#### PRELIMINARY LIMITED OFFERING MEMORANDUM DATED OCTOBER 31, 2025

NEW ISSUE - BOOK-ENTRY ONLY LIMITED OFFERING

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications of the District and the Developer (as such terms are herein defined) and continuing compliance with certain tax coverants, under existing statutes, regulations, rulings and court decisions, interest on the Series 2025 Bonds (as hereinafter defined) is excludable from gross income for federal income tax purposes and further, interest on the Series 2025 Bonds will not be an item of tax preference for purposes of the alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Internal Revenue Code of 1986, as amended (the "Code") on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2025 Bonds is not excluded from the determination of adjusted financial statement income. See "TAX MATTERS" herein for a description of certain other federal tax consequences of ownership of the Series 2025 Bonds. Bond Counsel is further of the opinion that the Series 2025 Bonds and the income thereon are not subject to taxation under the laws of the State of Florida, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in said Chapter 220. See "TAX MATTERS" herein.

THE SERIES 2025 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2025 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AS AMENDED, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2025 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2025 BONDS. SEE "BONDOWNERS' RISKS" AND "SUITABILITY FOR INVESTMENT" HEREIN.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and Ordinance No. 2024-025 enacted by the City Council of the City of Clermont, Florida (the "City") on June 25, 2024. The District was created for the purpose of delivering certain community development services and facilities for the benefit of District Lands (as hereinafter defined), and has previously determined to undertake the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of certain District Lands. The Act authorizes the District to issue bonds for the purpose of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District include approximately 255.32+/- gross acres of land (the "District Lands") located within the City of Clermont, Florida (the "City") within Lake County, Florida. The District Lands are being developed as a residential community known as "Parkside Trails" (the "Development"). Land development associated with the Development will occur in phases. Phases One and Three (as such terms are hereinafter defined) of the Development contain 496 platted lots (the "2025 Project Area"). The 2025 Project Area is planned to consist of (i) 142 townhomes, (ii) 105 single-family homes on thirty-four-foot (34') lots, (iii) 55 single-family homes on forty-foot (40') lots, (iv) 105 single-family homes on fifty-foot (50') lots, and (v) 89 single-family homes on sixty-foot (60') lots. The remaining phases of the Development will be developed in the future.

The Series 2025 Bonds are being issued to finance a portion of the 2025 Project (as hereinafter defined), which represents the portion of the Capital Improvement Plan (as hereinafter defined) associated with the 2025 Project Area. The District is expected to issue one or more additional series of bonds in the future to finance remaining portions of the Capital Improvement Plan associated with the remaining 452

lots planned for the Development. Such bonds will be secured by special assessments levied on the District Lands planned to contain the remaining 452 lots planned for the Development and will not be secured by special assessments on the lands within the 2025 Project Area. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS" and "THE DEVELOPMENT – Development Plan/Status" herein.

JEN Florida 47 LLC, a Florida limited liability company (the "Land Bank") owns a portion of the assessable lands within the 2025 Project Area. The Land Bank has entered into a Construction Agreement (as hereinafter defined) and an Option Agreement (as hereinafter defined) with Pulte Home Company, LLC, a Michigan limited liability company (the "Developer"), pursuant to which the Developer will manage the installation of infrastructure improvements for 496 lots planned for the 2025 Project Area and the Developer has the option to purchase such lots in accordance with the terms of the Option Agreement. As of October 2025, the Land Bank owns 162 platted lots within the 2025 Project Area, the Developer owns 305 platted lots and the remaining 29 platted lots have closed with homebuyers. The Developer is expected to construct and market all 496 planned residential units within the 2025 Project Area for sale to homebuyers. See "THE DEVELOPMENT" and "THE DEVELOPER AND THE LAND BANK" herein for more information

The Series 2025 Bonds are being issued by the District pursuant to the Act, Resolutions No. 2024-34 and No. 2025-05 adopted by the Board of Supervisors of the District (the "Board") on September 25, 2024, and August 27, 2025, respectively, and a Master Trust Indenture dated as of November 1, 2025 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture dated as of November 1, 2025 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"). Capitalized terms not defined herein shall have the meanings assigned to them in the Indenture. See "APPENDIX A: PROPOSED FORMS OF INDENTURE" herein for more information.

See "THE CAPITAL IMPROVEMENT PLAN AND THE 2025 PROJECT" and "ESTIMATED SOURCES AND USES OF FUNDS" herein.

See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS" herein.

There follows in this Limited Offering Memorandum a brief description of the District, the Developer, the Land Bank, the Development, the 2025 Project, summaries of certain terms of the Series 2025 Bonds, the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such documents and statutes, and all references to the Series 2025 Bonds are qualified by reference to the definitive form thereof and the information with respect thereto contained in the Indenture. In the event of a redemption occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption in Whole or in Part. The Series 2025 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2025 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

- (i) from Series 2025 Prepayment Principal deposited into the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account (taking into account the credit from the Series 2025 Reserve Account pursuant to the First Supplemental Indenture) following a Prepayment in whole or in part of the Series 2025 Special Assessments on any assessable property within the 2025 Project Area within the District in accordance with the provisions of the First Supplemental Indenture;
- (ii) from moneys, if any, on deposit in the Series 2025 Funds, Accounts and Subaccounts in the Funds and Accounts (other than the Series 2025 Rebate Fund, the Series 2025 Costs of Issuance Account and the Series 2025 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2025 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture;
- (iii) from any funds remaining on deposit in the Series 2025 Acquisition and Construction Account not otherwise reserved to complete the 2025 Project (including any amounts transferred from the Series 2025 Reserve Account) all of which have been transferred to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account.

Notice of Redemption and of Purchase. When required to redeem or purchase (as described below) any Series 2025 Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall cause notice of the redemption, either in whole or in part, to be given by Electronic Means or mailed by first class mail, postage prepaid at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2025 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5<sup>th</sup>) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2025 Bonds for which notice was duly mailed in accordance with the Indenture. The District shall, when it is directing the Trustee to mail such notice, provide written direction to the Trustee at least forty-five (45) days (unless the Trustee agrees to a shorter period) prior to the date on which the Trustee is required to send notice pursuant to the Indenture.

If at the time of mailing of notice of redemption or purchase, the District shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Series 2025 Bonds called for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or

purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited. If the amount of funds deposited with the Trustee for such redemption, or otherwise available, is insufficient to pay the Redemption Price and accrued interest on the Series 2025 Bonds so called for redemption on the redemption date, the Trustee shall redeem and pay on such date an amount of such Series 2025 Bonds for which such funds are sufficient, selecting the Series 2025 Bonds to be redeemed randomly from among all such Series 2025 Bonds called for redemption on such date, and among different maturities of Series 2025 Bonds in the same manner as the initial selection of Series 2025 Bonds to be redeemed, and from and after such redemption date, interest on the Series 2025 Bonds or portions thereof so paid shall cease to accrue and become payable; but interest on any Series 2025 Bonds or portions thereof not so paid shall continue to accrue until paid at the same rate as it would have had such Series 2025 Bonds not been called for redemption.

#### **Purchase of Series 2025 Bonds**

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Series 2025 Sinking Fund Account to the purchase of Series 2025 Bonds in accordance with the Indenture, at prices not higher than the principal amount thereof, in lieu of redemption, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given.

#### **Book-Entry Only System**

The information in this caption concerning DTC and DTC's book-entry system has been obtained from DTC and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

The Depository Trust Company ("DTC") will act as securities depository for the Series 2025 Bonds. The Series 2025 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2025 Bond certificate will be issued for each maturity of the Series 2025 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has an S&P Global Ratings, a division of S&P Global Inc.

rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2025 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2025 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2025 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2025 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2025 Bonds, except in the event that use of the book-entry system for the Series 2025 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2025 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2025 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2025 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2025 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2025 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2025 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2025 Bond documents. For example, Beneficial Owners of Series 2025 Bonds may wish to ascertain that the nominee holding the Series 2025 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2025 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2025 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2025 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2025 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, and principal and interest payments on the Series 2025 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by

standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, and principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2025 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2025 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2025 Bond certificates will be printed and delivered to DTC.

SO LONG AS CEDE & CO. IS THE REGISTERED OWNER OF THE SERIES 2025 BONDS, AS NOMINEE OF DTC, REFERENCES HEREIN TO THE OWNERS OR HOLDERS OF THE SERIES 2025 BONDS OR REGISTERED OWNERS OF THE SERIES 2025 BONDS SHALL MEAN CEDE & CO. AND SHALL NOT MEAN THE BENEFICIAL OWNERS OF THE BONDS.

The District can make no assurances that DTC will distribute payments of principal of, redemption price, if any, or interest on the Series 2025 Bonds to the Direct Participants, or that Direct and Indirect Participants will distribute payments of principal of, redemption price, if any, or interest on the Series 2025 Bonds or redemption notices to the Beneficial Owners of such Series 2025 Bonds or that they will do so on a timely basis, or that DTC or any of its Participants will act in a manner described in this Limited Offering Memorandum. The District is not responsible or liable for the failure of DTC to make any payment to any Direct Participant or failure of any Direct or Indirect Participant to give any notice or make any payment to a Beneficial Owner in respect to the Series 2025 Bonds or any error or delay relating thereto.

#### SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS

#### General

THE SERIES 2025 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY FROM THE SERIES 2025 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE OF FLORIDA (THE "STATE"), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2025 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, THE SERIES 2025 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2025 BONDS. THE SERIES 2025 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2025 Bonds will be secured by a pledge of the Series 2025 Pledged Revenues. "Series 2025 Pledged Revenues" shall mean (a) all revenues received by the District from the Series 2025 Special

Assessments levied and collected on the assessable lands within the 2025 Project Area within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2025 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2025 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture created and established with respect to or for the benefit of the Series 2025 Bonds; provided, however, that Series 2025 Pledged Revenues shall not include (A) any moneys transferred to the Series 2025 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2025 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso).

The "Series 2025 Special Assessments" shall mean the Special Assessments levied on the assessable lands within the 2025 Project Area within the District as a result of the District's acquisition and/or construction of the 2025 Project. The Series 2025 Special Assessments correspond in amount to the debt service on the Series 2025 Bonds and are designated as such in the Assessment Methodology (as hereinafter defined). The Assessment Methodology, which describes the methodology for allocating the Series 2025 Special Assessments to the assessable lands within the 2025 Project Area, is included as APPENDIX D hereto. The Series 2025 Special Assessments were levied pursuant to Section 190.022 of the Act, and the Assessment Resolutions (as defined in the First Supplemental Indenture) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the "Assessment Proceedings"). Non-ad valorem assessments are not based on millage and are not taxes, but are a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The Series 2025 Special Assessments will constitute a lien against the land as to which the Series 2025 Special Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

#### **Assessment Methodology / Projected Level of District Assessments**

As set forth in the Assessment Methodology, the Series 2025 Special Assessments will be levied on the 496 platted lots within the 2025 Project Area on the per unit basis set forth below. See "APPENDIX D – ASSESSMENT METHODOLOGY" herein.

Product Type	No. of Units	Annual Series 2025 Special Assessments Per Unit***	Total Series 2025 Par Debt Per Unit*

<sup>\*</sup>Preliminary, subject to change.

The District will levy assessments to cover its operation and maintenance costs that will range from approximately \$460.84 to \$1,382.53 per residential unit annually, which amounts are subject to change. In addition, residents will be required to pay homeowners association fees currently estimated to be approximately \$1,020 per single-family unit annually and \$2,364 per townhome annually, which amounts are subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed

<sup>\*\*</sup> This amount is grossed up to include early payment discounts and County collection fees, currently 6%.

on taxable properties in the District for 2024 was approximately 17.9834 mills, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2025 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School District of Lake County, Florida each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information.

#### **Additional Obligations**

Under the Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the Series 2025 Special Assessments. Such covenant shall not prohibit the District from issuing refunding bonds. In addition, the District will covenant not to issue any other Bonds or debt obligations for capital projects, secured by special assessments on the land within the 2025 Project Area within the District which secure the Series 2025 Special Assessments, until the Series 2025 Special Assessments are Substantially Absorbed. "Substantially Absorbed" means the date at least 75% of the principal portion of the Series 2025 Special Assessments have been assigned to residential units within the 2025 Project Area within the District that have received certificates of occupancy. The District's covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. The District shall present the Trustee with a certification that the Series 2025 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2025 Special Assessments are Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the District may issue other Bonds or debt obligations secured by Special Assessments, other than the Series 2025 Special Assessments, at any time upon the written consent of the Majority Holders.

#### **Covenant Against Sale or Encumbrance**

In the Indenture, the District will covenant that (a) except for those improvements comprising the 2025 Project that are to be conveyed by the District to the City, the County, the State Department of Transportation or another governmental entity, and (b) except as otherwise permitted in the Indenture, it will not sell, lease or otherwise dispose of or encumber the 2025 Project or any part thereof. See "APPENDIX A: PROPOSED FORMS OF INDENTURE" herein for more information.

#### **Series 2025 Reserve Account**

The Indenture establishes a Series 2025 Reserve Account within the Debt Service Reserve Fund for the Series 2025 Bonds. The Series 2025 Reserve Account will, at the time of delivery of the Series 2025 Bonds, be funded from a portion of the net proceeds of the Series 2025 Bonds in an amount equal to the initial Series 2025 Reserve Requirement. "Series 2025 Reserve Requirement" or "Reserve Requirement" shall mean an amount initially equal to twenty-five percent (25%) of the maximum annual debt service with respect to the initial principal amount of the Series 2025 Bonds determined on the date of issue. Upon satisfaction of the Release Conditions, the Series 2025 Reserve Requirement shall be reduced to an amount equal to ten percent (10%) of the maximum annual debt service with respect to the then Outstanding principal amount of the Series 2025 Bonds.

"Release Conditions" shall mean all of the following (i) all of the principal portion of the Series 2025 Special Assessments has been assigned to residential units that have each received a certificate of

occupancy, and (ii) no Event of Default under the Master Indenture has occurred, all as evidenced pursuant to the Frist Supplemental Indenture.

If a portion of the Series 2025 Bonds are redeemed pursuant to the certain provisions of the First Supplemental Indenture, the Reserve Requirement shall be recalculated after taking into account such extraordinary mandatory redemption. Any amount in the Series 2025 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2025 Bonds be used to pay principal of and interest on the Series 2025 Bonds at that time. The initial Series 2025 Reserve Requirement shall be equal to \$\\$

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2025 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2025 Bonds caused by investment earnings prior to the Completion Date to the Series 2025 Acquisition and Construction Account and after the Completion Date to the Series 2025 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2025 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2025 Bonds to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2025 Special Assessments (as a result of non-payment of the Series 2025 Special Assessments) and applied to redeem a portion of the Series 2025 Bonds is less than the principal amount of Series 2025 Bonds indebtedness attributable to such lands.

Subject to the provisions of the First Supplemental Indenture, on any date the District or the District Manager, on behalf of the District, receives notice that a landowner wishes to prepay its Series 2025 Special Assessments relating to the benefited property of such landowner within the 2025 Project Area, or as a result of a mandatory true-up payment, the District shall, or cause the District Manager, on behalf of the District to, calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2025 Prepayment Principal due by the amount of money in the Series 2025 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2025 Reserve Account shall be transferred by the Trustee to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2025 Bonds in accordance with the provisions of the First Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing and as further described in the next succeeding paragraph, upon satisfaction of the Release Conditions, as the case may be, the Trustee shall deposit such excess on deposit in the Series 2025 Reserve Account as described below to the Series 2025 Acquisition and Construction Account and pay such amount deposited in the Series 2025 Acquisition and Construction Account to the Person or Persons designated in a requisition submitted to the District by the Developer, which requisition shall be executed by the District and the Consulting Engineer and shall be submitted to the Trustee by the District, or to the Person or Persons designated in a previously submitted properly executed requisition, all or a portion of which remains unfunded ("Unfunded Requisition"). Such payment is authorized notwithstanding that the Completion Date might have been declared provided that there are Costs of the 2025 Project that were not paid from moneys initially deposited in the Series 2025 Acquisition and Construction Account and the Trustee has on file one or more Unfunded Requisitions. In the event there are multiple Unfunded Requisitions on file with the Trustee, the Trustee shall fund such requisitions in the

order the Trustee has received them (from oldest to newest). In the event that there are no Unfunded Requisitions on file with the Trustee, such excess moneys transferred from the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account shall be deposited into the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account.

In addition, upon satisfaction of the Release Conditions, the District Manager shall deliver a written certification to the District and the Trustee, stating that the Release Conditions have been satisfied and setting forth the amount of the new Series 2025 Reserve Requirement, and the Trustee shall without further direction reduce the Series 2025 Reserve Requirement to ten percent (10%) the maximum annual debt service of the then Outstanding principal amount of the Series 2025 Bonds as calculated by the District Manager. The excess amount in the Series 2025 Reserve Account as a result of the satisfaction of the Release Conditions shall be transferred to the Series 2025 Acquisition and Construction Account. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to the First Supplemental Indenture, the District Manager, on behalf of the District, shall calculate the applicable Reserve Requirement and communicate the same to the Trustee and the Trustee will apply any excess in the Series 2025 Reserve Account toward such extraordinary mandatory redemption.

It shall be an Event of Default under the Indenture if at any time the amount in the Series 2025 Reserve Account is less than the applicable Series 2025 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Series 2025 Reserve Requirement and such amount has not been restored within thirty (30) days of such withdrawal.

#### **Deposit and Application of the Series 2025 Pledged Revenues**

Pursuant to the First Supplemental Indenture, the Trustee shall transfer from amounts on deposit in the Series 2025 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each May 1 commencing May 1, 2026, to the Series 2025 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2025 Bonds becoming due on the next succeeding May 1, less any amount on deposit in the Series 2025 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each November 1 commencing November 1, 2026, to the Series 2025 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2025 Bonds becoming due on the next succeeding November 1, less any amounts on deposit in the Series 2025 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each May 1, commencing May 1, 20\_\_, to the Series 2025 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2025 Bonds subject to sinking fund redemption on such May 1, less any amount on deposit in the Series 2025 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding the May 1, commencing May 1, 20 which is a principal payment date for any Series 2025 Bonds, to the Series 2025 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2025 Bonds Outstanding maturing on such May 1, less any amounts on deposit in the Series 2025 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2025 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer from the Series 2025 Revenue Account to the Series 2025 Interest Account, the amount necessary to pay interest on the Series 2025 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2025 Bonds remain Outstanding, to the Series 2025 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2025 Reserve Requirement for the Series 2025 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2025 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2025 Bonds and next, any balance in the Series 2025 Revenue Account shall remain on deposit in such Series 2025 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2025 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

#### **Investments**

The Trustee shall, as directed by the District in writing, invest moneys held in the Series Account in the Debt Service Fund, any Series Account of the Debt Service Reserve Fund and the Bond Redemption Account in Government Obligations and the other securities described in the definition of Investment Securities set forth in the Master Indenture. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for the purposes set forth in the Indenture. All securities securing investments shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the provisions of the Indenture, any interest and other income so received shall be deposited in the Series 2025 Revenue Account. Upon request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof.

