## INTRODUCTION

The purpose of this Limited Offering Memorandum, including the cover page and appendices attached hereto, is to set forth certain information in connection with the offering for sale by the Fox Branch Ranch Community Development District (the "District") of its \$5,390,000\* Capital Improvement Revenue Bonds, Series 2025 (Assessment Area One) (the "Series 2025 Bonds").

THE SERIES 2025 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2025 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2025 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2025 BONDS. SEE "BONDOWNERS' RISKS" AND "SUITABILITY FOR INVESTMENT" HEREIN.

The District, which is the issuer of the Series 2025 Bonds, is a local unit of special purpose government of the State of Florida (the "State"), created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. 2021-040 of the Board of County Commissioners of Polk County, Florida (the "County"), adopted and effective on July 20, 2021 (the "Ordinance"). The District was created for the purpose of delivering certain community development services and facilities for the benefit of the District Lands (as hereinafter defined) and has previously determined to undertake, in one or more stages, the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of the District Lands. The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, or equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The District encompasses approximately 400.97 gross acres of land (the "District Lands") located within the County and are being developed as an approximately 624 unit master planned residential community known as "Fox Branch Ranch" (the "Development"). The Development is located east of the CSX railroad, west of Kathleen Road, and north of Glenview Drive. See "THE DEVELOPMENT" herein for more information.

Land development associated with the Development is being phased. The first phase of land development consists of approximately 199.15 acres planned for 261 residential lots ("Assessment Area

One"). Land development associated with Assessment Area One is substantially complete, with final completion expected by June 2025. As of the date hereof, approximately 109 lots in Assessment Area One have been platted. A plat for 122 lots in Assessment Area One is expected to be recorded in the first quarter of 2025 and a plat for the remaining 30 lots planned for Assessment Area One is expected to be recorded on or before May 2025. See "THE DEVELOPMENT" herein for more information on the status of development. The remaining phases of land development are planned to contain 363 residential units.

The Series 2025 Bonds are being issued to finance a portion of the Assessment Area One Project. The Series 2025 Bonds will be secured by the Series 2025 Assessments. The Series 2025 Assessments are being levied on the 109 platted lots and approximately 83 acres planned for an additional 152 lots within Assessment Area One. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" and "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for more information.

Forestar (USA) Real Estate Group Inc., a Delaware corporation (the "Developer"), is the landowner and developer of the lands in the District. The Developer has entered into a contract with M/I Homes of Tampa, LLC, a Florida limited liability company ("M/I Homes"), for 83 developed lots in Assessment Area One and a contract with D.R. Horton, Inc., a Delaware corporation ("Horton" and together with M/I Homes, the "Builders"), subject to Horton's corporate ratification, for the sale of 174 developed lots in Assessment Area One. The remaining four lots in Assessment Area One are Developer model holdback lots and are expected to be sold in the future. The Builders intend to market and construct homes for sale to homebuyers.

The Series 2025 Bonds are being issued pursuant to the Act, Resolution Nos. 2022-09 and 2025-04 adopted by the Board of Supervisors of the District (the "Board") on December 8, 2021 and February 19, 2025, respectively, and a Master Trust Indenture, dated as of March 1, 2025 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture dated as of March 1, 2025 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"). All capitalized terms used in this Limited Offering Memorandum that are defined in the Indenture and not defined herein shall have the respective meanings set forth in the Indenture. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" hereto.

The Series 2025 Bonds are equally and ratably secured by the Series 2025 Trust Estate, without preference or priority of one Series 2025 Bond over another. The Series 2025 Pledged Revenues consist of all right, title and interest of the District in, to and under, subject to the terms and conditions of the Indenture, the revenues derived by the District from the Series 2025 Assessments (the "Series 2025 Pledged Revenues") and the Series 2025 Pledged Funds consist of all of the Funds and Accounts (except for the Series 2025 Rebate Account) established under the First Supplemental Indenture (the "Series 2025 Pledged Funds") which together shall constitute the Trust Estate securing the Series 2025 Bonds (the "Series 2025 Trust Estate"). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS."

Proceeds of the Series 2025 Bonds will be applied to: (i) finance a portion of the Cost of acquiring, constructing and equipping assessable improvements comprising the Assessment Area One Project (hereinafter defined), (ii) pay certain costs associated with the issuance of the Series 2025 Bonds, (iii) make a deposit into the Series 2025 Reserve Account to be held for the benefit of all of the Series 2025 Bonds, and (iv) pay a portion of the interest to become due on the Series 2025 Bonds. See "ESTIMATED SOURCES AND USES OF SERIES 2025 BOND PROCEEDS."

There follows in this Limited Offering Memorandum a brief description of the District, Assessment Area One, the Assessment Area One Project, the Development, the Developer, the Builders and summaries of the terms of the Series 2025 Bonds, the Indenture and certain provisions of the Act. All references herein

\* Maturity

As more particularly set forth in the Indenture, any Series 2025 Bonds that are purchased by the District with amounts held to pay an Amortization Installment will be cancelled and the principal amount so purchased will be applied as a credit against the applicable Amortization Installment of Series 2025 Bonds. Amortization Installments are also subject to recalculation, as provided in the First Supplemental Indenture, as the result of the redemption of Series 2025 Bonds other than from scheduled Amortization Installments so as to reamortize the remaining Outstanding principal balance of the Series 2025 Bonds as set forth in the First Supplemental Indenture.

#### **Extraordinary Mandatory Redemption**

The Series 2025 Bonds are subject to extraordinary mandatory redemption prior to maturity in whole or in part on any Redemption Date at the Redemption Price of one hundred percent (100%) of the principal amount thereof, without premium, together with accrued interest to the Redemption Date, if and to the extent that any one or more of the following shall have occurred:

(a) on or after the Date of Completion of the Assessment Area One Project, by application of moneys transferred from the Series 2025 Acquisition and Construction Account to the Series 2025 Prepayment Subaccount as provided for in the Indenture; or

(b) from amounts, including Series 2025 Prepayments, required by the Indenture to be deposited into the Series 2025 Prepayment Subaccount; or

(c) from amounts transferred from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount resulting from a reduction in the Series 2025 Reserve Account Requirement as provided for in the Indenture; or

(d) on the date on which the amount on deposit in the Series 2025 Reserve Account, together with other moneys available therefor, are sufficient to pay and redeem all of the Series 2025 Bonds then Outstanding, including accrued interest thereon.

If less than all of the Series 2025 Bonds shall be called for redemption, the particular Series 2025 Bonds or portions of Series 2025 Bonds to be redeemed shall be selected by lot by the Bond Registrar as provided in the Indenture, or as provided or directed by DTC.

### **Notice of Redemption**

Notice of each redemption of Series 2025 Bonds is required to be mailed by the Bond Registrar, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the date of redemption to each registered Owner of Series 2025 Bonds to be redeemed at the address of such registered Owner recorded on the bond register maintained by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2025 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2025 Bonds or such portions thereof on such date, interest on such Series 2025 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2025 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Series 2025 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Pursuant to the Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

### **Purchase of Series 2025 Bonds**

The District may purchase Series 2025 Bonds then Outstanding at any time, whether or not such Series 2025 Bonds shall then be subject to redemption, at the most advantageous price obtainable with reasonable diligence, having regard to maturity, option to redeem, rate and price, provided however, that consistent with the Master Indenture, such price does not exceed the highest Redemption Price, which is the principal of such Series 2025 Bonds plus the amount of the premium, if any, which would be payable on the next redemption date to the Owners of such Series 2025 Bonds under the provisions of the Indenture if such Series 2025 Bonds were called for redemption on such date. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" attached hereto for more information.

### **Book-Entry Only System**

THE INFORMATION IN THIS CAPTION CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM DTC AND NEITHER THE DISTRICT NOR THE UNDERWRITER MAKES ANY REPRESENTATION OR WARRANTY OR TAKES ANY RESPONSIBILITY FOR THE ACCURACY OR COMPLETENESS OF SUCH INFORMATION.

DTC will act as securities depository for the Series 2025 Bonds. The Series 2025 Bonds will be issued as fully-registered bonds registered in the name of Cede & Co. (DTC's partnership nominee), or such other name as may be requested by an authorized representative of DTC. One fully-registered bond certificate will be issued for each maturity of the Series 2025 Bonds and will be deposited with DTC. DTC,

the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants (the "Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (the "Indirect Participants"). DTC has a Standard and Poor's rating of AA+. The DTC rules applicable to its Participants are on file with the Securities and Exchange Commission (the "SEC"). More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of the Series 2025 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for such Series 2025 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2025 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2025 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of the Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2025 Bonds, except in the event that use of the book-entry system for the Series 2025 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2025 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2025 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2025 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2025 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping an account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements made among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Series 2025 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2025 Bonds, as the case may be, to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2025 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2025 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Series 2025 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the District or the Bond Registrar on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Bond Registrar or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent for the Series 2025 Bonds. Disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of the Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2025 Bonds at any time by giving reasonable notice to the District. Under such circumstances, in the event that a successor securities depository is not obtained, Series 2025 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2025 Bond certificates will be printed and delivered to DTC.

NEITHER THE DISTRICT NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO THE DIRECT PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEE WITH RESPECT TO THE PAYMENTS TO OR THE PROVIDING OF NOTICE FOR THE DIRECT PARTICIPANTS, THE INDIRECT PARTICIPANTS OR THE BENEFICIAL OWNERS OF THE SERIES 2025 BONDS. THE DISTRICT CANNOT AND DOES NOT GIVE ANY ASSURANCES THAT DTC, THE DIRECT PARTICIPANTS OR OTHERS WILL DISTRIBUTE PAYMENTS OF PRINCIPAL OF OR INTEREST ON THE SERIES 2025 BONDS PAID TO DTC OR ITS NOMINEE, AS THE REGISTERED OWNER, OR PROVIDE ANY NOTICES TO THE BENEFICIAL OWNERS OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC WILL ACT IN THE MANNER DESCRIBED IN THIS LIMITED OFFERING MEMORANDUM.

## **SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS**

### **General**

NEITHER THE SERIES 2025 BONDS NOR THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON SHALL CONSTITUTE A GENERAL OBLIGATION OR GENERAL INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF THE CONSTITUTION AND LAWS OF THE STATE. THE SERIES 2025 BONDS AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN

AS PROVIDED IN THE INDENTURE. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE, OR THE SERIES 2025 BONDS. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE, OR THE SERIES 2025 BONDS, SHALL BE PAYABLE SOLELY FROM, AND SHALL BE SECURED SOLELY BY, THE SERIES 2025 PLEDGED REVENUES AND THE SERIES 2025 PLEDGED FUNDS PLEDGED TO THE SERIES 2025 BONDS, ALL AS PROVIDED IN THE SERIES 2025 BONDS AND IN THE INDENTURE.

The Series 2025 Bonds are equally and ratably secured by the Series 2025 Trust Estate, without preference or priority of one Series 2025 Bond over another. The Series 2025 Trust Estate consists of all right, title and interest of the District in, to and under, subject to the terms and conditions of the Indenture, the revenues derived by the District from the Series 2025 Assessments (the "Series 2025 Pledged Revenues") and the Funds and Accounts (except for the Series 2025 Rebate Account) established under the First Supplemental Indenture (the "Series 2025 Pledged Funds") which shall constitute the Trust Estate securing the Series 2025 Bonds (the "Series 2025 Trust Estate"). The "Series 2025 Assessments" are the non-ad valorem special assessments imposed, levied and collected by the District in accordance with the Series 2025 Assessment Proceedings (as defined in the First Supplemental Indenture).

Non-ad valorem assessments are not based on millage and are not taxes, but can become a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The Series 2025 Assessments will constitute a lien against the land as to which the Series 2025 Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

#### **Covenant to Levy the Series 2025 Assessments**

The District will covenant in the Indenture to comply with the terms of the Series 2025 Assessment Proceedings heretofore adopted with respect to the Series 2025 Assessments, including the Assessment Methodology (as defined herein), and to levy the Series 2025 Assessments and collect any required true-up payments set forth in the Assessment Methodology in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2025 Bonds when due.

If any Series 2025 Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2025 Assessment is so irregular or defective that it cannot be enforced or collected, or if the District shall have omitted to make such Series 2025 Assessment when it might have done so, the District has additionally covenanted to either (i) take all necessary steps to cause a new Series 2025 Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (ii) in its sole discretion, make up the amount of such Series 2025 Assessment from legally available moneys, which moneys shall be deposited into the Series 2025 Revenue Account. See "BONDOWNERS' RISKS" herein. In case any such subsequent Series 2025 Assessment shall also be annulled, the District shall obtain and make other Series 2025 Assessments until a valid Series 2025 Assessment shall be made.

#### **Prepayment of Series 2025 Assessments**

Pursuant to the Series 2025 Assessment Proceedings, an owner of property subject to the Series 2025 Assessments may pay all or a portion (up to two times) of the principal balance of such Series 2025 Assessments remaining due at any time if there is also paid an amount equal to the interest that would otherwise be due on such balance on the next succeeding Interest Payment Date for the Series 2025 Bonds,

or, if prepaid during the forty-five (45) day period preceding such Interest Payment Date, on the second succeeding Interest Payment Date. See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

Pursuant to the Act, an owner of property subject to the levy of Series 2025 Assessments may pay the entire balance of the Series 2025 Assessments remaining due, without interest, within thirty (30) days after the Assessment Area One Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the Assessment Area One Project pursuant to Chapter 170.09, Florida Statutes. The Developer, as the previous sole owner of the property within Assessment Area One, has previously waived this right with respect to the property in Assessment Area One pursuant to a Declaration of Consent. Such declaration was recorded in the public records of the County, and the covenants contained therein are binding on its successors in interest. See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

The Series 2025 Bonds are subject to extraordinary mandatory redemption as indicated under "DESCRIPTION OF THE SERIES 2025 BONDS – Redemption Provisions – Extraordinary Mandatory Redemption" from optional prepayments of Series 2025 Assessments by property owners. See "APPENDIX E: ASSESSMENT METHODOLOGY" attached hereto.

### **Limitation on Issuance of Additional Obligations**

Pursuant to the First Supplemental Indenture, other than Refunding Bonds issued to refund the then Outstanding Series 2025 Bonds, the issuance of which results in net present value Debt Service savings, the District shall not, while any Series 2025 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the Series 2025 Trust Estate. The District will further covenant and agree that so long as the Series 2025 Assessments have not been Substantially Absorbed, it will not issue Bonds or other debt obligations secured by Assessments on any lands subject to the Series 2025 Assessments without the written consent of the Majority Owners. Notwithstanding the immediately preceding sentence, the District may impose Assessments on property subject to the Series 2025 Assessments which are necessary for health, safety or welfare reasons, or to remediate a natural disaster, or to effect repairs to or replacement of property, facilities or equipment of the District without the consent of the Majority Owners. "Substantially Absorbed" is defined in the First Supplemental Indenture to mean the date on which the principal amount of the Series 2025 Assessments equaling seventy-five percent (75%) of the then Outstanding principal amount of the Series 2025 Bonds is levied on tax parcels within Assessment Area One with respect to which a certificate of occupancy has been issued for a structure thereon, as certified by an Authorized Officer and upon which the Trustee may conclusively rely.

The District and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2025 Assessments without the consent of the Owners of the Series 2025 Bonds. The District is expected to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2025 Assessments, on the same lands upon which the Series 2025 Assessments are imposed, to fund the maintenance and operation of the District. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" and "BONDOWNERS' RISKS" herein.

### **Series 2025 Acquisition and Construction Account**

Pursuant to the First Supplemental Indenture, there is established within the Acquisition and Construction Fund held by the Trustee a Series 2025 Acquisition and Construction Account. Amounts on deposit in the Series 2025 Acquisition and Construction Account shall be applied to pay Costs of the Assessment Area One Project upon compliance with the requisition provisions set forth in the Master

Indenture and on the form attached as an exhibit to the First Supplemental Indenture. The Trustee shall have no duty to verify that any requested disbursement from the Series 2025 Acquisition and Construction Account is for a Cost of the Assessment Area One Project. The Consulting Engineer shall establish a Date of Completion for the Assessment Area One Project, and any balance remaining in the Series 2025 Acquisition and Construction Account after such Date of Completion (taking into account the moneys then on deposit therein to pay any accrued but unpaid Costs of the Assessment Area One Project which are required to be reserved in the Series 2025 Acquisition and Construction Account in accordance with the certificate of the Consulting Engineer delivered to the District and the Trustee establishing such Date of Completion), shall be transferred to the Series 2025 Prepayment Subaccount and applied to the extraordinary mandatory redemption of the Series 2025 Bonds in accordance with the First Supplemental Indenture and in the manner prescribed in the form of Series 2025 Bond attached as an exhibit to the First Supplemental Indenture. Notwithstanding the foregoing, the District shall not establish a Date of Completion until both the Reserve Account Release Conditions #1 and the Reserve Account Release Conditions #2 (as defined herein) have been satisfied and moneys have been transferred from the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account as a result of such satisfaction pursuant to the First Supplemental Indenture. At such time as there are no amounts on deposit in the Series 2025 Acquisition and Construction Account, such Account shall be closed.

In accordance with the provisions of the Indenture, the Series 2025 Bonds are payable solely from the Series 2025 Pledged Revenues and the Series 2025 Pledged Funds held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the District acknowledges that (a) the Series 2025 Pledged Funds includes, without limitation, all amounts on deposit in the Series 2025 Acquisition and Construction Account then held by the Trustee, (b) upon the occurrence of an Event of Default with respect to the Series 2025 Bonds, the Series 2025 Pledged Funds may not be used by the District (whether to pay Costs of the Assessment Area One Project or otherwise) without the consent of the Majority Owners, except to the extent that prior to the occurrence of the Event of Default the District had incurred a binding obligation with third parties for work on the Assessment Area One Project and payment is for such work, and (iii) upon the occurrence of an Event of Default with respect to the Series 2025 Bonds, the Series 2025 Pledged Funds may be used by the Trustee, at the direction or with the approval of the Majority Owners, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The District shall not enter into any binding agreement with respect to the Assessment Area One Project that will cause the expenditure of additional funds from the Series 2025 Trust Estate after the occurrence and during the continuance of an Event of Default unless authorized in writing by the Majority Owners.

### **Series 2025 Reserve Account**

The First Supplemental Indenture establishes a Series 2025 Reserve Account within the Reserve Fund for the Series 2025 Bonds, which shall be held for the benefit of all of the Series 2025 Bonds, without distinction as to Series 2025 Bonds and without privilege or priority of one Series 2025 Bond over another. The Series 2025 Reserve Account shall be funded and maintained at all times in an amount equal to the Series 2025 Reserve Account Requirement. "Series 2025 Reserve Account Requirement" is defined in the First Supplemental Indenture to mean an amount equal to fifty percent (50%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2025 Bonds, as of the time of any such calculation, until such time as the Reserve Account Release Conditions #1 are met, at which time and thereafter, Series 2025 Reserve Account Requirement shall mean an amount equal to twenty-five percent (25%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2025 Bonds, as of the time of any such calculation, until such time as the Reserve Account Release Conditions #2 are met, at which time and thereafter, Series 2025 Reserve Account Requirement shall mean an amount equal to ten percent (10%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2025 Bonds, as of the time of

any such calculation. On the date of initial issuance of the Series 2025 Bonds, the Series 2025 Reserve Account Requirement shall be \$[\_\_\_\_\_].

"Reserve Account Release Conditions #1" shall mean, collectively, that (a) all lots subject to the Series 2025 Assessments have been developed and platted, and (b) there are no Events of Default occurring or continuing under the Indenture with respect to the Series 2025 Bonds. The Consulting Engineer shall provide a written certification to the District and the Trustee certifying that the event in clause (a) has occurred and the District Manager shall provide a written certification to the District and the Trustee affirming clause (b), on which certifications the Trustee may conclusively rely.

"Reserve Account Release Conditions #2" shall mean, collectively, that (a) all of the Reserve Account Release Conditions #1 have been satisfied, (b) all homes within Assessment Area One have been built and have received a certificate of occupancy, (c) all of the principal portion of the Series 2025 Assessments has been assigned to such homes, (d) all Series 2025 Assessments are being collected pursuant to the Uniform Method, and (e) there are no Events of Default occurring or continuing under the Indenture with respect to the Series 2025 Bonds. The District Manager shall provide a written certification to the District and the Trustee certifying that the events in clauses (a) through (d) have occurred and affirming clause (e), on which certifications the Trustee may conclusively rely.

Except as otherwise provided in the Indenture, amounts on deposit in the Series 2025 Reserve Account shall be used only for the purpose of making payments into the Series 2025 Interest Account and the Series 2025 Sinking Fund Account to pay Debt Service on the Series 2025 Bonds, when due, without distinction as to Series 2025 Bonds and without privilege or priority of one Series 2025 Bond over another, to the extent the moneys on deposit in such Accounts available therefor are insufficient and for no other purpose. The Series 2025 Reserve Account shall consist only of cash and Series 2025 Investment Obligations.

Anything in the Indenture to the contrary notwithstanding, on the forty-fifth (45th) day preceding each Quarterly Redemption Date (or, if such forty-fifth (45th) day is not a Business Day, on the Business Day preceding such forty-fifth (45th) day), the Trustee is hereby authorized and directed to recalculate the Series 2025 Reserve Account Requirement. Following such recalculation, the Trustee shall promptly notify the District of any excess on deposit in the Series 2025 Reserve Account whereupon the District shall direct the Trustee in writing to transfer such excess on deposit in the Series 2025 Reserve Account (a) resulting from Prepayments of Series 2025 Assessments into the Series 2025 Prepayment Subaccount, and applied as a credit against the Prepayment otherwise required to be made by the owner of such lot or parcel subject to such Prepayment and thereafter applied to the extraordinary mandatory redemption of the Series 2025 Bonds, (b) resulting from a reduction of the Series 2025 Reserve Account Requirement as the result of either the Reserve Account Release Conditions #1 or the Reserve Account Release Conditions #2 being met into the Series 2025 Acquisition and Construction Account and used for the purposes of such Account, or (c) resulting from investment earnings as provided in the First Supplemental Indenture.

On the earliest date on which there is on deposit in the Series 2025 Reserve Account sufficient moneys, after taking into account other moneys available therefor, to pay and redeem all of the Outstanding Series 2025 Bonds, together with accrued interest and redemption premium, if any, on such Series 2025 Bonds to the earliest Redemption Date permitted therein and in the First Supplemental Indenture, then the Trustee shall transfer the amount on deposit in the Series 2025 Reserve Account into the Series 2025 Prepayment Subaccount to pay and redeem all of the Outstanding Series 2025 Bonds on the earliest Redemption Date permitted for redemption therein and in the First Supplemental Indenture.

Anything in the Indenture to the contrary notwithstanding, amounts on deposit in the Series 2025 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first

charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

### **Deposit and Application of the Series 2025 Pledged Revenues**

(a) Pursuant to the First Supplemental Indenture, the Trustee is authorized and directed to deposit any and all amounts required to be deposited in the Series 2025 Revenue Account by the Indenture, and any other amounts or payments specifically designated by the District pursuant to a written direction or by a Supplemental Indenture for said purpose. The Series 2025 Revenue Account shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee.

(b) The Trustee shall deposit into the Series 2025 Revenue Account (i) Series 2025 Assessment Revenues other than Series 2025 Prepayments (which Series 2025 Prepayments shall be identified by the District to the Trustee as such in writing upon deposit, upon which certification the Trustee may conclusively rely, and which shall be deposited into the Series 2025 Prepayment Subaccount), (ii) Series 2025 Prepayment Interest, and (iii) any other revenues required by other provisions of the Indenture to be deposited into the Series 2025 Revenue Account.

(c) On the forty-fifth (45th) day preceding each Quarterly Redemption Date (or if such forty-fifth (45th) day is not a Business Day, on the Business Day preceding such forty-fifth (45th) day), the Trustee shall determine the amount on deposit in the Series 2025 Prepayment Subaccount and, if the balance therein is greater than zero, shall, upon written direction from the District, transfer from the Series 2025 Revenue Account for deposit into the Series 2025 Prepayment Subaccount an amount sufficient to increase the amount on deposit therein to the nearest integral multiple of \$5,000 (provided that there are sufficient funds remaining in the Series 2025 Revenue Account to pay Debt Service coming due on the Series 2025 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2025 Bonds on the next succeeding Redemption Date in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2025 Prepayment Subaccount in accordance with the provisions for extraordinary mandatory redemption of the Series 2025 Bonds set forth in the form of Series 2025 Bonds attached to the First Supplemental Indenture and the provisions of the Indenture.

(d) On May 1 and November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall first transfer from the Series 2025 Capitalized Interest Account to the Series 2025 Interest Account the lesser of (x) the amount of interest coming due on the Series 2025 Bonds on such May 1 or November 1, less the amount already on deposit in the Series 2025 Interest Account, or (y) the amount remaining in the Series 2025 Capitalized Interest Account. Following the foregoing transfer, on such May 1 or November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall then transfer amounts on deposit in the Series 2025 Revenue Account to the Accounts designated below in the following amounts and in the following order of priority:

FIRST, to the Series 2025 Interest Account, the amount, if any, equal to the difference between the amount of interest payable on all Series 2025 Bonds then Outstanding on such May 1 or November 1, and (i) the amount transferred from the Series 2025 Capitalized Interest Account in accordance with the First Supplemental Indenture and (ii) the amount already on deposit in the Series 2025 Interest Account not previously credited;

SECOND, on May 1, 20[\_\_\_], and on each May 1 thereafter, to the Series 2025 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series

2025 Bonds subject to mandatory sinking fund redemption on such May 1 and the amount already on deposit in the Series 2025 Sinking Fund Account not previously credited;

THIRD, to the Series 2025 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2025 Reserve Account Requirement with respect to the Series 2025 Bonds; and

FOURTH, the balance shall first be deposited into the Series 2025 Costs of Issuance Account to fund any deficiencies in the amount allocated to pay the costs of issuance relating to the Series 2025 Bonds, and then the balance shall be retained in the Series 2025 Revenue Account.

On any date required by the Arbitrage Certificate, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the Series 2025 Revenue Account to the Series 2025 Rebate Account the amount due and owing to the United States, which amount shall be paid to the United States when due in accordance with such Arbitrage Certificate.

### **Investments**

Anything in the Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security for the Series 2025 Bonds shall be invested only in Series 2025 Investment Obligations. Earnings on investments in the Series 2025 Acquisition and Construction Account, the Series 2025 Interest Account and the Series 2025 Capitalized Interest Account shall be retained, as realized, in such Accounts and used for the purpose of such Accounts. Earnings on investments in the Funds and Accounts other than the Series 2025 Reserve Account, and other than as set forth above, shall be deposited, as realized, to the credit of the Series 2025 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2025 Reserve Account shall be disposed of as follows:

(i) if there was no deficiency (as defined in the Master Indenture) in the Series 2025 Reserve Account as of the most recent date on which amounts on deposit in the Series 2025 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2025 Reserve Account since such date which have created a deficiency, then earnings on investments in the Series 2025 Reserve Account shall be deposited into the Series 2025 Capitalized Interest Account through May 1, 2025, and thereafter shall be deposited into the Series 2025 Revenue Account and used for the purpose of such Account; or

(ii) if there was a deficiency (as defined in the Master Indenture) in the Series 2025 Reserve Account as of the most recent date on which amounts on deposit in the Series 2025 Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series 2025 Reserve Account and have created such a deficiency, then earnings on investments in the Series 2025 Reserve Account shall be retained in the Series 2025 Reserve Account until the amount on deposit therein is equal to the Series 2025 Reserve Account Requirement, and then earnings on investments in the Series 2025 Reserve Account shall be deposited into the Series 2025 Capitalized Interest Account through May 1, 2025, and thereafter shall be deposited into the Series 2025 Revenue Account and used for the purpose of such Account.

The foregoing determination and disbursement shall be made prior to any recalculation and transfer of excess amounts on deposit in the Series 2025 Reserve Account made pursuant to the First Supplemental Indenture.

## **Provisions Relating to Bankruptcy or Insolvency of Landowner**

The following provisions of the Master Indenture shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel, or tax parcels which are in the aggregate, subject to at least five percent (5%) of the Series 2025 Assessments pledged to the Series 2025 Bonds then Outstanding (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding").

