#### PRELIMINARY LIMITED OFFERING MEMORANDUM DATED NOVEMBER 13, 2025

 $\frac{\text{NEW ISSUE - BOOK-ENTRY ONLY}}{\text{LIMITED OFFERING}}$ 

NOT RATED

In the opinion of Greenberg Trawrig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications and the continuing compliance with certain tax covenants, under existing statutes, regulations, rulings and court decisions, interest on the Series 2025 Bonds (as hereinafter defined) is excludable from gross income for federal income tax purposes; and, further, interest on the Series 2025 Bonds will not be an item of tax preference for purposes of the alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Internal Revenue Code of 1986, as amended (the "Code") on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2025 Bonds is not excluded from the determination of adjusted financial statement income. See "TAX MATTERS" herein for a description of certain other federal tax consequences of ownership of the Series 2025 Bonds. Bond Counsel is further of the opinion that the Series 2025 Bonds and the interest thereon are not subject to taxation under the laws of the State of Florida, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in said Chapter 220. See "TAX MATTERS" herein.

#### INTRODUCTION

The purpose of this Limited Offering Memorandum is to set forth certain information in connection with the offering for sale by the New Port Corners Community Development District (the "District" or "Issuer") of its \$14,745,000\* Special Assessment Bonds, Series 2025 (the "Series 2025 Bonds").

THE SERIES 2025 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2025 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AS AMENDED, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2025 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2025 BONDS. SEE "BONDOWNERS' RISKS" AND "SUITABILITY FOR INVESTMENT" HEREIN. NO PERSON HAS BEEN AUTHORIZED BY THE DISTRICT OR THE UNDERWRITER TO GIVE ANY INFORMATION OR TO MAKE ANY REPRESENTATIONS, OTHER THAN THOSE CONTAINED IN THIS LIMITED OFFERING MEMORANDUM, AND, IF GIVEN OR MADE, SUCH OTHER INFORMATION OR REPRESENTATIONS MUST NOT BE RELIED UPON AS HAVING BEEN AUTHORIZED BY ANY OF THE FOREGOING.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. 25-07 of the Board of County Commissioners of Pasco County, Florida (the "County"), enacted on January 14, 2025, and effective on January 17, 2025, as amended by Ordinance No. 25-40 enacted on September 16, 2025, and effective on September 17, 2025 (collectively, the "Ordinance"). The District was created for the purpose of delivering certain community development services and facilities for the benefit of the District Lands (as hereinafter defined) and has previously determined to undertake, in one or more stages, the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of the District Lands. The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, or equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District currently include approximately 258 gross acres of land (the "District Lands") located entirely within an unincorporated area of the County. The District Lands are being developed in multiple phases as a single-family, townhome and villa residential community. The District Lands are currently planned to contain 690 residential units (the "Development"). The Development is part of a larger, master planned residential community expected to be known as "New Port Corners" that is expected to contain approximately 1,861 residential units at build out.

\_

<sup>\*</sup> Preliminary, subject to change.

The District is issuing its Series 2025 Bonds to fund a portion of the development of the District's Capital Improvement Program (as further described herein, the "2025 Project"). See "THE CAPITAL IMPROVEMENT PLAN AND THE 2025 PROJECT" herein for more information.

Lennar Homes, LLC, a Florida limited liability company ("Lennar Homes" or the "Development Manager"), is serving as the development manager and homebuilder in the Development and is land banking with Cal Hearthstone Lot Option Pool 01, L.P., a Delaware limited partnership (the "Phase 1A Land Bank") and Cal Hearthstone Lot Option Pool 03, L.P., a Delaware limited partnership (the "Phase 1B Land Bank" and together with the Phase 1A Land Bank, the "Land Bank" and collectively with the Development Manager, the "Primary Landowners"). As of November 11, 2025, the Land Bank owns land planned for 498 lots, the Development Manager owns 86 lots, and 106 homes have closed with third-party homebuyers within the Development. See "THE DEVELOPMENT" and "THE LAND BANK AND THE DEVELOPMENT MANAGER" herein for more information.

As set forth in the Assessment Methodology, the Series 2025 Special Assessments initially will be levied on the 520 lots currently platted within the District along with the remaining assessable acres within the current boundary of the District, which are planned for an additional 170 lots. The Series 2025 Special Assessments will be assigned to the remaining lots on a first platted, first assigned basis. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" and "APPENDIX D: ASSESSMENT METHODOLOGY" for more information regarding allocation of the Series 2025 Special Assessments. See "THE DEVELOPMENT – Development Plan and Status" herein for more information regarding the development status of the District Lands.

The Series 2025 Bonds are being issued by the District pursuant to the Act, Resolutions No. 2025-26 and No. 2025-31 adopted by the Board of Supervisors of the District (the "Board") on January 22, 2025 and April 8, 2025, respectively (collectively, the "Bond Resolution"), and a Master Trust Indenture, dated as of November 1, 2025 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture, dated as of November 1, 2025 (the "First Supplemental Indenture," and together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association (the "Trustee"). All capitalized terms used in this Limited Offering Memorandum and not defined herein shall have the respective meanings set forth in the Indenture. See "APPENDIX A: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" attached hereto.

Proceeds of the Series 2025 Bonds will be used to provide funds for: (i) the Costs of acquiring and/or constructing a portion of the 2025 Project (as defined herein), (ii) the funding of the Series 2025 Reserve Account in an amount equal to the initial Series 2025 Reserve Requirement, and (iii) the payment of the costs of issuance of the Series 2025 Bonds. See "CAPITAL IMPROVEMENT PLAN AND THE 2025 PROJECT" and "ESTIMATED SOURCES AND USES OF FUNDS" herein.

The Series 2025 Bonds will be secured by a pledge of the Series 2025 Pledged Revenues. "Series 2025 Pledged Revenues" shall mean (a) all revenues received by the District from the Series 2025 Special Assessments levied and collected on the assessable lands within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2025 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2025 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture created and established with respect to or for the benefit of the Series 2025 Bonds; provided, however, that Series 2025 Pledged Revenues shall not include (A) any moneys transferred to the Series 2025 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2025 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly

understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS."

There follows in this Limited Offering Memorandum a brief description of the District, the Primary Landowners, the Development, the 2025 Project and summaries of certain terms of the Series 2025 Bonds, the Indenture and certain provisions of the Act. The Series 2025 Bonds will initially be offered only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, as amended, and the rules of the Florida Department of Financial Services promulgated thereunder; provided, however, the limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2025 Bonds. See "SUITABILITY FOR INVESTMENT" herein.

Regularly scheduled interest on the Series 2025 Bonds shall be payable on each Interest Payment Date to maturity or prior redemption. Upon initial issuance, the Series 2025 Bonds shall be issued as one fully registered bond for each maturity of Series 2025 Bonds and deposited with The Depository Trust Company ("DTC"), which is responsible for establishing and maintaining records of ownership for its participants. The Direct Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Series 2025 Bonds ("Beneficial Owners"). Principal and interest on the Series 2025 Bonds registered in the name of Cede &

Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC. Disbursal of such amounts to Direct Participants shall be the responsibility of DTC. Payments by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners shall be the responsibility of Direct Participants and Indirect Participants and not of DTC nor its nominee, the Trustee or the District. ### **Optional Redemption**

The Series 2025 Bonds may, at the option of the District, provided written notice hereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days' notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after June 15, 20[\_\_] (less than all Series 2025 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2025 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2025 Optional Redemption Subaccount of the Series 2025 Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Series 2025 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2025 Bonds is substantially level.

Upon any redemption of Series 2025 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2025 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2025 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2025 Bonds in any year. In the event of a redemption occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

## **Extraordinary Mandatory Redemption**

The Series 2025 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at Redemption Price equal to 100% of the principal amount of the Series 2025 Bonds to be redeemed, plus interest accrued to the redemption date.

- (i) from Series 2025 Prepayment Principal deposited into the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account (taking into account the credit from the Series 2025 Reserve Account pursuant to the First Supplemental Indenture) following the Prepayment in whole or in part of the Series 2025 Special Assessments on any assessable property within the District in accordance with the provisions of the First Supplemental Indenture.
- (ii) from moneys, if any, on deposit in the Series 2025 Funds, Accounts and subaccounts (other than the Series 2025 Rebate Fund, the Series 2025 Costs of Issuance Account and the Series 2025 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2025 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) from any funds remaining on deposit in the Series 2025 Acquisition and Construction Account not otherwise reserved to complete the 2025 Project (including any amounts transferred from the Series 2025 Reserve Account) all of which have been transferred to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account .

Except as otherwise provided in the First Supplemental Indenture, if less than all of the Series 2025 Bonds subject to redemption shall be called for redemption, the particular such Series 2025 Bonds or portions of such Series 2025 Bonds to be redeemed shall be selected randomly by the Trustee, as provided in the First Supplemental Indenture.

# **Notice of Redemption and of Purchase**

When required to redeem or purchase Series 2025 Bonds (as described below) under any provision of the Indenture or directed to do so by the District, the Trustee shall cause notice of the redemption, either in whole or in part, to be provided by Electronic Means or mailed by first class mail, postage prepaid at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2025 Bonds for which notice was duly mailed in accordance with the Indenture. The District is authorized to direct the Trustee to give a conditional notice of redemption.

#### Purchase of Series 2025 Bonds

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Series 2025 Sinking Fund Account to the purchase of the Series 2025 Bonds in accordance with the Indenture, at prices not higher than the principal amount thereof, in lieu of redemption, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given.

#### **Book-Entry Only System**

The information in this caption concerning DTC and DTC's book-entry system has been obtained from DTC, and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

The Depository Trust Company ("DTC") will act as securities depository for the Series 2025 Bonds. The Series 2025 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2025 Bond certificate will be issued for each maturity of the Series 2025 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct

Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has a Standard & Poor's rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2025 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2025 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2025 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2025 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2025 Bonds, except in the event that use of the bookentry system for the Series 2025 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2025 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2025 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2025 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2025 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2025 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2025 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2025 Bond documents. For example, Beneficial Owners of Series 2025 Bonds may wish to ascertain that the nominee holding the Series 2025 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2025 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2025 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2025 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record

date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2025 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions,\* and interest payments on the Series 2025 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions\*, and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2025 Bonds at any time by giving reasonable notice to the District or the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2025 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2025 Bond certificates will be printed and delivered to DTC.

#### SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS

#### General

THE SERIES 2025 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY FROM THE SERIES 2025 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE, AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE COUNTY, THE STATE OF FLORIDA (THE "STATE"), OR ANY OTHER POLITICAL SUBDIVISION THEREOF IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2025 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION SERIES 2025 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2025 BONDS. THE SERIES 2025 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2025 Bonds will be secured by a pledge of the Series 2025 Pledged Revenues. "Series 2025 Pledged Revenues" shall mean (a) all revenues received by the District from the Series 2025 Special Assessments levied and collected on the assessable lands within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2025 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2025

-

<sup>\*</sup> Not applicable to the Series 2025 Bonds.

Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture created and established with respect to or for the benefit of the Series 2025 Bonds; provided, however, that Series 2025 Pledged Revenues shall not include (A) any moneys transferred to the Series 2025 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2025 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso).

The Series 2025 Special Assessments consist of the non-ad valorem special assessments imposed and levied by the District against the assessable lands within the District, as a result of the District's acquisition and/or construction of a portion of the 2025 Project, corresponding in amount to the debt service on the Series 2025 Bonds and designated as such in the Assessment Methodology (as defined herein) relating thereto. The Series 2025 Special Assessments are levied pursuant to Section 190.022 of the Act, resolutions of the District adopted prior to delivery of the Series 2025 Bonds, as amended and supplemented from time to time (collectively, the "Assessment Resolutions") and assessment proceedings conducted by the District (together with the Assessment Resolutions, the "Assessment Proceedings"). The Assessment Methodology, which describes the methodology for allocating the Series 2025 Special Assessments to the assessable lands within the District, is included as APPENDIX D hereto. See also "ASSESSMENT METHODOLOGY AND ALLOCATION OF ASSESSMENTS" herein.

Non-ad valorem assessments are not based on millage and are not taxes, but can become a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The Series 2025 Special Assessments will constitute a lien against the land as to which the Series 2025 Special Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

### **Covenant to Levy the Series 2025 Special Assessments**

The District will covenant to levy the Series 2025 Special Assessments to the extent and in the amount sufficient to pay debt service requirements on the Series 2025 Bonds. If any Series 2025 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2025 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2025 Special Assessment when it might have done so, the District has additionally covenanted in the Indenture to either (i) take all necessary steps to cause a new Series 2025 Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (ii) in its sole discretion, make up the amount of such Series 2025 Special Assessment from legally available moneys, which moneys shall be deposited into the Series 2025 Revenue Account. In case such second Series 2025 Special Assessment shall be annulled, the District shall obtain and make other Series 2025 Special Assessments until a valid Series 2025 Special Assessment shall be made.

### **Prepayment of Series 2025 Special Assessments**

Pursuant to the Act and the Assessment Proceedings, an owner of property subject to the levy of Series 2025 Special Assessments may pay the entire balance of the Series 2025 Special Assessments remaining due, without interest, within thirty (30) days after the 2025 Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the 2025 Project pursuant to Chapter 170.09, Florida Statutes. The Land Banks have previously waived this right in connection with the issuance of the Series 2025 Bonds pursuant to Declarations of Consent to Imposition of Non-Ad Valorem Special Assessments by the New Port Corners Community Development District. Such declarations have

been recorded in the public records of the County, and the covenants contained therein are binding on the Primary Landowners and their respective successors and assigns.

Pursuant to the Assessment Proceedings, an owner of land against which an Series 2025 Special Assessment has been levied may pay the principal balance of such Series 2025 Special Assessment, in whole or in part at any time, if there is also paid an amount equal to the interest that would otherwise be due on such balance to the earlier of the next succeeding Quarterly Redemption Date, which is at least forty-five (45) days after the date of the payment. See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

Any prepayment of Series 2025 Special Assessments will result in the extraordinary mandatory redemption of Series 2025 Bonds, as indicated under "DESCRIPTION OF THE SERIES 2025 BONDS – Redemption Provisions – Extraordinary Mandatory Redemption." The prepayment of Series 2025 Special Assessments does not entitle the owner of the property to a discount for early payment.

