The Bonds Similarly Secured, which includes the Bonds, when issued and delivered, will constitute valid and binding special obligations of the City payable solely from and secured by the Trust Estate, consisting primarily of the Pledged Revenues, which consist primarily of Major Improvement Area Assessments (as defined herein) to be levied against assessable properties in the Major Improvement Area of the District in accordance with a Service and Assessment Plan, all to the extent and upon the conditions described herein and in the Indenture. The "Bonds Similarly Secured" consist of the Bonds and any series of bonds issued to refund all or a portion of the Bonds. The Bonds are not payable from funds raised or to be raised from taxation. See "SECURITY FOR THE BONDS SIMILARLY SECURED."

The Bonds are subject to redemption at the times, in the amounts, and at the redemption prices more fully described herein under the subcaption "DESCRIPTION OF THE BONDS — Redemption Provisions."

The Bonds involve a significant degree of risk, are speculative in nature and are not suitable for all investors. See "BONDHOLDERS' RISKS" and "SUITABILITY FOR INVESTMENT." Prospective purchasers should carefully evaluate the risks and merits of an investment in the Bonds, should consult with their legal and financial advisors before considering a purchase of the Bonds, and should be willing to bear the risks of loss of their investment in the Bonds. PLAN OF FINANCE

The District

The PID Act authorizes municipalities, such as the City, to create public improvement districts within their boundaries or extraterritorial jurisdiction, and to impose assessments within the public improvement district to pay for certain improvements. The District was created for the purpose of undertaking and financing the cost of certain public improvements within the District, including the Major Improvement Area Projects (as defined herein), authorized by the PID Act and approved by the City Council that confer a special benefit on the District.

The boundaries of the District are shown in the “MAP SHOWING BOUNDARIES OF THE DISTRICT” on page v. The District is located partially within the corporate limits of the City and partially within the extraterritorial jurisdiction of the City. It is anticipated that the City will annex the entire District prior to the sale of the Bonds on January 21, 2025.

Development Plan and Plan of Finance

The District is composed of approximately 774.235 acres which are being developed as a master-planned development permitted to include up to 2,300 residential units and a minimum of 21.5 acres of commercial development. It is currently anticipated that the District will include 2,019 single-family residential lots at buildout and approximately 161,250 square feet of commercial space. Bailey Community Development, Inc. (the “Bailey Developer”) and Armbruster Development, Inc. (the “Armbruster Developer” and, together with the Bailey Developer, the “Developers”) will develop the District in distinct areas, which development will begin with development of the infrastructure to serve the first improvement area of the District (“Improvement Area #1”) and a portion of the major infrastructure to serve the entire District. See “THE DEVELOPMENT — Development Plan.” The areas shown as “Major Improvement Area” on the “MAP SHOWING MAJOR IMPROVEMENT AREA” on page vii are referred to herein as the “Major Improvement Area.” Individual distinct areas which may be developed within the Major Improvement Area in the future are referred to herein as “Future Improvement Areas.”

The District consists of two separately purchased tracts. The Bailey Landowner purchased approximately 348.277 acres (the “Bailey Tract”) on June 4, 2021 from Labenski Branch, LP using a loan with the International Bank of Commerce in the original principal amount of \$24,200,000 (the “Bailey Tract Loan”), and a seller note in the original amount of \$10,054,258 (the “Bailey Tract Seller Note”). The Bailey Tract Loan is currently outstanding in the amount of \$11,925,165 with a current maturity date of December 3, 2024, and the Bailey Tract Seller Note is currently outstanding in the amount of \$10,054,258 with a maturity date of June 2, 2027. The Armbruster Landowner purchased approximately 425.958 acres (the “Armbruster Tract”) on December 17, 2021 and December 22, 2021 from Deborah Armbruster, Chance Armbruster, Lynn A. Simon (also known as Lynn Armbruster Hild), and the Texas 1031 Exchange Company as exchange intermediary for Armbruster Holt LTD (1031 Exchange) using a bank loan from the International Bank of Commerce in the original principal amount of \$10,600,000 (the “Armbruster Tract Loan”), and a seller note in the original amount of \$7,075,219 (the “Armbruster Tract Seller Note”). The Armbruster Tract Loan is currently outstanding in the amount of \$10,599,100 with a current maturity date of December 3, 2024, and the Armbruster Tract Seller Note has been fully paid. The Armbruster Landowner entered into a loan agreement with International Commerce Bank on September 26, 2022 in the amount of \$4,000,000 (the “2022 Loan”), which remains outstanding in the amount of \$4,000,000 and currently matures on December 3, 2024, to pay all amounts due on the Armbruster Tract Seller Note. Landowners are currently working with the International Bank of Commerce to refinance the Bailey Tract Loan, the Armbruster Tract Loan and the 2022 Loan, and expect to close on the refinancings in January 2025, which is anticipated to put a 60-day extension in place for the December 3, 2024 maturities of each such loan. See “THE DEVELOPERS – History and Financing of the District.”

The Landowners intend to sell property within the District to the Developers in phases as development in the District progresses. The Developers expect to finance such purchases with a seller note and a bank loan.

The Developers expect to construct improvements consisting of (i) certain roadway improvements, waste water improvements, drainage improvements, and parks and landscaping improvements, each benefitting the entire District (the “Major Improvements”) and (ii) certain roadway improvements, water improvements, waste water improvements, drainage improvements, and entry, park and landscape improvements as that will benefit only Improvement Area #1 of the District (the “Improvement Area #1 Improvements”). The Improvement Area #1 Improvements and the portion of the Major Improvements benefitting Improvement Area #1 are collectively referred to herein as the “Improvement Area #1 Authorized Improvements.” The remaining portion of the Major Improvements benefitting the Major Improvement Area is referred to herein as the “Major Improvement Area Improvements.” The Developers also expect to begin construction of the first portion of Phase 1 of Improvement Area #1 consisting of 118 single-family lots in January 2025 and complete construction in November 2025, and expect to begin construction of the second portion of Phase 1 of Improvement Area #1 consisting of 130 single-family lots in May 2025 and complete construction in December 2026. The Developers expect to begin construction on the Major Improvements in January 2025 and complete construction in December 2026. All roads, utilities and drainage to serve the commercial lots will be installed with the residential lot development. A commercial development partner has not yet been selected and that site plan will be developed when such partner has been identified. See “THE DEVELOPMENT – Development Plan.”

The total cost of the Major Improvement Area Improvements is expected to be approximately \$35,376,123. As of December 4, 2024, the Developers have spent approximately \$278,000 on construction of the Major Improvement Area Improvements, which costs were funded with a bank loan from International Bank of Commerce.

The City will enter into the Persimmon Public Improvement District Construction Funding, Reimbursement and Acquisition Agreement (Major Improvement Area) with the Developers and the Landowners (the “Major Improvement Area Reimbursement Agreement”) to finance a portion of the costs of the Major Improvement Area Improvements not paid with proceeds of the Bonds. The Bonds and the City’s payment obligations under the Major Improvement Area Reimbursement Agreement will be secured by the Major Improvement Area Assessments on property in the Major Improvement Area of the District only; however, the payment of debt service on the Bonds will be superior in right to payment of obligations under the Major Improvement Area Reimbursement Agreement. See “IMPROVEMENT AREA #1 AUTHORIZED IMPROVEMENTS” and “SECURITY FOR THE BONDS SIMILARLY SECURED.”

The City will pay a portion of the project costs for the Major Improvement Area Projects from proceeds of the Bonds. The Developers will submit payment requests for costs actually incurred in developing and constructing the Major Improvement Area Improvements and be paid in accordance with the Indenture and the Major Improvement Area Reimbursement Agreement. See “THE MAJOR IMPROVEMENT AREA IMPROVEMENTS – General,” “THE DEVELOPMENT – Development Plan” and “APPENDIX F – Form of Major Improvement Area Reimbursement Agreement.” In addition, the Developers will provide funds to fund certain private improvements that will not be reimbursed to the Developers from the proceeds of the Bonds or amounts collected from the Major Improvement Area Assessments. See “SOURCES AND USES OF FUNDS,” “THE MAJOR IMPROVEMENT AREA IMPROVEMENTS – General,” “THE DEVELOPMENT – Development Plan,” “SECURITY FOR THE BONDS SIMILARLY SECURED – Project Fund” and “APPENDIX A – Form of Indenture” and “APPENDIX F – Form of Major Improvement Area Reimbursement Agreement.”

The Developers are actively negotiating a possible lot purchase agreement and have signed letters of intent for 75 lots in Improvement Area #1; however, the Developers have not entered into any lot purchase agreements.

Concurrently with the issuance of the Bonds, the City will issue its \$25,450,000* City of Buda, Texas, Special Assessment Revenue Bonds (Persimmon Public Improvement District Improvement Area #1 Project) (the “Improvement Area #1 Bonds”) to finance a portion of the costs of the Improvement Area #1 Projects. The Improvement Area #1 Bonds will be secured by assessments on property in Improvement Area #1 of the District only (the “Improvement Area #1 Assessments”). **THE IMPROVEMENT AREA #1 ASSESSMENTS DO NOT PROVIDE SECURITY FOR THE BONDS SIMILARLY SECURED.**

The City expects to issue one or more series of bonds (collectively, the “Future Improvement Area Bonds”) to finance the cost of local improvements benefitting the Future Improvement Areas. Future Improvement Area Bonds to finance the cost of local improvements benefitting the Future Improvement Areas are anticipated to be issued in the

future. The estimated costs of the local improvements benefitting the Future Improvement Areas of the District will be determined at the same time Future Improvement Areas are developed, and the Service and Assessment Plan will be updated to identify the improvements to be constructed within the Future Improvement Areas of the District and financed by each new series of Future Improvement Area Bonds. Such Future Improvement Area Bonds will be secured by separate assessments levied pursuant to the PID Act on assessable property within the applicable Future Improvement Area of the District, as applicable. The Developers anticipate that Future Improvement Area Bonds will be issued over a ten-year period. “THE DEVELOPMENT – Future Improvement Area Bonds.”

The Bonds

Proceeds of the Bonds will be used primarily to provide funds for (i) paying a portion of the Actual Costs of the Major Improvement Area Improvements, (ii) paying the Administrative Reserves related to the Bonds, (iii) paying the Bond Issuance Costs related to the issuance of the Bonds, including funding a reserve fund for the payment of principal and interest, and (iv) paying a portion of the interest on the Bonds during and after the period of construction of the Major Improvement Area Improvements (collectively, the “Major Improvement Area Projects”). “Administrative Reserves” means the first year Annual Collection Costs. “Annual Collection Costs” means the actual or budgeted costs and expenses relating to collecting the Annual Installments (defined herein), including, but not limited to, costs and expenses for: (1) the Administrator and City staff; (2) legal counsel, engineers, accountants, financial advisors, and other consultants engaged by the City; (3) calculating, collecting, and maintaining records with respect to the Major Improvement Area Assessments and Annual Installments; (4) preparing and maintaining records with respect to the Major Improvement Area Assessment Roll (defined herein) and Annual Service Plan Updates; (5) issuing, paying, and redeeming Bonds Similarly Secured; (6) investing or depositing Major Improvement Area Assessments and Annual Installments; (7) complying with the Service and Assessment Plan and the PID Act with respect to issuance of Bonds Similarly Secured, including continuing disclosure requirements; and (8) the Paying Agent/Registrar and Trustee in connection with Bonds Similarly Secured, including their respective legal counsel. Annual Collection Costs collected but not expended in any year shall be carried forward and applied to reduce Annual Collection Costs for subsequent years. “Bond Issuance Costs” means the costs associated with issuing Bonds Similarly Secured, including but not limited to attorney fees, financial advisory fees, consultant fees, appraisal fees, printing costs, publication costs, City costs, reserve fund requirements, underwriter's discount, fees charged by the Texas Attorney General, and any other cost or expense directly associated with the issuance of Bonds Similarly Secured. See “THE MAJOR IMPROVEMENT AREA IMPROVEMENTS,” “APPENDIX A – Form of Indenture” and “SOURCES AND USES OF FUNDS.”

Payment of the Bonds is secured by a pledge of and a lien upon the Trust Estate, consisting primarily of the Pledged Revenues, which consist primarily of Major Improvement Area Assessments to be levied against the assessable parcels or lots within the Major Improvement Area of the District (the “Major Improvement Area Assessed Property”) and imposed pursuant to the Assessment Ordinance and the provisions of the Service and Assessment Plan, all to the extent and upon the conditions described herein and in the Indenture. See “SECURITY FOR THE BONDS SIMILARLY SECURED,” “ASSESSMENT PROCEDURES” and “APPENDIX A – Form of Indenture.”

The Bonds, the Improvement Area #1 Bonds, and any Future Improvement Area Bonds shall never constitute an indebtedness or general obligation of the City, the State of Texas (the “State”), or any other political subdivision of the State, within the meaning of any constitutional provision or statutory limitation whatsoever, but the Bonds are limited and special obligations of the City payable solely from the Trust Estate as provided in the Indenture. Neither the faith and credit nor the taxing power of the City, the State or any other political subdivision of the State is pledged to the payment of the Bonds. The Improvement Area #1 Bonds, and any Future Improvement Area Bonds to be issued by the City are not offered pursuant to this Limited Offering Memorandum.

DESCRIPTION OF THE BONDS

General Description

The Bonds will mature on the dates and in the amounts set forth in the inside cover page of this Limited Offering Memorandum. Interest on the Bonds will accrue from their date of delivery to the Underwriter and will be computed on the basis of a 360-day year of twelve 30-day months. Interest on the Bonds will be payable on each

March, 1 and September, 1, commencing September, 1, 2025 (each an “Interest Payment Date”), until maturity or prior redemption. U.S. Bank Trust Company, National Association, is the initial Trustee, Paying Agent and Registrar for the Bonds.

The Bonds will be issued in fully registered form, without coupons, in authorized denominations of \$25,000 of principal and any integral multiples of \$1,000 in excess thereof; provided, however, that if the total principal amount of any Outstanding Bond is less than \$25,000, then the authorized denomination of such Bonds shall be the amount of such Outstanding Bond (“Authorized Denominations”). Upon initial issuance, the ownership of the Bonds will be registered in the name of Cede & Co., as nominee for The Depository Trust Company, New York, New York (“DTC”), and purchases of beneficial interests in the Bonds will be made in book-entry only form. See “BOOK-ENTRY ONLY SYSTEM” and “SUITABILITY FOR INVESTMENT.”

Redemption Provisions

Optional Redemption. The Bonds may be redeemed prior to their scheduled maturities on any date on or after September 1, 20__, at the option of the City, with funds derived from any available and lawful source, as a whole, or in part, and, if in part, the particular Bonds, or portions thereof, to be redeemed shall be selected and designated by the City, at the redemption price of par, plus the applicable premium, plus accrued and unpaid interest to the date of redemption (the “Redemption Price”).

The City reserves the right and option to redeem Bonds Similarly Secured before their respective scheduled maturity dates, in whole or in part, on any date, at the Redemption Price, from amounts on deposit in the Redemption Fund as a result of Prepayments (including related transfers to the Redemption Fund as provided in the Indenture) or any other transfers to the Redemption Fund under the terms of the Indenture. If less than all Bonds Similarly Secured are called for extraordinary optional redemption, the Bonds Similarly Secured or portion of a Bond Similarly Secured to be redeemed shall be allocated on a pro rata basis (as nearly as practicable) among all Outstanding Bonds Similarly Secured. See “ASSESSMENT PROCEDURES — Prepayment of Assessments” for the definition and description of Prepayments and “APPENDIX A — Form of Indenture.”

At least thirty (30) days prior to each sinking fund redemption date, and subject to any prior reduction authorized by the Indenture described in the next two paragraphs, the Trustee will select for redemption by lot a principal amount of Term Bonds of such maturity equal to the Sinking Fund Installment amount of such Term Bonds to be redeemed, will call such Term Bonds for redemption on such scheduled mandatory redemption date, and shall give notice of such redemption, as provided in the Indenture.

The principal amount of Term Bonds required to be redeemed on any redemption date described above will be reduced, at the option of the City, by the principal amount of any Term Bonds of such maturity which, at least 30 days prior to the sinking fund redemption date will have been acquired by the City at a price not exceeding the principal amount of such Term Bonds plus accrued unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation.

The principal amount of Term Bonds required to be redeemed on any redemption date as described above will be reduced on a pro rata basis among Sinking Fund Installments by the principal amount of any Term Bonds which, at least 30 days prior to the sinking fund redemption date, will have been have been redeemed pursuant to the optional redemption provisions described above or the extraordinary optional redemption provisions described above and not previously credited to a mandatory sinking fund redemption.

Notice of Redemption. Upon written notification by the City to the Trustee of the exercise of any redemption, the Trustee will give notice of any redemption of Bonds Similarly Secured by sending notice by first class United States mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the Holder of each Bond Similarly Secured or portion thereof to be redeemed, at the address shown in the Register. Any notice given will be conclusively presumed to have been duly given, whether or not the Holder receives such notice. Notice of redemption having been given as provided in the Indenture, the Bonds Similarly Secured or portions thereof called for redemption will become due and payable on the date fixed for redemption provided that funds for the payment of on the Redemption Price of such Bonds Similarly Secured to the date fixed for redemption are on deposit with the Trustee; thereafter, such Bonds Similarly Secured or portions thereof will cease to bear interest from and after the date fixed for redemption, whether or not such Bonds Similarly Secured are presented and surrendered for payment on such date.

The City has the right to rescind any optional redemption or extraordinary optional redemption described above by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption will be cancelled and annulled if for any reason funds are not available on the date fixed for redemption for the payment in full of the Bonds Similarly Secured then called for redemption, and such cancellation will not constitute an Event of Default under the Indenture. The Trustee will mail notice of rescission of redemption in the same manner notice of redemption was originally provided.

With respect to any optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the Redemption Price of the Bonds to be redeemed before giving of a notice of redemption, the notice may state that the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient funds are not received, the notice will be of no force and effect, the City will not redeem the Bonds and the Trustee will give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

Partial Redemption. If less than all of a series of Bonds Similarly Secured are to be redeemed pursuant to a mandatory sinking fund redemption, an optional redemption or an extraordinary optional redemption, Bonds Similarly

Secured shall be redeemed in increments of \$1,000; provided that no redemption shall cause the principal amount of any Bond Similarly Secured to be less than the minimum Authorized Denomination for such Bond Similarly Secured except as provided in the following sentence. Notwithstanding the foregoing, if any Bonds Similarly Secured are to be partially redeemed and such redemption results in the redemption of a portion of a single Bond Similarly Secured in an amount less than the Authorized Denomination in effect at the time, a Bond Similarly Secured in the principal amount equal to the unredeemed portion, but not less than \$1,000, may be issued. Each Bond Similarly Secured will be treated as representing the number of Bonds Similarly Secured that is obtained by dividing the principal amount of such Bond Similarly Secured by the minimum Authorized Denomination for such Bond Similarly Secured.

If less than all the Bonds are called for optional redemption, the City shall, pursuant to a City Certificate, determine the Bond or Bonds or the amount thereof within a Stated Maturity to be redeemed and direct the Trustee to call by lot the Bonds, or portions thereof, within such Stated Maturity and in such principal amounts, for redemption.

If less than all of the Bonds Similarly Secured are called for extraordinary optional redemption, the Bonds Similarly Secured or portion of a Bond Similarly Secured to be redeemed will be allocated on a pro rata basis (as nearly as practicable) among all Outstanding Bonds Similarly Secured. If less than all Bonds Similarly Secured within a Stated Maturity are called for extraordinary optional redemption, the Trustee will call by lot the Bonds Similarly Secured, or portions thereof, within such Stated Maturity and in such principal amounts, for redemption.

Upon surrender of any Bond Similarly Secured for redemption in part, the Trustee in accordance with the Indenture, will authenticate and deliver an exchange Bond Similarly Secured or Bonds Similarly Secured in an aggregate principal amount equal to the unredeemed portion of the Bond Similarly Secured so surrendered, such exchange being without charge.

BOOK-ENTRY ONLY SYSTEM

This section describes how ownership of the Bonds is to be transferred and how the principal of, premium, if any, and interest on the Bonds are to be paid to and credited by DTC while the Bonds are registered in its nominee name. The information in this section concerning DTC and the Book-Entry-Only System has been provided by DTC for use in disclosure documents such as this Limited Offering Memorandum. The City and the Underwriter believe the source of such information to be reliable, but neither the City nor the Underwriter takes responsibility for the accuracy or completeness thereof.

The City cannot and does not give any assurance that (1) DTC will distribute payments of debt service on the Bonds, or redemption or other notices, to DTC Participants, (2) DTC Participants or others will distribute debt service payments paid to DTC or its nominee (as the registered owner of the Bonds), or redemption or other notices, to the Beneficial Owners, or that they will do so on a timely basis or (3) DTC will serve and act in the manner described in this Limited Offering Memorandum. The current rules applicable to DTC are on file with the United States Securities and Exchange Commission, and the current procedures of DTC to be followed in dealing with DTC Participants are on file with DTC.

DTC will act as securities depository for the Bonds. The Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered security certificate will be issued for each maturity of the Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies,

clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation (“DTCC”). DTCC, is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its registered subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing companies that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (“Indirect Participants”). DTC has a rating of “AA+” from S&P Global Ratings. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Bonds on DTC’s records. The ownership interest of each actual purchaser of each Bond (“Beneficial Owner”) is in turn to be recorded on the Direct and Indirect Participants’ records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in Bonds, except in the event that use of the book-entry system for the Bonds is discontinued.

To facilitate subsequent transfers, all Bonds deposited by Direct Participants with DTC are registered in the name of DTC’s partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not affect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Bonds; DTC’s records reflect only the identity of the Direct Participants to whose accounts such Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Bond documents. For example, Beneficial Owners of Bonds may wish to ascertain that the nominee holding the Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all Bonds of the same maturity are being redeemed, DTC’s practice is to determine by lot the amount of the interest of each Direct Participant of such maturity to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to Bonds unless authorized by a Direct Participant in accordance with DTC’s Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the City as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.’s consenting or voting rights to those Direct Participants to whose accounts Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Principal, interest and all other payments on the Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC’s practice is to credit Direct Participants’ accounts upon DTC’s receipt of funds and corresponding detailed information from the City or Paying Agent/Registrar, on the payment date in accordance with their respective holdings shown on DTC’s records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in “street name,” and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, the Paying Agent/Registrar, or the City, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of principal, interest and payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the

responsibility of the Trustee, the Paying Agent/Registrar or the City, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Bonds at any time by giving reasonable notice to the City or the Trustee. Under such circumstances, in the event that a successor securities depository is not obtained, Bond certificates are required to be printed and delivered.

The City may decide to discontinue use of the system of book-entry transfers through DTC (or a successor securities depository). In that event, Bond certificates will be printed and delivered. Thereafter, Bond certificates may be transferred and exchanged as described in the Indenture.

The information in this section concerning DTC and DTC's book-entry system has been obtained from sources that the City believes to be reliable, but none of the City, the City's Financial Advisor or the Underwriter take any responsibility for the accuracy thereof.

NONE OF THE CITY, THE TRUSTEE, THE PAYING AGENT/REGISTRAR, THE CITY'S FINANCIAL ADVISOR OR THE UNDERWRITER WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO THE DTC PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEE WITH RESPECT TO THE PAYMENTS TO OR THE PROVIDING OF NOTICE FOR THE DTC PARTICIPANTS, THE INDIRECT PARTICIPANTS OR THE BENEFICIAL OWNERS OF THE BONDS. THE CITY CANNOT AND DOES NOT GIVE ANY ASSURANCES THAT DTC, THE DTC PARTICIPANTS OR OTHERS WILL DISTRIBUTE PAYMENTS OF PRINCIPAL OF OR INTEREST ON THE BONDS PAID TO DTC OR ITS NOMINEE, AS THE REGISTERED OWNER, OR PROVIDE ANY NOTICES TO THE BENEFICIAL OWNERS OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC WILL ACT IN THE MANNER DESCRIBED IN THIS LIMITED OFFERING MEMORANDUM. THE CURRENT RULES APPLICABLE TO DTC ARE ON FILE WITH THE SECURITIES AND EXCHANGE COMMISSION, AND THE CURRENT PROCEDURES OF DTC TO BE FOLLOWED IN DEALING WITH DTC PARTICIPANTS ARE ON FILE WITH DTC.

LIMITATIONS APPLICABLE TO INITIAL PURCHASERS

Each initial purchaser is advised that the Bonds being offered pursuant to this Limited Offering Memorandum are being offered and sold only to "accredited investors" as defined in Rule 501 of Regulation D promulgated under the Securities Act of 1933 and "qualified institutional buyers" as defined in Rule 144A promulgated under the Securities Act of 1933. Each initial purchaser of the Bonds (each, an "Investor") will be deemed to have acknowledged, represented and warranted to the City as follows:

- 1) The Investor has authority and is duly authorized to purchase the Bonds and to execute any instruments and documents required to be executed by the Investor in connection with the purchase of the Bonds.
- 2) The Investor is an "accredited investor" under Rule 501 of Regulation D of the Securities Act of 1933 or a "qualified institutional buyer" under Rule 144A of the Securities Act of 1933, and therefore, has sufficient knowledge and experience in financial and business matters, including purchase and ownership of municipal and other tax-exempt obligations, to be able to evaluate the risks and merits of the investment represented by the Bonds.
- 3) The Bonds are being acquired by the Investor for investment and not with a view to, or for resale in connection with, any distribution of the Bonds, and the Investor intends to hold the Bonds solely for its own account for investment purposes and for an indefinite period of time, and does not intend at this time to dispose of all or any part of the Bonds. However, the Investor may sell the Bonds at any time the Investor deems appropriate. The Investor understands that it may need to bear the risks of this investment for an indefinite time, since any sale prior to maturity may not be possible.
- 4) The Investor understands that the Bonds are not registered under the Securities Act of 1933 and that such registration is not legally required as of the date hereof; and further understands that the Bonds (a) are not being registered or otherwise qualified for sale under the "Blue Sky" laws and regulations of any

state, (b) will not be listed in any stock or other securities exchange, and (c) will not carry a rating from any rating service.

- 5) The Investor acknowledges that it has either been supplied with or been given access to information, including financial statements and other financial information, and the Investor has had the opportunity to ask questions and receive answers from knowledgeable individuals concerning the City, the Major Improvement Area Projects, the Bonds, the security therefor, and such other information as the Investor has deemed necessary or desirable in connection with its decision to purchase the Bonds (collectively, the “Investor Information”). The Investor has received a copy of this Limited Offering Memorandum relating to the Bonds. The Investor acknowledges that it has assumed responsibility for its review of the Investor Information and it has not relied upon any advice, counsel, representation or information from the City in connection with the Investor’s purchase of the Bonds. The Investor agrees that none of the City, its councilmembers, officers, or employees shall have any liability to the Investor whatsoever for, or in connection with the Investor’s decision to purchase the Bonds except for fraud or willful misconduct, to the extent permitted by law. For the avoidance of doubt, it is acknowledged that the Underwriter is not deemed an officer or employee of the City.
- 6) The Investor acknowledges that the obligations of the City under the Indenture are special, limited obligations payable solely from amounts paid to the City pursuant to the terms of the Indenture and the City shall not be directly or indirectly or contingently or morally obligated to use any other moneys or assets of the City for amounts due under the Indenture. The Investor understands that the Bonds are not secured by any pledge of any moneys received or to be received from taxation by the City, the State or any political subdivision or taxing district thereof; that the Bonds will never represent or constitute a general obligation or a pledge of the faith and credit of the City, the State or any political subdivision thereof; that no right will exist to have taxes levied by the State or any political subdivision thereof for the payment of principal and interest on the Bonds; and that the liability of the City and the State with respect to the Bonds is subject to further limitations as set forth in the Bonds and the Indenture.
- 7) The Investor has made its own inquiry and analysis with respect to the Bonds and the security therefor. The Investor is aware that the development of the District involves certain economic and regulatory variables and risks that could adversely affect the security for the Bonds.
- 8) The Investor acknowledges that the sale of the Bonds to the Investor is made in reliance upon the certifications, representations and warranties described in items 1-7 above.

SECURITY FOR THE BONDS SIMILARLY SECURED

The following is a summary of certain provisions contained in the Indenture. Reference is made to the Indenture for a full statement of the terms and provisions of the Bonds Similarly Secured. “Bonds Similarly Secured” means, collectively, any Outstanding Bonds and Refunding Bonds. Investors must read the entire Indenture to obtain information essential to the making of an informed investment decision. See “APPENDIX A — Form of Indenture.”

General

THE BONDS SIMILARLY SECURED, INCLUDING THE BONDS, ARE SPECIAL, LIMITED OBLIGATIONS OF THE CITY PAYABLE SOLELY FROM THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. THE BONDS SIMILARLY SECURED DO NOT GIVE RISE TO A CHARGE AGAINST THE GENERAL CREDIT OR TAXING POWER OF THE CITY AND ARE PAYABLE SOLELY FROM THE SOURCES IDENTIFIED IN THE INDENTURE. THE HOLDERS OF THE BONDS SIMILARLY SECURED SHALL NEVER HAVE THE RIGHT TO DEMAND PAYMENT THEREOF OUT OF MONEY RAISED OR TO BE RAISED BY TAXATION, OR OUT OF ANY FUNDS OF THE CITY OTHER THAN THE PLEDGED REVENUES, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. THE CITY SHALL HAVE NO LEGAL OR MORAL OBLIGATION TO PAY THE BONDS SIMILARLY SECURED OUT OF ANY FUNDS OF THE CITY OTHER THAN THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE. SEE “APPENDIX A – FORM OF INDENTURE.”

NOTWITHSTANDING THE FOREGOING, THE CITY HAS CREATED “TAX INCREMENT REINVESTMENT ZONE NUMBER THREE, CITY OF BUDA, TEXAS (PERSIMMON DEVELOPMENT)” (THE “TIRZ”) THE BOUNDARIES OF WHICH ARE COTERMINOUS WITH THE BOUNDARIES OF THE DEVELOPMENT AND INTENDS TO USE ANNUAL TAX INCREMENT REVENUES COLLECTED, WHICH TAX INCREMENT WILL CONSIST OF AN AMOUNT EQUAL TO 50% OF ALL CITY AND COUNTY AD VALOREM TAXES LEVIED, ASSESSED AND COLLECTED WITHIN THE PORTION OF THE TIRZ LOCATED WITHIN THE CORPORATE LIMITS AND EXTRATERRITORIAL JURISDICTION OF THE CITY LOCATED WITHIN HAYS COUNTY, TEXAS, AND 75% OF ALL CITY AD VALOREM TAXES LEVIED, ASSESSED AND COLLECTED WITHIN THE PORTION OF THE TIRZ LOCATED WITHIN THE EXTRATERRITORIAL JURISDICTION OF THE CITY LOCATED WITHIN TRAVIS COUNTY, TEXAS, ON ALL REAL PROPERTY IN THE TIRZ TAXABLE BY THE CITY AND THE COUNTY THEREIN, TO REDUCE MAJOR IMPROVEMENT AREA ASSESSMENTS ON A PARCEL-BY-PARCEL BASIS. ANY AMOUNT OF SUCH TAX INCREMENT REVENUE USED TO PAY PRINCIPAL OF AND INTEREST ON THE ISSUED PID BONDS WILL RESULT IN A REDUCTION IN ANNUAL INSTALLMENTS OF MAJOR IMPROVEMENT AREA ASSESSMENTS RELATED TO SUCH ISSUED PID BONDS BY A CORRESPONDING AMOUNT. SUCH TAX INCREMENT REVENUE IS NOT PLEDGED TO THE BONDS UNDER THE INDENTURE, NOR WILL SUCH TAX INCREMENT BE PLEDGED PURSUANT TO ANY INDENTURE RELATING TO ANY ISSUED PID BONDS. SEE “TIRZ NO. 3 REVENUES MAY REDUCE ASSESSMENTS” BELOW.

The principal of, premium, if any, and interest on the Bonds are secured by a pledge of and a lien upon the Trust Estate, consisting primarily of the pledged revenues (the “Pledged Revenues”), which consist primarily of Major Improvement Area Assessments levied against the Major Improvement Area Assessed Property and other funds comprising the Trust Estate, all to the extent and upon the conditions described herein and in the Indenture. In accordance with the PID Act, the City has caused the preparation of a Service and Assessment Plan (as may be amended and supplemented, the “Service and Assessment Plan”), which describes the special benefit received by the property within the District, including the Major Improvement Area of the District, provides the basis and justification for the determination of special benefit on such property, establishes the methodology for the levy of Major Improvement Area Assessments and provides for the allocation of Pledged Revenues for payment of principal of, premium, if any, and interest on the Bonds. The Service and Assessment Plan is reviewed and updated annually for the purpose of determining the annual budget for improvements and the Annual Installments (as defined below) of Major Improvement Area Assessments due in a given year. The determination by the City of the assessment methodology set forth in the Service and Assessment Plan is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on all current and future landowners within the District. See “APPENDIX B — Form of Service and Assessment Plan.”

Pledged Revenues

The City is authorized by the PID Act, the Assessment Ordinance and other provisions of law to finance the Major Improvement Area Projects by levying Major Improvement Area Assessments upon Major Improvement Area Assessed Property. For a description of the assessment methodology and the amounts of Major Improvement Area Assessments levied in the Major Improvement Area of the District, see “ASSESSMENT PROCEDURES” and “APPENDIX B — Form of Service and Assessment Plan.”

Pursuant to the Indenture, Pledged Revenues are the sum of (i) Assessment Revenues (excluding the portion of the Major Improvement Area Assessments and Annual Installments collected for the payment of Annual Collection Costs and Delinquent Collection Costs, as set forth in the Service and Assessment Plan); (ii) the moneys held in any of the Pledged Funds; and (iii) any additional revenues that the City may pledge to the payment of Bonds or other Bonds Similarly Secured. “Assessment Revenue” means the revenues received by the City from the collection of Major Improvement Area Assessments, including Prepayments (defined herein), Annual Installments and Foreclosure Proceeds. “Annual Installments” means, with respect to each Assessed Parcel (defined herein), the annual installment

payment of an Major Improvement Area Assessment as calculated by the Administrator and approved by the City Council, that includes: (1) principal; (2) interest; (3) Annual Collection Costs; and (4) and the up to 0.50% additional interest rate (the “Additional Interest”) collected on each annual payment of the Major Improvement Area Assessments as described in the Indenture and as defined and calculated in the Service and Assessment Plan or in any Annual Service Plan Update. “Delinquent Collection Costs” means costs related to the foreclosure on Major Improvement Area Assessed Property and the costs of collection of delinquent Major Improvement Area Assessments, delinquent Annual Installments, or any other delinquent amounts due under the Service and Assessment Plan including penalties and reasonable attorney’s fees actually paid, but excluding amounts representing interest and penalty interest. “Foreclosure Proceeds” means the proceeds, including interest and penalty interest, received by the City from the enforcement of the Major Improvement Area Assessments, whether by foreclosure of lien or otherwise, but excluding and net of all Delinquent Collection Costs. The City will covenant in the Indenture that it will take and pursue all actions permissible under Applicable Laws to cause the Major Improvement Area Assessments to be collected and the liens thereof to be enforced continuously. See “SECURITY FOR THE BONDS SIMILARLY SECURED — Pledged Revenue Fund,” “APPENDIX A — Form of Indenture” and “APPENDIX B — Form of Service and Assessment Plan.”

The PID Act provides that the Major Improvement Area Assessments (including any reassessment, with interest, the expense of collection and reasonable attorney’s fees, if incurred) are a first and prior lien (the “Assessment Lien”) against the property assessed, superior to all other liens or claims, except liens and claims for State, county, school district, or municipality ad valorem taxes and are a personal liability of and charge against the owners of property, regardless of whether the owners are named and runs with the land. Pursuant to the PID Act, the Assessment Lien is effective from the date of the Assessment Ordinance until the Major Improvement Area Assessments are paid (or otherwise discharged), and is enforceable by the City Council in the same manner that an ad valorem property tax levied against real property may be enforced by the City Council. See “ASSESSMENT PROCEDURES” herein. The Assessment Lien is superior to any homestead rights of a property owner that were properly claimed after the adoption of the Assessment Ordinance. However, an Assessment Lien may not be foreclosed upon if any homestead rights of a property owner were properly claimed prior to the adoption of the Assessment Ordinance (“Pre-existing Homestead Rights”) for as long as such rights are maintained on the property. See “BONDHOLDERS’ RISKS – Assessment Limitations.”

TIRZ No. 3 Revenues May Reduce Assessments

The Major Improvement Area Assessments to be levied by the City according to the Assessment Ordinance and described in the Service and Assessment Plan will be set at a level sufficient to fund a portion of the costs of the Major Improvement Area Projects.

Pursuant to Chapter 311 of the Texas Tax Code (the “TIRZ Act”), the City held a public hearing on the creation of the TIRZ and the Reinvestment Zone Number 3, City of Buda, Texas Preliminary Project and Financing Plan (“Preliminary TIRZ Project and Finance Plan”) and adopted an ordinance creating the TIRZ (the “TIRZ Creation Ordinance”) on September 17, 2024.

The City Council expects to approve a final Project and Finance Plan for the TIRZ (the “TIRZ Project and Finance Plan”) on January 21, 2025 with the adoption of an ordinance which authorizes the use of TIRZ No. 3 Revenues (defined below) for project costs under the TIRZ Act, relating to the Major Improvement Area Improvements as provided for in the TIRZ Project and Finance Plan (including amendments or supplements thereto). The City has entered into the City of Buda and County of Hays Agreement Regarding the Tax Increment Reinvestment Zone Number Three (the “Interlocal Agreement”), pursuant to which Hays County agrees to pay annually appropriated funds in the Hays County portion of the TIRZ to the City for deposit into the tax increment fund.

Pursuant to the TIRZ Act, the tax increment base of the TIRZ is the total taxable value of all real property taxable by the City located in the TIRZ as of January 1 in the year in which the TIRZ was designated as a reinvestment zone (the “Tax Increment Base”). Pursuant to the TIRZ Act, the TIRZ Creation Ordinance and the Development Agreement, the City will set the amount of the “Tax Increment” for a year as Tax Increment revenues in the amount equal to 50% of the City and Hays County ad valorem taxes, with respect to the portion of the TIRZ located within the corporate limits of the City located within Hays County, Texas, and 75% of the City ad valorem taxes with respect to the portion of the TIRZ located within the corporate limits of the City located within Travis County, Texas, collected

within the TIRZ (the “TIRZ No. 3 Revenues”). Consistent with Section 311.012(b) of the TIRZ Act, the Captured Appraised Value of real property taxable by the City for a year is the total appraised value of all real property taxable by the City and located in the TIRZ for that year less the Tax Increment Base (the “Captured Appraised Value”). Other than Hays County, there are currently no other taxing units participating in the TIRZ.

The City expects to use annual TIRZ No. 3 Revenues collected, on a parcel-by-parcel basis, first to pay the actual, direct costs paid or incurred by or on behalf of the City to administer the TIRZ, including planning, engineering, legal services, organizational costs, publicizing costs, or implementations costs paid by or on behalf of the City that are directly related to the administration of the TIRZ (the “Administrative Costs”), and second, to the extent that funds are available after paying the reasonable costs of the TIRZ, to reduce the Annual Installments of the Major Improvement Area Assessments and assessments levied for any Issued PID Bonds by an amount not to exceed such parcel’s TIRZ No. 3 Maximum Annual Credit Amount on deposit in the pledged revenue account created under one or more Indentures (as defined in the Service and Assessment Plan). The City will agree to transfer from the tax increment fund the TIRZ No. 3 Revenues collected each year (100%) on a pro-rata basis relating to the Issued PID Bonds, to the applicable Bond Fund for the payment of debt service on the respective series of Issued PID Bonds. Such TIRZ No. 3 Revenues, if and when collected and transferred by the City, with respect to the Bonds will result in a reduction in Annual Installments of Major Improvement Area Assessments by a corresponding amount. The City intends to dedicate and deposit TIRZ No. 3 Revenues collected for a period ending December 31, 2069.

