**LAKE HILLS COMMUNITY DEVELOPMENT DISTRICT
(HOWEY-IN-THE-HILLS, FLORIDA)
CAPITAL IMPROVEMENT REVENUE BONDS, SERIES 2026
(ASSESSMENT AREA ONE)**

INTRODUCTION

The purpose of this Limited Offering Memorandum, including the cover page and appendices attached hereto, is to set forth certain information in connection with the offering for sale by the Lake Hills Community Development District (the "District") of its \$8,420,000* Capital Improvement Revenue Bonds, Series 2026 (Assessment Area One) (the "Series 2026 Bonds").

THE SERIES 2026 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2026 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2026 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2026 BONDS. SEE "BONDOWNERS' RISKS" AND "SUITABILITY FOR INVESTMENT" HEREIN.

The District, which is the issuer of the Series 2026 Bonds, is a local unit of special purpose government of the State of Florida (the "State"), created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. 2026-001 of the Town Council of the Town of Howey-in-the-Hills, Florida (the "Town"), adopted and effective on January 26, 2026 (the "Ordinance"). The District was created for the purpose of delivering certain community development services and facilities for the benefit of the District Lands (as hereinafter defined) and has previously determined to undertake, in one or more stages, the acquisition and/or construction of public improvements and community facilities as set forth in the Act for the special benefit of the District Lands. The Act authorizes the District to issue bonds for the purposes of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, or equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, street lights, parks and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The District currently encompasses approximately 218.93 gross acres of land (the "District Lands") located within the incorporated boundaries of the Town, within Lake County, Florida (the "County"). For more information regarding the District and the District Manager, see "THE DISTRICT" herein.

The District Lands are being developed as an approximately 571-unit active-adult residential community to be known as "Regency at Lake Hills" (the "Development"). The Development is generally

* Preliminary, subject to change.

located west of State Road 19, North of County Road 48, and south of Lake Harris. See "THE DEVELOPMENT" herein for more information.

Land development associated with the Development will be completed in phases. Multiple assessment areas are anticipated to be created to facilitate the District's development and financing plans. The first phase of land development consists of approximately 81.34 acres of land planned to contain 214 units ("Assessment Area One"). The remaining District Lands are planned to contain up to 357 units and are expected to be developed and financed in phases in the future. See "THE DEVELOPMENT" herein for more information on the status of development.

The Series 2026 Bonds are being issued to finance a portion of the Capital Improvement Plan (as defined herein) consisting of master infrastructure improvements necessary for the development of Assessment Area One (as further described herein, the "Assessment Area One Project"). See "THE CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA ONE PROJECT" herein for more information. The Series 2026 Bonds will be secured by the Series 2026 Assessments (as defined herein). The Series 2026 Assessments will initially be levied on the approximately 81.34 gross acres which comprise Assessment Area One. As platting of the planned 214 lots within Assessment Area One occurs, the Series 2026 Assessments will be assigned to the platted lots in Assessment Area One on a first platted, first assigned basis as set forth in the Assessment Methodology (as defined herein) attached hereto. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" and "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for more information.

HR Lake Hills, LLC, a Delaware limited liability company (the "Developer"), is the landowner and developer of the lands within the District. See "THE DEVELOPER" herein for more information. The Developer has entered into the Builder Contract (as defined herein) with Toll Southeast, Inc. ("Toll Brothers" or the "Builder") for all of the lots in the Development, including all 214 lots in Assessment Area One, which are to be delivered to the Builder as an improved mass graded pad with Master Infrastructure (as defined herein) in place, and the Builder will install the onsite infrastructure and construct and market homes for sale to homebuyers. See "THE DEVELOPMENT – The Builder Contract and the Builder" herein for more information.

The Series 2026 Bonds are being issued pursuant to the Act, Resolution Nos. 2026-35 and 2026-41 adopted by the Board of Supervisors of the District (the "Board") on March 6, 2026 and June 22, 2026, respectively, and a Master Trust Indenture dated as of July 1, 2026 (the "Master Indenture"), as supplemented by a First Supplemental Trust Indenture dated as of July 1, 2026 (the "First Supplemental Indenture" and, together with the Master Indenture, the "Indenture"), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the "Trustee"). All capitalized terms used in this Limited Offering Memorandum that are defined in the Indenture and not defined herein shall have the respective meanings set forth in the Indenture. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" hereto.

The Series 2026 Bonds are equally and ratably secured by the Series 2026 Trust Estate, without preference or priority of one Series 2026 Bond over another. The Series 2026 Pledged Revenues consist of all right, title and interest of the District in, to and under, subject to the terms and conditions of the Indenture, the revenues derived by the District from the Series 2026 Assessments (the "Series 2026 Pledged Revenues") and the Series 2026 Pledged Funds consist of all of the Funds and Accounts (except for the Series 2026 Rebate Account) established under the First Supplemental Indenture (the "Series 2026 Pledged Funds"), which together shall constitute the Series Trust Estate securing the Series 2026 Bonds (the "Series 2026 Trust Estate"). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS."

Proceeds of the Series 2026 Bonds will be applied to: (i) finance a portion of the Cost of acquiring, constructing and equipping assessable improvements comprising the Assessment Area One Project, (ii) pay certain costs associated with the issuance of the Series 2026 Bonds, (iii) make a deposit into the Series 2026 Reserve Account to be held for the benefit of all of the Series 2026 Bonds, and (iv) pay a portion of the interest to become due on the Series 2026 Bonds. See "ESTIMATED SOURCES AND USES OF SERIES 2026 BOND PROCEEDS."

There follows in this Limited Offering Memorandum a brief description of the District, Assessment Area One, the Assessment Area One Project, the Development, the Developer, and summaries of the terms of the Series 2026 Bonds, the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such document and statute, and all references to the Series 2026 Bonds are qualified by reference to the form thereof and the information with respect thereto contained in the Indenture. The proposed forms of the Master Indenture and the First Supplemental Indenture appear as APPENDIX B hereto.

This Limited Offering Memorandum speaks only as of its date and the information contained herein is subject to change.

Amortization Installments are also subject to recalculation, as provided in the First Supplemental Indenture, as the result of the redemption of Series 2026 Bonds other than from scheduled Amortization Installments so as to reamortize the remaining Outstanding principal balance of the Series 2026 Bonds as set forth in the First Supplemental Indenture.

Extraordinary Mandatory Redemption

The Series 2026 Bonds are subject to extraordinary mandatory redemption prior to maturity in whole or in part on any Redemption Date at the Redemption Price of 100% of the principal amount thereof, without premium, together with accrued interest to the Redemption Date, if and to the extent that any one or more of the following shall have occurred:

(a) on or after the Date of Completion of the Assessment Area One Project, by application of moneys transferred from the Series 2026 Acquisition and Construction Account to the Series 2026 Prepayment Subaccount as provided for in the Indenture; or

(b) from amounts, including Series 2026 Prepayments, required by the Indenture to be deposited into the Series 2026 Prepayment Subaccount; or

(c) from amounts transferred from the Series 2026 Reserve Account to the Series 2026 Prepayment Subaccount resulting from a reduction in the Series 2026 Reserve Account Requirement as provided for in the Indenture; or

(d) on the date on which the amount on deposit in the Series 2026 Reserve Account, together with other moneys available therefor, is sufficient to pay and redeem all of the Series 2026 Bonds then Outstanding, including accrued interest thereon.

If less than all of the Series 2026 Bonds shall be called for redemption, the particular Series 2026 Bonds or portions of Series 2026 Bonds to be redeemed shall be selected by lot by the Bond Registrar as provided in the Indenture, or as provided or directed by DTC.

Notice of Redemption

Notice of each redemption of Series 2026 Bonds is required to be mailed by the Bond Registrar, postage prepaid, not less than thirty (30) nor more than forty-five (45) days prior to the date of redemption to each registered Owner of Series 2026 Bonds to be redeemed at the address of such registered Owner recorded on the bond register maintained by the Bond Registrar. On the date designated for redemption, notice having been given and money for the payment of the Redemption Price being held by the Paying Agent, all as provided in the Indenture, the Series 2026 Bonds or such portions thereof so called for redemption shall become and be due and payable at the Redemption Price provided for the redemption of such Series 2026 Bonds or such portions thereof on such date, interest on such Series 2026 Bonds or such portions thereof so called for redemption shall cease to accrue, such Series 2026 Bonds or such portions thereof so called for redemption shall cease to be entitled to any benefit or security under the Indenture and the Owners thereof shall have no rights in respect of such Series 2026 Bonds or such portions thereof so called for redemption except to receive payments of the Redemption Price thereof so held by the Paying Agent. Further notice of redemption shall be given by the Bond Registrar to certain registered securities depositories and information services as set forth in the Indenture, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above prescribed.

Pursuant to the Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

Purchase of Series 2026 Bonds

Subject to the provisions of the Master Indenture, the District may purchase the Series 2026 Bonds in the open market at a price no higher than the highest Redemption Price (including premium) for the Series 2026 Bond to be so purchased with any funds legally available therefor and any such Series 2026 Bonds so purchased shall be credited to the amounts otherwise required to be deposited for the payment of Series 2026 Bonds as provided in the Indenture. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" attached hereto for more information.

Book-Entry Only System

THE INFORMATION IN THIS CAPTION CONCERNING DTC AND DTC'S BOOK-ENTRY SYSTEM HAS BEEN OBTAINED FROM DTC AND NEITHER THE DISTRICT NOR THE UNDERWRITER MAKES ANY REPRESENTATION OR WARRANTY OR TAKES ANY RESPONSIBILITY FOR THE ACCURACY OR COMPLETENESS OF SUCH INFORMATION.

DTC will act as securities depository for the Series 2026 Bonds. The Series 2026 Bonds will be issued as fully-registered bonds registered in the name of Cede & Co. (DTC's partnership nominee), or such other name as may be requested by an authorized representative of DTC. One fully-registered bond certificate will be issued for each maturity of the Series 2026 Bonds and will be deposited with DTC. DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants (the "Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly (the "Indirect Participants"). DTC has a Standard and Poor's rating of AA+. The DTC rules applicable to its Participants are on file with the Securities and Exchange Commission (the "SEC"). More information about DTC can be found at www.dtcc.com.

Purchases of the Series 2026 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for such Series 2026 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2026 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2026 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of the Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2026 Bonds, except in the event that use of the book-entry system for the Series 2026 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2026 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be requested by an authorized representative of DTC. The deposit of Series 2026 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2026 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2026 Bonds are

credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping an account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements made among them, subject to any statutory or regulatory requirements as may be in effect from time to time.

Redemption notices shall be sent to DTC. If less than all of the Series 2026 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2026 Bonds, as the case may be, to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2026 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI Procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2026 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, distributions, and dividend payments on the Series 2026 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts, upon DTC's receipt of funds and corresponding detail information from the District or the Bond Registrar on the payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC, the Bond Registrar or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, distributions, and dividend payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent for the Series 2026 Bonds. Disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of the Direct and Indirect Participants.

DTC may discontinue providing its services as securities depository with respect to the Series 2026 Bonds at any time by giving reasonable notice to the District. Under such circumstances, in the event that a successor securities depository is not obtained, Series 2026 Bond certificates are required to be printed and delivered.

The District may decide to discontinue use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2026 Bond certificates will be printed and delivered to DTC.

NEITHER THE DISTRICT NOR THE TRUSTEE WILL HAVE ANY RESPONSIBILITY OR OBLIGATION TO THE DIRECT PARTICIPANTS OR THE PERSONS FOR WHOM THEY ACT AS NOMINEE WITH RESPECT TO THE PAYMENTS TO OR THE PROVIDING OF NOTICE FOR THE DIRECT PARTICIPANTS, THE INDIRECT PARTICIPANTS OR THE BENEFICIAL OWNERS OF THE SERIES 2026 BONDS. THE DISTRICT CANNOT AND DOES NOT GIVE ANY ASSURANCES THAT DTC, THE DIRECT PARTICIPANTS OR OTHERS WILL DISTRIBUTE PAYMENTS OF PRINCIPAL OF OR INTEREST ON THE SERIES 2026 BONDS PAID TO DTC OR ITS NOMINEE, AS THE REGISTERED OWNER, OR PROVIDE ANY NOTICES TO THE BENEFICIAL OWNERS OR

THAT THEY WILL DO SO ON A TIMELY BASIS, OR THAT DTC WILL ACT IN THE MANNER DESCRIBED IN THIS LIMITED OFFERING MEMORANDUM.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS

General

NEITHER THE SERIES 2026 BONDS NOR THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON SHALL CONSTITUTE A GENERAL OBLIGATION OR GENERAL INDEBTEDNESS OF THE DISTRICT WITHIN THE MEANING OF THE CONSTITUTION AND LAWS OF THE STATE. THE SERIES 2026 BONDS AND THE INTEREST AND PREMIUM, IF ANY, PAYABLE THEREON DO NOT CONSTITUTE EITHER A PLEDGE OF THE FULL FAITH AND CREDIT OF THE DISTRICT OR A LIEN UPON ANY PROPERTY OF THE DISTRICT OTHER THAN AS PROVIDED IN THE INDENTURE. NO OWNER OR ANY OTHER PERSON SHALL EVER HAVE THE RIGHT TO COMPEL THE EXERCISE OF ANY AD VALOREM TAXING POWER OF THE DISTRICT OR ANY OTHER PUBLIC AUTHORITY OR GOVERNMENTAL BODY TO PAY DEBT SERVICE OR TO PAY ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE OR THE SERIES 2026 BONDS. RATHER, DEBT SERVICE AND ANY OTHER AMOUNTS REQUIRED TO BE PAID PURSUANT TO THE INDENTURE, OR THE SERIES 2026 BONDS, SHALL BE PAYABLE SOLELY FROM, AND SHALL BE SECURED SOLELY BY, THE SERIES 2026 PLEDGED REVENUES AND THE SERIES 2026 PLEDGED FUNDS PLEDGED TO THE SERIES 2026 BONDS, ALL AS PROVIDED IN THE SERIES 2026 BONDS AND IN THE INDENTURE.

The Series 2026 Bonds are equally and ratably secured by the Series 2026 Trust Estate, without preference or priority of one Series 2026 Bond over another. The Series 2026 Trust Estate consists of all right, title and interest of the District in, to and under, subject to the terms and conditions of the Indenture, the revenues derived by the District from the Series 2026 Assessments (the "Series 2026 Pledged Revenues") and the Funds and Accounts (except for the Series 2026 Rebate Account) established under the First Supplemental Indenture (the "Series 2026 Pledged Funds") which shall constitute the Series Trust Estate securing the Series 2026 Bonds (the "Series 2026 Trust Estate"). The "Series 2026 Assessments" are the non-ad valorem special assessments imposed, levied and collected by the District in accordance with the Series 2026 Assessment Proceedings (as defined in the First Supplemental Indenture).

Non-ad valorem assessments are not based on millage and are not taxes, but can become a lien against the homestead as permitted in Section 4, Article X of the Florida State Constitution. The Series 2026 Assessments will constitute a lien against the land as to which the Series 2026 Assessments are imposed. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

Covenant to Levy the Series 2026 Assessments

The District will covenant in the Indenture to comply with the terms of the Series 2026 Assessment Proceedings heretofore adopted with respect to the Series 2026 Assessments, including the Assessment Methodology, and to levy the Series 2026 Assessments and collect any required true-up payments set forth in the Assessment Methodology in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2026 Bonds when due.

If any Series 2026 Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2026 Assessment is so irregular or defective that it cannot be enforced or collected, or if the District shall have omitted to make such Series 2026 Assessment when it might have done so, the District has additionally covenanted to either

(i) take all necessary steps to cause a new Series 2026 Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (ii) in its sole discretion, make up the amount of such Series 2026 Assessment from legally available moneys, which moneys shall be deposited into the Series 2026 Revenue Account. See "BONDOWNERS' RISKS" herein. In case any such subsequent Series 2026 Assessment shall also be annulled, the District shall obtain and make other Series 2026 Assessments until a valid Series 2026 Assessment shall be made.

Prepayment of Series 2026 Assessments

Pursuant to the Series 2026 Assessment Proceedings, any owner of property subject to Series 2026 Assessments may prepay the entire amount of such Series 2026 Assessments at any time, or a portion of the amount of the Series 2026 Assessments up to two times, plus accrued interest to the next succeeding interest payment date, or the second succeeding interest payment date if such prepayment is made within forty-five (45) calendar days before an interest payment date or such other time as set forth in the First Supplemental Indenture, attributable to the property subject to such Series 2026 Assessments owned by such owner. Prepayment of Series 2026 Assessments does not entitle the property owner to any discounts for early payment. See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

Pursuant to Chapter 170.09, Florida Statutes, an owner of property subject to the levy of Series 2026 Assessments may pay the entire balance of the Series 2026 Assessments remaining due, without interest, within thirty (30) days after the Assessment Area One Project has been completed and the Board has adopted a resolution accepting the Assessment Area One Project as completed. The Developer, as the sole owner of the property within Assessment Area One, will waive this right on behalf of itself and its successors and assigns with respect to the property in Assessment Area One. See "BONDOWNERS' RISKS – Prepayment and Redemption Risk" herein.

The Series 2026 Bonds are subject to extraordinary mandatory redemption as indicated under "DESCRIPTION OF THE SERIES 2026 BONDS – Redemption Provisions – Extraordinary Mandatory Redemption" from optional prepayments of Series 2026 Assessments by property owners. See "APPENDIX E: ASSESSMENT METHODOLOGY" attached hereto.

Limitation on Issuance of Additional Obligations

Pursuant to the First Supplemental Indenture, other than Refunding Bonds issued to refund the then Outstanding Series 2026 Bonds, the issuance of which results in net present value Debt Service savings, the District shall not, while any Series 2026 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the Series 2026 Trust Estate. The District will further covenant and agree that so long as the Series 2026 Assessments have not been Substantially Absorbed, it will not issue Bonds or other debt obligations secured by Assessments on any lands subject to the Series 2026 Assessments without the written consent of the Majority Owners. Notwithstanding the immediately preceding sentence, the District may impose Assessments on property subject to the Series 2026 Assessments which are necessary for health, safety or welfare reasons, or to remediate a natural disaster, or to effect repairs to or replacement of property, facilities or equipment of the District without the consent of the Majority Owners. "Substantially Absorbed" is defined in the First Supplemental Indenture to mean the date on which the principal amount of the Series 2026 Assessments equaling at least ninety percent (90%) of the then Outstanding principal amount of the Series 2026 Bonds is levied on tax parcels within Assessment Area One with respect to which a certificate of occupancy has been issued for a structure thereon, as certified by an Authorized Officer and upon which the Trustee may conclusively rely.

The District and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2026 Assessments without the consent of the Owners of the Series

2026 Bonds. The District is expected to impose certain non-ad valorem special assessments called operation and maintenance assessments, which are of equal dignity with the Series 2026 Assessments, on the same lands upon which the Series 2026 Assessments are imposed, to fund the maintenance and operation of the District. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" and "BONDOWNERS' RISKS" herein.

Acquisition and Construction Account

Pursuant to the First Supplemental Indenture, there is established a separate account within the Acquisition and Construction Fund held by the Trustee designated as the "Series 2026 Acquisition and Construction Account." Amounts on deposit in the Series 2026 Acquisition and Construction Account shall be applied to pay Costs of the Assessment Area One Project upon compliance with the requisition provisions set forth in the Master Indenture and on the form attached as an exhibit to the First Supplemental Indenture. The Trustee shall have no duty to verify that any requested disbursement from the Series 2026 Acquisition and Construction Account is for a Cost of the Assessment Area One Project.

The Consulting Engineer shall establish a Date of Completion for the Assessment Area One Project, and any balance remaining in the Series 2026 Acquisition and Construction Account after such Date of Completion (taking into account the moneys then on deposit therein to pay any accrued but unpaid Costs of the Assessment Area One Project which are required to be reserved in the Series 2026 Acquisition and Construction Account in accordance with the certificate of the Consulting Engineer delivered to the District and the Trustee establishing such Date of Completion), shall be transferred to the Series 2026 Prepayment Subaccount and applied to the extraordinary mandatory redemption of the Series 2026 Bonds in accordance with the First Supplemental Indenture and in the manner prescribed in the Series 2026 Bonds. Notwithstanding the foregoing, the District shall not establish a Date of Completion until after both the Reserve Account Release Conditions #1 and the Reserve Account Release Conditions #2 (each as defined herein) have been satisfied and moneys have been transferred from the Series 2026 Reserve Account to the Series 2026 Acquisition and Construction Account as a result of such satisfaction pursuant to the First Supplemental Indenture. Such amounts deposited into the Series 2026 Acquisition and Construction Account as a result of the satisfaction of the Reserve Account Release Conditions #1 and Reserve Account Release Conditions #2 shall be paid to the Person or Persons designated in a requisition in the form attached to the First Supplemental Indenture, upon compliance with the requisition provisions set forth in the First Supplemental Indenture, to cover any requisitions submitted pursuant to the First Supplemental Indenture which remain unpaid ("Unpaid Requisitions"), in full or in part, in chronological order (oldest to newest) based on the date such requisitions were submitted by the District to the Trustee. Any requisition submitted in compliance with the prior sentence shall be executed by the District and the Consulting Engineer. Such payment is authorized notwithstanding that the Date of Completion might have been declared provided such Costs of the Assessment Area One Project were not previously paid from moneys initially deposited in the Series 2026 Acquisition and Construction Account. In the event that there are no Unpaid Requisitions to pay, such excess moneys transferred from the Series 2026 Reserve Account to the Series 2026 Acquisition and Construction Account shall be deposited into the Series 2026 Prepayment Subaccount upon direction to the Trustee by the District. At such time as there are no amounts on deposit in the Series 2026 Acquisition and Construction Account, such Account shall be closed. See " – Reserve Account" herein for more information regarding the Reserve Account Release Conditions #1 and the Reserve Account Release Conditions #2.

In accordance with the provisions of the Indenture, the Series 2026 Bonds are payable solely from the Series 2026 Pledged Revenues and the Series 2026 Pledged Funds held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the District will acknowledge in the Indenture that (a) the Series 2026 Pledged Funds include, without limitation, all amounts on deposit in the Series 2026 Acquisition and Construction Account then held by the Trustee, (b)

upon the occurrence of an Event of Default with respect to the Series 2026 Bonds, the Series 2026 Pledged Funds may not be used by the District (whether to pay Costs of the Assessment Area One Project or otherwise) without the written consent of the Majority Owners, except to the extent that prior to the occurrence of the Event of Default the District had incurred a binding obligation with third parties for work on the Assessment Area One Project and payment is for such work, and (c) upon the occurrence of an Event of Default with respect to the Series 2026 Bonds, the Series 2026 Pledged Funds may be used by the Trustee, at the direction or with the approval of the Majority Owners, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The District shall not enter into any binding agreement with respect to the Assessment Area One Project that will cause the expenditure of additional funds from the Series 2026 Trust Estate after the occurrence and during the continuance of an Event of Default unless authorized in writing by the Majority Owners.

Reserve Account

The First Supplemental Indenture establishes a separate account within the Reserve Fund for the Series 2026 Bonds designated as the "Series 2026 Reserve Account," which shall be held for the benefit of all of the Series 2026 Bonds, without distinction as to Series 2026 Bonds and without privilege or priority of one Series 2026 Bond over another. The Series 2026 Reserve Account shall be funded and maintained at all times in an amount equal to the Series 2026 Reserve Account Requirement. "Series 2026 Reserve Account Requirement" is defined in the First Supplemental Indenture to mean an amount equal to fifty percent (50%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2026 Bonds, as of the time of any such calculation, until such time as the Reserve Account Release Conditions #1 are met, at which time and thereafter, Series 2026 Reserve Account Requirement shall mean an amount equal to twenty-five percent (25%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2026 Bonds, as of the time of any such calculation, until such time as the Reserve Account Release Conditions #2 are met, at which time and thereafter, Series 2026 Reserve Account Requirement shall mean an amount equal to ten percent (10%) of the Maximum Annual Debt Service Requirement for all Outstanding Series 2026 Bonds, as of the time of any such calculation. On the date of initial issuance of the Series 2026 Bonds, the Series 2026 Reserve Account Requirement shall be \$_____.

"Reserve Account Release Conditions #1" shall mean, collectively, that (a) all lots subject to the Series 2026 Assessments have been developed and platted, and (b) there are no Events of Default occurring or continuing under the Indenture with respect to the Series 2026 Bonds. The Consulting Engineer shall provide a written certification to the District and the Trustee certifying that the event in clause (a) has occurred and the District Manager shall provide a written certification to the District and the Trustee affirming clause (b), on which certifications the Trustee may conclusively rely.

"Reserve Account Release Conditions #2" shall mean, collectively, that (a) all of the Reserve Account Release Conditions #1 have been satisfied, (b) all homes within Assessment Area One have received a certificate of occupancy, (c) all of the principal portion of the Series 2026 Assessments has been assigned to such homes, (d) all Series 2026 Assessments are being collected pursuant to the Uniform Method, and (e) there are no Events of Default occurring or continuing under the Indenture with respect to the Series 2026 Bonds. The District Manager shall provide a written certification to the District and the Trustee certifying that the events in clauses (a) through (d) have occurred and affirming clause (e), on which certifications the Trustee may conclusively rely.

Except as otherwise provided in the Indenture, amounts on deposit in the Series 2026 Reserve Account shall be used only for the purpose of making payments into the Series 2026 Interest Account and the Series 2026 Sinking Fund Account to pay Debt Service on the Series 2026 Bonds, when due, without distinction as to Series 2026 Bonds and without privilege or priority of one Series 2026 Bond over another, to the extent the moneys on deposit in such Accounts available therefor are insufficient and for no other

purpose. The Series 2026 Reserve Account shall consist only of cash and Series 2026 Investment Obligations.

Anything in the Indenture to the contrary notwithstanding, on the forty-fifth (45th) day preceding each Quarterly Redemption Date (or, if such forty-fifth (45th) day is not a Business Day, on the Business Day preceding such forty-fifth (45th) day), an Authorized Officer of the District shall recalculate the Series 2026 Reserve Account Requirement and shall direct the Trustee in writing to transfer any excess on deposit in the Series 2026 Reserve Account (a) resulting from Prepayments of Series 2026 Assessments into the Series 2026 Prepayment Subaccount, and applied as a credit against the Prepayment otherwise required to be made by the owner of such lot or parcel subject to such Prepayment and thereafter applied to the extraordinary mandatory redemption of the Series 2026 Bonds, (b) resulting from a reduction of the Series 2026 Reserve Account Requirement as the result of either the Reserve Account Release Conditions #1 or the Reserve Account Release Conditions #2 being met into the Series 2026 Acquisition and Construction Account and used for the purposes of such Account, or (c) resulting from investment earnings as provided in the First Supplemental Indenture. The Trustee is hereby authorized to make such transfers and has no duty to verify such calculations.

On the earliest date on which there is on deposit in the Series 2026 Reserve Account sufficient moneys, after taking into account other moneys available therefor, to pay and redeem all of the Outstanding Series 2026 Bonds, together with accrued interest and redemption premium, if any, on such Series 2026 Bonds to the earliest Redemption Date permitted therein and in the First Supplemental Indenture, then the Trustee shall transfer the amount on deposit in the Series 2026 Reserve Account into the Series 2026 Prepayment Subaccount to pay and redeem all of the Outstanding Series 2026 Bonds on the earliest Redemption Date permitted for redemption therein and in the First Supplemental Indenture.

Anything in the Indenture to the contrary notwithstanding, amounts on deposit in the Series 2026 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

Deposit and Application of the Series 2026 Pledged Revenues

The First Supplemental Indenture establishes a separate account within the Revenue Fund for the Series 2026 Bonds designated as the "Series 2026 Revenue Account." Pursuant to the First Supplemental Indenture, the Trustee is authorized and directed to deposit any and all amounts required to be deposited in the Series 2026 Revenue Account by the Indenture, and any other amounts or payments specifically designated by the District pursuant to a written direction or by a Supplemental Indenture for said purpose. The Series 2026 Revenue Account shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee.

The Trustee shall deposit into the Series 2026 Revenue Account (i) Series 2026 Assessment Revenues other than Series 2026 Prepayments (which Series 2026 Prepayments shall be identified by the District to the Trustee as such in writing upon deposit, upon which certification the Trustee may conclusively rely, and which shall be deposited into the Series 2026 Prepayment Subaccount), (ii) Series 2026 Prepayment Interest, and (iii) any other revenues required by other provisions of the Indenture to be deposited into the Series 2026 Revenue Account.

On the forty-fifth (45th) day preceding each Quarterly Redemption Date (or if such forty-fifth (45th) day is not a Business Day, on the Business Day preceding such forty-fifth (45th) day), the Trustee shall determine the amount on deposit in the Series 2026 Prepayment Subaccount and, if the balance therein is greater than zero, shall, upon written direction from the District, transfer from the Series 2026 Revenue

Account for deposit into the Series 2026 Prepayment Subaccount an amount sufficient to increase the amount on deposit therein to the nearest integral multiple of \$5,000 (provided that there are sufficient funds remaining in the Series 2026 Revenue Account to pay Debt Service coming due on the Series 2026 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2026 Bonds on the next succeeding Redemption Date in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2026 Prepayment Subaccount in accordance with the provisions for extraordinary mandatory redemption of the Series 2026 Bonds set forth in the form of Series 2026 Bonds attached to the First Supplemental Indenture and the provisions of the Indenture.

On May 1 and November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall first transfer from the Series 2026 Capitalized Interest Account to the Series 2026 Interest Account the lesser of (x) the amount of interest coming due on the Series 2026 Bonds on such May 1 or November 1, less the amount already on deposit in the Series 2026 Interest Account, or (y) the amount remaining in the Series 2026 Capitalized Interest Account. Following the foregoing transfer, on such May 1 or November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall then transfer amounts on deposit in the Series 2026 Revenue Account to the Accounts designated below in the following amounts and in the following order of priority:

FIRST, to the Series 2026 Interest Account, the amount, if any, equal to the difference between the amount of interest payable on all Series 2026 Bonds then Outstanding on such May 1 or November 1, and (i) the amount transferred from the Series 2026 Capitalized Interest Account in accordance with the First Supplemental Indenture, if any, and (ii) the amount already on deposit in the Series 2026 Interest Account not previously credited;

SECOND, on May 1, 20__, and on each May 1 thereafter, to the Series 2026 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series 2026 Bonds subject to mandatory sinking fund redemption on such May 1 and the amount already on deposit in the Series 2026 Sinking Fund Account not previously credited;

THIRD, to the Series 2026 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2026 Reserve Account Requirement with respect to the Series 2026 Bonds; and

FOURTH, the balance shall first be deposited into the Series 2026 Costs of Issuance Account to fund any deficiencies in the amount allocated to pay the costs of issuance relating to the Series 2026 Bonds, and then the balance shall be retained in the Series 2026 Revenue Account.

On any date required by the Arbitrage Certificate, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the Series 2026 Revenue Account to the Series 2026 Rebate Account the amount due and owing to the United States, which amount shall be paid to the United States when due in accordance with such Arbitrage Certificate.

Investments

Anything in the Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security for the Series 2026 Bonds shall be invested only in Series 2026 Investment Obligations. Earnings on investments in the Series 2026 Acquisition and Construction Account, the Series 2026 Interest Account and the Series 2026 Capitalized Interest Account shall be retained, as realized, in such Accounts and used for the purposes of such Accounts. Earnings on investments in the Funds and

Accounts other than the Series 2026 Reserve Account, and other than as set forth above, shall be deposited, as realized, to the credit of the Series 2026 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2026 Reserve Account shall be disposed of as follows:

(i) if there was no deficiency (as defined in the Master Indenture) in the Series 2026 Reserve Account as of the most recent date on which amounts on deposit in the Series 2026 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2026 Reserve Account since such date which have created a deficiency, then earnings on investments in the Series 2026 Reserve Account shall be deposited into the Series 2026 Capitalized Interest Account through November 1, 2026, and thereafter shall be deposited into the Series 2026 Revenue Account and used for the purpose of such Account; or

(ii) if there was a deficiency (as defined in the Master Indenture) in the Series 2026 Reserve Account as of the most recent date on which amounts on deposit in the Series 2026 Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series 2026 Reserve Account and have created such a deficiency, then earnings on investments in the Series 2026 Reserve Account shall be retained in the Series 2026 Reserve Account until the amount on deposit therein is equal to the Series 2026 Reserve Account Requirement, and then earnings on investments in the Series 2026 Reserve Account shall be deposited into the Series 2026 Capitalized Interest Account through November 1, 2026, and thereafter shall be deposited into the Series 2026 Revenue Account and used for the purpose of such Account.

The foregoing determination and disbursement shall be made prior to any recalculation and transfer of excess amounts on deposit in the Series 2026 Reserve Account made pursuant to the First Supplemental Indenture.

Provisions Relating to Bankruptcy or Insolvency of Landowner

The following provisions of the Master Indenture shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel, or tax parcels which are in the aggregate, subject to at least five percent (5%) of the Series 2026 Assessments pledged to the Series 2026 Bonds then Outstanding (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding").

The District will acknowledge and agree in the Indenture that, although the Series 2026 Bonds were issued by the District, the Owners of the Series 2026 Bonds are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer:

(a) the District will agree that it shall make a reasonable attempt to timely seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the Series 2026 Bonds then Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2026 Assessments relating to the Series 2026 Bonds then Outstanding, the Series 2026 Bonds then Outstanding or any rights of the Trustee under the Indenture (provided, however, the Majority Owners of the Series 2026 Bonds then Outstanding shall be deemed to have consented to the proposed action if the District does not receive a written response from such Majority Owners, or the Trustee acting at the direction of such Majority Owners,

within sixty (60) days following delivery to the Trustee and the Majority Owners of a written request for consent);

(b) the District will agree that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2026 Assessments relating to the Series 2026 Bonds then Outstanding, the Series 2026 Bonds then Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee or the Majority Owners;

(c) the District will agree that it shall make a reasonable attempt to timely seek the written consent of the Trustee, acting at the direction of the Majority Owners of the Series 2026 Bonds then Outstanding, prior to filing and voting in any such Proceeding (provided, however, the Majority Owners of the Series 2026 Bonds then Outstanding shall be deemed to have consented to the proposed action if the District does not receive a written response from the Majority Owners, or the Trustee acting at the direction of such Majority Owners, within sixty (60) days following delivery to the Trustee and the Majority Owners of a written request for consent);

(d) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the Series 2026 Assessments relating to the Series 2026 Bonds then Outstanding would have the right to pursue and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Series 2026 Assessments relating to the Series 2026 Bonds then Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and

(e) the District shall not challenge the validity or amount of any claim submitted in good faith by the Trustee in such Proceeding or any valuations of the lands owned by any Insolvent Taxpayer submitted in good faith by the Trustee in such Proceeding or take any other action in such Proceeding, which is adverse to the Trustee's enforcement of the District's claim and rights with respect to the Series 2026 Assessments relating to the Series 2026 Bonds then Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District will agree that the Trustee shall have the right to (i) file a proof of claim with respect to the Series 2026 Assessments pledged to the Series 2026 Bonds then Outstanding, (ii) deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) defend any objection filed to said proof of claim.

