

PRELIMINARY LIMITED OFFERING MEMORANDUM DATED JULY 13, 2026

NEW ISSUE - BOOK-ENTRY ONLY
LIMITED OFFERING

NOT RATED

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications of the District and the Developer (as such terms are hereinafter defined) and continuing compliance with certain tax covenants, under existing statutes, regulations, rulings and court decisions, interest on the Series 2026 Bonds (as hereinafter defined) is excludable from gross income for federal income tax purposes and, further, interest on the Series 2026 Bonds will not be an item of tax preference for purposes of the alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Internal Revenue Code of 1986, as amended (the "Code") on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2026 Bonds is not excluded from the determination of adjusted financial statement income. See "TAX MATTERS" herein for a description of certain other federal tax consequences of ownership of the Series 2026 Bonds. Bond Counsel is further of the opinion that the Series 2026 Bonds and the interest thereon are not subject to taxation under the laws of the State of Florida, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in said Chapter 220. See "TAX MATTERS" herein.

See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS" herein.

INTRODUCTION

The purpose of this Limited Offering Memorandum is to set forth certain information in connection with the offering for sale and issuance by the Seaton Creek Reserve Community Development District (the “District”) of its \$6,820,000* Special Assessment Bonds, Series 2026 (Assessment Area Two) (the “Series 2026 Bonds”).

THE SERIES 2026 BONDS ARE NOT A SUITABLE INVESTMENT FOR ALL INVESTORS. PURSUANT TO APPLICABLE STATE LAW, THE UNDERWRITER IS LIMITING THIS INITIAL OFFERING OF THE SERIES 2026 BONDS TO ONLY ACCREDITED INVESTORS WITHIN THE MEANING OF CHAPTER 517, FLORIDA STATUTES, AS AMENDED, AND THE RULES OF THE FLORIDA DEPARTMENT OF FINANCIAL SERVICES. THE LIMITATION OF THE INITIAL OFFERING TO ACCREDITED INVESTORS DOES NOT DENOTE RESTRICTIONS ON TRANSFERS IN ANY SECONDARY MARKET FOR THE SERIES 2026 BONDS. POTENTIAL INVESTORS ARE SOLELY RESPONSIBLE FOR EVALUATING THE MERITS AND RISKS OF AN INVESTMENT IN THE SERIES 2026 BONDS. SEE “BONDOWNERS’ RISKS” AND “SUITABILITY FOR INVESTMENT” HEREIN.

The District was created pursuant to the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended (the “Act”), and by Ordinance No. 2021-451-E enacted by the City Council of the City of Jacksonville, Florida (the “City”) on August 24, 2021 and became effective on August 30, 2021 (the “Ordinance”). The District was created for the purpose of financing the acquisition and construction of and managing the maintenance and operation of certain community development services and facilities for the benefit of District Lands (as defined in the herein defined Indenture), and has previously determined to undertake the acquisition and/or construction of certain public improvements and community facilities as set forth in the Act for the special benefit of certain District Lands. The Act authorizes the District to issue bonds for the purpose of, among others, financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping water management, water supply, sewer and wastewater management, bridges or culverts, public roads, landscape and hardscape improvements, and other basic infrastructure projects within or without the boundaries of the District as provided in the Act.

The boundaries of the District include approximately 345+/- gross acres of land (of which only 319+/- gross acres of land are developable) located entirely within the incorporated area of the City within Duval County, Florida (the “County”). The District is planned to contain a residential community known as “Seaton Creek” and referred to herein as the “Development.”

Land development associated with the District Lands will occur in phases. The first three phases of land development for the Development consists of approximately 134+/- gross acres of land planned to contain 279 single-family residential units (“Assessment Area One”). The next four phases of land development for the Development consists of approximately 125+/- gross acres of land planned to contain

* Preliminary, subject to change.

285 single-family residential units (“Assessment Area Two”). The remaining two phases of land development for the Development consists of approximately 60+/- gross acres of land planned to contain 189 single-family residential units (“Assessment Area Three”). The Series 2026 Bonds are being issued to finance a portion of the Assessment Area Two Project (as hereinafter defined).

The District previously issued its Series 2023 Bonds to finance a portion of the Assessment Area One Project (as hereinafter defined). The Assessment Area One Project is complete and all 279 lots planned for Assessment Area One have been developed and platted. 274 residential units within Assessment Area One have closed with homebuyers and the remaining 5 residential units are model homes. See “THE DEVELOPMENT – Update on Assessment Area One” for more information.

The District plans to issue one or more additional series of bonds to finance the infrastructure associated with Assessment Area Three. Such additional series of bonds will not be secured by special assessments levied on the lands within Assessment Area One or Assessment Area Two. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS – Additional Obligations” herein for more information.

The Series 2026 Bonds are payable from and secured solely by the Series 2026 Pledged Revenues, which consist primarily of the Series 2026 Special Assessments (as hereinafter defined). The Series 2026 Special Assessments will at issuance be levied on the 37 platted lots within Assessment Area Two and initially be levied on the remaining 113+/- gross acres of land within Assessment Area Two until such time as the remaining 248 planned lots are platted. As platting of the remaining 248 planned lots within Assessment Area Two occurs, the Series 2026 Special Assessments will be assigned to the platted lots within Assessment Area Two on a first platted, first assigned basis, as set forth in the Assessment Methodology. See “APPENDIX D: ASSESSMENT METHODOLOGY” herein. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS” herein.

Millrose Properties Florida, LLC, a Florida limited liability company (the “Land Bank”) is the owner of a majority of the assessable land within Assessment Area Two. The Land Bank entered into the Construction Agreement (as hereinafter defined) with Lennar Homes, LLC, a Florida limited liability company (the “Developer”) pursuant to which the Developer will manage the installation of infrastructure improvements for Assessment Area Two. As of June 30, 2026, the Land Bank owns the land planned for 273 lots in Assessment Area Two and the Developer has taken down 12 platted lots within Assessment Area Two in accordance with the Option Agreement (as hereinafter defined). See “THE DEVELOPMENT” and “THE LAND BANK AND THE DEVELOPER” herein for more information.

The Series 2026 Bonds are being issued by the District pursuant to the Act, Resolution No. 2021-24 and Resolution No. 2026-03 adopted by the Board of Supervisors of the District (the “Board”) on September 21, 2021 and May 14, 2026, respectively, and a Master Trust Indenture dated as of June 1, 2023 (the “Master Indenture”), as supplemented by a Second Supplemental Trust Indenture dated as of July 1, 2026 (the “Second Supplemental Indenture” and, together with the Master Indenture, the “Indenture”), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”). Capitalized terms not defined herein shall have the meanings assigned to them in the Indenture. See “APPENDIX A: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE” herein.

Proceeds of the Series 2026 Bonds will be used to provide funds (i) for the payment of the Costs of acquiring and/or constructing a portion of the Assessment Area Two Project; (ii) to fund interest on the Series 2026 Bonds through at least November 1, 2026; (iii) to fund the Series 2026 Reserve Account in an amount equal to the initial Series 2026 Reserve Requirement (as hereinafter defined); and (iv) to pay the

costs of issuance of the Series 2026 Bonds. See “THE CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA TWO PROJECT” and “ESTIMATED SOURCES AND USES OF FUNDS” herein.

The Series 2026 Bonds will be secured by a pledge of the Series 2026 Pledged Revenues. “Series 2026 Pledged Revenues” shall mean (a) all revenues received by the District from the Series 2026 Special Assessments levied and collected on the assessable lands within Assessment Area Two of the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2026 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2026 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts created and established under the Indenture with respect to or for the benefit of the Series 2026 Bonds; provided, however, that Series 2026 Pledged Revenues shall not include (A) any moneys transferred to the Series 2026 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2026 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) “special assessments” levied and collected by the District under Section 190.022 of the Act for maintenance purposes or “maintenance assessments” levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS” herein.

There follows in this Limited Offering Memorandum a brief description of the District, Assessment Area Two, the Assessment Area Two Project, the Land Bank, the Developer, a description of the terms of the Series 2026 Bonds and summaries of certain terms of the Indenture and certain provisions of the Act. All references herein to the Indenture and the Act are qualified in their entirety by reference to such document and the Act, and all references to the Series 2026 Bonds are qualified by reference to the definitive form thereof and the information with respect thereto contained in the Indenture. The copy of the Master Indenture and proposed form of the Second Supplemental Indenture appear in APPENDIX A hereto.

This Limited Offering Memorandum speaks only as of its date and the information contained herein is subject to change.

Optional Redemption. The Series 2026 Bonds may, at the option of the District, provided written notice hereof has been sent to the Trustee at least forty-five (45) days prior to the redemption date (unless the Trustee will accept less than forty-five (45) days’ notice), be called for redemption prior to maturity as a whole or in part, at any time, on or after May 1, 20__ (less than all Series 2026 Bonds of a maturity to be selected by lot), at a Redemption Price equal to the principal amount of Series 2026 Bonds to be redeemed, plus accrued interest from the most recent Interest Payment Date to the redemption date from moneys on deposit in the Series 2026 Optional Redemption Subaccount of the Series 2026 Bond Redemption Account. If such optional redemption shall be in part, the District shall select such principal amount of Series 2026 Bonds to be optionally redeemed from each maturity so that debt service on the remaining Outstanding Series 2026 Bonds is substantially level.

Mandatory Sinking Fund Redemption. The Series 2026 Bonds maturing on May 1, 20__ are subject to mandatory sinking fund redemption from the moneys on deposit in the Series 2026 Sinking Fund Account on May 1 in the years and in the mandatory sinking fund redemption amounts set forth below at a redemption price of 100% of their principal amount plus accrued interest to the date of redemption.

Upon any redemption of the Series 2026 Bonds other than in accordance with scheduled mandatory sinking fund redemptions, the District shall cause to be recalculated and delivered to the Trustee revised mandatory sinking fund redemption amounts recalculated so as to amortize the Outstanding principal amount of Series 2026 Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Series 2026 Bonds. The mandatory sinking fund redemption amounts as so recalculated shall not result in an increase in the aggregate of the mandatory sinking fund redemption amounts for all Series 2026 Bonds in any year. In the event of a redemption occurring less than forty-five (45) days prior to a date on which a mandatory sinking fund redemption payment is due, the foregoing recalculation shall not be made to the mandatory sinking fund redemption amounts due in the year in which such redemption occurs, but shall be made to the mandatory sinking fund redemption amounts for the immediately succeeding and subsequent years.

Extraordinary Mandatory Redemption in Whole or in Part. The Series 2026 Bonds are subject to extraordinary mandatory redemption prior to maturity by the District in whole or in part, on any date (other than in the case of clause (i) below which extraordinary mandatory redemption in part must occur on a

Quarterly Redemption Date), at a Redemption Price equal to 100% of the principal amount of the Series 2026 Bonds to be redeemed, plus interest accrued to the redemption date, as follows:

(i) from Series 2026 Prepayment Principal deposited into the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account (taking into account the credit from the Series 2026 Reserve Account pursuant to the Second Supplemental Indenture) following a Prepayment in whole or in part of the Series 2026 Special Assessments on any assessable property within Assessment Area Two within the District in accordance with the provisions of the Second Supplemental Indenture.

(ii) from moneys, if any, on deposit in the Series 2026 Funds, Accounts and subaccounts in the Funds and Accounts (other than the Series 2026 Rebate Fund, the Series 2026 Costs of Issuance Account and the Series 2026 Acquisition and Construction Account) sufficient to pay and redeem all Outstanding Series 2026 Bonds and accrued interest thereon to the redemption date or dates in addition to all amounts owed to Persons under the Indenture.

(iii) from any funds remaining on deposit in the Series 2026 Acquisition and Construction Account not otherwise reserved to complete the Assessment Area Two Project (including any amounts transferred from the Series 2026 Reserve Account) all of which have been transferred to the Series 2026 General Redemption Subaccount of the Series 2026 Bond Redemption Account.

Notice of Redemption and of Purchase. When required to redeem or purchase (as described below) Series 2026 Bonds under any provision of the Indenture or directed to do so in writing by the District, the Trustee shall give or cause notice of the redemption, either in whole or in part, to be mailed by first class mail, postage prepaid, at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Series 2026 Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Series 2026 Bonds for which notice was duly mailed in accordance with the Indenture. If the Trustee determines that the giving of notice by mail is not feasible, the Trustee may use any other industry acceptable means of giving notice including, but not limited to, facsimile or email provided the Trustee can establish such other means of giving notice was in fact given.

If at the time of mailing of notice of redemption or purchase, the District shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Series 2026 Bonds called for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

Purchase of Series 2026 Bonds

At the written direction of the District, the Trustee shall apply moneys from time to time available in the Series 2026 Sinking Fund Account to the purchase of Series 2026 Bonds which mature in the aforesaid years, at prices not higher than the principal amount thereof, in lieu of redemption as aforesaid, provided that firm purchase commitments can be made before the notice of redemption would otherwise be required to be given. In the event of purchases at less than the principal amount thereof, the difference between the amount in the Series 2026 Sinking Fund Account representing the principal amount of the

Series 2026 Bonds so purchased and the purchase price thereof (exclusive of accrued interest) shall be transferred to the related Series 2026 Interest Account of the Debt Service Fund.

Book-Entry Only System

The information in this caption concerning DTC (as defined below) and DTC's book-entry system has been obtained from DTC and neither the District nor the Underwriter make any representation or warranty or take any responsibility for the accuracy or completeness of such information.

The Depository Trust Company ("DTC") will act as securities depository for the Series 2026 Bonds. The Series 2026 Bonds will be issued as fully-registered securities registered in the name of Cede & Co. (DTC's partnership nominee) or such other name as may be requested by an authorized representative of DTC. One fully-registered Series 2026 Bond certificate will be issued for each maturity of the Series 2026 Bonds, each in the aggregate principal amount of such maturity, and will be deposited with DTC.

DTC, the world's largest securities depository, is a limited-purpose trust company organized under the New York Banking Law, a "banking organization" within the meaning of the New York Banking Law, a member of the Federal Reserve System, a "clearing corporation" within the meaning of the New York Uniform Commercial Code, and a "clearing agency" registered pursuant to the provisions of Section 17A of the Securities Exchange Act of 1934. DTC holds and provides asset servicing for over 3.5 million issues of U.S. and non-U.S. equity issues, corporate and municipal debt issues, and money market instruments (from over 100 countries) that DTC's participants ("Direct Participants") deposit with DTC. DTC also facilitates the post-trade settlement among Direct Participants of sales and other securities transactions in deposited securities, through electronic computerized book-entry transfers and pledges between Direct Participants' accounts. This eliminates the need for physical movement of securities certificates. Direct Participants include both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, clearing corporations, and certain other organizations. DTC is a wholly-owned subsidiary of The Depository Trust & Clearing Corporation ("DTCC"). DTCC is the holding company for DTC, National Securities Clearing Corporation and Fixed Income Clearing Corporation, all of which are registered clearing agencies. DTCC is owned by the users of its regulated subsidiaries. Access to the DTC system is also available to others such as both U.S. and non-U.S. securities brokers and dealers, banks, trust companies, and clearing corporations that clear through or maintain a custodial relationship with a Direct Participant, either directly or indirectly ("Indirect Participants"). DTC has an S&P Global Ratings, a division of S&P Global Inc. rating of AA+. The DTC Rules applicable to its Participants are on file with the Securities and Exchange Commission. More information about DTC can be found at www.dtcc.com.

Purchases of Series 2026 Bonds under the DTC system must be made by or through Direct Participants, which will receive a credit for the Series 2026 Bonds on DTC's records. The ownership interest of each actual purchaser of each Series 2026 Bond ("Beneficial Owner") is in turn to be recorded on the Direct and Indirect Participants' records. Beneficial Owners will not receive written confirmation from DTC of their purchase. Beneficial Owners are, however, expected to receive written confirmations providing details of the transaction, as well as periodic statements of their holdings, from the Direct or Indirect Participant through which the Beneficial Owner entered into the transaction. Transfers of ownership interests in the Series 2026 Bonds are to be accomplished by entries made on the books of Direct and Indirect Participants acting on behalf of Beneficial Owners. Beneficial Owners will not receive certificates representing their ownership interests in the Series 2026 Bonds, except in the event that use of the book-entry system for the Series 2026 Bonds is discontinued.

To facilitate subsequent transfers, all Series 2026 Bonds deposited by Direct Participants with DTC are registered in the name of DTC's partnership nominee, Cede & Co., or such other name as may be

requested by an authorized representative of DTC. The deposit of the Series 2026 Bonds with DTC and their registration in the name of Cede & Co. or such other DTC nominee do not effect any change in beneficial ownership. DTC has no knowledge of the actual Beneficial Owners of the Series 2026 Bonds; DTC's records reflect only the identity of the Direct Participants to whose accounts such Series 2026 Bonds are credited, which may or may not be the Beneficial Owners. The Direct and Indirect Participants will remain responsible for keeping account of their holdings on behalf of their customers.

Conveyance of notices and other communications by DTC to Direct Participants, by Direct Participants to Indirect Participants, and by Direct Participants and Indirect Participants to Beneficial Owners will be governed by arrangements among them, subject to any statutory or regulatory requirements as may be in effect from time to time. Beneficial Owners of Series 2026 Bonds may wish to take certain steps to augment the transmission to them of notices of significant events with respect to the Series 2026 Bonds, such as redemptions, tenders, defaults, and proposed amendments to the Series 2026 Bond documents. For example, Beneficial Owners of Series 2026 Bonds may wish to ascertain that the nominee holding the Series 2026 Bonds for their benefit has agreed to obtain and transmit notices to Beneficial Owners. In the alternative, Beneficial Owners may wish to provide their names and addresses to the registrar and request that copies of notices be provided directly to them.

Redemption notices shall be sent to DTC. If less than all of the Series 2026 Bonds are being redeemed, DTC's practice is to determine by lot the amount of the interest of each Direct Participant in such Series 2026 Bonds to be redeemed.

Neither DTC nor Cede & Co. (nor any other DTC nominee) will consent or vote with respect to the Series 2026 Bonds unless authorized by a Direct Participant in accordance with DTC's MMI procedures. Under its usual procedures, DTC mails an Omnibus Proxy to the District as soon as possible after the record date. The Omnibus Proxy assigns Cede & Co.'s consenting or voting rights to those Direct Participants to whose accounts the Series 2026 Bonds are credited on the record date (identified in a listing attached to the Omnibus Proxy).

Redemption proceeds, and principal and interest payments on the Series 2026 Bonds will be made to Cede & Co., or such other nominee as may be requested by an authorized representative of DTC. DTC's practice is to credit Direct Participants' accounts upon DTC's receipt of funds and corresponding detail information from the District or the Paying Agent on payable date in accordance with their respective holdings shown on DTC's records. Payments by Participants to Beneficial Owners will be governed by standing instructions and customary practices, as is the case with securities held for the accounts of customers in bearer form or registered in "street name," and will be the responsibility of such Participant and not of DTC nor its nominee, the Trustee, or the District, subject to any statutory or regulatory requirements as may be in effect from time to time. Payment of redemption proceeds, and principal and interest payments to Cede & Co. (or such other nominee as may be requested by an authorized representative of DTC) is the responsibility of the District and/or the Paying Agent, disbursement of such payments to Direct Participants will be the responsibility of DTC, and disbursement of such payments to the Beneficial Owners will be the responsibility of Direct and Indirect Participants.

DTC may discontinue providing its services as depository with respect to the Series 2026 Bonds at any time by giving reasonable notice to the District and the Trustee. Under such circumstances, in the event that a successor depository is not obtained, Series 2026 Bond certificates are required to be printed and delivered.

The District may decide to discontinue, pursuant to the procedures of DTC, use of the system of book-entry only transfers through DTC (or a successor securities depository). In that event, Series 2026 Bond certificates will be printed and delivered to DTC.

SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS

General

THE SERIES 2026 BONDS ARE LIMITED OBLIGATIONS OF THE DISTRICT PAYABLE SOLELY OUT OF THE SERIES 2026 PLEDGED REVENUES PLEDGED THEREFOR UNDER THE INDENTURE AND NEITHER THE PROPERTY, THE FULL FAITH AND CREDIT, NOR THE TAXING POWER OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE OF FLORIDA (THE “STATE”), OR ANY OTHER POLITICAL SUBDIVISION THEREOF, IS PLEDGED AS SECURITY FOR THE PAYMENT OF THE SERIES 2026 BONDS, EXCEPT THAT THE DISTRICT IS OBLIGATED UNDER THE INDENTURE TO LEVY AND TO EVIDENCE AND CERTIFY, OR CAUSE TO BE CERTIFIED, FOR COLLECTION, THE SERIES 2026 SPECIAL ASSESSMENTS TO SECURE AND PAY THE SERIES 2026 BONDS. THE SERIES 2026 BONDS DO NOT CONSTITUTE AN INDEBTEDNESS OF THE DISTRICT, THE CITY, THE COUNTY, THE STATE, OR ANY OTHER POLITICAL SUBDIVISION THEREOF WITHIN THE MEANING OF ANY CONSTITUTIONAL OR STATUTORY PROVISION OR LIMITATION.

The Series 2026 Bonds will be secured by a pledge of the Series 2026 Pledged Revenues. “Series 2026 Pledged Revenues” shall mean (a) all revenues received by the District from the Series 2026 Special Assessments (as defined below) levied and collected on the assessable lands within Assessment Area Two of the District, including, without limitation, amounts received from any foreclosure proceeding for the enforcement of collection of such Series 2026 Special Assessments or from the issuance and sale of tax certificates with respect to such Series 2026 Special Assessments, and (b) all moneys on deposit in the Funds, Accounts and subaccounts created and established under the Indenture with respect to or for the benefit of the Series 2026 Bonds; provided, however, that Series 2026 Pledged Revenues shall not include (A) any moneys transferred to the Series 2026 Rebate Fund and investment earnings thereon, (B) moneys on deposit in the Series 2026 Costs of Issuance Account of the Acquisition and Construction Fund, and (C) “special assessments” levied and collected by the District under Section 190.022 of the Act for maintenance purposes or “maintenance assessments” levied and collected by the District under Section 190.021(3) of the Act (it being expressly understood that the lien and pledge of the Indenture shall not apply to any of the moneys described in the foregoing clauses (A), (B) and (C) of this proviso). See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS” herein.

The “Series 2026 Special Assessments” shall mean the Special Assessments levied on the assessable lands within Assessment Area Two of the District as a result of the District’s acquisition and/or construction of the Assessment Area Two Project, corresponding in amount to the debt service on the Series 2026 Bonds and designated as such in the Assessment Methodology (as defined herein). The Assessment Methodology, which describes the methodology for allocating the Series 2026 Special Assessments to the assessable lands within Assessment Area Two of the District is included as APPENDIX D hereto. The Series 2026 Special Assessments will be levied pursuant to Section 190.022 of the Act, and the Assessment Resolutions (as defined in the Second Supplemental Indenture) and assessment proceedings conducted by the District (together with the Assessment Resolutions, the “Assessment Proceedings”). Non-ad valorem assessments are not based on millage and are not taxes, but are a lien against the lands receiving special benefit, including, but not limited to, homestead property, as permitted in Section 4, Article X of the Florida State Constitution. The Series 2026 Special Assessments will constitute a lien against the land as to which

the Series 2026 Special Assessments are imposed. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein.

Assessment Methodology / Series 2026 Special Assessments

As set forth in the Assessment Methodology, the Series 2026 Special Assessments will at issuance be levied on the 37 platted lots within Assessment Area Two and initially be levied on the remaining 113+/- gross acres of land within Assessment Area Two until such time as the remaining 248 planned lots are platted. As platting of the remaining 248 planned lots within Assessment Area Two occurs, the Series 2026 Special Assessments will be assigned to platted lots within Assessment Area Two on a first platted, first assigned basis. Assuming that all of the 285 planned residential units within Assessment Area Two are developed and platted, then the Series 2026 Special Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See “THE DEVELOPMENT – Development Plan/Status” and “APPENDIX D: ASSESSMENT METHODOLOGY” herein.

<u>Product Type</u>	<u>No. of Units</u>	<u>Annual Series 2026 Special Assessments Per Unit**</u>	<u>Series 2026 Bonds Par Debt Per Unit*</u>
Single-Family	285	\$1,800.00	\$23,929.82

*Preliminary, subject to change.

**This amount will be grossed up to include early payment discounts and County collection fees, currently 6%.

The District will continue levying assessments on residential units in the Development to cover its operation and maintenance costs that are approximately \$1,810 per residential unit annually, which amount is subject to change. In addition, residents will be required to pay homeowners association fees currently estimated to be \$775 per year per unit. The District has no control over the level of homeowners’ association fees or amenity fees imposed by the homeowners’ association. The land within the District has been and is expected to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2025 was approximately 17.7412, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2026 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School District of Duval County, Florida may each levy ad valorem taxes and/or special assessments upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year. See “THE DEVELOPMENT – Taxes, Fees and Assessments” for more information.

Additional Obligations

The District covenants not to issue any other Bonds or other debt obligations secured by the Series 2026 Special Assessments. Such covenant shall not prohibit the District from issuing refunding bonds. In addition, the District shall not issue any other Bonds or debt obligations for capital projects, secured by any Special Assessments on assessable land within Assessment Area Two within the District which secure the Series 2026 Special Assessments, until the Series 2026 Special Assessments are Substantially Absorbed. The District’s covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. “Substantially Absorbed” means the date at least 75% of the principal portion of the Series 2026 Special Assessments have been assigned to residential units within Assessment Area Two within the District that have received certificates of

occupancy. The Issuer or the District Manager on behalf of the District, shall provide the Trustee with a certification that the Series 2026 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2026 Special Assessments are Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the District may issue other Bonds or debt obligations secured by Special Assessments levied on the same land upon which the Series 2026 Special Assessments have been levied, other than the Series 2026 Special Assessments, at any time upon the written consent of the Majority Holders or at any time without any such consent if Special Assessments are levied on any lands within the District which are not subject to the Series 2026 Special Assessments.

The District (subject to provisions described in the next preceding paragraph) and/or other public entities may impose taxes or other special assessments on the same properties encumbered by the Series 2026 Special Assessments without the consent of the Owners of the Series 2026 Bonds. The District will continue to impose certain non-ad valorem special assessments called maintenance assessments, which are of equal dignity with the Series 2026 Special Assessments, on the same lands upon which the Series 2026 Special Assessments are imposed, to fund the maintenance and operation of the District. See “THE DEVELOPMENT – Taxes, Fees and Assessments” and “BONDOWNERS’ RISKS” herein for more information.

Covenant Against Sale or Encumbrance

In the Master Indenture, the District will covenant that (a) except for those improvements comprising the Assessment Area Two Project that are to be conveyed by the District to the City, the County, the State Department of Transportation or another governmental entity, and (b) except as otherwise permitted in the Indenture, it will not sell, lease or otherwise dispose of or encumber the Assessment Area Two Project or any part thereof. See “APPENDIX A: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE” herein for more information.

Series 2026 Reserve Account

The Indenture establishes a Series 2026 Reserve Account within the Debt Service Reserve Fund for the Series 2026 Bonds. The Series 2026 Reserve Account will, at the time of delivery of the Series 2026 Bonds, be funded from a portion of the proceeds of the Series 2026 Bonds in an amount equal to the Series 2026 Reserve Requirement. “Series 2026 Reserve Requirement” or “Reserve Requirement” shall mean an amount initially equal to fifty percent (50%) of the maximum annual debt service with respect to the initial principal amount of the Series 2026 Bonds determined on the date of issue. Upon satisfaction of the Release Conditions #1, the Series 2026 Reserve Requirement shall be reduced to an amount equal to twenty-five percent (25%) of the maximum annual debt service with respect to the then Outstanding principal amount of the Series 2026 Bonds. Upon satisfaction of Release Conditions #2, the Series 2026 Reserve Requirement shall be reduced to an amount equal to ten percent (10%) of the maximum annual debt service with respect to the then Outstanding principal amount of the Series 2026 Bonds.

“Release Conditions #1” shall mean collectively: (i) all planned lots subject to the Series 2026 Special Assessments have been developed and platted as certified by the District Manager in writing and upon which the Trustee may conclusively rely, and; and (ii) there shall be no Events of Default under the Master Indenture, all as certified by the District Manager in writing and upon which the Trustee may conclusively rely.

“Release Conditions #2” shall mean collectively (i) satisfaction of Release Conditions #1 (ii) all planned lots subject to the Series 2026 Special Assessments contain homes that each received a certificate

of occupancy, (iii) all of the principal portion of the Series 2026 Special Assessments has been assigned to such homes, and (iv) there shall be no Events of Default under the Master Indenture, all as certified by the District Manager in writing and upon which the Trustee may conclusively rely.

If a portion of the Series 2026 Bonds are redeemed pursuant to the provisions of the Second Supplemental Indenture, the Reserve Requirement shall be reduced in accordance with the provisions of the Second Supplemental Indenture. Any amount in the Series 2026 Reserve Account may, upon final maturity or redemption of all Outstanding Series 2026 Bonds, be used to pay principal of and interest on the Series 2026 Bonds at that time. The initial Series 2026 Reserve Requirement shall be equal to \$ _____.

On each March 15 and September 15 (or, if such date is not a Business Day, on the Business Day next preceding such day), the Trustee will determine the amount on deposit in the Series 2026 Reserve Account and transfer any excess therein above the Reserve Requirement for the Series 2026 Bonds caused by investment earnings prior to the Completion Date to be transferred to the Series 2026 Acquisition and Construction Account and after the Completion Date to the Series 2026 Revenue Account in accordance with the Indenture.

Notwithstanding any of the foregoing, amounts on deposit in the Series 2026 Reserve Account will be transferred by the Trustee, in the amounts directed in writing by the Majority Holders of the Series 2026 Bonds to the Series 2026 General Redemption Subaccount of the Series 2026 Bond Redemption Account, if as a result of the application of Article X of the Master Indenture, the proceeds received from lands sold subject to the Series 2026 Special Assessments and applied to redeem a portion of the Series 2026 Bonds is less than the principal amount of Series 2026 Bonds indebtedness attributable to such lands.

Subject to the provisions of the Second Supplemental Indenture, on any date the District or the District Manager, on behalf of the District, receives notice that a landowner wishes to prepay its Series 2026 Special Assessments relating to the benefited property of such landowner within Assessment Area Two within the District, or as a result of a mandatory true-up payment, the District shall, or cause the District Manager, on behalf of the District, to calculate the principal amount of such Prepayment taking into account a credit against the amount of the Series 2026 Prepayment Principal due by the amount of money in the Series 2026 Reserve Account that will be in excess of the applicable Reserve Requirement, taking into account the proposed Prepayment. Such excess in the Series 2026 Reserve Account shall be transferred by the Trustee to the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the District, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2026 Reserve Account to the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2026 Bonds in accordance with the provisions of the Second Supplemental Indenture. The Trustee is authorized to make such transfers and has no duty to verify such calculations. Notwithstanding the foregoing, and as further described in the next succeeding paragraph, upon satisfaction of the Release Conditions #1 or Release Conditions #2, as the case may be, the Trustee shall deposit such excess on deposit in the Series 2026 Reserve Account to the Series 2026 Acquisition and Construction Account and pay such amount deposited in the Series 2026 Acquisition and Construction Account to the Person or Persons designated in a requisition in the form attached to the Second Supplemental Indenture submitted by the Developer within thirty (30) days of such transfer which requisition shall be executed by the District and the Consulting Engineer and shall be submitted to the Trustee by the Issuer, or to the Person or Persons designated in a previously submitted properly executed requisition, all or a portion of which remains unfunded ("Unfunded Requisition"). Such payment is authorized notwithstanding that the Completion Date might have been declared provided that there are

Costs of the Assessment Area Two Project that were not paid from moneys initially deposited in the Series 2026 Acquisition and Construction Account and the Trustee has on file one or more Unfunded Requisitions. In the event there are multiple Unfunded Requisitions on file with the Trustee, the Trustee shall fund such requisitions in the order the Trustee has received them (from oldest to newest). In the event that there are no Unfunded Requisitions on file with the Trustee, such excess moneys transferred from the Series 2026 Reserve Account to the Series 2026 Acquisition and Construction Account shall be deposited into the Series 2026 General Redemption Subaccount of the Series 2026 Bond Redemption Account.

Upon satisfaction of the Release Conditions #1 or Release Conditions #2, as evidenced by a written certificate of the District Manager delivered to the District and the Trustee, stating that the Release Conditions #1 or Release Conditions #2 have been satisfied and setting forth the amount of the new Series 2026 Reserve Requirement, the Trustee shall without further direction reduce the Series 2026 Reserve Requirement to twenty-five percent (25%) of the maximum annual debt service of the then Outstanding principal amount of the Series 2026 Bonds, as calculated by the District Manager, upon satisfaction of Release Conditions #1, or ten percent (10%) upon satisfaction of Release Conditions #2 of the maximum annual debt service of the then Outstanding principal amount of the Series 2026 Bonds as calculated by the District Manager. The excess amount in the Series 2026 Reserve Account as a result of the satisfaction of Release Conditions #1 or Release Conditions #2 shall be transferred to the Series 2026 Acquisition and Construction Account. The Trustee may conclusively rely on such written certificate of the District Manager.

In addition, in the event of an extraordinary mandatory redemption pursuant to the provisions of the Second Supplemental Indenture, the District, or the District Manager on behalf of the District, shall calculate the applicable Reserve Requirement and communicate the same to the Trustee and the District shall instruct the Trustee by written direction to apply any excess in the Series 2026 Reserve Account toward such extraordinary mandatory redemption.

It shall be an Event of Default under the Indenture if at any time the amount in the Series 2026 Reserve Account is less than the Series 2026 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement for the Series 2026 Bonds and such amount has not been restored within thirty (30) days of such withdrawal.

Deposit and Application of the Series 2026 Pledged Revenues

Pursuant to the Indenture, the Trustee shall transfer from amounts on deposit in the Series 2026 Revenue Account to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority:

FIRST, upon receipt but no later than the Business Day next preceding each November 1 commencing November 1, 2026, to the Series 2026 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2026 Bonds becoming due on the next succeeding November 1, less any amounts on deposit in the Series 2026 Interest Account not previously credited;

SECOND, upon receipt but no later than the Business Day next preceding each May 1 commencing May 1, 2027, to the Series 2026 Interest Account of the Debt Service Fund, an amount equal to the interest on the Series 2026 Bonds becoming due on the next succeeding May 1, less any amounts on deposit in the Series 2026 Interest Account not previously credited;

THIRD, no later than the Business Day next preceding each May 1, commencing May 1, 20__, to the Series 2026 Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Series 2026 Bonds subject to sinking fund redemption on such May 1, less any amounts on deposit in the Series 2026 Sinking Fund Account not previously credited;

FOURTH, no later than the Business Day next preceding the May 1, which is a principal payment date for any Series 2026 Bonds, to the Series 2026 Principal Account of the Debt Service Fund, an amount equal to the principal amount of Series 2026 Bonds Outstanding maturing on such May 1, less any amounts on deposit in the Series 2026 Principal Account not previously credited;

FIFTH, notwithstanding the foregoing, at any time the Series 2026 Bonds are subject to redemption on a date which is not a May 1 or November 1 Interest Payment Date, the Trustee shall be authorized to transfer from the Series 2026 Revenue Account to the Series 2026 Interest Account, the amount necessary to pay interest on the Series 2026 Bonds subject to redemption on such date;

SIXTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Series 2026 Bonds remain Outstanding, to the Series 2026 Reserve Account, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Series 2026 Reserve Requirement for the Series 2026 Bonds; and

SEVENTH, subject to the foregoing paragraphs, the balance of any moneys remaining after making the foregoing deposits shall be deposited into the Series 2026 Costs of Issuance Account to cover any deficiencies in the amount allocated to pay the cost of issuing the Series 2026 Bonds and next, any balance in the Series 2026 Revenue Account shall remain on deposit in such Series 2026 Revenue Account, unless pursuant to the Arbitrage Certificate, it is necessary to make a deposit into the Series 2026 Rebate Fund, in which case, the District shall direct the Trustee to make such deposit thereto.

Investments

The Trustee shall, as directed by the District in writing, invest moneys held in any Accounts in the Debt Service Fund, any Account within the Bond Redemption Fund and the Series 2026 Debt Service Reserve Account only in Government Obligations and the other securities described in the definition of Investment Securities, as set forth in the Indenture. All deposits in time Accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for the purposes set forth in the Indenture. All securities securing investments shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to the provisions of the Indenture, any interest and other income so received shall be deposited in the Series 2026 Revenue Account except that prior to the Completion Date, amounts on deposit in the Series 2026 Reserve Account in excess of the Reserve Requirement caused by investment earnings shall be transferred into the Series 2026 Acquisition and Construction Account and after the Completion Date to the Series 2026 Revenue Account. Upon request of the District, or on its own initiative whenever payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the

payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. Absent specific instructions as aforesaid, the Trustee shall not be obligated, liable or responsible for not investing funds under the Indenture. The Trustee shall not be liable or responsible for any loss or failure to achieve the highest return, or entitled to any gain, resulting from any investment or sale upon the investment instructions of the District or otherwise. The Trustee may make any investments permitted by the provisions of this section through its own bond department or investment department. The Trustee shall value the assets in each of the Funds and Accounts forty-five (45) days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but no later than ten (10) Business Days after each such valuation date) and shall provide the District a report of the status of each Fund and Account as of the valuation date. See “APPENDIX A: COPY OF MASTER INDENTURE AND PROPOSED FORM OF SECOND SUPPLEMENTAL INDENTURE” hereto.

Covenant to Levy the Series 2026 Special Assessments

The District will covenant in the Indenture to levy the Series 2026 Special Assessments to the extent and in the amount sufficient to pay debt service on the Series 2026 Bonds when due. If any Series 2026 Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the District shall be satisfied that any such Series 2026 Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the District shall have omitted to make such Series 2026 Special Assessment when it might have done so, the District has additionally covenanted to either (i) take all necessary steps to cause a new Series 2026 Special Assessment to be made for the whole or any part of such improvement or against any property benefited by such improvement, or (ii) in its sole discretion, make up the amount of such Series 2026 Special Assessment from legally available moneys, which moneys shall be deposited into the Series 2026 Revenue Account. In case such second Series 2026 Special Assessment shall be annulled, the District shall obtain and make other Series 2026 Special Assessments until a valid Series 2026 Special Assessment shall be made.

