PLAN OF FINANCE

Development Plan

Original Land Acquisitions. On September 20, 2017, HMBRR Development, HMBRR, LP, a Texas limited partnership ("HMBRR LP") and HMBRR LP #2, a Texas limited partnership ("HMBRR LP #2"), acquired approximately 61.49 acres, 188.51 acres, and 608.7 acres, respectively, totaling approximately 858.70 acres comprising the District. Subsequent to the initial purchases and through a series of sales and transfers, HMBRR LP sold the land it owned within the District to HMBRR Development and HMBRR LP #2 sold the land it owned within the District to HM 6 Creeks Development, an affiliate of HMBRR Development, HMBRR LP, and HMBRR LP #2. See "THE DEVELOPERS – History and Financing of the District."

Ownership of Improvement Area #4 and the Remainder Area. Improvement Area #4 consists of Phase 1, Section 6A*, Section 7, Section 12, and Section 13**. The land in Section 6A and Section 7 continues to be owned by HMBRR Development; however, on December 15, 2021, through a series of sales, HMBRR LP #2 sold approximately 99.955 acres of land, of which, approximately 93.991 acres included Phase 1, "Section 13A" and "Section 13B" (collectively, "Section 13")***, and Phase 1, "Section 14A" and "Section 14B," to HM 6 Creeks Development. HM 6 Creeks Development then sold Section 13A, Section 13B, Section 14A, and Section 14B to Pulte Homes of Texas, L.P., a Texas limited partnership ("Pulte"); however, HM 6 Creeks Development retained the land within Section 12. Accordingly, HMBRR Development, HM 6 Creeks Development, and Pulte own all of the land within Improvement Area #4 (and are herein referred to as the "Improvement Area #4 Landowners"). The remaining land in the District (the "Remainder Area") is currently owned by HM 6 Creeks Development and Pulte. See "THE DEVELOPERS — History and Financing of the District." HMBRR Development is developing Phase 1, "Section 6A" and "Section 7" of Improvement Area #4 and HM 6 Creeks Development is developing Phase 1, Section 13, Section 14A, and Section 14B of Improvement Area #4 pursuant to a separate agreement with Pulte (the "Sections 13/14 Development Agreement"). The Developers are affiliates of Hanna/Magee LP ("Hanna/Magee") and were created by Hanna/Magee for the purpose of acquiring, developing and ultimately conveying property in the District to builders and other third parties.

Development within the District. The current development plans for the District consist of the development of approximately eight (8) improvement areas consisting of development of sections of local improvements necessary to serve each improvement area of the District, as well as certain other major infrastructure that will benefit more than one improvement area in the District (the "Major Improvements"). The improvements will consist of improvements authorized under the PID Act, including those improvements listed in the Service and Assessment Plan (the "Authorized Improvements"). See "THE DEVELOPMENT — Overview."

Development in the District began in 2018 with the concurrent development of the Major Improvements and the internal infrastructure (the "Improvement Area #1 Improvements") to serve the initial residential improvement area of the District ("Improvement Area #1"). Improvement Area #1's allocable share of the Major Improvements and the Improvement Area #1 Improvements are collectively referred to herein as the "Improvement Area #1 Projects." HMBRR Development completed the Improvement Area #1 Projects in May of 2020. The City issued its "City of Kyle, Texas, Special Assessment Revenue Bonds, Series 2019 (6 Creeks Public Improvement District Improvement Area #1 Project)" in the aggregate principal amount of \$7,495,000 and "City of Kyle, Texas Special Assessment Revenue Bonds, Series 2020 (6 Creeks Public Improvement District Improvement Area #1 Project)" in the aggregate principal amount of \$4,420,000 to finance the costs of the Improvement Area #1 Projects (collectively, the "Improvement Area #1 Bonds"). As of December 1, 2022, the outstanding principal amount of the Improvement Area #1 Bonds is \$11,310,000.

HMBRR Development began construction of the internal infrastructure (the "Improvement Area #2 Improvements"), necessary to serve the second improvement area of the District ("Improvement Area #2") in July of 2021. Improvement Area #2's allocable share of the Major Improvements and the Improvement Area #2

* The final plat indicates Section 6A; however, there is no Section 6B.

** Section 13A and Section 13B will be collectively referred to herein as Section 13.

The Bonds

The proceeds of the Bonds will be used primarily for (i) paying a portion of the Actual Costs of the Improvement Area #4 Projects, (ii) paying interest on the Bonds during and after the period of acquisition and construction of the Improvement Area #4 Projects, (iii) funding a reserve fund for payment of principal and interest on the Bonds, (iv) paying a portion of the Actual Costs incidental to the organization and administration of the District, and (v) paying the costs of issuance of the Bonds. See “APPENDIX B — Form of Indenture.”

Payment of the Bonds is secured by a pledge of and a lien upon the Trust Estate, consisting primarily of revenue from the Assessments to be levied against the assessable parcels or lots within Improvement Area #4 of the District, all to the extent and upon the conditions described herein and in the Indenture. See “SECURITY FOR THE BONDS SIMILARLY SECURED” and “ASSESSMENT PROCEDURES.”

The Bonds shall never constitute an indebtedness or general obligation of the City, the State, or any other political subdivision of the State, within the meaning of any constitutional provision or statutory limitation whatsoever, but the Bonds are limited and special obligations of the City payable solely from the Trust Estate as provided in the Indenture. Neither the faith and credit nor the taxing power of the City, the State, or any other political subdivision of the State is pledged to the payment of the Bonds.

(REMAINDER OF PAGE IS INTENTIONALLY LEFT BLANK)

Future Improvement Area Bonds

HM 6 Creeks Development may make one or more requests to the City to issue one or more series of improvement area bonds (each such series of bonds are “Future Improvement Area Bonds”) to finance the cost of Authorized Improvements to be developed to serve the Future Improvement Areas in the Remainder Area as the development proceeds. The estimated costs of such improvements benefiting Future Improvement Areas of the District will be determined as the Remainder Area of the District is developed, and the Service and Assessment Plan will be updated to identify the Authorized Improvements to be constructed within Future Improvement Areas of the District to be financed by each series of Future Improvement Area Bonds. Such Future Improvement Area Bonds will be secured by separate assessments levied pursuant to the PID Act on assessable property within the applicable Future Improvement Areas in the Remainder Area of the District that benefit from the Authorized Improvements.

Bonds Sold Pursuant to this Limited Offering Memorandum

Only the Bonds are offered pursuant to this Limited Offering Memorandum. The Bonds, Improvement Area #2B Bonds and any Future Improvement Area Bonds issued by the City are separate and distinct issues of securities secured by separate assessments. The Bonds are also separate and distinct issues of securities from any Refunding Bonds issued by the City in the future, but the Bonds and any Refunding Bonds (collectively, “Bonds Similarly Secured”) issued under the Indenture will be equally and ratably secured by the Trust Estate. The Improvement Area #2B Bonds and the Future Improvement Area Bonds, if any, are not offered pursuant to this Limited Offering Memorandum.

LIMITATIONS APPLICABLE TO INITIAL PURCHASERS

Each initial purchaser is advised that the Bonds being offered pursuant to this Limited Offering Memorandum are being offered and sold only to “qualified institutional buyers” as defined in Rule 144A promulgated under the Securities Act of 1933 and “accredited investors” as defined in Rule 501 of Regulation D promulgated under the Securities Act of 1933. Each initial purchaser of the Bonds (each, an “Investor”) will be deemed to have acknowledged and represented to the City as follows:

1. The Investor has authority and is duly authorized to purchase the Bonds and to execute any instruments and documents required to be executed by the Investor in connection with the purchase of the Bonds.
2. The Investor is an “accredited investor” under Rule 501 of Regulation D of the Securities Act of 1933 or a “qualified institutional buyer” under Rule 144A of the Securities Act of 1933, and therefore, has sufficient knowledge and experience in financial and business matters, including purchase and ownership of municipal and other tax-exempt obligations, to be able to evaluate the risks and merits of the investment represented by the Bonds.
3. The Bonds are being acquired by the Investor for investment and not with a view to, or for resale in connection with, any distribution of the Bonds, and the Investor intends to hold the Bonds solely for its own account for investment purposes and for an indefinite period of time, and does not intend at this time to dispose of all or any part of the Bonds. However, the Investor may sell at any time the Investor deems appropriate. The Investor understands that it may need to bear the risks of this investment for an indefinite time, since any sale prior to maturity may not be possible.
4. The Investor understands that the Bonds are not registered under the Securities Act of 1933 and that such registration is not legally required as of the date hereof; and further understands that the Bonds (a) are not being registered or otherwise qualified for sale under the “Blue Sky” laws and regulations of any state, (b) will not be listed in any stock or other securities exchange, and (c) will not carry a rating from any rating service.
5. The Investor acknowledges that it has either been supplied with or been given access to information, including financial statements and other financial information, and the Investor has had the opportunity to ask questions and receive answers from knowledgeable individuals concerning the City, the Authorized Improvements, the Bonds, the security therefor, and such other information as the Investor has deemed necessary or desirable in connection with its decision to purchase the Bonds (collectively, the “Investor Information”). The Investor has received a copy of this Limited Offering Memorandum relating to the Bonds. The Investor acknowledges that it has

assumed responsibility for its review of the Investor Information and it has not relied upon any advice, counsel, representation or information from the City in connection with the Investor's purchase of the Bonds. The Investor agrees that none of the City, its councilmembers, officers, or employees shall have any liability to the Investor whatsoever for or in connection with the Investor's decision to purchase the Bonds except for gross negligence, fraud or willful misconduct. For the avoidance of doubt, it is acknowledged that the Underwriter is not deemed an officer or employee of the City.

6. The Investor acknowledges that the obligations of the City under the Indenture are special, limited obligations payable solely from amounts paid to the City pursuant to the terms of the Indenture and the City shall not be directly or indirectly or contingently or morally obligated to use any other moneys or assets of the City for amounts due under the Indenture. The Investor understands that the Bonds are not secured by any pledge of any moneys received or to be received from taxation by the City, the State or any political subdivision or taxing district thereof; that the Bonds will never represent or constitute a general obligation or a pledge of the full faith and credit of the City, the State or any political subdivision thereof; that no right will exist to have taxes levied by the State or any political subdivision thereof for the payment of principal and interest on the Bonds; and that the liability of the City and the State with respect to the Bonds is subject to further limitations as set forth in the Bonds and the Indenture.

7. The Investor has made its own inquiry and analysis with respect to the Bonds and the security therefor. The Investor is aware that the development of the District involves certain economic and regulatory variables and risks that could adversely affect the security for the Bonds.

8. The Investor acknowledges that the sale of the Bonds to the Investor is made in reliance upon the certifications, representations and warranties described in items 1-7 above.

Redemption Provisions

Optional Redemption. The City reserves the right and option to redeem the Bonds maturing on or after September 1, 2034 before their scheduled maturity dates, in whole or in part, on any date, in minimum principal amounts of \$1,000, on or after September 1, 2033, such redemption date or dates to be fixed by the City, at the Redemption Price.

Extraordinary Optional Redemption. Notwithstanding any provision in the Indenture to the contrary, the City reserves the right and option to redeem the Bonds before their respective scheduled maturity dates, in whole or in part, on the first day of any month, at the Redemption Price from amounts on deposit in the Redemption Fund as a result of Prepayments (including related transfers to the Redemption Fund), transfers to the Redemption Fund, or as a

result of unexpended amounts transferred from the IA#4 Improvements Account of the Project Fund. The City shall notify the Trustee in writing at least forty-five (45) days before the scheduled extraordinary optional redemption date fixed by the City, or such other time period as the Trustee and the City shall mutually agree.

Notwithstanding the foregoing, the Trustee will not be required to make an extraordinary optional redemption unless it has at least \$1,000 available in the Redemption Fund with which to redeem the Bonds. In lieu of redeeming the Bonds with the funds described in this section, the City may purchase the Bonds in the open market of the maturity to be redeemed at the price not in excess of the purchase price provided in the Indenture.

Mandatory Sinking Fund Redemption. The Bonds are subject to mandatory sinking fund redemption prior to their maturity and will be redeemed by the City in part at the Redemption Price from moneys available for such purpose in the Principal and Interest Account of the Bond Fund, on the dates and in the respective Sinking Fund Installments as set forth in the following schedule:

† Stated Maturity

At least forty-five (45) days prior to each mandatory sinking fund redemption date, and subject to any prior reduction, the Trustee shall select a principal amount of Bonds, of such maturity equal to the Sinking Fund Installment amount of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption.

The principal amount of Bonds of a Stated Maturity required to be redeemed on any mandatory sinking fund redemption date shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least (45) days prior to the mandatory sinking fund redemption date, shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation.

The principal amount of Bonds required to be redeemed on any redemption shall be reduced on a pro rata basis among Sinking Fund Installments by the principal amount of any Bonds which, at least 45 days prior to the sinking fund redemption date, shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.

Partial Redemption. If less than all of a series of Bonds Similarly Secured are to be redeemed pursuant to the Indenture, the Bonds Similarly Secured shall be redeemed in minimum principal amounts of \$1,000 or any integral multiple thereof. The Bonds Similarly Secured shall be treated as representing the number of bonds that is obtained by dividing the principal amount of such series of Bonds by \$1,000. No redemption shall result in a Bond Similarly Secured in a denomination of less than the Authorized Denomination in effect at that time; provided, however, if the amount of the Outstanding Bond Similarly Secured is less than an Authorized Denomination after giving effect to such partial redemption, a Bond Similarly Secured in the principal amount equal to the unredeemed portion, but not less than \$1,000, may be issued.

In selecting the Bonds Similarly Secured to be redeemed under the mandatory sinking fund redemption provisions of the Indenture, the Trustee may select Bonds in any method that results in a random selection.

In selecting the Bonds Similarly Secured to be redeemed under the optional redemption provisions of the Indenture, the Trustee may conclusively rely on the directions provided in a City Certificate.

If less than all of a series of Bonds are called for extraordinary optional redemption under the Indenture, the Bonds Similarly Secured or portion of a Bond Similarly Secured, as applicable, of such series to be redeemed shall be allocated on a pro rata basis (as nearly as practicable) among all Outstanding Bonds of such series.

Upon surrender of any Bond Similarly Secured for redemption in part, the Trustee, in accordance with the Indenture, shall authenticate and deliver an exchange Bond Similarly Secured or Bonds of the same series and in an aggregate principal amount equal to the unredeemed portion of the Bond Similarly Secured so surrendered, such exchange being without charge.

Notice of Redemption to Owners. Upon receipt of written notice from the City of the exercise of any redemption, the Trustee shall give notice of any redemption of Bonds by sending notice by first class United States mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond or portion

thereof to be redeemed, at the address shown in the Register. So long as the Bonds are in book entry only form and held by the DTC as security depository, references to Owner in the Indenture means Cede & Co., as nominee for DTC.

The notice shall state the redemption date, the Redemption Price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed, any conditions to such redemption and that on the redemption date, if all conditions, if any, to such redemption have been satisfied, such Bond shall become due and payable.

Any notice given as provided in the Indenture shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice. The City has the right to rescind any optional redemption or extraordinary optional redemption by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under the Indenture. The Trustee shall mail notice of rescission of redemption in the same manner notice of redemption was originally provided.

With respect to any optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the Redemption Price of the Bonds to be redeemed before giving of a notice of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not satisfied and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

BOOK-ENTRY ONLY SYSTEM

This section describes how ownership of the Bonds is to be transferred and how the principal of, premium, if any, and interest on the Bonds are to be paid to and credited by the DTC, while the Bonds are registered in its nominee name. The information in this section concerning DTC and the Book-Entry-Only System has been provided by DTC for use in disclosure documents such as this Limited Offering Memorandum. The information in this section concerning DTC and DTC's book-entry-only system has been obtained from sources that the City believes to be reliable, but none of the City, the City's Financial Advisor or the Underwriter takes any responsibility for the accuracy or completeness thereof.

The City cannot and does not give any assurance that (1) DTC will distribute payments of debt service on the Bonds, or redemption or other notices, to DTC Participants, (2) DTC Participants or others will distribute debt service payments paid to DTC or its nominee (as the registered owner of the Bonds), or redemption or other notices, to the Beneficial Owners, or that they will do so on a timely basis or (3) DTC will serve and act in the manner described in this Limited Offering Memorandum. The current rules applicable to DTC are on file with the Securities and Exchange Commission, and the current procedures of DTC to be followed in dealing with DTC Participants are on file with DTC.

DTC will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered security certificate will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities

certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC, is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its registered subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a Standard & Poor’s rating of “AA+”. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices for the Bonds shall be sent to DTC. If less than all Bonds of the same maturity are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant of such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC’s Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

All payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC’s practice is to credit Direct Participants’ accounts upon DTC’s receipt of funds and corresponding detail information from the City or Paying Agent/Registrar, on the payment date in accordance with their respective holdings shown on DTC’s records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in “street name,” and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, the Paying Agent/Registrar, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. All payments on the Bonds to Cede & Co. (or such other nominee

as may be requested by an authorized representative of DTC) is the responsibility of the Trustee, the Paying Agent/Registrar or the City, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the City or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, Bond certificates are required to be printed and delivered.

The City may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered. Thereafter, Bond certificates may be transferred and exchanged as described in the Indenture.

NONE OF THE CITY, THE TRUSTEE, THE PAYING AGENT/REGISTRAR, THE CITY'S FINANCIAL ADVISOR OR THE UNDERWRITER WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO THE DTC PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEE WITH RESPECT TO THE PAYMENTS TO OR THE PROVIDING OF NOTICE FOR THE DTC PARTICIPANTS, THE INDIRECT PARTICIPANTS OR THE BENEFICIAL OWNERS OF THE BONDS. THE CITY CANNOT AND DOES NOT GIVE ANY ASSURANCES THAT DTC, THE DTC PARTICIPANTS OR OTHERS WILL DISTRIBUTE PAYMENTS OF PRINCIPAL OF OR INTEREST ON THE BONDS PAID TO DTC OR ITS NOMINEE, AS THE REGISTERED OWNER, OR PROVIDE ANY NOTICES TO THE BENEFICIAL OWNERS OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC WILL ACT IN THE MANNER DESCRIBED IN THIS LIMITED OFFERING MEMORANDUM. THE CURRENT RULES APPLICABLE TO DTC ARE ON FILE WITH THE SECURITIES AND EXCHANGE COMMISSION, AND THE CURRENT PROCEDURES OF DTC TO BE FOLLOWED IN DEALING WITH DTC PARTICIPANTS ARE ON FILE WITH DTC.

Use of Certain Terms in Other Sections of this Limited Offering Memorandum

In reading this Limited Offering Memorandum it should be understood that while the Bonds are in the Book-Entry-Only System, references in other sections of this Limited Offering Memorandum to registered owners should be read to include the person for which the Participant acquires an interest in the Bonds, but (i) all rights of ownership must be exercised through DTC and the Book-Entry-Only System and (ii) except as described above, notices that are to be given to registered owners under the Indenture will be given only to DTC.

SECURITY FOR THE BONDS SIMILARLY SECURED

General

THE BONDS SIMILARLY SECURED ARE SPECIAL, LIMITED OBLIGATIONS OF THE CITY PAYABLE SOLELY FROM THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. THE BONDS SIMILARLY SECURED DO NOT GIVE RISE TO A CHARGE AGAINST THE GENERAL CREDIT OR TAXING POWER OF THE CITY AND ARE PAYABLE SOLELY FROM THE SOURCES IDENTIFIED IN THE INDENTURE. THE OWNERS OF THE BONDS SIMILARLY SECURED SHALL NEVER HAVE THE RIGHT TO DEMAND PAYMENT THEREOF OUT OF MONEY RAISED OR TO BE RAISED BY TAXATION, OR OUT OF ANY FUNDS OF THE CITY OTHER THAN THE TRUST ESTATE, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. NO OWNER OF THE BONDS SIMILARLY SECURED SHALL HAVE THE RIGHT TO DEMAND ANY EXERCISE OF THE CITY'S TAXING POWER TO PAY THE PRINCIPAL OF THE BONDS SIMILARLY SECURED OR THE INTEREST OR REDEMPTION PREMIUM, IF ANY, THEREON. THE CITY SHALL HAVE NO LEGAL OR MORAL OBLIGATION TO PAY THE BONDS SIMILARLY SECURED OUT OF ANY FUNDS OF THE CITY OTHER THAN THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE.

The principal of, premium, if any, and interest on the Bonds Similarly Secured, including the Bonds, are secured by a pledge of and a lien upon the pledged revenues (the "Pledged Revenues"), consisting primarily of

Assessments levied against the assessable parcels or lots within Improvement Area #4 of the District and other funds comprising the Trust Estate, all to the extent and upon the conditions described herein and in the Indenture. “Bond Similarly Secured” means all bonds or any bond authorized by a bond ordinance and issued in accordance with the Indenture, including the Bonds, Refunding Bonds and any bonds issued in exchange or replacement thereof as permitted by the Indenture. Bonds Similarly Secured does not include the Future Improvement Area Bonds. Improvement Area #4 contains approximately 103.33 acres, which originally consisted of one or more parcels to be assessed (each, a “Parcel” and collectively, the “Assessed Property”). The Assessed Property has been or will be subdivided into 354 lots or units for single-family residential development (each, a “Lot”). In accordance with the PID Act and in connection with the issuance of the Bonds, the City intends to approve the 2023 Amended and Restated Service and Assessment Plan, which will update, amend, and restate the initial service and assessment plan for the District approved on October 1, 2018, as updated, amended and supplemented, including the 2021 Amended and Restated Service and Assessment Plan (collectively, the “Service and Assessment Plan”), which describes the special benefit received by the property within the District, including Improvement Area #4, provides the basis and justification for the determination of special benefit on such property, establishes the methodology for the levy of Assessments and provides for the allocation of Pledged Revenues for payment of principal of, premium, if any, and interest on the Bonds Similarly Secured, including the Bonds. The form of the Service and Assessment Plan is attached hereto as “APPENDIX C — Form of Service and Assessment Plan.”

The Service and Assessment Plan is reviewed and updated at least annually for the purpose of determining the annual budget for improvements and the Annual Installments (as defined below) of Assessments due in a given year. The determination by the City of the assessment methodology set forth in the Service and Assessment Plan is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on all current and future Developers within the District. See “APPENDIX C — Form of Service and Assessment Plan.”

Pledged Revenues

The City is authorized by the PID Act, the Assessment Ordinance and other provisions of law to finance the Improvement Area #4 Projects by levying Assessments upon properties in Improvement Area #4 of the District benefitted thereby. For a description of the assessment methodology and the amounts of assessments levied in each phase of the District, see “ASSESSMENT PROCEDURES” and “APPENDIX C — Form of Service and Assessment Plan.” The City covenanted in the Indenture that it will take and pursue all actions permissible under the PID Act, and all other laws or statutes, rules, or regulations, and any amendments thereto, of the State of Texas (the “State”) or of the United States (collectively, “Applicable Laws”) to cause the Assessments to be collected and the liens thereof to be enforced continuously. See “— Pledged Revenue Fund,” “APPENDIX B — Form of Indenture” and “APPENDIX C — Form of Service and Assessment Plan.”

Pursuant to the Indenture, the following terms are assigned the following meanings:

“Annual Collection Costs” mean the actual or budgeted costs and expenses relating to collecting the Annual Installments, including, but not limited to, costs and expenses for: (1) the Administrator; (2) legal counsel, engineers, accountants, financial advisors, and other consultants engaged by the City; (3) calculating, collecting, and maintaining records with respect to Assessments and Annual Installments; (4) preparing and maintaining records with respect to Assessment Rolls and Annual Service Plan Updates; (5) issuing, paying, and redeeming PID Bonds; (6) investing or depositing Assessments and Annual Installments; (7) complying with the 2023 Amended and Restated Service and Assessment Plan and the PID Act with respect to the issuance and sale of PID Bonds, including continuing disclosure requirements; and (8) the paying agent/registrar and Trustee in connection with PID Bonds, including their respective legal counsel. Annual Collection Costs collected but not expended in any year shall be carried forward and applied to reduce Annual Collection Costs for subsequent years.

“Annual Installment” means, with respect to the Assessed Properties, the annual installment payment of an Assessment as calculated by the Administrator and approved by the City Council, that includes: (1) principal; (2) interest; (3) Annual Collection Costs; and (4) Additional Interest, if applicable.

“Pledged Funds” means the Pledged Revenue Fund, the Bond Fund, the Project Fund (but only with respect to such accounts of the Project Fund created pursuant to the terms of the Indenture), the Reserve Fund, and the

Redemption Fund. Such term also includes each fund or account pledged to the repayment of the Bonds or Refunding Bonds.

“Pledged Revenues” means the sum of (i) Assessment Revenue other than Delinquent Collection Costs; (ii) the moneys held in any of the Pledged Funds; and (iii) any additional revenues that the City may pledge to the payment of Bonds Similarly Secured.

The PID Act provides that the Assessments (including any reassessment, with interest, the expense of collection and reasonable attorney’s fees, if incurred) are a first and prior lien (the “Assessment Lien”) against the property assessed, superior to all other liens or claims, except liens and claims for State, county, school district, or municipality ad valorem taxes and are a personal liability of and charge against the owners of property, regardless of whether the owners are named. Pursuant to the PID Act, the Assessment Lien is effective from the date of the Assessment Ordinance until the Assessments are paid (or otherwise discharged), and is enforceable by the City Council in the same manner that an ad valorem property tax levied against real property may be enforced by the City Council. See “ASSESSMENT PROCEDURES” herein.

Collection and Deposit of Assessments

The Assessments on each parcel, tract or lot which are to be collected in each year during the term of the Bonds are shown on the Assessment Roll. The Assessments, together with the interest thereon, will be deposited in the Pledged Revenue Fund for the payment of the principal of, premium, if any, and interest on the Bonds as and to the extent provided in the Service and Assessment Plan and the Indenture. See “SECURITY FOR THE BONDS SIMILARLY SECURED — Pledged Revenue Fund” and “APPENDIX B — Form of Indenture.”

The Assessments assessed to pay debt service on the Bonds Similarly Secured, including the Bonds, together with interest thereon, are payable in Annual Installments established by the Assessment Ordinance and the Service and Assessment Plan to correspond, as nearly as practicable, to the debt service requirements for the Bonds. An Annual Installment of Assessments has been made payable in the Assessment Ordinance in each Fiscal Year preceding the date of final maturity of the Bonds Similarly Secured which, if collected, will be sufficient to pay the portion of the debt service requirements attributable to Assessments in the Service and Assessment Plan. Each Annual Installment is payable as provided in the Service and Assessment Plan and the Assessment Ordinance.

Any sums collected for the payment of Annual Collection Costs shall be deposited in the Administrative Fund and shall not constitute Pledged Revenues.

Unconditional Levy of Assessments

The City will impose Assessments on the property within Improvement Area #4 of the District to pay the principal of and interest on the Bonds Similarly Secured scheduled for payment from Pledged Revenues as described in the Indenture and in the Service and Assessment Plan and coming due during each Fiscal Year. The Assessments are effective from the date, and strictly in accordance with the terms, of the Assessment Ordinance. Each Assessment may be paid immediately in full or in periodic Annual Installments over a period of time equal to the term of the Bonds Similarly Secured, which installments shall include interest on the Assessments. Pursuant to the Assessment Ordinance, interest on the Assessments for each lot or unit within Improvement Area #4 and allocated to the Bonds Similarly Secured, begins to accrue on the date specified in the Service and Assessment Plan and, bears interest at the rate of interest on the Bonds plus the 0.50% additional interest charged on Assessments pursuant to Section 372.018 of the PID Act (“Additional Interest Rate”). Each Annual Installment, including the interest on the unpaid amount of Assessments, will be determined by September 30 of each year and billed on or around October 15 of each year. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of the following year.

As authorized by Section 372.003(b)(14) of the PID Act, the City will levy, assess and collect each year while the Bonds Similarly Secured are Outstanding and unpaid, an assessment to pay the annual costs incurred by the City in the administration and operation of Improvement Area #4 of the District (the “Annual Collection Costs”). The portion of each Annual Installment of an Assessment used to pay the Annual Collection Costs shall remain in effect

from year to year until all Bonds Similarly Secured are finally paid or until the City adjusts the levy after an annual review in any year pursuant to Section 372.015(d) of the PID Act. The amount collected to pay Annual Collection Costs shall be due in the manner set forth in the Assessment Ordinance, and shall be billed on or about October 15 of each year and shall be delinquent if not paid by February 1 of the following year. Amounts collected for Annual Collection Costs do not secure repayment of the Bonds Similarly Secured.

There will be no split payment of Assessments or discount for the early payment of Assessments.

The PID Act provides that the Assessments (including any reassessment, with interest, the expense of collection and reasonable attorney's fees, if incurred) are a first and prior lien (the "Assessment Lien") against the property within Improvement Area #4, superior to all other liens and claims, except liens and claims for the State, county, school district, or municipality for ad valorem taxes and are a personal liability of and charge against the owners of property, regardless of whether the owners are named. Pursuant to the PID Act, the Assessment Lien is effective from the date of the Assessment Ordinance until the Assessments are paid (or otherwise discharged) and is enforceable by the City Council in the same manner that an ad valorem property tax levied against real property may be enforced by the City Council. See "ASSESSMENT PROCEDURES" herein. The Assessment Lien is superior to any homestead rights of a property owner that were properly claimed after the adoption of the Assessment Ordinance. However, an Assessment Lien may not be foreclosed upon if any homestead rights of a property owner were properly claimed prior to the adoption of the Assessment Ordinance ("Pre-existing Homestead Rights") for as long as such rights are maintained on the property. See "BONDHOLDERS' RISKS — Assessment Limitations." There are currently no properties within Improvement Area #4 that have claimed a homestead exemption.

Failure to pay an Annual Installment when due shall not accelerate the payment of the remaining Annual Installments of the Assessments and such remaining Annual Installments (including interest) shall continue to be due and payable at the same time and in the same amount and manner as if such default had not occurred.

Perfected Security Interest

The lien on and pledge of the Trust Estate shall be valid and binding and fully perfected from and after the Closing Date, and execution and delivery of the Indenture, without physical delivery or transfer of control of the Trust Estate, the filing of the Indenture or any other act; all as provided in Chapter 1208 of the Texas Government Code, as amended, which applies to the issuance of the Bonds and the pledge of the Trust Estate granted by the City under the Indenture, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Bonds are outstanding such that the pledge of the Trust Estate granted by the City under the Indenture is to be subject to the filing requirements of Chapter 9, Business and Commerce Code, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Business and Commerce Code and enable a filing to perfect the security interest in said pledge to occur. See "APPENDIX B — Form of Indenture."

Pledged Revenue Fund

On or before February 20, 2024 and on or before each February 20 and August 20 of each year thereafter while the Bonds Similarly Secured are Outstanding, the City shall deposit or cause to be deposited with the Trustee all Pledged Revenues, if any, into the Pledged Revenue Fund. Specifically, the City shall deposit or cause to be deposited Assessment Revenues and other Pledged Revenues to be applied by the Trustee in the following order of priority:

- (i) *first*, to the Pledged Revenue Fund in an amount sufficient to pay debt service on the Bonds Similarly Secured next coming due in such calendar year;
- (ii) *second*, to the Reserve Account of the Reserve Fund in an amount to cause the amount in the Reserve Account to equal the initial Reserve Account Requirement;

(iii) *third*, to the Additional Interest Reserve Account of the Reserve Fund in an amount equal to the Additional Interest;

(iv) *fourth*, to the Section 6A Authorized Improvements Subaccount, Section 7 Authorized Improvements Subaccount, Section 12 Authorized Improvements Subaccount, or the Section 13 Authorized Improvements Subaccount on a pro rata basis to pay Actual Costs of the Section 6A Authorized Improvements, Section 7 Authorized Improvements, Section 12 Authorized Improvements, or Section 13 Authorized Improvements, respectively; and

(v) *fifth*, to pay other costs permitted by the PID Act.

From time to time as needed to pay the obligations relating to the Bonds Similarly Secured, but no later than five (5) Business Days before each Interest Payment Date, the Trustee shall withdraw from the Pledged Revenue Fund and transfer to the Principal and Interest Account of the Bond Fund, an amount, taking into account any amounts then on deposit in such Principal and Interest Account and any expected transfers from the Capitalized Interest Account of the Bond Fund to the Principal and Interest Account of the Bond Fund, such that the amount on deposit in the Principal and Interest Account of the Bond Fund equals the principal (including any Sinking Fund Installments) and interest due on the Bonds Similarly Secured on the next Interest Payment Date.

If, after the foregoing transfers and any transfer from the Reserve Fund, there are insufficient funds to make the payments provided above, the Trustee shall apply the available funds in the Principal and Interest Account of the Bond Fund first to the payment of interest, then to the payment of principal (including any Sinking Fund Installments) on the Bonds Similarly Secured.

Notwithstanding the above-described flow of funds, the Trustee shall deposit Prepayments to the Pledged Revenue Fund and within two business days after such deposit shall transfer such Prepayments to the applicable account within the Redemption Fund.

Notwithstanding the above described flow of funds, the Trustee shall deposit Foreclosure Proceeds to the Pledged Revenue Fund and within two business days after such deposit shall transfer Foreclosure Proceeds, as directed by the City pursuant to a City Certificate, *first* to the Reserve Fund to restore any transfers from the accounts within the Reserve Fund made with respect to the Assessed Property or Assessed Properties to which the Foreclosure Proceeds relate (first, to the Reserve Account of the Reserve Fund to replenish the Reserve Account Requirement, and second, to replenish the Additional Interest Reserve Account of the Reserve Fund to replenish the Additional Interest Reserve Requirement), and *second*, to the applicable account within the Redemption Fund.

After satisfaction of the requirement to provide for the payment of the principal and interest on the Bonds Similarly Secured and to fund any deficiency that may exist in any Account of the Reserve Fund and transfer of funds pursuant to the Indenture, the City may direct the Trustee by City Certificate to apply Assessments for any lawful purposes permitted by the PID Act for which Assessments may be paid and benefitting those Assessed Parcels in the particular Section where the Assessments were levied. The Trustee may rely on such written direction of the City and shall have no obligation to determine the lawful purposes permitted under the PID Act.

Any additional Pledged Revenues remaining after the satisfaction of the foregoing shall be applied by the Trustee, as instructed by the City pursuant to a City Certificate, for any lawful purpose permitted by the PID Act for which such additional Pledged Revenues may be used, including transfers to other Funds and Accounts created pursuant to the Indenture.

Bond Fund

On each Interest Payment Date, the Trustee shall withdraw from the Principal and Interest Account of the Bond Fund and transfer the principal (including any Sinking Fund Installments) and interest then due and payable on the Bonds Similarly Secured, less any amount to be used to pay interest on the Bonds Similarly Secured on such Interest Payment Date from the Capitalized Interest Account of the Bond Fund as provided below.

If amounts in the Principal and Interest Account of the Bond Fund are insufficient for the purposes set forth above, the Trustee shall withdraw from the Reserve Fund amounts to cover the amount of such insufficiency in the order described in the Indenture. Amounts so withdrawn from the Reserve Fund shall be deposited in the Principal and Interest Account of the Bond Fund and transferred to the Paying Agent/Registrar.

Moneys in the Capitalized Interest Account of the Bond Fund shall be used for the payment of interest on the Bonds on the following dates and in the following amounts:

| <u>Date</u> | <u>Amount</u> |
|-------------------|---------------|
| September 1, 2023 | \$489,716.01 |

Any amounts on deposit to the Capitalized Interest Account of the Bond Fund after the payment of interest on the dates and in the amounts listed above shall be transferred to the IA#4 Improvements Account of the Project Fund, or if the IA#4 Improvements Account of the Project Fund has been closed as provided in the Indenture, such amounts shall be transferred to the Redemption Fund to be used to redeem the Bonds, and the Capitalized Interest Account of the Bond Fund shall be closed.

Project Fund

Pursuant to the Indenture, a Project Fund will be created to be used for the purposes described in “PLAN OF FINANCE – The Bonds.”

Money on deposit in the Project Fund shall be used for the purpose of (i) paying a portion of the Actual Costs of the Improvement Area #4 Projects, (ii) paying interest on the Bonds during and after the period of acquisition and construction of the Improvement Area #4 Projects, (iii) funding a reserve fund for payment of principal and interest on the Bonds, (iv) paying a portion of the Actual Costs incidental to the organization and administration of the District, and (v) paying the costs of issuance of the Bonds. Notwithstanding any other provisions, money on deposit in the Section 6A Authorized Improvements Subaccount shall only be used to pay Actual Costs of the Section 6A Authorized Improvements, money on deposit in the Section 7 Authorized Improvements Subaccount shall only be used to pay Actual Costs of the Section 7 Authorized Improvements, money on deposit in the Section 12 Authorized Improvements Subaccount shall only be used to pay Actual Costs of the Section 12 Authorized Improvements, and money on deposit in the Section 13 Authorized Improvements Subaccount shall only be used to pay Actual Costs of the Section 13 Authorized Improvements.

Disbursements from any of the Subaccounts within the IA#4 Improvements Account of the Project Fund to pay Actual Costs shall be made by the Trustee upon receipt by the Trustee of one or more City Certificates containing a properly executed and completed Certification for Payment. Disbursements from the IA#4 Costs of Issuance Account of the Project Fund shall be made by the Trustee pursuant to and in accordance with a City Certificate providing for the application of such funds to be disbursed (with the exception of fees and expenses initially incurred by the Trustee, which may be withdrawn by the Trustee).

If the City Representative reasonably determines that amounts then on deposit in a Subaccount of the IA#4 Improvements Account of the Project Fund are not expected to be expended for purposes of such Subaccount due to the completion, abandonment, or constructive abandonment, of the Section 6A Authorized Improvements, Section 7 Authorized Improvements, Section 12 Authorized Improvements or Section 13 Authorized Improvements, as applicable, such that, in the opinion of the City Representative, it is unlikely that the amounts in such Subaccount will ever be expended for the purposes of such Subaccount, the City Representative shall file a City Certificate with the Trustee which identifies the amounts then on deposit in such Subaccount that are not expected to be used for purposes of such Subaccount. If such City Certificate is so filed, the amounts on deposit in such Subaccount shall be transferred to the Redemption Fund in accordance with the method outlined in the immediately following paragraph to redeem Bonds Similarly Secured on the earliest practical date after notice of redemption has been provided in accordance with the Indenture, and such Subaccount shall be closed.

Upon the filing of a City Certificate stating that all Section 6A Authorized Improvements have been completed and that all Actual Costs of the Section 6A Authorized Improvements have been paid, the Trustee (i) shall

transfer, pursuant to written direction in such City Certificate, the amount, if any, remaining within the Section 6A Authorized Improvements Subaccount to the Section 6A Redemption Account of the Redemption Fund and (ii) the Section 6A Authorized Improvements Subaccount of the Project Fund shall be closed. Upon the filing of a City Certificate stating that all Section 7 Authorized Improvements have been completed and that all Actual Costs of the Section 7 Authorized Improvements have been paid, the Trustee (i) shall transfer, pursuant to written direction in such City Certificate, the amount, if any, remaining within the Section 7 Authorized Improvements Subaccount to the Section 7 Redemption Account of the Redemption Fund and (ii) the Section 7 Authorized Improvements Subaccount of the Project Fund shall be closed. Upon the filing of a City Certificate stating that all Section 12 Authorized Improvements have been completed and that all Actual Costs of the Section 12 Authorized Improvements have been paid, the Trustee (i) shall transfer, pursuant to written direction in such City Certificate, the amount, if any, remaining within the Section 12 Authorized Improvements Subaccount to the Section 12 Redemption Account of the Redemption Fund and (ii) the Section 12 Authorized Improvements Subaccount of the Project Fund shall be closed. Upon the filing of a City Certificate stating that all Section 13 Authorized Improvements have been completed and that all Actual Costs of the Section 13 Authorized Improvements have been paid, the Trustee (i) shall transfer, pursuant to written direction in such City Certificate, the amount, if any, remaining within the Section 13 Authorized Improvements Subaccount to the Section 13 Redemption Account of the Redemption Fund and (ii) the Section 13 Authorized Improvements Subaccount of the Project Fund shall be closed. If all of the foregoing transfers have been taken and all Subaccounts of the IA#4 Improvements Account of the Project Fund have been closed, then the IA#4 Improvements Account of the Project Fund shall be closed.

