THE LIMITATION OF THE INITIAL OFFERING TO QUALIFIED INSTITUTIONAL BUYERS AND ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2024 BONDS. PROSPECTIVE INVESTORS SHOULD BE AWARE OF CERTAIN RISK FACTORS, ANY OF WHICH, IF MATERIALIZED TO A SUFFICIENT DEGREE, COULD DELAY OR PREVENT PAYMENT OF PRINCIPAL OF, PREMIUM, IF ANY, AND/OR INTEREST ON THE SERIES 2024 BONDS. THE SERIES 2024 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. SEE “LIMITATIONS APPLICABLE TO INITIAL PURCHASERS,” AND “BONDHOLDERS’ RISKS.”

The Series 2024 Bonds are being issued by the City pursuant to the Public Improvement District Assessment Act, Subchapter A of Chapter 372, Texas Local Government Code, as amended (the “PID Act”), an ordinance expected to be adopted by the City Council of the City (the “City Council”) authorizing the issuance of the Series 2024 Bonds (the “Series 2024 Bond Ordinance”), an Indenture of Trust (the “2023 Indenture”) entered into between the City and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”), and a Supplemental Indenture of Trust expected to be entered into between the City and the Trustee (the “2024 Supplemental Indenture,” and, together with the 2023 Indenture, the “Indenture”). The 2024 Supplemental Indenture supplements the 2023 Indenture, which was entered into in connection with the issuance by the City of its Special Assessment Revenue Bonds, Series 2023 (Mosaic Public Improvement District Phase #1 Project) (the “Series 2023 Bonds”).

***All capitalized terms used in this Limited Offering Memorandum that are not otherwise defined herein shall have the meanings set forth in the Indenture. See “APPENDIX B – Form of Indenture.”***

The Series 2024 Bonds are an additional series of the Bonds Similarly Secured to be issued on parity with the Series 2023 Bonds pursuant to the Indenture. The Bonds Similarly Secured, including the Series 2023 Bonds and the Series 2024 Bonds, are or will be secured by a pledge of and lien upon the Trust Estate, consisting primarily of revenue from the Assessments levied on Assessed Property in Phase #1 of the District pursuant to the Assessment Ordinance adopted by the City Council on April 11, 2023, all to the extent and upon the conditions described in the Indenture. Reference is made to the Indenture for a full statement of the authority for, and the terms and provisions of, the Series 2024 Bonds. See “SECURITY FOR THE BONDS SIMILARLY SECURED,” “ASSESSMENT PROCEDURES,” and “APPENDIX B – Form of Indenture.”

Set forth herein are brief descriptions of the City, the District, the Administrator, the Landowner, the Developer, the Assessment Ordinance, the Series 2024 Bond Ordinance, the Service and Assessment Plan, and the Development Agreement, together with summaries of terms of the Series 2024 Bonds and the Indenture and certain provisions of the PID Act. All references herein to such documents and the PID Act are qualified in their entirety by reference to such documents or such PID Act and all references to the Series 2024 Bonds are qualified by reference to the definitive forms thereof and the information with respect thereto contained in the Indenture. On October 9, 2024, the Seller released an additional 38.522 acres from its lien, consisting of construction Phase 3C. Construction Phases 2 and 3C constitute “Improvement Area #2.” See the map on page v.

In September 2021, the Landowner, together with the Merritt/Thornton Management Company, L.L.C., James H. Merritt, III, W. Keith Thornton, Margaret M. Thornton, and Susanna Parker (collectively, the “Merritt/Thornton Petitioners”), submitted a petition to the City requesting the creation of the District. In November 2021, the City created the District consisting of approximately 684.752 acres. The Landowner Property makes up Phases #1-5 of the District, as shown on page vi. The remaining 250.737 acres in the District is owned by the Seller (the “Seller Property”) and makes up Phases #6-7 of the District, as shown on page vi. The City annexed all of the property in the District, consisting of the Landowner Property and the Seller Property, in June 2022.

Pursuant to the purchase agreement with the Seller, the Landowner has a right of first refusal on approximately 107.890 acres in the Northwestern corner of the District, shown as “Phase 6” on page vi. See “THE DEVELOPER AND THE LANDOWNER – History and Financing of the District.”

Also pursuant to the purchase agreement with the Seller, on November 18, 2022, the Landowner made a payment in the amount of \$1,076,443.75 to the Seller for the release of the Seller’s lien on approximately 12.778 acres in Phase #1. The Landowner then sold 13.308 gross acres, inclusive of such 12.778 acres (the “School Site”), to Prosper Independent School District (“Prosper ISD”) for \$2,018,413.00, less a contribution in escrow by the Landowner to the City in the amount of \$795,851.00 to pay for temporary paving improvements for Parvin Road to be constructed by the City. Prosper ISD is currently constructing an elementary school, expected to open in the Fall of 2025, on the School Site. The School Site is designated as “Elementary School” on the map on page v.

Tellus-Celina, LLC (the “Developer”), is the Manager of the Landowner. The Landowner enters into development contracts and the Developer, as Manager of the Landowner, manages the development of the Property. The Developer is developing the Property as a master-planned community (the “Development”) in Phases #1-5, expected to include a total of 1,670 single-family residential units, consisting of 1,460 single-family lots and 210 townhomes; however, the final unit count at full buildout is subject to change based on final engineering for each phase of development.

The Developer expects the Seller to develop the Seller Property in accordance with the Development Agreement, including developing the Southeast corner of the District (designated as Phase #7 on page vi), to include approximately 341 multi-family housing units and approximately seven acres of commercial development to consist of approximately 30 commercial equivalent units, such as garden offices, medical offices, or strip retail space. The Seller’s current plans for development of the Seller Property may change in the future, which may require amendment

of the Development Agreement by the Seller and the City. Neither the Landowner nor the Developer has control over the development of the Seller Property.

The Development will also include two private amenity centers, two large public parks, and approximately five pocket parks linked by a network of trails. The main amenity center, currently under construction and expected to cost approximately \$19,830,850, is located in Phase #1 and will feature a lazy river and pool complex with a clubhouse situated adjacent to an approximately five-acre lake. As of October 15, 2024, the Developer has spent approximately \$6,000,000 on costs of the main amenity center.

The second amenity center is expected to be located in construction Phase #3B and may have a swimming pool, if single-family construction homes are built in its general area, as currently contemplated. See the map on page v for the existing and proposed locations of the amenity centers. The Development is located within Prosper ISD. See “THE DEVELOPMENT – Amenities and Private Improvements” and “– Education.”

The information regarding the projected buildout of the District is for Phases #1-5 owned by the Landowner and Phase #7 based on information from the Seller. Information regarding Phase #6 is not included herein. The Seller has not provided any current development plan for such phase; however, if such phase is developed with single-family residential lots, then pursuant to the Development Agreement, a third (3<sup>rd</sup>) amenity center would be required to be constructed to serve such phase. See “THE DEVELOPMENT – Amenities and Private Improvements.”

**Development Plan**

Phase #1 of the Development includes 435 residential units consisting of 367 single-family detached lots and 68 townhome lots. The Developer began the development with the construction of (i) improvements that specifically benefit property within Phase #1 (the “Phase #1 Improvements”), and (ii) initial improvements that benefit property throughout Phases #1-5 (the “Initial Major Improvements”). The Developer completed the Phase #1 Improvements and the Initial Major Improvements in the third quarter of 2023. See “THE DEVELOPMENT – Development Plan.”

The Developer began construction of improvements that specifically benefit property within Improvement Area #2 (consisting of construction Phases #2A, 2B, 2C, and 3C, as shown in the concept plan on page vi) in the first quarter of 2024 and expects to complete such improvements in the fourth quarter of 2024. The Developer began construction of additional improvements that benefit property throughout Phases #1-5 (the “Additional Major Improvements” and, together with the “Initial Major Improvements,” the “Major Improvements”) in the third quarter of 2024 and expects such improvements to be complete in the fourth quarter of 2027. Full development of Phases #1-5 is expected to be complete by the first quarter of 2028. See “APPENDIX C – Form of Service and Assessment Plan.”

## **The Series 2024 Bonds, Phase #1 Reimbursement Agreement Obligation, and Future Phase Bonds**

Proceeds of the Series 2024 Bonds will be used primarily to (i) pay a portion of the Actual Costs of the Phase #1 Improvements, (ii) fund a reserve fund for payment of principal of and interest on the Series 2024 Bonds, and (iii) pay costs of issuance of the Series 2024 Bonds. The Actual Cost of the Phase #1 Improvements is \$25,038,620. A portion of the costs of the Phase #1 Improvements in the approximate amount of \$12,346,266 was paid with proceeds of the Series 2023 Bonds. Additional costs of the Phase #1 Improvements in the approximate amount of \$5,444,840\* are expected to be paid with proceeds of the Series 2024 Bonds. The balance of such costs in the approximate amount of \$7,247,514\* have been or will be paid by the Developer, using proceeds of the Development loan (defined herein), and will not be reimbursed by the City.

In connection with the issuance of the Series 2023 Bonds, the City and the Developer entered into the PID Reimbursement Agreement pursuant to which the City agreed, among other things, to reimburse the Developer for costs of the Improvement Area #1 Improvements not paid with proceeds of the Series 2023 Bonds in an amount not to exceed \$6,425,000 (the “Phase #1 Reimbursement Agreement Obligation”). Upon issuance of the Series 2024 Bonds and payment of the Phase #1 Reimbursement Agreement Obligation, the PID Reimbursement Agreement will terminate with respect to Phase #1.

The costs of all Major Improvements allocable to Phase #1 are expected to total approximately \$3,952,017, consisting of approximately \$1,616,238 of Initial Major Improvements and approximately \$2,335,779 of Additional Major Improvements. The Developer has paid the costs of the Initial Major Improvements and will pay the costs of the Additional Major Improvements allocable to Phase #1 from proceeds of the Development Loan and net sales proceeds from lot sales and will not be reimbursed for such costs by the City. See “THE DEVELOPER AND THE LANDOWNER – History and Financing of the District.”

Concurrently with the issuance of the Series 2024 Bonds, the City expects to issue its Special Assessment Revenue Bonds, Series 2024 (Mosaic Public Improvement District Improvement Area #2 Bonds) in the approximate amount of \$38,256,000\* to finance a portion of the costs of the (i) public improvements benefitting only Improvement Area #2, (ii) the Initial Major Improvements allocable to Improvement Area #2, and (iii) the Additional Major Improvements allocable to Improvement Area #2 (the “Improvement Area #2 Bonds”). The Improvement Area #2 Bonds will be secured by separate assessments levied on property within Improvement Area #2.

The Developer expects to request that the City issue one or more series of bonds to finance (i) the costs of the public improvements solely benefitting the property in each of Phases #3A, 3B, 4, and 5 (the “Future Improvement Areas”), and (ii) the costs of the Major Improvements allocable to each Future Improvement Area (collectively, the “Future Phase Bonds”). The estimated costs of such improvements will be determined as development progresses, and the Service and Assessment Plan will be updated to identify the Authorized Improvements to be constructed and financed by each series of Future Phase Bonds. Such Future Phase Bonds will be secured by separate assessments levied pursuant to the PID Act on assessable property within the phases that benefit from the Authorized Improvements. See “THE DEVELOPMENT – Development Plan.”

Neither the Improvement Area #2 Bonds nor any Future Phase Bonds are offered pursuant to this Limited Offering Memorandum.

**The Bonds Similarly Secured shall never constitute an indebtedness or general obligation of the City, the State of Texas (the “State”), or any other political subdivision of the State within the meaning of any Constitutional provision or statutory limitation whatsoever, but the Bonds Similarly Secured are special and limited obligations of the City payable solely from the Trust Estate as provided in the Indenture. Neither the faith and credit nor the taxing power of the City, the State, or any other political subdivision of the State is pledged to the payment of the Bonds Similarly Secured. The District has no taxing power.**

### **Lot Purchase and Sale Agreements; Home Construction**

Construction of the Phase #1 Improvements and the Initial Major Improvements commenced in January 2022 and were completed and accepted by the City in December 2023. All lots in Phase #1 are under contract with homebuilders. Lot purchase and home construction in Phase #1 began in the third quarter of 2023. Homebuilders in

Each initial purchaser is advised that the Series 2024 Bonds being offered pursuant to this Limited Offering Memorandum are being offered and sold only to “accredited investors” as defined in Rule 501 of Regulation D promulgated under the Securities Act of 1933 and “qualified institutional buyers” as defined in Rule 144A promulgated under the Securities Act of 1933. Each initial purchaser of the Series 2024 Bonds (each, an “Investor”) will be deemed to have acknowledged, represented, and warranted to the City as follows:

1. The Investor has authority and is duly authorized to purchase the Series 2024 Bonds and to execute any instruments and documents required to be executed by the Investor in connection with the purchase of the Series 2024 Bonds.

2. The Investor is an “accredited investor” under Rule 501 of Regulation D of the Securities Act of 1933 or a “qualified institutional buyer” under Rule 144A of the Securities Act of 1933, and therefore, has sufficient knowledge and experience in financial and business matters, including the purchase and ownership of municipal and other tax-exempt obligations, to be able to evaluate the risks and merits of the investment represented by the Series 2024 Bonds.

3. The Series 2024 Bonds are being acquired by the Investor for investment and not with a view to, or for resale in connection with, any distribution of the Series 2024 Bonds, and the Investor intends to hold the Series 2024 Bonds solely for its own account for investment purposes and for an indefinite period of time and does not intend at this time to dispose of all or any part of the Series 2024 Bonds. However, the Investor may sell the Series 2024 Bonds at any time the Investor deems appropriate. The Investor understands that it may need to bear the risks of this investment for an indefinite time, since any sale prior to maturity may not be possible.

4. The Investor understands that the Series 2024 Bonds are not registered under the Securities Act of 1933 and that such registration is not legally required as of the date hereof; and further understands that the Series 2024 Bonds (a) are not being registered or otherwise qualified for sale under the “Blue Sky” laws and regulations of any state, (b) will not be listed in any stock or other securities exchange, and (c) will not carry a rating from any rating service.

The Investor has received a copy of this Limited Offering Memorandum relating to the Series 2024 Bonds. The Investor acknowledges that it has assumed responsibility for its review of the Investor Information, and it has not relied upon any advice, counsel, representation, or information from the City in connection with the Investor’s purchase of the Series 2024 Bonds. The Investor agrees that none of the City, its councilmembers, officers, or employees shall have any liability to the Investor whatsoever for or in connection with the Investor’s decision to purchase the Series 2024 Bonds except for gross negligence, fraud, or willful misconduct. For the avoidance of doubt, it is acknowledged that the Underwriter is not deemed an officer or employee of the City.

6. The Investor acknowledges that the obligations of the City under the Indenture are special, limited obligations payable solely from amounts paid by the City pursuant to the terms of the Indenture and the City shall not be directly or indirectly or contingently or morally obligated to use any other moneys or assets of the City for amounts due under the Indenture. The Investor understands that the Series 2024 Bonds are not secured by any pledge of any moneys received or to be received from taxation by the City, the State or any political subdivision or taxing district thereof; that the Series 2024 Bonds will never represent or constitute a general obligation or a pledge of the faith and credit of the City, the State or any political subdivision thereof; that no right will exist to have taxes levied by the City,

State or any political subdivision thereof for the payment of principal of and interest on the Series 2024 Bonds; and that the liability of the City and the State with respect to the Series 2024 Bonds is subject to further limitations as set forth in the Series 2024 Bonds and the Indenture.

7. The Investor has made its own inquiry and analysis with respect to the Series 2024 Bonds and the security therefor. The Investor is aware that the development of the District involves certain economic and regulatory variables and risks that could adversely affect the security for the Series 2024 Bonds.

8. The Investor acknowledges that the sale of the Series 2024 Bonds to the Investor is made in reliance upon the certifications, representations and warranties described in items 1-7 above.

## DESCRIPTION OF THE SERIES 2024 BONDS

### General

The Series 2024 Bonds will mature on the dates and in the amounts set forth in the inside cover page of this Limited Offering Memorandum. Interest on the Series 2024 Bonds will accrue from the Closing Date and will be computed on the basis of a 360-day year of twelve 30-day months. Interest on the Series 2024 Bonds will be payable on each March 1 and September 1, commencing March 1, 2025 (each an “Interest Payment Date”), until maturity or prior redemption. U.S. Bank Trust Company, National Association, is the initial Trustee, and Paying Agent/Registrar for the Series 2024 Bonds.

The Series 2024 Bonds will be issued in fully registered form, without coupons, in Authorized Denominations of \$100,000 of principal and any integral multiple of \$1,000 in excess thereof; provided, however, that if the total principal amount of any Outstanding Series 2024 Bond is less than \$100,000 then the Authorized Denomination of such Outstanding Series 2024 Bond shall be the amount of such Outstanding Series 2024 Bond. Upon initial issuance, the ownership of the Series 2024 Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York (“DTC”), and purchases of beneficial interests in the Series 2024 Bonds will be made in book-entry only form. See “BOOK-ENTRY ONLY SYSTEM.”

### Redemption Provisions

*Optional Redemption.* The City reserves the right and option to redeem Series 2024 Bonds maturing on or after September 1, 20\_\_, before their respective scheduled maturity date, in whole or in part, on any date on or after September 1, 20\_\_, at the price of par, plus accrued and unpaid interest to the date of redemption (the “Redemption Price”).

*Extraordinary Optional Redemption.* The City reserves the right and option to redeem Bonds Similarly Secured before their respective scheduled maturity dates, in whole or in part and in an amount and on a date specified in a City Certificate, at the Redemption Price of such Bonds Similarly Secured, or portions thereof, to be redeemed from amounts on deposit in the Redemption Fund as a result of Prepayments (including related transfers to the Redemption Fund made pursuant to the terms of the Indenture, any other transfers to the Redemption Fund under the terms of the Indenture, or as a result of unexpended amounts transferred from the Project Fund pursuant to the terms of the Indenture). The City will provide the Trustee a City Certificate directing the Bonds Similarly Secured to be redeemed pursuant to the Indenture. See “ASSESSMENT PROCEDURES – Prepayment of Assessments” for the definition and description of Prepayments.

THE REMAINDER OF THIS PAGE IS LEFT BLANK INTENTIONALLY.

Mandatory Sinking Fund Redemption. The Series 2024 Bonds are subject to mandatory sinking fund redemption prior to their Stated Maturity and will be redeemed by the City in part at the Redemption Price from moneys available for such purpose in the Principal and Interest Account of the Bond Fund, on the dates and in the respective Sinking Fund Installments as set forth in the following schedule:

\$ Series 2024 Bonds Maturing September 1, 20\_\_

<sup>†</sup> Stated Maturity

At least forty-five (45) days prior to each mandatory sinking fund redemption date, and subject to any prior reduction authorized by the Indenture, the Trustee shall select a principal amount of Series 2024 Bonds (in accordance with the Indenture) of such maturity equal to the Sinking Fund Installment amount of such Series 2024 Bonds to be redeemed, shall call such Series 2024 Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption.

The principal amount of Series 2024 Bonds of a Stated Maturity required to be redeemed on any mandatory sinking fund redemption date shall be reduced, at the option of the City, by the principal amount of any Series 2024 Bonds of such maturity which, at least forty-five (45) days prior to the mandatory sinking fund redemption date shall have been acquired by the City at a price not exceeding the principal amount of such Series 2024 Bonds plus accrued and unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation.

The principal amount of Series 2024 Bonds required to be redeemed on any mandatory sinking fund redemption date shall be reduced on a pro rata basis among Sinking Fund Installments by the principal amount of any Series 2024 Bonds which, at least forty-five (45) days prior to the mandatory sinking fund redemption date, shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption provisions of the Indenture and not previously credited to a mandatory sinking fund redemption.

Partial Redemption. For Bonds Similarly Secured redeemed pursuant to mandatory sinking fund redemption, the Trustee may select the Bonds Similarly Secured to be redeemed in any method that results in a random selection.

For Bonds Similarly Secured redeemed pursuant to optional redemption, the Trustee may rely on the directions provided in a City Certificate.

If less than all of a series of Bonds Similarly Secured are called for extraordinary optional redemption pursuant to the Indenture, the Bonds Similarly Secured or portion of a Bond Similarly Secured, as applicable, of such series to be redeemed shall be selected in the following manner:

- (i) with respect to a Substantial Amount Redemption, the principal amount called for redemption shall be allocated on a pro rata basis among all Outstanding Bonds Similarly Secured of such series; and

(ii) with respect to a Minor Amount Redemption, the Outstanding Bonds Similarly Secured of such series shall be redeemed in inverse order of maturity.

The following defined terms apply to partial extraordinary optional redemptions:

“Substantial Amount Redemption” means a redemption of Bonds Similarly Secured pursuant to extraordinary optional redemption of a principal amount of a series of Bonds Similarly Secured that is greater than or equal to ten percent (10%) of the Outstanding principal amount of such series of Bonds Similarly Secured.

“Minor Amount Redemption” means a redemption of Bonds Similarly Secured pursuant to extraordinary optional redemption of a principal amount of a series of Bonds Similarly Secured that is less than ten percent (10%) of the Outstanding principal amount of such series of Bonds Similarly Secured.

Bonds Similarly Secured may be redeemed in minimum principal amounts of \$1,000 or any integral multiple thereof. Each Bond Similarly Secured shall be treated as representing the number of Bonds Similarly Secured that is obtained by dividing the principal amount of such Bond Similarly Secured by \$1,000.

Upon surrender of any Bond Similarly Secured for redemption in part, the Trustee, in accordance with the Indenture, will authenticate and deliver an exchange Bond Similarly Secured or Bonds Similarly Secured in an aggregate principal amount equal to the unredeemed portion of the Bond Similarly Secured so surrendered, such exchange being without charge.

*Notice of Redemption to Owners.* The Trustee shall give notice of any redemption of Bonds Similarly Secured by sending notice by United States mail, first class, postage prepaid, not less than thirty (30) days before the date fixed for redemption, to the Owner of each Bond Similarly Secured or portion thereof to be redeemed, at the address shown in the Register. Any such notice so given shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

The notice shall state the redemption date, the Redemption Price, the place at which the Bonds Similarly Secured are to be surrendered for payment, and, if less than all the Outstanding Bonds Similarly Secured are to be redeemed, and subject to the terms of the Indenture, an identification of the Bonds Similarly Secured or portions thereof to be redeemed, any conditions to such redemption and that on the redemption date, if all conditions, if any, to such redemption have been satisfied, such Bond Similarly Secured shall become due and payable. Notice of redemption having been given as provided in the Indenture, the Bonds Similarly Secured or portions thereof called for redemption shall become due and payable on the date fixed for redemption provided that funds for the payment of the Redemption Price of such Bonds Similarly Secured to the date fixed for redemption are on deposit with the Trustee; thereafter, such Bonds Similarly Secured or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Bonds Similarly Secured are presented and surrendered for payment on such date.

The City has the right to rescind any optional redemption or extraordinary optional redemption described in the Indenture by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds are not available on the date fixed for redemption for the payment in full of the Bonds Similarly Secured then called for redemption, and such cancellation shall not constitute an Event of Default under the Indenture. The Trustee shall mail notice of rescission of redemption in the same manner notice of redemption was originally provided.

With respect to any optional redemption of the Bonds Similarly Secured, unless the Trustee has received funds sufficient to pay the Redemption Price of the Bonds Similarly Secured to be redeemed before giving of a notice of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not satisfied and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds Similarly Secured and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds Similarly Secured have not been redeemed.

## BOOK-ENTRY ONLY SYSTEM

*This section describes how ownership of the Series 2024 Bonds is to be transferred and how the principal of, premium, if any, and interest on the Series 2024 Bonds are to be paid to and credited by DTC, while the Series 2024 Bonds are registered in its nominee name. The information in this section concerning DTC and the Book-Entry-Only System has been provided by DTC for use in disclosure documents such as this Limited Offering Memorandum. The City and the Underwriter believe the source of such information to be reliable, but neither the City nor the Underwriter takes responsibility for the accuracy or completeness thereof.*

*The City cannot and does not give any assurance that (1) DTC will distribute payments of debt service on the Series 2024 Bonds, or redemption or other notices, to DTC Participants, (2) DTC Participants or others will distribute debt service payments paid to DTC or its nominee (as the registered owner of the Series 2024 Bonds), or redemption or other notices, to the Beneficial Owners, or that they will do so on a timely basis or (3) DTC will serve and act in the manner described in this Limited Offering Memorandum. The current rules applicable to DTC are on file with the United States Securities and Exchange Commission, and the current procedures of DTC to be followed in dealing with DTC Participants are on file with DTC.*

DTC will act as securities depository for the Series 2024 Bonds. The Series 2024 Bonds will be issued as fully registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully registered security certificate will be issued for each maturity of the Series 2024 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its registered subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). Direct Participants and Indirect Participants are collectively referred to herein as "Participants." DTC has a Standard & Poor's rating of "AA+". The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission.

Purchases of Series 2024 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2024 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2024 Bond ("Beneficial Owner") is in turn to be recorded on the Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2024 Bonds are to be accomplished by entries made on the books of Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Series 2024 Bonds, except in the event that use of the book-entry system for the Series 2024 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2024 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2024 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of

the actual Beneficial Owners of the Series 2024 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2024 Bonds are credited, which may or may not be the Beneficial Owners. The Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2024 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2024 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2024 Bond documents. For example, Beneficial Owners of Series 2024 Bonds may wish to ascertain that the nominee holding the Series 2024 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all Series 2024 Bonds of the same maturity are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant of such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Series 2024 Bonds unless authorized by a Direct Participant in accordance with DTC's Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts Series 2024 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, interest, and all other payments on the Series 2024 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the City or Paying Agent/Registrar, on the payment date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, the Paying Agent/Registrar, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, interest, and payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, the Paying Agent/Registrar or the City, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2024 Bonds at any time by giving reasonable notice to the City or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, Series 2024 Bond certificates are required to be printed and delivered.

The City may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Series 2024 Bond certificates will be printed and delivered. Thereafter, Series 2024 Bond certificates may be transferred and exchanged as described in the Indenture.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the City believes to be reliable, but none of the City, the City's Financial Advisor or the Underwriter take any responsibility for the accuracy thereof.

NONE OF THE CITY, THE TRUSTEE, THE PAYING AGENT, THE CITY'S FINANCIAL ADVISOR OR THE UNDERWRITER WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO THE DTC PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEE WITH RESPECT TO THE PAYMENTS TO OR THE PROVIDING OF NOTICE FOR THE DTC PARTICIPANTS, THE INDIRECT PARTICIPANTS OR THE BENEFICIAL OWNERS OF THE SERIES 2024 BONDS. THE CITY CANNOT AND DOES NOT GIVE ANY ASSURANCES THAT DTC, THE DTC PARTICIPANTS OR OTHERS WILL DISTRIBUTE PAYMENTS OF PRINCIPAL OF OR INTEREST ON THE SERIES 2024 BONDS PAID TO DTC OR ITS NOMINEE, AS THE REGISTERED OWNER, OR PROVIDE ANY NOTICES TO THE BENEFICIAL

OWNERS OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC WILL ACT IN THE MANNER DESCRIBED IN THIS LIMITED OFFERING MEMORANDUM. THE CURRENT RULES APPLICABLE TO DTC ARE ON FILE WITH THE SECURITIES AND EXCHANGE COMMISSION, AND THE CURRENT PROCEDURES OF DTC TO BE FOLLOWED IN DEALING WITH DTC PARTICIPANTS ARE ON FILE WITH DTC.

### **Use of Certain Terms in Other Sections of this Limited Offering Memorandum**

In reading this Limited Offering Memorandum it should be understood that while the Series 2024 Bonds are in the Book-Entry-Only System, references in other sections of this Limited Offering Memorandum to registered owners should be read to include the person for which the Participant acquires an interest in the Series 2024 Bonds, but (i) all rights of ownership must be exercised through DTC and the Book-Entry-Only System and (ii) except as described above, notices that are to be given to registered owners under the Indenture will be given only to DTC.

### **SECURITY FOR THE BONDS SIMILARLY SECURED**

*The following is a summary of certain provisions contained in the Indenture. Reference is made to the Indenture for a full statement of the terms and provisions of the Bonds Similarly Secured. Investors must read the entire Indenture to obtain information essential to the making of an informed investment decision. See “APPENDIX B – Form of Indenture.”*

#### **General**

THE BONDS SIMILARLY SECURED, INCLUDING THE SERIES 2023 BONDS AND THE SERIES 2024 BONDS, ARE SPECIAL AND LIMITED OBLIGATIONS OF THE CITY PAYABLE SOLELY FROM THE TRUST ESTATE, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. THE BONDS SIMILARLY SECURED DO NOT GIVE RISE TO A CHARGE AGAINST THE GENERAL CREDIT OR TAXING POWER OF THE CITY AND ARE PAYABLE SOLELY FROM THE SOURCES IDENTIFIED IN THE INDENTURE. THE OWNERS OF THE BONDS SIMILARLY SECURED SHALL NEVER HAVE THE RIGHT TO DEMAND PAYMENT THEREOF OUT OF MONEY RAISED OR TO BE RAISED BY TAXATION, OR OUT OF ANY FUNDS OF THE CITY OTHER THAN THE TRUST ESTATE, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. NO OWNER OF THE BONDS SIMILARLY SECURED SHALL HAVE THE RIGHT TO DEMAND ANY EXERCISE OF THE CITY’S TAXING POWER TO PAY THE PRINCIPAL OF THE BONDS SIMILARLY SECURED OR THE INTEREST OR REDEMPTION PREMIUM, IF ANY, THEREON. THE CITY SHALL HAVE NO LEGAL OR MORAL OBLIGATION TO PAY THE BONDS SIMILARLY SECURED OUT OF ANY FUNDS OF THE CITY OTHER THAN THE TRUST ESTATE.

The principal of, premium, if any, and interest on the Bonds Similarly Secured, including the Series 2023 Bonds and the Series 2024 Bonds, are secured by a pledge of and a lien upon the Pledged Revenues, consisting primarily of certain revenue from the Assessments levied against the Assessed Property, and other funds comprising the Trust Estate, all to the extent and upon the conditions described in the Indenture. In accordance with the PID Act and in connection with the issuance of the Series 2024 Bonds, the City intends to adopt an updated Service and Assessment Plan on November 12, 2024, which will update the Service and Assessment Plan adopted in connection with the issuance of the Series 2023 Bonds, and which describes the special benefit received by the property within the District, provides the basis and justification for the determination of the special benefit on such property, establishes the methodology for the levy of Assessments, provides for the allocation of Pledged Revenues for payment of principal of, premium, if any, and interest on the Bonds Similarly Secured, and will update the Improvement Area #1 Assessment Roll to reflect the actual interest rate on the Series 2024 Bonds, as well as the additional interest collected pursuant to Section 372.018(a) of the PID Act. APPENDIX C will be updated in the final Limited Offering Memorandum to include such update to the Service and Assessment Plan. See “APPENDIX C – Form of Service and Assessment Plan.”

The Service and Assessment Plan is reviewed and updated annually for the purpose of determining the annual budget for improvements and the Annual Installments of Assessments due in a given year. The determination by the City of the assessment methodology set forth in the Service and Assessment Plan is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on all current and future landowners within the District. See “APPENDIX C – Form of Service and Assessment Plan.”

## **Pledged Revenues**

The City is authorized by the PID Act, the Assessment Ordinance, and other provisions of law to finance the Phase #1 Improvements by levying the Assessments upon properties in Phase #1 benefitted thereby. For a description of the assessment methodology and the amounts of Assessments levied in Phase #1, see “ASSESSMENT PROCEDURES” and “APPENDIX C – Form of Service and Assessment Plan.”

The Bonds Similarly Secured, including the Series 2023 Bonds and the Series 2024 Bonds, are secured by a pledge of and a lien upon the Pledged Revenues, consisting primarily of Assessment Revenue and other funds comprising the Trust Estate, all to the extent and upon the conditions described herein and in the Indenture. Pursuant to the Indenture:

“Additional Interest” means the amount collected by application of the Additional Interest Rate.

“Additional Interest Rate” means the up to 0.50% additional interest rate charged on the Assessments pursuant to Section 372.018 of the PID Act.

“Administrative Expenses” mean the administrative, organization, maintenance and operation costs and expenses associated with, or incident to, the administration, organization, maintenance and operation of the District, including, but not limited to, the costs of: (i) creating and organizing the District, including conducting hearings, preparing notices and petitions, and all costs incident thereto, including engineering fees, legal fees and consultant fees, (ii) the annual administrative, organization, maintenance, and operation costs and expenses associated with, or incident and allocable to, the administration, organization, and operation of the District, (iii) computing, levying, billing and collecting Assessments or the Annual Installments thereof, (iv) maintaining the record of installments of the Assessments and the system of registration and transfer of the Bonds Similarly Secured, (v) paying and redeeming the Bonds Similarly Secured, (vi) investing or depositing of monies, (vii) complying with the PID Act and other laws applicable to the Bonds Similarly Secured, (viii) the Trustee fees and expenses relating to the Bonds Similarly Secured, including reasonable fees, (ix) legal counsel, engineers, accountants, financial advisors, investment bankers or other consultants and advisors, and (x) administering the construction of the Phase #1 Improvements. Administrative Expenses do not include payment of the actual principal of, redemption premium, if any, and interest on the Bonds Similarly Secured. Assessments collected for Administrative Expenses and not expended for actual Administrative Expenses in one year shall be carried forward and applied to reduce Administrative Expenses in subsequent years to avoid the over-collection of amounts to pay Administrative Expenses.

“Annual Installment” means, with respect to each Assessed Parcel, each annual payment of the Assessments (including both principal of and interest on the Assessments) as shown on the Assessment Roll attached to the Service and Assessment Plan as Appendix G, and related to the Phase #1 Improvements; which annual payment includes Administrative Expenses and the Additional Interest collected on each annual payment of the Assessments as described in the Indenture and as defined and calculated in the Service and Assessment Plan or in any Annual Service Plan Update.

“Assessed Parcel” means each parcel of land located within Phase #1 of the District against which an Assessment is levied by the Assessment Ordinance in accordance with the Service and Assessment Plan.

“Assessed Property” means, collectively, all Assessed Parcels. *In the Service and Assessment Plan, the Assessed Property is referred to as the “Phase #1 Assessed Property.” See “APPENDIX C – Form of Service and Assessment Plan.”*

“Assessment Revenue” means monies collected by or on behalf of the City from any one or more of the following: (i) an Assessment levied against an Assessed Parcel, or Annual Installment payment thereof, including any interest on such Assessment or Annual Installment thereof during any period of delinquency, (ii) a Prepayment, and (iii) Foreclosure Proceeds. *In the Service and Assessment Plan, the Assessed Revenue is referred to as the “Phase #1 Assessment Revenues.” See “APPENDIX C – Form of Service and Assessment Plan.”*

“Assessment Roll” means the assessment roll attached as Appendix G to the Service and Assessment Plan or any other assessment roll in an amendment or supplement to the Service and Assessment Plan or in an Annual Service

Plan Update, showing the total amount of the Assessment against each Assessed Parcel relating to the Bonds Similarly Secured and the Phase #1 Improvements, as updated, modified, or amended from time to time in accordance with the terms of the Service and Assessment Plan and the PID Act. *In the Service and Assessment Plan, the Assessment Roll is referred to as the "Phase #1 Assessment Roll." See "APPENDIX C – Form of Service and Assessment Plan."*

"Assessments" means the aggregate assessments shown on the Assessment Roll. The singular of such term means the Assessment levied against an Assessed Parcel, including the portion to be paid for Administrative Expenses, as shown on the Assessment Roll, subject to reallocation upon the subdivision of an Assessed Parcel, or consolidation of multiple Assessed Parcels, or reduction according to the provisions of the Service and Assessment Plan and the PID Act.

"Delinquent Collection Costs" means the costs related to the foreclosure on an Assessed Parcel and the costs of collection of a delinquent Assessment in accordance with the PID Act, including penalties and reasonable attorney's fees actually paid, but excluding amounts representing interest and penalty interest.

"Foreclosure Proceeds" means the proceeds, including interest and penalty interest, received by the City from the enforcement of the Assessments against any Assessed Parcel(s), whether by foreclosure of lien or otherwise, but excluding and net of all Delinquent Collection Costs.

"Pledged Funds" means the Pledged Revenue Fund (excluding the Developer Reimbursement Pledged Revenue Account), the Bond Fund, the Project Fund, the Reserve Fund, and the Redemption Fund.

"Pledged Revenues" means the sum of (i) Assessment Revenue less the Administrative Expenses and (ii) any additional revenues that the City may pledge to the payment of Bonds Similarly Secured.

"Refunding Bonds" means bonds issued pursuant to the PID Act and/or Chapter 1207 of the Texas Government Code or any other applicable law of the State of Texas (each as amended) to refund all or any portion of the then Outstanding Bonds Similarly Secured.

"Trust Estate" means the Pledged Revenues and all moneys and investments held in the Pledged Funds, including any and all proceeds thereof and any contract or any evidence of indebtedness related thereto or other rights of the City to receive any of such moneys or investments, whether now existing or hereafter coming into existence, and whether now or hereafter acquired, and any and all other property or money of every name and nature which is, from time to time hereafter by delivery or by writing of any kind, conveyed, pledged, assigned or transferred to the Trustee as additional security under the Indenture by the City or by anyone on its behalf or with its written consent.

The PID Act provides that the Assessments (including any reassessment, with interest, the expense of collection and reasonable attorney's fees, if incurred) are a first and prior lien (the "Assessment Lien") against the Assessed Parcels, superior to all other liens or claims, except liens and claims for State, county, school district, municipality, or other political subdivisions of the State for ad valorem taxes and are a personal liability of and charge against the owners of property, regardless of whether the owners are named. Pursuant to the PID Act, the Assessment Lien was effective from the date of adoption of the Assessment Ordinance on April 11, 2023, until the Assessments are paid (or otherwise discharged) and is enforceable by the City Council in the same manner that an ad valorem property tax levied against real property may be enforced by the City Council. See "ASSESSMENT PROCEDURES."

### **Collection and Enforcement of Assessments**

For so long as any Bonds Similarly Secured are Outstanding, the City covenants, agrees and warrants that it will take and pursue all actions permissible under Applicable Laws to cause the Assessments to be collected and the liens thereof to be enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws, and, to the extent permitted by Applicable Laws, to cause no reduction, abatement or exemption in the Assessments. See "– Pledged Revenue Fund," "APPENDIX B – Form of Indenture," and "APPENDIX C – Form of Service and Assessment Plan."

The Assessments assessed to pay debt service on the Bonds Similarly Secured, including the Series 2024 Bonds and the Series 2023 Bonds, together with interest thereon, will be payable in Annual Installments established

by the Assessment Ordinance and the Service and Assessment Plan to correspond, as nearly as practicable, to the debt service requirements for the Bonds Similarly Secured. An Annual Installment of Assessments will be made payable in each Fiscal Year preceding the date of final maturity of the Bonds Similarly Secured which, if collected, will be sufficient to pay the portion of the debt service requirements attributable to Assessments in the Service and Assessment Plan. Each Annual Installment is payable as provided in the Service and Assessment Plan and the Assessment Ordinance.

The City will determine or cause to be determined, no later than February 15 of each year, whether or not any Annual Installment is delinquent and, if such delinquencies exist, the City will order and cause to be commenced as soon as practicable any and all appropriate and legally permissible actions to obtain such Annual Installment, and any delinquent charges and interest thereon, including diligently prosecuting an action in district court to foreclose the currently delinquent Annual Installment. Notwithstanding the foregoing, the City shall not be required under any circumstances to purchase or make payment for the purchase of the delinquent Assessment or the corresponding Assessed Property. Furthermore, nothing shall obligate the City, the City Attorney, or any appropriate designee to undertake collection or foreclosure actions against delinquent accounts in violation of applicable state law, court order, or existing contractual provisions between the City and its appropriate collections enforcement designees.

### **Unconditional Levy of Assessments**

The City has imposed the Assessments on the Assessed Property to pay the principal of and interest on the Bonds Similarly Secured scheduled for payment from the Trust Estate, as described in the Indenture and in the Service and Assessment Plan and coming due during each fiscal year. The Assessments became effective on the date of, and strictly in accordance with the terms of, the Assessment Ordinance on April 11, 2023. Each Assessment may be paid immediately in full or in periodic Annual Installments over a period of time equal to the term of the Bonds Similarly Secured, which installments shall include interest on the Assessments. Pursuant to the Assessment Ordinance, interest on the Assessments will be calculated at the rate of interest on the Bonds Similarly Secured plus up to 0.50%, calculated on the basis of a 360-day year of twelve 30-day months. Such rate may be adjusted as described in the Service and Assessment Plan. Each Annual Installment, including the interest on the unpaid amount of an Assessment, shall be calculated on or before September 1 and shall be due on October 1 of each year. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of the following year.

As authorized by Section 372.018(b) of the PID Act, the City will calculate and collect each year while the Bonds Similarly Secured are Outstanding and unpaid an assessment to pay the annual costs incurred by the City in the administration and operation of the District. The portion of each Annual Installment of an Assessment used to pay such annual costs shall remain in effect from year to year until all Bonds Similarly Secured are finally paid or until the City adjusts the amount of the levy after an annual review in any year pursuant to Section 372.013 of the PID Act. The portion of the Assessments to pay annual expenses shall be due in the manner set forth in the Assessment Ordinance on October 1 of each year and shall be delinquent if not paid by February 1 of the following year. Such portion of the Assessments to pay Administrative Expenses do not secure repayment of the Bonds Similarly Secured.

There will be no split payment or discount for the early payment of Assessments.

The PID Act provides that the Assessments (including any reassessment), with interest, the expense of collection and reasonable attorney's fees, if incurred, are a first and prior lien (the "Assessment Lien") against the Assessed Property, superior to all other liens and claims, except liens and claims for the State, county, school district, or municipality for ad valorem taxes and are a personal liability of and charge against the owners of property, regardless of whether the owners are named. Pursuant to the PID Act, the Assessment Lien is effective from the date of the Assessment Ordinance until the Assessments are paid (or otherwise discharged) and is enforceable by the City Council in the same manner that an ad valorem property tax levied against real property may be enforced by the City Council. See "ASSESSMENT PROCEDURES" herein.

The Assessment Lien is superior to any homestead rights of a property owner that were properly claimed after the adoption of the Assessment Ordinance. However, an Assessment Lien may not be foreclosed upon if any homestead rights of a property owner were properly claimed prior to the adoption of the Assessment Ordinance ("Pre-existing Homestead Rights") for as long as such rights are maintained on the property. See "BONDHOLDERS' RISKS

– Assessment Limitations.” There are currently no properties within Improvement Area #1 that have claimed a homestead exemption.

Failure to pay an Annual Installment when due shall not accelerate the payment of the remaining Annual Installments of the Assessments and such remaining Annual Installments (including interest) shall continue to be due and payable at the same time and in the same amount and manner as if such default had not occurred.

### **Perfect Security Interest**

The lien on and pledge of the Trust Estate to payment of the Series 2024 Bonds shall be valid and binding and fully perfected from and after the Closing Date, and execution and delivery of the 2024 Supplemental Indenture, without physical delivery or transfer of control of the Trust Estate, the filing of the Indenture or any other act, all as provided in Chapter 1208 of the Texas Government Code, as amended, which applies to the issuance of the Series 2024 Bonds and the pledge of the Trust Estate granted by the City under the Indenture, and such pledge is therefore valid, effective and perfected as of the Closing Date. If Texas law is amended at any time while the Series 2024 Bonds are Outstanding such that the pledge of the Trust Estate granted by the City under the Indenture is to be subject to the filing requirements of Chapter 9, Business and Commerce Code, then in order to preserve to the registered owners of the Series 2024 Bonds the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business and Commerce Code and enable a filing to perfect the security interest in said pledge to occur. See “APPENDIX B – Form of Indenture.”

### **Pledged Revenue Fund**

On or before February 15 of each year while the Bonds Similarly Secured are Outstanding, the City shall deposit or cause to be deposited the Pledged Revenues into the Pledged Revenue Fund. From amounts deposited into the Pledged Revenue Fund, the City shall deposit or cause to be deposited Pledged Revenues as follows: (i) first, to the Bond Pledged Revenue Account of the Pledged Revenue Fund in an amount sufficient to pay debt service on the Bonds Similarly Secured next coming due in such calendar year, (ii) second, to the Reserve Account of the Reserve Fund in an amount to cause the amount in the Reserve Account to equal the Reserve Account Requirement, in accordance with the provisions of the Indenture, (iii) third, to the Additional Interest Reserve Account of the Reserve Fund in an amount equal to the Additional Interest collected, if any, in accordance with the provisions of the Indenture, (iv) fourth, to pay Actual Costs of the Phase #1 Improvements, and (v) fifth, to pay other costs permitted by the PID Act.

From time to time as needed to pay the obligations relating to the Bonds Similarly Secured, but no later than five (5) Business Days before each Interest Payment Date, the Trustee shall withdraw from the Bond Pledged Revenue Account and transfer to the Principal and Interest Account of the Bond Fund, an amount, taking into account any amounts then on deposit in such Principal and Interest Account, such that the amount on deposit in the Principal and Interest Account equals the principal (including any Sinking Fund Installments) and interest due on the Bonds Similarly Secured on the next Interest Payment Date.

If, after the foregoing transfers and any transfer from the Reserve Fund as provided in the Indenture, there are insufficient funds to make the payments provided in the preceding paragraph, the Trustee shall apply the available funds in the Principal and Interest Account first, to the payment of interest and second, to the payment of principal (including any Sinking Fund Installments) on the Bonds Similarly Secured, as described in the Indenture.

Notwithstanding the deposits described in first through fifth above, the Trustee shall deposit Prepayments to the Pledged Revenue Fund and as soon as practicable after such deposit shall transfer such Prepayments to the Redemption Fund.

Notwithstanding the deposits described in first through fifth above, the Trustee shall deposit Foreclosure Proceeds to the Pledged Revenue Fund and as soon as practicable after such deposit shall transfer Foreclosure Proceeds first, to the Reserve Account to restore any transfers from the Reserve Account made with respect to the Assessed Parcel(s) to which the Foreclosure Proceeds relate, second, to the Additional Interest Reserve Account to restore any

transfers from the Additional Interest Reserve Account made with respect to the Assessed Parcel(s) to which the Foreclosure Proceeds relate, and third, to the Redemption Fund.

After satisfaction of the requirement to provide for the payment of the principal and interest on the Bonds Similarly Secured and to fund any deficiency that may exist in an account of the Reserve Fund, the City may direct the Trustee by City Certificate to apply Assessments for any lawful purposes permitted by the PID Act for which Assessments may be paid.

Any additional Pledged Revenues remaining after the satisfaction of the foregoing shall be applied by the Trustee, as instructed by the City pursuant to a City Certificate, for any lawful purpose permitted by the PID Act for which such additional Pledged Revenues may be used, including transfers to other Funds and Accounts created pursuant to the Indenture.

### **Bond Fund**

On each Interest Payment Date, the Trustee shall withdraw from the Principal and Interest Account and transfer to the Paying Agent/Registrar the principal (including any Sinking Fund Installments) and/or interest then due and payable on the Bonds Similarly Secured.

If amounts in the Principal and Interest Account are insufficient for the purposes set forth in the preceding paragraph, the Trustee shall withdraw from the Reserve Fund amounts to cover the amount of such insufficiency in the order described in the Reserve Fund provisions of the Indenture. Amounts so withdrawn from the Reserve Fund shall be deposited in the Principal and Interest Account and transferred to the Paying Agent/Registrar.

### **Project Fund**

Money on deposit in the Project Fund shall be used for the purposes as specified in the Indenture.

Disbursements from the Costs of Issuance Account of the Project Fund shall be made by the Trustee to pay costs of issuance of the Bonds Similarly Secured pursuant to one or more City Certificates. Disbursements from other Accounts of the Project Fund to pay Actual Costs of the Phase #1 Improvements shall be made by the Trustee upon receipt by the Trustee of either a properly executed and completed Certification for Payment or written direction from the City or its designee approving the disbursement to the Developer or the Developer's designee. The disbursement of funds from the Phase #1 Improvement Account pursuant to a Certification for Payment shall be pursuant to and in accordance with the disbursement procedures described in the PID Reimbursement Agreement.

If the City Representative determines in his or her sole discretion that amounts then on deposit in the Phase #1 Improvement Account of the Project Fund are not expected to be expended for purposes of such Account due to the abandonment, or constructive abandonment of the Phase #1 Improvements such that, in the opinion of the City Representative, it is unlikely that the amounts in the Phase #1 Improvement Account of the Project Fund will ever be expended for the purposes of such Account, the City Representative shall file a City Certificate with the Trustee which identifies the amounts then on deposit in the Phase #1 Improvement Account of the Project Fund that are not expected to be used for purposes of such Account. If such City Certificate is so filed, the amounts on deposit in the Phase #1 Improvement Account of the Project Fund shall be transferred to the Redemption Fund to redeem Bonds Similarly Secured on the earliest practicable date after notice of redemption has been provided in accordance with the Indenture.

Upon the filing of a City Certificate stating that all Phase #1 Improvements have been completed and that all Actual Costs of the Phase #1 Improvements have been paid, or that any such Actual Costs of the Phase #1 Improvements are not required to be paid from the Phase #1 Improvement Account of the Project Fund pursuant to a Certification for Payment, the Trustee (i) shall transfer the amount, if any, remaining within the Phase #1 Improvement Account of the Project Fund to the Bond Fund, and (ii) shall close the Phase #1 Improvement Account of the Project Fund. If the Phase #1 Improvements Account of the Project Fund has been closed as provided above and the Costs of Issuance Account of the Project Fund has been closed pursuant to the Indenture, then the Project Fund shall be closed.

Not later than six (6) months following each respective Closing Date, or upon a determination by the City Representative that all costs of issuance of a series of Bonds Similarly Secured have been paid, any amounts remaining in the Costs of Issuance Account shall be transferred to another Account of the Project Fund and used to pay Actual

Costs of the Phase #1 Improvements, or to the Principal and Interest Account of the Bond Fund and used to pay interest on the Bonds Similarly Secured, as directed by the City in a City Certificate filed with the Trustee, and the Costs of Issuance Account shall be closed.

### **Redemption Fund**

The Trustee shall cause to be deposited to the Redemption Fund from the Bond Pledged Revenue Account of the Pledged Revenue Fund an amount sufficient to redeem Bonds Similarly Secured as provided in the provisions of the Indenture relating to optional redemption and extraordinary optional redemption on the dates specified for redemption as provided in the Indenture. Amounts on deposit in the Redemption Fund shall be used and withdrawn by the Trustee to redeem Bonds Similarly Secured as provided in provisions of the Indenture relating to redemption.

### **Reserve Fund**

*Reserve Account.* The Indenture provides for the creation of a Reserve Account within the Reserve Fund for the benefit of the Bonds Similarly Secured and held by the Trustee which will be funded with proceeds of the Bonds Similarly Secured in the amount of the Reserve Account Requirement. Pursuant to the Indenture, the “Reserve Account Requirement” for the Bonds Similarly Secured, as of the date of issuance of the Series 2023 Bonds, shall be an amount equal to the least of (i) Maximum Annual Debt Service on the Series 2023 Bonds as of the Closing Date of the Series 2023 Bonds, (ii) 125% of average Annual Debt Service on the Series 2023 Bonds as of the Closing Date of the Series 2023 Bonds, or (iii) 10% of the lesser of the principal amount of the Outstanding Series 2023 Bonds or the original issue price of the Series 2023 Bonds. As of the Closing Date for the Series 2023 Bonds, the Reserve Account Requirement is \$1,121,465.00, which is an amount equal to the Maximum Annual Debt Service on the Series 2023 Bonds as of such date. Following the issuance of the Series 2024 Bonds, the Reserve Account Requirement is \$\_\_\_\_\_\* , in satisfaction of the provisions of the 2023 Indenture, as amended by the Supplemental Indenture. The Reserve Account Requirement shall be adjusted in accordance with the 2023 Indenture in the event an additional series of Bonds Similarly Secured is hereafter issued.

Whenever, on any Interest Payment Date, or on any other date at the written request of a City Representative, the amount in the Reserve Account exceeds the Reserve Account Requirement, the Trustee shall provide written notice to the City Representative of the amount of the excess. Such excess shall be transferred to the Principal and Interest Account to be used for the payment of debt service on the Bonds Similarly Secured on the next Interest Payment Date in accordance with the terms of the Indenture, unless within thirty days of such notice to the City Representative, the Trustee receives a City Certificate instructing the Trustee to apply such excess: (i) to pay rebate amounts due to the United States, (ii) to a specified Account of the Project Fund if such application and the expenditure of funds is expected to occur within three years of the date of the Indenture, or (iii) for such other use specified in such City Certificate, if the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that such alternate use will not adversely affect the exemption from federal income tax of the interest on any Bond Similarly Secured.

If, after a Reserve Fund withdrawal to cover an insufficiency in the Bond Fund, the amount on deposit in the Reserve Account of the Reserve Fund is less than the Reserve Account Requirement, the Trustee shall transfer from the Pledged Revenue Fund to the Reserve Account of the Reserve Fund the amount of such deficiency, in accordance with the provisions of the Indenture.

*Additional Interest Reserve Account.* The Indenture provides for the creation of an Additional Interest Reserve Account within the Reserve Fund, held by the Trustee, for the benefit of the Bonds Similarly Secured. The Additional Interest Account is funded from the deposit of Additional Interest up to the amount of the Additional Interest Account Requirement.

The Trustee, if needed, will transfer from the Bond Pledged Revenue Account of the Pledged Revenue Fund to the Additional Interest Reserve Account on March 1 and September 1 of each year an amount equal to the Additional Interest collected, if any, until the Additional Interest Reserve Requirement has been accumulated in the Additional Interest Reserve Account. If the amount on deposit in the Additional Interest Reserve Account shall at any time be less than the Additional Interest Reserve Requirement, the Trustee shall notify the City, in writing, of the amount of such shortfall, and the City shall resume collecting the Additional Interest and shall file a City Certificate with the Trustee instructing the Trustee to resume depositing the Additional Interest from the Bond Pledged Revenue Account

\* To be completed upon pricing of the Bonds.

of the Pledged Revenue Fund into the Additional Interest Reserve Account until the Additional Interest Reserve Requirement has been accumulated in the Additional Interest Reserve Account; provided, however, that the City shall not be required to replenish the Additional Interest Reserve Account in the event funds are transferred from the Additional Interest Reserve Account to the Redemption Fund as a result of an extraordinary optional redemption of Bonds Similarly Secured from the proceeds of a Prepayment pursuant to the Indenture. In the event the amount on deposit in the Additional Interest Reserve Account is less than the Additional Interest Reserve Requirement then the deposits described in the immediately preceding sentence shall continue until the Additional Interest Reserve Account has been fully replenished. If, after such deposits, there is surplus Additional Interest remaining, the Trustee shall transfer such surplus Additional Interest to the Redemption Fund and shall notify the City of such transfer in writing. In calculating the amounts to be transferred, the Trustee may conclusively rely on the Annual Installments as shown on the Assessment Roll in the Service and Assessment Plan or an Annual Service Plan Update unless and until it receives a City Certificate directing that a different amount be used.

*Application of Accounts within Reserve Fund.* If, on any Interest Payment Date, the amount on deposit in the Bond Fund is insufficient to pay the debt service on the Bonds Similarly Secured due on such date, the Trustee shall transfer first, from the Additional Interest Reserve Account of the Reserve Fund to the Bond Fund, and second, from the Reserve Account of the Reserve Fund to the Bond Fund the amount necessary to cure such deficiency.

