Assessments securing the 2024 Bonds.

The District's 2005 Bonds, 2011 Bonds, 2020A Bonds, 2021A Bonds and 2023A Bonds are collectively referred to herein as the "Prior Bonds."

^{*} On November 1, 2024, there will be a redemption of the 2021A Bonds in the principal amount of \$15,000, leaving an outstanding principal balance of \$14,215,000.

THE CAPITAL IMPROVEMENT PLAN AND THE 2024 PROJECT

General

The District previously issued its 2005 Bonds to finance a portion of the public infrastructure improvements associated with prior phases of development of the District Lands (the "Original CIP"). The Original CIP was anticipated to be constructed in five phases. The Original CIP is substantially complete. Portions of the sixth phase of land development (herein, Assessment Area 4) have been installed, with construction ongoing. See "THE DISTRICT – Outstanding Bond Indebtedness and Prior Bond Defaults" and "THE DEVELOPMENT" herein for more information.

Assessment Area 5 corresponds to the seventh phase of land development within the District, which is planned to contain 297 residential lots consisting of: (i) the Townhome Parcel, which is planned to contain 202 townhome lots, and (ii) Parcel L within River Hall Country Club, which is planned to contain 95 single-family lots.

Barraco and Associates, Inc. (the "Project Engineer") prepared a report entitled "Supplement #3 to the River Hall Community Development District Engineer's Report" dated August 1, 2024; revised October 24, 2024 as may be further amended and supplemented from time to time (the "Engineer's Report"). The Engineer's Report contains updates on the status of the Original CIP and describes the improvements to be constructed in Assessment Area 5. See "APPENDIX C: ENGINEER'S REPORT" for more information.

2024 Project

The Engineer's Report sets forth certain public infrastructure improvements, including without limitation, surface water management system, sanitary sewer system, water distribution system, landscaping and related professional fees relating to the development of the lands designated as Assessment Area 5 (the "2024 Project"). The Project Engineer estimates the cost of the 2024 Project to be approximately \$9,888,000, as follows:

Infrastructure	Parcel L	Townhomes	Total
Drainage and Surface Water Management	\$ 555,000	\$2,100,000	\$2,650,000
Utilities	1,800,000	3,100,000	4,700,000
Perimeter Boundary and Landscaping		90,000	90,000
Professional Fees	250,000	350,000	600,000
Contingency	520,000	1,128,000	1,648,000
Total:	\$3,120,000	\$6,768,000	\$9,888,000

Land development of Assessment Area 5 is planned to commence in November 2024 and to be completed by July 2025. See "THE DEVELOPMENT – Development Plan and Status." Net proceeds of the 2024 Bonds in the amount of approximately \$6.15 million* are available to be used to fund the construction and/or acquisition of the 2024 Project. The Landowners will enter into a completion agreement that will obligate the Landowners to pay for and/or complete the 2024 Project. See "THE DEVELOPMENT – Land Acquisition and Financing Plan" and "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein for more information.

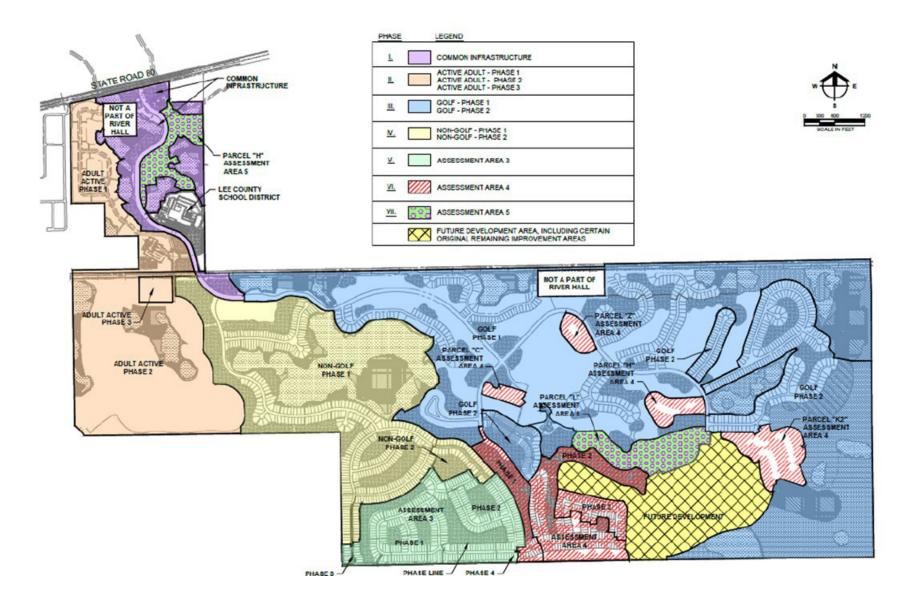

The District anticipates issuing additional bonds to finance public infrastructure associated with the remaining lands within the District at a later time. Such bonds will be secured by lands that are separate

^{*} Preliminary, subject to change.

and distinct from the lands within Assessment Area 5 securing the 2024 Bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE 2024 BONDS – Additional Obligations" herein for more information.

The Project Engineer will certify in connection with the issuance of the 2024 Bonds that all engineering permits necessary to construct the 2024 Project as set forth in the Engineer's Report have been obtained or will be obtained in the ordinary course of business. In addition to the Engineer's Report, please refer to "THE DEVELOPMENT – Development Approvals" for a more detailed description of the entitlement and permitting status of the Development. See "APPENDIX C: ENGINEER'S REPORT" for more information regarding the above improvements.

Set forth below is a sketch showing the boundaries of the District, existing development therein, and the location of Assessment Area 5 (shown in green with purple circles).

ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS

The Preliminary Final Fifth Supplemental Special Assessment Methodology Report for Assessment Area 5 dated October 22, 2024 (the "Assessment Methodology"), which describes the methodology for allocation of the 2024 Assessments to lands within Assessment Area 5 of the District, has been prepared by Wrathell, Hunt & Associates, LLC, Boca Raton, Florida (the "Methodology Consultant"). See "EXPERTS" herein for more information. The Assessment Methodology is included herein as APPENDIX D. Once the final terms of the 2024 Bonds are determined, the Assessment Methodology will be amended to reflect such final terms. Once levied and imposed, the 2024 Assessments are a first lien on the land against which assessed until paid or barred by operation of law, co-equal with other non-federal taxes and assessments levied by the District and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

A portion of the land within Assessment Area 5 corresponding to Parcel L within River Hall Country Club is currently subject to the 2021A-2 Assessments. Prior to the issuance of the 2024 Bonds, the Landowners will prepay the portion of the 2021A-2 Assessments levied on the lands in Assessment Area 5 in the amount of approximately \$208,890.39 (less applicable credits from the Reserve Fund).

As set forth in the Assessment Methodology, the 2024 Assessments are initially levied on approximately 56.04 gross acres within Assessment Area 5. As such lots are platted, the 2024 Assessments will be assigned to the platted lots in Assessment Area 5 in accordance with the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" herein.

Assuming that all of the planned 297 residential units are developed and platted, then the estimated annual 2024 Assessment levels and the estimated par per unit is expected to be as follows.

Parcel	Product Type	No. of Units	Annual 2024 Assessments Per Unit*	2024 Bonds Par Debt Per Unit*
Hampton Lakes Townhome	20' Lots	202	\$1,375	\$19,191
Country Club Parcel L	55' Lots	<u>95</u>	\$2,292	\$31,984
Total		297		

* Preliminary, subject to change. Annual 2024 Assessment levels shown assume collection via the Uniform Method and include a gross up to account for early payment discounts and County collection fees. See APPENDIX D hereto for more information.

The Assessment Methodology sets forth a "true-up mechanism," which provides that the debt per lot/unit remaining on the unplatted land is never allowed to increase above its maximum debt per lot/unit level. If the debt per lot/unit remaining on unplatted land increases above the maximum debt per lot/unit level, a debt reduction payment would be made by the Landowners so that the maximum debt per lot/unit level is not breached. This debt reduction payment would result in the extraordinary mandatory redemption of a portion of the 2024 Bonds. The Landowners will enter into a True-up Agreement in connection with their obligations to pay true-up payments in the event that the debt per lot/unit remaining on unplatted land increases above the maximum debt per unit level. See "THE DEVELOPMENT – Landowners' Agreements" herein and "APPENDIX D: ASSESSMENT METHODOLOGY" hereto for additional information.

The information appearing below under the captions "THE DEVELOPMENT" and "THE LANDOWNERS" has been furnished by the Landowners for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by Bond Counsel, the District or its counsel, or the Underwriter or its counsel, and no persons other than the Landowners make any representation or warranty as to the accuracy or completeness of such information supplied by them. The following information is provided by the Landowners as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. The Landowners are not guaranteeing payment of the 2024 Bonds or the 2024 Assessments.

THE DEVELOPMENT

General

The District Lands are being developed as River Hall (the "Development"), an approximately 1,958-acre Residential and Commercial Planned Development (RPD/CPD) located within unincorporated Lee County, Florida. The Development is located approximately one-half mile south of Palm Beach Boulevard (State Road 80) and six miles east of Interstate 75. At buildout, the Development is expected to contain approximately 3,244 residential units. As of August 31, 2024, approximately 1,705 homes had been constructed and sold to homebuyers.

The Development contains three separate and distinct residential communities:

- <u>Cascades</u> Cascades is an age-restricted community developed by Pinnacle. D.R. Horton was the builder. There are approximately 570 planned homes within Cascades, all of which have been built and sold to homebuyers.
- <u>River Hall Country Club</u> River Hall Country Club is a golf course development being developed by the Landowners. Pulte, Pinnacle and Lennar Homes are builders within River Hall Country Club. Approximately 1,000 units are planned for development within River Hall Country Club, with approximately 616 units having been built and sold to homebuyers as of August 31, 2024. Year to date 2024 home sales have averaged approximately 10 sales per month, and home prices for units sold in 2024 have ranged from approximately \$320,000 to \$840,000. See "–Residential Product Offerings" herein for more information. River Hall Country Club contains Parcel L, planned for 95 lots, which constitutes a portion of Assessment Area 5. The Landowners are in negotiations to sell developed lots within Parcel L to one or more homebuilders. See "–Builder Program" herein for more information.
- <u>Hampton Lakes</u> <u>Hampton Lakes</u> Hampton Lakes is a residential community within the Development that is being marketed to both retirees and second-home buyers. Hampton Lakes is planned to contain approximately 1,000 units, with approximately 708 homes built and sold as of August 31, 2024. Year to date 2024 home sales have averaged approximately three sales per month, and home prices for single-family units has ranged from approximately \$340,000 to \$630,000. See "–Residential Product Offerings" herein for more information regarding expected townhome pricing. Pulte and Lennar Homes are the builders at Hampton Lakes, and their current lot supply is approaching completion. Hampton Lakes contains the Townhome Parcel, planned for 202 townhome lots, which constitutes a portion of Assessment Area 5. The Landowners are in negotiations with Lennar Homes for the sale of all 202 lots planned for the Townhome Parcel. See "–Builder Program" herein for more information.

Separate assessment areas have been created to facilitate the District's financing program for the remaining undeveloped land in the Development. Assessment Area 5 contains approximately 56.04 gross acres and corresponds to (i) the project area known as the Hampton Lakes Townhome Parcel, which consists of 22.76 acres of land and is planned to contain 202 townhome lots and (ii) River Hall Country Club Parcel L, which consists of 33.28 acres of land and is planned to contain 95 single-family lots. Net proceeds of the 2024 Bonds will provide funds to install a portion of the infrastructure associated with Assessment Area 5. See "THE CAPITAL IMPROVEMENT PLAN AND THE 2024 PROJECT" herein for more information.

Set forth below is an aerial photograph showing the three residential communities within the Development, including the parcels comprised within Assessment Area 5, as of August 2024.

RH Venture II, LLC, a Florida limited liability company ("RH Venture II") and RH Venture III, LLC, a Florida limited liability company ("RH Venture III" and, together with RH Venture II, the "Landowners"), own the land within Assessment Area 5. The Landowners will install the infrastructure associated with Assessment Area 5 and sell developed lots to homebuilders who will construct and market homes for sale to homebuyers. See "THE LANDOWNERS" herein and "–Builder Program" below for more information.

Land Acquisition and Finance Plan

The Landowners' affiliate, RH Venture I, LLC, a Florida limited liability company ("RH Venture I"), acquired a portion of the lands within the District in a distressed acquisition on October 19, 2010 for approximately \$550,000, subject to past due taxes and District bond debt assessments. In 2011 and 2012, RH Venture I restructured its ownership interest and conveyed the lands within Assessment Area 5 to the Landowners. There are currently no mortgages on the lands within the District.

The Landowners estimate that the costs to complete Assessment Area 5 will be approximately \$9.9 million. As of October 1, 2024, approximately \$2.5 million has been spent on soft hard and soft costs associated with Assessment Area 5, including clearing and earthwork. Net proceeds of the 2024 Bonds in the amount of approximately \$6.15 million* are available to be used to fund the construction and/or acquisition of the 2024 Project. The Landowners will enter into a completion agreement that will obligate the Landowners to pay for and/or complete the 2024 Project. Costs not funded by the 2024 Bonds will be funded by the Landowners from land sale proceeds. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Development Plan / Status

Assessment Area 5 consists of two separate parcels of land, the development of which is planned as follows.

<u>Hampton Lakes Townhome Parcel</u>. Hampton Lakes Townhome Parcel is planned for 202 townhome lots. Land development for Hampton Lakes Townhome Parcel is planned to commence in November 2024 and to be completed by March 2025, at which point lot deliveries to Lennar Homes are expected to commence. Sales and vertical construction are expected to commence shortly thereafter.

<u>River Hall County Club Parcel L</u>. River Hall Country Club Parcel L is planned for 95 single-family homes on 55' lots. Land development for River Hall Country Club Parcel L is planned to commence in November 2024 and to be completed by July 2025, at which point lot deliveries to homebuilders are expected to commence. Sales and vertical construction are expected to begin shortly thereafter.

Closings with homebuyers within Assessment Area 5 are expected to commence by the fourth quarter of 2025. The Landowners anticipate that homes in Assessment Area 5 will be sold to end users at the pace of approximately 150 units per annum until expected buildout. This anticipated absorption is based upon estimates and assumptions made by the Landowners that are inherently uncertain, though considered reasonable by the Landowners, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Landowners. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

^{*} Preliminary, subject to change.

Builder Program

The Landowners are in negotiations with Lennar Homes, LLC, a Florida limited liability company ("Lennar Homes"), for the purchase of all 202 townhome lots within the Townhome Parcel of Assessment Area 5. Lennar Homes is currently a builder in Hampton Lakes and River Hall Country Club and is nearing completion of the lot supply it currently owns and/or is under contract to purchase within prior phases of Hampton Lakes. There can be no assurance that the Landowners will enter into a contract with Lennar Homes or Lennar Homes will ultimately close thereunder.

The Landowners are also currently in negotiations with several builders for the sale of the 95 singlefamily lots located within Parcel L of Assessment Area 5. Lot prices are expected to be approximately \$2,000 per front foot. There can be no assurance that the Landowners will enter into such builder contracts or that homebuilders will ultimately close thereunder.

See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the Development" herein.

Neither Lennar Homes nor any other entity listed above is guaranteeing payment of the 2024 Bonds or the 2024 Assessments. None of the entities listed herein, other than the Landowners, has entered into any agreements in connection with the issuance of the 2024 Bonds.

Residential Product Offerings

The target customers for units within Assessment Area 5 are retirees and second-home buyers. Below is a summary of the expected types of units and price points for units in Assessment Area 5.

Product Type	Square Footage	Beds/Baths	Starting Price Points
Townhome	1,366	3 / 2.5	\$320,000
55' Lots	2,050	3 / 3	\$375,000

Development Approvals

The lands within the Development, including the lands within Assessment Area 5, are zoned to allow for the contemplated residential uses described herein. The Landowners have received concurrency and development order approval from the County and environmental resource permits from the South Florida Water Management District ("SFWMD") for all of the land within Assessment Area 5. The Project Engineer has certified that all permits for the 2024 Project have been received by jurisdictional agencies to allow for the development contemplated herein or are reasonably expected to be received in the ordinary course. See "BONDOWNERS' RISKS – Regulatory and Environmental Risks" herein and "APPENDIX C: ENGINEER'S REPORT" hereto for more information.

Environmental

An environmental site assessment dated October 2024 was received with respect to Assessment Area 5 (the "ESA"). The ESA did not reveal the presence of any recognized environmental conditions ("RECs") in connection with the subject property. See "BONDOWNERS' RISK – Regulatory and Environmental Risks" herein for more information regarding potential environmental risks.

Amenities

The Development contains an approximately 11-acre community amenity site known as the "Town Hall," with an approximately 14,000-square foot clubhouse, a resort-style swimming pool, fitness center, various recreation fields and courts (collectively, the "Amenity"), and an 18-hole golf course with club and cart barn facilities (the "Golf Course"). All residents of Hampton Lakes and River Hall Country Club are members of the Town Hall Amenities Center Association, Inc., a Florida non-profit corporation ("Town Hall Association"), that operates the Amenity. Currently, the Amenity is owned by an affiliate of Landowners, RH Venture THC, LLC, a Florida limited liability company. In the future, the Amenity will be conveyed to the Town Hall Association. The Golf Course is currently owned by an affiliate of Landowners, RH Golf, LLC, a Florida limited liability company. In the future, the Golf Course will be conveyed to the River Hall Country Club Homeowners' Association, Inc., a Florida not-for-profit corporation ("River Hall Country Club"), the homeowners' association as to the lots within the River Hall Country Club portion of the Development.