Upon the Trustee's receipt of a written determination by the City Representative that all costs of issuance of the Bonds Similarly Secured have been paid and the appropriate portion of the costs incidental to the organization of the District have been paid, the City Representative shall file a City Certificate with the Trustee which identifies the amounts then on deposit in the IA#4 Costs of Issuance Account of the Project Fund that are not expected to be used for purposes of the IA#4 Costs of Issuance Account of the Project Fund. If such City Certificate is so filed, the amounts on deposit in the IA#4 Costs of Issuance Account of the Project Fund shall be transferred to each of the Subaccounts of the IA#4 Improvements Account of the Project Fund on a pro rata basis and used to pay Actual Costs or to the Principal and Interest Account of the Bond Fund used to pay interest on the Bonds Similarly Secured, as directed by the City in a City Certificate filed with the Trustee, and the IA#4 Costs of Issuance Account of the Project Fund shall be closed.

Redemption Fund

Subject to adequate amounts on deposit in the Pledged Revenue Fund, the Trustee, as directed by City Certificate, shall cause to be deposited to the Redemption Fund or such appropriate Account within the Redemption Fund (as applicable) from the Pledged Revenue Fund an amount sufficient to redeem Bonds as provided in the provisions of the Indenture relating to optional redemption and extraordinary optional redemption on the dates specified for redemption as provided in the Indenture. Amounts on deposit in the Redemption Fund shall be used and withdrawn by the Trustee to redeem Bonds as provided in provisions in the Indenture relating to redemption.

Reserve Fund: Reserve Account and Additional Interest Reserve Account

Pursuant to the Indenture, a Reserve Account will be created within the Reserve Fund for the benefit of the Bonds and will be held by the Trustee and funded with proceeds of the Bonds in the amount of the Reserve Account Requirement. Additionally, an Additional Interest Reserve Account will be created within the Reserve Fund for the benefit of the Bonds and will be held by the Trustee and funded from the deposit of Additional Interest in the amount of the Additional Interest Account Requirement. See "APPENDIX B — Form of Indenture" and "APPENDIX C — Form of Service and Assessment Plan."

The Reserve Account of the Reserve Fund will be initially funded with a deposit of \$1,346,180.00 from the proceeds of the Bonds in the amount of the Reserve Account Requirement and the City agrees with the Owners of the Bonds Similarly Secured to accumulate from the deposits outlined in the Indenture, and when accumulated maintain in the Reserve Account of the Reserve Fund, an amount equal to not less than the Reserve Account Requirement. All amounts deposited in the Reserve Account of the Reserve Fund shall be used and withdrawn by the Trustee for the purpose of making transfers to the Principal and Interest Account of the Bond Fund as provided in the Indenture.

The Trustee, if needed, will transfer from the Pledged Revenue Fund to the Additional Interest Reserve Account of the Reserve Fund on March 1 and September 1 of each year, commencing March 1, 2024, to the extent that funds are available after application of the deposit priority in the Indenture, an amount equal to the Additional Interest in the Additional Interest Reserve Account of the Reserve Fund until the Additional Interest Reserve Requirement has been accumulated in the Additional Interest Reserve Account of the Reserve Fund; provided, however, that at any time the amount on deposit in the Additional Interest Reserve Account of the Reserve Fund is less than Additional Interest Reserve Requirement, the Trustee shall resume depositing the Additional Interest into the Additional Interest Reserve Account of the Reserve Fund until the Additional Interest Reserve Requirement has accumulated in the Additional Interest Reserve Account of the Reserve Fund.

Whenever a transfer is made from an Account of the Reserve Fund to the Bond Fund due to a deficiency in the Bond Fund, the Trustee shall provide written notice thereof to the City, specifying the amount withdrawn and the source of said funds. Whenever Bonds are to be redeemed with the proceeds of Prepayments, a proportionate amount in the Reserve Account of the Reserve Fund shall be transferred on the Business Day prior to the redemption date by the Trustee to the Redemption Fund to be applied to the redemption of the Bonds. The amount so transferred from the Reserve Account of the Reserve Fund shall be equal to an amount representing the difference between (i) the lesser of (A) the Reserve Account Requirement prior to redemption and (B) the amount actually on deposit in the Reserve Account of the Reserve Fund prior to redemption, and (ii) the Reserve Account Requirement after such redemption; *provided, however*, no such transfer from the Reserve Account of the Reserve Fund shall cause the amount on deposit therein to be less than the Reserve Account Requirement to be in effect after such redemption. If after such transfer, and after applying investment earnings on the Redemption Fund toward payment of accrued and unpaid interest to the date of redemption on the Bonds to be redeemed, there are insufficient funds to pay the principal amount plus accrued and unpaid interest on such Bonds to the date fixed for redemption of the Bonds to be redeemed as a result of such Prepayment, the Trustee shall transfer an amount equal to the shortfall from the Additional Interest Reserve Account of the Reserve Fund to the Redemption Fund to be applied to the redemption of the Bonds.

Whenever, on any Interest Payment Date, or on any other date at the written request of a City Representative, the amount in the Reserve Account of the Reserve Fund exceeds the Reserve Account Requirement, the Trustee shall provide written notice to the City Representative of the amount of the excess. Such excess shall be transferred to the Principal and Interest Account of the Bond Fund to be used for the payment of interest on the Bonds Similarly Secured on the next Interest Payment Date in accordance with the Indenture, unless within 45 days of such notice to the City Representative, the Trustee receives a City Certificate instructing the Trustee to apply such excess: (i) to pay amounts due under the Rebate Fund provision of the Indenture, (ii) to each of the Subaccounts of the IA#4 Improvements Account of the Project Fund on a pro rata basis, if such application and the expenditure of funds is expected to occur within three years of the date hereof, or (iii) for such other use specified in such City Certificate if the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that such alternate use will not adversely affect the exemption from federal income tax of the interest on any Bond Similarly Secured.

Whenever, on any Interest Payment Date, or on any other date at the written request of the City Representative, the amount on deposit in the Additional Interest Reserve Account of the Reserve Fund exceeds the Additional Interest Reserve Requirement, the Trustee shall provide written notice to the City of the amount of the excess (the "Excess Additional Interest Reserve Amount"). The Excess Additional Interest Reserve Amount on deposit in the Additional Interest Reserve Account of the Reserve Fund shall be transferred by the Trustee to the Redemption Fund, and shall notify the City of such transfer in writing. In transferring the amounts to be transferred pursuant to this paragraph, the Trustee may conclusively rely on the Annual Installments as shown on the Assessment Roll in the Service and Assessment Plan or an Annual Service Plan Update, unless and until it receives a City Certificate directing that a different amount be used.

Whenever, on any Interest Payment Date, the amount on deposit in the Bond Fund is insufficient to pay the debt service on the Bonds Similarly Secured due on such date, the Trustee shall transfer first from the Additional Interest Reserve Account of the Reserve Fund to the Principal and Interest Account of the Bond Fund and second from the Reserve Account of the Reserve Fund to the Principal and Interest Account of the Bond Fund the amounts necessary to cure such deficiency. At the final maturity of the Bonds Similarly Secured, the amount on deposit in the Reserve Account of the Reserve Fund and the Additional Interest Reserve Account of the Reserve Fund shall be transferred to the Principal and Interest Account of the Bond Fund and applied to the payment of the principal of the Bonds Similarly Secured. If, after a Reserve Fund withdrawal, the amount on deposit in the Reserve Account of the

Reserve Fund is less than the Reserve Account Requirement, the Trustee shall transfer from the Pledged Revenue Fund to the Reserve Account of the Reserve Fund the amount of such deficiency. If the amount held in the Reserve Fund together with the amount held in the Bond Fund and Redemption Fund is sufficient to pay the principal amount and of all Outstanding Bonds on the next Interest Payment Date, together with the unpaid interest accrued on such Bonds as of such Interest Payment Date, the moneys shall be transferred to the Redemption Fund and thereafter used to redeem all Bonds as of such Interest Payment Date.

Administrative Fund

The City shall deposit or cause to be deposited to the Administrative Fund the amounts collected each year to pay Annual Collection Costs and Delinquent Collection Costs. Moneys in the Administrative Fund shall be held by the Trustee separate and apart from the other Funds created and administered under the Indenture and used as directed by a City Certificate solely for the purposes set forth in the Service and Assessment Plan. THE ADMINISTRATIVE FUND SHALL NOT BE PART OF THE TRUST ESTATE AND IS NOT SECURITY FOR THE BONDS SIMILARLY SECURED.

Bonds Similarly Secured Deemed Paid

All Outstanding Bonds Similarly Secured shall prior to the Stated Maturity or redemption date thereof be deemed to have been paid and to no longer be deemed Outstanding if (i) in case any such Bonds Similarly Secured are to be redeemed on any date prior to their Stated Maturity, the Trustee shall have given notice of redemption on said date as provided in the Indenture, (ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Defeasance Securities the principal of and the interest on which when due will provide moneys which, together with any moneys deposited with the Trustee at the same time, shall be sufficient to pay when due the principal of and interest on of the Bonds Similarly Secured to become due on such Bonds Similarly Secured on and prior to the redemption date or maturity date thereof, as the case may be, (iii) the Trustee shall have received a report by an independent certified public accountant selected by the City verifying the sufficiency of the moneys or Defeasance Securities deposited with the Trustee to pay when due the principal of and interest on of the Bonds Similarly Secured to become due on such Bonds Similarly Secured on and prior to the redemption date or maturity date thereof, as the case may be, (iv) if the Bonds Similarly Secured are then rated, the Trustee shall have received written confirmation from each Rating Agency then publishing a rating on such Bonds that such deposit will not result in the reduction or withdrawal of the rating on the Bonds Similarly Secured, and (v) the Trustee shall have received an opinion of Bond Counsel to the effect that (A) any Bond Similarly Secured having been deemed to have been paid as provided in the Indenture is no longer Outstanding under the Indenture and is no longer secured by or entitled to the benefits of the Indenture, (B) such defeasance is in accordance with the terms of the Indenture and (C) such defeasance will not adversely affect the exclusion of interest on such Bond Similarly Secured from gross income for purposes of federal income taxation. Neither Defeasance Securities nor moneys deposited with the Trustee pursuant to the Indenture nor principal or interest payments on any such Defeasance Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on the Bonds Similarly Secured. Any cash received from such principal of and interest on such Defeasance Securities deposited with the Trustee, if not then needed for such purpose, shall be reinvested in Defeasance Securities as directed in writing by the City maturing at times and in amounts sufficient to pay when due the principal of and interest on the Bonds Similarly Secured on and prior to such redemption date or maturity date thereof, as the case may be. Any payment for Defeasance Securities purchased for the purpose of reinvesting cash as aforesaid shall be made only against delivery of such Defeasance Securities.

“Defeasance Securities” means Investment Securities then authorized by applicable law for the investment of funds to defease public securities. “Investment Securities” means those authorized investments described in the City’s official investment policy as approved by the City Council from time to time, and eligible for the investment of public funds by the Public Funds Investment Act, Chapter 2256, Texas Government Code, as amended. Under current State law, Investment Securities that are authorized for the investment of funds to defease public securities are (a) direct, noncallable obligations of the United States of America, including obligations that are unconditionally guaranteed by the United States of America; (b) noncallable obligations of an agency or instrumentality of the United States, including obligations that are unconditionally guaranteed or insured by the agency or instrumentality, and that, on the date the governing body of the City adopts or approves the proceedings authorizing the issuance of refunding bonds, are rated as to investment quality by a nationally recognized investment rating firm not less than “AAA” or its

equivalent; and (c) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on the date the governing body of the City adopts or approves the proceedings authorizing the issuance of refunding bonds, are rated as to investment quality by a nationally recognized investment rating firm not less than “AAA” or its equivalent.

There is no assurance that the current law will not be changed in a manner which would permit investments other than those described above to be made with amounts deposited to defease the Bonds Similarly Secured. Because the Indenture does not contractually limit such investments, Owners may be deemed to have consented to defeasance with such other investments, notwithstanding the fact that such investments may not be of the same investment quality as those currently permitted under State law. There is no assurance that the ratings for U.S. Treasury securities used as Defeasance Securities or that for any other Defeasance Security will be maintained at any particular rating category.

Events of Default

Each of the following occurrences or events constitutes an “Event of Default” under the Indenture:

- (i) the failure of the City to deposit the Pledged Revenues to the Pledged Revenue Fund;
- (ii) the failure of the City to enforce the collection of the Assessments including the prosecution of foreclosure proceedings, in accordance with the Indenture;
- (iii) the failure to make payment of the principal of or interest on any of the Bonds Similarly Secured when the same becomes due and payable and such failure is not remedied within thirty (30) days; provided, however, that the payments are to be made only from Pledged Revenues or other funds currently available in the Pledge Funds and available to the City to make the payments; and
- (iv) default in the performance or observance of any other covenant, agreement or obligation of the City under the Indenture and the continuation thereof for a period of ninety (90) days after written notice to the City by the Trustee, or by the Owners of a Quarter in Interest of the Bonds Similarly Secured with a copy to the Trustee, specifying such default by the Owners of a Quarter in Interest of the Bonds Similarly Secured requesting that the failure be remedied.

Immediate Remedies for Default

Upon the happening and continuance of any of the Events of Default described in the Indenture, the Trustee may, and at the written direction of Owners of a Quarter in Interest of the Bonds Similarly Secured then Outstanding, may proceed against the City for the purpose of protecting and enforcing the rights of the Owners under the Indenture, by action seeking mandamus or by other suit, action, or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief to the extent permitted by the Indenture or by Applicable Laws, including, but not limited to, the specific performance of any covenant or agreement contained therein, or injunction; provided, however, that any action for money damages against the City shall be limited in recovery to the assets of the Trust Estate, including the Pledged Revenues.

THE PRINCIPAL OF THE BONDS SIMILARLY SECURED SHALL NOT BE SUBJECT TO ACCELERATION UNDER ANY CIRCUMSTANCES.

If the assets of the Trust Estate are sufficient to pay all amounts due with respect to all Outstanding Bonds Similarly Secured, in the selection of Trust Estate assets to be used in the payment of Bonds Similarly Secured due under in an Event of Default, the City shall determine, in its absolute discretion, and shall instruct the Trustee by City Certificate, which Trust Estate assets shall be applied to such payment and shall not be liable to any Owner or other Person by reason of such selection and application. In the event that the City shall fail to deliver to the Trustee such City Certificate, the Trustee shall select and liquidate or sell Trust Estate assets as provided in the following paragraph, and shall not be liable to any Owner, or other Person, or the City by reason of such selection, liquidation or sale. The Trustee shall have no liability for its selection of Trust Estate assets to liquidate or sell.

Whenever moneys are to be applied pursuant to the Indenture, irrespective of and whether other remedies authorized under the Indenture shall have been pursued in whole or in part, the Trustee may cause any or all of the assets of the Trust Estate, including Investment Securities, to be sold. The Trustee may so sell the assets of the Trust Estate and all right, title, interest, claim and demand thereto and the right of redemption thereof, in one or more parts, at any such place or places, and at such time or times and upon such notice and terms, as the Trustee may deem appropriate, and as may be required by Applicable Laws and apply the proceeds thereof in accordance with the provisions of this subcaption. Upon such sale, the Trustee may make and deliver to the purchaser or purchasers a good and sufficient assignment or conveyance for the same, which sale shall be a perpetual bar both at law and in equity against the City, and all other Persons claiming such properties. No purchaser at any sale shall be bound to see to the application of the purchase money proceeds thereof or to inquire as to the authorization, necessity, expediency, or regularity of any such sale. Nevertheless, if so requested by the Trustee, the City shall ratify and confirm any sale or sales by executing and delivering to the Trustee or to such purchaser or purchasers all such instruments as may be necessary or proper, in the judgment of the Trustee, for the purpose which may be designated in such request. The Trustee shall have no liability for its selection of Trust Estate assets to liquidate or sell.

Restriction on Owner's Actions

No Owner shall have any right to institute any action, suit or proceeding at law or in equity for the enforcement of the Indenture or for the execution of any trust thereof or any other remedy thereunder, unless (i) a default has occurred and is continuing of which the Trustee has been notified in writing, (ii) such default has become an Event of Default and the Owners of a Quarter in Interest of the Bonds Similarly Secured have made written request to the Trustee and offered it reasonable opportunity either to proceed to exercise the powers thereinbefore granted or to institute such action, suit or proceeding in its own name, (iii) the Owners have furnished to the Trustee indemnity as provided in the Indenture, (iv) the Trustee has for sixty (60) days after such notice failed or refused to exercise the powers thereinbefore granted, or to institute such action, suit, or proceeding in its own name, (v) no written direction inconsistent with such written request has been given to the Trustee during such sixty (60) day period by the Owners of a majority of the aggregate principal amount of the Bonds Similarly Secured then Outstanding, and (vi) notice of such action, suit, or proceeding is given to the Trustee in writing; however, no one or more Owners of the Bonds Similarly Secured shall have any right in any manner whatsoever to affect, disturb, or prejudice the Indenture by its, his or their action or to enforce any right thereunder except in the manner provided therein, and that all proceedings at law or in equity shall be instituted and maintained in the manner provided therein and for the equal benefit of the Owners of all Bonds Similarly Secured then Outstanding. The notification, request and furnishing of indemnity set forth above shall, at the option of the Trustee, as advised by counsel, be conditions precedent to the execution of the powers and trusts of the Indenture and to any action or cause of action for the enforcement of the Indenture or for any other remedy thereunder.

Subject to provisions of the Indenture with respect to certain liabilities of the City, nothing in the Indenture shall affect or impair the right of any Owner to enforce payment of any Bond Similarly Secured at and after the maturity thereof, or on the date fixed for redemption or the obligation of the City to pay each Bond Similarly Secured issued thereunder to the respective Owners thereof at the time and place, from the source and in the manner expressed therein and in the Bonds Similarly Secured.

In case the Trustee or any Owners shall have proceeded to enforce any right under the Indenture and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or any Owners, then and in every such case the City, the Trustee and the Owners shall be restored to their former positions and rights thereunder, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Application of Revenues and Other Moneys After Event of Default

All moneys, securities, funds and Pledged Revenues and the income therefrom received by the Trustee pursuant to any right given or action taken under the provisions of the Indenture shall, after payment of the cost and expenses of the proceedings resulting in the collection of such amounts, the expenses (including its counsel), liabilities, and advances incurred or made by the Trustee and the fees of the Trustee in carrying out the Indenture, during the continuance of an Event of Default, shall be applied by the Trustee, on behalf of the City, to the payment of interest and principal or Redemption Price then due on Bonds Similarly Secured, as follows:

(i) First: To the payment to the registered owners entitled thereto all installments of interest then due in the direct order of maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the registered owners entitled thereto, without any discrimination or preference; and

(ii) Second: To the payment to the registered owners entitled thereto of the unpaid principal of Outstanding Bonds Similarly Secured, or Redemption Price of any Bonds Similarly Secured which shall have become due, whether at maturity or by call for redemption, in the direct order of their due dates and, if the amounts available shall not be sufficient to pay in full all the Bonds Similarly Secured due on any date, then to the payment thereof ratably, according to the amounts of principal due or redemption price and to the registered owners entitled thereto, without any discrimination or preference.

Within ten (10) days of receipt of such good and available funds, the Trustee may fix a record and payment date for any payment to be made to Owners pursuant to the Indenture.

In the event funds are not adequate to cure any of the Events of Default, the available funds shall be allocated to the Bonds Similarly Secured that are Outstanding in proportion to the quantity of Bonds Similarly Secured that are currently due and in default under the terms of the Indenture. The restoration of the City to its prior position after any and all defaults have been cured, shall not extend to or affect any subsequent default under the Indenture or impair any right consequent thereon.

Investment of Funds

Money in any Fund or Account established pursuant to the Indenture shall be invested by the Trustee only as directed by the City pursuant to a City Certificate filed with the Trustee at least two (2) days in advance of the making of such investment (or as directed below) in time deposits or certificates of deposit secured in the manner required by law for public funds, or be invested in direct obligations of, including obligations the principal and interest on which are unconditionally guaranteed by, the United States of America, in obligations of any agencies or instrumentalities thereof, or in such other investments as are permitted under the Public Funds Investment Act, Texas Government Code, Chapter 2256, as amended, or any successor law, as in effect from time to time; the City Certificate shall direct investment in such deposits and investments (which may include repurchase agreements for such investment with any primary dealer of such agreements) so that the money required to be expended from any Fund will be available at the proper time or times. Notwithstanding the preceding sentence, amounts in the Additional Interest Reserve Account of the Reserve Fund may not be invested above the Yield (as defined in the Indenture) on the Bonds Similarly Secured, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that such investment and/or the failure to comply with such yield restriction will not adversely affect the exemption from federal income tax of the interest on any Bond Similarly Secured. Such investments shall be valued each year in terms of current market value as of September 30. For purposes of maximizing investment returns, to the extent permitted by law, money in such Funds may be invested in common investments of the kind described above, or in a common pool of such investments which shall be kept and held at an official depository bank, which shall not be deemed to be or constitute a commingling of such money or funds provided that safekeeping receipts or certificates of participation clearly evidencing the investment or investment pool in which such money is invested and the share thereof purchased with such money or owned by such Fund are held by or on behalf of each such Fund. If necessary, such investments shall be promptly sold in order to make the disbursements required or permitted by the Indenture or to prevent any default. In the event the City does not provide written investment directions, the Trustee is instructed to invest funds pursuant to the instructions in the Indenture.

The Trustee and its affiliates may act as sponsor, depository, principal or agent in the acquisition or disposition of any investment. The Trustee shall have no investment discretion and the Trustee's only responsibility for investments shall be to follow the written instructions contained in any City Certificate and to ensure that an investment it is directed to purchase is a permitted investment pursuant to the terms of the Indenture. The Trustee shall not incur any liability for losses arising from any investments made pursuant to the Indenture. The Trustee shall not be required to determine the suitability or legality of any investments and may conclusively rely on the City's written instructions of the directed investments.

Investments in any and all Funds, Accounts and Subaccounts may be commingled in a separate fund or funds for purposes of making, holding and disposing of investments, notwithstanding provisions therein for transfer to or holding in or to the credit of particular Funds, Accounts or Subaccounts of amounts received or held by the Trustee thereunder, provided that the Trustee shall at all times account for such investments strictly in accordance with the Funds, Accounts and Subaccounts to which they are credited and otherwise as provided in the Indenture.

The Trustee will furnish the City monthly cash transaction statements which include detail for all investment transactions made by the Trustee thereunder and, unless the Trustee receives a written request, the Trustee is not required to provide brokerage confirmations so long as the Trustee is providing such monthly cash transaction statements. The Trustee may conclusively rely on City Certificates that such an investment will comply with the City's investment policy and with the Public Funds Investment Act, Chapter 2256, Texas Government Code, as amended.

Against Encumbrances

Other than the Refunding Bonds, the City shall not create and, to the extent Pledged Revenues are received, shall not suffer to remain, any lien, encumbrance or charge upon the Pledged Revenues, the Trust Estate, other than that specified in the Indenture, or upon any other property pledged under the Indenture, except any pledge created for the equal and ratable security of the Bonds Similarly Secured, and other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds Similarly Secured.

So long as Bonds Similarly Secured are Outstanding, the City shall not issue any bonds, notes or other evidences of indebtedness secured by any pledge of or other lien or charge on any portion of the Pledged Revenues, the Trust Estate or other property pledged under the Indenture, except that the City may issue Refunding Bonds in accordance with the terms of the Indenture, as provided therein.

Additional Obligations, Other Liens, and Refunding Bonds

The City reserves the right to issue Additional Obligations under other indentures, assessment ordinances, or similar agreements or other obligations which do not constitute or create a lien on the Trust Estate and are not payable from Pledged Revenues or any portion of the Trust Estate. Additionally, the City has reserved the right to issue bonds or other obligations secured by and payable from Pledged Revenues so long as such pledge is subordinate to the pledge of Pledged Revenues securing payment of the Bonds Similarly Secured.

Other than the Refunding Bonds issued to refund all or a portion of the Bonds Similarly Secured, the City will not create or voluntarily permit to be created any debt, lien or charge on any portion of the Trust Estate, and will not cause or allow any matter or things whereby the lien of the Indenture or the priority hereof might or could be lost or impaired, and further covenants that it will pay or cause to be paid or will make adequate provisions for the satisfaction and discharge of all lawful claims and demands which if unpaid might by law be given precedence over or any equality with the Indenture as a lien or charge upon the Trust Estate; provided, however, that nothing in the Indenture shall require the City to apply, discharge, or make provision for any such lien, charge, claim, or demand so long as the validity thereof shall be contested by it in good faith, unless thereby, in the opinion of Bond Counsel or counsel to the Trustee, the same would endanger the security for the Bonds Similarly Secured.

The City reserves the right to issue Refunding Bonds, the proceeds of which would be utilized to refund all or any portion of the Outstanding Bonds or Outstanding Refunding Bonds and to pay all costs incident to the Refunding Bonds, as authorized by the laws of the State, and in accordance with the conditions set forth below:

- (i) The principal of all Refunding Bonds must (i) be scheduled to be paid, (ii) be subject to mandatory sinking fund redemption or (iii) mature, on September 1 of the years in which such principal (i) is scheduled to be paid, (ii) is subject to mandatory sinking fund redemption or (iii) matures. All Refunding Bonds must bear interest at a fixed rate and any interest payment dates for Refunding Bonds must be March 1 and September 1. The date, rate or rates of interest on, interest payment dates, maturity dates, redemption and all other terms and provisions of Refunding Bonds shall be set forth in a supplemental indenture; and

- (ii) Upon their authorization by the City, the Refunding Bonds of a Series issued under the Indenture shall be issued and shall be delivered to the purchasers or owners thereof, but before, or concurrently with, the delivery of said Refunding Bonds to such purchasers or owners there shall have been filed with the Trustee (1) a copy, certified by the City Secretary of the City, of the ordinance or ordinances of the City authorizing the issuance, sale, execution and delivery of the Refunding Bonds and the execution and delivery of a supplemental indenture establishing, among other things, the date, rate or rates of interest on, interest payment dates, maturity dates, redemption and all other terms and provisions of such Refunding Bonds, and (2) an original executed counterpart of the supplemental indenture for such Refunding Bonds.

OVERLAPPING TAXES AND DEBT

The land within Improvement Area #4 of the District has been, and is expected to continue to be, subject to taxes and assessments imposed by taxing entities. Such taxes and assessments are payable in addition to the Assessments.

Overlapping Taxes

Hays County, Austin Community College District, Hays County Emergency Services District No. 5, Hays County Emergency Services District No. 9, and the Hays Consolidated Independent School District may each levy ad valorem taxes upon land in Improvement Area #4 of the District for payment of debt incurred by such governmental entities and/or for payment of maintenance and operations expenses. The City has no control over the level of ad valorem taxes or assessments levied by such other taxing authorities. Pursuant to the terms of the Development Agreement and unless the Development Agreement is amended to provide otherwise, the City has agreed not to annex any portion of the District until all of the Improvement Area #1 Bonds, the Improvement Area #2 Bonds, the Improvement Area #3 Bonds, the Improvement Area #4 Bonds, the Bonds Similarly Secured and Future Improvement Area Bonds, if any, have been repaid in full, and there are no further assessments against property within the District outstanding. The following table reflects the overlapping ad valorem tax rates currently levied on property located in Improvement Area #4 of the District. Improvement Area #4 is located entirely within the extraterritorial jurisdiction of the City and within Hays County, Austin Community College District, Hays County Emergency Services District No. 5, Hays County Emergency Services District No. 9, and the Hays Consolidated Independent School District.

Overlapping Debt

As noted above, Improvement Area #4 of the District includes territory located in other governmental entities that may issue or incur debt secured by the levy and collection of ad valorem taxes or assessments. Set forth below is an overlapping debt table showing the outstanding indebtedness payable from ad valorem taxes with respect to property within Improvement Area #4 of the District, and City debt to be secured by the Assessments:

Agricultural Valuation

If land is devoted principally to agricultural use, a landowner can apply for an agricultural valuation on the property and pay ad valorem taxes based on the land's agricultural use valuation with respect to its ad valorem taxes. The Improvement Area #4 Landowners have represented that, as of tax year 2022, none of the property in Improvement Area #4 was subject to an agricultural use valuation with respect to its ad valorem taxes.

If land qualified for an agricultural valuation and the land use changes to a non-agricultural use, "rollback taxes" are assessed for each of the previous three years in which the land received the lower agricultural valuation. The rollback tax is the difference between taxes paid on land's agricultural value and the taxes that the landowner would have paid if the land had been taxed on a higher market value for each year from the date on which taxes would have been due. If the land use changes to a non-agricultural use on only a portion of a larger tract, the landowner can fence off the remaining land and maintain the agricultural valuation on the remaining land. In this scenario, the landowner would only be responsible for rollback taxes on that portion of the land where use changed and not the entire tract.

It is expected that rollback taxes will be paid by the Improvement Area #4 Landowners during development of Improvement Area #4 of the District and prior to the purchase of parcels of lots by homeowners.

Homeowners' Association

In addition to the Assessments described above, the Developers anticipate that each lot owner in Improvement Area #4 of the District will pay a maintenance and operation fee and/or a property owner's association fee to a homeowner's association (the "HOA"), which was formed by HMBRR Development in December of 2018. The current HOA assessment for Sections 7, 13A, and 13B is \$800 per year, at \$200 per quarter, and for Section 6A \$1,100 per year, at \$275 per quarter.

ASSESSMENT PROCEDURES

General

Capitalized terms under this caption and not otherwise defined in the Limited Offering Memorandum shall have the meaning given to such terms in the Service and Assessment Plan. As required by the PID Act, when the City determines to defray a portion of the costs of the Improvement Area #4 Authorized Improvements through Assessments, it must adopt a resolution generally describing the Improvement Area #4 Authorized Improvements and the land within Improvement Area #4 of the District to be subject to Assessments to pay the costs therefor. The City has caused an assessment roll to be prepared (the “Assessment Roll”), which Assessment Roll shows the land within Improvement Area #4 to be assessed, the amount of the benefit to and the Assessment against each lot or parcel of land and the number of Annual Installments in which the Assessment is divided. The Assessment Roll was filed with the City Secretary and made available for public inspection. Statutory notice was given to the owners of the property to be assessed and a public hearing will be conducted to hear testimony from affected property owners as to the propriety and advisability of undertaking the Improvement Area #4 Authorized Improvements and funding the same with Assessments. The City levied the Assessments and adopted the Assessment Ordinance on January 17, 2023. Upon adoption of the Assessment Ordinance, the Assessments became legal, valid and binding liens upon the property against which the Assessments were made.

Under the PID Act, the costs of the Improvement Area #4 Authorized Improvements to be defrayed through Assessments may be assessed by the City against the assessable property in Improvement Area #4 of the District, so long as the special benefit conferred upon the Assessed Property by the Improvement Area #4 Authorized Improvements equals or exceeds the Assessments. The costs of the Improvement Area #4 Authorized Improvements may be assessed using any methodology that results in the imposition of equal shares of cost on Assessed Property similarly benefitted. The allocation of benefits and assessments to the benefitted land within Improvement Area #4 of the District is presented in the Service and Assessment Plan, which should be read in its entirety. See “APPENDIX C — Form of Service and Assessment Plan.”

Assessment Methodology

The Service and Assessment Plan describes the special benefit to be received by each parcel of assessable property as a result of the Improvement Area #4 Authorized Improvements, as applicable, provides the basis and justification for the determination that such special benefit exceeds the Assessments being levied, and establishes the methodology by which the City allocates the special benefit of the Improvement Area #4 Project to parcels in a manner that results in equal shares of costs being apportioned to parcels similarly benefitted.

As described in the Service and Assessment Plan, a portion of the costs of the Improvement Area #4 Authorized Improvements are being funded with proceeds of the Bonds, which are payable from and secured by Pledged Revenues and other funds comprising the Trust Estate.

Method of Apportionment of Assessments. As set forth in the Service and Assessment Plan, the City Council has determined to allocate the cost of Major Improvements between Improvement Area #1, Improvement Area #2, Improvement Area #3, Improvement Area #4, and a portion of the Remainder Area based on the total number of Lots in each area expected to be served by each Major Improvement. Certain Major Improvements benefit individual improvement areas and only a portion of the Remainder Area, while other Major Improvements benefit the entire District. See Exhibit L for maps of the Authorized Improvements, to “APPENDIX C – Form of Service and Assessment Plan.” The Major Improvements described in the current form of the Service and Assessment Plan may not include all of the major infrastructure that will benefit all or a portion of the Remainder Area, and the Major Improvements may be expanded or modified as development in the District progresses.

Method of Allocation of Assessments. As set forth in the Service and Assessment Plan, the City Council initially allocated the Assessment to the initial parcel in Improvement Area #4 (the “Improvement Area #4 Initial Parcel”). See Exhibit A, Authorized Improvements, and Exhibit J, Assessment Roll, to “APPENDIX C – Form of Service and Assessment Plan.”

Method of Reallocation of Assessments. Upon division, the Assessment allocated to the Improvement Area #4 Initial Parcel shall be allocated to the newly created Assessed Property based on the ratio of estimated build out value of each Assessed Property or Lot (upon recorded subdivision plat — estimated average build out value of all newly subdivided Lots with same Lot Type) to the estimated build out value for all Parcels or Lots within the prior Parcel.

If two or more Lots or Parcels are consolidated, the Administrator shall allocate the Assessments against the Lots or Parcels before the consolidation to the consolidated Lot or Parcel, which allocation shall be approved by the City Council in the next Annual Service Plan Update.

If, as a result of any replat, the sum of the Assessments against the replatted Lot(s) exceeds the sum of the Assessments before the replat, then prior to recording the replat the person(s) requesting the replat must prepay the amount by which the Assessment for the replatted Lot(s) exceeds the sum of the Assessments before the replat. The replat shall not be recorded without a letter from the Administrator confirming that the payment has been made.

The reallocation of an Assessment against a Lot after the Lot has been designated as a homestead under Texas law may not exceed the Assessment against the homestead Lot prior to the reallocation.

True-up of Assessments if Maximum Assessment Exceeded. Prior to the approval of a final subdivision plat, the Administrator will certify that the final plat will not cause the Assessment for any Lot Type to exceed the applicable Maximum Assessment. If the subdivision of any Assessed Property by a final subdivision plat causes the Assessment per Lot for any Lot Type to exceed the applicable Maximum Assessment for such Lot Type, the landowner shall partially prepay the Assessment for each Assessed Property that exceeds the applicable Maximum Assessment for such Lot Type in an amount sufficient to reduce the Assessment to the applicable Maximum Assessment for such Lot Type. The City's approval of a final subdivision plat without payment of such amounts does not eliminate the obligation of the person or entity filing the plat to pay such Assessments.

Mandatory Prepayment of Assessments. If Assessed Property is transferred to a person or entity that is exempt from payment of the Assessments, the owner transferring the Assessed Property shall pay to the City the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs for such Assessed Property, prior to the transfer. If the owner of the Assessed Property causes the Assessed Property to become Non-Benefitted Property, the owner causing the change in status shall pay the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs, prior to the change in status.

Reduction of Assessments. If as a result of cost savings or an Authorized Improvement not being constructed, the Actual Costs of completed Authorized Improvements are less than the Assessments, the Assessments shall be reduced on a pro-rata basis such that the sum of the resulting reduced Assessments for all Assessed Property equals the reduced Actual Costs. The Assessments shall not, however, be reduced to an amount less than the outstanding PID Bonds. The Administrator shall update (and submit to the City Council for review and approval as part of the next Annual Service Plan Update) the Assessment Roll and corresponding Annual Installments to reflect the reduced Assessments. See "APPENDIX C — Form of Service and Assessment Plan."

Collection and Enforcement of Assessment Amounts

Under the PID Act, the Annual Installments may be collected in the same manner and at the same time as regular ad valorem taxes of the City. The Assessments may be enforced by the City in the same manner that an ad valorem tax lien against real property is enforced. Delinquent installments of the Assessments incur interest, penalties and attorney's fees in the same manner as delinquent ad valorem taxes. Under the PID Act, the Assessment Lien is a first and prior lien against the property assessed, superior to all other liens and claims except liens or claims for State, county, school district or municipality ad valorem taxes. See "BONDHOLDERS' RISKS — Assessment Limitations" herein.

The City covenanted in the Indenture to collect, or cause to be collected, Assessments as provided in the Assessment Ordinance. No less frequently than annually, City staff or a designee of the City shall prepare, and the City Council shall approve, an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include an updated Assessment Roll and a calculation of the Annual Installment for each Parcel. Annual Collection Costs shall be allocated among all Parcels in proportion to the amount of the Annual Installments for the Parcels.

The City covenanted, agreed and warranted in the Indenture that, for so long as any Bonds Similarly Secured are Outstanding, that it will take and pursue all actions permissible under Applicable Laws to cause the Assessments to be collected and the liens thereof enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws, and, to the extent permitted by Applicable Laws, to cause no reduction, abatement or exemption in the Assessments.

To the extent permitted by law, notice of the Annual Installments will be sent by, or on behalf of, the City to the affected property owners on the same statement or such other mechanism that is used by the City, so that such Annual Installments are collected simultaneously with ad valorem taxes and shall be subject to the same penalties, procedures, and foreclosure sale in case of delinquencies as are provided for ad valorem taxes of the City.

The City will determine or cause to be determined, no later than February 15 of each year, whether or not any Annual Installment is delinquent and, if such delinquencies exist, the City will order and cause to be commenced as soon as practicable any and all appropriate and legally permissible actions to obtain such Annual Installment, and any delinquent charges and interest thereon, including diligently prosecuting an action in district court to foreclose the currently delinquent Annual Installment. Notwithstanding the foregoing, the City shall not be required under any circumstances to purchase or make payment for the purchase of the delinquent Assessment or the corresponding Assessed Property.

The City will implement the basic timeline and procedures for Assessment collections and pursuit of delinquencies set forth in Exhibit C of the Continuing Disclosure Agreement of the Issuer set forth in APPENDIX E-1 and to comply therewith to the extent that the City reasonably determines that such compliance is the most appropriate timeline and procedures for enforcing the payment of delinquent Assessments.

The City shall not be required under any circumstances to expend any funds for delinquent collection costs in connection with its covenants and agreements under the Indenture or otherwise other than funds on deposit in the Administrative Fund.

Annual Installments will be paid to the City or its agent. Annual Installments are billed in each year, and become delinquent on February 1 of the following year. In the event Assessments are not timely paid, there are penalties and interest as set forth below:

| <u>Date Payment</u> <u>Received</u> | <u>Cumulative</u> <u>Penalty</u> | <u>Cumulative</u> <u>Interest</u> | <u>Total</u> |
|--|-------------------------------------|--------------------------------------|--------------|
| February | 6% | 1% | 7% |
| March | 7% | 2% | 9% |
| April | 8% | 3% | 11% |
| May | 9% | 4% | 13% |
| June | 10% | 5% | 15% |
| July | 12% | 6% | 18% |

After July, the penalty remains at 12%, and interest increases at the rate of 1% each month. In addition, if an account is delinquent in July, a 20% attorney's collection fee may be added to the total penalty and interest charge. In general, property subject to lien may be sold, in whole or in parcels, pursuant to court order to collect the amounts due. An automatic stay by creditors or other entities, including governmental units, could prevent governmental units from foreclosing on property and prevents liens for post-petition taxes from attaching to property and obtaining secured creditor status unless, in either case, an order lifting the stay is obtained from the bankruptcy court. In most cases, post-petition Assessments are paid as an administrative expense of the estate in bankruptcy or by order of the bankruptcy court.