The District will acknowledge and agree in the Indenture that, although the Series 2025 Bonds were issued by the District, the Owners of the Series 2025 Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer:

(a) the District will agree that it shall make a reasonable attempt to timely seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the Series 2025 Bonds then Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2025 Assessments relating to the Series 2025 Bonds then Outstanding, the Series 2025 Bonds then Outstanding or any rights of the Trustee under the Indenture (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Series 2025 Bonds then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee and the Majority Owners of a written request for consent);

(b) the District will agree that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2025 Assessments relating to the Series 2025 Bonds then Outstanding, the Series 2025 Bonds then Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee;

(c) the District will agree that it shall make a reasonable attempt to timely seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Series 2025 Bonds then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee and the Majority Owners of a written request for consent);

(d) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the Series 2025 Assessments relating to the Series 2025 Bonds then Outstanding would have the right to pursue and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Series 2025 Assessments relating to the Series 2025 Bonds then Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any

sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and

(e) the District shall not challenge the validity or amount of any claim submitted in good faith by the Trustee in such Proceeding or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceeding or take any other action in such Proceeding, which is adverse to the Trustee's enforcement of the District's claim and rights with respect to the Series 2025 Assessments relating to the Series 2025 Bonds then Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District will agree that the Trustee shall have the right to (i) file a proof of claim with respect to the Series 2025 Assessments pledged to the Series 2025 Bonds then Outstanding, (ii) deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) defend any objection filed to said proof of claim.

The District will acknowledge and agree in the Indenture that it shall not be a defense to a breach of the foregoing covenants that it has acted on advice of counsel in not complying with the foregoing covenants.

Nothing in the Master Indenture shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for Operation and Maintenance Assessments, and the District shall be free to pursue such a claim for Operation and Maintenance Assessments in such manner as it shall deem appropriate in its sole and absolute discretion; provided, however, that such claim shall not seek to reduce the amount or receipt of Series 2025 Assessments. Any actions taken by the District in pursuance of its claim for Operation and Maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Series 2025 Assessments relating to the Series 2025 Bonds then Outstanding whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (d) above.

#### **Events of Default and Certain Remedies upon an Event of Default**

The Master Indenture provides that each of the following shall be an "Event of Default" under the Indenture with respect to the Series 2025 Bonds, but no other Series of Bonds unless otherwise provided in the Supplemental Indenture relating to such Series:

- (a) any payment of Debt Service on the Series 2025 Bonds is not made when due;
- (b) the District shall for any reason be rendered incapable of fulfilling its obligations under the Indenture;
- (c) the District admits in writing its inability to pay its debts generally as they become due, or files a petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver or trustee for itself or for the whole or any part of the Assessment Area One Project;
- (d) the District is adjudged insolvent by a court of competent jurisdiction, or is adjudged bankrupt on a petition in bankruptcy filed against the District, or an order, judgment or decree be entered by any court of competent jurisdiction appointing, without the consent of the District, a receiver or trustee of the District or of the whole or any part of its property and if the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within ninety (90) days from the date of entry thereof;

(e) the District shall file a petition or answer seeking reorganization or any arrangement under the federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof;

(f) under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the District's assets or any part thereof, and such custody or control shall not be terminated within ninety (90) days from the date of assumption of such custody or control;

(g) any portion of the Series 2025 Assessments shall have become Delinquent Assessments and, as the result thereof, the Indenture provides for the Trustee to withdraw funds in an amount greater than twenty-five percent (25%) of the amount on deposit in the Series 2025 Reserve Account to pay Debt Service on the Series 2025 Bonds (regardless of whether the Trustee does or does not, per the direction of the Majority Owners, actually withdraw such funds from the Series 2025 Reserve Account to pay Debt Service on the Series 2025 Bonds);

(h) the District shall default in the due and punctual performance of any of the material covenants, conditions, agreements and provisions contained in the Series 2025 Bonds or in the Indenture on the part of the District to be performed (other than a default in the payment of Debt Service on the Series 2025 Bonds when due, which is an Event of Default under subsection (a) above) and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the District by the Trustee or, if the Trustee is unwilling or unable to act, by Owners of not less than ten percent (10%) in aggregate principal amount of the Series 2025 Bonds then Outstanding and affected by such default; and

(i) more than twenty percent (20%) of the Operation and Maintenance Assessments levied by the District on tax parcels subject to the Series 2025 Assessments are not paid by the date such are due and payable.

No Series of Bonds issued under the Master Indenture are subject to acceleration unless the Assessments securing such Bonds have been accelerated. Upon the happening and continuance of any Event of Default specified above with respect to the Series 2025 Bonds, the Trustee may protect and enforce the rights of the Owners of the Series 2025 Bonds under State law, and under the Indenture and the Series 2025 Bonds, by such proceedings in equity or at law, either for the specific performance of any covenant or agreement contained in the Master Indenture or in aid or execution of any power in the Indenture granted or for the enforcement of any proper legal or equitable remedy, as the Trustee shall deem most effectual to protect and enforce such rights.

The Majority Owners of the Series 2025 Bonds then Outstanding shall, subject to the requirements of the Master Indenture, have the right, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings by the Trustee under the Master Indenture, provided that such directions shall not be in conflict with any rule of law or the Master Indenture and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unduly prejudicial to the rights of the Owners of such Series 2025 Bonds not parties to such direction or would subject the Trustee to personal liability or expense. Notwithstanding the foregoing, the Trustee shall have the right to select and retain legal counsel of its choosing to represent it in any such proceedings. The Trustee may take any other action which is not inconsistent with any direction under this paragraph.

No Owner of such Series 2025 Bonds shall have any right to pursue any other remedy under the Master Indenture or such Series 2025 Bonds unless: (a) an Event of Default shall have occurred and is

continuing; (b) the Majority Owners of the Series 2025 Bonds then Outstanding have requested the Trustee, in writing, to exercise the powers granted in the Master Indenture or to pursue such remedy in its or their name or names; (c) the Trustee has been offered indemnity satisfactory to it against costs, expenses and liabilities reasonably anticipated to be incurred; (d) the Trustee has declined to comply with such request, or has failed to do so, within sixty (60) days after its receipt of such written request and offer of indemnity; and (e) no direction inconsistent with such request has been given to the Trustee during such sixty (60) day period by the Majority Owners of the Series 2025 Bonds then Outstanding. The exercise of such rights is further subject to the provisions of the Master Indenture. No Owner or Owners of such Series 2025 Bonds shall have any right in any manner whatsoever to enforce any right under the Master Indenture, except in the manner provided in the Master Indenture.

The District will covenant and agree in the Master Indenture that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, the provisions for the foreclosure of liens of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, and will take such other appropriate remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Owners, from time to time, of the Series 2025 Bonds. Notwithstanding anything to the contrary in the Master Indenture, and unless otherwise directed by the Majority Owners of the Series 2025 Bonds and allowed pursuant to federal or State law, the District acknowledges and agrees that (y) upon failure of any property owner to pay an installment of Assessments collected directly by the District when due, that the entire Assessment on the tax parcel as to which such Delinquent Assessment appertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the District shall promptly, but in any event within 120 days, cause to be brought the necessary legal proceedings for the foreclosure of liens of Delinquent Assessments, including interest and penalties with respect to such tax parcel and (z) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" attached hereto for more information.

## **ENFORCEMENT OF ASSESSMENT COLLECTIONS**

### **General**

The primary source of payment for the Series 2025 Bonds is the collection of the Series 2025 Assessments imposed on certain lands in Assessment Area One of the District that are specially benefited by the Assessment Area One Project pursuant to the Series 2025 Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX E: ASSESSMENT METHODOLOGY."

The imposition, levy, and collection of Series 2025 Assessments must be done in compliance with the provisions of State law. Failure by the District, the Polk County Tax Collector ("Tax Collector") or the Polk County Property Appraiser ("Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, the Series 2025 Assessments during any year. Such delays in the collection of the Series 2025 Assessments would have a material adverse effect on the ability of the District to make full or punctual payment of Debt Service on the Series 2025 Bonds. See "BONDOWNERS' RISKS." To the extent that landowners fail to pay the Series 2025 Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2025 Bonds. For the Series 2025 Assessments to be valid, the Series 2025 Assessments must meet two requirements: (1) the benefit from the Assessment Area One Project to the lands subject to the Series 2025 Assessments must

exceed or equal the amount of the Series 2025 Assessments, and (2) the Series 2025 Assessments must be fairly and reasonably allocated across all such benefitted properties.

Pursuant to the Act, and the Series 2025 Assessment Proceedings, the District may collect the Series 2025 Assessments through a variety of methods. See "BONDOWNERS' RISKS." The Series 2025 Assessments are expected to be added to the County tax roll in the ordinary course and collected pursuant to the Uniform Method. In the event the Series 2025 Assessments are not able to be added to the County tax roll for a particular tax year, the District will directly issue annual bills to the landowners requiring payment of the Series 2025 Assessments, and will enforce that bill through foreclosure proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" and "APPENDIX E: ASSESSMENT METHODOLOGY." The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

### **Direct Billing & Foreclosure Procedure**

As noted above, and pursuant to Chapters 170 and 190 of the Florida Statutes, the District may directly levy, collect and enforce the Series 2025 Assessments. In this context, Section 170.10 of the Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2025 Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2025 Assessments and the ability to foreclose the lien of such Series 2025 Assessments upon the failure to pay such Series 2025 Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2025 Assessments. See "BONDOWNERS' RISKS."

### **Uniform Method Procedure**

Subject to certain conditions, and for developed lands (as described above), the District may alternatively elect to collect the Series 2025 Assessments using the Uniform Method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2025 Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2025 Assessments will be collected together with County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such Taxes and Assessments –

including the Series 2025 Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2025 Assessments. In other words, any partial prepayment by a landowner must be distributed in equal proportion to all taxing districts and levying authorities.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by State law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2025 Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2025 Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of Debt Service on the Series 2025 Bonds.

Under the Uniform Method, if the Series 2025 Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2025 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2025 Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2025 Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Series 2025 Assessment Proceedings to discharge the lien of the Series 2025 Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2025 Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2025 Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2025 Assessments), interest, costs and charges on the real property described in the certificate.

Unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees, any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued, and at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

For any holder other than the County, a tax certificate expires seven (7) years after the date of issuance if a tax deed has not been applied for and no other administrative or legal proceeding, including a bankruptcy, has existed of record. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens, certain easements, and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County Commission that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase

the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates, accrued taxes, and liens of any nature against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2025 Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2025 Assessments, which are the primary source of payment of the Series 2025 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDOWNERS' RISKS."

### **BONDOWNERS' RISKS**

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described in other headings of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2025 Bonds offered hereby and are set forth below. Prospective investors in the Series 2025 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2025 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2025 Bonds, and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2025 Bonds.

#### **Concentration of Land Ownership**

As of the date hereof, the Developer owns all of the assessable lands within Assessment Area One, which are the lands that will be subject to the Series 2025 Assessments securing the Series 2025 Bonds. Payment of the Series 2025 Assessments is primarily dependent upon their timely payment by the Developer and the other future landowners in Assessment Area One. Non-payment of the Series 2025 Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay Debt Service on the Series 2025 Bonds. See "THE DEVELOPER AND HORTON" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS" herein.

#### **Bankruptcy and Related Risks**

In the event of the institution of bankruptcy or similar proceedings with respect to the Developer or any other owner of benefited property, delays could occur in the payment of Debt Service on the Series 2025 Bonds, as such bankruptcy could negatively impact the ability of: (i) the Developer and any other landowner to pay the Series 2025 Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2025 Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2025 Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2025 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and

delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2025 Bonds, including, without limitation, enforcement of the obligation to pay Series 2025 Assessments and the ability of the District to foreclose the lien of the Series 2025 Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2025 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2025 Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Master Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an "Insolvent Taxpayer" (as previously defined). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Provisions Relating to Bankruptcy or Insolvency of Landowner" herein. The District cannot express any view whether such delegation would be enforceable.

### **Series 2025 Assessments Are Non-Recourse**

The principal security for the payment of the principal and interest on the Series 2025 Bonds is the timely collection of the Series 2025 Assessments. The Series 2025 Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Developer or subsequent landowners will be able to pay the Series 2025 Assessments or that they will pay such Series 2025 Assessments even though financially able to do so. Neither the Developer nor any other subsequent landowners have any personal obligation to pay the Series 2025 Assessments. Neither the Developer nor any subsequent landowners are guarantors of payment of any Series 2025 Assessments, and the recourse for the failure of the Developer or any subsequent landowner to pay the Series 2025 Assessments is limited to the collection proceedings against the land subject to such unpaid Series 2025 Assessments, as described herein. Therefore the likelihood of collection of the Series 2025 Assessments may ultimately depend on the market value of the land subject to the Series 2025 Assessments. While the ability of the Developer or subsequent landowners to pay the Series 2025 Assessments is a relevant factor, the willingness of the Developer or subsequent landowners to pay the Series 2025 Assessments, which may also be affected by the value of the land subject to the Series 2025 Assessments, is also an important factor in the collection of Series 2025 Assessments. The failure of the Developer or subsequent landowners to pay the Series 2025 Assessments could render the District unable to collect delinquent Series 2025 Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of Debt Service on the Series 2025 Bonds.

### **Regulatory and Environmental Risks**

The development of the District Lands is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in

connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals" herein for more information.

The value of the land within the District, the success of the Development, the development of Assessment Area One and the likelihood of timely payment of principal and interest on the Series 2025 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Series 2025 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" for information on environmental site assessments obtained or received. Such information is being provided solely for informational purposes, and nothing herein or in such assessments grants any legal rights or remedies in favor of the Series 2025 Bondholders in the event any recognized environmental conditions are later found to be present on District Lands. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the lands in Assessment Area One.

The value of the lands subject to the Series 2025 Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2025 Bonds. The Series 2025 Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

### **Economic Conditions and Changes in Development Plans**

The successful development of Assessment Area One and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market and other factors beyond the control of the Developer. Moreover, the Developer has the right to modify or change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

### **Other Taxes and Assessments**

The willingness and/or ability of an owner of benefited land to pay the Series 2025 Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2025 Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could,

without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2025 Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2025 Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2025 Assessment, even though the landowner is not contesting the amount of the Series 2025 Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

### **Limited Secondary Market for Series 2025 Bonds**

The Series 2025 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2025 Bonds in the event an Owner thereof determines to solicit purchasers for the Series 2025 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2025 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2025 Bonds, depending on the progress of development of the Development and the lands within Assessment Area One, as applicable, existing real estate and financial market conditions and other factors.

### **Inadequacy of Reserve Account**

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Series 2025 Assessments, may not adversely affect the timely payment of Debt Service on the Series 2025 Bonds because of the moneys on deposit in the Series 2025 Reserve Account. The ability of the Series 2025 Reserve Account to fund deficiencies caused by delinquencies in the payment of the Series 2025 Assessments is dependent on the amount, duration and frequency of such deficiencies. Moneys on deposit in the Series 2025 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in the Series 2025 Reserve Account to make up deficiencies. If the District has difficulty in collecting the Series 2025 Assessments, the moneys on deposit in the Series 2025 Reserve Account would be rapidly depleted and the ability of the District to pay Debt Service on the Series 2025 Bonds could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2025 Reserve Account and such other Funds, Accounts and subaccounts created under the Master Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2025 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2025 Assessments in order to provide for the replenishment of the Series 2025 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Series 2025 Reserve Account" herein for more information about the Series 2025 Reserve Account.

## **Legal Delays**

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2025 Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the Series 2025 Bonds to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Internal Revenue Code of 1986, as amended (the "Code"), there are limitations on the amounts of proceeds from the Series 2025 Bonds that can be used for such purpose.

## **IRS Examination and Audit Risk**

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations required that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an

electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by the landowners and none were elected by qualified electors. The Developer will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2025 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Series 2025 Bonds are advised that, if the IRS does audit the Series 2025 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2025 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2025 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds would adversely affect the availability of any secondary market for the Series 2025 Bonds. Should interest on the Series 2025 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2025 Bonds be required to pay income taxes on the interest received on such Series 2025 Bonds and related penalties, but because the interest rate on such Series 2025 Bonds will not be adequate to compensate Owners of the Series 2025 Bonds for the income taxes due on such interest, the value of the Series 2025 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE SERIES 2025 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2025 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2025 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2025 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2025 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

## **Loss of Exemption from Securities Registration**

The Series 2025 Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for securities issued by political subdivisions. It is possible that federal or state regulatory authorities could in the future determine that the District is not a political subdivision for purposes of federal and state securities laws, including without limitation as the result of a determination by the IRS, judicial or otherwise, of the District's status for purposes of the Code. In such event, the District and purchasers of Series 2025 Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Series 2025 Bonds would need to ensure that subsequent transfers of the Series 2025 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

## **Federal Tax Reform**

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2025 Bonds, by eliminating or changing the tax-exempt status of interest on such bonds. Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2025 Bonds cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS" herein.

## **State Tax Reform**

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renewed requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2025 Bonds. It should be noted that Section 190.016(14) of the Act provides in pertinent part that "[t]he state pledges to the holders of any bonds issued under this act that it will not limit or alter the rights of the district to ... levy and collect the ... assessments ... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not in any way impair the rights or remedies of such holders."

## **Insufficient Resources or Other Factors Causing Failure to Complete Development**

The cost to finish the Assessment Area One Project will exceed the net proceeds from the Series 2025 Bonds. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the Assessment Area One Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the Assessment Area One Project. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Limitation on Issuance of Additional Obligations" for more information.

Although the Developer will agree to fund or cause to be funded the completion of the Assessment Area One Project regardless of the insufficiency of proceeds from the Series 2025 Bonds and will enter into a completion agreement with the District as evidence thereof, there can be no assurance that the Developer will have sufficient resources to do so. Such obligation of the Developer is an unsecured obligation. See "THE DEVELOPER AND HORTON" herein for more information.

There are no assurances that the Assessment Area One Project and any other remaining development work associated with Assessment Area One will be completed. Further, there is a possibility that, even if Assessment Area One is developed, the Builders may not close on all or any of the lots therein and, and such failure(s) to close could negatively impact the construction and sale of homes in Assessment Area One. The Builder Contracts may also be terminated by the Builders upon the occurrence or failure to occur of certain conditions set forth therein. See "THE DEVELOPER AND HORTON" and "THE DEVELOPMENT – Builder Contracts and the Builders" herein for more information.

## **Pandemics and Other Public Health Emergencies**

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Developer, the timely and successful completion of the Development, the purchase of lots therein by the Builders and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also "Economic Conditions and Changes in Development Plans" and "Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

## **Cybersecurity**

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of Debt Service on the Series 2025 Bonds.

### **Prepayment and Redemption Risk**

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2025 Bonds are subject to extraordinary mandatory redemption, including, without limitation, as a result of prepayments of the Series 2025 Assessments by the Developer or subsequent owners of the property within Assessment Area One. Any such redemptions of the Series 2025 Bonds would be at the principal amount of such Series 2025 Bonds being redeemed plus accrued interest to the date of redemption. In such event, Owners of the Series 2025 Bonds may not realize their anticipated rate of return on the Series 2025 Bonds and Owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2025 Bonds. See "DESCRIPTION OF THE SERIES 2025 BONDS – Redemption Provisions," "– Purchase of Series 2025 Bonds" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Prepayment of Series 2025 Assessments" herein for more information.

### **Payment of Series 2025 Assessments after Bank Foreclosure**

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within Assessment Area One of the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2025 Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

## THE DISTRICT

### General Information

The District, which is the issuer of the Series 2025 Bonds, is a local unit of special purpose government of the State, created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. 2021-040 of the Board of County Commissioners of Polk County, Florida (the "County"), adopted and effective on July 20, 2021 (the "Ordinance"). The District encompasses approximately 400.97 gross acres of land located within the County. The District is located east of the CSX railroad, west of Kathleen Road, and north of Glenview Drive. See "THE DEVELOPMENT" herein for more information.

### Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter.

Among other provisions, the Act gives the District's Board of Supervisors the authority to, among other things: (a) finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems, facilities, and basic infrastructure for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; (iv) conservation areas, mitigation areas, and wildlife habitat; (v) any other project, facility, or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District; and (vi) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses, and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessment liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits. These functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any bondholders to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2025 Bonds.

## Board of Supervisors

The Act provides that a five-member Board of Supervisors (the "Board") serves as the governing body of the District. Members of the Board (the "Supervisors") must be residents of the State and citizens of the United States. Initially, the Supervisors were appointed in the Ordinance. Within 90 days after formation of the District, an election was held pursuant to which new Supervisors were elected on an at-large basis by the owners of the property within the District. Ownership of land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number). A Supervisor serves until expiration of his or her term and until his or her successor is chosen and qualified. If, during a term of office, a vacancy occurs, the remaining Supervisors may fill the vacancy by an appointment of an interim Supervisor for the remainder of the unexpired term.

After the initial election, the elections take place every two years, with the first such election being held on the first Tuesday in November, and subsequent elections being held on a date in November established by the Board. Upon the later of six years after the initial appointment of Supervisors and the year when the District next attains at least 250 qualified electors, Supervisors whose terms are expiring will begin to be elected (as their terms expire) by qualified electors of the District. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, each elected to four-year terms. The seat of the remaining Supervisor whose term is expiring at such election shall be filled by a Supervisor who is elected by the landowners for a four-year term and who is not required to be a qualified elector. Thereafter, as terms expire, all Supervisors must be qualified electors and must be elected by qualified electors to serve staggered four-year terms.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be qualified electors and be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under State law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Shelley Kaercher*	Chairperson	November 2028
John "JC" Nowotny*	Vice-Chairperson	November 2028
Mary Moulton*	Assistant Secretary	November 2026
Chris Tyree*	Assistant Secretary	November 2026
Roger Van Auker*	Assistant Secretary	November 2026

\* Employee of, or affiliated with, the Developer.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under the State's open meeting or "Sunshine" law.

### **The District Manager and Other Consultants**

The chief administrative official of the District is the District Manager (as hereinafter defined). **THE CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA ONE PROJECT**

Dewberry Engineers Inc. (the "District Engineer") prepared the Fox Branch Ranch Community Development District Engineer's Report, dated March 9, 2022 (the "Master Report"), as supplemented by the Fox Branch Ranch Community Development District 2025 Supplemental Engineer's Report, dated December 2024 (the "Supplemental Report" and together with the Master Report, the "Engineer's Report"). The Engineer's Report sets forth certain public infrastructure improvements for the development of the 624 residential lots planned for the District (the "Capital Improvement Plan"). The District Engineer, in the Master Report, estimated the total cost of the Capital Improvement Plan to be \$35,648,033.

Land development associated with the Development is scheduled to occur in phases. The first phase of land development consists of approximately 199.15 acres planned for 261 residential lots ("Assessment Area One"). As of the date hereof, approximately 109 lots in Assessment Area One have been platted. See "THE DEVELOPMENT" herein for more information on the status of development. The remaining phases of land development are planned to contain 363 residential units. The portion of the Capital Improvement Plan associated with Assessment Area One is referred to herein as the "Assessment Area One Project".

The Series 2025 Bonds are being issued to finance a portion of the Assessment Area One Project. The District Engineer in the Supplemental Report estimated the total cost of the Assessment Area One Project to be approximately \$21,031,304, as more particularly described below.

<u>Assessment Area One Description</u>	<u>Estimated Costs</u>
Stormwater System	\$5,256,781

As of February 1, 2025, the Developer has spent approximately \$21,000,000 towards land development in Assessment Area One. The net proceeds of the Series 2025 Bonds to be deposited in the Series 2025 Acquisition and Construction Account are estimated to be approximately \$4.82 million\*, and such proceeds will be used by the District towards the funding and/or acquisition of a portion of the Assessment Area One Project from the Developer. The Developer will enter into a completion agreement that will obligate the Developer to complete the Assessment Area One Project. See "THE DEVELOPMENT – Land Acquisition and Finance Plan," and "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

---

\* Preliminary, subject to change.

The District anticipates issuing additional Bonds in the future in order to finance land development associated with future assessment areas. Such Bonds will be secured by special assessments levied on lands which are separate and distinct from the land comprising Assessment Area One. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Limitation on Issuance of Additional Obligations" herein for more information.

The District Engineer has indicated that all engineering permits necessary to construct the Assessment Area One Project that are set forth in the Engineer's Report have been obtained or are reasonably expected to be obtained in the ordinary course of business. ## ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS

Wrathell, Hunt & Associates, LLC, Boca Raton, Florida (the "Methodology Consultant"), has prepared the Master Special Assessment Methodology Report dated March 9, 2022 (the "Master Assessment Methodology"), as supplemented by the Preliminary First Supplemental Special Assessment Methodology Report (Assessment Area One) dated February 19, 2025, included herein as APPENDIX E (the "Supplemental Assessment Methodology" and together with the Master Assessment Methodology, the "Assessment Methodology"). The Assessment Methodology sets forth an overall method for allocating the Series 2025 Assessments to be levied against the lands within Assessment Area One of the District benefited by the Assessment Area One Project and collected by the District as a result thereof. Once the final terms of the Series 2025 Bonds are determined, the Supplemental Assessment Methodology will be revised to reflect such final terms. Once levied and imposed, the Series 2025 Assessments are a first lien on the land against which assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District, including the operation and maintenance assessments, and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

The Series 2025 Bonds will be secured by the Series 2025 Assessments. The Series 2025 Assessments are being levied on the 109 platted lots and approximately 83 acres planned for an additional 152 lots within Assessment Area One. The expected annual Series 2025 Assessments per unit and Series 2025 Bond par debt per unit are set forth below.

<u>Product Type</u>	<u>No. of Units</u>	<u>Annual Series 2025 Assessments Per Unit*</u>	<u>Series 2025 Bonds Par Debt Per Unit*</u>
Single-Family 44'	20	\$1,290	\$17,343
Single-Family 50'	46	\$1,505	\$20,233
Single-Family 54'	118	\$1,505	\$20,233
Single-Family 64'	<u>77</u>	\$1,667	\$22,401
<b>Total</b>	<b>261</b>		

\* Preliminary, subject to change. Series 2025 Special Assessments show above include County cost of collection, currently at 3%, and the statutory early payment discount allowance of 4%. The Series 2025 Assessment amounts set forth above assume certain Developer contributions of infrastructure. See "APPENDIX E: ASSESSMENT METHODOLOGY" attached hereto for more information.

The District anticipates levying annual assessments to cover its operation and maintenance costs that will be approximately \$520 per unit, which amount is subject to change. The land within the District has been and is expected to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2024 was approximately 12.9429 mills, which millage rate is subject to change. These taxes would be payable in addition to the Series 2025 Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Polk County, Florida may each levy ad valorem taxes and/or special assessments upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See "BONDOWNERS' RISKS" and "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information, including proposed homeowners associations' assessments.

*The information appearing below under the captions "THE DEVELOPMENT" and "THE DEVELOPER AND HORTON" has been furnished by the Developer for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by Bond Counsel, the District or its counsel, or the Underwriter or its counsel, and no persons other than the Developer make any representation or warranty as to the accuracy or completeness of such information supplied by them. The following information is provided by the Developer as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. The Developer is not guaranteeing payment of the Series 2025 Bonds or the Series 2025 Assessments.*

## **THE DEVELOPMENT**

### **General**

The District Lands encompass approximately 400.97 gross acres of land located within the Kathleen region of unincorporated Polk County, Florida (the "County") and are being developed as an approximately 624 unit master planned residential community known as "Fox Branch Ranch" (the "Development"). The Development is located east of the CSX railroad, west of Kathleen Road, and north of Glenview Drive. The Publix Super Market at Kathleen Square is immediately south of the Development and the Huntington Hills Golf Club is just to the southeast of the Development. The Development is approximately 5 miles northwest of Interstate-4 which provides convenient access to Tampa 35 miles to the southwest and Orlando 55 miles to the northeast. Set forth below is a map which depicts the location of the Development.

Land development associated with the Development is being phased. The first phase of land development consists of approximately 199.15 acres planned for 261 residential lots ("Assessment Area One"). Land development associated with Assessment Area One is substantially complete, with final completion expected by June 2025. As of the date hereof, approximately 109 lots in Assessment Area One have been platted. A plat for 122 lots in Assessment Area One is expected to be recorded in the first quarter

of 2025 and a plat for the remaining 30 lots planned for Assessment Area One is expected to be recorded on or before May 2025. The remaining phases of land development in the District are planned to contain 363 residential units.

The Series 2025 Bonds are being issued to finance a portion of the Assessment Area One Project. The Series 2025 Bonds will be secured by the Series 2025 Assessments. The Series 2025 Assessments are being levied on the 109 platted lots and approximately 83 acres planned for an additional 152 lots within Assessment Area One. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" and "– Taxes, Fees and Assessments" herein for more information.

