**NEW ISSUE - BOOK-ENTRY ONLY  
LIMITED OFFERING**

**NOT RATED**

*In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications of the District and the Developer (as such terms are herein defined) and continuing compliance with certain tax covenants, under existing statutes, regulations, rulings and court decisions, interest on the Series 2026 Bonds (as hereinafter defined) is excludable from gross income for federal income tax purposes and further, interest on the Series 2026 Bonds will not be an item of tax preference for purposes of the alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Internal Revenue Code of 1986, as amended (the "Code") on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2026 Bonds is not excluded from the determination of adjusted financial statement income. See "TAX MATTERS" herein for a description of certain other federal tax consequences of ownership of the Series 2026 Bonds. Bond Counsel is further of the opinion that the Series 2026 Bonds and the income thereon are not subject to taxation under the laws of the State of Florida, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in said Chapter 220. See "TAX MATTERS" herein.*

See "DESCRIPTION OF THE SERIES 2026 BONDS - Book-Entry Only System" herein.

The Series 2026 Bonds are being issued by the District pursuant to the Act, Resolution No. 2025-15 and Resolution No. 2026-02 adopted by the Board of Supervisors of the District (the "Board") on July 11, 2025 and February 20, 2026, respectively, and a Master Trust Indenture dated as of February 1, 2026 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture dated as of February 1, 2026 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and the Trustee. Capitalized terms not defined herein shall have the meanings assigned to them in the Indenture. See "APPENDIX A: PROPOSED FORMS OF INDENTURE" herein.

"Series 2026 Pledged Revenues" shall mean (a) all revenues received by the District from the Series 2026 Special Assessments (as herein defined) levied and collected on the assessable lands within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2026 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2026 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture created and established with respect to or for the benefit of the Series 2026 Bonds; provided, however, that Series 2026 Pledged Revenues shall not include (A) any moneys transferred to the Series 2026 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2026 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS" herein.

THE SERIES 2026 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2026 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AS AMENDED, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2026 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2026 BONDS. SEE “BONDOWNERS’ RISKS” AND “SUITABILITY FOR INVESTMENT” HEREIN.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the “Act”), and created by Ordinance No. 25-43 adopted by the Board of County Commissioners of Miami-Dade County, Florida (the “County”) on May 6, 2025 and became effective on May 16, 2025. The District was created for the purpose of financing the acquisition and construction of and managing the maintenance and operation of certain community development services and facilities for the benefit of District Lands (as defined below), and has previously determined to undertake the acquisition and/or construction of certain public improvements and community facilities as set forth in the Act for the special benefit of certain District Lands. The Act authorizes the District to issue bonds for the purpose of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The District currently contains approximately 38.48+/- gross acres of land located within the unincorporated area of the County planned to contain 115 single-family residential units (the “Development”). The Development is being marketed under the name “Wildwood Groves.” See “THE DEVELOPMENT” herein for more information.

The Series 2026 Special Assessments will at issuance be levied on the 115 platted lots within the Development. A final plat for the 115 platted lots within the Development was recorded on September 16, 2025. See “APPENDIX

Upon any redemption of the Series 2026 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2026 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2026 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2026 Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption or purchase occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption in Whole or in Part. The Series 2026 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2026 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2026 Prepayment Principal deposited into the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account (taking into account the credit from the Series 2026 Reserve Account pursuant to the provisions of the First Supplemental Indenture) following the payment in whole or in part of the Series 2026 Special Assessments on any assessable property within the District in accordance with the provisions of the First Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2026 Funds, Accounts and subaccounts in the Funds and Accounts (other than the Series 2026 Rebate Fund, the Series 2026 Costs of Issuance Account and the Series 2026 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2026 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) from any funds remaining on deposit in the Series 2026 Acquisition and Construction Account not otherwise reserved to complete the 2026 Project (including any amounts transferred from the Series 2026 Reserve Account) all of which have been transferred to the Series 2026 General Redemption Subaccount of the Series 2026 Bond Redemption Account.

Notice of Redemption and of Purchase. When required to redeem or purchase (as described below) Series 2026 Bonds under any provision of the Indenture or directed to do so by the District, the Trustee shall give or cause notice of the redemption, either in whole or in part, to be provided by Electronic Means or mailed by first class mail, postage prepaid, at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2026 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2026 Bonds for which notice was duly mailed in accordance with the Indenture. If the Trustee determines that the giving of notice by mail is not feasible, the Trustee may use any other industry acceptable means of giving notice including, but not limited to, facsimile or email provided the Trustee can establish such other means of giving notice was in fact given.

If at the time of mailing of notice of redemption or purchase, the District shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Series 2026 Bonds called

for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

### **Purchase of Series 2026 Bonds**

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Series 2026 Sinking Fund Account to the purchase of Series 2026 Bonds which mature in the aforesaid years, at prices not higher than the principal amount thereof, in lieu of redemption as aforesaid, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given. In the event of purchases at less than the principal amount thereof, the difference between the amount in the Series 2026 Sinking Fund Account representing the principal amount of the Series 2026 Bonds so purchased and the purchase price thereof (exclusive of accrued interest) shall be transferred to the related Series 2026 Interest Account of the Debt Service Fund.

### **Book-Entry Only System**

*The information in this caption concerning DTC (as defined below) and DTC's book-entry system has been obtained from DTC and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.*

The Depository Trust Company ("DTC") will act as securities depository for the Series 2026 Bonds. The Series 2026 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2026 Bond certificate will be issued for each maturity of the Series 2026 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has an S&P Global Ratings, a division of S&P Global Inc. rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at [www.dtcc.com](http://www.dtcc.com).

Purchases of Series 2026 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2026 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2026 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2026 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2026 Bonds, except in the event that use of the book-entry system for the Series 2026 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2026 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of the Series 2026 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2026 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2026 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2026 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2026 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2026 Bond documents. For example, Beneficial Owners of Series 2026 Bonds may wish to ascertain that the nominee holding the Series 2026 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2026 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2026 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2026 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2026 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, and principal and interest payments on the Series 2026 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant

and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, and principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2026 Bonds at any time by giving reasonable notice to the District and the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2026 Bond certificates are required to be printed and delivered.

The District may decide to discontinue, pursuant to the procedures of DTC, use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2026 Bond certificates will be printed and delivered to DTC.

## **SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS**

### **General**

THE SERIES 2026 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY FROM THE SERIES 2026 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE COUNTY, THE STATE OF FLORIDA (THE "STATE"), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2026 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, SERIES 2026 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2026 BONDS. THE SERIES 2026 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2026 Bonds will be secured by a pledge of the Series 2026 Pledged Revenues. "Series 2026 Pledged Revenues" shall mean (a) all revenues received by the District from the Series 2026 Special Assessments levied and collected on the assessable lands within the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2026 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2026 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts established under the Indenture created and established with respect to or for the benefit of the Series 2026 Bonds; provided, however, that Series 2026 Pledged Revenues shall not include (A) any moneys transferred to the Series 2026 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2026 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) "special assessments" levied and collected by the District under Section 190.022 of the Act for maintenance purposes or "maintenance assessments" levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS" herein.

The “Series 2026 Special Assessments” shall mean the Special Assessments levied on the assessable lands within the District as a result of the District’s acquisition and/or construction of the 2026 Project, corresponding in amount to the debt service on the Series 2026 Bonds and designated as such in the Assessment Methodology (as defined herein). The Assessment Methodology, which describes the methodology for allocating the Series 2026 Special Assessments to the assessable lands within the District is included as APPENDIX D hereto. The Series 2026 Special Assessments will be levied pursuant to Section 190.022 of the Act, and the Assessment Resolutions (as defined in the First Supplemental Indenture) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the “Assessment Proceedings”). Non-ad valorem assessments are not based on millage and are not taxes, but are a lien against the lands receiving special benefit, including, but not limited to, homestead property, as permitted in Section 4, Article X of the Florida State Constitution. The Series 2026 Special Assessments will constitute a lien against the land as to which the Series 2026 Special Assessments are imposed. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein.

**Assessment Methodology / Series 2026 Special Assessments**

As set forth in the Assessment Methodology, the Series 2026 Special Assessments will at issuance be levied on the 115 platted lots within the Development on the per unit basis set forth below. A final plat for the 115 platted lots within the Development was recorded on September 16, 2025. See “THE DEVELOPMENT – Development Plan/Status” and “APPENDIX D: ASSESSMENT METHODOLOGY” herein.

<u>Product Type</u>	<u>No. of Units</u>	<u>Annual Series 2026 Special Assessments Per Unit</u> <sup>*/**</sup>	<u>Series 2026 Bonds Par Debt Per Unit</u> <sup>*</sup>
Single-Family	115	\$1,794.87	\$25,956.52

\*Preliminary, subject to change.

\*\* This amount will be grossed up to include early payment discounts and County collection fees, currently 5%.

The District anticipates levying assessments to cover its operation and maintenance costs that are initially expected to be approximately \$363.35 per residential unit annually; which amount is subject to change. In addition, residents within the District will be required to pay homeowners association fees, which are currently estimated to be approximately \$130.31 per residential unit annually. The land within the District has been and is expected to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2025 was approximately 16.9317 mills, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2026 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Miami-Dade County, Florida may each levy ad valorem taxes and/or special assessments upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See “THE DEVELOPMENT – Taxes, Fees and Assessments” for more information.

**Additional Obligations**

The District covenants not to issue any other Bonds or other debt obligations secured by the Series 2026 Special Assessments. Such covenant shall not prohibit the District from issuing refunding bonds. In addition, the District covenants not to issue any other Bonds or debt obligations for capital projects, secured by special assessments levied on the land within the District which secure the Series 2026 Special

Assessments, until the Series 2026 Special Assessments are Substantially Absorbed. The District's covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. "Substantially Absorbed" means the date at least 75% of the principal portion of the Series 2026 Special Assessments have been assigned to residential units within the District that have received certificates of occupancy. The District, or the District Manager on behalf of the District, shall provide the Trustee with a certification that the Series 2026 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2026 Special Assessments are Substantially Absorbed.

Notwithstanding any provision in the Indenture to the contrary, the District may issue other Bonds or debt obligations secured by Special Assessments levied on the same lands subject to the Series 2026 Special Assessments, at any time upon the written consent of the Majority Holders or at any time without such consent if Special Assessments are levied on any lands within the District which are not subject to the Series 2026 Special Assessments.

The District, subject to the first paragraph under this heading, and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2026 Special Assessments without the consent of the Owners of the Series 2026 Bonds. The District expects to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2026 Special Assessments, on the same lands upon which the Series 2026 Special Assessments are imposed, to fund the maintenance and operation of the District. See "THE DEVELOPMENT – Taxes, Fees and Assessments" and "BONDOWNERS' RISKS" herein for more information.

### **Covenant Against Sale or Encumbrance**

In the Master Indenture, the District will covenant that (a) except for those improvements comprising any Project that are to be conveyed by the District to the County, the State Department of Transportation or another governmental entity, and (b) except as otherwise permitted in the Master Indenture, it will not sell, lease or otherwise dispose of or encumber any Project, including the 2026 Project, or any part thereof. See "APPENDIX A: PROPOSED FORMS OF INDENTURE" herein for more information.

### **Series 2026 Reserve Account**

The First Supplemental Indenture establishes a Series 2026 Reserve Account within the Debt Service Reserve Fund for the Series 2026 Bonds. The Series 2026 Reserve Account will, at the time of delivery of the Series 2026 Bonds, be funded from a portion of the net proceeds of the Series 2026 Bonds in an amount equal to the Series 2026 Reserve Requirement. "Series 2026 Reserve Requirement" or "Reserve Requirement" shall mean an amount equal to ten percent (10%) of the maximum annual debt service with respect to the initial principal amount of the Series 2026 Bonds determined on the date of issue.

If a portion of the Series 2026 Bonds are redeemed pursuant to the provisions of the First Supplemental Indenture, the Reserve Requirement shall be reduced in accordance with the provisions of the First Supplemental Indenture. Any amount in the Series 2026 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2026 Bonds, be used to pay principal of and interest on the Series 2026 Bonds at that time. The Series 2026 Reserve Requirement shall be equal to \$\_\_\_\_\_.

On each May 1 and November 1 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee shall determine the amount on deposit in the Series 2026 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2026 Bonds caused by investment earnings to the Series 2026 Acquisition and Construction Account prior to the Completion Date and after the Completion Date to the Series 2026 Revenue Account.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2026 Reserve Account shall be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2026 Bonds to the Series 2026 General Redemption Subaccount of the Series 2026 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2026 Special Assessments (as a result of non-payment of the Series 2026 Special Assessments) and applied to redeem a portion of the Series 2026 Bonds is less than the principal amount of Series 2026 Bonds indebtedness attributable to such lands.

Subject to the provisions of the First Supplemental Indenture, on any date the District or the District Manager, on behalf of the District, receives notice that a landowner wishes to prepay its Series 2026 Special Assessments relating to the benefited property of such landowner within the District, or as a result of a mandatory true-up payment, the District shall, or cause the District Manager, on behalf of the District to, calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2026 Prepayment Principal due by the amount of money in the Series 2026 Reserve Account that will be in excess of the Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2026 Reserve Account shall be transferred by the Trustee to the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2026 Reserve Account to the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2026 Bonds in accordance with the provisions of the First Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations.

In addition, in the event of an extraordinary mandatory redemption pursuant to the First Supplemental Indenture, the District Manager, on behalf of the District, shall calculate the applicable Reserve Requirement and communicate the same to the Trustee and the Trustee shall apply any excess in the Series 2026 Reserve Account toward such extraordinary mandatory redemption.

It shall be an Event of Default under the Master Indenture if at any time the amount in the Series 2026 Reserve Account is less than the Series 2026 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement for the Series 2026 Bonds and such amount has not been restored within thirty (30) days of such withdrawal.

### **Deposit and Application of the Series 2026 Pledged Revenues**

Pursuant to the Indenture, the Trustee shall transfer from amounts on deposit in the Series 2026 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each June 15 commencing June 15, 2026, to the Series 2026 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2026 Bonds becoming due on the next succeeding June 15, less any amounts on deposit in the Series 2026 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each December 15 commencing December 15, 2026, to the Series 2026 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2026 Bonds becoming due on the next succeeding December 15, less any amount on deposit in the Series 2026 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each June 15, commencing June 15, 20\_\_, to the Series 2026 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2026 Bonds subject to sinking fund redemption on such June 15, less any amount on deposit in the Series 2026 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding the June 15, which is a principal payment date for any Series 2026 Bonds, to the Series 2026 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2026 Bonds Outstanding maturing on such June 15, less any amounts on deposit in the Series 2026 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2026 Bonds are subject to redemption on a date which is not a June 15 or December 15 Interest Payment Date, the Trustee shall be authorized to transfer from the Series 2026 Revenue Account to the Series 2026 Interest Account, the amount necessary to pay interest on the Series 2026 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2026 Bonds remain Outstanding, to the Series 2026 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Reserve Requirement for the Series 2026 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2026 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2026 Bonds and next, any balance in the Series 2026 Revenue Account shall remain on deposit in such Series 2026 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2026 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

## **Investments**

The Trustee shall, as directed by the District in writing, invest moneys held in any Account within the Debt Service Fund, any Account within the Debt Service Reserve Fund and any Account within the Bond Redemption Fund only in Government Obligations and other Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for the purposes set forth in the Indenture. All securities securing investments shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the provisions of the Indenture, any interest and other income so received shall be

deposited in the Series 2026 Revenue Account except that prior to the Completion Date, amounts on deposit in the Series 2026 Reserve Account in excess of the Reserve Requirement caused by investment earnings shall be transferred into the Series 2026 Acquisition and Construction Account, and after the Completion Date to the Series 2026 Revenue Account. Upon request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Account of the Revenue Fund.

Absent specific instructions as aforesaid or absent standing instructions from the District for investment of such moneys, then the Trustee shall not be responsible or liable for keeping the moneys invested. The Trustee shall not be liable or responsible for any loss or failure to achieve the highest return, or entitled to any gain, resulting from any investment or sale upon the investment instructions of the District or otherwise, including that set forth in the first sentence of this paragraph. The Trustee may make any investments permitted by the provisions of this section through its own bond department or investment department. See "APPENDIX A: PROPOSED FORMS OF INDENTURE" hereto.

#### **Covenant to Levy the Series 2026 Special Assessments**

The District will covenant to levy the Series 2026 Special Assessments to the extent and in the amount sufficient to pay debt service on the Series 2026 Bonds when due. If any Series 2026 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2026 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2026 Special Assessment when it might have done so, the District has additionally covenanted to either (i) take all necessary steps to cause a new Series 2026 Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (ii) in its sole discretion, make up the amount of such Series 2026 Special Assessment from legally available moneys, which moneys shall be deposited into the Series 2026 Revenue Account. In case such second Series 2026 Special Assessment shall be annulled, the District shall obtain and make other Series 2026 Special Assessments until a valid Series 2026 Special Assessment shall be made.

#### **Prepayment of Series 2026 Special Assessments**

Pursuant to the Indenture, at any time any owner of property subject to the Series 2026 Special Assessments may, at its option, or as a result of acceleration of the Series 2026 Special Assessments because of non-payment thereof (if not collected pursuant to the Uniform Method, as herein described), or as a result of a true-up payment, require the District to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2026 Special Assessments by paying or causing there to be paid, to the District all or a portion of the Series 2026 Special Assessment, which shall constitute Series 2026 Prepayment Principal, plus accrued interest to the next succeeding Quarterly Redemption Date (or the next succeeding Quarterly Redemption Date if such Prepayment is made within forty-five (45) calendar days before a Quarterly Redemption Date), attributable to the property subject to the Series 2026 Special Assessments owned by such owner. In connection with such Prepayments, in the event the amount in the Series 2026 Reserve Account will exceed the applicable Reserve Requirement for the Series 2026 Bonds as a result of a Prepayment in accordance with the First Supplemental Indenture and the resulting redemption of the Series 2026 Bonds in accordance with the First Supplemental Indenture, the excess

amount shall be transferred from the Series 2026 Reserve Account to the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account as a credit against the Series 2026 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions to the Trustee of the District Manager, upon which the Trustee may conclusively rely, on behalf of the District, together with a certification stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2026 Reserve Account to equal or exceed the then Reserve Requirement for the Series 2026 Bonds and which certificate of the District Manager will further state that, after giving effect to the proposed redemption of Series 2026 Bonds, there will be sufficient Series 2026 Pledged Revenues to pay the principal and interest, when due, on all Series 2026 Bonds that will remain Outstanding.

Pursuant to the Act, an owner of property subject to the levy of Series 2026 Special Assessments may pay the entire balance of the Series 2026 Special Assessments remaining due, without interest, within thirty (30) days after the 2026 Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the 2026 Project pursuant to Chapter 170.09, Florida Statutes. The Land Bank and the Developer, as the owners of certain property within the Development, will covenant to waive this right on behalf of itself and its respective successors and assigns in connection with the issuance of the Series 2026 Bonds. Such waiver will not apply to the 52 residential units that have closed with homebuyers. Accordingly, if any of the homeowners of the 52 residential units that have closed prepays the Series 2026 Special Assessments on the lot they own, without interest, there may be a shortfall in the amount sufficient to pay debt service on the Series 2026 Bonds when due since the District would be required to fund the shortfall from other available sources of funds which may not be sufficient.

Any prepayment of Series 2026 Special Assessments will result in the extraordinary mandatory redemption of a portion of the Series 2026 Bonds as indicated under “DESCRIPTION OF THE SERIES 2026 BONDS - Redemption Provisions - Extraordinary Mandatory Redemption.” The prepayment of Series 2026 Special Assessments does not entitle the owner of the property to a discount for early payment.

### **Indenture Provisions Relating to Bankruptcy or Insolvency of Certain Landowners**

For purposes of this heading and as described in the Master Indenture, (a) each Series of Bonds, including the Series 2026 Bonds, secured by and payable from Special Assessments, including the Series 2026 Special Assessments, levied against property owned by any Insolvent Taxpayer (as defined below) are collectively referred to herein as the “Affected Bonds” and (b) the Special Assessments levied against any Insolvent Taxpayer’s property and pledged under one or more Supplemental Indentures as security for the Affected Bonds are collectively referred to herein as the “Affected Special Assessments.”

The following provisions of the Master Indenture shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Series 2026 Special Assessments (an “Insolvent Taxpayer”) under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a “Proceeding”). For as long as any Series 2026 Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Series 2026 Bonds or the Series 2026 Special Assessments, the District, to the extent permitted by applicable law, shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Series 2026 Bonds or for as long as any Series 2026 Bonds remain Outstanding, in any proceeding involving the District, any Insolvent Taxpayer, the Series 2026 Bonds or the Series 2026 Special Assessments or the Trustee. The District agrees that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

In the Master Indenture, the District acknowledges and agrees that, although the Affected Bonds were issued by the District, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake with respect to the Affected Bonds and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the District, to the extent permitted by applicable law, hereby agrees that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Master Indenture; (b) to the extent permitted by applicable law, the District hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) to the extent permitted by applicable law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a bankruptcy plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing herein shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments and the District shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the issuer in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Series 2026 Special Assessments relating to the Series 2026 Bonds Outstanding whether such claim is pursued by the District or the Trustee.

## **Events of Default and Remedies**

Events of Default Defined. The Master Indenture provides that each of the following shall be an "Event of Default" under the Master Indenture, with respect to the Series 2026 Bonds:

(a) if payment of any installment of interest on any Series 2026 Bond is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Series 2026 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act which failure or incapacity may reasonably be determined solely by the Majority Holders; or

(d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in the Series 2026 Bonds and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Holders of not less than a majority in aggregate principal amount of the Outstanding Series 2026 Bonds; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the Series 2026 Reserve Account is less than the Series 2026 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Series 2026 Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or

(g) more than twenty percent (20%) of the “maintenance special assessments” levied by the District on District Lands upon which the Series 2026 Special Assessments are levied to secure the Series 2026 Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

No Acceleration; Redemption. No Series 2026 Bonds shall be subject to acceleration. Upon an Event of Default, no optional redemption or extraordinary mandatory redemption of the Series 2026 Bonds pursuant to the Indenture shall occur unless all of the Series 2026 Bonds where an Event of Default has occurred will be redeemed or if 100% of the Holders of the Series 2026 Bonds agree to such redemption; provided that in no event shall this provision preclude partial distribution under the provisions of the Master Indenture.

Legal Proceedings by Trustee. If any Event of Default with respect to the Series 2026 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holders of the Outstanding Series 2026 Bonds and receipt of indemnity to its satisfaction shall, in its own name:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2026 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Series 2026 Bondholders and to perform its or their duties under the Act;

(b) bring suit upon the Series 2026 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2026 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2026 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2026 Bonds.

Discontinuance of Proceedings by Trustee. If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, the District, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

Bondholders May Direct Proceedings. The Majority Holders then subject to remedial proceedings under the Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with applicable law and the applicable provisions of the Indenture.

The District agrees in the Indenture that it shall seek to secure the written direction of the Trustee, acting at the direction of the Majority Owners of the Series 2026 Bonds Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any proceedings or in any action related to a proceeding that affects, either directly or indirectly, the Series 2026 Special Assessments relating to the Series 2026 Bonds Outstanding, or any rights of the Trustee under the Indenture. However, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the Series 2026 Bonds Outstanding, to the proposed action if the District does not receive written direction from the Trustee within sixty (60) days or which shorter amount of time as would be required to comply with the ruling of the applicable court following receipt by the Trustee of the written request for direction.

Application of Moneys in Event of Default. Any moneys received by the Trustee or the Paying Agent, as the case may be, in connection with any proceedings brought under Article X of the Master Indenture with respect to the Series 2026 Bonds shall be applied in the following order of priority:

(a) to the payment of the costs of the Trustee and Paying Agent incurred in connection with actions taken under Article X of the Master Indenture with respect to such Series 2026 Bonds, including counsel fees and any disbursements of the Trustee and the Paying Agent and payment of unpaid fees and expenses owed to the Trustee.

then:

FIRST: to payment of all installments of interest then due on the Series 2026 Bonds in the order of maturity of such installments of interest, and, if the amount available shall not be sufficient

to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any preference or priority of one installment of interest over any other installment; and

SECOND: to payment to the persons entitled thereto of the unpaid principal or Redemption Price of any of the Series 2026 Bonds which shall have become due in the order of their due dates, with interest on such Series 2026 Bonds from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full the principal or Redemption Price coming due on such Series 2026 Bonds on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any preference or priority of one such Series 2026 Bond over another Bond or of any installment of interest over another.

Any surplus remaining after the payments described above shall be paid to the District or to the Person lawfully entitled to receive the same or as a court of competent jurisdiction may direct, provided, however, that the District shall be first entitled to recover any fees and costs of foreclosure or other proceedings incurred by the District in connection with enforcement of any delinquent Special Assessments.

## **ENFORCEMENT OF ASSESSMENT COLLECTIONS**

### **General**

The primary source of payment for the Series 2026 Bonds is the Series 2026 Special Assessments imposed on the assessable lands within the District specially benefited by the 2026 Project pursuant to the Assessment Proceedings. See “ASSESSMENT METHODOLOGY” herein and “APPENDIX D: ASSESSMENT METHODOLOGY.”

The determination, order, levy, and collection of Series 2026 Special Assessments must be done in compliance with procedural requirements and guidelines provided by State law. Failure by the District, the Miami-Dade County Tax Collector (the “Tax Collector”) or the Miami-Dade County Property Appraiser (the “Property Appraiser”) to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2026 Special Assessments during any year. Such delays in the collection of Series 2026 Special Assessments, or complete inability to collect any of the Series 2026 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on such Series 2026 Bonds. To the extent that landowners fail to pay the Series 2026 Special Assessments or delay payments, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2026 Bonds. The Act provides for various methods of collection of delinquent Series 2026 Special Assessments by reference to other provisions of the Florida Statutes. See “BONDOWNERS’ RISKS” herein. The following is a description of certain statutory provisions of assessment payment and collection procedures appearing in the Florida Statutes but is qualified in its entirety by reference to such statutes.

### **Alternative Uniform Tax Collection Procedure for Series 2026 Special Assessments**

Except as stated below, the District will covenant in the Indenture to collect the Series 2026 Special Assessments through the Uniform Method (as herein defined) with respect to platted lots. Pursuant to the terms and provisions of the Master Indenture, the District shall, pursuant to the provisions of the Assessment Resolutions, directly collect the Series 2026 Special Assessments levied in lieu of the Uniform Method

with respect to any assessable lands which have not yet been platted, unless the Trustee at the direction of the Majority Holders directs the District otherwise, or the timing for using the Uniform Method will not yet allow for using such method. At such time as the Series 2026 Special Assessments are collected pursuant to the Uniform Method, the provisions under this heading shall become applicable.

Section 197.3632, Florida Statutes, provides that, subject to certain conditions, non-ad valorem special assessments may be collected by using the uniform method of collection (the “Uniform Method”). The Uniform Method is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2026 Special Assessments to be levied and then collected in this manner. The District’s election to use a certain collection method with respect to the Series 2026 Special Assessments does not preclude it from electing to use another collection method in the future. See “Foreclosure” below with respect to collection of delinquent assessments not collected pursuant to the Uniform Method.

If the Uniform Method is utilized, the Series 2026 Special Assessments will be collected together with the County, school board, special district, and other ad valorem taxes and non-ad valorem assessments, all of which will appear on the tax bill (also referred to as a “tax notice”) issued to each landowner in the Development. The statutes relating to enforcement of ad valorem taxes and non-ad valorem assessments provide that such taxes and assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such taxes and assessments (including the Series 2026 Special Assessments, if any, being collected by the Uniform Method) are to be billed, and landowners in the Development are required to pay all such taxes and assessments, without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2026 Special Assessments. Upon any receipt of moneys by the Tax Collector from the Series 2026 Special Assessments, such moneys will be delivered to the District, which will remit such Series 2026 Special Assessments to the Trustee for deposit to the Series 2026 Revenue Account within the Revenue Fund, except that any Prepayments of Series 2026 Special Assessments shall be deposited to the Series 2026 Prepayment Subaccount within the Series 2026 Bond Redemption Account of the Bond Redemption Fund created under the Indenture and applied in accordance therewith.

All County, school and special districts, including the District, ad valorem taxes, non-ad valorem special assessments, including the Series 2026 Special Assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on bonds, are payable at one time, without preference in payment of any particular increment of the tax bill (such as the increment owing for the Series 2026 Special Assessments), except for partial payments as may be provided by Sections 197.374 and 197.222, Florida Statutes and when ad valorem taxes are challenged by the taxpayer as provided in Section 190.014, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. Except for such partial payments, if a taxpayer does not make complete payment of the total amount of all taxes and assessments (including the Series 2026 Special Assessments, if any, being collected by the Uniform Method), he or she cannot designate specific line items on his or her tax bill as deemed paid in full. In such cases, the Tax Collector does not accept such partial payment and the partial payment is returned to the taxpayer. Therefore, in the event the Series 2026 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item on a tax bill, would cause the Series 2026 Special Assessments to not be collected as to that tax bill, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2026 Bonds. In cases where a taxpayer challenges the assessed value of property or otherwise challenges their ad valorem taxes to the County’s value adjustment board, Section 190.014, Florida Statutes, requires payment of all of the non-ad valorem assessments and a partial payment of at least seventy-five percent

(75%) of the ad valorem taxes (less the applicable discount), before the taxes become delinquent; if such payments are not made, the value adjustment board will deny the petition by April 20, and taxes are delinquent and collected as provided below.

Under the Uniform Method, if the Series 2026 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid taxes and assessments become delinquent on April 1 of the year following assessment. The Tax Collector is required to collect the ad valorem taxes and non-ad valorem special assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such taxes and assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process.