Whenever Bonds Similarly Secured are to be redeemed with the proceeds of Prepayments pursuant to the Indenture, the Trustee shall transfer on the Business Day prior to the redemption date (or on such other date as agreed to by the City and the Trustee), from the Reserve Account of the Reserve Fund to the Redemption Fund, an amount specified in a City Certificate, to be applied to the redemption of the Bonds Similarly Secured. The amount so transferred from the Reserve Account of the Reserve Fund shall be equal to the principal amount of Bonds Similarly Secured to be redeemed with Prepayments multiplied by the lesser of: (i) the amount required to be in the Reserve Account of the Reserve Fund divided by the principal amount of Outstanding Bonds Similarly Secured prior to the redemption, and (ii) the amount actually in the Reserve Account of the Reserve Fund divided by the principal amount of Outstanding Bonds Similarly Secured prior to the redemption. If after such transfer, and after applying investment earnings on the Prepayments toward payment of accrued interest, there are insufficient funds in the Redemption Fund to pay the principal amount plus accrued and unpaid interest to the date fixed for redemption of the Bonds Similarly Secured to be redeemed, as identified in a City Certificate as a result of such Prepayments and as a result of the transfer from the Reserve Account under the Indenture, the Trustee shall transfer an amount equal to the shortfall, and/or any additional amounts necessary to permit the Bonds Similarly Secured to be redeemed in minimum principal amounts of \$1,000, from the Additional Interest Reserve Account to the Redemption Fund to be applied to the redemption of the Bonds Similarly Secured.

At the final maturity of the Bonds Similarly Secured, the amount on deposit in the Reserve Account and the Additional Interest Reserve Account shall be transferred to the Principal and Interest Account of the Bond Fund and applied to the payment of the principal of the Bonds Similarly Secured.

If, after a Reserve Account withdrawal pursuant to the Indenture, the amount on deposit in the Reserve Account of the Reserve Fund is less than the Reserve Account Requirement, the Trustee shall transfer from the Pledged Revenue Fund to the Reserve Account of the Reserve Fund the amount of such deficiency, in accordance with the Indenture.

### **Administrative Fund**

The City shall deposit or cause to be deposited to the District Administration Account of the Administrative Fund the amounts collected each year to pay Administrative Expenses and Delinquent Collection Costs. Moneys in the District Administration Account of the Administrative Fund shall be held by the Trustee separate and apart from the other Funds and Accounts created and administered hereunder and used as directed by a City Certificate solely for the purposes set forth in the Service and Assessment Plan. See “APPENDIX C – Form of Service and Assessment Plan.”

**THE ADMINISTRATIVE FUND SHALL NOT BE PART OF THE TRUST ESTATE AND SHALL NOT BE SECURITY FOR THE BONDS SIMILARLY SECURED.**

## **Bonds Similarly Secured Deemed Paid**

All Outstanding Bonds Similarly Secured shall prior to the Stated Maturity or redemption date thereof be deemed to have been paid and to no longer be deemed Outstanding if (i) in case any such Bonds Similarly Secured are to be redeemed on any date prior to their Stated Maturity, the Trustee shall have given notice of redemption on said date as provided in the Indenture, (ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Defeasance Securities the principal of and the interest on which when due will provide moneys which, together with any moneys deposited with the Trustee for such purpose, shall be sufficient to pay when due the principal of and interest on the Bonds Similarly Secured to become due on such Bonds Similarly Secured on and prior to the redemption date or maturity date thereof, as the case may be, (iii) the Trustee shall have received a report by an independent certified public accountant or other authorized third-party selected by the City verifying the sufficiency of the moneys and/or Defeasance Securities deposited with the Trustee to pay when due the principal of and interest on the Bonds Similarly Secured to become due on such Bonds Similarly Secured on and prior to the redemption date or maturity date thereof, as the case may be, and (iv) if any Bonds Similarly Secured are then rated, the Trustee shall have received written confirmation from each rating agency then publishing a rating on such Bonds Similarly Secured that such deposit will not result in the reduction or withdrawal of the rating on such Bonds Similarly Secured. Neither Defeasance Securities nor moneys deposited with the Trustee pursuant to the Indenture nor principal or interest payments on any such Defeasance Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on the Bonds Similarly Secured. Any cash received from such principal of and interest on such Defeasance Securities deposited with the Trustee, if not then needed for such purpose, shall, be reinvested in Defeasance Securities as directed in writing by the City maturing at times and in amounts sufficient to pay when due the principal of and interest on the Bonds Similarly Secured on and prior to such redemption date or maturity date thereof, as the case may be. Any payment for Defeasance Securities purchased for the purpose of reinvesting cash as aforesaid shall be made only against delivery of such Defeasance Securities.

“Defeasance Securities” means Investment Securities then authorized by applicable law for the investment of funds to defease public securities. “Investment Securities” means those authorized investments described in the Public Funds Investment Act, Chapter 2256, Texas Government Code, as amended; and provided further investments are, at the time made, included in and authorized by the City’s official investment policy as approved by the City Council from time to time. Under current State law, Investment Securities that are authorized for the investment of funds to defease public securities are (a) direct, noncallable obligations of the United States of America, including obligations that are unconditionally guaranteed by the United States of America; (b) noncallable obligations of an agency or instrumentality of the United States, including obligations that are unconditionally guaranteed or insured by the agency or instrumentality, and that, on the date the governing body of the City adopts or approves the proceedings authorizing the issuance of refunding bonds, are rated as to investment quality by a nationally recognized investment rating firm not less than “AAA” or its equivalent; and (c) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on the date the governing body of the City adopts or approves the proceedings authorizing the issuance of refunding bonds, are rated as to investment quality by a nationally recognized investment rating firm not less than “AAA” or its equivalent.

There is no assurance that the current law will not be changed in a manner which would permit investments other than those described above to be made with amounts deposited to defease the Bonds Similarly Secured. Because the Indenture does not contractually limit such investments, Owners may be deemed to have consented to defeasance with such other investments, notwithstanding the fact that such investments may not be of the same investment quality as those currently permitted under State law.

## **Events of Default**

Each of the following occurrences or events constitutes an “Event of Default” under the Indenture:

(i) The failure of the City to deposit the Pledged Revenues to the Bond Pledged Revenue Account of the Pledged Revenue Fund;

(ii) The failure of the City to enforce the collection of the Assessments including the prosecution of foreclosure proceedings;

(iii) The failure to make payment of the principal of or interest on any of the Bonds Similarly Secured when the same becomes due and payable and such failure is not remedied within thirty (30) days; provided, however, that the payments are to be made only from Pledged Revenues or other funds currently available in the Pledged Funds and available to the City to make the payments; and

(iv) Default in the performance or observance of any covenant, agreement or obligation of the City under the Indenture and the continuation thereof for a period of ninety (90) days after written notice to the City by the Trustee, or by the Owners of at least twenty-five percent (25%) of the aggregate Outstanding principal of the Bonds Similarly Secured with a copy to the Trustee, specifying such default and requesting that the failure be remedied.

Nothing described above will be an Event of Default if it is in violation of any applicable state law or court order.

### **Remedies in Event of Default or Immediate Remedies for Default**

Subject to the limitations on liability of the City provided within the Indenture, upon the happening and continuance of any of the Events of Default described above, the Trustee may, and at the written direction of the Owners of at least 25% of the Bonds Similarly Secured then Outstanding and its receipt of indemnity satisfactory to it, shall proceed against the City for the purpose of protecting and enforcing the rights of the Owners under the Indenture, by action seeking mandamus or by other suit, action, or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief to the extent permitted by Applicable Laws, including, but not limited to, the specific performance of any covenant or agreement contained in the Indenture, or injunction; provided, however, that no action for money damages against the City may be sought or shall be permitted. The Trustee retains the right to obtain the advice of counsel in its exercise of remedies of default.

THE PRINCIPAL OF THE BONDS SIMILARLY SECURED SHALL NOT BE SUBJECT TO ACCELERATION UNDER ANY CIRCUMSTANCES.

If the assets of the Trust Estate are sufficient to pay all amounts due with respect to all Outstanding Bonds Similarly Secured, in the selection of Trust Estate assets to be used in the payment of Bonds Similarly Secured due, the City shall determine, in its absolute discretion, and shall instruct the Trustee by City Certificate, which Trust Estate assets shall be applied to such payment and shall not be liable to any Owner or other Person by reason of such selection and application. In the event that the City shall fail to deliver to the Trustee such City Certificate, the Trustee shall select and liquidate or sell Trust Estate assets as provided in the following paragraph, and shall not be liable to any Owner, or other Person, or the City by reason of such selection, liquidation or sale.

Whenever moneys are to be applied pursuant to the Indenture, irrespective of and whether other remedies authorized under the Indenture shall have been pursued in whole or in part, the Trustee may cause any or all of the assets of the Trust Estate, including Investment Securities, to be sold. The Trustee may so sell the assets of the Trust Estate and all right, title, interest, claim and demand thereto and the right of redemption thereof, in one or more parts, at any such place or places, and at such time or times and upon such notice and terms as the Trustee may deem appropriate and as may be required by law and apply the proceeds thereof in accordance with the provisions of the Indenture. Upon such sale, the Trustee may make and deliver to the purchaser or purchasers a good and sufficient assignment or conveyance for the same, which sale shall be a perpetual bar both at law and in equity against the City, and all other Persons claiming such properties. No purchaser at any sale shall be bound to see to the application of the purchase money proceeds thereof or to inquire as to the authorization, necessity, expediency, or regularity of any such sale. Nevertheless, if so requested by the Trustee, the City shall ratify and confirm any sale or sales by executing and delivering to the Trustee or to such purchaser or purchasers all such instruments as may be necessary or, in the judgment of the Trustee, proper for the purpose which may be designated in such request.

### **Restriction on Owner's Actions**

No Owner shall have any right to institute any action, suit or proceeding at law or in equity for the enforcement of the Indenture or for the execution of any trust thereof or any other remedy under the Indenture, unless (i) a default has occurred and is continuing of which the Trustee has been notified in writing, (ii) such default has become an Event of Default and the Owners of not less than 25% of the aggregate principal amount of the Bonds

Similarly Secured then Outstanding have made written request to the Trustee and offered it reasonable opportunity either to proceed to exercise the powers granted or to institute such action, suit or proceeding in its own name, (iii) the Owners have furnished to the Trustee indemnity as provided in the Indenture, (iv) the Trustee has for ninety (90) days after such notice failed or refused to exercise the powers granted, or to institute such action, suit, or proceeding in its own name, (v) no direction inconsistent with such written request has been given to the Trustee during such 90-day period by the Owners of at least a majority of the aggregate principal amount of the Bonds Similarly Secured then Outstanding, and (vi) notice of such action, suit, or proceeding is given to the Trustee; however, no one or more Owners of the Bonds Similarly Secured shall have any right in any manner whatsoever to affect, disturb, or prejudice the Indenture by its, his or their action or to enforce any right under the Indenture except in the manner provided in the Indenture, and that all proceedings at law or in equity shall be instituted and maintained in the manner provided in the Indenture and for the equal benefit of the Owners of all Bonds Similarly Secured then Outstanding. The notification, request and furnishing of indemnity set forth above shall, at the option of the Trustee, be conditions precedent to the execution of the powers and trusts of the Indenture and to any action or cause of action for the enforcement of the Indenture or for any other remedy under the Indenture.

Subject to provisions of the Indenture with respect to certain liabilities of the City, nothing in the Indenture shall affect or impair the right of any Owner to enforce, by action at law, payment of any Bond Similarly Secured at and after the maturity thereof, or on the date fixed for redemption or the obligation of the City to pay each Bond Similarly Secured issued under the Indenture to the respective Owners thereof at the time and place, from the source and in the manner expressed in the Indenture and in the Bonds Similarly Secured.

In case the Trustee or any Owners shall have proceeded to enforce any right under the Indenture and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or any Owners, then and in every such case the City, the Trustee and the Owners shall be restored to their former positions and rights under the Indenture, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

#### **Application of Revenues and Other Monies After Default**

All moneys, securities, funds and Pledged Revenues and other assets of the Trust Estate and the income therefrom received by the Trustee pursuant to any right given or action taken under the provisions of the Indenture related to Events of Default shall, after payment of the cost and expenses of the proceedings resulting in the collection of such amounts, the expenses (including its counsel), liabilities, and advances incurred or made by the Trustee and the fees of the Trustee in carrying out the Indenture, during the continuance of an Event of Default, notwithstanding other provisions of the Indenture, shall be applied by the Trustee, on behalf of the City, to the payment of interest and principal or Redemption Price then due on Bonds Similarly Secured, as follows:

FIRST: To the payment to the Owners entitled thereto all installments of interest then due in the direct order of maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the Owners entitled thereto, without any discrimination or preference; and

SECOND: To the payment to the Owners entitled thereto of the unpaid principal of Outstanding Bonds Similarly Secured, or Redemption Price of any Bonds Similarly Secured which shall have become due, whether at maturity or by call for redemption, in the direct order of their due dates and, if the amounts available shall not be sufficient to pay in full all the Bonds Similarly Secured due on any date, then to the payment thereof ratably, according to the amounts of principal due and to the Owners entitled thereto, without any discrimination or preference.

Within ten (10) days of receipt of such good and available funds, the Trustee may fix a record and payment date for any payment to be made to Owners.

In the event funds are not adequate to cure any of the Events of Default, the available funds shall be allocated to the Bonds Similarly Secured that are Outstanding in proportion to the quantity of Bonds Similarly Secured that are currently due and in default under the terms of the Indenture.

The restoration of the City to its prior position after any and all defaults have been cured shall not extend to or affect any subsequent default under the Indenture or impair any right consequent thereon.

## **Investment of Funds**

Money in any Fund or Account established pursuant to the Indenture shall be invested by the Trustee as directed by the City pursuant to a City Certificate filed with the Trustee at least two (2) days in advance of the making of such investment. The money in any Fund or Account shall be invested in time deposits or certificates of deposit secured in the manner required by law for public funds, or be invested in direct obligations of, including obligations the principal and interest on which are unconditionally guaranteed by, the United States of America, in obligations of any agencies or instrumentalities thereof, or in such other investments as are permitted under the Public Funds Investment Act, Texas Government Code, Chapter 2256, as amended, or any successor law, as in effect from time to time; provided that all such deposits and investments shall be made in such manner (which may include repurchase agreements for such investment with any primary dealer of such agreements) that the money required to be expended from any Fund will be available at the proper time or times. Notwithstanding the preceding sentence, amounts in the Additional Interest Reserve Account may not be invested above the Yield (as defined in the Indenture) on the Bonds Similarly Secured, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that such investment and/or the failure to comply with such yield restriction will not adversely affect the exemption from federal income tax of the interest on any Bond Similarly Secured. Investments shall be valued each year in terms of current market value as of September 30. For purposes of maximizing investment returns, to the extent permitted by law, money in such Funds or Accounts may be invested in common investments of any of the kinds described above, or in a common pool of any such investments, which shall be kept and held at an official depository bank and which shall not be deemed to be or constitute a commingling of such money or funds, provided that safekeeping receipts or certificates of participation clearly evidencing the investment or investment pool in which such money is invested and the share thereof purchased with such money or owned by such Fund or Account are held by or on behalf of each such Fund or Account. If necessary, such investments shall be promptly sold to prevent any default.

Obligations purchased as an investment of moneys in any Fund or Account shall be deemed to be part of such Fund or Account, subject, however, to the requirements of the Indenture for transfer of interest earnings and profits resulting from investment of amounts in Funds and Accounts. Whenever in the Indenture any moneys are required to be transferred by the City to the Trustee, such transfer may be accomplished by transferring a like amount of Investment Securities.

## **Against Encumbrances**

Other than Refunding Bonds, the City shall not create and, to the extent Pledged Revenues are received, shall not suffer to remain, any lien, encumbrance, or charge upon the Trust Estate, or upon any other property pledged under the Indenture, except the pledge created for the security of the Bonds Similarly Secured, and other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds Similarly Secured.

So long as Bonds Similarly Secured are Outstanding under the Indenture, and except as set forth in the Indenture, the City shall not issue any bonds, notes or other evidences of indebtedness other than the Bonds Similarly Secured and Refunding Bonds, if any, secured by any pledge of or other lien or charge on the Trust Estate or other property pledged under the Indenture, except for other indebtedness incurred in compliance with the Indenture.

## **Additional Obligations or Other Liens; Additional Bonds**

The City reserves the right, subject to the provisions contained in the Indenture, to issue Additional Obligations under indentures other than the Indenture, assessment ordinances, or similar agreements or other obligations which do not constitute or create a lien on the Trust Estate and are not payable from Pledged Revenues. Additionally, the City has reserved the right to issue bonds or other obligations secured by and payable from Pledged Revenues so long as such pledge is subordinate to the pledge of Pledged Revenues securing payment of the Bonds Similarly Secured.

Other than Refunding Bonds issued to refund all or a portion of the Bonds Similarly Secured or Additional Bonds issued in accordance with the Indenture, the City will not create or voluntarily permit to be created any debt, lien or charge on the Trust Estate, and will not do or omit to do or suffer to be or omit to be done any matter or things whatsoever whereby the lien of the Indenture or the priority thereof might or could be lost or impaired.

The requirements of the Indenture for the issuance of the Additional Bonds have been met, prior to the issuance of the Series 2024 Bonds. The City does not anticipate issuing any Additional Bonds, other than the Series 2024 Bonds.

**OVERLAPPING TAXES AND DEBT**

The land within Phase #1 of the District has been, and is expected to continue to be, subject to taxes and assessments imposed by taxing entities other than the City. Such taxes are payable in addition to the Assessments.

In addition to the City, Prosper ISD and Denton County may each levy ad valorem taxes upon land in Phase #1 of the District for payment of debt incurred by such governmental entities and/or for payment of maintenance and operations expenses. The City has no control over the level of ad valorem taxes or assessments levied by such other taxing authorities. The following table reflects the overlapping ad valorem tax rates currently levied on property located in Phase #1 of the District and the estimated average Annual Installment of the Assessments as an equivalent tax rate. The District is located entirely within the City and Denton County.

**Homeowners’ Association Dues**

In addition to paying Assessments related to the Bonds Similarly Secured, each lot owner in Phase #1 will pay a property owner’s association fee to a homeowners’ association (the “HOA”), currently in the amount of \$1,776 per year for single family homes and \$5,256 per year for townhomes.

**ASSESSMENT PROCEDURES**

**General**

As required by the PID Act, when the City determined to defray a portion of the costs of the Phase #1 Improvements through Assessments, it adopted a resolution generally describing the Phase #1 Improvements and the land within Phase #1 to be subject to Assessments to pay the costs therefor. The City caused the Assessment Roll to be prepared and attached to the Service and Assessment Plan, which Assessment Roll shows the Assessed Property, the amount of the benefit to and the Assessment against each Assessed Parcel, and the number of Annual Installments into which the Assessment is divided.

Statutory notice was given to the owners of the property to be assessed and a public hearing was conducted to hear testimony from affected property owners as to the propriety and advisability of undertaking the Phase #1 Improvements and funding the same with the Assessments. The City adopted the Assessment Ordinance on April 11, 2023. After such adoption, the Assessments became legal, valid, and binding liens upon the Assessed Property. The Assessment Roll was filed with the City Secretary and made available for public inspection.

In accordance with the PID Act and in connection with the issuance of the Series 2024 Bonds, the City intends to adopt an updated Service and Assessment Plan on November 12, 2024, which will provide for the allocation of Pledged Revenues for payment of principal of, premium, if any, and interest on the Bonds Similarly Secured, and will update the Assessment Roll to reflect the actual interest rate on the Series 2024 Bonds, as well as the additional interest collected pursuant to Section 372.018(a) of the PID Act.

Under the PID Act, the costs of Phase #1 Improvements may be assessed by the City against the Assessed Property so long as the special benefit conferred upon the Assessed Property by the Phase #1 Improvements equals or exceeds the Assessments. The costs of the Phase #1 Improvements may be assessed using any methodology that results in the imposition of equal shares of cost on Assessed Property similarly benefited. The allocation of benefits

and assessments to the benefitted land within Phase #1 is presented in the Service and Assessment Plan, which should be read in its entirety. See “APPENDIX C – Form of Service and Assessment Plan.”

**Assessment Methodology**

The Service and Assessment Plan describes the special benefit to be received by each parcel of Assessed Property in Phase #1 as a result of the Phase #1 Improvements, provides the basis and justification for the determination that such special benefit exceeds the Assessments being levied, and establishes the methodology by which the City allocates the benefit of the Phase #1 Improvements in a manner that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited.

As described in the Service and Assessment Plan and “SECURITY FOR THE BONDS SIMILARLY SECURED,” a portion of the costs of the Phase #1 Improvements is being funded with proceeds of the Series 2024 Bonds, which are payable from and secured by Pledged Revenues and other funds comprising the Trust Estate.

*Assessment Methodology for the Phase #1 Improvements.* As set forth in the Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #1 Improvements being financed with the Bonds Similarly Secured by spreading the entire Assessment across the Assessed Parcels based on the estimated number of Equivalent Units (defined in the Service and Assessment Plan) anticipated to be developed on each Assessed Parcel. Equivalent Units are calculated, as to any Assessed Parcel, based on the number of dwelling units by lot type expected to be built on the Assessed Parcel multiplied by the factors calculated and shown in Appendix F to the Service and Assessment Plan. See “APPENDIX C – Form of Service and Assessment Plan.”

Based on the Budgeted Costs of the Phase #1 Improvements, the City Council determined that the benefit to the Assessed Property of the Phase #1 Improvements is at least equal to the Assessments levied on the Assessed Property.

Upon subsequent divisions of any Assessed Parcel, the Assessment applicable to it is apportioned pro rata based on the estimated Equivalent Units of each newly created Assessed Parcel. For residential lots, when final residential building sites are platted, Assessments are apportioned proportionately among each Assessed Parcel based on the ratio of the estimated Equivalent Units at the time residential lots are platted to the total estimated Equivalent Units of lots in the platted Assessed Parcel, as determined by the Administrator and confirmed by the City Council in an Annual Service Plan Update.

The Assessment and Annual Installments for each Assessed Parcel or lot located within Phase #1 is shown on the Assessment Roll, attached as Appendix G to the Service and Assessment Plan, and no Assessment shall be changed except as authorized by the Service and Assessment Plan or the PID Act. See “APPENDIX C – Form of Service and Assessment Plan.”

The following table provides the projected Assessments, upon issuance of the Series 2024 Bonds, per unit, by lot type, for each unit of Assessed Property within Phase #1.

**Assessment Per Unit – Phase #1\***

Type	Planned No. of Units	Assessment			Total Assessments
		per Equivalent Unit	Equivalent Unit Factor	Assessment per Unit

<sup>(1)</sup> Estimated Lot prices are ninety percent (90%) of the contract prices in the Lot Purchase and Sale Agreements executed in 2021. In addition, Bloomfield Homes' contract (for 60' lots) includes a reduced lot price due to its commitment to purchase lots in all future phases of the Development.

<sup>(2)</sup> Estimated Buildout Value used in the Service and Assessment Plan adopted in connection with the issuance of the Series 2023 Bonds and approval of the PID Reimbursement Agreement.

**Mandatory Prepayment.** If a Parcel of Assessed Property is transferred to a party that is exempt from the payment of the Assessment under applicable law, or if an owner causes an Assessed Parcel to become Non-Benefited Property (defined in the Service and Assessment Plan), the owner of such Assessed Parcel shall pay to the City the full amount of the principal portion of the Assessment on such Assessed Parcel, plus all costs of Prepayment, prior to any such transfer or act. If at any time the Assessment per unit on an Assessed Parcel exceeds the applicable Maximum Assessment per Unit shown in the Service and Assessment Plan as a result of any changes in land use, subdivision, consolidation, or reallocation of the Assessment authorized by the Service and Assessment Plan and initiated by the owner of the Assessed Parcel, then such owner shall pay to the City prior to the recordation of the document subdividing the Assessed Parcel the amount calculated by the Administrator by which the Assessment per Unit for the Assessed Parcel exceeds the applicable Maximum Assessment per Unit calculated in the Service and Assessment Plan. The payments required above shall be treated the same as any Assessment that is due and owing under the PID Act, the Assessment Ordinance, and the Service and Assessment Plan, including the same lien priority, penalties, procedures, and foreclosure specified by the PID Act.

**Reduction of Assessments.** If after all Phase #1 Improvements to be funded with a series of Bonds Similarly Secured have been completed and the Actual Costs for such Phase #1 Improvements are less than the budgeted costs of the Phase #1 Improvements used to calculate the Assessments securing such series of Bonds Similarly Secured, resulting in excess proceeds being available to redeem Bonds Similarly Secured and such excess proceeds are applied to redeem Bonds Similarly Secured, then the Assessment securing such series of Bonds Similarly Secured for each Assessed Parcel shall be reduced by the City Council pro rata such that the sum of the resulting reduced Assessments for all Assessed Properties equals the reduced Actual Costs. The Assessments shall not be reduced to an amount less than the related outstanding series of Bonds Similarly Secured. If all of the Phase #1 Improvements are not completed, the City may reduce the Assessments in another method if it determines such method would better reflect the benefit received by the Assessed Parcels from the Phase #1 Improvements completed.

Similarly, if all the Phase #1 Improvements are not undertaken, resulting in excess proceeds being available to redeem Bonds Similarly Secured and such excess proceeds are applied to redeem Bonds Similarly Secured, as provided in the Indenture, then the Assessments and Annual Installments for each Assessed Parcel shall be appropriately reduced by the City Council to reflect only the amounts required to repay the Bonds Similarly Secured, including interest (including Additional Interest) on the Bonds Similarly Secured and Administrative Expenses. The City Council may reduce the Assessments and the Annual Installments for each Assessed Parcel (i) in an amount that represents the Phase #1 Improvements provided for each Assessed Parcel, or (ii) by an equal percentage calculated based on number of Equivalent Units, if determined by the City Council to be the most fair and practical means of

reducing the Assessments for each Assessed Parcel, such that the sum of the resulting reduced Assessments equals the amount required to repay the Bonds Similarly Secured, including interest on the Bonds Similarly Secured and Administrative Expenses. The principal portion of the Assessment for each Assessed Parcel shall be reduced pro rata to the reduction in the Assessments for each Assessed Parcel such that the sum of the resulting reduced principal portion of the Bonds Similarly Secured is equal to the outstanding principal amount of the Bonds Similarly Secured.

## Collection of Assessments

Under the PID Act, the Annual Installments may be collected in the same manner and at the same time as ad valorem taxes of the City. The Assessments may be enforced by the City in the same manner that an ad valorem tax lien against real property is enforced. Delinquent installments of the Assessments incur interest, penalties and attorney's fees in the same manner as delinquent ad valorem taxes. Under the PID Act, the Assessment Lien is a first and prior lien against the property assessed, superior to all other liens and claims except liens or claims for State, county, school district or municipality ad valorem taxes. See "BONDHOLDERS' RISKS – Assessment Limitations."

The City covenants in the Indenture to collect, or cause to be collected, Assessments as provided in the Assessment Ordinance. No less frequently than annually, City staff or a designee of the City shall prepare, and the City Council shall approve, an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include an updated Assessment Roll and a calculation of the Annual Installment for each Assessed Property. Administrative Expenses shall be allocated among all Assessed Properties in proportion to the amount of the Annual Installments for the Parcels.

The City covenants, agrees, and warrants in the Indenture that, for so long as any Bonds Similarly Secured are Outstanding, that it will take and pursue all actions permissible under applicable laws to cause the Assessments to be collected and the liens thereof to be enforced continuously, in the manner and to the maximum extent permitted by applicable laws, and, to the extent permitted by Applicable Laws, to cause no reduction, abatement, or exemption in the Assessments.

To the extent permitted by law, notice of the Annual Installments will be sent by, or on behalf of the City, to the affected property owners on the same statement or such other mechanism that is used by the City, so that such Annual Installments are collected simultaneously with ad valorem taxes and shall be subject to the same penalties, procedures, and foreclosure sale in case of delinquencies as are provided for ad valorem taxes of the City.

The City will determine or cause to be determined, no later than February 15 of each year, whether or not any Annual Installment is delinquent and, if such delinquencies exist, the City will order and cause to be commenced as soon as practicable any and all appropriate and legally permissible actions to obtain such Annual Installment, and any delinquent charges and interest thereon, including diligently prosecuting an action in district court to foreclose the currently delinquent Annual Installment. Notwithstanding the foregoing, the City shall not be required under any circumstances to purchase or make payment for the purchase of the delinquent Assessment or the corresponding Assessed Property. Furthermore, nothing shall obligate the City, the City Attorney, or any appropriate designee to undertake collection or foreclosure actions against delinquent accounts in violation of applicable state law, court order, or existing contractual provisions between the City and its appropriate collections enforcement designees.

The City expects to generally implement the basic timeline and procedures for collection of Assessments and pursuit of delinquencies set forth in Exhibit D to the Continuing Disclosure Agreement of Issuer set forth in Appendix E-1 and to comply therewith to that the extent the City reasonably determines that such compliance is the most appropriate timeline and procedures for enforcing the payment of delinquent Assessments.

THE REMAINDER OF THIS PAGE IS LEFT BLANK INTENTIONALLY.

Annual Installments will be paid to the City or its agent. Annual Installments are due on or about October 1 of each year and become delinquent on February 1 of the following year. In the event Assessments are not timely paid, there are penalties and interest as set forth below:

<u>Date Payment Received</u>	<u>Cumulative Penalty</u>	<u>Cumulative Interest</u>	<u>Total</u>
February	6%	1%	7%
March	7%	2%	9%
April	8%	3%	11%
May	9%	4%	13%
June	10%	5%	15%
July	12%	6%	18%

After July, the penalty remains at twelve percent (12%), and interest increases at the rate of one percent (1%) each month. In addition, if an account is delinquent in July, a twenty percent (20%) attorney’s collection fee may be added to the total penalty and interest charge. In general, property subject to lien may be sold, in whole or in parcels, pursuant to court order to collect the amounts due. An automatic stay by creditors or other entities, including governmental units, could prevent governmental units from foreclosing on property and prevents liens for post-petition taxes from attaching to property and obtaining secured creditor status unless, in either case, an order lifting the stay is obtained from the bankruptcy court. In most cases, post-petition Assessments are paid as an administrative expense of the estate in bankruptcy or by order of the bankruptcy court.

**Assessment Amounts**

*Assessment Amounts.* The maximum amounts of the Assessments were established by the methodology described in the Service and Assessment Plan. The updated Assessment Roll will set forth for each year the Annual Installment for each Assessed Property, upon issuance of the Series 2024 Bonds, consisting of (i) the annual portion allocable to the payment of principal of and interest on the Bonds Similarly Secured, (ii) the portion of the Annual Installment to fund the Additional Interest Reserve, and (iii) the portion of the Annual Installment allocable to Administrative Expenses. The Annual Installments for Phase #1 will be determined annually during the Annual Service Plan Update. The Assessments were levied against the parcels comprising the Assessed Property and are anticipated to be collected as indicated on the updated Assessment Roll. See “APPENDIX C – Form of Service and Assessment Plan.”

The Annual Installments shown on the updated Assessment Roll will be reduced to equal the actual costs of repaying the Bonds Similarly Secured (which amount will include the Additional Interest of the interest costs), and actual Administrative Expenses, taking into consideration any other available funds for these costs, such as interest income on account balances.

*Method of Apportionment of Assessments.* For purposes of the Service and Assessment Plan, the City Council determined that the Assessments should be allocated to the Assessed Property based on the ratio of estimated Equivalent Units anticipated to be developed on each Assessed Property to estimated Equivalent Units of all Assessed Property.

As the existing Assessed Parcels are subsequently divided, the Assessments are further apportioned pro rata based on the estimated number of Equivalent Units of the newly created Assessed Parcels. See “– Assessment Methodology” and “APPENDIX C – Form of Service and Assessment Plan.”

The Bonds Similarly Secured, including the Series 2023 Bonds and the Series 2024 Bonds, are secured by a first lien on and pledge of the Trust Estate, consisting primarily of the Assessments. See “SECURITY FOR THE BONDS SIMILARLY SECURED” and “APPENDIX C – Form of Service and Assessment Plan.”

Lot Type 5 (Townhomes)	68	\$72,000	\$374,000	\$32,149.24	2.24	11.63

\* Preliminary, subject to change.

<sup>(1)</sup> Estimated Lot prices are ninety percent (90%) of the contract prices in the Lot Purchase and Sale Agreements executed in 2021. In addition, Bloomfield Homes' contract (for 60' lots) includes a reduced lot price due to its commitment to purchase lots in all future phases of the Development.

<sup>(2)</sup> Based on the Estimated Buildout Values used in the Service and Assessment Plan adopted in connection with the issuance of the Series 2023 Bonds and approval of the Improvement Area #1 Reimbursement Agreement.

#### Prepayment of Assessments

The owner of any Assessed Property may pay the entire Assessment levied against such Assessed Property, together with accrued interest to the date of payment, at any time.

#### Priority of Lien

The Assessments or any reassessment, the expense of collection, and reasonable attorney's fees, if incurred, constitute a first and prior lien against the Assessed Property, superior to all other liens and claims except liens or claims for the State, county, school district or municipal ad valorem taxes, and are a personal liability of and charge against the owners of the property regardless of whether the owners are named. The lien is effective from the date of adoption of the Assessment Ordinance on April 11, 2023, until the Assessment is paid and may be enforced by the City in the same manner as an ad valorem tax levied against real property may be enforced by the City.

#### Foreclosure Proceedings

In the event of delinquency in the payment of any Annual Installment, except for unpaid Assessments on homestead property (unless the lien associated with the Assessment attached prior to the date the property became a homestead), the City is empowered to order institution of an action in state district court to foreclose the lien of such delinquent Annual Installment. In such action, the real property subject to the delinquent Annual Installments may be sold at judicial foreclosure sale for the amount of such delinquent Annual Installments, plus penalties and interest.

Any sale of property for nonpayment of an installment or installments of an Assessment will be subject to the lien established for remaining unpaid installments of the Assessment against such property and such property may again be sold at a judicial foreclosure sale if the purchaser thereof fails to make timely payment of the nondelinquent Annual Installments of the Assessments against such property as they become due and payable. Judicial foreclosure proceedings are not mandatory. In the event a foreclosure is necessary, there could be a delay in payments to owners of the Bonds Similarly Secured pending prosecution of the foreclosure proceedings and receipt by the City of the proceeds of the foreclosure sale. It is possible that no bid would be received at the foreclosure sale, and in such event there could be an additional delay in payment of the principal of and interest on Bonds Similarly Secured or such payment may not be made in full. The City is not required under any circumstance to purchase the property or to pay the delinquent Assessment on the corresponding Assessed Property.

In the Indenture, the City covenants to take and pursue all actions permissible under Applicable Laws to cause the Assessments to be collected and the liens thereof enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws, and to cause no reduction, abatement, or exemption in the Assessments,

provided that the City is not required to expend any funds for collection and enforcement of Assessments other than funds on deposit in the Administrative Fund. Pursuant to the Indenture, Foreclosure Proceeds (excluding Delinquent Collection Costs) constitute Pledged Revenues to be deposited into the Pledged Revenue Fund upon receipt by the City and distributed in accordance with the Indenture. See “APPENDIX B – Form of Indenture.” See also “APPENDIX E-1 – Form of Disclosure Agreement of Issuer” for a description of the expected timing of certain events with respect to collection of delinquent Assessments.

The Indenture provides for the creation of an Additional Interest Reserve Account under the Reserve Fund to be funded as provided in the Indenture. The City will not be obligated to fund foreclosure proceedings out of any funds other than in the Administrative Fund. If Administrative Expenses are insufficient to pay foreclosure costs, the owners of the Bonds Similarly Secured may be required to pay amounts necessary to continue foreclosure proceedings. See “SECURITY FOR THE BONDS SIMILARLY SECURED – Reserve Fund – Additional Interest Reserve Account,” “APPENDIX B – Form of Indenture,” and “APPENDIX C – Form of Service and Assessment Plan.”

## THE CITY

### Background

The City is located in north central Collin and Denton Counties, 40 miles north of Dallas and 15 miles northwest of the City of McKinney. Access to the City is provided by State Highway 289, Dallas Parkway, FM 455, and FM 428. The City’s location as part of the growing Dallas-Fort Worth-Arlington Metroplex has resulted in rapid growth over the last several years. Through a series of recent annexations, the City has increased in area. The City currently covers approximately 49.85 square miles. The City’s 2020 census population was 16,739. As of January 1, 2024, the City’s population estimate was 43,039.

### City Government

The City is a political subdivision and a home rule municipality of the State of Texas, duly organized and existing under the laws of the State, including the City’s Home Rule Charter. The City adopted a Home Rule Charter on May 12, 2007. The City operates under a Council/Manager form of government with a City Council comprised of the Mayor and six Council members who are elected for staggered three-year terms. The City Council formulates operating policy for the City and the City Manager is the chief administration officer.

The current members of the City Council and principal administrators of the City are shown on page ii.

General information regarding the City and the surrounding area can be found in “APPENDIX A – General Information Regarding the City and Surrounding Areas.”

### Water and Wastewater

The City will provide both water and wastewater services to the District. The City’s existing water distribution system and wastewater collection and discharge system have sufficient capacity to provide water and wastewater services to the District. The Developer is constructing a water line from Punk Carter Parkway south to Legacy Drive to provide a second point of connection for the District. Such extension is expected to be complete in December 2024. The City has requested the water line to be oversized from the required 18” to 24”. Pursuant to the Development Agreement, the City will pay the costs to oversize the waterline.

The City purchases its water wholesale from the Upper Trinity Regional Water District (“UTRWD”). The City maintains its own water distribution system and UTRWD provides the city with 10 million gallons per day (“MGD”) of treated water. The City operates a wastewater collection and discharge system. The City currently has the capacity to treat approximately 2.6 MGD through a combination of resources. The City has an agreement with UTRWD to provide 1.6 MGD at the Doe Branch Regional Treatment Plant (“Doe Branch”), which will serve the District. In addition, the Downtown Water Reclamation Plant (the “Downtown WRP”) has the capacity to treat 0.95 MGD.

The City is actively expanding its wastewater system capacity. The City has executed a contract with UTRWD to increase the capacity of Doe Branch from 1.6 MGD to 5.5 MGD. The Downtown WRP is in the 95% design phase to expand its capacity from 0.95 MGD to 2.0 MGD. Legacy Hills Water Reclamation Plant is expected to begin accepting flow in late 2024 to provide an additional 0.95 MGD. The Rasor Water Reclamation Plant is in the permitting and design phase to provide an additional 0.95 MGD. The City's total current wastewater treatment capacity is 2.6 MGD. Once all current expansion and construction projects are complete, the City's capacity will increase to 9.6 MGD.

## THE DISTRICT

### General

The PID Act authorizes municipalities, such as the City, to create public improvement districts within their boundaries or extraterritorial jurisdiction, and to impose assessments within the public improvement district to pay for certain improvements. The District was created by Resolution No. 2021-104R of the City adopted on November 9, 2021, in accordance with the PID Act (the "Creation Resolution") for the purpose of undertaking and financing the costs of certain public improvements within the District, including the Phase #1 Improvements, authorized by the PID Act and approved by the City Council that confer a special benefit on the property in the District. The District is not a separate political subdivision of the State and is administered by the City Council. A map of the property within the District is included on page iv hereof.

### Powers and Authority of the City

Pursuant to the PID Act, the City may establish and create the District and undertake, or pay a developer for the costs of, improvement projects that confer a special benefit on property located within the District, whether located within the City limits or the City's extraterritorial jurisdiction. The PID Act provides that the City may levy and collect Assessments on property in the District, or portions thereof, payable in periodic installments based on the benefit conferred by an improvement project to pay all or part of its cost.

Pursuant to the PID Act and the Creation Resolution, the City has the power to undertake, or reimburse a developer for the costs of, the financing, acquisition, construction, or improvement of the Phase #1 Improvements. See "THE PHASE #1 IMPROVEMENTS." Pursuant to the authority granted by the PID Act and the Creation Resolution, the City has determined to undertake the construction, acquisition, or purchase of certain roadway, water, sanitary sewer, and storm drainage improvements, and other soft and miscellaneous improvements within Phase #1 and to finance a portion of the costs thereof through the issuance of the Bonds Similarly Secured. The City has further determined to provide for the payment of debt service on the Bonds Similarly Secured through Pledged Revenues, consisting primarily of the Assessments, and other assets comprising the Trust Estate. See "ASSESSMENT PROCEDURES" and "APPENDIX C – Form of Service and Assessment Plan."

## THE PHASE #1 IMPROVEMENTS

### General

The Phase #1 Improvements consist of the local infrastructure benefitting only Phase #1. A portion of the costs of the Phase #1 Improvements in the approximate amount of \$12,346,266 was funded with the proceeds of the Series 2023 Bonds. An additional portion of such costs in the approximate amount of \$5,444,840\* is expected to be funded with proceeds of the Series 2024 Bonds. The Phase #1 Improvements have been completed, dedicated to, and accepted by the City. See "– Ownership and Maintenance of Phase #1 Improvements" and "THE DEVELOPMENT – Development Plan."

The Phase #1 Improvements include roadway, water, sanitary sewer, and storm drainage improvements, and soft and miscellaneous costs benefitting Phase #1. A description of the Phase #1 Improvements follows:

*Roadway Improvements.* The roadway portion of the Phase #1 Improvements includes clearing, grubbing, excavation of streets and right of ways, construction of moisture and lime treated subgrade and reinforced concrete street pavements, removal of existing curb or pavement asphalt street pavements, removal of existing curb or pavement, bridges, deceleration lanes, turn lanes, sidewalks, retaining walls, median landscaping, signage and traffic

control devices, including an allocable share of perimeter road improvements, for the benefit of the Assessed Property. All roadway improvements were designed and constructed in accordance with City standards and specifications and are now owned and operated by the City.

*Water Improvements.* The water distribution system portion of the Phase #1 Improvements include PVC waterlines, various gate valves and boxes, fire hydrants, and tapping sleeves, service lines and other water line appurtenances for the benefit of the Assessed Property. All water improvements were designed and constructed in accordance with City standards and specifications and are now owned and operated by the City.

*Sanitary Sewer Improvements.* The sanitary sewer collection system portion of the Phase #1 Improvements includes PVC pipes, manholes, service lines, clean-outs, concrete encasements, and other sewer line appurtenances and trench safety for the benefit of the Assessed Property. All sanitary sewer improvements were designed and constructed in accordance with City standards and specifications and are now owned and operated by the City.

*Storm Drainage Improvements.* The storm drainage collection system portion of the Phase #1 Improvements includes pre and post development erosion control, silt fences, rock check dams, drainage structures, various size reinforced concrete pipes, reinforced concrete box culverts, curb inlets, headwalls, retention and detention structures and trench safety for the benefit of the Assessed Property. All storm drainage improvements were designed and constructed in accordance with City standards and specifications and are now owned and operated by the City.

*Soft and Miscellaneous Costs.* Soft and miscellaneous costs consist of costs related to designing, constructing, and installing the Phase #1 Improvements including land planning and design, city fees, legal fees, engineering, soil testing, survey, construction management, and contingency costs associated with financing the Phase #1 Improvements, and a portion of the costs incurred in the establishment, administration, and operation of the District.

The following table reflects the Budgeted Costs of the Phase #1 Projects.

The City will provide for the ongoing operation, maintenance, and repair of the roadway, water, sanitary sewer, and storm drainage portions of the Phase #1 Improvements constructed and conveyed, as outlined in the Service and Assessment Plan.

## THE DEVELOPMENT

*The following information has been provided by the Developer. Certain of the following information is beyond the direct knowledge of the City, the City's Financial Advisor, and the Underwriter, and none of the City, the City's Financial Advisor, or the Underwriter have any way of guaranteeing the accuracy of such information.*

### Overview

The District includes approximately 684.752 acres. The District is generally located one mile west of Dallas Parkway, 2.5 miles north of U.S. 380, adjacent to and west of Legacy Drive, and adjacent to and north of Parvin Road in the City, as shown in the maps on pages ii - v. All of the property within the District was annexed by the City in June 2022 and is now located within the corporate limits of the City.

### Development Plan

The Development is currently expected to include 2,011 residential units consisting of 1,460 single-family lots (40', 50', 60', and 70' front feet), 210 townhomes, and 341 multi-family units. Phase #1 will include 367 single-family lots and 68 townhomes. Construction of the Phase #1 Improvements and the Initial Major Improvements began in January 2022 and was completed and such improvements were accepted by the City in the fourth quarter of 2023.

The Developer began development of Improvement Area #2 in the first quarter of 2024 and expects to complete such improvements in the fourth quarter of 2024. Concurrently with the issuance of the Series 2024 Bonds, the City expects to issue the Improvement Area #2 Bonds to finance a portion of the costs of the public improvements benefiting Improvement Area #2 (consisting of Phases #2 and #3C).

The Developer began construction of the Additional Major Improvements in the third quarter of 2024 and expects to continue with development of Phases #3A and #3B beginning in the first quarter of 2025 and to complete such improvements in the first quarter of 2026. Full development of Phases #1-5 is expected to be complete by the first quarter of 2028. See "PLAN OF FINANCE – Development Plan" and "APPENDIX C – Form of Service and Assessment Plan."

The Developer expects the Seller to develop Phase 7 (in the Southeast corner of the District, depicted on page vi) to include approximately 341 multi-family housing units and approximately seven acres of commercial development to consist of approximately 30 commercial equivalent units, possibly as garden offices, medical offices, or strip retail space. The Seller's current plans for development of the Seller Property may change in the future. Neither the Landowner nor the Developer has control over the development of the Seller Property.

An expected breakdown of the single-family residential lots within Phases #1-5 is set forth below.

### **Amenities and Private Improvements**

The Development will include two private amenity centers, two large public parks, and approximately 5 pocket parks linked by a network of trails. The main amenity center, currently under construction, is located in Phase #1 and will feature a lazy river/pool complex with a clubhouse situated adjacent to an approximately 5-acre lake. The second amenity center is expected to be located in Phase #3B and may have a swimming pool, if single-family construction is built in its general area as currently contemplated. See the map on page v for the proposed locations of the amenity centers.

Construction of the main amenity center began in the third quarter of 2024 and is expected to be completed in the second quarter of 2025. The Developer estimates that the total costs of the amenities and other private improvements will be approximately \$24,597,865. The Developer has paid or will pay for such costs with equity, proceeds of the Phase #1 Development Loan, or proceeds from lot sales. As of October 15, 2024, the Developer has spent approximately \$6,000,000 on amenities and other private improvements. The HOA will pay for the ongoing operation, maintenance, and repair of the amenities by charging a property owner’s association fee to be paid by each lot owner within the District. See “OVERLAPPING TAXES AND DEBT – Homeowners’ Association Dues.”

## Development Agreement

The Development Agreement provides certain rules and regulations for design and construction of the Authorized Improvements, including the Phase #1 Improvements, and the process for the development of all property within the District. The Development Agreement further provides, in part, that the Landowner is, with respect to the property located within Phase #1 of the District, required to begin construction, to the satisfaction of the City, of (i) the first of three amenity centers to be centrally located as shown on Exhibit E to the Development Agreement before the issuance of the 100<sup>th</sup> building permit west of Frontier Parkway and east of Doe Branch (which is roughly the property located within Phase #1), (ii) North Park Area (Doe Branch) and North Park Area 12FT Trail prior to issuance of the 250<sup>th</sup> building permit west of Frontier Parkway and east of Doe Branch, and (iii) North Park Area Pedestrian Bridge prior to issuance of the 300<sup>th</sup> building permit west of Frontier Parkway and east of Doe Branch. If one of the foregoing triggers is not met, the City may, in its discretion, delay or withhold the issuance of the relevant building permit. The Developer satisfied the requirement to commence construction of the amenity center in the third quarter of 2024. Construction of the North Park Area park components began in the third quarter of 2024, in advance of the issuance of the 250<sup>th</sup> and 300<sup>th</sup> building permits.

The Development Agreement also required the reservation of a 10-12-acre site for an elementary school. That site was sold to Prosper ISD by separate agreement in November 2022. See “PLAN OF FINANCE – Overview” and “APPENDIX F – Development Agreement.”

The Development Agreement also specifies the following residential development fees that are due and payable to the City at the time building permits are issued: (i) park fees in the amount not to exceed \$1,500 per residential dwelling unit; (ii) technology fees in an amount not to exceed \$500 per single family attached or detached residential dwelling unit; (iii) roadway capital fees of \$3,000 per single family attached or detached residential dwelling unit; (iv) water capital fees of \$2,500 per single family attached or detached residential dwelling unit; and (v) wastewater capital fees of \$2,500 per single family attached or detached residential dwelling unit. Roadway, water, and wastewater capital fees each escalate by an additional \$500 per single family attached or detached residential dwelling unit on June 8, 2029, and then on every 5th anniversary of such date thereafter (i.e., June 8, 2034; June 8, 2039, etc.).

NONE OF THE FEES DESCRIBED HEREIN ARE A PART OF THE TRUST ESTATE AND ARE NOT SECURITY FOR THE BONDS SIMILARLY SECURED.

### **Zoning/Permitting**

The development of the property within the District is governed by the Development Agreement, the City Subdivision Regulations, the City Building Codes, the City Engineering and Construction Standards, the City's Water and Wastewater Rules, the City's Model Home Policy, the City's Water and Sewer Impact Fee Regulations, the City's Roadway Impact Fee Regulations, the City's Sign Ordinance, the Approved Plats, and the City Ordinances (collectively, the "Governing Regulations").

### **Education**

The Development is located entirely within Prosper ISD. Prosper ISD currently operates one early childhood center, 18 elementary schools, five middle schools, and four high schools. The new elementary school to be located in Phase #1 is expected to open in the Fall of 2025. A new middle school and high school, both adjacent to the District along Parvin Road, are also expected to open in the Fall of 2025. Until such time, students in the District are expected to attend Mrs. Jerry Bryant Elementary School (approximately 2.0 miles from the District), William Rushing Middle School (approximately 2.0 miles from the District), and Prosper High School (approximately 3.5 miles from the District).

GreatSchools.org currently rates Mrs. Jerry Bryant Elementary School a 6 out of 10, William Rushing Middle School an 8 out of 10, and Prosper High School a 6 out of 10. According to the most recent Texas Education Agency accountability ratings, Mrs. Jerry Bryant Elementary School was rated "B" and William Rushing Middle School and Prosper High School were rated "A" for 2021-2022. (The categories for public school districts and public schools are A, B, C, and Not Rated (used for schools not receiving a rating of at least 70)).

### **Environmental**

Site Evaluation. A Phase I Environmental Site Assessment (a "Phase I ESA") of approximately 447.726 acres, including all 434.015 acres of the Landowner Property, was completed by Alpha Testing, Inc. ("Alpha") and summarized in its report dated November 12, 2020. Based on the information presented in the Phase I ESA, Alpha concluded that there was no evidence of recognized environmental conditions. Alpha noted that the presence of residences on the rural Landowner Property beginning in the 1940s and the 1950s, respectively, septic tanks and water wells may be present on the Landowner Property, although none were observed. Alpha recommended that any septic tanks and water wells should be closed or plugged, respectively, and abandoned if encountered during development activities.

Endangered Species. According to the website for the Texas Parks and Wildlife Department, the Interior Least Tern and Whooping Crane are endangered species, and the Black Rail, Piping Plover, Rufa Red Knot, White-faced Ibis, Yellow-billed Cuckoo, Louisiana Pigtoe, Sandbank Pocketbook, Texas Heelsplitter, and Texas Horned Lizard are threatened species in Denton County. In addition, the Tricolored Bat is a federally proposed endangered species in Denton County. The Developer is not aware of any endangered species located on the Landowner Property.

### **Existing Mineral and Groundwater Rights**

There are certain mineral rights reservations of prior owners of the Landowner Property (the "Mineral Owners") pursuant to one or more deeds in the chain of title for the Landowner Property. While there is currently no drilling or exploration of minerals on the Landowner Property, the Developer cannot predict whether the Mineral Owners will take new action in the future to explore or develop the above-described mineral rights. The Developer is not aware of any real property (including mineral rights) owned by the Mineral Owners adjacent to the Landowner Property. Certain rules and regulations of the Texas Railroad Commission may restrict the ability of the Mineral Owners to explore or develop the property due to well density, acreage, or location issues.

Although the Developer does not expect the exercise of such rights or any other mineral rights or related real property rights in or around the Landowner Property to have a material adverse effect on the Development, the

property within the District, or the ability of landowners within the District to pay Assessments, the Developer makes no guarantee as to such expectation. See “BONDHOLDERS’ RISKS – Exercise of Third-Party Property Rights.”

### **Final Geotechnical Exploration**

A Final Geotechnical Exploration (a “Final Geotech”) covering the Landowner Property was completed on December 7, 2021, and indicated that the estimated potential vertical movement associated with seasonal changes in soil moisture within the Landowner Property ranged from three to seven inches, depending on location.

### **Utilities**

The City will provide both water and wastewater service to the Development. The City’s water distribution system and wastewater collection and treatment system currently have sufficient capacity to provide water and wastewater service to the Development. See “THE CITY – Water and Wastewater.”

Additional utilities are provided by the following: (1) Phone/Data - AT&T and Suddenlink; (2) Electric – CoServ Electric; (3) Cable - AT&T and Suddenlink; and (4) Natural Gas – CoServ Gas.

## **THE DEVELOPER AND THE LANDOWNER**

*The following information has been provided by the Landowner. Certain of the following information is beyond the direct knowledge of the City, the City’s Financial Advisor, and the Underwriter, and none of the City, the City’s Financial Advisor, or the Underwriter have any way of guaranteeing the accuracy of such information.*

### **General**

In general, the activities of a developer in a development such as the District include designing the subdivision, including the utilities and streets to be installed and any community facilities to be built, defining a marketing program and building schedule, securing necessary governmental approvals and permits for development, arranging for the construction of roads and the installation of utilities (including, in some cases, water, sewer, and drainage facilities, as well as telephone and electric service), and selling improved lots to homebuilders, developers, or other third parties. The relative success or failure of a developer to perform such activities within a development may have a material effect on the security of bonds, such as the Series 2024 Bonds, issued by a municipality for a public improvement district. A developer is generally under no obligation to develop the property that it owns in a development. Furthermore, there is no restriction on the developer’s right to sell any or all of the land that the developer owns within a development. In addition, a developer is ordinarily the major tax and assessment payer within a district during its development.

### **Description of Landowner and Developer**

The Landowner was created for the sole purpose of owning, managing, developing, and ultimately conveying the Landowner Property to third parties, as described under the caption “THE DEVELOPMENT.” The Landowner is a Texas limited liability company, the primary assets of which are unsold portions of the Landowner Property. The Landowner will have no source of funds with which to pay Assessments or taxes levied by the City or any other taxing entity other than funds resulting from the sale of Landowner Property, reimbursements from the City under the PID Reimbursement Agreement, contributions from its equity partners, and third-party banking sources. The Landowner’s ability to make full and timely payments of Assessments will directly affect the City’s ability to meet its obligation to make payments on the Bonds Similarly Secured, including the Series 2024 Bonds.

The Landowner is majority owned by the Developer and the Developer is its Managing Member. The Developer was created by partners Craig Martin and David Blom to own and manage the Development. Under the Landowner’s company agreement, the Developer has the duty and obligation to, among other things, develop, manage, operate, and maintain the Landowner Property. Both the Landowner and the Developer are part of a larger group of entities managed in part by Tellus Group Operations LLC, a Delaware limited liability company (“Tellus Group”), a real estate investment firm located in North Dallas, Texas, focused on residential and mixed-use land development with a primary focus in master-planned, amenity-rich lifestyle communities.

He then transitioned to a consultancy role working with an investment fund and multiple developers, including his previous employer, focusing on entitlement, project due diligence, underwriting evaluation, creating cost to complete budgets, managing various entitlement related efforts, and navigating jurisdictional permit compliance issues. This eventually led to a role with a multi-family apartment developer managing the underwriting and entitling of two redevelopment multi-family apartment projects, one \$96 million-dollar project located in the City of San Diego and another \$78 million-dollar project in the City of Santa Clarita, the former requiring significant community outreach and governmental regulatory navigation.

## **History and Financing of the District**

*History of the District.* In July 2021, the Landowner purchased the Landowner Property, consisting of 303.647 acres subject to a Seller’s lien and 130.368 unencumbered acres available for development of Phase #1. In January 2022, the Phase #1 boundary was adjusted to 129.467 acres based upon final engineering document linework. In January 2024, the Seller released its lien on an additional 108.439 acres consisting of Phase #2. On October 9, 2024, the Seller released an additional 38.522 acres from its lien, consisting of Phase #3C.