#### **Additional Obligations**

In the Indenture, the District will covenant not to issue any other Bonds or other debt obligations secured by the Series 2025 Special Assessments. Such covenant shall not prohibit the District from issuing refunding bonds. In addition, the District will covenant not to issue any other Bonds or debt obligations secured by any other Special Assessments on assessable lands within the District that are subject to the Series 2025 Special Assessments unless the Series 2025 Special Assessments have been Substantially Absorbed, provided the foregoing shall not preclude the imposition of Special Assessments or other nonad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. "Substantially Absorbed" means the date at least seventy-five percent (75%) of the principal portion of the Series 2025 Special Assessments have been assigned to residential units within the District that have received certificates of occupancy. The Trustee and the District may conclusively rely on a written certificate from the District Manager regarding the occurrence of the Series 2025 Special Assessments being Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the District may issue other Bonds or debt obligations secured by Special Assessments levied within the District, other than the Series 2025 Special Assessments, at any time upon the written consent of the Majority Holders. No consent shall be required if Special Assessments are levied on any lands within the District which are no subject to the Series 2025 Special Assessments.

Except as set forth above, the District and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2025 Special Assessments without the consent of the Owners of the Series 2025 Bonds. Additionally, the District expects to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2025 Special Assessments, on the same lands upon which the Series 2025 Special Assessments are imposed, to fund the maintenance and operation of the District. See "THE DEVELOPMENT – Taxes, Fees and Assessments" and "BONDOWNERS' RISKS" herein.

## **Covenant Against Sale or Encumbrance**

In the Master Indenture, the District will covenant that (a) except for those improvements comprising any Project that are to be conveyed by the District to the County, the State Department of Transportation or another governmental entity and (b) except as otherwise permitted in the Indenture, it will not sell, lease or otherwise dispose of or encumber any Project or any part thereof, including the 2025 Project. See "APPENDIX A: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" herein for more information.

### Series 2025 Acquisition and Construction Account

The First Supplemental Indenture establishes a separate account within the Acquisition and Construction Fund designated as the "Series 2025 Acquisition and Construction Account." Net proceeds of the Series 2025 Bonds shall be deposited into the Series 2025 Acquisition and Construction Account in the amount set forth in the First Supplemental Indenture, together with any other moneys that may be transferred to the Series 2025 Acquisition and Construction Account as provided for in the First Supplemental Indenture. Such moneys shall be applied as set forth in the Indenture and the Acquisition Agreement.

Subject to the provisions of the First Supplemental Indenture, any moneys remaining in the Series 2025 Acquisition and Construction Account after the Completion Date, and after the expenditure of all moneys remaining therein that have not been requisitioned after satisfaction of the Release Conditions (as defined below), except for any moneys reserved therein for the payment of any costs of the 2025 Project owed but not yet requisitioned, as evidenced in a certificate from the District Manager to the Trustee, upon which the Trustee may conclusively rely, and the adoption of a resolution by the District accepting the 2025 Project, a copy of which shall be delivered to the Trustee, upon which the Trustee may conclusively rely, shall be transferred by the Trustee to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account. Subject to the provisions of the First Supplemental Indenture, the Series 2025 Acquisition and Construction Account shall be closed upon the expenditure or transfer of all funds therein including moneys deposited therein as a result of satisfaction of the Release Conditions. Upon presentment by the District Manager or the District to the Trustee of a properly signed requisition in substantially the form attached as an exhibit to the First Supplemental Indenture, the Trustee shall withdraw moneys from the Series 2025 Acquisition and Construction Account and make payment to the Person so designated in such requisition.

#### **Series 2025 Reserve Account**

The Indenture establishes a Series 2025 Reserve Account within the Debt Service Reserve Fund for the Series 2025 Bonds. The Series 2025 Reserve Account will, at the time of delivery of the Series 2025 Bonds, be funded from a portion of the net proceeds of the Series 2025 Bonds in the amount of the initial Series 2025 Reserve Requirement. The "Series 2025 Reserve Requirement" or "Reserve Requirement" shall mean an amount initially equal to twenty-five percent (25%) of the maximum annual debt service with respect to the initial principal amount of the Series 2025 Bonds determined on the date of issue. Upon satisfaction of the Release Conditions, the Series 2025 Reserve Requirement shall be reduced to an amount equal to ten percent (10%) of the maximum annual debt service with respect to the then Outstanding principal amount of the Series 2025 Bonds. Any amount in the Series 2025 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2025 Bonds be used to pay principal of and interest on the Series 2025 Bonds at that time. See "APPENDIX A: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" herein for more information. The initial Series 2025 Reserve Requirement shall be equal to \$\_\_\_\_\_\_\_.

"Release Conditions" shall mean collectively (i) all lots that are subject to the Series 2025 Special Assessments contain homes thereon which have each received a certificate of occupancy, (ii) all of the principal portion of the Series 2025 Special Assessments has been assigned to such homes, and (iii) there shall be no Events of Default under the Master Indenture, all as certified by the District Manager in writing and upon which the Trustee may conclusively rely.

On each May 1 and November 1 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2025 Reserve Account and before the Completion Date transfer any excess therein above the Reserve Requirement for the Series

2025 Bonds to the Series 2025 Acquisition and Construction Account prior to the Completion Date and after the Completion Date to be transferred to the Series 2025 Revenue Account in accordance with the First Supplemental Indenture.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2025 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by a majority of the Holders of the Series 2025 Bonds, to the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account, if as a result of the application of the provisions of the Master Indenture regarding Events of Default, the proceeds received from lands sold subject to the Series 2025 Special Assessments and applied to redeem a portion of the Series 2025 Bonds is less than the principal amount of Series 2025 Bonds indebtedness attributable to such lands.

Subject to the provisions of the First Supplemental Indenture, on any date the District or the District Manager, on behalf of the District, receives notice that a landowner wishes to prepay its Series 2025 Special Assessments relating to the benefited property of such landowner within the District, or as a result of a mandatory true-up payment, the District shall, or cause the District Manager, on behalf of the District to, calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2025 Prepayment Principal due by the amount of money in the Series 2025 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2025 Reserve Account shall be transferred by the Trustee to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2025 Reserve Account to the Series 2025 Prepayment Subaccount of the Series 2025 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2025 Bonds in accordance with the First Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing, and as further described in the next succeeding paragraph, upon satisfaction of the Release Conditions, the Trustee shall deposit such excess on deposit in the Series 2025 Reserve Account as described below to the Series 2025 Acquisition and Construction Account and pay such amount deposited in the Series 2025 Acquisition and Construction Account to the Person or Persons designated in a requisition in the form attached as an exhibit to the First Supplemental Indenture, or to the Person or Persons designated in a previously submitted properly executed requisition, all of which remains unfunded ("Unfunded Requisitions") which requisition shall be executed by the District and the Consulting Engineer and shall be submitted to the Trustee by the District or the District Manager on behalf of the District. Such payment is authorized notwithstanding that the Completion Date might have been declared provided that there are Costs of the 2025 Project that were not paid from moneys initially deposited in the Series 2025 Acquisition and Construction Account and the Trustee has on file one or more Unfunded Requisitions. In the event there are multiple Unfunded Requisitions on file with the Trustee, the Trustee shall fund such requisitions in the order the Trustee has received them (from oldest to newest). In the event that there are no Unfunded Requisitions on file with the Trustee, such excess moneys transferred from the Series 2025 Reserve Account to the Series 2025 Acquisition and Construction Account shall be deposited into the Series 2025 General Redemption Subaccount of the Series 2025 Bond Redemption Account.

Upon satisfaction of the Release Conditions as evidenced by a written certificate of the District Manager delivered to the District and the Trustee, stating that the Release Conditions have been satisfied and setting forth the amount of the new Series 2025 Reserve Requirement, the Trustee shall without further direction reduce the Series 2025 Reserve Requirement to ten percent (10%) of the maximum annual debt service of the then Outstanding principal amount of the Series 2025 Bonds as calculated by the District Manager. The excess amount in the Series 2025 Reserve Account as a result of satisfaction of the Release

Conditions shall be transferred to the Series 2025 Acquisition and Construction Account. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to the First Supplemental Indenture, the District and the District Manager, on behalf of the District, shall calculate the applicable Reserve Requirement and communicate the same to the Trustee and the Trustee shall apply any excess in the Series 2025 Reserve Account toward such extraordinary mandatory redemption. Further, moneys on deposit in the Series 2025 Reserve Account may be used to pay interest on the Series 2025 Bonds pursuant to the provisions of the Indenture. Notwithstanding any provision in the Master Indenture to the contrary, a draw on the Series 2025 Reserve Account for such purpose shall not constitute an Event of Default whether or not such draw is replenished within thirty (30) days.

# Deposit and Application of the Series 2025 Pledged Revenues

The Indenture establishes a Series 2025 Revenue Account within the Revenue Fund for the Series 2025 Bonds. Series 2025 Special Assessments (except for Prepayments of the Series 2025 Special Assessments, which shall be identified as such by the District to the Trustee and deposited in the Series 2025 Prepayment Subaccount) shall be deposited by the Trustee into the Series 2025 Revenue Account and applied as set forth in the Indenture. Pursuant to the Indenture, the Trustee shall transfer from amounts on deposit in the Series 2025 Revenue Account to the Funds, Accounts and subaccounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each June 15, commencing June 15, 2026, to the Series 2025 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2025 Bonds becoming due on the next succeeding June 15, less any amount on deposit in the Series 2025 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each December 15, commencing December 15, 2026, to the Series 2025 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2025 Bonds becoming due on the next succeeding December 15, less any amounts on deposit in the Series 2025 Interest Account not previously credited:

THIRD, no later than the Business Day next preceding each June 15, commencing June 15, 2026, to the Series 2025 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2025 Bonds subject to sinking fund redemption on such June 15, less any amounts on deposit in the Series 2025 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding each June 15, which is a principal payment date for any Series 2025 Bonds, to the Series 2025 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2025 Bonds Outstanding maturing on such June 15, less any amounts on deposit in the Series 2025 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2025 Bonds are subject to redemption on a date which is not a June 15 or December 15 Interest Payment Date, the Trustee shall be authorized to transfer to the Series 2025 Interest Account, the amount necessary to pay interest on the Series 2025 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2025 Bonds remain Outstanding, to the Series 2025 Reserve Account,

an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2025 Reserve Requirement for the Series 2025 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2025 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2025 Bonds and next, any balance in the Series 2025 Revenue Account shall remain on deposit in such Series 2025 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2025 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

#### **Investments**

The Trustee shall, as directed by the District in writing, invest moneys held in the Series 2025 Accounts in the Debt Service Fund, the Series 2025 Reserve Account, and the Series 2025 Bond Redemption Account only in Government Obligations and the other securities described within the definition of Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be for the purposes set forth in the Indenture. All securities securing investments under the Indenture shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the provisions of the Indenture, any interest and other income so received shall be deposited in Series 2025 Revenue Account. Upon request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund. The Trustee shall not be obligated, liable or responsible for not investing funds under the Indenture. The Trustee shall not be liable or responsible for any loss or failure to achieve the highest return, or entitled to any gain, resulting from any investment or sale. The Trustee may make any permitted investments through its own bond department or investment department. See "APPENDIX A: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" attached hereto.

The Trustee shall value the assets in each of the Funds and Accounts established under the Indenture forty-five (45) days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but no later than ten (10) days after such valuation date) shall provide the District a report of the status of each Fund and Account as of the valuation date.

#### **Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner**

For purposes of this heading, (a) the Series 2025 Bonds secured by and payable from the Series 2025 Special Assessments levied against property owned by any Insolvent Taxpayer (as defined below) are collectively referred to herein as the "Affected Bonds" and (b) the Series 2025 Special Assessments levied

against any Insolvent Taxpayer's property and pledged under the Indenture as security for the Affected Bonds are collectively referred to herein as the "Affected Special Assessments".

The Master Indenture contains the following provisions which, pursuant to the Master Indenture, shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the District, to the extent permitted by applicable law, shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the District, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The District will agree in the Master Indenture that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

The District will acknowledge and agree that, although the Affected Bonds were issued by the District, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake with respect to the Affected Bonds and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the District, to the extent permitted by applicable law, will agree that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture; (b) to the extent permitted by applicable law, the District will agree that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) to the extent permitted by applicable law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a bankruptcy plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District will agree that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing in this heading shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments and the District shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the District in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Series 2025 Special Assessments relating to the Series 2025 Bonds Outstanding whether such claim is pursued by the District or the Trustee. See "BONDOWNERS' RISKS – Bankruptcy and Related Risks" herein for more information

#### **Events of Default and Remedies**

The Master Indenture provides that each of the following shall be an "Event of Default" under the Master Indenture, with respect to the Series 2025 Bonds:

- (a) if payment of any installment of interest on any Series 2025 Bond is not made when it becomes due and payable; or
- (b) if payment of the principal or Redemption Price of any Series 2025 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or
- (c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act which failure or incapacity may reasonably be determined solely by the Majority Holders of the Series 2025 Bonds; or
- (d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or
- (e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in any Series 2025 Bond and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders of the Series 2025 Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or
- (f) if at any time the amount in the Series 2025 Reserve Account is less than the Series 2025 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Series 2025 Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or

(g) more than twenty percent (20%) of the "maintenance special assessments" levied by the District on District lands upon which the Series 2025 Special Assessments are levied to secure the Series 2025 Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

No Series 2025 Bonds shall be subject to acceleration. Upon the occurrence and continuance of an Event of Default, no optional redemption or extraordinary mandatory redemption of the Series 2025 Bonds pursuant to the Indenture shall occur unless all of the Series 2025 Bonds where an Event of Default has occurred will be redeemed or if 100% of the Holders of the Outstanding Series 2025 Bonds agree to such redemption.

If any Event of Default with respect to the Series 2025 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Holders of not less than a majority of the aggregate principal amount of the Outstanding Series 2025 Bonds and receipt of indemnity to its satisfaction shall, in its own name:

- (a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2025 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Series 2025 Bondholders and to perform its or their duties under the Act:
  - (b) bring suit upon the Series 2025 Bonds;
- (c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2025 Bonds;
- (d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2025 Bonds; and
- (e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2025 Bonds.

If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, then the District, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights under the Indenture as though no such proceeding had been taken.

The Majority Holders of the Series 2025 Bonds then subject to remedial proceedings under the Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law or the provisions of the Indenture.

#### ENFORCEMENT OF ASSESSMENT COLLECTIONS

#### General

The primary source of payment for the Series 2025 Bonds is the Series 2025 Special Assessments imposed on the assessable lands within the District specially benefited by the 2025 Project pursuant to the Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX D: ASSESSMENT METHODOLOGY."