Neither the District nor the Underwriter can give any assurance to the holders of the Series 2026 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2026 Special Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2026 Special Assessments, (3) that a market may exist in the future for tax certificates (as described below) in the event of sale of such tax certificates for residential units within the District, and (4) that the eventual sale of tax certificates (as described below) for real property within the Development, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2026 Special Assessments and all other liens that are coequal therewith. See "BONDOWNERS' RISKS" herein.

Collection of delinquent Series 2026 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2026 Special Assessments due. In the event of a delinquency in the payment of taxes and assessments on real property, the landowner may, prior to the sale of tax certificates, pay the total amount of delinquent ad valorem taxes and non-ad valorem assessments plus the cost of advertising and the applicable interest charge on the amount of such delinquent taxes and assessments. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates on such property to the person who pays the delinquent taxes and assessments owing, penalties and interest thereon and certain costs, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%). Tax certificates are sold by public bid. If there are no bidders, the tax certificate is issued to the County. During the pendency of any litigation arising from the contest of a landowner's tax assessment collected through the Uniform Method, which may possibly include non-ad valorem special assessments such as the Series 2026 Special Assessments, it is possible that the tax collector will not sell tax certificates with respect to such property. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest (currently 18%). The Tax Collector does not collect any money if tax certificates are "struck off" (issued) to the County. The County may sell such certificates to the public at any time at the principal amount thereof plus interest at the rate of not more than 18% per annum and a fee. Proceeds from the sale of tax certificates are required to be used to pay taxes and assessments (including the Series 2026 Special Assessments), interest, costs and charges on the real property described in the certificate. The demand for such certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the Development may affect the demand for certificates and the successful collection of the Series 2026 Special Assessments, which are the primary source of payment of the Series 2026 Bonds. Legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued (unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees), at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, charges and omitted taxes due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5% to the holders thereof, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described in the preceding paragraph.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and the amount paid by such holder in applying for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, and all other amounts paid by such person in applying for a tax deed, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the County may, at any time within ninety (90) days from the date of offering for public sale, purchase the land without further notice or advertising for a statutorily prescribed opening bid. After ninety (90) days have passed, any person or governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments

accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date of delinquency, unsold lands escheat to the county in which they are located and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such county.

### **Foreclosure**

The following discussion regarding foreclosure is not applicable if the Series 2026 Special Assessments are being collected pursuant to the Uniform Method. In the event that the District, itself, directly levies and enforces, pursuant to Chapters 170 and 190, Florida Statutes, the collection of the Series 2026 Special Assessments levied on the land within the District, Section 170.10, Florida Statutes provides that upon the failure of any property owner to pay all or any part of the principal of a special assessment, including a Series 2026 Special Assessment, or the interest thereon, when due, all of the Series 2026 Special Assessments levied on the land owned by such property owner shall be accelerated and the governing body of the entity levying the assessment, including such Series 2026 Special Assessments, is authorized to commence legal proceedings for the enforcement of the payment thereof, including commencement of an action in chancery, commencement of a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or commencement of an action under Chapter 173, Florida Statutes relating to foreclosure of municipal tax and special assessment liens. Such proceedings would be in rem, meaning that each would be brought against the land not against the owner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2026 Special Assessments and the ability to foreclose the lien of such Series 2026 Special Assessments upon the failure to pay such Series 2026 Special Assessments may not be readily available or may be limited as such enforcement is dependent upon judicial action which is often subject to discretion and delay.

## **BONDOWNERS' RISKS**

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments, such as the Series 2026 Bonds. Certain of these risks are described under other headings of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2026 Bonds offered hereby and are set forth below. Prospective investors in the Series 2026 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2026 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. The information under this heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2026 Bonds and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2026 Bonds.

### **Concentration of Land Ownership**

As of the date hereof, the Land Bank and the Developer are the landowners of the majority of the assessable lands within the Development, which are the lands that will be subject to the Series 2026 Special Assessments securing the Series 2026 Bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS" herein. Payment of the Series 2026 Special Assessments is primarily dependent upon their timely payment by the Land Bank, the Developer and subsequent landowners in the Development. See "THE LAND BANK AND THE DEVELOPER" herein.

### **Bankruptcy and Related Risks**

In the event of the institution of bankruptcy or similar proceedings with respect to the Land Bank, the Developer or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2026 Bonds as such bankruptcy could negatively impact the ability of: (i) the Land Bank, the Developer and any other landowner being able to pay the Series 2026 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2026 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2026 Special Assessments not being collected pursuant to the Uniform Method. The Uniform Method will not be used with respect to any assessable lands which are subject to a replat unless the majority of the owners of the Bonds Outstanding direct the District to use the Uniform Method or the timing for using the Uniform Method will not allow for using such method. In addition, the remedies available to the Owners of the Series 2026 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2026 Bonds, including, without limitation, enforcement of the obligation to pay Series 2026 Special Assessments and the ability of the District to foreclose the lien of the Series 2026 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2026 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2026 Bonds could have a material adverse impact on the interest of the Owners thereof.

## **Series 2026 Special Assessments are Non-Recourse**

The principal security for the payment of the principal and interest on the Series 2026 Bonds is the timely collection of the Series 2026 Special Assessments. The Series 2026 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the landowners will be able to pay the Series 2026 Special Assessments or that they will pay such Series 2026 Special Assessments even though financially able to do so. Beyond legal delays that could result from bankruptcy or other legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the Tax Collector to sell tax certificates in regard to delinquent Series 2026 Special Assessments collected pursuant to the Uniform Method will be dependent upon various factors, including the interest rate which can be earned by ownership of such certificates and the value of the land which is the subject of such certificates. The assessment of the benefits to be received by the benefited land within the Development as a result of implementation and development of the 2026 Project is not indicative of the realizable or market value of the land, which value may actually be higher or lower than the assessment of benefits. To the extent that the realizable or market value of the land benefited by the 2026 Project is lower than the assessment of benefits, the ability of the Tax Collector to sell tax certificates relating to such land or the ability of the District to realize sufficient value from a foreclosure action to pay debt service on the Series 2026 Bonds may be adversely affected. Such adverse effect could render the District unable to collect delinquent Series 2026 Special Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2026 Bonds.

Neither the Land Bank, the Developer nor any other subsequent landowner within the Development has any obligation to pay the Series 2026 Special Assessments. As described in the paragraph above, the Series 2026 Special Assessments are an imposition against the land only. Neither the Land Bank, the Developer or any other subsequent landowner is a guarantor of payment of any Series 2026 Special Assessment and the recourse for the failure of the Land Bank, the Developer or any other subsequent landowner to pay the Series 2026 Special Assessments is limited to the collection proceedings against the land as described herein.

## **Regulatory and Environmental Risks**

The development of the 2026 Project is subject to comprehensive federal, state and local regulations and future changes to such regulations, including but not limited to, federal and state economic and trade policies. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See “THE DEVELOPMENT – Development Approvals,” and “– Environmental” herein for more information.

The value of the land within the District, the success of the development of the Development and the likelihood of timely payment of principal and interest on the Series 2026 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Series 2026 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. Except as described under “THE DEVELOPMENT – Environmental”, the

Land Bank and the Developer are not aware of any condition which currently requires, or is reasonably expected to require in the foreseeable future, investigation or remediation under any applicable federal, state or local governmental laws or regulations relating to the environment. See “THE DEVELOPMENT – Environmental” for more information on the Developer’s environmental site assessments. Nevertheless, it is possible that hazardous environmental conditions could exist within the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District and no assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future whether originating within the Development or from surrounding property, and what effect such may have on the development of the Development.

### **Catastrophic Event Risks**

The value of the lands subject to the Series 2026 Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future development. Changing weather patterns have increased the likelihood of flooding within the County. The occurrence of any such events could materially adversely impact the District’s ability to pay principal and interest on the Series 2026 Bonds. The Series 2026 Bonds are not insured and the District’s casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

### **Economic Conditions and Changes in Development Plans**

The successful sale of the residential units, once such homes are built within the District may be affected by unforeseen changes in general economic conditions, including trade policies, fluctuations in the real estate market and other factors beyond the control of the Land Bank and the Developer. Moreover, the Developer has the right to modify or change its plan for development of the Development, from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with, and subject to the provisions of the Act, to contract or expand the boundaries of the District.

### **Other Taxes and Assessments**

The willingness and/or ability of an owner of benefited land to pay the Series 2026 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the County or any other local special purpose or general purpose governmental entities. County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2026 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District, could, without the consent of the owners of the land within the Development, impose additional taxes on the property within the Development. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2026 Special Assessments. In addition, lands within the Development may also be subject to assessments or fees by property and home owner associations.

Under Florida law, a landowner may contest the assessed valuation determined for its property which forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a Tax Certificate under the Uniform Method will be suspended. If the Series 2026 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to the Series 2026 Special Assessment even though the landowner is not contesting the

amount Series 2026 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers to pay all non-ad valorem taxes and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. In the event a taxpayer fails to pay their property taxes by April 1, the Value Adjustment Board is required to deny their petition by written decision by April 20 of such year.

### **Limited Secondary Market for Series 2026 Bonds**

The Series 2026 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2026 Bonds in the event an Owner thereof determines to solicit purchasers of the Series 2026 Bonds. The Series 2026 Bonds are being sold pursuant to exemptions from registration under applicable securities laws. No secondary market may develop and an owner may not be able to resell the Series 2026 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2026 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2026 Bonds, depending on the progress of development of the Development and the lands within the District, existing real estate and financial market conditions and other factors.

### **Inadequacy of Reserve Account**

In addition to legal delays that could result from bankruptcy or legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the District to enforce collection of delinquent Series 2026 Special Assessments will be dependent upon various factors, including the delay inherent in any judicial proceeding to enforce the lien of the Series 2026 Special Assessments and the value of the land which is the subject of such proceedings and which may be subject to sale. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS – Indenture Provisions Relating to Bankruptcy or Insolvency of Certain Landowners” herein. If the District has difficulty in collecting the Series 2026 Special Assessments, the moneys on deposit in the Series 2026 Reserve Account could be rapidly depleted and the ability of the District to pay debt service would be materially adversely affected. In addition, during an Event of Default under the Master Indenture, the Trustee may withdraw moneys from the Series 2026 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2026 Reserve Account is accessed for such purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2026 Special Assessments in order to provide for the replenishment of the Series 2026 Reserve Account.

### **Legal Delays**

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2026 Special Assessments if the Series 2026 Special Assessments are not being collected pursuant to the Uniform Method, such landowners may raise affirmative defenses to such foreclosure action, which although such affirmative defenses would likely be proven to be without merit, could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Series 2026 Bondholders to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code (as hereinafter defined), there are limitations on the amounts of Series 2026 Bond proceeds that can be used for such purpose.

## **IRS Examination and Audit Risk**

The Internal Revenue Service (the “IRS”) routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the “Audited Bonds”) issued by Village Center Community Development District (the “Village Center CDD”). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum (“TAM”) concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS’s conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a “proper issuer of tax-exempt bonds” and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations require that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department (“Treasury”) announced that it will withdraw the proposed regulations, stating that, “while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS believed that these proposed regulations should be withdrawn in their entirety.” On October 20, 2017 a notice of withdrawal was published in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts’ bonds’ tax-exempt status, but has advised such districts that they must have qualified electors within five years of the issuance of tax-exempt bonds or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the later of six years and there are 250 qualified electors in the district. The District, unlike

Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by resident landowners unaffiliated with the Developer. Currently, all members of the Board of the District were elected by the Developer and none were elected by qualified electors or resident landowners. The Developer will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors or resident landowners pursuant to the Act, and its expectations as to compliance with the Act by any members of the Board that they elect; thus, if the District does not reach the minimum of 250 qualified electors after the sale of units to homebuyers, although the Board will continue to be elected by landowners, these landowners will be homebuyers, in the District. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2026 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable state or federal law.

Owners of the Series 2026 Bonds are advised that, if the IRS does audit the Series 2026 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2026 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2026 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2026 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2026 Bonds would adversely affect the availability of any secondary market for the Series 2026 Bonds. Should interest on the Series 2026 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2026 Bonds be required to pay income taxes on the interest received on such Series 2026 Bonds and related penalties, but because the interest rate on such Series 2026 Bonds will not be adequate to compensate Owners of the Series 2026 Bonds for the income taxes due on such interest, the value of the Series 2026 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATE ON THE SERIES 2026 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2026 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2026 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2026 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2026 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

### **Loss of Exemption from Securities Registration**

In addition to a possible determination by the IRS that the District is not a political subdivision for purposes of the Code, and regardless of the IRS determination, it is possible that federal or state regulatory authorities could also determine that the District is not a political subdivision for purposes of the federal and state securities laws. Accordingly, the District and purchasers of Series 2026 Bonds may not be able to rely on the exemption from registration under the Securities Act of 1933, as amended (the “Securities Act”), relating to securities issued by political subdivisions. In that event the Owners of the Series 2026 Bonds would need to ensure that subsequent transfers of the Series 2026 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act.

## **Federal Tax Reform**

Various proposals are mentioned from time to time by members of the Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of changing the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2026 Bonds, by eliminating or changing the tax-exempt status of interest on certain of such bonds. Whether any of such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2026 Bonds, cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2026 Bonds. See also “TAX MATTERS.”

## **Insufficient Resources or Other Factors Causing Failure to Complete the Development**

There can be no assurance, in the event the District does not have sufficient moneys on hand to complete the 2026 Project, that the District will be able to raise through the issuance of bonds, or otherwise, the moneys necessary to complete the 2026 Project. Further, pursuant to the First Supplemental Indenture, the District covenants not to issue any other Bonds or other debt obligations secured by the Series 2026 Special Assessments. Such covenant shall not prohibit the District from issuing refunding bonds. In addition, the District covenants not to issue any other Bonds or debt obligations secured by Special Assessments on assessable lands within the District that are subject to the Series 2026 Special Assessments unless the Series 2026 Special Assessments levied within the District have been Substantially Absorbed, provided the foregoing shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. Notwithstanding any provision in the Indenture to the contrary, the District may issue other Bonds or debt obligations secured by Special Assessments levied on the same land upon which the Series 2026 Special Assessments have been levied at any time upon the written consent of the Majority Holders or at any time without any such consent if Special Assessments are levied on any lands within the District which are not subject to the Series 2026 Special Assessments. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS – Additional Obligations” for more information.

The Developer will enter into a completion agreement with the District with respect to any unfinished portions of the 2026 Project, not funded with proceeds of the Series 2026 Bonds. The Land Bank and the Developer will execute and deliver to the District a collateral assignment agreement, pursuant to which the Land Bank and the Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Land Bank or the Developer, development rights relating to the 2026 Project. Notwithstanding such collateral assignment agreement, in the event the District forecloses on the lands subject to the Series 2026 Special Assessments as a result of the Land Bank’s, the Developer’s or subsequent landowners’ failure to pay such assessments, there is a risk that the District or its designee will not have all permits and entitlements necessary to complete the development of the Development. All such obligations of the Developer and the Land Bank are unsecured obligations. See “THE 2026 PROJECT” and “THE DEVELOPMENT” herein for more information.

## **State Tax Reform**

It is impossible to predict what new proposals may be presented regarding ad valorem tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of

Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renews requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the “Executive Order”) directing the Office of Policy and Budget in the Executive Office of the Governor (“OPB”) to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any future legislation will or may have on the security for the Series 2026 Bonds. It should be noted that Section 190.16(14) of the Act provides in pertinent part that “The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders.”

### **Payment of Series 2026 Special Assessments after Bank Foreclosure**

In the event a bank forecloses on property within the District because of a default on a mortgage on such property in favor of such bank and then the bank itself fails, the Federal Deposit Insurance Corporation (the “FDIC”), as receiver will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2026 Special Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

### **Cybersecurity**

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties’ digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2026 Bonds.

### **Pandemics and Other Public Health Emergencies**

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Developer, the Land Bank, the timely and successful completion of the Development and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also “BONDOWNERS’ RISKS – Economic Conditions and Changes in Development Plans” and “– Insufficient Resources or Other factors Causing Failure to Complete Development” herein.

### **Prepayment and Redemption Risk**

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2026 Bonds are subject to extraordinary mandatory redemption as a result of prepayments of the Series 2026

Special Assessments by owners of the property within the Development. Any such redemptions of the Series 2026 Bonds would be at the principal amount of such Series 2026 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2026 Bonds may not realize their anticipated rate of return on the Series 2026 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2026 Bonds. See “DESCRIPTION OF THE SERIES 2026 BONDS – Redemption Provisions” and “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS – Prepayment of Series 2026 Special Assessments” herein for more information.

## **THE DISTRICT**

### **General Information**

The District was established under the provisions of the Act and created by Ordinance No. 25-43 adopted by the Board of County Commissioners of the County on May 6, 2025 and became effective on May 16, 2025, pursuant to the provisions of the Act. The current boundaries of the District include approximately 38.48+/- gross acres of land (the “District Lands”) located entirely within the unincorporated area of the County.

### **Legal Powers and Authority**

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter. The District is classified as an independent district under Chapter 189, Florida Statutes.

Among other provisions, the Act gives the District’s Board of Supervisors, as governing body of the District (the “Board”), the authority to, among other things, (a) plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; and (iv) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits; these functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any owner of Bonds of the District to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2026 Bonds.

### **Board of Supervisors**

The Board is composed of five supervisors (each, a “Supervisor”). The Act provides that, at the initial meeting of the landowners, Supervisors must be elected by the landowners with the two Supervisors

receiving the highest number of votes to serve for four years and the remaining Supervisors to serve for a two-year term. Three of the five Supervisors are elected to the Board every two years in November. At such election the two Supervisors receiving the highest number of votes are elected to four-year terms and the remaining Supervisor is elected to a two-year term. Until the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, or such earlier time as the Board may decide to exercise its ad valorem taxing power, the Supervisors are elected by vote of the landowners of the District. Ownership of the land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number and, for purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre and shall not be aggregated for determining the number of voting units held). Upon the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, the Supervisors whose terms are expiring will be elected (as their terms expire) by qualified electors of the District, except as described below. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State of Florida and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, both to four-year terms. Thereafter, as terms expire, all Supervisors must be qualified electors and are elected to serve four-year terms. If there is a vacancy on the Board, whether as a result of the resignation or removal of a Supervisor or because no elector qualifies for a seat to be filled in an election, the remaining Board members are to fill such vacancy for the unexpired term.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be qualified electors and shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Teresa Baluja*	Chairperson	November 2029
Vanessa Perez*	Vice-Chairperson	November 2029
Carmen Orozco*	Assistant Secretary	November 2027
Marc Szasz*	Assistant Secretary	November 2027
Raisa Krause*	Assistant Secretary	November 2027

---

\* Employee of, or affiliated with, the Developer.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the Board shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida’s open meeting or “Sunshine” law.

### **The District Manager and Other Consultants**

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Governmental Management Services – South Florida, LLC, Sunrise, Florida, to serve as its district manager (“District Manager”). The District Manager’s office is located at 5385 N. Nob Hill Road, Sunrise, Florida 33351.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Greenberg Traurig, P.A., West Palm Beach, Florida, as Bond Counsel; Alvarez Engineers, Inc., Doral, Florida, as District Engineer; and Billing Cochran, P.A., Fort Lauderdale, Florida, as District Counsel. The Board has also retained the District Manager to serve as Methodology Consultant and to prepare the Assessment Methodology and to serve as dissemination agent for the Series 2026 Bonds.

### **No Existing Indebtedness**

The District has not previously issued any other bonds or indebtedness.

The District Engineer, in the Engineer’s Report, estimates the total cost to complete the 2026 Project to be approximately \$12,199,000, as more particularly described below. The Series 2026 Bonds are being issued to finance a portion of the 2026 Project.

<u>2026 Project Description</u>	<u>Total Costs</u>

Land development associated with the Development is substantially complete, with final completion expected by May 2026. A final plat for the 115 platted lots within the Development was recorded on September 16, 2025. As of February 9, 2026, approximately \$15.8 million has been spent on land development costs associated with the Development. See “THE DEVELOPMENT – Development Plan/Status” herein.

The net proceeds of the Series 2026 Bonds to be deposited into the Series 2026 Acquisition and Construction Account will be approximately \$2.6 million\* and such proceeds will be used by the District towards the funding and/or acquisition of a portion of the 2026 Project. The Developer will enter into a completion agreement that will obligate the Developer to complete any portions of the 2026 Project not funded with proceeds of the Series 2026 Bonds. See “BONDOWNERS’ RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the Development” herein.

The District Engineer has indicated that all engineering permits necessary to construct the 2026 Project have either been obtained or are reasonably expected to be obtained in the ordinary course of business. See “APPENDIX C – ENGINEER’S REPORT” for more information.

## ASSESSMENT METHODOLOGY

### General

The Master Assessment Methodology for Special Assessment Bonds Epmore Community Development District dated July 11, 2025, amended on February 20, 2025 (the “Master Methodology”), as supplemented by the final First Supplemental Assessment Methodology for Special Assessment Bonds, Series 2026 (2026 Project) to be dated the sale date of the Series 2026 Bonds (the “Supplemental Methodology” and together with the Master Methodology, the “Assessment Methodology”), describes the methodology for allocation of the Series 2026 Special Assessments to lands within the Development, has been prepared by Governmental Management Services – South Florida, LLC, Sunrise, Florida (the “Methodology Consultant”). See “EXPERTS” herein for more information. The Assessment Methodology is included herein as APPENDIX D. Once the final terms of the Series 2026 Bonds are determined, the Supplemental Methodology will be amended to reflect such final terms.

Once levied and imposed, the Series 2026 Special Assessments are a first lien on the land against which assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other non-federal units of government. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein.

### Series 2026 Special Assessments

As set forth in the Assessment Methodology, the Series 2026 Special Assessments will at issuance be levied on the 115 platted lots within the Development on the per unit basis set forth. A final plat for the 115 platted lots within the Development was recorded on September 16, 2025. See “THE DEVELOPMENT – Development Plan/Status” and “APPENDIX D: ASSESSMENT METHODOLOGY” herein. See “THE DEVELOPMENT – Development Plan/Status” and “APPENDIX D: ASSESSMENT METHODOLOGY” herein.

<u>Product Type</u>	<u>No. of Units</u>	<u>Annual Series 2026 Special Assessments Per Unit</u> <sup>*/**</sup>	<u>Series 2026 Bonds Par Debt Per Unit</u> <sup>*</sup>
Single-Family	115	\$1,794.87	\$25,956.52

\*Preliminary, subject to change.

\*\* This amount will be grossed up to include early payment discounts and County collection fees, currently 5%.

The District anticipates levying assessments to cover its operation and maintenance costs that are initially expected to be approximately \$363.35 per residential unit annually; which amount is subject to change. In addition, residents within the District will be required to pay homeowners association fees, which are currently estimated to be approximately \$130.31 per residential unit annually. The land within the District has been and is expected to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2025 was approximately 16.9317 mills, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2026 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Miami-Dade County, Florida may each levy ad valorem taxes and/or special assessments upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

## **True-Up Mechanism**

The Assessment Methodology sets forth a “true-up mechanism” which prevents any buildup of debt on properties that have not been platted, re-platted, assigned development rights or subjected to a declaration of condominium on land within the Development (“Unassigned Properties”). At the time Unassigned Properties becomes platted, re-platted, site planned, or subject to a declaration of condominium (“Assigned Properties”), the District will determine the amount of anticipated assessment revenue that remains on the Unassigned Properties, taking into account the proposed plat, re-plat or site plan approval. If the total anticipated assessment revenue to be generated from the Assigned and Unassigned Properties is less than the required amount to pay maximum annual debt service on the Series 2026 Bonds, then a debt reduction payment by the landowner in the amount necessary to reduce the par amount of the outstanding Series 2026 Bonds plus accrued interest to a level that will be supported by the new maximum annual debt service will be required. This debt reduction payment would result in the extraordinary mandatory redemption of a portion of the Series 2026 Bonds. See “APPENDIX D: ASSESSMENT METHODOLOGY” herein for additional information regarding the “true-up mechanism.”

## THE DEVELOPMENT

### General

The District contains approximately 38.48+/- gross acres of land located within the unincorporated area of Miami-Dade County, Florida (the “County”) planned to contain 115 single-family residential units (the “Development”). The Development is being marketed under the name “Wildwood Groves.” The Development is bounded by SW 159th Avenue on the east, SW 276th Street on the south, SW 162nd Avenue on the west and SW 272nd Street on the north. Downtown Miami is located approximately 30 miles to the northeast of the Development. Set forth below is a map which depicts the approximate location of the Development.

The Series 2026 Bonds are being issued to finance a portion of the 2026 Project. The Series 2026 Bonds will be secured by the Series 2026 Special Assessments which will at issuance be levied on the 115 platted lots within the Development. A final plat for the 115 platted lots within the Development was recorded on September 16, 2025. See “APPENDIX D – ASSESSMENT METHODOLOGY” herein.

TPG AG EHC III (LEN) Multi State 4, LLC, a Delaware limited liability company (the “Land Bank”) is the primary landowner within the Development. Lennar Homes, LLC, a Florida limited liability company (the “Developer”) has entered into a Construction Agreement (as hereinafter defined) and an Option Agreement (as hereinafter defined) with the Land Bank. Pursuant to the Construction Agreement, the Developer will manage the installation of infrastructure improvements for all 115 lots within the Development. Pursuant to the Option Agreement, the Developer has the option to purchase all 115 developed lots subject to the Construction Agreement. The Developer will construct and market all 115 planned residential units for sale to homebuyers. As of February 9, 2026, the Land Bank owns 48 lots within the Development, the Developer owns 15 lots within the Development and the remaining 52 homes have closed with homebuyers. See “– Land Acquisition, the Construction Agreement and the Option Agreement” and “THE LAND BANK AND THE DEVELOPER” herein for more information.

Sales and vertical construction of residential units within the Development are underway. As of February 9, 2026, 52 residential units have closed with homebuyers and an additional 21 residential units have been sold to homebuyers pending closing. In addition to the 52 residential homes that have closed with homebuyers, an additional 30 residential units within the Development are currently under construction.

Single-family units within the Development are expected to range in size from 2,086 square feet to 3,468 square feet with prices ranging from \$719,990 to \$839,990. The target market for the Development is first-time homebuyers and move-up homebuyers. See “– Residential Product Offerings” herein for more information.

### **Land Acquisition, the Construction Agreement and the Option Agreement**

The Land Bank acquired the lands within the Development in November 2024, for an aggregate purchase price of approximately \$16.77 million, which was paid for with equity. The Land Bank has no mortgages on the lands within the Development.

The Land Bank has entered into a Construction Agreement dated November 1, 2024, as may be amended and supplemented from time to time (the “Construction Agreement”) with the Developer pursuant to which the Developer will manage the installation of infrastructure improvements for 115 lots within the Development and the Land Bank is obligated to reimburse the Developer for the associated costs incurred related to such 115 lots, not funded with proceeds of the Series 2026 Bonds.

The Developer and the Land Bank entered into an Option Agreement dated November 1, 2024, as may be amended and supplemented from time to time (the “Option Agreement”). Pursuant to the Option Agreement, the Developer paid the Land Bank an option payment of \$4,353,762 (the “Option Payment”) for the right for the Developer to acquire the 115 developed lots within the Development at approximately \$340,729.23 per single-family unit, for an aggregate purchase price of \$39,183,862. The Option Payment is nonrefundable except in the event of a default by the Land Bank and is to be applied against lot takedowns in accordance with the terms of the Option Agreement.

Pursuant to the Option Agreement, the initial takedown occurred in October 2025 and the remaining takedowns are required to occur every month, until all lots have been acquired. The Developer has the right

to acquire the lots early, subject to an early purchase premium, and to terminate the Option Agreement at any time upon delivery of written notice to the Land Bank. As of February 9, 2026, the Land Bank owns 48 lots within the Development, the Developer owns 15 lots within the Development and the remaining 52 homes have closed with homebuyers. See “BONDOWNERS’ RISKS - Insufficient Resources or Other Factors Causing Failure to Complete the Development” herein.

**Development Finance Plan**

The total land development costs associated with the Development are expected to be approximately \$18.8 million, consisting of the costs of the 2026 Project and other hard and soft costs. As of February 9, 2026, approximately \$15.8 million has been spent on land development costs associated with the Development. Net proceeds of the Series 2026 Bonds to be deposited into the Series 2026 Acquisition and Construction Account will be approximately \$2.6 million\* and such proceeds will be used by the District towards the funding and/or acquisition of a portion of the 2026 Project. The Developer will enter into a completion agreement that will obligate the Developer to complete any portions of the 2026 Project not funded with proceeds of the Series 2026 Bonds. See “BONDOWNERS’ RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the Development” herein.

**Development Plan / Status**

Land development associated with the Development is substantially complete, with final completion expected by May 2026. A final plat for the 115 platted lots within the Development was recorded on September 16, 2025.

Sales and vertical construction of residential units within the Development are underway. As of February 9, 2026, 52 residential units have closed with homebuyers and an additional 21 residential units have been sold to homebuyers pending closing. In addition to the 52 residential homes that have closed with homebuyers, an additional 30 residential units within the Development are currently under construction.

It is expected that all 115 residential units within the Development will be delivered to homebuyers in 2026. This anticipated absorption is based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

**Residential Product Offerings**

The target customers for units within the Development are first-time homebuyers and move-up homebuyers. The following table reflects the Developer’s current expectations for the residential units to be constructed within the Development, along with the number of bedrooms, bathrooms, square footages, estimated home prices, all of which are subject to change.

<u>Product Type</u>	<u>Square Footage</u>	<u>Beds/Baths</u>	<u>Price Range</u>
Single-Family	2,086 to 3,468	3 to 5 Bedrooms, 2.5 to 4 Baths	\$719,990 to \$839,990

---

\* Preliminary, subject to change.