In the absence of written investment instructions from the District, the Trustee shall not be responsible or liable for keeping the moneys held by it pursuant to the Indenture invested or for any losses because such amounts were not invested. Moneys in any of the Funds and Accounts established pursuant to the Indenture, when held by the Trustee, shall be promptly invested by the Trustee in accordance with all written directions from the District and the District shall be responsible for ensuring that such instructions conform to requirements of the Master Indenture. The Trustee shall not be liable or responsible for any loss or entitled to any gain resulting from any investment or sale upon the investment instructions of the District or otherwise, including that set forth in the first sentence of this paragraph. The Trustee may conclusively rely upon the District's written instructions as to both the suitability and legality of all investments directed hereunder or under any Supplemental Indenture. Ratings of investments shall be determined by the District at the time of purchase of such investments and without regard to ratings subcategories. The Trustee shall have no responsibility to monitor the ratings of investments after the initial purchase of such investments. The Trustee may make any and all such investments through its own

investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades. Confirmations of investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any Fund or Account if no activity occurred in such Fund or Account during such month. See "APPENDIX A: PROPOSED FORMS OF INDENTURE" hereto.

#### **Covenant to Levy the Series 2025 Special Assessments**

The District has covenanted to levy the Series 2025 Special Assessments to the extent and in the amount sufficient to pay debt service on the Series 2025 Bonds when due. If any Series 2025 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2025 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2025 Special Assessment when it might have done so, the District has additionally covenanted to either (i) take all necessary steps to cause a new Series 2025 Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (ii) in its sole discretion, make up the amount of such Series 2025 Special Assessment from legally available moneys, which moneys shall be deposited into the Series 2025 Revenue Account. In case such second Series 2025 Special Assessments and make other Series 2025 Special Assessments until a valid Series 2025 Special Assessment shall be made.

#### **Prepayment of Series 2025 Special Assessments**

Pursuant to the Assessment Proceedings and except as provided in the next succeeding paragraph, an owner of property subject to the Series 2025 Special Assessments may pay all or a portion of the principal balance of such Series 2025 Special Assessments at any time, provided that a partial prepayment can only occur once, if there is also paid an amount equal to the interest that would otherwise be due on such prepaid amount on the next succeeding Quarterly Redemption Date for the Series 2025 Bonds, or, if prepaid during the forty-five (45) day period preceding such Quarterly Redemption Date, to the Quarterly Redemption Date following such next succeeding Quarterly Redemption Date.

Pursuant to the Act, an owner of property subject to the levy of Series 2025 Special Assessments may pay the entire balance of the Series 2025 Special Assessments remaining due, without interest, within thirty (30) days after the 2025 Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the 2025 Project pursuant to Chapter 170.09, Florida Statutes. The Developer, as a current owner of certain property within the 2025 Project Area, has covenanted to waive this right on behalf of itself and its respective successors and assigns in connection with the issuance of the Series 2025 Bonds. Such declaration was recorded in the public records of the County, and the covenants contained therein are binding on future landowners that acquired property located within the District from the Developer. The Land Bank is not expected to enter into any such declaration. However, the Developer is expected to takedown all of the lots subject to the Option Agreement by October 2027.

Notwithstanding the preceding sentence, there is no guarantee the Developer will take down all of the lots subject to the Option Agreement. If the Land Bank prepays the Series 2025 Special Assessments on the lots they own, without interest, there may be a shortfall in the amount sufficient to pay debt service on the Series 2025 Bonds when due since the District would be required to fund the shortfall from other available sources of funds which may not be sufficient.

Any prepayment of Series 2025 Special Assessments will result in the extraordinary mandatory redemption of a portion of the Series 2025 Bonds as indicated under "DESCRIPTION OF THE SERIES

2025 BONDS - Redemption Provisions - Extraordinary Mandatory Redemption." The prepayment of Series 2025 Special Assessments does not entitle the owner of the property to a discount for early payment.

#### Indenture Provisions Relating to Bankruptcy or Insolvency of Certain Landowners

For purposes of this heading, (a) each Series of Bonds, including the Series 2025 Bonds, secured by and payable from Special Assessments levied against property owned by any Insolvent Taxpayer (defined below) are collectively referred to herein as the "Affected Bonds" and (b) the Special Assessments, including the Series 2025 Special Assessments, levied against any Insolvent Taxpayer's property and pledged under one or more Supplemental Indentures as security for the Affected Bonds are collectively referred to herein as the "Affected Special Assessments".

The following provisions of the Master Indenture shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the District, to the extent permitted by applicable law, shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The District agrees that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

In the Indenture, the District acknowledges and agrees that, although the Affected Bonds were issued by the District, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake with respect to the Affected Bonds and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the District, to the extent permitted by applicable law, hereby agrees that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture; (b) to the extent permitted by applicable law, the District hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) to the extent permitted by applicable law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a bankruptcy plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the

Bankruptcy Code and (d) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing in the Master Indenture shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments, and the District shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the District in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Series 2025 Special Assessments relating to the Series 2025 Bonds Outstanding whether such claim is pursued by the District or the Trustee.

#### **Events of Default and Remedies**

<u>Events of Default Defined</u>. The Master Indenture provides that each of the following shall be an "Event of Default" under the Master Indenture, with respect to the Series 2025 Bonds:

- (a) if payment of any installment of interest on any Series 2025 Bond is not made when it becomes due and payable; or
- (b) if payment of the principal or Redemption Price of any Series 2025 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or
- (c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act which failure or incapacity may be reasonably determined solely by the Majority Holders; or
- (d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or
- (e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in the Series 2025 Bonds and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

- (f) if at any time the amount in the Series 2025 Reserve Account is less than the Series 2025 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement of the Series 2025 Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or
- (g) more than twenty percent (20%) of the "maintenance special assessments" levied by the District on District Lands upon which the Series 2025 Special Assessments are levied to secure the Series 2025 Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

<u>No Acceleration; Redemption.</u> No Series 2025 Bonds shall be subject to acceleration. Upon the occurrence and continuation of an Event of Default, no optional redemption or extraordinary mandatory redemption of the Series 2025 Bonds pursuant to the Indenture shall occur unless all of the Series 2025 Bonds where an Event of Default has occurred will be redeemed or if 100% of the Holders of the Outstanding Series 2025 Bonds agree to such redemption.

<u>Legal Proceedings by Trustee</u>. If any Event of Default with respect to the Series 2025 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holders of the Outstanding Series 2025 Bonds and receipt of indemnity to its satisfaction shall, in its capacity as Trustee:

- (a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2025 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Series 2025 Bondholders and to perform its or their duties under the Act;
  - (b) bring suit upon the Series 2025 Bonds;
- (c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2025 Bonds;
- (d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2025 Bonds; and
- (e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2025 Bonds.

<u>Discontinuance of Proceedings by Trustee.</u> If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, then the District, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

Bondholders May Direct Proceedings. The Majority Holders then subject to remedial proceedings under the Indenture shall have the right to direct the method and place of conducting all remedial

proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law or the provisions of the Indenture.

#### ENFORCEMENT OF ASSESSMENT COLLECTIONS

#### General

The primary source of payment for the Series 2025 Bonds is the collection of Series 2025 Special Assessments imposed on the assessable lands within the 2025 Project Area specially benefited by the 2025 Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY" herein and "APPENDIX D: ASSESSMENT METHODOLOGY."

The imposition, levy, and collection of Series 2025 Special Assessments must be done in compliance with the provisions of Florida law. Failure by the District, the Lake County Tax Collector ("Tax Collector") or the Lake County Property Appraiser ("Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2025 Special Assessments during any year. Such delays in the collection of Series 2025 Special Assessments, or complete inability to collect the Series 2025 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2025 Bonds. See "BONDOWNERS' RISKS." To the extent that landowners fail to pay the Series 2025 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2025 Bonds.

For the Series 2025 Special Assessments to be valid, the Series 2025 Special Assessments must meet two requirements: (1) the benefit from the 2025 Project to the lands subject to the Series 2025 Special Assessments must exceed or equal the amount of the Series 2025 Special Assessments; and (2) the Series 2025 Special Assessments must be fairly and reasonably allocated across all such benefitted properties. The certificate of the Methodology Consultant, to be delivered at closing of the Series 2025 Bonds, will certify that these requirements have been met with respect to the Series 2025 Special Assessments. In the event that the Series 2025 Special Assessments are levied based on the assumptions that future contributions will be made, the Series 2025 Special Assessments may need to be reallocated in the event such contributions are not made.

Pursuant to the terms and provisions of the Indenture and except as provided in the next succeeding sentence, the District shall collect the Series 2025 Special Assessments relating to the acquisition and construction of the 2025 Project through the Uniform Method of Collection (the "Uniform Method") afforded by Section 197.3632, Florida Statutes. Pursuant to the terms and provisions of the Master Indenture, the District shall, pursuant to the provisions of the Assessment Resolutions, directly collect the Series 2025 Special Assessments levied in lieu of the Uniform Method with respect to any assessable lands which have not yet been re-platted, unless the Trustee at the direction of the Majority Holders directs the District otherwise or the timing for using the Uniform Method will not yet allow for using such method. See "Assessment Methodology" and "APPENDIX D: ASSESSMENT METHODOLOGY." As lands are developed, the Series 2025 Special Assessments will be added to the County tax roll and collected pursuant to the Uniform Method. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

THERE CAN BE NO ASSURANCE THAT ANY SALE OF LAND SUBJECT TO DELINQUENT ASSESSMENTS WILL PRODUCE PROCEEDS SUFFICIENT TO PAY THE FULL

AMOUNT OF SUCH DELINQUENT ASSESSMENTS PLUS OTHER DELINQUENT TAXES AND ASSESSMENTS APPLICABLE THERETO.

Chapter 170, *Florida Statutes*, provides that the Series 2025 Special Assessments constitute a lien on the real property within the District co-equal with all State, City, County, district and municipal taxes, superior in dignity to all other liens, titles and claims on such real property except for certain federal tax liens, until paid, and that the Series 2025 Special Assessments may be collected as and when needed in an amount sufficient to pay the principal of and interest on the Series 2025 Bonds when due. ALTHOUGH THE LIEN AND THE PROCEEDS OF THE SERIES 2025 SPECIAL ASSESSMENTS WILL SECURE THE SERIES 2025 BONDS, AND SAID LIEN AND PROCEEDS OF THE SERIES 2025 SPECIAL ASSESSMENTS ARE PLEDGED TO THE SERIES 2025 BONDS, THE LIEN OF THE SERIES 2025 SPECIAL ASSESSMENTS MAY BE ON THE SAME PROPERTY AS, AND THEREFOR OVERLAP AND BE CO-EQUAL WITH, THE LIENS IN FAVOR OF OTHER ASSESSMENTS AND/OR TAXES WHICH HAVE BEEN OR MAY BE IMPOSED BY THE DISTRICT, THE CITY, THE COUNTY OR OTHER UNITS OF LOCAL GOVERNMENT HAVING ASSESSMENT POWERS WITHIN THE DISTRICT.

#### Collection and Enforcement of Assessments; Uniform Method Procedure

The First Supplemental Indenture provides that, when permitted by applicable law, the Series 2025 Special Assessments levied on platted lots and pledged to secure the Series 2025 Bonds shall be collected pursuant to the Uniform Method provided for in Section 197.3632, Florida Statutes, unless the Trustee at the direction of the Majority Holders directs the District otherwise or the timing for using the Uniform Method will not yet allow for using such method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2025 Special Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2025 Special Assessments will be collected together with City, County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the 2025 Project Area. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments – including the Series 2025 Special Assessments – are to be billed, and landowners in the 2025 Project Area are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2025 Special Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2025 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2025 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the Debt Service requirements on the Series 2025 Bonds.

Under the Uniform Method, if the Series 2025 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2025 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2025 Special Assessments, (2) that future landowners and taxpayers in the 2025 Project Area will pay such Series 2025 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the 2025 Project Area, and (4) that the eventual sale of tax certificates for real property within the 2025 Project Area, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2025 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2025 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2025 Special Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2025 Special Assessments), interest, costs and charges on the real property described in the certificate.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued (unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees), at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is affected by purchase of such certificates from the County, as described above.

For any holder other than the County, a tax certificate expires seven years after the date of issuance, if a tax deed has not been applied for, and no other administrative or legal proceeding, including a bankruptcy, has existed of record, the tax certificate is null and void. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are

held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court of the County (the "Clerk"), the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear. If the property is purchased for an amount in excess of the statutory bid of the certificate holder, but such excess is not sufficient to pay all governmental liens of record, the excess shall be paid to each governmental unit pro rata.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the Clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County Commission that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2025 Special Assessments. For example, the demand for tax certificates is dependent upon various factors, which

include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the 2025 Project Area may affect the demand for certificates and the successful collection of the Series 2025 Special Assessments, which are the primary source of payment of the Series 2025 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDOWNERS' RISKS."

#### Collection and Enforcement of Assessments; Direct Billing & Foreclosure Procedure

The First Supplemental Indenture provides that, when permitted by applicable law, Series 2025 Special Assessments levied on unplatted lots or lands and pledged to secure the Series 2025 Bonds shall be billed and collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method (as discussed below), in each case unless the District is directed otherwise by the Trustee, acting at the direction of the Majority Holders of the Outstanding Series 2025 Bonds. Any amount of Series 2025 Special Assessments that are billed and collected directly by the District and not via the Uniform Method shall be due and payable by each landowner no later than thirty (30) days prior to each respective Interest Payment Date.

As noted above, and pursuant to Chapters 170 and 190, Florida Statutes, the District may directly levy, collect and enforce the Series 2025 Special Assessments. In this context, Section 170.10, Florida Statutes, provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2025 Special Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2025 Special Assessments and the ability to foreclose the lien of such Series 2025 Special Assessments upon the failure to pay such Series 2025 Special Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2025 Special Assessments. See "BONDOWNERS' RISKS."

Certain mortgage lenders have, in recent foreclosure initiated pursuant to Section 170.10, Florida Statutes, alleged in defense that a community development district foreclosing on land subject to an assessment lien must wait a minimum of one (1) year from the date that any assessment or installment thereof, becomes delinquent. At least one (1) Circuit Court is known to have concluded that a community development district is authorized to foreclose pursuant to Chapter 170, Florida Statutes, and, therefore, is not required to wait a minimum of one (1) year; however, the District cannot guarantee the outcome of any legal proceeding in which a similar defense is pled.

#### **BONDOWNERS' RISKS**

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described under other headings in this Limited Offering Memorandum. Certain additional risks are associated with the Series 2025 Bonds offered hereby are set forth below. Prospective investors in the Series 2025 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2025 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. The information under this heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2025 Bonds and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2025 Bonds.

#### **Concentration of Land Ownership**

As of the date hereof, the Developer and the Land Bank own all of the lands within the 2025 Project Area (except the 29 homes that have closed with homebuyers), which are the lands that will be subject to the Series 2025 Special Assessments securing the Series 2025 Bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS" herein. Payment of the Series 2025 Special Assessments is primarily dependent upon their timely payment by the Developer, the Land Bank and subsequent landowners in the 2025 Project Area. See "THE DEVELOPER AND THE LAND BANK" herein.

#### **Bankruptcy and Related Risks**

In the event of the institution of bankruptcy or similar proceedings with respect to the Developer, the Land Bank or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2025 Bonds as such bankruptcy could negatively impact the ability of: (i) the Developer, the Land Bank and any other landowner being able to pay the Series 2025 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2025 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2025 Special Assessments not being collected pursuant to the Uniform Method. The Uniform Method will not be used with respect to any assessable lands which are still owned by the Developer, the Land Bank or an entity affiliated with the Developer or the Land Bank until such time lots are platted, unless the Trustee at the direction of the Majority Holders directs the District otherwise or the timing for using the Uniform Method will not yet allow for using such method. In addition, the remedies available to the Owners of the Series 2025 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2025 Bonds, including, without limitation, enforcement of the obligation to pay Series 2025 Special Assessments and the ability of the District to foreclose the lien of the Series 2025 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2025 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2025 Bonds could have a material adverse impact on the interest of the Owners thereof.

#### Series 2025 Special Assessments are Non-Recourse

The principal security for the payment of the principal and interest on the Series 2025 Bonds is the timely collection of the Series 2025 Special Assessments. The Series 2025 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the landowners within the 2025 Project Area will be able to pay the Series 2025 Special Assessments or that they will pay such Series 2025 Special Assessments even though financially able to do so. Beyond legal delays that could result from bankruptcy or other legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the Tax Collector to sell tax certificates in regard to delinquent Series 2025 Special Assessments collected pursuant to the Uniform Method will be dependent upon various factors, including the interest rate which can be earned by ownership of such certificates and the value of the land which is the subject of such certificates and which may be subject to sale at the demand of the certificate holder after two years. The assessment of the benefits to be received by the benefited land within the 2025 Project Area as a result of implementation and development of the 2025 Project is not indicative of the realizable or market value of the land, which value may actually be higher or lower than the assessment of benefits. To the extent that the realizable or market value of the land benefited by the 2025 Project is lower than the assessment of benefits, the ability of the Tax Collector to sell tax certificates relating to such land or the ability of the District to realize sufficient value from a foreclosure action to pay debt service on the Series 2025 Bonds may be adversely affected. Such adverse effect could render the District unable to collect delinquent Series 2025 Special Assessments, and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2025 Bonds.

Neither the Developer, the Land Bank nor any other subsequent landowner within the 2025 Project Area has any contractual obligation to pay the Series 2025 Special Assessments. As described herein, the Series 2025 Special Assessments are an imposition against the land only. Neither the Developer, the Land Bank nor any other subsequent landowner is a guarantor of payment of any Series 2025 Special Assessment and the recourse for the failure of the Developer, the Land Bank or any other landowner to pay the Series 2025 Special Assessments is limited to the collection proceedings against the land as described herein.

#### **Regulatory and Environmental Risks**

The development of the Development, including the 2025 Project Area, is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands including the 2025 Project Area and the 2025 Project. See "THE DEVELOPMENT – Zoning and Permitting," and "– Environmental" herein for more information.

The value of the land within the District, the success of the development of the Development and the likelihood of timely payment of principal and interest on the Series 2025 Bonds could be affected by environmental factors. Should such land be contaminated by hazardous materials, this could materially and adversely affect the value of the lands, which could materially and adversely affect the success of the development of the Development and the likelihood of the timely payment of the Series 2025 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. Except as described under "THE DEVELOPMENT – Environmental," the Developer will represent that it is not aware of any condition which currently requires, or is reasonably expected to require in the foreseeable future,

investigation or remediation under any applicable federal, state or local governmental laws or regulations relating to the environment. See "THE DEVELOPMENT – Environmental" for more information on the Developer's environmental site assessments. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or surrounding areas and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District and no assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future whether originating within the District or from surrounding property, and what effect such may have on the development of the District lands.