Forestar (USA) Real Estate Group Inc., a Delaware corporation (the "Developer"), is the landowner and developer of the lands in the District. The Developer has entered into a contract with M/I Homes of Tampa, LLC, a Florida limited liability company ("M/I Homes"), for 83 developed lots in Assessment Area One and a contract with D.R. Horton, Inc., a Delaware corporation ("Horton" and together with M/I Homes, the "Builders"), subject to Horton's corporate ratification, for the sale of 174 developed lots in Assessment Area One. The remaining four lots in Assessment Area One are Developer model holdback lots and are expected to be sold in the future. See "THE DEVELOPMENT – Builder Contracts and the Builders" and "THE DEVELOPER AND HORTON" herein for additional information.

At build-out, Assessment Area One is planned to contain approximately 261 residential units, consisting of (i) 20 single-family homes on 44' wide lots, (ii) 46 single-family homes on 50' wide lots, (iii) 118 single-family homes on 54' wide lots, and (iv) 77 single-family homes on 64' wide lots. Homes will range in size from approximately 1,672 square feet to 3,700 square feet and starting price points will range from approximately \$360,000 to \$575,000. The target customers for residential units within the Development are first time homebuyers. See "– Residential Product Offerings" herein for more information.

### **Land Acquisition and Finance Plan**

The Developer acquired the District Lands in September 2022. The Developer's cost basis in the District Lands is approximately \$4 million.

The Developer estimates that the total land development costs associated with Assessment Area One will be approximately \$29,325,000. As of February 1, 2025, the Developer has spent approximately \$21,000,000 towards land development in Assessment Area One. The available net proceeds from the Series 2025 Bonds to be deposited in the Series 2025 Acquisition and Construction Account are expected to be approximately \$4.82 million\* and such proceeds will be used by the District towards the funding and/or acquisition of a portion of the Assessment Area One Project from the Developer. The Developer will enter into a completion agreement that will obligate the Developer to complete any portions of the Assessment Area One Project not funded with proceeds of the Series 2025 Bonds. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

### **Development Plan / Status**

Land development associated with Assessment Area One is substantially complete, with final completion expected by June 2025. As of the date hereof, approximately 109 lots in Assessment Area One have been platted. A plat for 122 lots in Assessment Area One is expected to be recorded in the first quarter of 2025 and a plat for the remaining 30 lots planned for Assessment Area One is expected to be recorded

on or before May 2025. Sales and vertical construction for the District are expected to commence in the second quarter of 2025. Closings with homebuyers are expected in the third quarter of 2025.

The Developer anticipates that approximately 225 homes in Assessment Area One will be sold and closed by the Builders with homebuyers per annum until buildout. This anticipated absorption is based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer or the Builders. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

## **Builder Contracts and the Builders**

### M/I Homes

The Developer has entered into an Agreement for Purchase and Sale of Real Property dated February 4, 2025 (the "M/I Homes Contract"), with M/I Homes for the sale of 83 lots within Assessment Area One, comprised of 12 fifty-four foot lots and 71 sixty-four foot lots, for a purchase price of approximately \$113,400 per 54' lot and \$134,400 per 64' lot, plus an additional consideration of 6% per annum per lot, which additional consideration begins to accrue on any lots remaining after the first takedown described below until the closing of such lots.

Pursuant to the M/I Homes Contract, M/I Homes will make a deposit of \$1,090,320, which deposit will be released to the Developer upon satisfaction of certain requirements including recordation of a mortgage on certain Assessment Area One lands. Lots will be purchased in several takedowns, the first takedown of 20 lots within Phase 1A expected to occur on or before April 30, 2025, the second takedown of 29 lots within Phase 1B and Phase 2 expected to occur on or before July 31, 2025, and the third takedown on the remaining 34 lots within Phase 1B and Phase 2 expected to occur on or before September 30, 2025. The takedown schedule remains subject to change. M/I Home's obligation to close on lots under the M/I Homes Contract are conditioned, among other things, upon the completion of the development of such lots. In the event the Developer is not able to satisfy the conditions in the M/I Homes Contract, there is a risk that M/I Homes will not close on lots within Assessment Area One. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

M/I Homes was organized as a Florida limited liability company formed on November 1, 2002 and is ultimately wholly owned by M/I Homes, Inc. M/I Homes, Inc. common shares trade on the New York Stock Exchange under the symbol (MHO). M/I Homes, Inc. is subject to the reporting requirements of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and in accordance therewith, files annual, quarterly and current reports, proxy statements, and other information with the Securities and Exchange Commission (the "SEC"). The file number for M/I Homes, Inc. is 001-12434. Such reports, proxy statements, and other information can be found on the SEC's internet website at <http://www.sec.gov>. All documents subsequently filed by M/I Homes pursuant to the requirements of the Exchange Act after the date of this Limited Offering Memorandum will be available for inspection in the same manner as described above.

### Horton

The Developer has entered into a Purchase and Sale Agreement dated February 10, 2025 (the "Horton Contract"), with Horton for the sale of 174 lots within Assessment Area One, comprised of 20 forty-four foot lots, 45 fifty-foot lots, 103 fifty-four foot lots, and 6 sixty-four foot lots, for a purchase price of approximately \$85,800 per 44' lot, \$97,500 per 50' lot, \$105,300 per 54' lot, and \$124,800 per 64' lot,

plus an additional consideration of 6% per annum per lot, which additional consideration begins to accrue on any lots remaining after the first takedown described below until the closing of such lots. The Horton Contract is subject to corporate ratification by Horton, which is expected in the first quarter of 2025.

Pursuant to the Horton Contract, Horton is expected to make a deposit of \$1,769,820, which deposit will be released to the Developer and secured by a mortgage on certain Assessment Area One lands. Lots will be purchased in several takedowns, the first takedown is expected to be for 31 lots and is expected to occur in the second quarter of 2025, the second takedown is expected to be for 58 lots, the third takedown is expected to be for 54 lots, and the final takedown is expected to be 31 lots with each takedown expected to occur within 90 days after the prior takedown. The takedown schedule remains subject to change. Horton's obligation to close on lots under the Horton Contract is conditioned, among other things, upon the completion of the development of such lots. In the event the Developer is not able to satisfy the conditions in the Horton Contract or Horton doesn't obtain corporate ratification of the Horton Contract, there is a risk that Horton will not close on lots within Assessment Area One. See "THE DEVELOPER AND HORTON" herein for more information on Horton. See also "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein. See "THE DEVELOPER AND HORTON" herein for more information on Horton.

The land within the District, including, without limitation, the land therein subject to the Series 2025 Assessments, is zoned to allow for the contemplated residential uses described herein. All permits have been received by jurisdictional agencies to allow for the development contemplated herein or are reasonably expected to be received in the ordinary course. The project has vested school concurrency and traffic concurrency.

**Environmental**

A Phase I Environmental Site Assessment dated May 14, 2020 (the "ESA") was obtained by the Developer covering the District Lands, including all of the lands in Assessment Area One. The ESA revealed no recognized environmental conditions in connection with the Development. See "BONDOWNERS' RISKS - Regulatory and Environmental Risks" herein for more information regarding potential environmental risks.

**Amenities**

The Development is planned to contain an approximately 4.71 acre community site with an approximately 1,648 square foot cabana, a resort-style swimming pool and tot lot (collectively, the

"Amenity"). Construction of the Amenity is expected to commence in September 2025 and is expected to be completed by September 2026 at a total approximate cost of approximately \$1.5 million, which is expected to be privately funded by the Developer. The Amenity is expected to be owned and maintained by the community's homeowner's association.

## Taxes, Fees and Assessments

The Series 2025 Bonds will be secured by the Series 2025 Assessments. The Series 2025 Assessments are being levied on the 109 platted lots and approximately 83 acres planned for an additional 152 lots within Assessment Area One. The expected annual Series 2025 Assessments per unit and Series 2025 Bond par debt per unit are set forth below.

<u>Product Type</u>	<u>No. of Units</u>	<u>Annual Series 2025 Assessments Per Unit*</u>	<u>Series 2025 Bonds Par Debt Per Unit*</u>
Single-Family 44'	20	\$1,290	\$17,343
Single-Family 50'	46	\$1,505	\$20,233
Single-Family 54'	118	\$1,505	\$20,233
Single-Family 64'	<u>77</u>	\$1,667	\$22,401
<b>Total</b>	<b>261</b>		

\* Preliminary, subject to change. Series 2025 Special Assessments show above include County cost of collection, currently at 3%, and the statutory early payment discount allowance of 4%. The Series 2025 Assessment amounts set forth above assume certain Developer contributions of infrastructure. See "APPENDIX E: ASSESSMENT METHODOLOGY" attached hereto for more information.

The District anticipates levying annual assessments to cover its operation and maintenance costs that will be approximately \$520 per unit, which amount is subject to change. In addition, residents will be required to pay homeowners association fees, which are currently estimated to be \$768 per single family unit annually, which amount is subject to change. The land within the District has been and is expected to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2024 was approximately 12.9429 mills, which millage rate is subject to change. These taxes would be payable in addition to the Series 2025 Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Polk County, Florida may each levy ad valorem taxes and/or special assessments upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

## Education

The public schools for children residing in the Development are expected to be Socrum Elementary School, Kathleen Middle School, and Kathleen Senior High School, which are located approximately 5 miles, 5 miles, and 10 miles from the Development, respectively, and were ranked C, C and D, respectively, by the Florida Department of Education in 2024. The Polk County School Board may change school boundaries from time to time and there is no requirement that students residing in the Development be permitted to attend the schools which are closest to the Development.

## Competition

Homes within the Development are expected to compete generally with homes being constructed in northern Polk County. The following communities have been identified by the Developer as being competitive with the Development, because of their proximity to the Development, price ranges and product types. Those communities include Farm at Varrea, Ironwood, Knights Landings, and Wilder Pines.

The information under this heading does not purport to list all of the existing or planned communities in the area of the Development, but rather provide a list of those that the Developer feels pose primary competition to the Development.

### **Developer Agreements**

The Developer will enter into a completion agreement that will obligate the Developer to complete the Assessment Area One Project. In addition, the Developer will execute and deliver to the District a Collateral Assignment Agreement (the "Collateral Assignment"), pursuant to which the Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer, development rights relating to the Assessment Area One Project. Notwithstanding such Collateral Assignment, in the event the District forecloses on the lands subject to the Series 2025 Assessments as a result of the Developer's or subsequent landowners' failure to pay such assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the Assessment Area One Project or the development of Assessment Area One. Finally, the Developer will also enter into a True-Up Agreement in connection with its obligations to pay true-up payments in the event that debt levels on unplatted lands in Assessment Area One increase above the maximum debt levels set forth in the Assessment Methodology. See "APPENDIX E: ASSESSMENT METHODOLOGY" herein for additional information regarding the "true-up mechanism." Such obligations of the Developer are unsecured obligations. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein. See also "THE DEVELOPER AND HORTON" herein for more information regarding the Developer.

### **THE DEVELOPER AND HORTON**

*Neither the Developer, Horton nor any of the other entities listed above are guaranteeing payment of the Series 2025 Bonds or the Series 2025 Assessments. None of the entities listed herein, other than the Developer and Horton, has entered into any agreements in connection with the issuance of the Series 2025 Bonds.*

## **TAX MATTERS**

### **Opinion of Bond Counsel**

In the opinion of Bond Counsel, the form of which is attached hereto as APPENDIX C, the interest on the Series 2025 Bonds is excludable from gross income of the owners thereof for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax under existing statutes, regulations, rulings and court decisions; provided, however, with respect to certain corporations, interest on the Series 2025 Bonds is taken into account in determining the annual adjusted financial statement income for the purpose of computing the alternative minimum tax imposed on such corporations. Failure by the District to comply subsequent to the issuance of the Series 2025 Bonds with certain requirements of the Internal Revenue Code of 1986, as amended (as previously defined, the "Code"), including but not limited to requirements regarding the use, expenditure and investment of Series 2025 Bond proceeds and the timely payment of certain investment earnings to the Treasury of the United States, may cause interest on the Series 2025 Bonds to become includable in gross income for federal income tax purposes retroactive to their date of issuance. The District has covenanted to comply with all provisions of the Code necessary to, among other things, maintain the exclusion from gross income of interest on the Series 2025 Bonds for purposes of federal income taxation. In rendering its opinion, Bond Counsel has assumed continuing compliance with such covenants.

### **Internal Revenue Code of 1986**

The Code contains a number of provisions that apply to the Series 2025 Bonds, including, among other things, restrictions relating to the use or investment of the proceeds of the Series 2025 Bonds and the payment of certain arbitrage earnings in excess of the "yield" on the Series 2025 Bonds to the Treasury of the United States. Noncompliance with such provisions may result in interest on the Series 2025 Bonds being included in gross income for federal income tax purposes retroactive to their date of issuance.

### **Collateral Tax Consequences**

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of, the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should be aware that the ownership of the Series 2025 Bonds may result in other collateral federal tax consequences. For example, ownership of the Series 2025 Bonds may result in collateral tax consequences to various types of corporations relating to (1) denial of interest deduction to purchase or carry such Series 2025 Bonds, (2) the branch profits tax, and (3) the inclusion of interest on the Series 2025 Bonds in passive income for certain Subchapter S corporations. In addition, the interest on the Series 2025 Bonds may be included in gross income by recipients of certain Social Security and Railroad Retirement benefits.

PURCHASE, OWNERSHIP, SALE OR DISPOSITION OF THE SERIES 2025 BONDS AND THE RECEIPT OR ACCRUAL OF THE INTEREST THEREON MAY HAVE ADVERSE FEDERAL TAX CONSEQUENCES FOR CERTAIN INDIVIDUAL AND CORPORATE BONDHOLDERS, INCLUDING, BUT NOT LIMITED TO, THE CONSEQUENCES REFERRED TO ABOVE. PROSPECTIVE SERIES 2025 BONDHOLDERS SHOULD CONSULT WITH THEIR TAX ADVISORS FOR INFORMATION IN THAT REGARD.

### **Florida Taxes**

In the opinion of Bond Counsel, the Series 2025 Bonds and interest thereon are exempt from taxation under the laws of the State of Florida, except as to estate taxes and taxes imposed by Chapter 220,

Florida Statutes, on interest, income or profits on debt obligations owned by corporations, as defined in said Chapter 220.

### **Other Tax Matters**

Interest on the Series 2025 Bonds may be subject to state or local income taxation under applicable state or local laws in other jurisdictions. Purchasers of the Series 2025 Bonds should consult their tax advisors as to the income tax status of interest on the Series 2025 Bonds in their particular state or local jurisdictions.

The Inflation Reduction Act, H.R. 5376 (the "IRA"), was passed by both houses of the U.S. Congress and was signed by the President on August 16, 2022. As enacted, the IRA includes a 15 percent alternative minimum tax to be imposed on the "adjusted financial statement income", as defined in the IRA, of certain corporations. Interest on the Series 2025 Bonds will be included in the "adjusted financial statement income" of such corporations for purposes of computing the corporate alternative minimum tax. Prospective purchasers that could be subject to this minimum tax should consult with their own tax advisors regarding the potential tax consequences of owning the Series 2025 Bonds.

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2025 Bonds. In some cases these proposals have contained provisions that altered these consequences on a retroactive basis. Such alterations of federal tax consequences may have affected the market value of obligations similar to the Series 2025 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2025 Bonds and their market value. No assurance can be given that additional legislative proposals will not be introduced or enacted that would or might apply to, or have an adverse effect upon, the Series 2025 Bonds.

On February 23, 2016, the IRS issued a notice of proposed rulemaking (the "Proposed Regulations") and notice of public hearing containing proposed regulations that provided guidance regarding the definition of political subdivision for purposes of the rules for tax-exempt bonds, including determinations of entities that are valid issuers of tax-exempt bonds. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." The Proposed Regulations were officially withdrawn on October 20, 2017. See also "BONDOWNERS' RISKS – IRS Examination and Audit Risk" herein.

### **Original Issue Discount**

Certain of the Series 2025 Bonds (the "Discount Bonds") may be offered and sold to the public at an original issue discount, which is the excess of the principal amount of the Discount Bonds over the initial offering price to the public, excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers, at which price a substantial amount of the Discount Bonds of the same maturity was sold. Original issue discount represents interest which is excluded from gross income for federal income tax purposes to the same extent as interest on the Discount Bonds. Original issue discount will accrue over the term of a Discount Bond at a constant interest rate compounded semi-annually. An initial purchaser who acquires a Discount Bond at the initial offering price thereof to the public will be treated as receiving an amount of interest excludable from gross income for federal income tax purposes

equal to the original issue discount accruing during the period such purchaser holds such Discount Bond and will increase its adjusted basis in such Discount Bond by the amount of such accruing discount for purposes of determining taxable gain or loss on the sale or other disposition of such Discount Bond. The federal income tax consequences of the purchase, ownership and prepayment, sale or other disposition of Discount Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those above. Owners of Discount Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of interest accrued upon sale, prepayment or other disposition of such Discount Bonds and with respect to the state and local tax consequences of owning and disposing of such Discount Bonds.

### **Bond Premium**

Certain of the Series 2025 Bonds (the "Premium Bonds") may be offered and sold to the public at a price in excess of the principal amount of such Premium Bond, which excess constitutes to an initial purchaser amortizable bond premium which is not deductible from gross income for federal income tax purposes. The amount of amortizable bond premium for a taxable year is determined actuarially on a constant interest rate basis over the term of the Premium Bonds which term ends on the earlier of the maturity or call date for each Premium Bond which minimizes the yield on said Premium Bonds to the purchaser. For purposes of determining gain or loss on the sale or other disposition of a Premium Bond, an initial purchaser who acquires such obligation in the initial offering to the public at the initial offering price is required to decrease such purchaser's adjusted basis in such Premium Bond annually by the amount of amortizable bond premium for the taxable year. The amortization of bond premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Premium Bonds. The federal income tax consequences of the purchase, ownership and sale or other disposition of Premium Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those described above. Owners of the Premium Bonds are advised that they should consult with their own advisors with respect to the state and local tax consequences of owning such Premium Bonds.

### **AGREEMENT BY THE STATE**

Under the Act, the State pledges to the holders of any bonds issued thereunder, including the Series 2025 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

### **LEGALITY FOR INVESTMENT**

The Act provides that the bonds issued by community development districts are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

### **SUITABILITY FOR INVESTMENT**

In accordance with applicable provisions of State law, the Series 2025 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, as

amended, and the rules promulgated thereunder. The limitation of the initial offering to "accredited investors" does not denote restrictions on transfers in any secondary market for the Series 2025 Bonds. Investment in the Series 2025 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

### **ENFORCEABILITY OF REMEDIES**

The remedies available to the Owners of the Series 2025 Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2025 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2025 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

### **LITIGATION**

#### **The District**

There is no litigation of any nature now pending or, to the knowledge of the District threatened against the District, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2025 Bonds, or in any way contesting or affecting (i) the validity of the Series 2025 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2025 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Series 2025 Assessment Proceedings.

#### **The Developer**

The Developer has represented that there is no litigation of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the ability of the Developer to complete the development of the Development or to complete the Assessment Area One Project as described herein, or materially and adversely affect the ability of the Developer to pay the Series 2025 Assessments imposed against the land within Assessment Area One of the District owned by the Developer.

### **CONTINGENT FEES**

The District has retained Bond Counsel, District Counsel, the District Engineer, the District Manager/Methodology Consultant, the Underwriter (who has retained Underwriter's Counsel) and the Trustee (who has retained Trustee's counsel), with respect to the authorization, sale, execution and delivery of the Series 2025 Bonds. Except for the payment of certain fees to District Counsel, the District Engineer and the District Manager, the payment of fees of the other professionals is each contingent upon the issuance of the Series 2025 Bonds.

### **NO RATING**

No application for a rating for the Series 2025 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2025 Bonds would have been obtained if application had been made.

## **EXPERTS**

The Engineer's Report included in APPENDIX A to this Limited Offering Memorandum has been prepared by Dewberry Engineers Inc., Orlando, Florida, the District Engineer. APPENDIX A should be read in its entirety for complete information with respect to the subjects discussed therein. Wrathell, Hunt & Associates, LLC, Boca Raton, Florida, as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX E hereto. APPENDIX E should be read in its entirety for complete information with respect to the subjects discussed therein.

## **FINANCIAL INFORMATION**

This District will covenant in the Continuing Disclosure Agreement, the proposed form of which is set forth in APPENDIX D hereto, to provide its annual audited financial statements to certain information repositories as described in APPENDIX D, commencing with the audit for the District fiscal year ending September 30, 2025. Attached hereto as APPENDIX F is a copy of the District's unaudited financial statements for the period ended December 31, 2024. The District does not have audited financial statements because the District has not yet met the threshold under State law requiring an audit. The Series 2025 Bonds are not general obligation bonds of the District and are payable solely from the Series 2025 Trust Estate.

By the end of the first full fiscal year after its creation, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S., including, without limitation, the district's proposed and final budgets and audit. Additional information regarding the District's website is available from the District Manager at the address set forth under "THE DISTRICT – The District Manager and Other Consultants."

## **DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS**

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private business). The District has not previously issued any debt obligations and, therefore, is not and has never been in default as to principal and interest on its bonds or other debt obligations.

## **CONTINUING DISCLOSURE**

The District and the Developer will enter into the Continuing Disclosure Agreement (the "Disclosure Agreement") in the proposed form of APPENDIX D, for the benefit of the Series 2025 Bondholders (including owners of beneficial interests in such Series 2025 Bonds), to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") with the MSRB through the MSRB's EMMA system. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX D: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District or the Developer to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2025 Bondholders (including owners of beneficial interests in such Series 2025 Bonds) to bring an action for specific performance.

The District has not previously issued any bonds and has not previously entered into any continuing disclosure obligations pursuant to Rule 15c2-12, promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"). The District anticipates satisfying all future disclosure obligations required pursuant to its Disclosure Agreement and the Rule. The District will appoint the District Manager as the dissemination agent in the Disclosure Agreement and anticipates satisfying all future disclosure obligations required pursuant to the Disclosure Agreement.

The Developer has previously entered into continuing disclosure undertakings pursuant to the Rule in connection with other special districts. A review of filings made pursuant to such prior undertakings indicates that certain filings required to be made by the Developer were not timely or correctly filed and that corrective filings or notices of late filings, as applicable, were not always filed. The Developer anticipates satisfying all future disclosure obligations required pursuant to the Disclosure Agreement.

## **UNDERWRITING**

FMSbonds, Inc. (the "Underwriter") has agreed, pursuant to a contract with the District, subject to certain conditions, to purchase the Series 2025 Bonds from the District at a purchase price of \$ \_\_\_\_\_ (representing the par amount of the Series 2025 Bonds [plus/less net original issue premium/discount of \$ \_\_\_\_\_ and] less an Underwriter's discount of \$ \_\_\_\_\_). The Underwriter's obligations are subject to certain conditions precedent and the Underwriter will be obligated to purchase all of the Series 2025 Bonds if any are purchased.

The Underwriter intends to offer the Series 2025 Bonds to accredited investors at the offering prices set forth on the cover page of this Limited Offering Memorandum, which may subsequently change without prior notice. The Series 2025 Bonds may be offered and sold to certain dealers, banks and others at prices lower than the initial offering prices, and such initial offering prices may be changed from time to time by the Underwriter.

## **VALIDATION**

Bonds issued pursuant to the terms of the Master Indenture have been validated by a judgment of the Circuit Court of the Tenth Judicial Circuit Court of Florida in and for Polk County, Florida, rendered on July 25, 2022. The period of time during which an appeal can be taken from such judgment has expired without an appeal having been taken.

## **LEGAL MATTERS**

Certain legal matters related to the authorization, sale and delivery of the Series 2025 Bonds are subject to the approval of Nabors, Giblin & Nickerson, P.A., Tampa, Florida, Bond Counsel. Certain legal matters will be passed upon for the District by its counsel Kutak Rock LLP, Tallahassee, Florida, for the Developer by its counsel, J. Wayne Crosby, P.A., Winter Park, Florida, and for the Underwriter by its counsel, GrayRobinson, P.A., Tampa, Florida. GrayRobinson, P.A. represents the Developer in unrelated matters.

The legal opinions of Bond Counsel to be delivered concurrently with the delivery of the Series 2025 Bonds are based on existing law, which is subject to change. Such opinions are further based on factual representations made to Bond Counsel as of the date of such opinions. Bond Counsel assumes no duty to update or supplement its opinions to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinions are not a guarantee of a particular result, and are not binding on the

IRS or the courts; rather, such opinions represent Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

#### **MISCELLANEOUS**

Any statements made in this Limited Offering Memorandum involving matters of opinion or estimates, whether or not expressly so stated, are set forth as such and not as representations of fact, and no representations are made that any of the estimates will be realized.

The references herein to the Series 2025 Bonds and other documents referred to herein are brief summaries of certain provisions thereof. Such summaries do not purport to be complete and reference is made to such documents for full and complete statements of such provisions.

This Limited Offering Memorandum is submitted in connection with the limited offering of the Series 2025 Bonds and may not be reproduced or used, as a whole or in part, for any other purpose. ## 1. Introduction

The purpose of this report is to provide a description of the capital improvement plan ("CIP") and estimated costs of the CIP for the Fox Branch Ranch Community Development District ("District").

## 2. General Site Description

The proposed District is located entirely within the Polk County, Florida, and includes approximately 400.97 acres of land. **Exhibit 1** depicts the general location of the project. The site is generally located at the east of the CSX Railroad, west of Kathleen Road, south of undeveloped lands, and north of Glenview Drive.

The metes and bounds sketch and description of the external boundary of the proposed District is set forth in **Exhibit 2**.

## 3. Proposed Capital Improvement Project

The CIP is intended to provide public infrastructure improvements for the lands within the District, which is planned for 607 residential units. The proposed site plan for the District is attached as **Exhibit 3**, and this plan enumerates the proposed lot count by type, within the District.

The tables shown below depict the planned product types and land uses in **Table 3.1** and **Table 3.2** for the District respectively.

<b>TOTAL</b>	<b>400.97</b>

The CIP infrastructure includes:

### 3.1 Roadway Improvements

The CIP includes subdivision roads within the District. Generally, roadways will be 2-lane undivided roads. Such roads include the roadway asphalt, base and subgrade, roadway curb and gutter, striping and signage, and sidewalks within the right-of-way abutting non-single-family lot lands. Sidewalks abutting lots will be constructed by the homebuilders. Roadways will be designed in accordance with standards outlined in Appendix A of the Polk County Land Development Code.

Internal roadways may be financed by the District and dedicated to the Polk County for ownership, operation, and maintenance. Alternatively, the developer may elect to finance and gate the internal roads and convey those roads to a homeowner's association for ownership, operation, and maintenance (in such an event, the District would be limited to financing only utilities, conservation/mitigation, and stormwater improvements behind such gated areas).

### 3.2 Stormwater Management System

The stormwater collection and outfall systems are a combination of roadway curbs, curb inlets, pipe, control structures, and open lakes designed to treat and attenuate stormwater runoff from District lands. The stormwater system within the project discharges to 15 retention ponds and additional dry swale areas. The stormwater system will be designed consistent with the criteria established by the Southwest Florida Water Management District (SWFWMD) and the Polk County for stormwater and floodplain management systems. It is anticipated that the District will finance, own, operate, and maintain the stormwater systems, with the exception that the County will own, operate, and maintain the inlets and storm sewer pipes within the County's right-of-way.

### 3.3 Water, Wastewater, and Reclaim Utilities

As part of the CIP, the District intends to construct and/or acquire potable water, wastewater, and reclaim infrastructure for the development. **Exhibit 4** labels both the offsite connections for water, wastewater, and reclaim for the CIP and the anticipated onsite utilities to be constructed. Currently, two lift stations are proposed.

The on-site water supply improvements include watermains located within the right-of-way and used for potable water service and fire protection. The offsite 12-inch proposed watermain will run north in Kathleen Road and the 4-inch and 12 8-inch water mains, and 12-inch reclaim main located along the south side Raulerson Road near the entrance of Pebblebrooke Estates where it will tie into an existing 12-inch diameter watermain.

The installation of a proposed offsite 12-inch reuse main increases into a proposed 16-inch offsite line on Raulerson Road that then connects to an existing 24-inch diameter pipe at the junction of Raulerson Road and Pebblebrooke Boulevard.

The 4-inch sewer force main is proposed within the development and increases into a proposed offsite 8-inch force main on Raulerson Road where it ties into an existing 24-inch diameter pipe at the junction of Raulerson Road and Pebblebrooke Boulevard.

The water, wastewater, and reclaim collection systems for all phases will be completed by the District and subsequently dedicated to the Polk County for operation and maintenance.

### 3.4 Hardscape, Landscape, and Irrigation

The District will construct and/or install landscaping, irrigation, and hardscaping within District common areas and rights-of-way. The irrigation system will consist of irrigation mains, valves, and appurtenances. Hardscaping will include monuments and entry features.