THE TIRZ NO. 3 REVENUES, IF AVAILABLE, WILL NOT BE PLEDGED TO THE PAYMENT OF THE BONDS SIMILARLY SECURED, INCLUDING THE BONDS, AND THERE IS NO GUARANTEE THAT THERE WILL EVER BE ANY TIRZ NO. 3 REVENUES TO GENERATE A TIRZ CREDIT (AS DEFINED HEREIN). TO THE EXTENT THAT TIRZ NO. 3 REVENUES ARE GENERATED IN AMOUNTS SUFFICIENT TO FUND A TIRZ CREDIT, SUCH REVENUES ARE NOT EXPECTED TO BE SUFFICIENT TO PROVIDE FOR AN OFFSET UNTIL APPROXIMATELY THE SECOND YEAR AFTER A HOME ON SUCH PARCEL IS BUILT. THE TIRZ CREDIT WILL NOT BE APPLIED IN ANY MANNER THAT WOULD AFFECT THE COLLECTION AND CONTINUOUS ENFORCEMENT OF MAJOR IMPROVEMENT AREA ASSESSMENTS COLLECTED FOR THE PAYMENT OF DEBT SERVICE ON THE BONDS SIMILARLY SECURED AND ADMINISTRATIVE EXPENSES AND THE FUNDING OF THE ADDITIONAL INTEREST RESERVE REQUIREMENT, IN THE MANNER AND TO THE MAXIMUM EXTENT PERMITTED BY APPLICABLE LAWS.

Collection and Deposit of Assessments

The Major Improvement Area Assessments shown on the Major Improvement Area Assessment Roll, together with the interest thereon, shall first be applied to the payment of the principal of and interest on the Bonds as and to the extent provided in the Service and Assessment Plan and the Indenture.

The Major Improvement Area Assessments assessed to pay debt service on the Bonds, together with interest thereon, are payable in Annual Installments established by the Assessment Ordinance and the Service and Assessment Plan to correspond, as nearly as practicable, to the debt service requirements for the Bonds and amounts due under the Major Improvement Area Reimbursement Agreement. An Annual Installment of a Major Improvement Area Assessment has been made payable in the Assessment Ordinance in each fiscal year of the City preceding the date of final maturity of the Bonds which, if collected, will be sufficient to first pay debt service requirements attributable to Major Improvement Area Assessments in the Service and Assessment Plan, and second the amounts due pursuant to the Major Improvement Area Reimbursement Agreement. Each Annual Installment is payable as provided in the Service and Assessment Plan and the Assessment Ordinance.

A record of the Major Improvement Area Assessments on each parcel, tract or lot which are to be collected in each year during the term of the Bonds is shown on the Major Improvement Area Assessment Roll. Sums received from the collection of the Major Improvement Area Assessments to pay the debt service requirements (including delinquent installments, Foreclosure Proceeds and penalties) and of the interest thereon shall be deposited into the Pledged Revenue Fund. Notwithstanding the foregoing, the Trustee shall deposit Foreclosure Proceeds to the Pledged Revenue Fund and as soon as practicable after such deposit shall transfer Foreclosure Proceeds first to the Reserve Fund to restore any transfers from the Reserve Fund made to which the Foreclosure Proceeds relate, second, to the Delinquency & Prepayment Reserve Account to replenish the Delinquency & Prepayment Reserve Requirement, and

third, to the Redemption Fund. The Trustee shall deposit Prepayments to the Pledged Revenue Fund and as soon as practicable after such deposit shall transfer such Prepayments to the Redemption Fund. See “SECURITY FOR THE BONDS SIMILARLY SECURED — Pledged Revenue Fund and Project Collection Fund” and “APPENDIX A — Form of Indenture.”

The portions of the Annual Installments of Major Improvement Area Assessments collected to pay Annual Collection Costs shall be deposited in the Administrative Fund and shall not constitute Pledged Revenues.

Unconditional Levy of Assessments

The City will impose Major Improvement Area Assessments on the Major Improvement Area Assessed Property to pay the principal of and interest on the Bonds Similarly Secured and amounts due pursuant to the Major Improvement Area Reimbursement Agreement scheduled for payment from Pledged Revenues as described in the Indenture and in the Service and Assessment Plan and coming due during each Fiscal Year. The Major Improvement Area Assessments shall be effective on the date of, and strictly in accordance with the terms of, the Assessment Ordinance. Each Major Improvement Area Assessment may be paid immediately in full or in periodic Annual Installments over a period of time equal to the term of the Bonds Similarly Secured and/or the Major Improvement Area Reimbursement Agreement, which installments shall include interest on the Major Improvement Area Assessments. Pursuant to the Assessment Ordinance, interest on the portion of the Major Improvement Area Assessments assessed to pay debt service on the Bonds Similarly Secured will be calculated at the rate of interest on the Bonds Similarly Secured plus 0.50%, calculated on the basis of a 360-day year of twelve 30-day months and interest on the portion of the Major Improvement Area Assessments assessed to secure the City’s obligations under the Major Improvement Area Reimbursement Agreement will be calculated at the rates set forth therein. Such rates may be adjusted as described in the Service and Assessment Plan. Each Annual Installment, including the interest on the unpaid amount of an Major Improvement Area Assessment, and shall be billed on or about October 1 of each year. Each Annual Installment together with interest thereon shall be delinquent if not paid prior to February 1 of the following year. The initial Annual Installments will be due when billed on or about November 1, 2025, and will be delinquent if not paid prior to February 1, 2026.

As authorized by Section 372.018(b) of the PID Act, the City will calculate and collect each year while the Bonds Similarly Secured are Outstanding and unpaid, an assessment to pay the Annual Collection Costs incurred by the City in the administration and operation of the District. The portion of each Annual Installment of a Major Improvement Area Assessment used to pay such Annual Collection Costs shall remain in effect from year to year until all Bonds Similarly Secured are finally paid or until the City adjusts the amount of the levy after an annual review in any year pursuant to Section 372.013 of the PID Act. The amount collected to pay the Annual Collection Costs shall be due in the manner set forth in the Assessment Ordinance on October 1 of each year and shall be delinquent if not paid by February 1 of the following year. Such assessments to pay expenses do not secure repayment of the Bonds Similarly Secured.

There will be no discount for the early payment of Major Improvement Area Assessments.

Major Improvement Area Assessments, together with interest, penalties, and expense of collection and reasonable attorneys’ fees, as permitted by the Texas Tax Code, shall be a first and prior lien against the property assessed, superior to all other liens and claims, except liens or claims for State, county, school district or municipality ad valorem taxes and shall be a personal liability of and charge against the owner of the property regardless of whether the owners are named and runs with the land. The lien for Major Improvement Area Assessments and penalties and interest begins on the effective date of the Assessment Ordinance and continues until the Major Improvement Area Assessments are paid or until all Bonds Similarly Secured are finally paid.

Failure to pay an Annual Installment when due will not accelerate the payment of the remaining Annual Installments of the Major Improvement Area Assessments and such remaining Annual Installments (including interest) shall continue to be due and payable at the same time and in the same amount and manner as if such default had not occurred.

Perfected Security Interest

The lien on and pledge of the Trust Estate shall be valid and binding and fully perfected from and after the Closing Date, without physical delivery or transfer of control of the Trust Estate, the filing of the Indenture or any other act; all as provided in Texas Government Code, Chapter 1208, as amended, which applies to the issuance of the Bonds and the pledge of the Trust Estate granted by the City under the Indenture, and such pledge is therefore valid, effective and perfected from and after the Closing Date. If Texas law is amended at any time while the Bonds are Outstanding such that the pledge of the Trust Estate granted by the City under the Indenture is to be subject to the filing requirements of Texas Business and Commerce Code, Chapter 9, as amended, then in order to preserve to the registered owners of the Bonds the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Texas Business and Commerce Code, Chapter 9, as amended, and enable a filing to perfect the security interest in said pledge to occur. See “APPENDIX A — Form of Indenture.”

Pledged Revenue Fund and Project Collection Fund

The City will create under the Indenture a Pledged Revenue Fund to be held by the Trustee. On or before February 20, 2026, and on or before each August 20 and February 20 of each year thereafter while the Bonds Similarly Secured are Outstanding, the City shall transfer to the Trustee for deposit to the Pledged Revenue Fund the Pledged Revenues, other than the Pledged Revenues deposited into the Project Collection Fund by the Trustee upon the receipt from the Tax Assessor-Collectors of Hays County, Texas and Travis County, Texas. Upon the Trustee's receipt of the Pledged Revenues, including the Pledged Revenues deposited into the Project Collection Fund pursuant to the Indenture and subsequently transferred to the Pledged Revenue Fund by the Trustee pursuant to a City Certificate as described in the Indenture, the Trustee shall deposit or cause to be deposited the foregoing amounts as follows: (i) first, to the Bond Pledged Revenue Account of the Pledged Revenue Fund in an amount sufficient to pay debt service on the Bonds Similarly Secured next coming due, (ii) second, to the Reserve Account of the Reserve Fund in an amount to cause the amount in the Reserve Account to equal the Reserve Account Requirement, (iii) third, to pay other Actual Costs of the Major Improvement Area Projects as provided in the Indenture, and (iv) fourth, to pay other costs permitted by the PID Act. Notwithstanding the foregoing, the Additional Interest of the Annual Installments will only be utilized for the purposes set forth in the Indenture, and, on each March 1, beginning March 1, 2026, and on any other day set forth in a City Certificate, the amount of Additional Interest of the Annual Installments confirmed by the City pursuant to a City Certificate, will be transferred from the Pledged Revenue Fund and deposited into the Delinquency & Prepayment Reserve Account and/or the Redemption Fund, as applicable. If there are insufficient funds to make the deposit in full set forth in (i) above for the debt service payment date immediately following the required transfer date or the deposit in full set forth in (ii) above after the City transfers the Pledged Revenues to the Trustee by the dates described herein, and after the Trustee deposits all such Pledged Revenues as described herein, the City shall make additional transfers of Pledged Revenues as soon as available and practicable to the Trustee from time to time for deposit to the Pledged Revenue Fund as necessary to ensure such deposits in (i) and (ii) are made in full.

While any of the Bonds Similarly Secured are Outstanding, Hays County and Travis County acting by and through their Tax Assessor-Collectors or another taxing unit or an appraisal district, by agreement with the City, may collect Assessment Revenues on the City's behalf. If such taxing unit or appraisal district presents or otherwise tenders to the Trustee such collected Assessment Revenues for deposit on the City's behalf, the Trustee will accept such Assessment Revenues and deposit the same into the Project Collection Fund. The Trustee will, as directed by the City pursuant to a City Certificate deposit or cause to be deposited (i) all of that portion of the Assessment Revenues deposited into the Project Collection Fund that consists of the Annual Collection Costs and Delinquent Collection Costs to the Administrative Fund, and (ii) all of that portion of the Assessment Revenues deposited into the Project Collection Fund that consists of the Pledged Revenues into the Pledged Revenue Fund and shall further deposit or cause to be deposited such Pledged Revenues as described in the preceding paragraph. The City will provide such City Certificates on or before February 20, 2026 and on or before every August 20 and February 20 thereafter while the Bonds Similarly Secured are Outstanding. The Project Collection Fund is not a Pledged Fund. If there are insufficient funds to make the deposit in full set forth in (i) of the preceding paragraph for the debt service payment date immediately following the required City Certificate delivery date or the deposit in full set forth in (ii) of the preceding paragraph after the City provides a City Certificate by the dates specified in this paragraph and after the Trustee deposits all Pledged Revenues received as provided in this paragraph and the preceding paragraph, the City

will provide additional City Certificates as soon as practicable to the Trustee from time to time upon notice from the Trustee that additional Assessment Revenues have been deposited to the Project Collection Fund and the Trustee will make the transfers contemplated by this paragraph and the preceding paragraph as necessary to ensure the deposits set forth in (i) and (ii) of the preceding paragraph are made in full.

From time to time as needed to pay the obligations relating to the Bonds Similarly Secured, but no later than five (5) Business Days before each Interest Payment Date, the Trustee will withdraw from the Bond Pledged Revenue Account of the Pledged Revenue Fund and transfer to the Principal and Interest Account of the Bond Fund, an amount, taking into account any amounts then on deposit in such Principal and Interest Account and any expected transfers from the Capitalized Interest Account to the Principal and Interest Account, such that the amount on deposit in the Principal and Interest Account equals the principal (including any Sinking Fund Installments) and interest due on the Bonds Similarly Secured on the next Interest Payment Date.

The Trustee will transfer the amounts determined in writing by the City as Prepayments to the Redemption Fund promptly after deposit of such amounts into the Pledged Revenue Fund.

Upon receipt of Foreclosure Proceeds, the Trustee will transfer such amount of Foreclosure Proceeds determined in writing by the City, first to the Reserve Fund to restore any transfers from the Reserve Fund made to which the Foreclosure Proceeds relate, second, to the Delinquency & Prepayment Reserve Account to replenish the Delinquency & Prepayment Reserve Requirement, and third, to the Redemption Fund.

After satisfaction of the requirement to provide for the payment of the principal of and interest on the Bonds Similarly Secured and to fund any deficiency that may exist in the Reserve Fund, the Trustee will, at the written request of the City, transfer any Pledged Revenues remaining in the Pledged Revenue Fund to the City, pursuant to a City Certificate, which monies may be used for any lawful purpose for which Major Improvement Area Assessments may be used under the PID Act.

Bond Fund

On each Interest Payment Date, the Trustee will withdraw from the Principal and Interest Account and transfer to the Paying Agent/Registrar the principal (including any Sinking Fund Installments) and/or interest then due and payable on the Bonds Similarly Secured, less any amount to be used to pay interest on the Bonds Similarly Secured on such Interest Payment Date from the Capitalized Interest Account.

If amounts in the Principal and Interest Account are insufficient for the purposes set forth above, the Trustee will withdraw from the Reserve Fund amounts to cover the amount of such insufficiency. Amounts so withdrawn from the Reserve Fund will be deposited in the Principal and Interest Account and transferred to the Paying Agent/Registrar.

Moneys in the Capitalized Interest Account will be used for the payment of all interest due on the Bonds on September 1, 2025, March 1, 2026 and September 1, 2026. Any amounts on deposit in the Capitalized Interest Account after the payment of interest on the dates and in the amounts listed above will be transferred to the Project Fund, or if the Project Fund has been closed as provided in the Indenture, such amounts will be transferred to the Redemption Fund to be used to redeem Bonds and the Capitalized Interest Account will be closed.

If, after the foregoing transfers and any transfer from the Reserve Fund as provided below, there are insufficient funds to make the payments provided above, the Trustee will apply the available funds in the Principal and Interest Account first to the payment of interest, then to the payment of principal (including any Sinking Fund Installments) on the Bonds Similarly Secured.

Project Fund

Money on deposit in the Project Fund shall be used for the purposes specified in the Indenture.

Disbursements from the Costs of Issuance Account of the Project Fund shall be made by the Trustee to pay costs of issuance of the Bonds Similarly Secured pursuant to the instructions on the memorandum to be prepared by

the underwriter for the Bonds Similarly Secured as of the Closing Date for the respective series of Bonds Similarly Secured.

Disbursements from the Major Improvement Area Improvement Account of the Project Fund to pay Actual Costs shall be made by the Trustee upon receipt by the Trustee of a properly executed and completed Certification for Payment (as defined in the Indenture). Each such Certification for Payment shall include a list of the payees and the payments to be made to such payees as well as a statement that all payments shall be made by check or wire transfer in accordance with the payment instructions set forth in such written request and the Trustee may rely on such payment instructions though given by the City with no duty to investigate or inquire as to the authenticity of or authorization for the invoice or the payment instructions contained therein. The disbursement of funds from the Major Improvement Area Improvement Account shall be pursuant to and in accordance with the disbursement procedures described in the Major Improvement Area Reimbursement Agreement or as provided in such written direction. Such provisions and procedures related to such disbursement contained in the Major Improvement Area Reimbursement Agreement and no other provisions of the Major Improvement Area Reimbursement Agreement, are therein incorporated by reference and deemed set forth therein in full. See “APPENDIX A – Form of Indenture” and “APPENDIX F – Form of Major Improvement Area Reimbursement Agreement.”

Except as provided below, money on deposit in the Major Improvement Area Improvement Account shall be used solely to pay Actual Costs provided the Trustee shall have no responsibility for the application of any funds disbursed from the Major Improvement Area Improvement Account in reliance upon a Certification for Payment approved by the City.

If the City Representative determines in the City Representative's reasonable discretion that amounts then on deposit in the Major Improvement Area Improvement Account of the Project Fund are not expected to be expended for purposes of the Major Improvement Area Improvement Account due to the abandonment, or constructive abandonment, of one or more of the Major Improvement Area Improvements such that, in the reasonable opinion of the City Representative, it is unlikely that the amounts in the Major Improvement Area Improvement Account of the Project Fund will ever be expended for the purposes of the Major Improvement Area Improvement Account, the City Representative shall file a City Certificate with the Trustee, and provide a copy of such City Certificate to the Developers prior to filing with the Trustee, which identifies the amounts then on deposit in the Major Improvement Area Improvement Account of the Project Fund that are not expected to be used for purposes of the Major Improvement Area Improvement Account. If such City Certificate is so filed, the amounts on deposit in the Major Improvement Area Improvement Account of the Project Fund shall be transferred to the Redemption Fund to redeem Bonds Similarly Secured on the earliest practicable date after notice of redemption has been provided in accordance with the Indenture. Upon such transfers, the Major Improvement Area Improvement Account of the Project Fund shall be closed.

Upon the filing of a City Certificate stating that all of the Major Improvement Area Improvements have been completed and that all Actual Costs have been paid, or that any Actual Costs of the Major Improvement Area Improvements are not required to be paid from the Major Improvement Area Improvement Account of the Project Fund pursuant to a Certification for Payment, the Trustee shall transfer the amount, if any, remaining within the Major Improvement Area Improvement Account of the Project Fund to the Bond Fund or to the Redemption Fund as directed by the City Representative in a City Certificate filed with the Trustee. Upon such transfers, the Major Improvement Area Improvement Account of the Project Fund shall be closed.

Upon the Trustee's receipt of a written determination by the City Representative that all costs of issuance of the applicable series of Bonds Similarly Secured have been paid, any amounts remaining in the Costs of Issuance Account shall be transferred to (i) the Major Improvement Area Improvement Account in the Project Fund and used to pay Actual Costs of the Major Improvement Area Improvements or (ii) if no Major Improvement Area Improvements remain to be funded, to the Principal and Interest Account of the Bond Fund and used to pay principal on the Bonds, as directed in a City Certificate filed with the Trustee and the Costs of Issuance Account shall be closed.

Reserve Fund

Pursuant to the Indenture, a Reserve Account will be created within the Reserve Fund for the benefit of the Bonds Similarly Secured and held by the Trustee and will be funded with proceeds of the Bonds in the amount of the

initial Reserve Account Requirement. Pursuant to the Indenture, the “Reserve Account Requirement” for the Bonds shall be an amount equal to the least of: (i) Maximum Annual Debt Service on the Bonds Similarly Secured as of the date of issuance, (ii) 125% of average Annual Debt Service on the Bonds Similarly Secured as of the date of issuance of the applicable series of Bonds Similarly Secured, and (iii) 10% of the proceeds of the Bonds Similarly Secured; provided, however, that such amount shall be reduced as a result of (1) an optional redemption or (2) an extraordinary optional redemption, and any such reduction in the Reserve Account Requirement shall be by a percentage equal to the pro rata principal amount of Bonds Similarly Secured redeemed by such redemption divided by the total principal amount of the Outstanding Bonds Similarly Secured prior to such redemption. As of the date of issuance of the Bonds, the Reserve Account Requirement is \$ _____, which is an amount equal to Maximum Annual Debt Service on the Bonds as of their date of issuance. See “SECURITY FOR THE BONDS SIMILARLY SECURED – Additional Obligations or Other Liens” herein.

As described above, the Trustee will transfer from the Bond Pledged Revenue Account of the Pledged Revenue Fund to the Delinquency & Prepayment Reserve Account on March 1 of each year, commencing March 1, 2026, and on any other day set forth in a City Certificate, an amount equal to the Additional Interest until the Delinquency & Prepayment Reserve Requirement has been accumulated in the Delinquency & Prepayment Reserve Account. Once the Delinquency & Prepayment Reserve Requirement has accumulated in the Delinquency & Prepayment Reserve Account, any amounts in excess of the Delinquency & Prepayment Reserve Requirement shall be transferred by the Trustee to the Redemption Fund to redeem Bonds Similarly Secured as provided in the Indenture, however, that at any time the amount on deposit in the Delinquency & Prepayment Reserve Account is less than Delinquency & Prepayment Reserve Requirement, the Trustee shall resume depositing such Additional Interest into the Delinquency & Prepayment Reserve Account until the Delinquency & Prepayment Reserve Requirement has accumulated in the Delinquency & Prepayment Reserve Account.

Whenever a transfer is made from an Account of the Reserve Fund to the Bond Fund due to a deficiency in the Bond Fund, the Trustee shall provide written notice thereof to the City, specifying the amount withdrawn and the source of said funds.

In the event of an extraordinary optional redemption of Bonds Similarly Secured, the Trustee, pursuant to written directions from the City, shall transfer from the Reserve Account of the Reserve Fund to the Redemption Fund the amount specified in such directions, which shall be an amount equal to the principal amount of Bonds Similarly Secured to be redeemed multiplied by the lesser of: (i) the amount required to be in the Reserve Account of the Reserve Fund divided by the principal amount of Outstanding Bonds Similarly Secured prior to the redemption, and (ii) the amount actually in the Reserve Account of the Reserve Fund divided by the principal amount of Outstanding Bonds Similarly Secured prior to the redemption. If after such transfer, and after applying investment earnings on the Prepayment toward payment of accrued interest, there are insufficient funds to pay the principal amount plus accrued and unpaid interest on such Bonds Similarly Secured to the date fixed for redemption of the Bonds Similarly Secured to be redeemed as a result of such Prepayment, the Trustee shall transfer an amount equal to the shortfall and/or any additional amounts necessary to permit the Bonds Similarly Secured to be redeemed in minimum principal amounts of \$1,000, from the Delinquency & Prepayment Reserve Account to the Redemption Fund to be applied to the redemption of the Bonds Similarly Secured.

Whenever, on any Interest Payment Date, or on any other date at the request of a City Representative, the value of cash and Value of Investment Securities on deposit in the Reserve Account exceeds the Reserve Account Requirement, the Trustee shall provide written notice to the City Representative of the amount of the excess. Such excess shall be transferred to the Principal and Interest Account to be used for the payment of interest on the Bonds Similarly Secured on the next Interest Payment Date in accordance with the Indenture, unless prior to the next Interest Payment Date, the Trustee receives a City Certificate instructing the Trustee to apply such excess: (i) to pay amounts due under as Rebatable Arbitrage, (ii) to the Administrative Fund in an amount not more than the Annual Collection Costs for the Bonds Similarly Secured or (iii) to the Major Improvement Area Improvement Account of the Project Fund to pay Actual Costs of the Major Improvement Area Improvements if such application and the expenditure of funds is expected to occur within three years of the Closing Date.

Whenever, on any Interest Payment Date, or on any other date at the written request of the City Representative, the amount in the Delinquency & Prepayment Reserve Account exceeds the Delinquency &

Prepayment Reserve Requirement, the Trustee shall provide written notice to the City of the amount of the excess, and the Trustee shall transfer such excess pursuant to the Indenture.

Whenever, on any Interest Payment Date, the amount on deposit in the Bond Fund is insufficient to pay the debt service on the Bonds Similarly Secured due on such date, the Trustee shall transfer first from the Delinquency & Prepayment Reserve Account of the Reserve Fund, and second from the Reserve Account of the Reserve Fund to the Bond Fund the amounts necessary to cure such deficiency.

At the final maturity of the Bonds Similarly Secured, the amount on deposit in the Reserve Account and the Delinquency & Prepayment Reserve Account shall be transferred to the Principal and Interest Account and applied to the payment of the principal of the Bonds Similarly Secured.

If, after a Reserve Account withdrawal, the amount on deposit in the Reserve Account is less than the Reserve Account Requirement, the Trustee shall transfer from the Pledged Revenue Fund to the Reserve Account the amount of such deficiency, but only to the extent that such amount is not required for the timely payment of principal, interest, or Sinking Fund Installments.

If the amount held in the Reserve Fund together with the amount held in the Pledged Revenue Fund, the Bond Fund and Redemption Fund is sufficient to pay the principal amount of all Outstanding Bonds Similarly Secured on the next date the Bonds Similarly Secured may be optionally redeemed by the City at a redemption price of par, together with the unpaid interest accrued on such Bonds Similarly Secured as of such date, the moneys shall be transferred to the Redemption Fund and thereafter used to redeem all Bonds Similarly Secured on such date.

Administrative Fund

On or before February 20, 2026, and on or before each August 20 and February 20 of each year thereafter while the Bonds Similarly Secured are Outstanding, the City shall deposit or cause to be deposited to the Administrative Fund the portion of the Major Improvement Area Assessments and Annual Installments allocated to the payment of Annual Collection Costs and Delinquent Collection Costs, as set forth in the Service and Assessment Plan, other than the Annual Collection Costs and Delinquent Collection Costs deposited into the Project Collection Fund, which amounts shall be deposited in accordance with the Indenture, as applicable.

Moneys in the Administrative Fund shall be held by the Trustee separate and apart from the other Funds created and administered under the Indenture and used as directed by a City Certificate solely for the purposes set forth in the Service and Assessment Plan, including payment of Annual Collection Costs and Delinquent Collection Costs or may be withdrawn by the Trustee without further authorization for the payment of the fees, expenses, advances and indemnities owed to the Trustee in accordance with the Indenture. See "APPENDIX B — Form of Service and Assessment Plan."

THE ADMINISTRATIVE FUND IS NOT PART OF THE TRUST ESTATE AND IS NOT SECURITY FOR THE BONDS SIMILARLY SECURED.

Defeasance

Any Outstanding Bonds Similarly Secured shall, prior to the Stated Maturity or redemption date thereof, be deemed to have been paid and no longer Outstanding within the meaning of the Indenture (a "Defeased Debt"), when payment of the principal of, premium, if any, on such Defeased Debt, plus interest thereon to the due date thereof (whether such due date be by reason of maturity, redemption, or otherwise), either (1) shall have been made in accordance with the terms thereof, or (2) shall have been provided by irrevocably depositing with the Trustee, in trust, and irrevocably set aside exclusively for such payment, (A) money sufficient to make such payment or (B) Defeasance Securities, certified by an independent public accounting firm of national reputation to mature as to principal and interest in such amount and at such times as will insure the availability, without reinvestment, of sufficient money to make such payment, and all necessary and proper fees, compensation, and expenses of the Trustee pertaining to the Bonds Similarly Secured with respect to which such deposit is made shall have been paid or the payment thereof provided for to the satisfaction of the Trustee. Neither Defeasance Securities nor moneys deposited with the Trustee pursuant to the Indenture nor principal or interest payments on any such Defeasance Securities shall be withdrawn or

used for any purpose other than, and shall be held in trust for, the payment of the principal of and interest on the Bonds Similarly Secured. Any cash received from such principal of and interest on such Defeasance Securities deposited with the Trustee, if not then needed for such purpose, shall, be reinvested in Defeasance Securities as directed by the City maturing at times and in amounts sufficient to pay when due the principal of and interest on the Bonds Similarly Secured on and prior to such redemption date or maturity date thereof, as the case may be. Any payment for Defeasance Securities purchased for the purpose of reinvesting cash as aforesaid shall be made only against delivery of such Defeasance Securities.

“Defeasance Securities” means Investment Securities then authorized by applicable law for the investment of funds to defease public securities. “Investment Securities” means those authorized investments described in the Public Funds Investment Act, Chapter 2256, Texas Government Code, as amended (the “PFIA”); and provided further such investments are, at the time made, included in and authorized by the City’s official investment policy as approved by the City Council from time to time. Under current State law, Investment Securities that are authorized for the investment of funds to defease public securities are (a) direct, noncallable obligations of the United States of America, including obligations that are unconditionally guaranteed by the United States of America; (b) noncallable obligations of an agency or instrumentality of the United States, including obligations that are unconditionally guaranteed or insured by the agency or instrumentality, and that, on the date the governing body of the City adopts or approves the proceedings authorizing the issuance of refunding bonds, are rated as to investment quality by a nationally recognized investment rating firm not less than “AAA” or its equivalent; and (c) noncallable obligations of a state or an agency or a county, municipality, or other political subdivision of a state that have been refunded and that, on the date the governing body of the City adopts or approves the proceedings authorizing the issuance of refunding bonds, are rated as to investment quality by a nationally recognized investment rating firm not less than “AAA” or its equivalent.

There is no assurance that the current law will not be changed in a manner which would permit investments other than those described above to be made with amounts deposited to defease the Bonds. Because the Indenture does not contractually limit such investments, Owners may be deemed to have consented to defeasance with such other investments, notwithstanding the fact that such investments may not be of the same investment quality as those currently permitted under State law. There is no assurance that the ratings for U.S. Treasury securities used as Defeasance Securities or that for any other Defeasance Security will be maintained at any particular rating category.

Events of Default

Each of the following occurrences or events constitutes an “Event of Default” under the Indenture:

1. The failure of the City to deposit the Pledged Revenues to the Pledged Revenue Fund;
2. The failure of the City to enforce the collection of the Major Improvement Area Assessments including the prosecution of foreclosure proceedings;
3. Default in the performance or observance of any covenant, agreement or obligation of the City under the Indenture other than a default under (1) above or (4) below, and the continuation thereof for a period of ninety (90) days after written notice specifying such default and requiring same to be remedied shall have been given to the City by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Holders of at least a majority of the aggregate Outstanding principal of the Bonds Similarly Secured so affected by such Event of Default; and
4. The failure to make payment of the principal of or interest on any of the Bonds Similarly Secured when the same becomes due and payable and such failure is not remedied within thirty (30) days thereafter; provided, however, that the payments are to be made only from Pledged Revenues or other funds currently available in the Pledged Funds and available to the City to make any such payments.

Remedies in Event of Default

Subject to the provisions of the Indenture, upon the happening and continuance of any of the Events of Default described above, then and in every such case the Trustee may proceed, and upon the written request of the Holders of at least a Quarter in Interest of the Bonds Similarly Secured then Outstanding and so affected by such Event of Default, and its receipt of indemnity satisfactory to it, shall proceed, to protect and enforce the rights of the Holders under the Indenture, by action seeking mandamus or by other suit, action, or special proceeding in equity or

at law, in any court of competent jurisdiction, for any relief to the extent permitted by Applicable Laws, including, but not limited to, the specific performance of any covenant or agreement contained herein, or injunction; provided, however, that no action for money damages against the City may be sought or shall be permitted.

THE PRINCIPAL OF THE BONDS SIMILARLY SECURED SHALL NOT BE SUBJECT TO ACCELERATION UNDER ANY CIRCUMSTANCES.

Whenever moneys are to be applied pursuant to the Indenture, irrespective of and whether other remedies authorized under the Indenture shall have been pursued in whole or in part, the Trustee may cause any or all of the assets of the Trust Estate, including Investment Securities, to be sold. The Trustee may so sell the assets of the Trust Estate and all right, title, interest, claim and demand thereto and the right of redemption thereof, in one or more parts, at any such place or places, and at such time or times and upon such notice and terms as the Trustee may deem appropriate and as may be required by law and apply the proceeds thereof in accordance with the provisions described herein. The Trustee shall sell Trust Estate assets, according to the appraised value thereof, beginning with the asset of the highest value and continuing such sales in the order of next succeeding most valuable asset until satisfaction of debts pertaining to the outstanding Bonds Similarly Secured. Upon such sale, the Trustee may make and deliver to the purchaser or purchasers a good and sufficient assignment or conveyance for the same, which sale shall be a perpetual bar both at law and in equity against the City, and all other Persons claiming such properties. No purchaser at any sale shall be bound to see to the application of the purchase money proceeds thereof or to inquire as to the authorization, necessity, expediency, or regularity of any such sale. Nevertheless, if so requested by the Trustee, the City shall ratify and confirm any sale or sales by executing and delivering to the Trustee or to such purchaser or purchasers all such instruments as may be necessary or, in the judgment of the Trustee, proper for the purpose which may be designated in such request.

If an Event of Default occurred and is continuing, the City, upon demand of the Trustee, shall surrender the possession of, and it shall be lawful for the Trustee, by such officer or agent as it may appoint, to take possession of all or any part of the Trust Estate, together with the books, papers, and accounts of the City pertaining thereto, and including the rights and the position of the City, and to hold, operate, and manage the same, and from time to time make all needed repairs and improvements, as well as set up proper reserve for the payment of all proper costs and expenses, holding and managing the same, including (i) reasonable compensation to the Trustee, its agents, and counsel, (ii) any reasonable charges of the Trustee under the Indenture, (iii) any taxes and assessments and other charges prior to the lien of the of Indenture, and (iv) all expenses of such repairs and improvements. After payment in full of the foregoing, the Trustee shall surrender possession of the Trust Estate to the City, its successors or assigns.

Restriction on Holder's Actions

No Holder shall have any right to institute any action, suit or proceeding at law or in equity for the enforcement of the Indenture or for the execution of any trust thereof or any other remedy hereunder, unless (i) a default has occurred and is continuing of which the Trustee has actual knowledge thereof or has been notified in writing as provided in the Indenture, or of which it is deemed to have notice, (ii) such default has become an Event of Default and the Holders of at least a Quarter in Interest of the Bonds Similarly Secured then Outstanding and so affected by such Event of Default have made written request to the Trustee and offered it reasonable opportunity either to proceed to exercise the powers hereinbefore granted or to institute such action, suit or proceeding in its own name, (iii) the Holders have furnished to the Trustee indemnity as provided in the Indenture, (iv) the Trustee has for 60 days after such notice failed or refused to exercise the powers hereinbefore granted, or to institute such action, suit, or proceeding in its own name, (v) no direction inconsistent with such written request has been given to the Trustee during such 60-day period by the Holders of at least a Quarter in Interest of the Bonds Similarly Secured then Outstanding and so affected by such Event of Default, and (vi) notice of such action, suit, or proceeding is given to the Trustee; however, no one or more Holders of the Bonds Similarly Secured shall have any right in any manner whatsoever to affect, disturb, or prejudice the Indenture by its, his, or their action or to enforce any right thereunder except in the manner provided therein, and that all proceedings at law or in equity shall be instituted and maintained in the manner provided therein and for the equal benefit of the Holders of all Bonds Similarly Secured then Outstanding. The notification, request and furnishing of indemnity set forth above shall, at the option of the Trustee, be conditions precedent to the execution of the powers and trusts of the Indenture and to any action or cause of action for the enforcement of the Indenture or for any other remedy thereunder.

Subject to certain provisions of the Indenture, nothing in the Indenture shall affect or impair the right of any Holder to enforce, by action at law, payment of any Bond Similarly Secured at and after the maturity thereof, or on the date fixed for redemption or the obligation of the City to pay each Bond Similarly Secured issued thereunder to the respective Holders thereof at the time and place, from the source and in the manner expressed therein and in the Bonds Similarly Secured.

In case the Trustee or any Holders of Bonds Similarly Secured shall have proceeded to enforce any right under the Indenture and such proceedings shall have been discontinued or abandoned for any reason or shall have been determined adversely to the Trustee or any Holders of Bonds Similarly Secured, then and in every such case the City, the Trustee and the Holders of Bonds Similarly Secured shall be restored to their former positions and rights thereunder, and all rights, remedies and powers of the Trustee shall continue as if no such proceedings had been taken.

Application of Revenues and Other Moneys After Event of Default

All moneys, securities, funds and Pledged Revenues and other assets of the Trust Estate and the income therefrom received by the Trustee pursuant to any right given or action taken under the provisions of the Indenture shall, after payment of the cost, liabilities, advances and expenses of the proceedings resulting in the collection of such amounts, the expenses (including its counsel), liabilities, and advances incurred or made by the Trustee and the fees of the Trustee in carrying out the Indenture, during the continuance of an Event of Default, be applied by the Trustee, on behalf of the City, to the payment of interest and principal or Redemption Price then due on Bonds Similarly Secured, as follows:

FIRST: To the payment to the Holders entitled thereto all installments of interest then due in the direct order of maturity of such installments, and, if the amount available shall not be sufficient to pay in full any installment, then to the payment thereof ratably, according to the amounts due on such installment, to the Holders entitled thereto, without any discrimination or preference; and

SECOND: To the payment to the Holders entitled thereto of the unpaid principal of Outstanding Bonds Similarly Secured, or Redemption Price of any Bonds Similarly Secured which shall have become due, whether at maturity or by call for redemption, in the direct order of their due dates and, if the amounts available shall not be sufficient to pay in full all the Bonds Similarly Secured due on any date, then to the payment thereof ratably, according to the amounts of principal or Redemption Price due and to the Holders entitled thereto, without any discrimination or preference.

Within thirty (30) days of receipt of such good and available funds, the Trustee may fix a record date and a payment date for any payment to be made to Holders of Bonds Similarly Secured.

In the event funds are not adequate to cure any of the Events of Default described above, the available funds shall be allocated to the Bonds Similarly Secured that are Outstanding in proportion to the quantity of Bonds Similarly Secured that are currently due and in default under the terms of the Indenture.

The restoration of the City to its prior position after any and all defaults have been cured, as provided above, shall not extend to or affect any subsequent default under the Indenture or impair any right consequent thereon.

Investment or Deposit of Funds

Money in any Fund or Account, other than the Reserve Account, shall be invested by the Trustee as directed by the City pursuant to a City Certificate filed with the Trustee in Investment Securities; provided that all such deposits and investments shall be made in such manner that the money required to be expended from any Fund or Account will be available at the proper time or times. Money in the Reserve Account shall be invested in such Investment Securities as directed by the City pursuant to a City Certificate filed with the Trustee, provided that the final maturity of any individual Investment Security shall not exceed 270 days and the average weighted maturity of any investment pool or no-load money market mutual fund shall not exceed 90 days. Each such City Certificate shall be a certification that the investment directed therein constitutes an Investment Security and that such investments meet the maturity and average weighted maturity requirements set forth in the preceding sentence and the Trustee shall not be responsible for determining such requirements. Such investments shall be valued each year in terms of the Value of Investment

Securities as of September 30. For purposes of maximizing investment returns, to the extent permitted by law, money in the Funds and Accounts may be invested in common investments of the kind described above, or in a common pool of such investment which shall be kept and held at an official depository bank, which shall not be deemed to be or constitute a commingling of such money or funds provided that safekeeping receipts or certificates of participation clearly evidencing the investment or investment pool in which such money is invested and the share thereof purchased with such money or owned by such Fund or Account are held by or on behalf of each such Fund or Account. If necessary, such investments shall be promptly sold, in order to make the disbursements required or permitted by the Indenture, to prevent any default under the Indenture. To insure that cash on hand is invested, if the City does not give the Trustee written or timely instructions with respect to investments of funds, the Trustee shall invest and re-invest cash balances pursuant to the Indenture.

Obligations purchased as an investment of moneys in any Fund or Account shall be deemed to be part of such Fund or Account, subject, however, to the requirements of the Indenture for transfer of interest earnings and profits resulting from investment of amounts in Funds and Accounts. Whenever in the Indenture any moneys are required to be transferred by the City to the Trustee, such transfer may be accomplished by transferring a like amount of Investment Securities as determined and directed in writing by the City.

Against Encumbrances

The City shall not create and shall not suffer to remain, any lien, encumbrance or charge upon the Trust Estate or upon any other property pledged under the Indenture, except the pledge created for the security of the Bonds Similarly Secured, and other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds Similarly Secured.

So long as Bonds Similarly Secured are Outstanding under the Indenture or Refunding Bonds, the City shall not issue any bonds, notes or other evidences of indebtedness, other than the Bonds Similarly Secured, secured by any pledge of or other lien or charge on the Pledged Revenues or other property pledged under the Indenture or Refunding Bonds, other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds Similarly Secured.