Assessment Amounts

The maximum amounts of the Assessments have been established by the methodology described in the Service and Assessment Plan. The Assessment Roll sets forth for each year the Annual Installment for each Parcel consisting of payment of (i) principal, (ii) interest, (iii) Annual Collection Costs, and (iv) Additional Interest (relating to Assessments securing the Bonds). The Annual Installments for Improvement Area #4 may not exceed the amounts shown on the Assessment Roll. The Assessments will be levied against the parcels comprising the Assessed Property in Improvement Area #4 as indicated on the Assessment Roll. See "APPENDIX C — Form of Service and Assessment Plan."

The Annual Installments shown on the Assessment Roll will be reduced to equal the actual costs of repaying the Bonds, the Additional Interest and actual Annual Collection Costs (as provided for in the definition of such term), taking into consideration any other available funds for these costs, such as interest income on account balances.

The Bonds are secured by a first lien on and pledge of the Trust Estate, including the Assessments. See "SECURITY FOR THE BONDS SIMILARLY SECURED" and "APPENDIX C — Form of Service and Assessment Plan."

(REMAINDER OF PAGE IS INTENTIONALLY LEFT BLANK)

Prepayment of Assessments

Pursuant to the PID Act and the Indenture, the owner of any property assessed may voluntarily prepay (a “Prepayment”) all or part of any Assessment levied against any lot or parcel, together with accrued interest to the date of payment, at any time. Upon receipt of such Prepayment, such amounts will be applied towards the redemption or payment of the Bonds. Amounts received at the time of a Prepayment which represent a payment of principal, interest, or penalties on a delinquent installment of an Assessment are not to be considered a Prepayment, but rather are to be treated as payment of the regularly scheduled installment of the Assessments.

Prior to the approval of a final subdivision plat, the Administrator shall certify that the final plat will not cause the Assessment for any Lot Type to exceed the Maximum Assessment. If the subdivision of any Assessed Property by a final subdivision plat causes the Assessment per Lot for any Lot Type to exceed the applicable Maximum Assessment for such Lot Type, the respective Improvement Area #4 Landowner shall partially prepay the Assessment for each Assessed Property that exceeds the applicable Maximum Assessment for such Lot Type in an amount sufficient to reduce the Assessment to the applicable Maximum Assessment for such Lot Type. The City’s approval of a final subdivision plat without payment of such amounts does not eliminate the obligation of the person or entity filing the plat to pay such Assessments.

Priority of Lien

The Assessments or any reassessment, the expense of collection, and reasonable attorney’s fees, if incurred, constitute a first and prior lien against the property assessed, superior to all other liens and claims except liens or claims for the State, county, school district or municipality ad valorem taxes, and are a personal liability of and charge against the owners of the property regardless of whether the owners are named. The lien is effective from the date of the Assessment Ordinance until the Assessment is paid, and may be enforced by the City in the same manner as an ad valorem tax levied against real property may be enforced by the City. The owner of any property assessed may pay the entire Assessment levied against any lot or parcel, together with accrued interest to the date of payment, at any time.

Foreclosure Proceedings

In the event of delinquency in the payment of any Annual Installment, except for unpaid Assessments on homestead property (unless the lien associated with the assessment attached prior to the date the property became a homestead), the City is empowered to order institution of an action in State district court to foreclose the lien of such delinquent Annual Installment. In such action the real property subject to the delinquent Annual Installments may be sold at judicial foreclosure sale for the amount of such delinquent Annual Installments, plus penalties and interest.

Any sale of property for nonpayment of an installment or installments of an Assessment will be subject to the lien established for remaining unpaid installments of the Assessment against such property and such property may again be sold at a judicial foreclosure sale if the purchaser thereof fails to make timely payment of the non-delinquent installments of the Assessments against such property as they become due and payable. Judicial foreclosure proceedings are not mandatory. In the event a foreclosure is necessary, there could be a delay in payments to owners of the Bonds pending prosecution of the foreclosure proceedings and receipt by the City of the proceeds of the foreclosure sale. It is possible that no bid would be received at the foreclosure sale, and in such event there could be an additional delay in payment of the principal of and interest on Bonds or such payment may not be made in full. The City is not required under any circumstance to purchase or make payment for the purchase of the delinquent Assessment on the corresponding Assessed Property.

The City covenanted in the Indenture to take and pursue all actions permissible under Applicable Laws to cause the Assessments to be collected and the liens thereof enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws, and to cause no reduction, abatement or exemption in the Assessments, provided that the City is not required to expend any funds for collection and enforcement of Assessments other than funds on deposit in the Administrative Fund. Pursuant to the Indenture, Foreclosure Proceeds (excluding Delinquent Collection Costs) constitute Pledged Revenues to be deposited into the Pledged Revenue Fund upon receipt by the City and distributed in accordance with the Indenture. See “APPENDIX B — Form of Indenture. See also “APPENDIX E-1

— Form of Disclosure Agreement of the Issuer” for a description of the expected timing of certain events with respect to collection of the delinquent Assessments.

Collection and Delinquency History of Assessments

Improvement Area #1 Assessments. On October 1, 2018, the City levied special assessments on assessable property in Improvement Area #1 of the District (“Improvement Area #1 Assessments”), through the City Council’s adoption of an assessment ordinance and approval of the initial Service and Assessment Plan. Upon such adoption, the Improvement Area #1 Assessments became legal, valid and binding liens upon the property against which the Improvement Area #1 Assessments are levied.

The following table shows the collection and delinquency history of the Improvement Area #1 Assessments.

THE CITY

Background

The City is a political subdivision and municipal corporation of the State, duly organized and existing under the laws of the State including the City’s Home Rule Charter, initially adopted by the qualified voters of the City in the year 2000, and as amended in 2006, 2016, 2018 and 2020. The City operates as a home rule municipality under a Council-Manager form of government with a City Council comprised of the Mayor and six Council Members. The City Manager is the chief executive officer for the City.

The City is located in Hays County along Interstate Highway 35. It is located approximately eight (8) miles north of the City of San Marcos, twenty (20) miles south of the City of Austin and sixty (60) miles north of the City of San Antonio. The City covers approximately 31.25 square miles. The City’s 2020 census population was 45,697, and the City has estimated that its 2023 population is approximately 55,600.

The City is a thriving community having easy access to major highway and roadways, including Interstate Highway 35. The City is strategically located eight miles north of San Marcos, 20 miles south of Austin and 60 miles north of San Antonio. The City is the second largest city in Hays County and enjoys a south-central location convenient to most major population and employment centers in the State.

City Government

The City is a political subdivision formed in 1880 and is a home rule municipality of the State, duly organized and existing under the laws of the State. City Council consists of the Mayor and six Council members who are elected for staggered three-year terms. The City Council formulates operating policy for the City while the City Manager is the chief administration officer. The current members of the City Council and their respective expiration of terms of office, as well as the principal administrators of the City, are noted on page ii. See “APPENDIX A – General Information Regarding the City” for more information.

Water and Wastewater

Water. To have sufficient water capacity to serve the District, the City, HMBRR Development, Anthem Municipal Utility District (“Anthem MUD”), Kyle 150, LP (“Kyle 150”) and several other developers in the vicinity of the District entered into the FM 150 Water Facilities Service, Financing, and Construction Agreement effective July 16, 2020 (the “Water Facilities Agreement”) to secure the construction of ground and elevated storage tanks and related water return lines (the “Shared Water Facilities”) to serve the parties to the Water Facilities Agreement. Portions of the Shared Water Facilities have been completed as of December 1, 2022. Based on representations made by Atwell, LLC, (the “Project Engineer”) under the Water Facilities Agreement, to the City, completion of the Shared Water Facilities is expected to be completed and conveyed to the City in the first quarter of 2025 and completion of the Shared Water Facilities is dependent on material availability, weather, and final bid costs. To provide water capacity in the interim, the Project Engineer has temporarily constructed one hydropneumatic storage tank and a second hydropneumatic storage tank is under design for construction.

The City contracts with Guadalupe Brazos River Authority, Edwards Aquifer Authority, Barton Springs Edwards Aquifer Conservation District, and the Alliance Regional Water Authority to meet the City’s water supply needs. The City owns various facilities including storage and pump facilities, water distribution and sewage collection lines, meters, valves, and other facilities necessary to provide water and sewer service to its customers. The City’s water distribution system currently has sufficient capacity to provide water service to the Development.

Wastewater. Pursuant to the Development Agreement and subject to HMBRR Development’s obligation to construct required internal facilities and any connecting facilities, the City also agreed to provide 680 LUEs of initial wastewater service for the Development through the City’s existing 8-inch gravity main located in Old Stagecoach Road. The City agreed to complete the construction of an appropriately sized gravity interceptor (the “Elliot Branch Interceptor”) on or before June 30, 2022. To connect to the Elliot Branch Interceptor, HMBRR Development has constructed a lift station sufficient to serve 1,814 LUEs (the “6 Creeks Lift Station”) and agreed to construct a six-inch force main along Cypress Road from the 6 Creeks Lift Station to the Elliot Branch Interceptor. HMBRR Development made a capacity payment to the City in the amount of \$1,500,000 in January of 2021, for water treatment and wastewater treatment plant project improvements. The City completed construction of the Elliott Branch Interceptor and it was placed into service on August 9, 2022. The City expects to accept the Elliott Branch Interceptor in the first annual quarter of 2023.

Under the Development Agreement, the City’s standard water and wastewater rates, charges, and other fees, including engineering review and inspection fees, that are applicable within the City’s incorporated limits will be applicable to facilities constructed, connections made, and services provided within the Development. For the first 300 lots platted out of the property within the District, the water and wastewater impact fees are \$2,215 per LUE for water and \$2,116 for wastewater. Pursuant to the Development Agreement, Developers pre-purchased 300 wastewater impact fees in the amount of \$2,216 per LUE in March of 2021 and 400 additional wastewater impact fees in the amount of \$2,826 per LUE in November of 2021. Future impact fees will be paid at the standard City rate in effect at the time of City approval of each subsequent final plat out of the Development and will be payable by the homebuilders at the time of the City’s issuance of each residential building permit for lots within those platted sections.

THE DISTRICT

General

The PID Act authorizes municipalities, such as the City, to create public improvement districts within their boundaries or extraterritorial jurisdiction, and to impose assessments within the public improvement district to pay for certain improvements. The District was created by Resolution No. 1065 of the City adopted on June 6, 2017 in accordance with the PID Act (the “Creation Resolution”) for the purpose of undertaking and financing, in phases, the costs of certain public improvements within the District, including the Improvement Area #4 Projects, authorized by the PID Act and approved by the City Council that confer a special benefit on the portion of the District property being developed. The District is not a separate political subdivision of the State and is governed by the City Council. A map of the property within the District is included on page iv hereof.

Name Change

The Creation Resolution originally designated the name of the District as the Blanco River Ranch Public Improvement District. The City Council, by resolution adopted on September 18, 2018, renamed the District to 6 Creeks Public Improvement District.

Powers and Authority of the City

Pursuant to the PID Act, the City may establish and create the District and undertake, or reimburse a developer for the costs of, improvement projects that confer a special benefit on property located within the District, whether located within the City limits or the City’s extraterritorial jurisdiction. The PID Act provides that the City may levy and collect the Assessments on property in the District, or portions thereof, payable in periodic installments based on the benefit conferred by an improvement project to pay all or part of its cost.

Pursuant to the PID Act and the Creation Resolution, the City has the power to undertake, or reimburse a developer for the costs of, the financing, acquisition, construction or improvement of the Improvement Area #4 Projects. See “THE IMPROVEMENT AREA #4 AUTHORIZED IMPROVEMENTS.” Pursuant to the authority granted by the PID Act and the Creation Resolution, the City has determined to undertake the construction, acquisition or purchase of certain improvements within the District, including Improvement Area #4 of the District, and outside of the District, (i) acquisition, construction and improvement of sidewalks, streets, other roadways, and rights-of-way; (ii) acquisition, construction, and improvement of water, wastewater and drainage facilities; (iii) landscaping; (iv) establishment of parks and open space; (v) acquisition, construction, and improvement of off-street parking facilities; (vi) other projects similar to those listed in subsections (i) - (v) above authorized by the Act; (vii) other improvement projects not listed in subsections (i) - (vi) above but are authorized by the Act; and (viii) payment of costs associated with developing and financing the public improvements listed in subparagraphs (i) - (vii) above, including costs of establishing, administering and operation of the District. The City has determined to finance a portion of the costs thereof through the issuance of the Bonds, and to provide for the payment of debt service on the Bonds from the Trust Estate. See “ASSESSMENT PROCEDURES” herein and “APPENDIX C — Form of Service and Assessment Plan.”

THE IMPROVEMENT AREA #4 AUTHORIZED IMPROVEMENTS

The Improvement Area #4 Authorized Improvements consist of the Improvement Area #4 Projects, which include Improvement Area #4’s allocable share of the costs of the Major Improvements, Improvement Area #4’s allocable share of the costs of District formation expenses, and costs of issuance that will benefit Improvement Area #4. The Developers are responsible for the completion of the construction, acquisition or purchase of the Improvement Area #4 Authorized Improvements, and the Developers or their respective designee will act as construction manager. From the proceeds of the Bonds, the City will either pay directly or will reimburse the Developers for the project costs actually incurred in developing and constructing the Improvement Area #4 Projects within the District.

The cost of the Improvement Area #4 Authorized Improvements (consisting of the Improvement Area #4 Projects, Bond Issuance Costs, and District Formation Costs) is estimated to be \$17,563,000. The cost of the

Improvement Area #4 Authorized Improvements are expected to be financed with proceeds of the Bonds. See “SOURCES AND USES OF FUNDS” and “APPENDIX C – Form of Service and Assessment Plan.”

The following table reflects the total expected costs of the Improvement Area #4 Authorized Improvements and their allocation between the Sections in Improvement Area #4. See “APPENDIX C – Form of Service and Assessment Plan.” As of December 1, 2022, the Improvement Area #4 Landowners spent approximately \$7,619,504 toward the costs of the Improvement Area #4 Projects. See “APPENDIX C – Form of Service and Assessment Plan.”

The Financing Agreement

On July 18, 2017, the City, HMBRR Development, HMBRR LP, and HMBRR LP #2 entered into a Blanco River Ranch Public Improvement District Financing Agreement (the “Original Financing Agreement”), which was amended by the First Amendment to the 6 Creeks Public Improvement District Financing Agreement (the “First Amendment to Financing Agreement,” effective on April 16, 2019, and was partially assigned to HM 6 Creeks Development with respect to the land that it acquired effective September 23, 2020, and was then further partially assigned to HMBRR Development and HM 6 Creeks Development with respect to all property within the District subsequently acquired by HMBRR Development or HM 6 Creeks Development, effective October 19, 2022 (collectively, the “Assignment”), and together with the First Amendment to Financing Agreement and the Original Financing Agreement, the “Financing Agreement”). The Financing Agreement is attached hereto as APPENDIX F.

The Financing Agreement establishes provisions for the apportionment and levying of Assessments, construction of the Authorized Improvements, and the advancing of funds. Pursuant to the Financing Agreement, if there are not sufficient funds in the Project Fund to complete a given Authorized Improvement, the Developers will be required to demonstrate committed capital (including by proof of bank financing) to the City in an amount confirmed by an engineer’s estimate of probable cost, which represents the difference between the budgeted cost to complete the Improvement Area #4 Projects assumed to be complete in the Appraisal and the net proceeds of the Bonds. It is anticipated that the Bonds will finance all of the Improvement Area #4 Projects and the Developer will not be required to demonstrate committed capital. The Developers are not required to post fiscal security for the Improvement Area #4 Projects under the terms of the Financing Agreement unless and until subcontractors providing labor or materials for the Improvement Area #4 Projects file claims or otherwise give notice asserting failure to receive payment for such labor or materials.

Performance bonds are not required for the Authorized Improvements funded by PID Bonds. The Financing Agreement allows the City to fund the construction of Authorized Improvements through progress payments to the Developers or by entering into a reimbursement agreement.

The Financing Agreement establishes certain requirements prior to the City issuing PID Bonds. The Financing Agreement provides that the total amount of PID Bonds may not exceed an amount sufficient to fund: (i) the Actual Costs of the Authorized Improvements, (ii) required reserves and capitalized interest during the period of construction and not more than 12 months after the completion of construction of the applicable Authorized Improvements funded by the PID Bond issue in question and in no event for a period greater than 24 months from the date of the initial delivery of the applicable PID Bonds and (iii) costs of issuance related to the PID Bonds. Each series of PID Bonds must also mature no later than 30 years from the date of issuance.

The Financing Agreement also provides that the City will enter into a maintenance and operations agreement (the “M&O Agreement”) with HMBRR Development and HM 6 Creeks Development or the HOA related to the operations and maintenance of the detention and water quality pond improvements prior to the City’s acceptance of same. Pursuant to the M&O Agreement, HMBRR Development and HM 6 Creeks Development or the HOA will be responsible for all operations and maintenance of such improvements. The HOA and the City entered into a maintenance and operation agreement regarding certain Major Improvements and Improvement Area #1 Improvements. The Developers expect to enter into a similar agreement to maintain certain amenities, including but not limited to entryway, monuments, landscaping, irrigation system, and masonry walls and fences (the “Public Amenities”) in other areas of District.

The Financing Agreement may be amended, modified, revised or changed by written instrument executed by the parties thereto. Any such amendment, modification, revision or change could affect the security for the Bonds, particularly if same were to modify or remove the restrictions on the issuance of additional PID Bonds.

The Development Agreements

The Development Agreement. Blanco River Ranch Properties LP (the “Original Landowner”) and the City entered into a Blanco River Ranch (Phase One Residential Area) De-Annexation and Development Agreement effective as of May 16, 2017, and a First Amendment to the Blanco River Ranch (Phase One Residential Area) De-Annexation and Development Agreement effective as of October 6, 2021 (together, the “Development Agreement”), to provide standards for developing Phase 1 Residential Area of Blanco River Ranch (the “Development”), and to provide for the development of the Authorized Improvements, including the Improvement Area #4 Projects. In connection with HMBRR Development, HMBRR LP, and HMBRR LP #2’s acquisition of the land comprising the District, Original Landowner assigned its rights, duties and obligations under the Development Agreement related to the property within the District to HMBRR Development, HMBRR LP, and HMBRR LP #2, on September 20, 2017. The Development Agreement was further partially assigned with respect to the land conveyed effective as follows: HMBRR LP #2 to HM 6 Creeks Development for 249.05 acres, effective September 23, 2020; HMBRR LP to HMBRR Development for 188.51 acres, effective September 30, 2021; HMBRR LP #2 to HM 6 Creeks Development for 99.955 acres, effective December 15, 2021; and HMBRR LP #2 to HM 6 Creeks Development for the remaining 259.70 acres in the PID, effective September 20, 2022.

The Development Agreement provides for the provision of housing, residential design standards, the construction of roads and utility infrastructure, parks and open spaces, amenities, environmental and waterway protection, impervious cover and other matters. See “THE DEVELOPMENT – Environmental” and “– Zoning/Permitting.” The Development Agreement further requires the dedication of ten acres of land adjacent to the District (consisting of land that was retained by Original Landowner) for a river park amenity that will provide access to the Blanco River.

The Development Agreement may be amended or modified in writing signed by the parties thereto. See “APPENDIX G – Development Agreement” for a complete copy of the Development Agreement.

The Sections 13/14 Development Agreement. Pulte and HM 6 Creeks Development entered into the Sections 13/14 Development Agreement, effective as of December 15, 2021, to provide standards for developing Sections 13A, 13B, 14A, and 14B of the Development, and to retain HM 6 Creeks Development to perform the “Development Work” (as defined therein) in Sections 13A, 13B, 14A, and 14B, of which Sections 13A and 13B are within Improvement Area #4. On December 15, 2021, HM 6 Creeks Development assigned its managerial and oversight duties regarding the “Development Work” under the Sections 13/14 Development Agreement to Hanna/Magee LP #1, a Texas limited partnership (“Hanna/Magee LP #1” or the “Sections 13/14 Project Manager”).

THE DEVELOPMENT

Overview

The Development is an approximately 858.70-acre master planned residential development project located entirely within the extraterritorial jurisdiction of the City and is located approximately 2.5 miles northwest of the City center near Interstate Highway 35 and Farm to Market 150. The City is located in the southwest region of the Austin-Round Rock, TX Metropolitan Statistical Area (the “Austin MSA”) in the Texas Hill Country. Plans for the Development include a variety of parks, trails, open space areas and other amenities.

Land Acquisitions. HMBRR Development, HMBRR LP, and HMBRR LP #2, acquired approximately 61.49 acres, 188.51 acres, and 608.7 acres, respectively, totaling approximately 858.70 acres comprising the District on September 20, 2017. Subsequent to the initial purchases and through a series of sales and transfers, HMBRR LP sold the land it owned within the District to HMBRR Development and HMBRR LP #2 sold the land it owned within the District to the HM 6 Creeks Development. Prior to construction of the Improvement Area #3 Projects, HM 6 Creeks Development sold the land within Phase 1, Section 8A and Section 8B to Taylor Morrison of Texas, Inc. (“Taylor Morrison”). Prior to the development of Improvement Area #4, HM 6 Creeks Development sold Section 13A, Section 13B, Section 14A, and Section 14B to Pulte; however it maintained ownership of the land in Section 12. HM 6 Creeks Development and Pulte own all the land within the Remainder Area.

Development within the District

The current development plans for the District consist of the development of approximately eight (8) improvement areas or development phases. The Development will include certain Authorized Improvements for each improvement area as well as each improvement area’s pro-rata share of the Major Improvements benefitting such improvement area.

Development in Improvement Area #1. Development in the District began in 2018 with the development of the Improvement Area #1 Projects, benefitting Improvement Area #1 and Improvement Area #1’s allocable share of the Major Improvements. HMBRR Development completed the Improvement Area #1 Projects in May of 2020. The City issued its Improvement Area #1 Bonds in the aggregate principal amounts of \$7,495,000 in 2019 and \$4,420,000 in 2020 to finance the costs of the Improvement Area #1 Projects. As of December 1, 2022, the outstanding principal amount of the Improvement Area #1 Bonds is \$11,310,000.

Home construction has commenced in Improvement Area #1. The homebuilders in Improvement Area #1 include M/I Homes, Trendmaker Homes, Inc., a Texas corporation (“Trendmaker Homes”), Highland Homes, MHI Partnership, Ltd., a Texas limited partnership, an affiliate of McGuyer Homebuilders, Inc. (“MHI”), and Perry Homes (collectively, the “IA#1 Builders”). See “— Status of Purchase and Sale Agreements and Home Construction” below for more information on the status of purchase and sale agreements and home construction in Improvement Area #1.

Development in Improvement Area #2. HMBRR Development began construction of the Improvement Area #2 Projects, consisting of Authorized Improvements benefitting Improvement Area #2 and Improvement Area #2’s allocable share of the Major Improvements, in July of 2021. HMBRR Development completed the Improvement Area #2 Projects in September of 2022. The City issued its Series 2020 IA#2 Bonds in the aggregate principal amount of \$6,465,000 and entered into the Improvement Area #2 Reimbursement Agreement relating to the reimbursement of the balance of the costs of the Improvement Area #2 Projects in the initial amount not to exceed \$4,510,000. The Series 2023 IA#2B Bonds are being issued in part to refinance the outstanding Improvement Area #2 Reimbursement Obligation. As of December 1, 2022, the outstanding principal amount of the Improvement Area #2 Bonds is \$6,295,000.

Improvement Area #2 contains 260 lots in total and consists of four separate subdivision sections. There are 57, 91, 57 and 55 proposed lots in Sections 4A, 4B, 5A and 5B, respectively. As of November 30, 2022, HMBRR Development has sold 219 lots in Improvement Area #2 to homebuilders. Home construction commenced in Improvement Area #2 in October of 2021. The homebuilders in Section 4A and Section 4B are M/I Homes and Perry Homes. The homebuilders in Section 5A and Section 5B are MHI and Highland Homes (the “IA#2 Builders”).

Development in Improvement Area #3. HM 6 Creeks Development began construction of the Improvement Area #3 Projects, consisting of Authorized Improvements benefitting Improvement Area #3 and Improvement Area #3's allocable share of the Major Improvements, in February of 2021. HM 6 Creeks Development expects to complete the Improvement Area #3 Projects by February of 2023. The City issued its Improvement Area #3 Bonds in the aggregate principal amount of \$11,195,000 and entered into the Improvement Area #3 Reimbursement Agreement with HM 6 Creeks Development relating to the reimbursement of the balance of the costs of the Improvement Area #3 Projects in the amount of \$6,438,065. As of December 1, 2022, the outstanding principal amount of the Improvement Area #3 Bonds is \$11,195,000.

Pursuant to a development agreement (the "Sections 8A/8B Development Agreement"), Taylor Morrison retained HM 6 Creeks Development to develop the lots within Phase 1, Section 8A and Section 8B on its behalf; however, Taylor Morrison remained the homebuilder for the homes within Phase 1, Section 8A and Section 8B. HM 6 Creeks Development substantially completed the lots within Phase 1, Section 8A in January of 2022 and within Section 8B in November of 2022. Home construction commenced in Phase 1, Section 8A and Section 8B of Improvement Area #3 in April of 2022. M/I Homes and Perry Homes are the homebuilders for Section 9 of Improvement Area #3. The Remainder Area

The Remainder Area includes all property within the District excepting Improvement Area #1, Improvement Area #2 Improvement Area #3 and Improvement Area #4 and certain land within the District designated as parkland or right-of-way and land owned by the HOA. Concurrently, with the levy of the assessments on Improvement Area #4, the City levied assessments in the amount of \$3,290,424 for certain Authorized Improvement benefiting the Remainder Area (the “Remainder Area Authorized Improvements”). The costs of the Remainder Area Authorized Improvements are payable pursuant to the Remainder Area Reimbursement Agreement (as defined in the Service and Assessment Plan).

Future Improvement Area Bonds

HM 6 Creeks Development may make one or more requests to the City to issue Future Improvement Area Bonds to finance the cost of Authorized Improvements to be developed to serve the Future Improvement Areas in the Remainder Area as the development proceeds. The estimated costs of such improvements benefiting Future Improvement Areas of the District will be determined as the Remainder Area of the District is developed, and the Service and Assessment Plan will be updated to identify the Authorized Improvements to be constructed within Future Improvement Areas of the District to be financed by each series of Future Improvement Area Bonds. Such Future Improvement Area Bonds will be secured by separate assessments levied pursuant to the PID Act on assessable property within the applicable Future Improvement Areas in the Remainder Area of the District that benefit from the Authorized Improvements.

Any Future Improvement Area Bonds issued by the City are separate and distinct issues of securities. The City reserves the right to issue other obligations for any purpose permitted by the PID Act, including those described above, subject to the conditions discussed in “SECURITY FOR THE BONDS SIMILARLY SECURED – Additional Obligations, Other Liens, and Refunding Bonds.”

Zoning/Permitting

Pursuant to the Development Agreement, an approximately 100-acre portion of the Development that was originally within the corporate limits of the City was de-annexed by the City. As the Development is now entirely located outside of the City's corporate limits, the City's zoning ordinances are not applicable to the Development.

Pursuant to the Development Agreement, the Development must comply with the land use and development standards and the design guidelines contained in the Development Agreement. Further, homebuilders within the Development are required to comply with the City's building code in effect as of May 6, 2016. Such building code includes certain requirements for parks and recreation, sign standards and permits, site development, streets, sidewalks and other public places, subdivisions and utilities, as well as imposing building regulations under the 2009 International Building Code, 2009 International Residential Code, 2009 International Plumbing Code, 2009 International Mechanical Code, 2000 International Electrical Code, 2009 International Fire Code, 2009 International Energy Conservation Code, and 2009 International Property Maintenance Code. The Developers are also required under the Development Agreement to pay the City's standard building inspection fees. For more information, see "APPENDIX G – Development Agreement."

Among other restrictions and requirements contained in the Development Agreement, the Development is also subject to the following land use restrictions:

| Use | Lot Width | Minimum Lot Size (SF) | Minimum Living Area (SF) | Total Lots/Units | Lots or Units | % of Total | Minimum/Maximum % |

Amenities

In-District. Pursuant to the Development Agreement, the current park and open space plan for the Development provides for approximately 249.41 acres of open space areas, 22.12 acres of amenity areas, and 110.55 acres of parkland areas. The Development Agreement contemplates that over three miles of joint use 8-foot and 10-foot concrete trails within 10-foot to 20-foot Trail Corridor/ROW/Easement will be provided. Additionally, native trails (approximately 8,553 lateral feet) will be provided within open space and floodplain areas. The concrete trails are being constructed in progression with the Development of each improvement area. As of December 1, 2022, concrete trails have been constructed in Improvement Area #1 and Improvement Area #2 and are under construction in Improvement Area #3 and Improvement Area #4. Additionally, a 6-foot decorative masonry wall has been built along the rear or sides of homes backing or siding to collector roads (roads without lots fronting on them) within a 25-foot landscaped parkway (10-feet of right-of-way with a 15-foot Wall and Landscape Easement/Lot).

HMBRR Development and HM 6 Creeks Development's current plans also provide for an amenity site where an amenity center and a swimming pool (collectively, the "Community Center") will be constructed. Pursuant to the Sections 8A/8B Development Agreement, construction of the Community Center was to commence by the date that one-hundred-and-fifty (150) single-family homes were constructed and occupied in the District. Construction of the Community Center was expected to be completed by the date that two hundred (200) single-family were constructed and occupied in the District. The Community Center is to be conveyed to the HOA promptly after its completion. HMBRR Development and HM 6 Creeks Development estimate that the Community Center will cost approximately \$2,000,000. Pursuant to the Sections 8A/8B Development Agreement, Taylor Morrison paid HMBRR Development an amenity fee in the amount of \$2,000 per lot, for the lots in Sections 8A/8B. Similarly, pursuant to the Sections 13/14 Development Agreement, Pulte agreed to pay HM 6 Creeks Development an amenity fee in the amount of \$2,000 per lot, for each of the lots in Sections 13A/B and 14A/B. Pulte has paid its amenity fees for the lots in Sections

13A/B, and is obligated to pay the amenity fees in Section 14 following completion of construction of the lots in Sections 14A/B.

HMBRR Development and HM 6 Creeks Development began construction of the Community Center in October 2021, and it remains underway. As of September 30, 2022, there were approximately 368 occupied homes in the District; however, the Community Center has not yet been completed. Completion of the Community Center requires a permit for pool construction, which was delayed due to previous drought conditions; however, the City has notified HMBRR Development and HM 6 Creeks Development that the permit for pool construction has been approved as of December 23, 2022. HMBRR Development and HM 6 Creeks Development expect construction of the Community Center, including the pool, to be complete in May of 2023.

Adjacent to District. The Development Agreement required Original Landowner to dedicate approximately ten acres of land adjacent to the Development for a river park amenity that will provide access to the Blanco River. While such amenity is expected to open to the public and could be used by residents within the District, such amenity will not be within the boundaries of the District.

Schools

The District is located entirely within the Hays Consolidated Independent School District (“Hays CISD”). Hays CISD operates 26 campuses that are located throughout northern Hays County and serves approximately 20,000 students. Such campuses include three comprehensive high schools, six middle schools (6-8 grade), 15 elementary schools, an alternative high school of choice, a disciplinary center and a performing arts center. The Hays CISD schools nearest the District are Laura B Negley Elementary School (“Negley Elementary”), RC Barton Middle School (“Barton Middle”), and Jack C Hays High School (“Hays High”). GreatSchools.org rated Negley Elementary 8-out-of-10, Barton Middle as 7-out-of-10, and Hays High 6-out-of-10. According to the Texas Education Agency annual report cards, Negley Elementary was rated as “B”, Barton Middle as “A”, and Hays High as “A”. (The categories for public school districts and public schools are A, B, C, D or F.)

The District is also served by Austin Community College (“ACC”), which is a junior college district located in Central Texas with a total annual enrollment of approximately 70,000 students. It is accredited by the Southern Association of Colleges and Schools Commission on Colleges to award associate degrees and baccalaureate degrees. ACC’s Hays Campus is located approximately three miles from the District. According to ACC’s website, ACC is currently constructing a First Responder Training Center at the Hays Campus that will offer students emergency training. The Hays Campus also offers law enforcement, corrections, and peace officer tracks, as well as core curriculum designed to be transferred to four-year colleges and universities.

The District is also located approximately ten miles from Texas State University (“Texas State”), a public research university located in the City of San Marcos, Texas. According to its website, Texas State currently has more than 38,000 undergraduate and graduate students and offers over 200 bachelor’s, master’s, and doctoral degree programs.

Environmental

A Phase I Environmental Site Assessment (a “Phase I ESA”) of approximately 2,165 acres, including the entirety of the District’s boundaries and certain real property adjacent to the District, was completed in May of 2015. Based on the information presented in the Phase I ESA, there was no evidence that the Development was under environmental regulatory review or enforcement action. The site reconnaissance, regulatory database review, historical source review and testing identified in the Phase I ESA revealed no evidence of recognized environmental conditions involving the property comprising the District. The Phase I ESA did not recommend that a Phase II environmental site assessment be performed.

Development of the property is subject to a variety of environmental rules, including the Edwards Aquifer Rules (Title 30, Chapter 213 of the Texas Administrative Code) of the Texas Commission on Environmental Quality (“TCEQ”), the City’s Water Quality Protection Ordinance, the City’s Conservation Design Ordinance, and the federal Endangered Species Act.

A portion of the District lies within the Edwards Aquifer Contributing Zone within the Transition Zone. Where applicable, Contributing Zone Plans meeting all applicable TCEQ requirements have been completed and approved prior to construction.

According to the website for the United States Fish and Wildlife Service, the Texas blind salamander, Barton Springs salamander, whooping crane, golden-cheeked warbler, fountain darter, San Marcos gambusia, Texas wild-rice, Comal Springs riffle beetle, Comal Springs dryopid beetle are endangered species in Hays County, and the San Marcos salamander and the red knot are threatened species in Hays County.

Utilities

Water and Wastewater Service. Pursuant to the Development Agreement and subject to the Developers' obligation to construct certain Authorized Improvements necessary to serve the Development, the City has committed and agreed to provide retail water and wastewater capacity and service in the Development for up to 2,100 times the average daily amount of water and wastewater required for a single-family residence (each, an "LUE"). See also "THE CITY – Water and Wastewater." Water and wastewater service provided to the customers within the Development by the City will be nondiscriminatory and consistent with City's policies, tariffs and regulations applicable to customers of the City's water and wastewater systems located within the City's corporate limits, as such policies, regulations and tariffs may be amended from time to time in accordance with applicable law. See "THE IMPROVEMENT AREA #4 AUTHORIZED IMPROVEMENTS – The Development Agreements" for a discussion of various provisions of the Development Agreement related to the City's provision of utility service within the District.

Other Utilities. Developer expects additional utilities to be provided by: (1) Phone/Data/Cable – Centric/Fiber; (2) Electric – Pedernales Electric Cooperative; and (3) Natural Gas – Universal Natural Gas.

Geotechnical Exploration

Preliminary geotechnical explorations (the "Geotechs") were performed by MLA Geotechnical, a division of MLA Labs, Inc., for Sections 5A, 5B, 6, 7, 13A, and 13B in November 2019, February 2021, and July 2021, respectively. The Geotechs were undertaken for the purpose of making certain recommendations concerning pavement thickness for the property within Improvement Area #4. The Developers have adhered to the recommendations made within the Geotech reports in connection with its construction of the Improvement Area #4 Projects.

Existing Mineral and Groundwater Rights

There are certain mineral rights reservations of one or more prior owners of real property within the District, including the Texas General Land Office (collectively, the "Mineral Owner"), pursuant to one or more deeds in the chain of title for the property in the District. Some of these reservations of mineral rights include a partial waiver by the Mineral Owner of its right to enter onto the surface of the property to explore, develop, drill, produce or extract minerals within the District. However, the Mineral Owner has reserved the right to continue to use the surface of three two-acre sites within the District (the "Designated Drill Sites") for purposes incident to the development or production of oil and gas and certain other minerals. Further, in the event that Mineral Owner or its lessees explore for or produce minerals from within the District, the owners of real property are required to grant and convey an access easement providing ingress and egress to the Designated Drill Sites in a manner that does not materially impair the development of the land within the District.

The Mineral Owner also has groundwater and groundwater leasing rights in the land comprising the District. The Mineral Owner has waived its right to enter onto the surface of the land within the District with respect to such rights, but is permitted to develop its groundwater and groundwater leasing rights on land adjacent to the District.

All of the Designated Drill Sites are located outside of Improvement Area #4. Per Developer, the Designated Drill Sites were selected because of their location within the 100-year floodplain. Designated Drill Sites are located in the green belts adjacent to Section 17, and in between Sections 6A and 10.

The Developers are not aware of any ongoing mineral or groundwater rights development or exploration on or adjacent to the property within the District. However, per the Developers, the Original Landowner (as defined herein) owns approximately 1,300 acres of real property adjacent to the District, which is also subject to the Mineral Owner's reserved mineral and groundwater rights described above. Certain rules and regulations of the Texas Railroad Commission may also restrict the ability of the Mineral Owner to explore or develop the property due to well density, acreage, pooling regulations or location issues.

Although the Developers do not expect the above-described mineral and groundwater rights, or the exercise of such rights or any other mineral or groundwater rights or related real property rights in or around the District, to have a material adverse effect on the Development, the property within the District, or the ability of landowners within the District to pay Assessments, the Developers make no guarantee as to such expectation. See "BONDHOLDERS' RISKS — Exercise of Mineral and Groundwater Rights."

THE DEVELOPERS

General

In general, the activities of a developer in a development such as the District include purchasing the land, designing the subdivision, including the utilities and streets to be installed and any community facilities to be built, defining a marketing program and building schedule, securing necessary governmental approvals and permits for development, arranging for the construction of roads and the installation of utilities (including, in some cases, water, sewer, and drainage facilities, as well as telephone and electric service) and selling improved lots and commercial reserves to builders, developers, or other third parties. The relative success or failure of a developer to perform such activities within a development may have a material effect on the security of the revenue bonds, such as the Bonds, issued by a municipality for a public improvement district. A developer is generally under no obligation to develop the property which it owns in a development. Furthermore, there is no restriction on the developer's right to sell any or all of the land which the developer owns within a development. In addition, a developer is ordinarily the major tax and assessment payer within a district during its development. See "BONDHOLDERS' RISKS – Dependence Upon Developer."

Description of the Developers

The Developers are affiliates of Hanna/Magee and were created by Hanna/Magee for the purpose of acquiring, developing and ultimately conveying property in the District to builders and other third parties, as described under the caption "THE DEVELOPMENT." HM 6 Creeks Development is a nominally capitalized Texas corporation, the primary assets of which are the proceeds received from the sale of Sections 8A, 8B, 13A and 13B (as well as Sections 14A and 14B in the Remainder Area), including amounts to be received under the Sections 8A/B Development Agreement and Sections 13/14 Development Agreement. HMBRR Development is a nominally capitalized Texas corporation, the primary assets of which are (1) unsold property within Improvement Area #2 and Improvement Area #4 of the District and (2) the proceeds received from the sale of lots in Improvement Area #1, Improvement Area #2, and Section 6A, Section 7 and Section 12 of Improvement Area #4. The Developers will have no source of funds with which to pay Assessments or taxes levied by the City or any other taxing entity other than funds resulting from the sale of property within the District or funds advanced to either of the Developers by its shareholders or partners, or an affiliated party. The Developers' ability to make full and timely payments of Assessments or taxes will directly affect the City's ability to meet its obligation to make payments on the Bonds. For additional information, see "BONDHOLDERS' RISKS — Dependence Upon Improvement Area #4 Landowners" herein.