The County has design criteria standards and specifications for planting and irrigation design; therefore, this project will meet and/or exceed the minimum requirements outlined by the County. The on-site enhancements at the common areas are for the general benefit of the community.

All such landscaping, irrigation, and hardscaping will be funded, maintained, and owned by the District. Such infrastructure located within the rights-of-way owned by the County are to be owned and maintained by the District pursuant to a right-of-way agreement to be entered into with the County.

### **3.5 Streetlights / Undergrounding of Electrical Utility Lines**

The District intends to lease streetlights through an agreement with Lakeland Energy. The District is anticipated to fund the streetlights through an annual operation and maintenance assessment. As such, streetlights are not included as part of the CIP.

The CIP does, however, include the underground of electrical utility conduit lines within right-of-way utility easements throughout the community. Electrical lines and transformers will be owned by the electric company, Lakeland Energy, and not paid for by the District as part of the CIP.

### **3.6 Recreational Amenities**

While not part of the CIP, the developer intends to develop a residential amenity for the project, which would be financed by the developer and owned and maintained by a homeowner's association. The amenities constitute common areas for the exclusive benefit of the residential lot owners within the development.

### **3.7 Environmental Conservation/Mitigation**

There are 2.33 acres of forested and herbaceous wetland impacts associated with the proper construction of the District's infrastructure which will require 1.08 acres of wetland mitigation. The District may be responsible for the design, permitting, construction, maintenance, and government reporting of the environmental mitigation for incomplete or any modifications to the mitigation. The District will be responsible for final construction, maintenance and governmental monitoring per permit conditions.

### **3.8 Professional Services**

The CIP also includes various professional services. These include: (i) engineering, surveying, and architectural fees, (ii) permitting and plan review costs, and (iii) development/construction management services fees that are required for the design, permitting, construction, and maintenance acceptance of the public improvements and community facilities.

### **3.9 Offsite Improvements**

The CIP contains the off-site roadway improvements, turn lanes and/or shoulder widening on the existing road, striping and pavement markings, stormwater improvements, wetland impacts and site restoration associated utility tie-ins on Raulerson Road and County Road 35 ALT.

Additional offsite improvements may be required through the permit process. As noted above, the offsite utilities include the following.

The 12-inch proposed watermain will be located on the south side of Raulerson Road near the entrance of Pebblebrooke Estates where it will tie into an existing 12-inch diameter watermain.

The installation of a proposed 12-inch reuse main increases into a proposed 16-inch (offsite) line on Raulerson Road that then connects to an existing 24-inch diameter pipe (off at the junction of Raulerson Road and Pebblebrooke Boulevard.

The 4-inch sewer force main exits the development and increases into a proposed 8-inch force main on Raulerson Road where it ties into an existing 24-inch diameter pipe at the junction of Raulerson Road and Pebblebrooke Boulevard.

The water, wastewater, and reclaim collection systems for all phases will be completed by the District and subsequently dedicated to Polk County for operation and maintenance.

As noted, the District's CIP, functions as a system of improvements benefitting all lands within the District.

The foregoing improvements are required by applicable development approvals.

**Table 3.3** provides a breakdown of the CIP by category and the governing body for the purpose of financing, ownership, and management of each.

#### 5. Opinion of Probable Construction Costs

**Table 5.1** shown below presents the Opinion of Probable Cost for the CIP. It is our professional opinion that the costs set forth in **Table 5.1** are reasonable and consistent with current market pricing.

Professional Fees	\$2,442,125
<b>TOTAL</b>	<b>\$35,648,033</b>

The probable costs estimated herein do not include anticipated carrying cost, interest reserves or other anticipated CDD expenditures that may be incurred.

## 6. Conclusions and Engineer's Certification

The CIP will be designed in accordance with current governmental regulations and requirements. The CIP will serve its intended function so long as the construction is in substantial compliance with the design.

It is further our opinion that:

- The estimated cost to the CIP as set forth herein is reasonable based on prices currently being experienced in Polk County, Florida and is not greater than the lesser of the actual cost of construction or the fair market value of such infrastructure;
- Improvements comprising the CIP are required by applicable development approvals;
- The CIP is feasible to construct, there are no technical reasons existing at this time that would prevent the implementation of the CIP, and it is reasonable to assume that all necessary regulatory approvals will be obtained in due course;
- The reasonably expected economic life of the CIP is anticipated to be at least 20 years;
- The assessed property within the District will receive a special benefit from the CIP that is at least equal to such costs.
- The CIP will function as a system of improvements benefitting all lands within the District.

The professional service for establishing the Construction Cost Estimate is consistent with the degree of care and skill exercised by members of the same profession under similar circumstances.

The CIP improvements will be owned by the District or other governmental units and as such the CIP improvements are intended to be available and will be reasonably available for use by the general public (either by being part of a system of improvements that is available to the general public or is otherwise available to the general public) including nonresidents of the District. All the CIP improvements are or will be located on lands owned or to be owned by the District or another governmental entity or on public easements in favor of the District or other governmental entity. No private earthwork is included in the

CIP. Accordingly, the earthwork costs include digging any stormwater ponds as well as the placement of fill at the site but does not include the cost of fine grading of any lots.

Please note that the CIP as presented herein is based on current plans and market conditions, which are subject to change. Accordingly, the CIP, as used herein, refers to sufficient public infrastructure of the kinds described herein (i.e., stormwater/floodplain management, sanitary sewer, potable water, etc.) to support the development and sale of the planned residential units in the District, which (subject to true-up determinations) number and type of units may be changed with the development of the site. Stated differently, during development and implementation of the public infrastructure improvements as described for the District, it may be necessary to make modifications and/or deviations for the plans, and the District expressly reserves the right to do so.

## 1. Purpose

This report supplements the Engineer's Report, dated March 9, 2022 ("**Master Report**") in order to address the first phase of the District's CIP to be known as the "**2025 Project.**" All capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Master Report.

## 2. 2025 Project

The District's 2025 Project includes the portion of the CIP that is necessary for the development of what is known as "Phases 1, 2, and 1b" (together, "**Assessment Area One**") of the District. A legal description and sketch for phases 1, 2, and 1b are shown in Exhibit A. Public improvements and facilities financed, acquired, and/or constructed by the District will be designed and constructed to conform to regulatory criteria from Polk County, Southwest Florida Water Management District (SWFWMD), and other applicable agencies with regulatory jurisdiction over the development.

### 2.1 Product Mix

The table below shows the product types that will be part of the 2025 Project:

### 2.2 List of 2025 Project Improvements

Assessment Area One described in this Supplemental Engineer's Report reflects the present intentions of the District and the landowners. It should be noted that the location of the proposed facilities and improvements may be adjusted during the final implementation phases. It should also be noted that these modifications are not expected to diminish the benefits to the property within the District. The District reserves the right to make reasonable adjustments to the development plan to meet applicable regulatory requirements of agencies with jurisdiction over the development while maintaining a comparable level of benefits to the lands served by the improvements. Changes and modifications are expected as changes in regulatory criteria are implemented.

The various improvements that are part of the overall CIP – including those that are part of the 2025 Project – are described in detail in the Master Report, and those descriptions are incorporated herein. The 2025 Project includes, generally stated, the following items relating to Assessment Area One: public roadways, stormwater management, utilities, hardscape/landscape/irrigation, wetland conservation, the differential cost of undergrounding electrical conduit, soft costs, etc. Also, the 2025 Project includes the construction of offsite improvements including:

- a 12-inch watermain extension to the south side of Raulerson Road near the entrance of Pebblebrooke Estates where it will tie into an existing 12-inch diameter watermain;
- installation of a 16-inch (offsite) line on Raulerson Road that then connects to an existing 24-inch diameter pipe (off at the junction of Raulerson Road and Pebblebrooke Boulevard); and,
- an 8-inch force main extension from Kathleen Road to Raulerson Road where it ties into an existing 24-inch diameter pipe at the junction of Raulerson Road and Pebblebrooke Boulevard.

## 2.3 Permits

All permits and approvals necessary for the development of the 2025 Project have been obtained or are reasonably expected to be obtained in due course.

## 2.4 Estimated Costs / Benefits

Table 2.4 includes the Opinion of Probable Cost for the 2025 Project. It is our professional opinion that the costs set forth herein are reasonable and consistent with market pricing. While the delivery of the 2025 Project will necessarily involve the installation of certain "master" improvements, the District's 2025 Project is a part of the entire CIP, which functions as a system of improvements that includes the CIP for the CDD.

TABLE 2.4

ESTIMATED COSTS OF DELIVERING THE 2025 PROJECT		
TABLE HEADING	2025 PROJECT COSTS	O&M
Stormwater System	\$5,256,781	CDD
Conservation/Mitigation	\$357,961	CDD
Water, Sewer & Reclaim Systems	\$6,090,105	County
Roadways	\$2,085,391	County
Right-of-Way Landscape & Hardscape and Irrigation	\$547,302	CDD
Undergrounding of Electric Conduit	\$812,991	CDD
Off-Site Improvements	\$1,500,495	County
Contingency	\$3,330,205	As above
Professional Fees	\$1,050,073	N/A
<b>Total</b>	<b>\$21,031,304</b>	

- a) The probable costs estimated herein do not include anticipated carrying cost, interest reserves or other anticipated CDD expenditures that may be incurred.
- b) The developer reserves the right to finance any of the improvements outlined above, and have such improvements owned and maintained by a property owner's or homeowner's association, in which case such items would not be part of the CIP.
- c) Because the CIP is a system of improvements, future bonds, secured by special assessments levied on lands outside of the 2025 Project area, may be issued to finance certain master improvements that were constructed as part of the 2025 Project.

## 3. CONCLUSION

The 2025 Project will be designed in accordance with current governmental regulations and requirements. The 2025 Project will serve its intended function so long as the construction is in substantial compliance with the design. It is further our opinion that:

- the estimated cost of the 2025 Project as set forth herein is reasonable based on prices currently being experienced in the jurisdiction in which the District is located, and is not greater than the lesser of the actual cost of construction or the fair market value of such infrastructure;
- all of the improvements comprising the 2025 Project are required by applicable development approvals issued pursuant to Section 380.06, Florida Statutes;
- the 2025 Project is feasible to construct, there are no technical reasons existing at this time that would prevent the implementation of the 2025 Project, and it is reasonable to assume that all necessary regulatory approvals will be obtained in due course; and
- the assessable property within Assessment Area One will receive a special benefit from the 2025 Project that is at least equal to the costs of the 2025 Project.

Fox Branch Ranch CDD  
2025 Supplemental Engineer's Report

As described above, this report identifies the benefits from the 2025 Project to the lands within Assessment Area One. The general public, property owners, and property outside Assessment Area One will benefit from the provisions of the 2025 Project; however, these are incidental to the 2025 Project, which is designed solely to provide special benefits peculiar to property within Assessment Area One. Special and peculiar benefits accrue to property within Assessment Area One and enable properties within its boundaries to be developed.

The 2025 Project will be owned by the District or other governmental units and such 2025 Project is intended to be available and will reasonably be available for use by the general public (either by being part of a system of improvements that is available to the general public or is otherwise available to the general public) including nonresidents of the District. All of the 2025 Project is or will be located on lands owned or to be owned by the District or another governmental entity or on perpetual easements in favor of the District or other governmental entity. The 2025 Project, and any cost estimates set forth herein, do not include any earthwork, grading or other improvements on private lots or property. The District will pay the lesser of the cost of the components of the 2025 Project or the fair market value.

Please note that the 2025 Project as presented herein is based on current plans and market conditions which are subject to change. Accordingly, the 2025 Project, as used herein, refers to sufficient public infrastructure of the kinds described herein (i.e., stormwater/floodplain management, sanitary sewer, potable water, etc.) to support the development and sale of the planned residential units in the District, which (subject to true-up determinations) number and type of units may be changed with the development of the site. Stated differently, during development and implementation of the public infrastructure improvements as described for the District, it may be necessary to make modifications and/or deviations for the plans, and the District expressly reserves the right to do so.

The District shall provide written notice to the Trustee of any optional redemption on or before the forty-fifth (45th) day next preceding the date to be fixed for such optional redemption. If it is determined that one or more, but not all, of the units of principal amount represented by any such Bond is to be called for redemption, then upon notice of intention to redeem such unit or units of principal amount as provided below, the registered Owner of such Bond, upon surrender of such Bond to the Paying Agent for payment to such registered Owner of the redemption price of the unit or units of principal amount called for redemption, shall be entitled to receive a new Bond or Bonds of such Series in the aggregate principal amount of the unredeemed balance of the principal amount of such Bond. New Bonds of such Series representing the unredeemed balance of the principal amount shall be issued to the Owner thereof without any charge therefor. If the Owner of any Bond of a denomination greater than the unit of principal amount to be redeemed shall fail to present such Bond to the Paying Agent for payment in exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the unit or units of principal amount called for redemption.

Subject to the provisions of Section 506(b) hereof, the District may purchase a Bond or Bonds of a Series in the open market at a price no higher than the highest Redemption Price (including premium) for the Bond to be so purchased with any funds legally available therefor and any such Bonds so purchased shall be credited to the amounts otherwise required to be deposited for the payment of Bonds of such Series as provided in Section 506(b) hereof or as otherwise provided in the Supplemental Indenture relating to such Series of Bonds.

Except as otherwise provided herein, notice of redemption shall be given by the Bond Registrar not less than thirty (30) nor more than forty-five (45) days prior to the date fixed for redemption by first-class mail, postage prepaid, to any Paying Agent for the Bonds to be redeemed and to the registered Owner of each Bond to be redeemed, at the address of such registered Owner on the registration books maintained by the Bond Registrar (and, for any Owner of \$1,000,000 or more in principal amount of Bonds, to one additional address if written request therefor is provided to the Bond Registrar prior to the Record Date); and a second notice of redemption shall be sent by registered or certified mail at such address to any Owner who has not submitted his Bond to the Paying Agent for payment on or before the date sixty (60) days following the date fixed for redemption of such Bond, in each case stating: (a) the numbers of the Bonds to be redeemed, by giving the

**Section 402. Payments from Acquisition and Construction Fund.** Payments of the Cost of constructing and acquiring a Series Project shall be made from the Acquisition and Construction Fund as herein provided. All such payments shall be subject to the provisions and restrictions set forth in this Article IV and in Article V hereof, and the District covenants that it will not request any sums to be paid from the Acquisition and Construction Fund except in accordance with such provisions and restrictions. Moneys in the Acquisition and Construction Fund shall be disbursed by check, voucher, order, draft, certificate or warrant signed by any one or more officers or employees of the Trustee legally authorized to sign such items or by wire transfer to an account specified by the payee upon satisfaction of the conditions for disbursement set forth in Section 503(b) hereof.

**Section 403. Cost of a Series Project.** For the purposes of this Master Indenture, the Cost of a Series Project shall include, without intending thereby to limit or to restrict or expand any proper definition of such cost under the Act, other applicable provisions of State law, or this Master Indenture, the following:

(a) **Expenses of Bond Issuance.** All expenses and fees relating to the issuance of the Bonds, including, but not limited to, initial Credit Facility or Liquidity Facility fees and costs, attorneys' fees, underwriting fees and discounts, the Trustee's acceptance fees and costs, Trustee's counsel fees and costs, rating agency fees, fees of financial advisors, engineer's fees and costs, administrative expenses of the District, the costs of preparing audits and engineering reports, the costs of preparing reports, surveys, and studies, and the costs of printing the Bonds and preliminary and final disclosure documents.

Notwithstanding the deposit of Capitalized Interest into the related Series Capitalized Interest Account, Capitalized Interest shall also include

CUSIP number identification with appropriate dollar amounts for each CUSIP number also shall accompany all redemption payments.

Any required notice or redemption shall also be sent by registered mail, overnight delivery service, teletype or other secure means, postage prepaid, to any Owner of \$1,000,000 or more in aggregate principal amount of Bonds to be redeemed, to certain municipal registered securities depositories in accordance with the then-current guidelines of the Securities and Exchange Commission, which are known to the Bond Registrar to be holding Bonds thirty-two (32) days prior to the redemption date and to at least two of the national information services that disseminate securities redemption notices in accordance with the then-current guidelines of the Securities and Exchange Commission, when possible, at least thirty (30) days prior to the redemption date; provided that neither failure to send or receive any such notice nor any defect in any notice so mailed shall affect the sufficiency of the proceedings for the redemption of such Bonds.

Failure to give notice by mailing to the Owner of any Bond designated for redemption or to any depository or information service shall not affect the validity of the proceedings for the redemption of any other Bond.

**Section 303. Effect of Calling for Redemption.** On the date designated for redemption of any Bonds, notice having been filed and mailed in the manner provided above, the Bonds called for redemption shall be due and payable at the Redemption Price provided for the redemption of such Bonds on such date and, moneys for payment of the Redemption Price being held in a separate account by the Paying Agent in trust for the Owners of the Bonds to be redeemed, interest on the Bonds called for redemption shall cease to be entitled to any benefit under this Master Indenture, and the Owners of such Bonds shall have no rights in respect thereof, except to receive payment of the Redemption Price thereof, and interest, if any, accrued thereon to the redemption date, and such Bonds shall no longer be deemed to be Outstanding.

(c) **Acquisition Expenses.** The costs of acquiring, by purchase or condemnation, all of the land, structures, improvements, rights-of-way, franchises, easements, plans and specifications and similar items and other interests in property, whether real or personal, tangible or intangible, which themselves constitute a Series Project or which are necessary or convenient to acquire, install and construct a Series Project and payments, contributions, dedications, taxes, assessments or permit fees or costs and any other exactions required as a condition to receive any government approval or permit necessary to accomplish any District purpose.

#### ARTICLE V ESTABLISHMENT OF FUNDS AND APPLICATION THEREOF

**Section 501. Before any such payment shall be made, the District shall file with the Trustee a requisition in the form of Exhibit A attached hereto, signed by an Authorized Officer.

Bonds, the Trust Estate; provided, however, that unless otherwise specifically provided herein or in a Supplemental Indenture relating to a Series of Bonds with respect to the Series Trust Estate securing such Series of Bonds, the Pledged Funds and Pledged Revenues securing a Series of Bonds shall secure only such Series of Bonds and shall not secure any other Bonds or Series of Bonds.

The foregoing pledge shall be valid and binding from and after the date of initial delivery of the Bonds and the proceeds of sale of the Bonds and all the moneys, securities and funds set forth in this Section 501 shall immediately be subject to the lien of the foregoing pledge, which lien is hereby created, without any physical delivery thereof or further act. Such lien shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the District or the Trustee, irrespective of whether such parties have notice thereof. Such lien shall be prior and superior to all other liens now existing or hereafter created.

**Section 502. Establishment of Funds.** The following funds are hereby established and shall be held by the Trustee:

(a) Acquisition and Construction Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Acquisition and Construction Account and a separate Series Costs of Issuance Account for each Series of Bonds issued hereunder;

(b) Revenue Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Revenue Account for each Series of Bonds issued hereunder;

Upon receipt of each such requisition and accompanying certificate, the Trustee shall promptly withdraw from the Series Acquisition and Construction Account and pay to the person, firm or corporation named in such requisition the amount designated in such requisition. The Trustee shall have no duty to investigate either the accuracy or validity of the items delivered pursuant to this Section 503(b) or whether such amount is properly payable hereunder or under the Supplemental Indenture for such Series of Bonds.

(c) **Inspection.** All requisitions and certificates received by the Trustee pursuant to this Article V shall be retained in the possession of the Trustee, subject at all reasonable times to the inspection of the District, the Consulting Engineer, the Owner of at least twenty-five percent (25%) in principal amount of any Outstanding Bonds of the related Series, and the agents and representatives thereof.

(d) **Completion of Series Project.** On the Date of Completion of a Series Project, the balance in the related Series Acquisition and Construction Account not reserved by the District for the payment of any remaining part of the Cost of acquiring or constructing the Series Project shall be applied in accordance with the provisions of Section 404 hereof. The Trustee shall have no duty to determine whether the Date of Completion has occurred and the Trustee shall not be deemed to have knowledge that the Date of Completion has occurred until the Trustee has received the certificate of the Consulting Engineer establishing such Date of Completion as specified in the definition of Date of Completion in Section 101 hereof.

**Section 504. Revenue Fund.** The District hereby covenants and agrees that it will assess, impose, establish and collect the Pledged Revenues with respect to each Series of Bonds in amounts and at times sufficient to pay, when due, the principal of, premium, if any, and interest on such Series of Bonds. The District hereby covenants and agrees to immediately deposit upon receipt all such Pledged Revenues with the Trustee (including Prepayments, which shall be identified as such by the District at the time of deposit with the Trustee), and the Trustee shall immediately deposit all such Pledged Revenues, when received, into the related Series Revenue Account and immediately deposit all Prepayments, when received, into the related Series Prepayment Subaccount in the Series Redemption Account, unless otherwise provided for in the Supplemental Indenture relating to a Series of Bonds.

#### **Section 505. Debt Service Fund.**

(a) **Principal, Maturity Amount, Interest and Amortization Installments.** Except as otherwise provided in a Supplemental Indenture, on the Business Day preceding each Interest Payment Date on the Bonds, the Trustee

shall withdraw from the Series Revenue Account and, from the amount so withdrawn, shall make the following deposits in the following order of priority:

(i) to the related Series Interest Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the amount of interest payable on the Bonds of such Series on such Interest Payment Date;

(ii) to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the principal amount, if any, payable with respect to Serial Bonds of such Series on such Interest Payment Date;

(iii) in each Bond Year in which Term Bonds of such Series are subject to mandatory redemption from Amortization Installments, to the related Series Sinking Fund Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the Amortization Installment payable on the Term Bonds of such Series on such Interest Payment Date;

(iv) in each Bond Year in which Capital Appreciation Bonds of such Series mature, to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the Maturity Amount payable with respect to the Capital Appreciation Bonds of such Series maturing on such Interest Payment Date;

(v) to the Series Reserve Account, an amount, if any, which, together with other amounts, if any, then on deposit therein, will equal the Series Reserve Account Requirement; and

(vi) to the Series Rebate Account, the Rebate Amount, if any, required to be deposited therein pursuant to the Supplemental Indenture related to a Series of Tax-Exempt Bonds.

Notwithstanding the foregoing, so long as there are moneys on deposit in the related Series Capitalized Interest Account on the date required for any transfer into the Series Interest Account as set forth above, the Trustee shall, prior to making any transfer into the related Series Interest Account from the related Series Revenue Account, transfer to the related Series Interest Account from the related Series Capitalized Interest Account, the lesser of the interest on such Series of Bonds coming due on the next succeeding Interest Payment Date or the amount remaining on deposit in the related Series Capitalized Interest Account.

(b) **Disposition of Remaining Amounts on Deposit in Series Revenue Account.** The District shall authorize the withdrawal, from time to time, from the Series Revenue Account an amount sufficient to pay the fees and charges of the

32

mandatory redemption) and of the Supplemental Indenture relating to such Series of Bonds. Such redemption shall be made pursuant to the provisions of Article III hereof. The District shall pay all expenses incurred by the Trustee and Paying Agent in connection with such redemption. Moneys other than from Prepayments shall be held and applied in a Series Redemption Account as provided in Section 506(a) hereof.

(f) **Payment to the District.** When no Bonds of a Series remain Outstanding, and after all expenses and charges herein and in the related Supplemental Indenture required to be paid have been paid as certified to the Trustee in writing by an Authorized Officer, and after all amounts due and owing to the Trustee have been paid in full, the Trustee shall pay any balance in the Accounts for such Series of Bonds to the District upon the written direction of an Authorized Officer, free and clear of any lien and pledge created by this Master Indenture; provided, however, that if an Event of Default has occurred and is continuing in the payment of the principal or Maturity Amount of, or interest or premium on the Bonds of any other Series, the Trustee shall pay over and apply any such excess pro rata (based upon the ratio of the aggregate principal amount of such Series of Bonds to the aggregate principal amount of all Series of Bonds then Outstanding and for which such an Event of Default has occurred and is continuing) to each other Series of Bonds for which such an Event of Default has occurred and is continuing.

#### Section 506. Optional Redemption.

(a) **Excess Amounts in Series Redemption Account.** The Trustee shall, but only at the written direction of an Authorized Officer on or prior to the forty-fifth (45th) day preceding the date of redemption, call for redemption on each Interest Payment Date on which Bonds are subject to optional redemption, from moneys on deposit in a Series Redemption Account such amount of Authorized Denominations of Bonds of such Series then subject to optional redemption as, with the redemption premium, if any, will exhaust such amount as nearly as may be practicable. Such redemption shall be made pursuant to the provisions of Article III hereof. The District shall pay all expenses incurred by the Trustee and Paying Agent in connection with such redemption.

(b) **Purchase of Bonds of a Series.** The District may purchase Bonds of a Series then Outstanding at any time, whether or not such Bonds shall then be subject to redemption, at the most advantageous price obtainable with reasonable diligence, having regard to maturity, option to redeem, rate and price, provided however, that consistent with Section 301, such price does not exceed the highest Redemption Price, which is the principal of such Bonds plus the amount of the premium, if any, which would be payable on the next redemption date to the Owners of such Bonds under the provisions of this Master Indenture and the Supplemental Indenture pursuant to which such Series of Bonds was issued if such

Trustee, Bond Registrar, and Paying Agent, when due. Subject to the provisions of Section 604 hereof, if (i) the amount on deposit in the Series Interest Account, Series Principal Account, Series Sinking Fund Account and Series Redemption Account in each Bond Year equals the interest payable on the Bonds of such Series in such Bond Year, the principal amount of all Serial Bonds payable in such Bond Year, the Maturity Amount of all Capital Appreciation Bonds due in such Bond Year and the Amortization Installments required to be paid in such Bond Year, and (ii) any amounts remain in the Series Revenue Account on November 2 of such Bond Year, then such amounts shall, at the written direction of the District, be applied to pay the commissions, fees, costs and any other charges of the Tax Collector and the Property Appraiser or, if such commissions, fees, costs, or other charges have been paid by the District, then to reimburse the District for such payment upon written request of an Authorized Officer. If, after such amounts have been withdrawn, paid and provided for as provided above, any amounts remain in the Series Revenue Account, such amounts shall be disbursed to the District on written request of an Authorized Officer and applied to pay the operating and administrative costs and expenses of the District. After making the payments provided for in this subsection (b), the balance, if any, remaining in the Series Revenue Account shall be retained therein or, at the written direction of an Authorized Officer to the Trustee, transferred into the Series Prepayment Subaccount of the Series Redemption Account. Upon the occurrence and continuance of an Event of Default hereunder, the foregoing transfer to the Series Prepayment Subaccount shall not be made.

(c) **Series Reserve Account.** Except as otherwise provided for herein or in a Supplemental Indenture, moneys held for the credit of a Series Reserve Account shall be used for the purpose of paying interest or principal or Amortization Installment or Maturity Amount on the Bonds of the related Series whenever amounts on deposit in the Series Debt Service Account shall be insufficient for such purpose.

(d) **Series Debt Service Account.** Moneys held for the credit of a Series Interest Account, Series Principal Account and Series Sinking Fund Account in a Series Debt Service Account shall be withdrawn therefrom by the Trustee and transferred by the Trustee to the Paying Agent in amounts and at times sufficient to pay, when due, the interest on the Bonds of such Series, the principal of Serial Bonds of such Series, the Maturity Amount of Capital Appreciation Bonds of such Series and the Amortization Installments of Term Bonds of such Series, as the case may be.