Additional Obligations or Other Liens; Refunding Bonds; Future Improvement Area Bonds

The City reserves the right to issue additional obligations under other indentures, assessment ordinances, or similar agreements or other obligations which do not constitute or create a lien on any portion of the Trust Estate and are not payable from the Trust Estate.

Other than Refunding Bonds, the City will not create or voluntarily permit to be created any debt, lien or charge on the Trust Estate, and will not do or omit to do or suffer to be done or omit to be done any matter or things whatsoever whereby the lien of the Indenture or the priority hereof might or could be lost or impaired; and further covenants that it will pay or cause to be paid or will make adequate provisions for the satisfaction and discharge of all lawful claims and demands which if unpaid might by law be given precedence over or any equality with the Indenture as a lien or charge upon the Trust Estate; provided, however, that nothing described herein shall require the City to apply, discharge, or make provision for any such lien, charge, claim, or demand so long as the validity thereof shall be contested by it in good faith, unless thereby, in the opinion of counsel to the Trustee, the same would endanger the security for the Bonds Similarly Secured.

Additionally, the City has reserved the right to issue bonds or other obligations secured by and payable from Pledged Revenues so long as such pledge is subordinate to the pledge of Pledged Revenues securing payment of the Bonds Similarly Secured.

The City reserves the right to issue Refunding Bonds, the proceeds of which would be utilized to refund all or any portion of the Outstanding Bonds or Outstanding Refunding Bonds and to pay all costs incident to the Refunding Bonds, as authorized by the laws of the State, and in accordance with the conditions set forth below:

- (i) Notwithstanding anything to the contrary in the Indenture, no Refunding Bonds may be issued by the City unless: (1) the principal (including any principal amounts to be redeemed on a mandatory

sinking fund redemption date) of such Refunding Bonds is scheduled to mature on September 1 of the years in which principal is scheduled to mature and (2) the interest on such Refunding Bonds must be scheduled to be paid on March 1 and September 1 of the years in which interest is scheduled to be paid. The date, rate or rates of interest on, interest payment dates, maturity dates, redemption and all other terms and provisions of Refunding Bonds shall be set forth in a Supplemental Indenture; and

- (ii) Upon their authorization by the City, the Refunding Bonds of a series issued as described herein shall be issued and shall be delivered to the purchasers or owners thereof, but before, or concurrently with, the delivery of said Refunding Bonds to such purchasers or owners there shall have been filed with the Trustee (1) a copy, certified by the City Clerk, of the ordinance or ordinances of the City authorizing the issuance, sale, execution and delivery of the Refunding Bonds and the execution and delivery of a Supplemental Indenture establishing, among other things, the date, rate or rates of interest on, interest payment dates, maturity dates, redemption and all other terms and provisions of such Refunding Bonds, and (2) an original executed counterpart of the Supplemental Indenture for such Refunding Bonds.

Future Improvement Area Bonds may be issued to fund and/or to reimburse the Developers for funding the costs of internal Future Improvement Area Improvements within a Future Improvement Area. The Developers may request that the City issue Future Improvement Area Bonds; provided, however, that no Future Improvement Area Bonds shall be issued unless such Future Improvement Area Bonds are made to mature on September 1 in each of the years in which they are scheduled to mature, and the applicable requirements in this described in this subsection are met:

- (i) The Trustee shall receive a certificate from the City Representative certifying that the City is not in default in the performance and observance of any of the terms, provisions and conditions applicable to the City contained in this Indenture or any indenture of trust authorizing the issuance of Future Improvement Area Bonds for the District;
- (ii) The Trustee and the City shall receive a certificate from the Landowners, through an authorized representative, certifying that the Landowners is not in default beyond any applicable notice and cure period in the performance and observance of any of the terms, provisions and conditions applicable to the Landowners contained in the Development Agreement applicable to the District or any continuing disclosure agreement entered into by the Developers relating to the District, unless any defaults under the foregoing agreements (except for defaults under any continuing disclosure agreements entered into by the Developers which defaults shall be cured) are disclosed in a certificate from the Developers to the City and the City Council elects to proceed with the issuance of the Future Improvement Area Bonds regardless of the existence of such default or defaults;
- (iii) The Trustee and the City shall receive a certificate from the Administrator certifying that there is no default by the Landowners or any owner of more than five percent (5%) of the assessed parcels in the applicable Future Improvement Area for failure to pay special assessments or ad valorem taxes on assessed parcels in such Future Improvement Area owed by the Landowners or such owner prior to the delinquency date thereof;
- (iv) With respect to Future Improvement Area Bonds issued for the next subsequent Improvement Area following the issuance of the Improvement Area #1 Bonds, the Trustee and the City shall receive a certificate from the Developer certifying that at least seventy-five percent (75%) of the assessed parcels in such Future Improvement Area, for which Future Improvement Area Bonds will be issued, are under contract with merchant builder(s) or real estate developer(s) for sale to end users;
- (v) With respect to Future Improvement Area Bonds issued for the Improvement Areas thereafter:
 - (a) the Trustee and the City shall receive a certificate from the Developer certifying that (A) a certificate of occupancy for completed homes has been issued for at least forty percent (40%) of the lots or residential units, as applicable, in the preceding

Improvement Areas, and (B) at least seventy-five percent (75%) of the residential lots to be assessed in such Future Improvement Area, for which Future Improvement Area Bonds will be issued, are under contract with merchant builder(s) or real estate developer(s) for sale to end users; and

- (b) the Trustee and City shall receive an appraisal delivered by an independent appraiser evidencing that the Value to Lien Ratio of each individual assessed parcel in the Future Improvement Area for which Future Improvement Area Bonds will be issued is not less than 2:1.

OVERLAPPING TAXES AND DEBT

Overlapping Taxes and Debt

The land within the Major Improvement Area of the District has been, and is expected to continue to be, subject to taxes and assessments imposed by taxing entities other than the City. Such taxes are payable in addition to the Major Improvement Area Assessments levied by the City.

In addition to the City, Hays County, Travis County, Northeast Hays County ESD #2, Hays County Fire ESD #8, Hays Consolidated Independent School District, Austin Community College District, Hays County Special Road District, Austin ISD, Travis County Healthcare District, and Travis County ESD #5 may each levy ad valorem taxes upon land in Improvement Area #1 of the District for payment of debt incurred by such governmental entities and/or for payment of maintenance and operations expenses. The City has no control over the level of ad valorem taxes or special assessments levied by such other taxing authorities. The District is located within the corporate limits and extraterritorial jurisdiction of the City and within Hays County, Texas.

The following tables reflect the estimated overlapping ad valorem tax rates and overlapping indebtedness payable from ad valorem taxes with respect to property within Major Improvement Area of the District, as well as City debt secured by the Major Improvement Area Assessments, after delivery of the Bonds.

Agricultural Valuation

If land is devoted principally to agricultural use, the landowner can apply for an agricultural valuation on the property and pay ad valorem taxes based on the land’s agricultural value. Agricultural use includes production of crops or livestock. It also can include leaving the land idle for a government program or for normal crop or livestock rotation.

If land qualified for an agricultural valuation and the land use changes to a non-agricultural use, “rollback taxes” are assessed for each of the previous five years in which the land received the lower agricultural valuation. The rollback tax is the difference between taxes paid on land’s agricultural value and the taxes that the landowner would have paid if the land had been taxed on a higher market value plus interest charged for each year from the date on which taxes would have been due. If the land use changes to a non-agricultural use on only a portion of a larger tract, the landowner can fence off the remaining land and maintain the agricultural valuation on the remaining land. In this scenario, the landowner would only be responsible for rollback taxes on that portion of the land where use changed and not the entire tract. The Major Improvement Area Improvements will not result in rollback taxes being paid.

Land in the District is designated for agricultural use. The Landowners will waive their rights to redemption and waiver of agricultural valuation pursuant to an agricultural redemption agreement. The land will be removed by phases at the time development commences in each phase. None of the land in the District is subject to grazing or agricultural leases.

Homeowners’ Association

In addition to the Major Improvement Area Assessments described above, the Developers anticipate that each lot owner in the Major Improvement Area of the District will pay a maintenance and operation fee and/or a property owner’s association fee annually to a homeowner’s association (the “HOA”).

ASSESSMENT PROCEDURES

General

Capitalized terms used under this caption and not otherwise defined in this Limited Offering Memorandum shall have the meanings given to such terms in the Service and Assessment Plan. As required by the PID Act, when the City determined to defray a portion of the costs of the Major Improvement Area Projects through Major Improvement Area Assessments, it adopted a resolution generally describing the Major Improvement Area Projects and the land within Major Improvement Area of the District to be subject to Major Improvement Area Assessments to pay the cost therefor. The City has caused an assessment roll to be prepared (the “Major Improvement Area Assessment Roll”), which Major Improvement Area Assessment Roll shows the Major Improvement Area Assessed Property, the amount of the benefit to and the Major Improvement Area Assessment against each lot or parcel of land. The Major Improvement Area Assessment Roll was filed with the City Clerk and made available for public inspection. Statutory notice was given to the owners of the property to be assessed and a public hearing will be conducted to hear testimony from affected property owners as to the propriety and advisability of undertaking the Major Improvement Area Projects and funding a portion of the same with Major Improvement Area Assessments. The City expects to levy the Major Improvement Area Assessments and adopt the Assessment Ordinance immediately prior to adopting the Bond Ordinance. After such adoption, the Major Improvement Area Assessments will become legal, valid and binding liens upon the Major Improvement Area Assessed Property.

Under the PID Act, the Actual Costs (as defined in the Service and Assessment Plan) of the Major Improvement Area Projects may be assessed by the City against the Major Improvement Area Assessed Property so long as the special benefit conferred upon the assessed property in the Major Improvement Area (the “Major Improvement Area Assessed Property”) by the Major Improvement Area Projects equals or exceeds the Major Improvement Area Assessments. The costs of the Major Improvement Area Projects may be assessed using any methodology that results in the imposition of equal shares of cost on Major Improvement Area Assessed Property similarly benefited. The allocation of benefits and assessments to the benefitted land within the District, including land in the Major Improvement Area, is set forth in the Service and Assessment Plan, which should be read in its entirety. See “APPENDIX B — Form of Service and Assessment Plan.”

Assessment Methodology

The Service and Assessment Plan describes the special benefit to be received by each parcel of assessable property as a result of the Major Improvement Area Projects, provides the basis and justification for the determination that such special benefit exceeds the Major Improvement Area Assessments being levied, and establishes the methodology by which the City allocates the special benefit of the Major Improvement Area Projects to parcels in a manner that results in equal shares of costs being apportioned to parcels similarly benefited. As described in the Service and Assessment Plan, a portion of the costs of the Major Improvement Area Projects are being funded with proceeds of the Bonds, which are payable from and secured by Pledged Revenues, including the Assessment Revenues. As set forth in the Service and Assessment Plan, the City Council has determined that the Actual Costs (as defined in the Service and Assessment Plan) associated with the Major Improvement Area Projects will be allocated to the parcels against which the Major Improvement Area Assessments are levied (the “Assessed Parcels”) by spreading the entire Assessment across all Assessed Parcels within Major Improvement Area of the District on the ratio of estimated build-out value of each Assessed Parcel to the estimated build-out value for all Assessed Parcels within Major Improvement Area of the District.

The following table provides the proposed allocation of the Major Improvement Area Assessments and the estimated value to lien ratio for the Major Improvement Area.

- (1) Preliminary; subject to change.
 - (2) Based on estimates provided by the Developers.
 - (3) The Estimated Average Base Home Price is provided by the Developers. No assurances can be given that projected home prices and buildout values will be realized. Home prices in the Appraisal may differ.
 - (4) Preliminary Estimate - Based on the assumption of a maximum Tax Rate Equivalent of \$1.25 per lot. The Maximum Assessment and Estimated Buildout Value for future improvement areas within the Major Improvement Area will be finalized as they are developed.

The City has created the TIRZ and expects to adopt the TIRZ Project and Finance Plan providing for the TIRZ Credit to reduce a portion of the Annual Installment, to the extent the City institutes an ad valorem tax, as described under “SECURITY FOR THE BONDS SIMILARLY SECURED – TIRZ No. 3 Revenues May Reduce Assessments.” The Annual Installment for each Assessment levied on an Assessed Parcel shall be calculated by taking into consideration any TIRZ Credit applicable to such Assessed Parcel.

For further explanation of the Assessment methodology, see “APPENDIX B — Form of Service and Assessment Plan.”

The City has determined that the foregoing method of allocation will result in the imposition of equal shares of the Major Improvement Area Assessments on parcels similarly situated within the Major Improvement Area of the District. The Major Improvement Area Assessments and interest thereon are expected to be paid in Annual Installments as described above. The determination by the City of the assessment methodology set forth in the Service and Assessment Plan is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Developers and all future owners and developers within the District. See “APPENDIX B — Form of Service and Assessment Plan.”

Collection and Enforcement of Assessment Amounts

Under the PID Act, the Annual Installments may be collected in the same manner and at the same time as ad valorem taxes of the City. The Major Improvement Area Assessments may be enforced by the City in the same manner that an ad valorem tax lien against real property is enforced. Delinquent installments of the Major Improvement Area Assessments incur interest, penalties and attorney’s fees in the same manner as delinquent ad valorem taxes. Under the PID Act, the Assessment Lien is a first and prior lien against the property assessed, superior to all other liens and claims except liens or claims for State, county, school district or municipality ad valorem taxes. See “BONDHOLDERS’ RISKS — Assessment Limitations” herein.

In the Indenture, the City will covenant to collect, or cause to be collected, Major Improvement Area Assessments as provided in the Assessment Ordinance. No less frequently than annually, City staff or a designee of the City shall prepare, and the City Council shall approve, an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include an updated Major Improvement Area Assessment Roll and a calculation of the Annual Installment for each Assessed Parcel. Major Improvement Area Assessments for Annual Collection Costs shall be allocated among all Assessed Parcels in proportion to the amount of the Annual Installments for the Assessed Parcels.

In the Indenture, the City will covenant, agree and warrant that, for so long as any Bonds Similarly Secured are Outstanding, and amounts are due to the Developers to pay for funds they have contributed to pay Actual Costs of

the Major Improvement Area Projects, that it will take and pursue all actions permissible under Applicable Laws to cause the Major Improvement Area Assessments to be collected and the liens thereof enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws, and, to the extent permitted by Applicable Laws, to cause no reduction, abatement or exemption in the Major Improvement Area Assessments. Notwithstanding the foregoing, the City shall be permitted to reduce the Major Improvement Area Assessments by the TIRZ Credit amount pursuant to the Development Agreement, the TIRZ Reimbursement Agreement, the TIRZ Project and Finance Plan and the Service and Assessment Plan; provided, however, that no such reduction shall operate to reduce the amounts levied for the payment of the Annual Collection Costs.

To the extent permitted by law, notice of the Annual Installments will be sent by, or on behalf of the City, to the affected property owners on the same statement or such other mechanism that is used by the City, so that such Annual Installments are collected simultaneously with ad valorem taxes and shall be subject to the same penalties, procedures, and foreclosure sale in case of delinquencies as are provided for ad valorem taxes of the City.

The City will determine or cause to be determined, no later than February 15 of each year, whether or not any Annual Installment is delinquent and, if such delinquencies exist, the City will order and cause to be commenced as soon as practicable any and all appropriate and legally permissible actions to obtain such Annual Installment, and any delinquent charges and interest thereon, including diligently prosecuting an action in district court to foreclose the currently delinquent Annual Installment. Notwithstanding the foregoing, the City shall not be required under any circumstances to purchase or make payment for the purchase of the delinquent Assessment or the corresponding Assessed Parcel.

The City will implement the basic timeline and procedures for Assessment collections and pursuit of delinquencies set forth in Exhibit C of the City’s Continuing Disclosure Agreement set forth in APPENDIX D-1 and comply therewith to the extent that the City reasonably determines that such compliance is the most appropriate timeline and procedures for enforcing the payment of delinquent Major Improvement Area Assessments.

The City shall not be required under any circumstances to expend any funds for delinquent collection costs in connection with its covenants and agreements under the Indenture or otherwise other than funds on deposit in the Administrative Fund.

If and to the extent that the Major Improvement Area Assessments have been prepaid in full, the lien on the real property associated with such Prepayment shall be released, and the rights of the Trustee and Holders under the Indenture with respect to such released real property shall terminate.

Annual Installments will be paid to the City or its agent. Annual Installments are due on October 1 of each year, and become delinquent on February 1 of the following year. In the event Major Improvement Area Assessments are not timely paid, there are penalties and interest as set forth below:

<u>Date Payment</u>	<u>Cumulative</u>	<u>Cumulative</u>	<u>Total</u>
<u>Received</u>	<u>Penalty</u>	<u>Interest</u>	
February	6%	1%	7%
March	7%	2%	9%
April	8%	3%	11%
May	9%	4%	13%
June	10%	5%	15%
July	12%	6%	18%

After July, the penalty remains at 12%, and interest accrues at the rate of 1% each month. In addition, if an account is delinquent in July, a 20% attorney’s collection fee may be added to the total penalty and interest charge. In general, property subject to lien may be sold, in whole or in parcels, pursuant to court order to collect the amounts due. An automatic stay by creditors or other entities, including governmental units, could prevent governmental units from foreclosing on property and prevents liens for post-petition taxes from attaching to property and obtaining secured creditor status unless, in either case, an order lifting the stay is obtained from the bankruptcy court. In most cases, post-petition Major Improvement Area Assessments are paid as an administrative expense of the estate in bankruptcy or by order of the bankruptcy court.

Assessment Amounts

Assessment Amounts. The maximum amounts of the Major Improvement Area Assessments will be established by the methodology described in the Service and Assessment Plan. The Major Improvement Area Assessment Roll sets forth for each year the Annual Installment for each Major Improvement Area Assessed Property within Major Improvement Area consisting of the annual payment allocable to the Bonds, the Major Improvement Area Reimbursement Agreement, and the Major Improvement Area Projects for each Major Improvement Area Assessed Property, which amount includes: (1) principal; (2) interest; (3) Annual Collection Costs; and (4) Additional Interest, if applicable. The Annual Installments for the Major Improvement Area Assessments may not exceed the amounts shown on the Major Improvement Area Assessment Roll. The Major Improvement Area Assessments will be levied against the parcels within Major Improvement Area comprising the Major Improvement Area Assessed Property as indicated on the Major Improvement Area Assessment Roll. See “APPENDIX B — Form of Service and Assessment Plan.”

The Annual Installments shown on the Major Improvement Area Assessment Roll will be reduced to equal the actual costs of repaying the Bonds (which amount will include the Additional Interest component of the interest costs) and amounts due under the Major Improvement Area Reimbursement Agreement, and actual Annual Collection Costs (as provided for in the definition of such term), taking into consideration any other available funds for these costs, such as interest income on account balances. The Annual Installments shall be further reduced by any applicable TIRZ Credit.

TIRZ Credit. The City Council, in accordance with the Development Agreement and the TIRZ No. 3 Agreement, has agreed to use TIRZ No. 3 Revenues generated from each Major Improvement Area Assessed Property to reduce a portion of the principal and interest of such property’s Major Improvement Area Assessment, as applicable.

- i. The principal and interest portion of the Major Improvement Area Annual Installment for Major Improvement Area Assessed Property shall receive a TIRZ No. 3 Annual Credit Amount equal to the TIRZ No. 3 Revenue generated by the Major Improvement Area Assessed Property for the previous Tax Year (e.g. TIRZ No. 3 Revenue collected from the Major Improvement Area Assessed Property for Tax Year 2024 shall be applied as the TIRZ No. 3 Annual Credit Amount applicable to the Major Improvement Area Assessed Property’s Major Improvement Area Annual Installment to be collected in Tax Year 2025).
- ii. After the TIRZ No. 3 Annual Credit Amount is applied to provide a credit towards the principal and interest portion of the Major Improvement Area Annual Installment for the Major Improvement Area Assessed Property, any excess TIRZ No. 3 Revenues shall be used in accordance with the TIRZ No. 3 Project Plan.
- iii. The TIRZ No. 3 Maximum Annual Credit Amount for lots within the Major Improvement Area will be determined at the time of the levy of the Future Improvement Area assessment for such portion of the Major Improvement Area.

Method of Apportionment of Assessments. For purposes of the Service and Assessment Plan, the City Council has determined that the Assessments (as defined in the Service and Assessment Plan), including the Major Improvement Area Assessments, shall be initially allocated to the Parcels consisting of the Assessed Property (as defined in the Service and Assessment Plan), including the Major Improvement Area Assessed Property, based on the ratio of estimated build-out value of each Parcel of Assessed Property in the Major Improvement Area to estimated build-out value of all Parcels of Assessed Property in the Major Improvement Area.

Upon Division Prior to Recording of Subdivision Plat. Upon the division of any Assessed Property (without the recording of subdivision plat), the Administrator shall reallocate the Assessment for the Assessed Property prior to the division among the newly divided Assessed Properties according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for the newly divided Assessed Property

B = the Assessment for the Assessed Property prior to division

C = the Estimated Buildout Value of the newly divided Assessed Property

D = the sum of the Estimated Buildout Value for all of the newly divided Assessed Properties

The calculation of the Estimated Buildout Value of an Assessed Property shall be performed by the Administrator based on information from the Developers, additional homebuilders, market studies, appraisals, official public records of the County, and any other relevant information regarding the Assessed Property. The calculation as confirmed by the City Council shall be conclusive.

The sum of the Assessments for all newly divided Assessed Properties shall equal the Assessment for the Assessed Property prior to subdivision. The calculation shall be made separately for each newly divided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to the Service and Assessment Plan approved by the City Council.

Upon Subdivision by a Recorded Subdivision Plat. Upon the subdivision of any Assessed Property based on a recorded subdivision plat, the Administrator shall reallocate the Assessment for the Assessed Property prior to the subdivision among the new subdivided Lots based on Estimated Buildout Value according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the newly subdivided Lot

B = the Assessment for the Parcel prior to subdivision

C = the sum of the Estimated Average Buildout Value of all newly subdivided Lots with same Lot Type

D = the sum of the Estimated Buildout Value for all of the newly subdivided Lots excluding Non-Benefited Property

E = the number of newly subdivided Lots with the same Lot Type

Prior to the recording of a subdivision plat, the Developers shall provide the City an Estimated Buildout Value as of the date of the recorded subdivision plat for each Lot created by the recorded subdivision plat considering factors such as density, lot size, proximity to amenities, view premiums, location, market conditions, historical sales, discussions with homebuilders, and any other factors that may impact value. The calculation of the Estimated Buildout Value for a Lot shall be performed by the Administrator and confirmed by the City Council based on information provided by the Developers, additional homebuilders, third party consultants, and/or the official public records of the County regarding the Lot.

The sum of the Assessments for all newly subdivided Lots shall not exceed the Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to the Service and Assessment Plan approved by the City Council.

Upon Consolidation. If two or more Lots or Parcels are consolidated, the Administrator shall allocate the Assessments against the Lots or Parcels before the consolidation to the consolidated Lot or Parcel, which allocation shall be approved by the City Council in the next Annual Service Plan Update.

For further information about apportionment of the Assessments, See “APPENDIX B — Form of Service and Assessment Plan.”

Prepayment of Assessments

The Indenture and the Service and Assessment Plan provide for certain optional and mandatory prepayments as described below (each, a “Prepayment”). To the extent that any Major Improvement Area Assessment is prepaid, the lien on real property associated with such Major Improvement Area Assessment prepayment shall be released and any rights of the Trustee and the bond owners to request the City to proceed with foreclosure procedures for the purpose of protecting and enforcing the rights of the bond owners with respect to such property shall terminate.

Optional Prepayment. Pursuant to the PID Act and the Indenture, the owner of any property assessed may voluntarily prepay all or part of any Major Improvement Area Assessment levied against any lot or parcel, together with accrued interest to the date of payment, at any time. Upon receipt of such prepayment, such amounts will be applied towards the redemption or payment of the Bonds and/or payment of amounts due pursuant to the Major Improvement Area Reimbursement Agreement. Amounts received at the time of a prepayment which represent a payment of principal, interest, or penalties on a delinquent installment of a Major Improvement Area Assessment are not to be considered a prepayment, but rather are to be treated as payment of regularly scheduled Major Improvement Area Assessments.

Mandatory Prepayment of Assessments—Transfer to Exempt Entity. If Assessed Property is transferred to a person or entity that is exempt from payment of the Major Improvement Area Assessments under applicable law or any portion of Assessed Property becomes Non-Benefited Property, the owner transferring the Assessed Property or causing the portion to become Non-Benefited Property shall pay to the City or the Administrator on behalf of the City the full amount of the outstanding Major Improvement Area Assessment, plus Prepayment Costs and Delinquent Collection Costs, if any, for such Assessed Property, prior to the transfer; provided that, however, such mandatory Prepayment of the Major Improvement Area Assessment shall not be required for portions of a Parcel that are dedicated or conveyed to the City, any other governmental entity or utility provider, or an Owners Association for use as internal roads, utilities, parks, drainage and detention facilities, and other similar improvements, in which case the Major Improvement Area Assessment that was allocated to the Parcel will be reallocated to the remainder of the Parcel. If a reallocation to the remainder of the Parcel as provided in the foregoing sentence causes the Major Improvement Area Assessment for such remainder to exceed the Maximum Assessment, the owner of the remainder of the Parcel must partially prepay the Major Improvement Area Assessment to the extent it exceeds the Maximum Assessment for such Parcel in an amount sufficient to reduce the Major Improvement Area Assessment to the Maximum Assessment.

Mandatory Prepayment of Assessments—True-Up of Assessments if Maximum Assessment Exceeded at Plat. Prior to the approval of a final subdivision plat, the Administrator shall certify that the final plat will not cause the Major Improvement Area Assessment for any Lot Type to exceed the Maximum Assessment for such Lot Type. If the subdivision of any Assessed Property by a final subdivision plat causes the Major Improvement Area Assessment per Lot for any Lot Type to exceed the applicable Maximum Assessment for such Lot Type, the landowner shall partially prepay the Major Improvement Area Assessment for each Assessed Property that exceeds the applicable Maximum Assessment for such Lot Type in an amount sufficient to reduce the Major Improvement Area Assessment to the applicable Maximum Assessment for such Lot Type. The City’s approval of a final subdivision plat without payment of such amounts does not eliminate the obligation of the person or entity filing the plat to pay such Major Improvement Area Assessments.

Mandatory Prepayment of Assessments—Prepayment as a Result of an Eminent Domain Proceeding or Taking. If any portion of any Parcel of Assessed Property is taken from an owner as a result of eminent domain proceedings or if a transfer of any portion of any Parcel of Assessed Property is made to an entity with the authority to condemn all or a portion of the Assessed Property in lieu of or as a part of an eminent domain proceeding (a

“Taking”), the portion of the Assessed Property that was taken or transferred (the “Taken Property”) shall be reclassified as Non-Benefited Property.

For the Assessed Property that is subject to the Taking as described in the preceding paragraph, the Major Improvement Area Assessment that was levied against the Assessed Property (when it was included in the Taken Property) prior to the Taking shall remain in force against the remaining Assessed Property (the Assessed Property less the Taken Property), (the “Remaining Property”) following the reclassification of the Taken Property as Non-Benefited Property, subject to an adjustment of the Major Improvement Area Assessment applicable to the Remaining Property after any required Prepayment as set forth below. The owner will remain liable to pay in Annual Installments, or payable as otherwise provided by the Service and Assessment Plan, as updated, or the PID Act, the Major Improvement Area Assessment that remains due on the Remaining Property, subject to an adjustment in the Annual Installments applicable to the Remaining Property after any required Prepayment as set forth below. Notwithstanding the foregoing, if the Major Improvement Area Assessment that remains due on the Remaining Property exceeds the applicable Maximum Assessment, the owner will be required to make a Prepayment in an amount necessary to ensure that the Major Improvement Area Assessment against the Remaining Property does not exceed such Maximum Assessment, in which case the Major Improvement Area Assessment and Annual Installments applicable to the Remaining Property will be reduced by the amount of the partial Prepayment. If the City receives all or a portion of the eminent domain proceeds (or payment made in an agreed sale in lieu of condemnation), such amount shall be credited against the amount of Prepayment, with any remainder credited against the assessment on the Remaining Property.

In all instances the Major Improvement Area Assessment remaining on the Remaining Property shall not exceed the applicable Maximum Assessment.

Notwithstanding the previous paragraphs in this section “Mandatory Prepayment of Assessments—Prepayment as a Result of an Eminent Domain Proceeding or Taking,” if the owner notifies the City and the Administrator that the Taking prevents the Remaining Property from being developed for any use which could support the Estimated Buildout Value requirement, the owner shall, upon receipt of the compensation for the Taken Property, be required to prepay the amount of the Major Improvement Area Assessment required to buy down the outstanding Major Improvement Area Assessment to the Maximum Assessment on the Remaining Property to support the Estimated Buildout Value requirement. The owner will remain liable to pay the Annual Installments on both the Taken Property and the Remaining Property until such time that such Major Improvement Area Assessment has been prepaid in full.

Notwithstanding the previous paragraphs in this section “Mandatory Prepayment of Assessments—Prepayment as a Result of an Eminent Domain Proceeding or Taking,” the Major Improvement Area Assessments shall not, however, be reduced to an amount less than the outstanding Bonds.

Reduction of Assessments. If as a result of cost savings or a Major Improvement Area Improvement not being constructed, the Actual Costs of completed Major Improvement Area Improvements are less than the Major Improvement Area Assessments levied for the payment thereof, the Trustee shall apply amounts on deposit in the applicable account of the Project Fund (as defined in the Indenture) relating to the Bonds that are not expected to be used for purposes of the Project Fund, to redeem outstanding Bonds, in accordance with the Indenture, and the TIRZ No. 3 Annual Credit Amount will be reduced in the same proportion as the Major Improvement Area Assessments. The Major Improvement Area Assessments shall not, however, be reduced to an amount less than the outstanding Bonds.

Allocation of Annual Installments

Any amounts collected from the Annual Installments shall be allocated, first, to the amount due for the Bonds, including any amounts collected and due for Additional Interest and Annual Collection Costs, and second, to amounts due to pay the City’s obligation under the Major Improvement Area Reimbursement Agreement. If an owner makes a partial payment of an Annual Installment, such amount shall be allocated entirely to the amount due for the Bonds, until the portion of the Annual Installment related to the Bonds has been satisfied, and only after satisfying the amounts due for the Bonds, will the partial payment be used to pay amounts due under the Major Improvement Area

Reimbursement Agreement. The amounts due under the Major Improvement Area Reimbursement Agreement will remain subordinated to the Bonds.

Priority of Lien

The Major Improvement Area Assessments or any reassessment, the expense of collection, and reasonable attorney's fees, if incurred, constitute a first and prior lien against the property assessed, superior to all other liens and claims except liens or claims for the State, county, school district or municipality ad valorem taxes, and are a personal liability of and charge against the owners of the property regardless of whether the owners are named. The lien is effective from the date of the Assessment Ordinance until the Major Improvement Area Assessment is paid, and may be enforced by the City in the same manner as an ad valorem tax levied against real property may be enforced by the City. The owner of any property assessed may pay the entire Major Improvement Area Assessment levied against any lot or parcel, together with accrued interest to the date of payment, at any time.

Foreclosure Proceedings

In the event of delinquency in the payment of any Annual Installment, except for unpaid Major Improvement Area Assessments on homestead property (unless the lien associated with the assessment attached prior to the date the property became a homestead), the City is empowered to order institution of an action in state district court to foreclose the lien of such delinquent Annual Installment. In such action the real property subject to the delinquent Annual Installments may be sold at judicial foreclosure sale for the amount of such delinquent Annual Installments, plus penalties and interest.

Any sale of property for nonpayment of an installment or installments of an Major Improvement Area Assessment will be subject to the lien established for remaining unpaid installments of the Major Improvement Area Assessment against such property and such property may again be sold at a judicial foreclosure sale if the purchaser thereof fails to make timely payment of the non-delinquent installments of the Major Improvement Area Assessments against such property as they become due and payable. Judicial foreclosure proceedings are not mandatory. In the event a foreclosure is necessary, there could be a delay in payments to owners of the Bonds pending prosecution of the foreclosure proceedings and receipt by the City of the proceeds of the foreclosure sale. It is possible that no bid would be received at the foreclosure sale, and in such event there could be an additional delay in payment of the principal of and interest on Bonds or such payment may not be made in full. The City is not required under any circumstance to purchase the property or to pay the delinquent Major Improvement Area Assessment on the corresponding Assessed Parcel.

In the Indenture, the City will covenant to take and pursue all actions permissible under Applicable Laws to cause the Major Improvement Area Assessments to be collected and the liens thereof enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws, and to cause no reduction, abatement or exemption in the Major Improvement Area Assessments, provided that the City is not required to expend any funds for collection and enforcement of Major Improvement Area Assessments other than funds on deposit in the Administrative Fund. Pursuant to the Indenture, Foreclosure Proceeds (excluding Delinquent Collection Costs) constitute Pledged Revenues to be deposited into the Pledged Revenue Fund upon receipt by the City and distributed in accordance with the Indenture. See "APPENDIX A – Form of Indenture." See also "APPENDIX D-1 – Form of City Disclosure Agreement" for a description of the expected timing of certain events with respect to collection of the delinquent Major Improvement Area Assessments.

The City will not be obligated to fund foreclosure proceedings out of any funds other than in the Administrative Fund. If Pledged Revenues are insufficient to pay foreclosure costs, the owners of the Bonds may be required to pay amounts necessary to continue foreclosure proceedings. See "SECURITY FOR THE BONDS SIMILARLY SECURED – Reserve Fund," "APPENDIX A – Form of Indenture" and "APPENDIX B – Form of Service and Assessment Plan."

THE DISTRICT

General

The PID Act authorizes municipalities, such as the City, to create public improvement districts within their boundaries or extraterritorial jurisdiction, and to impose assessments within the public improvement district to pay for certain improvements. The District was created by the Creation Resolution for the purpose of undertaking and financing the cost of certain public improvements within the District, including the Major Improvement Area Projects, authorized by the PID Act and approved by the City Council that confer a special benefit on the District property being developed. The District is not a separate political subdivision of the State and is governed by the City Council. A map of the property within the District is included on page v hereof.

Powers and Authority

Pursuant to the PID Act, the City may establish and create the District and undertake, or pay a developer for the costs of, improvement projects that confer a special benefit on property located within the District, whether located within the City limits or the City's extraterritorial jurisdiction. The District is partially located within the corporate limits of the City and partially located within the extraterritorial jurisdiction of the City. The PID Act provides that the City may levy and collect assessments on property in the District, or portions thereof, payable in periodic installments based on the benefit conferred by an improvement project to pay all or part of its cost.

Pursuant to the PID Act and the Creation Resolution, the City has the power to undertake, or pay a developer for the costs of, the financing, acquisition, construction or improvement of the Major Improvement Area Improvements. See "THE MAJOR IMPROVEMENT AREA IMPROVEMENTS." Pursuant to the authority granted by the PID Act and the Creation Resolution, the City has determined to undertake the construction, acquisition or purchase of certain road, water, sanitary sewer, drainage, landscaping, hardscaping, and park improvements within the Major Improvement Area of the District and outside of the District comprising the Major Improvement Area Improvements and to finance a portion of the costs thereof through the issuance of the Bonds. The City has further determined to provide for the payment of debt service on the Bonds through Pledged Revenues. See "ASSESSMENT PROCEDURES" herein and "APPENDIX B — Form of Service and Assessment Plan."

THE MAJOR IMPROVEMENT AREA IMPROVEMENTS

The Developers will submit payment requests for costs actually incurred in developing and constructing the Major Improvement Area Improvements and be paid in accordance with the Indenture and the Major Improvement Area Reimbursement Agreement. See "THE DEVELOPMENT – Development Plan."

Also to be included are a playground, and a parkway with trails, irrigation and meters, site furnishings, trees, sod, parkland, open space, and planting beds.

Soft Costs: Costs related to designing, constructing, installing, and financing the Major Improvement Area Improvements, including land planning and design, City fees, engineering, soil testing, survey, construction management, legal fees, consultant fees, contingency, inspection fees, district formation costs, and other PID costs incurred and paid by the Developers.

Ownership and Maintenance of Improvements

The Major Improvement Area Improvements will be dedicated to and accepted by the City, and will constitute a portion of the City’s infrastructure improvements. The City will provide for the ongoing operation, maintenance and repair of the Major Improvement Area Improvements, except the Private Improvements (defined herein).

THE DEVELOPMENT

The following information has been provided by the Developers. Certain of the following information is beyond the direct knowledge of the City, the City’s Financial Advisor and the Underwriter, and none of the City, the City’s Financial Advisor or the Underwriter have any way of guaranteeing the accuracy of such information.

* Preliminary; subject to change.

Overview

The land within the District will be developed as a development to be known as “Persimmon” (the “Development”). The Developers expect to develop the District as a master planned community which is expected to consist of 2,019 single-family residential lots at buildout and approximately 161,250 square feet of commercial space. The District will also include approximately 18.5 acres for emergency services districts, and over 40 acres of public and private parks. The Developers will develop the District in distinct areas, which development will begin with construction of the infrastructure to serve Improvement Area #1 and the Major Improvement Area of the District. Such development will be followed by the infrastructure to serve the Future Improvement Areas.

A boundary map of the Development is included on page v, and a map showing the concept plan of the District is included on page vi.

The original purchase of the property in the District by the Developers is described under the caption “THE DEVELOPERS – History and Financing of the District.”

Development Plan

Public Improvements. The Developers expect to complete the Development in five phases over a 10 year period, beginning with Improvement Area #1 which is comprised of two sections in addition to the Major Improvement Area. The Developers expect to begin construction of the first portion of phase 1 of Improvement Area #1 consisting of 118 single-family lots in December 2024 ,and complete construction in November 2025, and expect to begin construction of the second portion of phase 1 of Improvement Area #1 consisting of 130 single-family lots in May 2025, and complete construction in February 2026. The Developers expect to begin construction on the Major Improvements in December 2024 and complete construction in December 2026.

The construction start and expected completion dates for the additional Future Improvement Areas has yet to be determined by the Developers.

Single-Family Lot Development. The Development is planned to include the following four residential product types: 50’ lots, 55 lots, 65’ and 80 lots. The Developers currently expect to construct and sell homes on all of the 248 single-family lots expected to be included in Improvement Area #1; however, the Developers are actively negotiating a possible lot purchase agreement and have signed letters of intent for 75 lots in Improvement Area #1, but have not entered into any lot purchase agreements. The following table shows the expected number and type of lots within Improvement Area #1 and the Future Improvement Areas.

Renderings of the Planned Development in the District

Future Improvement Area Bonds

Future Improvement Area Bonds to finance the cost of local improvements benefitting the Future Improvement Areas are anticipated to be issued in the future. The estimated costs of the local improvements benefitting the Future Improvement Areas of the District will be determined at the same time Future Improvement Areas are developed, and the Service and Assessment Plan will be updated to identify the improvements to be constructed within the Future Improvement Areas of the District and financed by each new series of Future Improvement Area Bonds. Such Future Improvement Area Bonds will be secured by separate assessments levied pursuant to the PID Act on assessable property within the applicable Future Improvement Area of the District. The Developers anticipate that Future Improvement Area Bonds will be issued over a ten-year period.

The Bonds, the Improvement Area #1 Bonds, and any Future Improvement Area Bonds issued by the City are separate and distinct issues of securities. The City reserves the right to issue Future Improvement Area Bonds for any purpose permitted by the PID Act, including those described above.

Development Agreement

The Development Agreement sets forth certain agreements between the City and the Landowners, relating to the development of all property within the District and the Development, including the Landowner's and the City's respective contributions to the Development, the issuance of public improvement district bonds for development in the District and agreements relating to the creation and operation of the TIRZ which consists of land within the District. See "APPENDIX G – Development Agreement."

The Development Agreement provides that the maximum equivalent tax rate for the capital assessment shall not exceed \$3.25 per \$100 estimated buildout value, and \$3.00 per \$100 of estimated buildout with the offset generated by the TIRZ.