## **Development Approvals**

The land within the Development, including, without limitation, the land therein subject to the Series 2026 Special Assessments, is zoned to allow for the contemplated residential uses described herein. The land within the Development is currently located within flood zone X (moderate to low flooding risk).

All permits have been received by jurisdictional agencies to allow for the development contemplated herein or are reasonably expected to be received in the ordinary course.

## **Environmental**

A Phase I Environmental Site Assessment was prepared by SCS Engineers, Inc. (“SCS”), dated August 23, 2024 (the “ESA”), covering the land in the Development. The ESA concluded the documented presence of copper, arsenic, and pesticides above residential cleanup target levels (“RCTLs”) set by Miami-Dade County Division of Environmental Resource Management (“DERM”) and the Florida Department of Environmental Protection (“FDEP”) is a recognized environmental condition. The land on which the Development is located was historically used for agricultural purposes, as was much of the land in the general area surrounding the Development. The historic agricultural use may have involved the use of chemicals such as fertilizers and pesticides, which can result in residual elevated concentrations of contaminants in soil and groundwater in the Development.

To investigate the potential impacts of the historical uses of the land, SCS conducted, with oversight by DERM, site assessment activities involving soil and groundwater testing. Concentrations of arsenic, copper, and pesticide exceedances were identified in soil. A groundwater assessment did not detect any contaminants above the groundwater cleanup target levels. The Developer has proposed various soil management strategies to address the soil conditions, which may include removal of contaminated soils and soil blending. SCS is seeking a determination from DERM that the soil and groundwater conditions are consistent with sub-regional background concentrations.

The Developer estimates that the total cost of remediation is expected to be approximately \$1.7 million. As of February 9, 2026, the Developer has spent approximately \$1.6 million on remediation, which is expected to be completed by March 2027. A No Further Action without conditions letter by DERM is expected to be received by March 2027 and is not expected to have an adverse effect on construction or sales of residential units within the Development. The Development has been designed to use municipal water supply (not groundwater) for potable water and irrigation. See “BONDOWNERS’ RISK – Regulatory and Environmental Risks” herein for more information regarding potential environmental risks.

## **Utilities**

Potable water and wastewater treatment for the Development are expected to be provided by Miami-Dade County, Florida. Electric power is expected to be provided by Florida, Power & Light. Cable television and broadband cable services are expected to be provided by Fision X/Hotwire Communications. All utility services are available to the Development.

## Taxes, Fees and Assessments

As set forth in the Assessment Methodology, the Series 2026 Special Assessments will at issuance be levied on the 115 platted lots within the Development on the per unit basis set forth below. A final plat for the 115 platted lots within the Development was recorded on September 16, 2025. See “THE DEVELOPMENT – Development Plan/Status” and “APPENDIX D: ASSESSMENT METHODOLOGY” herein. See “THE DEVELOPMENT – Development Plan/Status” and “APPENDIX D: ASSESSMENT METHODOLOGY” herein.

<u>Product Type</u>	<u>No. of Units</u>	<u>Annual Series 2026 Special Assessments Per Unit</u> <sup>**</sup>	<u>Series 2026 Bonds Par Debt Per Unit</u> <sup>*</sup>
Single-Family	115	\$1,794.87	\$25,956.52

\*Preliminary, subject to change.

\*\* This amount will be grossed up to include early payment discounts and County collection fees, currently 5%.

The District anticipates levying assessments to cover its operation and maintenance costs that are initially expected to be approximately \$363.35 per residential unit annually; which amount is subject to change. In addition, residents within the District will be required to pay homeowners association fees, which are currently estimated to be approximately \$130.31 per residential unit annually. The land within the District has been and is expected to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2025 was approximately 16.9317 mills, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2026 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the County and the School District of Miami-Dade County, Florida may each levy ad valorem taxes and/or special assessments upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

## Education

Students in elementary school are expected to attend Redland Elementary School, which was rated “B” by the Florida Department of Education for 2025. Students in middle school are expected to attend Redland Middle School, which was rated “B” by the Florida Department of Education for 2025. Students in high school are expected to attend South Dade Senior High School, which was rated “A” by the Florida Department of Education for 2025. There are also several private and charter school alternatives in the vicinity of the Development.

## Competition

The following community has been identified by the Developer as being competitive with the Development because of its proximity to the Development, price ranges and product types: Messina Place by D.R. Horton, Inc.

The information under this heading does not purport to list all of the existing or planned communities in the area of the Development, but rather provide a list of those that the Developer feels pose primary competition to the Development.

ASSESSMENTS. NONE OF THE ENTITIES LISTED HEREIN, OTHER THAN THE DEVELOPER AND THE LAND BANK, HAVE ENTERED INTO ANY AGREEMENTS IN CONNECTION WITH THE ISSUANCE OF THE SERIES 2026 BONDS.

## TAX MATTERS

### General

The Internal Revenue Code of 1986, as amended (the “Code”), includes requirements which the District must continue to meet after the issuance of the Series 2026 Bonds in order that the interest on the Series 2026 Bonds be and remain excludable from gross income for federal income tax purposes. The District’s failure to meet these requirements may cause the interest on the Series 2026 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2026 Bonds. The District has covenanted in the Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2026 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications of the District and the Developer and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings and court decisions, the interest on the Series 2026 Bonds is excludable from gross income of the holders thereof for federal income tax purposes. Interest on the Series 2026 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2026 Bonds is not excluded from the determination of adjusted financial statement income. Bond Counsel is further of the opinion that the Series 2026 Bonds and the income thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2026 Bonds. Prospective purchasers of the Series 2026 Bonds should consult their own tax advisors as to the status of interest on the Series 2026 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2026 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Developer, and compliance with certain covenants of the District to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2026 Bonds will be and will remain obligations, the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other consequences regarding the Series 2026 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2026 Bonds, or the ownership or disposition of the Series 2026 Bonds. Prospective purchasers of Series 2026 Bonds should be aware that the ownership of Series 2026 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2026 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2026 Bonds, (iii) the inclusion of the interest on the Series 2026 Bonds in the earnings of certain foreign corporations

doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Series 2026 Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Series 2026 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Series 2026 Bonds generally must be taken into account when computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt of certain investment income, including interest on the Series 2026 Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2026 Bonds. Prospective purchasers of the Series 2026 Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2026 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and are not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

### **Original Issue Discount and Premium**

Certain of the Series 2026 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (i.e., for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2026 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale or other disposition of that Discount Bond.

Certain of the Series 2026 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition

of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

*Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.*

### **Changes in Federal and State Tax Law**

From time to time, there are legislative proposals suggested, debated, introduced or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Series 2026 Bonds, adversely affect the market price or marketability of the Series 2026 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2026 Bonds. Prospective purchasers of the Series 2026 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

### **Information Reporting and Backup Withholding**

Interest paid on tax-exempt bonds such as the Series 2026 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2026 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2026 Bonds, under certain circumstances, to “backup withholding” at the rates set forth in the Code, with respect to payments on the Series 2026 Bonds and proceeds from the sale of Series 2026 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2026 Bonds. This withholding generally applies if the owner of Series 2026 Bonds (i) fails to furnish the payor such owner’s social security number or other taxpayer identification number (“TIN”), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other “reportable payments” as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner’s securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2026 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

### **AGREEMENT BY THE STATE**

Under the Act, the State of Florida pledges to the holders of any bonds issued thereunder, including the Series 2026 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the 2026 Project subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

## **LEGALITY FOR INVESTMENT**

The Act provides that the Series 2026 Bonds are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State of Florida, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

## **SUITABILITY FOR INVESTMENT**

In accordance with applicable provisions of Florida law, the Series 2026 Bonds may initially be sold by the District only to “accredited investors” within the meaning of Chapter 517, Florida Statutes, as amended, and the rules promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2026 Bonds. Investment in the Series 2026 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

The Series 2026 Bonds will be issued in fully registered form, without coupons, in authorized denominations of \$5,000 and any integral multiple thereof, provided, however, if any initial beneficial owner of Series 2026 Bonds does not purchase at least \$100,000 of the Series 2026 Bonds at the time of initial delivery of the Series 2026 Bonds, such beneficial owner must execute and deliver to the District and the Underwriter on the date of delivery of the Series 2026 Bonds the investor letter in the form attached to the First Supplemental Indenture or otherwise establish to the satisfaction of the Underwriter that such beneficial owner is an “accredited investor,” as described in Rule 501(a) under Regulation D of the Securities Act of 1933, as amended.

## **ENFORCEABILITY OF REMEDIES**

The remedies available to the Owners of the Series 2026 Bonds upon an Event of Default under the Master Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2026 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2026 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

## **LITIGATION**

### **The District**

There is no litigation against the District of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2026 Bonds, or in any way contesting or affecting (i) the validity of the Series 2026 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2026 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

## **The Land Bank**

There is no litigation of any nature now pending or, to the knowledge of the Land Bank, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the 2026 Project or the development of the Development, as described herein, materially and adversely affect the ability of the Land Bank to pay the Series 2026 Special Assessments imposed against the land within the Development owned by the Land Bank or materially and adversely affect the ability of the Land Bank to perform their various obligations described in this Limited Offering Memorandum.

## **The Developer**

There is no litigation of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the 2026 Project or the development of the Development, as described herein, materially and adversely affect the ability of the Developer to pay the Series 2026 Special Assessments imposed against the land within the Development owned by the Developer or materially and adversely affect the ability of the Developer to perform their various obligations described in this Limited Offering Memorandum.

## **CONTINGENT FEES**

The District has retained Bond Counsel, District Counsel, the District Engineer, the Methodology Consultant, the Underwriter (who has retained Underwriter's Counsel) and the Trustee (who has retained Trustee's Counsel), with respect to the authorization, sale, execution and delivery of the Series 2026 Bonds. Except for the payment of fees to District Counsel, the District Engineer and the Methodology Consultant, the payment of fees of the other professionals is each contingent upon the issuance of the Series 2026 Bonds.

## **NO RATING**

No application for a rating for the Series 2026 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2026 Bonds would have been obtained if application had been made.

## **EXPERTS**

The Engineer's Report included in APPENDIX C to this Limited Offering Memorandum has been prepared by Alvarez Engineers, Inc., Doral, Florida, the District Engineer. APPENDIX C should be read in its entirety for complete information with respect to the subjects discussed therein. Governmental Management Services – South Florida, LLC, Sunrise, Florida, as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX D hereto. APPENDIX D should be read in its entirety for complete information with respect to the subjects discussed therein. As a condition to closing on the Series 2026 Bonds, both the District Engineer and the Methodology Consultant will consent to the inclusion of their reports in this Limited Offering Memorandum.

## **FINANCIAL INFORMATION**

The District will covenant in the Disclosure Agreement (as defined below), the form of which is set forth in APPENDIX E hereto to provide its annual audit to the Municipal Securities Rulemaking Board's ("MSRB") Electronic Municipal Markets Access repository ("EMMA") as described in APPENDIX E, commencing with the audited financial statements of the District for the Fiscal Year ending September 30,

2026. Since its creation, the expenses of the District have been funded entirely by voluntary contributions from the Developer.

Each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, Florida Statutes, as amended. Under such statute, each district must post its proposed budget and final budget, most recent final audit report and a link to the Department of Financial Services' website (and the district's audit) on a district website or the website of the municipal or county government. The District currently has a website in place and is presently in compliance with the statutory guidelines required by Section 189.069, Florida Statutes, as amended.

### **DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS**

Rule 69W-400.003, Rules of Government Securities under Section 517.051(1), Florida Statutes, promulgated by the Florida Department of Financial Services, Office of Financial Regulation, Division of Securities and Finance ("Rule 69W-400.003"), requires the District to disclose each and every default as to the payment of principal and interest with respect to obligations issued or guaranteed by the District after December 31, 1975. Rule 69W-400.003 further provides, however, that if the District, in good faith, believes that such disclosures would not be considered material by a reasonable investor, such disclosures may be omitted. The District has not previously issued any bonds or other debt obligations. Accordingly, the District is not and has never been in default as to principal or interest on its bonds or other debt obligations.

### **CONTINUING DISCLOSURE**

The District, the Land Bank and the Developer, each as an Obligated Person, will enter into a Continuing Disclosure Agreement (the "Disclosure Agreement"), the proposed form of which is set forth in APPENDIX E, for the benefit of the Series 2026 Bondholders (including owners of beneficial interests in such Series 2026 Bonds), respectively, to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") through EMMA. In addition, certain listed events must be disclosed through EMMA within a prescribed time period. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District, the Land Bank or the Developer to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an Event of Default under the Master Indenture, but such event of default under the Disclosure Agreement would allow the Series 2026 Bondholders (including owners of beneficial interests in such Bonds), as applicable, to bring an action for specific performance.

The District has not previously entered into continuing disclosure obligations in connection with Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the "Rule"). The District appointed the District Manager to serve as the initial dissemination agent under the Disclosure Agreement.

Also, pursuant to the Disclosure Agreement, the Land Bank and the Developer will covenant to provide certain financial information and operating data relating to the District, the Land Bank and the Developer, as applicable, on a quarterly basis, upon the written request of the Dissemination Agent. The Land Bank and the Developer have represented and warranted that to their knowledge they have provided on a timely basis all reporting information requested by the applicable dissemination agent with respect to prior continuing disclosure agreements entered into pursuant to the Rule. The Developer has been made aware of instances where the information required to be provided to the dissemination agents was not timely requested, not filed with the appropriate repository or, if filed, not filed on a timely basis. The Developer

has represented that they have instituted internal processes to provide information to the dissemination agents on a timely basis and obtained assurances from the dissemination agents that they will in turn request the required reporting information timely and file such information timely with the appropriate repository. See “APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT.”

## **UNDERWRITING**

FMSbonds, Inc. (the “Underwriter”) has agreed, pursuant to a contract with the District, subject to certain conditions, to purchase the Series 2026 Bonds from the District at a purchase price of \$ \_\_\_\_\_ (representing the par amount of the Series 2026 Bonds, [plus] [less] [net] original issue [premium] [discount] of \$ \_\_\_\_\_ and less an Underwriter’s discount of \$ \_\_\_\_\_). The Underwriter’s obligations are subject to certain conditions precedent and upon satisfaction or waiver of such conditions, the Underwriter will be obligated to purchase all of the Series 2026 Bonds if any are issued.

The Underwriter intends to offer the Series 2026 Bonds to accredited investors at the offering prices set forth on the inside cover page of this Limited Offering Memorandum, which may subsequently change without prior notice. The Series 2026 Bonds may be offered and sold to certain dealers, banks and others at prices lower than the initial offering prices set forth on the inside cover page of this Limited Offering Memorandum, and such initial offering prices may be changed from time to time by the Underwriter.

## **VALIDATION**

The Series 2026 Bonds to be issued pursuant to the Indenture were validated by final judgment of the Circuit Court of the Eleventh Judicial Circuit of Florida in and for the County, rendered on January 9, 2026. The period of time for appeal of the judgment of validation of the Series 2026 Bonds expired on February 9, 2026, and no appeal has been filed.

Such opinion is further based on factual representations made to Bond Counsel as of the date of delivery of the Series 2026 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel’s attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel’s opinion is not a guarantee of a particular result, and is not binding on the Internal Revenue Service or the courts; rather, such opinion represents Bond Counsel’s professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

SECTION 2.01. Amounts and Terms of Bonds; Details of Bonds. The Issuer is hereby authorized to issue in one or more Series pursuant to the terms and conditions of this Master Indenture, its obligations to be known as "Epmore Community Development District Special Assessment Bonds, Series [to be designated]" (the "Bonds"). The total principal amount of Bonds that may be issued and Outstanding under this Master Indenture shall not be limited, but shall be subject to any conditions set forth in a Supplemental Indenture and Florida law. The Bonds shall be issued in Authorized Denominations and within each Series shall be numbered consecutively from R-1 and upwards in each Series and in substantially the form attached hereto as Exhibit C, with such appropriate variations, omissions and insertions as are permitted or required by this Master Indenture or as otherwise provided in a Supplemental Indenture. All Bonds shall be issued only upon satisfaction of the conditions set forth in Article III hereof; and the Trustee shall, at the Issuer's written request, authenticate such Bonds and deliver them as specified in such request. If the Issuer should change its name, no amendment shall be required to be made to this Master Indenture, any Supplemental Indenture or Bonds issued thereunder.

Each Bond shall be dated, shall have such Interest Payment Dates, shall bear interest from such date or dates and at such rate or rates until the maturity thereof, payable on such Interest Payment Dates, and shall be stated to mature (subject to the right of prior redemption), all as provided in, or pursuant to, a Supplemental Indenture.

Both the principal of and the interest on the Bonds shall be payable in any coin or currency of the United States of America which is legal tender on the respective dates of payment thereof for the payment of public and private debts. Unless otherwise provided in Section 2.11 hereof or in a Supplemental Indenture, the principal of all Bonds shall be payable at the designated corporate trust office of the Paying Agent upon the presentation and surrender of such Bonds as the same shall become due and payable.

Except to the extent otherwise provided in Section 2.11 hereof or in a Supplemental Indenture, interest on any Bond is payable on any Interest Payment Date by check or draft mailed on the Interest Payment Date to the person in whose name that Bond is registered at the close of business on the Regular Record Date for such Interest Payment Date, at his address as it appears on the Bond Register. The Bonds shall bear interest from the Interest Payment Date next preceding the date on which they are authenticated unless authenticated on an Interest Payment Date in which event they shall bear interest from such Interest Payment Date, or unless authenticated before the first Interest Payment Date in which event they shall bear interest from their date; provided, however, that if a Bond is authenticated between a Record Date and the next succeeding Interest Payment Date, such Bond shall bear interest from such succeeding Interest Payment Date; provided further, however, that if at the time of authentication of any Bond interest thereon is in default, such Bond shall bear interest from the date to which interest has been paid. Any interest on any Bond which is payable, but is not punctually paid or provided for on any Interest Payment Date (hereinafter called "Defaulted Interest") shall be paid to the Owner in whose name the Bond is registered at the close of business on a Special Record Date to be fixed by the Trustee, such date to be not more than fifteen (15) nor less than ten (10) days prior to the date of proposed payment. The Trustee shall cause notice of the proposed payment of such Defaulted Interest and the Special

Record Date therefor to be given by Electronic Means or mailed, first-class, postage-prepaid, to each Owner of record as of the fifth (5th) day prior to such notice, at his or her address as it appears in the Bond Register. The foregoing notwithstanding, but subject to the procedures set forth in Section 2.11 hereof, any Owner of Bonds of a Series in an aggregate principal amount of at least \$1,000,000 shall be entitled to have interest paid by wire transfer to such Owner to the bank account number on file with the Trustee and Paying Agent, upon requesting the same in a writing received by the Trustee and Paying Agent at least fifteen (15) days prior to the relevant Record Date, which writing shall specify the bank, which shall be a bank within the continental United States, and bank account number to which interest payments are to be wired. Any such request for interest payments by wire transfer shall remain in effect until rescinded or changed, in a writing delivered by the Owner to the Trustee and Paying Agent, and any such rescission or change of wire transfer instructions must be received by the Trustee and Paying Agent at least fifteen (15) days prior to the relevant Record Date. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, interest on the Bonds will be computed on the basis of a 360-day year of twelve 30-day months. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, interest on overdue principal and, to the extent lawful, on overdue interest will be payable at the numerical rate of interest borne by such Bonds on the day before the default occurred.

The Trustee is hereby constituted and appointed as Paying Agent for the Bonds and shall also be authorized to authenticate the Bonds.

**SECTION 2.02. Execution.** The Bonds shall be executed by the manual or facsimile signature of the Chairperson or Vice Chairperson of the Issuer, and the corporate seal of the Issuer shall appear thereon (which may be in facsimile) and shall be attested by the manual or facsimile signature of its Secretary or Assistant Secretary. Bonds executed as above provided may be issued and shall, upon written request of the Issuer, be authenticated by the Trustee, notwithstanding that one or both of the officers of the Issuer whose signatures appear on such Bonds shall have ceased to hold office at the time of issuance or authentication or shall not have held office at the date of the Bonds.

**SECTION 2.03. Authentication.** No Bond shall be valid until the certificate of authentication shall have been duly executed by the Trustee, and such authentication shall be proof that the Bondholder is entitled to the benefit of the trust hereby created. The Trustee shall at all times serve as Authentication Agent and shall be authorized to authenticate the Bonds.

**SECTION 2.04. Registration and Registrar.** The Trustee is hereby constituted and appointed as the Registrar for the Bonds. The Registrar shall act as registrar and transfer agent for the Bonds. The Issuer shall cause to be kept at an office of the Registrar a register (herein sometimes referred to as the "Bond Register" or "Register") in which, subject to the provisions set forth in Section 2.08 below and such other regulations as the Issuer and Registrar may prescribe, the Issuer shall provide for the registration of the Bonds and for the registration of transfers and exchanges of such Bonds. The Trustee shall notify the Issuer in writing of the specific office location (which may be changed from time to time, upon similar notification) at which the Bond Register is kept. The Bond Registrar shall initially be kept at the Trustee's corporate trust office in Fort Lauderdale, Florida

16

Upon surrender for registration of transfer of any Bond at the designated office of the Registrar, and upon compliance with the conditions for the transfer of Bonds set forth in this Section 2.08, the Issuer shall execute and, upon the Issuer's written request, the Trustee (or Registrar as described in Section 2.04 hereof) shall authenticate and deliver, in the name of the designated transferees, one or more new Bonds of a like aggregate principal amount and of the same Series and maturity, in accordance with Section 2.03.

At the option of the Bondholder, Bonds may be exchanged for other Bonds of a like aggregate principal amount and of the same Series and maturity, upon surrender of the Bonds to be exchanged at any such office of the Registrar. Whenever any Bonds are so surrendered for exchange, the Issuer shall execute and, upon the Issuer's written request, the Trustee (or Registrar as described in Section 2.04 hereof) shall authenticate and deliver the Bonds which the Bondholder making the exchange is entitled to receive, in accordance with Section 2.03.

All Bonds issued upon any transfer or exchange of Bonds shall be valid obligations of the Issuer, evidencing the same debt and entitled to the same benefits under this Master Indenture and applicable Supplemental Indenture as the Bonds of such Series surrendered upon such transfer or exchange.

Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing.

Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds.

Neither the Issuer nor the Registrar on behalf of the Issuer shall be required (i) to issue, transfer or exchange any Bond during a period beginning at the opening of business fifteen (15) days before the day of giving a notice of redemption of Bonds selected for redemption and ending at the close of business on the day of giving such notice, or (ii) to transfer or exchange any Bond so selected for redemption in whole or in part.

**SECTION 2.09. Persons Deemed Owners.** The Issuer, the Trustee, any Paying Agent, or the Registrar shall deem and treat the person in whose name any Bond is registered as the absolute Owner thereof (whether or not such Bond shall be overdue and notwithstanding any notation of ownership or other writing thereon made by anyone other than the Issuer, the Trustee, any Paying Agent or the Registrar) for the purpose of receiving payment of or on account of the principal or Redemption Price of and interest on such Bond, and for all other purposes, and the Issuer, the Trustee, any Paying Agent, and the Registrar shall not be affected by any notice to the contrary. All such payments so made to any such Owner, or upon his order, shall be valid and, to the extent of the sum or sums so paid, effectual to satisfy and discharge the liability for moneys payable upon any such Bond.

**SECTION 2.10. Limitation on Incurrence of Certain Indebtedness.** The Issuer will not issue Bonds of any Series, except upon the conditions and in the manner provided or as otherwise permitted in the Indenture, provided that the Issuer may enter into agreements with

18

**SECTION 2.05. Mutilated, Destroyed, Lost or Stolen Bonds.** If any Bond shall become mutilated, the Issuer shall execute and the Trustee shall thereupon authenticate and deliver a new Bond of like Series, tenor and denomination in exchange and substitution for the Bond so mutilated, but only upon surrender to the Trustee of such mutilated Bond for cancellation, and the Issuer and the Trustee may require reasonable indemnity therefor. If any Bond shall be reported lost, stolen or destroyed, evidence as to the ownership and the loss, theft or destruction thereof shall be submitted to the Issuer and the Trustee; and if such evidence shall be satisfactory to both and indemnity satisfactory to both shall be given, the Issuer shall execute, and thereupon the Trustee shall authenticate and deliver a new Bond of like Series, tenor and denomination. The cost of providing any substitute Bond under the provisions of this Section shall be borne by the Bondholder for whose benefit such substitute Bond is provided. If any such mutilated, lost, stolen or destroyed Bond shall have matured or be about to mature, the Issuer may, with the consent of the Trustee, pay to the Owner the principal amount of and accrued interest on such Bond upon the maturity thereof and compliance with the aforesaid conditions by such Owner, without the issuance of a substitute Bond therefor.

Every substituted Bond issued pursuant to this Section 2.05 shall constitute an additional contractual obligation of the Issuer, whether or not the Bond alleged to have been destroyed, lost or stolen shall be at any time enforceable by anyone, and shall be entitled to all the benefits of this Master Indenture and applicable Supplemental Indenture equally and proportionately with any and all other Bonds of such same Series duly issued hereunder and under such Supplemental Indenture.

All Bonds shall be held and owned upon the express condition that the foregoing provisions are exclusive with respect to the replacement or payment of mutilated, destroyed, lost or stolen Bonds, and shall preclude any and all other rights or remedies with respect to the replacement or payment of negotiable instruments, investments or other securities without their surrender.

**SECTION 2.06. Temporary Bonds.** Pending preparation of definitive Bonds, or by agreement with the original purchasers of all Bonds, the Issuer may issue and, upon its written request, the Trustee shall authenticate in lieu of definitive Bonds one or more temporary printed or typewritten Bonds of substantially the tenor recited above. Upon written request of the Issuer, the Trustee shall authenticate definitive Bonds in exchange for and upon surrender of an equal principal amount of temporary Bonds. Until so exchanged, temporary Bonds shall have the same rights, remedies and security hereunder as definitive Bonds. So long as Cede & Co., or any other nominee of DTC is the registered Owner of the Bonds, the definitive Bonds shall be in typewritten form.

**SECTION 2.07. Cancellation and Destruction of Surrendered Bonds.** All Bonds surrendered for payment or redemption and all Bonds surrendered for exchange shall, at the time of such payment, redemption or exchange, be promptly transferred by the Registrar or the Paying Agent to, and cancelled and destroyed by, the Trustee in accordance with its retention policy then in effect.

**SECTION 2.08. Registration, Transfer and Exchange.** As provided in Section 2.04 hereof, the Issuer shall cause a Bond Register in respect of the Bonds to be kept at the designated office of the Registrar.

issuers of Credit Facilities which involve liens on Pledged Revenues on a parity with that of the Bonds or portion thereof which is supported by such Credit Facilities.

**SECTION 2.11. Qualification for The Depository Trust Company.** To the extent provided in a Supplemental Indenture or authorized and directed by a Resolution of the Issuer authorizing the issuance of a Series of Bonds, the Trustee shall be authorized to enter into agreements with The Depository Trust Company ("DTC") and other depository trust companies, including, but not limited to, agreements necessary for wire transfers of interest and principal payments with respect to the Bonds, utilization of electronic book entry data received from DTC, and other depository trust companies in place of actual delivery of Bonds and provision of notices with respect to Bonds registered by DTC and other depository trust companies (or any of their designees identified to the Trustee) by overnight delivery, courier service, telegram, teletype or other similar means of communication.

So long as there shall be maintained a book-entry-only system with respect to a Series of Bonds, the following provisions shall apply:

Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, each Series of Bonds shall initially be registered in the name of Cede & Co. as nominee for DTC, which will act initially as securities depository for the Bonds and so long as the Bonds are held in book-entry-only form, Cede & Co. shall be considered the registered owner for all purposes hereof. On original issue, such Bonds shall be deposited with DTC, which shall be responsible for maintaining a book-entry-only system for recording the ownership interest of its participants ("Direct Participants") and other institutions that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). The Direct Participants and Indirect Participants will be responsible for maintaining records with respect to the beneficial ownership interests of individual purchasers of the Bonds ("Beneficial Owners").

Principal and interest on the Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC without the need for presentment of such Bonds. Disbursal of such amounts to Direct Participants shall be the responsibility of DTC. Payments by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners shall be the responsibility of Direct Participants and Indirect Participants and not of DTC, the Trustee or the Issuer.

The Bonds registered in the name of Cede & Co. shall initially be issued in the form of one fully registered Bond for each maturity of each Series registered in the name of Cede & Co. and shall be held in such form until maturity. Individuals may purchase beneficial interests in Authorized Denominations in book-entry-only form, without certificated Bonds, through Direct Participants and Indirect Participants.

DURING THE PERIOD FOR WHICH CEDE & CO. IS REGISTERED OWNER OF THE BONDS, ANY NOTICES TO BE PROVIDED TO ANY REGISTERED OWNER WILL BE PROVIDED TO CEDE & CO. DTC SHALL BE RESPONSIBLE FOR NOTICES TO DIRECT PARTICIPANTS AND DIRECT PARTICIPANTS SHALL BE RESPONSIBLE FOR NOTICES TO INDIRECT PARTICIPANTS, AND DIRECT PARTICIPANTS AND INDIRECT PARTICIPANTS SHALL BE RESPONSIBLE FOR NOTICES TO BENEFICIAL OWNERS.

19

The Issuer shall enter into a blanket letter of representations with DTC providing for such book-entry-only system. Such agreement may be terminated at any time by either DTC or the Issuer. In the event of such termination, the Issuer shall select another securities depository and in that event all references herein to DTC or Cede & Co. shall be deemed to be for reference to its respective successors. If the Issuer does not replace DTC, the Trustee will register and deliver to the Beneficial Owners replacement Bonds in the form of fully registered Bonds in accordance with the instructions from Cede & Co.