Prepayment of Series 2026 Special Assessments

Pursuant to the Indenture, at any time any owner of property subject to the Series 2026 Special Assessments may, at its option, or as a result of acceleration of the Series 2026 Special Assessments because of non-payment thereof, or as a result of a true-up payment, shall require the District to reduce or release and extinguish the lien upon its property by virtue of the levy of the Series 2026 Special Assessments by paying or causing there to be paid, to the District all or a portion (one time) of the Series 2026 Special Assessment, which shall constitute Series 2026 Prepayment Principal, plus accrued interest to the next succeeding Quarterly Redemption Date (or the next succeeding Quarterly Redemption Date if such Prepayment is made within forty-five (45) calendar days before a Quarterly Redemption Date), attributable to the property subject to the Series 2026 Special Assessments owned by such owner. In connection with such Prepayments, in the event the amount in the Series 2026 Reserve Account will exceed the applicable Reserve Requirement as a result of a Prepayment in accordance with this paragraph and the resulting redemption of the Series 2026 Bonds in accordance with the provisions of the Second Supplemental Indenture, the excess amount shall be transferred from the Series 2026 Reserve Account to the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account as a credit against the Series 2026 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions to the Trustee of the District Manager upon which the Trustee may conclusively rely, on behalf of the District, together with a certification stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2026 Reserve Account to equal or exceed the then Reserve Requirement for the Series 2026 Bonds and which certificate of the District Manager will further state that, after giving effect to the proposed redemption of Series 2026 Bonds, there will be sufficient Series 2026

Pledged Revenues to pay the principal and interest, when due, on all Series 2026 Bonds that will remain Outstanding.

Pursuant to the Act, an owner of property subject to the levy of Series 2026 Special Assessments may pay the entire balance of the Series 2026 Special Assessments remaining due, without interest, within thirty (30) days after the Assessment Area Two Project has been completed or acquired by the District, and the Board has adopted a resolution accepting the Assessment Area Two Project pursuant to Chapter 170.09, Florida Statutes. Pursuant to the Seaton Creek Reserve Community Development District Declaration of Consent (Debt Assessments) dated November 16, 2025 and recorded on November 17, 2025, the Land Bank, as the then-owner of the property within Assessment Area Two, covenanted to waive this right on behalf of itself and its respective successors and assigns in connection with the issuance of the Series 2026 Bonds.

Any prepayment of Series 2026 Special Assessments will result in the extraordinary mandatory redemption of a portion of the Series 2026 Bonds as indicated under “DESCRIPTION OF THE SERIES 2026 BONDS - Redemption Provisions - Extraordinary Mandatory Redemption.” The prepayment of Series 2026 Special Assessments does not entitle the owner of the property to a discount for early payment.

Developer and Land Bank Agreements

The Developer and the District will enter into an Agreement Regarding the Acquisition of Certain Work Product and Infrastructure (the “Acquisition Agreement”) in connection with the issuance of the Series 2026 Bonds, pursuant to which the District will acquire all or portions of the Assessment Area Two Project from the Developer. It is anticipated that the Developer will sell certain portions of the Assessment Area Two Project to the District prior to the issuance of the Series 2026 Bonds and, pursuant to the Acquisition Agreement, the District will use a portion of the proceeds of the Series 2026 Bonds to pay the Developer for such previously-sold portions of the Assessment Area Two Project.

The Developer will enter into several other agreements with the District in connection with the issuance of the Series 2026 Bonds. Specifically, the Developer will enter into an Agreement Regarding the Completion of Certain Improvements (Assessment Area Two Project) (the “Completion Agreement”) that will obligate the Developer to complete any portions of the Assessment Area Two Project not funded with proceeds of the Series 2026 Bonds. Notwithstanding the Completion Agreement, there is a risk that the Assessment Area Two Project will not be completed. See “BONDOWNERS’ RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the Assessment Area Two Project” herein.

In addition, the Land Bank and the Developer will execute and deliver to the District a Collateral Assignment and Assumption of Development and Contract Rights Relating to the Assessment Area Two Project (the “Collateral Assignment Agreement”) pursuant to which the Land Bank and the Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Land Bank or the Developer, development rights relating to the Assessment Area Two Project. Notwithstanding the Collateral Assignment Agreement, and in the event the District forecloses on the lands subject to the Series 2026 Special Assessments as a result of the Land Bank’s, Developer’s or subsequent landowners’ failure to pay such assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the Assessment Area Two Project or the development of the lands in the District sufficient to absorb the allocation of the Series 2026 Special Assessments. See “BONDOWNERS’ RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the Assessment Area Two Project” herein.

Finally, the Land Bank and the Developer (to the extent the Developer has taken down any lots before the issuance of the Series 2026 Bonds in accordance with the Option Agreement), will also enter into an Agreement Regarding the True Up and Payment of Special Assessments for the Series 2026 Bonds (the “True-Up Agreement”) in connection with its obligations to pay true-up payments in the event that, generally stated, debt levels remaining on unplatted lands in the District increase above the maximum debt levels set forth in the Assessment Methodology. See “APPENDIX D: ASSESSMENT METHODOLOGY” herein for additional information regarding the “true-up mechanism.”

The descriptions of the various agreements herein are all qualified by the specific terms of the agreements. All such obligations of the Developer and the Land Bank are unsecured obligations.

Indenture Provisions Relating to Bankruptcy or Insolvency of Certain Landowners

The following provisions of the Master Indenture shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Series 2026 Special Assessments (an “Insolvent Taxpayer”) under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a “Proceeding”). For as long as any Series 2026 Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Series 2026 Bonds or the Series 2026 Special Assessments, the District, to the extent permitted by applicable law, shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Series 2026 Bonds or for as long as any Series 2026 Bonds remain Outstanding, in any Proceeding involving the District, any Insolvent Taxpayer, the Series 2026 Bonds or the Series 2026 Special Assessments or the Trustee. The District agrees in the Master Indenture that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

In the Indenture, the District acknowledges and agrees that, although the Series 2026 Bonds were issued by the District, the Owners of the Series 2026 Bonds are categorically the party with the ultimate financial stake with respect to the Series 2026 Bonds and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the District, to the extent permitted by applicable law, hereby agrees that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2026 Special Assessments, the Series 2026 Bonds or any rights of the Trustee under the Indenture, (b) to the extent permitted by applicable law, the District agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Series 2026 Special Assessments, the Series 2026 Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee, (c) to the extent permitted by applicable law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding any and all claims of the District, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the District, including without limitation, motions seeking relief from the automatic stay, dismissal of the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the District shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the District in connection with any Proceeding of any Insolvent Taxpayer,

including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a bankruptcy plan to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the District shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the District claim and rights with respect to the Series 2026 Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the District agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Series 2026 Special Assessments, (ii) to deliver to the District a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim. Notwithstanding the provisions of the immediately preceding paragraphs, nothing in the Indenture shall preclude the District from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments and the District shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the District in pursuance of its claim for operation and maintenance assessments in any Proceeding shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Special Assessments relating to the Bonds Outstanding whether such claim is pursued by the District or the Trustee.

Events of Default and Remedies

Events of Default Defined. The Master Indenture provides that each of the following shall be an "Event of Default" under the Master Indenture, with respect to the Series 2026 Bonds:

- (a) if payment of any installment of interest on any Series 2026 Bond is not made when it becomes due and payable; or
- (b) if payment of the principal or Redemption Price of any Series 2026 Bond is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or
- (c) if the District, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act which may be determined solely by the Majority Holders; or
- (d) if the District proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the District or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the District and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or
- (e) if the District defaults in the due and punctual performance of any other covenant in the Indenture or in the Series 2026 Bonds and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the District by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the District shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or

(f) if at any time the amount in the Series 2026 Reserve Account is less than the Series 2026 Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Series 2026 Bonds and such amount has not been restored within thirty (30) days of such withdrawal; or

(g) more than twenty percent (20%) of the “maintenance special assessments” levied by the District on District Lands upon which the Series 2026 Special Assessments are levied to secure the Series 2026 Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, within ninety (90) days of when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the District before recognizing that an Event of Default under (c) above has occurred.

No Acceleration; Redemption. No Series 2026 Bonds shall be subject to acceleration. Upon an Event of Default, no optional redemption or extraordinary mandatory redemption of the Series 2026 Bonds pursuant to the Indenture shall occur unless all of the Series 2026 Bonds where an Event of Default has occurred will be redeemed or 100% of the Holders of the Series 2026 Bonds agree to such redemption.

Legal Proceedings by Trustee. If any Event of Default with respect to the Series 2026 Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Holders of not less than a majority of the aggregate principal amount of the Outstanding Series 2026 Bonds and receipt of indemnity to its satisfaction shall, in its own name:

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Series 2026 Bonds, including, without limitation, the right to require the District to carry out any agreements with, or for the benefit of, the Series 2026 Bondholders and to perform its or their duties under the Act;

(b) bring suit upon the Series 2026 Bonds;

(c) by action or suit in equity require the District to account as if it were the trustee of an express trust for the Holders of the Series 2026 Bonds;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Series 2026 Bonds; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing the Series 2026 Bonds.

Discontinuance of Proceedings by Trustee. If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, the District, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

Bondholders May Direct Proceedings. The Majority Holders then subject to remedial proceedings under the Indenture shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law and the provisions of the Indenture.

Application of Moneys in Event of Default. Any moneys received by the Trustee or the Paying Agent, as the case may be, in connection with any proceedings brought under Article X of the Master Indenture with respect to the Series 2026 Bonds shall be applied in the following order of priority:

(a) to the payment of the costs of the Trustee and Paying Agent incurred in connection with actions taken under Article X of the Master Indenture with respect to such Series 2026 Bonds, including Counsel fees and any disbursements of the Trustee and the Paying Agent and payment of unpaid fees and expenses owed to the Trustee.

(b) then:

FIRST: to payment of all installments of interest then due on the Series 2026 Bonds in the order of maturity of such installments of interest, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any preference or priority of one installment of interest over any other installment; and

SECOND: to payment to the persons entitled thereto of the unpaid principal or Redemption Price of any of the Series 2026 Bonds which shall have become due in the order of their due dates, with interest on such Series 2026 Bonds from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full the principal or Redemption Price coming due on such Series 2026 Bonds on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any preference or priority of one such Series 2026 Bond over another Bond or of any installment of interest over another.

Any surplus remaining after the payments described above shall be paid to the District or to the Person lawfully entitled to receive the same or as a court of competent jurisdiction may direct.

ENFORCEMENT OF ASSESSMENT COLLECTIONS

General

The primary source of payment for the Series 2026 Bonds is the Series 2026 Special Assessments imposed on assessable lands within Assessment Area Two specially benefited by the Assessment Area Two Project pursuant to the Assessment Proceedings. See “ASSESSMENT METHODOLOGY” herein and “APPENDIX D: ASSESSMENT METHODOLOGY.”

The imposition, levy, and collection of Series 2026 Special Assessments must be done in compliance with procedural requirements and guidelines provided by State law. Failure by the District, the Duval County Tax Collector (the “Tax Collector”) or the Duval County Property Appraiser (the “Property Appraiser”) to comply with such requirements could result in delay in the collection of, or the complete inability to collect, Series 2026 Special Assessments during any year. Such delays in the collection of Series 2026 Special Assessments, or complete inability to collect any of the Series 2026 Special Assessments, would have a material adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on such Series 2026 Bonds. See “BONDOWNERS’ RISKS – Concentration of Land Ownership” and “– Series 2026 Special Assessments are Non-Recourse.” To the extent that landowners fail to pay the Series 2026 Special Assessments or delay payments, the successful pursuance of collection procedures available to the District is essential to continued payment of principal of and interest on the Series 2026 Bonds.

For the Series 2026 Special Assessments to be valid, the Series 2026 Special Assessments must meet two requirements: (1) the benefit from the Assessment Area Two Project to the lands subject to the Series 2026 Special Assessments must exceed or equal the amount of the Series 2026 Special Assessments, and (2) the Series 2026 Special Assessments must be fairly and reasonably allocated across all such benefitted properties. The certificate of the Methodology Consultant (as herein defined) delivered at issuance will certify that these requirements have been met with respect to the Series 2026 Special Assessments.

Pursuant to the Act, and the Assessment Proceedings, the District may collect the Series 2026 Special Assessments through a variety of methods. See “BONDOWNERS’ RISKS.” Initially, and for undeveloped properties owned by the Developer and the Land Bank, the District will directly issue annual bills to landowners requiring payment of the Series 2026 Special Assessments, and will enforce that bill through foreclosure proceedings. See “ASSESSMENT METHODOLOGY” and “APPENDIX D: ASSESSMENT METHODOLOGY.” As lands are developed, the Series 2026 Special Assessments will be added to the County tax roll and collected pursuant to the uniform method of collection provided for in Section 197.3632, Florida Statutes (the “Uniform Method”). The following is a description of certain statutory provisions relating to each of these collection methods. Such description is not intended to be exhaustive and is qualified in its entirety by reference to such statutes.

Direct Billing & Foreclosure Procedure

As noted above, and pursuant to Chapters 170 and 190 of the Florida Statutes, the District may directly levy, collect and enforce the Series 2026 Special Assessments. In this context, section 170.10 of the Florida Statutes provides that upon the failure of any property owner to timely pay all or any part of the annual installment of principal and/or interest of a special assessment due, including the Series 2026 Special Assessments, the whole assessment, with the interest and penalties thereon, shall immediately become due and payable and subject to foreclosure. Generally stated, the governing body of the entity levying the special assessment, in this case the District, may foreclose by commencing a foreclosure proceeding in the same manner as the foreclosure of a real estate mortgage, or, alternatively, by commencing an action under Chapter 173, Florida Statutes, which relates to foreclosure of municipal tax and special assessment liens. Such proceedings are in rem, meaning that the action would be brought against the land, and not against the landowner. In light of the one year tolling period required before the District may commence a foreclosure action under Chapter 173, Florida Statutes, it is likely the District would commence an action to foreclose in the same manner as the foreclosure of a real estate mortgage rather than proceeding under Chapter 173, Florida Statutes.

Enforcement of the obligation to pay the Series 2026 Special Assessments and the ability to foreclose the lien of such Series 2026 Special Assessments upon the failure to pay such Series 2026 Special Assessments may not be readily available or may be limited because enforcement is dependent upon judicial action which is often subject to discretion and delay. Additionally, there is no guarantee that there will be demand for any foreclosed lands sufficient to repay the Series 2026 Special Assessments. See “BONDOWNER’S RISKS.”

Uniform Method Procedure

Subject to certain conditions, and for developed lands (as described above), the District may alternatively elect to collect the Series 2026 Special Assessments using the Uniform Method. The Uniform Method of collection is available only in the event the District complies with statutory and regulatory requirements and enters into agreements with the Tax Collector and Property Appraiser providing for the Series 2026 Special Assessments to be levied and then collected in this manner.

If the Uniform Method of collection is used, the Series 2026 Special Assessments will be collected together with City, County, school, special district, and other ad valorem taxes and non-ad valorem assessments (together, "Taxes and Assessments"), all of which will appear on the tax bill (also referred to as a "tax notice") issued to each landowner in Assessment Area Two. The statutes relating to enforcement of Taxes and Assessments provide that such Taxes and Assessments become due and payable on November 1 of the year when assessed, or as soon thereafter as the certified tax roll is received by the Tax Collector, and constitute a lien upon the land from January 1 of such year until paid or barred by operation of law. Such Taxes and Assessments – including the Series 2026 Special Assessments – are to be billed, and landowners in the District are required to pay, all Taxes and Assessments without preference in payment of any particular increment of the tax bill, such as the increment owing for the Series 2026 Special Assessments.

All Taxes and Assessments are payable at one time, except for partial payment schedules as may be provided by Florida law such as Sections 197.374 and 197.222, Florida Statutes. Partial payments made pursuant to Sections 197.374 and 197.222, Florida Statutes, are distributed in equal proportion to all taxing districts and levying authorities applicable to that account. If a taxpayer does not make complete payment of the total amount, he or she cannot designate specific line items on his or her tax bill as deemed paid in full. Therefore, in the event the Series 2026 Special Assessments are to be collected pursuant to the Uniform Method, any failure to pay any one line item, would cause the Series 2026 Special Assessments to not be collected to that extent, which could have a significant adverse effect on the ability of the District to make full or punctual payment of the debt service requirements on the Series 2026 Bonds.

Under the Uniform Method, if the Series 2026 Special Assessments are paid during November when due or during the following three months, the taxpayer is granted a variable discount equal to 4% in November and decreasing one percentage point per month to 1% in February. All unpaid Taxes and Assessments become delinquent on April 1 of the year following assessment.

The Tax Collector is required to collect the Taxes and Assessments on the tax bill prior to April 1 and, after that date, to institute statutory procedures upon delinquency to collect such Taxes and Assessments through the sale of "tax certificates," as discussed below. Delay in the mailing of tax notices to taxpayers may result in a delay throughout this process. Neither the District nor the Underwriter can give any assurance to the holders of the Series 2026 Bonds (1) that the past experience of the Tax Collector with regard to tax and special assessment delinquencies is applicable in any way to the Series 2026 Special Assessments, (2) that future landowners and taxpayers in the District will pay such Series 2026 Special Assessments, (3) that a market may exist in the future for tax certificates in the event of sale of such certificates for taxable units within the District, and (4) that the eventual sale of tax certificates for real property within the District, if any, will be for an amount sufficient to pay amounts due under the Assessment Proceedings to discharge the lien of the Series 2026 Special Assessments and all other liens that are coequal therewith.

Collection of delinquent Series 2026 Special Assessments under the Uniform Method is, in essence, based upon the sale by the Tax Collector of "tax certificates" and remittance of the proceeds of such sale to the District for payment of the Series 2026 Special Assessments due. Prior to the sale of tax certificates, the landowner may bring current the delinquent Taxes and Assessments and cancel the tax certificate process by paying the total amount of delinquent Taxes and Assessments plus all applicable interest, costs, and charges. If the landowner does not act, the Tax Collector is required to attempt to sell tax certificates by public bid to the person who pays the delinquent Taxes and Assessments owing, and any applicable interest, costs, and charges, and who accepts the lowest interest rate per annum to be borne by the certificates (but not more than 18%).

If there are no bidders, the tax certificate is issued to the County. The County is to hold, but not pay for, the tax certificate with respect to the property, bearing interest at the maximum legal rate of interest, which is currently 18%. The Tax Collector does not collect any money if tax certificates are issued, or struck off, to the County. The County may sell such certificates to the public at any time after issuance, but before a tax deed application is made, at the face amount thereof plus interest at the rate of not more than 18% per annum, costs, and charges. Proceeds from the sale of tax certificates are required to be used to pay Taxes and Assessments (including the Series 2026 Special Assessments), interest, costs and charges on the real property described in the certificate.

Any tax certificate in the hands of a person other than the County may be redeemed and canceled, in whole or in part (under certain circumstances), at any time before a tax deed is issued (unless full payment for a tax deed is made to the Clerk of the Circuit Court, including documentary stamps and recording fees), at a price equal to the face amount of the certificate or portion thereof together with all interest, costs, and charges due. Regardless of the interest rate actually borne by the certificates, persons redeeming tax certificates must pay a minimum interest rate of 5%, unless the rate borne by the certificates is zero percent. The proceeds of such a redemption are paid to the Tax Collector who transmits to the holder of the tax certificate such proceeds less service charges, and the certificate is canceled. Redemption of tax certificates held by the County is effected by purchase of such certificates from the County, as described above.

Any holder, other than the County, of a tax certificate that has not been redeemed has seven years from the date of issuance of the tax certificate during which to act against the land that is the subject of the tax certificate. After an initial period ending two years from April 1 of the year of issuance of a certificate, during which period actions against the land are held in abeyance to allow for sales and redemptions of tax certificates, and before the expiration of seven years from the date of issuance, the holder of a certificate may apply for a tax deed to the subject land. The applicant is required to pay to the Tax Collector at the time of application all amounts required to redeem or purchase all other outstanding tax certificates covering the land, plus interest, any omitted taxes or delinquent taxes and interest, and current taxes, if due (as well as any costs of resale, if applicable). If the County holds a tax certificate on property valued at \$5,000 or more and has not succeeded in selling it, the County must apply for a tax deed two years after April 1 of the year of issuance of the certificate or as soon thereafter as is reasonable. The County pays costs and fees to the Tax Collector but not any amount to redeem any other outstanding certificates covering the land. Thereafter, the property is advertised for public sale.

In any such public sale conducted by the Clerk of the Circuit Court, the private holder of the tax certificate who is seeking a tax deed for non-homestead property is deemed to submit a minimum bid equal to the amount required to redeem the tax certificate, charges for the cost of sale, including costs incurred for the service of notice required by statute, redemption of other tax certificates on the land, and all other costs to the applicant for the tax deed, plus interest thereon. In the case of homestead property, the minimum bid is also deemed to include, in addition to the amount of money required for the minimum bid on non-homestead property, an amount equal to one-half of the latest assessed value of the homestead. If there are no higher bids, the holder receives title to the land, and the amounts paid for the certificate and in applying for a tax deed are credited toward the purchase price. The holder is also responsible for payment of any amounts included in the bid not already paid, including but not limited to, documentary stamp tax, recording fees, and, if property is homestead property, the moneys to cover the one-half value of the homestead. If there are other bids, the holder may enter the bidding. The highest bidder is awarded title to the land. The portion of proceeds of such sale needed to redeem the tax certificate, together with all subsequent unpaid taxes plus the costs and expenses of the application for deed, with interest on the total of such sums, are forwarded to the holder thereof or credited to such holder if such holder is the successful bidder. Excess proceeds are distributed first to satisfy governmental liens against the land and then to the former title holder of the property (less service charges), lienholder of record, mortgagees of record, vendees of recorded

contracts for deeds, and other lienholders and any other person to whom the land was last assessed on the tax roll for the year in which the land was assessed, all as their interest may appear. If the property is purchased for an amount in excess of the statutory bid of the certificate holder, but such excess is not sufficient to pay all governmental liens of record, the excess shall be paid to each governmental unit pro rata.

Except for certain governmental liens and certain restrictive covenants and restrictions, no right, interest, restriction or other covenant survives the issuance of a tax deed. Thus, for example, outstanding mortgages on property subject to a tax deed would be extinguished.

If there are no bidders at the public sale, the Clerk of the Circuit Court shall enter the land on a list entitled “lands available for taxes” and shall immediately notify the County Commission that the property is available. At any time within ninety (90) days from the date the property is placed on the list, the County may purchase the land for the opening bid, or may waive its rights to purchase the property. Thereafter, and without further notice or advertising, any person, the County or any other governmental unit may purchase the land by paying the amount of the opening bid. Ad valorem taxes and non-ad valorem assessments accruing after the date of public sale do not require repetition of the bidding process but are added to the minimum bid. Three years from the date the property was offered for sale, unsold lands escheat to the County in which they are located, free and clear, and all tax certificates and liens against the property are canceled and a deed is executed vesting title in the governing board of such County.

There can be no guarantee that the Uniform Method will result in the payment of Series 2026 Special Assessments. For example, the demand for tax certificates is dependent upon various factors, which include the rate of interest that can be earned by ownership of such certificates and the underlying value of the land that is the subject of such certificates and which may be subject to sale at the demand of the certificate holder. Therefore, the underlying market value of the property within the District may affect the demand for certificates and the successful collection of the Series 2026 Special Assessments, which are the primary source of payment of the Series 2026 Bonds. Additionally, legal proceedings under Federal bankruptcy law brought by or against a landowner who has not yet paid his or her property taxes or assessments would likely result in a delay in the sale of tax certificates. See “BONDOWNERS’ RISKS.”

BONDOWNERS’ RISKS

There are certain risks inherent in an investment in bonds issued by a public authority or governmental body in the State and secured by special assessments. Certain of these risks are described under other headings of this Limited Offering Memorandum. Certain additional risks are associated with the Series 2026 Bonds offered hereby and are set forth below. Prospective investors in the Series 2026 Bonds should have such knowledge and experience in financial and business matters to be capable of evaluating the merits and risks of an investment in the Series 2026 Bonds and have the ability to bear the economic risks of such prospective investment, including a complete loss of such investment. The information under this heading does not purport to summarize all risks that may be associated with purchasing or owning the Series 2026 Bonds and prospective purchasers are advised to read this Limited Offering Memorandum in its entirety for a more complete description of investment considerations relating to the Series 2026 Bonds.

Concentration of Land Ownership

As of the date hereof, the Land Bank and the Developer own all of the lands within Assessment Area Two, which are the lands that will initially be subject to the Series 2026 Special Assessments securing the Series 2026 Bonds. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026

BONDS” herein. Payment of the Series 2026 Special Assessments is primarily dependent upon their timely payment by the Land Bank, the Developer and subsequent landowners in the District. See “THE LAND BANK AND THE DEVELOPER” herein.

Bankruptcy and Related Risks

In the event of the institution of bankruptcy or similar proceedings with respect to the Land Bank, the Developer or any other owner of benefited property, delays could occur in the payment of debt service on the Series 2026 Bonds as such bankruptcy could negatively impact the ability of: (i) the Land Bank, the Developer and any other landowner being able to pay the Series 2026 Special Assessments; (ii) the Tax Collector to sell tax certificates in relation to such property with respect to the Series 2026 Special Assessments being collected pursuant to the Uniform Method; and (iii) the District to foreclose the lien of the Series 2026 Special Assessments not being collected pursuant to the Uniform Method. The Uniform Method will not be used with respect to any assessable lands which are still owned by the Land Bank, the Developer or an entity affiliated with the Land Bank or the Developer until such time lots are platted unless the majority of the owners of the Bonds Outstanding direct the District to use the Uniform Method or the District is unable to use the Uniform Method. In addition, the remedies available to the Owners of the Series 2026 Bonds under the Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, the remedies specified by federal, state and local law and in the Indenture and the Series 2026 Bonds, including, without limitation, enforcement of the obligation to pay Series 2026 Special Assessments and the ability of the District to foreclose the lien of the Series 2026 Special Assessments if not being collected pursuant to the Uniform Method, may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2026 Bonds (including Bond Counsel’s approving opinion) will be qualified as to the enforceability of the various legal instruments by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery. The inability, either partially or fully, to enforce remedies available with respect to the Series 2026 Bonds could have a material adverse impact on the interest of the Owners thereof.

Series 2026 Special Assessments are Non-Recourse

The principal security for the payment of the principal and interest on the Series 2026 Bonds is the timely collection of the Series 2026 Special Assessments. The Series 2026 Special Assessments do not constitute a personal indebtedness of the landowners of the land subject thereto, but are secured by a lien on such land. There is no assurance that the landowners will be able to pay the Series 2026 Special Assessments or that they will pay such Series 2026 Special Assessments even though financially able to do so. Beyond legal delays that could result from bankruptcy or other legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the Tax Collector to sell tax certificates in regard to delinquent Series 2026 Special Assessments collected pursuant to the Uniform Method will be dependent upon various factors, including the interest rate which can be earned by ownership of such certificates and the value of the land which is the subject of such certificates and which may be subject to sale at the demand of the certificate holder after two years. The assessment of the benefits to be received by the benefited land within Assessment Area Two as a result of implementation and development of the Assessment Area Two Project is not indicative of the realizable or market value of the land, which value may actually be higher or lower than the assessment of benefits. To the extent that the realizable or market value of the land benefited by the Assessment Area Two Project is lower than the assessment of benefits, the ability of the Tax Collector to sell tax certificates relating to such land or the ability of the District to realize sufficient value from a foreclosure action to pay debt service on the Series 2026 Bonds may be adversely affected. Such adverse effect could render the District unable to collect delinquent Series 2026 Special Assessments

and provided such delinquencies are significant, could negatively impact the ability of the District to make the full or punctual payment of debt service on the Series 2026 Bonds.

Neither the Land Bank, the Developer nor any other subsequent landowner in the District has any obligation to pay the Series 2026 Special Assessments. As described herein, the Series 2026 Special Assessments are an imposition against the land within Assessment Area Two only. Neither the Land Bank, the Developer nor any other subsequent landowner is a guarantor of payment of any Series 2026 Special Assessment and the recourse for the failure of the Land Bank, the Developer or any other landowner to pay the Series 2026 Special Assessments is limited to the collection proceedings against the land as described herein.

Regulatory and Environmental Risks

The development of the Assessment Area Two Project is subject to comprehensive federal, state and local regulations and future changes to such regulations. Approval is required from various public agencies in connection with, among other things, the design, nature and extent of planned improvements, both public and private, and construction of the infrastructure in accordance with applicable zoning, land use and environmental regulations. Although all such approvals required to date have been received and any further approvals are anticipated to be received as needed, failure to obtain any such approvals in a timely manner could delay or adversely affect the completion of the development of the District Lands. See “THE DEVELOPMENT – Development Approvals,” and “– Environmental” herein for more information.

The value of the land within the District, the success of the development of the Development and the likelihood of timely payment of principal and interest on the Series 2026 Bonds could be affected by environmental factors with respect to the land in the District. Should the land be contaminated by hazardous materials, this could materially and adversely affect the value of the land in the District, which could materially and adversely affect the success of the development of the lands within the Development and the likelihood of the timely payment of the Series 2026 Bonds. The District has not performed, nor has the District requested that there be performed on its behalf, any independent assessment of the environmental conditions within the District. Except as described under “THE DEVELOPMENT – Environmental”, the Developer is not aware of any condition which currently requires, or is reasonably expected to require in the foreseeable future, investigation or remediation under any applicable federal, state or local governmental laws or regulations relating to the environment. See “THE DEVELOPMENT – Environmental” for more information on the Developer’s environmental site assessments. Nevertheless, it is possible that hazardous environmental conditions could exist within the District and that such conditions could have a material and adverse impact upon the value of the benefited lands within the District and no assurance can be given that unknown hazardous materials, protected animals or vegetative species, etc., do not currently exist or may not develop in the future whether originating within the District or from surrounding property, and what effect such may have on the development of Assessment Area Two.

Catastrophic Event Risks

The value of the lands subject to the Series 2026 Special Assessments could also be adversely impacted by flooding or wind damage caused by hurricanes, tropical storms, or other catastrophic events. In addition to potential damage or destruction to any existing development or construction in or near the District, such catastrophic events could potentially render the District lands unable to support future development. Changing weather patterns have increased the likelihood of flooding within the County. The occurrence of any such events could materially adversely impact the District’s ability to pay principal and

interest on the Series 2026 Bonds. The Series 2026 Bonds are not insured and the District's casualty insurance policies do not insure against losses incurred on private lands within its boundaries.

Economic Conditions and Changes in Development Plans

The successful sale of the residential units, once such homes are built within the Development may be affected by unforeseen changes in general economic conditions, trade policies, fluctuations in the real estate market and other factors beyond the control of the Land Bank and the Developer. Moreover, the Land Bank and the Developer has the right to modify or change its plan for development of the Development, from time to time, including, without limitation, land use changes, changes in the overall land and phasing plans, and changes to the type, mix, size and number of units to be developed, and may seek in the future, in accordance with, and subject to the provisions of the Act, to contract or expand the boundaries of the District.

Other Taxes and Assessments

The willingness and/or ability of an owner of benefited land within Assessment Area Two to pay the Series 2026 Special Assessments could be affected by the existence of other taxes and assessments imposed upon such property by the District, the City, the County or any other local special purpose or general purpose governmental entities. City, County, school, special district taxes and special assessments, and voter-approved ad valorem taxes levied to pay principal of and interest on debt, including the Series 2026 Special Assessments, collected pursuant to the Uniform Method are payable at one time. Public entities whose boundaries overlap those of the District, could, without the consent of the owners of the land within the District, impose additional taxes on the property within the District, including Assessment Area Two. The District will continue to impose operation and maintenance assessments encumbering the same property encumbered by the Series 2026 Special Assessments. In addition, lands within the District may also be subject to assessments by property and homeowner associations.

Under Florida law, a landowner may contest the assessed valuation determined for its property which forms the basis of ad-valorem taxes such landowner must pay. During this contest period, the sale of a Tax Certificate under the Uniform Method will be suspended. If the Series 2026 Special Assessments are being collected along with ad valorem taxes pursuant to the Uniform Method, tax certificates will not be sold with respect to the Series 2026 Special Assessment even though the landowner is not contesting the amount Series 2026 Special Assessment. However, Section 194.014, Florida Statutes, requires taxpayers challenging the assessed value of their property to pay all non-ad valorem taxes and at least 75% of their ad valorem taxes before they become delinquent. Likewise, taxpayers who challenge the denial of an exemption or classification or a determination that their improvements were substantially complete must pay all non-ad valorem assessments and the amount of ad valorem taxes that they admit in good faith to be owing. In the event a taxpayer fails to pay their property taxes by April 1, the Value Adjustment Board is required to deny their petition by written decision by April 20 of such year.

Limited Secondary Market for Series 2026 Bonds

The Series 2026 Bonds may not constitute a liquid investment, and there is no assurance that a liquid secondary market will exist for the Series 2026 Bonds in the event an Owner thereof determines to solicit purchasers of the Series 2026 Bonds. The Series 2026 Bonds are being sold pursuant to exemptions from registration under applicable securities laws. No secondary market may develop and an owner may not be able to resell the Series 2026 Bonds. Even if a liquid secondary market exists, there can be no assurance as to the price for which the Series 2026 Bonds may be sold. Such price may be lower than that

paid by the current Owners of the Series 2026 Bonds, depending on the progress of development of Assessment Area Two, existing real estate and financial market conditions and other factors.

Inadequacy of Reserve Account

In addition to legal delays that could result from bankruptcy or legal proceedings contesting an ad valorem tax or non-ad valorem assessment, the ability of the District to enforce collection of delinquent Series 2026 Special Assessments will be dependent upon various factors, including the delay inherent in any judicial proceeding to enforce the lien of the Series 2026 Special Assessments and the value of the land which is the subject of such proceedings and which may be subject to sale. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS – Indenture Provisions Relating to Bankruptcy or Insolvency of Certain Landowners” herein. If the District has difficulty in collecting the Series 2026 Special Assessments, the Series 2026 Reserve Account could be rapidly depleted and the ability of the District to pay debt service would be materially adversely affected. In addition, during an Event of Default under the Master Indenture, the Trustee may withdraw moneys from the Series 2026 Reserve Account and such other Funds, Accounts and subaccounts created under the Indenture to pay its extraordinary fees and expenses incurred in connection with such Event of Default. If in fact the Series 2026 Reserve Account is accessed for such purpose, the District does not have a designated revenue source for replenishing such account. Moreover, the District may not be permitted to re-assess real property then burdened by the Series 2026 Special Assessments in order to provide for the replenishment of the Series 2026 Reserve Account.

Legal Delays

If the District should commence a foreclosure action against a landowner for nonpayment of Series 2026 Special Assessments if the Series 2026 Special Assessments are not being collected pursuant to the Uniform Method, such landowners may raise affirmative defenses to such foreclosure action, which although such affirmative defenses would likely be proven to be without merit, could result in delays in completing the foreclosure action. In addition, the District is required under the Indenture to fund the costs of such foreclosure. It is possible that the District will not have sufficient funds and will be compelled to request the Series 2026 Bondholders to allow funds on deposit under the Indenture to be used to pay the costs of the foreclosure action. Under the Code (as defined herein), there are limitations on the amounts of Series 2026 Bond proceeds that can be used for such purpose.

IRS Examination and Audit Risk

The Internal Revenue Service (the “IRS”) routinely examines bonds issued by state and local governments, including bonds issued by community development districts. In 2016, the IRS concluded its lengthy examination of certain issues of bonds (for purposes of this subsection, the “Audited Bonds”) issued by Village Center Community Development District (the “Village Center CDD”). During the course of the audit of the Audited Bonds, Village Center CDD received a ruling dated May 30, 2013, in the form of a non-precedential technical advice memorandum (“TAM”) concluding that Village Center CDD is not a political subdivision for purposes of Section 103(a) of the Code because Village Center CDD was organized and operated to perpetuate private control and avoid indefinitely responsibility to an electorate, either directly or through another elected state or local government body. Such a conclusion could lead to the further conclusion that the interest on the Audited Bonds was not excludable from gross income of the owners of such bonds for federal income tax purposes. Village Center CDD received a second TAM dated June 17, 2015, which granted relief to Village Center CDD from retroactive application of the IRS’s conclusion regarding its failure to qualify as a political subdivision. Prior to the conclusion of the audits, the Audited Bonds were all refunded with taxable bonds. The audit of the Audited Bonds that were issued for utility improvements were closed without change to the tax exempt status of those Audited Bonds on

April 25, 2016, and the audit of the remainder of the Audited Bonds (which funded recreational amenity acquisitions from entities related to the principal landowner in the Village Center CDD) was closed on July 14, 2016, without the IRS making a final determination that the interest on the Audited Bonds in question was required to be included in gross income. However, the IRS letter to the Village Center CDD with respect to this second set of Audited Bonds noted that the IRS found that the Village Center CDD was not a “proper issuer of tax-exempt bonds” and that those Audited Bonds were private-activity bonds that did not fall in any of the categories that qualify for tax-exemption. Although the TAMs and the letters to the Village Center CDD from the IRS referred to above are addressed to, and binding only on, the IRS and Village Center CDD in connection with the Audited Bonds, they reflect the audit position of the IRS, and there can be no assurance that the IRS would not commence additional audits of bonds issued by other community development districts raising issues similar to the issues raised in the case of the Audited Bonds based on the analysis set forth in the first TAM or on the related concerns addressed in the July 14, 2016 letter to the Village Center CDD.