In September 2021, the Landowner, together with the Merritt/Thornton Petitioners, submitted a petition to the City requesting the creation of the District. In November 2021, the City created the District consisting of approximately 684.752 acres. The Landowner Property makes up Phases #1-5 of the District shown on page vi. The Seller Property makes up Phases #6-7 of the District shown on page vi.

*The Property Acquisition.* The Landowner was formed for the purpose, among other things, of acquiring the Landowner Property. The Landowner acquired the Landowner Property from the Seller on July 30, 2021, for \$41,526,105.30. To finance the purchase price of the property comprising Phase #1 of the District, the Landowner used equity to make an initial payment of \$8,752,100. The purchase and sale agreement provides for three additional payments (the “Post-Closing Payments”) to be made on July 31<sup>st</sup> of 2024, 2025, and 2026, in the amounts of \$1,779,150.00 (reduced to \$702,706.25 following payment to the Seller of \$1,076,443.75 related to the lien release for the School Site), \$5,056,250.00, and \$25,938,605.30, respectively. Payments made by the Landowner in connection with the release of liens on property within Phases #2 and #3C (\$11,376,964.27 and \$4,269,841.27, respectively), satisfied the 2024 and 2025 payments and reduced the 2026 payment to \$16,050,756.01. See “PLAN OF FINANCE – Overview.”

*The Property Acquisition and Development Financing.* To finance the acquisition of the approximately 303.647 acres of the Landowner Property outside of Phase #1, the Landowner executed a promissory note in favor of the Seller in the amount of \$32,774,005.30 to be paid in the three Post-Closing Payments referenced above. The Landowner anticipates the remaining Post-Closing Payment will be made from: (i) equity, (ii) an acquisition and development loan entered into in the future in connection with the development of future phases, or (iii) a combination of (i) and (ii).

To finance the development of Phase #1 and Improvement Area #2 of the Landowner Property, the Landowner executed a promissory note effective as of January 27, 2022 (the “Promissory Note”), and obtained a development loan (the “Development Loan”) from Third Coast Bank SSB (the “Lender”) which is secured by, among other things, a lien on all of the real property within Phase #1 of the District and the improvements thereon, including the Phase #1 Improvements, owned by the Landowner. In connection with the repayment by the Landowner of the loans related to Phase #1, the Development Loan and Promissory Note were amended and extended effective February 29, 2024, and the lien on Phase #1 of the Landowner Property was released.

*Summary of At-Risk Entities and Investments in the District Subordinate to the Assessment Lien.* In order to finance the development of the District, the Landowner and the Homebuilders have expended equity or extended promissory notes that are secured by a lien on some or all of the real property within Phase #1 of the District that are subordinate to the lien associated with the Assessments securing the Bonds Similarly Secured. A list of the entities with at-risk capital whose position or lien is subordinate to that of the Assessments is listed in the following table and more fully described in the subheadings below.

**Summary of Entities with At-Risk Capital Subordinate to the Lien Securing the Bonds Similarly Secured**

The PID Act provides that the Assessment Lien is a first and prior lien against the Assessed Property and is superior to all other liens and claims except liens or claims for State, county, school district, or municipality ad valorem taxes.

**THE PID ADMINISTRATOR**

*The following information has been provided by the Administrator. Certain of the following information is beyond the direct knowledge of the City, the City’s Financial Advisor and the Underwriter, and none of the City, the City’s Financial Advisor or the Underwriter have any way of guaranteeing the accuracy of such information.*

(“MuniCap” or the “Administrator”) to provide specialized services related to the administration of the District needed to support the issuance of the Series 2024 Bonds. The MuniCap Agreement includes seven general types of services provided by MuniCap: (i) administrative support services related to the Assessments, (ii) delinquency management, (iii) prepayment of Assessments, (iv) arbitrage rebate services, (v) continuing disclosure services, (vi) accounting and audit coordination and (vii) IRS compliance monitoring.

## BONDHOLDERS' RISKS

*Before purchasing any of the Series 2024 Bonds, prospective investors and their professional advisors should carefully consider all of the risk factors described below which may create possibilities wherein interest may not be paid when due or that the Series 2024 Bonds may not be paid at maturity or otherwise as scheduled, or, if paid, without premium, if applicable. The following risk factors (which are not intended to be an exhaustive listing of all possible risks associated with an investment in the Series 2024 Bonds) should be carefully considered prior to purchasing any of the Series 2024 Bonds. Moreover, the order of presentation of the risks summarized below does not necessarily reflect the significance of such investment risks.*

### General

**THE BONDS SIMILARLY SECURED, INCLUDING THE SERIES 2024 BONDS, ARE SPECIAL AND LIMITED OBLIGATIONS OF THE CITY PAYABLE SOLELY FROM THE PLEDGED REVENUES AND OTHER ASSETS COMPRISING THE TRUST ESTATE, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. THE BONDS SIMILARLY SECURED DO NOT GIVE RISE TO A CHARGE AGAINST THE GENERAL CREDIT OR TAXING POWER OF THE CITY AND ARE PAYABLE SOLELY FROM THE SOURCES IDENTIFIED IN THE INDENTURE. THE OWNERS OF THE BONDS SIMILARLY SECURED SHALL NEVER HAVE THE RIGHT TO DEMAND PAYMENT THEREOF OUT OF MONEY RAISED OR TO BE RAISED BY TAXATION, OR OUT OF ANY ASSETS OF THE CITY OTHER THAN THE PLEDGED REVENUES AND OTHER ASSETS COMPRISING THE TRUST ESTATE, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. NO OWNER OF THE BONDS SIMILARLY SECURED SHALL HAVE THE RIGHT TO DEMAND ANY EXERCISE OF THE CITY'S TAXING POWER TO PAY THE PRINCIPAL OF THE BONDS SIMILARLY SECURED OR THE INTEREST OR REDEMPTION PREMIUM, IF ANY, THEREON. THE CITY SHALL HAVE NO LEGAL OR MORAL OBLIGATION TO PAY THE BONDS SIMILARLY SECURED OUT OF ANY ASSETS OF THE CITY OTHER THAN THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE.**

The ability of the City to pay debt service on the Bonds Similarly Secured, including the Series 2024 Bonds, as due is subject to various factors that are beyond the City's control. These factors include, among others, (a) the ability or willingness of property owners within Phase #1 of the District to pay Assessments levied by the City, (b) cash flow delays associated with the institution of foreclosure and enforcement proceedings against property within Phase #1 of the District, (c) general and local economic conditions that may impact real property values, the ability to liquidate real property holdings and the overall value of real property development projects, and (d) general economic conditions which may impact the general ability to market and sell the lots within Phase #1 of the District, it being understood that poor economic conditions within the City, State and region may slow the assumed pace of sales of such lots.

The rate of development of the property in Phase #1 of the District is directly related to the vitality of the residential housing industry. In the event that the sale of property within Phase #1 of the District should proceed more slowly than expected and the Developer or a Homebuilder is unable to pay the Assessments, only the value of the Assessed Property, with improvements, will be available for payment of the debt service on the Bonds Similarly Secured, including the Series 2024 Bonds. Such value can only be realized through the foreclosure or expeditious liquidation of parcels of Assessed Property within Phase #1 of the District. There is no assurance that the value of such land will be sufficient for that purpose and the expeditious liquidation of real property through foreclosure or similar means is generally considered to yield sales proceeds in a lesser sum than might otherwise be received through the orderly marketing of such real property.

The Underwriter is not obligated to make a market in or repurchase any of the Series 2024 Bonds, and no representation is made by the Underwriter, the City or the City's Financial Advisor that a market for the Series 2024 Bonds will develop and be maintained in the future. If a market does develop, no assurance can be given regarding future price maintenance of the Series 2024 Bonds.

The City has not applied for or received a rating on the Series 2024 Bonds. The absence of a rating could affect the future marketability of the Series 2024 Bonds. There is no assurance that a secondary market for the Series

2024 Bonds will develop or that holders who desire to sell their Series 2024 Bonds prior to the stated maturity will be able to do so.

### **Deemed Representations and Acknowledgment by Investors**

Each Investor will be deemed to have acknowledged and represented to the City the matters set forth under the heading “LIMITATIONS APPLICABLE TO INITIAL PURCHASERS” which include, among others, a representation and acknowledgment that the purchase of the Series 2024 Bonds involves investment risks, certain of which are set forth under this heading “BONDHOLDERS’ RISKS” and elsewhere herein, and such Investor, either alone or with its purchaser representative(s) (as defined in Rule 501(h) of Regulation D under the Securities Act of 1933), has sophisticated knowledge and experience in financial and business matters and the capacity to evaluate such risks in making an informed investment decision to purchase the Series 2024 Bonds, and the Investor can afford a complete loss of its investment in the Series 2024 Bonds.

### **Infectious Disease Outbreak**

In March 2020, the World Health Organization and the President of the United States (the “President”) separately declared the outbreak of a respiratory disease caused by a novel coronavirus (“COVID-19”) to be a public health emergency (the “Pandemic”). On April 10, 2023, the President signed a resolution terminating the national emergency related to the Pandemic, and on May 5, 2023, the World Health Organization declared COVID-19 no longer represented a global health emergency. There are currently no COVID-19 related operating limits imposed by executive order of the Governor of the State for any business or other establishment in the State. The Governor retains the right to impose additional restrictions on activities if needed in order to mitigate the effects of COVID-19. The City has not experienced any decrease in property values or unusual tax delinquencies as a result of COVID-19. However, the City cannot predict the long-term economic effect of COVID-19 or a similar virus should there be a reversal of economic activity or re-imposition of restrictions.

### **Failure or Inability to Complete Proposed Development**

Proposed development within the District may be affected by changes in general economic conditions, fluctuations in the real estate market and interest rates, changes in the income tax treatment of real property ownership, unexpected increases in development costs and other similar factors as well as availability of utilities and the development or existence of environmental concerns with such land. See “– Availability of Utilities” and “– Hazardous Substances.” Land development within the District could also be affected adversely by changes in governmental policies, including, but not limited to, governmental policies to restrict or control development. Any approvals needed in the future for the Development must come from the City. There can be no assurances that other similar projects will not be developed in the future or that existing projects will not be upgraded or otherwise able to compete with the Development. A slowdown of the development process and the related absorption rate within the Development because of any or all of the foregoing could affect adversely land values. THE TIMELY PAYMENT OF THE BONDS SIMILARLY SECURED, INCLUDING THE SERIES 2024 BONDS, DEPENDS UPON THE WILLINGNESS AND ABILITY OF THE LANDOWNER AND ANY SUBSEQUENT OWNERS TO PAY THE ASSESSMENTS WHEN DUE. ANY OR ALL OF THE FOREGOING COULD REDUCE THE WILLINGNESS AND THE ABILITY OF SUCH OWNERS TO PAY THE ASSESSMENTS AND COULD GREATLY REDUCE THE VALUE OF PROPERTY WITHIN PHASE #1 OF THE DISTRICT IN THE EVENT SUCH PROPERTY HAS TO BE FORECLOSED. In that event, there could be a default in the payment of the Bonds Similarly Secured, including the Series 2024 Bonds.

### **Completion of Homes**

The cost and time for completion of homes by the Homebuilders is uncertain and may be affected by changes in national, regional, and local market and economic conditions; changes in long and short term interest rates; changes in the climate for real estate purchases; changes in demand for or supply of competing properties; unanticipated development costs, market preferences and architectural trends; unforeseen environmental risks and controls; the adverse use of adjacent and neighboring real estate; changes in interest rates and the availability of mortgage funds to buyers of the homes yet to be built in the Development, which may render the sale of such homes difficult or unattractive; acts of war, terrorism or other political instability; delays or inability to obtain governmental approvals;

changes in laws; moratorium; force majeure (which may result in uninsured losses); strikes; labor shortages; energy shortages; material shortages; inflation; adverse weather conditions; subcontractor defaults; and other unknown contingencies and factors beyond the control of the Developer and the Landowner.

### **Absorption Rates**

There can be no assurance that the Developer will be able to achieve its anticipated absorption rates. Failure to achieve the absorption rate estimates will adversely affect the estimated value of the Development, could impair the economic viability of the Development and could reduce the ability or desire of property owners, including the Landowner, to pay the Assessments.

### **Assessment Limitations**

Annual Installments of Assessments are billed to owners of Assessed Property in Phase #1 of the District. Annual Installments are due and payable, and bear the same penalties and interest for non-payment, as for ad valorem taxes as set forth under “ASSESSMENT PROCEDURES.” Additionally, Annual Installments established by the Service and Assessment Plan correspond in number and proportionate amount to the number of installments and principal amounts of the Bonds Similarly Secured, including the Series 2024 Bonds, maturing in each year, interest, and Administrative Expenses for such year. See “ASSESSMENT PROCEDURES.” The unwillingness or inability of a property owner to pay regular property tax bills as evidenced by property tax delinquencies may also indicate an unwillingness or inability to make regular property tax payments and Annual Installments of the Assessments in the future.

In order to pay debt service on the Bonds Similarly Secured, it is necessary that Annual Installments are paid in a timely manner. Due to the lack of predictability in the collection of Annual Installments in Phase #1 of the District, the City has established a Reserve Account in the Reserve Fund. See “SECURITY FOR THE BONDS SIMILARLY SECURED – Reserve Fund.” The Annual Installments are secured by the Assessment Lien. However, there can be no assurance that foreclosure proceedings will occur in a timely manner so as to avoid depletion of the Reserve Account and delay in payments of debt service on the Bonds Similarly Secured, including the Series 2024 Bonds. See “BONDHOLDERS’ RISKS – Bondholders’ Remedies and Bankruptcy.”

Upon an ad valorem tax lien foreclosure event of an Assessed Property within Phase #1 of the District, any Assessment that is also delinquent will be foreclosed upon in the same manner as the ad valorem tax lien (assuming all necessary conditions and procedures for foreclosure are duly satisfied). To the extent that a foreclosure sale results in insufficient funds to pay in full both the delinquent ad valorem taxes and the delinquent Assessments, the liens securing such delinquent ad valorem taxes and delinquent Assessments would likely be extinguished. Any remaining unpaid balance of the delinquent Assessments would then be an unsecured personal liability of the original property owner.

Based upon the language of Texas Local Government Code, Section 372.017(b), case law relating to other types of assessment liens and opinions of the Texas Attorney General, the Assessment Lien as it relates to installment payments that are not yet due should remain in effect following an ad valorem tax lien foreclosure, with future installment payments not being accelerated. Texas Local Government Code Section 372.018(d) supports this position, stating that an Assessment Lien runs with the land and the portion of an assessment payment that has not yet come due is not eliminated by foreclosure of an ad valorem tax lien.

The Assessment Lien is superior to any homestead rights of a property owner that were properly claimed after the adoption of the Assessment Ordinance. However, an Assessment Lien may not be foreclosed upon if any homestead rights of a property owner were properly claimed prior to the adoption of the Assessment Ordinance (“Pre-existing Homestead Rights”) for as long as such rights are maintained on the property. It is unclear under State law whether or not Pre-existing Homestead Rights would prevent the Assessment Lien from attaching to such homestead property or instead cause the Assessment Lien to attach, but remain subject to, the Pre-existing Homestead Rights.

Under State law, in order to establish homestead rights, the claimant must show a combination of both overt acts of homestead usage and intention on the part of the owner to claim the land as a homestead. Mere ownership of the property alone is insufficient and the intent to use the property as a homestead must be a present one, not an

intention to make the property a homestead at some indefinite time in the future. As of the date of adoption of the Assessment Ordinance, no such homestead rights had been claimed. Furthermore, the Landowner is not eligible to claim homestead rights and the Landowner owned all property within Phase #1 of the District as of the date of adoption of the Assessment Ordinance. Consequently, there are and can be no homestead rights on the Assessed Property superior to the Assessment Lien and, therefore, the Assessment Liens may be foreclosed upon by the City.

Failure by owners of the parcels to pay Annual Installments when due, depletion of the Reserve Fund, delay in foreclosure proceedings, or the inability of the City to sell parcels which have been subject to foreclosure proceedings for amounts sufficient to cover the delinquent installments of Assessments levied against such parcels may result in the inability of the City to make full or punctual payments of debt service on the Bonds Similarly Secured, including the Series 2024 Bonds.

THE ASSESSMENTS CONSTITUTE A FIRST AND PRIOR LIEN AGAINST THE ASSESSED PROPERTY, SUPERIOR TO ALL OTHER LIENS AND CLAIMS EXCEPT LIENS AND CLAIMS FOR STATE, COUNTY, SCHOOL DISTRICT, OR MUNICIPALITY AD VALOREM TAXES AND IS A PERSONAL OBLIGATION OF AND CHARGE AGAINST THE OWNERS OF ASSESSED PROPERTY LOCATED WITHIN PHASE #1 OF THE DISTRICT.

### **Bankruptcy**

The payment of Assessments and the ability of the City to foreclose on the lien of a delinquent unpaid Assessment may be limited by bankruptcy, insolvency or other laws generally affecting creditors' rights or by the laws of the State relating to judicial foreclosure. Although bankruptcy proceedings would not cause the Assessments to become extinguished, bankruptcy of a property owner in all likelihood would result in a delay in prosecuting foreclosure proceedings. Such a delay would increase the likelihood of a delay or default in payment of the principal of and interest on the Bonds Similarly Secured, including the Series 2024 Bonds, and the possibility that delinquent Assessments might not be paid in full.

### **Direct and Overlapping Indebtedness, Assessments and Taxes**

The ability of an owner of Assessed Property within the District to pay the Assessments could be affected by the existence of other taxes and assessments imposed upon the property. Public entities whose boundaries overlap those of the District currently impose ad valorem taxes on the property within Phase #1 of the District and will likely do so in the future. Such entities could also impose assessment liens on the property within the District. The imposition of additional liens, or for private financing, may reduce the ability or willingness of the landowners to pay the Assessments. See "OVERLAPPING TAXES AND DEBT."

### **Depletion of Reserve Fund; No Prefunding of Additional Interest Reserve Account**

Failure of the owners of Assessed Property within the District to pay the Assessments when due could result in the rapid, total depletion of the Reserve Fund prior to replenishment from the resale of property upon a foreclosure or otherwise or delinquency redemptions after a foreclosure sale, if any. There could be a default in payments of the principal of and interest on the Bonds Similarly Secured, including the Series 2024 Bonds, if sufficient amounts are not available in the Reserve Fund. The Additional Interest Reserve Account of the Reserve Fund is not funded from the proceeds of the Bonds Similarly Secured. Instead, funding of the Additional Interest Reserve Account is accumulated over time, by the mechanism described in "SECURITY FOR THE BONDS SIMILARLY SECURED – Reserve Fund – Additional Interest Reserve Account." The Indenture provides that if, after a withdrawal from the Reserve Account the amounts therein are less than the Reserve Account Requirement the Trustee shall transfer an amount from the Pledged Revenue Fund to the Reserve Account sufficient to cure such deficiency, as described under "SECURITY FOR THE BONDS SIMILARLY SECURED – Reserve Fund – Reserve Account." The Indenture also provides that if the amount on deposit in the Additional Interest Reserve Account shall at any time be less than the Additional Interest Reserve Requirement, the Trustee shall notify the City, in writing, of the amount of such shortfall and the City shall resume collecting the Additional Interest and shall file a City Certificate with the Trustee instructing the Trustee to resume depositing the Additional Interest from the Bond Pledged Revenue Account of the Pledged Revenue Fund into the Additional Interest Reserve Account until the Additional Interest Reserve Requirement has been accumulated in the Additional Interest Reserve Account; provided, however, that the City shall not be required

to replenish the Additional Interest Reserve Account in the event funds are transferred from the Additional Interest Reserve Account to the Redemption Fund as a result of an extraordinary optional redemption of Bonds Similarly Secured from the proceeds of a Prepayment, as described under “SECURITY FOR THE BONDS SIMILARLY SECURED – Reserve Fund – Additional Interest Reserve Account.”

### **Hazardous Substances**

While governmental taxes, assessments, and charges are common claims against the value of a parcel, other less common claims may be relevant. One of the most serious in terms of the potential reduction in the value that may be realized to the assessment is a claim with regard to a hazardous substance. In general, the owners and operators of a parcel may be required by law to remedy conditions relating to releases or threatened releases of hazardous substances. The federal Comprehensive Environmental Response, Compensation and Liability Act of 1980, sometimes referred to as “CERCLA” or “Superfund Act,” is the most well-known and widely applicable of these laws. It is likely that, should any of the parcels of land located in Phase #1 of the District be affected by a hazardous substance, the marketability and value of parcels would be reduced by the costs of remedying the condition, because the purchaser, upon becoming owner, will become obligated to remedy the condition just as is the seller.

The value of the land within Phase #1 of the District does not take into account the possible liability of the owner (or operator) for the remediation of a hazardous substance condition of the parcel. The City has not independently verified, and is not aware, that the owner (or operator) of any of the parcels within Phase #1 of the District has such a current liability with respect to any such parcel; however, it is possible that such liabilities do currently exist, and that the City is not aware of them.

Further, it is possible that liabilities may arise in the future with respect to any of the land within Phase #1 of the District resulting from the existence, currently, of a substance presently classified as hazardous but which has not been released or the release of which is not presently threatened or may arise in the future resulting from the existence, currently, on the parcel of a substance not presently classified as hazardous but which may in the future be so classified. Further, such liabilities may arise not simply from the existence of a hazardous substance but from the method of handling it. The actual occurrence of any of these possibilities could significantly and negatively affect the value of a parcel that is realizable upon a foreclosure. See “THE DEVELOPMENT – Environmental” for discussion of previous Phase I ESA performed on property within the District.

### **Regulation**

Development within the District may be subject to future federal, State, and local regulations. Approval may be required from various agencies from time to time in connection with the layout and design of development in the District, the nature and extent of public improvements, land use, zoning, and other matters. Failure to meet any such regulations or obtain any such approvals in a timely manner could delay or adversely affect development of the District and property values.

### **State Law Requiring Notice of Assessments**

The 87th Legislature passed HB 1543, which became effective September 1, 2021, requires a person who proposes to sell or otherwise convey real property within a public improvement district to provide to the purchaser of the property, before the execution of a binding contract of purchase and sale, written notice of the obligation to pay public improvement district assessments, in accordance with Section 5.014, Texas Property Code, as amended. In the event a contract of purchase and sale is entered into without the seller providing the notice, the intended purchaser is entitled to terminate the contract of purchase and sale. If the Landowner or the Homebuilders do not provide the required notice and prospective purchasers of property within Phase #1 of the District terminate a purchase and sale contract, the anticipated absorption schedule may be affected. In addition to the right to terminate the purchase contract, a property owner who did not receive the required notice is entitled, after sale, to sue for damages for (i) all costs relative to the purchase, plus interest and reasonable attorney’s fees, or (ii) an amount not to exceed \$5,000, plus reasonable attorney’s fees. In a suit filed pursuant to clause (i), any damages awarded must go first to pay any outstanding liens on the property. In such an event, the outstanding Assessments on such property may be paid. On payment of all damages respectively to the lienholders and purchaser pursuant to clause (i), the purchaser is required to reconvey the property to the seller. Further, if the Landowner or the Homebuilders do not provide the required

notice and become liable for monetary damages, the anticipated buildout and absorption schedule may be affected. No assurances can be given that the projected buildout and absorption schedules presented in this Limited Offering Memorandum will be realized. The forms of notice to be provided to homebuyers are attached to the Service and Assessment Plan and will be attached to each Annual Service Plan Update. See “APPENDIX C –Form of Service and Assessment Plan.”

### **Potential Future Changes in State Law Regarding Public Improvement Districts**

During past Texas legislative sessions and interim business of the Texas legislature, various proposals and reports have been presented by committees of Texas Senate and Texas House of Representative which suggest or recommend changes to the PID Act relating to oversight of bonds secured by special assessments, including adopting requirements relating to levels of build out or adding State level oversight in connection with the issuance of bonds secured by special assessments under the PID Act. It is impossible to predict what bills may be introduced during upcoming legislative sessions and, if passed, the impact that any future legislation will or may have on the security for the Bonds Similarly Secured.

### **Flood Plain and Severe Weather Events**

No land within the District is located within an official FEMA 500-year flood plain. FEMA will from time to time revise its Flood Insurance Rate Maps. None of the City, the Underwriter, the Landowner, or the Developer make any representation as to whether FEMA may revise its Flood Insurance Rate Maps, whether such revisions may result in homes that are currently outside of the 500-year flood plain from being included in the 500-year flood plain in the future, or whether extreme flooding events may occur more often than assumed in creating the 500-year flood plain.

All of the State, including the City, is subject to extreme weather events that can cause loss of life and damage to property through strong winds, flooding, heavy rains and freezes, including events similar to the severe winter storm that the continental United States experienced in February 2021, which resulted in disruptions in the Electric Reliability Council of Texas power grid and prolonged blackouts throughout the State. It is impossible to predict whether similar events will occur in the future and the impact they may have on the City, including land within the District.

### **Exercise of Third-Party Property Rights**

As described herein under “THE DEVELOPMENT – Existing Mineral and Groundwater Rights,” there are certain mineral rights reservations located within the District and not owned by the Developer. There may also be additional mineral rights and related real property rights reflected in the chain of title for the real property within the District recorded in the real property records of Denton County.

The Developer does not expect the existence or exercise of any mineral rights or related real property rights in or around the District to have a material adverse effect on the Development, the property within the District, or the ability of landowners within Phase #1 of the District to pay Assessments. However, none of the City, the City’s Financial Advisor, or the Underwriter provide any assurances as to such Developer expectations.

### **Bondholders’ Remedies and Bankruptcy**

In the event of default in the payment of principal of or interest on the Bonds Similarly Secured or the occurrence of any other Event of Default under the Indenture, the Trustee may, and at the written direction of the Owners of at least twenty-five percent (25%) of the Bonds Similarly Secured then Outstanding and its receipt of indemnity satisfactory to it shall, proceed against the City for the purpose of protecting and enforcing the rights of the Owners under the Indenture, by action seeking mandamus or by other suit, action, or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief to the extent permitted by the Indenture or Applicable Laws, including, but not limited to, the specific performance of any covenant or agreement contained therein, or injunction; provided, however, that no action for money damages against the City may be sought or shall be permitted.

The issuance of a writ of mandamus may be sought if there is no other available remedy at law to compel performance of the City’s obligations under the Bonds Similarly Secured or the Indenture and such obligations are

not uncertain or disputed. The remedy of mandamus is controlled by equitable principles, so rests with the discretion of the court, but may not be arbitrarily refused. There is no acceleration of maturity of the Bonds Similarly Secured in the event of default and, consequently, the remedy of mandamus may have to be relied upon from year to year. The Owners of the Bonds Similarly Secured cannot themselves foreclose on property within the District or sell property within the District in order to pay the principal of and interest on the Bonds Similarly Secured. The enforceability of the rights and remedies of the owners of the Bonds Similarly Secured further may be limited by laws relating to bankruptcy, reorganization, or other similar laws of general application affecting the rights of creditors of political subdivisions such as the City. In this regard, should the City file a petition for protection from creditors under federal bankruptcy laws, the remedy of mandamus or the right of the City to seek judicial foreclosure of its Assessment Lien would be automatically stayed and could not be pursued unless authorized by a federal bankruptcy judge. See “BONDHOLDERS’ RISKS – Bankruptcy Limitation to Bondholders’ Rights.”

Any bankruptcy court with jurisdiction over bankruptcy proceedings initiated by or against a property owner within Phase #1 of the District pursuant to the Federal Bankruptcy Code could, subject to its discretion, delay or limit any attempt by the City to collect delinquent Assessments, or delinquent ad valorem taxes, against such property owner.

In addition, in 2006, the Texas Supreme Court ruled in *Tooke v. City of Mexia*, 197 S.W.3d 325 (Tex. 2006) (“*Tooke*”) that a waiver of sovereign immunity must be provided for by statute in “clear and unambiguous” language. In so ruling, the Court declared that statutory language such as “sue and be sued,” in and of itself, did not constitute a clear and unambiguous waiver of sovereign immunity. In *Tooke*, the Court noted the enactment in 2005 of sections 271.151-.160, Texas Local Government Code (the “Local Government Immunity Waiver Act”), which, according to the Court, waives “immunity from suit for contract claims against most local governmental entities in certain circumstances.” The Local Government Immunity Waiver Act covers cities and relates to contracts entered into by cities for providing goods or services to cities.

In *Wasson Interests, Ltd. v. City of Jacksonville*, 489 S.W.3d 427 (Tex. 2016) (“*Wasson*”), the Texas Supreme Court (the “Court”) addressed whether the distinction between governmental and proprietary acts (as found in tort-based causes of action) applies to breach of contract claims against municipalities. The Court analyzed the rationale behind the Proprietary-Governmental Dichotomy to determine that “a city’s proprietary functions are not done pursuant to the ‘will of the people’” and protecting such municipalities “via the [S]tate’s immunity is not an efficient way to ensure efficient allocation of [S]tate resources.” While the Court recognized that the distinction between governmental and proprietary functions is not clear, the *Wasson* opinion held that the Proprietary-Governmental Dichotomy applies in a contract-claims context. The Court reviewed *Wasson* for a second time and issued an opinion on October 5, 2018 clarifying that to determine whether governmental immunity applies to a breach of contract claim, the proper inquiry is whether the municipality was engaged in a governmental or proprietary function when it entered into the contract, not at the time of the alleged breach. Therefore, in regard to municipal contract cases (as in tort claims), it is incumbent on the courts to determine whether a function was proprietary or governmental based upon the statutory and common law guidance at the time of inception of the contractual relationship. Texas jurisprudence has generally held that proprietary functions are those conducted by a city in its private capacity, for the benefit only of those within its corporate limits, and not as an arm of the government or under authority or for the benefit of the State; these are usually activities that can be, and often are, provided by private persons, and therefore are not done as a branch of the State, and do not implicate the state’s immunity since they are not performed under the authority, or for the benefit, of the State as sovereign. Notwithstanding the foregoing new case law issued by the Court, such sovereign immunity issues have not been adjudicated in relation to bond matters (specifically, in regard to the issuance of municipal debt). Each situation will be prospectively evaluated based on the facts and circumstances surrounding the contract in question to determine if a suit, and subsequently, a judgment, is justiciable against a municipality.

The City is not aware of any State court construing the Local Government Immunity Waiver Act in the context of whether contractual undertakings of local governments that relate to their borrowing powers are contracts covered by such act. Because it is unclear whether the Texas legislature has effectively waived the City’s sovereign immunity from a suit for money damages in the absence of City action, the Trustee or the owners of the Bonds Similarly Secured may not be able to bring such a suit against the City for breach of the Bonds Similarly Secured or the Indenture covenants. As noted above, the Indenture provides that owners of the Bonds Similarly Secured may exercise the remedy of mandamus to enforce the obligations of the City under the Indenture. Neither the remedy of mandamus nor any other type of injunctive relief was at issue in *Tooke*, and it is unclear whether *Tooke* will be

construed to have any effect with respect to the exercise of mandamus, as such remedy has been interpreted by State courts. In general, State courts have held that a writ of mandamus may be issued to require public officials to perform ministerial acts that clearly pertain to their duties. State courts have held that a ministerial act is defined as a legal duty that is prescribed and defined with a precision and certainty that leaves nothing to the exercise of discretion or judgment, though mandamus is not available to enforce purely contractual duties. However, mandamus may be used to require a public officer to perform legally imposed ministerial duties necessary for the performance of a valid contract to which the State or a political subdivision of the State is a party (including the payment of moneys due under a contract).

### **Judicial Foreclosures**

Judicial foreclosure proceedings are not mandatory; however, the City has covenanted to order and cause such actions to be commenced. In the event a foreclosure is necessary, there could be a delay in payments to owners of the Bonds Similarly Secured pending prosecution of the foreclosure proceedings and receipt by the City of the proceeds of the foreclosure sale. It is possible that no bid would be received at the foreclosure sale, and, in such event, there could be an additional delay in payment of the principal of and interest on the Bonds Similarly Secured or such payment may not be made in full. Moreover, in filing a suit to foreclose, the City must join other taxing units that have claims for delinquent taxes against all or part of the same property; the proceeds of any sale of property within Phase #1 of the District available to pay debt service on the Bonds Similarly Secured may be limited by the existence of other tax liens on the property. See “OVERLAPPING TAXES AND DEBT.” Collection of delinquent taxes, assessments and the Assessments may be adversely affected by the effects of market conditions on the foreclosure sale price, and by other factors, including taxpayers’ right to redeem property within two years of foreclosure for residential and agricultural use property and six months for other property, and by a time-consuming and expensive collection procedure.

### **No Acceleration**

The Indenture expressly denies the right of acceleration in the event of a payment default or other default under the terms of the Bonds Similarly Secured or the Indenture.

### **Limited Secondary Market for the Series 2024 Bonds**

The Series 2024 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2024 Bonds in the event an Owner thereof determines to solicit purchasers for the Series 2024 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2024 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2024 Bonds, depending on the progress of development of property subject to the Assessments, existing real estate and financial market conditions and other factors.

### **No Credit Rating**

The City has not applied for or received a rating on the Series 2024 Bonds. Even if a credit rating had been sought for the Series 2024 Bonds, it is not anticipated that such a rating would have been investment grade. The absence of a rating could affect the future marketability of the Series 2024 Bonds. There is no assurance that a secondary market for the Series 2024 Bonds will develop or that holders who desire to sell their Series 2024 Bonds prior to the stated maturity will be able to do so. Occasionally, because of general market conditions or because of adverse history or economic prospects connected with a particular issue, secondary market trading in connection with a particular issue is suspended or terminated. Additionally, prices of issues for which a market is being made will depend upon then generally prevailing circumstances. Such prices could be substantially different from the original purchase price.

### **Bankruptcy Limitation to Bondholders’ Rights**

The enforceability of the rights and remedies of the owners of the Bonds Similarly Secured, including the Series 2024 Bonds, may be limited by laws relating to bankruptcy, reorganization or other similar laws of general application affecting the rights of creditors of political subdivisions such as the City. The City is authorized under

State law to voluntarily proceed under Chapter 9 of the Federal Bankruptcy Code, 11 U.S.C. 901-946 (“Chapter 9”). The City may proceed under Chapter 9 if it (1) is generally not paying its debts, or unable to meet its debts, as they become due, (2) desires to effect a plan to adjust such debts, and (3) has either obtained the agreement of or negotiated in good faith with its creditors, is unable to negotiate with its creditors because negotiation is impracticable, or reasonably believes that a creditor may attempt to obtain a preferential transfer.

If the City decides in the future to proceed voluntarily under the Chapter 9, the City would develop and file a plan for the adjustment of its debts, and the Bankruptcy Court would confirm the plan if (1) the plan complies with the applicable provisions of the Chapter 9, (2) all payments to be made in connection with the plan are fully disclosed and reasonable, (3) the City is not prohibited by law from taking any action necessary to carry out the plan, (4) administrative expenses are paid in full, (5) all regulatory or electoral approvals required under Texas law are obtained and (6) the plan is in the best interests of creditors and is feasible. The rights and remedies of the owners of the Bonds Similarly Secured would be adjusted in accordance with the confirmed plan of adjustment of the City’s debt.

### **Management and Ownership**

The management and ownership of the Developer, the Landowner, and related or affiliated property owners could change in the future. Purchasers of the Series 2024 Bonds should not rely on the management experience of such entities. There are no assurances that such entities will not sell the subject property or that officers will not resign or be replaced. In such circumstances, a new developer or new officers in management positions may not have comparable experience in projects comparable to the Development.

### **Tax-Exempt Status of the Series 2024 Bonds**

The Indenture contains covenants by the City intended to preserve the exclusion from gross income of interest on the Series 2024 Bonds for federal income tax purposes. As discussed under the caption “TAX MATTERS,” interest on the Series 2024 Bonds could become includable in gross income for purposes of federal income taxation retroactive to the date the Series 2024 Bonds were issued as a result of future acts or omissions of the City in violation of its covenants in the Indenture.

Tax legislation, administrative actions taken by tax authorities, or court decisions, whether at the federal or State level, may adversely affect the tax-exempt status of interest on the Series 2024 Bonds under federal or State law and could affect the market price or marketability of the Series 2024 Bonds. Any such proposal could limit the value of certain deductions and exclusions, including the exclusion for tax-exempt interest. The likelihood of any such proposal being enacted cannot be predicted. Prospective purchasers of the Series 2024 Bonds should consult their own tax advisors regarding the foregoing matters.

As further described in “TAX MATTERS” below, failure of the City to comply with the requirements of the Internal Revenue Code of 1986 (the “Code”) and the related legal authorities, or changes in the federal tax law or its application, could cause interest on the Series 2024 Bonds to be included in the gross income of owners of the Bonds for federal income tax purposes, possibly from the date of original issuance of the Series 2024 Bonds. Further, the opinion of Bond Counsel is based on current legal authority, covers certain matters not directly addressed by such authorities, and represents Bond Counsel’s judgment as to the proper treatment of interest on the Series 2024 Bonds for federal income tax purposes. It is not binding on the Internal Revenue Service (“IRS”) or the courts. The IRS has an ongoing program of auditing obligations that are issued and sold as bearing tax-exempt interest to determine whether, in the view of the IRS, interest on such obligations is included in the gross income of the owners thereof for federal income tax purposes. It cannot be predicted if this IRS focus could lead to an audit of the Series 2024 Bonds or what the result would be of any such audit. If an audit of the Series 2024 Bonds is commenced, under current procedures parties other than the City would have little, if any, right to participate in the audit process. Moreover, because achieving judicial review in connection with an audit of tax-exempt obligations is difficult, obtaining an independent review of IRS positions with which the City legitimately disagrees may not be practicable. Any action of the IRS, regardless of the outcome, including but not limited to selection of the Series 2024 Bonds for audit, or the course or result of such audit, or an audit of obligations presenting similar tax issues, may affect the market price for, or the marketability of, the Series 2024 Bonds. Finally, if the IRS ultimately determines that the interest on the Series 2024 Bonds is not excluded from the gross income of Bondholders for federal income tax purposes, the City may not

have the resources to settle with the IRS, the Series 2024 Bonds are not required to be redeemed, and the interest rate on the Series 2024 Bonds will not increase.

### **General Risks of Real Estate Investment and Development**

The Developer has the right to modify or change its plan for development of the District, from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed. No defined “true-up” agreement has been entered into between the City and Developer, nor is there a requirement that future developers or landowners enter into such an agreement. There can be no assurance, in the event the Developer or a subsequent developer modifies or changes its plan for development that the necessary revisions to the Service and Assessment Plan will be made; nor can there be an assurance that the eventual assessment burden on the property will be marketable.

The ability of the Developer to develop lots and the Homebuilders to sell single-family residential homes within Phase #1 of the District may be affected by unforeseen changes in the general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developer, the Landowner, or other owner of the single-family residential lots. In the event that a large number of single-family projects are constructed outside of the District, and compete with the Development, the demand for residential housing within Phase #1 of the District could be reduced, thereby adversely affecting the continued development of the Development, or its attraction to businesses and residents.

Investments in undeveloped or developing real estate are generally considered to be speculative in nature and to involve a high degree of risk. The Development will be subject to the risks generally incident to real estate investments and development. Many factors that may affect the Development, as well as the operating revenues of the Developer, including those derived from the Development, are not within the control of the Developer. Such factors include changes in national, regional and local economic conditions; changes in long and short term interest rates; changes in the climate for real estate purchases; changes in demand for or supply of competing properties; changes in local, regional and national market and economic conditions; unanticipated development costs, market preferences and architectural trends; unforeseen environmental risks and controls; the adverse use of adjacent and neighboring real estate; changes in interest rates and the availability of mortgage funds to buyers of the homes to be built in the Development, which may render the sale of such homes difficult or unattractive; acts of war, terrorism or other political instability; delays or inability to obtain governmental approvals; changes in laws; moratorium; acts of God (which may result in uninsured losses); strikes; labor shortages; energy shortages; material shortages; inflation; adverse weather conditions; contractor or subcontractor defaults; and other unknown contingencies and factors beyond the control of the Developer and the Landowner.

The Development cannot be completed without the Developer obtaining a variety of governmental approvals and permits, some of which have already been obtained. Certain permits are necessary to initiate construction of future improvements in the Development and to allow the occupancy of residences, and to satisfy conditions included in the approvals and permits. There can be no assurance that all of these permits and approvals can be obtained or that the conditions to the approvals and permits can be fulfilled. The failure to obtain any of the required approvals or fulfill any one of the conditions could cause materially adverse financial results for the Developer.

A slowdown of the development process and the related absorption rate within the Development because of any or all of the foregoing could affect adversely land values. The timely payment of the Bonds Similarly Secured, including the Series 2024 Bonds, depends on the willingness and ability of the Landowner, the Homebuilders, and any subsequent owners to pay the Assessments when due. Any or all of the foregoing could reduce the willingness and ability of such owners to pay the Assessments and could greatly reduce the value of the property within Phase #1 of the District in the event such property has to be foreclosed. If Annual Installments of Assessments are not timely paid and there are insufficient funds in the accounts of the Reserve Fund, a nonpayment could result in a payment default under the Indenture.

### **Risks Related to the Current Residential Real Estate Market**

The real estate market is currently experiencing a slowing of new home sales and new home closings due in part to rising inflation and mortgage interest rates. Downturns in the real estate market and other factors beyond the

control of the Developer, the Landowner, and the Homebuilders, including general economic conditions, may impact the timing of parcel, lot, and home sales within Phase #1 of the District. No assurances can be given that projected home prices and buildout values presented in this Limited Offering Memorandum will be realized.

### **Risks Related to Recent Increase in Costs of Building Materials**

As a result of the Pandemic, low supply and high demand and the ongoing trade war, there have been substantial increases in the cost of lumber and other materials, causing many homebuilders and general contractors to experience budget overruns. The Developer is responsible for the construction of the Phase #1 Improvements. The Developer expects to finance a portion of the costs of the Phase #1 Improvements from proceeds of the Series 2024 Bonds. If the Actual Costs of the Phase #1 Improvements are substantially greater than the estimated costs or if the Developer is unable to access building materials in a timely manner, it may affect the ability of the Developer to complete the Phase #1 Improvements or pay the Assessments when due. If the costs of material continue to increase, it may affect the ability of the Homebuilders to construct homes within the District. There is no way to predict whether such cost increases or low supply of building materials will continue or if such continuance will affect the development of the District.

### **Adverse Developments Affecting the Financial Services Industry**

Actual events involving limited liquidity, defaults, non-performance, or other adverse developments that affect financial institutions, transactional counterparties, or other companies in the financial services industry or the financial services industry generally, or concerns or rumors about any events of these kinds or other similar risks, have in the past and may in the future lead to market-wide liquidity problems. For example, on March 10, 2023, Silicon Valley Bank (“SVB”) was closed by the California Department of Financial Protection and Innovation, which appointed the Federal Deposit Insurance Corporation (“FDIC”) as receiver. Similarly, on March 12, 2023, Signature Bank and Silvergate Capital Corp. were each swept into receivership. In March of 2023, UBS agreed to acquire the troubled Credit Suisse, and troubled First Republic Bank received a \$30 billion rescue package from 11 of the biggest U.S. banks in an effort to prevent its collapse; however, on May 1, 2023, the FDIC seized First Republic Bank and sold its assets to JPMorgan Chase & Co.

Although a statement by the Department of the Treasury, the Federal Reserve, and the FDIC stated that all depositors of SVB would have access to all of their money after only one business day of closure, including funds held in uninsured deposit accounts, borrowers under credit agreements, letters of credit, and certain other financial instruments with any financial institution that is placed into receivership by the FDIC may be unable to access undrawn amounts.

If the Developer is unable to access funds pursuant the Development Loan with the Lender, the Developer’s ability to enter into new commercial lending arrangements to complete the Development could be adversely affected. If a Homebuilder uses a line of credit or other financial instrument to finance home construction and is unable to access funds under such line of credit or other financial instrument, the Homebuilder’s ability to take down lots and complete homes could be adversely affected. Additionally, confidence in the safety and soundness of regional banks specifically, or the banking system generally, could impact where customers choose to maintain deposits, which could materially adversely impact the Developer’s and Homebuilder’s liquidity and access loan funding capacity, and results in an impact to operations. Similar impacts to the development industry have occurred in the past.

## Competition

The housing industry in the Dallas-Fort Worth area is very competitive, and none of the Developer, the Landowner, the City, the City’s Financial Advisor, or the Underwriter can give any assurance that the building programs which are planned throughout the District will ever be completed in accordance with the Developer’s expectations. The competitive position of the Developer in the sale of developed lots or of any other Homebuilder in the construction and sale of single-family residential units is affected by most of the factors discussed in this section, and such competitive position is directly related to maintenance of market values in the District.

The following table is a list of competitive single-family residential projects provided by the Developer:

<b>Project Name</b>	<b># of Units</b>	<b>Proximity to Development</b>	<b>Developer</b>	<b>Date Started</b>	<b>Completed /Expected</b>	<b>Prices</b>	<b># of Units Remaining</b>
Windsong Ranch	3,175	1.6 miles	Tellus Group	Q4 2013	Q2 2025	\$529k-\$2.7mm	263
Star Trail	1,734	1.1 miles	Blue Star Land	Q3 2017	TBD	\$775k-\$1.4mm	110
Light Farms	3,383	3.0 miles	Republic Property Group	Q3 2012	TBD	\$473k-\$774k	283
Mustang Lakes	2,739	5.9 miles	Cambridge Companies	Q2 2016	TBD	\$435k-\$2.1mm	119
Lilyana	637	4.9 miles	Hillwood	Q2 2017	TBD	\$659k-\$800k	216

There can be no assurances that other similar projects will not be developed in the future or that existing projects will not be upgraded or otherwise become able to compete with the Development.

## Availability of Utilities

The progress of development within the District is also dependent upon the City providing adequate water and wastewater service to the Development. If the City fails to provide water and wastewater services to the property in the District, the Development cannot be substantially completed, and homebuilders may not purchase lots to construct homes. See “THE DEVELOPMENT – Utilities.”

## Dependence Upon Landowner and Developer and Homebuilders

Until all lots within Phase #1 of the District are sold to residents, the Landowner and the Homebuilders will have the obligation for payment all or a portion of the Assessments. The ability of the Landowner or the Homebuilders to make full and timely payment of the Assessments will directly affect the ability of the City to meet its debt service obligations with respect to the Bonds Similarly Secured, including the Series 2024 Bonds. The sole assets of the Landowner are the Landowner Property, related permits and development rights, and minor operating accounts. There can be no assurances given as to the financial ability of the Landowner to advance any funds to the City to supplement revenues from the Assessments if necessary, or as to whether the Landowner will advance such funds.

The Landowner will not guarantee or otherwise be obligated to pay debt service on the Bonds Similarly Secured, including the Series 2024 Bonds. However, the completion of the Development is dependent upon the receipt of funds from the Developer in addition to proceeds of the Series 2024 Bonds. In addition, payment of the Assessments on the Assessed Property will initially be the responsibility of the Landowner and/or the Homebuilders, as the case may be, as the owners of the Assessed Property when the first Annual Installment becomes due on January 31, 2025.

## TAX MATTERS

### Opinion

The delivery of the Series 2024 Bonds is subject to the opinion of Bond Counsel to the effect that interest on the Series 2024 Bonds for federal income tax purposes (1) will be excludable from gross income, as defined in section 61 of the Internal Revenue Code of 1986, as amended to the date of such opinion (the “Code”), pursuant to section 103 of the Code and existing regulations, published rulings, and court decisions, and (2) will not be included in computing the alternative minimum taxable income of the owners thereof who are individuals. A form of Bond Counsel’s opinion is reproduced as Appendix D. The statutes, regulations, rulings, and court decisions on which such opinion is based are subject to change.

In rendering the foregoing opinions, Bond Counsel will rely upon representations and certifications of the City made in a certificate dated the Closing Date pertaining to the use, expenditure, and investment of the proceeds of the Series 2024 Bonds and will assume continuing compliance by the City with the provisions of the Indenture subsequent to the issuance of the Series 2024 Bonds. The Indenture contains covenants by the City with respect to, among other matters, the use of the proceeds of the Series 2024 Bonds and the facilities financed therewith by persons other than state or local governmental units, the manner in which the proceeds of the Series 2024 Bonds are to be invested, the periodic calculation and payment to the United States Treasury of arbitrage “profits” from the investment of proceeds, and the reporting of certain information to the United States Treasury. Failure to comply with any of these covenants may cause interest on the Series 2024 Bonds to be includable in the gross income of the owners thereof from the date of the issuance of the Series 2024 Bonds.

Bond Counsel’s opinion is not a guarantee of a result, but represents its legal judgment based upon its review of existing statutes, regulations, published rulings and court decisions and the representations and covenants of the City described above. No ruling has been sought from the Internal Revenue Service (the “IRS”) with respect to the matters addressed in the opinion of Bond Counsel, and Bond Counsel’s opinion is not binding on the IRS. The IRS has an ongoing program of auditing the tax-exempt status of the interest on tax-exempt obligations. If an audit of the Series 2024 Bonds is commenced, under current procedures the IRS is likely to treat the City as the “taxpayer,” and the owners of the Series 2024 Bonds would have no right to participate in the audit process. In responding to or defending an audit of the tax-exempt status of the interest on the Series 2024 Bonds, the City may have different or conflicting interests from the owners of the Series 2024 Bonds. Public awareness of any future audit of the Series 2024 Bonds could adversely affect the value and liquidity of the Series 2024 Bonds during the pendency of the audit, regardless of its ultimate outcome.

Except as described above, Bond Counsel expresses no other opinion with respect to any other federal, state or local tax consequences under present law, or proposed legislation, resulting from the receipt or accrual of interest on, or the acquisition or disposition of, the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should be aware that the ownership of tax-exempt obligations such as the Series 2024 Bonds may result in collateral federal tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, certain foreign corporations doing business in the United States, S corporations with subchapter C earnings and profits, corporations subject to alternative minimum tax on adjusted financial statement income, individual recipients of Social Security or Railroad Retirement benefits, individuals otherwise qualifying for the earned income tax credit, owners of an interest in a financial asset securitization investment trust (“FASIT”), and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations. Prospective purchasers should consult their own tax advisors as to the applicability of these consequences to their particular circumstances.

For taxable-years beginning after 2022, the Code imposes a minimum tax of 15 percent of the adjusted financial statement income of certain large corporations, generally consisting of corporations (other than S corporations, regulated investment companies and real estate investment trusts) with more than \$1 billion in average annual adjusted financial statement income, determined over a three-year period. For this purpose, adjusted financial statement income generally consists of the net income or loss of the taxpayer set forth on the taxpayer’s applicable financial statement for the taxable year, subject to various adjustments, but is not reduced for interest earned on tax-exempt obligations, such as the Series 2024 Bonds. Prospective purchasers that could be subject to this minimum tax should consult with their own tax advisors regarding the potential impact of owning the Series 2024 Bonds.

Existing law may change to reduce or eliminate the benefit to bondholders of the exclusion of interest on the Series 2024 Bonds from gross income for federal income tax purposes. Any proposed legislation or administrative action, whether or not taken, could also affect the value and marketability of the Series 2024 Bonds. Prospective purchasers of the Series 2024 Bonds should consult with their own tax advisors with respect to any proposed or future changes in tax law.

### **Tax Accounting Treatment of Discount and Premium on Certain Series 2024 Bonds**

The initial public offering price of certain Series 2024 Bonds (the “Discount Bonds”) may be less than the amount payable on such Series 2024 Bonds at maturity. An amount equal to the difference between the initial public offering price of a Discount Bond (assuming that a substantial amount of the Discount Bonds of that maturity are sold to the public at such price) and the amount payable at maturity constitutes original issue discount to the initial purchaser of such Discount Bond. A portion of such original issue discount allocable to the holding period of such Discount Bond by the initial purchaser will, upon the disposition of such Discount Bond (including by reason of its payment at maturity), be treated as interest excludable from gross income, rather than as taxable gain, for federal income tax purposes, on the same terms and conditions as those for other interest on the Series 2024 Bonds described above under “Tax Exemption.” Such interest is considered to be accrued actuarially in accordance with the constant interest method over the life of a Discount Bond, taking into account the semiannual compounding of accrued interest, at the yield to maturity on such Discount Bond and generally will be allocated to an initial purchaser in a different amount from the amount of the payment denominated as interest actually received by the initial purchaser during the tax year.

However, such interest may be required to be taken into account in determining the amount of the branch profits tax applicable to certain foreign corporations doing business in the United States, even though there will not be a corresponding cash payment. In addition, the accrual of such interest may result in certain other collateral federal income tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, S corporations with subchapter C earnings and profits, individual recipients of Social Security or Railroad Retirement benefits, corporations subject to alternative minimum tax on adjusted financial statement income, individuals otherwise qualifying for the earned income tax credit, owners of an interest in a FASIT, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations. Moreover, in the event of the redemption, sale, or other taxable disposition of a Discount Bond by the initial owner prior to maturity, the amount realized by such owner in excess of the basis of such Discount Bond in the hands of such owner (adjusted upward by the portion of the original issue discount allocable to the period for which such Discount Bond was held) is includable in gross income.

Owners of Discount Bonds should consult with their own tax advisors with respect to the determination of accrued original issue discount on Discount Bonds for federal income tax purposes and with respect to the state and local tax consequences of owning and disposing of Discount Bonds. It is possible that, under applicable provisions governing determination of state and local income taxes, accrued interest on Discount Bonds may be deemed to be received in the year of accrual even though there will not be a corresponding cash payment.

The purchase price of certain Series 2024 Bonds (the “Premium Bonds”) paid by an owner may be greater than the amount payable on such Series 2024 Bonds at maturity. An amount equal to the excess of a purchaser’s tax basis in a Premium Bond over the amount payable at maturity constitutes premium to such purchaser. The basis for federal income tax purposes of a Premium Bond in the hands of such purchaser must be reduced each year by the amortizable bond premium, although no federal income tax deduction is allowed as a result of such reduction in basis for amortizable bond premium. Such reduction in basis will increase the amount of any gain (or decrease the amount of any loss) to be recognized for federal income tax purposes upon a sale or other taxable disposition of a Premium Bond. The amount of premium that is amortizable each year by a purchaser is determined by using such purchaser’s yield to maturity (or, in some cases with respect to a callable Series 2024 Bond, the yield based on a call date that results in the lowest yield on the Series 2024 Bond).

Purchasers of the Premium Bonds should consult with their own tax advisors with respect to the determination of amortizable bond premium on Premium Bonds for federal income tax purposes and with respect to the state and local tax consequences of owning and disposing of Premium Bonds.

## **State, Local and Foreign Taxes**

Investors should consult their own tax advisors concerning the tax implications of the purchase, ownership, or disposition of the Series 2024 Bonds under applicable state or local laws. Foreign investors should also consult their own tax advisors regarding the tax consequences unique to investors who are not United States persons.

## **Changes in Federal and State Tax Law**

From time to time, there are legislative proposals in the United States Congress and in the states that, if enacted, could alter or amend the Federal and State tax matters referred to above or adversely affect the market value or marketability of the Series 2024 Bonds. It cannot be predicted whether or in what form any such proposal might be enacted or whether, if enacted, it would apply to bonds issued prior to enactment. In addition, regulatory actions are from time to time announced or proposed and litigation is threatened or commenced which, if implemented or concluded in a particular manner, could adversely affect the market value or marketability of the Series 2024 Bonds.

Prospective purchasers of the Series 2024 Bonds should consult with their own tax advisors regarding any other federal income tax legislation, whether currently pending or proposed, regulatory initiatives or litigation. The opinions expressed by Bond Counsel are based upon existing legislation and regulations as interpreted by relevant judicial and regulatory authorities as of the date of issuance and delivery of the Series 2024 Bonds and Bond Counsel has expressed no opinion as of any date subsequent thereto or with respect to any pending legislation, regulatory initiatives, or litigation.