The District will acknowledge and agree in the Indenture that it shall not be a defense to a breach of the foregoing covenants that it has acted on advice of counsel in not complying with the foregoing covenants.

Nothing in the Master Indenture shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for Operation and Maintenance Assessments, and the District shall be free to pursue such a claim for Operation and Maintenance Assessments in such manner as it shall deem appropriate in its sole and absolute discretion; provided, however, that such claim shall not seek to reduce

the amount or receipt of Series 2026 Assessments. Any actions taken by the District in pursuance of its claim for Operation and Maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Series 2026 Assessments relating to the Series 2026 Bonds then Outstanding whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (d) above.

Events of Default and Certain Remedies upon an Event of Default

The Master Indenture provides that each of the following shall be an "Event of Default" under the Indenture with respect to the Series 2026 Bonds, but no other Series of Bonds unless otherwise provided in the Supplemental Indenture relating to such Series:

- (a) any payment of Debt Service on the Series 2026 Bonds is not made when due;
- (b) the District shall for any reason be rendered incapable of fulfilling its obligations under the Indenture;
- (c) the District admits in writing its inability to pay its debts generally as they become due, or files a petition in bankruptcy or makes an assignment for the benefit of its creditors or consents to the appointment of a receiver or trustee for itself or for the whole or any part of the Assessment Area One Project;
- (d) the District is adjudged insolvent by a court of competent jurisdiction, or is adjudged bankrupt on a petition in bankruptcy filed against the District, or an order, judgment or decree be entered by any court of competent jurisdiction appointing, without the consent of the District, a receiver or trustee of the District or of the whole or any part of its property and if the aforesaid adjudications, orders, judgments or decrees shall not be vacated or set aside or stayed within ninety (90) days from the date of entry thereof;
- (e) the District shall file a petition or answer seeking reorganization or any arrangement under the federal bankruptcy laws or any other applicable law or statute of the United States of America or any state thereof;
- (f) under the provisions of any other law for the relief or aid of debtors, any court of competent jurisdiction shall assume custody or control of the District's assets or any part thereof, and such custody or control shall not be terminated within ninety (90) days from the date of assumption of such custody or control;
- (g) any portion of the Series 2026 Assessments shall have become Delinquent Assessments and, as the result thereof, the Trustee has withdrawn funds on deposit in the Series 2026 Reserve Account to pay Debt Service on the Series 2026 Bonds and such amount has not been restored within thirty (30) days of such withdrawal;
- (h) the District shall default in the due and punctual performance of any of the material covenants, conditions, agreements and provisions contained in the Series 2026 Bonds or in the Indenture on the part of the District to be performed (other than a default in the payment of Debt Service on the Series 2026 Bonds when due, which is an Event of Default under subsection (a) above) and such default shall continue for thirty (30) days after written notice specifying such default and requiring the same to be remedied shall have been given to the District by the Trustee or, if the Trustee is unwilling or unable to act, by Owners of not less than ten percent (10%) in aggregate principal amount of the Series 2026 Bonds then Outstanding and affected by such default; and

(i) more than twenty percent (20%) of the Operation and Maintenance Assessments levied by the District on tax parcels subject to the Series 2026 Assessments are not paid by the date such are due and payable.

No Series of Bonds issued under the Master Indenture are subject to acceleration unless the Assessments securing such Bonds have been accelerated. Upon the happening and continuance of any Event of Default specified above with respect to the Series 2026 Bonds, the Trustee may protect and enforce the rights of the Owners of the Series 2026 Bonds under State law, and under the Indenture and the Series 2026 Bonds, by such proceedings in equity or at law, either for the specific performance of any covenant or agreement contained in the Master Indenture or in aid or execution of any power in the Indenture granted or for the enforcement of any proper legal or equitable remedy, as the Trustee shall deem most effectual to protect and enforce such rights.

The Majority Owners of the Series 2026 Bonds then Outstanding shall, subject to the requirements of the Master Indenture, have the right, by an instrument or instruments in writing executed and delivered to the Trustee, to direct the method and place of conducting all remedial proceedings by the Trustee under the Master Indenture, provided that such directions shall not be in conflict with any rule of law or the Master Indenture and that the Trustee shall have the right to decline to follow any such direction which in the opinion of the Trustee would be unduly prejudicial to the rights of the Owners of such Series 2026 Bonds not parties to such direction or would subject the Trustee to personal liability or expense. Notwithstanding the foregoing, the Trustee shall have the right to select and retain legal counsel of its choosing to represent it in any such proceedings. The Trustee may take any other action which is not inconsistent with any direction under this paragraph.

No Owner of such Series 2026 Bonds shall have any right to pursue any other remedy under the Master Indenture or such Series 2026 Bonds unless: (a) an Event of Default shall have occurred and is continuing; (b) the Majority Owners of the Series 2026 Bonds then Outstanding have requested the Trustee, in writing, to exercise the powers granted in the Master Indenture or to pursue such remedy in its or their name or names; (c) the Trustee has been offered indemnity satisfactory to it against costs, expenses and liabilities reasonably anticipated to be incurred; (d) the Trustee has declined to comply with such request, or has failed to do so, within sixty (60) days after its receipt of such written request and offer of indemnity; and (e) no direction inconsistent with such request has been given to the Trustee during such sixty (60) day period by the Majority Owners of the Series 2026 Bonds then Outstanding. The exercise of such rights is further subject to the provisions of the Master Indenture. No Owner or Owners of such Series 2026 Bonds shall have any right in any manner whatsoever to enforce any right under the Master Indenture, except in the manner provided in the Master Indenture.

The District will covenant and agree in the Master Indenture that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, the provisions for the foreclosure of liens of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, and will take such other appropriate remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Owners, from time to time, of the Series 2026 Bonds. Notwithstanding anything to the contrary in the Master Indenture, and unless otherwise directed by the Majority Owners of the Series 2026 Bonds and allowed pursuant to federal or State law, the District acknowledges and agrees that (y) upon failure of any property owner to pay an installment of Assessments collected directly by the District when due, that the entire Assessment on the tax parcel as to which such Delinquent Assessment appertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the District shall promptly, but in any event within 120 days, cause to be brought the necessary legal proceedings for the foreclosure of liens of Delinquent Assessments, including interest and penalties

with respect to such tax parcel and (z) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages. See "APPENDIX B: PROPOSED FORMS OF MASTER INDENTURE AND FIRST SUPPLEMENTAL INDENTURE" attached hereto for more information.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2026 Bonds is the collection of the Series 2026 Assessments imposed on certain lands in Assessment Area One of the District that are specially benefited by the Assessment Area One Project pursuant to the Series 2026 Assessment Proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein and "APPENDIX E: ASSESSMENT METHODOLOGY."

The imposition, levy, and collection of Series 2026 Assessments must be done in compliance with the provisions of State law. Failure by the District, the Lake County Tax Collector ("Tax Collector") or the Lake County Property Appraiser ("Property Appraiser") to comply with such requirements could result in delay in the collection of, or the complete inability to collect, the Series 2026 Assessments during any year. Such delays in the collection of the Series 2026 Assessments, or complete inability to collect any of the Series 2026 Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of Debt Service on the Series 2026 Bonds. See "BONDOWNERS' RISKS." To the extent that landowners fail to pay the Series 2026 Assessments, delay payments, or are unable to pay the same, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2026 Bonds. For the Series 2026 Assessments to be valid, the Series 2026 Assessments must meet two requirements: (1) the benefit from the Assessment Area One Project to the lands subject to the Series 2026 Assessments must exceed or equal the amount of the Series 2026 Assessments, and (2) the Series 2026 Assessments must be fairly and reasonably allocated across all such benefitted properties.

Pursuant to the Act, and the Series 2026 Assessment Proceedings, the District may collect the Series 2026 Assessments through a variety of methods. See "BONDOWNERS' RISKS." Initially, and for undeveloped properties owned by the Developer, its successors or assigns, , the District will directly issue annual bills to the landowners requiring payment of the Series 2026 Assessments, and will enforce that bill through foreclosure proceedings. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" and "APPENDIX E: ASSESSMENT METHODOLOGY." As the lands securing the Series 2026 Assessments are platted as residential lots, the Series 2026 Assessments will be added to the County tax roll and collected pursuant to the Uniform Method. The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing & Foreclosure Procedure

As noted above, and pursuant to Chapters 170 and 190 of the Florida Statutes, the District may directly levy, collect and enforce the Series 2026 Assessments. In this context, Section 170.10 of the Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2026 Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida

Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay Series 2026 Assessments and the ability to foreclose the lien of such Series 2026 Assessments upon the failure to pay such Series 2026 Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2026 Assessments. See "BONDOWNERS' RISKS."

Uniform Method Procedure

Subject to certain conditions, and for developed lands (as described above), the District may alternatively elect to collect the Series 2026 Assessments using the Uniform Method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2026 Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2026 Assessments will be collected together with Town, County, school, special district, and other ad valorem taxes and non-ad valorem assessments (collectively, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in the District. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such Taxes and Assessments – including the Series 2026 Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2026 Assessments. In other words, any partial payment by a landowner must be distributed in equal proportion to all taxing districts and levying authorities.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by State law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2026 Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2026 Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of Debt Service on the Series 2026 Bonds.

Under the Uniform Method, if the Series 2026 Assessments are paid during November when due or during the following three (3) months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point (1%) per subsequent month, i.e., 3% in December, 2% in January, 1% in February. No discount is given for payment in March or later. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and

Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2026 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2026 Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2026 Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Series 2026 Assessment Proceedings to discharge the lien of the Series 2026 Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2026 Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2026 Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2026 Assessments), interest, costs and charges on the real property described in the certificate.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued (unless full payment for a tax deed is made to the clerk of court, including documentary stamps and recording fees), at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

For any holder other than the County, a tax certificate expires seven (7) years after the date of issuance if a tax deed has not been applied for and no other administrative or legal proceeding, including a bankruptcy, has existed of record. After an initial period ending two (2) years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven (7) years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two (2) years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable.

The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear.

Except for certain governmental liens, certain easements, and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the clerk shall enter the land on a list entitled "lands available for taxes" and shall immediately notify the County Commission that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three (3) years from the date the land was offered for public sale, unsold lands escheat to the County in which they are located, free and clear. All tax certificates, accrued taxes, and liens of any nature against the property are canceled and a tax deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2026 Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2026 Assessments, which are the primary source of payment of the Series 2026 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See "BONDOWNERS' RISKS."

BONDOWNERS' RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described in other headings of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2026 Bonds offered hereby and are set forth below. Prospective investors in the Series 2026 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2026 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. This heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2026 Bonds, and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2026 Bonds.

Concentration of Land Ownership

As of the date hereof, the Developer owns all of the assessable lands within Assessment Area One, which are the lands that will be subject to the Series 2026 Assessments securing the Series 2026 Bonds. Payment of the Series 2026 Assessments is primarily dependent upon their timely payment by the Developer and the other future landowners in Assessment Area One. Non-payment of the Series 2026 Assessments by any of the landowners could have a substantial adverse impact upon the District's ability to pay Debt Service on the Series 2026 Bonds. See "THE DEVELOPER" and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS" herein.

Bankruptcy and Related Risks

In the event of the institution of bankruptcy or similar proceedings with respect to the Developer or any other owner of benefited property, delays could occur in the payment of Debt Service on the Series 2026 Bonds, as such bankruptcy could negatively impact the ability of: (i) the Developer and any other landowner to pay the Series 2026 Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2026 Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2026 Assessments not being collected pursuant to the Uniform Method. In addition, the remedies available to the Owners of the Series 2026 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2026 Bonds, including, without limitation, enforcement of the obligation to pay Series 2026 Assessments and the ability of the District to foreclose the lien of the Series 2026 Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2026 Bonds (including Bond Counsel's approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2026 Bonds could have a material adverse impact on the interest of the Owners thereof.

A 2011 bankruptcy court decision in Florida held that the governing body of a community development district, and not the bondholders or indenture trustee, was the creditor of the landowners/debtors in bankruptcy with respect to claims for special assessments, and thus only the district could vote to approve or disapprove a reorganization plan submitted by the debtors in the case. The district voted in favor of the plan. The governing body of the district was at that time elected by the landowners rather than qualified electors. Under the reorganization plan that was approved, a two-year moratorium was placed on the debtor landowners' payment of special assessments. As a result of this non-payment of

assessments, debt service payments on the district's bonds were delayed for two years or longer. The Master Indenture provides for the delegation of certain rights from the District to the Trustee in the event of a bankruptcy or similar proceeding with respect to an "Insolvent Taxpayer" (as previously defined). See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS – Provisions Relating to Bankruptcy or Insolvency of Landowner" herein. The District cannot express any view whether such delegation would be enforceable.

Series 2026 Assessments Are Non-Recourse

The principal security for the payment of the principal and interest on the Series 2026 Bonds is the timely collection of the Series 2026 Assessments. The Series 2026 Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the Developer or subsequent landowners will be able to pay the Series 2026 Assessments or that they will pay such Series 2026 Assessments even though financially able to do so. Neither the Developer nor any other subsequent landowners have any personal obligation to pay the Series 2026 Assessments. Neither the Developer nor any subsequent landowners are guarantors of payment of any Series 2026 Assessments, and the recourse for the failure of the Developer or any subsequent landowner to pay the Series 2026 Assessments is limited to the collection proceedings against the land subject to such unpaid Series 2026 Assessments, as described herein. Therefore the likelihood of collection of the Series 2026 Assessments may ultimately depend on the market value of the land subject to the Series 2026 Assessments. While the ability of the Developer or subsequent landowners to pay the Series 2026 Assessments is a relevant factor, the willingness of the Developer or subsequent landowners to pay the Series 2026 Assessments, which may also be affected by the value of the land subject to the Series 2026 Assessments, is also an important factor in the collection of Series 2026 Assessments. The failure of the Developer or subsequent landowners to pay the Series 2026 Assessments could render the District unable to collect delinquent Series 2026 Assessments and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of Debt Service on the Series 2026 Bonds.

Regulatory and Environmental Risks

The development of the District Lands is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See "THE DEVELOPMENT – Development Approvals" herein for more information.

The value of the land within the District, the success of the Development, the development of Assessment Area One and the likelihood of timely payment of principal and interest on the Series 2026 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the District and the likelihood of the timely payment of the Series 2026 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. See "THE DEVELOPMENT – Environmental" for information on environmental site assessments obtained or received. Such information is being provided solely for informational purposes, and nothing herein or in such assessments grants any legal rights or remedies in favor of the Series 2026 Bondholders in the event any recognized environmental conditions are

later found to be present on District Lands. Nevertheless, it is possible that hazardous environmental conditions could exist within the District or in the vicinity of the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District. No assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future, whether originating within the District or from surrounding property, and what effect such may have on the development or sale of the lands in Assessment Area One.

The value of the lands subject to the Series 2026 Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District Lands unable to support future development. The occurrence of any such events could materially adversely impact the District's ability to pay principal and interest on the Series 2026 Bonds. The Series 2026 Bonds are not insured, and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Economic Conditions and Changes in Development Plans

The successful development of Assessment Area One and the sale of residential units therein, once such homes are built, may be affected by unforeseen changes in general economic conditions, changes in federal economic or trade policies, changes in impact or other fees, fluctuations in the real estate market and other factors beyond the control of the Developer. Moreover, the Developer has the right to modify or change plans for development of the Development from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Other Taxes and Assessments

The willingness and/or ability of an owner of benefited land to pay the Series 2026 Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the Town, the County or any other local special purpose or general purpose governmental entities. Town, County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2026 Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District. The District anticipates imposing operation and maintenance assessments encumbering the same property encumbered by the Series 2026 Assessments. In addition, lands within the District may also be subject to assessments by property owners' and homeowners' associations. See "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for additional information.

Under Florida law, a landowner may contest the assessed valuation determined for its property that forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a tax certificate under the Uniform Method will be suspended. If the Series 2026 Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to such Series 2026 Assessment, even though the landowner is not contesting the amount of the Series 2026 Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem assessments and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. If a taxpayer

fails to pay property taxes as set forth above, the Value Adjustment Board considering the taxpayer's challenge is required to deny such petition by written decision by April 20 of such year.

Limited Secondary Market for Series 2026 Bonds

The Series 2026 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2026 Bonds in the event an Owner thereof determines to solicit purchasers for the Series 2026 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2026 Bonds may be sold. Such price may be lower than that paid by the current Owners of the Series 2026 Bonds, depending on the progress of development of the Development and the lands within Assessment Area One, as applicable, existing real estate and financial market conditions and other factors.

Inadequacy of Reserve Account

Some of the risk factors discussed herein, which, if materialized, would result in a delay in the collection of the Series 2026 Assessments, may not adversely affect the timely payment of Debt Service on the Series 2026 Bonds because of the moneys on deposit in the Series 2026 Reserve Account. The ability of moneys on deposit in the Series 2026 Reserve Account to fund deficiencies caused by delinquencies in the payment of the Series 2026 Assessments is dependent on the amount, duration and frequency of such deficiencies, as well as the amount of money then on deposit in the Series 2026 Reserve Account, which is subject to release and recalculation based on parameters set forth in the Indenture. Moneys on deposit in the Series 2026 Reserve Account may be invested in certain obligations permitted under the Indenture. Fluctuations in interest rates and other market factors could affect the amount of moneys in the Series 2026 Reserve Account to make up deficiencies. If the District has difficulty in collecting the Series 2026 Assessments, the moneys on deposit in the Series 2026 Reserve Account would be rapidly depleted and the ability of the District to pay Debt Service on the Series 2026 Bonds could be materially adversely affected. In addition, during an Event of Default under the Indenture, the Trustee may withdraw moneys from the Series 2026 Reserve Account and such other Funds, Accounts and subaccounts created under the Master Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2026 Reserve Account is accessed for any purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2026 Assessments in order to provide for the replenishment of the Series 2026 Reserve Account. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS – Reserve Account" herein for more information about the Series 2026 Reserve Account.

Legal Delays

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2026 Assessments that are not being collected pursuant to the Uniform Method, such landowner and/or its mortgagee(s) may raise affirmative defenses to such foreclosure action. Although the District expects that such affirmative defenses would likely be proven to be without merit, they could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Holders of the Series 2026 Bonds to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Internal Revenue Code of 1986, as amended (the "Code"), there are limitations on the amounts of proceeds from the Series 2026 Bonds that can be used for such purpose.

IRS Examination and Audit Risk

The Internal Revenue Service (the "IRS") routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the "Audited Bonds") issued by Village Center Community Development District (the "Village Center CDD"). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum ("TAM") concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS's conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a "proper issuer of tax-exempt bonds" and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations required that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." Notice of withdrawal of the proposed regulations was published in the Federal Register on October 20, 2017.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts' bonds' tax-exempt status, but has advised such districts that such districts must have public electors within the timeframe established by the applicable state law or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general

elections are not held until the later of six years from the date of establishment of the community development district or the time at which there are at least 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by a general electorate. Currently, all of the members of the Board of the District were elected by the landowners and none were elected by qualified electors. The Developer will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors pursuant to the Act. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2026 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable State or federal law.

Owners of the Series 2026 Bonds are advised that, if the IRS does audit the Series 2026 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2026 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2026 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2026 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2026 Bonds would adversely affect the availability of any secondary market for the Series 2026 Bonds. Should interest on the Series 2026 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2026 Bonds be required to pay income taxes on the interest received on such Series 2026 Bonds and related penalties, but because the interest rate on such Series 2026 Bonds will not be adequate to compensate Owners of the Series 2026 Bonds for the income taxes due on such interest, the value of the Series 2026 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATES ON THE SERIES 2026 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2026 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2026 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2026 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2026 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

Loss of Exemption from Securities Registration

The Series 2026 Bonds have not been and will not be registered under the Securities Act of 1933, as amended (the "Securities Act"), or any state securities laws, because of the exemption for securities issued by political subdivisions. It is possible that federal or state regulatory authorities could in the future determine that the District is not a political subdivision for purposes of federal and state securities laws, including without limitation as the result of a determination by the IRS, judicial or otherwise, of the District's status for purposes of the Code. In such event, the District and purchasers of Series 2026 Bonds may not be able to rely on the exemption from registration under the Securities Act relating to securities issued by political subdivisions. In that event, the Owners of the Series 2026 Bonds would need to ensure that subsequent transfers of the Series 2026 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act and applicable state securities laws.

Federal Tax Reform

Various legislative proposals are mentioned from time to time by members of Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of challenging the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2026 Bonds, by eliminating or changing the tax-exempt status of interest on such bonds. Whether any such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2026 Bonds cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2026 Bonds. Prospective purchasers of the Series 2026 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation. See also "TAX MATTERS" herein.

State Tax Reform

It is impossible to predict what new proposals may be presented regarding tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. It is impossible to predict with certainty the impact that any existing or future legislation will or may have on the security for the Series 2026 Bonds. It should be noted that Section 190.016(14) of the Act provides in pertinent part that "[t]he state pledges to the holders of any bonds issued under this act that it will not limit or alter the rights of the district to ... levy and collect the ... assessments ... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not in any way impair the rights or remedies of such holders."

Insufficient Resources or Other Factors Causing Failure to Complete Development

The cost to finish the Assessment Area One Project will exceed the net proceeds from the Series 2026 Bonds. There can be no assurance, in the event the Developer does not satisfy its completion obligations described below and the District does not have sufficient moneys on hand to complete the Assessment Area One Project, that the District will be able to raise, through the issuance of additional bonds or otherwise, the moneys necessary to complete the Assessment Area One Project. Further, the Indenture sets forth certain limitations on the issuance of additional bonds. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS – Limitation on Issuance of Additional Obligations" for more information.

Although the Developer will agree to fund or cause to be funded the completion of the Assessment Area One Project regardless of the insufficiency of proceeds from the Series 2026 Bonds and will enter into a completion agreement with the District as evidence thereof, there can be no assurance that the Developer will have sufficient resources to do so. Such obligation of the Developer is an unsecured obligation, and the Developer is a special-purpose entity whose assets consist primarily of its interest in the Development. See "THE DEVELOPER" herein for more information.

There are no assurances that the Assessment Area One Project and any other remaining development work associated with Assessment Area One will be completed. Further, there is a possibility that, even if Assessment Area One is developed, the Builder may not close on all or any of the lots therein, and such failure to close could negatively impact the construction and sale of homes in Assessment Area One. The Builder Contract may also be terminated by the Builder upon the occurrence or failure to occur

of certain conditions set forth therein. See "THE DEVELOPMENT – The Builder Contract and the Builder" herein for more information about the Builder and the Builder Contract.

Pandemics and Other Public Health Emergencies

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Developer, the timely and successful completion of the Development, the purchase of lots therein by the Builder and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also "Economic Conditions and Changes in Development Plans" and "Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties' digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of Debt Service on the Series 2026 Bonds.

Prepayment and Redemption Risk

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2026 Bonds are subject to extraordinary mandatory redemption, including, without limitation, as a result of prepayments of the Series 2026 Assessments by the Developer or subsequent owners of the property within Assessment Area One. Any such redemptions of the Series 2026 Bonds would be at the principal amount of such Series 2026 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2026 Bonds may not realize their anticipated rate of return on the Series 2026 Bonds and owners of any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2026 Bonds. See "DESCRIPTION OF THE SERIES 2026 BONDS – Redemption Provisions," and "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS – Prepayment of Series 2026 Assessments" herein for more information.

Payment of Series 2026 Assessments after Bank Foreclosure

In the event a bank forecloses on property because of a default on a mortgage in favor of such bank on any of the assessable lands within Assessment Area One of the District, and then the bank itself fails, the Federal Deposit Insurance Corporation (the "FDIC"), as receiver, will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2026 Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

THE DISTRICT

General Information

The District, which is the issuer of the Series 2026 Bonds, is a local unit of special purpose government of the State, created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the "Act"), and by Ordinance No. 2026-001 of the Town Council of the Town of Howey-in-the-Hills, Florida (the "Town"), adopted and effective on January 26, 2026 (the "Ordinance"). The District currently encompasses approximately 218.93 gross acres of land located within the incorporated boundaries of the Town in Lake County, Florida (the "County"). The District is generally located west of State Road 19, North of County Road 48, and south of Lake Harris. See "THE DEVELOPMENT" herein for more information.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter.

Among other provisions, the Act gives the District's Board of Supervisors the authority to, among other things: (a) finance, fund, plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems, facilities, and basic infrastructure for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; (iv) conservation areas, mitigation areas, and wildlife habitat; (v) any other project, facility, or service required by a development approval, interlocal agreement, zoning condition, or permit issued by a governmental authority with jurisdiction in the District; and (vi) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses, and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessment liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits. These functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any bondholders to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2026 Bonds.

Board of Supervisors

The Act provides that a five-member Board of Supervisors (the "Board") serves as the governing body of the District. Members of the Board (the "Supervisors") must be residents of the State and citizens of the United States. Initially, the Supervisors were appointed in the Ordinance. Within 90 days after formation of the District, an election was held pursuant to which new Supervisors were elected on an at-large basis by the owners of the property within the District. Ownership of land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number). At such initial election, landowners elect two Supervisors to four-year terms and three Supervisors to two-year terms. A Supervisor serves until expiration of his or her term and until his or her successor is chosen and qualified. If, during a term of office, a vacancy occurs, the remaining Supervisors may fill the vacancy by an appointment of an interim Supervisor for the remainder of the unexpired term.

After the initial election, the elections take place every two years, with the first such election being held on the first Tuesday in November, and subsequent elections being held on a date in November established by the Board. Upon the later of six years after the initial appointment of Supervisors and the year when the District next attains at least 250 qualified electors, Supervisors whose terms are expiring will begin to be elected (as their terms expire) by qualified electors of the District. A qualified elector is a registered voter in the county in which the District is located who is at least eighteen years of age, a resident of the District and the State, and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, each elected to four-year terms. The seat of the remaining Supervisor whose term is expiring at such election shall be filled by a Supervisor who is elected by the landowners for a four-year term and who is not required to be a qualified elector. Thereafter, as terms expire, all Supervisors must be qualified electors and must be elected by qualified electors to serve staggered four-year terms.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, the District's Board shall call an election at which all Supervisors shall be qualified electors and be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under State law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Kimberly Locher*	Chairperson	November 2030
Charlie Crawford**	Vice-Chairperson	November 2028
Jeffrey Reader*	Assistant Secretary	November 2030
Marlene Demarco*	Assistant Secretary	November 2028
Angel Alfonso**	Assistant Secretary	November 2028

* Employee of, or affiliated with, the Developer.

** Employee of, or affiliated with, the Builder

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the District shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under the State's open meeting or "Sunshine" law.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Wrathell, Hunt & Associates, LLC, Boca Raton, Florida, to serve as its district manager ("District Manager"). The District Manager's office is located at 2300 Glades Rd., Ste. #410W, Boca Raton, Florida 33431.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Nabors, Giblin & Nickerson, P.A., Tampa, Florida, as Bond Counsel; Madden Moorhead & Stokes, LLC, Maitland, Florida, as District Engineer; and Kutak Rock LLP, Tallahassee, Florida, as District Counsel. The Board has also retained Wrathell, Hunt & Associates, LLC, to serve as Methodology Consultant for the Series 2026 Bonds.

No Outstanding Bond Indebtedness

The District has not previously issued any bonds or other similar debt obligations.

THE CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA ONE PROJECT

Madden Moorhead & Stokes, LLC (the "District Engineer"), prepared the Engineer's Report dated March 2026 (the "Master Engineer's Report"), as supplemented by the report titled Supplemental Engineer's Report (Assessment Area One Project) Lake Hills Community Development District dated June 2026 (the "Supplemental Report" and together with the Master Engineer's Report, the "Engineer's Report"). The Engineer's Report sets forth certain public infrastructure improvements for the development of the approximately 571 residential lots planned for the District (the "Capital Improvement Plan").

Land development within District is being phased. Multiple assessment areas will be created in order to facilitate the District's financing plans. Assessment Area One consists of approximately 81.34 acres of land planned to contain 214 units. The remaining District Lands are planned to contain up to 357 units and are expected to be developed and financed in the future. The portion of the Capital Improvement Plan consisting of certain master infrastructure improvements necessary for the development of Assessment Area One is referred to herein as the "Assessment Area One Project."

The Assessment Area One Project consists of on-site and off-site master infrastructure improvements (the "Master Infrastructure"), together with \$4,800,000 of capacity fees. The Series 2026 Bonds are being issued to finance a portion of the Master Infrastructure component of the Assessment Area One Project. The District Engineer, in the Supplemental Report, estimated the total cost of the Assessment Area One Project to be \$19,769,571, as more particularly described below and in the Supplemental Report attached hereto as part of APPENDIX A.

<u>Assessment Area One Project Improvements</u>	<u>Estimated Cost</u>
Public Sitework & Storm Drainage	\$ 8,088,038
Internal Public Roadways (Inside Gates)	1,334,824
Water and Wastewater Systems	2,361,867
Off-Site Improvements - Utilities	1,013,666
Public Roadways (Outside Gates)	1,689,123
Off-Site Improvements - Turn Lanes	232,053
Off-Site Sewer Capacity/CIAC*	3,000,000
Off-Site Water Capacity*	1,800,000
Differential Cost of Undergrounding Conduit	<u>250,000</u>
Total	\$19,769,571

* Expected to be funded by the Builder and the Developer, as applicable, and not from net proceeds of the Series 2026 Bonds. See "THE DEVELOPMENT – Development Approvals" herein.

The Master Infrastructure is substantially complete.

The Builder has commenced lot development for Assessment Area One, with substantial completion expected in November 2026. A final plat for the 214 lots planned for Assessment Area One is expected to be recorded by December 2026. The Developer anticipates the total land development costs for Assessment Area One, inclusive of parcel infrastructure, to be approximately \$22 million. As of June 1, 2026, the Developer has spent or incurred approximately \$13.7 million in land development costs associated with the Master Infrastructure. See "THE DEVELOPMENT – Land Acquisition and Finance Plan" and " – Development Plan and Finance" herein.

Net proceeds of the Series 2026 Bonds will be deposited in the Series 2026 Acquisition and Construction Account in the amount of approximately \$7.5 million* and such proceeds will be available to the District for the acquisition of a portion of the Assessment Area One Project from the Developer. The Developer will enter into a completion agreement that will obligate the Developer to complete the Assessment Area One Project. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" herein.

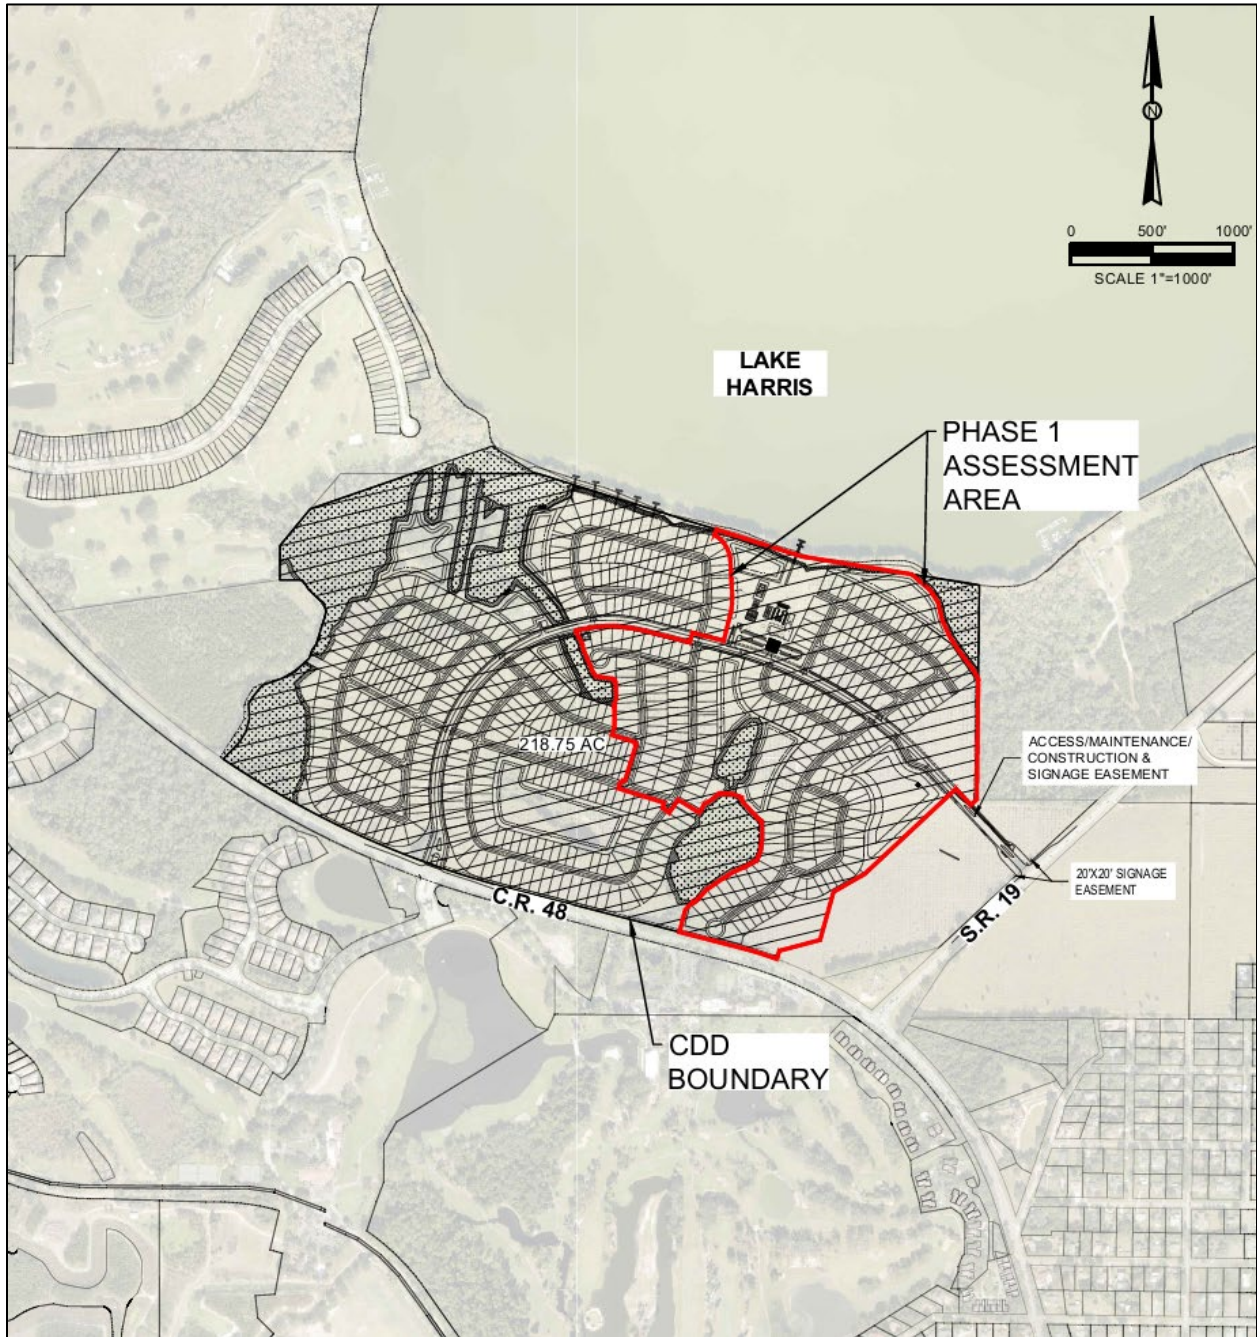

The District anticipates issuing additional bonds in the future, which bonds will be secured by special assessments levied on lands that are separate and distinct from the Assessment Area One lands on which the Series 2026 Assessments will be levied. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS" herein for more information.