In the event DTC, any successor of DTC or the Issuer elects to discontinue the book-entry only system in conformity with the requirements of DTC, the Trustee shall deliver bond certificates in accordance with the written instructions from DTC or its successor and after such time Bonds may be exchanged for an equal aggregate principal amount of Bonds in other Authorized Denominations and of the same maturity and Series upon surrender thereof at the designated corporate trust office of the Trustee.

Unless otherwise specified in the applicable Supplemental Indenture, a separate Account shall be established in the Acquisition and Construction Fund with respect to each Series of Bonds issued hereunder and the proceeds of each Series of Bonds (other than Bonds issued to refund all or a portion of the Bonds) shall be deposited into the corresponding Account in the Acquisition and Construction Fund. The amounts in any Account of the Acquisition and Construction Fund, until applied as hereinafter provided, shall be held for the security of the Series of Bonds hereunder in respect of which such Account was established. Separate subaccounts within any Account of the Acquisition and Construction Fund shall be maintained by the Trustee in respect of each Series of Bonds upon request of the Issuer whenever, in the opinion of the Issuer, it is appropriate to have a separate accounting in respect of the Costs of any designated portion of a Project including, but not limited to, a Costs of Issuance subaccount. question; provided, however, that if any amounts remain in the Account of the Acquisition and Construction Fund after the Completion Date (as defined in paragraph (c) below) of a Project or portion thereof pertaining to the Series of Bonds in question, and if such amounts are not reserved for payment of any remaining part of the Cost of a Project, such amounts shall be transferred to the applicable Account of the Bond Redemption Fund for application to the redemption of Bonds of the Series to which such proceeds relate, as set forth in Section 6.06 hereof or in the applicable Supplemental Indenture.

(b) Disbursements. Unless provided otherwise in a Supplemental Indenture, all payments from the Acquisition and Construction Fund shall be paid in accordance with the provisions of this subsection. Moneys in the appropriate Account of the Acquisition and Construction Fund shall be disbursed by check, voucher, order, draft, certificate or warrant signed by any one or more officers or employees of the Trustee legally authorized to sign such items or by wire transfer to an account specified by the payee upon satisfaction of the conditions for disbursement set forth in this subsection (b). Before any such payment shall be made, the Issuer shall file with the Trustee a fully executed requisition in the form of Exhibit D attached hereto, signed by a Responsible Officer and, except for payments of cost of issuance, a certificate of the Consulting Engineer signed by a Consulting Engineer also in the form of Exhibit D attached hereto and as may be modified by terms of the related Supplemental Indenture. The Trustee shall have no duty to verify that the disbursement of funds pursuant to a requisition is for a purpose for which payment may be made hereunder and the Trustee may conclusively rely that a properly signed requisition is, on its face, sufficient to disburse funds from the Acquisition and Construction Fund.

(c) Completion of Project. On the date of completion of a Project, or if sufficient moneys are retained in the appropriate Account of the Acquisition and Construction Fund to complete the Cost of a Project, in either case, as evidenced by the delivery of a Certificate of the Consulting Engineer to the Trustee and adoption of a resolution by the Board accepting a Project as provided by Section 170.09, Florida Statutes, as amended (the "Completion Date"), the balance in the appropriate Account of the Acquisition and Construction Fund not reserved by the Issuer for the payment of any remaining part of the Cost of a Project shall be transferred by the Trustee to, and deposited in, the applicable Account of the Bond Redemption Fund and applied as provided in Section 6.06 hereof and in the applicable Supplemental Indenture, and the Account of the Acquisition and Construction Fund shall be closed.

The Issuer shall pay to the Trustee for deposit in the Account of the Revenue Fund established under Section 6.03 hereof all Special Assessments received by the Issuer from the levy thereof on the District Lands subject to assessments for the payment of the related Series of Bonds; provided, however, that amounts received as Prepayments of Special Assessments shall be deposited directly into the applicable Account within the Bond Redemption Fund established hereunder or in any account thereof established pursuant to the applicable Supplemental Indenture. The Issuer shall notify the Trustee in writing at the time of deposit of any amounts received as Prepayments of Special Assessments and shall identify the related Series of Bonds. If necessary, the Issuer shall direct the landowner making such prepayment to specify what Series of Bonds such prepayments relate.

There are hereby pledged for the payment of the principal or Redemption Price of and interest on all Bonds of each Series issued and Outstanding under the Indenture and all reimbursements due to any Credit Facility Issuer for any drawing with respect to such Series of Bonds on its Credit Facility, including, without limitation, interest thereon, as required under the terms of the applicable Credit Facility Agreement, the Pledged Revenues; provided, however, that unless otherwise specifically provided herein or in a Supplemental Indenture relating to a Series of Bonds with respect to the Pledged Revenues securing such Series of Bonds, the Pledged Revenues securing a Series of Bonds shall secure only such Series of Bonds and Bonds issued on a parity therewith and shall not secure any other Bonds or Series of Bonds. The Pledged Revenues shall immediately be subject to the lien and pledge of the Indenture without any physical delivery hereof or further act; provided, however, that the lien and pledge of the Indenture shall not apply to any moneys transferred by the Trustee to the Rebate Fund. The foregoing notwithstanding, to the extent provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, such Series of Bonds may be made payable from and secured by less than all of the Pledged Revenues, and any one or more of the provisions of this Master Indenture may be made inapplicable to such Series of Bonds, all as more specifically provided in the corresponding Supplemental Indenture; provided, however, that any such provisions shall apply only to the particular Series of Bonds authorized by such Supplemental Indenture and shall not affect in any manner whatsoever any Outstanding Series of Bonds.

**SECTION 6.02. Funds and Accounts Relating to the Bonds.** The Funds and Accounts specified in this Article VI shall be established under this Master Indenture and each Supplemental Indenture pursuant to which a Series of Bonds is issued for the benefit of the specific

in the applicable Supplemental Indenture thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Bonds of such Series subject to mandatory sinking fund redemption on the next succeeding mandatory sinking fund redemption date, less any amount on deposit in the applicable Sinking Fund Account not previously credited;

**FOURTH,** upon receipt but no later than the Business Day preceding the first November 1 for which there remains an insufficient amount from Bond proceeds (or investment earnings thereon) on deposit in the applicable Interest Account to be applied to the payment of interest on the Bonds of a Series due on the next succeeding November 1, and no later than the Business Day next preceding each November 1 thereafter while Bonds of such Series issued under the Indenture remain Outstanding, to the applicable Interest Account of the Debt Service Fund, an amount equal to the interest on the Bonds of such Series becoming due on the next succeeding November 1, less any amount on deposit in the applicable Interest Account not previously credited;

**FIFTH,** upon receipt but no later than the Business Day next preceding each Interest Payment Date while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Account of the Debt Service Reserve Fund, if any, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Debt Service Reserve Requirement;

**SIXTH,** subject to the following paragraph, the balance of any moneys remaining in the applicable Account of the Revenue Fund after making the foregoing deposits shall, subject to application by one or more Supplemental Indentures, as applicable, remain therein, unless pursuant to any Arbitrage Certificate it is necessary to make a deposit in the Rebate Fund, in which case, the Issuer shall direct the Trustee in writing to make such deposit thereto.

Unless otherwise provided in the applicable Supplemental Indenture, the Trustee shall within ten (10) Business Days after the last Interest Payment Date in any calendar year, at the direction of the Issuer, withdraw any moneys held for the credit of the Revenue Fund which are not otherwise required to be deposited pursuant to this Section and deposit such moneys as directed to the credit of the applicable Account of the Bond Redemption Fund in accordance with the provisions hereof. Notwithstanding the foregoing, if pursuant to any Arbitrage Certificate it is necessary to make a deposit in the Rebate Fund, the Issuer shall direct the Trustee in writing to make such deposit thereto. Prepayments pledged to a particular Series of Bonds shall be deposited directly into the applicable Series prepayment subaccount of the Bond Redemption Fund as provided herein.

**SECTION 6.04. Debt Service Fund.** A Debt Service Fund is hereby established and shall be held by the Trustee, which shall consist of amounts deposited therein by the Trustee and any other amounts the Issuer may pay to the Trustee for deposit therein with respect to the related Series of Bonds. The Debt Service Fund shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. Within the Debt Service Fund there shall be established by Supplemental Indenture authorizing a

30

Series of Bonds and any Series issued on a parity therewith and, unless expressly otherwise provided in said Supplemental Indenture, shall not apply to Bonds Outstanding hereunder issued under any other indenture supplemental hereto or if separately secured by separate Special Assessments. Unless provided otherwise by Supplemental Indenture, all moneys, including, without limitation, proceeds of a Series of Bonds, on deposit to the credit of the Funds and Accounts established hereunder and under a Supplemental Indenture (except for moneys transferred to the Rebate Fund) shall be pledged to the payment of the principal, redemption or purchase price of (as the case may be) and interest on the Series of Bonds issued hereunder and under such Supplemental Indenture, and any Series issued on a parity therewith.

**SECTION 6.03. Revenue Fund.** A Revenue Fund is hereby established, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Account for each Series of Bonds issued hereunder, which shall be held by the Trustee and into which the Trustee shall immediately deposit any and all Special Assessments received from the levy thereof on the District Lands or any portion thereof (other than Prepayments) and any amounts received as the result of any foreclosure, sale of tax certificates or other remedial action for nonpayment of Special Assessments for the payment of the related Series of Bonds and other payments required hereunder or under the applicable Supplemental Indenture (unless such Special Assessments and/or other payments are specifically designated by the Issuer pursuant to a Supplemental Indenture for deposit into the Rebate Fund or any other Fund or Account established hereunder or under a Supplemental Indenture) and each Account therein shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. The Trustee shall transfer from amounts on deposit in each Account in the Revenue Fund to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority unless other times and/or other priorities are established in a Supplemental Indenture with respect to a Series of Bonds:

**FIRST,** upon receipt but no later than the Business Day preceding the first May 1 for which there is an insufficient amount from Bond proceeds (or investment earnings thereon) on deposit in the applicable Interest Account of the Debt Service Fund to be applied to the payment of interest on the Bonds of a Series due on the next succeeding May 1, and no later than the Business Day next preceding each May 1 thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Interest Account of the Debt Service Fund, an amount equal to the interest on the related Series of Bonds becoming due on the next succeeding May 1, less any amount on deposit in such Interest Account not previously credited;

**SECOND,** beginning on the date set forth in the related Supplemental Indenture, and no later than the Business Day next preceding each May 1 or November 1, as designated in the applicable Supplemental Indenture thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Principal Account of the Debt Service Fund, an amount equal to the principal amount of Bonds of such Series maturing on the next succeeding principal payment date, less any amount on deposit in the applicable Principal Account not previously credited;

**THIRD,** beginning on the date set forth in the related Supplemental Indenture, and no later than the Business Day next preceding each May 1 or November 1, as so designated

29

Series of Bonds, a Principal Account, an Interest Account and, if applicable, a Sinking Fund Account for each Series of Bonds and a Series Capitalized Interest Account, which accounts shall be separate and apart from all other Funds and Accounts established under the Indenture and from all other moneys of the Trustee.

The Trustee at all times shall make available to any Paying Agent the funds in the Principal Account and the Interest Account of the Debt Service Fund to pay the principal of the applicable Series of Bonds as they mature upon surrender thereof and the interest on the applicable Series of Bonds as it becomes payable, respectively. When a Series of Bonds is redeemed, the amount, if any, in the Interest Account in the Debt Service Fund representing interest thereon shall be applied to the payment of accrued interest in connection with such redemption.

The Trustee shall apply moneys in the Sinking Fund Account in the Debt Service Fund for purchase or redemption of the applicable Series of Bonds in amounts and maturities set forth in the Supplemental Indenture. Whenever Bonds of a Series are to be purchased out of such Sinking Fund Account, if the Issuer shall notify the Trustee in writing that the Issuer wishes to arrange for such purchase, the Trustee shall comply with the Issuer's arrangements provided they conform to the Indenture.

Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, purchases and redemptions out of the Sinking Fund Account shall be made as follows:

(a) The Trustee shall apply the amounts required to be transferred to the applicable Sinking Fund Account (less any moneys applied to the purchase of Bonds of the applicable Series pursuant to the next sentence hereof) on the mandatory sinking fund redemption date in each of the years set forth in the Supplemental Indenture to the redemption of Bonds of the related Series in the amounts, manner and maturities and on the dates set forth in the Supplemental Indenture, at a Redemption Price of 100% of the principal amount thereof. At the written direction of the Issuer, the Trustee shall apply moneys from time to time available in the applicable Sinking Fund Account to the purchase of Bonds of the applicable Series which are subject to mandatory sinking fund redemption in the aforesaid years, at prices not higher than the principal amount thereof, in lieu of redemption as aforesaid, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given. In the event of purchases at less than the principal amount thereof, the difference between the amount in the Sinking Fund Account representing the principal amount of the Bonds so purchased and the purchase price thereof (exclusive of accrued interest) shall be transferred to the related Interest Account of the Debt Service Fund.

(b) Accrued interest on purchased or redeemed Bonds of a Series shall be paid from the related Interest Account of the Debt Service Fund.

(c) In lieu of paying the Debt Service Requirements necessary to allow any mandatory redemption of Bonds of a Series from the related Sinking Fund Account, the Issuer may present to the Trustee Bonds of such Series purchased by the Issuer pursuant to subparagraph (a) above and furnished for such purposes; provided, however, that no Bonds of such Series so purchased shall be credited towards the Debt Service Requirements in respect of the mandatory

31

redemption of Bonds of such Series for which notice of redemption has been given pursuant to Section 8.02 of this Master Indenture. Any Bond so purchased shall be presented to the Trustee for cancellation. In such event, the Debt Service Requirements with respect to the Bonds of a Series for the period in which the purchased Bonds are presented to the Trustee shall, for all purposes hereunder, be reduced by an amount equal to the aggregate principal amount of any such Bonds so presented.

**SECTION 6.05. Debt Service Reserve Fund.** A Debt Service Reserve Fund is hereby established and shall be held by the Trustee. Within the Debt Service Reserve Fund there may be established by Supplemental Indenture an Account for each Series of Bonds issued hereunder. The Debt Service Reserve Fund and each Account therein shall be held by the Trustee for use as provided herein and other than as provided in Section 11.04 herein, solely for the benefit of each related Series of Bonds or sub-Series, as determined by the applicable Supplemental Indenture; provided, however, that notwithstanding anything to the contrary contained in this Master Indenture, the Supplemental Indenture authorizing the issuance of a Series of Bonds may provide that the Debt Service Reserve Fund is not applicable and no account therein shall secure such Series of Bonds. The Debt Service Reserve Fund and each Account therein shall constitute an irrevocable trust fund to be applied solely as set forth herein and shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, on the date of issuance and delivery of a Series of Bonds an amount of Bond proceeds or equity equal to the Debt Service Reserve Requirement in respect of such Series of Bonds, calculated as of the date of issuance and delivery of such Series of Bonds, shall be deposited in the related Account of the Debt Service Reserve Fund. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, and as long as there exists no default under the Indenture and the amount in the Account of the Debt Service Reserve Fund is not reduced below the then applicable Debt Service Reserve Requirement with respect to such Series of Bonds, earnings on investments in such Account of the Debt Service Reserve Fund shall, prior to the Completion Date of a Project, be transferred to the applicable Acquisition and Construction Account of the Acquisition and Construction Fund, and after the Completion Date, shall be, at the written direction of the Issuer, transferred to the related Account of the Revenue Fund. Otherwise, earnings on investments in each Account of the Debt Service Reserve Fund shall be retained therein until applied as set forth herein. If made applicable in a Supplemental Indenture, in the event that the amount in an Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement as a result of an optional prepayment by the owner of a lot or parcel of land of Special Assessments against such lot or parcel or a mandatory true-up payment, which Special Assessments are pledged for the payment and security of such Series of Bonds, the excess amount shall, as directed by the terms of the applicable Supplemental Indenture, be transferred from such Account or subaccount of the Debt Service Reserve Fund to the applicable Account or subaccount of the Bond Redemption Fund established for such Series of Bonds and shall constitute a credit against such optional prepayment or true-up payment. If made applicable in the Supplemental Indenture with respect to a Series of Bonds, in the event that the amount in the applicable Account or subaccount of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement for any other reason, the excess amount shall, as directed by the terms of the applicable Supplemental Indenture, either be transferred from the

32

extraordinary mandatory redemption on the dates and at the prices provided in such clauses or provisions, as appropriate; and

THIRD, the remainder to be utilized by the Trustee, at the direction of a Responsible Officer, to call for redemption on each Interest Payment Date or other date on which Bonds of the applicable Series are subject to optional redemption pursuant to Section 8.01(a) hereof such amount of Bonds of the applicable Series taking into account any redemption premium, as may be practicable; provided, however, that not less than Five Thousand Dollars (\$5,000) principal amount of Bonds of the applicable Series shall be called for redemption at one time.

Any such redemption shall be made in accordance with the provisions of Article VIII of this Master Indenture and the applicable provisions of the related Supplemental Indenture. The Issuer shall pay all expenses in connection with such redemption.

**SECTION 6.07. Drawings on Credit Facility.** With respect to Bonds in respect of which there has been issued a Credit Facility, the Trustee shall draw on the Credit Facility, in accordance with the provisions for drawing under such Credit Facility, and within the requisite time period, all as set forth in the Credit Facility Agreement or the Supplemental Indenture.

**SECTION 6.08. Procedure When Funds Are Sufficient to Pay All Bonds of a Series.** Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, if at any time the moneys held by the Trustee in the Funds (other than the moneys in the Rebate Fund) and Accounts hereunder and under a Supplemental Indenture and available therefor are sufficient to pay the principal or Redemption Price of, as the case may be, and interest on all Bonds of a Series then Outstanding under such Indenture to maturity or prior redemption, together with any amounts due the Issuer and the Trustee, Paying Agent, Registrar, and Credit Facility Issuer, if any, the Trustee, at the written direction of the Issuer, shall apply the amounts in the Funds and Accounts to the payment of the aforesaid obligations and the Issuer shall not be required to pay over any further Pledged Revenues with respect to such Series of Bonds unless and until it shall appear that there is a deficiency in the Funds and Accounts held by the Trustee.

**SECTION 6.09. Certain Moneys to Be Held for Series Bondowners Only.** Each Series of Bonds issued pursuant to this Master Indenture and the related Supplemental Indenture shall be secured by Pledged Revenues, as set forth herein, and otherwise may be secured by such additional Funds and Accounts and other security (including, but not limited to, Credit Facilities) established by the pertinent Supplemental Indenture. Moneys and investments in the various Funds and Accounts created under a Supplemental Indenture expressly and solely for the benefit of the Series of Bonds issued under such Supplemental Indenture shall be held in trust by the Trustee for the benefit of the Holders of, and Credit Facility Issuer with respect to, Bonds of that Series only.

**SECTION 6.10. Unclaimed Moneys.** In the event any Bond shall not be presented for payment when the principal of such Bond becomes due, either at maturity or at the date fixed for redemption of such Bond or otherwise, if amounts sufficient to pay such Bond have been deposited with the Trustee for the benefit of the owner of the Bond and have remained unclaimed for three (3) years after the date payment thereof becomes due shall, upon written request of the

34

Account of the Debt Service Reserve Fund to the applicable Account or subaccount of the Bond Redemption Fund or deposited into the appropriate Account of the Acquisition and Construction Fund to be used to pay any Costs of a Project.

Whenever for any reason on an Interest Payment Date, principal payment date or mandatory redemption date with respect to a related Series of Bonds secured by an Account of the Debt Service Reserve Fund the amount in the related Interest Account, the related Principal Account or the related Sinking Fund Account, as the case may be, is insufficient to pay all amounts payable on such Series of Bonds therefrom on such payment dates, the Trustee shall, without further instructions, but subject to contrary direction by the Majority Holders of the Bonds to which such Account of the Debt Service Reserve Fund relates, transfer the amount of any such deficiency from the related Account of the Debt Service Reserve Fund into the related Interest Account, the related Principal Account and the related Sinking Fund Account, as the case may be, with priority to the related Interest Account and then, proportionately according to the respective deficiencies therein, to the related Principal Account and the related Sinking Fund Account, to be applied to pay the Series of Bonds secured by the Account of the Debt Service Reserve Fund.

**SECTION 6.06. Bond Redemption Fund.** A Bond Redemption Fund is hereby established, and within such Fund there shall be established by Supplemental Indenture a Series of Bonds, a separate Account and one or more subaccounts within the Bond Redemption Fund for each Series of Bonds issued hereunder (unless provided otherwise in such Supplemental Indenture), which shall be held by the Trustee and into which shall be deposited, moneys in the amounts and at the times provided in Sections 5.01, 6.01, 6.03, 6.05, 9.08 and 9.14(c) of this Master Indenture. Each Account and any subaccount within the Bond Redemption Fund shall constitute an irrevocable trust fund to be applied solely as set forth in the applicable Supplemental Indenture and shall be held by the Trustee separate and apart from all other Funds, Accounts and any subaccounts held under such Indenture and from all other moneys of the Trustee. All earnings on investments held in the Account within the Bond Redemption Fund shall be retained therein and applied as set forth below.

Moneys in each Account within the Bond Redemption Fund (including all earnings on investments held in each Account within the Bond Redemption Fund) shall be accumulated therein to be used in the following order of priority, to the extent that the need therefor arises:

FIRST, (except for amounts resulting from Prepayments of Special Assessments, which shall be applied as provided in the next paragraph) make such deposits into the Rebate Fund created and established under this Master Indenture as the Issuer may direct in accordance with an arbitrage rebate agreement, such moneys thereupon to be used solely for the purposes specified in said arbitrage rebate agreement. Any moneys so transferred from the applicable Account within the Bond Redemption Fund to the Rebate Fund shall thereupon be free from the lien and pledge of the related Indenture;

SECOND, to be used to call for redemption pursuant to clause (b) of Section 8.01 hereof an amount of Bonds of the applicable Series equal to the amount of money transferred to the applicable Account or subaccount within the Bond Redemption Fund pursuant to the aforesaid clauses or provisions, as appropriate, for the purpose of such

33

Issuer, if the Issuer is not at the time to the actual knowledge of the Trustee in default with respect to any covenant in this Master Indenture, any Supplemental Indenture or the Bonds contained, be paid to the Issuer; and the Owners of the Bonds for which the deposit was made shall thereafter be limited to a claim against the Issuer; provided, however, that the Trustee, before making payment to the Issuer, may, at the expense of the Issuer and if directed in writing by the Issuer, cause a notice to be published in an Authorized Newspaper, stating that the money remaining unclaimed will be returned to the Issuer after a specified date.

**SECTION 6.11. Rebate Fund.** A Rebate Fund is hereby established and shall be held by the Trustee. Unless provided otherwise in a Supplemental Indenture, at the written direction of the Issuer the Trustee shall transfer monies from the applicable Account in the Revenue Fund and deposit the same to the Rebate Fund, and shall make payments therefrom at the times and in the amounts as directed by the Issuer in writing that are required to comply with the covenants in the applicable Arbitrage Certificate. If so directed by the Issuer in writing, the Trustee shall create one or more Accounts within the Rebate Fund relating to one or more particular Series of Bonds.

(a) All amounts held in the Rebate Fund shall be governed by this Section and the applicable Arbitrage Certificate. The Trustee shall be entitled to rely on the rebate calculations obtained from the rebate analyst retained by the Issuer pursuant to any Arbitrage Certificate and the Trustee shall not be responsible for any loss or damage resulting from any good faith action taken or omitted to be taken in reliance upon such calculations.

(b) Pursuant to the applicable Arbitrage Certificate, the Trustee shall remit all rebate installments and a final rebate payment to the United States. The Trustee shall have no obligation to pay any amounts required to be rebated pursuant to this Section and the applicable Arbitrage Certificate, other than at the written direction of the Issuer and from moneys held in the Rebate Fund or from other moneys provided to it by the Issuer. Any moneys remaining in the Rebate Fund after redemption and payment of all of the Bonds and payment and satisfaction of any arbitrage rebate shall be withdrawn and paid to the Issuer.

(c) Notwithstanding any other provision of this Master Indenture, including in particular Article XIV hereof, the obligation to pay arbitrage rebate to the United States and to comply with all other requirements of this Section and the Arbitrage Certificate shall survive the defeasance or payment in full of the Bonds.

(d) The Trustee shall not be deemed to have constructive knowledge of the Code or regulations, rulings and judicial decisions concerning the Code.

**ARTICLE VII  
SECURITY FOR AND INVESTMENT OR DEPOSIT OF FUNDS**

SECTION 7.01. Deposits and Security Thereof. Unless otherwise as provided in the Supplemental Indenture with respect to a Series of Bonds, all moneys received by the Trustee under a Supplemental Indenture for deposit in any Fund or Account established under this Master Indenture or such Supplemental Indenture shall be considered trust funds, shall not be subject to lien or attachment, except for the lien created by this Master Indenture and the related Supplemental Indenture, and shall be deposited with the Trustee, until or unless invested or deposited as provided in Section 7.02 hereof. Except for investments of the type specified in section (iii) of the definition of Investment Securities, all deposits of moneys received by the Trustee under this Master Indenture or such Supplemental Indenture (whether original deposits under this Section 7.01 or deposits or redeposits in time accounts under Section 7.02) shall, to the extent not insured, and to the extent permitted by law, be fully secured as to both principal and interest earned, by Investment Securities of the types set forth in the definition of Investment Securities and the provisions thereof. If at any time the Trustee is unwilling to accept such deposits or unable to secure them as provided above, the Trustee may deposit such moneys with any other depository which is authorized to receive them and the deposits of which are insured by the Federal Deposit Insurance Corporation (including the FDIC Savings Association Insurance Fund). All deposits in any other depository in excess of the amount covered by insurance (whether under this Section 7.01 or Section 7.02 as aforesaid) shall, to the extent permitted by law, be fully secured as to both principal and interest earned, in the same manner as required herein for deposits with the Trustee. Such security shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000.

SECTION 7.02. Investment or Deposit of Funds. Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, the Trustee shall, as directed by the Issuer in writing, invest moneys held in any Accounts in the Debt Service Fund, any Account of the Debt Service Reserve Fund, and any Account within the Bond Redemption Fund created under any Supplemental Indenture in Government Obligations and the other securities described in the definition of Investment Securities. All deposits in time accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth herein or in the Supplemental Indenture with respect to a Series of Bonds. All securities securing investments under this Section shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to Section 6.05 of this Master Indenture and unless otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, any interest and other income so received shall be deposited in the related Account of the Revenue Fund. Upon written request of the Issuer, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested

36

and (ii) in the case of an obligation purchased at a discount by adding the product thus obtained to the purchase price.

[END OF ARTICLE VII]

to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Account of the Revenue Fund.

Absent specific written instructions as aforesaid, the Trustee shall hold such moneys uninvested and shall not be responsible or liable for keeping the moneys invested, or for any losses because such amounts were not invested. Moneys in any of the Funds and Accounts established pursuant to the Indenture, when held by the Trustee, shall be promptly invested by the Trustee in accordance with all written directions from the Issuer and the Issuer shall be responsible for ensuring that such instructions conform to requirements of this Master Indenture including, without limitation, this Article VII. The Trustee shall not be liable or responsible for any loss or entitled to any gain resulting from any investment or sale upon the investment instructions of the Issuer or otherwise, including that set forth in the first sentence of this paragraph. The Trustee may conclusively rely upon the Issuer's written instructions as to both the suitability and legality of all investments directed hereunder or under any Supplemental Indenture. Ratings of investments shall be determined by the Issuer at the time of purchase of such investments and without regard to ratings subcategories and the Trustee shall have no responsibility to monitor the ratings of investments. The Trustee may make any investments permitted by the provisions of this Section through its own investment department or that of its affiliates or subsidiaries and may charge its ordinary and customary fees for such trades. No statement need be rendered for any Fund or Account if no activity occurred in such Fund or Account during such month.

SECTION 7.03. Valuation of Funds. The Trustee shall value the assets in each of the Funds and Accounts established hereunder or under any Supplemental Indenture within forty-five (45) days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but no later than ten (10) Business Days after each such valuation date) shall provide the Issuer a report of the status of each Fund and Account as of the valuation date. In computing the assets of any Fund or Account, investments and accrued interest thereon shall be deemed a part thereof, subject to Section 7.02 hereof. For the purpose of determining the amount on deposit to the credit of any Fund or Account established hereunder or under any Supplemental Indenture, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the Redemption Price thereof, to the extent that any such obligation is then redeemable at the option of the holder. For the purpose of determining the amount on deposit to the credit of the Debt Service Reserve Fund, obligations in which money in such Fund shall have been invested shall be valued at par, if purchased at par, or at amortized cost, if purchased at other than par, plus, in each case, accrued interest. Amortized cost, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of days remaining to maturity on such obligation at the date of such purchase and by multiplying the amount thus calculated by the number of days having passed since such purchase; and (i) in the case of an obligation purchased at a premium by deducting the product thus obtained from the purchase price,

37

**ARTICLE VIII  
REDEMPTION AND PURCHASE OF BONDS**

SECTION 8.01. Redemption Dates and Prices. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, the Bonds of a Series may be made subject to optional, mandatory and extraordinary redemption and purchase, either in whole or in part, by the Issuer, prior to maturity in the amounts, at the times and in the manner provided in this Article VIII and in the related Supplemental Indenture.

(a) *Optional Redemption.* Bonds of a Series shall be subject to optional redemption at the direction of the Issuer, at the times and upon payment of the Redemption Price as provided in the related Supplemental Indenture.