The determination, order, levy, and collection of Series 2025 Special Assessments must be done in compliance with procedural requirements and guidelines provided by State law. Failure by the District, the Pasco County Tax Collector (the "Tax Collector") or the Pasco County Property Appraiser (the "Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2025 Special Assessments during any year. Such delays in the collection of Series 2025 Special Assessments, or complete inability to collect the Series 2025 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on such Series 2025 Bonds. To the extent that landowners fail to pay the Series 2025 Special Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2025 Bonds. See "BONDOWNERS' RISKS" herein. The Act provides for various methods of collection of delinquent Series 2025 Special Assessments by reference to other provisions of the Florida Statutes. The following is a description of certain statutory provisions of assessment payment and collection procedures appearing in the Florida Statutes but is qualified in its entirety by reference to such statutes.

### **Uniform Method Procedure**

Pursuant to the Indenture, the District shall collect the Series 2025 Special Assessments through the Uniform Method of Collection afforded by Chapter 197.3632, Florida Statutes (the "Uniform Method"), except that, pursuant to the Indenture and the terms of the Assessment Resolutions, the District shall collect the Series 2025 Special Assessments directly in lieu of using the Uniform Method with respect to any assessable lands which have not yet been platted, unless the Trustee, at the direction of the Majority Holders, directs the District otherwise or when the timing for using the Uniform Method will not yet allow for using such method. As District Lands within the District are platted, the Series 2025 Special Assessments will be collected pursuant to the Uniform Method. At such time as the Series 2025 Special Assessments are collected pursuant to the Uniform Method, the provisions described under this heading shall be come applicable. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2025 Special Assessments to be levied and then collected in this manner. See "Foreclosure" below with respect to collection of delinquent assessments not collected pursuant to the Uniform Method.

If the Uniform Method of collection is utilized, the Series 2025 Special Assessments will be collected together with County, special district, and other ad valorem taxes and non-ad valorem assessments, all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner within the District. The statutes relating to enforcement of ad valorem taxes and non-ad valorem assessments provide that such taxes and assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments (including the Series 2025 Special Assessments being collected by the Uniform Method) are to be billed, and landowners within the District are required to pay all such taxes and assessments, without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series

2025 Special Assessments. Upon any receipt of moneys by the Tax Collector from the Series 2025 Special Assessments, such moneys will be delivered to the District, which will remit such Series 2025 Special Assessments to the Trustee for deposit to the Series 2025 Revenue Account within the Revenue Fund, except that any Prepayments of Series 2025 Special Assessments shall be deposited to the Series 2025 Prepayment Subaccount within the Series 2025 Bond Redemption Account of the Bond Redemption Fund created under the Indenture and applied in accordance therewith.

All County, school and special district, including the District, ad valorem taxes, non-ad valorem special assessments, including the Series 2025 Special Assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on bonds, are payable at one time, except for partial payment schedules as may be provided by Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. In such cases, the Tax Collector does not accept such partial payment and the partial payment is returned to the taxpayer. Therefore, in the event the Series 2025 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2025 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2025 Bonds. See "BONDOWNERS' RISKS – Other Taxes and Assessments."

Under the Uniform Method, if the Series 2025 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid taxes and assessments become delinquent on April 1 of the year following assessment. The Tax Collector is required to collect the ad valorem taxes and non-ad valorem special assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such taxes and assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process.

Neither the District nor the Underwriter can give any assurance to the holders of the Series 2025 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2025 Special Assessments, (2) that landowners and taxpayers within the District will pay such Series 2025 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable parcels within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2025 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2025 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2025 Special Assessments due. In the event of a delinquency in the payment of taxes and assessments on real property, the landowner may, prior to the sale of tax certificates, pay the total amount of delinquent ad valorem taxes and non-ad valorem assessments plus the cost of advertising and the applicable interest charge on the amount of such delinquent taxes and assessments. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates on such property to the person who pays the delinquent taxes and assessments owing, penalties and interest thereon and certain costs, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%). Tax certificates are sold by public bid. If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest (currently 18%). The Tax Collector does not collect any money

if tax certificates are "struck off" (issued) to the County. The County may sell such certificates to the public at any time at the principal amount thereof plus interest at the rate of not more than 18% per annum and a fee. Proceeds from the sale of tax certificates are required to be used to pay taxes and assessments (including the Series 2025 Special Assessments), interest, costs and charges on the real property described in the certificate. The demand for such certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2025 Special Assessments, which are the primary source of payment of the Series 2025 Bonds. Legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates.

Unless full payment for a tax deed is made to the Clerk of Circuit Court, including documentary stamps and recording fees, any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued, and at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described in the preceding paragraph.

For any holder other than the County, a tax certificate expires seven (7) years after the date of issuance if a tax deed has not been applied for and no other administrative or legal proceeding, including a bankruptcy, has existed of record. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due. If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and the amount paid by such holder in applying for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, and all other amounts paid by such person in applying for a tax deed, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded

contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens, certain easements, and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the County may, at any time within ninety (90) days from the date of offering for public sale, purchase the land without further notice or advertising for a statutorily prescribed opening bid. After ninety (90) days have passed, any person or governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date of delinquency, unsold lands escheat to the County in which they are located and all tax certificates, accrued taxes, and liens of any nature against the property are canceled and a deed is executed vesting title in the governing board of such County.

#### **Foreclosure**

The following discussion regarding foreclosure is not applicable if the Series 2025 Special Assessments are being collected pursuant to the Uniform Method. In the event that the District itself directly levies and enforces, pursuant to Chapters 170 and 190, Florida Statutes, the collection of the Series 2025 Special Assessments levied on the land within the District, Chapter 170.10, Florida Statutes provides that upon the failure of any property owner to pay all or any part of the principal of a special assessment, including an Series 2025 Special Assessment, or the interest thereon, when due, the governing body of the entity levying the assessment is authorized to commence legal proceedings for the enforcement of the payment thereof, including commencement of an action in chancery, commencement of a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or commencement of an action under Chapter 173, Florida Statutes relating to foreclosure of municipal tax and special assessment liens. Such a proceeding is in rem, meaning that it is brought against the land not against the owner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2025 Special Assessments and the ability to foreclose the lien of such Series 2025 Special Assessments upon the failure to pay such Series 2025 Special Assessments may not be readily available or may be limited as such enforcement is dependent upon judicial action which is often subject to discretion and delay.

### **BONDOWNERS' RISKS**

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described in other headings of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2025 Bonds offered hereby and are set forth below. Prospective investors in the Series 2025 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2025 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2025 Bonds, and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2025 Bonds.

### **Concentration of Land Ownership**

As of the date hereof, the Primary Landowners own the majority of the assessable lands within the District, which are the lands that will be subject to the Series 2025 Special Assessments securing the Series 2025 Bonds. Payment of the Series 2025 Special Assessments is primarily dependent upon their timely payment by the Primary Landowners and the other landowners in the District. Non-payment of the Series 2025 Special Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay debt service on the Series 2025 Bonds. See "THE DEVELOPMENT MANAGER AND THE LAND BANK" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS" herein.

# **Bankruptcy and Related Risks**

In the event of the institution of bankruptcy or similar proceedings with respect to the Primary Landowners or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2025 Bonds, as such bankruptcy could negatively impact the ability of: (i) the Primary Landowners and any other landowner to pay the Series 2025 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2025 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2025 Special Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2025 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2025 Bonds, including, without limitation, enforcement of the obligation to pay Series 2025 Special Assessments and the ability of the District to foreclose the lien of the Series 2025 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2025 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2025 Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was placed on the debtor landowners' payment of special assessments. As a result of this non-payment of assessments, debt service payments on the district's bonds were delayed for two years or longer. The Master Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an "Insolvent Taxpayer" (as previously defined). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Indenture Provisions Relating to Bankruptcy or Insolvency of a Landowner" herein. The District cannot express any view whether such delegation would be enforceable.

# Series 2025 Special Assessments Are Non-Recourse

The principal security for the payment of the principal and interest on the Series 2025 Bonds is the timely collection of the Series 2025 Special Assessments. The Series 2025 Special Assessments do not

constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Primary Landowners or any other landowners will be able to pay the Series 2025 Special Assessments or that they will pay such Series 2025 Special Assessments even though financially able to do so. Neither the Primary Landowners nor any other landowners have any personal obligation to pay the Series 2025 Special Assessments. Neither the Primary Landowners nor any other landowners are guarantors of payment of any Series 2025 Special Assessments, and the recourse for the failure of the Primary Landowners or any other landowner to pay the Series 2025 Special Assessments is limited to the collection proceedings against the land subject to such unpaid Series 2025 Special Assessments, as described herein. Therefore the likelihood of collection of the Series 2025 Special Assessments may ultimately depend on the market value of the land subject to the Series 2025 Special Assessments. While the ability of the Primary Landowners and other landowners to pay the Series 2025 Special Assessments is a relevant factor, the willingness of the Primary Landowners and other landowners to pay the Series 2025 Special Assessments, which may also be affected by the value of the land subject to the Series 2025 Special Assessments, is also an important factor in the collection of Series 2025 Special Assessments. The failure of the Primary Landowners or any other landowners to pay the Series 2025 Special Assessments could render the District unable to collect delinquent Series 2025 Special Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2025 Bonds.

# **Regulatory and Environmental Risks**

The development of the District Lands is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals" herein for more information.

The value of the land within the District, the success of the Development, the development of the District and the likelihood of timely payment of principal and interest on the Series 2025 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Series 2025 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT - Environmental" for information on environmental site assessments obtained or received. Such information is being provided solely for informational purposes, and nothing herein or in such assessments grants any legal rights or remedies in favor of the Series 2025 Bondholders in the event any recognized environmental conditions are later found to be present on District Lands. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the lands in the District.

The value of the lands subject to the Series 2025 Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the

District, such catastrophic events could potentially render the District Lands unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2025 Bonds. The Series 2025 Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

# **Economic Conditions and Changes in Development Plans**

The successful development of the District and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, changes in federal economic or trade policies, changes in impact or other fees, fluctuations in the real estate market and other factors beyond the control of the Primary Landowners. Moreover, the Developer has the right to modify or change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

### Other Taxes and Assessments

The willingness and/or ability of an owner of benefited land to pay the Series 2025 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2025 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2025 Special Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2025 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2025 Special Assessment, even though the landowner is not contesting the amount of the Series 2025 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

### **Limited Secondary Market for Series 2025 Bonds**

The Series 2025 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2025 Bonds in the event an Owner thereof determines to solicit purchasers for the Series 2025 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2025 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2025 Bonds, depending on the progress of development of the

Development and the lands within the District, as applicable, existing real estate and financial market conditions and other factors.

# **Inadequacy of Reserve Account**

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Series 2025 Special Assessments, may not adversely affect the timely payment of debt service on the Series 2025 Bonds because of the moneys on deposit in the Series 2025 Reserve Account. The ability of the moneys on deposit in the Series 2025 Reserve Account to fund deficiencies caused by delinquencies in the payment of the Series 2025 Special Assessments is dependent on the amount, duration and frequency of such deficiencies, as well as the amount of money then on deposit in the Series 2025 Reserve Account, which is subject to release and recalculation based on the provisions set forth in the First Supplemental Indenture. Moneys on deposit in the Series 2025 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in the Series 2025 Reserve Account to make up deficiencies. If the District has difficulty in collecting the Series 2025 Special Assessments, the moneys on deposit in the Series 2025 Reserve Account would be rapidly depleted and the ability of the District to pay debt service on the Series 2025 Bonds could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2025 Reserve Account and such other Funds, Accounts and subaccounts created under the Master Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2025 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2025 Special Assessments in order to provide for the replenishment of the Series 2025 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Series 2025 Reserve Account" herein for more information about the Series 2025 Reserve Account.

# **Legal Delays**

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2025 Special Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the Series 2025 Bonds to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Internal Revenue Code of 1986, as amended (the "Code"), there are limitations on the amounts of proceeds from the Series 2025 Bonds that can be used for such purpose.

#### **IRS Examination and Audit Risk**

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the

further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations required that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by the landowners and none were elected by qualified electors. The Development Manager will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act. Such certification by the Development Manager does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2025 Bonds will not be commenced. The District has no reason to believe that any

such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Series 2025 Bonds are advised that, if the IRS does audit the Series 2025 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2025 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2025 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2025 Bonds would adversely affect the availability of any secondary market for the Series 2025 Bonds. Should interest on the Series 2025 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2025 Bonds be required to pay income taxes on the interest received on such Series 2025 Bonds and related penalties, but because the interest rate on such Series 2025 Bonds will not be adequate to compensate Owners of the Series 2025 Bonds for the income taxes due on such interest, the value of the Series 2025 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE SERIES 2025 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2025 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2025 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2025 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2025 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

### **Loss of Exemption from Securities Registration**

The Series 2025 Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for securities issued by political subdivisions. It is possible that federal or state regulatory authorities could in the future determine that the District is not a political subdivision for purposes of federal and state securities laws, including without limitation as the result of a determination by the IRS, judicial or otherwise, of the District's status for purposes of the Code. In such event, the District and purchasers of Series 2025 Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Series 2025 Bonds would need to ensure that subsequent transfers of the Series 2025 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

#### **Federal Tax Reform**

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2025 Bonds, by eliminating or changing the tax-exempt status of interest on such bonds. Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2025 Bonds cannot be predicted. However, it is

possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS" herein.

#### **State Tax Reform**

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2025 Bonds. It should be noted that Section 190.016(14) of the Act provides in pertinent part that "[t]he state pledges to the holders of any bonds issued under this act that it will not limit or alter the rights of the district to ... levy and collect the ... assessments ... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not in any way impair the rights or remedies of such holders."

## **Insufficient Resources or Other Factors Causing Failure to Complete Development**

The cost to finish the 2025 Project will exceed the net proceeds from the Series 2025 Bonds. There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the 2025 Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the 2025 Project. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Additional Obligations" for more information.

Given the status of development, the Development Manager will not be entering into a completion agreement. There are no assurances that the 2025 Project and any other remaining development work associated with the District will be completed. Further, there is a possibility that, even if the District is developed, there are no assurances that all of the planned homes will be constructed and sold within the District. See "THE DEVELOPMENT MANAGER AND THE LAND BANK" herein for more information.

#### **Pandemics and Other Public Health Emergencies**

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Primary Landowners, the timely and successful completion of the Development, and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also "Economic Conditions and Changes in Development Plans" and "Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

#### **Cybersecurity**

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational

disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2025 Bonds.