History and Financing of the District

Summary of At-Risk Entities and Investments in the District Subordinate to the Assessment Lien. To finance the acquisition of land within Improvement Area #4 and the development of Improvement Area #4, the Developers, Pulte and certain third parties, including ABC (as defined below), have expended, or will expend, equity or extended promissory notes that are secured by a lien on some or all of the real property within the District, including Improvement Area #4, that are subordinate to the lien associated with the Assessments securing the Bonds.

The Property Acquisition. HMBRR Development and HM 6 Creeks Development were formed, for the purpose, among other things, of acquiring and developing property within the District. On September 20, 2017, HMBRR Development and HMBRR LP purchased approximately 61.49 acres and 188.51 acres, respectively, for a total of approximately 250 acres within the District from Original Landowner. Simultaneously, another affiliate of HMBRR Development, HMBRR LP #2, purchased approximately 608 acres within the District from the Original Landowner, subject to a seller financed note back to the Original Landowner (the “Seller Note”).

On October 9, 2018, HMBRR Development acquired approximately 35.48 acres from HMBRR LP, out of the approximately 188.51 acres owned by HMBRR LP, and on February 14, 2020, HMBRR Development acquired the remaining approximately 153.03 acres from HMBRR LP. On September 23, 2020, HM 6 Creeks Development acquired approximately 249.051 acres from HMBRR LP #2, out of the original approximately 608-acre tract land owned by HMBRR LP #2. On January 28, 2021, prior to the development of Improvement Area #3 (Improvement Area #3 consists of Phase 1, Sections 8A, 8B, 9, and 10), HM 6 Creeks Development sold approximately 50.57 acres of the land it owned (consisting of Section 8A and Section 8B) to Taylor Morrison.

On December 15, 2021, prior to the development of Improvement Area #4 (Improvement Area #4 consists of Phase 1, Section 6A, Section 7, Section 12, Section 13A, and Section 13B), HM 6 Creeks Development acquired

93.991 acres and 5.964 acres from HMBRR LP #2 out of the approximately 608-acre tract owned by HMBRR LP #2. That same day, HM 6 Creeks Development sold approximately 93.991 acres (consisting of Section 13A, Section 13B, Section 14A, and Section 14B)* to Pulte.

On September 26, 2022, HM 6 Creeks Development acquired the remaining approximately 259.70 acres that were owned by HMBRR LP #2. Accordingly, HMBRR LP #2 no longer owns any land within the District. Currently, HMBRR Development, HM 6 Creeks Development, and Pulte own the land within Improvement Area #4, and HM 6 Creeks Development and Pulte own all the land within the Remainder Area.

Acquisition and Development Financing. The original acquisition and subsequent acquisitions of property within the District by HMBRR Development, were funded with equity by means of contributions made to HMBRR Development by its shareholders and a portion of the proceeds of a development loan from American Bank in the amount of \$8,000,000 (the “Development Loan”). The Development Loan was secured by a deed of trust in favor of American Bank, which covered approximately 61.49 acres within the District. The Development Loan was subsumed under the HMBRR Development and Acquisition Loan described below.

The original acquisition of property within the District by HMBRR LP was funded by an acquisition loan from American Bank in the amount of \$5,000,000 (the “Acquisition Loan”). The Acquisition Loan was secured by a deed of trust in favor of American Bank, which covered approximately 188.51 acres within the District. The Acquisition Loan was subsumed under the HMBRR Development and Acquisition Loan described below.

HMBRR Development purchased land from HMBRR LP on February 14, 2020, pursuant to an assumption and special warranty deed pursuant to which HMBRR Development assumed and promised to keep and perform all of the covenants and obligations of HMBRR LP under the Acquisition Loan. On February 14, 2020, HMBRR Development and American Bank entered into a new loan in the amount of \$13,000,000 (the “HMBRR Development and Acquisition Loan”), which replaced the Development Loan and the Acquisition Loan and transferred the outstanding, unpaid balances of the Development Loan and the Acquisition Loan to the new HMBRR Development and Acquisition Loan. The HMBRR Development and Acquisition Loan was secured by a deed of trust dated February 14, 2020, in favor of American Bank. In September 2020, HMBRR Development paid off the HMBRR Development and Acquisition Loan and obtained a new \$6,000,000 development loan (the “HMBRR Development Loan”) from American Bank of Commerce (“ABC”), which has a revolving feature and is the current construction financing loan for HMBRR Development. Payment of amounts drawn on the HMBRR Development Loan is secured by a deed of trust and lien on the land within the District owned by HMBRR Development. Additionally, Blake J. Magee and Jay A. Hanna are the guarantors of the HMBRR Development Loan.

The original financing of the property within the District by HMBRR LP #2 was financed by the Seller Note. HM 6 Creeks Development purchased approximately 250 acres from HMBRR LP #2 on September 23, 2020, funded with equity from its shareholders and proceeds of an acquisition loan of \$9,000,000 from ABC, which loan was reduced to \$7,000,000 by the proceeds of the sale of approximately 50 acres (Sections 8A and 8B) to Taylor Morrison. HM 6 Creeks Development purchased an additional 99.955 acres from HMBRR LP #2 on December 15, 2021, 93.991 acres (Sections 13A, 13B, 14A and 14B) of which was immediately conveyed to Pulte. Finally, HM 6 Creeks Development acquired the remaining land owned by HMBRR LP #2 by Special Warranty Deed dated September 20, 2022 and entered into a \$14,000,000 acquisition and development loan from ABC (the “HM 6 Creeks Development and Acquisition Loan”), which amended and restated the acquisition loan. The HM 6 Creeks Development and Acquisition Loan has a revolving feature and is the current construction financing loan for HM 6 Creeks Development. Payment of amounts drawn on the HM 6 Creeks Development and Acquisition Loan is secured by a deed of trust and lien on the land within the District owned by HM 6 Creeks Development. Additionally, Blake J. Magee and Jay A. Hanna are the guarantors of the HM 6 Creeks Development and Acquisition Loan.

(REMAINDER OF PAGE IS INTENTIONALLY LEFT BLANK.)

* The final plats for Section 13A and Section 13B include additional right-of-way for roads not included in the 93.991-acre tract purchased by Pulte.

APPRAISAL OF PROPERTY WITHIN IMPROVEMENT AREA #4 OF THE DISTRICT

The Appraisal

General. Barletta & Associates, Inc. (the "Appraiser"), prepared an appraisal report for the City dated July 7, 2022, based upon a physical inspection of the District conducted on June 10, 2022 (the "Appraisal"). The effective dates of value below are based upon completion; however, due to circumstances beyond the Developers' control, the improvements in Sections 6A, 7, and 13A were not completed as expected at the time of the Appraisal. This delay could impact the prospective bulk market value at completion, as noted below. Additionally, the Appraisal does not include Section 12. The Appraisal was prepared at the request of the City and is addressed solely to the Underwriter for use in preparing an estimated value of property in connection with the issuance of the Bonds. The estimates of value presented in the Appraisal are no indication of the appraised property's actual market value. Investors should not assume that the disposition of the lots in Improvement Area #4 in the event of default would provide sufficient funds to pay the principal of Bonds outstanding at that time. The Appraisal does not constitute a recommendation to any person to purchase or sell the Bonds. The description herein of the Appraisal is intended to be a brief summary only of the Appraisal as it relates to Improvement Area #4 of the District. The Appraisal is attached hereto as APPENDIX H and should be read in its entirety. The conclusions reached in the Appraisal are subject to certain assumptions, hypothetical conditions and qualifications, which are set forth therein. See "APPENDIX H — Appraisal."

Value Estimates. The Appraiser estimated the bulk market value of the fee simple interest in the land comprising Improvement Area #4, **except for Section 12**, (described as "Phase 1" in the Appraisal) of the District by gathering comparable market data and conducting a study of the market area for the purpose of providing the Appraiser's opinion of the "Upon Completion" bulk market value of the 79 proposed lots in Phase 1, Section 6A, the 69 proposed lots in Phase 1, Section 7, the 44 proposed lots in Phase 1, Section 13A, and the 79 proposed lots in Phase 1, Section 13B. ***Please note the Appraisal did not take into consideration any of the proposed lots in Section 12, as Section 12 was not included in Improvement Area #4 at the time of preparation of the Appraisal.***

The sales comparison approach was used to conclude the market values of the bulk and retail revenue of the existing and proposed residential lots. An income approach retail sell-out technique was then employed to derive the indicated “upon completion” bulk market values of the proposed lots in Section 6A, Section 7, Section 13A, and Section 13B of Phase 1. The Appraisal contains a number of assumptions, including that the marketing plan for Improvement Area #4 is for new homes with a price-point range of approximately \$300,000 to \$900,000, and built by production home builders including Perry Homes, Pulte Homes, M/I Homes, Coventry Homes, Highland Homes and Taylor Morrison Homes, or comparable homebuilders. See “APPENDIX H — Appraisal.”

The value estimate for the assessable property within Improvement Area #4 of the District using the methodologies described in the Appraisal and subject to the limiting conditions and assumptions set forth in the Appraisal, is \$25,630,000. Phase 1, Section 6A has an “Upon Completion” bulk market value of \$6,225,000 based on an effective date of August 1, 2022. Phase 1, Section 7 has an “Upon Completion” bulk market value of \$7,075,000 based on an effective date of February 1, 2023. Phase 1, Section 13A has an “Upon Completion” bulk market value of \$4,860,000 based on an effective date of August 1, 2022. Phase 1, Section 13B has an “Upon Completion” bulk market value of \$7,470,000 based on an effective date of August 1, 2022.

BONDHOLDERS’ RISKS

Before purchasing any of the Bonds, prospective investors and their professional advisors should carefully consider all of the risk factors described below which may create possibilities wherein interest may not be paid when due or that the Bonds may not be paid at maturity or otherwise as scheduled, or, if paid, without premium, if applicable. The following risk factors (which are not intended to be an exhaustive listing of all possible risks associated with an investment in the Bonds) should be carefully considered prior to purchasing any of the Bonds. Moreover, the order of presentation of the risks summarized below does not necessarily reflect the significance of such investment risks.

THE BONDS ARE SPECIAL, LIMITED OBLIGATIONS OF THE CITY PAYABLE SOLELY FROM THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. THE BONDS DO NOT GIVE RISE TO A CHARGE AGAINST THE GENERAL CREDIT OR TAXING POWER OF THE CITY AND ARE PAYABLE SOLELY FROM THE SOURCES IDENTIFIED IN THE INDENTURE. THE OWNERS OF THE BONDS SHALL NEVER HAVE THE RIGHT TO DEMAND PAYMENT THEREOF OUT OF MONEY RAISED OR TO BE RAISED BY TAXATION, OR OUT OF ANY FUNDS OF THE CITY OTHER THAN THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. NO OWNER OF THE BONDS SHALL HAVE THE RIGHT TO DEMAND ANY EXERCISE OF THE CITY’S TAXING POWER TO PAY THE PRINCIPAL OF THE BONDS OR THE INTEREST OR REDEMPTION PREMIUM, IF ANY, THEREON. THE CITY SHALL HAVE NO LEGAL OR MORAL OBLIGATION TO PAY THE BONDS OUT OF ANY FUNDS OF THE CITY OTHER THAN THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE.

General

The ability of the City to pay debt service on the Bonds as due is subject to various factors that are beyond the City’s control. These factors include, among others, (a) the ability or willingness of property owners within the District to pay Assessments levied by the City, (b) cash flow delays associated with the institution of foreclosure and enforcement proceedings against property within Improvement Area #4 of the District, (c) general and local economic conditions that may impact real property values, the ability to liquidate real property holdings and the overall value of real property development projects, and (d) general economic conditions which may impact the general ability to market and sell the lots within the District, it being understood that poor economic conditions within the City, State and region may slow the assumed pace of sales of such lots.

The rate of development of the property in the District is directly related to the vitality of the residential housing industry. In the event that the sale of the lands within the District should proceed more slowly than expected and the Improvement Area #4 landowners are unable to pay the Assessments, only the value of the lands, with improvements, will be available for payment of the debt service on the Bonds, and such value can only be realized

through the foreclosure or expeditious liquidation of the lands within Improvement Area #4 of the District. There is no assurance that the value of such lands will be sufficient for that purpose and the expeditious liquidation of real property through foreclosure or similar means is generally considered to yield sales proceeds in a lesser sum than might otherwise be received through the orderly marketing of such real property.

The Underwriter is not obligated to make a market in or repurchase any of the Bonds, and no representation is made by the Underwriter, the City or the City's Financial Advisor that a market for the Bonds will develop and be maintained in the future. If a market does develop, no assurance can be given regarding future price maintenance of the Bonds.

The City has not applied for or received a rating on the Bonds. The absence of a rating could affect the future marketability of the Bonds. There is no assurance that a secondary market for the Bonds will develop or that holders who desire to sell their Bonds prior to the stated maturity will be able to do so.

Deemed Representations and Acknowledgment by Purchasers

Each purchaser of Bonds (each a "Purchaser") will be deemed to have acknowledged and represented to the City the matters set forth under the heading "LIMITATIONS APPLICABLE TO INITIAL PURCHASERS" which include among others a representation and acknowledgment that the purchase of the Bonds involves investment risks, certain of which are set forth under this heading "BONDHOLDERS' RISKS" and elsewhere herein, and such purchaser, either alone or with its purchaser representative(s) (as defined in Rule 501(h) of Regulation D under the Securities Act), has sophisticated knowledge and experience in financial and business matters and the capacity to evaluate such risks in making an informed investment decision to purchase the Bonds, and the purchaser can afford a complete loss of its investment in the Bonds.

Assessment Limitations

Annual Installments of Assessments are billed to property owners in Improvement Area #4 of the District. Annual Installments are due and payable, and bear the same penalties and interest for non-payment, as for ad valorem taxes as set forth under "ASSESSMENT PROCEDURES" herein. Additionally, Annual Installments established by the Service and Assessment Plan correspond in number and proportionate amount to the number of installments and principal amounts of Bonds maturing in each year, Annual Collection Costs, and the Additional Interest. See "ASSESSMENT PROCEDURES" herein. The unwillingness or inability of a property owner to pay regular property tax bills as evidenced by property tax delinquencies may also indicate an unwillingness or inability to make regular property tax payments and Annual Installments of Assessment payments in the future.

In order to pay debt service on the Bonds, it is necessary that Annual Installments are paid in a timely manner. Due to the lack of predictability in the collection of Annual Installments in the District, the City has established a Reserve Account in the Reserve Fund, to be funded from the proceeds of the Bonds, to cover delinquencies. The Annual Installments are secured by the Assessment Lien. However, there can be no assurance that foreclosure proceedings will occur in a timely manner so as to avoid depletion of the Reserve Account and delay in payments of debt service on the Bonds. See "BONDHOLDERS' RISKS — Remedies and Bankruptcy" herein.

Upon an ad valorem tax lien foreclosure event of a property within Improvement Area #4 of the District, any Assessment that is also delinquent will be foreclosed upon in the same manner as the ad valorem tax lien (assuming all necessary conditions and procedures for foreclosure are duly satisfied). To the extent that a foreclosure sale results in insufficient funds to pay in full both the delinquent ad valorem taxes and the delinquent Assessments, the liens securing such delinquent ad valorem taxes and delinquent Assessments would likely be extinguished. Any remaining unpaid balance of the delinquent Assessments would then be an unsecured personal liability of the original property owner.

Based upon the language of Texas Local Government Code, § 372.017(b), case law relating to other types of assessment liens and opinions of the Texas Attorney General, the Assessment Lien as it relates to installment payments that are not yet due should remain in effect following an ad valorem tax lien foreclosure, with future installment payments not being accelerated. Texas Local Government Code § 372.018(d) supports this position, stating that an

Assessment Lien runs with the land and the portion of an assessment payment that has not yet come due is not eliminated by foreclosure of an ad valorem tax lien.

The Assessment Lien is superior to any homestead rights of a property owner that were properly claimed after the adoption of the Assessment Ordinance. However, an Assessment Lien may not be foreclosed upon if any homestead rights of a property owner were properly claimed prior to the adoption of the Assessment Ordinance (“Pre-existing Homestead Rights”) for as long as such rights are maintained on the property. It is unclear under State law whether or not Pre-existing Homestead Rights would prevent the Assessment Lien from attaching to such homestead property or instead cause the Assessment Lien to attach, but remain subject to, the Pre-existing Homestead Rights.

Under State law, in order to establish homestead rights, the claimant must show a combination of both overt acts of homestead usage and intention on the part of the owner to claim the land as a homestead. Mere ownership of the property alone is insufficient and the intent to use the property as a homestead must be a present one, not an intention to make the property a homestead at some indefinite time in the future. As of the date of adoption of the Assessment Ordinance, no such homestead rights had been claimed. Furthermore, the Improvement Area #4 Landowners are not eligible to claim homestead rights and the Improvement Area #4 Landowners represent that they own all property within Improvement Area #4 of the District as of the date of the Assessment Ordinance. Consequently, there are and can be no homestead rights on the Assessed Property superior to the Assessment Lien and, therefore, the Assessment Liens may be foreclosed upon by the City.

Failure by owners of the parcels to pay Annual Installments when due, depletion of the Reserve Fund, delay in foreclosure proceedings, or the inability of the City to sell parcels which have been subject to foreclosure proceedings for amounts sufficient to cover the delinquent installments of Assessments levied against such parcels may result in the inability of the City to make full or punctual payments of debt service on the Bonds.

THE ASSESSMENTS CONSTITUTE A FIRST AND PRIOR LIEN AGAINST THE PROPERTY ASSESSED, SUPERIOR TO ALL OTHER LIENS AND CLAIMS EXCEPT LIENS AND CLAIMS FOR STATE, COUNTY, SCHOOL DISTRICT OR MUNICIPALITY AD VALOREM TAXES AND IS A PERSONAL OBLIGATION OF AND CHARGE AGAINST THE OWNERS OF PROPERTY LOCATED WITHIN IMPROVEMENT AREA #4 OF THE DISTRICT.

Infectious Disease Outbreak

In March 2020, the World Health Organization and the President of the United States separately declared the outbreak of a respiratory disease caused by a novel coronavirus (“COVID-19”) to be a public health emergency (the “Pandemic”). On January 31, 2020, the Secretary of the United States Health and Human Services Department declared a public health emergency for the United States. On March 13, 2020, the President of the United States declared the Pandemic a national emergency and the Governor of Texas (the “Governor”) declared a state of disaster for all counties in the State in response to the Pandemic. Under State law, the proclamation of a state of disaster by the Governor may not continue for more than 30 days unless renewed. The Governor has renewed his declaration monthly, most recently on January 15, 2023.

There are currently no COVID-19 related operating limits imposed by executive order of the Governor for any business or other establishment in the State. The Governor retains the right to impose additional restrictions on activities if needed in order to mitigate the effects of COVID-19. The City has not experienced any decrease in property values or unusual tax delinquencies as a result of COVID-19; however, the City cannot predict the long-term economic effect of COVID-19 or a similar virus should there be a reversal of economic activity and re-imposition of restrictions.

Adverse economic conditions, if they materialize, may reduce or negatively affect economic conditions in the City and lead to unemployment for property owners within the District or may otherwise have a negative impact on the sale of parcels, lots or homes within the District. The Bonds are secured primarily by Assessments levied on benefitted property within the District.

None of the City, the Financial Advisor, the Underwriter, or the Developers can predict the impact COVID-19 may have on the City, the financial and operating condition of the Developers, the projected buildout schedule, home prices and buildout values or an investment in the Bonds.

Risk from Weather Events

All of the State, including the City, is subject to extreme weather events that can cause loss of life and damage to property through strong winds, flooding, heavy rains and freezes, including events similar to the severe winter storm that the continental United States experienced in February 2021, which resulted in disruptions in the Electric Reliability Council of Texas power grid and prolonged blackouts throughout the State. It is impossible to predict whether similar events will occur in the future and the impact they may have on the City, including land within the District.

In the event of a severe natural disaster, there may be significant damage to both property and infrastructure in the District. As a result, a substantial portion of the property owners may be unable or unwilling to pay the Special Assessments when due. In addition, the value of land in the District could be diminished in the aftermath of such a natural disaster, reducing the resulting proceeds of foreclosure sales in the event of delinquencies in the payment of the Assessments.

General Risks of Real Estate Investment and Development

The Developers have the right to modify or change its plan for development of the District, from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed. No defined “true-up” agreement has been entered into between the City and the Developers, nor is there a requirement that future developers enter into such an agreement. There can be no assurance, in the event the Developers or a subsequent developer modifies or changes its plan for development that the necessary revisions to the Service and Assessment Plan will be made. Nor can there be an assurance that the eventual assessment burden on the property will be marketable.

The ability of the Developers and homebuilders to develop lots and sell single-family residential homes within the District may be affected by unforeseen changes in the general economic conditions, fluctuations in the real estate market and other factors beyond the control of the owner of the single-family residential lots. In the event that a large number of single-family projects are constructed outside of the District, and compete with the Development, the demand for residential housing within the District could be reduced, thereby adversely affecting the continued development of the Development, or its attraction to businesses and residents.

Investments in undeveloped or developing real estate are generally considered to be speculative in nature and to involve a high degree of risk. The Development will be subject to the risks generally incident to real estate investments and development. Many factors that may affect the Development, as well as the operating revenues of the Developers, including those derived from the Development, are not within the control of the Developers. Such factors include changes in national, regional and local economic conditions; changes in long and short term interest rates; changes in the climate for real estate purchases; changes in demand for or supply of competing properties; changes in local, regional and national market and economic conditions; unanticipated development costs, market preferences and architectural trends; unforeseen environmental risks and controls; the adverse use of adjacent and neighboring real estate; changes in interest rates and the availability of mortgage funds to buyers of the homes to be built in the Development, which may render the sale of such homes difficult or unattractive; acts of war, terrorism or other political instability; delays or inability to obtain governmental approvals; changes in laws; moratorium; acts of God (which may result in uninsured losses); strikes; labor shortages; energy shortages; material shortages; inflation; adverse weather conditions; contractor or subcontractor defaults; and other unknown contingencies and factors beyond the control of the Developers.

The Development cannot be completed without the Developers obtaining a variety of governmental approvals and permits, some of which have already been obtained. Certain permits are necessary to initiate construction of each phase of the Development and to allow the occupancy of residences and to satisfy conditions included in the approvals and permits. There can be no assurance that all of these permits and approvals can be

obtained or that the conditions to the approvals and permits can be fulfilled. The failure to obtain any of the required approvals or fulfill any one of the conditions could cause materially adverse financial results for the Developers.

A slowdown of the development process and the related absorption rate within the Development because of any or all of the foregoing could affect adversely land values. The timely payment of the Bonds depends on the willingness and ability of the Developers, the homebuilders and any subsequent owners to pay the Assessments when due. Any or all of the foregoing could reduce the willingness and ability of such owners to pay the Assessments and could greatly reduce the value of the property within the District in the event such property has to be foreclosed. If Annual Installments of Assessments are not timely paid and there are insufficient funds in the accounts of the Reserve Fund, a nonpayment could result in a payment default under the Indenture.

Competition; Real Estate Market

The successful development of the land within Improvement Area #4 of the District, the success of the District, and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developers. Moreover, the Developers have the right to modify or change their plans for development of the land within Improvement Area #4 of the District from time to time, including, without limitation, land use changes, changes in overall land and phasing plans, and changes to the type, mix, size and number of units to be developed. No prediction can be made about the state of the real estate market in the future or the availability of financing for potential home buyers.

Contracts that the Developers may have with individual homebuilders are subject to a myriad of contractual conditions and contingencies, all or some of which if not complied with, could precipitate a termination or winding up of such contractual arrangement for the sale of lots, causing the Developers to possibly need to execute a different strategy for the development and sale of lots and residential units within Improvement Area #4 of the District. As described herein, the Assessments are an imposition against the land only. Neither the Developers nor any other subsequent landowner is a guarantor of the Assessments and the recourse for the failure of the Developers or any other landowner to pay the Assessments is limited to the collection proceedings against the land as described herein.

The housing industry in the central Texas area is very competitive, and none of the Developers, the City, the City's Financial Advisor or the Underwriter can give any assurance that the building programs that are planned throughout the District will ever commence or be completed in accordance with the Developers' expectations. The competitive position of the Developers in the sale of developed lots or of any other homebuilder in the construction and sale of single-family residential units is affected by most of the factors discussed in this section, and such competitive position is directly related to maintenance of market values in the District.

There can be no assurances that other similar projects will not be developed in the future or that existing projects will not be upgraded or otherwise become able to compete with the Development.

Risks Related to the Current Residential Real Estate Market

Downturns in the real estate market and other factors beyond the control of the Developers, including general economic conditions, may impact the timing of parcel lot and home sales within the District. No assurances can be given that projected home prices and buildout values presented in this Limited Offering Memorandum will be realized.

Risks Related to Recent Increase in Costs and Low Supply of Building Materials

As a result of the Pandemic, low supply and high demand, and the ongoing trade war, there have been substantial increases in the cost of lumber and other materials, causing many homebuilders and general contractors to experience budget overruns. The Developers are responsible for the construction of the Public Improvements. The Developers expect to finance a portion of the costs of the Public Improvements from proceeds of the Bonds. If the Actual Costs of the Public Improvements are substantially greater than the estimated costs or if the Developers are unable to access building materials in a timely manner, it may affect the ability of the Developers to complete the Public Improvements or pay the Assessments when due. If the costs of material continue to increase or if the supply

of materials remains low, it may affect the ability of the homebuilders to construct homes within the District or pay Assessments when due. There is no way to predict whether such cost increases or low supply of building materials will continue or if such continuance will affect the development of the District.

Failure or Inability to Complete Proposed Development

Proposed development within the District (including the foregoing) may be affected by changes in general economic conditions, fluctuations in the real estate market and interest rates, changes in the income tax treatment of real property ownership, unexpected increases in development costs and other similar factors as well as availability of utilities and the development or existence of environmental concerns with such land. See “Availability of Utilities” and “Hazardous Substances” below. Land development within the District could also be affected adversely by changes in governmental policies, including, but not limited to, governmental policies to restrict or control development. (Any approvals needed in the future for the Development must come from the City.) There can be no assurances that other similar projects will not be developed in the future or that existing projects will not be upgraded or otherwise able to compete with the Development. A slowdown of the development process and the related absorption rate within the Development because of any or all of the foregoing could affect adversely land values. THE TIMELY PAYMENT OF THE BONDS DEPENDS UPON THE WILLINGNESS AND ABILITY OF THE DEVELOPERS AND ANY SUBSEQUENT OWNERS TO PAY THE ASSESSMENTS WHEN DUE. ANY OR ALL OF THE FOREGOING COULD REDUCE THE WILLINGNESS AND THE ABILITY OF SUCH OWNERS TO PAY THE ASSESSMENTS AND COULD GREATLY REDUCE THE VALUE OF PROPERTY WITHIN IMPROVEMENT AREA #4 IN THE EVENT SUCH PROPERTY HAS TO BE FORECLOSED. In that event, there could be a default in the payment of the Bonds.

Completion of Homes

The cost and time for completion of homes by the homebuilders is uncertain and may be affected by changes in national, regional, and local market and economic conditions; changes in long and short term interest rates; changes in the climate for real estate purchases; changes in demand for or supply of competing properties; unanticipated development costs, market preferences and architectural trends; unforeseen environmental risks and controls; the adverse use of adjacent and neighboring real estate; changes in interest rates and the availability of mortgage funds to buyers of the homes yet to be built in the Development, which may render the sale of such homes difficult or unattractive; acts of war, terrorism or other political instability; delays or inability to obtain governmental approvals; changes in laws; moratorium; force majeure (which may result in uninsured losses); strikes; labor shortages; energy shortages; material shortages; inflation; adverse weather conditions; subcontractor defaults; and other unknown contingencies and factors beyond the control of the Developers.

Absorption Rate and Estimated Pricing

There can be no assurance that the Developers will be able to achieve their anticipated absorption rates and estimated pricing. Failure to achieve the absorption rate or pricing estimates will adversely affect the estimated value of the Development, could impair the economic viability of the Development, and could reduce the ability or desire of property owners to pay the Assessments.

Completion of the Improvement Area #4 Projects

The construction of some of the Improvement Area #4 Projects that are necessary for the successful development of the Development are not yet complete. The cost and time for completion of all of such improvements is uncertain and may be affected by changes in national, regional, and local market and economic conditions; changes in long and short term interest rates; changes in the climate for real estate purchases; changes in demand for or supply of competing properties; unanticipated development costs, market preferences and architectural trends; unforeseen environmental risks and controls; the adverse use of adjacent and neighboring real estate; changes in interest rates and the availability of mortgage funds to buyers of the homes to be built in the Development, which may render the sale of such homes difficult or unattractive; acts of war, terrorism or other political instability; delays or inability to obtain governmental approvals; changes in laws; moratorium; force majeure (which may result in uninsured losses); strikes; labor shortages; energy shortages; material shortages; inflation; adverse weather conditions; subcontractor defaults; and other unknown contingencies and factors beyond the control of the Developers or the Original Landowner

Affiliates. If cost overruns result in delay of construction, or if other delays are experienced, the Developers may be unable to complete timely all of such necessary improvements.

Loss of Tax Exemption

The Indenture contains covenants by the City intended to preserve the exclusion from gross income of interest on the Bonds for federal income tax purposes. As discussed under the caption “TAX MATTERS” herein, interest on the Bonds could become includable in gross income for purposes of federal income taxation, retroactive to the date the Bonds were issued, as a result of future acts or omissions of the City in violation of its covenants in the Indenture.

Tax legislation, administrative actions taken by tax authorities, or court decisions, whether at the federal or State level, may adversely affect the tax-exempt status of interest on the Bonds under federal or State law and could affect the market price or marketability of the Bonds. Any such proposal could limit the value of certain deductions and exclusions, including the exclusion for tax-exempt interest. The likelihood of any such proposal being enacted cannot be predicted. Prospective purchasers of the Bonds should consult their own tax advisors regarding the foregoing matters.

Bankruptcy

The payment of Assessments and the ability of the City to foreclose on the lien of a delinquent unpaid Assessment may be limited by bankruptcy, insolvency or other laws generally affecting creditors’ rights or by the laws of the State relating to judicial foreclosure. Although bankruptcy proceedings would not cause the Assessments to become extinguished, bankruptcy of a property owner in all likelihood would result in a delay in prosecuting foreclosure proceedings. Such a delay would increase the likelihood of a delay or default in payment of the principal of and interest on the Bonds, and the possibility that delinquent Assessments might not be paid in full.

Direct and Overlapping Indebtedness, Assessments and Taxes

The ability of an owner of property within the District to pay the Assessments could be affected by the existence of other taxes and assessments imposed upon the property. Public entities whose boundaries overlap those of the District currently impose ad valorem taxes on the property within the District and will likely do so in the future. Such entities could also impose assessment liens on the property within the District. The imposition of additional liens, or for private financing, may reduce the ability or willingness of the Improvement Area #4 landowners to pay the Assessments. See “OVERLAPPING TAXES AND DEBT.”

Depletion of Reserve Fund

Failure of the owners of property within Improvement Area #4 to pay the Assessments when due could result in the rapid, total depletion of the accounts in the Reserve Fund prior to replenishment from the resale of property upon a foreclosure or otherwise or delinquency redemptions after a foreclosure sale, if any. There could be a default in payments of the principal of and interest on the Bonds if sufficient amounts are not available in the Reserve Fund. The Indenture provides that if, after a withdrawal from the Reserve Fund, the amount in the Reserve Fund is less than the Reserve Account Requirement, the Trustee shall transfer an amount from the Pledged Revenue Fund to the Reserve Account of the Reserve Fund sufficient to cure such deficiency, as described under “SECURITY FOR THE BONDS SIMILARLY SECURED — Reserve Account of the Reserve Fund” herein.

Hazardous Substances

While governmental taxes, assessments and charges are a common claim against the value of a parcel, other less common claims may be relevant. One of the most serious in terms of the potential reduction in the value that may be realized to the assessment is a claim with regard to a hazardous substance. In general, the owners and operators of a parcel may be required by law to remedy conditions relating to releases or threatened releases of hazardous substances. The federal Comprehensive Environmental Response, Compensation and Liability Act of 1980, sometimes referred to as “CERCLA” or “Superfund Act,” is the most well-known and widely applicable of these laws. It is likely that, should any of the parcels of land located in the District be affected by a hazardous substance, the

marketability and value of parcels would be reduced by the costs of remedying the condition, because the purchaser, upon becoming owner, will become obligated to remedy the condition just as is the seller.

The value of the land within the District does not take into account the possible liability of the owner (or operator) for the remedy of a hazardous substance condition of the parcel. The City has not independently verified, and is not aware, that the owner (or operator) of any of the parcels within the District has such a current liability with respect to such parcel; however, it is possible that such liabilities do currently exist and that the City is not aware of them.

Further, it is possible that liabilities may arise in the future with respect to any of the land within the District resulting from the existence, currently, of a substance presently classified as hazardous but which has not been released or the release of which is not presently threatened, or may arise in the future resulting from the existence, currently, on the parcel of a substance not presently classified as hazardous but which may in the future be so classified. Further, such liabilities may arise not simply from the existence of a hazardous substance but from the method of handling it. All of these possibilities could significantly affect the value of a parcel that is realizable upon a delinquency. See “THE DEVELOPMENT — Environmental” for discussion of previous Phase I ESA performed on property within the District.

Regulation

Development within the District may be subject to future federal, State and local regulations. Approval may be required from various agencies from time to time in connection with the layout and design of development in the District, the nature and extent of public improvements, land use, zoning and other matters. Failure to meet any such regulations or obtain any such approvals in a timely manner could delay or adversely affect development in the District and property values.

Recent Changes in State Law Regarding Public Improvement Districts

The 87th Legislature passed House Bill 1543, which became effective September 1, 2021, and requires a person who proposes to sell or otherwise convey real property within a public improvement district to provide to the purchaser of the property, before the execution of a binding contract of purchase and sale, written notice of the obligation to pay public improvement district assessments, in accordance with Section 5.014, Texas Property Code, as amended. In the event a contract of purchase and sale is entered into without the seller providing the notice, the intended purchaser is entitled to terminate the contract of purchase and sale. If the Developers or homebuilders within the District do not provide the required notice and prospective purchasers of property within the District terminate a purchase and sale contract, the anticipated absorption schedule may be affected. In addition to the right to terminate the purchase contract, a property owner who did not receive the required notice is entitled, after sale, to sue for damages for (i) all costs relative to the purchase, plus interest and reasonable attorney’s fees, or (ii) an amount not to exceed \$5,000, plus reasonable attorney’s fees. In a suit filed pursuant to clause (i), any damages awarded must go first to pay any outstanding liens on the property. In such an event, the outstanding Assessments on such property should be paid. On payment of all damages respectively to the lienholders and purchaser pursuant to clause (i), the purchaser is required to reconvey the property to the seller. Further, if the Improvement Area #4 Developers or homebuilders within the District do not provide the required notice and become liable for monetary damages, the anticipated buildout and absorption schedule may be affected. No assurances can be given that the projected buildout and absorption schedules presented in this Limited Offering Memorandum will be realized. The forms of notice to be provided to homebuyers are attached as Appendix C to the Service and Assessment Plan. See “Appendix C — Form of Service and Assessment Plan.

Potential Future Changes in State Law Regarding Public Improvement Districts

The 87th Legislative Session of the State ended on May 31, 2021, without any legislation being passed by either chamber of the 87th Legislature recommending oversight of bonds secured by assessments. The Governor called three special legislative sessions, which all concluded without any legislation being introduced or passed related to the oversight of bonds secured by assessments. The 88th Legislative Session of the State is scheduled for January 10, 2023 through May 29, 2023, pending any special legislative sessions. It is impossible to predict what bills may be

introduced during upcoming legislative sessions and, if passed, the impact that any future legislation will or may have on the security for the Bonds.

Flood Plain

As shown on the current Federal Emergency Management Agency's Flood Insurance Rate Map Panel 48209C0270F, none of Improvement Area #4 is located within an official FEMA 100-year or 500-year flood plain. Certain portions of the Remainder Area are currently located within an official FEMA 100-year flood plain. Per the Developers, each lot within the Remainder Area is intended to be removed from such flood plain by a Conditional Letter of Map Revision or Letter of Map Revision as the Development progresses. However, the District is located within five miles of the Blanco River, which experienced severe flooding in 2015. The City cannot predict whether or when another such flooding event will occur, and if so, whether the Development would be negatively impacted by such an event.

Exercise of Mineral and Groundwater Rights

As described herein under "THE DEVELOPMENT – Existing Mineral and Groundwater Rights," there are certain mineral and groundwater rights reservations located within the District and not owned by the Developers. There may also be additional mineral and groundwater rights and related real property rights reflected in the chain of title for the real property within the District recorded in the real property records of Hays County.

The Developers do not expect the existence or exercise of any mineral or and groundwater rights or related real property rights in or around the District to have a material adverse effect on the Development, the property within the District, or the ability of developers within the District to pay Assessments. However, none of the City, the Financial Advisor, or the Underwriter provide any assurances as to such Developers' expectations.

Bondholders' Remedies and Bankruptcy

Upon the happening and continuance of any of the Events of Default described in the Indenture, the Trustee may, and at the written direction of the Owners of a Quarter in Interest of the Bonds and its receipt of indemnity satisfactory to it shall, proceed against the City for the purpose of protecting and enforcing the rights of the Owners under the Indenture, by action seeking mandamus or by other suit, action, or special proceeding in equity or at law, in any court of competent jurisdiction, for any relief to the extent permitted by the Indenture or Applicable Laws, including, but not limited to, the specific performance of any covenant or agreement contained herein, or injunction; provided, however, that any action for money damages against the City shall be limited in recovery to the assets of the Trust Estate, including the Pledged Revenues.

The issuance of a writ of mandamus may be sought if there is no other available remedy at law to compel performance of the City's obligations under the Bonds or the Indenture and such obligations are not uncertain or disputed. The remedy of mandamus is controlled by equitable principles, so rests with the discretion of the court, but may not be arbitrarily refused. There is no acceleration of maturity of the Bonds in the event of default and, consequently, the remedy of mandamus may have to be relied upon from year to year. The Owners of the Bonds cannot themselves foreclose on property within the District or sell property within the District in order to pay the principal of and interest on the Bonds. The enforceability of the rights and remedies of the owners of the Bonds further may be limited by laws relating to bankruptcy, reorganization or other similar laws of general application affecting the rights of creditors of political subdivisions such as the City. In this regard, should the City file a petition for protection from creditors under federal bankruptcy laws, the remedy of mandamus or the right of the City to seek judicial foreclosure of its Assessment Lien would be automatically stayed and could not be pursued unless authorized by a federal bankruptcy judge. See "BONDHOLDERS' RISKS — Bankruptcy Limitation to Bondholders' Rights" herein.

Any bankruptcy court with jurisdiction over bankruptcy proceedings initiated by or against a property owner within the District pursuant to the Federal Bankruptcy Code could, subject to its discretion, delay or limit any attempt by the City to collect delinquent Assessments, or delinquent ad valorem taxes, against such property owner.

In addition, in 2006, the Texas Supreme Court ruled in *Tooke v. City of Mexia*, 197 S.W.3d 325 (Tex. 2006) (“*Tooke*”) that a waiver of sovereign immunity must be provided for by statute in “clear and unambiguous” language. In so ruling, the Court declared that statutory language such as “sue and be sued”, in and of itself, did not constitute a clear and unambiguous waiver of sovereign immunity. In *Tooke*, the Court noted the enactment in 2005 of sections 271.151-.160, Texas Local Government Code (the “Local Government Immunity Waiver Act”), which, according to the Court, waives “immunity from suit for contract claims against most local governmental entities in certain circumstances.” The Local Government Immunity Waiver Act covers cities and relates to contracts entered into by cities for providing goods or services to cities.