On February 23, 2016, the IRS published proposed regulations designed to provide prospective guidance with respect to potential private business control of issuers by providing a new definition of political subdivision for purposes of determining whether an entity is an appropriate issuer of bonds the interest on which is excluded from gross income for federal tax purposes. The proposed regulations require that a political subdivision (i) have the power to exercise at least one sovereign power, (ii) be formed and operated for a governmental purpose, and (iii) have a governing body controlled by or have significant uses of its funds or assets otherwise controlled by a government unit with all three sovereign powers or by an electorate that is not controlled by an unreasonably small number of unrelated electors. On October 4, 2017, the Treasury Department (“Treasury”) announced that it will withdraw the proposed regulations, stating that, “while Treasury and the IRS continue to study the legal issues relating to political subdivisions, Treasury and the IRS believed that these proposed regulations should be withdrawn in their entirety.” On October 20, 2017 a notice of withdrawal was published in the Federal Register. Treasury and the IRS may propose more targeted guidance in the future after further study of the relevant legal issues.

It has been reported that the IRS has closed audits of other community development districts in the State with no change to such districts’ bonds’ tax-exempt status, but has advised such districts that they must have qualified electors within five years of the issuance of tax-exempt bonds or their bonds may be determined to be taxable retroactive to the date of issuance. Pursuant to the Act, general elections are not held until the District has been established for six years and there are 250 qualified electors in the district. The District, unlike Village Center CDD, was formed with the intent that it will contain a sufficient number of residents to allow for a transition to control by resident landowners unaffiliated with the Land Bank and the Developer. Currently, all members of the Board of the District were elected by the Developer and none were elected by qualified electors or resident landowners. The Developer will certify as to its expectations as to the timing of the transition of control of the Board of the District to qualified electors or resident landowners pursuant to the Act, and its expectations as to compliance with the Act by any members of the Board that they elect; thus, if the District does not reach the minimum of 250 qualified electors after the sale of units to homebuyers, although the Board will continue to be elected by landowners, these landowners will be homebuyers, in the District. Such certification by the Developer does not ensure that such certification shall be determinative of, or may influence the outcome of any audit by the IRS, or any appeal from such audit, that may result in an adverse ruling that the District is not a political subdivision for purposes of Section 103(a) of the Code. Further, there can be no assurance that an audit by the IRS of the Series 2026 Bonds will not be commenced. The District has no reason to believe that any such audit will be commenced, or that any such audit, if commenced, would result in a conclusion of noncompliance with any applicable state or federal law.

Owners of the Series 2026 Bonds are advised that, if the IRS does audit the Series 2026 Bonds, under its current procedures, at least during the early stages of an audit, the IRS will treat the District as the taxpayer, and the Owners of the Series 2026 Bonds may have limited rights to participate in those proceedings. The commencement of such an audit could adversely affect the market value and liquidity of the Series 2026 Bonds until the audit is concluded, regardless of the ultimate outcome. In addition, in the event of an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2026 Bonds, it is unlikely the District will have available revenues to enable it to contest such determination or enter into a voluntary financial settlement with the IRS. Further, an adverse determination by the IRS with respect to the tax-exempt status of interest on the Series 2026 Bonds would adversely affect the availability of any secondary market for the Series 2026 Bonds. Should interest on the Series 2026 Bonds become includable in gross income for federal income tax purposes, not only will Owners of Series 2026 Bonds be required to pay income taxes on the interest received on such Series 2026 Bonds and related penalties, but because the interest rate on such Series 2026 Bonds will not be adequate to compensate Owners of the Series 2026 Bonds for the income taxes due on such interest, the value of the Series 2026 Bonds may decline.

THE INDENTURE DOES NOT PROVIDE FOR ANY ADJUSTMENT IN THE INTEREST RATE ON THE SERIES 2026 BONDS IN THE EVENT OF AN ADVERSE DETERMINATION BY THE IRS WITH RESPECT TO THE TAX-EXEMPT STATUS OF INTEREST ON THE SERIES 2026 BONDS. PROSPECTIVE PURCHASERS OF THE SERIES 2026 BONDS SHOULD EVALUATE WHETHER THEY CAN OWN THE SERIES 2026 BONDS IN THE EVENT THAT THE INTEREST ON THE SERIES 2026 BONDS BECOMES TAXABLE AND/OR THE DISTRICT IS EVER DETERMINED TO NOT BE A POLITICAL SUBDIVISION FOR PURPOSES OF THE CODE AND/OR SECURITIES ACT (AS HEREINAFTER DEFINED).

Loss of Exemption from Securities Registration

In addition to a possible determination by the IRS that the District is not a political subdivision for purposes of the Code, and regardless of the IRS determination, it is possible that federal or state regulatory authorities could also determine that the District is not a political subdivision for purposes of the federal and state securities laws. Accordingly, the District and purchasers of Series 2026 Bonds may not be able to rely on the exemption from registration under the Securities Act of 1933, as amended (the “Securities Act”), relating to securities issued by political subdivisions. In that event the Owners of the Series 2026 Bonds would need to ensure that subsequent transfers of the Series 2026 Bonds are made pursuant to a transaction that is not subject to the registration requirements of the Securities Act.

Federal Tax Reform

Various proposals are mentioned from time to time by members of the Congress of the United States of America and others concerning reform of the internal revenue (tax) laws of the United States. In addition, the IRS may, in the future, issue rulings that have the effect of changing the interpretation of existing tax laws. Certain of these proposals and interpretations, if implemented or upheld, could have the effect of diminishing the value of obligations of states and their political subdivisions, such as the Series 2026 Bonds, by eliminating or changing the tax-exempt status of interest on certain of such bonds. Whether any of such proposals will ultimately become or be upheld as law, and if so, the effect such proposals could have upon the value of bonds such as the Series 2026 Bonds, cannot be predicted. However, it is possible that any such law or interpretation could have a material and adverse effect upon the availability of a liquid secondary market and/or the value of the Series 2026 Bonds. See also “TAX MATTERS.”

Insufficient Resources or Other Factors Causing Failure to Complete the Assessment Area Two Project

There can be no assurance, in the event the Developer does not satisfy its completion obligations described below and the District does not have sufficient moneys on hand to complete the Assessment Area Two Project, that the District will be able to raise through the issuance of bonds, or otherwise, the moneys necessary to complete the Assessment Area Two Project. Further, pursuant to the Second Supplemental Indenture, the District covenants not to issue any other Bonds or other debt obligations secured by the Series 2026 Special Assessments. Such covenant shall not prohibit the District from issuing refunding Bonds. In addition, the District covenants not to issue any other Bonds or debt obligations for capital projects, secured by any Special Assessments on assessable land within Assessment Area Two within the District which secure the Series 2026 Special Assessments, until the Series 2026 Special Assessments are Substantially Absorbed. The District's covenants described above shall not preclude the imposition of Special Assessments or other non-ad valorem assessments on such lands in connection with other capital projects that are necessary for health, safety or welfare reasons or to remediate a natural disaster. Notwithstanding any provision in the Indenture to the contrary, the District may issue other Bonds or debt obligations secured by Special Assessments levied on the same land upon which the Series 2026 Special Assessments have been levied, other than the Series 2026 Special Assessments, at any time upon the written consent of the Majority Holders or at any time without any such consent if Special Assessments are levied on any lands within the District which are not subject to the Series 2026 Special Assessments. See "SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS – Additional Obligations" for more information.

The Developer will enter into the Completion Agreement with the District with respect to any unfinished portions of the Assessment Area Two Project not funded with the proceeds of the Series 2026 Bonds. Although the Developer will agree to complete the Assessment Area Two Project regardless of any insufficiency of proceeds from the Series 2026 Bonds and will enter into a Completion Agreement with the District as evidence thereof, there can be no assurance that the Developer will have sufficient resources to do so. Such obligation of the Developer is an unsecured obligation. The Land Bank and the Developer will also execute and deliver to the District the Collateral Assignment Agreement, pursuant to which the Land Bank and the Developer will collaterally assign to the District, to the extent assignable and to the extent that they are solely owned or controlled by the Land Bank and the Developer, development rights relating to the Assessment Area Two Project. Notwithstanding the Collateral Assignment Agreement, in the event the District forecloses on the lands subject to the Series 2026 Special Assessments as a result of the Land Bank's, the Developer's or subsequent landowners' failure to pay such assessments, there is a risk that the District will not have all permits and entitlements necessary to complete the development of the Assessment Area Two Project. All such obligations of the Land Bank and the Developer are unsecured obligations. See "THE CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA TWO PROJECT" and "THE DEVELOPMENT" herein for more information.

State Tax Reform

It is impossible to predict what new proposals may be presented regarding ad valorem tax reform and/or community development districts during upcoming legislative sessions, whether such new proposals or any previous proposals regarding the same will be adopted by the Florida Senate and House of Representatives and signed by the Governor, and, if adopted, the form thereof. On October 31, 2014, the Auditor General of the State released a 31-page report which requests legislative action to establish parameters on the amount of bonds a community development district may issue and provide additional oversight for community development district bonds. This report renews requests made by the Auditor General in 2011 that led to the Governor of the State issuing an Executive Order on January 11, 2012 (the

“Executive Order”) directing the Office of Policy and Budget in the Executive Office of the Governor (“OPB”) to examine the role of special districts in the State. As of the date hereof, the OPB has not made any recommendations pursuant to the Executive Order nor has the Florida legislature passed any related legislation. It is impossible to predict with certainty the impact that any future legislation will or may have on the security for the Series 2026 Bonds. It should be noted that Section 190.016(14) of the Act provides in pertinent part that “The state pledges to the holders of any bonds issued under the Act that it will not limit or alter the rights of the district to levy and collect the ... assessments... and to fulfill the terms of any agreement made with the holders of such bonds ... and that it will not impair the rights or remedies of such holders.”

Payment of Series 2026 Special Assessments after Bank Foreclosure

In the event a bank forecloses on property within Assessment Area Two because of a default on a mortgage on such property in favor of such bank and then the bank itself fails, the Federal Deposit Insurance Corporation (the “FDIC”), as receiver will then become the fee owner of such property. In such event, the FDIC will not, pursuant to its own rules and regulations, likely be liable to pay the Series 2026 Special Assessments levied on such property. In addition, the District would require the consent of the FDIC prior to commencing a foreclosure action.

Cybersecurity

The District relies on a technological environment to conduct its operations. The District, its agents and other third parties the District does business with or otherwise relies upon are subject to cyber threats including, but not limited to, hacking, viruses, malware and other attacks on computer and other sensitive digital networks and systems. Entities or individuals may attempt to gain unauthorized access to such parties’ digital systems for the purposes of misappropriating assets or information or causing operational disruption and damage. No assurances can be given that any such attack(s) will not materially impact the operations or finances of the District, which could impact the timely payment of debt service on the Series 2026 Bonds.

Pandemics and Other Public Health Emergencies

The COVID-19 pandemic severely impacted global financial markets, unemployment levels and commerce generally. It is possible that, in the future, the spread of epidemic or pandemic diseases and/or government health and public safety restrictions imposed in response thereto could adversely impact the District, the Land Bank, the Developer, the timely and successful completion of Assessment Area Two and the construction and sale to purchasers of residential units therein. Such impacts could include delays in obtaining development approvals, construction delays, supply chain delays, or increased costs. See also “BONDOWNERS’ RISKS – Economic Conditions and Changes in Development Plans” and “– Insufficient Resources or Other Factors Causing Failure to Complete the Assessment Area Two Project” herein.

Prepayment and Redemption Risk

In addition to being subject to optional and mandatory sinking fund redemptions, the Series 2026 Bonds are subject to extraordinary mandatory redemption as a result of prepayments of the Series 2026 Special Assessments by owners of the property within Assessment Area Two or from excess moneys in the Series 2026 Acquisition and Construction Account after the completion of the Assessment Area Two Project. Any such redemptions of the Series 2026 Bonds would be at the principal amount of such Series 2026 Bonds being redeemed plus accrued interest to the date of redemption. In such event, owners of the Series 2026 Bonds may not realize their anticipated rate of return on the Series 2026 Bonds and owners of

any Premium Bonds (as defined herein) may receive less than the price they paid for the Series 2026 Bonds. See “DESCRIPTION OF THE SERIES 2026 BONDS – Redemption Provisions” and “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS – Prepayment of Series 2026 Special Assessments” herein for more information.

THE DISTRICT

General Information

The District was established under the provisions of the Act and created by Ordinance No. 2021-451-E enacted by the City Council of the City on August 24, 2021 and effective on August 30, 2021, pursuant to the provisions of the Act. The boundaries of the District include approximately 345+/- gross acres of land (of which only 319+/- gross acres of land are developable) (the “District Lands”) located entirely within the incorporated area of the City within the County.

Legal Powers and Authority

The District is an independent unit of local government created pursuant to, and established in accordance with, the Act. The Act was enacted in 1980 to provide a uniform method for the establishment of independent districts to manage and finance basic community development services, including capital infrastructure required for community developments throughout the State of Florida. The Act provides legal authority for community development districts (such as the District) to finance the acquisition, construction, operation and maintenance of the major infrastructure for community development pursuant to its general law charter. The District is classified as an independent district under Chapter 189, Florida Statutes.

Among other provisions, the Act gives the District’s Board of Supervisors (the “Board”) the authority to, among other things, (a) plan, establish, acquire, construct or reconstruct, enlarge or extend, equip, operate and maintain systems and facilities for, among other things: (i) water management and control for lands within the District and to connect any of such facilities with roads and bridges; (ii) water supply, sewer and waste-water management, reclamation and reuse systems or any combination thereof and to construct and operate connecting intercept or outlet sewers and sewer mains and pipes and water mains, conduits, or pipelines in, along, and under any street, alley, highway, or other public place or ways, and to dispose of any effluent, residue, or other byproducts of such system or sewer system; (iii) District roads equal to or exceeding the specifications of the county in which such District roads are located and street lights, landscaping, hardscaping and undergrounding of electric utility lines; and (iv) with the consent of the local general-purpose government within the jurisdiction of which the power is to be exercised, parks and facilities for indoor and outdoor recreational uses and security; (b) borrow money and issue bonds of the District; (c) impose and foreclose special assessments liens as provided in the Act; and (d) exercise all other powers, necessary, convenient, incidental or proper in connection with any of the powers or duties of the District stated in the Act.

As a special district, the District has only those powers specifically delegated to it by the Act and the Ordinance, or necessarily implied from powers specifically delegated to it. The Act does not empower the District to adopt and enforce any land use plans or zoning ordinances and the Act does not empower the District to grant building permits; these functions are to be performed by general purpose local governments having jurisdiction over the lands within the District.

The Act exempts all property owned by the District from levy and sale by virtue of an execution and from judgment liens, but does not limit the right of any owner of Bonds of the District to pursue any remedy for enforcement of any lien or pledge of the District in connection with its bonds, including the Series 2026 Bonds.

Board of Supervisors

The governing body of the District is its Board, which is composed of five Supervisors (the “Supervisors”). The Act provides that, at the initial meeting of the landowners, Supervisors must be elected by the landowners with the two Supervisors receiving the highest number of votes to serve for four years and the remaining Supervisors to serve for a two-year term. Three of the five Supervisors are elected to the Board every two years in November. At such election the two Supervisors receiving the highest number of votes are elected to four-year terms and the remaining Supervisor is elected to a two-year term. Until the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, or such earlier time as the Board may decide to exercise its ad valorem taxing power, the Supervisors are elected by vote of the landowners of the District. Ownership of the land within the District entitles the owner to one vote per acre (with fractions thereof rounded upward to the nearest whole number and, for purposes of determining voting interests, platted lots shall be counted individually and rounded up to the nearest whole acre and shall not be aggregated for determining the number of voting units held). Upon the later of six (6) years after the initial appointment of Supervisors or the year in which there are at least 250 qualified electors in the District, the Supervisors whose terms are expiring will be elected (as their terms expire) by qualified electors of the District, except as described below. A qualified elector is a registered voter who is at least eighteen years of age, a resident of the District and the State of Florida and a citizen of the United States. At the election where Supervisors are first elected by qualified electors, two Supervisors must be qualified electors and be elected by qualified electors, both to four-year terms. Thereafter, as terms expire, all Supervisors must be qualified electors and are elected to serve four-year terms. If there is a vacancy on the Board, whether as a result of the resignation or removal of a Supervisor or because no elector qualifies for a seat to be filled in an election, the remaining Board members are to fill such vacancy for the unexpired term.

Notwithstanding the foregoing, if at any time the Board proposes to exercise its ad valorem taxing power, prior to the exercise of such power, it shall call an election at which all Supervisors shall be qualified electors and shall be elected by qualified electors in the District. Elections subsequent to such decision shall be held in a manner such that the Supervisors will serve four-year terms with staggered expiration dates in the manner set forth in the Act.

The Act provides that it shall not be an impermissible conflict of interest under Florida law governing public officials for a Supervisor to be a stockholder, officer or employee of a landowner or of any entity affiliated with a landowner.

The current members of the Board and the expiration of the term of each member are set forth below:

<u>Name</u>	<u>Title</u>	<u>Term Expires</u>
Zenzi Rogers*	Chairperson	November 2028
James “Chris” Mayo*	Vice-Chairperson	November 2026
Ross Puzzitiello**	Assistant Secretary	November 2026
Rick Puzzitiello**	Assistant Secretary	November 2026
Michael Della Penta*	Assistant Secretary	November 2028

* Employee of, or affiliated with, the Developer.

** Employee of, or affiliated with, the original developer of the Development.

A majority of the members of the Board constitutes a quorum for the purposes of conducting its business and exercising its powers and for all other purposes. Action taken by the Board shall be upon a vote of a majority of the members present unless general law or a rule of the District requires a greater number. All meetings of the Board are open to the public under Florida's open meeting or "Sunshine" law.

The District Manager and Other Consultants

The chief administrative official of the District is the District Manager (as hereinafter defined). The Act provides that a district manager has charge and supervision of the works of the District and is responsible for preserving and maintaining any improvement or facility constructed or erected pursuant to the provisions of the Act, for maintaining and operating the equipment owned by the District, and for performing such other duties as may be prescribed by the Board.

The District has retained Governmental Management Services, L.L.C., to serve as its district manager ("District Manager"). The District Manager's office is located at 475 West Town Place, Suite #114, St. Augustine, Florida 32092.

The Act further authorizes the Board to hire such employees and agents as it deems necessary. Thus, the District has employed the services of Greenberg Traurig, P.A., West Palm Beach, Florida, as Bond Counsel; Dominion Engineering Group, Inc., Jacksonville, Florida, as District Engineer; and Kutak Rock LLP, Tallahassee, Florida, as District Counsel. The Board has also retained the District Manager to serve as Methodology Consultant and to prepare the Assessment Methodology and to serve as dissemination agent for the Series 2026 Bonds.

Prior Indebtedness

The District previously issued its \$6,870,000 Seaton Creek Reserve Community Development District Special Assessment Bonds, Series 2023 (Assessment Area One) (the "Series 2023 Bonds"), currently outstanding in the aggregate principal amount of \$6,665,000, issued to finance certain improvements associated with Assessment Area One (the "Assessment Area One Project").

The Series 2023 Bonds are secured by Special Assessments levied on the assessable lands within Assessment Area One (the "Series 2023 Special Assessments"). The Series 2026 Pledged Revenues are not pledged to the payment of the principal of and interest on the Series 2023 Bonds, and the Series 2023 Special Assessments securing the Series 2023 Bonds are not pledged to the payment of the principal of and interest on the Series 2026 Bonds. After the issuance of the Series 2026 Bonds, the Series 2026 Special Assessments will be the only debt assessments levied on the lands within Assessment Area Two. The Series 2023 Special Assessments are the only debt assessments levied on the lands within Assessment Area One.

THE CAPITAL IMPROVEMENT PLAN AND THE ASSESSMENT AREA TWO PROJECT

Dominion Engineering Group, Inc. (the “District Engineer”) prepared a report entitled Amended Master Engineer’s Report for Seaton Creek Reserve Community Development District dated November 7, 2022, revised on March 21, 2023 and April 24, 2023, as supplemented by the Supplemental Engineer’s Report Assessment Area Two dated May 14, 2026, as may be further supplemented and amended from time to time (collectively, the “Engineer’s Report”). The Engineer’s Report sets forth certain public infrastructure improvements necessary for the development of 753 residential units. The District Engineer, in the Engineer’s Report estimates that the public infrastructure associated with the Development totals approximately \$90,365,700 (the “Capital Improvement Plan”). See “APPENDIX C: ENGINEER’S REPORT” for more information.

Land development associated with the District Lands will occur in phases. The first three phases of land development for the Development consists of approximately 134+/- gross acres of land planned to contain 279 single-family residential units (“Assessment Area One”). The next four phases of land development for the Development consists of approximately 125+/- gross acres of land planned to contain 285 single-family residential units (“Assessment Area Two”). The remaining two phases of land development for the Development consists of approximately 60+/- gross acres of land planned to contain 189 single-family residential units (“Assessment Area Three”).

The portion of the Capital Improvement Plan associated with Assessment Area One is referred to herein as the “Assessment Area One Project.” The portion of the Capital Improvement Plan associated with Assessment Area Two is referred to herein as the “Assessment Area Two Project.”

The District previously issued its Series 2023 Bonds to finance a portion of the Assessment Area One Project. The Assessment Area One Project is complete and all 279 lots planned for Assessment Area One have been developed and platted. 274 residential units within Assessment Area One have closed with homebuyers and the remaining 5 residential units are model homes. See “THE DEVELOPMENT – Update on Assessment Area One” herein for more information.

The District plans to issue one or more additional series of bonds to finance the infrastructure associated with Assessment Area Three. Such additional series of bonds will not be secured by special assessments levied on the lands within Assessment Area One or Assessment Area Two. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS – Additional Obligations” herein for more information.

The Series 2026 Bonds are being issued to finance a portion of the Assessment Area Two Project. The District Engineer, in the Engineer’s Report estimates the total cost of the Assessment Area Two Project to be approximately \$26,991,800, as more particularly described below.

	<u>Assessment Area Two Project</u>
Clearing and Grubbing	\$1,563,000
Earthwork	7,548,000

A final plat for the 37 lots within Phase Four was recorded in October 2025. See “THE DEVELOPMENT – Development Plan / Status” herein for more information.

As of June 30, 2026, the Developer has spent approximately \$20.56 million towards land development associated with Assessment Area Two, a portion of which includes the Assessment Area Two Project. Net proceeds of the Series 2026 Bonds to be deposited into the Series 2026 Acquisition and Construction Account will be approximately \$3.98 million* and such proceeds will be used by the District towards the construction and/or acquisition of the Assessment Area Two Project. The Developer will enter into the Completion Agreement that will obligate the Developer to complete any portions of the Assessment Area Two Project not funded with proceeds of the Series 2026 Bonds. See “BONDOWNERS’ RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the Assessment Area Two Project” herein.

The District Engineer has indicated that all engineering permits necessary to construct the Assessment Area Two Project that are set forth in the Engineer’s Report have been obtained or will be obtained in the ordinary course of business. In addition to the Engineer’s Report, please refer to “THE DEVELOPMENT – Development Approvals” for a more detailed description of the zoning and permitting status of the Development. See “APPENDIX C: ENGINEER’S REPORT” for more information regarding the above improvements.

ASSESSMENT METHODOLOGY

General

The Master Assessment Methodology dated April 25, 2023 (the “Master Methodology”) prepared by Inframark, LLC, as supplemented by the final Second Supplemental Assessment Methodology Report – Assessment Area Two to be dated the sale date of the Series 2026 Bonds (the “Supplemental Methodology” and together with the Master Methodology, the “Assessment Methodology”) prepared by Governmental Management Services, L.L.C. (the “Methodology Consultant”), describes the methodology for allocation of the Series 2026 Special Assessments to lands within Assessment Area Two. See “EXPERTS” herein for more information. The Assessment Methodology is included herein as APPENDIX D. Once the final terms of the Series 2026 Bonds are determined, the Supplemental Methodology will be amended to reflect such final terms.

Once levied and imposed, the Series 2026 Special Assessments are a first lien on the land against which assessed until paid or barred by operation of law, co-equal with other taxes and assessments levied by the District and other non-federal units of government. See “ENFORCEMENT OF ASSESSMENT COLLECTIONS” herein.

Series 2026 Special Assessments

As set forth in the Assessment Methodology, the Series 2026 Special Assessments will at issuance be levied on the 37 platted lots within Assessment Area Two and initially be levied on the remaining 113+/- gross acres of land within Assessment Area Two until such time as the remaining 248 planned lots are platted. As platting of the remaining 248 planned lots within Assessment Area Two occurs, the Series 2026 Special Assessments will be assigned to platted lots within Assessment Area Two on a first platted, first assigned basis. Assuming that all of the 285 planned residential units within Assessment Area Two are developed and platted, then the Series 2026 Special Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See “THE DEVELOPMENT – Development Plan/Status” and “APPENDIX D: ASSESSMENT METHODOLOGY” herein.

<u>Product Type</u>	<u>No. of Units</u>	<u>Annual Series 2026 Special Assessments Per Unit**</u>	<u>Series 2026 Bonds Par Debt Per Unit*</u>
Single-Family	285	\$1,800.00	\$23,929.82

*Preliminary, subject to change.

**This amount will be grossed up to include early payment discounts and County collection fees, currently 6%.

The District will continue levying assessments on residential units in the Development to cover its operation and maintenance costs that are approximately \$1,810 per residential unit annually, which amount is subject to change. In addition, residents will be required to pay homeowners association fees currently estimated to be \$775 per year per unit. The District has no control over the level of homeowners’ association fees or amenity fees imposed by the homeowners’ association. The land within the District has been and is expected to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2025 was approximately 17.7412, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2026 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School District of Duval County, Florida may each levy ad valorem taxes and/or special assessments upon the land in the District. The District has no control over the level of ad valorem taxes

and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

True-Up Mechanism

To ensure that there will always be sufficient development potential remaining in the property that has not been platted or is re-platted and to provide for the payment of debt service on the Series 2026 Bonds after a recording of a plat or re-plat, the Assessment Methodology sets forth a “true-up mechanism” which provides that the debt per acre remaining on the unplatted land within Assessment Area Two is never allowed to increase above its maximum debt per acre level. If the debt per acre level remaining on unplatted land within Assessment Area Two increases above the maximum debt per acre level, a density reduction payment would be made by the Land Bank or the Developer, as applicable, so that the maximum debt per acre level is not breached. This debt reduction payment would result in the extraordinary mandatory redemption of a portion of the Series 2026 Bonds. The Land Bank and the Developer (to the extent the Developer has taken down any lots before the issuance of the Series 2026 Bonds) are expected to enter into the True-Up Agreement in connection with its obligations to pay true-up payments in the event that the debt per acre remaining on unplatted land or land subject to a re-plat increases above the maximum debt per acre level. The obligations of the Land Bank and the Developer under the True-Up Agreement are unsecured obligations. See “APPENDIX D: ASSESSMENT METHODOLOGY” herein for additional information regarding the “true-up mechanism.”

THE DEVELOPMENT

General

The District Lands encompass approximately 345+/- gross acres (of which only 319+/- gross acres of land are developable) located entirely within the incorporated area of the City of Jacksonville, Florida (the “City”) within Duval County, Florida (the “County”). The District is planned to contain a 753-unit residential community known as “Seaton Creek” (the “Development”). The Development is located near the Jacksonville International Airport, west of Interstate-95 and bounded to the south by Pecan Park Road. Set forth below is a map which depicts the approximate location of the Development.

Land development associated with the District Lands will occur in phases. The first three phases of land development for the Development consists of approximately 134+/- gross acres of land planned to contain 279 single-family residential units (“Assessment Area One”). The next four phases of land development for the Development consists of approximately 125+/- gross acres of land planned to contain 285 single-family residential units (“Assessment Area Two”). The remaining two phases of land development for the Development consists of approximately 60+/- gross acres of land planned to contain 189 single-family residential units (“Assessment Area Three”).

The District previously issued its Series 2023 Bonds to finance a portion of the Assessment Area One Project. The Assessment Area One Project is complete and all 279 lots planned for Assessment Area One have been developed and platted. 274 residential units within Assessment Area One have closed with homebuyers and the remaining 5 residential units are model homes. See “THE DEVELOPMENT – Update on Assessment Area One” for more information.

The Series 2026 Bonds are being issued to finance a portion of the Assessment Area Two Project. The Series 2026 Bonds will be secured by the Series 2026 Special Assessments, which will at issuance be levied on the 37 platted lots within Assessment Area Two and initially be levied on the remaining 113+/- gross acres of land within Assessment Area Two until such time as the remaining 248 planned lots are platted. As platting of the remaining 248 planned lots within Assessment Area Two occurs, the Series 2026 Special Assessments will be assigned to the platted lots within Assessment Area Two on a first platted, first assigned basis, as set forth in the Assessment Methodology. See “APPENDIX D: ASSESSMENT METHODOLOGY” and “– Taxes, Fees and Assessments” herein for more information.

The District plans to issue one or more additional series of bonds to finance the infrastructure associated with Assessment Area Three. Such additional series of bonds will not be secured by special assessments levied on the lands within Assessment Area One or Assessment Area Two. See “SECURITY FOR AND SOURCE OF PAYMENT OF THE SERIES 2026 BONDS – Additional Obligations” herein for more information.

Millrose Properties Florida, LLC, a Florida limited liability company (the “Land Bank”) is the owner of a majority of the assessable land within Assessment Area Two. The Land Bank entered into the Construction Agreement with Lennar Homes, LLC, a Florida limited liability company (the “Developer”) pursuant to which the Developer will manage the installation of infrastructure improvements for Assessment Area Two. As of June 30, 2026, the Land Bank owns the land planned for 273 lots in Assessment Area Two and the Developer has taken down 12 platted lots within Assessment Area Two in accordance with the Option Agreement. See “THE LAND BANK AND THE DEVELOPER” herein for more information.

Sales and vertical construction within Assessment Area Two commenced in February 2026. As of June 30, 2026, approximately 12 residential units within Assessment Area Two are under contract with homebuyers and 35 residential units are under construction. Closings with homebuyers are expected to commence in August 2026. See “– Development Plan / Status” herein for more information.

The target customers for residential units within Assessment Area Two are primarily first time homebuyers and move-up homebuyers. Single-family homes within Assessment Area Two are expected to range in size from 1,703 square feet to 2,360 square feet with prices ranging from \$387,990 to \$405,490. See “– Residential Product Offerings” herein for more information.

Update on Assessment Area One

The District previously issued its Series 2023 Bonds to finance a portion of the Assessment Area One Project. The Assessment Area One Project is complete and all 279 lots planned for Assessment Area One have been developed and platted. 274 residential units within Assessment Area One have closed with homebuyers and the remaining 5 residential units are model homes.

Land Acquisition, Construction Agreement and the Option Agreement

The lands within Assessment Area Two and Assessment Area Three currently planned for 474 lots in the aggregate were purchased by the Land Bank in May 2025, for approximately \$35.9 million. The Land

Bank has a mortgage on the lands it owns within Assessment Area Two in favor of Millrose Properties, Inc (“Millrose”). Such mortgage is unrecorded and secures an intercompany promissory note structured to ensure that Millrose will have sufficient qualifying real estate investment trust assets and income. The mortgage will only be recorded if there is an event of default with respect to the promissory note and will be released upon payment of the promissory note or the sale of the property pursuant to the Option Agreement. There are currently no other mortgages on the lands within the Development.

The Land Bank entered into the Master Construction Agreement dated February 7, 2025 with the Developer and other parties thereto (the “Construction Agreement”) pursuant to which the Developer will manage the installation of infrastructure improvements for all 285 lots planned within Assessment Area Two and all 189 lots planned within Assessment Area Three and the Land Bank is obligated to reimburse the Developer for the associated costs incurred not funded with available proceeds of the Series 2026 Bonds. Pursuant to the Construction Agreement, the Developer is obligated to complete the installation of the infrastructure improvements for all 285 lots planned within Assessment Area Two and all 189 lots planned within Assessment Area Three as part of its obligation under the Construction Agreement. The Developer is obligated to pay all cost overruns in accordance with the Construction Agreement.

The Developer, the Land Bank and the other parties to the Construction Agreement entered into a Master Option Agreement dated February 7, 2025, as amended and supplemented and as may be further amended and supplemented from time to time (the “Option Agreement”). Although the Option Agreement currently provides for a total lot count of 475 within Assessment Area Two and Assessment Area Three, the Developer and the Land Bank intend to modify the Option Agreement to revise the lot count to 474 to reflect the latest development plan for Phase Five of Assessment Area Two, the development plan for which was reduced from 74 to 73 lots. Pursuant to the Option Agreement, the Developer paid the Land Bank an option payment equivalent to five percent (5%) of the purchase price (the “Option Payment”) in exchange for the right to acquire all 285 lots planned within Assessment Area Two and all 189 lots (after modification of the Option Agreement) planned within Assessment Area Three at a price of approximately \$108,660.00 per single-family lot, plus an additional payment of the monthly interest on the outstanding balance due under the Option Agreement. Subject to the terms of the Option Agreement, no portion of the option payment is to be applied to the lot purchase price at each lot takedown, and the option payment is generally nonrefundable except in the event of a default by the Land Bank. The Developer has the right to acquire the lots early, and to terminate the Option Agreement prior to the takedown of all or any of the lots not then acquired at any time upon delivery of written notice to the Land Bank. The amount of such prepayment will be applied to the lot purchase price at each applicable lot takedown.

As of June 30, 2026, the Land Bank owns the land planned for 273 lots within Assessment Area Two and the Developer has taken down 12 platted lots within Assessment Area Two. Pursuant to the Option Agreement, lot takedowns are required to occur monthly until all lots have been acquired by November 2032 in accordance with the Option Agreement. See “BONDOWNERS’ RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the Assessment Area Two Project” herein.

Development Finance Plan

The total land development costs associated with Assessment Area Two are expected to be approximately \$23.79 million, consisting of the costs of the Assessment Area Two Project and other hard and soft costs. As of June 30, 2026, the Developer has spent approximately \$20.56 million towards land development activity associated with Assessment Area Two, a portion of which includes the Assessment Area Two Project. Net proceeds of the Series 2026 Bonds to be deposited into the Series 2026 Acquisition

and Construction Account will be approximately \$3.98 million* and such proceeds will be used by the District towards the funding and/or acquisition of a portion of the Assessment Area Two Project. The Developer will enter into the Completion Agreement that will obligate the Developer to complete any portions of the Assessment Area Two Project not funded with proceeds of the Series 2026 Bonds. See “BONDOWNERS’ RISKS – Insufficient Resources or Other Factors Causing Failure to Complete the Assessment Area Two Project” herein.

Development Plan / Status

Land development associated with Assessment Area Two will occur in four phases, as further described below.

Phase Four. Phase four of the Development is planned to contain 37 single-family residential units (“Phase Four”). Land development associated with Phase Four is substantially complete. A final plat for 37 lots within Phase Four was recorded in October 2025.

Phase Five. Phase five of the Development is planned to contain 73 single-family residential units (“Phase Five”). Land development for Phase Five is underway and is expected to be completed by August 2026. A final plat for Phase Five is expected to be recorded in July 2026.

Phase Six. Phase six of the Development is planned to contain 89 single-family residential units (“Phase Six”). Land development for Phase Six is underway and is expected to be completed by July 2026. A final plat for Phase Six is expected to be recorded in September 2026.

Phase Seven. Phase seven of the Development is planned to contain 86 single-family residential units (“Phase Seven”). Land development for Phase Seven is underway and is expected to be completed by October 2026. A final plat for Phase Seven is expected to be recorded in April 2027.

Sales and vertical construction within Assessment Area Two commenced in February 2026. As of June 30, 2026, approximately 12 residential units within Assessment Area Two are under contract with homebuyers and 35 residential units are under construction. Closings with homebuyers are expected to commence in August 2026.

The Developer anticipates that approximately 57 residential units within Assessment Area Two will be sold and closed with homebuyers per annum until build out. This anticipated absorption is based upon estimates and assumptions made by the Developer that are inherently uncertain, though considered reasonable by the Developer, and are subject to significant business, economic, and competitive uncertainties and contingencies, all of which are difficult to predict and many of which are beyond the control of the Developer. As a result, there can be no assurance such absorption rate will occur or be realized in the time frame anticipated.

Development Approvals

The land within the Development, including, without limitation, the land therein subject to the Series 2026 Special Assessments, is zoned to allow for the contemplated residential uses described herein. All permits have been received by jurisdictional agencies to allow for the development contemplated herein or are reasonably expected to be received in the ordinary course.

The Developer is expected to complete certain offsite infrastructure improvements, including, but not limited to the construction of turn lanes on Pecan Park at Gold Star Parkway.

Environmental

A Phase I Environmental Site Assessment was prepared by Kleinfelder Inc., dated October 13, 2021 (the “ESA”), covering the land in Assessment Area Two. The ESA revealed no recognized environmental conditions in connection with Assessment Area Two. See “BONDOWNERS’ RISKS – Regulatory and Environmental Risks” herein for more information regarding potential environmental risks.

Amenities

The Development contains an approximately 4,260 square foot clubhouse (3,060 square feet under air conditioning), a resort-style swimming pool, a fitness center, tot lot, various recreation fields and courts (collectively, the “Amenity”). Construction of the Amenity is complete. The estimated cost of the Amenity was approximately \$6 million, which was funded by the Developer. The Amenity will be owned, operated and maintained by the District.

The Developer may construct other minor amenities, however at this time there are no available plans nor projected costs of such amenities.

Utilities

Potable water, wastewater treatment and reclaimed wastewater (reuse services) for the Development are expected to be provided by Jacksonville Electric Authority. Electric power is expected to be provided by Jacksonville Electric Authority. Cable television and broadband cable services are expected to be provided by FisionX. All utility services will be available to the Development.