#### **Catastrophic Event Risks**

The value of the lands in the District could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District lands unable to support the development of the lands in the District. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2025 Bonds. The Series 2025 Bonds are not insured and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

#### **Economic Conditions and Changes in Development Plans**

The successful sale of the residential units, once such homes are built within the District may be affected by unforeseen changes in general economic conditions, fluctuations in the real estate market, economic and trade policies, the ability to obtain homeowner's insurance and other factors beyond the control of the Developer and the Land Bank. Moreover, the Developer has the right to modify or change its plan for development of the Development, from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with, and subject to the provisions of the Act, to contract or expand the boundaries of the District.

#### **Other Taxes and Assessments**

The willingness and/or ability of an owner of specially benefited land to pay the Series 2025 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the City, the County or any other local special purpose or general purpose governmental entities. City, County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2025 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District, could, without the consent of the owners of the land within the 2025 Project Area, impose additional taxes on the property within the 2025 Project Area. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2025 Special Assessments. In addition, lands within the District will also be subject to assessments by property and homeowner associations.

Under Florida law, a landowner may contest the assessed valuation determined for its property which forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a Tax Certificate under the Uniform Method will be suspended. If the Series 2025 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to the Series 2025 Special Assessment even though the landowner is not contesting the amount of the Series 2025 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers to pay all non-ad valorem taxes and at least 75% of their ad valorem taxes before they become

delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. In the event a taxpayer fails to pay their property taxes, the Value Adjustment Board is required to deny their petition by written decision by April 20 of such year.

#### **Limited Secondary Market for Series 2025 Bonds**

The Series 2025 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2025 Bonds in the event an Owner thereof determines to solicit purchasers of the Series 2025 Bonds. Because the Series 2025 Bonds are being sold pursuant to exemptions from registration under applicable securities laws, no secondary market may develop and an owner may not be able to resell the Series 2025 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2025 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2025 Bonds, depending on the progress of development of the Development and the lands within the District, existing real estate and financial market conditions and other factors.

#### **Inadequacy of Reserve Account**

In addition to legal delays that could result from bankruptcy or legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the District to enforce collection of delinquent Series 2025 Special Assessments will be dependent upon various factors, including the delay inherent in any judicial proceeding to enforce the lien of the Series 2025 Special Assessments and the value of the land which is the subject of such proceedings and which may be subject to sale. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS" and "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein. If the District has difficulty in collecting the Series 2025 Special Assessments, the Series 2025 Reserve Account could be rapidly depleted and the ability of the District to pay debt service would be materially adversely affected. In addition, during an Event of Default under the Master Indenture, the Trustee may withdraw moneys from the Series 2025 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2025 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2025 Special Assessments in order to provide for the replenishment of the Series 2025 Reserve Account.

#### **Legal Delays**

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2025 Special Assessments if the Series 2025 Special Assessments are not being collected pursuant to the Uniform Method, such landowners may raise affirmative defenses to such foreclosure action, which although such affirmative defenses would likely be proven to be without merit, could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Series 2025 Bondholders to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code (as hereinafter defined), there are limitations on the amounts of Series 2025 Bond proceeds that can be used for such purpose.

#### IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. The IRS conducted a lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations require that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it will withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety." On October 20, 2017 a notice of withdrawal was published in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues.

It has been reported that the IRS has closed audits of other community development districts in Florida with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within five or six years of the issuance of tax-exempt bonds or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years and there are 250 qualified electors in the District. The District has not yet reached the minimum threshold of 250 qualified electors required under the Act to begin

electing qualified electors to the Board. Currently, all of the current members of the Board are employees of, or affiliated with, the Developer. The Developer will certify as to its expectations as to the timing of the transition of control of the Board to qualified electors pursuant to the Act, and its expectations as to compliance with the Act by any members of the Board that it elects. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2025 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable state or federal law.

Owners of the Series 2025 Bonds are advised that, if the IRS does audit the Series 2025 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2025 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2025 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds would adversely affect the availability of any secondary market for the Series 2025 Bonds. Should interest on the Series 2025 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2025 Bonds be required to pay income taxes on the interest received on such Series 2025 Bonds and related penalties, but because the interest rate on such Series 2025 Bonds will not be adequate to compensate Owners of the Series 2025 Bonds for the income taxes due on such interest, the value of the Series 2025 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATE ON THE SERIES 2025 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2025 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2025 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2025 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2025 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

#### **Loss of Exemption from Securities Registration**

In addition to a possible determination by the IRS that the District is not a political subdivision for purposes of the Code, and regardless of the IRS determination, it is possible that federal or state regulatory authorities could also determine that the District is not a political subdivision for purposes of the federal and state securities laws. Accordingly, the District and purchasers of Series 2025 Bonds may not be able to rely on the exemption from registration under the Securities Act of 1933, as amended (the "Securities Act"), relating to securities issued by political subdivisions. In that event the Owners of the Series 2025 Bonds would need to ensure that subsequent transfers of the Series 2025 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act.

#### **Federal Tax Reform**

Various proposals are mentioned from time to time by members of the Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In

addition, the IRS may, in the future, issue rulings that have the effect of changing the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2025 Bonds, by eliminating or changing the tax-exempt status of interest on certain of such bonds. Whether any of such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2025 Bonds, cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2025 Bonds. See also "TAX MATTERS."

#### **Insufficient Resources or Other Factors Causing Failure to Complete the 2025 Project**

The Developer will not be entering into a completion agreement with respect to the completion of the 2025 Project. Accordingly, there can be no assurance, in the event the District does not have sufficient moneys on hand to complete the 2025 Project, that the District will be able to raise the moneys necessary to complete the 2025 Project. Pursuant to the First Supplemental Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the Series 2025 Special Assessments. Such covenant shall not prohibit the District from issuing refunding bonds. In addition, the District will covenant not to issue any other Bonds or debt obligations for capital projects, secured by special assessments on the land within the 2025 Project Area within the District which secure the Series 2025 Special Assessments, until the Series 2025 Special Assessments are Substantially Absorbed; provided that such covenant shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS — Additional Obligations" for more information. There can be no assurance that the Developer will have sufficient resources to complete the 2025 Project. See "THE CAPITAL IMPROVEMENT PLAN AND THE 2025 PROJECT" and "THE DEVELOPMENT" herein for more information.

Neither the Developer nor the Land Bank will be executing a collateral assignment and assumption of development rights with respect to the development of the Development. Accordingly, to the extent that an Event of Default occurs with respect to the Series 2025 Bonds and the District lands are foreclosed upon (if the Series 2025 Special Assessments are not being collected pursuant to the Uniform Method), the landowner acquiring the District lands in event of such foreclosure may not acquire all of the development entitlements necessary to complete the development of the 2025 Project to the extent such development entitlements do not run with the District lands.

#### **State Tax Reform**

It is impossible to predict what new proposals may be presented regarding ad valorem tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renews requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the "Executive Order") directing the Office of Policy and Budget in the Executive Office of the Governor ("OPB") to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any future legislation will or may have on the security for the Series 2025 Bonds. It should be noted that Section 190.16(14) of the Act provides in pertinent part that "The state pledges to the holders of any bonds issued under the Act that it will not

limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders."

#### Payment of Series 2025 Special Assessments after Bank Foreclosure

In the event a bank forecloses on property within the 2025 Project Area because of a default on a mortgage on such property in favor of such bank and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver will then become the fee owner of such property. In such event, the FDIC will likely not, pursuant to its own rules and regulations, be liable to pay the Series 2025 Special Assessments. In addition, the District would be required to obtain the consent of the FDIC prior to commencing a foreclosure action.

#### **Cybersecurity**

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2025 Bonds.

#### **Pandemics and Other Public Health Emergencies**

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Developer, the Land Bank, the timely and successful completion of the 2025 Project Area and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs.

#### **Prepayment and Redemption Risk**

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2025 Bonds are subject to extraordinary mandatory redemption as a result of prepayments of the Series 2025 Special Assessments by owners of the property within the 2025 Project Area or from excess moneys in the Series 2025 Acquisition and Construction Account after the completion of the 2025 Project. Any such redemptions of the Series 2025 Bonds would be at the principal amount of such Series 2025 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2025 Bonds may not realize their anticipated rate of return on the Series 2025 Bonds and initial owners of any Premium Bonds (as defined herein) would receive less than the price they paid for the Series 2025 Bonds. See "DESCRIPTION OF THE SERIES 2025 BONDS – Redemption Provisions" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Prepayment of Series 2025 Special Assessments" herein for more information.

#### THE DISTRICT

#### **General Information**

The District was established by Ordinance No. 2024-025 enacted by the City Council of the City on June 25, 2024. The boundaries of the District include approximately 255.32+/- gross acres of land (the "District Lands") located within the City of Clermont, Florida (the "City") within Lake County, Florida (the "County"). The District is being developed as a residential planned development in phases and is planned to contain approximately 948 residential units at build-out consisting of 246 townhome units and 702 single-family detached units. See "THE DEVELOPMENT" herein for more information.

## **Legal Powers and Authority**

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter. The District is classified as an independent district under Chapter 189, Florida Statutes.

Among other provisions, the Act gives the District's Board of Supervisors, as the governing body (the "Board"), the authority to, among other things, (a) plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; and (iv) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits; these functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any owner of Bonds of the District to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2025 Bonds.

#### **Board of Supervisors**

The Board is composed of five Supervisors (the "Supervisors"). The Act provides that, at the initial meeting of the landowners, Supervisors must be elected by the landowners with the two Supervisors

receiving the highest number of votes to serve for four years and the remaining Supervisors to serve for a two-year term. Three of the five Supervisors are elected to the Board every two years in November. At such election the two Supervisors receiving the highest number of votes are elected to four-year terms and the remaining Supervisor is elected to a two-year term. Until the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, or such earlier time as the Board may decide to exercise its ad valorem taxing power, the Supervisors are elected by vote of the landowners of the District. Ownership of the land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number and, for purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre and shall not be aggregated for determining the number of voting units held). Upon the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, the Supervisors whose terms are expiring will be elected (as their terms expire) by qualified electors of the District, except as described below. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State of Florida and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, both to four-year terms. Thereafter, as terms expire, all Supervisors must be qualified electors and are elected to serve four-year terms. If there is a vacancy on the Board, whether as a result of the resignation or removal of a Supervisor or because no elector qualifies for a seat to be filled in an election, the remaining Board members are to fill such vacancy for the unexpired term.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be qualified electors and shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

<u>Name</u>	<u>Title</u>	<b>Term Expires</b>
Aaron Struckmeyer*	Chairperson	November, 2028
Mary Burns*	Vice Chairperson	November, 2028
Richard Jerman**	Assistant Secretary	November, 2026
Dan Edwards**	Assistant Secretary	November, 2026
Bernard Sullivan*	Assistant Secretary	November, 2026

<sup>\*</sup> Employee of, or affiliated with, the Developer.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the Board shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida's open meeting or "Sunshine" law.

<sup>\*\*</sup> Employee of, or affiliated with, the original landowner.

#### The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Governmental Management Services – Central Florida, LLC, Orlando, Florida, to serve as its district manager ("District Manager"). The District Manager's office is located at 219 E Livingston Street, Orlando, Florida 32801.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Greenberg Traurig, P.A., West Palm Beach, Florida, as Bond Counsel; Vanasse Hangen Brustlin, Inc., Orlando, Florida, as District Engineer; and Kutak Rock LLP, Tallahassee, Florida, as District Counsel. The Board has also retained the District Manager to serve as methodology consultant and to prepare the Assessment Methodology and to serve as dissemination agent for the Series 2025 Bonds.

#### **No Existing Indebtedness**

The District has not previously issued any other bonds or indebtedness.

#### THE CAPITAL IMPROVEMENT PLAN AND THE 2025 PROJECT

Vanasse Hangen Brustlin, Inc. (the "District Engineer") prepared a report entitled Engineer's Report dated September 19, 2024, as revised on January 10, 2025 (the "Master Engineer's Report"), as supplemented by the First Supplemental Engineer's Report for Parkside Trails Community Development District dated August 27, 2025 (the "Supplemental Engineer's Report" and, together with the Master Engineer's Report, the "Engineer's Report"). The Engineer's Report sets forth certain public infrastructure improvements necessary for the development of the 948 residential units planned for the Development (the "Capital Improvement Plan"). The District Engineer estimates the total cost of the Capital Improvement Plan to be approximately \$62,818,750.

Land development associated with the Development will occur in phases. Phases One and Three of the Development contain 496 platted lots (the "2025 Project Area"). The remaining phases of the Development will be developed in the future and are planned to contain 452 lots. The portion of the Capital Improvement Plan associated with the 2025 Project Area is referred to herein as the "2025 Project."

The Series 2025 Bonds are being issued to finance a portion of the 2025 Project. The District Engineer, in the Engineer's Report, estimates the total cost to complete the 2025 Project to be \$35,027,300, as more particularly described below. See "APPENDIX C – ENGINEER'S REPORT" for more information.

Total	\$21,687,600.00	\$13,339,700.00	\$35,027,300.00

Land development associated with the 2025 Project Area is underway, with final completion expected by January 2026. Two final plats for the 496 lots within the 2025 Project Area were recorded on September 17, 2024 and June 27, 2025.

The Developer estimates the total land development costs associated with the 2025 Project Area will be approximately \$60 million, including costs of the 2025 Project, and other hard and soft costs. As of October 27, 2025, the Developer has spent approximately \$52 million on land development associated with the 2025 Project Area, a portion of which includes the 2025 Project. Net proceeds of the Series 2025 Bonds in the amount of approximately \$7.65\* million will be used by the District towards the funding and/or acquisition of a portion of the 2025 Project. Costs not funded with such net proceeds will be funded with Developer equity. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the 2025 Project" herein.

<sup>\*</sup> Preliminary, subject to change.

The District is expected to issue an additional series of bonds in the future to finance remaining portions of the Capital Improvement Plan associated with the remaining 452 lots planned for the Development. Such bonds will be secured by special assessments levied on the District Lands planned to contain the remaining 452 lots planned for the Development and will not be secured by special assessments on the lands within the 2025 Project Area. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS" and "THE DEVELOPMENT – Development Plan/Status" herein

The District Engineer has indicated that all engineering permits necessary to construct the 2025 Project have been obtained or will be obtained in the ordinary course of business. In addition to the Engineer's Report, please refer to "THE DEVELOPMENT – Zoning and Permitting" for a more detailed description of the entitlement and permitting status of the Development. See "APPENDIX C – ENGINEER'S REPORT" for more information regarding the above improvements.

#### ASSESSMENT METHODOLOGY

#### General

The Master Assessment Methodology, dated September 24, 2024, revised on January 29, 2025 (collectively, the "Master Methodology"), as may be further supplemented from time to time, and as supplemented by a final First Supplemental Assessment Methodology for Parkside Trails Community Development District to be dated the sale date of the Series 2025 Bonds (the "Supplemental Methodology" and together with the Master Methodology, the "Assessment Methodology"), which describes the methodology for allocation of the Series 2025 Special Assessments to lands within the 2025 Project Area, has been prepared by Governmental Management Services – Central Florida, LLC, Orlando, Florida (the "Methodology Consultant"). See "EXPERTS" herein for more information. The Assessment Methodology is included herein as APPENDIX D. Once the final terms of the Series 2025 Bonds are determined, the Supplemental Methodology will be amended to reflect such final terms.

Once levied and imposed, the Series 2025 Special Assessments are a first lien on the land against which assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other non-federal units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

#### **Projected Level of District Assessments**

As set forth in the Assessment Methodology, the Series 2025 Special Assessments will be levied on the 496 platted lots within the 2025 Project Area on the per unit basis set forth below. See "APPENDIX D – ASSESSMENT METHODOLOGY" herein.

Product Type	No. of Units	Annual Series 2025 Special Assessments Per Unit***	Total Series 2025  Par Debt Per Unit*
Townhome	142	\$ 625.53	\$ 8,500.00
Single-Family 34'	105	1,063.40	14,450.00
Single-Family 40'	55	1,251.06	17,000.00

Single-Family 60'	89	1,876.60	25,500.00

<sup>\*</sup>Preliminary, subject to change.

The District will levy assessments to cover its operation and maintenance costs that will range from approximately \$460.84 to \$1,382.53 per residential unit annually, which amounts are subject to change. In addition, residents will be required to pay homeowners association fees currently estimated to be approximately \$1,020 per single-family unit annually and \$2,364 per townhome annually, which amounts are subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2024 was approximately 17.9834 mills, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2025 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School District of Lake County, Florida each levy ad valorem taxes upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing

<sup>\*\*</sup> This amount is grossed up to include early payment discounts and County collection fees, currently 6%.

authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

#### **True-up Mechanism**

The Assessment Methodology sets forth a "true-up mechanism" which prevents any buildup of debt on unplatted or replatted land ("Unassigned Properties"). At the time Unassigned Properties becomes platted or replatted ("Assigned Properties"), the District will determine the amount of anticipated assessment revenue that remains on the Unassigned Properties, taking into account the proposed plat or site plan approval. If the total anticipated assessment revenue to be generated from the Assigned and Unassigned Properties is less than the required amount to pay debt service on the Series 2025 Bonds, then a debt reduction payment by the Developer or the Land Bank, as applicable, in the amount necessary to reduce the par amount of the outstanding Series 2025 Bonds plus accrued interest to a level that will be supported by the new maximum annual debt service will be required. See "APPENDIX D: ASSESSMENT METHODOLOGY" herein for additional information regarding the "true-up mechanism."

#### THE DEVELOPMENT

#### General

The District Lands encompass approximately 255.32+/- gross acres and are being developed as a 948-unit residential community currently being marketed as "Parkside Trails" (the "Development"). The Development is located within the City of Clermont, Florida (the "City") within Lake County, Florida (the "County"). The Development is located approximately 3 miles east of U.S. Highway 27, which provides access to the Florida Turnpike approximately 10 miles north. Walt Disney World Resort and LEGOLAND Florida are located within 25 minutes from the Development. Set forth below is a map showing the location of the Development.

Land development associated with the Development will occur in phases. Phases One and Three of the Development contain 496 platted lots (the "2025 Project Area"). The 2025 Project Area consists of

(i) 142 townhomes, (ii) 105 single-family homes on thirty-four-foot (34') lots, (iii) 55 single-family homes on forty-foot (40') lots, (iv) 105 single-family homes on fifty-foot (50') lots, and (v) 89 single-family homes on sixty-foot (60') lots. The remaining phases of the Development will be developed in the future. The portion of the Capital Improvement Plan associated with the 2025 Project Area is referred to herein as the "2025 Project."

The Series 2025 Bonds are being issued to finance a portion of the 2025 Project. The Series 2025 Bonds will be secured by the Series 2025 Special Assessments, which will be levied on the 496 platted lots within the 2025 Project Area as set forth in the Assessment Methodology attached hereto. See "APPENDIX D – ASSESSMENT METHODOLOGY" attached hereto and "– Taxes, Fees and Assessments" herein for more information. Two final plats for the 496 lots within the 2025 Project Area were recorded on September 17, 2024 and June 27, 2025.

The District is expected to issue an additional series of bonds in the future to finance remaining portions of the Capital Improvement Plan associated with the remaining 452 lots planned for the Development. Such bonds will be secured by special assessments levied on the District Lands planned to contain the remaining 452 lots planned for the Development and will not be secured by special assessments on the lands within the 2025 Project Area.