Utilities

Potable water, wastewater treatment and reclaimed wastewater (reuse services) for the Development are expected to be provided by Lee County Utilities, Florida. Electric power is expected to be provided by Florida Power & Light Company. All utility services are available to the property.

Taxes, Fees and Assessments

As set forth in the Assessment Methodology, the 2024 Assessments are initially levied on approximately 56.04 gross acres within Assessment Area 5. As such lots are platted, the 2024 Assessments will be assigned to the platted lots in Assessment Area 5 in accordance with the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" herein.

Assuming that all of the planned 297 residential units are developed and platted, then the estimated annual 2024 Assessment levels and the estimated par per unit is expected to be as follows:

	Product	No. of	Annual 2024	2024 Bonds Par
Parcel	Туре	Units	Assessments Per Unit*	Debt Per Unit*
Hampton Lakes Townhome	20' Lots	202	\$1,375	\$19,191
Country Club Parcel L	55' Lots	<u>95</u>	\$2,292	\$31,984
Total		297		

*Preliminary, subject to change. Annual 2024 Assessment levels shown assume collection via the Uniform Method and include a gross up to account for early payment discounts and County collection fees. See APPENDIX D hereto for more information.

The District levies assessments to cover its operation and maintenance costs, which vary by lot size and are subject to change annually. The current operation and maintenance assessments are \$260.21 per townhome unit annually and \$262.57 per 55' unit annually. In addition, residents will be required to pay homeowners' association fees, which vary by lot size and are subject to change. Homeowners within the Hampton Lakes portion of the Development are members of the Hampton Lakes at River Hall Homeowners' Association (the "Hampton Lakes Association") and the Town Hall Association and pay fees to each association which vary in amount based on lot size and are subject to change. Homeowners with townhome lots in Hampton Lakes have an annual Hampton Lakes Association fee of \$1,800, and the Town Hall Association annual fee of \$1,000. Homeowners within River Hall Country Club/Country Club East are members of River Hall Country Club at River Hall Homeowners' Association, and pay fees which vary in amount based on lot size and are subject to change. Homeowners with 55' lots in River Hall Country Club have an annual Association fee of \$8,825.56, and the Town Hall Association annual fee is \$1,000.00.

The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for the 2023 tax year was approximately 13.5940 mills. These taxes would be payable in addition to the 2024 Assessments and any other assessments levied by the District, which amount is subject to change. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Lee County, Florida may each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the prior year.

Education

The public schools for children residing in the Development are expected to be River Hall Elementary School, located adjacent to the Development, and The Alva School and Riverdale High School, which are located approximately 8 miles and 1.6 miles from the Development, respectively, and which were rated C, B and B, respectively, by the Florida Department of Education in 2024. The Lee County School Board may change school boundaries from time to time and there is no requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.

Competition

The following communities have been identified by the Landowners as being competitive with the Development, because of their proximity to the Development, price ranges and product types: Portico and Babcock Ranch.

The information under this heading does not purport to summarize all of the existing or planned communities in the area of the Development, but rather provide a description of those that the Developer feels pose primary competition to the Development.

Landowners' Agreements

The Landowners will enter into a completion agreement that will obligate the Landowners to complete any portions of the 2024 Project not funded with proceeds of the 2024 Bonds.

In addition, the Landowners will execute and deliver to the District a Collateral Assignment and Assumption of Development Rights (the "Collateral Assignment"), pursuant to which the Landowners will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Landowners, development rights relating the 2024 Project. That said, the Landowners have previously granted similar rights ("Prior Collateral Assignments") in connection with the issuance of the 2022A Bonds and the 2023A Bonds. In addition, any mortgagees, if any, or homebuilders may have certain development rights and other rights assigned to it under the terms of their mortgage or builder contracts relating to the Development. Notwithstanding such Collateral Assignment, in the event the District forecloses on the lands subject to the 2024 Assessments as a result of the Landowners' or subsequent landowners' failure to pay such assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the 2024 Project or the development of Assessment Area 5.

The Landowners will also enter into a True-Up Agreement in connection with their obligations to pay true-up payments in the event that debt levels remaining on unplatted lands in Assessment Area 5

increase above the maximum debt levels set forth in the Assessment Methodology. See "APPENDIX D: ASSESSMENT METHODOLOGY" herein for additional information regarding the "true-up mechanism."

Such obligations of the Landowners are unsecured obligations. The Landowners are specialpurpose entities whose assets consist primarily of their respective interests in the Development. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" and "THE LANDOWNERS" herein for more information regarding the Landowners.

THE LANDOWNERS

All of the land subject to the 2024 Assessments is owned by RH Venture II, LLC, and RH Venture III, both Florida limited liability companies (the "Landowners"). Each of the Landowners is wholly-owned by River Hall Investment Group, LLC, a Delaware limited liability company ("RHIG"). The members of RHIG are River Hall Recovery Acquisition, LLC, a Delaware limited liability company, and RH Venture I, LLC, a Florida limited liability company ("RH Venture I"), which is also the manager of the Landowners.

RH Venture I is wholly owned by GreenPointe Ventures, LLC, a Delaware limited liability company ("GreenPointe Ventures"). GreenPointe Holdings LLC, a Florida limited liability company ("GreenPointe"), is the majority owner of GreenPointe Ventures.

GreenPointe was founded by Edward E. Burr in 2008 with a charge to create livable communities of lasting value that fit the needs of today's homebuyers. Prior to leading GreenPointe, Burr founded the LandMar Group, LLC in 1987 and led the company's creation of master-planned, award-winning communities in Florida and coastal Georgia. Under his leadership, LandMar acquired, designed, entitled and developed more than 30 master-planned communities and developments. GreenPointe and each of its divisions are led by veterans of land and community development, homebuilding, lifestyle and amenities management, equity and debt financing, and infrastructure development. The GreenPointe team's collective experience includes raising and investing more than \$1 billion to develop 100,000 acres of land, build 90,000 homesites and construct 30,000 homes. GreenPointe and its affiliates' current portfolio consists of 18 master planned communities in Florida, accounting for approximately 24,000 homesites, 2,200 multifamily units and 900,000 square feet of commercial and retail space.

None of the entities listed above are guaranteeing the payment of the 2024 Bonds or 2024 Assessments. None of the entities listed herein, other than the Landowners, has entered into any agreements in connection with the issuance of the 2024 Bonds.

TAX MATTERS

General

The Internal Revenue Code of 1986, as amended (the "Code") establishes certain requirements which must be met subsequent to the issuance and delivery of the 2024 Bonds for interest thereon to be and remain excluded from gross income for federal income tax purposes. Noncompliance with such requirements could cause the interest on the 2024 Bonds to be included in gross income for federal income tax purposes retroactive to the date of issue of the 2024 Bonds. The District has covenanted in the Indenture to comply with each such requirement.

In the opinion of Akerman LLP, Bond Counsel, the proposed form of which is included as APPENDIX B hereto, assuming continuing compliance with certain covenants by the District and the accuracy of certain representations of the District, under existing statutes, regulations, published rulings, and judicial decisions, interest on the 2024 Bonds is excludable from gross income for federal income tax

purposes and is not an item of tax preference for purposes of the federal alternative minimum tax; however, such interest is taken into account in determining the "adjusted financial statement income" (as defined in Section 56A of the Code) of "applicable corporations" (as defined in Section 59 of the Code) for the purposes of computing the alternative minimum tax imposed on such corporations.

The opinion on federal tax matters will be based on and will assume the accuracy of certain representations and certifications and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the 2024 Bonds are and will remain obligations the interest on which is excluded from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of these certifications and representations.

Bond Counsel's opinions are based on existing law, which is subject to change. Moreover, Bond Counsel's opinions are not a guarantee of a particular result, and are not binding on the Internal Revenue Service ("IRS") or the courts; rather, such opinions represent Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinions.

The IRS has established an on-going program to audit tax-exempt obligations to determine whether interest on such obligations is includible in gross income for federal income tax purposes. Bond Counsel cannot predict whether the IRS will commence an audit of the 2024 Bonds. Owners of the 2024 Bonds are advised that, if the IRS does audit the 2024 Bonds, under current IRS procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the owners of the 2024 Bonds may have limited rights to participate in such procedure. The commencement of an audit could adversely affect the market value and liquidity of the 2024 Bonds until the audit is concluded, regardless of the ultimate outcome.

Collateral Tax Consequences

Prospective purchasers of the 2024 Bonds should be aware that ownership of, accrual or receipt of interest on or disposition of tax-exempt obligations, such as the 2024 Bonds, may have additional federal income tax consequences for certain taxpayers, including, without limitation, recipients of certain Social Security and certain Railroad Retirement benefits, taxpayers that may be deemed to have incurred or continued indebtedness to purchase or carry tax-exempt obligations, and certain S corporations.

Bond Counsel expresses no opinion regarding any federal tax consequences other than its opinion with regard to the exclusion of interest on the 2024 Bonds from gross income pursuant to Section 103 of the Code and the treatment of interest for purposes of the federal alternative minimum tax. Prospective purchasers of the 2024 Bonds should consult their tax advisors with respect to all other tax consequences (including, but not limited to, those listed above) of holding the 2024 Bonds. Prospective purchasers of the 2024 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

Other Tax Matters

In the opinion of Bond Counsel, interest on the 2024 Bonds is exempt from taxation under the existing laws of the State of Florida, except as to estate taxes and taxes imposed under Chapter 220, *Florida Statutes*, on interest, income or profits on debt obligations owned by corporations, as defined in said Chapter 220, *Florida Statutes*.

Interest on the 2024 Bonds may be subject to state or local income taxation under applicable state or local laws in other jurisdictions. Purchasers of the 2024 Bonds should consult their tax advisors as to the income tax status of interest on the 2024 Bonds, in their particular state or local jurisdictions.

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the 2024 Bonds. In some cases these proposals have contained provisions that altered these consequences on a retroactive basis. Such alteration of federal tax consequences may have affected the market value of obligations similar in nature to the 2024 Bonds. From time to time, legislative proposals may be introduced which could have an effect on both the federal tax consequences resulting from the ownership of the 2024 Bonds and their market value. No assurance can be given that any such legislative proposals, if enacted, would not apply to, or would not have an adverse effect upon, the 2024 Bonds. Prospective purchasers of the 2024 Bonds should consult their tax advisors as to the impact of any pending or proposed legislation. Bond Counsel has not undertaken to advise in the future whether any events after the date of issuance of the 2024 Bonds may affect the tax status of interest on the 2024 Bonds.

[Original Issue Discount]

[Under the Code, the difference between the maturity amount of the 2024 Bonds maturing on (the "Discount Bonds"), and the initial offering price to the public, excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers, at which price a substantial amount of the Discount Bonds of the same maturity and if applicable, interest rate, was sold is "original issue discount." For federal income tax purposes, original issue discount will accrue over the term of the Discount Bonds at a constant interest rate compounded on each interest payment date (or over a shorter permitted compounding interval selected by the Owner). A purchaser who acquires the Discount Bonds in the initial offering at a price equal to the initial offering price thereof to the public will be treated as receiving an amount of interest excludable from gross income for federal income tax purposes equal to the original issue discount accruing during the period he or she holds the Discount Bonds subject to the same considerations discussed above and will increase his or her adjusted basis in the Discount Bonds by the amount of such accruing discount for purposes of determining taxable gain or loss on the sale or disposition of the Discount Bonds. The federal income tax consequences of the purchase, ownership and redemption, sale or other disposition of the Discount Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those above. Bondholders of the Discount Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of interest accrued upon sale, redemption or other disposition of the Discount Bonds and with respect to the state and local tax consequences of owning and disposing of the Discount Bonds.]

[Original Issue Premium]

[The difference between the principal amount of the 2024 Bonds maturing on ______ (the "Premium Bonds") and the initial offering price to the public (excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers) at which price a substantial amount of such Premium Bonds of the same maturity was sold constitutes to an initial purchaser amortizable bond premium which is not deductible from gross income for Federal income tax purposes. The amount of amortizable bond premium for a taxable year is determined actuarially on a constant interest rate basis over the term of each Premium Bond, or in the case of certain of the Premium Bonds that are callable prior to maturity, the amortization period and yield must be determined on the basis of the earliest call date that results in the lowest yield on such Premium Bond. For purposes of determining gain or loss on the sale or other disposition of a Premium Bond, an initial purchaser who acquires such obligation in the initial offering price is required to decrease such purchaser's adjusted

basis in such Premium Bond annually by the amount of amortizable bond premium for the taxable year. The amortization of bond premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Premium Bonds. Owners of the Premium Bonds are advised that they should consult with their own advisors with respect to the state and local tax consequences of owning such Premium Bonds.]

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the 2024 Bonds is subject to information reporting to the Internal Revenue Service Interest paid on tax-exempt bonds such as the 2024 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the 2024 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of 2024 Bonds, under certain circumstances, to "backup withholding" at the rate specified in the Code with respect to payments on the 2024 Bonds and proceeds from the sale of 2024 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of 2024 Bonds. This withholding generally applies if the owner of 2024 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the 2024 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

AGREEMENT BY THE STATE

Under the Act, the State of Florida pledges to the holders of any bonds issued thereunder, including the 2024 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that bonds issued by community development districts are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State, and constitute securities that may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the 2024 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes and the rules promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the 2024 Bonds. Investment in the 2024 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this

Limited Offering Memorandum, and, if given or made, such other information or representations must not be relied upon as having been authorized by either of the foregoing.

ENFORCEABILITY OF REMEDIES

The remedies available to the Owners of the 2024 Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the 2024 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the 2024 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

LITIGATION

The District

There is no litigation of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the 2024 Bonds, or in any way contesting or affecting (i) the validity of the 2024 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the 2024 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The Landowners

The Landowners have represented that there is no litigation of any nature now pending or, to the knowledge of the Landowners, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the 2024 Project or the development of the lands in Assessment Area 5 of the District as described herein, materially and adversely affect the ability of the Landowners to pay the 2024 Assessments imposed against the land within Assessment Area 5 of the District owned by the respective Landowners or materially and adversely affect the ability of the Landowners to perform their various obligations described in this Limited Offering Memorandum.

CONTINGENT FEES

The District has retained Bond Counsel, District Counsel, the Project Engineer, the District Manager and Methodology Consultant, the Underwriter (who has retained Underwriter's Counsel) and the Trustee (which has retained Trustee's counsel), with respect to the authorization, sale, execution and delivery of the 2024 Bonds. Except for the payment of certain fees to District Counsel, the Project Engineer and the District Manager, the payment of fees of the other professionals is each contingent upon the issuance of the 2024 Bonds.

NO RATING

No application for a rating for the 2024 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the 2024 Bonds would have been obtained if application had been made.

EXPERTS

The Engineer's Report attached as APPENDIX C to this Limited Offering Memorandum has been prepared by Barraco and Associates, Inc., Fort Myers, Florida, the Project Engineer. APPENDIX C should be read in its entirety for complete information with respect to the subjects discussed therein. Wrathell, Hunt & Associates, LLC, Boca Raton, Florida, as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX D attached hereto. APPENDIX D should be read in its entirety for complete information with respect to the subjects discussed therein. As a condition to closing on the 2024 Bonds, both the Project Engineer and the Methodology Consultant will consent to the inclusion of their reports in this Limited Offering Memorandum.

FINANCIAL INFORMATION

This District will covenant in the Continuing Disclosure Agreement, the proposed form of which is set forth in APPENDIX F hereto, to provide its annual audited financial statements to certain information repositories as described in APPENDIX F, commencing with the audit for the District fiscal year ended September 30, 2024. Attached hereto as APPENDIX E are copies of the District's audited financial statements for the District's fiscal years ended September 30, 2022, and September 30, 2023, as well as a copy of the District's unaudited monthly financial statements for the period ended August 31, 2024. Two years of audited financial statements have been included as required by Florida Administrative Rule 69W-400.003(h) due to the District's previous default on the payment of principal and interest on its Prior Bonds. See "THE DISTRICT – Outstanding Indebtedness and Prior Bond Defaults" for more information regarding such defaults. Such audited financial statements, including the auditor's report included within the audited financial statements, have been included in this Limited Offering Memorandum as publicly available documents and consent from the auditor was not requested. Further, the auditors have not performed any services related to, and therefore are not associated with, the preparation of this Limited Offering Memorandum. The 2024 Bonds are not general obligation bonds of the District and are payable solely from the 2024 Pledged Revenues.

Beginning October 1, 2015, or by the end of the first full fiscal year after its creation, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S., including, without limitation, the district's proposed and final budgets and audit. Additional information regarding the District's website is available from the District Manager at the address set forth under "THE DISTRICT – The District Manager and Other Consultants."

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private business). The District previously defaulted or was late on certain payments of principal and interest with respect to the 2005 Bonds and the 2011A-2 Bonds. See "THE DISTRICT – Outstanding Indebtedness and Prior Bond Defaults" herein for more information.

CONTINUING DISCLOSURE

The District and the Landowner will enter into the Continuing Disclosure Agreement (the "Disclosure Agreement") in the proposed form of APPENDIX F, for the benefit of the 2024 Bondholders (including owners of beneficial interests in such 2024 Bonds), to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") with the MSRB through the MSRB's EMMA system. The specific nature of the information to be contained in the Reports is set forth in APPENDIX F. Under certain circumstances, the failure of the District or the Landowner to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement would allow the 2024 Bondholders (including owners of beneficial interests in such 2024 Bonds) to bring an action for specific performance.