Taxes, Fees and Assessments

As set forth in the Assessment Methodology, the Series 2026 Special Assessments will at issuance be levied on the 37 platted lots within Assessment Area Two and initially be levied on the remaining 113+/- gross acres of land within Assessment Area Two until such time as the remaining 248 planned lots are platted. As platting of the remaining 248 planned lots within Assessment Area Two occurs, the Series 2026 Special Assessments will be assigned to platted lots within Assessment Area Two on a first platted, first assigned basis. Assuming that all of the 285 planned residential units within Assessment Area Two are developed and platted, then the Series 2026 Special Assessments will be allocated on a per unit basis below and as set forth in the Assessment Methodology. See “THE DEVELOPMENT – Development Plan/Status” and “APPENDIX D: ASSESSMENT METHODOLOGY” herein.

<u>Product Type</u>	<u>No. of Units</u>	<u>Annual Series 2026 Special Assessments Per Unit*/**</u>	<u>Series 2026 Bonds Par Debt Per Unit*</u>
Single-Family	285	\$1,800.00	\$23,929.82

*Preliminary, subject to change.

**This amount will be grossed up to include early payment discounts and County collection fees, currently 6%.

The District will continue levying assessments on residential units in the Development to cover its operation and maintenance costs that are approximately \$1,810 per residential unit annually, which amount is subject to change. In addition, residents will be required to pay homeowners association fees currently estimated to be \$775 per year per unit. The District has no control over the level of homeowners’ association fees or amenity fees imposed by the homeowners’ association. The land within the District has been and is expected to be subject to taxes and assessments imposed by taxing authorities other than the District. The total millage rate imposed on taxable properties in the District for 2025 was approximately 17.7412, which millage rate is subject to change in future tax years. These taxes would be payable in addition to the Series 2026 Special Assessments and any other assessments levied by the District. In addition, exclusive of voter approved millages levied for general obligation bonds, as to which no limit applies, the City, the County and the School District of Duval County, Florida may each levy ad valorem taxes and/or special assessments upon the land in the District. The District has no control over the level of ad valorem taxes and/or special assessments levied by other taxing authorities. It is possible that in future years taxes levied by these other entities could be substantially higher than in the current year.

There are also several private and charter school alternatives in the vicinity of the Development.

Competition

The following communities have been identified by the Developer as being competitive with the Development because of their proximity to the Development, price ranges and product types: The Arbors, Bradley Pond, Azalea Hills and Aspen Trail.

This information under this heading does not purport to list all of the existing or planned communities in the area of the Development, but rather provide a list of those that the Developer feels pose primary competition to the Development.

TAX MATTERS

General

The Internal Revenue Code of 1986, as amended (the “Code”), includes requirements which the District must continue to meet after the issuance of the Series 2026 Bonds in order that the interest on the Series 2026 Bonds be and remain excludable from gross income for federal income tax purposes. The District’s failure to meet these requirements may cause the interest on the Series 2026 Bonds to be included in gross income for federal income tax purposes retroactively to the date of issuance of the Series 2026 Bonds. The District has covenanted in the Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Series 2026 Bonds.

In the opinion of Greenberg Traurig, P.A., Bond Counsel, assuming the accuracy of certain representations and certifications of the District and the Developer, and continuing compliance by the District with the tax covenants referred to above, under existing statutes, regulations, rulings and court decisions, the interest on the Series 2026 Bonds is excludable from gross income of the holders thereof for federal income tax purposes. Interest on the Series 2026 Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Series 2026 Bonds is not excluded from the determination of adjusted financial statement income. Bond Counsel is further of the opinion that the Series 2026 Bonds and the interest thereon are not subject to taxation under the laws of the State, except as to estate taxes and taxes under Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in said Chapter 220. Bond Counsel will express no opinion as to any other tax consequences regarding the Series 2026 Bonds. Prospective purchasers of the Series 2026 Bonds should consult their own tax advisors as to the status of interest on the Series 2026 Bonds under the tax laws of any state other than the State.

The above opinion on federal tax matters with respect to the Series 2026 Bonds will be based on and will assume the accuracy of certain representations and certifications of the District and the Developer, and compliance with certain covenants of the District and the Developer to be contained in the transcript of proceedings and that are intended to evidence and assure the foregoing, including that the Series 2026 Bonds will be and will remain obligations, the interest on which is excludable from gross income for federal income tax purposes. Bond Counsel will not independently verify the accuracy of those certifications and representations. Bond Counsel will express no opinion as to any other consequences regarding the Series 2026 Bonds.

Except as described above, Bond Counsel will express no opinion regarding the federal income tax consequences resulting from the receipt or accrual of the interest on the Series 2026 Bonds, or the ownership or disposition of the Series 2026 Bonds. Prospective purchasers of Series 2026 Bonds should be aware that the ownership of Series 2026 Bonds may result in other collateral federal tax consequences, including (i) the denial of a deduction for interest on indebtedness incurred or continued to purchase or carry the Series 2026 Bonds, (ii) the reduction of the loss reserve deduction for property and casualty insurance companies by the applicable statutory percentage of certain items, including the interest on the Series 2026 Bonds, (iii) the inclusion of the interest on the Series 2026 Bonds in the earnings of certain foreign corporations

doing business in the United States for purposes of a branch profits tax, (iv) the inclusion of the interest on the Series 2026 Bonds in the passive income subject to federal income taxation of certain Subchapter S corporations with Subchapter C earnings and profits at the close of the taxable year, (v) the inclusion of interest on the Series 2026 Bonds in the determination of the taxability of certain Social Security and Railroad Retirement benefits to certain recipients of such benefits, (vi) net gain realized upon the sale or other disposition of property such as the Series 2026 Bonds generally must be taken into account when computing the Medicare tax with respect to net investment income or undistributed net investment income, as applicable, imposed on certain high income individuals and specified trusts and estates and (vii) receipt of certain investment income, including interest on the Series 2026 Bonds, is considered when determining qualification limits for obtaining the earned income credit provided by Section 32(a) of the Code. The nature and extent of the other tax consequences described above will depend on the particular tax status and situation of each owner of the Series 2026 Bonds. Prospective purchasers of the Series 2026 Bonds should consult their own tax advisors as to the impact of these and any other tax consequences.

Bond Counsel's opinion is based on existing law, which is subject to change. Such opinion is further based on factual representations made to Bond Counsel as of the date of issuance of the Series 2026 Bonds. Bond Counsel assumes no duty to update or supplement its opinion to reflect any facts or circumstances that may thereafter come to Bond Counsel's attention, or to reflect any changes in law that may thereafter occur or become effective. Moreover, Bond Counsel's opinion is not a guarantee of a particular result, and are not binding on the IRS or the courts; rather, such opinion represents Bond Counsel's professional judgment based on its review of existing law, and in reliance on the representations and covenants that it deems relevant to such opinion.

Original Issue Discount and Premium

Certain of the Series 2026 Bonds ("Discount Bonds") may be offered and sold to the public at an original issue discount ("OID"). OID is the excess of the stated redemption price at maturity (the principal amount) over the "issue price" of a Discount Bond determined under Code Section 1273 or 1274 (i.e., for obligations issued for money in a public offering, the initial offering price to the public (other than to bond houses and brokers) at which a substantial amount of the obligation of the same maturity is sold pursuant to that offering). For federal income tax purposes, OID accrues to the owner of a Discount Bond over the period to maturity based on the constant yield method, compounded semiannually (or over a shorter permitted compounding interval selected by the owner). The portion of OID that accrues during the period of ownership of a Discount Bond (i) is interest excludable from the owner's gross income for federal income tax purposes to the same extent, and subject to the same considerations discussed above, as other interest on the Series 2026 Bonds, and (ii) is added to the owner's tax basis for purposes of determining gain or loss on the maturity, redemption, prior sale or other disposition of that Discount Bond.

Certain of the Series 2026 Bonds ("Premium Bonds") may be offered and sold to the public at a price in excess of their stated redemption price (the principal amount) at maturity (or earlier for certain Premium Bonds callable prior to maturity). That excess constitutes bond premium. For federal income tax purposes, bond premium is amortized over the period to maturity of a Premium Bond, based on the yield to maturity of that Premium Bond (or, in the case of a Premium Bond callable prior to its stated maturity, the amortization period and yield may be required to be determined on the basis of an earlier call date that results in the lowest yield on that Premium Bond), compounded semiannually (or over a shorter permitted compounding interval selected by the owner). No portion of that bond premium is deductible by the owner of a Premium Bond. For purposes of determining the owner's gain or loss on the sale, redemption (including redemption at maturity) or other disposition of a Premium Bond, the owner's tax basis in the Premium Bond is reduced by the amount of bond premium that accrues during the period of ownership. As a result, an owner may realize taxable gain for federal income tax purposes from the sale or other disposition

of a Premium Bond for an amount equal to or less than the amount paid by the owner for that Premium Bond.

Owners of Discount and Premium Bonds should consult their own tax advisers as to the determination for federal income tax purposes of the amount of OID or bond premium properly accruable in any period with respect to the Discount or Premium Bonds and as to other federal tax consequences, and the treatment of OID and bond premium for purposes of state and local taxes on, or based on, income.

Changes in Federal and State Tax Law

From time to time, there are legislative proposals suggested, debated, introduced or pending in Congress or in the State legislature that, if enacted into law, could alter or amend one or more of the federal tax matters, or state tax matters, respectively, described above including, without limitation, the excludability from gross income of interest on the Series 2026 Bonds, adversely affect the market price or marketability of the Series 2026 Bonds, or otherwise prevent the holders from realizing the full current benefit of the status of the interest thereon. It cannot be predicted whether or in what form any such proposal may be enacted, or whether, if enacted, any such proposal would affect the Series 2026 Bonds. Prospective purchasers of the Series 2026 Bonds should consult their tax advisors as to the impact of any proposed or pending legislation.

Information Reporting and Backup Withholding

Interest paid on tax-exempt bonds such as the Series 2026 Bonds is subject to information reporting to the Internal Revenue Service in a manner similar to interest paid on taxable obligations. This reporting requirement does not affect the excludability of interest on the Series 2026 Bonds from gross income for federal income tax purposes. However, in conjunction with that information reporting requirement, the Code subjects certain non-corporate owners of Series 2026 Bonds, under certain circumstances, to “backup withholding” at the rates set forth in the Code, with respect to payments on the Series 2026 Bonds and proceeds from the sale of Series 2026 Bonds. Any amount so withheld would be refunded or allowed as a credit against the federal income tax of such owner of Series 2026 Bonds. This withholding generally applies if the owner of Series 2026 Bonds (i) fails to furnish the payor such owner’s social security number or other taxpayer identification number (“TIN”), (ii) furnished the payor an incorrect TIN, (iii) fails to properly report interest, dividends, or other “reportable payments” as defined in the Code, or (iv) under certain circumstances, fails to provide the payor or such owner’s securities broker with a certified statement, signed under penalty of perjury, that the TIN provided is correct and that such owner is not subject to backup withholding. Prospective purchasers of the Series 2026 Bonds may also wish to consult with their tax advisors with respect to the need to furnish certain taxpayer information in order to avoid backup withholding.

AGREEMENT BY THE STATE

Under the Act, the State of Florida pledges to the holders of any bonds issued thereunder, including the Series 2026 Bonds, that it will not limit or alter the rights of the District to own, acquire, construct, reconstruct, improve, maintain, operate or furnish the Assessment Area Two Project subject to the Act or to levy and collect taxes, assessments, rentals, rates, fees, and other charges provided for in the Act and to fulfill the terms of any agreement made with the holders of such bonds and that it will not in any way impair the rights or remedies of such holders.

LEGALITY FOR INVESTMENT

The Act provides that the Series 2026 Bonds are legal investments for savings banks, banks, trust companies, insurance companies, executors, administrators, trustees, guardians, and other fiduciaries, and for any board, body, agency, instrumentality, county, municipality or other political subdivision of the State of Florida, and constitute securities which may be deposited by banks or trust companies as security for deposits of state, county, municipal or other public funds, or by insurance companies as required or voluntary statutory deposits.

SUITABILITY FOR INVESTMENT

In accordance with applicable provisions of Florida law, the Series 2026 Bonds may initially be sold by the District only to “accredited investors” within the meaning of Chapter 517, Florida Statutes, as amended, and the rules promulgated thereunder. The limitation of the initial offering to accredited investors does not denote restrictions on transfers in any secondary market for the Series 2026 Bonds. Investment in the Series 2026 Bonds poses certain economic risks. See “BONDOWNERS’ RISKS” herein. No dealer, broker, salesperson or other person has been authorized by the District or the Underwriter to give any information or make any representations, other than those contained in this Limited Offering Memorandum.

The Series 2026 Bonds will be issued in fully registered form, without coupons, in authorized denominations of \$5,000 and any integral multiple thereof, provided, however, if any initial beneficial owner of Series 2026 Bonds does not purchase at least \$100,000 of the Series 2026 Bonds at the time of initial delivery of the Series 2026 Bonds, such beneficial owner must execute and deliver to the District and the Underwriter on the date of delivery of the Series 2026 Bonds the investor letter in the form attached to the Second Supplemental Indenture or otherwise establish to the satisfaction of the Underwriter that such beneficial owner is an “accredited investor,” as described in Rule 501(a) under Regulation D of the Securities Act of 1933, as amended.

ENFORCEABILITY OF REMEDIES

The remedies available to the Owners of the Series 2026 Bonds upon an Event of Default under the Master Indenture are in many respects dependent upon judicial actions which are often subject to discretion and delay. Under existing constitutional and statutory law and judicial decisions, including the federal bankruptcy code, the remedies specified by the Indenture and the Series 2026 Bonds may not be readily available or may be limited. The various legal opinions to be delivered concurrently with the delivery of the Series 2026 Bonds will be qualified as to the enforceability of the remedies provided in the various legal instruments, by limitations imposed by bankruptcy, reorganization, insolvency or other similar laws affecting the rights of creditors enacted before or after such delivery.

LITIGATION

The District

There is no litigation against the District of any nature now pending or, to the knowledge of the District threatened, seeking to restrain or enjoin the issuance, sale, execution or delivery of the Series 2026 Bonds, or in any way contesting or affecting (i) the validity of the Series 2026 Bonds or any proceedings of the District taken with respect to the issuance or sale thereof, (ii) the pledge or application of any moneys or security provided for the payment of the Series 2026 Bonds, (iii) the existence or powers of the District or (iv) the validity of the Assessment Proceedings.

The Land Bank

There is no litigation of any nature now pending or, to the knowledge of the Land Bank, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the Assessment Area Two Project or the development of Assessment Area Two, as described herein, materially and adversely affect the ability of the Land Bank to pay the Series 2026 Special Assessments imposed against the land within the District owned by the Land Bank or materially and adversely affect the ability of the Land Bank to perform its various obligations described in this Limited Offering Memorandum.

The Developer

There is no litigation of any nature now pending or, to the knowledge of the Developer, threatened, which could reasonably be expected to have a material and adverse effect upon the completion of the Assessment Area Two Project or the development of Assessment Area Two, as described herein, materially and adversely affect the ability of the Developer to pay the Series 2026 Special Assessments imposed against the land within the District owned by the Developer or materially and adversely affect the ability of the Developer to perform its various obligations described in this Limited Offering Memorandum.

CONTINGENT FEES

The District has retained Bond Counsel, District Counsel, the District Engineer, the Methodology Consultant, the Underwriter (who has retained Underwriter's Counsel) and the Trustee (who has retained Trustee's Counsel), with respect to the authorization, sale, execution and delivery of the Series 2026 Bonds. Except for the payment of fees to District Counsel, the District Engineer and the Methodology Consultant, the payment of fees of certain other professionals is each contingent upon the issuance of the Series 2026 Bonds.

NO RATING

No application for a rating for the Series 2026 Bonds has been made to any rating agency, nor is there any reason to believe that an investment grade rating for the Series 2026 Bonds would have been obtained if application had been made.

Attached hereto as APPENDIX F is a copy of the District's unaudited financial statements for the period ended March 31, 2026 and the District's audited financial statements for the fiscal year ended September 30, 2025. Each community development district in Florida must have a separate website with certain information as set forth in Section 189.069, Florida Statutes, as amended. Under such statute, each district must post its proposed budget and final budget, most recent final audit report and a link to the Department of Financial Services' website (and the district's audit) on a district website or the website of the municipal or county government. The District currently has a website in place and is presently in compliance with the statutory guidelines required by Section 189.069, Florida Statutes, as amended.

DISCLOSURE REQUIRED BY FLORIDA BLUE SKY REGULATIONS

Rule 69W-400.003, Rules of Government Securities under Section 517.051(1), Florida Statutes, promulgated by the Florida Department of Financial Services, Office of Financial Regulation, Division of Securities and Finance ("Rule 69W-400.003"), requires the District to disclose each and every default as to the payment of principal and interest with respect to obligations issued or guaranteed by the District after December 31, 1975. Rule 69W-400.003 further provides, however, that if the District, in good faith, believes that such disclosures would not be considered material by a reasonable investor, such disclosures may be omitted. The District is not and has never been in default as to principal or interest on its bonds or other debt obligations.

CONTINUING DISCLOSURE

The District, the Land Bank and the Developer, each as an Obligated Person, will enter into a Continuing Disclosure Agreement (the "Disclosure Agreement"), the proposed form of which is set forth in APPENDIX E, for the benefit of the Series 2026 Bondholders (including owners of beneficial interests in such Series 2026 Bonds), respectively, to provide certain financial information and operating data relating to the District and Assessment Area Two by certain dates prescribed in the Disclosure Agreement (the "Reports") through EMMA. In addition, certain listed events must be disclosed through EMMA within a prescribed time period. The specific nature of the information to be contained in the Reports is set forth in "APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT." Under certain circumstances, the failure of the District, the Land Bank or the Developer to comply with their respective obligations under the Disclosure Agreement constitutes an event of default thereunder. Such a default will not constitute an Event of Default under the Master Indenture, but such event of default under the Disclosure Agreement would allow the Series 2026 Bondholders (including owners of beneficial interests in such Bonds), as applicable, to bring an action for specific performance.

The District has previously entered into continuing disclosure obligations in connection with Rule 15c2-12 of the Securities Exchange Act of 1934, as amended (the "Rule"), relating to the Series 2023 Bonds. The annual report of the District for the fiscal year ended September 30, 2023 was filed approximately eight (8) months late and the annual report of the District for the fiscal year ended September

30, 2024 was not filed. Otherwise, during the past three years, the District has been in material compliance with such continuing disclosure obligations.

The District and the District Manager staff have committed to full compliance with its continuing disclosure undertakings going forward. The District has appointed the District Manager to initially serve as the Dissemination Agent for the Series 2026 Bonds.

Also, pursuant to the Disclosure Agreement, the Land Bank and the Developer will covenant to provide certain financial information and operating data relating to the Development, the Land Bank and the Developer, as applicable, on a quarterly basis, upon the written request of the Dissemination Agent. The Land Bank and the Developer have represented and warranted that to their knowledge they have provided on a timely basis all reporting information requested by the applicable dissemination agent with respect to prior continuing disclosure agreements entered into pursuant to the Rule. The Developer has been made aware of instances where the information required to be provided to the dissemination agents was not timely requested, not filed with the appropriate repository or, if filed, not filed on a timely basis. The Developer has represented that it has instituted internal processes to provide information to the dissemination agents on a timely basis and obtained assurances from the dissemination agents that they will in turn request the required reporting information timely and file such information timely with the appropriate repository. See “APPENDIX E: PROPOSED FORM OF CONTINUING DISCLOSURE AGREEMENT.”

The Issuer hereby covenants that it shall levy Special Assessments, and, unless provided otherwise with respect to a Series of Bonds, evidence and certify the same to the Tax Collector or shall cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer, pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable, to the extent and in the amount necessary to pay the Debt Service Requirement on Bonds issued and Outstanding hereunder.

The Issuer shall pay to the Trustee for deposit in the Series Account of the Revenue Fund established under Section 6.03 hereof all Special Assessments received by the Issuer from the levy thereof on the District Lands subject to assessments for the payment of the related Series of Bonds; provided, however, that amounts received as Prepayments of Special Assessments shall be deposited directly into the applicable Series Account within the Bond Redemption Fund established hereunder or in any account thereof established pursuant to the applicable Supplemental Indenture. The Issuer shall notify the Trustee in writing at the time of deposit of any amounts received as Prepayments of Special Assessments and shall identify the related Series of Bonds. The Pledged Revenues shall immediately be subject to the lien and pledge of the Indenture without any physical delivery hereof or further act; provided, however, that the lien and pledge of the Indenture shall not apply to any moneys transferred by the Trustee to the Rebate Fund. The foregoing notwithstanding, to the extent provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, such Series of Bonds may be made payable from and secured by less than all of the Pledged Revenues, and any one or more of the provisions of this Master Indenture may be made inapplicable to such Series of Bonds, all as more specifically provided in the corresponding Supplemental Indenture; provided, however, that any such provisions shall apply only to the particular Series of Bonds authorized by such Supplemental Indenture and shall not affect in any manner whatsoever any Outstanding Series of Bonds.

SECTION 6.02. Funds and Accounts Relating to the Bonds. The Funds and Accounts specified in this Article VI shall be established under this Master Indenture and each Supplemental Indenture pursuant to which a Series of Bonds is issued for the benefit of the specific

Unless provided otherwise by Supplemental Indenture, all moneys, including, without limitation, proceeds of a Series of Bonds, on deposit to the credit of the Funds and Accounts established hereunder and under a Supplemental Indenture (except for moneys transferred to the Rebate Fund) shall be pledged to the payment of the principal, redemption or purchase price of (as the case may be) and interest on the Series of Bonds issued hereunder and under such Supplemental Indenture, and any Series issued on a parity therewith.

The Trustee shall transfer from amounts on deposit in the Series Account in the Revenue Fund to the Funds and Accounts designated below, the following amounts, at the following times and in the following order of priority unless other times and/or other priorities are established in a Supplemental Indenture with respect to a Series of Bonds:

The Trustee at all times shall make available to any Paying Agent the funds in the Series Principal Account and the Series Interest Account of the Debt Service Fund to pay the principal of the applicable Series of Bonds as they mature upon surrender thereof and the interest on the applicable Series of Bonds as it becomes payable, respectively. When a Series of Bonds is redeemed, the amount, if any, in the Series Interest Account in the Debt Service Fund representing interest thereon shall be applied to the payment of accrued interest in connection with such redemption.

The Trustee shall apply moneys in the Series Sinking Fund Account in the Debt Service Fund for purchase or redemption of the applicable Series of Bonds in amounts and maturities set forth in the Supplemental Indenture. Whenever Bonds of a Series are to be purchased out of such Series Sinking Fund Account, if the Issuer shall notify the Trustee that the Issuer wishes to arrange for such purchase, the Trustee shall comply with the Issuer's arrangements provided they conform to the Indenture.

Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, purchases and redemptions out of the Series Sinking Fund Account shall be made as follows:

At the written direction of the Issuer, the Trustee shall apply moneys from time to time available in the applicable Series Sinking Fund Account to the purchase of Bonds of the applicable Series which mature in the aforesaid years, at prices not higher than the principal amount thereof, in lieu of redemption would otherwise be required to be given. In the event of purchases at less than the principal amount thereof, the difference between the amount in the Series Sinking Fund Account representing the principal amount of the Bonds so purchased and the purchase price thereof (exclusive of accrued interest) shall be transferred to the related Series Interest Account of the Debt Service Fund.

(b) Accrued interest on purchased Bonds of a Series shall be paid from the related Series Interest Account of the Debt Service Fund.

(c) In lieu of paying the Debt Service Requirements necessary to allow any mandatory redemption of Bonds of a Series from the related Series Sinking Fund Account, the Issuer may present to the Trustee Bonds of such Series purchased by the Issuer pursuant to subparagraph (a) above and furnished for such purposes; provided, however, that no Bonds of such Series so purchased shall be credited towards the Debt Service Requirements in respect of the

in the applicable Supplemental Indenture thereafter while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Sinking Fund Account of the Debt Service Fund, an amount equal to the principal amount of Bonds of such Series subject to mandatory sinking fund redemption on the next succeeding mandatory sinking fund redemption date, less any amount on deposit in the applicable Series Sinking Fund Account not previously credited;

FOURTH, upon receipt but no later than the Business Day preceding the first November 1 for which there remains an insufficient amount from Bond proceeds (or investment earnings thereon) on deposit in the applicable Series Interest Account to be applied to the payment of interest on the Bonds of a Series due on the next succeeding November 1, and no later than the Business Day next preceding each November 1 thereafter while Bonds of such Series issued under the Indenture remain Outstanding, to the applicable Series Interest Account of the Debt Service Fund, an amount equal to the interest on the Bonds of such Series becoming due on the next succeeding November 1, less any amount on deposit in the applicable Series Interest Account not previously credited;

FIFTH, upon receipt but no later than the Business Day next preceding each Interest Payment Date while Bonds of a Series issued under the Indenture remain Outstanding, to the applicable Series Account of the Debt Service Reserve Fund, if any, an amount equal to the amount, if any, which is necessary to make the amount on deposit therein equal to the Debt Service Reserve Requirement;

SIXTH, subject to the foregoing paragraphs, the balance of any moneys remaining in a Series Account of the Revenue Fund after making the foregoing deposits shall, subject to application by one or more Supplemental Indentures shall remain therein, unless pursuant to any Arbitrage Certificate it is necessary to make a deposit in the Rebate Fund, in which case, the Issuer shall direct the Trustee to make such deposit thereto.

Unless otherwise provided in the applicable Supplemental Indenture, the Trustee shall within ten (10) Business Days after the last Interest Payment Date in any calendar year, at the direction of the Issuer, withdraw any moneys held for the credit of the Revenue Fund which are not otherwise required to be deposited pursuant to this Section and deposit such moneys as directed to the credit of the applicable Series Account of the Bond Redemption Fund in accordance with the provisions hereof. Notwithstanding the foregoing, if pursuant to any Arbitrage Certificate it is necessary to make a deposit in the Rebate Fund, the Issuer shall direct the Trustee to make such deposit thereto. Prepayments pledged to a particular Series of Bonds shall be deposited directly into the applicable Series prepayment subaccount of the Bond Redemption Fund as provided herein.

SECTION 6.04. Debt Service Fund. The Trustee is hereby authorized and directed to establish a Debt Service Fund which shall consist of amounts deposited therein by the Trustee and any other amounts the Issuer may pay to the Trustee for deposit therein with respect to the related Series of Bonds. The Debt Service Fund shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. The Trustee shall establish within the Debt Service Fund pursuant to a Supplemental

29

mandatory redemption of Bonds of such Series for which notice of redemption has been given pursuant to Section 8.02 of this Master Indenture. Any Bond so purchased shall be presented to the Trustee for cancellation. In such event, the Debt Service Requirements with respect to the Bonds of a Series for the period in which the purchased Bonds are presented to the Trustee shall, for all purposes hereunder, be reduced by an amount equal to the aggregate principal amount of any such Bonds so presented.

SECTION 6.05. Debt Service Reserve Fund. The Trustee is hereby authorized and directed to establish a Debt Service Reserve Fund and, if applicable, pursuant to a Supplemental Indenture a Series Account for each Series of Bonds issued hereunder. The Debt Service Reserve Fund and each Series Account therein shall be held by the Trustee solely for the benefit of each related Series of Bonds or sub-Series, as determined by the applicable Supplemental Indenture; provided, however, that notwithstanding anything to the contrary contained in this Master Indenture, the Supplemental Indenture authorizing the issuance of a Series of Bonds may provide that the Debt Service Reserve Fund is not applicable and no account therein shall secure such Series of Bonds. The Debt Service Reserve Fund and each Series Account therein shall constitute an irrevocable trust fund to be applied solely as set forth herein and shall be held by the Trustee separate and apart from all other Funds and Accounts held under the Indenture and from all other moneys of the Trustee. Unless otherwise provided in the Supplemental Indenture authorizing the issuance of a Series of Bonds, on the date of issuance and delivery of a Series of Bonds an amount of Bond proceeds or equity equal to the Debt Service Reserve Requirement in respect of such Series of Bonds, calculated as of the date of issuance and delivery of such Series of Bonds, shall be deposited in the related Series Account of the Debt Service Reserve Fund. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, and as long as there exists no default under the Indenture and the amount in the Series Account of the Debt Service Reserve Fund is not reduced below the then applicable Debt Service Reserve Requirement with respect to such Series of Bonds, earnings on investments in the Series Account of the Debt Service Reserve Fund shall, prior to the Completion Date of a Project, be transferred to the applicable Acquisition and Construction Account of the Acquisition and Construction Fund, and after the Completion Date, shall be, at the written direction of the Issuer, transferred to the related Series Account of the Revenue Fund. Otherwise, earnings on investments in each Series Account of the Debt Service Reserve Fund shall be retained therein until applied as set forth herein. If made applicable in a Supplemental Indenture, in the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement as a result of an optional prepayment by the owner of a lot or parcel of land of Special Assessments against such lot or parcel or a mandatory true-up payment, which Special Assessments are pledged for the payment and security of such Series of Bonds, the excess amount shall, as directed by the terms of the applicable Supplemental Indenture, be transferred from the Series Account or subaccount of the Debt Service Reserve Fund to the applicable Series Account of the Bond Redemption Fund established for such Series of Bonds and shall constitute a credit against such optional prepayment or true-up payment. If made applicable in the Supplemental Indenture with respect to a Series of Bonds, in the event that the amount in a Series Account of the Debt Service Reserve Fund exceeds the Debt Service Reserve Requirement with respect to such Series of Bonds due to a decrease in the then applicable Debt Service Reserve Requirement for any other reason, the excess amount shall, as directed by the terms of the applicable Supplemental Indenture, either

be transferred from the Series Account of the Debt Service Reserve Fund to the applicable Series Account or subaccount of the Bond Redemption Fund.

Whenever for any reason on an Interest Payment Date, principal payment date or mandatory redemption date with respect to a related Series of Bonds secured by a Series Account of the Debt Service Reserve Fund the amount in the related Series Interest Account, the related Series Principal Account or the related Series Sinking Fund Account, as the case may be, is insufficient to pay all amounts payable on such Series of Bonds therefrom on such payment dates, the Trustee shall, without further instructions, but subject to contrary direction by the Majority Holders of the Bonds to which such Series Account of the Debt Service Reserve Fund relates, transfer the amount of any such deficiency from the related Series Account of the Debt Service Reserve Fund into the related Series Interest Account, the related Series Principal Account and the related Series Sinking Fund Account, as the case may be, with priority to the related Series Interest Account and then, proportionately according to the respective deficiencies therein, to the related Series Principal Account and the related Series Sinking Fund Account, to be applied to pay the Series of Bonds secured by the Series Account of the Debt Service Reserve Fund.

SECTION 6.06. Bond Redemption Fund. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, the Trustee is hereby authorized and directed to establish a Bond Redemption Fund and pursuant to a Supplemental Indenture a Series Account and one or more subaccounts within the Bond Redemption Fund for each Series of Bonds issued hereunder into which shall be deposited, moneys in the amounts and at the times provided in Sections 5.01, 6.01, 6.03, 6.05, 9.08 and 9.14(c) of this Master Indenture. The Series Account and any subaccount within the Bond Redemption Fund shall constitute an irrevocable trust fund to be applied solely as set forth in the applicable Supplemental Indenture and shall be held by the Trustee separate and apart from all other Funds, Accounts and any subaccounts held under such Indenture and from all other moneys of the Trustee. All earnings on investments held in the Series Account within the Bond Redemption Fund shall be retained therein and applied as set forth below.

Moneys in the Series Account within the Bond Redemption Fund (including all earnings on investments held in the Series Account within the Bond Redemption Fund) shall be accumulated therein to be used in the following order of priority, to the extent that the need therefor arises:

SECTION 6.11. Rebate Fund. The Trustee is hereby authorized and directed to establish a Rebate Fund. Unless provided otherwise in a Supplemental Indenture, at the written direction of the Issuer the Trustee shall transfer monies from the applicable Series Account in the Revenue Fund and deposit the same to the Rebate Fund, and shall make payments therefrom at the times and in the amounts required to comply with the covenants in the applicable Arbitrage Certificate. If so directed by the Issuer in writing, the Trustee shall create one or more Series Accounts within the Rebate Fund relating to one or more particular Series of Bonds.

(a) All amounts held in the Rebate Fund shall be governed by this Section and the applicable Arbitrage Certificate. The Trustee shall be entitled to rely on the rebate calculations obtained from the rebate analyst retained by the Issuer pursuant to any Arbitrage Certificate and the Trustee shall not be responsible for any loss or damage resulting from any good faith action taken or omitted to be taken by the Issuer in reliance upon such calculations.

(b) Pursuant to the applicable Arbitrage Certificate, the Trustee shall remit all rebate installments and a final rebate payment to the United States. The Trustee shall have no obligation to pay any amounts required to be rebated pursuant to this Section and the applicable Arbitrage Certificate, other than at the direction of the Issuer and from moneys held in the Rebate Fund or from other moneys provided to it by the Issuer. Any moneys remaining in the Rebate Fund after redemption and payment of all of the Bonds and payment and satisfaction of any arbitrage rebate shall be withdrawn and paid to the Issuer.

(c) Notwithstanding any other provision of this Master Indenture, including in particular Article XIV hereof, the obligation to pay arbitrage rebate to the United States and to comply with all other requirements of this Section and the Arbitrage Certificate shall survive the defeasance or payment in full of the Bonds.

Any such redemption shall be made in accordance with the provisions of Article VIII of this Master Indenture and the applicable provisions of the related Supplemental Indenture. The Issuer shall pay all expenses in connection with such redemption.

SECTION 6.07. Drawings on Credit Facility. With respect to Bonds in respect of which there has been issued a Credit Facility, the Trustee shall draw on the Credit Facility, in accordance with the provisions for drawing under such Credit Facility, and within the requisite time period, all as set forth in the Credit Facility Agreement or the Supplemental Indenture.

SECTION 6.08. Procedure When Funds Are Sufficient to Pay All Bonds of a Series. Unless otherwise provided in the Supplemental Indenture with respect to a Series of Bonds, if at any time the moneys held by the Trustee in the Funds (other than the moneys in the Rebate Fund) and Accounts hereunder and under a Supplemental Indenture and available therefor are sufficient to pay the principal or Redemption Price of, as the case may be, and interest on all Bonds of a Series then Outstanding under such Indenture to maturity or prior redemption, together with any amounts due the Issuer and the Trustee, Paying Agent, Registrar, Credit Facility Issuer, if any, the Trustee, at the direction of the Issuer, shall apply the amounts in the Series Funds and Series Accounts to the payment of the aforesaid obligations and the Issuer shall not be required to pay over any further Pledged Revenues with respect to such Series of Bonds unless and until it shall appear that there is a deficiency in the Funds and Accounts held by the Trustee.

SECTION 6.09. Certain Moneys to Be Held for Series Bondowners Only. Each Series of Bonds issued pursuant to this Master Indenture and the related Supplemental Indenture shall be secured by Pledged Revenues, as set forth herein, and otherwise may be secured by such additional Funds and Accounts and other security (including, but not limited to, Credit Facilities) established by the pertinent Supplemental Indenture. Moneys and investments in the various Funds and Accounts created under a Supplemental Indenture expressly and solely for the benefit of the Series of Bonds issued under such Supplemental Indenture shall be held in trust by the Trustee for the benefit of the Holders of, and Credit Facility Issuer with respect to, Bonds of that Series only.

SECTION 6.10. Unclaimed Moneys. In the event any Bond shall not be presented for payment when the principal of such Bond becomes due, either at maturity or at the date fixed for redemption of such Bond or otherwise, if amounts sufficient to pay such Bond have been deposited with the Trustee for the benefit of the owner of the Bond and have remained unclaimed for three (3) years after the date payment thereof becomes due shall, upon request of the Issuer, if

ARTICLE VII SECURITY FOR AND INVESTMENT OR DEPOSIT OF FUNDS

SECTION 7.01. Deposits and Security Therefor. Unless otherwise as provided in the Supplemental Indenture with respect to a Series of Bonds, all moneys received by the Trustee under a Supplemental Indenture for deposit in any Fund or Account established under this Master Indenture or such Supplemental Indenture shall be considered trust funds, shall not be subject to lien or attachment, except for the lien created by this Master Indenture and the related Supplemental Indenture, and shall be deposited with the Trustee, until or unless invested or deposited as provided in Section 7.02 hereof. Except for investments of the type specified in (iii) and (v) of the definition of Investment Securities, all deposits of moneys received by the Trustee under this Master Indenture or such Supplemental Indenture (whether original deposits under this Section 7.01 or deposits or redeposits in time accounts under Section 7.02) shall, to the extent not insured, and to the extent permitted by law, be fully secured as to both principal and interest earned, by Investment Securities of the types set forth in the definition of Investment Securities and the provisions thereof. If at any time the Trustee is unwilling to accept such deposits or unable to secure them as provided above, the Trustee may deposit such moneys with any other depository which is authorized to receive them and the deposits of which are insured by the Federal Deposit Insurance Corporation (including the FDIC Savings Association Insurance Fund). All deposits in any other depository in excess of the amount covered by insurance (whether under this Section 7.01 or Section 7.02 as aforesaid) shall, except for investments of the type specified in (iii) and (v) of the definition of Investment Securities, to the extent permitted by law, be fully secured as to both principal and interest earned, in the same manner as required herein for deposits with the Trustee. Such security shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000.