The District Engineer has indicated that all engineering permits necessary to construct the Assessment Area One Project that are set forth in the Engineer's Report have been obtained or are reasonably expected to be obtained in the ordinary course of business. In addition to the Engineer's Report, please refer to "THE DEVELOPMENT – Development Approvals" for a more detailed description of the zoning and permitting status of Assessment Area One.

ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS

Wrathell, Hunt & Associates, LLC, Boca Raton, Florida (the "Methodology Consultant"), has prepared the Master Special Assessment Methodology Report dated March 6, 2026 (the "Master Assessment Methodology"), as supplemented by the Preliminary First Supplemental Special Assessment Methodology Report dated June 22, 2026 (the "Supplemental Assessment Methodology" and together with the Master Assessment Methodology, the "Assessment Methodology"), included herein as APPENDIX E. The Assessment Methodology sets forth an overall method for allocating the Series 2026 Assessments to be levied against the lands within Assessment Area One of the District benefited by the Assessment Area One Project and collected by the District as a result thereof. Once the final terms of the Series 2026 Bonds are determined, the Supplemental Assessment Methodology will be revised to reflect such final terms. Once levied and imposed, the Series 2026 Assessments are a first lien on the land against which assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District, including the operation and maintenance assessments, and other units of government. See "ENFORCEMENT OF ASSESSMENT COLLECTIONS" herein.

As set forth in the Assessment Methodology, the Series 2026 Assessments are initially levied on an equal pro-rata gross acreage basis on the approximately 81.34 gross acres within Assessment Area One until such time as lots in Assessment Area One are platted. As platting of the lots within Assessment Area One occurs, the Series 2026 Assessments will be assigned to platted lots in Assessment Area One on a first platted, first assigned basis on a per equivalent residential unit basis in accordance with the Assessment Methodology. See "APPENDIX E: ASSESSMENT METHODOLOGY" attached hereto.

Assuming that all of the 214 planned residential units within Assessment Area One are developed and platted, then the Series 2026 Assessments are expected to be allocated as set forth below and in the Assessment Methodology.

Product Type	No. of Units	Annual Series 2026 Assessments Per Unit*	Series 2026 Bonds Par Debt Per Unit*
Villa 35'	18	\$1,727	\$22,594
Single-Family 50'	112	\$2,879	\$37,657
Single-Family 60'	84	\$3,455	\$45,188
Total	214		

* Preliminary, subject to change. The annual Series 2026 Assessments shown above assume payment via the Uniform Method and include a gross up to account for County collection costs estimated at 3% and early payment discounts estimated at 4%, which may fluctuate. See "THE DEVELOPMENT – Taxes, Fees and Assessments" herein for more information regarding expected partial prepayments of the Series 2026 Assessments by the Developer.

The District anticipates levying assessments to cover its operation and maintenance costs that are currently expected to be approximately \$1,800 per unit annually for residents, which amount is subject to change. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The Town, the County and the School Board of Lake County each levy ad valorem taxes annually upon the land in the District. Voters may approve additional millages levied for general obligation bonds, as to which no limit applies. The total millage rate for the District Lands in 2025 was approximately 19.9425 mills, which millage rate is subject to change in future tax years. These taxes will be payable in addition to the Series 2026 Assessments and other assessments levied by the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years, taxes levied by these other entities could be substantially higher than in the current year. See "BONDOWNERS' RISKS" and "THE

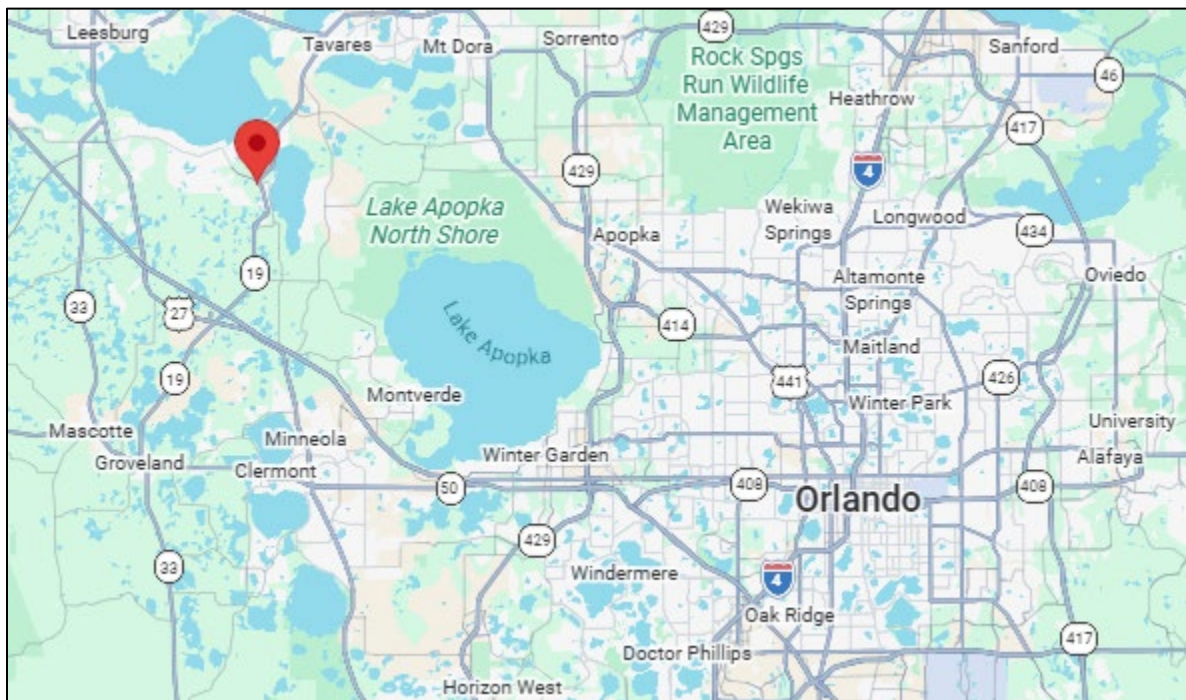

DEVELOPMENT – Taxes, Fees and Assessments" for more information, including proposed homeowners associations' fees.

The information appearing below under the captions "THE DEVELOPMENT" and "THE DEVELOPER" has been furnished by the Developer for inclusion in this Limited Offering Memorandum and, although believed to be reliable, such information has not been independently verified by Bond Counsel, the District or its counsel, or the Underwriter or its counsel, and no persons other than the Developer make any representation or warranty as to the accuracy or completeness of such information supplied by them. The following information is provided by the Developer as a means for the prospective bondholders to understand the anticipated development plan and risks associated with the Development. The Developer is not guaranteeing payment of the Series 2026 Bonds or the Series 2026 Assessments.

THE DEVELOPMENT

General

The District Lands encompass approximately 218.93 gross acres located in the Town of Howey-in-the-Hills (the "Town"), within Lake County, Florida (the "County"). The District Lands are being developed as an approximately 571-unit active-adult residential community to be known as "Regency at Lake Hills" (the "Development"). The Development is generally located west of State Road 19, North of County Road 48, and south of Lake Harris. State Road 19 provides access to US Highway 27 and the Florida Turnpike, two main arterial roadways that run through Central Florida providing convenient access to the City of Orlando approximately 40 minutes to the southeast of the Development. The general location of the Development is shown below.

Land development within District is being phased. Multiple assessment areas will be created to facilitate the District's financing plans. Assessment Area One consists of approximately 81.34 acres of land planned to contain 214 units. The remaining District Lands are planned to contain up to 357 units and are expected to be developed and financed in phases in the future.

The Series 2026 Bonds are being issued to finance a portion of the Assessment Area One Project, which consists of the master infrastructure improvements associated with the development of Assessment Area One. See "THE CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA ONE PROJECT" herein for more information. The Series 2026 Bonds will be secured by the Series 2026 Trust Estate which consists primarily of the Series 2026 Assessments, which will initially be levied on the approximately 81.34 gross acres which comprise Assessment Area One. As platting of the planned 214 lots within the Assessment Area One occurs, the Series 2026 Assessments will be assigned to the platted lots in Assessment Area One on a first platted, first assigned basis. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein for more information.

HR Lake Hills, LLC, a Delaware limited liability company (the "Developer"), is the landowner and developer of the lands within the District. See "THE DEVELOPER" herein for more information. The Developer has entered into the Builder Contract with Toll Southeast, Inc. ("Toll Brothers" or the "Builder") for all of the lots in the Development, including all 214 lots planned for Assessment Area One, which are to be delivered to Toll Brothers as an improved mass graded pad with Master Infrastructure in place, and Toll Brothers will install the onsite infrastructure and construct and market homes for sale to homebuyers. See "– The Builder Contract and the Builder" herein for more information.

At buildout, Assessment Area One is planned to contain 214 residential units consisting of (i) 18 35' villa units, (ii) 112 single-family homes on 50' wide lots, and (iii) 84 single-family homes on 60' wide lots. The villa product will range in size from approximately 1,601 square feet to 1,802 square feet with a starting price point of approximately \$409,995. Single-family detached homes will range in size from approximately 1,790 square feet to 2,836 square feet and starting price points will range from approximately \$533,995 to \$733,995. The target market for homebuyers within Assessment Area One is for an age-restricted active-adult buyer. The Development is planned as an amenitized community that will utilize over 2,000 feet of lake frontage to locate its approximately 12,500-square foot amenity to serve as the central hub of the community. See "– Residential Product Offerings" and "– Amenities" herein for more information.

Land Acquisition and Finance Plan

The Developer acquired the land within the Development on February 7, 2025, for approximately \$14.0 million, of which the Developer estimates approximately \$6.5 million is attributable to Assessment Area One. The Developer acquired the District Lands with Developer equity, proceeds from the Builder deposit and seller financing in the amount of \$6.0 million (the "Seller Note"). The Seller Note requires the Developer to make quarterly interest payments, with a balloon payoff on the earlier of February 7, 2028 or the date that any of the mortgaged property is sold. The Seller Note is secured by a lien on the District Lands outside of Assessment Area One.

The Developer anticipates the total land development costs for Assessment Area One to be approximately \$22 million. This includes approximately \$15 million for the Master Infrastructure, plus approximately \$7.0 million for internal lot development for Assessment Area One. As of June 1, 2026, the Developer has spent or incurred approximately \$13.7 million in land development costs associated with the Master Infrastructure. Net proceeds of the Series 2026 Bonds will be deposited in the Series 2026 Acquisition and Construction Account in the amount of approximately \$7.5 million* and such proceeds will be available to the District for the acquisition of a portion of the Assessment Area One Project from the Developer. The Developer will enter into a completion agreement that will obligate the Developer to complete the Assessment Area One Project. See "BONDOWNERS' RISKS – Insufficient Resources or

* Preliminary, subject to change.

Other Factors Causing Failure to Complete Development" herein. See also " – Development Approvals" below for more information regarding capacity fees expected to be paid by the Builder and the Developer.

The Developer anticipates prepaying a portion of the Series 2026 Assessments at lot closings with the Builder to achieve annual assessment levels of \$1,400 per villa, \$1,800 per 50' lot, and \$2,200 per 60' lot. The total expected prepayment to achieve such annual assessment levels is approximately \$2,630,000, which is preliminary and subject to change. Alternatively, the Builder may elect to retain the amount of the prepayment from the Developer and incrementally prepay the Series 2026 Assessments at home closings to achieve the above noted annual assessment levels. The Developer currently expects that the Builder will elect the latter alternative.

Development Plan and Status

Land development by the Developer of the Master Infrastructure is substantially complete. Land development by the Builder associated with Assessment Area One is underway, with completion expected in November 2026. Construction by the Town of an expanded water plant that will provide potable water to the Development is underway and expected to be completed by December 2026. See " – Utilities" herein for more information. The Builder is expected to close on the land within Assessment Area One and commence model home and amenity construction in accordance with the Builder Contract in December 2026. The Builder has been performing work in advance of closing pursuant to a license agreement with the Developer. Sales and vertical construction are expected to commence shortly thereafter. A final plat for the 214 lots planned for Assessment Area One is expected to be recorded by December 2026.

The Developer and Builder anticipate that approximately 75 homes will be sold by Toll Brothers and closed with homebuyers per annum within Assessment Area One, commencing in the first quarter of 2027 until buildout. This anticipated absorption is based upon estimates and assumptions that are inherently uncertain, though considered reasonable by the Developer and the Builder, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer and Builder. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

The Builder Contract and the Builder

The Developer has entered into a Purchase and Sale Agreement with Toll Southeast, Inc. ("Toll Brothers" or the "Builder"), dated October 14, 2024, as amended (the "Builder Contract"), for the purchase of improved land for all of the lots in the Development, including all 214 lots in Assessment Area One, in three takedowns. The Builder Contract requires Developer to complete approvals and construction of Master Infrastructure and approvals for Assessment Area One and deliver Master Infrastructure including all mass grading, offsites, stormwater ponds and drainage, and completion of the Spine Road to create improved pads for Builder. The Builder is responsible for completing internal lot infrastructure, landscape and amenities for all phases.

The Builder Contract provides for a purchase price of \$1,130.00 per front foot at the first closing; \$1,407.00 per front foot at the second closing, and \$1,593.00 per front foot at the third closing. Villa lots will have 35 front feet, 50' lots will have 50 front feet and 60' lots will have 60 front feet. The purchase price shall increase annually at a rate of 5% on the last day of the 36th month following the first closing as set forth in the Builder Contract. At the initial closing, the Builder shall be entitled to a credit in the amount of approximately \$3.4 million for onsite development costs. The Builder shall also pay Developer an additional purchase price equal to 3.20% of the Consumer Sales Price for each dwelling sold. The total expected consideration for the sale of all improved pads for all lots subject to the Builder Contract is

approximately \$48.6 million, of which approximately \$13.8 million is associated with the 214 lots planned for Assessment Area One.

Pursuant to the Builder Contract, the first closing will contain the land planned for the 214 lots in Assessment Area One and the Amenities (as defined herein) and is expected to occur 30 days after satisfaction of the closing conditions, the second closing is to occur on May 1, 2028, and the third closing is to occur 30 months after the second closing. The Developer expects that the initial closing will occur in December 2026.

The Builder has posted and released a \$10.0 million deposit to Developer. This deposit is secured by a subordinate note and mortgage over Assessment Area One. The Builder deposit will be repaid to the Builder by the Developer upon the Builder's incremental completion of key milestones for the approximately 12,500-square foot lakefront Amenities, with the final release tied to completion of the Amenities and Builder closing on the last phase of improved land. See " – Amenities" herein for more information regarding the Amenities.

Toll Brothers is an affiliate of Toll Brothers, Inc., a Delaware corporation. Toll Brothers, Inc.'s stock trades on the New York Stock Exchange under the symbol TOL. Toll Brothers, Inc. is subject to the informational requirements of the Securities Exchange Act of 1934, as amended (the "Exchange Act"), and in accordance therewith files reports, proxy statements, and other information with the Securities and Exchange Commission (the "SEC"). The file number for Toll Brothers, Inc. is No-001-09186. Such reports, proxy statements, and other information can be found on the SEC's internet website at <http://www.sec.gov>. All documents subsequently filed by Toll Brothers, Inc. pursuant to the requirements of the Exchange Act after the date of this Limited Offering Memorandum will be available for inspection in the same manner as described above.

Neither the Builder nor any entities listed herein are guaranteeing payment of the Series 2026 Bonds or the Series 2026 Assessments.

Residential Product Offerings

The target customers for units within the Development are age-restricted active-adult buyers. Below is a summary of the expected types of units and price points for units in the District.

<u>Product Type</u>	<u>Square Footage</u>	<u>Beds/Baths</u>	<u>Starting Price Point</u>
Villa 35'	1601 – 1802	2 – 3 / 2	\$409,995 - \$419,995

Development Approvals

The District Lands, including, without limitation, the lands in Assessment Area One, are zoned for the residential units planned therein.

Pursuant to the construction plan approval by the Town, 66 acres of open space are required to be dedicated to the Town prior to or as part of the application for final plat approval of the residential portion of the Development, and construction of the connector road from SR 19 to CR 48 must be completed prior to the issuance of a certificate of occupancy for a residence. Additionally, pursuant to an Interlocal Agreement between the Town and the District dated April 16, 2026, water impact fees for the Development

in the amount of approximately \$1.8 million are required to be paid prior to July 27, 2026, and wastewater capacity fees for the Development are required to be paid in the approximate amount of \$3 million pursuant to a Wastewater Capacity Commitment and Service Agreement between the Developer and Central Lake Community Development District dated May 13, 2025. The Builder is required to pay the portion of these fees associated with Assessment Area One in the approximate amount of \$1.8 million pursuant to the terms of the Builder Contract, and the Developer is expected to pay the remaining portion of the fees associated with the future phases of the Development in the approximate amount of \$3 million. The water impact fees are expected to be paid on or before July 27, 2026, and the wastewater capacity fees are expected to be paid in August 2026. The fees paid by the Builder are refundable to the Builder by the Developer prior to the occurrence of the first closing under the Builder Contract.

All permits and approvals necessary for the Master Infrastructure and internal lot development for Assessment Area One Project and the development of Assessment Area One have either been received or are reasonably expected to be received in the ordinary course. Without limiting the foregoing, water and wastewater clearances for Assessment Area One are expected to be received upon completion utility improvements, including expansion of the Water Plant (as defined herein) and construction of a lift station. See " – Utilities" below for more information regarding required utility improvements. See "BONDOWNERS' RISKS – Regulatory and Environmental Risks" herein for more information regarding permitting and other regulatory risks.

Environmental

A Phase I Environmental Site Assessment dated June 19, 2024 (the "ESA"), was prepared covering the land in the Development. The ESA revealed one recognized environmental condition associated with potential fuel storage proximate to historical irrigation pump houses located on the property and recommended additional review and testing of these areas. A Phase II Environmental Site Assessment was completed on August 5, 2024, and recommended supplemental testing of the irrigation pump areas to confirm the extents of petroleum detected in soil samples proximate to the irrigation pump houses. This further review was completed on September 3, 2024, with a more specific recommendation of onsite soil blending of impacted soils of the area proximate to the irrigation pump houses during initial site construction. The onsite soil blending began on January 26, 2026, and has been completed. Subsequent soil samples indicated that the soil blending reduced the concerns below appropriate level, and no further assessment or action is warranted at this time. See "BONDOWNERS' RISK – Regulatory and Environmental Risks" herein for more information regarding potential environmental risks.

Amenities

The District Lands are planned to contain an approximately seven-acre community site with an approximately 12,500-square foot lakefront active-adult clubhouse, together with a fitness center, restroom cabana, a resort-style swimming pool, tennis courts, pickle ball courts, community dock and neighborhood trails, along with an approximately four-acre community park (collectively, the "Amenities"). Construction of the Amenities is expected to commence in the first quarter of 2027 and to be completed in the third quarter of 2027 at a total cost of approximately \$14 million. It is anticipated that the Builder will construct the Amenities, which will be owned and maintained by the homeowners' association, with the park expected to be owned by the Town.

Utilities

Potable water for the Development is planned to be provided to the Development by the Town pursuant to the Lake Hills Planned Unit Development Utility Service Agreement dated March 10, 2025 between the Town and the Developer (the "Water Utility Service Agreement"). Pursuant to the Water Utility

Service Agreement, the Developer shall have the right to reserve capacity for the 571 lots planned for the Development upon (i) the payment of capacity fees for such lots and (ii) the completion of onsite and offsite utility improvements required for the Town to provide utility service to the Development, including the construction of water utility improvements along CR 48 necessary to connect the Development to an expanded water plant being constructed by the Town at the intersection of CR 48 and U.S. 19 (the "Water Plant"). The utility improvements required under the Water Utility Service Agreement are included within the Assessment Area One Project. The Town provision of potable water service to the Development is dependent on its expansion of the Water Plant. Pursuant to the Water Utility Service Agreement, the Town is required to use reasonable efforts to complete the expansion of the Water Plant within 24 months of the Water Utility Service Agreement. The Developer expects that the project will be completed in December 2026. Sanitary sewer service is planned to be provided to the Development by the Central Lake Community Development District pursuant to the Wastewater Capacity Commitment and Service Agreement for Lake Hills PUD dated March 13, 2025, as amended. See " – Development Approvals" herein for more information regarding capacity fees for water and wastewater service.

Irrigation water is planned to be provided pursuant to an amended Consumptive Use Permit issued by the St. Johns River Water Management District by Lake Hills Water Conservation Authority, LLC, which is a related entity to the Developer and which expects to construct the wells, pumps, ponds and trunk line distribution system to provide irrigation to both the residential and commercial users in the overall Lake Hills Planned Unit Development.

Electric power is expected to be provided by Duke Energy.

Taxes, Fees and Assessments

As set forth in the Assessment Methodology, the Series 2026 Assessments are initially levied on an equal pro-rata gross acreage basis on the approximately 81.34 gross acres within Assessment Area One until such time as lots in Assessment Area One are platted. As platting of the lots within Assessment Area One occurs, the Series 2026 Assessments will be assigned to platted lots in Assessment Area One on a first platted, first assigned basis on a per equivalent residential unit basis in accordance with the Assessment Methodology. See "ASSESSMENT METHODOLOGY AND THE ALLOCATION OF ASSESSMENTS" herein.

[Remainder of page intentionally left blank.]

Assuming that all of the 214 planned residential units within Assessment Area One are developed and platted, then the Series 2026 Assessments are expected to be allocated on a per equivalent residential unit basis as set forth below and in the Assessment Methodology.

Product Type	No. of Units	Annual Series 2026 Assessments Per Unit*	Series 2026 Bonds Par Debt Per Unit*
Villa 35'	18	\$1,727	\$22,594
Single-Family 50'	112	\$2,879	\$37,657
Single-Family 60'	<u>84</u>	\$3,455	\$45,188
Total	214		

* Preliminary, subject to change. The annual Series 2026 Assessments shown above assume payment via the Uniform Method and include a gross up to account for County collection costs estimated at 3% and early payment discounts estimated at 4%, which may fluctuate. The Developer anticipates prepaying a portion of the Series 2026 Assessments at lot closings with the Builder to achieve annual assessment levels of \$1,400 per villa, \$1,800 per 50' lot, and \$2,200 per 60' lot. The total expected prepayment to achieve such annual assessment levels is approximately \$2,630,000, which is preliminary and subject to change. Alternatively, the Builder may elect to retain the amount of the prepayment from the Developer and incrementally prepay the Series 2026 Assessments at home closings to achieve the above noted annual assessment levels. The Developer currently expects that the Builder will elect the latter alternative.

The District anticipates levying assessments to cover its operation and maintenance costs that are currently expected to be approximately \$1,800 per unit annually for residents, which amount is subject to change. In addition, residents will be required to pay homeowners association fees, which are currently estimated to be \$4,200 per unit annually, which amount is subject to change. The land within the District has been and will continue to be subject to taxes and assessments imposed by taxing authorities other than the District. The Town, the County and the School Board of Lake County each levy ad valorem taxes annually upon the land in the District. Voters may approve additional millages levied for general obligation bonds, as to which no limit applies. The total millage rate in the District in 2025 was approximately 19.9425 mills, which millage rate is subject to change in future tax years. These taxes will be payable in addition to the Series 2026 Assessments and other assessments levied by the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years, taxes levied by these other entities could be substantially higher than in the current year.

Competition

The following communities have been identified by the Developer as being competitive with the Development, because of their proximity to the Development, price ranges and product types. Those communities include Del Webb Minneola by Pulte Homes and Cresswind at Lake Harris by Kolter Homes. The information under this heading does not purport to list all of the existing or planned communities in the area of the Development but rather provide a list of those that the Developer feels pose primary competition to the Development.

Developer Agreements

The Developer will enter into a completion agreement that will obligate the Developer to complete the Assessment Area One Project.

In addition, the Developer will execute and deliver to the District a Collateral Assignment Agreement (the "Collateral Assignment"), pursuant to which the Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Developer,

development rights relating to the Assessment Area One Project. In addition, mortgagees and the Builder may have certain development rights and other rights assigned to them relating to portions of the Assessment Area One lands, which rights may be superior to the rights that might otherwise be assigned to the District under the terms of the Collateral Assignment. Notwithstanding such Collateral Assignment, in the event the District forecloses on the lands subject to the Series 2026 Assessments as a result of a Developer's or subsequent landowners' failure to pay such assessments, there is a risk that the District, or its designee, if any, will not have all of the permits and entitlements necessary to complete the Assessment Area One Project or the development of Assessment Area One.

Finally, the Developer will also enter into a True-Up Agreement in connection with its obligations to pay true-up payments in the event that debt levels remaining on unplatted lands in Assessment Area One increase above the maximum debt levels set forth in the Assessment Methodology. See "APPENDIX E: ASSESSMENT METHODOLOGY" herein for additional information regarding the "true-up mechanism."

Such obligations of the Developer are unsecured obligations, and the Developer is a special-purpose entity whose assets consist primarily of its interests in the District Lands. See "BONDOWNERS' RISKS – Insufficient Resources or Other Factors Causing Failure to Complete Development" and "THE DEVELOPER" herein for more information regarding the Developer.

THE DEVELOPER

General

The Developer is the current landowner and master developer of the Development. Pursuant to a Development Management Agreement, the Developer has engaged Reader & Partners LLC, a Florida limited liability company (d/b/a/ Reader Communities) (the "Development Manager" or "R&P"), to provide certain project development and management services with respect to the Development.

The Developer is a special-purpose entity whose assets consist primarily of its interests in the District Lands. The Developer's two members are HCJV Lake Hills, LLC, a Texas limited liability company affiliated with Hillwood Communities (hereinafter described), with an 80% membership interest, and RP Investors Lake Hills, LLC, a Florida limited liability company affiliated with R&P, with a 20% membership interest. R&P is the managing member of the Developer with authority to conduct the day-to-day operations of the Developer; provided that certain major decisions regarding the Developer must be unanimously approved by a four-member committee comprised of two representatives of each of the members of the Developer. The operations of the Developer are funded through a variety of sources, including equity from its members, Builder's deposits, lot sales to Builder and the proceeds of the purchase-money loan made by the Seller.

Reader Communities and its principals have a longstanding track record in Florida and have been involved in numerous community development districts and organized numerous bond issuances for its projects.

Dean Barberree, CEO and President of Reader Communities, oversees the day-to-day direction of the firm and is involved in the key value creation aspects of each project. Neither the Developer nor any of the other individuals or entities listed above is guaranteeing payment of the Series 2026 Bonds or the Series 2026 Assessments. None of the other entities listed above has guaranteed or assumed any of the agreements entered into by the Developer in connection with the issuance of the Series 2026 Bonds.

TAX MATTERS

Opinion of Bond Counsel

In the opinion of Bond Counsel, the form of which is attached hereto as APPENDIX C, the interest on the Series 2026 Bonds is excludable from gross income of the owners thereof for federal income tax purposes and is not an item of tax preference for purposes of the federal alternative minimum tax under existing statutes, regulations, rulings and court decisions; provided, however, with respect to certain corporations, interest on the Series 2026 Bonds is taken into account in determining the annual adjusted financial statement income for the purpose of computing the alternative minimum tax imposed on such corporations. Failure by the District to comply subsequent to the issuance of the Series 2026 Bonds with certain requirements of the Internal Revenue Code of 1986, as amended (as previously defined, the "Code"), including but not limited to requirements regarding the use, expenditure and investment of Series 2026 Bond proceeds and the timely payment of certain investment earnings to the Treasury of the United States, may cause interest on the Series 2026 Bonds to become includable in gross income for federal income tax purposes retroactive to their date of issuance. The District has covenanted to comply with all provisions of the Code necessary to, among other things, maintain the exclusion from gross income of interest on the Series 2026 Bonds for purposes of federal income taxation. In rendering its opinion, Bond Counsel has assumed continuing compliance with such covenants.

Internal Revenue Code of 1986

The Code contains a number of provisions that apply to the Series 2026 Bonds, including, among other things, restrictions relating to the use or investment of the proceeds of the Series 2026 Bonds and the payment of certain arbitrage earnings in excess of the "yield" on the Series 2026 Bonds to the Treasury of the United States. Noncompliance with such provisions may result in interest on the Series 2026 Bonds being included in gross income for federal income tax purposes retroactive to their date of issuance.

Collateral Tax Consequences

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the ownership of, receipt or accrual of interest on, or disposition of, the Series 2026 Bonds. Prospective purchasers of the Series 2026 Bonds should be aware that the ownership of the Series 2026 Bonds may result in other collateral federal tax consequences. For example, ownership of the Series 2026 Bonds may result in collateral tax consequences to various types of corporations relating to (1) denial of interest deduction to purchase or carry such Series 2026 Bonds, (2) the branch profits tax, and (3) the inclusion of interest on the Series 2026 Bonds in passive income for certain Subchapter S corporations. In addition, the interest on the Series 2026 Bonds may be included in gross income by recipients of certain Social Security and Railroad Retirement benefits.

PURCHASE, OWNERSHIP, SALE OR DISPOSITION OF THE SERIES 2026 BONDS AND THE RECEIPT OR ACCRUAL OF THE INTEREST THEREON MAY HAVE ADVERSE FEDERAL TAX CONSEQUENCES FOR CERTAIN INDIVIDUAL AND CORPORATE BONDHOLDERS, INCLUDING, BUT NOT LIMITED TO, THE CONSEQUENCES REFERRED TO ABOVE. PROSPECTIVE SERIES 2026 BONDHOLDERS SHOULD CONSULT WITH THEIR TAX ADVISORS FOR INFORMATION IN THAT REGARD.

Florida Taxes

In the opinion of Bond Counsel, the Series 2026 Bonds and interest thereon are exempt from taxation under the laws of the State of Florida, except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations, as defined in said Chapter 220.

Other Tax Matters

Interest on the Series 2026 Bonds may be subject to state or local income taxation under applicable state or local laws in other jurisdictions. Purchasers of the Series 2026 Bonds should consult their tax advisors as to the income tax status of interest on the Series 2026 Bonds in their particular state or local jurisdictions.

The Inflation Reduction Act, H.R. 5376 (the "IRA"), was passed by both houses of the U.S. Congress and was signed by the President on August 16, 2022. As enacted, the IRA includes a 15 percent alternative minimum tax to be imposed on the "adjusted financial statement income", as defined in the IRA, of certain corporations. Interest on the Series 2026 Bonds will be included in the "adjusted financial statement income" of such corporations for purposes of computing the corporate alternative minimum tax. Prospective purchasers that could be subject to this minimum tax should consult with their own tax advisors regarding the potential tax consequences of owning the Series 2026 Bonds.

During recent years, legislative proposals have been introduced in Congress, and in some cases enacted, that altered certain federal tax consequences resulting from the ownership of obligations that are similar to the Series 2026 Bonds. In some cases these proposals have contained provisions that altered these consequences on a retroactive basis. Such alterations of federal tax consequences may have affected the market value of obligations similar to the Series 2026 Bonds. From time to time, legislative proposals are pending which could have an effect on both the federal tax consequences resulting from ownership of the Series 2026 Bonds and their market value. No assurance can be given that additional legislative proposals will not be introduced or enacted that would or might apply to, or have an adverse effect upon, the Series 2026 Bonds.

On February 23, 2016, the IRS issued a notice of proposed rulemaking (the "Proposed Regulations") and notice of public hearing containing proposed regulations that provided guidance regarding the definition of political subdivision for purposes of the rules for tax-exempt bonds, including determinations of entities that are valid issuers of tax-exempt bonds. On October 4, 2017, the Treasury Department ("Treasury") announced that it would withdraw the proposed regulations, stating that, "while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS currently believe that these proposed regulations should be withdrawn in their entirety, and plan to publish a withdrawal of the proposed regulations shortly in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues." The Proposed Regulations were officially withdrawn on October 20, 2017. See also "BONDOWNERS' RISKS – IRS Examination and Audit Risk" herein.