#### **Prepayment and Redemption Risk**

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2025 Bonds are subject to extraordinary mandatory redemption, including, without limitation, as a result of prepayments of the Series 2025 Special Assessments by the Primary Landowners or other owners of the property within the District. Any such redemptions of the Series 2025 Bonds would be at the principal amount of such Series 2025 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2025 Bonds may not realize their anticipated rate of return on the Series 2025 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2025 Bonds. See "DESCRIPTION OF THE SERIES 2025 BONDS – Redemption Provisions," "– Purchase of Series 2025 Bonds" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2025 BONDS – Prepayment of Series 2025 Special Assessments" herein for more information

## Payment of Series 2025 Special Assessments after Bank Foreclosure

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2025 Special Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

#### THE DISTRICT

## **General Information**

The District was established by Ordinance No. 25-07 of the Board of County Commissioners of the County enacted on January 14, 2025, and effective on January 17, 2025, as amended by Ordinance No. 25-40 enacted on September 16, 2025, and effective on September 17, 2025 (collectively, the "Ordinance"), under the provisions of the Act. The District encompasses approximately 258 acres of land (the "District Lands") and is located in the New Port Richey region of unincorporated Pasco County straddling Little Road, south of Dusty Lane, and north of Lindy Lane. The District anticipates adding approximately lands in the Master Development to the District in the future; provided, however, any such lands will not be subject to the Series 2025 Special Assessments. See "THE DEVELOPMENT" herein for more information.

#### **Legal Powers and Authority**

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter. The District is classified as an independent district under Chapter 189, Florida Statutes.

Among other provisions, the Act gives the District's Board of Supervisors (the "Board") the authority to, among other things, (a) plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; and (iv) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits; these functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any bondholders to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2025 Bonds.

#### **Board of Supervisors**

The Act provides that a five-member Board serves as the governing body of the District. Members of the Board (the "Supervisors") must be residents of the State and citizens of the United States. Initially, the Supervisors were appointed in the Ordinance. Within 90 days after formation of the District, an election was held pursuant to which new Supervisors were elected on an at-large basis by the owners of the property within the District. Ownership of land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number). A Supervisor serves until expiration of his or her term and until his or her successor is chosen and qualified. If, during a term of office, a vacancy occurs, the remaining Supervisors may fill the vacancy by an appointment of an interim Supervisor for the remainder of the unexpired term.

The landowners in the District elect two Supervisors to four-year terms and three Supervisors to two-year terms at bi-annual elections. Thereafter, the elections will take place every two years on a date in November established by the Board. Upon the later of six years after the initial appointment of Supervisors and the year when the District next attains at least 250 qualified electors, Supervisors whose terms are expiring will begin to be elected (as their terms expire) by qualified electors of the District. A qualified elector is a registered voter who is at least 18 years of age, a resident of the District and the State and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, each elected to four-year terms. The seat of the remaining Supervisor whose term is expiring at such election shall be filled by a Supervisor who is elected by the landowners for a four-year term and who is not required to be a qualified elector. Thereafter, as terms expire, all Supervisors must be qualified electors and must be elected by qualified electors to serve staggered four-year terms.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

#### ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS

Rizzetta & Company, Incorporated (the "Methodology Consultant"), has prepared the Master Special Assessment Allocation Report dated March 11, 2025 (the "Master Assessment Methodology Report"), as supplemented by the Preliminary Supplemental Special Assessment Allocation Report dated November 11, 2025 (the "Supplemental Assessment Report" and, together with the Master Assessment Methodology Report, the "Assessment Methodology"). The Assessment Methodology is included herein as Appendix D and sets forth an overall method for allocating the Series 2025 Special Assessments to be levied against the lands within the District benefited by the 2025 Project and collected by the District as a result thereof. Once the final terms of the Series 2025 Bonds are determined, the Supplemental Assessment Report will be revised to reflect such final terms. Once levied and imposed, the Series 2025 Special Assessments are a first lien on the land against which assessed until paid or barred by operation of law, coequal with other taxes and assessments levied by the District, including the operation and maintenance assessments, and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

As set forth in the Assessment Methodology, the Series 2025 Special Assessments initially will be levied on the 520 lots currently platted within the District along with the remaining assessable acres within the current boundary of the District, which are planned for an additional 170 lots. The Series 2025 Special Assessments will be assigned to the remaining lots on a first platted, first assigned basis. Assuming that all of the 690 residential units are developed and platted, then the Series 2025 Special Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See "APPENDIX D: Assessment Methodology" herein:

Product Type	Number of Units	Estimated Annual Series 2025 Assessments Per Unit*	Estimated Series 2025 Bonds Par Debt Per Unit*
Townhome 25'	16	\$ 864	\$11,809
Single-Family 32'	13	1,106	15,115
Single-Family 40'	139	1,383	18,894
Single-Family 50'	43	1,729	23,618
Villa 28' (Active Adult)	112	951	12,990
Single-Family 50'(Active Adult)	241	1,729	23,618
Single-Family 60' (Active Adult)	<u>126</u>	2,074	28,341
	690		

<sup>\*</sup> Preliminary, subject to change. Annual assessment levels shown have been grossed up to account for early payment discounts and County collection fees for when assessments are collected via the Uniform Method.

The District anticipates levying operation and maintenance assessments which are currently estimated to be approximately \$708 per townhome residential unit, \$906 per 32' residential unit, \$1,132 per 40' residential unit, \$1,415 per 50' residential unit, \$778 per villa active adult residential unit, \$\$1,415 per 50' active adult residential unit annually, which amount is subject to change. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The County and the School Board of Pasco County each levy ad valorem taxes annually upon the land in the District. Voters may approve additional millages levied for general obligation bonds, as to which no limit applies. The total millage rate in the District in 2025 was approximately 16.8169 mills, which is subject to change in future tax years. These taxes will be payable in addition to the Series 2025 Special Assessments and other assessments levied by the District. The District has no control over the level of ad valorem taxes and/or special assessments

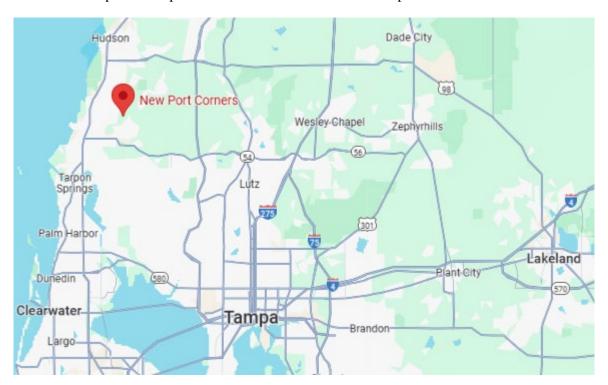

levied by other taxing authorities. It is possible that in future years, taxes levied by these other entities could be substantially higher than in the current year. See "BONDOWNERS RISKS" and "THE DEVELOPMENT – Taxes, Fees and Assessments" for more information, including proposed associations' assessments.

#### **Development Plan and Status**

Land development associated with the Development is being completed in multiple phases.

<u>Phase 1A</u>. Phase 1A is planned for 211 lots, which were platted in April 2025. Development of Phase 1A is complete.

<u>Phase 1B.</u> Phase 1B is planned for 479 lots. The 148 lots in Phase 1B-1, 117 lots in Phase 1B-2 and 44 lots in Phase 1B-5 were platted in April 2025, August 2025 and October 2025, respectively, and development is complete for such 309 lots. Plats for the 67 lots in Phase 1B-3 and 103 lots in Phase 1B-4 are expected to be recorded in December 2025 and May 2026, respectively. The development of Phase 1B-3 is substantially complete, and the development of Phase 1B-4 is expected to be substantially complete in January 2026.

The Development Manager anticipates that approximately 150 homes will close with homebuyers per annum until buildout, which is expected by 2028. This anticipated absorption is based upon estimates and assumptions made by the Development Manager that are inherently uncertain, though considered reasonable by the Development Manager, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Development Manager. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

Construction of the Main Amenity began in April 2025 and is expected to be completed by Fall 2026 at a total approximate cost of \$5.8 million.

The age-restricted portion of the Development (Phase 1B) is expected to contain a separate community site which is planned to include an approximately 8,500 square foot clubhouse, large pool with lap lanes, pickleball courts, large breed and small breed dog parks, bocce ball courts, yoga lawn, and oversized pool deck area (collectively, the "Active Adult Amenity"). The Active Adult Amenity is owned by an affiliate of the Development Manager. #### Taxes, Fees and Assessments

As set forth in the Assessment Methodology, the Series 2025 Special Assessments initially will be levied on the 520 lots currently platted within the District along with the remaining assessable acres within the current boundary of the District, which are planned for an additional 170 lots. The Series 2025 Special Assessments will be assigned to the remaining lots on a first platted, first assigned basis. Assuming that all of the 690 residential units are developed and platted, then the Series 2025 Special Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See "APPENDIX D: Assessment Methodology" herein:

Product Type	Number of Units	Estimated Annual Series 2025 Assessments Per Unit*	Estimated Series 2025 Bonds Par Debt Per Unit*
Townhome 25'	16	\$ 864	\$11,809
Single-Family 32'	13	1,106	15,115

<sup>\*</sup> Preliminary, subject to change. Annual assessment levels shown have been grossed up to account for early payment discounts and County collection fees for when assessments are collected via the Uniform Method.

The District anticipates levying assessments to cover its operation and maintenance costs that will be approximately \$708 per townhome residential unit, \$906 per 32' residential unit, \$1,132 per 40' residential unit, \$1,415 per 50' residential unit, \$778 per villa active adult residential unit, \$1,415 per 50' active adult residential unit, and \$1,698 per 60' active adult residential unit annually, which amounts are subject to change. In addition, residents will be required to pay homeowners association fees which currently are estimated initially to be approximately \$61 per residential unit monthly and amenity fees which are currently estimated initially to be approximately \$88 per traditional residential unit monthly and \$125 per active adult residential unit monthly, which amounts are subject to change. The land within the District has been and is expected to continue to be subject to taxes and assessments imposed by taxing authorities other than the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Pasco County, Florida each levy ad valorem taxes upon the land in the District. The total millage rate in the District in 2025 was approximately 16.8169 mills. These taxes would be payable in addition to the Series 2025 Special Assessments and any other assessments levied by the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

#### Education

The public schools for children residing in Phase 1A of the Development are expected to be Deer Park Elementary School, River Ridge Middle School, and River Ridge High School, which are located approximately 1.5 miles, 3.5 miles, and 3.5 miles from the Development, respectively, and which were rated A, B and A, respectively, by the Florida Department of Education in 2025. from the Development, respectively, and which were rated C, D and C, respectively, by the Florida Department of Education in 2025. The Pasco County School Board may change school boundaries from time to time, and there is no requirement that students residing in the Development attend the schools which are closest to the Development.

#### Competition

Due to their proximity to the Development, price ranges and product types, the Development Manager believes the following communities will pose the primary competition to the Development: Deerbrook, Angeline, Angeline Elevations, Connerton Elevations, Primrose at Longleaf for Phase 1A and Angeline Active Adult, River Reserve Active Adult and Esplanade at Wiregrass Ranch Active Adult for Phase 1B. The information under this heading does not purport to summarize all of the exiting or planned communities in the area of the Development, but rather those that the Development Manager feels pose primary competition to the Development.

Cal Hearthstone Lot Option Pool 01, L.P., a Delaware limited partnership (the "Phase 1A Land Bank") and Cal Hearthstone Lot Option Pool 03, L.P., a Delaware limited partnership (the "Phase 1B Land Bank" and together with the Phase 1A Land Bank, the "Land Bank"), are each special-purpose entities, comprised of multiple investors, whose respective managing member through a chain of ownership is Hearthstone Professionals – CS, L.P., a limited partnership ("Hearthstone"). #### TAX MATTERS

#### General

The Internal Revenue Code of 1986, as amended (the "Code"), includes requirements that the District must continue to meet after the issuance of the Series 2025 Bonds in order that the interest on the Series 2025 Bonds be and remain excludable from gross income for federal income tax purposes. The District's failure to meet these requirements may cause the interest on the Series 2025 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2025 Bonds. The District has covenanted in the Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2025 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications and continuing compliance by the District and the Development Manager with the tax covenants referred to above, under existing statutes, regulations, rulings, and court decisions, the interest on the Series 2025 Bonds is excludable from gross income of the holders thereof for federal income tax purposes; and, further, interest on the Series 2025 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2025 Bonds is not excluded from the determination of adjusted financial statement income. Bond Counsel is further of the opinion that the Series 2025 Bonds and the interest thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income, or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should consult their own tax advisors as to the status of interest on the Series 2025 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2025 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Development Manager, and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2025 Bonds will be and will remain obligations the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other consequences regarding the Series 2025 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2025 Bonds, or the ownership or disposition of the Series 2025 Bonds. Prospective purchasers of Series 2025 Bonds should be aware that the ownership of Series 2025 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2025 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2025 Bonds, (iii) the inclusion of the interest on the Series 2025 Bonds in the earnings of certain foreign corporations doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the

Series 2025 Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Series 2025 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Series 2025 Bonds generally must be taken into account when computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt of certain investment income, including interest on the Series 2025 Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2025 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

## **Original Issue Discount and Premium**

Certain of the Series 2025 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (*i.e.*, for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2025 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale, or other disposition of that Discount Bond.

Certain of the Series 2025 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity), or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

#### **Changes in Federal and State Tax Law**

From time to time, there are legislative proposals suggested, debated, introduced, or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Series 2025 Bonds, or adversely affect the market price or marketability of the Series 2025 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2025 Bonds. Prospective purchasers of the Series 2025 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

## **Information Reporting and Backup Withholding**

Interest paid on tax-exempt bonds such as the Series 2025 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2025 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2025 Bonds, under certain circumstances, to "backup withholding" at the rates set forth in the Code, with respect to payments on the Series 2025 Bonds and proceeds from the sale of Series 2025 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2025 Bonds. This withholding generally applies if the owner of Series 2025 Bonds (i) fails to furnish the payor such owner's social security number or other taxpayer identification number ("TIN"), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other "reportable payments" as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner's securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2025 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

#### AGREEMENT BY THE STATE

Under the Act, the State pledges to the holders of any bonds issued thereunder, including the Series 2025 Bonds, that it will not limit or alter the rights of the issuer of such bonds, including the District, to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects, including the portion of the 2025 Project funded by the Series 2025 Bonds, subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

#### LEGALITY FOR INVESTMENT

The Act provides that bonds issued by community development districts are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other

political subdivision of the State, and constitute securities that may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

#### SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2025 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, as amended, and the rules of the Florida Department of Financial Services promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2025 Bonds. Investment in the Series 2025 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum, and, if given or made, such other information or representations must not be relied upon as having been authorized by either of the foregoing.