The District has previously entered into a continuing disclosure undertaking pursuant to Rule 15c2-12, promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"), with respect to its Prior Bonds. A review of filings made pursuant to such prior undertakings indicates that certain filings were not timely made and that notice of such late filings was not timely provided.

RH Venture II has previously entered into a continuing disclosure undertaking pursuant to the Rule, with respect to the District's 2020A Bonds and 2023A Bonds. A review of filings made pursuant to such prior undertakings indicates that certain filings required to be made by RH Venture II were not correctly filed and that corrective filings were not always timely filed. RH Venture III has previously entered into a continuing disclosure undertaking pursuant to the Rule with respect to the District's 2023A Bonds. A review of filings made pursuant to such prior undertaking indicates that RH Venture II has not materially failed to comply with its requirements thereunder within the last five years.

The District and the Landowners fully anticipate satisfying all future disclosure obligations required pursuant to the Disclosure Agreement. The District will appoint Wrathell, Hunt & Associates, LLC (the "Dissemination Agent"), as dissemination agent under the Disclosure Agreement for the 2024 Bonds.

UNDERWRITING

FMSbonds, Inc. (the "Underwriter") has agreed, pursuant to a contract with the District, subject to certain conditions, to purchase the 2024 Bonds from the District at a purchase price of $[____]$ (par amount of the 2024 Bonds, [plus/less] an original issue premium/discount of $[___]$ and] an Underwriter's discount of $[___]$). The Underwriter's obligations are subject to certain conditions precedent and the Underwriter will be obligated to purchase all of the 2024 Bonds if any 2024 Bonds are purchased.

The Underwriter intends to offer the 2024 Bonds to accredited investors at the offering prices set forth on the cover page of this Limited Offering Memorandum, which may subsequently change without prior notice. The 2024 Bonds may be offered and sold to certain dealers, banks and others at prices lower than the initial offering prices, and such initial offering prices may be changed from time to time by the Underwriter.

VALIDATION

Bonds issued pursuant to the terms of the Master Indenture have been validated by a judgment of the Circuit Court of the Twentieth Judicial Circuit Court of Florida in and for the County, rendered on August 29, 2005. The period of time during which an appeal can be taken from such judgment has expired without an appeal having been taken.

LEGAL MATTERS

Certain legal matters related to the authorization, sale and delivery of the 2024 Bonds are subject to the approval of Akerman LLP, Jacksonville, Florida, Bond Counsel. Certain legal matters will be passed upon for the Underwriter by its counsel, GrayRobinson, P.A. Tampa, Florida. Certain legal matters will be passed upon for the District by its counsel, Coleman, Yovanovich & Koester, P.A., Naples, Florida. Certain legal matters will be passed upon for the Landowners by their general counsel, Patricia Nolan, Esq. and by their special counsel, Foley & Lardner LLP, Jacksonville, Florida.

Bond Counsel's opinion included herein is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of such. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Any statements made in this Limited Offering Memorandum involving matters of opinion or estimates, whether or not expressly so stated, are set forth as such and not as representations of fact, and no representations are made that any of the estimates will be realized.

The references herein to the 2024 Bonds and other documents referred to herein are brief summaries of certain provisions thereof. Such summaries do not purport to be complete and reference is made to such documents for full and complete statements of such provisions.

This Limited Offering Memorandum is submitted in connection with the limited offering of the 2024 Bonds and may not be reproduced or used, as a whole or in part, for any other purpose. The Trustee may pay the principal portion of the purchase price of Bonds from the related Series Redemption Account, but only upon delivery of written instructions from an Authorized Officer to the Trustee by the District accompanied by a certificate of an Authorized Officer: (i) stating that sufficient moneys are on deposit in the Redemption Account to pay the purchase price of such Bonds; (ii) setting forth the amounts and maturities of Bonds of such Series which are to be redeemed from such amounts; and (iii) containing cash flows which demonstrate that, after giving effect to the purchase of Bonds in the amounts and maturities set forth in clause (ii) above, the Pledged Revenues to be received by the District in the current and each succeeding Bond Year will be sufficient to pay the principal, Maturity Amount and Amortization Installments of an interest on all Bonds of such Series. The Trustee may pay the principal portion of the purchase price of any Term Bonds from the related Series Principal Account, but only Term Bonds of a maturity having Amortization Installments in the current Bond Year and in the principal amount no greater than the Amortization Installment related to such Series of Bonds coming due in the current Bond Year (calculated after giving effect to any other purchases of Term Bonds during such Bond Year). The Trustee may pay the principal portion of the purchase price of Term Bonds having maturities different from or in amounts greater than set forth in the next preceding sentence from amounts on deposit in the related Series Principal Account and the Trustee may transfer moneys from the related Series Revenue Account to the related Series Principal Account for such purpose, but only upon delivery of written instructions from an Authorized Officer to the Trustee accompanied by a certificate of an Authorized Officer: (i) stating that sufficient moneys are on deposit in the Series Principal Account, after giving effect to any transfers from the related Series Revenue Account, to pay the principal portion of the purchase price of such Term Bonds; (ii) setting forth the amounts and

Section 506. Optional Redemption.

(a) Excess Amounts in Series Redemption Account. The Trustee shall, but only at the written direction of an Authorized Officer on or prior to the forty-fifth (45th) day preceding the date of redemption, call for redemption on each Interest Payment Date on which Bonds are subject to optional redemption, from moneys on deposit in a Series Redemption Account such amount of Authorized Denominations of Bonds of such Series then subject to optional redemption as, with the redemption premium, if any, will exhaust such amount as nearly as may be practicable. Such redemption shall be made pursuant to the provisions of Article III. The District shall pay all expenses incurred by the Trustee and Paying Agent in connection with such redemption.

Purchase of Bonds of a Series. The District may (b) purchase Bonds of a Series then Outstanding at any time, whether or not such Bonds shall then be subject to redemption, at the most advantageous price obtainable with reasonable diligence, having regard to maturity, option to redeem, rate and price, such price not to exceed the principal of such Bonds plus the amount of the premium, if any, which would be payable on the next redemption date to the Owners of such Bonds under the provisions of this Master Indenture and the Supplemental Indenture pursuant to which such Series of Bonds was issued if such Bonds were called for redemption on such date. Before making each such purchase, the District shall file with the Trustee a statement in writing directing the Trustee to pay the purchase price of the Bonds of such Series so purchased upon their delivery and cancellation, which statement shall set forth a description of such Bonds, the purchase price to be paid therefor, the name of the seller and the place of delivery of the Bonds. The Trustee shall pay the interest accrued on such Bonds to the date of delivery thereof from the related Series Interest Account and the principal portion of the purchase price of Serial Bonds from the related Series Principal Account, but no such purchase shall be made after the Record Date in any Bond Year in which Bonds have been called for redemption. To the extent that insufficient moneys are on deposit in a related Series Interest Account to pay the accrued interest portion of the purchase price of any Bonds or in a related Series Principal Account to pay the principal amount of the purchase price of any Serial Bond, the Trustee shall transfer into such Accounts from the related Series Revenue

maturities of Term Bonds of such Series which are to be redeemed from such amounts and the Amortization Installments against which the principal amount of such purchases are to be credited; and (iii) containing cash flow which demonstrate that, after giving effect to the purchase of Term Bonds in the amounts and having the maturities and with the credits against Amortization Installments set forth in clause (ii) above and any transfers from the related Series Revenue Account, the Pledged Revenues to be received by the District in the current and in each succeeding Bond Year will be sufficient to pay the principal, Maturity Amount and Amortization Installments of and interest on all Bonds of such Series. If any Bonds are purchased pursuant to this Subsection (b), the principal amount of the Bonds so purchased shall be credited as follows:

(i) if the Bonds are to be purchased from amounts on deposit in the Prepayment Subaccount of a Series Redemption Account, against the principal coming due or Amortization Installments set forth in the certificate of the Authorized Officer accompanying the direction of the District to effect such purchase; or

(ii) if the Bonds are Term Bonds of a Series, against the Amortization Installment for Bonds of such Series first coming due in the current Bond Year, or, if such Term Bonds so purchased are to be credited against Amortization Installments coming due in any succeeding Bond Year, against the Amortization Installments on Term Bonds of such Series maturing on the same date and designated in the certificate of the Authorized Officer accompanying the direction of the District to effect such purchase; or

(iii) against the principal or Maturity Amount of Serial Bonds coming due on the maturity date of such Serial Bond.

Section 507. Rebate Fund and Series Rebate Accounts.

(a) **Creation**. There is hereby created and established a Rebate Fund, and within the Rebate Fund a Series Rebate Account for each Series of Tax Exempt Bonds. Moneys deposited and held in the Rebate Fund shall not be subject to the pledge of this Master Indenture.

(b) **Payment to United States**. The Trustee shall pay to the District upon written request of the District, the Rebate Amount

required to be paid to the United States at the times, in the manner and as calculated in accordance with the Supplemental Indenture related to a Series of Tax Exempt Bonds. The Trustee shall have no responsibility for computation of the Rebate Amount and instead the District shall cause the Rebate Amount to be calculated by the Rebate Analyst and shall cause the Rebate Amount to be calculated by the Rebate computation to the Trustee as provided in the Supplemental Indenture related to a Series of Tax Exempt Bonds but before the date of any required payment of the Rebate Amount to the Internal Revenue Service. The fees of, and expenses incurred by, the Rebate Analyst in computing the Rebate Amount shall be paid by the District, which amount shall be treated as administrative and operating expenses of the District payable or reimbursable from the Series Revenue Account in accordance with Section 505(b) hereof.

(c) **Deficiencies.** If the Trustee does not have on deposit in the Series Rebate Account sufficient amounts to make the payments required by this Section, the District shall pay, from any legally available source, the amount of any such deficiency to the United States as in paragraph (b) above provided.

Section 508. Investment of Funds and Accounts. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, moneys held for the credit of the Series Accounts shall be invested as hereinafter in this Section 508 provided.

Moneys held for the credit of a Series Acquisition and Construction Account, the Series Revenue Account, and the Series Debt Service Account shall, as nearly as may be practicable, be continuously invested and reinvested by the Trustee in Investment Obligations as directed in writing by an Authorized Officer, which Investment Obligations shall mature, or shall be subject to redemption by the holder thereof at the option of such holder, not later than the respective dates, as estimated by an Authorized Officer, when moneys held for the credit of each such Series Account will be required for the purposes intended.

(b) Series Reserve Account. Moneys held for the credit of a Series Reserve Account shall be continuously invested and reinvested by the Trustee in Investment Obligations as directed in writing by an Authorized Officer.

premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of days remaining to maturity on such obligation at the date of such purchase and by multiplying the amount thus calculated by the number of days having passed since such purchase; and (1) in the case of an obligation purchased at a premium by deducting the product thus obtained from the purchase price, and (2) in the case of an obligation purchased at a discount by adding the product thus obtained to the purchase price.

Section 509. Deficiencies and Surpluses in Funds. For purposes of this Section: (a) a "deficiency" shall mean, in the case of a Series Reserve Account, that the amount on deposit therein is less than the Series Reserve Account Requirement (but only after the Bond Year in which the amount on deposit therein is less than the Series Reserve Account Requirement (but only after the Bond Year in which the amount on deposit therein first equals the Series Reserve Account Requirement), and (b) a "surplus" shall mean in the case of a Series Reserve Account, that the amount on deposit therein is in excess of the Series Reserve Account Requirements.

At the time of any withdrawal from a Series Reserve Account that results in a deficiency therein, the Trustee shall promptly notify the District of the amount of any such deficiency and the Trustee shall withdraw the amount of such deficiency from the related Series Revenue Account, and, if amounts on deposit therein are insufficient therefor, the District shall pay the amount of such deficiency to the Trustee, for deposit in such Series Reserve Account, from the first legally available sources of the District.

The Trustee, as of the close of business on the last Business Day in each Bond Year, after taking into account all payments and transfers made as of such date, shall compute, in the manner set forth in Section 508(d), the value of the Series Reserve Account and shall promptly notify the District of the amount of any deficiency or surplus as of such date in such Series Reserve Account. The District shall immediately pay the amount of any deficiency to the Trustee, for deposit in the Series Reserve Account, from any legally available sources of the District. The Trustee, as soon as practicable after such computation, shall deposit any surplus, at the direction of an Authorized Officer, to the credit of the Series Redemption Account or the Series Principal Account.

Investment Obligations as a Part of Funds and (c) Accounts. Investment Obligations purchased as an investment of moneys in any Fund or Account shall be deemed at all times to be a part of such Fund or Account, and the interest accruing thereon and profit realized from such investment shall be credited as provided in Section 510 hereof. Any loss resulting from such investment shall be charged to such Fund or Account. The foregoing notwithstanding, for purposes of investment and to the extent permitted by law, amounts on deposit in any Fund or Account may be commingled for purposes of investment, provided adequate care is taken to account for such amounts in accordance with the prior sentence. The Trustee may, upon the direction of an Authorized Officer, transfer investments within such Funds or Accounts without being required to sell such investments. The Trustee shall sell at the best price obtainable or present for redemption any obligations so purchased whenever it shall be necessary so to do in order to provide moneys to meet any payment or transfer from any such Fund or Account. The Trustee shall not be liable or responsible for any loss resulting from any such investment or for failure to make an investment (except failure to make an investment in accordance with the written direction of an Authorized Officer) or for failure to achieve the maximum possible earnings on investments.

Valuation. In computing the value of the assets of any Fund or Account, investments and earnings thereon shall be deemed a part thereof. The Trustee shall value the assets in each of the Funds and Accounts established hereunder as of September 30 of each Fiscal Year, and as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the District a report of the status of each Fund and Account as of the valuation date. For the purpose of determining the amount on deposit to the credit of any Fund or Account established hereunder, with the exception of a Series Reserve Account, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the redemption price thereof, to the extent that any such obligation is then redeemable at the option of the holder. For the purpose of determining the amount on deposit to the credit of a Series Reserve Account, obligations in which money in such Account shall have been invested shall be valued at par, if purchased at par, or at amortized cost, if purchased at other than par, plus, in each case, accrued interest. Amortized cost, when used with respect to an obligation purchased at a

Section 510. Investment Income. Unless provided otherwise in a Supplemental Indenture, earnings on Investments in a Series Acquisition and Construction Account, a Series Interest Account and a Series Revenue Account shall be deposited, as realized, to the credit of such Series Account and used for the purpose of such Account. Unless provided in a Supplemental Indenture, earnings on investments in a Series Principal Account and Redemption Account shall be deposited, as realized, to the credit of such Series Interest Account and used for the purpose of such Account.

Earnings on investments in a Series Reserve Account shall unless otherwise therein provided in a Supplemental Indenture be disposed of as follows:

(a) if there was no deficiency (as defined in Section 509 above) in the Series Reserve Account as of the most recent date on which amounts on deposit in the Series Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series Reserve Account since such date, then earnings on investments in the Series Reserve Account shall be deposited, as realized, in the Series Revenue Account.

(b) if as of the last date on which amounts on deposit in the Series Reserve Account were valued by the Trustee there was a deficiency (as defined in Section 509 above) in the Series Reserve Account, or if after such date withdrawals have been made from the Series Reserve Account and have created such a deficiency, then earnings on investments in the Series Reserve Account shall be deposited to the credit of the Series Reserve Account until the amount on deposit therein equals the Series Reserve Account Requirement and thereafter shall be deposited to the Series Revenue Account

Section 511. Cancellation of the Bonds. All Bonds paid, redeemed or purchased, either at or before maturity, shall be canceled upon the payment, redemption or purchase of such Bonds. All Bonds canceled under any of the provisions of this Master Indenture shall be destroyed by the Paying Agent, which shall execute a certificate in duplicate describing the Bonds so destroyed. One executed certificate shall be filed with the Trustee and the other executed certificate shall be retained by the Paying Agent.

ARTICLE VI CONCERNING THE TRUSTEE

Section 601. Acceptance of Trust. The Trustee accepts and agrees to execute the trusts hereby created, but only upon the additional terms set forth in this Article, to all of which the parties hereto and the Owners agree. The Trustee shall have only those duties expressly set forth herein, and no duties shall be implied against the Trustee.

Section 602. No Responsibility for Recitals. The recitals, statements and representations in this Master Indenture, in any Supplemental Indenture or in the Bonds, save only the Trustee's authentication certificate, if any, upon the Bonds, have been made by the District and not by the Trustee; and the Trustee shall be under no responsibility for the correctness thereof.

Section 603. Trustee May Act Through Agents; Answerable Only for Willful Misconduct or Gross Negligence. The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers or employees, and shall be entitled to advice of counsel concerning all questions hereunder, and the Trustee shall not be answerable for the default or misconduct of any attorney, agent or employee selected by it with reasonable care. In performance of its duties hereunder, the Trustee may rely on the advice of counsel and shall not be held liable for actions taken in reliance on the advice of counsel. The Trustee shall not be answerable for the exercise of any discretion or power under this Master Indenture or any Supplemental Indenture nor for anything whatever in connection with the trust hereunder, except only its own gross negligence or wilful misconduct.