Original Issue Discount

Certain of the Series 2026 Bonds (the "Discount Bonds") may be offered and sold to the public at an original issue discount, which is the excess of the principal amount of the Discount Bonds over the initial offering price to the public, excluding bond houses, brokers or similar persons or organizations acting in the capacity of underwriters or wholesalers, at which price a substantial amount of the Discount Bonds of the same maturity was sold. Original issue discount represents interest which is excluded from gross income

for federal income tax purposes to the same extent as interest on the Discount Bonds. Original issue discount will accrue over the term of a Discount Bond at a constant interest rate compounded semi-annually. An initial purchaser who acquires a Discount Bond at the initial offering price thereof to the public will be treated as receiving an amount of interest excludable from gross income for federal income tax purposes equal to the original issue discount accruing during the period such purchaser holds such Discount Bond and will increase its adjusted basis in such Discount Bond by the amount of such accruing discount for purposes of determining taxable gain or loss on the sale or other disposition of such Discount Bond. The federal income tax consequences of the purchase, ownership and prepayment, sale or other disposition of Discount Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those above. Owners of Discount Bonds should consult their own tax advisors with respect to the precise determination for federal income tax purposes of interest accrued upon sale, prepayment or other disposition of such Discount Bonds and with respect to the state and local tax consequences of owning and disposing of such Discount Bonds.

Bond Premium

Certain of the Series 2026 Bonds (the "Premium Bonds") may be offered and sold to the public at a price in excess of the principal amount of such Premium Bond, which excess constitutes to an initial purchaser amortizable bond premium which is not deductible from gross income for federal income tax purposes. The amount of amortizable bond premium for a taxable year is determined actuarially on a constant interest rate basis over the term of the Premium Bonds which term ends on the earlier of the maturity or call date for each Premium Bond which minimizes the yield on said Premium Bonds to the purchaser. For purposes of determining gain or loss on the sale or other disposition of a Premium Bond, an initial purchaser who acquires such obligation in the initial offering to the public at the initial offering price is required to decrease such purchaser's adjusted basis in such Premium Bond annually by the amount of amortizable bond premium for the taxable year. The amortization of bond premium may be taken into account as a reduction in the amount of tax-exempt income for purposes of determining various other tax consequences of owning such Premium Bonds. The federal income tax consequences of the purchase, ownership and sale or other disposition of Premium Bonds which are not purchased in the initial offering at the initial offering price may be determined according to rules which differ from those described above. Owners of the Premium Bonds are advised that they should consult with their own advisors with respect to the state and local tax consequences of owning such Premium Bonds.

AGREEMENT BY THE STATE

Under the Act, the State pledges to the holders of any bonds issued thereunder, including the Series 2026 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the projects subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that the bonds issued by community development districts are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of State law, the Series 2026 Bonds may initially be sold by the District only to "accredited investors" within the meaning of Chapter 517, Florida Statutes, as amended, and the rules promulgated thereunder. The limitation of the initial offering to "accredited investors" does not denote restrictions on transfers in any secondary market for the Series 2026 Bonds. Investment in the Series 2026 Bonds poses certain economic risks. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

ENFORCEABILITY OF REMEDIES

The remedies available to the Owners of the Series 2026 Bonds upon an event of default under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2026 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2026 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

LITIGATION

The District

There is no litigation of any nature now pending or, to the knowledge of the District threatened against the District, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2026 Bonds, or in any way contesting or affecting (i) the validity of the Series 2026 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2026 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Series 2026 Assessment Proceedings.

The Developer

The Developer has represented that there is no litigation of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the ability of the Developer to complete the development of the Development or to complete the Assessment Area One Project as described herein, or materially and adversely affect the ability of the Developer to pay the Series 2026 Assessments imposed against the land within Assessment Area One of the District owned by the Developer.

CONTINGENT FEES

The District has retained Bond Counsel, District Counsel, the District Engineer, the District Manager/Methodology Consultant, the Underwriter (who has retained Underwriter's Counsel) and the Trustee (who has retained Trustee's counsel), with respect to the authorization, sale, execution and delivery of the Series 2026 Bonds. Except for the payment of certain fees to District Counsel, the District Engineer and the District Manager, the payment of fees of the other professionals is each contingent upon the issuance of the Series 2026 Bonds.

NO RATING

No application for a rating for the Series 2026 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2026 Bonds would have been obtained if application had been made.

EXPERTS

The Engineer's Report included in APPENDIX A to this Limited Offering Memorandum has been prepared by Madden Moorhead & Stokes, LLC, Maitland, Florida, the District Engineer. APPENDIX A should be read in its entirety for complete information with respect to the subjects discussed therein. Wrathell, Hunt & Associates, LLC, Boca Raton, Florida, as Methodology Consultant, has prepared the Assessment Methodology set forth as APPENDIX E hereto. APPENDIX E should be read in its entirety for complete information with respect to the subjects discussed therein.

FINANCIAL INFORMATION

This District will covenant in the Continuing Disclosure Agreement, the proposed form of which is set forth in APPENDIX D hereto, to provide its annual audited financial statements to certain information repositories as described in APPENDIX D, commencing with the audit for the District fiscal year ending September 30, 2026. Attached hereto as APPENDIX F is a copy of the District's unaudited financial statements for the period ended March 31, 2026. The District does not have audited financial statements because the District has not yet met the threshold under State law requiring an audit. The Series 2026 Bonds are not general obligation bonds of the District and are payable solely from the Series 2026 Trust Estate.

By the end of the first full fiscal year after its creation, each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, F.S., including, without limitation, the district's proposed and final budgets and audit. Additional information regarding the District's website is available from the District Manager at the address set forth under "THE DISTRICT – The District Manager and Other Consultants."

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Section 517.051, Florida Statutes, and the regulations promulgated thereunder requires that the District make a full and fair disclosure of any bonds or other debt obligations that it has issued or guaranteed and that are or have been in default as to principal or interest at any time after December 31, 1975 (including bonds or other debt obligations for which it has served only as a conduit issuer such as industrial development or private activity bonds issued on behalf of private business). The District has not previously issued any debt obligations and, therefore, is not and has never been in default as to principal and interest on its bonds or other debt obligations.

CONTINUING DISCLOSURE

The District and the Developer will enter into the Continuing Disclosure Agreement (the "Disclosure Agreement") in the proposed form of APPENDIX D, for the benefit of the Series 2026 Bondholders (including owners of beneficial interests in such Series 2026 Bonds), to provide certain financial information and operating data relating to the District and the Development by certain dates prescribed in the Disclosure Agreement (the "Reports") with the MSRB through the MSRB's EMMA system. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX D: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District or the Developer to comply with their respective obligations under the Disclosure

Agreement constitutes an event of default thereunder. Such a default will not constitute an event of default under the Indenture, but such event of default under the Disclosure Agreement would allow the Series 2026 Bondholders (including owners of beneficial interests in such Series 2026 Bonds) to bring an action for specific performance.

The District has not previously issued any bonds and has not previously entered into any continuing disclosure obligations pursuant to Rule 15c2-12, promulgated under the Securities Exchange Act of 1934, as amended (the "Rule"). The District anticipates satisfying all future disclosure obligations required pursuant to the Disclosure Agreement. The District will appoint the District Manager as the dissemination agent in the Disclosure Agreement.

The Developer has not previously entered into any continuing disclosure undertakings pursuant to the Rule. The Developer anticipates satisfying all future disclosure obligations required pursuant to the Disclosure Agreement.

UNDERWRITING

FMSbonds, Inc. (the "Underwriter") has agreed, pursuant to a contract with the District, subject to certain conditions, to purchase the Series 2026 Bonds from the District at a purchase price of \$_____ (representing the par amount of the Series 2026 Bonds [plus/less net original issue premium/discount of \$_____ and] less an Underwriter's discount of \$_____). The Underwriter's obligations are subject to certain conditions precedent and the Underwriter will be obligated to purchase all of the Series 2026 Bonds if any are purchased.

The Underwriter intends to offer the Series 2026 Bonds to accredited investors at the offering prices set forth on the cover page of this Limited Offering Memorandum, which may subsequently change without prior notice. The Series 2026 Bonds may be offered and sold to certain dealers, banks and others at prices lower than the initial offering prices, and such initial offering prices may be changed from time to time by the Underwriter.

VALIDATION

Bonds issued pursuant to the terms of the Master Indenture have been validated by a judgment of the Circuit Court of the Fifth Judicial Circuit Court of Florida in and for Lake County, Florida, entered on June 18, 2026. It shall be a condition precedent to the issuance of the Series 2026 Bonds that the period of time during which an appeal can be taken from such judgment shall have expired without an appeal having been taken.

LEGAL MATTERS

Certain legal matters related to the authorization, sale and delivery of the Series 2026 Bonds are subject to the approval of Nabors, Giblin & Nickerson, P.A., Tampa, Florida, Bond Counsel. Certain legal matters will be passed upon for the District by its counsel Kutak Rock LLP, Tallahassee, Florida, for the Developer by its counsel, Shuffield, Lowman & Wilson, P.A., Orlando, Florida, and for the Underwriter by its counsel, GrayRobinson, P.A., Tampa, Florida. GrayRobinson, P.A. represents the Developer in unrelated matters.

The legal opinions of Bond Counsel to be delivered concurrently with the delivery of the Series 2026 Bonds are based on existing law, which is subject to change. Such opinions are further based on factual representations made to Bond Counsel as of the date of such opinions. Bond Counsel assumes no duty to update or supplement its opinions to reflect any facts or circumstances that may thereafter come to

Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. **LAKE HILLS COMMUNITY DEVELOPMENT DISTRICT
ENGINEER'S REPORT**

1. INTRODUCTION

The purpose of this report is to provide a description of the capital improvement plan (“CIP”) and estimated costs of the CIP, for the LAKE HILLS Community Development District (“District” or “CDD”).

2. GENERAL SITE DESCRIPTION

The District consists of 218.93 acres of land and is located entirely within the Town of Howey in The Hills, Florida (“Town”). The site is generally located west of State Road 19, North of County Road 48, and South of Lake Harris.

3. PROPOSED CAPITAL IMPROVEMENT PLAN

The CIP is intended to provide public infrastructure improvements for the entire development. The following chart shows the planned product types for the District:

PRODUCT TYPES			
Product Type	Phase 1	Phases 2 & 3	Total Units
50's SF	112	209	321
60's SF	84	68	152
35'Villa (Paired)	18	80	98
TOTAL	214	357	571

NOTE: All units are subject to conversion to other types, as permitted by applicable development approvals. Additional units, unit types and land uses may be incorporated in the future as permitted by applicable development approvals.

The CIP infrastructure for the project is as follows:

Roadway Improvements:

The Town has approved soft gates on the onsite roads and the District intends to finance, construct, and/or acquire the onsite roads and, upon final completion, convey the onsite roads to the Town for ownership; provided however, the internal roads (i.e., the onsite roads inside the soft gates) will be operated and maintained by the CDD. The onsite roads outside the soft gates are intended to be operated and maintained by the Town.

The District also intends to finance improvements to certain off-site public roads located outside of the gates, including the County Road 48 round-a-bout and any proportionate share costs related to the State Road 19 and signal costs.

Onsite roads include the roadway asphalt, base, and subgrade, roadway curb and gutter, striping and signage and sidewalks within such rights-of-way. Alternatively, the Developer may elect to have the District only finance, operate, and maintain the sidewalks within rights-of-way abutting non-lot lands. All roads will be designed in accordance with applicable design requirements.

Stormwater Management System

The stormwater collection and outfall system is a combination of roadway curbs, curb inlets, pipe, control structures and open lakes designed to treat and attenuate stormwater runoff from District lands. The stormwater system is designed consistent with the applicable design requirements for stormwater/floodplain management systems. The District will finance, own, operate and maintain the stormwater system.

NOTE: No private earthwork is included in the CIP. Accordingly, the District will not fund any costs of any grading of lots or the transportation of any fill to such lots.

Water, Wastewater and Irrigation Utilities:

As part of the CIP, the District intends to finance, construct, and/or acquire potable water and wastewater and a portion of the irrigation distribution infrastructure (irrigation system).

Wastewater improvements for the project will include an onsite gravity collection system, offsite and onsite force main and onsite lift stations.

The irrigation water system will be provided by the Lake Hills Water Conservation Authority (“**Irrigation Authority**”) that will provide irrigation supply to the District and to adjacent properties within the Lake Hills zoning boundary. This entity will construct, own and maintain the irrigation water supply system and trunk line distribution system located in Summerlane Drive. The District intends to finance, own and maintain the portion of the distribution system connecting the trunk line distribution system in Summerlane Drive to the lot lines (i.e., point of connection), which will allow for the provision of irrigation service throughout the District.

The water distribution and wastewater collection systems for all phases will be constructed and/or acquired by the District and then dedicated to the Town and/or Central Lake CDD for ownership, operation, and maintenance. The CIP will only include laterals to the lot lines (i.e., point of connection). The portion of the irrigation water distribution system connecting the Trunkline to lot lines throughout the CDD may be constructed and/or acquired by the District and owned and maintained by the District.

As part of the potable and wastewater utilities, the District may also pay utility connection fees, including but not limited to Town Water Impact Fees, and wastewater connection fees as part of the CIP. Any such fees funded by District would be the subject of an acquisition agreement between the applicable developer and the District.

Perimeter Hardscape, Landscape, and Irrigation:

The District may finance, construct, and/or acquire landscaping, irrigation and/or hardscaping within District common areas, easements, and/or public rights-of-way. The project will at a minimum meet or exceed Town

and Lake Hills Water Conservation Authority (“**Irrigation Authority**”) Consumptive Use Permit design requirements.

Perimeter landscaping, irrigation and hardscaping may be owned, maintained and/or funded by the District. Such infrastructure, to the extent that it is located in the offsite rights-of-way owned by a local general purpose government may be maintained by the CDD pursuant to a right-of-way agreement or permit.

Streetlights / Undergrounding of Electrical Utility Lines

The District intends to lease street lights through an agreement with Duke Energy and will fund the street lights through an annual operations and maintenance assessment. As such, streetlights are not included as part of the CIP.

The CIP does however include the incremental cost of undergrounding of electrical utility lines within right-of-way utility easements throughout the community. Any lines and transformers located in such areas would be owned by the local utility provider and not paid for by the District as part of the CIP.

Environmental Conservation

The District will provide onsite conservation areas in order to offset wetland impacts associated with the construction of the development. The District will be responsible for the design, permitting, construction, maintenance, and government reporting of the environmental mitigation. These costs are included within the CIP.

Public Park

The development is planned to include a minimum four (4) acre park featuring a playground, picnic area, and passive recreational space dedicated to the Town for the benefit of the public. The public park will be financed, constructed, and/or acquired by the District and/or Developer and is anticipated to include a dog park including fencing and surfacing; benches, picnic tables, bike racks; playground equipment; 24 paved parking spaces; and trash/recycling. Upon completion, the public park will be conveyed to the Town for ownership and, at the Town’s own cost, operation and administrative management under the Town’s parks and recreation program; provided however, the District will, at its own cost, be responsible for routine maintenance of the public park.

Professional Services

The CIP also includes various professional services. These include: (i) engineering, surveying and architectural fees, (ii) permitting and plan review costs, and (iii) development/construction management services fees that are required for the design, permitting, construction, and maintenance acceptance of the public improvements and community facilities.

NOTE: In the event that impact fee credits are generated from any roadway, utilities or other improvements funded by the District, any such credits, if any, will be the subject of an acquisition agreement between the applicable developer and the District. However no impact fee credits are expected.

4. PERMITTING/CONSTRUCTION COMMENCEMENT

All necessary permits for the construction of the CIP have either been obtained, are currently under review, or will be submitted to the respective governmental authorities and are reasonable expected to be obtained in the future. They include the following:

Town of Howey in The Hills Main Blvd and Mass Grading: Approved

Town of Howey in The Hills Phase 1 Subdivision: Approved

Lake County ROW: Pending

SJRWMD Main Blvd and Mass Grading: Approved

SJRWMD Phase 1 Subdivision: Pending

FDEP Drinking Water Main Blvd: Dryline Permit Approved

FDEP Drinking Water Phase 1: Not yet submitted

FDEP Wastewater Permit Main Blvd: Approved

FDEP Wastewater Permit Phase 1: Not yet submitted

5. CIP COST ESTIMATE / MAINTENANCE RESPONSIBILITIES

The table below presents, among other things, a cost estimate for the CIP. It is our professional opinion that the costs set forth below are reasonable and consistent with market pricing. An ownership exhibit is enclosed at the end of this report.

- a. The probable costs estimated herein do not include anticipated carrying cost, interest reserves or other anticipated CDD expenditures that may be incurred.
- b. The developer reserves the right to finance any of the improvements outlined above, and have such improvements owned and maintained by a property owner's or homeowner's association, in which case such items would not be part of the CIP.
- c. The District may enter into an agreement with a third-party, or an applicable property owner's or homeowner's association, to maintain any District-owned improvements, subject to the approval of the District's bond counsel.
- d. The District has entered into an interlocal agreement with the Town whereby the District will be responsible for the maintenance of the internal roads and certain limited maintenance of the public park.

6. CONCLUSIONS

The CIP will be designed in accordance with current governmental regulations and requirements. The CIP will serve its intended function so long as the construction is in substantial compliance with the design.

It is further our opinion that:

- the estimated cost of the CIP as set forth herein is reasonable based on prices currently being experienced in the jurisdiction in which the District is located, and is not greater than the lesser of the actual cost of construction or the fair market value of such infrastructure;
- all of the improvements comprising the CIP are required by applicable development approvals issued pursuant to Section 380.06, Florida Statutes;
- the CIP is feasible to construct, there are no technical reasons existing at this time that would prevent the implementation of the CIP, and it is reasonable to assume that all necessary regulatory approvals will be obtained in due course; and
- the assessable property within the District will receive a special benefit from the CIP that is at least equal to such costs.

Also, the CIP will constitute a system of improvements that will provide benefits, both general, and special and peculiar, to all lands within the District. The general public, property owners, and property outside the District will benefit from the provisions of the District's CIP; however, these are incidental to the District's CIP, which is designed solely to provide special benefits peculiar to property within the District. Special and peculiar benefits accrue to property within the District and enables properties within its boundaries to be developed.

The CIP will be owned by the District or other governmental units, except as otherwise allowed by law. All of the CIP is or will be located on lands owned or to be owned by the District or another governmental entity or on perpetual easements in favor of the District or other governmental entity. The CIP, and any cost estimates set forth herein, do not include any earthwork, grading or other improvements on private lots or property without access pursuant to a perpetual easement. The District will pay the lesser of the cost of the components of the CIP or the fair market value.

Please note that the CIP as presented herein is based on current plans and market conditions which are subject to change. Accordingly, the CIP, as used herein, refers to sufficient public infrastructure of the

kinds described herein (i.e., stormwater/floodplain management, sanitary sewer, potable water, etc.) to support the development and sale of the planned residential units in the District, which (subject to true-up determinations) number and type of units may be changed with the development of the site. Stated differently, during development and implementation of the public infrastructure improvements as described for the District, it may be necessary to make modifications and/or deviations for the plans, and the District expressly reserves the right to do so.

NOTE: All units are subject to conversion to other types, as permitted by applicable development approvals. Additional units, unit types and land uses may be incorporated in the future as permitted by applicable development approvals

List of Assessment Area One Project Improvements

All the improvements comprising the AA1 Project are master infrastructure improvements and part of the overall CIP system of improvements necessary to develop the District, including Assessment Area One. Such improvements are described in detail in the Master Report, which descriptions are incorporated herein by reference. The Assessment Area One Project includes the following master infrastructure improvements:

- Master Public Sitework & Storm Drainage
- Public Roadways relating to the Spine Road (Summerland Drive), including both inside and outside soft gates
- Master Water and Wastewater Utilities within the Spine Road
- Off-Site Improvements – Water and Sewer Utilities within CR 48

¹ All capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Master Report.

- Off-Site Improvements – CR 48 Turn Lanes
- Off-Site Sewer Capacity/CIAC Fees
- Off-Site Water Capacity Fees
- Differential Cost of Undergrounding Conduit within Spine Road

Included as a part of the AA1 Project’s master public sitework stormwater system improvements is the mass grading of all lands within the District which is necessary for the establishment of the site-wide drainage and stormwater management system.

Permits

All permits and approvals necessary for the development of the AA1 Project have been obtained or are reasonably expected to be obtained in due course and are the same as those listed in the Master Report. Please refer to the Master Report for specific permits required and obtained.

Estimated Costs / Benefits

The table below shows the estimated costs for the Assessment Area One Project. It is our professional opinion that the costs set forth below are reasonable and consistent with market pricing. Ownership and maintenance responsibilities are outlined in the exhibit included with the Master Report.

Assessment Area One Project

Improvements	Estimated Cost
Public Sitework & Storm Drainage	\$8,088,038
Internal Public Roadways (Inside Gates)	\$1,334,824

Public Roadways (Outside Gates)	\$1,689,123
Off-Site Improvements - Turn Lanes	\$232,053
Off-Site Sewer Capacity/CIAC	\$3,000,000
Off-Site Water Capacity	\$1,800,000
Differential Cost of Undergrounding Conduit	\$250,000
Total:	\$19,769,571

- The probable costs estimated herein do not include anticipated carrying cost, interest reserves or other anticipated CDD expenditures that may be incurred.
- The developer reserves the right to finance any of the improvements outlined above, and have such improvements owned and maintained by a property owner’s or homeowner’s association, in which case such items would not be part of the CIP.
- The District may enter into an agreement with a third-party, or an applicable property owner’s or homeowner’s association, to maintain any District-owned improvements, subject to the approval of the District’s bond counsel.

3. CONCLUSION

The Assessment Area One Project has been designed in accordance with current governmental regulations and requirements. The Assessment Area One Project will serve its intended function, and the completed construction facilities are in substantial compliance with the design.

It is further our opinion that:

- the estimated cost of the AA1 Project as set forth herein is reasonable based on prices currently being experienced in the jurisdiction in which the District is located, and is not greater than the lesser of the actual cost of construction or the fair market value of such infrastructure;
- all of the improvements comprising the CIP, including the AA1 Project, are required by applicable development approvals issued pursuant to Section 380.06, Florida Statutes;
- the AA1 Project is feasible to construct, there are no technical reasons existing at this time that would prevent the implementation of the AA1 Project, and it is reasonable to assume that all necessary regulatory approvals will be obtained in due course;
- the AA1 Project functions as part of the CIP's overall system of improvements, as noted herein; and
- the assessable property within Assessment Area One will receive a special benefit from the AA1 Project that is at least equal to the costs of the AA1 Project.

As described above, this report identifies the benefits from the AA1 Project to the lands within Assessment Area One. The general public, property owners and property outside the District will benefit from the provisions of the District's AA1 Project; however, these are incidental to the District's 2026 Project, which is designed solely to provide special benefits peculiar to certain property within the District.

The AA1 Project will be owned by the District or other governmental units, except as otherwise allowed by law. Such 2026 Project is intended to be available and, subject to the District's rules and policies, will reasonably be available for use by the general public (either by being part of a system of improvements that is available to the general public or is otherwise available to the general public) including nonresidents of the District. All of the AA1 Project is or will be located on lands owned or to be owned by the District or another governmental entity or on perpetual easements in favor of the District or other governmental entity. The AA1 Project, and any cost estimates set forth herein, do not include any detailed earthwork, grading or other improvements on private lots or property or any paving and base used in private roads. Any fill generated by construction of the AA1 Project that is not used as part of the AA1 Project may only be placed on-site where the cost of doing so is less expensive than hauling such fill off-site.

Please note that the AA1 Project as presented herein is based on current plans and market conditions which are subject to change. Accordingly, the 2026 Project, as used herein, refers to sufficient public infrastructure of the kinds described herein (i.e., stormwater/floodplain management) to support the development and sale of the planned residential units in the District, which (subject to true-up

determinations) number and type of units may be changed with the development of the site. Stated differently, during development and implementation of the public infrastructure improvements as described for the District, it may be necessary to make modifications and/or deviations for the plans, and the District expressly reserves the right to do so.

ARTICLE II FORM, EXECUTION, DELIVERY AND DESIGNATION OF BONDS

Section 201. Issuance of Bonds. For the purpose of providing funds for paying all or part of the Cost of a Series Project, Bonds of a Series, without limitation as to aggregate principal amount, may be issued under this Master Indenture subject to the conditions hereinafter provided in Section 207 hereof. Debt Service on each Series of Bonds shall be payable solely from the Pledged Revenues and Pledged Funds pledged to such Series of Bonds in the Supplemental Indenture authorizing the issuance of such Series of Bonds and, as may be provided in such Supplemental Indenture, all of the provisions of this Master Indenture shall be for the benefit and security of the present and future Owners of such Series of Bonds so issued, without preference, priority or distinction, as to lien or otherwise, of any one Bond of such Series over any other Bond of such Series. The District may also issue from time to time, Additional Bonds, Completion Bonds and Refunding Bonds of a Series under and pursuant to the terms of the Supplemental Indenture authorizing the issuance of such Series of Bonds.

cease to be such officer before the delivery of such Bond, such signature or such facsimile shall nevertheless be valid for all purposes the same as if he or she had remained in office until such delivery. Any Bond may bear the facsimile signature of, or may be signed by, such persons as at the actual time of the execution of such Bond shall be proper officers to execute such Bond although at the date of such Bond such persons may not have been such officers. The Bonds, and the provisions for registration and reconversion to be endorsed on such Bonds, shall be substantially in the form set forth in a Supplemental Indenture. The Trustee may appoint one or more authenticating agents.

Section 204. Negotiability, Registration and Transfer of Bonds. The District shall cause books for the registration and for the transfer of the Bonds as provided in this Master Indenture to be kept by the Bond Registrar. All Bonds shall be registered as to both principal and interest. Any Bond may be transferred only upon an assignment duly executed by the registered Owner or his attorney or legal representative in such form as shall be satisfactory to the Bond Registrar, such transfer to be made on such books and endorsed on the Bond by the Bond Registrar. No charge shall be made to any Owner for registration and transfer as hereinabove provided, but any Owner requesting any such registration or transfer shall pay any tax or other governmental charge required to be paid with respect thereto. The Bond Registrar shall not be required to transfer any Bond during the period between the Record Date and the Interest Payment Date next succeeding the Record Date of such Bond, during the period between the Record Date for the mailing of a notice of redemption and the date of such mailing, nor after such Bond has been selected for redemption. The Bonds shall be and have all the qualities and incidents of negotiable instruments under the laws of the State, and each successive Owner, in accepting any of the Bonds, shall be conclusively deemed to have agreed that such Bonds shall be and have all of the qualities and incidents of negotiable instruments under the laws of the State.

Section 205. Ownership of Bonds. The person in whose name any Bond shall be registered shall be deemed the absolute Owner thereof for all purposes, and payment of Debt Service shall be made only to or upon the order of the registered Owner thereof or his attorney or legal representative as herein provided. All such payments shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid. The Trustee, the District, the Bond Registrar and the Paying Agent may deem and treat the registered Owner of any Bond as the absolute Owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment thereof and for all other purposes whatsoever, and neither the Trustee, the District, the Bond Registrar nor the Paying Agent shall be affected by any notice to the contrary.

Section 206. Special Obligations. Each Series of Bonds shall be a special and direct obligation of the District. Neither the Bonds nor the interest and premium, if any, payable thereon shall constitute a general obligation or general indebtedness

19

of the District within the meaning of the Constitution and laws of the State. The Bonds and the interest and premium, if any, payable thereon do not constitute either a pledge of the full faith and credit of the District or a lien upon any property of the District other than as provided herein or in the Supplemental Indenture authorizing the issuance of such Series of Bonds. No Owner or any other person shall ever have the right to compel the exercise of any ad valorem taxing power of the District or any other public authority or governmental body to pay Debt Service or to pay any other amounts required to be paid pursuant to this Master Indenture, any Supplemental Indenture, or the Bonds. Rather, Debt Service and any other amounts required to be paid pursuant to this Master Indenture, any Supplemental Indenture, or the Bonds, shall be payable solely from, and shall be secured solely by, the Series Pledged Revenues and the Series Pledged Funds pledged to such Series of Bonds, all as provided herein and in such Supplemental Indenture.

Section 207. Authorization of Bonds.

(a) There shall be issued from time to time in Series, under and secured by this Master Indenture, Bonds without limitation as to aggregate principal amount for the purposes of:

(i) paying all or part of the Cost of a Series Project or Series Projects or refunding a Series of Bonds or any portion thereof then Outstanding; and

(ii) depositing the Series Reserve Account Requirement to the Series Reserve Account for such Series of Bonds.

(b) Each Series of Bonds, upon initial issuance thereof, shall be executed by the District for delivery to the Trustee and thereupon shall be authenticated by the Trustee and delivered to the District or upon its order, but only upon the further receipt by the Trustee of the following:

(i) an executed and attested original or certified copy of this Master Indenture;

(ii) an executed and attested original or certified copy of the Supplemental Indenture fixing the amount of and security for the Series of Bonds authorized to be issued thereby and establishing, among other things, the dates on which, and the amounts in which, such Series of Bonds will mature (provided that the final maturity date of such Series of Bonds shall be not later than permitted by the Act with respect to such Series of Bonds), designating the Paying Agent and Bond Registrar, fixing the Amortization Installments, if any, for the Term Bonds of such Series, awarding the Series of Bonds, specifying the interest rates or the method for calculating such interest rates with respect to such Series of Bonds, specifying the redemption provisions and prices thereupon, specifying other details of such Series of Bonds, and directing the delivery of such Series of Bonds to or upon the order

20

premium) of each Series of Bonds shall be applied as soon as practicable upon delivery thereof to the Trustee as follows:

(i) the amount received as accrued interest on the Bonds, if any, shall be deposited to the credit of the Series Interest Account and Capitalized Interest, if any, shall be deposited to the credit of the Series Capitalized Interest Account;

(ii) an amount equal to the Series Reserve Account Requirement or the initial cost of satisfying the Series Reserve Account Requirement if not satisfied by the deposit of cash, shall be deposited to the credit of the Series Reserve Account; and

(iii) the balance shall be deposited and applied as provided for in the Supplemental Indenture authorizing the issuance of such Series of Bonds.

Section 208. Mutilated, Destroyed or Lost Bonds. If any Bonds become mutilated, destroyed or lost, the District may cause to be executed and delivered a new Bond in substitution therefor upon the cancellation of such mutilated Bond or in lieu of and in substitution for such Bond destroyed or lost, and upon payment by the Owner of the reasonable expenses and charges of the District and the Trustee in connection therewith and, in the case of a Bond destroyed or lost, upon the Owner filing with the Trustee evidence satisfactory to it that such Bond was destroyed or lost and of his or her ownership thereof, and upon furnishing the District and the Trustee with indemnity satisfactory to them.

Section 209. Parity Obligations Under Credit Agreements. As may be provided for or required in any Supplemental Indenture, the District may incur financial obligations under a Letter of Credit Agreement or a Liquidity Agreement payable on parity with respect to the lien on the Trust Estate pledged to a Series of Bonds issued under this Master Indenture and a Supplemental Indenture, without meeting any financial test or requirement set forth in this Master Indenture or the corresponding Supplemental Indenture, but only if the Letter of Credit Agreement or Liquidity Agreement supports a related Series of Bonds then being issued which does meet such tests or requirements.

Section 210. Bond Anticipation Notes. Whenever the District shall authorize the issuance of a Series of Bonds, the District may by resolution authorize the issuance of Bond Anticipation Notes in anticipation of the sale of such authorized Series of Bonds in a principal amount not exceeding the principal amount of such Series of Bonds. The aggregate principal amount of Bonds of such Series and all other Bonds previously authenticated and delivered to pay the Cost of the Series Project or Series Projects for which the proceeds of the Bond Anticipation Notes will be applied shall not exceed such Cost. The interest on such Bond Anticipation Notes may be payable out of the related Series Interest Account to the extent provided in the

22

of the initial purchaser thereof upon payment of the purchase price therefor set forth in such Supplemental Indenture;

(iii) an opinion of counsel for the District substantially to the effect that the signer is of the opinion that this Master Indenture and the Supplemental Indenture relating to such Series of Bonds have been duly and validly authorized in accordance with the terms hereof and of the Act, and have been duly approved and adopted, that the issuance of such Series of Bonds has been duly authorized, that this Master Indenture and the Supplemental Indenture constitute binding obligations of the District, enforceable against the District in accordance with their terms except as enforcement thereof may be affected by bankruptcy and other similar laws relating to creditor's rights generally and subject to equitable principles, whether in a proceeding at law or in equity, and, if such Series of Bonds is secured by all or a portion of the Assessments, that such Assessments so pledged are legal, valid, and binding liens upon the property against which such Assessments are assessed, coequal with the lien of all State, County and municipal ad valorem taxes and superior in dignity to all other liens, titles and claims against said property then existing or thereafter created, until paid; and

(iv) an opinion of Bond Counsel for the District substantially to the effect that the signer is of the opinion that the Bonds of such Series are valid, binding and enforceable obligations of the District and, if such Series of Bonds are Tax-Exempt Bonds, that interest thereon is excludable from gross income of the Owners under the income tax laws of the United States in effect on the date such Series of Bonds are delivered to the initial purchasers.

Execution of a Series of Bonds by the District shall be conclusive evidence of satisfaction of the conditions precedent set forth in this Section 207(b) as to the District and payment to the Trustee of the initial purchase price for a Series of Bonds shall be conclusive evidence of satisfaction of the conditions precedent set forth in this Section 207(b) as to the underwriter of such Series of Bonds.

The Trustee shall be provided with reliance letters with respect to the opinions required in paragraphs (iii) and (iv) above. When the documents mentioned in subsections (i) through (iv) above shall have been received, and when the Bonds of such Series shall have been executed and authenticated as required by this Master Indenture, such Series of Bonds shall be delivered to, or upon the order of, the District, but only upon payment to the Trustee of the purchase price of such Series of Bonds, together with accrued interest, if any, thereon as set forth in a certificate of delivery and payment executed by the Chairman of the District.

