

In the opinion of Nabors, Giblin & Nickerson, P.A., Tampa, Florida, Bond Counsel, under existing statutes, regulations, rulings and court decisions and subject to the conditions described herein under "TAX MATTERS," interest on the Series 2025 Bonds is (a) excludable from gross income of the owners thereof for federal income tax purposes, except as otherwise described herein under the caption "TAX MATTERS" and (b) not an item of tax preference for purposes of the federal alternative minimum tax; provided, however, with respect to certain corporations, interest on the Series 2025 Bonds is taken into account in determining the annual adjusted financial statement income for the purpose of computing the alternative minimum tax imposed on such corporations. See "TAX MATTERS" herein for a general discussion of Bond Counsel's opinion and other tax considerations.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes (the "Act"), the Florida Constitution, and other applicable provisions of law, and established by Ordinance No. 00-19, enacted by the Board of County Commissioners of Bay County, Florida (the "County") on July 25, 2000 (the "Ordinance").

The Series 2025 Bonds are payable from and secured by the Series 2025 Trust Estate, which includes the Series 2025 Pledged Revenues and the Series 2025 Pledged Funds. The Series 2025 Pledged Revenues consist of the revenues derived by the District from the Series 2025 Assessments (as further described herein). The Series 2025 Pledged Funds include all of the Funds and Accounts (except for the Series 2025 Rebate Account) established by the Indenture. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS" herein.

The Series 2025 Bonds, when issued, will be registered in the name of Cede & Co., as the Owner and Nominee for The Depository Trust Company ("DTC"), New York, New York. See "DESCRIPTION OF THE SERIES 2025 BONDS – Book-Entry Only System" herein. The Series 2025 Bonds will bear interest at the fixed rates set forth herein, calculated on the basis of a 360-day year of twelve 30-day months. Interest on the Series 2025 Bonds is payable semi-annually on each May 1 and November 1, commencing November 1, 2025.

The Series 2025 Bonds are subject to extraordinary mandatory redemption at the times, in the amounts and at the redemption prices as more fully described herein. See "DESCRIPTION OF THE SERIES 2025 BONDS – Redemption Provisions" herein.

The Series 2025 Bonds are being issued, together with other funds of the District, to (a) currently refund and redeem all of the District's Outstanding Special Assessment Revenue Refunding Bonds, Series 2012 (the "Refunded Bonds"), (b) pay certain costs associated with the issuance of the Series 2025 Bonds, (c) make a deposit into the Series 2025 Reserve Account to be held for the benefit of all of the Series 2025 Bonds, and (d) pay a portion of the interest to become due on the Series 2025 Bonds.

NEITHER THE SERIES 2025 BONDS NOR THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON SHALL CONSTITUTE A GENERAL OBLIGATION OR GENERAL INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF THE CONSTITUTION AND LAWS OF FLORIDA. THE SERIES 2025 BONDS AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE INDENTURE. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2025 BONDS. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2025 BONDS SHALL BE PAYABLE SOLELY FROM, AND SHALL BE SECURED SOLELY BY, THE SERIES 2025 PLEDGED REVENUES AND THE SERIES 2025 PLEDGED FUNDS PLEDGED TO THE SERIES 2025 BONDS, ALL AS PROVIDED IN THE SERIES 2025 BONDS AND IN THE INDENTURE.

THE SERIES 2025 BONDS INVOLVE A DEGREE OF RISK (SEE "BONDOWNERS' RISKS" HEREIN) AND ARE NOT SUITABLE FOR ALL INVESTORS (SEE "SUITABILITY FOR INVESTMENT" HEREIN). THE UNDERWRITER IS LIMITING THE OFFERING OF THE SERIES 2025 BONDS TO ACCREDITED INVESTORS WITHIN THE MEANING OF THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. HOWEVER, THE LIMITATION OF THE INITIAL OFFERING OF THE SERIES 2025 BONDS TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2025 BONDS. THE SERIES 2025 BONDS ARE NOT CREDIT ENHANCED AND ARE NOT RATED AND NO APPLICATION HAS BEEN MADE FOR CREDIT ENHANCEMENT OR A RATING WITH RESPECT TO THE SERIES 2025 BONDS, NOR IS THERE ANY REASON TO BELIEVE THAT THE DISTRICT WOULD HAVE BEEN SUCCESSFUL IN OBTAINING EITHER CREDIT ENHANCEMENT OR A RATING FOR THE SERIES 2025 BONDS HAD APPLICATION BEEN MADE.

This cover page contains information for quick reference only. It is not, and is not intended to be, a summary of the Series 2025 Bonds. Investors must read this entire Limited Offering Memorandum, including the appendices attached hereto, to obtain information essential to the making of an informed investment decision.

The Series 2025 Bonds are offered for delivery when, as and if issued by the District and accepted by the Underwriter, subject to the receipt of the opinion of Nabors, Giblin & Nickerson, P.A., Tampa, Florida, Bond Counsel, as to the validity of the Series 2025 Bonds and the excludability of interest thereon from gross income for federal income tax purposes. LIMITED OFFERING MEMORANDUM

relating to

LAKE POWELL RESIDENTIAL GOLF COMMUNITY DEVELOPMENT DISTRICT (Bay County, Florida)

\$1,761,000 Special Assessment Revenue Refunding Bonds, Series 2025

INTRODUCTION

The purpose of this Limited Offering Memorandum, including the cover page and appendices hereto, is to set forth certain information concerning the Lake Powell Residential Golf Community Development District (the "District") in connection with the offering and issuance by the District of its \$1,761,000 Special Assessment Revenue Refunding Bonds, Series 2025 (the "Series 2025 Bonds").

The Series 2025 Bonds are being issued pursuant to the Act (hereinafter defined) and a Master Trust Indenture dated as of June 1, 2025 (the "Master Indenture"), between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), as supplemented by a First Supplemental Trust Indenture dated as of June 1, 2025, between the District and the Trustee (the "Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), and resolutions adopted by the Board of Supervisors of the District (the "Board") on August 30, 2000 and April 2, 2025, authorizing the issuance of the Series 2025 Bonds. All capitalized terms used in this Limited Offering Memorandum that are defined in the Indenture and not defined herein shall have the respective meanings set forth in the Indenture, which appears in composite APPENDIX B attached hereto.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes (the "Act"), the Florida Constitution, and other applicable provisions of law, and established by Ordinance No. 00-19, enacted by the Board of County Commissioners of Bay County, Florida (the "County") on July 25, 2000 (the "Ordinance"). The District was established for the purpose, among other things, of financing and managing the acquisition, construction, installation, maintenance, and operation of the major infrastructure within and without the boundaries of the District. The boundaries of the District include approximately 724 acres of land located entirely within an unincorporated area of the County (the "District Lands"). For more complete information about the District, the Board and the District Manager (hereinafter defined), see "THE DISTRICT" herein.

The Act authorizes the District to issue bonds for the purposes, among others, of financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping, operating and maintaining water management, water supply, sewer and wastewater management, bridges or culverts, district roads, recreational facilities and other basic infrastructure projects within or without the boundaries of the District, all as provided in the Act.

Under the Constitution and laws of the State of Florida (the "State"), including the Act, the District has the power and authority to levy non-ad valorem assessments upon the

District Lands and to issue bonds for the purposes of providing community development services and facilities, including those refinanced with the net proceeds of the Series 2025 Bonds as described herein.

Consistent with the requirements of the Indenture and the Ordinance, the Series 2025 Bonds are being issued, together with other funds of the District, to (a) currently refund and redeem all of the District's Outstanding Special Assessment Revenue Refunding Bonds, Series 2012 (the "Refunded Bonds"), (b) pay certain costs associated with the issuance of the Series 2025 Bonds, (c) make a deposit into the Series 2025 Reserve Account to be held for the benefit of all of the Series 2025 Bonds, and (d) pay a portion of the interest to become due on the Series 2025 Bonds.

The Refunded Bonds were issued pursuant to a Master Trust Indenture, dated as of December 1, 2000 (the "Prior Master Indenture"), as supplemented by a Second Supplemental Trust Indenture dated as of March 1, 2012 (the "Second Supplemental Indenture" and, together with the Prior Master Indenture, the "2012 Indenture"). Net proceeds of the Refunded Bonds were used to refinance the costs of the acquisition and construction of certain infrastructure improvements benefiting the District, including roadways, off-site improvements, bridges, storm water management, utilities, wetland mitigation and conservation, landscaping and irrigation, roadway lighting, recreation and parks and acquisition of jurisdictional wetlands and preserved uplands (collectively, the "CIP"). The portion of the CIP refinanced with net proceeds of the Refunded Bonds is hereinafter referred to as the "Project."

The Refunded Bonds are currently secured by non-ad valorem special assessments imposed, levied and collected by the District on certain lands within the District benefited by the Project (the "Series 2012 Assessments"). Upon issuance of the Series 2025 Bonds, the Series 2012 Assessments will be recast as the "Series 2025 Assessments" and secure the Series 2025 Bonds.

The Series 2025 Bonds are payable from and secured by the revenues derived by the District from the Series 2025 Assessments and amounts in the Funds and Accounts (except for the Series 2025 Rebate Account) established by the Indenture (collectively, the "Series 2025 Trust Estate"). The Series 2025 Assessments will be imposed, levied and collected by the District with respect to property within the District specially benefited by the Project. The Series 2025 Assessments represent an allocation of the Costs of the Project, including bond financing costs, to certain lands within the District in accordance with the Assessment Report (hereinafter defined). The Assessment Report and assessment resolutions with respect to the Series 2025 Assessments (collectively, the "Assessment Proceedings") permit the prepayment in part or in full of the Series 2025 Assessments at any time without penalty, together with interest at the rate on the Series 2025 Bonds to the Interest Payment Date that is more than forty-five (45) days next succeeding the date of prepayment. See "ASSESSMENT METHODOLOGY" herein and "APPENDIX A – ASSESSMENT REPORT" attached hereto.

Subsequent to the issuance of the Series 2025 Bonds, the District may cause one or more Series of Bonds to be issued pursuant to the Master Indenture, subject to the terms and conditions thereof. Bonds may be issued for the purpose of paying all or part of the Cost of a Series Project or refunding an Outstanding Series of Bonds or any portion thereof. The

Supplemental Indenture provides that, other than Refunding Bonds issued to refund the then Outstanding Series 2025 Bonds, the issuance of which results in net present value Debt Service savings, the District shall not, while any Series 2025 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the Series 2025 Trust Estate. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Additional Obligations" herein.

There follows in this Limited Offering Memorandum a brief description of the District and the Development (hereinafter defined), together with summaries of the terms of the Series 2025 Bonds, the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and statutes and all references to the Series 2025 Bonds are qualified by reference to the definitive form thereof and the information with respect thereto contained in the Indenture, which appears as composite APPENDIX B attached hereto.

SUITABILITY FOR INVESTMENT

Investment in the Series 2025 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or FMSbonds, Inc. (the "Underwriter") to give any information or make any representations, other than those contained in this Limited Offering Memorandum. The Series 2025 Bonds are not subject to registration under the Securities Act of 1933, as amended (the "Securities Act"), and, as required by Chapter 189, Florida Statutes, the Underwriter will offer the Series 2025 Bonds only to "accredited investors," as such term is utilized in Chapter 517, Florida Statutes, and the rules promulgated thereunder. However, the limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2025 Bonds. Prospective investors in the Series 2025 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2025 Bonds and should have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment.

PLAN OF REFUNDING

The Refunded Bonds are currently outstanding in the aggregate principal amount of \$2,260,000. Concurrently with the delivery of the Series 2025 Bonds, a portion of the net proceeds of the Series 2025 Bonds, and other available moneys held by the Trustee pursuant to the 2012 Indenture, will be applied to the refunding of the Refunded Bonds. See "VERIFICATION" and "ESTIMATED SOURCES AND USES OF BOND PROCEEDS" herein.

The Refunded Bonds will be redeemed on or about June 4, 2025 (the "Redemption Date") at a Redemption Price equal to the principal amount plus prepayment premium, if any, and accrued interest to the date of redemption. The portion of the net proceeds of the Series 2025 Bonds used to refund the Refunded Bonds will be irrevocably placed in the Optional Redemption Subaccount of the Series 2012 Redemption Account established pursuant to the 2012 Indenture and held uninvested in cash in an amount, together with other legally available funds of the District, sufficient to pay the principal of, prepayment price and accrued interest on the Refunded Bonds on the Redemption Date.

Upon the deposit of such cash, the Refunded Bonds shall no longer be deemed Outstanding for purposes of the 2012 Indenture, and all liability of the District with respect thereto shall cease, terminate and become discharged and satisfied, and the holders thereof shall be entitled to payment solely out of the moneys and securities on deposit pursuant to the 2012 Indenture.

VERIFICATION

As of the delivery date of the Series 2025 Bonds, Terminus Analytics (the "Verification Agent") will verify, from information provided to them, the mathematical accuracy of the computations contained in schedules provided by the Underwriter, to determine that the cash deposit to be held in the Optional Redemption Subaccount of the Series 2012 Redemption Account will be sufficient to pay, when due, the principal of and interest on the Refunded Bonds as the same become due or are called for redemption.

DESCRIPTION OF THE SERIES 2025 BONDS

General

The Series 2025 Bonds are issuable as fully registered bonds, without coupons, in denominations of \$1,000 and any integral multiple thereof; provided, however, if any initial Beneficial Owner does not purchase at least \$100,000 of the Series 2025 Bonds at the time of initial delivery of the Series 2025 Bonds, such Beneficial Owner must either execute and deliver to the District and the Underwriter on the date of delivery of the Series 2025 Bonds an investor letter substantially in the form attached to the Supplemental Indenture or otherwise establish to the satisfaction of the Underwriter that such Beneficial Owner is an "accredited investor," as described in Rule 501(a) under Regulation D of the Securities Act. The Series 2025 Bonds will initially be sold only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, as amended, and the rules promulgated thereunder by the Florida Department of Financial Services. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2025 Bonds.

The Series 2025 Bonds will be dated their date of issuance and delivery to the initial purchasers thereof and will bear interest payable on each May 1 and November 1, commencing November 1, 2025 (each, an "Interest Payment Date") and shall be computed on the basis of a 360-day year of twelve 30-day months. The Series 2025 Bonds will mature on May 1 of such years, in such amounts and at such rates as set forth on the inside cover page of this Limited Offering Memorandum.

Interest on the Series 2025 Bonds shall be payable on each Interest Payment Date to maturity or prior redemption. Each Series 2025 Bond shall bear interest from the Interest Payment Date to which interest has been paid next preceding the date of its authentication, unless the date of its authentication (a) is an Interest Payment Date to which interest on such Series 2025 Bond has been paid, in which event such Series 2025 Bond shall bear interest from its date of authentication, or (b) is prior to the first Interest Payment Date for the Series 2025 Bonds, in which event such Series 2025 Bond shall bear interest from its date.

Debt Service on the Series 2025 Bonds will be payable in any coin or currency of the United States of America which, at the date of payment thereof, is legal tender for the payment of public and private debts. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in the Indenture, be paid to the registered Owner at the close of business on the regular Record Date for such interest, which shall be the fifteenth (15th) day of the calendar month preceding such Interest Payment Date or, if such day is not a Business Day, on the Business Day immediately preceding such day; provided, however, that on or after the occurrence and continuance of an Event of Default under clause (a) of Section 902 of the Master Indenture, the payment of interest and principal or Redemption Price or Amortization Installments shall be made by the Paying Agent (hereinafter defined) to such person who, on a special record date which is fixed by the Trustee, which shall be not more than fifteen (15) and not less than ten (10) days prior to the date of such proposed payment, appears on the registration books of the Bond Registrar as the registered Owner of a Series 2025 Bond. Any payment of principal, Amortization Installment or Redemption Price shall be made only upon presentation thereof at the designated corporate trust office of U.S. Bank Trust Company, National Association, located in Fort Lauderdale, Florida, or any alternate or successor paying agent (collectively, the "Paying Agent"), unless the Series 2025 Bonds are held in the book-entry system in which case presentation shall not be required. Payment of interest shall be made by check or draft (or by wire transfer to the registered Owner if such Owner requests such method of payment in writing on or prior to the regular Record Date for the respective interest payment to such account as shall be specified in such request, but only if the registered Owner owns not less than \$1,000,000 in aggregate principal amount of the Series 2025 Bonds).

The Series 2025 Bonds will initially be registered in the name of Cede & Co. as Nominee for The Depository Trust Company ("DTC"), which will act initially as securities depository for the Series 2025 Bonds and, so long as the Series 2025 Bonds are held in book-entry only form, Cede & Co. will be considered the registered Owner for all purposes hereof. See "- Book-Entry Only System" below for more information about DTC and its book-entry system.

Redemption Provisions

Optional Redemption. The Series 2025 Bonds are not subject to redemption prior to maturity at the option of the District.

Mandatory Sinking Fund Redemption. The Series 2025 Bond maturing May 1, 2032, is subject to mandatory redemption in part by the District by lot prior to its scheduled maturity from moneys in the Series 2025 Sinking Fund Account established under the Supplemental Indenture in satisfaction of applicable Amortization Installments at the Redemption Price of the principal amount thereof, without premium, together with accrued interest to the date of redemption on May 1 of the years and in the principal amounts set forth below:

[Remainder of Page Intentionally Left Blank]

<u>May 1 of the Year</u>	<u>Amortization Installment</u>	<u>May 1 of the Year</u>	<u>Amortization Installment</u>
2029	\$250,000	2031	\$277,000
2030	263,000	2032*	291,000

* Final maturity

As more particularly set forth in the Indenture, any Series 2025 Bonds that are purchased by the District with amounts held to pay an Amortization Installment will be cancelled and the principal amount so purchased will be applied as a credit against the applicable Amortization Installment of Series 2025 Bonds. Amortization Installments are also subject to recalculation, as provided in the Supplemental Indenture, as the result of the redemption of Series 2025 Bonds other than from scheduled Amortization Installments so as to reamortize the remaining Outstanding principal balance of the Series 2025 Bonds as set forth in the Supplemental Indenture.

Extraordinary Mandatory Redemption. The Series 2025 Bonds are subject to extraordinary mandatory redemption prior to maturity in whole or in part on any Redemption Date at the Redemption Price of 100% of the principal amount thereof, without premium, together with accrued interest to the Redemption Date, if and to the extent that any one or more of the following shall have occurred:

(a) from amounts, including Series 2025 Prepayments, required by the Indenture to be deposited into the Series 2025 Prepayment Subaccount; or

(b) on the date on which the amount on deposit in the Series 2025 Reserve Account, together with other moneys available therefor, are sufficient to pay and redeem all of the Series 2025 Bonds then Outstanding, including accrued interest thereon.

If less than all of the Series 2025 Bonds shall be called for redemption, the particular Series 2025 Bonds or portions of Series 2025 Bonds to be redeemed shall be selected by lot by the Bond Registrar as provided in the Indenture, or as provided or directed by DTC.

Notice of Redemption

Notice of each redemption of Series 2025 Bonds is required to be mailed by the Bond Registrar, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the date of redemption to each registered Owner of Series 2025 Bonds to be redeemed at the address of such registered Owner recorded on the bond register maintained by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2025 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2025 Bonds or such portions thereof on such date, interest on such Series 2025 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2025 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Series 2025 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of

redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Book-Entry Only System

THE INFORMATION IN THIS CAPTION CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM DTC AND NEITHER THE DISTRICT NOR THE UNDERWRITER MAKES ANY REPRESENTATION OR WARRANTY OR TAKES ANY RESPONSIBILITY FOR THE ACCURACY OR COMPLETENESS OF SUCH INFORMATION.

DTC will act as securities depository for the Series 2025 Bonds. The Series 2025 Bonds will be issued as fully-registered bonds registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered bond certificate will be issued for each maturity of the Series 2025 Bonds and will be deposited with DTC. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants (the "Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (the "Indirect Participants"). DTC has a Standard and Poor's rating of AA+. The DTC rules applicable to its Participants are on file with the Securities and Exchange Commission (the "SEC"). More information about DTC can be found at www.dtcc.com.

Purchases of the Series 2025 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for such Series 2025 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2025 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect

Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2025 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of the Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2025 Bonds, except in the event that use of the book-entry system for the Series 2025 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2025 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2025 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2025 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2025 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping an account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements made among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Series 2025 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2025 Bonds, as the case may be, to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2025 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2025 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Series 2025 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the District or the Bond Registrar on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Bond Registrar or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent for the Series 2025 Bonds. Disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of the Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2025 Bonds at any time by giving reasonable notice to the District. Under such circumstances, in the event that a successor securities depository is not obtained, Series 2025 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2025 Bond certificates will be printed and delivered to DTC.

NEITHER THE DISTRICT NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO THE DIRECT PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEE WITH RESPECT TO THE PAYMENTS TO OR THE PROVIDING OF NOTICE FOR THE DIRECT PARTICIPANTS, THE INDIRECT PARTICIPANTS OR THE BENEFICIAL OWNERS OF THE SERIES 2025 BONDS. THE DISTRICT CANNOT AND DOES NOT GIVE ANY ASSURANCES THAT DTC, THE DIRECT PARTICIPANTS OR OTHERS WILL DISTRIBUTE PAYMENTS OF PRINCIPAL OF OR INTEREST ON THE SERIES 2025 BONDS PAID TO DTC OR ITS NOMINEE, AS THE REGISTERED OWNER, OR PROVIDE ANY NOTICES TO THE BENEFICIAL OWNERS OR THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC WILL ACT IN THE MANNER DESCRIBED IN THIS LIMITED OFFERING MEMORANDUM.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS

General

The Series 2025 Bonds are payable from and secured by the revenues derived by the District from the Series 2025 Assessments and amounts in the Funds and Accounts (except for the Series 2025 Rebate Account) established by the Indenture. Series 2025 Assessments will be levied and collected on the lands within the District that receive a special benefit from the Project, and shall not include Assessments imposed, levied and collected by the District with respect to property within the District not so specially benefited. The Series 2025 Assessments represent an allocation of the costs of the Project, including bond financing costs, to such benefited land within the District in accordance with the Assessment Report, attached hereto as APPENDIX A.

NEITHER THE SERIES 2025 BONDS NOR THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON SHALL CONSTITUTE A GENERAL OBLIGATION OR GENERAL INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF THE CONSTITUTION AND LAWS OF THE STATE. THE SERIES 2025 BONDS AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE INDENTURE. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2025 BONDS. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE

INDENTURE OR THE SERIES 2025 BONDS SHALL BE PAYABLE SOLELY FROM, AND SHALL BE SECURED SOLELY BY, THE SERIES 2025 PLEDGED REVENUES AND THE SERIES 2025 PLEDGED FUNDS PLEDGED TO THE SERIES 2025 BONDS, ALL AS PROVIDED IN THE SERIES 2025 BONDS AND IN THE INDENTURE.

Additional Obligations

The Supplemental Indenture provides that, other than Refunding Bonds issued to refund the then Outstanding Series 2025 Bonds, the issuance of which results in net present value Debt Service savings, the District shall not, while any Series 2025 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the Series 2025 Trust Estate.

WHILE NO FUTURE ADDITIONAL BONDS WILL BE PAYABLE FROM OR SECURED BY THE SERIES 2025 ASSESSMENTS PLEDGED AS SECURITY FOR THE SERIES 2025 BONDS, THE DISTRICT, THE COUNTY, THE SCHOOL BOARD OF BAY COUNTY, FLORIDA, THE STATE OR ANY POLITICAL SUBDIVISION THEREOF MAY IN THE FUTURE IMPOSE, LEVY AND COLLECT ASSESSMENTS AND TAXES THE LIENS OF WHICH WILL BE CO-EQUAL WITH THE LIEN OF ASSESSMENTS, INCLUDING THE SERIES 2025 ASSESSMENTS SECURING THE SERIES 2025 BONDS. See "– Enforcement and Collection of Series 2025 Assessments" below.

Funds and Accounts

The Supplemental Indenture requires that the Trustee establish the following Accounts: (a) within the Acquisition and Construction Fund, a Series 2025 Costs of Issuance Account; (b) within the Debt Service Fund, (i) a Series 2025 Debt Service Account and therein a Series 2025 Sinking Fund Account, a Series 2025 Principal Account and a Series 2025 Interest Account, and (ii) a Series 2025 Redemption Account and therein a Series 2025 Prepayment Subaccount; (c) within the Reserve Fund, a Series 2025 Reserve Account, which shall be held for the benefit of all of the Series 2025 Bonds, without distinction as to Series 2025 Bonds and without privilege or priority of one Series 2025 Bond over another; (d) within the Revenue Fund, a Series 2025 Revenue Account; and (e) within the Rebate Fund, a Series 2025 Rebate Account.

Series 2025 Reserve Account

The Series 2025 Reserve Account shall be funded and maintained at all times in an amount equal to the Series 2025 Reserve Account Requirement. "Series 2025 Reserve Account Requirement" is defined in the Supplemental Indenture to mean \$30,000.

Except as otherwise provided in the Indenture, amounts on deposit in the Series 2025 Reserve Account shall be used only for the purpose of making payments into the Series 2025 Interest Account, the Series 2025 Principal Account and the Series 2025 Sinking Fund Account to pay Debt Service on the Series 2025 Bonds, when due, without distinction as to Series 2025 Bonds and without privilege or priority of one Series 2025 Bond over another, to the extent the moneys on deposit in such Accounts available therefor are insufficient and for no other purpose. The Series 2025 Reserve Account shall consist only of cash and Series 2025 Investment Obligations.

On the earliest date on which there is on deposit in the Series 2025 Reserve Account sufficient moneys, after taking into account other moneys available therefor, to pay and redeem all of the Outstanding Series 2025 Bonds, together with accrued interest and redemption premium, if any, on such Series 2025 Bonds to the earliest Redemption Date permitted therein and in the Supplemental Indenture, then the Trustee shall transfer the amount on deposit in the Series 2025 Reserve Account into the Series 2025 Prepayment Subaccount to pay and redeem all of the Outstanding Series 2025 Bonds on the earliest Redemption Date permitted for redemption therein and in the Supplemental Indenture.

Anything in the Indenture to the contrary notwithstanding, amounts on deposit in the Series 2025 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

Series 2025 Revenue Account

(a) Pursuant to the Supplemental Indenture, the Trustee is authorized and directed to deposit any and all amounts required to be deposited in the Series 2025 Revenue Account by the Indenture, and any other amounts or payments specifically designated by the District pursuant to a written direction or by a Supplemental Indenture for said purpose. The Series 2025 Revenue Account shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee.