Section 604. Compensation and Indemnity. The District shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, including the reasonable fees and expenses of Trustee's counsel, and to the extent permitted under Florida law shall indemnify the Trustee and hold the Trustee harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder except with respect to its own negligence or misconduct. The Trustee shall have no duty in connection with its responsibilities hereunder to advance its own funds nor shall the Trustee have any

the Outstanding Bonds. The Trustee may, however, at any time require of the District full information as to the performance of any covenant hereunder; and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the District, an investigation into the affairs of the District.

Section 607. Obligation to Act on Default. Before taking any action under this Master Indenture or any Supplemental Indenture in respect of an Event of Default, the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability resulting from its own gross negligence or willful misconduct in connection with any such action.

Section 608. Reliance by Trustee. The Trustee may act on any requisition, resolution, notice, telegram, request, consent, waiver, certificate, statement, affidavit, voucher, bond, or other paper or document or telephone message which it in good faith believes to be genuine and to have been passed, signed or given by the proper persons or to have been prepared and furnished pursuant to any of the provisions of this Master Indenture or any Supplemental Indenture; and the Trustee shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement.

Section 609. Trustee May Deal in Bonds. The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Owners may be entitled to take with like effect as if the Trustee were not a party to this Master Indenture or any Supplemental Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the District.

Section 610. Construction of Ambiguous Provision. The Trustee may construe any ambiguous or inconsistent provisions of this Master Indenture or any Supplemental Indenture and any construction by the Trustee shall be binding upon the Owners. The Trustee shall give prompt written notice to the District of any intention to make such construal.

Section 611. Resignation of Trustee. The Trustee may resign and be discharged of the trusts created by this Master Indenture by written resignation filed with the Secretary of the District not less

If the District defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys received by the Trustee under this Master Indenture or any Supplemental Indenture and payable to the District other than moneys from a Credit Facility or a Liquidity Facility. This provision shall survive termination of this Master Indenture and any Supplemental Indenture, and as to any Trustee, its resignation or removal thereof. As security for the foregoing, the District hereby grants to the Trustee a security interest in and to the amounts of deposit in all Series Funds and Accounts (other than the Rebate Fund) thereby, in effect, granting the Trustee a first charge against these moneys following an Event of Default for its fees and expenses (including legal counsel and default administration costs and expenses), subordinate and inferior to the security interest granted to the Owners of the Bonds from time to time secured thereby, but nevertheless payable in the order of priority as set forth in Section 905(a) upon the occurrence of an Event of Default.

Section 605. No Duty to Renew Insurance. The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the District to require or effect or renew insurance or to report or file claims of loss thereunder.

Section 606. Notice of Default; Right to Investigate. The Trustee shall give written notice, as soon as practicable, by firstclass mail to registered Owners of Bonds of all defaults of which the Trustee has actual knowledge, unless such defaults have been remedied (the term "defaults" for purposes of this Section and Section 607 being defined to include the events specified as "Events of Default" in Section 902 hereof, but not including any notice or periods of grace provided for therein) or if the Trustee based upon the advice of counsel upon which the Trustee is entitled to rely, determines that the giving of such notice is not in the best interests of the Owners of the Bonds. The Trustee will be deemed to have actual knowledge of any payment default under this Master Indenture or under any Supplemental Indenture and, after receipt of written notice thereof by a Credit Facility issuer or a Liquidity Facility issuer of a default under its respective reimbursement agreement, but shall not be deemed to have actual knowledge of any other default unless notified in writing of such default by the Owners of at least 25% in aggregate principal amount of

If a successor Trustee has not been appointed within sixty (60) days after the Trustee has given its notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has been duly appointed.

Section 612. Removal of Trustee. Any Trustee hereunder may be removed at any time by an instrument appointing a successor to the Trustee so removed, executed by the Owners of a majority in aggregate principal amount of all Bonds then Outstanding and filed with the Trustee and the District.

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Master Indenture or any Supplemental Indenture with respect to the duties and obligations of the Trustee, by any court of competent jurisdiction upon the application of the District or the Owners of not less than 20% in aggregate principal amount of the Bonds then Outstanding.

Section 613. Appointment of Successor Trustee. If the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and the District shall appoint a successor and shall mail notice of such appointment by first-class mail to each Owner as its name and address appears on the Bond Register, and to the Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer; provided, however, that no successor Trustee shall be appointed unless the District shall have received the prior written consent, which consent shall not be unreasonably withheld, of not less than fifty-one percent (51%) of the Owners of the Outstanding Bonds and any Credit Facility issuer, and any Liquidity Facility issuer, to the appointment of such successor Trustee.

Section 614. Qualification of Successor Trustee. A successor Trustee shall be a national bank with trust powers or a bank or trust company with trust powers, having a combined net capital and surplus of at least \$50,000,000, but in no event shall the successor Trustee ever be the Credit Facility issuer or Liquidity Facility issuer.

Section 615. Instruments of Succession. Any corporation into which any Trustee hereunder may be merged or with which it may be consolidated, or any corporation resulting from any merger or consolidation to which any Trustee hereunder shall be a party, shall be the successor Trustee under this Master Indenture, without the execution or filing of any paper or any further act on the part of the parties thereto, anything herein to the contrary notwithstanding; provided, however, that any such successor corporation continuing to act as Trustee hereunder shall meet the requirements of Section 614 hereof, and if such corporation does not meet the aforesaid requirements, a successor Trustee shall be appointed pursuant to this Article VI.

Section 617. Resignation of Paying Agent or Bond Registrar. The Paying Agent or Bond Registrar may resign and be discharged of the duties created by this Master Indenture by executing an instrument in writing resigning such duties and specifying the date

All Outstanding Bonds of any particular maturity or Series shall prior to the maturity or redemption date thereof be deemed to have been paid within the meaning and with the effect expressed in subsection (a) of this Section 1201 if: (i) in case any of such Bonds are to be redeemed on any date prior to their maturity, the District shall have given to the Trustee or the Bond Registrar irrevocable instructions accepted in writing by the Trustee or the Bond Registrar to mail as provided in Article III notice of redemption of such Bonds on such date; (ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Federal Securities, the principal of and the interest on which when due shall, as demonstrated in an Accountant's Certificate, provide moneys which, together with the moneys. if any. deposited with the Trustee at the same time, shall be sufficient, to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on or prior to the redemption date or maturity date thereof, as the case may be; (iii) the District shall have given the Trustee or the Bond Registrar in form satisfactory to it irrevocable instructions to mail, postage prepaid, to each registered Owner of Bonds then Outstanding at the address, if any, appearing upon the registry books of the District, a notice to the registered Owners of such Bonds and to the Registrar that the deposit required by (b) above has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this Section 1201 and

The District may pay costs associated with any actions taken by the District or the Trustee pursuant to this paragraph from any moneys legally available for such purpose held under the Indenture, provided such action does not adversely impact the taxe-cempt status of the interest on the 2024 Bonds.

All 2024 Assessments that are billed and collected directly by the District shall be due and payable by the applicable landowner no later than thirty (30) days prior to each Interest Payment Date and shall become delinquent thereafter.

SECTION 5.05 Provisions relating to Bankruptcy or Insolvency of Taxpayer.

(a) The provisions of this Section 5.05 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to at least eight percent (8%) of the 2024 Assessments pledged to the 2024 Bonds Outstanding (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding").

> (ii) the District hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the 2024 Assessments relating to the 2024 Bonds Outstanding, the 2024 Bonds Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee;

(iii) the District hereby agrees that it shall seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, Trustee shall be deemed to have consented, on behalf of the Majority Owners of the 2024 Bonds Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following receipt by the Trustee of the written request for consent);

(iv) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the 2024 Assessments relating to the 2024 Bonds Outstanding would have the right to pursue, and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the 2024 Assessments relating the 2024 Bonds Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent

The Trustee shall have no liability for any failure to act with respect to any Proceeding if it does not receive such written direction and indemnity in a sufficiently timely manner in order for the Trustee to meet any deadline, applicable to such Proceeding and the Trustee shall be entitled to all of the rights and protections granted to it under Article XI of the Master Indenture regardless of whether there exists an Event of Default. In the event that the Truster receives any moneys as the result of a Proceeding, the Trustee shall first reimburse any or its outstanding fees and/or the fees, costs and expenses incurred in connection with the Proceedings (including attorney's fees, costs and expenses) prior to otherwise distributing such moneys. from the Majority Owners and has been indemnified to its satisfaction.

Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and

(v) The District shall not challenge the validity or amount of any claim submitted in good faith in such Proceeding by the Trustee or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceedings or take any other action in such Proceedings, which is adverse to Trustee's enforcement or the District's claim and rights with respect to the 2024 Assessments relating to the 2024 Bonds Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the 2024 Assessments pledged to the 2024 Bonds Outstanding, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

(c) Notwithstanding subsection (b) above, nothing in this Section shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance Assessments, and the District shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the District in pursuance of its claim for operation and maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the 2024 Assessments relating to the 2024 Bonds Outstanding whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (b)(iv) above.

Akerman LLP 50 North Laura Street Suite 3100 Jacksonville, FL 32202-3646

(Closing Date)

Board of Supervisors River Hall Community Development District

RE: \$[____] River Hall Community Development District (Lee County, Florida) Capital Improvement Refunding Revenue Bonds, Series 2024 (Assessment Area 5) (the "2024 Bonds")

Ladies and Gentlemen:

We have acted as bond counsel in connection with the issuance by River Hall Community Development District (the "District") of the 2024 Bonds pursuant to the Constitution and laws of the State of Florida, including particularly the Uniform Community Development District Act of 1980, Chapter 190, *Florida Statutes*, as amended (the "Act"), Resolution 2005-18 adopted by the Board of Supervisors of the District (the "Board") on June 17, 2005, as supplemented (collectively, the "Resolution"), and a Master Trust Indenture dated as of October 1, 2005 (the "Master Indenture"), as supplemented with respect to the 2024 Bonds by a Sixth Supplemental Trust Indenture dated as of November 1, 2024 (such supplemental indenture together with the Master Indenture, the "Indenture"), between the District and U.S. Bank National Association, as trustee (the "Trustee"). Any capitalized undefined term used herein shall have the same meaning as such term has under the Indenture.

As to questions of fact material to our opinion, we have relied upon representations of the District contained in the Indenture and in the certified proceedings and other certifications of officials furnished to us, without undertaking to verify the same by independent investigation.

Reference is made to the opinion of even date herewith of Coleman, Yovanovich & Koester, P.A., Counsel to the District, on which we have solely relied, as to the due creation and valid existence of the District, the due authorization, execution and delivery of the Indenture by the District and the due adoption of the Resolution and other resolutions of the District. Reference is also made to the opinion of even date herewith of counsel to the Trustee, on which we have relied, as to the due authorization and execution of the Indenture by the Trustee and of the enforceability of the Indenture against the Trustee.

In addition to the foregoing, we have examined and relied upon such other agreements, certificates, documents and opinions submitted to us, including certifications and representations of public officials and other officers and representatives of the various parties participating in this

River Hall Community Development District (Closing Date) Page 2 of 4

transaction, as we have deemed relevant and necessary in connection with the opinions expressed below. We have not undertaken an independent audit, examination, investigation or inspection of the matters described or contained in such agreements, certificates, documents, representations and opinions submitted to us and have relied solely on the facts, estimates and circumstances described and set forth therein.

In our examination of the foregoing, we have assumed the genuineness of the signatures on all documents and instruments, the authenticity of documents submitted as originals, the conformity to originals of documents submitted as copies and the legal capacity of all natural persons.

The scope of our engagement in relation to the issuance of the 2024 Bonds has been limited solely to the examination of facts and law incident to rendering the opinions expressed herein.

This opinion should not be construed as offering material or an offering circular, prospectus or official statement and is not intended in any way to be a disclosure statement used in connection with the sale or delivery of the 2024 Bonds. Furthermore, we are not passing on the accuracy or sufficiency of any CUSIP numbers appearing on the 2024 Bonds. In addition, we have not been engaged to and, therefore, do not express any opinion as to compliance by the District with any federal or state statute, regulation or ruling with respect to the sale and distribution of the 2024 Bonds.

Neither the 2024 Bonds nor the interest and premium, if any, payable thereon shall constitute a general obligation or general indebtedness of the District within the meaning of the Constitution and laws of Florida. The 2024 Bonds and the interest and premium, if any, payable thereon do not constitute either a pledge of the full faith and credit of the District or a lien upon any property of the District other than as provided in the Indenture. No owner of the 2024 Bonds or any other person shall ever have the right, directly or indirectly, to require or compel the exercise of any ad valorem taxing power of the District or any other public authority or governmental body to pay the principal of or interest and premium, if any, on the 2024 Bonds or to pay any other amounts required to be paid pursuant to the Indenture or the 2024 Bonds.

The opinions set forth below are expressly limited to, and we opine only with respect to, the laws of the State of Florida and the federal income tax laws of the United States of America.

Based upon the foregoing, we are of the opinion that:

1. The District has been duly created and validly exists as a community development district under the Act.

River Hall Community Development District (Closing Date) Page 3 of 4

2. The Indenture has been duly authorized and executed by the District and constitutes a valid and binding obligation of the District. The Indenture creates the valid pledge which it purports to create of the 2024 Trust Estate for the 2024 Bonds in the manner and to the extent provided therein.

3. The 2024 Bonds have been duly authorized, executed and delivered by the District and are valid, binding, and enforceable special obligations of the District, payable solely from the sources provided therefore in the Indenture.

The interest on the 2024 Bonds is excludable from gross income for federal income 4. tax purposes and is not treated as an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals; however, such interest is taken into account in determining the adjusted financial statement income of applicable corporations for the purpose of computing the alternative minimum tax imposed on such corporations. The opinions set forth in the immediately preceding sentence are subject to the condition that the District comply with all requirements of the Internal Revenue Code of 1986, as amended, and the regulations thereunder (the "Code"), that must be met or satisfied subsequent to the date hereof in order that interest thereon be, or continue to be, excludable from gross income for federal income tax purposes. The District has covenanted to comply with each such requirement. Failure of the District to comply with such requirements may cause the inclusion of interest on the 2024 Bonds in gross income for federal income tax purposes retroactive to the date of issuance of the 2024 Bonds. Other provisions of the Code may give rise to adverse federal income tax consequences to particular holders of the 2024 Bonds. The scope of this opinion is limited to the matters addressed above and we express no opinion regarding other federal tax consequences arising with respect to the 2024 Bonds. In rendering the opinion expressed above, we have assumed continuing compliance with the tax covenants referred to above that must be met after the issuance of the 2024 Bonds in order that interest on the 2024 Bonds not be included in gross income for federal income tax purposes.

In rendering the opinion expressed above, we have assumed continuing compliance with the tax covenants referred to above that must be met after the issuance of the 2024 Bonds in order that interest on the 2024 Bonds not be included in gross income for federal income tax purposes.

5. Pursuant to the Act, the 2024 Bonds and the interest paid thereon are exempt from all taxes imposed by the State of Florida except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes.

It is to be understood that the rights of the owners of the 2024 Bonds and the enforceability of the 2024 Bonds and the Indenture may be subject to (a) bankruptcy, insolvency, reorganization, moratorium, fraudulent conveyance, or other similar statutes, rules, regulations, or other laws affecting the enforcement of creditor's rights and remedies generally and (b) the unavailability of,

or limitation on the availability of, a particular right or remedy (whether in a proceeding in equity or at law).

Our opinions expressed herein are predicated upon present law, (and interpretations thereof) facts and circumstances, and we assume no affirmative obligation to update the opinions expressed herein if such laws (and interpretations thereof), facts or circumstances change after the date hereof.

Very truly yours,

AKERMAN LLP

I. OVERVIEW

1.1 Purpose and Scope

The River Hall Community Development District Engineer's Report (herein, the "Original Report") dated October 25, 2005 and adopted by the River Hall Community Development District (herein, the "District") Board of Supervisors on January 6, 2006 was prepared to assist with the financing, construction and acquisition of public infrastructure improvements (herein, the "Project") to be undertaken to support the overall development of the River Hall community (herein, the "Development"). The Original Report was subsequently updated with a supplemental report (herein, the "First Supplemental Report), dated November 15, 2019, revised July 2, 2020 and approved by the District Board of Supervisors on September 10, 2020. A second supplemental report (herein, the "Second Supplemental Report), provided further updates to the Project, dated February 2, 2023, revised July 25, 2023 and approved by the District Board of Supervisors on November 16, 2023.

This report (herein, the "Third Supplemental Report") will serve as an update to the reports outlined above and describes the next current planned construction phase of the Development. This portion of the Development, located within real properties identified in the phasing plan of the Second Supplemental as "Future Development" and "Common Infrastructure", will include public infrastructure components (herein, the "2024 Project") intended to be financed, in part or wholly, through a series of special assessment bonds and/or bond anticipation notes (herein, the "Series 2024 Bonds") to be issued by the District. An exhibit depicting the improvement limits of the 2024 Project within the overall District boundary is provided as Exhibit A. Additionally, an updated phasing plan, depicting those assessment limits of the properties benefitted by the 2024 Project and constituting the next assessment area, collectively referenced as "Assessment Area 5", is provided as **Exhibit B**. Two (2) legal descriptions, which together constitute the boundary of Assessment Area 5, are also provided as Appendix A. Any portion of the 2024 Project not financed with the Series 2024 Bonds will be funded by GreenPointe Communities, LLC and/or its affiliates (herein, the "Developer"). Additionally, this Third Supplemental Report, originally approved by the District Board of Supervisors on August 1, 2024, has been updated in Section 2.3 herein to indicate additional permits obtained through the subsequent course of business. This Third Supplemental Report is intended to be read in conjunction with, but not replace, the Original Report, as supplemented by the First and Second Supplemental Reports. Items considered in this Third Supplemental Report are as follows:

- Review of the District and the Development;
- Description of proposed improvements associated with the 2024 Project;
- Updated cost estimates outlining the specific cost associated with the 2024 Project;
- Status of primary required permits associated with the 2024 Project.