SECTION 7.02. Investment or Deposit of Funds. Except to the extent otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, the Trustee shall, as directed by the Issuer in writing, invest moneys held in the Series Accounts in the Debt Service Fund, any Series Account of the Debt Service Reserve Fund, and any Series Account within the Bond Redemption Fund created under any Supplemental Indenture only in Government Obligations and the other securities described in the definition of Investment Securities. All deposits in time Accounts shall be subject to withdrawal without penalty and all investments shall mature or be subject to redemption by the holder without penalty, not later than the date when the amounts will foreseeably be needed for purposes set forth herein or in the Supplemental Indenture with respect to such Series of Bonds. All securities securing investments under this Section shall be deposited with a Federal Reserve Bank, with the trust department of the Trustee, as authorized by law with respect to trust funds in the State, or with a bank or trust company having a combined net capital and surplus of not less than \$50,000,000. The interest and income received upon such investments and any interest paid by the Trustee or any other depository of any Fund or Account and any profit or loss resulting from the sale of securities shall be added or charged to the Fund or Account for which such investments are made; provided, however, that if the amount in any Fund or Account equals or exceeds the amount required to be on deposit therein, subject to Section 6.05 of this Master Indenture and unless otherwise provided in a Supplemental Indenture with respect to a Series of Bonds, any interest and other income so received shall be deposited in the related Series Account of the Revenue Fund. Upon request of the Issuer, or on its own initiative whenever

payment is to be made out of any Fund or Account, the Trustee shall sell such securities as may be requested to make the payment and restore the proceeds to the Fund or Account in which the securities were held. The Trustee shall not be accountable for any depreciation in the value of any such security or for any loss resulting from the sale thereof. If net proceeds from the sale of securities held in any Fund or Account shall be less than the amount invested and, as a result, the amount on deposit in such Fund or Account is less than the amount required to be on deposit in such Fund or Account, the amount of such deficit shall be transferred to such Fund or Account from the related Series Account of the Revenue Fund.

In the absence of written investment instructions from the Issuer, the Trustee shall not be responsible or liable for keeping the moneys held by it hereunder invested or for any losses because such amounts were not invested. Moneys in any of the Funds and Accounts established pursuant to the Indenture, when held by the Trustee, shall be promptly invested by the Trustee in accordance with all written directions from the Issuer and the Issuer shall be responsible for ensuring that such instructions conform to requirements of this Master Indenture including, without limitation, this Article VII. The Trustee shall not be liable or responsible for any loss or entitled to any gain resulting from any investment or sale upon the investment instructions of the Issuer or otherwise, including that set forth in the first sentence of this paragraph. The Trustee may conclusively rely upon the Issuer's written instructions as to both the suitability and legality of all investments directed hereunder or under any Supplemental Indenture. Ratings of investments shall be determined by the Issuer at the time of purchase of such investments and without regard to ratings subcategories. The Trustee shall have no responsibility to monitor the ratings of investments of such investments. The Trustee may make any and all such investments through its own investment department or that of its affiliates or subsidiaries, and may charge its ordinary and customary fees for such trades. Confirmations of investments are not required to be issued by the Trustee for each month in which a monthly statement is rendered. No statement need be rendered for any Fund or Account if no activity occurred in such fund or account during such month.

SECTION 7.03. Valuation of Funds. The Trustee shall value the assets in each of the Funds and Accounts established hereunder or under any Supplemental Indenture forty-five (45) days prior to each Interest Payment Date, and as soon as practicable after each such valuation date (but not later than ten (10) days after each such valuation date) shall provide the Issuer a report of the status of each Fund and Account as of the valuation date. In computing the assets of any Fund or Account, investments and accrued interest thereon shall be deemed a part thereof, subject to Section 7.02 hereof. For the purpose of determining the amount on deposit to the credit of any Fund or Account established hereunder or under any Supplemental Indenture, obligations in which money in such Fund or Account shall have been invested shall be valued at the market value or the amortized cost thereof, whichever is lower, or at the redemption price thereof, to the extent that any such obligation is then redeemable at the option of the holder. For the purpose of determining the amount on deposit to the credit of the Debt Service Reserve Fund, obligations in which money in such Fund shall have been invested shall be valued at par, if purchased at par, or at amortized cost, if purchased at other than par, plus, in each case, accrued interest. Amortized cost, when used with respect to an obligation purchased at a premium above or a discount below par, means the value as of any given time obtained by dividing the total premium or discount at which such obligation was purchased by the number of days remaining to maturity on such obligation at the date of such purchase and by multiplying the amount thus calculated by the number of days having passed since such purchase; and (i) in the case of an obligation purchased

ARTICLE VIII REDEMPTION AND PURCHASE OF BONDS

SECTION 8.01. Redemption Dates and Prices. Unless provided otherwise in a Supplemental Indenture with respect to a Series of Bonds, the Bonds of a Series may be made subject to optional, mandatory and extraordinary redemption and purchase, either in whole or in part, by the Issuer, prior to maturity in the amounts, at the times and in the manner provided in this Article VIII and in the related Supplemental Indenture.

(a) *Optional Redemption.* Bonds of a Series shall be subject to optional redemption at the direction of the Issuer, at the times and upon payment of the redemption price as provided in the related Supplemental Indenture.

(b) *Extraordinary Mandatory Redemption in Whole or in Part.* Except as otherwise provided in a Supplemental Indenture with respect to Bonds of the related Series, Bonds of a Series are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole, on any date, or in part, on any Interest Payment Date, at an extraordinary mandatory redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date, (i) from moneys deposited into the related Series Account within the Bond Redemption Fund following the payment of Special Assessments on any portion of the District Lands in accordance with the provisions of Section 9.08 hereof; (ii) when sufficient moneys are on deposit in the related Series Funds and Accounts (other than moneys in the Rebate Fund and any other excluded Fund or Account as provided in a Supplemental Indenture with respect to a Series of Bonds) to pay and redeem all Outstanding Bonds of a Series and accrued interest thereon to the redemption date in addition to all amounts owed to Persons under the related Indenture; (iii) from moneys in excess of the Debt Service Reserve Requirement for a Series of Bonds in the applicable Series Account of the Debt Service Reserve Fund transferred to the Series Account within the Bond Redemption Fund pursuant to Section 6.05 hereof; (iv) from excess moneys transferred from the Series Account of the Revenue Fund to the Series Account within the Bond Redemption Fund in accordance with Section 6.03 of this Master Indenture; (v) from moneys, if any, on deposit in the Series Account within the Bond Redemption Fund pursuant to Section 9.14(c) hereof following condemnation or the sale of any portion of the District Lands benefited by a Project to a governmental entity under threat of condemnation by such governmental entity or the damage or destruction of all or substantially all of a Project when such moneys are not to be used pursuant to 9.14(c) to repair, replace or restore a Project; provided, however, that at least forty-five (45) days prior to such extraordinary mandatory redemption, the Issuer shall cause to be delivered to the Trustee (x) notice setting forth the redemption date and (y) a certificate of the Consulting Engineer confirming that the repair and restoration of a Project would not be economical or would be impracticable; or (vi) from amounts transferred to the Series Account of the Bond Redemption Fund from the Series Account of the Acquisition and Construction Fund in accordance with Section 5.01(c) or (d) hereof.

(c) *Mandatory Sinking Fund Redemption.* Bonds of a Series may be subject to mandatory sinking fund redemption at a Redemption Price of 100% of the principal amount thereof plus accrued interest to the redemption date, in the years and amounts set forth in a Supplemental Indenture.

38

at a premium by deducting the product thus obtained from the purchase price, and (ii) in the case of an obligation purchased at a discount by adding the product thus obtained to the purchase price.

[END OF ARTICLE VII]

37

In connection with such mandatory sinking fund redemption of Bonds, amounts shall be transferred from the applicable Series Account of the Revenue Fund to the Series Sinking Fund Account of the Debt Service Fund, all as more particularly described in Section 6.03 hereof.

The principal amounts of scheduled sinking fund installments shall be reduced as specified by the Issuer or as provided in Section 8.04 hereof by any principal amounts of the Bonds redeemed pursuant to Section 8.01(a) and (b) hereof or purchased pursuant to Section 6.04 hereof.

Upon any redemption of Bonds other than in accordance with scheduled sinking fund installments, the Issuer shall cause to be recalculated and delivered to the Trustee revised sinking fund installments recalculated so as to amortize the Outstanding principal amount of Bonds of such Series in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Bonds of such Series. The sinking fund installments as so recalculated shall not result in an increase in the aggregate of the sinking fund installments for all Bonds of such Series in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a sinking fund installment is due, the foregoing recalculation shall not be made to sinking fund installments due in the year in which such redemption or purchase occurs, but shall be made to sinking fund installments for the immediately succeeding and subsequent years.

SECTION 8.02. Notice of Redemption and of Purchase. Except where otherwise required by a Supplemental Indenture, when required to redeem or purchase Bonds of a Series under any provision of the related Indenture or directed to do so by the Issuer, the Trustee shall cause notice of the redemption, either in whole or in part, to be provided by Electronic Means or mailed at least thirty (30) but not more than sixty (60) days prior to the redemption or purchase date to all Owners of Bonds to be redeemed or purchased (as such Owners appear on the Bond Register on the fifth (5th) day prior to such mailing), at their registered addresses, but failure to mail any such notice or defect in the notice or in the mailing thereof shall not affect the validity of the redemption or purchase of the Bonds of such Series for which notice was duly mailed in accordance with this Section 8.02. The Issuer shall, when it is directing the Trustee to provide such notice, provide written direction to the Trustee at least forty-five (45) days (unless the Trustee agrees to a shorter period) prior to the date on which the Trustee is required to send notice hereunder. Such notice shall be given in the name of the Issuer, shall be dated, shall set forth the Bonds of such Series Outstanding which shall be called for redemption or purchase and shall include, without limitation, the following additional information:

- (a) the redemption or purchase date;
- (b) the redemption or purchase price;
- (c) CUSIP numbers, to the extent applicable, and any other distinctive numbers and letters;
- (d) if less than all Outstanding Bonds of a Series to be redeemed or purchased, the identification (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed or purchased;

39

(e) that on the redemption or purchase date the Redemption Price or purchase price will become due and payable upon surrender of each such Bond or portion thereof called for redemption or purchase, and that interest thereon shall cease to accrue from and after said date;

(f) the place where such Bonds are to be surrendered for payment of the redemption or purchase price, which place of payment shall be a corporate trust office of the Trustee; and

(g) any other conditions that must be satisfied for the Bonds to be redeemed on the date of redemption.

If at the time of mailing of notice of redemption or purchase, the Issuer shall not have deposited with the Trustee or Paying Agent moneys sufficient to redeem or purchase all the Bonds called for redemption or purchase, such notice shall state that it is subject to the deposit of the redemption or purchase moneys with the Trustee or Paying Agent, as the case may be, not later than the opening of business on the redemption or purchase date, and such notice shall be of no effect unless such moneys are so deposited.

If the amount of funds deposited with the Trustee for such redemption, or otherwise available, is insufficient to pay the Redemption Price and accrued interest on the Bonds so called for redemption on the redemption date, the Trustee shall redeem and pay on such date an amount of such Bonds for which such funds are sufficient, selecting the Bonds to be redeemed randomly from among all such Bonds called for redemption on such date, and among different maturities of Bonds in the same manner as the initial selection of Bonds to be redeemed, and from and after such redemption date, interest on the Bonds or portions thereof so paid shall cease to accrue and become payable; but interest on any Bonds or portions thereof not so paid shall continue to accrue until paid at the same rate as it would have had such Bonds not been called for redemption.

The notices required to be given by this Section 8.02 shall state that no representation is made as to correctness or accuracy of the CUSIP numbers listed in such notice or printed on the Bonds. If the Trustee determines that the giving of notice by mail is not feasible, the Trustee may use Electronic Means

SECTION 8.03. Payment of Redemption Price. If any required (a) unconditional notice of redemption has been duly mailed or waived by the Owners of all Bonds called for redemption or (b) conditional notice of redemption has been so mailed or waived and the redemption moneys have been duly deposited with the Trustee or Paying Agent, then in either case, the Bonds called for redemption shall be payable on the redemption date at the applicable Redemption Price plus accrued interest, if any, to the redemption date. Bonds of a Series so called for redemption, for which moneys have been duly deposited with the Trustee, will cease to bear interest on the specified redemption date, shall no longer be secured by the related Indenture and shall not be deemed to be Outstanding under the provisions of the related Indenture.

Payment of the Redemption Price, together with accrued interest, shall be made by the Trustee or Paying Agent to or upon the order of the Owners of the Bonds called for redemption upon surrender of such Bonds. The Redemption Price of the Bonds to be redeemed, the expenses

ARTICLE IX COVENANTS OF THE ISSUER

SECTION 9.01. Power to Issue Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Bonds, to adopt and execute this Master Indenture and to pledge the Pledged Revenues for the benefit of the Bonds of a Series and any Credit Facility Issuer, except to the extent otherwise provided in a Supplemental Indenture. The Pledged Revenues are not and shall not be subject to any other lien senior to or on a parity with the lien created in favor of the Bonds of a Series and any Credit Facility Issuer with respect to such Series. The Bonds and the provisions of this Master Indenture and any Supplemental Indenture are and will be valid and legally enforceable obligations of the Issuer in accordance with their respective terms. The Issuer shall, at all times, to the extent permitted by law, defend, preserve and protect the pledge created by this Master Indenture and any Supplemental Indenture and all the rights of the Bondholders and any Credit Facility Issuer under this Master Indenture and any Supplemental Indenture against all claims and demands of all other Persons whomsoever.

SECTION 9.02. Payment of Principal and Interest on Bonds. The payment of the principal or Redemption Price of and interest on all of the Bonds of a Series issued under the related Indenture shall be secured forthwith equally and ratably by a first lien on and pledge of the Pledged Revenues, except to the extent otherwise provided in a Supplemental Indenture; and Pledged Revenues in an amount sufficient to pay the principal or Redemption Price of and interest on the Bonds of a Series authorized by the related Indenture are hereby irrevocably pledged to the payment of the principal or Redemption Price of and interest on the Bonds of a Series authorized under the related Indenture, as the same become due and payable. The Issuer shall promptly pay the interest on and the principal or Redemption Price of every Bond issued hereunder according to the terms thereof, but shall be required to make such payment only out of the Pledged Revenues.

THE BONDS AUTHORIZED UNDER THIS MASTER INDENTURE AND THE RELATED SUPPLEMENTAL INDENTURE AND THE OBLIGATIONS EVIDENCED THEREBY SHALL NOT CONSTITUTE A LIEN UPON ANY PROPERTY OF THE ISSUER, INCLUDING, WITHOUT LIMITATION, A PROJECT OR ANY PORTION THEREOF IN RESPECT OF WHICH ANY SUCH BONDS ARE BEING ISSUED, OR ANY PART THEREOF, BUT SHALL CONSTITUTE A LIEN ONLY ON THE PLEDGED REVENUES AS SET FORTH IN THIS MASTER INDENTURE AND ANY SUPPLEMENTAL INDENTURE. NOTHING IN THE BONDS AUTHORIZED UNDER THIS MASTER INDENTURE AND ANY SUPPLEMENTAL INDENTURE SHALL BE CONSTRUED AS OBLIGATING THE ISSUER TO PAY THE BONDS OR THE REDEMPTION PRICE THEREOF OR THE INTEREST THEREON EXCEPT FROM THE PLEDGED REVENUES, OR AS PLEDGING THE FAITH AND CREDIT OF THE ISSUER, THE CITY, THE COUNTY, THE STATE OR ANY OTHER POLITICAL SUBDIVISION THEREOF, OR AS OBLIGATING THE ISSUER, THE CITY, THE COUNTY, THE STATE OR ANY OF ITS POLITICAL SUBDIVISIONS, DIRECTLY OR INDIRECTLY OR CONTINGENTLY, TO LEVY OR TO PLEDGE ANY FORM OF TAXATION WHATEVER THEREFOR.

42

of giving notice and any other expenses of redemption, shall be paid out of the Fund from which redemption is to be made or by the Issuer, or as specified in a Supplemental Indenture.

SECTION 8.04. Partial Redemption of Bonds. Except to the extent otherwise provided in a Supplemental Indenture, if less than all of a Series of Bonds of a maturity are to be redeemed, the Trustee shall select the particular Bonds or portions of the Bonds to be called for redemption by lot in such reasonable manner as the Trustee in its discretion may determine. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(a), such redemption shall be effectuated by redeeming Bonds of such Series of such maturities in such manner as shall be specified by the Issuer in writing, subject to the provisions of Section 8.01 hereof. In the case of any partial redemption of Bonds of a Series pursuant to Section 8.01(b), such redemption shall be effectuated by redeeming Bonds of such Series pro rata among the maturities, treating each date on which a sinking fund installment is due as a separate maturity for such purpose, with the portion to be redeemed from each maturity being equal to the product of the aggregate principal amount of Bonds of such Series to be redeemed multiplied times a fraction the numerator of which is the principal amount of the Series of Bonds of such maturity outstanding immediately prior to the redemption date and the denominator of which is the aggregate principal amount of all Bonds of such Series outstanding immediately prior to the redemption date, rounded up or down to the nearest \$5,000 amount in order to maintain Authorized Denominations. The Issuer or the District Manager, on behalf of the Issuer, shall be responsible for calculating such revised sinking fund installments and provide the Trustee with the revised sinking fund installments.

SECTION 9.03. Special Assessments; Re-Assessments.

(a) The Issuer shall levy Special Assessments, and, unless the Issuer collects the Special Assessments directly under the conditions set forth herein, evidence and certify the same to the Tax Collector or shall cause the Property Appraiser to certify the same on the tax roll to the Tax Collector for collection by the Tax Collector and enforcement by the Tax Collector or the Issuer pursuant to the Act, Chapter 170 or Chapter 197, Florida Statutes, or any successor statutes, as applicable, and Section 9.04 hereof, to the extent and in an amount sufficient to pay Debt Service Requirements on all Outstanding Bonds. The Issuer shall also diligently collect any true-up payments that the Developer is required to make. The Issuer covenants and agrees that upon the occurrence and continuance of an Event of Default, it will take such actions to enforce the remedial provisions of this Master Indenture, as supplemented in connection with the Series of Bonds as to which the Event of Default occurred, including the remedial provisions for collection of delinquent Special Assessments, the provisions for foreclosure of liens of delinquent Special Assessments and delinquent operation and maintenance assessments, and will take such other remedial actions as shall be directed by the Trustee acting at the direction of, and on behalf of, the Majority Holders of the Series of Bonds as to which the Event of Default occurred.

(b) If any Special Assessment shall be either in whole or in part annulled, vacated or set aside by the judgment of any court, or if the Issuer shall be satisfied that any such Special Assessment is so irregular or defective that the same cannot be enforced or collected, or if the Issuer shall have omitted to make such Special Assessment when it might have done so, the Issuer shall either (i) take all necessary steps to cause a new Special Assessment to be made for the whole or any part of said improvement or against any property benefited by said improvement, or (ii) in its sole discretion, make up the amount of such Special Assessment from any legally available moneys, which moneys shall be deposited into the applicable Series Account in the Revenue Fund. In case such second Special Assessment shall be annulled, the Issuer shall obtain and make other Special Assessments until a valid Special Assessment shall be made.

SECTION 9.04. Method of Collection. Special Assessments shall be collected by the Issuer in accordance with the provisions of the Act and Chapter 197, Florida Statutes, or any successor statutes thereto, as applicable, in accordance with the terms of this Section. Except as stated in the next succeeding sentence, the Issuer shall use the uniform method for the levy, collection and enforcement of Special Assessments afforded by Sections 197.3631, 197.3632 and 197.3635, Florida Statutes, or any successor statutes thereto (the "Uniform Method"), and to do all things necessary to continue to use the Uniform Method or a comparable alternative method afforded by Section 197.3631, Florida Statutes. Notwithstanding the foregoing, the Issuer shall not collect Special Assessments pursuant to the Uniform Method levied against District Lands and will direct bill the applicable landowners for the same either while owned by the Developer prior to platting of such lands or if the timing for using the Uniform Method will not yet allow for using such method unless the Trustee, at the direction of the Majority Holders, directs otherwise. Upon any failure of any property owner to pay an installment of Special Assessments when due (with respect Special Assessments collected directly by the Issuer), the entire Special Assessment on the parcel or parcels as to which such delinquency pertains, with interest and penalties thereon, shall immediately become due and payable as provided by applicable law and the Issuer either on its own behalf or through the actions of the Trustee may, and shall, if so directed in writing by the Majority Holder of the related Series of Bonds or the Trustee at the direction of such Majority

43

Holder, at the Issuer's own expense, cause such delinquent property to be foreclosed as hereafter provided. The Issuer covenants it shall promptly, after written notice to the delinquent landowner, but not later than one hundred twenty (120) days from the due date of such Special Assessments that have not been paid, cause there to be brought legal proceedings for the foreclosure of the Special Assessment lien including interest and penalties with respect to such tax parcel. The foreclosure proceedings shall be prosecuted to sale and conveyance of such tax parcel as now provided by law in suits to foreclose mortgages unless the Majority Holders provide written direction to suspend or terminate such foreclosure proceedings or use some other method of foreclosure. The Issuer shall enter into or maintain in effect one or more written agreements with the Property Appraiser and the Tax Collector, either individually or jointly (together, the "Property Appraiser and Tax Collector Agreement") in order to effectuate the provisions of this Section. The Issuer shall ensure that any such Property Appraiser and Tax Collector Agreement remains in effect for at least as long as the final maturity of Bonds Outstanding under the Indenture. The Issuer shall provide to the dissemination agent under the applicable Continuing Disclosure Agreement a list of all properties where the Special Assessments relating to the Series of Bonds subject to the applicable Continuing Disclosure Agreement which are being billed directly, and have not been paid within sixty (60) days of the due date of such Special Assessments and the current status of any foreclosure actions currently in progress and the current status of the delinquent Special Assessments. The Issuer covenants to comply with all proceedings relating to the imposition and collection of the Special Assessments and will not make material amendments to any assessment methodology relating to the Special Assessments without the written consent of the Majority Holders. To the extent that the Issuer is legally prevented from collecting Special Assessments pursuant to the Uniform Method, or is not required to collect Special Assessments pursuant to the Uniform Method in accordance with the provisions of this Section 9.04, the Issuer shall then and only under those circumstances pursuant to the applicable rules and procedures of the County, collect and enforce Special Assessments pursuant to any available method under the Act, Chapter 170, Florida Statutes, or Chapter 197, Florida Statutes, or any successor statutes thereto.

SECTION 9.05. Delinquent Special Assessments; Sale of Tax Certificates and Issuance of Tax Deeds; Foreclosure of Special Assessment Liens.

(a) Subject to the provisions of Section 9.04 hereof, if the owner of any lot or parcel of land assessed for a particular Project shall be delinquent in the payment of any Special Assessment, then such Special Assessment shall be enforced pursuant to the provisions of Chapter 197, Florida Statutes, or any successor statute thereto, including but not limited to the sale of tax certificates and tax deeds as regards such delinquent Special Assessment. In the event the provisions of Chapter 197, Florida Statutes, and any provisions of the Act with respect to such sale are inapplicable by operation of law, then upon the delinquency of any Special Assessment the Issuer shall, to the extent permitted by law, utilize any other method of enforcement as provided by Section 9.04 hereof, including, without limitation, declaring the entire unpaid balance of such Special Assessment to be in default and, at its own expense, cause such delinquent property to be foreclosed, pursuant to the provisions of Section 170.10, Florida Statutes, in the same method now or hereafter provided by law for the foreclosure of mortgages on real estate and Sections 190.026 and 170.10, Florida Statutes, or otherwise as provided by law. The Issuer covenants not to use the provisions of Chapter 173, Florida Statutes, unless no other provision under applicable law can be used to foreclose the Special Assessments.

44

enforce collections and cure delinquencies and an estimate of time for the conclusion of such legal proceedings.

SECTION 9.08. Removal of Special Assessment Liens. Except as otherwise provided in a Supplemental Indenture with respect to a related Series of Bonds, the following procedures shall apply in connection with the removal of Special Assessment liens:

(a) At any time subsequent to thirty (30) days after a Project has been completed within the meaning of Section 5.01(c) hereof and the Board has adopted a resolution accepting a Project as provided by Section 170.09, Florida Statutes, as amended, any owner of property subject to the Special Assessments may, at its option, and under certain circumstances described in the assessment resolutions in connection with prepayments derived from application of the "True-Up" mechanism therein, require the Issuer, upon receipt of such prepayment, to release and extinguish the lien, in whole or in part, upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire amount or a portion, as the case may be, of the Special Assessment, plus accrued interest, attributable to the property subject to Special Assessment owned by such owner to the earlier of the next Interest Payment Date occurring at least forty-five (45) days after the Trustee receives such Prepayment. If any such prepayment of Special Assessments shall occur within thirty (30) days after a Project has been completed and the Board has adopted a resolution accepting a Project as provided in Section 170.09, Florida Statutes, as amended, no accrued interest shall be required to be paid unless such right has been irrevocably waived by the landowners within the District. The Issuer shall promptly notify the Trustee in writing of any Prepayment made under such circumstances. Accrued interest on any Bonds that would be redeemed as a result of such Prepayment made within thirty (30) days after the Board has adopted a resolution accepting a Project shall be derived from moneys on deposit in the Interest Account or capitalized interest account and if no moneys remain, from moneys on deposit in the Debt Service Reserve Account or as otherwise provided pursuant to the applicable Supplemental Indenture.

(b) Upon receipt of a Prepayment as described in (a) above, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the County an affidavit or affidavits, as the case may be, executed by an authorized officer of the Issuer, to the effect that the Special Assessment has been paid in full or in part and that such Special Assessment lien is thereby released and extinguished if paid in full or such Special Assessment lien shall be reduced if the landowner only made a partial Prepayment. Upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the applicable Account or subaccount of the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof. In connection with such Prepayment, the Issuer shall calculate the credit authorized pursuant to Section 6.05 hereof, and transfer such credit to the prepayment subaccount of the Bond Redemption Fund to be used together with such prepayment for the redemption of Bonds in accordance with Section 8.01(b)(i) hereof.

(c) Notwithstanding the foregoing, and consistent with the proceedings of the Issuer relating to the imposition and levy of the Special Assessments, the owner of property (including the Developer) may at any time require the Issuer to release and extinguish the lien upon its property by virtue of the levy of the Special Assessments by paying to the Issuer the entire

(b) If the Special Assessments levied and collected under the Uniform Method described in Section 9.04 are delinquent, then the applicable procedures for issuance and sale of tax certificates and tax deeds for nonpayment shall be followed in accordance with Chapter 197, Florida Statutes and related statutes. Alternatively, if the Uniform Method is not utilized, and if any property shall be offered for sale for the nonpayment of any Special Assessment, and no person or persons shall purchase the same for an amount at least equal to the full amount due on the Special Assessment (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the Issuer, to the extent the Issuer has available funds or credit bids, for an amount equal to the balance due on the Special Assessment (principal, interest, penalties and costs, plus attorneys' fees, if any), and the Issuer shall thereupon receive in its corporate name or in the name of special purpose entity nominee of the Issuer, the title to the property for the benefit of the Registered Owners.

(c) Not less than ten (10) days prior to the filing of any foreclosure action or any sale of tax deed as herein provided, the Issuer shall cause written notice thereof to be mailed to the Registered Owners of the Series of Bonds secured by such delinquent Special Assessments. Not less than thirty (30) days prior to the proposed sale of any lot or tract of land acquired by foreclosure by the Issuer, it shall give written notice thereof to such Registered Owners.

(d) Notwithstanding any of the foregoing to the contrary, for as long as there is an "Obligated Person," as defined under the Rule, other than the Issuer, then in addition to the Issuer, the decision to file a foreclosure action shall be made by the Majority Holders of the Outstanding Bonds so secured by the delinquent Special Assessments and such decision shall be communicated to the Issuer and Trustee in writing.

SECTION 9.06. Management of Property Acquired by the Trustee or Issuer. The Issuer, either through its own actions or actions caused to be done through the Trustee, shall have the power and shall use its best efforts to lease or sell such property and deposit all of the net proceeds of any such lease or sale into the related Series Account of the Revenue Fund. The Issuer, either through its own actions or actions caused to be done through the Trustee, agrees that it shall be required to take the measure provided by law for sale of property acquired by it as Trustee for the Registered Owners within thirty (30) days after the receipt of the request therefor signed by the Registered Owners of at least twenty-five percent (25%) of the aggregate principal amount of all Outstanding Bonds of the Series payable from Special Assessments assessed on such property. If directed by the Majority Holders of a Series or if the Trustee or the Issuer shall so elect, the Issuer and the Trustee shall place title of property received upon foreclosure or deed in lieu of foreclosure into a special purpose entity controlled by the Trustee or such other entity acceptable to the Majority Holders of a Series so effected by such foreclosure, for the benefit of the Registered Owners.

SECTION 9.07. Books and Records with Respect to Special Assessments. In addition to the books and records required to be kept by the Issuer pursuant to the provisions of Section 9.17 hereof, the Issuer shall keep books and records for the collection of the Special Assessments on the District Lands, which such books, records and accounts shall be kept separate and apart from all other books, records and accounts of the Issuer. The District Manager or the District Manager's designee, at the end of each Fiscal Year, shall prepare a written report setting forth the collections received, the number and amount of delinquencies, the proceedings taken to

45

amount of the Special Assessment, plus accrued interest to the next succeeding Interest Payment Date (or the second succeeding Interest Payment Date if such prepayment is made within forty-five (45) calendar days before an Interest Payment Date), attributable to the property subject to Special Assessment owned by such owner. In lieu of such Prepayment with cash, an owner of property within the District may surrender to the District for cancellation to completely extinguish the lien on such property or reduce the lien equally on every portion of such property, a principal amount of Outstanding Bonds of a Series that is secured by Special Assessments levied against such property.

(d) Upon receipt of a prepayment as described in (a), (b) or (c) above, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official land records of the County an affidavit or affidavits, as the case may be, executed by an authorized officer of the Issuer, to the effect that the Special Assessment has been paid and that such Special Assessment lien is thereby released and extinguished. Except as otherwise provided by a Supplemental Indenture, upon receipt of any such moneys from the Issuer the Trustee shall immediately deposit the same into the applicable Account or subaccount of the Bond Redemption Fund to be applied to the redemption of Bonds in accordance with Section 8.01(b)(i) hereof.

SECTION 9.09. Deposit of Special Assessments. The Issuer covenants to cause any Special Assessments collected or otherwise received by it to be deposited with the Trustee within five (5) Business Days after receipt thereof for deposit into the related Series Account of the Revenue Fund (except that amounts received as prepayments of Special Assessments shall be designated by the Issuer as such upon delivery to the Trustee and shall be deposited directly into the related Series Account within the Bond Redemption Fund). In connection with any payment of Special Assessments referred to in the prior sentence, the Issuer shall provide advance written notice to the Trustee of the amount of the payment and the Series Account within either of the Revenue Fund or Bond Redemption Fund to which such payment relates.

SECTION 9.10. Construction to be on District Lands. Except for certain off site mitigation, roadway and possibly landscaping improvements which are or may be outside the District Lands and are required in order for the District Lands to be developed, the Issuer covenants that no part of a Project will be constructed on, over or under lands other than (i) lands good and marketable title to which is owned by the Issuer or other appropriate entity in fee simple, (ii) lands on, over or under which the Issuer or other appropriate entity shall have acquired perpetual easements for the purposes of a Project, or (iii) lands, including public streets and highways, the right to the use and occupancy of which for such purposes shall be vested in the Issuer or other appropriate entity by law or by valid franchises, licenses, easements or rights of way or other legally effective permissions or approval.

SECTION 9.11. Operation, Use and Maintenance of Project. The Issuer shall establish and enforce reasonable rules and regulations governing the use of the Project owned by the Issuer, and the operation thereof, such rules and regulations to be adopted in accordance with the Act, and the Issuer shall operate, use and maintain the Project owned by the Issuer in accordance with the Act and all other applicable federal and State laws, rules and regulations; the Issuer shall maintain and operate the Project owned by the Issuer in an efficient and economical

46

47

manner, shall at all times maintain the same in good repair and in sound operating condition and shall make all necessary repairs, renewals and replacements.

SECTION 9.12. Observance of and Compliance with Valid Requirements. The Issuer shall pay all municipal or governmental charges lawfully levied or assessed upon any Project or any part thereof or upon any revenues when the same shall become due, and the Issuer shall duly observe and comply with all valid requirements of any municipal or governmental authority relative to each Project. The Issuer shall not, except as otherwise permitted in Section 9.24 of this Article, create or suffer to be created any lien or charge upon any Project or upon Pledged Revenues, except the lien and charge of the Bonds on the Pledged Revenues.

SECTION 9.13. Payment of Operating or Maintenance Costs by State or Others. The Issuer may permit the United States of America, the State, or any of their agencies, departments or political subdivisions or any other Person to pay all or any part of the cost of maintaining, repairing and operating any Projects out of funds other than Pledged Revenues.

SECTION 9.14. Public Liability and Property Damage Insurance; Maintenance of Insurance; Use of Insurance and Condemnation Proceeds.

(a) Except as otherwise provided in subsection (d) of this Section, the Issuer will carry or cause to be carried, in respect of each Project, comprehensive general liability insurance (covering bodily injury and property damage) issued by one or more insurance companies authorized and qualified to do business under the laws of the State, in such amounts as is customary for similar operations, or as is more specifically set forth hereinbelow.

(b) At all times, to the extent commercially available, the Issuer shall maintain a practical insurance program, with reasonable terms, conditions, provisions and costs which the District Manager determines will afford adequate protection against loss caused by damage to or destruction of any component of any Project owned by the Issuer. Limits for such coverage will be subject to the Consulting Engineer's recommendations. The Issuer shall also, at all times, maintain a practical comprehensive general liability insurance program with respect to any Project for such coverage, with such reasonable terms, conditions, provisions and costs as the District Manager determines will afford adequate protection against bodily injury and property damage.

All insurance policies of the Issuer relating to any Project shall be carried with companies authorized to do business in the State, with a Best rating of no less than "A" as to management and Class "V" as to financial strength; provided, however, that if, in the opinion of the District Manager, adequate insurance protection under reasonable terms, conditions, provisions and cost cannot be purchased from an insurance company with the above-designated ratings, then the District Manager, on behalf of the Issuer, may secure such insurance protection as the Issuer determines to be in its best interests and otherwise consistent with this Master Indenture and any Supplemental Indenture; provided further, however, that the Issuer may act as a self-insurer in accordance with the requirements of subsection (d) hereof. All policies providing the insurance coverages required by this Section shall designate the Issuer as the loss-payee and shall be made payable to the Issuer.

48

Each plan of Qualified Self Insurance shall be in written form, shall provide that upon the termination of such plan reserves will be established or insurance acquired in amounts adequate to cover any potential retained liability in respect of the period of self-insurance, and shall be reviewed annually by the District Manager or registered actuary who shall deliver to the Issuer a report on the adequacy of the reserves established thereunder in light of claims made. If the District Manager or registered actuary determines that such reserves are inadequate in light of the claims made, he shall make recommendations as to the amount of reserves that should be established and maintained, and the Issuer shall comply with such recommendations unless it can establish to the satisfaction of the District Manager or an insurance consultant retained by the Issuer that such recommendations are unreasonable in light of the nature of the claims or the history of recovery against the Issuer for similar claims.

(c) Copies of all recommendations and approvals made by the Consulting Engineer under the provisions of this Section shall be filed with the District Manager.

Any appraisal or adjustment of any loss or damage under any policy of insurance required under the Indenture, whether such policy is payable to the Issuer or to the Trustee, and any settlement or payment of indemnity under any such policy which may be agreed upon by the Issuer and any insurer shall be evidenced by a certificate, signed by the District Manager and approved by the Consulting Engineer, and filed with the Trustee. The Trustee shall in no way be liable or responsible for the collection of insurance moneys in case of any loss or damage. The Trustee shall have no duty to determine compliance by the Issuer with the requirements of this Section.

SECTION 9.15. Collection of Insurance Proceeds. Copies of all insurance policies referred to in Section 9.14 of this Article shall be available at the offices of the Issuer at all reasonable times to the inspection of the Holders of the Bonds and their agents and representatives duly authorized in writing. The Issuer covenants that it will take such action as may be necessary to demand, collect and sue for any insurance money which may become due and payable under any policy of insurance required under this Master Indenture or any Supplemental Indenture, whether such policy is payable to the Issuer or to the Trustee. The Trustee is hereby authorized in its own name to demand, collect, sue and receive any insurance money which may become due and payable under any policies payable to it.

SECTION 9.16. Use of Revenues for Authorized Purposes Only. None of the Pledged Revenues shall be used for any purpose other than as provided in this Master Indenture and the related Supplemental Indenture and no contract or contracts shall be entered into or any action taken by the Issuer or the Trustee which will be inconsistent with the provisions of this Master Indenture and the related Supplemental Indenture.

SECTION 9.17. Books and Records. The Issuer shall keep proper books of record and account in accordance with Generally Accepted Accounting Principles (separate from all other records and accounts) in which complete and correct entries shall be made of its transactions relating to any Project, and which, together with all other books and records of the Issuer, including, without limitation, insurance policies, relating to any Project, shall at all times be subject during regular business hours to the inspection of the Trustee.

(c) All proceeds received from property damage or destruction insurance and all proceeds received from the condemnation of any Project or any part thereof are hereby pledged by the Issuer as security for the related Series of Bonds and shall be deposited at the option of the Issuer, but subject to the limitations hereinafter described, either (i) into a separate fund to be established by the Trustee for such purpose which may be an account within the Acquisition and Construction Fund as directed by the Issuer, and used to remedy the loss, damage or taking for which such proceeds are received, either by repairing the damaged property or replacing the destroyed or taken property, as soon as practicable after the receipt of such proceeds, or (ii) if so provided in a Supplemental Indenture into the related Series Account within the Bond Redemption Fund for the purpose of purchasing or redeeming Bonds according to the provisions set forth in Article VIII hereof. The Issuer shall not be entitled to deposit insurance proceeds or condemnation awards into the separate fund described above in clause (i) of this paragraph (and such proceeds and awards shall be deposited directly into the related Series Account within the Bond Redemption Fund pursuant to clause (ii) of this paragraph) unless there shall have been filed with the Issuer within a reasonable time after the damage, destruction or condemnation (A) a certificate from the Consulting Engineer that the proceeds of the insurance or condemnation awards deposited into such separate fund, together with other funds available for such purposes, will be sufficient to repair, rebuild, replace or restore such property to substantially the same condition as it was in prior to its damage, destruction or condemnation (taking into consideration any changes, alterations and modifications that the Issuer may desire), (B) an opinion from the Consulting Engineer that the Project can be repaired, rebuilt, replaced or restored within two (2) years following the damage, destruction or condemnation thereof and (C) an opinion of the Consulting Engineer that, in each of the three (3) Fiscal Years following completion of such repair, rebuilding, replacement or restoration, the Issuer will be in compliance with its obligations hereunder. If the certificate described in clause (A) of this paragraph is not rendered because such proceeds or awards are insufficient for such purposes, the Issuer may deposit any other legally available funds in such separate fund in an amount required to enable the Consulting Engineer to render its certificate. If the insurance proceeds or condemnation awards deposited in such separate fund are more than sufficient to repair the damaged property or to replace the destroyed or taken property, the balance thereof remaining shall be deposited to the credit of the related Series Account in the Revenue Fund.