(b) The Trustee shall deposit into the Series 2025 Revenue Account (i) Series 2025 Assessment Revenues other than Series 2025 Prepayments (which Series 2025 Prepayments shall be identified by the District to the Trustee as such in writing upon deposit, upon which certification the Trustee may conclusively rely, and which shall be deposited into the Series 2025 Prepayment Subaccount), (ii) Series 2025 Prepayment Interest, and (iii) any other revenues required by other provisions of the Indenture to be deposited into the Series 2025 Revenue Account.

(c) On the forty-fifth (45th) day preceding each Interest Payment Date (or if such forty-fifth (45th) day is not a Business Day, on the Business Day preceding such forty-fifth (45th) day), the Trustee shall determine the amount on deposit in the Series 2025 Prepayment Subaccount and, if the balance therein is greater than zero, shall, upon written direction from the District, transfer from the Series 2025 Revenue Account for deposit into the Series 2025 Prepayment Subaccount an amount sufficient to increase the amount on deposit therein to the nearest integral multiple of \$1,000 (provided that there are sufficient funds remaining in the Series 2025 Revenue Account to pay Debt Service coming due on the Series 2025 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2025 Bonds on the next succeeding Redemption Date in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2025 Prepayment Subaccount in accordance with the provisions for extraordinary mandatory redemption of the Series 2025 Bonds set forth in the form of Series 2025 Bonds attached to the Supplemental Indenture, Section 301 of the Supplemental Indenture, and Article III of the Master Indenture.

(d) On May 1 and November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall transfer

amounts on deposit in the Series 2025 Revenue Account to the Accounts designated below in the following amounts and in the following order of priority:

FIRST, to the Series 2025 Interest Account, the amount, if any, equal to the difference between the amount of interest payable on all Series 2025 Bonds then Outstanding on such May 1 or November 1, and the amount already on deposit in the Series 2025 Interest Account not previously credited;

SECOND, on May 1, 2026, and on each May 1 thereafter, to the Series 2025 Principal Account, the amount, if any, equal to the difference between the principal of all Series 2025 Serial Bonds maturing on such May 1, and the amount already on deposit in the Series 2025 Principal Account not previously credited and on May 1, 2029, and on each May 1 thereafter, to the Series 2025 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series 2025 Term Bonds subject to mandatory sinking fund redemption on such May 1 and the amount already on deposit in the Series 2025 Sinking Fund Account not previously credited;

THIRD, to the Series 2025 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2025 Reserve Account Requirement with respect to the Series 2025 Bonds; and

FOURTH, the balance shall first be deposited into the Series 2025 Costs of Issuance Account to fund any deficiencies in the amount allocated to pay the costs of issuance relating to the Series 2025 Bonds, and then the balance shall be retained in the Series 2025 Revenue Account.

(e) On any date required by the Arbitrage Certificate, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the Series 2025 Revenue Account to the Series 2025 Rebate Account the amount due and owing to the United States, which amount shall be paid to the United States when due in accordance with such Arbitrage Certificate.

Investments

Anything in the Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security for the Series 2025 Bonds shall be invested only in Series 2025 Investment Obligations. Earnings on investments in the Series 2025 Interest Account shall be retained, as realized, in such Account and used for the purpose of such Account. Earnings on investments in the Funds and Accounts other than the Series 2025 Reserve Account, and other than as set forth above, shall be deposited, as realized, to the credit of the Series 2025 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2025 Reserve Account shall be disposed of as follows:

(a) if there was no deficiency (as defined in Section 509 of the Master Indenture) in the Series 2025 Reserve Account as of the most recent date on which amounts on deposit in the Series 2025 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2025 Reserve Account since such date which have created a

deficiency, then earnings on investments in the Series 2025 Reserve Account shall be deposited into the Series 2025 Revenue Account and used for the purpose of such Account; or

(b) if there was a deficiency (as defined in Section 509 of the Master Indenture) in the Series 2025 Reserve Account as of the most recent date on which amounts on deposit in the Series 2025 Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series 2025 Reserve Account and have created such a deficiency, then earnings on investments in the Series 2025 Reserve Account shall be retained in the Series 2025 Reserve Account until the amount on deposit therein is equal to the Series 2025 Reserve Account Requirement, and then earnings on investments in the Series 2025 Reserve Account shall be deposited into the Series 2025 Revenue Account and used for the purpose of such Account.

Events of Default and Remedies

The Indenture provides that each of the following shall be an "Event of Default" under the Indenture with respect to the Series 2025 Bonds:

- (a) any payment of Debt Service on the Series 2025 Bonds is not made when due;
- (b) the District shall for any reason be rendered incapable of fulfilling its obligations under the Indenture;
- (c) the District admits in writing its inability to pay its debts generally as they become due, or files a petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver or trustee for itself or for the whole or any part of the Project;
- (d) the District is adjudged insolvent by a court of competent jurisdiction, or is adjudged bankrupt on a petition in bankruptcy filed against the District, or an order, judgment or decree be entered by any court of competent jurisdiction appointing, without the consent of the District, a receiver or trustee of the District or of the whole or any part of its property and if the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within ninety (90) days from the date of entry thereof;
- (e) the District shall file a petition or answer seeking reorganization or any arrangement under the federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof;
- (f) under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the District's assets or any part thereof, and such custody or control shall not be terminated within ninety (90) days from the date of assumption of such custody or control;
- (g) any portion of the Series 2025 Assessments shall have become Delinquent Assessments and, as the result thereof, the Indenture provides for the Trustee to withdraw funds in an amount greater than twenty-five percent (25%) of the amount on deposit in the Series 2025 Reserve Account to pay Debt Service on the Series 2025 Bonds (regardless of whether the Trustee does or does not, per the direction of the Majority Owners, actually

withdraw such funds from the Series 2025 Reserve Account to pay Debt Service on the Series 2025 Bonds);

(h) the District shall default in the due and punctual performance of any of the material covenants, conditions, agreements and provisions contained in the Series 2025 Bonds or in the Indenture on the part of the District to be performed (other than a default in the payment of Debt Service on the Series 2025 Bonds when due, which is an Event of Default under subsection (a) above) and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the District by the Trustee or, if the Trustee is unwilling or unable to act, by Owners of not less than ten percent (10%) in aggregate principal amount of the Series 2025 Bonds then Outstanding and affected by such default; and

(i) more than twenty percent (20%) of the Operation and Maintenance Assessments levied by the District on tax parcels subject to Series 2025 Assessments are not paid by the date such are due and payable.

The District covenants and agrees that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, the provisions for the foreclosure of liens of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, and will take such other appropriate remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Owners, from time to time, of the Series 2025 Bonds. Notwithstanding anything to the contrary in the Indenture, and unless otherwise directed by the Majority Owners of the Series 2025 Bonds and allowed pursuant to federal or State law, the District acknowledges and agrees in the Indenture that (a) upon failure of any property owner to pay an installment of Series 2025 Assessments collected directly by the District when due, that the entire Series 2025 Assessment on the tax parcel as to which such Delinquent Assessment appertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the District shall promptly, but in any event within 120 days, cause to be brought the necessary legal proceedings for the foreclosure of liens of Delinquent Assessments, including interest and penalties with respect to such tax parcel and (b) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages.

Enforcement and Collection of Series 2025 Assessments

The primary source of payment for the Series 2025 Bonds is the Series 2025 Assessments imposed on lands within the District which are specially benefited by the Project. To the extent that landowners fail to pay such Series 2025 Assessments, delay payments, or are unable to pay such Series 2025 Assessments, the successful pursuit of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2025 Bonds. The Act provides for various methods of collection of delinquent special assessments by reference to other provisions of the Florida Statutes. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein for a summary of special assessment payment and collection procedures appearing in the Florida Statutes.

Pursuant to the Indenture, Series 2025 Assessments levied on platted lots and pledged to secure the Series 2025 Bonds shall be collected pursuant to the uniform method for the levy, collection and enforcement of Assessments afforded by Sections 197.3631, 197.3632 and 197.3635, Florida Statutes, as amended (the "Uniform Method"). To the extent the District is not able to collect such Series 2025 Assessments pursuant to the Uniform Method or to the extent the District determines that it is not in its best interest to use the Uniform Method, the District may elect to collect and enforce such Series 2025 Assessments pursuant to any then available and commercially reasonable method under the Act, Chapter 170, Florida Statutes, Chapter 197, Florida Statutes, or any successor statutes thereto. It should be noted that the Series 2012 Assessments have been, and the Series 2025 Assessments will continue to be, levied on platted lots and collected using the Uniform Method.

If the owner of any lot or parcel of land shall be delinquent in the payment of any Series 2025 Assessment, then such Series 2025 Assessment shall be enforced in accordance with the provisions of Chapters 170 and/or 197, Florida Statutes, including but not limited to the sale of tax certificates and tax deeds as regards such Delinquent Assessment. In the event the provisions of Chapter 197, Florida Statutes, are inapplicable or unavailable, or in the event that a Series 2025 Assessment was directly collected by the District, as permitted by a Supplemental Indenture, then upon the delinquency of any such Series 2025 Assessment, the District either on its own behalf, or through the actions of the Trustee may, and shall, if so directed in writing by the Majority Owners of the Series 2025 Bonds then Outstanding, declare the entire unpaid balance of such Series 2025 Assessment to be in default and, at its own expense, cause such delinquent property to be foreclosed in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate, or pursuant to the provisions of Chapters 170 and 173, and Section 190.026, Florida Statutes, or otherwise as provided by law. The District further covenants in the Indenture to furnish, at its expense, to any Owner of Series 2025 Bonds so requesting, sixty (60) days after the due date of each annual installment, a list of all Delinquent Assessments together with a copy of the District's annual audit (if available), and a list of foreclosure actions currently in progress and the current status of such Delinquent Assessments.

If any tax certificates relating to Delinquent Assessments which are pledged to the Series 2025 Bonds are sold by the Tax Collector (hereinafter defined) pursuant to the provisions of Section 197.432, Florida Statutes, or if any such tax certificates are not sold but are later redeemed, the proceeds of such sale or redemption (to the extent that such proceeds relate to the Series 2025 Assessments), less any commission or other charges retained by the Tax Collector, shall, if paid by the Tax Collector to the District, be paid by the District to the Trustee not later than five (5) Business Days following receipt of such proceeds by the District and shall be deposited by the Trustee to the credit of the Series 2025 Revenue Account.

If any property shall be offered for sale for the nonpayment of any Series 2025 Assessment and no person or persons shall purchase such property for an amount less than or equal to the full amount due on the Series 2025 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the District for an amount equal to the balance due on the Series 2025 Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive, in its corporate name or in the name of a special purpose entity, title to the property for the benefit of the Owners of the Series 2025 Bonds;

provided that the Trustee shall have the right, acting at the direction of the Majority Owners of the Series 2025 Bonds, but shall not be obligated, to direct the District with respect to any action taken pursuant to this paragraph. The District, either through its own actions or actions caused to be taken through the Trustee, shall have the power to lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Series 2025 Revenue Account. Not less than ten (10) days prior to the filing of any foreclosure action as provided in the Indenture, the District shall cause written notice thereof to be mailed to any designated agents of the Owners of the Series 2025 Bonds. Not less than thirty (30) days prior to the proposed sale of any lot or tract of land acquired by foreclosure by the District, it shall give written notice thereof to such representatives. The District, either through its own actions or actions caused to be taken through the Trustee, agrees that it shall be required to take the measures provided by law for the listing for sale of property acquired by it as trustee for the benefit of the Owners of the Series 2025 Bonds within sixty (60) days after the receipt of the request therefor signed by the Trustee or the Majority Owners of the Series 2025 Bonds then Outstanding.

THERE CAN BE NO ASSURANCE THAT ANY SALE OF LAND SUBJECT TO DELINQUENT ASSESSMENTS WILL PRODUCE PROCEEDS SUFFICIENT TO PAY THE FULL AMOUNT OF SUCH DELINQUENT ASSESSMENTS PLUS OTHER DELINQUENT TAXES AND ASSESSMENTS APPLICABLE THERETO.

Additional Covenants Regarding Assessments

The District covenants in the Indenture to comply with the terms of the Assessment Proceedings heretofore adopted with respect to the Series 2025 Assessments, including the Assessment Report, and to levy the Series 2025 Assessments in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2025 Bonds, when due. The Assessment Report shall not be materially amended without prior written consent of the Majority Owners.

The District further covenants and agrees in the Indenture that it will not reduce the Series 2025 Assessment on any tax parcel (other than as the result of the Prepayment of all or a portion of the Series 2025 Assessment on that tax parcel) from that set forth in the Assessment Report on account of any reduction in Debt Service on the Series 2025 Bonds resulting from a redemption of Series 2025 Bonds from amounts deposited into the Series 2025 Prepayment Subaccount.

Re-Assessment

Pursuant to the Master Indenture, if any Series 2025 Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or the District shall be satisfied that any such Series 2025 Assessment is so irregular or defective that it cannot be enforced or collected, or if the District shall have omitted to make such Series 2025 Assessment when it might have done so, the District shall either (a) take all necessary steps to cause a new Series 2025 Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (b) in its sole discretion, make up the amount of such Series 2025 Assessment from legally available moneys, which moneys shall be deposited into the Series 2025 Revenue Account. In case any

such subsequent Series 2025 Assessment shall also be annulled, the District shall obtain and make other Series 2025 Assessments until a valid Series 2025 Assessment shall be made.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2025 Bonds is the revenues derived by the District from the collection of Series 2025 Assessments imposed on certain lands in the District specially benefited by the Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY" herein and "APPENDIX A – ASSESSMENT REPORT" attached hereto.

The imposition, levy, and collection of Series 2025 Assessments must be done in compliance with the provisions of State law. Failure by the District, the Bay County Tax Collector (the "Tax Collector") or the Bay County Property Appraiser (the "Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2025 Assessments during any year. Such delays in the collection of Series 2025 Assessments, or complete inability to collect any Series 2025 Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of Debt Service on the Series 2025 Bonds. See "BONDOWNERS' RISKS" herein. To the extent that landowners fail to pay the Series 2025 Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2025 Bonds.

For the Series 2025 Assessments to be valid, the Series 2025 Assessments must meet two requirements: (a) the benefit from the Project to the lands subject to the Series 2025 Assessments must exceed or equal the amount of the Series 2025 Assessments; and (b) the Series 2025 Assessments must be fairly and reasonably allocated across all such benefited properties. At closing, the Assessment Consultant (hereinafter defined) will certify that these requirements have been met with respect to the Series 2025 Assessments.

Pursuant to the Act and the Assessment Proceedings, the District may collect the Series 2025 Assessments through a variety of methods. See "BONDOWNERS' RISKS" herein. Pursuant to the Indenture, Series 2025 Assessments levied on platted lots and pledged to secure the Series 2025 Bonds will be collected by the Tax Collector pursuant to the Uniform Method. It should be noted that the Series 2012 Assessments have been, and the Series 2025 Assessments will continue to be, levied on platted lots and collected using the Uniform Method. See "ASSESSMENT METHODOLOGY" herein and "APPENDIX A – ASSESSMENT REPORT" attached hereto. The following is a description of certain statutory provisions relating the various collection methods available to the District. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing & Foreclosure Procedure

Pursuant to Chapter 170, Florida Statutes, and the Act, the District may directly levy, collect and enforce the Series 2025 Assessments. In this context, Section 170.10, Florida Statutes, provides that upon the failure of any property owner to timely pay all or any part

of the annual installment of principal and/or interest of a special assessment due, including the Series 2025 Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2025 Assessments and the ability to foreclose the lien of such Series 2025 Assessments upon the failure to pay such Series 2025 Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2025 Assessments. See "BONDOWNERS' RISKS" herein.

Uniform Method Procedure

Subject to certain conditions, the District may alternatively elect to collect the Series 2025 Assessments using the Uniform Method. As noted above, the Series 2012 Assessments have been, and the Series 2025 Assessments will continue to be, levied on platted lots and collected using the Uniform Method. The Uniform Method is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2025 Assessments to be levied and collected in this manner.

If the Uniform Method is used, the Series 2025 Assessments will be collected together with County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such Taxes and Assessments, including the Series 2025 Assessments, are to be billed together and landowners in the District are required to pay all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2025 Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full.

Therefore, in the event the Series 2025 Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item would cause the Series 2025 Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of Debt Service on the Series 2025 Bonds.

Under the Uniform Method, if the Series 2025 Assessments are paid during November when due or during the following three (3) months, the taxpayer is granted a variable discount equal to four percent (4%) in November and decreasing one percentage point per month to one percent (1%) in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2025 Bonds that (a) the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2025 Assessments, (b) future landowners and taxpayers in the District will pay such Series 2025 Assessments, (c) a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (d) the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2025 Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2025 Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2025 Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than eighteen percent (18%)).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently eighteen percent (18%). The Tax Collector does not collect any money if tax certificates are issued, or "struck off," to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than eighteen percent (18%) per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2025 Assessments), interest, costs and charges on the real property described in the certificate.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed

is issued (unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees), at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of five percent (5%), unless the rate borne by the certificates is zero percent (0%). The proceeds of such redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is affected by purchase of such certificates from the County, as described above.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven (7) years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two (2) years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven (7) years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two (2) years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear. If the property is purchased for an amount in excess of the statutory bid of the certificate holder,

but such excess is not sufficient to pay all governmental liens of record, the excess shall be paid to each governmental unit pro rata.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the governing board of the County that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three (3) years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2025 Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2025 Assessments, which are the primary source of payment of the Series 2025 Bonds. Additionally, legal proceedings under federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDOWNERS' RISKS" herein.

THE DISTRICT

General

The District is a local unit of special purpose government duly organized and existing under the provisions of the Act and established by the Ordinance. The boundaries of the District include approximately 724 acres of land located entirely within an unincorporated area of the County.

Legal Powers and Authority

The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State. The Act provides legal authority for community development districts (such as the District)

to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development.

The Act provides that community development districts have the power to issue general obligation, revenue and special assessment revenue debt obligations in any combination to pay all or part of the cost of infrastructure improvements authorized under the Act. The Act further provides that community development districts have the power under certain conditions to levy and assess ad valorem taxes or non-ad valorem assessments, including the Series 2025 Assessments, on all taxable real property within their boundaries to pay the principal of and interest on debt obligations issued and to provide for any sinking or other funds established in connection with any such debt obligation issues. Pursuant to the Act, such assessments may be levied, collected and enforced in the same manner and time as county property taxes.

Among other provisions, the Act gives the District's Board of Supervisors the authority to (a) finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and wastewater management reclamation and re-use systems or any combination thereof, and to construct and operate connecting intercepting or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) district roads equal to or exceeding the applicable specifications of the county in which such district roads are located; roads and improvements to existing roads that are owned by or conveyed to the local general-purpose government, the State, or the federal government; street lights; alleys; landscaping; hardscaping; undergrounding of electric utility lines; buses, trolleys, transit shelters, ridesharing facilities and services, parking improvements, and related signage; (iv) conservation areas, mitigation areas, and wildlife habitat, including the maintenance of any plant or animal species, and any related interest in real or personal property; (v) any other project, facility or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District; and (vi) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses; and security, including, but not limited to, guardhouses, fences and gates, and electronic intrusion-detection systems; (b) borrow money and issue bonds of the District; (c) levy, collect and enforce special assessments; (d) impose and foreclose special assessment liens as provided in the Act; and (e) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District authorized by the Act.

The Act does not empower the District to adopt and enforce land use plans or zoning ordinances and the Act does not empower the District to grant building permits. These functions are collectively performed by the County and its departments of government.

The Act exempts all property of the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any Owner of bonds of the District to pursue any remedy for enforcement of any lien or pledge of the District in connection with such bonds, including the Series 2025 Bonds.

Board of Supervisors

The Act provides for a five-member Board of Supervisors (as previously defined, the "Board") to serve as the governing body of the District. Members of the Board must be residents of the State and citizens of the United States. Pursuant to the Act, six (6) years after establishment and after 250 qualified electors reside within the District, the seats of Board members whose terms expire are filled by votes of the qualified electors of the District, except as described below. A qualified elector is a registered voter who is at least eighteen (18) years of age, a resident of the District and the State and a citizen of the United States. At the election where Board members are first elected by qualified electors, two (2) Board members must be qualified electors and be elected by qualified electors, both to four-year terms. A third Board member is elected through an election of the landowners of the District. Thereafter, as terms expire, all Board members must be qualified electors elected by qualified electors and are elected to serve four-year terms with staggered expiration dates in the manner set forth in the Act. If there is a vacancy on the Board, whether as a result of the resignation or removal of a Board member or because no elector qualifies for a seat to be filled in an election, the remaining Board members are to fill such vacancy for the unexpired term. Currently all members of the Board are qualified electors elected by qualified electors. The current members of the Board and their respective term expiration dates are set forth below.

<u>Name</u>	<u>Title</u>	<u>Expiration of Term</u>
David Holt	Chair	November 2028
David Dean	Vice Chair	November 2026
Thomas Balduf	Assistant Secretary	November 2028
Joel Stephens	Assistant Secretary	November 2028
Kenneth Black	Assistant Secretary	November 2026

The Act empowers the Board to adopt administrative rules and regulations with respect to any projects of the District, and to enforce penalties for the violation of such rules and regulations. The Act permits the Board to levy taxes under certain conditions, and to levy special assessments, and to charge, collect and enforce fees and user charges for use of District facilities.

District Manager and Other Consultants

The Act authorizes the Board to hire a District Manager as the chief administrative official of the District. The Act provides that the District Manager shall have charge and supervision of the works of the District and shall be responsible for (a) preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, (b) maintaining and operating the equipment owned by the District, and (c) performing such other duties as may be prescribed by the Board.

Wrathell, Hunt & Associates, LLC has been retained as the firm to provide district management services for the District (in such capacity, the "District Manager"). The District Manager's office is located at 2300 Glades Road, Suite 410W, Boca Raton, Florida 33431 and their phone number is (561) 571-0010.

The District Manager's typical responsibilities can briefly be summarized as directly overseeing and coordinating the District's planning, financing, purchasing, staffing, and

reporting and acting as governmental liaison for the District. The District Manager's responsibilities also include requisitioning moneys to pay construction contracts and the related accounting and reporting that is required by the Indenture.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Nabors, Giblin & Nickerson, P.A., Tampa, Florida, as Bond Counsel and Disclosure Counsel; Burke Blue Hutchison Smith Zimmerman Burke & Masters, P.A., Panama City Beach, Florida, as District Counsel; and Wrathell, Hunt & Associates, LLC, Boca Raton, Florida, as Assessment Consultant.

Prior Bonds

On December 28, 2000, the District issued its \$9,760,000 Lake Powell Residential Golf Community Development District Special Assessment Revenue Bonds, Series 2000A (the "Series 2000A Bonds"), its \$10,720,000 Lake Powell Residential Golf Community Development District Special Assessment Revenue Bonds, Series 2000B (the "Series 2000B Bonds") and its \$5,105,000 Lake Powell Residential Golf Community Development District Special Assessment Revenue Bonds, Series 2000C (the "Series 2000C Bonds") to finance the acquisition and construction of certain public infrastructure improvements within the District (as previously defined, the "Project"). The Series 2000A Bonds were refunded in full with net proceeds of the Series 2012 Bonds (hereinafter defined) and the Series 2000B Bonds and Series 2000C Bonds were retired.

On March 30, 2012, the District issued its \$5,160,000 Lake Powell Residential Golf Community Development District Special Assessment Revenue Refunding Bonds, Series 2012 (the "Series 2012 Bonds") to refund in full the then Outstanding Series 2000A Bonds. The Series 2012 Bonds are currently Outstanding in the principal amount of \$2,260,000 and will be refunded in full with net proceeds of the Series 2025 Bonds. See "PLAN OF REFUNDING" herein. Following the refunding of the Series 2012 Bonds, the Series 2025 Bonds will be the only outstanding indebtedness of the District.

ASSESSMENT METHODOLOGY

Wrathell, Hunt & Associates, LLC (in such capacity, the "Assessment Consultant") has prepared the Final First Supplemental Special Assessment Methodology Report, dated May 1, 2025 (the "Assessment Report"), which is included herein as APPENDIX A. The Assessment Report sets forth an overall method (the "Methodology") for allocating the special benefit to the residential units in the District resulting from the refinancing of the Project. The Series 2012 Assessments have been, and the Series 2025 Assessments will be, allocated in accordance with the Methodology, based on product type, all as set forth in the Assessment Report. See "APPENDIX A – Assessment Report" attached hereto for a more detailed description of the Methodology and the Series 2025 Assessments. See also "THE DEVELOPMENT – Taxes, Fees and Assessments" herein.

THE DEVELOPMENT

General

The District contains the 724-acre Wild Heron development (the "Development"), a master-planned residential golf community located on the northern shore of the 657-acre Lake Powell. The Development is located two (2) miles east of the Walton County line near Florida's Gulf Coast beaches. Access to the Development is from US Highway 98, which is the major roadway that follows Florida's coastline from Alabama to Apalachee Bay. Residents of the Development have access to a community and recreation area that includes swimming and fitness activities, including a boathouse with kayaks and canoes and thirty (30) boat slips on Lake Powell which were just constructed for use by the residents in 2024. Through separate paid membership including a \$75,000 initiation fee and monthly dues of \$1,200, access is available to the Shark's Tooth Golf Club, which contains an 18-hole Greg Norman championship golf course, an off-site private beach club, tennis facilities, and access to two (2) additional golf courses known as The Third and Camp Creek. Shark's Tooth is located within the boundaries of the District, whereas The Third and Camp Creek are outside of the District boundaries. Shark's Tooth was recently renovated in 2024 and The Third was constructed in 2021 and renovated in 2023 in order to become the home of the NCAA ACC Championship for Golf.

The Development is planned to contain approximately 594 residential units, consisting of (a) 161 condominium units and (b) 433 single-family homes. Land development for all 594 units planned for the Development is complete and all lots have been developed, platted, and sold to individual third party purchasers. Purchasers of lots within the Development must choose from a list of pre-approved contractors to build a home within the Development, and all building plans must be submitted to and approved by the Development's architecture review board to ensure that custom homes fit with the aesthetic of the community. As of the date hereof, approximately 335 units have been constructed, of which twenty-four (24) units have prepaid the Assessments associated with such units.