In the preparation of this Third Supplemental Report, Barraco and Associates, Inc. relied upon information provided by others, including the Developer, as well as information obtained from the Public Records of Lee County, Florida. While Barraco and Associates, Inc. has not independently verified the information provided by other sources, there is no apparent reason to believe the information provided by others is not valid for the purposes of this report.

Additionally, the improvements described in the previous reports, as well as those updates provided by this Third Supplemental Report herein, represent the present intentions of the District and the Developer, subject to applicable local general purpose government land use planning, zoning and other entitlements. The implementation of any improvements requires final construction approval by applicable regulatory and permitting agencies including local, state and federal agencies. Subsequently, the actual improvements may vary from the capital improvements described in the previous reports or herein.

1.2 Review of the River Hall Community Development District

The District is comprised of $\pm 1,958$ acres and located wholly within the Development. The District was established by Rule 42YY-1.001 of the FAC and became effective on April 21, 2005 (herein, the "Establishing Rule"). The District has been established by and operates in accordance with the Establishing Rule, and pursuant to the provisions of Chapter 190, Florida Statutes for the purpose of planning, financing, constructing, operating and maintaining public infrastructure for the lands comprising the Development within the jurisdiction of the District.

The District also possesses the authority to issue bonds for the purpose of acquiring and constructing certain public infrastructure improvements and to levy taxes, assessments, rates and charges to pay for the construction, acquisition, operation and maintenance of the public improvements. In accordance with this authority, the District intends to obtain and utilize the Series 2024 Bonds to finance, in part or wholly, the 2024 Project as described herein in this Third Supplemental Report.

1.3 Review of the River Hall Development

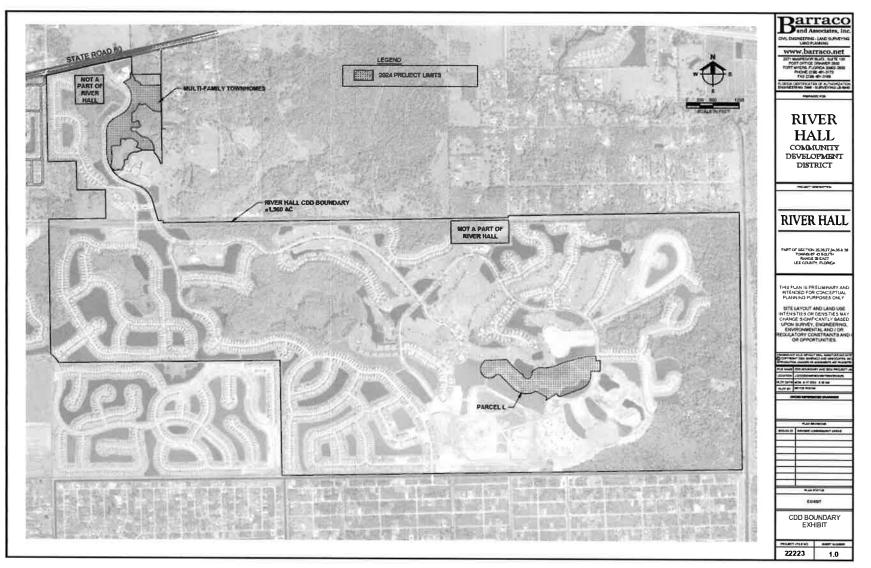

As described in the Original Report, as well as the First and Second Supplemental Reports, the River Hall Development is a $\pm 1,988$ acre Residential and Commercial Planned Development (RPD/CPD) located within unincorporated Lee County, Florida. The Development received entitlements on October 18, 1999 by Lee County Zoning Resolution Z-99-056, rezoning the original $\pm 1,797$ acre parcel from Agricultural (AG-2) to Residential Planned Development (RPD) and allowing for a maximum of 1,598 dwelling units. Lee County Zoning Resolution Z-05-051, adopted on September 19, 2005, further amended the Development by increasing the area to $\pm 1,978$ acres, rezoning the parcel from RPD/AG-2 to RPD/Commercial Planned Development (CPD), increasing the allowed residential density to 1,999 dwelling units, and adding an elementary school site. Subsequently, Lee County Zoning Resolution Z-15-003 was adopted on June 5, 2015, further

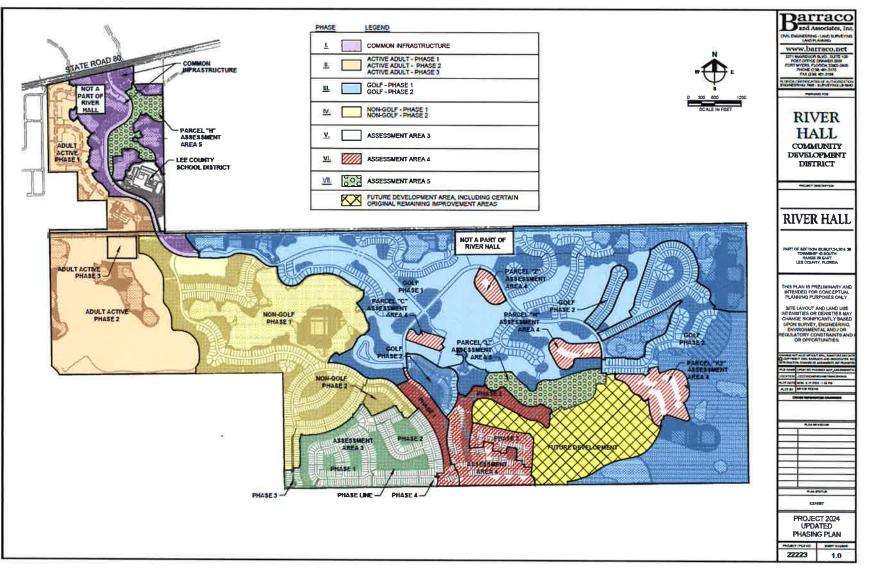

amending the River Hall Planned Development zoning by increasing allowable density from 1,999 units to 2,695 units and including two additional uses, consisting of private on-site recreational facilities and townhouse/multifamily dwelling units. An additional zoning resolution, Z-24-001, adopted on April 17, 2024, increased the Development area to the current \pm 1,988 acres and further increased the allowable density from 2,695 units to 3,244 units. A 20-acre parcel dedicated to the elementary school, as well as a recently acquired 10-acre parcel within the Development are not included in the District boundary and account for the difference between the Development and District areas.

The 2024 Project generally consists of the public infrastructure supporting 95 single-family units in Parcel L and 202 multi-family townhome units, which is detailed subsequently in Section 2.1 of this Third Supplemental Report. Site plans, including typical lot details, for the 2024 Project, are provided herein as **Exhibit C** (Parcel L) and **Exhibit D** (Townhomes). The construction of the 2024 Project is anticipated to commence in or around the third quarter of 2024 and be substantially complete in or around fourth quarter of 2025.

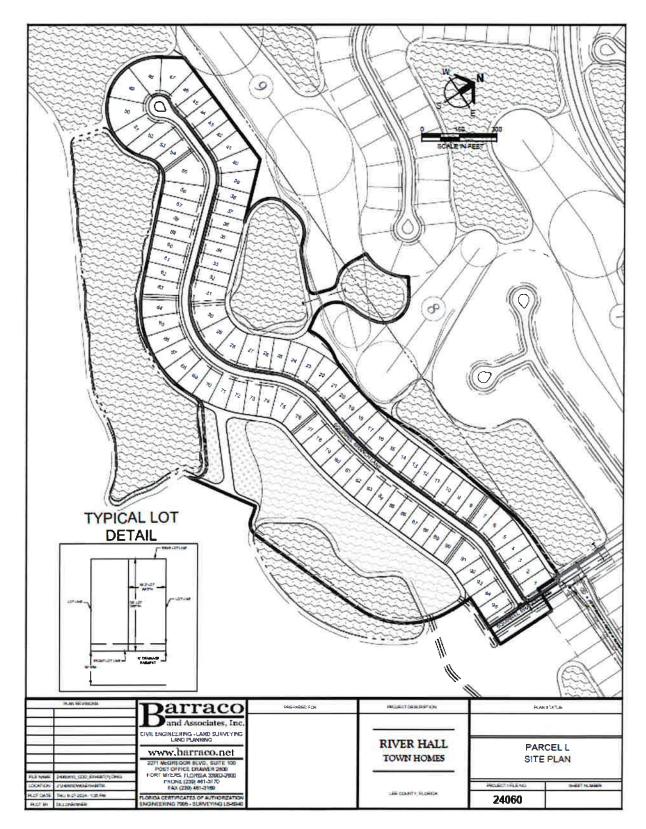

As previously stated herein, the 2024 Project falls within the real property limits collectively referred to as Assessment Area 5 within the updated phasing plan. Accordingly, **Table 1** provides an updated unit allocation representing the present intention of the Developer which is consistent with the approved zoning as outlined above herein this section of this Third Supplemental Report. Additionally, as previously stated herein, the phasing plan, prepared in the Original Report, and updated in each of the First and Second Supplemental Reports, has been further updated to reflect the present intentions of the District and the Developer, and is provided herein as **Exhibit B.**

II. UPDATES

2.1 Proposed District Infrastructure – 2024 Project

The general scope of the District's overall Project was initially defined in the Original Report and was further updated with the First and Second Supplemental Reports. This Third Supplemental Report defines herein the scope of the District's 2024 Project for public infrastructure improvements (construction and/or acquisition) which is expected to include, but is not limited to, the following:

- Drainage and Surface Water Management System
- Onsite Utilities
- Perimeter Boundary and Landscaping
- Professional Services and Fees

The following details the specific infrastructure improvements included within the 2024 Project:

The components of the drainage and surface water management system anticipated for the 2024 Project shall include any remaining site clearing for the real properties associated with the 2024 Project, the excavation of four new stormwater lakes and expansion of an existing stormwater lake, as well as one dry detention area. The improvements also include all culverts, inlets and perimeter berms necessary to capture and convey the surface water into proposed system. Additionally, the improvements include three control structures and associated storm sewer to allow the discharge of the attenuated surface water into the existing surface water management system. Note any clearing, filling and/or grading activities over properties within the limits of the 2024 Project intended to be strictly private, such as residential lots, are to be funded by the Developer, in the absence of any perpetual easements dedicated in favor of the District, and are therefore excluded from the scope of the 2024 Project.

The anticipated utility systems for the 2024 Project include extensions of and connections to the existing potable water transmission and wastewater collection systems to be completed by the District and conveyed to Lee County Utilities (LCU), a public utility, for perpetual operation and maintenance responsibilities. The potable water improvements for the 2024 Project are currently estimated to include $\pm 5,700$ linear feet of transmission and distribution lines, along with the necessary valves, fire hydrants and water services to individual buildings and lots. Similarly, the wastewater facilities will include $\pm 6,400$ linear feet of gravity collection mains connected via manholes with sewer services to individual buildings and lots, as well as ± 400 linear feet of force main extensions to provide collection and transmission of collected wastewater to existing wastewater facilities.

These utility systems will be designed and constructed in accordance LCU and Florida Department of Environmental Protection (FDEP) standards, as applicable. The dedication of completed potable water and wastewater utilities by the District to LCU for ownership, operation and maintenance will take place upon completion of construction of these facilities. LCU will also act as the supplier of water to the water distribution systems, as well as the collector of the wastewater from the wastewater collection system. LCU requires water and sewer connection/capacity fees for all new utility line extensions. Half of these fees must be paid prior to construction, and the balance is due when the system is cleared for use and placed in service. These connection fees are included in the funding estimates and may be financed in whole or in part by the District. If the Developer pays the connections fees on the behalf of the District, these fees may be considered a reimbursable item.

Additionally, the 2024 Project may also include perimeter boundary and landscaping improvements. These improvements are intended to be publicly owned and maintained by the District, and are included to the extent those improvements fall within real property conveyed to the District or perpetual easements dedicated in favor of the District. The perimeter boundary improvements shall consist of earthen berms, fences, gates and other hardscape features, while the perimeter landscaping consist of trees, shrubs, flowering plants, sod and irrigation.

The District's Project shall also include professional services and fees, and those components are included in the 2024 Project to the extent those services and fees are associated with those improvements described herein this section of this Third Supplemental Report.

2.2 Updated Order of Magnitude Cost Estimate

Table 2 provides an updated Order of Magnitude Cost Estimate for the Project, wherein the cost estimate from the Original Report has been updated to reflect those anticipated costs associated with the 2024 Project. The estimated costs of the 2024 Project are reasonable based upon current economic conditions in Southwest Florida.

2.3 Updated Permitting and Entitlements

The status of known permits required for and specific to the District's 2024 Project is provided in **Table 3A** (Townhomes) and **Table 3B** (Parcel L). The 2024 Project will be designed in accordance with current governmental regulations and requirements and will serve the intended purpose if constructed in substantial compliance with the approved construction plans. The 2024 Project is feasible to construct, there are no known technical reasons existing at this time that will prevent the construction of the 2024 Project, and it is reasonable to assume that all required regulatory approvals are in place or may be obtained in due course.

The 2024 Project will be designed in accordance with current governmental regulations and requirements. The 2024 Project will serve its intended function so long as the construction is in substantial compliance with the design.

It is further our opinion that:

- the estimated costs of the 2024 Project as set forth herein is reasonable based on prices currently being experienced in the jurisdiction in which the District is located, and is not greater than the lesser of the actual cost of construction or the fair market value of such infrastructure;
- all of the improvements comprising the Master Project as set forth in the Original Report, including the 2024 Project, are required by applicable development approvals issued pursuant to Section 380.06, Florida Statutes or other regulatory requirements for development of the Development;
- the 2024 Project is feasible to construct, there are no technical reasons existing at this time that would prevent the implementation of the 2024 Project, and it is reasonable to assume that all necessary regulatory approvals will be obtained in due course; and
- the assessable property within the District will receive a special benefit from the 2024 Project that is at least equal to the costs of the 2024 Project.

As described above, this Third Supplemental Report identifies the benefits from the 2024 Project to the lands within the District. The general public, property owners, and property outside the District may benefit from the provisions of the District's Project; however, these are incidental to the District's 2024 Project, which is designed solely to provide special benefits peculiar to property within the District. Special and peculiar benefits accrue to property within the District and enable properties within its boundaries to be developed.

All of the 2024 Project is or will be located on lands owned or to be owned by the District or another governmental entity, or on perpetual easements in favor of the District or other governmental entity. The 2024 Project, and any cost estimates set forth herein, do not include any earthwork, grading or other improvements on private property.

The 2024 Project as presented herein is based on current plans and market conditions which are subject to change. Accordingly, the 2024 Project, as used herein, refers to sufficient public infrastructure of the kinds described in the

Original Report and the three (3) Supplemental Reports (i.e., stormwater/floodplain management, sanitary sewer, potable water, etc.) to support the development and sale of the planned residential units in the District, which (subject to true-up determinations) number and type of units may be changed with the development of the site. Stated differently, during development and implementation of the public infrastructure improvements as described for the District, it may be necessary to make modifications and/or deviations for the plans, and the District expressly reserves the right to do so.

1.0 Introduction

1.1 Purpose

This Preliminary Final Fifth Supplemental Special Assessment Methodology Report for Assessment Area 5 (the "Assessment Area **5 Report**") was developed to provide a supplemental financing plan and a supplemental special assessment methodology consistent with the Final Special Assessment Allocation Report dated October 28, 2005 (the "Original Report"), the Supplemental Special Assessment Allocation Report dated May 24, 2011 (the "Supplemental Report") for the future development area referred to in the Original Report as Phases IV and V and the Fifth Supplemental Special Assessment Methodology Report for Assessment Area 5 dated August 1, 2024 (the "Original Fifth Supplemental Report"). This Assessment Area 5 Report is specifically intended to supplement the Original Fifth Supplemental Report adopted by the Board of Supervisors of the District on September 5, 2024. The portion of the future development area that is currently proposed to be developed with a total of 297 residential dwelling units for which this Report has been prepared is referred to as "Assessment Area 5".

Specifically, this Assessment Area 5 Report allocates the costs of public infrastructure improvements (collectively, the "<u>2024 Project</u>") in Supplement #3 to the River Hall Community Development District Engineer's Report, dated August 1, 2024 ("<u>Supplemental #3</u>") prepared by Barraco and Associates, Inc. (the "<u>Project Engineer</u>") to the units anticipated to be developed within Parcel L of the existing development area as well as Parcel H, collectively referred to as Assessment Area 5.

1.2 Scope of the Assessment Area 5 Report

This Assessment Area 5 Report presents the projections for financing a portion of the 2024 Project, the method for the allocation of special benefits, and the apportionment of special assessment debt resulting from the provision and partial funding of the 2024 Project.