(e) **Series Redemption Account.** Moneys representing Prepayments on deposit in a Series Prepayment Subaccount to the full extent of a multiple of an Authorized Denomination shall, unless otherwise provided in the Supplemental Indenture relating to such Series of Bonds, be used by the Trustee to redeem Bonds of such Series on the earliest date on which such Bonds are permitted to be called without payment of premium by the terms hereof (including extraordinary

33

Bonds were called for redemption on such date. Before making each such purchase, the District shall file with the Trustee a statement in writing directing the Trustee to pay the purchase price of the Bonds of such Series so purchased upon their delivery and cancellation, which statement shall set forth a description of such Bonds, the purchase price to be paid therefor, the name of the seller, and the place of delivery of the Bonds. The Trustee shall pay the interest accrued on such Bonds to the date of delivery thereof from the related Series Interest Account and the principal portion of the purchase price of Serial Bonds from the related Series Principal Account, but no such purchase shall be made after the Record Date in any Bond Year in which Bonds have been called for redemption. To the extent that insufficient moneys are on deposit in a related Series Interest Account to pay the accrued interest portion of the purchase price of any Bonds or in a related Series Principal Account to pay the principal amount of the purchase price of any Serial Bond, the Trustee shall transfer into such Accounts from the related Series Revenue Account sufficient moneys to pay such respective amounts. In the event that there are insufficient moneys on deposit in the related Series Sinking Fund Account with which to pay the principal portion of the purchase price of any Term Bonds, the Trustee may, at the written direction of the District, transfer moneys into such related Series Sinking Fund Account from the related Series Revenue Account to pay the principal amount of such purchase price, but only in an amount no greater than the Amortization Installment related to such Series of Bonds coming due in the current Bond Year calculated after giving effect to any other purchases of Term Bonds during such Bond Year. The Trustee may pay the principal portion of the purchase price of Bonds from the related Series Redemption Account, but only upon delivery of written instructions from an Authorized Officer of the District to the Trustee accompanied by a certificate of an Authorized Officer: (A) stating that sufficient moneys are on deposit in the Series Redemption Account to pay the purchase price of such Bonds; (B) setting forth the amounts and maturities of Bonds of such Series which are to be redeemed from such amounts; and (C) containing cash flows which demonstrate that, after giving effect to the purchase of Bonds in the amounts and maturities set forth in clause (B) above, the Pledged Revenues to be received by the District in the current and each succeeding Bond Year will be sufficient to pay the principal, Maturity Amount and Amortization Installments of and interest on all Bonds of such Series. The Trustee may pay the principal portion of the purchase price of any Term Bonds from the related Series Sinking Fund Account, but only Term Bonds of a maturity having Amortization Installments in the current Bond Year and in the principal amount no greater than the Amortization Installment related to such Series of Bonds coming due in the current Bond Year (calculated after giving effect to any other purchases of Term Bonds during such Bond Year). The Trustee may pay the principal portion of the purchase price of Term Bonds having maturities different from or in amounts greater than set forth in the preceding sentence from amounts on deposit in the related Series Sinking Fund Account and the Trustee may transfer moneys from the related Series Revenue Account to the related Series Sinking Fund Account for such purpose, but

35

only upon delivery of written instructions from an Authorized Officer to the Trustee accompanied by a certificate of an Authorized Officer: (X) stating that sufficient moneys are on deposit in the Series Sinking Fund Account, after giving effect to any transfers from the related Series Revenue Account, to pay the principal portion of the purchase price of such Term Bonds; (Y) setting forth the amounts and maturities of Term Bonds of such Series which are to be redeemed from such amounts and the Amortization Installments against which the principal amount of such purchases are to be credited; and (Z) containing cash flows which demonstrate that, after giving effect to the purchase of Term Bonds in the amounts and having the maturities and with the credits against Amortization Installments set forth in clause (Y) above and any transfers from the related Series Revenue Account, the Pledged Revenues to be received by the District in the current and in each succeeding Bond Year will be sufficient to pay the principal, Maturity Amount and Amortization Installments of and interest on all Bonds of such Series. If any Bonds are purchased pursuant to this subsection (b), the principal amount of the Bonds so purchased shall be credited as follows:

(i) if the Bonds are to be purchased from amounts on deposit in the Series Prepayment Subaccount of a Series Redemption Account, against the principal coming due or Amortization Installments set forth in the certificate of the Authorized Officer accompanying the direction of the District to effect such purchase; or

(ii) if the Bonds are Term Bonds of a Series, against the Amortization Installments for Bonds of such Series first coming due in the current Bond Year or, if such Term Bonds so purchased are to be credited against Amortization Installments coming due in any succeeding Bond Year, against the Amortization Installments on Term Bonds of such Series maturing on the same date and designated in the certificate of the Authorized Officer accompanying the direction of the District to effect such purchase; or

(iii) against the principal or Maturity Amount of Serial Bonds coming due on the maturity date of such Serial Bonds.

#### Section 507. Rebate Fund.

(a) **Creation.** There is created and established by Section 502 hereof a Rebate Fund, and within the Rebate Fund a Series Rebate Account for each Series of Tax-Exempt Bonds. Moneys deposited and held in the Rebate Fund shall not be subject to the pledge of this Master Indenture.

(b) **Payment to United States.** The Trustee shall pay to the District, upon written request of the District, the Rebate Amount required to be paid to the United States at the times, in the manner and as calculated in accordance with the

36

(c) **Investment Obligations as a Part of Funds and Accounts.** Investment Obligations purchased as an investment of moneys in any Fund or Account shall be deemed at all times to be a part of such Fund or Account, and the interest accruing thereon and profit realized from such investment shall be credited as provided in Section 510 hereof. Any loss resulting from such investment shall be charged to such Fund or Account. The foregoing notwithstanding, for purposes of investment and to the extent permitted by law, amounts on deposit in any Fund or Account may be commingled for purposes of investment, provided adequate care is taken to account for such amounts in accordance with the prior sentence. The Trustee may, upon the written direction of an Authorized Officer, transfer investments within such Funds or Accounts without being required to sell such investments. The Trustee shall sell at the best price obtainable or present for redemption any obligations so purchased whenever it shall be necessary so to do in order to provide moneys to meet any payment or transfer from any such Fund or Account. The Trustee shall not be liable or responsible for any loss resulting from any such investment or for failure to make an investment (except failure to make an investment in accordance with the written direction of an Authorized Officer) or for failure to achieve the maximum possible earnings on investments. The Trustee shall have no obligation to invest funds without written direction from an Authorized Officer.

(d) **Valuation.** In computing the value of the assets of any Fund or Account, investments and earnings thereon shall be deemed a part thereof. The Trustee shall value the assets in each of the Funds and Accounts established hereunder as of September 30 of each Fiscal Year, and as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the District a report of the status of each Fund and Account as of the valuation date. For the purpose of determining the amount on deposit to the credit of any Fund or Account established hereunder, with the exception of a Series Reserve Account, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the Redemption Price thereof, to the extent that any such obligation is then redeemable at the option of the holder. For the purpose of determining the amount on deposit to the credit of a Series Reserve Account, obligations in which money in such Account shall have been invested shall be valued at par, if purchased at par, or at amortized cost, if purchased at other than par, plus, in each case, accrued interest. Amortized cost, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of days remaining to maturity on such obligation at the date of such purchase and by multiplying the amount thus calculated by the number of days having passed since such purchase; and (i) in the case of an obligation purchased at a premium by deducting the product thus obtained from the purchase price, and (ii) in the case of an obligation purchased at a discount by adding the product thus obtained to the purchase price.

38

Supplemental Indenture related to a Series of Tax-Exempt Bonds. The Trustee shall have no responsibility for computation of the Rebate Amount and instead the District shall cause the Rebate Amount to be calculated by the Rebate Analyst and shall cause the Rebate Analyst to deliver such computation to the Trustee as provided in the Supplemental Indenture related to a Series of Tax-Exempt Bonds but before the date of any required payment of the Rebate Amount to the Internal Revenue Service. The fees of, and expenses incurred by, the Rebate Analyst in computing the Rebate Amount shall be paid by the District, which amount shall be treated as administrative and operating expenses of the District payable or reimbursable from the Series Revenue Account in accordance with Section 505(b) hereof.

(c) **Deficiencies.** If the Trustee does not have on deposit in the Series Rebate Account sufficient amounts to make the payments required by this Section 507, the District shall pay, from any legally available source, the amount of any such deficiency to the United States as provided in paragraph (b) above. The Trustee shall have no duty to pay such deficiency from its own funds.

(b) **Series Reserve Account.** Moneys held for the credit of a Series Reserve Account shall be continuously invested and reinvested by the Trustee in Investment Obligations as directed in writing by an Authorized Officer.

37

**Section 509. Deficiencies and Surpluses in Funds and Accounts.** For purposes of this Section 509, (a) a "deficiency" shall mean, in the case of a Series Reserve Account, that the amount on deposit therein is less than the Series Reserve Account Requirement (but only after the Bond Year in which the amount on deposit therein first equals the Series Reserve Account Requirement), and (b) a "surplus" shall mean in the case of a Series Reserve Account, that the amount on deposit therein is in excess of the Series Reserve Account Requirement.

At the time of any withdrawal from a Series Reserve Account that results in a deficiency therein, the Trustee shall promptly notify the District of the amount of any such deficiency and the Trustee shall withdraw the amount of such deficiency from the related Series Revenue Account and, if amounts on deposit therein are insufficient therefor, the District shall pay the amount of such deficiency to the Trustee, for deposit in such Series Reserve Account, from the first legally available sources of the District.

The Trustee, as of the close of business on the last Business Day in each Bond Year, after taking into account all payments and transfers made as of such date, shall compute, in the manner set forth in Section 508(d), the value of the Series Reserve Account and shall promptly notify the District of the amount of any deficiency or surplus as of such date in such Series Reserve Account. The District shall immediately pay the amount of any deficiency to the Trustee, for deposit in the Series Reserve Account, from any legally available sources of the District. The Trustee, as soon as practicable after such computation, shall deposit any surplus, at the direction of an Authorized Officer, to the credit of the Series Revenue Account, or as otherwise provided in the related Supplemental Indenture.

**Section 510. Investment Income.** Unless otherwise provided in a Supplemental Indenture, earnings on Investments in a Series Acquisition and Construction Account, a Series Interest Account, a Series Capitalized Interest Account and a Series Revenue Account shall be retained, as realized, to the credit of such Account and used for the purpose of such Account. Unless otherwise provided in a Supplemental Indenture, earnings on investments in the Funds and Accounts other than a Series Reserve Account and other than as set forth above shall be deposited, as realized, to the credit of such Series Revenue Account and used for the purpose of such Account.

Earnings on investments in a Series Reserve Account shall, unless otherwise provided in a Supplemental Indenture, be disposed of as follows:

(a) if there was no deficiency (as defined in Section 509 above) in the Series Reserve Account as of the most recent date on which amounts on deposit in the Series Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series Reserve Account since such date, then earnings on

39

investments in the Series Reserve Account shall be deposited to the Series Revenue Account; or

(b) if there was a deficiency (as defined in Section 509 above) in the Series Reserve Account as of the most recent date on which amounts on deposit in the Series Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series Reserve Account and have created such a deficiency, then earnings on investments in the Series Reserve Account shall be retained in the Series Reserve Account until the amount on deposit therein equals the Series Reserve Account Requirement and thereafter shall be deposited to the Series Revenue Account.

**Section 511. Cancellation of Bonds.** All Bonds paid, redeemed or purchased, either at or before maturity, shall be canceled upon the payment, redemption or purchase of such Bonds. The Trustee shall have only those duties expressly set forth herein, and no duties shall be implied against the Trustee.

**Section 602. No Responsibility for Recitals.** The recitals, statements and representations in this Master Indenture, in any Supplemental Indenture or in the Bonds, save only the Trustee's authentication certificate, if any, upon the Bonds, have been made by the District and not by the Trustee, and the Trustee shall be under no responsibility for the correctness thereof.

**Section 603. Trustee May Act Through Agents; Answerable Only for Willful Misconduct or Gross Negligence.** The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers or employees, and shall be entitled to advice of counsel concerning all questions hereunder, and the Trustee shall not be answerable for the default or misconduct of any attorney, agent or employee selected by it with reasonable care. In performance of its duties hereunder, the Trustee may rely on the advice of counsel and shall not be held liable for actions taken in reliance on the advice of counsel. The Trustee shall not be answerable for the exercise of any discretion or power under this Master Indenture or any Supplemental Indenture nor for anything whatsoever in

The Trustee may, however, at any time require of the District full information as to the performance of any covenant hereunder; and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the District, an investigation into the affairs of the District.

**Section 607. Obligation to Act on Default.** Before taking any action under this Master Indenture or any Supplemental Indenture in respect of an Event of Default, or any action that would require the Trustee to expend its own funds, the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability resulting from its own gross negligence or willful misconduct in connection with any such action.

**Section 608. Reliance by Trustee.** The Trustee may act on any requisition, resolution, notice, telegram, request, consent, waiver, opinion, certificate, statement, affidavit, voucher, bond, or other paper or document or telephone message which it in good faith believes to be genuine and to have been passed, signed or given by the proper persons or to have been prepared and furnished pursuant to any of the provisions of this Master Indenture or any Supplemental Indenture, and the Trustee shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement.

**Section 609. Trustee May Deal in Bonds.** The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Owners may be entitled to take with like effect as if the Trustee were not a party to this Master Indenture or any Supplemental Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the District.

**Section 610. If the District defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys received or held by the Trustee under this Master Indenture or any Supplemental Indenture other than moneys from a Credit Facility or Liquidity Facility. This Section 604 shall survive termination of this Master Indenture and any Supplemental Indenture, and as to any Trustee, its resignation or removal thereof. As security for the foregoing, the District hereby grants to the Trustee a security interest in and to the amounts on deposit in all Series Funds and Accounts (other than the Rebate Fund) thereby, in effect, granting the Trustee a first charge against these moneys following an Event of Default for its fees and expenses (including legal counsel and default administration costs and expenses), subordinate and inferior to the security interest granted to the Owners of the Bonds from time to time secured thereby, but nevertheless payable in the order of priority as set forth in Section 905(a) upon the occurrence of an Event of Default.

The Trustee will be deemed to have actual knowledge of any payment default under this Master Indenture or under any Supplemental Indenture and after receipt of written notice thereof by a Credit Facility issuer or Liquidity Facility issuer of a default under its respective reimbursement agreement, but shall not be deemed to have actual knowledge of any

The District may contract with a service provider selected by the District to ensure such compliance.

**Section 809. Arbitrage and Other Tax Covenants.** The District hereby covenants that it will not take any action, and will not fail to take any action, which action or failure would cause any Tax-Exempt Bonds to become "arbitrage bonds" as defined in Section 148 of the Code. The District further covenants that it will take all such actions after delivery of any Tax-Exempt Bonds as may be required in order for interest on such Tax-Exempt Bonds to remain excludable from gross income (as defined in Section 61 of the Code) of the Owners. Without limiting the generality of the foregoing, the District hereby covenants that it will to the extent not remitted by the Trustee from funds held in the Rebate Account, remit to the United States the Rebate Amount at the time and place required by this Master Indenture, any Supplemental Indenture, and the Tax Regulatory Covenants.

**Section 810. Enforcement of Payment of Assessments.** The District will assess, levy, collect or cause to be collected and enforce the payment of Assessments, Benefit Special Assessments, and/or any other sources which constitute Pledged Revenues for the payment of any Series of Bonds in the manner prescribed by this Master Indenture, any Supplemental Indenture and all resolutions, ordinances or laws thereunto appertaining at times and in amounts as shall be necessary in order to pay, when due, the principal of and interest on the Series of Bonds to which such Pledged Revenues are pledged, and to pay or cause to be paid the proceeds of such Assessments, Benefit Special Assessments, and/or any other sources as received to the Trustee in accordance with the provisions hereof.

**Section 811. Method of Collection of Assessments and Benefit Special Assessments.** The District shall levy and collect Assessments and Benefit Special Assessments in accordance with applicable State law.

**Section 812. Delinquent Assessments.** If the owner of any lot or parcel of land shall be delinquent in the payment of any Assessment or Benefit Special Assessment, pledged to a Series of Bonds, then such Assessment or Benefit Special Assessment shall be enforced in accordance with the provisions of Chapters 170 and/or 197, Florida Statutes, including but not limited to the sale of tax certificates and tax deeds as regards such Delinquent Assessment. In the event the provisions of Chapter 197, Florida Statutes, are inapplicable or unavailable, or in the event that an Assessment or Benefit Special Assessment was directly collected by the District, as permitted by a Supplemental Indenture, then upon the delinquency of any such Assessment or Benefit Special Assessment, the District either on its own behalf, or through the actions of the Trustee may, and shall, if so directed in writing by the Majority Owners of the Bonds of such Series then Outstanding, declare the

51

entire unpaid balance of such Assessment or Benefit Special Assessment, to be in default and, at its own expense, cause such delinquent property to be foreclosed in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate, or pursuant to the provisions of Chapters 170 and 173, and Section 190.026, Florida Statutes, or otherwise as provided by law. The District further covenants to furnish, at its expense, to any Owner of Bonds of the related Series so requesting, sixty (60) days after the due date of each annual installment, a list of all Delinquent Assessments together with a copy of the District's annual audit (if available), and a list of foreclosure actions currently in progress and the current status of such Delinquent Assessments.

**Section 813. Deposit of Proceeds from Sale of Tax Certificates.** If any tax certificates relating to Delinquent Assessments which are pledged to a Series of Bonds are sold by the Tax Collector pursuant to the provisions of Section 197.432, Florida Statutes, or if any such tax certificates are not sold but are later redeemed, the proceeds of such sale or redemption (to the extent that such proceeds relate to the Delinquent Assessments), less any commission or other charges retained by the Tax Collector, shall, if paid by the Tax Collector to the District, be paid by the District to the Trustee not later than five (5) Business Days following receipt of such proceeds by the District and shall be deposited by the Trustee to the credit of the related Series Revenue Account.

**Section 814. Sale of Tax Deed or Foreclosure of Assessment or Benefit Special Assessment Lien.** If any property shall be offered for sale for the nonpayment of any Assessment or Benefit Special Assessment, which is pledged to a Series of Bonds, and no person or persons shall purchase such property for an amount less than or equal to the full amount due on the Assessments or Benefit Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the District for an amount equal to the balance due on the Assessments or Benefit Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive in its corporate name or in the name of a special purpose entity title to the property for the benefit of the Owners of the Series of Bonds to which such Assessments or Benefit Special Assessments were pledged; provided that the Trustee shall have the right, acting at the direction of the Majority Owners of the applicable Series of Bonds secured by such Assessments or Benefit Special Assessments, but shall not be obligated, to direct the District with respect to any action taken pursuant to this paragraph. The District, either through its own actions, or actions caused to be taken through the Trustee, shall have the power to lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the related Series Revenue Account. Not less than ten (10) days prior to the filing of any foreclosure action as herein provided, the District shall cause written notice thereof to be mailed to any designated agents of the Owners of the related Series of Bonds. Not less than thirty (30) days prior to the proposed sale of any lot or tract of land acquired by foreclosure by the District, it

52

The District shall not enter into any contract or take any action by which the rights of the Trustee or the Owners may be impaired and shall, from time to time, execute and deliver such further instruments and take such further action as may be required to carry out the purposes of this Master Indenture and any Supplemental Indenture. For so long as any Bonds are Outstanding hereunder, unless otherwise provided by the Act, the District shall maintain its corporate existence as a local unit of special purpose government under the Act and shall provide for or otherwise require all Series Projects, and all parts thereof owned by the District to be (a) continuously operated, repaired, improved and maintained as shall be necessary to provide adequate service to the lands benefited thereby, and (b) in compliance with all valid and applicable laws, acts, rules, regulations, permits, orders, requirements and directions of any competent public authority.

**Section 818. Continuing Disclosure.** The District covenants and agrees that it will comply with and carry out all of the provisions of any Continuing Disclosure Agreement. Notwithstanding any other provision of this Master Indenture or any Supplemental Indenture, failure of the District or any other obligated person to comply with any Continuing Disclosure Agreement shall not be considered an Event of Default hereunder; however, the Trustee may (and, at the request of any participating underwriter or the Owners of at least twenty-five percent (25%) aggregate principal amount of Bonds of a Series then Outstanding and receipt of indemnity to its satisfaction, shall) or any Owner or Beneficial Owner of the Bonds of a Series then Outstanding may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the District to comply with its obligations under this Section 818. For purposes of this Section, "Beneficial Owner" means any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

#### ARTICLE IX EVENTS OF DEFAULT AND REMEDIES

**Section 901. Extension of Interest Payment.** If the time for payment of interest of a Bond of any Series shall be extended, whether or not such extension be by or with the consent of the District, such interest so extended shall not be entitled in case of default hereunder to the benefit or security of this Master Indenture unless the aggregate principal amount of such Bonds then Outstanding and of all accrued interest the time for payment of which shall not have been extended, shall have previously been paid in full.

**Section 902. Events of Default.** Each of the following events is hereby declared an Event of Default with respect to a Series of Bonds, but no other Series

54

shall give written notice thereof to such representatives. The District, either through its own actions, or actions caused to be taken through the Trustee, agrees that it shall be required to take the measures provided by law for the listing for sale of property acquired by it as trustee for the benefit of the Owners of the related Series of Bonds within sixty (60) days after the receipt of the request therefor signed by the Trustee or the Majority Owners of the Bonds of such Series then Outstanding.

**Section 815. Other Obligations Payable from Assessments or Benefit Special Assessments.** The District will not issue or incur any obligations payable from the proceeds of Assessments or Benefit Special Assessments securing a Series of Bonds nor voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge upon such Assessments or Benefit Special Assessments other than the lien of any Subordinate Debt except for fees, commissions, costs, and other charges payable to the Property Appraiser or to the Tax Collector pursuant to State law.

**Section 816. Re-Assessments.** If any Assessment or Benefit Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or the District shall be satisfied that any such Assessment or Benefit Special Assessment is so irregular or defective that it cannot be enforced or collected, or if the District shall have omitted to make such Assessment or Benefit Special Assessment when it might have done so, the District shall either: (a) take all necessary steps to cause a new Assessment or Benefit Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement; or (b) in its sole discretion, make up the amount of such Assessment or Benefit Special Assessment from legally available moneys, which moneys shall be deposited into the related Series Revenue Account. In case any such subsequent Assessment or Benefit Special Assessment shall also be annulled, the District shall obtain and make other Assessments or Benefit Special Assessments until a valid Assessment or Benefit Special Assessment shall be made.

**Section 817. General.** The District shall do and perform, or cause to be done and performed, all acts and things required to be done or performed by or on behalf of the District under law and this Master Indenture, in accordance with the terms of such provisions.

Upon the date of issuance of each Series of Bonds, all conditions, acts and things required by law and this Master Indenture and any Supplemental Indenture to exist, to have happened and to have been performed precedent to and in the issuance of such Series of Bonds shall exist, have happened and have been performed and upon issuance, such Series of Bonds shall be within every debt and other limit prescribed by the laws of the State applicable to the District.

(c) The District admits in writing its inability to pay its debts generally as they become due, or files a petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver or trustee for itself or for the whole or any part of the related Series Project;

(d) The District is adjudged insolvent by a court of competent jurisdiction, or is adjudged bankrupt on a petition in bankruptcy filed against the District, or an order, judgment or decree be entered by any court of competent jurisdiction appointing, without the consent of the District, a receiver or trustee of the District or of the whole or any part of its property and if the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within ninety (90) days from the date of entry thereof;

(e) The District shall file a petition or answer seeking reorganization or any arrangement under the federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof;

(f) Under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the District's assets or any part thereof, and such custody or control shall not be terminated within ninety (90) days from the date of assumption of such custody or control;

(g) Any portion of the Assessments or Benefit Special Assessments pledged to a Series of Bonds shall have become Delinquent Assessments and, as the result thereof, the Indenture provides for the Trustee to withdraw funds in an amount greater than twenty-five percent (25%) of the amount on deposit in a Series Reserve Account to pay Debt Service on the corresponding Series of Bonds (regardless of whether the Trustee does or does not, per the direction of the Majority Owners, actually withdraw such funds from the Series Reserve Account to pay Debt Service on the corresponding Series of Bonds);

(h) The District shall default in the due and punctual performance of any of the material covenants, conditions, agreements and provisions contained in the Bonds of such Series or in this Master Indenture or in the Supplemental Indenture relating to such Series of Bonds on the part of the District to be performed (other than a default in the payment of Debt Service on the related Series of Bonds when

55

due, which is an Event of Default under subsection (a) above) and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the District by the Trustee or, if the Trustee is unwilling or unable to act, by Owners of not less than ten percent (10%) in aggregate principal amount of the Bonds of such Series then Outstanding and affected by such default; and

(i) More than twenty percent (20%) of the Operation and Maintenance Assessments levied by the District on tax parcels subject to Assessments or Benefit Special Assessments pledged to a Series of Bonds are not paid by the date such are due and payable.

**Section 903. Acceleration of Maturities of Bonds of a Series Under Certain Circumstances.** Upon the happening and continuance of any Event of Default specified in clauses (a) through (i) of Section 902 above with respect to a Series of Bonds, the Trustee shall, upon written direction of the Majority Owners of the Bonds of such Series then Outstanding, by a notice in writing to the District, declare the aggregate principal amount of all of the Bonds of such Series then Outstanding (if not then due and payable) to be due and payable immediately and, upon such declaration, the same shall become and be immediately due and payable, anything contained in the Bonds of such Series or in this Master Indenture or in the Supplemental Indenture authorizing such Series of Bonds to the contrary notwithstanding; provided, however, that no such declaration of acceleration shall occur in the case of Bonds of a Series secured by Assessments, except to the extent that the Assessments have been accelerated and are currently due and payable in accordance with applicable law; and provided further, however, that if at any time after the aggregate principal amount of the Bonds of any Series then Outstanding shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under this Master Indenture or the related Supplemental Indenture, moneys shall have accumulated in the related Series Revenue Account sufficient to pay the principal of all matured Bonds of such Series and all arrears of interest, if any, upon all Bonds of such Series then Outstanding (except the aggregate principal amount of any Bonds of such Series then Outstanding that is only due because of a declaration under this Section 903, and except for the interest accrued on the Bonds of such Series since the last Interest Payment Date), and all amounts then payable by the District hereunder shall have been paid or a sum sufficient to pay the same shall have been deposited with the Paying Agent, and every other default (other than a default in the payment of the aggregate principal amount of the Bonds of such Series then Outstanding that is due only because of a declaration under this Section 903) shall have been remedied, then the Trustee or, if the Trustee is unable or unwilling to act, the Majority Owners of such Series of Bonds then Outstanding not then due except by virtue of a declaration under this Section 903, may, by written notice to the District, rescind and annul such declaration and its consequences, but

56

have any right in any manner whatsoever to enforce any right under this Master Indenture, except in the manner herein provided.

The District covenants and agrees that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, the provisions for the foreclosure of liens of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, and will take such other appropriate remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Owners, from time to time, of the Bonds of a Series. Notwithstanding anything to the contrary herein, and unless otherwise directed by the Majority Owners of the Bonds of a Series and allowed pursuant to federal or State law, the District acknowledges and agrees that (y) upon failure of any property owner to pay an installment of Assessments collected directly by the District when due, that the entire Assessment on the tax parcel as to which such Delinquent Assessment appertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the District shall promptly, but in any event within 120 days, cause to be brought the necessary legal proceedings for the foreclosure of liens of Delinquent Assessments, including interest and penalties with respect to such tax parcel and (z) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages.

**Section 905. Pro Rata Application of Funds Among Owners of a Series of Bonds.** Anything in this Master Indenture to the contrary notwithstanding, if at any time the moneys in the Series Funds and Accounts shall not be sufficient to pay Debt Service on the related Series of Bonds when due, such moneys together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article IX or otherwise, shall be applied as follows:

(a) Unless the aggregate principal amount of all the Bonds of such Series shall have become due and payable or shall have been declared due and payable pursuant to the provisions of Section 903 hereof, all such moneys shall be applied:

FIRST: to the payment of any then-due fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid;

SECOND: to payment to the persons entitled thereto of all installments of interest then due and payable on the Bonds of such Series, in the order in which such installments become due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on

58

no such rescission or annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

**Section 904. Enforcement of Remedies.** Upon the happening and continuance of any Event of Default specified in Section 902 above with respect to a Series of Bonds, the Trustee may protect and enforce the rights of the Owners of the Bonds of such Series under State law, and under this Master Indenture, the related Supplemental Indenture and the Bonds of such Series, by such proceedings in equity or at law, either for the specific performance of any covenant or agreement contained herein or in aid or execution of any power herein or in the related Supplemental Indenture granted or for the enforcement of any proper legal or equitable remedy, as the Trustee shall deem most effectual to protect and enforce such rights.

The Majority Owners of the Bonds of such Series then Outstanding shall, subject to the requirements of Section 607, have the right, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings by the Trustee hereunder, provided that such directions shall not be in conflict with any rule of law or this Master Indenture and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unduly prejudicial to the rights of the Owners of such Series of Bonds not parties to such direction or would subject the Trustee to personal liability or expense. Notwithstanding the foregoing, the Trustee shall have the right to select and retain legal counsel of its choosing to represent it in any such proceedings. The Trustee may take any other action which is not inconsistent with any direction under this second paragraph of this Section 904.