In March 2012, the District issued its Series 2012 Bonds in order to refund the then outstanding Series 2000A Bonds which were issued to finance the construction and installation of certain public infrastructure associated with the Development. The Series 2012 Bonds are currently Outstanding in the principal amount of \$2,260,000 and are secured by the Series 2012 Assessments, which are currently levied on lots planned for 573* units consisting of (a) 154 condominium units and (b) 419 single-family units. Of the 573 units subject to the Series 2012 Assessments within the Development, 311 homes have been constructed and the remaining 259 homes are in various stages of planning and vertical construction. No individual landowner subject to the Series 2012 Assessments is responsible for more than 4.0% of the annual levy.

Upon issuance of the Series 2025 Bonds, the Series 2012 Assessments will be recast as the "Series 2025 Assessments." The Series 2025 Bonds are payable from and secured by the Series 2025 Pledged Revenues, which consist of the Series 2025 Assessments which are

levied on 573 units. See "APPENDIX A – ASSESSMENT REPORT" attached hereto and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS" herein.

Market Value and Bond Debt Allocation by Product Type

The total property value for all land subject to the Series 2025 Assessments is approximately \$248,272,688 according to the Property Appraiser as provided by the District. This equates to a total aggregate value to lien of approximately 140.98:1 for the Series 2025 Bonds. Set forth below is a chart which illustrates the value to lien by development status. See "APPENDIX A – ASSESSMENT REPORT" attached hereto for more information.

Product Type	# of Homes	Annual Assessment	Par Amount	Value	VTL
Constructed Homes	311	\$140,431	\$828,128	\$214,363,843	257.34

Taxes, Fees and Assessments

The Series 2025 Assessments are levied on the 573 units on a per unit basis and each unit will receive the following per unit allocation as set forth in the Assessment Report. See "APPENDIX A – ASSESSMENT REPORT" attached hereto. The Series 2025 Assessments are set forth below:

* Three (3) homes are constructed or will be constructed on double lots, which are each counted as two (2) units for purposes of the levy of special assessments. Therefore, there are 573 units but 570 homes.

† Includes early payment discount allocation and County collection costs of 6%.

In addition to the Series 2025 Assessments, all homeowners within the Development will be subject to annual operation and maintenance assessments ("O&M Assessments") levied by the District which are derived from the District's annual budget and are subject to change each year. The annual O&M Assessments for Fiscal Year 2024/2025 are \$1,145.97 per residential unit.

The Development includes a homeowner's association ("HOA") and residents of the Development pay HOA fees, which are currently \$3,000 annually for all product types. In addition, the land within the District is subject to taxes and assessments imposed by taxing authorities other than the District and the HOA. The total millage rate in the District is

currently approximately 12.2890. These taxes would be payable in addition to the Series 2025 Assessments and O&M Assessments. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Bay County, Florida each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years, taxes levied by these other entities could be substantially higher than in the current year.

Assessment Collection History

Since the issuance of the Series 2012 Bonds, the Series 2012 Assessments have been collected in full and there has not been a draw on the debt service reserve fund. The Series 2012 Assessments are, and the Series 2025 Assessments will be, collected on the tax roll pursuant to the Uniform Method.

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds secured by special assessments issued by a public authority or governmental body in the State. Certain of these risks are described in the section above entitled "ENFORCEMENT OF ASSESSMENT COLLECTIONS." However, certain additional risks are associated with the Series 2025 Bonds offered hereby. This section does not purport to summarize all risks that may be associated with purchasing or owning the Series 2025 Bonds and prospective purchasers are advised to read this Limited Offering Memorandum including all appendices hereto in its entirety to identify investment considerations relating to the Series 2025 Bonds.

Limited Pledge

The principal security for the payment of Debt Service on the Series 2025 Bonds is the timely collection of the Series 2025 Assessments. The Series 2025 Assessments do not constitute a personal indebtedness of the owners of the land subject thereto but are secured by a lien on such land. There is no assurance that the landowners will be able to pay the Series 2025 Assessments or that they will pay such Series 2025 Assessments even though financially able to do so. Landowners are not guarantors of payment of any Series 2025 Assessment and the recourse for the failure of any landowner to pay the Series 2025 Assessments is limited to the collection proceedings against the land. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein. The District has not granted, and may not grant under State law, a mortgage or security interest in the Project. Furthermore, the District has not pledged the revenues, if any, from the operation of the Project as security for, or a source of payment of, the Series 2025 Bonds. The Series 2025 Bonds are payable solely from, and secured solely by, the Series 2025 Trust Estate, including the Series 2025 Assessments. The failure of a landowner to pay the required Series 2025 Assessment on its property will not result in an increase in the amount of Series 2025 Assessments other landowners are or would be required to pay.

Bankruptcy Risks

In the event of the institution of bankruptcy or similar proceedings with respect to an owner of property subject to the Series 2025 Assessments, delays and impairment could occur

in the payment of Debt Service on the Series 2025 Bonds as such bankruptcy could negatively impact the ability of (a) the landowner being able to pay the Series 2025 Assessments, (b) the County to sell tax certificates in relation to such property with respect to the Series 2025 Assessments being collected pursuant to the Uniform Method, and (c) the District's ability to enforce collection with respect to the Series 2025 Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2025 Bonds, the Trustee and the District upon an Event of Default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including during a bankruptcy of any landowner, the remedies specified by federal, State and local law and in the Indenture and the Series 2025 Bonds, including, without limitation, enforcement of the obligation to pay Series 2025 Assessments and the ability of the District to foreclose the lien of the Series 2025 Assessments, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2025 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce available remedies respecting the Series 2025 Bonds could have a material adverse impact on the interest of the Owners thereof.

Delay and Discretion Regarding Remedies

Beyond legal delays that could result from bankruptcy, the ability of the County to sell tax certificates in regard to delinquent Series 2025 Assessments collected pursuant to the Uniform Method will be dependent upon various factors, including the interest rate which can be earned by ownership of such certificates and the value of the land which is the subject of such certificates and which may be subject to sale at the demand of the certificate holder after two (2) years. Similarly, the ability of the District to enforce collection of delinquent Series 2025 Assessments collected directly by the District will be dependent upon various factors, including the delay inherent in any judicial proceeding to enforce the lien of the Series 2025 Assessments and the value of the land which is the subject of such proceedings and which may be subject to sale. If the District should commence a foreclosure action against a landowner for nonpayment of Series 2025 Assessments which are not being collected pursuant to the Uniform Method and that are delinquent, such landowner may raise affirmative defenses to such foreclosure action, which although such affirmative defenses would likely be proven to be without merit, could result in delays in completing the foreclosure action.

Limitation on Funds Available to Exercise Remedies

In the event of a default by a landowner in payment of Series 2025 Assessments that are not collected pursuant to the Uniform Method, the District is required under the Indenture to fund the costs of foreclosure of such delinquent Series 2025 Assessments. It is possible that the District will not have sufficient funds and will be compelled to request the Owners of the Series 2025 Bonds to allow funds on deposit under the Indenture to be used to pay such costs. Under the Internal Revenue Code of 1986, as amended (the "Code"), there are limitations on the amount of Series 2025 Bond proceeds that can be used for such purpose. As a result, there may be insufficient funds for the exercise of remedies.

Determination of Land Value Upon Default

The assessment of the benefits to be received by the benefited land within the District as a result of implementation of the Project is not indicative of the realizable or market value of the land, which value may actually be higher or lower than the assessment of benefits. In other words, the value of the land could potentially be ultimately less than the debt secured by the Series 2025 Assessments associated with it. To the extent that the realizable or market value of the land benefited by the Project is lower than the assessment of benefits, the ability of the Tax Collector to sell tax certificates relating to such land, or the District to realize sufficient value from a foreclosure action, may be adversely affected. Such adverse effect could render the District unable to collect delinquent Series 2025 Assessments, if any, and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of Debt Service on the Series 2025 Bonds.

Landowner Challenge of Assessed Valuation

Under State law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2025 Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2025 Assessment, even though the landowner is not contesting the amount of the Series 2025 Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least seventy-five percent (75%) of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification, or a determination that their improvements were substantially complete, must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

Failure to Comply with Assessment Proceedings

The District is required to comply with statutory procedures in levying the Series 2025 Assessments. Failure of the District to follow these procedures could result in the Series 2025 Assessments not being levied or potential future challenges to such levy.

Other Taxes and Assessments

The willingness and/or ability of a landowner within the District to pay the Series 2025 Assessments could be affected by the existence of other taxes and assessments imposed upon the property. Public entities whose boundaries overlap those of the District, such as the County, the Bay County School District and other special districts could, without the consent of the owners of the land within the District, impose additional taxes or assessments on the property within the District. County, municipal, school and special district taxes and assessments, including the Series 2025 Assessments, and any additional voter-approved ad valorem taxes, are payable at the same time when collected pursuant to the Uniform Method, except for partial payment schedules as may be provided by Sections 197.374 and 197.222,

Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment, such taxpayer cannot designate specific line items on the tax bill as deemed paid in full. Therefore, any failure by a landowner to pay any one line item, whether or not it is the Series 2025 Assessment, would result in such landowner's Series 2025 Assessment to not be fully collected, which could have a significant adverse impact on the District's ability to make full or punctual payment of Debt Service on the Series 2025 Bonds. As referenced herein, the Series 2025 Assessments are levied on lands within Assessment Area Two that are also subject to O&M Assessments and HOA fees. See "THE DEVELOPMENT – Taxes, Fees and Assessments" herein.

Limited Secondary Market

The Series 2025 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2025 Bonds in the event an Owner thereof determines to solicit purchasers of the Series 2025 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2025 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2025 Bonds, depending on existing market conditions and other factors.

Inadequacy of Series 2025 Reserve Account

Some of the risk factors described herein, if materialized, could result in a delay in the collection of the Series 2025 Assessments or a failure to collect the Series 2025 Assessments, but may not affect the timely payment of Debt Service on the Series 2025 Bonds because of the Series 2025 Reserve Account established by the District for the Series 2025 Bonds. However, the ability of the District to fund deficiencies caused by delinquent or delayed Series 2025 Assessments is dependent upon the amount, duration and frequency of such deficiencies or delays. If the District has difficulty in collecting the Series 2025 Assessments, the Series 2025 Reserve Account could be rapidly depleted and the ability of the District to pay Debt Service on the Series 2025 Bonds could be materially adversely affected. Owners should note that although the Indenture contains the Series 2025 Reserve Account Requirement for the Series 2025 Reserve Account, and a corresponding obligation on the part of the District to replenish the Series 2025 Reserve Account to the Series 2025 Reserve Account Requirement, the District does not have a designated revenue source for replenishing the Series 2025 Reserve Account.

Moneys on deposit in the Series 2025 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys available in the Series 2025 Reserve Account to make up deficiencies or delays in collection of Series 2025 Assessments.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or

individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurance can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of Debt Service on the Series 2025 Bonds.

Infectious Viruses and/or Diseases

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District. Such impacts could reduce property values, slow or cease development and sales within the District and/or otherwise have a negative financial impact on landowners.

Damage to District from Natural Disasters

The value of the lands subject to the Series 2025 Assessments could be adversely affected by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. The occurrence of any such events could materially adversely affect the District's ability to collect Series 2025 Assessments and pay Debt Service on the Series 2025 Bonds. The Series 2025 Bonds are not insured and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Interest Rate Risk; No Rate Adjustment for Taxability

The interest rates borne by the Series 2025 Bonds are, in general, higher than interest rates borne by other bonds of political subdivisions that do not involve the same degree of risk as investment in the Series 2025 Bonds. These higher interest rates are intended to compensate investors in the Series 2025 Bonds for the risk inherent in the purchase of the Series 2025 Bonds. However, such higher interest rates, in and of themselves, increase the amount of Series 2025 Assessments that the District must levy in order to provide for payment of Debt Service on the Series 2025 Bonds and, in turn, may increase the burden of landowners within the District, thereby possibly increasing the likelihood of non-payment or delinquency in payment of such Series 2025 Assessments.

The Indenture does not contain an adjustment of the interest rates on the Series 2025 Bonds in the event of a determination of taxability of the interest thereon. Such a change could occur as a result of the District's failure to comply with tax covenants contained in the Indenture or the Arbitrage Certificate executed by the District upon issuance of the Series 2025 Bonds or due to a change in the United States income tax laws. Should interest on the Series 2025 Bonds become includable in gross income for federal income tax purposes, Owners of the Series 2025 Bonds will be required to pay income taxes on the interest received on such Series 2025 Bonds and related penalties. Because the interest rates on such Series 2025 Bonds will not be adequate to compensate Owners of the Series 2025 Bonds for the income taxes due on such interest, the value of the Series 2025 Bonds may decline. Prospective purchasers of the Series 2025 Bonds should evaluate whether they can own the Series 2025 Bonds in the event that the interest on the Series 2025 Bonds becomes taxable.

IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. Although it is impossible to predict whether the IRS will select the Series 2025 Bonds for audit, the District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Series 2025 Bonds are advised that, if the IRS does audit the Series 2025 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2025 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2025 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds would adversely affect the availability of any secondary market for the Series 2025 Bonds. Should interest on the Series 2025 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2025 Bonds be required to pay income taxes on the interest received on such Series 2025 Bonds and related penalties, but because the interest rates on such Series 2025 Bonds will not be adequate to compensate Owners of the Series 2025 Bonds for the income taxes due on such interest, the value of the Series 2025 Bonds may decline. See also "TAX MATTERS" herein.

Legislative Proposals and State Tax Reform

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2025 Bonds. In some cases, these proposals have contained provisions that altered these consequences on a retroactive basis. Such alteration of federal tax consequences may have affected the market value of obligations similar to the Series 2025 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2025 Bonds and their market value. No assurance can be given that legislative proposals will not be enacted that would apply to, or have an adverse effect upon, the Series 2025 Bonds. For example, in connection with federal deficit reduction, job creation and tax law reform efforts, proposals have been made and others are likely to be made that could significantly reduce the benefit of, or otherwise affect, the exclusion from gross income of interest on obligations like the Series 2025 Bonds. There can be no assurance that any such legislation or proposal will be enacted, and if enacted, what form it may take. The introduction or enactment of any such legislative proposals may affect, perhaps significantly, the market price for or marketability of the Series 2025 Bonds.

It is impossible to predict what new proposals may be presented regarding ad valorem tax reform and/or community development districts during upcoming State legislative sessions, whether such new proposals or any previous proposals regarding the same will be

adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2025 Bonds. It should be noted that Section 190.016(14) of the Act provides in pertinent part that "the state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the assessments and to fulfill the terms of any agreement made with the holders of such bonds and that it will not impair the rights or remedies of such holders."

Loss of Exemption from Securities Registration

Since the Series 2025 Bonds have not been, and will not be, registered under the Securities Act or any state securities laws, pursuant to the exemption for political subdivisions, it is possible that federal or state regulatory authorities could determine that the District is not a political subdivision for purposes of federal and state securities laws. Accordingly, the District and purchasers of the Series 2025 Bonds may not be able to rely on the exemption from registration relating to securities issued by political subdivisions. In that event, Owners of the Series 2025 Bonds would need to ensure that subsequent transfers of the Series 2025 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act.

Prepayment and Redemption Risk

The Series 2025 Bonds are subject to extraordinary mandatory redemption as a result of Prepayments of the Series 2025 Assessments by owners of property within the District. Any such redemptions of the Series 2025 Bonds would be at the principal amount of such Series 2025 Bonds being redeemed plus accrued interest to the date of redemption. In such event, Owners of the Series 2025 Bonds may not realize their anticipated rate of return on the Series 2025 Bonds and Owners of any Premium Bonds (hereinafter defined) may receive less than the price they paid for the Series 2025 Bonds. See "DESCRIPTION OF THE SERIES 2025 BONDS – Redemption Provisions" herein.

Performance of District Professionals

The District has represented to the Underwriter that it has selected its District Manager, District Counsel, Assessment Consultant, Trustee and other professionals with the appropriate due diligence and care. While the foregoing professionals have each represented that they have the respective requisite experience to accurately and timely perform the duties assigned to them in such roles, the District does not guarantee the performance of such professionals.

No Rating or Credit Enhancement

No application for a rating or credit enhancement on the Series 2025 Bonds has been made, nor is there any reason to believe that the District would have been successful in obtaining either for the Series 2025 Bonds had application been made.

Mortgage Default and FDIC

In the event a bank forecloses on property in the District because of a default on a mortgage with respect thereto and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2025 Assessments. In addition, the District would be required to obtain the consent of the FDIC prior to commencing a foreclosure action on such property for failure to pay Series 2025 Assessments.

TAX MATTERS

Opinion of Bond Counsel

In the opinion of Bond Counsel, the form of which is included as APPENDIX C hereto, the interest on the Series 2025 Bonds is excludable from gross income of the owners thereof for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax under existing statutes, regulations, rulings and court decisions; provided, however, with respect to certain corporations, interest on the Series 2025 Bonds is taken into account in determining the annual adjusted financial statement income for the purpose of computing the alternative minimum tax imposed on such corporations. Failure by the District to comply subsequent to the issuance of the Series 2025 Bonds with certain requirements of the Internal Revenue Code of 1986, as amended (as previously defined, the "Code"), including but not limited to requirements regarding the use, expenditure and investment of Series 2025 Bond proceeds and the timely payment of certain investment earnings to the Treasury of the United States, may cause interest on the Series 2025 Bonds to become includable in gross income for federal income tax purposes retroactive to their date of issuance. The District has covenanted to comply with all provisions of the Code necessary to, among other things, maintain the exclusion from gross income of interest on the Series 2025 Bonds for purposes of federal income taxation. In rendering its opinion, Bond Counsel has assumed continuing compliance with such covenants.

Internal Revenue Code of 1986

The Code contains a number of provisions that apply to the Series 2025 Bonds, including, among other things, restrictions relating to the use or investment of the proceeds of the Series 2025 Bonds and the payment of certain arbitrage earnings in excess of the "yield" on the Series 2025 Bonds to the Treasury of the United States. Noncompliance with such provisions may result in interest on the Series 2025 Bonds being included in gross income for federal income tax purposes retroactive to their date of issuance.

Collateral Tax Consequences

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of, the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should be aware that the ownership of the Series 2025 Bonds may result in other collateral federal tax consequences. For example, ownership of the Series 2025 Bonds may result in collateral tax consequences to various types of corporations relating to (1) denial of interest deduction to purchase or carry such Series 2025 Bonds, (2) the branch profits tax, and (3) the inclusion of interest on the Series 2025 Bonds in passive income for certain Subchapter S corporations. In addition, the interest on the Series 2025 Bonds may be included in gross income by recipients of certain Social Security and Railroad Retirement benefits.

PURCHASE, OWNERSHIP, SALE OR DISPOSITION OF THE SERIES 2025 BONDS AND THE RECEIPT OR ACCRUAL OF THE INTEREST THEREON MAY HAVE ADVERSE FEDERAL TAX CONSEQUENCES FOR CERTAIN INDIVIDUAL AND CORPORATE BONDHOLDERS, INCLUDING, BUT NOT LIMITED TO, THE CONSEQUENCES REFERRED TO ABOVE. PROSPECTIVE SERIES 2025

BONDHOLDERS SHOULD CONSULT WITH THEIR TAX ADVISORS FOR INFORMATION IN THAT REGARD.

Florida Taxes

In the opinion of Bond Counsel, the Series 2025 Bonds and interest thereon are exempt from taxation under the laws of the State of Florida, except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations, as defined in said Chapter 220.

Other Tax Matters

Interest on the Series 2025 Bonds may be subject to state or local income taxation under applicable state or local laws in other jurisdictions. Purchasers of the Series 2025 Bonds should consult their tax advisors as to the income tax status of interest on the Series 2025 Bonds in their particular state or local jurisdictions.

The Inflation Reduction Act, H.R. 5376 (the "IRA"), was passed by both houses of the U.S. Congress and was signed by the President on August 16, 2022. As enacted, the IRA includes a 15 percent alternative minimum tax to be imposed on the "adjusted financial statement income", as defined in the IRA, of certain corporations. Interest on the Series 2025 Bonds will be included in the "adjusted financial statement income" of such corporations for purposes of computing the corporate alternative minimum tax. Prospective purchasers that could be subject to this minimum tax should consult with their own tax advisors regarding the potential tax consequences of owning the Series 2025 Bonds.

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2025 Bonds. In some cases these proposals have contained provisions that altered these consequences on a retroactive basis. Such alterations of federal tax consequences may have affected the market value of obligations similar to the Series 2025 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2025 Bonds and their market value. No assurance can be given that additional legislative proposals will not be introduced or enacted that would or might apply to, or have an adverse effect upon, the Series 2025 Bonds.

On February 23, 2016, the Internal Revenue Service issued a notice of proposed rulemaking (the "Proposed Regulations") and notice of public hearing containing proposed regulations that provided guidance regarding the definition of political subdivision for purposes of the rules for tax-exempt bonds, including determinations of entities that are valid issuers of tax-exempt bonds. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." The Proposed Regulations were officially withdrawn on October 20, 2017. See also "BONDOWNERS' RISKS – IRS Examination and Audit Risk" herein.

Bond Premium

Certain of the Series 2025 Bonds (the "Premium Bonds") may be offered and sold to the public at a price in excess of the principal amount of such Premium Bond, which excess constitutes to an initial purchaser amortizable bond premium which is not deductible from gross income for federal income tax purposes. The amount of amortizable bond premium for a taxable year is determined actuarially on a constant interest rate basis over the term of the Premium Bonds which term ends on the earlier of the maturity or call date for each Premium Bond which minimizes the yield on said Premium Bonds to the purchaser. For purposes of determining gain or loss on the sale or other disposition of a Premium Bond, an initial purchaser who acquires such obligation in the initial offering to the public at the initial offering price is required to decrease such purchaser's adjusted basis in such Premium Bond annually by the amount of amortizable bond premium for the taxable year. The amortization of bond premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Premium Bonds. The federal income tax consequences of the purchase, ownership and sale or other disposition of Premium Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those described above. Owners of the Premium Bonds are advised that they should consult with their own advisors with respect to the state and local tax consequences of owning such Premium Bonds.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975. The District is not and has not ever been in default as to principal and interest on its bonds or other debt obligations.

VALIDATION

The Series 2025 Bonds refund a portion of the Bonds that were validated by a Final Judgment of the Circuit Court of the Fourteenth Judicial Circuit of Florida, in and for Bay County, Florida, entered on September 25, 2000. The period during which an appeal can be taken has expired with no appeal being taken.

LITIGATION

There is no pending or, to the knowledge of the District, any threatened litigation against the District of any nature whatsoever which in any way questions or affects the validity of the Series 2025 Bonds, or any proceedings or transactions relating to their issuance, sale, execution, or delivery, or the execution of the Indenture. Neither the creation, organization nor existence of the District, nor the title of the present members of the Board has been challenged.

From time to time, the District expects to experience routine litigation and claims incidental to the conduct of its affairs. In the opinion of District Counsel, there are no actions presently pending or threatened, the adverse outcome of which would have a material

adverse effect on the availability of the Series 2025 Trust Estate, or the ability of the District to pay the Series 2025 Bonds from the Series 2025 Trust Estate.

CONTINUING DISCLOSURE

In order to comply with the continuing disclosure requirements of Rule 15c2-12(b)(5) of the SEC (the "Rule"), the District and Wrathell, Hunt & Associates, LLC, as dissemination agent (in such capacity, the "Dissemination Agent") will enter into a Continuing Disclosure Agreement (the "Disclosure Agreement"), the form of which is attached hereto as APPENDIX D. Pursuant to the Disclosure Agreement, the District has covenanted for the benefit of the Owners of the Series 2025 Bonds to provide to the Dissemination Agent certain financial information and operating data relating to the District and the Series 2025 Bonds (the "Annual Report"), and to provide notices of the occurrence of certain enumerated material events. Such covenants by the District shall only apply so long as the Series 2025 Bonds remain Outstanding under the Indenture.

The Annual Report will be filed by the Dissemination Agent with the Municipal Securities Rulemaking Board's Electronic Municipal Markets Access ("EMMA") repository described in the form of the Disclosure Agreement attached hereto as APPENDIX D. The notices of material events will also be filed by the Dissemination Agent with EMMA. The specific nature of the information to be contained in the Annual Report and the notices of material events are described in APPENDIX D. The Disclosure Agreement will be executed at the time of issuance of the Series 2025 Bonds. With respect to the Series 2025 Bonds, no party other than the District is obligated to provide, nor is expected to provide, any continuing disclosure information with respect to the Rule. The foregoing covenants have been made in order to assist the Underwriter in complying with the Rule.

During the five (5) years immediately preceding the issuance of the Series 2025 Bonds, the District has been an obligated person under a continuing disclosure undertaking with respect to the Series 2012 Bonds (the "Prior Undertaking"). A review of filings made pursuant to the Prior Undertaking indicates that the District failed to timely file the Interim Report (as defined in the Prior Undertaking) due December 10, 2021. A failure to timely file notice was filed on December 21, 2021, and the interim report was filed on December 21, 2021, eleven (11) days late. 1.0 Introduction

1.1 Purpose

This Final First Supplemental Special Assessment Methodology Report (the "First Supplemental Report") was developed to provide supplement to the Final Supplemental Special Assessment Methodology Report dated March 26, 2012 (the "Supplemental Report"). This First Supplemental Report has been prepared in connection with the District's Special Assessment Revenue Refunding Bonds, Series 2025 (the "Series 2025 Bonds"), which will refund all outstanding Special Assessment Revenue Refunding Bonds, Series 2012 (the "Series 2012 Bonds"). The Series 2012 Bonds were issued to refinance all outstanding Special Assessment Revenue Bonds, Series 2000A (the "Series 2000A Bonds"), which along with Special Assessment Revenue Bonds, Series 2000B (the "Series 2000B Bonds") and Special Assessment Revenue Bonds, Series 2000C (the "Series 2000C Bonds" and collectively with the Series 2000A Bonds and Series 2000B Bonds the "Series 2000 Bonds") funded a portion of the construction of the public capital improvements (the "Capital Improvement Program") within the Lake Powell Residential Golf Community Development District (the "District"), located in Bay County, Florida. This First Supplemental Report will provide an update to the special assessment methodology for the District.