JEN Florida 47 LLC, a Florida limited liability company (the "Land Bank") owns a portion of the assessable lands within the 2025 Project Area. The Land Bank has entered into a Construction Agreement (as hereinafter defined) and an Option Agreement (as hereinafter defined) with Pulte Home Company, LLC, a Michigan limited liability company (the "Developer"), pursuant to which the Developer will manage the installation of infrastructure improvements for 496 lots planned for the 2025 Project Area and the Developer has the option to purchase such lots in accordance with the terms of the Option Agreement. As of October 2025, the Land Bank owns 162 platted lots within the 2025 Project Area, the Developer owns 305 platted lots and the remaining 29 platted lots have closed with homebuyers. The Developer is expected to construct and market all 496 planned residential units within the 2025 Project Area for sale to homebuyers. See "THE DEVELOPMENT" and "THE DEVELOPER AND THE LAND BANK" herein for more information.

Sales and vertical construction within the 2025 Project Area commenced in February 2025. As of October 27, 2025, approximately 29 homes within the 2025 Project Area have closed with homebuyers and an additional 142 homes are under contract pending closing. Approximately 118 homes are currently under construction.

The target market for the Development consists of first-time homebuyers and move up buyers. Starting selling prices for townhomes are expected to range from \$399,990 to \$424,990 and range in square feet from approximately 1,652 square feet to 1,847 square feet. Starting selling prices for single-family homes are expected to range from \$447,990 to \$849,990 and range in square feet from approximately 1,628 square feet to 4,272 square feet. See "– Residential Product Offerings" herein for more information.

#### **Land Acquisition and the Option Agreement**

The Land Bank acquired the lands within the Development on October 27, 2023, for approximately \$32.57 million. There are currently no mortgages on the lands within the Development.

The Land Bank has entered into a Construction Agreement dated October 27, 2023, as may be amended and supplemented from time to time (the "Construction Agreement") with the Developer pursuant to which the Developer will manage the installation of infrastructure improvements for all 948 lots planned for the Development and the Land Bank is obligated to reimburse the Developer for certain associated costs

incurred related thereto, in accordance with the terms of the Construction Agreement. Pursuant to the Construction Agreement, the Developer is obligated to complete the installation of the infrastructure improvements for all 948 lots.

The Developer and the Land Bank entered into an Option Agreement dated October 27, 2023, as may be amended and supplemented from time to time (the "Option Agreement"). Pursuant to the Option Agreement, the Developer paid the Land Bank an option payment of \$17,433,700.08 (the "Option Payment") for the right for the Developer to acquire all 948 of the developed lots within the Development at approximately \$75,510.45 per townhome lot, \$99,990.56 per thirty-four-foot (34') lot, \$127,822.39 per fifty-foot (50') lot, and \$146,362.61 per sixty-foot (60') lot, for an aggregate bulk purchase price of approximately \$105,359,267.84, plus an additional payment of the monthly interest on the outstanding balance due under the Option Agreement. The Option Payment is nonrefundable, except in the event of a default by the Land Bank, and is to be applied against lot takedowns in accordance with the terms of the Option Agreement. The Developer also paid the Land Bank a separate transaction fee of \$581,123.34, which is nonrefundable and is non-applicable against the purchase price.

Pursuant to the Option Agreement, the initial takedown occurred in October 2024, and the remaining takedowns are required to occur every three months thereafter, until all lots within the Development have been acquired by October 2027. The Developer has the right to acquire the lots early, subject to an early purchase premium, and to terminate the Option Agreement at any time upon delivery of written notice to the Land Bank. As of October 2025, the Land Bank owns 162 platted lots within the 2025 Project Area, the Developer owns 305 platted lots and the remaining 29 platted lots have closed with homebuyers.

#### **Development Finance Plan**

The Developer estimates the total land development costs associated with the 2025 Project Area will be approximately \$60 million, including costs of the 2025 Project, and other hard and soft costs. As of October 27, 2025, the Developer has spent approximately \$52 million on land development associated with the 2025 Project Area, a portion of which includes the 2025 Project. Net proceeds of the Series 2025 Bonds in the amount of approximately \$7.65\* million will be used by the District towards the funding and/or acquisition of a portion of the 2025 Project. Costs not funded with such net proceeds will be funded by the Developer with equity. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the 2025 Project" herein.

#### **Development Plan / Status**

Land development associated with the 2025 Project Area is being completed in two phases, as more particularly described below.

<u>Phase One</u>. Phase One contains 251 platted lots ("Phase One"). Land development associated with the 251 lots within Phase One is complete. A final plat for the 251 lots within Phase One was recorded on September 17, 2024.

<u>Phase Three</u>. Phase Three contains 245 platted lots ("Phase Three"). Land development associated with the 245 lots within Phase Three is substantially complete, with final completion expected by January 2026. A final plat for the 245 lots within Phase Three was recorded on June 27, 2025.

<sup>\*</sup> Preliminary, subject to change.

Sales and vertical construction within the 2025 Project Area commenced in February 2025. As of October 27, 2025, approximately 29 homes within the 2025 Project Area have closed with homebuyers and an additional 142 homes are under contract pending closing. Approximately 118 homes are currently under construction

The Developer anticipates that approximately 150 homes within the 2025 Project Area will close with homebuyers per annum until buildout. This anticipated absorption is based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

#### **Residential Product Offerings**

The target customers for the Development are primarily first time homebuyers and move-up buyers. Below is a summary of the types of units and starting price points for units planned for the Development.

Product Type	Square Footage	Beds/Baths	<b>Starting Price Points</b>
Townhome	1,652 to 1,858	3 Bedrooms, 2.5 Baths	\$399,990 to \$424,990

#### **Zoning and Permitting**

The land within the 2025 Project Area is zoned to allow for the contemplated residential uses described herein. The land within the Development is currently located within flood zone X (moderate-to-low flooding risk).

Pursuant to the Partial Assignment and Assumption of Roadway Improvement Agreement for Wellness Way and Hancock Road Extension dated October 27, 2023, the Land Bank and the Developer were required to complete certain offsite roadway improvements to Wellness Way and Hancock Road. Such improvements are complete.

The District Engineer has indicated that all permits have been received by jurisdictional agencies to allow for the development contemplated herein or are reasonably expected to be received in the ordinary course. See "BONDOWNERS' RISKS" herein.

#### **Environmental**

A Phase I Environmental Site Assessment was prepared by Native Georscience, Inc. ("NGI"), dated July 19, 2023 (the "Phase I ESA"), covering the land in the Development. The Phase I ESA identified the following recognized environmental conditions ("RECs") in connection with the Development: (i) hazardous materials relating to the distribution of herbicides and pesticides in an irrigation well/mixing area, and (ii) a historical burn pile area. Pursuant to the Phase I ESA, NGI recommended the excavation and proper off-site disposal of the arsenic-impacted soil from the irrigation well/mixing area and historical burn pile area. Remediation is complete. See "BONDOWNERS' RISK – Regulatory and Environmental Risks" herein for more information regarding potential environmental risks.

#### **Amenities**

The Development is planned to contain an approximately 7,700 square foot clubhouse (3,321 square feet under air conditioning), a resort style swimming pool with cabanas, sports fields and courts, a tot lot, a multipurpose lawn and a dog park (collectively, the "Amenity"). Construction of the Amenity is underway and is expected to be completed by the second calendar quarter of 2027. The estimated cost of the Amenity is approximately \$11.5 million, which will be privately funded by the Developer.

#### **Utilities**

All will serve letters have been provided for utility services in connection with the Development. Potable water and wastewater treatment for the Development will be provided by the City. Electric power will be provided by SECO Energy.

#### Taxes, Fees and Assessments

As set forth in the Assessment Methodology, the Series 2025 Special Assessments will be levied on the 496 platted lots within the 2025 Project Area on the per unit basis set forth below. See "APPENDIX D – ASSESSMENT METHODOLOGY" herein.

attend Windy Hill Middle School, which was rated "B" by the Florida Department of Education for 2025. Students in high school are expected to attend East Ridge High School, which was rated "A" by the Florida Department of Education for 2025. There are also several private and charter school alternatives in the vicinity of the Development.

#### Competition

The Developer has identified certain communities as being competitive with the Development, because of their proximity to the Development, price ranges and product types. These developments include Wellness Ridge, Waterleigh and Northlake at Ovation.

The information under this heading does not purport to list all of the existing or planned communities in the area of the Development, but rather provide a list of those that the Developer feels pose primary competition to the Development.

#### THE DEVELOPER AND THE LAND BANK

#### The Developer

Pulte Home Company, LLC, a Michigan limited liability company (the "Developer"), is the developer, homebuilder and partial landowner of the lands within the District. The Developer is a whollyowned subsidiary of Pulte Group, Inc., a Michigan corporation ("Pulte").

The Land Bank and the Developer have entered into the Construction Agreement and the Option Agreement whereby the Developer is managing the development of the 2025 Project Area and has the right to purchase developed lots from the Land Bank in accordance with the terms of the Option Agreement, for the construction and sale of homes. See "THE DEVELOPMENT – Land Acquisition and the Option Agreement" herein for more information.

The Land Bank is a Florida limited liability company organized on February 10, 2022. The Land Bank is a special-purpose entity whose primary asset is its interests in the 2025 Project Area. The Land Bank is wholly owned by JEN 8 LBA LLC, a Delaware limited liability company ("JEN 8"), which was organized on December 21, 2022 and serves as the manager of the Land Bank.

JEN 8 is an opportunity fund which is managed by a subsidiary of JEN Partners, LLC ("JEN Partners"), a New York based private-equity real estate firm. JEN Partners has successfully invested over

\$2 billion in residential land over the last decade, purchasing over 50,000 lots. JEN Partners is currently investing its eighth fund.

Prior to Dream Finders Homes, Mr. Edwards held several roles for publicly traded homebuilders in Orlando, Tampa and Fort Myers and was responsible for all facets of land operations: acquisition, planning/entitlements, and development. Over the course of his career, he has been involved in the acquisition and development of over 15,000 residential lots throughout Florida. Mr. Edwards is a graduate of the Warrington College of Business at the University of Florida with a degree in Business Administration.

THE SERIES 2025 BONDS AND THE SERIES 2025 SPECIAL ASSESSMENTS DO NOT CONSTITUTE AN INDEBTEDNESS OF, AND ARE NOT GUARANTEED BY, THE DEVELOPER, THE LAND BANK OR PULTE.

#### TAX MATTERS

#### General

The Internal Revenue Code of 1986, as amended (the "Code"), includes requirements which the District must continue to meet after the issuance of the Series 2025 Bonds in order that the interest on the Series 2025 Bonds be and remain excludable from gross income for federal income tax purposes. The District's failure to meet these requirements may cause the interest on the Series 2025 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2025 Bonds. The District has covenanted in the Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2025 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications of the District and the Developer and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings and court decisions, the interest on the Series 2025 Bonds is excludable from gross income of the holders thereof for federal income tax purposes. Interest on the Series 2025 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the

Code), interest on the Series 2025 Bonds is not excluded from the determination of adjusted financial statement income. Bond Counsel is further of the opinion that the Series 2025 Bonds and the income thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should consult their own tax advisors as to the status of interest on the Series 2025 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2025 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Developer, and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2025 Bonds will be and will remain obligations, the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2025 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2025 Bonds, or the ownership or disposition of the Series 2025 Bonds. Prospective purchasers of Series 2025 Bonds should be aware that the ownership of Series 2025 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2025 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2025 Bonds, (iii) the inclusion of the interest on the Series 2025 Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Series 2025 Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Series 2025 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Series 2025 Bonds generally must be taken into account when computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt of certain investment income, including interest on the Series 2025 Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2025 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and are not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

#### **Original Issue Discount and Premium**

Certain of the Series 2025 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (i.e., for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2025 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale or other disposition of that Discount Bond.

Certain of the Series 2025 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

#### **Changes in Federal and State Tax Law**

From time to time, there are legislative proposals suggested, debated, introduced or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Series 2025 Bonds, adversely affect the market price or marketability of the Series 2025 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

#### Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2025 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting

requirement does not affect the excludability of interest on the Series 2025 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2025 Bonds, under certain circumstances, to "backup withholding" at the rates set forth in the Code, with respect to payments on the Series 2025 Bonds and proceeds from the sale of Series 2025 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2025 Bonds. This withholding generally applies if the owner of Series 2025 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2025 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

#### AGREEMENT BY THE STATE

Under the Act, the State of Florida pledges to the holders of any bonds issued thereunder, including the Series 2025 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

#### LEGALITY FOR INVESTMENT

The Act provides that the Series 2025 Bonds are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State of Florida, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

#### SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2025 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, as amended, and the rules promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2025 Bonds. Investment in the Series 2025 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

The Series 2025 Bonds will be issued in fully registered form, without coupons, in authorized denominations of \$5,000 and any integral multiple thereof, provided, however, if any initial beneficial owner of Series 2025 Bonds does not purchase at least \$100,000 of the Series 2025 Bonds at the time of initial delivery of the Series 2025 Bonds, such beneficial owner must execute and deliver to the District and the Underwriter on the date of delivery of the Series 2025 Bonds the investor letter in the form attached to the First Supplemental Indenture or otherwise establish to the satisfaction of the Underwriter that such beneficial owner is an "accredited investor," as described in Rule 501(a) under Regulation D of the Securities Act of 1933, as amended.

#### **ENFORCEABILITY OF REMEDIES**

The remedies available to the Owners of the Series 2025 Bonds upon an Event of Default under the Master Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2025 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2025 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

#### LITIGATION

#### The District

There is no litigation against the District of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2025 Bonds, or in any way contesting or affecting (i) the validity of the Series 2025 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2025 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

#### The Developer

There is no litigation against the Developer of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the 2025 Project and the development of the lands within the Development as described herein.

#### The Land Bank

There is no litigation against the Land Bank of any nature now pending or, to the knowledge of the Land Bank, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the 2025 Project and the development of the lands within the Development as described herein.

#### **CONTINGENT FEES**

The District has retained Bond Counsel, District Counsel, the District Engineer, the Methodology Consultant, the Underwriter (who has retained Underwriter's counsel) and the Trustee (who has retained Trustee's Counsel), with respect to the authorization, sale, execution and delivery of the Series 2025 Bonds. Except for the payment of fees to District Counsel, the District Engineer and the Methodology Consultant, the payment of fees of the other professionals is each contingent upon the issuance of the Series 2025 Bonds.

#### **NO RATING**

No application for a rating for the Series 2025 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2025 Bonds would have been obtained if application had been made.

#### **EXPERTS**

The Engineer's Report included in APPENDIX C to this Limited Offering Memorandum has been prepared by Vanasse Hangen Brustlin, Inc., Orlando, Florida, the District Engineer. APPENDIX C should be read in its entirety for complete information with respect to the subjects discussed therein. Governmental Management Services – Central Florida, LLC, Orlando, Florida, as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX D hereto. APPENDIX D should be read in its entirety for complete information with respect to the subjects discussed therein. As a condition to closing on the Series 2025 Bonds, both the District Engineer and the Methodology Consultant will consent to the inclusion of their reports in this Limited Offering Memorandum.

#### FINANCIAL INFORMATION

The District will covenant in the Disclosure Agreement (as defined below), the form of which is set forth in APPENDIX E hereto to provide its annual audit to the Municipal Securities Rulemaking Board's ("MSRB") Electronic Municipal Markets Access repository ("EMMA") as described in APPENDIX E, commencing with the audited financial statements of the District for the Fiscal Year ending September 30, 2026. Since its creation, the expenses of the District have been funded entirely by voluntary contributions from the Developer. Attached hereto as APPENDIX F is a copy of the District's unaudited financial statements for the period ended June 30, 2025. The Series 2025 Bonds are not general obligation bonds of the District and are payable solely from the Series 2025 Pledged Revenues.

Each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S. Under such statute, each district must post its proposed budget and final budget and a link to the auditor general's website (and the district's audit) on a district website or the website of the municipal or county government. The District currently has a website in place.

#### DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Rule 69W-400.003, Rules of Government Securities under Section 517.051(1), Florida Statutes, promulgated by the Florida Department of Financial Services, Office of Financial Regulation, Division of Securities and Finance ("Rule 69W-400.003"), requires the District to disclose each and every default as to the payment of principal and interest with respect to obligations issued or guaranteed by the District after December 31, 1975. Rule 69W-400.003 further provides, however, that if the District, in good faith, believes that such disclosures would not be considered material by a reasonable investor, such disclosures may be omitted. The District is not and has not since the date of its creation been in default as to principal or interest on its bonds or other debt obligations.

#### **CONTINUING DISCLOSURE**

The District, the Developer and the Land Bank, each as an Obligated Person (as such term is defined in the herein defined Disclosure Agreement), will enter into a Continuing Disclosure Agreement (the "Disclosure Agreement"), in connection with Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the "Rule") the proposed form of which is set forth in APPENDIX E. The Disclosure Agreement is for the benefit of the Series 2025 Bondholders (including owners of beneficial interests in such Series 2025 Bonds), to provide notice of certain listed material events in the Disclosure Agreement and certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") to the MSRB through EMMA. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District, the Developer or the Land Bank (while an Obligated Person) to comply with their respective obligations

under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an Event of Default under the Master Indenture, but such event of default under the Disclosure Agreement would allow the Series 2025 Bondholders (including owners of beneficial interests in such Series 2025 Bonds), as applicable, to bring an action for specific performance.

The District and the Land Bank have not previously entered into continuing disclosure obligations in connection with Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the "Rule"). The District appointed the District Manager to serve as the initial dissemination agent under the Disclosure Agreement.

Also, pursuant to the Disclosure Agreement, the Land Bank and the Developer will covenant to provide certain financial information and operating data relating to the District, the Land Bank and the Developer, as applicable, on a quarterly basis, upon the written request of the Dissemination Agent. To the Developer's knowledge, in the previous five years it has not failed to comply, in all material respects, with any previous undertakings in a written agreement entered into in connection with the Rule.

#### UNDERWRITING

The Underwriter intends to offer the Series 2025 Bonds to accredited investors at the offering prices set forth on the inside cover page of this Limited Offering Memorandum, which may subsequently change without prior notice. The Series 2025 Bonds may be offered and sold to certain dealers, banks and others at prices lower than the initial offering prices, and such initial offering prices may be changed from time to time by the Underwriter.

#### VALIDATION

Eighty-Two Million Five Hundred Fifteen Thousand Dollars (\$82,515,000) of special assessments bonds of the District to be issued from time to time, including the Series 2025 Bonds, were validated by final judgment of the Circuit Court of the Fifth Judicial Circuit of Florida in and for the County, rendered on March 19, 2025. The period of time during which an appeal of such judgment can be taken expired on April 18, 2025, with no appeals having been filed.

#### **LEGAL MATTERS**

Certain legal matters related to the authorization, sale and delivery of the Series 2025 Bonds are subject to the approval of Greenberg Traurig, P.A., West Palm Beach, Florida, Bond Counsel. Certain legal matters will be passed upon for the Underwriter by its counsel, Squire Patton Boggs (US) LLP, Miami, Florida. Certain legal matters will be passed upon for the District by its counsel, Kutak Rock LLP, Tallahassee, Florida.