(b) *Extraordinary Mandatory Redemption in Whole or in Part.* Except as otherwise provided in a Supplemental Indenture with respect to Bonds of the related Series, Bonds of a Series are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole, on any date, or in part, on any Interest Payment Date, at an extraordinary mandatory Redemption Price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date, (i) from moneys deposited into the related Account within the Bond Redemption Fund following the payment of Special Assessments on any portion of the District Lands in accordance with the applicable provisions of Section 9.08 hereof; (ii) when sufficient moneys are on deposit in the related Series Funds and Accounts (other than moneys in the Rebate Fund and any other excluded Fund or Account as provided in a Supplemental Indenture with respect to a Series of Bonds) to pay and redeem all Outstanding Bonds of a Series and accrued interest thereon to the redemption date in addition to all amounts owed to Persons under the related Supplemental Indenture; (iii) from moneys in excess of the Debt Service Reserve Requirement for a Series of Bonds in the applicable Account of the Debt Service Reserve Fund transferred to the applicable Account within the Bond Redemption Fund pursuant to Section 6.05 hereof; (iv) from excess moneys transferred from the applicable Account of the Revenue Fund to the applicable Account within the Bond Redemption Fund in accordance with Section 6.03 of this Master Indenture; (v) from moneys, if any, on deposit in the applicable Account within the Bond Redemption Fund pursuant to Section 9.14(c) hereof following condemnation or the sale of any portion of the District Lands benefited by a Project to a governmental entity under threat of condemnation by such governmental entity or the damage or destruction of all or substantially all of a Project when such moneys are not to be used pursuant to Section 9.14(c) to repair, replace or restore a Project; provided, however, that at least forty-five (45) days prior to such extraordinary mandatory redemption, the Issuer shall cause to be delivered to the Trustee (x) written notice setting forth the redemption date and (y) a certificate of the Consulting Engineer confirming that the repair and restoration of a Project would not be economical or would be impracticable; or (vi) from amounts transferred to the applicable Account of the Bond Redemption Fund from the applicable Account of the Acquisition and Construction Fund in accordance with Section 5.01(c) hereof.

(c) *Mandatory Sinking Fund Redemption.* Bonds of a Series may be subject to mandatory sinking fund redemption at a Redemption Price of 100% of the principal amount thereof plus accrued interest to the redemption date, in the years and amounts set forth in a Supplemental Indenture.

38

39

In connection with such mandatory sinking fund redemption of Bonds, amounts shall be transferred from the applicable Account of the Revenue Fund to the Sinking Fund Account of the Debt Service Fund, all as more particularly described in Section 6.03 hereof.

The principal amounts of scheduled sinking fund installments shall be reduced as specified by the Issuer or as provided in Section 8.04 hereof by any principal amounts of the Bonds redeemed pursuant to Section 8.01(a) and (b) hereof or purchased pursuant to Section 6.04 hereof.

Upon any redemption of Bonds other than in accordance with scheduled sinking fund installments, the Issuer shall cause to be recalculated and delivered to the Trustee revised sinking fund installments recalculated so as to amortize the Outstanding principal amount of Bonds of such Series in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Bonds of such Series. The sinking fund installments as so recalculated shall not result in an increase in the aggregate of the sinking fund installments for all Bonds of such Series in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a sinking fund installment is due, the foregoing recalculation shall not be made to sinking fund installments due in the year in which such redemption or purchase occurs, but shall be made to sinking fund installments for the immediately succeeding and subsequent years.

**SECTION 8.02. Notice of Redemption and of Purchase.** Except where otherwise required by a Supplemental Indenture, when required to redeem or purchase Bonds of a Series under any provision of the related Indenture or directed to do so in writing by the Issuer, the Trustee shall cause notice of the redemption, either in whole or in part, to be provided by Electronic Means or mailed by first class mail, postage prepaid at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Bonds of such Series for which notice was duly mailed in accordance with this Section 8.02. The Issuer shall, when it is directing the Trustee to provide such notice, provide written direction to the Trustee at least forty-five (45) days (unless the Trustee agrees to a shorter period) prior to the date on which the Trustee is required to send notice hereunder. Such notice shall be given in the name of the Issuer, shall be dated, shall set forth the Bonds of such Series Outstanding which shall be called for redemption or purchase and shall include, without limitation, the following additional information:

- (a) the redemption or purchase date;
- (b) the redemption or purchase price;
- (c) CUSIP numbers, to the extent applicable, and any other distinctive numbers and letters;
- (d) if less than all Outstanding Bonds of a Series to be redeemed or purchased, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed or purchased;

of giving notice and any other expenses of redemption, shall be paid out of the Fund from which redemption is to be made or by the Issuer, or as specified in a Supplemental Indenture.

**SECTION 8.04. Partial Redemption of Bonds.** Except to the extent otherwise provided in a Supplemental Indenture, if less than all of a Series of Bonds of a maturity are to be redeemed, the Trustee shall select the particular Bonds or portions of the Bonds to be called for redemption by lot in such reasonable manner as the Trustee in its discretion may determine. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(a), such redemption shall be effectuated by redeeming Bonds of such Series of such maturities in such manner as shall be specified by the Issuer in writing, subject to the provisions of Section 8.01 hereof. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(b), such redemption shall be effectuated by redeeming Bonds of such Series pro rata among the maturities, treating each date on which a sinking fund installment is due as a separate maturity for such purpose, with the portion to be redeemed from each maturity being equal to the product of the aggregate principal amount of Bonds of such Series to be redeemed multiplied times a fraction the numerator of which is the principal amount of the Series of Bonds of such maturity outstanding immediately prior to the redemption date and the denominator of which is the aggregate principal amount of all Bonds of such Series outstanding immediately prior to the redemption date, rounded up or down to the nearest \$5,000 amount in order to maintain Authorized Denominations. The Issuer or the District Manager, on behalf of the Issuer, shall be responsible for calculating such revised sinking fund installments and provide the Trustee with the revised sinking fund installments.

[END OF ARTICLE VIII]

(e) that on the redemption or purchase date the Redemption Price or purchase price will become due and payable upon surrender of each such Bond or portion thereof called for redemption or purchase, and that interest thereon shall cease to accrue from and after said date;

(f) the place where such Bonds are to be surrendered for payment of the redemption or purchase price, which place of payment shall be a corporate trust office of the Trustee; and

(g) any other conditions that must be satisfied for the Bonds to be redeemed on the date of redemption.

If at the time of mailing of notice of redemption or purchase, the Issuer shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Bonds called for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

If the amount of funds deposited with the Trustee for such redemption, or otherwise available, is insufficient to pay the Redemption Price and accrued interest on the Bonds so called for redemption on the redemption date, the Trustee shall redeem and pay on such date an amount of such Bonds for which such funds are sufficient, selecting the Bonds to be redeemed randomly from among all such Bonds called for redemption on such date, and among different maturities of Bonds in the same manner as the initial selection of Bonds to be redeemed, and from and after such redemption date, interest on the Bonds or portions thereof so paid shall cease to accrue and become payable; but interest on any Bonds or portions thereof not so paid shall continue to accrue until paid at the same rate as it would have had such Bonds not been called for redemption.

The notices required to be given by this Section 8.02 shall state that no representation is made as to correctness or accuracy of the CUSIP numbers listed in such notice or printed on the Bonds. If the Trustee determines that the giving of notice by mail is not feasible, the Trustee may use Electronic Means provided the Trustee can establish such other means of giving notice was in fact given.

**SECTION 8.03. Payment of Redemption Price.** If any required (a) unconditional notice of redemption has been duly mailed or waived by the Owners of all Bonds called for redemption or (b) conditional notice of redemption has been so mailed or waived and the redemption moneys have been duly deposited with the Trustee or Paying Agent, then in either case, the Bonds called for redemption shall be payable on the redemption date at the applicable Redemption Price plus accrued interest, if any, to the redemption date. Bonds of a Series so called for redemption, for which moneys have been duly deposited with the Trustee, will cease to bear interest on the specified redemption date, shall no longer be secured by the related Indenture and shall not be deemed to be Outstanding under the provisions of the related Indenture.

Payment of the Redemption Price, together with accrued interest, shall be made by the Trustee or Paying Agent to or upon the order of the Owners of the Bonds called for redemption upon surrender of such Bonds. The Redemption Price of the Bonds to be redeemed, the expenses

## ARTICLE IX COVENANTS OF THE ISSUER

**SECTION 9.01. Power to Issue Bonds and Create Lien.** The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Bonds, to adopt and execute this Master Indenture and to pledge the Pledged Revenues for the benefit of the Bonds of a Series and any Credit Facility Issuer, except to the extent otherwise provided in a Supplemental Indenture. The Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Bonds of a Series and any Credit Facility Issuer with respect to such Series. The Bonds and the provisions of this Master Indenture and any Supplemental Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, but without waiving any limitations of liability afforded by law, defend, preserve and protect the pledge created by this Master Indenture and any Supplemental Indenture and all the rights of the Bondholders and any Credit Facility Issuer under this Master Indenture and any Supplemental Indenture against all claims and demands of all other Persons whomsoever.

**SECTION 9.02. Payment of Principal and Interest on Bonds.** The payment of the principal or Redemption Price of and interest on all of the Bonds of a Series issued under the related Indenture shall be secured forthwith equally and ratably by a first lien on and pledge of the Pledged Revenues, except to the extent otherwise provided in a Supplemental Indenture; and Pledged Revenues in an amount sufficient to pay the principal or Redemption Price of and interest on the Bonds of a Series authorized by the related Indenture are hereby irrevocably pledged to the payment of the principal or Redemption Price of and interest on the Bonds of a Series authorized under the related Indenture, as the same become due and payable. The Issuer shall promptly pay the interest on and the principal or Redemption Price of every Bond issued hereunder according to the terms thereof, but shall be required to make such payment only out of the Pledged Revenues.

THE BONDS AUTHORIZED UNDER THIS MASTER INDENTURE AND THE RELATED SUPPLEMENTAL INDENTURE AND THE OBLIGATIONS EVIDENCED THEREBY SHALL NOT CONSTITUTE A LIEN UPON ANY PROPERTY OF THE ISSUER, INCLUDING, WITHOUT LIMITATION, A PROJECT OR ANY PORTION THEREOF IN RESPECT OF WHICH ANY SUCH BONDS ARE BEING ISSUED, OR ANY PART THEREOF, BUT SHALL CONSTITUTE A LIEN ONLY ON THE PLEDGED REVENUES AS SET FORTH IN THIS MASTER INDENTURE AND ANY SUPPLEMENTAL INDENTURE. NOTHING IN THE BONDS AUTHORIZED UNDER THIS MASTER INDENTURE AND ANY SUPPLEMENTAL INDENTURE SHALL BE CONSTRUED AS OBLIGATING THE ISSUER TO PAY THE BONDS OR THE REDEMPTION PRICE THEREOF OR THE INTEREST THEREON EXCEPT FROM THE PLEDGED REVENUES, OR AS PLEDGING THE FAITH AND CREDIT OF THE ISSUER, THE COUNTY, THE STATE OR ANY OTHER POLITICAL SUBDIVISION THEREOF, OR AS OBLIGATING THE ISSUER, THE COUNTY, THE STATE OR ANY OF ITS POLITICAL SUBDIVISIONS, DIRECTLY OR INDIRECTLY OR CONTINGENTLY, TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATSOEVER THEREFOR.

43

SECTION 9.03. Special Assessments; Re-Assessments.

(a) The Issuer shall levy Special Assessments, and, unless the Issuer collects the Special Assessments directly under the conditions set forth herein, evidence and certify the same to the Tax Collector or shall cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable, and Section 9.04 hereof, to the extent and in an amount sufficient to pay Debt Service Requirements on all Outstanding Bonds. The Issuer shall also diligently collect any true-up payments that the Developer is required to make. The Issuer covenants and agrees that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of this Master Indenture, as supplemented in connection with the Series of Bonds as to which the Event of Default occurred, including the remedial provisions for collection of delinquent Special Assessments, the provisions for foreclosure of liens of delinquent Special Assessments and delinquent operation and maintenance assessments, and will take such other remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Holders of the Series of Bonds as to which the Event of Default occurred.

(b) If any Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the Issuer shall be satisfied that any such Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the Issuer shall have omitted to make such Special Assessment when it might have done so, the Issuer shall either (i) take all necessary steps to cause a new Special Assessment to be made for the whole or any part of said improvement or against any property benefited by said improvement, or (ii) in its sole discretion, make up the amount of such Special Assessment from any legally available moneys, which moneys shall be deposited into the applicable Account in the Revenue Fund. In case such second Special Assessment shall be annulled, the Issuer shall obtain and make other Special Assessments until a valid Special Assessment shall be made.

SECTION 9.04. Method of Collection. Special Assessments shall be collected by the Issuer in accordance with the provisions of the Act and Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes thereto, as applicable, in accordance with the terms of this Section. Except as stated in the next succeeding sentence or during the continuance of an Event of Default and the Majority Holder of a Series of Bonds are providing written direction as to the method of collection, the Issuer shall use the uniform method for the levy, collection and enforcement of Special Assessments afforded by Sections 197.3631, 197.3632 and 197.3635, Florida Statutes, or any successor statutes thereto (the "Uniform Method"), and to do all things necessary to continue to use the Uniform Method or a comparable alternative method afforded by Section 197.3631, Florida Statutes. Notwithstanding the foregoing and except as otherwise provided in a Supplemental Indenture, the Issuer shall not collect Special Assessments pursuant to the Uniform Method levied against District Lands and will direct bill the applicable landowners for the same either while owned by the Developer prior to platting or replatting of such lands unless the Trustee, at the written direction of the beneficial owners of a majority of Bonds Outstanding, directs otherwise or if the timing for using the Uniform Method will not yet allow for using such method. Upon any failure of any property owner to pay an installment of Special Assessments when due (with respect Special Assessments collected directly by the Issuer), the entire Special Assessment on the parcel or parcels as to which such delinquency pertains, with

by Section 9.04 hereof, including, without limitation, declaring the entire unpaid balance of such Special Assessment to be in default and, at its own expense, cause such delinquent property to be foreclosed, pursuant to the provisions of Section 170.10, Florida Statutes, in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate and Sections 190.026 and 170.10, Florida Statutes, or otherwise as provided by law. The Issuer is authorized to pay its fees and expenses relating to a foreclosure action from the proceeds of such foreclosure. The Issuer covenants not to use the provisions of Chapter 173, Florida Statutes, unless no other provision under applicable law can be used to foreclose the Special Assessments. Notwithstanding anything to the contrary herein, the Issuer shall be entitled to recover from any foreclosure all fees and costs expended in connection with such foreclosure regardless whether such fees and costs are included as part of "Special Assessments," as defined herein.

(b) If the Special Assessments levied and collected under the Uniform Method described in Section 9.04 are delinquent, then the applicable procedures for issuance and sale of tax certificates and tax deeds for nonpayment shall be followed in accordance with Chapter 197, Florida Statutes and related statutes. Alternatively, if the Uniform Method is not utilized, and if any property shall be offered for sale for the nonpayment of any Special Assessment, and no person or persons shall purchase the same for an amount at least equal to the full amount due on the Special Assessment (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the Issuer, to the extent the Issuer has available funds, for an amount equal to the balance due on the Special Assessment (principal, interest, penalties and costs, plus attorneys' fees, if any), and the Issuer shall thereupon receive in its corporate name or in the name of special purpose entity nominee of the Issuer, the title to the property for the benefit of the Registered Owners, provided that the Trustee shall have the right acting at the direction of the Majority Holders, but shall not be obligated, to direct the Issuer with respect to any action taken pursuant to this Section.

(c) Not less than ten (10) days prior to the filing of any foreclosure action or any sale of tax deed as herein provided, the Issuer shall cause written notice thereof to be mailed to the Registered Owners of the Series of Bonds secured by such delinquent Special Assessments. Not less than thirty (30) days prior to the proposed sale of any lot or tract of land acquired by foreclosure by the Issuer, it shall give written notice thereof to such Registered Owners.

(d) Notwithstanding any of the foregoing to the contrary, for as long as there is an "Obligated Person," as defined under the Rule, then in addition to the Issuer, the decision to file a foreclosure action shall be made by the Majority Holders of the Outstanding Bonds so secured by the delinquent Special Assessments and such decision shall be communicated to the Issuer and Trustee in writing; provided, however that the Majority Holders of the Outstanding Bonds of the applicable Series shall be deemed to have consented on behalf to any request by the Issuer to foreclose if the Issuer does not receive written direction from the Trustee as directed by the Majority Holders of the Outstanding Bonds within sixty (60) days of the receipt by the Trustee and Majority Holders of a written request to foreclose by the Issuer.

SECTION 9.06. Management of Property Acquired by the Trustee or Issuer. The Issuer, either through its own actions or actions caused to be done through the Trustee, at the direction of the Majority Holders, shall have the power and shall use its best efforts to lease or sell such property and deposit all of the net proceeds of any such lease or sale into the related Account

46

interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the Issuer either on its own behalf or through the actions of the Trustee may, and shall, if so directed in writing by the Majority Holders of the related Series of Bonds or the Trustee at the written direction of such Majority Holders, at the Issuer's own expense, cause such delinquent property to be foreclosed as hereafter provided. The Issuer covenants it shall promptly, after written notice to the delinquent landowner, but not later than one hundred twenty (120) days from the due date of such Special Assessments that have not been paid, cause there to be brought legal proceedings for the foreclosure of the Special Assessment lien including interest and penalties with respect to such tax parcel. The foreclosure proceedings shall be prosecuted to sale and conveyance of such tax parcel as now provided by law in suits to foreclose mortgages unless the Majority Holders provide written direction to suspend or terminate such foreclosure proceedings or use some other method of foreclosure. Nothing herein shall obligate the Issuer to credit bid at any foreclosure sale. The Issuer shall enter into or maintain in effect one or more written agreements with the Property Appraiser and the Tax Collector, either individually or jointly (together, the "Property Appraiser and Tax Collector Agreement") in order to effectuate the provisions of this Section. The Issuer shall ensure that any such Property Appraiser and Tax Collector Agreement remains in effect for at least as long as the final maturity of Bonds Outstanding under this Master Indenture. The Issuer covenants to comply with all proceedings relating to the imposition and collection of the Special Assessments and will not make material amendments to any assessment methodology relating to the Special Assessments without the written consent of the Majority Holders. To the extent that the Issuer is legally prevented from collecting Special Assessments pursuant to the Uniform Method, is not required to collect Special Assessments pursuant to the Uniform Method in accordance with the provisions of this Section 9.04 or the District Manager determines that using the Uniform Method is not in the best interest of the Bondholders, the Issuer shall then and only under those circumstances pursuant to the applicable rules and procedures of the County, collect and enforce Special Assessments pursuant to any available method under the Act, Chapter 170, Florida Statutes, or Chapter 197, Florida Statutes, or any successor statutes thereto. To the extent that the Issuer is legally prevented from collecting Special Assessments pursuant to the Uniform Method, is not required to collect Special Assessments pursuant to the Uniform Method in accordance with the provisions of this Section 9.04, or the District Manager, on behalf of the Issuer, determines that using the Uniform Method is not in the best interest of the Bondholders, the Issuer shall then and only under those circumstances pursuant to the applicable rules and procedures of the County, collect and enforce Special Assessments pursuant to any other available method under the Act, Chapter 170, Florida Statutes, or Chapter 197, Florida Statutes, or any successor statutes thereto.

SECTION 9.05. Delinquent Special Assessments; Sale of Tax Certificates and Issuance of Tax Deeds; Foreclosure of Special Assessment Liens.

(a) Subject to the provisions of Section 9.04 hereof, if the owner of any lot or parcel of land assessed for a particular Project shall be delinquent in the payment of any Special Assessment, then such Special Assessment shall be enforced pursuant to the provisions of Chapter 197, Florida Statutes, or any successor statute thereto, including but not limited to the sale of tax certificates and tax deeds as regards such delinquent Special Assessment. In the event the provisions of Chapter 197, Florida Statutes, and any provisions of the Act with respect to such sale are inapplicable by operation of law, then upon the delinquency of any Special Assessment the Issuer shall, to the extent permitted by law, utilize any other method of enforcement as provided

45

of the Revenue Fund. The Issuer, either through its own actions or actions caused to be done through the Trustee, agrees that it shall be required to take the measure provided by law for sale of property acquired by it as trustee for the Registered Owners within thirty (30) days after the receipt of the request therefor signed by the Registered Owners of at least twenty-five percent (25%) of the aggregate principal amount of all Outstanding Bonds of the Series payable from Special Assessments assessed on such property. If directed by the Majority Holders of a Series or if the Trustee or the Issuer shall so elect, the Issuer and the Trustee, as directed by the Majority Holders, may place title of property received upon foreclosure or deed in lieu of foreclosure into a special purpose entity controlled by the Trustee or such other entity acceptable to the Majority Holders of a Series so affected by such foreclosure, for the benefit of the Registered Owners.

SECTION 9.07. Books and Records with Respect to Special Assessments. In addition to the books and records required to be kept by the Issuer pursuant to the provisions of Section 9.17 hereof, the Issuer shall keep books and records for the collection of the Special Assessments on the District Lands, which such books, records and accounts shall be kept separate and apart from all other books, records and accounts of the Issuer. The District Manager or the District Manager's designee, at the end of each Fiscal Year, shall prepare a written report setting forth the collections received, the number and amount of delinquencies, the proceedings taken to enforce collections and cure delinquencies and an estimate of time for the conclusion of such legal proceedings. As soon as practicable after a signed copy of the Issuer's audit becomes available, the Issuer shall, upon written request, mail the same to any requesting Registered Owner.

SECTION 9.08. Removal of Special Assessment Liens. Except as otherwise provided in a Supplemental Indenture with respect to a related Series of Bonds, the following procedures shall apply in connection with the removal of Special Assessment liens:

(a) At any time subsequent to thirty (30) days after a Project has been completed within the meaning of Section 5.01(e) hereof and the Board has adopted a resolution accepting a Project as provided by Section 170.09, Florida Statutes, as amended, any owner of property subject to the Special Assessments may, at its option, and under certain circumstances described in the assessment resolutions in connection with prepayments derived from application of the "True-Up" mechanism therein, require the Issuer to release and extinguish the lien, in whole or in part, upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire amount or a portion, as the case may be, of the Special Assessment, plus accrued interest, attributable to the property subject to Special Assessment owned by such owner to the earlier of the next Interest Payment Date occurring at least forty-five (45) days after the Trustee receives such Prepayment. If any such prepayment of Special Assessments shall occur within thirty (30) days after such Project has been completed and the Board has adopted a resolution accepting that Project as provided in Section 170.09, Florida Statutes, as amended, no accrued interest shall be required to be paid unless such right has been irrevocably waived by the landowners within the District. The Issuer shall promptly notify the Trustee in writing of any Prepayment made under such circumstances. Accrued interest on any Bonds that would be redeemed as a result of such Prepayment made within thirty (30) days after the Board has adopted a resolution accepting such Project shall be derived from moneys on deposit in the Interest Account or capitalized interest account and if no moneys remain, from moneys on deposit in the Debt Service Reserve Account or as otherwise provided pursuant to the applicable Supplemental Indenture.

47

(b) Upon receipt of a Prepayment as described in (a) above, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the County an affidavit or affidavits, as the case may be, executed by an authorized officer of the Issuer, to the effect that the Special Assessment has been paid in full or in part and that such Special Assessment lien is thereby released and extinguished if paid in full or such Special Assessment lien shall be reduced if the landowner only made a partial Prepayment. Upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the applicable Account or subaccount of the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof. In connection with such Prepayment, the District Manager, on behalf of the Issuer, shall calculate the credit authorized pursuant to Section 6.05 hereof, and direct the Trustee to transfer such credit to the prepayment subaccount of the Bond Redemption Fund to be used together with such Prepayment for the redemption of Bonds in accordance with Section 8.01(b)(i) hereof.

(c) Notwithstanding the foregoing, and consistent with the proceedings of the Issuer relating to the imposition and levy of the Special Assessments, the owner of property (including the Developer) may at any time require the Issuer to release and extinguish the lien upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire amount of the Special Assessment, plus accrued interest to the next succeeding Interest Payment Date (or the second succeeding Interest Payment Date if such prepayment is made within forty-five (45) calendar days before an Interest Payment Date), attributable to the property subject to Special Assessment owned by such owner. In lieu of such Prepayment with cash, an owner of property within the District may surrender to the Issuer for cancellation to completely extinguish the lien on such property or reduce the lien equally on every portion of such property, a principal amount of Outstanding Bonds of a Series that is secured by Special Assessments levied against such property.

(d) Upon receipt of a prepayment as described in (a), (b) or (c) above, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official land records of the County an affidavit or affidavits, as the case may be, executed by an authorized officer of the Issuer, to the effect that the Special Assessment has been paid and that such Special Assessment lien is thereby released and extinguished. Except as otherwise provided by a Supplemental Indenture, upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the applicable Account or subaccount of the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof.

**SECTION 9.09. Deposit of Special Assessments.** The Issuer covenants to cause any Special Assessments collected or otherwise received by it to be deposited with the Trustee within five (5) Business Days after receipt thereof for deposit into the related Account of the Revenue Fund (except that amounts received as prepayments of Special Assessments shall be designated by the Issuer as such upon delivery to the Trustee and shall be deposited directly into the related Account within the Bond Redemption Fund). In connection with any payment of Special Assessments referred to in the prior sentence, the Issuer shall provide advance written notice to the Trustee of the amount of the payment and the Account within either of the Revenue Fund or Bond Redemption Fund to which such payment relates.

48

maintain a practical comprehensive general liability insurance program with respect to any Project for such coverage, with such reasonable terms, conditions, provisions and costs as the District Manager determines will afford adequate protection against bodily injury and property damage.

All insurance policies of the Issuer relating to any Project shall be carried with companies authorized to do business in the State, with a Best rating of no less than "A" as to management and Class "V" as to financial strength; provided, however, that if, in the opinion of the District Manager, adequate insurance protection under reasonable terms, conditions, provisions and cost cannot be purchased from an insurance company with the above-designated ratings, then the District Manager, on behalf of the Issuer, may secure such insurance protection as the Issuer determines to be in its best interests and otherwise consistent with this Master Indenture and any Supplemental Indenture; provided further, however, that the Issuer may act as a self-insurer in accordance with the requirements of subsection (d) hereof. All policies providing the insurance coverages required by this Section shall designate the Issuer as the loss-payee and shall be made payable to the Issuer.

(c) All proceeds received from property damage or destruction insurance and all proceeds received from the condemnation of any Project or any part thereof are hereby pledged by the Issuer as security for the related Series of Bonds and shall be deposited at the option of the Issuer, but subject to the limitations hereinafter described, either (i) into a separate account, which may be an Account within the Acquisition and Construction Fund established under this Master Indenture for such purpose and as directed by the Issuer, and used to remedy the loss, damage or taking for which such proceeds are received, either by repairing the damaged property or replacing the destroyed or taken property, as soon as practicable after the receipt of such proceeds, or (ii) if so provided in a Supplemental Indenture, into the related Account within the Bond Redemption Fund for the purpose of purchasing or redeeming Bonds according to the provisions set forth in Article VIII hereof. To the extent a Supplemental Indenture provides for extraordinary mandatory redemption in the event the Issuer receives insurance proceeds or condemnation awards, the Issuer shall not be entitled to deposit insurance proceeds or condemnation awards into the separate fund described above in clause (i) of this paragraph (and such proceeds and awards shall be deposited directly into the related Account within the Bond Redemption Fund pursuant to clause (ii) of this paragraph) unless there shall have been filed with the Issuer within a reasonable time after the damage, destruction or condemnation (A) a certificate from the Consulting Engineer that the proceeds of the insurance or condemnation awards deposited into such separate fund, together with other funds available for such purposes, will be sufficient to repair, rebuild, replace or restore such property to substantially the same condition as it was in prior to its damage, destruction or condemnation (taking into consideration any changes, alterations and modifications that the Issuer may desire), (B) an opinion from the Consulting Engineer that a Project can be repaired, rebuilt, replaced or restored within two (2) years following the damage, destruction or condemnation thereof and (C) an opinion of the Consulting Engineer that, in each of the three (3) Fiscal Years following completion of such repair, rebuilding, replacement or restoration, the Issuer will be in compliance with its obligations hereunder. If the certificate described in clause (A) of this paragraph is not rendered because such proceeds or awards are insufficient for such purposes, the Issuer may deposit any other legally available funds in such separate fund in an amount required to enable the Consulting Engineer to render its certificate. If the insurance proceeds or condemnation awards deposited in such separate fund are more than sufficient to repair the

**SECTION 9.10. Construction to be on District Lands.** Except for certain off site mitigation, roadway and possibly landscaping improvements which are or may be outside the District Lands and are required in order for the District Lands to be developed, the Issuer covenants that no part of a Project will be constructed on, over or under lands other than (i) lands good and marketable title to which is owned by the Issuer or other appropriate entity in fee simple, (ii) lands on, over or under which the Issuer or other appropriate entity shall have acquired perpetual easements for the purposes of a Project, or (iii) lands, including public streets and highways, the right to the use and occupancy of which for such purposes shall be vested in the Issuer or other appropriate entity by law or by valid franchises, licenses, easements or rights of way or other legally effective permissions or approval.

**SECTION 9.11. Operation, Use and Maintenance of a Project.** The Issuer shall establish and enforce reasonable rules and regulations governing the use of the Projects owned by the Issuer, and the operation thereof, such rules and regulations to be adopted in accordance with the Act, and the Issuer shall operate, use and maintain the Projects owned by the Issuer in accordance with the Act and all other applicable federal and State laws, rules and regulations; the Issuer shall maintain and operate the Projects owned by the Issuer in an efficient and economical manner, shall at all times maintain the same in good repair and in sound operating condition and shall make all necessary repairs, renewals and replacements.