1.2 Scope of the First Supplemental Report

This First Supplemental Report presents the method of allocation of benefits of the public infrastructure improvements that were part of the Capital Improvement Program and were funded in part with proceeds of the Series 2000 Bonds. This First Supplemental Report also describes the method for apportionment of special assessment debt resulting from the provision and funding of a portion of the Capital Improvement Program and the current refunding of the Series 2012 Bonds with the proceeds of the Series 2025 Bonds.

1.3 Special Benefits and General Benefits

Public infrastructure improvements that have been undertaken as part of the Capital Improvement Program funded in part with proceeds of the Series 2000 Bonds, refunded in part with proceeds of the Series 2012 Bonds, created direct and special benefits for properties within the boundaries of the District which are different in

kind and degree from the general benefits which accrue to the properties outside of the boundaries of the District and to the general public at large. However, as discussed within this First Supplemental Report, these general benefits are incidental in nature and are readily distinguishable from the direct and special benefits which accrue to property within the boundaries of the District, as the improvements that comprise the Capital Improvement Program enabled properties within the boundaries of the District to be developed. The Capital Improvement Program enabled properties within the boundaries of the District to be developed since without the District's public infrastructure improvements, there would be no infrastructure required by applicable law to support the development and continued use of the properties within the District.

There is no doubt that the general public and property owners of properties outside of the boundaries of the District benefit from the provision of the District's public infrastructure improvements funded by the District. However, these benefits are only incidental to the District's Capital Improvement Program, which is solely designed to provide special benefits peculiar to property within the District. Properties outside of the boundaries of the District are not directly served by the Capital Improvement Program. This fact alone clearly distinguishes the direct and special benefits which the properties located within the boundaries of the District receive compared to those lying outside of the the boundaries of the District.

Public infrastructure improvements funded by the District provide public infrastructure improvements which were all necessary and made the lands within the District usable. The installation of such improvements caused the value of the developable and saleable lands within the District to increase by more than the sum of the financed cost of the individual components of the public infrastructure improvements. Even though the exact value of the benefits provided by the District's public infrastructure improvements is hard to estimate, it is nevertheless greater than the costs associated with providing the same.

1.4 Organization of the First Supplemental Report

Section Two describes the development program implemented for the lands within the District.

Section Three provides a summary of the Capital Improvement Program.

Section Four discusses the refunding of the Series 2012 Bonds with the Series 2025 Bonds.

Section Five describes the assessment methodology for the Series 2025 Bonds.

2.0 Development Program

The District serves the Wild Heron development (the "Development"), a master-planned, mixed-use development located in unincorporated Bay County, Florida. The land within the District consists of approximately 724 +/- acres and is generally located on the northern shore of Lake Powell, north of US-98 and just northwest of Panama City Beach, Florida. The development of land in the Development presently envisions a total of 597 residential dwelling units and a private golf course.

3.0 Capital Improvement Program

The Capital Improvement Program that serves the District includes roadways, off-site improvements, bridges, storm water facilities, water/sewer/irrigation utilities, wetland mitigation and conservation, landscaping, roadway lighting, and recreation. The total cost of the improvements, funded in part with proceeds of the Series 2000 Bonds, including costs of land acquisition, consultants and contingencies, totaled \$28,585,106.

4.0 Financing Program

4.1 Overview

The District funded a portion of the costs of the Capital Improvement Program in part with proceeds of the Series 2000 Bonds in the combined initial principal amount of \$25,585,000. All Series 2000B Bonds and Series 2000C Bonds were paid off prior to 2012 and in 2012 all outstanding Series 2000A Bonds in the principal amount of \$5,190,000 were refinanced with proceeds of the Series 2012 Bonds in the initial principal amount of \$5,160,000. The Series 2012 Bonds are currently outstanding in the principal amount of \$2,260,000. The District proposes to refund all currently outstanding Series 2012

Bonds with proceeds of the Series 2025 Bonds in the principal amount of \$1,761,000 and with other legally available monies. The Series 2025 Bonds are to be repaid by the District with the levy of annual debt service assessments on all properties described in more detail herein. The term of the Series 2025 Bonds is to be shortened from the term of the Series 2012 Bonds, that is they are to mature on May 1, 2032 instead of November 1, 2032, and the Series 2025 Bonds are expected to have a lower interest cost, resulting in annual debt service assessment savings to the property owners paying debt service assessments commencing in the Fiscal Year 2026.

4.2 Series 2025 Bonds

The Series 2025 Bonds will have a coupon rate of 5.000% and final maturity date of May 1, 2032. The Series 2025 Bonds will be issued in the initial principal amount of \$1,761,000, principal payments will be made on every May 1, commencing on May 1, 2026, and interest payments will be made on every May 1 and November 1, commencing on November 1, 2025.

5.0 Assessment Methodology

5.1 Overview

The issuance of the Series 2000 Bonds provided the District with a portion of the funds necessary to construct the infrastructure improvements that serve and benefit the District. These improvements lead to direct and special and general benefits, with direct and special benefits accruing to the properties within the boundaries of the District and general but only incidental benefits accruing to areas outside of the boundaries of the District. The debt incurred by issuance of the Series 2025 Bonds will be paid off by assessing properties that derive direct and special and peculiar benefits from the existing infrastructure, which was funded in part with proceeds of the Series 2000 Bonds, and refunded in part with proceeds of the Series 2012 Bonds. The Series 2012 Bonds will be refunded with the proceeds of the Series 2025 Bonds and other legally available monies. All properties that receive direct and special benefits from the District's improvement program funded in part with proceeds of the Series 2000 Bonds, refunded in part with proceeds of the Series 2012 Bonds, will be assessed.

5.2 Benefit Allocation

As previously stated in Section 2, the development plan for the land in the District presently envisions a total of 597 residential dwelling units and a private golf course, while 573 residential dwelling units are subject to an assessment lien associated with the Series 2012 Bonds (the "Series 2012 Bond Assessments") after accounting for 24 residential units and the golf course which paid off their portion of the Series 2012 Bond Assessments. The public infrastructure improvements which were funded by the District in part with the proceeds of the Series 2000 Bonds, refunded in part with proceeds of the Series 2012 Bonds, included roadways, off-site improvements, bridges, storm water facilities, water/sewer/irrigation utilities, wetland mitigation and conservation, landscaping, roadway lighting, and recreation. As the provision of the above listed public infrastructure improvements by the District made the lands in the boundaries of the District developable, the land became more valuable to its owners. The increase in the value of the land is the logical connection of improvements to the developable and saleable parcels within the District. Consequently, the District's improvements have a logical connection to the direct and special benefits received by lands within the District as without these improvements the development of the properties within the District would not be possible. Based on that connection between the improvements and the direct and special benefit to parcels of land within the District, the District can assign or apportion to lands receiving such direct and special benefits a portion of the District's debt or assessments. Even though these direct and special benefits are real and ascertainable, the precise amount of the benefit cannot be calculated with mathematical certainty. However, each is by order of magnitude more valuable than the cost of, or the actual non-ad valorem assessment amount which was levied on that parcel.

The refunding of the Series 2012 Bonds with proceeds of the Series 2025 Bonds and other legally available monies will not affect the benefit derived by any of the properties within the District. The issuance of the Series 2025 Bonds is a purely financial transaction meant to lower the costs of debt service to assessment payers. Therefore, this First Supplemental Report proposes to maintain the assessment apportionment established in the Supplemental Report.

Table 1 in the *Appendix* illustrates the assessments for different unit types prior to refunding, with total principal, per unit principal, and per unit annual debt service figures for the Series 2012 Bonds. Table 2

in the *Appendix* illustrates the assessments for different unit types after the refunding, with total principal, per unit principal, and per unit annual debt service figures for the Series 2025 Bonds.

5.3 Lienability Test: Special Benefit to the Property

As first discussed in *Section 1.3*, Special Benefits and General Benefits, improvements undertaken by the District create direct and special benefits to certain properties within the District. The District's public infrastructure improvements benefit assessable properties within the District and accrue to all such assessable properties.

Public infrastructure improvements undertaken by the District can be shown to be creating direct and special benefits to the property within the District. The direct and special benefits resulting from each improvement include, but are not limited to:

- a. added use of the property;
- b. added enjoyment of the property;
- c. decreased insurance premiums;
- d. increased marketability and value of the property.

These direct and special benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value; however, such benefits are more valuable than either the cost of, or the actual assessment levied for, the improvement or debt allocated to the parcel of land.

5.4 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay

A reasonable estimate of the proportion of direct and special benefits received from the existing improvements is delineated in Tables 1 and 2 in the *Appendix*. The non-ad valorem special assessments are fairly and reasonably apportioned because the direct and special benefits to the property derived from the District's existing improvements has been apportioned to the property according to reasonable estimates of the direct and special benefits provided. This apportionment has been determined in the Supplemental Report. Accordingly, no parcel of property within the boundaries of the District will be liened for the payment of any non-ad valorem special assessment more than the determined direct and special benefit peculiar to that property.

The Assessment Roll for the Series 2025 Bonds is presented in Exhibit A.

Section 201. Issuance of Bonds. For the purpose of providing funds for paying all or part of the Cost of a Series Project, Bonds of a Series, without limitation as to aggregate principal amount, may be issued under this Master Indenture subject to the conditions hereinafter provided in Section 207 hereof. Debt Service on each Series of Bonds shall be payable solely from the Pledged Revenues and Pledged Funds pledged to such Series of Bonds in the Supplemental Indenture authorizing the issuance of such Series of Bonds and, as may be provided in such Supplemental Indenture, all of the provisions of this Master Indenture shall be for the benefit and security of the present and future Owners of such Series of Bonds so issued, without preference, priority or distinction, as to lien or otherwise, of any one Bond of such Series over any other Bond of such Series. The District may also issue

17

the face of the Bonds shall be signed by the Trustee; provided, however, that each Bond shall be manually signed by either the Chairman, the Secretary or the Trustee. The official seal of the District shall be imprinted or impressed on each Bond. In case any officer whose signature or a facsimile of whose signature appears on any Bond shall cease to be such officer before the delivery of such Bond, such signature or such facsimile shall nevertheless be valid for all purposes the same as if he or she had remained in office until such delivery. Any Bond may bear the facsimile signature of, or may be signed by, such persons as at the actual time of the execution of such Bond shall be proper officers to execute such Bond although at the date of such Bond such persons may not have been such officers. The Bonds, and the provisions for registration and reconversion to be endorsed on such Bonds, shall be substantially in the form set forth in a Supplemental Indenture. The Trustee may appoint one or more authenticating agents.

Section 204. Negotiability, Registration and Transfer of Bonds. The District shall cause books for the registration and for the transfer of the Bonds as provided in this Master Indenture to be kept by the Bond Registrar. All Bonds shall be registered as to both principal and interest. Any Bond may be transferred only upon an assignment duly executed by the registered Owner or his attorney or legal representative in such form as shall be satisfactory to the Bond Registrar, such transfer to be made on such books and endorsed on the Bond by the Bond Registrar. No charge shall be made to any Owner for registration and transfer as hereinabove provided, but any Owner requesting any such registration or transfer shall pay any tax or other governmental charge required to be paid with respect thereto. The Bond Registrar shall not be required to transfer any Bond during the period between the Record Date and the Interest Payment Date next succeeding the Record Date of such Bond, during the period between the Record Date for the mailing of a notice of redemption and the date of such mailing, nor after such Bond has been selected for redemption. The Bonds shall be and have all the qualities and incidents of negotiable instruments under the laws of the State, and each successive Owner, in accepting any of the Bonds, shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the laws of the State.

Section 205. Ownership of Bonds. The person in whose name any Bond shall be registered shall be deemed the absolute Owner thereof for all purposes, and payment of Debt Service shall be made only to or upon the order of the registered Owner thereof or his attorney or legal representative as herein provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid. The Trustee, the District, the Bond Registrar and the Paying Agent may deem and treat the registered Owner of any Bond as the absolute Owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment thereof and for all other purposes whatsoever, and neither the Trustee, the District, the Bond Registrar nor the Paying Agent shall be affected by any notice to the contrary.

19

Section 206. Special Obligations. Each Series of Bonds shall be a special and direct obligation of the District. Neither the Bonds nor the interest and premium, if any, payable thereon shall constitute a general obligation or general indebtedness of the District within the meaning of the Constitution and laws of the State. The Bonds and the interest and premium, if any, payable thereon do not constitute either a pledge of the full faith and credit of the District or a lien upon any property of the District other than as provided herein or in the Supplemental Indenture authorizing the issuance of such Series of Bonds. No Owner or any other person shall ever have the right to compel the exercise of any ad valorem taxing power of the District or any other public authority or governmental body to pay Debt Service or to pay any other amounts required to be paid pursuant to this Master Indenture, any Supplemental Indenture, or the Bonds. Rather, Debt Service and any other amounts required to be paid pursuant to this Master Indenture, any Supplemental Indenture, or the Bonds, shall be payable solely from, and shall be secured solely by, the Series Pledged Revenues and the Series Pledged Funds pledged to such Series of Bonds, all as provided herein and in such Supplemental Indenture.

Section 207. Authorization of Bonds.

(a) There shall be issued from time to time in Series, under and secured by this Master Indenture, Bonds without limitation as to aggregate principal amount for the purposes of:

(i) paying all or part of the Cost of a Series Project or Series Projects or refunding a Series of Bonds or any portion thereof then Outstanding; and

(ii) depositing the Series Reserve Account Requirement to the Series Reserve Account for such Series of Bonds.

(b) Each Series of Bonds, upon initial issuance thereof, shall be executed by the District for delivery to the Trustee and thereupon shall be authenticated by the Trustee and delivered to the District or upon its order, but only upon the further receipt by the Trustee of the following:

(i) an executed and attested original or certified copy of this Master Indenture;

(ii) an executed and attested original or certified copy of the Supplemental Indenture fixing the amount of and security for the Series of Bonds authorized to be issued thereby and establishing, among other things, the dates on which, and the amounts in which, such Series of Bonds will mature (provided that the final maturity date of such Series of Bonds shall be not later than permitted by the Act with respect to such Series of Bonds), designating the Paying Agent and Bond Registrar, fixing the Amortization

20

(i) the amount received as accrued interest on the Bonds, if any, shall be deposited to the credit of the Series Interest Account and Capitalized Interest, if any, shall be deposited to the credit of the Series Capitalized Interest Account;

(ii) an amount equal to the Series Reserve Account Requirement or the initial cost of satisfying the Series Reserve Account Requirement if not satisfied by the deposit of cash, shall be deposited to the credit of the Series Reserve Account; and

(iii) the balance shall be deposited and applied as provided for in the Supplemental Indenture authorizing the issuance of such Series of Bonds.

Section 208. Mutilated, Destroyed or Lost Bonds. If any Bonds become mutilated, destroyed or lost, the District may cause to be executed and delivered a new Bond in substitution therefor upon the cancellation of such mutilated Bond or in lieu of and in substitution for such Bond destroyed or lost, and upon payment by the Owner of the reasonable expenses and charges of the District and the Trustee in connection therewith and, in the case of a Bond destroyed or lost, upon the Owner filing with the Trustee evidence satisfactory to it that such Bond was destroyed or lost and of his or her ownership thereof, and upon furnishing the District and the Trustee with indemnity satisfactory to them.

Section 209. Parity Obligations Under Credit Agreements. As may be provided for or required in any Supplemental Indenture, the District may incur financial obligations under a Letter of Credit Agreement or a Liquidity Agreement payable on parity with respect to the lien on the Trust Estate pledged to a Series of Bonds issued under this Master Indenture and a Supplemental Indenture, without meeting any financial test or requirement set forth in this Master Indenture or the corresponding Supplemental Indenture, but only if the Letter of Credit Agreement or Liquidity Agreement supports a related Series of Bonds then being issued which does meet such tests or requirements.

Section 210. Bond Anticipation Notes. Whenever the District shall authorize the issuance of a Series of Bonds, the District may by resolution authorize the issuance of Bond Anticipation Notes in anticipation of the sale of such authorized Series of Bonds in a principal amount not exceeding the principal amount of such Series of Bonds. The aggregate principal amount of Bonds of such Series and all other Bonds previously authenticated and delivered to pay the Cost of the Series Project or Series Projects for which the proceeds of the Bond Anticipation Notes will be applied shall not exceed such Cost. The interest on such Bond Anticipation Notes may be payable out of the related Series Interest Account to the extent provided in the resolution of the District authorizing such Bond Anticipation Notes. The principal of and interest on such Bond Anticipation Notes and renewals thereof shall be payable from any moneys of the District available therefor or from

22

Installments, if any, for the Term Bonds of such Series, awarding the Series of Bonds, specifying the interest rates or the method for calculating such interest rates with respect to such Series of Bonds, specifying the redemption provisions and prices thereupon, specifying other details of such Series of Bonds, and directing the delivery of such Series of Bonds to or upon the order of the initial purchaser thereof upon payment of the purchase price therefor set forth in such Supplemental Indenture;

(iii) an opinion of counsel for the District substantially to the effect that the signer is of the opinion that this Master Indenture and the Supplemental Indenture relating to such Series of Bonds have been duly and validly authorized in accordance with the terms hereof and of the Act, and have been duly approved and adopted, that the issuance of such Series of Bonds has been duly authorized, and that this Master Indenture and the Supplemental Indenture constitute binding obligations of the District, enforceable against the District in accordance with their terms except as enforcement thereof may be affected by bankruptcy and other similar laws relating to creditor's rights generally; and

(iv) an opinion of Bond Counsel for the District substantially to the effect that the signer is of the opinion that the Bonds of such Series are valid, binding and enforceable obligations of the District and, if such Series of Bonds are Tax-Exempt Bonds, that interest thereon is excludable from gross income of the Owners under the income tax laws of the United States in effect on the date such Series of Bonds are delivered to the initial purchasers.

Execution of a Series of Bonds by the District shall be conclusive evidence of satisfaction of the conditions precedent set forth in this Section 207(b) as to the District and payment to the Trustee of the initial purchase price for a Series of Bonds shall be conclusive evidence of satisfaction of the conditions precedent set forth in this Section 207(b) as to the underwriter of such Series of Bonds.

The Trustee shall be provided with reliance letters with respect to the opinions required in paragraphs (iii) and (iv) above. When the documents mentioned in subsections (i) through (iv) above shall have been received, and when the Bonds of such Series shall have been executed and authenticated as required by this Master Indenture, such Series of Bonds shall be delivered to, or upon the order of, the District, but only upon payment to the Trustee of the purchase price of such Series of Bonds, together with accrued interest, if any, thereon as set forth in a certificate of delivery and payment executed by the Chairman of the District.

(c) To the extent not set forth in the Supplemental Indenture authorizing the issuance of a Series of Bonds, the proceeds (including accrued interest and any premium) of each Series of Bonds shall be applied as soon as practicable upon delivery thereof to the Trustee as follows:

21

the proceeds of the sale of the Series of Bonds in anticipation of which such Bond Anticipation Notes are issued. The proceeds of sale of Bond Anticipation Notes shall be applied to the purposes for which the Bonds anticipated by such Bond Anticipation Notes are authorized and shall be deposited in the appropriate Fund or Account established by the Indenture for such purposes; provided, however, that the resolution or resolutions authorizing such Bond Anticipation Notes may provide for the payment of interest on such Bond Anticipation Notes from the proceeds of sale of such Bond Anticipation Notes and for the deposit in the related Series Capitalized Interest Account. In the event that the District adopts a resolution authorizing the issuance of Bond Anticipation Notes, the District will promptly furnish to the Trustee a copy of such resolution, certified by an Authorized Officer, together with such information with respect to such Bond Anticipation Notes as the Trustee may reasonably request, including, without limitation, information as to the paying agent or agents for such Bond Anticipation Notes. The Trustee shall have no duties or obligations to the holders of such Bond Anticipation Notes unless specifically so authorized by the resolution of the District authorizing the issuance of such Bond Anticipation Notes and unless the Trustee accepts in writing such duties and obligations.

Section 211. Tax Status of Bonds. Any Series of Bonds issued under this Master Indenture may be issued either as Tax-Exempt Bonds or Taxable Bonds. The intended tax status of any Series of Bonds to be issued may be referenced in any Supplemental Indenture authorizing the issuance of such Series of Bonds.

**ARTICLE III
REDEMPTION OF BONDS**

Section 301. Redemption Generally. The Bonds of any Series shall be subject to redemption, either in whole on any date or in part on any Interest Payment Date, and at such times, in the manner and at such prices, as may be provided by the Supplemental Indenture authorizing the issuance of such Series of Bonds. The District shall provide written notice to the Trustee of any optional redemption on or before the forty-fifth (45th) day next preceding the date to be fixed for such optional redemption. Notwithstanding any other provision of this Master Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

Unless otherwise provided in the Supplemental Indenture relating to a Series of Bonds, if less than all of the Bonds of a Series shall be called for redemption, the particular Bonds of such Series to be redeemed shall be selected by lot in such reasonable manner as the Bond Registrar in its discretion may determine. The portion of any Series of Bonds to be redeemed shall be in an Authorized Denomination and, in selecting the Bonds of such Series to be redeemed, the Bond

23

Registrar shall treat each such Bond as representing that number of Bonds of such Series which is obtained by dividing the principal amount of such Bond by an Authorized Denomination (such amount being hereinafter referred to as the "unit of principal amount").

If it is determined that one or more, but not all, of the units of principal amount represented by any such Bond is to be called for redemption, then upon notice of intention to redeem such unit or units of principal amount as provided below, the registered Owner of such Bond, upon surrender of such Bond to the Paying Agent for payment to such registered Owner of the redemption price of the unit or units of principal amount called for redemption, shall be entitled to receive a new Bond or Bonds of such Series in the aggregate principal amount of the unredeemed balance of the principal amount of such Bond. New Bonds of such Series representing the unredeemed balance of the principal amount shall be issued to the Owner thereof without any charge therefor. If the Owner of any Bond of a denomination greater than the unit of principal amount to be redeemed shall fail to present such Bond to the Paying Agent for payment in exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the unit or units of principal amount called for redemption.

Subject to the provisions of Section 506(b) hereof, the District may purchase a Bond or Bonds of a Series in the open market at a price no higher than the highest Redemption Price (including premium) for the Bond to be so purchased with any funds legally available therefor and any such Bonds so purchased shall be credited to the amounts otherwise required to be deposited for the payment of Bonds of such Series as provided in Section 506(b) hereof or as otherwise provided in the Supplemental Indenture relating to such Series of Bonds.

Section 302. Notice of Redemption; Procedure for Selection. The District shall establish each redemption date, other than in the case of a mandatory redemption, in which case the Trustee shall establish the redemption date, and the District or the Trustee, as the case may be, shall notify the Bond Registrar in writing of such redemption date on or before the forty-fifth (45th) day next preceding the date fixed for redemption, which notice shall set forth the terms of the redemption and the aggregate principal amount of Bonds to be redeemed. Except as otherwise provided herein, notice of redemption shall be given by the Bond Registrar not less than thirty (30) nor more than forty-five (45) days prior to the date fixed for redemption by first-class mail, postage prepaid, to any Paying Agent for the Bonds to be redeemed and to the registered Owner of each Bond to be redeemed, at the address of such registered Owner on the registration books maintained by the Bond Registrar (and, for any Owner of \$1,000,000 or more in principal amount of Bonds, to one additional address if written request therefor is provided to the Bond Registrar prior to the Record Date); and a second notice of redemption shall be sent by registered or certified mail at such address to any Owner who has not submitted his Bond to the Paying Agent for payment on or

24

any, accrued thereon to the redemption date, and such Bonds shall no longer be deemed to be Outstanding.

Section 304. Cancellation. Bonds called for redemption shall be canceled upon the surrender thereof pursuant to the provisions of Section 511 hereof.

ARTICLE IV ACQUISITION AND CONSTRUCTION FUND

Section 401. Acquisition and Construction Fund. There is created and established by Section 502 hereof a fund designated as the "Acquisition and Construction Fund" which shall be held by the Trustee and there shall be deposited to the credit of the Series Acquisition and Construction Accounts the amounts specified in the Supplemental Indenture relating to such Series of Bonds.

Section 402. Payments from Acquisition and Construction Fund. Payments of the Cost of constructing and acquiring a Series Project shall be made from the Acquisition and Construction Fund as herein provided. All such payments shall be subject to the provisions and restrictions set forth in this Article IV and in Article V hereof, and the District covenants that it will not request any sums to be paid from the Acquisition and Construction Fund except in accordance with such provisions and restrictions. Moneys in the Acquisition and Construction Fund shall be disbursed by check, voucher, order, draft, certificate or warrant signed by any one or more officers or employees of the Trustee legally authorized to sign such items or by wire transfer to an account specified by the payee upon satisfaction of the conditions for disbursement set forth in Section 503(b) hereof.

Section 403. Cost of a Series Project. For the purposes of this Master Indenture, the Cost of a Series Project shall include, without intending thereby to limit or to restrict or expand any proper definition of such cost under the Act, other applicable provisions of State law, or this Master Indenture, the following:

(a) **Expenses of Bond Issuance.** All expenses and fees relating to the issuance of the Bonds, including, but not limited to, initial Credit Facility or Liquidity Facility fees and costs, attorneys' fees, underwriting fees and discounts, the Trustee's acceptance fees and costs, Trustee's counsel fees and costs, rating agency fees, fees of financial advisors, engineer's fees and costs, administrative expenses of the District, the costs of preparing audits and engineering reports, the costs of preparing reports, surveys, and studies, and the costs of printing the Bonds and preliminary and final disclosure documents.

The notice shall require that such Bonds be surrendered at the designated corporate trust office of the Paying Agent for redemption at the Redemption Price and shall state that further interest on such Bonds will not accrue from and after the redemption date; provided, however, that such presentation shall not be required while such Bonds are registered in book-entry only format. CUSIP number identification with appropriate dollar amounts for each CUSIP number also shall accompany all redemption payments.

Any required notice or redemption shall also be sent by registered mail, overnight delivery service, telecopy or other secure means, postage prepaid, to any Owner of \$1,000,000 or more in aggregate principal amount of Bonds to be redeemed, to certain municipal registered securities depositories in accordance with the then-current guidelines of the Securities and Exchange Commission, which are known to the Bond Registrar to be holding Bonds thirty-two (32) days prior to the redemption date and to at least two of the national information services that disseminate securities redemption notices in accordance with the then-current guidelines of the Securities and Exchange Commission, when possible, at least thirty (30) days prior to the redemption date; provided that neither failure to send or receive any such notice nor any defect in any notice so mailed shall affect the sufficiency of the proceedings for the redemption of such Bonds.