The Development Agreement also sets forth the City's commitment with respect to the use of funds generated by the TIRZ. The City shall dedicate fifty percent (50%) of tax increment generated from the property in the District that is located in Hays County, based on the City's tax rate in effect in any calendar year, and shall dedicate seventy five percent (75%) of tax increment generated from the property in the District that is located in Travis County, based on the City's tax rate in effect in any calendar year (the "City's Participation"). The City's Participation shall reduce, on a parcel-by-parcel basis, the capital assessment (the "PID Assessment") dollar for dollar based on the City's increase to its ad valorem property tax rate in effect on the Effective Date of the Development Agreement. For each parcel, the amount of increment collected by the TIRZ will be used the next year to reduce the PID Assessment. If any calendar year there is no PID Assessment owed for a parcel due to the reduction of the PID Assessment from the City's Participation for a parcel in the District, then the remaining TIRZ increment collected for such parcel in the same calendar year will be available to the City for any use lawful under Chapter 311 of the TIRZ Act. **The TIRZ No. 3 Revenues are not security for the Bonds Similarly Secured.**

Pursuant to the Development Agreement, Hays County has agreed to pay current, annually appropriated funds to the City for deposit to the tax increment fund equal to 50% of its ad valorem property taxes, excluding any road and bridge taxes, collected and received by Hays County on the Captured Appraised Value in the TIRZ that is proposed to be located within the corporate City limits, and 25% of its ad valorem property taxes, excluding any road and bridge taxes, collected and received by Hays County on the Captured Appraised Value in the TIRZ that is proposed to remain within Hays County.

The Landowners have agreed to provide a minimum of 40 acres of public and private parks, including at least three acres to be used for a private amenity center. All of the parks and open space is required to open to the public, with the exception of a private amenity centers to be owned by the HOA. The Landowners' agree to spend at least \$1,300 per unit of residential dwelling unit developed in the District on planning, designing, permitting and constructing public parkland, open space and trail improvements within the District.

The Landowners also agree to designate and dedicate (i) a public use site consisting of at least 15 acres for uses such as a school site and (ii) a site for use by the Hays County Emergency Services District #8 as an emergency services site that must be at least 3.5 acres. The public use site must be purchased by a public entity on or before the fifth

anniversary date of the commencement of construction of Improvement Area # 1, and if the public use site is not purchased in such time period, the public use site may be used and developed as allowed for residential tracts by the Developers.

Reimbursement Agreement

The City, the Landowners and the Developers entered into the Major Improvement Area Reimbursement Agreement, which provides, in part, for the issuance and sale of PID Bonds, including the Bonds, for the deposit of the Major Improvement Area Assessments and the proceeds from the issuance and sale of the Bonds, and the reimbursement of the Developer from the proceeds thereof for funds advanced by the Developer to pay the Actual Costs of the Major Improvement Area Improvements within the District, and other matters related thereto. See “APPENDIX F – Form of Major Improvement Area Reimbursement Agreement.”

Zoning

Pursuant to the Development Agreement, the development of the property within the District will be governed by the Development Standards, as defined in the Development Agreement, and shall be zoned to reflect the same. The property in the District and the Development, following annexation into the full purpose jurisdiction of the City, will be zoned as a planned development district, a planned development ordinance, and shall be subject to the provisions of the City’s Code of Ordinances, approved plats, other ordinances enacted by the City Council, building codes, other construction and design standards, and other policies duly adopted by the City, as amended from time to time.

Traffic Impact Analysis

LJA Engineering, Inc. prepared a Traffic Impact Analysis for the District (the “TIA”) dated September 15, 2023. In accordance with the findings of the TIA, the Landowners agreed to construct the following improvements:

- Dedicate the portions of the right-of-way for Marathon Road, Rankin Avenue, the 1626 Connector, and the intersection of Marathon Road with RM 967 that are located within the District to the City at no cost to the City.
Construct a roundabout for intersection of RM 967 and Marathon Road at no cost to the City.
- Construct Marathon Road, with half of the street cross-sections of Marathon Road to be completed concurrently with Phase 1 of Improvement Area #1 of the District and completed prior to the issuance of certificates of occupancy in Phase 1 of Improvement Area #1.
- Construct the east-west connector from Marathon Road to FM 1626.
- Construct the onsite segment of Rankin Avenue at no cost to the City.

Private Improvements

The Developers plan to construct or fund certain private improvements to serve Improvement Area #1 consisting of private amenity centers to be owned by the HOA (“Private Improvements”). The amenity centers, including a primary facility to be constructed in Improvement Area #1 and a smaller facility to be constructed in a later phase, are expected to contain thematic a playground, resort style pool with beach entry, family area and lap lanes, a picnic pavilion with outdoor grills, a co-working space, community clubhouse, fitness center, pickleball courts, yard games, and trailhead access. The expected approximate cost of the primary amenity center is \$7,477,000, and the primary facility is expected to be completed in May 2026. The costs of the Private Improvements will be paid entirely by the Developers without reimbursement from the proceeds of the Bonds.

The amenity centers will be dedicated to and accepted by the HOA. The HOA will provide for the ongoing operation, maintenance and repair of the amenity centers through the administration of a maintenance and operation fee and/or a property owner’s association fee to be paid by each lot owner within the District.

Education

The Development is served by the Hays CISD and the Austin ISD.

Hays CISD operates three campuses that are expected to serve the District. Buda Elementary, which is approximately 3.5 miles from the District, Dahlstrom Middle School, which is approximately 2 miles from the District, and Moe and Gene Johnson High School, which is approximately 3 miles from the District.

GreatSchools.org rated Buda Elementary School 6/10 (average), Dahlstrom Middle School 8/10 (above average) and Moe and Gene Johnson High School 7/10 (above average). According to the Texas Education Agency annual school report cards for the 2021-2022* school year, Buda Elementary School was rated as “A”, and Dahlstrom Middle School and Moe and Gene Johnson High School were rated as “B” (the categories for public school districts and public schools are A, B, C, D or F).

Austin ISD operates three campuses that expected to serve the District. Menchaca Elementary, which is approximately 6.5 miles from the District, Paredes Middle School, which is approximately 10 miles from the District, and Akins High School, which is approximately 8 miles from the District.

GreatSchools.org rated Menchaca Elementary School 4/10 (below average), Paredes Middle School 2/10 (below average) and Akins High School 4/10 (below average). According to the Texas Education Agency annual school report cards for the 2021-22* school year, Menchaca Elementary School and Akins High School were rated as “B”, and Paredes Middle School was not rated.

Pursuant to the Development Agreement Developers have designated a 15 acre public use site that could be used as a school site within the District. The Development Agreement stipulates that the public use site must be purchased by a public entity on or before the fifth anniversary date of the commencement of construction of Improvement Area # 1, and if the public use site is not purchased in such time period, the public use site may be used and developed as allowed for residential tracts by the Developers.

Existing Mineral Rights, Easements and Other Third Party Property Rights

No mineral rights reservations were retained by prior owners of real property within the District. No oil and gas drilling activity is currently occurring or expected to occur.

Although the Developers do not expect the existence or exercise of such rights or any other mineral rights or related real property rights in or around the District, to have a material adverse effect on the Development, the property within the District, or the ability of landowners within the District to pay assessments, including Major Improvement Area Assessments, the Developers makes no guarantee as to such expectation. See “BONDHOLDERS’ RISKS — Exercise of Third Party Property Rights.”

Environmental

Phase One. A Phase One Environmental Site Assessment (the “Armbruster Tract ESA”) was prepared on December 2, 2021 by Horizon Environmental Services. The Armbruster Tract ESA noted that there is a moderate probability for environmental risk related to hazardous substances or petroleum products. Horizon Environmental Services recommended that soil testing be done in areas where waste was removed from the property. Such testing was completed and no hazardous substances were found.

A Phase One Environmental Site Assessment (the “Bailey Tract ESA”) was prepared in October 2018 by Horizon Environmental Services. The Bailey Tract ESA noted that there is a low probability for environmental risk related to hazardous substances or petroleum products.

* According to correspondence dated September 12, 2023, the release of the “District Accountability Ratings” for 2022-2023 has been delayed, and was not available at the time of this Limited Offering Memorandum.

A portion of the District lies within the Edwards Aquifer Transition Zone. Where applicable, all engineering and construction plans will comply with all applicable TCEQ requirements that may apply in the Transition Zone

According to the website for the United States Fish and Wildlife Service, the Texas blind salamander, Barton Springs salamander, whooping crane, golden-cheeked warbler, fountain darter, San Marcos gambusia, Texas wildrice, Comal Springs riffle beetle, Comal Springs dryopid beetle are endangered species in Hays County, and the San Marcos salamander and the red knot are threatened species in Hays County.

The Developers have entered into Landowner Cooperative Agreements with Hays County and Travis County pursuant to which the Developers agree to cooperate with the goals of the Persimmon Wildlife Management Association to maintain habitats for native wildlife, including wild turkey, quail, doves and seed-eating song birds.

Flood Designation

Land located within the post-developed 100-year flood plain will be dedicated as parkland. Single-family lots that are partially within the 100-year flood plain will be reclaimed with placement of fill to establish elevations above the 100-year flood plain.

Utilities

The City will provide both water and wastewater service to the Major Improvement Area District. Both the City's water distribution system and wastewater collection and treatment system currently have sufficient capacity to provide water and wastewater service to the Major Improvement Area of the District.

The Developers expect additional utilities to be provided by: (1) Telephone – AT&T; (2) Cable/Data – AT&T; (3) Gas - CenterPoint; and (4) Electricity - Pedernales Electric Cooperative.

THE DEVELOPERS

The following information has been provided by the Developers. Certain of the following information is beyond the direct knowledge of the City, the City's Financial Advisor and the Underwriter, and none of the City, the City's Financial Advisor or the Underwriter have any way of guaranteeing the accuracy of such information.

General

In general, the activities of a developer in a development such as the District include purchasing the land, designing the subdivision, including the utilities and streets to be installed and any community facilities to be built, defining a marketing program and building schedule, securing necessary governmental approvals and permits for development, arranging for the construction of roads and the installation of utilities (including, in some cases, water, sewer, and drainage facilities, as well as telephone and electric service) and selling improved lots and commercial reserves to builders, developers, or other third parties. The relative success or failure of a developer to perform such activities within a development may have a material effect on the security of revenue bonds, such as the Bonds, issued by a municipality for a public improvement district. A developer is generally under no obligation to a public improvement district, such as the District, to develop the property which it owns in a development. Furthermore, there is no restriction on the developer's right to sell any or all of the land which the developer owns within a development. In addition, a developer is ordinarily the major tax and assessment payer within a district during its development.

Description of the Developers

The Bailey Developer and the Armbruster Developer are each Texas corporations owned by various individuals and trusts. Garrett Martin is the president of both the Developers as well as the President of both Landowners. Mr. Martin is also the co-founder, owner, president and chief executive officer of MileStone Community Builders, Inc. ("MileStone"), which will be the home builder for the District.

Executive Biography

Mr. Martin is also the co-founder, owner, president and chief executive officer of Milestone. Prior to co-founding MileStone, Mr. Martin started his career in home building in the land development section of D.R. Horton, and was later selected to help startup the Austin division of another national home building company. Mr. Martin started MileStone in 2008, and since then MileStone has developed and sold approximately 8,500 homes. Mr. Martin attended Trinity University in San Antonio graduating with honors in finance and English literature. He studied at both Southern Methodist University Dedman School of Law and The University of Texas School of Law, and received his JD from The University of Texas School of Law. Mr. Martin was a member of the Phi Delta Phi honor society and was on law review at SMU.

Landowners are currently working with the International Bank of Commerce to refinance the Bailey Tract Loan, the Armbruster Tract Loan and the 2022 Loan, and expect to close on the refinancings in January 2025, which is anticipated to put a 60-day extension in place for the December 3, 2024 maturities of each such loan.

The Landowners intend to sell property within the District to the Developers in phases as development in the District progresses. The Developers expect to finance such purchases with a seller note and a bank loan.

The following information has been provided by the Administrator. Certain of the following information is beyond the direct knowledge of the City, the City's Financial Advisor and the Underwriter, and none of the City, the City's Financial Advisor or the Underwriter have any way of guaranteeing the accuracy of such information.

APPRAISAL

The Appraisal

General. Barletta & Associates, Inc. (the “Appraiser”) prepared an appraisal report (the “Appraisal”) for the City and the Underwriter dated as of December 5, 2024 (the “Appraisal Date”), based upon a physical inspection of the District conducted on October 1, 2024 (the “Physical Inspection Date”). The Appraisal was prepared at the request of the City and the Underwriter. The description herein of the Appraisal is intended to be a brief summary only of the Appraisal as it relates to the Major Improvement Area of the District. The Appraisal is attached hereto as APPENDIX E and should be read in its entirety. The conclusions reached in the Appraisal are subject to certain assumptions, hypothetical conditions and qualifications, which are set forth therein. See “APPENDIX E — Appraisal.”

Value Estimates. The Appraiser estimated the prospective market value of the fee simple interest in various tracts of land comprising the land in the Major Improvement Area of the District under the extraordinary assumption and hypothetical conditions including that all the Major Improvement Area Improvements are completed. See “THE MAJOR IMPROVEMENT AREA IMPROVEMENTS.” The Appraisal Report does not reflect the value of the Major Improvement Area of the District as if sold to a single purchaser in a single transaction. The hypothetical conditions include the assumption that all of the Public Improvements have been completed in accordance with plans and specifications as of the dates specified below. See “THE MAJOR IMPROVEMENT AREA IMPROVEMENTS,” “THE DEVELOPMENT — Development Plan” and “APPENDIX E — Appraisal.”

The value estimate for the assessable property within the Major Improvement Area of the District using the methodologies described in the Appraisal and subject to the limiting conditions and assumptions set forth in the Appraisal, as of October 1, 2026 with respect to 1,771 paper lots, and December 1, 2025 with respect to a 9.15 acre commercial reserve in the Major Improvement Area of the District, is \$95,690,000.

None of the City, the Developers, or the Underwriter makes any representation as to the accuracy, completeness assumptions or information contained in the Appraisal. The assumptions OR qualifications with respect to the Appraisal are contained therein. There can be no assurance that any such assumptions will be realized and the City, the Developers and the Underwriter make no representation as to the reasonableness of such assumptions.

BONDHOLDERS’ RISKS

Before purchasing any of the Bonds, prospective investors and their professional advisors should carefully consider all of the risk factors described below which may create possibilities wherein interest may not be paid when due or that the Bonds may not be paid at maturity or otherwise as scheduled, or, if paid, without premium, if applicable. The following risk factors (which are not intended to be an exhaustive listing of all possible risks associated with an investment in the Bonds) should be carefully considered prior to purchasing any of the Bonds. Moreover, the order of presentation of the risks summarized below does not necessarily reflect the significance of such investment risks.

General

THE BONDS SIMILARLY SECURED ARE SPECIAL, LIMITED OBLIGATIONS OF THE CITY PAYABLE SOLELY FROM THE PLEDGED REVENUES AND OTHER FUNDS COMPRISING THE TRUST ESTATE, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. THE BONDS SIMILARLY SECURED DO NOT GIVE RISE TO A CHARGE AGAINST THE GENERAL CREDIT OR

TAXING POWER OF THE CITY AND ARE PAYABLE SOLELY FROM THE SOURCES IDENTIFIED IN THE INDENTURE. THE OWNERS OF THE BONDS SIMILARLY SECURED SHALL NEVER HAVE THE RIGHT TO DEMAND PAYMENT THEREOF OUT OF MONEY RAISED OR TO BE RAISED BY TAXATION, OR OUT OF ANY FUNDS OF THE CITY OTHER THAN THE PLEDGED REVENUES, AS AND TO THE EXTENT PROVIDED IN THE INDENTURE. NO OWNER OF THE BONDS SIMILARLY SECURED SHALL HAVE THE RIGHT TO DEMAND ANY EXERCISE OF THE CITY'S TAXING POWER TO PAY THE PRINCIPAL OF THE BONDS SIMILARLY SECURED OR THE INTEREST OR REDEMPTION PREMIUM, IF ANY, THEREON. THE CITY SHALL HAVE NO LEGAL OR MORAL OBLIGATION TO PAY THE BONDS SIMILARLY SECURED OUT OF ANY FUNDS OF THE CITY OTHER THAN THE PLEDGED REVENUES, AND OTHER FUNDS COMPRISING THE TRUST ESTATE.

The ability of the City to pay debt service on the Bonds as due is subject to various factors that are beyond the City's control. These factors include, among others, (a) the ability or willingness of property owners within the Major Improvement Area of the District to pay Major Improvement Area Assessments levied by the City, (b) cash flow delays associated with the institution of foreclosure and enforcement proceedings against property within the Major Improvement Area of the District, (c) general and local economic conditions which may impact real property values, the ability to liquidate real property holdings and the overall value of real property development projects, and (d) general economic conditions which may impact the general ability to market and sell the lots within the Major Improvement Area of the District, it being understood that poor economic conditions within the City, State and region may slow the assumed pace of sales of such lots.

The rate of development of the property in the Major Improvement Area of the District is directly related to the vitality of the residential housing industry. In the event that the sale of the lands within the Major Improvement Area of the District should proceed more slowly than expected and the Landowners are unable to pay the Major Improvement Area Assessments, only the value of the lands, with improvements, will be available for payment of the debt service on the Bonds, and such value can only be realized through the foreclosure or expeditious liquidation of the lands within the Major Improvement Area of the District. There is no assurance that the value of such lands will be sufficient for that purpose and the expeditious liquidation of real property through foreclosure or similar means is generally considered to yield sales proceeds in a lesser sum than might otherwise be received through the orderly marketing of such real property.

The Underwriter is not obligated to make a market in or repurchase any of the Bonds, and no representation is made by the Underwriter, the City or the City's Financial Advisor that a market for the Bonds will develop and be maintained in the future. If a market does develop, no assurance can be given regarding future price maintenance of the Bonds.

The City has not applied for or received a rating on the Bonds. The absence of a rating could affect the future marketability of the Bonds. There is no assurance that a secondary market for the Bonds will develop or that holders who desire to sell their Bonds prior to the stated maturity will be able to do so.

Deemed Representations and Acknowledgment by Investors

Each Investor will be deemed to have acknowledged and represented to the City the matters set forth under the heading "LIMITATIONS APPLICABLE TO INITIAL PURCHASERS" which include, among others, a representation and acknowledgment that the purchase of the Bonds involves investment risks, certain of which are set forth under this heading "BONDHOLDERS' RISKS" and elsewhere herein, and such Investor, either alone or with its purchaser representative(s) (as defined in Rule 501(h) of Regulation D under the Securities Act of 1933), has sophisticated knowledge and experience in financial and business matters and the capacity to evaluate such risks in making an informed investment decision to purchase the Bonds, and the Investor can afford a complete loss of its investment in the Bonds.

Assessment Limitations

Annual Installments of Major Improvement Area Assessments are billed to property owners in the Major Improvement Area of the District. Annual Installments are due and payable, and bear the same penalties and interest for non-payment, as for ad valorem taxes as described under "ASSESSMENT PROCEDURES" herein. Additionally,

Annual Installments established by the Service and Assessment Plan correspond in number and proportionate amount to the number of installments and principal amounts of Bonds maturing in each year, payment obligations under the Major Improvement Area Reimbursement Agreement, interest and the Annual Collection Costs for such year. See “ASSESSMENT PROCEDURES” herein. The unwillingness or inability of a property owner to pay regular property tax bills as evidenced by property tax delinquencies may also indicate an unwillingness or inability to make regular property tax payments and Annual Installments of Major Improvement Area Assessment payments in the future.

In order to pay debt service on the Bonds, it is necessary that Annual Installments are paid in a timely manner. Due to the lack of predictability in the collection of Annual Installments in the Major Improvement Area of the District, the City has established a Reserve Account in the Reserve Fund, to be funded from the proceeds of the Bonds, to cover delinquencies. The Annual Installments are secured by the Assessment Lien. However, there can be no assurance that foreclosure proceedings will occur in a timely manner so as to avoid depletion of the Reserve Account and delay in payments of debt service on the Bonds. See “BONDHOLDERS’ RISKS — Bondholders’ Remedies and Bankruptcy” herein.

Upon an ad valorem tax lien foreclosure event of a property within the Major Improvement Area of the District, any lien securing an Major Improvement Area Assessment that is delinquent will be foreclosed upon in the same manner as the ad valorem tax lien (assuming all necessary conditions and procedures for foreclosure are duly satisfied). To the extent that a foreclosure sale results in insufficient funds to pay in full both the delinquent ad valorem taxes and the delinquent Major Improvement Area Assessments, the liens securing such delinquent ad valorem taxes and delinquent Major Improvement Area Assessments would likely be extinguished. Any remaining unpaid balance of the delinquent Major Improvement Area Assessments would then be an unsecured personal liability of the original property owner.

Based upon the language of Texas Local Government Code, §372.017(b), case law relating to other types of assessment liens and opinions of the Texas Attorney General, the Assessment Lien as it relates to installment payments that are not yet due should remain in effect following an ad valorem tax lien foreclosure, with future installment payments not being accelerated. Texas Local Government Code §372.018(d) supports this position, stating that an Assessment Lien runs with the land and the portion of an assessment payment that has not yet come due is not eliminated by foreclosure of an ad valorem tax lien.

The Assessment Lien is superior to any homestead rights of a property owner that were properly claimed after the adoption of the Assessment Ordinance. However, an Assessment Lien may not be foreclosed upon if any Pre-existing Homestead Rights are claimed for as long as such rights are maintained on the property. It is unclear under Texas law whether or not Pre-existing Homestead Rights would prevent the Assessment Lien from attaching to such homestead property or instead cause the Assessment Lien to attach, but remain subject to, the Pre-existing Homestead Rights.

Under Texas law, in order to establish homestead rights, the claimant must show a combination of both overt acts of homestead usage and intention on the part of the owner to claim the land as a homestead. Mere ownership of the property alone is insufficient and the intent to use the property as a homestead must be a present one, not an intention to make the property a homestead at some indefinite time in the future. As of the date of adoption of the Assessment Ordinance, no such homestead rights will have been claimed. Furthermore, the Landowners are not eligible to claim homestead rights and the Landowners have represented that they will own all property within the Major Improvement Area of the District as of the date of the Assessment Ordinance. Consequently, there are and can be no homestead rights on the Assessed Parcels superior to the Assessment Lien and, therefore, the Assessment Liens may be foreclosed upon by the City.

Failure by owners of the parcels to pay Annual Installments when due, depletion of the Reserve Fund, delay in foreclosure proceedings, or inability of the City to sell parcels which have been subject to foreclosure proceedings for amounts sufficient to cover the delinquent installments of Major Improvement Area Assessments levied against such parcels may result in the inability of the City to make full or punctual payments of debt service on the Bonds.

THE MAJOR IMPROVEMENT AREA ASSESSMENTS WILL CONSTITUTE A FIRST AND PRIOR LIEN AGAINST THE PROPERTY ASSESSED, SUPERIOR TO ALL OTHER LIENS AND CLAIMS EXCEPT LIENS AND CLAIMS FOR STATE, COUNTY, SCHOOL DISTRICT OR MUNICIPALITY AD VALOREM

TAXES AND WILL BE PERSONAL OBLIGATIONS OF AND CHARGES AGAINST THE OWNERS OF PROPERTY LOCATED WITHIN THE MAJOR IMPROVEMENT AREA OF THE DISTRICT.

Exceedance of Maximum Assessment Could Trigger Assessment Prepayment and Optional Redemption

The “Maximum Assessment” for lots within the Major Improvement Area will be determined at the time of the levy of the Future Improvement Area assessment for such portion of the Major Improvement Area.

Prior to the City approving a final subdivision plat, the Administrator will certify that such plat will not result in the Major Improvement Area Assessment per lot for any lot type exceeding the Maximum Assessment. If the Administrator determines that the resulting Major Improvement Area Assessment per lot for any lot type will exceed the Maximum Assessment, the Service and Assessment Plan provides that the person or entity filing the plat shall make a mandatory prepayment of the Major Improvement Area Assessments. See “ASSESSMENT PROCEDURES – Assessment Amounts.”

No plat has been recorded for lots in the Major Improvement Area of the District. In the event that the combined tax rate for entities taxing the Major Improvement Area rises or the estimated build out value of lots in the Major Improvement Area falls prior to the filing of a plat for the Major Improvement Area, a mandatory prepayment of the Major Improvement Area Assessments could be triggered at the time of filing of the plat. Any mandatory prepayment of the Major Improvement Area Assessments related to the exceedance of the Maximum Assessment may trigger an optional redemption of the Bonds by the City. See “DESCRIPTION OF THE BONDS – Redemption Provisions.”

Competition

The housing industry in the Austin area is very competitive, and none of the Developers, the City, the City’s Financial Advisor or the Underwriter can give any assurance that the building programs which are planned will be completed in accordance with the Developers’ expectations. The competitive position of the Developers in the sale of developed lots or of any other homebuilder in the construction and sale of single-family residential units is affected by most of the factors discussed in this section, and such competitive position is directly related to maintenance of market values in the District. There can be no assurances that other similar projects will not be developed in the future or that existing projects will not be upgraded or otherwise be able to compete with the development in the District. A sample of competitive projects near the Development is below.

Project Name	# of Units	Proximity to District (Miles)	Developer	Date Started	Prices
6 Creeks	2,409	8.5 miles	Blake Magee	2019	\$372K-9\$72K
Anthem	1,437	9.5 miles	Clark Wilson	2021	\$329K-\$620K
Sunfield	5,429	5.5 miles	Scarborough Land Development	2008	\$307K-705K

Recent Changes in State Law Regarding Public Improvement Districts; Failure of Developers to Deliver Required Notice Pursuant to Texas Property Code May Affect Absorption Schedule and Provide for Prepayments Causing Partial Redemptions of Bonds

The 87th Legislature passed HB 1543, which became effective September 1, 2021, and requires a person who proposes to sell or otherwise convey real property within a public improvement district to provide to the purchaser of the property, before the execution of a binding contract of purchase and sale, written notice of the obligation to pay public improvement district assessments, in accordance with Section 5.014, Texas Property Code, as amended. In the event a contract of purchase and sale is entered into without the seller providing the notice, the intended purchaser is entitled to terminate the contract or purchase and sale. If the Landowners or homebuilders within the Major Improvement Area of the District do not provide the required notice and prospective purchasers of property within the Major Improvement Area of the District terminate a purchase and sale contract, the anticipated absorption schedule

may be affected. In addition to the right to terminate the purchase contract, a property owner who did not receive the required notice is entitled, after sale, to sue for damages for (i) all costs relative to the purchase, plus interest and reasonable attorney's fees, or (ii) an amount not to exceed \$5,000, plus reasonable attorney's fees. In a suit filed pursuant to clause (i), any damages awarded must go first to pay any outstanding liens on the property. In such an event, the outstanding Major Improvement Area Assessments on such property may be prepaid. In the event of such prepayment, a partial redemption of the Bonds could occur. See "DESCRIPTION OF THE BONDS – Redemption Provisions." On payment of all damages respectively to the lienholders and purchaser pursuant to clause (i), the purchaser is required to reconvey the property to the seller. Further however, if the Landowners or homebuilders within the Major Improvement Area of the District do not provide the required notice and become liable for monetary damages, the anticipated buildout and absorption schedule may be affected. No assurances can be given that the projected buildout and absorption schedules presented in this Limited Offering Memorandum will be realized. The form of notice to be provided to homebuyers is attached to the Service and Assessment Plan. See "APPENDIX B – Form of Service and Assessment Plan."

Failure or Inability to Complete Proposed Development

Proposed development within the District may be affected by changes in general economic conditions, fluctuations in the real estate market and interest rates, changes in the income tax treatment of real property ownership, unexpected increases in development costs and other similar factors as well as availability of utilities and the development or existence of environmental concerns with such land. See "– Hazardous Substances" below. There can be no assurances that other similar projects will not be developed in the future or that existing projects will not be upgraded or otherwise able to compete with the Development. A slowdown of the development process and the related absorption rate within the Development because of any or all of the foregoing could affect adversely land values. THE TIMELY PAYMENT OF THE BONDS DEPENDS UPON THE WILLINGNESS AND ABILITY OF THE LANDOWNERS AND ANY SUBSEQUENT OWNERS TO PAY THE MAJOR IMPROVEMENT AREA ASSESSMENTS WHEN DUE. ANY OR ALL OF THE FOREGOING COULD REDUCE THE WILLINGNESS AND THE ABILITY OF SUCH OWNERS TO PAY THE MAJOR IMPROVEMENT AREA ASSESSMENTS AND COULD GREATLY REDUCE THE VALUE OF PROPERTY WITHIN THE DISTRICT IN THE EVENT SUCH PROPERTY HAS TO BE FORECLOSED. In that event, there could be a default in the payment of the Bonds.

Completion of Homes

The cost and time for completion of homes by the homebuilders in the District is uncertain and may be affected by changes in national, regional and local and economic conditions; changes in long and short term interest rates; changes in the climate for real estate purchases; changes in demand for or supply of competing properties; changes in local, regional and national market and economic conditions; unanticipated development costs, market preferences and architectural trends; unforeseen environmental risks and controls; the adverse use of adjacent and neighboring real estate; changes in interest rates and the availability of mortgage funds to buyers of the homes yet to be built in the District, which may render the sale of such homes difficult or unattractive; acts of war, terrorism or other political instability; delays or inability to obtain governmental approvals; changes in laws; moratorium; force majeure (which may result in uninsured losses); strikes; labor shortages; energy shortages; material shortages; inflation; adverse weather conditions; subcontractor defaults; and other unknown contingencies and factors beyond the control of the Developers.

Absorption Rate

There can be no assurance that the Developers will be able to achieve its anticipated absorption rates. Failure to achieve the absorption rate estimates will adversely affect the estimated value of the District, could impair the economic viability of the District and could reduce the ability or desire of property owners in the Major Improvement Area of the District to pay the Major Improvement Area Assessments.

Risks Related to Current Increase in Costs of Building Materials

As a result of low supply, high demand, and the ongoing trade war, there have been substantial increases in the cost of materials, causing many homebuilders and general contractors to experience budget overruns. If the construction costs associated with completing homes in the Major Improvement Area of the District are substantially

higher than the estimated costs or if the homebuilders within the Major Improvement Area of the District are unable to access building materials in a timely manner, it may affect the ability of such homebuilders in the Major Improvement Area of the District to complete the construction of homes or pay the Major Improvement Area Assessments when due. There is no way to predict whether such cost increases or low supply of building materials will continue or if such continuance will affect the development of the Major Improvement Area of the District.

TIRZ Credit and Marketing of the District

To the extent the City levies an ad valorem tax, the TIRZ No. 3 Revenues are generated only from ad valorem taxes levied and collected by the City on the Captured Appraisal Value in the TIRZ in any year. Any delay or failure by the Developers to develop the District may result in a reduced amount of the TIRZ No. 3 Revenues being available to credit the Major Improvement Area Assessments if and when the City levies an ad valorem tax. See “OVERLAPPING TAXES AND DEBT.”

It is uncertain what impact, if any, the TIRZ Credit application to the Annual Installments of the Major Improvement Area Assessments will have on the underwriting of residential mortgages. If the underwriter of a residential mortgage does not recognize the TIRZ Credit it may make it more difficult for a borrower to qualify for a home mortgage which could have a negative impact on home sales and projected absorption.

Loss of Tax Exemption

The Indenture contains covenants by the City intended to preserve the exclusion from gross income of interest on the Bonds for federal income tax purposes. As discussed under the caption “TAX MATTERS” herein, interest on the Bonds could become includable in gross income for purposes of federal income taxation, retroactive to the date the Bonds were issued, as a result of future acts or omissions of the City in violation of its covenants in the Indenture.

Tax legislation, administrative actions taken by tax authorities, or court decisions, whether at the Federal or state level, may adversely affect the tax-exempt status of interest on the Bonds under Federal or state law and could affect the market price or marketability of the Bonds. Any such proposal could limit the value of certain deductions and exclusions, including the exclusion for tax-exempt interest. The likelihood of any such proposal being enacted cannot be predicted. Prospective purchasers of the Bonds should consult their own tax advisors regarding the foregoing matters.

Bankruptcy

The payment of Major Improvement Area Assessments and the ability of the City to foreclose on the lien of a delinquent unpaid Major Improvement Area Assessment may be limited by bankruptcy, insolvency or other laws generally affecting creditors’ rights or by the laws of the State relating to judicial foreclosure. Although bankruptcy proceedings would not cause the Major Improvement Area Assessments to become extinguished, bankruptcy of a property owner in all likelihood would result in a delay in prosecuting foreclosure proceedings. Such a delay would increase the likelihood of a delay or default in payment of the principal of and interest on the Bonds, and the possibility that delinquent Major Improvement Area Assessments might not be paid in full.

Direct and Overlapping Indebtedness, Assessments and Taxes

The ability of an owner of property within the Major Improvement Area of the District to pay the Major Improvement Area Assessments could be affected by the existence of other taxes and assessments imposed upon the property. Public entities whose boundaries overlap those of the District currently impose ad valorem taxes on the property within the Major Improvement Area of the District and will likely do so in the future. Such entities could also impose assessment liens on the property within the Major Improvement Area of the District. The imposition of additional liens, or for private financing, may reduce the ability or willingness of the landowners to pay the Major Improvement Area Assessments. See “OVERLAPPING TAXES AND DEBT.”

Depletion of Reserve Account of the Reserve Fund

Failure of the owners of property within the Major Improvement Area of the District to pay the Major Improvement Area Assessments when due could result in the rapid, total depletion of the Reserve Account of the Reserve Fund prior to replenishment from the resale of property upon a foreclosure or otherwise or delinquency redemptions after a foreclosure sale, if any. There could be a default in payments of the principal of and interest on the Bonds if sufficient amounts are not available in the Reserve Account of the Reserve Fund. The Indenture provides that if, after a withdrawal from the Reserve Account of the Reserve Fund, the amount in the Reserve Account of the Reserve Fund is less than the Reserve Account Requirement, the Trustee shall transfer an amount from the Pledged Revenue Fund to the Reserve Account of the Reserve Fund sufficient to cure such deficiency, as described under “SECURITY FOR THE BONDS SIMILARLY SECURED — Reserve Account of the Reserve Fund” herein.

Hazardous Substances

While governmental taxes, assessments and charges are a common claim against the value of a parcel, other less common claims may be relevant. One of the most serious in terms of the potential reduction in the value that may be realized to the assessment is a claim with regard to a hazardous substance. In general, the owners and operators of a parcel may be required by law to remedy conditions relating to releases or threatened releases of hazardous substances. The federal Comprehensive Environmental Response, Compensation and Liability Act of 1980, sometimes referred to as “CERCLA” or “Superfund Act,” is the most well-known and widely applicable of these laws. It is likely that, should any of the parcels of land located in the Major Improvement Area of the District be affected by a hazardous substance, the marketability and value of such parcels would be reduced by the costs of remedying the condition, because the purchaser, upon becoming owner, will become obligated to remedy the condition just as is the seller.

The value of the land within the Major Improvement Area of the District does not take into account the possible liability of the Developers for the remediation of a hazardous substance condition on the property in the Major Improvement Area of the District. The City has not independently verified, and is not aware, that the Developers have such a current liability with respect to its property; however, it is possible that such liabilities do currently exist and that the City is not aware of them.

Further, it is possible that liabilities may arise in the future with respect to any of the land within the Major Improvement Area of the District resulting from the existence, currently, of a substance presently classified as hazardous but which has not been released or the release of which is not presently threatened, or may arise in the future resulting from the existence, currently, on the parcel of a substance not presently classified as hazardous but which may in the future be so classified. Further, such liabilities may arise not simply from the existence of a hazardous substance but from the method of handling it. The actual occurrence of any of these possibilities could significantly negatively affect the value of a parcel that is realizable upon a foreclosure.

See “THE DEVELOPMENT – Environmental” for discussion of the Bailey Tract ESA and the Arbruster Tract ESA performed on property within the District.

Railroad in Proximity to the District

An existing railroad line runs through the City and includes a segment that is located approximately 1,800 feet from the District at its closet point. The railroad is located east of the Property along the east side of the Garrison Road right-of-way and does not impact any development of the Property.

Exercise of Third Party Property Rights

There may also be additional mineral rights and related real property rights reflected in the chain of title for the real property within the District recorded in the real property records of Hays County and Travis County.

The Developers do not expect the existence or exercise of any third party property rights, mineral rights or related real property rights in or around the Major Improvement Area of the District to have a material adverse effect on the District, the property within the District, or the ability of landowners within the Major Improvement Area of

the District to pay Major Improvement Area Assessments. However, none of the City, the Financial Advisor, or the Underwriter, provide any assurances as to such Developers expectations.

Regulation

Development within the District may be subject to future federal, state and local regulations. Approval may be required from various agencies from time to time in connection with the layout and design of development in the District, the nature and extent of public improvements, land use, zoning and other matters. Failure to meet any such regulations or obtain any such approvals in a timely manner could delay or adversely affect development in the District and property values.

Bondholders' Remedies and Bankruptcy

In the event of default in the payment of principal or of interest on the Bonds or the occurrence of any other Event of Default under the Indenture, the Trustee may, and upon the written request the owners of at least a Quarter in Interest of the Bonds then Outstanding, the Trustee shall proceed to protect and enforce its rights and the rights of the owners of the Bonds under the Indenture by such suits, actions or special proceedings in equity or at law, or by proceedings in the office of any board or officer having jurisdiction, either for mandamus or the specific performance of any covenant or agreement contained therein or in aid or execution of any power granted or for the enforcement of any proper legal or equitable remedy, as the Trustee shall deem most effectual to protect and enforce such rights. The issuance of a writ of mandamus may be sought if there is no other available remedy at law to compel performance of the City's obligations under the Bonds or the Indenture and such obligations are not uncertain or disputed. The remedy of mandamus is controlled by equitable principles, so rests with the discretion of the court, but may not be arbitrarily refused. There is no acceleration of maturity of the Bonds in the event of default and, consequently, the remedy of mandamus may have to be relied upon from year to year. The owners of the Bonds cannot themselves foreclose on property within the Major Improvement Area of the District or sell property within the Major Improvement Area of the District in order to pay the principal of and interest on the Bonds. The enforceability of the rights and remedies of the owners of the Bonds further may be limited by laws relating to bankruptcy, reorganization or other similar laws of general application affecting the rights of creditors of political subdivisions such as the City. In this regard, should the City file a petition for protection from creditors under federal bankruptcy laws, the remedy of mandamus or the right of the City to seek judicial foreclosure of its Major Improvement Area Assessment Lien would be automatically stayed and could not be pursued unless authorized by a federal bankruptcy judge. See "BONDHOLDERS' RISKS — Bankruptcy Limitation to Bondholders' Rights" herein.

Any bankruptcy court with jurisdiction over bankruptcy proceedings initiated by or against a property owner within the Major Improvement Area of the District pursuant to the Federal Bankruptcy Code could, subject to its discretion, delay or limit any attempt by the City to collect delinquent Major Improvement Area Assessments, or delinquent ad valorem taxes, against such property owner.

In addition, in 2006, the Texas Supreme Court ruled in *Tooke v. City of Mexia*, 197 S.W.3d 325 (Tex. 2006) ("Tooke") that a waiver of sovereign immunity must be provided for by statute in "clear and unambiguous" language. In so ruling, the Court declared that statutory language such as "sue and be sued", in and of itself, did not constitute a clear and unambiguous waiver of sovereign immunity. In *Tooke*, the Court noted the enactment in 2005 of sections 271.151-.160, Texas Local Government Code (the "Local Government Immunity Waiver Act"), which, according to the Court, waives "immunity from suit for contract claims against most local governmental entities in certain circumstances." The Local Government Immunity Waiver Act covers cities and relates to contracts entered into by cities for providing goods or services to cities.