(c) To the extent not set forth in the Supplemental Indenture authorizing the issuance of a Series of Bonds, the proceeds (including accrued interest and any

resolution of the District authorizing such Bond Anticipation Notes. The principal of and interest on such Bond Anticipation Notes and renewals thereof shall be payable from any moneys of the District available therefor or from the proceeds of the sale of the Series of Bonds in anticipation of which such Bond Anticipation Notes are issued. The proceeds of sale of Bond Anticipation Notes shall be applied to the purposes for which the Bonds anticipated by such Bond Anticipation Notes are authorized and shall be deposited in the appropriate Fund or Account established by the Indenture for such purposes; provided, however, that the resolution or resolutions authorizing such Bond Anticipation Notes may provide for the payment of interest on such Bond Anticipation Notes from the proceeds of sale of such Bond Anticipation Notes and for the deposit in the related Series Capitalized Interest Account. In the event that the District adopts a resolution authorizing the issuance of Bond Anticipation Notes, the District will promptly furnish to the Trustee a copy of such resolution, certified by an Authorized Officer, together with such information with respect to such Bond Anticipation Notes as the Trustee may reasonably request, including, without limitation, information as to the paying agent or agents for such Bond Anticipation Notes. The Trustee shall have no duties or obligations to the holders of such Bond Anticipation Notes unless specifically so authorized by the resolution of the District authorizing the issuance of such Bond Anticipation Notes and unless the Trustee accepts in writing such duties and obligations.

Section 211. Tax Status of Bonds. Any Series of Bonds issued under this Master Indenture may be issued either as Tax-Exempt Bonds or Taxable Bonds. The intended tax status of any Series of Bonds to be issued may be referenced in any Supplemental Indenture authorizing the issuance of such Series of Bonds.

ARTICLE III REDEMPTION OF BONDS

Section 301. Redemption Generally. The Bonds of any Series shall be subject to redemption, either in whole on any date or in part on any Interest Payment Date, and at such times, in the manner and at such prices, as may be provided by the Supplemental Indenture authorizing the issuance of such Series of Bonds. The District shall provide written notice to the Trustee of any optional redemption on or before the forty-fifth (45th) day next preceding the date to be fixed for such optional redemption. Notwithstanding any other provision of this Master Indenture, notice of optional redemption may be conditioned upon the occurrence or non-occurrence of such event or events or upon the later deposit of moneys therefor as shall be specified in such notice of optional redemption and may also be subject to rescission by the District if expressly set forth in such notice.

Unless otherwise provided in the Supplemental Indenture relating to a Series of Bonds, if less than all of the Bonds of a Series shall be called for redemption, the particular Bonds of such Series to be redeemed shall be selected by lot in such reasonable manner as the Bond Registrar in its discretion may determine. The

23

portion of any Series of Bonds to be redeemed shall be in an Authorized Denomination and, in selecting the Bonds of such Series to be redeemed, the Bond Registrar shall treat each such Bond as representing that number of Bonds of such Series which is obtained by dividing the principal amount of such Bond by an Authorized Denomination (such amount being hereinafter referred to as the "unit of principal amount").

If it is determined that one or more, but not all, of the units of principal amount represented by any such Bond is to be called for redemption, then upon notice of intention to redeem such unit or units of principal amount as provided below, the registered Owner of such Bond, upon surrender of such Bond to the Paying Agent for payment to such registered Owner of the redemption price of the unit or units of principal amount called for redemption, shall be entitled to receive a new Bond or Bonds of such Series in the aggregate principal amount of the unredeemed balance of the principal amount of such Bond. New Bonds of such Series representing the unredeemed balance of the principal amount shall be issued to the Owner thereof without any charge therefor. If the Owner of any Bond of a denomination greater than the unit of principal amount to be redeemed shall fail to present such Bond to the Paying Agent for payment in exchange as aforesaid, such Bond shall, nevertheless, become due and payable on the date fixed for redemption to the extent of the unit or units of principal amount called for redemption.

Subject to the provisions of Section 506(b) hereof, the District may purchase a Bond or Bonds of a Series in the open market at a price no higher than the highest Redemption Price (including premium) for the Bond to be so purchased with any funds legally available therefor and any such Bonds so purchased shall be credited to the amounts otherwise required to be deposited for the payment of Bonds of such Series as provided in Section 506(b) hereof or as otherwise provided in the Supplemental Indenture relating to such Series of Bonds.

Section 302. Notice of Redemption; Procedure for Selection. The District shall establish each redemption date, other than in the case of a mandatory redemption, in which case the Trustee shall establish the redemption date, and the District or the Trustee, as the case may be, shall notify the Bond Registrar in writing of such redemption date on or before the forty-fifth (45th) day next preceding the date fixed for redemption, which notice shall set forth the terms of the redemption and the aggregate principal amount of Bonds to be redeemed. Except as otherwise provided herein, notice of redemption shall be given by the Bond Registrar not less than thirty (30) nor more than forty-five (45) days prior to the date fixed for redemption by first-class mail, postage prepaid, to any Paying Agent for the Bonds to be redeemed and to the registered Owner of each Bond to be redeemed, at the address of such registered Owner on the registration books of the District maintained by the Bond Registrar (and, for any Owner of \$1,000,000 or more in principal amount of Bonds, to one additional address if written request therefor is provided to the Bond Registrar prior to the Record Date); and a second notice of redemption shall be sent by registered or

24

Indenture, and the Owners of such Bonds shall have no rights in respect thereof, except to receive payment of the Redemption Price thereof, and interest, if any, accrued thereon to the redemption date, and such Bonds shall no longer be deemed to be Outstanding.

Section 304. Cancellation. Bonds called for redemption shall be canceled upon the surrender thereof pursuant to the provisions of Section 511 hereof.

ARTICLE IV ACQUISITION AND CONSTRUCTION FUND

Section 401. Acquisition and Construction Fund. There is created and established by Section 502 hereof a fund designated as the "Acquisition and Construction Fund" which shall be held by the Trustee and there shall be deposited to the credit of the Series Acquisition and Construction Accounts the amounts specified in the Supplemental Indenture relating to such Series of Bonds.

Section 402. Payments from Acquisition and Construction Fund. Payments of the Cost of constructing and acquiring a Series Project shall be made from the Acquisition and Construction Fund as herein provided. All such payments shall be subject to the provisions and restrictions set forth in this Article IV and in Article V hereof, and the District covenants that it will not request any sums to be paid from the Acquisition and Construction Fund except in accordance with such provisions and restrictions. Moneys in the Acquisition and Construction Fund shall be disbursed by check, voucher, order, draft, certificate or warrant signed by any one or more officers or employees of the Trustee legally authorized to sign such items or by wire transfer to an account specified by the payee upon satisfaction of the conditions for disbursement set forth in Section 503(b) hereof.

Section 403. Cost of a Series Project. For the purposes of this Master Indenture, the Cost as it pertains to a Series Project shall include, without intending thereby to limit or to restrict or expand any proper definition of such cost under the Act, other applicable provisions of State law, or this Master Indenture, the following:

(a) **Expenses of Bond Issuance.** All expenses and fees relating to the issuance of the Bonds, including, but not limited to, initial Credit Facility or Liquidity Facility fees and costs, attorneys' fees, underwriting fees and discounts, the Trustee's acceptance fees and costs, Trustee's counsel fees and costs, rating agency fees, fees of financial advisors, engineer's fees and costs, administrative expenses of the District, the costs of preparing audits and engineering reports, the costs of preparing reports, surveys, and studies, and the costs of printing the Bonds and preliminary and final disclosure documents.

26

certified mail at such address to any Owner who has not submitted his Bond to the Paying Agent for payment on or before the date sixty (60) days following the date fixed for redemption of such Bond, in each case stating: (a) the numbers of the Bonds to be redeemed, by giving the individual certificate number of each Bond to be redeemed (or stating that all Bonds between two stated certificate numbers, both inclusive, are to be redeemed or that all of the Bonds of one or more maturities have been called for redemption); (b) the CUSIP numbers of all Bonds being redeemed; (c) in the case of a partial redemption of Bonds, the principal amount of each Bond being redeemed; (d) the date of issue of each Bond as originally issued and the complete official name of the Bonds including the Series designation; (e) the rate or rates of interest borne by each Bond being redeemed; (f) the maturity date of each Bond being redeemed; (g) the place or places where amounts due upon such redemption will be payable; and (h) the notice date, redemption date, and Redemption Price. The notice shall require that such Bonds be surrendered at the designated corporate trust office of the Paying Agent for redemption at the Redemption Price and shall state that further interest on such Bonds will not accrue from and after the redemption date; provided, however, that such presentation shall not be required while such Bonds are registered in book-entry only format. CUSIP number identification with appropriate dollar amounts for each CUSIP number also shall accompany all redemption payments.

Any required notice or redemption shall also be sent by registered mail, overnight delivery service, telecopy or other secure means, postage prepaid, to any Owner of \$1,000,000 or more in aggregate principal amount of Bonds to be redeemed, to certain municipal registered securities depositories in accordance with the then-current guidelines of the Securities and Exchange Commission, which are known to the Bond Registrar to be holding Bonds thirty-two (32) days prior to the redemption date and to at least two of the national information services that disseminate securities redemption notices in accordance with the then-current guidelines of the Securities and Exchange Commission, when possible, at least thirty (30) days prior to the redemption date; provided that neither failure to send or receive any such notice nor any defect in any notice so mailed shall affect the sufficiency of the proceedings for the redemption of such Bonds.

Failure to give notice by mailing to the Owner of any Bond designated for redemption or to any depository or information service shall not affect the validity of the proceedings for the redemption of any other Bond.

Section 303. Effect of Calling for Redemption. On the date designated for redemption of any Bonds, notice having been filed and mailed in the manner provided above, the Bonds called for redemption shall be due and payable at the Redemption Price provided for the redemption of such Bonds on such date and, moneys for payment of the Redemption Price being held in a separate account by the Paying Agent in trust for the Owners of the Bonds to be redeemed, interest on the Bonds called for redemption shall cease to be entitled to any benefit under this Master

Notwithstanding the deposit of Capitalized Interest into the related Series Capitalized Interest Account, Capitalized Interest shall also include any amount directed by the District to the Trustee in writing to be withdrawn from the related Series Acquisition and Construction Account and deposited into such Series Capitalized Interest Account, provided that such direction includes a certification that such amount represents earnings on amounts on deposit in the related Series Acquisition and Construction Account and that, after such deposit, the amount on deposit in such Series Acquisition and Construction Account, together with earnings thereon, will be sufficient to pay for the Costs of the related Series Project which are to be funded from such Series Acquisition and Construction Account, other than those Costs that have already been paid from such Series Acquisition and Construction Account, if any.

(c) **Acquisition Expenses.** The costs of acquiring, by purchase, donation or condemnation, all of the land, structures, improvements, rights-of-way, franchises, easements, plans and specifications and similar items and other interests in property, whether real or personal, tangible or intangible, which themselves constitute a Series Project or which are necessary or convenient to acquire, install and construct a Series Project and payments, contributions, dedications, taxes, assessments or permit fees or costs and any other exactions required as a condition to receive any government approval or permit necessary to accomplish any District purpose.

(e) Rebate Fund, and within such Fund there may be established by Supplemental Indenture authorizing a Series of Bonds a separate Series Rebate Account for each such Series of Tax-Exempt Bonds issued hereunder.

(a) **Principal, Maturity Amount, Interest and Amortization Installments.** Except as otherwise provided in a Supplemental Indenture, on the Business Day preceding each Interest Payment Date on the Bonds, the Trustee shall withdraw from the Series Revenue Account and, from the amount so withdrawn, shall make the following deposits in the following order of priority:

(i) to the related Series Interest Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the amount of interest payable on the Bonds of such Series on such Interest Payment Date;

(ii) to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the principal amount, if any, payable with respect to Serial Bonds of such Series on such Interest Payment Date;

(iii) in each Bond Year in which Term Bonds of such Series are subject to mandatory redemption from Amortization Installments, to the related Series Sinking Fund Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the Amortization Installment payable on the Term Bonds of such Series on such Interest Payment Date;

(iv) in each Bond Year in which Capital Appreciation Bonds of such Series mature, to the related Series Principal Account, an amount which, together with other amounts, if any, then on deposit therein, will equal the Maturity Amount payable with respect to the Capital Appreciation Bonds of such Series maturing on such Interest Payment Date;

(v) to the Series Reserve Account, an amount, if any, which, together with other amounts, if any, then on deposit therein, will equal the Series Reserve Account Requirement; and

(vi) to the Series Rebate Account, the Rebate Amount, if any, required to be deposited therein pursuant to the Supplemental Indenture related to a Series of Tax-Exempt Bonds.

Notwithstanding the foregoing, so long as there are moneys on deposit in the related Series Capitalized Interest Account on the date required for any transfer into the Series Interest Account as set forth above, the Trustee shall, prior to making any transfer into the related Series Interest Account from the related Series Revenue Account, transfer to the related Series Interest Account from the related Series Capitalized Interest Account, the lesser of the interest on such Series of Bonds coming due on the next succeeding Interest Payment Date or the amount remaining on deposit in the related Series Capitalized Interest Account.

(b) **Disposition of Remaining Amounts on Deposit in Series Revenue Account.** The District shall authorize the withdrawal, from time to time, from the Series Revenue Account an amount sufficient to pay the fees and charges of the Trustee, Bond Registrar, and Paying Agent, when due. Subject to the provisions of Section 604 hereof, if (i) the amount on deposit in the Series Interest Account, Series Principal Account, Series Sinking Fund Account and Series Redemption Account in each Bond Year equals the interest payable on the Bonds of such Series in such Bond Year, the principal amount of all Serial Bonds payable in such Bond Year, the

(f) **Payment to the District.** When no Bonds of a Series remain Outstanding, and after all expenses and charges herein and in the related Supplemental Indenture required to be paid have been paid as certified to the Trustee in writing by an Authorized Officer, and after all amounts due and owing to the Trustee have been paid in full, the Trustee shall pay any balance in the Accounts for such Series of Bonds to the District upon the written direction of an Authorized Officer, free and clear of any lien and pledge created by this Master Indenture; provided, however, that if an Event of Default has occurred and is continuing in the payment of the principal or Maturity Amount of, or interest or premium on the Bonds of any other Series, the Trustee shall pay over and apply any such excess pro rata (based upon the ratio of the aggregate principal amount of such Series of Bonds to the aggregate principal amount of all Series of Bonds then Outstanding and for which such an Event of Default has occurred and is continuing) to each other Series of Bonds for which such an Event of Default has occurred and is continuing.

Section 506. Optional Redemption.

(a) **Excess Amounts in Series Redemption Account.** The Trustee shall, but only at the written direction of an Authorized Officer on or prior to the forty-fifth (45th) day preceding the date of redemption, call for redemption on each Interest Payment Date on which Bonds are subject to optional redemption, from moneys on deposit in a Series Redemption Account such amount of Authorized Denominations of Bonds of such Series then subject to optional redemption as, with the redemption premium, if any, will exhaust such amount as nearly as may be practicable. Such redemption shall be made pursuant to the provisions of Article III hereof. The District shall pay all expenses incurred by the Trustee and Paying Agent in connection with such redemption.

(b) **Purchase of Bonds of a Series.** The District may purchase Bonds of a Series then Outstanding at any time, whether or not such Bonds shall then be subject to redemption, at the most advantageous price obtainable with reasonable diligence, having regard to maturity, option to redeem, rate and price, such price not to exceed the principal of such Bonds plus the amount of the premium, if any, which would be payable on the next redemption date to the Owners of such Bonds under the provisions of this Master Indenture and the Supplemental Indenture pursuant to which such Series of Bonds was issued if such Bonds were called for redemption on such date. Before making each such purchase, the District shall file with the Trustee a statement in writing directing the Trustee to pay the purchase price of the Bonds of such Series so purchased upon their delivery and cancellation, which statement shall set forth a description of such Bonds, the purchase price to be paid therefor, the name of the seller, and the place of delivery of the Bonds. The Trustee shall pay the interest accrued on such Bonds to the date of delivery thereof from the related Series Interest Account and the principal portion of the purchase price of Serial Bonds from the related Series Principal Account, but no such purchase shall be made after the Record Date in any Bond Year in which Bonds have been called for redemption. To

Maturity Amount of all Capital Appreciation Bonds due in such Bond Year and the Amortization Installments required to be paid in such Bond Year, and (ii) any amounts remain in the Series Revenue Account on November 2 of such Bond Year, then such amounts shall, at the written direction of the District, be applied to pay the commissions, fees, costs and any other charges of the Tax Collector and the Property Appraiser or, if such commissions, fees, costs, or other charges have been paid by the District, then to reimburse the District for such payment upon written request of an Authorized Officer. If, after such amounts have been withdrawn, paid and provided for as provided above, any amounts remain in the Series Revenue Account, such amounts shall be disbursed to the District on written request of an Authorized Officer and applied to pay the operating and administrative costs and expenses of the District. After making the payments provided for in this subsection (b), the balance, if any, remaining in the Series Revenue Account shall be retained therein or, at the written direction of an Authorized Officer to the Trustee, transferred into the Series Prepayment Subaccount of the Series Redemption Account. Upon the occurrence and continuance of an Event of Default hereunder, the foregoing transfer to the Series Prepayment Subaccount shall not be made.

(c) **Series Reserve Account.** Except as otherwise provided for herein or in a Supplemental Indenture, moneys held for the credit of a Series Reserve Account shall be used for the purpose of paying interest or principal or Amortization Installment or Maturity Amount on the Bonds of the related Series whenever amounts on deposit in the Series Debt Service Account shall be insufficient for such purpose.

(d) **Series Debt Service Account.** Moneys held for the credit of a Series Interest Account, Series Principal Account and Series Sinking Fund Account in a Series Debt Service Account shall be withdrawn therefrom by the Trustee and transferred by the Trustee to the Paying Agent in amounts and at times sufficient to pay, when due, the interest on the Bonds of such Series, the principal of Serial Bonds of such Series, the Maturity Amount of Capital Appreciation Bonds of such Series and the Amortization Installments of Term Bonds of such Series, as the case may be.

(e) **Series Redemption Account.** Moneys representing Prepayments on deposit in a Series Prepayment Subaccount to the full extent of a multiple of an Authorized Denomination shall, unless otherwise provided in the Supplemental Indenture relating to such Series of Bonds, be used by the Trustee to redeem Bonds of such Series on the earliest date on which such Bonds are permitted to be called without payment of premium by the terms hereof (including extraordinary mandatory redemption) and of the Supplemental Indenture relating to such Series of Bonds. Such redemption shall be made pursuant to the provisions of Article III hereof. The District shall pay all expenses incurred by the Trustee and Paying Agent in connection with such redemption. Moneys other than from Prepayments shall be held and applied in a Series Redemption Account as provided in Section 506(a) hereof.

33

the extent that insufficient moneys are on deposit in a related Series Interest Account to pay the accrued interest portion of the purchase price of any Bonds or in a related Series Principal Account to pay the principal amount of the purchase price of any Serial Bond, the Trustee shall transfer into such Accounts from the related Series Revenue Account sufficient moneys to pay such respective amounts. In the event that there are insufficient moneys on deposit in the related Series Sinking Fund Account with which to pay the principal portion of the purchase price of any Term Bonds, the Trustee may, at the written direction of the District, transfer moneys into such related Series Sinking Fund Account from the related Series Revenue Account to pay the principal amount of such purchase price, but only in an amount no greater than the Amortization Installment related to such Series of Bonds coming due in the current Bond Year calculated after giving effect to any other purchases of Term Bonds during such Bond Year. The Trustee may pay the principal portion of the purchase price of Bonds from the related Series Redemption Account, but only upon delivery of written instructions from an Authorized Officer of the District to the Trustee accompanied by a certificate of an Authorized Officer: (A) stating that sufficient moneys are on deposit in the Series Redemption Account to pay the purchase price of such Bonds; (B) setting forth the amounts and maturities of Bonds of such Series which are to be redeemed from such amounts; and (C) containing cash flows which demonstrate that, after giving effect to the purchase of Bonds in the amounts and maturities set forth in clause (B) above, the Pledged Revenues to be received by the District in the current and each succeeding Bond Year will be sufficient to pay the principal, Maturity Amount and Amortization Installments of and interest on all Bonds of such Series. The Trustee may pay the principal portion of the purchase price of any Term Bonds from the related Series Sinking Fund Account, but only Term Bonds of a maturity having Amortization Installments in the current Bond Year and in the principal amount no greater than the Amortization Installment related to such Series of Bonds coming due in the current Bond Year (calculated after giving effect to any other purchases of Term Bonds during such Bond Year). The Trustee may pay the principal portion of the purchase price of Term Bonds having maturities different from or in amounts greater than set forth in the preceding sentence from amounts on deposit in the related Series Sinking Fund Account and the Trustee may transfer moneys from the related Series Revenue Account to the related Series Sinking Fund Account for such purpose, but only upon delivery of written instructions from an Authorized Officer to the Trustee accompanied by a certificate of an Authorized Officer: (X) stating that sufficient moneys are on deposit in the Series Sinking Fund Account, after giving effect to any transfers from the related Series Revenue Account, to pay the principal portion of the purchase price of such Term Bonds; (Y) setting forth the amounts and maturities of Term Bonds of such Series which are to be redeemed from such amounts and the Amortization Installments against which the principal amount of such purchases are to be credited; and (Z) containing cash flows which demonstrate that, after giving effect to the purchase of Term Bonds in the amounts and having the maturities and with the credits against Amortization Installments set forth in clause (Y) above and any transfers from the related Series

Revenue Account, the Pledged Revenues to be received by the District in the current and in each succeeding Bond Year will be sufficient to pay the principal, Maturity Amount and Amortization Installments of and interest on all Bonds of such Series. If any Bonds are purchased pursuant to this subsection (b), the principal amount of the Bonds so purchased shall be credited as follows:

(i) if the Bonds are to be purchased from amounts on deposit in the Series Prepayment Subaccount of a Series Redemption Account, against the principal coming due or Amortization Installments set forth in the certificate of the Authorized Officer accompanying the direction of the District to effect such purchase; or

(ii) if the Bonds are Term Bonds of a Series, against the Amortization Installments for Bonds of such Series first coming due in the current Bond Year or, if such Term Bonds so purchased are to be credited against Amortization Installments coming due in any succeeding Bond Year, against the Amortization Installments on Term Bonds of such Series maturing on the same date and designated in the certificate of the Authorized Officer accompanying the direction of the District to effect such purchase; or

(iii) against the principal or Maturity Amount of Serial Bonds coming due on the maturity date of such Serial Bonds.

Section 507. Rebate Fund.

(a) **Creation.** There is created and established by Section 502 hereof a Rebate Fund, and within the Rebate Fund a Series Rebate Account for each Series of Tax-Exempt Bonds. Moneys deposited and held in the Rebate Fund shall not be subject to the pledge of this Master Indenture.

(b) **Payment to United States.** The Trustee shall pay to the District, upon written request of the District, the Rebate Amount required to be paid to the United States at the times, in the manner and as calculated in accordance with the Supplemental Indenture related to a Series of Tax-Exempt Bonds. The Trustee shall have no responsibility for computation of the Rebate Amount and instead the District shall cause the Rebate Amount to be calculated by the Rebate Analyst and shall cause the Rebate Analyst to deliver such computation to the Trustee as provided in the Supplemental Indenture related to a Series of Tax-Exempt Bonds but before the date of any required payment of the Rebate Amount to the Internal Revenue Service. The fees of, and expenses incurred by, the Rebate Analyst in computing the Rebate Amount shall be paid by the District, which amount shall be treated as administrative and operating expenses of the District payable or reimbursable from the Series Revenue Account in accordance with Section 505(b) hereof.

(c) **Deficiencies.** If the Trustee does not have on deposit in the Series Rebate Account sufficient amounts to make the payments required by this Section

written direction of an Authorized Officer) or for failure to achieve the maximum possible earnings on investments. The Trustee shall have no obligation to invest funds without written direction from an Authorized Officer.

(d) **Valuation.** In computing the value of the assets of any Fund or Account, investments and earnings thereon shall be deemed a part thereof. The Trustee shall value the assets in each of the Funds and Accounts established hereunder as of September 30 of each Fiscal Year, and as soon as practicable after each such valuation date (but no later than ten (10) days after each such valuation date) shall provide the District a report of the status of each Fund and Account as of the valuation date. For the purpose of determining the amount on deposit to the credit of any Fund or Account established hereunder, with the exception of a Series Reserve Account, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the Redemption Price thereof, to the extent that any such obligation is then redeemable at the option of the holder. For the purpose of determining the amount on deposit to the credit of a Series Reserve Account, obligations in which money in such Account shall have been invested shall be valued at par, if purchased at par, or at amortized cost, if purchased at other than par, plus, in each case, accrued interest. Amortized cost, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of days remaining to maturity on such obligation at the date of such purchase and by multiplying the amount thus calculated by the number of days having passed since such purchase; and (i) in the case of an obligation purchased at a premium by deducting the product thus obtained from the purchase price, and (ii) in the case of an obligation purchased at a discount by adding the product thus obtained to the purchase price.

Section 509. Deficiencies and Surpluses in Funds and Accounts. For purposes of this Section 509, (a) a "deficiency" shall mean, in the case of a Series Reserve Account, that the amount on deposit therein is less than the Series Reserve Account Requirement (but only after the Bond Year in which the amount on deposit therein first equals the Series Reserve Account Requirement), and (b) a "surplus" shall mean in the case of a Series Reserve Account, that the amount on deposit therein is in excess of the Series Reserve Account Requirement.

At the time of any withdrawal from a Series Reserve Account that results in a deficiency therein, the Trustee shall promptly notify the District of the amount of any such deficiency and the Trustee shall withdraw the amount of such deficiency from the related Series Revenue Account and, if amounts on deposit therein are insufficient therefore, the District shall pay the amount of such deficiency to the Trustee, for deposit in such Series Reserve Account, from the first legally available sources of the District.

38

507, the District shall pay, from any legally available source, the amount of any such deficiency to the United States as provided in paragraph (b) above. The Trustee shall have no duty to pay such deficiency from its own funds.

(d) **Survival.** The covenants and agreements of the District in this Section 507 and Section 809, and any additional covenants related to compliance with provisions necessary in order to preserve the exclusion of interest on the Tax-Exempt Bonds of a Series from gross income for federal income tax purposes shall survive the defeasance of the Bonds of such Series in accordance with Article XII hereof.

Section 508. Investment of Funds and Accounts. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, moneys held for the credit of the Accounts for such Series of Bonds shall be invested as hereinafter in this Section 508 provided.

(a) **Series Acquisition and Construction Account, Series Revenue Account and Series Debt Service Account.** Moneys held for the credit of a Series Acquisition and Construction Account, a Series Revenue Account, and a Series Debt Service Account shall, as nearly as may be practicable, be continuously invested and reinvested by the Trustee in Investment Obligations as directed in writing by an Authorized Officer, which Investment Obligations shall mature, or shall be subject to redemption by the holder thereof at the option of such holder, not later than the respective dates, as estimated by an Authorized Officer, when moneys held for the credit of each such Account will be required for the purposes intended.

(b) **Series Reserve Account.** Moneys held for the credit of a Series Reserve Account shall be continuously invested and reinvested by the Trustee in Investment Obligations as directed in writing by an Authorized Officer.

(c) **Investment Obligations as a Part of Funds and Accounts.** Investment Obligations purchased as an investment of moneys in any Fund or Account shall be deemed at all times to be a part of such Fund or Account, and the interest accruing thereon and profit realized from such investment shall be credited as provided in Section 510 hereof. Any loss resulting from such investment shall be charged to such Fund or Account. The foregoing notwithstanding, for purposes of investment and to the extent permitted by law, amounts on deposit in any Fund or Account may be commingled for purposes of investment, provided adequate care is taken to account for such amounts in accordance with the prior sentence. The Trustee may, upon the written direction of an Authorized Officer, transfer investments within such Funds or Accounts without being required to sell such investments. The Trustee shall sell at the best price obtainable or present for redemption any obligations so purchased whenever it shall be necessary so to do in order to provide moneys to meet any payment or transfer from any such Fund or Account. The Trustee shall not be liable or responsible for any loss resulting from any such investment or for failure to make an investment (except failure to make an investment in accordance with the

The District shall immediately pay the amount of any deficiency to the Trustee, for deposit in the Series Reserve Account, from any legally available sources of the District. The Trustee, as soon as practicable after such computation, shall deposit any surplus, at the direction of an Authorized Officer, to the credit of the Series Revenue Account, or as otherwise provided in the related Supplemental Indenture.

Section 510. Investment Income. Unless otherwise provided in a Supplemental Indenture, earnings on Investments in a Series Acquisition and Construction Account, a Series Interest Account, a Series Capitalized Interest Account and a Series Revenue Account shall be retained, as realized, to the credit of such Account and used for the purpose of such Account. Unless otherwise provided in a Supplemental Indenture, earnings on investments in the Funds and Accounts other than a Series Reserve Account and other than as set forth above shall be deposited, as realized, to the credit of such Series Revenue Account and used for the purpose of such Account.

Earnings on investments in a Series Reserve Account shall, unless otherwise provided in a Supplemental Indenture, be disposed of as follows:

(a) if there was no deficiency (as defined in Section 509 above) in the Series Reserve Account as of the most recent date on which amounts on deposit in the Series Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series Reserve Account since such date, then earnings on investments in the Series Reserve Account shall be deposited to the Series Revenue Account; or

(b) if there was a deficiency (as defined in Section 509 above) in the Series Reserve Account as of the most recent date on which amounts on deposit in the Series Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series Reserve Account and have created such a deficiency, then earnings on investments in the Series Reserve Account shall be retained in the Series Reserve Account until the amount on deposit therein equals the Series Reserve Account Requirement and thereafter shall be deposited to the Series Revenue Account.

Section 511. Cancellation of Bonds. All Bonds paid, redeemed or purchased, either at or before maturity, shall be canceled upon the payment, redemption or purchase of such Bonds. All Bonds canceled under any of the provisions of this Master Indenture shall be destroyed by the Paying Agent, which shall upon request of the District execute a certificate in duplicate describing the Bonds so

destroyed. One executed certificate shall be filed with the Trustee and the other executed certificate shall be retained by the Paying Agent.

ARTICLE VI CONCERNING THE TRUSTEE

Section 601. Acceptance of Trust. The Trustee accepts and agrees to execute the trusts hereby created, but only upon the additional terms set forth in this Article VI, to all of which the parties hereto and the Owners agree. The Trustee shall have only those duties expressly set forth herein, and no duties shall be implied against the Trustee.

Section 602. No Responsibility for Recitals. The recitals, statements and representations in this Master Indenture, in any Supplemental Indenture or in the Bonds, save only the Trustee's authentication certificate, if any, upon the Bonds, have been made by the District and not by the Trustee, and the Trustee shall be under no responsibility for the correctness thereof.

Section 603. Trustee May Act Through Agents; Answerable Only for Willful Misconduct or Gross Negligence. The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers or employees, and shall be entitled to advice of counsel concerning all questions hereunder, and the Trustee shall not be answerable for the default or misconduct of any attorney, agent or employee selected by it with reasonable care. In performance of its duties hereunder, the Trustee may rely on the advice of counsel and shall not be held liable for actions taken in reliance on the advice of counsel. The Trustee shall not be answerable for the exercise of any discretion or power under this Master Indenture or any Supplemental Indenture nor for anything whatsoever in connection with the trust hereunder, except only its own gross negligence or willful misconduct.

Section 604. Compensation and Indemnity. The District shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, including the reasonable fees and expenses of Trustee's counsel, and to the extent permitted under State law shall indemnify the Trustee and hold the Trustee harmless against any liabilities which it may incur in the exercise and performance of its powers and duties hereunder except with respect to its own negligence or misconduct. The Trustee shall have no duty in connection with its responsibilities hereunder to advance its own funds nor shall the Trustee have any duty to take any action hereunder without first having received indemnification satisfactory to it. If the District defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys received or held by the Trustee under this Master Indenture or any Supplemental Indenture other than moneys from a Credit Facility or Liquidity Facility. This Section 604 shall survive termination of this Master Indenture and any Supplemental Indenture, and as to any Trustee, its resignation or removal thereof. As security for the foregoing,

Section 609. Trustee May Deal in Bonds. The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Owners may be entitled to take with like effect as if the Trustee were not a party to this Master Indenture or any Supplemental Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the District.

Section 610. Construction of Ambiguous Provision. The Trustee may construe any ambiguous or inconsistent provisions of this Master Indenture or any Supplemental Indenture and any construction by the Trustee shall be binding upon the Owners. The Trustee shall give prompt written notice to the District of any intention to make such construal.

Section 611. Resignation of Trustee. The Trustee may resign and be discharged of the trusts created by this Master Indenture by written resignation filed with the Secretary of the District not less than sixty (60) days before the date when such resignation is to take effect; provided that notice of such resignation shall be sent by first-class mail to each Owner as its name and address appears on the registration books of the District maintained by the Bond Registrar and to any Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer, at least sixty (60) days before the resignation is to take effect. Such resignation shall take effect on the day specified in the Trustee's notice of resignation unless a successor Trustee is previously appointed, in which event the resignation shall take effect immediately on the appointment of such successor; provided, however, that notwithstanding the foregoing such resignation shall not take effect until a successor Trustee has been appointed. If a successor Trustee has not been appointed within sixty (60) days after the Trustee has given its notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has been duly appointed.

Section 612. Removal of Trustee. Any Trustee hereunder may be removed at any time by an instrument appointing a successor to the Trustee so removed, upon application of the District; provided, however, that if an Event of Default has occurred hereunder and is continuing with respect to a Series of Bonds, then the Trustee hereunder may be removed only by an instrument appointing a successor to the Trustee so removed executed by the Majority Owners of the Series of Bonds as to which such Event of Default exists and filed with the Trustee and the

the District hereby grants to the Trustee a security interest in and to the amounts on deposit in all Series Funds and Accounts (other than the Rebate Fund) thereby, in effect, granting the Trustee a first charge against these moneys following an Event of Default for its fees and expenses (including legal counsel and default administration costs and expenses), subordinate and inferior to the security interest granted to the Owners of the Bonds from time to time secured thereby, but nevertheless payable in the order of priority as set forth in Section 905(a) upon the occurrence of an Event of Default.