Failure to give notice by mailing to the Owner of any Bond designated for redemption or to any depository or information service shall not affect the validity of the proceedings for the redemption of any other Bond.

Section 303. Effect of Calling for Redemption. On the date designated for redemption of any Bonds, notice having been filed and mailed in the manner provided above, the Bonds called for redemption shall be due and payable at the Redemption Price provided for the redemption of such Bonds on such date and, moneys for payment of the Redemption Price being held in a separate account by the Paying Agent in trust for the Owners of the Bonds to be redeemed, interest on the Bonds called for redemption shall cease to be entitled to any benefit under this Master Indenture, and the Owners of such Bonds shall have no rights in respect thereof, except to receive payment of the Redemption Price thereof, and interest, if

(d) Reserve Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Reserve Account for each such Series of Bonds issued hereunder and any Bonds issued on a parity with any such Series of Bonds hereunder; and

(e) Rebate Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Rebate Account for each such Series of Tax-Exempt Bonds issued hereunder.

Notwithstanding the foregoing, the Supplemental Indenture authorizing any Series of Bonds may establish such other Accounts or dispense with the Accounts set forth above as shall be deemed advisable by the District in connection with such Series of Bonds.

**ARTICLE V
ESTABLISHMENT OF FUNDS AND APPLICATION THEREOF**

Section 501. Lien. There is hereby irrevocably pledged for the payment of the Bonds of each Series issued hereunder, subject only to the provisions of this Master Indenture and any Supplemental Indenture permitting the application thereof for the purposes and on the terms and conditions set forth in this Master Indenture and any such Supplemental Indenture with respect to each Series of Bonds, the Trust Estate; provided, however, that unless otherwise specifically provided herein or in a Supplemental Indenture relating to a Series of Bonds with respect to the Series Trust Estate securing such Series of Bonds, the Pledged Funds and Pledged Revenues securing a Series of Bonds shall secure only such Series of Bonds and shall not secure any other Bonds or Series of Bonds.

The foregoing pledge shall be valid and binding from and after the date of initial delivery of the Bonds and the proceeds of sale of the Bonds and all the moneys, securities and funds set forth in this Section 501 shall immediately be subject to the lien of the foregoing pledge, which lien is hereby created, without any physical delivery thereof or further act. Such lien shall be valid and binding as against all parties having claims of any kind in tort, contract or otherwise against the District or the Trustee, irrespective of whether such parties have notice thereof. Such lien shall be prior and superior to all other liens now existing or hereafter created.

Section 502. Establishment of Funds. The following funds are hereby established and shall be held by the Trustee:

(a) Acquisition and Construction Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Acquisition and Construction Account and a separate Series Costs of Issuance Account for each Series of Bonds issued hereunder;

(b) Revenue Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Revenue Account for each Series of Bonds issued hereunder;

(c) Debt Service Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds,

(i) a Series Debt Service Account, and therein a Series Interest Account, a Series Principal Account, a Series Sinking Fund Account and a Series Capitalized Interest Account, and

(ii) a Series Redemption Account and therein a Series Prepayment Subaccount and a Series Optional Redemption Subaccount,

29

(b) **Disbursements.** Unless otherwise provided in the Supplemental Indenture authorizing the issuance of such Series of Bonds, payments from a Series Acquisition and Construction Account shall be paid in accordance with the provisions of this subsection (b). Before any such payment shall be made, the District shall file with the Trustee a requisition in the form of Exhibit A attached hereto, signed by an Authorized Officer.

Upon receipt of each such requisition and accompanying certificate, the Trustee shall promptly withdraw from the Series Acquisition and Construction Account and pay to the person, firm or corporation named in such requisition the amount designated in such requisition. The Trustee shall have no duty to investigate either the accuracy or validity of the items delivered pursuant to this Section 503(b) or whether such amount is properly payable hereunder or under the Supplemental Indenture for such Series of Bonds.

(c) **Inspection.** All requisitions and certificates received by the Trustee pursuant to this Article V shall be retained in the possession of the Trustee, subject at all reasonable times to the inspection of the District, the Consulting Engineer, the Owner of at least twenty-five percent (25%) in principal amount of any Outstanding Bonds of the related Series, and the agents and representatives thereof.

(d) **Completion of Series Project.** On the Date of Completion of a Series Project, the balance in the related Series Acquisition and Construction Account not reserved by the District for the payment of any remaining part of the Cost of acquiring or constructing the Series Project shall be applied in accordance with the provisions of Section 404 hereof. The Trustee shall have no duty to determine whether the Date of Completion has occurred and the Trustee shall not be deemed to have knowledge that the Date of Completion has occurred until the Trustee has received the certificate of the Consulting Engineer establishing such Date of Completion as specified in the definition of Date of Completion in Section 101 hereof.

Section 504. Revenue Fund. The District hereby covenants and agrees that it will assess, impose, establish and collect the Pledged Revenues with respect to each Series of Bonds in amounts and at times sufficient to pay, when due, the principal of, premium, if any, and interest on such Series of Bonds. The District hereby covenants and agrees to immediately deposit upon receipt all such Pledged Revenues with the Trustee (including Prepayments, which shall be identified as such by the District at the time of deposit with the Trustee), and the Trustee shall immediately deposit all such Pledged Revenues, when received, into the related Series Revenue Account and immediately deposit all Prepayments, when received, into the related Series Prepayment Subaccount in the Series Redemption Account, unless otherwise provided for in the Supplemental Indenture relating to a Series of Bonds.

Section 505. Debt Service Fund.

(a) **Principal, Maturity Amount, Interest and Amortization Installments.** Except as otherwise provided in a Supplemental Indenture, on the Business Day preceding each Interest Payment Date on the Bonds, the Trustee shall withdraw from the Series Revenue Account and, from the amount so withdrawn, shall make the following deposits in the following order of priority:

(i) to the related Series Interest Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the amount of interest payable on the Bonds of such Series on such Interest Payment Date;

(ii) to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the principal amount, if any, payable with respect to Serial Bonds of such Series on such Interest Payment Date;

(iii) in each Bond Year in which Term Bonds of such Series are subject to mandatory redemption from Amortization Installments, to the related Series Sinking Fund Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the Amortization Installment payable on the Term Bonds of such Series on such Interest Payment Date;

(iv) in each Bond Year in which Capital Appreciation Bonds of such Series mature, to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the Maturity Amount payable with respect to the Capital Appreciation Bonds of such Series maturing on such Interest Payment Date;

(v) to the Series Reserve Account, an amount, if any, which, together with other amounts, if any, then on deposit therein, will equal the Series Reserve Account Requirement; and

(vi) to the Series Rebate Account, the Rebate Amount, if any, required to be deposited therein pursuant to the Supplemental Indenture related to a Series of Tax-Exempt Bonds.

Notwithstanding the foregoing, so long as there are moneys on deposit in the related Series Capitalized Interest Account on the date required for any transfer into the Series Interest Account as set forth above, the Trustee shall, prior to making any transfer into the related Series Interest Account from the related Series Revenue Account, transfer to the related Series Interest Account from the related Series Capitalized Interest Account, the lesser of the interest on such Series of

(e) **Series Redemption Account.** Moneys representing Prepayments on deposit in a Series Prepayment Subaccount to the full extent of a multiple of an Authorized Denomination shall, unless otherwise provided in the Supplemental Indenture relating to such Series of Bonds, be used by the Trustee to redeem Bonds of such Series on the earliest date on which such Bonds are permitted to be called without payment of premium by the terms hereof (including extraordinary mandatory redemption) and of the Supplemental Indenture relating to such Series of Bonds. Such redemption shall be made pursuant to the provisions of Article III hereof. The District shall pay all expenses incurred by the Trustee and Paying Agent in connection with such redemption. Moneys other than from Prepayments shall be held and applied in a Series Redemption Account as provided in Section 506(a) hereof.

(f) **Payment to the District.** When no Bonds of a Series remain Outstanding, and after all expenses and charges herein and in the related Supplemental Indenture required to be paid have been paid as certified to the Trustee in writing by an Authorized Officer, and after all amounts due and owing to the Trustee have been paid in full, the Trustee shall pay any balance in the Accounts for such Series of Bonds to the District upon the written direction of an Authorized Officer, free and clear of any lien and pledge created by this Master Indenture; provided, however, that if an Event of Default has occurred and is continuing in the payment of the principal or Maturity Amount of, or interest or premium on the Bonds of any other Series, the Trustee shall pay over and apply any such excess pro rata (based upon the ratio of the aggregate principal amount of such Series of Bonds to the aggregate principal amount of all Series of Bonds then Outstanding and for which such an Event of Default has occurred and is continuing) to each other Series of Bonds for which such an Event of Default has occurred and is continuing.

Section 506. Optional Redemption.

(a) **Excess Amounts in Series Redemption Account.** The Trustee shall, but only at the written direction of an Authorized Officer on or prior to the forty-fifth (45th) day preceding the date of redemption, call for redemption on each Interest Payment Date on which Bonds are subject to optional redemption, from moneys on deposit in a Series Redemption Account such amount of Authorized Denominations of Bonds of such Series then subject to optional redemption as, with the redemption premium, if any, will exhaust such amount as nearly as may be practicable. Such redemption shall be made pursuant to the provisions of Article III hereof. The District shall pay all expenses incurred by the Trustee and Paying Agent in connection with such redemption.

(b) **Purchase of Bonds of a Series.** The District may purchase Bonds of a Series then Outstanding at any time, whether or not such Bonds shall then be subject to redemption, at the most advantageous price obtainable with reasonable

Bonds coming due on the next succeeding Interest Payment Date or the amount remaining on deposit in the related Series Capitalized Interest Account.

(b) **Disposition of Remaining Amounts on Deposit in Series Revenue Account.** The District shall authorize the withdrawal, from time to time, from the Series Revenue Account an amount sufficient to pay the fees and charges of the Trustee, Bond Registrar, and Paying Agent, when due. Subject to the provisions of Section 604 hereof, if (i) the amount on deposit in the Series Interest Account, Series Principal Account, Series Sinking Fund Account and Series Redemption Account in each Bond Year equals the interest payable on the Bonds of such Series in such Bond Year, the principal amount of all Serial Bonds payable in such Bond Year, the Maturity Amount of all Capital Appreciation Bonds due in such Bond Year and the Amortization Installments required to be paid in such Bond Year, and (ii) any amounts remain in the Series Revenue Account on November 2 of such Bond Year, then such amounts shall, at the written direction of the District, be applied to pay the commissions, fees, costs and any other charges of the Tax Collector and the Property Appraiser or, if such commissions, fees, costs, or other charges have been paid by the District, then to reimburse the District for such payment upon written request of an Authorized Officer. If, after such amounts have been withdrawn, paid and provided for as provided above, any amounts remain in the Series Revenue Account, such amounts shall be disbursed to the District on written request of an Authorized Officer and applied to pay the operating and administrative costs and expenses of the District. After making the payments provided for in this subsection (b), the balance, if any, remaining in the Series Revenue Account shall be retained therein or, at the written direction of an Authorized Officer to the Trustee, transferred into the Series Prepayment Subaccount of the Series Redemption Account. Upon the occurrence and continuance of an Event of Default hereunder, the foregoing transfer to the Series Prepayment Subaccount shall not be made.

(c) **Series Reserve Account.** Except as otherwise provided for herein or in a Supplemental Indenture, moneys held for the credit of a Series Reserve Account shall be used for the purpose of paying interest or principal or Amortization Installment or Maturity Amount on the Bonds of the related Series whenever amounts on deposit in the Series Debt Service Account shall be insufficient for such purpose.

(d) **Series Debt Service Account.** Moneys held for the credit of a Series Interest Account, Series Principal Account and Series Sinking Fund Account in a Series Debt Service Account shall be withdrawn therefrom by the Trustee and transferred by the Trustee to the Paying Agent in amounts and at times sufficient to pay, when due, the interest on the Bonds of such Series, the principal of Serial Bonds of such Series, the Maturity Amount of Capital Appreciation Bonds of such Series and the Amortization Installments of Term Bonds of such Series, as the case may be.

diligence, having regard to maturity, option to redeem, rate and price, such price not to exceed the principal of such Bonds plus the amount of the premium, if any, which would be payable on the next redemption date to the Owners of such Bonds under the provisions of this Master Indenture and the Supplemental Indenture pursuant to which such Series of Bonds was issued if such Bonds were called for redemption on such date. Before making each such purchase, the District shall file with the Trustee a statement in writing directing the Trustee to pay the purchase price of the Bonds of such Series so purchased upon their delivery and cancellation, which statement shall set forth a description of such Bonds, the purchase price to be paid therefor, the name of the seller, and the place of delivery of the Bonds. The Trustee shall pay the interest accrued on such Bonds to the date of delivery thereof from the related Series Interest Account and the principal portion of the purchase price of Serial Bonds from the related Series Principal Account, but no such purchase shall be made after the Record Date in any Bond Year in which Bonds have been called for redemption. To the extent that insufficient moneys are on deposit in a related Series Interest Account to pay the accrued interest portion of the purchase price of any Bonds or in a related Series Principal Account to pay the principal amount of the purchase price of any Serial Bond, the Trustee shall transfer into such Accounts from the related Series Revenue Account sufficient moneys to pay such respective amounts. In the event that there are insufficient moneys on deposit in the related Series Sinking Fund Account with which to pay the principal portion of the purchase price of any Term Bonds, the Trustee may, at the written direction of the District, transfer moneys into such related Series Sinking Fund Account from the related Series Revenue Account to pay the principal amount of such purchase price, but only in an amount no greater than the Amortization Installment related to such Series of Bonds coming due in the current Bond Year calculated after giving effect to any other purchases of Term Bonds during such Bond Year. The Trustee may pay the principal portion of the purchase price of Bonds from the related Series Redemption Account, but only upon delivery of written instructions from an Authorized Officer of the District to the Trustee accompanied by a certificate of an Authorized Officer: (A) stating that sufficient moneys are on deposit in the Series Redemption Account to pay the purchase price of such Bonds; (B) setting forth the amounts and maturities of Bonds of such Series which are to be redeemed from such amounts; and (C) containing cash flows which demonstrate that, after giving effect to the purchase of Bonds in the amounts and maturities set forth in clause (B) above, the Pledged Revenues to be received by the District in the current and each succeeding Bond Year will be sufficient to pay the principal, Maturity Amount and Amortization Installments of and interest on all Bonds of such Series. The Trustee may pay the principal portion of the purchase price of any Term Bonds from the related Series Sinking Fund Account, but only Term Bonds of a maturity having Amortization Installments in the current Bond Year and in the principal amount no greater than the Amortization Installment related to such Series of Bonds coming due in the current Bond Year (calculated after giving effect to any other purchases of Term Bonds during such Bond Year).

The Trustee may pay the principal portion of the purchase price of Term Bonds having maturities different from or in amounts greater than set forth in the preceding sentence from amounts on deposit in the related Series Sinking Fund Account and the Trustee may transfer moneys from the related Series Revenue Account to the related Series Sinking Fund Account for such purpose, but only upon delivery of written instructions from an Authorized Officer to the Trustee accompanied by a certificate of an Authorized Officer: (X) stating that sufficient moneys are on deposit in the Series Sinking Fund Account, after giving effect to any transfers from the related Series Revenue Account, to pay the principal portion of the purchase price of such Term Bonds; (Y) setting forth the amounts and maturities of Term Bonds of such Series which are to be redeemed from such amounts and the Amortization Installments against which the principal amount of such purchases are to be credited; and (Z) containing cash flows which demonstrate that, after giving effect to the purchase of Term Bonds in the amounts and having the maturities and with the credits against Amortization Installments set forth in clause (Y) above and any transfers from the related Series Revenue Account, the Pledged Revenues to be received by the District in the current and in each succeeding Bond Year will be sufficient to pay the principal, Maturity Amount and Amortization Installments of and interest on all Bonds of such Series. If any Bonds are purchased pursuant to this subsection (b), the principal amount of the Bonds so purchased shall be credited as follows:

(i) if the Bonds are to be purchased from amounts on deposit in the Series Prepayment Subaccount of a Series Redemption Account, against the principal coming due or Amortization Installments set forth in the certificate of the Authorized Officer accompanying the direction of the District to effect such purchase; or

(ii) if the Bonds are Term Bonds of a Series, against the Amortization Installments for Bonds of such Series first coming due in the current Bond Year or, if such Term Bonds so purchased are to be credited against Amortization Installments coming due in any succeeding Bond Year, against the Amortization Installments on Term Bonds of such Series maturing on the same date and designated in the certificate of the Authorized Officer accompanying the direction of the District to effect such purchase; or

(iii) against the principal or Maturity Amount of Serial Bonds coming due on the maturity date of such Serial Bonds.

Section 507. Rebate Fund.

(a) **Creation.** There is created and established by Section 502 hereof a Rebate Fund, and within the Rebate Fund a Series Rebate Account for each Series

36

(b) **Series Reserve Account.** Moneys held for the credit of a Series Reserve Account shall be continuously invested and reinvested by the Trustee in Investment Obligations as directed in writing by an Authorized Officer.

(c) **Investment Obligations as a Part of Funds and Accounts.** Investment Obligations purchased as an investment of moneys in any Fund or Account shall be deemed at all times to be a part of such Fund or Account, and the interest accruing thereon and profit realized from such investment shall be credited as provided in Section 510 hereof. Any loss resulting from such investment shall be charged to such Fund or Account. The foregoing notwithstanding, for purposes of investment and to the extent permitted by law, amounts on deposit in any Fund or Account may be commingled for purposes of investment, provided adequate care is taken to account for such amounts in accordance with the prior sentence. The Trustee may, upon the written direction of an Authorized Officer, transfer investments within such Funds or Accounts without being required to sell such investments. The Trustee shall sell at the best price obtainable or present for redemption any obligations so purchased whenever it shall be necessary so to do in order to provide moneys to meet any payment or transfer from any such Fund or Account. The Trustee shall not be liable or responsible for any loss resulting from any such investment or for failure to make an investment (except failure to make an investment in accordance with the written direction of an Authorized Officer) or for failure to achieve the maximum possible earnings on investments. The Trustee shall have no obligation to invest funds without written direction from an Authorized Officer.

(d) **Valuation.** In computing the value of the assets of any Fund or Account, investments and earnings thereon shall be deemed a part thereof. The Trustee shall value the assets in each of the Funds and Accounts established hereunder as of September 30 of each Fiscal Year, and as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the District a report of the status of each Fund and Account as of the valuation date. For the purpose of determining the amount on deposit to the credit of any Fund or Account established hereunder, with the exception of a Series Reserve Account, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the Redemption Price thereof, to the extent that any such obligation is then redeemable at the option of the holder. For the purpose of determining the amount on deposit to the credit of a Series Reserve Account, obligations in which money in such Account shall have been invested shall be valued at par, if purchased at par, or at amortized cost, if purchased at other than par, plus, in each case, accrued interest. Amortized cost, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of days remaining to maturity on such obligation at the date of such purchase and by multiplying the amount thus

38

of Tax-Exempt Bonds. Moneys deposited and held in the Rebate Fund shall not be subject to the pledge of this Master Indenture.

(b) **Payment to United States.** The Trustee shall pay to the District, upon written request of the District, the Rebate Amount required to be paid to the United States at the times, in the manner and as calculated in accordance with the Supplemental Indenture related to a Series of Tax-Exempt Bonds. The Trustee shall have no responsibility for computation of the Rebate Amount and instead the District shall cause the Rebate Amount to be calculated by the Rebate Analyst and shall cause the Rebate Analyst to deliver such computation to the Trustee as provided in the Supplemental Indenture related to a Series of Tax-Exempt Bonds but before the date of any required payment of the Rebate Amount to the Internal Revenue Service. The fees of, and expenses incurred by, the Rebate Analyst in computing the Rebate Amount shall be paid by the District, which amount shall be treated as administrative and operating expenses of the District payable or reimbursable from the Series Revenue Account in accordance with Section 505(b) hereof.

(c) **Deficiencies.** If the Trustee does not have on deposit in the Series Rebate Account sufficient amounts to make the payments required by this Section 507, the District shall pay, from any legally available source, the amount of any such deficiency to the United States as provided in paragraph (b) above. The Trustee shall have no duty to pay such deficiency from its own funds.

(d) **Survival.** The covenants and agreements of the District in this Section 507 and Section 809, and any additional covenants related to compliance with provisions necessary in order to preserve the exclusion of interest on the Tax-Exempt Bonds of a Series from gross income for federal income tax purposes shall survive the defeasance of the Bonds of such Series in accordance with Article XII hereof.

Section 508. Investment of Funds and Accounts. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, moneys held for the credit of the Accounts for such Series of Bonds shall be invested as hereinafter in this Section 508 provided.

(a) **Series Acquisition and Construction Account, Series Revenue Account and Series Debt Service Account.** Moneys held for the credit of a Series Acquisition and Construction Account, a Series Revenue Account, and a Series Debt Service Account shall, as nearly as may be practicable, be continuously invested and reinvested by the Trustee in Investment Obligations as directed in writing by an Authorized Officer, which Investment Obligations shall mature, or shall be subject to redemption by the holder thereof at the option of such holder, not later than the respective dates, as estimated by an Authorized Officer, when moneys held for the credit of each such Account will be required for the purposes intended.

37

calculated by the number of days having passed since such purchase; and (i) in the case of an obligation purchased at a premium by deducting the product thus obtained from the purchase price, and (ii) in the case of an obligation purchased at a discount by adding the product thus obtained to the purchase price.

Section 509. Deficiencies and Surpluses in Funds and Accounts. For purposes of this Section 509, (a) a "deficiency" shall mean, in the case of a Series Reserve Account, that the amount on deposit therein is less than the Series Reserve Account Requirement (but only after the Bond Year in which the amount on deposit therein first equals the Series Reserve Account Requirement), and (b) a "surplus" shall mean in the case of a Series Reserve Account, that the amount on deposit therein is in excess of the Series Reserve Account Requirement.

At the time of any withdrawal from a Series Reserve Account that results in a deficiency therein, the Trustee shall promptly notify the District of the amount of any such deficiency and the Trustee shall withdraw the amount of such deficiency from the related Series Revenue Account and, if amounts on deposit therein are insufficient therefor, the District shall pay the amount of such deficiency to the Trustee, for deposit in such Series Reserve Account, from the first legally available sources of the District.

The Trustee, as of the close of business on the last Business Day in each Bond Year, after taking into account all payments and transfers made as of such date, shall compute, in the manner set forth in Section 508(d), the value of the Series Reserve Account and shall promptly notify the District of the amount of any deficiency or surplus as of such date in such Series Reserve Account. The District shall immediately pay the amount of any deficiency to the Trustee, for deposit in the Series Reserve Account, from any legally available sources of the District. The Trustee, as soon as practicable after such computation, shall deposit any surplus, at the direction of an Authorized Officer, to the credit of the Series Revenue Account, or as otherwise provided in the related Supplemental Indenture.

Section 510. Investment Income. Unless otherwise provided in a Supplemental Indenture, earnings on Investments in a Series Acquisition and Construction Account, a Series Interest Account, a Series Capitalized Interest Account and a Series Revenue Account shall be retained, as realized, to the credit of such Account and used for the purpose of such Account. Unless otherwise provided in a Supplemental Indenture, earnings on investments in the Funds and Accounts other than a Series Reserve Account and other than as set forth above shall be deposited, as realized, to the credit of such Series Revenue Account and used for the purpose of such Account.

Earnings on investments in a Series Reserve Account shall, unless otherwise provided in a Supplemental Indenture, be disposed of as follows:

(a) if there was no deficiency (as defined in Section 509 above) in the Series Reserve Account as of the most recent date on which amounts on deposit in the Series Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series Reserve Account since such date, then earnings on investments in the Series Reserve Account shall be deposited to the Series Revenue Account; or

(b) if there was a deficiency (as defined in Section 509 above) in the Series Reserve Account as of the most recent date on which amounts on deposit in the Series Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series Reserve Account and have created such a deficiency, then earnings on investments in the Series Reserve Account shall be retained in the Series Reserve Account until the amount on deposit therein equals the Series Reserve Account Requirement and thereafter shall be deposited to the Series Revenue Account.

Section 511. Cancellation of Bonds. All Bonds paid, redeemed or purchased, either at or before maturity, shall be canceled upon the payment, redemption or purchase of such Bonds. All Bonds canceled under any of the provisions of this Master Indenture shall be destroyed by the Paying Agent, which shall upon request of the District execute a certificate in duplicate describing the Bonds so destroyed. One executed certificate shall be filed with the Trustee and the other executed certificate shall be retained by the Paying Agent.

ARTICLE VI CONCERNING THE TRUSTEE

Section 601. Acceptance of Trust. The Trustee accepts and agrees to execute the trusts hereby created, but only upon the additional terms set forth in this Article VI, to all of which the parties hereto and the Owners agree. The Trustee shall have only those duties expressly set forth herein, and no duties shall be implied against the Trustee.

Section 602. No Responsibility for Recitals. The recitals, statements and representations in this Master Indenture, in any Supplemental Indenture or in the Bonds, save only the Trustee's authentication certificate, if any, upon the Bonds, have been made by the District and not by the Trustee, and the Trustee shall be under no responsibility for the correctness thereof.

Section 603. Trustee May Act Through Agents; Answerable Only for Willful Misconduct or Gross Negligence. The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers or employees, and shall be entitled to advice of counsel concerning all questions hereunder, and the Trustee shall not be answerable for the default or misconduct of any attorney, agent or employee selected by it with reasonable care. In performance

knowledge of any payment default under this Master Indenture or under any Supplemental Indenture and after receipt of written notice thereof by a Credit Facility issuer or Liquidity Facility issuer of a default under its respective reimbursement agreement, but shall not be deemed to have actual knowledge of any other default unless notified in writing of such default by the Owners of at least twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding and affected by such default. The Trustee may, however, at any time require of the District full information as to the performance of any covenant hereunder; and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the District, an investigation into the affairs of the District.

Section 607. Obligation to Act on Default. Before taking any action under this Master Indenture or any Supplemental Indenture in respect of an Event of Default, or any action that would require the Trustee to expend its own funds, the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability resulting from its own gross negligence or willful misconduct in connection with any such action.

Section 608. Reliance by Trustee. The Trustee may act on any requisition, resolution, notice, telegram, request, consent, waiver, opinion, certificate, statement, affidavit, voucher, bond, or other paper or document or telephone message which it in good faith believes to be genuine and to have been passed, signed or given by the proper persons or to have been prepared and furnished pursuant to any of the provisions of this Master Indenture or any Supplemental Indenture, and the Trustee shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement.