**SECTION 9.12. Observance of and Compliance with Valid Requirements.** The Issuer shall pay all municipal or governmental charges lawfully levied or assessed upon any Project or any part thereof or upon any revenues when the same shall become due, and the Issuer shall duly observe and comply with all valid requirements of any municipal or governmental authority relative to each Project. The Issuer shall not, except as otherwise permitted in Section 9.24 of this Article, create or suffer to be created any lien or charge upon any Project or upon Pledged Revenues, except the lien and charge of the Bonds on the Pledged Revenues.

**SECTION 9.13. Payment of Operating or Maintenance Costs by State or Others.** The Issuer may permit the United States of America, the State, or any of their agencies, departments or political subdivisions or any other Person to pay all or any part of the cost of maintaining, repairing and operating the Projects out of funds other than Pledged Revenues.

**SECTION 9.14. Public Liability and Property Damage Insurance; Maintenance of Insurance; Use of Insurance and Condemnation Proceeds.**

(a) Except as otherwise provided in subsection (d) of this Section, the Issuer will carry or cause to be carried, in respect of each Project, comprehensive general liability insurance (covering bodily injury and property damage) issued by one or more insurance companies authorized and qualified to do business under the laws of the State, in such amounts as is customary for similar operations, or as is more specifically set forth hereinbelow.

(b) At all times, to the extent commercially available, the Issuer shall maintain a practical insurance program, with reasonable terms, conditions, provisions and costs which the District Manager determines will afford adequate protection against loss caused by damage to or destruction of any component of any Project owned by the Issuer. Limits for such coverage will be subject to the Consulting Engineer's recommendations. The Issuer shall also, at all times,

Prior to participation in any plan of Qualified Self Insurance not currently in effect, the Issuer shall obtain a certificate of compliance executed by the District Manager or a licensed insurance agent selected by the District Manager to the effect that (A) the proposed Qualified Self Insurance plan will provide the coverage required by subsections (a) and (b) of this Section, and (B) the proposed Qualified Self Insurance plan provides for the creation of actuarially sound reserves.

Each plan of Qualified Self Insurance shall be in written form, shall provide that upon the termination of such plan reserves will be established or insurance acquired in amounts adequate to cover any potential retained liability in respect of the period of self-insurance, and shall be reviewed annually by the District Manager or registered actuary who shall deliver to the Issuer a report on the adequacy of the reserves established thereunder in light of claims made. If the District Manager or registered actuary determines that such reserves are inadequate in light of the claims made, he shall make recommendations as to the amount of reserves that should be established and maintained, and the Issuer shall comply with such recommendations unless it can establish to the satisfaction of the District Manager or an insurance consultant retained by the Issuer that such recommendations are unreasonable in light of the nature of the claims or the history of recovery against the Issuer for similar claims.

(e) Copies of all recommendations and approvals made by the Consulting Engineer under the provisions of this Section shall be filed with the District Manager.

The Trustee shall have no duty to determine compliance by the Issuer with the requirements of this Section.

On or before the first day of each Fiscal Year the Issuer shall adopt a final Annual Budget with respect to the Projects for such Fiscal Year for the payment of anticipated operating and maintenance expenses and shall supply a copy of such budget promptly upon the approval thereof to any Bondholders who shall have so requested in writing and shall have filed their names and

Subject to obtaining an opinion of Bond Counsel that such action is permitted hereunder and will not adversely affect the exclusion of interest on the Bonds for federal income tax purposes, the Issuer may lease or grant easements, franchises or concessions for the use of any part of a Project not incompatible with the maintenance and operation thereof, if the Consulting Engineer shall approve such lease, easement, franchise or concession in writing, and the net proceeds of any such lease, easement, franchise or concession (after the making of provision for payment from said proceeds of all costs incurred in financing, constructing, operating, maintaining or repairing such leases, easements, franchises or concessions) shall be deposited as received to the credit of related Account in the Revenue Fund.

SECTION 9.27. Compliance With Other Contracts and Agreements. The Issuer shall comply with and abide by all of the terms and conditions of any and all contracts and agreements which the Issuer enters into in connection with a Project and the issuance of the Bonds.

The Issuer may at any time adopt an amended or supplemental Annual Budget for the remainder of the current Fiscal Year, and when such amended or supplemental Annual Budget is approved it shall be treated as the official Annual Budget under this Master Indenture and any Supplemental Indenture. SECTION 9.30. Further Assurances. The Issuer shall not enter into any contract or take any action by which the rights of the Trustee or the Bondholders may be impaired and shall, from time to time, execute and deliver such further instruments and take such further action as may be required to carry out the purposes of this Master Indenture and any Supplemental Indenture.

SECTION 9.31. Use of Bond Proceeds to Comply with Internal Revenue Code. The Issuer covenants to the Holders of the Bonds that it will not make or direct the making of any investment or other use of the proceeds of any Bonds issued hereunder, the interest on which is intended to be excluded from gross income for federal income tax purposes ("Tax-Exempt Bonds") which would cause such Bonds to be "arbitrage bonds" as that term is defined in Section 148 (or any successor provision thereto) of the Code or "private activity bonds" as that term is defined in Section 141 (or any successor provision thereto) of the Code, and that it will comply with the requirements of such Code sections and related regulations throughout the term of such Tax-Exempt Bonds. The Issuer hereby further covenants and agrees to comply with the procedures and covenants contained in any Arbitrage Certificate executed in connection with the issuance of each Series of Tax-Exempt Bonds for so long as compliance is necessary in order to maintain the exclusion from gross income for federal income tax purposes of interest on each Series of Tax-Exempt Bonds.

SECTION 9.32. Corporate Existence and Maintenance of Properties. For so long as any Bonds are Outstanding hereunder, unless otherwise provided by the Act, the Issuer shall maintain its corporate existence as a local unit of special purpose government under the Act and shall provide for or otherwise require all Projects, and all parts thereof owned by the Issuer to be (a) continuously operated, repaired, improved and maintained as shall be necessary to provide adequate service to the lands benefited thereby; and (b) in compliance with all valid and applicable laws, acts, rules, regulations, permits, orders, requirements and directions of any competent public authority.

SECTION 9.33. Continuing Disclosure. The Issuer hereby covenants and agrees that it will comply with and carry out all of the provisions of each Continuing Disclosure Agreement. Notwithstanding any other provision of this Master Indenture and any Supplemental Indenture, failure of the Issuer or any other Person (if obligated pursuant to the Continuing Disclosure Agreement) to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default; however, the Trustee may (and, at the request of any Participating Underwriter or the Holders of at least 25% aggregate principal amount in Outstanding Bonds of a Series and receipt of indemnity to its satisfaction, shall) or any Holder of the Bonds or Beneficial Owner may take

55

such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Issuer to comply with its obligations under this Section 9.33. For purposes of this Section, "Beneficial Owner" means any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

**SECTION 9.34. Bankruptcy of Developer or Other Obligated Person Under the Rule.** For purposes of this Section 9.34, (a) each Series of Bonds secured by and payable from Special Assessments levied against property owned by any Insolvent Taxpayer (defined below) are collectively referred to herein as the "Affected Bonds" and (b) the Special Assessments levied against any Insolvent Taxpayer's property and pledged under one or more Supplemental Indentures as security for the Affected Bonds are collectively referred to herein as the "Affected Special Assessments."

The provisions of this Section 9.34 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the Issuer, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the Issuer, to the extent permitted by applicable law, shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least ten percent (10%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the Issuer, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments or the Trustee. The Issuer agrees that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

The Issuer acknowledges and agrees that, although the Affected Bonds were issued by the Issuer, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake with respect to the Affected Bonds and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the Issuer, to the extent permitted by applicable law, hereby agrees that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture; (b) to the extent permitted by applicable law, the Issuer hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) to the extent permitted by applicable law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding and all claims of the Issuer, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the Issuer,

## ARTICLE X EVENTS OF DEFAULT AND REMEDIES

**SECTION 10.01. Events of Default and Remedies.** Except to the extent otherwise provided in the Supplemental Indenture authorizing a Series of Bonds, events of default and remedies with respect to each Series of Bonds shall be as set forth in this Master Indenture.

**SECTION 10.02. Events of Default Defined.** Each of the following shall be an "Event of Default" under the Indenture, with respect to a Series of Bonds:

(a) if payment of any installment of interest on any Bond of such Series is not made when it becomes due and payable; or

(b) if payment of the principal or Redemption Price of any Bond of such Series is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or

(c) if the Issuer, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act which failure or incapacity may reasonably be determined solely by the Majority Holders of the applicable Series of Bonds; or

(d) if the Issuer proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the Issuer or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the Issuer and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or

(e) if the Issuer defaults in the due and punctual performance of any other covenant in the Indenture or in any Bond of such Series issued pursuant to the Indenture and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the Issuer by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders of the Outstanding Bonds of such Series; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the Issuer shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) written notice shall have been received by the Trustee from a Credit Facility Issuer securing Bonds of such Series that an event of default has occurred under the Credit Facility Agreement, or there shall have been a failure by said Credit Facility Issuer to make said Credit Facility available or to reinstate the interest component of said Credit Facility in accordance with the terms of said Credit Facility, to the extent said notice or failure is established as an event of default under the terms of a Supplemental Indenture; or

58

including without limitation, motions seeking relief from the automatic stay or dismissal of the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the Issuer shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the Issuer in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a bankruptcy plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the Issuer shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the Issuer claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the Issuer agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the Issuer a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing in this Section shall preclude the Issuer from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments and the Issuer shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion provided the action does not seek to reduce the amount of any Special Assessment. Any actions taken by the Issuer in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Special Assessments relating to the Bonds Outstanding whether such claim is pursued by the Issuer or the Trustee.

[END OF ARTICLE IX]

57

(g) if at any time the amount in the Debt Service Reserve Fund or any Account therein is less than the Debt Service Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Bonds of any Series and such amount has not been restored within thirty (30) days of such withdrawal; or

(h) if more than twenty percent (20%) of the "maintenance special assessments" levied by the Issuer on District Lands upon which the Special Assessments are levied to secure one or more Series of Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the Issuer have become due and payable and have not been paid.

The Trustee shall not be required to rely on any official action, admission or declaration by the Issuer before recognizing that an Event of Default under (c) above has occurred.

**SECTION 10.03. Foreclosure of Assessment Lien.** Notwithstanding any other provision of this Master Indenture to the contrary, the following provisions shall apply with respect to the Special Assessments securing a Series of Bonds.

If any property shall be offered for sale for the nonpayment of any Special Assessment and no person or persons shall purchase such property for an amount equal to the full amount due on the Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the Issuer for an amount equal to the balance due on the Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the Issuer and the Issuer shall receive in its corporate name or in the name of a special purpose entity title to the property for the benefit of the Owners of the applicable Series of Bonds; provided that the Trustee shall have the right, acting at the written direction of the Majority Holders, but shall not be obligated, to direct the Issuer with respect to any action taken pursuant to this Section. The Issuer, either through its own actions, or actions caused to be taken through the Trustee, shall have the power and shall lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Revenue Fund. The Issuer, either through its own actions, or actions caused to be taken through the Trustee, agrees that it shall be required to take the measures provided by law for sale of property acquired by it as trustee for the Owners of the applicable Series of Bonds within ninety (90) days after entry of a foreclosure judgment issued by a court of proper jurisdiction (or at such time as soon as possible thereafter) of the request therefor signed by the Trustee or the Majority Holders.

**SECTION 10.04. No Acceleration; Redemption.** No Series of Bonds issued under this Master Indenture shall be subject to acceleration. Upon the occurrence and continuation of an Event of Default, no optional redemption or extraordinary mandatory redemption of the Bonds pursuant to Article VIII hereof shall occur unless all of the Bonds of the Series where an Event of Default has occurred will be redeemed or 100% of the Holders of such Series of Bonds agree to such redemption; provided that in no event shall this provision preclude any partial distribution under Section 10.12 hereof.

**SECTION 10.05. Legal Proceedings by Trustee.** If any Event of Default with respect to a Series of Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon

59

the written request of the Majority Holders of the Outstanding Bonds of such Series and receipt of indemnity to its satisfaction shall, in its capacity as Trustee:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Bonds of such Series, including, without limitation, the right to require the Issuer to carry out any agreements with, or for the benefit of, the Bondholders of the Bonds of such Series and to perform its or their duties under the Act;

(b) bring suit upon the Series of Bonds;

(c) by action or suit in equity require the Issuer to account as if it were the trustee of an express trust for the Holders of the Bonds of such Series;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Bonds of such Series; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing such Series of Bonds.

SECTION 10.06. Discontinuance of Proceedings by Trustee. If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, the Issuer, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

SECTION 10.07. Bondholders May Direct Proceedings. The Majority Holders of the Outstanding Bonds of a Series then subject to remedial proceedings under this Article X shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law and the provisions of the Indenture and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unduly prejudicial to the rights of the Owners of such Series of Bonds not parties to such direction or would subject the Trustee to personal liability or expense. Notwithstanding the foregoing, the Trustee shall have the right to select and retain legal counsel of its choosing to represent it in any such proceedings. The Trustee may take any other action which is not inconsistent with any direction under this Section 10.07. The Trustee shall have no liability as a result of any actions taken upon any such direction of the Holders.

The Issuer hereby agrees that it shall seek to secure the written direction of the Trustee, acting at the direction of the Majority Owners of the applicable Series Bonds Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceedings or in any action related to a Proceeding that affects, either directly or indirectly, the Series Assessments relating to the Series Bonds Outstanding, or any rights of the Trustee under the Indenture. However, the Trustee shall be deemed to have consented, on behalf of the Majority Owners of the applicable Series Bonds Outstanding, to the proposed action if the Issuer does not receive written direction from the Trustee within sixty (60) days or which shorter amount of time as would be required to comply with the ruling of the applicable court following receipt by the Trustee of the written request for direction.

60

according to the amounts due on such installment, to the persons entitled thereto, without any preference or priority of one installment of interest over any other installment; and

SECOND: to payment to the persons entitled thereto of the unpaid principal or Redemption Price of any of the Bonds of such Series which shall have become due in the order of their due dates, with interest on such Bonds from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full the principal or Redemption Price coming due on such Bonds on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any preference or priority of one such Bond of a Series over another or of any installment of interest over another.

Any surplus remaining after the payments described above shall be paid to the Issuer or to the Person lawfully entitled to receive the same or as a court of competent jurisdiction may direct, provided, however, that the Issuer shall be first entitled to recover any fees and costs of foreclosure or other proceedings incurred by the Issuer in connection with enforcement of any delinquent Special Assessments.

For purposes of the application of moneys described above, to the extent payments of principal of and interest on a Series of Bonds shall have been made under a Credit Facility relating thereto, the Credit Facility Issuer shall be entitled to moneys in the related Accounts in the Debt Service Fund in accordance with the agreement pursuant to which such Credit Facility has been issued (but subject to subsection (a) hereof and Section 11.04 hereof) and the Certified Resolution of the Issuer authorizing the issuance of such Bonds to which such Credit Facility relates.

SECTION 10.13. Trustee's Right to Receiver; Compliance with Act. The Trustee shall be entitled as of right to the appointment of a receiver and the Trustee, the Bondholders and any receiver so appointed shall have such rights and powers and be subject to such limitations and restrictions as are contained in the Act and other applicable law of the State. When the Trustee incurs costs or expenses (including legal fees, costs and expenses) or renders services after the occurrence of an Event of Default, such costs and expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

SECTION 10.14. Right to Enforce Payment of Bonds. Nothing in this Article X shall affect or impair the right of any Owner to enforce the payment of Debt Service on the Bond of which such person is the registered Owner, or the obligation of the Issuer to pay debt service to the Owner at the time and place specified in such Bond.

SECTION 10.15. Trustee and Bondholders Entitled to all Remedies under Act. It is the purpose of this Article to provide such remedies to the Trustee and Bondholders as may be lawfully granted under the provisions of the Act and other applicable laws of the State; if any remedy herein granted shall be held unlawful, the Trustee and the Bondholders shall nevertheless be entitled to every other remedy provided by the Act and other applicable laws of the State. It is further intended that, insofar as lawfully possible, the provisions of this Article X shall apply to and be binding upon any receiver appointed in accordance with Section 10.13 hereof.

62

SECTION 10.08. Limitations on Actions by Bondholders. No Bondholder shall have any right to pursue any remedy hereunder unless (a) the Trustee shall have been given written notice of an Event of Default, (b) the Majority Holders of the applicable Series shall have requested the Trustee, in writing, to exercise the powers hereinabove granted or to pursue such remedy in its or their name or names, (c) the Trustee shall have been offered indemnity satisfactory to it against costs, expenses and liabilities reasonably anticipated to be incurred, (d) the Trustee has declined to comply with such request, or has failed to do so, within sixty (60) days after its receipt of such written request and offer of indemnity; and (e) no direction inconsistent with such request has been given to the Trustee during such sixty (60) day period by the Majority Owners of the Bonds of such Series then Outstanding. The provisions of the immediately preceding sentence of this Section 10.08 are conditions precedent to the exercise by any Owner of such Series of Bonds of any remedy hereunder. The exercise of such rights is further subject to the provisions of Sections 10.10, 10.11, 10.16 and this Section 10.08. No Owner or Owners of such Series of Bonds shall have any right in any manner whatsoever to enforce any right under this Master Indenture, except in the manner herein provided.

SECTION 10.09. Trustee May Enforce Rights Without Possession of Bonds. All rights under the Indenture and a Series of Bonds may be enforced by the Trustee without the possession of any of the Bonds of such Series or the production thereof at the trial or other proceedings relative thereto, and any proceeding instituted by the Trustee shall be brought in its name for the ratable benefit of the Holders of the Bonds of such Series.

SECTION 10.10. Remedies Not Exclusive. Except as limited under Section 15.01 of this Master Indenture, no remedy contained in the Indenture with respect to a Series of Bonds is intended to be exclusive of any other remedy or remedies, and each remedy is in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

SECTION 10.11. Delays and Omissions Not to Impair Rights. No delay or omission in respect of exercising any right or power accruing upon any Event of Default shall impair such right or power or be a waiver of such Event of Default, and every remedy given by this Article X may be exercised from time to time and as often as may be deemed expedient.

SECTION 10.12. Application of Moneys in Event of Default. Any moneys received by the Trustee or the Paying Agent, as the case may be, in connection with any proceedings brought under this Article X with respect to a Series of Bonds and the amounts held in any Fund or Account herein shall be applied in the following order of priority:

(a) to the payment of the fees and costs of the Trustee and Paying Agent incurred in connection with actions taken under this Article X with respect to such Series of Bonds, including Counsel fees and any disbursements of the Trustee and the Paying Agent and payment of unpaid fees and expenses owed to the Trustee.

(b) then:

FIRST: to payment of all installments of interest then due on the Bonds of such Series in the order of maturity of such installments of interest, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably,

SECTION 10.16. Credit Facility Issuer's Rights Upon Events of Default. Anything in the Indenture to the contrary notwithstanding, if any Event of Default, other than Events of Default described in Section 10.02(a) or (b) hereof, has occurred and is continuing while a Credit Facility securing all or a portion of such Bonds of a Series Outstanding is in effect, the Credit Facility Issuer shall have the right, in lieu of the Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility, by an instrument in writing, executed and delivered to the Trustee, together with indemnification satisfactory to the Trustee against costs, expenses and liabilities, to direct the time, method and place of conducting all remedial proceedings available to the Trustee under the Indenture, or exercising any trust or power conferred on the Trustee by the Indenture. Said direction shall be controlling to the extent the direction of Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility would have been controlling under this Article. If the Credit Facility Issuer shall be in default in the performance of its obligations under the Credit Facility, said Credit Facility Issuer shall have no rights under this Section.

SECTION 10.17. Indemnification. Other than to make proper draws under a Credit Facility, the Trustee shall be under no obligation to institute any suit or to take any remedial proceeding under this Master Indenture or any Supplemental Indenture or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to advance its own money, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability. Notwithstanding the foregoing, the indemnification provided by this Section 10.17 shall not be applicable in cases of the Trustee's negligence or willful misconduct.

**ARTICLE XI**  
**THE TRUSTEE; THE PAYING AGENT AND REGISTRAR**

SECTION 11.01. Acceptance of Trust. The Trustee accepts and agrees to execute the trusts hereby created, but only upon the additional terms set forth in this Article XI, to all of which the parties hereto to the Bondholders and any Credit Facility Issuer agree. The Trustee shall act as Trustee under this Master Indenture. Subject to the provisions of Section 11.03 hereof, the Trustee shall have only such duties as are expressly set forth herein, and no duties shall be implied on the part of the Trustee.

The Trustee further agrees to comply with the procedures and covenants contained in any arbitrage rebate agreement to which it is a party for so long as compliance is necessary in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds, to the extent applicable.

SECTION 11.02. No Responsibility for Recitals. The recitals, statements and representations in this Master Indenture or in the Bonds, save only the Trustee's Certificate of Authentication, if any, upon the Bonds, have been made by the Issuer and not by the Trustee and the Trustee shall be under no responsibility for the correctness thereof. The Trustee makes no representations to the value or condition of the security for the Bonds or any part thereof, or as to the title thereto or as to the security afforded thereby, or as to the validity or sufficiency of this Master Indenture or of the Bonds. The Trustee shall not be accountable for the use or application by the Issuer of the proceeds of the Bonds or of any money paid to or upon the order of the Issuer in accordance with any provision of this Master Indenture or Supplemental Indenture. The Trustee shall be under no responsibility to approve, evaluate or determine the independence of any consultant, engineer, counsel, expert or other skilled person selected by the Issuer for any of the purposes expressed in this Master Indenture or any Supplemental Indenture.

SECTION 11.03. Trustee May Act Through Agents; Answerable Only for Willful Misconduct or Negligence. The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers or employees, and shall be entitled to advice of Counsel concerning all questions hereunder; the Trustee shall not be answerable for following the advice of Counsel or other professionals or responsible for the default or misconduct of any attorney or agent selected and supervised by it with reasonable care. The Trustee shall not be answerable for the exercise of any discretion or power under this Master Indenture and any Supplemental Indenture nor for anything whatever in connection with the trust hereunder, except only its own negligence or willful misconduct or breach of its obligations hereunder. The Trustee shall not be accountable for the use or application of any of the Bonds or the proceeds thereof or for the use or application of any money paid over by the Trustee in accordance with the provisions of this Master Indenture. The permissive right of the Trustee to do things enumerated in this Master Indenture shall not be construed as a duty. The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds and shall have no responsibility for compliance with any state or federal securities laws in connection with the Bonds. None of the provisions of this Master Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable

Redemption Price, the Trustee may withhold such notice so long as it in good faith determines that such withholding is in the interest of the Bondholders. The Trustee shall not be deemed to have notice of any default other than a payment default under this Master Indenture and any Supplemental Indenture or a notification by a Credit Facility Issuer of a default under its Credit Facility, unless notified in writing of such default by the Holders of at least a majority of the aggregate principal amount of the Outstanding Bonds of a Series. The Trustee may, however, at any time require of the Issuer full information as to the performance of any covenant hereunder, and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the Issuer, an investigation into the affairs of the Issuer.

SECTION 11.07. Obligation to Act on Defaults. The Trustee shall be under no obligation to take any action in respect of any default or otherwise, unless it is requested in writing to do so by the Majority Holders which are or would be, upon the taking of such action, subject to remedial proceedings under Article X of this Master Indenture if in its opinion such action may tend to involve expense or liability, and unless it is also furnished with indemnity satisfactory to it. The Trustee shall have no responsibility for actions taken at the direction of the Majority Holders.

SECTION 11.08. Reliance by Trustee. The Trustee may act on any requisition, resolution, notice, Electronic Means, telegram, facsimile transmission, request, consent, waiver, certificate, statement, affidavit, voucher, bond, or other paper or document which it in good faith believes to be genuine and to have been passed, signed or given by the persons purporting to be authorized (which in the case of the Issuer shall be a Responsible Officer) or to have been prepared and furnished pursuant to any of the provisions of this Master Indenture and any Supplemental Indenture; the Trustee shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement.

SECTION 11.09. Trustee May Deal in Bonds. The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Bondholders may be entitled to take with like effect as if the Trustee were not a party to this Master Indenture and any Supplemental Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the Issuer; provided, however, that if the Trustee determines that any such relation is in conflict with its duties under this Master Indenture and any Supplemental Indenture, it shall eliminate the conflict or resign as Trustee.

SECTION 11.10. Construction of Ambiguous Provisions. The Trustee may construe any ambiguous or inconsistent provisions of this Master Indenture and any Supplemental Indenture, and except as otherwise provided in Article XIII of this Master Indenture, any construction by the Trustee shall be binding upon the Bondholders. The Trustee shall give prompt notice to the Issuer of any intention to make such construction.

SECTION 11.11. Resignation of Trustee. The Trustee may resign and be discharged of the trusts created by this Master Indenture and all Supplemental Indentures by written resignation filed with the Secretary of the Issuer not less than sixty (60) days before the date when such resignation is to take effect. Notice of such resignation shall be sent by Electronic Means or first-class mail to each Bondholder as its name and address appears on the Bond Register and to

grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it. The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under this Master Indenture arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fire; flood; hurricanes or other storms; wars; terrorism; similar military disturbances; sabotage; epidemic; pandemic; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software) or communications services; accidents; labor disputes; acts of civil or military authority or governmental action; it being understood that the Trustee shall use commercially reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as reasonably practicable under the circumstances.

SECTION 11.04. Compensation and Indemnity. The Issuer shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, and shall, to the extent permitted by law, indemnify and hold the Trustee harmless against any liabilities which it may incur in the proper exercise and performance of its powers and duties hereunder, except with respect to its own willful misconduct or negligence hereunder. If the Issuer defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys held by the Trustee or coming into its hands but exclusive of the Rebate Fund and moneys from a drawing on any Credit Facility, which right of payment shall be prior to the right of the holders of the Bonds. The Trustee shall promptly, but not less than monthly, provide periodic reports of any moneys the Trustee has deducted for amounts owing to it. This Section 11.04 shall survive the termination of this Master Indenture and any Supplemental Indenture and, as to any Trustee, its removal or resignation as Trustee. No provision of this Master Indenture shall require the Trustee to expend or risk its own funds. As security for the foregoing, the Issuer hereby grants to the Trustee a security interest in and to the amounts on deposit in all Series Funds and Accounts (other than the Rebate Fund) thereby and moneys from a drawing on any Credit Facility, in effect, granting the Trustee a first charge against these moneys following an Event of Default for its fees and expenses (including legal counsel and default administration costs and expenses), subordinate and inferior to the security interest granted to the Owners of the Bonds from time to time secured thereby, but nevertheless payable in the order of priority as set forth in Section 10.12 upon the occurrence of an Event of Default. Notwithstanding any of the foregoing, no moneys in any of the Funds and Accounts derived from the proceeds of any Series of Bonds plus accrued interest shall be payable to the Trustee unless approved by an opinion of Bond Counsel.

SECTION 11.05. No Duty to Renew Insurance. The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the Issuer to require or effect or renew insurance or to report or file claims of loss thereunder. The Trustee shall be under no obligation to review any insurance policy or inquire as to the sufficiency of such policy or the qualifications of the company issuing same.

SECTION 11.06. Notice of Default; Right to Investigate. The Trustee shall give written notice by Electronic Means or first-class mail to registered Holders of a Series of Bonds of all defaults known to the Trustee, unless such defaults have been remedied (the term "defaults" for purposes of this Section and Section 11.07 being defined to include the events specified as "Events of Default" in Article X hereof, but not including any notice or periods of grace provided for therein); provided that, except in the case of a default in payment of principal or interest or

65

any Paying Agent, Registrar and Credit Facility Issuer, if any, at least sixty (60) days before the resignation is to take effect. Such resignation shall take effect on the day specified in the Trustee's notice of resignation unless a successor Trustee is previously appointed, in which event the resignation shall take effect immediately on the appointment of such successor; provided, however, that notwithstanding the foregoing, such resignation shall not take effect until a successor Trustee has been appointed. If a successor Trustee has not been appointed within ninety (90) days after the Trustee has given its notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has been duly appointed. Notice of such resignation shall also be given to any rating agency that shall then have in effect a rating on any of the Bonds.

SECTION 11.12. Removal of Trustee. The Trustee may be removed at any time by either (a) the Issuer, if no default exists under this Master Indenture or any Supplemental Indenture, or (b) an instrument or concurrent instruments in writing, executed by the Owners of a majority of the aggregate principal amount of the Bonds then Outstanding and filed with the Issuer. A photographic copy of any instrument or instruments filed with the Issuer under the provisions of this paragraph, duly certified by a Responsible Officer, shall be delivered promptly by the Issuer to the Trustee and to any Paying Agent, Registrar and Credit Facility Issuer, if any. No such removal shall be effective until any amounts owed to the Trustee hereunder have been paid in full.

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any material provision of this Master Indenture or any Supplemental Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the Issuer or the Holders of not less than a majority of the aggregate principal amount of the Bonds then Outstanding.

SECTION 11.13. Appointment of Successor Trustee. If the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and the Issuer shall appoint a successor and shall mail notice of such appointment by first-class mail to each Bondholder as its name and address appear on the Bond Register, and to the Paying Agent, Registrar, Credit Facility Issuer, if any, and any rating agency that shall then have in effect a rating on any of the Bonds. If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Master Indenture prior to the date specified in the notice of resignation or removal as the date when such resignation or removal was to take effect, the Majority Holders in aggregate principal amount of all Bonds then Outstanding may appoint a successor trustee or the Trustee may petition a court of competent jurisdiction for the appointment of a successor trustee. The Trustee that is being replaced or terminated shall be paid for all amounts owed to it prior to termination or replacement.

SECTION 11.14. Qualification of Successor. A successor Trustee shall be a bank or trust company with trust powers, having a combined net capital and surplus of at least \$50,000,000.