Section 605. No Duty to Renew Insurance. The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the District to require or effect or renew insurance or to report or file claims of loss thereunder.

Section 606. Notice of Default; Right to Investigate. The Trustee shall give written notice, as soon as practicable, by first-class mail to registered Owners of Bonds of all defaults of which the Trustee has actual knowledge, unless such defaults have been remedied (the term "defaults" for purposes of this Section 606 and Section 607 being defined to include the events specified as "Events of Default" in Section 902 hereof, but not including any notice or periods of grace provided for therein) or if the Trustee, based upon the advice of counsel upon which the Trustee is entitled to rely, determines that the giving of such notice is not in the best interests of the Owners of the Bonds. The Trustee will be deemed to have actual knowledge of any payment default under this Master Indenture or under any Supplemental Indenture and after receipt of written notice thereof by a Credit Facility issuer or Liquidity Facility issuer of a default under its respective reimbursement agreement, but shall not be deemed to have actual knowledge of any other default unless notified in writing of such default by the Owners of at least twenty-five percent (25%) in aggregate principal amount of the Bonds then Outstanding and affected by such default. The Trustee may, however, at any time require of the District full information as to the performance of any covenant hereunder; and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the District, an investigation into the affairs of the District.

Section 607. Obligation to Act on Default. Before taking any action under this Master Indenture or any Supplemental Indenture in respect of an Event of Default, or any action that would require the Trustee to expend its own funds, the Trustee may require that a satisfactory indemnity bond be furnished for the reimbursement of all expenses to which it may be put and to protect it against all liability, except liability resulting from its own gross negligence or willful misconduct in connection with any such action.

Section 608. Reliance by Trustee. The Trustee may act on any requisition, resolution, notice, telegram, request, consent, waiver, opinion, certificate, statement, affidavit, voucher, bond, or other paper or document or telephone message

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Master Indenture or any Supplemental Indenture with respect to the duties and obligations of the Trustee, by any court of competent jurisdiction upon the application of the District; provided that no Event of Default has occurred hereunder and is continuing, or upon the application of the Owners of not less than twenty percent (20%) in aggregate principal amount of the Bonds then Outstanding.

Section 613. Appointment of Successor Trustee. If the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and the District shall appoint a successor and shall mail notice of such appointment, including the name and address of the applicable corporate trust office of the successor Trustee, by first-class mail to each Owner as its name and address appears on the registration books of the District maintained by the Bond Registrar, and to the Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer; provided, however, that the District shall not appoint a successor Trustee if an Event of Default has occurred and is continuing, unless the District shall have received the prior written consent, which consent shall not be unreasonably withheld, of the Majority Owners or, if there is a Credit Facility or Liquidity Facility with respect to any Series of Bonds, any Credit Facility issuer and any Liquidity Facility issuer, to the appointment of such successor Trustee. If an Event of Default has occurred hereunder and is continuing and the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and a successor may be appointed by any court of competent jurisdiction upon the application of the Owners of not less than twenty percent (20%) in aggregate principal amount of the Bonds then Outstanding and such successor Trustee shall mail notice of its appointment, including the name and address of the applicable corporate trust office of the successor Trustee, by first-class mail to each Owner as its name and address appears on the Bond Registrar, and to the Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer.

Section 614. Qualification of Successor Trustee. A successor Trustee shall be a national bank with trust powers or a bank or trust company with trust powers, having a combined net capital and surplus of at least \$50,000,000.

Section 615. Instruments of Succession. Except as provided in Section 616 hereof, any successor Trustee shall execute, acknowledge and deliver to the District an instrument accepting such appointment hereunder, and thereupon such successor Trustee, without any further act, deed, or conveyance, shall become fully

43

vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor in trust hereunder, with like effect as if originally named Trustee herein, except for the predecessor's rights under Section 604 hereof. After withholding from the funds on hand any amounts owed to itself hereunder, the Trustee ceasing to act hereunder shall pay over to the successor Trustee all moneys held by it hereunder; and the Trustee ceasing to act and the District shall execute and deliver an instrument or instruments transferring to the successor Trustee all the estates, properties, rights, powers and trusts hereunder of the Trustee ceasing to act except for the rights granted under Section 604 hereof. The successor Trustee shall mail notice of its appointment, including the name and address of the applicable corporate trust office of the successor Trustee, by first-class mail to each Owner as its name and address appears on the Bond Registrar, and to the Paying Agent, Bond Registrar, any Credit Facility issuer and any Liquidity Facility issuer.

Section 616. Merger of Trustee. Any corporation, entity or purchaser into which any Trustee hereunder may be merged or with which it may be consolidated or into which all or substantially all of its corporate trust assets shall be sold or its operations conveyed, or any corporation, entity or purchaser resulting from any merger, consolidation or sale to which any Trustee hereunder shall be a party, shall be the successor Trustee under this Master Indenture, without the execution or filing of any paper or any further act on the part of the parties thereto, anything herein to the contrary notwithstanding; provided, however, that any such successor corporation, entity or purchaser continuing to act as Trustee hereunder shall meet the requirements of Section 614 hereof, and if such corporation, entity or purchaser does not meet the aforesaid requirements, a successor Trustee shall be appointed pursuant to this Article VI.

Section 617. Resignation of Paying Agent or Bond Registrar. The Paying Agent or Bond Registrar may resign and be discharged of the duties created by this Master Indenture by executing an instrument in writing resigning such duties and specifying the date when such resignation shall take effect, and filing the same with the District and the Trustee not less than sixty (60) days before the date specified in such instrument when such resignation shall take effect, and by giving written notice of such resignation mailed not less than sixty (60) days prior to such resignation date to each Owner as its name and address appear on the registration books of the District maintained by the Bond Registrar. THIRD: to the payment to the persons entitled thereto of the unpaid principal of any of the Bonds of such Series which shall have become due (other than Bonds of such Series called for redemption for the payment of which sufficient moneys are held pursuant to this Master Indenture), in the order of their due dates, with interest upon the Bonds of such Series at the rates specified therein from the dates upon which they become due to their payment date, and, if the amount available shall not be sufficient to pay in full the principal of Bonds of such Series due on any particular date, together with such interest, then to the payment first of such interest, ratably according to the amount of such interest due on such date, and then to the payment of such principal, ratably according to the amount of such principal due on such date, to the Owners of the Bonds of such Series entitled thereto without any discrimination or preference except as to any difference in the foregoing rates of interest.

(b) If the aggregate principal amount of all the Bonds of a Series shall have become due and payable in accordance with their terms or shall have been declared due and payable pursuant to the provisions of Section 903 hereof, all such moneys shall be applied first to the payment of any fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid, and then the payment of the whole amount of principal and interest then due and unpaid upon the Bonds of such Series, without preference or priority of principal or of interest or of any installment of interest over any other, or of any Bond over any other Bond of such Series, ratably, according to the amounts due respectively for principal and interest, to the persons entitled thereto without any discrimination or preference except as to any difference in the respective rates of interest specified in the Bonds of such Series.

(c) If the principal of all the Bonds of a Series shall have been declared due and payable pursuant to the provisions of Section 903 hereof, and if such declaration shall thereafter have been rescinded and annulled pursuant to the provisions of Section 903 hereof, then, if the aggregate principal amount of all of the Bonds of such Series shall later become due or be declared due and payable pursuant to the provisions of Section 903 hereof, the moneys remaining in and thereafter accruing to the related Series Revenue Fund shall be applied in accordance with subsection (b) above.

The provisions of this Section 905 are in all respects subject to the provisions of Section 901 hereof.

Whenever moneys are to be applied pursuant to this Section 905, such moneys shall be applied by the Trustee at such times as the Trustee in its sole discretion shall determine, having due regard to the amount of such moneys available for application and the likelihood of additional moneys becoming available for such application. The deposit of such moneys with the Paying Agent shall constitute proper application by the Trustee, and the Trustee shall incur no liability whatsoever to any Owner or to

58

The District covenants and agrees that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of the Indenture, the provisions for the collection of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, the provisions for the foreclosure of liens of Delinquent Assessments, including delinquent Direct Billed Operation and Maintenance Assessments, and will take such other appropriate remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Owners, from time to time, of the Bonds of a Series. Notwithstanding anything to the contrary herein, and unless otherwise directed by the Majority Owners of the Bonds of a Series and allowed pursuant to federal or State law, the District acknowledges and agrees that (y) upon failure of any property owner to pay an installment of Assessments collected directly by the District when due, that the entire Assessment on the tax parcel as to which such Delinquent Assessment appertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the District shall promptly, but in any event within 120 days, cause to be brought the necessary legal proceedings for the foreclosure of liens of Delinquent Assessments, including interest and penalties with respect to such tax parcel and (z) the foreclosure proceedings shall be prosecuted to a sale and conveyance of the property involved in said proceedings as now provided by law in suits to foreclose mortgages.

Section 905. Pro Rata Application of Funds Among Owners of a Series of Bonds. Anything in this Master Indenture to the contrary notwithstanding, if at any time the moneys in the Series Funds and Accounts shall not be sufficient to pay Debt Service on the related Series of Bonds when due, such moneys together with any moneys then available or thereafter becoming available for such purpose, whether through the exercise of the remedies provided for in this Article IX or otherwise, shall be applied as follows:

(a) Unless the aggregate principal amount of all the Bonds of such Series shall have become due and payable or shall have been declared due and payable pursuant to the provisions of Section 903 hereof, all such moneys shall be applied:

FIRST: to the payment of any then-due fees and expenses of the Trustee, including reasonable counsel fees and expenses, to the extent not otherwise paid;

SECOND: to payment to the persons entitled thereto of all installments of interest then due and payable on the Bonds of such Series, in the order in which such installments become due and payable and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any discrimination or preference except as to any difference in the rates of interest specified in the Bonds of such Series; and

57

any other person for any delay in applying any such funds, so long as the Trustee acts with reasonable diligence, having due regard to the circumstances, and ultimately applies such moneys in accordance with such provisions of this Master Indenture as may be applicable at the time of application. Whenever the Trustee shall exercise such discretion in applying such funds, it shall fix the date upon which such application is to be made and upon such date interest on the amounts of principal to be paid on such date shall cease to accrue. The Trustee shall give such notice as it may deem appropriate of the fixing of any such date and shall not be required to make payment to any Owner until such Bond shall be surrendered to him for appropriate endorsement.

Section 906. Effect of Discontinuance of Proceedings. If any proceeding taken by the Trustee or any Owner on account of any default shall have been discontinued or abandoned for any reason, then the District and the Owner shall be restored to their former positions and rights hereunder, respectively, and all rights and remedies of the Owners shall continue as though no such proceeding had been taken.

Section 907. Restriction on Individual Owner Actions. Except as provided in Section 910 below, no Owner of any Bonds of a Series shall have any right in any manner whatsoever to affect, disturb or prejudice the security of this Master Indenture or any Supplemental Indenture, or to enforce any right hereunder or thereunder except in the manner herein or therein provided, and all proceedings at law or in equity shall be instituted and maintained for the benefit of all Owners of the Bonds of such Series.

Section 908. No Remedy Exclusive. No remedy conferred upon the Trustee or the Owners is intended to be exclusive of any other remedy herein or in any Supplemental Indenture provided, and each such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or thereunder.

Section 909. Delay Not a Waiver. No delay or omission of the Trustee or any Owner to exercise any right or power accruing upon any default shall impair any such right or power or shall be construed to be a waiver of any such default or an acquiescence therein; and every power and remedy given to the Trustee and the Owners may be exercised from time to time and as often as may be deemed expedient.

Section 910. Right to Enforce Payment of Bonds. Nothing in this Article IX shall affect or impair the right of any Owner to enforce the payment of Debt Service on the Bond of which such person is the registered Owner, or the obligation of the District to pay Debt Service to the Owner at the time and place specified in such Bond.

Section 911. No Cross Default Among Series. The occurrence of an Event of Default hereunder or under any Supplemental Indenture with respect to

59

any Series of Bonds shall not constitute an Event of Default with respect to any other Series of Bonds, unless the event giving rise to the Event of Default also constitutes an Event of Default hereunder or under the Supplemental Indenture with respect to such other Series of Bonds.

Section 912. Indemnification. Other than to make proper draws under a Credit Facility, the Trustee shall be under no obligation to institute any suit or to take any remedial proceeding under this Master Indenture or any Supplemental Indenture or to enter any appearance or in any way defend in any suit in which it may be made defendant, or to advance its own money, or to take any steps in the execution of the trusts hereby created or in the enforcement of any rights and powers hereunder, until it shall be indemnified to its satisfaction against any and all costs and expenses, outlays and counsel fees and other reasonable disbursements, and against all liability. Notwithstanding the foregoing, the indemnification provided by this Section 912 shall not be applicable in cases of the Trustee's gross negligence or willful misconduct.

Section 913. Provisions Relating to Bankruptcy or Insolvency of Landowner.

(a) The provisions of this Section 913 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel, or tax parcels which are in the aggregate, subject to at least five percent (5%) of the Assessments pledged to the Bonds of a Series then Outstanding (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding").

(b) The District acknowledges and agrees that, although the Bonds of a Series were issued by the District, the Owners of the Bonds of a Series are categorically the party with the ultimate financial stake in the transaction and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving an Insolvent Taxpayer:

(i) the District hereby agrees that it shall make a reasonable attempt to timely seek to secure the written consent of the Trustee, acting at the direction of the Majority Owners of the Bonds of a Series then Outstanding, prior to making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Assessments relating to the Bonds of a Series then Outstanding, the Bonds of such Series then Outstanding or any rights of the Trustee under the Indenture (provided, however, the Majority Owners of the Bonds of such Series then Outstanding shall be deemed to have consented to the proposed action if the District does not receive a written

60

faith by the Trustee in such Proceeding or take any other action in such Proceeding, which is adverse to the Trustee's enforcement of the District's claim and rights with respect to the Assessments relating to the Bonds of a Series then Outstanding or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right to (A) file a proof of claim with respect to the Assessments pledged to the Bonds of a Series then Outstanding, (B) deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (C) defend any objection filed to said proof of claim.

The District acknowledges and agrees that it shall not be a defense to a breach of the foregoing covenants that it has acted on advice of counsel in not complying with the foregoing covenants.

(c) Nothing in this Section 913 shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for Operation and Maintenance Assessments, and the District shall be free to pursue such a claim for Operation and Maintenance Assessments in such manner as it shall deem appropriate in its sole and absolute discretion; provided, however, that such claim shall not seek to reduce the amount or receipt of Assessments. Any actions taken by the District in pursuance of its claim for Operation and Maintenance Assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Assessments relating to the Bonds of a Series then Outstanding whether such claim is pursued by the District or the Trustee; provided, however, that the District shall not oppose any relief sought by the Trustee under the authority granted to the Trustee in clause (b)(iv) above.

**ARTICLE X
EXECUTION OF INSTRUMENTS BY OWNERS AND PROOF OF
OWNERSHIP OF BONDS**

Section 1001. Execution of Instruments by Owners and Proof of Ownership of Bonds. Any request, direction, consent or other instrument in writing required or permitted by this Master Indenture or any Supplemental Indenture to be signed or executed by Owners may be in any number of concurrent instruments of similar tenor and may be signed or executed by Owners or their attorneys or legal representatives. Proof of the execution of any such instrument shall be sufficient for any purpose of this Master Indenture and shall be conclusive in favor of the District with regard to any action taken by it under such instrument if verified by any officer in any jurisdiction who, by the laws thereof, has power to take affidavits within such jurisdiction, to the effect that such instrument was subscribed and sworn to before him, or by an affidavit of a witness to such execution. Where such execution is on behalf of a person other than an individual such verification or affidavit shall also constitute sufficient proof of the authority of the signer thereof.

response from such Majority Owners, or the Trustee acting at the direction of such Majority Owners, within sixty (60) days following delivery to the Trustee and the Majority Owners of a written request for consent);

(ii) the District hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Assessments relating to the Bonds of a Series then Outstanding, the Bonds of such Series then Outstanding or any rights of the Trustee under the Indenture that are inconsistent with any written consent received (or deemed received) from the Trustee or the Majority Owners;

(iii) the District hereby agrees that it shall make a reasonable attempt to timely seek the written consent of the Trustee, acting at the direction of the Majority Owners of the Bonds of a Series then Outstanding, prior to filing and voting in any such Proceeding (provided, however, the Majority Owners of the Bonds of such Series then Outstanding shall be deemed to have consented to the proposed action if the District does not receive a written response from the Majority Owners, or the Trustee acting at the direction of such Majority Owners, within sixty (60) days following delivery to the Trustee and the Majority Owners of a written request for consent);

(iv) the Trustee shall have the right, by interpleader or otherwise, to seek or oppose any relief in any such Proceeding that the District, as claimant with respect to the Assessments relating to the Bonds of a Series then Outstanding, would have the right to pursue, and, if the Trustee chooses to exercise any such rights, the District shall not oppose the Trustee in seeking to exercise any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer, including, without limitation, the right to file and/or prosecute and/or defend any claims and proofs of claims, to vote to accept or reject a plan, to seek dismissal of the Proceeding, to seek stay relief to commence or continue foreclosure or pursue any other available remedies as to the Assessments relating to the Bonds of a Series then Outstanding, to seek substantive consolidation, to seek to shorten the Insolvent Taxpayer's exclusivity periods or to oppose any motion to extend such exclusivity periods, to oppose any motion for use of cash collateral or for authority to obtain financing, to oppose any sale procedures motion or any sale motion, to propose a competing plan of reorganization or liquidation, or to make any election under Section 1111(b) of the Bankruptcy Code; and

(v) the District shall not challenge the validity or amount of any claim submitted in good faith by the Trustee in such Proceeding or any valuations of the lands owned by any Insolvent Taxpayer submitted in good

61

Nothing contained in this Article X shall be construed as limiting the Trustee to such proof, it being intended that the Trustee may accept any other evidence of the matters herein stated which it may deem sufficient. Any request or consent of the Owner of any Bond shall bind every future Owner of the same Bond in respect of anything done by the Trustee or the District in pursuance of such request or consent.

Section 1002. Deposit of Bonds. Notwithstanding the foregoing, neither the District nor the Trustee shall be required to recognize any person as an Owner of any Bond or to take any action at his request unless such Bond shall be deposited with the Trustee.

**ARTICLE XI
SUPPLEMENTAL INDENTURES**

Section 1101. Supplemental Indentures Without Owner Consent. The Governing Body from time to time may authorize such indentures supplemental hereto or amendatory hereof as shall not be inconsistent with the terms and provisions hereof (which Supplemental Indenture shall thereafter form a part hereof), without the consent of the Owners, for the following purposes:

(a) to provide for the initial issuance of a Series of Bonds or Refunding Bonds; or

(b) to make any change whatsoever to the terms and provisions of this Master Indenture, but only as such change relates to a Series of Bonds upon the original issuance thereof (or upon the original issuance of Refunding Bonds which defease and discharge the Supplemental Indenture of the Series of Bonds to be refunded) under and pursuant to the terms of the Supplemental Indenture effecting such change; or

(c) to cure any ambiguity or formal defect or omission or to correct any inconsistent provisions in this Master Indenture; or

(d) to grant to the Owners or to the Trustee on behalf of the Owners any additional rights or security that may lawfully be granted; or

(e) to add to the covenants and agreements of the District in this Master Indenture other covenants and agreements thereafter to be observed by the District to the benefit of the Owners of the Bonds then Outstanding; or

(f) to make such changes as may be necessary in order to reflect amendments to Chapters 170, 190, and 197, Florida Statutes, or any other Florida Statutes, so long as, in the opinion of counsel to the District, such changes either: (i) do not have a material adverse effect on the Owners of each Series of Bonds to which such changes relate; or (ii) if such changes do have a material adverse effect, that they nevertheless are required to be made as a result of such amendments; or

63

(g) to modify the provisions of this Master Indenture or any Supplemental Indenture provided that such modification does not, in the written opinion of Bond Counsel, materially adversely affect the interests of the Owners of Bonds then Outstanding, upon which opinion the Trustee may conclusively rely.

Section 1102. Supplemental Indentures With Owner Consent.

(a) Subject to the provisions contained in this Section 1102, the Majority Owners of Bonds then Outstanding shall have the right, from time to time, anything contained in this Master Indenture to the contrary notwithstanding, to consent to and approve the adoption of such indentures supplemental hereto or amendatory hereof as shall be deemed desirable by the District for the purpose of modifying, altering, amending, adding to or rescinding any of the provisions of this Master Indenture; provided, however, that nothing herein contained shall permit, or be construed as permitting, without the consent of all Owners of Bonds then Outstanding and affected by such supplement or amendment,

- (i) an extension of the maturity of, or an extension of the Interest Payment Date on, any Bond;
- (ii) a reduction in the principal, premium, or interest on any Bond;
- (iii) a preference or priority of any Bond over any other Bond; or
- (iv) a reduction in the aggregate principal amount of the Bonds required for consent to such Supplemental Indenture.

(b) In addition to the foregoing, the Majority Owners of any Series of Bonds then Outstanding shall have the right, from time to time, anything contained in this Master Indenture or in the Supplemental Indenture relating to such Series of Bonds to the contrary notwithstanding, to consent to and approve the adoption of such indentures supplemental to the Supplemental Indenture relating to such Series of Bonds or amendatory thereof, but not hereto, as shall be deemed desirable by the District for the purpose of modifying, altering, amending, adding to or rescinding, in any particular, any of the provisions of such Supplemental Indenture or of any indenture supplemental thereto; provided, however, that nothing herein contained shall permit, or be construed as permitting, without the consent of all Owners of Bonds of such Series then Outstanding and affected by such amendment,

- (i) an extension of the maturity of, or an extension of the Interest Payment Date on, any Bond of such Series;
- (ii) a reduction in the principal, premium, or interest on any Bond of such Series;

64

exclusion from gross income for federal income tax purposes of interest on the related Series of Bonds.

Section 1104. Supplemental Indenture Part of Indenture. Any Supplemental Indenture executed in accordance with this Article XI and approved as to legality by counsel to the District shall thereafter, except as otherwise provided therein, form a part of this Master Indenture. Except as applicable only to Bonds of a Series, all of the terms and conditions contained in any such Supplemental Indenture amendatory of this Master Indenture shall be part of the terms and conditions hereof. The Trustee is not obligated to execute any amendment that is adverse to the interests of the Trustee.

Section 1105. Insurer or Issuer of a Credit Facility or Liquidity Facility as Owner of Bonds.

(a) As long as a Credit Facility or Liquidity Facility securing all or a portion of the Bonds of a Series then Outstanding is in effect and the issuer thereof is not in default of any of its obligations under such Credit Facility or Liquidity Facility, as the case may be, the issuer of the Credit Facility or Liquidity Facility or the Insurer, to the extent so authorized in the applicable Supplemental Indenture, will be deemed to be the Owner of the Bonds of such Series secured by the Credit Facility or Liquidity Facility:

- (i) at all times for the purpose of the execution and delivery of a Supplemental Indenture or of any amendment, change or modification of the Master Indenture or the applicable Supplemental Indenture or the initiation by Owners of any action to be undertaken by the Trustee at the Owner's request, which under the Master Indenture or the applicable Supplemental Indenture requires the written approval or consent of or can be initiated by the Majority Owners of the Bonds of such Series then Outstanding;
- (ii) at all times for the purpose of the mailing of any notice to Owners under the Master Indenture or the applicable Supplemental Indenture; and
- (iii) following an Event of Default for all other purposes.

(b) Notwithstanding the foregoing, neither an Insurer nor the issuer of a Credit Facility or Liquidity Facility with respect to a Series of Bonds will be deemed to be an Owner of the Bonds of such Series with respect to any such Supplemental Indenture or of any amendment, change or modification of the Master Indenture which would have the effect of permitting:

- (i) a change in the terms of redemption or maturity of any Bonds of a Series then Outstanding or of any installment of interest thereon; or

66

(iii) a preference or priority of any Bond of such Series over any other Bond of such Series; or

(iv) a reduction in the aggregate principal amount of the Bonds of such Series required for consent to such indenture supplemental to the Supplemental Indenture.

(c) If at any time the District shall determine that it is desirable to approve any Supplemental Indenture or indenture supplemental to a Supplemental Indenture pursuant to this Section 1102, the District shall cause the Trustee to mail, at the expense of the District, notice of the proposed approval to the Owners whose approval is required. Such notice shall be prepared by the District and shall briefly set forth the nature of the proposed Supplemental Indenture or indenture supplemental to a Supplemental Indenture and shall state that copies thereof are on file with the Secretary for inspection by all affected Owners. The District shall not, however, be subject to any liability to any Owner by reason of its failure to cause the notice required by this Section 1102 to be mailed and any such failure shall not affect the validity of such Supplemental Indenture or indenture supplemental to a Supplemental Indenture when consented to and approved as provided in this Section 1102.

(d) Whenever, at any time within one (1) year after the date of the first mailing of such notice, there shall be delivered to the District an instrument or instruments in writing purporting to be executed by the Owners of the requisite principal amount of the Bonds of such Series then Outstanding, which instrument or instruments shall refer to the proposed Supplemental Indenture or indenture supplemental to a Supplemental Indenture described in such notice and shall specifically consent to and approve the execution thereof in substantially the form of the copy thereof referred to in such notice, thereupon, but not otherwise, the Governing Body and the Trustee may approve such Supplemental Indenture and cause it to be executed, in substantially such form, without liability or responsibility to any Owner.

Section 1103. Opinion of Bond Counsel With Respect to Supplemental Indenture. In addition to the other requirements herein set forth with respect to Supplemental Indentures or indentures supplemental to a Supplemental Indenture, no such indenture shall be effective unless and until there shall have been delivered to the Trustee, at the expense of the District, an opinion of Bond Counsel to the effect that such indenture is permitted pursuant to this Master Indenture and that such indenture is the valid and binding obligation of the District enforceable in accordance with its terms, except as the enforceability thereof may be limited by bankruptcy, insolvency or general equitable principles, upon which opinion the Trustee may conclusively rely. In addition, if such indenture relates to a Series of Tax-Exempt Bonds, such opinion shall also state that such indenture will not adversely affect the

65

(ii) a reduction in the principal amount or the Redemption Price thereof or in rate of interest thereon; or

(iii) reducing the percentage or otherwise affecting the classes of Bonds the consent of the Owners of which is required to effect any such modification or amendment; or

(iv) creating any preference or priority of any Bond of a Series over any other Bond of such Series.

ARTICLE XII DEFEASANCE

Section 1201. Defeasance and Discharge of the Lien of this Master Indenture and Supplemental Indentures.

(a) If the District pays or causes to be paid, or there shall otherwise be paid, to the Owners of all Bonds, the principal or Redemption Price, if applicable, and interest due or to become due thereon and the obligations under any Letter of Credit Agreement and any Liquidity Agreement, at the times and in the manner stipulated therein and in this Master Indenture and pays or causes to be paid all other moneys owing hereunder and under any Supplemental Indenture (including, without limitation the fees and expenses of the Trustee, including reasonable counsel fees and expenses), then the lien of this Master Indenture and all covenants, agreements and other obligations of the District to the Owners and the issuer of any Credit Facility or Liquidity Facility shall thereupon cease, terminate and become void and be discharged and satisfied. In such event, the Trustee upon the request of the District shall execute and deliver to the District all such instruments as may be desirable to evidence such discharge and satisfaction, and the Trustee and the Paying Agent shall pay over or deliver, as directed by the District, all moneys or securities held by them pursuant to this Master Indenture which are not required for the payment of principal or Redemption Price, if applicable, on Bonds not theretofore surrendered for such payment or redemption or for payment of obligations under any Letter of Credit Agreement and any Liquidity Agreement. If the District pays or causes to be paid, or there shall otherwise be paid, to the Owners of all Bonds then Outstanding or of a particular maturity, of a particular Series or of any part of a particular maturity or Series, the principal or Redemption Price, if applicable, and interest due or to become due thereon, at the times and in the manner stipulated therein and in this Master Indenture, such Bonds shall cease to be entitled to any lien, benefit or security under this Master Indenture, and all covenants, agreements and obligations of the District to the Owners of such Bonds shall thereupon cease, terminate and become void and be discharged and satisfied. Anything to the contrary in this Section 1201 notwithstanding, this Master Indenture shall not be discharged nor shall any Bonds with respect to which moneys or Federal Securities have been deposited in accordance with the provisions of this Section 1201 cease to be entitled to the lien, benefit or

67

security under this Master Indenture, except to the extent that the lien, benefit and security of this Master Indenture and the obligations of the District hereunder shall be limited solely to and such Bonds shall be secured solely by and be payable solely from the moneys or Federal Securities so deposited.

(b) Bonds or interest installments for the payment or redemption of which moneys shall have been set aside and shall be held in trust by the Trustee (through deposit pursuant to this Master Indenture of funds for such payment or redemption or otherwise) at the maturity or redemption date thereof shall be deemed to have been paid within the meaning and with the effect expressed in this Section 1201. All Bonds of any particular maturity or Series then Outstanding shall, prior to the maturity or redemption date thereof, be deemed to have been paid within the meaning and with the effect expressed in subsection (a) of this Section 1201 if:

(i) in case any of such Bonds are to be redeemed on any date prior to their maturity, the District shall have given to the Trustee or the Bond Registrar irrevocable instructions accepted in writing by the Trustee or the Bond Registrar to mail as provided in Article III hereof notice of redemption of such Bonds on such date;

(ii) there shall have been deposited with the Trustee either moneys in an amount which shall be sufficient, or Federal Securities, the principal of and the interest on which when due shall, as demonstrated in an Accountant's Certificate, provide moneys which, together with the moneys, if any, deposited with the Trustee at the same time, shall be sufficient, to pay when due the principal or Redemption Price, if applicable, and interest due and to become due on said Bonds on or prior to the redemption date or maturity date thereof, as the case may be;

(iii) the District shall have given the Trustee or the Bond Registrar in form satisfactory to it irrevocable instructions to mail, postage prepaid, to each registered Owner of Bonds then Outstanding at the address, if any, appearing upon the registration books of the District maintained by the Bond Registrar, a notice to the registered Owners of such Bonds and to the Bond Registrar that the deposit required by (ii) above has been made with the Trustee and that such Bonds are deemed to have been paid in accordance with this Section 1201 and stating such maturity or redemption date upon which moneys are to be available for the payment of the principal or Redemption Price, if applicable, on such Bonds; and

(iv) the District and the Trustee shall have received an opinion of Bond Counsel to the effect that such defeasance is permitted under this Master Indenture and the Supplemental Indenture relating to the Series of Bonds so defeased and that, in the case of Tax-Exempt Bonds, such defeasance will not adversely affect the tax-exempt status of such Series of Bonds.

68

otherwise existing under this Master Indenture, any Letter of Credit Agreement or any Liquidity Agreement.

(e) Notwithstanding any of the provisions of this Master Indenture to the contrary, Option Bonds may only be fully discharged and satisfied either pursuant to subsection (a) above or by depositing in the Series Interest Account, the Series Principal Account, the Series Sinking Fund Account and the Series Redemption Account, or in such other accounts which are irrevocably pledged to the payment of the Option Bonds, as the District may create and establish by Supplemental Indenture, moneys which together with other moneys lawfully available therefor shall be sufficient at the time of such deposit to pay when due the maximum amount of principal of and Redemption Price, if any, and interest on such Option Bonds which could become payable to the Owners of such Bonds upon the exercise of any options provided to the Owners of such Bonds; provided however, that if at the time a deposit is made pursuant to this subsection (e) the options originally exercisable by the Owner of an Option Bond are no longer exercisable, such Bond shall not be considered an Option Bond for purposes of this subsection (e). If any portion of the moneys deposited for the payment of the principal of and Redemption Price, if any, and interest on Option Bonds is not required for such purpose and is not needed to reimburse an Insurer or an issuer of any Credit Facility or Liquidity Facility, for obligations under any Letter of Credit Agreement and any Liquidity Agreement, the District may use the amount of such excess free and clear of any trust, lien, security interest, pledge or assignment securing such Option Bonds or otherwise existing under this Master Indenture, any Letter of Credit Agreement or any Liquidity Agreement.

(f) Anything in this Master Indenture to the contrary notwithstanding, any moneys held by the Trustee or any Paying Agent in trust for the payment and discharge of any of the Bonds which remain unclaimed for two (2) years after the date when such Bonds have become due and payable, either at their stated maturity dates or by call for earlier redemption, if such moneys were held by the Trustee or any Paying Agent at such date, or for two (2) years after the date of deposit of such moneys if deposited with the Trustee or Paying Agent after the date when such Bonds became due and payable, shall at the written request of the District be repaid by the Trustee or Paying Agent to the District, as its absolute property and free from trust, and the Trustee or Paying Agent shall thereupon be released and discharged with respect thereto and the Owners shall look only to the District for the payment of such Bonds; provided, however, that before being required to make any such payment to the District, the Trustee or Paying Agent shall, at the expense of the District, cause to be mailed, postage prepaid, to any Insurer or any issuer of any Credit Facility or Liquidity Facility, and to each registered Owner of Bonds then Outstanding at the address, if any, appearing upon the registration books of the District maintained by the Bond Registrar, a notice that such moneys remain unclaimed and that, after a date named in such notice, which date shall be not less than thirty (30) days after the

(c) Neither Federal Securities nor moneys deposited with the Trustee pursuant to this Section 1201 nor principal or interest payments on any such Federal Securities shall be withdrawn or used for any purpose other than, and shall be held in trust for, the payment of the principal or Redemption Price, if applicable, and interest on such Bonds; provided that any cash received from such principal or interest payments on such Federal Securities deposited with the Trustee:

(i) to the extent such cash shall not be required at any time for such purpose as evidenced by an Accountant's Certificate, and to the extent all obligations under any Letter of Credit Agreement and any Liquidity Agreement are satisfied, as determined by an Insurer or an issuer of any Credit Facility or Liquidity Facility securing the Bonds with respect to which such Federal Securities have been so deposited, shall be paid over upon the direction of the District as received by the Trustee, free and clear of any trust, lien, pledge or assignment securing such Bonds or otherwise existing under this Master Indenture; and

(ii) to the extent such cash shall be required for such purpose at a later date, shall, to the extent practicable, be reinvested in Federal Securities maturing at times and in amounts sufficient to pay when due the principal or Redemption Price, if applicable, and interest to become due on such Bonds, or obligations under any Letter of Credit Agreement and any Liquidity Agreement, on or prior to such redemption date or maturity date thereof, as the case may be, and interest earned from such reinvestments shall be paid over as received by the Trustee to the District, free and clear of any lien, pledge or security interest securing such Bonds or otherwise existing under this Master Indenture.