1.3 Special Benefits and General Benefits

Improvements undertaken and funded by the District as part of the 2024 Project create special and peculiar benefits, different in kind and degree than general benefits, for properties within Assessment Area 5, as well as general benefits to the properties outside of Assessment

Area 5 and the public at large. However, as discussed within this Assessment Area 5 Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits which accrue to property within Assessment Area 5. The District's 2024 Project enables properties within the boundaries of Assessment Area 5 to be developed.

There is no doubt that the general public and property owners of property outside Assessment Area 5 will benefit from the provision of the 2024 Project. However, these benefits are only incidental given that the 2024 Project is designed to provide special benefits peculiar to Assessment Area 5. Properties outside of Assessment Area 5 are not directly served by the 2024 Project and do not depend upon the 2024 Project to obtain or to maintain their development entitlements. This fact alone clearly distinguishes the special benefits which properties within Assessment Area 5 receive compared to properties lying outside of Assessment Area 5.

The 2024 Project will provide public infrastructure improvements which are all necessary in order to make the lands within the Assessment Area 5 developable and saleable. The installation of such improvements will cause the value of the developable and saleable lands within Assessment Area 5 to increase by more than the sum of the financed cost of the individual components of the 2024 Project. Even though the exact value of the benefits provided by the 2024 Project is difficult to estimate at this point, it is nevertheless greater than the costs associated with providing the same.

1.4 Organization of the Assessment Area 5 Report

Section Two describes the current development program as proposed by the Developer, as defined below.

Section Three provides a summary of the 2024 Project as determined by the Project Engineer.

Section Four discusses the anticipated financing program for Assessment Area 5.

Section Five discusses the special assessment methodology for Assessment Area 5.

2.0 Current Development Program

2.1 Overview

The District serves the River Hall development (the "<u>Development</u>" or "<u>River Hall</u>"), a master-planned, residential development located in unincorporated Lee County, Florida. The land within the District consists of approximately 1,958 +/- acres and is generally located in northeastern Lee County, south of Palm Beach Boulevard and east of Buckingham Road.

2.2 The Current Development Program

The development of land within the District commenced in 2005. The original development program envisioned that a total of 1,999 residential units and 45,000 square feet of commercial space would be constructed in five (5) development phases over an eight (8)-year development time period. Between 2005 and 2024, the permissible development density for the land within the District was increased to a total of 3,244 residential units.

As illustrated in Table 1 in the *Appendix*, Assessment Area 5 is anticipated to be platted and developed into a total of 297 residential dwelling units, 95 of which are anticipated to comprise of 55' SF lots developed within Parcel L and 202 of which are anticipated to comprise of TH lots developed within Parcel H. The development of the land within Assessment Area 5 is expected to be conducted by RH Venture II, LLC, RH Venture III, LLC, and/or its affiliate(s) (the "**Developer**").

Please refer to Table 1 in Supplemental #3 for more details on phasing and the projected number of units within the District. However, please note that this Assessment Area 5 Report is written specifically to provide the method for the allocation of special benefits and the apportionment of special assessment debt to the 297 residential dwelling units planned to be developed within Assessment Area 5.

3.0 The 2024 Project

The public infrastructure costs to be funded by the District as the 2024 Project are described in Supplemental #3. Only public infrastructure that may qualify for bond financing by the District under Chapter 190, Florida Statutes and under the Internal Revenue Code of 1986, as amended, was included in these estimates.

Supplemental #3 identifies the specific costs associated with the 2024 Project. The total costs of the 2024 Project are estimated by the Project Engineer to total \$9,888,000. The improvements to be funded as part of the 2024 Project are planned to consist of drainage and surface water management, onsite utilities, perimeter boundary improvements and landscaping, as more specifically described in Supplemental #3.

Even though the installation of the public infrastructure improvements constituting the 2024 Project is projected to occur within separate multiple portions of the District, that is Assessment Area 5, the infrastructure improvements that comprise the 2024 Project, along with other existing public infrastructure improvements which were funded in the past in part by the District, will serve and provide benefit to all land uses in Assessment Area 5 and will comprise an interrelated system of improvements, which means all of the improvements will serve all of Assessment Area 5 and the improvements will be interrelated such that they will reinforce one another. Table 2 in the *Appendix* illustrates the specific components of the 2024 Project.

4.0 Financing Program

4.1 Overview

As noted above, the District is proceeding with a program of capital improvements which will facilitate the development of lands within Assessment Area 5, with all or a portion of the public infrastructure improvements to be funded by the District.

The District intends to issue its Capital Improvement Revenue Bonds, Series 2024 (Assessment Area 5) in the estimated principal amount of \$6,915,000* (the "**Series 2024 Bonds**") to fund an estimated \$6,148,717.50* in 2024 Project costs, with the balance of the 2024 Project costs anticipated to be contributed by the Developer.

4.2 Types of Bonds

The financing plan for the District provides for the issuance of the Series 2024 Bonds in the estimated principal amount of \$6,915,000* to finance a portion of the costs of the 2024 Project in the estimated

^{*} Estimated, subject to change

amount of \$6,148,717.50*. The Series 2024 Bonds are estimated to be amortized in 30 annual installments following an approximately 6month capitalized interest period. Interest payments on the Series 2024 Bonds are projected to be made every May 1 and November 1, and principal payments on the Bonds are projected be made on every May 1.

In order to finance a portion of the costs of the 2024 Project in the estimated amount of \$6,148,717.50*, the District will need to borrow more funds and incur indebtedness in the total estimated amount of \$6,915,000*. The difference is comprised of funding a debt service reserve, paying capitalized interest, as well the underwriter's discount and costs of issuance.

Estimated sources and uses of funding for the Bonds are presented in Table 3 in the *Appendix*.

5.0 Assessment Methodology

5.1 Overview

The issuance of the Series 2024 Bonds provides the District with a portion of the funds necessary to construct the infrastructure improvements which constitute the 2024 Project outlined in *Section 3.0* and described in more detail in Supplemental #3. These improvements lead to special and general benefits, with special benefits accruing to the assessable properties within Assessment Area 5 and general but only incidental benefits accruing to areas outside Assessment Area 5. The debt incurred in financing a portion of the 2024 Project will be satisfied by payment of special assessments by the lands in Assessment Area 5, that derive special and peculiar benefits from the 2024 Project. All of the assessable lands in Assessment Area 5 will be assessed for their fair share of the debt issued to finance the 2024 Project.

5.2 Benefit Allocation

The development program for Assessment Area 5 envisions the development of a total of 297 residential dwelling units, although unit numbers and land use types may change throughout the development period. The public infrastructure improvements that comprise the 2024 Project will serve and provide benefit to all land

^{*} Estimated, subject to change

uses in Assessment Area 5 and will comprise an interrelated system of improvements, which means all of the improvements will serve the Assessment Area 5 and improvements will be interrelated such that they will reinforce one another.

As stated previously, the public infrastructure improvements included in the 2024 Project have a logical connection to the special and peculiar benefits received by the land within Assessment Area 5, as without such improvements, the development of the properties within Assessment Area 5 would not be possible. Based upon the connection between the improvements and the special and peculiar benefits to the land within Assessment Area 5, it is permissible and supportable for the District to assign or allocate the District's debt, through the imposition of non-ad valorem assessments, to the land within Assessment Area 5. Even though these special and peculiar benefits are real and ascertainable, the precise amount of the benefit cannot yet be calculated with mathematical certainty. However, such benefit is more valuable than the pro-rata cost of the improvements necessary for that parcel, or the actual non-ad valorem assessment amount levied on that parcel.

In following the Original Report, this Assessment Area 5 Report proposes to allocate the benefit associated with the 2024 Project to the different unit types proposed to be developed within Assessment Area 5 in proportion to their density of development and intensity of use of infrastructure as measured by a standard unit called an Equivalent Residential Unit ("ERU"). Table 4 in the Appendix illustrates the ERU weights that are proposed to be assigned to the unit types contemplated to be developed within Assessment Area 5 based on the relative density of development and the intensity of use of the infrastructure, the total ERU counts for each unit type, and the share of the benefit received by each unit type. Please note that for the product types which were not previously contemplated to be developed within the District at the time of adoption of the Original Report, in following the methods utilized in the Original Report, their ERU weights are mathematically proportional to the ERU weights of the product types which were listed in the Original Report.

The rationale behind different ERU weights is supported by the fact that generally and on average smaller units or units with a lower intensity of use will use and benefit from the public infrastructure improvements which are part of the 2024 Project less than larger units or units with a higher intensity of use. For instance, generally and on average smaller units or units with lower intensity of use produce less storm water runoff, may produce fewer vehicular trips, and may need less water/sewer capacity than larger units. Additionally, the value of the larger units or units with a higher intensity of use is likely to appreciate by more in terms of dollars than that of the smaller units or units with a lower intensity of use as a result of the implementation of the 2024 Project. As the exact amount of the benefit and appreciation is not possible to be calculated at this time, the use of ERU measures serves as a reasonable approximation of the relative amount of benefit received by the different unit types from the District's improvements.

Based on the ERU benefit allocation illustrated in Table 4, Table 5 in the *Appendix* presents the allocation of the amount of 2024 Project costs allocated to the various unit types based on the ERU benefit allocation factors present in Table 4. Further, Table 5 illustrates the approximate costs that are projected to be financed with the Series 2024 Bonds, and the approximate costs of the portion of the 2024 Project costs to be contributed by the Developer, as the case may be. With the Series 2024 Bonds funding an estimated \$6,148,717.50* in costs of the 2024 Project, the Developer is anticipated to fund improvements valued an estimated \$3,739,282.50* which will not be funded with proceeds of the Series 2024 Bonds.

Finally, Table 6 in the *Appendix* presents the apportionment of the assessment associated with funding of the 2024 Project (the "<u>Series</u> **2024 Bond Assessments**") in accordance with the benefit allocation method presented in Table 4. Table 6 also presents the annual levels of the projected annual debt service assessments per unit.

5.3 Assigning Debt

Because the land in Parcel H and Parcel L is not currently platted into lots and the precise location of the future residential dwelling units by lot or parcel is unknown, the Series 2024 Bond Assessments will initially be levied on the unplatted land within Parcel H and Parcel L on an equal pro-rata gross acre basis within each of Parcel H and Parcel L as set forth herein, and thus the Series 2024 Bond Assessments in the estimated amount of \$3,876,493.99* will be initially levied on approximately 22.76 +/- gross acres within Parcel H at a rate of \$170,320.47* per acre, and Series 2024 Bond Assessments in the estimated amount of \$3,038,506.01* will

^{*} Estimated, subject to change

be initially levied on approximately 33.28 +/- gross acres within Parcel L at a rate of \$91,301.26* per acre.

As the land is platted into lots, the Series 2024 Bond Assessments will be allocated to each platted parcel on a first platted-first assigned basis based on the planned use for that platted parcel as reflected in Table 6 in the *Appendix*. Such allocation of Series 2024 Bond Assessments to platted parcels will reduce the amount of Series 2024 Bond Assessments levied on unplatted gross acres within Parcel H and Parcel L and result in the final allocation of the Series 2024 Bond Assessment on units Parcel H and Parcel L.

Further, to the extent that any land which has not been platted is sold to another developer or builder, the Series 2024 Bond Assessments will be assigned to such parcel at the time of the sale based upon the development rights associated with such parcel that are transferred from seller to buyer. The District shall provide an estoppel or similar document to the buyer evidencing the amount of Series 2024 Bond Assessments assigned to the land being transferred.

Please note that the land within Parcel L is subject to the District's existing Capital Improvement Refunding Revenue Bonds, Series 2021A-2 (the "**2021A-2 Bonds**") outstanding as of the date of this Assessment Area 5 Report in the total amount of \$208,890.39. It is planned that the outstanding 2021A-2 Bonds applicable to Assessment Area 5 will be prepaid by the Developer prior to issuance of the Series 2024 Bonds.

5.4 Lienability Test: Special and Peculiar Benefit to the Property

As first discussed in *Section 1.3*, Special Benefits and General Benefits, improvements undertaken by the District as part of the 2024 Project create special and peculiar benefits to certain properties within Assessment Area 5. The District's improvements benefit assessable properties within Assessment Area 5 and accrue to all such assessable properties accrue to all such assessable properties on an ERU basis as illustrated in Table 4 in the *Appendix*.

Public infrastructure improvements undertaken by the District can be shown to be creating special and peculiar benefits to the property within Assessment Area 5. The special and peculiar benefits resulting from each improvement include, but are not limited to:

^{*} Estimated, subject to change

- a. added use of the property;
- b. added enjoyment of the property;
- c. decreased insurance premiums;
- d. increased marketability and value of the property.

The public infrastructure improvements which are part of the 2024 Project make Assessment Area 5 developable and saleable and when implemented jointly as parts of the 2024 Project, provide special and peculiar benefits which are greater than the benefits of any single category of improvements. These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value; however, such benefits are more valuable than either the cost of, or the actual assessment levied for, the improvement or debt allocated to the parcel of land.

5.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay

A reasonable estimate of the proportion of special and peculiar benefits received from the public infrastructure improvements is delineated in Table 4 (expressed as ERU factors) in the *Appendix*.

The apportionment of the assessments is fair and reasonable because it was conducted on the basis of consistent application of the methodology described in *Section 5.2* across all assessable property within Assessment Area 5 according to reasonable estimates of the special and peculiar benefits derived from the 2024 Project by the proposed land use.

Accordingly, no acre or parcel of property within Assessment Area 5 will be liened for the payment of any non-ad valorem special assessment more than the determined special benefit peculiar to that property.

5.6 True-Up Mechanism

The assessment methodology described herein is based on conceptual information obtained from the Developer prior to construction. As development occurs it is possible that the number of type of units may change. The mechanism for maintaining the methodology over the changes is referred to as true-up.

This mechanism is utilized to ensure that the Series 2024 Bond Assessments on a per unit basis never exceed the maximum

allocated assessment as contemplated in the adopted assessment methodology. The maximum Series 2024 Bond Assessments per unit preliminarily equals to the amounts listed in Table 6 in the *Appendix*. If changes occur, the methodology is applied to the land based on the number of and type of units of particular units within each and every parcel.

As the land is platted or replatted, the Series 2024 Bond Assessments are assigned to platted parcels based on the figures in Table 6 in the *Appendix.* If as a result of platting and apportionment of the Series 2024 Bond Assessments to the platted parcel of land, the Series 2024 Bond Assessments per unit for land that remains unplatted within Assessment Area 5 remain equal to the levels in Table 6, then no true-up adjustment will be necessary.

If as a result of platting or replatting and apportionment of the Series 2024 Bond Assessments to the platted or replatted land, the amount of Series 2024 Bond Assessments per unit for land that remains unplatted within Assessment Area 5 equals less than the levels in Table 6 (either as a result of a larger number of units, different units or both), then the per unit Series 2024 Bond Assessments for all parcels within Assessment Area 5 (whichever portion experienced the change) will be lowered at the conclusion of platting and development of that portion.

If, in contrast, as a result of platting or replatting and apportionment of the Series 2024 Bond Assessments to the platted or replatted land, the Series 2024 Bond Assessments per unit for land that remains unplatted within Assessment Area 5 equals more than the levels in Table 6 (either as a result of a smaller number of units, different units or both), then the difference in Series 2024 Bond Assessments plus accrued interest will be collected from the owner of the property being platted which caused the increase of Series 2024 Bond Assessments to occur, in accordance with a true-up agreement to be entered into between the District and the Developer. Such true-up agreement will be recorded in the public records and be binding on successors and assigns of unplatted lands within Assessment Area 5. The owner(s) of the property will be required to immediately remit to the Trustee for redemption a true-up payment equal to the difference between the actual Series 2024 Bond Assessments per unit and the amounts illustrated in Table 6 multiplied by the actual number of units plus accrued interest to the next succeeding interest payment date on the Series 2024 Bonds, unless such interest payment date occurs within 45 days of such true-up payment, in which case the accrued interest shall be paid to the following interest payment date.

5.7 Assessment Roll

The Series 2024 Bond Assessments in the estimated amount of \$6,915,000* are proposed to be levied in the manner illustrated in Exhibit "A". Excluding any capitalized interest period, debt service assessments shall be paid in thirty (30) annual principal installments.

REPORT OF INDEPENDENT AUDITORS

To the Board of Supervisors River Hall Community Development District Lee County, Florida

Report on Audit of the Financial Statements

Opinion

We have audited the financial statements of the governmental activities and each major fund of River Hall Community Development District (the "District"), as of and for the year ended September 30, 2022, and the related notes to financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of River Hall Community Development District as of September 30, 2022, and the respective changes in financial position and the budgetary comparison for the General Fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS), and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

To the Board of Supervisors River Hall Community Development District

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for one year beyond the financial statement date, including currently known information that may raise substantial doubt thereafter.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users made on the basis of these financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

To the Board of Supervisors River Hall Community Development District

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that Management's Discussion and Analysis be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the *Governmental Accounting Standards Board* who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued a report dated May 23, 2023 on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations and contracts.

The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering River Hall Community Development District's internal control over financial reporting and compliance.

Management's discussion and analysis of River Hall Community Development District (the "District") financial performance provides an objective analysis of the District's financial activities. The analysis provides summary financial information for the District and should be read in conjunction with the District's financial statements.

OVERVIEW OF THE FINANCIAL STATEMENTS

The District's basic financial statements comprise three components; 1) *Government-wide financial statements,* 2) *Fund financial statements,* and 3) *Notes to financial statements.* The *Government-wide financial statements* present an overall picture of the District's financial position and results of operations. The *Fund financial statements* present financial information for the District's major funds. The *Notes to financial statements* provide additional information concerning the District's finances.