SECTION 11.15. Instruments of Succession. Subject to Section 11.16 hereof, any successor Trustee shall execute, acknowledge and deliver to the Issuer an instrument accepting such appointment hereunder and thereupon, such successor Trustee, without any further act, deed,

67

or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor in trust hereunder, with like effect as if originally named Trustee herein. The Trustee ceasing to act hereunder, after deducting all amounts owed to the Trustee, shall pay over to the successor Trustee all remaining moneys held by it hereunder and, upon written request of the successor Trustee, the Trustee ceasing to act and the Issuer shall execute and deliver an instrument or instruments prepared by the Issuer transferring to the successor Trustee all the estates, properties, rights, powers and trusts hereunder of the predecessor Trustee, except for its rights under Section 11.04 hereof. The successor Trustee shall mail notice of its appointment, including the name and address of the applicable corporate trust office of the successor Trustee, by first-class mail to each Bondholder as its name and address appears on the Bond Register, and to the Paying Agent, Registrar, and any Credit Facility issuer.

SECTION 11.16. Merger of Trustee. Any corporation, entity or purchaser into which any Trustee hereunder may be merged or with which it may be consolidated, or any corporation, entity or purchaser resulting from any merger or consolidation to which any Trustee hereunder shall be a party, or any corporation, entity or purchaser which shall have purchased or to which the Trustee shall have transferred substantially all of the bond administration business of the corporate trust department shall be the successor Trustee under this Master Indenture and all Supplemental Indentures, without the execution or filing of any paper or any further act on the part of the parties hereto, anything herein to the contrary notwithstanding; provided, however, that any such successor corporation, entity or purchaser continuing to act as Trustee hereunder shall meet the requirements of Section 11.14 hereof, and if such corporation, entity or purchaser does not meet the aforesaid requirements, a successor Trustee shall be appointed pursuant to this Article XI. The Trustee may not resign as the Paying Agent or the Registrar without resigning as Trustee.

SECTION 11.17. Extension of Rights and Duties of Trustee to Paying Agent and Registrar. The provisions of Sections 11.02, 11.03, 11.04, 11.08, 11.09, 11.10, 11.16 and 11.24 hereof are hereby made applicable to the Paying Agent and the Registrar, as appropriate, and any Person serving as Paying Agent and/or Registrar, hereby enters into and agrees to comply with the covenants and agreements of this Master Indenture and all Supplemental Indentures applicable to the Paying Agent and Registrar, respectively.

SECTION 11.18. Resignation of Paying Agent or Registrar. The Paying Agent or Registrar may resign and be discharged of the duties created by this Master Indenture and all Supplemental Indentures by executing an instrument in writing resigning such duties and specifying the date when such resignation shall take effect, and filing the same with the Issuer, the Trustee, and any rating agency that shall then have in effect a rating on any of the Bonds, not less than forty-five (45) days before the date specified in such instrument when such resignation shall take effect, and by giving written notice of such resignation not less than three (3) weeks prior to such resignation date to the Bondholders, mailed to their addresses as such appear in the Bond Register. Such resignation shall take effect on the date specified in such instrument and notice, but only if a successor Paying Agent or Registrar shall have been appointed as hereinafter provided, in which event such resignation shall take effect immediately upon the appointment of such successor Paying Agent or Registrar. If the successor Paying Agent or Registrar shall not have been appointed within a period of ninety (90) days following the giving of notice, then the Paying Agent or Registrar shall be authorized to petition any court of competent jurisdiction to appoint a successor Paying Agent or Registrar as provided in Section 11.22 hereof.

68

SECTION 11.24. Successor by Merger or Consolidation. Any corporation, purchaser or other entity into which any Paying Agent or Registrar hereunder may be merged or converted or with which it may be consolidated, or any corporation, purchaser or other entity resulting from any merger or consolidation to which any Paying Agent or Registrar hereunder shall be a party, or any corporation, purchaser or other entity which shall have purchased, or to which the Paying Agent or Registrar shall have transferred, substantially all of the bond administration business of the corporate trust department shall be the successor Paying Agent or Registrar under this Master Indenture and all Supplemental Indentures without the execution or filing of any paper or any further act on the part of the parties thereto, anything in this Master Indenture or any Supplemental Indenture to the contrary notwithstanding.

[END OF ARTICLE XI]

SECTION 11.19. Removal of Paying Agent or Registrar. The Paying Agent or Registrar may be removed at any time prior to any Event of Default by the Issuer by filing with the Paying Agent or Registrar to be removed, and with the Trustee, an instrument or instruments in writing executed by the Issuer appointing a successor, or an instrument or instruments in writing designating, and accompanied by an instrument or appointment by the Issuer of, such successor. Such removal shall be effective thirty (30) days (or such longer period as may be set forth in such instrument) after delivery of the instrument; provided, however, that no such removal shall be effective until the successor Paying Agent or Registrar appointed hereunder shall execute, acknowledge and deliver to the Issuer an instrument accepting such appointment hereunder.

SECTION 11.20. Appointment of Successor Paying Agent or Registrar. In case at any time the Paying Agent or Registrar shall be removed, or be dissolved, or if its property or affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy, or for any other reason, then a vacancy shall forthwith and ipso facto exist in the office of the Paying Agent or Registrar, as the case may be, and a successor shall be appointed by the Issuer; and in case at any time the Paying Agent or Registrar shall resign, then a successor shall be appointed by the Issuer. After any such appointment, written notice of such appointment shall be given by the Issuer to the predecessor Paying Agent or Registrar, the successor Paying Agent or Registrar, the Trustee, the Credit Facility Issuer, if any, any rating agency that shall then have in effect a rating on any of the Bonds, and all Bondholders. Any new Paying Agent or Registrar so appointed shall immediately, and without further act, supersede the predecessor Paying Agent or Registrar.

SECTION 11.21. Qualifications of Successor Paying Agent or Registrar. Every successor Paying Agent or Registrar (a) shall be a commercial bank or trust company (i) duly organized under the laws of the United States or any state or territory thereof, (ii) authorized by law to perform all the duties imposed upon it by this Master Indenture and all Supplemental Indentures and (iii) capable of meeting its obligations hereunder, and (b) shall have a combined net capital and surplus of at least \$50,000,000.

SECTION 11.22. Judicial Appointment of Successor Paying Agent or Registrar. In case at any time the Paying Agent or Registrar shall resign and no appointment of a successor Paying Agent or Registrar shall be made pursuant to the foregoing provisions of this Master Indenture prior to the date specified in the notice of resignation as the date when such resignation is to take effect, the retiring Paying Agent or Registrar may forthwith apply to a court of competent jurisdiction for the appointment of a successor Paying Agent or Registrar. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor Paying Agent or Registrar. Notice of such appointment shall be given by the Successor Registrar or Paying Agent to the Issuer, the Trustee, the Credit Facility Issuer, if any, any rating agency that shall then have in effect a rating on any of the Bonds, and all Bondholders. In the absence of such an appointment, the Trustee shall become the Registrar or Paying Agent, and shall so notify the Issuer or any rating agency that shall then have in effect a rating on the Bonds, and all Bondholders.

SECTION 11.23. Acceptance of Duties by Successor Paying Agent or Registrar. This Master Indenture and any Supplemental Indenture may be amended or supplemented, from time to time, without the consent of the Bondholders, by a Supplemental Indenture authorized by a Certified Resolution of the Issuer filed with the Trustee, for one or more of the following purposes:

- (a) to add additional covenants of the Issuer or to surrender any right or power herein conferred upon the Issuer;
- (b) for any purpose not inconsistent with the terms of the related Indenture, or to cure any ambiguity or to cure, correct or supplement any defective provision (whether because of any inconsistency with any other provision hereof or otherwise) of the related Indenture, in such manner as shall not impair the security hereof or thereof or adversely affect the rights and remedies of the Bondholders;
- (c) to provide for the execution of any and all contracts and other documents as may be required in order to effectuate the conveyance of any Project to the State, the County, or any department, agency or branch thereof, or any other unit of government of the State, provided, however, that the Issuer shall have caused to be delivered to the Trustee an opinion of Bond Counsel stating that such conveyance shall not impair the security hereof or adversely affect the rights and remedies of the Bondholders;

SECTION 13.02. Amendments With Bondholders' Consent. Subject to the provisions of Section 13.01 hereof, this Master Indenture and any Supplemental Indenture may be amended from time to time by a Supplemental Indenture approved by the Majority Holders in aggregate principal amount of the Bonds then Outstanding in the case of the Master Indenture, and of the Series of Bonds then Outstanding and secured by such Supplemental Indenture in the case of an amendment of a Supplemental Indenture including, but not limited to, any material amendment to the Special Assessments and related proceedings which secure a Series of Bonds; provided that with respect to (a) the interest payable upon any Bonds, (b) the dates of maturity or redemption provisions of any Bonds, (c) this Article XIII and (d) the security provisions hereunder or under any Supplemental Indenture, approval of the Owners of all Outstanding Bonds to be so amended is required.

**ARTICLE XIV  
DEFEASANCE**

SECTION 14.01. Defeasance. When interest on, and principal or Redemption Price (as the case may be) of, the Bonds of a Series or any portion thereof to be defeased have been paid, or there shall have been deposited with the Trustee or such other escrow agent designated in a Certified Resolution of the Issuer (the "Escrow Agent") moneys sufficient, or Defeasance Securities, the principal of and interest on which, when due, together with any moneys, remaining uninvested, will provide sufficient moneys to fully pay (i) such Bonds of a Series or portion thereof to be defeased, and (ii) any other sums payable hereunder by the Issuer including any unpaid Trustee fees and expenses, but only to the extent the Issuer has agreed to pay the same on or before the defeasance of the Bonds, the right, title and interest of the Trustee with respect to such Bonds of a Series or portion thereof to be defeased shall thereupon cease, the lien of the Indenture on the Pledged Revenues, and the Funds and Accounts established under the Indenture (other than the Rebate Fund or any Accounts therein, unless all rebate liability has been satisfied as determined by the Issuer) shall be defeased and discharged, and the Trustee, on written demand of the Issuer, shall release the Indenture as to such Bonds of a Series or portion thereof to be so defeased and shall execute such documents to evidence such release as may be reasonably required by the Issuer and shall turn over to the Issuer or to such Person, body or authority as may be entitled to receive the same all balances remaining in any Funds and Accounts (other than the Rebate Fund) upon the defeasance in whole of all of the Bonds of a Series.

SECTION 14.02. Deposit of Funds for Payment of Bonds. If the Issuer deposits with the Escrow Agent moneys sufficient, or Defeasance Securities, the principal of and interest on which, when due, together with any moneys remaining uninvested, will provide sufficient moneys to pay the principal or Redemption Price of any Bonds of a Series becoming due, either at maturity or by redemption or otherwise, together with all interest accruing thereon to the date of maturity or such prior redemption, and reimburses or causes to be reimbursed or pays or causes to be paid the other amounts required to be reimbursed or paid under Section 14.01 hereof, interest on such Bonds of a Series shall cease to accrue on such date of maturity or prior redemption and all liability of the Issuer with respect to such Bonds of a Series shall likewise cease, except as hereinafter provided; provided, however, that (a) if any Bonds are to be redeemed prior to the maturity thereof, notice of the redemption thereof shall have been duly given in accordance with the provisions of Section 8.02 hereof, or irrevocable provision satisfactory to the Trustee shall have been duly made for the giving of such notice, and (b) in the event that any Bonds are not by their terms subject to redemption within the next succeeding sixty (60) days following a deposit of moneys with the Escrow Agent, in accordance with this Section, the Issuer shall have given the Escrow Agent, in form satisfactory to the Escrow Agent, irrevocable instructions to mail to the Owners of such Bonds at their addresses as they appear on the Bond Register, a notice stating that a deposit in accordance with this Section has been made with the Escrow Agent and that the Bonds to which such notice relates are deemed to have been paid in accordance with this Section and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price (as the case may be) of, and interest on, said Bonds of a Series. Thereafter such Bonds shall be deemed not to be Outstanding hereunder and the Owners of such Bonds shall be restricted exclusively to the funds so deposited for any claim of whatsoever nature with respect to such Bonds, and the Escrow Agent shall hold such funds in trust for such Owners. At the time of the deposit referred to above, there shall be delivered to the Trustee and any Escrow Agent a

Supplemental Indenture or amendment permitted by this Article XIII and in so doing may rely on a written opinion of Counsel at the expense of the Issuer that such Supplemental Indenture or amendment is so permitted and has been duly authorized by the Issuer and that all things necessary to make it a valid and binding agreement have been done. If such amendment relates to a Series of Bonds which are Tax-Exempt Bonds, the Issuer shall, upon request of the Trustee, cause there to be delivered to the Trustee an opinion of Bond Counsel to the effect that such amendment will not adversely affect the tax status of such Tax-Exempt Bonds. The Trustee shall not be obligated to enter into any Supplemental Indenture or amendment that imposes additional obligations on the Trustee or adversely affects the Trustee's rights and immunities hereunder.

verification from a firm of independent Certified Public Accountants stating that the principal of and interest on the Defeasance Securities, together with the stated amount of any cash remaining on deposit with the Escrow Agent, will be sufficient to pay the remaining principal of, redemption premium, if any, and interest on such defeased Bonds. In addition, Bond Counsel will deliver its opinion that the subject Bonds are no longer Outstanding and if such Bonds are Tax-Exempt Bonds, the defeasance has no effect on the tax-exempt status of such Bonds.

In the case of any partial redemption of Bonds pursuant to an optional redemption, such redemption shall be effectuated by redeeming Bonds of such maturities in such manner as shall be specified by the Issuer in writing, subject to the provisions of the Indenture. In the case of any partial redemption of Bonds pursuant to an extraordinary mandatory redemption, such redemption shall be effectuated by redeeming Bonds pro rata among the maturities, treating each date on which a sinking fund installment is due as a separate maturity for such purpose, with the portion to be redeemed from each maturity being equal to the product of the aggregate principal amount of Bonds to be redeemed multiplied times a fraction the numerator of which is the principal amount of Bonds of such maturity outstanding immediately prior to the redemption date and the denominator of which is the aggregate principal amount of all Bonds outstanding immediately prior to the redemption date.

The Issuer shall keep books for the registration of the Bonds at the corporate trust office of the Registrar in Fort Lauderdale, Florida. Subject to the restrictions contained in the Indenture, the Bonds may be transferred or exchanged by the registered owner thereof in person or by his attorney duly authorized in writing only upon the books of the Issuer kept by the Registrar and only upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds. registering transfers with respect to such Series 2026 Bond, and for all other purposes whatsoever. Notwithstanding any of the foregoing, the Trustee is authorized to recognize the Beneficial Owner of the Series 2026 Bonds for purposes of this Section 2.07 if beneficial ownership is proven to the satisfaction of the Trustee.

Principal and interest on the Series 2026 Bonds registered in the name of Cede & Co. prior to and at maturity shall be payable directly to Cede & Co. in care of DTC. Disbursal of such amounts to Direct Participants shall be the responsibility of DTC. Payments by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners shall be the responsibility of Direct Participants and Indirect Participants and not of DTC, the Trustee or the Issuer.

Individuals may purchase beneficial interests in Authorized Denominations in book-entry-only form, without certificated Series 2026 Bonds, through Direct Participants and Indirect Participants.

During the period for which Cede & Co. is registered owner of the Series 2026 Bonds, any notices to be provided to any Beneficial Owner will be provided to Cede & Co. DTC shall be responsible for notices to Direct Participants and Direct Participants shall be responsible for notices to Indirect Participants, and Direct Participants and Indirect Participants shall be responsible for notices to Beneficial Owners.

The Issuer shall enter into a blanket letter of representations with DTC providing for such book-entry-only system. Such agreement may be terminated at any time by either DTC or the Issuer in accordance with the procedures of DTC. In the event of such termination, the Issuer shall select another securities depository and in that event, all references herein to DTC or Cede & Co., shall be deemed to be for reference to such successor. If the Issuer does not replace DTC, the Trustee will register and deliver to the Beneficial Owners replacement Series 2026 Bonds in the form of fully registered Series 2026 Bonds in accordance with the written instructions from Cede & Co.

Upon receipt by the Trustee or the Issuer of written notice from DTC (a) confirming that DTC has received written notice from the Issuer to the effect that a continuation of the requirement that all of the Outstanding Series 2026 Bonds be registered in the registration books kept by the Registrar in the name of Cede & Co., as nominee of DTC, is not in the best interest of the Beneficial Owners of the Series 2026 Bonds, or (b) to the effect that DTC is unable or unwilling to discharge its responsibilities and no substitute bond depository willing to undertake the functions of DTC hereunder can be found which is willing and able to undertake such functions upon reasonable and customary terms, the Series 2026 Bonds shall no longer be restricted to being registered in the registration books kept by the Registrar in the name of Cede & Co., as nominee of DTC, but may be registered in whatever name or names registered owners transferring or exchanging the Series 2026 Bonds shall designate, in accordance with the provisions hereof.

In the event DTC, any successor of DTC or the Issuer, but only in accordance with the procedures of DTC, elects to discontinue the book-entry only system, the Trustee shall deliver bond certificates in accordance with the written instructions from DTC or its successor and after such time Series 2026 Bonds may be exchanged for an equal aggregate principal amount of Series

**ARTICLE III  
REDEMPTION OF SERIES 2026 BONDS**

**SECTION 3.01. Redemption Dates and Prices.** The Series 2026 Bonds shall be subject to redemption at the times and in the manner provided in Article VIII of the Master Indenture and in this Article III. All payments of the Redemption Price of the Series 2026 Bonds shall be made on the dates hereinafter required. Except as otherwise provided in this Section 3.01, if less than all the Series 2026 Bonds are to be redeemed pursuant to an extraordinary mandatory redemption, the Trustee shall select the Series 2026 Bonds or portions of the Series 2026 Bonds to be redeemed pursuant to Section 8.04 of the Master Indenture. Partial redemptions of Series 2026 Bonds shall be made in such a manner that the remaining Series 2026 Bonds held by each Bondholder shall be in Authorized Denominations, except for the last remaining Series 2026 Bond.

The Series 2026 Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. All payments of the Redemption Price of the Series 2026 Bonds shall be made on the dates specified below.

(a) **Optional Redemption.** The Series 2026 Bonds may, at the option of the Issuer, provided written notice hereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days' notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after June 15, 20XX (less than all Series 2026 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2026 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2026 Optional Redemption Subaccount of the Series 2026 Bond Redemption Account. If such optional redemption shall be in part, the Issuer shall select such principal amount of Series 2026 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2026 Bonds is substantially level.

(b) **Extraordinary Mandatory Redemption in Whole or in Part.** The Series 2026 Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole or in part, on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2026 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2026 Prepayment Principal deposited into the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account (taking into account the credit from the Series 2026 Reserve Account pursuant to Section 4.05 of this First Supplemental Indenture) following the payment in whole or in part of the Series 2026 Special Assessments on any assessable property within the District in accordance with the provisions of Section 4.05 of this First Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2026 Funds, Accounts and subaccounts in the Funds and Accounts (other than the Series 2026 Rebate Fund, the Series 2026 Costs of Issuance Account and the Series 2026 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2026 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

Upon any redemption of Series 2026 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee in writing revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2026 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2026 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2026 Bonds in any year. In the event of a redemption occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

**SECTION 3.02. Notice of Redemption.** When required to redeem Series 2026 Bonds under any provision of this First Supplemental Indenture or directed to redeem Series 2026 Bonds by the Issuer, the Trustee shall give or cause to be given to Owners of the Series 2026 Bonds to be redeemed, notice of the redemption, as set forth in Article VIII of the Master Indenture.

Except as otherwise provided in this First Supplemental Indenture regarding Prepayments or in connection with the optional redemption of the Series 2026 Bonds, moneys to be deposited into the Series 2026 Bond Redemption Account as provided in Section 6.06 of the Master Indenture, shall be deposited to the Series 2026 General Redemption Subaccount of the Series 2026 Bond Redemption Account.

(h) Moneys that are deposited into the Series 2026 General Redemption Subaccount of the Series 2026 Bond Redemption Account (including all earnings on investments held therein) shall be used to call Series 2026 Bonds for the extraordinary mandatory redemption in whole, pursuant to Section 3.01(b)(ii) hereof or in part pursuant to Section 3.01(b)(iii) hereof.

(i) Moneys in the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account (including all earnings on investments held in such Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account) shall be accumulated therein to be used to call for redemption pursuant to Section 3.01(b)(i) hereof an amount of Series 2026 Bonds equal to the amount of money transferred to the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account for the purpose of such extraordinary mandatory redemption on the dates and at the price provided in such Section 3.01(b)(i) hereof.

(j) The Issuer hereby directs the Trustee to establish a Series 2026 Rebate Fund designated as the "Series 2026 Rebate Fund." Moneys shall be deposited into the Series 2026 Rebate Fund, as provided in the Arbitrage Certificate and Section 4.01 SEVENTH herein and applied for the purposes provided therein.

shall remain on deposit in such Series 2026 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2026 Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

**SECTION 4.03. Power to Issue Series 2026 Bonds and Create Lien.** The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2026 Bonds, to execute and deliver the Indenture and to pledge the Series 2026 Pledged Revenues for the benefit of the Series 2026 Bonds to the extent set forth herein. The Series 2026 Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Series 2026 Bonds. The Series 2026 Bonds and the provisions of the Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by the Indenture and all the rights of the Owners of the Series 2026 Bonds under the Indenture against all claims and demands of all persons whomsoever.

**SECTION 4.04. 2026 Project to Conform to Consulting Engineers Report.** Upon the issuance of the Series 2026 Bonds, the Issuer will promptly proceed to construct or acquire the 2026 Project, as described in Exhibit A hereto and in the Consulting Engineer's Report relating thereto, all pursuant to the terms and provisions of the Acquisition Agreement.

**SECTION 4.05. Prepayments; Removal of the Special Assessment Liens.**

(a) At any time any owner of property subject to the Series 2026 Special Assessments may, at its option, or as a result of acceleration of the Series 2026 Special Assessments because of non-payment thereof or as a result of true-up payment, shall require the Issuer to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2026 Special Assessments by paying or causing there to be paid, to the Issuer all or a portion of the Series 2026 Special Assessment, which shall constitute Series 2026 Prepayment Principal, plus accrued interest to the next succeeding Quarterly Redemption Date (or the next succeeding Quarterly Redemption Date if such Prepayment is made within forty-five (45) calendar days before a Quarterly Redemption Date), attributable to the property subject to the Series 2026 Special Assessment owned by such owner. In connection with such Prepayments, in the event the amount in the Series 2026 Reserve Account will exceed the applicable Reserve Requirement as a result of a Prepayment in accordance with this Section 4.05(a) and Section 4.01(f) hereof and the resulting redemption of the Series 2026 Bonds in accordance with Section 3.01(b)(i) of this First Supplemental Indenture, the excess amount shall be transferred from the Series 2026 Reserve Account to the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account as a credit against the Series 2026 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions to the Trustee of the District Manager upon which the Trustee may conclusively rely, on behalf of the Issuer, together with a certification stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2026 Reserve Account to equal or exceed the then Reserve Requirement for the Series 2026 Bonds and which certificate of the District Manager will further state that, after giving effect to the proposed redemption of Series 2026 Bonds, there will be sufficient Series 2026 Pledged Revenues to pay the principal and interest, when due, on all Series 2026 Bonds that will remain Outstanding.

(b) Upon receipt of Series 2026 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately

21

pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the Issuer that the Series 2026 Special Assessment has been paid in whole or in part and that such Series 2026 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

(c) The Trustee may conclusively rely on the Issuer's determination of what moneys constitute Series 2026 Prepayment Principal. The Issuer or the District Manager, on behalf of the Issuer, shall calculate the amount available for extraordinary mandatory redemption of the Series 2026 Bonds pursuant to Section 3.01(b)(i) hereof forty-five (45) days before each Quarterly Redemption Date and will withdraw money from the Series 2026 Reserve Account as a credit against the amount of Prepayment that is owed in an amount as directed by the Issuer or the District Manager on behalf of the Issuer in accordance with Section 4.01(f) hereof and Section 4.05(a) hereof. No credit shall be given if as a result the Reserve Requirement shall be less than is required after taking into account the proposed extraordinary mandatory redemption pursuant to Section 3.01(b)(i) hereof. At any time such Prepayment is not in an integral multiple of \$5,000, the Trustee shall withdraw moneys from the Series 2026 Revenue Account to round-up to an integral multiple of \$5,000 and deposit such amount into the Series 2026 Prepayment Subaccount. Notwithstanding the foregoing, the Trustee shall not be authorized to withdraw any moneys from the Series 2026 Revenue Account unless all of the deposits required under Section 4.02 hereof have or can be made to the next succeeding Interest Payment Date.

Anything in the Indenture to the contrary notwithstanding, the Issuer hereby acknowledges that the Series 2026 Pledged Revenues include, without limitation, all amounts on deposit in the Series 2026 Acquisition and Construction Account of the Acquisition and Construction Fund then held by the Trustee, and upon the occurrence of an Event of Default with respect to the Series 2026 Bonds, (i) the Series 2026 Pledged Revenues may not be used by the Issuer (whether to pay costs of the 2026 Project or otherwise) without the consent of the Majority Holders, and (ii) the Series 2026 Pledged Revenues may be used by the Trustee, at the direction or with the approval of the Majority Holders, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. **PROPOSED FORM OF OPINION OF BOND COUNSEL**

[THIS PAGE INTENTIONALLY LEFT BLANK]

FORM OF BOND COUNSEL OPINION

*Upon delivery of the Series 2026 Bonds (as defined below) in definitive form, Greenberg Traurig, P.A., as Bond Counsel, proposes to render its final approving opinion with respect to such Bonds in substantially the following form:*

\_\_\_\_\_, 2026

Board of Supervisors of  
Epmore Community Development District  
Miami-Dade County, Florida

§ \_\_\_\_\_  
**EPMORE COMMUNITY DEVELOPMENT DISTRICT  
SPECIAL ASSESSMENT BONDS, SERIES 2026  
(2026 PROJECT)**

Dear Board Members:

We have acted as bond counsel in connection with the issuance by the Epmore Community Development District (the “District”) of its not to exceed \$ \_\_\_\_\_ in aggregate principal amount of Special Assessment Bonds, Series 2026 (2026 Project) (the “Series 2026 Bonds”), delivered on this date pursuant to the constitution and laws of the State of Florida, particularly, the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, and other applicable provisions of law (collectively, the “Act”) and Resolution No. 2025-15, adopted by the Board of Supervisors of the District (the “Board”) on July 11, 2025, as supplemented by Resolution No. 2026-02 adopted by the Board on February 20, 2026 (herein collectively, the “Bond Resolution”). The Series 2026 Bonds are being issued and secured under that certain Master Trust Indenture, dated as of February 1, 2026 (the “Master Indenture”), as supplemented by that certain First Supplemental Trust Indenture, dated as of February 1, 2026 (the “First Supplement” and, together with the Master Indenture, the “Indenture”), each by and between the District and U.S. Bank Trust Company, National Association, as trustee. In connection with the issuance of the Series 2026 Bonds, we have examined the proceedings of the Board and have examined other proofs submitted relative to the issuance of the Series 2026 Bonds. Capitalized terms used herein without definitions have the meanings ascribed thereto in the Indenture.

The Series 2026 Bonds are being issued for the primary purpose of financing certain public infrastructure for the benefit of the assessable lands within the District.

In order to secure the payment of the Series 2026 Bonds, and subject to the terms of the Indenture, the District has pledged to the holders of the Series 2026 Bonds, and granted a lien to the holders of the Series 2026 Bonds on, the Series 2026 Pledged Revenues.

In connection with this opinion, we have examined the Act, certified copies of the Bond Resolution, the Indenture, the Arbitrage Certificate, a transcript of the proceedings related to the

issuance of the Series 2026 Bonds and such other documents and opinions as we have deemed necessary to render this opinion, and are relying on certain findings, covenants and agreements of the District set forth therein and such copies of the proceedings of the District and such other documents and opinions as we have deemed necessary to render this opinion. As to the questions of fact material to our opinion, we have relied upon representations of the District furnished to us, without undertaking to verify such representations by independent investigation. We have also relied upon certain certifications and representations provided by Lennar Homes LLC, as the developer (the “Developer”) within the District.

Based on the foregoing, we are of the opinion that:

1. The District has the power to authorize, execute and deliver the Indenture, to perform its obligations thereunder and to issue the Series 2026 Bonds.

2. The Indenture has been duly authorized, executed and delivered by the District. The Indenture creates a valid pledge of the Series 2026 Pledged Revenues and constitutes a valid and binding obligation of the District enforceable against the District in accordance with its terms.

3. The issuance and sale of the Series 2026 Bonds have been duly authorized by the District and, assuming the due authentication thereof, the Series 2026 Bonds constitute valid and binding limited obligations of the District, payable in accordance with, and as limited by, the terms of the Indenture.

4. The Internal Revenue Code of 1986, as amended (herein, the “Code”) includes requirements which the District and the Developer must continue to meet after the issuance of the Series 2026 Bonds in order that interest on the Series 2026 Bonds not be included in gross income for federal income tax purposes. The failure of the District or the Developer to meet these requirements may cause interest on the Series 2026 Bonds to be included in gross income for federal income tax purposes retroactive to their date of issuance. The District has covenanted in the Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2026 Bonds.

Under existing statutes, regulations, rulings and court decisions, subject to the assumption stated in the following paragraph, interest on the Series 2026 Bonds is excludable from the gross income of the owners thereof for federal income tax purposes and, furthermore, interest on the Series 2026 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2026 Bonds is not excluded from the determination of adjusted financial statement income.

In rendering the opinion expressed above, we have assumed continuing compliance with the tax covenants referred to above that must be met after the issuance of the Series 2026 Bonds in order that interest on the Series 2026 Bonds not be included in gross income for federal income tax purposes.