The City invests its investable funds in investments authorized by State law in accordance with investment policies approved by the City Council of the City. Both State law and the City's investment policies are subject to change.

## **LEGAL MATTERS**

### **Legal Proceedings**

Delivery of the Series 2024 Bonds will be accompanied by the unqualified approving legal opinion of the Attorney General to the effect that the Series 2024 Bonds are valid and legally binding obligations of the City under the Constitution and laws of the State, payable from the Trust Estate and, based upon their examination of a transcript of certified proceedings relating to the issuance and sale of the Series 2024 Bonds, the legal opinion of Bond Counsel, to a like effect.

Norton Rose Fulbright US LLP, serves as Bond Counsel to the City. Orrick, Herrington & Sutcliffe LLP serves as Underwriter's Counsel. The legal fees paid to Bond Counsel and Underwriter's Counsel are contingent upon the sale and delivery of the Series 2024 Bonds.

### **Legal Opinions**

The City will furnish the Underwriter a transcript of certain certified proceedings incident to the authorization and issuance of the Series 2024 Bonds. Such transcript will include a certified copy of the approving opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State, to the effect that the Series 2024 Bonds are valid and binding special obligations of the City. The City will also furnish the legal opinion of Bond Counsel, to the effect that, based upon an examination of such transcript, the Series 2024 Bonds are valid and binding special obligations of the City under the Constitution and laws of the State. The legal opinion of Bond Counsel will further state that the Series 2024 Bonds, including principal thereof and interest thereon, are payable from and secured by a pledge of and lien on the Pledged Revenues. Bond Counsel will also provide a legal opinion to the effect that interest on the Series 2024 Bonds will be excludable from gross income for federal income tax purposes under Section 103(a) of the Code, subject to the matters described above under the caption "TAX MATTERS." A copy of the form of the opinion of Bond Counsel is attached hereto as "APPENDIX D – Form of Opinion of Bond Counsel."

Except as noted below, Bond Counsel did not take part in the preparation of the Limited Offering Memorandum, and such firm has not assumed any responsibility with respect thereto or undertaken independently to

verify any of the information contained therein, except that, in its capacity as Bond Counsel, such firm has reviewed the information describing the Series 2024 Bonds herein under the captions or subcaptions “PLAN OF FINANCE – The Series 2024 Bonds, The Phase #1 Reimbursement Agreement, and Future Phase Bonds,” “DESCRIPTION OF THE SERIES 2024 BONDS,” “SECURITY FOR THE BONDS SIMILARLY SECURED,” “ASSESSMENT PROCEDURES” (except for the subcaptions “Assessment Methodology” and “Assessment Amounts”), “THE DISTRICT,” “TAX MATTERS,” “LEGAL MATTERS – Legal Proceedings” (first paragraph only) and “– Legal Opinions,” “CONTINUING DISCLOSURE – The City,” “REGISTRATION AND QUALIFICATION OF BONDS FOR SALE,” “LEGAL INVESTMENTS AND ELIGIBILITY TO SECURE PUBLIC FUNDS IN TEXAS” and APPENDIX B and such firm is of the opinion that the information relating to the Series 2024 Bonds, the Series 2024 Bond Ordinance, the Assessment Ordinance, and the Indenture contained therein fairly and accurately describes the laws and legal issues addressed therein and, with respect to the Series 2024 Bonds, such information conforms to the Series 2024 Bond Ordinance, the Assessment Ordinance, and the Indenture.

The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds express the professional judgment of the attorneys rendering the opinions as to the legal issues explicitly addressed therein. In rendering a legal opinion, the attorney does not become an insurer or guarantor of that expression of professional judgment, of the transaction opined upon, or of the future performance of the parties to the transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

#### **Litigation – The City**

At the time of delivery and payment for the Series 2024 Bonds, the City will certify that, except as disclosed herein, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, regulatory agency, public board or body, pending or overtly threatened against the City affecting the existence of the District, or seeking to restrain or to enjoin the sale or delivery of the Series 2024 Bonds, the application of the proceeds thereof, in accordance with the Indenture, or the collection or application of Assessments securing the Series 2024 Bonds, or in any way contesting or affecting the validity or enforceability of the Series 2024 Bonds, the Assessment Ordinance, the Indenture, any action of the City contemplated by any of the said documents, or the collection or application of the Pledged Revenues, or in any way contesting the completeness or accuracy of this Limited Offering Memorandum or any amendment or supplement thereto, or contesting the powers of the City or its authority with respect to the Series 2024 Bonds or any action of the City contemplated by any documents relating to the Series 2024 Bonds.

#### **Litigation – Landowner**

At the time of delivery and payment for the Series 2024 Bonds, the Landowner will certify that, except as disclosed herein, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, regulatory body, public board or body pending, or, to the best knowledge of the Landowner, threatened against or affecting the Landowner wherein an unfavorable decision, ruling or finding would have a material adverse effect on the financial condition or operations of the Landowner or its general partner or would adversely affect (i) the transactions contemplated by, or the validity or enforceability of, the Series 2024 Bonds, the Indenture, the Series 2024 Bond Ordinance, the Service and Assessment Plan, the PID Reimbursement Agreement, the Development Agreement, or otherwise described in this Limited Offering Memorandum, or (ii) the tax-exempt status of interest on the Series 2024 Bonds.

### **ENFORCEABILITY OF REMEDIES**

The remedies available to the owners of the Series 2024 Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions, which are often subject to discretion and delay. See “BONDHOLDERS’ RISKS – Bondholders’ Remedies and Bankruptcy.” Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2024 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2024 Bonds will be qualified, as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by governmental immunity, bankruptcy, reorganization, insolvency, or other similar laws affecting the rights of creditors and enacted before or after such delivery, and by general principles of equity that permit the exercise of judicial discretion.

## **NO RATING**

No application for a rating on the Series 2024 Bonds has been made to any rating agency, nor is there any reason to believe that the City would have been successful in obtaining an investment grade rating for the Series 2024 Bonds had application been made.

## **CONTINUING DISCLOSURE**

### **The City**

Pursuant to Rule 15c2-12 of the Securities and Exchange Commission (the “Rule”), the City, the Administrator, and HTS Continuing Disclosure Services, a Division of Hilltop Securities Inc. (in such capacity, the “Dissemination Agent”) will enter into a Continuing Disclosure Agreement (the “Disclosure Agreement of the Issuer”) for the benefit of the Owners of the Series 2024 Bonds (including owners of beneficial interests in the Series 2024 Bonds), to provide, by certain dates prescribed in the Disclosure Agreement of the Issuer, certain financial information and operating data relating to the City (collectively, the “City Reports”). The specific nature of the information to be contained in the City Reports is set forth in “APPENDIX E-1 – Form of Disclosure Agreement of Issuer.” Under certain circumstances, the failure of the City to comply with its obligations under the Disclosure Agreement of the Issuer constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement of the Issuer would allow the Owners of the Series 2024 Bonds (including owners of beneficial interests in the Series 2024 Bonds) to bring an action for specific performance.

The City has agreed to update information and to provide notices of certain specified events only as provided in the Disclosure Agreement of Issuer. The City has not agreed to provide other information that may be relevant or material to a complete presentation of its financial results of operations, condition, or prospects or agreed to update any information that is provided in this Limited Offering Memorandum, except as provided in the Disclosure Agreement of Issuer. The City makes no representation or warranty concerning such information or concerning its usefulness to a decision to invest in or sell the Series 2024 Bonds at any future date. The City disclaims any contractual or tort liability for damages resulting in whole or in part from any breach of the Disclosure Agreement of Issuer or from any statement made pursuant to the Disclosure Agreement of Issuer.

### **The City’s Compliance with Prior Undertakings**

Except as described below, during the last five years, the City has complied in all material respects with its continuing disclosure agreements made in accordance with the Rule.

In connection with the City’s Special Assessment Revenue Bonds, Series 2018 (Creeks of Legacy Public Improvement District Phase #1B Project), the City timely filed certain financial information and operating data for the fiscal year ended September 30, 2018, and for the fiscal year ended September 30, 2019, required by its continuing disclosure undertaking related to such bonds. Due to an administrative oversight, such filings did not include certain information of the general type included in “Table 4 – TIRZ Collection and Credit Information in Phase #1 of the District” and “Table 5 – Collection and Delinquency History in Assessments in Phase #1 of the District” of the final Limited Offering Memorandum for such bonds. On December 3, 2019, the City filed on EMMA the omitted information contained in Table 4 related to its Fiscal Year 2018 filing, as well as a notice of failure to timely file such information. Due to an administrative oversight, the omitted information contained in Table 5 was not included in the City’s December 3, 2019, supplemental filing. Additionally, on July 2, 2020, the City filed on EMMA the omitted information contained in Table 4 and Table 5 related to its Fiscal Year 2019 filing along with a notice of failure to timely file such information.

### **The Landowner**

The Landowner, the Administrator, and the Dissemination Agent will enter into a Continuing Disclosure Agreement of Landowner (the “Disclosure Agreement of Landowner”) for the benefit of the Owners of the Series 2024 Bonds (including owners of beneficial interests in the Series 2024 Bonds) to provide, by certain dates prescribed in the Disclosure Agreement of Landowner, certain information regarding the Development and the Phase #1 Improvements (the “Landowner Reports”). The specific nature of the information to be contained in the Landowner

Reports is set forth in “APPENDIX E-2 – Form of Disclosure Agreement of Landowner.” Under certain circumstances, the failure of the Landowner or the Administrator to comply with its obligations under the Disclosure Agreement of Landowner constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of would allow the Owners of the Series 2024 Bonds (including owners of beneficial interests in the Series 2024 Bonds) to bring an action for specific performance.

The Landowner has agreed to provide (i) certain updated information to the Administrator, which will then prepare and provide such updated information in report form and (ii) notices of certain specified events, only as provided in the Disclosure Agreement of Landowner. The Landowner has not agreed to provide other information that may be relevant or material to a complete presentation of its financial results of operations, condition, or prospects or agreed to update any information that is provided in this Limited Offering Memorandum, except as specifically provided in the Disclosure Agreement of Landowner. The Landowner makes no representation or warranty concerning such information or concerning its usefulness to a decision to invest in or sell the Series 2024 Bonds at any future date. The Landowner disclaims any contractual or tort liability for damages resulting in whole or in part from any breach of the Disclosure Agreement of Landowner or from any statement made pursuant to the Disclosure Agreement of Landowner.

### **The Landowner’s Compliance with Prior Undertakings**

For the past five years, the Landowner has complied in all material respects with its continuing disclosure agreements made pursuant to the Rule.

## **UNDERWRITING**

FMSbonds, Inc. (the “Underwriter”) has agreed to purchase the Series 2024 Bonds from the City at a purchase price of \$\_\_\_\_\_ (representing the par amount of the Series 2024 Bonds, less an underwriting discount of \$\_\_\_\_\_, which includes Underwriter’s Counsel’s fee). The Underwriter’s obligations are subject to certain conditions precedent and if obligated to purchase any of the Series 2024 Bonds the Underwriter will be obligated to purchase all of the Series 2024 Bonds. Subject to certain restrictions contained in the bond purchase agreement, the Series 2024 Bonds may be offered and sold by the Underwriter at prices lower than the initial offering prices stated on the inside cover page hereof, and such initial offering prices may be changed from time to time by the Underwriter.

## **REGISTRATION AND QUALIFICATION OF BONDS FOR SALE**

The sale of the Series 2024 Bonds has not been registered under the Federal Securities Act of 1933, as amended, in reliance upon the exemption provided thereunder by Section 3(a)(2); and the Series 2024 Bonds have not been qualified under the Securities Act of Texas in reliance upon various exemptions contained therein; nor have the Series 2024 Bonds been qualified under the securities acts of any other jurisdiction. The City assumes no responsibility for qualification of the Series 2024 Bonds under the securities laws of any jurisdiction in which the Series 2024 Bonds may be sold, assigned, pledged, hypothecated or otherwise transferred. This disclaimer of responsibility for qualification for sale or other disposition of the Series 2024 Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration provisions.

## **LEGAL INVESTMENTS AND ELIGIBILITY TO SECURE PUBLIC FUNDS IN TEXAS**

The PID Act and Section 1201.041 of the Public Security Procedures Act (Chapter 1201, Texas Government Code, as amended) provide that the Series 2024 Bonds are negotiable instruments and investment securities governed by Chapter 8, Texas Business and Commerce Code, as amended, and are legal and authorized investments for insurance companies, fiduciaries, trustees, or for the sinking funds of municipalities or other political subdivisions or public agencies of the State. With respect to investment in the Series 2024 Bonds by municipalities or other political subdivisions or public agencies of the State, the PFIA requires that the Series 2024 Bonds be assigned a rating of at least “A” or its equivalent as to investment quality by a national rating agency. See “NO RATING” above. In addition, the PID Act and various provisions of the Texas Finance Code provide that, subject to a prudent investor standard, the Series 2024 Bonds are legal investments for state banks, savings banks, trust companies with capital of one million dollars or more, and savings and loan associations. The Series 2024 Bonds are eligible to secure deposits to the extent of their market value. No review by the City has been made of the laws in other states to determine whether the Series 2024 Bonds are legal investments for various institutions in those states. No representation is made that the Series

2024 Bonds will be acceptable to public entities to secure their deposits or acceptable to such institutions for investment purposes.

The City made no investigation of other laws, rules, regulations, or investment criteria which might apply to such institutions or entities, or which might limit the suitability of the Series 2024 Bonds for any of the foregoing purposes or limit the authority of such institutions or entities to purchase or invest in the Series 2024 Bonds for such purposes.

## INVESTMENTS

The City invests its funds in investments authorized by State law in accordance with investment policies approved by the City Council. Both State law and the City's investment policies are subject to change.

Section 270.2a-7), promulgated under the Investment Company Act of 1940 (15 U.S.C. Section 80a-1 et seq.); and (14) no-load mutual funds registered with the SEC that have an average weighted maturity of less than two years, and either (a) a duration of one year or more and invest exclusively in obligations described in under this heading, or (b) a duration of less than one year and the investment portfolio is limited to investment grade securities, excluding asset-backed securities. In addition, bond proceeds may be invested in guaranteed investment contracts that have a defined termination date and are secured by obligations, including letters of credit, of the United States or its agencies and instrumentalities, other than the prohibited obligations described below, in an amount at least equal to the amount of bond proceeds invested under such contract and are pledged to the City and deposited with the City or a third party selected and approved by the City.

The City may invest in such obligations directly or through government investment pools that invest solely in such obligations provided that the pools are rated no lower than “AAA” or “AAA-m” or an equivalent by at least one nationally recognized rating service. The City may also contract with an investment management firm registered under the Investment Advisers Act of 1940 (15 U.S.C. Section 80b-1 et seq.) or with the State Securities Board to provide for the investment and management of its public funds or other funds under its control for a term up to two years, but the City retains ultimate responsibility as fiduciary of its assets. In order to renew or extend such a contract, the City must do so by order, ordinance, or resolution. The City is specifically prohibited from investing in: (1) obligations whose payment represents the coupon payments on the outstanding principal balance of the underlying mortgage-backed security collateral and pays no principal; (2) obligations whose payment represents the principal stream of cash flow from the underlying mortgage-backed security and bears no interest; (3) collateralized mortgage obligations that have a stated final maturity of greater than ten (10) years; and (4) collateralized mortgage obligations the interest rate of which is determined by an index that adjusts opposite to the changes in a market index.

Political subdivisions such as the City are authorized to implement securities lending programs if (i) the securities loaned under the program are 100% collateralized, a loan made under the program allows for termination at any time and a loan made under the program is either secured by (a) obligations that are described in clauses (1) through (8) above, (b) irrevocable letters of credit issued by a state or national bank that is continuously rated by a nationally recognized investment rating firm at not less than “A” or its equivalent or (c) cash invested in obligations described in clauses (1) through (8) above, clauses (12) through (14) above, or an authorized investment pool; (ii) securities held as collateral under a loan are pledged to the City, held in the City’s name and deposited at the time the investment is made with the City or a third party designated by the City; (iii) a loan made under the program is placed through either a primary government securities dealer or a financial institution doing business in the State; and (iv) the agreement to lend securities has a term of one year or less.

Under State law, the City is required to invest its funds under written investment policies that primarily emphasize safety of principal and liquidity; that address investment diversification, yield, maturity, and the quality and capability of investment management; and that include a list of authorized investments for City funds, the maximum allowable stated maturity of any individual investment, the maximum average dollar-weighted maturity allowed for pooled fund groups, methods to monitor the market price of investments acquired with public funds, a requirement for settlement of all transactions, except investment pool funds and mutual funds, on a delivery versus payment basis, and procedures to monitor rating changes in investments acquired with public funds and the liquidation of such investments consistent with the PFIA. All City funds must be invested consistent with a formally adopted “Investment Strategy Statement” that specifically addresses each fund’s investment. Each Investment Strategy Statement will describe its objectives concerning: (1) suitability of investment type, (2) preservation and safety of principal, (3) liquidity, (4) marketability of each investment, (5) diversification of the portfolio, and (6) yield.

Under State law, the City’s investments must be made “with judgment and care, under prevailing circumstances, that a person of prudence, discretion, and intelligence would exercise in the management of the person’s own affairs, not for speculation, but for investment considering the probable safety of capital and the probable income to be derived.” At least quarterly the City’s investment officers must submit an investment report to the City Council detailing: (1) the investment position of the City, (2) that all investment officers jointly prepared and signed

the report, (3) the beginning market value, the ending market value and the fully accrued interest for the reporting period of each pooled fund group, (4) the book value and market value of each separately listed asset at the end of the reporting period, (5) the maturity date of each separately invested asset, (6) the account or fund or pooled fund group for which each individual investment was acquired, and (7) the compliance of the investment portfolio as it relates to: (a) adopted investment strategies and (b) State law. No person may invest City funds without express written authority from the City Council.

Under State law, the City is additionally required to: (1) annually review its adopted policies and strategies; (2) adopt by written instrument a rule, order, ordinance or resolution stating that it has reviewed its investment policy and investment strategies and records any changes made to either its investment policy or investment strategy in the respective rule, order, ordinance or resolution; (3) require any investment officers with personal business relationships or relatives with firms seeking to sell securities to the City to disclose the relationship and file a statement with the Texas Ethics Commission and the City Council; (4) require the qualified representative of firms offering to engage in an investment transaction with the City to: (a) receive and review the City's investment policy, (b) acknowledge that reasonable controls and procedures have been implemented to preclude investment transactions conducted between the City and the business organization that are not authorized by the City's investment policy (except to the extent that this authorization is dependent on an analysis of the makeup of the entity's entire portfolio, requires an interpretation of subjective investment standards or relates to investment transactions of the entity that are not made through accounts or other contractual arrangements over which the business organization has accepted discretionary investment authority), and (c) deliver a written statement in a form acceptable to the City and the business organization attesting to these requirements; (5) in conjunction with its annual financial audit, perform a compliance audit of the management controls on investments and adherence to the City's investment policy; (6) provide specific investment training for the Treasurer, chief financial officer and investment officers; (7) restrict reverse repurchase agreements to not more than ninety (90) days and restrict the investment of reverse repurchase agreement funds to no greater than the term of the reverse purchase agreement; (8) restrict the investment in no-load mutual funds in the aggregate to no more than fifteen percent (15%) of the City's monthly average fund balance, excluding bond proceeds and reserves and other funds held for debt service; (9) require local government investment pools to conform to the new disclosure, rating, net asset value, yield calculation, and advisory board requirements; and (10) at least annually review, revise and adopt a list of qualified brokers that are authorized to engage in investment transactions with the City.

(a) So long as any Bond Similarly Secured remains Outstanding, the City shall cause the Paying Agent/Registrar to keep at the Designated Payment/Transfer Office a Register in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds Similarly Secured in accordance with this Indenture. The Paying Agent/Registrar represents and warrants that it will file and maintain a copy of the Register with the City, and shall cause the Register to be current with all registration and transfer information as from time to time may be applicable.

(b) A Bond Similarly Secured shall be transferable only upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar. No transfer of any Bond Similarly Secured shall be effective until entered in the Register.

(c) The Bonds Similarly Secured shall be exchangeable upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar for a Bond Similarly Secured or Bonds Similarly Secured of the same series, and of the same maturity and bearing the same interest rate and in any Authorized Denomination and in an aggregate principal amount equal to the unpaid principal amount of the Bond Similarly Secured presented for exchange.

(d) The Trustee is hereby authorized to authenticate and deliver Bonds Similarly Secured transferred or exchanged for other Bonds Similarly Secured in accordance with this Section. A new Bond Similarly Secured or Bonds Similarly Secured will be delivered by the

Paying Agent/Registrar, in lieu of the Bond Similarly Secured being transferred or exchanged, at the Designated Payment/Transfer Office, or sent by United States mail, first-class, postage prepaid, to the Owner or his designee. Each transferred Bond Similarly Secured delivered by the Paying Agent/Registrar in accordance with this Section shall constitute an original contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond Similarly Secured or Bonds Similarly Secured in lieu of which such transferred Bond Similarly Secured is delivered.

(e) Each exchange Bond Similarly Secured delivered in accordance with this Section shall constitute an original contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond Similarly Secured or Bonds Similarly Secured in lieu of which such exchange Bond Similarly Secured is delivered.

(f) No service charge shall be made to the Owner for the initial registration, subsequent transfer, or exchange for a different Authorized Denomination of any of the Bonds Similarly Secured. The Paying Agent/Registrar, however, may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer, or exchange of a Bond Similarly Secured.

(g) Neither the City nor the Paying Agent/Registrar shall be required to issue, transfer, or exchange any Bond Similarly Secured or portion thereof called for redemption prior to maturity within forty-five (45) days prior to the date fixed for redemption; provided, however, such limitation shall not be applicable to an exchange by the Owner of the uncalled principal balance of a Bond Similarly Secured redeemed in part.

#### Section 3.8. Cancellation.

All Bonds Similarly Secured paid or redeemed before scheduled maturity in accordance with this Indenture, and all Bonds Similarly Secured in lieu of which exchange Bonds Similarly Secured or replacement Bonds Similarly Secured are authenticated and delivered in accordance with this Indenture, shall be cancelled, and proper records shall be made regarding such payment, redemption, exchange, or replacement. The Paying Agent/Registrar shall dispose of cancelled Bonds Similarly Secured in accordance with the records retention requirements of the Trustee.

#### Section 3.9. Temporary Bonds Similarly Secured.

(a) Following the delivery and registration of the respective Initial Bond and pending the preparation of definitive Bonds, the proper officers of the City may execute and, upon the City's request, the Trustee shall authenticate and deliver, one or more temporary Bonds Similarly Secured that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Bonds Similarly Secured in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers of the City executing such temporary Bonds Similarly Secured may determine, as evidenced by their signing of such temporary Bonds Similarly Secured.

(b) Until exchanged for Bonds Similarly Secured in definitive form, such Bonds Similarly Secured in temporary form shall be entitled to the benefit and security of this Indenture.

(c) The City, without unreasonable delay, shall prepare, execute and deliver to the Trustee the Bonds Similarly Secured in definitive form; thereupon, upon the presentation and

surrender of the Bond Similarly Secured or Bonds Similarly Secured in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Bonds Similarly Secured in temporary form and the Trustee shall authenticate and deliver in exchange therefor a Bond Similarly Secured or Bonds Similarly Secured of the same maturity and series, in definitive form, in the Authorized Denomination, and in the same aggregate principal amount, as the Bond Similarly Secured or Bonds Similarly Secured in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.10. Replacement Bonds Similarly Secured.

(a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond Similarly Secured, the Trustee shall authenticate and deliver in exchange therefor a replacement Bond Similarly Secured of like tenor and principal amount, bearing a number not contemporaneously outstanding. The City or the Paying Agent/Registrar may require the Owner of such Bond Similarly Secured to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond Similarly Secured is lost, apparently destroyed or wrongfully taken, the Trustee, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond Similarly Secured has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond Similarly Secured of like tenor and principal amount bearing a number not contemporaneously outstanding, provided that the Owner first complies with the following requirements:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond Similarly Secured;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the Trustee to save them and the City harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Trustee and the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the City and the Trustee.

(c) After the delivery of such replacement Bond Similarly Secured, if a bona fide purchaser of the original Bond Similarly Secured in lieu of which such replacement Bond Similarly Secured was issued presents for payment such original Bond Similarly Secured, the City and the Paying Agent/Registrar shall be entitled to recover such replacement Bond Similarly Secured from the Person to whom it was delivered or any Person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost, or expense incurred by the City, the Paying Agent/Registrar or the Trustee in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond Similarly Secured has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond Similarly Secured, may

pay such Bond Similarly Secured if it has become due and payable or may pay such Bond Similarly Secured when it becomes due and payable.

(e) Each replacement Bond Similarly Secured delivered in accordance with this Section shall constitute an original additional contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond Similarly Secured or Bonds Similarly Secured in lieu of which such replacement Bond Similarly Secured is delivered.

Section 3.11. Book-Entry Only System.

The Bonds Similarly Secured shall initially be issued in book-entry-only form and shall be deposited with DTC, which is hereby appointed to act as the securities depository therefor, in accordance with the letter of representations from the City to DTC. On the Closing Date of each series of Bonds Similarly Secured, the definitive Bonds Similarly Secured shall be issued in the form of a single typewritten certificate for each maturity thereof registered in the name of Cede & Co., as nominee for DTC.

With respect to Bonds Similarly Secured registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any Person on behalf of whom such a DTC Participant holds an interest in the Bonds Similarly Secured. Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds Similarly Secured, (ii) the delivery to any DTC Participant or any other Person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds Similarly Secured, including any notice of redemption, or (iii) the payment to any DTC Participant or any other Person, other than an Owner, as shown in the Register of any amount with respect to principal of, premium, if any, or interest on the Bonds Similarly Secured. Notwithstanding any other provision of this Indenture to the contrary, the City and the Paying Agent/Registrar shall be entitled to treat and consider the Person in whose name each Bond Similarly Secured is registered in the Register as the absolute owner of such Bond Similarly Secured for the purpose of payment of principal of, premium, if any, and interest on such Bond Similarly Secured, for the purpose of giving notices of redemption and other matters with respect to such Bond Similarly Secured, for the purpose of registering transfer with respect to such Bond Similarly Secured, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds Similarly Secured only to or upon the order of the respective Owners as shown in the Register, as provided in this Indenture, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds Similarly Secured to the extent of the sum or sums so paid. No Person other than an Owner, as shown in the Register, shall receive a certificate evidencing the obligation of the City to make payments of amounts due pursuant to this Indenture. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Indenture with respect to interest checks or drafts being mailed to the registered owner at the close of business on the relevant Record Date, the word "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

Section 3.12. Successor Securities Depository: Transfer Outside Book-Entry-Only System.

In the event that the City determines that DTC is incapable of discharging its responsibilities described herein and in the letter of representations from the City to DTC, the City shall (i) appoint a successor securities depository, qualified to act as such under Section 17A of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds Similarly Secured to such successor securities depository; or (ii) notify DTC and DTC Participants of the availability through DTC of certificated Bonds Similarly Secured and cause the Paying Agent/Registrar to transfer one or more separate registered Bonds Similarly Secured to DTC Participants having Bonds Similarly Secured credited to their DTC accounts. In such event, the Bonds Similarly Secured shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds Similarly Secured shall designate, in accordance with the provisions of this Indenture.

Section 3.13. Payments to Cede & Co.

Notwithstanding any other provision of this Indenture to the contrary, so long as any Bonds Similarly Secured are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bonds Similarly Secured, and all notices with respect to such Bonds Similarly Secured shall be made and given, respectively, in the manner provided in the blanket letter of representations from the City to DTC.

(ii) At least forty-five (45) days prior to each mandatory sinking fund redemption date, and subject to any prior reduction authorized by subparagraphs (iii) and (iv) of this Section 4.2(a), the Trustee shall select a principal amount of Bonds (in accordance with Section 4.5) of such maturity equal to the Sinking Fund Installment amount of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in Section 4.6.

(iii) The principal amount of Bonds of a Stated Maturity required to be redeemed on any mandatory sinking fund redemption date pursuant to subparagraph (i) of this Section 4.2(a) shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least forty-five (45) days prior to the mandatory sinking fund redemption date shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued and unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation.

(iv) The principal amount of Bonds required to be redeemed on any mandatory sinking fund redemption date pursuant to subparagraph (i) of this Section 4.2(a) shall be reduced on a pro rata basis among Sinking Fund Installments by the principal amount of any Bonds which, at least forty-five (45) days prior to the mandatory sinking fund redemption date, shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.

Section 4.3. Optional Redemption.

(a) The Bonds.

(i) The City reserves the right and option to redeem Bonds maturing on or after September 1, 2043, before their respective scheduled maturity dates, in whole or in part, on any date on or after September 1, 2033, such redemption date or dates to be fixed by the City, at the Redemption Price.

Section 4.4. Extraordinary Optional Redemption.

Notwithstanding any provision in this Indenture to the contrary, the City reserves the right and option to redeem Bonds Similarly Secured before their respective scheduled maturity dates, in whole or in part and in an amount and on a date specified in a City Certificate, at the Redemption Price of such Bonds Similarly Secured, or portions thereof, to be redeemed from amounts on deposit in the Redemption Fund as a result of Prepayments (including related transfers to the Redemption Fund made pursuant to the terms of this Indenture, any other transfers to the Redemption Fund under the terms of this Indenture, or as a result of unexpended amounts transferred from the Project Fund pursuant to the terms of this Indenture). The City will provide the Trustee a City Certificate directing the Bonds to be redeemed pursuant to this Section 4.4 in accordance with the provisions of Section 4.5 hereof.

Section 4.5. Partial Redemption.

(a) If less than all of a series of Bonds Similarly Secured are to be redeemed pursuant to Sections 4.2, 4.3, or 4.4, Bonds Similarly Secured shall be redeemed in minimum principal amounts of \$1,000 or any integral multiple thereof. Each Bond Similarly Secured shall be treated as representing the number of bonds that is obtained by dividing the principal amount of such series of Bonds Similarly Secured by \$1,000. No redemption shall result in a Bond Similarly Secured in a denomination of less than the Authorized Denomination in effect at that time; provided, however, if the amount of the Outstanding Bond Similarly Secured is less than an Authorized Denomination after giving effect to such partial redemption, a Bond Similarly Secured in the principal amount equal to the unredeemed portion, but not less than \$1,000, may be issued.

(b) In selecting the Bonds Similarly Secured to be redeemed pursuant to Section 4.2, the Trustee may select Bonds Similarly Secured in any method that results in a random selection.

(c) In selecting the Bonds Similarly Secured to be redeemed pursuant to Section 4.3, the Trustee may rely on the directions provided in a City Certificate.

(d) If less than all of a series of Bonds Similarly Secured are called for extraordinary optional redemption pursuant to Section 4.4 hereof, the Bonds Similarly Secured or portion of a Bond Similarly Secured, as applicable, of such series to be redeemed shall be selected in the following manner:

(i) with respect to a Substantial Amount Redemption, the principal amount called for redemption shall be allocated on a pro rata basis among all Outstanding Bonds Similarly Secured of such series; and

(ii) with respect to a Minor Amount Redemption, the Outstanding Bonds Similarly Secured of such series shall be redeemed in inverse order of maturity.

(e) Upon surrender of any Bond Similarly Secured for redemption in part, the Trustee, in accordance with Section 3.7 of this Indenture, shall authenticate and deliver an exchange Bond Similarly Secured or Bonds Similarly Secured of the same series and in an aggregate principal amount equal to the unredeemed portion of the Bond Similarly Secured so surrendered, such exchange being without charge.

#### Section 4.6. Notice of Redemption to Owners.

(a) The Trustee shall give notice of any redemption of Bonds Similarly Secured by sending notice by United States mail, first-class, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond Similarly Secured or portion thereof to be redeemed, at the address shown in the Register. So long as the Bonds Similarly Secured are in book-entry-only form and held by DTC as security depository, references to Owner in this Indenture means Cede & Co., as nominee for DTC.

(b) The notice shall state the redemption date, the Redemption Price, the place at which the Bonds Similarly Secured are to be surrendered for payment, and, if less than all the Outstanding Bonds Similarly Secured are to be redeemed, and subject to Section 4.5 hereof, an identification of the Bonds Similarly Secured or portions thereof to be redeemed, any conditions to such redemption and that on the redemption date, if all conditions, if any, to such redemption have been satisfied, such Bond Similarly Secured shall become due and payable.

(c) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

(d) The City has the right to rescind any optional redemption or extraordinary optional redemption described in Section 4.3 or 4.4 by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds are not available on the date fixed for redemption for the payment in full of the Bonds Similarly Secured then called for redemption, and such cancellation shall not constitute an Event of Default under the Indenture. The Trustee shall mail notice of rescission of redemption in the same manner notice of redemption was originally provided.

(e) With respect to any optional redemption of the Bonds Similarly Secured, unless the Trustee has received funds sufficient to pay the Redemption Price of the Bonds Similarly Secured to be redeemed before giving of a notice of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed

for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not satisfied and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds Similarly Secured and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds Similarly Secured have not been redeemed.

Section 4.7. Payment Upon Redemption.

(a) The Trustee shall make provision for the payment of the Bonds Similarly Secured to be redeemed on such date by setting aside and holding in trust an amount from the Redemption Fund or otherwise received by the Trustee from the City and shall use such funds solely for the purpose of paying the Redemption Price on the Bonds Similarly Secured being redeemed.

(b) Upon presentation and surrender of any Bond Similarly Secured called for redemption at the Designated Payment/Transfer Office of the Trustee on or after the date fixed for redemption, the Trustee shall pay the Redemption Price on such Bond Similarly Secured to the date of redemption from the moneys set aside for such purpose.

Section 4.8. Effect of Redemption.

Notice of redemption having been given as provided in Section 4.6 of this Indenture, the Bonds Similarly Secured or portions thereof called for redemption shall become due and payable on the date fixed for redemption provided that funds for the payment of the Redemption Price of such Bonds Similarly Secured to the date fixed for redemption are on deposit with the Trustee; thereafter, such Bonds Similarly Secured or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Bonds Similarly Secured are presented and surrendered for payment on such date.

It is expressly provided, however, that the presence or absence of CUSIP numbers on the Bonds Similarly Secured shall be of no significance or effect as regards the legality thereof; and none of the City, the Trustee, nor the attorneys approving said Bonds Similarly Secured as to legality are to be held responsible for CUSIP numbers incorrectly printed on the Bonds Similarly Secured.

From amounts deposited into the Pledged Revenue Fund, the City shall deposit or cause to be deposited Pledged Revenues as follows: (i) first, to the Bond Pledged Revenue Account of the Pledged Revenue Fund in an amount sufficient to pay debt service on the Bonds Similarly Secured next coming due in such calendar year, (ii) second, to the Reserve Account of the Reserve Fund in an amount to cause the amount in the Reserve Account to equal the Reserve Account Requirement, in accordance with Section 6.7(a) hereof, (iii) third, to the Additional Interest Reserve Account of the Reserve Fund in an amount equal to the Additional Interest collected, if any, in accordance with Section 6.7(b) hereof, (iv) fourth, to the Developer Reimbursement Pledged Revenue Account of the Pledged Revenue Fund to pay the Developer for costs of Phase #1 Improvements that have been paid by the Developer (including any accrued interest) pursuant to the terms of the PID Reimbursement Agreement, (v) fifth, to pay Actual Costs of the Phase #1 Improvements, and (vi) sixth, to pay other costs permitted by the PID Act. Moneys transferred to the Developer Reimbursement Pledged Revenue Account shall not be a part of the Trust Estate and are not security for the Bonds Similarly Secured.

(b) From time to time as needed to pay the obligations relating to the Bonds Similarly Secured, but no later than five (5) Business Days before each Interest Payment Date, the Trustee shall withdraw from the Bond Pledged Revenue Account and transfer to the Principal and Interest Account of the Bond Fund, an amount, taking into account any amounts then on deposit in such Principal and Interest Account and any expected transfers from the Capitalized Interest Account to the Principal and Interest Account, such that the amount on deposit in the Principal and Interest Account equals the principal (including any Sinking Fund Installments) and interest due on the Bonds Similarly Secured on the next Interest Payment Date.

(b) If amounts in the Principal and Interest Account are insufficient for the purposes set forth in paragraph (a) above, the Trustee shall withdraw from the Reserve Fund amounts to cover the amount of such insufficiency in the order described in Section 6.7(f) hereof. Amounts so withdrawn from the Reserve Fund shall be deposited in the Principal and Interest Account and transferred to the Paying Agent/Registrar.

Any amounts on deposit in the Capitalized Interest Account after the payment of interest on the dates and in the amounts listed above shall be transferred to the Phase #1 Improvement Account of the Project Fund, as directed by the City pursuant to a City Certificate, or if the Phase #1 Improvement Account has been closed as provided in Section 6.5(e) herein, such amounts shall be transferred to the Redemption Fund to be used to redeem Bonds Similarly Secured and the Capitalized Interest Account shall be closed.

Section 6.5. Project Fund.

(a) Money on deposit in the Project Fund shall be used for the purposes specified in Section 3.1 hereof.

(b) Disbursements from the Costs of Issuance Account of the Project Fund shall be made by the Trustee to pay costs of issuance of the Bonds Similarly Secured pursuant to one or more City Certificates. Disbursements from the other Accounts of the Project Fund to pay Actual Costs of the Phase #1 Improvements shall be made by the Trustee upon receipt by the Trustee of either properly executed and completed Certification for Payment or written direction from the City or its designee approving the disbursement to the Developer or the Developer's designee. The disbursement of funds from the Phase #1 Improvement Account pursuant to a Certification for Payment shall be pursuant to and in accordance with the disbursement procedures described in the PID Reimbursement Agreement. Such provisions and procedures related to such disbursements contained in the PID Reimbursement Agreement, are herein incorporated by reference and deemed set forth herein in full.

(c) If the City Representative determines in his or her sole discretion that amounts then on deposit in the Phase #1 Improvement Account of the Project Fund are not expected to be expended for purposes of such Account due to the abandonment, or constructive abandonment of the Phase #1 Improvements, such that, in the opinion of the City Representative, it is unlikely that the amounts in the Phase #1 Improvement Account of the Project Fund will ever be expended for the purposes of such Account, the City Representative shall file a City Certificate with the Trustee which identifies the amounts then on deposit in the Phase #1 Improvement Account of the Project Fund that are not expected to be used for purposes of such Account. If such City Certificate is so filed, the amounts on deposit in the Phase #1 Improvement Account of the Project Fund shall be transferred to the Redemption Fund to redeem Bonds Similarly Secured on the earliest practicable date after notice of redemption has been provided in accordance with the Indenture.

(d) In making any determination pursuant to this Section, the City Representative may conclusively rely upon a certificate of an Independent Financial Consultant.

(e) Upon the filing of a City Certificate stating that all Phase #1 Improvements have been completed and that all Actual Costs of the Phase #1 Improvements have been paid, or that any such Actual Costs of the Phase #1 Improvements are not required to be paid from the Phase #1 Improvement Account of the Project Fund pursuant to a Certification for Payment, the Trustee (i) shall transfer the amount, if any, remaining within the Phase #1 Improvement Account of the Project Fund to the Bond Fund and (ii) shall close the Phase #1 Improvement Account. If the Phase #1 Improvement Account has been closed pursuant as provided above and the Costs of Issuance Account of the Project Fund has been closed pursuant to the provisions of Section 6.5(f), then the Project Fund shall be closed.

(f) Not later than six months following each respective Closing Date, or upon a determination by the City Representative that all costs of issuance of such series of Bonds Similarly Secured have been paid, any amounts remaining in the Costs of Issuance Account shall be transferred to another Account of the Project Fund and used to pay Actual Costs or to the Principal and Interest Account of the Bond Fund and used to pay interest on the Bonds Similarly Secured, as directed by the City in a City Certificate filed with the Trustee and the Costs of Issuance Account shall be closed.

Section 6.6. Redemption Fund.

(a) The Trustee shall cause to be deposited to the Redemption Fund from the Bond Pledged Revenue Account of the Pledged Revenue Fund an amount sufficient to redeem Bonds Similarly Secured as provided in Sections 4.3 and 4.4 on the dates specified for redemption as provided in Sections 4.3 and 4.4. Amounts on deposit in the Redemption Fund shall be used and withdrawn by the Trustee to redeem Bonds Similarly Secured as provided in Article IV.

Section 6.7. Reserve Fund.

(a) The City agrees with the Owners of the Bonds Similarly Secured to accumulate from the deposits described in Section 6.3(a) hereof, and when accumulated, maintain in the Reserve Account of the Reserve Fund, an amount equal to not less than the Reserve Account Requirement except to the extent such deficiency is due to the application of Section 6.7(d) hereof. All amounts deposited in the Reserve Account of the Reserve Fund shall be used and withdrawn by the Trustee for the purpose of making transfers to the Principal and Interest Account of the Bond Fund as provided in this Indenture.

(b) The Trustee, if needed, will transfer from the Bond Pledged Revenue Account of the Pledged Revenue Fund to the Additional Interest Reserve Account on March 1 and September 1 of each year, commencing March 1, 2024, an amount equal to the Additional Interest collected, if any, until the Additional Interest Reserve Requirement has been accumulated in the Additional Interest Reserve Account. If the amount on deposit in the Additional Interest Reserve Account shall at any time be less than the Additional Interest Reserve Requirement, the Trustee shall notify the City, in writing, of the amount of such shortfall, and the City shall resume collecting the Additional Interest and shall file a City Certificate with the Trustee instructing the Trustee to resume depositing the Additional Interest from the Bond Pledged Revenue Account of the Pledged Revenue Fund into the Additional Interest Reserve Account until the Additional Interest Reserve Requirement has been accumulated in the Additional Interest Reserve Account; provided, however, that the City shall not be required to replenish the Additional Interest Reserve Account in the event funds are transferred from the Additional Interest Reserve Account to the Redemption Fund as a result of an extraordinary optional redemption of Bonds Similarly Secured from the proceeds of a Prepayment pursuant to Section 4.4 of this Indenture. In the event the amount on deposit in the Additional Interest Reserve Account is less than the Additional Interest Reserve Requirement then the deposits described in the immediately preceding sentence shall continue until the Additional Interest Reserve Account has been fully replenished. If, after such deposits, there is surplus Additional Interest remaining, the Trustee shall transfer such surplus Additional Interest to the Redemption Fund, and shall notify the City of such transfer in writing. In calculating the amounts to be transferred pursuant to this Section, the Trustee may conclusively rely on the Annual Installments as shown on the Assessment Roll in the Service and Assessment Plan or an Annual Service Plan Update, unless and until it receives a City Certificate directing that a different amount be used.

(c) Whenever a transfer is made from an Account of the Reserve Fund to the Bond Fund due to a deficiency in the Bond Fund, the Trustee shall provide written notice thereof to the City, specifying the amount withdrawn and the source of said funds.

(d) Whenever Bonds Similarly Secured are to be redeemed with the proceeds of Prepayments pursuant to Section 4.4, the Trustee shall transfer, on the Business Day prior to the redemption date (or on such other date as agreed to by the City and the Trustee), from the Reserve Account of the Reserve Fund to the Redemption Fund, an amount specified in a City

Certificate to be applied to the redemption of the Bonds Similarly Secured. The amount so transferred from the Reserve Account of the Reserve Fund shall be equal to the principal amount of Bonds Similarly Secured to be redeemed with Prepayments multiplied by the lesser of: (i) the amount required to be in the Reserve Account of the Reserve Fund divided by the principal amount of Outstanding Bonds Similarly Secured prior to the redemption, and (ii) the amount actually in the Reserve Account of the Reserve Fund divided by the principal amount of Outstanding Bonds Similarly Secured prior to the redemption. If after such transfer, and after applying investment earnings on the Prepayments toward payment of accrued interest, there are insufficient funds in the Redemption Fund to pay the principal amount plus accrued and unpaid interest to the date fixed for redemption of the Bonds Similarly Secured to be redeemed, as identified in a City Certificate, as a result of such Prepayments and as a result of the transfer from the Reserve Account under this Section 6.7(d), the Trustee shall transfer an amount equal to the shortfall, and/or any additional amounts necessary to permit the Bonds Similarly Secured to be redeemed in minimum principal amounts of \$1,000, from the Additional Interest Reserve Account to the Redemption Fund to be applied to the redemption of the Bonds Similarly Secured.

(e) Whenever, on any Interest Payment Date, or on any other date at the written request of a City Representative, the amount in the Reserve Account exceeds the Reserve Account Requirement, the Trustee shall provide written notice to the City Representative of the amount of the excess. Such excess shall be transferred to the Principal and Interest Account to be used for the payment of debt service on the Bonds Similarly Secured on the next Interest Payment Date in accordance with Section 6.4 hereof, unless within thirty days of such notice to the City Representative, the Trustee receives a City Certificate instructing the Trustee to apply such excess: (i) to pay amounts due under Section 6.8 hereof, (ii) to a specified Account of the Project Fund if such application and the expenditure of funds is expected to occur within three years of the date hereof, or (iii) for such other use specified in such City Certificate if the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that such alternate use will not adversely affect the exemption from federal income tax of the interest on any Bond Similarly Secured.

(f) Whenever, on any Interest Payment Date, the amount on deposit in the Bond Fund is insufficient to pay the debt service on the Bonds Similarly Secured due on such date, the Trustee shall transfer first, from the Additional Interest Reserve Account of the Reserve Fund to the Bond Fund and, second, from the Reserve Account of the Reserve Fund to the Bond Fund the amounts necessary to cure such deficiency.

(g) At the final maturity of the Bonds Similarly Secured, the amount on deposit in the Reserve Account and the Additional Interest Reserve Account shall be transferred to the Principal and Interest Account of the Bond Fund and applied to the payment of the principal of the Bonds Similarly Secured.

(h) If, after a Reserve Account withdrawal pursuant to Section 6.7(f), the amount on deposit in the Reserve Account of the Reserve Fund is less than the Reserve Account Requirement, the Trustee shall transfer from the Pledged Revenue Fund to the Reserve Account of the Reserve Fund the amount of such deficiency, in accordance with Section 6.3.

(i) If the amount held in the Reserve Fund together with the amount held in the Bond Fund and Redemption Fund is sufficient to pay the principal amount of all Outstanding Bonds Similarly Secured on the next Interest Payment Date, together with the unpaid interest accrued on such Outstanding Bonds Similarly Secured as of such Interest Payment Date, the moneys

shall be transferred to the Redemption Fund and thereafter used to redeem all Outstanding Bonds Similarly Secured as of such Interest Payment Date.

Section 6.8. Rebate Fund: Rebate Amount.

(a) There is hereby established a special fund of the City to be designated "City of Celina, Texas, Rebate Fund" (the "Rebate Fund") to be held by the Trustee in accordance with the terms and provisions of this Indenture. Amounts on deposit in the Rebate Fund shall be used solely for the purpose of paying amounts relating to the Bonds Similarly Secured due the United States Government in accordance with the Code.

(b) In order to assure that Rebate Amount is paid to the United States rather than to a third party, investments of funds on deposit in the Rebate Fund shall be made in accordance with the Code and each respective Tax Certificate.

(c) The Trustee conclusively shall be deemed to have complied with the provisions of this Section and Section 7.5(h) and shall not be liable or responsible if it follows the instructions of the City and shall not be required to take any action under this Section and Section 7.5(h) in the absence of written instructions from the City.

(d) If, on the date of each annual calculation, the amount on deposit in the Rebate Fund exceeds the Rebate Amount, the City may direct the Trustee, pursuant to a City Certificate, to transfer the amount in excess of the Rebate Amount to the Bond Fund.

Section 6.9. Administrative Fund.

(a) The City shall deposit or cause to be deposited to the District Administration Account of the Administrative Fund the amounts collected each year to pay Administrative Expenses and Delinquent Collection Costs.

(b) Moneys in the District Administration Account of the Administrative Fund shall be held by the Trustee separate and apart from the other Funds and Accounts created and administered hereunder and used as directed by a City Certificate solely for the purposes set forth in the Service and Assessment Plan.

Section 6.10. Investment of Funds.

(a) Money in any Fund or Account established pursuant to this Indenture shall be invested by the Trustee as directed by the City pursuant to a City Certificate filed with the Trustee at least two (2) days in advance of the making of such investment. The money in any Fund or Account shall be invested in time deposits or certificates of deposit secured in the manner required by law for public funds, or be invested in direct obligations of, including obligations the principal and interest on which are unconditionally guaranteed by, the United States of America, in obligations of any agencies or instrumentalities thereof, or in such other investments as are permitted under the Public Funds Investment Act, Texas Government Code, Chapter 2256, as amended, or any successor law, as in effect from time to time; provided that all such deposits and investments shall be made in such manner (which may include repurchase agreements for such investment with any primary dealer of such agreements) that the money required to be expended from any Fund will be available at the proper time or times. Notwithstanding the preceding sentence, amounts in the Additional Interest Reserve Account may not be invested above the Yield (as defined in Section 7.5(a) hereof) on the Bonds Similarly Secured, unless and

until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that such investment and/or the failure to comply with such yield restriction will not adversely affect the exemption from federal income tax of the interest on any Bond Similarly Secured. Investments shall be valued each year in terms of current market value as of September 30. For purposes of maximizing investment returns, to the extent permitted by law, money in such Funds or Accounts may be invested in common investments of the kind described above, or in a common pool of such investment which shall be kept and held at an official depository bank, which shall not be deemed to be or constitute a commingling of such money or funds provided that safekeeping receipts or certificates of participation clearly evidencing the investment or investment pool in which such money is invested and the share thereof purchased with such money or owned by such Fund or Account are held by or on behalf of each such Fund or Account. If necessary, such investments shall be promptly sold to prevent any default.

(b) Obligations purchased as an investment of moneys in any Fund or Account shall be deemed to be part of such Fund or Account, subject, however, to the requirements of this Indenture for transfer of interest earnings and profits resulting from investment of amounts in Funds and Accounts. Whenever in this Indenture any moneys are required to be transferred by the City to the Trustee, such transfer may be accomplished by transferring a like amount of Investment Securities.

(c) The Trustee and its affiliates may act as sponsor, advisor, depository, principal or agent in the acquisition or disposition of any investment. The Trustee shall have no investment discretion and the Trustee's only responsibility for investments shall be to follow the written instructions contained in any City Certificate and to ensure that an investment it is directed to purchase is a permitted investment pursuant to the terms of this Indenture. The Trustee shall not incur any liability for losses arising from any investments made pursuant to this Section. The Trustee shall not be required to determine the suitability or legality of any investments.

(d) Investments in any and all Funds and Accounts may be commingled in a separate fund or funds for purposes of making, holding and disposing of investments, notwithstanding provisions herein for transfer to or holding in or to the credit of particular Funds or Accounts of amounts received or held by the Trustee hereunder, provided that the Trustee shall at all times account for such investments strictly in accordance with the Funds and Accounts to which they are credited and otherwise as provided in this Indenture.

(e) The Trustee will furnish the City and the Administrator monthly cash transaction statements which include detail for all investment transactions made by the Trustee hereunder; and, unless the Trustee receives a written request, the Trustee is not required to provide brokerage confirmations so long as the Trustee is providing such monthly cash transaction statements.

Section 6.11. Security of Funds.

All Funds or Accounts heretofore created, to the extent not invested as herein permitted, shall be secured in the manner and to the fullest extent required by law for the security of public funds, and such Funds or Accounts shall be used only for the purposes and in the manner permitted or required by this Indenture.

Section 6.12. Reimbursement Fund.

Money on deposit in the Reimbursement Fund shall be disbursed to the Developer, once all amounts deposited into the Phase #1 Improvement Account have been disbursed, to reimburse the Actual Costs of the Phase #1 Improvements paid for by the Developer as evidenced  
Phase #1 Indenture of Trust

by a Certification for Payment and as provided in the PID Reimbursement Agreement. When all amounts due to the Developer to pay it for the funds it has contributed to pay Actual Costs of the Phase #1 Improvements have been paid to the Developer, as evidenced by a Certification for Payment, whether through Assessments received and applied in accordance with this Indenture and the Service and Assessment Plan or an Annual Service Plan Update, or through the proceeds of Additional Bonds, no further deposits shall be made to the Reimbursement Fund and the Reimbursement Fund shall be closed. In the event that the Reimbursement Fund is closed pursuant to the terms of this Section, any remaining balance in the Reimbursement Fund and in any Account therein shall be transferred to the Pledged Revenue Fund and applied in accordance with the priorities set forth in Section 6.3(a) above.

## ARTICLE VII

### COVENANTS

#### Section 7.1. Confirmation of Assessments.

The City hereby confirms, covenants, and agrees that the Assessments to be collected from the Assessed Property are as so reflected in the Service and Assessment Plan (as it may be updated from time to time) and, in accordance with the Assessment Ordinance, it has levied the Assessments against the respective Assessed Parcels from which the Pledged Revenues will be collected and received.

#### Section 7.2. Collection and Enforcement of Assessments.

(a) For so long as any Bonds Similarly Secured are Outstanding and/or amounts are due to the Developer to pay it for funds it has contributed to pay Actual Costs of the Phase #1 Improvements in accordance with the PID Reimbursement Agreement, the City covenants, agrees and warrants that it will take and pursue all actions permissible under Applicable Laws to cause the Assessments to be collected and the liens thereof enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws, and, to the extent permitted by Applicable Laws, to cause no reduction, abatement or exemption in the Assessments.

(b) The City will determine or cause to be determined, no later than February 15 of each year, whether or not any Annual Installment is delinquent and, if such delinquencies exist, the City will order and cause to be commenced as soon as practicable any and all appropriate and legally permissible actions to obtain such Annual Installment, and any delinquent charges and interest thereon, including diligently prosecuting an action in district court to foreclose the currently delinquent Annual Installment. Notwithstanding the foregoing, the City shall not be required under any circumstances to purchase or make payment for the purchase of the delinquent Assessment or the corresponding Assessed Parcel. Furthermore, nothing shall obligate the City, the City Attorney, or any appropriate designee to undertake collection or foreclosure actions against delinquent accounts in violation of applicable state law, court order, or existing contractual provisions between the City and its appropriate collections enforcement designees.

#### Section 7.3. Against Encumbrances.

(a) Other than Refunding Bonds, the City shall not create and, to the extent Pledged Revenues are received, shall not suffer to remain, any lien, encumbrance or charge upon the Trust Estate, other than that specified in Section 9.6 of this Indenture, or upon any other property

pledged under this Indenture, except the pledge created for the security of the Bonds Similarly Secured, and other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds Similarly Secured.

(b) So long as Bonds Similarly Secured are Outstanding hereunder, and except as set forth in Section 13.2 hereof, the City shall not issue any bonds, notes or other evidences of indebtedness other than the Bonds Similarly Secured and Refunding Bonds, if any, secured by any pledge of or other lien or charge on the Pledged Revenues or other property pledged under this Indenture, except for other indebtedness incurred in compliance with Section 13.2 hereof.

Section 7.4. Records, Accounts, Accounting Reports.

The City hereby covenants and agrees that so long as any of the Bonds Similarly Secured or any interest thereon remain Outstanding and unpaid, and/or the obligation to the Developer to pay it for funds it has contributed to pay Actual Costs of the Phase #1 Improvements in accordance with the PID Reimbursement Agreement remain outstanding and unpaid, it will keep and maintain a proper and complete system of records and accounts pertaining to the Assessments. The Trustee and Owners of any Bonds Similarly Secured or any duly authorized agent or agents of such holders shall have the right at all reasonable times to inspect all such records, accounts, and data relating thereto, upon written request to the City by the Trustee or duly authorized representative, as applicable. The City shall provide the Trustee or duly authorized representative, as applicable, an opportunity to inspect such books and records relating to the Bonds Similarly Secured during the City's regular business hours and on a mutually agreeable date not later than thirty days after the City receives such request.

Section 7.5. Covenants to Maintain Tax-Exempt Status.