Section 609. Trustee May Deal in Bonds. The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Owners may be entitled to take with like effect as if the Trustee were not a party to this Master Indenture or any Supplemental Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the District.

Section 610. Construction of Ambiguous Provision. The Trustee may construe any ambiguous or inconsistent provisions of this Master Indenture or any Supplemental Indenture and any construction by the Trustee shall be binding upon the Owners. The Trustee shall give prompt written notice to the District of any intention to make such construal.

Section 611. Resignation of Trustee. The Trustee may resign and be discharged of the trusts created by this Master Indenture by written resignation

of its duties hereunder, the Trustee may rely on the advice of counsel and shall not be held liable for actions taken in reliance on the advice of counsel. The Trustee shall not be answerable for the exercise of any discretion or power under this Master Indenture or any Supplemental Indenture nor for anything whatsoever in connection with the trust hereunder, except only its own gross negligence or willful misconduct.

Section 604. Compensation and Indemnity. The District shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, including the reasonable fees and expenses of Trustee's counsel, and to the extent permitted under State law shall indemnify the Trustee and hold the Trustee harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder except with respect to its own negligence or misconduct. The Trustee shall have no duty in connection with its responsibilities hereunder to advance its own funds nor shall the Trustee have any duty to take any action hereunder without first having received indemnification satisfactory to it. If the District defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys received or held by the Trustee under this Master Indenture or any Supplemental Indenture other than moneys from a Credit Facility or Liquidity Facility. This Section 604 shall survive termination of this Master Indenture and any Supplemental Indenture, and as to any Trustee, its resignation or removal thereof. As security for the foregoing, the District hereby grants to the Trustee a security interest in and to the amounts on deposit in all Series Funds and Accounts (other than the Rebate Fund) thereby, in effect, granting the Trustee a first charge against these moneys following an Event of Default for its fees and expenses (including legal counsel and default administration costs and expenses), subordinate and inferior to the security interest granted to the Owners of the Bonds from time to time secured thereby, but nevertheless payable in the order of priority as set forth in Section 905(a) upon the occurrence of an Event of Default.

Section 605. No Duty to Renew Insurance. The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the District to require or effect or renew insurance or to report or file claims of loss thereunder.

Section 606. Notice of Default; Right to Investigate. The Trustee shall give written notice, as soon as practicable, by first-class mail to registered Owners of Bonds of all defaults of which the Trustee has actual knowledge, unless such defaults have been remedied (the term "defaults" for purposes of this Section 606 and Section 607 being defined to include the events specified as "Events of Default" in Section 902 hereof, but not including any notice or periods of grace provided for therein) or if the Trustee, based upon the advice of counsel upon which the Trustee is entitled to rely, determines that the giving of such notice is not in the best interests of the Owners of the Bonds. The Trustee will be deemed to have actual

The Trustee shall, within ninety (90) days after the close of each Fiscal Year so long as any Bonds are Outstanding, file with the District a summary with respect to each Fund and Account of the deposits thereto and disbursements therefrom during such Fiscal Year and the amounts held therein at the end of such Fiscal Year, or at the option of the Trustee, such summary can be made on a monthly basis. Section 809. Arbitrage and Other Tax Covenants. The District hereby covenants that it will not take any action, and will not fail to take any action, which action or failure would cause any Tax-Exempt Bonds to become "arbitrage bonds" as defined in Section 148 of the Code. The District further covenants that it will take all such actions after delivery of any Tax-Exempt Bonds as may be required in order for interest on such Tax-Exempt Bonds to remain excludable from gross income (as defined in Section 61 of the Code) of the Owners. Without limiting the generality of the foregoing, the District hereby covenants that it will to the extent not remitted by the Trustee from funds held in the Rebate Account, remit to the United States the Rebate Amount at the time and place required by this Master Indenture, any Supplemental Indenture, and the Tax Regulatory Covenants.

In the event the provisions of Chapter 197, Florida Statutes, are inapplicable or unavailable, or in the event that an Assessment or Benefit Special Assessment was directly collected by the District, as permitted by a Supplemental Indenture, then upon the delinquency of any such Assessment or Benefit Special Assessment, the District either on its own behalf, or through the actions of the Trustee may, and shall, if so directed in writing by the Majority Owners of the Bonds of such Series then Outstanding, declare the entire unpaid balance of such Assessment or Benefit Special Assessment, to be in default and, at its own expense, cause such delinquent property to be foreclosed in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate, or pursuant to the provisions of Chapters 170 and 173, and Section 190.026, Florida Statutes, or otherwise as provided by law. The District further covenants to furnish, at its expense, to any Owner of Bonds of the related Series so

If any tax certificates relating to Delinquent Assessments which are pledged to a Series of Bonds are sold by the Tax Collector pursuant to the provisions of Section 197.432, Florida Statutes, or if any such tax certificates are not sold but are later redeemed, the proceeds of such sale or redemption (to the extent that such proceeds relate to the Delinquent Assessments), less any commission or other charges retained by the Tax Collector, shall, if paid by the Tax Collector to the District, be paid by the District to the Trustee not later than five (5) Business Days following receipt of such proceeds by the District and shall be deposited by the Trustee to the credit of the related Series Revenue Account.

Section 814. Sale of Tax Deed or Foreclosure of Assessment or Benefit Special Assessment Lien. If any property shall be offered for sale for the nonpayment of any Assessment or Benefit Special Assessment, which is pledged to a Series of Bonds, and no person or persons shall purchase such property for an amount less than or equal to the full amount due on the Assessments or Benefit Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the District for an amount equal to the balance due on the Assessments or Benefit Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the District and the District shall receive in its corporate name or in the name of a special purpose entity title to the property for the benefit of the Owners of the Series of Bonds to which such Assessments or Benefit Special Assessments were pledged; provided that the Trustee shall have the right, acting at the direction of the Majority Owners of the applicable Series of Bonds secured by such Assessments or Benefit Special Assessments, but shall not be obligated, to direct the District with respect to any action taken pursuant to this paragraph. Section 818. Continuing Disclosure. The District covenants and agrees that it will comply with and carry out all of the provisions of any Continuing Disclosure Agreement. Notwithstanding any other provision of this Master Indenture or any Supplemental Indenture, failure of the District or any other obligated person to comply with any Continuing Disclosure Agreement shall not be considered an Event of Default hereunder; however, the Trustee may (and, at the request of any participating underwriter or the Owners of at least twenty-five percent (25%) aggregate principal amount of Bonds of a Series then Outstanding and receipt of indemnity to its satisfaction, shall) or any Owner or Beneficial Owner of the Bonds of a Series then Outstanding may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the District to comply with its obligations under this Section 818. (f) Under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the District's assets or any part thereof, and such custody or control shall not be terminated within ninety (90) days from the date of assumption of such custody or control;

(g) Any portion of the Assessments or Benefit Special Assessments pledged to a Series of Bonds shall have become Delinquent Assessments and, as the result thereof, the Indenture provides for the Trustee to withdraw funds in an amount greater than twenty-five percent (25%) of the amount on deposit in a Series Reserve Account to pay Debt Service on the corresponding Series of Bonds (regardless of whether the Trustee does or does not, per the direction of the Majority Owners, actually withdraw such funds from the Series Reserve Account to pay Debt Service on the corresponding Series of Bonds);

(h) The District shall default in the due and punctual performance of any of the material covenants, conditions, agreements and provisions contained in the Bonds of such Series or in this Master Indenture or in the Supplemental Indenture relating to such Series of Bonds on the part of the District to be performed (other than a default in the payment of Debt Service on the related Series of Bonds when due, which is an Event of Default under subsection (a) above) and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the District by the Trustee or, if the Trustee is unwilling or unable to act, by Owners of not less than

55

ten percent (10%) in aggregate principal amount of the Bonds of such Series then Outstanding and affected by such default; and

(i) More than twenty percent (20%) of the Operation and Maintenance Assessments levied by the District on tax parcels subject to Assessments or Benefit Special Assessments pledged to a Series of Bonds are not paid by the date such are due and payable.

Section 903. Acceleration of Maturities of Bonds of a Series Under Certain Circumstances. Upon the happening and continuance of any Event of Default specified in clauses (a) through (i) of Section 902 above with respect to a Series of Bonds, the Trustee shall, upon written direction of the Majority Owners of the Bonds of such Series then Outstanding, by a notice in writing to the District, declare the aggregate principal amount of all of the Bonds of such Series then Outstanding (if not then due and payable) to be due and payable immediately and, upon such declaration, the same shall become and be immediately due and payable, anything contained in the Bonds of such Series or in this Master Indenture or in the Supplemental Indenture authorizing such Series of Bonds to the contrary notwithstanding; provided, however, that no such declaration of acceleration shall occur in the case of Bonds of a Series secured by Assessments, except to the extent that the Assessments have been accelerated and are currently due and payable in accordance with applicable law; and provided further, however, that if at any time after the aggregate principal amount of the Bonds of any Series then Outstanding shall have been so declared to be due and payable, and before the entry of final judgment or decree in any suit, action or proceeding instituted on account of such default, or before the completion of the enforcement of any other remedy under this Master Indenture or the related Supplemental Indenture, moneys shall have accumulated in the related Series Revenue Account sufficient to pay the principal of all matured Bonds of such Series and all arrears of interest, if any, upon all Bonds of such Series then Outstanding (except the aggregate principal amount of any Bonds of such Series then Outstanding that is only due because of a declaration under this Section 903, and except for the interest accrued on the Bonds of such Series since the last Interest Payment Date), and all amounts then payable by the District hereunder shall have been paid or a sum sufficient to pay the same shall have been deposited with the Paying Agent, and every other default (other than a default in the payment of the aggregate principal amount of the Bonds of such Series then Outstanding that is due only because of a declaration under this Section 903) shall have been remedied, then the Trustee or, if the Trustee is unable or unwilling to act, the Majority Owners of such Series of Bonds then Outstanding not then due except by virtue of a declaration under this Section 903, may, by written notice to the District, rescind and annul such declaration and its consequences, but no such rescission or annulment shall extend to or affect any subsequent default or impair any right consequent thereon.

56

The District covenants and agrees that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, the provisions for the foreclosure of liens of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, and will take such other appropriate remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Owners, from time to time, of the Bonds of a Series. Notwithstanding anything to the contrary herein, and unless otherwise directed by the Majority Owners of the Bonds of a Series and allowed pursuant to federal or State law, the District acknowledges and agrees that (y) upon failure of any property owner to pay an installment of Assessments collected directly by the District when due, that the entire Assessment on the tax parcel as to which such Delinquent Assessment appertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the District shall promptly, but in any event within 120 days, cause to be brought the necessary legal proceedings for the foreclosure of liens of Delinquent Assessments, including interest and penalties with respect to such tax parcel and (z) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages.

Section 905. Pro Rata Application of Funds Among Owners of a Series of Bonds. Anything in this Master Indenture to the contrary notwithstanding, if at any time the moneys in the Series Funds and Accounts shall not be sufficient to pay Debt Service on the related Series of Bonds when due, such moneys together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article IX or otherwise, shall be applied as follows:

(a) Unless the aggregate principal amount of all the Bonds of such Series shall have become due and payable or shall have been declared due and payable pursuant to the provisions of Section 903 hereof, all such moneys shall be applied:

FIRST: to the payment of any then-due fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid;

SECOND: to payment to the persons entitled thereto of all installments of interest then due and payable on the Bonds of such Series, in the order in which such installments become due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the rates of interest specified in the Bonds of such Series; and

58

Section 904. Enforcement of Remedies. Upon the happening and continuance of any Event of Default specified in Section 902 above with respect to a Series of Bonds, the Trustee may protect and enforce the rights of the Owners of the Bonds of such Series under State law, and under this Master Indenture, the related Supplemental Indenture and the Bonds of such Series, by such proceedings in equity or at law, either for the specific performance of any covenant or agreement contained herein or in aid or execution of any power herein or in the related Supplemental Indenture granted or for the enforcement of any proper legal or equitable remedy, as the Trustee shall deem most effectual to protect and enforce such rights.

The Majority Owners of the Bonds of such Series then Outstanding shall, subject to the requirements of Section 607, have the right, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings by the Trustee hereunder, provided that such directions shall not be in conflict with any rule of law or this Master Indenture and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unduly prejudicial to the rights of the Owners of such Series of Bonds not parties to such direction or would subject the Trustee to personal liability or expense. Notwithstanding the foregoing, the Trustee shall have the right to select and retain legal counsel of its choosing to represent it in any such proceedings. The Trustee may take any other action which is not inconsistent with any direction under this second paragraph of this Section 904.

No Owner of such Series of Bonds shall have any right to pursue any other remedy under this Master Indenture or such Series of Bonds unless: (a) an Event of Default shall have occurred and is continuing; (b) the Majority Owners of the Bonds of such Series then Outstanding have requested the Trustee, in writing, to exercise the powers granted in the first paragraph of this Section 904 or to pursue such remedy in its or their name or names; (c) the Trustee has been offered indemnity satisfactory to it against costs, expenses and liabilities reasonably anticipated to be incurred; (d) the Trustee has declined to comply with such request, or has failed to do so, within sixty (60) days after its receipt of such written request and offer of indemnity; and (e) no direction inconsistent with such request has been given to the Trustee during such sixty (60) day period by the Majority Owners of the Bonds of such Series then Outstanding. The provisions of the immediately preceding sentence of this Section 904 are conditions precedent to the exercise by any Owner of such Series of Bonds of any remedy hereunder. The exercise of such rights is further subject to the provisions of Sections 907, 909, 910, 912 and the second paragraph of this Section 904. No Owner or Owners of such Series of Bonds shall have any right in any manner whatsoever to enforce any right under this Master Indenture, except in the manner herein provided.

57

THIRD: to the payment to the persons entitled thereto of the unpaid principal of any of the Bonds of such Series which shall have become due (other than Bonds of such Series called for redemption for the payment of which sufficient moneys are held pursuant to this Master Indenture), in the order of their due dates, with interest upon the Bonds of such Series at the rates specified therein from the dates upon which they become due to their payment date, and, if the amount available shall not be sufficient to pay in full the principal of Bonds of such Series due on any particular date, together with such interest, then to the payment first of such interest, ratably according to the amount of such interest due on such date, and then to the payment of such principal, ratably according to the amount of such principal due on such date, to the Owners of the Bonds of such Series entitled thereto without any discrimination or preference except as to any difference in the foregoing rates of interest.

(b) If the aggregate principal amount of all the Bonds of a Series shall have become due and payable in accordance with their terms or shall have been declared due and payable pursuant to the provisions of Section 903 hereof, all such moneys shall be applied first to the payment of any fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid, and then the payment of the whole amount of principal and interest then due and unpaid upon the Bonds of such Series, without preference or priority of principal or of interest or of any installment of interest over any other, or of any Bond over any other Bond of such Series, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds of such Series.

(c) If the principal of all the Bonds of a Series shall have been declared due and payable pursuant to the provisions of Section 903 hereof, and if such declaration shall thereafter have been rescinded and annulled pursuant to the provisions of Section 903 hereof, then, if the aggregate principal amount of all of the Bonds of such Series shall later become due or be declared due and payable pursuant to the provisions of Section 903 hereof, the moneys remaining in and thereafter accruing to the related Series Revenue Fund shall be applied in accordance with subsection (b) above.

The provisions of this Section 905 are in all respects subject to the provisions of Section 901 hereof.

Whenever moneys are to be applied pursuant to this Section 905, such moneys shall be applied by the Trustee at such times as the Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application. The deposit of such moneys with the Paying Agent shall

59

constitute proper application by the Trustee, and the Trustee shall incur no liability whatsoever to any Owner or to any other person for any delay in applying any such funds, so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies such moneys in accordance with such provisions of this Master Indenture as may be applicable at the time of application. Whenever the Trustee shall exercise such discretion in applying such funds, it shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date and shall not be required to make payment to any Owner until such Bond shall be surrendered to him for appropriate endorsement.

Section 906. Effect of Discontinuance of Proceedings. If any proceeding taken by the Trustee or any Owner on account of any default shall have been discontinued or abandoned for any reason, then the District and the Owner shall be restored to their former positions and rights hereunder, respectively, and all rights and remedies of the Owners shall continue as though no such proceeding had been taken.

Section 907. Restriction on Individual Owner Actions. Except as provided in Section 910 below, no Owner of any Bonds of a Series shall have any right in any manner whatsoever to affect, disturb or prejudice the security of this Master Indenture or any Supplemental Indenture, or to enforce any right hereunder or thereunder except in the manner herein or therein provided, and all proceedings at law or in equity shall be instituted and maintained for the benefit of all Owners of the Bonds of such Series.

Section 908. No Remedy Exclusive. No remedy conferred upon the Trustee or the Owners is intended to be exclusive of any other remedy herein or in any Supplemental Indenture provided, and each such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or thereunder.

Section 909. Delay Not a Waiver. No delay or omission of the Trustee or any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given to the Trustee and the Owners may be exercised from time to time and as often as may be deemed expedient.

Section 910. Right to Enforce Payment of Bonds. Nothing in this Article IX shall affect or impair the right of any Owner to enforce the payment of Debt Service on the Bond of which such person is the registered Owner, or the obligation of the District to pay Debt Service to the Owner at the time and place specified in such Bond.

60

however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Bonds of such Series then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee and the Majority Owners of a written request for consent);

(ii) the District hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Assessments relating to the Bonds of a Series then Outstanding, the Bonds of such Series then Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee;

(iii) the District hereby agrees that it shall make a reasonable attempt to timely seek the written consent of the Trustee prior to filing and voting in any such Proceeding (provided, however, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Bonds of such Series then Outstanding, to the proposed action if the District does not receive a written response from the Trustee within sixty (60) days following delivery to the Trustee and the Majority Owners of a written request for consent);

(iv) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the Assessments relating to the Bonds of a Series then Outstanding, would have the right to pursue, and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including, without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Assessments relating to the Bonds of a Series then Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and

(v) the District shall not challenge the validity or amount of any claim submitted in good faith by the Trustee in such Proceeding or any

62

Section 911. No Cross Default Among Series. The occurrence of an Event of Default hereunder or under any Supplemental Indenture with respect to any Series of Bonds shall not constitute an Event of Default with respect to any other Series of Bonds, unless the event giving rise to the Event of Default also constitutes an Event of Default hereunder or under the Supplemental Indenture with respect to such other Series of Bonds.

Section 912. Indemnification. Other than to make proper draws under a Credit Facility, the Trustee shall be under no obligation to institute any suit or to take any remedial proceeding under this Master Indenture or any Supplemental Indenture or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to advance its own money, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability. Notwithstanding the foregoing, the indemnification provided by this Section 912 shall not be applicable in cases of the Trustee's gross negligence or willful misconduct.

Section 913. Provisions Relating to Bankruptcy or Insolvency of Landowner.

(a) The provisions of this Section 913 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel, or tax parcels which are in the aggregate, subject to at least five percent (5%) of the Assessments pledged to the Bonds of a Series then Outstanding (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding").

(b) The District acknowledges and agrees that, although the Bonds of a Series were issued by the District, the Owners of the Bonds of a Series are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer:

(i) the District hereby agrees that it shall make a reasonable attempt to timely seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the Bonds of a Series then Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Assessments relating to the Bonds of a Series then Outstanding, the Bonds of such Series then Outstanding or any rights of the Trustee under the Indenture (provided,

valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceeding or take any other action in such Proceeding, which is adverse to the Trustee's enforcement of the District's claim and rights with respect to the Assessments relating to the Bonds of a Series then Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right to (A) file a proof of claim with respect to the Assessments pledged to the Bonds of a Series then Outstanding, (B) deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (C) defend any objection filed to said proof of claim.

The District acknowledges and agrees that it shall not be a defense to a breach of the foregoing covenants that it has acted on advice of counsel in not complying with the foregoing covenants.

(c) Nothing in this Section 913 shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for Operation and Maintenance Assessments, and the District shall be free to pursue such a claim for Operation and Maintenance Assessments in such manner as it shall deem appropriate in its sole and absolute discretion; provided, however, that such claim shall not seek to reduce the amount or receipt of Assessments. Any actions taken by the District in pursuance of its claim for Operation and Maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Assessments relating to the Bonds of a Series then Outstanding whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (b)(iv) above.

ARTICLE X EXECUTION OF INSTRUMENTS BY OWNERS AND PROOF OF OWNERSHIP OF BONDS

Section 1001. Execution of Instruments by Owners and Proof of Ownership of Bonds. Any request, direction, consent or other instrument in writing required or permitted by this Master Indenture or any Supplemental Indenture to be signed or executed by Owners may be in any number of concurrent instruments of similar tenor and may be signed or executed by Owners or their attorneys or legal representatives. Proof of the execution of any such instrument shall be sufficient for any purpose of this Master Indenture and shall be conclusive in favor of the District with regard to any action taken by it under such instrument if verified by any officer in any jurisdiction who, by the laws thereof, has power to take affidavits within such jurisdiction, to the effect that such instrument was subscribed and sworn to before him, or by an affidavit of a witness to such execution. Where such execution is on behalf of a person other than an individual

63

such verification or affidavit shall also constitute sufficient proof of the authority of the signer thereof.

Nothing contained in this Article X shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which it may deem sufficient. Any request or consent of the Owner of any Bond shall bind every future Owner of the same Bond in respect of anything done by the Trustee or the District in pursuance of such request or consent.

Section 1002. Deposit of Bonds. Notwithstanding the foregoing, neither the District nor the Trustee shall be required to recognize any person as an Owner of any Bond or to take any action at his request unless such Bond shall be deposited with the Trustee.

ARTICLE XI SUPPLEMENTAL INDENTURES

Section 1101. Supplemental Indentures Without Owner Consent. The Governing Body from time to time may authorize such indentures supplemental hereto or amendatory hereof as shall not be inconsistent with the terms and provisions hereof (which Supplemental Indenture shall thereafter form a part hereof), without the consent of the Owners, for the following purposes:

- (a) to provide for the initial issuance of a Series of Bonds or Refunding Bonds; or
- (b) to make any change whatsoever to the terms and provisions of this Master Indenture, but only as such change relates to a Series of Bonds upon the original issuance thereof (or upon the original issuance of Refunding Bonds which defease and discharge the Supplemental Indenture of the Series of Bonds to be refunded) under and pursuant to the terms of the Supplemental Indenture effecting such change; or
- (c) to cure any ambiguity or formal defect or omission or to correct any inconsistent provisions in this Master Indenture; or
- (d) to grant to the Owners or to the Trustee on behalf of the Owners any additional rights or security that may lawfully be granted; or
- (e) to add to the covenants and agreements of the District in this Master Indenture other covenants and agreements thereafter to be observed by the District to the benefit of the Owners of the Bonds then Outstanding; or
- (f) to make such changes as may be necessary in order to reflect amendments to Chapters 170, 190, 197 and 298, Florida Statutes, or any other

64

- (i) an extension of the maturity of, or an extension of the Interest Payment Date on, any Bond of such Series;
 - (ii) a reduction in the principal, premium, or interest on any Bond of such Series;
 - (iii) a preference or priority of any Bond of such Series over any other Bond of such Series; or
 - (iv) a reduction in the aggregate principal amount of the Bonds of such Series required for consent to such indenture supplemental to the Supplemental Indenture.
- (c) If at any time the District shall determine that it is desirable to approve any Supplemental Indenture pursuant to this Section 1102, the District shall cause the Trustee to mail, at the expense of the District, notice of the proposed approval to the Owners whose approval is required. Such notice shall be prepared by the District and shall briefly set forth the nature of the proposed Supplemental Indenture or indenture supplemental to a Supplemental Indenture and shall state that copies thereof are on file with the Secretary for inspection by all affected Owners. The District shall not, however, be subject to any liability to any Owner by reason of its failure to cause the notice required by this Section 1102 to be mailed and any such failure shall not affect the validity of such Supplemental Indenture or indenture supplemental to a Supplemental Indenture when consented to and approved as provided in this Section 1102.
- (d) Whenever, at any time within one (1) year after the date of the first mailing of such notice, there shall be delivered to the District an instrument or instruments in writing purporting to be executed by the Owners of the requisite principal amount of the Bonds of such Series then Outstanding, which instrument or instruments shall refer to the proposed Supplemental Indenture or indenture supplemental to a Supplemental Indenture described in such notice and shall specifically consent to and approve the execution thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the Governing Body and the Trustee may approve such Supplemental Indenture and cause it to be executed, in substantially such form, without liability or responsibility to any Owner.

Section 1103. Opinion of Bond Counsel With Respect to Supplemental Indenture. In addition to the other requirements herein set forth with respect to Supplemental Indentures or indentures supplemental to a Supplemental Indenture, no such indenture shall be effective unless and until there shall have been delivered to the Trustee, at the expense of the District, an opinion of Bond Counsel to the effect that such indenture is permitted pursuant to this Master Indenture and that such indenture is the valid and binding obligation of the

66

Florida Statutes, so long as, in the opinion of counsel to the District, such changes either: (i) do not have a material adverse effect on the Owners of each Series of Bonds to which such changes relate; or (ii) if such changes do have a material adverse effect, that they nevertheless are required to be made as a result of such amendments; or

(g) to modify the provisions of this Master Indenture or any Supplemental Indenture provided that such modification does not, in the written opinion of Bond Counsel, materially adversely affect the interests of the Owners of Bonds then Outstanding, upon which opinion the Trustee may conclusively rely.

Section 1102. Supplemental Indentures With Owner Consent.

(a) Subject to the provisions contained in this Section 1102, and not otherwise, the Majority Owners of Bonds then Outstanding shall have the right, from time to time, anything contained in this Master Indenture to the contrary notwithstanding, to consent to and approve the adoption of such indentures supplemental hereto or amendatory hereof as shall be deemed desirable by the District for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the provisions of this Master Indenture; provided, however, that nothing herein contained shall permit, or be construed as permitting, without the consent of all Owners of Bonds then Outstanding and affected by such supplement or amendment,

- (i) an extension of the maturity of, or an extension of the Interest Payment Date on, any Bond;
- (ii) a reduction in the principal, premium, or interest on any Bond;
- (iii) a preference or priority of any Bond over any other Bond; or
- (iv) a reduction in the aggregate principal amount of the Bonds required for consent to such Supplemental Indenture.