#### **ENFORCEABILITY OF REMEDIES**

The remedies available to the owners of each Series of the Series 2025 Bonds upon an Event of Default under the Master Indenture are in many respects dependent upon judicial actions, which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2025 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of each Series of the Series 2025 Bonds will be qualified, as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors and enacted before or after such delivery.

#### LITIGATION

#### **The District**

There is no litigation of any nature now pending or, to the knowledge of the District, threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2025 Bonds, or in any way contesting or affecting (i) the validity of the Series 2025 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2025 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

#### **The Development Manager**

The Development Manager will represent prior to the delivery of the Series 2025 Bonds that there is no litigation of any nature now pending or, to the knowledge of the Development Manager, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the 2025 Project and the development of the District Lands as described herein, materially and adversely affect the ability of the Development Manager to pay the Series 2025 Special Assessments imposed against the land within the District owned or under contract by the Development Manager.

#### The Land Bank

The Land Bank will represent prior to the delivery of the Series 2025 Bonds that there is no litigation of any nature now pending or, to the knowledge of the Land Bank, threatened, which could

reasonably be expected to materially and adversely affect the ability of the Land Bank to pay the Series 2025 Special Assessments imposed against the land within the District owned by the Land Bank.

#### **CONTINGENT FEES**

The District has retained Bond Counsel, District Counsel, the Consulting Engineer, the District Manager/Methodology Consultant, the Underwriter (who has retained Underwriter's Counsel) and the Trustee (which has retained Trustee's counsel), with respect to the authorization, sale, execution and delivery of the Series 2025 Bonds. Except for the payment of certain fees to District Counsel, the Consulting Engineer and the District Manager, the payment of fees of the other professionals is each contingent upon the issuance of the Series 2025 Bonds.

#### **NO RATING**

No application for a rating for the Series 2025 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2025 Bonds would have been obtained if application had been made.

#### **EXPERTS**

The Engineer's Report included in APPENDIX C to this Limited Offering Memorandum has been prepared by Clearview Land Design, P.L., Tampa, Florida, the District Engineer. APPENDIX C should be read in its entirety for complete information with respect to the subjects discussed therein. Rizzetta & Company, Incorporated, Tampa, Florida, as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX D attached hereto. APPENDIX D should be read in its entirety for complete information with respect to the subjects discussed therein. As a condition to closing on the Series 2025 Bonds, both the District Engineer and the Methodology Consultant will consent to the inclusion of their reports in this Limited Offering Memorandum.

#### FINANCIAL INFORMATION

This District will covenant in a Disclosure Agreement (as defined herein), the proposed form of which is set forth in APPENDIX E attached hereto, to provide its annual audited financial statements to certain information repositories as described in APPENDIX E, commencing with the audit for the District fiscal year ending September 30, 2026. The District does not yet have audited financial statements because the District was recently formed and has not yet met the threshold under State law requiring an audit. Attached hereto as APPENDIX F are the District's unaudited monthly financial statements for the period ended August 31, 2025. The Series 2025 Bonds are not general obligation bonds of the District and are payable solely from the Series 2025 Pledged Revenues.

After the end of the first full fiscal year after its creation, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S., including, without limitation, the district's proposed and final budgets and audit. Additional information regarding the District's website is available from the District Manager at the address set forth under "THE DISTRICT – The District Manager and Other Consultants."

## DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including

bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private business). The District has not previously issued any debt obligations and, therefore, is not and has never been in default on any bonds or other debt obligations since December 31, 1975.

#### CONTINUING DISCLOSURE

The District and the Primary Landowners will enter into a Continuing Disclosure Agreement (the "Disclosure Agreement"), the proposed form of which is set forth in APPENDIX E, for the benefit of the Series 2025 Bondholders (including owners of beneficial interests in such Bonds) to provide certain financial information and operating data relating to the District and the Development and disclosure of certain enumerated material events by certain dates prescribed in the Disclosure Agreement (the "Reports") with the Municipal Securities Rulemaking Board ("MSRB") through the MSRB's Electronic Municipal Market Access system ("EMMA"). The specific nature of the information to be contained in the Reports is set forth in "APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District or the Primary Landowners to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2025 Bondholders (including owners of beneficial interests in such Bonds) to bring an action for specific performance.

The District has not previously issued any bonds and has not previously entered into any continuing disclosure obligations pursuant to Rule 15c2-12, promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"). The District anticipates satisfying all future disclosure obligations required pursuant to its Disclosure Agreement and the Rule. The District will appoint the District Manager as the dissemination agent in the Disclosure Agreement and anticipates satisfying all future disclosure obligations required pursuant to the Disclosure Agreement.

The Development Manager has entered into previous written agreements in connection with the Rule with respect to bonds issued by other community development districts. A review of filings made pursuant to such prior undertakings indicates that certain filings required to be made by the Development Manager were not timely filed and that notice of such late filings was not always provided. The Development Manager anticipates satisfying all future disclosure obligations required pursuant to the Disclosure Agreement and the Rule.

The Phase 1A Land Bank has not previously entered into any continuing disclosure obligations pursuant to the Rule. The Phase 1B Land Bank has previously entered into a continuing disclosure obligation pursuant to the Rule with respect to another community development district. A review of filings made pursuant to such prior undertaking included incorrect information and notice of such failure was not provided; however, the Phase 1B Land Bank is no longer required to file under such prior undertaking. The Phase 1A Land Bank and the Phase 1B Land Bank anticipate satisfying all disclosure obligations required pursuant to the Disclosure Agreement.

#### **UNDERWRITING**

FMSbonds, Inc. (the "Underwriter") has agreed, pursuant to a contract with the District, subject to certain conditions, to purchase the Series 2025 Bonds from the District at a purchase price of \$\_\_\_\_\_\_ (representing the par amount of the Series 2025 Bonds [plus/less an original issue premium/discount of \$\_\_\_\_\_ and] an Underwriter's discount of \$\_\_\_\_\_\_). The Underwriter's obligations are subject to certain conditions precedent and, upon satisfaction or waiver of such conditions, the Underwriter will be obligated to purchase all of the Series 2025 Bonds if any are purchased.

The Series 2025 Bonds may be offered and sold to certain dealers, banks and others at prices lower than the initial offering prices, and such initial offering prices may be changed from time to time by the Underwriter.

#### VALIDATION

Bonds issued pursuant to the terms of the Master Indenture have been validated by a judgment of the Circuit Court of the Sixth Judicial Circuit Court of Florida in and for Pasco and Pinellas Counties, Florida, rendered on March 31, 2025. The period of time during which an appeal can be taken from such judgment has expired without an appeal having been taken.

#### **LEGAL MATTERS**

Certain legal matters related to the authorization, sale and delivery of the Series 2025 Bonds are subject to the approval of Greenberg Traurig, P.A., West Palm Beach, Florida, Bond Counsel. Certain legal matters will be passed upon for the District by its counsel Straley Robin Vericker P.A., Tampa, Florida, for the Development Manager by its counsel Stearns Weaver Miller Weissler Alhadeff & Sitterson, P.A., Tampa, Florida, for the Land Bank by their counsel Lewis, Longman & Walker, P.A., West Palm Beach, Florida, and for the Underwriter by it counsel, GrayRobinson, P.A., Tampa, Florida. Greenberg Traurig, P.A., has represented and continues to represent the Development Manager on unrelated matters.

Bond Counsel's opinion included herein is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date hereof. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and is not binding on the Internal Revenue Service or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

## **MISCELLANEOUS**

Any statements made in this Limited Offering Memorandum involving matters of opinion or estimates, whether or not expressly so stated, are set forth as such and not as representations of fact, and no representations are made that any of the estimates will be realized.

The references herein to the Series 2025 Bonds and other documents referred to herein are brief summaries of certain provisions thereof. Such summaries do not purport to be complete and reference is made to such documents for full and complete statements of such provisions.

This Limited Offering Memorandum is not to be construed as a contract with the purchaser or the Beneficial Owners of any of the Series 2025 Bonds.

The Issuer hereby covenants that it shall levy Special Assessments, and, unless provided otherwise with respect to a Series of Bonds, evidence and certify the same to the Tax Collector or shall cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer, pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable, to the extent and in the amount necessary to pay the Debt Service Requirement on Bonds issued and Outstanding hereunder.

The Issuer shall pay to the Trustee for deposit in the Series Account of the Revenue Fund established under Section 6.03 hereof all Special Assessments received by the Issuer from the levy thereof on the District Lands subject to assessments for the payment of the related Series of Bonds; provided, however, that amounts received as Prepayments of Special Assessments shall be deposited directly into the applicable Series Account within the Bond Redemption Fund established hereunder or in any account thereof established pursuant to the applicable Supplemental Indenture. The Issuer shall notify the Trustee in writing at the time of deposit of any amounts received as Prepayments of Special Assessments and shall identify the related Series of Bonds. There are hereby pledged for the payment of the principal or Redemption Price of and interest on all Bonds of each Series issued and Outstanding under the Indenture and all reimbursements due to any Credit Facility Issuer for any drawing with respect to such Series of Bonds on its Credit Facility, including, without limitation, interest thereon, as required under the terms of the applicable Credit Facility Agreement, the Pledged Revenues; provided, however, that unless otherwise specifically provided herein or in a Supplemental Indenture relating to a Series of Bonds with respect to the Pledged Revenues securing such Series of Bonds, the Pledged Revenues securing a Series of Bonds shall secure only such Series of Bonds and Bonds issued on a parity therewith and shall not secure any other Bonds or Series of Bonds. The Pledged Revenues shall immediately be subject to the lien and pledge of the Indenture without any physical delivery hereof or further act; provided, however, that the lien and pledge of the Indenture shall not apply to any moneys transferred by the Trustee to the Rebate Fund. The foregoing notwithstanding to the extent provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, such Series of Bonds may be made payable from and secured by less than all of the Pledged Revenues, and any one or more of the provisions of this Master Indenture may be made inapplicable to such Series of Bonds, all as more specifically provided in the corresponding Supplemental Indenture; provided, however, that any such provisions shall apply only to the particular Series of Bonds authorized by such Supplemental Indenture and shall not affect in any manner whatsoever any Outstanding Series of Bonds.

SECTION 6.02. Funds and Accounts Relating to the Bonds. The Funds and Accounts specified in this Article VI shall be established under this Master Indenture and each Supplemental Indenture pursuant to which a Series of Bonds is issued for the benefit of the specific

Series of Bonds and any Series issued on a parity therewith and, unless expressly otherwise provided in said Supplemental Indenture, shall not apply to Bonds Outstanding hereunder issued under any other indenture supplemental hereto or if separately secured by separate Special Assessments. Unless provided otherwise by Supplemental Indenture, all moneys, including, without limitation, proceeds of a Series of Bonds, on deposit to the credit of the Funds and Accounts established hereunder and under a Supplemental Indenture (except for moneys transferred to the Rebate Fund) shall be pledged to the payment of the principal, redemption or purchase price of (as the case may be) and interest on the Series of Bonds issued hereunder and under such Supplemental Indenture, and any Series issued on a parity therewith.

The Trustee at all times shall make available to any Paying Agent the funds in the Series Principal Account and the Series Interest Account of the Debt Service Fund to pay the principal of the applicable Series of Bonds as they mature upon surrender thereof and the interest on the applicable Series of Bonds as it becomes payable, respectively. When a Series of Bonds is redeemed, the amount, if any, in the Series Interest Account in the Debt Service Fund representing interest thereon shall be applied to the payment of accrued interest in connection with such redemption.

The Trustee shall apply moneys in the Series Sinking Fund Account in the Debt Service Fund for purchase or redemption of the applicable Series of Bonds in amounts and maturities set forth in the Supplemental Indenture. Whenever Bonds of a Series are to be purchased out of such Series Sinking Fund Account, if the Issuer shall notify the Trustee that the Issuer wishes to arrange for such purchase, the Trustee shall comply with the Issuer's arrangements provided they conform to the Indenture.

Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, purchases and redemptions out of the Series Sinking Fund Account shall be made as follows:

At the written direction of the Issuer, the Trustee shall apply moneys from time to time available in the applicable Sinking Fund Account to the purchase of Bonds of the applicable Series which are subject to mandatory sinking fund redemption in the aforesaid years, at prices not higher than the principal amount thereof, in lieu of redemption as aforesaid, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given. In the event of purchases at less than the principal amount thereof, the difference between the amount in the Sinking Fund Account representing the principal amount of the Bonds so purchased and the purchase price thereof (exclusive of accrued interest) shall be transferred to the related Interest Account of the Debt Service Fund.

(b) Accrued interest on purchased Bonds of a Series shall be paid from the related Series Interest Account of the Debt Service Fund.

(c) In lieu of paying the Debt Service Requirements necessary to allow any mandatory redemption of Bonds of a Series from the related Series Sinking Fund Account, the Issuer may present to the Trustee Bonds of such Series purchased by the Issuer pursuant to subparagraph (a) above and furnished for such purposes; provided, however, that no Bonds of such

Notwithstanding the foregoing, if pursuant to any Arbitrage Certificate it is necessary to make a deposit in the Rebate Fund, the Issuer shall direct the Trustee to make such deposit thereto. Prepayments pledged to a particular Series of Bonds shall be deposited directly into the applicable Series prepayment subaccount of the Bond Redemption Fund as provided herein.

Any Bond so purchased shall be presented to the Trustee for cancellation. In such event, the Debt Service Requirements with respect to the Bonds of a Series for the period in which the purchased Bonds are presented to the Trustee shall, for all purposes hereunder, be reduced by an amount equal to the aggregate principal amount of any such Bonds so presented.

SECTION 6.05. Debt Service Reserve Fund. The Trustee is hereby authorized and directed to establish a Debt Service Reserve Fund and, if applicable, pursuant to a Supplemental Indenture a Series Account for each Series of Bonds issued hereunder. The Debt Service Reserve Fund and each Series Account therein shall be held by the Trustee solely for the benefit of each related Series of Bonds or sub-Series, as determined by the applicable Supplemental Indenture; provided, however, that notwithstanding anything to the contrary contained in this Master Indenture, the Supplemental Indenture authorizing the issuance of a Series of Bonds may provide that the Debt Service Reserve Fund is not applicable and no account therein shall secure such Series of Bonds. The Debt Service Reserve Fund and each Series Account therein shall constitute an irrevocable trust fund to be applied solely as set forth herein and shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, on the date of issuance and delivery of a Series of Bonds an amount of Bond proceeds or equity equal to the Debt Service Reserve Requirement in respect of such Series of Bonds, calculated as of the date of issuance and delivery of such Series of Bonds, shall be deposited in the related Series Account of the Debt Service Reserve Fund. Otherwise, earnings on investments in each Series Account of the Debt Service Reserve Fund shall be retained therein until applied as set forth herein. If made applicable in a Supplemental Indenture, in the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement as a result of an optional prepayment by the owner of a lot or parcel of land of Special Assessments against such lot or parcel or a mandatory true-up payment, which Special Assessments are pledged for the payment and security of such Series of Bonds, the excess amount shall, as directed by the Issuer to the Trustee, be transferred from the Series Account or subaccount of the Debt Service Reserve Fund to the applicable Series Account of the Bond Redemption Fund established for such Series of Bonds and shall constitute a credit against such optional prepayment or true-up payment. If made applicable in the Supplemental Indenture with respect to a Series of Bonds, in the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement for any other reason, the excess amount shall, as directed by the terms of the applicable Supplemental Indenture, either be transferred from the Series Account

of the Debt Service Reserve Fund to the applicable Series Account or subaccount of the Bond Redemption Fund.