No Owner of such Series of Bonds shall have any right to pursue any other remedy under this Master Indenture or such Series of Bonds unless: (a) an Event of Default shall have occurred and is continuing; (b) the Majority Owners of the Bonds of such Series then Outstanding have requested the Trustee, in writing, to exercise the powers granted in the first paragraph of this Section 904 or to pursue such remedy in its or their name or names; (c) the Trustee has been offered indemnity satisfactory to it against costs, expenses and liabilities reasonably anticipated to be incurred; (d) the Trustee has declined to comply with such request, or has failed to do so, within sixty (60) days after its receipt of such written request and offer of indemnity; and (e) no direction inconsistent with such request has been given to the Trustee during such sixty (60) day period by the Majority Owners of the Bonds of such Series then Outstanding. The provisions of the immediately preceding sentence of this Section 904 are conditions precedent to the exercise by any Owner of such Series of Bonds of any remedy hereunder. The exercise of such rights is further subject to the provisions of Sections 907, 909, 910, 912 and the second paragraph of this Section 904. No Owner or Owners of such Series of Bonds shall

57

such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the rates of interest specified in the Bonds of such Series; and

THIRD: to the payment to the persons entitled thereto of the unpaid principal of any of the Bonds of such Series which shall have become due (other than Bonds of such Series called for redemption for the payment of which sufficient moneys are held pursuant to this Master Indenture), in the order of their due dates, with interest upon the Bonds of such Series at the rates specified therein from the dates upon which they become due to their payment date, and, if the amount available shall not be sufficient to pay in full the principal of Bonds of such Series due on any particular date, together with such interest, then to the payment first of such interest, ratably according to the amount of such interest due on such date, and then to the payment of such principal, ratably according to the amount of such principal due on such date, to the Owners of the Bonds of such Series entitled thereto without any discrimination or preference except as to any difference in the foregoing rates of interest.

(b) If the aggregate principal amount of all the Bonds of a Series shall have become due and payable in accordance with their terms or shall have been declared due and payable pursuant to the provisions of Section 903 hereof, all such moneys shall be applied first to the payment of any fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid, and then the payment of the whole amount of principal and interest then due and unpaid upon the Bonds of such Series, without preference or priority of principal or of interest or of any installment of interest over any other, or of any Bond over any other Bond of such Series, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds of such Series.

(c) If the principal of all the Bonds of a Series shall have been declared due and payable pursuant to the provisions of Section 903 hereof, and if such declaration shall thereafter have been rescinded and annulled pursuant to the provisions of Section 903 hereof, then, if the aggregate principal amount of all of the Bonds of such Series shall later become due or be declared due and payable pursuant to the provisions of Section 903 hereof, the moneys remaining in and thereafter accruing to the related Series Revenue Fund shall be applied in accordance with subsection (b) above.

The provisions of this Section 905 are in all respects subject to the provisions of Section 901 hereof.

59

Whenever moneys are to be applied pursuant to this Section 905, such moneys shall be applied by the Trustee at such times as the Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application. The deposit of such moneys with the Paying Agent shall constitute proper application by the Trustee, and the Trustee shall incur no liability whatsoever to any Owner or to any other person for any delay in applying any such funds, so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies such moneys in accordance with such provisions of this Master Indenture as may be applicable at the time of application. Whenever the Trustee shall exercise such discretion in applying such funds, it shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date and shall not be required to make payment to any Owner until such Bond shall be surrendered to him for appropriate endorsement.

**Section 906. Effect of Discontinuance of Proceedings.** If any proceeding taken by the Trustee or any Owner on account of any default shall have been discontinued or abandoned for any reason, then the District and the Owner shall be restored to their former positions and rights hereunder, respectively, and all rights and remedies of the Owners shall continue as though no such proceeding had been taken.

**Section 907. Restriction on Individual Owner Actions.** Except as provided in Section 910 below, no Owner of any Bonds of a Series shall have any right in any manner whatsoever to affect, disturb or prejudice the security of this Master Indenture or any Supplemental Indenture, or to enforce any right hereunder or thereunder except in the manner herein or therein provided, and all proceedings at law or in equity shall be instituted and maintained for the benefit of all Owners of the Bonds of such Series.

**Section 908. No Remedy Exclusive.** No remedy conferred upon the Trustee or the Owners is intended to be exclusive of any other remedy herein or in any Supplemental Indenture provided, and each such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or thereunder.

**Section 909. Delay Not a Waiver.** No delay or omission of the Trustee or any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given to the Trustee and the Owners may be exercised from time to time and as often as may be deemed expedient.

Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Assessments relating to the Bonds of a Series then Outstanding, the Bonds of such Series then Outstanding or any rights of the Trustee under the Indenture (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Bonds of such Series then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee and the Majority Owners of a written request for consent);

(ii) the District hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Assessments relating to the Bonds of a Series then Outstanding, the Bonds of such Series then Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee;

(iii) the District hereby agrees that it shall make a reasonable attempt to timely seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Bonds of such Series then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee and the Majority Owners of a written request for consent);

(iv) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the Assessments relating to the Bonds of a Series then Outstanding, would have the right to pursue, and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including, without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Assessments relating to the Bonds of a Series then Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose

62

**Section 910. Right to Enforce Payment of Bonds.** Nothing in this Article IX shall affect or impair the right of any Owner to enforce the payment of Debt Service on the Bond of which such person is the registered Owner, or the obligation of the District to pay Debt Service to the Owner at the time and place specified in such Bond.

**Section 911. No Cross Default Among Series.** The occurrence of an Event of Default hereunder or under any Supplemental Indenture with respect to any Series of Bonds shall not constitute an Event of Default with respect to any other Series of Bonds, unless the event giving rise to the Event of Default also constitutes an Event of Default hereunder or under the Supplemental Indenture with respect to such other Series of Bonds.

**Section 912. Indemnification.** Other than to make proper draws under a Credit Facility, the Trustee shall be under no obligation to institute any suit or to take any remedial proceeding under this Master Indenture or any Supplemental Indenture or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to advance its own money, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability. Notwithstanding the foregoing, the indemnification provided by this Section 912 shall not be applicable in cases of the Trustee's gross negligence or willful misconduct.

**Section 913. Provisions Relating to Bankruptcy or Insolvency of Landowner.**

(a) The provisions of this Section 913 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel, or tax parcels which are in the aggregate, subject to at least five percent (5%) of the Assessments pledged to the Bonds of a Series then Outstanding (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding").

(b) The District acknowledges and agrees that, although the Bonds of a Series were issued by the District, the Owners of the Bonds of a Series are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer:

(i) the District hereby agrees that it shall make a reasonable attempt to timely seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the Bonds of a Series then

61

any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and

(v) the District shall not challenge the validity or amount of any claim submitted in good faith by the Trustee in such Proceeding or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceeding or take any other action in such Proceeding, which is adverse to the Trustee's enforcement of the District's claim and rights with respect to the Assessments relating to the Bonds of a Series then Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right to (A) file a proof of claim with respect to the Assessments pledged to the Bonds of a Series then Outstanding, (B) deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (C) defend any objection filed to said proof of claim.

The District acknowledges and agrees that it shall not be a defense to a breach of the foregoing covenants that it has acted on advice of counsel in not complying with the foregoing covenants.

(c) Nothing in this Section 913 shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for Operation and Maintenance Assessments, and the District shall be free to pursue such a claim for Operation and Maintenance Assessments in such manner as it shall deem appropriate in its sole and absolute discretion; provided, however, that such claim shall not seek to reduce the amount or receipt of Assessments. Any actions taken by the District in pursuance of its claim for Operation and Maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Assessments relating to the Bonds of a Series then Outstanding whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (b)(iv) above.

#### ARTICLE X EXECUTION OF INSTRUMENTS BY OWNERS AND PROOF OF OWNERSHIP OF BONDS

**Section 1001. Execution of Instruments by Owners and Proof of Ownership of Bonds.** Any request, direction, consent or other instrument in writing required or permitted by this Master Indenture or any Supplemental Indenture to be signed or executed by Owners may be in any number of concurrent instruments of similar tenor and may be signed or executed by Owners or their attorneys or legal representatives. Proof of the execution of any such instrument

63

shall be sufficient for any purpose of this Master Indenture and shall be conclusive in favor of the District with regard to any action taken by it under such instrument if verified by any officer in any jurisdiction who, by the laws thereof, has power to take affidavits within such jurisdiction, to the effect that such instrument was subscribed and sworn to before him, or by an affidavit of a witness to such execution. Where such execution is on behalf of a person other than an individual such verification or affidavit shall also constitute sufficient proof of the authority of the signer thereof.

Nothing contained in this Article X shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which it may deem sufficient. Any request or consent of the Owner of any Bond shall bind every future Owner of the same Bond in respect of anything done by the Trustee or the District in pursuance of such request or consent.

**Section 1002. Deposit of Bonds.** Notwithstanding the foregoing, neither the District nor the Trustee shall be required to recognize any person as an Owner of any Bond or to take any action at his request unless such Bond shall be deposited with the Trustee.

## ARTICLE XI SUPPLEMENTAL INDENTURES

**Section 1101. Supplemental Indentures Without Owner Consent.** The Governing Body from time to time may authorize such indentures supplemental hereto or amendatory hereof as shall not be inconsistent with the terms and provisions hereof (which Supplemental Indenture shall thereafter form a part hereof), without the consent of the Owners, for the following purposes:

- (a) to provide for the initial issuance of a Series of Bonds or Refunding Bonds; or
- (b) to make any change whatsoever to the terms and provisions of this Master Indenture, but only as such change relates to a Series of Bonds upon the original issuance thereof (or upon the original issuance of Refunding Bonds which defease and discharge the Supplemental Indenture of the Series of Bonds to be refunded) under and pursuant to the terms of the Supplemental Indenture effecting such change; or
- (c) to cure any ambiguity or formal defect or omission or to correct any inconsistent provisions in this Master Indenture; or
- (d) to grant to the Owners or to the Trustee on behalf of the Owners any additional rights or security that may lawfully be granted; or

64

by the District for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the provisions of such Supplemental Indenture or of any indenture supplemental thereto; provided, however, that nothing herein contained shall permit, or be construed as permitting, without the consent of all Owners of Bonds of such Series then Outstanding and affected by such amendment,

- (i) an extension of the maturity of, or an extension of the Interest Payment Date on, any Bond of such Series;
  - (ii) a reduction in the principal, premium, or interest on any Bond of such Series;
  - (iii) a preference or priority of any Bond of such Series over any other Bond of such Series; or
  - (iv) a reduction in the aggregate principal amount of the Bonds of such Series required for consent to such indenture supplemental to the Supplemental Indenture.
- (c) If at any time the District shall determine that it is desirable to approve any Supplemental Indenture pursuant to this Section 1102, the District shall cause the Trustee to mail, at the expense of the District, notice of the proposed approval to the Owners whose approval is required. Such notice shall be prepared by the District and shall briefly set forth the nature of the proposed Supplemental Indenture or indenture supplemental to a Supplemental Indenture and shall state that copies thereof are on file with the Secretary for inspection by all affected Owners. The District shall not, however, be subject to any liability to any Owner by reason of its failure to cause the notice required by this Section 1102 to be mailed and any such failure shall not affect the validity of such Supplemental Indenture or indenture supplemental to a Supplemental Indenture when consented to and approved as provided in this Section 1102.
- (d) Whenever, at any time within one (1) year after the date of the first mailing of such notice, there shall be delivered to the District an instrument or instruments in writing purporting to be executed by the Owners of the requisite principal amount of the Bonds of such Series then Outstanding, which instrument or instruments shall refer to the proposed Supplemental Indenture or indenture supplemental to a Supplemental Indenture described in such notice and shall specifically consent to and approve the execution thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the Governing Body and the Trustee may approve such Supplemental Indenture and cause it to be executed, in substantially such form, without liability or responsibility to any Owner.

**Section 1103. Opinion of Bond Counsel With Respect to Supplemental Indenture.** In addition to the other requirements herein set forth

66

(e) to add to the covenants and agreements of the District in this Master Indenture other covenants and agreements thereafter to be observed by the District to the benefit of the Owners of the Bonds then Outstanding; or

(f) to make such changes as may be necessary in order to reflect amendments to Chapters 170, 190, 197 and 298, Florida Statutes, or any other Florida Statutes, so long as, in the opinion of counsel to the District, such changes either: (i) do not have a material adverse effect on the Owners of each Series of Bonds to which such changes relate; or (ii) if such changes do have a material adverse effect, that they nevertheless are required to be made as a result of such amendments; or

(g) to modify the provisions of this Master Indenture or any Supplemental Indenture provided that such modification does not, in the written opinion of Bond Counsel, materially adversely affect the interests of the Owners of Bonds then Outstanding, upon which opinion the Trustee may conclusively rely.

### Section 1102. Supplemental Indentures With Owner Consent.

(a) Subject to the provisions contained in this Section 1102, and not otherwise, the Majority Owners of Bonds then Outstanding shall have the right, from time to time, anything contained in this Master Indenture to the contrary notwithstanding, to consent to and approve the adoption of such indentures supplemental hereto or amendatory hereof as shall be deemed desirable by the District for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the provisions of this Master Indenture; provided, however, that nothing herein contained shall permit, or be construed as permitting, without the consent of all Owners of Bonds then Outstanding and affected by such supplement or amendment,

- (i) an extension of the maturity of, or an extension of the Interest Payment Date on, any Bond;
- (ii) a reduction in the principal, premium, or interest on any Bond;
- (iii) a preference or priority of any Bond over any other Bond; or
- (iv) a reduction in the aggregate principal amount of the Bonds required for consent to such Supplemental Indenture.

(b) In addition to the foregoing, the Majority Owners of any Series of Bonds then Outstanding shall have the right, from time to time, anything contained in this Master Indenture or in the Supplemental Indenture relating to such Series of Bonds to the contrary notwithstanding, to consent to and approve the adoption of such indentures supplemental to the Supplemental Indenture relating to such Series of Bonds or amendatory thereof, but not hereof, as shall be deemed desirable

65

with respect to Supplemental Indentures or indentures supplemental to a Supplemental Indenture, no such indenture shall be effective unless and until there shall have been delivered to the Trustee, at the expense of the District, an opinion of Bond Counsel to the effect that such indenture is permitted pursuant to this Master Indenture and that such indenture is the valid and binding obligation of the District enforceable in accordance with its terms, except as the enforceability thereof may be limited by bankruptcy, insolvency or general equitable principles, upon which opinion the Trustee may conclusively rely. In addition, if such indenture relates to a Series of Tax-Exempt Bonds, such opinion shall also state that such indenture will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the related Series of Bonds.

**Section 1104. Supplemental Indenture Part of Indenture.** Any Supplemental Indenture executed in accordance with this Article XI and approved as to legality by counsel to the District shall thereafter, except as otherwise provided therein, form a part of this Master Indenture. Except as applicable only to Bonds of a Series, all of the terms and conditions contained in any such Supplemental Indenture amendatory of this Master Indenture shall be part of the terms and conditions hereof. The Trustee is not obligated to execute any amendment that is adverse to the interests of the Trustee.

### Section 1105. Insurer or Issuer of a Credit Facility or Liquidity Facility as Owner of Bonds.

(a) As long as a Credit Facility or Liquidity Facility securing all or a portion of the Bonds of a Series then Outstanding is in effect and the issuer thereof is not in default of any of its obligations under such Credit Facility or Liquidity Facility, as the case may be, the issuer of the Credit Facility or Liquidity Facility or the Insurer, to the extent so authorized in the applicable Supplemental Indenture, will be deemed to be the Owner of the Bonds of such Series secured by the Credit Facility or Liquidity Facility:

- (i) at all times for the purpose of the execution and delivery of a Supplemental Indenture or of any amendment, change or modification of the Master Indenture or the applicable Supplemental Indenture or the initiation by Owners of any action to be undertaken by the Trustee at the Owner's request, which under the Master Indenture or the applicable Supplemental Indenture requires the written approval or consent of or can be initiated by the Majority Owners of the Bonds of such Series then Outstanding;
- (ii) at all times for the purpose of the mailing of any notice to Owners under the Master Indenture or the applicable Supplemental Indenture; and
- (iii) following an Event of Default for all other purposes.

67

(b) Notwithstanding the foregoing, neither an Insurer nor the issuer of a Credit Facility or Liquidity Facility with respect to a Series of Bonds will be deemed to be an Owner of the Bonds of such Series with respect to any such Supplemental Indenture or of any amendment, change or modification of the Master Indenture which would have the effect of permitting:

- (i) a change in the terms of redemption or maturity of any Bonds of a Series then Outstanding or of any installment of interest thereon; or
- (ii) a reduction in the principal amount or the Redemption Price thereof or in rate of interest thereon; or
- (iii) reducing the percentage or otherwise affecting the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment; or
- (iv) creating any preference or priority of any Bond of a Series over any other Bond of such Series.

## ARTICLE XII DEFEASANCE

### Section 1201. Defeasance and Discharge of the Lien of this Master Indenture and Supplemental Indentures.

(a) If the District pays or causes to be paid, or there shall otherwise be paid, to the Owners of all Bonds, the principal or Redemption Price, if applicable, and interest due or to become due thereon and the obligations under any Letter of Credit Agreement and any Liquidity Agreement, at the times and in the manner stipulated therein and in this Master Indenture and pays or causes to be paid all other moneys owing hereunder and under any Supplemental Indenture (including, without limitation the fees and expenses of the Trustee, including reasonable counsel fees and expenses), then the lien of this Master Indenture and all covenants, agreements and other obligations of the District to the Owners and the issuer of any Credit Facility or Liquidity Facility shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee upon the request of the District shall execute and deliver to the District all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee and the Paying Agent shall pay over or deliver, as directed by the District, all moneys or securities held by them pursuant to this Master Indenture which are not required for the payment of principal or Redemption Price, if applicable, on Bonds not theretofore surrendered for such payment or redemption or for payment of obligations under any Letter of Credit Agreement and any Liquidity Agreement. If the District pays or causes to be paid, or there shall otherwise be paid, to the Owners of all Bonds then Outstanding or of a particular maturity, of a

68

are deemed to have been paid in accordance with this Section 1201 and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price, if applicable, on such Bonds; and

(iv) the Trustee shall have received an opinion of Bond Counsel to the effect that such defeasance is permitted under this Master Indenture and the Supplemental Indenture relating to the Series of Bonds so defeased and that, in the case of Tax-Exempt Bonds, such defeasance will not adversely affect the tax-exempt status of such Series of Bonds.

(c) Neither Federal Securities nor moneys deposited with the Trustee pursuant to this Section 1201 nor principal or interest payments on any such Federal Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if applicable, and interest on such Bonds; provided that any cash received from such principal or interest payments on such Federal Securities deposited with the Trustee:

(i) to the extent such cash shall not be required at any time for such purpose as evidenced by an Accountant's Certificate, and to the extent all obligations under any Letter of Credit Agreement and any Liquidity Agreement are satisfied, as determined by an Insurer or an issuer of any Credit Facility or Liquidity Facility securing the Bonds with respect to which such Federal Securities have been so deposited, shall be paid over upon the direction of the District as received by the Trustee, free and clear of any trust, lien, pledge or assignment securing such Bonds or otherwise existing under this Master Indenture; and

(ii) to the extent such cash shall be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Federal Securities maturing at times and in amounts sufficient to pay when due the principal or Redemption Price, if applicable, and interest to become due on such Bonds, or obligations under any Letter of Credit Agreement and any Liquidity Agreement, on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over as received by the Trustee to the District, free and clear of any trust, pledge or security interest securing such Bonds or otherwise existing under this Master Indenture.

For the purposes of this provision, Federal Securities means and includes only such securities which shall not be subject to redemption prior to their maturity other than at the option of the holder thereof.

(d) As to any Variable Rate Bonds, whether discharged and satisfied under the provisions of subsection (a) or (b) above, the amount required for the

70

particular Series or of any part of a particular maturity or Series, the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Master Indenture, such Bonds shall cease to be entitled to any lien, benefit or security under this Master Indenture, and all covenants, agreements and obligations of the District to the Owners of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied. Anything to the contrary in this Section 1201 notwithstanding, this Master Indenture shall not be discharged nor shall any Bonds with respect to which moneys or Federal Securities have been deposited in accordance with the provisions of this Section 1201 cease to be entitled to the lien, benefit or security under this Master Indenture, except to the extent that the lien, benefit and security of this Master Indenture and the obligations of the District hereunder shall be limited solely to and such Bonds shall be secured solely by and be payable solely from the moneys or Federal Securities so deposited.

(b) Bonds or interest installments for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Trustee (through deposit pursuant to this Master Indenture of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in this Section 1201. All Bonds of any particular maturity or Series then Outstanding shall, prior to the maturity or redemption date thereof, be deemed to have been paid within the meaning and with the effect expressed in subsection (a) of this Section 1201 if:

(i) in case any of such Bonds are to be redeemed on any date prior to their maturity, the District shall have given to the Trustee or the Bond Registrar irrevocable instructions accepted in writing by the Trustee or the Bond Registrar to mail as provided in Article III hereof notice of redemption of such Bonds on such date;

(ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Federal Securities, the principal of and the interest on which when due shall, as demonstrated in an Accountant's Certificate, provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient, to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on or prior to the redemption date or maturity date thereof, as the case may be;

(iii) the District shall have given the Trustee or the Bond Registrar in form satisfactory to it irrevocable instructions to mail, postage prepaid, to each registered Owner of Bonds then Outstanding at the address, if any, appearing upon the registration books of the District, a notice to the registered Owners of such Bonds and to the Bond Registrar that the deposit required by (ii) above has been made with the Trustee and that such Bonds

69

interest thereon shall be calculated at the maximum rate permitted by the terms of the provisions which authorized the issuance of such Variable Rate Bonds; provided, however, that if on any date, as a result of such Variable Rate Bonds having borne interest at less than such maximum rate for any period, the total amount of moneys and Investment Obligations on deposit for the payment of interest on such Variable Rate Bonds is in excess of the total amount which would have been required to be deposited on such date in respect of such Variable Rate Bonds in order to fully discharge and satisfy such Bonds and obligations under any Letter of Credit Agreement and any Liquidity Agreement pursuant to the provisions of this Section 1201, the District may use the amount of such excess free and clear of any trust, lien, security interest, pledge or assignment securing said Variable Rate Bonds or otherwise existing under this Master Indenture, any Letter of Credit Agreement or any Liquidity Agreement.

(e) Notwithstanding any of the provisions of this Master Indenture to the contrary, Option Bonds may only be fully discharged and satisfied either pursuant to subsection (a) above or by depositing in the Series Interest Account, the Series Principal Account, the Series Sinking Fund Account and the Series Redemption Account, or in such other accounts which are irrevocably pledged to the payment of the Option Bonds, as the District may create and establish by Supplemental Indenture, moneys which together with other moneys lawfully available therefor shall be sufficient at the time of such deposit to pay when due the maximum amount of principal of and Redemption Price, if any, and interest on such Option Bonds which could become payable to the Owners of such Bonds upon the exercise of any options provided to the Owners of such Bonds; provided however, that if at the time a deposit is made pursuant to this subsection (e) the options originally exercisable by the Owner of an Option Bond are no longer exercisable, such Bond shall not be considered an Option Bond for purposes of this subsection (e). If any portion of the moneys deposited for the payment of the principal of and Redemption Price, if any, and interest on Option Bonds is not required for such purpose and is not needed to reimburse an Insurer or an issuer of any Credit Facility or Liquidity Facility, for obligations under any Letter of Credit Agreement and any Liquidity Agreement, the District may use the amount of such excess free and clear of any trust, lien, security interest, pledge or assignment securing such Option Bonds or otherwise existing under this Master Indenture, any Letter of Credit Agreement or any Liquidity Agreement.

(f) Anything in this Master Indenture to the contrary notwithstanding, any moneys held by the Trustee or any Paying Agent in trust for the payment and discharge of any of the Bonds which remain unclaimed for two (2) years after the date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Trustee or any Paying Agent at such date, or for two (2) years after the date of deposit of such moneys if deposited with the Trustee or Paying Agent after the date when such Bonds became due and payable, shall at the written request of the District be repaid

71

by the Trustee or Paying Agent to the District, as its absolute property and free from trust, and the Trustee or Paying Agent shall thereupon be released and discharged with respect thereto and the Owners shall look only to the District for the payment of such Bonds; provided, however, that before being required to make any such payment to the District, the Trustee or Paying Agent shall, at the expense of the District, cause to be mailed, postage prepaid, to any Insurer or any issuer of any Credit Facility or Liquidity Facility, and to each registered Owner of Bonds then Outstanding at the address, if any, appearing upon the registration books of the District, a notice that such moneys remain unclaimed and that, after a date named in such notice, which date shall be not less than thirty (30) days after the date of the mailing of such notice, the balance of such moneys then unclaimed shall be returned to the District.

(g) In the event that the principal and Redemption Price, if applicable, and interest due on the Bonds shall be paid by the Insurer pursuant to a municipal bond insurance policy, the assignment and pledge and all covenants, agreements and other obligations of the District to the Owners of such Bonds shall continue to exist and the Insurer shall be subrogated to the rights of such Owners.

(h) Anything in this Master Indenture to the contrary notwithstanding, the provisions of the foregoing subsections (b) through (g) shall apply to the discharge of Bonds of a Series and to the discharge of the lien of any Supplemental Indenture securing such Series of Bonds as though each reference to the "Master Indenture" were a reference to such "Supplemental Indenture" and as though each reference to "Bonds then Outstanding" were a reference to the "Bonds of such Series then Outstanding."

**Section 1202. Moneys Held in Trust.** All moneys and obligations held by an escrow or paying agent or trustee pursuant to this Section 1202 shall be held in trust and the principal and interest of said obligations when received, and said moneys, shall be applied to the payment, when due, of the principal, interest and premium, if any, of the Bonds to be paid or to be called for redemption.

**ARTICLE XIII

No covenant, stipulation, obligation or agreement herein contained shall be deemed to be a covenant, stipulation, obligation or agreement of any member, agent or employee of the Governing Body in his or her individual capacity, and neither the members of the Governing Body nor any official executing the Bonds shall be liable personally on the Bonds or be subject to any personal liability or accountability by reason of the issuance thereof.

transferred from the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account as a result of such satisfaction pursuant to Section 405 hereof. At such time as there are no amounts on deposit in the Series 2025 Acquisition and Construction Account, such Account shall be closed.

(b) The amount deposited in the Series 2025 Costs of Issuance Account shall, at the written direction of an Authorized Officer to the Trustee, be used to pay the costs of issuance relating to the Series 2025 Bonds. On the earlier to occur of (x) the written direction of an Authorized Officer or (y) six (6) months from the date of issuance of the Series 2025 Bonds, any amounts deposited in the Series 2025 Costs of Issuance Account for which the Trustee has not received a requisition to pay such costs shall be transferred over and deposited into the Series 2025 Acquisition and Construction Account and used for the purposes permitted therefor. Any deficiency in the amount allocated to pay the costs of issuance relating to the Series 2025 Bonds shall be paid from excess moneys on deposit in the Series 2025 Revenue Account pursuant to Section 408(d) FOURTH hereof. **Section 405. Series 2025 Reserve Account.** The Series 2025 Reserve Account shall be funded and maintained at all times in an amount equal to the Series 2025 Reserve Account Requirement. Except as otherwise provided herein or in the Master Indenture, amounts on deposit in the Series 2025 Reserve Account shall be used only for the purpose of making payments into the Series 2025 Interest Account and the Series 2025 Sinking Fund Account to pay Debt Service on the Series 2025 Bonds, when due, without distinction as to Series 2025 Bonds and without privilege or priority of one Series 2025 Bond over another, to the extent the moneys on deposit in such Accounts available therefor are insufficient and for no other purpose. The Series 2025 Reserve Account shall consist only of cash and Series 2025 Investment Obligations.

Anything herein or in the Master Indenture to the contrary notwithstanding, on the forty-fifth (45<sup>th</sup>) day preceding each Quarterly Redemption Date (or, if such forty-fifth (45<sup>th</sup>) day is not a Business Day, on the Business Day preceding such forty-fifth (45<sup>th</sup>) day), the Trustee is hereby authorized and directed to recalculate the Series 2025 Reserve Account Requirement. Following such recalculation, the Trustee shall promptly notify the District of any excess on deposit in the Series

The Series 2025 Revenue Account shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee.

(b) The Trustee shall deposit into the Series 2025 Revenue Account (i) Series 2025 Assessment Revenues other than Series 2025 Prepayments (which Series 2025 Prepayments shall be identified by the District to the Trustee as such in writing upon deposit, upon which certification the Trustee may conclusively rely, and which shall be deposited into the Series 2025 Prepayment Subaccount), (ii) Series 2025 Prepayment Interest, and (iii) any other revenues required by other provisions of the Indenture to be deposited into the Series 2025 Revenue Account.