(a) Definitions. When used in this Section, the following terms shall have the following meanings:

*"Closing Date"* means the date on which each series of Bonds Similarly Secured are first authenticated and delivered to the respective initial purchasers against payment therefor.

*"Code"* means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

*"Computation Date"* has the meaning set forth in Section 1.148-1(b) of the Regulations.

*"Gross Proceeds"* means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Bonds Similarly Secured.

*"Investment"* has the meaning set forth in Section 1.148-1(b) of the Regulations.

*"Nonpurpose Investment"* means any investment property, as defined in Section 148(b) of the Code, in which Gross Proceeds of the Bonds Similarly Secured are invested and which is not acquired

to carry out the governmental purposes of the Bonds Similarly Secured.

“*Regulations*” means any proposed, temporary or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds Similarly Secured. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

“*Yield*” of (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations; and (2) the Bonds Similarly Secured, as it pertains to a particular series of Bonds Similarly Secured, has the meaning set forth in Section 1.148-4 of the Regulations.

(b) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond Similarly Secured to become includable in the gross income, as defined in Section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond Similarly Secured, the City shall comply with each of the specific covenants in this Section.

(c) No Private Use or Private Payments. Except as permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of each series of Bonds Similarly Secured:

(i) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds Similarly Secured of such series, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(ii) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds Similarly Secured of such series or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(d) No Private Loan.

(i) Except to the extent permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of any Bonds Similarly Secured to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be “loaned” to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(ii) The City covenants and agrees that the levied Assessments will meet the requirements of the “tax assessment loan exception” within the meaning of Section 1.141-5(d) of the Regulations on the date that each series of the Bonds Similarly Secured are delivered and will ensure that the Assessments continue to meet such requirements for so long as Bonds Similarly Secured are outstanding.

(e) Not to Invest at Higher Yield. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of any series of Bonds Similarly Secured directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested) if, as a result of such investment, the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of such series of Bonds Similarly Secured.

(f) Not Federally Guaranteed. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Bonds Similarly Secured to be federally guaranteed within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(g) Information Report. The City shall timely file the information required by Section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe with respect to each series of Bonds Similarly Secured.

(h) Rebate of Arbitrage Profits. Except to the extent otherwise provided in Section 148(f) of the Code and the Regulations and rulings thereunder:

(i) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Bond Similarly Secured is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Bonds Similarly Secured with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(ii) Not less frequently than each Computation Date for each series of Bonds Similarly Secured, the City shall calculate the Rebate Amount for the respective series of

Bonds in accordance with rules set forth in Section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of each series of the Bonds Similarly Secured until six years after the final Computation Date.

(iii) As additional consideration for the purchase of the Bonds Similarly Secured by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall, pursuant to a City Certificate, direct the Trustee to transfer to the Rebate Fund from the funds or subaccounts designated in such City Certificate and direct the Trustee to pay to the United States from the Rebate Fund the amount that when added to the future value of previous rebate payments made for any series of Bonds Similarly Secured equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(iv) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (ii) and (iii), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(i) Not to Divert Arbitrage Profits. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds Similarly Secured, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds Similarly Secured not been relevant to either party.

(j) Elections. The City hereby directs and authorizes the Mayor, Mayor Pro Tem, City Manager, Assistant City Manager, Director of Finance, or City Secretary, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with each series of the Bonds Similarly Secured, in the Tax Certificate or similar or other appropriate certificate, form or document.

## ARTICLE VIII

### LIABILITY OF CITY

The City shall not incur any responsibility in respect of the Bonds Similarly Secured or this Indenture other than in connection with the duties or obligations explicitly herein or in the Bonds Similarly Secured assigned to or imposed upon it. The City shall not be liable in connection with  
Phase #1 Indenture of Trust

the performance of its duties hereunder, except for its own willful default or act of bad faith. The City shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions, covenants or agreements of the Trustee herein or of any of the documents executed by the Trustee in connection with the Bonds Similarly Secured, or as to the existence of a default or event of default thereunder.

In the absence of bad faith, the City may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the City and conforming to the requirements of this Indenture. The City shall not be liable for any error of judgment made in good faith unless it shall be proved that it was negligent in ascertaining the pertinent facts.

No provision of this Indenture, the Bonds Similarly Secured, the Assessment Ordinance, or any agreement, document, instrument, or certificate executed, delivered or approved in connection with the issuance, sale, delivery, or administration of the Bonds Similarly Secured (the "Bond Documents"), shall require the City to expend or risk its own general funds or otherwise incur any financial liability (other than with respect to the Trust Estate and the Administrative Expenses) in the performance of any of its obligations hereunder, or in the exercise of any of its rights or powers, if in the judgment of the City there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it.

Neither the Owners nor any other Person shall have any claim against the City or any of its officers, officials, agents, or employees for damages suffered as a result of the City's failure to perform in any respect any covenant, undertaking, or obligation under any Bond Documents or as a result of the incorrectness of any representation in, or omission from, any of the Bond Documents, except to the extent that any such claim relates to an obligation, undertaking, representation, or covenant of the City, in accordance with the Bond Documents and the PID Act. Any such claim shall be payable only from Trust Estate, the funds available for such payment in any of the Pledged Funds, if any, or the amounts collected to pay Administrative Expenses on deposit in the Administrative Fund. Nothing contained in any of the Bond Documents shall be construed to preclude any action or proceeding in any court or before any governmental body, agency, or instrumentality against the City or any of its officers, officials, agents, or employees to enforce the provisions of any of the Bond Documents or to enforce all rights of the Owners of the Bonds Similarly Secured by mandamus or other proceeding at law or in equity.

The City may rely on and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The City may consult with counsel with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Indenture, the City shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of willful misconduct on the part of the City, be deemed to be conclusively proved and established by a certificate of the Trustee, an Independent Financial Consultant, an independent inspector or City Manager or other person designated by the City Council to so act on behalf of the City, and such certificate shall be full warrant to the City for any action taken or suffered under the provisions of this Indenture upon the faith thereof, but in its

discretion the City may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

In order to perform its duties and obligations hereunder, the City may employ such persons or entities as it deems necessary or advisable. The City shall not be liable for any of the acts or omissions of such persons or entities employed by it in good faith hereunder, and shall be entitled to rely, and shall be fully protected in doing so, upon the opinions, calculations, determinations, and directions of such persons or entities.

## ARTICLE IX

### THE TRUSTEE

#### Section 9.1. Trustee as Paying Agent/Registrar.

The Trustee is hereby designated and agrees to act as Paying Agent/Registrar for and in respect to the Bonds Similarly Secured.

#### Section 9.2. Trustee Entitled to Indemnity.

The Trustee shall be under no obligation to spend its own funds, to institute any suit, or to undertake any proceeding under this Indenture, or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified, to the extent permitted by law, to its satisfaction against any and all costs and expenses, outlays, and counsel fees and other reasonable disbursements, and against all liability except as a consequence of its own negligence or willful misconduct; provided, however, the Trustee may not request or require indemnification as a condition to making any deposits, payments, or transfers when required hereunder, or delivering any notice when required hereunder. Nevertheless, the Trustee may begin suit, or appear in and defend suit, or do anything else in its judgment proper to be done by it as the Trustee, without indemnity, and in such case the Trustee may make transfers from the Pledged Revenue Fund or the District Administration Account of the Administrative Fund to pay all costs and expenses, outlays, and counsel fees and other reasonable disbursements properly incurred in connection therewith and shall, to the extent permitted by law, be entitled to a preference therefor over any Bonds Similarly Secured Outstanding hereunder.

#### Section 9.3. Responsibilities of the Trustee.

The recitals contained in this Indenture and in the Bonds Similarly Secured shall be taken as the statements of the City and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of the offering documents, this Indenture, or the Bonds Similarly Secured or with respect to the security afforded by this Indenture, and the Trustee shall incur no liability with respect thereto. Except as otherwise expressly provided in this Indenture, the Trustee shall have no responsibility or duty with respect to: (i) the issuance of Bonds Similarly Secured for value; (ii) the application of the proceeds thereof, except to the extent that such proceeds are received by it in its capacity as Trustee; (iii) the application of any moneys paid to the City or others in accordance with this Indenture, except as to the application of any moneys paid to it in its capacity as Trustee; or (iv) any calculation of arbitrage or rebate under the Code. The Trustee has the right to act through agents and attorneys.

The duties and obligations of the Trustee shall be determined by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture.

The Trustee shall not be liable for any action taken or omitted by it in the performance of its duties under this Indenture, except for its own negligence or willful misconduct, both before and after default by the City. In no event shall the Trustee be liable for incidental, indirect, special or consequential damages in connection with or arising from this Indenture for the existence, furnishing or use of the Phase #1 Improvements.

The Trustee shall not be required to take notice, and shall not be deemed to have notice, of any default or Event of Default hereunder, unless the Trustee shall be notified specifically of the default or Event of Default in a written instrument or document delivered to it by the City or by the holders of at least a majority of the aggregate principal amount of Bonds then Outstanding. In the absence of delivery of a notice satisfying those requirements, the Trustee may assume conclusively that there is no default or Event of Default.

In case a default or an Event of Default has occurred and is continuing hereunder (of which the Trustee has been notified), the Trustee shall exercise those rights and powers vested in it by this Indenture and shall use the same degree of care and skill in its exercise, as a prudent person would exercise or use under the circumstances in the conduct of his own affairs.

Section 9.4. Property Held in Trust.

All moneys and securities held by the Trustee at any time pursuant to the terms of this Indenture shall be held by the Trustee in trust for the purposes and under the terms and conditions of this Indenture.

Section 9.5. Trustee Protected in Relying on Certain Documents.

The Trustee may rely upon any order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond, or other document provided to the Trustee in accordance with the terms of this Indenture that it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or Person or to have been prepared and furnished pursuant to any of the provisions of this Indenture, or upon the written opinion of any counsel, architect, engineer, insurance consultant, management consultant, or accountant believed by the Trustee to be qualified in relation to the subject matter, and the Trustee shall be under no duty to make any investigation or inquiry into any statements contained or matters referred to in any such instrument. The Trustee may consult with counsel, who may or may not be Bond Counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered, or omitted to be taken by it in good faith and in accordance therewith.

Whenever the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Indenture, such matter may be deemed to be conclusively proved and established by a City Certificate, unless other evidence in respect thereof be hereby specifically prescribed. Such City Certificate shall be full warrant for any action taken or suffered in good faith under the provisions hereof, but in its sole discretion the Trustee may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable. Except as otherwise expressly provided herein, any request, order, notice, or other direction required or permitted to be furnished

pursuant to any provision hereof by the City to the Trustee shall be sufficiently executed if executed in the name of the City by the City Representative.

The Trustee shall not be under any obligation to see to the recording or filing of this Indenture, or otherwise to the giving to any Person of notice of the provisions hereof except as expressly required in Section 9.13 herein.

Section 9.6. Compensation.

Unless otherwise provided by contract with the Trustee, the Trustee shall transfer from the District Administration Account of the Administrative Fund, from time to time, reasonable compensation for all services rendered by it hereunder, including its services as Paying Agent/Registrar, together with all its reasonable expenses, charges, and other disbursements and those of its counsel, agents and employees, incurred in and about the administration and execution of the trusts hereby created and the exercise of its powers and the performance of its duties hereunder, subject to any limit on the amount of such compensation or recovery of expenses or other charges as shall be prescribed by specific agreement, and the Trustee shall have a lien therefor on any and all funds at any time held by it in the Administrative Fund. None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if in the judgment of the Trustee there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it. If the City shall fail to make any payment required by this Section, the Trustee may make such payment from any moneys in its possession in the Administrative Fund.

Section 9.7. Permitted Acts.

The Trustee and its directors, officers, employees, or agents may become the owner of or may in good faith buy, sell, own, hold and deal in Bonds Similarly Secured and may join in any action that any Owner of Bonds Similarly Secured may be entitled to take as fully and with the same rights as if it were not the Trustee. The Trustee may act as depository, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, the City or any committee formed to protect the rights of Owners or to effect or aid in any reorganization growing out of the enforcement of the Bonds Similarly Secured or this Indenture, whether or not such committee shall represent the Owners of a majority in aggregate outstanding principal amount of the Bonds Similarly Secured.

Section 9.8. Resignation of Trustee.

The Trustee may at any time resign and be discharged of its duties and obligations hereunder by giving not fewer than 30 days' written notice, specifying the date when such resignation shall take effect, to the City and each Owner of any Outstanding Bond Similarly Secured. Such resignation shall take effect upon the appointment of a successor as provided in Section 9.10 and the acceptance of such appointment by such successor.

Section 9.9. Removal of Trustee.

The Trustee may be removed at any time by (i) the Owners of at least a majority of the aggregate outstanding principal of the Bonds Similarly Secured by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or by their attorneys-in-fact, duly authorized and delivered to the City, or (ii) so long as the City is not in default under this Indenture,

the City. Copies of each such instrument shall be delivered by the City to the Trustee and any successor thereof. The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the City or the Owners of not less than 10% of the aggregate outstanding principal of the Bonds Similarly Secured.

Section 9.10. Successor Trustee.

If the Trustee shall resign, be removed, be dissolved, or become incapable of acting, or shall be adjudged as bankrupt or insolvent, or if a receiver, liquidator, or conservator of the Trustee or of its property shall be appointed, or if any public officer shall take charge or control of the Trustee or of its property or affairs, the position of the Trustee hereunder shall thereupon become vacant.

If the position of Trustee shall become vacant for any of the foregoing reasons or for any other reason, a successor Trustee may be appointed within one year after any such vacancy shall have occurred by the Owners of at least twenty-five percent (25%) of the aggregate outstanding principal of the Bonds Similarly Secured by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or their attorneys-in-fact, duly authorized and delivered to such successor Trustee, with notification thereof being given to the predecessor Trustee and the City.

Unless such successor Trustee shall have been appointed by the Owners of the Bonds Similarly Secured, the City shall forthwith appoint a Trustee to act hereunder. Copies of any instrument of the City providing for any such appointment shall be delivered by the City to the Trustee so appointed. The City shall mail notice of any such appointment to each Owner of any Outstanding Bonds Similarly Secured within 30 days after such appointment. Any appointment of a successor Trustee made by the City immediately and without further act shall be superseded and revoked by an appointment subsequently made by the Owners of Bonds Similarly Secured, in accordance with the immediately preceding paragraph.

If in a proper case no appointment of a successor Trustee shall be made within 45 days after the giving by any Trustee of any notice of resignation in accordance with Section 9.8 herein or after the occurrence of any other event requiring or authorizing such appointment, the Trustee or any Owner of Bonds Similarly Secured may apply to any court of competent jurisdiction for the appointment of such a successor, and the court may thereupon, after such notice, if any, as the court may deem proper, appoint such successor and the City shall be responsible for the costs of such appointment process.

Any successor Trustee appointed under the provisions of this Section shall be a commercial bank or trust company or national banking association (i) having a capital and surplus and undivided profits aggregating at least \$50,000,000, if there be such a commercial bank or trust company or national banking association willing and able to accept the appointment on reasonable and customary terms, and (ii) authorized by law to perform all the duties of the Trustee required by this Indenture.

Each successor Trustee shall mail, in accordance with the provisions of the Bonds Similarly Secured, notice of its appointment to the Trustee, any rating agency which, at the time of such appointment, is providing a rating on the Bonds Similarly Secured and each of the Owners of the Bonds Similarly Secured.

Section 9.11. Transfer of Rights and Property to Successor Trustee.

Any successor Trustee appointed under the provisions of Section 9.10 shall execute, acknowledge, and deliver to its predecessor and the City an instrument in writing accepting such appointment, and thereupon such successor, without any further act, deed, or conveyance, shall become fully vested with all moneys, estates, properties, rights, immunities, powers, duties, obligations, and trusts of its predecessor hereunder, with like effect as if originally appointed as Trustee. However, the Trustee then ceasing to act shall nevertheless, on request of the City or of such successor, execute, acknowledge, and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor all the rights, immunities, powers, and trusts of such Trustee and all the right, title, and interest of such Trustee in and to the Trust Estate, and shall pay over, assign, and deliver to such successor any moneys or other properties subject to the trusts and conditions herein set forth. Should any deed, conveyance, or instrument in writing from the City be required by such successor for more fully and certainly vesting in and confirming to it any such moneys, estates, properties, rights, powers, duties, or obligations, any and all such deeds, conveyances, and instruments in writing, on request and so far as may be authorized by law, shall be executed, acknowledged, and delivered by the City.

Section 9.12. Merger, Conversion or Consolidation of Trustee.

Any corporation or association into which the Trustee may be merged or with which it may be consolidated or any corporation or association resulting from any merger, conversion or consolidation to which it shall be a party or any corporation or association to which the Trustee may sell or transfer all or substantially all of its corporate trust business shall be the successor to such Trustee hereunder, without any further act, deed or conveyance, provided that such corporation or association shall be a commercial bank or trust company or national banking association qualified to be a successor to such Trustee under the provisions of Section 9.10, or a trust company that is a wholly-owned subsidiary of any of the foregoing.

Section 9.13. Trustee to File Continuation Statements.

If necessary, the Trustee shall file or cause to be filed, such continuation statements as are delivered to the Trustee by the City, or on behalf of the City, and which may be required by the Texas Uniform Commercial Code, as from time to time in effect (the "UCC"), in order to continue perfection of the security interest of the Trustee in such items of tangible or intangible personal property and any fixtures as may have been granted to the Trustee pursuant to this Indenture in the time, place and manner required by the UCC.

Section 9.14. Construction of Indenture.

The Trustee may construe any of the provisions of this Indenture insofar as the same may appear to be ambiguous or inconsistent with any other provision hereof, and any construction of any such provisions hereof by the Trustee in good faith shall be binding upon the Owners of the Bonds Similarly Secured. Permissive rights of the Trustee are not to be construed as duties.

## ARTICLE X

### MODIFICATION OR AMENDMENT OF THIS INDENTURE

#### Section 10.1. Amendments Permitted.

(a) This Indenture and the rights and obligations of the City and of the Owners of the Bonds Similarly Secured may be modified or amended at any time by a Supplemental Indenture, except as provided below, pursuant to the affirmative vote at a meeting of Owners of the Bonds Similarly Secured, or with the written consent without a meeting, of the Owners of at least a majority of the aggregate principal amount of the Bonds Similarly Secured then Outstanding. No such modification or amendment shall (i) extend the maturity of any Bond Similarly Secured or reduce the interest rate thereon, or otherwise alter or impair the obligation of the City to pay the principal of, and the interest and any premium on, any Bond Similarly Secured, without the express consent of the Owner of such Bond Similarly Secured, or (ii) permit the creation by the City of any pledge or lien upon the Trust Estate superior to or on a parity with the pledge and lien created for the benefit of the Bonds Similarly Secured (except as otherwise permitted by Applicable Laws and this Indenture), or reduce the percentage of Owners of Bonds Similarly Secured required for the amendment hereof. Any such amendment may not modify any of the rights or obligations of the Trustee without its written consent.

(b) This Indenture and the rights and obligations of the City and of the Owners may also be modified or amended at any time by a Supplemental Indenture, without the consent of any Owners, only to the extent permitted by law and only for any one or more of the following purposes:

(i) to add to the covenants and agreements of the City in this Indenture contained, other covenants and agreements thereafter to be observed, or to limit or surrender any right or power herein reserved to or conferred upon the City;

(ii) to make modifications not adversely affecting any Outstanding Bonds Similarly Secured in any material respect;

(iii) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Indenture, or in regard to questions arising under this Indenture, as the City and the Trustee may deem necessary or desirable and not inconsistent with this Indenture, and that shall not adversely affect the rights of the Owners of the Bonds Similarly Secured;

(iv) to provide for the issuance of Additional Bonds or Refunding Bonds as set forth in Section 13.2 hereof; and

(v) to make such additions, deletions or modifications as may be necessary or desirable to assure exemption from federal income taxation of interest on the Bonds Similarly Secured.

(c) Any modification or amendment made pursuant to Section 10.1(b) shall not be subject to the notice procedures specified in Section 10.3 below.

(d) Notwithstanding the above, no Supplemental Indenture under subsections (a) or (b)(i), (b)(ii), (b)(iii), (b)(v) of this Section shall be effective unless the City first delivers to the

Trustee an opinion of Bond Counsel to the effect that such amendment is permitted and will not adversely affect the: (i) interest of the Owners in any material respect, or (ii) exclusion of interest on any Bond Similarly Secured from gross income for purposes of federal income taxation.

Section 10.2. Owners' Meetings.

The City may at any time call a meeting of the Owners of the Bonds Similarly Secured. In such event the City is authorized to fix the time and place of said meeting and to provide for the giving of notice thereof, and to fix and adopt rules and regulations for the conduct of said meeting.

Section 10.3. Procedure for Amendment with Written Consent of Owners.

The City and the Trustee may at any time adopt a Supplemental Indenture amending the provisions of the Bonds Similarly Secured or of this Indenture, to the extent that such amendment is permitted by Section 10.1 herein, to take effect when and as provided in this Section. A copy of such Supplemental Indenture, together with a request to Owners for their consent thereto, shall be mailed by first-class mail, by the Trustee to each Owner of Bonds Similarly Secured from whom consent is required under this Indenture, but failure to mail copies of such Supplemental Indenture and request shall not affect the validity of the Supplemental Indenture when assented to as in this Section provided.

Such Supplemental Indenture shall not become effective unless there shall be filed with the Trustee the written consents of the Owners as required by this Indenture and a notice shall have been mailed as hereinafter in this Section provided and the City or Bond Counsel, acting on the City's behalf, has delivered to the Trustee an opinion of Bond Counsel to the effect that such amendment is permitted and will not adversely affect the exclusion of interest on any Bond from gross income for purposes of federal income taxation. Each such consent shall be effective only if accompanied by proof of ownership of the Bonds Similarly Secured for which such consent is given, which proof shall be such as is permitted by Section 11.6 herein. Any such consent shall be binding upon the Owner of the Bonds Similarly Secured giving such consent and on any subsequent Owner (whether or not such subsequent Owner has notice thereof), unless such consent is revoked in writing by the Owner giving such consent or a subsequent Owner by filing such revocation with the Trustee prior to the date when the notice hereinafter in this Section provided for has been mailed.

After the Owners of the required percentage of Bonds Similarly Secured shall have filed their consents to the Supplemental Indenture, the City shall mail a notice to the Owners in the manner hereinbefore provided in this Section for the mailing of the Supplemental Indenture, stating in substance that the Supplemental Indenture has been consented to by the Owners of the required percentage of Bonds Similarly Secured and will be effective as provided in this Section (but failure to mail copies of said notice shall not affect the validity of the Supplemental Indenture or consents thereto). Proof of the mailing of such notice shall be filed with the Trustee. A record, consisting of the papers required by this Section 10.3 to be filed with the Trustee, shall be proof of the matters therein stated until the contrary is proved. The Supplemental Indenture shall become effective upon the filing with the Trustee of the proof of mailing of such notice, and the Supplemental Indenture shall be deemed conclusively binding (except as otherwise hereinabove specifically provided in this Article) upon the City and the Owners of all Bonds Similarly Secured at the expiration of sixty (60) days after such filing, except in the event of a final decree of a court of competent jurisdiction setting aside such consent in a legal action or equitable proceeding for such purpose commenced within such sixty-day period; provided, however, that the Trustee during such sixty day period and any such further period during which any such action

or proceeding may be pending shall be entitled in its sole discretion to take such action, or to refrain from taking such action, with respect to such Supplemental Indenture, as it may deem expedient; provided, further, that the Trustee shall have no obligation to take or refrain from taking any such action and the Trustee shall have no liability with respect to any action taken or any instance of inactions.

Section 10.4. Effect of Supplemental Indenture.

From and after the time any Supplemental Indenture becomes effective pursuant to this Article X, this Indenture shall be deemed to be modified and amended in accordance therewith, the respective rights, duties, and obligations under this Indenture of the City, the Trustee and all Owners of Outstanding Bonds Similarly Secured shall thereafter be determined, exercised and enforced hereunder subject in all respects to such modifications and amendments, and all the terms and conditions of any such Supplemental Indenture shall be deemed to be part of the terms and conditions of this Indenture for any and all purposes.

Section 10.5. Endorsement or Replacement of Bonds Similarly Secured Issued After Amendments.

The City may determine that Bonds Similarly Secured issued and delivered after the effective date of any action taken as provided in this Article X shall bear a notation, by endorsement or otherwise, in form approved by the City, as to such action. In that case, upon demand of the Owner of any Bond Similarly Secured Outstanding at such effective date and presentation of his Bond Similarly Secured for that purpose at the designated office of the Trustee or at such other office as the City may select and designate for that purpose, a suitable notation shall be made on such Bond Similarly Secured. The City may determine that new Bonds Similarly Secured, so modified as in the opinion of the City is necessary to conform to such Owners' action, shall be prepared, executed, and delivered. In that case, upon demand of the Owner of any Bonds Similarly Secured then Outstanding, such new Bonds Similarly Secured shall be exchanged at the designated office of the Trustee without cost to any Owner, for Bonds Similarly Secured then Outstanding, upon surrender of such Bonds Similarly Secured.

Section 10.6. Amendatory Endorsement of Bonds Similarly Secured.

The provisions of this Article X shall not prevent any Owner from accepting any amendment as to the particular Bonds Similarly Secured held by such Owner, provided that due notation thereof is made on such Bonds Similarly Secured.

Section 10.7. Waiver of Default

With the written consent of at least a majority in aggregate principal amount of the Bonds Similarly Secured then Outstanding, the Owners may waive non-compliance by the City with certain past defaults under the Indenture and their consequences. Any such consent shall be conclusive and binding upon the Owners and upon all future Owners.

Section 10.8. Execution of Supplemental Indenture.

In executing, or accepting the additional trusts created by, any Supplemental Indenture permitted by this Article or the modification thereby of the trusts created by this Indenture, the Trustee shall receive, and shall be fully protected in relying upon, an opinion of counsel addressed and delivered to the Trustee and the City stating that the execution of such Supplemental

Indenture is permitted by and in compliance with this Indenture. The Trustee may, but shall not be obligated to, enter into any such Supplemental Indenture which affects the Trustee's own rights, duties and immunities under this Indenture.

## ARTICLE XI

### DEFAULT AND REMEDIES

#### Section 11.1. Events of Default.

(a) Each of the following occurrences or events shall be and is hereby declared to be an "Event of Default," to wit:

(i) The failure of the City to deposit the Pledged Revenues to the Bond Pledged Revenue Account of the Pledged Revenue Fund;

(ii) The failure of the City to enforce the collection of the Assessments, including the prosecution of foreclosure proceedings;

(iii) The failure to make payment of the principal of or interest on any of the Bonds Similarly Secured when the same becomes due and payable and such failure is not remedied within thirty (30) days; provided, however, that the payments are to be made only from Pledged Revenues or other funds currently available in the Pledged Funds and available to the City to make the payments; and

(iv) Default in the performance or observance of any covenant, agreement or obligation of the City under this Indenture and the continuation thereof for a period of ninety (90) days after written notice to the City by the Trustee, or by the Owners of at least 25% of the aggregate Outstanding principal of the Bonds Similarly Secured with a copy to the Trustee, specifying such default and requesting that the failure be remedied.

(b) Nothing in Section 11.1(a) will be an Event of Default if it is in violation of any applicable state law or court order.

#### Section 11.2. Immediate Remedies for Default.

(a) Subject to Article VIII, upon the happening and continuance of any of the Events of Default described in Section 11.1, the Trustee may, and at the written direction of the Owners of at least 25% of the Bonds Similarly Secured then Outstanding and its receipt of indemnity satisfactory to it, shall proceed against the City for the purpose of protecting and enforcing the rights of the Owners under this Indenture, by action seeking mandamus or by other suit, action, or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief to the extent permitted by Applicable Laws, including, but not limited to, the specific performance of any covenant or agreement contained herein, or injunction; provided, however, that no action for money damages against the City may be sought or shall be permitted. The Trustee retains the right to obtain the advice of counsel in its exercise of remedies of default.

(b) THE PRINCIPAL OF THE BONDS SIMILARLY SECURED SHALL NOT BE SUBJECT TO ACCELERATION UNDER ANY CIRCUMSTANCES.

(c) If the assets of the Trust Estate are sufficient to pay all amounts due with respect to all Outstanding Bonds Similarly Secured, in the selection of Trust Estate assets to be used in

the payment of Bonds Similarly Secured due under this Article, the City shall determine, in its absolute discretion, and shall instruct the Trustee by City Certificate, which Trust Estate assets shall be applied to such payment and shall not be liable to any Owner or other Person by reason of such selection and application. In the event that the City shall fail to deliver to the Trustee such City Certificate, the Trustee shall select and liquidate or sell Trust Estate assets as provided in the following paragraph, and shall not be liable to any Owner, or other Person, or the City by reason of such selection, liquidation or sale.

(d) Whenever moneys are to be applied pursuant to this Article XI, irrespective of and whether other remedies authorized under this Indenture shall have been pursued in whole or in part, the Trustee may cause any or all of the assets of the Trust Estate, including Investment Securities, to be sold. The Trustee may so sell the assets of the Trust Estate and all right, title, interest, claim and demand thereto and the right of redemption thereof, in one or more parts, at any such place or places, and at such time or times and upon such notice and terms as the Trustee may deem appropriate and as may be required by law and apply the proceeds thereof in accordance with the provisions of this Section. Upon such sale, the Trustee may make and deliver to the purchaser or purchasers a good and sufficient assignment or conveyance for the same, which sale shall be a perpetual bar both at law and in equity against the City, and all other Persons claiming such properties. No purchaser at any sale shall be bound to see to the application of the purchase money proceeds thereof or to inquire as to the authorization, necessity, expediency, or regularity of any such sale. Nevertheless, if so requested by the Trustee, the City shall ratify and confirm any sale or sales by executing and delivering to the Trustee or to such purchaser or purchasers all such instruments as may be necessary or, in the judgment of the Trustee, proper for the purpose which may be designated in such request.

### Section 11.3. Restriction on Owner's Action.

(a) No Owner shall have any right to institute any action, suit or proceeding at law or in equity for the enforcement of this Indenture or for the execution of any trust thereof or any other remedy hereunder, unless (i) a default has occurred and is continuing of which the Trustee has been notified in writing, (ii) such default has become an Event of Default and the Owners of not less than 25% of the aggregate principal amount of the Bonds Similarly Secured then Outstanding have made written request to the Trustee and offered it reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, (iii) the Owners have furnished to the Trustee indemnity as provided in Section 9.2 herein, (iv) the Trustee has for ninety (90) days after such notice failed or refused to exercise the powers hereinbefore granted, or to institute such action, suit, or proceeding in its own name, (v) no direction inconsistent with such written request has been given to the Trustee during such 90-day period by the Owners of at least a majority of the aggregate principal amount of the Bonds Similarly Secured then Outstanding, and (vi) notice of such action, suit, or proceeding is given to the Trustee; however, no one or more Owners of the Bonds Similarly Secured shall have any right in any manner whatsoever to affect, disturb, or prejudice this Indenture by its, his or their action or to enforce any right hereunder except in the manner provided herein, and that all proceedings at law or in equity shall be instituted and maintained in the manner provided herein and for the equal benefit of the Owners of all Bonds Similarly Secured then Outstanding. The notification, request and furnishing of indemnity set forth above shall, at the option of the Trustee, be conditions precedent to the execution of the powers and trusts of this Indenture and to any action or cause of action for the enforcement of this Indenture or for any other remedy hereunder.

(b) Subject to Article VIII, nothing in this Indenture shall affect or impair the right of any Owner to enforce, by action at law, payment of any Bond Similarly Secured at and after the maturity thereof, or on the date fixed for redemption or the obligation of the City to pay each Bond Similarly Secured issued hereunder to the respective Owners thereof at the time and place, from the source and in the manner expressed herein and in the Bonds Similarly Secured.

(c) In case the Trustee or any Owners shall have proceeded to enforce any right under this Indenture and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or any Owners, then and in every such case the City, the Trustee and the Owners shall be restored to their former positions and rights hereunder, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Section 11.4. Application of Revenues and Other Moneys After Default.

(a) All moneys, securities, funds and Pledged Revenues and other assets of the Trust Estate and the income therefrom received by the Trustee pursuant to any right given or action taken under the provisions of this Article shall, after payment of the cost and expenses of the proceedings resulting in the collection of such amounts, the expenses (including its counsel), liabilities, and advances incurred or made by the Trustee, and the fees of the Trustee in carrying out this Indenture, during the continuance of an Event of Default, notwithstanding Section 11.2 hereof, shall be applied by the Trustee, on behalf of the City, to the payment of interest and principal or Redemption Price then due on Bonds Similarly Secured, as follows:

FIRST: To the payment to the Owners entitled thereto all installments of interest then due in the direct order of maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the Owners entitled thereto, without any discrimination or preference; and

SECOND: To the payment to the Owners entitled thereto of the unpaid principal of Outstanding Bonds Similarly Secured, or Redemption Price of any Bonds Similarly Secured which shall have become due, whether at maturity or by call for redemption, in the direct order of their due dates and, if the amounts available shall not be sufficient to pay in full all the Bonds Similarly Secured due on any date, then to the payment thereof ratably, according to the amounts of principal due and to the Owners entitled thereto, without any discrimination or preference.

Within ten (10) days of receipt of such good and available funds, the Trustee may fix a record and payment date for any payment to be made to Owners pursuant to this Section 11.4.

(b) In the event funds are not adequate to cure any of the Events of Default described in Section 11.1, the available funds shall be allocated to the Bonds Similarly Secured that are Outstanding in proportion to the quantity of Bonds Similarly Secured that are currently due and in default under the terms of this Indenture.

(c) The restoration of the City to its prior position after any and all defaults have been cured, as provided in Section 11.3, shall not extend to or affect any subsequent default under this Indenture or impair any right consequent thereon.

Section 11.5. Effect of Waiver.

No delay or omission of the Trustee, or any Owner, to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given by this Indenture to the Trustee or the Owners, respectively, may be exercised from time to time and as often as may be deemed expedient.

Section 11.6. Evidence of Ownership of Bonds Similarly Secured.

(a) Any request, consent, revocation of consent or other instrument which this Indenture may require or permit to be signed and executed by the Owners of Bonds Similarly Secured may be in one or more instruments of similar tenor, and shall be signed or executed by such Owners in person or by their attorneys duly appointed in writing. Proof of the execution of any such instrument, or of any instrument appointing any such attorney, or the holding by any Person of the Bonds Similarly Secured shall be sufficient for any purpose of this Indenture (except as otherwise herein expressly provided) if made in the following manner:

The principal of this Bond shall be payable without exchange or collection charges in lawful money of the United States of America upon presentation and surrender of this Bond at the corporate trust office in St. Paul, Minnesota (the "Designated Payment/Transfer Office"), of U.S. Bank Trust Company, National Association, as trustee and paying agent/registrant (the "Trustee", which term includes any successor trustee under the Indenture), or, with respect to a successor trustee and paying agent/registrant, at the Designated Payment/Transfer Office of such successor. Interest on this Bond is payable by check dated as of the Interest Payment Date, mailed by the

Trustee to the registered owner at the address shown on the registration books kept by the Trustee or by such other customary banking arrangements acceptable to the Trustee, requested by, and at the risk and expense of, the Person to whom interest is to be paid. For the purpose of the payment of interest on this Bond, the registered owner shall be the Person in whose name this Bond is registered at the close of business on the "Record Date," which shall be the fifteenth calendar day of the month next preceding such Interest Payment Date; provided, however, that in the event of nonpayment of interest on a scheduled Interest Payment Date, and for 30 days thereafter, a new record date for such interest payment (a "Special Record Date") will be established by the Trustee, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the "Special Payment Date," which shall be 15 days after the Special Record Date) shall be sent at least five Business Days prior to the Special Record Date by United States mail, first-class, postage prepaid, to the address of each Owner of a Bond appearing on the books of the Trustee at the close of business on the last Business Day preceding the date of mailing such notice.

If a date for the payment of the principal of or interest on the Bonds is a Saturday, Sunday, legal holiday, or a day on which banking institutions in the city in which the Designated Payment/Transfer Office is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding Business Day, and payment on such date shall have the same force and effect as if made on the original date payment was due.

This Bond is one of a duly authorized issue of assessment revenue bonds of the City having the designation specified in its title (herein referred to as the "Bonds"), dated May 10, 2023 and issued in the aggregate principal amount of \$15,923,000 and issued, with the limitations described herein, pursuant to an Indenture of Trust, dated as of May 1, 2023 (the "Indenture"), by and between the City and the Trustee, to which Indenture reference is hereby made for a description of the amounts thereby pledged and assigned, the nature and extent of the lien and security, the respective rights thereunder to the holders of the Bonds, the Trustee, and the City, and the terms upon which the Bonds are, and are to be, authenticated and delivered and by this reference to the terms of which each holder of this Bond hereby consents. All Bonds issued under the Indenture are equally and ratably secured by the amounts thereby pledged and assigned. The Bonds are being issued for the purpose of (i) paying a portion of the Actual Costs of the Phase #1 Improvements, (ii) paying a portion of the interest on the Bonds during and after the period of acquisition and construction of the Phase #1 Improvements, (iii) funding a reserve fund for payment of principal and interest on the Bonds, (iv) paying a portion of the costs incidental to the organization and administration of the District, and (v) paying costs of issuance.

The Bonds are limited obligations of the City payable solely from the Trust Estate as defined in the Indenture. Reference is hereby made to the Indenture, copies of which are on file with and available upon request from the Trustee, for the provisions, among others, with respect to the nature and extent of the duties and obligations of the City, the Trustee and the Owners. The Owner of this Bond, by the acceptance hereof, is deemed to have agreed and consented to the terms, conditions and provisions of the Indenture.

Notwithstanding any provision hereof, the Indenture may be released and the obligation of the City to make money available to pay this Bond may be defeased by the deposit of money and/or certain direct or indirect Defeasance Securities sufficient for such purpose as described in the Indenture.

The Bonds are issuable as fully registered bonds only in Authorized Denominations, subject to the provisions of the Indenture authorizing redemption in denominations of \$100,000 and any multiple of \$1,000 in excess thereof.

The Bonds are subject to sinking fund redemption prior to their respective maturities and will be redeemed by the City in part at a price equal to the principal amount thereof plus accrued and unpaid interest thereon to the date set for redemption from moneys available for such purpose in the Redemption Fund pursuant to Article VI of the Indenture, on the dates and in the Sinking Fund Installment amounts as set forth in the following schedule:

At least forty-five (45) days prior to each mandatory sinking fund redemption date, and subject to any prior reduction authorized by the Indenture, the Trustee shall select for redemption, pursuant to the provisions of the Indenture, a principal amount of Bonds of such maturity equal to the Sinking Fund Installments of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in the Indenture.

The principal amount of Bonds required to be redeemed on any mandatory sinking fund redemption date shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least 45 days prior to the mandatory sinking fund redemption date (i) shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued and unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation, or (ii) shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption and not previously credited to a sinking fund redemption.

The City reserves the right and option to redeem Bonds maturing on or after September 1, 2043 before their scheduled maturity dates, in whole or in part, on any date on or after September 1, 2033, such redemption date or dates to be fixed by the City, at the redemption price of par plus accrued interest to the date of redemption.

Bonds are subject to extraordinary optional redemption prior to maturity in whole or in part, and in an amount and on a date specified in a City Certificate, at a redemption price equal to the principal amount of the Bonds called for redemption, plus accrued and unpaid interest to the date fixed for redemption, pursuant to the provisions of the Indenture, from amounts on deposit in the Redemption Fund as a result of Prepayments, other transfers to the Redemption Fund pursuant to the Indenture, or as a result of unexpended amounts transferred from the Project Fund as provided in the Indenture.

The Trustee shall give notice of any redemption of Bonds by sending notice by United States mail, first-class, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond (or part thereof) to be redeemed, at the address shown on the Register. The notice shall state the redemption date, the Redemption Price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed. Any notice so given shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

With respect to any optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the redemption price of the Bonds to be redeemed before giving of a notice of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not satisfied and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds, and the

Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the City and the rights of the holders of the Bonds under the Indenture at any time Outstanding affected by such modification. The Indenture also contains provisions permitting the holders of specified percentages in aggregate principal amount of the Bonds at the time Outstanding, on behalf of the holders of all the Bonds, to waive compliance by the City with certain past defaults under the Bond Ordinance or the Indenture and their consequences. Any such consent or waiver by the holder of this Bond or any predecessor Bond evidencing the same debt shall be conclusive and binding upon such holder and upon all future holders thereof and of any Bond issued upon the transfer thereof or in exchange therefor or in lieu thereof, whether or not notation of such consent or waiver is made upon this Bond.

As provided in the Indenture, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office, with such endorsement or other evidence of transfer as is acceptable to the Trustee, and upon delivery to the Trustee of such certifications and/or opinion of counsel as may be required under the Indenture for the transfer of this Bond. Upon satisfaction of such requirements, one or more new fully registered Bonds of the same Stated Maturity, of Authorized Denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the City nor the Trustee shall be required to issue, transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days of the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond redeemed in part.

The City, the Trustee, and any other Person may treat the Person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the Person in whose name this Bond is registered on the Record Date or Special Record Date, as applicable) and for all other purposes, whether or not this Bond be overdue, and neither the City nor the Trustee shall be affected by notice to the contrary.

The City has reserved the right to issue Additional Bonds on the terms and conditions specified in the Indenture.

If a date for the payment of the principal of or interest on the Series 2024 Bonds is a Saturday, Sunday, legal holiday, or a day on which banking institutions in the city in which the Designated Payment/Transfer Office is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding Business Day, and payment on such date shall have the same force and effect as if made on the original date payment was due.

This Series 2024 Bond is one of a duly authorized issue of assessment revenue bonds of the City having the designation specified in its title (herein referred to as the “Series 2024 Bonds”), dated December 10, 2024, issued in the aggregate principal amount of \$[ ] and issued, with the limitations described herein, pursuant to an Indenture of Trust, dated as of May 1, 2023, as supplemented by a Supplemental Trust Indenture, dated as of December 1, 2024 (together, the “Indenture”), each by and between the City and the Trustee, to which Indenture reference is hereby made for a description of the amounts thereby pledged and assigned, the nature and extent of the lien and security, the respective rights thereunder to the holders of the Series 2024 Bonds, the Trustee, and the City, and the terms upon which the Series 2024 Bonds are, and are to be, authenticated and delivered and by this reference to the terms of which each holder of this Series 2024 Bond hereby consents. All Bonds Similarly Secured, including the Series 2024 Bonds issued under the Indenture are equally and ratably secured by the amounts thereby pledged and assigned. The Series 2024 Bonds are limited obligations of the City payable solely from the Trust Estate as defined in the Indenture, and are secured on a parity with the Bonds Similarly Secured. Reference is hereby made to the Indenture, copies of which are on file with and available upon request from the Trustee, for the provisions, among others, with respect to the nature and extent of the duties and obligations of the City, the Trustee and the Owners. The Owner of this Series 2024 Bond, by the acceptance hereof, is deemed to have agreed and consented to the terms, conditions and provisions of the Indenture.

Notwithstanding any provision hereof, the Indenture may be released and the obligation of the City to make money available to pay this Series 2024 Bond may be defeased by the deposit of money and/or certain direct or indirect Defeasance Securities sufficient for such purpose as described in the Indenture.

At least forty-five (45) days prior to each mandatory sinking fund redemption date, and subject to any prior reduction authorized by the Indenture, the Trustee shall select a principal amount of Series 2024 Bonds of such maturity equal to the Sinking Fund Installment amount of such Series 2024 Bonds to be redeemed, shall call such Series 2024 Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in the Indenture.

The principal amount of Series 2024 Bonds of a Stated Maturity required to be redeemed on any mandatory sinking fund redemption date pursuant to the Indenture shall be reduced, at the option of the City, by the principal amount of any Series 2024 Bonds of such maturity which, at least forty-five (45) days prior to the mandatory sinking fund redemption date shall have been acquired by the City at a price not exceeding the principal amount of such Series 2024 Bonds

plus accrued and unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation.

The principal amount of Series 2024 Bonds required to be redeemed on any mandatory sinking fund redemption date pursuant to the Indenture shall be reduced on a pro rata basis among Sinking Fund Installments by the principal amount of any Series 2024 Bonds which, at least forty-five (45) days prior to the mandatory sinking fund redemption date, shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption provisions in the Indenture and not previously credited to a mandatory sinking fund redemption.

The City reserves the right and option to redeem Series 2024 Bonds maturing on or after September 1, 20[ ], before their scheduled maturity dates, in whole or in part, on any date on or after September 1, 20[ ], such redemption date or dates to be fixed by the City, at the Redemption Price.

The Series 2024 Bonds are subject to extraordinary optional redemption prior to maturity in whole or in part, and in an amount and on a date specified in a City Certificate, at a redemption price equal to the principal amount of the Series 2024 Bonds called for redemption, plus accrued and unpaid interest to the date fixed for redemption, pursuant to the provisions of the Indenture, from amounts on deposit in the Redemption Fund as a result of Prepayments, other transfers to the Redemption Fund pursuant to the Indenture, or as a result of unexpended amounts transferred from the Project Fund as provided in the Indenture.

The Trustee shall give notice of any redemption of Series 2024 Bonds by sending notice by United States mail, first-class, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Series 2024 Bond (or part thereof) to be redeemed, at the address shown on the Register. The notice shall state the redemption date, the Redemption Price, the place at which the Series 2024 Bonds are to be surrendered for payment, and, if less than all the Series 2024 Bonds Outstanding are to be redeemed, an identification of the Series 2024 Bonds or portions thereof to be redeemed. Any notice so given shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

With respect to any optional redemption of the Series 2024 Bonds, unless the Trustee has received funds sufficient to pay the redemption price of the Series 2024 Bonds to be redeemed before the giving of a notice of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not satisfied and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Series 2024 Bonds, and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Series 2024 Bonds have not been redeemed.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the City and the rights of the holders of the Series 2024 Bonds under the Indenture at any time Outstanding affected by such modification. The Indenture also contains provisions permitting the holders of specified percentages in aggregate principal amount of the Series 2024 Bonds at the time Outstanding, on behalf of the holders of all the Series 2024 Bonds, to waive compliance by the City with certain past defaults under the Bond Ordinance or the Indenture and their consequences. Any such consent or waiver by the holder of this Series 2024 Bond or any predecessor Series 2024 Bond evidencing the same debt shall be conclusive and binding upon such holder and upon all future

holders thereof and of any Series 2024 Bond issued upon the transfer thereof or in exchange therefor or in lieu thereof, whether or not notation of such consent or waiver is made upon this Series 2024 Bond.

As provided in the Indenture, this Series 2024 Bond is transferable upon surrender of this Series 2024 Bond for transfer at the Designated Payment/Transfer Office, with such endorsement or other evidence of transfer as is acceptable to the Trustee, and upon delivery to the Trustee of such certifications and/or opinion of counsel as may be required under the Indenture for the transfer of this Series 2024 Bond. Upon satisfaction of such requirements, one or more new fully registered Series 2024 Bonds of the same Stated Maturity, of Authorized Denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

## ***I. PLAN DESCRIPTION AND DEFINED TERMS***

### **A. INTRODUCTION**

On November 9, 2021, the City Council of the City of Celina, Texas (the “City”) passed and approved Resolution No. 2021-104R approving and authorizing the creation of the Mosaic Public Improvement District (the “PID”) to finance the costs of certain public improvements for the benefit of property in the PID, all of which is located within the City’s corporate limits.

On April 11, 2023, the City Council of the City approved Ordinance No. 2023-31 which levied Assessments against the Phase #1 Assessed Property in connection with the issuance of a series of Phase #1 Bonds and the Phase #1 Reimbursement Agreement Obligation to finance the Phase #1 Improvements and also approved the Mosaic Public Improvement District Service and Assessment Plan (the “2023 Service and Assessment Plan”).

The 2023 Service and Assessment Plan, as heretofore updated, is being updated as this Mosaic Public Improvement District Service and Assessment Plan (the “Service and Assessment Plan”) in connection with the issuance of the second series of Phase #1 Bonds and the levy of Assessments against the Improvement Area #2 of the District and the issuance of a series of Improvement Area #2 Bonds.

The property in the PID is proposed to be developed in multiple phases, and the PID will finance public improvements as the property is developed. Assessments will be imposed on the property that receives a special benefit from the Authorized Improvements for the public improvements to be constructed.

Chapter 372 of the Texas Local Government Code, the “Public Improvement District Assessment Act” (as amended, the “PID Act”), governs the creation and operation of public improvement districts within the State of Texas. The Service and Assessment Plan has been prepared in accordance with the PID Act and specifically Sections 372.013, 372.014, 372.015 and 372.016, which address the requirements of a service and assessment plan and the assessment roll. According to Section 372.013 of the PID Act, a service plan “must (i) cover a period of at least five years; (ii) define the annual indebtedness and the projected costs for improvements; and (iii) include a copy of the notice form required by Section 5.014, Property Code.” The service plan is described in Section IV of this Service and Assessment Plan. The copy of the notice form required by Section 5.014 of the Texas Property Code, as amended, is attached hereto as Appendix E.

Section 372.014 of the PID Act requires that “an assessment plan must be included in the annual service plan.” The assessment plan is described in Section V of this Service and Assessment Plan.

Section 372.015 of the PID Act requires that “the governing body of the municipality or county shall apportion the cost of an improvement to be assessed against property in an improvement district.” The method of assessing the costs of the Authorized Improvements and apportionment of such costs to the property in the PID is included in Section V of this Service and Assessment Plan.

Section 372.016 of the PID Act requires that “after the total cost of an improvement is determined, the governing body of the municipality or county shall prepare a proposed assessment roll. The roll must state the assessment against each parcel of land in the district, as determined by the method of assessment chosen by the municipality or county under this subchapter.” The Assessment Roll for the portion of the PID in Phase #1 and Improvement Area #2 is currently included as Appendix G and Appendix H, respectively, of this Service and Assessment Plan and additional Assessment Rolls may be added to this Service and Assessment Plan in the future. The Assessments as shown on each Assessment Roll are based on the method of assessment and apportionment of costs described in Section V of this Service and Assessment Plan.

## ***IV. SERVICE PLAN***

---

---

### **A. PROJECTED SOURCES AND USES OF FUNDS**

The PID Act requires the service plan to cover a period of at least five years. The service plan is required to define the annual projected costs and indebtedness for the Authorized Improvements undertaken within the PID during the five year period. Construction of the Phase #1 Improvements and Initial Major Improvements began in January 2022, and the construction of the Phase #1 Improvements and Initial Major Improvements was completed in June 2023. Construction of the Improvement Area #2 Improvements began in June of 2023, and it is anticipated that construction of the Improvement Area #2 Improvements will be completed in the 4th quarter of 2025. Construction of the Additional Major Improvements began in June of 2023, and it is anticipated that all of the Additional Major Improvements will be completed by the 4th quarter of 2027. Development of infrastructure to serve Future Phases is anticipated to begin in the last half of 2025.

The Budgeted Costs for the Phase #1 Projects plus costs related to the issuance of both series of the Phase #1 Bonds and the expenses incurred in the establishment, administration, and operation of the PID allocable to Phase #1 are \$29,409,514 as shown in Table IV-A.2. The service plan shall be reviewed and updated at least annually for the purpose of determining the annual budget for Administrative Expenses, updating the estimated Authorized Improvement costs, and updating the Assessment Roll(s). Any update to this Service and Assessment Plan is herein referred to as an “Annual Service Plan Update.”

The Budgeted Costs for the Improvement Area #2 Projects plus costs related to the issuance of the Improvement Area #2 Bonds and the expenses incurred in the establishment, administration, and operation of the PID allocable to Improvement Area #2 are \$47,690,847 as shown in Table IV-B. The service plan shall be reviewed and updated at least annually for the purpose of determining the annual budget for Administrative Expenses, updating the estimated Authorized Improvement costs, and updating the Assessment Roll(s). Any update to this Service and Assessment Plan is herein referred to as an “Annual Service Plan Update.”

If Assessments are levied and/or Phased PID Bonds are issued for the costs of Authorized Improvements to be constructed with development of each Future Phase or if additional Improvement Area #2 Bonds are issued for the purposes of paying any portion of the Improvement Area #2 Projects currently anticipated to be paid as part of the Improvement Area #2 Reimbursement Agreement Obligation this Service and Assessment Plan will be updated or amended (e.g. Table IV-C may be included for Improvement Area #3, etc.).

The Series 2023 Phase #1 Bonds were issued in 2023 and were used to finance a portion of the costs of the Phase #1 Improvements. At that time and at this time, no Assessments are being levied for the Actual Costs of the Initial Major Improvements or the Additional Major Improvements allocable to Phase #1; therefore, Phase #1's allocable share of the Initial Major Improvements is being funded by the Developer and it is anticipated that the Developer will fund Phase #1's allocable share of the Additional Major Improvements to be constructed. Phase #1's allocable share of the Initial Major Improvements and Additional Major Improvements will not be reimbursed from the proceeds for the Phase #1 Bonds or from Assessment Revenues generated from the Phase #1 Assessments.

**C. PID ASSESSMENT NOTICE**

The PID Act requires that this Service and Assessment Plan and each Annual Service Plan update include a copy of the “PID Assessment Notice” form required by Section 5.014 of the Texas Property Code. The PID Assessment Notice is attached hereto as Appendix E and may be updated in an Annual Service Plan Update.

## *V. ASSESSMENT PLAN*

---

---

### **A. INTRODUCTION**

The PID Act requires the City Council to apportion the costs of the Authorized Improvements on the basis of special benefits conferred upon the property because of the Authorized Improvements. The PID Act provides that the costs of the Authorized Improvements may be assessed: (i) equally per front foot or square foot; (ii) according to the value of the property as determined by the governing body, with or without regard to improvements on the property; or (iii) in any other manner that results in imposing equal shares of the cost on property similarly benefited. The PID Act further provides that the governing body may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the municipality and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

The proposed development financing program entails a series of Bond financings and/or obligations under the Reimbursement Agreement that are intended to finance the public infrastructure required for the development. This financing will necessarily be undertaken in phases to coincide with the private investment and development of the Authorized Improvements. Following the issuance of the Series 2023 Phase #1 Bonds in 2023 and the Series 2024 Phase #1 Bonds anticipated to be issued in 2024 and the Series 2024 Improvement Area #2 Bonds and the creation of the Improvement Area #2 Reimbursement Agreement Obligation anticipated to be issued and/or created in 2024, subsequent obligations under the Reimbursement Agreement and/or bond financings may be incurred or issued in the future as the subsequent Future Phases are gradually constructed.

The purpose of this gradual issuance of Bonds in phases is to mirror the actual development of the Authorized Improvements. The Bonds to be issued are most prudently and efficiently utilized when directly coinciding with construction of public infrastructure needed for private development that is to occur once the infrastructure is completed; it is most effective to issue the Bonds when the infrastructure is needed, not before. Furthermore, there is no economic advantage, and several disadvantages, to issuing debt and encumbering property within the PID prior to the need for the Authorized Improvements.

For purposes of this Service and Assessment Plan, the City Council has determined that the costs of the Initial Major Improvements, Additional Major Improvements, Phase #1 Improvements, and Improvement Area #2 Improvements shall be allocated as described below:

1. The costs of the Phase #1 Improvements that only benefit Phase #1 shall be allocated to Phase #1 Assessed Property on the basis of Equivalent Units calculated using the average home price of each Lot Type once such property is developed, and that such method of allocation will result in the imposition of equal shares of the costs of the Phase #1 Improvements to Parcels in Phase #1 similarly benefited.
2. The costs of the Improvement Area #2 Projects shall be allocated to Improvement Area #2 Assessed Property on the basis of Equivalent Units calculated using the average home price of each Lot Type once such property is developed, and that such method of allocation will result

in the imposition of equal shares of the costs of the Improvement Area #2 Projects to Parcels in Improvement Area #2 similarly benefited.