(b) In addition to the foregoing, the Majority Owners of any Series of Bonds then Outstanding shall have the right, from time to time, anything contained in this Master Indenture or in the Supplemental Indenture relating to such Series of Bonds to the contrary notwithstanding, to consent to and approve the adoption of such indentures supplemental to the Supplemental Indenture relating to such Series of Bonds or amendatory thereof, but not hereof, as shall be deemed desirable by the District for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the provisions of such Supplemental Indenture or of any indenture supplemental thereto; provided, however, that nothing herein contained shall permit, or be construed as permitting, without the consent of all Owners of Bonds of such Series then Outstanding and affected by such amendment,

65

District enforceable in accordance with its terms, except as the enforceability thereof may be limited by bankruptcy, insolvency or general equitable principles, upon which opinion the Trustee may conclusively rely. In addition, if such indenture relates to a Series of Tax-Exempt Bonds, such opinion shall also state that such indenture will not adversely affect the exclusion from gross income for federal income tax purposes of interest on the related Series of Bonds.

Section 1104. Supplemental Indenture Part of Indenture. Any Supplemental Indenture executed in accordance with this Article XI and approved as to legality by counsel to the District shall thereafter, except as otherwise provided therein, form a part of this Master Indenture. Except as applicable only to Bonds of a Series, all of the terms and conditions contained in any such Supplemental Indenture amendatory of this Master Indenture shall be part of the terms and conditions hereof. The Trustee is not obligated to execute any amendment that is adverse to the interests of the Trustee.

Section 1105. Insurer or Issuer of a Credit Facility or Liquidity Facility as Owner of Bonds.

(a) As long as a Credit Facility or Liquidity Facility securing all or a portion of the Bonds of a Series then Outstanding is in effect and the issuer thereof is not in default of any of its obligations under such Credit Facility or Liquidity Facility, as the case may be, the issuer of the Credit Facility or Liquidity Facility or the Insurer, to the extent so authorized in the applicable Supplemental Indenture, will be deemed to be the Owner of the Bonds of such Series secured by the Credit Facility or Liquidity Facility:

- (i) at all times for the purpose of the execution and delivery of a Supplemental Indenture or of any amendment, change or modification of the Master Indenture or the applicable Supplemental Indenture or the initiation by Owners of any action to be undertaken by the Trustee at the Owner's request, which under the Master Indenture or the applicable Supplemental Indenture requires the written approval or consent of or can be initiated by the Majority Owners of the Bonds of such Series then Outstanding;
- (ii) at all times for the purpose of the mailing of any notice to Owners under the Master Indenture or the applicable Supplemental Indenture; and
- (iii) following an Event of Default for all other purposes.

(b) Notwithstanding the foregoing, neither an Insurer nor the issuer of a Credit Facility or Liquidity Facility with respect to a Series of Bonds will be deemed to be an Owner of the Bonds of such Series with respect to any such Supplemental Indenture or of any amendment, change or modification of the Master Indenture which would have the effect of permitting:

B-18

67

- (i) a change in the terms of redemption or maturity of any Bonds of a Series then Outstanding or of any installment of interest thereon; or
- (ii) a reduction in the principal amount or the Redemption Price thereof or in rate of interest thereon; or
- (iii) reducing the percentage or otherwise affecting the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment; or
- (iv) creating any preference or priority of any Bond of a Series over any other Bond of such Series.

**ARTICLE XII
DEFEASANCE**

Section 1201. Defeasance and Discharge of the Lien of this Master Indenture and Supplemental Indentures.

(a) If the District pays or causes to be paid, or there shall otherwise be paid, to the Owners of all Bonds, the principal or Redemption Price, if applicable, and interest due or to become due thereon and the obligations under any Letter of Credit Agreement and any Liquidity Agreement, at the times and in the manner stipulated therein and in this Master Indenture and pays or causes to be paid all other moneys owing hereunder and under any Supplemental Indenture (including, without limitation the fees and expenses of the Trustee, including reasonable counsel fees and expenses), then the lien of this Master Indenture and all covenants, agreements and other obligations of the District to the Owners and the issuer of any Credit Facility or Liquidity Facility shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee upon the request of the District shall execute and deliver to the District all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee and the Paying Agent shall pay over or deliver, as directed by the District, all moneys or securities held by them pursuant to this Master Indenture which are not required for the payment of principal or Redemption Price, if applicable, on Bonds not theretofore surrendered for such payment or redemption or for payment of obligations under any Letter of Credit Agreement and any Liquidity Agreement. If the District pays or causes to be paid, or there shall otherwise be paid, to the Owners of all Bonds then Outstanding or of a particular maturity, of a particular Series or of any part of a particular maturity or Series, the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Master Indenture, such Bonds shall cease to be entitled to any lien, benefit or security under this Master Indenture, and all covenants, agreements and obligations of the District to the Owners of such Bonds shall thereupon cease, terminate and become void and be

(iv) the Trustee shall have received an opinion of Bond Counsel to the effect that such defeasance is permitted under this Master Indenture and the Supplemental Indenture relating to the Series of Bonds so defeased and that, in the case of Tax-Exempt Bonds, such defeasance will not adversely affect the tax-exempt status of such Series of Bonds.

(c) Neither Federal Securities nor moneys deposited with the Trustee pursuant to this Section 1201 nor principal or interest payments on any such Federal Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if applicable, and interest on such Bonds; provided that any cash received from such principal or interest payments on such Federal Securities deposited with the Trustee:

(i) to the extent such cash shall not be required at any time for such purpose as evidenced by an Accountant's Certificate, and to the extent all obligations under any Letter of Credit Agreement and any Liquidity Agreement are satisfied, as determined by an Insurer or an issuer of any Credit Facility or Liquidity Facility securing the Bonds with respect to which such Federal Securities have been so deposited, shall be paid over upon the direction of the District as received by the Trustee, free and clear of any trust, lien, pledge or assignment securing such Bonds or otherwise existing under this Master Indenture; and

(ii) to the extent such cash shall be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Federal Securities maturing at times and in amounts sufficient to pay when due the principal or Redemption Price, if applicable, and interest to become due on such Bonds, or obligations under any Letter of Credit Agreement and any Liquidity Agreement, on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over as received by the Trustee to the District, free and clear of any lien, pledge or security interest securing such Bonds or otherwise existing under this Master Indenture.

For the purposes of this provision, Federal Securities means and includes only such securities which shall not be subject to redemption prior to their maturity other than at the option of the holder thereof.

(d) As to any Variable Rate Bonds, whether discharged and satisfied under the provisions of subsection (a) or (b) above, the amount required for the interest thereon shall be calculated at the maximum rate permitted by the terms of the provisions which authorized the issuance of such Variable Rate Bonds; provided, however, that if on any date, as a result of such Variable Rate Bonds having borne interest at less than such maximum rate for any period, the total amount of moneys and Investment Obligations on deposit for the payment of

discharged and satisfied. Anything to the contrary in this Section 1201 notwithstanding, this Master Indenture shall not be discharged nor shall any Bonds with respect to which moneys or Federal Securities have been deposited in accordance with the provisions of this Section 1201 cease to be entitled to the lien, benefit or security under this Master Indenture, except to the extent that the lien, benefit and security of this Master Indenture and the obligations of the District hereunder shall be limited solely to and such Bonds shall be secured solely by and be payable solely from the moneys or Federal Securities so deposited.

(b) Bonds or interest installments for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Trustee (through deposit pursuant to this Master Indenture of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in this Section 1201. All Bonds of any particular maturity or Series then Outstanding shall, prior to the maturity or redemption date thereof, be deemed to have been paid within the meaning and with the effect expressed in subsection (a) of this Section 1201 if:

(i) in case any of such Bonds are to be redeemed on any date prior to their maturity, the District shall have given to the Trustee or the Bond Registrar irrevocable instructions accepted in writing by the Trustee or the Bond Registrar to mail as provided in Article III hereof notice of redemption of such Bonds on such date;

(ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Federal Securities, the principal of and the interest on which when due shall, as demonstrated in an Accountant's Certificate, provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient, to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on or prior to the redemption date or maturity date thereof, as the case may be;

(iii) the District shall have given the Trustee or the Bond Registrar in form satisfactory to it irrevocable instructions to mail, postage prepaid, to each registered Owner of Bonds then Outstanding at the address, if any, appearing upon the registration books of the District, a notice to the registered Owners of such Bonds and to the Bond Registrar that the deposit required by (ii) above has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this Section 1201 and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price, if applicable, on such Bonds; and

69

interest on such Variable Rate Bonds is in excess of the total amount which would have been required to be deposited on such date in respect of such Variable Rate Bonds in order to fully discharge and satisfy such Bonds and obligations under any Letter of Credit Agreement and any Liquidity Agreement pursuant to the provisions of this Section 1201, the District may use the amount of such excess free and clear of any trust, lien, security interest, pledge or assignment securing said Variable Rate Bonds or otherwise existing under this Master Indenture, any Letter of Credit Agreement or any Liquidity Agreement.

(e) Notwithstanding any of the provisions of this Master Indenture to the contrary, Option Bonds may only be fully discharged and satisfied either pursuant to subsection (a) above or by depositing in the Series Interest Account, the Series Principal Account, the Series Sinking Fund Account and the Series Redemption Account, or in such other accounts which are irrevocably pledged to the payment of the Option Bonds, as the District may create and establish by Supplemental Indenture, moneys which together with other moneys lawfully available therefor shall be sufficient at the time of such deposit to pay when due the maximum amount of principal of and Redemption Price, if any, and interest on such Option Bonds which could become payable to the Owners of such Bonds upon the exercise of any options provided to the Owners of such Bonds; provided however, that if at the time a deposit is made pursuant to this subsection (e) the options originally exercisable by the Owner of an Option Bond are no longer exercisable, such Bond shall not be considered an Option Bond for purposes of this subsection (e). If any portion of the moneys deposited for the payment of the principal of and Redemption Price, if any, and interest on Option Bonds is not required for such purpose and is not needed to reimburse an Insurer or an issuer of any Credit Facility or Liquidity Facility, for obligations under any Letter of Credit Agreement and any Liquidity Agreement, the District may use the amount of such excess free and clear of any trust, lien, security interest, pledge or assignment securing such Option Bonds or otherwise existing under this Master Indenture, any Letter of Credit Agreement or any Liquidity Agreement.

(f) Anything in this Master Indenture to the contrary notwithstanding, any moneys held by the Trustee or any Paying Agent in trust for the payment and discharge of any of the Bonds which remain unclaimed for two (2) years after the date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Trustee or any Paying Agent at such date, or for two (2) years after the date of deposit of such moneys if deposited with the Trustee or Paying Agent after the date when such Bonds became due and payable, shall at the written request of the District be repaid by the Trustee or Paying Agent to the District, as its absolute property and free from trust, and the Trustee or Paying Agent shall thereupon be released and discharged with respect thereto and the Owners shall look only to the District for the payment of such Bonds; provided, however, that before being required to make any such payment to the District, the Trustee or Paying Agent shall, at the expense

71

of the District, cause to be mailed, postage prepaid, to any Insurer or any issuer of any Credit Facility or Liquidity Facility, and to each registered Owner of Bonds then Outstanding at the address, if any, appearing upon the registration books of the District, a notice that such moneys remain unclaimed and that, after a date named in such notice, which date shall be not less than thirty (30) days after the date of the mailing of such notice, the balance of such moneys then unclaimed shall be returned to the District.

(g) In the event that the principal and Redemption Price, if applicable, and interest due on the Bonds shall be paid by the Insurer pursuant to a municipal bond insurance policy, the assignment and pledge and all covenants, agreements and other obligations of the District to the Owners of such Bonds shall continue to exist and the Insurer shall be subrogated to the rights of such Owners.

(h) Anything in this Master Indenture to the contrary notwithstanding, the provisions of the foregoing subsections (b) through (g) shall apply to the discharge of Bonds of a Series and to the discharge of the lien of any Supplemental Indenture securing such Series of Bonds as though each reference to the "Master Indenture" were a reference to such "Supplemental Indenture" and as though each reference to "Bonds then Outstanding" were a reference to the "Bonds of such Series then Outstanding."

Section 1202. Moneys Held in Trust. All moneys and obligations held by an escrow or paying agent or trustee pursuant to this Section 1202 shall be held in trust and the principal and interest of said obligations when received, and said moneys, shall be applied to the payment, when due, of the principal, interest and premium, if any, of the Bonds to be paid or to be called for redemption.

Contemporaneously with the execution and delivery hereof, the District has executed and delivered the Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended. The District covenants and agrees to comply with the provisions of the Continuing Disclosure Agreement. However, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but instead shall be enforceable as provided in the Continuing Disclosure Agreement.

Section 703. Additional Covenant Regarding Assessments. In addition to, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the District covenants to comply with the terms of the Series 2025 Assessment Proceedings heretofore adopted with respect to the Series 2025 Assessments, including the Assessment Methodology, and to levy the Series 2025 Assessments in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2025 Bonds, when due. The Assessment Methodology shall not be materially amended without prior written consent of the Majority Owners.

The District further covenants and agrees that it will not reduce the Series 2025 Assessment on any tax parcel (other than as the result of the Prepayment of all or a portion of the Series 2025 Assessment on that tax parcel) from that set forth in the Assessment Methodology on account of any reduction in Debt Service on the Series 2025 Bonds resulting from a redemption of Series 2025 Bonds from amounts deposited into the Series 2025 Prepayment Subaccount.

Section 704. Collection of Assessments. Anything herein or in the Master Indenture to the contrary notwithstanding but subject to the immediately succeeding sentence, Series 2025 Assessments levied on platted lots and pledged hereunder to secure the Series 2025 Bonds shall be collected pursuant to the Uniform Method. To the extent the District is not able to collect such Series 2025 Assessments pursuant to the Uniform Method or to the extent the District determines that it is not in its best interest to use the Uniform Method, the District may elect to collect and enforce such Series 2025 Assessments pursuant to any then

available and commercially reasonable method under the Act, Chapter 170, Florida Statutes, Chapter 197, Florida Statutes, or any successor statutes thereto.

Section 705. Payment of Rebate Amount. Anything herein or in the Master Indenture to the contrary notwithstanding, the District shall cause a Rebate Analyst to determine the Rebate Amount, if any, at the times and in the manner provided in the Tax Regulatory Covenants attached as an exhibit to the Arbitrage Certificate. If a Rebate Amount shall be due, the District shall deliver to the Trustee the written direction of an Authorized Officer to pay from the Series 2025 Rebate Account, or from any other available funds as shall be provided in such written direction, the Rebate Amount to the District for remittance to the Internal Revenue Service. The Trustee may conclusively rely on such written direction and shall have no responsibility for the calculation or payment of the Rebate Amount, if any. Notwithstanding Section 507(b) of the Master Indenture, the District shall not be required to provide the report of the Rebate Analyst to the Trustee.

Notwithstanding the foregoing, if any Interest Payment Date is not a Business Day (as defined in the Indenture hereinafter mentioned), then all amounts due on such Interest Payment Date shall be payable on the first Business Day succeeding such Interest Payment Date, but shall be deemed paid on such Interest Payment Date. The interest so payable, and punctually paid or duly provided for, on any Interest Payment Date will, as provided in the Indenture (hereinafter defined), be paid to the registered Owner hereof at the close of business on the regular Record Date for such interest, which shall be the fifteenth (15th) day of the calendar month preceding such Interest Payment Date or, if such day is not a Business Day, on the Business Day immediately preceding such day; provided, however, that on or after the occurrence and continuance of an Event of Default under clause (a) of Section 902 of the Master Indenture (hereinafter defined), the payment of interest and

Payment of interest shall be made by check or draft (or by wire transfer to the registered Owner set forth above if such Owner requests such method of payment in writing on or prior to the regular Record Date for the respective interest payment to such account as shall be specified in such request, but only if the registered Owner set forth above owns not less than \$1,000,000 in aggregate principal amount of the Series 2025 Bonds, as defined below). Interest on this Bond will be computed on the basis of a 360-day year comprised of twelve (12) thirty (30) day months. During any period that this Bond is registered in the name of Cede & Co., as Nominee of DTC, the provisions of the Supplemental Indenture (hereinafter defined) relating to the book-entry only system shall apply, including the payment provisions thereof. Capitalized terms used herein and not otherwise defined shall have the same meaning as set forth in the hereinafter defined Indenture.

This Bond is one of a duly authorized issue of Bonds of the District designated "Lake Powell Residential Golf Community Development District Special Assessment Revenue Refunding Bonds, Series 2025" in the aggregate principal amount of \$1,761,000 (the "Series 2025 Bonds") issued under a Master Trust Indenture, dated as of June 1, 2025 (the "Master Indenture"), between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"), as supplemented by a First Supplemental Trust Indenture, dated as of June 1, 2025 (the "Supplemental Indenture" and together with the Master Indenture, the "Indenture"), between the District and the Trustee (the Series 2025 Bonds together with any other Bonds issued under and governed by the terms of the Master Indenture are hereinafter collectively referred to as the "Bonds"). The District will apply the proceeds of the Series 2025 Bonds, together with other funds of the District, to (a) currently refund and redeem all of the District's Special Assessment Revenue Refunding Bonds, Series 2012, (b) pay certain costs associated with the issuance of the Series 2025 Bonds, (c) make a deposit into the Series 2025 Reserve Account to be held for the benefit of all of the Series 2025 Bonds, and (d) pay a portion of the interest to become due on the Series 2025 Bonds.

NEITHER THIS BOND NOR THE INTEREST AND PREMIUM, IF ANY, PAYABLE HEREON SHALL CONSTITUTE A GENERAL OBLIGATION OR GENERAL INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF THE CONSTITUTION AND LAWS OF FLORIDA. THIS BOND AND THE SERIES

OF WHICH IT IS A PART AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE HEREON AND THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE INDENTURE. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE TERMS HEREOF. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE TERMS HEREOF SHALL BE PAYABLE SOLELY FROM, AND SHALL BE SECURED SOLELY BY, THE SERIES 2025 PLEDGED REVENUES AND THE SERIES 2025 PLEDGED FUNDS PLEDGED TO THE SERIES 2025 BONDS, ALL AS PROVIDED HEREIN AND IN THE INDENTURE.

This Bond is issued under and pursuant to the Constitution and laws of the State of Florida, particularly Chapter 190, Florida Statutes, and other applicable provisions of law and pursuant to the Indenture, executed counterparts of which Indenture are on file at the corporate trust office of the Trustee. Reference is hereby made to the Indenture for the provisions, among others, with respect to the custody and application of the proceeds of Series 2025 Bonds issued under the Indenture, the collection and disposition of revenues and the funds charged with and pledged to the payment of the principal, Amortization Installments and Redemption Price of, and the interest on, the Series 2025 Bonds, the nature and extent of the security thereby created, the covenants of the District with respect to the levy and collection of Series 2025 Assessments, the terms and conditions under which the Series 2025 Bonds are or may be issued, the rights, duties, obligations and immunities of the District and the Trustee under the Indenture and the rights of the Owners of the Series 2025 Bonds and, by the acceptance of this Bond, the Owner hereof assents to all of the provisions of the Indenture. The Series 2025 Bonds are equally and ratably secured by the Series 2025 Trust Estate, without preference or priority of one Series 2025 Bond over another. The Supplemental Indenture does not authorize the issuance of any additional Bonds ranking on parity with the Series 2025 Bonds as to the lien and pledge of the Series 2025 Trust Estate except, under certain circumstances, Refunding Bonds.

The Series 2025 Bonds are issuable only as registered bonds without coupons in current interest form in Authorized Denominations. This Bond is transferable by the registered Owner hereof or his duly authorized attorney at the designated corporate trust office of the Trustee in Fort Lauderdale, Florida, as Bond Registrar (the "Bond Registrar"), upon surrender of this Bond, accompanied by a duly executed instrument of transfer in form and with guaranty of signature reasonably satisfactory to the Bond Registrar, subject to such reasonable regulations as the District or the Bond Registrar may prescribe, and upon payment of any taxes or

other governmental charges incident to such transfer. Upon any such transfer a new Bond or Bonds, in the same aggregate principal amount as the Bond or Bonds transferred, will be issued to the transferee. At the corporate trust office of the Bond Registrar in Fort Lauderdale, Florida, in the manner and subject to the limitations and conditions provided in the Master Indenture and without cost, except for any tax or other governmental charge, Bonds may be exchanged for an equal aggregate principal amount of Bonds of the same maturity, of Authorized Denominations and bearing interest at the same rate or rates.

The Series 2025 Bonds are not subject to redemption prior to maturity at the option of the District.

The Series 2025 Bond maturing May 1, 2032, is subject to mandatory redemption in part by the District by lot prior to its scheduled maturity from moneys in the Series 2025 Sinking Fund Account established under the Supplemental Indenture in satisfaction of applicable Amortization Installments at the Redemption Price of the principal amount thereof, without premium, together with accrued interest to the date of redemption on May 1 of the years and in the principal amounts set forth below:

May 1 of the Year	Amortization Installment	May 1 of the Year	Amortization Installment
2029	\$250,000	2031	\$277,000
2030	263,000	2032*	291,000

* Final maturity

As more particularly set forth in the Indenture, any Series 2025 Bonds that are purchased by the District with amounts held to pay an Amortization Installment will be cancelled and the principal amount so purchased will be applied as a credit against the applicable Amortization Installment of Series 2025 Bonds. Amortization Installments are also subject to recalculation, as provided in the Supplemental Indenture, as the result of the redemption of Series 2025 Bonds other than from scheduled Amortization Installments so as to reamortize the remaining Outstanding principal balance of the Series 2025 Bonds as set forth in the Supplemental Indenture.

The Series 2025 Bonds are subject to extraordinary mandatory redemption prior to maturity in whole or in part on any Redemption Date at the Redemption Price of 100% of the principal amount thereof, without premium, together with accrued interest to the Redemption Date, if and to the extent that any one or more of the following shall have occurred:

(a) from amounts, including Series 2025 Prepayments, required by the Indenture to be deposited into the Series 2025 Prepayment Subaccount; or

(b) on the date on which the amount on deposit in the Series 2025 Reserve Account, together with other moneys available therefor, are sufficient to pay and redeem all of the Series 2025 Bonds then Outstanding, including accrued interest thereon.

If less than all of the Series 2025 Bonds shall be called for redemption, the particular Series 2025 Bonds or portions of Series 2025 Bonds to be redeemed shall be selected by lot by the Bond Registrar as provided in the Indenture, or as provided or directed by DTC.

Notice of each redemption of Series 2025 Bonds is required to be mailed by the Bond Registrar, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the date of redemption to each registered Owner of Series 2025 Bonds to be redeemed at the address of such registered Owner recorded on the bond register maintained by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2025 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2025 Bonds or such portions thereof on such date, interest on such Series 2025 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2025 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Series 2025 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

The Owner of this Bond shall have no right to enforce the provisions of the Indenture or to institute an action to enforce the covenants therein, or to take any action with respect to any Event of Default under the Indenture, or to institute, appear in or defend any suit or other proceeding with respect thereto, except as provided in the Indenture.

In certain events, on the conditions, in the manner and with the effect set forth in the Indenture, the principal of all the Series 2025 Bonds then Outstanding under the Indenture may become and may be declared due and payable before the stated maturities thereof, with the interest accrued thereon.

Modifications or alterations of the Master Indenture or of any indenture supplemental thereto may be made only to the extent and in the circumstances permitted by the Master Indenture.

Any moneys held by the Trustee or any Paying Agent in trust for the payment and discharge of any Bond which remain unclaimed for two (2) years after the date when such Bond has become due and payable, either at its stated maturity date or by call for earlier redemption, if such moneys were held by the Trustee or any Paying Agent at such date, or for two (2) years after the date of deposit of such moneys if deposited with the Trustee or Paying Agent after the date when such Bond became due and payable, shall be paid to the District, and thereupon and thereafter no claimant shall have any rights against the Paying Agent to or in respect of such moneys.

If the District deposits or causes to be deposited with the Trustee cash or Federal Securities sufficient to pay the principal or Redemption Price of any Series 2025 Bonds becoming due at maturity or by call for redemption in the manner set forth in the Indenture, together with the interest accrued to the due date, the lien of the Series 2025 Bonds as to the Series 2025 Trust Estate shall be discharged, except for the rights of the Owners thereof with respect to the funds so deposited as provided in the Indenture.

This Bond shall have all the qualities and incidents, including negotiability, of investment securities within the meaning and for all the purposes of the Uniform Commercial Code of the State of Florida.

This Bond is issued with the intent that the laws of the State of Florida shall govern its construction.

All acts, conditions and things required by the Constitution and laws of the State of Florida and the resolutions of the District to happen, exist and be performed precedent to and in the issuance of this Bond and the execution of the Indenture, have happened, exist and have been performed as so required. This Bond shall not be valid or become obligatory for any purpose or be entitled to any benefit or security under the Indenture until it shall have been authenticated by the execution by the Trustee of the Certificate of Authentication endorsed hereon.

FORM OF OPINION OF BOND COUNSEL

[THIS PAGE INTENTIONALLY LEFT BLANK]

**FORM OF OPINION OF NABORS, GIBLIN & NICKERSON, P.A.,
WITH RESPECT TO THE SERIES 2025 BONDS**

Upon delivery of the Series 2025 Bonds in definitive form, Nabors, Giblin & Nickerson, P.A., Tampa, Florida, Bond Counsel, proposes to render its opinion with respect to the Series 2025 Bonds in substantially the following form:

(Date of Closing)

Board of Supervisors
Lake Powell Residential Golf Community
Development District

Board Members:

We have examined a record of proceedings relating to the issuance by the Lake Powell Residential Golf Community Development District (the "District") of its \$1,761,000 Special Assessment Revenue Refunding Bonds, Series 2025 (the "Series 2025 Bonds"). The Series 2025 Bonds are issued under the authority of the laws of the State of Florida, including Chapter 190, Florida Statutes (the "Act") and other applicable provisions of law, and pursuant to a Master Trust Indenture, dated as of June 1, 2025 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture, dated as of June 1, 2025 (the "Supplemental Indenture" and together with the Master Indenture, the "Indenture"), each between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee") and Resolution Nos. 2000-15 and 2025-03 adopted by the Board of Supervisors of the District on August 30, 2000 and April 2, 2025, respectively (collectively, the "Bond Resolution"). Capitalized terms used and not otherwise defined herein shall have the meanings ascribed thereto in the Indenture.