Bond Counsel's opinion included herein is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date hereof. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or

become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the Internal Revenue Service or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion. Certain legal matters will be passed upon for the Land Bank by its counsel, Godbold, Downing, Bill, & Rentz, P.A., Winter Park, Florida.

#### **MISCELLANEOUS**

The references herein to the Series 2025 Bonds and other documents referred to herein are brief summaries of certain provisions thereof. Such summaries do not purport to be complete and reference is made to such documents for full and complete statements of such provisions.

This Limited Offering Memorandum is submitted in connection with the limited offering of the Series 2025 Bonds and may not be reproduced or used, as a whole or in part, for any other purpose. This Limited Offering Memorandum is not to be construed as a contract with the purchaser or the Beneficial Owners of any of the Series 2025 Bonds.

SECTION 6.01. Special Assessments: Lien of Indenture on Pledged Revenues. The Issuer hereby covenants that it shall levy Special Assessments, and, unless provided otherwise with respect to a Series of Bonds, evidence and certify the same to the Tax Collector or shall cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer, pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable, to the extent and in the amount necessary to pay the Debt Service Requirement on Bonds issued and Outstanding hereunder.

The Issuer shall pay to the Trustee for deposit in the Series Account of the Revenue Fund established under Section 6.03 hereof all Special Assessments received by the Issuer from the levy thereof on the District Lands subject to assessments for the payment of the related Series of Bonds, provided, however, that amounts received as Prepayments of Special Assessments shall be deposited directly into the applicable Series Account within the Bond Redemption Fund established hereunder or in any account thereof established pursuant to the applicable Supplemental Indenture. The Issuer shall notify the Trustee in writing at the time of deposit of any amounts received as Prepayments of Special Assessments and shall identify the related Series of Bonds. If necessary, the Issuer shall direct the landowner making such prepayment to specify what Series of Bonds such prepayments relate.

There are hereby pledged for the payment of the principal or Redemption Price of and interest on all Bonds of each Series issued and Outstanding under the Indenture and all reimbursements due to any Credit Facility Issuer for any drawing with respect to such Series of Bonds on its Credit Facility, including, without limitation, interest thereon, as required under the terms of the applicable Credit Facility Agreement, the Pledged Revenues; provided, however, that unless otherwise specifically provided herein or in a Supplemental Indenture relating to a Series of Bonds with respect to the Pledged Revenues securing such Series of Bonds, the Pledged Revenues securing a Series of Bonds shall secure only such Series of Bonds and Bonds issued on a parity therewith and shall not secure any other Bonds or Series of Bonds. The Pledged Revenues shall immediately be subject to the lien and pledge of the Indenture without any physical delivery hereof or further act; provided, however, that the lien and pledge of the Indenture shall not apply to any moneys transferred by the Trustee to the Rebate Fund. The foregoing notwithstanding, to the extent provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, such Series of Bonds may be made payable from and secured by less than all of the Pledged Revenues, and any one or more of the provisions of this Master Indenture may be made inapplicable to such Series of Bonds, all as more specifically provided in the corresponding Supplemental Indenture; provided, however, that any such provisions shall apply only to the particular Series of Bonds authorized by such Supplemental Indenture and shall not affect in any manner whatsoever any Outstanding Series of Bonds.

SECTION 6.02. <u>Funds and Accounts Relating to the Bonds.</u> The Funds and Accounts specified in this Article VI shall be established under this Master Indenture and each Supplemental Indenture pursuant to which a Series of Bonds is issued for the benefit of the specific Series of Bonds and any Series issued on a parity therewith and, unless expressly otherwise

of a Project or portion thereof pertaining to the Series of Bonds in question, and if such amounts are not reserved for payment of any remaining part of the Cost of a Project, such amounts shall be transferred to the applicable Series Account of the Bond Redemption Fund, as described in paragraph (c) below.

(b) Disbursements. Unless provided otherwise in a Supplemental Indenture, all payments from the Acquisition and Construction Fund shall be paid in accordance with the provisions of this subsection. Moneys in the appropriate Series Account of the Acquisition and Construction Fund shall be disbursed by check, voucher, order, draft, certificate or warrant signed by any one or more officers or employees of the Trustee legally authorized to sign such items or by wire transfer to an account specified by the payee upon satisfaction of the conditions for disbursement set forth in this subsection (b). Before any such payment shall be made, the Issuer shall file with the Trustee a fully executed requisition in the form of Exhibit D attached hereto signed by a Responsible Officer and, except for payments of cost of issuance, a certificate of the Consulting Engineer signed by a Consulting Engineer also in the form of Exhibit D attached hereto and as may be modified by terms of the related Supplemental Indenture. Upon receipt of each such requisition and accompanying certificate, the Trustee shall promptly withdraw from the appropriate Series Account of the Acquisition and Construction Fund and pay to the person, firm or corporation named in such requisition the amount designated in such requisition. The Trustee shall have no duty to investigate the accuracy or validity of the items delivered pursuant to this Section. All requisitions and certificates received by the Trustee pursuant to this Section 5.01 shall be retained in the possession of the Trustee, subject at all reasonable times to the inspection of the Issuer, the Consulting Engineer, the Owner of any Bonds, and the agents and representatives thereof. The Trustee shall have no duty to verity that the disbursement of funds pursuant to a requisition is for a purpose for which payment may be made hereunder and the Trustee may conclusively rely that a properly signed requisition is, on its face, sufficient to disburse funds from the Acquisition and Construction Fund.

(c) Completion of a Project. On the date of completion of a Project or if sufficient moneys are retained in the appropriate Series Account of the Acquisition and Construction Fund, to complete the Cost of a Project, in either case, as evidenced by the delivery of a Certificate of the Consulting Engineer to the Trustee and adoption of a resolution by the Board accepting a Project as provided by Section 170.09, Florida Statutes, as amended (the "Completion Date"), the balance in the appropriate Series Account of the Acquisition and Construction Fund not reserved by the Issuer for the payment of any remaining part of the Cost of a Project shall be transferred by the Trustee to, and deposited in, the applicable Series Account of the Bond Redemption Fund and applied as provided in Section 6.06 hereof and in the applicable Supplemental Indenture.

SECTION 6.03. Revenue Fund. The Trustee is hereby authorized and directed to establish a Revenue Fund and pursuant to a Supplemental Indenture a Series Account for each Series of Bonds issued hereunder, into which the Trustee shall immediately deposit any and all Special Assessments received from the levy thereof on the District Lands or any portion thereof (other than Prepayments) and any amounts received as the result of any foreclosure, sale of tax certificates or other remedial action for nonpayment of Special Assessments for the payment of the related Series of Bonds and other payments required hereunder or under the applicable Supplemental Indenture (unless such Special Assessments and/or other payments are specifically designated by the Issuer pursuant to a Supplemental Indenture for deposit into the Rebate Fund or any other Fund or Account established hereunder or under a Supplemental Indenture) and each Series Account therein shall be held by the Trustee separate and apart from all other Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority unless other times and/or other priorities are established in a Supplemental Indenture with respect to a Series of Bonds:

SECOND, beginning on the date set forth in the related Supplemental Indenture, and no later than the Business Day next preceding each May 1 or November 1, as designated in the applicable Supplemental Indenture thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Principal Account of the Debt Service Fund, an amount equal to the principal amount of Bonds of such Series maturing on the next succeeding principal payment date, less any amount on deposit in the applicable Series Principal Account not previously credited:

THIRD, beginning on the date set forth in the related Supplemental Indenture, and no later than the Business Day next preceding each May 1 or November 1, as so designated in the applicable Supplemental Indenture thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Sinking Fund Account of the

Debt Service Fund, an amount equal to the principal amount of Bonds of such Series subject to mandatory sinking fund redemption on the next succeeding mandatory sinking fund redemption date, less any amount on deposit in the applicable Series Sinking Fund Account not previously credited;

FIFTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Account of the Debt Service Reserve Fund, if any, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Debt Service Reserve Requirement;

SIXTH, subject to the foregoing paragraphs, the balance of any moneys remaining in a Series Account of the Revenue Fund after making the foregoing deposits shall, subject to application by one or more Supplemental Indentures shall remain therein, unless pursuant to any Arbitrage Certificate it is necessary to make a deposit in the Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

Unless otherwise provided in the applicable Supplemental Indenture, the Trustee shall within ten (10) Business Days after the last Interest Payment Date in any calendar year, at the direction of the Issuer, withdraw any moneys held for the credit of the Revenue Fund which are not otherwise required to be deposited pursuant to this Section and deposit such moneys as directed to the credit of the applicable Series Account of the Bond Redemption Fund in accordance with the provisions hereof. Notwithstanding the foregoing, if pursuant to any Arbitrage Certificate it is necessary to make a deposit in the Rebate Fund, the Issuer shall direct the Trustee to make such deposit thereto. Prepayments pledged to a particular Series of Bonds shall be deposited directly into the applicable Series prepayment subaccount of the Bond Redemption Fund as provided herein.

SECTION 6.04. <u>Debt Service Fund</u>. The Trustee is hereby authorized and directed to establish a Debt Service Fund which shall consist of amounts deposited therein by the Trustee and any other amounts the Issuer may pay to the Trustee for deposit therein with respect to the related Series of Bonds. The Debt Service Fund shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. The Trustee shall establish within the Debt Service Fund pursuant to a Supplemental Indenture, a Series Principal Account, a Series Interest Account and, if applicable, a Series Sinking Fund Account for each Series of Bonds and a Series Capitalized Interest Account, which accounts

the Trustee for cancellation. In such event, the Debt Service Requirements with respect to the Bonds of a Series for the period in which the purchased Bonds are presented to the Trustee shall, for all purposes hereunder, be reduced by an amount equal to the aggregate principal amount of any such Bonds so presented.

SECTION 6.05. Debt Service Reserve Fund. The Trustee is hereby authorized and directed to establish a Debt Service Reserve Fund and, if applicable, pursuant to a Supplemental Indenture a Series Account for each Series of Bonds issued hereunder. The Debt Service Reserve Fund and each Series Account therein shall be held by the Trustee solely for the benefit of each related Series of Bonds or sub-Series, as determined by the applicable Supplemental Indenture; provided, however, that notwithstanding anything to the contrary contained in this Master Indenture, the Supplemental Indenture authorizing the issuance of a Series of Bonds may provide that the Debt Service Reserve Fund is not applicable and no account therein shall secure such Series of Bonds. The Debt Service Reserve Fund and each Series Account therein shall constitute an irrevocable trust fund to be applied solely as set forth herein and shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, on the date of issuance and delivery of a Series of Bonds an amount of Bond proceeds or equity equal to the Debt Service Reserve Requirement in respect of such Series of Bonds, calculated as of the date of issuance and delivery of such Series of Bonds, shall be deposited in the related Series Account of the Debt Service Reserve Fund. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, and as long as there exists no default under the Indenture and the amount in the Series Account of the Debt Service Reserve Fund is not reduced below the then applicable Debt Service Reserve Requirement with respect to such Series of Bonds, earnings on investments in the Series Account of the Debt Service Reserve Fund shall, prior to the Completion Date of a Project, be transferred to the applicable Acquisition and Construction Account of the Acquisition and Construction Fund, and after the Completion Date, shall be, at the written direction of the Issuer, transferred to the related Series Account of the Revenue Fund. Otherwise, earnings on investments in each Series Account of the Debt Service Reserve Fund shall be retained therein until applied as set forth herein. If made applicable in a Supplemental Indenture, in the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement as a result of an optional prepayment by the owner of a lot or parcel of land of Special Assessments against such lot or parcel or a mandatory true-up payment, which Special Assessments are pledged for the payment and security of such Series of Bonds, the excess amount shall, as directed by the terms of the applicable Supplemental Indenture, be transferred from the Series Account or subaccount of the Debt Service Reserve Fund to the applicable Series Account or subaccount of the Bond Redemption Fund established for such Series of Bonds and shall constitute a credit against such optional prepayment or true-up payment. If made applicable in the Supplemental Indenture with respect to a Series of Bonds, in the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement for any other reason, the excess amount shall, as directed by the terms of the applicable Series Supplement, either be transferred from the Series Account of the Debt Service Reserve Fund to the applicable Series Account or subaccount of the Bond Redemption Fund. shall be separate and apart from all other Funds and Accounts established under the Indenture and from all other moneys of the Trustee.

When a Series of Bonds is redeemed, the amount, if any, in the Series Interest Account in the Debt Service Fund representing interest thereon shall be applied to the payment of accrued interest in connection with such redemption.

The Trustee shall apply moneys in the Series Sinking Fund Account in the Debt Service Fund for purchase or redemption of the applicable Series of Bonds in amounts and maturities set forth in the Supplemental Indenture. Whenever Bonds of a Series are to be purchased out of such Series Sinking Fund Account, if the Issuer shall notify the Trustee that the Issuer wishes to arrange for such purchase, the Trustee shall comply with the Issuer's arrangements provided they conform to the Indenture.

Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, purchases and redemptions out of the Series Sinking Fund Account shall be made as follows:

- (a) The Trustee shall apply the amounts required to be transferred to the applicable Sinking Fund Account (less any moneys applied to the purchase of Bonds of the applicable Series pursuant to the next sentence hereof) on the mandatory sinking fund redemption date in each of the years set forth in the Supplemental Indenture to the redemption of Bonds of the related Series in the amounts, manner and maturities and on the dates set forth in the Supplemental Indenture, at a Redemption Price of 100% of the principal amount thereof. At the written direction of the Issuer, the Trustee shall apply moneys from time to time available in the applicable Sinking Fund Account to the purchase of Bonds of the applicable Series which are subject to mandatory sinking fund redemption in the aforesaid years, at prices not higher than the principal amount thereof, in lieu of redemption as aforesaid, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given. In the event of purchases at less than the principal amount thereof, the difference between the amount in the Sinking Fund Account representing the principal amount of the Bonds so purchased and the purchase price thereof (exclusive of accrued interest) shall be transferred to the related Interest Account of the Debt Service Fund.
- (b) Accrued interest on purchased Bonds of a Series shall be paid from the related Series Interest Account of the Debt Service Fund.
- (c) In lieu of paying the Debt Service Requirements necessary to allow any mandatory redemption of Bonds of a Series from the related Series Sinking Fund Account, the Issuer may present to the Trustee Bonds of such Series purchased by the Issuer pursuant to subparagraph (a) above and furnished for such purposes; provided, however, that no Bonds of such Series so purchased shall be credited towards the Debt Service Requirements in respect of the mandatory redemption of Bonds of such Series for which notice of redemption has been given pursuant to Section 8.02 of this Master Indenture. Any Bonds op purchased shall be presented to

The principal amounts of scheduled sinking fund installments shall be reduced as specified by the Issuer or as provided in Section 8.04 hereof by any principal amounts of the Bonds redeemed pursuant to Section 8.01(a) and (b) hereof or purchased pursuant to Section 6.04 hereof.

Upon any redemption of Bonds other than in accordance with scheduled sinking fund installments, the Issuer shall cause to be recalculated and delivered to the Trustee revised sinking fund installments recalculated so as to amortize the Outstanding principal amount of Bonds of such Series in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Bonds of such Series. The sinking fund installments as so recalculated shall not result in an increase in the aggregate of the sinking fund installments for all Bonds of such Series in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a sinking fund installment is due, the foregoing recalculation shall not be made to sinking fund installments due in the year in which such redemption or purchase occurs, but shall be made to sinking fund installments for the immediately succeeding and subsequent years.

SECTION 8.02. Notice of Redemption and of Purchase. Except where otherwise required by a Supplemental Indenture, when required to redeem or purchase Bonds of a Series under any provision of the related Indenture or directed to do so by the Issuer, the Trustee shall cause notice of the redemption, either in whole or in part, to be provided by Electronic Means or mailed by first class mail, postage prepaid at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Bonds to be redeemed or purchaseld (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Bonds of such Series for which notice was duly mailed in accordance with this Section 8.02. The Issuer shall, when it is directing the Trustee to provide such notice, provide written direction to the Trustee at least forty-five (45) days (unless the Trustee agrees to a shorter period) prior to the date on which the Trustee is required to send notice hereunder. Such notice shall be given in the name of the Issuer, shall be dated, shall set forth the Bonds of such Series Outstanding which shall be called for redemption or purchase and shall include, without limitation, the following additional information:

- (d) if less than all Outstanding Bonds of a Series to be redeemed or purchased, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed or purchased;

- (f) the place where such Bonds are to be surrendered for payment of the redemption or purchase price, which place of payment shall be a corporate trust office of the Trustee; and

If at the time of mailing of notice of redemption or purchase, the Issuer shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Bonds called for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

If the amount of funds deposited with the Trustee for such redemption, or otherwise available, is insufficient to pay the Redemption Price and accrued interest on the Bonds so called for redemption on the redemption date, the Trustee shall redeem and pay on such date an amount of such Bonds for which such funds are sufficient, selecting the Bonds to be redeemed randomly from among all such Bonds called for redemption on such date, and among different maturities of Bonds in the same manner as the initial selection of Bonds to be redeemed, and from and after such redemption date, interest on the Bonds or portions thereof so paid shall cease to accrue and become payable; but interest on any Bonds or portions thereof not so paid shall continue to accrue until paid at the same rate as it would have had such Bonds not been called for redemption.

The notices required to be given by this Section 8.02 shall state that no representation is made as to correctness or accuracy of the CUSIP numbers listed in such notice or printed on the Bonds. If the Trustee determines that the giving of notice by mail is not feasible, the Trustee may use Electronic Means.

SECTION 8.03. Payment of Redemption Price. If any required (a) unconditional notice of redemption has been duly mailed or waived by the Owners of all Bonds called for redemption or (b) conditional notice of redemption has been so mailed or waived and the redemption moneys have been duly deposited with the Trustee or Paying Agent, then in either case, the Bonds called for redemption shall be payable on the redemption date at the applicable Redemption Price plus accrued interest, if any, to the redemption date. Bonds of a Series so called for redemption, for which moneys have been duly deposited with the Trustee, will cease to bear interest on the specified redemption date, shall no longer be secured by the related Indenture and shall not be deemed to be Outstanding under the provisions of the related Indenture.

Payment of the Redemption Price, together with accrued interest, shall be made by the Trustee or Paying Agent to or upon the order of the Owners of the Bonds called for redemption upon surrender of such Bonds. The Redemption Price of the Bonds to be redeemed, the expenses of giving notice and any other expenses of redemption, shall be paid out of the Fund from which redemption is to be made or by the Issuer, or as specified in a Supplemental Indenture. SECTION 8.04. Partial Redemption of Bonds. Except to the extent otherwise provided in a Supplemental Indenture, if less than all of a Series of Bonds of a maturity are to be redeemed, the Trustee shall select the particular Bonds or portions of the Bonds to be called for redemption by lot in such reasonable manner as the Trustee in its discretion may determine. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(a), such redemption shall be effectuated by redeeming Bonds of such Series of such maturities in such manner as shall be specified by the Issuer in writing, subject to the provisions of Section 8.01 hereof. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(b), such redemption shall be effectuated by redeeming Bonds of such Series pro rata among the maturities, treating each date on which a sinking fund installment is due as a separate maturity for such purpose, with the portion to be redeemed from each maturity being equal to the product of the aggregate principal amount of Bonds of such Series to be redeemed multiplied times a fraction the numerator of which is the principal amount of the Series of Bonds of such maturity outstanding immediately prior to the redemption date and the denominator of which is the aggregate principal amount of all Bonds of such Series outstanding immediately prior to the redemption date, rounded up or down to the nearest \$5.000 amount in order to maintain Authorized Denominations. The Issuer or the District Manager, on behalf of the Issuer, shall be responsible for calculating such revised sinking fund installments.