3. The Initial Major Improvements and Additional Major Improvements are proportionally allocated to Phase #1 Assessed Property, Improvement Area #2 Assessed Property, and assessed property in Phases #3A, 3B, 4, and 5 based on estimated Equivalent Units calculated using the average home price for the Phase #1 Assessed Property, Improvement Area #2 Assessed Property, and assessed property in Phases #3A, 3B, 4, and 5. At this time the City is only levying Assessments for the costs of the Initial Major Improvements and Additional Major Improvements allocable to Improvement Area #2.

At this time, it is impossible to determine with absolute certainty the amount of special benefit each Parcel within Future Phases will receive from the direct Authorized Improvements that will benefit each individual Phase. Therefore, Parcels will only be assessed for the special benefits conferred upon the Phase #1 Assessed Property and Improvement Area #2 Assessed Property at this time because of the Phase #1 Improvements and Improvement Area #2 Projects, respectively.

In connection with the levy of Assessments against property within a Future Phase and/or the issuance of Phased PID Bonds, this Service and Assessment Plan will be updated to reflect the special benefit each Parcel of Assessed Property within a Future Phase receives from the specific Authorized Improvements funded with those Assessments and/or Phased PID Bonds with respect to that Future Phase. Prior to assessing Parcels located within Future Phases, each owner of the Parcels to be assessed must acknowledge that the Authorized Improvements to be financed confer a special benefit on their Parcel and must consent to the imposition of the Assessments to pay for the Actual Costs of such Authorized Improvements.

This section of this Service and Assessment Plan currently (i) describes the special benefit received by each Parcel within Phase #1 and Improvement Area #2 as a result of the Phase #1 Improvements and Improvement Area #2 Projects, respectively, as applicable, (ii) provides the basis and justification for the determination that this special benefit exceeds the amount of the Assessments levied on the Phase #1 Assessed Property and to be levied on the Improvement Area #2 Assessed Property, respectively, for such improvements, and (iii) establishes the methodologies by which the City Council allocates and reallocates the special benefit of the Initial Major Improvements, Additional Major Improvements, the Phase #1 Improvements, and Improvement Area #2 Improvements to Parcels in a manner that results in equal shares of the Actual Costs of such improvements being apportioned to Parcels similarly benefited. The determination by the City Council of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Developer and all future owners and developers of the Assessed Property.

As Future Phases are developed, in connection with the issuance of Phased PID Bonds and/or the incurrence of an obligation under the Reimbursement Agreement this Service and Assessment Plan will be updated based on the City's determination of the assessment methodology for each Future Phase.

*(remainder of this page is intentionally left blank)*

## B. SPECIAL BENEFIT

Assessed Property must receive a direct and special benefit from the Authorized Improvements, and this benefit must be equal to or greater than the amount of the Assessments. The Authorized Improvements are provided specifically for the benefit of the Assessed Property. The Authorized Improvements (more particularly described in line-item format in Appendix B to this Service and Assessment Plan) and the costs of issuance and payment of costs incurred in the establishment of the PID shown in Table IV-A.1, Table IV-A.2, and Table IV-B are authorized by the PID Act. These Authorized Improvements are provided specifically for the benefit of the Assessed Property.

Each owner of the Assessed Property has acknowledged that the Authorized Improvements confer a special benefit on the Assessed Property and has consented to the imposition of the Assessments to pay for the Actual Costs associated therewith. Each of the owners is acting in its interest in consenting to this apportionment and levying of the Assessments because the special benefit conferred upon the Assessed Property by the Authorized Improvements exceeds the amount of the Assessments.

The Authorized Improvements provide a special benefit to the Assessed Property as a result of the close proximity of these improvements to the Assessed Property and the specific purpose of these improvements of providing infrastructure for the Assessed Property. In other words, the Assessed Property could not be used in the manner proposed without the construction of the Authorized Improvements. The Authorized Improvements are being provided specifically to meet the needs of the Assessed Property as required for the proposed use of the property.

The Assessments are being levied to provide the Authorized Improvements that are required for the highest and best use of the Assessed Property (i.e., the use of the property that is most valuable, including any costs associated with that use). Highest and best use can be defined as “the reasonably probable and legal use of property, which is physically possible, appropriately supported, financially feasible, and that results in the highest value.” (*Dictionary of Real Estate Appraisal, Third Edition.*) The Authorized Improvements are expected to be required for the proposed use of the Assessed Property to be physically possible, appropriately supported, financially feasible, and maximally productive.

The Developer has evaluated the potential use of the property and has determined that the highest and best use of the property is the use intended and the legal use for the property as described in Section II of this Service and Assessment Plan. The use of the Assessed Property as described herein will require the construction of the Authorized Improvements.

The Assessments will repay financing that is on advantageous terms, as the Bonds issued to finance the Authorized Improvements will pay interest that is exempt from federal income tax. As a result, all other terms being equal (e.g., maturity, fixed vs. variable rate, credit quality), the tax-exempt Bonds will have a lower interest rate than debt that is not tax-exempt. The Bonds also have a longer term than other available financings and may either be repaid or assumed by a buyer at the buyer’s option. As a result of these advantageous terms, the financing provided by the PID is the most beneficial means of financing the Authorized Improvements.

Each owner of the Assessed Property will ratify, confirm, accept, agree to and approve: (i) the determinations and finding by the City Council as to the special benefits described in this Service and Assessment Plan and the Assessment Ordinance; (ii) the Service and Assessment Plan and the Assessment Ordinance, and (iii) the levying of Assessments on the Assessed Property. Use of the Assessed Property as described in this Service and Assessment Plan and as authorized by the PID Act requires that Authorized Improvements be acquired, constructed, installed, and/or improved. Funding the Actual Costs of the Authorized Improvements through the PID has been determined by the City Council to be the most beneficial means of doing so. As a result, the Authorized Improvements result in a special benefit to the Assessed Property, and this special benefit exceeds the amount of the Assessment. This conclusion is based on and supported by the evidence, information, and testimony provided to the City Council.

In summary, the Authorized Improvements result in a special benefit to the Assessed Property for the following reasons:

1. The Authorized Improvements are being provided specifically for the use of the Assessed Property, are necessary for the proposed best use of the property and provide a special benefit to the Assessed Property as a result;
2. The Developer has consented to the imposition of the Assessments for the purpose of providing the Authorized Improvements and the Developer is acting in its interest by consenting to this imposition;
3. The Authorized Improvements are required for the highest and best use of the property;
4. The highest and best use of the Assessed Property is the use of the Assessed Property that is most valuable (including any costs associated with the use of the Assessed Property);
5. Financing of the costs of the Authorized Improvement through the PID is determined to be the most beneficial means of providing for the Authorized Improvements; and,
6. As a result, the special benefits to the Assessed Property from the Authorized Improvements will be equal to or greater than the Assessments.

### **C. ALLOCATION OF COSTS TO ASSESSED PROPERTY**

The Initial Major Improvements and Additional Major Improvements will provide a special benefit to all property in Phases #1-5 of the PID. Accordingly, the Actual Costs of the Initial Major Improvements and the Budgeted Costs of the Additional Major Improvements must be allocated throughout all Assessed Property in Phases #1-5 of the District. Table V-A summarizes the allocation of Actual Costs of the Initial Major Improvements and Budgeted Costs of the Additional Major Improvements. The Budgeted Costs shown in Table IV-A.2 and Table IV-B are estimates and may be revised in Annual Service Plan Updates, but the related Assessment may not be increased.

Phase #1 is projected to contain 435 residential units, Improvement Area #2 is projected to contain 591 residential units, and Phases #3A, 3B, 4, and 5 are projected to contain 644 residential units. As shown in Appendix F, the total projected Equivalent Units for Phase #1 is calculated as 323.08, the total projected Equivalent Units for Improvement Area #2 is calculated as 466.74, and the total projected Equivalent Units for the Phases #3A, 3B, 4, and 5 is calculated as 452.51. The total projected Equivalent Units in Phases #1-5 of the PID is 1,242.33, therefore, calculated to be 1,242.33 (i.e.,  $323.08 + 466.74 + 452.51 = 1,242.33$ ). As a result, 26.01 percent of the Actual Costs of the Initial Major Improvements and the Budgeted Costs of the Additional Major Improvements (i.e.  $323.08 \div 1,242.33 = 26.01\%$ ) are allocated to the Phase #1 Assessed Property, 37.57 percent of the Actual Costs of the Initial Major Improvements and the Budgeted Costs of the Additional Major Improvements (i.e.  $466.74 \div 1,242.33 = 37.57\%$ ) are allocated to the Improvement Area #2 Assessed Property, and 36.42 percent of the Actual Costs of the Initial Major Improvements and the Budgeted Costs of the Additional Major Improvements (i.e.,  $522.93 \div 1,242.33 = 36.42\%$ ) are allocated to the property located in Phases #3A, 3B, 4, and 5. The Phase #1 Bonds, and funds from the Developer funded the Actual Costs of the Phase #1 Improvements. One hundred percent (100%) of the Phase #1 Improvements are allocated to the Phase #1 Assessed Property. The Improvement Area #2 Bonds, and funds from the Developer will fund the Budgeted Costs of the Improvement Area #2 Improvements, as well as a portion of the Initial Major Improvements and Additional Major Improvements allocable to Improvement Area #2. One hundred percent (100%) of the Improvement Area #2 Improvements are allocated to the Improvement Area #2 Assessed Property.

**D. ASSESSMENT METHODOLOGY**

The costs of the Authorized Improvements may be assessed by the City Council against the Assessed Property so long as the special benefit conferred upon the Assessed Property by the Authorized Improvements equals or exceeds the Assessments. The costs of the Authorized Improvements may be assessed using any methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited.

1. *Assessment Methodology for the Phase #1 Improvements*

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Phase #1 Improvements to be financed with the Phase #1 Bonds shall be allocated to the Phase #1 Assessed Property by spreading the entire Assessment across the Parcels within Phase #1 based on the estimated number of Equivalent Units anticipated to be developed on each Parcel.

Based on the Budgeted Costs of the Phase #1 Improvements, as set forth in Table III-C, the City Council has determined that the benefit to Phase #1 Assessed Property of the Phase #1 Improvements is at least equal to the Assessments levied on the Phase #1 Assessed Property.

Upon subsequent divisions of any Parcel within Phase #1, the Assessment applicable to it will then be apportioned pro rata based on the estimated Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Parcel based on the ratio of the estimated Equivalent Units at the time residential Lots are platted to the total estimated Equivalent Units for Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council.

The Assessment and Annual Installments for each Parcel or Lot located within Phase #1 is shown on the Phase #1 Assessment Roll, attached as Appendix G, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

### *2. Assessment Methodology for the Improvement Area #2 Projects*

For purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Improvement Area #2 Projects to be financed with the Improvement Area #2 Bonds and by the Developer under the Improvement Area #2 Reimbursement Agreement Obligation shall be allocated to the Improvement Area #2 Assessed Property by spreading the entire Assessment across the Parcels within Improvement Area #2 based on the estimated number of Equivalent Units anticipated to be developed on each Parcel.

Based on the Budgeted Costs of the Improvement Area #2 Projects, as set forth in Table III-D, the City Council has determined that the benefit to Improvement Area #2 Assessed Property of the Improvement Area #2 Projects is at least equal to the Assessments levied on the Improvement Area #2 Assessed Property.

Upon subsequent divisions of any Parcel within Improvement Area #2, the Assessment applicable to it will then be apportioned pro rata based on the estimated Equivalent Units of each newly created Parcel. For residential Lots, when final residential building sites are platted, Assessments will be apportioned proportionately among each Parcel based on the ratio of the estimated Equivalent Units at the time residential Lots are platted to the total estimated Equivalent Units for Lots in the platted Parcel, as determined by the Administrator and confirmed by the City Council.

The Assessment and Annual Installments for each Parcel or Lot located within Improvement Area #2 is shown on the Improvement Area #2 Assessment Roll, attached as Appendix H, and no Assessment shall be changed except as authorized by this Service and Assessment Plan or the PID Act.

### *3. Assessment Methodology for Future Phases*

When any given Future Phase is developed, and Phased PID Bonds for that Future Phase are to be issued and/or an obligation is incurred under the Reimbursement Agreement, this Service and Assessment Plan will be amended to determine the assessment methodology that results in the imposition of equal shares of the Actual Costs on Assessed Property similarly benefited within that Phase.

## **E. ASSESSMENTS**

The Assessments levied or to be levied on each Parcel within the Phase #1 and Improvement Area #2 according to the Phase #1 Assessment Roll and Improvement Area #2 Assessment Roll, respectively, attached hereto as Appendix G and Appendix H. The Annual Installments of the Assessments will be collected at the time and in the amounts shown on the Phase #1 Assessment Roll and Improvement Area #2 Assessment Roll subject to any revisions made during an Annual Service Plan Update. Non-Benefitted Property will not be subject to any Assessments.

See Appendix F for Assessment per unit, leverage, and estimated tax rate equivalent calculation details.

## **F. ADMINISTRATIVE EXPENSES**

The cost of administering the PID and collecting the Annual Installments shall be paid for on a pro rata basis by each Parcel based on the amount of Assessment levied against the Parcel. The Administrative Expenses shall be collected as part of and in the same manner as Annual Installments in the amounts shown on each Assessment Roll, which may be revised based on Actual Costs incurred in Annual Service Plan Updates.

## **G. ADDITIONAL INTEREST RESERVE**

Pursuant to the PID Act, the interest rate for any portion of the Assessments which secure a series of Bonds may exceed the actual interest rate per annum paid on the related Bonds by no more than one half of one percent (0.50%). The interest rate used to determine the Assessments that secure the Bonds is one half of one percent (0.50%) per annum higher than the actual rate paid on the Bonds, with the Additional Interest Component of the Annual Installments allocated to fund a reserve to be used for paying interest associated with a prepayment and to offset any possible delinquency related costs. The Additional Interest Reserve shall be funded until it reaches the additional interest reserve requirement stipulated in the Trust Indenture. Once the Additional Interest Reserve is funded in full, the City may treat the Additional Interest Component of the Annual Installments as provided in the applicable Trust Indenture. No Additional Interest will be collected from any portion of an Assessment which secures a reimbursement obligation under the Reimbursement Agreement and not a series of Bonds, including the portion of the Assessment levied against the Improvement Area #2 Assessed Property related to the Improvement Area #2 Reimbursement Agreement Obligation.

## ***VI. TERMS OF THE ASSESSMENTS***

---

---

### **A. AMOUNT OF ASSESSMENTS AND ANNUAL INSTALLMENTS FOR PARCELS LOCATED WITHIN PHASE #1**

The Assessment and Annual Installments for each Parcel of Phase #1 Assessed Property located within the PID is shown on the Assessment Roll, attached as Appendix G, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Annual Installments shall be collected from the Assessed Property in an amount sufficient to pay (i) principal and interest on the Phase #1 Bonds, (ii) to fund the Additional Interest Reserve described in Section V, and (iii) to pay Administrative Expenses related to the PID. The Annual Installment for each Parcel in the PID shall be calculated by taking into consideration any available capitalized interest applicable to the Parcel.

### **B. AMOUNT OF ASSESSMENTS AND ANNUAL INSTALLMENTS FOR PARCELS LOCATED WITHIN IMPROVEMENT AREA #2**

The Assessment and Annual Installments for each Parcel of Improvement Area #2 Assessed Property located within the PID is shown on the Assessment Roll, attached as Appendix H, and no Assessment shall be changed except as authorized by this Service and Assessment Plan and the PID Act.

The Annual Installments shall be collected from the Assessed Property in an amount sufficient to pay (i) principal and interest on the Improvement Area #2 Bonds, (ii) principal and interest on the Improvement Area #2 Reimbursement Agreement Obligation (iii) to fund the Additional Interest Reserve (with respect to the portion of the assessment securing the Improvement Area #2 Bonds) described in Section V, and (iv) to pay Administrative Expenses related to the PID. The Annual Installment for each Parcel in the PID shall be calculated by taking into consideration any available capitalized interest applicable to the Parcel.

### **C. AMOUNT OF ASSESSMENTS AND ANNUAL INSTALLMENTS FOR PARCELS LOCATED WITHIN FUTURE PHASES**

As Future Phases are developed, this Service and Assessment Plan will be amended to determine the Assessment and Annual Installments for each Assessed Property located within Future Phases (e.g., an Appendix will be added as the Assessment Roll for Improvement Area #3, etc.). The Assessments shall not exceed the benefit received by the Assessed Property.

### **D. REALLOCATION OF ASSESSMENTS**

#### **1. Subdivision**

Upon the subdivision of any Parcel, the Assessment for the Parcel prior to the subdivision shall be reallocated among the new subdivided Parcels according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for each new subdivided Parcel

B = the Assessment for the Parcel prior to subdivision

C = the estimated number of Equivalent Units to be built on each new subdivided Parcel

D = the sum of the estimated number of Equivalent Units to be built on all of the new subdivided Parcels

The calculation of the estimated number of Equivalent Units to be built on a Parcel shall be performed by the Administrator and confirmed by the City Council based on the information available regarding the use of the Parcel. The estimate as confirmed shall be conclusive. The number of Equivalent Units to be built on a Parcel may be estimated by net land area and reasonable density ratios.

The sum of the Assessments for all newly subdivided Parcels shall equal the Assessment for the Parcel prior to subdivision. The calculation shall be made separately for each newly subdivided Parcel. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the subdivision of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

## **2. Consolidation**

Upon the consolidation of two or more Parcels, the Assessment for the consolidated Parcel shall be the sum of the Assessments for the Parcels prior to consolidation. The reallocation of an Assessment for a Parcel that is a homestead under Texas law may not exceed the Assessment prior to the reallocation and to the extent the reallocation would exceed such amount, it shall be prepaid by such amount by the party requesting the consolidation of the Parcels. Any reallocation pursuant to this section shall be reflected in an Annual Service Plan Update approved by the City Council.

## **E. MANDATORY PREPAYMENT OF ASSESSMENTS**

If a Parcel subject to Assessments is transferred to a party that is exempt from the payment of the Assessment under applicable law, or if an owner causes a Parcel subject to Assessments to become Non-Benefited Property, the owner of such Parcel shall pay to the City the full amount of the principal portion of the Assessment on such Parcel, plus all Prepayment Costs, prior to any such transfer or act.

If at any time the Assessment per Unit on a Parcel within Phase #1 exceeds the applicable Phase #1 Maximum Assessment Per Unit calculated in this Service and Assessment Plan as a result of any changes in land use, subdivision, consolidation or reallocation of the Assessment authorized by this Service and Assessment Plan and initiated by the owner of the Parcel, then such owner shall pay to the City prior to the recordation of the document subdividing the Parcel the amount calculated by

the Administrator by which the Assessment per Unit for the Parcel exceeds the applicable Phase #1 Maximum Assessment per Unit calculated in this Service and Assessment Plan.

The payments required above shall be treated the same as any Assessment that is due and owing under the PID Act, the Assessment Ordinance, and this Service and Assessment Plan, including the same lien priority, penalties, procedures, and foreclosure specified by the PID Act.

#### **F. REDUCTION OF ASSESSMENTS**

If after all Authorized Improvements to be funded with a series of Bonds and/or Reimbursement Agreement have been completed and Actual Costs for such Authorized Improvements are less than the Actual Costs or Budgeted Costs of the Authorized Improvements used to calculate the Assessments securing such series of Bonds and/or related reimbursement agreement, resulting in excess Bond proceeds being available to redeem Bonds and/or reduce obligations under the Reimbursement Agreement, as the case may be, and such excess proceeds shall be applied to redeem Bonds and/or obligations under the Reimbursement Agreement may be reduced as provided in the Trust Indenture or the terms of the Reimbursement Agreement, then the Assessment securing such series of Bonds and/or obligations under the Reimbursement Agreement for each Parcel of Assessed Property shall be reduced by the City Council pro rata such that the sum of the resulting reduced Assessments for all Assessed Properties equals the reduced Actual Costs or as otherwise provided in the Trust Indenture. The Assessments shall not be reduced to an amount less than the related outstanding series of Bonds and/or amounts due under a related reimbursement agreement. If all of the Authorized Improvements are not completed, the City may reduce the Assessments in another method if it determines such method would better reflect the benefit received by the Parcels from the Authorized Improvements completed and in accordance with the applicable Trust Indenture.

If all the Authorized Improvements are not undertaken, resulting in excess Bonds proceeds being available to redeem Bonds and/or a need to reduce the obligations under the Reimbursement Agreement, and such excess proceeds shall be applied to redeem Bonds and/or reduce obligations under the Reimbursement Agreement, as the case may be, as provided in the Trust Indenture or the terms of the Reimbursement Agreement, then the Assessments and Annual Installments for each Parcel shall be appropriately reduced by the City Council to reflect only the amounts required to repay the Bonds and/or repay obligations under the Reimbursement Agreement, including interest on the Bonds (including Additional Interest) and/or interest due under the Reimbursement Agreement and Administrative Expenses. The City Council may reduce the Assessments and the Annual Installments for each Parcel (i) in an amount that represents the Authorized Improvements provided for each Parcel or (ii) by an equal percentage calculated based on number of Equivalent Units, if determined by the City Council to be the most fair and practical means of reducing the Assessments for each Parcel, such that the sum of the resulting reduced Assessments equals the amount required to repay the Bonds and/or repay the obligations under the Reimbursement Agreement, including interest thereon and Administrative Expenses. The principal portion of the Assessment for each Parcel shall be reduced pro rata to the reduction in the Assessments for each Parcel such that the sum of the resulting reduced principal portion of the Bonds and/or obligations under the Reimbursement Agreement is equal to the outstanding principal amount of the Bonds and/or Reimbursement Agreement.

## **G. PAYMENT OF ASSESSMENTS**

### **1. Payment in Full**

The Assessment for any Parcel may be paid in full at any time. Such payment shall include all Prepayment Costs. If prepayment in full will result in redemption of Bonds, the payment amount shall be reduced by the amount, if any, of interest through the date of redemption of Bonds and reserve funds applied to the redemption under the Trust Indenture, net of any other costs applicable to the redemption of Bonds.

If an Annual Installment has been billed prior to payment in full of an Assessment, the Annual Installment shall be due and payable and shall be credited against the payment-in-full amount. Upon payment in full of the Assessment and all Prepayment Costs, the City shall deposit the payment in accordance with the Trust Indenture; whereupon, the Assessment shall be reduced to zero, and the owner's obligation to pay the Assessment and Annual Installments thereof shall automatically terminate.

At the option of the owner, the Assessment on any Parcel plus Prepayment Costs may be paid in part in an amount sufficient to allow for a convenient redemption of Bonds as determined by the Administrator. Upon the payment of such amounts for a Parcel, the Assessment for the Parcel shall be reduced, the Assessment Roll shall be updated to reflect such partial payment, and the obligation to pay the Annual Installment for such Parcel shall be reduced to the extent the partial payment is made.

### **2. Payment in Annual Installments**

The PID Act provides that an Assessment for a Parcel may be paid in full at any time. If not paid in full, the PID Act authorizes the Assessment to be paid in installments and additionally allows the City to collect interest, administrative expenses and other authorized charges in installments. An Assessment for a Parcel that is not paid in full will be collected in Annual Installments each year in the amounts shown on the Assessment Roll, as updated as provided for herein, which include interest, Administrative Expenses, and payments required for the Additional Interest Reserve. Payment of the Annual Installments shall commence with tax bills mailed after the initial issuance of Bonds. If Assessments secure both a series of Bonds and an obligation under the Reimbursement Agreement, the lien securing the Bonds shall have a senior priority. As such, annual collections shall be applied first to amounts due on the Bonds, including Additional Interest and Administrative Expenses and second to amounts due under the Reimbursement Agreement.

#### Phase #1

The portion of each Assessment for Phase #1 Assessed Property related to the Series 2023 Phase #1 Bonds shall be paid with interest of no more than the lesser of the actual interest rate paid on the Series 2023 Phase #1 Bonds (plus Additional Interest). Interest on the Series 2023 Phase #1 Bonds is based on an interest rate of 4.375% per annum for years 1 through 8 (2023-2030), 5.125% per annum for years 9 through 21 (2031-2043), and Additional Interest at the rate of up to 0.5% for the Additional Interest Reserve. The portion of each Assessment for the Phase #1 Assessed Property related to the Series 2024 Phase #1 Bonds shall be paid with interest of no more than the lesser of

the actual interest rate paid on the Series 2024 Phase #1 Bonds (plus Additional Interest). Interest on the Series 2024 Phase #1 Bonds is based on an estimated interest rate of 5.75% in years 1 through 28 (2025-2052), and Additional Interest at the rate of up to 0.5% for the Additional Interest Reserve. Furthermore, the Annual Installments related to the Phase #1 Bonds may not exceed the amounts shown on the Phase #1 Assessment Roll. The Phase #1 Assessment Roll is shown as Appendix H.

The Annual Installments for the Phase #1 Assessed Property shall be reduced to equal the Actual Costs of repaying the Phase #1 Bonds and actual Administrative Expenses (as provided for in the definition of such term), taking into consideration any other available funds for these costs, such as interest income on account balances.

### Improvement Area #2

Each Assessment for the Improvement Area #2 Assessed Property shall be paid with interest related to the actual interest rate paid on the Series 2024 Improvement Area #2 Bonds (plus Additional Interest) and Improvement Area #2 Reimbursement Agreement Obligation, respectively, as shown in the Improvement Area #2 Assessment Roll. Interest on the Series 2024 Improvement Area #2 Bonds is based on an estimated interest rate of 4.24% for years 1-6 (2025-2030), 4.48% for years 7-10 (2030-2034), 5.10% for years 11-20 (2035-2044), 5.30% for years 21-25 (2045-2049), and 5.35% for years 26-30 (2026-2054). Interest on the Improvement Area #2 Reimbursement Agreement Obligation shall be paid based on an estimated interest rate of 5.85% per annum for years 1 through 5 and 5.85% per annum following the fifth Annual Installment. The interest on the Improvement Area #2 Reimbursement Agreement Obligation shall be paid at a rate not to exceed five hundred basis points (5.00%) above the highest average index rate for tax-exempt bond reported in a daily or weekly bond index approved by the City and reported in the month prior to the establishment of the Assessments and continuing for a period of five years from such date. Such rate shall then adjust and shall not exceed two hundred basis points (2.00%) above the bond index rate described above and shall continue until the Assessments are paid in full. The index approved by the City is the *Bond Buyer Index* for which the highest average rate during the previous thirty days prior to the levy of Assessments was 3.85%. The City has determined that the PID Reimbursement Agreement shall bear interest at the estimated interest rate of 5.85% per annum for years 1 through 5 and 5.85% per annum following the fifth Annual Installment, which rates are equal to or less than the initial maximum allowable rate of interest of 8.85% for years 1 through 5 and equal to the maximum allowable rate of interest following the fifth Annual Installment, which would be 5.85%. Furthermore, the Annual Installments may not exceed the amounts shown on the applicable Assessment Roll. The Improvement Area #2 Assessment Roll is shown in Appendix H.

The Annual Installments for the Improvement Area #2 Assessed Property shall be reduced to equal the Actual Costs of repaying the Improvement Area #2 Bonds and the Improvement Area #2 Reimbursement Agreement Obligation under the Reimbursement Agreement and actual Administrative Expenses (as provided for in the definition of such term), taking into consideration any other available funds for these costs, such as interest income on account balances.

The City reserves and shall have the right and option to refund the Bonds and/or issue additional Bonds in accordance with Section 372.027 of the PID Act. In the event of such refunding, the Administrator shall recalculate the Annual Installments, and if necessary, may adjust, or decrease, the amount of the Annual Installments so that total Annual Installments of Assessments will be

produced in annual amounts that are required to pay the refunding bonds when due and payable as required by and established in the ordinance and/or the indenture authorizing and securing the refunding bonds, and such refunding bonds shall constitute Bonds for purposes of this Service and Assessment Plan.

#### **H. COLLECTION OF ANNUAL INSTALLMENTS**

No less frequently than annually, the Administrator shall prepare, and the City Council shall consider, an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include updated Assessment Rolls and a calculation of the Annual Installment for each Parcel. Administrative Expenses shall be allocated among Parcels in proportion to the amount of the Annual Installments for the Parcels. Each Annual Installment shall be reduced by any credits applied under the applicable Trust Indenture, such as capitalized interest, interest earnings on any account balances, and any other funds available to the Trustee for such purpose, including any existing deposits for a prepayment reserve. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes and shall be subject to the same penalties, procedures, and foreclosure sale in case of delinquencies as are provided for ad valorem taxes of the City. The City Council may provide for other means of collecting the Annual Installments to the extent permitted under the PID Act. The Assessments shall have lien priority as specified in the PID Act.

Any sale of property for nonpayment of the Annual Installments shall be subject to the lien established for the remaining unpaid Annual Installments against such property and such property may again be sold at a judicial foreclosure sale if the purchaser thereof fails to make timely payment of the non-delinquent Annual Installments against such property as they become due and payable.

##### Phase #1

Each Annual Installment, including the interest on the unpaid amount of an Assessment against the Phase #1 Assessed Property, shall be calculated as of September 1 and updated annually. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of the following year. The initial Annual Installments relating to the Phase #1 Assessments were due when billed and were delinquent if not paid prior to February 1, 2024 (subject to any offsets from capitalized interest and any other available funds).

##### Improvement Area #2

Each Annual Installment, including the interest on the unpaid amount of an Assessment against the Improvement Area #2 Assessed Property, shall be calculated as of September 1 and updated annually. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of the following year. The initial Annual Installments relating to the Improvement Area #2 Assessments will be due when billed and will be delinquent if not paid prior to February 1, 2026 (subject to any offsets from capitalized interest and any other available funds).

## ***VII. THE ASSESSMENT ROLL***

---

---

### **A. PHASE #1 ASSESSMENT ROLL**

The City Council has evaluated each Parcel in Phase #1 (based on numerous factors such as the applicable zoning for developable area, the use of proposed Homeowner Association Property, the Public Property, the types of public improvements, and other development factors deemed relevant by the City Council) to determine the amount of Assessed Property within the Phase #1.

The Phase #1 Assessed Property will be assessed for the special benefits conferred upon the property resulting from the Phase #1 Improvements. Table VII-B summarizes the \$29,409,514 in special benefit received by the Phase #1 Assessed Property from the Phase #1 Projects, the costs of the PID formation allocable to Phase #1, and the Phase #1 Bond issuance costs. The par amount of the Phase #1 Bonds is collectively \$22,162,000, which is less than the benefit received by the Phase #1 Assessed Property from the Phase #1 Improvements. Accordingly, the total Assessment to be applied to all the Phase #1 Assessed Property is \$22,162,000 plus interest, Additional Interest (as applicable), and annual Administrative Expenses. The Assessment for each Phase #1 Assessed Property is calculated based on the allocation methodologies described in Section V.C. The Phase #1 Assessment Roll is attached hereto as Appendix G.

**B. IMPROVEMENT AREA #2 ASSESSMENT ROLL**

The City Council has evaluated each Parcel in Improvement Area #2 (based on numerous factors such as the applicable zoning for developable area, the use of proposed Homeowner Association Property, the Public Property, the types of public improvements, and other development factors deemed relevant by the City Council) to determine the amount of Assessed Property within the Improvement Area #2.

The Improvement Area #2 Assessed Property will be assessed for the special benefits conferred upon the property resulting from the Improvement Area #2 Projects. Table VII-B summarizes the \$47,690,847 in special benefit received by the Improvement Area #2 Assessed Property from the Improvement Area #2 Projects, the costs of the PID formation allocable to Improvement Area #2, and the Improvement Area #2 Bond issuance costs. The par amount of the Improvement Area #2 Bonds and the amount of the Improvement Area #2 Reimbursement Agreement Obligation due is collectively \$47,690,847 which is equal to the benefit received by the Improvement Area #2 Assessed Property from the Improvement Area #2 Projects. Accordingly, the total Assessment to be

applied to all the Improvement Area #2 Assessed Property is \$47,690,847 plus interest, Additional Interest (as applicable), and annual Administrative Expenses. The Assessment for each Improvement Area #2 Assessed Property is calculated based on the allocation methodologies described in Section V.C. The Improvement Area #2 Assessment Roll is attached hereto as Appendix H.

### C. FUTURE PHASES ASSESSMENT ROLLS

As Future Phases are developed, this SAP will be amended to determine the Assessment for each Parcel or Lot located within such Future Phases (e.g. an appendix will be added as the Assessment Roll for Future Phases).

### D. ANNUAL ASSESSMENT ROLL UPDATES

The Administrator shall prepare, and shall submit to the City Council for approval, annual updates to the Phase #1 Assessment Roll and Improvement Area #2 Assessment Roll in conjunction with the Annual Service Plan Update to reflect the following matters, together with any other changes helpful to the Administrator or the City and permitted by the PID Act: (i) the identification of each Parcel (ii) the Assessment for each Parcel of Assessed Property, including any adjustments authorized by this Service and Assessment Plan or in the PID Act; (iii) the Annual Installment for the Assessed Property for the year (if the Assessment is payable in installments); and (iv) payments of the Assessment, if any, as provided by Section VI.F of this Service and Assessment Plan.

*(remainder of this page is intentionally left blank)*

This update shall reflect the actual interest on the Bonds and/or due under the Reimbursement Agreement on which the Annual Installments shall be paid, any reduction in the Assessments, and any revisions in the Actual Costs to be funded by the Bonds and Developer funds.

## ***VIII. MISCELLANEOUS PROVISIONS***

---

---

### **A. ADMINISTRATIVE REVIEW**

The City may elect to designate a third party to serve as Administrator. The City shall notify Developer in writing at least thirty (30) days in advance before appointing a third party Administrator.

To the extent consistent with the PID Act, an owner of an Assessed Parcel claiming that a calculation error has been made in the Assessment Roll(s), including the calculation of the Annual Installment, shall send a written notice describing the error to the City not later than thirty (30) days after the date any amount which is alleged to be incorrect is due prior to seeking any other remedy. The Administrator shall promptly review the notice, and if necessary, meet with the Assessed Parcel owner, consider written and oral evidence regarding the alleged error and decide whether, in fact, such a calculation error occurred.

If the Administrator determines that a calculation error has been made and the applicable Assessment Roll should be modified or changed in favor of the Assessed Parcel owner, such change or modification shall be presented to the City Council for approval to the extent permitted by the PID Act. A cash refund may not be made for any amount previously paid by the Assessed Parcel owner (except for the final year during which the Annual Installment shall be collected or if it is determined there are sufficient funds to meet the expenses of the PID for the current year), but an adjustment may be made in the amount of the Annual Installment to be paid in the following year. The decision of the Administrator regarding a calculation error relating to an Assessment Roll may be appealed to the City Council. Any amendments made to the Assessment Roll(s) pursuant to calculation errors shall be made pursuant to the PID Act.

The decision of the Administrator, or if such decision is appealed to the City Council, the decision of the City Council shall be conclusive as long as there is a reasonable basis for such determination. This procedure shall be exclusive and its exhaustion by any property owner shall be a condition precedent to any other appeal or legal action by such owner.

All tables included in this Service and Assessment Plan may be rounded to the nearest whole dollar.

### **B. TERMINATION OF ASSESSMENTS**

Each Assessment shall be extinguished on the date the Assessment is paid in full, including unpaid Annual Installments and Delinquent Collection Costs, if any. After the extinguishment of an Assessment and the collection of any delinquent Annual Installments and Delinquent Collection Costs, the City shall provide the owner of the affected Parcel a recordable “Notice of the PID Assessment Termination”.

### **C. AMENDMENTS**

Amendments to the Service and Assessment Plan can be made as permitted or required by the PID Act and under Texas law.

The City Council reserves the right to the extent permitted by the PID Act to amend this Service and Assessment Plan without notice under the PID Act and without notice to property owners of Parcels:(i) to correct mistakes and clerical errors; (ii) to clarify ambiguities; and (iii) to provide procedures for the collection and enforcement of Assessments, Prepayment Costs, collection costs, and other charges imposed by the Service and Assessment Plan.

#### **D. ADMINISTRATION AND INTERPRETATION OF PROVISIONS**

The City Council shall administer the PID, this Service and Assessment Plan, and all Annual Service Plan Updates consistent with the PID Act and shall make all interpretations and determinations related to the application of this Service and Assessment Plan unless stated otherwise herein or in the Trust Indenture, such determination shall be conclusive.

#### **E. SEVERABILITY**

If any provision, section, subsection, sentence, clause or phrase of this Service and Assessment Plan or the application of same to an assessed Parcel or any person or set of circumstances is for any reason held to be unconstitutional, void or invalid, the validity of the remaining portions of this Service and Assessment Plan or the application to other persons or sets of circumstances shall not be affected thereby, it being the intent of the City Council in adopting this Service and Assessment Plan that no part hereof or provision or regulation contained herein shall become inoperative or fail by reason of any unconstitutionality, voidness or invalidity of any other part hereof, and all provisions of this Service and Assessment Plan are declared to be severable for that purpose.

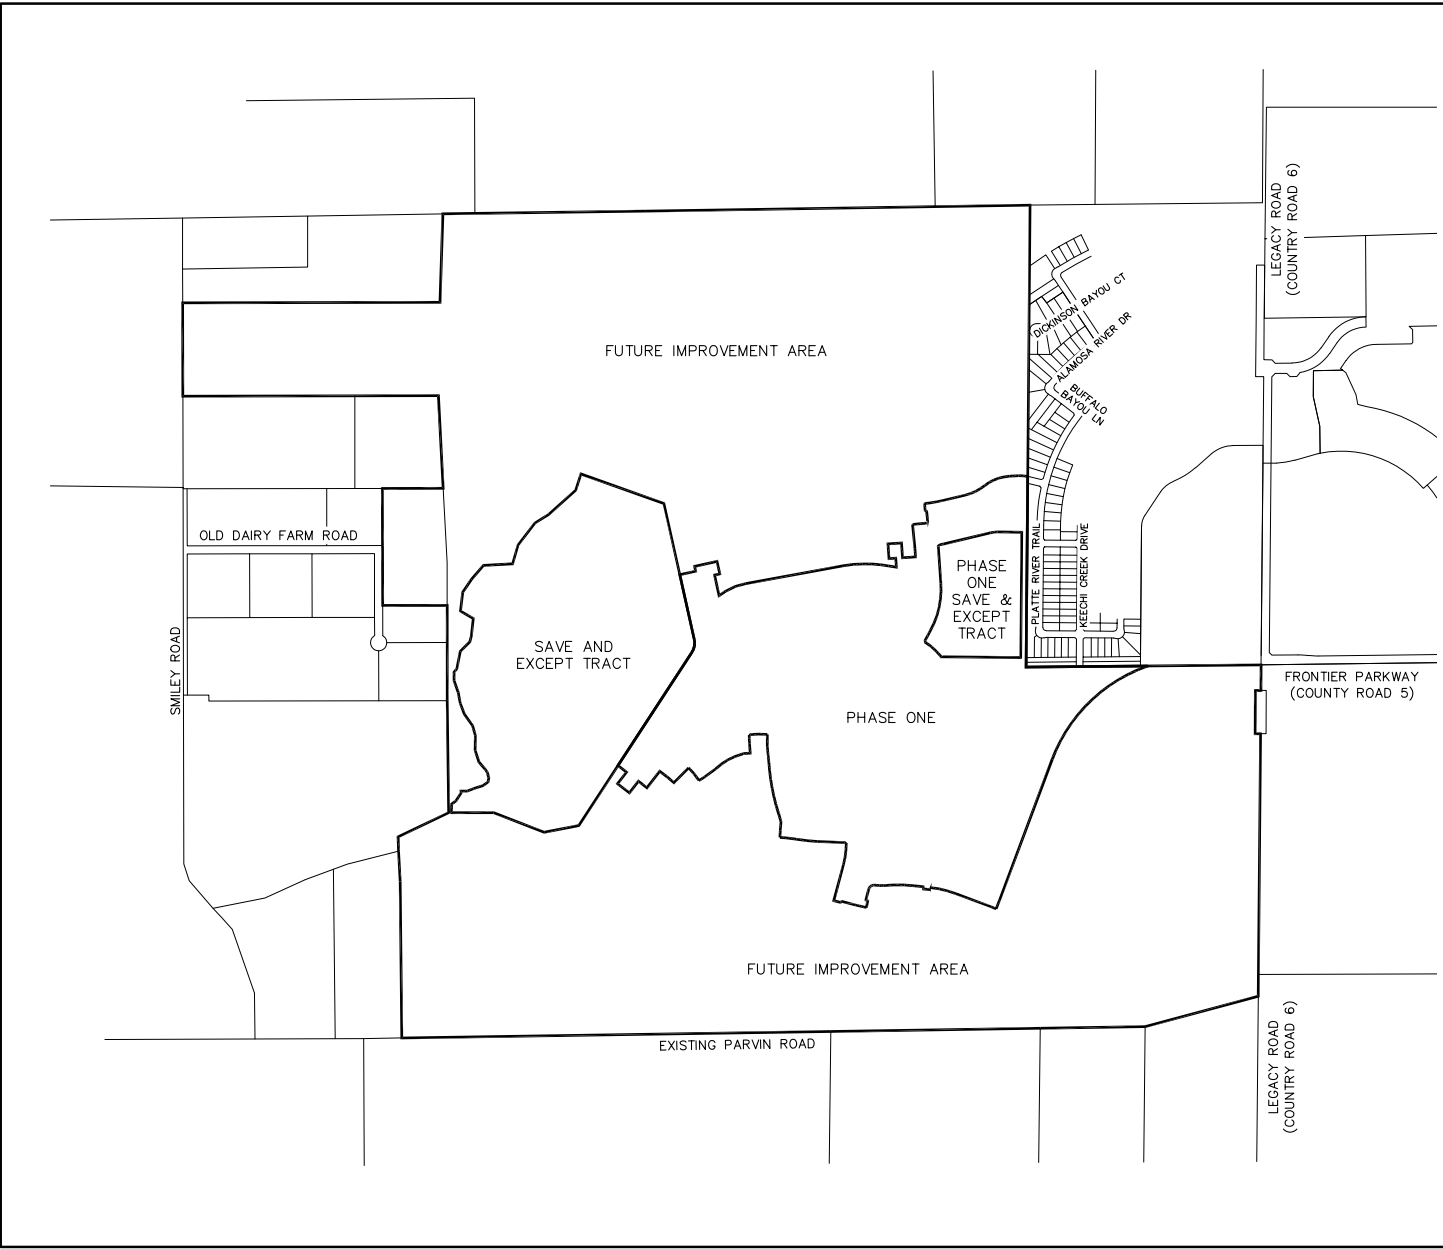

If any provision of this Service and Assessment Plan is determined by a court to be unenforceable, the unenforceable provision shall be deleted from this Service and Assessment Plan and the unenforceable provision shall, to the extent possible, be rewritten to be enforceable and to give effect to the intent of the City.

**B) Calculation of Equivalent Units**

As explained under Section IV.D, for purpose of this Service and Assessment Plan, the City Council has determined that the Actual Costs of the Authorized Improvements to be allocated to the Assessed Property receiving benefit from such Authorized Improvements by spreading the entire Assessment across the Parcels based on the estimated Equivalent Units.

For purposes of this Service and Assessment Plan, the City Council has determined that the Assessments shall be allocated to the Assessed Property on the basis of the average home value of each Lot Type, and that such method of allocation will result in the imposition of equal shares

of the Assessments on Parcels similarly benefited. In determining the average home value of each Lot Type, the City Council has taken into consideration (i) the type of lots (i.e., 70 Ft, 60 Ft, etc.); (ii) current and projected home prices; (iii) the costs of the Authorized Improvements, and (iv) the ability of different property types to utilize and benefit from the Authorized Improvements.

Having taken into consideration the matters described above, the City Council has determined that allocating the Assessments among Parcels based on average home value is best accomplished by creating classifications of benefited Parcels based on the “Lot Types” defined above. These original classifications (from Lot Type 1 (70 Ft Lots) representing the highest value to Lot Type 5 (Townhomes) representing the lowest value for single-family residential lots as well as Lot Type 6 (Multi-Family), and Lot Type 7 (Commercial)) are set forth in Table F-5.1. Assessments are allocated to each Lot Type on the basis of the average home value for each class of lots. This is accomplished by giving each Lot Type an Equivalent Unit factor. Equivalent Units are the ratio of the average value of lots within each assessment class, setting the Equivalent Unit factor for Lot Type 1 (70 Ft Lots) to 1.0.

**Table F-5.1**  
**Equivalent Unit Factors – Original**

<b>Lot Type</b>	<b>Estimated Average Unit Value</b>	<b>Equivalent Unit Factor</b>	
Lot Type 1 (70 Ft)	\$798,000	1.00	per dwelling unit
Lot Type 2 (60 Ft)	\$670,000	0.84	per dwelling unit
Lot Type 3 (50 Ft)	\$633,000	0.79	per dwelling unit
Lot Type 4 (40 Ft)	\$468,000	0.59	per dwelling unit
Lot Type 5 (Townhomes)	\$374,000	0.47	per dwelling unit
Lot Type 6 (Multi-Family)	\$145,000	0.18	per dwelling unit
Lot Type 7 (Commercial)	\$225,000	0.28	per 1,000 GSF

The Equivalent Unit calculations described above were revised by the City Council in 2024 following changes to the development process and the request from the Developer. These classifications were reduced to remove Lot Type 6 (Multi-Family) and Lot Type 7 (Commercial), as shown in Table F-5.2.

**Table F-5.2**  
**Equivalent Unit Factors – Phases #1-5 - 2024 Revised**

<b>Lot Type</b>	<b>Estimated Average Unit Value</b>	<b>Equivalent Unit Factor</b>	
Lot Type 1 (70 Ft)	\$798,000	1.00	per dwelling unit
Lot Type 2 (60 Ft)	\$670,000	0.84	per dwelling unit
Lot Type 3 (50 Ft)	\$633,000	0.79	per dwelling unit
Lot Type 4 (40 Ft)	\$468,000	0.59	per dwelling unit
Lot Type 5 (Townhomes)	\$374,000	0.47	per dwelling unit

The original total estimated Equivalent Units for the Future Phases are shown in Table F-6.1 as calculated based on the Equivalent Unit factors shown in Table F-5.1, estimated Lot Types and the original number of units estimated to be built within the Future Phases.

**C) Original Allocation of Assessments to Lots within Phase # 1**

As shown in Section IV of this Service and Assessment Plan, the total amount of the Series 2023 Phase #1 Bonds and Phase #1 Reimbursement Agreement Obligation, which represents the total Assessment originally to be allocated on all Parcels within Phase #1, is \$22,348,000. As shown in Table F-7, there are a total of 323.08 estimated Equivalent Units in Phase #1, resulting in an original Assessment per Equivalent Unit of \$69,172.22.

The original Assessment per dwelling unit or acre within Phase #1 is calculated as the product of (i) \$69,172.22 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, the original Assessment for a Lot Type 1 (70 Ft Lot) dwelling unit is \$69,172.22 (i.e., \$69,172.22 x 1.00). The original Assessment for a Lot Type 2 (60 Ft Lot) dwelling unit is \$58,076.92 (i.e., \$69,172.22 x 0.84). The original Assessment for a Lot Type 3 (50 Ft Lot) dwelling unit is \$54,869.69 (i.e., \$69,172.22 x 0.79). The original Assessment for a Lot Type 4 (40 Ft Lot) dwelling unit is \$40,567.16 (i.e., \$69,172.22 x 0.59). The original Assessment for a Lot Type 5 (Townhomes) dwelling unit is \$32,419.06 (i.e., \$69,172.22 x 0.47). Table F-9 sets forth the original Assessment per dwelling unit for each Lot Type in Phase #1.

**Table F-9**  
**Assessment Per Unit – Phase #1 - Original**

**D) Revised Allocation of Assessments to Lots within Phase #1**

As shown in Section IV of this Service and Assessment Plan, the total amount of the Series 2023 Phase #1 Bonds and Series 2024 Phase #1 Bonds, which represents the revised total Assessment to be allocated on all Parcels within Phase #1, is \$22,162,000. As shown in Table F-7, there are a total of 323.08 estimated Equivalent Units in Phase #1, resulting in a revised Assessment per Equivalent Unit of \$68,596.50.

The revised Assessment per dwelling unit or acre within Phase #1 is calculated as the product of (i) \$68,596.50 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, the revised Assessment for a Lot Type 1 (70 Ft Lot) dwelling unit is \$68,596.50 (i.e., \$68,596.50 x 1.00). The revised Assessment for a Lot Type 2 (60 Ft Lot) dwelling unit is \$57,593.56 (i.e., \$68,596.50 x 0.84). The revised Assessment for a Lot Type 3 (50 Ft Lot) dwelling unit is \$54,413.02 (i.e., \$68,596.50 x 0.79). The revised Assessment for a Lot Type 4 (40 Ft Lot) dwelling unit is \$40,229.53 (i.e., \$68,596.50 x 0.59). The revised Assessment for a Lot Type 5 (Townhomes) dwelling unit is \$32,149.24 (i.e., \$68,596.50 x 0.47). Table F-12 sets forth the revised Assessment per dwelling unit for each Lot Type in Phase #1.

**E) Allocation of Assessments to Lots within Improvement Area #2**

According to the Developer, the average home prices in Improvement Area #2 have substantially increased as compared to Phase #1. This increase in average home prices for Improvement Area #2 is disproportional between the different Lot Types as compared with Phase #1. As a result, new Equivalent Unit factors are calculated as shown in Table F-15.

**Table F-15**  
**Equivalent Unit Factors – Improvement Area #2 Projects**

<b>Lot Type</b>	<b>Estimated Average Unit Value</b>	<b>Equivalent Unit Factor</b>
Lot Type 1 (70 Ft)	\$1,100,000	1.00 per dwelling unit

As shown in Section IV of this Service and Assessment Plan, the total amount of the Series 2024 Improvement Area #2 Bonds and Improvement Area #2 Reimbursement Agreement Obligation, which represents the total Assessment to be allocated on all Parcels within Improvement Area #2, is \$47,690,847. As shown in Table F-16 there are a total of 467.94 estimated Equivalent Units in Improvement Area #2, resulting in an Assessment per Equivalent Unit of \$101,916.39.

The Assessment per dwelling unit or acre within Improvement Area #2 is calculated as the product of (i) \$101,916.39 multiplied by (ii) the applicable Equivalent Unit value for each Lot Type. For example, The Assessment for a Lot Type 1 (70 Ft Lot) dwelling unit is \$101,916.39 (i.e., \$101,916.39 x 1.00). The Assessment for a Lot Type 2 (60 Ft Lot) dwelling unit is \$89,408.47 (i.e., \$101,916.39 x 0.88). The Assessment for a Lot Type 3 (50 Ft Lot) dwelling unit is \$76,900.55 (i.e., \$101,916.39 x 0.75). The Assessment for a Lot Type 4 (40 Ft Lot) dwelling unit is \$60,686.58 (i.e., \$101,916.39 x 0.60). The Assessment for a Lot Type 5 (Townhomes) dwelling unit is \$45,399.12 (i.e., \$101,916.39 x 0.47). Table F-17 sets forth the Assessment per dwelling unit for each Lot Type in Improvement Area #2.

<sup>1</sup>The 9/30/XX dates represent the fiscal year end for the Phase #1 Bonds.

<sup>2</sup>Represents the principal and interest on the first series of the Phase #1 Bonds. Interest was calculated using an interest rate of 4.375% per annum for years 1 through 8 (2023-2030), 5.125% per annum for years 9 through 21 (2031-2043), and 5.50% per annum for years 22 through 30 (2044-2053). Interest on the Phase #1 Bonds for years 2023 and 2024 was funded with capitalized interest.

<sup>3</sup>Represents the principal and interest on the second series of the Phase #1 Bonds. Interest is calculated using an estimated interest rate of 6.25%.

<sup>4</sup>Administrative Expenses are estimated and will be updated each year in the Annual Service Plan Updates. Assumes a 2% increase per year. Administrative Expenses in year 2023 were funded with Bond proceeds. Administrative Expenses in year 2024 will be funded with Bond proceeds.

We have not been requested to investigate or verify, and we neither expressly nor by implication render herein any opinion concerning, the financial condition or capabilities of the City, or the history or prospects of the collection of the Pledged Revenues, the disclosure of any financial or statistical information or data pertaining to the City and used in the sale of the Bonds, or the sufficiency of the security for or the value or marketability of the Bonds, and have not assumed any responsibility with respect thereto. Capitalized terms used herein and not otherwise defined have the meanings assigned in the Indenture.

THE BONDS are issued in fully registered form only and mature, unless redeemed prior to maturity in accordance with the terms stated on the Bonds, on September 1 in each of the years specified in an Indenture of Trust (the “Indenture”), dated as May 1, 2023, with U.S. Bank Trust Company, National Association, as trustee (the “Trustee”), as supplemented by the Supplemental Indenture of Trust (the “Supplemental Indenture” and together with the “Indenture of Trust”, the “Indenture”), dated as of December 1, 2024, each approved by the City Council of the City pursuant to an ordinance (the “Ordinance”) adopted by the City Council of the City authorizing the issuance of the Bonds. The Bonds accrue interest from the date, at the rates, and in the manner and interest is payable on the dates, all as provided in the Indenture.

IN RENDERING THE OPINIONS herein we have examined and rely upon (i) original or certified copies of the proceedings had in connection with the issuance of the Bonds, including the Indenture, the Ordinance and an examination of the initial Bond executed and delivered by the City (which we found to be in due form and properly executed); (ii) certifications of officers of the City relating to the expected use and investment of proceeds of the sale of the Bonds and certain other funds of the City and (iii) other documentation and such matters of law as we deem relevant. In the examination of the proceedings relating to the issuance of the Bonds, we have assumed the authenticity of all documents submitted to us as originals, the conformity to original copies of all documents submitted to us as certified copies, and the accuracy of the statements contained in such documents and certifications.

In all cases, the Issuer shall have the sole responsibility for the content, design, and other elements comprising substantive contents of the Annual Collections Report under this Section 5.

#### SECTION 6. Reporting of Significant Events.

(a) Pursuant to the provisions of this Section 6, each of the following is a Listed Event with respect to the Bonds:

1. Principal and interest payment delinquencies.
2. Non-payment related defaults, if material.
3. Unscheduled draws on debt service reserves reflecting financial difficulties.

4.       Unscheduled draws on credit enhancements reflecting financial difficulties.
5.       Substitution of credit or liquidity providers, or their failure to perform.
6.       Adverse tax opinions, the issuance by the IRS of proposed or final determinations of taxability, Notices of Proposed Issue (IRS Form 5701-TEB) or other material notices or determinations with respect to the tax status of the Bonds, or other material events affecting the tax status of the Bonds.
7.       Modifications to rights of Owners, if material.
8.       Bond calls, if material, and tender offers.
9.       Defeasances.
10.      Release, substitution, or sale of property securing repayment of the Bonds, if material.
11.      Rating changes.
12.      Bankruptcy, insolvency, receivership, or similar event of the Issuer.
13.      The consummation of a merger, consolidation, or acquisition of the Issuer, or the sale of all or substantially all of the assets of the Issuer, other than in the ordinary course of business, the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material.
14.      Appointment of a successor or additional trustee under the Indenture or the change of name of a trustee, if material.
15.      Incurrence of a Financial Obligation of the Issuer, if material, or agreement to covenants, events of default, remedies, priority rights, or other similar terms of a Financial Obligation of the Issuer, any of which affect security holders, if material.
16.      Default, event of acceleration, termination event, modification of terms, or other similar events under the terms of a Financial Obligation of the Issuer, any of which reflect financial difficulties.

Any sale by the Landowner of real property within Phase #1 in the ordinary course of the Landowner's business will not constitute a Listed Event for the purposes of paragraph (10) above.

For these purposes, any event described in paragraph (12) above is considered to occur when any of the following occur: the appointment of a receiver, fiscal agent, or similar officer for the Issuer in a proceeding under the United States Bankruptcy Code or in any other proceeding under state or federal law in which a court or governmental authority has assumed jurisdiction over substantially all of the assets or business of the Issuer, or if such jurisdiction has been assumed by leaving the existing governing body and officials or officers in possession but subject to the

supervision and orders of a court or governmental authority, or the entry of an order confirming a plan of reorganization, arrangement, or liquidation by a court or governmental authority having supervision or jurisdiction over substantially all of the assets or business of the Issuer.