The *Government-wide financial statements* are the **statement of net position** and the **statement of activities**. These statements use accounting methods similar to those used by private-sector companies. Emphasis is placed on the net position of governmental activities and the change in net position. Governmental activities are primarily supported by special assessments.

The **statement of net position** presents information on all assets and liabilities of the District, with the difference between assets and liabilities reported as net position. Net position are reported in three categories; 1) net investment in capital assets, 2) restricted, and 3) unrestricted. Assets, liabilities, and net position are reported for all Governmental activities.

The **statement of activities** presents information on all revenues and expenses of the District and the change in net position. Expenses are reported by major function and program revenues relating to those functions are reported, providing the net cost of all functions provided by the District. To assist in understanding the District's operations, expenses have been reported as governmental activities. Governmental activities financed by the District include general government, physical environment and interest on long term debt.

Fund financial statements present financial information for governmental funds. These statements provide financial information for the major funds of the District. Governmental fund financial statements provide information on the current assets and liabilities of the funds, changes in current financial resources (revenues and expenditures), and current available resources.

OVERVIEW OF THE FINANCIAL STATEMENTS (CONTINUED)

Fund financial statements include a **balance sheet** and a **statement of revenues, expenditures and changes in fund balances** for all governmental funds. A **statement of revenues, expenditures, and changes in fund balances – budget and actual** is provided for the District's General Fund. *Fund financial statements* provide more detailed information about the District's activities. Individual funds are established by the District to track revenues and expenditures that are restricted for certain purposes or to comply with legal requirements.

The government-wide financial statements and the fund financial statements provide different pictures of the District. The government-wide financial statements provide an overall picture of the District's financial standing. These statements are comparable to private-sector companies and give a good understanding of the District's overall financial health and how the District paid for the various activities, or functions, provided by the District. All assets of the District, including capital assets are reported in the **statement of net position**. All liabilities, including principal outstanding on bonds are included. The **statement of activities** includes depreciation on all long-lived assets of the District, but transactions between the different functions of the District have been eliminated in order to avoid "doubling up" the revenues and expenses. The *fund financial statements* provide a picture of the major funds of the District. In the case of governmental funds, outlays for long lived assets are reported as expenditures and long-term liabilities, such as general obligation bonds, are not included in the fund financial statements. To provide a link from the *fund financial statements* to the government-wide financial statements.

Notes to financial statements provide additional detail concerning the financial activities and financial balances of the District. Additional information about the accounting practices of the District, investments of the District, capital assets and long-term debt are some of the items included in the *notes to financial statements.*

Financial Highlights

The following are the highlights of financial activity for the year ended September 30, 2022.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the District have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The District's more significant accounting policies are described below.

1. Reporting Entity

The District was established on April 21, 2005, pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes. The District was established for the purposes of financing and managing the acquisition, construction, maintenance and operation of the infrastructure necessary for community development within its jurisdiction. The District is authorized to issue bonds for the purpose, among others, of financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping, operating and maintaining water management, district roads, landscaping, street lights and other basic infrastructure projects within or outside the boundaries of the River Hall Community Development District. The District is governed by a five-member Board of Supervisors who are elected on an at-large basis by qualified electors living within the boundaries of the District. The District operates within the criteria established by Chapter 190, Florida Statutes.

As required by GAAP, these financial statements present the River Hall Community Development District (the primary government) as a stand-alone government. The reporting entity for the District includes all functions of government in which the District's Board exercises oversight responsibility including, but not limited to, financial interdependency, designation of management, significant ability to influence operations and accountability for fiscal matters.

Based upon the application of the above-mentioned criteria, the District has identified no component units.

2. Measurement Focus and Basis of Accounting

The basic financial statements of the District are composed of the following:

- Government-wide financial statements
- Fund financial statements
- Notes to financial statements

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2. Measurement Focus and Basis of Accounting (Continued)

a. Government-wide Financial Statements

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Government-wide financial statements report all non-fiduciary information about the reporting government as a whole. These statements include all the governmental activities of the primary government. The effect of interfund activity has been removed from these statements.

Governmental activities are supported by special assessments. Program revenues include charges for services and payments made by parties outside of the reporting government's citizenry if that money is restricted to a particular program. Program revenues are netted with program expenses in the Statement of Activities to present the net cost of each program.

Amounts paid to acquire capital assets are capitalized as assets, rather than reported as an expenditure. Proceeds of long-term debt are recorded as liabilities in the government-wide financial statements, rather than as an other financing source.

Amounts paid to reduce long-term indebtedness of the reporting government are reported as a reduction of the related liability, rather than as an expenditure.

b. Fund Financial Statements

The underlying accounting system of the District is organized and operated on the basis of separate funds, each of which is considered to be a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues and expenditures or expenses, as appropriate. Governmental resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled.

Fund financial statements for the primary government's governmental funds are presented after the government-wide financial statements. These statements display information about major funds individually.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2. Measurement Focus and Basis of Accounting (Continued)

b. Fund Financial Statements (Continued)

Governmental Funds

The District implemented the Governmental Accounting Standards Board Statement 54 – Fund Balance Reporting and Governmental Fund Type Definitions. The Statement requires the fund balance for governmental funds to be reported in classifications that comprise a hierarchy based primarily on the extent to which the government is bound to honor constraints on the specific purposes for which amounts in those funds can be spent.

The District has various policies governing the fund balance classifications.

Nonspendable Fund Balance – This classification consists of amounts that cannot be spent because they are either not in spendable form or are legally or contractually required to be maintained intact.

Restricted Fund Balance – This classification includes amounts that can be spent only for specific purposes stipulated by constitution, external resource providers, or through enabling legislation.

Assigned Fund Balance – This classification consists of the Board of Supervisors' intent to be used for specific purposes, but are neither restricted nor committed. The assigned fund balances can also be assigned by the District's management company.

Unassigned Fund Balance – This classification is the residual classification for the government's general fund and includes all spendable amounts not contained in the other classifications. Unassigned fund balance is considered to be utilized first when an expenditure is incurred for purposes for which amounts in any of those unrestricted fund balance classifications could be used.

Fund Balance Spending Hierarchy – For all governmental funds except special revenue funds, when restricted, committed, assigned, and unassigned fund balances are combined in a fund, qualified expenditures are paid first from restricted or committed fund balance, as appropriate, then assigned and finally unassigned fund balances.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2. Measurement Focus and Basis of Accounting (Continued)

b. Fund Financial Statements (Continued)

Governmental Funds (Continued)

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are considered to be available when they are collected within the current period or soon thereafter to pay liabilities of the current period. For this purpose, the District considers revenues to be available if they are collected within 60 days of the end of the current fiscal period.

Expenditures generally are recorded when a liability is incurred, as under accrual accounting. Interest revenue associated with the current fiscal period is considered to be an accrual item and so has been recognized as revenue of the current fiscal period.

Under the current financial resources measurement focus, only current assets and current liabilities are included on the balance sheet. The reported fund balance is considered to be a measure of "available spendable resources". Governmental fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets. Accordingly, they are said to present a summary of sources and uses of "available spendable resources" during a period.

Because of their spending measurement focus, expenditure recognition for governmental fund types excludes amounts represented by non-current liabilities. Since they do not affect net current assets, such long-term amounts are not recognized as governmental fund type expenditures or fund liabilities.

Amounts expended to acquire capital assets are recorded as expenditures in the year that resources are expended, rather than as fund assets. The proceeds of long-term debt are recorded as another financing source rather than as a fund liability.

Debt service expenditures are recorded only when payment is due.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

3. Basis of Presentation

a. Governmental Major Funds

<u>General Fund</u> – The General Fund is the District's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund. The General Fund is composed of General Fund and Reserve Fund balances.

<u>Debt Service Fund</u> – Accounts for debt service requirements to retire the capital improvement bonds which were used to finance the construction of District infrastructure improvements.

<u>Capital Projects Fund</u> – Accounts for the construction of improvements within the boundaries of the District.

b. Non-current Governmental Assets/Liabilities

GASB Statement 34 requires that non-current governmental assets, such as land and buildings, and non-current governmental liabilities, such as general obligation bonds, be reported in the governmental activities column in the government-wide Statement of Net Position.

4. Assets, Deferred Outflows of Resources, Liabilities, and Net Position or Equity

a. Cash and Investments

Florida Statutes require state and local governmental units to deposit monies with financial institutions classified as "Qualified Public Depositories," a multiple financial institution pool whereby groups of securities pledged by the various financial institutions provide common collateral from their deposits of public funds. This pool is provided as additional insurance to the federal depository insurance and allows for additional assessments against the member institutions, providing full insurance for public deposits.

The District is authorized to invest in those financial instruments as established by Section 218.415, Florida Statutes. The authorized investments consist of:

- 1. Direct obligations of the United States Treasury;
- 2. The Local Government Surplus Funds Trust or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperative Act of 1969;
- 3. Interest-bearing time deposits or savings accounts in authorized qualified public depositories;
- 4. Securities and Exchange Commission, registered money market funds with the highest credit quality rating from a nationally recognized rating agency.

Cash and cash equivalents includes time deposits, certificates of deposit and all highly liquid debt instruments with original maturities of three months or less.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

4. Assets, Deferred Outflows of Resources, Liabilities, and Net Position or Equity (Continued)

b. Restricted Assets

Certain assets of the District and a corresponding liability or portion of net position is classified as restricted on the statement of net position because their use is limited either by law through constitutional provisions or enabling legislation; or by restrictions imposed externally by creditors. In a fund with both restricted and unrestricted assets, qualified expenses are considered to be paid first from restricted net position and then from unrestricted net position.

c. Capital Assets

Capital assets, which include land improvements, infrastructure, improvements other than buildings and construction in progress, are reported in governmental activities.

The District defines capital assets as assets with an initial, individual cost of \$5,000 or more and an estimated useful life in excess of one year. The valuation basis for all assets is historical cost.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend its useful life are not capitalized.

Depreciation of capital assets is computed and recorded by utilizing the straight-line method over the assets' estimated useful lives. Useful life for assets is estimated at 15 years for infrastructure and 15 - 30 years for improvements other than buildings.

d. Budgets

Budgets are prepared and adopted after public hearings for the governmental funds, pursuant to Chapter 190, Florida Statutes. The District utilizes the same basis of accounting for budgets as it does for revenues and expenditures in its various funds. Formal budgets are adopted for the general fund. The legal level of budgetary control is at the fund level. As a result, deficits in the budget columns of the accompanying financial statements may occur. All budgeted appropriations lapse at year end.

e. Deferred Outflows of Resources

Deferred outflow of resources is the consumption of net position by the government that is applicable to a future reporting period. Deferred amount on refunding is amortized and recognized as a component of interest expense over the life of the bond.

f. Unamortized Bond Discounts/Premiums

Bond discounts/premiums are presented on the government-wide financial statements. The costs are amortized over the life of the bonds using the straight-line method. For financial reporting, the unamortized bond discounts/premiums are netted against the applicable long-term debt.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

4. Assets, Deferred Outflows of Resources, Liabilities, and Net Position or Equity (Continued)

g. Net Position

Net position represents the difference between assets and liabilities and is reported in three categories. Net position invested in capital assets, net of related debt, represents capital assets, net of accumulated depreciation and any outstanding debt related to those assets. Net position is reported as restricted when there are legal limitations imposed on their use by legislation, or external restrictions imposed by other governments, creditors, or grantors. Unrestricted net position is assets that do not meet definitions of the classifications previously described.

NOTE B – CASH AND INVESTMENTS

All deposits are held in qualified public depositories and are included on the accompanying balance sheet as cash and investments.

Custodial Credit Risk – Deposits

Custodial credit risk is the risk that in the event of a bank failure, the District's deposits may not be returned to it. The District does not have a formal deposit policy for custodial credit risk; however, they follow the provisions of Chapter 280, Florida Statutes regarding deposits and investments. As of September 30, 2022, the District's bank balance was \$928,608 and the carrying value was \$925,065. Exposure to custodial credit risk was as follows. The District maintains all deposits in a qualified public depository in accordance with the provisions of Chapter 280, Florida Statutes, which means that all deposits are fully insured by Federal Depositors Insurance or collateralized under Chapter 280, Florida Statutes.

As of September 30, 2022, the District had the following investments and maturities:

Investment	Maturities	Fair Value
First American Government Obligation Fund	36 days*	\$ 1,348,027
Florida PRIME	21 days*	5,321
Total		\$ 1,353,348

* Weighted average maturity

NOTE B – CASH AND INVESTMENTS (CONTINUED)

The District categorizes its fair value measurement within the fair value hierarchy established by generally accepted accounting principles. The fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. The District uses a market approach in measuring fair value that uses prices and other relevant information generated by market transactions involving identical or similar assets, liabilities, or groups of assets and liabilities.

Assets or liabilities are classified into one of three levels. Level 1 is the most realizable and is based on quoted price for identical assets, or liabilities, in an active market. Level 2 uses significant other observable inputs when obtained quoted prices for identical or similar assets, or liabilities, in markets that are not active. Level 3 is the least reliable and uses significant unobservable inputs that uses the best information available under the circumstances which includes the District's own data in measuring unobservable inputs.

Based on the criteria in the preceding paragraph, the investments in the First American Government Obligation Fund are Level 1 assets.

Investments

The District's investment policy allows management to invest funds in investments permitted under Section 218.415, Florida Statutes. The investment in Florida PRIME is measured at amortized cost. Florida PRIME has established policies and guidelines regarding participant transactions and the authority to limit or restrict withdrawals or impose a penalty for an early withdrawal. As of September 30, 2022, there were no redemption fees, maximum transaction amounts, or any other requirements that would limit daily access to 100 percent of the account value.

Interest Rate Risk

The District does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates, however; the bond indenture limits the type of investments held using unspent proceeds.

Credit Risk

The District's investments are limited by state statutory requirements and bond compliance. The District has no investment policy that would further limit its investment choices.

NOTE B – CASH AND INVESTMENTS (CONTINUED)

Credit Risk (Continued)

As a pool participant, the District invests in pools of investments in which shares are owned in the pool rather than the underlying investments. Fair market value is determined and reported as disclosed by the State Board of Administration and the calculation of the net change in the fair value of investments is independent of the calculation of realized gains and losses.

As of September 30, 2022, the District's investments in the First American Government Obligation Fund and Florida PRIME were rated AAAm by Standard & Poor's.

Concentration of Credit Risk

The District places no limit on the amount it may invest in any one fund. The investments in the First American Government Obligation Fund represents 99% of the District's total investments. The investment in Florida PRIME represents less than 1% of the District's total investments.

The types of deposits and investments and their level of risk exposure as of September 30, 2022 were typical of these items during the fiscal year then ended. The District considers any decline in fair value for certain investments to be temporary.

NOTE C – SPECIAL ASSESSMENT REVENUES

Special assessment revenues recognized for the 2021-2022 fiscal year were levied in October 2021. All assessments are due and payable on November 1 or as soon as the assessment roll is certified and delivered to the Tax Collector. Per Section 197.162, Florida Statutes, discounts are allowed for early payment at the rate of 4% in November, 3% in December, 2% in January, and 1% in February. Assessments paid in March are without discount.

All unpaid assessments become delinquent as of April 1. Virtually all unpaid assessments are collected via the sale of tax certificates on or prior to, June 1; therefore, there were no material taxes receivable at fiscal year end.

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Supervisors River Hall Community Development District Lee County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements, as listed in the table of contents, of River Hall Community Development District, as of and for the year ended September 30, 2022, and the related notes to the financial statements, which collectively comprise the basic financial statements and have issued our report thereon dated May 23, 2023.

Report on Internal Control Over Financial Reporting

In planning and performing our audit, we considered River Hall Community Development District's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of River Hall Community Development District's internal control. Accordingly, we do not express an opinion on the effectiveness of River Hall Community Development District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether River Hall Community Development District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

REPORT OF INDEPENDENT AUDITORS

To the Board of Supervisors River Hall Community Development District Lee County, Florida

Report on Audit of the Financial Statements

Opinion

We have audited the financial statements of the governmental activities and each major fund of River Hall Community Development District (the "District"), as of and for the year ended September 30, 2023, and the related notes to financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

In our opinion, the accompanying financial statements present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of River Hall Community Development District as of September 30, 2023, and the respective changes in financial position and the budgetary comparison for the General Fund for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinion

We conducted our audits in accordance with auditing standards generally accepted in the United States of America (GAAS), and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audits. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for one year beyond the financial statement date, including currently known information that may raise substantial doubt thereafter.

Auditor's Responsibility for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore, is not a guarantee that an audit conducted in accordance with GAAS and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, we:

- Exercise professional judgement and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgement, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that Management's Discussion and Analysis be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the *Governmental Accounting Standards Board* who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued a report dated September 10, 2024 on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations and contracts.

The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering River Hall Community Development District's internal control over financial reporting and compliance.

Management's discussion and analysis of River Hall Community Development District (the "District") financial performance provides an objective analysis of the District's financial activities. The analysis provides summary financial information for the District and should be read in conjunction with the District's financial statements.

OVERVIEW OF THE FINANCIAL STATEMENTS

The District's basic financial statements comprise three components; 1) *Government-wide financial statements,* 2) *Fund financial statements,* and 3) *Notes to financial statements.* The *Government-wide financial statements* present an overall picture of the District's financial position and results of operations. The *Fund financial statements* present financial information for the District's major funds. The *Notes to financial statements* provide additional information concerning the District's finances.