Whenever for any reason on an Interest Payment Date, principal payment date or mandatory redemption date with respect to a related Series of Bonds secured by a Series Account of the Debt Service Reserve Fund the amount in the related Series Interest Account, the related Series Principal Account or the related Series Sinking Fund Account, as the case may be, is insufficient to pay all amounts payable on such Series of Bonds therefrom on such payment dates, the Trustee shall, without further instructions, but subject to contary direction by the Majority Holders of the Bonds to which such Series Account of the Debt Service Reserve Fund relates, transfer the amount of any such deficiency from the related Series Account of the Debt Service Reserve Fund into the related Series Interest Account, the related Series Principal Account and the related Series Sinking Fund Account, as the case may be, with priority to the related Series Interest Account and then, proportionately according to the respective deficiencies therein, to the related Series Principal Account and the related Series Sinking Fund Account, to be applied to pay the Series of Bonds secured by the Series Account of the Debt Service Reserve Fund.

All earnings on investments held in the Series Account within the Bond Redemption Fund shall be retained therein and applied as set forth below.

If so directed by the Issuer in writing, the Trustee shall create one or more Series Accounts within the Rebate Fund relating to one or more particular Series of Bonds.

- (a) All amounts held in the Rebate Fund shall be governed by this Section and the applicable Arbitrage Certificate. The Trustee shall be entitled to rely on the rebate calculations obtained from the rebate analyst retained by the Issuer pursuant to any Arbitrage Certificate and the Trustee shall not be responsible for any loss or damage resulting from any good faith action taken or omitted to be taken by the Issuer in reliance upon such calculations.

The permissive right of the Trustee to do things enumerated in the Indenture shall not be construed as a duty. The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds of any Series and shall have no responsibility for compliance with any State or federal securities laws in connection with the Bonds. None of the provisions of the Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers. The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under the Indenture arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fire; flood; hurricanes or other storms; wars; terrorism; similar military disturbances; sabotage; epidemic; pandemic; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications services; accidents; labor disputes; acts of civil or military authority or governmental action; it

Said direction shall be controlling to the extent the direction of Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility would have been controlling under this Article. The Issuer shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, and shall, to the extent permitted by law, indemnify and hold the Trustee harmless against any liabilities which it may incur in the proper exercise and performance of its powers and duties hereunder, except with respect to its own willful misconduct or negligence hereunder. If the Issuer defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys held by the Trustee or coming into its hands but exclusive of the Rebate Fund and moneys from a drawing on any Credit Facility, which right of payment shall be prior to the right of the holders of the Bonds. The Trustee shall promptly, but not less than monthly, provide periodic reports of any moneys the Trustee has deducted for amounts owing to it. This Section 11.04 shall survive the termination of this Master Indenture and any Supplemental Indenture and, as to any Trustee, its removal or resignation as Trustee. No provision of this Master Indenture shall require the Trustee to expend or risk its own funds.

SECTION 11.05. <u>No Duty to Renew Insurance</u>. The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the Issuer to require or effect or renew insurance or to report or file claims of loss thereunder.

SECTION 11.06. Notice of Default; Right to Investigate. The Trustee shall give written notice by first-class mail to registered Holders of a Series of Bonds of all defaults known to the Trustee, unless such defaults have been remedied (the term 'defaults' for purposes of this Section and Section 11.07 being defined to include the events specified as "Events of Default' in Article X hereof, but not including any notice or periods of grace provided for therein); provided that, except in the case of a default in payment of principal or interest or Redemption Price, the Trustee may withhold such notice so long as it in good faith determines that such withholding is in the interest of the Bondholders. The Trustee shall not be deemed to have notice of any default other than a payment default under this Master Indenture and any Supplemental Indenture or a notification by a Credit Facility Issuer of a default under its Credit Facility, unless notified in writing of such default by the Majority Holders of the Outstanding Bonds of a Series. The Trustee may, however, at any time require of the Issuer full information as to the performance of any covenant hereunder, and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the Issuer, an investigation into the affairs of the Issuer.

SECTION 11.07. Obligation to Act on Defaults. The Trustee shall be under no obligation to take any action in respect of any default or otherwise, unless it is requested in writing to do so by the Majority Holders which are or would be, upon the taking of such action, subject to remedial proceedings under Article X of this Master Indenture if in its opinion such action may tend to involve expense or liability, and unless it is also furnished with indemnity satisfactory to it. The Trustee shall have no responsibility for actions taken at the direction of the Majority Holders.

The Trustee may also engage in or be interested in any financial or other transaction with the Issuer; provided, however, that if the Trustee determines that any such relation is in conflict with its duties under this Master Indenture and any Supplemental Indenture, it shall eliminate the conflict or resign as Trustee.

SECTION 11.10. <u>Construction of Ambiguous Provisions</u>. The Trustee may construe any ambiguous or inconsistent provisions of this Master Indenture and any Supplemental Indenture, and except as otherwise provided in Article XIII of this Master Indenture, any construction by the Trustee shall be binding upon the Bondholders. The Trustee shall give prompt notice to the Issuer of any intention to make such construction.

SECTION 11.11. Resignation of Trustee. The Trustee may resign and be discharged of the trusts created by this Master Indenture and all Supplemental Indentures by written resignation filed with the Secretary of the Issuer not less than sixty (60) days before the date when such resignation is to take effect. Notice of such resignation shall be sent by Electronic Means or first-class mail to each Bondholder as its name and address appears on the Bond Register and to any Paying Agent, Registrar and Credit Facility Issuer, if any, at least sixty (60) days before the resignation is to take effect. Such resignation shall take effect on the day specified in the Trustee's notice of resignation unless a successor Trustee is previously appointed, in which event the resignation shall take effect immediately on the appointment of such successor; provided, however, that notwithstanding the foregoing, such resignation shall not take effect until a successor Trustee has been appointed. If a successor Trustee has not been appointed within ninety (90) days after the Trustee has given its notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has been duly appointed. Notice of such resignation shall also be given to any rating agency that shall then have in effect a rating on any of the Bonds.

SECTION 11.12. Removal of Trustee. The Trustee may be removed at any time by either (a) the Issuer, if no default exists under this Master Indenture or any Supplemental Indenture, or (b) an instrument or concurrent instruments in writing, executed by the Majority Holders of a majority of the aggregate principal amount of the Bonds then Outstanding and filed with the Issuer. A photographic copy of any instrument or instruments filed with the Issuer under the provisions of this paragraph, duly certified by a Responsible Officer, shall be delivered promptly by the Issuer to the Trustee and to any Paying Agent, Registrar and Credit Facility Issuer, if any.

Such resignation shall take effect on the date specified in such instrument and notice, but only if a successor Paying Agent or Registrar shall have been appointed as hereinafter provided, in which event such resignation shall take effect immediately upon the appointment of such successor Paying Agent or Registrar. If the successor Paying Agent or Registrar shall not have been appointed within a period of ninety (90) days following the giving of notice, then the Paying Agent or Registrar shall be authorized to petition any court of competent jurisdiction to appoint a successor Paying Agent or Registrar as provided in Section 11.22 hereof.

### Dear Board Members:

The Bonds are being issued for the primary purpose of financing certain public infrastructure deemed necessary to develop the lands within the District.

In order to secure the payment of the Bonds, and subject to the terms of the 2025 Indenture, the District has pledged to the holders of the Bonds, and granted a lien to the holders of the Bonds on, the Series 2025 Pledged Revenues.

In connection with this opinion, we have examined the Act, certified copies of the Bond Resolution, the 2025 Indenture, the Arbitrage Certificate, a transcript of the proceedings related to the issuance of the Bonds and such other documents and opinions as we have deemed necessary

to render this opinion, and are relying on certain findings, covenants and agreements of the District set forth therein and such certified copies of the proceedings of the District and such other documents and opinions as we have deemed necessary to render this opinion. As to the questions of fact material to our opinion, we have relied upon representations of the District furnished to us, without undertaking to verify such representations by independent investigation. We have also relied upon certain certifications and representations provided by Lennar Homes, LLC, as the party initially responsible for the payment of the Series 2025 Special Assessments comprising a portion of the Series 2025 Pledged Revenues.

Based on the foregoing, we are of the opinion that:

- 1. The District has the power to authorize, execute and deliver the 2025 Indenture, to perform its obligations thereunder and to issue the Bonds.
- 2. The 2025 Indenture has been duly authorized, executed and delivered by the District. The 2025 Indenture creates a valid pledge of the Series 2025 Pledged Revenues and constitutes a valid and binding obligation of the District enforceable against the District in accordance with its terms.
- 3. The issuance and sale of the Bonds have been duly authorized by the District and, assuming the due authentication thereof, the Bonds constitute valid and binding limited obligations of the District, payable in accordance with, and as limited by, the terms of the 2025 Indenture.
- 4. The Internal Revenue Code of 1986, as amended (herein, the "Code") includes requirements which the District must continue to meet after the issuance of the Bonds in order that interest on the Bonds not be included in gross income for federal income tax purposes. The failure of the District to meet these requirements may cause interest on the Bonds to be included in gross income for federal income tax purposes retroactive to their date of issuance. The District has covenanted in the 2025 Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds.

Under existing statutes, regulations, rulings and court decisions, subject to the assumption stated in the following paragraph, interest on the Bonds is excludable from the gross income of the owners thereof for federal income tax purposes and, furthermore, interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Bonds is not excluded from the determination of adjusted financial statement income.

In rendering the opinion expressed above, we have assumed continuing compliance with the tax covenants referred to above that must be met after the issuance of the Bonds in order that interest on the Bonds not be included in gross income for federal income tax purposes.

The Bonds and interest thereon are not subject to taxation under the laws of the State of Florida except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in Chapter 220.

We express no opinion regarding other federal or any state tax consequences resulting from the ownership, receipt or accrual of interest on, or disposition of the Bonds.

In rendering the foregoing opinions we have assumed the accuracy and truthfulness of all public records and of all certifications, documents and other proceedings examined by us that have been executed or certified by public officials acting within the scope of their official capacities and have not verified the accuracy or truthfulness thereof. We have also assumed the genuineness of the signatures appearing upon such public records, certifications, documents and proceedings.

The opinions set forth herein are subject to state and federal laws relating to bankruptcy, insolvency, reorganization, moratorium and similar laws, and to equitable principles, affecting the enforcement of creditors' rights generally, and to the exercise of judicial discretion in appropriate cases.

We wish to call to your attention that the Bonds are limited obligations of the District payable solely from the Series 2025 Pledged Revenues and neither the full faith and credit nor the taxing power of the District, Pasco County, Florida, the State of Florida or any other political subdivision thereof is pledged as security for the payment of the Bonds. The Bonds do not constitute an indebtedness of the District within the meaning of any constitutional or statutory provision or limitation.

Respectfully submitted,

GREENBERG TRAURIG, P.A.

## INTRODUCTION

The New Port Corners Community Development District (the "District") is a unit of special-purpose government organized and existing in accordance with Chapter 190, F.S., as amended, created by Ordinance No. 25-07, enacted by the Board of County Commissioners of Pasco County, Florida (the "County") on January 14, 2025 and filed with the Florida Department of State on January 16, 2025. The District, containing approximately 258 acres, is generally located in West Pasco County at Little Road.

The District is located in Sections 1, 2, 10, 11, Township 26 South, Range 16 East. **Exhibit A** is a vicinity map of the District. The District was formed to provide necessary public infrastructure so that the lands within the District can be developed as a residential community. Access to the Development (as defined below) will be via off-site Little Road. The main entrance will be located on Little Road. The lands to the east, west, north, and south are generally developed at this time. The lands constituting the District are presently intended for development as a master planned community (the "Development"), known as New Port Corners. **Exhibit B** is a metes & bounds description and map of the District boundary. The majority of all District infrastructure is wholly contained within the limits of the District. Off-Site improvements include Little Road and utility extensions to the District boundary.

## PURPOSE AND SCOPE

The District was established for the purpose of financing, and/or acquiring, constructing, maintaining and operating a portion of the infrastructure necessary for community development within the District. The purpose of this Master Engineer's Report (herein, the "Report") is to provide a description of the infrastructure improvements necessary for the development of the District and an estimate of the costs. The District will finance, acquire and/or construct, operate, and maintain a portion of the infrastructure improvements that are needed to serve the District and allocate the costs of the infrastructure improvements among the lands within the District. A portion of these infrastructure improvements will be completed by Lennar Homes, the primary developer of the District (the "Developer"), using Bond funding to complete the infrastructure. The Developer will construct the balance of the infrastructure improvements needed for the Development that is not financed by the District.

The proposed infrastructure improvements, as outlined herein, are necessary for the functional development of the District as required by the County and other governing agencies.

This Report reflects the District's present intentions based on the Developer's development plan. The implementation and completion of the Capital Improvement Plan (the "CIP") of the District outlined in this report will require further action by the District's Board of Supervisors, including the award of contracts for the construction and/or acquisition of the improvements comprising the CIP unless the Developer constructs the CIP and conveys the same to the District. Cost estimates contained in this Report have been prepared based on the best available information. These estimates may not reflect final engineering design. Actual costs will vary based upon final plans, design, planning, approvals from regulatory authorities, inflation, etc. Nevertheless, all

costs contained herein may be reasonably expected to adequately fund the improvements described, and contingency costs as included are reasonable.

## LAND USE & PRODUCT TYPES

As stated, the lands within the District encompass approximately 258 acres. The District is planned to ultimately include residential single family units. The table below illustrates the current land use plan by product type and phase. Such information is subject to change.

# **GOVERNMENTAL ACTIONS**

On April 19, 2022, Pasco County's Board of County Commissioners adopted the New Port Corners Master Planned Unit Development("MPUD") Pasco County Rezoning Petition No. 7598. The District lands are subject to these MPUD conditions of approval.