The Issuer intends the words used in paragraphs (15) and (16) above and the definition of Financial Obligation to have the same meanings as when they are used in the Rule, as evidenced by SEC Release No. 34-83885, dated August 20, 2018. For the avoidance of doubt, the incurrence of Additional Obligations without the filing of a corresponding official statement with the MSRB will constitute the incurrence of a material Financial Obligation for which a notice of a Listed Event in accordance with this Section 6 must be filed with the MSRB.

Upon the occurrence of a Listed Event, the Issuer shall promptly notify the Dissemination Agent in writing and the Issuer shall direct the Dissemination Agent to file a notice of such occurrence with the MSRB. The Dissemination Agent shall file such notice no later than three (3) Business Days immediately following the day on which it receives written notice of such occurrence from the Issuer. Any such notice is required to be filed within ten (10) Business Days of the occurrence of such Listed Event; provided, however, the failure of the Issuer to provide timely written notice to the Dissemination Agent in accordance with this paragraph shall not constitute a failure of the Dissemination Agent to comply with the MSRB's ten (10) Business Day filing requirement.

Any notice under the preceding paragraphs shall be accompanied with the text of the disclosure that the Issuer desires to make, the written authorization of the Issuer for the Dissemination Agent to disseminate such information as provided herein, and the date the Issuer desires for the Dissemination Agent to disseminate the information.

In all cases, the Issuer shall have the sole responsibility for the content, design and other elements comprising substantive contents of all disclosures made pursuant to this Section 6. In addition, the Issuer shall have the sole responsibility to ensure that any notice required to be filed under this Section 6 is filed within ten (10) Business Days of the occurrence of the Listed Event.

(b) The Dissemination Agent shall, promptly, and not more than five (5) Business Days after obtaining actual knowledge of the occurrence of any Listed Event with respect to the Bonds, notify the Disclosure Representative in writing of such Listed Event. The Dissemination Agent shall not be required to file a notice of the occurrence of such Listed Event with the MSRB unless and until it receives written instructions from the Disclosure Representative to do so. If the Dissemination Agent has been instructed in writing by the Disclosure Representative on behalf of the Issuer to report the occurrence of a Listed Event under this subsection (b), the Dissemination Agent shall file a notice of such occurrence with the MSRB no later than two (2) Business Days following the day on which it receives such written instructions. It is agreed and understood that the duty to make or cause to be made the disclosures herein is that of the Issuer and not that of the Dissemination Agent. It is agreed and understood that the Dissemination Agent has agreed to give the foregoing notice to the Issuer as an accommodation to assist it in monitoring the occurrence of such event, but is under no obligation to investigate whether any such event has occurred. As used above, "actual knowledge" means the actual fact or statement of knowing, without a duty to make any investigation with respect thereto. In no event shall the Dissemination Agent be liable in damages or in tort to the Issuer, the Participating Underwriter, the Trustee, any Owner or beneficial

owner of any interests in the Bonds, or any other party as a result of its failure to give the foregoing notice or to give such notice in a timely fashion.

(c) If in response to a notice from the Dissemination Agent under subsection (b), the Issuer determines that the Listed Event under any of numbers 2, 7, 8 (as to bond calls only), 10, 13, 14, or 15 of subparagraph (a) above is not material under applicable federal securities laws, the Issuer shall promptly, but in no case more than five (5) Business Days after the occurrence of the event, notify the Dissemination Agent and the Trustee (if the Dissemination Agent is not the Trustee) in writing and instruct the Dissemination Agent not to report the occurrence pursuant to subsection (b).

SECTION 7. Termination of Reporting Obligations. The obligations of the Issuer, the Administrator, and the Dissemination Agent under this Disclosure Agreement shall terminate upon the legal defeasance, prior redemption, or payment in full of all of the Bonds, when the Issuer is no longer an obligated person with respect to the Bonds, or upon delivery by the Disclosure Representative to the Dissemination Agent and the Administrator of an opinion of nationally recognized bond counsel to the effect that continuing disclosure is no longer required. So long as any of the Bonds remain Outstanding, the Administrator and the Dissemination Agent may assume that the Issuer is an obligated person with respect to the Bonds until they receive written notice from the Disclosure Representative stating that the Issuer is no longer an obligated person with respect to the Bonds, and the Dissemination Agent and the Administrator may conclusively rely upon such written notice with no duty to make investigation or inquiry into any statements contained or matters referred to in such written notice. If such termination occurs prior to the final maturity of the Bonds, the Issuer shall give notice of such termination in the same manner as for a Listed Event with respect to the Bonds under Section 6(a).

SECTION 8. Dissemination Agent. The Issuer may, from time to time, appoint or engage a Dissemination Agent or successor Dissemination Agent to assist it in carrying out its obligations under this Disclosure Agreement, and may discharge such Dissemination Agent, with or without appointing a successor Dissemination Agent. If the Issuer discharges the Dissemination Agent without appointing a successor Dissemination Agent, the Issuer shall use best efforts to appoint a successor Dissemination Agent within 30 days of such discharge. The Dissemination Agent may resign at any time with 30 days' written notice to the Issuer. If at any time there is not any other designated Dissemination Agent, the Issuer shall be the Dissemination Agent. The initial Dissemination Agent appointed hereunder shall be HTS Continuing Disclosure Services, a division of Hilltop Securities, Inc. The Issuer will give prompt written notice to the Landowner, or any other party responsible for providing quarterly information pursuant to the Disclosure Agreement of Landowner, of any change in the identity of the Dissemination Agent under the Disclosure Agreement of Landowner.

SECTION 9. Amendment; Waiver. Notwithstanding any other provisions of this Disclosure Agreement, the Issuer, the Administrator, and the Dissemination Agent may amend this Disclosure Agreement (and the Dissemination Agent shall not unreasonably withhold its consent to any amendment so requested in writing by the Issuer or the Administrator), and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Sections 3(a), 4, 5, or 6(a), it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of an obligated person with respect to the Bonds, or the type of business conducted;

(b) The undertaking, as amended or taking into account such waiver, would, in the opinion of nationally recognized bond counsel, have complied with the requirements of the Rule at the time of the delivery of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) The amendment or waiver either (i) is approved by the Owners of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Owners or beneficial owners of the Bonds.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Issuer shall describe such amendment in the next related Annual Financial Information, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change of accounting principles, on the presentation) of financial information or operating data being presented by the Issuer. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements, (i) notice of such change shall be given in the same manner as for a Listed Event under Section 6(a), and (ii) the Annual Financial Information for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles. No amendment which adversely affects the Dissemination Agent may be made without its prior written consent (which consent will not be unreasonably withheld or delayed).

SECTION 10. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Issuer from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Issuer Report, Annual Collections Report, or notice of occurrence of a Listed Event, in addition to that which is required by this Disclosure Agreement. If the Issuer chooses to include any information in any Annual Issuer Report, Annual Collections Report, or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Issuer Report, Annual Collections Report, or notice of occurrence of a Listed Event.

SECTION 11. Default. In the event of a failure of the Issuer to comply with any provision of this Disclosure Agreement, the Dissemination Agent or any Owner or beneficial owner of the Bonds may, and the Dissemination Agent (at the written request of the Owners of at least twenty-five percent (25%) aggregate principal amount of Outstanding Bonds and upon being indemnified to its satisfaction) shall, take such actions as may be necessary and appropriate to cause the Issuer to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture with

respect to the Bonds, and the sole remedy under this Disclosure Agreement in the event of any failure of the Issuer to comply with this Disclosure Agreement shall be an action for mandamus or specific performance. A default under this Disclosure Agreement shall not be deemed a default under the Disclosure Agreement of Landowner, and a default under the Disclosure Agreement of Landowner shall not be deemed a default under this Disclosure Agreement.

SECTION 12. Duties, Immunities, and Liabilities of Dissemination Agent and Administrator.

(a) The Dissemination Agent shall not have any duty with respect to the content of any disclosures made pursuant to this Disclosure Agreement. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Dissemination Agent. To the extent permitted by law, the Issuer agrees to indemnify and hold harmless the Dissemination Agent, its officers, directors, employees, and agents, but only from Assessments collected for Administrative Expenses from the property owners in Phase #1, against any losses, expenses, and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including attorneys' fees) of defending against any claim of liability arising under this Disclosure Agreement, but excluding (i) liabilities due to the Dissemination Agent's negligence or willful misconduct, and (ii) liabilities resulting from claims made by the Issuer against the Dissemination Agent; provided, however, that nothing herein shall be construed to require the Issuer to indemnify and hold harmless the Dissemination Agent for losses, expenses or liabilities arising from information provided to the Dissemination Agent by the Landowner or the failure of the Landowner to provide information to the Dissemination Agent as and when required under the Disclosure Agreement of Landowner. The obligations of the Issuer under this Section shall survive termination of this Disclosure Agreement, resignation or removal of the Dissemination Agent, and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Dissemination Agent is an "obligated person" under the Rule. If the Issuer does not provide the Dissemination Agent with the Annual Issuer Report in accordance with subsection 3(a) or the Annual Collections Report in accordance with subsection 5(a), the Dissemination Agent shall not be responsible for the failure to submit an Annual Issuer Report or an Annual Collections Report, as applicable, to the MSRB. The Dissemination Agent is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder.

The Dissemination Agent may, from time to time, consult with legal counsel of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or its duties hereunder, and the Dissemination Agent shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel.

The Issuer, the Administrator, and the Dissemination Agent agree that the legal expenses of the Dissemination Agent, which it is expressly entitled to be paid under this paragraph 12(a), are Administrative Expenses.

(b) The Administrator shall not have any duty with respect to the content of any disclosures made pursuant to the terms hereof. The Administrator shall have only such duties as

are specifically set forth in this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Administrator. To the extent permitted by law, the Issuer agrees to hold harmless the Administrator, its officers, directors, employees, and agents, but only from Assessments collected for Administrative Expenses from the property owners in Phase #1, against any losses, expenses, and liabilities which the Administrator may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including reasonable attorneys' fees) of defending against any claim of liability under this Disclosure Agreement, but excluding (i) liabilities due to the Administrator's negligence or willful misconduct, and (ii) liabilities resulting from claims made by the Issuer against the Administrator; provided, however, that nothing herein shall be construed to require the Issuer to indemnify or hold harmless the Administrator for losses, expenses or liabilities arising from information provided to the Administrator by third parties, or the failure of any third party to provide information to the Administrator as and when required under this Disclosure Agreement, or the failure of the Landowner to provide information to the Administrator as and when required under the Disclosure Agreement of Landowner. The obligations of the Issuer under this Section shall survive resignation or removal of the Administrator and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Administrator is an "obligated person" under the Rule. The Administrator is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder. The Administrator shall not in any event incur any liability with respect to (i) any action taken or omitted to be taken in good faith upon advice of legal counsel given with respect to any question relating to duties and responsibilities of the Administrator hereunder, or (ii) any action taken or omitted to be taken in reliance upon any document delivered to the Administrator and believed to be genuine and to have been signed or presented by the proper party or parties.

The Administrator may, from time to time, consult with legal counsel of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or its duties hereunder, and the Administrator shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel.

The Issuer, the Administrator, and the Dissemination Agent agree that the legal expenses of the Administrator, which it is expressly entitled to be paid under this paragraph 12(b), are Administrative Expenses.

(c) UNDER NO CIRCUMSTANCES SHALL THE DISSEMINATION AGENT, THE ADMINISTRATOR, OR THE ISSUER BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY ANY PARTY TO THIS DISCLOSURE AGREEMENT, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS DISCLOSURE AGREEMENT, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE. THE DISSEMINATION AGENT AND THE ADMINISTRATOR ARE UNDER NO OBLIGATION NOR ARE THEY REQUIRED TO BRING SUCH AN ACTION.

SECTION 13. Assessments Timeline. The basic expected timeline for the collection of Assessments and the anticipated procedures for pursuing the collection of delinquent Assessments is set forth in Exhibit D, which is intended to illustrate the general procedures expected to be followed in enforcing the payment of delinquent Assessments. Failure to adhere to such expected timeline shall not constitute a default by the Issuer under this Disclosure Agreement, the Indenture, the Bonds, or any other document related to the Bonds.

SECTION 14. No Personal Liability. No covenant, stipulation, obligation or agreement of the Issuer, the Administrator, or the Dissemination Agent contained in this Disclosure Agreement shall be deemed to be a covenant, stipulation, obligation, or agreement of any present or future council members, officers, agents, or employees of the Issuer, the Administrator, or the Dissemination Agent in other than that person's official capacity.

SECTION 15. Severability. In case any section or provision of this Disclosure Agreement, or any covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder or any application thereof, is for any reasons held to be illegal or invalid, such illegality or invalidity shall not affect the remainder thereof or any other section or provision thereof or any other covenant, stipulation, obligation, agreement, act or action, or part thereof made, assumed, entered into, or taken thereunder (except to the extent that such remainder or section or provision or other covenant, stipulation, obligation, agreement, act or action, or part thereof is wholly dependent for its operation on the provision determined to be invalid), which shall be construed and enforced as if such illegal or invalid portion were not contained therein, nor shall such illegality or invalidity of any application thereof affect any legal and valid application thereof, and each such section, provision, covenant, stipulation, obligation, agreement, act or action, or part thereof shall be deemed to be effective, operative, made, entered into or taken in the manner and to the full extent permitted by law.

SECTION 16. Sovereign Immunity. The Dissemination Agent and the Administrator agree that nothing in this Disclosure Agreement shall constitute or be construed as a waiver of the Issuer's sovereign or governmental immunities regarding liability or suit.

SECTION 17. Beneficiaries. This Disclosure Agreement shall inure solely to the benefit of the Issuer, the Administrator, the Dissemination Agent, the Participating Underwriter, and the Owners and the beneficial owners from time to time of the Bonds, and shall create no rights in any other person or entity. Nothing in this Disclosure Agreement is intended or shall act to disclaim, waive or otherwise limit the duties of the Issuer under federal and state securities laws.

SECTION 18. Dissemination Agent and Administrator Compensation. The fees and expenses incurred by the Dissemination Agent and the Administrator for their respective services rendered in accordance with this Disclosure Agreement constitute Administrative Expenses and will be included in the Annual Installments as provided in the annual updates to the Service and Assessment Plan. The Issuer shall pay or reimburse the Dissemination Agent and the Administrator, but only with funds to be provided from the Administrative Expenses component of the Annual Installments collected from the property owners in Phase #1, for the fees and expenses for their respective services rendered in accordance with this Disclosure Agreement.

SECTION 19. Statutory Verifications. The Dissemination Agent and the Administrator, each individually, make the following representation and verifications to enable the Issuer to comply with Chapters 2252, 2271, 2274, and 2276, Texas Government Code, as heretofore amended (the “Government Code”), in entering into this Disclosure Agreement. As used in such verifications, “affiliate” means an entity that controls, is controlled by, or is under common control with the Dissemination Agent or the Administrator, as the case may be, within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit. Liability for breach of any such verifications prior to the expiration or earlier termination of this Disclosure Agreement shall survive until barred by the applicable statute of limitations, and shall not be liquidated or otherwise limited by any provision of this Disclosure Agreement, notwithstanding anything in this Disclosure Agreement to the contrary.

(a) *Not a Sanctioned Company.* The Dissemination Agent and the Administrator, each individually, represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Government Code. The foregoing representation excludes the Dissemination Agent and the Administrator and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization.

(b) *No Boycott of Israel.* The Dissemination Agent and the Administrator, each individually, hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and will not boycott Israel during the term of this Disclosure Agreement. As used in the foregoing verification, “boycott Israel” has the meaning provided in Section 2271.001, Government Code.

(c) *No Discrimination Against Firearm Entities.* The Dissemination Agent and the Administrator, each individually, hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate against a firearm entity or firearm trade association during the term of this Disclosure Agreement. As used in the foregoing verification, “discriminate against a firearm entity or firearm trade association” has the meaning provided in Section 2274.001(3), Government Code.

(d) *No Boycott of Energy Companies.* The Dissemination Agent and the Administrator, each individually, hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and will not boycott energy companies during the term of this Disclosure Agreement. As used in the foregoing verification, “boycott energy companies” has the meaning provided in Section 2276.001(1), Government Code.

SECTION 20. Disclosure of Interested Parties. Pursuant to Section 2252.908(c)(4), Texas Government Code, as amended, the Dissemination Agent hereby certifies it is a publicly traded business entity and is not required to file a Certificate of Interested Parties Form 1295 related to this Disclosure Agreement. Submitted herewith is a completed Form 1295 in connection

with the Administrator's participation in the execution of this Disclosure Agreement generated by the Texas Ethics Commission's (the "TEC") electronic filing application in accordance with the provisions of Section 2252.908 of the Texas Government Code and the rules promulgated by the TEC (the "Form 1295"). The Issuer hereby confirms receipt of the Form 1295 from the Administrator, and the Issuer agrees to acknowledge such form with the TEC through its electronic filing application not later than the thirtieth (30<sup>th</sup>) day after the receipt of such form. The Administrator and the Issuer understand and agree that, with the exception of information identifying the Issuer and the contract identification number, neither the Issuer nor its consultants are responsible for the information contained in the Form 1295; that the information contained in the Form 1295 has been provided solely by the Administrator; and, neither the Issuer nor its consultants have verified such information.

SECTION 21. Governing Law and Venue. This Disclosure Agreement shall be governed by the laws of the State of Texas. Venue of any action to enforce the rights and privileges existing under this Disclosure Agreement shall be brought in the state district court of Denton County, Texas.

SECTION 22. Counterparts. This Disclosure Agreement may be executed in several counterparts, each of which shall be an original and all of which shall constitute but one and the same instrument. The Reporting Party shall provide, or cause to be provided, such Quarterly Information until such party’s obligations terminate pursuant to Section 7 of this Disclosure Agreement. For the avoidance of doubt, (i) if the Landowner elects, the Landowner may, but shall not be obligated to, provide any Quarterly Information on behalf of any Homebuilder, and (ii) the Landowner shall remain obligated with respect to any real property acquired by a Homebuilder until an acknowledgment of assignment with respect to such real property is delivered in accordance with Section 6 of this Disclosure Agreement, at which time Landowner shall have no further obligation or liability for disclosures or other responsibilities under this Disclosure Agreement as to the property transferred.

(b) The Administrator shall (i) review each Quarterly Report containing the Quarterly Information provided by each Reporting Party pursuant to subsection (a) above and (ii) no later than twenty (20) days after each Quarterly Ending Date, either (1) advise the applicable Reporting Party as to any necessary changes to the applicable Quarterly Information, or (2) provide to the Dissemination Agent the Quarterly Report in accordance with subsection (c) below. The Administrator shall review the revised Quarterly Information within the Quarterly Report and provide the Quarterly Report to the Dissemination Agent in accordance with subsection (c) below.

(d) Each Quarterly Report shall consist of the information listed in Exhibit A attached hereto.

#### SECTION 4. Event Reporting Obligations.

(a) Pursuant to the provisions of this Section 4, each of the following is a Landowner Listed Event with respect to the Bonds:

(i) Failure to pay any real property taxes or Assessments levied within Phase #1 on a parcel owned by the Landowner; provided, however, that the exercise of any right of the Landowner as a landowner within Phase #1 to exercise legal and/or administrative procedures to dispute the amount or validity of all or any part of any real property taxes shall not be considered a Landowner Listed Event under this Section 4 nor a breach or default of this Disclosure Agreement;

(ii) Material damage to or destruction of any development or improvements within the District, including the Phase #1 Improvements, the Initial Major Improvements, and the Amenities;

(iii) Material default by the Landowner or any of the Landowner's Affiliates on any loan with respect to the acquisition, development, or permanent financing of the District undertaken by the Landowner or any of the Landowner's Affiliates;

(iv) Material default by the Landowner or any of Landowner's Affiliates on any loan secured by property within the District owned by the Landowner or any of the Landowner's Affiliates;

(vi) The consummation of a merger, consolidation, or acquisition of the Landowner, or the sale of all or substantially all of the assets of the Landowner or any of the Landowner's Affiliates, other than in the ordinary course of business, or the entry into a definitive agreement

to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;

(vii) The filing of any lawsuit with a claim for damages in excess of \$1,000,000 against the Landowner or any of the Landowner's Affiliates that may adversely affect the completion of the District or litigation that may materially adversely affect the financial condition of the Landowner or any of the Landowner's Affiliates;

(viii) Any change in the legal structure, chief executive officer, or controlling ownership of the Landowner; and

(ix) Any assignment and assumption of disclosure obligations under this Disclosure Agreement pursuant to Sections 5 or 6 hereof.

(b) Pursuant to the provisions of this Section 4, each of the following occurrences related to any Homebuilder is a Homebuilder Listed Event with respect to the Bonds:

(i) Failure to pay any real property taxes or Assessments levied within Phase #1 on a lot or parcel owned by such Homebuilder; provided, however, that the exercise of any right of such Homebuilder as a landowner within Phase #1 to exercise legal and/or administrative procedures to dispute the amount or validity of all or any part of any real property taxes shall not be considered a Homebuilder Listed Event under this Section nor a breach or default of this Disclosure Agreement;

(ii) The bankruptcy, insolvency, or similar filing of such Homebuilder or any determination that such Homebuilder is unable to pay its debts as they become due;

(iii) The consummation of a merger, consolidation, or acquisition involving such Homebuilder or the sale of all or substantially all of the assets of the Homebuilder, other than in the ordinary course of business, or the entry into a definitive agreement to undertake such an action or the termination of a definitive agreement relating to any such actions, other than pursuant to its terms, if material;

(iv) Any change in the type of legal entity, chief executive officer, or controlling ownership of such Homebuilder;

(v) Early termination of or material default by such Homebuilder under any Lot Purchase Agreement; and

(vi) Any assignment and assumption of disclosure obligations under this Disclosure Agreement pursuant to Section 6 hereof.

(c) Whenever a Reporting Party obtains knowledge of the occurrence of a Listed Event applicable to such Reporting Party, such Reporting Party shall promptly, and not more than five (5) Business Days after such Reporting Party obtains such knowledge, notify the Issuer, the Administrator, and the Dissemination Agent in writing and the Reporting Party shall direct the Dissemination Agent to file a notice of such occurrence with the MSRB, in the manner hereinafter described, and provide a copy of such notice to the Issuer and the Participating Underwriter. Any such notice is required to be filed

within ten (10) Business Days after the Reporting Party becomes aware of the occurrence of such Listed Event. If the Reporting Party timely notifies the Dissemination Agent of the occurrence of a Listed Event, as described in this Section 4, the failure of the Dissemination Agent to provide such notice to the Participating Underwriter in a timely manner shall not be deemed a default by such Reporting Party under this Disclosure Agreement.

The Landowner and each other Reporting Party, if any, shall only be responsible for reporting the occurrence of a Listed Event applicable to such Reporting Party and shall not be responsible for reporting the occurrence of a Listed Event applicable to any other Reporting Party, regardless of if such Reporting Party is providing Quarterly Information on behalf of any other Reporting Party. Additionally, if a Homebuilder does not execute the assignment and assumption of disclosure obligations pursuant to Section 6 hereof, and, therefore, the Developer is reporting on behalf of the Homebuilder, the Developer shall not be required to conduct an independent investigation of the occurrence of a Homebuilder Listed Event.

Any notice under the preceding paragraphs shall be accompanied with the text of the disclosure that the applicable Reporting Party desires to make, the written authorization of such Reporting Party for the Dissemination Agent to disseminate such information as provided herein, and the date the Reporting Party desires for the Dissemination Agent to disseminate the information.

In all cases, the applicable Reporting Party shall have the sole responsibility for the content, design and other elements comprising substantive contents of all disclosures. In addition, the applicable Reporting Party shall have the sole responsibility to ensure that any notice required to be filed with the MSRB under this Section 4 is actually filed within ten (10) Business Days after such Reporting Party becomes aware of the Listed Event applicable to such Reporting Party.

(d) The Dissemination Agent shall, promptly, and not more than five (5) Business Days after obtaining actual knowledge of the occurrence of any Listed Event, notify in writing the Administrator and the applicable Reporting Party of such Listed Event. The Dissemination Agent shall not be required to file a notice of the occurrence of such Listed Event with the MSRB unless and until it receives written instructions from the applicable Reporting Party to do so. It is agreed and understood that the duty to make or cause to be made the disclosures herein is that of the Reporting Party and not that of the Trustee or the Dissemination Agent. It is agreed and understood that the Dissemination Agent has agreed to give the foregoing notice to the applicable Reporting Party as an accommodation to assist it in monitoring the occurrence of such event, but is under no obligation to investigate whether any such event has occurred. As used above, “actual knowledge” means the actual fact or statement of knowing, without a duty to make any investigation with respect thereto. In no event shall the Dissemination Agent be liable in damages or in tort to the Participating Underwriter, the Administrator, the Issuer, any Reporting Party, or any Owner or beneficial owner of any interests in the Bonds as a result of its failure to give the foregoing notice or to give such notice in a timely fashion.

(e) If the Dissemination Agent has been notified in writing by a Reporting Party to report the occurrence of a Listed Event in accordance with subsections (c) or (d) of this Section 4, the Dissemination Agent shall file a notice of such occurrence with the MSRB promptly after its receipt of such written instructions from such Reporting Party; provided that all such notices must be filed no later than the date specified in subsection (c) of this Section 4 for such Listed Event.

SECTION 5. Assumption of Reporting Obligations of Landowner.

The Landowner shall cause each Person who, through assignment, assumes the obligations, requirements, or covenants to construct one or more of the Phase #1 Improvements or the Amenities to assume and comply with the disclosure obligations of the Landowner under this Disclosure Agreement with respect thereto. The Landowner shall deliver to the Dissemination Agent, the Administrator, and the Issuer a written acknowledgement from each Person who assumes the obligations, requirements, or covenants to construct one or more of the Phase #1 Improvements or Amenities in substantially the form attached as Exhibit E (the “Landowner Acknowledgment”), acknowledging and assuming its obligations under this Disclosure Agreement. Pursuant to Section 4(a)(ix) above, the Landowner shall direct the Dissemination Agent to file a copy of each Landowner Acknowledgment with the MSRB, in accordance with Sections 4(c) and 4(e) above. Upon any such transfer to a Person, and such Person’s delivery of written acknowledgement of assumption of Landowner’s obligations under this Disclosure Agreement as to the property transferred, the Landowner shall have no further obligation or liability for disclosures or other responsibilities under this Disclosure Agreement as to the property transferred or the obligations assigned. Notwithstanding anything to the contrary elsewhere herein, after such transfer of ownership, the Landowner shall not be liable for the acts or omissions of such Person arising from or in connection with such disclosure obligations under this Disclosure Agreement.

SECTION 6. Assumption of Reporting Obligations by Homebuilder.

(a) If a Homebuilder acquires ownership of real property in Phase #1 resulting in such Homebuilder becoming a Homebuilder, the Landowner may (i) cause such Homebuilder to comply with the Landowner’s disclosure obligations under Sections 3(d)(iv) and 4(b) hereof with respect to such acquired real property until such party’s disclosure obligations terminate pursuant to Section 7 of this Disclosure Agreement, or (ii) elect to provide any or all Quarterly Information on behalf of such Homebuilder; provided, however, that if the Landowner initially elects to provide any or all Quarterly Information on behalf of such Homebuilder, the Landowner may elect in the future to cause such Homebuilder to comply with the Landowner’s disclosure obligations, as described in clause (i) above.

(b) If the Landowner elects to cause a Homebuilder to comply with the Landowner’s disclosure obligations, as described in clause (a)(i) above, the Landowner shall deliver to the Dissemination Agent, the Administrator, and the Issuer a written acknowledgement from each Homebuilder, in substantially the form attached as Exhibit E (the “Homebuilder Acknowledgment”), acknowledging and assuming its obligations under this Disclosure Agreement. Pursuant to Sections 4(a)(ix) and 4(b)(vi) above, the Landowner shall direct the Dissemination Agent to file a copy of the Homebuilder Acknowledgment with the MSRB, in accordance with Sections 4(c) and 4(e) above. Upon any such transfer to a Homebuilder, and such Homebuilder’s delivery of written acknowledgement of assumption of the Landowner’s obligations under this Disclosure Agreement as to the property transferred, the Landowner shall have no further obligation or liability for disclosures or other responsibilities under this Disclosure Agreement as to the property transferred or the obligations assigned. The Landowner shall remain obligated with respect to any real property acquired by a Homebuilder until an acknowledgment of assignment with respect to such real property is delivered to the Dissemination Agent, the Administrator, the Issuer, and the MSRB, in accordance with this Section 6(b).

(c) Notwithstanding anything to the contrary elsewhere herein, after such transfer of ownership, the Landowner shall not be liable for the acts or omissions of such Homebuilder arising from or in connection with such disclosure obligations under this Disclosure Agreement. Additionally, for the avoidance of doubt, the Landowner shall use commercially reasonable efforts to require that any Homebuilder comply with obligations of this Section 6 with respect to any subsequent transfers by such Homebuilder to any individual or entity meeting the definition of a “Homebuilder” in the future, including the requirement, pursuant to Section 4(b)(vi) above, to direct the Dissemination Agent to file a copy of the Homebuilder Acknowledgment with the MSRB, in accordance with Section 4(e) above.

#### SECTION 7. Termination of Reporting Obligations.

(a) The reporting obligations of the Landowner under this Disclosure Agreement shall terminate upon the earlier of (i) the date when none of the Bonds remain Outstanding, or (ii) the date when (x) all of the Phase #1 Improvements and the Initial Major Improvements are complete, (y) the Landowner no longer owns at least 43 single family residential lots within Phase #1, and (z) the Landowner is not reporting on behalf of any Homebuilder.

(b) The reporting obligations of a Homebuilder under this Disclosure Agreement shall terminate upon the earlier of (i) the date when none of the Bonds remain Outstanding, or (ii) the date when the Homebuilder, including its Affiliates and/or successors and assigns, collectively, has sold at least 90% of its contracted lots within Phase #1.

(c) Upon receipt of written notice from a Reporting Party or the Dissemination Agent that the reporting obligations of a Reporting Party have terminated in accordance with subsection (a) or (b) of this Section 7, the Administrator shall provide written notice to the applicable Reporting Party, the Participating Underwriter, the Issuer, and the Dissemination Agent in substantially the form attached as Exhibit C, of the termination of the applicable Reporting Party’s reporting obligations under this Disclosure Agreement (the “Termination Notice”). If such Termination Notice with respect to a Reporting Party occurs while any of the Bonds remain Outstanding, the Administrator shall immediately provide, or cause to be provided, the Termination Notice to the Dissemination Agent, and the Dissemination Agent shall provide such Termination Notice to the MSRB, the Issuer, the Trustee, the applicable Reporting Party, and the Participating Underwriter on or before the next succeeding Quarterly Filing Date.

(d) The obligations of the Administrator and the Dissemination Agent under this Disclosure Agreement shall terminate upon the earlier of (i) the date when none of the Bonds remain Outstanding, or (ii) termination of all Reporting Parties’ reporting obligations in accordance with subsection (a) and (b), if any, of this Section 7 and any Termination Notice required by subsection (c) of this Section 7 has been provided to the MSRB, the Issuer, the Trustee, the Dissemination Agent, the Reporting Parties, and the Participating Underwriter, as applicable.

SECTION 8. Dissemination Agent. The Issuer may, from time to time, appoint or engage a Dissemination Agent or successor Dissemination Agent to assist the Landowner, any Person that has executed a Landowner Acknowledgment pursuant to Section 5 hereof, or any Homebuilder that has executed a Homebuilder Acknowledgment pursuant to Section 6 hereof in carrying out their obligations under this Disclosure Agreement, and may discharge such Dissemination Agent, with or without appointing a successor Dissemination Agent. The Dissemination Agent may resign at any time with

thirty (30) days' notice to the Issuer, the Landowner, and the Administrator; provided, however, that if the Dissemination Agent is serving in the same capacity under the Disclosure Agreement of Issuer, the Dissemination Agent shall resign under the Disclosure Agreement of Issuer simultaneously with its resignation hereunder; provided, further, that if the Issuer is the Dissemination Agent, the Issuer may not resign without first appointing a successor Dissemination Agent. If at any time there is not any other designated Dissemination Agent, the Issuer shall be the Dissemination Agent. Pursuant to the Disclosure Agreement of Issuer, the Issuer has agreed to provide written notice to each of the Landowner, any Person that has executed a Landowner Acknowledgement pursuant to Section 5 hereof, or any Homebuilder that has executed a Homebuilder Acknowledgment pursuant to Section 6 hereof of any change in the identity of the Dissemination Agent. The initial Dissemination Agent appointed hereunder shall be HTS Continuing Disclosure Services, a division of Hilltop Securities Inc.

SECTION 9. Amendment; Waiver. Notwithstanding any other provisions of this Disclosure Agreement, the Landowner, the Administrator, and the Dissemination Agent may jointly amend this Disclosure Agreement (and the Dissemination Agent shall not unreasonably withhold its consent to any amendment so requested in writing by the Landowner or the Administrator), and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) If the amendment or waiver relates to the provisions of Sections 3 or 4, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature, or status of the Landowner or any Homebuilder, or the type of business conducted; and

(b) The amendment or waiver either (i) is approved by the Owners of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the Owners or beneficial owners of the Bonds. No amendment which adversely affects the Dissemination Agent or the Issuer may be made without the respective party's prior written consent (which consent will not be unreasonably withheld or delayed).

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Administrator shall describe such amendment in the next related Quarterly Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type of financial information or operating data being presented by the Landowner. The Landowner shall provide, or cause to be provided, at its cost and expense, an executed copy of any amendment or waiver entered into in accordance with this Section 9 to the Issuer, the Administrator, the Dissemination Agent, and the Participating Underwriter.

SECTION 10. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the Landowner or any Homebuilder from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in addition to that which is required by this Disclosure Agreement. If the Landowner or Homebuilder chooses to include any information in any Quarterly Report or notice of occurrence of a Landowner Listed Event or Homebuilder Listed Event, as applicable, in addition to that which is specifically required by this Disclosure Agreement, the Landowner or the Homebuilder, as applicable, shall have no obligation under this Disclosure Agreement to update such information or

include it in any future Quarterly Report or notice of occurrence of a Landowner Listed Event or Homebuilder Listed Event.

SECTION 11. Content of Disclosures. In all cases, the Landowner or Homebuilder, as applicable, shall have the sole responsibility for the content, design, and other elements comprising substantive contents of all disclosures provided hereunder.

SECTION 12. Default. In the event of a failure of any Reporting Party or the Administrator to comply with any provision of this Disclosure Agreement, (i) the Dissemination Agent or any Owner or beneficial owner of the Bonds may, and (ii) at the request of any Participating Underwriter or the Owners of at least twenty-five percent (25%) aggregate principal amount of Outstanding Bonds and upon being indemnified to its satisfaction, the Dissemination Agent shall, take such actions as may be necessary and appropriate to cause the Reporting Party and/or the Administrator to comply with its obligations under this Disclosure Agreement. A default under this Disclosure Agreement shall not be deemed an Event of Default under the Indenture with respect to the Bonds, and the sole remedy under this Disclosure Agreement in the event of any failure of a Reporting Party or the Administrator to comply with this Disclosure Agreement shall be an action in mandamus or specific performance. A default under this Disclosure Agreement by a Reporting Party shall not be deemed a default under the Disclosure Agreement of Issuer by the Issuer, and a default under the Disclosure Agreement of Issuer by the Issuer shall not be deemed a default under this Disclosure Agreement by a Reporting Party or the Administrator. Additionally, a default by a Reporting Party of its obligations under this Disclosure Agreement shall not be deemed a default by any other Reporting Party of such Reporting Party's obligations under this Disclosure Agreement.

SECTION 13. Duties, Immunities and Liabilities of Dissemination Agent and Administrator.

(a) The Dissemination Agent shall not be responsible in any manner for the content of any notice or report (including without limitation the Quarterly Report) prepared by any Reporting Party and/or the Administrator pursuant to this Disclosure Agreement. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Dissemination Agent. The Landowner agrees to indemnify and hold harmless the Dissemination Agent, its officers, directors, employees, and agents against any loss, expense, and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including reasonable attorneys' fees) of defending against any claim of liability, but excluding (i) liabilities due to the Dissemination Agent's negligence or willful misconduct, and (ii) liabilities resulting from claims made by the Landowner against the Dissemination Agent. The obligations of the Landowner under this Section shall survive termination of this Disclosure Agreement, resignation or removal of the Dissemination Agent, and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Dissemination Agent is an "obligated person" under the Rule. The Dissemination Agent is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder. The Dissemination Agent shall not in any event incur any liability with respect to (i) any action taken or omitted to be taken in good faith upon advice of legal counsel given with respect to any question relating to duties and responsibilities of the Dissemination Agent hereunder, or (ii) any action taken or omitted to be taken in reliance upon any document delivered to the Dissemination Agent and believed to be genuine and to have been signed or presented by the proper party or parties.

(b) The Administrator shall not have any duty with respect to the content of any disclosures made pursuant to the terms hereof. The Administrator shall have only such duties as are specifically set forth in this Disclosure Agreement, and no implied covenants shall be read into this Disclosure Agreement with respect to the Administrator. The Landowner agrees to indemnify and hold harmless the Administrator, its officers, directors, employees, and agents against any loss, expense, and liabilities which it may incur arising out of or in the exercise or performance of its powers and duties hereunder, including the costs and expenses (including reasonable attorneys' fees) of defending against any claim of liability, but excluding (i) liabilities due to the Administrator's breach, negligence, or willful misconduct, and (ii) liabilities resulting from claims made by the Landowner against the Administrator. The obligations of the Landowner under this Section shall survive termination of this Disclosure Agreement, resignation, or removal of the Administrator and payment in full of the Bonds. Nothing in this Disclosure Agreement shall be construed to mean or to imply that the Administrator is an "obligated person" under the Rule. The Administrator is not acting in a fiduciary capacity in connection with the performance of its respective obligations hereunder. The Administrator shall not in any event incur any liability with respect to (i) any action taken or omitted to be taken in good faith upon advice of legal counsel given with respect to any question relating to duties and responsibilities of the Administrator hereunder, or (ii) any action taken or omitted to be taken in reliance upon any document delivered to the Administrator and believed to be genuine and to have been signed or presented by the proper party or parties.

(c) The Dissemination Agent or the Administrator may, from time to time, consult with legal counsel of its own choosing in the event of any disagreement or controversy, or question or doubt as to the construction of any of the provisions hereof or their respective duties hereunder, and the Dissemination Agent and Administrator shall not incur any liability and shall be fully protected in acting in good faith upon the advice of such legal counsel. The Landowner, the Administrator, and the Dissemination Agent agree that the legal expenses of the Dissemination Agent or the Administrator to which it is expressly entitled to be paid pursuant to this paragraph 13(c) are Administrative Expenses.

(d) UNDER NO CIRCUMSTANCES SHALL THE DISSEMINATION AGENT, THE ADMINISTRATOR, THE LANDOWNER, OR ANY HOMEBUILDER BE LIABLE TO THE OWNER OR BENEFICIAL OWNER OF ANY BOND OR ANY OTHER PERSON, IN CONTRACT OR TORT, FOR DAMAGES RESULTING IN WHOLE OR IN PART FROM ANY BREACH BY ANY OTHER PARTY TO THIS DISCLOSURE AGREEMENT OR A HOMEBUILDER, WHETHER NEGLIGENT OR WITHOUT FAULT ON ITS PART, OF ANY COVENANT SPECIFIED IN THIS DISCLOSURE AGREEMENT, BUT EVERY RIGHT AND REMEDY OF ANY SUCH PERSON, IN CONTRACT OR TORT, FOR OR ON ACCOUNT OF ANY SUCH BREACH SHALL BE LIMITED TO AN ACTION FOR MANDAMUS OR SPECIFIC PERFORMANCE. THE DISSEMINATION AGENT AND THE ADMINISTRATOR ARE UNDER NO OBLIGATION NOR ARE THEY REQUIRED TO BRING SUCH AN ACTION, EXCEPT AS DESCRIBED IN SECTION 12 WITH RESPECT TO THE DISSEMINATION AGENT.

SECTION 14. No Personal Liability. No covenant, stipulation, obligation, or agreement of the Landowner, any Homebuilder, the Administrator, or the Dissemination Agent contained in this Disclosure Agreement shall be deemed to be a covenant, stipulation, obligation, or agreement of any present or future officer, agent, or employee of the Landowner, any Homebuilder, the Administrator, or the Dissemination Agent in other than that person's official capacity.

SECTION 15. Severability. - 2. **Infrastructure Improvement Obligations.** The Merritt Owners hereby assign to Tellus, and Tellus hereby assumes from the Merritt Owners, those certain obligations relating to infrastructure improvements required to be constructed and installed under the Development Agreement, which obligations are more-specifically described and demarcated on **Exhibit C** attached hereto for reference (the "Tellus Infrastructure Improvements"). The owner of the Merritt Parcel shall complete, at their sole

cost and expense, those infrastructure improvements required to be completed by the owner of the Merritt Parcel under the Development Agreement other than the Tellus Development Obligations (as defined below) (collectively, the “**Merritt Infrastructure Improvements**”), in accordance with the terms of the Development Agreement, and Tellus shall complete, at its sole cost and expense, all of (a) those obligations that run with the land and relate solely to the development of the Tellus Parcel, (b) the Tellus Infrastructure Improvements and (c) any other obligations agreed in writing with Tellus to be performed by Tellus (collectively, the “**Tellus Development Obligations**”), in accordance with the terms of the Development Agreement. For the avoidance of doubt, (i) Merritt Owner shall be responsible for the costs of any dedications of the Merritt Parcel, or portions thereof, including any Open Space Improvements thereon; and (ii) Tellus Owner shall be responsible the costs of any dedications of the Tellus Parcel, or portions thereof, including any Open Space Improvements thereon or other dedications required from the Tellus Parcel pursuant to the Development Agreement.

### 3. **Development Restrictions.**

(a) Restriction on Commercial Development. No portion of the Tellus Parcel may be used for the construction or development of commercial improvements pursuant to the terms of the Development Agreement, and all entitlements and rights permitting the construction of commercial improvements shall solely benefit the Merritt Parcel and the owner(s) thereof. Notwithstanding the foregoing, in no event will the construction and development of single-family or townhome residential units for sale and amenities, infrastructure, and other improvements in connection with such single-family and townhome residential development be considered the construction or development of “commercial improvements” pursuant to this Section 3(a).

(b) Multifamily Development. Up to three hundred fifty (350) MF-0, MF-2, and/or MF-3 units (collectively, the “**Permitted Multifamily Units**”) may be developed on the Merritt Parcel pursuant to the Development Agreement. In the event that any MF-0, MF-2, and/or MF-3 units in excess of the Permitted Multifamily Units are permitted pursuant to the Development Agreement, then the Tellus Parcel may be used for the development and construction of such additional units.

#### (c) Single-Family Development.

1. In no event may the Merritt Parcel be developed to include more than one thousand (1,000) single-family residential units, and in any event the single-family homes constructed and developed on the Merritt Parcel must comply with the following minimum and maximum percentage requirements:

- i. **Townhomes** – 0% of the total single-family units on the Merritt Parcel.
- ii. **40-foot lots** – Not to exceed 15.0% of the total single-family units on the Merritt Parcel.
- iii. **50-foot lots** – Not to exceed 30.0% of the total single-family units on the Merritt Parcel.
- iv. **60-foot lots** – Not to be less than 25.0% of the total single-family units on the Merritt Parcel.
- v. **70-foot lots** – Not to be less than 15.0% of the total single-family units on the Merritt Parcel.

2. . In no event may the Tellus Parcel be developed to include more than two thousand (2,000) single-family residential units, and in any event the single-family homes constructed and developed on the Tellus Parcel must comply with the following minimum and maximum percentage requirements:

- i. **Townhomes** – Not to exceed 12.5% of the total single-family units on the Tellus Parcel.
- ii. **40-foot lots** – Not to exceed 22.5% of the total single-family units on the Tellus Parcel.
- iii. **50-foot lots** – Not to exceed 30.0% of the total single-family units on the Tellus Parcel.
- iv. **60-foot lots** – Not to be less than 25.0% of the total single-family units on the Tellus Parcel.
- v. **70-foot lots** – Not to be less than 8.0% of the total single-family units on the Tellus Parcel.

(d) Development Credits. Tellus will be entitled to receive and retain any rebates for water capital fees and park capital recovery fees referenced in the Development Agreement for any qualified off-site water and park improvements constructed by Tellus pursuant to the terms of the Development Agreement. Notwithstanding the foregoing, the Merritt Owners shall be entitled to receive and/or retain their share of any rebates for water capital fees and park capital recovery fees referenced in the Development Agreement for any qualified off-site water and park improvements in the event that the Merritt Owners pay for, contribute to, or reimburse Tellus for the costs thereof.

(e) Water and Sewer Improvements. If the Merritt Owners (or the then-current owner of Merritt Parcel) elects, in its sole discretion or if owner of the Merritt Parcel is required pursuant to the Development Agreement to construct the water and sewer connections required to serve any multifamily development constructed on the Merritt Parcel, as such water and sewer connections are described on **Exhibit D** (collectively, the “**Water and Sewer Connections**”), then (i) the owner of the Merritt Parcel will be responsible for constructing all such Water and Sewer Connections at such party’s sole cost and expense, and (ii) the owner of the Tellus Parcel will provide easements for these water and sewer connections that may be reasonably requested by the owner of the Merritt Parcel over and across the Merritt Parcel. Tellus (or the then-current owner of the Merritt Parcel) shall have the right and option to utilize and tap into the Water and Sewer Connections to serve and benefit the Tellus Parcel after the Water and Sewer Connections are constructed and installed by the owner of the Merritt Parcel, provided that prior to tapping into the Water and Sewer Connections, the owner of the Tellus Parcel will be required to reimburse the owner of the Merritt Parcel for a portion of the actual costs and expenses to construct and install the Water and Sewer Connections equal to the Tellus Utility Share (hereinafter defined) of such costs and expenses, as evidenced by paid invoices for the Water and Sewer Connections (unless the costs for such improvements are otherwise paid for through a PID that includes the Development Parcel). “**Tellus Utility Share**” is seventy percent (70%). If the owner of the Merritt Parcel has not yet commenced construction of the Water and Sewer Connections, Tellus (or the then-current owner of the Tellus Parcel) shall have the right and option to elect to construct the Water and Sewer Connections and the owner of the Merritt Parcel shall have the right and option to thereafter utilize and tap into the Water and Sewer Connections to serve and benefit the Merritt Parcel after the Water and Sewer Connections have been constructed and installed by the owner of the Tellus Parcel, provided that prior to tapping into the Water and Sewer Connections to serve the

Merritt Parcel, the owner of the Merritt Parcel will be required to reimburse Tellus for a portion of Tellus' actual costs and expenses to construct and install the Water and Sewer Connections equal to the Merritt Utility Share (hereinafter defined) of such costs and expenses, as evidenced by Tellus' paid invoices for the Water and Sewer Connections (unless the costs for such improvements are otherwise paid for through a PID that includes the Development Parcel). "**Merritt Utility Share**" is thirty percent (30%).

4. Default and Remedies.

(a) Legal Action Generally. If any Party (each a "**Defaulting Party**") breaches (or allows any occupant or other permittee of such Party's Parcel to breach) any provision of this Agreement, then any other Parties may institute legal action against the Defaulting Party for damages or any other remedy provided by law. All remedies herein or at law will be cumulative and not inclusive. As used herein, any reference to rights or remedies "at law" or "under applicable law" will also include any rights or remedies "in equity."

(b) Injunctive and Declaratory Relief. In the event of any violation or threatened violation by any Defaulting Party (or by any occupant of such Defaulting Party's Parcel) of any of the terms, covenants, conditions, and restrictions herein contained, in addition to any other remedies provided for in this Agreement, any Party will have the right to enjoin such violation or threatened violation and to bring an action for declaratory relief in a court of competent jurisdiction.

(c) Attorneys' Fees. In the event of any action for a breach of or to enforce any provision or right hereunder, the non-prevailing party in such action must pay to the prevailing party all costs and expenses, expressly including, but not limited to, reasonable attorneys' fees and costs incurred by the successful party in connection with such action, including without limitation all fees and costs incurred on any appeal from such action or proceeding.

(d) No Termination. It is expressly agreed that no breach of this Agreement will entitle any Party to cancel, rescind, or otherwise terminate this Agreement, and such limitations will not affect in any manner any of the rights or remedies which the Parties may have by reason of any breach of this Agreement.

(e) No Waiver. No waiver of any default by any Party shall be implied from any omission by any Party to take any action in respect of such default if such default continues or is repeated. No express written waiver of any default shall affect any default or cover any period of time other than the default and period of time specified in such express waiver. One or more written waivers of any default in the performance of any term, provision or covenant contained in this Agreement shall not be deemed to be a waiver of any subsequent default in the performance of the same term, provision or covenant or any other term, provision or covenant contained in this Agreement. The consent or approval by any Party to or of any act or request by any other Party requiring consent or approval shall not be deemed to waive or render unnecessary the consent to or approval of any subsequent or similar acts or requests.

5. Tellus Indemnity.

(a) TELLUS AND ITS SUCCESSORS AND ASSIGNS SHALL INDEMNIFY AND HOLD HARMLESS THE MERRITT OWNERS AND THEIR RESPECTIVE SUCCESSORS AND ASSIGNS (EACH AN "**INDEMNIFIED PARTY**"), FROM AND AGAINST ALL ACTIONS, DAMAGES, CLAIMS, LOSSES OR EXPENSE OF EVERY TYPE AND DESCRIPTION TO WHICH THEY MAY BE SUBJECTED OR PUT: (I) BY REASON OF, OR RESULTING FROM THE BREACH OF ANY PROVISION OF THIS AGREEMENT BY TELLUS; (II) THE NEGLIGENT DESIGN, ENGINEERING AND/OR CONSTRUCTION BY TELLUS OR ANY ARCHITECT, ENGINEER OR CONTRACTOR HIRED BY TELLUS OF ANY OF THE TELLUS INFRASTRUCTURE IMPROVEMENTS; (III) TELLUS' NONPAYMENT UNDER CONTRACTS *BETWEEN* TELLUS AND ITS CONSULTANTS,

(b) IN ITS REASONABLE DISCRETION, MERRITT OWNERS SHALL HAVE THE RIGHT TO APPROVE OR SELECT DEFENSE COUNSEL TO BE RETAINED BY TELLUS IN FULFILLING ITS OBLIGATIONS HEREUNDER TO DEFEND AND INDEMNIFY THE INDEMNIFIED PARTIES, UNLESS SUCH RIGHT IS EXPRESSLY WAIVED BY MERRITT OWNERS IN WRITING, THE INDEMNIFIED PARTIES RESERVE THE RIGHT TO PROVIDE A PORTION OR ALL OF THEIR/ITS OWN DEFENSE, AT THEIR/ITS SOLE COST; HOWEVER, INDEMNIFIED PARTIES ARE UNDER NO OBLIGATION TO DO SO. ANY SUCH ACTION BY AN INDEMNIFIED PARTY IS NOT TO BE CONSTRUED AS A WAIVER OF TELLUS' OBLIGATION TO DEFEND INDEMNIFIED PARTIES OR AS A WAIVER OF TELLUS' OBLIGATION TO INDEMNIFY INDEMNIFIED PARTIES PURSUANT TO THIS AGREEMENT. TELLUS SHALL RETAIN MERRITT OWNERS APPROVED DEFENSE COUNSEL WITHIN SEVEN BUSINESS DAYS OF WRITTEN NOTICE FROM AN INDEMNIFIED PARTY THAT IT IS INVOKING ITS RIGHT TO INDEMNIFICATION UNDER THIS AGREEMENT. (d) THE PARTIES AGREE AND STIPULATE THAT THIS INDEMNIFICATION AND THE EXPRESS NEGLIGENCE TEXT COMPLIES WITH THE CONSPICUOUSNESS REQUIREMENT, AND IS VALID AND ENFORCEABLE AGAINST TELLUS AND ITS SUCCESSORS AND ASSIGNS.

Moreover, the owner of the Tellus Parcel shall have the ongoing right to relocate such easements, provided that the relocation of such easements will be at the sole cost and expense of the owner of the Tellus Parcel.
- Notwithstanding anything herein to the contrary, in the event that any costs or expenses for any of the improvements to be completed at Tellus’ cost and expense can otherwise be paid for through funds and/or bond proceeds for a PID that includes the Tellus Parcel, then Tellus (or the then-current owner of the Tellus Parcel) may utilize and apply such funds and/or bond proceeds to pay for such costs and expenses, at the discretion of Tellus or the then-current owner of the Tellus Parcel.

## **ARTICLE II** **PUBLIC INFRASTRUCTURE**

### 2.1 Public Infrastructure.

(a) Standards. Except as otherwise expressly provided for in this Agreement, all Public Infrastructure shall be designed, constructed and installed by the Owner in compliance with the

City Regulations. Construction and/or installation of Public Infrastructure shall not begin until complete and accurate plans and specifications have been approved by the City. Each contract for construction of Public Infrastructure shall require a two-year maintenance bond following completion of such Public Infrastructure, which bond shall run in favor of the Party responsible for maintenance of the completed Public Infrastructure. To the extent the Development creates the need for easements or rights-of-way within the Property, they shall be dedicated by the Owner to the City by final plat or separate instrument at no cost to the City, although PID Bond proceeds or other PID assessment revenue may be used to acquire easements and right-of-way. The Public Infrastructure will be installed within easements granted to the City or in the public right-of-way, however utilities must be in an easement separate from the right-of-way.

(b) Right-of-Way and Roadway Improvements.

(1) The Owner shall dedicate to the City, at no cost to the City, right-of-way for the on-site thoroughfares shown on Exhibit F in accordance with City's adopted thoroughfare plan. PID Bond proceeds or other PID assessment revenue may be used to acquire right-of-way. Dedication shall occur when the City approves the first final plat for the Developer Property or when the City delivers a written request for dedication to the Owner in accordance with the notice provisions of this Agreement, whichever occurs first.

(2) The Owner shall design and construct the following improvements as depicted on Exhibit F (the "Roadway Improvements"): (i) a two-lane concrete portion of phase 1 of Parvin Road that is approximately 2,150 linear feet, to be constructed with the first phase of the development of the Developer Property; (ii) a two-lane concrete portion of Legacy Road, to be constructed in phases when the adjacent portion of the Property is final platted or as needed to meet access requirements in the City Regulations; and (iii) a two-lane section of Old Parvin Road, which is a collector, in accordance with the street section details shown on Exhibit F, to be constructed in phases when the adjacent portion of the Property is final platted or as needed to meet access requirements in the City Regulations. The improvements to Parvin Road referenced above shall be constructed in accordance with Texas Department of Transportation design requirements for the road project, which shall control in the event of a conflict with the street section details on Exhibit F. Legacy Road shall be constructed in accordance with the same street section detail that applies to Parvin Road, as shown on Exhibit F. With the exception of the Roadway Improvements, the Owner shall not be required to construct or fund any thoroughfare improvements.

(3) The City agrees that the collector road shown on Exhibit F-1 will not be built, and will not be required to be constructed or funded by the Owner, notwithstanding anything shown on the City's current or future master thoroughfare plan.

(c) Water Infrastructure. The Owner shall design and construct the proposed water improvements depicted on Exhibit G (the "Water Improvements"). The off-site Water Improvements shown on Exhibit G shall commence prior to the issuance of the 250<sup>th</sup> building permit for a dwelling unit within the Property. All other Water Improvements shall be constructed in phases as needed. The Owner shall not be required to construct any water line that exceeds 18 inches in size on Legacy Drive and 12 inches in size on Punk Carter Parkway unless the City

funds the costs associated with increasing the line size. The Owner shall not be required to construct any off-site water improvements not shown on Exhibit G.

(d) Wastewater Infrastructure. The Owner shall connect to the City's wastewater system as shown on Exhibit H. The Owner shall not be required to construct any wastewater line that exceeds 12 inches in size unless the City funds the costs associated with increasing the line size above 12 inches. The Owner shall not be required to construct any off-site wastewater improvements.