(c) On the forty-fifth (45<sup>th</sup>) day preceding each Quarterly Redemption Date (or if such forty-fifth (45<sup>th</sup>) day is not a Business Day, on the Business Day preceding such forty-fifth (45<sup>th</sup>) day), the Trustee shall determine the amount on deposit in the Series 2025 Prepayment Subaccount and, if the balance therein is greater than zero, shall, upon written direction from the District, transfer from the Series 2025 Revenue Account for deposit into the Series 2025 Prepayment Subaccount an amount sufficient to increase the amount on deposit therein to the nearest integral multiple of \$5,000 (provided that there are sufficient funds remaining in the Series 2025 Revenue Account to pay Debt Service coming due on the Series 2025 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2025 Bonds on the next succeeding Redemption Date in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2025 Prepayment Subaccount in accordance with the provisions for extraordinary mandatory redemption of the Series 2025 Bonds set forth in the form of Series 2025 Bonds attached hereto, Section 301 hereof, and Article III of the Master Indenture.

On the earliest date on which there is on deposit in the Series 2025 Reserve Account sufficient moneys, after taking into account other moneys available therefor, to pay and redeem all of the Outstanding Series 2025 Bonds, together with accrued interest and redemption premium, if any, on such Series 2025 Bonds to the earliest Redemption Date permitted therein and herein, then the Trustee shall transfer the amount on deposit in the Series 2025 Reserve Account into the Series 2025 Prepayment Subaccount to pay and redeem all of the Outstanding Series 2025 Bonds on the earliest Redemption Date permitted for redemption therein and herein.

Anything herein or in the Master Indenture to the contrary notwithstanding, amounts on deposit in the Series 2025 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

**Section 406. Amortization Installments; Selection of Bonds for Redemption.** (a) The Amortization Installments established for the Series 2025 Bonds shall be as set forth in the form of Series 2025 Bonds attached hereto.

(b) Upon any redemption of Series 2025 Bonds (other than Series 2025 Bonds redeemed in accordance with scheduled Amortization Installments and other than Series 2025 Bonds redeemed at the direction of the District accompanied by a cash flow certificate as required by Section 506(b) of the Master Indenture), the Trustee shall cause Series 2025 Bonds to be redeemed in such amounts and having such maturities so as to result in Amortization Installments recalculated, which recalculation shall be performed by the District, in such manner as shall amortize all the Outstanding Series 2025 Bonds of all of the maturities in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining terms of all of the Series 2025 Bonds.

**Section 407. Tax Covenants.** The District shall comply with the Arbitrage Certificate, including but not limited to the Tax Regulatory Covenants set

May 1 or November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall then transfer amounts on deposit in the Series 2025 Revenue Account to the Accounts designated below in the following amounts and in the following order of priority:

**FIRST**, to the Series 2025 Interest Account, the amount, if any, equal to the difference between the amount of interest payable on all Series 2025 Bonds then Outstanding on such May 1 or November 1, and (i) the amount transferred from the Series 2025 Capitalized Interest Account in accordance with this Section 408(d) and (ii) the amount already on deposit in the Series 2025 Interest Account not previously credited;

**SECOND**, on May 1, 20[ ], and on each May 1 thereafter, to the Series 2025 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series 2025 Bonds subject to mandatory sinking fund redemption on such May 1 and the amount already on deposit in the Series 2025 Sinking Fund Account not previously credited;

**THIRD**, to the Series 2025 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2025 Reserve Account Requirement with respect to the Series 2025 Bonds; and

**FOURTH**, the balance shall first be deposited into the Series 2025 Costs of Issuance Account to fund any deficiencies in the amount allocated to pay the costs of issuance relating to the Series 2025 Bonds, and then the balance shall be retained in the Series 2025 Revenue Account.

(e) On any date required by the Arbitrage Certificate, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the Series 2025 Revenue Account to the Series 2025 Rebate Account the amount due and owing to the United States, which amount shall be paid to the United States when due in accordance with such Arbitrage Certificate.

(f) Anything herein or in the Master Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security for the Series 2025 Bonds shall be invested only in Series 2025 Investment Obligations. Earnings on investments in the Series 2025 Acquisition and Construction Account, the Series 2025 Interest Account and the Series 2025 Capitalized Interest Account shall be retained, as realized, in such Accounts and used for the purpose of such Accounts. Earnings on investments in the Funds and Accounts other than the Series 2025 Reserve Account, and other than as set forth above, shall be deposited, as realized, to the credit of the Series 2025 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2025 Reserve Account shall be disposed of as follows:

17

(i) if there was no deficiency (as defined in Section 509 of the Master Indenture) in the Series 2025 Reserve Account as of the most recent date on which amounts on deposit in the Series 2025 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2025 Reserve Account since such date which have created a deficiency, then earnings on investments in the Series 2025 Reserve Account shall be deposited into the Series 2025 Capitalized Interest Account through May 1, 2025, and thereafter shall be deposited into the Series 2025 Revenue Account and used for the purpose of such Account; or

(ii) if there was a deficiency (as defined in Section 509 of the Master Indenture) in the Series 2025 Reserve Account as of the most recent date on which amounts on deposit in the Series 2025 Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series 2025 Reserve Account and have created such a deficiency, then earnings on investments in the Series 2025 Reserve Account shall be retained in the Series 2025 Reserve Account until the amount on deposit therein is equal to the Series 2025 Reserve Account Requirement, and then earnings on investments in the Series 2025 Reserve Account shall be deposited into the Series 2025 Capitalized Interest Account through May 1, 2025, and thereafter shall be deposited into the Series 2025 Revenue Account and used for the purpose of such Account.

The foregoing determination and disbursement shall be made prior to any recalculation and transfer of excess amounts on deposit in the Series 2025 Reserve Account made pursuant to Section 405 hereof.

**Section 704. Collection of Assessments.** (a) Anything herein or in the Master Indenture to the contrary notwithstanding, when permitted by law, Series 2025 Assessments levied on platted lots and pledged hereunder to secure the Series 2025 Bonds shall be collected pursuant to the Uniform Method, and Series 2025 Assessments levied on unplatted lands and pledged hereunder to secure the Series 2025 Bonds shall be collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless otherwise directed by the Trustee acting at the direction of the Majority Owners upon the occurrence and continuance of an Event of Default.

(b) Series 2025 Assessments that are collected directly by the District and not via the Uniform Method shall be due and payable by each landowner no later than thirty (30) days prior to each respective Interest Payment Date; provided, however, that such Series 2025 Assessments shall not be deemed Delinquent Assessments unless and until such Series 2025 Assessments are not paid by the applicable Interest Payment Date with respect to which they have been billed.

#### ARTICLE VI ADDITIONAL BONDS

**Section 601. No Parity Bonds; Limitation on Parity Assessments.** Other than Refunding Bonds issued to refund the then Outstanding Series 2025 Bonds, the issuance of which results in net present value Debt Service savings, the District shall not, while any Series 2025 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the Series 2025 Trust Estate. The District further covenants and agrees that so long as the Series 2025 Assessments have not been Substantially Absorbed, it will not issue Bonds or other debt obligations secured by Assessments on any lands subject to the Series 2025 Assessments without the written consent of the Majority Owners. Notwithstanding the immediately preceding sentence, the District may impose Assessments on property subject to the Series 2025 Assessments which are necessary for health, safety or welfare reasons, or to remediate a natural disaster, or to effect repairs to or replacement of property, facilities or equipment of the District without the consent of the Majority Owners.

**Section 702. Continuing Disclosure Agreement.** Contemporaneously with the execution and delivery hereof, the District has executed and delivered the Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended. The District covenants and agrees to comply with the provisions of the Continuing Disclosure Agreement. However, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but instead shall be enforceable as provided in the Continuing Disclosure Agreement.

**Section 703. Additional Covenant Regarding Assessments.** In addition to, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the District covenants to comply with the terms of the Series 2025 Assessment Proceedings heretofore adopted with respect to the Series 2025 Assessments, including the Assessment

acquired by it as trustee for the benefit of the Owners of the Series 2025 Bonds within sixty (60) days after the receipt of the request therefor signed by the Trustee or the Majority Owners. The Trustee may, upon direction from the Majority Owners, pay costs associated with any actions taken by the District pursuant to this paragraph from any moneys legally available for such purpose held under the Indenture.

**Section 706. Owner Direction and Consent with Respect to Series 2025 Acquisition and Construction Account Upon Occurrence of Event of Default.** In accordance with the provisions of the Indenture, the Series 2025 Bonds are payable solely from the Series 2025 Pledged Revenues and the Series 2025 Pledged Funds held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the District hereby acknowledges that (a) the Series 2025 Pledged Funds includes, without limitation, all amounts on deposit in the Series 2025 Acquisition and Construction Account then held by the Trustee, (b) upon the occurrence of an Event of Default with respect to the Series 2025 Bonds, the Series 2025 Pledged Funds may not be used by the District (whether to pay Costs of the Assessment Area One Project or otherwise) without the consent of the Majority Owners, except to the extent that prior to the occurrence of the Event of Default the District had incurred a binding obligation with third parties for work on the Assessment Area One Project and payment is for such work, and (c) upon the occurrence of an Event of Default with respect to the Series 2025 Bonds, the Series 2025 Pledged Funds may be used by the Trustee, at the direction or with the approval of the Majority Owners, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The District shall not enter into any binding agreement with respect to the Assessment Area One Project that will cause the expenditure of additional funds from the Series 2025 Trust Estate after the occurrence and during the continuance of an Event of Default unless authorized in writing by the Majority Owners.

**Section 707. Assignment of District's Rights Under Collateral Assignment.** Subject to the terms of the Collateral Assignment, the District hereby assigns its rights under the Collateral Assignment to the Trustee for the benefit of the Owners, from time to time, of the Series 2025 Bonds. The Trustee shall not be deemed to have accepted any obligation under the Collateral Assignment by virtue of such assignment.

**Section 708. Enforcement of True-Up Agreement and Completion Agreement.** The District, either through its own actions, or actions caused to be taken through the Trustee, covenants that it shall strictly enforce all of the provisions of the True-Up Agreement and the Completion Agreement and, upon the occurrence and continuance of a default under either or both of such Agreements, the District covenants and agrees that the Trustee, at the direction of the Majority Owners, may, subject to the provisions of Section 912 of the Master Indenture, act on behalf of and in the District's stead to enforce the provisions of such Agreements

and to pursue all available remedies under applicable law or in equity. Anything herein or in the Master Indenture to the contrary notwithstanding, failure of the District to enforce, or permit the Trustee to enforce in its stead, all of the provisions of the True-Up Agreement and the Completion Agreement upon demand of the Majority Owners, or the Trustee at the direction of the Majority Owners, shall constitute an Event of Default under the Indenture, provided, however, that the District shall have a reasonable opportunity to cure.

**Section 709. Payment of Rebate Amount.** Anything herein or in the Master Indenture to the contrary notwithstanding, the District shall cause a Rebate Analyst to determine the Rebate Amount, if any, at the times and in the manner provided in the Tax Regulatory Covenants attached as an exhibit to the Arbitrage Certificate. If a Rebate Amount shall be due, the District shall deliver to the Trustee the written direction of an Authorized Officer to pay from the Series 2025 Rebate Account, or from any other available funds as shall be provided in such written direction, the Rebate Amount to the District for remittance to the Internal Revenue Service. The Trustee may conclusively rely on such written direction and shall have no responsibility for the calculation or payment of the Rebate Amount, if any. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

**APPENDIX C**

**PROPOSED FORM OF APPROVING OPINION OF BOND COUNSEL**

[THIS PAGE INTENTIONALLY LEFT BLANK]

**FORM OF OPINION OF NABORS, GIBLIN & NICKERSON, P.A.,  
WITH RESPECT TO THE SERIES 2025 BONDS**

Upon delivery of the Series 2025 Bonds in definitive form, Nabors, Giblin & Nickerson, P.A., Tampa, Florida, Bond Counsel, proposes to render its opinion with respect to the Series 2025 Bonds in substantially the following form:

(Date of Closing)

Board of Supervisors  
Fox Branch Ranch Community  
Development District

Board Members:

We have examined a record of proceedings relating to the issuance by the Fox Branch Ranch Community Development District (the "District") of its \$[Bond Amount] Capital Improvement Revenue Bonds, Series 2025 (Assessment Area One) (the "Series 2025 Bonds"). The Series 2025 Bonds are issued under the authority of the laws of the State of Florida, including Chapter 190, Florida Statutes (the "Act") and other applicable provisions of law, and pursuant to a Master Trust Indenture, dated as of March 1, 2025 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture, dated as of March 1, 2025 (the "Supplemental Indenture" and together with the Master Indenture, the "Indenture"), each between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee") and Resolution Nos. 2022-09 and 2025-04 adopted by the Board of Supervisors of the District on December 8, 2021 and February 19, 2025, respectively (collectively, the "Bond Resolution"). Capitalized terms used and not otherwise defined herein shall have the meanings ascribed thereto in the Indenture.

The Series 2025 Bonds are dated and shall bear interest from their date of delivery, except as otherwise provided in the Indenture. The Series 2025 Bonds will mature on the dates and in the principal amounts and will bear interest at the respective rates per annum, as provided in the Indenture and set forth in the Bond Purchase Contract executed in connection with the sale of the Series 2025 Bonds (the "Purchase Contract"). Interest on the Series 2025 Bonds shall be payable on each May 1 and November 1, commencing May 1, 2025. The Series 2025 Bonds are subject to redemption prior to maturity in accordance with the Indenture and as set forth in the Purchase Contract.

The Series 2025 Bonds are issued for the principal purposes of (a) financing a portion of the Cost of acquiring, constructing and equipping assessable

improvements comprising the Assessment Area One Project, (b) paying certain costs associated with the issuance of the Series 2025 Bonds, (c) making a deposit into the Series 2025 Reserve Account to be held for the benefit of all of the Series 2025 Bonds, and (d) paying a portion of the interest to become due on the Series 2025 Bonds, all as more particularly described in the Indenture. The Series 2025 Bonds are payable from and secured by the Series 2025 Assessments levied on property within the District specially benefitted by the assessable improvements financed with the proceeds of the Series 2025 Bonds and also by the Series 2025 Pledged Revenues and Series 2025 Pledged Funds comprising the Series 2025 Trust Estate.

As to questions of fact material to our opinion, we have relied upon the representations of the District contained in the Bond Resolution and the Indenture and in the certified proceedings relating thereto and to the issuance of the Series 2025 Bonds and other certifications of public officials furnished to us in connection therewith including, but not limited to, the Final Judgment issued by the Circuit Court of the Tenth Judicial Circuit in and for Polk County, Florida, in connection with the validation of the Series 2025 Bonds, without undertaking to verify the same by independent investigation. Furthermore, we have assumed continuing compliance with the covenants and agreements contained in the Indenture. We have not undertaken an independent audit, examination, investigation or inspection of the matters described or contained in any agreements, documents, certificates, representations and opinions relating to the Series 2025 Bonds, and have relied solely on the facts, estimates and circumstances described and set forth therein. In our examination of the foregoing, we have assumed the genuineness of signatures on all documents and instruments, the authenticity of documents submitted as originals and the conformity to originals of documents submitted as copies.

Based on the foregoing, under existing law, we are of the opinion that:

1. The District is a duly created and validly existing community development district under the Act.
2. The District has the right and power under the Act to authorize, execute and deliver the Indenture, and the Indenture has been duly and lawfully authorized, executed and delivered by the District, is in full force and effect in accordance with its terms and is valid and binding upon the District and enforceable in accordance with its terms. The Indenture creates the valid pledge which it purports to create of the Series 2025 Trust Estate in favor of the Series 2025 Bonds, including the Series 2025 Assessments, in the manner and to the extent provided in the Indenture.
3. The District is duly authorized and entitled to issue the Series 2025 Bonds and the Series 2025 Bonds have been duly and validly authorized and issued by the District in accordance with the Constitution and laws of the State of Florida, the Bond Resolution and the Indenture. The Series 2025 Bonds constitute valid and

binding obligations of the District as provided in the Indenture and are enforceable in accordance with their terms and the terms of the Indenture and are entitled to the benefits of the Indenture and the Act. The Series 2025 Bonds do not constitute a general indebtedness of the District or the State of Florida or any agency, department or political subdivision thereof, or a pledge of the faith and credit of such entities, but are solely payable from the Series 2025 Trust Estate in the manner and to the extent provided in the Indenture. No holder of the Series 2025 Bonds shall ever have the right to compel the exercise of any ad valorem taxing power of the District or the State of Florida or any political subdivision, agency or department thereof to pay the Series 2025 Bonds.

4. Under existing statutes, regulations, rulings and court decisions, the interest on the Series 2025 Bonds (a) is excluded from gross income for federal income tax purposes and (b) is not an item of tax preference for purposes of the federal alternative minimum tax; provided, however, with respect to certain corporations, interest on the Series 2025 Bonds is taken into account in determining the annual adjusted financial statement income for the purpose of computing the alternative minimum tax imposed on such corporations. The opinions set forth in this paragraph are subject to the condition that the District comply with all requirements of the Internal Revenue Code of 1986, as amended, that must be satisfied subsequent to the issuance of the Series 2025 Bonds in order that interest thereon be (or continues to be) excluded from gross income for federal income tax purposes. Failure to comply with certain of such requirements could cause the interest on the Series 2025 Bonds to be so included in gross income retroactive to the date of issuance of the Series 2025 Bonds. The District has covenanted in the Indenture to comply with all such requirements. Ownership of the Series 2025 Bonds may result in collateral federal tax consequences to certain taxpayers. We express no opinion regarding such federal tax consequences arising with respect to the Series 2025 Bonds.

5. The Series 2025 Bonds and interest thereon are exempt from taxation under the laws of the State of Florida, except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations, as defined in said Chapter 220.

It should be noted that, except as may expressly be set forth in an opinion delivered by us to the underwriter for the Series 2025 Bonds on the date hereof (on which opinion only it may rely), we have not been engaged or undertaken to review (1) the accuracy, completeness or sufficiency of the Limited Offering Memorandum or other offering material relating to the Series 2025 Bonds and we express no opinion relating thereto, or (2) the compliance with any federal or state law with regard to the sale or distribution of the Series 2025 Bonds and we express no opinion relating thereto.

The opinions expressed in paragraphs 2 and 3 hereof are qualified to the extent that (1) the enforceability of the Indenture and the Series 2025 Bonds, respectively, may be limited by any applicable bankruptcy, insolvency, moratorium, reorganization or other similar laws affecting creditors' rights generally, or by the exercise of judicial discretion in accordance with general principles of equity, and (2) we have assumed the due authorization, execution and delivery of the Indenture by the Trustee.

The opinions set forth herein are expressly limited to, and we opine only with respect to, the laws of the State of Florida and the federal income tax laws of the United States of America. The only opinions rendered hereby shall be those expressly stated as such herein, and no opinion shall be implied or inferred as a result of anything contained herein or omitted herefrom.

This opinion is given as of the date hereof and we assume no obligation to update, revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

We have examined the form of the Series 2025 Bonds and, in our opinion, the form of the Series 2025 Bonds is regular and proper.

Very truly yours,

## **1.0 Introduction**

### **1.1 Purpose**

This Master Special Assessment Methodology Report (the "Report") was developed to provide a financing plan and a special assessment methodology for the Fox Branch Ranch Community Development District (the "District"), located in unincorporated Polk County, Florida, as related to funding the costs of public infrastructure improvements via the Capital Improvement Plan (the "Project") contemplated to be provided by the District.

### **1.2 Scope of the Report**

This Report presents the projections for financing the District's Capital Improvement Plan described in the Fox Branch Ranch Community Development District Engineer's Report developed by Dewberry Engineers Inc. (the "District Engineer") and dated March 9, 2022 (the "Engineer's Report"), as well as describes the method for the allocation of special benefits and the apportionment of special assessment debt resulting from the provision and funding of the Project.

### **1.3 Special Benefits and General Benefits**

The public infrastructure improvements undertaken and funded by the District as part of the Project create special and peculiar benefits, different in kind and degree than general benefits, for properties within its borders as well as general benefits to the public at large. However, as discussed within this Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits which accrue to property within the District. The District's Capital Improvement Plan enables properties within its boundaries to be developed.

There is no doubt that the general public and property owners of property outside the District will benefit from the provision of the Project. However, these benefits are only incidental since the Project is designed solely to provide special benefits peculiar to property within the District. Properties outside the District are not directly served by the Project and do not depend upon the Project to obtain or to maintain their development entitlements. This fact alone clearly distinguishes the special benefits which District properties receive compared to those lying outside of the District's boundaries.

The Capital Improvement Plan will provide public infrastructure improvements which are all necessary in order to make the lands within the District developable and saleable. The installation of such improvements will cause the value of the developable and saleable lands within the District to increase by more than the sum of the financed cost of the individual components of the Project. Even though the exact value of the benefits provided by the Project is hard to estimate at this point, it is nevertheless greater than the costs associated with providing the same.

#### **1.4 Organization of the Report**

*Section Two* describes the development program as proposed by the Developer, as defined below.

*Section Three* provides a summary of the Project as determined by the District Engineer.

*Section Four* discusses the financing program for the District.

*Section Five* introduces the special assessment methodology for the District.

### **2.0 Development Program**

#### **2.1 Overview**

The District will serve the Fox Branch Ranch development, a master planned residential development located in unincorporated Polk County, Florida. The land within the District consists of approximately 400.97 +/- acres and is generally located at the east of the CSX Railroad, west of Kathleen Road, south of undeveloped lands, and north of Glenview Drive.

#### **2.2 The Development Program**

The development of Fox Branch Ranch is anticipated to be conducted by Forestar (USA) Real Estate Group Inc, (the "Developer"). Based upon the information provided by the Developer and the Engineer, the current development plan envisions a total of 607 single-family residential dwelling units developed over a multi-year period in two (2) stages within four (4) development phases, although unit numbers, land use types and phasing may change throughout the development period. Table 1 in the *Appendix* illustrates the development plan for Fox Branch Ranch.

### **3.0 The Capital Improvement Plan**

#### **3.1 Overview**

The public infrastructure costs to be funded by the District are described by the District Engineer in the Engineer's Report. Only public infrastructure that may qualify for bond financing by the District under Chapter 190, Florida Statutes and under the Internal Revenue Code of 1986, as amended, was included in these estimates.

#### **3.2 The Project**

The public infrastructure improvements which are part of the Project and are needed to serve the Development are projected to consist of improvements which will serve all of the lands in the District. The Project will consist of a stormwater system, sanitary sewer, water distribution, reclaim distribution, undergrounding of electric conduit, conservation/mitigation, landscape/hardscape/irrigation, on-site roadways and off-site roadways, the costs of which, along with contingencies and professional fees, were estimated by the District Engineer at \$35,648,033.

The public infrastructure improvements that comprise the Project will serve and provide benefit to all land uses in the District and will comprise an interrelated system of improvements, which means all of improvements will serve the entire District and improvements will be interrelated such that they will reinforce one another.

Table 2 in the *Appendix* illustrates the specific components of the Project.

### **4.0 Financing Program**

#### **4.1 Overview**

As noted above, the District is embarking on a program of capital improvements which will facilitate the development of lands within the District. Generally, construction of public improvements is either funded by the Developer and then acquired by the District or funded directly by the District. As of the time of writing of this Report, the District will most likely acquire completed improvements from the Developer, although the District maintains the complete flexibility to either acquire the public infrastructure from the Developer or construct it, or even partly acquire it and partly construct it.

Even though the actual financing plan may change to include multiple series of bonds, it is likely that in order to fully fund costs of the Project as described in *Section 3.2* in two financing transactions, the District would have to issue approximately \$45,595,000 in par amount of special assessment bonds (the "Bonds").

**Please note that the purpose of this Report is to allocate the benefit of the Project to the various land uses in the District and based on such benefit allocation to apportion the maximum debt necessary to fund the Project. The discussion of the structure and size of the indebtedness is based on various estimates and is subject to change.**

## **4.2 Types of Bonds Proposed**

The proposed financing plan for the District provides for the issuance of the Bonds in the approximate principal amount of \$45,595,000 to finance approximately \$35,648,033 in Project costs. The Bonds as projected under this financing plan would be structured to be amortized in 30 annual installments following a 24-month capitalized interest period. Interest payments on the Bonds would be made every May 1 and November 1, and principal payments on the Bonds would be made either on May 1 or on November 1.

In order to finance the improvement and other costs, the District would need to borrow more funds and incur indebtedness in the total amount of approximately \$45,595,000. The difference is comprised of debt service reserve, capitalized interest, underwriter's discount and costs of issuance. Preliminary sources and uses of funding for the Bonds are presented in Table 3 in the *Appendix*.

**Please note that the structure of the Bonds as presented in this Report is preliminary and may change due to changes in the development program, market conditions, timing of infrastructure installation as well as for other reasons. The District maintains complete flexibility as to the structure of the Bonds and reserves the right to modify it as necessary.**

## **5.0 Assessment Methodology**

### **5.1 Overview**

The issuance of the Bonds provides the District with funds necessary to construct/acquire the infrastructure improvements which are part of the Project outlined in *Section 3.2* and described in more detail by

the District Engineer in the Engineer's Report. These improvements lead to special and general benefits, with special benefits accruing to the assessable properties within the boundaries of the District and general benefits accruing to areas outside the District but being only incidental in nature. The debt incurred in financing the public infrastructure will be secured by assessing properties that derive special and peculiar benefits from the Project. All properties that receive special benefits from the Project will be assessed for their fair share of the debt issued in order to finance all or a portion of the Project.

## **5.2 Benefit Allocation**

The most current development plan envisions the development of 607 single-family residential dwelling units, although unit numbers and land use types may change throughout the development period.

The public infrastructure improvements that comprise the Project will serve and provide benefit to all land uses in the District and will comprise an interrelated system of improvements, which means all of improvements will serve the entire District and improvements will be interrelated such that they will reinforce one another.

By allowing for the land in the District to be developable, both the public infrastructure improvements that comprise the Project and their combined benefit will be greater than the sum of their individual benefits. All of the land uses within the District will benefit from each infrastructure improvement category, as the improvements provide basic infrastructure to all land within the District and benefit all land within the District as an integrated system of improvements.

As stated previously, the public infrastructure improvements included in the Project have a logical connection to the special and peculiar benefits received by the land within the District, as without such improvements, the development of the properties within the District would not be possible. Based upon the connection between the improvements and the special and peculiar benefits to the land within the District, the District can assign or allocate a portion of the District's debt through the imposition of non-ad valorem assessments, to the land receiving such special and peculiar benefits. Even though these special and peculiar benefits are real and ascertainable, the precise amount of the benefit cannot yet be calculated with mathematical certainty. However, such benefit is more valuable than the cost of, or the actual non-ad valorem assessment amount levied on that parcel.

The benefit associated with the Project of the District is proposed to be allocated to the different unit types within the District in proportion to the density of development and intensity of use of the infrastructure as measured by a standard unit called an Equivalent Residential Unit ("ERU"). Table 4 in the *Appendix* illustrates the ERU weights that are proposed to be assigned to the unit types contemplated to be developed within the District based on the relative density of development and the intensity of use of master infrastructure, the total ERU counts for each unit type, and the share of the benefit received by each unit type.

The rationale behind different ERU weights is supported by the fact that generally and on average smaller units will use and benefit from the District's improvements less than larger units, as for instance, generally and on average smaller units or units produce less storm water runoff, may produce fewer vehicular trips, and may need less water/sewer capacity than larger units. Additionally, the value of the larger units is likely to appreciate by more in terms of dollars than that of the smaller units as a result of the implementation of the Project. As the exact amount of the benefit and appreciation is not possible to be calculated at this time, the use of ERU measures serves as a reasonable approximation of the relative amount of benefit received by the different unit types from the District's improvements.

Table 5 in the *Appendix* presents the apportionment of the assessment associated with funding the District's Project (the "Bond Assessments") in accordance with the ERU benefit allocation method presented in Table 4. Table 5 also presents the annual levels of the projected annual debt service assessments per unit.

### **5.3 Assigning Debt**

The Bond Assessments associated with repayment of the Bonds will initially be levied on all of the gross acres of land in the District. Consequently, the Bond Assessments will be levied on approximately 400.97 +/- gross acres on an equal pro-rata gross acre basis and thus the total bonded debt in the amount of \$45,595,000 will be preliminarily levied on approximately 400.97 +/- gross acres at a rate of \$113,711.75 per acre.

As the land is platted, the Bond Assessments will be allocated to each platted parcel on a first platted-first assigned basis based on the planned use for that platted parcel as reflected in Table 5 in the *Appendix*. Such allocation of Bond Assessments to platted parcels

will reduce the amount of Bond Assessments levied on unplatted gross acres within the District.