(d) The Issuer shall be entitled to provide all or a portion of the insurance coverage required by subsections (a) and (b) of this Section through Qualified Self Insurance, provided that the requirements hereinafter set forth in this subsection (d) are satisfied. "Qualified Self Insurance" means insurance maintained through a program of self-insurance or insurance maintained with a company or association in which the Issuer has a material interest or of which the Issuer has control, either singly or with others.

Prior to participation in any plan of Qualified Self Insurance not currently in effect, the Issuer shall obtain a certificate of compliance executed by the District Manager or a licensed insurance agent selected by the District Manager to the effect that (A) the proposed Qualified Self Insurance plan will provide the coverage required by subsections (a) and (b) of this Section, and (B) the proposed Qualified Self Insurance plan provides for the creation of actuarially sound reserves.

49

SECTION 9.18. Observance of Accounting Standards. The Issuer covenants that all the accounts and records of the Issuer relating to the Project will be kept according to Generally Accepted Accounting Principles consistently applied and consistent with the provisions of this Master Indenture and any Supplemental Indenture.

SECTION 9.19. Employment of Certified Public Accountant. The Issuer shall employ or cause to be employed as required a Certified Public Accountant to perform accounting and auditing functions and duties required by the Act and this Master Indenture and any Supplemental Indenture.

SECTION 9.20. Establishment of Fiscal Year, Annual Budget. The Issuer has established a Fiscal Year beginning October 1 of each year and ending September 30 of the following year. The reports and budget of the Issuer shall relate to such Fiscal Year unless and until, in accordance with applicable law, a different Fiscal Year is established by Certified Resolution of the Issuer and is filed with the Trustee to hold solely as a repository with no duty to review the contents thereof.

On or before the first day of each Fiscal Year the Issuer shall adopt a final Annual Budget with respect to any Projects for such Fiscal Year for the payment of anticipated operating and maintenance expenses and shall supply a copy of such budget promptly upon the approval thereof to any Bondholders who shall have so requested in writing and shall have filed their names and addresses with the Secretary of the Board for such purpose. If for any reason the Issuer shall not have adopted the Annual Budget with respect to any Projects on or before the first day of any Fiscal Year, the Annual Budget for the preceding Fiscal Year shall, until the adoption of the new Annual Budget, be deemed in force for the ensuing Fiscal Year. The Issuer may at any time adopt an amended or supplemental Annual Budget for the remainder of the current Fiscal Year, and when such amended or supplemental Annual Budget is approved it shall be treated as the official Annual Budget under this Master Indenture and any Supplemental Indenture. Copies of such amended or supplemental Annual Budget shall be mailed by the Issuer to any Bondholders who shall have so requested in writing and shall have filed their names and addresses with the Secretary of the Board for such purpose.

SECTION 9.21. Employment of Consulting Engineer; Consulting Engineer's Report.

(a) The Issuer shall, for the purpose of performing and carrying out the duties imposed on the Consulting Engineer by this Master Indenture and any Supplemental Indenture, employ one or more Independent engineers or engineering firms or corporations having a statewide and favorable repute for skill and experience in such work.

(b) The Issuer shall cause the Consulting Engineer to make an inspection of any portions of the Project owned by the Issuer at least once in each Fiscal Year and, on or before the first day of July in each Fiscal Year, to submit to the Board a report setting forth (i) its findings as to whether such portions of the Project owned by the Issuer have been maintained in good repair, working order and condition, and (ii) its recommendations as to the proper maintenance, repair and operation of the Project during the ensuing Fiscal Year and an estimate of the amount of money necessary for such purpose.

Copies of such annual report shall be mailed by the Issuer to any Bondholders who shall have filed their names and addresses with the Secretary of the Board for such purpose.

SECTION 9.22. Audit Reports. The Issuer covenants that, no later than 270 days after the end of each Fiscal Year, it will cause an audit to be made by a Certified Public Accountant covering all receipts and moneys then on deposit with or in the name of the Trustee or the Issuer and any security held therefor and any investments thereof. Copies of such audit reports shall be filed with the District Manager and the Secretary of the Board, and mailed by said Secretary to the Consulting Engineer and to all Bondholders who shall have filed their names and addresses with him for such purpose.

SECTION 9.23. Information Required by the Issuer. The Issuer shall cause to be kept on file at all times copies of the schedules of Special Assessments levied on all District Lands in respect of all Projects. The Issuer shall keep accurate financial records and books of account with respect to all Projects, and shall have a complete audit of such records and accounts made annually by a Certified Public Accountant, as provided in Section 9.22 hereof.

SECTION 9.24. Covenant Against Sale or Encumbrance; Exceptions. The Issuer covenants that, (a) except for those improvements comprising any Project that are to be conveyed by the Issuer to the County, the State Department of Transportation or another governmental entity and (b) except as in this Section permitted, it will not sell, lease or otherwise dispose of or encumber any Project, or any part thereof. Subject to the provisions of Section 9.31 hereof, the Issuer may, however, from time to time, sell any machinery, fixtures, apparatus, tools, instruments or other movable property acquired by it from the proceeds of a Series of Bonds or from Pledged Revenues if the District Manager shall determine, with the approval of the Consulting Engineer, that such items are no longer needed or are no longer useful in connection with the construction, maintenance and operation of the related Project, and the proceeds thereof shall be applied to the replacement of the properties so sold or disposed of or, at the written direction of the Issuer shall be deposited to the credit of the related Series Account in the Revenue Fund.

Upon any sale of property relating to the Project, the aggregate of which in any thirty (30) day period exceeds Fifty Thousand Dollars (\$50,000) under the provisions of this Section, the Issuer shall provide written notice to the Trustee of the property so sold and the amount and disposition of the proceeds thereof.

Subject to obtaining an opinion of Bond Counsel that such action is permitted hereunder and will not adversely affect the exclusion of interest on the Bonds for federal income tax purposes, the Issuer may lease or grant easements, franchises or concessions for the use of any part of a Project not incompatible with the maintenance and operation thereof, if the Consulting Engineer shall approve such lease, easement, franchise or concession in writing, and the net proceeds of any such lease, easement, franchise or concession (after the making of provision for payment from said proceeds of all costs incurred in financing, constructing, operating, maintaining or repairing such leases, easements, franchises or concessions) shall be deposited as received to the credit of related Series Account in the Revenue Fund.

SECTION 9.25. Enforcement of Ancillary Agreements. The Issuer covenants that it shall promptly and strictly enforce the provisions of the Ancillary Agreements. Upon the occurrence of

52

each Series of Tax-Exempt Bonds for so long as compliance is necessary in order to maintain the exclusion from gross income for federal income tax purposes of interest on each Series of Tax-Exempt Bonds.

SECTION 9.32. Corporate Existence and Maintenance of Properties. For so long as any Bonds are Outstanding hereunder, unless otherwise provided by the Act, the Issuer shall maintain its corporate existence as a local unit of special purpose government under the Act and shall provide for or otherwise require all Projects, and all parts thereof owned by the Issuer to be (a) continuously operated, repaired, improved and maintained as shall be necessary to provide adequate service to the lands benefited thereby; and (b) in compliance with all valid and applicable laws, acts, rules, regulations, permits, orders, requirements and directions of any competent public authority.

SECTION 9.33. Continuing Disclosure. The Issuer hereby covenants and agrees that it will comply with and carry out all of the provisions of the Continuing Disclosure Agreement. Notwithstanding any other provision of this Master Indenture and any Supplemental Indenture, failure of the Issuer or any other Person (if obligated pursuant to the Continuing Disclosure Agreement) to comply with the Continuing Disclosure Agreement shall not be considered an Event of Default; however, the Trustee may (and, at the request of any Participating Underwriter or the Holders of at least 25% aggregate principal amount in Outstanding Bonds of a Series and receipt of indemnity to its satisfaction, shall) or any Holder of the Bonds or Beneficial Owner may take such actions as may be necessary and appropriate, including seeking specific performance by court order, to cause the Issuer to comply with its obligations under this Section 9.33. For purposes of this Section, "Beneficial Owner" means any person which (a) has the power, directly or indirectly, to vote or consent with respect to, or to dispose of ownership of, any Bonds (including persons holding Bonds through nominees, depositories or other intermediaries), or (b) is treated as the owner of any Bonds for federal income tax purposes.

SECTION 9.34. Bankruptcy of Developer or Other Obligated Person Under the Rule. For purposes of this Section 9.34, (a) each Series of Bonds secured by and payable from Special Assessments levied against property owned by any Insolvent Taxpayer (defined below) are collectively referred to herein as the "Affected Bonds" and (b) the Special Assessments levied against any Insolvent Taxpayer's property and pledged under one or more Supplemental Indentures as security for the Affected Bonds are collectively referred to herein as the "Affected Special Assessments".

The provisions of this Section 9.34 shall be applicable both before and after the commencement, whether voluntary or involuntary, of any case, proceeding or other action by or against any owner of any tax parcel subject to the Affected Special Assessments (an "Insolvent Taxpayer") under any existing or future law of any jurisdiction relating to bankruptcy, insolvency, reorganization, assignment for the benefit of creditors, or relief of debtors (a "Proceeding"). For as long as any Affected Bonds remain Outstanding, in any Proceeding involving the Issuer, any Insolvent Taxpayer, the Affected Bonds or the Affected Special Assessments, the Issuer, to the extent permitted by applicable law, shall be obligated to act in accordance with any direction from the Trustee with regard to all matters directly or indirectly affecting at least three percent (3%) of the Outstanding aggregate principal amount of the Affected Bonds or for as long as any Affected Bonds remain Outstanding, in any proceeding involving the Issuer, any Insolvent Taxpayer, the

an event entitling the Issuer to pursue its remedies under the Ancillary Agreements, the Issuer covenants and agrees it will timely pursue such remedies in accordance with the Ancillary Agreements, and upon an Event of Default hereunder, the Issuer agrees that the Trustee, upon the written direction of the Majority Holders, may enforce the provisions of the Ancillary Agreements in lieu of the Issuer..

SECTION 9.26. No Loss of Lien on Pledged Revenues. The Issuer shall not do or omit to do, or suffer to be done or omit to be done, any matter or thing whatsoever whereby the lien of the Bonds on the Pledged Revenues or any part thereof, or the priority thereof, would be lost or impaired; provided, however, that this Section shall not prohibit the Trustee from transferring moneys to the Rebate Fund held by the Trustee under any arbitrage rebate agreement.

SECTION 9.27. Compliance With Other Contracts and Agreements. The Issuer shall comply with and abide by all of the terms and conditions of any and all contracts and agreements which the Issuer enters into in connection with the Project and the issuance of the Bonds.

SECTION 9.28. Issuance of Additional Obligations. The Issuer shall not issue any obligations other than the Bonds payable from Pledged Revenues, nor voluntarily create or cause to be created any debt, lien, pledge, assignment, encumbrance or other charge, payable from Pledged Revenues.

SECTION 9.29. Extension of Time for Payment of Interest Prohibited. The Issuer shall not directly or indirectly extend or assent to an extension of time for payment of any claim for interest on any of the Bonds and shall not directly or indirectly be a party to or approve any arrangement therefor by purchasing or funding or in any manner keeping alive any such claim for interest; no claim for interest which in any way, at or after maturity, shall have been transferred or pledged apart from the Bonds to which it relates or which shall in any manner have been kept alive after maturity by extension or by purchase thereof by or on behalf of the Issuer, shall be entitled, in case of a default hereunder, to any benefit or security under this Master Indenture and any Supplemental Indenture except after the prior payment in full of the principal of all Bonds and claims for interest appertaining thereto not so transferred, pledged, kept alive or extended.

SECTION 9.30. Further Assurances. The Issuer shall not enter into any contract or take any action by which the rights of the Trustee or the Bondholders may be impaired and shall, from time to time, execute and deliver such further instruments and take such further action as may be required to carry out the purposes of this Master Indenture and any Supplemental Indenture.

SECTION 9.31. Use of Bond Proceeds to Comply with Internal Revenue Code. The Issuer covenants to the Holders of the Bonds that it will not make or direct the making of any investment or other use of the proceeds of any Bonds issued hereunder, the interest on which is intended to be excluded from gross income for federal income tax purposes ("Tax-Exempt Bonds") which would cause such Bonds to be "arbitrage bonds" as that term is defined in Section 148 (or any successor provision thereto) of the Code or "private activity bonds" as that term is defined in Section 141 (or any successor provision thereto) of the Code, and that it will comply with the requirements of such Code sections and related regulations throughout the term of such Tax-Exempt Bonds. The Issuer hereby further covenants and agrees to comply with the procedures and covenants contained in any Arbitrage Certificate executed in connection with the issuance of

53

Affected Bonds or the Affected Special Assessments or the Trustee. The Issuer agrees that it shall not be a defense to a breach of the foregoing covenant that it has acted upon advice of counsel in not complying with this covenant.

The Issuer acknowledges and agrees that, although the Affected Bonds will be issued by the Issuer, the Owners of the Affected Bonds are categorically the party with the ultimate financial stake with respect to the Affected Bonds and, consequently, the party with a vested and pecuniary interest in a Proceeding. In the event of any Proceeding involving any Insolvent Taxpayer: (a) the Issuer, to the extent permitted by applicable law, hereby agrees that it shall follow the direction of the Trustee in making any election, giving any consent, commencing any action or filing any motion, claim, obligation, notice or application or in taking any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture; (b) to the extent permitted by applicable law, the Issuer hereby agrees that it shall not make any election, give any consent, commence any action or file any motion, claim, obligation, notice or application or take any other action or position in any Proceeding or in any action related to a Proceeding that affects, either directly or indirectly, the Affected Special Assessments, the Affected Bonds or any rights of the Trustee under the Indenture that is inconsistent with any direction from the Trustee; (c) to the extent permitted by applicable law, the Trustee shall have the right, but is not obligated to, (i) vote in any such Proceeding and all claims of the Issuer, or (ii) file any motion, pleading, plan or objection in any such Proceeding on behalf of the Issuer, including without limitation, motions seeking relief from the automatic stay, dismissal of the Proceeding, valuation of the property belonging to the Insolvent Taxpayer, termination of exclusivity, and objections to disclosure statements, plans of liquidation or reorganization, and motions for use of cash collateral, seeking approval of sales or post-petition financing. If the Trustee chooses to exercise any such rights, the Issuer shall be deemed to have appointed the Trustee as its agent and granted to the Trustee an irrevocable power of attorney coupled with an interest, and its proxy, for the purpose of exercising any and all rights and taking any and all actions available to the Issuer in connection with any Proceeding of any Insolvent Taxpayer, including without limitation, the right to file and/or prosecute any claims, to propose and prosecute a bankruptcy plan, to vote to accept or reject a plan, and to make any election under Section 1111(b) of the Bankruptcy Code and (d) the Issuer shall not challenge the validity or amount of any claim submitted in such Proceeding by the Trustee in good faith or any valuations of the lands owned by any Insolvent Taxpayer submitted by the Trustee in good faith in such Proceeding or take any other action in such Proceeding, which is adverse to Trustee's enforcement of the Issuer claim and rights with respect to the Affected Special Assessments or receipt of adequate protection (as that term is defined in the Bankruptcy Code). Without limiting the generality of the foregoing, the Issuer agrees that the Trustee shall have the right (i) to file a proof of claim with respect to the Affected Special Assessments, (ii) to deliver to the Issuer a copy thereof, together with evidence of the filing with the appropriate court or other authority, and (iii) to defend any objection filed to said proof of claim.

Notwithstanding the provisions of the immediately preceding paragraphs, nothing in this Section shall preclude the Issuer from becoming a party to a Proceeding in order to enforce a claim for operation and maintenance assessments and the Issuer shall be free to pursue such claim in such manner as it shall deem appropriate in its sole and absolute discretion. Any actions taken by the Issuer in pursuance of its claim for operation and maintenance assessments in any Proceeding

54

55

shall not be considered an action adverse or inconsistent with the Trustee's rights or consents with respect to the Special Assessments relating to the Bonds Outstanding whether such claim is pursued by the Issuer or the Trustee.

[END OF ARTICLE IX]

ARTICLE X EVENTS OF DEFAULT AND REMEDIES

SECTION 10.01. Events of Default and Remedies. Except to the extent otherwise provided in the Supplemental Indenture authorizing a Series of Bonds, events of default and remedies with respect to each Series of Bonds shall be as set forth in this Master Indenture.

SECTION 10.02. Events of Default Defined. Each of the following shall be an "Event of Default" under the Indenture, with respect to a Series of Bonds:

- (b) if payment of the principal or Redemption Price of any Bond of such Series is not made when it becomes due and payable at maturity or upon call or presentation for redemption; or
- (c) if the Issuer, for any reason, fails in, or is rendered incapable of, fulfilling its obligations under the Indenture or under the Act which failure or incapacity may reasonably be determined solely by the Majority Holders of the applicable Series of Bonds; or
- (d) if the Issuer proposes or makes an assignment for the benefit of creditors or enters into a composition agreement with all or a material part of its creditors, or a trustee, receiver, executor, conservator, liquidator, sequestrator or other judicial representative, similar or dissimilar, is appointed for the Issuer or any of its assets or revenues, or there is commenced any proceeding in liquidation, bankruptcy, reorganization, arrangement of debts, debtor rehabilitation, creditor adjustment or insolvency, local, state or federal, by or against the Issuer and if such is not vacated, dismissed or stayed on appeal within ninety (90) days; or
- (e) if the Issuer defaults in the due and punctual performance of any other covenant in the Indenture or in any Bond of such Series issued pursuant to the Indenture and such default continues for sixty (60) days after written notice requiring the same to be remedied shall have been given to the Issuer by the Trustee, which may give such notice in its discretion and shall give such notice at the written request of the Majority Holders of the Outstanding Bonds of such Series; provided, however, that if such performance requires work to be done, actions to be taken, or conditions to be remedied, which by their nature cannot reasonably be done, taken or remedied, as the case may be, within such sixty (60) day period, no Event of Default shall be deemed to have occurred or exist if, and so long as the Issuer shall commence such performance within such sixty (60) day period and shall diligently and continuously prosecute the same to completion; or
- (f) written notice shall have been received by the Trustee from a Credit Facility Issuer securing Bonds of such Series that an event of default has occurred under the Credit Facility Agreement, or there shall have been a failure by said Credit Facility Issuer to make said Credit Facility available or to reinstate the interest component of said Credit Facility in accordance with the terms of said Credit Facility, to the extent said notice or failure is established as an event of default under the terms of a Supplemental Indenture; or

(g) if at any time the amount in the Debt Service Reserve Fund or any account therein is less than the Debt Service Reserve Requirement as a result of the Trustee withdrawing an amount therefrom to satisfy the Debt Service Requirement on the Bonds of any Series and such amount has not been restored within thirty (30) days of such withdrawal; or

(h) more than twenty percent (20%) of the "maintenance special assessments" levied by the Issuer on District lands upon which the Special Assessments are levied to secure one or more Series of Bonds pursuant to Section 190.021(3), Florida Statutes, as amended, and collected directly by the District have become due and payable and have not been paid, when due.

The Trustee shall not be required to rely on any official action, admission or declaration by the Issuer before recognizing that an Event of Default under (c) above has occurred.

SECTION 10.03. Foreclosure of Assessment Lien. Notwithstanding any other provision of this Master Indenture to the contrary, the following provisions shall apply with respect to the Special Assessments securing a Series of Bonds.

If any property shall be offered for sale for the nonpayment of any Special Assessment and no person or persons shall purchase such property for an amount equal to the full amount due on the Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), the property may then be purchased by the Issuer for an amount equal to the balance due on the Special Assessments (principal, interest, penalties and costs, plus attorneys' fees, if any), from any legally available funds of the Issuer (including credit bids) and the Issuer shall receive in its corporate name or in the name of a special purpose entity title to the property for the benefit of the Owners of the applicable Series of Bonds; provided that the Trustee shall have the right, acting at the written direction of the Majority Holders, but shall not be obligated, to direct the Issuer with respect to any action taken pursuant to this Section. The Issuer, either through its own actions, or actions caused to be taken through the Trustee, shall have the power to lease or sell such property, and deposit all of the net proceeds of any such lease or sale into the Revenue Fund. The Issuer, either through its own actions, or actions caused to be taken through the Trustee, agrees that it shall be required to take the measures provided by law for sale of property acquired by it as Trustee for the Owners of the applicable Series of Bonds within ninety (90) days after entry of a foreclosure judgment issued by a court of proper jurisdiction (or at such time as soon as possible thereafter) of the request therefor signed by the Trustee or the Majority Holders.

SECTION 10.04. No Acceleration; Redemption. No Series of Bonds issued under this Master Indenture shall be subject to acceleration. Upon the occurrence and continuation of an Event of Default, no optional redemption or extraordinary mandatory redemption of the Bonds pursuant to Article VIII hereof shall occur unless all of the Bonds of the Series where an Event of Default has occurred will be redeemed or 100% of the Holders of such Series of Bonds agree to such redemption.

SECTION 10.05. Legal Proceedings by Trustee. If any Event of Default with respect to a Series of Bonds has occurred and is continuing, the Trustee, in its discretion may, and upon the written request of the Majority Holders of the Outstanding Bonds of such Series and receipt of indemnity to its satisfaction shall, in its capacity as Trustee.

(a) by mandamus, or other suit, action or proceeding at law or in equity, enforce all rights of the Holders of the Bonds of such Series, including, without limitation, the right to require the Issuer to carry out any agreements with, or for the benefit of, the Bondholders of the Bonds of such Series and to perform its or their duties under the Act;

(b) bring suit upon the Series of Bonds;

(c) by action or suit in equity require the Issuer to account as if it were the trustee of an express trust for the Holders of the Bonds of such Series;

(d) by action or suit in equity enjoin any acts or things which may be unlawful or in violation of the rights of the Holders of the Bonds of such Series; and

(e) by other proceeding in law or equity, exercise all rights and remedies provided for by any other document or instrument securing such Series of Bonds.

SECTION 10.06. Discontinuance of Proceedings by Trustee. If any proceeding taken by the Trustee on account of any Event of Default is discontinued or is determined adversely to the Trustee, the Issuer, the Trustee, the Paying Agent and the Bondholders shall be restored to their former positions and rights hereunder as though no such proceeding had been taken.

SECTION 10.07. Bondholders May Direct Proceedings. The Majority Holders of a Series then subject to remedial proceedings under this Article X shall have the right to direct the method and place of conducting all remedial proceedings by the Trustee under the Indenture, provided that such directions shall not be otherwise than in accordance with law and the provisions of the Indenture.

SECTION 10.08. Limitations on Actions by Bondholders. No Bondholder shall have any right to pursue any remedy hereunder unless (a) the Trustee shall have been given written notice of an Event of Default, (b) the Majority Holders of the applicable Series shall have requested the Trustee, in writing, to exercise the powers hereinabove granted or to pursue such remedy in its or their name or names, (c) the Trustee shall have been offered indemnity satisfactory to it against costs, expenses and liabilities, and (d) the Trustee shall have failed to comply with such request within a reasonable time.

SECTION 10.09. Trustee May Enforce Rights Without Possession of Bonds. All rights under the Indenture and a Series of Bonds may be enforced by the Trustee without the possession of any of the Bonds of such Series or the production thereof at the trial or other proceedings relative thereto, and any proceeding instituted by the Trustee shall be brought in its name for the ratable benefit of the Holders of the Bonds of such Series.

SECTION 10.10. Remedies Not Exclusive. Except as limited under Section 15.01 of this Master Indenture, no remedy contained in the Indenture with respect to a Series of Bonds is intended to be exclusive of any other remedy or remedies, and each remedy is in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute.

SECTION 10.11. Delays and Omissions Not to Impair Rights. No delay or omission in respect of exercising any right or power accruing upon any Event of Default shall impair such

right or power or be a waiver of such Event of Default, and every remedy given by this Article X may be exercised from time to time and as often as may be deemed expedient.

SECTION 10.12. Application of Moneys in Event of Default. Any moneys received by the Trustee or the Paying Agent, as the case may be, in connection with any proceedings brought under this Article X with respect to a Series of Bonds shall be applied in the following order of priority:

(a) to the payment of the costs of the Trustee and Paying Agent incurred in connection with actions taken under this Article X with respect to such Series of Bonds, including Counsel fees and any disbursements of the Trustee and the Paying Agent and payment of unpaid fees and expenses owed to the Trustee.

(b) then:

FIRST: to payment of all installments of interest then due on the Bonds of such Series in the order of maturity of such installments of interest, and, if the amount available shall not be sufficient to pay in full any particular installment, then to the payment ratably, according to the amounts due on such installment, to the persons entitled thereto, without any preference or priority of one installment of interest over any other installment; and

SECOND: to payment to the persons entitled thereto of the unpaid principal or Redemption Price of any of the Bonds of such Series which shall have become due in the order of their due dates, with interest on such Bonds from the respective dates upon which they become due and, if the amount available shall not be sufficient to pay in full the principal or Redemption Price coming due on such Bonds on any particular date, together with such interest, then to the payment ratably, according to the amount of principal due on such date, to the persons entitled thereto without any preference or priority of one such Bond of a Series over another or of any installment of interest over another.

Any surplus remaining after the payments described above shall be paid to the Issuer or to the Person lawfully entitled to receive the same or as a court of competent jurisdiction may direct; provided, however, that the Issuer shall be first entitled to recover any fees and costs of foreclosure or other proceedings incurred by the Issuer in connection with enforcement of any delinquent Special Assessments.

For purposes of the application of moneys described above, to the extent payments of principal of and interest on a Series of Bonds shall have been made under a Credit Facility relating thereto, the Credit Facility Issuer shall be entitled to moneys in the related Series Accounts in the Debt Service Fund in accordance with the agreement pursuant to which such Credit Facility has been issued (but subject to subsection (a) hereof and Section 11.04 hereof) and the Certified Resolution of the Issuer authorizing the issuance of such Bonds to which such Credit Facility relates.

SECTION 10.13. Trustee's Right to Receiver; Compliance with Act. The Trustee shall be entitled as of right to the appointment of a receiver and the Trustee, the Bondholders and any receiver so appointed shall have such rights and powers and be subject to such limitations and restrictions as are contained in the Act and other applicable law of the State. ARTICLE XI THE TRUSTEE; THE PAYING AGENT AND REGISTRAR

SECTION 11.01. Acceptance of Trust. The Trustee accepts and agrees to execute the trusts hereby created, but only upon the additional terms set forth in this Article XI, to all of which the parties hereto the Bondholders and any Credit Facility Issuer agree. The Trustee shall act as Trustee under this Master Indenture. Subject to the provisions of Section 11.03 hereof, the Trustee shall have only such duties as are expressly set forth herein, and no duties shall be implied on the part of the Trustee.

The Trustee further agrees to comply with the procedures and covenants contained in any arbitrage rebate agreement to which it is a party for so long as compliance is necessary in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds, to the extent applicable.

SECTION 11.02. No Responsibility for Recitals. The recitals, statements and representations in this Master Indenture or in the Bonds, save only the Trustee's Certificate of Authentication, if any, upon the Bonds, have been made by the Issuer and not by the Trustee and the Trustee shall be under no responsibility for the correctness thereof.

SECTION 11.03. Trustee May Act Through Agents; Answerable Only for Willful Misconduct or Negligence. The Trustee may execute any powers hereunder and perform any duties required of it through attorneys, agents, officers or employees, and shall be entitled to advice of Counsel concerning all questions hereunder and the advice of such Counsel or any opinion of Counsel shall be full and complete authorization and protection in respect of any action taken, suffered or omitted by the Trustee hereunder in good faith and in reliance thereon. The Trustee shall not be answerable for the default or misconduct of any attorney or agent selected and supervised by it with reasonable care. The Trustee shall not be answerable for the exercise of any discretion or power under this Master Indenture and any Supplemental Indenture nor for anything whatever in connection with the trusts hereunder, except only its own negligence or willful misconduct or breach of its obligations hereunder. The Trustee shall not be accountable for the use or application of any of the Bonds or the proceeds thereof or for the use or application of any money paid over by the Trustee in accordance with the provisions of the Indenture. The permissive right of the Trustee to do things enumerated in the Indenture shall not be construed as a duty. The Trustee shall have no responsibility with respect to any information, statement or recital in any official statement, offering memorandum or any other disclosure material prepared or distributed with respect to the Bonds of any Series and shall have no responsibility for compliance with any State or federal securities laws in connection with the Bonds. None of the provisions of the Indenture shall require the Trustee to expend or risk its own funds or otherwise to incur any liability, financial or otherwise, in the performance of any of its duties hereunder, or in the exercise of any of its rights or powers if it shall have reasonable grounds for believing that repayment of such funds or indemnity satisfactory to it against such risk or liability is not assured to it. The Trustee shall not be responsible or liable for any failure or delay in the performance of its obligations under the Indenture arising out of or caused, directly or indirectly, by circumstances beyond its reasonable control, including, without limitation, acts of God; earthquakes; fire; flood; hurricanes or other storms; wars; terrorism; similar military disturbances; sabotage; epidemic; pandemic; riots; interruptions, loss or malfunctions of utilities, computer (hardware or software)

incurs costs or expenses (including legal fees, costs and expenses) or renders services after the occurrence of an Event of Default, such costs and expenses and the compensation for such services are intended to constitute expenses of administration under any federal or state bankruptcy, insolvency, arrangement, moratorium, reorganization or other debtor relief law.

SECTION 10.14. Trustee and Bondholders Entitled to all Remedies under Act. It is the purpose of this Article to provide such remedies to the Trustee and Bondholders as may be lawfully granted under the provisions of the Act and other applicable laws of the State; if any remedy herein granted shall be held unlawful, the Trustee and the Bondholders shall nevertheless be entitled to every other remedy provided by the Act and other applicable laws of the State. It is further intended that, insofar as lawfully possible, the provisions of this Article X shall apply to and be binding upon any receiver appointed in accordance with Section 10.13 hereof.

SECTION 10.15. Credit Facility Issuer's Rights Upon Events of Default. Anything in the Indenture to the contrary notwithstanding, if any Event of Default, other than Events of Default described in Section 10.02(a) or (b) hereof, has occurred and is continuing while a Credit Facility securing all or a portion of such Bonds of a Series Outstanding is in effect, the Credit Facility Issuer shall have the right, in lieu of the Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility, by an instrument in writing, executed and delivered to the Trustee, to direct the time, method and place of conducting all remedial proceedings available to the Trustee under the Indenture, or exercising any trust or power conferred on the Trustee by the Indenture. Said direction shall be controlling to the extent the direction of Owners of the Series of Bonds (or portion thereof) secured by said Credit Facility would have been controlling under this Article. If the Credit Facility Issuer shall be in default in the performance of its obligations under the Credit Facility, said Credit Facility Issuer shall have no rights under this Section.

or communications services; accidents; labor disputes; acts of civil or military authority or governmental action; it being understood that the Trustee shall use commercially reasonable efforts which are consistent with accepted practices in the banking industry to resume performance as soon as reasonably practicable under the circumstances.

SECTION 11.04. Compensation and Indemnity. The Issuer shall pay the Trustee reasonable compensation for its services hereunder, and also all its reasonable expenses and disbursements, and shall, to the extent permitted by law, indemnify and hold the Trustee harmless against any liabilities which it may incur in the proper exercise and performance of its powers and duties hereunder, except with respect to its own willful misconduct or negligence hereunder. If the Issuer defaults in respect of the foregoing obligations, the Trustee may deduct the amount owing to it from any moneys held by the Trustee or coming into its hands but exclusive of the Rebate Fund and moneys from a drawing on any Credit Facility, which right of payment shall be prior to the right of the holders of the Bonds. The Trustee shall promptly, but not less than monthly, provide periodic reports of any moneys the Trustee has deducted for amounts owing to it. This Section 11.04 shall survive the termination of this Master Indenture and any Supplemental Indenture and, as to any Trustee, its removal or resignation as Trustee. No provision of this Master Indenture shall require the Trustee to expend or risk its own funds.

SECTION 11.05. No Duty to Renew Insurance. The Trustee shall be under no duty to effect or to renew any insurance policy nor shall it incur any liability for the failure of the Issuer to require or effect or renew insurance or to report or file claims of loss thereunder.

SECTION 11.06. Notice of Default; Right to Investigate. The Trustee shall give written notice by first-class mail to registered Holders of a Series of Bonds of all defaults known to the Trustee, unless such defaults have been remedied (the term "defaults" for purposes of this Section and Section 11.07 being defined to include the events specified as "Events of Default" in Article X hereof, but not including any notice or periods of grace provided for therein); provided that, except in the case of a default in payment of principal or interest or Redemption Price, the Trustee may withhold such notice so long as it in good faith determines that such withholding is in the interest of the Bondholders. The Trustee shall not be deemed to have notice of any default other than a payment default under this Master Indenture and any Supplemental Indenture or a notification by a Credit Facility Issuer of a default under its Credit Facility, unless notified in writing of such default by the Holders of at least a majority of the aggregate principal amount of the Outstanding Bonds of a Series. The Trustee may, however, at any time require of the Issuer full information as to the performance of any covenant hereunder, and if information satisfactory to it is not forthcoming, the Trustee may make or cause to be made, at the expense of the Issuer, an investigation into the affairs of the Issuer.

SECTION 11.07. Obligation to Act on Defaults. The Trustee shall be under no obligation to take any action in respect of any default or otherwise, unless it is requested in writing to do so by the Majority Holders which are or would be, upon the taking of such action, subject to remedial proceedings under Article X of this Master Indenture if in its opinion such action may tend to involve expense or liability, and unless it is also furnished with indemnity satisfactory to it. The Trustee shall have no responsibility for actions taken at the direction of the Majority Holders.

62

63

SECTION 11.08. Reliance by Trustee. The Trustee may act on any requisition, resolution, notice, Electronic Means, telegram, facsimile transmission, request, consent, waiver, certificate, statement, affidavit, voucher, bond, or other paper or document which it in good faith believes to be genuine and to have been passed, signed or given by the persons purporting to be authorized (which in the case of the Issuer shall be a Responsible Officer) or to have been prepared and furnished pursuant to any of the provisions of this Master Indenture and any Supplemental Indenture; the Trustee shall be under no duty to make any investigation as to any statement contained in any such instrument, but may accept the same as conclusive evidence of the accuracy of such statement.

SECTION 11.09. Trustee May Deal in Bonds. The Trustee may in good faith buy, sell, own, hold and deal in any of the Bonds and may join in any action which any Bondholders may be entitled to take with like effect as if the Trustee were not a party to this Master Indenture and any Supplemental Indenture. The Trustee may also engage in or be interested in any financial or other transaction with the Issuer; provided, however, that if the Trustee determines that any such relation is in conflict with its duties under this Master Indenture and any Supplemental Indenture, it shall eliminate the conflict or resign as Trustee.

SECTION 11.10. Construction of Ambiguous Provisions. The Trustee may construe any ambiguous or inconsistent provisions of this Master Indenture and any Supplemental Indenture, and except as otherwise provided in Article XIII of this Master Indenture, any construction by the Trustee shall be binding upon the Bondholders. The Trustee shall give prompt notice to the Issuer of any intention to make such construction.

SECTION 11.11. Resignation of Trustee. The Trustee may resign and be discharged of the trusts created by this Master Indenture and all Supplemental Indentures by written resignation filed with the Secretary of the Issuer not less than sixty (60) days before the date when such resignation is to take effect. Notice of such resignation shall be sent by Electronic Means or first-class mail to each Bondholder as its name and address appears on the Bond Register and to any Paying Agent, Registrar and Credit Facility Issuer, if any, at least sixty (60) days before the resignation is to take effect. Such resignation shall take effect on the day specified in the Trustee's notice of resignation unless a successor Trustee is previously appointed, in which event the resignation shall take effect immediately on the appointment of such successor; provided, however, that notwithstanding the foregoing, such resignation shall not take effect until a successor Trustee has been appointed. If a successor Trustee has not been appointed within ninety (90) days after the Trustee has given its notice of resignation, the Trustee may petition any court of competent jurisdiction for the appointment of a temporary successor Trustee to serve as Trustee until a successor Trustee has been duly appointed. Notice of such resignation shall also be given to any rating agency that shall then have in effect a rating on any of the Bonds.

SECTION 11.12. Removal of Trustee. The Trustee may be removed at any time by either (a) the Issuer, if no default exists under this Master Indenture or any Supplemental Indenture, or (b) an instrument or concurrent instruments in writing, executed by the Owners of a majority of the aggregate principal amount of the Bonds then Outstanding and filed with the Issuer. A photographic copy of any instrument or instruments filed with the Issuer under the provisions of this paragraph, duly certified by a Responsible Officer, shall be delivered promptly by the Issuer to the Trustee and to any Paying Agent, Registrar and Credit Facility Issuer, if any.

64

SECTION 11.17. Extension of Rights and Duties of Trustee to Paying Agent and Registrar. The provisions of Sections 11.02, 11.03, 11.04, 11.08, 11.09, 11.10 and 11.16 hereof are hereby made applicable to the Paying Agent and the Registrar, as appropriate, and any Person serving as Paying Agent and/or Registrar, hereby enters into and agrees to comply with the covenants and agreements of this Master Indenture and all Supplemental Indentures applicable to the Paying Agent and Registrar, respectively.