For the purposes of this provision, Federal Securities means and includes only such securities which shall not be subject to redemption prior to their maturity other than at the option of the holder thereof.

Upon initial issuance, the ownership of each such Series 2026 Bond shall be registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as Nominee of DTC, the initial Bond Depository. Except as provided in this Section 201, all of the Outstanding Series 2026 Bonds shall be registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as Nominee of DTC.

With respect to Series 2026 Bonds registered in the registration books kept by the Bond Registrar in the name of Cede & Co., as Nominee of DTC, the District, the Trustee, the Bond Registrar and the Paying Agent shall have no responsibility or obligation to any such Bond Participant or to any indirect Bond Participant. Without limiting the immediately preceding sentence, the District, the Trustee, the Bond Registrar and the Paying Agent shall have no responsibility or obligation with respect to (a) the accuracy of the records of DTC, Cede & Co., or any Bond Participant with respect to any ownership interest in the Series 2026 Bonds, (b) the delivery to any Bond Participant or any other person other than an Owner, as shown in the registration books kept by the Bond Registrar, of any notice with respect to the Series 2026 Bonds, including any notice of redemption, or (c) the payment to any Bond Participant or any other person, other than an Owner, as shown in the registration books kept by the Bond Registrar, of any amount with respect to principal of, premium, if any, or interest on the Series 2026 Bonds. No person other than an Owner, as shown in the registration books kept by the Bond Registrar, shall receive a certificated Series 2026 Bond evidencing the obligation of the District to make payments of principal, premium, if any, and interest pursuant to the provisions hereof. Upon delivery by DTC to the District of written notice to the effect that DTC has determined to substitute a new Nominee in place of Cede & Co., and

(a) \$[RAR], representing the Series 2026 Reserve Account Requirement at the time of issuance of the Series 2026 Bonds, shall be deposited to the credit of the Series 2026 Reserve Account;

(b) \$[COI], representing the costs of issuance relating to the Series 2026 Bonds, shall be deposited to the credit of the Series 2026 Costs of Issuance Account;

(c) \$[CAPI], representing Capitalized Interest on the Series 2026 Bonds through and including November 1, 2026, shall be deposited to the credit of the Series 2026 Capitalized Interest Account; and

Section 403. Series 2026 Acquisition and Construction Account; Series 2026 Costs of Issuance Account. (a) Amounts on deposit in the Series 2026 Acquisition and Construction Account shall be applied to pay Costs of the Assessment Area One Project upon compliance with the requisition provisions set forth in Section 503(b) of the Master Indenture and on the form attached hereto as Exhibit C. The Trustee shall have no duty to verify that any requested disbursement from the Series 2026 Acquisition and Construction Account is for a Cost of the Assessment Area One Project. The Consulting Engineer shall establish a Date of Completion for the Assessment Area One Project, and any balance remaining in the Series 2026 Acquisition and Construction Account after such Date of Completion (taking into account the moneys then on deposit therein to pay any accrued but unpaid Costs of the Assessment Area One Project which are required to be reserved in the Series 2026 Acquisition and Construction Account in accordance with the certificate of the Consulting Engineer delivered to the District and the Trustee establishing such Date of Completion), shall be transferred to the Series 2026 Prepayment Subaccount and applied to the extraordinary mandatory redemption of the Series 2026 Bonds in accordance with Section 301 hereof and in the manner prescribed in the form of Series 2026 Bond attached hereto as Exhibit B. Notwithstanding the foregoing, the District shall not establish a Date of Completion until after both the Reserve Account Release Conditions #1 and the Reserve Account Release Conditions #2 have been satisfied and moneys have been transferred from the Series 2026 Reserve Account to the Series 2026 Acquisition and Construction Account as a result of such satisfaction pursuant to Section 405 hereof. Such amounts deposited into the Series 2026 Acquisition and Construction Account as a result of the satisfaction of the Reserve Account Release Conditions #1 and Reserve Account Release Conditions #2 shall be paid to the Person or Persons designated in a requisition in the form attached hereto as Exhibit C, upon compliance with the requisition provisions set forth in this section, to cover any requisitions submitted pursuant to this Section 403(a) which remain unpaid ("Unpaid Requisitions"), in full or in part, in chronological order (oldest to newest) based on the date such requisitions were submitted by the District to the Trustee. Any requisition submitted in compliance with the prior sentence shall be executed by the District and

the Consulting Engineer. Such payment is authorized notwithstanding that the Date of Completion might have been declared provided such Costs of the Assessment Area One Project were not previously paid from moneys initially deposited in the Series 2026 Acquisition and Construction Account. In the event that there are no Unpaid Requisitions to pay, such excess moneys transferred from the Series 2026 Reserve Account to the Series 2026 Acquisition and Construction Account shall be deposited into the Series 2026 Prepayment Subaccount upon direction to the Trustee by the District. At such time as there are no amounts on deposit in the Series 2026 Acquisition and Construction Account, such Account shall be closed.

(b) The amount deposited in the Series 2026 Costs of Issuance Account shall, at the written direction of an Authorized Officer to the Trustee, be used to pay the costs of issuance relating to the Series 2026 Bonds. On the earlier to occur of (i) the written direction of an Authorized Officer or (ii) six (6) months from the date of issuance of the Series 2026 Bonds, any amounts deposited in the Series 2026 Costs of Issuance Account for which the Trustee has not received a requisition to pay such costs shall be transferred over and deposited into the Series 2026 Acquisition and Construction Account and used for the purposes permitted therefor. Any deficiency in the amount allocated to pay the costs of issuance relating to the Series 2026 Bonds shall be paid from excess moneys on deposit in the Series 2026 Revenue Account pursuant to Section 408(d) FOURTH hereof. When such deficiency has been satisfied and no moneys remain therein, the Series 2026 Costs of Issuance Account shall be closed.

Section 404. Series 2026 Capitalized Interest Account. Amounts on deposit in the Series 2026 Capitalized Interest Account shall, until and including November 1, 2026, be transferred into the Series 2026 Interest Account and applied to the payment of interest first coming due on the Series 2026 Bonds in accordance with Section 408(d) hereof, and thereafter transferred into the Series 2026 Acquisition and Construction Account, whereupon the Series 2026 Capitalized Interest Account shall be closed.

Section 405. Series 2026 Reserve Account. The Series 2026 Reserve Account shall be funded and maintained at all times in an amount equal to the Series 2026 Reserve Account Requirement. Except as otherwise provided herein or in the Master Indenture, amounts on deposit in the Series 2026 Reserve Account shall be used only for the purpose of making payments into the Series 2026 Interest Account and the Series 2026 Sinking Fund Account to pay Debt Service on the Series 2026 Bonds, when due, without distinction as to Series 2026 Bonds and without privilege or priority of one Series 2026 Bond over another, to the extent the moneys on deposit in such Accounts available therefor are insufficient and for no other purpose. The Series 2026 Reserve Account shall consist only of cash and Series 2026 Investment Obligations.

The Series 2026 Revenue Account shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee.

(b) The Trustee shall deposit into the Series 2026 Revenue Account (i) Series 2026 Assessment Revenues other than Series 2026 Prepayments (which Series 2026 Prepayments shall be identified by the District to the Trustee as such in writing upon deposit, upon which certification the Trustee may conclusively rely, and which shall be deposited into the Series 2026 Prepayment Subaccount), (ii) Series 2026 Prepayment Interest, and (iii) any other revenues required by other provisions of the Indenture to be deposited into the Series 2026 Revenue Account.

(c) On the forty-fifth (45th) day preceding each Quarterly Redemption Date (or if such forty-fifth (45th) day is not a Business Day, on the Business Day preceding such forty-fifth (45th) day), the Trustee shall determine the amount on deposit in the Series 2026 Prepayment Subaccount and, if the balance therein is greater than zero, shall, upon written direction from the District, transfer from the Series 2026 Revenue Account for deposit into the Series 2026 Prepayment Subaccount an amount sufficient to increase the amount on deposit therein to the nearest integral multiple of \$5,000 (provided that there are sufficient funds remaining in the Series 2026 Revenue Account to pay Debt Service coming due on the Series 2026 Bonds on the next succeeding Interest Payment Date), and shall thereupon give notice and cause the extraordinary mandatory redemption of the Series 2026 Bonds on the next succeeding Redemption Date in the maximum aggregate principal amount for which moneys are then on deposit in the Series 2026 Prepayment Subaccount in accordance with the provisions for extraordinary mandatory redemption of the Series 2026 Bonds set forth in the form of Series 2026 Bonds attached hereto, Section 301 hereof, and Article III of the Master Indenture.

(d) On May 1 and November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall first transfer from the Series 2026 Capitalized Interest Account to the Series

The Trustee is hereby authorized to make such transfers and has no duty to verify such calculations.

On the earliest date on which there is on deposit in the Series 2026 Reserve Account sufficient moneys, after taking into account other moneys available therefor, to pay and redeem all of the Outstanding Series 2026 Bonds, together with accrued interest and redemption premium, if any, on such Series 2026 Bonds to the earliest Redemption Date permitted therein and herein, then the Trustee shall transfer the amount on deposit in the Series 2026 Reserve Account into the Series 2026 Prepayment Subaccount to pay and redeem all of the Outstanding Series 2026 Bonds on the earliest Redemption Date permitted for redemption therein and herein.

Anything herein or in the Master Indenture to the contrary notwithstanding, amounts on deposit in the Series 2026 Reserve Account shall, upon the occurrence and continuance of an Event of Default, be subject to a first charge by the Trustee for its fees and expenses, including fees and expenses of collection of Delinquent Assessments.

Section 406. Amortization Installments; Selection of Bonds for Redemption. (a) The Amortization Installments established for the Series 2026 Bonds shall be as set forth in the form of Series 2026 Bonds attached hereto.

(b) Upon any redemption of Series 2026 Bonds (other than Series 2026 Bonds redeemed in accordance with scheduled Amortization Installments and other than Series 2026 Bonds redeemed at the direction of the District accompanied by a cash flow certificate as required by Section 506(b) of the Master Indenture), the Trustee shall cause Series 2026 Bonds to be redeemed in such amounts and having such maturities so as to result in Amortization Installments recalculated, which recalculation shall be performed by the District, in such manner as shall amortize all the Outstanding Series 2026 Bonds of all of the maturities in substantially equal

15

2026 Interest Account the lesser of (i) the amount of interest coming due on the Series 2026 Bonds on such May 1 or November 1, less the amount already on deposit in the Series 2026 Interest Account, or (ii) the amount remaining in the Series 2026 Capitalized Interest Account. Following the foregoing transfer, on such May 1 or November 1 (or if such May 1 or November 1 is not a Business Day, on the Business Day preceding such May 1 or November 1), the Trustee shall then transfer amounts on deposit in the Series 2026 Revenue Account to the Accounts designated below in the following amounts and in the following order of priority:

FIRST, to the Series 2026 Interest Account, the amount, if any, equal to the difference between the amount of interest payable on all Series 2026 Bonds then Outstanding on such May 1 or November 1, and (i) the amount transferred from the Series 2026 Capitalized Interest Account in accordance with this Section 408(d), if any, and (ii) the amount already on deposit in the Series 2026 Interest Account not previously credited;

SECOND, on May 1, 20[], and on each May 1 thereafter, to the Series 2026 Sinking Fund Account, the amount, if any, equal to the difference between the Amortization Installments of all Series 2026 Bonds subject to mandatory sinking fund redemption on such May 1 and the amount already on deposit in the Series 2026 Sinking Fund Account not previously credited;

THIRD, to the Series 2026 Reserve Account, the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2026 Reserve Account Requirement with respect to the Series 2026 Bonds; and

FOURTH, the balance shall first be deposited into the Series 2026 Costs of Issuance Account to fund any deficiencies in the amount allocated to pay the costs of issuance relating to the Series 2026 Bonds, and then the balance shall be retained in the Series 2026 Revenue Account.

(e) On any date required by the Arbitrage Certificate, the District shall give the Trustee written direction to, and the Trustee shall, transfer from the Series 2026 Revenue Account to the Series 2026 Rebate Account the amount due and owing to the United States, which amount shall be paid to the United States when due in accordance with such Arbitrage Certificate.

(f) Anything herein or in the Master Indenture to the contrary notwithstanding, moneys on deposit in all of the Funds and Accounts held as security for the Series 2026 Bonds shall be invested only in Series 2026 Investment Obligations. Earnings on investments in the Series 2026 Acquisition and Construction Account, the Series 2026 Interest Account and the Series 2026 Capitalized Interest Account shall be retained, as realized, in such Accounts and used for the purposes of such Accounts. Earnings on investments in the Funds and Accounts other than the Series 2026 Reserve Account, and other than as set forth

17

above, shall be deposited, as realized, to the credit of the Series 2026 Revenue Account and used for the purpose of such Account.

Earnings on investments in the Series 2026 Reserve Account shall be disposed of as follows:

(i) if there was no deficiency (as defined in Section 509 of the Master Indenture) in the Series 2026 Reserve Account as of the most recent date on which amounts on deposit in the Series 2026 Reserve Account were valued by the Trustee, and if no withdrawals have been made from the Series 2026 Reserve Account since such date which have created a deficiency, then earnings on investments in the Series 2026 Reserve Account shall be deposited into the Series 2026 Capitalized Interest Account through November 1, 2026, and thereafter shall be deposited into the Series 2026 Revenue Account and used for the purpose of such Account; or

(ii) if there was a deficiency (as defined in Section 509 of the Master Indenture) in the Series 2026 Reserve Account as of the most recent date on which amounts on deposit in the Series 2026 Reserve Account were valued by the Trustee, or if after such date withdrawals have been made from the Series 2026 Reserve Account and have created such a deficiency, then earnings on investments in the Series 2026 Reserve Account shall be retained in the Series 2026 Reserve Account until the amount on deposit therein is equal to the Series 2026 Reserve Account Requirement, and then earnings on investments in the Series 2026 Reserve Account shall be deposited into the Series 2026 Capitalized Interest Account through November 1, 2026, and thereafter shall be deposited into the Series 2026 Revenue Account and used for the purpose of such Account.

The foregoing determination and disbursement shall be made prior to any recalculation and transfer of excess amounts on deposit in the Series 2026 Reserve Account made pursuant to Section 405 hereof.

Section 502. Limitation of Trustee's Responsibility. The Trustee shall not be responsible in any manner for the due execution of this First Supplemental Indenture by the District or for the recitals contained herein, all of which are made solely by the District.

18

Section 703. Additional Covenant Regarding Assessments. In addition to, and not in limitation of, the covenants contained elsewhere in this First Supplemental Indenture and in the Master Indenture, the District covenants to comply with the terms of the Series 2026 Assessment Proceedings heretofore adopted with respect to the Series 2026 Assessments, including the Assessment Methodology, and to levy the Series 2026 Assessments and collect any required true-up payments set forth in the Assessment Methodology in such manner as will generate funds sufficient to pay the principal of and interest on the Series 2026 Bonds, when due.

Section 704. Collection of Assessments. (a) Anything herein or in the Master Indenture to the contrary notwithstanding, when permitted by law, Series 2026 Assessments levied on platted lots and pledged hereunder to secure the Series 2026 Bonds shall be collected pursuant to the Uniform Method, and Series 2026 Assessments levied on unplatted lands and pledged hereunder to secure the Series 2026 Bonds shall be collected directly by the District pursuant to the Act and Chapters 170 and 197, Florida Statutes, and not pursuant to the Uniform Method, in each case unless the District determines that the timing or legal requirements for using either respective method of collection will not yet allow for using such method or unless otherwise directed by the Trustee acting at the direction of the Majority Owners upon the occurrence and continuance of an Event of Default.

(b) Series 2026 Assessments that are collected directly by the District and not via the Uniform Method shall be due and payable by each landowner no later than thirty (30) days prior to each respective Interest Payment Date; provided, however, that such Series 2026 Assessments shall not be deemed Delinquent Assessments unless and until such Series 2026 Assessments are not paid by the applicable Interest Payment Date with respect to which they have been billed.

ARTICLE VI ADDITIONAL BONDS

Section 601. No Parity Bonds; Limitation on Parity Assessments. Other than Refunding Bonds issued to refund the then Outstanding Series 2026 Bonds, the issuance of which results in net present value Debt Service savings, the District shall not, while any Series 2026 Bonds are Outstanding, issue or incur any debt payable in whole or in part from the Series 2026 Trust Estate. The District further covenants and agrees that so long as the Series 2026 Assessments have not been Substantially Absorbed, it will not issue Bonds or other debt obligations secured by Assessments on any lands subject to the Series 2026 Assessments without the written consent of the Majority Owners. ARTICLE VII MISCELLANEOUS

Section 701. Confirmation of Master Indenture. As supplemented by this First Supplemental Indenture, the Master Indenture is in all respects ratified and confirmed, and this First Supplemental Indenture shall be read, taken and construed as a part of the Master Indenture so that all of the rights, remedies, terms, conditions, covenants and agreements of the Master Indenture, except insofar as modified herein, shall apply and remain in full force and effect with respect to this First Supplemental Indenture and to the Series 2026 Bonds issued hereunder.

Section 702. Continuing Disclosure Agreement. Contemporaneously with the execution and delivery hereof, the District has executed and delivered the Continuing Disclosure Agreement in order to comply with the requirements of Rule 15c2-12 promulgated under the Securities Exchange Act of 1934, as amended. The District covenants and agrees to comply with the provisions of the Continuing Disclosure Agreement. However, as set forth therein, failure to so comply shall not constitute an Event of Default hereunder, but instead shall be enforceable as provided in the Continuing Disclosure Agreement.

19

Trustee, shall have the power to lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Series 2026 Revenue Account. The District, either through its own actions or actions caused to be taken through the Trustee, agrees that it shall, after being provided assurances satisfactory to it of payment of its fees, costs and expenses for doing so, be required to take the measures provided by law for listing for sale of property acquired by it as trustee for the benefit of the Owners of the Series 2026 Bonds within sixty (60) days after the receipt of the request therefor signed by the Trustee or the Majority Owners. The Trustee may, upon direction from the Majority Owners, pay costs associated with any actions taken by the District pursuant to this paragraph from any moneys legally available for such purpose held under the Indenture.

Section 706. Owner Direction and Consent with Respect to Series 2026 Acquisition and Construction Account Upon Occurrence of Event of Default. In accordance with the provisions of the Indenture, the Series 2026 Bonds are payable solely from the Series 2026 Pledged Revenues and the Series 2026 Pledged Funds held by the Trustee under the Indenture for such purpose. Anything in the Indenture to the contrary notwithstanding, the District hereby acknowledges that (a) the Series 2026 Pledged Funds include, without limitation, all amounts on deposit in the Series 2026 Acquisition and Construction Account then held by the Trustee, (b) upon the occurrence of an Event of Default with respect to the Series 2026 Bonds, the Series 2026 Pledged Funds may not be used by the District (whether to pay Costs of the Assessment Area One Project or otherwise) without the written consent of the Majority Owners, except to the extent that prior to the occurrence of the Event of Default the District had incurred a binding obligation with third parties for work on the Assessment Area One Project and payment is for such work, and (c) upon the occurrence of an Event of Default with respect to the Series 2026 Bonds, the Series 2026 Pledged Funds may be used by the Trustee, at the direction or with the approval of the Majority Owners, to pay the reasonable costs and expenses incurred in connection with the pursuit of remedies under the Indenture. The District shall not enter into any binding agreement with respect to the Assessment Area One Project that will cause the expenditure of additional funds from the Series 2026 Trust Estate after the occurrence and during the continuance of an Event of Default unless authorized in writing by the Majority Owners.

Section 707. Assignment of District's Rights Under Collateral Assignment. Subject to the terms of the Collateral Assignment, the District hereby assigns its rights under the Collateral Assignment to the Trustee for the benefit of the Owners, from time to time, of the Series 2026 Bonds. The Trustee shall not be deemed to have accepted any obligation under the Collateral Assignment by virtue of such assignment.

Section 708. Enforcement of True-Up Agreement and Completion Agreement. The District, either through its own actions, or actions caused to be taken through the Trustee, covenants that it shall strictly enforce all of the provisions

21

of the True-Up Agreement and the Completion Agreement and, upon the occurrence and continuance of a default under either or both of such Agreements, the District covenants and agrees that the Trustee, at the direction of the Majority Owners, may, subject to the provisions of Section 912 of the Master Indenture, act on behalf of and in the District's stead to enforce the provisions of such Agreements and to pursue all available remedies under applicable law or in equity. Anything herein or in the Master Indenture to the contrary notwithstanding, failure of the District to enforce, or permit the Trustee to enforce in its stead, all of the provisions of the True-Up Agreement and the Completion Agreement upon demand of the Majority Owners, or the Trustee at the direction of the Majority Owners, shall constitute an Event of Default under the Indenture, provided, however, that the District shall have a reasonable opportunity to cure.

Section 709. Payment of Rebate Amount. Anything herein or in the Master Indenture to the contrary notwithstanding, the District shall cause a Rebate Analyst to determine the Rebate Amount, if any, at the times and in the manner provided in the Tax Regulatory Covenants attached as an exhibit to the Arbitrage Certificate. If a Rebate Amount shall be due, the District shall deliver to the Trustee the written direction of an Authorized Officer to pay from the Series 2026 Rebate Account, or from any other available funds as shall be provided in such written direction, the Rebate Amount to the District for remittance to the Internal Revenue Service. The Trustee may conclusively rely on such written direction and shall have no responsibility for the calculation or payment of the Rebate Amount, if any. Notwithstanding Section 507(b) of the Master Indenture, the District shall not be required to provide the report of the Rebate Analyst to the Trustee.

The Series 2026 Bonds will mature on the dates and in the principal amounts and will bear interest at the respective rates per annum, as provided in the Indenture and set forth in the Bond Purchase Contract executed in connection with the sale of the Series 2026 Bonds (the "Purchase Contract"). Interest on the Series 2026 Bonds shall be payable on each May 1 and November 1, commencing November 1, 2026. The Series 2026 Bonds are subject to redemption prior to maturity in accordance with the Indenture and as set forth in the Purchase Contract.

The Series 2026 Bonds are issued for the principal purposes of (a) financing a portion of the Cost of acquiring, constructing and equipping assessable improvements

comprising the Assessment Area One Project, (b) paying certain costs associated with the issuance of the Series 2026 Bonds, (c) making a deposit into the Series 2026 Reserve Account to be held for the benefit of all of the Series 2026 Bonds, and (d) paying a portion of the interest to become due on the Series 2026 Bonds, all as more particularly described in the Indenture. The Series 2026 Bonds are payable from and secured by the Series 2026 Assessments levied on property within the District specially benefitted by the assessable improvements financed with the proceeds of the Series 2026 Bonds and also by the Series 2026 Pledged Revenues and Series 2026 Pledged Funds comprising the Series 2026 Trust Estate.

As to questions of fact material to our opinion, we have relied upon the representations of the District contained in the Bond Resolution and the Indenture and in the certified proceedings relating thereto and to the issuance of the Series 2026 Bonds and other certifications of public officials furnished to us in connection therewith including, but not limited to, the Final Judgment issued by the Circuit Court of the Fifth Judicial Circuit in and for Lake County, Florida, in connection with the validation of the Series 2026 Bonds, without undertaking to verify the same by independent investigation. Furthermore, we have assumed continuing compliance with the covenants and agreements contained in the Indenture. We have not undertaken an independent audit, examination, investigation or inspection of the matters described or contained in any agreements, documents, certificates, representations and opinions relating to the Series 2026 Bonds, and have relied solely on the facts, estimates and circumstances described and set forth therein. In our examination of the foregoing, we have assumed the genuineness of signatures on all documents and instruments, the authenticity of documents submitted as originals and the conformity to originals of documents submitted as copies.

Based on the foregoing, under existing law, we are of the opinion that:

1. The District is a duly created and validly existing community development district under the Act.
2. The District has the right and power under the Act to authorize, execute and deliver the Indenture, and the Indenture has been duly and lawfully authorized, executed and delivered by the District, is in full force and effect in accordance with its terms and is valid and binding upon the District and enforceable in accordance with its terms. The Indenture creates the valid pledge which it purports to create of the Series 2026 Trust Estate in favor of the Series 2026 Bonds, including the Series 2026 Assessments, in the manner and to the extent provided in the Indenture.
3. The District is duly authorized and entitled to issue the Series 2026 Bonds and the Series 2026 Bonds have been duly and validly authorized and issued by the District in accordance with the Constitution and laws of the State of Florida, the Bond Resolution and the Indenture. The Series 2026 Bonds constitute valid and binding obligations of the District as provided in the Indenture and are enforceable

in accordance with their terms and the terms of the Indenture and are entitled to the benefits of the Indenture and the Act. The Series 2026 Bonds do not constitute a general indebtedness of the District or the State of Florida or any agency, department or political subdivision thereof, or a pledge of the faith and credit of such entities, but are solely payable from the Series 2026 Trust Estate in the manner and to the extent provided in the Indenture. No holder of the Series 2026 Bonds shall ever have the right to compel the exercise of any ad valorem taxing power of the District or the State of Florida or any political subdivision, agency or department thereof to pay the Series 2026 Bonds.

4. Under existing statutes, regulations, rulings and court decisions, the interest on the Series 2026 Bonds (a) is excluded from gross income for federal income tax purposes and (b) is not an item of tax preference for purposes of the federal alternative minimum tax; provided, however, with respect to certain corporations, interest on the Series 2026 Bonds is taken into account in determining the annual adjusted financial statement income for the purpose of computing the alternative minimum tax imposed on such corporations. The opinions set forth in this paragraph are subject to the condition that the District comply with all requirements of the Internal Revenue Code of 1986, as amended, that must be satisfied subsequent to the issuance of the Series 2026 Bonds in order that interest thereon be (or continues to be) excluded from gross income for federal income tax purposes. Failure to comply with certain of such requirements could cause the interest on the Series 2026 Bonds to be so included in gross income retroactive to the date of issuance of the Series 2026 Bonds. The District has covenanted in the Indenture to comply with all such requirements. Ownership of the Series 2026 Bonds may result in collateral federal tax consequences to certain taxpayers. We express no opinion regarding such federal tax consequences arising with respect to the Series 2026 Bonds.

5. The Series 2026 Bonds and interest thereon are exempt from taxation under the laws of the State of Florida, except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations, as defined in said Chapter 220.

It should be noted that, except as may expressly be set forth in an opinion delivered by us to the underwriter for the Series 2026 Bonds on the date hereof (on which opinion only it may rely), we have not been engaged or undertaken to review (1) the accuracy, completeness or sufficiency of the Limited Offering Memorandum or other offering material relating to the Series 2026 Bonds and we express no opinion relating thereto, or (2) the compliance with any federal or state law with regard to the sale or distribution of the Series 2026 Bonds and we express no opinion relating thereto.

The opinions expressed in paragraphs 2 and 3 hereof are qualified to the extent that (1) the enforceability of the Indenture and the Series 2026 Bonds, respectively, may be limited by any applicable bankruptcy, insolvency, moratorium, reorganization

or other similar laws affecting creditors' rights generally, or by the exercise of judicial discretion in accordance with general principles of equity, and (2) we have assumed the due authorization, execution and delivery of the Indenture by the Trustee.

The opinions set forth herein are expressly limited to, and we opine only with respect to, the laws of the State of Florida and the federal income tax laws of the United States of America. The only opinions rendered hereby shall be those expressly stated as such herein, and no opinion shall be implied or inferred as a result of anything contained herein or omitted herefrom.

This opinion is given as of the date hereof and we assume no obligation to update, revise or supplement this opinion to reflect any facts or circumstances that may hereafter come to our attention or any changes in law that may hereafter occur.

We have examined the form of the Series 2026 Bonds and, in our opinion, the form of the Series 2026 Bonds is regular and proper.

Very truly yours,

APPENDIX D

Notwithstanding the above provisions of this Section 9, no amendment to the provisions of Section 5(b) hereof may be made without the consent of each Obligated Person, if any.

1.0 Introduction

1.1 Purpose

This Master Special Assessment Methodology Report (the "Report") was developed to provide a financing plan and a special assessment methodology for the Lake Hills Community Development District (the "District"), located entirely within the Town of Howey in The Hills, Florida, as related to funding the costs of public infrastructure improvements (the "Capital Improvement Plan" or "CIP") contemplated to be provided by the District.

1.2 Scope of the Report

This Report presents the projections for financing the District's Capital Improvement Plan described in the Engineer's Report developed by Madden Moorehead & Stokes, LLC (the "District Engineer") and dated March 2026 (the "Engineer's Report"), as well as describes the method for the allocation of special benefits and the apportionment of special assessment debt resulting from the provision and funding of the Capital Improvement Plan.

1.3 Special Benefits and General Benefits

The public infrastructure improvements undertaken and funded by the District as part of the Capital Improvement Plan create special and peculiar benefits, different in kind and degree from the general and incidental benefits to the public at large. However, as discussed within this Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits which accrue to the assessable property within the District. The District's Capital Improvement Plan enables properties within its boundaries to be developed.

There is no doubt that the general public and property owners of property outside the District will benefit from the provision of the Capital Improvement Plan. However, these benefits are only incidental since the Capital Improvement Plan is designed solely to provide special benefits peculiar to the assessable property within the District. Properties outside the District are not directly served by the Capital Improvement Plan and do not depend upon the Capital Improvement Plan to obtain or to maintain their development entitlements. This fact alone clearly distinguishes the special benefits which District assessable properties receive compared to those lying outside of the District's boundaries.

The Capital Improvement Plan will provide public infrastructure improvements which are all necessary in order to make the assessable lands within the District developable and saleable. Even though the exact value of the benefits provided by the Capital Improvement Plan is hard to estimate at this point, it is nevertheless greater than the costs associated with providing the same.

1.4 Organization of the Report

Section Two describes the development program as proposed by the Developer, as defined below.

Section Three provides a summary of the Capital Improvement Plan as determined by the District Engineer.

Section Four discusses the financing program for the District.

Section Five introduces the special assessment methodology for the District.

2.0 Development Program

2.1 Overview

The District serves the Lake Hills development (the "Development"), a master planned residential development located within the Town of Howey in The Hills, Florida. The District currently consists of approximately 218.93 +/- acres and is generally located west of State Road 19, North of County Road 48, and South of Lake Harris.

2.2 The Development Program

The development of Lake Hills is anticipated to be conducted by HR Lake Hills, LLC or an affiliated entity and Toll Southeast, Inc. (collectively, the "Developer"). Based upon the information provided by the Developer and the District Engineer, the current development plan envisions a total of 571 residential dwelling units, although land use types and unit numbers may change throughout the development period. Table 1 in the *Appendix* illustrates the development plan for the District.

3.0 The Capital Improvement Plan

3.1 Overview

The public infrastructure costs to be funded by the District are described in the Engineer's Report. Only public infrastructure that may qualify for bond financing by the District under Chapter 190, Florida Statutes and under the Internal Revenue Code of 1986, as amended, was included in these estimates.

3.2 The Capital Improvement Plan

The Capital Improvement Plan needed to serve the Development is projected to consist of improvements which will serve all of the lands in the District. The District, however, reserves the right to create distinct assessment areas to coincide with the phases of development. The Capital Improvement Plan consists of roadways (onsite and offsite), clearing/grading of public lands, stormwater management system, water & wastewater systems (onsite and offsite), hardscaping, landscape, irrigation, undergrounding of electrical conduit, wetland mitigation, recreational, various offsite improvements, and professional services as set forth in more detail in the Engineer's Report. At the time of this writing, the total cost of the Capital Improvement Plan is estimated to be approximately \$81,777,630.

The CIP is anticipated to be developed in one or more phases to coincide with and support the development of the land within the District and all of the public infrastructure improvements that comprise the Capital Improvement Plan will serve and provide benefit to all land uses in the District and will comprise an interrelated system of improvements, which means all of the improvements will serve the entire District and all improvements will be interrelated such that they will reinforce one another.

Table 2 in the *Appendix* illustrates the specific components of the Capital Improvement Plan and their costs.

4.0 Financing Program

4.1 Overview

As noted above, the District is embarking on a program of capital improvements which will facilitate the development of lands within the District. Generally, construction of public improvements is either

funded by the Developer and then acquired by the District or funded directly by the District. As of the time of writing of this Report, the District will most likely acquire completed improvements from the Developer, although the District maintains the complete flexibility to either acquire the public infrastructure from the Developer or construct it, or even partly acquire it and partly construct it.

Even though the actual financing plan may change to include multiple series of bonds, it is likely that in order to fully fund the costs of the Capital Improvement Plan as described in *Section 3.2* in one financing transaction, the District would have to issue approximately \$112,190,000 in par amount of special assessment bonds (the "Bonds") as illustrated in Table 3 in the *Appendix*.

Please note that the purpose of this Report is to allocate the benefit of the Capital Improvement Plan to the various land uses in the District and based on such benefit allocation to apportion the maximum debt necessary to fund the Capital Improvement Plan. The discussion of the structure and size of the indebtedness is based on various estimates and is subject to change.

4.2 Types of Bonds Proposed

The proposed financing plan for the District provides for the issuance of the Bonds in the approximate principal amount of \$112,190,000, in one or more Series with various maturities, to finance approximately \$81,777,630 in Capital Improvement Plan costs. The Bonds as projected under this financing plan would be structured to be amortized in 30 annual installments following a not-to-exceed 24-month capitalized interest period. Interest payments on the Bonds would be made every May 1 and November 1, and principal payments on the Bonds would be made either on May 1 or on November 1.

In order to finance the CIP, the District would need to borrow more funds and incur indebtedness in the total amount of approximately \$112,190,000. The difference is comprised of funding debt service reserves, paying capitalized interest, underwriter's discount and costs of issuance. Preliminary sources and uses of funding for the Bonds are presented in Table 3 in the *Appendix*.