The Series 2026 Bonds and interest thereon are not subject to taxation under the laws of the State of Florida except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in Chapter 220.

We express no opinion regarding other federal or any state tax consequences resulting from the ownership, receipt or accrual of interest on, or disposition of the Series 2026 Bonds.

In rendering the foregoing opinions we have assumed the accuracy and truthfulness of all public records and of all certifications, documents and other proceedings examined by us that have been executed or certified by public officials acting within the scope of their official capacities and have not verified the accuracy or truthfulness thereof. We have also assumed the genuineness of the signatures appearing upon such public records, certifications, documents and proceedings.

The opinions set forth herein are subject to State and federal laws relating to bankruptcy, insolvency, reorganization, moratorium and similar laws, and to equitable principles, affecting the enforcement of creditors' rights generally, and to the exercise of judicial discretion in appropriate cases.

Ownership of the Series 2026 Bonds may result in collateral federal tax consequences to certain taxpayers. We also note that the "economic substance doctrine" or similar tax analysis may affect the federal tax treatment of interest on the Series 2026 Bonds held by certain taxpayers acquiring or holding Series 2026 Bonds in transactions or situations that may be viewed as lacking economic substance or a business purpose, including, in particular, affiliates of the Developer. We express no opinion regarding the effect of such doctrine or similar tax analysis on such taxpayers. We also express no opinion as to collateral federal tax consequences arising with respect to the Series 2026 Bonds in the hands of certain taxpayers.

We wish to call to your attention that the Series 2026 Bonds are limited obligations of the District payable solely from the Series 2026 Pledged Revenues and neither the full faith and credit nor the taxing power of the District, Miami-Dade County, Florida, the State of Florida or any other political subdivision thereof is pledged as security for the payment of the Series 2026 Bonds. The Series 2026 Bonds do not constitute an indebtedness of the District within the meaning of any constitutional or statutory provision or limitation.

Respectfully submitted,

GREENBERG TRAURIG, P.A.

The Epmore Community Development District (herein referred to as the “District,” or “CDD”) was established by the enactment of Miami-Dade County Ordinance No. 25-43 on May 6, 2025. Such ordinance became effective ten days later on May 16, 2025.

The District consists of a 38.48-acre subdivision lying wholly within Miami-Dade County (the “County”), in an area bounded by SW 162 Avenue on the west, SW 272 Street on the north, Theoretical SW 158 Passage on the east, and SW 276 Street on the south (Refer to Exhibit 1). The District will partially finance the public infrastructure that supports the development within the District known as the Wildwood Groves Subdivision (the “Development”). The developer of the Development will be Lennar Homes, LLC. The current owner of the land is TPG AG EHC II (LEN) MULTI STATE 4, LLC. The Development consist of the construction of 115 single family homes with associated roadway improvements, stormwater drainage, potable water, and sanitary sewer collection systems (Refer to Exhibits 2 and 3). The roads, drainage, water, and sewer systems constitute the improvements to be partially financed by the District (the “Public Infrastructure”) and are estimated to cost approximately \$12,199,000 million.

The Development is wholly contained within the plat of Wildwood Groves, which has received tentative approval by the County under Tentative Plat No. T-25171.

**II. Purpose of this Engineer’s Report.**

The District will partially finance the acquisition or construction of the Public Infrastructure that supports the Development. This Engineer’s Report (the “Report”) was prepared for the purpose of describing the composition and intended future ownership of the land and grant of easements, and to report on the status of permits, intended schedule of construction, and the estimated construction costs of the Public Infrastructure.

**III. Composition of the District Land and Future Land Ownership and Easements.**

Upon recordation of the final plat in the official records of the County, the 38.48-acre District land will be officially subdivided as shown in Table 1, with corresponding acreages and the intended ownership of the tracts and lots, and the drainage easements to be granted to the CDD.

#### IV. Description of the Public Infrastructure.

The Public Infrastructure, as described in this Report, consists of public roadways, stormwater management, drainage, water, and sanitary sewer improvements that will give service and access to the Development located inside the District boundary. The proposed Public Infrastructure, as outlined herein, is necessary for the functional development of the District and provides a direct and special benefit to the assessable lots within the District. All CDD improvements will be constructed on land owned by the District or other units of local government, or by way of a perpetual easement.

##### a. Roadway Improvements.

The CDD roadway improvements include the construction of roads in County and CDD right of ways (“R/W”) at the following streets and avenues:

- SW 276 Street (County R/W) – One lane widening of existing rural-section road.
- SW 274 Street (County R/W) – Two lane construction of new rural-section road.
- SW 273 Street (CDD R/W) – Two lane construction of new rural-section road.
- SW 272 Terrace (CDD R/W) – Two lane construction of new rural-section road.
- SW 272 Street (County R/W) – One lane urban section widening of existing rural road.
- SW 162 Avenue (County R/W) – One lane urban section widening of existing rural road.
- SW 161 Court (CDD R/W) – Two lane construction of new rural-section road.
- SW 161 Avenue (CDD R/W) – Two lane construction of new rural-section road.
- SW 160 Avenue (CDD R/W) – Two lane construction of new rural-section road.
- SW 159 Path (CDD R/W) – Two lane construction of new rural-section road.
- SW 159 Place (CDD R/W) – Two lane construction of new rural-section road.
- SW 159 Court (CDD R/W) – Two lane construction of new rural-section road.
- SW 159 Avenue (County R/W) – Two lane construction of new rural-section road.

The Developer intends to dedicate to the District, at no cost, the ingress and egress road right of ways indicated in Table 1 to construct the road improvements listed above.

The Miami-Dade County Road Mobility Impact Fees are included in the estimated cost of CDD roadway improvements. The Developer intends to advance the funds to pay for the impact fees on behalf of the District.

The District will not finance the cost of any earthwork that involves the transportation to, or the spreading or grading on, the private lots.

b. Stormwater Management and Drainage Facilities.

The District will fund the construction or the acquisition of the completed drainage system that supports the Development. The District will then transfer to the County the portion of the drainage system that is located within County-owned road right of ways for permanent County ownership and maintenance, and keep the remainder to be owned and maintained by the CDD.

The Developer intends to grant the District, at no cost, easements over the common areas and landscaping tracts listed in Table 1 for access to the stormwater management and drainage facilities that the District will own.

c. Water Distribution and Sewer Collection Systems.

The cost of constructing the water and sewer systems is included in the Public Infrastructure. The systems extend from the point of connection with County facilities to the property lines of the residential lots.

The Developer intends to grant the District, at no cost, the necessary easements for constructing and accessing these CDD improvements. The District intends to convey to the County the completed water distribution and sewer collection systems for future ownership and maintenance.

The Connection Charges for water and sewer are included in the estimated costs of the Public Infrastructure improvements. The Developer intends to advance the funds to pay for the connection charges on behalf of the District.

d. Property to be Transferred, and Easements to be Granted, to the CDD.

The Developer intends to grant the CDD a temporary blanket easement over the entire land of the District for constructing or acquiring the Public Infrastructure. The blanket easement will be vacated upon recording the final plat and completing the conveyance of land and grants easement to the CDD, as indicated in Table 1.

**V. Ownership and Maintenance.**

The District will partially finance the acquisition and/or construction of the Public Infrastructure. It will then transfer certain of the improvements to the following agencies for ownership and maintenance:

Road Improvements in CDD Right of Ways	CDD	CDD

<b>Total</b>	<b>12,199,000</b>

<sup>(1)</sup> Rounded Up to Nearest \$1,000.

<sup>(2)</sup> Includes County Mobility Impact Fees (f.k.a. Road Impact Fees) for 115 Single Family Units.

<sup>(3)</sup> Includes Water connection Fees for 115 Single Family Units.

<sup>(4)</sup> Includes Sewer connection Fees for 115 Single Family Units.

Details of the estimates of costs may be found in the cost tables in the Appendix.

**IX. Engineer's Certification.**

It is our opinion that the proposed improvements constituting the Public Infrastructure and their estimated costs are fair and reasonable, and that the landowners and residents living within the District will receive a direct and special benefit equal to or greater than the cost of such improvements, and that the general public will also receive incidental benefits. We believe that the improvements comprising the Public Infrastructure can be permitted, constructed, and installed at the costs described in this Report. The District will pay the actual cost or fair market value of the Public Infrastructure, whichever is less.

I hereby certify that the foregoing is a true and correct copy of the Engineer's Report for the Epmore Community Development District.

## 1.0 Introduction

The Epmore Community Development District (the “District”) is a local unit of special-purpose government organized and existing under Chapter 190, Florida Statutes, as amended (“FS”). The District anticipates issuing approximately \$16,555,000 of special assessment bonds in one or more series (the “Bonds”) for the purpose of financing certain infrastructure improvements within the District, more specifically described in the Engineer’s Report dated July 11, 2025, as may be amended and supplemented from time to time (the “Engineer’s Report”), prepared by Alvarez Engineers, Inc. (the “District’s Engineer”). The Bonds are to be issued to pay for all or a portion of the design, acquisition, construction costs of certain public infrastructure improvements, including, but not limited to, stormwater management and control facilities, including, but not limited to, related earthwork; public roadway improvements and any applicable mobility fees; water and wastewater facilities and any applicable connection fees; and all related soft and incidental costs, as are more particularly described in the Engineer’s Report (herein, the “Project” or “Improvement Plan”).

### 1.1 Purpose

This Master Assessment Methodology Report (the “Report”) provides a methodology that determines the amount of District debt relating to the Bonds to be allocated to specific properties within the District. The improvements are being constructed as one system of improvements benefiting all the developable property within the boundaries of the District equally. This Report is designed to conform to the requirements of Chapters 190 and 170, FS, and will be supplemented with one or more supplemental methodology reports to reflect the actual terms and conditions at the time of the issuance of each series of the Bonds.

The District intends to impose non-ad valorem special assessments on the benefited lands within the District to pay the debt represented by the Bonds in accordance with the methodology set forth in this Report. It is anticipated that all the proposed special assessments will be collected through the Uniform Method of Collection described in Chapter 197.3632, FS, or any other legal means available to the District. It is not the intent of this Report to address any other assessments, if applicable, that may be levied by the District, a homeowner’s association, or any other unit of government.

### 1.2 Background

The District includes approximately 38.48 gross acres of land located in unincorporated Miami-Dade County, Florida (the “County”). The

development plan for the District is currently anticipated to consist of 115 single family homes (the “Development Plan”). This proposed Development Plan is depicted in Table 1. It is recognized that such land use plan may change, and this Report will then be modified accordingly.

The public improvements comprising the Project contemplated by the District will provide facilities that provide a direct and special benefit to the assessable property within the District. The acquisition costs for the Project are summarized in Table 2.

The assessment methodology is a three-step process. First, the District Engineer determines the costs described herein for the Project contemplated by the District. Second, this cost forms the basis for a debt sizing. Third, the bonded costs are divided among the benefited properties on the basis of the direct and special benefit received as a result of the Project.

### 1.3 Special Benefits and General Benefits

In the process of constructing or acquiring the public infrastructure improvements comprising the Project and which provide direct and special benefits to the assessable properties within the District’s boundaries, incidental general benefits to properties outside of the District and the public at large are also created. These general benefits are incidental and different from the direct and special benefits provided to the assessable properties within the boundaries of the District.

The Improvement Plan is designed to meet the needs of the assessable property within the District. The property owners within the District are therefore receiving direct and special benefits not received by those outside of the District and outside the boundaries of the District.

### 1.4 Special Benefits Exceed the Costs Allocated

The direct and special benefits provided to the assessable property within the District will be equal or greater than the costs associated with providing these benefits. The increase in the market value of the benefiting property will exceed the cost of the improvements being acquired by the District. Without the District’s Improvement Plan, the property within the District would not be able to be developed and to be sold as developed property.

## 1.5 Requirements of a Valid Assessment Methodology

There are two requirements under Florida law for a valid special assessment:

- 1.) the properties to be assessed must receive a direct and special benefit from the improvements being paid for; and
- 2.) the assessments must be fairly and reasonably allocated to the properties being assessed.

## 2.0 Assessment Methodology

### 2.1 Overview

The District anticipates the issuance of approximately \$16,555,000 in Bonds, in one or more series, to finance the public infrastructure improvements comprising the Project, provide for capitalized interest, if so required, fund one or more debt service reserve accounts, if applicable, and pay the cost of issuance for each series of the Bonds so issued. It is the purpose of this methodology to allocate the \$16,555,000 in debt to the properties benefiting from the Improvement Plan.

Table 1 identifies the Development Plan as identified by the developer, Lennar Homes, LLC. (the “Developer”). The Engineer’s Report outlines the capital improvements needed to support the Development within the District, which are shown in Table 2. The public improvements constituting the Project needed to support the development are described in detail in the Engineer Report and are estimated to cost approximately \$12,199,000. These improvements will be funded through the issuance of one or more series of Bonds. Based on the estimated costs, the total size of the Bonds needed to generate funds to pay for all or a portion of the Project was determined by the District’s Underwriter to total approximately \$16,555,000. Table 3 depicts the breakdown of the Bond sizing.

### 2.2 Allocation of Benefit

The planned public improvements constituting the Project are an integrated system of facilities that benefit the assessable land within the District. That is, the first few feet of water line or sewer line benefit the landowners as much as the last few feet. The Improvement Plan works as a total system and provides direct and special benefits for each land use. A fair and a reasonable method of allocating the benefit to each residential unit in the

District would be by assigning an equivalent residential unit (“ERU”) to the product types based on relative size. The 115 single family homes (SFH), which are all similar in size, are the base unit and has been assigned one (1) ERU. Table 4 shows the allocation of benefits based on this ERU assignment. It is important to note that the direct and special benefit derived from the Project to the residential units is equal to or exceeds the cost that the units will be paying for such benefits.

### 2.3 Allocation of Debt

Allocation of debt is a continuous process until the Development Plan is completed. The initial assessments will be levied on an equal basis for all acres within the District. A fair and reasonable methodology allocates the debt incurred by the District proportionately to the properties receiving the direct and special benefits. At this point all the land within the District is benefiting equally from the Improvement Plan and the special assessments will be assigned on a per acre basis.

Once platting, the recording of declaration of condominium, or other means of identifying individual lots (“Assigned Properties”) has begun, the assessments will be levied to the Assigned Properties based on the benefits they receive on a first platted, first assigned basis. The Unassigned Properties, defined as gross acres that have not been platted, will continue to be assessed on a per acre basis. Eventually the Development Plan will be completed and the debt relating to the Bonds will be allocated to the planned 115 SFH lots within the District, which are the beneficiaries of the Improvement Plan, as depicted in Table 5. If there are changes to the Development Plan, a true up of the assessment will be calculated to determine if a payment from the Developer is required. This process is outlined in Section 3.0.

The assignment of debt in this Report sets forth the process by which debt represented by the Bonds is apportioned. As previously mentioned herein, this Report will be supplemented from time to time.

### 2.4 Special and Peculiar Benefit to the Property

As previously mentioned, the capital improvements to be constructed or acquired by the District include stormwater management and control facilities, including, but not limited to, related earthwork, public roadway improvements and any applicable mobility fees, and water and wastewater facilities and any applicable connection fees. . This will provide peculiar, direct, and special benefits which flow from the logical relationship of the Improvement Plan to the benefiting properties within District. These

peculiar, direct, and special benefits consist of the added use of the property for residential purposes, added enjoyment of the property, and the probability of increased marketability and value of the property.

## 2.5 Reasonable and Fair Apportionment of the Duty to Pay

A reasonable estimate of the proportion of direct, special, and peculiar benefits received from the Improvement Plan is delineated in Table 4.

The determination has been made that the duty to pay the non-ad valorem special assessments is fairly and reasonably apportioned because the direct, special, and peculiar benefits to the property derived from the acquisition or construction of the Project have been apportioned to the property according to reasonable estimates of the direct, special, and peculiar benefits provided consistent with each land use category.

Accordingly, no acre or parcel of property within the boundaries of the District will be liened for the payment of any non-ad valorem special assessment more than the determined direct and special benefit peculiar to that unit and therefore, the debt allocation will not be increased more than the debt allocation set forth in this Report.

In accordance with the benefit allocation in Table 4, a total par amount of the Bonds per unit and an annual debt assessment per unit for the proposed District's Bonds have been calculated for each unit as illustrated in Table 5. These amounts represent the maximum anticipated per unit debt allocations assuming all anticipated units are built and sold in the proportions planned, the entire proposed infrastructure program is constructed or acquired by the District, and the estimated \$16,555,000 in par amount of the Bonds have been issued.

## 3.0 True Up

Although the District does not process plats, declaration of condominiums, site plans or revisions for the Developer, it does have an important role to play during the course of platting and site planning. Whenever a plat, declaration of condominium or site plan or revision is processed, the District must allocate a portion of its debt to the property according to the methodology outlined herein. In addition, the District must also prevent any buildup of debt on Unassigned Properties. Otherwise, the land could be fully conveyed and/or platted without all of the debt being allocated. To preclude this, at the time Unassigned Properties become Assigned Properties, the District will determine the amount of anticipated assessment revenue that remains on the Unassigned Properties, taking into account

the proposed plat or site plan approval. If the total anticipated assessment revenue to be generated from the Assigned and Unassigned Properties is greater than or equal to the maximum annual debt service on the Bonds, then no debt reduction payment will be required. In the case that the revenue generated is less than the required amount to pay debt service on the Bonds then a debt reduction payment by the Developer in the amount necessary to reduce the par amount of the outstanding Bonds plus accrued interest to a level that will be supported by the new maximum annual debt service will be required. This true up mechanism may be memorialized through an agreement between the District and the Developer which may contain additional provisions.

#### **4.0 Assessment Roll**

The District will initially distribute the lien across the property within the District boundaries on a gross acreage basis. As Assigned Property becomes known with certainty, the District will refine its allocation of debt from a per acre basis to a per unit basis as shown in Table 5 on a first platted, first assigned basis. If the land use plan changes, then the District will update Table 5 to reflect the changes. As a result, the assessment liens are neither fixed nor are they determinable with certainty on any acre of land in the District prior to the time final Assigned Properties become known. As the development process occurs, the debt will be distributed against the Assigned Property in the manner described in this Report. The preliminary assessment roll is depicted in Table 6.

## 1.0 Introduction

The Epmore Community Development District (the “District”) is a local unit of special-purpose government organized and existing under Chapter 190, Florida Statutes, as amended. The District has authorized the issuance of up to \$16,555,000 of special assessment bonds in one or more series (the “Bonds”) for the purpose of financing certain public infrastructure improvements within the District, more specifically described in the Engineer’s Report, dated July 11, 2025, as may be amended and supplemented from time to time (the “Engineer’s Report”), prepared by Alvarez Engineers, Inc. (the “District’s Engineer”). The District is issuing \$2,985,000\* of Special Assessment Bonds, Series 2026 (2026 Project) (the “2026 Bonds”) for the purpose of financing certain public infrastructure improvements within the District constituting the Project as defined below. The 2026 Bonds are to be issued to pay for a portion of the cost of the infrastructure improvements consisting of roadway improvements (including applicable mobility fees), stormwater management system, water distribution system (including connections fees), wastewater collection system (including connection fees), and related costs, as were particularly described in the Engineer’s Report (herein, the “Project” or “Improvement Plan”).

### 1.1 Purpose

This Preliminary First Supplemental Assessment Methodology Report (the “Report”) provides a supplement to the Master Assessment Methodology Report dated July 11, 2025, amended February 20, 2026 (the “Master Methodology”) to reflect the issuance of \$2,985,000\* principal amount of 2026 Bonds to finance a portion of the Project. It is the purpose of this Report to allocate the \$2,985,000\* in 2026 Bond debt to the properties benefited based on the Master Methodology.

### 1.2 Background

The District includes approximately 38.48 gross acres of land located in unincorporated Miami-Dade County, Florida (the “County”). The development plan for the District is currently expected to consist of 115 single-family units (the “Development Plan”). This proposed Development Plan is depicted in Table 1. It is recognized that such a land use plan may change, and this Report will be modified accordingly. The public improvements comprising the Project contemplated by the District will provide facilities that provide a direct and special benefit to the assessable property within the District. The acquisition costs for the Project are summarized in Table 2.

\*Preliminary, subject to change.

The assessment methodology is a three-step process. First, the District Engineer determines the costs described herein for the Project contemplated by the District. Second, this cost forms the basis for a debt sizing. Third, the bonded costs are divided among the benefited properties on the basis of benefit received as a result of the Project.

## **2.0 Assessment Methodology**

### **2.1 Overview**

The District is issuing \$2,985,000\* in principal amount of the 2026 Bonds to finance a portion of the public infrastructure improvements comprising the Project, provide for capitalized interest, fund a debt service reserve account, and pay cost of issuance for the 2026 Bonds. It is the purpose of this Report to allocate the \$2,985,000\* in 2026 Bond debt to the properties benefiting from the Improvement Plan.

Table 1 identifies the development plan as identified by the developer, Lennar Homes, LLC (the “Developer”). The Engineer’s Report outlines the capital improvements needed to support the Development within the District, which are shown in Table 2. The public improvements constituting the Project needed to support the development are described in detail in the Engineer Report and are estimated to cost approximately \$12,199,000. These improvements will be funded in part by way of the issuance of the Series 2026 Bonds. Based on the estimated costs, the total size of the 2026 Bonds needed to generate funds to pay for a portion of the Project was determined by the District’s Underwriter to total \$2,985,000\*. Table 3 depicts the breakdown of the 2026 Bond sizing.

### **2.2 Allocation of Benefit**

The allocation of benefit in this Report is based on the Master Methodology. Nothing in this Report is meant to alter the allocation of benefit provided in the Master Methodology. The planned public improvements constituting the Project are an integrated system of facilities that directly, particularly, and specially benefit the assessable land within the District. That is, the first few feet of water line or sewer line benefit the landowners as much as the last few feet. The Improvement Plan works as a total system and provides direct, special, and particular benefits for each land use. The allocation of benefits for the Project is shown in Table 4. It is important to note that the benefit derived from the Project to the residential units is equal to or exceeds the cost that the units will be paying for such benefits.

\*Preliminary, subject to change.

### 2.3 Allocation of Debt

Allocation of debt is a continuous process until the Development Plan is completed. The initial assessments will be levied on an equal basis for all units within the District. A fair and reasonable methodology allocates the debt incurred by the District proportionately to the properties receiving the direct and special benefits. All of the planned 115 lots within the District have been platted under The Plat of WILDWOOD GROVES, recorded at Plat Book 179, Page 24 in the Public Records of Miami-Dade County, Florida. The allocation of 2026 Bond debt in this Report is consistent with the Master Methodology.

In accordance with the direct and special benefit allocation in Table 4, the total par amount of the 2026 Bonds per unit and an annual debt assessment per unit for the proposed 2026 Bonds have been calculated for the one land use as illustrated in Table 5. These amounts represent the anticipated per unit debt and annual assessment allocations assuming all anticipated units are built and sold in the proportions planned, and the entire proposed public infrastructure program represented by the Improvement Plan is completed and conveyed to or acquired by the District. If there are changes to the development plan, a true up calculation of the assessment will be calculated to determine if a payment from the Developer is required. This process is outlined in Section 3.0.

### 3.0 True Up

Although the District does not process plats, re-plats, declaration of condominiums, site plans, or revisions for the Developer, it does have an important role to play during the course of platting, re-platting, and site planning. Whenever a plat, re-plat, declaration of condominium, or site plan or revision is processed, the District must allocate a portion of its debt to the property according to the methodology outlined herein; such processed property with allocated debt constitutes an “Assigned Property”. In addition, the District must also prevent any buildup of debt on property in which a plat, re-plat, declaration of condominium, or site plan or revision has not been processed and therefore no debt has been allocated, herein referred to “Unassigned Properties”. Otherwise, the land could be fully conveyed and/or re-platted without all of the debt being allocated. To preclude this, at the time Unassigned Properties become Assigned Properties, the District will determine the amount of anticipated assessment revenue that remains on the Unassigned Properties, taking into account the proposed plat, re-plat or site plan re-approval. If the total anticipated assessment revenue to be generated from the Assigned and Unassigned Properties is greater than or equal to the maximum annual debt service on the 2026 Bonds, then no debt reduction payment will be required. In the case that the revenue generated is less than the required amount to

pay debt service on the 2026 Bonds, then a debt reduction payment by the Developer in the amount necessary to reduce the par amount of the outstanding Bonds plus accrued interest to a level that will be supported by the new maximum annual debt service will be required.

#### **4.0 Assessment Roll**

The District will distribute the lien across the property within the District boundaries on a per unit basis. The District allocates its debt on a per unit basis as shown in Table 5. All of the planned 115 lots within the District have been platted, and the District has received the property folio numbers from the Miami-Dade County Property Appraiser. The District has prepared a tax roll allocation of the 2026 Bonds debt and annual debt service assessments to each platted lot, as reflected in Table 6 and Table 7. If the land use plan changes, then the District will update Table 5, Table 6, and Table 7 to reflect the changes. As the development process occurs, the debt will be distributed against the Assigned Property in the manner described in this Report.

#### **5.0 Additional Information**

Governmental Management Services-South Florida, LLC (GMS) does not represent the District as a Municipal Advisor or Security Broker, nor is GMS registered to provide such services as described in the Sections 15B of the Security and Exchange Act of 1934, as amended. Similarly, GMS does not provide the District with advisory services or offer investment advice.

Certain information in this Report was provided by members of the District staff, the Developer, or other professionals hired in conjunction with the bond issuance. GMS makes no representation regarding the information provided by others.

## CONTINUING DISCLOSURE AGREEMENT

This Continuing Disclosure Agreement (this “Disclosure Agreement”) dated \_\_\_\_\_, 2026 is executed and delivered by the Epmore Community Development District (the “Issuer” or the “District”), Lennar Homes, LLC, a Florida limited liability company (the “Developer”), TPG AG EHC III (LEN) Multi State 4, LLC, a Delaware limited liability company (the “Land Bank”), and Governmental Management Services – South Florida, LLC, Sunrise, Florida, as dissemination agent (together with its successors and assigns, the “Dissemination Agent”) in connection with the Issuer’s Special Assessment Bonds, Series 2026 (2026 Project) (the “Bonds”). The Bonds are secured pursuant to a Master Trust Indenture dated as of February 1, 2026 (the “Master Indenture”) and a First Supplemental Trust Indenture dated as of February 1, 2026 (the “First Supplemental Indenture” and, together with the Master Indenture, the “Indenture”), each entered into by and between the Issuer and U.S. Bank Trust Company, National Association, a national banking association duly organized and existing under the laws of the United States and having a designated corporate trust office initially in Fort Lauderdale, Florida, as trustee (the “Trustee”). The Issuer, the Developer, the Land Bank and the Dissemination Agent covenant and agree as follows:

1. **Purpose of this Disclosure Agreement.** This Disclosure Agreement is being executed and delivered by the Issuer, the Developer, the Land Bank and the Dissemination Agent for the benefit of the Beneficial Owners (as defined herein) of the Bonds and to assist the Participating Underwriter (as defined herein) of the Bonds in complying with the Rule (as defined herein). The Issuer, the Developer and the Land Bank have no reason to believe that this Disclosure Agreement does not satisfy the requirements of the Rule and the execution and delivery of this Disclosure Agreement is intended to comply with the Rule. To the extent it is later determined by a court of competent jurisdiction, a governmental regulatory agency, or an attorney specializing in federal securities law, that the Rule requires the Issuer, the Developer or the Land Bank to provide additional information, the Issuer, the Developer, and the Land Bank, as applicable, each agree to promptly provide such additional information.

The provisions of this Disclosure Agreement are supplemental and in addition to the provisions of the Indenture with respect to reports, filings and notifications provided for therein, and do not in any way relieve the Issuer, the Trustee or any other person of any covenant, agreement or obligation under the Indenture (or remove any of the benefits thereof) nor shall anything herein prohibit the Issuer, the Trustee or any other person from making any reports, filings or notifications required by the Indenture or any applicable law.

Notwithstanding the foregoing, if and for so long as the Land Bank and the Developer are each a reporting company, such thirty (30) days shall be extended to the date of filing of the Land Bank's and the Developer's 10K or 10Q, if later, as the case may be. At such time as the Land Bank or the Developer (or their successors or assigns) is no longer an Obligated Person, the Land Bank or the Developer (or their successors or assigns) will no longer be obligated to prepare the Quarterly Reports as it relates to the District. Notwithstanding anything in this Disclosure Agreement to the contrary, during such period that Developer and Land Bank are both Obligated Persons hereunder, the Developer shall, on behalf of itself and the Land Bank, prepare and provide the Quarterly Report required hereunder to the Dissemination Agent; provided, however, the Land Bank shall provide the Developer with any information reasonably requested by the Developer to complete such Quarterly Report to the extent that Land Bank is in possession of such information.

The Transferor Obligated Person shall notify the District and the Dissemination Agent in writing of any Transfer within five (5) Business Days of the occurrence thereof. Nothing herein shall be construed to relieve the Land Bank or the Developer from its obligations hereunder except to the extent a written Assignment from a Transferee is obtained and delivered to the Dissemination Agent and then only to the extent of such Assignment.

(d) If the Dissemination Agent has not received a Quarterly Report from each Obligated Person that contains, at a minimum, the information in Section 5(b) of this Disclosure Agreement by 12:00 noon on the first (1st) Business Day following each Quarterly Filing Date, a Listed Event described in Section 6(a)(xvii) shall have occurred and the District and each Obligated Person hereby direct the Dissemination Agent to send a notice to the Repository in substantially the form attached as Exhibit A, with a copy to the District. In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Issuer shall describe such amendment and/or waiver in the next Annual Report and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change in accounting principles, or the presentation) of financial information or operating data being presented by the Issuer.