The Series 2025 Bonds are dated and shall bear interest from their date of delivery, except as otherwise provided in the Indenture. The Series 2025 Bonds will mature on the dates and in the principal amounts and will bear interest at the respective rates per annum, as provided in the Indenture and set forth in the Bond Purchase Contract executed in connection with the sale of the Series 2025 Bonds (the "Purchase Contract"). Interest on the Series 2025 Bonds shall be payable on each May 1 and November 1, commencing November 1, 2025. The Series 2025 Bonds are subject to redemption prior to maturity in accordance with the Indenture and as set forth in the Purchase Contract.

The Series 2025 Bonds are issued for the principal purposes of (a) currently refunding and redeeming the District's Outstanding Special Assessment Revenue

Refunding Bonds, Series 2012 (the "Refunded Bonds"), (b) paying certain costs associated with the issuance of the Series 2025 Bonds, and (c) making a deposit into the Series 2025 Reserve Account to be held for the benefit of all of the Series 2025 Bonds, all as more particularly described in the Indenture. The Series 2025 Bonds are payable from and secured by the Series 2025 Assessments levied on property within the District specially benefitted by the assessable improvements refinanced with the proceeds of the Series 2025 Bonds and also by the Series 2025 Pledged Revenues and Series 2025 Pledged Funds comprising the Series 2025 Trust Estate.

Certain proceeds of the Series 2025 Bonds, together with other moneys of the District, shall be deposited into the Optional Redemption Subaccount of the Series 2012 Redemption Account established pursuant to the 2012 Indenture, and held therein uninvested in an amount that shall be sufficient to pay the principal of, redemption premium, if any, and interest on the Refunded Bonds, as the same become due or are redeemed prior to maturity.

As to questions of fact material to our opinion, we have relied upon the representations of the District contained in the Bond Resolution and the Indenture and in the certified proceedings relating thereto and to the issuance of the Series 2025 Bonds and other certifications of public officials furnished to us in connection therewith including, but not limited to, the Final Judgment issued by the Circuit Court of the Fourteenth Judicial Circuit in and for Bay County, Florida, without undertaking to verify the same by independent investigation. Furthermore, we have assumed continuing compliance with the covenants and agreements contained in the Indenture. We have not undertaken an independent audit, examination, investigation or inspection of the matters described or contained in any agreements, documents, certificates, representations and opinions relating to the Series 2025 Bonds, and have relied solely on the facts, estimates and circumstances described and set forth therein. In our examination of the foregoing, we have assumed the genuineness of signatures on all documents and instruments, the authenticity of documents submitted as originals and the conformity to originals of documents submitted as copies.

Based on the foregoing, under existing law, we are of the opinion that:

1. The District is a duly created and validly existing community development district under the Act.
2. The District has the right and power under the Act to authorize, execute and deliver the Indenture, and the Indenture has been duly and lawfully authorized, executed and delivered by the District, is in full force and effect in accordance with its terms and is valid and binding upon the District and enforceable in accordance with its terms. The Indenture creates the valid pledge which it purports to create of the Series 2025 Trust Estate in favor of the Series 2025 Bonds,

including the Series 2025 Assessments, in the manner and to the extent provided in the Indenture.

3. The District is duly authorized and entitled to issue the Series 2025 Bonds and the Series 2025 Bonds have been duly and validly authorized and issued by the District in accordance with the Constitution and laws of the State of Florida, the Bond Resolution and the Indenture. The Series 2025 Bonds constitute valid and binding obligations of the District as provided in the Indenture and are enforceable in accordance with their terms and the terms of the Indenture and are entitled to the benefits of the Indenture and the Act. The Series 2025 Bonds do not constitute a general indebtedness of the District or the State of Florida or any agency, department or political subdivision thereof, or a pledge of the faith and credit of such entities, but are solely payable from the Series 2025 Trust Estate in the manner and to the extent provided in the Indenture. No holder of the Series 2025 Bonds shall ever have the right to compel the exercise of any ad valorem taxing power of the District or the State of Florida or any political subdivision, agency or department thereof to pay the Series 2025 Bonds.

4. Under existing statutes, regulations, rulings and court decisions, the interest on the Series 2025 Bonds (a) is excluded from gross income for federal income tax purposes and (b) is not an item of tax preference for purposes of the federal alternative minimum tax; provided, however, with respect to certain corporations, interest on the Series 2025 Bonds is taken into account in determining the annual adjusted financial statement income for the purpose of computing the alternative minimum tax imposed on such corporations. The opinions set forth in this paragraph are subject to the condition that the District comply with all requirements of the Internal Revenue Code of 1986, as amended, that must be satisfied subsequent to the issuance of the Series 2025 Bonds in order that interest thereon be (or continues to be) excluded from gross income for federal income tax purposes. Failure to comply with certain of such requirements could cause the interest on the Series 2025 Bonds to be so included in gross income retroactive to the date of issuance of the Series 2025 Bonds. The District has covenanted in the Indenture to comply with all such requirements. Ownership of the Series 2025 Bonds may result in collateral federal tax consequences to certain taxpayers. We express no opinion regarding such federal tax consequences arising with respect to the Series 2025 Bonds.

5. The Series 2025 Bonds and interest thereon are exempt from taxation under the laws of the State of Florida, except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations, as defined in said Chapter 220.

In rendering the opinions set forth above, we are relying upon (a) the arithmetical accuracy of certain computations included in schedules provided by FMSbonds, Inc. relating to the adequacy of the cash deposited in the Optional

Redemption Subaccount to pay the principal of, redemption premium, if any, and interest on the Refunded Bonds, and (b) the verifications of the arithmetical accuracy of such computations by Terminus Analytics.

It should be noted that, except as may expressly be set forth in an opinion delivered by us to the underwriter for the Series 2025 Bonds on the date hereof (on which opinion only it may rely) or in our Disclosure Counsel opinion to the District, we have not been engaged or undertaken to review (1) the accuracy, completeness or sufficiency of the Limited Offering Memorandum or other offering material relating to the Series 2025 Bonds and we express no opinion relating thereto, or (2) the compliance with any federal or state law with regard to the sale or distribution of the Series 2025 Bonds and we express no opinion relating thereto.

The opinions expressed in paragraphs 2 and 3 hereof are qualified to the extent that (1) the enforceability of the Indenture and the Series 2025 Bonds, respectively, may be limited by any applicable bankruptcy, insolvency, moratorium, reorganization or other similar laws affecting creditors' rights generally, or by the exercise of judicial discretion in accordance with general principles of equity, and (2) we have assumed the due authorization, execution and delivery of the Indenture by the Trustee.

The opinions set forth herein are expressly limited to, and we opine only with respect to, the laws of the State of Florida and the federal income tax laws of the United States of America. The only opinions rendered hereby shall be those expressly stated as such herein, and no opinion shall be implied or inferred as a result of anything contained herein or omitted herefrom.

This opinion is given as of the date hereof and we assume no obligation to update, revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

We have examined the form of the Series 2025 Bonds and, in our opinion, the form of the Series 2025 Bonds is regular and proper.

Very truly yours,

If the District's Fiscal Year changes, the District shall give notice of such change in the same manner as for a Listed Event under Section 5(a). If any such termination occurs prior to the final maturity of the Bonds, the District shall give notice of such termination in the same manner as for a Listed Event under Section 5.

8. Dissemination Agent. The District will either serve as the Dissemination Agent or appoint one under this Disclosure Agreement. Upon termination of the Dissemination Agent's services as Dissemination Agent, whether by notice of the District or the Dissemination Agent, the District agrees to appoint a successor Dissemination Agent or, alternatively, agrees to assume all responsibilities of the Dissemination Agent under this Disclosure Agreement for the benefit of the Owners of the Bonds. If at any time there is not any other designated Dissemination Agent, the District shall be deemed to be the Dissemination Agent. Notwithstanding any replacement or appointment of a successor, the District shall remain liable until payment in full for any and all sums owed and payable to the Dissemination Agent hereunder. The initial Dissemination Agent shall be Wrathell, Hunt & Associates, LLC. The acceptance of such designation is evidenced by the execution of this Disclosure Agreement by a duly authorized signatory of Wrathell, Hunt & Associates, LLC. Wrathell, Hunt & Associates, LLC may terminate its role as Dissemination Agent at any time upon delivery of written notice to the District. The Dissemination Agent shall not be responsible in any manner for the content of any notice or report prepared by the District pursuant to this Disclosure Agreement.

9. Amendment; Waiver. Notwithstanding any other provision of this Disclosure Agreement, the District and the Dissemination Agent (if the Dissemination Agent is not the District) may amend this Disclosure Agreement, and any provision of this Disclosure Agreement may be waived, provided that the following conditions are satisfied:

(a) if the amendment or waiver relates to the provisions of Sections 3(a), 4 or 5, it may only be made in connection with a change in circumstances that arises from a change in legal requirements, change in law, or change in the identity, nature or status of the District, or the type of business conducted;

(b) the Disclosure Agreement, as amended or taking into account such waiver, would, in the opinion of counsel expert in federal securities laws, have complied with the requirements of the Rule at the time of the original issuance of the Bonds, after taking into account any amendments or interpretations of the Rule, as well as any change in circumstances; and

(c) the amendment or waiver either (i) is approved by the holders or Beneficial Owners of the Bonds in the same manner as provided in the Indenture for amendments to the Indenture with the consent of holders or Beneficial Owners, or (ii) does not, in the opinion of nationally recognized bond counsel, materially impair the interests of the holders or Beneficial Owners of the Bonds.

Notwithstanding the foregoing, the District and the Dissemination Agent shall have the right to adopt amendments to this Disclosure Agreement necessary to comply with modifications to and interpretations of the provisions of the Rule as announced by the SEC from time to time without any other conditions.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the District shall describe such amendment in its next Annual Report, and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or in the case of a change in accounting principles, on the presentation) of financial information or operating data being presented by the District. 10. Additional Information. Nothing in this Disclosure Agreement shall be deemed to prevent the District from disseminating any other information, using the means of dissemination set forth in this Disclosure Agreement or any other means of communication, or including any other information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is required by this Disclosure Agreement. If the District chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the District shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

11. Default. In the event of a failure of the District, the Disclosure Representative, or the Dissemination Agent to comply with any provision of this Disclosure Agreement, the Trustee may (and, at the request of the Participating Underwriter or the Beneficial Owners of more than fifty percent (50%) aggregate principal amount of Outstanding Bonds and receipt of indemnity satisfactory to the Trustee, shall) or any Beneficial Owner of a Bond may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the District, the Disclosure Representative, or the Dissemination Agent, as the case may be, to comply with its obligations under this Disclosure Agreement. No default hereunder shall be deemed an Event of Default under the Indenture, and the sole remedy under this Disclosure Agreement in the event of any failure of the District, the Disclosure Representative, or the Dissemination Agent, to comply with this Disclosure Agreement shall be an action to compel performance.

12. Duties of Dissemination Agent. The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement. INDEPENDENT AUDITOR'S REPORT

To the Board of Supervisors
Lake Powell Residential Golf Community Development District
Bay County, Florida

Opinions

We have audited the accompanying financial statements of the governmental activities and each major fund of Lake Powell Residential Golf Community Development District (hereinafter referred to as "District"), as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the District as of September 30, 2023, and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the District, and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards and *Government Auditing Standards* will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with generally accepted auditing standards and Government Auditing Standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budget to actual comparison information on pages 4 - 8 and 24 be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our

inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Reporting Required by *Government Auditing Standards*

In accordance with *Government Auditing Standards*, we have also issued our report dated June 20, 2024, on our consideration of the District's internal control over financial reporting and our tests of its compliance with certain provisions of laws, regulations, contracts and grant agreements and other matters. The purpose of that report is to describe the scope of our testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control over financial reporting and compliance.

Management's Discussion And Analysis

Lake Powell Residential Golf Community Development District Management's Discussion and Analysis

Our discussion and analysis of the Lake Powell Residential Golf Community Development District's financial performance provides an overview of the District's financial activities for the fiscal year ended September 30, 2023. Please read it in conjunction with the District's financial statements, which begin on page 9.

FINANCIAL HIGHLIGHTS

- At September 30, 2023, the assets and deferred outflows of resources of the District exceeded its liabilities by approximately \$7.5 million.
- During the fiscal year ended September 30, 2023, the District incurred approximately \$163,000 of interest expenditures and repaid \$225,000 of outstanding long-term principal.

USING THE ANNUAL REPORT

This annual report consists of a series of financial statements. The Statement of Net Position and the Statement of Activities on pages 9 – 10 provide information about the activities of the District as a whole and present a longer-term view of the District's finances. Fund financial statements start on page 11. For governmental activities, these statements tell how these services were financed in the short-term as well as what remains for future spending. Fund financial statements also report the District's operations in more detail than the government-wide statements by providing information about the District's most significant funds.

Reporting the District as a Whole

Our analysis of the District as a whole begins on page 5. One of the most important questions asked about the District's finances is, "Is the District as a whole better off or worse off as a result of the year's activities?" The Statement of Net Position and the Statement of Activities report information about the District as a whole and about its activities in a way that helps answer this question. These statements include all assets and liabilities using the accrual basis of accounting, which is similar to the accounting used by most private-sector companies. All of the current year's revenues and expenses are taken into account regardless of when cash is received or paid.

These two statements report the District's net position and related changes during the current year. You can think of the District's net position – the difference between assets and liabilities – as one way to measure the District's financial health, or financial position. Over time, increases or decreases in the District's net position is one indicator of whether its financial health is improving or deteriorating. You will need to consider other nonfinancial factors; however, such as changes in the District's assessment base and the condition of the District's infrastructure, to assess the overall health of the District.

Lake Powell Residential Golf Community Development District Management's Discussion and Analysis

Reporting the District's Most Significant Funds

Our analysis of the District's major funds begins on page 7. The fund financial statements begin on page 11 and provide detailed information about the most significant funds – not the District as a whole. Some funds are required to be established by State law and by bond covenants. All of the District's funds are governmental fund-types.

- *Governmental funds* – All of the District's basic services are reported in governmental funds, which focus on how money flows into and out of those funds and the balances left at year-end that are available for spending. The governmental fund statements provide a detailed short-term view of the District's general government operations and the basic services it provides. Governmental fund information helps you determine whether there are more or fewer financial resources that can be spent in the near future to finance the District's programs.

Lake Powell Residential Golf Community Development District Management's Discussion and Analysis

During the fiscal year ended September 30, 2023, total assets and liabilities decreased by approximately \$1 million and \$205,000, respectively, from the prior fiscal year. Deferred outflows of resources remained substantially unchanged. The decrease in assets was primarily due to the depreciation of capital assets and current year deficit. The decrease in liabilities is primarily due to the repayment of long term debt.

The following schedule compares the Statement of Activities for the current and previous fiscal year.

<i>For the year ended September 30,</i>	2023	2022	Change

Net position, end of year	\$ 7,528,904	\$ 8,357,685	\$ (828,781)

For more detailed information, see the accompanying Statement of Activities.

During the fiscal year ended September 30, 2023, total revenue and expenses increased approximately \$55,000 and \$919,000, respectively, over the prior fiscal year. The increase in revenue is primarily due to an increase in the budgeted operations and maintenance assessment rate while the increase in expenses is primarily due to the road resurfacing project and bridge repairs. The overall result was an \$828,781 decrease in net position for fiscal year 2023.

GOVERNMENTAL FUNDS BUDGETARY HIGHLIGHTS

An Operating budget was established by the governing board for the District pursuant to the requirements of Florida Statutes. The budget to actual comparison for the general fund, including the original budget and final adopted budget, is shown at page 24.

The District experienced a favorable variance in revenue and an unfavorable variance in expenditures as compared to the original budget in the amount of \$19,354 and \$704,897, respectively. The variances are primarily due to an increase in the operations and maintenance assessment rate and the District not budgeting for the road resurfacing and bridge repair projects executed in the current year. The District had sufficient accumulated fund balance to cover the costs of the road resurfacing project and bridge repairs.

FUTURE FINANCIAL FACTORS

Lake Powell Residential Golf Community Development District is an independent special district that operates under the provisions of Chapter 190, Florida Statutes. The District operates under an elected Board of Supervisors, which establishes policy and sets assessment rates. Assessment rates for fiscal year 2024 were established to provide for the operations of the District as well as the necessary debt service requirements.

Lake Powell Residential Golf Community Development District Notes to Financial Statements

NOTE 1: NATURE OF ORGANIZATION

The Lake Powell Residential Golf Community Development District (the "District") was created on July 25, 2000 pursuant to the Uniform Community Development District Act of 1980, otherwise known as Chapter 190, Florida Statutes, by Bay County Ordinance 00-19. The Act provides among other things, the power to manage basic services for community development, power to borrow money and issue bonds, and to levy and assess non-ad valorem assessments for the financing and delivery of capital infrastructure.

The District was established for the purposes of financing and managing the acquisition, construction, maintenance and operation of a portion of the infrastructure necessary for community development within the District.

The District is governed by a Board of Supervisors ("Board"), which is comprised of five members. The Supervisors are elected on an at large basis by the owners of the property within the District. The Board of Supervisors of the District exercise all powers granted to the District pursuant to Chapter 190, Florida Statutes.

The Board has the final responsibility for:

1. Assessing and levying assessments.
2. Approving budgets.
3. Exercising control over facilities and properties.
4. Controlling the use of funds generated by the District.
5. Approving the hiring and firing of key personnel.
6. Financing improvements.

In evaluating how to define the government, for financial reporting purposes, management has considered all potential component units. The decision to include or exclude a potential component unit in the reporting entity was made by applying the criteria set forth by Generally Accepted Accounting Principles (GAAP) as defined by the Governmental Accounting Standards Board (GASB). Based on the foregoing criteria, no potential component units were found.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

The accounting policies of the District conform to GAAP as applicable to governments in accordance with those promulgated by GASB. The following is a summary of the more significant policies:

Government-wide and Fund Financial Statements

The basic financial statements include both government-wide and fund financial statements.

Lake Powell Residential Golf Community Development District Notes to Financial Statements

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The government-wide financial statements (i.e., the Statement of Net Position and the Statement of Activities) report information on all the non-fiduciary activities of the primary government. Governmental activities, which normally are supported by assessments, are reported separately from business-type activities, which rely to a significant extent on fees and charges for support. The business-type activities are reported separately in government-wide financial statements; however, at September 30, 2023, the District did not have any significant business-type activities. Therefore, no business-type activities are reported. Assessments and other items not properly included as program revenues (i.e., charges to customers or applicants who purchase, use, or directly benefit from goods or services) are reported as general revenues.

Separate financial statements are provided for governmental funds. Major individual governmental funds are reported as separate columns in the fund financial statements.

Measurement Focus, Basis of Accounting and Basis of Presentation

The government-wide financial statements are reported using the economic resources measurement focus and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of the related cash flows. Assessments are recognized as revenues in the year for which they are levied. Grants and other similar items are to be recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be available when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the District considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures generally are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures are recorded only when payment is due.

Assessments, including debt service assessments along with operation and maintenance assessments, are non-ad valorem special assessments imposed on all lands located within the District and benefited by the District's activities, operation and maintenance. Assessments are levied and certified for collection by the District prior to the start of the fiscal year which begins October 1st and ends on September 30th. Operation and maintenance special assessments are imposed upon all benefited lands located in the District. Debt service special assessments are imposed upon certain lots and lands as described in each resolution imposing the special assessment for each series of bonds issued by the District.

Lake Powell Residential Golf Community Development District Notes to Financial Statements

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Assessments and interest associated with the current fiscal period are all considered to be susceptible to accrual and have been recognized as revenues of the current fiscal period. All other revenue items are considered to be measurable and available only when cash is received by the District.

The District reports the following major governmental funds:

General Fund – The General Fund is the primary operating fund of the District. It is used to account for all financial resources except those required to be accounted for in other funds.

Debt Service Fund – The Debt Service Fund is used to account for the accumulation of resources for the annual payment of principal and interest on long-term debt for the Series 2012 bonds.

For the year ended September 30, 2023, the District does not report any proprietary funds.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements. When both restricted and unrestricted resources are available for use, it is the District's policy to use restricted resources first, then unrestricted resources as they are needed. When committed, assigned, or unassigned resources are available for use in the governmental fund financial statements, it is the government's policy to use committed resources first, followed by assigned resources, and then unassigned resources as needed.

Cash, Deposits and Investments

The District maintains deposits with "Qualified Public Depositories" as defined in Chapter 280, Florida Statutes. All Qualified Public Depositories must place with the Treasurer of the State of Florida securities in accordance with collateral requirements determined by the State's Chief Financial Officer. In the event of default by a Qualified Public Depository, the State Treasurer will pay public depositors all losses. Losses in excess of insurance and collateral will be paid through assessments between all Qualified Public Depositories.

Under this method, all the District's deposits are fully insured or collateralized at the highest level of security as defined by GASB, Statement Number 40, *Deposits and Investment Disclosures (An Amendment of GASB, Statement Number 3)*.

The District is authorized to invest in financial instruments as established by Section 218.415, Florida Statutes. The authorized investments include among others negotiable direct or indirect obligations which are secured by the United States Government; the Local Government Surplus Trust Funds as created by Section 218.405, Florida Statutes; SEC registered money market funds with the highest credit quality rating from a nationally recognized rating agency; and interest-bearing time deposits or savings accounts in authorized financial institutions.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Capital Assets

Capital assets, which include primarily infrastructure assets (e.g., roads, sidewalks, water management systems and similar items), are reported in the governmental activities column in the government-wide financial statements. Capital assets are defined by the District as assets with an initial/individual cost of more than \$5,000 and an estimated useful life in excess of two years. Such assets are recorded at historical cost and estimated historical cost if purchased or constructed. Donated assets are recorded at estimated fair market value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend asset lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

Property, plant and equipment of the primary government are depreciated using the straight-line method over the following estimated useful lives: equipment: 5-7 years; improvements: 20 years; infrastructure: 20-40 years.

In the governmental fund financial statements, amounts incurred for the acquisition of capital assets are reported as fund expenditures. Depreciation expense is not reported in the governmental fund financial statements.

Long-Term Obligations

In the government-wide financial statements, long-term debt and other long-term obligations are reported as liabilities in the Statement of Net Position. Bond premiums and discounts are deferred and amortized over the life of the bonds using the straight-line or effective interest method. Bonds payable are reported net of these premiums or discounts. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as current period expenses.

In the fund financial statements, governmental fund types recognize bond premiums and discounts during the current period. The face amount of the debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

Estimates

The preparation of U.S. GAAP financial statements requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and changes therein, disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenue and expenses during the reporting period. Actual results could differ from those estimates.

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Deferred Outflows/Inflows of Resources

In addition to assets, the Statement of Net Position will sometime include a separate section for deferred outflows of resources. This separate financial statement element, *deferred outflows of resources*, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then. The District only has one item that qualifies for reporting in this category: the deferred charge on refunding reported in the government-wide statement of net position. A deferred charge on refunding results from the difference in the carrying value of refunded debt and its reacquisition price. This amount is deferred and amortized over the shorter of the life of the refunded or refunding debt.

In addition to liabilities, the Statement of Net Position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, *deferred inflows of resources*, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time. The District does not have any of this type of item at September 30, 2023.

Fund Equity

Net position in the government-wide financial statements represents the difference between assets and deferred outflows of resources and liabilities and deferred inflows of resources and is categorized as net investment in capital assets, restricted or unrestricted. Net investment in capital assets represents assets related to infrastructure and property, plant and equipment, net of any related debt. Restricted net position represents the assets restricted by the District's bond covenants.

Governmental fund equity is classified as fund balance. Fund balance is further classified as nonspendable, restricted, committed, assigned, or unassigned. Nonspendable fund balance cannot be spent because of its form. Restricted fund balance has limitations imposed by creditors, grantors, or contributors or by enabling legislation or constitutional provisions. Committed fund balance is a limitation imposed by the District board through approval of resolutions. Assigned fund balance is a limitation imposed by a designee of the District board. Unassigned fund balance in the General Fund is the net resources in excess of what can be properly classified in one of the above four categories. Negative unassigned fund balance in other governmental funds represents excess expenditures incurred over the amounts restricted, committed, or assigned to those purposes.

Budgets

The District is required to establish a budgetary system and an approved annual budget. Annual budgets are legally adopted on a basis consistent with GAAP for the General Fund. Any revision to the budget must be approved by the District Board. The budgets are compared to actual expenditures. In instances where budget appropriations and estimated revenues have been revised during the year, budget data presented in the financial statements represent final authorization amounts.

Lake Powell Residential Golf Community Development District Notes to Financial Statements

NOTE 2: SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

The District follows these procedures in establishing the budgetary data reflected in the financial statements:

- A. Each year the District Manager submits to the District Board a proposed operating budget for the fiscal year commencing the following October 1.
- B. A public hearing is conducted to obtain comments.
- C. Prior to October 1, the budget is legally adopted by the District Board.
- D. All budget changes must be approved by the District Board.
- E. Budgets are adopted on a basis consistent with accounting principles generally accepted in the United States of America.

Subsequent Events

Management has evaluated subsequent events through the date the financial statement were available to be issued, June 20, 2024, and determined there were no events that occurred that required disclosure. No subsequent events occurring after this date have been evaluated for inclusion in these financial statements.

**INDEPENDENT AUDITOR’S REPORT ON INTERNAL CONTROL OVER
FINANCIAL REPORTING AND ON COMPLIANCE AND OTHER MATTERS
BASED ON AN AUDIT OF FINANCIAL STATEMENTS PERFORMED IN
ACCORDANCE WITH *GOVERNMENT AUDITING STANDARDS***

To the Board of Supervisors
Lake Powell Residential Golf Community Development District
Bay County, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in *Government Auditing Standards* issued by the Comptroller General of the United States, the financial statements of the governmental activities and each major fund of Lake Powell Residential Golf Community Development District (hereinafter referred to as the “District”), as of and for the year ended September 30, 2023, and the related notes to the financial statements, which collectively comprise the District’s basic financial statements, and have issued our report thereon dated June 20, 2024

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District’s internal control over financial reporting (internal control) as a basis for designing audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness the District’s internal control. Accordingly, we do not express an opinion on the effectiveness of the District’s internal control.

A *deficiency in internal control* exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct, misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity’s financial statements will not be prevented, or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of the internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses may exist that have not been identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws regulations, contracts, and grant agreements, noncompliance with which could have a direct and material effect on the financial statements. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the District's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the District's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.