In *Wasson Interests, Ltd. v. City of Jacksonville*, 489 S.W.3d 427 (Tex. 2016) (“*Wasson*”), the Texas Supreme Court (the “Court”) addressed whether the distinction between governmental and proprietary acts (as found in tort-based causes of action) applies to breach of contract claims against municipalities. The Court analyzed the rationale behind the Proprietary-Governmental Dichotomy to determine that “a city’s proprietary functions are not done pursuant to the ‘will of the people’” and protecting such municipalities “via the [S]tate’s immunity is not an efficient way to ensure efficient allocation of [S]tate resources.” While the Court recognized that the distinction between governmental and proprietary functions is not clear, the *Wasson* opinion held that the Proprietary-Governmental Dichotomy applies in a contract-claims context. The Court reviewed *Wasson* for a second time and issued an opinion on October 5, 2018, clarifying that to determine whether governmental immunity applies to a breach of contract claim, the proper inquiry is whether the municipality was engaged in a governmental or proprietary function when it entered into the contract, not at the time of the alleged breach. Therefore, in regard to municipal contract cases (as in tort claims), it is incumbent on the courts to determine whether a function was proprietary or governmental based upon the statutory and common law guidance at the time of inception of the contractual relationship. Texas jurisprudence has generally held that proprietary functions are those conducted by a city in its private capacity, for the benefit only of those within its corporate limits, and not as an arm of the government or under authority or for the benefit of the State; these are usually activities that can be, and often are, provided by private persons, and therefore are not done as a branch of the State, and do not implicate the State’s immunity since they are not performed under the authority, or for the benefit, of the State as sovereign. Notwithstanding the foregoing new case law issued by the Court, such sovereign immunity issues have not been adjudicated in relation to bond matters (specifically, in regard to the issuance of municipal debt). Each situation will be prospectively evaluated based on the facts and circumstances surrounding the contract in question to determine if a suit, and subsequently, a judgement, is justiciable against a municipality.

The City is not aware of any State court construing the Local Government Immunity Waiver Act in the context of whether contractual undertakings of local governments that relate to their borrowing powers are contracts covered by such act. Because it is unclear whether the Texas legislature has effectively waived the City’s sovereign immunity from a suit for money damages in the absence of City action, the Trustee or the owners of the Bonds may not be able to bring such a suit against the City for breach of the Bonds or the Indenture covenants. As noted above, the Indenture provides that owners of the Bonds may exercise the remedy of mandamus to enforce the obligations of the City under the Indenture. Neither the remedy of mandamus nor any other type of injunctive relief was at issue in *Tooke*, and it is unclear whether *Tooke* will be construed to have any effect with respect to the exercise of mandamus, as such remedy has been interpreted by State courts. In general, State courts have held that a writ of mandamus may be issued to require public officials to perform ministerial acts that clearly pertain to their duties. State courts have held that a ministerial act is defined as a legal duty that is prescribed and defined with a precision and certainty that leaves nothing to the exercise of discretion or judgment, though mandamus is not available to enforce purely contractual duties. However, mandamus may be used to require a public officer to perform legally-imposed ministerial duties necessary for the performance of a valid contract to which the State or a political subdivision of the State is a party (including the payment of moneys due under a contract).

Judicial Foreclosures

Judicial foreclosure proceedings are not mandatory; however, the City has covenanted to order and cause such actions to be commenced. In the event a foreclosure is necessary, there could be a delay in payments to owners of the Bonds pending prosecution of the foreclosure proceedings and receipt by the City of the proceeds of the foreclosure sale. It is possible that no bid would be received at the foreclosure sale, and, in such event, there could be an additional delay in payment of the principal of and interest on the Bonds or such payment may not be made in full. Moreover, in filing a suit to foreclose, the City must join other taxing units that have claims for delinquent taxes

against all or part of the same property; the proceeds of any sale of property within the District available to pay debt service on the Bonds may be limited by the existence of other tax liens on the property. (See “OVERLAPPING TAXES AND DEBT” herein.) Collection of delinquent taxes, assessments and the Assessments may be adversely affected by the effects of market conditions on the foreclose sale price, and by other factors, including taxpayers’ right to redeem property within two years of foreclosure for residential and agricultural use property and six months for other property, and by a time-consuming and expensive collection procedure.

No Acceleration

The Indenture does not contain a provision allowing for the acceleration of the Bonds in any event, including in the event of a payment default or other default under the terms of the Bonds or the Indenture.

Limited Secondary Market for the Bonds

The Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Bonds in the event an Owner thereof determines to solicit purchasers for the Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Bonds may be sold. Such price may be lower than that paid by the current Owners of the Bonds, depending on the progress of development of the District subject to the Assessments, existing real estate and financial market conditions and other factors.

No Credit Rating

The City has not applied for or received a rating on the Bonds. Even if a credit rating had been sought for the Bonds, it is not anticipated that such a rating would have been investment grade. The absence of a rating could affect the future marketability of the Bonds. There is no assurance that a secondary market for the Bonds will develop or that holders who desire to sell their Bonds prior to the stated maturity will be able to do so. Occasionally, because of general market conditions or because of adverse history or economic prospects connected with a particular issue, secondary market trading in connection with a particular issue is suspended or terminated. Additionally, prices of issues for which a market is being made will depend upon then generally prevailing circumstances. Such prices could be substantially different from the original purchase price.

Bankruptcy Limitation to Bondholders’ Rights

The enforceability of the rights and remedies of the owners of the Bonds may be limited by laws relating to bankruptcy, reorganization or other similar laws of general application affecting the rights of creditors of political subdivisions such as the City. The City is authorized under State law to voluntarily proceed under Chapter 9 of the Federal Bankruptcy Code, 11 U.S.C. 901-946. The City may proceed under Chapter 9 if it (1) is generally not paying its debts, or unable to meet its debts, as they become due, (2) desires to effect a plan to adjust such debts, and (3) has either obtained the agreement of or negotiated in good faith with its creditors, is unable to negotiate with its creditors because negotiation is impracticable, or reasonably believes that a creditor may attempt to obtain a preferential transfer.

If the City decides in the future to proceed voluntarily under the Federal Bankruptcy Code, the City would develop and file a plan for the adjustment of its debts, and the Bankruptcy Court would confirm the plan if (1) the plan complies with the applicable provisions of the Federal Bankruptcy Code, (2) all payments to be made in connection with the plan are fully disclosed and reasonable, (3) the City is not prohibited by law from taking any action necessary to carry out the plan, (4) administrative expenses are paid in full, (5) all regulatory or electoral approvals required under State law are obtained and (6) the plan is in the best interests of creditors and is feasible. The rights and remedies of the owners of the Bonds would be adjusted in accordance with the confirmed plan of adjustment of the City’s debt.

Tax-Exempt Status of the Bonds

The Indenture contains covenants by the City intended to preserve the exclusion from gross income of interest on the Bonds for federal income tax purposes. As discussed under the caption “TAX MATTERS,” interest on the

Bonds could become includable in gross income for purposes of federal income taxation retroactive to the date the Bonds were issued as a result of future acts or omissions of the City in violation of its covenants in the Indenture.

Tax legislation, administrative actions taken by tax authorities, or court decisions, whether at the federal or State level, may adversely affect the tax-exempt status of interest on the Bonds under federal or State law and could affect the market price or marketability of the Bonds. Any such proposal could limit the value of certain deductions and exclusions, including the exclusion for tax-exempt interest. The likelihood of any such proposal being enacted cannot be predicted. Prospective purchasers of the Bonds should consult their own tax advisors regarding the foregoing matters.

As further described in “TAX MATTERS” below, failure of the City to comply with the requirements of the Internal Revenue Code of 1986 (the “Code”) and the related legal authorities, or changes in the federal tax law or its application, could cause interest on the Bonds to be included in the gross income of owners of the Bonds for federal income tax purposes, possibly from the date of original issuance of the Bonds. Further, the opinion of Bond Counsel is based on current legal authority, covers certain matters not directly addressed by such authorities, and represents Bond Counsel’s judgment as to the proper treatment of interest on the Bonds for federal income tax purposes. It is not binding on the Internal Revenue Service (“IRS”) or the courts. The IRS has an ongoing program of auditing obligations that are issued and sold as bearing tax-exempt interest to determine whether, in the view of the IRS, interest on such obligations is included in the gross income of the owners thereof for federal income tax purposes. In the past, the IRS has announced audit efforts focused in part on “developer-driven bond transactions,” including certain tax increment financings and certain assessment bond transactions. It cannot be predicted if this IRS focus could lead to an audit of the Bonds or what the result would be of any such audit. If an audit of the Bonds is commenced, under current procedures, parties other than the City would have little, if any, right to participate in the audit process. Moreover, because achieving judicial review in connection with an audit of tax-exempt obligations is difficult, obtaining an independent review of IRS positions with which the City legitimately disagrees may not be practicable. Any action of the IRS, regardless of the outcome, including but not limited to selection of the Bonds for audit, or the course or result of such audit, or an audit of obligations presenting similar tax issues, may affect the market price for, or the marketability of, the Bonds. Finally, if the IRS ultimately determines that the interest on the Bonds is not excluded from the gross income of Bondholders for federal income tax purposes, the City may not have the resources to settle with the IRS, the Bonds are not required to be redeemed, and the interest rate on the Bonds will not increase.

Management and Ownership

The management and ownership of the Developers and related property owners could change in the future. Purchasers of the Bonds should not rely on the management experience of such entities. There are no assurances that such entities will not sell the subject property or that officers will not resign or be replaced. In such circumstances, a new developer or new officers in management positions may not have comparable experience in projects comparable to the Development.

Availability of Utilities

General. The City provides both water and wastewater service to the District. The progress of development within the District is dependent upon the City receiving an adequate supply of water and providing sufficient capacity for the collection and treatment of wastewater. If City cannot timely or fails to supply water and wastewater services to the property in the District, the development of the land in the District could be adversely affected.

Portions of the State, including the City and its surrounding area, are experiencing significant growth, which has produced and is expected to continue to produce a growing demand for water and wastewater service. The ability of City’s water suppliers to provide an adequate supply of water and the ability of the City to provide sufficient capacity for the treatment of wastewater is dependent on many factors, including, but not limited to, supply and demand of materials to complete necessary water and wastewater improvements, compliance with the Texas Commission on Environmental Quality regulations, the effects of extreme weather events on such entities’ water and wastewater systems, and the construction of developments competing with the District. See “THE DEVELOPMENT — Utilities,” “BONDHOLDERS’ RISKS — General Risks of Real Estate Investment and Development” “— Risks Related to Recent Increase in Costs of Building Materials,” “— Competition,” “— Regulation,” and “— Risk from Weather Events.”

None of the City, the Financial Advisor, the Underwriter, or the Developer can predict the impact that such growing demand may have on the City, the District, the projected buildout schedule, availability of water and wastewater service to the District or an investment in the Bonds.

Availability of Water. The State is currently experiencing a drought due to significantly low rainfall. The continuation of the drought may affect the ability of one or more of the City's water suppliers to deliver water under their respective contracts with the City, which in turn may have an impact on the ability of the City to provide water to service the District.

None of the City, the Financial Advisor, the Underwriter, or the Developers can predict the impact that the drought or any future similar condition may have on the City, the District, the projected buildout schedule, availability of water service to the District or an investment in the Bonds. See "THE CITY – Water and Wastewater" and "THE DEVELOPMENT — Utilities."

Use of Appraisal

None of the City, the Developers nor the Underwriter makes any representation as to the accuracy, completeness, assumptions or information contained in the Appraisal. The assumptions or qualifications with respect to the Appraisal are contained therein. There can be no assurance that any such assumptions will be realized, and the City, the Developers and the Underwriter make no representation as to the reasonableness of such assumptions.

In connection with the preparation of the Appraisal, the Appraiser may have reviewed the information supplied or otherwise made available to it by the City for reasonableness, has assumed and relied upon the accuracy and completeness of all such information and of all information supplied or otherwise made available to it by any other party, and did not undertake any duty or responsibility to verify independently any of such information. The Appraiser has not made or obtained, nor will it make or obtain, an independent valuation or appraisal of any other assets or liabilities (contingent or otherwise) other than the property in the District. With respect to operating or financial forecasts and other information and data provided to or otherwise reviewed by or discussed with the Appraiser, the Appraiser has assumed that such forecasts and other information and data were reasonably prepared in good faith on bases reflecting the best currently available estimates and judgments of the City's employees, representatives and advisors, as well as any corrections or updates to such forecasts and other information and data.

In performing its analyses, the Appraiser has made numerous other assumptions with respect to general business, economic and regulatory conditions and other matters, many of which are beyond the Appraiser's control and the City's control, as well as certain factual matters. For example, the Appraiser assumed that the owners of property in the District have clear and marketable title to the properties in the District, that no title defects exist unless the Appraiser was specifically informed to the contrary, that improvements were made in accordance with law, that no hazardous materials are present or were present previously, that no deed restrictions exist, and that no changes to zoning ordinances or regulations governing use, density or shape are pending or being considered. Furthermore, the Appraiser's analysis, opinions and conclusions are necessarily based upon market, economic, financial and other circumstances and conditions existing prior to the valuation. The foregoing is a summary of the standard assumptions, qualifications and limitations that generally apply to the Appraiser's appraisal reports.

The Appraiser confirms that the valuations included in the Appraisal were prepared in conformity with the Uniform Standards of Professional Appraisal Practice (USPAP) and the requirements of the Code of Professional Ethics and Standards of Professional Appraisal Practice of the Appraisal Institute.

Caution should be exercised in the evaluation and use of appraisal results. An appraisal is an estimate of market value as of a specified date based upon assumptions and limiting conditions and any extraordinary assumptions specific to the relevant valuation. It is not a precise measure of value but is based on a subjective comparison of related activity taking place in the real estate market. The valuation set forth in the Appraisal is based on various assumptions of future expectations and while the Appraiser's internal forecasts of net operating income for the properties in the District is considered by the Appraiser to be reasonable at the current time, some of the assumptions may not materialize or may differ materially from actual experience in the future.

The Bonds will not necessarily trade at values determined solely by reference to the underlying value of the properties in the District.

The intended use and user of the Appraisal are specifically identified in the Appraisal as agreed upon in the contract for services and/or reliance language found in the Appraisal. The Appraiser has consented to the use of the Appraisal in this Limited Offering Memorandum in connection with the issuance of the Bonds. No other use or user of the Appraisal is permitted by any other party for any other purpose.

Dependence Upon Improvement Area #4 Landowners

Developer's Initial Liability for Assessments. HMBRR Development, HM 6 Creeks Development, and Pulte, as the owners of all of the assessed property within Improvement Area #4, currently have the obligation for the payment of 100% of the total Assessments; HMBRR Development is responsible for 30.73 percent (30.73%), HM 6 Creeks Development is responsible for 16.60 percent (16.60%), and Pulte is responsible for 52.67 percent (52.67%) of the total Assessments. The ability of HMBRR Development, HM 6 Creeks Development, and Pulte to make full and timely payment of the Assessments will directly affect the ability of the City to meet its debt service obligations with respect to the Bonds. HMBRR Development is a nominally capitalized Texas corporation, the primary assets of which are (1) unsold property within Improvement Area #2 and Improvement Area #4 of the District and (2) the proceeds received from the sale of lots in Improvement Area #1, Improvement Area #2, and Section 6A, Section 7 and Section 12 of Improvement Area #4. The City will pay HMBRR Development and HM 6 Creeks Development, or their designee, from proceeds of the Bonds for project costs actually incurred in developing and constructing the Improvement Area #4 Projects within the District. See "THE IMPROVEMENT AREA #4 AUTHORIZED IMPROVEMENTS." There can be no assurances given as to the financial ability of HMBRR Development to complete such improvements.

The source of funding for future land development activities and infrastructure construction to develop the lots proposed for the District also consists of proceeds from Future Improvement Area Bonds and proceeds of lot sales, as well as possible bank financing and equity contributions by HMBRR Development and its shareholders. There can be no assurances given as to the financial ability of HMBRR Development to advance any funds to the City to supplement revenues from the Assessments if necessary, or as to whether HMBRR Development will advance such funds.

TAX MATTERS

Opinion

The delivery of the Bonds is subject to the opinion of Bond Counsel to the effect that interest on the Bonds for federal income tax purposes (1) will be excludable from gross income, as defined in Section 61 of the Internal Revenue Code of 1986, as amended to the date of such opinion (the "Code"), pursuant to section 103 of the Code and existing regulations, published rulings, and court decisions, and (2) will not be included in computing the alternative minimum taxable income of the owners thereof who are individuals. A form of Bond Counsel's opinion is reproduced as Appendix D. The statutes, regulations, rulings, and court decisions on which such opinion is based are subject to change.

In rendering the foregoing opinions, Bond Counsel will rely upon representations and certifications of the City made in a certificate dated the Closing Date pertaining to the use, expenditure, and investment of the proceeds of the Bonds and will assume continuing compliance by the City with the provisions of the Indenture subsequent to the issuance of the Bonds. The Indenture contains covenants by the City with respect to, among other matters, the use of the proceeds of the Bonds and the facilities financed therewith by persons other than state or local governmental units, the manner in which the proceeds of the Bonds are to be invested, the periodic calculation and payment to the United States Treasury of arbitrage "profits" from the investment of proceeds, and the reporting of certain information to the United States Treasury. Failure to comply with any of these covenants may cause interest on the Bonds to be includable in the gross income of the owners thereof from the date of the issuance of the Bonds.

Bond Counsel's opinion is not a guarantee of a result, but represents its legal judgment based upon its review of existing statutes, regulations, published rulings and court decisions and the representations and covenants of the City described above. No ruling has been sought from the Internal Revenue Service (the "IRS") with respect to the matters addressed in the opinion of Bond Counsel, and Bond Counsel's opinion is not binding on the IRS. The IRS has an ongoing program of auditing the tax-exempt status of the interest on tax-exempt obligations. If an audit of the Bonds is commenced, under current procedures the IRS is likely to treat the City as the "taxpayer," and the owners of the Bonds would have no right to participate in the audit process. In responding to or defending an audit of the tax-exempt status of the interest on the Bonds, the City may have different or conflicting interests from the owners of the Bonds. Public awareness of any future audit of the Bonds could adversely affect the value and liquidity of the Bonds during the pendency of the audit, regardless of its ultimate outcome.

Except as described above, Bond Counsel expresses no other opinion with respect to any other federal, state or local tax consequences under present law, or proposed legislation, resulting from the receipt or accrual of interest on, or the acquisition or disposition of, the Bonds. Prospective purchasers of the Bonds should be aware that the ownership of tax-exempt obligations such as the Bonds may result in collateral federal tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, certain foreign corporations doing business in the United States, S corporations with subchapter C earnings and profits, corporations subject to the alternative minimum tax on adjusted financial statement income, individual recipients of Social Security or Railroad Retirement benefits, individuals otherwise qualifying for the earned income tax credit, owners of an interest in a financial asset securitization investment trust ("FASIT"), and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations. Prospective purchasers should consult their own tax advisors as to the applicability of these consequences to their particular circumstances.

For taxable years beginning after 2022, the Code imposes a minimum tax of 15 percent of the adjusted financial statement income of certain large corporations, generally consisting of corporations (other than S corporations, regulated investment companies and real estate investment trusts) with more than \$1 billion in average annual adjusted financial statement income, determined over a three-year period. For this purpose, adjusted financial statement income generally consists of the net income or loss of the taxpayer set forth on the taxpayer's applicable financial statement for the taxable year, subject to various adjustments, but is not reduced for interest earned on tax-exempt obligations, such as the Bonds. Prospective purchasers that could be subject to this minimum tax should consult with their own tax advisors regarding the potential impact of owning the Bonds.

Existing law may change to reduce or eliminate the benefit to bondholders of the exclusion of interest on the Bonds from gross income for federal income tax purposes. Any proposed legislation or administrative action, whether or not taken, could also affect the value and marketability of the Bonds. Prospective purchasers of the Bonds should consult with their own tax advisors with respect to any proposed or future changes in tax law.

Tax Accounting Treatment of Discount and Premium on Certain Bonds

The initial public offering price of certain Bonds (the "Discount Bonds") may be less than the amount payable on such Bonds at maturity. An amount equal to the difference between the initial public offering price of a Discount Bond (assuming that a substantial amount of the Discount Bonds of that maturity are sold to the public at such price) and the amount payable at maturity constitutes original issue discount to the initial purchaser of such Discount Bond. A portion of such original issue discount allocable to the holding period of such Discount Bond by the initial purchaser will, upon the disposition of such Discount Bond (including by reason of its payment at maturity), be treated as interest excludable from gross income, rather than as taxable gain, for federal income tax purposes, on the same terms and conditions as those for other interest on the Bonds described above under "Tax Exemption." Such interest is considered to be accrued actuarially in accordance with the constant interest method over the life of a Discount Bond, taking into account the semiannual compounding of accrued interest, at the yield to maturity on such Discount Bond and generally will be allocated to an initial purchaser in a different amount from the amount of the payment denominated as interest actually received by the initial purchaser during the tax year.

However, such interest may be required to be taken into account in determining the amount of the branch profits tax applicable to certain foreign corporations doing business in the United States, even though there will not be a corresponding cash payment. In addition, the accrual of such interest may result in certain other collateral federal

income tax consequences to, among others, financial institutions, life insurance companies, property and casualty insurance companies, S corporations with subchapter C earnings and profits, corporations subject to the alternative minimum tax on adjusted financial statement income, individual recipients of Social Security or Railroad Retirement benefits, individuals otherwise qualifying for the earned income tax credit, owners of an interest in a FASIT, and taxpayers who may be deemed to have incurred or continued indebtedness to purchase or carry, or who have paid or incurred certain expenses allocable to, tax-exempt obligations. Moreover, in the event of the redemption, sale or other taxable disposition of a Discount Bond by the initial owner prior to maturity, the amount realized by such owner in excess of the basis of such Discount Bond in the hands of such owner (adjusted upward by the portion of the original issue discount allocable to the period for which such Discount Bond was held) is includable in gross income.

Owners of Discount Bonds should consult with their own tax advisors with respect to the determination of accrued original issue discount on Discount Bonds for federal income tax purposes and with respect to the state and local tax consequences of owning and disposing of Discount Bonds. It is possible that, under applicable provisions governing determination of state and local income taxes, accrued interest on Discount Bonds may be deemed to be received in the year of accrual even though there will not be a corresponding cash payment.

The purchase price of certain Bonds (the “Premium Bonds”) paid by an owner may be greater than the amount payable on such Bonds at maturity. An amount equal to the excess of a purchaser’s tax basis in a Premium Bond over the amount payable at maturity constitutes premium to such purchaser. The basis for federal income tax purposes of a Premium Bond in the hands of such purchaser must be reduced each year by the amortizable bond premium, although no federal income tax deduction is allowed as a result of such reduction in basis for amortizable bond premium. Such reduction in basis will increase the amount of any gain (or decrease the amount of any loss) to be recognized for federal income tax purposes upon a sale or other taxable disposition of a Premium Bond. The amount of premium that is amortizable each year by a purchaser is determined by using such purchaser’s yield to maturity (or, in some cases with respect to a callable Bond, the yield based on a call date that results in the lowest yield on the Bond).

Purchasers of the Premium Bonds should consult with their own tax advisors with respect to the determination of amortizable bond premium on Premium Bonds for federal income tax purposes and with respect to the state and local tax consequences of owning and disposing of Premium Bonds.

State, Local and Foreign Taxes

Investors should consult their own tax advisors concerning the tax implications of the purchase, ownership or disposition of the Bonds under applicable state or local laws. Foreign investors should also consult their own tax advisors regarding the tax consequences unique to investors who are not United States persons.

LEGAL MATTERS

Legal Proceedings

Delivery of the Bonds will be accompanied by the unqualified approving legal opinion of the Attorney General to the effect that the Bonds are valid and legally binding obligations of the City under the Constitution and laws of the State, payable from the Trust Estate and, based upon their examination of a transcript of certified proceedings relating to the issuance and sale of the Bonds, the legal opinion of Bond Counsel, to a like effect.

Norton Rose Fulbright US LLP, serves as Bond Counsel to the City. Orrick, Herrington & Sutcliffe LLP serves as Underwriter’s Counsel. The legal fees paid to Bond Counsel and Underwriter’s Counsel are contingent upon the sale and delivery of the Bonds.

Legal Opinions

The City will furnish the Underwriter a transcript of certain certified proceedings incident to the authorization and issuance of the Bonds. Such transcript will include a certified copy of the approving opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State, to the effect that the Bonds are valid and binding special, limited obligations of the City. The City will also furnish the legal

opinion of Bond Counsel, to the effect that, based upon an examination of such transcript, the Bonds are valid and binding special, limited obligations of the City under the Constitution and laws of the State. The legal opinion of Bond Counsel will further state that the Bonds, including principal of and interest thereon, are payable from and secured by a pledge of and lien on the Trust Estate. Bond Counsel will also provide a legal opinion to the effect that interest on the Bonds will be excludable from gross income for federal income tax purposes under Section 103(a) of the Code, subject to the matters described above under the caption "TAX MATTERS." A copy of the opinion of Bond Counsel is attached hereto as "APPENDIX D —Form of Opinion of Bond Counsel."

Except as noted below, Bond Counsel did not take part in the preparation of the Limited Offering Memorandum, and such firm has not assumed any responsibility with respect thereto or undertaken independently to verify any of the information contained therein, except that, in its capacity as Bond Counsel, such firm has reviewed the information describing the Bonds in the Limited Offering Memorandum under the captions or subcaptions "PLAN OF FINANCE — The Bonds" (except for the third paragraph thereof), "DESCRIPTION OF THE BONDS," "SECURITY FOR THE BONDS SIMILARLY SECURED," "ASSESSMENT PROCEDURES" (except for the subcaptions "Assessment Methodology" and "Assessment Amounts"), "THE DISTRICT," "TAX MATTERS," "LEGAL MATTERS — Legal Proceedings," (except for the last paragraph thereof), "LEGAL MATTERS — Legal Opinions," (except for the last paragraph thereof), "CONTINUING DISCLOSURE — The City," "REGISTRATION AND QUALIFICATION OF BONDS FOR SALE," "LEGAL INVESTMENT AND ELIGIBILITY TO SECURE PUBLIC FUNDS IN TEXAS," APPENDIX B and APPENDIX D, and such firm is of the opinion that the information relating to the Bonds, the Bond Ordinance, the Assessment Ordinance and the Indenture contained therein fairly and accurately describes the laws and legal issues addressed therein and, with respect to the Bonds, such information conforms to the Bond Ordinance, the Assessment Ordinance and the Indenture.

The various legal opinions to be delivered concurrently with the delivery of the Bonds express the professional judgment of the attorneys rendering the opinions as to the legal issues explicitly addressed therein. In rendering a legal opinion, the attorney does not become an insurer or guarantor of that expression of professional judgment, of the transaction opined upon, or of the future performance of the parties to the transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

Litigation — The City

At the time of delivery and payment for the Bonds, the City will certify that, except as disclosed herein, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, regulatory agency, public board or body, pending or, to its knowledge, overtly threatened against the City affecting the existence of the District, or seeking to restrain or to enjoin the sale or delivery of the Bonds, the application of the proceeds thereof, in accordance with the Indenture, or the collection or application of the Assessments securing the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds, the Assessment Ordinance, the Indenture, any action of the City contemplated by any of the said documents, or the collection or application of the Trust Estate, or in any way contesting the completeness or accuracy of this Limited Offering Memorandum or any amendment or supplement thereto, or contesting the powers of the City or its authority with respect to the Bonds or any action of the City contemplated by any documents relating to the Bonds.

Litigation — The Developers

At the time of delivery and payment for the Bonds, Developer will certify that, except as disclosed herein, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, regulatory body, public board or body pending, or, to the best knowledge of Developer, threatened against or affecting Developer wherein an unfavorable decision, ruling or finding would have a material adverse effect on the financial condition or operations of Developer or its officers or would adversely affect (1) the transactions contemplated by, or the validity or enforceability of, the Bonds, the Indenture, the Bond Ordinance, the Service and Assessment Plan, the Development Agreement, the Financing Agreement, or the Representations Letter of the Developers, or otherwise described in this Limited Offering Memorandum, or (2) the tax-exempt status of interest on the Bonds.

SUITABILITY FOR INVESTMENT

Investment in the Bonds poses certain economic risks. See “BONDHOLDERS’ RISKS”. The Bonds are not, at this time, rated by any nationally recognized municipal securities rating service. No dealer, broker, salesman or other person has been authorized by the City or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum, and, if given or made, such other information or representations must not be relied upon as having been authorized by either of the foregoing. Additional information will be made available to each prospective investor, including the benefit of a site visit to the City and the opportunity to ask questions of the Developers, as such prospective investor deems necessary in order to make an informed decision with respect to the purchase of the Bonds.

ENFORCEABILITY OF REMEDIES

The remedies available to the owners of the Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions, which are often subject to discretion and delay. See “BONDHOLDERS’ RISKS — Bondholders’ Remedies and Bankruptcy.” Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified, as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors and enacted before or after such delivery.

NO RATING

No application for a rating on the Bonds has been made to any rating agency, nor is there any reason to believe that the City would have been successful in obtaining an investment grade rating for the Bonds had application been made.

CONTINUING DISCLOSURE

The City

Pursuant to Rule 15c2-12 of the Securities and Exchange Commission (the “Rule”), the City, the Administrator, and BOKF, NA, Houston, Texas (in such capacity, the “Dissemination Agent”) have entered into a Continuing Disclosure Agreement (the “Disclosure Agreement of the Issuer”) for the benefit of the Owners of the Bonds (including owners of beneficial interests in the Bonds), to provide, by certain dates prescribed in the Disclosure Agreement of the Issuer, certain financial information and operating data relating to the City (collectively, the “City Reports”). The specific nature of the information to be contained in the City Reports is set forth in “APPENDIX E-1 — Form of Disclosure Agreement of the Issuer.” Under certain circumstances, the failure of the City to comply with its obligations under the Disclosure Agreement of the Issuer constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement of the Issuer would allow the Owners of the Bonds (including owners of beneficial interests in the Bonds) to bring an action for specific performance.

The City has agreed to update information and to provide notices of certain specified events only as provided in the Disclosure Agreement of the Issuer. The City has not agreed to provide other information that may be relevant or material to a complete presentation of its financial results of operations, condition, or prospects or agreed to update any information that is provided in this Limited Offering Memorandum, except as provided in the Disclosure Agreement of the Issuer. The City makes no representation or warranty concerning such information or concerning its usefulness to a decision to invest in or sell the Bonds at any future date. The City disclaims any contractual or tort liability for damages resulting in whole or in part from any breach of the Disclosure Agreement of the Issuer or from any statement made pursuant to the Disclosure Agreement of the Issuer.

The City's Compliance with Prior Undertakings

During the last five years, the City has complied in all material respects with all continuing disclosure agreements made by the City in accordance with the Rule.

The Developers

The Developers, the Administrator, and the Dissemination Agent will, in connection with the issuance of the Bonds, enter into a Continuing Disclosure Agreement (the "Disclosure Agreement of the Developers") for the benefit of the Owners of the Bonds (including owners of beneficial interests in the Bonds), to provide, by certain dates prescribed in the Disclosure Agreement of the Developers, certain information regarding Improvement Area #4 and the Improvement Area #4 Projects (collectively, the "Developer Reports"). The specific nature of the information to be contained in the Developer Reports is set forth in "APPENDIX E-2 — Form of Disclosure Agreement of the Developers." Under certain circumstances, the failure of the Developers or the Administrator to comply with its obligations under the Disclosure Agreement of the Developers constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement of the Developers would allow the Owners of the Bonds (including owners of beneficial interests in the Bonds) to bring an action for specific performance.

The Developers have agreed to provide (i) certain updated information to the Administrator, which consultant will prepare and provide such updated information in report form and (ii) notices of certain specified events, only as provided in the Disclosure Agreement of the Developers. The Developers have not agreed to provide other information that may be relevant or material to a complete presentation of its financial results of operations, condition, or prospects or agreed to update any information that is provided in this Limited Offering Memorandum, except as provided in the Disclosure Agreement of the Developers. The Developers make no representation or warranty concerning such information or concerning its usefulness to a decision to invest in or sell the Bonds at any future date. The Developers disclaim any contractual or tort liability for damages resulting in whole or in part from any breach of the Disclosure Agreement of the Developers or from any statement made pursuant to the Disclosure Agreement of the Developers.

The Developers' Compliance with Prior Undertakings

The Developers have previously entered into disclosure agreements regarding the Improvement Area #1 Bonds, the Improvement Area #2 Bonds, and the Improvement Area #3 Bonds. During the period that the Developers have been subject to continuing disclosure obligations, the Developers have complied in all material respects with their respective continuing disclosure agreements.

THE FINANCIAL ADVISOR

The following information has been provided by SAMCO Capital Markets, Inc., as the Financial Advisor.

SAMCO Capital Markets, Inc. (the "Financial Advisor") is employed as the Financial Advisor to the City in connection with the issuance of the Bonds. The Financial Advisor's fee for services rendered with respect to the sale of the Bonds is contingent upon the issuance and delivery of the Bonds. SAMCO Capital Markets, Inc., in its capacity as Financial Advisor, has relied on the opinions of Bond Counsel and has not verified and does not assume any responsibility for the information, covenants, and representations contained in any of the bond documentation with respect to the federal income tax status of the Bonds. In the normal course of business, the Financial Advisor may also from time to time sell investment securities to the City for the investment of bond proceeds or other funds of the City upon the request of the City.

The Financial Advisor has provided the following sentence for inclusion in this Limited Offering Memorandum. The Financial Advisor has reviewed the information in this Limited Offering Memorandum in accordance with its responsibilities to the City and, as applicable, to investors under the federal securities laws as applied to the facts and circumstances of this transaction, but the Financial Advisor does not guarantee the accuracy or completeness of such information.

UNDERWRITING

FMSbonds, Inc., (the “Underwriter”) has agreed to purchase the Bonds from the City at a purchase price of \$16,985,847.50 (the par amount of the Bonds, less an original issue discount of \$50,262.50, and less an underwriting discount of \$526,890.00, which includes Underwriter’s Counsel’s fee) and no accrued interest. The Underwriter’s obligations are subject to certain conditions precedent and if obligated to purchase any of the Bonds the Underwriter will be obligated to purchase all of the Bonds. Subject to certain restrictions contained in the Bond Purchase Agreement, the Bonds may be offered and sold by the Underwriter at prices lower than the initial offering prices stated on the inside cover page hereof, and such initial offering prices may be changed from time to time by the Underwriter.

REGISTRATION AND QUALIFICATION OF BONDS FOR SALE

The sale of the Bonds has not been registered under the Federal Securities Act of 1933, as amended, in reliance upon the exemption provided thereunder by Section 3(a)(2); and the Bonds have not been qualified under the Securities Act of Texas in reliance upon various exemptions contained therein; nor have the Bonds been qualified under the securities acts of any other jurisdiction. The City assumes no responsibility for qualification of the Bonds under the securities laws of any jurisdiction in which the Bonds may be sold, assigned, pledged, hypothecated or otherwise transferred. This disclaimer of responsibility for qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration provisions.

LEGAL INVESTMENT AND ELIGIBILITY TO SECURE PUBLIC FUNDS IN TEXAS

The PID Act and Section 1201.041 of the Public Security Procedures Act (Chapter 1201, Texas Government Code, as amended) provide that the Bonds are negotiable instruments and investment securities governed by Chapter 8, Texas Business and Commerce Code, as amended, and are legal and authorized investments for insurance companies, fiduciaries, trustees, or for the sinking funds of municipalities or other political subdivisions or public agencies of the State. With respect to investment in the Bonds by municipalities or other political subdivisions or public agencies of the State, the Texas Public Funds Investment Act (the “PFIA”) requires that the Bonds be assigned a rating of at least “A” or its equivalent as to investment quality by a national rating agency. See “NO RATING” above. In addition, the PID Act and various provisions of the Texas Finance Code provide that, subject to a prudent investor standard, the Bonds are legal investments for state banks, savings banks, trust companies with capital of one million dollars or more, and savings and loan associations. The Bonds are eligible to secure deposits to the extent of their market value. No review by the City has been made of the laws in other states to determine whether the Bonds are legal investments for various institutions in those states. No representation is made that the Bonds will be acceptable to public entities to secure their deposits or acceptable to such institutions for investment purposes.

The City made no investigation of other laws, rules, regulations or investment criteria which might apply to such institutions or entities or which might limit the suitability of the Bonds for any of the foregoing purposes or limit the authority of such institutions or entities to purchase or invest in the Bonds for such purposes.

INVESTMENTS

The City invests its funds in investments authorized by State law in accordance with investment policies approved by the City Council. Both State law and the City’s investment policies are subject to change.

Under State law, the City is authorized to make investments meeting the requirements of the PFIA, which currently include (1) obligations, including letters of credit, of the United States or its agencies and instrumentalities, including the Federal Home Loan Banks; (2) direct obligations of the State or its agencies and instrumentalities; (3) collateralized mortgage obligations directly issued by a federal agency or instrumentality of the United States, the underlying security for which is guaranteed by an agency or instrumentality of the United States; (4) other obligations, the principal and interest of which is guaranteed or insured by or backed by the full faith and credit of, the State or the United States or their respective agencies and instrumentalities, including obligations that are fully guaranteed or insured by the Federal Deposit Insurance Corporation (the “FDIC”) or by the explicit full faith and credit of the United States; (5) obligations of states, agencies, counties, cities, and other political subdivisions of any state rated as to

investment quality by a nationally recognized investment rating firm not less than “A” or its equivalent; (6) bonds issued, assumed or guaranteed by the State of Israel; (7) interest-bearing banking deposits that are guaranteed or insured by the FDIC or its successor, or the National Credit Union Share Insurance Fund or its successor; (8) interest-bearing banking deposits other than those described by clause (7) if (A) the funds invested in the banking deposits are invested through: (i) a broker with a main office or branch office in this state that the City selects from a list the governing body or designated investment committee of the City adopts as required by Section 2256.025, Texas Government Code; or (ii) a depository institution with a main office or branch office in this state that the City selects; (B) the broker or depository institution selected as described by (A) above arranges for the deposit of the funds in the banking deposits in one or more federally insured depository institutions, regardless of where located, for the City’s account; (C) the full amount of the principal and accrued interest of the banking deposits is insured by the United States or an instrumentality of the United States; and (D) the City appoints as the City’s custodian of the banking deposits issued for the City’s account: (i) the depository institution selected as described by (A) above; (ii) an entity described by Section 2257.041(d), Texas Government Code; or (iii) a clearing broker dealer registered with the SEC and operating under SEC Rule 15c3-3; (9) (i) certificates of deposit or share certificates meeting the requirements of the PFIA that are issued by an institution that has its main office or a branch office in the State and are guaranteed or insured by the FDIC or the National Credit Union Share Insurance Fund, or their respective successors, or are secured as to principal by obligations described in clauses (1) through (8) or in any other manner and provided for by law for City deposits, or (ii) certificates of deposits where (a) the funds are invested by the City through (A) a broker that has its main office or a branch office in the State and is selected from a list adopted by the City as required by law, or (B) a depository institution that has its main office or branch office in the State that is selected by the City, (b) the broker or the depository institution selected by the City arranges for the deposit of the funds in certificates of deposit in one or more federally insured depository institutions, wherever located, for the account of the City, (c) the full amount of the principal and accrued interest of each of the certificates of deposit is insured by the United States or an instrumentality of the United States, and (d) the City appoints the depository institution selected under (a) above, a custodian as described by Section 2257.041(d) of the Texas Government Code, or a clearing broker-dealer registered with the SEC and operating pursuant to SEC Rule 15c3-3 (17 C.F.R. Section 240.15c3-3) as custodian for the City with respect to the certificates of deposit; (10) fully collateralized repurchase agreements that have a defined termination date, are secured by a combination of cash and obligations described in clause (1) above, clause (12) below, require the securities being purchased by the City or cash held by the City to be pledged to the City, held in the City’s name, and deposited at the time the investment is made with the City or with a third party selected and approved by the City, and are placed through a primary government securities dealer, as defined by the Federal Reserve, or a financial institution doing business in the State; (11) certain bankers’ acceptances with the remaining term of 270 days or less, if the short-term obligations of the accepting bank or its parent are rated at least “A-1” or “P-1” or the equivalent by at least one nationally recognized credit rating agency; (12) commercial paper with a stated maturity of 365 days or less that is rated at least “A-1” or “P-1” or the equivalent by either (a) two nationally recognized credit rating agencies or (b) one nationally recognized credit rating agency if the paper is fully secured by an irrevocable letter of credit issued by a U.S. or state bank; (13) no-load money market mutual funds registered with and regulated by the United States SEC that provide the City with a prospectus and other information required by the Securities Exchange Act of 1934 or the Investment Company Act of 1940 and that comply with SEC Rule 2a-7 (17 C.F.R. Section 270.2a-7), promulgated under the Investment Company Act of 1940 (15 U.S.C. Section 80a-1 et seq.); and (14) no-load mutual funds registered with the SEC that have an average weighted maturity of less than two years, and either (a) a duration of one year or more and invest exclusively in obligations described in under this heading, or (b) a duration of less than one year and the investment portfolio is limited to investment grade securities, excluding asset-backed securities. In addition, bond proceeds may be invested in guaranteed investment contracts that have a defined termination date and are secured by obligations, including letters of credit, of the United States or its agencies and instrumentalities, other than the prohibited obligations described below, in an amount at least equal to the amount of bond proceeds invested under such contract and are pledged to the City and deposited with the City or a third party selected and approved by the City.