Please note that the structure of the Bonds as presented in this Report is preliminary and may change due to changes in the development program, market conditions, timing of infrastructure installation as well as for other reasons. The

District maintains complete flexibility as to the structure of the Bonds and reserves the right to modify it as necessary.

5.0 Assessment Methodology

5.1 Overview

The issuance of the Bonds provides the District with funds necessary to construct/acquire the infrastructure improvements which are part of the Capital Improvement Plan outlined in *Section 3.2* and described in more detail in the Engineer's Report. These improvements lead to special and general benefits, with special benefits accruing to the properties within the boundaries of the District and general benefits accruing to areas outside the District but being only incidental in nature. The debt incurred in financing the public infrastructure will be secured by assessing properties within the District that derive special and peculiar benefits from the Capital Improvement Plan. All properties within the District that receive special benefits from the Capital Improvement Plan will be assessed for their fair share of the debt issued in order to finance all or a portion of the Capital Improvement Plan.

5.2 Benefit Allocation

The most current development plan for the District envisions the development of 571 residential dwelling units, developed in one or more phases, although phasing, unit numbers and land use types may change throughout the development period.

The public infrastructure improvements that comprise the Capital Improvement Plan will comprise an interrelated system of improvements, which means all of the improvements will serve the entire District and improvements will be interrelated such that they will reinforce one another.

By allowing for the land in the District to be developable, both the public infrastructure improvements that comprise the Capital Improvement Plan and their combined benefit will be greater than the sum of their individual benefits. All of the land uses within the District will benefit from each infrastructure improvement category, as the public improvements provide basic infrastructure to all land within the District and benefit all land within the District as an integrated system of public improvements.

As stated previously, the public infrastructure improvements included in the Capital Improvement Plan have a logical connection to the special and peculiar benefits received by the land within the District, as without such improvements, the development of the properties within the District would not be possible. Based upon the connection between the improvements and the special and peculiar benefits to the land within the District, the District can assign or allocate a portion of the District's debt through the imposition of non-ad valorem special assessments, to the land receiving such special and peculiar benefits. Even though these special and peculiar benefits are real and ascertainable, the precise amount of the benefit cannot yet be calculated with mathematical certainty. However, such benefit is more valuable than the cost of, or the actual non-ad valorem special assessment amount levied for, the improvement or debt allocated to that parcel.

The benefit associated with the Capital Improvement Plan of the District is proposed to be allocated to the different product types within the District in proportion to their density of development and intensity of use of the infrastructure as measured by a standard unit called an Equivalent Residential Unit ("ERU"). Table 4 in the *Appendix* illustrates the ERU weights that are proposed to be assigned to the product type contemplated to be developed within the District based on the densities of development and the intensities of use of master infrastructure, total ERU counts for each product type, and the share of the benefit received by each product type.

The rationale behind the different ERU weights is supported by the fact that generally and on average products with smaller lot sizes, such as Townhomes, will use and benefit from the improvements which are part of the Capital Improvement Plan less than products with larger lot sizes, such as Single-Family units. For instance, generally and on average products with smaller lot sizes, such as Townhomes, will produce less storm water runoff, may produce fewer vehicular trips, and may need less water/sewer capacity than products with larger lot sizes, such as Single-Family units. Additionally, the value of the products with larger lot sizes, such as Single-Family units, is likely to appreciate by more in terms of dollars than that of the products with smaller lot sizes, such as Townhomes, as a result of the implementation of the infrastructure improvements. As the exact amount of the benefit and appreciation is not possible to be calculated at this time, the use of ERU measures serves as a reasonable approximation of the relative amount of benefit received by each product type from the District's public infrastructure improvements that are part of the Capital Improvement Plan. As the development plan associated with the District land is preliminary and

subject to change, there is a possibility that certain product types may be created which are not currently contemplated within Table 4 herein.

Table 5 in the *Appendix* presents the apportionment of the non-ad valorem special assessments associated with the Bonds funding the District's Capital Improvement Plan (the "Bond Assessments") to the residential units contemplated to be developed within the District in accordance with the ERU benefit allocation method presented in Table 4. Table 5 also presents the annual levels of the projected Bond Assessments per unit.

Amenities - No Bond Assessments are allocated herein to any private amenities or other common areas planned for the development. If owned by a homeowner's association or a master property owner's association, the amenities and common areas would be considered a common element for the exclusive benefit of property owners. Accordingly, any benefit to the amenities and common areas would directly benefit all platted lots in the District. If the amenities are owned by the District, then they would be governmental property not subject to the Bond Assessments and would be open to the general public, subject to District rules and policies. As such, no Bond Assessments will be assigned to the amenities and common areas.

Government Property - If at any time, any portion of the property contained in the District is sold or otherwise transferred to a unit of local, state, or federal government or similar exempt entity (without consent of such governmental unit or similarly exempt entity to the imposition of Bond Assessments thereon), all future unpaid Bond Assessments for such tax parcel shall become due and payable immediately prior to such transfer.

5.3 Assigning Bond Assessments

As the land in the District is not yet platted for its intended final use and the precise location of the various product types by lot or parcel is unknown, the Bond Assessments will initially be levied on all of the gross acres of land in the District. Consequently, the Bond Assessments in the total amount of \$112,190,000 will be preliminary levied on approximately 218.93 +/- gross acres on an equal pro-rata gross acre basis at a rate of \$512,446.90 per acre.

As the land is platted, the Bond Assessments will be allocated to each platted parcel on a first platted-first assigned basis based on the planned use for that platted parcel as reflected in Table 5 in the

Appendix. Such allocation of Bond Assessments to platted parcels will reduce the amount of Bond Assessments levied on unplatted gross acres within the District.

Transferred Property. In the event unplatted land is sold to a third party not affiliated with the Developer (the “Transferred Property”), the Bond Assessments will be assigned to such Transferred Property at the time of the sale based on the maximum total number of ERUs assigned by the Developer to that Transferred Property, subject to review by the District’s methodology consultant, to ensure that any such assignment is reasonable, supported by current development rights and plans, and otherwise consistent with this Report. The owner of the Transferred Property will be responsible for the total Bond Assessments applicable to the Transferred Property, regardless of the total number of ERUs ultimately actually platted. This total Bond Assessment is allocated to the Transferred Property at the time of the sale. If the Transferred Property is subsequently sub-divided into smaller parcels, the total Bond Assessment initially allocated to the Transferred Property will be re-allocated to the smaller parcels pursuant to the Methodology as described herein (i.e., equal assessment per acre until platting).

5.4 Lienability Test: Special and Peculiar Benefit to the Property

As first discussed in *Section 1.3*, Special Benefits and General Benefits, public infrastructure improvements undertaken by the District create special and peculiar benefits to certain properties within the District. The District's improvements benefit assessable properties within the District and accrue to all such assessable properties on an ERU basis.

Public infrastructure improvements undertaken by the District can be shown to be creating special and peculiar benefits to the property within the District. The special and peculiar benefits resulting from each improvement include, but are not limited to:

- a. added use of the property;
- b. added enjoyment of the property;
- c. decreased insurance premiums;
- d. increased marketability and value of the property

The public infrastructure improvements which are part of the Capital Improvement Plan make the land in the District developable and saleable and when implemented jointly as parts of the Capital Improvement Plan, provide special and peculiar benefits which are greater than the benefits of any single category of improvements.

These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value; however, such benefits are more valuable than either the cost of, or the actual assessment levied for, the improvement or debt allocated to the parcel of land.

5.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay

A reasonable estimate of the proportion of special and peculiar benefits received by the various product types from the public improvements is delineated in Table 4 (expressed as the ERU factors) in the *Appendix*.

The apportionment of the Bond Assessments is fair and reasonable because it was conducted on the basis of consistent application of the methodology described in *Section 5.2* across all assessable property within the District according to reasonable estimates of the special and peculiar benefits derived from the Capital Improvement Plan by different product types. Accordingly, no acre or parcel of property within the District will be liened for the payment of any non-ad valorem special assessment more than the determined special benefit peculiar to that property.

5.6 True-Up Mechanism

The District's assessment program is predicated on the development of lots in a manner sufficient to include all of the planned ERUs as set forth in Table 1 in the *Appendix* ("Development Plan"). At such time as lands are to be platted (or re-platted) or site plans are to be approved (or re-approved), the plat or site plan (either, herein, "Proposed Plat") shall be presented to the District for a "true-up" review as follows:

a. If a Proposed Plat within the District results in the same amount of ERUs (and thus Bond Assessments) able to be imposed on the "Remaining Unplatted Developable Lands" within the District (i.e., those remaining unplatted developable lands after the Proposed Plat is recorded) as compared to what was originally contemplated under the Development Plan, then the District shall allocate the Bond Assessments to the product types being platted and the remaining property in accordance with this Report, and cause the Bond Assessments to be recorded in the District's Improvement Lien Book.

b. If a Proposed Plat within the District has more than the anticipated ERUs (and Bond Assessments) such that the Remaining Unplatted Developable Lands would be assigned fewer ERUs (and Bond Assessments) than originally contemplated in the Development Plan, then the District may undertake a pro rata reduction of Bond Assessments for all assessed properties within the District, may allocate additional ERUs/densities for a future bond financing, or may otherwise address such net decrease as permitted by law.

c. If a Proposed Plat within the District has fewer than the anticipated ERUs (and Bond Assessments) such that the Remaining Unplatted Developable Lands would have to be assigned more ERUs (and Bond Assessments) in order to fully assign all of the ERUs originally contemplated in the Development Plan, then the District shall require the landowner(s) of the lands encompassed by the Proposed Plat to pay a "True-Up Payment" equal to the difference between: (i) the Bond Assessments originally contemplated to be imposed on the lands subject to the Proposed Plat, and (ii) the Bond Assessments able to be imposed on the lands subject to the Proposed Plat, after the Proposed Plat (plus applicable interest, collection costs, penalties, etc.).

With respect to the foregoing true-up analysis, the District's Assessment Consultant, in consultation with the District Engineer and District Counsel, shall determine in his or her reasonable discretion what amount of ERUs (and thus Bond Assessments) are able to be imposed on the Remaining Unplatted Developable Lands within the District, taking into account a Proposed Plat, by reviewing: a) the original, overall development plan showing the number and type of units reasonably planned within the District, b) the revised, overall development plan showing the number and type of units reasonably planned within the District, c) proof of the amount of entitlements for the Remaining Unplatted Developable Lands within the District, d) evidence of allowable zoning conditions that would enable those entitlements to be placed in accordance with the revised development plan, and e) documentation that shows the feasibility of implementing the proposed development plan. Prior to any decision by the District not to impose a true-up payment, a supplemental methodology shall be produced demonstrating that there will be sufficient assessments to pay debt service on the applicable series of bonds and the District will conduct new proceedings under Chapters 170, 190 and 197, Florida Statutes upon the advice of District Counsel.

Any True-Up Payment shall become due and payable that tax year by the landowner of the lands subject to the Proposed Plat within the District, shall be in addition to the regular assessment installment payable for such lands, and shall constitute part of the debt assessment liens imposed against the Proposed Plat property until paid. A True-Up Payment shall include accrued interest on the applicable bond series to the quarterly redemption date that occurs at least 45 days after the True-Up Payment (or the second succeeding quarterly redemption date if such True-Up Payment is made within forty-five (45) calendar days before a quarterly redemption date (or such other time as set forth in the supplemental indentures for the applicable bond series).

All Bond Assessments levied run with the land, and such assessment liens include any True-Up Payments. The District will not release any liens on property for which True-Up Payments are due, until payment has been satisfactorily made. Further, upon the District's review of the final plat for the developable acres within the District, any unallocated Bond Assessments shall become due and payable and must be paid prior to the District's approval of that plat. This true-up process applies for both plats and/or re-plats.

Such review shall be limited solely to the function and the enforcement of the District's assessment liens and/or true-up agreements. Nothing herein shall in any way operate to or be construed as providing any other plat approval or disapproval powers to the District. For further detail on the true-up process, please refer to any applicable True-Up Agreement and assessment resolution(s).

5.7 Assessment Roll

Based on the equal assessment per gross acre allocation proposed in Section 5.2, the Bond Assessments in the amount of \$112,190,000 are proposed to be levied over the area described in Exhibit "A". Excluding any capitalized interest period, Bond Assessments shall be paid in no more than thirty (30) annual principal installments.

5.8 Additional Items Regarding Bond Assessment Imposition and Allocation

Master Lien - This Report is intended to establish the necessary benefit and fair and reasonable allocation findings for a master assessment lien, which may give rise to one or more individual assessment liens relating to individual bond issuances necessary to fund all or a portion of the project referenced herein comprising the Capital Improvement Plan. All such liens shall be within the benefit

limits established herein and using the allocation methodology described herein, and shall be described in one or more supplemental reports.

System of Improvements - As noted herein, the Capital Improvement Plan functions as a system of improvements. Among other implications, this means that proceeds from any particular bond issuance can be used to fund improvements within any benefitted property or designated assessment area within the District, regardless of where the Bond Assessments are levied, provided that Bond Assessments are fairly and reasonably allocated across all benefitted properties.

Contributions - As set forth in any supplemental report, and for any particular bond issuance, the Developer may opt to “buy down” the Bond Assessments on particular product types and/or lands using a contribution of cash, infrastructure or other consideration, and in order for Bond Assessments to reach certain target levels. Note that any “true-up,” as described herein, shall require a payment to satisfy “true-up” obligations. Any amounts contributed by the Developer to pay down Bond Assessments will not be eligible for “deferred costs,” or any other form of repayment, if any are provided for in connection with any particular bond issuance.

New Unit Types. As noted herein, this report identifies the anticipated product types for the development, and associates particular ERU factors with each product type. If new product types are identified in the course of development, the District’s Assessment Consultant – without a further hearing – may determine the ERU factor for the new product type on a front footage basis, provided that such determination is made on a pro-rated basis and derived from the front footage of existing product types and their corresponding ERUs. For example, if a Single Family 50’ unit has an ERU of 1.00, and a Single Family 60’ unit has an ERU of 1.20, then a new Single Family 55’ unit would have an ERU of 1.10.

1.0 Introduction

1.1 Purpose

This Preliminary First Supplemental Special Assessment Methodology Report (the "Supplemental Report") was developed to supplement the Master Special Assessment Methodology Report (the "Master Report") dated March 6, 2026 and to provide a supplemental financing plan and a supplemental special assessment methodology for Phase 1 (herein "Assessment Area One") of the Lake Hills Community Development District (the "District"), located within the Town of Howey-in-the-Hills, Lake County, Florida. This Supplemental Report was developed in relation to funding by the District of a portion of the costs of public infrastructure improvements (the "Capital Improvement Plan" or "CIP") contemplated to be provided by the District.

1.2 Scope of the Supplemental Report

This Supplemental Report presents the projections for financing a portion of the District's Capital Improvement Plan known as the "Assessment Area One Project" and described in the Engineer's Report developed by Madden Moorehead & Stokes, LLC (the "District Engineer") and dated March 2026 (the "Master Engineer's Report") as supplemented by that certain Supplemental Engineer's Report (Assessment Area One Project) dated June 2026 (the "Supplemental Engineer's Report" and together with the Master Engineer's Report, the "Engineer's Report"), as well as describes the method for the allocation of special benefits and the apportionment of special assessment debt resulting from the provision and partial funding of the Assessment Area One Project.

1.3 Special Benefits and General Benefits

Public infrastructure improvements undertaken and funded by the District as part of the Assessment Area One Project create special and peculiar benefits within Assessment Area One, different in kind and degree than general benefits to the public at large. However, as discussed within this Supplemental Report, these general benefits are incidental in nature and are readily distinguishable from the special and peculiar benefits which accrue to property within Assessment Area One within the District. The District's Assessment Area One Project enables properties within Assessment Area One to be developed.

There is no doubt that the general public and property owners outside of the District will benefit from the provision of the Assessment Area One Project. However, these benefits are only incidental since the Assessment Area One Project is designed to provide special benefits peculiar to property within Assessment Area One of the District. Properties outside of the District are not directly served by the Assessment Area One Project and do not depend upon the Assessment Area One Project to obtain or to maintain their development entitlements. This fact alone clearly distinguishes the special benefits which District properties within Assessment Area One receive compared to those lying outside of the District's boundaries.

The Assessment Area One Project will provide public infrastructure improvements which are all necessary to make the lands within Assessment Area One developable and saleable. The installation of such improvements will result in the benefit to the developable and saleable lands within Assessment Area One in excess of the financed cost of the individual components of the Assessment Area One Project. Even though the exact value of the benefits provided by the Assessment Area One Project is hard to estimate at this point, it is nevertheless greater than the costs associated with providing the same.

1.4 Organization of the Supplemental Report

Section Two describes the development program as proposed by the Developer, as defined below.

Section Three provides a summary of the Assessment Area One Project as determined by the District Engineer.

Section Four discusses the supplemental financing program for Assessment Area One.

Section Five introduces the supplemental special assessment methodology for Assessment Area One.

2.0 Development Program

2.1 Overview

The District serves the Lake Hills development (the "Development"), a master planned residential development located within the Town of Howey-in-the-Hills, Florida. The District currently consists of

approximately 218.93 +/- acres and is generally located west of State Road 19, North of County Road 48, and South of Lake Harris.

2.2 The Development Program

The development of Lake Hills is anticipated to be conducted by HR Lake Hills, LLC or an affiliated entity and/or Toll Southeast, Inc. (collectively, the "Developer"). Based upon the information provided by the Developer and the District Engineer, the current development plan envisions a total of 571 residential dwelling units developed in multiple phases, although land use types and unit numbers may change throughout the development period. Of the aforementioned residential units, 214 residential units are anticipated to be developed within Assessment Area One. Table 1 in the *Appendix* illustrates the development plan for Assessment Area One.

3.0 The Assessment Area One Project

3.1 Overview

The public infrastructure costs to be funded by the District for the Assessment Area One Project are described by the District Engineer in the Engineer's Report. Only public infrastructure that may qualify for bond financing by the District under Chapter 190, Florida Statutes and under the Internal Revenue Code of 1986, as amended, was included in these estimates.

3.2 The Assessment Area One Project

The improvements needed to complete the Assessment Area One Project are projected to consist of public sitework & storm drainage, public roadways (inside and outside soft gates), water and wastewater systems, off-site improvements (utilities), off-site improvements (turn lanes), off-site sewer capacity/CIAC, off-site water capacity, and differential cost of undergrounding conduit as set forth in more detail in the Engineer's Report.

Even though the Assessment Area One Project is anticipated to coincide with and support the development of the land within Assessment Area One, all of the infrastructure included in the Assessment Area One Project will comprise an interrelated system of improvements, which means that all of the improvements will serve the entire District and all improvements will be interrelated such that they will reinforce one another. At the time of writing this Supplemental Report, the total costs of the Assessment Area One Project are estimated at \$19,769,571. Table 2 in the *Appendix*

illustrates the specific components of the Assessment Area One Project and their costs.

4.0 Financing Program

4.1 Overview

As noted above, the District is embarking on a program of capital improvements which will facilitate the development of lands within the District. Generally, construction of public improvements is either funded by the Developer and then acquired by the District or constructed and funded directly by the District. As of the time of writing this Supplemental Report, the District will most likely acquire completed improvements from the Developer although the District maintains the complete flexibility to either acquire the public infrastructure from the Developer or construct it, or even partly acquire it and partly construct it.

The District intends to issue its Capital Improvement Revenue Bonds, Series 2026 (Assessment Area One) in the estimated principal amount of \$8,420,000* (the "Series 2026 Bonds") to fund an estimated \$7,508,084.60* in Assessment Area One Project costs, with the balance of the costs in the estimated amount of \$12,261,486.40* anticipated to be constructed by the Developer and contributed to the District (or applicable ownership and maintenance entity) at no cost to the District, or financed in whole, or in part, by future bonds issued by the District. The Series 2026 Bonds are secured by the special assessments levied on the property within Assessment Area One, as described herein (the "Series 2026 Bond Assessments").

4.2 Types of Bonds Proposed

The Series 2026 Bonds as projected under this supplemental financing plan would be structured to be amortized in 30 annual installments with bi-annual interest payments and annual principal payments.

In order to finance a portion of the costs of the Assessment Area One Project, the District would need to borrow more funds and incur indebtedness in the total amount estimated at \$8,420,000*. The difference is comprised of funding a debt service reserve account and paying capitalized interest and costs of issuance, including the underwriter's discount. Preliminary sources and uses of funding for the Series 2026 Bonds are presented in Table 3 in the *Appendix*.

* Preliminary, subject to change

5.0 Assessment Methodology

5.1 Overview

The issuance of the Series 2026 Bonds provides the District with a portion of funds necessary to construct/acquire the public infrastructure improvements which are part of the Assessment Area One Project outlined in Section 3.2 and described in more detail by the District Engineer in the Engineer's Report. These improvements lead to special and general benefits, with special benefits accruing to properties within Assessment Area One. General benefits accrue to areas outside of the District, but are only incidental in nature. The debt incurred in financing the public infrastructure will be secured by assessing properties within Assessment Area One that derive special and peculiar benefits from the Assessment Area One Project. All properties within Assessment Area One that receive special benefits from the Assessment Area One Project will be assessed for their fair share of the debt issued in order to finance a portion of the Assessment Area One Project.

5.2 Benefit Allocation

The current development plan envisions a total of 571 residential units developed within the lands currently contained within the boundaries of the District. Of the aforementioned residential units, 214 residential units are anticipated to be developed within Assessment Area One, although unit numbers and land use types may change throughout the development period.

The public infrastructure included in the Assessment Area One Project will comprise an interrelated system of improvements, which means that all of the improvements will serve the District but in particular Assessment Area One and such public improvements will be interrelated such that they will reinforce each other and their combined benefit will be greater than the sum of their individual benefits. All of the land uses within Assessment Area One will benefit from each infrastructure improvement category, as the improvements provide basic infrastructure to all land within Assessment Area One and benefit all land within Assessment Area One.

As stated previously, the public infrastructure improvements included in the Assessment Area One Project have a logical connection to the special and peculiar benefits received by the land within Assessment Area One, as without such improvements, the development of the properties within Assessment Area One would not be possible.

Based upon the connection between the improvements and the special and peculiar benefits to the land within Assessment Area One within the District, the District can assign or allocate the District's debt through the imposition of the Series 2026 Bond Assessments, to the land receiving such special and peculiar benefits. Even though these special and peculiar benefits are real and ascertainable, the precise amount of the benefit to the assessable lands within Assessment Area One cannot yet be calculated with mathematical certainty. However, such benefit is more valuable than the cost of, or the actual Series 2026 Bond Assessments amount levied for, the public improvement or debt allocated to such land. In following the Master Report, this Supplemental Report proposes to allocate the benefit associated with the Assessment Area One Project to the different product types proposed to be developed within Assessment Area One in proportion to their density of development and intensity of use of infrastructure as measured by a standard unit called an Equivalent Residential Unit ("ERU"). Table 4 in the *Appendix* illustrates the ERU weights that are proposed to be assigned to the product types contemplated to be developed within Assessment Area One based on the densities of development and the intensities of use of the public infrastructure. Total ERU counts for each product type, and the share of the benefit received by each product type is as shown in Table 4.

The rationale behind the different ERU weights is supported by the fact that generally and on average products with smaller lot sizes will use and benefit from the improvements which are part of the Assessment Area One Project less than products with larger lot sizes. For instance, generally and on average products with smaller lot sizes will produce less storm water runoff, may produce fewer vehicular trips, and may need less water/sewer capacity than products with larger lot sizes. Additionally, the value of the products with larger lot sizes is likely to appreciate by more in terms of dollars than that of the products with smaller lot sizes as a result of the implementation of the infrastructure improvements. As the exact amount of the benefit and appreciation is not possible to be calculated at this time, the use of ERU measures serves as a reasonable approximation of the relative amount of benefit received by representatives of different unit types from the District's CIP infrastructure improvements that are part of the Assessment Area One Project.

Further, Table 5 illustrates the approximate costs that are projected to be financed with the Series 2026 Bonds, and the approximate costs of the portion of the Assessment Area One Project to be contributed by the Developer, as the case may be. With the Series

2026 Bonds funding approximately \$7,508,084.60* in costs of the Assessment Area One Project, the Developer is anticipated to fund improvements valued at an estimated cost of \$12,261,486.40* which will not be funded with proceeds of the Series 2026 Bonds. Finally, Table 6 in the *Appendix* presents the apportionment of the Series 2026 Bond Assessments and also presents the annual levels of the projected annual debt service assessments per unit.

Amenities. No Series 2026 Bond Assessments are allocated herein to any private amenities or other common areas planned for the Development. If owned by a homeowner's association, the amenities and common areas would be considered a common element for the exclusive benefit of property owners. Accordingly, any benefit to the amenities and common areas would directly benefit all platted lots in the District. If the amenities are owned by the District, then they would be governmental property not subject to the Series 2026 Bond Assessments and would be open to the general public, subject to District rates, rules and policies. As such, no Series 2026 Bond Assessments will be assigned to the amenities and common areas.

Government Property. Real property owned by units of local, state, and federal governments, or similarly exempt entities, shall not be subject to the Series 2026 Bond Assessments without specific consent thereto. If at any time, any portion of the property contained in the District is proposed to be sold or otherwise transferred to a unit of local, state, or federal government, or similarly exempt entity (without consent of such governmental unit to the imposition of Series 2026 Bond Assessments thereon), all future unpaid Series 2026 Bond Assessments for such tax parcel shall become due and payable immediately prior to such transfer.

New Product Types. Generally stated, the Series 2026 Bond Assessments have been established based on an ERU value per front foot for the anticipated product types as set forth in Table 4. However, as noted herein and in the Master Report, additional or different product types may be developed throughout the development period. In such an event, the District's Assessment Consultant – without a further hearing - may determine the ERU allocations, and the resulting Series 2026 Bond Assessments, for the added product types based on a front footage basis, provided that such determination is made on a pro-rated basis and derived from the front footage of existing product types and their corresponding ERUs set forth in Table 4.

* Preliminary, subject to change

5.3 Assigning Bond Assessments

As the land in the District is not yet platted for its intended final use and the precise location of the residential units by lot or parcel is unknown, the Series 2026 Bond Assessments will initially be levied on all lands in Assessment Area One on an equal pro-rata gross acre basis, thus the Series 2026 Bond Assessments in the estimated amount of \$8,420,000* will be preliminarily levied on the approximately 81.34 +/- gross acres contained within Assessment Area One at a rate of \$103,516.11* per acre.

When the land in Assessment Area One is platted, or other means of identifying lots can be determined, the Series 2026 Bond Assessments will be allocated to each platted parcel within Assessment Area One on a first platted-first assigned basis based on the planned use for that platted parcel as reflected in Table 6 in the *Appendix*. Such allocation of the Series 2026 Bond Assessments from unplatted gross acres to platted parcels will reduce the amount of the Series 2026 Bond Assessments levied on unplatted gross acres within Assessment Area One. Please note that the Developer is planning to record a Master Plat across the entirety of the District, which will divide the land into tracts. Tracts identified for future development will be replatted into multiple phases, of which Phase 1 is included, and the allocation of the Series 2026 Bond Assessments will be assigned as shown in Table 6.

Transferred Property. In the event unplatted land within Assessment Area One is sold to a third party not affiliated with the Developer (the “Transferred Property”), the Series 2026 Bond Assessments will be assigned to such Transferred Property at the time of the sale based on the maximum total number of ERUs assigned by the Developer to that Transferred Property, subject to review by the District’s methodology consultant, to ensure that any such assignment is reasonable, supported by current development rights and plans, and otherwise consistent with this Supplemental Report. The owner of the Transferred Property will be responsible for the total Series 2026 Bond Assessments applicable to the Transferred Property, regardless of the total number of ERUs ultimately actually platted. This total Series 2026 Bond Assessment is allocated to the Transferred Property at the time of the sale. If the Transferred Property is subsequently sub-divided into smaller parcels, the total Series 2026 Bond Assessments initially allocated to the Transferred Property will be re-allocated to the smaller parcels pursuant to the methodology as described herein (i.e. equal assessment per acre until platting).

* Preliminary, subject to change

5.4 Lienability Test: Special and Peculiar Benefit to the Property

As first discussed in Section 1.3, Special Benefits and General Benefits, public infrastructure improvements undertaken by the District create special and peculiar benefits to the assessable properties within Assessment Area One. The District's improvements benefit assessable properties within Assessment Area One and accrue to all such assessable properties on an ERU basis.

Public infrastructure improvements undertaken by the District can be shown to be creating special and peculiar benefits to the property within the District. The special and peculiar benefits resulting from each improvement include, but are not limited to:

- a. added use of the property;
- b. added enjoyment of the property;
- c. decreased insurance premiums; and
- d. increased marketability and value of the property.

The public infrastructure improvements which are part of the Assessment Area One Project make the land in Assessment Area One developable and saleable and when implemented jointly as parts of the Assessment Area One Project, provide special and peculiar benefits which are greater than the benefits of any single category of improvements. These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value; however, such benefits are more valuable than either the cost of the Assessment Area One Project, or the actual assessment levied for, the public improvement or debt allocated to the assessable lands within Assessment Area One.

5.5 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay

A reasonable estimate of the proportion of special and peculiar benefits received from the improvements is delineated in Table 4 (expressed as ERU factors) in the *Appendix*. The apportionment of the Series 2026 Bond Assessments is fair and reasonable because it was conducted on the basis of consistent application of the methodology described in Section 5.2 across all assessable property within Assessment Area One according to reasonable estimates of the special and peculiar benefits derived from the Assessment Area One Project by different unit types.

Accordingly, no parcel of property within Assessment Area One will be liened for the payment of Series 2026 Bond Assessments more than the determined special benefit peculiar to that property from the Assessment Area One Project and other benefitting Capital Improvement Plan components.

5.6 True-Up Mechanism

The District's assessment program is predicated on the development of lots in a manner sufficient to include all of the planned ERUs as set forth in Table 4 in the Appendix ("Development Plan"). At such time as lands within Assessment Area One are to be platted (or replatted) or site plans are to be approved (or re-approved), the plat or site plan (either, herein, "Proposed Plat") shall be presented to the District for a "true-up" review as follows:

- a. If a Proposed Plat results in the same amount of ERUs (and thus Series 2026 Bond Assessments) able to be imposed on the "Remaining Unplatted Developable Lands" (i.e., those remaining unplatted developable lands within Assessment Area One after the Proposed Plat is recorded) as compared to what was originally contemplated under the Development Plan, then the District shall allocate the Series 2026 Bond Assessments to the product types being platted and the remaining property in accordance with this Supplemental Report, and cause the Series 2026 Bond Assessments to be recorded in the District's improvement lien book.
- b. If a Proposed Plat results in a greater amount of ERUs (and thus Series 2026 Bond Assessments) able to be imposed on the Remaining Unplatted Developable Lands as compared to what was originally contemplated under the Development Plan, then the District may undertake a pro rata reduction of Series 2026 Bond Assessments for all assessed properties within Assessment Area One or may otherwise address such net decrease as permitted by law.
- c. If a Proposed Plat results in a lower amount of ERUs (and thus Series 2026 Bond Assessments) able to be imposed on the Remaining Unplatted Developable Lands as compared to what was originally contemplated under the Development Plan, then the District shall require the landowner(s) of the lands encompassed by the Proposed Plat to pay a "True-Up Payment" equal to the difference between: (i) the Series 2026 Bond Assessments originally contemplated to be imposed on the lands subject to the Proposed Plat, and (ii) the Series 2026 Bond Assessments able to be imposed

on the lands subject to the Proposed Plat, after the Proposed Plat (plus applicable interest, collection costs, penalties, etc.).

With respect to the foregoing true-up analysis, the District's methodology consultant, in consultation with the District Engineer and District Counsel, shall determine in their sole discretion what amount of ERUs (and thus Series 2026 Bond Assessments) are able to be imposed on the Remaining Unplatted Developable Lands, taking into account a Proposed Plat, by reviewing: a) the original, overall Development Plan showing the number and type of units reasonably planned for Assessment Area One, b) the revised, overall development plan showing the number and type of units reasonably planned for Assessment Area One, c) proof of the amount of entitlements for the Remaining Unplatted Developable Lands within Assessment Area One, d) evidence of allowable zoning conditions that would enable those entitlements to be placed in accordance with the revised development plan, and e) documentation that shows the feasibility of implementing the revised development plan. Prior to any decision by the District not to impose a True-Up Payment, a supplemental methodology shall be produced demonstrating that there will be sufficient Series 2026 Bond Assessments to pay debt service on the Series 2026 Bonds and the District will conduct new proceedings under Chapters 170, 190 and 197, Florida Statutes upon the advice of District Counsel.

Any True-Up Payment shall become due and payable that tax year by the landowner of the lands subject to the Proposed Plat, shall be in addition to the regular assessment installment payable for such lands, and shall constitute part of the debt assessment liens imposed against the Proposed Plat property until paid. A True-Up Payment shall include accrued interest on the Series 2026 Bonds to the Quarterly Redemption Date (as defined in the supplemental indenture relating to the Series 2026 Bonds) that occurs at least 45 days after the True-Up Payment (or the second succeeding Quarterly Redemption Date if such True-Up Payment is made within forty-five (45) calendar days before a Quarterly Redemption Date (or such other time as set forth in the supplemental indenture relating to the Series 2026 Bonds)).

All Series 2026 Bond Assessments levied run with the land, and such assessment liens include any True-Up Payments. The District will not release any liens on property for which True-Up Payments are due, until payment has been satisfactorily made. Further, upon the District's review of the final plat for the developable acres within Assessment Area One, any unallocated Series 2026 Bond Assessments shall become due and payable and must be paid prior

to the District's approval of that plat. This true-up process applies for both plats and/or re-plats.

Such review shall be limited solely to the function and the enforcement of the District's assessment liens and/or true-up agreements. Nothing herein shall in any way operate to or be construed as providing any other plat approval or disapproval powers to the District. For further detail on the true-up process, please refer to the applicable True-Up Agreement and assessment resolution(s).

5.7 Preliminary Assessment Roll

The Series 2026 Bond Assessments in the principal amount of \$8,420,000* are proposed to be levied over the area described in Exhibit "A". Excluding any capitalized interest period, Series 2026 Bond Assessments shall be paid in no more than thirty (30) annual installments.