Further, to the extent that any residential land which has not been platted is sold to another developer or builder, the Bond Assessments will be assigned to such parcel at the time of the sale based upon the development rights associated with such parcel that are transferred from seller to buyer. The District shall provide an estoppel or similar document to the buyer evidencing the amount of Bond Assessments transferred at sale.

#### **5.4 Lienability Test: Special and Peculiar Benefit to the Property**

As first discussed in *Section 1.3*, Special Benefits and General Benefits, public infrastructure improvements undertaken by the District create special and peculiar benefits to certain properties within the District. The District's improvements benefit assessable properties within the District and accrue to all such assessable properties on an ERU basis.

Public infrastructure improvements undertaken by the District can be shown to be creating special and peculiar benefits to the property within the District. The special and peculiar benefits resulting from each improvement include, but are not limited to:

- a. added use of the property;
- b. added enjoyment of the property;
- c. decreased insurance premiums;
- d. increased marketability and value of the property.

The public infrastructure improvements which are part of the Project make the land in the District developable and saleable and when implemented jointly as parts of the Project, provide special and peculiar benefits which are greater than the benefits of any single category of improvements. These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value; however, such benefits are more valuable than either the cost of, or the actual assessment levied for, the improvement or debt allocated to the parcel of land.

#### **5.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay**

A reasonable estimate of the proportion of special and peculiar benefits received from the improvements is delineated in Table 4 (expressed as ERU factors) in the *Appendix*.

The apportionment of the assessments is fair and reasonable because it was conducted on the basis of consistent application of the methodology described in *Section 5.2* across all assessable property within the District according to reasonable estimates of the special and peculiar benefits derived from the Project by different unit types.

## **5.6 True-Up Mechanism**

The Assessment Methodology described herein is based on conceptual information obtained from the Developer prior to construction. As development occurs it is possible that the number of ERUs may change. The mechanism for maintaining the methodology over the changes is referred to as true-up.

This mechanism is to be utilized to ensure that the Bond Assessments on a per ERU basis never exceed the initially allocated amounts as contemplated in the adopted assessment methodology. The Bond Assessments per ERU equal \$70,493.20 (\$45,595,000 in Bond Assessments divided by 646.80 ERUs). If any changes occur, the methodology described herein is applied to the land based on the number of and product types within each and every parcel as signified by the number of ERUs.

As the land is platted, the Bond Assessments are assigned to platted parcels based on the figures in Table 5 in the *Appendix*. If as a result of platting and apportionment of the Bond Assessments to the platted parcel of land, the Bond Assessments per ERU for land that remains unplatted within the District remain equal to \$70,493.20, then no true-up adjustment will be necessary.

If as a result of platting and apportionment of the Bond Assessments to the platted land, the Bond Assessments per ERU for land that remain unplatted within the District equal less than \$70,493.20 (either as a result of a larger number of units, different units or both), then the per ERU Bond Assessments for all parcels within the District will be lowered if that state persists at the conclusion of platting of all land within the District.

If, in contrast, a result of platting and apportionment of the Bond Assessments to the platted land, the Bond Assessments per ERU for land that remains unplatted within the District equals more than \$70,493.20<sup>1</sup> (either as a result of a smaller number of units, different

<sup>1</sup> For example, if the first platting includes 100 SF 50 lots, which equates to a total allocation of \$7,049,319.73 in Bond Assessments, then the remaining unplatted land would be required to absorb 50 SF 44, 67 SF 50, 317 SF 54 and 73 SF 64 or \$38,545,680.27 in Bond Assessments. If the remaining unplatted land would only

units or both), then the difference in Bond Assessments plus accrued interest will be collected from the owner of the property which platting caused the increase of assessment per ERU to occur, in accordance with a true-up agreement to be entered into between the District and the Developer, which will be binding on assignees.

The owner(s) of the property will be required to immediately remit to the Trustee for redemption a true-up payment equal to the difference between the actual Bond Assessments per ERU and \$70,493.20 multiplied by the actual number of ERUs plus accrued interest to the next succeeding interest payment date on the Bonds, unless such interest payment date occurs within 45 days of such true-up payment, in which case the accrued interest shall be paid to the following interest payment date.

In addition to platting of property within the District, any planned sale of an unplatted land to another builder or developer will cause the District to initiate a true-up test as described above to test whether the amount of the Bond Assessments per ERU for land that remains unplatted remains equal to \$70,493.20. The test will be based upon the development rights as signified by the number of ERUs associated with such parcel that are transferred from seller to buyer. The District shall provide an estoppel or similar document to the buyer evidencing the amount of Bond Assessments transferred at sale.

## **5.7 Assessment Roll**

The Bond Assessments of \$45,595,000 are proposed to be levied over the area described in Exhibit "A". Excluding any capitalized interest period, debt service assessments shall be paid in thirty (30) annual principal installments.

## **5.8 Additional Items Regarding Bond Assessment Imposition and Allocation**

This master assessment allocation methodology is intended to establish, without the need for a further public hearing, the necessary benefit and fair and reasonable allocation findings for a master assessment lien, which may give rise to one or more individual assessment liens relating to individual bond issuances necessary to fund all or a portion of the project(s) referenced herein. All such liens shall be within the benefit limits established herein and using the

be able to absorb 50 SF 44, 60 SF 50, 317 SF 54 and 73 SF 64 lots or \$38,052,227.89 in Bond Assessments, then a true-up, payable by the owner of the unplatted land, would be due in the amount of \$493,452.38 in Bond Assessments plus applicable accrued interest to the extent described in this Section.

allocation Methodology described herein, and shall be described in one or more supplemental reports.

As noted herein, the Project functions as a system of improvements. Among other implications, this means that proceeds from any particular bond issuance can be used to fund improvements within any benefitted property within the District, regardless of where the Bond Assessments are levied, provided that Bond Assessments are fairly and reasonably allocated across all benefitted properties.

As set forth in any supplemental report, and for any particular bond issuance, the land developer may opt to “buy down” the Bond Assessment on particular product types and/or lands using a contribution of cash, infrastructure or other consideration, and in order for Bond Assessments to reach certain target levels. Note that any “true-up,” as described herein, may require a payment to satisfy “true-up” obligations as well as additional contributions to maintain such target assessment levels. Any amounts contributed by the developer to pay down Bond Assessment will not be eligible for “deferred costs,” if any are provided for in connection with any particular bond issuance.

No Bond Assessments are allocated herein to any public or private amenities or other common areas planned for the development. Such amenities and common areas will be owned and operated by the District and/or master homeowners’ association. If owned by a homeowners’ association, the amenities will be considered a common element for the exclusive benefit of property owners. Alternatively, if owned by the District, the amenities will be available for use by the public, subject to the District’s rules and policies. Accordingly, any benefit to the amenities and common areas flows directly to the benefit of all property in the District. As such, no Bond Assessments will be assigned to the amenities and common areas.

In the event that the CIP is not completed, required contributions are not made, additional benefitted lands are added to the District and/or assessment area(s), or under certain other circumstances, the District may elect to reallocate the special assessments, and the District expressly reserves the right to do so, provided however that any such reallocation shall not be construed to relieve any party of contractual or other obligations to the District.

## **1.0 Introduction**

### **1.1 Purpose**

This Preliminary First Supplemental Special Assessment Methodology Report (the "Preliminary First Supplemental Report") was developed to supplement the Master Special Assessment Methodology Report (the "Master Report") dated March 9, 2022 and to provide a supplemental financing plan and a supplemental special assessment methodology for the 261 residential units that are projected to be developed as Phase 1, 2 and 1b (together, "Assessment Area One") of the Fox Branch Ranch Community Development District (the "District") located in unincorporated Polk County, Florida. This Preliminary First Supplemental Report was developed in relation to funding by the District of a portion of the Capital Improvement Program (to be defined later herein) contemplated to be provided by the District for Assessment Area One (the "Assessment Area One Project").

### **1.2 Scope of the Preliminary First Supplemental Report**

This Preliminary First Supplemental Report presents projections for financing a portion of the District's public infrastructure improvements (the "Capital Improvement Program") as described in the Engineer's Report of Dewberry Engineers Inc. (the "District Engineer") dated March 9, 2022, and as supplemented in December, 2024 by the 2025 Supplemental Engineer's Report (together, the "Engineer's Report"), as well as describes the method for the allocation of special benefits and the apportionment of special assessment debt resulting from the provision and funding of the Assessment Area One Project to the Assessment Area One units.

### **1.3 Special Benefits and General Benefits**

Public infrastructure improvements undertaken and funded by the District as part of the Assessment Area One Project create special and peculiar benefits, different in kind and degree than general benefits, for properties within the District, including Assessment Area One, as well as general benefits for properties outside of the District and to the public at large. However, as discussed within this Preliminary First Supplemental Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits which accrue to property within the District. The District's Assessment Area One Project enables properties within Assessment Area One to be developed.

There is no doubt that the general public and property owners outside of Assessment Area One will benefit from the provision of the Assessment Area One Project. However, these benefits are only incidental since the Assessment Area One Project is designed to provide special benefits peculiar to property within Assessment Area One. Properties outside are not directly served by the Assessment Area One Project and do not depend upon the Assessment Area One Project to obtain or to maintain their development entitlements. This fact alone clearly distinguishes the special benefits which properties within Assessment Area One receive compared to those lying outside of its boundaries.

The Assessment Area One Project will provide public infrastructure improvements which are all necessary in order to make the lands within Assessment Area One developable and saleable. Even though the exact value of the benefits provided by the Assessment Area One Project is hard to estimate at this point, it is without doubt greater than the costs associated with providing same.

#### **1.4 Organization of the Report**

*Section Two* describes the development program as proposed by the Developer, as defined below.

*Section Three* provides a summary of the Capital Improvement Program and the Assessment Area One Project as determined by the District Engineer.

*Section Four* discusses the supplemental financing program for Assessment Area One.

*Section Five* discusses the supplemental special assessment methodology for Assessment Area One.

### **2.0 Development Program**

#### **2.1 Overview**

The District will serve the Fox Branch Ranch development (the "Development"), a master planned residential development located in unincorporated Polk County, Florida. The land within the District currently consists of approximately 400.97 +/- acres and is generally located at the east of the CSX Railroad, west of Kathleen Road, south of undeveloped lands, and north of Glenview Drive.

## **2.2 The Development Program**

The development of the Development is anticipated to be conducted by Forestar (USA) Real Estate Group Inc. (the "Developer"). Based upon the information provided by the Developer and the District Engineer, the current development plan for the land within the District envisions a total of 624 single-family dwelling units developed in multiple phases, with Assessment Area One composed of a total of 261 single-family dwelling units, although land use types, unit numbers, and phasing of development may change throughout the development period. Table 1 in the *Appendix* illustrates the most current "Development Plan" for Assessment Area One.

## **3.0 The Capital Improvement Program**

### **3.1 Overview**

The public infrastructure costs to be funded by the District are described by the District Engineer in the Engineer's Report. Only public infrastructure that may qualify for bond financing by the District under Chapter 190, Florida Statutes and under the Internal Revenue Code of 1986, as amended, was included in these estimates.

### **3.2 The Capital Improvement Program**

The Capital Improvement Program needed to serve the Development is projected to consist of stormwater system, conservation/mitigation, water, sewer & reclaim systems, roadways, right-of-way landscape & hardscape and irrigation, undergrounding of electric conduit, off-site improvements, contingency and professional fees as set forth in more detail in the Engineer's Report.

Even though the installation of the improvements that constitute the Capital Improvement Program is projected to occur in multiple phases of development within the District, the Assessment Area One Project is a portion of the Capital Improvement Program necessary for the development of Assessment Area One. The Future Project constitutes that portion of the Capital Improvement Program necessary for the development of the remainder of the Capital Improvement Program. The infrastructure improvements that compose the overall Capital Improvement Program will serve and provide benefit to all land uses in the District and will compose an interrelated system of improvements, which means all of the

improvements will serve the entire District and improvements will be interrelated such that they will reinforce one another. As a practical matter, this means that, from an assessment standpoint, any of the master costs of the Assessment Area One Project (or Future Project costs) may be financed with proceeds of any future bonds, provided that the District's debt assessments associated with the Capital Improvement Program are fairly and reasonably allocated across all benefitted properties, which is the case with the Series 2025 Bond Assessments (to be defined later herein), as described herein. At the time of this writing, the total costs of the Assessment Area One Project are estimated at \$21,031,304.

Table 2 in the *Appendix* illustrates the specific components of the Assessment Area One Project and their costs. Please note that as the development of land in the District will occur in multiple phases and the construction of the public infrastructure improvements which are part of the Capital Improvement Program will occur in multiple stages designed to coincide with the phases of development, it is contemplated at the time of writing of this Preliminary First Supplemental Report that the District will initially fund from the Series 2025 Bonds (to be defined later herein) only a portion of the Assessment Area One Project costs in an estimated amount \$4,820,938.75\*.

## **4.0 Financing Program**

### **4.1 Overview**

As noted above, the District is embarking on a program of capital improvements which will facilitate the development of lands within the District. Generally, construction of public improvements is either funded by the Developer and then acquired by the District or funded directly by the District. The choice of the exact mechanism for providing public infrastructure has not yet been made at the time of this writing, and the District may either acquire the public infrastructure from the Developer or construct it, or even partly acquire it and partly construct it.

The District intends to issue Capital Improvement Revenue Bonds, Series 2025 (Assessment Area One) in the estimated principal amount of \$5,390,000\* (the "Series 2025 Bonds") to fund an estimated \$4,820,938.75\* in Assessment Area One Project costs, with the balance of the costs in the estimated amount of \$16,210,365.25\*. It is anticipated that any costs of the Assessment

---

\* Preliminary, subject to change

Area One Project which serve and benefit the development of land in Assessment Area One which are not funded by the Series 2025 Bonds will be contributed to the District at no cost pursuant to a Completion Agreement that will be entered into by the Developer and the District (and, as noted herein, future bonds may further fund any unfunded master costs that were part of the Assessment Area One Project).

#### **4.2 Types of Bonds Proposed**

The Series 2025 Bonds as projected under this supplemental financing plan are structured to be amortized in 30 annual installments. Interest payments on the Series 2025 Bonds would be made every May 1 and November 1, and annual principal payments on the Series 2025 Bonds would be made on every May 1 or November 1.

In order to finance a portion of the costs of the Assessment Area One Project, the District would need to borrow more funds and incur indebtedness in the total amount estimated at \$5,390,000\*. The difference is comprised of funding a debt service reserve, funding capitalized interest and paying costs of issuance, including the underwriter's discount. Preliminary sources and uses of funding for the Series 2025 Bonds are presented in Table 3 in the *Appendix*.

### **5.0 Assessment Methodology**

#### **5.1 Overview**

The issuance of the Series 2025 Bonds provides the District with a portion of funds necessary to construct/acquire the public infrastructure improvements which are part of the Assessment Area One Project outlined in Section 3.2 and described in more detail by the District Engineer in the Engineer's Report. These improvements lead to special benefits, with special benefits accruing to the assessable properties within the boundaries of Assessment Area One and general benefits accruing to areas outside Assessment Area One but being only incidental in nature. The debt incurred in financing the public infrastructure will be secured by assessing properties that derive special and peculiar benefits from the Assessment Area One Project. All properties that receive special benefits from the Assessment Area One Project will be assessed for their fair share of the debt issued in order to finance a portion of the

---

\* Preliminary, subject to change

Assessment Area One Project, on a first platted (or sold), first assigned basis within Assessment Area One.

## **5.2 Benefit Allocation**

The most current development plan for the District envisions the development of 624 single-family residential dwelling units developed in multiple phases, with Assessment Area One including a total of 261 single-family residential dwelling units, although unit numbers and land use types may change throughout the development period. Because the number of units to be developed in Assessment Area One is known, and the acreage of Assessment Area One is known, it is fair and reasonable to assign the debt assessments securing the Series 2025 Bonds to Assessment Area One initially on a per acre basis, and then on a first-platted, first-assigned basis in accordance with the Master Report.

As stated previously, the public infrastructure improvements included in the Assessment Area One Project have a logical connection to the special and peculiar benefits received by the land within Assessment Area One as without such improvements, the development of the properties within Assessment Area One would not be possible. Based upon the connection between the improvements and the special and peculiar benefits to the land within Assessment Area One, the District can assign or allocate a portion of the District's debt through the imposition of non-ad valorem assessments, to the land receiving such special and peculiar benefits. Even though these special and peculiar benefits are real and ascertainable, the precise amount of the benefit cannot yet be calculated with mathematical certainty. However, such benefit is more valuable than the cost of, or the actual non-ad valorem assessment amount levied for, the improvement or debt allocated to that parcel.

In following the methodology developed in the Master Report, this Preliminary First Supplemental Report proposes to allocate the benefit associated with Assessment Area One to the different product types proposed to be developed within Assessment Area One in proportion to their density of development and intensity of use of infrastructure as measured by a standard unit called an Equivalent Residential Unit ("ERU"). Table 4 in the *Appendix* illustrates the ERU weights that are proposed to be assigned to the product types contemplated to be developed within Assessment Area One based on the densities of development and the intensities of use of infrastructure, total ERU counts for each product type, and the share of the benefit received by each product type.

The rationale behind the different ERU weights is supported by the fact that generally and on average products with smaller lot sizes will use and benefit from the improvements which are part of the Assessment Area One Project less than products with larger lot sizes. For instance, generally and on average products with smaller lot sizes will produce less storm water runoff, may produce fewer vehicular trips, and may need less water/sewer capacity than products with larger lot sizes. As the exact amount of the benefit and appreciation is not possible to be calculated at this time, the use of ERU measures serves as a reasonable approximation of the relative amount of benefit received from the District's public infrastructure improvements that are part of the Assessment Area One Project.

Based on the ERU benefit allocation illustrated in Table 4, Table 5 in the *Appendix* presents the allocation of the amount of the Assessment Area One Project costs to the various product types proposed to be developed within Assessment Area One based on the ERU benefit allocation factors present in Table 4. Further, Table 5 illustrates the approximate costs that are projected to be financed with the Series 2025 Bonds, and the approximate costs of the portion of the Assessment Area One Project to be contributed by the Developer, as the case may be. With the Series 2025 Bonds funding approximately \$4,820,938.75\* in costs of the Assessment Area One Project, the Developer is anticipated to fund improvements valued at an estimated cost of \$16,210,365.25\* which will not be funded with proceeds of the Series 2025 Bonds.

Finally, Table 7 in the *Appendix* presents the apportionment of the bond assessments securing the Series 2025 Bonds (the "Series 2025 Bond Assessments") and also presents the projected annual debt service assessments per unit.

**Amenities** - No Series 2025 Bond Assessments are allocated herein to any private amenities or other common areas planned for the development. If owned by a homeowner's association, the amenities and common areas would be considered a common element for the exclusive benefit of property owners. Accordingly, any benefit to the amenities and common areas would directly benefit all platted lots in the District. If the amenities are owned by the District, then they would be governmental property not subject to the Series 2025 Bond Assessments and would be open to the general public, subject to District rules and policies.

**Governmental Property** - If at any time, any portion of the property

---

\* Preliminary, subject to change

contained in the District is sold or otherwise transferred to a unit of local, state, or federal government, or similarly exempt entity (without consent of such governmental unit to the imposition of Series 2025 Bond Assessments thereon), all future unpaid Series 2025 Bond Assessments for such tax parcel shall become due and payable immediately prior to such transfer.

**Contributions** - The Developer has opted to “buy down” the Series 2025 Bond Assessments on particular product types and/or lands using a contribution of cash, infrastructure or other consideration, and in order for Series 2025 Bond Assessments to reach certain target levels. The amount of such “buy down” for the Series 2025 Bond Assessments is identified in Table 6. Note that any “true-up,” as described herein, may require a monetary payment to satisfy “true-up” obligations as well as additional contributions (which may be in the form of additional public infrastructure) to maintain such target assessment levels. Any amounts contributed by the Developer to pay down the Series 2025 Bond Assessments will not be eligible for “deferred costs” or any other form of repayment.

### **5.3 Assigning Debt**

The land in Assessment Area One is only partially platted for its intended final use. Out of the projected 261 single family units, the 109 single family units that comprise Phase 1 have already been platted. In addition, the 152 single family units that comprise Phase 1b and Phase 2 remain unplatted.

The Series 2025 Bond Assessments will be allocated to each platted parcel on a first platted-first assigned basis based on the planned use for that platted parcel as reflected in Table 7 in the Appendix. Consequently, the 109 single family units of Phase 1 which have been platted will cumulatively be allocated a sum of \$2,209,762.70\* in Series 2025 Bond Assessments. For the remaining 152 single family units of Phase 1b and Phase 2 that remain unplatted, the precise location of the various product types by lot or parcel is unknown and consequently the Series 2025 Bond Assessments will initially be levied on the remaining developable and unplatted land and platted land which has not yet been assigned individual parcel numbers by the Polk County Property Appraiser’s Office on an equal pro-rata gross acre basis and thus the total bonded debt in the amount of \$3,180,237.30\* (\$5,390,000\* minus the \$2,209,762.70\* allocated to the platted lots) will be preliminarily levied on approximately 83.16 +/- gross acres (remaining unplatted parcel as

---

\* Preliminary, subject to change

described in Exhibit “B” attached hereto) at an approximate rate of \$38,242.39\* per acre.

When the balance of the land is platted and assigned individual parcel numbers by the Polk County Property Appraiser’s Office, the Series 2025 Bond Assessments will be allocated to each platted parcel on a first platted-first assigned basis based on the planned use for that platted parcel as reflected in Table 7 in the Appendix. Such allocation of Bond Assessment from unplatted gross acres to platted parcels will reduce the amount of the Series 2025 Bond Assessments levied on unplatted gross acres within the District.

In the event unplatted land is sold to a third party (the “Transferred Property”), the Series 2025 Bond Assessments will be assigned to such Transferred Property at the time of the sale based on the maximum total number of ERUs assigned by the Developer to that Transferred Property, subject to review by the District’s Assessment Consultant, to ensure that any such assignment is reasonable, supported by current development rights and plans, and otherwise consistent with this Preliminary First Supplemental Report. The owner of the Transferred Property will be responsible for the total Series 2025 Bond Assessments applicable to the Transferred Property, regardless of the total number of ERUs ultimately actually platted. This total Series 2025 Bond Assessment is allocated to the Transferred Property at the time of the sale.

#### **5.4 Lienability Test: Special and Peculiar Benefit to the Property**

As first discussed in *Section 1.3*, Special Benefits and General Benefits, public infrastructure improvements undertaken by the District create special and peculiar benefits to the assessable properties within the District. The District’s improvements benefit assessable properties within the District and accrue to all such assessable properties on an ERU basis.

Public infrastructure improvements undertaken by the District can be shown to be creating special and peculiar benefits to the property within the District. The special and peculiar benefits resulting from each improvement include, but are not limited to:

- a. added use of the property;
- b. added enjoyment of the property;
- c. decreased insurance premiums; and
- d. increased marketability and value of the property.

The public infrastructure improvements which are part of the Capital Improvement Program make the land in the District developable and saleable and when implemented jointly as parts of the Capital Improvement Program, provide special and peculiar benefits which are greater than the benefits of any single category of improvements. These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value; however, such benefits are more valuable than either the cost of, or the actual assessment levied for, the improvement or debt allocated to the parcel of land.

### **5.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay**

A reasonable estimate of the proportion of special and peculiar benefits received from the public infrastructure improvements is delineated in Table 4 (expressed as ERU factors) in the *Appendix*.

The apportionment of the Series 2025 Bond Assessments is fair and reasonable because it was conducted on the basis of consistent application of the methodology described in *Section 5.2* across all assessable property within the District according to reasonable estimates of the special and peculiar benefits derived from the Capital Improvement Program by different unit types.

Accordingly, no acre or parcel of property within Assessment Area One will be liened for the payment of Series 2025 Bond Assessments more than the determined special benefit peculiar to that property.

### **5.6 True-Up Mechanism**

The District's assessment program is predicated on the development of lots in a manner sufficient to include all of the planned ERUs as set forth in Table 4 in the *Appendix*. At such time as lands are to be platted (or re-platted) or site plans are to be approved (or re-approved), the plat or site plan (either, herein, "Proposed Plat") shall be presented to the District for a "true-up" review as follows:

- a. If a Proposed Plat within Assessment Area One results in the same amount of ERUs (and thus Series 2025 Bond Assessments) able to be imposed on the "Remaining Unplatted Developable Lands" (i.e., those remaining unplatted developable lands within Assessment Area One after the Proposed Plat is recorded) as compared to what was originally contemplated under the Development Plan, then the District shall allocate the Series 2025 Bond Assessments to the product types being platted and the

remaining property in accordance with this Preliminary First Supplemental Report, and cause the Series 2025 Bond Assessments to be recorded in the District's improvement lien book.

b. If a Proposed Plat within Assessment Area One has more than the anticipated ERUs (and Series 2025 Bond Assessments) such that the Remaining Unplatted Developable Lands would be assigned fewer ERUs (and Series 2025 Bond Assessments) than originally contemplated in the Development Plan, then the District may undertake a pro rata reduction of Series 2025 Bond Assessments for all unplatted assessed properties within Assessment Area One, or may otherwise address such net decrease as permitted by law.

c. If a Proposed Plat within Assessment Area One has fewer than the anticipated ERUs (and Series 2025 Bond Assessments) such that the Remaining Unplatted Developable Lands would have to be assigned more ERUs (and Series 2025 Bond Assessments) in order to fully assign all of the ERUs originally contemplated in the Development Plan, then the District shall require the landowner(s) of the lands encompassed by the Proposed Plat to pay a "True-Up Payment" equal to the difference between: (i) the Series 2025 Bond Assessments originally contemplated to be imposed on the lands subject to the Proposed Plat, and (ii) the Series 2025 Bond Assessments able to be imposed on the lands subject to the Proposed Plat, after the Proposed Plat (plus applicable interest, collection costs, penalties, etc.).

With respect to the foregoing true-up analysis, the District's Assessment Consultant, in consultation with the District Engineer and District Counsel, shall determine in their sole discretion what amount of ERUs (and thus Series 2025 Bond Assessments) are able to be imposed on the Remaining Unplatted Developable Lands within Assessment Area One, taking into account the Proposed Plat, by reviewing: a) the original, overall Development Plan showing the number and type of units reasonably planned within Assessment Area One, b) the revised, overall Development Plan showing the number and type of units reasonably planned within Assessment Area One, c) proof of the amount of entitlements for the Remaining Unplatted Developable Lands within Assessment Area One, d) evidence of allowable zoning conditions that would enable those entitlements to be placed in accordance with the revised Development Plan, and e) documentation that shows the feasibility of implementing the proposed Development Plan. Prior to any decision by the District not to impose a True-Up Payment, a supplemental methodology shall be produced demonstrating that

there will be sufficient Series 2025 Bond Assessments to pay debt service on the Series 2025 Bonds and the District will conduct new proceedings under Chapters 170, 190 and 197, Florida Statutes upon the advice of District Counsel.

Any True-Up Payment shall become due and payable by the landowner of the lands subject to the Proposed Plat within Assessment Area One prior to platting, shall be in addition to the regular assessment installment payable for such lands, and shall constitute part of the debt assessment liens imposed against the Proposed Plat property until paid. A True-Up Payment shall include accrued interest on the Series 2025 Bonds to the interest payment date that occurs at least 45 days after the True-Up Payment (or the second succeeding interest payment date if such True-Up Payment is made within forty-five (45) calendar days before an interest payment date (or such other time as set forth in the supplemental indenture for the Series 2025 Bonds)).

All Series 2025 Bond Assessments levied run with the land, and such assessment liens include any True-Up Payments. The District will not release any liens on property for which True-Up Payments are due, until provision for such payment has been satisfactorily made. Further, upon the District's review of the final plat for the developable acres, any unallocated Series 2025 Bond Assessments shall become due and payable and must be paid prior to the District's approval of that plat. This true-up process applies for both plats and/or re-plats.

Such review shall be limited solely to the function and the enforcement of the District's assessment liens and/or the need for any True-Up Payments. Nothing herein shall in any way operate to or be construed as providing any other plat approval or disapproval powers to the District. For further detail on the true-up process, please refer to the True-Up Agreement to be entered into by and between the District and the Developer and applicable assessment resolution(s).

## **5.7 Assessment Roll**

The Series 2025 Bond Assessments in the amount of \$5,390,000\*, plus interest and collection costs, are proposed to be levied over the area described in Exhibit "A" and Exhibit "B". Excluding any capitalized interest period, Series 2025 Bond Assessments shall be paid in no more than thirty (30) annual principal installments.