In *Wasson Interests, Ltd. v. City of Jacksonville*, 489 S.W.3d 427 (Tex. 2016) ("Wasson"), the Texas Supreme Court (the "Court") addressed whether the distinction between governmental and proprietary acts (as found in tort-based causes of action) applies to breach of contract claims against municipalities. The Court analyzed the rationale behind the Proprietary-Governmental Dichotomy to determine that "a city's proprietary functions are not done pursuant to the 'will of the people'" and protecting such municipalities "via the [S]tate's immunity is not an efficient way to ensure efficient allocation of [S]tate resources." While the Court recognized that the distinction between governmental and proprietary functions is not clear, the *Wasson* opinion held that the Proprietary-Governmental Dichotomy applies in a contract-claims context. The Court reviewed *Wasson* for a second time and issued an opinion

on October 5, 2018 clarifying that to determine whether governmental immunity applies to a breach of contract claim, the proper inquiry is whether the municipality was engaged in a governmental or proprietary function when it entered into the contract, not at the time of the alleged breach. Therefore, in regard to municipal contract cases (as in tort claims), it is incumbent on the courts to determine whether a function was proprietary or governmental based upon the statutory and common law guidance at the time of inception of the contractual relationship. Texas jurisprudence has generally held that proprietary functions are those conducted by a city in its private capacity, for the benefit only of those within its corporate limits, and not as an arm of the government or under authority or for the benefit of the State; these are usually activities that can be, and often are, provided by private persons, and therefore are not done as a branch of the State, and do not implicate the state's immunity since they are not performed under the authority, or for the benefit, of the State as sovereign. Notwithstanding the foregoing new case law issued by the Court, such sovereign immunity issues have not been adjudicated in relation to bond matters (specifically, in regard to the issuance of municipal debt). Each situation will be prospectively evaluated based on the facts and circumstances surrounding the contract in question to determine if a suit, and subsequently, a judgement, is justiciable against a municipality.

The City is not aware of any State court construing the Local Government Immunity Waiver Act in the context of whether contractual undertakings of local governments that relate to their borrowing powers are contracts covered by such act. Because it is unclear whether the Texas legislature has effectively waived the City's sovereign immunity from a suit for money damages in the absence of City action, the Trustee or the owners of the Bonds may not be able to bring such a suit against the City for breach of the Bonds or the Indenture covenants. As noted above, the Indenture provides that owners of the Bonds may exercise the remedy of mandamus to enforce the obligations of the City under the Indenture. Neither the remedy of mandamus nor any other type of injunctive relief was at issue in Tooke, and it is unclear whether Tooke will be construed to have any effect with respect to the exercise of mandamus, as such remedy has been interpreted by State courts. In general, State courts have held that a writ of mandamus may be issued to require public officials to perform ministerial acts that clearly pertain to their duties. State courts have held that a ministerial act is defined as a legal duty that is prescribed and defined with a precision and certainty that leaves nothing to the exercise of discretion or judgment, though mandamus is not available to enforce purely contractual duties. However, mandamus may be used to require a public officer to perform legally-imposed ministerial duties necessary for the performance of a valid contract to which the State or a political subdivision of the State is a party (including the payment of moneys due under a contract).

No Acceleration

The Indenture does not contain a provision allowing for the acceleration of the Bonds in any event, including in the event of a payment default or other default under the terms of the Bonds or the Indenture.

Bankruptcy Limitation to Bondholders' Rights

The enforceability of the rights and remedies of the owners of the Bonds may be limited by laws relating to bankruptcy, reorganization or other similar laws of general application affecting the rights of creditors of political subdivisions such as the City. The City is authorized under Texas law to voluntarily proceed under Chapter 9 of the Federal Bankruptcy Code, 11 U.S.C. 901-946. The City may proceed under Chapter 9 if it (1) is generally not paying its debts, or unable to meet its debts, as they become due, (2) desires to effect a plan to adjust such debts, and (3) has either obtained the agreement of or negotiated in good faith with its creditors, is unable to negotiate with its creditors because negotiation is impracticable, or reasonably believes that a creditor may attempt to obtain a preferential transfer.

If the City decides in the future to proceed voluntarily under the Federal Bankruptcy Code, the City would develop and file a plan for the adjustment of its debts, and the Bankruptcy Court would confirm the plan if (1) the plan complies with the applicable provisions of the Federal Bankruptcy Code, (2) all payments to be made in connection with the plan are fully disclosed and reasonable, (3) the City is not prohibited by law from taking any action necessary to carry out the plan, (4) administrative expenses are paid in full, (5) all regulatory or electoral approvals required under Texas law are obtained and (6) the plan is in the best interests of creditors and is feasible. The rights and remedies of the owners of the Bonds would be adjusted in accordance with the confirmed plan of adjustment of the City's debt. The City cannot predict a Bankruptcy Court's treatment of the Bondholders' creditor claim and whether a Bondholder would be repaid in full.

Tax-Exempt Status of the Bonds

As further described in “TAX MATTERS” below, failure of the City to comply with the requirements of the Internal Revenue Code of 1986 (the “Code”) and the related legal authorities, or changes in the federal tax law or its application, could cause interest on the Bonds to be included in the gross income of owners of the Bonds for federal income tax purposes, possibly from the date of original issuance of the Bonds. Further, the opinion of Bond Counsel is based on current legal authority, covers certain matters not directly addressed by such authorities, and represents Bond Counsel’s judgment as to the proper treatment of interest on the Bonds for federal income tax purposes. It is not binding on the Internal Revenue Service (“IRS”) or the courts. The IRS has an ongoing program of auditing obligations that are issued and sold as bearing tax-exempt interest to determine whether, in the view of the IRS, interest on such obligations is included in the gross income of the owners thereof for federal income tax purposes. The IRS has announced that its audit efforts will focus in part on “developer-driven bond transactions,” including certain tax increment financings and certain assessment bond transactions. In recent audits, the IRS has asserted that interest on such “developer-driven” obligations can be taxable, in certain circumstances, even when those transactions otherwise meet all applicable tax law requirements. It cannot be predicted if this IRS focus could lead to an audit of the Bonds or what the result would be of any such audit. If an audit of the Bonds is commenced, under current procedures parties other than the City would have little, if any, right to participate in the audit process. Moreover, because achieving judicial review in connection with an audit of tax-exempt obligations is difficult, obtaining an independent review of IRS positions with which the City legitimately disagrees, may not be practicable. Any action of the IRS, regardless of the outcome, including but not limited to selection of the Bonds for audit, or the course or result of such audit, or an audit of obligations presenting similar tax issues, may affect the market price for, or the marketability of, the Bonds. Finally, if the IRS ultimately determines that the interest on the Bonds is not excluded from the gross income of Bondholders for federal income tax purposes, the City may not have the resources to settle with the IRS, the Bonds are not required to be redeemed, and the interest rate on the Bonds will not increase.

Management and Ownership

The management and ownership of the Landowners and related property owners could change in the future. Purchasers of the Bonds should not rely on the management experience of such entities. There are no assurances that such entities will not sell the subject property or that officers will not resign or be replaced. In such circumstances, a new landowner or developer or new officers in management positions may not have comparable experience in development projects comparable to that of the District.

General Risks of Real Estate Investment and Development

Investments in undeveloped or developing real estate are generally considered to be speculative in nature and to involve a high degree of risk. Development in the District will be subject to the risks generally incident to real estate investments and development. Many factors that may affect the District, as well as the operating revenues of the Developers, including those derived from development of the District, are not within the control of the Developers. Such factors include changes in national, regional and local economic conditions; changes in long and short term interest rates; changes in the climate for real estate purchases; changes in demand for or supply of competing properties; changes in local, regional and national market and economic conditions; unanticipated development costs, market preferences and architectural trends; unforeseen environmental risks and controls; the adverse use of adjacent and neighboring real estate; changes in interest rates and the availability of mortgage funds to buyers of the homes to be built in the District, which may render the sale of such homes difficult or unattractive; acts of war, terrorism or other political instability; delays or inability to obtain governmental approvals; changes in laws; moratorium; acts of God (which may result in uninsured losses); strikes; labor shortages; energy shortages; material shortages; inflation; adverse weather conditions; contractor or subcontractor defaults; and other unknown contingencies and factors beyond the control of the Developers.

Furthermore, the operating revenues of the Developers may be materially adversely affected if specific conditions in the lot purchase contracts are not met. Contracts that the Developers may have with individual homebuilders are subject to a myriad of contractual conditions and contingencies, all or some of which if not complied with, could precipitate a termination or winding up of such contractual arrangement for the sale of lots, causing the Developers to possibly need to execute a different strategy for the development and sale of lots and residential units within the District. As described herein, the Major Improvement Area Assessments are an imposition against the land

only. Neither the Landowners nor the Developers nor any other subsequent landowner is a guarantor of the Major Improvement Area Assessments and the recourse for the failure of the Landowners or the Developers or any other landowner to pay the Major Improvement Area Assessments is limited to the collection proceedings against the land as described herein. Failure to meet any lot purchase contract's conditions may allow the applicable lot purchaser to terminate its obligation to purchase lots from the Developers and obtain its earnest money deposit back. See "THE DEVELOPMENT – Expected Build Out and Home Prices in the District" herein.

Development of the District cannot be initiated or completed without the Developers obtaining a variety of governmental approvals and permits, some of which have already been obtained. Certain permits are necessary to initiate construction of the Development and to allow the occupancy of residences and to satisfy conditions included in the approvals and permits. There can be no assurance that all of these permits and approvals can be obtained or that the conditions to the approvals and permits can be fulfilled. The failure to obtain any of the required approvals or fulfill any one of the conditions could cause materially adverse financial results for the Developers.

A slowdown of the development process and the related absorption rate within the Development because of any or all of the foregoing could affect adversely land values. The timely payment of the Bonds depends on the willingness and ability of the Landowners, homebuilders in the District, and any subsequent owners to pay the Major Improvement Area Assessments when due. Any or all of the foregoing could reduce the willingness and ability of such owners to pay the Major Improvement Area Assessments and could greatly reduce the value of the property within the Major Improvement Area in the event such property has to be foreclosed. If Annual Installments of Major Improvement Area Assessments are not timely paid and there are insufficient funds in the accounts of the Reserve Fund, a nonpayment could result in a payment default under the Indenture.

Dependence Upon Landowners and Developers

The Landowners, as the owners of the Assessed Parcels in the Major Improvement Area of the District, currently have the obligation for payment of the Major Improvement Area Assessments. The ability of the Landowners to make full and timely payment of the Major Improvement Area Assessments will directly affect the ability of the City to meet its debt service obligations with respect to the Bonds. The only assets of the Landowners are land within the District, related permits and development rights, and minor operating accounts. The source of funding for future land development activities and infrastructure construction to develop the lots proposed for the District also consists of proceeds of the Bonds and proceeds of lot sales, as well as possible bank financing and equity contributions by the Landowners. There can be no assurances given as to the financial ability of the Landowners and the Developers to advance any funds to the City to supplement revenues from the Major Improvement Area Assessments if necessary, or as to whether the Landowners and the Developers will advance such funds.

Moreover, the City will pay the Developers, or the Developers designee, from proceeds of the Bonds for a portion of project costs actually incurred in developing and constructing the Major Improvement Area Improvements within the Major Improvement Area of the District. See "THE MAJOR IMPROVEMENT AREA IMPROVEMENTS – General" and "THE DEVELOPMENT – Development Plan." There can be no assurances given as to the financial ability of the Developers to complete such improvements.

The Landowners and the Developers will not guarantee or otherwise be obligated to pay debt service on the Bonds.

Potential Future Changes in State Law Regarding Public Improvement Districts

During Texas legislative sessions and interim business of the Texas legislature, various proposals and reports have been presented by committees of Texas Senate and Texas House of Representative which suggest or recommend changes to the PID Act relating to oversight of bonds secured by special assessments including adopting requirements relating to levels of build out or adding State level oversight in connection with the issuance of bonds secured by special assessments under the PID Act. The 88th Legislative Session of the State (the "88th Regular Session") concluded on May 29, 2023. When the regular Legislature is not in session, the Governor of Texas may call one or more special sessions, at the Governor's direction, each lasting no more than 30 days, and for which the Governor sets the agenda. Upon conclusion of the 88th Regular Session, the Governor has called four special sessions all of which have ended without any legislation being passed by either chamber of the Texas legislature recommending oversight

of bonds secured by assessments. It is impossible to predict what new proposals may be presented regarding the PID Act and the issuance of special assessment bonds during any upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Texas Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. It is impossible to predict with certainty the impact that any such future legislation will or may have on the security for the Bonds.

Use of Appraisal

Caution should be exercised in the evaluation and use of valuations included in the Appraisal. The Appraisal is an estimate of market value as of a specified date based upon assumptions and limiting conditions and any extraordinary assumptions specific to the relevant valuation and specified therein. The estimated market value specified in the Appraisal is not a precise measure of value, but is based on a subjective comparison of related activity taking place in the real estate market. The valuation set forth in the Appraisal is based on various assumptions of future expectations and while the Appraiser's forecasts for properties in the Major Improvement Area of the District is considered to be reasonable at the current time, some of the assumptions may not materialize or may differ materially from actual experience in the future. The Bonds will not necessarily trade at values determined solely by reference to the underlying value of the properties in the District.

In performing its analysis, the Appraiser makes numerous assumptions with respect to general business, economic and regulatory conditions and other matters, many of which are beyond the Appraiser's, Underwriter's and City's control, as well as certain factual matters. Furthermore, the Appraiser's analysis, opinions and conclusions are necessarily based upon market, economic, financial and other circumstances and conditions existing prior to the valuation and date of the Appraisal.

The intended use and user of the Appraisal are specifically identified in the Appraisal as agreed upon in the contract for services and/or reliance language found in the Appraisal. The Appraiser has consented to the use of the Appraisal in this Limited Offering Memorandum in connection with the issuance of the Bonds. No other use or user of the Appraisal is permitted by any other party for any other purpose.

Risk from Weather Events

All of the State, including the City and the District, is subject to extreme weather events that can cause loss of life and damage to property through strong winds, flooding, heavy rains and freezes, including events similar to the severe winter storm that the continental United States experienced in February 2021, which resulted in disruptions in the Electric Reliability Council of Texas power grid and prolonged blackouts throughout the State. It is impossible to predict whether similar events will occur in the future and the impact they may have on the City or the District, including land within the District.

100-Year Flood Plain

According to the FEMA FIRM No. 48209C028OF effective September 2, 2005, an approximately 28.93 acre portion of the property in the District lie within Zone A, which is within the 100 year flood plain. Such land within the floodplain is expected to be utilized as open space, or single-family lots that are partially within the 100-year flood plain will be reclaimed with placement of fill to establish elevations above the 100-year flood plain.

FEMA will from time to time revise its Flood Insurance Rate Maps. None of the City, the Underwriter, or the Developers make any representation as to whether FEMA may revise its Flood Insurance Rate Maps, whether such revisions may result in homes that are currently outside of the 100-year flood plain from being included in the 100-year flood plain in the future, or whether extreme flooding events may occur more often than assumed in creating the 100-year flood plain.

Judicial Foreclosures

Judicial foreclosure proceedings are not mandatory; however, the City has covenanted (subject to provisions set forth in the Indenture) to order and cause such actions to be commenced. In the event a foreclosure is necessary, there could be a delay in payments to owners of the Bonds pending prosecution of the foreclosure proceedings and

receipt by the City of the proceeds of the foreclosure sale. It is possible that no bid would be received at the foreclosure sale, and, in such event, there could be an additional delay in payment of the principal of and interest on the Bonds or such payment may not be made in full. Moreover, in filing a suit to foreclose, the City must join other taxing units that have claims for delinquent taxes against all or part of the same property; the proceeds of any sale of property within the Major Improvement Area of the District available to pay debt service on the Bonds may be limited by the existence of other tax liens on the property. See “OVERLAPPING TAXES AND DEBT.” Collection of delinquent taxes, assessments and the Major Improvement Area Assessments may be adversely affected by the effects of market conditions on the foreclosure sale price, and by other factors, including taxpayers’ right to redeem property within two years of foreclosure for residential and agricultural use property and six months for other property, and by a time-consuming and expensive collection procedure.

No Credit Rating

The City has not applied for or received a rating on the Bonds. Even if a credit rating had been sought for the Bonds, it is not anticipated that such a rating would have been investment grade. The absence of a rating could affect the future marketability of the Bonds. There is no assurance that a secondary market for the Bonds will develop or that holders who desire to sell their Bonds prior to the stated maturity will be able to do so. Occasionally, because of general market conditions or because of adverse history or economic prospects connected with a particular issue, secondary market trading in connection with a particular issue is suspended or terminated. Additionally, prices of issues for which a market is being made will depend upon then generally prevailing circumstances. Such prices could be substantially different from the original purchase price.

Limited Secondary Market for the Bonds

The Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Bonds in the event a Holder thereof determines to solicit purchasers for the Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Bonds may be sold. Such price may be lower than that paid by the current Holders of the Bonds, depending on the progress of development of the Major Improvement Area of the District subject to the Major Improvement Area Assessments, existing real estate and financial market conditions and other factors.

TAX MATTERS

Opinion

On the date of initial delivery of the Bonds, McCall, Parkhurst & Horton L.L.P., Austin, Texas, Bond Counsel to the City, will render its opinion that, in accordance with statutes, regulations, published rulings and court decisions existing on the date thereof (“Existing Law”), (1) interest on the Bonds for federal income tax purposes will be excludable from the “gross income” of the holders thereof and (2) the Bonds will not be treated as “specified private activity bonds” the interest on which would be included as an alternative minimum tax preference item under section 57(a)(5) of the Internal Revenue Code of 1986 (the “Code”). Except as stated above, Bond Counsel to the City will express no opinion as to any other federal, state or local tax consequences of the purchase, ownership or disposition of the Bonds. See “APPENDIX C — Form of Opinion of Bond Counsel.”

In rendering its opinion, Bond Counsel to the City will rely upon (a) the City’s federal tax certificate, and (b) covenants of the City contained in the Bond documents relating to arbitrage, the application of the proceeds to be received from the issuance and sale of the Bonds, and certain other matters. Failure by the City to observe the aforementioned representations or covenants could cause the interest on the Bonds to become taxable retroactively to the date of issuance.

The Code and the regulations promulgated thereunder contain a number of requirements that must be satisfied subsequent to the issuance of the Bonds in order for interest on the Bonds to be, and to remain, excludable from gross income for federal income tax purposes. Failure to comply with such requirements may cause interest on the Bonds to be included in gross income retroactively to the date of issuance of the Bonds. The opinion of Bond Counsel to the City is conditioned on compliance by the City with such requirements, and Bond Counsel to the City has not been retained to monitor compliance with these requirements subsequent to the issuance of the Bonds.

Bond Counsel's opinion represents its legal judgment based upon its review of Existing Law and the reliance on the aforementioned information, representations and covenants. Bond Counsel's opinion is not a guarantee of a result. Existing Law is subject to change by Congress and to subsequent judicial and administrative interpretation by the courts and the Department of the Treasury. There can be no assurance that Existing Law or the interpretation thereof will not be changed in a manner which would adversely affect the tax treatment of the purchase, ownership or disposition of the Bonds.

A ruling was not sought from the Internal Revenue Service by the City with respect to the Bonds or the property financed or refinanced with proceeds of the Bonds. No assurances can be given as to whether the Internal Revenue Service will commence an audit of the Bonds, or as to whether the Internal Revenue Service would agree with the opinion of Bond Counsel. If an Internal Revenue Service audit is commenced, under current procedures the Internal Revenue Service is likely to treat the City as the taxpayer and the Bondholders may have no right to participate in such procedure. No additional interest will be paid upon any determination of taxability.

Federal Income Tax Accounting Treatment of Original Issue Discount

The initial public offering price to be paid for one or more maturities of the Bonds may be less than the principal amount thereof or one or more periods for the payment of interest on the bonds may not be equal to the accrual period or be in excess of one year (the "Original Issue Discount Bonds"). In such event, the difference between (i) the "stated redemption price at maturity" of each Original Issue Discount Bond, and (ii) the initial offering price to the public of such Original Issue Discount Bond would constitute original issue discount. The "stated redemption price at maturity" means the sum of all payments to be made on the bonds less the amount of all periodic interest payments. Periodic interest payments are payments which are made during equal accrual periods (or during any unequal period if it is the initial or final period) and which are made during accrual periods which do not exceed one year.

Under existing law, any owner who has purchased such Original Issue Discount Bond in the initial public offering is entitled to exclude from gross income (as defined in section 61 of the Code) an amount of income with respect to such Original Issue Discount Bond equal to that portion of the amount of such original issue discount allocable to the accrual period. For a discussion of certain collateral federal tax consequences, see discussion set forth below.

In the event of the redemption, sale or other taxable disposition of such Original Issue Discount Bond prior to stated maturity, however, the amount realized by such owner in excess of the basis of such Original Issue Discount Bond in the hands of such owner (adjusted upward by the portion of the original issue discount allocable to the period for which such Original Issue Discount Bond was held by such initial owner) is includable in gross income.

Under existing law, the original issue discount on each Original Issue Discount Bond is accrued daily to the stated maturity thereof (in amounts calculated as described below for each six-month period ending on the date before the semiannual anniversary dates of the date of the Bonds and ratably within each such six-month period) and the accrued amount is added to an initial owner's basis for such Original Issue Discount Bond for purposes of determining the amount of gain or loss recognized by such owner upon the redemption, sale or other disposition thereof. The amount to be added to basis for each accrual period is equal to (a) the sum of the issue price and the amount of original issue discount accrued in prior periods multiplied by the yield to stated maturity (determined on the basis of compounding at the close of each accrual period and properly adjusted for the length of the accrual period) less (b) the amounts payable as current interest during such accrual period on such Original Issue Discount Bond.

The federal income tax consequences of the purchase, ownership, redemption, sale or other disposition of Original Issue Discount Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those described above. All owners of Original Issue Discount Bonds should consult their own tax advisors with respect to the determination for federal, state and local income tax purposes of the treatment of interest accrued upon redemption, sale or other disposition of such Original Issue Discount Bonds and with respect to the federal, state, local and foreign tax consequences of the purchase, ownership, redemption, sale or other disposition of such Original Issue Discount Bonds.

Collateral Federal Income Tax Consequences

The following discussion is a summary of certain collateral federal income tax consequences resulting from the purchase, ownership or disposition of the Bonds. This discussion is based on existing statutes, regulations, published rulings and court decisions, all of which are subject to change or modification, retroactively.

The following discussion is applicable to investors, other than those who are subject to special provisions of the Code, such as financial institutions, property and casualty insurance companies, life insurance companies, individual recipients of Social Security or Railroad Retirement benefits, individuals allowed an earned income credit, certain S corporations with Subchapter C earnings and profits, foreign corporations subject to the branch profits tax, taxpayers qualifying for the health insurance premium assistance credit and taxpayers who may be deemed to have incurred or continued indebtedness to purchase tax-exempt obligations.

THE DISCUSSION CONTAINED HEREIN MAY NOT BE EXHAUSTIVE. INVESTORS, INCLUDING THOSE WHO ARE SUBJECT TO SPECIAL PROVISIONS OF THE CODE, SHOULD CONSULT THEIR OWN TAX ADVISORS AS TO THE TAX TREATMENT WHICH MAY BE ANTICIPATED TO RESULT FROM THE PURCHASE, OWNERSHIP AND DISPOSITION OF TAX-EXEMPT OBLIGATIONS BEFORE DETERMINING WHETHER TO PURCHASE THE BONDS SIMILARLY SECURED.

Interest on the Bonds may be includable in certain corporations' "adjusted financial statement income" determined under section 56A of the Code to calculate the alternative minimum tax imposed by section 55 of the Code.

Under section 6012 of the Code, holders of tax-exempt obligations, such as the Bonds, may be required to disclose interest received or accrued during each taxable year on their returns of federal income taxation.

Section 1276 of the Code provides for ordinary income tax treatment of gain recognized upon the disposition of a tax-exempt obligation, such as the Bonds, if such obligation was acquired at a "market discount" and if the fixed maturity of such obligation is equal to, or exceeds, one year from the date of issue. Such treatment applies to "market discount bonds" to the extent such gain does not exceed the accrued market discount of such bonds; although for this purpose, a de minimis amount of market discount is ignored. A "market discount bond" is one which is acquired by the holder at a purchase price which is less than the stated redemption price at maturity or, in the case of a bond issued at an original issue discount, the "revised issue price" (i.e., the issue price plus accrued original issue discount). The "accrued market discount" is the amount which bears the same ratio to the market discount as the number of days during which the holder holds the obligation bears to the number of days between the acquisition date and the final maturity date.

State, Local and Foreign Taxes

Investors should consult their own tax advisors concerning the tax implications of the purchase, ownership or disposition of the Bonds under applicable state or local laws. Foreign investors should also consult their own tax advisors regarding the tax consequences unique to investors who are not United States persons.

Information Reporting and Backup Withholding

Subject to certain exceptions, information reports describing interest income, including original issue discount, with respect to the Bonds will be sent to each registered holder and to the IRS. Payments of interest and principal may be subject to backup withholding under section 3406 of the Code if a recipient of the payments fails to furnish to the payor such owner's social security number or other taxpayer identification number ("TIN"), furnishes an incorrect TIN, or otherwise fails to establish an exemption from the backup withholding tax. Any amounts so withheld would be allowed as a credit against the recipient's federal income tax. Special rules apply to partnerships, estates and trusts, and in certain circumstances, and in respect of Non-U.S. holders, certifications as to foreign status and other matters may be required to be provided by partners and beneficiaries thereof.

Future and Proposed Legislation

Tax legislation, administrative actions taken by tax authorities, or court decisions, whether at the Federal or state level, may adversely affect the tax-exempt status of interest on the Bonds under Federal or state law and could affect the market price or marketability of the Bonds. Any such proposal could limit the value of certain deductions and exclusions, including the exclusion for tax-exempt interest. The likelihood of any such proposal being enacted cannot be predicted. Prospective purchasers of the Bonds should consult their own tax advisors regarding the foregoing matters.

LEGAL MATTERS

Legal Proceedings

Delivery of the Bonds will be accompanied by the unqualified approving legal opinion of the Attorney General to the effect that the Bonds are valid and legally binding obligations of the City under the Constitution and laws of the State, payable from the Trust Estate and, based upon their examination of a transcript of certified proceedings relating to the issuance and sale of the Bonds, the legal opinion of Bond Counsel, to a like effect.

McCall, Parkhurst & Horton L.L.P. serves as Bond Counsel to the City. Norton Rose Fulbright US LLP serves as Underwriter's Counsel. The legal fees paid to Bond Counsel and Underwriter's Counsel are contingent upon the sale and delivery of the Bonds.

Legal Opinions

The City will furnish the Underwriter a transcript of certain certified proceedings incident to the authorization and issuance of the Bonds. Such transcript will include a certified copy of the approving opinion of the Attorney General of Texas, as recorded in the Bond Register of the Comptroller of Public Accounts of the State, to the effect that the Bonds are valid and binding special obligations of the City. The City will also furnish the legal opinion of Bond Counsel, to the effect that, based upon an examination of such transcript, the Bonds are valid and binding special obligations of the City under the Constitution and laws of the State. The legal opinion of Bond Counsel will further state that the Bonds, including principal thereof and interest thereon, are payable from and secured by a pledge of and lien on the Pledged Revenues. Bond Counsel will also provide a legal opinion to the effect that interest on the Bonds will be excludable from gross income for federal income tax purposes under Section 103(a) of the Code, subject to the matters described above under the caption "TAX MATTERS." A copy of the opinion of Bond Counsel is attached hereto as "APPENDIX C —Form of Opinion of Bond Counsel."

Except as noted below, Bond Counsel did not take part in the preparation of the Limited Offering Memorandum, and such firm has not assumed any responsibility with respect thereto or undertaken independently to verify any of the information contained therein, except that, in its capacity as Bond Counsel, such firm has reviewed the information describing the Bonds in the Limited Offering Memorandum under the captions or subcaptions "PLAN OF FINANCE — The Bonds", "DESCRIPTION OF THE BONDS," "SECURITY FOR THE BONDS SIMILARLY SECURED" (except for the subcaption "TIRZ No. 3 Revenues May Reduce Assessments"), "ASSESSMENT PROCEDURES" (except for the subcaptions "Assessment Methodology" and "Assessment Amounts"), "THE DISTRICT," "TAX MATTERS," "LEGAL MATTERS — Legal Proceedings," "LEGAL MATTERS — Legal Opinions," "CONTINUING DISCLOSURE – The City," "REGISTRATION AND QUALIFICATION OF BONDS FOR SALE," "INVESTMENTS," "LEGAL INVESTMENTS AND ELIGIBILITY TO SECURE PUBLIC FUNDS IN TEXAS" and APPENDIX A and such firm is of the opinion that the information relating to the Bonds, the Bond Ordinance, the Assessment Ordinance and the Indenture contained therein fairly and accurately describes the laws and legal issues addressed therein and, with respect to the Bonds, such information conforms to the Bond Ordinance, the Assessment Ordinance and the Indenture.

The various legal opinions to be delivered concurrently with the delivery of the Bonds express the professional judgment of the attorneys rendering the opinions as to the legal issues explicitly addressed therein. In rendering a legal opinion, the attorney does not become an insurer or guarantor of that expression of professional judgment, of the transaction opined upon, or of the future performance of the parties to the transaction. Nor does the rendering of an opinion guarantee the outcome of any legal dispute that may arise out of the transaction.

Litigation — The City

At the time of delivery and payment for the Bonds, the City will certify that, except as disclosed herein, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, regulatory agency, public board or body, pending or overtly threatened against the City affecting the existence of the District, or seeking to restrain or to enjoin the sale or delivery of the Bonds, the application of the proceeds thereof, in accordance with the Indenture, or the collection or application of Major Improvement Area Assessments securing the Bonds, or in any way contesting or affecting the validity or enforceability of the Bonds, the Assessment Ordinance, the Indenture, any action of the City contemplated by any of the said documents, or the collection or application of the Pledged Revenues, or in any way contesting the completeness or accuracy of this Limited Offering Memorandum or any amendment or supplement thereto, or contesting the powers of the City or its authority with respect to the Bonds or any action of the City contemplated by any documents relating to the Bonds.

Litigation — The Developers

At the time of delivery and payment for the Bonds, the Developers will certify that, except as disclosed herein, there is no action, suit, proceeding, inquiry or investigation, at law or in equity, before or by any court, regulatory body, public board or body pending, or, to the best knowledge of the Developers, threatened against or affecting the Developers wherein an unfavorable decision, ruling or finding would have a material adverse effect on the financial condition or operations of the Developers or its members or would adversely affect (i) the transactions contemplated by, or the validity or enforceability of, the Bonds, the Indenture, the Bond Ordinance, the Service and Assessment Plan, the Development Agreement, or the Bond Purchase Agreement, or otherwise described in this Limited Offering Memorandum, or (ii) the tax-exempt status of interest on the Bonds (individually or in the aggregate, a “Material Adverse Effect”).

SUITABILITY FOR INVESTMENT

Investment in the Bonds poses certain economic risks. See “BONDHOLDERS’ RISKS.” The Bonds are not rated by any nationally recognized municipal securities rating service. No dealer, broker, salesman or other person has been authorized by the City or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum, and, if given or made, such other information or representations must not be relied upon as having been authorized by either of the foregoing. Additional information will be made available to each prospective investor, including the benefit of a site visit to the City and the opportunity to ask questions of the Developers, as such prospective investor deems necessary in order to make an informed decision with respect to the purchase of the Bonds.

ENFORCEABILITY OF REMEDIES

The remedies available to the owners of the Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions, which are often subject to discretion and delay. See “BONDHOLDERS’ RISKS — Bondholders’ Remedies and Bankruptcy.” Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Bonds will be qualified, as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors and enacted before or after such delivery.

NO RATING

No application for a rating on the Bonds has been made to any rating agency, nor is there any reason to believe that the City would have been successful in obtaining an investment grade rating for the Bonds had application been made.

CONTINUING DISCLOSURE

The City

Pursuant to Rule 15c2-12 of the United States Securities and Exchange Commission (the “Rule”), the City, the Administrator and U.S. Bank Trust Company, National Association (in such capacity, the “Dissemination Agent”) expect to enter into a Continuing Disclosure Agreement (the “City Disclosure Agreement”) for the benefit of the Holders of the Bonds (including owners of beneficial interests in the Bonds), to provide, by certain dates prescribed in the City Disclosure Agreement, certain financial information and operating data relating to the City (collectively, the “City Reports”). The specific nature of the information to be contained in the City Reports is set forth in “APPENDIX D-1 — Form of City Disclosure Agreement.” Under certain circumstances, the failure of the City to comply with its obligations under the City Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the City Disclosure Agreement would allow the Holders of the Bonds (including owners of beneficial interests in the Bonds) to bring an action for specific performance.

The City has agreed to update information and to provide notices of certain specified events only as provided in the City Disclosure Agreement. The City has not agreed to provide other information that may be relevant or material to a complete presentation of its financial results of operations, condition, or prospects or agreed to update any information that is provided in this Limited Offering Memorandum, except as provided in the City Disclosure Agreement. The City makes no representation or warranty concerning such information or concerning its usefulness to a decision to invest in or sell the Bonds at any future date. The City disclaims any contractual or tort liability for damages resulting in whole or in part from any breach of the City Disclosure Agreement or from any statement made pursuant to the City Disclosure Agreement.

The City’s Compliance with Prior Undertakings

During the last five years, the City has complied in all material respects with its continuing disclosure agreements made in accordance with the Rule.

The Developers

The Bailey Developer. The Bailey Developer, the Administrator, and the Dissemination Agent expect to enter into a Continuing Disclosure Agreement (the “Bailey Developer Disclosure Agreement”) for the benefit of the Holders of the Bonds (including owners of beneficial interests in the Bonds), to provide, by certain dates prescribed in the Bailey Developer Disclosure Agreement, certain information regarding the District and the Major Improvement Area Improvements (collectively, the “Bailey Developer Reports”). The specific nature of the information to be contained in the Developer Reports is set forth in “APPENDIX D-2 — Form of Bailey Disclosure Agreement.” Under certain circumstances, the failure of the Bailey Developer or the Administrator to comply with its obligations under the Bailey Developer Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Bailey Developer Disclosure Agreement would allow the Holders of the Bonds (including owners of beneficial interests in the Bonds) to bring an action for specific performance. The Bailey Developer Disclosure Agreement is a voluntary agreement made for the benefit of the holders of the Bonds and is not entered into pursuant to the Rule.

The Armbruster Developer. The Armbruster Developer, the Administrator, and the Dissemination Agent expect to enter into a Continuing Disclosure Agreement (the “Armbruster Developer Disclosure Agreement”) for the benefit of the Holders of the Bonds (including owners of beneficial interests in the Bonds), to provide, by certain dates prescribed in the Armbruster Developer Disclosure Agreement, certain information regarding the District and the Major Improvement Area Improvements (collectively, the “Armbruster Developer Reports”). The specific nature of the information to be contained in the Armbruster Developer Reports is set forth in “APPENDIX D-3 — Form of Armbruster Developer Disclosure Agreement.” Under certain circumstances, the failure of the Armbruster Developer or the Administrator to comply with its obligations under the Armbruster Developer Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Armbruster Developer Disclosure Agreement would allow the Holders of the Bonds (including owners of beneficial interests in the Bonds) to bring an action for specific performance. The Armbruster

Developer Disclosure Agreement is a voluntary agreement made for the benefit of the holders of the Bonds and is not entered into pursuant to the Rule.

Pursuant to the Bailey Developer Disclosure Agreement and the Armbruster Developer Disclosure Agreement (each, a “Developer Disclosure Agreement”), each Developer has agreed to provide (i) certain updated information to the Administrator, which consultant will prepare and provide such updated information in report form and (ii) notices of certain specified events, only as provided in the applicable Developer Disclosure Agreement. The Developers have not agreed to provide other information that may be relevant or material to a complete presentation of its financial results of operations, condition, or prospects or agreed to update any information that is provided in this Limited Offering Memorandum, except as provided in the applicable Developer Disclosure Agreement. The Developers makes no representation or warranty concerning such information or concerning its usefulness to a decision to invest in or sell the Bonds at any future date. The Developers disclaim any contractual or tort liability for damages resulting in whole or in part from any breach of the applicable Developer Disclosure Agreement or from any statement made pursuant to the applicable Developer Disclosure Agreement.

The Developers’ Compliance with Prior Undertakings

Bailey Developer. The Bailey Developer has not previously entered into an agreement to provide continuing disclosure.

Armbruster Developer. The Armbruster Developer has not previously entered into an agreement to provide continuing disclosure.

UNDERWRITING

FMSbonds, Inc. (the “Underwriter”) has agreed to purchase the Bonds from the City at a purchase price of \$_____ (the par amount of the Bonds, less an underwriting discount of \$_____, which includes Underwriter’s Counsel’s fee of \$_____). The Underwriter’s obligations are subject to certain conditions precedent and if obligated to purchase any of the Bonds the Underwriter will be obligated to purchase all of the Bonds. The Bonds may be offered and sold by the Underwriter at prices lower than the initial offering prices stated on the inside cover page hereof, and such initial offering prices may be changed from time to time by the Underwriter.

REGISTRATION AND QUALIFICATION OF BONDS FOR SALE

The sale of the Bonds has not been registered under the Federal Securities Act of 1933, as amended, in reliance upon the exemption provided thereunder by Section 3(a)(2); and the Bonds have not been qualified under the Securities Act of Texas in reliance upon various exemptions contained therein; nor have the Bonds been qualified under the securities acts of any other jurisdiction. The City assumes no responsibility for qualification of the Bonds under the securities laws of any jurisdiction in which the Bonds may be sold, assigned, pledged, hypothecated or otherwise transferred. This disclaimer of responsibility for qualification for sale or other disposition of the Bonds shall not be construed as an interpretation of any kind with regard to the availability of any exemption from securities registration provisions.

LEGAL INVESTMENT AND ELIGIBILITY TO SECURE PUBLIC FUNDS IN TEXAS

The PID Act and Section 1201.041 of the Public Security Procedures Act (Chapter 1201, Texas Government Code, as amended) provide that the Bonds are negotiable instruments and investment securities governed by Chapter 8, Texas Business and Commerce Code, as amended, and are legal and authorized investments for insurance companies, fiduciaries, trustees, or for the sinking funds of municipalities or other political subdivisions or public agencies of the State. With respect to investment in the Bonds by municipalities or other political subdivisions or public agencies of the State, the PFIA requires that the Bonds be assigned a rating of at least “A” or its equivalent as to investment quality by a national rating agency. See “NO RATING” above. In addition, the PID Act and various provisions of the Texas Finance Code provide that, subject to a prudent investor standard, the Bonds are legal investments for state banks, savings banks, trust companies with capital of one million dollars or more, and savings and loan associations. The Bonds are eligible to secure deposits to the extent of their market value. No review by the City has been made of the laws in other states to determine whether the Bonds are legal investments for various

institutions in those states. No representation is made that the Bonds will be acceptable to public entities to secure their deposits or acceptable to such institutions for investment purposes.

The City made no investigation of other laws, rules, regulations or investment criteria which might apply to such institutions or entities or which might limit the suitability of the Bonds for any of the foregoing purposes or limit the authority of such institutions or entities to purchase or invest in the Bonds for such purposes.

INVESTMENTS

The City invests its funds in investments authorized by Texas law in accordance with investment policies approved by the City Council. Both Texas law and the City's investment policies are subject to change.