The following permits are required for the Development:

- Pasco County
  - Master Planned Unit Development (MPUD)
  - Master Utility Plans
  - ➤ Utility Service Commitment
  - Preliminary Development Plan (PDP) Approval
  - ➤ Right-of-Way Use Permit
  - Construction Plan (CP) Approval
  - > Final Plat Approval
- Southwest Florida Water Management District
  - Environmental Resource Permit
- Florida Department of Environmental Protection (implemented by Pasco County Utilities)
  - Permit to Construct Water Distribution Systems

- Permit to Construct Wastewater Collection Systems
- Permit to Construct Reclaimed Water Distribution Systems
- Florida Department of Environmental Protection (404 Program):
  - No Permit Required Letter
- Florida Fish & Wildlife
  - Gopher Tortoise Relocation Permit

The Development is currently in compliance with all MPUD Conditions of Approval and permitting requirements. It is Clearview Land Design, P.L.'s opinion that there are no technical reasons existing at this time which would prohibit the implementation of the plans for the Development including the CIP as presented herein and that permits normally obtained by site development engineers, not heretofore issued and which are necessary to affect the improvements described herein, will be obtained during the ordinary course of development. The permit status for the District is summarized in Exhibit D included with this Report.

# **CAPITAL IMPROVEMENT PLAN (CIP)**

The District's CIP includes infrastructure improvements that will provide special benefit to all assessable land within the District. Said improvements include earthwork, offsite roadway improvements, CDD public local roadways, stormwater management facilities including those associated with such roadway improvements, on-site water/wastewater/reclaimed facilities, mitigation for on-site wetlands, and sidewalk improvements all within public rights-of-way or on District owned lands and associated professional fees. Refer to Exhibit C for a summary of the costs by infrastructure category for the CIP. The district will pay for the actual cost of fair market value of the CIP, whichever is less.

## **CIP ROADWAYS**

Primary vehicular access to the District will be provided from Little Road. Little Road will be improved with turn lanes to support this development. The main entrance to the District will be on Little Road and Porch Light Drive, an internal subdivision collector road with street lighting, sidewalks, landscaping, irrigation, and hardscape elements. Internal roads will be undivided 2-lane residential streets with sidewalks and street lighting. The internal roadway design will comply with Pasco County's LDC and transportation design criteria. The District will fund and/or construct the offsite improvements and the roadway improvements within the District or in the alternative acquire such completed improvements from the Developer.

# \*\*Roadway Summary:

- Off-Site Little Road, Plathe Road, Dusty Lane (Pasco County ROW)
- Internal Subdivision Collector Porch Light Drive (Pasco County ROW)
- Internal Local Roads (CDD ROW)

\*\*Please note, Pasco County may not maintain the trails, landscaping, irrigation and/or decorative signage in any of the Pasco County owned Right of Way in this project. The District may own and maintain the trails, landscaping, irrigation, and decorative signage.

# **CIP STORMWATER MANAGEMENT**

The County and the Southwest Florida Water Management District (SWFWMD) regulate the design criteria for the stormwater management system within the District. The District is located within the Pithlachascotee Watershed. The pre-development site runoff and surface water management conditions have been developed by the County and SWFWMD. The existing, onsite, naturally occurring wetlands have been delineated by SWFWMD. The property has an approved Environmental Resource Permit (ERP) for Phases 1.

The stormwater management plan for the District focuses on utilizing newly constructed ponds in the uplands for stormwater treatment in conjunction with the naturally occurring wetlands.

The primary objectives of the stormwater management system for the District are:

- 1. To provide a stormwater conveyance and storage system, which includes stormwater quality treatment.
- 2. To adequately protect development within the District from regulatory-defined rainfall events.
- 3. To maintain wetland hydroperiods.
- 4. To ensure that adverse stormwater impacts do not occur upstream or downstream as a result of the development within the District.

5. To satisfactorily accommodate stormwater runoff from adjacent off-site areas that naturally drains through the District. Accommodating existing drainage conditions is a requirement of more than one regulatory agency and is an integral part of the infrastructure improvements constructed with development projects.

The stormwater collection and outfall systems will be a combination of site grading, earthwork, stabilization, curb inlets, pipe culverts, control structures and open waterways. Wetland hydroperiods (normal pool and season high water elevations) will be maintained through proper design and maintenance of the outfall control structures. The District will fund and construct the stormwater management system or in the alternative acquire the completed system from the Developer. The stormwater management system includes curb inlets and pipe culverts in the residential street rights-of-way which will be owned, operated and maintained by the District as they are necessary components of the stormwater management system. The District will not finance the cost of the earthwork (including the transportation of fill) and site grading with regard to any of the developable lots.

# CIP WASTEWATER COLLECTION

The District is within Pasco County Utilities' & City of New Port Richey Service Area which will provide wastewater treatment service. The District will fund the construction of the wastewater system or in the alternative, acquire the completed system from the Developer. The District will convey the completed internal wastewater system to the County for ownership, operation and maintenance.

The onsite wastewater system will consist of gravity sewer collection lines with appurtenant manholes, and pump stations discharging to a force main that will connect to the existing County force main in the Little Road and Osteen Road right-of-way. No lateral lines beyond any private property boundary will be financed by the District.

# **CIP WATER DISTRIBUTION SYSTEM**

The District is within Pasco County Utilities' & City of New Port Richey Service Area which will provide potable water service. The District will fund the construction of the potable water system or in the alternative, acquire the completed system from the Developer. The District will convey the completed potable water system to the County for ownership, operation and maintenance. No lateral lines beyond any private property boundary will be financed by the District.

The onsite potable water system will consist of distribution lines of varying sizes with appurtenant valves and backflow prevention equipment connecting to the existing water transmission lines in Little Road and Osteen Road.

## CIP RECREATIONAL FACILITIES

The CIP park improvements will be funded, owned, and maintained by the District.

# CIP RECLAIMED WATER/IRRIGATION WATER

The District is within Pasco County Utilities' & City of New Port Richey Service Area which will provide potable water service. The District will fund the construction of the reclaimed water system or in the alternative, acquire the completed system from the Developer. The District will convey the completed potable water system to the County for ownership, operation and maintenance. No lateral lines beyond any private property boundary will be financed by the District.

The onsite reclaimed water system will consist of distribution lines of varying sizes with appurtenant valves and backflow prevention equipment connecting to the existing reclaimed water transmission lines in Little Road & Osteen Road.

# **CIP PROFESSIONAL SERVICES**

Professional fees relating to the CIP include civil engineering costs for master planning, site design, permitting, preparation of construction plans, inspection and survey costs for construction staking and preparation of record drawings.

Professional fees also may include geotechnical costs for pre-design soil borings, underdrain analysis, soil stabilization, and construction testing, architectural costs for landscaping, fees associated with transportation planning and design, surveying, environmental consultation, irrigation system design and fees for permitting, as well as costs for legal and engineering services associated with the administration of the District's CIP.

#### CIP CONTINGENCY

This category includes the cost for adjustments as a result of unexpected field conditions, additional requirements of governmental agencies, market conditions, and other unknown factors that may occur throughout the course of development and construction of the infrastructure. In general, the contingency amount is based on a percentage of the total infrastructure cost estimate.

# **OWNERSHIP AND MAINTENANCE**

The ownership and maintenance responsibilities of the proposed infrastructure improvements for the development are set forth below.

# **PROJECT COSTS**

The CIP's estimated total costs are outlined in **Exhibit C**. The infrastructure improvements include: roadways, sewer, water, storm water management systems, mitigation for on-site wetlands, and parks. It is understood that the funds available to the District to construct or acquire the improvements comprising the CIP will be limited. Any such improvements not financed by the District will be constructed and conveyed to the District by the Developer for no consideration.

# **SUMMARY AND CONCLUSION**

The infrastructure, as outlined above, is necessary for the functional progression of the Development within the District as required by the County and other governmental agencies. The planning and design of the public infrastructure will be in accordance with current governmental regulatory requirements. The public infrastructure will provide its intended function so long as the construction is in substantial compliance with the design and permits. The platting, design and permitting for the public infrastructure are ongoing at this time and there is no reason to believe such permits will not be obtained.

Items of construction in this Report are based on preliminary plan quantities for the infrastructure construction as shown on the master plans, conceptual plans, construction drawings and specifications. It is my professional opinion that the estimated public infrastructure costs provided herein for the District improvements comprising the CIP are reasonable to complete the construction of the infrastructure described herein and that these infrastructure improvements will provide a special benefit to the assembled land in the District, which special benefit will at least equal the costs of such improvements. All such infrastructure costs are public improvements or community facilities as set forth in Section 190.012(1) and (2) of the Florida Statutes. The estimated costs of the CIP will at least equal the benefits to the assembled lands within the district.

The infrastructure total construction cost developed in this Report is only an estimate and not a guaranteed maximum price. The estimated cost is based on unit prices currently being experienced for ongoing and similar items of work in the Tampa Bay area and quantities as represented on the master plans. The labor market, future costs of equipment and materials, and the actual construction processes frequently vary and cannot be accurately forecasted. Due to this inherent opportunity for fluctuation in cost, the total final cost may be more or less than this estimate.

The professional services for establishing the opinion of estimated construction cost are consistent with the degree and care and skill exercised by members of the same profession under similar circumstances.

## I. INTRODUCTION

This Master Special Assessment Allocation Report (the "Report") is being presented in anticipation of financing a capital improvement program by the New Port Corners Community Development District ("**District**"), a local unit of special purpose government established pursuant to Chapter 190, Florida Statutes. Rizzetta & Company, Inc. has been retained to prepare a methodology for allocating the special assessments related to the District's infrastructure project.

The District plans to issue bonds in one or more series to fund a portion of the capital improvement program, also known as the CIP. This report will detail the maximum parameters for the future financing program the District will undertake, as well as determine the manner in which the special assessments will be allocated among all the landowners that will benefit from the CIP. Please note that the purpose of this Report is to allocate the benefit of the CIP to the various land uses in the District and based on such benefit allocation to apportion the maximum debt necessary to fund the CIP. The discussion of the structure and size of the indebtedness is based on various estimates and is subject to change.

# II. DEFINED TERMS

"Capital Improvement Program" (or "CIP") - Construction and/or acquisition of public infrastructure planned for the District, as specified in the Engineer's Report (defined herein).

"Developer" – Lennar Homes, LLC.

"District" – New Port Corners Community Development District.

"District Engineer" - Clearview Land Design, P.L.

"Engineer's Report" - That certain Engineer's Report dated January 24, 2025.

**"Equivalent Assessment Unit"** – (EAU) Allocation factor which reflects a quantitative measure of the amount of special benefit conferred by the District's CIP on a particular land use, relative to other land uses.

**"Maximum Assessments"** – The maximum amount of special assessments to be levied against a parcel in relation to the CIP.

"Platted Units" – Lands configured into their intended end-use and subject to a recorded plat.

**"Unplatted Parcels"** – Undeveloped lands or parcels not yet subject to a recorded plat in their final end-use configuration.

## III. DISTRICT INFORMATION

The District was established by the Board of County Commissioners of Pasco County, Florida on January 14, 2025, pursuant to Ordinance No. 25-07, which was effective as of January 17, 2025.

The District encompasses approximately 258.277 +/- acres and is located entirely within Pasco County, Florida. The District is generally located in West Pasco County at Little Road. The current development plan for the District includes approximately six hundred and ninety (690) residential units. Table 1 illustrates the District's preliminary development plan.

## IV. CAPITAL IMPROVEMENT PROGRAM

The District's CIP includes, but is not limited to, clearing and earthwork, stormwater management, water and sewer, roadway improvements, off-site/Little Road, engineering, surveying and planning, wetland/environmental, parks, and contingencies. The total CIP is estimated to cost \$61,168,958.40 as shown in Table 2. It is expected that the District will issue bonds in one or more series to fund a portion of the CIP, with the balance funded by the Developer, future bonds issued by the District, or other sources.

# V. MASTER ASSESSMENT ALLOCATION - MAXIMUM ASSESSMENTS

Unlike property taxes, which are ad valorem in nature, a community development district may levy special assessments under Florida Statutes Chapters 170, 190 and 197 only if the parcels to be assessed receive special benefit from the infrastructure improvements acquired and/or constructed by the District. Special benefits act as a logical connection to property from the improvement system and facilities being constructed. These special benefits are peculiar to lands within the District and differ in nature to those general or incidental benefits that landowners outside the District or the general public may enjoy. A district must also apportion or allocate its special assessments so that the assessments are fairly and reasonably distributed relative to the special benefit conferred. Generally speaking, this means the amount of special assessment levied on a parcel should not exceed the amount of special benefit received by that parcel. A district typically may develop and adopt an assessment methodology based on front footage, square footage, or any other reasonable allocation method, so long as the assessment meets the benefit requirement, and so long as the assessments are fairly and reasonably allocated.

# A. Benefit Analysis

Improvements undertaken by the District, as more clearly described in the Engineer's Report, create both special benefits and general benefits. The general benefits inure to the general public at large and are incidental and distinguishable from the special benefits which accrue to the specific property within the boundaries of the District, or more precisely defined as the land uses which specifically receive benefit from the CIP as described in this Report.

It is anticipated that the CIP will provide special benefit to the development areas within the District. The components of the CIP are a District-wide system of improvements and are designed specifically to facilitate the development of District properties into a viable community, from both a legal and socio-economic standpoint. Therefore, special benefits will accrue to the land uses within the District.

Valid special assessments under Florida law have two requirements. First, the properties assessed must receive a special benefit from the improvements paid for via the special assessments. Second, the assessments must be fairly and reasonably allocated to the properties being assessed. If these two requirements are met, Florida law provides the District's board of supervisors with the ability to use discretion in determining the allocation of the special assessments as long as the manner in which the board allocates the special assessments is fairly and reasonably determined.

Section 170.201, *Florida Statutes*, states that the governing body of a municipality may apportion costs of such special assessments based on:

- (a) The front or square footage of each parcel of land; or
- (b) An alternative methodology, so long as the amount of the special assessment for each parcel of land is not in excess of the proportional benefits as compared to other special assessments on other parcels of land.

Table 3 demonstrates the allocation of the estimated costs allocated to the various planned unit types. The costs are allocated using EAU factors, which have the effect of stratifying the costs based on land use and front footage. These EAU factors, which utilize a 50' lot frontage as the standard lot size, are provided on Table 3. As described further herein, and based in part on the report of the District Engineer, it is our professional opinion that the Maximum Assessments are supported by sufficient benefit from the CIP, and that the Maximum Assessments are fairly and reasonably allocated to all assessable properties subject to the Maximum Assessments.