SECTION 11.18. Resignation of Paying Agent or Registrar. The Paying Agent or Registrar may resign and be discharged of the duties created by this Master Indenture and all Supplemental Indentures by executing an instrument in writing resigning such duties and specifying the date when such resignation shall take effect, and filing the same with the Issuer, the Trustee, and any rating agency that shall then have in effect a rating on any of the Bonds, not less than forty-five (45) days before the date specified in such instrument when such resignation shall take effect, and by giving written notice of such resignation not less than three (3) weeks prior to such resignation date to the Bondholders, mailed to their addresses as such appear in the Bond Register. Such resignation shall take effect on the date specified in such instrument and notice, but only if a successor Paying Agent or Registrar shall have been appointed as hereinafter provided, in which event such resignation shall take effect immediately upon the appointment of such successor Paying Agent or Registrar. If the successor Paying Agent or Registrar shall not have been appointed within a period of ninety (90) days following the giving of notice, then the Paying Agent or Registrar shall be authorized to petition any court of competent jurisdiction to appoint a successor Paying Agent or Registrar as provided in Section 11.22 hereof.

SECTION 11.19. Removal of Paying Agent or Registrar. The Paying Agent or Registrar may be removed at any time prior to any Event of Default by the Issuer by filing with the Paying Agent or Registrar to be removed, and with the Trustee, an instrument or instruments in writing executed by the Issuer appointing a successor, or an instrument or instruments in writing designating, and accompanied by an instrument or appointment by the Issuer of, such successor. Such removal shall be effective thirty (30) days (or such longer period as may be set forth in such instrument) after delivery of the instrument; provided, however, that no such removal shall be effective until the successor Paying Agent or Registrar appointed hereunder shall execute, acknowledge and deliver to the Issuer an instrument accepting such appointment hereunder.

SECTION 11.20. Appointment of Successor Paying Agent or Registrar. In case at any time the Paying Agent or Registrar shall be removed, or be dissolved, or if its property or affairs shall be taken under the control of any state or federal court or administrative body because of insolvency or bankruptcy, or for any other reason, then a vacancy shall forthwith and ipso facto exist in the office of the Paying Agent or Registrar, as the case may be, and a successor shall be appointed by the Issuer; and in case at any time the Paying Agent or Registrar shall resign, then a successor shall be appointed by the Issuer. After any such appointment, notice of such appointment shall be given by the Issuer to the predecessor Paying Agent or Registrar, the successor Paying Agent or Registrar, the Trustee, the Credit Facility Issuer, if any, any rating agency that shall then have in effect a rating on any of the Bonds, and all Bondholders. Any new Paying Agent or Registrar so appointed shall immediately, and without further act, supersede the predecessor Paying Agent or Registrar.

The Trustee may also be removed at any time for any breach of trust or for acting or proceeding in violation of, or for failing to act or proceed in accordance with, any provision of this Master Indenture or any Supplemental Indenture with respect to the duties and obligations of the Trustee by any court of competent jurisdiction upon the application of the Issuer or the Holders of not less than a majority of the aggregate principal amount of the Bonds then Outstanding or the Trustee may petition a court of competent jurisdiction for the appointment of a successor trustee.

SECTION 11.13. Appointment of Successor Trustee. If the Trustee or any successor Trustee resigns or is removed or dissolved, or if its property or business is taken under the control of any state or federal court or administrative body, a vacancy shall forthwith exist in the office of the Trustee, and the Issuer shall appoint a successor and shall mail notice of such appointment by first-class mail to each Bondholder as its name and address appear on the Bond Register, and to the Paying Agent, Registrar, Credit Facility Issuer, if any, and any rating agency that shall then have in effect a rating on any of the Bonds. If no appointment of a successor Trustee shall be made pursuant to the foregoing provisions of this Master Indenture prior to the date specified in the notice of resignation or removal as the date when such resignation or removal was to take effect, the Majority Holders of all Bonds then Outstanding may appoint a successor Trustee or the Trustee may petition a court of competent jurisdiction for the appointment of a successor trustee.

SECTION 11.14. Qualification of Successor. A successor Trustee shall be a bank or trust company with trust powers, having a combined net capital and surplus of at least \$50,000,000.

SECTION 11.15. Instruments of Succession. Subject to Section 11.16 hereof, any successor Trustee shall execute, acknowledge and deliver to the Issuer an instrument accepting such appointment hereunder and thereupon, such successor Trustee, without any further act, deed, or conveyance, shall become fully vested with all the estates, properties, rights, powers, trusts, duties and obligations of its predecessor in trust hereunder, with like effect as if originally named Trustee herein. The Trustee ceasing to act hereunder, after deducting all amounts owed to the Trustee, shall pay over to the successor Trustee all moneys held by it hereunder and, upon request of the successor Trustee, the Trustee ceasing to act and the Issuer shall execute and deliver an instrument or instruments prepared by the Issuer transferring to the successor Trustee all the estates, properties, rights, powers and trusts hereunder of the predecessor Trustee, except for its rights under Section 11.04 hereof.

SECTION 11.16. Merger of Trustee. Any corporation, purchaser, or entity into which any Trustee hereunder may be merged or with which it may be consolidated, or any corporation, purchaser, or entity resulting from any merger or consolidation to which any Trustee hereunder shall be a party, or any corporation, purchaser, or entity which shall have purchased substantially all of the bond administration business of the corporate trust department shall be the successor Trustee under this Master Indenture and all Supplemental Indentures, without the execution or filing of any paper or any further act on the part of the parties hereto, anything herein to the contrary notwithstanding; provided, however, that any such successor corporation, purchaser, or entity continuing to act as Trustee hereunder shall meet the requirements of Section 11.14 hereof, and if such corporation does not meet the aforesaid requirements, a successor Trustee shall be appointed pursuant to this Article XI. The Trustee may not resign as the Paying Agent or the Registrar without resigning as Trustee.

65

SECTION 11.21. Qualifications of Successor Paying Agent or Registrar. Every successor Paying Agent or Registrar (a) shall be a commercial bank or trust company (i) duly organized under the laws of the United States or any state or territory thereof, (i) authorized by law to perform all the duties imposed upon it by this Master Indenture and all Supplemental Indentures and (iii) capable of meeting its obligations hereunder, and (b) shall have a combined net capital and surplus of at least \$50,000,000.

SECTION 11.22. Judicial Appointment of Successor Paying Agent or Registrar. In case at any time the Paying Agent or Registrar shall resign and no appointment of a successor Paying Agent or Registrar shall be made pursuant to the foregoing provisions of this Master Indenture prior to the date specified in the notice of resignation as the date when such resignation is to take effect, the retiring Paying Agent or Registrar may forthwith apply to a court of competent jurisdiction for the appointment of a successor Paying Agent or Registrar. Such court may thereupon, after such notice, if any, as it may deem proper and prescribe, appoint a successor Paying Agent or Registrar. Notice of such appointment shall be given by the Successor Registrar or Paying Agent to the Issuer, the Trustee, the Credit Facility Issuer, if any, any rating agency that shall then have in effect a rating on any of the Bonds, and all Bondholders. In the absence of such an appointment, the Trustee shall become the Registrar or Paying Agent, and shall so notify the Issuer, any rating agency that shall have issued a rating on the Bonds, and all Bondholders.

SECTION 11.23. Acceptance of Duties by Successor Paying Agent or Registrar. Any successor Paying Agent or Registrar shall become duly vested with all the estates, property, rights, powers, duties and obligations of its predecessor hereunder, with like effect as if originally named Paying Agent or Registrar herein. Upon request of such Paying Agent or Registrar, such predecessor Paying Agent or Registrar and the Issuer shall, after payment of its fees and expenses, execute and deliver an instrument transferring to such successor Paying Agent or Registrar all the estates, property, rights and powers hereunder of such predecessor Paying Agent or Registrar except for its rights under Section 11.04 hereof and such predecessor Paying Agent or Registrar shall pay over and deliver to the successor Paying Agent or Registrar all moneys and other assets at the time held by it hereunder.

SECTION 11.24. Successor by Merger or Consolidation. Any corporation, purchaser, or entity into which any Paying Agent or Registrar hereunder may be merged or converted or with which it may be consolidated, or any corporation, purchaser, or entity resulting from any merger or consolidation to which any Paying Agent or Registrar hereunder shall be a party, or any corporation, purchaser, or entity which shall have purchased substantially all of the bond administration business of the corporate trust department shall be the successor Paying Agent or Registrar under this Master Indenture and all Supplemental Indentures without the execution or filing of any paper or any further act on the part of the parties thereto, anything in this Master Indenture or any Supplemental Indenture to the contrary notwithstanding.

**ARTICLE XIII
AMENDMENTS AND SUPPLEMENTS**

SECTION 13.01. Amendments and Supplements Without Bondholders' Consent. This Master Indenture and any Supplemental Indenture may be amended or supplemented, from time to time, without the consent of the Bondholders, by a Supplemental Indenture authorized by a Certified Resolution of the Issuer filed with the Trustee, for one or more of the following purposes:

(a) to add additional covenants of the Issuer or to surrender any right or power herein conferred upon the Issuer;

Thereafter such Bonds shall be deemed not to be Outstanding hereunder and the Owners of such Bonds shall be restricted exclusively to the funds so deposited for any claim of whatsoever nature with respect to such Bonds, and the Escrow Agent shall hold such funds in trust for such Owners. Extraordinary Mandatory Redemption in Whole or in Part

The Bonds are subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole, on any date, or in part, on any interest payment date (except as otherwise provided in a Supplemental Indenture), at an extraordinary mandatory redemption price equal to 100% of the principal amount of the Bonds to be redeemed, plus interest accrued to the redemption date, (i) from moneys deposited into the Bond Redemption Fund following the payment of Special Assessments on any portion of the District Lands in accordance with the provisions of the Section 9.08 of the Indenture; (ii) when sufficient moneys are on deposit in the related Funds and Accounts (other than the Rebate Fund and any other excluded fund or account as provided in the Supplemental Indenture) to pay and redeem all Outstanding Bonds and accrued interest thereon to the redemption date in addition to all amounts owed to Persons under the Indenture; (iii) from moneys in excess of the Debt Service Reserve Requirement in the Debt Service Reserve Fund transferred to the Bond Redemption Fund pursuant to the Indenture; (iv) from excess moneys transferred from the Revenue Fund to the Bond Redemption Fund in accordance with the Indenture; (v) from moneys, if any, on deposit in the Bond Redemption Fund following condemnation or the sale of any portion of the District Lands benefited by the Project to a governmental entity under threat of condemnation by such governmental entity or the damage or destruction of all or substantially all of the Project when such moneys are not to be used pursuant to the Indenture to repair, replace or restore the Project; provided, however, that at least forty-five (45) days prior to such extraordinary mandatory redemption, the Issuer shall cause to be delivered to the Trustee (x) notice setting forth the redemption date and (y) a certificate of the Consulting Engineer confirming that the repair and restoration of the Project would not be economical or would be impracticable; or (vi) either prior to the Completion Date or after the Completion Date, as the case may be, from amounts transferred to the Series Account of the Bond Redemption Fund from the Series Account of the Acquisition and Construction Fund in accordance with the Indenture.

Notice of Redemption

The Trustee shall cause notice of redemption to be mailed at least thirty (30) but not more than sixty (60) days prior to the date of redemption to all registered owners of Bonds to be redeemed (as such owners appear on the books of the Registrar on the fifth (5th) day prior to such mailing) and to certain additional parties as set forth in the Indenture; provided, however, that failure to mail any such notice or any defect in the notice or the mailing thereof shall not affect the validity of the redemption of the Bonds for which such notice was duly mailed in accordance with the Indenture. If less than all of the Bonds shall be called for redemption, the notice of redemption shall specify the Bonds to be redeemed. On the redemption date, the Bonds called for redemption will be payable at the corporate trust office of the Paying Agent and on such date interest shall cease to accrue, such Bonds shall cease to be entitled to any benefit under the Indenture and such

sinking fund and other payments provided for in the Indenture, except for Special Assessments to be assessed and levied by the Issuer as set forth in the Indenture.

By the acceptance of this Bond, the owner hereof assents to all the provisions of the Indenture.

This Bond is payable from and secured by Pledged Revenues, as such term is defined in the Indenture, all in the manner provided in the Indenture. The Indenture provides for the levy and the evidencing and certifying, of non-ad valorem assessments in the form of Special Assessments to secure and pay the Bonds.

The Bonds are subject to redemption prior to maturity in the amounts, at the times and in the manner provided below. All payments of the redemption price of the Bonds shall be made on the dates specified below. Upon any redemption of Bonds other than in accordance with scheduled sinking fund installments, the Issuer shall cause to be recalculated and delivered to the Trustee revised sinking fund installments recalculated so as to amortize the Outstanding principal amount of Bonds in substantially equal annual installments of principal and interest (subject to rounding to Authorized Denominations of principal) over the remaining term of the Bonds. The sinking fund installments as so recalculated shall not result in an increase in the aggregate of the sinking fund installments for all Bonds in any year. In the event of a redemption or purchase occurring less than forty-five (45) days prior to a date on which a sinking fund installment is due, the foregoing recalculation shall not be made to sinking fund installments due in the year in which such redemption or purchase occurs, but shall be made to sinking fund installments for the immediately succeeding and subsequent years.

Optional Redemption

The Bonds are subject to redemption at the option of the Issuer in whole or in part at any time on or after _____, 1, _____, at the redemption prices (expressed as percentages of principal amount to be redeemed) set forth below, plus accrued interest to the redemption date, upon notice from the Issuer to the Trustee as set forth in the Indenture.

Mandatory Sinking Fund Redemption

The Bonds are subject to mandatory sinking fund redemption on May 1 in the years and in the principal amounts set forth below at a redemption price of 100% of their principal amount plus accrued interest to the date of redemption. Such principal amounts shall be reduced as specified by the Issuer by the principal amount of any Bonds redeemed pursuant to optional or extraordinary mandatory redemption as set forth above or purchased and cancelled pursuant to the provisions of the Indenture.

C-5

Bonds shall not be deemed to be outstanding under the provisions of the Indenture and the registered owners of such Bonds shall have no rights in respect thereof except to receive payment of the redemption price thereof. If the amount of funds so deposited with the Trustee, or otherwise available, is insufficient to pay the redemption price and interest on all Bonds so called for redemption on such date, the Trustee shall redeem and pay on such date an amount of such Bonds for which such funds are sufficient, selecting the Bonds to be redeemed by lot from among all such Bonds called for redemption on such date, and interest on any Bonds not paid shall continue to accrue, as provided in the Indenture.

Partial Redemption of Bonds. If less than all the Bonds of a maturity are to be redeemed, the Trustee shall select the particular Bonds or portions of Bonds to be redeemed by lot in such reasonable manner as the Trustee in its discretion may determine. In the case of any partial redemption of Bonds pursuant to an optional redemption, such redemption shall be effectuated by redeeming Bonds of such maturities in such manner as shall be specified by the Issuer in writing, subject to the provisions of the Indenture. In the case of any partial redemption of Bonds pursuant to an extraordinary mandatory redemption, such redemption shall be effectuated by redeeming Bonds pro rata among the maturities, treating each date on which a sinking fund installment is due as a separate maturity for such purpose, with the portion to be redeemed from each maturity being equal to the product of the aggregate principal amount of Bonds to be redeemed multiplied times a fraction the numerator of which is the principal amount of Bonds of such maturity outstanding immediately prior to the redemption date and the denominator of which is the aggregate principal amount of all Bonds outstanding immediately prior to the redemption date.

The Issuer shall keep books for the registration of the Bonds at the corporate trust office of the Registrar in Orlando, Florida. Subject to the restrictions contained in the Indenture, the Bonds may be transferred or exchanged by the registered owner thereof in person or by his attorney duly authorized in writing only upon the books of the Issuer kept by the Registrar and only upon surrender thereof together with a written instrument of transfer satisfactory to the Registrar duly executed by the registered owner or his duly authorized attorney. In all cases in which the privilege of transferring or exchanging Bonds is exercised, the Issuer shall execute and the Trustee shall authenticate and deliver a new Bond or Bonds in authorized form and in like aggregate principal amount in accordance with the provisions of the Indenture. Every Bond presented or surrendered for transfer or exchange shall be duly endorsed or accompanied by a written instrument of transfer in form satisfactory to the Trustee, Paying Agent or the Registrar, duly executed by the Bondholder or his attorney duly authorized in writing. Transfers and exchanges shall be made without charge to the Bondholder, except that the Issuer or the Trustee may require payment of a sum sufficient to cover any tax or other governmental charge that may be imposed in connection with any transfer or exchange of Bonds. Neither the Issuer nor the Registrar on behalf of the Issuer shall be required (i) to issue transfer or exchange any Bond during a period beginning at the opening of business fifteen (15) days before the day of mailing of a notice of redemption of Bonds selected for redemption and ending at the close of business on the day of such mailing, or (ii) to transfer or exchange any Bond so selected for redemption in whole or in part.

The Issuer, the Trustee, the Paying Agent and the Registrar shall deem and treat the person in whose name any Bond shall be registered upon the books kept by the Registrar as the absolute owner thereof (whether or not such Bond shall be overdue and notwithstanding any notation of ownership or other writing thereon made by anyone other than the Issuer, the Trustee, the Paying

C-7

Agent or the Registrar) for the purpose of receiving payment of or on account of the principal of, premium, if any, and interest on such Bond as the same becomes due, and for all other purposes. All such payments so made to any such registered owner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid, and neither the Issuer, the Trustee, the Paying Agent, nor the Registrar shall be affected by any notice to the contrary.

It is hereby certified and recited that all acts, conditions and things required to exist, to happen, and to be performed, precedent to and in the issuance of this Bond exist, have happened and have been performed in regular and due form and time as required by the laws and Constitution of the State of Florida applicable thereto, including particularly the Act, and that the issuance of this Bond, and of the issue of the Bonds of which this Bond is one, is in full compliance with all constitutional and statutory limitations or provisions.

Such excess in the Series 2026 Reserve Account shall be transferred by the Trustee to the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account, as a result of such Prepayment. The District Manager, on behalf of the Issuer, shall make such calculation within ten (10) Business Days after receiving notice of such Prepayment and shall instruct the Trustee in writing to transfer such amount of credit given to the landowner from the Series 2026 Reserve Account to the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account to be used for the extraordinary mandatory redemption of the Series 2026 Bonds in accordance with Section 3.01(b)(i) hereof. In the event that there are no Unfunded Requisitions on file with the Trustee, such excess moneys transferred from the Series 2026 Reserve Account to the Series 2026 Acquisition and Construction Account shall be deposited into the Series 2026 General Redemption Subaccount of the Series 2026 Bond Redemption Account.

Upon satisfaction of the Release Conditions #1 or Release Conditions #2, as evidenced by a written certificate of the District Manager delivered to the Issuer and the Trustee, stating that the Release Conditions #1 or Release Conditions #2 have been satisfied and setting forth the amount of the new Series 2026 Reserve Requirement, the Trustee shall without further direction reduce the Series 2026 Reserve Requirement to either twenty-five percent (25%) of the maximum annual debt service of the then Outstanding principal amount of the Series 2026 Bonds, as calculated by the District Manager, upon satisfaction of Release Conditions #1, or ten percent (10%) upon satisfaction of Release Conditions #2 of the maximum annual debt service of the then Outstanding principal amount of the Series 2026 Bonds as calculated by the District Manager. SECTION 4.03. Power to Issue Series 2026 Bonds and Create Lien. The Issuer is duly authorized under the Act and all applicable laws of the State to issue the Series 2026 Bonds, to execute and deliver the Indenture and to pledge the Series 2026 Pledged Revenues for the benefit of the Series 2026 Bonds to the extent set forth herein. The Series 2026 Bonds and the provisions of the Indenture are and will be

In connection with such Prepayments, in the event the amount in the Series 2026 Reserve Account will exceed the applicable Reserve Requirement as a result of a Prepayment in accordance with this Section 4.05(a) and Section 4.01(f) and the resulting redemption of the Series 2026 Bonds in accordance with Section 3.01(b)(i) of this Second Supplemental Indenture, the excess amount shall be transferred from the Series 2026 Reserve Account to the Series 2026 Prepayment Subaccount of the Series 2026 Bond Redemption Account as a credit against the Series 2026 Prepayment Principal otherwise required to be paid by the owner of such lot or parcel, upon written instructions to the Trustee of the District Manager upon which the Trustee may conclusively rely, on behalf of the Issuer, together with a certification stating that, after giving effect to such transfers sufficient moneys will be on deposit in the Series 2026 Reserve Account to equal or exceed the then Reserve Requirement for the Series 2026 Bonds and which certificate of the District Manager will further state that, after giving effect to the proposed redemption of Series 2026 Bonds, there will be sufficient Series 2026 Pledged Revenues to pay the principal and interest, when due, on all Series 2026 Bonds that will remain Outstanding.

(b) Upon receipt of Series 2026 Prepayment Principal as described in paragraph (a) above, subject to satisfaction of the conditions set forth therein, the Issuer shall immediately pay the amount so received to the Trustee, and the Issuer shall take such action as is necessary to record in the official records of the Issuer that the Series 2026 Special Assessment has been paid in whole or in part and that such Series 2026 Special Assessment lien is thereby reduced, or released and extinguished, as the case may be.

ARTICLE V COVENANTS AND DESIGNATIONS OF THE ISSUER

SECTION 5.01. Collection of Series 2026 Special Assessments. Pursuant to the terms and provisions of the Master Indenture and except as provided in the next succeeding sentence, the Issuer shall collect the Series 2026 Special Assessments relating to the acquisition and construction of the Assessment Area Two Project through the Uniform Method of Collection (the "Uniform Method") afforded by Section 197.3632, Florida Statutes. Pursuant to the terms and provisions of the Master Indenture, the Issuer shall, pursuant to the provisions of the Assessment Resolutions, directly collect the Series 2026 Special Assessments levied in lieu of the Uniform Method with respect to any assessable lands which have not yet been platted or subject to re-plat unless the Trustee at the direction of the Majority Holders directs the Issuer otherwise, or the timing for using the Uniform Method will not yet allow for using such method. The Issuer or the District Manager on behalf of the Issuer, shall provide the Trustee with a certification that the Series 2026 Special Assessments are Substantially Absorbed and the Trustee may conclusively rely upon such certification and shall have no duty to verify if the Series 2026 Special Assessments are Substantially Absorbed. Notwithstanding any provision in the Indenture to the contrary, the Issuer may issue other Bonds or debt obligations secured by Special Assessments levied on the same land upon which the Series 2026 Special Assessments have been levied, other than the Series

No Series 2026 Reserve Account credit shall be given if as a result the Reserve Requirement shall be less than is required after taking into account the proposed extraordinary mandatory redemption pursuant to Section 3.01(b)(i) hereof. At any time such Prepayment is not in an integral multiple of \$5,000, the Trustee shall withdraw moneys from the Series 2026 Revenue Account to round-up to an integral multiple of \$5,000 and deposit such amount into the Series 2026 Prepayment Subaccount. Notwithstanding the foregoing, the Trustee shall not be authorized to withdraw any moneys from the Series 2026 Reserve Account unless all of the deposits required under Section 4.02 hereof have or can be made to the next succeeding Quarterly Redemption Date.

PROPOSED FORM OF OPINION OF BOND COUNSEL

[THIS PAGE INTENTIONALLY LEFT BLANK]

FORM OF BOND COUNSEL OPINION

Upon delivery of the Bonds (as defined below) in definitive form, Greenberg Traurig, P.A., as Bond Counsel, proposes to render its final approving opinion with respect to such Bonds in substantially the following form:

_____, 2026

Board of Supervisors of the Seaton Creek Reserve
Community Development District
Jacksonville, Florida

\$ _____
**SEATON CREEK RESERVE COMMUNITY DEVELOPMENT DISTRICT
SPECIAL ASSESSMENT BONDS, SERIES 2026 (2026 PROJECT)**

Dear Board Members:

We have acted as bond counsel in connection with the issuance by the Seaton Creek Reserve Community Development District (the “District”) of its \$ _____ in aggregate principal amount of Special Assessment Bonds, Series 2026 (2026 Project) (the “Bonds”), issued and delivered on this date pursuant to the constitution and laws of the State of Florida, particularly, the Uniform Community Development District Act of 1980, Chapter 190, Florida Statutes, as amended, and other applicable provisions of law (collectively, the “Act”) and Resolution No. 2021-24, adopted by the Board of Supervisors of the District (the “Board”) on September 21, 2021, as supplemented by Resolution No. 2026-03 adopted by the Board on May 14, 2026 (collectively, the “Bond Resolution”). The Bonds are being issued and secured under that certain Master Trust Indenture, dated as of June 1, 2023 (the “Master Indenture”), as supplemented by that certain Second Supplemental Trust Indenture, dated as of July 1, 2026 (the “Second Supplement” and, together with the Master Indenture, the “Indenture”), each by and between the District and U.S. Bank Trust Company, National Association, as trustee (the “Trustee”). Capitalized terms used herein without definitions have the meanings ascribed thereto in the Indenture.

The Bonds are being issued for the primary purpose of financing certain public infrastructure deemed necessary to develop the lands within Assessment Area Two within the District.

In order to secure the payment of the Bonds, and subject to the terms of the Indenture, the District has pledged to the holders of the Bonds, and granted a lien to the holders of the Bonds on, the Series 2026 Pledged Revenues.

In connection with this opinion, we have examined the Act, certified copies of the Bond Resolution, the Indenture, the Arbitrage Certificate, a transcript of the proceedings related to the issuance of the Bonds and such other documents and opinions as we have deemed necessary to render this opinion, and are relying on certain findings, covenants and agreements of the District set forth therein and such certified copies of the proceedings of the District and such other documents and opinions as we have deemed necessary to render this opinion. As to the questions of fact material to our opinion, we have relied upon representations of the District furnished to us, without undertaking to verify such representations by independent investigation. We have also relied upon certain certifications and representations provided by Lennar Homes, LLC, as the party initially responsible for the payment of the Series 2026 Special Assessments comprising a portion of the Series 2026 Pledged Revenues.

Based on the foregoing, we are of the opinion that:

1. The District has the power to authorize, execute and deliver the Indenture, to perform its obligations thereunder and to issue the Bonds.
2. The Indenture has been duly authorized, executed and delivered by the District. The Indenture creates a valid pledge of the Series 2026 Pledged Revenues and constitutes a valid and binding obligation of the District enforceable against the District in accordance with its terms.
3. The issuance and sale of the Bonds have been duly authorized by the District and, assuming the due authentication thereof, the Bonds constitute valid and binding limited obligations of the District, payable in accordance with, and as limited by, the terms of the Indenture.
4. The Internal Revenue Code of 1986, as amended (herein, the “Code”) includes requirements which the District must continue to meet after the issuance of the Bonds in order that interest on the Bonds not be included in gross income for federal income tax purposes. The failure of the District to meet these requirements may cause interest on the Bonds to be included in gross income for federal income tax purposes retroactive to their date of issuance. The District has covenanted in the Indenture to take the actions required by the Code in order to maintain the exclusion from gross income for federal income tax purposes of interest on the Bonds.

Under existing statutes, regulations, rulings and court decisions, subject to the assumption stated in the following paragraph, interest on the Bonds is excludable from the gross income of the owners thereof for federal income tax purposes and, furthermore, interest on the Bonds is not an item of tax preference for purposes of the federal alternative minimum tax imposed on individuals. In the case of the alternative minimum tax imposed by Section 55(b)(2) of the Code on applicable corporations (as defined in Section 59(k) of the Code), interest on the Bonds is not excluded from the determination of adjusted financial statement income.

In rendering the opinion expressed above, we have assumed continuing compliance with the tax covenants referred to above that must be met after the issuance of the Bonds in order that interest on the Bonds not be included in gross income for federal income tax purposes.

The Bonds and interest thereon are not subject to taxation under the laws of the State of Florida except as to estate taxes and taxes imposed by Chapter 220, Florida Statutes, on interest, income or profits on debt obligations owned by corporations as defined in Chapter 220.

We express no opinion regarding other federal or any state tax consequences resulting from the ownership, receipt or accrual of interest on, or disposition of the Bonds.

In rendering the foregoing opinions we have assumed the accuracy and truthfulness of all public records and of all certifications, documents and other proceedings examined by us that have been executed or certified by public officials acting within the scope of their official capacities and have not verified the accuracy or truthfulness thereof. We have also assumed the genuineness of the signatures appearing upon such public records, certifications, documents and proceedings.

The opinions set forth herein are subject to state and federal laws relating to bankruptcy, insolvency, reorganization, moratorium and similar laws, and to equitable principles, affecting the enforcement of creditors' rights generally, and to the exercise of judicial discretion in appropriate cases.

We wish to call to your attention that the Bonds are limited obligations of the District payable solely from the Series 2026 Pledged Revenues and neither the full faith and credit nor the taxing power of the District, the City of Jacksonville, Florida, Duval County, Florida, the State of Florida or any other political subdivision thereof is pledged as security for the payment of the Bonds. The Bonds do not constitute an indebtedness of the District within the meaning of any constitutional or statutory provision or limitation.

Respectfully submitted,

GREENBERG TRAURIG, P.A.

Section 1 INTRODUCTION

1.0 INTRODUCTION

The Seaton Creek Community Development District (“CDD”) was established by City of Jacksonville effective on August 30, 2021, Ordinance number 2021-451-E, pursuant to the provisions of Chapter 190, Florida Statutes. The CDD consists of approximately 345 acres and was established for the purpose of providing an efficient mechanism for financing, operating, and maintaining the public infrastructure associated with and necessary to support development within the CDD. A location map of the CDD is shown on Figure 1.

FIGURE 1 LOCATION MAP

The lands within the CDD are wholly within and consist of a portion of the Seaton Creek Reserve Planned Unit Development (P.U.D.) located within the City of Jacksonville, Florida and approved by the City of Jacksonville City Council on August 8, 2006 by the enactment of Ordinances No 2007-386-E and Modification MM-2020-13 dated November 19, 2020 (the “Development”). The Development is anticipated to consist of 754-single family residential units developed in 2 phases, spanning approximately 10 years.

This is an update to the Master Engineer’s Report for the Seaton Creek Reserve Community Development District (“Master Engineer’s Report”) which has been prepared to identify the public infrastructure necessary to support the Development. The updates include acreage and lot changes, as well as updates to the permitting status and costs based upon actual construction contracts. To serve the Development, the CDD plans to design, permit, finance, acquire and/or construct, install, operate, and maintain all of part of certain public infrastructure improvements, including, but not limited to, certain offsite utility and transportation improvements; stormwater management facilities; utility infrastructure; recreation facilities; entry features; and landscaping (the “Capital Improvement Plan”). A portion of the Capital Improvement Plan is anticipated to be funded by the CDD through the issuance of bonds. A project of this type generally requires many permits through federal, state and local agencies. Identification of the various permits and respective status has been included in Section 3.

The current development plan (“Master Plan”) for the lands within the CDD is shown on Figure 2.

1.1 PROPOSED LAND USES

As described above, the CDD includes approximately 345 acres located entirely within City of Jacksonville, Florida and comprising a part of the Seaton Creek PUD. Approximately 26 acres in the CDD is undevelopable and not owned by Lennar Homes. The assessment area owned by Lennar Homes is 319 acres. Phase 1 assessment area has 134 acres and Phase 2 assessment area consists of 185 acres. The proposed land uses within Phase 1 and Phase 2 are tabled below.

	Land Use	Acres	Residential Units
1.	Single Family	125	754
2.	Wetland (exclusive of lakes)	45	
3.	Upland buffers	18	
4.	Lakes	67	
5.	Right of Way	47	
6.	Recreation and Open Space	17

FIGURE 2 SEATON CREEK RESERVE MASTER PLAN

Section 2 SEATON CREEK RESERVE CDD PROPOSED IMPORVEMENTS

2.0 GENERAL

The public infrastructure improvements currently comprising the Capital Improvement Plan and proposed to be provided by the CDD include, but may not necessarily be limited to, the following:

2.1 DESCRIPTION OF IMPROVEMENTS

2.1.1 Infrastructure

The infrastructure improvements will benefit and provide environmental preservation, amenities, landscaping, signage, District roadways, stormwater and environmental management, and recreation for residents of the District. Infrastructure costs are based upon construction contracts, bids, construction drawing takeoffs, and other requirements contained in the approved Planned Unit Development (PUD). The infrastructure consists of the following categories as further described herein:

2.1.2 Stormwater Management Facilities

The CDD will construct and/or acquire drainage systems that collect and treat stormwater by temporarily holding in on-site retention/settlement basins before discharge to the regional drainage system. The stormwater collection system will consist of a stabilized subgrade, lime rock base, asphalt and curbs with inlets, piping system and ponds. These will all be constructed consistent with the specifications of City of Jacksonville and the St. Johns River Water Management District.

The design of the roadway base and subgrade will be prepared in accordance with the current State of Florida Manual of Minimum Standards for Design, Construction and Maintenance of Streets and Highways, City of Jacksonville Road Construction Specifications, and current AASHTO policies.

The project engineer has prepared a stormwater master plan for the project. The purpose of the Seaton Creek Stormwater Master Plan is to assure that adequate stormwater management facilities are available to provide stormwater management capacity for the final development and to meet the regulatory requirements, as listed below:

- a) St. Johns River Water Management District (SJRWMD)
- b) City of Jacksonville
- c) Florida Department of Environmental Protection (FDEP)

The Master Plan identifies peak discharge rates, water quality requirements, 100-year floodplain elevations, groundwater flows. More specifically, the plan includes:

- a) location and size of ponds and lakes required for stormwater management facilities;
- b) control elevations of ponds and lakes including required water quality treatment volumes;
- c) peak flow rates, flow volumes and stages for flood events determined within each basin and within major conveyance areas;
- d) compensating storage requirements to mitigate for encroachments into the 100-year floodplain in the basins which encroachments occur;
- e) wetland evaluations to show that hydroperiods and viability of wetlands are being maintained;
- f) groundwater impacts quantified as to the effects on flow rates and wetland impacts.

For each phase, final design of the proposed stormwater drainage system for the CDD will be reviewed and approved by SJRWMD and the City of Jacksonville prior to construction. The drainage system will maintain existing drainage patterns to the greatest extent possible. The stormwater retention ponds will be wet detention biological treatment facilities designed to provide for the treatment of stormwater according to Chapter 40E-4, Florida Administrative Code. As part of the overall Seaton Creek PUD, SJRWMD stormwater permit, mitigation is required for wetland impacts. The Master Plan provides for the mitigation.

The removal of surface drainage from the roadways will be accomplished by storm sewer systems, including curb and gutter, inlets and pipes along each side of the roadways that will collect and convey surface drainage to stormwater retention ponds located along the roadways. Protection of the road base material from undermining will be accomplished by underdrain systems as needed along each side of the roadways. The underdrain system will bleed off excess groundwater and discharge to the roadside storm sewer system.

The costs of the stormwater management facilities include: clearing, earthwork operations to ensure a continuously functioning stormwater system, drainage structures, and wetland mitigation planting maintenance. The stormwater management system is included in the process of site grading and development for the PUD. The ponds are part of an integrated stormwater management and wetland mitigation system. The Capital Improvement Plan does not include the transportation to, or any grading on, the private lots.

2.1.3 Entrances and Entrance Landscaping

The CDD intends to construct monumentation and entry landscaping, including entrance and street tree plantings along the interior streets of the CDD. The streets will not be gated.

2.1.4 Wetland (environmental) Compliance and Mitigation

The Developer will purchase offsite wetland mitigation credits for the any proposed wetland impacts.

2.1.5 Transportation Improvements

The CDD currently intends to finance certain transportation facilities necessary for development within the CDD boundaries. The infrastructure transportation improvements will be owned and maintained by the CDD upon completion of construction. These improvements have been designed and will be constructed to City of Jacksonville standards. Landscaping and irrigation of the completed roadways will be operated and maintained by the district.

The proposed improvements includes approximately 5,200 linear feet of two-lane minor collector section with appropriate turn lanes and approximately 26,730 linear-feet of two-lane local section.

The cost estimate for the roadways included for the CDD infrastructure improvements is based upon curb and gutter section roadways with variable pavement widths, within variable width rights- of-way. The clearing, grubbing and earthwork estimates include all work necessary for the complete right-of-way area. Disturbed areas within the rights-of-way, which are outside of the paved areas, will be sodded and/or seeded and grassed to provide erosion and sediment control in accordance with City of Jacksonville standards.

2.1.6 Water and Sewer

Water and sewer facilities are anticipated to be constructed onsite by the CDD and dedicated to JEA, a public utility company which will then provide service to the residents. The costs associated with the construction of the water distribution and wastewater collection infrastructure are included in the cost estimate in Table 2. This includes wastewater pumping stations and force mains. Water and sewer lines are currently available to the site along Gold Star Family Parkway and Pecan Park Road to provide service to the development. Any water or sewer pipes, lines or facilities placed on private property will not be publicly funded.

The points of connection for the project are outside the CDD boundary and the CDD intends to install the lines necessary to connect the project to the regional utilities. Offsite utilities will be limited to approximately 360-feet of 16-inch water main to a point of connection at the corner of Pecan Park Road and Gold Star Family Parkway. The offsite and onsite utility trunk lines are shown on Figure 3 below.

FIGURE 3 UTILITY TRUNK LINES

2.1.7 Street Lights

Interior Street Lighting construction and equipment will be provided by JEA. Street Light wiring, fixtures and all related equipment will be provided by, and will remain in the ownership and maintenance control of JEA. The CDD may finance the incremental cost of undergrounding the electric utilities.

2.1.7 Amenity

Amenities will be constructed in both Phase 1 and Phase 2; however, the amenities will be developer funded. We anticipate Phase 1 amenities will consist of a community center with a separate workout area and workout equipment. A pool with lounging areas and covered sitting areas. We anticipate two tennis courts and two pickle ball courts along with a bocce court. A playground and 80 parking spaces for residents.

We anticipate Phase 2 amenity will include an open-air pavilion, restrooms, pool, playground, parking and grassed fields for activities by the residents.