Under Texas law, the City is authorized to invest in (1) obligations, including letters of credit, of the United States or its agencies and instrumentalities, including the Federal Home Loan Banks; (2) direct obligations of the State or its agencies and instrumentalities; (3) collateralized mortgage obligations directly issued by a federal agency or instrumentality of the United States, the underlying security for which is guaranteed by an agency or instrumentality of the United States; (4) other obligations, the principal and interest of which are unconditionally guaranteed or insured by or backed by the full faith and credit of, the State or the United States or their respective agencies and instrumentalities, including obligations that are fully guaranteed or insured by the Federal Deposit Insurance Corporation or by the explicit full faith and credit of the United States; (5) obligations of states, agencies, counties, cities, and other political subdivisions of any state rated as to investment quality by a nationally recognized investment rating firm not less than A or its equivalent; (6) bonds issued, assumed or guaranteed by the State of Israel; (7) interest-bearing banking deposits that are guaranteed or insured by the Federal Deposit Insurance Corporation or its successor or the National Credit Union Share Insurance Fund or its successor, (8) interest-bearing banking deposits other than those described by clause (7) if (A) the funds invested in the banking deposits are invested through: (i) a broker with a main office or branch office in this State that the City selects from a list the governing body or designated investment committee of the entity adopts as required by Section 2256.025, Texas Government Code; or (ii) a depository institution with a main office or branch office in the State that the City selects; (B) the broker or depository institution selected as described by (A) above arranges for the deposit of the funds in the banking deposits in one or more federally insured depository institutions, regardless of where located, for the investing entity's account; (C) the full amount of the principal and accrued interest of the banking deposits is insured by the United States or an instrumentality of the United States; and (D) the City appoints as its custodian of the banking deposits issued for its account: (i) the depository institution selected as described by (A) above; (ii) an entity described by Section 2257.041(d), Texas Government Code; or (iii) a clearing broker dealer registered with the SEC and operating under Securities and Exchange Commission Rule 15c3-3; (9) certificates of deposit and share certificates (i) issued by or through an institution that either has its main office or a branch office in the State, and are guaranteed or insured by the Federal Deposit Insurance Corporation or the National Credit Union Insurance Fund, or are secured as to principal by obligations described in the clauses (1) through (6) or in any other manner and amount provided by law for City deposits, or (ii) where (a) the funds are invested by the City through (I) a broker that has its main office or a branch office in the State and is selected from a list adopted by the City as required by law or (II) a depository institution that has its main office or a branch office in the State that is selected by the City; (b) the broker or the depository institution selected by the City arranges for the deposit of the funds in certificates of deposit in one or more federally insured depository institutions, wherever located, for the account of the City; (c) the full amount of the principal and accrued interest of each of the certificates of deposit is insured by the United States or an instrumentality of the United States, and (d) the City appoints the depository institution selected under (a) above, a custodian as described by Section 2257.041(d) of the Texas Government Code, or a clearing broker-dealer registered with the Securities and Exchange Commission and operating pursuant to Securities and Exchange Commission Rule 15c3-3 (17 C.F.R. Section 240.15c3-3) as custodian for the City with respect to the certificates of deposit; (10) fully collateralized repurchase agreements that have a defined termination date, are fully secured by a combination of cash and obligations described in clause (1) which are pledged to the City, held in the City's name, and deposited at the time the investment is made with the City or with a third party selected and approved by the City and are placed through a primary government securities dealer, as defined by the Federal Reserve, or a financial institution doing business in the State; (11) securities lending programs if (i) the securities loaned under the program are 100% collateralized, a loan made under the program allows for termination at any time and a loan made under the program is either secured by (a) obligations that are described in clauses (1) through (6) above, (b) irrevocable letters of credit issued by a state or national bank that is continuously rated by a nationally recognized investment rating firm at not less than A or its equivalent or (c) cash

invested in obligations described in clauses (1) through (6) above, clauses (13) through (15) below, or an authorized investment pool; (ii) securities held as collateral under a loan are pledged to the City, held in the City's name and deposited at the time the investment is made with the City or a third party designated by the City; (iii) a loan made under the program is placed through either a primary government securities dealer or a financial institution doing business in the State; and (iv) the agreement to lend securities has a term of one year or less, (12) certain bankers' acceptances with the remaining term of 270 days or less, if the short-term obligations of the accepting bank or its parent are rated at least A-1 or P-1 or the equivalent by at least one nationally recognized credit rating agency, (13) commercial paper with a stated maturity of 365 days or less that is rated at least A-1 or P-1 or the equivalent by either (a) two nationally recognized credit rating agencies or (b) one nationally recognized credit rating agency if the paper is fully secured by an irrevocable letter of credit issued by a U.S. or state bank, (14) no-load money market mutual funds registered with and regulated by the Securities and Exchange Commission that provide the City with a prospectus and other information required by the Securities Exchange Act of 1934 or the Investment Company Act of 1940 and comply with federal Securities and Exchange Commission Rule 2a-7, and (15) no-load mutual funds registered with the Securities and Exchange Commission that have an average weighted maturity of less than two years, and have a duration of one year or more and are invested exclusively in obligations described in this paragraph or have a duration of less than one year and the investment portfolio is limited to investment grade securities, excluding asset-backed securities. In addition, bond proceeds may be invested in guaranteed investment contracts that have a defined termination date and are secured by obligations, including letters of credit, of the United States or its agencies and instrumentalities in an amount at least equal to the amount of bond proceeds invested under such contract, other than the prohibited obligations described in the next succeeding paragraph.

The City may invest in such obligations directly or through government investment pools that invest solely in such obligations provided that the pools are rated no lower than "AAA" or "AAA-m" or an equivalent by at least one nationally recognized rating service. The City may also contract with an investment management firm registered under the Investment Advisers Act of 1940 (15 U.S.C. Section 80b-1 et seq.) or with the State Securities Board to provide for the investment and management of its public funds or other funds under its control for a term up to two years, but the City retains ultimate responsibility as fiduciary of its assets. In order to renew or extend such a contract, the City must do so by order, ordinance, or resolution. The City is specifically prohibited from investing in: (1) obligations whose payment represents the coupon payments on the outstanding principal balance of the underlying mortgage-backed security collateral and pays no principal; (2) obligations whose payment represents the principal stream of cash flow from the underlying mortgage-backed security and bears no interest; (3) collateralized mortgage obligations that have a stated final maturity of greater than 10 years; and (4) collateralized mortgage obligations the interest rate of which is determined by an index that adjusts opposite to the changes in a market index.

Political subdivisions such as the City are authorized to implement securities lending programs if (i) the securities loaned under the program are 100% collateralized, a loan made under the program allows for termination at any time and a loan made under the program is either secured by (a) obligations that are described in clauses (1) through (6) of the first paragraph under this subcaption, (b) irrevocable letters of credit issued by a state or national bank that is continuously rated by a nationally recognized investment rating firm not less than "A" or its equivalent, or (c) cash invested in obligations that are described in clauses (1) through (6) and (10) through (12) of the first paragraph under this subcaption, or an authorized investment pool; (ii) securities held as collateral under a loan are pledged to the governmental body, held in the name of the governmental body and deposited at the time the investment is made with the City or a third party designated by the City; (iii) a loan made under the program is placed through either a primary government securities dealer or a financial institution doing business in the State; and (iv) the agreement to lend securities has a term of one year or less.

Under Texas law, the City is required to invest its funds under written investment policies that primarily emphasize safety of principal and liquidity; that address investment diversification, yield, maturity, and the quality and capability of investment management; and that includes a list of authorized investments for City funds, the maximum allowable stated maturity of any individual investment, the maximum average dollar-weighted maturity allowed for pooled fund groups, methods to monitor the market price of investments acquired with public funds, a requirement for settlement of all transactions, except investment pool funds and mutual funds, on a delivery versus payment basis, and procedures to monitor rating changes in investments acquired with public funds and the liquidation of such investments consistent with the PFIA. All City funds must be invested consistent with a formally adopted "Investment Strategy Statement" that specifically addresses each fund's investment. Each Investment Strategy

Statement will describe its objectives concerning: (1) suitability of investment type, (2) preservation and safety of principal, (3) liquidity, (4) marketability of each investment, (5) diversification of the portfolio, and (6) yield.

Under Texas law, City investments must be made “with judgment and care, under prevailing circumstances, that a person of prudence, discretion, and intelligence would exercise in the management of the person’s own affairs, not for speculation, but for investment, considering the probable safety of capital and the probable income to be derived.” At least quarterly the investment officers of the City shall submit an investment report detailing: (1) the investment position of the City, (2) that all investment officers jointly prepared and signed the report, (3) the beginning market value, the ending market value and the fully accrued interest for the reporting period of each pooled fund group, (4) the book value and market value of each separately listed asset and fund type invested at the beginning and end of the reporting period by the type of asset and fund type invested, (5) the maturity date of each separately invested asset, (6) the account or fund or pooled fund group for which each individual investment was acquired, and (7) the compliance of the investment portfolio as it relates to: (a) adopted investment strategy statements and (b) state law. No person may invest City funds without express written authority from the City Council.

Under Texas law the City is additionally required to: (1) annually review its adopted policies and strategies; (2) adopt a rule, order, ordinance or resolution stating that it has reviewed its investment policy and investment strategies and records any changes made to either its investment policy or investment strategy in the respective rule, order, ordinance or resolution; (3) require any investment officers’ with personal business relationships or relatives with firms seeking to sell securities to the City to disclose the relationship and file a statement with the Texas Ethics Commission and the City Council; (4) require the registered principal of firms seeking to sell securities to the City to: (a) receive and review the City’s investment policy, (b) acknowledge that reasonable controls and procedures have been implemented to preclude investment transactions conducted between the City and the business organization that are not authorized by the City’s investment policy (except to the extent that this authorization is dependent on an analysis of the makeup of the City’s entire portfolio or requires an interpretation of subjective investment standards), and (c) deliver a written statement attesting to these requirements; (5) perform an annual audit of the management controls on investments and adherence to the City’s investment policy; (6) provide specific investment training for the officers of the City; (7) restrict reverse repurchase agreements to not more than 90 days and restrict the investment of reverse repurchase agreement funds to no greater than the term of the reverse repurchase agreement; (8) restrict the investment in no-load mutual funds in the aggregate to no more than 15% of the entity’s monthly average fund balance, excluding bond proceeds and reserves and other funds held for debt service; (9) require local government investment pools to conform to the new disclosure, rating, net asset value, yield calculation, and advisory board requirements; and (10) at least annually review, revise, and adopt a list of qualified brokers that are authorized to engage in investment transactions with the City.

(a) The Bonds Similarly Secured, as to both principal and interest, are and shall be equally and ratably secured by and payable from a first lien on and pledge of the Trust Estate.

(b) The lien on and pledge of the Trust Estate shall be valid and binding and fully perfected from and after the Closing Date for the applicable series of Bonds Similarly Secured, each issued under this Indenture, without physical delivery or transfer of control of the Trust Estate, the filing of this Indenture or any other act; all as provided in Chapter 1208 of the Texas Government Code, as amended, which applies to the issuance of the Bonds Similarly Secured and the pledge of the Trust Estate granted by the City under this Indenture, and such pledge is therefore valid, effective and perfected. If Texas law is amended at any time while the Bonds Similarly Secured are Outstanding such that the pledge of the Trust Estate granted by the City under this Indenture is to be subject to the filing requirements of Chapter 9, Texas Business and Commerce Code, as amended, then in order to preserve to the registered owners of the Bonds Similarly Secured the perfection of the security interest in said pledge, the City agrees to take such measures as it determines are reasonable and necessary under Texas law to comply with the applicable provisions of Chapter 9, Texas Business and Commerce Code, as amended, and enable a filing to perfect the security interest in said pledge to occur.

Section 2.2. Limited Obligations.

The Bonds Similarly Secured are special and limited obligations of the City, payable solely from and secured solely by the Trust Estate, including the Pledged Revenues and the Pledged Funds; and the Bonds Similarly Secured shall never be payable out of funds raised or to be raised by taxation or from any other revenues, properties or income of the City.

Section 2.4. Contract with Holders and Trustee.

(a) The purposes of this Indenture are to establish a lien and the security for, and to prescribe the minimum standards for the authorization, issuance, execution and delivery of, the Bonds Similarly Secured and to prescribe the rights of the Holders, and the rights and duties of the City and the Trustee.

Thereafter, none of the City, the Paying Agent/Registrar, or any other Person shall be liable or responsible to any Holders of such Bonds Similarly Secured for any further payment of such unclaimed moneys or on account of any such Bonds Similarly Secured, subject to any applicable escheat law or similar law of the State.

Section 3.5. Execution and Registration of Bonds.

(a) The Bonds Similarly Secured shall be executed on behalf of the City by the Mayor, Mayor Pro-Tem and City Clerk, by their manual or facsimile signatures, and the official seal of the City shall be impressed or placed in facsimile thereon such facsimile signatures on the Bonds Similarly Secured shall have the same effect as if each of the Bonds Similarly Secured had been signed manually and in person by each of said officers, and such facsimile seal on the Bonds Similarly Secured shall have the same effect as if the official seal of the City had been manually impressed upon each of the Bonds Similarly Secured.

(b) In the event that any officer of the City whose manual or facsimile signature appears on the Bonds Similarly Secured ceases to be such officer before the authentication of such Bonds Similarly Secured or before the delivery thereof, such manual or facsimile signature nevertheless shall be valid and sufficient for all purposes as if such officer had remained in such office.

(c) Except as provided below, no Bond Similarly Secured shall be valid or obligatory for any purpose or be entitled to any security or benefit of this Indenture unless and until there appears thereon the Certificate of Trustee substantially in the form provided herein or in a Supplemental Indenture, duly authenticated by manual execution by an officer or duly authorized signatory of the Trustee. It shall not be required that the same officer or authorized signatory of the Trustee sign the Certificate of Trustee on all of the Bonds Similarly Secured. In lieu of the executed Certificate of Trustee described above, the Initial Bond delivered at the Closing Date for such series of Bonds Similarly Secured shall have attached thereto the Comptroller's Registration Certificate substantially in the form provided herein or in a Supplemental Indenture, manually executed by the Comptroller, or by his duly authorized agent, which certificate shall be evidence that the Initial Bond has been duly approved by the Attorney General, is a valid and binding obligation of the City, and has been registered by the Comptroller.

(d) On each Closing Date, one Initial Bond for each series of Bonds Similarly Secured representing the entire principal amount of all Bonds of such series of Bonds Similarly Secured and registered in the name of Cede & Co, payable in stated installments to the applicable Purchaser, or its designee, executed with the manual or facsimile signatures of the Mayor, Mayor Pro-Tem and the City Clerk, approved by the Attorney General, and registered and manually signed by the Comptroller, will be delivered to the Purchaser of such Bonds Similarly Secured or its designee. Upon payment for the Initial Bond, the Trustee shall cancel the Initial Bond and upon City order deliver to DTC on behalf of such Purchaser one registered definitive bond for each year of maturity

of such series of the Bonds Similarly Secured, in the aggregate principal amount of all Bonds Similarly Secured of such series for such maturity, registered in the name of Cede & Co., as nominee of DTC.

Section 3.6. Ownership.

(a) The City, the Trustee, the Paying Agent/Registrar and any other Person may treat the Person in whose name any Bond Similarly Secured is registered as the absolute owner of such Bond Similarly Secured for the purpose of making and receiving payment as provided herein (except interest shall be paid to the Person in whose name such Bond Similarly Secured is registered on the Record Date or Special Record Date, as applicable) and for all other purposes, whether or not such Bond Similarly Secured is overdue, and none of the City, the Trustee or the Paying Agent/Registrar shall be bound by any notice or knowledge to the contrary.

(b) All payments made to the Holder of any Bond Similarly Secured shall be valid and effectual and shall discharge the liability of the City, the Trustee and the Paying Agent/Registrar upon such Bond to the extent of the sums paid.

Section 3.7. Registration, Transfer and Exchange.

(a) So long as any Bond Similarly Secured remains outstanding, the City shall cause the Paying Agent/Registrar to keep at the Designated Payment/Transfer Office a Register in which, subject to such reasonable regulations as it may prescribe, the Paying Agent/Registrar shall provide for the registration and transfer of Bonds Similarly Secured in accordance with this Indenture. The Paying Agent/Registrar represents and warrants that it will maintain a copy of the Register, and shall cause the Register to be current with all registration and transfer information as from time to time may be applicable.

(b) A Bond Similarly Secured shall be transferable only upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar with such endorsement or other evidence of transfer as is acceptable to the Paying Agent/Registrar. No transfer of any Bond Similarly Secured shall be effective until entered in the Register.

(c) The Bonds Similarly Secured shall be exchangeable upon the presentation and surrender thereof at the Designated Payment/Transfer Office of the Paying Agent/Registrar for a Bond Similarly Secured or Bonds Similarly Secured of the same maturity and interest rate and in any Authorized Denomination and in an aggregate principal amount equal to the unpaid principal amount of the Bond Similarly Secured presented for exchange. The Trustee is hereby authorized to authenticate and deliver Bonds exchanged for other Bonds Similarly Secured in accordance with this Section.

(d) The Trustee is hereby authorized to authenticate and deliver Bonds Similarly Secured transferred or exchanged in accordance with this Section. A new Bond Similarly Secured or Bonds Similarly Secured will be delivered by the Paying Agent/Registrar, in lieu of the Bond Similarly Secured being transferred or exchanged, at the Designated Payment/Transfer Office, or sent by United States mail, first class, postage prepaid, to the Holder or his designee. Each

transferred Bond Similarly Secured delivered by the Paying Agent/Registrar in accordance with this Section shall constitute an original contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond Similarly Secured or Bonds Similarly Secured in lieu of which such transferred Bond Similarly Secured is delivered.

(e) Each exchange Bond Similarly Secured delivered in accordance with this Section shall constitute an original contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond Similarly Secured or Bonds Similarly Secured in lieu of which such exchange Bond Similarly Secured is delivered.

(f) No service charge shall be made to the Holder for the initial registration, subsequent transfer, or exchange for a different denomination of any of the Bonds Similarly Secured. The Paying Agent/Registrar, however, may require the Holder to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection with the registration, transfer, or exchange of a Bond Similarly Secured.

(g) Neither the City nor the Paying Agent/Registrar shall be required to issue, transfer, or exchange any Bond Similarly Secured or portion thereof called for redemption prior to maturity within forty-five (45) days prior to the date fixed for redemption; provided, however, such limitation shall not be applicable to an exchange by the Holder of the uncalled principal balance of a Bond Similarly Secured.

Section 3.8. Cancellation.

All Bonds Similarly Secured paid or redeemed before scheduled maturity in accordance with this Indenture, and all Bonds Similarly Secured in lieu of which exchange Bonds Similarly Secured or replacement Bonds Similarly Secured are authenticated and delivered in accordance with this Indenture, shall be cancelled, and proper records shall be made regarding such payment, redemption, exchange, or replacement. Whenever in this Indenture provision is made for the cancellation by the Trustee of any Bonds Similarly Secured, the Trustee shall destroy such Bonds Similarly Secured and deliver a certificate of such destruction to the City.

Section 3.9. Temporary Bonds.

(a) Following the delivery and registration of the Initial Bond of each series of Bonds Similarly Secured and pending the preparation of definitive Bonds Similarly Secured, the proper officers of the City may execute and, upon the City's written request, the Trustee shall authenticate and deliver, one or more temporary Bonds Similarly Secured that are printed, lithographed, typewritten, mimeographed or otherwise produced, in any denomination, substantially of the tenor of the definitive Bonds Similarly Secured in lieu of which they are delivered, without coupons, and with such appropriate insertions, omissions, substitutions and other variations as the officers of the City executing such temporary Bonds Similarly Secured may determine, as evidenced by their signing of such temporary Bonds Similarly Secured.

(b) Until exchanged for Bonds Similarly Secured in definitive form, such Bonds Similarly Secured in temporary form shall be entitled to the benefit and security of this Indenture.

(c) The City, without unreasonable delay, shall prepare, execute and deliver to the Trustee the Bonds Similarly Secured in definitive form; thereupon, upon the presentation and surrender of the Bond Similarly Secured or Bonds Similarly Secured in temporary form to the Paying Agent/Registrar, the Paying Agent/Registrar shall cancel the Bonds in temporary form and the Trustee shall authenticate and deliver in exchange therefor a Bond Similarly Secured or Bonds Similarly Secured of the same maturity and series, in definitive form, in the Authorized Denomination, and in the same aggregate principal amount, as the Bond Similarly Secured or Bonds Similarly Secured in temporary form surrendered. Such exchange shall be made without the making of any charge therefor to any Holder.

Section 3.10. **Replacement Bonds.**

(a) Upon the presentation and surrender to the Paying Agent/Registrar of a mutilated Bond Similarly Secured, the Trustee shall authenticate and deliver in exchange therefor a replacement Bond Similarly Secured of like tenor and principal amount, bearing a number not contemporaneously outstanding. The City or the Paying Agent/Registrar may require the Holder of such Bond Similarly Secured to pay a sum sufficient to cover any tax or other governmental charge that is authorized to be imposed in connection therewith and any other expenses connected therewith.

(b) In the event that any Bond Similarly Secured is lost, apparently destroyed, or wrongfully taken, the City shall provide and the Trustee, pursuant to the Applicable Laws of the State and in the absence of notice or knowledge that such Bond Similarly Secured has been acquired by a bona fide purchaser, shall authenticate and deliver a replacement Bond Similarly Secured of like tenor and principal amount bearing a number not contemporaneously outstanding, provided that the Holder first complies with the following requirements:

(i) furnishes to the Paying Agent/Registrar satisfactory evidence of his or her ownership of and the circumstances of the loss, destruction or theft of such Bond Similarly Secured;

(ii) furnishes such security or indemnity as may be required by the Paying Agent/Registrar and the Trustee to save them and the City harmless;

(iii) pays all expenses and charges in connection therewith, including, but not limited to, printing costs, legal fees, fees of the Trustee and the Paying Agent/Registrar and any tax or other governmental charge that is authorized to be imposed; and

(iv) satisfies any other reasonable requirements imposed by the City and the Trustee.

(c) After the delivery of such replacement Bond Similarly Secured, if a bona fide purchaser of the original Bond Similarly Secured in lieu of which such replacement Bond was issued presents for payment such original Bond Similarly Secured, the City and the Paying Agent/Registrar shall be entitled to recover such replacement Bond Similarly Secured from the

Person to whom it was delivered or any Person taking therefrom, except a bona fide purchaser, and shall be entitled to recover upon the security or indemnity provided therefor to the extent of any loss, damage, cost, or expense incurred by the City, the Paying Agent/Registrar or the Trustee in connection therewith.

(d) In the event that any such mutilated, lost, apparently destroyed or wrongfully taken Bond Similarly Secured has become or is about to become due and payable, the Paying Agent/Registrar, in its discretion, instead of issuing a replacement Bond Similarly Secured, may pay such Bond Similarly Secured if it has become due and payable or may pay such Bond Similarly Secured when it becomes due and payable.

(e) Each replacement Bond Similarly Secured delivered in accordance with this Section shall constitute an original additional contractual obligation of the City and shall be entitled to the benefits and security of this Indenture to the same extent as the Bond Similarly Secured or Bonds Similarly Secured in lieu of which such replacement Bond Similarly Secured is delivered.

Section 3.11. Book-Entry Only System.

(a) The Bonds Similarly Secured shall initially be issued in book-entry-only form and shall be deposited with DTC, which is hereby appointed to act as the securities depository therefor, in accordance with the letter of representations from the City to DTC. On the Closing Date the definitive Bonds Similarly Secured shall be issued in the form of a single typewritten certificate for each maturity thereof registered in the name of Cede & Co., as nominee for DTC.

(b) With respect to Bonds Similarly Secured registered in the name of Cede & Co., as nominee of DTC, the City and the Paying Agent/Registrar shall have no responsibility or obligation to any DTC Participant or to any Person on behalf of whom such a DTC Participant holds an interest in the Bonds Similarly Secured. Without limiting the immediately preceding sentence, the City and the Paying Agent/Registrar shall have no responsibility or obligation with respect to (i) the accuracy of the records of DTC, Cede & Co. or any DTC Participant will respect to any ownership interest in the Bonds Similarly Secured, (ii) the delivery to any DTC Participant or any other Person, other than an Holder, as shown on the Register, of any notice with respect to the Bonds Similarly Secured, including any notice of redemption, or (iii) the payment to any DTC Participant or any other Person, other than an Holder, as shown in the Register of any amount with respect to principal of, premium, if any, or interest on the Bonds Similarly Secured. Notwithstanding any other provision of this Indenture to the contrary, the City and the Paying Agent/Registrar shall be entitled to treat and consider the Person in whose name each Bond Similarly Secured is registered in the Register as the absolute owner of such Bond Similarly Secured for the purpose of payment of principal of, premium, if any, and interest on Bonds Similarly Secured, for the purpose of giving notices of redemption and other matters with respect to such Bond Similarly Secured, for the purpose of registering transfer with respect to such Bond Similarly Secured, and for all other purposes whatsoever. The Paying Agent/Registrar shall pay all principal of, premium, if any, and interest on the Bonds Similarly Secured only to or upon the order of the respective Holders as shown in the Register, as provided in this Indenture, and all such payments shall be valid and effective to fully satisfy and discharge the City's obligations with

respect to payment of principal of, premium, if any, and interest on the Bonds Similarly Secured to the extent of the sum or sums so paid. No Person other than a Holder, as shown in the Register, shall receive a Bond Similarly Secured certificate evidencing the obligation of the City to make payments of amounts due pursuant to this Indenture. Upon delivery by DTC to the Paying Agent/Registrar of written notice to the effect that DTC has determined to substitute a new nominee in place of Cede & Co., and subject to the provisions in this Indenture with respect to interest checks or drafts being mailed to the registered owner at the close of business on the Record Date or Special Record Date, as applicable, the word "Cede & Co." in this Indenture shall refer to such new nominee of DTC.

Section 3.12. Successor Securities Depository: Transfer Outside Book-Entry-Only System.

In the event that the City determines that DTC is incapable of discharging its responsibilities described herein and in the letter of representations from the City to DTC, the City shall (i) appoint a successor securities depository, qualified to act as such under Section 17(a) of the Securities and Exchange Act of 1934, as amended, notify DTC and DTC Participants of the appointment of such successor securities depository and transfer one or more separate Bonds Similarly Secured to such successor securities depository; or (ii) notify DTC and DTC Participants of the availability through DTC of certificated Bonds Similarly Secured and cause the Paying Agent/Registrar to transfer one or more separate registered Bonds Similarly Secured to DTC Participants having Bonds Similarly Secured credited to their DTC accounts. In such event, the Bonds Similarly Secured shall no longer be restricted to being registered in the Register in the name of Cede & Co., as nominee of DTC, but may be registered in the name of the successor securities depository, or its nominee, or in whatever name or names Holders transferring or exchanging Bonds Similarly Secured shall designate, in accordance with the provisions of this Indenture.

Section 3.13. Payments to Cede & Co.

Notwithstanding any other provision of this Indenture to the contrary, so long as any Bonds Similarly Secured are registered in the name of Cede & Co., as nominee of DTC, all payments with respect to principal of, premium, if any, and interest on such Bonds Similarly Secured, and all notices with respect to such Bonds Similarly Secured shall be made and given, respectively, in the manner provided in the blanket letter of representations from the City to DTC.

(b) At least thirty (30) days prior to each sinking fund redemption date, and subject to any prior reduction authorized by subparagraphs (c) and (d) of this Section 4.2, the Trustee shall select for redemption by lot a principal amount of Term Bonds of such maturity equal to the Sinking Fund Installment amount of such Term Bonds to be redeemed, shall call such Term Bonds for redemption on such scheduled mandatory redemption date, and shall give notice of such redemption, as provided in Section 4.6.

(c) The principal amount of Term Bonds required to be redeemed on any redemption date pursuant to subparagraph (a) of this Section 4.2 shall be reduced, at the option of the City, by

Section 4.5. Partial Redemption.

(a) If less than all of the Bonds are to be redeemed pursuant to either Sections 4.2, 4.3 or 4.4, Bonds shall be redeemed in increments of \$1,000; provided that no redemption shall cause the principal amount of any Bond to be less than the minimum Authorized Denomination for such Bond except as provided in the following sentence. Notwithstanding the foregoing, if any Bonds are to be partially redeemed and such redemption results in the redemption of a portion of a single Bond in an amount less than the Authorized Denomination in effect at the time, a Bond in the principal amount equal to the unredeemed portion, but not less than \$1,000, may be issued. Each Bond shall be treated as representing the number of Bonds that is obtained by dividing the principal amount of such Bond by the minimum Authorized Denomination for such Bond.

(b) If less than all of a series of Bonds Similarly Secured are called for optional redemption pursuant to Section 4.3 hereof, the City shall, pursuant to a City Certificate, determine the Bond Similarly Secured or Bonds Similarly Secured or the amount thereof within a Stated

Maturity to be redeemed and direct the Trustee to call by lot the Bonds, or portions thereof, within such Stated Maturity and in such principal amounts, for redemption.

(c) If less than all of the Bonds are called for extraordinary optional redemption pursuant to Section 4.4 hereof, the Bonds or portion of a Bond to be redeemed shall be allocated on a pro rata basis (as nearly as practicable) among all Outstanding Bonds. If less than all Bonds within a Stated Maturity are called for extraordinary optional redemption pursuant to Section 4.4 hereof, the Trustee shall call by lot the Bonds, or portions thereof, within such Stated Maturity and in such principal amounts, for redemption.

(d) Upon surrender of any Bond for redemption in part, the Trustee in accordance with Section 3.7 of this Indenture, shall authenticate and deliver an exchange Bond or Bonds in an aggregate principal amount equal to the unredeemed portion of the Bond so surrendered, such exchange being without charge.

Section 4.6. Notice of Redemption to Holders.

(a) Upon written notification by the City to the Trustee of the exercise of any redemption, the Trustee shall give notice of any redemption of Bonds Similarly Secured by sending notice by first class United States mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the Holder of each Bond Similarly Secured or portion thereof to be redeemed, at the address shown in the Register.

(b) The notice shall state the redemption date, the Redemption Price, the place at which the Bonds Similarly Secured are to be surrendered for payment, and, if less than all the Outstanding Bonds Similarly Secured are to be redeemed, and subject to Section 4.5, an identification of the Bonds Similarly Secured or portions thereof to be redeemed, any conditions to such redemption and that on the redemption date, if all conditions, if any, to such redemption have been satisfied, such Bond Similarly Secured shall become due and payable.

(c) Any notice given as provided in this Section shall be conclusively presumed to have been duly given, whether or not the Holder receives such notice.

(d) The City has the right to rescind any optional redemption or extraordinary optional redemption described in Section 4.3 or 4.4 by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds are not available on the date fixed for redemption for the payment in full of the Bonds Similarly Secured then called for redemption, and such cancellation shall not constitute an Event of Default under this Indenture. The Trustee shall mail notice of rescission of redemption in the same manner notice of redemption was originally provided.

(e) With respect to any optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the Redemption Price of the Bonds to be redeemed before giving of a notice of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of

redemption is given and such prerequisites to the redemption and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

Section 4.7. Payment Upon Redemption.

(a) The Trustee shall make provision for the payment of the Bonds Similarly Secured to be redeemed on such date by setting aside and holding in trust an amount from the Redemption Fund or otherwise received by the Trustee from the City and shall use such funds solely for the purpose of paying the Redemption Price on the Bonds Similarly Secured being redeemed.

(b) Upon presentation and surrender of any Bond Similarly Secured called for redemption at the designated corporate trust office of the Trustee on or after the date fixed for redemption, the Trustee shall pay the Redemption Price on such Bond Similarly Secured to the date of redemption from the moneys set aside for such purpose.

Section 4.8. Effect of Redemption.

Notice of redemption having been given as provided in Section 4.6 of this Indenture, the Bonds Similarly Secured or portions thereof called for redemption shall become due and payable on the date fixed for redemption provided that funds for the payment of on the Redemption Price of such Bonds Similarly Secured to the date fixed for redemption are on deposit with the Trustee; thereafter, such Bonds Similarly Secured or portions thereof shall cease to bear interest from and after the date fixed for redemption, whether or not such Bonds Similarly Secured are presented and surrendered for payment on such date.

unless this Bond shall have been sooner called for redemption and the payment of the principal hereof shall have been paid or provision for such payment shall have been made, and to pay interest on the unpaid principal amount hereof from the later of the Date of Delivery, as specified above, or the most recent Interest Payment Date to which interest has been paid or provided for until such principal amount shall have been paid or provided for, at the per annum rate of interest specified above, computed on the basis of a 360-day year of twelve 30-day months, such interest to be paid semiannually on March 1, and September 1, of each year, commencing September 1, 2025.

Capitalized terms appearing herein that are defined terms in the Indenture (defined below), have the meanings assigned to them in the Indenture. Reference is made to the Indenture for such definitions and for all other purposes.

The principal of this Bond shall be payable without exchange or collection charges in lawful money of the United States of America upon presentation and surrender of this Bond at the corporate trust office in Dallas, Texas (the "*Designated Payment/Transfer Office*"), of U.S. Bank Trust Company, National Association, as trustee and paying agent/registrar (the "*Trustee*"), or, with respect to a successor trustee and paying agent/registrar, at the Designated Payment/Transfer Office of such successor. Interest on this Bond is payable by check dated as of the Interest Payment Date, mailed by the Trustee to the registered owner at the address shown on the registration books kept by the Trustee or by such other customary banking arrangements acceptable to the Trustee, requested by, and at the risk and expense of, the Person to whom interest is to be paid. For the purpose of the payment of interest on this Bond, the registered owner shall be the Person in whose name this Bond is registered at the close of business on the "Record Date," which shall be the 15th calendar day of the month next preceding such Interest Payment Date; provided, however, that in the event of nonpayment of interest on a scheduled Interest Payment Date, and for 30 days thereafter, a new record date for such interest payment (a "*Special Record Date*") will be established by the Trustee, if and when funds for the payment of such interest have been received from the City. Notice of the Special Record Date and of the scheduled payment date of the past due interest (which shall be 15 days after the Special Record Date) shall be sent at least five Business Days prior to the Special Record Date by United States mail, first class postage prepaid, to the address of each Holder of a Bond appearing on the books of the Trustee at the close of business on the last Business Day preceding the date of mailing such notice.

If a date for the payment of the principal of or interest on the Bonds is a Saturday, Sunday, legal holiday, or a day on which banking institutions in the city in which the Designated Payment/Transfer Office is located are authorized by law or executive order to close, then the date for such payment shall be the next succeeding Business Day, and payment on such date shall have the same force and effect as if made on the original date payment was due.

This Bond is one of a duly authorized issue of assessment revenue bonds of the City having the designation specified in its title (herein referred to as the "Bonds"), dated as of the Date of Delivery and issued in the aggregate principal amount of \$[_____] and issued, with the limitations described herein, pursuant to an Indenture of Trust, dated as of February 1, 2025 (the "*Indenture*"), by and between the City and the Trustee, to which Indenture reference is hereby made for a description of the amounts thereby pledged and assigned, the nature and extent of the lien and security, the respective rights thereunder to the Holders of the Bonds, the Trustee, and the

City, and the terms upon which the Bonds are, and are to be, authenticated and delivered and by this reference to the terms of which each Holder of this Bond hereby consents. All Bonds issued under the Indenture are equally and ratably secured by the amounts thereby pledged and assigned. The Bonds are being issued for the purpose of (i) paying a portion of the Actual Costs of the Major Improvement Area Projects, (ii) paying the Administrative Reserves related to the Bonds, (iii) paying Bond Issuance Costs for the Bonds, including funding a reserve fund for the payment of principal and interest on the Bonds, and (iv) the interest on the Bonds during and after the period of construction of the Major Improvements.

The Bonds are special, limited obligations of the City payable solely from the Trust Estate. Reference is hereby made to the Indenture, copies of which are on file with and available upon request from the Trustee, for the provisions, among others, with respect to the nature and extent of the duties and obligations of the City, the Trustee and the Holders. The Holder of this Bond, by the acceptance hereof, is deemed to have agreed and consented to the terms, conditions and provisions of the Indenture.

The City has reserved the right to issue Refunding Bonds, Future Improvement Area Bonds and other obligations on the terms and conditions specified in the Indenture.

Notwithstanding any provision hereof, the Indenture may be released and the obligation of the City to make money available to pay this Bond may be defeased by the deposit of money and/or certain direct or indirect Defeasance Securities sufficient for such purpose as described in the Indenture.

The Bonds are issuable as fully registered bonds only in denominations of \$25,000 and any multiple of \$1,000 in excess thereof ("*Authorized Denominations*"). The City prohibits the breaking up or allocation of CUSIP numbers to any Bond or Bonds in denominations of less than \$25,000, and any attempt to do so will be void and of no effect, except as may be the result of a partial redemption of a single Bond as provided in the Indenture, provided, however, that if the total principal amount of any Outstanding Bond is less than \$25,000, then the Authorized Denomination of such Outstanding Bond shall be the amount of such Outstanding Bond. With respect to Refunding Bonds, such term shall have the meaning ascribed thereto in the Supplemental Indenture authorizing the issuance of such Refunding Bonds.

The Bonds maturing on September 1 in the years 20[___], 20[___], and 20[___] (collectively, the "*Term Bonds*"), are subject to mandatory sinking fund redemption prior to their respective maturities and will be redeemed by the City in part a redemption price equal to the principal amount thereof plus accrued and unpaid interest thereon to the date set for redemption from moneys available for such purpose in the Principal and Interest Account of the Bond Fund pursuant to Article VI of the Indenture, on the dates and in the respective Sinking Fund Installments as set forth in the following schedule:

†Final Maturity

At least 30 days prior to each sinking fund redemption date, and subject to any prior reduction authorized by the Indenture, the Trustee shall select for redemption by lot, or by any other customary method that results in a random selection, a principal amount of Term Bonds of such maturity equal to the Sinking Fund Installments of such Term Bonds to be redeemed, shall call such Term Bonds for redemption on such scheduled mandatory sinking fund redemption date, and shall give notice of such redemption, as provided in Section 4.6 of the Indenture.

The principal amount of Term Bonds required to be redeemed on any sinking fund redemption date shall be reduced, at the option of the City, by the principal amount of any Term Bonds of such maturity which, at least 30 days prior to the sinking fund redemption date shall have been acquired by the City at a price not exceeding the principal amount of such Term Bonds plus accrued and unpaid interest to the date of purchase thereof, and delivered to the Trustee for cancellation.

The principal amount of Term Bonds required to be redeemed on any sinking fund redemption date shall be reduced on a pro rata basis among Sinking Fund Installments by the principal amount of any Term Bonds which, at least 30 days prior to the sinking fund redemption date, shall have been redeemed pursuant to the optional redemption or extraordinary optional redemption provisions hereof and not previously credited to a mandatory sinking fund redemption.

The Bonds may be redeemed prior to their scheduled maturities on any date on or after September 1, 20[___], at the option of the City, with funds derived from any available and lawful

source, as a whole, or in part, and, if in part, the particular Bonds, or portions thereof, to be redeemed shall be selected and designated by the City, at a redemption price equal to the principal amount to be redeemed plus accrued interest to the date fixed for redemption.

The Bonds are subject to extraordinary optional redemption prior to maturity in whole or in part, on any date, at the option of the City, at a redemption price equal to the principal amount of the Bonds called for redemption, plus accrued and unpaid interest to the date fixed for redemption from amounts on deposit in the Redemption Fund as a result of Prepayments or any other transfers to the Redemption Fund under the terms of the Indenture. If less than all Bonds are called for extraordinary optional redemption, the Bonds or portion of a Bond to be redeemed shall be allocated on a pro rata basis (as nearly as practicable) among all Outstanding Bonds.

The Trustee shall give notice of any redemption of Bonds by sending notice by first class United States mail, postage prepaid, not less than 30 days before the date fixed for redemption, to the Holder of each Bond (or part thereof) to be redeemed, at the address shown on the Register. The notice shall state the redemption date, the Redemption Price, the place at which the Bonds are to be surrendered for payment, and, if less than all the Bonds Outstanding are to be redeemed, an identification of the Bonds or portions thereof to be redeemed. Any notice so given shall be conclusively presumed to have been duly given, whether or not the Holder receives such notice.

The City has the right to rescind any optional redemption or extraordinary optional redemption described in the Indenture by written notice to the Trustee on or prior to the date fixed for redemption. Any notice of redemption shall be cancelled and annulled if for any reason funds are not available on the date fixed for redemption for the payment in full of the Bonds then called for redemption, and such cancellation shall not constitute an Event of Default under the Indenture. The Trustee shall mail notice of rescission of redemption in the same manner notice of redemption was originally provided.