#### **B.** Anticipated Bond Issuance

As described above, it is expected that the District will issue bonds in one or more series to fund all or a portion of the CIP. Notwithstanding the description of the Maximum Assessments below, landowners will not have a payment obligation until the issuance of bonds, at which time the fixed assessment amounts securing those bonds, as well as a collection protocol, will be determined. Please note that the preceding statement only applies to capital assessments and shall have no effect on the ability of the District to levy assessments and collect payments related to the operations and maintenance of the District. The District reserves the right the create distinct assessment areas.

A maximum bond sizing has been provided on Table 4. These maximum bond amounts have been calculated using conservative financing assumptions provided by the District's underwriter and represents a scenario in which the entirety of the CIP is

funded with bond proceeds. Please note that Table 4 represents the District's maximum total issuances for the total CIP, as defined by the District Engineer. However, the District is not obligated to issue bonds at this time, and similarly may choose to issue bonds in amounts lower than the maximum amounts, which is expected. Furthermore, the District may issue bonds in various par amounts, maturities and structures up to the maximum principal amounts. Table 6 represents the Maximum Assessments necessary to support repayment of the maximum bonds.

#### C. Maximum Assessment Methodology

Initially, the District may impose master Maximum Assessment liens based on the maximum benefit conferred on the parcels within the District based on the scope of work identified within the CIP. Accordingly, Table 6 reflects the Maximum Assessments per Platted Unit. Because the District may issue bonds in various par amounts, maturities and structures, the special assessments necessary to secure repayment of those bonds is not expected to exceed the amounts on Table 6. It is expected that the standard long-term special assessments borne by property owners will be lower than the amounts in Table 6 and will reflect assessment levels which conform with the current market.

Presently, all of the lands subject to the Maximum Assessments are Unplatted Parcels. It is anticipated that assessments will be initially levied on these Unplatted Parcels on an equal assessment per acre basis. At the time parcels are platted or otherwise subdivided into Platted Units, individual Maximum Assessments will be assigned to those Platted Units on a first platted first assigned basis at the per-unit amounts described in Table 6, thereby reducing the Maximum Assessments encumbering the Unplatted Parcels by a corresponding amount. Any unassigned amount of Maximum Assessments encumbering the remaining Unplatted Parcels will continue to be calculated and levied on an equal assessment per acre basis.

In the event that developable lands that derive benefit from the CIP are added to the District boundaries, whether by boundary amendment or increase in density, Maximum Assessments may be allocated to such lands, pursuant to the methodology described herein.

#### VI. TRUE-UP PAYMENTS

This Report identifies the amount of equivalent assessment units (and/or product types and unit counts) planned for the District ("**Property**"), and also establishes an initial assessment per acre amount for the unplatted portions of the Property. As set forth herein, the maximum annual assessment per acre levied on the Property is \$27,901 inclusive of estimated county collection costs and discounts (as adjusted in connection with the issuance of any particular bond series and as set forth in a supplemental assessment methodology report) ("**Original Debt per Acre Amount**"). At such time as lands are to be platted (or replatted) or site plans are to be approved (or re-approved), the plat or site plan (either, herein, "**Proposed Plat**") shall be presented to the District for a "true-up" review as follows:

- a. If a Proposed Plat is consistent with the development plan as identified herein, and the debt assessments per acre on the "Remaining Unplatted Lands" (i.e., those remaining unplatted lands after the Proposed Plat is recorded) are equal to the Original Debt per Acre Amount after the Proposed Plat, then the District shall allocate the assessments to the product types being platted and the remaining property in accordance with this Report.
- b. If a Proposed Plat results in a decrease in the assessments per acre on the Remaining Unplatted Lands as compared to the Original Debt per Acre Amount after the Proposed Plat, then the District may undertake a pro rata reduction of assessments, or may otherwise address such increase as allowed by law.
- c. If a Proposed Plat results in an increase in the assessments per acre on the Remaining Unplatted Lands as compared to the Original Debt per Acre Amount after the Proposed Plat, then the District shall require the landowner(s) of the lands encompassed by the Proposed Plat to pay a "True-Up Payment" equal to the difference between the assessments per acre on the Remaining Unplatted Lands and the Original Debt per Acre Amount, plus applicable interest and collection costs.

In considering whether to require a True-Up Payment, the District shall consider what amount of EAUs (and thus special assessments) are able to be imposed on the Remaining Unplatted Lands, taking into account the Proposed Plat, and by reviewing: a) the original, overall development plan showing the number and type of units reasonably planned for the development, b) the overall development plan showing the number and type of units reasonably planned for the development, c) proof of the amount of entitlements for the Remaining Unplatted Lands, d) evidence of allowable zoning conditions that would enable those entitlements to be placed in accordance with the development plan, and e) documentation that shows the feasibility of implementing the proposed development plan. The District's decision whether to grant a deferral shall be in its reasonable discretion, and such decision may require that the developer provide additional information. Prior to any decision by the District not to impose a True-Up Payment, a supplemental methodology shall be produced demonstrating that there will be sufficient special assessments to pay debt service on the District's applicable bonds outstanding, and the District will conduct new proceedings under Chapter 170, *Florida Statutes* upon the advice of District Counsel.

Any True-Up Payment shall become due and payable that tax year by the landowner of the lands subject to the Proposed Plat, shall be in addition to the regular assessment installment payable for such lands, and shall constitute part of the debt assessment liens imposed against the Proposed Plat property until paid. A True-Up Payment shall include accrued interest on the applicable bonds as set forth in the relevant assessment proceedings.

All special assessments levied run with the land, and such assessment liens include any True-Up Payments. The District will not release any liens on property for which True-Up Payments are due, until provision for such payment has been satisfactorily made. Further, upon the District's review of the final plat for the developable acres, any unallocated

special assessments shall become due and payable and must be paid prior to the District's approval of that plat. This true-up process applies for both plats and/or re-plats. Further, this true-up process may be applied to individual assessment areas, if established by the District through a supplemental assessment report and resolution.

Such review shall be limited solely to the function and the enforcement of the District's assessment liens and/or true-up agreements. Nothing herein shall in any way operate to or be construed as providing any other plat approval or disapproval powers to the District. For further detail on the true-up process, please refer to the True-Up Agreement and applicable assessment resolution(s).

#### VII. FURTHER CONSIDERATIONS

**New Product Types.** Generally stated, the special assessments set forth in **Table 6** have been established based on an assessment value for the anticipated product types. However, additional product types may be developed, and, in such an event, the District's Assessment Consultant may determine special assessments for the product types derived from the underlying assessment values set forth in **Table 6**, and without a further public hearing by the District.

**Common Areas.** All amenities and common areas not owned by the District and within the District will be owned and operated by a homeowners'/property owners' association(s) for the benefit of the District landowners and are considered a common element for the exclusive benefit of residents and landowners. Accordingly, any benefit from the amenities and common areas flows directly to the benefit of all land within the District, and no special assessments will be assigned to such areas.

**Government Property.** Real property owned by units of local, state, and federal governments, or similarly exempt entities, shall not be subject to the special assessments without specific consent thereto. If at any time, any real property on which special assessments are imposed, proposed to be sold or otherwise transferred to a unit of local, state, or federal government, or similarly exempt entity, all future unpaid special assessments for such tax parcel shall become due and payable immediately prior to such transfer.

**Third Party Transfers.** In the event an unplatted parcel is sold to a third party not affiliated with the Developer, the special assessments will be assigned to that unplatted parcel based on the total number of planned units reasonably assigned by the Developer to that unplatted parcel. The owner of that unplatted parcel will be responsible for the total assessments applicable to the unplatted parcel, regardless of the total number of planned units ultimately platted. These total assessments are fixed to the unplatted parcel at the time of sale.

**Contributions.** As set forth in any supplemental report, and subject to an appropriate agreement with the District, the Developer may opt to "buy down" the special assessments on particular product types and/or lands using a contribution of cash, infrastructure, work product or land (at appraised value), or other consideration, and in order for the special assessments to reach certain target levels. Note that any "true-up," as described herein, may require a payment to satisfy "true-up" obligations as well as additional

contributions to maintain such target assessment levels. Any amounts contributed by the Developer to pay down special assessments will not be eligible for payment from any bond proceeds.

#### III. DISTRICT INFORMATION

The District was established by the Board of County Commissioners of Pasco County, Florida ("BCC") on January 14, 2025, pursuant to Ordinance No. 25-07, which was effective as of January 17, 2025, as amended by Ordinance No. 25-40 enacted by the BCC on September 16, 2025 effective on September 17, 2025.. The District encompasses approximately 258.277 +/- acres and is located entirely within Pasco County, Florida. The District is generally located in West Pasco County at Little Road. The preliminary development plan for the District includes approximately six hundred and ninety (690) residential units.

Table 1 illustrates the District's preliminary development plan for the 2025 Project.

#### IV. 2025 PROJECT

The District's CIP includes, but is not limited to, clearing and earthwork, stormwater management, water and sewer, roadway improvements, off-site/Little Road, engineering, surveying and planning, wetland/environmental, parks, and contingencies. The CIP is estimated to cost \$61,168,958.40, and detail of these costs can be found in Table 2. The 2025 Project is a portion of the CIP which is anticipated to be funded with proceeds of the Series 2025 Bonds in the estimated amount of \$13,996,470. The balance of the CIP is anticipated to be funded by the Developer or future bond issuances.

#### V. Preliminary Series 2025 Bonds And Assessments

In order to provide for the financing of the 2025 Project described in Section IV above, it is expected the District will issue the Series 2025 Bonds in the estimated principal amount of \$14,745,000, which will be secured by the pledged revenues from the Series 2025 Assessments. The Series 2025 Assessments are expected to initially be levied in the estimated total annual amount of \$1,014,520, excluding early payment discounts and collection costs, and shall be structured in the same manner as the Series 2025 Bonds, so that revenues from the Series 2025 Assessments are sufficient to fulfill the debt service requirements for the Series 2025 Bonds.

The Series 2025 Bonds will be structed as amortizing current-interest bonds, with the repayment occurring in annual installments of principal and interest. Interest payments dates shall occur every June 15 and December 15 from the date of issuance until final maturity estimated to be on June 15, 2055. The first scheduled payment of principal and coupon interest is anticipated to be due on June 15, 2026. The annual principal payment will be due each June 15 thereafter until final maturity.

It is anticipated that the Series 2025 Assessments will initially be levied on the 520 Platted Units and approximately 72.75 remaining gross acres, which excludes the acreage associated with the District's amenities, within the District. Series 2025 Assessments will only be assigned to the remaining lots planned for development within the District as they are platted. It is expected that Series 2025 Assessment installments assigned to Platted Units will be collected via the Pasco County property tax bill process (Uniform Method). Accordingly, the Series 2025 Assessments have been adjusted to allow for current county collection costs and the possibility that landowners will avail themselves of early payment discounts. Currently, the aggregate rate for such costs and discounts is 6.0%, but this may fluctuate as provided by law. The Unplatted Parcels are expected to be collected directly by the District and will not include any county collection costs or early payment discounts. However, for purposes of this report, all units are inclusive of the associated costs and discounts for presentation purposes only.

#### VI. Preliminary Series 2025 Assessment Allocation

The Series 2025 Assessments are expected to ultimately be allocated to all 690 Platted Units within the District, as shown on Table 5. The Series 2025 Assessments are allocated based on an EAU methodology, as defined in the Master Report. As allocated, the Series 2025 Assessments fall within the cost/benefit thresholds, as well as the maximum assessment levels, established by the Master Report.

Table 5 reflects the estimated Series 2025 Assessments per Platted Unit. The Series 2025 Assessments are expected to initially be levied on the 520 Platted Units and the approximately 72.75 remaining gross acres within the District, which excludes the acreage associated with the amenities, on an equal assessment per acre basis. As land is either sold in bulk to the third parties, or as land is platted or otherwise subdivided into Platted Units, the Series 2025 Assessments will be assigned to those Platted Units at the per-unit amounts described in Table 5, on a first platted and first assigned basis, thereby reducing the Series 2025 Assessments encumbering the Unplatted Parcels by a corresponding amount. The Series 2025 Assessments are expected to ultimately be assigned to 690 Platted Units within the District.

In the event an Unplatted Parcel is sold to a party not affiliated with the developer, Series 2025 Assessments will be assigned to that Unplatted Parcel based on the maximum

<sup>&</sup>lt;sup>1</sup> The ultimate collection procedure is subject to District approval. Nothing herein should be construed as mandating collections that conflict with the terms, privileges, and remedies provided in the Indentures, Florida law, assessment resolutions, and/or other applicable agreements.

total number of Platted Units assigned by the Developer to that Unplatted Parcel. The owner of that Unplatted Parcel will be responsible for the total assessments applicable to the Unplatted Parcel, regardless of the total number of Platted Units ultimately platted. These total Series 2025 Assessments are fixed to the Unplatted Parcel at the time of the sale. If such property is sold to a unit of local government, any debt assigned to such property must be satisfied prior to such transfer by way of a true-up payment.

The Preliminary Series 2025 Assessment Roll is located on page A-5.

#### VII. PREPAYMENT AND TRUE UP OF SERIES 2025 ASSESSMENTS

The Series 2025 Assessments encumbering a parcel may be prepaid in full or in part at any time, without penalty, together with interest at the rate on the Series 2025 Bonds to the Quarterly Redemption Date (as defined in the First Supplemental Indenture) that is more than forty-five (45) days next succeeding the date of prepayment. Notwithstanding the preceding provisions, the District does not waive the right to assess penalties which would otherwise be permissible if the parcel being prepaid is subject to an assessment delinquency.

Because this methodology assigns defined, fixed Series 2025 Assessments to Platted Units, the District's Series 2025 Assessment program is predicated on the development of lots in the manner described in Table 1. However, if a change in development results in net decrease in the overall principal amount of Series 2025 Assessments able to be assigned to the lands described in Table 1, then a true-up, or principal reduction payment will be required to cure the deficiency ("True Up Payment"). The District shall perform a review of the development plan for true-up calculation purposes at each time any plat/site plan is presented to the District. Similarly, if a reconfiguration of lands or redemption of outstanding Series 2025 Bonds would result in the collection of substantial excess assessment revenue in the aggregate, then the District shall undertake a pro rata reduction of Series 2025 Assessments for all assessed properties.

For further detail on the true-up process, please refer to the True-Up Agreement and applicable assessment resolution(s). All of the terms of the Master Report are incorporated herein by this reference and applicable to the Series 2025 Assessments, except to the extent modified herein.