The *Government-wide financial statements* are the **statement of net position** and the **statement of activities**. These statements use accounting methods similar to those used by private-sector companies. Emphasis is placed on the net position of governmental activities and the change in net position. Governmental activities are primarily supported by special assessments.

The **statement of net position** presents information on all assets and liabilities of the District, with the difference between assets and liabilities reported as net position. Net position are reported in three categories; 1) net investment in capital assets, 2) restricted, and 3) unrestricted. Assets, liabilities, and net position are reported for all Governmental activities.

The **statement of activities** presents information on all revenues and expenses of the District and the change in net position. Expenses are reported by major function and program revenues relating to those functions are reported, providing the net cost of all functions provided by the District. To assist in understanding the District's operations, expenses have been reported as governmental activities. Governmental activities financed by the District include general government, physical environment and interest on long term debt.

Fund financial statements present financial information for governmental funds. These statements provide financial information for the major funds of the District. Governmental fund financial statements provide information on the current assets and liabilities of the funds, changes in current financial resources (revenues and expenditures), and current available resources.

OVERVIEW OF THE FINANCIAL STATEMENTS (CONTINUED)

Fund financial statements include a **balance sheet** and a **statement of revenues, expenditures and changes in fund balances** for all governmental funds. A **statement of revenues, expenditures, and changes in fund balances – budget and actual** is provided for the District's General Fund. *Fund financial statements* provide more detailed information about the District's activities. Individual funds are established by the District to track revenues and expenditures that are restricted for certain purposes or to comply with legal requirements.

The government-wide financial statements and the fund financial statements provide different pictures of the District. The government-wide financial statements provide an overall picture of the District's financial standing. These statements are comparable to private-sector companies and give a good understanding of the District's overall financial health and how the District paid for the various activities, or functions, provided by the District. All assets of the District, including capital assets are reported in the **statement of net position**. All liabilities, including principal outstanding on bonds are included. The **statement of activities** includes depreciation on all long-lived assets of the District, but transactions between the different functions of the District have been eliminated in order to avoid "doubling up" the revenues and expenses. The fund financial statements provide a picture of the major funds of the District. In the case of governmental funds, outlays for long lived assets are reported as expenditures and long-term liabilities, such as general obligation bonds, are not included in the fund financial statements. To provide a link from the fund financial statements to the government-wide financial statements.

Notes to financial statements provide additional detail concerning the financial activities and financial balances of the District. Additional information about the accounting practices of the District, investments of the District, capital assets and long-term debt are some of the items included in the *notes to financial statements*.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The financial statements of the District have been prepared in conformity with generally accepted accounting principles (GAAP) as applied to governmental units. The Governmental Accounting Standards Board (GASB) is the accepted standard-setting body for establishing governmental accounting and financial reporting principles. The District's more significant accounting policies are described below.

1. Reporting Entity

The District was established on April 21, 2005, pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes. The District was established for the purposes of financing and managing the acquisition, construction, maintenance and operation of the infrastructure necessary for community development within its jurisdiction. The District is authorized to issue bonds for the purpose, among others, of financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping, operating and maintaining water management, district roads, landscaping, street lights and other basic infrastructure projects within or outside the boundaries of the River Hall Community Development District. The District is governed by a five-member Board of Supervisors who are elected on an at-large basis by qualified electors living within the boundaries of the District. The District operates within the criteria established by Chapter 190, Florida Statutes.

As required by GAAP, these financial statements present the River Hall Community Development District (the primary government) as a stand-alone government. The reporting entity for the District includes all functions of government in which the District's Board exercises oversight responsibility including, but not limited to, financial interdependency, designation of management, significant ability to influence operations and accountability for fiscal matters.

Based upon the application of the above-mentioned criteria, the District has identified no component units.

2. Measurement Focus and Basis of Accounting

The basic financial statements of the District are composed of the following:

- Government-wide financial statements
- Fund financial statements
- Notes to financial statements

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2. Measurement Focus and Basis of Accounting (Continued)

a. Government-wide Financial Statements

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Government-wide financial statements report all non-fiduciary information about the reporting government as a whole. These statements include all the governmental activities of the primary government. The effect of interfund activity has been removed from these statements.

Governmental activities are supported by special assessments. Program revenues include charges for services and payments made by parties outside of the reporting government's citizenry if that money is restricted to a particular program. Program revenues are netted with program expenses in the Statement of Activities to present the net cost of each program.

Amounts paid to acquire capital assets are capitalized as assets, rather than reported as an expenditure. Proceeds of long-term debt are recorded as liabilities in the government-wide financial statements, rather than as an other financing source.

Amounts paid to reduce long-term indebtedness of the reporting government are reported as a reduction of the related liability, rather than as an expenditure.

b. Fund Financial Statements

The underlying accounting system of the District is organized and operated on the basis of separate funds, each of which is considered to be a separate accounting entity. The operations of each fund are accounted for with a separate set of self-balancing accounts that comprise its assets, liabilities, fund equity, revenues and expenditures or expenses, as appropriate. Governmental resources are allocated to and accounted for in individual funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled.

Fund financial statements for the primary government's governmental funds are presented after the government-wide financial statements. These statements display information about major funds individually.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2. Measurement Focus and Basis of Accounting (Continued)

b. Fund Financial Statements (Continued)

Governmental Funds

The District implemented the Governmental Accounting Standards Board Statement 54 – Fund Balance Reporting and Governmental Fund Type Definitions. The Statement requires the fund balance for governmental funds to be reported in classifications that comprise a hierarchy based primarily on the extent to which the government is bound to honor constraints on the specific purposes for which amounts in those funds can be spent.

The District has various policies governing the fund balance classifications.

Nonspendable Fund Balance – This classification consists of amounts that cannot be spent because they are either not in spendable form or are legally or contractually required to be maintained intact.

Restricted Fund Balance – This classification includes amounts that can be spent only for specific purposes stipulated by constitution, external resource providers, or through enabling legislation.

Assigned Fund Balance – This classification consists of the Board of Supervisors' intent to be used for specific purposes, but are neither restricted nor committed. The assigned fund balances can also be assigned by the District's management company.

Unassigned Fund Balance – This classification is the residual classification for the government's general fund and includes all spendable amounts not contained in the other classifications. Unassigned fund balance is considered to be utilized first when an expenditure is incurred for purposes for which amounts in any of those unrestricted fund balance classifications could be used.

Fund Balance Spending Hierarchy – For all governmental funds except special revenue funds, when restricted, committed, assigned, and unassigned fund balances are combined in a fund, qualified expenditures are paid first from restricted or committed fund balance, as appropriate, then assigned and finally unassigned fund balances.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

2. Measurement Focus and Basis of Accounting (Continued)

b. Fund Financial Statements (Continued)

Governmental Funds (Continued)

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are considered to be available when they are collected within the current period or soon thereafter, to pay liabilities of the current period. For this purpose, the District considers revenues to be available if they are collected within 90 days of the end of the current fiscal period.

Expenditures generally are recorded when a liability is incurred, as under accrual accounting. Interest revenue associated with the current fiscal period is considered to be an accrual item and so has been recognized as revenue of the current fiscal period.

Under the current financial resources measurement focus, only current assets and current liabilities are included on the balance sheet. The reported fund balance is considered to be a measure of "available spendable resources". Governmental fund operating statements present increases (revenues and other financing sources) and decreases (expenditures and other financing uses) in net current assets. Accordingly, they are said to present a summary of sources and uses of "available spendable resources" during a period.

Because of their spending measurement focus, expenditure recognition for governmental fund types excludes amounts represented by non-current liabilities. Since they do not affect net current assets, such long-term amounts are not recognized as governmental fund type expenditures or fund liabilities.

Amounts expended to acquire capital assets are recorded as expenditures in the year that resources are expended, rather than as fund assets. The proceeds of long-term debt are recorded as another financing source rather than as a fund liability.

Debt service expenditures are recorded only when payment is due.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

3. Basis of Presentation

a. Governmental Major Funds

<u>General Fund</u> – The General Fund is the District's primary operating fund. It accounts for all financial resources of the general government, except those required to be accounted for in another fund. The General Fund is composed of General Fund and Reserve Fund balances.

<u>Debt Service Fund</u> – Accounts for debt service requirements to retire the capital improvement bonds which were used to finance the construction of District infrastructure improvements.

<u>Capital Projects Fund</u> – Accounts for the construction of improvements within the boundaries of the District.

b. Non-current Governmental Assets/Liabilities

GASB Statement 34 requires that non-current governmental assets, such as land and buildings, and non-current governmental liabilities, such as general obligation bonds, be reported in the governmental activities column in the government-wide Statement of Net Position.

4. Assets, Deferred Outflows/Inflows of Resources, Liabilities, and Net Position or Equity

a. Cash and Investments

Florida Statutes require state and local governmental units to deposit monies with financial institutions classified as "Qualified Public Depositories," a multiple financial institution pool whereby groups of securities pledged by the various financial institutions provide common collateral from their deposits of public funds. This pool is provided as additional insurance to the federal depository insurance and allows for additional assessments against the member institutions, providing full insurance for public deposits.

The District is authorized to invest in those financial instruments as established by Section 218.415, Florida Statutes. The authorized investments consist of:

- 1. Direct obligations of the United States Treasury;
- 2. The Local Government Surplus Funds Trust or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperative Act of 1969;
- 3. Interest-bearing time deposits or savings accounts in authorized qualified public depositories;
- 4. Securities and Exchange Commission, registered money market funds with the highest credit quality rating from a nationally recognized rating agency.

Cash and cash equivalents includes time deposits, certificates of deposit and all highly liquid debt instruments with original maturities of three months or less.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

4. Assets, Deferred Outflows/Inflows of Resources, Liabilities, and Net Position or Equity (Continued)

b. Restricted Assets

Certain assets of the District and a corresponding liability or portion of net position is classified as restricted on the statement of net position because their use is limited either by law through constitutional provisions or enabling legislation; or by restrictions imposed externally by creditors. In a fund with both restricted and unrestricted assets, qualified expenses are considered to be paid first from restricted net position and then from unrestricted net position.

c. Capital Assets

Capital assets, which include land and improvements, infrastructure, improvements other than buildings and construction in progress, are reported in governmental activities.

The District defines capital assets as assets with an initial, individual cost of \$5,000 or more and an estimated useful life in excess of one year. The valuation basis for all assets is historical cost.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend its useful life are not capitalized.

Depreciation of capital assets is computed and recorded by utilizing the straight-line method over the assets' estimated useful lives. Useful life for assets is estimated at 15 years for infrastructure and 15 - 30 years for improvements other than buildings.

d. Budgets

Budgets are prepared and adopted after public hearings for the governmental funds, pursuant to Chapter 190, Florida Statutes. The District utilizes the same basis of accounting for budgets as it does for revenues and expenditures in its various funds. Formal budgets are adopted for the general fund. The legal level of budgetary control is at the fund level. As a result, deficits in the budget columns of the accompanying financial statements may occur. All budgeted appropriations lapse at year end.

e. Deferred Outflows of Resources

Deferred outflow of resources is the consumption of net position by the government that is applicable to a future reporting period. Deferred amount on refunding is amortized and recognized as a component of interest expense over the life of the bond.

NOTE A – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (CONTINUED)

4. Assets, Deferred Outflows/Inflows of Resources, Liabilities, and Net Position or Equity (Continued)

f. Deferred Inflows of Resources

Deferred inflows of resources represent an acquisition of net position that applies to a future reporting period(s) and so will not be recognized as an inflow of resources (revenue) until then. The District only has one time that qualifies for reporting in the category. Unavailable revenues are reported only in the governmental funds balance sheet. This amount is deferred and recognized as an inflow of resources in the period that amounts become available

g. Unamortized Bond Discounts/Premiums

Bond discounts/premiums are presented on the government-wide financial statements. The costs are amortized over the life of the bonds using the straight-line method. For financial reporting, the unamortized bond discounts/premiums are netted against the applicable long-term debt.

h. Net Position

Net position represents the difference between assets and liabilities and is reported in three categories. Net position invested in capital assets, net of related debt, represents capital assets, net of accumulated depreciation and any outstanding debt related to those assets. Net position is reported as restricted when there are legal limitations imposed on their use by legislation, or external restrictions imposed by other governments, creditors, or grantors. Unrestricted net position is assets that do not meet definitions of the classifications previously described.

NOTE B – CASH AND INVESTMENTS

All deposits are held in qualified public depositories and are included on the accompanying balance sheet as cash and investments.

Custodial Credit Risk – Deposits

Custodial credit risk is the risk that in the event of a bank failure, the District's deposits may not be returned to it. The District does not have a formal deposit policy for custodial credit risk; however, they follow the provisions of Chapter 280, Florida Statutes regarding deposits and investments. As of September 30, 2023, the District's bank balance was \$967,936 and the carrying value was \$973,936. Exposure to custodial credit risk was as follows. The District maintains all deposits in a qualified public depository in accordance with the provisions of Chapter 280, Florida Statutes, which means that all deposits are fully insured by Federal Depositors Insurance or collateralized under Chapter 280, Florida Statutes.

NOTE B – CASH AND INVESTMENTS (CONTINUED)

Investments

As of September 30, 2023, the District had the following investments and maturities:

Investment	Maturities	Fair Value
First American Government Obligation Fund	24 days*	\$ 1,437,139
Florida PRIME	35 days*	5,583
Total		\$ 1,442,722

* Weighted average maturity

The District categorizes its fair value measurement within the fair value hierarchy established by generally accepted accounting principles. The fair value is the price that would be received to sell an asset, or paid to transfer a liability, in an orderly transaction between market participants at the measurement date. The hierarchy is based on the valuation inputs used to measure the fair value of the asset. The District uses a market approach in measuring fair value that uses prices and other relevant information generated by market transactions involving identical or similar assets, liabilities, or groups of assets and liabilities.

Assets or liabilities are classified into one of three levels. Level 1 is the most realizable and is based on quoted price for identical assets, or liabilities, in an active market. Level 2 uses significant other observable inputs when obtained quoted prices for identical or similar assets, or liabilities, in markets that are not active. Level 3 is the least reliable and uses significant unobservable inputs that uses the best information available under the circumstances which includes the District's own data in measuring unobservable inputs.

Based on the criteria in the preceding paragraph, the investments in the First American Government Obligation Fund are Level 1 assets.

The District's investment policy allows management to invest funds in investments permitted under Section 218.415, Florida Statutes. The investment in Florida PRIME is measured at amortized cost. Florida PRIME has established policies and guidelines regarding participant transactions and the authority to limit or restrict withdrawals or impose a penalty for an early withdrawal. As of September 30, 2023, there were no redemption fees, maximum transaction amounts, or any other requirements that would limit daily access to 100 percent of the account value.

Interest Rate Risk

The District does not have a formal investment policy that limits investment maturities as a means of managing its exposure to fair value losses arising from increasing interest rates, however; the bond indenture limits the type of investments held using unspent proceeds.

NOTE B – CASH AND INVESTMENTS (CONTINUED)

Credit Risk

The District's investments are limited by state statutory requirements and bond compliance. The District has no investment policy that would further limit its investment choices.

As a pool participant, the District invests in pools of investments in which shares are owned in the pool rather than the underlying investments. Fair market value is determined and reported as disclosed by the State Board of Administration and the calculation of the net change in the fair value of investments is independent of the calculation of realized gains and losses.

As of September 30, 2023, the District's investments in the First American Government Obligation Fund and Florida PRIME were rated AAAm by Standard & Poor's.

Concentration of Credit Risk

The District places no limit on the amount it may invest in any one fund. The investments in the First American Government Obligation Fund represents 99% of the District's total investments. The investment in Florida PRIME represents less than 1% of the District's total investments.

The types of deposits and investments and their level of risk exposure as of September 30, 2023 were typical of these items during the fiscal year then ended. The District considers any decline in fair value for certain investments to be temporary.

NOTE C – SPECIAL ASSESSMENT REVENUES

Special assessment revenues recognized for the 2022-2023 fiscal year were levied in October 2022. All assessments are due and payable on November 1 or as soon as the assessment roll is certified and delivered to the Tax Collector. Per Section 197.162, Florida Statutes, discounts are allowed for early payment at the rate of 4% in November, 3% in December, 2% in January, and 1% in February. Assessments paid in March are without discount.

All unpaid assessments become delinquent as of April 1. Virtually all unpaid assessments are collected via the sale of tax certificates on or prior to, June 1; therefore, there were no material taxes receivable at fiscal year end.

NOTE D – CAPITAL ASSETS

Capital asset activity for the year ended September 30, 2023 was as follows:

	Balance 10/1/2022	Additions	Disposals	Balance 09/30/23
Governmental Activities:

INDEPENDENT AUDITORS' REPORT ON INTERNAL CONTROL OVER FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH GOVERNMENT AUDITING STANDARDS

To the Board of Supervisors River Hall Community Development District Lee County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements, as listed in the table of contents, of River Hall Community Development District, as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the basic financial statements and have issued our report thereon dated September 10, 2024.

Report on Internal Control Over Financial Reporting

In planning and performing our audit, we considered River Hall Community Development District's internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of River Hall Community Development District's internal control. Accordingly, we do not express an opinion on the effectiveness of River Hall Community Development District's internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A significant deficiency is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether River Hall Community Development District's financial statements are free of material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