With respect to any optional redemption of the Bonds, unless the Trustee has received funds sufficient to pay the Redemption Price of the Bonds to be redeemed before giving of a notice of redemption, the notice may state the City may condition redemption on the receipt of such funds by the Trustee on or before the date fixed for the redemption, or on the satisfaction of any other prerequisites set forth in the notice of redemption. If a conditional notice of redemption is given and such prerequisites to the redemption and sufficient funds are not received, the notice shall be of no force and effect, the City shall not redeem the Bonds and the Trustee shall give notice, in the manner in which the notice of redemption was given, that the Bonds have not been redeemed.

The Indenture permits, with certain exceptions as therein provided, the amendment thereof and the modification of the rights and obligations of the City and the rights of the Holders of the Bonds under the Indenture at any time Outstanding affected by such modification. The Indenture also contains provisions permitting the Holders of specified percentages in aggregate principal amount of the Bonds at the time Outstanding, on behalf of the Holders of all the Bonds, to waive compliance by the City with certain past defaults under the Bond Ordinance or the Indenture and their consequences. Any such consent or waiver by the Holder of this Bond or any predecessor Bond evidencing the same debt shall be conclusive and binding upon such Holder and upon all

future Holders thereof and of any Bond issued upon the transfer thereof or in exchange therefor or in lieu thereof, whether or not notation of such consent or waiver is made upon this Bond.

As provided in the Indenture, this Bond is transferable upon surrender of this Bond for transfer at the Designated Payment/Transfer Office, with such endorsement or other evidence of transfer as is acceptable to the Trustee, and upon delivery to the Trustee of such certifications and/or opinion of counsel as may be required under the Indenture for the transfer of this Bond. Upon satisfaction of such requirements, one or more new fully registered Bonds of the same Stated Maturity, of Authorized Denominations, bearing the same rate of interest, and for the same aggregate principal amount will be issued to the designated transferee or transferees.

Neither the City nor the Trustee shall be required to issue, transfer or exchange any Bond called for redemption where such redemption is scheduled to occur within 45 calendar days of the transfer or exchange date; provided, however, such limitation shall not be applicable to an exchange by the registered owner of the uncalled principal balance of a Bond.

The City, the Trustee, and any other Person may treat the Person in whose name this Bond is registered as the owner hereof for the purpose of receiving payment as herein provided (except interest shall be paid to the Person in whose name this Bond is registered on the Record Date or Special Record Date, as applicable) and for all other purposes, whether or not this Bond be overdue, and neither the City nor the Trustee shall be affected by notice to the contrary.

NEITHER THE FULL FAITH AND CREDIT NOR THE GENERAL TAXING POWER OF THE CITY, HAYS COUNTY, TRAVIS COUNTY, OR THE STATE OF TEXAS, OR ANY POLITICAL SUBDIVISION THEREOF, IS PLEDGED TO THE PAYMENT OF THE BONDS.

IT IS HEREBY CERTIFIED AND RECITED that the issuance of this Bond and the series of which it is a part is duly authorized by law; that all acts, conditions and things required to be done precedent to and in the issuance of the Bonds have been properly done and performed and have happened in regular and due time, form and manner, as required by law; and that the total indebtedness of the City, including the Bonds, does not exceed any Constitutional or statutory limitation.

Upon the Trustee's receipt of the Pledged Revenues, including the Pledged Revenues deposited into the Project Collection Fund pursuant to Section 6.3(b) and subsequently transferred to the Pledged Revenue Fund by the Trustee pursuant to a City Certificate as described in Section 6.3(b), the Trustee shall deposit or cause to be deposited the foregoing amounts as follows: (i) first, to the Bond Pledged Revenue Account of the Pledged Revenue Fund in an amount sufficient to pay debt service on the Bonds Similarly Secured next coming due, (ii) second, to the Reserve Account of the Reserve Fund in an amount to cause the amount in the Reserve Account to equal the Reserve Account Requirement, (iii) third, to pay other Actual Costs of the Major Improvement Area Projects as provided in Section 6.5 hereof, and (iv) fourth, to pay other costs permitted by the PID Act. Notwithstanding the foregoing, the Additional Interest of the Annual Installments shall only be utilized for the purposes set forth in Section 6.7(b) hereof and, on each March 1, beginning March 1, 2026, and on any other day set forth in a City Certificate, the amount of Additional Interest of the Annual Installments confirmed by the City pursuant to a City Certificate, will be transferred from the Pledged Revenue Fund and deposited into the Delinquency & Prepayment Reserve Account and/or the Redemption Fund, as applicable. If there are insufficient funds to make the deposit in full set forth in (i) above for the debt service payment date immediately following the required transfer date or the deposit in full set forth in (ii) above after the City transfers the Pledged Revenues to the Trustee by the dates specified in this Section 6.3(a) and after the Trustee deposits all such Pledged Revenues as provided in this Section 6.3(a), the City shall make additional transfers of Pledged Revenues as soon as available and practicable to the Trustee from time to time for deposit to the Pledged Revenue Fund as necessary to ensure such deposits in (i) and (ii) are made in full.

(b) While any of the Bonds Similarly Secured are Outstanding, the Counties acting by and through their Tax Assessor-Collectors or another taxing unit or an appraisal district, by agreement with the City, may collect Assessment Revenues on the City's behalf. If such taxing unit or appraisal district presents or otherwise tenders to the Trustee such collected Assessment Revenues for deposit on the City's behalf, the Trustee shall accept such Assessment Revenues and deposit the same into the Project Collection Fund. The Trustee shall, as directed by the City pursuant to a City Certificate deposit or cause to be deposited (i) all of that portion of the Assessment Revenues deposited into the Project Collection Fund that consists of the Annual Collection Costs and Delinquent Collection Costs to the Administrative Fund, and (ii) all of that portion of the Assessment Revenues deposited into the Project Collection Fund that consists of the Pledged Revenues into the Pledged Revenue Fund and shall further deposit or cause to be deposited such Pledged Revenues pursuant to Section 6.3(a). (c) From time to time as needed to pay the obligations relating to the Bonds Similarly Secured, but no later than five (5) Business Days before each Interest Payment Date, the Trustee shall withdraw from the Bond Pledged Revenue Account of the Pledged Revenue Fund and transfer to the Principal and Interest Account of the Bond Fund, an amount, taking into account any amounts then on deposit in such Principal and Interest Account and any expected transfers from the Capitalized Interest Account to the Principal and Interest Account, such that the amount on deposit in the Principal and Interest Account equals the principal (including any Sinking Fund Installments) and interest due on the Bonds Similarly Secured on the next Interest Payment Date.

(d) The Trustee shall transfer the amounts determined in writing by the City as Prepayments to the Redemption Fund promptly after deposit of such amounts into the Pledged Revenue Fund.

(f) After satisfaction of the requirement to provide for the payment of the principal of and interest on the Bonds Similarly Secured and to fund any deficiency that may exist in the

Reserve Fund, the Trustee shall, at the written request of the City, transfer any Pledged Revenues remaining in the Pledged Revenue Fund to the City, which monies may be used for any lawful purpose for which the Major Improvement Area Assessments may be used under the PID Act. The Trustee may rely upon any such request of the City and shall have no obligation to determine the lawful purposes permitted under the PID Act.

Section 6.4. Bond Fund.

(a) On each Interest Payment Date, the Trustee shall withdraw from the Principal and Interest Account and transfer to the Paying Agent/Registrar the principal (including any Sinking Fund Installments) and/or interest then due and payable on the Bonds Similarly Secured, less any amount to be used to pay interest on the Bonds Similarly Secured on such Interest Payment Date from the Capitalized Interest Account as provided below.

(b) If amounts in the Principal and Interest Account are insufficient for the purposes set forth in paragraph (a) above, the Trustee shall withdraw from the Reserve Fund amounts to cover the amount of such insufficiency. Amounts so withdrawn from the Reserve Fund shall be deposited in the Principal and Interest Account and transferred to the Paying Agent/Registrar.

(c) Moneys in the Capitalized Interest Account shall be used for the payment of all interest due on the Bonds on September 1, 2025, March 1, 2026 and September 1, 2026. Any amounts on deposit in the Capitalized Interest Account after the payment of interest on the dates and in the amounts listed above shall be transferred to the Project Fund, or if the Project Fund has been closed as provided in Section 6.5(e), such amounts shall be transferred to the Redemption Fund to be used to redeem Bonds and the Capitalized Interest Account shall be closed.

(d) If, after the foregoing transfers and any transfer from the Reserve Fund as provided in Section 6.7, there are insufficient funds to make the payments provided in paragraph (a) above, the Trustee shall apply the available funds in the Principal and Interest Account first to the payment of interest, then to the payment of principal (including any Sinking Fund Installments) on the Bonds Similarly Secured.

Section 6.5. Project Fund.

(a) Money on deposit in the Project Fund shall be used for the purposes specified in Section 3.1.

(b) Disbursements from the Costs of Issuance Account of the Project Fund shall be made by the Trustee to pay costs of issuance of the Bonds Similarly Secured pursuant to the instructions on the memorandum to be prepared by the underwriter for the Bonds Similarly Secured (the "*Closing Memorandum*") as of the Closing Date for the respective series of Bonds Similarly Secured. If, after the foregoing disbursements made pursuant to the Closing Memorandum, there are funds remaining in the Cost of Issuance Account, disbursements from the Costs of Issuance Account of the Project Fund shall be made by the Trustee to pay costs of issuance of the Bonds Similarly Secured pursuant to one or more City Certificates as provided in Section 6.5(h).

(c) Disbursements from the Major Improvement Area Improvement Account of the Project Fund to pay Actual Costs shall be made by the Trustee upon receipt by the Trustee of a properly executed and completed Certification for Payment. Each such Certification for Payment shall include a list of the payees and the payments to be made to such payees as well as a statement that all payments shall be made by check or wire transfer in accordance with the payment instructions set forth in such written request and the Trustee may rely on such payment instructions though given by the City with no duty to investigate or inquire as to the authenticity of or authorization for the invoice or the payment instructions contained therein. The disbursement of funds from the Major Improvement Area Improvement Account shall be pursuant to and in accordance with the disbursement procedures described in the Major Improvement Area Reimbursement Agreement or as provided in such written direction. Such provisions and procedures related to such disbursement contained in the Major Improvement Area Reimbursement Agreement and no other provisions of the Major Improvement Area Reimbursement Agreement, are herein incorporated by reference and deemed set forth herein in full.

(d) Except as provided in Section 6.5(e) and (g), money on deposit in the Major Improvement Area Improvement Account shall be used solely to pay Actual Costs provided the Trustee shall have no responsibility for the application of any funds disbursed from the Major Improvement Area Improvement Account in reliance upon a Certification for Payment approved by the City.

(e) If the City Representative determines in the City Representative's reasonable discretion that amounts then on deposit in the Major Improvement Area Improvement Account of the Project Fund are not expected to be expended for purposes of the Major Improvement Area Improvement Account due to the abandonment, or constructive abandonment, of one or more of the Major Improvement Area Projects such that, in the reasonable opinion of the City Representative, it is unlikely that the amounts in the Major Improvement Area Improvement Account of the Project Fund will ever be expended for the purposes of the Major Improvement Area Improvement Account, the City Representative shall file a City Certificate with the Trustee, and provide a copy of such City Certificate to the Developers prior to filing with the Trustee, which identifies the amounts then on deposit in the Major Improvement Area Improvement Account of the Project Fund that are not expected to be used for purposes of the Major Improvement Area Improvement Account. If such City Certificate is so filed, the amounts on deposit in the Major Improvement Area Improvement Account of the Project Fund shall be transferred to the Redemption Fund to redeem Bonds Similarly Secured on the earliest practicable date after notice of redemption has been provided in accordance with this Indenture. Upon such transfers, the Major Improvement Area Improvement Account of the Project Fund shall be closed.

(f) In making any determination pursuant to this Section, the City Representative may conclusively rely upon a certificate of an Independent Financial Consultant.

(g) Upon the filing of a City Certificate stating that all of the Major Improvement Area Projects have been completed and that all Actual Costs have been paid, or that any Actual Costs of the Major Improvement Area Projects are not required to be paid from the Major Improvement

Area Improvement Account of the Project Fund pursuant to a Certification for Payment, the Trustee shall transfer the amount, if any, remaining within the Major Improvement Area Improvement Account of the Project Fund to the Bond Fund or to the Redemption Fund as directed by the City Representative in a City Certificate filed with the Trustee. Upon such transfers, the Major Improvement Area Improvement Account of the Project Fund shall be closed.

(h) Upon the Trustee's receipt of a written determination by the City Representative that all costs of issuance of the applicable series of Bonds Similarly Secured have been paid, any amounts remaining in the Costs of Issuance Account shall be transferred to (i) the Major Improvement Area Improvement Account in the Project Fund and used to pay Actual Costs of the Major Improvement Area Projects or (ii) if no Major Improvement Area Projects remain to be funded, to the Principal and Interest Account of the Bond Fund and used to pay principal on the Bonds, as directed in a City Certificate filed with the Trustee and the Costs of Issuance Account shall be closed.

Section 6.6. Redemption Fund.

Subject to adequate amounts on deposit in the Pledged Revenue Fund, the Trustee shall cause to be deposited to the Redemption Fund from the Pledged Revenue Fund an amount sufficient to redeem Bonds Similarly Secured as provided in Sections 4.3 and 4.4 on the dates specified for redemption as provided in Sections 4.3 and 4.4. Amounts on deposit in the Redemption Fund shall be used and withdrawn by the Trustee to redeem Bonds Similarly Secured as provided in Article IV.

Section 6.7. Reserve Fund.

(a) The City agrees with the Holders of the Bonds Similarly Secured to accumulate and, when accumulated, maintain in the Reserve Account, an amount equal to not less than the Reserve Account Requirement. All amounts deposited in the Reserve Account shall be used and withdrawn by the Trustee for the purpose of making transfers to the Principal and Interest Account of the Bond Fund or the Redemption Fund, as provided in this Indenture.

(b) Subject to 6.3(a) herein, the Trustee will transfer from the Bond Pledged Revenue Account of the Pledged Revenue Fund to the Delinquency & Prepayment Reserve Account on March 1 of each year, commencing March 1, 2026, and on any other day set forth in a City Certificate, an amount equal to the Additional Interest until the Delinquency & Prepayment Reserve Requirement has been accumulated in the Delinquency & Prepayment Reserve Account. Once the Delinquency & Prepayment Reserve Requirement has accumulated in the Delinquency & Prepayment Reserve Account, any amounts in excess of the Delinquency & Prepayment Reserve Requirement shall be transferred by the Trustee to the Redemption Fund to redeem Bonds Similarly Secured as provided in Article IV provided, however, that at any time the amount on deposit in the Delinquency & Prepayment Reserve Account is less than Delinquency & Prepayment Reserve Requirement, the Trustee shall resume depositing such Additional Interest into the Delinquency & Prepayment Reserve Account until the Delinquency & Prepayment Reserve Requirement has accumulated in the Delinquency & Prepayment Reserve Account. In determining the amounts to be transferred pursuant to this Section, the Trustee may conclusively rely on a City Certificate

specifying the amounts to transfer. The Additional Interest shall continue to be collected and deposited pursuant to this Indenture until the Bonds Similarly Secured are no longer Outstanding.

(c) Whenever a transfer is made from an Account of the Reserve Fund to the Bond Fund due to a deficiency in the Bond Fund, the Trustee shall provide written notice thereof to the City, specifying the amount withdrawn and the source of said funds.

(d) In the event of an extraordinary optional redemption of Bonds Similarly Secured pursuant to Section 4.4, the Trustee, pursuant to written directions from the City, shall transfer from the Reserve Account of the Reserve Fund to the Redemption Fund the amount specified in such directions, which shall be an amount equal to the principal amount of Bonds Similarly Secured to be redeemed multiplied by the lesser of: (i) the amount required to be in the Reserve Account of the Reserve Fund divided by the principal amount of Outstanding Bonds Similarly Secured prior to the redemption, and (ii) the amount actually in the Reserve Account of the Reserve Fund divided by the principal amount of Outstanding Bonds Similarly Secured prior to the redemption. If after such transfer, and after applying investment earnings on the Prepayment toward payment of accrued interest, there are insufficient funds to pay the principal amount plus accrued and unpaid interest on such Bonds Similarly Secured to the date fixed for redemption of the Bonds Similarly Secured to be redeemed as a result of such Prepayment, the Trustee shall transfer an amount equal to the shortfall and/or any additional amounts necessary to permit the Bonds Similarly Secured to be redeemed in minimum principal amounts of \$1,000, from the Delinquency & Prepayment Reserve Account to the Redemption Fund to be applied to the redemption of the Bonds Similarly Secured.

(e) Whenever, on any Interest Payment Date, or on any other date at the request of a City Representative, the value of cash and Value of Investment Securities on deposit in the Reserve Account exceeds the Reserve Account Requirement, the Trustee shall provide written notice to the City Representative of the amount of the excess. Such excess shall be transferred to the Principal and Interest Account to be used for the payment of interest on the Bonds Similarly Secured on the next Interest Payment Date in accordance with Section 6.4, unless prior to the next Interest Payment Date, the Trustee receives a City Certificate instructing the Trustee to apply such excess: (i) to pay amounts due under Section 6.8 hereof, (ii) to the Administrative Fund in an amount not more than the Annual Collection Costs for the Bonds Similarly Secured or (iii) to the Major Improvement Area Improvement Account of the Project Fund to pay Actual Costs of the Major Improvement Area Projects if such application and the expenditure of funds is expected to occur within three years of the date hereof.

(e-1) Whenever, on any Interest Payment Date, or on any other date at the written request of the City Representative, the amount in the Delinquency & Prepayment Reserve Account exceeds the Delinquency & Prepayment Reserve Requirement, the Trustee shall provide written notice to the City of the amount of the excess, and the Trustee shall transfer such excess pursuant to Section 6.7(b) hereof.

(f) Whenever, on any Interest Payment Date, the amount on deposit in the Bond Fund is insufficient to pay the debt service on the Bonds Similarly Secured due on such date, the Trustee shall transfer first from the Delinquency & Prepayment Reserve Account of the Reserve Fund, and

second from the Reserve Account of the Reserve Fund to the Bond Fund the amounts necessary to cure such deficiency.

(g) At the final maturity of the Bonds Similarly Secured, the amount on deposit in the Reserve Account and the Delinquency & Prepayment Reserve Account shall be transferred to the Principal and Interest Account and applied to the payment of the principal of the Bonds Similarly Secured.

(h) If, after a Reserve Account withdrawal, the amount on deposit in the Reserve Account is less than the Reserve Account Requirement, the Trustee shall transfer from the Pledged Revenue Fund to the Reserve Account the amount of such deficiency, but only to the extent that such amount is not required for the timely payment of principal, interest, or Sinking Fund Installments.

(i) If the amount held in the Reserve Fund together with the amount held in the Pledged Revenue Fund, the Bond Fund and Redemption Fund is sufficient to pay the principal amount of all Outstanding Bonds Similarly Secured on the next date the Bonds Similarly Secured may be optionally redeemed by the City at a redemption price of par, together with the unpaid interest accrued on such Bonds Similarly Secured as of such date, the moneys shall be transferred to the Redemption Fund and thereafter used to redeem all Bonds Similarly Secured on such date.

Section 6.8. Rebate Fund: Rebatable Arbitrage.

(a) The Rebate Fund is to be held by the Trustee in accordance with the terms and provisions of this Indenture. Amounts on deposit in the Rebate Fund shall be used solely for the purpose of paying amounts due the United States Government in accordance with the Code. The Rebate Fund shall not be part of the Trust Estate and shall not be security for the Bonds Similarly Secured.

(b) In order to assure that Rebatable Arbitrage is paid to the United States rather than to a third party, investments of funds on deposit in the Rebate Fund shall be made in accordance with the Code and the Tax Certificate.

(c) The Trustee conclusively shall be deemed to have complied with the provisions of this Section and shall not be liable or responsible if it follows the instructions of the City and shall not be required to take any action under this Section in the absence of instructions from the City.

(d) If, on the date of each annual calculation, the amount on deposit in the Rebate Fund exceeds the amount of the Rebatable Arbitrage, the City may direct the Trustee, pursuant to a City Certificate, to transfer the amount in excess of the Rebatable Arbitrage to the Bond Fund.

Section 6.9. Administrative Fund.

(a) On or before February 20, 2026, and on or before each August 20 and February 20 of each year thereafter while the Bonds Similarly Secured are Outstanding, the City shall deposit or cause to be deposited to the Administrative Fund the portion of the Major Improvement Area

Assessments and Annual Installments allocated to the payment of Annual Collection Costs and Delinquent Collection Costs, as set forth in the Service and Assessment Plan, other than the Annual Collection Costs and Delinquent Collection Costs deposited into the Project Collection Fund, which amounts shall be deposited in accordance with Section 6.3(b) hereof, as applicable.

(b) Moneys in the Administrative Fund shall be held by the Trustee separate and apart from the other Funds created and administered hereunder and used as directed by a City Certificate solely for the purposes set forth in the Service and Assessment Plan, including payment of Annual Collection Costs and Delinquent Collection Costs or may be withdrawn by the Trustee without further authorization for the payment of the fees, expenses, advances and indemnities owed to the Trustee in accordance with Section 9.6. The Administrative Fund shall not be part of the Trust Estate and shall not be security for the Bonds Similarly Secured.

Section 6.10. **Investment of Funds.**

(a) Money in any Fund or Account, other than the Reserve Account, shall be invested by the Trustee as directed by the City pursuant to a City Certificate filed with the Trustee in Investment Securities; provided that all such deposits and investments shall be made in such manner that the money required to be expended from any Fund or Account will be available at the proper time or times. Money in the Reserve Account shall be invested in such Investment Securities as directed by the City pursuant to a City Certificate filed with the Trustee, provided that the final maturity of any individual Investment Security shall not exceed 270 days and the average weighted maturity of any investment pool or no-load money market mutual fund shall not exceed 90 days. Each such City Certificate shall be a certification that the investment directed therein constitutes an Investment Security and that such investments meet the maturity and average weighted maturity requirements set forth in the preceding sentence and the Trustee shall not be responsible for determining such requirements. Such investments shall be valued each year in terms of the Value of Investment Securities as of September 30. For purposes of maximizing investment returns, to the extent permitted by law, money in the Funds and Accounts may be invested in common investments of the kind described above, or in a common pool of such investment which shall be kept and held at an official depository bank, which shall not be deemed to be or constitute a commingling of such money or funds provided that safekeeping receipts or certificates of participation clearly evidencing the investment or investment pool in which such money is invested and the share thereof purchased with such money or owned by such Fund or Account are held by or on behalf of each such Fund or Account. If necessary, such investments shall be promptly sold, in order to make the disbursements required or permitted by this Indenture, to prevent any default under this Indenture. To ensure that cash on hand is invested, if the City does not give the Trustee written or timely instructions with respect to investments of funds, the Trustee shall invest and re-invest cash balances in the First American Money Market Funds Government Obligations Fund – X Class, CUSIP No. 31846V336, or other money market mutual funds that are rated in either of the two highest categories by a rating agency, including funds for which the Trustee and/or its affiliates provide investment advisory or other management services, until directed otherwise by the City Certificate.

(b) Obligations purchased as an investment of moneys in any Fund or Account shall be deemed to be part of such Fund or Account, subject, however, to the requirements of this Indenture

for transfer of interest earnings and profits resulting from investment of amounts in Funds and Accounts. Whenever in this Indenture any moneys are required to be transferred by the City to the Trustee, such transfer may be accomplished by transferring a like amount of Investment Securities as determined and directed in writing by the City.

(c) The Trustee and its affiliates may act as sponsor, advisor, depository, principal or agent in the acquisition or disposition of any investment. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades. The Trustee shall not incur any liability for losses (including depreciation) arising from any investments made pursuant to this Section. The Trustee shall not be required to determine the legality of any investments and shall have no discretion for investing funds or advising any parties on investing funds. The Trustee is not providing investment supervision, recommendation, or advice in acting pursuant to the provisions hereof.

(d) Investments in any and all Funds and Accounts may be commingled in a separate fund or funds for purposes of making, holding and disposing of investments, notwithstanding provisions herein for transfer to or holding in or to the credit of particular Funds or Accounts of amounts received or held by the Trustee hereunder, provided that the Trustee shall at all times account for such investments strictly in accordance with the Funds and Accounts to which they are credited and otherwise as provided in this Indenture.

(e) The Trustee will furnish to the City, upon the City's written request, periodic cash transaction statements which include detail for all investment transactions effected by the Trustee or brokers selected by the City. Upon the City's election, such statements will be delivered via the Trustee's online service and upon electing such service, paper statements will be provided only upon request. The City waives the right to receive brokerage confirmations of security transactions effected by the Trustee as they occur, to the extent permitted by law. The City further understands that trade confirmations for securities transactions effected by the Trustee will be available upon request and at no additional cost and other trade confirmations may be obtained from the applicable broker.

(f) In the event it is found, after an annual calculation has been done pursuant to Section 6.8 hereof, that the City owes Rebatale Arbitrage to the United States Government, the City shall direct the Trustee, pursuant to a City Certificate, to transfer to the Rebate Fund the investment earnings on funds on deposit in the Pledged Funds in an amount equal to the Rebatale Arbitrage owed by the City. The City Certificate shall specify the amount to be transferred and the Pledged Fund or Pledged Funds from which the investment earnings shall be transferred.

Section 6.11. Security of Funds.

All Funds heretofore created or reaffirmed, to the extent not invested as herein permitted, shall be secured in the manner and to the fullest extent required by law for the security of public funds, and such Funds shall be used only for the purposes and in the manner permitted or required by this Indenture.

ARTICLE VII

COVENANTS

Section 7.1. **Confirmation of Major Improvement Area Assessments.**

The City hereby confirms, covenants, and agrees that, in the Assessment Ordinance, it has levied the Major Improvement Area Assessments against the property in the Major Improvement Area of the District from which the Assessment Revenues will be collected and received.

Section 7.2. **Collection and Enforcement of Major Improvement Area Assessments.**

(a) For so long as any Bonds Similarly Secured are Outstanding, the City covenants, agrees and warrants that it will take and pursue all reasonable actions permissible under Applicable Laws to cause the Major Improvement Area Assessments to be collected and the liens thereof enforced continuously, in the manner and to the maximum extent permitted by Applicable Laws, and to cause no reduction, abatement or exemption in the Major Improvement Area Assessments.

(b) To the extent permitted by law, notice of the Annual Installments shall be sent by, or on behalf of, the City to the affected property owners on the same statement or such other mechanism that is used by the City, so that such Annual Installments are collected simultaneously with ad valorem taxes and shall be subject to the same penalties, procedures, and foreclosure sale in case of delinquencies as are provided for ad valorem taxes of the City.

(c) The City will determine or cause to be determined, no later than February 15 of each year, whether or not any Annual Installment is delinquent and, if such delinquencies exist, the City will order and cause to be commenced as soon as practicable any and all appropriate and legally permissible actions to obtain such Annual Installment, and any delinquent charges and interest thereon, including diligently prosecuting an action in district court to foreclose the currently delinquent Annual Installment. Notwithstanding the foregoing, the City shall not be required under any circumstances to purchase or make payment for the purchase of the delinquent Major Improvement Area Assessments or the corresponding property.

(d) The City shall not be required under any circumstances to expend any funds for Delinquent Collection Costs or Annual Collection Costs in connection with its covenants and agreements under this Section or otherwise other than funds on deposit in the Administrative Fund.

(e) If and to the extent that the Major Improvement Area Assessments have been prepaid in full, the lien on the real property associated with such Prepayment shall be released, and the rights of the Trustee and Holders under this Indenture with respect to such released real property shall terminate.

Section 7.3. **Against Encumbrances.**

(a) The City shall not create and shall not suffer to remain, any lien, encumbrance or charge upon the Trust Estate or upon any other property pledged under this Indenture, except the pledge created for the security of the Bonds Similarly Secured, and other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds Similarly Secured.

(b) So long as Bonds Similarly Secured are Outstanding hereunder, the City shall not issue any bonds, notes or other evidences of indebtedness, other than the Bonds, and Refunding Bonds, secured by any pledge of or other lien or charge on the Trust Estate or other property pledged under this Indenture, other than a lien or pledge subordinate to the lien and pledge of such property related to the Bonds Similarly Secured.

Section 7.4. Records, Accounts, Accounting Reports.

The City hereby covenants and agrees that so long as any Bonds Similarly Secured are Outstanding, it will keep and maintain a proper and complete system of records and accounts pertaining to the Major Improvement Area Assessments. The Trustee and Holder or Holders of any Bonds Similarly Secured or any duly authorized agent or agents of such Holders shall have the right at all reasonable times to inspect all such records, accounts, and data relating thereto, upon written request to the City by the Trustee or duly authorized representative, as applicable. The City shall provide the Trustee or duly authorized representative, as applicable, an opportunity to inspect such books and records relating to the Bonds Similarly Secured during the City's regular business hours and on a mutually agreeable date not later than thirty days after the City receives such request.

Section 7.5. Covenants Regarding Tax Exemption of Interest on Bonds.

(a) The City covenants to take any action necessary to assure, or refrain from any action that would adversely affect, the treatment of the Bonds as an obligation described in section 103 of the Code, the interest on which is not includable in the "gross income" of the Holder for purposes of federal income taxation. In furtherance thereof, the City covenants as follows:

(1) to take any action to assure that no more than 10 percent of the proceeds of the Bonds (less amounts deposited to a reserve fund, if any) are used for any "private business use," as defined in section 141(b)(6) of the Code or, if more than 10 percent of the proceeds or the projects financed therewith are so used, such amounts, whether or not received by the City, with respect to such private business use, do not, under the terms of this Article or any underlying arrangement, directly or indirectly, secure or provide for the payment of more than 10 percent of the debt service on the Bonds, in contravention of section 141(b)(2) of the Code;

(2) to take any action to assure that in the event that the "private business use" described in subsection (1) hereof exceeds 5 percent of the proceeds of the Bonds or the projects financed therewith (less amounts deposited into a reserve fund, if any) then the amount in excess of 5 percent is used for a "private business use" that is "related" and not "disproportionate," within the meaning of section 141(b)(3) of the Code, to the governmental use;

(3) to take any action to assure that no amount that is greater than the lesser of \$5,000,000, or 5 percent of the proceeds of the Bonds (less amounts deposited into a reserve fund, if any) is directly or indirectly used to finance loans to persons, other than state or local governmental units, in contravention of section 141(c) of the Code;

(4) to refrain from taking any action that would otherwise result in the Bonds being treated as a "private activity bond" within the meaning of section 141(b) of the Code;

(5) to refrain from taking any action that would result in the Bonds being "federally guaranteed" within the meaning of section 149(b) of the Code;

(6) to refrain from using any portion of the proceeds of the Bonds, directly or indirectly, to acquire or to replace funds that were used, directly or indirectly, to acquire investment property (as defined in section 148(b)(2) of the Code) that produces a materially higher yield over the term of the Bonds, other than investment property acquired with –

(A) proceeds of the Bonds invested for a reasonable temporary period of 3 years or less or, for a period of 90 days or less until such proceeds are needed for the purpose for which the Bonds is issued,

(B) amounts invested in a bona fide debt service fund, within the meaning of section 1.148-1(b) of the Treasury Regulations, and

(C) amounts deposited in any reasonably required reserve or replacement fund to the extent such amounts do not exceed 10 percent of the proceeds of the Bonds;

(7) to otherwise restrict the use of the proceeds of the Bonds or amounts treated as proceeds of the Bonds, as may be necessary, so that the Bonds do not otherwise contravene the requirements of section 148 of the Code (relating to arbitrage);

(8) to refrain from using the proceeds of the Bonds or proceeds of any prior bonds to pay debt service on another issue more than 90 days after the date of issue of the Bonds in contravention of the requirements of section 149(d) of the Code (relating to advance refundings); and

(9) to pay to the United States of America at least once during each five-year period (beginning on the date of delivery of the Bonds) an amount that is at least equal to 90 percent of the "Excess Earnings," within the meaning of section 148(f) of the Code and to pay to the United States of America, not later than 60 days after the Bonds has been paid in full, 100 percent of the amount then required to be paid as a result of Excess Earnings under section 148(f) of the Code.

(b) In order to facilitate compliance with the above covenant (a)(9), the Rebate Fund is established by the City pursuant to Section 6.1 for the sole benefit of the United States of America,

and such Rebate Fund shall not be subject to the claim of any other person, including without limitation the Holder. The Rebate Fund is established for the additional purpose of compliance with section 148 of the Code.

(c) The City understands that the term "proceeds" includes "disposition proceeds" as defined in the Treasury Regulations and, in the case of refunding bonds, transferred proceeds (if any) and proceeds of the refunded bonds expended prior to the date of issuance of the Bonds. It is the understanding of the City that the covenants contained herein are intended to assure compliance with the Code and any regulations or rulings promulgated by the U.S. Department of the Treasury pursuant thereto (the "*Treasury Regulations*"). In the event that regulations or rulings are hereafter promulgated that modify or expand provisions of the Code, as applicable to the Bonds, the City will not be required to comply with any covenant contained herein to the extent that such failure to comply, in the opinion of nationally recognized bond counsel, will not adversely affect the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In the event that regulations or rulings are hereafter promulgated that impose additional requirements applicable to the Bonds, the City agrees to comply with the additional requirements to the extent necessary, in the opinion of nationally recognized bond counsel, to preserve the exemption from federal income taxation of interest on the Bonds under section 103 of the Code. In furtherance of such intention, the City hereby authorizes and directs the Mayor or Mayor Pro-Tem to execute any documents, certificates or reports required by the Code and to make such elections, on behalf of the City, that may be permitted by the Code as are consistent with the purpose for the issuance of the Bonds.

(d) The City covenants to account for the expenditure of sale proceeds and investment earnings to be used for Actual Costs of the Major Improvement Area Projects on its books and records in accordance with the requirements of the Code. The City recognizes that in order for the proceeds to be considered used for the reimbursement of costs, the proceeds must be allocated to expenditures within 18 months of the later of the date that (1) the expenditure is made, or (2) the Major Improvement Area Projects are completed; but in no event later than three years after the date on which the original expenditure is paid. The foregoing notwithstanding, the City recognizes that in order for proceeds to be expended under the Code, the sale proceeds or investment earnings must be expended no more than 60 days after the earlier of (1) the fifth anniversary of the delivery of the Bonds, or (2) the date the Bonds is retired. The City agrees to obtain the advice of nationally-recognized bond counsel if such expenditure fails to comply with the foregoing to assure that such expenditure will not adversely affect the tax-exempt status of the Bonds. For purposes hereof, the City shall not be obligated to comply with this covenant if it obtains an opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

(e) The City covenants that the projects funded with the proceeds of the Bonds will not be sold or otherwise disposed in a transaction resulting in the receipt by the City of cash or other compensation, unless the City obtains an opinion of nationally-recognized bond counsel that such sale or other disposition will not adversely affect the tax-exempt status of the Bonds. For purposes of the foregoing, the portion of the property comprising personal property and disposed in the ordinary course shall not be treated as a transaction resulting in the receipt of cash or other compensation. For purposes hereof, the City shall not be obligated to comply with this covenant

if it obtains a legal opinion that such failure to comply will not adversely affect the excludability for federal income tax purposes from gross income of the interest.

ARTICLE VIII

LIABILITY OF CITY

Section 8.1. Liability of City.

(a) Neither the full faith and credit nor the general taxing power of the City is pledged to the payment of the Bonds Similarly Secured, and no City taxes, fee or revenues from any source are pledged to the payment of, or available to pay any portion of, the Bonds Similarly Secured or any other obligations relating to the District. The City shall never be liable for any obligations relating to the Bonds Similarly Secured or other obligations relating to the District, other than as specifically provided for in this Indenture.

(b) The City shall not incur any responsibility in respect of the Bonds Similarly Secured or this Indenture other than in connection with the duties or obligations explicitly herein or in the Bonds Similarly Secured assigned to or imposed upon it. The City shall not be liable in connection with the performance of its duties hereunder, except for its own willful default or act of bad faith. The City shall not be bound to ascertain or inquire as to the performance or observance of any of the terms, conditions covenants or agreements of the Trustee herein or of any of the documents executed by the Trustee in connection with the Bonds Similarly Secured, or as to the existence of a default or event of default thereunder.

(c) In the absence of bad faith, the City may conclusively rely, as to the truth of the statements and the correctness of the opinions expressed therein, upon certificates or opinions furnished to the City and conforming to the requirements of this Indenture. The City shall not be liable for any error of judgment made in good faith unless it shall be proved that it was negligent in ascertaining the pertinent facts.

(d) No provision of this Indenture, the Bonds Similarly Secured, the Assessment Ordinance, or any agreement, document, instrument, or certificate executed, delivered or approved in connection with the issuance, sale, delivery, or administration of the Bonds Similarly Secured (collectively, the "*Bond Documents*"), shall require the City to expend or risk its own general funds or other funds or otherwise incur any financial liability (other than with respect to the Trust Estate and the amounts collected to pay Annual Collection Costs deposited in the Administrative Fund) in the performance of any of its obligations hereunder, or in the exercise of any of its rights or powers, if in the judgment of the City there are reasonable grounds for believing that the repayment of such funds or liability is not reasonably assured to it.

(e) Neither the Holders nor any other Person shall have any claim against the City or any of its officers, officials, agents, or employees for damages suffered as a result of the City's failure to perform in any respect any covenant, undertaking, or obligation under any Bond Documents or as a result of the incorrectness of any representation in, or omission from, any of the Bond Documents, except to the extent that any such claim relates to an obligation, undertaking,

representation, or covenant of the City, in accordance with the Bond Documents and the PID Act. Any such claim shall be payable only from Trust Estate or the amounts collected to pay Annual Collection Costs deposited in the Administrative Fund. Nothing contained in any of the Bond Documents shall be construed to preclude any action or proceeding in any court or before any governmental body, agency, or instrumentality against the City or any of its officers, officials, agents, or employees to enforce the provisions of any of the Bond Documents or to enforce all rights of the Holders of the Bonds Similarly Secured by mandamus or other proceeding at law or in equity.

(f) The City may rely on and shall be protected in acting or refraining from acting upon any notice, resolution, request, consent, order, certificate, report, warrant, bond, or other paper or document believed by it to be genuine and to have been signed or presented by the proper party or proper parties. The City may consult with counsel with regard to legal questions, and the opinion of such counsel shall be full and complete authorization and protection in respect of any action taken or suffered by it hereunder in good faith and in accordance therewith. Whenever in the administration of its duties under this Indenture the City shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action hereunder, such matter (unless other evidence in respect thereof be herein specifically prescribed) may, in the absence of willful misconduct on the part of the City, be deemed to be conclusively proved and established by a certificate of the Trustee, an Independent Financial Consultant, an independent inspector or City Manager or other independent person designated by the City Council to so act on behalf of the City, and such certificate shall be full warrant to the City for any action taken or suffered under the provisions of this Indenture upon the faith thereof, but in its discretion the City may, in lieu thereof, accept other evidence of such matter or may require such additional evidence as to it may deem reasonable.

(g) In order to perform its duties and obligations hereunder, the City may employ such persons or entities as it deems necessary or advisable. The City shall not be liable for any of the acts or omissions of such persons or entities employed by it in good faith hereunder, and shall be entitled to rely, and shall be fully protected in doing so, upon the opinions, calculations, determinations, and directions of such persons or entities.

ARTICLE IX

THE TRUSTEE

Section 9.1. Acceptance of Trust; Trustee as Registrar and Paying Agent.

(a) The Trustee accepts and agrees to execute the respective trusts imposed upon it by this Indenture, but only upon the terms and conditions and subject to the provisions of this Indenture to all of which the parties hereto and the respective Holders of the Bonds Similarly Secured agree. The Trustee undertakes to perform such duties and only such duties as are specifically and expressly set forth herein. No implied covenants or obligations shall be read into this Indenture against the Trustee. These duties shall be deemed purely ministerial in nature, and the Trustee shall not be liable except in connection with its performance of such duties.

(b) The Trustee is hereby designated and agrees to act as Paying Agent/Registrar for and in respect to the Bonds Similarly Secured.

Section 9.2. Trustee Entitled to Indemnity.