(a) The Issuer shall levy Special Assessments, and, unless the Issuer collects the Special Assessments directly under the conditions set forth herein, evidence and certify the same to the Tax Collector or shall cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable, and Section 9.04 hereof, to the extent and in an amount sufficient to pay Debt Service Requirements on all Outstanding Bonds. The Issuer shall also diligently collect any true-up payments that the Developer is required to make. The Issuer covenants and agrees that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of this Master Indenture, as supplemented in connection with the Series of Bonds as to which the Event of Default occurred, including the remedial provisions for collection of delinquent Special Assessments, the provisions for foreclosure of liens of delinquent Special Assessments and delinquent operation and maintenance assessments, and will take such other remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Holders of the Series of Bonds as to which the Event of Default occurred.

In case such second Special Assessment shall be annulled, the Issuer shall obtain and make other Special Assessments until a valid Special Assessment shall be made.

SECTION 9.04. Method of Collection. Special Assessments shall be collected by the Issuer in accordance with the provisions of the Act and Chapter 197, Florida Statutes, or any successor statutes thereto, as applicable, in accordance with the terms of this Section. Except as stated in the next succeeding sentence, the Issuer shall use the uniform method for the levy, collection and enforcement of Special Assessments afforded by Sections 197.3631, 197.3632 and 197.3635, Florida Statutes, or any successor statutes thereto (the "Uniform Method"), and to do all things necessary to continue to use the Uniform Method or a comparable alternative method afforded by Section 197.3631, Florida Statutes. Notwithstanding the foregoing, and except as otherwise provided in a Supplemental Indenture, the Issuer shall not collect Special Assessments pursuant to the Uniform Method elvied against District Lands and will direct bill the applicable landowners for the same prior to platting of such lands or if the timing for using the Uniform Method will not yet allow for using such method unless the Trustee, at the direction of the Majority Holders, directs otherwise. Upon any failure of any property owner to pay an installment of Special Assessment on the parcel or parcels as to which such delinquency pertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the Issuer either on its own behalf or through the actions of the Trustee may, and shall, if so directed in writing by the Majority Holder of the related Series of Bonds or the Majority Holder of the related Series of Bonds or the Majority Holder of the related Series of Bonds or the Majority Holder of the related Series of Bonds or the Majority Holder of the related Series of Bonds or the Majority Holder of the related Series of Bonds or the Majority Holder of the related Series of Bonds or the Majority Holder of the related Series of Bonds or the Majority Holder of the related Series of Bonds or the Majority Holde

The Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Bonds of a Series and any Credit Facility Issuer with respect to such Series. The Bonds and the provisions of this Master Indenture and any Supplemental Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, but without waiving any limitation of liability afforded by law, defend, preserve and protect the pledge created by this Master Indenture and any Supplemental Indenture and any Credit Facility Issuer under this Master Indenture and any Supplemental Indenture against all claims and demands of all other Persons whomsoever.

SECTION 9.02. Payment of Principal and Interest on Bonds. The payment of the principal or Redemption Price of and interest on all of the Bonds of a Series issued under the related Indenture shall be secured forthwith equally and ratably by a first lien on and pledge of the Pledged Revenues, except to the extent otherwise provided in a Supplemental Indenture; and Pledged Revenues in an amount sufficient to pay the principal or Redemption Price of and interest on the Bonds of a Series authorized by the related Indenture are hereby irrevocably pledged to the payment of the principal or Redemption Price of and interest on the Bonds of a Series authorized under the related Indenture, as the same become due and payable. The Issuer shall promptly pay the interest on and the principal or Redemption Price of every Bond issued hereunder according to the terms thereof, but shall be required to make such payment only out of the Pledged Revenues.

THE BONDS AUTHORIZED UNDER THIS MASTER INDENTURE AND THE RELATED SUPPLEMENTAL INDENTURE AND THE OBLIGATIONS EVIDENCED THEREBY SHALL NOT CONSTITUTE A LIEN UPON ANY PROPERTY OF THE ISSUER, INCLUDING, WITHOUT LIMITATION, A PROJECT OR ANY PORTION THEREOF IN RESPECT OF WHICH ANY SUCH BONDS ARE BEING ISSUED, OR ANY PART THEREOF, BUT SHALL CONSTITUTE A LIEN ONLY ON THE PLEDGED REVENUES AS SET FORTH IN THIS MASTER INDENTURE AND ANY SUPPLEMENTAL INDENTURE. The foreclosure proceedings shall be prosecuted to sale and conveyance of such tax parcel as now provided by law in suits to foreclose mortgages unless the Majority Holders provide written direction to suspend or terminate such foreclosure proceedings or use some other method of foreclosure. The Issuer shall enter into or maintain in effect one or more written agreements with the Property Appraiser and the Tax Collector, either individually or jointly (together, the "Property Appraiser and Tax Collector Agreement") in order to effectuate the provisions of this Section. The Issuer shall ensure that any such Property Appraiser and Tax Collector Agreement remains in effect for at least as long as the final maturity of Bonds Outstanding under the Indenture. The Issuer shall provide to the dissemination agent under the applicable Continuing Disclosure Agreement a list of all properties where the Special Assessments relating to the Series of Bonds subject to the applicable Continuing Disclosure Agreement which are being billed directly, and have not been paid within sixty (60) days of the due date of such Special Assessments and the current status of the delinquent Special Assessments. SECTION 9.05. <u>Delinquent Special Assessments; Sale of Tax Certificates and Issuance of Tax Deeds; Foreclosure of Special Assessment Liens.</u>

(a) Subject to the provisions of Section 9.04 hereof, if the owner of any lot or parcel of land assessed for a particular Project shall be delinquent in the payment of any Special Assessment, then such Special Assessment shall be enforced pursuant to the provisions of Chapter 197, Florida Statutes, or any successor statute thereto, including but not limited to the sale of tax certificates and tax deeds as regards such delinquent Special Assessment. In the event the provisions of Chapter 197, Florida Statutes, and any provisions of the Act with respect to such sale are inapplicable by operation of law, or otherwise, then upon the delinquency of any Special Assessment the Issuer shall, to the extent permitted by law, utilize any other method of enforcement as provided by Section 9.04 hereof, including, without limitation, declaring the entire unpaid balance of such Special Assessment to be in default and, at its own expense, cause such delinquent property to be foreclosed, pursuant to the provisions of Section 170.10, Florida Statutes, in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate and Sections 190.026 and 170.10, Florida Statutes, or otherwise as provided by law. The Issuer covenants not to use the provisions of Chapter 173, Florida Statutes, unless no other provision under applicable law can be used to foreclose the Special Assessments. Notwithstanding

anything to the contrary herein, but subject to Section 10.12 herein, the Issuer shall be entitled to recover from any foreclosure all fees and costs expended in connection with such foreclosure regardless whether such fees and costs are included as part of "Special Assessments," as defined herein.

- (b) If the Special Assessments levied and collected under the Uniform Method described in Section 9.04 are delinquent, then the applicable procedures for issuance and sale of tax certificates and tax deeds for nonsyment shall be followed in accordance with Chapter 197, Florida Statutes and related statutes. Alternatively, if the Uniform Method is not utilized, and if any property shall be offered for sale for the nonpayment of any Special Assessment, and no person or persons shall purchase the same for an amount at least equal to the full amount due on the Special Assessment (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the Issuer, to the extent the Issuer has available funds or credit bids, for an amount equal to the balance due on the Special Assessment (principal, interest, penalties and costs, plus attorneys' fees, if any), and the Issuer shall thereupon receive in its corporate name or in the name of special purpose entity nominee of the Issuer, the title to the property for the benefit of the Registered Owners.
- (c) Not less than ten (10) days prior to the filing of any foreclosure action or any sale of tax deed as herein provided, the Issuer shall cause written notice thereof to be mailed to the Registered Owners of the Series of Bonds secured by such delinquent Special Assessments. Not less than thirty (30) days prior to the proposed sale of any lot or tract of land acquired by foreclosure by the Issuer, it shall give written notice thereof to such Registered Owners.
- (d) Notwithstanding any of the foregoing to the contrary, for as long as there is an "Obligated Person," as defined under the Rule, then in addition to the Issuer, the decision to file a foreclosure action shall be made by the Majority Holders of the Outstanding Bonds so secured by the delinquent Special Assessments and such decision shall be communicated to the Issuer and Trustee in writing.
- SECTION 9.06. Management of Property Acquired by the Trustee or Issuer. The Issuer, either through its own actions or actions caused to be done through the Trustee, shall have the power and shall use its best efforts to lease or sell such property and deposit all of the net proceeds of any such lease or sale into the related Series Account of the Revenue Fund. The Issuer, either through its own actions or actions caused to be done through the Trustee, agrees that it shall be required to take the measure provided by law for sale of property acquired by it as Trustee for the Registered Owners within thirty (30) days after the receipt of the request therefor signed by the Registered Owners of at least twenty-five percent (25%) of the aggregate principal amount of all Outstanding Bonds of the Series payable from Special Assessments assessed on such property. If directed by the Majority Holders of a Series or if not so directed, the Trustee or the Issuer shall so elect to place title of property received upon foreclosure or deed in lieu of foreclosure into a special purpose entity controlled by the Trustee or such other entity acceptable to the Majority Holders of a Series so effected by such foreclosure, for the benefit of the Registered Owners.
- SECTION 9.07. <u>Books and Records with Respect to Special Assessments.</u> In addition to the books and records required to be kept by the Issuer pursuant to the provisions of Section 9.17 hereof, the Issuer shall keep books and records for the collection of the Special Assessments on the District Lands, which such books, records and accounts shall be kept separate

(including the Developer) may at any time require the Issuer to release and extinguish the lien upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire amount of the Special Assessment, plus accrued interest to the next succeeding Interest Payment Date (or the second succeeding Interest Payment Date if such prepayment is made within forty-five (45) calendar days before an Interest Payment Date), attributable to the property subject to Special Assessment owned by such owner. In lieu of such Prepayment with cash, an owner of property within the District may surrender to the District for cancellation to completely extinguish the lien on such property or reduce the lien equally on every portion of such property, a principal amount of Outstanding Bonds of a Series that is secured by Special Assessments levied against such property.

(d) Upon receipt of a prepayment as described in (a), (b) or (c) above, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official land records of the County an affidavit or affidavits, as the case may be, executed by an authorized officer of the Issuer, to the effect that the Special Assessment has been paid and that such Special Assessment lien is thereby released and extinguished. Except as otherwise provided by a Supplemental Indenture, upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the applicable Account or subaccount of the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof.

SECTION 9.09. Deposit of Special Assessments. The Issuer covenants to cause any Special Assessments collected or otherwise received by it to be deposited with the Trustee within five (5) Business Days after receipt thereof for deposit into the related Series Account of the Revenue Fund (except that amounts received as prepayments of Special Assessments shall be designated by the Issuer as such upon delivery to the Trustee and shall be deposited directly into the related Series Account within the Bond Redemption Fund). In connection with any payment of Special Assessments referred to in the prior sentence, the Issuer shall provide advance written notice to the Trustee of the amount of the payment and the Series Account within either of the Revenue Fund or Bond Redemption Fund to which such payment relates.

SECTION 9.10. Construction to be on District Lands. Except for certain off site mitigation, roadway and possibly landscaping improvements which are or may be outside the District Lands and are required in order for the District Lands to be developed, the Issuer covenants that no part of a Project will be constructed on, over or under lands other than (i) lands good and marketable title to which is owned by the Issuer or other appropriate entity in fee simple, (ii) lands on, over or under which the Issuer or other appropriate entity shall have acquired perpetual easements for the purposes of a Project, or (iii) lands, including public streets and highways, the right to the use and occupancy of which for such purposes shall be vested in the Issuer or other appropriate entity by law or by valid franchises, licenses, easements or rights of way or other legally effective permissions or approval.

SECTION 9.11. Operation, Use and Maintenance of a Project. The Issuer shall establish and enforce reasonable rules and regulations governing the use of the Projects owned by the Issuer, and the operation thereof, such rules and regulations to be adopted in accordance with the Act, and the Issuer shall operate, use and maintain the Projects owned by the Issuer in accordance with the Act and all other applicable federal and State laws, rules and regulations; the Issuer shall maintain and operate the Projects owned by the Issuer in an efficient and economical

and apart from all other books, records and accounts of the Issuer. The District Manager or the District Manager's designee, at the end of each Fiscal Year, shall prepare a written report setting forth the collections received, the number and amount of delinquencies, the proceedings taken to enforce collections and cure delinquencies and an estimate of time for the conclusion of such legal proceedings. As soon as practicable after a signed copy of the Issuer's audit becomes available, the Issuer shall, upon written request, mail the same to any requesting Registered Owner.

SECTION 9.08. <u>Removal of Special Assessment Liens.</u> Except as otherwise provided in a Supplemental Indenture with respect to a related Series of Bonds, the following procedures shall apply in connection with the removal of Special Assessment liens:

- (a) At any time subsequent to thirty (30) days after a Project has been completed within the meaning of Section 5.01(e) hereof and the Board has adopted a resolution accepting such Project as provided by Section 170.09, Florida Statutes, as amended, any owner of property subject to the Special Assessments may, at its option, and under certain circumstances described in the assessment resolutions in connection with prepayments derived from application of the "True-Up" mechanism therein, require the Issuer to release and extinguish the lien, in whole or in part, upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire amount or a portion, as the case may be, of the Special Assessment, plus accrued interest, attributable to the property subject to Special Assessment owned by such owner to the earlier of the next Interest Payment Date occurring at least forty-five (45) days after the Trustee receives such Prepayment. If any such prepayment of Special Assessments shall occur within thirty (30) days after such Project has been completed and the Board has adopted a resolution accepting that Project as provided in Section 170.09, Florida Statutes, as amended, no accrued interest shall be required to be paid unless such right has been irrevocably waived by the landowners within the District. The Issuer shall promptly notify the Trustee in writing of any Prepayment made under such circumstances. Accrued interest on any Bonds that would be redeemed as a result of such Prepayment made within thirty (30) days after the Board has adopted a resolution accepting such Prepayment made within thirty (30) days after the Board has adopted a resolution accepting such Project shall be derived from moneys on deposit in the Interest Account or capitalized interest account and if no moneys remain, from moneys on deposit in the Debt Service Reserve Account or as otherwise provided pursuant to the applicable Supplemental Indenture.
- (b) Upon receipt of a Prepayment as described in (a) above, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the County an affidavit or affidavits, as the case may be, executed by an authorized officer of the Issuer, to the effect that the Special Assessment has been paid in full or in part and that such Special Assessment lien is thereby released and extinguished if paid in full or such Special Assessment lien shall be reduced if the landowner only made a partial Prepayment. Upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the applicable Account or subaccount of the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof. In connection with such Prepayment, the Trustee shall calculate the credit authorized pursuant to Section 6.05 hereof, and transfer such credit to the prepayment subaccount of the Bond Redemption Fund to be used together with such Prepayment for the redemption of Bonds in accordance with Section 8.01(b)(i) hereof.
- (c) Notwithstanding the foregoing, and consistent with the proceedings of the Issuer relating to the imposition and levy of the Special Assessments, the owner of property

SECTION 9.12. Observance of and Compliance with Valid Requirements. The Issuer shall pay all municipal or governmental charges lawfully levied or assessed upon any Project or any part thereof or upon any revenues when the same shall become due, and the Issuer shall duly observe and comply with all valid requirements of any municipal or governmental authority relative to each Project. The Issuer shall not, except as otherwise permitted in Section 9.24 of this Article, create or suffer to be created any lien or charge upon any Project or upon Pledged Revenues, except the lien and charge of the Bonds on the Pledged Revenues.

SECTION 9.13. <u>Payment of Operating or Maintenance Costs by State or Others</u>. The Issuer may permit the United States of America, the State, or any of their agencies, departments or political subdivisions or any other Person to pay all or any part of the cost of maintaining, repairing and operating any of the Projects out of funds other than Pledged Revenues.

SECTION 9.14. <u>Public Liability and Property Damage Insurance; Maintenance of Insurance; Use of Insurance and Condemnation Proceeds.</u>

- (a) Except as otherwise provided in subsection (d) of this Section, the Issuer will carry or cause to be carried, in respect of each Project, comprehensive general liability insurance (covering bodily injury and property damage) issued by one or more insurance companies authorized and qualified to do business under the laws of the State, in such amounts as is customary for similar operations, or as is more specifically set forth hereinbelow.
- (b) At all times, to the extent commercially available, the Issuer shall maintain a practical insurance program, with reasonable terms, conditions, provisions and costs which the District Manager determines will afford adequate protection against loss caused by damage to or destruction of any component of any Project owned by the Issuer. Limits for such coverage will be subject to the Consulting Engineer's recommendations. The Issuer shall also, at all times, maintain a practical comprehensive general liability insurance program with respect to any Project for such coverage, with such reasonable terms, conditions, provisions and costs as the District Manager determines will afford adequate protection against bodily injury and property damage.

All insurance policies of the Issuer relating to any Project shall be carried with companies authorized to do business in the State, with a Best rating of no less than "\u00e1" as to management and Class "\u00b3" as to financial strength; provided, however, that if, in the opinion of the District Manager, adequate insurance protection under reasonable terms, conditions, provisions and cost cannot be purchased from an insurance company with the above-designated ratings, then the District Manager, on behalf of the Issuer, may secure such insurance protection as the Issuer determines to be in its best interests and otherwise consistent with this Master Indenture and any Supplemental Indenture; provided further, however, that the Issuer may act as a self-insurer in accordance with the requirements of subsection (d) hereof. All policies providing the insurance coverages required by this Section shall designate the Issuer as the loss-payee and shall be made nayable to the Issuer.

(c) All proceeds received from property damage or destruction insurance and all proceeds received from the condemnation of any Project or any part thereof are hereby pledged

# PROPOSED FORM OF OPINION OF BOND COUNSEL

### FORM OF BOND COUNSEL OPINION

Upon delivery of the Bonds (as defined below) in definitive form, Greenberg Traurig, P.A., as Bond Counsel, proposes to render its final approving opinion with respect to such Bonds in substantially the following form:

|--|

Board of Supervisors of the Parkside Trails Community Development District City of Clermont, Florida

# \$\_\_\_\_\_PARKSIDE TRAILS COMMUNITY DEVELOPMENT DISTRICT SPECIAL ASSESSMENT BONDS, SERIES 2025 (2025 PROJECT AREA)

Dear Board Members:

The Bonds are being issued for the primary purpose of financing certain public infrastructure within the District.