## 2.2 Inspections, Acceptance of Public Infrastructure.

(a) Roadway and Storm Infrastructure. The City shall have the right to inspect, at any time, the construction of all roadway and storm water Public Infrastructure, and any related Public Infrastructure necessary to support the proposed development within the Property, which shall be inspected, designed and constructed in compliance with all statutory and regulatory requirements, including design and construction criteria, and the City Regulations.

(b) Water and Wastewater Infrastructure. The City shall have the right to inspect the construction of all water and wastewater Public Infrastructure at any time, which water and wastewater shall be inspected, designed and constructed in compliance with all statutory and regulatory requirements, including design and construction criteria, and the City Regulations. The timing of construction of the various components of the water and wastewater Public Infrastructure shall be as required by the City Regulations unless otherwise provided in this Agreement.

(c) No Release. The City's inspections shall not release the Owner from its responsibility to construct, or ensure the construction of, adequate Public Infrastructure in accordance with approved engineering plans, construction plans, and other approved plans related to the Development provided the City satisfies its obligations under this Agreement.

(d) City Owned. From and after the inspection and acceptance by the City of the water, wastewater, drainage, and roadway Public Infrastructure and any other dedications required under this Agreement, such improvements and dedications shall be owned by the City.

(e) Approval of Plats/Plans. Approval of plats, permits, plans, designs or specifications by the City shall be in accordance with the City Regulations. Approval by the City, the City's engineer or other City employee or representative of any plats, permits, plans, designs or specifications submitted pursuant to this Agreement or pursuant to the City Regulations shall not constitute or be deemed to be a release of the responsibility and liability of the Owner, his engineer, employees, officers or agents for the accuracy and competency of their design and specifications. Further, any such approvals shall not be deemed to be an assumption of such responsibility and liability by the City for any defect in the design and specifications prepared by the Owner or the Owner's engineer, or engineer's officers, agents, servants, or employees, it being the intent of the parties that approval by the City's engineer signifies the City's approval on only the general design concept of the improvements to be constructed. All plats and plans of the Owner related to the Property shall meet the requirements of the applicable City Regulations.

2.3 Eminent Domain. The Owner agrees to use commercially reasonable efforts to obtain all third-party rights-of-way, consents, or easements, required for the off-site Water

Improvements (collectively, the "Easements "). If, however, the Owner is unable to obtain one or more of the Easements within sixty (60) days of commencing efforts to obtain the needed easements and right of way, the City agrees to take reasonable steps to secure same (subject to City Council authorization after a finding of public necessity) through the use of the City's power of eminent domain. The Owner shall be responsible for funding all reasonable and necessary legal proceeding/litigation costs, compensation awards or negotiated amounts for the condemned property interest, attorney's fees and related expenses, and appraiser and expert witness fees (collectively, "Eminent Domain Fees") paid or incurred by the City in the exercise of its eminent domain powers and shall escrow with a mutually agreed upon escrow agent the City's reasonably estimated Eminent Domain Fees both in advance of the initiations of each eminent domain proceeding and as funds are needed by the City. Provided that the escrow fund remains appropriately funded in accordance with this Agreement, the City will use all reasonable efforts to expedite such condemnation procedures so that the Easements can be acquired as soon as reasonably practicable. Any unused escrow funds will be refunded to the Owner with thirty (30) days after any condemnation award or settlement becomes final and non-appealable. Nothing in this subsection is intended to constitute a delegation of the police powers or governmental authority of the City, and the City reserves the right, at all times, to control its proceedings in eminent domain.

#### 2.4 Operation and Maintenance.

(a) Upon inspection, approval, and acceptance of the water and wastewater Public Infrastructure or any portion thereof, the City shall maintain and operate the accepted water and wastewater infrastructure or any accepted portion thereof and provide water and wastewater service to the Property.

(b) Upon inspection, approval, and acceptance of the roadway and storm water Public Infrastructure or any portion thereof, the City shall maintain and operate the roadways and storm water infrastructure or any accepted portion thereof.

#### 3.1 Full Compliance with City Standards.

(a) Development of the Property shall be subject to the applicable City Regulations.

(b) The Parties agree the Concept Plan was created by the Owner for illustrating the boundary, lot mix and general layout of the Development. Any amendment to the Concept Plan shall be considered an amendment to this Agreement and shall replace the attached Concept Plan and become a part of this Agreement. The City Manager of the City may administratively approve any amendments to the Concept Plan that the City Manager deems in his reasonable discretion to be minor in nature. The Concept Plan may also be amended as set forth in the Development Standards attached as **Exhibit D**.

3.2 Plat. The Owner may submit a plat for all or any portion of the Property. Any plat shall be in general conformance with the Concept Plan, including any amendments.

3.3 Vested Rights. This Agreement shall constitute a "permit" under Chapter 245 of the Texas Local Government Code that is deemed filed with the City on the date upon which the last of all of the Parties has approved and duly executed this Agreement. The Owner does not, by entering into this Agreement, waive any rights or obligations arising under Chapter 245 of the Texas Local Government Code. Upon an administratively complete application for a preliminary plat for any portion of the Property, Owner may claim vested rights as to the portion of the Property contained in the preliminary plat based upon ordinances in effect at the time of preliminary plat application, except to the extent such claim would cause the City's building material regulations in the zoning ordinance (as it existed on August 1, 2019) to be inapplicable.

3.4 Building Codes, Fire Codes and Building Materials. *As consideration for the capital recovery fees being reduced and impact fees being waived for the Property, Owner has requested and the Parties agree that **Exhibit D**, the City-adopted building codes and local amendments as subsequently amended, the City-adopted fire codes and local amendments as subsequently amended, and the City's building material regulations in the zoning ordinance (as it existed on August 1, 2019) and other city ordinances, as subsequently amended, to apply to the Property for forty-five (45) years, and voluntarily agrees to burden the property with their applicability, despite Texas Government Code Chapter 3000, effective September 1, 2019, as it presently exists or may be subsequently amended.*

3.5 Internet and Gas Lines. Simultaneously with the construction of water Public Infrastructure, the Owner shall install, or caused to be installed, within public rights-of-way or public easements high-speed internet infrastructure (either fiber or a future technology approved by the City) and gas lines to the perimeter of each lot. The high-speed internet infrastructure/fiber and gas lines shall be adequately sized to serve the intended use of the lot, with the high-speed internet infrastructure/fiber being capable of transmitting high-speed internet of at least 1 gig per second. Once installed, the Owner shall have no obligation to own, maintain or upgrade such high-speed internet infrastructure or gas lines.

3.6 Amenity Centers. Owner shall construct the amenity centers described on **Exhibit D** and **Exhibit E** according to the timing triggers set forth on **Exhibit E**. Completion of each amenity center by Owner shall be evidenced by a certificate of occupancy from the City.

3.7 Dedications for Public Parks and a School.

(a) Open space and trails shall be developed in phases in accordance with the development standards on **Exhibit D**. The Owner agrees to provide the following (collectively, the "Open Space Improvements"): (i) open space areas and improvements required by **Exhibit D**; (ii) open space areas and improvements depicted on **Exhibit E**; and (iii) additional park and open space land in accordance with a master park plan to be approved by the Director of the Parks Department, which approval shall not be unreasonably withheld or delayed, that make efficient use of open space, floodplains, and non-floodplains and includes amenity items such as trails that are at least 12 feet in width, fitness stations, dog parks, playgrounds, grass sports fields, and other

similar uses and improvements approved by the Director of Planning. Ownership and maintenance requirements for all Open Space Improvements is set forth on Exhibit E.

(b) A 10-12 acre site for an elementary school shall be reserved by the Owner. The site may be dedicated or sold to the school district at the Owner's acquisition cost by separate agreement between the school district and the Owner.

#### **ARTICLE IV** **DEVELOPMENT PROCESS AND CHARGES**

##### **4.1 Capital Recovery Fees.**

(a) **Residential.** Except as specifically described below, the Property shall be subject to those fees and charges due and payable to the City in connection with the Development that are charged pursuant to City Regulations to other developments located in the corporate limits of the City. Notwithstanding the foregoing, no capital recovery fees, including, but not limited to, pro rata fees, impact fees for water, sewer and roadways and other capital recovery fees shall be charged against residential development on the Property other than: (i) park fees in an amount not exceeding \$1,500 per residential dwelling unit, unless the Owner agrees in writing to an increase in such park fees; (ii) technology fees in an amount not to exceed \$500 per single family attached or detached residential dwelling unit; (iii) roadway capital fees of \$3,000 per single family attached or detached residential dwelling unit; (iv) water capital fees of \$2,500 per single family attached or detached residential dwelling unit; and (v) wastewater capital fees of \$2,500 per single family attached or detached residential dwelling unit. Roadway, water, and wastewater capital fees shall each escalate by an additional \$500 per single family attached or detached residential dwelling unit upon reaching the eight-year anniversary of the Effective Date and then every fifth anniversary of the first escalation thereafter. In no event shall any roadway, water, or wastewater capital fee charged under this Section 4.1(a) exceed then applicable roadway, water, or wastewater impact fees charged by the City for property located in the city limits. All capital recovery fees under this Section 4.1(a) will be due and payable at the time building permits are issued.

(b) **Multi-Family.** Assuming Owner is in compliance with the requirements of Sections 2.1(b) and 3.7(a), for each multi-family unit constructed on the tract adjacent to Legacy Road and labeled as "flex tract 2" on the Concept Plan the City agrees to waive roadway impact fees and to reduce the park fee by five hundred dollars (\$500) per unit.

(c) **Open Space and Trails.** Other than the open space and Open Space Improvements required by Section 3.7, no park land dedication or construction of park improvements shall be required.

(d) **Reimbursement of Park Fees.** The City agrees to reimburse 50 percent of the park capital recovery fees collected pursuant to Section 4.1(a) to the Owner to reimburse the Owner for the actual cost of the publicly owned and maintained Open Space Improvements as provided under Section 3.7 and depicted in Exhibit E, excluding trails the Owner is required to construct per the terms of this Agreement. Such reimbursement payments will be made by the City to the Owner once each calendar quarter on March 31st, June 30th, September 30th and December 31st of each year starting the first calendar quarter after the completion of any of the improvements referenced in this subsection (c).

(e) Homestead. The City agrees to waive water meter fees and any other water connection fees for the Homestead Residences (as defined in the Development Regulations) located within the homestead tract described on Exhibit J (the "Homestead Tract").

#### 4.2 INDEMNIFICATION AND HOLD HARMLESS.

(a) THE OWNER AND ITS SUCCESSORS AND ASSIGNS SHALL INDEMNIFY AND HOLD HARMLESS THE CITY, ITS OFFICIALS, EMPLOYEES, OFFICERS, REPRESENTATIVES AND AGENTS (EACH AN "INDEMNIFIED PARTY"), FROM AND AGAINST ALL ACTIONS, DAMAGES, CLAIMS, LOSSES OR EXPENSE OF EVERY TYPE AND DESCRIPTION TO WHICH THEY MAY BE SUBJECTED OR PUT: (i) BY REASON OF, OR RESULTING FROM THE BREACH OF ANY PROVISION OF THIS AGREEMENT BY THE OWNER; (ii) THE NEGLIGENT DESIGN, ENGINEERING AND/OR CONSTRUCTION BY THE OWNER OR ANY ARCHITECT, ENGINEER OR CONTRACTOR HIRED BY THE OWNER OF ANY OF THE PUBLIC INFRASTRUCTURE ACQUIRED FROM THE OWNER HEREUNDER; (iii) THE OWNER'S NONPAYMENT UNDER CONTRACTS BETWEEN THE OWNER AND ITS CONSULTANTS, ENGINEERS, ADVISORS, CONTRACTORS, SUBCONTRACTORS AND SUPPLIERS IN THE PROVISION AND/OR CONSTRUCTION OF THE PUBLIC INFRASTRUCTURE; (iv) ANY CLAIMS OF PERSONS EMPLOYED BY THE OWNER OR ITS AGENTS TO CONSTRUCT THE PUBLIC INFRASTRUCTURE; OR (v) ANY CLAIMS AND SUITS OF THIRD PARTIES, INCLUDING BUT NOT LIMITED TO OWNER'S RESPECTIVE PARTNERS, OFFICERS, DIRECTORS, EMPLOYEES, REPRESENTATIVES, AGENTS, SUCCESSORS, ASSIGNEES, VENDORS, GRANTEEES, AND/OR TRUSTEES, REGARDING OR RELATED TO THE PUBLIC INFRASTRUCTURE OR ANY AGREEMENT OR RESPONSIBILITY REGARDING THE PUBLIC INFRASTRUCTURE, INCLUDING CLAIMS AND CAUSES OF ACTION WHICH MAY ARISE OUT OF THE PARTIAL NEGLIGENCE OF AN INDEMNIFIED PARTY (THE "CLAIMS"). NOTWITHSTANDING THE FOREGOING, NO INDEMNIFICATION IS GIVEN HEREUNDER FOR ANY ACTION, DAMAGE, CLAIM, LOSS OR EXPENSE DETERMINED BY A COURT OF COMPETENT JURISDICTION TO BE DIRECTLY ATTRIBUTABLE TO THE WILLFUL MISCONDUCT OR SOLE NEGLIGENCE OF ANY INDEMNIFIED PARTY. OWNER IS EXPRESSLY REQUIRED TO DEFEND CITY AGAINST ALL SUCH CLAIMS, AND CITY IS REQUIRED TO REASONABLY COOPERATE AND ASSIST OWNER IN PROVIDING SUCH DEFENSE.

(b) IN ITS REASONABLE DISCRETION, CITY SHALL HAVE THE RIGHT TO APPROVE OR SELECT DEFENSE COUNSEL TO BE RETAINED BY OWNER IN FULFILLING ITS OBLIGATIONS HEREUNDER TO DEFEND AND INDEMNIFY THE INDEMNIFIED PARTIES, UNLESS SUCH RIGHT IS EXPRESSLY WAIVED BY CITY IN WRITING. THE INDEMNIFIED PARTIES RESERVE THE RIGHT TO PROVIDE A PORTION OR ALL OF THEIR/ITS OWN DEFENSE, AT THEIR/ITS SOLE COST; HOWEVER, INDEMNIFIED PARTIES ARE UNDER NO OBLIGATION TO DO SO. ANY SUCH ACTION BY AN INDEMNIFIED PARTY IS NOT TO BE CONSTRUED AS A WAIVER OF OWNER'S OBLIGATION TO DEFEND INDEMNIFIED PARTIES OR AS A WAIVER OF OWNER'S OBLIGATION TO INDEMNIFY INDEMNIFIED PARTIES PURSUANT TO THIS AGREEMENT. OWNER SHALL RETAIN CITY-APPROVED DEFENSE COUNSEL WITHIN SEVEN BUSINESS DAYS OF WRITTEN NOTICE FROM AN INDEMNIFIED PARTY THAT IT IS INVOKING ITS RIGHT TO INDEMNIFICATION UNDER THIS AGREEMENT. IF OWNER FAILS TO RETAIN COUNSEL WITHIN SUCH TIME PERIOD, INDEMNIFIED PARTIES SHALL HAVE THE RIGHT TO RETAIN DEFENSE COUNSEL ON THEIR OWN BEHALF, AND OWNER SHALL BE LIABLE FOR ALL REASONABLE COSTS INCURRED BY INDEMNIFIED PARTIES. THE CITY AGREES, UNLESS ADVISED BY DEFENSE COUNCIL TO THE CONTRARY, TO ASSERT ITS

**IMMUNITY FROM LIABILITY AND IMMUNITY FROM SUIT AND/OR OTHER AVAILABLE AFFIRMATIVE DEFENSES**

(c) **THIS SECTION 4.2 SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT.**

(d) **THE PARTIES AGREE AND STIPULATE THAT THIS INDEMNIFICATION AND THE EXPRESS NEGLIGENCE TEXT COMPLIES WITH THE CONSPICUOUSNESS REQUIREMENT, AND IS VALID AND ENFORCEABLE AGAINST THE OWNER.**

**4.3 THE OWNER'S ACKNOWLEDGEMENT OF THE CITY'S COMPLIANCE WITH FEDERAL AND STATE CONSTITUTIONS, STATUTES AND CASE LAW AND FEDERAL, STATE AND LOCAL ORDINANCES, RULES AND REGULATIONS/OWNERS' WAIVER AND RELEASE OF CLAIMS FOR OBLIGATIONS EXPRESSLY SET FORTH IN THIS AGREEMENT.**

(a) **THE OWNER ACKNOWLEDGES AND AGREES THAT, PROVIDED THERE ARE NO CITY DEFAULTS UNDER THIS AGREEMENT:**

(i) **THE PUBLIC INFRASTRUCTURE EXPRESSLY SET FORTH IN THIS AGREEMENT TO BE CONSTRUCTED UNDER THIS AGREEMENT, AND THE FEES TO BE IMPOSED BY THE CITY PURSUANT TO THIS AGREEMENT, REGARDING THE PROPERTY, IN WHOLE OR IN PART, DO NOT CONSTITUTE A:**

(A) **TAKING UNDER THE TEXAS OR UNITED STATES CONSTITUTION;**

(B) **VIOLATION OF THE TEXAS LOCAL GOVERNMENT CODE, AS IT EXISTS OR MAY BE AMENDED; AND/OR**

(C) **NUISANCE.**

(ii) **THE AMOUNT OF THE OWNER'S FINANCIAL AND INFRASTRUCTURE CONTRIBUTION FOR THE PUBLIC INFRASTRUCTURE EXPRESSLY SET FORTH IN THIS AGREEMENT IS ROUGHLY PROPORTIONAL TO THE DEMAND THAT THE OWNER'S ANTICIPATED IMPROVEMENTS AND OWNER'S DEVELOPMENT OF THE PROPERTY PLACES ON THE CITY'S INFRASTRUCTURE.**

(iii) **THE OWNER HEREBY AGREES, STIPULATES AND ACKNOWLEDGES THAT: (A) ANY PROPERTY WHICH IT CONVEYS TO THE CITY OR ACQUIRES FOR THE CITY PURSUANT TO THIS AGREEMENT IS ROUGHLY PROPORTIONAL TO THE BENEFIT RECEIVED BY THE OWNER FOR SUCH LAND, AND THE OWNER HEREBY WAIVES ANY CLAIM THEREFOR THAT IT MAY HAVE; AND (B) ALL PREREQUISITES TO SUCH DETERMINATION OF ROUGH PROPORTIONALITY HAVE BEEN MET, AND ANY VALUE RECEIVED BY THE CITY RELATIVE TO SAID CONVEYANCE IS RELATED BOTH IN NATURE AND EXTENT TO THE IMPACT OF THE DEVELOPMENT OF THE PROPERTY ON THE CITY'S INFRASTRUCTURE. THE OWNER FURTHER AGREES TO WAIVE AND RELEASE ALL CLAIMS IT MAY HAVE AGAINST THE CITY UNDER THIS AGREEMENT RELATED TO ANY AND ALL: (A) CLAIMS OR CAUSES OF ACTION BASED ON ILLEGAL OR EXCESSIVE EXACTIONS; AND (B) ROUGH PROPORTIONALITY AND INDIVIDUAL DETERMINATION REQUIREMENTS MANDATED BY THE UNITED STATES SUPREME COURT IN *DOLAN V. CITY OF TIGARD*, 512**

**U.S. 374 (1994), AND ITS PROGENY, AS WELL AS ANY OTHER REQUIREMENTS OF A NEXUS BETWEEN DEVELOPMENT CONDITIONS AND THE PROJECTED IMPACT OF THE PUBLIC INFRASTRUCTURE.**

**(b) NOTHING IN THIS AGREEMENT, INCLUDING THIS SECTION 4.3, WAIVES (AND OWNER EXPRESSLY RESERVES) ANY RIGHT THE OWNER MAY NOW OR HEREAFTER HAVE WITH RESPECT TO ANY CLAIM THAT THE APPLICATION OF AMENDMENTS TO THE CITY REGULATIONS, ENACTED AFTER THE EFFECTIVE DATE, TO THE PROPERTY VIOLATES ANY STATE OR FEDERAL LAW, SO LONG AS SUCH CLAIM DOES NOT RELATE TO ANY EXPRESS OBLIGATION OF OWNER SET FORTH IN THIS AGREEMENT.**

**(c) THIS SECTION 4.3 SHALL SURVIVE THE TERMINATION OF THIS AGREEMENT.**

#### **ARTICLE V** **TERM**

The term of this Agreement shall be for a period of thirty (30) years after the Effective Date, except that **Exhibit D** and Section 3.4, plus all provisions of this Agreement related to **Exhibit D** and Section 3.4 shall have a term of forty-five (45) years. The Parties may extend the term of this Agreement if they execute an agreement in writing.

#### **ARTICLE VI** **ANNEXATION AND POST-ANNEXATION MATTERS**

##### **6.1 Annexation.**

(a) Not later than ten days after being requested to do so by the City, Owner agrees to (a) submit a voluntary annexation petition for the Property, or (b) if requested by the City, sign a petition for annexation presented to the Owner by the City that may contain additional acres located outside of the Property (collectively, the "**Petition Property**"). The Owner agrees to execute and supply any and all instruments and/or other documentation necessary for the City to annex the Property into the City's corporate limits pursuant to the terms of this Agreement. This Agreement constitutes the service plan agreement for providing City services to the Property. If the City is unable to complete the annexation of the **Petition Property** for any reason, including but not limited to procedural error or legal challenge, the Owner shall execute another voluntary annexation petition for the **Petition Property** and/or the portion of the Property being annexed pursuant to this Section 6.1(a), within ten (10) days of being requested to do so. The Owner acknowledges and agrees that this Section 6.1 was a material inducement for the City to enter into this Agreement with the Owner and to create a PID. The City acknowledge and agrees creation of the PID and issuance of PID Bonds are a material inducement for the Owner to agree to this Section 6.1 and the Owner to agree to the obligations contained in this Agreement.

(b) Notwithstanding anything to the contrary in Section 6.1(a), the Owner agrees that the City may annex all or any portion of the Retained Property at any time following the fifth anniversary of the Effective Date. For purposes of this Section 6.1(b), the Owner agrees to provide the City with all of the same documents that would be required from the Owner for annexation pursuant to Section 6.1(a).

(c) Notwithstanding anything to the contrary in this Section 6.1, (i) the City agrees that it will not annex the South Park Area, the Homestead tract, or northwesternmost Developer Tract shown on, and described in, Exhibit J prior to the 15<sup>th</sup> anniversary of the Effective Date unless development of such areas commences prior to such 15<sup>th</sup> anniversary; and (ii) the Owner agrees that, for purposes of Section 6.1(b), the City may annex any portion of the North Park Area shown on Exhibit J at the same time of commencement of development of the Retained Property, or when the City annexes all or any portion of the Developer Tract or the Retained Property to the extent necessary to commence or complete construction of the linear park planned in such area. For purposes of this paragraph, commencement of development means obtaining preliminary plat or final plat approval or a building permit for the development of any portion of the South Park Area, the Homestead tract, or northwesternmost Developer Tract other than for the development of the Homestead Residences defined in the Development Regulations.

6.2 Zoning of Property. While the Parties expressly acknowledge that the Property will be voluntarily annexed in accordance with Section 6.1 of this Agreement, the Parties agree that the Concept Plan, the Development Standards, and the applicable provisions of this Agreement memorialize the plan for development of the Property as provided for in Section 212.172 of the Texas Local Government Code and other applicable law. The City shall consider zoning the Property consistent with the Development Standards, Concept Plan, and applicable provisions of this Agreement contemporaneously with the annexation of the Property. Through this Agreement, the Owner expressly consents and agrees to the zoning of the Property consistent with and as contemplated by this section. In the event of a conflict between this Agreement and the zoning of the Property, the Parties agree that this Agreement shall control. The Owner agrees that nothing in this Agreement shall prevent Exhibit D, Section 3.4 of this Agreement, and the City Regulations, including but not limited to zoning, from being enforced against an End-Buyer.

## ARTICLE VII INFRASTRUCTURE FINANCING

7.1 PID Financing. The City proposes to create the PID, to fund, in part, the Public Infrastructure that will confer a special benefit upon the Property. As soon as reasonably practicable following a request by the Owner, and provided the City's financial advisor confirms the bonds meet the below requirements and marketable to third party institutional investors, the City agrees to issue PID Bonds, subject to City Council approval.

(a) A PID creation petition for the Property will be submitted by the Owner to the City.

(b) PID funding of certain Public Infrastructure as authorized by the PID Act, including but not limited to local streets, water, sewer and storm drainage improvements and appurtenances providing special benefit to a development phases and/or planning area, will include, to the maximum extent authorized by State law, and only as requested by the Owner, one or more of the following: (i) annual payments by the City to the Owner of PID assessments not pledged to the repayment of PID Bonds; (ii) the issuance by the City of PID Bonds secured by PID assessments and/or other security, with a total overall minimum value to lien ratio of 3 to 1 (unless the City, in its sole discretion approves a lower value to lien ratio) assuming that the Public Infrastructure to be financed by the PID as well as other infrastructure for which completion guarantees have been provided are in place as of the date of valuation; (iii) the issuance by the City of other bonds

secured by PID assessments and/or other security; or (iv) any other method approved by the Parties. The total amount of PID Bonds secured by assessments from the Property shall not exceed the amount stated in the PID creation petition which amount shall not exceed \$130,000,000.

(c) The Public Infrastructure to be funded by the PID will be described in the PID Service and Assessment Plan, which Public Infrastructure is described in this Agreement and confers a special benefit on the Property (the "PID Projects").

(d) The total estimated cost of the PID Projects (the "PID Project Costs") will be as stated in the PID Service and Assessment Plan, as amended. The PID Project Costs will include the cost of two-year maintenance bonds for the PID Projects.

(e) The Owner will determine the PID Project Costs, and the City and the Owner will jointly prepare a Service and Assessment Plan for the PID. After the City approves the final PID Project Costs, prepares a proposed assessment roll based thereon, and files the Service and Assessment Plan and proposed assessment roll with the Secretary for the City for public inspection, the City will levy special assessments against the Property.

(f) The City shall review and update the Service and Assessment Plan consistent with the requirements of Section 372.013(b) of the PID Act. As needed for consistency with the updated Service and Assessment Plan and consistent with the requirements of Sections 372.019 and 372.020 of the PID Act, the City shall make supplemental assessments, reassessments or new assessments such that assessments reflect the updated PID Project Costs. Concurrent with the levy of PID assessments and as needed to implement the Service and Assessment Plan, the City and the Owner will enter into a PID reimbursement agreement that provides for the Owner's construction of certain PID Projects and the City's reimbursement to the Owner of certain PID Project Costs.

(g) The City will use its reasonable efforts to issue one or more series of PID Bonds secured, in whole or in part, by assessments levied against benefited property within the PID. PID Bonds may also be secured by any other revenue authorized by the PID Act or other State law and approved by the City Council of the City. The net proceeds from the sale of PID Bonds (i.e., net of costs and expenses of issuance and amounts for debt service reserves and capitalized interest) will be used to pay PID Project Costs. Notwithstanding the foregoing, the obligation of the City to issue PID Bonds is conditioned upon there being a total overall minimum value to lien ratio of 3 to 1 (unless the City, in its sole discretion approves a lower value to lien ratio) assuming that the Public Infrastructure to be financed by the PID as well as other infrastructure for which completion guarantees have been provided are in place as of the date of the Fair Market valuation as determined by an MAI Appraisal and the adequacy of the bond security and the financial obligation of the Owner to pay the amount, if any, by which PID Project Costs exceed the net proceeds from the sale of PID Bonds and the amount, if any, of cost overruns. The City will require the Owner to secure its obligation to pay such deficit by providing a hold back of a portion of the PID Bond proceeds not supported by the total overall 3 to 1 value to lien ratio and/or the deposit of cash to the trust estate for the shortfall. In certain limited circumstances, a performance bond, a letter of credit, or other security acceptable to the City prior to the issuance of the PID Bonds may be considered. The net proceeds from the sale of the PID Bonds will be deposited in and disbursed from a construction fund created and administered pursuant to the indenture under which the PID Bonds are issued.

7.2 Emergency Sirens. In consideration for the City's assistance and cooperation in connection with the issuance by the City of PID Bonds for any part of the Development, the Owner agrees to pay the City, simultaneously (a) with the closing and funding of the first issuance of PID Bonds, a fee in the amount of \$55,000, and (b) with the closing and funding of the second issuance of PID Bonds, a fee in the amount of \$55,000, to be used by the City to purchase and install two emergency warning sirens.

7.3 Costs for Non-Bank Qualified Bonds.

(a) If in any calendar year the City issues bonds, notes or other obligations as approved by the City Council for any given year in question that would constitute a qualified tax-exempt obligation but for the issuance of the PID Bonds or other bonds, notes or other obligations supporting public improvements for non-City owned development projects or City owned projects financed for a direct benefit to the non-City owned development projects, including either bonds authorized by Texas Tax Code Chapter 311 or bonds authorized by the PID Act, then the Owner shall pay to the City a fee (the "Bank Qualified Debt Fee") to compensate the City for the debt service savings the City would have achieved had the debt issued by the City been able to be classified as a qualified tax-exempt obligation provided that all other Owners or owners benefitting from the City issuing debt are similarly burdened with an obligation to compensate the City. The Bank Qualified Debt Fee of the Owner and all other Owners or owners on whose behalf the City issues debt, will be calculated as follows:

The net present value (calculated based on the Internal Revenue Service bond yield) of the debt service savings that would have accrued to the City had it been able to issue qualified tax-exempt obligation debt multiplied by a fraction, the numerator of which is the amount of debt issued by the City for any particular owner or Owner (including the Owner, as applicable) and the denominator of which is the total debt issued by the City for the benefit of all owners or Owners (including the Owner, as applicable).

(b) To the extent any Owner(s) or owner(s) (including the Owner, as applicable) has (have) paid the Bank Qualified Debt Fee for any particular calendar year, any such Bank Qualified Debt Fee paid subsequently by a Owner or owner (including the Owner, as applicable) to the City applicable to the same calendar year shall be reimbursed by the City to the Owner(s) or owner(s) (including the Owner, as applicable) as necessary so as to put all Owners and owners so paying for the same calendar year in the required payment proportion as set forth above, said reimbursement to be made by the City within ten (10) business days after its receipt of such subsequent payments of the Bank Qualified Debt Fee.

(c) If in any calendar year the City issues PID Bonds on its own account that exceed the amount that would otherwise qualify the City for the issuance of bank qualified debt, or if the City fails to charge the Bank Qualified Debt Fee to any other Owner or owner on whose behalf the City has issued debt and fails to cure such oversight, then no Bank Qualified Debt Fee shall be due under this provision and if any Bank Qualified Debt Fee had already been paid to the City under this provision, then such Bank Qualified Debt Fee shall be reimbursed promptly to the Owner from lawfully available and otherwise unencumbered funds.

7.4 **PID Notices.** When selling any of the Property after the PID is created, the Owner shall provide notices in a form required by Section 5.014 of the Texas Property Code, as amended, to anyone who purchases property within the PID notifying the purchaser: (a) that the property is located in the PID; (b) that the City has issued or may issue PID bonds; (c) that the City has levied or may levy PID assessments; (d) of the unpaid reimbursement amount of the PID assessment against the Property; (e) of the estimated annual installments if PID assessments are not paid in full; and (f) of the estimated duration of the PID assessment and annual installments. Further, the Owner shall contractually require builders selling homes to continuously post a notice of the PID assessments in a conspicuous location in each model home and provide an explanation of the PID assessments in written brochures and promotional materials given to each prospective purchaser. This section applies to all owners of all or any portion of the Property.

#### **ARTICLE VIII** **EVENTS OF DEFAULT; REMEDIES**

8.1 **Events of Default.** No Party shall be in default under this Agreement until notice of the alleged failure of such Party to perform has been given in writing (which notice shall set forth in reasonable detail the nature of the alleged failure) and until such Party has been given a reasonable time to cure the alleged failure (such reasonable time to be determined based on the nature of the alleged failure, but in no event more than 30 days after written notice of the alleged failure has been given). Notwithstanding the foregoing, no Party shall be in default under this Agreement if, within the applicable cure period, the Party to whom the notice was given begins performance and thereafter diligently and continuously pursues performance until the alleged failure has been cured and within such 30-day period gives written notice to the non-defaulting Party of the details of why the cure will take longer than 30 days with a statement of how many days are needed to cure.

8.2 **Remedies.** If a Party is in default, the aggrieved Party may, at its option and without prejudice to any other right or remedy under this Agreement, seek any relief available at law or in equity, including, but not limited to, an action under the Uniform Declaratory Judgment Act, or actions for specific performance, mandamus, or injunctive relief. NOTWITHSTANDING THE FOREGOING, HOWEVER, NO DEFAULT UNDER THIS AGREEMENT SHALL ENTITLE THE AGGRIEVED PARTY TO TERMINATE THIS AGREEMENT OR LIMIT THE TERM OF THIS AGREEMENT.

#### **ARTICLE IX** **ASSIGNMENT AND ENCUMBRANCE**

9.1 **Assignment by Owner to Successors.**

(a) The Owner has the right (from time to time without the consent of the City, but upon prior written notice to the City) to assign this Agreement, in whole or in part, and including any obligation, right, title, or interest of the Owner under this Agreement, to any person or entity (an "**Owner Assignee**") that (i) is or will become an owner of any portion of the Property or (ii) is controlled by or under common control by the Owner and becomes an owner of any portion of the Property, provided that the Owner is not in breach of this Agreement at the time of such assignment. A Owner Assignee is considered the "Owner" and a "Party," under this Agreement

for purposes of the obligations, rights, title, and interest assigned to the Owner Assignee. Notice of each proposed assignment to a Owner Assignee shall be provided to the City at least fifteen (15) days prior to the effective date of the assignment, which notice shall include a copy of the proposed assignment document together with the name, address, telephone number, and e-mail address (if available) of a contact person representing the Owner Assignee.

(b) Each assignment shall be in writing executed by the Owner and the Owner Assignee and shall obligate the Owner Assignee to be bound by this Agreement to the extent this Agreement applies or relates to the obligations, rights, title, or interests being assigned. A copy of each fully executed assignment to a Owner Assignee shall be provided to all Parties within fifteen (15) days after execution. From and after such assignment, the City agrees to look solely to the Owner Assignee for the performance of all obligations assigned to the Owner Assignee and agrees that the Owner shall be released from subsequently performing the assigned obligations and from any liability that results from the Owner Assignee's failure to perform the assigned obligations; provided, however, if a copy of the assignment is not received by the City within 15 days after execution, Owner shall not be released until the City receives such copy of the assignment.

(c) No assignment by Owner shall release Owner from any liability that resulted from an act or omission by Owner that occurred prior to the effective date of the assignment unless the City approves the release in writing.

(d) The Owner shall maintain written records of all assignments made to Owner Assignees, including a copy of each executed assignment and the Owner Assignee's Notice information as required by this Agreement, and, upon written request from another Party, shall provide a copy of such records to the requesting person or entity.

9.2 Assignment by the City. The City has the right (from time to time without the consent of another Party, but upon prior written Notice to each other Party) to assign this Agreement, in whole or in part, and including any obligation, right, title, or interest of the City under this Agreement, to any agency, authority, or political subdivision of the state (a "City Assignee"). Notice of each proposed assignment to a City Assignee shall be provided to each other Party at least 15 days prior to the effective date of the assignment, which Notice shall include a copy of the proposed assignment document together with the name, address, telephone number, and e-mail address of a contact person representing the City Assignee who the other Party may contact for additional information. Each assignment shall be in writing executed by the City and the City Assignee and shall obligate the City Assignee to be bound by this Agreement to the extent this Agreement applies or relates to the obligations, rights, title, or interests being assigned. A copy of each fully executed assignment to a City Assignee shall be provided to all Parties within 15 days after execution. From and after such assignment, all Parties agrees to look solely to the City Assignee for the performance of all obligations assigned to the City Assignee and agrees that the City shall be released from subsequently performing the assigned obligations and from any liability that results from the City Assignee's failure to perform the assigned obligations; provided, however, if a copy of the assignment is not received by the other Parties within 15 days after execution, the City shall not be released until the other Parties receive such copy of the assignment. No assignment by the City shall release the City from any liability that resulted from an act or omission by the City that occurred prior to the effective date of the assignment unless the other Parties approve the release in writing. The City shall maintain written records of all assignments

made by the City to City Assignees, including a copy of each executed assignment and the City Assignee's Notice information as required by this Agreement, and, upon written request from another Party, shall provide a copy of such records to the requesting person or entity.

9.3 Collateral Assignments. The Owner and Owner Assignees have the right, from time to time, to collaterally assign, pledge, grant a lien or security interest in, or otherwise encumber any of their respective rights, title, or interest under this Agreement for the benefit of their respective lenders without the consent of, but with prompt written Notice to, the City. The collateral assignment, pledge, grant of lien or security interest, or other encumbrance shall not, however, obligate any lender to perform any obligations or incur any liability under this Agreement unless the lender agrees in writing to perform such obligations or incur such liability. Provided the City has been given a copy of the documents creating the lender's interest, including Notice (hereinafter defined) information for the lender, then that lender shall have the right, but not the obligation, to cure any default under this Agreement and shall be given a reasonable time to do so in addition to the cure periods otherwise provided to the defaulting Party by this Agreement; and the City agrees to accept a cure offered by the lender as if offered by the defaulting Party. A lender is not a Party to this Agreement unless this Agreement is amended, with the consent of the lender, to add the lender as a Party. Notwithstanding the foregoing, however, this Agreement shall continue to bind the Property and shall survive any transfer, conveyance, or assignment occasioned by the exercise of foreclosure or other rights by a lender, whether judicial or non-judicial. Any purchaser from or successor owner through a lender of any portion of the Property shall be bound by this Agreement and shall not be entitled to the rights and benefits of this Agreement with respect to the acquired portion of the Property until all defaults under this Agreement with respect to the acquired portion of the Property have been cured.

9.4 Transfer of Warranties. Any Public Infrastructure that are transferred to the City shall be accompanied by all applicable third-party bonds and warranties related to construction and maintenance of such Public Infrastructure.

9.5 Assignees as Parties. An assignee authorized in accordance with this Agreement and for which notice of assignment has been provided in accordance with this Agreement shall be considered a "Party" for the purposes of this Agreement. With the exception of the End-Buyer of a lot within the Property, any person or entity upon becoming an owner of land or upon obtaining an ownership interest in any part of the Property shall be deemed to be a "Owner" and have all of the obligations of the Owner as set forth in this Agreement and all related documents to the extent of said ownership or ownership interest.

9.6 No Third-Party Beneficiaries. This Agreement only inures to the benefit of, and may only be enforced by, the Parties. No other person or entity shall have any right, title, or interest under this Agreement or otherwise be deemed to be a third-party beneficiary of this Agreement.

## **ARTICLE X** **RECORDATION AND ESTOPPEL CERTIFICATES**

10.1 Binding Obligations. This Agreement and all amendments hereto (including amendments to the Concept Plan as allowed in this Agreement) and assignments hereof shall be

recorded in the deed records of Denton County. This Agreement binds and constitutes a covenant running with the Property. Upon the Effective Date, this Agreement shall be binding upon the Parties and their successors and assigns permitted by this Agreement and forms a part of any other requirements for Development within the Property. This Agreement, when recorded on or after the Effective Date, shall be binding upon the Parties and their successors and assigns as permitted by this Agreement and upon the Property; however, this Agreement shall not be binding upon, and shall not constitute any encumbrance to title as to, any end-buyer/homebuyer of a fully developed and improved lot (an "End-Buyer") and shall not negate the End-Buyer's obligation to comply with the City's Regulations, including but not limited to zoning ordinances, as they currently exist or may be amended.

10.2 Estoppel Certificates. From time to time upon written request of the Owner, if needed to facilitate a sale of all or a portion of the Property or a loan secured by all or a portion of the Property, the City will execute a written estoppel certificate in a form and substance satisfactory to the City, to its reasonable knowledge and belief, identifying any obligations of the Owner under this Agreement that are in default. The Owner shall pay the City \$1,000 at the time of the Owner's request for an estoppel certificate for each request in excess of one per calendar year.

## **ARTICLE XI** **ADDITIONAL PROVISIONS**

11.1 Recitals. The recitals contained in this Agreement: (a) are true and correct as of the Effective Date; (b) form the basis upon which the Parties negotiated and entered into this Agreement; (c) are legislative findings of the City Council of the City; and (d) reflect the final intent of the Parties with regard to the subject matter of this Agreement. In the event it becomes necessary to interpret any provision of this Agreement, the intent of the Parties, as evidenced by the recitals, shall be taken into consideration and, to the maximum extent possible, given full effect. The Parties have relied upon the recitals as part of the consideration for entering into this Agreement and, but for the intent of the Parties reflected by the recitals, would not have entered into this Agreement.

11.2 Notices. Any notice, payment or instrument required or permitted by this Agreement to be given or delivered to any party shall be deemed to have been received when personally delivered or transmitted by telecopy or facsimile transmission (which shall be immediately confirmed by telephone and shall be followed by mailing an original of the same within 24 hours after such transmission) or 72 hours following deposit of the same in any United States Post Office, registered or certified mail, postage prepaid, addressed as follows:

Any party may change its address or addresses for delivery of notice by delivering written notice of such change of address to the other party.

11.3 Interpretation. The Parties acknowledge that each has been actively involved in negotiating this Agreement. Accordingly, the rule of construction that any ambiguities are to be resolved against the drafting Party will not apply to interpreting this Agreement. In the event of any dispute over the meaning or application of any provision of this Agreement, the provision will be interpreted fairly and reasonably and neither more strongly for nor against any Party, regardless of which Party originally drafted the provision.

11.4 Time. In this Agreement, time is of the essence and compliance with the times for performance herein is required.

11.5 Authority and Enforceability. The City represents and warrants that this Agreement has been approved by official action by the City Council of the City in accordance with all applicable public notice requirements (including, but not limited to, notices required by the Texas Open Meetings Act) and that the individual executing this Agreement on behalf of the City has been duly authorized to do so. The Owner represents and warrants that this Agreement has been

approved by appropriate action of the Owner, and that the individual executing this Agreement on behalf of the Owner has been duly authorized to do so. Each Party respectively acknowledges and agrees that this Agreement is binding upon such Party and is enforceable against such Party, in accordance with its terms and conditions and to the extent provided by law.

11.6 Entire Agreement. This Agreement constitutes the entire agreement between the Parties and supersedes all prior agreements, whether oral or written, covering the subject matter of this Agreement. This Agreement shall not be modified or amended except in writing signed by the Parties.

11.7 Severability. If any provision of this Agreement is determined by a court of competent jurisdiction to be unenforceable for any reason, then: (a) such unenforceable provision shall be deleted from this Agreement; (b) the unenforceable provision shall, to the extent possible and upon mutual agreement of the parties, be rewritten to be enforceable and to give effect to the intent of the Parties; and (c) the remainder of this Agreement shall remain in full force and effect and shall be interpreted to give effect to the intent of the Parties.

11.8 Applicable Law; Venue. This Agreement is entered into pursuant to, and is to be construed and enforced in accordance with, the laws of the State of Texas, and all obligations of the Parties are performable in Denton County. Exclusive venue for any action to enforce or construe this Agreement shall be in the Denton County District Court.

11.9 Non-Waiver. Any failure by a Party to insist upon strict performance by the other Party of any material provision of this Agreement shall not be deemed a waiver thereof, and the Party shall have the right at any time thereafter to insist upon strict performance of any and all provisions of this Agreement. No provision of this Agreement may be waived except by writing signed by the Party waiving such provision. Any waiver shall be limited to the specific purposes for which it is given. No waiver by any Party of any term or condition of this Agreement shall be deemed or construed to be a waiver of any other term or condition or subsequent waiver of the same term or condition.

11.10 Counterparts. This Agreement may be executed in any number of counterparts, each of which shall be deemed an original and constitute one and the same instrument.

11.11 Further Documents. The Parties agree that at any time after execution of this Agreement, they will, upon request of another Party, execute and deliver such further documents and do such further acts and things as the other Party may reasonably request in order to effectuate the terms of this Agreement. This provision shall not be construed as limiting or otherwise hindering the legislative discretion of the City Council seated at the time that this Agreement is executed or any future City Council.

11.13 Governmental Powers; Waivers of Immunity. By its execution of this Agreement, the City does not waive or surrender any of its respective governmental powers, immunities, or rights except as provided in this section. The Parties acknowledge that the City waives its sovereign immunity as to suit solely for the purpose of adjudicating a claim under this Agreement. This is an agreement for the provision of goods or services to the City under Section 271.151 et seq. of the Texas Local Government Code.

11.14 Force Majeure. Each Party shall use good faith, due diligence and reasonable care in the performance of its respective obligations under this Agreement, and time shall be of the essence in such performance; however, in the event a Party is unable, due to force majeure, to perform its obligations under this Agreement, then the obligations affected by the force majeure shall be temporarily suspended. Within three business days after the occurrence of a force majeure, the Party claiming the right to temporarily suspend its performance, shall give notice to all the Parties, including a detailed explanation of the force majeure and a description of the action that will be taken to remedy the force majeure and resume full performance at the earliest possible time. **EXHIBIT B-2  
DEPICTION OF THE DEVELOPER PROPERTY**

The Developer Property consists of the following tracts described below: Tract 1 - 388.610 acres piece and Tract 2 - 45.369 acres (totaling 433.979 acres).

**EXHIBIT C**  
**CONCEPT PLAN**

**EXHIBIT D**  
**DEVELOPMENT STANDARDS**

In the event of any conflict between the City Regulations and the development standards on this **Exhibit D**, the development standards on this **Exhibit D** shall control.

### **Concept Plan**

The subject property shall generally develop per the attached Concept Plan. The Concept Plan displays the general location and configuration of land uses, arterials, and other area features. Minor modifications due to the final engineering and design of the project (including changes to street layouts), and minor changes to the boundaries and configuration of each land use area, amenity center, and park shown on the original Concept Plan, are permitted at the time of platting and shall be administratively approved by the Director of Development Services if such modifications otherwise comply with these Development Standards. All other modifications to the original Concept Plan, such as major relocations of land uses, shall require a revision to the governing Planned Development district zoning.

### **Architecture**

The subject property is an architecturally, historically, and culturally significant tract of land that is meaningfully located along a principal regional waterway and along a regionally significant east-west thoroughfare. Except as otherwise provided on this **Exhibit D**, the City's building material regulations in the zoning ordinance shall apply.

### **Open Space**

The vision for the community includes extensive open space and activation of the floodplain areas with concrete trails and single-loaded streets that preserve the public view of the natural beauty. Below are the required elements:

1. Minimum 12-foot wide concrete trails along the creek, including trail heads and a pedestrian bridge to the western tract, in conformance with the Master Parks & Trails Plans.
2. One large amenity center including, at a minimum, an amenity center building, a swimming pool, bathrooms, a playground, and an open recreation area.
3. A second amenity center on the east side of Frontier Parkway including, at a minimum, an amenity center building, bathrooms, a playground, and an open recreation area. If the portion of the Property located on the east side of Frontier Parkway is developed with all single family, the second amenity center shall include a swimming pool.
4. A third amenity center on the western side of Doe Branch including, at a minimum, an amenity center building, a swimming pool, bathrooms, a playground, and an open recreation area.
5. Incorporation of open space in alignment with the Neighborhood Vision Book through use of pocket parks and activated open space throughout the community, as shown on the Concept Plan.
6. Connectivity and access to the creek views are a basis for many of the regulations within this Planned Development. Although minor adjustments to the lot layouts and street patterns shown on the Concept Plan are allowed, including allowing siding and backing of some lots to the creek, any material increase in the number of homes that either back or side onto the creek in a linear pattern would be considered a major amendment to the Concept Plan that would require a PD amendment.

### **Zoning**

The project shall abide by all City regulations, and as may be amended, except as follows:

**1. Flex Tracts 1 (Single Family, Multi-family, and Build to Rent)**

The tracts shown on the Concept Plan for "SF, MF, and Build to Rent" shall be developed in accordance with one or more of the following zoning district regulations, and may be developed with any use permitted in any of the following zoning districts: SF-R (single family residential, detached), SF-A (single family residential, attached), MF-0 (Horizontal multi-family), MF-2 (Urban Edge multi-family), and MF-3 (Urban Living multi-family). These tracts shall include outdoor amenitization of the adjacent floodplain areas.

A maximum of 200 single family dwelling units are permitted within the Flex Tracts. Such units may be attached or detached. Detached dwelling units shall be located on a lot with a minimum of 40 feet in width. Alleys are required abutting single family attached and detached lots less than 50 feet in width.

A maximum of 600 multi-family dwelling units are permitted in Flex Tract 1 and Flex Tract 2 combined, and shall be developed per the regulations of the, MF-0, MF-2 or MF-3 districts. A maximum of 1 complex up to 200 horizontal multi-family dwelling units (MF-0) (also commonly referred to as single-family build to rent) are permitted in Flex Tract 1 and Flex Tract 2 combined, and shall be counted towards the maximum of 600 multi-family dwelling units in Flex Tract 1 and Flex Tract 2 combined. The limitations in this paragraph also apply to the flex tract described in Section 2 below.

**2. Flex Tract 2 (Multi-family or Build to Rent)**

The tract shown on the Concept Plan for "MF or Build to Rent" shall be developed in accordance with one or more of the following zoning district regulations, and may be developed with any use permitted in any of the following zoning districts: MF-0 (Horizontal multi-family), MF-2 (Urban Edge multi-family), and MF-3 (Urban Living multi-family). These tracts shall include outdoor amenitization of the adjacent floodplain areas. These tracts shall be subject to the unit count limitations on multi-family dwelling units and horizontal multi-family dwelling units set forth in Section 1 above. The minimum parking requirement shall not require more than an average of 1.5 parking spaces per unit within a single multi-family development. The City Manager or his or her designee, in his or her sole discretion, may approve the use of hardy board material in place of stone or stucco on the front facades of a multi-family development at the time of project submittal if the proposed use of hardy board demonstrates high quality.

**3. Retail, Garden Office and Other Similar Non-Residential Uses**

The tract shown on the Concept Plan for "Retail, Garden Office, and Other Similar Non-Residential Uses" shall be developed in accordance with the "C" zoning district regulations, and may be developed with any use permitted in the "C" zoning district.

**4. Single Family Residential and School Site**

Tracts shown on the Concept Plan for "Single Family Residential" and "School" shall be developed in accordance with the SF-R zoning district regulations, and may be developed with any use permitted in the SF-R zoning district, including, but not limited to, amenity centers and schools. Amenity centers shall comply with the SF-R zoning district

regulations, as modified by this Section 4. In addition, single family attached uses (townhomes) are permitted in accordance with the SF-A zoning district regulations, as modified by this Section 4.

- a. The total single family lot count on the "Single Family Residential" and "School" tracts shall not exceed 3,000 lots. The below lot mix shall govern the "Single Family Residential" area of the development and be calculated based upon the total lot count (not the lot cap figure of 3,000):

	Lot Type A	Lot Type B	Lot Type C	Lot Type D	Lot Type E
Min. Width	40'	50'	60'	70'	Townhomes
Lot % (Min/Max)	(0/20)	(0/30)	(20/0)	(10/0)	(0/10)

- b. Any single family detached or attached lot less than 50 feet in width shall be alley served.
- c. Architectural flexibility shall be provided for roof pitches that vary from the SF-R district and SF-A requirements, as applicable. Modern color schemes (specifically white) shall be permitted. Incorporation of stucco as an exterior building material shall be permitted, so long as the front facade's materials remain primarily brick/stone, except that homes with a Mediterranean or modern architectural design may be constructed 100 percent of stucco.

**5. Homestead**

The Homestead Tract is envisioned to remain preserved. However, if the Homestead Tract is redeveloped, it may be developed under any of the single family detached standards for other tracts set forth above. The City agrees to the development of a maximum of six single family residences within the Homestead Tract (the "Homestead Residences") without it qualifying as redevelopment.

**6. Retained Property**

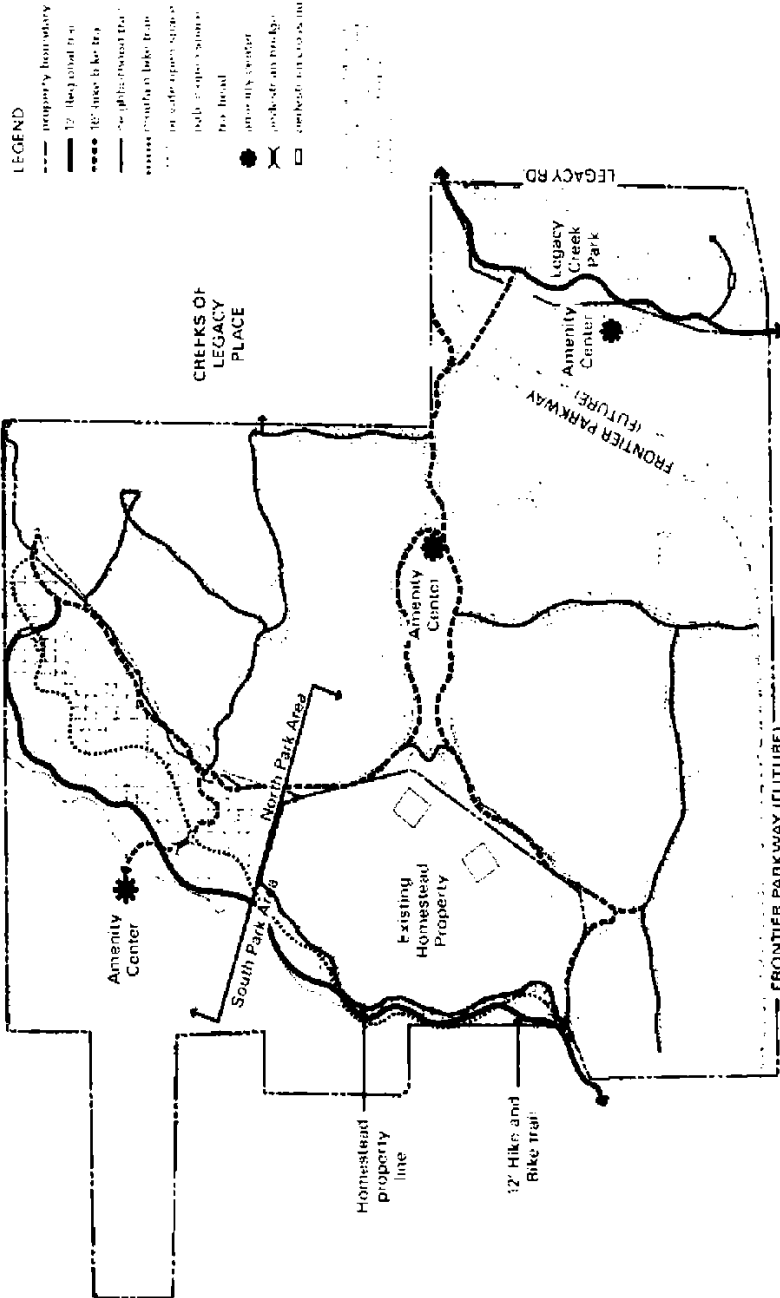

In addition to the other uses and development permitted on the Retained Property pursuant to the terms of this Agreement, the Owner may do the following on the Retained Property subject only to applicable state regulations and Denton County regulations:

- Water wells may be drilled on the Retained Property, and well water may be used for irrigation and other agricultural purposes, as well as for household/domestic use in the case of the Homestead Residences.
- A maximum of four homes (in addition to the two existing homes) may be constructed on the Retained Property pursuant to this Section 6. A minimum one-acre platted lot is required for each home.
- Agricultural uses, including modification of existing agricultural buildings as well as construction of new agricultural buildings and recreational buildings (or additions to existing buildings), are permitted.

If required, platting shall be in accordance with the subdivision and platting regulations applicable to the entire Property. The Owner may tap into the Public Infrastructure described in this Agreement to serve the six existing and proposed single family residences described in this Section 6.