The City may invest in such obligations directly or through government investment pools that invest solely in such obligations provided that the pools are rated no lower than “AAA” or “AAAm” or an equivalent by at least one nationally recognized rating service. The City may also contract with an investment management firm registered under the Investment Advisers Act of 1940 (15 U.S.C. Section 80b-1 et seq.) or with the State Securities Board to provide for the investment and management of its public funds or other funds under its control for a term up to two years, but the City retains ultimate responsibility as fiduciary of its assets. In order to renew or extend such a contract, the City must do so by order, ordinance, or resolution. The City is specifically prohibited from investing in: (1)

obligations whose payment represents the coupon payments on the outstanding principal balance of the underlying mortgage-backed security collateral and pays no principal; (2) obligations whose payment represents the principal stream of cash flow from the underlying mortgage-backed security and bears no interest; (3) collateralized mortgage obligations that have a stated final maturity of greater than 10 years; and (4) collateralized mortgage obligations the interest rate of which is determined by an index that adjusts opposite to the changes in a market index.

Political subdivisions such as the City are authorized to implement securities lending programs if (i) the securities loaned under the program are 100% collateralized, a loan made under the program allows for termination at any time and a loan made under the program is either secured by (a) obligations that are described in clauses (1) through (8) above, (b) irrevocable letters of credit issued by a state or national bank that is continuously rated by a nationally recognized investment rating firm at not less than “A” or its equivalent or (c) cash invested in obligations described in clauses (1) through (8) above, clauses (12) through (14) above, or an authorized investment pool; (ii) securities held as collateral under a loan are pledged to the City, held in the City’s name and deposited at the time the investment is made with the City or a third party designated by the City; (iii) a loan made under the program is placed through either a primary government securities dealer or a financial institution doing business in the State; and (iv) the agreement to lend securities has a term of one year or less.

Under State law, the City is required to invest its funds under written investment policies that primarily emphasize safety of principal and liquidity; that address investment diversification, yield, maturity, and the quality and capability of investment management; and that include a list of authorized investments for City funds, the maximum allowable stated maturity of any individual investment and the maximum average dollar-weighted maturity allowed for pooled fund groups, methods to monitor the market price of investments acquired with public funds, a requirement for settlement of all transactions, except investment pool funds and mutual funds, on a delivery versus payment basis, and procedures to monitor rating changes in investments acquired with public funds and the liquidation of such investments consistent with the PFIA. All City funds must be invested consistent with a formally adopted “Investment Strategy Statement” that specifically addresses each fund’s investment. Each Investment Strategy Statement will describe its objectives concerning: (1) suitability of investment type, (2) preservation and safety of principal, (3) liquidity, (4) marketability of each investment, (5) diversification of the portfolio, and (6) yield.

Under State law, the City’s investments must be made “with judgment and care, under prevailing circumstances, that a person of prudence, discretion, and intelligence would exercise in the management of the person’s own affairs, not for speculation, but for investment considering the probable safety of capital and the probable income to be derived.” At least quarterly the City’s investment officers must submit an investment report to the City Council detailing: (1) the investment position of the City, (2) that all investment officers jointly prepared and signed the report, (3) the beginning market value, and any additions and changes to market value and the ending value of each pooled fund group, (4) the book value and market value of each separately listed asset at the beginning and end of the reporting period, (5) the maturity date of each separately invested asset, (6) the account or fund or pooled fund group for which each individual investment was acquired, and (7) the compliance of the investment portfolio as it relates to: (a) adopted investment strategies and (b) State law. No person may invest City funds without express written authority from the City Council.

Under State law, the City is additionally required to: (1) annually review its adopted policies and strategies; (2) adopt by written instrument a rule, order, ordinance, or resolution stating that it has reviewed its investment policy and investment strategies and records any changes made to either its investment policy or investment strategy in the respective rule, order, ordinance or resolution; (3) require any investment officers with personal business relationships or family relationships with firms seeking to sell securities to the City to disclose the relationship and file a statement with the Texas Ethics Commission and the City; (4) require the registered principal of firms seeking to sell securities to the City to: (a) receive and review the City’s investment policy, (b) acknowledge that reasonable controls and procedures have been implemented to preclude imprudent investment activities conducted between the entity and the organization that are not authorized by the entity’s investment policy (except to the extent that this authorization is dependent on an analysis of the makeup of the entity’s entire portfolio, requires an interpretation of subjective investment standards or relates to investment transactions of the entity that are not made through accounts or other contractual arrangements over which the business organization has accepted discretionary investment authority), and (c) deliver a written statement attesting to these requirements; (5) in conjunction with its annual financial audit, perform a compliance audit of the management controls on investments and adherence to the City’s investment policy; (6) restrict reverse repurchase agreements to not more than ninety (90) days and restrict the investment of reverse

repurchase agreement funds to no greater than the term of the reverse repurchase agreement; (7) restrict the investment in no-load money market mutual funds in the aggregate to no more than fifteen percent (15%) of the City's monthly average fund balance, excluding bond proceeds and reserves and other funds held for debt service; (8) require local government investment pools to conform to the new disclosure, rating, net asset value, yield calculation, and advisory board requirements; (9) provide specific investment training for the Treasurer, the chief financial officer (if not the Treasurer) and the investment officer; and (10) at least annually review, revise, and adopt a list of qualified brokers that are authorized to engage in investment transactions with the City.

(d) On each Closing Date for each Series of the Bonds Similarly Secured, one Initial Bond representing the entire principal amount of such Series of Bonds Similarly Secured, payable in stated installments to the Purchaser of such series of Bonds Similarly Secured, or its designee, executed with the manual or facsimile signatures of the Mayor or Mayor Pro Tem and the City Secretary or Assistant City Secretary, approved by the Attorney General, and registered and manually signed by the Comptroller of Public Accounts, will be delivered to the Purchaser of such series of Bonds Similarly Secured or its designee. Upon payment for such Initial Bond, the Trustee shall cancel the Initial Bond and upon City Certificate deliver to DTC on behalf of the

Purchaser of such Bonds Similarly Secured one registered definitive bond for each year of maturity of such series of the Bonds Similarly Secured, in the aggregate principal amount of all bonds for such maturity of such series of the Bonds Similarly Secured, registered in the name of Cede & Co., as nominee of DTC.

Section 3.6 Refunding Bonds.

(a) Except in accordance with the provisions of this Indenture, including Section 13.2, the City shall not issue additional bonds, notes or other obligations payable from any portion of the Trust Estate, other than Refunding Bonds. The City reserves the right to issue Refunding Bonds, the proceeds of which would be utilized to refund all or any portion of the Outstanding Bonds or Outstanding Refunding Bonds and to pay all costs incident to the Refunding Bonds, as authorized by the laws of the State of Texas. Except as limited by the terms of this Indenture, including Section 13.2, the City reserves the right to incur debt payable from sources other than the Trust Estate, including revenue derived from contracts with other entities, including private corporations, municipalities and political subdivisions issued particularly for the purchase, construction, improvement, extension, replacement, enlargement or repair of the facilities needed in performing any such contract.

(b) The principal of all Refunding Bonds must be scheduled to be paid, be subject to mandatory sinking fund redemption or mature on September 1 of the years in which such principal is scheduled to be paid. All Refunding Bonds must bear interest at a fixed rate and any interest payment dates for Refunding Bonds must be March 1 and September 1. The date, rate or rates of interest on, interest payment dates, maturity dates, redemption and all other terms and provisions of Refunding Bonds shall be set forth in a Supplemental Indenture.

(c) Upon their authorization by the City, the Refunding Bonds of a Series issued under this Section 3.6 shall be issued and shall be delivered to the purchasers or owners thereof, but before, or concurrently with, the delivery of said Refunding Bonds to such purchasers or owners there shall have been filed with the Trustee the items required by Section 3.3(b) above.

Section 3.7 Ownership.

(a) The City, the Trustee, the Paying Agent/Registrar and any other Person may treat the Person in whose name any Bond Similarly Secured is registered as the absolute owner of such Bond Similarly Secured for the purpose of making and receiving payment as provided herein (except interest shall be paid to the Person in whose name such Bond Similarly Secured is registered on the relevant Record Date) and for all other purposes, whether or not such Bond Similarly Secured is overdue, and neither the City nor the Trustee, nor the Paying Agent/Registrar, shall be bound by any notice or knowledge to the contrary.

(b) All payments made to the Owner of any Bond Similarly Secured shall be valid and effectual and shall discharge the liability of the City, the Trustee and the Paying Agent/Registrar upon such Bond Similarly Secured to the extent of the sums paid.

Section 3.8 Registration, Transfer and Exchange.

(a) So long as any Bond Similarly Secured remains Outstanding, the City shall cause the Paying Agent/Registrar to keep at the Designated Payment/Transfer Office a Register in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds Similarly Secured in accordance with this Indenture. The Paying Agent/Registrar represents and warrants that it will maintain a copy of the Register, with a copy thereof filed with the City, and shall cause the Register to be current with all registration and transfer information as from time to time may be applicable.

(b) A Bond Similarly Secured shall be transferable only upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar. No transfer of any Bond Similarly Secured shall be effective until entered in the Register. If any Bond Similarly Secured is not presented for payment when the principal thereof becomes due, either at maturity or otherwise, or at the date fixed for redemption thereof, if funds sufficient to pay such Bond Similarly Secured shall have been made available to the Trustee, all liability of the City to the Owner thereof for the payment of such Bond Similarly Secured shall forthwith cease and be completely discharged, and thereupon it shall be the duty of the Trustee to hold such fund or funds, without liability for interest thereon, for the benefit of the Owner of such Bond Similarly Secured who shall thereafter be restricted exclusively to such fund or funds for any claim of whatever nature on his part under this Indenture, or with respect to, said Bond Similarly Secured.

(c) The Bonds Similarly Secured shall be exchangeable upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar for a Bond Similarly Secured or Bonds Similarly Secured of the same maturity and interest rate and in any Authorized Denomination and in an aggregate principal amount equal to the unpaid principal amount of the Bond presented for exchange. The Trustee is hereby authorized to authenticate and deliver Bonds Similarly Secured exchanged for other Bonds Similarly Secured in accordance with this Section.

(d) The Trustee is hereby authorized to authenticate and deliver Bonds Similarly Secured transferred or exchanged in accordance with this Section. A new Bond Similarly Secured or Bonds will be delivered by the Paying Agent/Registrar, in lieu of the Bond Similarly Secured being transferred or exchanged, at the Designated Payment/Transfer Office, or sent by United States mail, first class, postage prepaid, to the Owner or his designee. Each transferred Bond Similarly Secured delivered by the Paying Agent/Registrar in accordance with this Section shall constitute an original contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond Similarly Secured or Bonds Similarly Secured in lieu of which such transferred Bond Similarly Secured is delivered.

(e) Each exchange Bond Similarly Secured delivered in accordance with this Section shall constitute an original contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond Similarly Secured or Bonds Similarly Secured in lieu of which such exchange Bond Similarly Secured is delivered.

(f) No service charge shall be made to the Owner for the initial registration, subsequent transfer, or exchange for a different Authorized Denomination of any of the Bonds Similarly Secured. The Paying Agent/Registrar, however, may require the Owner to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer, or exchange of a Bond Similarly Secured.

(g) Neither the City nor the Paying Agent/Registrar shall be required to issue, transfer, or exchange any Bond Similarly Secured or portion thereof called for redemption prior to maturity within 45 days prior to the date fixed for redemption; *provided, however*, such limitation shall not be applicable to an exchange by the Owner of the uncalled principal balance of a Bond Similarly Secured.

Section 3.9 Cancellation.

All Bonds Similarly Secured paid or redeemed before scheduled maturity in accordance with this Indenture, and all Bonds Similarly Secured in lieu of which exchange Bonds Similarly Secured or replacement Bonds Similarly Secured are authenticated and delivered in accordance with this Indenture, shall be cancelled, and proper records shall be made regarding such payment, redemption, exchange, or replacement. The Paying Agent/Registrar shall dispose of cancelled Bonds Similarly Secured in accordance with the records retention requirements of the Trustee.

Section 3.10 Temporary Bonds Similarly Secured.

(a) Following the delivery and registration of the Initial Bond of a given Series of Bonds Similarly Secured and pending the preparation of definitive Bonds Similarly Secured for such Series of Bonds Similarly Secured, the proper officers of the City may execute and, upon the City's request, the Trustee shall authenticate and deliver, one or more temporary Bonds Similarly Secured that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Bonds Similarly Secured in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers of the City executing such temporary Bonds Similarly Secured may determine, as evidenced by their signing of such temporary Bonds Similarly Secured.

(b) Until exchanged for Bonds Similarly Secured in definitive form, such Bonds Similarly Secured in temporary form shall be entitled to the benefit and security of this Indenture.

(c) The City, without unreasonable delay, shall prepare, execute and deliver to the Trustee the Bonds Similarly Secured in definitive form; thereupon, upon the presentation and surrender of the Bond Similarly Secured or Bonds Similarly Secured in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Bonds Similarly Secured in temporary form and the Trustee shall authenticate and deliver in exchange therefor a Bond Similarly Secured or Bonds Similarly Secured of the same maturity and series, in definitive form, in the Authorized Denomination, and in the same aggregate principal amount, as the Bond Similarly Secured or Bonds Similarly Secured in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Owner.

Section 3.11 Replacement Bonds Similarly Secured.

(a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond Similarly Secured, the Trustee shall authenticate and deliver in exchange therefor a replacement Bond Similarly Secured of like tenor and principal amount, bearing a number not contemporaneously outstanding. The City or the Paying Agent/Registrar may require the Owner of such Bond Similarly Secured to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond Similarly Secured is lost, apparently destroyed or wrongfully taken, the Trustee, pursuant to the applicable laws of the State of Texas and in the absence of notice or knowledge that such Bond Similarly Secured has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond Similarly Secured of like tenor and principal amount bearing a number not contemporaneously outstanding, provided that the Owner first complies with the following requirements:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond Similarly Secured;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the Trustee to save them and the City harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Trustee and the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the City and the Trustee.

(c) After the delivery of such replacement Bond Similarly Secured, if a bona fide purchaser of the original Bond Similarly Secured in lieu of which such replacement Bond Similarly Secured was issued presents for payment such original Bond Similarly Secured, the City and the Paying Agent/Registrar shall be entitled to recover such replacement Bond Similarly Secured from the Person to whom it was delivered or any Person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost, or expense incurred by the City, the Paying Agent/Registrar or the Trustee in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond Similarly Secured has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond Similarly Secured, may pay such Bond Similarly Secured if it has become due and payable or may pay such Bond Similarly Secured when it becomes due and payable.

(e) Each replacement Bond Similarly Secured delivered in accordance with this Section shall constitute an original additional contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond Similarly Secured or Bonds Similarly Secured in lieu of which such replacement Bond Similarly Secured is delivered.

Section 3.12 Book-Entry Only System.

The Bonds shall initially be issued in book-entry-only form and shall be deposited with DTC, which is hereby appointed to act as the securities depository therefor, in accordance with the letter of representations from the City to DTC. On the Closing Date for the applicable series of Bonds, the definitive Bonds shall be issued in the form of a single typewritten certificate for each maturity thereof registered in the name of Cede & Co., as nominee for DTC.

With respect to Bonds registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any Person on behalf of whom such a DTC Participant holds an interest in the Bonds. Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant with respect to any ownership interest in the Bonds, (ii) the delivery to any DTC Participant or any other Person, other than an Owner, as shown on the Register, of any notice with respect to the Bonds, including any notice of redemption, or (iii) the payment to any DTC Participant or any other Person, other than an Owner, as shown in the Register of any amount with respect to principal of, premium, if any, or interest on the Bonds. Notwithstanding any other provision of this Indenture to the contrary, the City and the Paying Agent/Registrar shall be entitled to treat and consider the Person in whose name each Bond Similarly Secured is registered in the Register as the absolute owner of such Bond Similarly Secured for the purpose of payment of principal of, premium, if any, and interest on Bonds, for the purpose of giving notices of redemption and other matters with respect to such Bond Similarly Secured, for the purpose of registering transfer with respect to such Bond Similarly Secured, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds only to or upon the order of the respective Owners as shown in the Register, as provided in this Indenture, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with respect to payment of principal of, premium, if any, and interest on the Bonds to the extent of the sum or sums so paid. No Person other than an Owner, as shown in the Register, shall receive a certificate evidencing the obligation of the City to make payments of amounts due pursuant to this Indenture. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Indenture with respect to interest checks or drafts being mailed to the registered owner at the close of business on the relevant Record Date, the word "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

Section 3.13 Successor Securities Depository: Transfer Outside Book-Entry-Only System.

In the event that the City determines that DTC is incapable of discharging its responsibilities described herein and in the letter of representations from the City to DTC, the City shall (i) appoint a successor securities depository, qualified to act as such under Section 17A of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds to such successor securities depository; or (ii) notify DTC and DTC Participants of the availability through DTC of certificated Bonds and cause the Paying Agent/Registrar to transfer one or more separate registered Bonds to DTC Participants having Bonds credited to their DTC accounts. In such event, the Bonds shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Owners transferring or exchanging Bonds shall designate, in accordance with the provisions of this Indenture.

Section 3.14 Payments to Cede & Co.

Notwithstanding any other provision of this Indenture to the contrary, so long as Bonds are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bonds, and all notices with respect to such Bonds shall be made and given, respectively, in the manner provided in the blanket letter of representations from the City to DTC.

(b) At least forty-five (45) days prior to each mandatory sinking fund redemption date, and subject to any prior reduction authorized by subparagraphs (c) and (d) of this Section 4.2, the Trustee shall select a principal amount of Bonds, in accordance with Section 4.5, of such maturity equal to the Sinking Fund Installment amount of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in Section 4.6.

(c) The principal amount of Bonds of a Stated Maturity required to be redeemed on any mandatory sinking fund redemption date pursuant to subparagraph (a) of this Section 4.2 shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least (45) days prior to the mandatory sinking fund redemption date, shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation.

(d) The principal amount of Bonds required to be redeemed on any redemption date pursuant to subparagraph (a) of this Section 4.2 shall be reduced on a pro rata basis among Sinking Fund Installments by the principal amount of any Bonds which, at least 45 days prior to the sinking fund redemption date, shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.

Section 4.3 Optional Redemption.

The City reserves the right and option to redeem the Bonds maturing on or after September 1, 2034 before their scheduled maturity dates, in whole or in part, on any date, in minimum principal amounts of \$1,000, on or after September 1, 2033, such redemption date or dates to be fixed by the City, at the Redemption Price.

Section 4.4 Extraordinary Optional Redemption.

(a) The City reserves the right and option to redeem Bonds Similarly Secured before their respective scheduled maturity dates, in whole or in part, on the first day of any month, at the Redemption Price from amounts on deposit in the Redemption Fund as a result of Prepayments (including related transfers to the Redemption Fund as provided in Section 6.7(d) or (e)), transfers to the Redemption Fund made pursuant to Section 6.3(d), 6.3(e), 6.7(a), 6.7(d), 6.7(e), 6.7(f) or 6.7(j) hereof, or as a result of unexpended amounts transferred from the IA#4 Improvements Account of the Project Fund as provided in Section 6.5(e). The City shall notify the Trustee in writing at least forty-five (45) days before the scheduled extraordinary optional redemption date fixed by the City, or such other time period as the Trustee and the City shall mutually agree.

Notwithstanding the foregoing, the Trustee will not be required to make an extraordinary optional redemption pursuant to this Section 4.4 unless it has at least \$1,000 available in the Redemption Fund with which to redeem the Bonds.

(b) In lieu of redeeming the Bonds with the funds described in this Section, the City may purchase the Bonds in the open market of the maturity to be redeemed at the price not in excess of that provided in Section 4.7.

Section 4.5 Partial Redemption.

(a) If less than all of the Bonds are to be redeemed pursuant to Sections 4.2, 4.3, or 4.4, the Bonds shall be redeemed in minimum principal amounts of \$1,000 or any integral multiple thereof. Each Bond shall be treated as representing the number of bonds that is obtained by dividing the principal amount of the Bonds by \$1,000. No redemption shall result in a Bond in

a denomination of less than the Authorized Denomination in effect at that time; provided, however, if the amount of the Outstanding Bond is less than an Authorized Denomination after giving effect to such partial redemption, a Bond in the principal amount equal to the unredeemed portion, but not less than \$1,000, may be issued.

(b) In selecting the Bonds to be redeemed pursuant to Section 4.2, the Trustee may select Bonds in any method that results in a random selection.

(c) In selecting the Bonds to be redeemed pursuant to Section 4.3, the Trustee may conclusively rely on the directions provided in a City Certificate.

(d) If less than all of a series of Bonds are called for extraordinary optional redemption pursuant to Section 4.4 hereof, the Bonds or portion of a Bond, as applicable, of such series to be redeemed shall be allocated on a pro rata basis (as nearly as practicable) among all Outstanding Bonds of such series.

(e) Upon surrender of any Bond for redemption in part, the Trustee, in accordance with Section 3.8 of this Indenture, shall authenticate and deliver an exchange Bond or Bonds of the same series and in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, such exchange being without charge.

Section 4.6 Notice of Redemption to Owners.

(a) Upon receipt of written notice from the City of the exercise of any redemption, the Trustee shall give notice of any redemption of Bonds by sending notice by first class United States mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond or portion thereof to be redeemed, at the address shown in the Register. So long as the Bonds are in book entry only form and held by the DTC as security depository, references to Owner in this Indenture means Cede & Co., as nominee for DTC.

(b) The notice shall state the redemption date, the Redemption Price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, and subject to Section 4.5 hereof, an identification of the Bonds or portions thereof to be redeemed, any conditions to such redemption and that on the redemption date, if all conditions, if any, to such redemption have been satisfied, such Bond shall become due and payable.

(c) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

(d) The City has the right to rescind any optional redemption or extraordinary optional redemption described in Section 4.3 or 4.4 by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under the Indenture. The Trustee shall mail notice of rescission of redemption in the same manner notice of redemption was originally provided.

(e) With respect to any optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the Redemption Price of the Bonds to be redeemed before giving of a notice of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption are not satisfied and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

Section 4.7 Purchase Price for Bonds.

Upon receipt of written notice from the City specifying the Bonds to be purchased, the Trustee shall apply moneys available for redemption to the purchase of Bonds which were otherwise to be redeemed in such order or priority and subject to such restrictions as may be prescribed in this Indenture in the manner provided in this Section. The purchase price paid by the Trustee on behalf of the City (excluding accrued and unpaid interest but including any brokerage and other charges) for any Bond purchased by the City shall not exceed the principal amount of such Bond.

Section 4.8 Payment Upon Redemption.

(a) The Trustee shall make provision for the payment of the Bonds to be redeemed on such date by setting aside and holding in trust an amount from the Redemption Fund or otherwise received by the Trustee from the City and shall use such funds solely for the purpose of paying the Redemption Price on the Bonds being redeemed.

(b) Upon presentation and surrender of any Bond called for redemption at the designated corporate trust office of the Trustee (initially, Houston, Texas) on or after the date fixed for redemption, the Trustee shall pay the Redemption Price on such Bond to the date of redemption from the moneys set aside for such purpose.

Section 4.9 Effect of Redemption.

Notice of redemption having been given as provided in Section 4.6 of this Indenture, the Bonds or portions thereof called for redemption shall become due and payable on the date fixed for redemption provided that funds for the payment of the Redemption Price of such Bonds or the principal of and interest on such Bonds, as applicable, to the date fixed for redemption are on deposit with the Trustee; thereafter, such Bonds or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Bonds are presented and surrendered for payment on such date.

ARTICLE V FORM OF THE BONDS

Section 5.1 Form Generally.

(a) The Bonds, including the Registration Certificate of the Comptroller of Public Accounts of the State of Texas, the Certificate of Trustee, and the Assignment to appear on each of the Bonds, (i) shall be substantially in the form set forth in Exhibit A to this Indenture with such appropriate insertions, omissions, substitutions, and other variations as are permitted or required by this Indenture, and (ii) may have such letters, numbers, or other marks of identification (including identifying numbers and letters of the Committee on Uniform Securities Identification Procedures of the American Bankers Association) and such legends and endorsements (including any reproduction of an opinion of counsel) thereon as, consistently herewith, may be determined by the City or by the officers executing such Bonds, as evidenced by their execution thereof.

The City may secure identification numbers through the CUSIP Service Bureau Division of S&P Global Market Intelligence on behalf of the American Bankers Association, New York, New York, and may authorize the printing of such numbers on the face of the Bonds. It is expressly *provided, however*, that the presence or absence of CUSIP numbers on the Bonds shall be of no significance or effect as regards the legality thereof; and, none of the City, the Trustee, or the attorneys approving said Bonds as to legality are to be held responsible for CUSIP numbers incorrectly printed on the Bonds. The Trustee may include in any redemption notice a statement to the effect that the CUSIP numbers on the Bonds have been assigned by an independent service and are included in such notice solely for the convenience of the Owners of the Bonds and that neither the City nor the Trustee shall be liable for any inaccuracies of such numbers.

Section 5.3 Legal Opinion.

The approving legal opinion of Bond Counsel may be printed on or attached to each Bond over the certification of the City Secretary of the City, which may be executed in facsimile.

(a) On or before February 20, 2024 and on or before each February 20 and August 20 of each year thereafter while the Bonds are Outstanding, the City shall deposit or cause to be deposited with the Trustee all Pledged Revenues, if any, into the Pledged Revenue Fund. Specifically, the City shall deposit or cause to be deposited Assessment Revenues and other Pledged Revenues to be applied by the Trustee in the following order of priority:

(i) first, to the Pledged Revenue Fund in an amount sufficient to pay debt service on the Bonds Similarly Secured next coming due in such calendar year;

(ii) second, to the Reserve Account of the Reserve Fund in an amount to cause the amount in the Reserve Account to equal the initial Reserve Account Requirement;

(iii) third, to the Additional Interest Reserve Account of the Reserve Fund in an amount equal to the Additional Interest;

(iv) fourth, to the Section 6A Authorized Improvements Subaccount, Section 7 Authorized Improvements Subaccount, Section 12 Authorized Improvements Subaccount, or the Section 13 Authorized Improvements Subaccount on a pro rata basis to pay Actual Costs of the Section 6A Authorized Improvements, Section 7 Authorized Improvements, Section 12 Authorized Improvements, or Section 13 Authorized Improvements, respectively; and

(v) fifth, to pay other costs permitted by the PID Act.

(b) From time to time as needed to pay the obligations relating to the Bonds Similarly Secured, but no later than five (5) Business Days before each Interest Payment Date, the Trustee shall withdraw from the Pledged Revenue Fund and transfer to the Principal and Interest Account of the Bond Fund, an amount, taking into account any amounts then on deposit in such Principal and Interest Account and any expected transfers from the Capitalized Interest Account of the Bond Fund to the Principal and Interest Account of the Bond Fund, such that the amount on deposit in the Principal and Interest Account of the Bond Fund equals the principal (including any Sinking Fund Installments) and interest due on the Bonds Similarly Secured on the next Interest Payment Date.

(c) If, after the foregoing transfers and any transfer from the Reserve Fund as provided in Section 6.7 herein, there are insufficient funds to make the payments provided in

paragraph (b) above, the Trustee shall apply the available funds in the Principal and Interest Account of the Bond Fund first to the payment of interest, then to the payment of principal (including any Sinking Fund Installments) on the Bonds Similarly Secured.

(d) Notwithstanding Section 6.3(a) hereof, the Trustee shall deposit Prepayments to the Pledged Revenue Fund and within two business days after such deposit shall transfer such Prepayments to the applicable Account within the Redemption Fund.

(e) Notwithstanding Section 6.3(a) hereof, the Trustee shall deposit Foreclosure Proceeds to the Pledged Revenue Fund and within two business days after such deposit shall transfer Foreclosure Proceeds, as directed by the City pursuant to a City Certificate, first to the Reserve Fund to restore any transfers from the accounts within the Reserve Fund made with respect to the Assessed Property or Assessed Properties to which the Foreclosure Proceeds relate (*first*, to the Reserve Account of the Reserve Fund to replenish the Reserve Account Requirement, and *second*, to replenish the Additional Interest Reserve Account of the Reserve Fund to replenish the Additional Interest Reserve Requirement), and second, to the applicable Account within the Redemption Fund.

(f) After satisfaction of the requirement to provide for the payment of the principal and interest on the Bonds Similarly Secured and to fund any deficiency that may exist in any Account of the Reserve Fund and transfer of funds pursuant to Section 6.3(a)(i) - (iii) above, the City may direct the Trustee by City Certificate to apply Assessments for any lawful purposes permitted by the PID Act for which Assessments may be paid and benefitting those Assessed Parcels in the particular Section where the Assessments were levied. The Trustee may rely on such written direction of the City and shall have no obligation to determine the lawful purposes permitted under the PID Act.

(g) Any additional Pledged Revenues remaining after the satisfaction of the foregoing shall be applied by the Trustee, as instructed by the City pursuant to a City Certificate, for any lawful purpose permitted by the PID Act for which such additional Pledged Revenues may be used, including transfers to other Funds and Accounts created pursuant to this Indenture, provided, however, with respect to transfers to the Subaccounts of the Project Fund and the Redemption Fund pursuant to this subsection, that Pledged Revenues collected from Assessed Parcels within a particular Section shall only be transferred to the Subaccount corresponding to that Section.

Section 6.4 Bond Fund.

(a) On each Interest Payment Date, the Trustee shall withdraw from the Principal and Interest Account of the Bond Fund and transfer the principal (including any Sinking Fund Installments) and interest then due and payable on the Bonds Similarly Secured, less any amount to be used to pay interest on the Bonds Similarly Secured on such Interest Payment Date from the Capitalized Interest Account of the Bond Fund as provided below.

(b) If amounts in the Principal and Interest Account of the Bond Fund are insufficient for the purposes set forth in paragraph (a) above, the Trustee shall withdraw from the Reserve Fund amounts to cover the amount of such insufficiency in the order described in Section

6.7(g) hereof. Amounts so withdrawn from the Reserve Fund shall be deposited in the Principal and Interest Account of the Bond Fund and transferred to the Paying Agent/Registrar.

(c) Moneys in the Capitalized Interest Account of the Bond Fund shall be used for the payment of interest on the Bonds on the following dates and in the following amounts:

| <u>Date</u> | <u>Amount</u> |
|-------------------|---------------|
| September 1, 2023 | \$489,716.01_ |

Any amounts on deposit to the Capitalized Interest Account of the Bond Fund after the payment of interest on the dates and in the amounts listed above shall be transferred to the IA#4 Improvements Account of the Project Fund, or if the IA#4 Improvements Account of the Project Fund has been closed as provided in Section 6.5(e) herein, such amounts shall be transferred to the Redemption Fund to be used to redeem the Bonds, and the Capitalized Interest Account of the Bond Fund shall be closed.

Section 6.5 Project Fund.

(a) Money on deposit in the Project Fund shall be used for the purposes specified in Section 3.1 hereof. Notwithstanding any other provisions, money on deposit in the Section 6A Authorized Improvements Subaccount shall only be used to pay Actual Costs of the Section 6A Authorized Improvements, money on deposit in the Section 7 Authorized Improvements Subaccount shall only be used to pay Actual Costs of the Section 7 Authorized Improvements, money on deposit in the Section 12 Authorized Improvements Subaccount shall only be used to pay Actual Costs of the Section 12 Authorized Improvements, and money on deposit in the Section 13 Authorized Improvements Subaccount shall only be used to pay Actual Costs of the Section 13 Authorized Improvements.

(b) Disbursements from any of the Subaccounts within the IA#4 Improvements Account of the Project Fund to pay Actual Costs shall be made by the Trustee upon receipt by the Trustee of one or more City Certificates containing a properly executed and completed Certification for Payment. See attached form of Certification for Payment as Exhibit E to the Financing Agreement. Such provisions and procedures related to such disbursement contained in the Financing Agreement are herein incorporated by reference and deemed set forth herein in full.

(c) Disbursements from the IA#4 Costs of Issuance Account of the Project Fund shall be made by the Trustee pursuant to and in accordance with a City Certificate providing for the application of such funds to be disbursed (with the exception of fees and expenses initially incurred by the Trustee, which may be withdrawn by the Trustee).

(d) If the City Representative reasonably determines that amounts then on deposit in a Subaccount of the IA#4 Improvements Account of the Project Fund are not expected to be expended for purposes of such Subaccount due to the completion, abandonment, or constructive abandonment, of the Section 6A Authorized Improvements, Section 7 Authorized Improvements, Section 12 Authorized Improvements or Section 13 Authorized Improvements, as applicable, such that, in the opinion of the City Representative, it is unlikely that the amounts in such Subaccount will ever be expended for the purposes of such Subaccount, the City

Representative shall file a City Certificate with the Trustee which identifies the amounts then on deposit in such Subaccount that are not expected to be used for purposes of such Subaccount. If such City Certificate is so filed, the amounts on deposit in such Subaccount shall be transferred to the Redemption Fund in accordance with the method outlined in subsection (e) of this Section 6.5 to redeem Bonds Similarly Secured on the earliest practical date after notice of redemption has been provided in accordance with this Indenture, and such Subaccount shall be closed.

(e) Upon the filing of a City Certificate stating that all Section 6A Authorized Improvements have been completed and that all Actual Costs of the Section 6A Authorized Improvements have been paid, the Trustee (i) shall transfer, pursuant to written direction in such City Certificate, the amount, if any, remaining within the Section 6A Authorized Improvements Subaccount to the Section 6A Redemption Account of the Redemption Fund and (ii) the Section 6A Authorized Improvements Subaccount of the Project Fund shall be closed. Upon the filing of a City Certificate stating that all Section 7 Authorized Improvements have been completed and that all Actual Costs of the Section 7 Authorized Improvements have been paid, the Trustee (i) shall transfer, pursuant to written direction in such City Certificate, the amount, if any, remaining within the Section 7 Authorized Improvements Subaccount to the Section 7 Redemption Account of the Redemption Fund and (ii) the Section 7 Authorized Improvements Subaccount of the Project Fund shall be closed. Upon the filing of a City Certificate stating that all Section 12 Authorized Improvements have been completed and that all Actual Costs of the Section 12 Authorized Improvements have been paid, the Trustee (i) shall transfer, pursuant to written direction in such City Certificate, the amount, if any, remaining within the Section 12 Authorized Improvements Subaccount to the Section 12 Redemption Account of the Redemption Fund and (ii) the Section 12 Authorized Improvements Subaccount of the Project Fund shall be closed. Upon the filing of a City Certificate stating that all Section 13 Authorized Improvements have been completed and that all Actual Costs of the Section 13 Authorized Improvements have been paid, the Trustee (i) shall transfer, pursuant to written direction in such City Certificate, the amount, if any, remaining within the Section 13 Authorized Improvements Subaccount to the Section 13 Redemption Account of the Redemption Fund and (ii) the Section 13 Authorized Improvements Subaccount of the Project Fund shall be closed. If all of the foregoing transfers have been taken and all Subaccounts of the IA#4 Improvements Account of the Project Fund have been closed, then the IA#4 Improvements Account of the Project Fund shall be closed.

(f) Upon the Trustee's receipt of a written determination by the City Representative that all costs of issuance of the Bonds Similarly Secured have been paid and the appropriate portion of the costs incidental to the organization of the District have been paid, the City Representative shall file a City Certificate with the Trustee which identifies the amounts then on deposit in the IA#4 Costs of Issuance Account of the Project Fund that are not expected to be used for purposes of the IA#4 Costs of Issuance Account of the Project Fund. If such City Certificate is so filed, the amounts on deposit in the IA#4 Costs of Issuance Account of the Project Fund shall be transferred to each of the Subaccounts of the IA#4 Improvements Account of the Project Fund on a pro rata basis and used to pay Actual Costs or to the Principal and Interest Account of the Bond Fund used to pay interest on the Bonds Similarly Secured, as directed by the City in a City Certificate filed with the Trustee, and the IA#4 Costs of Issuance Account of the Project Fund shall be closed.

(g) In making any determination pursuant to this Section, the City Representative may conclusively rely upon a report issued by the City Engineer or a certificate of an Independent Financial Consultant.

(h) In providing any disbursement from the Subaccounts of the IA#4 Improvements Account of the Project Fund, the Trustee may conclusively rely as to the completeness and accuracy of all statements in such Certification for Payment if such certificate is signed by a City Representative, and the Trustee shall not be required to make any independent investigation in connection therewith. The execution of any Certification for Payment by a City Representative shall constitute, unto the Trustee, an irrevocable determination that all conditions precedent to the payments requested have been completed.

Section 6.6 Redemption Fund.

Subject to adequate amounts on deposit in the Pledged Revenue Fund, the Trustee, as directed by City Certificate, shall cause to be deposited to the Redemption Fund or such appropriate Account within the Redemption Fund (as applicable) from the Pledged Revenue Fund an amount sufficient to redeem Bonds as provided in Sections 4.3 and 4.4 on the dates specified for redemption as provided in Sections 4.3 and 4.4. Amounts on deposit in the Redemption Fund shall be used and withdrawn by the Trustee to redeem Bonds as provided in Article IV.

Section 6.7 Reserve Fund.

(a) The Reserve Account of the Reserve Fund will be initially funded with a deposit of \$1,346,180.00 from the proceeds of the Bonds in the amount of the Reserve Account Requirement and the City agrees with the Owners of the Bonds Similarly Secured to accumulate from the deposits outlined in Section 6.3(a) hereof, and when accumulated maintain in the Reserve Account of the Reserve Fund, an amount equal to not less than the Reserve Account Requirement. All amounts deposited in the Reserve Account of the Reserve Fund shall be used and withdrawn by the Trustee for the purpose of making transfers to the Principal and Interest Account of the Bond Fund as provided in this Indenture.

(b) The Trustee, if needed, will transfer from the Pledged Revenue Fund to the Additional Interest Reserve Account of the Reserve Fund on March 1 and September 1 of each year, commencing March 1, 2024, to the extent that funds are available after application of the deposit priority in Section 6.3(a) hereof, an amount equal to the Additional Interest in the Additional Interest Reserve Account of the Reserve Fund until the Additional Interest Reserve Requirement has been accumulated in the Additional Interest Reserve Account of the Reserve Fund; *provided, however*, that at any time the amount on deposit in the Additional Interest Reserve Account of the Reserve Fund is less than Additional Interest Reserve Requirement, the Trustee shall resume depositing the Additional Interest into the Additional Interest Reserve Account of the Reserve Fund until the Additional Interest Reserve Requirement has accumulated in the Additional Interest Reserve Account of the Reserve Fund.