In order to secure the payment of the Bonds, and subject to the terms of the 2025 Indenture, the District has pledged to the holders of the Bonds, and granted a lien to the holders of the Bonds on, the Series 2025 Pledged Revenues.

In connection with this opinion, we have examined the Act, certified copies of the Resolution, the 2025 Indenture, the Arbitrage Certificate, a transcript of the proceedings related to

the issuance of the Bonds and such other documents and opinions as we have deemed necessary to render this opinion, and are relying on certain findings, covenants and agreements of the District set forth therein and such certified copies of the proceedings of the District and such other documents and opinions as we have deemed necessary to render this opinion. As to the questions of fact material to our opinion, we have relied upon representations of the District furnished to us, without undertaking to verify such representations by independent investigation. We have also relied upon certain certifications and representations provided by Pulte Home Company, LLC, as the developer of a residential community located within the District which is subject to the Series 2025 Special Assessments comprising the Series 2025 Pledged Revenues.

Based on the foregoing, we are of the opinion that:

- 1. The District has the power to authorize, execute and deliver the 2025 Indenture, to perform its obligations thereunder and to issue the Bonds.
- 2. The 2025 Indenture has been duly authorized, executed and delivered by the District. The 2025 Indenture creates a valid pledge of the Series 2025 Pledged Revenues and constitutes a valid and binding obligation of the District enforceable against the District in accordance with its terms.
- 3. The issuance and sale of the Bonds have been duly authorized by the District and, assuming the due authentication thereof, the Bonds constitute valid and binding limited obligations of the District, payable in accordance with, and as limited by, the terms of the 2025 Indenture.
- 4. The Internal Revenue Code of 1986, as amended (herein, the "Code") includes requirements which the District must continue to meet after the issuance of the Bonds in order that interest on the Bonds not be included in gross income for federal income tax purposes. The failure of the District to meet these requirements may cause interest on the Bonds to be included in gross income for federal income tax purposes retroactive to their date of issuance. The District has covenanted in the 2025 Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds.

Under existing statutes, regulations, rulings and court decisions, subject to the assumption stated in the following paragraph, interest on the Bonds is excludable from the gross income of the owners thereof for federal income tax purposes and, furthermore, interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Bonds is not excluded from the determination of adjusted financial statement income.

In rendering the opinion expressed above, we have assumed continuing compliance with the tax covenants referred to above that must be met after the issuance of the Bonds in order that interest on the Bonds not be included in gross income for federal income tax purposes.

The Bonds and interest thereon are not subject to taxation under the laws of the State of Florida except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in Chapter 220.

We express no opinion regarding other federal or any state tax consequences resulting from the ownership, receipt or accrual of interest on, or disposition of the Bonds.

In rendering the foregoing opinions we have assumed the accuracy and truthfulness of all public records and of all certifications, documents and other proceedings examined by us that have been executed or certified by public officials acting within the scope of their official capacities and have not verified the accuracy or truthfulness thereof. We have also assumed the genuineness of the signatures appearing upon such public records, certifications, documents and proceedings.

The opinions set forth herein are subject to state and federal laws relating to bankruptcy, insolvency, reorganization, moratorium and similar laws, and to equitable principles, affecting the enforcement of creditors' rights generally, and to the exercise of judicial discretion in appropriate cases.

We wish to call to your attention that the Bonds are limited obligations of the District payable solely from the Series 2025 Pledged Revenues and neither the full faith and credit nor the taxing power of the District, Lake County, Florida, the State of Florida or any other political subdivision thereof is pledged as security for the payment of the Bonds. The Bonds do not constitute an indebtedness of the District within the meaning of any constitutional or statutory provision or limitation.

Respectfully submitted,

GREENBERG TRAURIG, P.A.

# APPENDIX C ENGINEER'S REPORT

#### **ENGINEER'S REPORT**

# BOARD OF SUPERVISORS PARKSIDE TRAILS COMMUNITY DEVELOPMENT DISTRICT

**ENGINEER:** 

VANASSE HANGEN BRUSTLIN, Inc. (VHB)

SEPTEMBER 19, 2024 UPDATED JANUARY 10, 2025

#### PARKSIDE TRAILS COMMUNITY DEVELOPMENT DISTRICT

#### **ENGINEER'S REPORT**

#### 1. INTRODUCTION AND PURPOSE

The purpose of this report is to provide a description of the capital improvement plan ("CIP") and estimated costs of the CIP for the Parkside Trails Community Development District ("District").

This Report is submitted based upon our professional opinion and is based on the best available information, and our best knowledge and belief as of the date of this Report.

The Parkside Trails development within the District (the "**Project**") is being developed by Pulte Home Company, LLC ("**Master Developer**").

The District has been established for the purposes of financing the acquisition and/or construction of certain public infrastructure necessary to support the orderly development of the District.

#### 2. GENERAL SITE DESCRIPTION

The Project is a 285 acre +/- development located within the City of Clermont in Lake County, Florida. The Project is located within Section 24, Township 23, Range 26 and abuts Wellness Way Road on the south, the Orange County line on the east and future CR455 extension to the west.

The District boundary is smaller than the Project boundary, excluding the 20.7 acre retained future commercial parcel in addition to the southwest corner of the site, which is intended to be dedicated to the future CR 455 extension. **Exhibits 1 and 2** attached hereto shows the boundaries and legal descriptions of the District.

The existing zoning of the property is PUD. This type of land use allows for the single-family residential development as a permitted use. **Exhibit 4** attached shows the surrounding land uses.

#### 3. PROPOSED CIP

The CIP is intended to provide public infrastructure improvements for the lands within the District, which lands are planned for up to 948 attached and detached residential homes. The proposed site plan for the Project is attached as **Exhibit 5A** to this report.

The CIP functions as a system of improvements benefitting all lands within the District. While the exact configuration and location of the Project is not yet final, the information set forth herein with respect to the Project is probable based on existing plans. The CIP is anticipated to serve the following lot types, although such lot types are subject to change:

#### **TABLE 2 RESIDENTIAL DEVELOPMENT PROGRAM**

	LOT COUNTS (SUB PHASE)									
PHASE 1 PHASE 2A PHASE 2B PHASE 3 PHASE 4A PHASE 4B PHASE 5 TOT										
60' LOTS	48	40	36	41		20		185

34' LOTS	50			55	27			134		
20' TH LOTS	88			54			104	246		
TOTAL	251	93	97	245	71	87	104	948		

In general, the CIP includes the following in association with developable land within the District.

- Stormwater management systems
- Internal Roadways
- Water and Wastewater Utilities
- Wastewater Lift Station and Force Main
- Reclaimed Water Main
- Reclaimed Well and Pump Infrastructure
- Hardscape, Landscape and Irrigation
- Offsite Utility improvements along Wellness Way
- Differential Cost of Undergrounding of Electrical Utility lines

More specifically, the CIP infrastructure includes:

#### **Stormwater Management System:**

The stormwater collection and outfall system are a combination of roadway curbs, curb inlets, pipe, control structures, and dry ponds designed to treat and attenuate stormwater runoff from District lands. The stormwater system within the project is landlocked. The stormwater system will be designed consistent with the criteria established by the St. Johns River Water Management District and the City for stormwater/floodplain management systems. The District will finance, own, operate and maintain the stormwater system.

NOTE: No earthwork on privately owned lands or lots is included in the CIP. Accordingly, the District will not fund any costs of transporting fill to, or any grading of, lots.

#### **Internal Roadway Improvements:**

The CIP includes subdivision roads within the District. Generally, all roads will be 2-lane undivided roads with one roundabout. Such roads include the roadway asphalt, base, and striping and signage and sidewalks within rights-of-way abutting non-lot lands. The main entry road will be divided and includes a section of roadway with decorative pavers. Sidewalks abutting lots will be constructed by the homebuilders. All roads will be designed in accordance with City standards.

All internal public roadways will be financed, owned, operated and maintained by the District, including any improvements outside of the curb (sidewalks, landscape, hardscape). To the extent there are private roadways within the CDD, such private roadways will be privately funded, owned, and maintained.

There are no anticipated impact fee credits associated with the construction of any of the internal roadways.

#### Water and Wastewater:

As part of the CIP, the District intends to construct and/or acquire water infrastructure. In particular, the on-site water supply improvements include water mains that will be located within rights-of-way and used for potable water service and fire protection. Water main connections will be made along Wellness Way.

Wastewater improvements for the Project will include onsite 8-12" diameter gravity collection systems, an 8" diameter force main, and master lift station to serve the development.

See attached Exhibit 5.

It is anticipated the CDD will finance the water and wastewater system construction and will be transferred by the District to the City of Clermont for ownership, operation and maintenance. There are no impact or connection fee credits associated with these improvements.

#### **Reclaimed Water:**

As part of the CIP, the District intends to construct and/or acquire reclaimed water infrastructure. In particular, the on-site reclaimed water improvements include 12-inch and 8-inch mains that will be located within rights-of-way and used for irrigation purposes.

At the time of this report, the City of Clermont does not have available reclaimed water supply in the area of the project. Therefore, the reclaimed water pipe will be connected to the Reclaimed well and pump system described below.

See attached Exhibit 5.

It is anticipated the District will finance, own, operate and maintain the reclaimed water system. In the event reclaimed water becomes publicly available to serve the site in the future, the system will connect to the alternate source, and ultimately transferred by the District to the City of Clermont for ownership, operation and maintenance. There are no impact or connection fee credits associated with these improvements.

#### **Reclaimed Well and Pump Infrastructure:**

As reclaimed water is not publicly available to the site at the time of this report, two groundwater wells have been permitted through SJRWMD to serve the site irrigation demands.

Improvements include a new primary 12" well with 250' casing, 460' depth and a 100HP pump producing 1300 GPM, as well as a new secondary 6" well with 250' casing, 460' depth and a 30HP pump producing 350 GPM.

It is anticipated the District will finance, own, operate and maintain the reclaimed well and pump infrastructure. There are no impact or connection fee credits associated with these improvements.

#### Hardscape, Landscape, and Irrigation:

The District will construct and/or install landscaping, irrigation and hardscaping within District common areas and Public rights-of-way. The irrigation system will consist of the smaller irrigation lines and services (separate from the reclaimed water mains described above). Moreover, hardscaping will consist of entry features and signage.

The City has distinct design criteria requirements for planting and irrigation design. Therefore, this project will at a minimum meet those requirements but, in most cases, exceed the requirements with enhancements for the benefit of the community.

All such landscaping, irrigation and hardscaping will be owned, maintained and funded by the District.

#### **Off-Site Utility Improvements**

Offsite water improvements include 7,750 LF of 16-inch watermain and 1,750 LF of 12-inch watermain along Wellness Way, complete with hydrants and fittings.

Offsite wastewater improvements include 7,800 LF of 8-inch force main along Wellness Way.

See attached Exhibit 5.

The District will fund and acquire these improvements and convey the improvements to the City of Clermont for ownership, operation and maintenance. There are no impact or connection fee credits associated with these improvements.

#### **Streetlights / Undergrounding of Electrical Utility Lines**

Streetlights are not included within the CIP, but instead may be leased through an agreement with the Sumter Electric Cooperative (SECO), in which case the District would fund the streetlights through an annual operations and maintenance assessment.

The CIP does however include the differential cost of undergrounding electrical utility lines within right-of-way utility easements throughout the community. Any lines and transformers located in such areas would be owned by SECO.

#### **Professional Services**

The CIP also includes various professional services. These include: (i) engineering, surveying and architectural fees, (ii) permitting and plan review costs, and (iii) development/construction management services fees that are required for the design, permitting, construction, and maintenance acceptance of the public improvements and community facilities.

The following table shows who will finance, own and maintain the various improvements of the CIP.

# Cost Opinion Notes:

1. The probable costs estimated herein do not include anticipated carrying cost, interest reserves or other anticipated CDD expenditures that may be incurred.

#### 6. CONCLUSIONS

The CIP will be designed in accordance with current governmental regulations and requirements. The CIP will serve its intended function so long as the construction is in substantial compliance with the design. It is further our opinion that:

- The estimated cost to the CIP as set forth herein is reasonable based on prices currently being experienced in Lake County, Florida, and is not greater than the lesser of the actual cost of construction or the fair market value of such infrastructure;
- All of the improvements comprising the CIP are required by applicable development approvals;
- The CIP is feasible to construct, there are no technical reasons existing at this time that would prevent the implementation of the CIP, and it is reasonable to assume that all necessary regulatory approvals will be obtained in due course;
- The reasonably expected economic life of the CIP is anticipated to be at least 20+ years;
- All of the assessable property within the District will receive a special benefit from the Residential Improvements that is at least equal to such costs; and

The professional service for establishing the Construction Cost Estimate is consistent with the degree of care and skill exercised by members of the same profession under similar circumstances.

The CIP will be owned by the District or other governmental units and such CIP is intended to be available and will reasonably be available for use by the general public, including nonresidents of the District. All of the CIP is or will be located on lands owned or to be owned by the District or another governmental entity or on perpetual easements in favor of the District or other governmental entity. The CIP, and any cost estimates set forth herein, do not include any earthwork, grading or other improvements on private lots or property. The District will pay the fair market value or actual cost of public improvements comprising the CIP, whichever is less.

Please note that the CIP as presented herein is based on the Preliminary Site Plan (PSP) as approved by the City of Clermont in April of 2023 and is subject to market conditions which are subject to change. Accordingly, the CIP, as used herein, refers to sufficient public infrastructure of the kinds described herein (i.e., stormwater/floodplain management, wastewater, potable water, etc.) to support the development and sale of the planned residential units in the District, which (subject to true-up determinations) number and type of units may be changed with the development of the site. Stated differently, during development and implementation of the public infrastructure improvements as described for the District, it may be necessary to make modifications and/or deviations for the plans, and the District expressly reserves the right to do so.

This opinion of probable costs represents the Engineer's judgment as a design professional and is supplied for the general guidance of the District. The Engineer has no control over the cost of labor and material, competitive bidding or market conditions. While it is the Engineer's opinion that the costs identified herein are reasonable and sufficient for the design, construction and/or installation of the 2025 Project, the Engineer does not guarantee the accuracy of such opinions as compared to contractor bids or actual cost to the District.

#### 3. CONCLUSION

The 2025 Project will be designed in accordance with current governmental regulations and requirements. The 2025 Project will serve its intended function so long as the construction is in substantial compliance with the design. It is further our opinion that:

- the estimated cost of the 2025 Project as set forth herein is reasonable based on prices currently being experienced in the jurisdiction in which the District is located, and is not greater than the lesser of the actual cost of construction or the fair market value of such infrastructure;
- all of the improvements comprising the 2025 Project are required by applicable development approvals;
- The 2025 Project is feasible to construct, there are no technical reasons existing at this time that
  would prevent the implementation of the 2025 Project, and it is reasonable to assume that all
  necessary regulatory approvals will be obtained in due course;
- the assessable property within the District will receive a special benefit from the 2025 Project that is at least equal to the costs of the 2025 Project.

The professional service for establishing the Construction Cost Estimate is consistent with the degree of care and skill exercised by members of the same profession under similar circumstances.

As described above, this report identifies the benefits from the 2025 Project to the lands within the District. The general public, property owners, and property outside the District will benefit from the provisions of the 2025 Project; however, these are incidental to the 2025 Project, which is designed solely to provide special benefits peculiar to property within the District. Special and peculiar benefits accrue to property within the District and enable properties within its boundaries to be developed.

The 2025 Project will be owned by the District or other governmental units and such 2025 Project is intended to be available and will reasonably be available for use by the general public (either by being part of a system of improvements that is available to the general public or is otherwise available to the general public) including nonresidents of the District. All of the 2025 Project is or will be located on lands owned or to be owned by the District or another governmental entity or on perpetual easements in favor of the District or other governmental entity. The 2025 Project, and any cost set forth herein, do not include any earthwork, grading or other improvements on private lots or property. The District will pay the lesser of the cost of the components of the 2025 Project or the fair market value.

Please note that the 2025 Project as presented herein is based on current plans and market conditions which are subject to change. Accordingly, the 2025 Project, as used herein, refers to sufficient public infrastructure of the kinds described herein to support the development and sale of the planned residential units in the District, which (subject to true-up determinations) number and type of units may be changed with the development of the site. Stated differently, during development and implementation

of the	e public	infrastru	ucture	improvem	ents as	described	d for	the	District,	it ma	y be	necessary	to	make

#### 1.0 Introduction

The Parkside Trails Community Development District is a local unit of special-purpose government organized and existing under Chapter 190, Florida Statutes, as amended (the "District"). The District plans to issue up to \$82,515,000 of tax exempt bonds in one or more series (the "Bonds") for the purpose of financing certain infrastructure improvements within the District, more specifically described in the Engineer's Report dated September 19, 2024, updated January 10, 2025, prepared by Vanasse Hangen Brustlin, Inc. as may be amended and supplemented from time to time (the "Engineer's Report"). The District anticipates the construction of public infrastructure improvements consisting of improvements that benefit property owners within the District. The District reserves the right to create one or more assessment areas to coincide with the phases of development

## 1.1 Purpose

This Master Assessment Methodology Report (the "Assessment Report") provides for an assessment methodology for allocating the debt to be incurred by the District to benefiting properties within the District. This Assessment Report allocates the debt to properties based on the special benefits each receives from the District's capital improvement plan ("CIP"). This Assessment Report will be supplemented with one or more supplemental methodology reports to reflect the actual terms and conditions at the time of the issuance of each series of Bonds. This Assessment Report is designed to conform to the requirements of Chapters 190 and 170, Florida Statutes with respect to special assessments and is consistent with our understanding of case law on this subject.

The District intends to impose non ad valorem special assessments on the benefited lands within the District based on this Assessment Report. It is anticipated that all of the proposed special assessments will be collected through the Uniform Method of Collection described in Chapter 197.3632, Florida Statutes or any other legal means of collection available to the District. It is not the intent of this Assessment Report to address any other assessments, if applicable, that may be levied by the District, a homeowner's association, or any other unit of government.

#### 1.2 Background

The District currently includes approximately 255.32 acres within the City of Clermont, Florida in Lake County, Florida. The development program currently envisions approximately 948 units (herein the "Development"). The proposed Development program is depicted in Table 1. It is recognized that such land use plan may change, and this Assessment Report will be modified accordingly.

The public improvements contemplated by the District in the CIP will provide facilities that benefit certain property within the District. The CIP is delineated in the Engineer's Report. Specifically, the District will construct and/or acquire certain stormwater improvements, roadways, water & wastewater utilities, lift station and forcemain, reclaimed water main utilities, reclaimed well & pump infrastructure, landscape, hardscape, irrigation, offsite utilities, differential cost of undergrounding of electric utilities, soft costs, and contingency. The acquisition and construction costs are summarized in Table 2.

The assessment methodology is a four-step process.