The Trustee shall be under no obligation to spend its own funds, to institute any suit, or to undertake any proceeding under this Indenture, or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified, to the extent permitted by law, to its satisfaction by the Holders against any and all costs and expenses, outlays, and counsel fees and other reasonable disbursements, and against all liability except as a consequence of its own negligence or willful misconduct; provided, however, that in no event shall the Trustee request or require indemnification as a condition to making scheduled debt service payments prior to the occurrence of a default, or to delivering any notice when required hereunder. Nevertheless, the Trustee may begin suit, or appear in and defend suit, or exercise any such rights and powers, without indemnity, and in such case the Trustee may make transfers from the Administrative Fund to pay all fees, costs, and expenses, outlays, and counsel fees and other reasonable disbursements properly incurred in connection therewith and shall be entitled to a preference therefor over any Outstanding Bonds Similarly Secured hereunder on amounts held within the Administrative Fund.

Section 9.3. Responsibilities of the Trustee.

(a) The recitals contained in this Indenture and in the Bonds Similarly Secured shall be taken as the statements of the City and the Trustee assumes no responsibility for and undertakes no duty to verify the correctness of the same. The Trustee makes no representations as to the validity or sufficiency of this Indenture or the Bonds Similarly Secured or with respect to the security afforded by this Indenture, and the Trustee shall incur no liability with respect thereto. Except as otherwise expressly provided in this Indenture, the Trustee shall have no responsibility or duty with respect to: (i) the issuance of Bonds Similarly Secured for value; (ii) the application of the proceeds thereof, except to the extent that such proceeds are received by it in its capacity as Trustee; (iii) the application of any moneys paid to the City or others in accordance with this Indenture, except as to the application of any moneys paid to it in its capacity as Trustee; (iv) any calculation of arbitrage or rebate under the Code; or (v) any loss suffered in connection with any investment of funds.

(b) The duties and obligations of the Trustee shall be determined by the express provisions of this Indenture, and the Trustee shall not be liable except for the performance of such duties and obligations as are specifically and expressly set forth in this Indenture.

(c) The Trustee shall not be liable for any action taken or omitted by it in the performance of its duties under this Indenture, except for such losses, damages, or expenses which have been finally adjudicated by a court of competent jurisdiction to have directly resulted from the Trustee's own negligence or willful misconduct. In no event shall the Trustee be liable for incidental, indirect, special, punitive or consequential loss or damages of any kind whatsoever (including, but not limited to, loss of profit), irrespective of whether the Trustee has been advised

of the likelihood of such loss or damage and regardless of the form of action, in connection with or arising from this Indenture for the existence, furnishing or use of the Major Improvement Area Project. If an Event of Default has occurred and is continuing, the Trustee shall exercise such of the rights and powers vested in it by this Indenture, and use the same degree of care and skill in their exercise, as a prudent person would exercise or use under the circumstances in the conduct of his own affairs.

(d) The Trustee shall not be liable for any action taken, or errors of judgment made in good faith by any one of its officers, agents, or employees unless it shall be established that the Trustee was negligent in ascertaining the pertinent facts.

(e) The Trustee shall not be liable with respect to any action taken or omitted to be taken by it in good faith in accordance with the direction of the Holders of at least a Quarter in Interest of the Bonds Similarly Secured relating to the time, method and place of conducting any proceeding for any remedy available to the Trustee, or exercising any trust or power conferred upon the Trustee, under this Indenture.

(f) The Trustee shall not be required to take notice, and shall not be deemed to have notice, of any events or information, default or Event of Default unless the Trustee has actual knowledge thereof or shall be notified specifically of the default or Event of Default in a written instrument or document delivered to it by the City or by the Holders of at least Quarter in Interest of the Bonds Similarly Secured at that time. The Trustee may assume conclusively that there is no Event of Default, except as noted above.

(g) The Trustee's immunities and protections from liability and its right to indemnification in connection with the performance of its duties under this Indenture shall extend to the Trustee's officers, directors, agents, attorneys and employees. Such immunities and protections and rights to indemnification, together with the Trustee's right to compensation, shall survive the Trustee's resignation or removal, the discharge of this Indenture, and final payment of the Bonds Similarly Secured.

(h) The permissive rights of the Trustee to do things enumerated in this Indenture shall not be construed as a duty and, with respect to such permissive rights, the Trustee shall not be answerable for other than its negligence or willful misconduct.

(i) The Trustee may act through attorneys or agents and shall not be responsible for the acts or omissions of any such attorney or agent appointed with due care.

(j) Neither the Trustee nor any of its directors, officers, employees, agents or affiliates shall be responsible for nor have any duty to monitor the performance or any action of the City, the Holder, or any of their directors, members, officers, agents, affiliates or employees, nor shall it have any liability in connection with the malfeasance or nonfeasance by such party. The Trustee may assume performance by all such Persons of their respective obligations. The Trustee shall have no enforcement or notification obligations relating to breaches of representations or warranties of any other Person.

(k) In the event that any of the Trust Estate shall be attached, garnished or levied upon by any court order, or the delivery thereof shall be stayed or enjoined by an order of a court, or any order, judgment or decree shall be made or entered by any court order affecting such assets, the Trustee is hereby expressly authorized, in its sole discretion, to respond as it deems appropriate or to comply with all writs, orders or decrees so entered or issued, or which it is advised by legal counsel of its own choosing is binding upon it, whether with or without jurisdiction. In the event that the Trustee obeys or complies with any such writ, order or decree it shall not be liable to any of the Parties or to any other person, firm or corporation, should, by reason of such compliance notwithstanding, such writ, order or decree be subsequently reversed, modified, annulled, set aside or vacated.

(l) The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Indenture arising out of or caused, directly or indirectly, by circumstances beyond its control, including without limitation, any act or provision of any present or future law or regulation or governmental authority; acts of God; earthquakes; fires; floods; wars; terrorism; civil or military disturbances; sabotage; epidemics; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications service; accidents; labor disputes; acts of civil or military authority or governmental actions; or the unavailability of the Federal Reserve Bank wire or telex or other wire or communication facility; it being understood that the Trustee shall use its best efforts to resume performance as soon as practicable under the circumstances.

Section 9.4. Property Held in Trust.

All moneys and securities held by the Trustee at any time pursuant to the terms of this Indenture shall be held by the Trustee in trust for the purposes and under the terms and conditions of this Indenture.

Section 9.5. Trustee Protected in Relying on Certain Documents.

(a) The Trustee may, at the expense of the City, request, conclusively rely and shall be protected in acting or refraining from acting upon any order, judgment, notice, request, consent, waiver, certificate, statement, affidavit, requisition, bond, debenture, note, other evidence of indebtedness, resolution, direction, report, or other document or instrument provided to the Trustee in accordance with the terms of this Indenture that it shall in good faith believe to be genuine and to have been adopted or signed by the proper board or Person or to have been prepared and furnished pursuant to any of the provisions of this Indenture, or upon the written opinion of any counsel, architect, engineer, insurance consultant, management consultant, or accountant believed by the Trustee to be qualified in relation to the subject matter, not only as to due execution, validity and effectiveness, but also as to the truth and accuracy of any information contained therein, and the Trustee shall be under no duty to make any investigation or inquiry into any statements contained or matters referred to in any such instrument. Subject to Section 9.1 and 9.3, the Trustee may, at the expense of the City, consult with counsel selected by the Trustee with due care, who may or may not be Bond Counsel, and any advice from such counsel with respect to compliance with the provisions of this Indenture shall be full and complete authorization and protection in respect of any action taken, suffered or omitted to be taken by it hereunder, reasonably and in good faith, in accordance with such advice.

(b) Whenever the Trustee shall deem it necessary or desirable that a matter be proved or established prior to taking or suffering any action under this Indenture, the Trustee may request a City Certificate, and such matter may be deemed to be conclusively proved and established by such City Certificate, unless other evidence in respect thereof be hereby specifically prescribed. Such City Certificate shall be full warrant for any action taken or suffered in good faith under the provisions hereof, but in its discretion the Trustee may in lieu thereof accept other evidence of such fact or matter or may require such further or additional evidence as it may deem reasonable. Except as otherwise expressly provided herein, any request, order, notice, or other direction required or permitted to be furnished pursuant to any provision hereof by the City to the Trustee shall be sufficiently executed if executed in the name of the City by the City Representative. The Trustee shall be entitled to conclusively rely upon the foregoing as sufficient evidence of the facts set forth herein. The execution of any City Certificate shall constitute, unto the Trustee, an irrevocable determination that all conditions precedent thereto have occurred.

(c) The Trustee shall not be under any obligation to see to the recording or filing of this Indenture, or otherwise to the giving to any Person of notice of the provisions hereof except as expressly required in Section 9.13.

Section 9.6. Compensation.

The City hereby agrees to compensate the Trustee, from the amount collected each year for Annual Collection Costs and in the manner set forth in this section, for the Trustee's services as Trustee and as Paying Agent/Registrar. Unless otherwise provided by contract with the Trustee, and subject to the limitations set forth above, the Trustee shall transfer from the Administrative Fund, from time to time, reasonable compensation for all services rendered by it hereunder, including its services as Paying Agent/Registrar, together with all its reasonable expenses, charges,

and other disbursements and those of its counsel, agents and employees, incurred in and about the administration and execution of the trusts hereby created and the exercise of its powers and the performance of its duties hereunder, which, with respect to ordinary fees and expenses incurred prior to an Event of Default hereunder, shall be transferred pursuant to a City Certificate and subject to any limit on the amount of such compensation or recovery of expenses or other charges as shall be prescribed by such City Certificate, and the Trustee shall have a lien therefor on any and all funds at any time held by it in the Administrative Fund prior to any Bonds Similarly Secured then Outstanding. Following an Event of Default, the foregoing limitation on expenses shall not apply, however any such fees or expenses must be reasonable. None of the provisions contained in this Indenture shall require the Trustee to expend or risk its own funds or otherwise incur financial liability in the performance of any of its duties or in the exercise of any of its rights or powers, if in the judgment of the Trustee there are reasonable grounds for believing that the repayment of such funds and adequate indemnity against such risk or liability is not reasonably assured to it. If the City shall fail to make any payment required by this Section, the Trustee may make such payment from any moneys in its possession in the Administrative Fund, subject to the limitations set forth herein, and shall be entitled to a preference therefor over any Outstanding Bonds Similarly Secured hereunder.

In the event that the Trustee renders any service not contemplated in this Indenture, or if any material controversy arises hereunder, or the Trustee is made a party to any litigation pertaining to this Indenture or the subject matter hereof, then the Trustee shall, subject to the limitations set forth herein, be compensated for such extraordinary services and any services or work performed by the Trustee in connection with any delay, controversy, litigation or event, and reimbursed for all costs and expenses, including reasonable attorneys' fees and expenses, occasioned by any such delay, controversy, litigation or event. The right of the Trustee to fees, expense, and indemnification shall survive the release, discharge, and satisfaction of the Indenture.

The Trustee and its directors, officers, employees, or agents may become the owner of or may in good faith buy, sell, own, hold and deal in Bonds Similarly Secured and may join in any action that any Holder of Bonds Similarly Secured may be entitled to take as fully and with the same rights as if it were not the Trustee. The Trustee may act as depository, and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, the City or any committee formed to protect the rights of Holders of Bonds Similarly Secured or to effect or aid in any reorganization growing out of the enforcement of the Bonds Similarly Secured or this Indenture, whether or not such committee shall represent the Holders of a Quarter in Interest of the Bonds Similarly Secured.

(b) If the position of Trustee shall become vacant for any of the foregoing reasons or for any other reason, a successor Trustee may be appointed within one year after any such vacancy shall have occurred by the Holders of at least a Quarter in Interest of the Bonds Similarly Secured by an instrument or concurrent instruments in writing signed and acknowledged by such Holders or their attorneys-in-fact, duly authorized and delivered to such successor Trustee, with notification thereof being given to the predecessor Trustee and the City.

(c) Until such successor Trustee shall have been appointed by the Holders of the Bonds Similarly Secured, the City shall forthwith appoint a Trustee to act hereunder. Copies of any instrument of the City providing for any such appointment shall be delivered by the City to the Trustee so appointed. The City shall mail notice of any such appointment to each Holder of any Outstanding Bonds Similarly Secured within 30 days after such appointment. Any appointment of a successor Trustee made by the City immediately and without further act shall be superseded and revoked by an appointment subsequently made by the Holders of Bonds Similarly Secured.

(f) Each successor Trustee shall mail, in accordance with the provisions of the Bonds Similarly Secured, notice of its appointment to the Trustee, any rating agency which, at the time of such appointment, is providing a rating on the Bonds Similarly Secured and each of the Holders of the Bonds Similarly Secured.

Section 9.11. Transfer of Rights and Property to Successor Trustee.

Any successor Trustee appointed under the provisions of Section 9.10 shall execute, acknowledge, and deliver to its predecessor and the City an instrument in writing accepting such appointment, and thereupon such successor, without any further act, deed, or conveyance, shall become fully vested with all moneys, estates, properties, rights, immunities, powers, duties, obligations, and trusts of its predecessor hereunder, with like effect as if originally appointed as Trustee. However, the Trustee then ceasing to act shall nevertheless, on request of the City or of such successor and upon receipt of its outstanding charges, execute, acknowledge, and deliver such instruments of conveyance and further assurance and do such other things as may reasonably be required for more fully and certainly vesting and confirming in such successor all the rights, immunities, powers, and trusts of such Trustee and all the right, title, and interest of such Trustee in and to the Trust Estate, and, upon the receipt of payment of any outstanding charges, shall pay over, assign, and deliver to such successor any moneys or other properties subject to the trusts and conditions herein set forth. Should any deed, conveyance, or instrument in writing from the City be required by such successor for more fully and certainly vesting in and confirming to it any such moneys, estates, properties, rights, powers, duties, or obligations, any and all such deeds, conveyances, and instruments in writing, on request and so far as may be authorized by law, shall be executed, acknowledged, and delivered by the City.

If necessary, the Trustee, as directed by the City, shall file or cause to be filed, at the City's expense, such continuation statements as may be delivered to the Trustee and which may be required by the Texas Uniform Commercial Code, as from time to time in effect (the "*UCC*"), in order to continue perfection of the security interest and rights of the Trustee in such items of tangible or intangible personal property and any fixtures as may have been granted to the Trustee pursuant to this Indenture in the time, place and manner required by the *UCC*. Unless otherwise notified in writing by the City or a Holder, the Trustee may conclusively rely upon the initial financing statements in filing any continuation statements hereunder. The Trustee shall have no responsibility to file financing statements or continuation statements other than to file continuation statements that are delivered to it.

(b) The Supplemental Indenture shall become effective upon the execution and delivery of such Supplemental Indenture by the Trustee and the City, and the Supplemental Indenture shall be deemed conclusively binding upon the City, the Trustee and the Holders of all Bonds Similarly Secured as of the date of such execution and delivery.

The first year's Annual Collection Costs for an Improvement Area will be funded by the applicable series of PID Bonds.

[REMAINDER OF PAGE INTENTIONALLY LEFT BLANK]

SECTION IV: SERVICE PLAN

The PID Act requires the Service Plan to cover a period of at least five years. The Service Plan is required to define the annual projected costs and indebtedness for the Authorized Improvements undertaken within the District during the five-year period. The Service Plan shall be updated in each Annual Service Plan Update. **Exhibit C** summarizes the Service Plan for the District. The Service Plan is also required to include a copy of the buyer disclosure notice form required by Section 5.014 of the Texas Property Code, as amended. The buyer disclosures are attached hereto as **Exhibit M**.

Exhibit D summarizes the sources and uses of funds required to finance the Authorized Improvements and pay the First Year Annual Collection Costs and the Bond Issuance Costs. The sources and uses of funds shown on **Exhibit D** shall be updated in each Annual Service Plan Update.

SECTION V: ASSESSMENT PLAN

The PID Act allows the City to apportion the costs of the Authorized Improvements to the Assessed Property based on the special benefit received from the Authorized Improvements. The PID Act provides that such costs may be apportioned: (1) equally per front foot or square foot; (2) according to the value of property as determined by the City, with or without regard to improvements constructed on the property; or (3) in any other manner approved by the City that results in imposing equal shares of such costs on property similarly benefited. The PID Act further provides that the governing body may establish by ordinance or order reasonable classifications and formulas for the apportionment of the cost between the municipality and the area to be assessed and the methods of assessing the special benefits for various classes of improvements.

This section of this Service and Assessment Plan describes the special benefit received by each Assessed Property within the District as a result of the Authorized Improvements and provides the basis and justification for the determination that this special benefit exceeds the amount of the Assessments to be levied on the Assessed Property for such Authorized Improvements.

The determination by the City of the assessment methodologies set forth below is the result of the discretionary exercise by the City Council of its legislative authority and governmental powers and is conclusive and binding on the Landowners and all future owners and developers of the Assessed Property.

A. Assessment Methodology

The City Council, acting in its legislative capacity and as required by the Development Agreement based on information provided by the Developers and their engineer and on review by the City

staff and by third-party consultants retained by the City, has determined that the Authorized Improvements shall be allocated as follows:

- Improvement Area #1 Improvements shall be allocated 100% to Improvement Area #1 Assessed Property.
- Major Improvements shall be allocated pro rata between Improvement Area #1 Assessed Property and the Major Improvement Area Assessed Property based on the Estimated Buildout Value as shown on **Exhibit G-3**.
- Bond Issuance Costs and First Year Annual Collections Costs associated with the Improvement Area #1 2025 Bonds shall be allocated 100% to Improvement Area #1 Assessed Property.
- Bond Issuance Costs and First Year Annual Collections Costs associated with the Major Improvement Area 2025 Bonds shall be allocated 100% to the Major Improvement Area Assessed Property.

B. Assessments

Improvement Area #1 Assessments will be levied on the Improvement Area #1 Assessed Property according to the Improvement Area #1 Assessment Roll, attached hereto as **Exhibit E-1**. The projected Improvement Area #1 Annual Installments are shown on **Exhibit E-2**, subject to revisions made during any Annual Service Plan Update.

Major Improvement Area Assessments will be levied on the Major Improvement Area Assessed Property according to the Major Improvement Area Assessment Roll, attached hereto as **Exhibit F-1**. The projected Major Improvement Area Annual Installments are shown on **Exhibit F-2**, subject to revisions made during any Annual Service Plan Update.

C. Findings of Special Benefit

The City Council, acting in its legislative capacity and as required by the Development Agreement based on information provided by the Developers and their engineer and reviewed by the City staff and by third-party consultants retained by the City, has found and determined:

1. Improvement Area #1

- a. The costs of the Improvement Area #1 Projects equal \$33,458,996 as shown on **Exhibit B**; and
- b. The Improvement Area #1 Assessed Property receives special benefit from the Improvement Area #1 Projects equal to or greater than the Actual Costs of the Improvement Area #1 Projects allocated to the Improvement Area #1 Assessed Property; and
- c. The Improvement Area #1 Assessed Property is allocated 100% of the Improvement Area #1 Assessments levied for the Improvement Area #1

Projects, which equal \$25,450,000 as shown on the Improvement Area #1 Assessment Roll, attached as **Exhibit E-1**; and

- d. The special benefit (\geq \$33,458,996) received by the Improvement Area #1 Assessed Property from the Improvement Area #1 Projects allocated to the Improvement Area #1 Assessed Property is greater than or equal to the amount of Improvement Area #1 Assessments (\$25,450,000) levied on the Improvement Area #1 Assessed Property; and
- e. At the time the City Council approved the Assessment Ordinance levying the Improvement Area #1 Assessments, the Landowners owned 100% of the Improvement Area #1 Assessed Property. In a Landowner Certificate, the Landowners acknowledged that the Improvement Area #1 Projects confer a special benefit on the Improvement Area #1 Assessed Property and consented to the imposition of the Improvement Area #1 Assessments to pay for the Actual Costs associated therewith. The Landowners ratified, confirmed, accepted, agreed to, and approved: (1) the determinations and findings by the City Council as to the special benefits described herein and in the Assessment Ordinance, and (2) the levying of the Improvement Area #1 Assessments on the Improvement Area #1 Assessed Property.

2. *Major Improvement Area*

- a. The costs of the Major Improvement Area Projects equal \$48,135,849 as shown on **Exhibit B**; and
- b. The Major Improvement Area Assessed Property receives special benefit from the Major Improvement Area Projects equal to or greater than the Actual Costs of the Major Improvement Area Projects allocated to the Major Improvement Area Assessed Property; and
- c. The Major Improvement Area Assessed Property is allocated 100% of the Major Improvement Area Assessments levied for the Major Improvement Area Projects, which equal \$47,845,000 as shown on the Major Improvement Area Assessment Roll, attached as **Exhibit F-1**; and
- d. The special benefit (\geq \$48,135,849) received by the Major Improvement Area Assessed Property from the Major Improvement Area Projects allocated to the Major Improvement Area Assessed Property is greater than or equal to the amount of Major Improvement Area Assessments (\$47,845,000) levied on the Major Improvement Area Assessed Property; and
- e. At the time the City Council approved the Assessment Ordinance levying the Major Improvement Area Assessments, the Landowners owned 100% of the Major Improvement Area Assessed Property. In a Landowner Certificate, the Landowners acknowledged that the Major Improvement Area Projects confer

a special benefit on the Major Improvement Area Assessed Property and consented to the imposition of the Major Improvement Area Assessments to pay for the Actual Costs associated therewith. The Landowners ratified, confirmed, accepted, agreed to, and approved: (1) the determinations and findings by the City Council as to the special benefits described herein and in the Assessment Ordinance, and (2) the levying of the Major Improvement Area Assessments on the Major Improvement Area Assessed Property.

D. Annual Collection Costs

The Annual Collection Costs shall be paid for on a pro rata basis by the owners of each Assessed Property based on the amount of outstanding Assessment remaining on the Assessed Property. The Annual Collection Costs shall be collected as part of and in the same manner as Annual Installments in the amounts shown on the Assessment Roll, which may be revised in Annual Service Plan Updates based on Actual Costs incurred.

E. Additional Interest

The interest rate on Improvement Area #1 Assessments levied on the Improvement Area #1 Assessed Property may exceed the interest rate on the Improvement Area #1 2025 Bonds by the Additional Interest Rate. Interest at the rate of the Improvement Area #1 2025 Bonds and the Additional Interest shall be collected as part of each Annual Installment and shall be deposited pursuant to the applicable Indenture.

The interest rate on Major Improvement Area Assessments levied on the Major Improvement Area Assessed Property may exceed the interest rate on the Major Improvement Area 2025 Bonds by the Additional Interest Rate. Interest at the rate of the Major Improvement Area 2025 Bonds and the Additional Interest shall be collected as part of each Annual Installment and shall be deposited pursuant to the applicable Indenture.

F. TIRZ No. 3 Annual Credit Amount

The City Council, in accordance with the Development Agreement and the TIRZ No. 3 Agreement, has agreed to use a portion of TIRZ No. 3 Revenues generated from each Assessed Property to offset a portion of the principal and interest of such property's Improvement Area #1 Assessment, as applicable.

1. The principal and interest portion of the Improvement Area #1 Annual Installment for Improvement Area #1 Assessed Property shall receive a TIRZ No. 3 Annual Credit Amount equal to the TIRZ No. 3 Revenue generated by the Improvement Area #1 Assessed Property for the previous Tax Year (e.g. TIRZ No. 3 Revenue collected from the Improvement Area #1 Assessed Property for Tax Year 2024 shall be applied as the TIRZ No. 3 Annual Credit Amount applicable to the Improvement Area #1 Assessed Property's

Improvement Area #1 Annual Installment to be collected in Tax Year 2025), but in no event shall the TIRZ No. 3 Annual Credit Amount exceed the TIRZ No. 3 Maximum Annual Credit Amount shown in **Section V.F.2** as calculated on **Exhibit G-2** for each Improvement Area #1 Assessed Property.

2. The TIRZ No. 3 Maximum Annual Credit Amount available to reduce the principal and interest portion of the Improvement Area #1 Annual Installment for the Improvement Area #1 Assessed Property is calculated for each Lot Type, as shown on **Exhibit G-2**. The TIRZ No. 3 Maximum Annual Credit Amount is calculated so that the average Improvement Area #1 Annual Installment is reduced by a maximum equivalent tax rate of \$0.2546 per \$100 of assessed value, based on assumed buildout values at the time Assessment Ordinance is approved. The resulting maximum TIRZ No. 3 Annual Credit Amount for each Lot Type is shown below:

i. Lot Type 1:	\$1,387.71 per lot
ii. Lot Type 2:	\$1,425.90 per lot
iii. Lot Type 3:	\$1,667.79 per lot
iv. Lot Type 4:	\$0.47 per building square foot

3. After the TIRZ No. 3 Annual Credit Amount is applied to provide a credit towards the principal and interest portion of the Improvement Area #1 Annual Installment for the Improvement Area #1 Assessed Property, any excess TIRZ No. 3 Revenues shall be used in accordance with the TIRZ No. 3 Project Plan.
4. The TIRZ No. 3 Maximum Annual Credit Amount for lots within the Major Improvement Area will be determined at the time of levy of Assessment for such portion of the Major Improvement Area.

SECTION VI: TERMS OF THE ASSESSMENTS

A. Reallocation of Assessments

1. Upon Division Prior to Recording of Subdivision Plat

Upon the division of any Assessed Property (without the recording of subdivision plat), the Administrator shall reallocate the Assessment for the Assessed Property prior to the division among the newly divided Assessed Properties according to the following formula:

$$A = B \times (C \div D)$$

Where the terms have the following meanings:

A = the Assessment for the newly divided Assessed Property

B = the Assessment for the Assessed Property prior to division

C = the Estimated Buildout Value of the newly divided Assessed Property

D = the sum of the Estimated Buildout Value for all the newly divided Assessed Properties

The calculation of the Estimated Buildout Value of an Assessed Property shall be performed by the Administrator based on information from the Developers, additional homebuilders, market studies, appraisals, official public records of the County, and any other relevant information regarding the Assessed Property. The calculation as confirmed by the City Council shall be conclusive.

The sum of the Assessments for all newly divided Assessed Properties shall equal the Assessment for the Assessed Property prior to subdivision. The calculation shall be made separately for each newly divided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this Service and Assessment Plan approved by the City Council.

2. Upon Subdivision by a Recorded Subdivision Plat

Upon the subdivision of any Assessed Property based on a recorded subdivision plat, the Administrator shall reallocate the Assessment for the Assessed Property prior to the subdivision among the new subdivided Lots based on Estimated Buildout Value according to the following formula:

$$A = [B \times (C \div D)]/E$$

Where the terms have the following meanings:

A = the Assessment for the newly subdivided Lot

B = the Assessment for the Parcel prior to subdivision

C = the sum of the Estimated Buildout Value of all newly subdivided Lots with same Lot Type

D = the sum of the Estimated Buildout Value for all the newly subdivided Lots excluding Non-Benefited Property

E = the number of Lots with same Lot Type

Prior to the recording of a subdivision plat, the Developers shall provide the City an Estimated Buildout Value as of the date of the recorded subdivision plat for each Lot

created by the recorded subdivision plat considering factors such as density, lot size, proximity to amenities, view premiums, location, market conditions, historical sales, discussions with homebuilders, and any other factors that may impact value. The calculation of the Estimated Buildout Value for a Lot shall be performed by the Administrator and confirmed by the City Council based on information provided by the Developers, additional homebuilders, third party consultants, and/or the official public records of the County regarding the Lot.

The sum of the Assessments for all newly subdivided Lots shall not exceed the Assessment for the portion of the Assessed Property subdivided prior to subdivision. The calculation shall be made separately for each newly subdivided Assessed Property. The reallocation of an Assessment for an Assessed Property that is a homestead under Texas law may not exceed the Assessment prior to the reallocation. Any reallocation pursuant to this section shall be reflected in an update to this Service and Assessment Plan approved by the City Council.

3. Upon Consolidation

If two or more Lots or Parcels are consolidated, the Administrator shall allocate the Assessments against the Lots or Parcels before the consolidation to the consolidated Lot or Parcel, which allocation shall be approved by the City Council in the next Annual Service Plan Update.

B. True-up of Assessments if Maximum Assessment Exceeded

Prior to the approval of a final subdivision plat, the Administrator shall certify that the final plat will not cause the Assessment for any Lot Type to exceed the Maximum Assessment for such Lot Type. If the subdivision of any Assessed Property by a final subdivision plat causes the Assessment per Lot for any Lot Type to exceed the applicable Maximum Assessment for such Lot Type, the landowner shall partially prepay the Assessment for each Assessed Property that exceeds the applicable Maximum Assessment for such Lot Type in an amount sufficient to reduce the Assessment to the applicable Maximum Assessment for such Lot Type. The City's approval of a final subdivision plat without payment of such amounts does not eliminate the obligation of the person or entity filing the plat to pay such Assessments.

C. Mandatory Prepayment of Assessments

If Assessed Property is transferred to a person or entity that is exempt from payment of the Assessments under applicable law or any portion of Assessed Property becomes Non-Benefited Property, the owner transferring the Assessed Property or causing the portion to become Non-Benefited Property shall pay to the City or the Administrator on behalf of the City the full amount of the outstanding Assessment, plus Prepayment Costs and Delinquent Collection Costs, if any, for such Assessed Property, prior to the transfer; provided that, however, such mandatory

Prepayment of the Assessment shall not be required for portions of a Parcel that are dedicated or conveyed to the City, any other governmental entity or utility provider, or an Owners Association for use as internal roads, utilities, parks, drainage and detention facilities, and other similar improvements, in which case the Assessment that was allocated to the Parcel will be reallocated to the remainder of the Parcel. If a reallocation to the remainder of the Parcel as provided in the foregoing sentence causes the Assessment for such remainder to exceed the Maximum Assessment, the owner of the remainder of the Parcel must partially prepay the Assessment to the extent it exceeds the Maximum Assessment for such Parcel in an amount sufficient to reduce the Assessment to the Maximum Assessment.

D. Reduction of Assessments

If as a result of cost savings or an Authorized Improvement not being constructed, the Actual Costs of completed Authorized Improvements are less than the Assessments, the Assessments shall be reduced on a pro-rata basis such that the sum of the resulting reduced Assessments for all Assessed Property equals the reduced Actual Costs. The Assessments shall not, however, be reduced to an amount less than the outstanding PID Bonds. The TIRZ No. 3 Annual Credit Amount will be reduced in the same proportion as the Assessments. The Assessments shall not, however, be reduced to an amount less than the outstanding PID Bonds.

The Administrator shall update (and submit to the City Council for review and approval as part of the next Annual Service Plan Update) the Assessment Roll and corresponding Annual Installments to reflect the reduced Assessments.

E. Prepayment of Assessments

The owner of the Assessed Property may pay, at any time, all, or any part of an Assessment in accordance with the PID Act. Interest costs from the date of prepayment to the date of redemption of the applicable PID Bonds, if any, may be paid from a reserve established under the applicable Indenture. If an Annual Installment has been billed prior to the Prepayment, the Annual Installment shall be due and payable and shall be credited against the Prepayment.

If an Assessment is paid in full, with Prepayment Costs: (1) the Administrator shall cause the Assessment to be reduced to zero and the Assessment Roll to be revised accordingly; (2) the Administrator shall prepare the revised Assessment Roll and submit to the City Council for review and approval as part of the next Annual Service Plan Update; (3) the obligation to pay the Assessment and corresponding Annual Installments shall terminate; and (4) the City shall provide the owner with a recordable Notice of PID Assessment Lien Termination, a form of which is attached as **Exhibit J-1** and **Exhibit J-2**.

If an Assessment is paid in part, with Prepayment Costs: (1) the Administrator shall cause the Assessment to be reduced, and the Assessment Roll revised accordingly; (2) the Administrator shall prepare the revised Assessment Roll and submit to the City Council for review and approval

as part of the next Annual Service Plan Update; and (3) the obligation to pay the Assessment and corresponding Annual Installments shall be reduced to the extent of the Prepayment made.

F. Prepayment as a Result of Eminent Domain Proceeding or Taking

If any portion of any Parcel of Assessed Property is taken from an owner as a result of eminent domain proceedings or if a transfer of any portion of any Parcel of Assessed Property is made to an entity with the authority to condemn all or a portion of the Assessed Property in lieu of or as a part of an eminent domain proceeding (a “Taking”), the portion of the Assessed Property that was taken or transferred (the “Taken Property”) shall be reclassified as Non-Benefited Property.

For the Assessed Property that is subject to the Taking as described in the preceding paragraph, the Assessment that was levied against the Assessed Property (when it was included in the Taken Property) prior to the Taking shall remain in force against the remaining Assessed Property (the Assessed Property less the Taken Property), (the “Remaining Property”) following the reclassification of the Taken Property as Non-Benefited Property, subject to an adjustment of the Assessment applicable to the Remaining Property after any required Prepayment as set forth below. The owner will remain liable to pay in Annual Installments, or payable as otherwise provided by this Service and Assessment Plan, as updated, or the PID Act, the Assessment that remains due on the Remaining Property, subject to an adjustment in the Annual Installments applicable to the Remaining Property after any required Prepayment as set forth below. Notwithstanding the foregoing, if the Assessment that remains due on the Remaining Property exceeds the applicable Maximum Assessment, the owner will be required to make a Prepayment in an amount necessary to ensure that the Assessment against the Remaining Property does not exceed such Maximum Assessment, in which case the Assessment and Annual Installments applicable to the Remaining Property will be reduced by the amount of the partial Prepayment. If the City receives all or a portion of the eminent domain proceeds (or payment made in an agreed sale in lieu of condemnation), such amount shall be credited against the amount of Prepayment, with any remainder credited against the assessment on the Remaining Property.

In all instances the Assessment remaining on the Remaining Property shall not exceed the applicable Maximum Assessment.

By way of illustration, if an owner owns 100 acres of Assessed Property subject to a \$100 Assessment and 10 acres is taken through a Taking, the 10 acres of Taken Property shall be reclassified as Non-Benefited Property and the remaining 90 acres of Remaining Property shall be subject to the \$100 Assessment, (provided that this \$100 Assessment does not exceed the Maximum Assessment on the Remaining Property). If the Administrator determines that the \$100 Assessment reallocated to the Remaining Property would exceed the Maximum Assessment on the Remaining Property by \$10, then the owner shall be required to pay \$10 as a Prepayment of the Assessment against the Remaining Property and the Assessment on the

Remaining Property shall be adjusted to be \$90 and the Annual Installments adjusted accordingly.

Notwithstanding the previous paragraphs in this subsection (F), if the owner notifies the City and the Administrator that the Taking prevents the Remaining Property from being developed for any use which could support the Estimated Buildout Value requirement, the owner shall, upon receipt of the compensation for the Taken Property, be required to prepay the amount of the Assessment required to buy down the outstanding Assessment to the Maximum Assessment on the Remaining Property to support the Estimated Buildout Value requirement. The owner will remain liable to pay the Annual Installments on both the Taken Property and the Remaining Property until such time that such Assessment has been prepaid in full.

Notwithstanding the previous paragraphs in this subsection (F), the Assessments shall not, however, be reduced to an amount less than the outstanding PID Bonds.

G. Payment of Assessment in Annual Installments

Assessments that are not paid in full shall be due and payable in Annual Installments. **Exhibit E-2** shows the projected Improvement Area #1 Annual Installments. **Exhibit F-2** shows the projected Major Improvement Area Annual Installments. Annual Installments are subject to adjustment in each Annual Service Plan Update.

The Administrator shall prepare and submit to the City Council for its review and approval an Annual Service Plan Update to allow for the billing and collection of Annual Installments. Each Annual Service Plan Update shall include updated Assessment Rolls and updated calculations of Annual Installments. Annual Collection Costs shall be allocated equally among Parcels for which the Assessments remain unpaid. Annual Installments shall be reduced by any applicable Indenture, such as capitalized interest, interest earnings on account balances, and any other funds available to the Trustee for such purposes. Annual Installments shall be collected by the City in the same manner and at the same time as ad valorem taxes. Annual Installments shall be subject to the penalties, procedures, and foreclosure sale in case of delinquencies as set forth in the PID Act and in the same manner as ad valorem taxes for the City. The City Council may provide for other means of collecting Annual Installments. Assessments shall have the lien priority specified in the PID Act.

Sales of the Assessed Property for nonpayment of Annual Installments shall be subject to the lien for the remaining unpaid Annual Installments against the Assessed Property, and the Assessed Property may again be sold at a judicial foreclosure sale if the purchaser fails to timely pay the Annual Installments as they become due and payable.

The City reserves the right to refund PID Bonds in accordance with the PID Act. In the event of a refunding, the Administrator shall recalculate the Annual Installments so that total Annual

Installments will be sufficient to pay the refunding bonds, and the refunding bonds shall constitute “PID Bonds.”

Each Annual Installment of an Assessment, including interest on the unpaid principal of the Assessment, shall be updated annually. Each Annual Installment shall be due when billed and shall be delinquent if not paid prior to February 1 of the following year. The first Annual Installment will be delinquent if not paid by February 1, 2026.

SECTION VII: ASSESSMENT ROLLS

The Improvement Area #1 Assessment Roll is attached as **Exhibit E-1**. The Major Improvement Area Assessment Roll is attached as **Exhibit F-1**. The Administrator shall prepare and submit to the City Council, for review and approval, proposed revisions to the Assessment Rolls and Annual Installments for each Parcel within the District as part of each Annual Service Plan Update.

SECTION VIII: ADDITIONAL PROVISIONS

A. Calculation Errors

If the owner of a Parcel claims that an error has been made in any calculation required by this Service and Assessment Plan, including, but not limited to, any calculation made as part of any Annual Service Plan Update, the owner’s sole and exclusive remedy shall be to submit a written notice of error to the Administrator by December 1st of each year following City Council approval of the calculation; otherwise, the owner shall be deemed to have unconditionally approved and accepted the calculation. Upon receipt of a written notice of error from an owner the Administrator shall provide a written response to the City Council and the owner within 30 days of such referral. The City Council shall consider the owner’s notice of error and the Administrator’s response at a public hearing, and within 30 days after closing such hearing, the City Council shall make a final determination as to whether an error has been made. If the City Council determines that an error has been made, the City Council may take such corrective action as is authorized by the PID Act, this Service and Assessment Plan, the Assessment Ordinance, or the Indenture, or is otherwise authorized by the discretionary power of the City Council. The determination by the City Council as to whether an error has been made, and any corrective action taken by the City Council, shall be final and binding on the owner and the Administrator.

B. Amendments

Amendments to this Service and Assessment Plan must be made by the City Council in accordance with the PID Act. To the extent permitted by the PID Act, this Service and Assessment Plan may be amended without notice to owners of the Assessed Property: (1) to correct mistakes and clerical errors; (2) to clarify ambiguities; and (3) to provide procedures to collect

Assessments, Annual Installments, and other charges imposed by this Service and Assessment Plan.

C. Administration and Interpretation

The Administrator shall: (1) perform the obligations of the Administrator as set forth in this Service and Assessment Plan; (2) administer the District for and on behalf of and at the direction of the City Council; and (3) interpret the provisions of this Service and Assessment Plan. Interpretations of this Service and Assessment Plan by the Administrator shall be in writing and shall be appealable to the City Council by owners or developers adversely affected by the interpretation. Appeals shall be decided by the City Council after holding a public hearing at which all interested parties have an opportunity to be heard. Decisions by the City Council shall be final and binding on the owners and developers and their successors and assigns.

D. Form of Buyer Disclosure

Per Section 5.014 of the Texas Property Code, as amended, this Service and Assessment Plan, and any future Annual Service Plan Updates, shall include a form of the buyer disclosures for the District. The buyer disclosures are attached hereto in **Exhibit M**. Within seven days of approval by the City Council, the City shall file and record in the real property records of the County the executed ordinance approving this Service and Assessment Plan, or any future Annual Service Plan Updates. The executed ordinance, including any attachments, approving this Service and Assessment Plan or any future Annual Service Plan Updates shall be filed and recorded in the real property records of the County in its entirety.

E. Severability

If any provision of this Service and Assessment Plan is determined by a governmental agency or court to be unenforceable, the unenforceable provision shall be deleted and, to the maximum extent possible, shall be rewritten to be enforceable. Every effort shall be made to enforce the remaining provisions.