(c) Whenever a transfer is made from an Account of the Reserve Fund to the Bond Fund due to a deficiency in the Bond Fund, the Trustee shall provide written notice thereof to the City, specifying the amount withdrawn and the source of said funds.

(d) Whenever Bonds are to be redeemed with the proceeds of Prepayments pursuant to Section 4.4, a proportionate amount in the Reserve Account of the Reserve Fund shall be transferred on the Business Day prior to the redemption date by the Trustee to the Redemption Fund to be applied to the redemption of the Bonds. The amount so transferred from the Reserve Account of the Reserve Fund shall be equal to an amount representing the difference between (i) the lesser of (A) the Reserve Account Requirement prior to redemption and (B) the amount actually on deposit in the Reserve Account of the Reserve Fund prior to redemption, and (ii) the Reserve Account Requirement after such redemption; *provided, however*, no such transfer from the Reserve Account of the Reserve Fund shall cause the amount on deposit therein to be less than the Reserve Account Requirement to be in effect after such redemption. If after such transfer, and after applying investment earnings on the Redemption Fund toward payment of accrued and unpaid interest to the date of redemption on the Bonds to be redeemed, there are insufficient funds to pay the principal amount plus accrued and unpaid interest on such Bonds to the date fixed for redemption of the Bonds to be redeemed as a result of such Prepayment, the Trustee shall transfer an amount equal to the shortfall from the Additional Interest Reserve Account of the Reserve Fund to the Redemption Fund to be applied to the redemption of the Bonds.

(e) Whenever, on any Interest Payment Date, or on any other date at the written request of a City Representative, the amount in the Reserve Account of the Reserve Fund exceeds the Reserve Account Requirement, the Trustee shall provide written notice to the City Representative of the amount of the excess. Such excess shall be transferred to the Principal and Interest Account of the Bond Fund to be used for the payment of interest on the Bonds Similarly Secured on the next Interest Payment Date in accordance with Section 6.4 hereof, unless within 45 days of such notice to the City Representative, the Trustee receives a City Certificate instructing the Trustee to apply such excess: (i) to pay amounts due under Section 6.8 hereof, (ii) to each of the Subaccounts of the IA#4 Improvements Account of the Project Fund on a pro rata basis, if such application and the expenditure of funds is expected to occur within three years of the date hereof, or (iii) for such other use specified in such City Certificate if the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that such alternate use will not adversely affect the exemption from federal income tax of the interest on any Bond Similarly Secured.

(f) Whenever, on any Interest Payment Date, or on any other date at the written request of the City Representative, the amount on deposit in the Additional Interest Reserve Account of the Reserve Fund exceeds the Additional Interest Reserve Requirement, the Trustee shall provide written notice to the City of the amount of the excess (the “*Excess Additional Interest Reserve Amount*”). The Excess Additional Interest Reserve Amount on deposit in the Additional Interest Reserve Account of the Reserve Fund shall be transferred by the Trustee to the Redemption Fund, and shall notify the City of such transfer in writing. In transferring the amounts to be transferred pursuant to this Section, the Trustee may conclusively rely on the Annual Installments as shown on the Assessment Roll in the Service and Assessment Plan or an Annual Service Plan Update, unless and until it receives a City Certificate directing that a different amount be used.

(g) Whenever, on any Interest Payment Date, the amount on deposit in the Bond Fund is insufficient to pay the debt service on the Bonds Similarly Secured due on such date, the Trustee shall transfer first from the Additional Interest Reserve Account of the Reserve Fund to

the Principal and Interest Account of the Bond Fund and second from the Reserve Account of the Reserve Fund to the Principal and Interest Account of the Bond Fund the amounts necessary to cure such deficiency.

(h) At the final maturity of the Bonds Similarly Secured, the amount on deposit in the Reserve Account of the Reserve Fund and the Additional Interest Reserve Account of the Reserve Fund shall be transferred to the Principal and Interest Account of the Bond Fund and applied to the payment of the principal of the Bonds Similarly Secured.

(i) If, after a Reserve Fund withdrawal, the amount on deposit in the Reserve Account of the Reserve Fund is less than the Reserve Account Requirement, the Trustee shall transfer from the Pledged Revenue Fund to the Reserve Account of the Reserve Fund the amount of such deficiency, in accordance with Section 6.3.

(j) If the amount held in the Reserve Fund together with the amount held in the Bond Fund and Redemption Fund is sufficient to pay the principal amount and of all Outstanding Bonds Similarly Secured on the next Interest Payment Date, together with the unpaid interest accrued on such Bonds Similarly Secured as of such Interest Payment Date, the moneys shall be transferred to the Redemption Fund and thereafter used to redeem all Bonds Similarly Secured as of such Interest Payment Date.

Section 6.8 Rebate Fund; Rebate Amount.

(a) There is hereby established a special fund of the City to be designated “City of Kyle, Texas Special Assessment Revenue Bonds, Series 2023 (6 Creeks Public Improvement District Improvement Area #4 Project) Rebate Fund” (the “*Rebate Fund*”) to be held by the Trustee in accordance with the terms and provisions of this Indenture. Amounts on deposit in the Rebate Fund shall be used solely for the purpose of paying amounts due the United States Government in accordance with the Code. The Trustee shall transfer from the Pledged Revenue Fund to the credit of the Rebate Fund each amount instructed by City Certificate to be transferred thereto.

(b) In order to assure that the Rebate Amount is paid to the United States rather than to a third party, investments of funds on deposit in the Rebate Fund shall be made in accordance with the Code and the Tax Certificate. The Trustee shall withdraw from the Rebate Fund and pay to the United States the amounts instructed by City Certificate.

(c) The Trustee conclusively shall be deemed to have complied with the provisions of this Section and Section 7.5(h) hereof and shall not be liable or responsible if it follows the written instructions of the City and shall not be required to take any action under this Section and Section 7.5(h) hereof in the absence of written instructions from the City.

(d) If, on the date of each annual calculation, the amount on deposit in the Rebate Fund exceeds the Rebate Amount, the City may direct the Trustee, pursuant to a City Certificate, to transfer the amount in excess of the Rebate Amount to the Principal and Interest Account of the Bond Fund.

Section 6.9 Administrative Fund.

(a) Notwithstanding Section 6.3(a) hereof, the City shall deposit or cause to be deposited to the Administrative Fund the amounts collected each year to pay Annual Collection Costs and Delinquent Collection Costs. Moneys in the Administrative Fund shall be held by the Trustee separate and apart from the other Funds created and administered hereunder and used as directed by a City Certificate solely for the purposes set forth in the Service and Assessment Plan.

(b) The Administrative Fund is not a Pledged Fund.

Section 6.10 Investment of Funds.

(a) Money in any Fund or Account established pursuant to this Indenture shall be invested by the Trustee only as directed by the City pursuant to a City Certificate filed with the Trustee at least two (2) days in advance of the making of such investment (or as directed below) in time deposits or certificates of deposit secured in the manner required by law for public funds, or be invested in direct obligations of, including obligations the principal and interest on which are unconditionally guaranteed by, the United States of America, in obligations of any agencies or instrumentalities thereof, or in such other investments as are permitted under the Public Funds Investment Act, Texas Government Code, Chapter 2256, as amended, or any successor law, as in effect from time to time; the City Certificate shall direct investment in such deposits and investments (which may include repurchase agreements for such investment with any primary dealer of such agreements) so that the money required to be expended from any Fund will be available at the proper time or times. Notwithstanding the preceding sentence, amounts in the Additional Interest Reserve Account of the Reserve Fund may not be invested above the Yield (as defined in Section 7.5(a) hereof) on the Bonds Similarly Secured, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that such investment and/or the failure to comply with such yield restriction will not adversely affect the exemption from federal income tax of the interest on any Bond Similarly Secured. Such investments shall be valued each year in terms of current market value as of September 30. For purposes of maximizing investment returns, to the extent permitted by law, money in such Funds may be invested in common investments of the kind described above, or in a common pool of such investments which shall be kept and held at an official depository bank, which shall not be deemed to be or constitute a commingling of such money or funds provided that safekeeping receipts or certificates of participation clearly evidencing the investment or investment pool in which such money is invested and the share thereof purchased with such money or owned by such Fund are held by or on behalf of each such Fund. If necessary, such investments shall be promptly sold in order to make the disbursements required or permitted by this Indenture or to prevent any default.

(b) Obligations purchased as an investment of moneys in any Fund, Account or Subaccount shall be deemed to be part of such Fund, Account or Subaccount, subject, however, to the requirements of this Indenture for transfer of interest earnings and profits resulting from investment of amounts in Funds, Accounts and Subaccounts. Whenever in this Indenture any moneys are required to be transferred by the City to the Trustee, such transfer shall be accomplished by transferring a like amount of Investment Securities unless the City instructs the Trustee otherwise by written direction.

(c) The Trustee and its affiliates may act as sponsor, depository, principal or agent in the acquisition or disposition of any investment. The Trustee shall have no investment discretion and the Trustee's only responsibility for investments shall be to follow the written instructions contained in any City Certificate and to ensure that an investment it is directed to purchase is a permitted investment pursuant to the terms of this Indenture. The Trustee shall not incur any liability for losses arising from any investments made pursuant to this Section. The Trustee shall not be required to determine the suitability or legality of any investments or whether investments comply with Section 6.10(a) above. The parties hereto acknowledge that the Trustee is not providing investment supervision, recommendations, or advice.

(d) Investments in any and all Funds, Accounts and Subaccounts may be commingled in a separate fund or funds for purposes of making, holding and disposing of investments, notwithstanding provisions herein for transfer to or holding in or to the credit of particular Funds, Accounts or Subaccounts of amounts received or held by the Trustee hereunder, provided that the Trustee shall at all times account for such investments strictly in accordance with the Funds, Accounts and Subaccounts to which they are credited and otherwise as provided in this Indenture.

(e) The Trustee will furnish the City monthly cash transaction statements which include detail for all investment transactions made by the Trustee hereunder and, unless the Trustee receives a written request, the Trustee is not required to provide brokerage confirmations so long as the Trustee is providing such monthly cash transaction statements.

(f) The Trustee may conclusively rely on any City Certificate and shall not be required to make any investigation in connection therewith.

Section 6.11 Advances from Available Funds.

In the event of a delinquency in the payment of any installment of the Assessment levied upon any property for the payment of the principal portion of an Annual Installment, the City may, but is not obligated to, be the purchaser of the delinquent property upon which any of said Assessments are levied in like manner in which it may become the purchaser of property sold for the nonpayment of general ad valorem property taxes, and in the event the City does so become the purchaser of such property, shall pay and transfer and deposit into the Pledged Revenue Fund the amount of any remaining amount of unpaid Assessment, delinquent Assessment installments and interest thereon. The City may also pay and transfer from available funds and deposit into the Pledged Revenue Fund, but shall not be so obligated, the amount of any such Assessment pending redemption or sale. Any amounts so advanced by the City shall be recoverable upon sale or redemption of the property. The City shall not be obligated to advance available funds to cure any deficiency in the Pledged Revenue Fund, or any other Fund created hereunder, and has determined that it would not obligate itself to advance available funds from other funds of the City to cure any such deficiency.

Section 6.12 Security of Funds.

All Funds, Accounts or Subaccounts heretofore created, to the extent not invested as herein permitted, shall be secured in the manner and to the fullest extent required by law for the security

of public funds, and such Funds, Accounts or Subaccounts shall be used only for the purposes and in the manner permitted or required by this Indenture.

ARTICLE VII COVENANTS

Section 7.1 Confirmation of Assessments.

The City hereby confirms, covenants, and agrees that the Assessments to be collected from the Assessed Property are as so reflected in the Service and Assessment Plan (as it may be updated from time to time) and, in accordance with the Assessment Ordinance, it has levied the Assessments against the respective Assessed Properties from which the Pledged Revenues will be collected and received.

Section 7.2 Collection and Enforcement of Assessments.

(a) For so long as any Bonds Similarly Secured are Outstanding, the City covenants, agrees and warrants that it will take and pursue all actions permissible under Applicable Laws to cause the Assessments to be collected and the liens thereof enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws, and, to the extent permitted by Applicable Laws, to cause no reduction, abatement or exemption in the Assessments.

(b) The City will determine or cause to be determined, no later than February 15 of each year, whether or not any Annual Installment is delinquent and, if such delinquencies exist, the City will order and cause to be commenced as soon as practicable any and all appropriate and legally permissible actions to obtain such Annual Installment, and any delinquent charges and interest thereon, including diligently prosecuting an action in district court to foreclose the currently delinquent Annual Installment. Notwithstanding the foregoing, the City shall not be required under any circumstances to purchase or make payment for the purchase of the delinquent Assessment or the corresponding Assessed Property. Furthermore, nothing shall obligate the City, the City Attorney, or any appropriate designee to undertake collection or foreclosure actions against delinquent accounts in violation of the applicable state law, court order, or existing contractual provisions between the City and its appropriate collections enforcement designees.

Section 7.3 Against Encumbrances.

(a) Other than the Refunding Bonds, the City shall not create and, to the extent Pledged Revenues are received, shall not suffer to remain, any lien, encumbrance or charge upon the Pledged Revenues, the Trust Estate, other than that specified in Section 9.6 of this Indenture, or upon any other property pledged under this Indenture, except any pledge created for the equal and ratable security of the Bonds Similarly Secured, and other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds Similarly Secured.

(b) So long as Bonds Similarly Secured are Outstanding hereunder, and except as set forth in Section 13.2 hereof, the City shall not issue any bonds, notes or other evidences of indebtedness secured by any pledge of or other lien or charge on any portion of the Pledged Revenues, the Trust Estate or other property pledged under this Indenture, except that the City may

issue Refunding Bonds in accordance with the terms of this Indenture, as provided in Section 13.2 hereof.

Section 7.4 Records, Accounts, Accounting Reports.

The City hereby covenants and agrees that so long as any of the Bonds Similarly Secured or any interest thereon remain Outstanding and unpaid, it will keep and maintain a proper and complete system of records and accounts pertaining to the Assessments. The Trustee and Owners of any Bonds Similarly Secured or any duly authorized agent or agents of such Owners shall have the right at all reasonable times to inspect all such records, accounts, and data relating thereto, upon written request to the City by the Trustee or duly authorized representative, as applicable. The City shall provide the Trustee or duly authorized representative, as applicable, an opportunity to inspect such books and records relating to the Bonds Similarly Secured during the City's regular business hours and on a mutually agreeable date not later than thirty days after the City receives such request.

Section 7.5 Covenants to Maintain Tax-Exempt Status.

(a) Definitions. When used in this Section, the following terms shall have the following meanings:

(b) *"Closing Date"* means the date on which the Bonds are first authenticated and delivered to the respective initial purchasers against payment therefor.

(c) *"Code"* means the Internal Revenue Code of 1986, as amended by all legislation, if any, effective on or before the Closing Date.

(d) *"Computation Date"* has the meaning set forth in Section 1.148-1(b) of the Regulations.

(e) *"Gross Proceeds"* means any proceeds as defined in Section 1.148-1(b) of the Regulations, and any replacement proceeds as defined in Section 1.148-1(c) of the Regulations, of the Bonds.

(f) *"Investment"* has the meaning set forth in Section 1.148-1(b) of the Regulations.

(g) *"Nonpurpose Investment"* means any investment property, as defined in Section 148(b) of the Code, in which Gross Proceeds of the Bonds are invested and which is not acquired to carry out the governmental purposes of the Bonds.

(h) *"Regulations"* means any proposed, temporary or final Income Tax Regulations issued pursuant to Sections 103 and 141 through 150 of the Code, and 103 of the Internal Revenue Code of 1954, which are applicable to the Bonds. Any reference to any specific Regulation shall also mean, as appropriate, any proposed, temporary or final Income Tax Regulation designed to supplement, amend or replace the specific Regulation referenced.

(i) “Yield” of (1) any Investment has the meaning set forth in Section 1.148-5 of the Regulations; and (2) of the Bonds has the meaning set forth in Section 1.148-4 of the Regulations.

(j) Not to Cause Interest to Become Taxable. The City shall not use, permit the use of, or omit to use Gross Proceeds or any other amounts (or any property the acquisition, construction or improvement of which is to be financed directly or indirectly with Gross Proceeds) in a manner which if made or omitted, respectively, would cause the interest on any Bond to become includable in the gross income, as defined in Section 61 of the Code, of the owner thereof for federal income tax purposes. Without limiting the generality of the foregoing, unless and until the City receives a written opinion of counsel nationally recognized in the field of municipal bond law to the effect that failure to comply with such covenant will not adversely affect the exemption from federal income tax of the interest on any Bond, the City shall comply with each of the specific covenants in this Section.

(k) No Private Use or Private Payments. Except as permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall at all times prior to the last Stated Maturity of the Bonds:

(l) exclusively own, operate and possess all property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with Gross Proceeds of the Bonds of such series, and not use or permit the use of such Gross Proceeds (including all contractual arrangements with terms different than those applicable to the general public) or any property acquired, constructed or improved with such Gross Proceeds in any activity carried on by any person or entity (including the United States or any agency, department and instrumentality thereof) other than a state or local government, unless such use is solely as a member of the general public; and

(m) not directly or indirectly impose or accept any charge or other payment by any person or entity who is treated as using Gross Proceeds of the Bonds of such series or any property the acquisition, construction or improvement of which is to be financed or refinanced directly or indirectly with such Gross Proceeds, other than taxes of general application within the City or interest earned on investments acquired with such Gross Proceeds pending application for their intended purposes.

(n) No Private Loan.

(i) Except to the extent permitted by Section 141 of the Code and the Regulations and rulings thereunder, the City shall not use Gross Proceeds of any Bonds to make or finance loans to any person or entity other than a state or local government. For purposes of the foregoing covenant, such Gross Proceeds are considered to be “loaned” to a person or entity if: (1) property acquired, constructed or improved with such Gross Proceeds is sold or leased to such person or entity in a transaction which creates a debt for federal income tax purposes; (2) capacity in or service from such property is committed to such person or entity under a take-or-pay, output or similar contract or arrangement; or (3) indirect benefits, or burdens and benefits of ownership, of such Gross Proceeds or any property

acquired, constructed or improved with such Gross Proceeds are otherwise transferred in a transaction which is the economic equivalent of a loan.

(ii) The City covenants and agrees that the levied Assessments will meet the requirements of the “tax assessment loan exception” within the meaning of Section 1.141-5(d) of the Regulations on the date that the Bonds are delivered and will ensure that the Assessments continue to meet such requirements for so long as Bonds are outstanding.

(o) Not to Invest at Higher Yield. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not at any time prior to the final Stated Maturity of the Bonds directly or indirectly invest Gross Proceeds in any Investment (or use Gross Proceeds to replace money so invested) if, as a result of such investment, the Yield from the Closing Date of all Investments acquired with Gross Proceeds (or with money replaced thereby), whether then held or previously disposed of, exceeds the Yield of the Bonds.

(p) Not Federally Guaranteed. Except to the extent permitted by Section 149(b) of the Code and the Regulations and rulings thereunder, the City shall not take or omit to take any action which would cause the Bonds to be federally guaranteed within the meaning of Section 149(b) of the Code and the Regulations and rulings thereunder.

(q) Information Report. The City shall timely file the information required by Section 149(e) of the Code with the Secretary of the Treasury on Form 8038-G or such other form and in such place as the Secretary may prescribe with respect to the Bonds.

(r) Rebate of Arbitrage Profits. Except to the extent otherwise provided in Section 148(f) of the Code and the Regulations and rulings thereunder:

(s) The City shall account for all Gross Proceeds (including all receipts, expenditures and investments thereof) on its books of account separately and apart from all other funds (and receipts, expenditures and investments thereof) and shall retain all records of accounting for at least six years after the day on which the last outstanding Bond is discharged. However, to the extent permitted by law, the City may commingle Gross Proceeds of the Bonds with other money of the City, provided that the City separately accounts for each receipt and expenditure of Gross Proceeds and the obligations acquired therewith.

(t) Not less frequently than each Computation Date for the Bonds, the City shall calculate the Rebate Amount for the Bonds in accordance with rules set forth in Section 148(f) of the Code and the Regulations and rulings thereunder. The City shall maintain such calculations with its official transcript of proceedings relating to the issuance of the Bonds until six years after the final Computation Date.

(u) As additional consideration for the purchase of the Bonds by the Purchasers and the loan of the money represented thereby and in order to induce such purchase by measures designed to insure the excludability of the interest thereon from the gross income of the owners thereof for federal income tax purposes, the City shall, pursuant to a City Certificate, direct the Trustee to transfer to the Rebate Fund from the funds or subaccounts designated in such City Certificate and direct the Trustee to pay to the United States from the Rebate Fund the amount that

when added to the future value of previous rebate payments made for the Bonds equals (i) in the case of a Final Computation Date as defined in Section 1.148-3(e)(2) of the Regulations, one hundred percent (100%) of the Rebate Amount on such date; and (ii) in the case of any other Computation Date, ninety percent (90%) of the Rebate Amount on such date. In all cases, the rebate payments shall be made at the times, in the installments, to the place and in the manner as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder, and shall be accompanied by Form 8038-T or such other forms and information as is or may be required by Section 148(f) of the Code and the Regulations and rulings thereunder.

(v) The City shall exercise reasonable diligence to assure that no errors are made in the calculations and payments required by paragraphs (ii) and (iii), and if an error is made, to discover and promptly correct such error within a reasonable amount of time thereafter (and in all events within one hundred eighty (180) days after discovery of the error), including payment to the United States of any additional Rebate Amount owed to it, interest thereon, and any penalty imposed under Section 1.148-3(h) of the Regulations.

(w) Not to Divert Arbitrage Profits. Except to the extent permitted by Section 148 of the Code and the Regulations and rulings thereunder, the City shall not, at any time prior to the earlier of the Stated Maturity or final payment of the Bonds, enter into any transaction that reduces the amount required to be paid to the United States pursuant to Subsection (h) of this Section because such transaction results in a smaller profit or a larger loss than would have resulted if the transaction had been at arm's length and had the Yield of the Bonds not been relevant to either party.

(x) Elections. The City hereby directs and authorizes the Mayor, Mayor Pro Tem, City Manager, Assistant City Manager, City Secretary or Assistant City Secretary, individually or jointly, to make elections permitted or required pursuant to the provisions of the Code or the Regulations, as they deem necessary or appropriate in connection with the Bonds, in the Tax Certificate or similar or other appropriate certificate, form or document.

ARTICLE VIII LIABILITY OF CITY

Neither the full faith and credit nor the general taxing power of the City is pledged to the payment of the Bonds Similarly Secured, and except for the Trust Estate, no City taxes, fee or revenues from any source are pledged to the payment of, or available to pay any portion of, the Bonds Similarly Secured or any other obligations relating to the District. The City shall never be liable for any obligations relating to the Bonds Similarly Secured or other obligations relating to the District, other than as specifically provided for in this Indenture.

The City shall not incur any responsibility in respect of the Bonds Similarly Secured or this Indenture other than in connection with the duties or obligations explicitly herein or in the Bonds Similarly Secured assigned to or imposed upon it. The City shall not be liable in connection with the performance of its duties hereunder, except for its own willful default or act of bad faith. The City shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions covenants or agreements of the Trustee herein or of any of the documents

executed by the Trustee in connection with the Bonds Similarly Secured, or as to the existence of an Event of Default thereunder.

In the absence of bad faith, the City may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the City and conforming to the requirements of this Indenture. The City shall not be liable for any error of judgment made in good faith unless it shall be proved that it was negligent in ascertaining the pertinent facts.

No provision of this Indenture, the Bonds Similarly Secured, the Assessment Ordinance, or any agreement, document, instrument, or certificate executed, delivered or approved in connection with the issuance, sale, delivery, or administration of the Bonds Similarly Secured (collectively, the “*Bond Documents*”), shall require the City to expend or risk its own general funds or otherwise incur any financial liability (other than with respect to the Trust Estate and the Annual Collection Costs) in the performance of any of its obligations hereunder, or in the exercise of any of its rights or powers, if in the judgment of the City there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it.

Neither the Owners nor any other Person shall have any claim against the City or any of its officers, officials, agents, or employees for damages suffered as a result of the City’s failure to perform in any respect any covenant, undertaking, or obligation under any Bond Documents or as a result of the incorrectness of any representation in, or omission from, any of the Bond Documents, except to the extent that any such claim relates to an obligation, undertaking, representation, or covenant of the City, in accordance with the Bond Documents and the PID Act. Any such claim shall be payable only from the Trust Estate, the funds available for such payment in any of the Pledged Funds, if any, or the amounts collected to pay Annual Collection Costs on deposit in the Administrative Fund. Nothing contained in any of the Bond Documents shall be construed to preclude any action or proceeding in any court or before any governmental body, agency, or instrumentality against the City or any of its officers, officials, agents, or employees to enforce the provisions of any of the Bond Documents or to enforce all rights of the Owners of the Bonds Similarly Secured by mandamus or other proceeding at law or in equity.

The City may rely on and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The City may consult with counsel with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith.

Whenever in the administration of its duties under this Indenture the City shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of willful misconduct on the part of the City, be deemed to be conclusively proved and established by a certificate of the Trustee, an Independent Financial Consultant, an independent inspector or the City Manager or the Assistant City Manager or other person designated by the City Council to so act on behalf of the City, and such certificate shall be full warrant to the City for any action taken or suffered under the provisions of this Indenture upon the

faith thereof, but in its discretion the City may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may seem reasonable.

In order to perform its duties and obligations hereunder, the City may employ such persons or entities as it deems necessary or advisable. The City shall not be liable for any of the acts or omissions of such persons or entities employed by it in good faith hereunder, and shall be entitled to rely, and shall be fully protected in doing so, upon the opinions, calculations, determinations, and directions of such persons or entities.

ARTICLE IX THE TRUSTEE

Section 9.1 Trustee as Registrar and Paying Agent.

The Trustee is hereby designated and agrees to act as Registrar and Paying Agent for and in respect to the Bonds Similarly Secured. The Trustee hereby accepts and agrees to execute the respective trusts imposed upon it by this Indenture, but only upon the express terms and conditions, and subject to the provisions of this Indenture to all of which the parties hereto and the Owners of the Bonds Similarly Secured agree. No implied covenants or obligations shall be read into this Indenture against the Trustee.

Section 9.2 Trustee Entitled to Indemnity.

The Trustee shall be under no obligation to institute any suit, or to undertake any proceeding under this Indenture, or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays, and counsel fees and other reasonable disbursements, and against all liability except as a consequence of its own negligence or willful misconduct; *provided, however*, that absent an Event of Default, the Trustee shall not request or require indemnification as a condition to making any deposits, payments or transfers when required hereunder, or to delivering any notice when required hereunder. Nevertheless, the Trustee may begin suit, or appear in and defend suit, or do anything else in its sole and exclusive judgment proper to be done by it as the Trustee, without indemnity, and in such case the Trustee may make transfers from the Pledged Revenue Fund or the Administrative Fund to pay all costs, fees, and expenses, outlays, and counsel fees and other reasonable disbursements properly incurred in connection therewith and shall be entitled to a preference therefor over any Bonds Similarly Secured Outstanding hereunder.

Section 9.3 Responsibilities of the Trustee.

(a) The recitals contained in this Indenture and in the Bonds Similarly Secured shall be taken as the statements of the City and the Trustee assumes no responsibility for the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or the Bonds Similarly Secured or with respect to the security afforded by this Indenture, and the Trustee shall incur no liability with respect thereto. Except as otherwise expressly provided in this Indenture, the Trustee shall have no responsibility or duty with respect to: (i) the issuance of Bonds Similarly Secured for value; (ii) the application of the proceeds

thereof, except to the extent that such proceeds are received by it in its capacity as Trustee; (iii) the application of any moneys paid to the City or others in accordance with this Indenture, except as to the application of any moneys paid to it in its capacity as Trustee; (iv) any calculation of arbitrage or rebate under the Code; (v) any loss suffered in connection with any investment of funds in accordance with this Indenture; or (vi) to undertake any other action unless specifically authorized pursuant to a written direction by the City or pursuant to this Indenture.

(b) The duties and obligations of the Trustee shall be determined by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically set forth in this Indenture. The Trustee will, prior to any Event of Default and after curing of any Event of Default, perform such duties and only such duties as are specifically set forth herein. The Trustee will, during the existence of an Event of Default, exercise such rights and powers vested in it by this Indenture and use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of his or her own affairs.

The Trustee shall not be liable for any action taken or omitted by it in the performance of its duties under this Indenture, except for its own negligence or willful misconduct. In no event shall the Trustee be liable for incidental, indirect, special or consequential damages in connection with or arising from this Indenture for the existence, furnishing or use of the Improvement Area #4 Projects.

(c) The Trustee, before the occurrence of an Event of Default and after the curing of all Events of Default which may have occurred, undertakes to perform such duties and only such duties as are specifically set forth in this Indenture. If any Event of Default occurred and continues, the Trustee shall exercise such rights and powers vested in it by this Indenture, and shall use the same degree of care and skill in its exercise as a prudent person would exercise or use under the circumstances in the conduct of such person's own affairs in exercising any rights or remedies or performing any of its duties hereunder.

(d) The Trustee shall not be responsible for any recital herein (except with respect to the authentication certificate of the Trustee endorsed on the Bonds Similarly Secured) or for the recording, filing, or refiling of this Indenture in connection therewith, or for the validity of the execution by the City of this Indenture or of any Supplemental Indentures or instruments of further assurance, or for the sufficiency or security of the Bonds Similarly Secured.

(e) The Trustee makes no representations as to the value or condition of the Trust Estate or any part thereof, or as to the validity or sufficiency of this Indenture or of the Bonds Similarly Secured. The Trustee shall not be accountable for the use or application of any Bonds Similarly Secured or the proceeds thereof or of any money paid to or upon the order of the City under any provision of this Indenture.

(f) The Trustee shall not be liable for any error of judgment made in good faith by any one of its officers, unless it is established that the Trustee was negligent in ascertaining the pertinent facts.

(g) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Owners of at least a Quarter in Interest of the aggregate outstanding principal of the Bonds Similarly Secured relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(h) The Trustee shall not be required to take notice, and shall not be deemed to have notice, of any default or Event of Default unless the Trustee is notified specifically of the default or Event of Default in a written instrument or document delivered to it by the City or by an Owner of the Bonds Similarly Secured. In the absence of delivery of a notice satisfying those requirements, the Trustee may assume conclusively that there is no Event of Default, except as noted above, unless Trustee has actual knowledge of an Event of Default.

(i) Before taking any action under this Indenture (other than making any deposits, payments or transfers prior to an Event of Default when required hereunder), the Trustee may require that a satisfactory indemnity be furnished to it for the payment or reimbursement of all costs and expenses (including, without limitation, attorney's fees and expenses) to which it may be put and to protect it against all liability which it may incur in or by reason of such action, except liability which it adjudicated to have resulted from its negligence or willful misconduct.

(j) The Trustee's immunities and protections from liability and its right to indemnification in connection with the performance of its duties under this Indenture shall extend to the Trustee's officers, directors, agents, attorneys and employees. Such immunities and protections and rights to indemnification, together with the Trustee's right to compensation, shall survive the Trustee's resignation or removal, the discharge of this Indenture, and final payment of the Bonds Similarly Secured.

(k) The Trustee may execute any of the trusts or powers hereunder or perform any duties hereunder either directly or through agents, attorneys, or receivers, and the Trustee shall be entitled to rely and act upon the opinion or advice of its own counsel, concerning all matters of trust hereof and the duties hereunder, and may in all cases pay such reasonable compensation to all such agents, attorneys, and receivers as may reasonably be employed in connection with the trusts hereof. The Trustee shall not be responsible for any loss or damage resulting from any action or nonaction by it taken or omitted to be taken in good faith in reliance upon such opinion or advice of its own counsel.

Section 9.4 Property Held in Trust.

All moneys and securities held by the Trustee at any time pursuant to the terms of this Indenture shall be held by the Trustee in trust for the purposes and under the terms and conditions of this Indenture.

Section 9.5 Trustee Protected in Relying on Certain Documents.

The Trustee may conclusively rely upon any order, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond, or other document provided to the Trustee in accordance with the terms of this Indenture that it shall in good faith reasonably believe to be genuine and to have been adopted or signed by the proper board or Person or to have been prepared

and furnished pursuant to any of the provisions of this Indenture, the Financing Agreement, and the Development Agreement, or upon the written opinion of any counsel, architect, engineer, insurance consultant, management consultant, or accountant believed by the Trustee to be qualified in relation to the subject matter, and the Trustee shall be under no duty to make any investigation or inquiry into and shall not be deemed to have knowledge of any statements contained or matters referred to in any such instrument. The Trustee may consult with counsel, who may or may not be Bond Counsel, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken, suffered, or omitted to be taken by it in good faith and in accordance therewith. Any action taken by the Trustee pursuant to this Indenture upon the request or authority or consent of any person who, at the time of making such request, or giving such authority or consent to the Owner of any Bond Similarly Secured, shall be conclusive and binding upon all future owners of the same Bond Similarly Secured and upon Bonds Similarly Secured issued in exchange therefor and upon transfer or in place thereof.

Whenever the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Indenture, such matter may be deemed to be conclusively proved and established by a City Certificate, unless other evidence in respect thereof be hereby specifically prescribed. Such City Certificate shall be full warrant for any action taken or suffered in good faith under the provisions hereof, but the Trustee may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable. Except as otherwise expressly provided herein, any request, order, notice, or other direction required or permitted to be furnished pursuant to any provision hereof by the City to the Trustee shall be sufficiently executed if executed in the name of the City by the City Representative.

The Trustee shall not be under any obligation to see to the recording or filing of this Indenture, or otherwise to the giving to any Person of notice of the provisions hereof except as expressly required in Section 9.13 herein.

Section 9.6 Compensation.

Unless otherwise provided by contract with the Trustee, the Trustee shall transfer from the Administrative Fund, upon written direction of the City, compensation for all services rendered by it hereunder, including its services as Registrar and Paying Agent, together with all its reasonable expenses, charges, and other disbursements and those of its counsel, agents and employees, incurred in and about the administration and execution of the trusts hereby created and the exercise of its powers and the performance of its duties hereunder, upon delivery of an invoice therefor to the City, and the Trustee shall have a lien therefor on any and all funds at any time held by it hereunder (except the Rebate Fund) prior to any Bonds Similarly Secured Outstanding. None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if in the judgment of the Trustee there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it. If the City fails to make any payment required by this Section, the Trustee may make such payment from any moneys in the Administrative Fund and shall have a first lien with right of payment before payment on account of principal of or interest on any Bond Similarly Secured, upon all moneys in the Administrative Fund, and to the extent moneys in the Administrative Fund are insufficient, then

from any moneys in its possession (except the Rebate Fund) under any provisions hereof for the foregoing reasonable advances, fees, costs, and expenses incurred. The right of the Trustee to fees, expenses, and indemnification shall survive the release, discharge, and satisfaction of the Indenture.

Section 9.7 Permitted Acts.

The Trustee and its directors, officers, employees, or agents may become the owner of or may in good faith buy, sell, own, hold and deal in Bonds Similarly Secured and may join in any action that any Owner of Bonds Similarly Secured may be entitled to take as fully and with the same rights as if it were not the Trustee. The Trustee may act as depository, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, the City or any committee formed to protect the rights of holders of Bonds Similarly Secured or to effect or aid in any reorganization growing out of the enforcement of the Bonds Similarly Secured or this Indenture, whether or not such committee shall represent the holders of a majority in aggregate outstanding principal amount of the Bonds Similarly Secured. The permissive right of the Trustee to do things enumerated in this Indenture shall not be construed as a duty, and the Trustee shall not be answerable for other than its negligence or willful misconduct.

Section 9.8 Resignation of Trustee.

The Trustee may at any time resign and be discharged of its duties and obligations hereunder by giving not fewer than 30 days' written notice, specifying the date when such resignation shall take effect, to the City and each Owner of any Outstanding Bond Similarly Secured. Such resignation shall take effect upon the appointment of a successor as provided in Section 9.10 and the acceptance of such appointment by such successor. Notwithstanding the foregoing, if, after sixty (60) days following receipt of the notice, the City has not appointed a successor Trustee, the Trustee may apply to a court of competent jurisdiction to appoint a successor Trustee, at no expense to the City, and such resignation shall take effect upon the court's appointment of a successor Trustee.

Section 9.9 Removal of Trustee.

The Trustee may be removed at any time by the Owners of a Quarter in Interest of the Bonds Similarly Secured by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or by their attorneys-in-fact, duly authorized and delivered to the City. Copies of each such instrument shall be delivered by the City to the Trustee and any successor thereof. The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the Owners of a Quarter in Interest of the aggregate outstanding principal of the Bonds Similarly Secured.

Section 9.10 Successor Trustee.

If the Trustee resigns, is removed, is dissolved, or becomes incapable of acting, or is adjudged a bankrupt or insolvent, or if a receiver, liquidator, or conservator of the Trustee or of its

property is appointed, or if any public officer takes charge or control of the Trustee or of its property or affairs, the position of the Trustee hereunder shall thereupon become vacant.

If the position of Trustee becomes vacant for any of the foregoing reasons or for any other reason, a successor Trustee may be appointed after any such vacancy occurs by the Owners of a Quarter in Interest of the Bonds Similarly Secured by an instrument or concurrent instruments in writing signed and acknowledged by such Owners or their attorneys-in-fact, duly authorized and delivered to such successor Trustee, with notification thereof being given to the predecessor Trustee and the City.

Until such successor Trustee shall have been appointed by the Owners of a Quarter in Interest of the Bonds Similarly Secured, the City shall forthwith appoint a Trustee to act hereunder. Copies of any instrument of the City providing for any such appointment shall be delivered by the City to the Trustee so appointed. The City shall mail notice of any such appointment to each Owner of any Outstanding Bonds Similarly Secured within 30 days after such appointment. Any appointment of a successor Trustee made by the City immediately and without further act shall be superseded and revoked by an appointment subsequently made by the Owners of Bonds Similarly Secured.

If in a proper case no appointment of a successor Trustee is made within 45 days after the giving by any Trustee of any notice of resignation in accordance with Section 9.8 herein or after the occurrence of any other event requiring or authorizing such appointment, the Trustee or any Owner of Bonds Similarly Secured may apply to any court of competent jurisdiction for the appointment of such a successor, and the court may thereupon, after such notice, if any, as the court may deem proper, appoint such successor and the City shall be responsible for the costs of such appointment process. Any duties and obligations of such predecessor Trustee shall thereafter cease and terminate, and the payment of the fees and expenses owed to the predecessor Trustee shall be paid in full.

Any successor Trustee appointed under the provisions of this Section shall be a commercial bank or trust company or national banking association (i) having a capital and surplus and undivided profits aggregating at least \$50,000,000, if there be such a commercial bank or trust company or national banking association willing and able to accept the appointment on reasonable and customary terms, and (ii) authorized by law to perform all the duties of the Trustee required by this Indenture.

Each successor Trustee shall mail, in accordance with the provisions of the Bonds Similarly Secured, notice of its appointment to any Rating Agency which, at the time of such appointment, is providing a rating on the Bonds Similarly Secured and each of the Owners of the Bonds Similarly Secured.

Section 9.11 Transfer of Rights and Property to Successor Trustee.