- 1. The District Engineer must first determine the public infrastructure improvements that may be provided by the District and the costs to implement the CIP.
- 2. The District Engineer determines the assessable acres that benefit from the District's CIP.
- 3. A calculation is made to determine the funding amounts necessary to acquire and/or construct CIP.
- 4. This amount is initially divided equally among the benefited properties on a prorated gross acreage basis. Ultimately, as land is platted, this amount will be assigned to each of the benefited properties based on the number of platted units.

# 1.3 Special Benefits and General Benefits

Improvements undertaken by the District create special and peculiar benefits to the assessable property, different in kind and degree than general benefits for properties outside its borders as well as general benefits to the public at large.

However, as discussed within this Assessment Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits which accrue to the assessable property within the District. The implementation of the CIP enables properties within its boundaries to be developed. Without the District's CIP, there would be no infrastructure to support development of land within the District. Without these improvements, development of the property within the District would be prohibited by law.

There is no doubt that the general public and property owners outside the District will benefit from the provision of the District's CIP. However, these benefits will be incidental to the District's CIP, which is designed solely to meet the needs of property within the District. Properties outside the District boundaries do not depend upon the District's CIP. The property owners within the District are therefore receiving special benefits not received by those outside the District's boundaries.

# 1.4 Requirements of a Valid Assessment Methodology

There are two requirements under Florida law for a valid special assessment:

- 1) The properties must receive a special benefit from the improvements being paid for.
- 2) The assessments must be fairly and reasonably allocated to the properties being assessed.

Florida law provides for a wide application of special assessments that meet these two requirements for valid special assessments.

## 1.5 Special Benefits Exceed the Costs Allocated

The special benefits provided to the property owners within the District are equal to or greater than the costs associated with providing these benefits. The District Engineer estimates that the District's CIP that is necessary to support full development of property will cost approximately \$62,818,750. The District's Underwriter projects that financing costs required to fund the infrastructure improvements, the cost of issuance of the Bonds, the funding of debt service reserves and capitalized interest, will be approximately \$82,515,000. Additionally, funding required to complete the CIP which is not financed with Bonds will be funded by Pulte Home Company, LLC or a related entity (the "Developer"). Without the CIP, the property would not be able to be developed and occupied by future residents of the community.

# 2.0 Assessment Methodology

#### 2.1 Overview

The District is planning to issue up to \$82,515,000 in Bonds, in one or more series to fund the District's CIP, provide for capitalized interest, a debt service reserve account and cost of issuance. It is the purpose of this Assessment Report to allocate the \$82,515,000 in debt to the properties benefiting from the CIP.

Table 1 identifies the proposed land uses as identified by the Developer. The District has relied on the Engineer's Report to develop the costs of the CIP needed to support the Development and these construction costs are outlined in Table 2. The improvements needed to support the Development are described in detail in the Engineer's Report and are estimated to cost \$62,818,750. Based on the estimated costs, the size of the Bond issue under current market conditions needed to generate funds to pay for the CIP and related costs was determined by the District's Underwriter to total approximately \$82,515,000. Table 3 shows the breakdown of the bond sizing.

#### 2.2 Allocation of Debt

Allocation of debt is a continuous process until the development plan is completed. The CIP funded by District Bonds benefits all developable acres within the District.

The initial assessments will be levied on an equal basis to all acres within the District. A fair and reasonable methodology allocates the debt incurred by the District proportionately to the properties receiving the special benefits. At this point all of the lands within the District are benefiting from the improvements.

Once platting, site planning, or the recording of declaration of condominium, ("Assigned Properties") has begun, the assessments will be levied to the Assigned Properties based on the benefits they receive. The Unassigned Properties, defined as property that has not been platted, assigned development rights or subjected to a declaration of condominium, will continue to be assessed on a per acre basis ("Unassigned Properties"). Eventually the development plan will be completed and the debt relating to the Bonds will be allocated to the planned 948 units within the District, which are the beneficiaries of the CIP, as depicted in Table 5 and Table 6. If there are changes to the development plan, a true up of the assessment will be calculated to determine if a debt reduction or true-up payment from the Developer is required. The process is outlined in Section 3.0

The assignment of debt in this Assessment Report sets forth the process by which debt is apportioned. As mentioned herein, this Assessment Report will be supplemented from time to time.

#### 2.3 Allocation of Benefit

The CIP consists of stormwater improvements, roadways, water and wastewater utilities, lift station and forcemain, reclaimed water main utilities, reclaimed well & pump infrastructure, landscape, hardscape, irrigation, offsite utilities, differential cost of undergrounding of electric utilities, soft costs, and contingency. There are *five* product types within the planned development. The Single Family – 50' has been set as the base unit and has been assigned one equivalent residential unit ("ERU"). Table 4 shows the allocation of benefit to the particular land uses. It is important to note that the benefit derived from the improvements on the particular units equals or exceeds the cost that the units will be paying for such benefits.

#### 2.4 Lienability Test: Special and Peculiar Benefit to the Property

Construction and/or acquisition by the District of its proposed CIP will provide several types of systems, facilities, and services for its residents. These include stormwater improvements, roadways, water and wastewater utilities, lift station and forcemain, reclaimed water main utilities, reclaimed well & pump infrastructure,

landscape, hardscape, irrigation, offsite utilities, differential cost undergrounding of electric utilities, soft costs, and contingency. These improvements accrue in differing amounts and are somewhat dependent on the type of land use receiving the special benefits peculiar to those properties, which flow from the logical relationship of the improvements to the properties.

Once these determinations are made, they are reviewed in the light of the special benefits peculiar to the property, which flow to the properties as a result of their logical connection from the improvements in fact actually provided.

For the provision of CIP, the special and peculiar benefits are:

- 1) the added use of the property,
- 2) added enjoyment of the property, and
- 3) the probability of increased marketability and value of the property.

These special and peculiar benefits are real and ascertainable but are not yet capable of being calculated as to value with mathematical certainty. However, each is more valuable than either the cost of, or the actual non-ad valorem special assessment levied for the improvement, or the debt as allocated.

# 2.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay Non-Ad Valorem Assessments

A reasonable estimate of the proportion of special and peculiar benefits received from the public improvements described in the Engineer's Report is delineated in Table 5 (expressed as Allocation of Par Debt per Product Type).

The determination has been made that the duty to pay the non-ad valorem special assessments is fairly and reasonably apportioned because the special and peculiar benefits to the property derived from the acquisition and/or construction of the District's CIP have been apportioned to the property according to reasonable estimates of the special and peculiar benefits provided consistent with the land use categories.

Accordingly, no acre or parcel of property within the boundaries of the District will have a lien for the payment of any non-ad valorem special assessment more than the determined special benefit peculiar to that property and therefore, the debt allocation will not be increased more than the debt allocation set forth in this Assessment Report.

In accordance with the benefit allocation suggested for the product types in Table 4, a total debt per unit and an annual assessment per unit have been calculated for each product type (Table 6). These amounts represent the preliminary anticipated per unit debt allocation assuming all anticipated units are built and sold as planned, and the entire proposed CIP is developed or acquired and financed by the District.

# 3.0 True Up Mechanism

Although the District does not process plats, declaration of condominiums, site plans or revisions thereto for the Developer, it does have an important role to play during the course of platting and site planning. Whenever a plat, declaration of condominium or site plan is processed, the District must allocate a portion of its debt to the property according to this Assessment Report outlined herein. In addition, the District must also prevent any buildup of debt on Unassigned Property. Otherwise, the land could be fully conveyed and/or platted without all of the debt being allocated. To preclude this, at the time Unassigned Properties become Assigned Properties, the District will determine the amount of anticipated assessment revenue that remains on the Unassigned Properties, taking into account the proposed plat, or site plan approval. If the total anticipated assessment revenue to be generated from the Assigned and Unassigned Properties is greater than or equal to the maximum annual debt service then no adjustment is required. In the case that the revenue generated is less than the required amount then a debt reduction or true-up payment by the landowner in the amount necessary to reduce the par amount of the outstanding Bonds plus accrued interest to a level that will be supported by the new net annual debt service assessments will be required.

#### 4.0 Assessment Roll

As of the date of the Master Assessment Report, the District consists of 251 platted units (All located within Phase 1) (i.e., Assigned Properties) and approximately 203.97 gross acres of unplatted property (i.e., Unassigned Properties). The District will initially distribute the liens first to the platted property within Phase 1 and then across the 203.97 remaining gross acreage of the District. As Assigned Properties become known with certainty, the District will refine its allocation of debt from a per acre basis to a per unit basis as shown in table 6. If the land use plan changes, then the District will update tables 1, 4, 5, and 6 to reflect the changes. As a result, the assessment liens on Unassigned Properties are neither fixed nor are they determinable with certainty on any acre of land in the District prior to the time final Assigned Properties become known. The current assessment roll is depicted in Table 7.

#### 1.0 Introduction

The Parkside Trails Community Development District is a local unit of special-purpose government organized and existing under Chapter 190, Florida Statutes, as amended (the "District"). The District plans to issue approximately \$8,160,000 of tax exempt bonds (the "Series 2025 Bonds" or "Bonds") for the purpose of financing certain infrastructure improvements within the District described in the Engineer's Report dated September 19, 2024 updated January 10, 2025 as supplemented by the First Supplemental Engineer's Report For The Parkside Trails Community Development District dated August 27, 2025 prepared by Vanasse Hangen Brustlin, Inc (the "District Engineer"), as may be amended and supplemented from time to time (collectively, the "Engineer's Report"). The District anticipates the construction and/or acquisition of public infrastructure improvements consisting of improvements that benefit property owners within the herein defined 2025 Project Area within the District.

## 1.1 Purpose

This Preliminary First Supplemental Assessment Methodology (the "Supplemental Assessment Report") supplements the Master Assessment Methodology dated September 25, 2024 revised January 29, 2025 (the "Master Report" and together with this Supplemental Assessment Report, the "Assessment Report") and provides for an assessment methodology for allocating the debt assessments to properties within the District based on the special benefits each receives from a portion of the District's capital improvement plan as described in the Engineer's Report ("CIP") relating to Phases 1 & 3 of development (herein the "Series 2025 Project"). The Assessment Report is designed to conform to the requirements of Chapters 170, 190, and 197, Florida Statutes with respect to special assessments and is consistent with our understanding of case law on this subject.

The District intends to impose non ad valorem special assessments on the benefited lands within the 2025 Project Area within the District securing the repayment of the Series 2025 Bonds based on this Supplemental Assessment Report. It is anticipated that all of the proposed special assessments will be collected through the Uniform Method of Collection described in Chapter 197.3632, Florida Statutes or any other legal means of collection available to the District. It is not the intent of this Supplemental Assessment Report to address any other assessments, if applicable, that may be levied by the District, a homeowner's association, or any other unit of government.

# 1.2 Background

The District consists of approximately 285 acres within the City of Clermont, Lake County, Florida. The development program for Parkside Trails Phases 1 & 3 contains 496 platted residential units (herein the "2025 Project Area"), which represents a portion of the planned development within the District (the "Development"). It is

recognized that such land use plan may change, and this Supplemental Assessment Report will be modified accordingly. The Development units planned for the 2025 Project Area, ultimately are the benefitting properties of the Series 2025 Project and are anticipated to fully absorb and secure the debt assessments pledged to the Series 2025 Bonds.

The public improvements contemplated by the District in the Series 2025 Project will provide facilities that benefit the assessable property within the 2025 Project Area within the District. The Series 2025 Project is delineated in the Engineer's Report. Specifically, in regard to the Series 2025 Project, the District will construct and/or acquire certain stormwater improvements, roadways, water & wastewater utilities, lift station & forcemain, reclaim water main utilities, reclaim well & pump infrastructure, hardscape, landscape & irrigation, offsite utility, differential cost of undergrounding electric, and soft costs. Only a portion of the CIP constituting the Series 2025 Project will be funded with the available net proceeds of the Series 2025 Bonds. The Series 2025 Project estimated acquisition and construction costs are summarized in Table 2.

The assessment methodology is a four-step process.

- 1. The District Engineer must first determine the public infrastructure improvements that may be provided by the District and the costs to implement the Series 2025 Project.
- 2. The District Engineer determines the assessable acres that benefit from the District's Series 2025 Project.
- 3. A calculation is made to determine the funding amounts necessary to acquire and/or construct the Series 2025 Project.
- 4. This amount is initially divided equally among the benefited properties on a prorated gross acreage basis. Ultimately, as land is platted, site planned, or subjected to a declaration of condominium, this amount will be assigned to each of the benefited properties based on an ERU basis.

## 1.3 Special Benefits and General Benefits

Improvements undertaken by the District create special and peculiar benefits to the assessable property within the 2025 Project Area within the District, different in kind and degree than general benefits, for properties outside of the 2025 Project Area and outside of its borders as well as general benefits to the public at large.

However, as discussed within this Assessment Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits, which accrue to the assessable property within the 2025 Project Area within the District. The implementation of the Series 2025 Project enables properties within the 2025 Project Area boundaries to be developed. Without the District's Series 2025

Project, there would be no infrastructure to support the development of land within the 2025 Project Area within the District. Without these improvements, the proposed Development within the 2025 Project Area within the District would be prohibited by law.

There is no doubt that the general public and property owners outside of the 2025 Project Area and outside of the District will benefit from the provision of the District's Series 2025 Project. However, these benefits will be incidental to the District's Series 2025 Project, which is designed solely to meet the needs of property within the 2025 Project Area within the District. Properties outside the 2025 Project Area within the District boundaries do not depend upon the District's Series 2025 Project. The property owners within the 2025 Project Area within the District are therefore receiving special benefits not received by those outside of the 2025 Project Area and outside the District's boundaries.

## 1.4 Requirements of a Valid Assessment Methodology

There are two requirements under Florida law for a valid special assessment:

- 1) The properties must receive a special benefit from the improvements being paid for.
- 2) The assessments must be fairly and reasonably allocated to the properties being assessed.

Florida law provides for a wide application of benefit that meets these two characteristics of special assessments.

# 1.5 Special Benefits Exceed the Costs Allocated

The special benefits provided to the property owners within the 2025 Project Area within the District are greater than the costs associated with providing these benefits. The District Engineer estimates that the District's Series 2025 Project that is necessary to support full development of property will cost approximately \$35,027,300. The District's underwriter projects that financing costs required to fund a portion of the Series 2025 Project, the cost of issuance of the Bonds, and the funding of the debt service reserve account, will be approximately \$8,160,000. Additionally, funding required to complete the Series 2025 Project which is not funded with the proceeds of the Series 2025 Bonds is anticipated to be funded by Pulte Home Company, LLC (the "Developer"), or a related developer entity. Without the Series 2025 Project, the property within the 2025 Project Area would not be able to be developed per the Development program and occupied by future residents of the community.

## 2.0 Assessment Methodology

#### 2.1 Overview

The District plans to issue approximately \$8,160,000 in Series 2025 Bonds to fund a portion of the District's Series 2025 Project, fund a debt service reserve account, and pay costs of issuance. It is the purpose of this Assessment Report to allocate the \$8,160,000 in debt to the properties benefiting from the Series 2025 Project.

Table 1 identifies the proposed land uses as identified by the Developer and current landowners of the land within the 2025 Project Area of the District. The District has relied on the Engineer's Report to develop the costs of the Series 2025 Project needed to support a portion of the Development; these estimated construction costs are outlined in Table 2. The improvements needed to support the 2025 Project Area are described in detail in the Engineer's Report and are estimated to cost \$35,027,300. Based on the estimated costs, the size of the bond issue under current market conditions needed to generate funds to pay for a portion of the 2025 Project and related costs is estimated by the District's underwriter to total approximately \$8,160,000. Table 3 shows the breakdown of the bond sizing for the Series 2025 Bonds.

#### 2.2 Allocation of Debt

The 2025 Project funded by the District's Series 2025 Bonds benefits all the platted residential property within the 2025 Project Area within the District. The initial assessments will be levied on an equivalent residential unit basis and will be allocated to the platted residential property within the 2025 Project Area within the District. A fair and reasonable methodology allocates the debt incurred by the District proportionately to the properties receiving the special benefits.

The assignment of debt in this Assessment Report sets forth the process by which debt is apportioned. As mentioned herein, this Assessment Report will be supplemented from time to time.

#### 2.3 Allocation of Benefit

The 2025 Project includes but is not limited to stormwater improvements, roadways, water & wastewater utilities, lift station & forcemain, reclaim water main utilities, reclaim well & pump infrastructure, hardscape, landscape & irrigation, offsite utility, differential cost of undergrounding electric, and soft costs as further provided in the Engineer's Report. There are *five* residential product types within the planned Development for the 2025 Project Area. The single family 50' lot has been set as the base unit and has been assigned one equivalent residential unit ("ERU") per lot. The

CIP for the District is reflected in Table 2. Table 4 shows the allocation of the Series 2025 Project to the particular land uses. It is important to note that the benefit derived from the improvements on the particular units exceeds the cost that the units will be paying for such benefits.

## 2.4 Lienability Test: Special and Peculiar Benefit to the Property

Construction and/or acquisition by the District of the proposed Series 2025 Project will provide several types of systems, facilities and services for its residents. These include stormwater improvements, roadways, water & wastewater utilities, lift station & forcemain, reclaim water main utilities, reclaim well & pump infrastructure, hardscape, landscape & irrigation, offsite utility, differential cost of undergrounding electric, and soft costs. These improvements accrue in differing amounts and are somewhat dependent on the type of land use receiving the special benefits peculiar to those properties, which flow from the logical relationship of the improvements to the properties.

For the provision of the 2025 Project relating to the Development, the special and peculiar benefits are:

- 1) the added use of the property,
- 2) added enjoyment of the property, and
- 3) the probability of increased marketability and value of the property.

These special and peculiar benefits are real and ascertainable but are not yet capable of being calculated as to value with mathematical certainty. However, each is more valuable than either the cost of, or the actual non-ad valorem special assessment levied for the improvement or the debt as allocated.

## 3.0 True Up Mechanism

Although the District does not process plats, declarations of condominiums, site plans or revisions thereto for the Developer, it does have an important role to play during the course of platting and site planning. Whenever a plat, declaration of condominium or site plan is processed, the District must allocate a portion of its debt to the property according to this Assessment Report outlined herein. In addition, the District must also prevent any buildup of debt on Unassigned Properties. Otherwise, the land could be fully conveyed and/or platted without all of the debt being allocated. To preclude this, at the time Unassigned Properties become Assigned Properties, the District will determine the amount of anticipated assessment revenue that remains on the Unassigned Properties, taking into account the proposed plat, declaration of condominium, or site plan approval. If the total anticipated assessment revenue to be generated from the Assigned and Unassigned Properties is greater than or equal to the maximum annual debt service, then no debt reduction or true-up payment is required.

In the case that the revenue generated is less than the required amount then a debt reduction or true-up payment by the landowner in the amount necessary to reduce the par amount of the outstanding Bonds plus accrued interest to a level that will be supported by the new net annual debt service assessments will be required. Unless the 2025 Project Area is re-platted this section 3.0 shall not be applicable.

#### 4.0 Assessment Roll

The District will distribute the liens across the 496 platted lots within the boundaries of the 2025 Project Area within the District. The current assessment roll is depicted in Table 7.