Any successor Trustee appointed under the provisions of Section 9.10 shall execute, acknowledge, and deliver to its predecessor and the City an instrument in writing accepting such appointment, and thereupon such successor, without any further act, deed, or conveyance, shall become fully vested with all moneys, estates, properties, rights, immunities, powers, duties,

obligations, and trusts of its predecessor hereunder, with like effect as if originally appointed as Trustee. However, the Trustee then ceasing to act shall nevertheless, on request of the City or of such successor, execute, acknowledge, and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor all the rights, immunities, powers, and trusts of such Trustee and all the right, title, and interest of such Trustee in and to the Trust Estate, and shall pay over, assign, and deliver to such successor any moneys or other properties subject to the trusts and conditions herein set forth. Should any deed, conveyance, or instrument in writing from the City be required by such successor for more fully and certainly vesting in and confirming to it any such moneys, estates, properties, rights, powers, duties, or obligations, any and all such deeds, conveyances, and instruments in writing, on request and so far as may be authorized by law, shall be executed, acknowledged, and delivered by the City.

Section 9.12 Merger, Conversion or Consolidation of Trustee.

Any corporation or association into which the Trustee may be merged or with which it may be consolidated or any corporation or association resulting from any merger, conversion or consolidation to which it shall be a party or any corporation or association to which the Trustee may sell or transfer all or substantially all of its corporate trust business shall be the successor to such Trustee hereunder, without any further act, deed or conveyance, *provided* that such corporation or association shall be a commercial bank or trust company or national banking association qualified to be a successor to such Trustee under the provisions of Section 9.10, or a trust company that is a wholly-owned subsidiary of any of the foregoing.

Section 9.13 Security Interest in Trust Estate.

Chapter 1208, Texas Government Code, applies to the issuance of the Bonds Similarly Secured and the pledge of the Trust Estate provided for herein, and such pledge is, under current law, valid, effective and perfected. The City shall cause to be filed all appropriate initial financing statements, if any, to ensure that the Trustee (for the benefit of the Owners of the Bonds Similarly Secured) is granted a valid and perfected first priority lien on the entire Trust Estate. Nothing herein shall obligate the Trustee to file any initial financing statements. Upon the City's timely delivery of a copy of such filed initial financing statement, if any, to the Trustee, the Trustee shall file continuation statements of such initial financing statement(s) in the same jurisdictions as the initial financing statement(s) previously provided to the Trustee. Unless the Trustee is otherwise notified in writing by the City, the Trustee may rely upon the initial financing statements in filing any continuation statements hereunder.

Section 9.14 Offering Documentation.

The Trustee shall have no responsibility with respect to any information, statement, or recital in any official statement, offering memorandum, or any other disclosure material prepared or distributed with respect to the Bonds Similarly Secured and shall have no responsibility for compliance with any State or federal securities laws in connection with the Bonds Similarly Secured.

Section 9.15 Expenditure of Funds and Risk.

None of the provisions of this Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of its rights or powers if the Trustee shall have reasonable grounds for believing that the repayment of such funds or indemnity against such risk or liability is not assured.

Section 9.16 Environmental Hazards.

The Trustee may inform any Holder of environmental hazards that the Trustee has reason to believe exist, and the Trustee has the right to take no further action and in such event, no fiduciary duty exists which imposes any obligation for further action with respect to the Trust Estate or any portion thereof if the Trustee, in its individual capacity, determines that any such action would materially and adversely subject the Trustee to environmental or other liability for which the Trustee has not been adequately indemnified.

The Trustee shall not be responsible or liable for the environmental condition related to the improvements to any real property or for diminution in value of the same, or for any claims by or on behalf of the owners thereof as the result of any contamination by a hazardous substance, hazardous material, pollutant, or contaminant. The Trustee assumes no duty or obligation to assess the environmental condition of any improvements or with respect to compliance thereof under State or federal laws pertaining to the transport, storage, treatment, or disposal of hazardous substances, hazardous materials, pollutants, or contaminants or regulations, permits, or licenses issued under such laws.

Section 9.17 Accounts, Periodic Reports and Certificates.

The Trustee shall keep or cause to be kept proper books of record and account (separate from all other records and accounts) in which complete and correct entries shall be made of its transactions relating to the Funds and Accounts established by this Indenture and which shall at all times be subject to inspection by the City, and the Owner or Owners of not less than 10% in principal amount of any Bonds Similarly Secured then Outstanding or their representatives duly authorized in writing.

Section 9.18 Construction of Indenture.

The Trustee may construe any of the provisions of this Indenture insofar as the same may appear to be ambiguous or inconsistent with any other provision hereof, and any construction of any such provisions hereof by the Trustee in good faith shall be binding upon the Owners of the Bonds Similarly Secured.

ARTICLE X
MODIFICATION OR AMENDMENT OF THIS INDENTURE

Section 10.1 Amendments Permitted.

This Indenture and the rights and obligations of the City and of the Owners of the Bonds Similarly Secured may be modified or amended at any time by a Supplemental Indenture, except as provided below, pursuant to the affirmative vote at a meeting of Owners of the Bonds Similarly Secured, or with the written consent without a meeting, of the Owners of more than fifty percent (50%) of the aggregate principal amount of the Bonds Similarly Secured then Outstanding. No such modification or amendment shall (i) extend the maturity of any Bond Similarly Secured or reduce the principal of or interest rate thereon, or otherwise alter or impair the obligation of the City to pay the principal of, and the interest and any premium on, any Bond Similarly Secured, without the express consent of the Owner of such Bond Similarly Secured, (ii) permit the creation by the City of any pledge or lien upon the Trust Estate superior to the pledge and lien created for the benefit of the Bonds Similarly Secured, (iii) except as otherwise permitted by this Indenture, permit the creation by the City of any pledge or lien upon the Trust Estate on a parity with the pledge and lien created for the benefit of the Bonds Similarly Secured, or (iv) reduce the percentage of Owners of Bonds Similarly Secured required for the amendment hereof. Any such amendment may not modify any of the rights or obligations of the Trustee without its written consent.

This Indenture and the rights and obligations of the City and of the Owners may also be modified or amended at any time by a Supplemental Indenture, without the consent of any Owners, only to the extent permitted by law and only for any one or more of the following purposes:

- (i) to add to the covenants and agreements of the City in this Indenture contained, other covenants and agreements thereafter to be observed, or to limit or surrender any right or power herein reserved to or conferred upon the City;
- (ii) to make modifications not adversely affecting any Outstanding Bonds Similarly Secured in any material respect;
- (iii) to make such provisions for the purpose of curing any ambiguity, or of curing, correcting or supplementing any defective provision contained in this Indenture, or in regard to questions arising under this Indenture, as the City may deem necessary or desirable and not inconsistent with this Indenture, and that shall not adversely affect the rights of the Owners of the Bonds Similarly Secured in any material respect;
- (iv) to authorize a Series of Refunding Bonds in accordance with the provisions of this Indenture, as set forth in Section 13.2 herein; and
- (v) to make such additions, deletions or modifications as may be necessary or desirable to assure exemption from federal income taxation of interest on the Bonds Similarly Secured.

Any modification or amendment made pursuant to this Section 10.1 shall not be subject to the notice procedure specified in Section 10.3 below. Notwithstanding the above, no Supplemental

Indenture under subsection (i), (ii), (iii) or (v) above shall be effective unless the City first delivers to the Trustee an opinion of Bond Counsel to the effect that such amendment will not adversely affect the: (i) interests of the Owners in any material respect, and (ii) exclusion of interest on any Bond Similarly Secured from gross income for purposes of federal income taxation.

Section 10.2 Owners' Meetings.

(c) The parties agree that the transaction described herein may be conducted and related documents may be stored by electronic means. Copies, telecopies, facsimiles, electronic files, and other reproductions of original executed documents shall be deemed to be authentic and valid counterparts of such original documents for all purposes, including the filing of any claim, action, or suit in the appropriate court of law. The Trustee agrees to accept and act upon instructions or directions pursuant to this Indenture sent by unsecured e-mail, facsimile transmission or other similar unsecured electronic methods; *provided, however*, that the City shall provide to the Trustee an incumbency certificate listing designated persons authorized to provide such instructions, which incumbency certificate shall be amended whenever a person is to be added or deleted from the listing. If the City elects to give the Trustee e-mail or facsimile instructions (or instructions by a similar electronic method), the Trustee's understanding of such instructions shall be deemed controlling. The City agrees to assume all risks arising out of the use of such electronic methods to submit instructions and directions to the Trustee, including without limitation the risk of the Trustee acting on unauthorized instructions, and the risk of interception and misuse by third parties.

Section 15.6 Partial Invalidity.

If any Section, paragraph, sentence, clause, or phrase of this Indenture shall for any reason be held illegal or unenforceable, such holding shall not affect the validity of the remaining portions of this Indenture. The City hereby declares that it would have adopted this Indenture and each and every other Section, paragraph, sentence, clause, or phrase hereof and authorized the issue of the Bonds Similarly Secured pursuant thereto irrespective of the fact that any one or more Sections, paragraphs, sentences, clauses, or phrases of this Indenture may be held illegal, invalid, or unenforceable.

Section 15.7 Applicable Laws.

This Indenture shall be governed by and enforced in accordance with the laws of the State of Texas applicable to contracts made and performed in the State of Texas.

Section 15.8 Counterparts.

This Indenture may be executed in counterparts, each of which shall be deemed an original.

Section 15.9 No Boycott of Israel.

To the extent this Indenture constitutes a contract for goods or services for which a written verification is required under Section 2271.002, Texas Government Code, the Trustee hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott Israel and will not boycott Israel during the term of this Indenture. The foregoing verification is made solely to enable the City to comply with such Section and to the extent such Section does not contravene applicable Federal law. As used in the foregoing verification, ‘boycott Israel,’ a term defined in Section 2271.001, Texas Government Code, by reference to Section 808.001(1), Texas Government Code, means refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations specifically with Israel, or with a person or entity doing business in Israel or in an Israeli-controlled territory, but does not include an action made for ordinary business purposes. The Trustee understands ‘affiliate’ to mean an entity that controls, is controlled by, or is under common control with the Trustee within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit.

Section 15.10 Iran, Sudan, and Foreign Terrorist Organizations.

The Trustee represents that neither it nor any of its parent company, wholly- or majority-owned subsidiaries, and other affiliates is a company identified on a list prepared and maintained by the Texas Comptroller of Public Accounts under Section 2252.153 or Section 2270.0201, Texas Government Code, and posted on any of the following pages of such officer’s internet website:

<https://comptroller.texas.gov/purchasing/docs/sudan-list.pdf>,
<https://comptroller.texas.gov/purchasing/docs/iran-list.pdf>, or
<https://comptroller.texas.gov/purchasing/docs/fto-list.pdf>.

The foregoing representation is made solely to enable the City to comply with Section 2252.152, Texas Government Code, and to the extent such Section does not contravene applicable Federal law and excludes the Trustee and each of its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, that the United States government has affirmatively declared to be excluded from its federal sanctions regime relating to Sudan or Iran or any federal sanctions regime relating to a foreign terrorist organization. The Trustee understands ‘affiliate’ to mean an entity that controls, is controlled by, or is under common control with the Trustee within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit.

Section 15.11 No Discrimination Against Fossil Fuel Companies.

To the extent this Indenture constitutes a contract for goods or services for which a written verification is required under Section 2274.002 (as added by Senate Bill 13 in the 87th Texas Legislature, Regular Session), Texas Government Code, as amended, the Trustee hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not boycott energy companies and will not boycott energy companies during the term of this Indenture. The foregoing verification is made solely to enable the City to comply with such Section and to the extent such Section does not contravene applicable Texas or federal law. As used in the foregoing verification, “boycott energy companies,” a term defined in Section 2274.001(1), Texas

Government Code (as enacted by such Senate Bill) by reference to Section 809.001, Texas Government Code (also as enacted by such Senate Bill), shall mean, without an ordinary business purpose, refusing to deal with, terminating business activities with, or otherwise taking any action that is intended to penalize, inflict economic harm on, or limit commercial relations with a company because the company (A) engages in the exploration, production, utilization, transportation, sale, or manufacturing of fossil fuel-based energy and does not commit or pledge to meet environmental standards beyond applicable federal and state law; or (B) does business with a company described by (A) above. The Trustee understands 'affiliate' to mean an entity that controls, is controlled by, or is under common control with the Trustee within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit.

Section 15.12 No Discrimination Against Firearm Entities and Firearm Trade Associations.

(a) To the extent this Indenture constitutes a contract for goods or services for which a written verification is required under Section 2274.002 (as added by Senate Bill 19 in the 87th Texas Legislature, Regular Session), Texas Government Code, as amended, the Trustee hereby verifies that it and its parent company, wholly- or majority-owned subsidiaries, and other affiliates, if any, do not have a practice, policy, guidance, or directive that discriminates against a firearm entity or firearm trade association and will not discriminate against a firearm entity or firearm trade association during the term of this Indenture. The foregoing verification is made solely to enable the City to comply with such Section and to the extent such Section does not contravene applicable Texas or federal law. As used in the foregoing verification and the following definitions:

(i) 'discriminate against a firearm entity or firearm trade association,' a term defined in Section 2274.001(3), Texas Government Code (as enacted by such Senate Bill), (A) means, with respect to the firearm entity or firearm trade association, to (i) refuse to engage in the trade of any goods or services with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association, (ii) refrain from continuing an existing business relationship with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association, or (iii) terminate an existing business relationship with the firearm entity or firearm trade association based solely on its status as a firearm entity or firearm trade association and (B) does not include (i) the established policies of a merchant, retail seller, or platform that restrict or prohibit the listing or selling of ammunition, firearms, or firearm accessories and (ii) a company's refusal to engage in the trade of any goods or services, decision to refrain from continuing an existing business relationship, or decision to terminate an existing business relationship (aa) to comply with federal, state, or local law, policy, or regulations or a directive by a regulatory agency or (bb) for any traditional business reason that is specific to the customer or potential customer and not based solely on an entity's or association's status as a firearm entity or firearm trade association;

(ii) 'firearm entity,' a term defined in Section 2274.001(6), Texas Government Code (as enacted by such Senate Bill), means a manufacturer,

distributor, wholesaler, supplier, or retailer of firearms (defined in Section 2274.001(4), Texas Government Code, as enacted by such Senate Bill, as weapons that expel projectiles by the action of explosive or expanding gases), firearm accessories (defined in Section 2274.001(5), Texas Government Code, as enacted by such Senate Bill, as devices specifically designed or adapted to enable an individual to wear, carry, store, or mount a firearm on the individual or on a conveyance and items used in conjunction with or mounted on a firearm that are not essential to the basic function of the firearm, including detachable firearm magazines), or ammunition (defined in Section 2274.001(1), Texas Government Code, as enacted by such Senate Bill, as a loaded cartridge case, primer, bullet, or propellant powder with or without a projectile) or a sport shooting range (defined in Section 250.001, Texas Local Government Code, as a business establishment, private club, or association that operates an area for the discharge or other use of firearms for silhouette, skeet, trap, black powder, target, self-defense, or similar recreational shooting); and

(iii) ‘firearm trade association,’ a term defined in Section 2274.001(7), Texas Government Code (as enacted by such Senate Bill), means any person, corporation, unincorporated association, federation, business league, or business organization that (i) is not organized or operated for profit (and none of the net earnings of which inures to the benefit of any private shareholder or individual), (ii) has two or more firearm entities as members, and (iii) is exempt from federal income taxation under Section 501(a), Internal Revenue Code of 1986, as an organization described by Section 501(c) of that code.

(b) The Trustee understands ‘affiliate’ to mean an entity that controls, is controlled by, or is under common control with the Trustee within the meaning of SEC Rule 405, 17 C.F.R. § 230.405, and exists to make a profit.

The City of Kyle, Texas (the “City”), for value received, hereby promises to pay, solely from the Trust Estate, to

or registered assigns, on the Maturity Date, as specified above, the sum of

_____ DOLLARS

unless this Bond shall have been sooner called for redemption and the payment of the principal hereof shall have been paid or provision for such payment shall have been made, and to pay interest on the unpaid principal amount hereof from the later of the Date of Delivery, as specified above, or the most recent Interest Payment Date to which interest has been paid or provided for until such principal amount shall have been paid or provided for, at the per annum rate of interest specified above, computed on the basis of a 360-day year of twelve 30-day months, such interest to be paid semiannually on March 1 and September 1 of each year, commencing September 1, 2023, until maturity or prior redemption.

Capitalized terms appearing herein that are defined terms in the Indenture defined below, have the meanings assigned to them in the Indenture. Reference is made to the Indenture for such definitions and for all other purposes.

The principal of this Bond shall be payable without exchange or collection charges in lawful money of the United States of America upon presentation and surrender of this Bond at the corporate trust office in Houston, Texas (the “*Designated Payment/Transfer Office*”), of BOKF, NA, as trustee and paying agent/registrar (the “*Trustee*”, which term includes any successor trustee under the Indenture), or, with respect to a successor trustee and paying agent/registrar, at the Designated Payment/Transfer Office of such successor. Interest on this Bond is payable by check dated as of the Interest Payment Date, mailed by the Trustee to the registered owner at the address shown on the registration books kept by the Trustee or by such other customary banking arrangements acceptable to the Trustee, requested by, and at the risk and expense of, the Person to whom interest is to be paid. For the purpose of the payment of interest on this Bond, the registered owner shall be the Person in whose name this Bond is registered at the close of business on the “*Record Date*,” which shall be the fifteenth day of the month next preceding such Interest Payment Date; *provided, however*, that in the event of nonpayment of interest on a scheduled Interest Payment Date that continues for 30 days or more thereafter, a new record date for such interest payment (a “*Special Record Date*”) will be established by the Trustee, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (the “*Special Payment Date*,” which shall be 15 days after the Special Record Date) shall be sent at least five Business Days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each Owner of a Bond appearing on the books of the Trustee at the close of business on the last Business Day preceding the date of mailing such notice.

If a date for the payment of the principal of or interest on the Bonds is a Saturday, Sunday, legal holiday, or a day on which banking institutions in the city in which the Designated Payment/Transfer Office is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding Business Day, and payment on such date shall have the same force and effect as if made on the original date payment was due.

This Bond is one of a duly authorized issue of assessment revenue bonds of the City having the designation specified in its title (herein referred to as the “*Bonds*”), dated February 1, 2023 and issued in the aggregate principal amount of \$17,563,000 and issued, with the limitations described herein, pursuant to an Indenture of Trust, dated as of February 1, 2023 (the “*Indenture*”), by and between the City and the Trustee, to which Indenture reference is hereby made for a description of the amounts thereby pledged and assigned, the nature and extent of the lien and security, the respective rights thereunder to the holders of the Bonds, the Trustee, and the City, and the terms upon which the Bonds are, and are to be, authenticated and delivered and by this reference to the terms of which each holder of this Bond hereby consents. All Bonds issued under the Indenture are equally and ratably secured by the amounts thereby pledged and assigned. The Bonds are being issued for the purpose of (i) paying a portion of the Actual Costs of the Improvement Area #4 Projects, (ii) paying interest on the Bonds during and after the period of acquisition and construction of the Improvement Area #4 Projects, (iii) funding a reserve fund for payment of principal and interest on the Bonds, (iv) paying a portion of the Actual Costs incidental to the organization and administration of the District, and (v) paying the costs of issuance of the Bonds.

The Bonds Similarly Secured are limited obligations of the City payable solely from the Trust Estate as defined in the Indenture. Reference is hereby made to the Indenture, copies of which are on file with and available upon request from the Trustee, for the provisions, among

others, with respect to the nature and extent of the duties and obligations of the City, the Trustee and the Owners. The Owner of this Bond Similarly Secured, by the acceptance hereof, is deemed to have agreed and consented to the terms, conditions and provisions of the Indenture.

Notwithstanding any provision hereof, the Indenture may be released and the obligation of the City to make money available to pay this Bond may be defeased by the deposit of money and/or certain direct or indirect Defeasance Securities sufficient for such purpose as described in the Indenture.

The Bonds are issuable as fully registered bonds only in Authorized Denominations, subject to the provisions of the Indenture authorizing redemption in Authorized Denominations.

The Bonds are subject to sinking fund redemption prior to their respective maturities and will be redeemed by the City in part at a price equal to 100% of the principal amount thereof, or portions thereof, to be redeemed plus accrued interest thereon to the date set for redemption from moneys available for such purpose in the Principal and Interest Account of the Bond Fund pursuant to Article VI of the Indenture, on the dates and in the Sinking Fund Installment amounts as set forth in the following schedule:

| September 1, 2047 | 1,276,000 |

At least 45 days prior to each sinking fund redemption date, the Trustee shall select for redemption by lot, or such random method as Trustee shall deem fair and appropriate, a principal amount of Bonds of such maturity equal to the Sinking Fund Installments of such Bonds to be redeemed, shall call such Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in Section 4.6 of the Indenture.

The principal amount of Bonds required to be redeemed on any sinking fund redemption date shall be reduced, at the option of the City, by the principal amount of any Bonds of such maturity which, at least 45 days prior to the sinking fund redemption date (i) shall have been acquired by the City at a price not exceeding the principal amount of such Bonds plus accrued and unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation, or (ii) shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption and not previously credited to a sinking fund redemption.

The City reserves the right and option to redeem the Bonds maturing on or after September 1, 2034 before their scheduled maturity dates, in whole or in part, in amounts equal to Authorized Denominations, on or after September 1, 2033, such redemption date or dates to be fixed by the City, at 100% of the principal amount of such Bonds, or portions thereof, to be redeemed plus accrued interest to the date of redemption.

Bonds are subject to extraordinary optional redemption prior to maturity in whole or in part, on the first day of any month, at a Redemption Price equal to at 100% of the principal amount of such Bonds called for redemption, or portions thereof, to be redeemed plus accrued interest to the date of redemption from amounts on deposit in the Redemption Fund as a result of Prepayments, other transfers to the Redemption Fund pursuant to the Indenture, or as a result of unexpended amounts transferred from the Project Fund as provided in the Indenture.

Upon surrender of any Bond for redemption in part, the Trustee in accordance with the Indenture, shall authenticate and deliver and exchange the Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, which shall be an Authorized Denomination. A new Bond representing the unredeemed balance of such Bond shall be issued to the Owner thereof, such exchange being without charge. If any Bonds are to be redeemed and such redemption results in the unredeemed portion of a single Bond in an amount less than the Authorized Denomination, a Bond in the principal amount equal to the unredeemed portion, but not less than \$5,000, may be issued.

The Trustee shall give notice of any redemption of the Bonds by sending notice by first class United States mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the Owner of each Bond (or part thereof) to be redeemed, at the address shown on the Register. The notice shall state the redemption date, the Redemption Price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed. Any notice so given shall be conclusively presumed to have been duly given, whether or not the Owner receives such notice.

With respect to any optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the Redemption Price of the Bonds to be redeemed before giving of a notice of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the City and the rights of the holders of Bonds under the Indenture at any time Outstanding affected by such modification. The Indenture also contains provisions permitting the holders of specified percentages in aggregate principal amount of the Bonds at the time Outstanding, on behalf of the holders of all the Bonds, to waive compliance by the City with certain past defaults under the Bond Ordinance or the Indenture and their consequences. Any such consent or waiver by the holder of this Bond or any predecessor Bond evidencing the same debt shall be conclusive and binding upon such holder and upon all future holders thereof and of any Bond issued upon the transfer thereof or in exchange therefor or in lieu thereof, whether or not notation of such consent or waiver is made upon this Bond.

As provided in the Indenture, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office, with such endorsement or other evidence of transfer as is acceptable to the Trustee, and upon delivery to the Trustee of such certifications and/or opinion of Bond Counsel as may be required under the Indenture for the transfer of this Bond. Upon satisfaction of such requirements, one or more new fully registered Bonds of the same Stated Maturity, of Authorized Denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the City nor the Trustee shall be required to issue, transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days of the transfer or exchange date; *provided, however*, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

The City, the Trustee, and any other Person may treat the Person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the Person in whose name this Bond is registered on the Record Date or Special Record Date, as applicable) and for all other purposes, whether or not this Bond be overdue, and neither the City nor the Trustee shall be affected by notice to the contrary.

NEITHER THE FULL FAITH AND CREDIT NOR THE GENERAL TAXING POWER OF THE CITY OF KYLE, TEXAS, HAYS COUNTY, TEXAS, THE STATE OF TEXAS, OR ANY POLITICAL SUBDIVISION THEREOF, IS PLEDGED TO THE PAYMENT OF THE BONDS.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; and that the total indebtedness of the City, including the Bonds, does not exceed any Constitutional or statutory limitation.

IN WITNESS WHEREOF, the City Council of the City has caused this Bond to be executed under the official seal of the City.

SECTION IV: SERVICE PLAN

The PID Act requires the Service Plan to cover a period of at least five years. The Service Plan is required to define the annual projected costs and indebtedness for the Authorized Improvements undertaken within the District during the five-year period. The Service Plan shall be updated in each Annual Service Plan Update. **Exhibit B** summarizes the Service Plan for the District.

Exhibit C summarizes the sources and uses of funds required for the Authorized Improvements. The sources and uses of funds shown on **Exhibit C** shall be updated in each Annual Service Plan Update.

SECTION V: ASSESSMENT PLAN

The PID Act allows the City to apportion the costs of the Authorized Improvements to the Assessed Property based on the special benefit received from the Authorized Improvements. The PID Act provides that such costs may be apportioned: (1) equally per front foot or square foot; (2) according to the value of property as determined by the City, with or without regard to

improvements constructed on the property; or (3) in any other manner approved by the City that results in imposing equal shares of such costs on property similarly benefited. The PID Act further provides that the governing body may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the municipality and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

This section of this 2023 Amended and Restated Service and Assessment Plan describes the special benefit received by each Assessed Property within the District as a result of the Authorized Improvements and provides the basis and justification for the determination that this special benefit exceeds the amount of the Assessments to be levied on the Assessed Property for such Authorized Improvements.

The determination by the City of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Landowners and all future owners and developers of the Assessed Property.

A. Assessment Methodology

The City Council, acting in its legislative capacity based on information provided by HMBRR Development, Inc. and HM 6 Creeks Development, Inc. and their engineer(s) and on review by the City staff and by third-party consultants retained by the City, has determined that the Authorized Improvements shall be allocated as follows:

The projected Improvement Area #3 Annual Installments are shown on **Exhibit I**, subject to revisions made during any Annual Service Plan Update.

Improvement Area #4 Assessments are allocated among the Section 6A Assessed Property, the Section 7 Assessed Property, the Section 12 Assessed Property, and the Section 13 Assessed Property based on the allocation of the Actual Costs of the Improvement Area #4 Improvements, the Bond Issuance Costs related to the Improvement Area #4 Improvements and the First Year Annual Collection Costs, as described in in **Section V.A**. The Improvement Area #4 Assessments levied against the Improvement Area #4 Assessed Property are shown on the Improvement Area #4 Assessment Roll attached hereto as **Exhibit J**. Due to the reclassification of three lots within Improvement Area #3 and subsequent reduction of assessment for the affected lots, the Improvement Area #3 Reimbursement Obligation was reduced by an amount of \$10,977.36 resulting in a total levy of \$17,633,065.02 for Improvement Area #3 Assessed Property of which \$17,633,065.02 remains outstanding as shown on the Improvement Area #3 Assessment Roll, attached as **Exhibit H**; and

SECTION VI: TERMS OF THE ASSESSMENTS

A. Reallocation of Assessments

1. *Upon Division Prior to Recording of Subdivision Plat*

Upon the division of any Assessed Property (without the recording of subdivision plat), the Administrator shall reallocate the Assessment for the Assessed Property prior to the division among the newly divided Assessed Properties according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for the newly divided Assessed Property

B = the Assessment for the Assessed Property prior to division

C = the Estimated Buildout Value of the newly divided Assessed Property

D = the sum of the Estimated Buildout Value for all the newly divided Assessed Properties

The calculation of the Estimated Buildout Value of an Assessed Property shall be performed by the Administrator. The calculation as confirmed by the City Council shall be conclusive.

The sum of the Assessments for all newly divided Assessed Properties shall equal the Assessment for the Assessed Property prior to subdivision. The calculation shall be made separately for each newly divided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this 2023 Amended and Restated Service and Assessment Plan approved by the City Council.

2. *Upon Subdivision by a Recorded Subdivision Plat*

Upon the subdivision of any Assessed Property based on a recorded subdivision plat, the Administrator shall reallocate the Assessment for the Assessed Property prior to the subdivision among the new subdivided Lots based on Estimated Buildout Value according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the newly subdivided Lot

B = the Assessment for the Parcel prior to subdivision

C = the sum of the Estimated Buildout Value of all newly subdivided Lots with same Lot Type

D = the sum of the Estimated Buildout Value for all the newly subdivided Lots excluding Non-Benefited Property

E = the number of Lots with same Lot Type

Prior to the recording of a subdivision plat, the Landowners shall provide the City an Estimated Buildout Value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat. The calculation of the Estimated Buildout Value for a Lot shall be performed by the Administrator and confirmed by the City Council.

The sum of the Assessments for all newly subdivided Lots shall not exceed the Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this 2023 Amended and Restated Service and Assessment Plan approved by the City Council.

3. Upon Consolidation

If two or more Lots or Parcels are consolidated, the Administrator shall allocate the Assessments against the Lots or Parcels before the consolidation to the consolidated Lot or Parcel, which allocation shall be approved by the City Council in the next Annual Service Plan Update.

B. True-up of Assessments if Maximum Assessment Exceeded

Prior to the approval of a final subdivision plat, the Administrator shall certify that the final plat will not cause the Assessment for any Lot Type to exceed the applicable Maximum Assessment. If the subdivision of any Assessed Property by a final subdivision plat causes the Assessment per Lot for any Lot Type to exceed the applicable Maximum Assessment for such Lot Type, the landowner shall partially prepay the Assessment for each Assessed Property that exceeds the applicable Maximum Assessment for such Lot Type in an amount sufficient to reduce the Assessment to the applicable Maximum Assessment for such Lot Type. The City's approval of a final subdivision plat without payment of such amounts does not eliminate the obligation of the person or entity filing the plat to pay such Assessments.

C. Mandatory Prepayment of Assessments

If Assessed Property is transferred to a person or entity that is exempt from payment of the Assessments, the owner transferring the Assessed Property shall pay to the City the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs for such Assessed Property, prior to the transfer. If the owner of the Assessed Property causes the Assessed Property to become Non-Benefited Property, the owner causing the change in status shall pay the full amount of the Assessment, plus Prepayment Costs and Delinquent Collection Costs, prior to the change in status.

D. Reduction of Assessments

If as a result of cost savings or an Authorized Improvement not being constructed, the Actual Costs of completed Authorized Improvements are less than the Assessments, the Assessments shall be reduced on a pro-rata basis such that the sum of the resulting reduced Assessments for all Assessed Property equals the reduced Actual Costs. The Assessments shall not, however, be reduced to an amount less than the outstanding PID Bonds.

The Administrator shall update (and submit to the City Council for review and approval as part of the next Annual Service Plan Update) the Assessment Roll and corresponding Annual Installments to reflect the reduced Assessments.

E. Prepayment of Assessments

The owner of the Assessed Property may pay, at any time, all or any part of an Assessment in accordance with the PID Act. Interest costs from the date of prepayment to the date of redemption of the applicable PID Bonds, if any, may be paid from a reserve established under the applicable Indenture. If an Annual Installment has been billed prior to the Prepayment, the Annual Installment shall be due and payable and shall be credited against the Prepayment.

If an Assessment is paid in full, with interest to the date of Prepayment: (1) the Administrator shall cause the Assessment to be reduced to zero and the Assessment Roll to be revised accordingly; (2) the Administrator shall prepare the revised Assessment Roll and submit to the City Council for review and approval as part of the next Annual Service Plan Update; (3) the obligation to pay the Assessment and corresponding Annual Installments shall terminate; and (4) the City shall provide the owner with a recordable Notice of Assessment Termination, a form of which is attached as **Exhibit M**.

If an Assessment is paid in part, with Prepayment Costs: (1) the Administrator shall cause the Assessment to be reduced and the Assessment Roll revised accordingly; (2) the Administrator shall prepare the revised Assessment Roll and submit to the City Council for review and approval as part of the next Annual Service Plan Update; and (3) the obligation to pay the Assessment and corresponding Annual Installments shall be reduced to the extent of the Prepayment made.

F. Prepayment as a Result of Eminent Domain Proceeding or Taking

If any portion of any Parcel of Assessed Property is taken from an owner as a result of eminent domain proceedings or if a transfer of any portion of any Parcel of Assessed Property is made to an entity with the authority to condemn all or a portion of the Assessed Property in lieu of or as a part of an eminent domain proceeding (a “**Taking**”), the portion of the Assessed Property that was taken or transferred (the “**Taken Property**”) shall be reclassified as Non-Benefited Property.

For the Assessed Property that is subject to the Taking as described in the preceding paragraph, the Assessment that was levied against the Assessed Property (when it was included in the Taken Property) prior to the Taking shall remain in force against the remaining Assessed Property (the Assessed Property less the Taken Property), (the “**Remaining Property**”) following the reclassification of the Taken Property as Non-Benefited Property, subject to an adjustment of the Assessment applicable to the Remaining Property after any required Prepayment as set forth below. The owner will remain liable to pay in Annual Installments, or payable as otherwise provided by this Service and Assessment Plan, as updated, or the PID Act, the Assessment that remains due on the Remaining Property, subject to an adjustment in the Annual Installments applicable to the Remaining Property after any required Prepayment as set forth below. If the Assessment that remains due on the Remaining Property exceeds the Maximum Assessment, the owner will be required to make a Prepayment in an amount necessary to ensure that the Assessment against the Remaining Property does not exceed the Maximum Assessment, in which case the Assessment and Annual Installments applicable to the Remaining Property will be reduced by the amount of the partial Prepayment.

In all instances the Assessment remaining on the Remaining Property shall not exceed the Maximum Assessment.

By way of illustration, if an owner owns 100 acres of Assessed Property subject to a \$100 Assessment and 10 acres is taken through a Taking, the 10 acres of Taken Property shall be reclassified as Non-Benefited Property and the remaining 90 acres of Remaining Property shall be subject to the \$100 Assessment, (provided that this \$100 Assessment does not exceed the Maximum Assessment on the Remaining Property). If the Administrator determines that the \$100 Assessment reallocated to the Remaining Property would exceed the Maximum Assessment on the Remaining Property by \$10, then the owner shall be required to pay \$10 as a Prepayment of the Assessment against the Remaining Property and the Assessment on the Remaining Property shall be adjusted to be \$90 and the Annual Installments adjusted accordingly.

Notwithstanding the previous paragraphs in this subsection (F), if the owner notifies the City and the Administrator that the Taking prevents the Remaining Property from being developed for any use which could support the Estimated Buildout Value requirement, the owner shall, upon

receipt of the compensation for the Taken Property, be required to prepay the amount of the Assessment required to buy down the outstanding Assessment to the Maximum Assessment on the Remaining Property. The owner will remain liable to pay the Annual Installments on both the Taken Property and the Remaining Property until such time that such Assessment has been prepaid in full.

Notwithstanding the previous paragraphs in this subsection (F), the Assessments shall not, however, be reduced to an amount less than the outstanding PID Bonds.

G. Payment of Assessment in Annual Installments

Except for the Remainder Area Assessment, Assessments that are not paid in full shall be due and payable in Annual Installments. **Exhibit E** shows the projected Annual Installments for Improvement Area #1. **Exhibit G** shows the projected Annual Installments for Improvement Area #2. **Exhibit I** shows the projected Annual Installments for Improvement Area #3. **Exhibit K** shows the projected Annual Installments for Improvement Area #4. Annual Installments are subject to adjustment in each Annual Service Plan Update.

The Administrator shall prepare and submit to the City Council for its review and approval an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include updated Assessment Rolls and updated calculations of Annual Installments. Annual Collection Costs shall be allocated equally among Parcels for which the Assessments remain unpaid. Annual Installments shall be reduced by any applicable Indenture, such as capitalized interest, interest earnings on account balances, and any other funds available to the Trustee for such purposes. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes. Annual Installments shall be subject to the penalties, procedures, and foreclosure sale in case of delinquencies as set forth in the PID Act and in the same manner as ad valorem taxes for the City. The City Council may provide for other means of collecting Annual Installments. Assessments shall have the lien priority specified in the PID Act.

Sales of the Assessed Property for nonpayment of Annual Installments shall be subject to the lien for the remaining unpaid Annual Installments against the Assessed Property, and the Assessed Property may again be sold at a judicial foreclosure sale if the purchaser fails to timely pay the Annual Installments as they become due and payable.

The City reserves the right to refund PID Bonds in accordance with the PID Act. In the event of a refunding, the Administrator shall recalculate the Annual Installments so that total Annual Installments will be sufficient to pay the refunding bonds, and the refunding bonds shall constitute "PID Bonds."

Each Annual Installment of an Assessment, including interest on the unpaid principal of the Assessment, shall be updated annually. Each Annual Installment shall be due when billed and shall be delinquent if not paid prior to February 1 of the following year.

SECTION VII: ASSESSMENT ROLLS

SECTION VIII: ADDITIONAL PROVISIONS

A. Calculation Errors

If the owner of a Parcel claims that an error has been made in any calculation required by this 2023 Amended and Restated Service and Assessment Plan, including, but not limited to, any calculation made as part of any Annual Service Plan Update, the owner's sole and exclusive remedy shall be to submit a written notice of error to the Administrator by December 1st of each year following City Council approval of the calculation; otherwise, the owner shall be deemed to have unconditionally approved and accepted the calculation. Upon receipt of a written notice of error from an owner the Administrator shall provide a written response to the City Council and the owner within 30 days of such referral. The City Council shall consider the owner's notice of error and the Administrator's response at a public hearing, and within 30 days after closing such hearing, the City Council shall make a final determination as to whether an error has been made. If the City Council determines that an error has been made, the City Council may take such corrective action as is authorized by the PID Act, this 2023 Amended and Restated Service and Assessment Plan, the Assessment Ordinance, or the Indenture, or is otherwise authorized by the discretionary power of the City Council. The determination by the City Council as to whether an error has been made, and any corrective action taken by the City Council, shall be final and binding on the owner and the Administrator.

B. Amendments

Amendments to this 2023 Amended and Restated Service and Assessment Plan must be made by the City Council in accordance with the PID Act. To the extent permitted by the PID Act, this 2023 Amended and Restated Service and Assessment Plan may be amended without notice to owners of the Assessed Property: (1) to correct mistakes and clerical errors; (2) to clarify ambiguities; and (3) to provide procedures to collect Assessments, Annual Installments, and other charges imposed by this 2023 Amended and Restated Service and Assessment Plan.

C. Administration and Interpretation

The Administrator shall: (1) perform the obligations of the Administrator as set forth in this 2023 Amended and Restated Service and Assessment Plan; (2) administer the District for and on behalf of and at the direction of the City Council; and (3) interpret the provisions of this 2023 Amended and Restated Service and Assessment Plan. Interpretations of this 2023 Amended and Restated Service and Assessment Plan by the Administrator shall be in writing and shall be appealable to the City Council by owners or developers adversely affected by the interpretation. Appeals shall be decided by the City Council after holding a public hearing at which all interested parties have an opportunity to be heard. Decisions by the City Council shall be final and binding on the owners and developers and their successors and assigns.

D. Severability

If any provision of this 2023 Amended and Restated Service and Assessment Plan is determined by a governmental agency or court to be unenforceable, the unenforceable provision shall be deleted and, to the maximum extent possible, shall be rewritten to be enforceable. Every effort shall be made to enforce the remaining provisions.

E. Form of Buyer Disclosure

Per Section 5.014 of the Texas Property Code, as amended, this Service and Assessment Plan, and any future Annual Service Plan Updates, shall include a form of the buyer disclosures for the district. The buyer disclosures are attached hereto as **Exhibit AA-1 – Exhibit AA-16**. Within seven days of approval by the City Council, the City shall file and record in the real property records of the County the executed ordinance of this Service and Assessment Plan, or any future Annual Service Plan Updates. The executed ordinance, including any attachments, approving this Service an Assessment Plan or any future Annual Service Plan Updates shall be filed and recorded in their entirety.