2.2. Ownership and Maintenance

All improvements funded by the CDD will be on land owned by, or on which a permanent easement is granted in favor of, the CDD or another governmental entity. The ownership and maintenance responsibilities for the infrastructure improvements within the CDD vary by the improvement as noted in the following table:

Improvement	Ownership	Maintenance Entity
Wetland (environmental) Compliance	CDD	CDD
Stormwater Management Facilities	CDD	CDD
Offsite Improvements	City	City
Water and Sewer Utilities	JEA	JEA
Internal Roads	City	City
Recreation and Open Space	CDD	CDD

- For the purposes of this report, a 10% contingency factor has been included on each Improvement Category for Phase 2, Phase 1 is based upon actual construction contracts.

3.2 PERMIT STATUS

Permits are sufficient for the progress of work for Phase 1. Permits for Phase 2 will be achieved in the normal course of development.

3.2.1 Federal Permits

Under a delegated program, the Florida Department of Environmental Protection issued a Federal 404 permit for the Phase 1 project. Permits are sufficient for the progress of work for Phase 1. Federal permits for Phase 2 will be achieved in the normal course of development

3.2.2 State Permits

Florida Department of Environmental Protection has issued multiple water and sewer permits for Phase 1. State permits for Phase 2 will be achieved in the normal course of development.

3.2.3 City of Jacksonville Permits

Site Construction permits have been issued by City of Jacksonville for Phase 1. City of Jacksonville Permits for Phase 2 will be achieved in the normal course of development.

3.2.4 JEA Utility Permits

Utility permits have been issued by JEA for Phase 1. JEA utility permits for Phase 2 will be achieved in the normal course of development.

3.3 CONSTRUCTION STATUS

Construction of Phase 1 is currently underway.

Phase 2 has not begun construction with estimated construction dates estimated to begin in 2024.

Section 4 ENGINEER’S CERTIFICATION

4.1 ENGINEER’S CERTIFICATION

In our opinion, the improvements cost estimates are fair and reasonable, and we have no reason to believe that the improvements described herein cannot be constructed and installed at such costs and in the construction time frames as described in this report. The estimated probable construction costs were determined from actual construction contracts with a ten percent (10%) contingency and compared to unit prices within North Florida. We expect that all improvements to be constructed can be completed on schedule. Permits necessary to complete the improvements will be acquired in the normal course of business. We, therefore, believe that the CDD will be well served by the infrastructure improvements discussed in this report. The improvements, if constructed to the designs described herein, will be sufficient to support the Development as described in Section 2 of this Engineering Report. The benefit to the assessable lands within the CDD as a result of the Capital Improvement Plan shall at least be equal to cost thereof. The CDD shall pay the lesser of the actual cost or the fair market value of the public improvements comprising the Capital Improvement Plan.

I hereby certify that the foregoing is a true and correct copy of the Capital Improvement Plan.

Section 1 INTRODUCTION

1.0 INTRODUCTION

The Seaton Creek Community Development District (“CDD”) was established by the City of Jacksonville by Ordinance number 2021-451-E, effective on August 30, 2021, pursuant to the provisions of Chapter 190, Florida Statutes. The CDD consists of approximately 345 acres and was established for the purpose of providing an efficient mechanism for financing, operating, and maintaining the public infrastructure associated with and necessary to support development within the CDD. A location map of the CDD is shown on Figure 1.

FIGURE 1 LOCATION MAP

The lands within the CDD are wholly within and consist of a portion of the Seaton Creek Reserve Planned Unit Development (P.U.D.) located within the City of Jacksonville, Florida and approved by the City of Jacksonville City Council on August 8, 2006 by the enactment of Ordinances No 2007-386-E and Modification MM-2020-13 dated November 19, 2020 (the “Development”). The Development

is anticipated to consist of 754-single family residential units developed in multiple phases, spanning approximately 10 years.

1.1 PURPOSE

This report supplements the District’s Engineer’s Report, dated November 7, 2022 as revised April 24, 2023 (“Master Report”) for the purpose of describing the second phase of the District’s CIP to be known as the “Assessment Area Two Project.

Section 2 ASSESSMENT AREA TWO PROJECT

The District’s Assessment Area Two Project includes the portion of the CIP that is necessary for the development of what is known as “Phases 4A, 4B, 5, 6, and 7” (“**Assessment Area Two**”) of the District. Assessment Area Two is shown on Figure 2 below. A legal description and sketch for Assessment Area Two are shown in **Exhibit A**.

2.1 PRODUCT MIX

The table below shows the product types that will be part of the Assessment Area Two Project:

<u>Product Types</u>	
Product Type	# of Units

2.2 LIST OF ASSESSMENT AREA TWO PROJECT IMPROVEMENTS

The various improvements that are part of the overall CIP – including those that are part of the Assessment Area Two Project – are described in detail in the Master Report, and those descriptions are incorporated herein. The Assessment Area Two Project includes, generally stated, the following items relating to Assessment Area Two: stormwater collection, stormwater management, utilities, collector and local roads roadways, hardscape, landscape, irrigation, on-site conservation, the differential cost of undergrounding electrical conduit, and soft costs. All capitalized terms not otherwise defined herein shall have the meanings ascribed to them in the Master Report.

2.3 PERMITS

The status of the applicable permits necessary for the Assessment Area Two Project is as shown below. All permits and approvals necessary for the development of the Assessment Area Two Project have been obtained.

2.4 Estimated Costs

The table below shows the costs that are necessary for delivery of the Assessment Area Two lots for the Assessment Area Two Project, which includes the roads, utilities, and other improvements specific to Assessment Area Two as well as “master” improvements that may be outside of those phases such as offsite roads and utilities, the amenity, etc..

TOTAL	\$26,991,800

- a. The probable costs estimated herein do not include anticipated carrying cost, interest reserves or other anticipated CDD expenditures that may be incurred.
- b. The developer reserves the right to finance any of the improvements outlined above, and have such improvements owned and maintained by a property owner's or homeowner's association, in which case such items would not be part of the CIP.
- c. The CDD may enter into an agreement with a third-party, or an applicable property owner's or homeowner's association, to maintain any CDD owned improvements, subject to the approval of the CDD's bond counsel.
- d. Impact fee credits may be available from master roadway and utility improvements. The developer and the CDD will enter into an acquisition agreement whereby the developer may elect to keep any such credits, provided that consideration is provided to the CDD in the form of improvements, land, a prepayment of debt assessments, or other consideration.

While the delivery of the Assessment Area Two Project will necessarily involve the installation of certain "master" improvements, the CDD's Assessment Area Two Project is a part of the entire CIP, which functions as a system of improvements that includes the entire CIP for the CDD. Accordingly, the Assessment Area Two Project lots only receive a pro-rated benefit from the overall CIP based on "ERU" factors as established under the CDD's assessment reports.

Section 3 CONCLUSION

The Assessment Area Two Project will be designed in accordance with current governmental regulations and requirements. The Assessment Area Two Project will serve its intended function so long as the construction is in substantial compliance with the design.

It is further our opinion that:

- the estimated cost to the Assessment Area Two Project as set forth herein is reasonable based on prices currently being experienced in the jurisdiction in which the CDD is located, and is not greater than the lesser of the actual cost of construction or the fair market value of such infrastructure;
- all of the improvements comprising the CIP are required by applicable development approvals issued pursuant to Section 380.06, Florida Statutes;
- the Assessment Area Two Project is feasible to construct, there are no technical reasons existing at this time that would prevent the implementation of the Assessment Area Two Project, and it is reasonable to assume that all necessary regulatory approvals will be obtained in due course; and
- the assessable property within Assessment Area Two within the CDD will receive a special benefit from the Assessment Area Two Project that is at least equal to the costs of the Assessment Area Two Project.

As described above, this report identifies the benefits from the Assessment Area Two Project to the lands within the CDD. The general public, property owners, and property outside Assessment Area Two and outside of the CDD will benefit from the provisions of the CDD's CIP; however, these are incidental to the District's Assessment Area Two Project, which is designed solely to provide special benefits peculiar to property within the Assessment Area Two within the CDD. Special and peculiar benefits accrue to

property within Assessment Area Two within the CDD and enable properties within those boundaries to be developed.

The Assessment Area Two Project is intended to be available and will reasonably be available for use by the general public (either by being part of a system of improvements that is available to the general public or is otherwise available to the general public) including nonresidents of the CDD. All of the Assessment Area Two Project is or will be located on lands owned or to be owned by the CDD or another governmental entity or on perpetual easements in favor of the CDD or other governmental entity. The Assessment Area Two Project, and any cost estimates set forth herein, do not include any earthwork, grading or other improvements on private lots or property.

Please note that the Assessment Area Two Project as presented herein is based on current plans and market conditions which are subject to change. Accordingly, the Assessment Area Two Project, as used herein, refers to sufficient public infrastructure of the kinds described herein (i.e., stormwater/floodplain management, sanitary sewer, potable water, etc.) to support the development and sale of the planned residential units in the CDD which (subject to true-up determinations) number and type of units may be changed with the development of the site. Stated differently, during development and implementation of the public infrastructure improvements as described for the CDD it may be necessary to make modifications and/or deviations for the plans, and the CDD expressly reserves the right to do so.

Section 4.0 ENGINEER'S CERTIFICATION

In our opinion, the improvements cost estimates are fair and reasonable, and we have no reason to believe that the improvements described herein cannot be constructed and installed at such costs. The estimated probable construction costs were determined from actual construction contracts with a ten percent (10%) contingency and compared to unit prices within North Florida. We expect that all improvements to be constructed can be completed on schedule. No Permits are necessary to complete the improvements. We, therefore, believe that the CDD will be well served by the infrastructure improvements discussed in this supplemental report. The improvements, if constructed to the designs described herein, will be sufficient to support the Development. The benefit to the assessable lands within the CDD as a result of the CIP shall at least be equal to cost thereof.

I hereby certify that the foregoing is a true and correct copy of the CIP for Assessment Area Two.

I. INTRODUCTION

This Master Assessment Methodology Report (the “Master Report”) details the basis of the benefit allocation and assessment methodology to support the financing plan to complete the public infrastructure required within the Seaton Creek Reserve Community Development District (the “District”). The private assessable lands (“Assessable Property”) benefitting from the public infrastructure is generally described within Exhibit A of this Master Report and further described within the Amended Master Engineer’s Report, dated November 7, 2022, revised March 24, 2023 (the “Engineer’s Report”).

The objective of this Master Report is to:

1. Identify the District’s capital improvement program (“CIP”) for the project to be financed, constructed and/or acquired by the District; and
2. Determine a fair and equitable method of spreading the associated costs to the benefiting Assessable Properties within the District pre- and post-development completion; and
3. Provide a basis for the placement of a lien on the Assessable Properties within the District benefiting from the CIP, as outlined by the Engineer’s Report.

The basis of benefit received by Assessable Properties relates directly to the proposed CIP. It is the District’s CIP that will create the public infrastructure that enables Assessable Properties within the District to be developed and improved under current allowable densities. The Engineers Report identified estimated costs to complete the CIP, inclusive of associated “soft cost” such as legal/engineering services with contingencies to account for commodity and service market fluctuations. This Master Report will further address additional financing cost associated with funding the CIP. Without the required improvements in the CIP, the development of the Assessable Properties could not be undertaken within the current development standards. The main objective of this Master Report is to establish a basis on which to quantify and allocate the special benefit provided by the CIP proportionally to the assessable property within the District. A detailed allocation methodology and finance plan will be utilized to equitably distribute CIP costs upon the Assessable Property within the District based upon the level of proportional benefit received.

This Master Report outlines the assignment of benefit, assessment methodology and financing structure for bonds to be issued by the District. As a result of the methodology application, the maximum long-term assessment associated with the current CIP is identified. The District will issue Special Assessment Bonds (the “Bonds”), in one or more series consisting of various amounts of principal debt and maturities to finance the construction and/or acquisition of all or a portion of the CIP. The Bonds will be repaid from and secured by non-ad valorem assessments levied on those Assessable Property benefiting from the CIP within the District.

It is anticipated that we as the methodology consultant for the District will prepare individual supplemental reports applying the allocation methodology contained herein for the imposition and collection of long-term special assessments for repayment of a specific series of Bonds. The methodology consultant may distribute supplemental reports in connection with updates and/or revisions to the finance plan. Such supplemental reports will be created to stipulate amended terms,

interest rates, developer contributions if any, issuance costs and will detail the resulting changes in the level of funding allocated to the various trust accounts and subaccounts.

In summary, this Master Report will determine the benefit, apportionment and financing structure for the Bonds to be issued by the District in accordance with Chapters 170, 190 and 197, Florida Statutes, as amended, to establish a basis for the levying and collecting of special assessments based on the benefits received and is consistent with our understanding and experience with case law on this subject.

III. DISTRICT OVERVIEW

The District area encompasses 345 +/- acres and is generally located north of the intersection of Arnold Road and Pecan Road, west of I-95, and south and east of the Seaton Creek Reserve Historic Preserve within the City of Jacksonville, Florida. The primary developer of the Assessable Property is Lennar Homes, LLC (the “Developer”), who created the overall development plan as outlined and supported by the Engineer’s Report. The development plan for the District contemplates two phases consisting of 754 single family lots within 319 Assessable Gross Acres described in Exhibit B to this Report. The CIP as described in the Engineer’s Report includes, but is not limited to, certain offsite utility and transportation improvements, stormwater management facilities, utility infrastructure, recreation facilities, entry features, and landscaping.

IV. CAPITAL IMPROVEMENT PROGRAM

The District and Developers are undertaking the responsibility of providing the public infrastructure necessary to develop the District’s CIP. As designed, the CIP is an integrated system of facilities. Each infrastructure facility works as a system to provide special benefit to District lands, i.e.: all benefiting landowners of the Assessable Property within the District benefit the same from the first few feet of infrastructure as they do from the last few feet. The CIP costs within Table I of this Master Report reflect cost as further detailed within the Engineer’s Report, these costs are exclusive of any financing related costs.

V. DETERMINATION OF SPECIAL ASSESSMENT

There are three main requirements for valid special assessments. The first requirement demands that the improvements to benefited properties, for which special assessments are levied, be implemented for an approved and assessable purpose (F.S. 170.01). As a second requirement, special assessments can only be levied on those properties specially benefiting from the improvements (F.S. 170.01). Thirdly, the special assessments allocated to each benefited property cannot exceed the proportional benefit to each parcel (F.S. 170.02).

The District’s CIP contains a “system of improvements” including the funding, construction and/or acquisition of offsite utility and transportation improvements, stormwater management facilities, utility infrastructure, recreation facilities, entry features, and landscaping; all of which are considered to be for an approved and assessable purpose (F.S. 170.01) which satisfies the first requirement for a valid special assessment, as described above. Additionally, the improvements will result in all Assessable Property within the District receiving a direct and specific benefit, thereby making those properties legally subject to assessments (F.S. 170.01), which satisfies the second requirement, above. Finally,

the specific benefit to the Assessable Property is equal to or exceeds the cost of the assessments levied on the Assessable Property (F.S. 170.02), which satisfies the third requirement, above.

The first requirement for determining the validity of a special assessment is plainly demonstrable; eligible improvements are found within the list provided in F.S. 170.01. However, the second and third requirements for a valid special assessment require a more analytical examination. As required by F.S. 170.02 and described in the succeeding section entitled “Allocation Methodology,” this approach involves identifying and assigning value to specific benefits being conferred upon the various Assessable Property, while confirming the value of these benefits exceed the cost of providing the improvements. These special benefits include, but are not limited to, the added use of the property, added enjoyment of the property, probability of decreased insurance premiums and the probability of increased marketability and value of the property.

The determination has been made that the duty to pay the non-ad valorem special assessments is valid based on the special benefits imparted upon the various Assessable Property. These benefits are derived from the acquisition and/or construction of the District’s CIP. The allocation of responsibility for payment of the Bonds has been apportioned according to reasonable estimates of the special benefits provided consistent with each land use category. Accordingly, no acre or parcel of Assessable Property within the District will be assessed for the payment of any non-ad valorem special assessment greater than the determined special benefit particular to that parcel within the District.

Property within the District that currently is not, or upon future development, will not be subject to the special assessments include publicly owned (State/County/City/CDD) tax-exempt parcels such as: lift stations, road rights-of-way, waterway management systems, and common areas. To the extent it is later determined that a property no longer qualifies for an exemption, assessments will be apportioned and levied based on an EAU factor proportionate to acreage density as demonstrated in other use EAU assignment.

VI. ALLOCATION METHODOLOGY

The CIP benefits all assessable properties within the District proportionally. The level of relative benefit can be compared through the use of defining “equivalent” units of measurement by product type to compare dissimilar development product types. This is accomplished through determining an estimate of the relationship between the product types, based on a relative benefit received by each product type from the CIP. The use of Equivalent Assessment Unit (EAU) methodologies is well established as a fair and reasonable proxy for estimating the benefit received by private benefiting properties. One (1) EAU has been assigned to all residential use product types under the current Development Plan. If future assessable property is added or product types are contemplated, this Report will be amended to reflect such change.

The method of benefit allocation is based on the special benefit received from infrastructure improvements relative to the benefiting Assessable Property. According to F.S. 170.02, the methodology by which special assessments are allocated to specifically benefited property must be determined and adopted by the governing body of the District. This alone gives the District latitude in determining how special assessments will be allocated to specific Assessable Property. The CIP

benefit and special assessment allocation rationale is detailed herein and provides a mechanism by which these costs, based on a determination of the estimated level of benefit conferred by the CIP, are apportioned to the Assessable Property within the District for levy and collection. The allocation of benefits and Maximum Assessments associated with the CIP are demonstrated on Table 3 through Table 6. The Developer may choose to pay down or contribute infrastructure on a portion or all of the long-term assessments as evaluated on a per parcel basis, thereby decreasing the annual debt service assessment associated with any series of Bonds.

VII. ASSIGNMENT OF MAXIMUM ASSESSMENTS

This section sets out the manner in which special assessments will be assigned and establish a lien on land within the District. With regard to the Assessable Property liens will be assessed on a gross acreage basis until such time as the developable acreage is platted. The platted parcels will then be reviewed as to use and product types. Pursuant to Section 193.0235, Florida Statutes, certain privately or publicly owned “common elements” such as clubhouses, amenities, lakes and common areas for community use and benefit are exempt from non-ad valorem assessments and liens regardless of the private ownership.

It is useful to consider three distinct states or conditions of development within a community. The initial condition is the “undeveloped state”. At this point the infrastructure may or may not be installed but none of the units in the Development Plan have been platted. This condition exists when the infrastructure program is financed prior to any development. In the undeveloped state all of the lands within the District receive benefit from the CIP and all of such land within the District would be assessed to repay any bonds. While the land is in an “undeveloped state,” special assessments will be assigned on an equal acre basis across all of the gross acreage within the District. Debt will not be solely assigned to parcels which have development rights, but will be assigned to undevelopable parcels to ensure integrity of development plans, rights and entitlements.

The second condition is “on-going development”. At this point, if not already in place, the installation of infrastructure has begun. Additionally, the Development Plan has started to take shape. As lands subject to special assessments are platted and fully-developed, they are assigned specific assessments in relation to the estimated benefit that each platted unit receives from the CIP, with the balance of the debt assigned on a per acre basis as described in the preceding paragraph. Therefore, each fully-developed, platted unit would be assigned a Maximum Assessment pursuant to its Product Type classification as set forth in Table 6. It is not contemplated that any unassigned debt would remain once all of the lots associated with the improvements are platted and fully-developed; if such a condition was to occur; the true-up provisions within this Report would be applicable.

The third condition is the “completed development state.” In this condition the entire Development Plan for the District has been platted and the total par value of the Bonds has been assigned as specific assessments to each of the platted lots within the District.

VIII. FINANCING INFORMATION

The District intends to finance only a portion of the CIP through the issuance of the Bonds; however this report assumes the financing of 100% of the improvements to identify the full benefit and potential. As the Bonds will be issued in one or more series, the Bonds will be sized at an amount rounded to the nearest \$5,000 and will include items such as debt service reserves, capitalized interest, underwriter's discount, issuance costs and rounding.

For purposes of the Master Report, conservative allowances have been made for a debt service reserve, underwriter's discount, capitalized interest, issuance costs, rounding and collection cost as shown on Table 3. The methodology consultant will issue supplemental report(s) which outline the provisions specific to each bond issue with the application of the assessment methodology contained herein. The supplemental report(s) will detail the negotiated terms, interest rates and costs associated with each series of Bonds representing the market rate at that point in time. The supplemental reports will outline any Developer contributions towards the completion of the CIP applied to prepay any assessments on any one or collective Assessable Properties within the District. The supplemental report(s) will also detail the level of funding allocated to the construction/acquisition account, the debt service reserve account, underwriter's discount, issuance and collection costs. Additionally, the supplemental report(s) will apply the principles set forth in the Master Report to determine the specific assessments required to repay the Bonds.

IX. TRUE-UP MODIFICATION

During the construction period of development, it is possible that the number of residential units built may change, thereby necessitating a modification to the per unit allocation of special assessment principal. In order to ensure the District's debt does not build up on the unplatted developable land, the District shall apply the following test as outlined within this "true-up methodology."

The debt per acre remaining on the unplatted land within the District may not increase above its ceiling debt per acre. The ceiling level of debt per acre is calculated as the total amount of debt for each Bond issue divided by the number of gross acres for such phase. Thus, every time the test is applied, the debt encumbering the remaining undivided land must remain equal to or lower than the ceiling level of debt per gross acre. If the debt per gross acre is found to be above the established maximum, the District would require a density reduction payment in an amount sufficient to reduce the remaining debt per acre to the ceiling amount based on the schedule found in Exhibit A, the Preliminary Assessment Roll, which amount will include accrued interest to the first interest payment date on the Bonds which occurs at least 45 days following such debt reduction payment.

True-up tests shall be performed upon the recording of each plat submitted to subdivide developed lands within the District. If upon the completion of any true-up analyses it is found the debt per acre exceeds the established maximum ceiling debt per gross acre, or there is not sufficient development potential in the remaining acreage of the District to produce the EAU densities required to adequately service Bond debt, the District shall require the immediate remittance of a density reduction payment, plus accrued interest as applicable, in an amount sufficient to reduce the remaining debt

per assessable acre to the ceiling amount per acre and to allow the remaining acreage to adequately service Bond debt upon development. The final test shall be applied at the platting of 100% of the development units within the District.

True-up payment requirements may be suspended if the landowner can demonstrate, to the reasonable satisfaction of the District, that there is sufficient development potential in the remaining acreage within the District to produce the densities required to adequately service Bond debt. The Developer, primary landowner, and the District will enter into a true-up agreement to evidence the obligations described in this section.

All assessments levied run with the land and it is the responsibility of the District to enforce the true-up provisions and collect any required true-up payments due. The District will not release any liens on property for which true-up payments are due, until provision for such payment has been satisfactorily made.

1.0 Introduction

1.1 Purpose

This Preliminary Supplemental Assessment Methodology Report (“Assessment Report”) provides a methodology for allocating the debt securing the Series 2026 Bonds (as such term is defined herein) (the “Series 2026 Debt”) to be incurred by the Seaton Creek Reserve Community Development District (“District”) to properties in the District in order to fund a portion of the District’s proposed Capital Improvement Plan (“Series 2026 Project”). The Series 2026 Project is described in detail in the *Supplemental Engineer’s Report Assessment Area Two* prepared by Dominion Engineering Group, Inc. dated May 14, 2026 (the “Engineer’s Report”).

The Series 2026 Debt will partially fund the Series 2026 Project that will allow the development of the property within Assessment Area Two within the District. The methodology allocates the Series 2026 Debt to properties based upon the special benefits each receives from the Series 2026 Project. In this case the property located within the District includes approximately 345 acres located in Duval County (the “County”), Florida. This Assessment Report is designed to conform to the requirements of Chapters 190 and 170, Florida Statutes, with respect to special assessments and is consistent with our understanding of the case law on this subject.

1.2 Scope of the Report

This Assessment Report supplements the *Seaton Creek Reserve Community Development District Master Assessment Methodology Report* dated April 25, 2023 (the “Master Report”) and provides for an assessment methodology for allocating the Series 2026 Debt to benefiting properties within Assessment Area Two of the District. This Assessment Report allocates the Series 2026 Debt to Assessment Area Two properties based on the special benefits each receives from the District’s capital improvement plan. This Assessment Report presents the projections for financing the District’s Series 2026 Project (the “Series 2026 Project”).

1.3 Special Benefits and General Benefits

The Series 2026 Project undertaken by the District creates special and peculiar benefits to property within the District, different and special in kind and degree than general benefits to the public at large.

However, as discussed within this Assessment Report, the general benefits are incidental in nature and are readily distinguishable from the special and peculiar

benefits, which accrue to property within Assessment Area Two within the District. The Series 2026 Project enables properties within Assessment Area Two within the District's boundaries to be developed. Without the Series 2026 Project, there would be no infrastructure to support development of the land within the District. Without these improvements, state and local law would prohibit development of property within the District.

There is no doubt that the general public, including property owners and property outside of Assessment Area Two and outside of the District, will benefit from the provision of the Series 2026 Project. However, these are incidental to the Series 2026 Project, which is designed solely to provide special benefits peculiar to property within the District. Properties outside of Assessment Area Two and outside of the District do not depend upon the Series 2026 Project to obtain, or to maintain their development entitlements. This fact alone clearly distinguishes the special benefits which District properties within Assessment Area Two receive compared to those lying outside of Assessment Area Two and outside of the District's boundaries. Even though the exact value of the benefits provided by the Series 2026 Project is difficult to estimate at this point, it is nevertheless greater than the costs associated with providing same.

1.4 Organization of this Report

Section Two describes the development program as proposed by Lennar Homes, LLC ("the Developer").

Section Three provides a summary of the Series 2026 Project as determined by the District Engineer.

Section Four discusses the financing program for the District.

Section Five introduces the Assessment Methodology.

2.0 District Development Program

2.1 Overview

The Seaton Creek Reserve development is designed as a planned residential community, located within Duval County, Florida. The proposed land uses within the District is consistent with the County and State Land Use and Comprehensive Plans.

2.2 The Development Program

The Development will consist of approximately 354 acres with 753 single-family residential homes. Assessment Area One (Series 2023 Bonds) is complete and consists of 279 single-family homes. Assessment Area Two (Series 2026 Bonds) will consist of 285 single-family homes. Assessment Area Three will consist of 189 single-family homes (Future Bond issue).

3.0 The District's Capital Improvement Plan

3.1 Engineer's Report

The Series 2026 Project and the estimated cost to be funded by the District is determined by the District Engineer in the Engineer's Report. The Series 2026 Project includes only improvements that may qualify for bond financing by the District under Chapter 190, Florida Statutes.

3.2 Capital Improvement Plan for the Series 2026 Project

The Series 2026 Project consists of the following: roadway improvements, earthwork and stormwater management facilities, landscape, recreation and amenity improvements, potable water and sanitary sewer utilities, and differential cost of electrical undergrounding, as well as engineering and permitting costs. The Series 2026 Project will represent a system of improvements that irrespective of certain exceptions described further in Section 5.1 of this Assessment Report, will provide benefits to all of the assessable lands within the District.

At the time of this writing, the total costs of the Series 2026 Project according to the Engineer's Report, were projected at \$26,991,800.

4.0 Financing Program for Seaton Creek Reserve

4.1 Overview

As noted above, the District is embarking on the Series 2026 Project, which will facilitate the development of lands within the District. Construction of the Series 2026 Project may be funded by the Developer and acquired by the District under an agreement between the District and the Developer, or may be funded directly by the District.

The District will finance a portion of the Series 2026 Project with Series 2026 Bonds. The financing plan for the District consists of the issuance of Special

Assessment Bonds in the principal amount of \$6,820,000* (the “Series 2026 Bonds”) to fund a portion of the Series 2026 Project, as shown in Table 3.

4.2 Types of Special Assessment Bonds Proposed

In order to finance a portion of the CIP, representing the Series 2026 Project, the District will incur indebtedness in the total amount of \$6,820,000.*

The difference between the amount of the Series 2026 Debt and the amount that the District will have available to pay for the Series 2026 Project is comprised of costs of issuance, including the underwriter’s discount and professional fees associated with debt issuance, capitalized interest costs as the District will be borrowing funds with which it will pay the early interest payments, and funding a debt service reserve.

Sources and uses of funding are presented in Table 3 in the Appendix.

5.0 Assessment Methodology

5.1 Overview

The Series 2026 Bonds will provide the District with funds to acquire and / or construct a portion of the CIP representing the Series 2026 Project outlined in *Section 3.2* and the Engineer’s Report. These improvements lead to special and general benefits, with special benefits accruing specifically to the properties within the boundaries of Assessment Area Two within the District and general benefits generally accruing to areas outside of Assessment Area Two and outside of the District and being only incidental in nature. The debt incurred in financing a portion of the Series 2026 Project will be paid off by assessing properties within Assessment Area Two that derive special and peculiar benefits from the proposed public infrastructure set forth in the Series 2026 Project. All properties that receive special benefits from the District’s Series 2026 Project will be assessed.

5.2 Assigning Debt

The current development plan for the District projects approximately 753 single-family residential homes; however, the planned unit numbers and land use types may change.

The CIP to serve the development consists of roadway improvements, earthwork and stormwater management facilities, landscape, recreation and amenity improvements, potable water and sanitary sewer utilities, and differential cost of

* Preliminary, subject to change.

electrical undergrounding, as well as engineering and permitting costs, and an overall infrastructure provision for contingencies. All residential development within Assessment Area Two within the District will benefit from all the Series 2026 Project categories, as the improvements provide basic infrastructure to all residential lands within Assessment Area Two within the District and benefit all residential lands within the District as an integrated system of improvements. Benefited units will be treated equally for each single-family residential.

As the provision of the Series 2026 Project by the District will make the lands in the District developable, the land will become more valuable to property owners. The increase in the value of the land provides the logical benefit of improvements that accrues to the developable parcels within the District.

Except for the platting which has already occurred, the assessments will be levied on the unplatted gross acres within Assessment Area Two within the District on an equal acreage basis, because at that juncture, every unplatted acre benefits equally from the Series 2026 Project.

The debt incurred by the District to fund the Series 2026 Project is allocated to the properties receiving special benefits on the basis of development intensity and density. The responsibility for the repayment of the District's Series 2026 Bonds through assessments will ultimately be distributed in proportion to the special benefit peculiar to the assessable land within Assessment Area Two within the District. For the purpose of determining the special benefit accruing to the lands within Assessment Area Two within the District, the Series 2026 Project estimated costs have been allocated to each acre on an equal basis.

5.3 Lienability Test: Special and Peculiar Benefit to the Property

As first discussed in Section 1.3, Special Benefits and General Benefits, the Series 2026 Project creates special and peculiar benefits to the assessable properties within Assessment Area Two within the District. The Series 2026 Project benefits properties within Assessment Area Two within the District and such benefits accrue to all assessable properties therein.

The Series 2026 Project can be shown to be creating special and peculiar benefits to the property. The special and peculiar benefits resulting from the Series 2026 Project undertaken by the District include, but are not limited to:

- a. Roadway Improvements result in special and peculiar benefits such as the added use of the property for development, added enjoyment of the property, avoidance of stormwater management issues and increased marketability of the property.

- b. Utility Improvements result in special and peculiar benefits such as the added use of the property, and likely increased marketability and value of the property.
- c. Amenities, Entry Features and Landscaping result in special and peculiar benefits such as the added use of the property, and likely increased marketability and value of the property.
- d. Storm Water systems result in special and peculiar benefits such as the added use of the property, decreased insurance premiums, added enjoyment of the property, and likely increased marketability of the property.
- e. A contingency is necessary in the current economic environment with the likelihood of increased costs for materials and labor over the life of the construction of the project.

These special and peculiar benefits are real and ascertainable, but not yet capable of being calculated and assessed in terms of numerical value, however, each is more valuable than either the cost of, or the actual assessment levied for, the Series 2026 Project or debt allocated to the benefitting land.

5.4 Lienability Test: Reasonable and Fair Apportionment of the Duty to Pay

A reasonable estimate of the proportion of special and peculiar benefits received from the Series 2026 Project is delineated in Table 4 (expressed as Allocation of Total Par Debt).

The determination has been made that the duty to pay the non-ad valorem special assessments is fairly and reasonably apportioned because the special and peculiar benefits to the property derived from the acquisition and / or construction of the Series 2026 Project (and the concomitant responsibility for the payment of the resultant and allocated debt) have been apportioned to the property according to reasonable estimates of the special and peculiar benefits provided consistent with the land use.

Accordingly, no acre or parcel of property within the boundaries of Assessment Area Two within the District will be liened for the payment of any non-ad valorem special assessment more than the determined special benefit peculiar to that property. Further, the debt allocation will not be affected.

In accordance with the benefit allocation in Table 4, a Total Par Debt per Unit has been calculated for each single-family unit. This amount represents the per unit debt allocation assuming all anticipated units are built and sold in the planned development and the entire proposed Series 2026 Project is developed or acquired and financed by the District.

5.5 True-Up Mechanism

In order to ensure that the District's debt will not build up on the unsold acres, and to ensure that the requirements that the non-ad valorem special assessments be lienable on the property in accordance with the Master Methodology and applicable Florida law will continue to be met, the District shall determine the following:

To ensure that there will always be sufficient development potential remaining in the undivided property to assure payment of debt service of the Series 2026 Bonds after a plat or site plan approval, the following test will be applied. The test is that the debt per acre remaining on the unplatted land is never allowed to increase above its maximum debt per acre level. Initially, the maximum level of debt per acre is calculated as the total amount of debt for the District's improvement program represented by the Series 2026 Project divided by the number of gross acres within Assessment Area Two within in the District being approximately 125 acres. At the time of this report, 37 lots have platted with 113 remaining unplatted acres. The remaining bond debt associated with the unplatted acres is \$5,934,596. \$5,934,596 divided by 131.04 remaining acres equals \$52,518.55* per acre. Once an additional site plan for the development is completed the acreage will be reduced by the number of platted units and the calculation of debt per acre will be adjusted accordingly. Every time an additional plat or site plan approval is presented, the debt on the unplatted land remaining after the plat or site plan approval must remain at or below \$45,288.43 per acre. If not, then in order for the Developer to receive a plat or site plan approval from Duval County, the Developer agrees that the District will require a density reduction payment which shall include interest to the quarterly redemption date that occurs at least 45 days after such payment, so that the \$52,518.55 per acre debt level is not exceeded.

5.6 Additional Stipulations

7. **Termination of Disclosure Agreement.** This Disclosure Agreement shall terminate with respect to the Bonds upon the defeasance, prior redemption or payment in full of all of the Bonds.

8. **Prior Undertakings.** The Developer and the Land Bank hereby represent and warrant that to their knowledge they have provided on a timely basis all reporting information requested by the applicable dissemination agent with respect to prior continuing disclosure agreements entered into pursuant to the Rule. The Developer has been made aware of instances where the information required to be provided to the dissemination agents was not timely requested, not filed with the appropriate repository or, if filed, not filed on a timely basis. The Developer has instituted internal processes to provide information hereunder to the Dissemination Agent on a timely basis.

9. **Dissemination Agent.** Upon termination of the Dissemination Agent's services as Dissemination Agent, whether by notice of the Issuer or the Dissemination Agent, the Issuer agrees to appoint a successor Dissemination Agent or, alternatively, agrees to assume all responsibilities of Dissemination Agent under this Disclosure Agreement for the benefit of the Holders of the Bonds. 10. **Amendment; Waiver.** Notwithstanding any other provision of this Disclosure Agreement, the Issuer, the Land Bank, the Developer and the Dissemination Agent may amend this Disclosure Agreement, and any provision of this Disclosure Agreement may be waived, if such amendment or waiver is supported by an opinion of counsel expert in federal securities laws, acceptable to the Issuer, to the effect that such amendment or waiver would not, in and of itself, cause the undertakings herein to violate the Rule if such amendment or waiver had been effective on the date hereof but taking into account any subsequent change in or official interpretation of the Rule.

In the event of any amendment or waiver of a provision of this Disclosure Agreement, the Issuer shall describe such amendment and/or waiver in the next Annual Report and shall include, as applicable, a narrative explanation of the reason for the amendment or waiver and its impact on the type (or, in the case of a change in accounting principles, or the presentation) of financial information or operating data being presented by the Issuer. In addition, if the amendment relates to the accounting principles to be followed in preparing financial statements: (i) notice of such change shall be given in the same manner as for a Listed Event under Section 6(b); and (ii) the Annual Report for the year in which the change is made should present a comparison (in narrative form and also, if feasible, in quantitative form) between the financial statements as prepared on the basis of the new accounting principles and those prepared on the basis of the former accounting principles.

Notwithstanding the above provisions of this Section 10, no amendment to the provisions of Section 5(b) hereof may be made without the consent of each Obligated Person, if any.

If the Issuer chooses to include any information in any Annual Report or notice of occurrence of a Listed Event in addition to that which is specifically required by this Disclosure Agreement, the Issuer shall have no obligation under this Disclosure Agreement to update such information or include it in any future Annual Report or notice of occurrence of a Listed Event.

A default under this Disclosure Agreement by any Obligated Person, the Disclosure Representative or Dissemination Agent shall not be deemed a default by the Issuer hereunder and no default hereunder shall be deemed an Event of Default under the Indenture, and the sole remedy under this Disclosure Agreement in the event of any failure of the Issuer, the Disclosure Representative, any Obligated Person, or a Dissemination Agent, to comply with this Disclosure Agreement shall be an action to compel performance.

13. **Duties of Dissemination Agent.** The Dissemination Agent shall have only such duties as are specifically set forth in this Disclosure Agreement among the District, the Developer, the Land Bank and such Dissemination Agent. The Dissemination Agent shall have no obligation to notify any other party hereto of an event that may constitute a Listed Event. The Dissemination Agent's duties do not include authorship or production of any materials, and the Dissemination Agent shall have no responsibility hereunder for the content of the information provided to it by the District, any Obligated Person or the Disclosure Representative as thereafter disseminated by the Dissemination Agent. Any filings under this Disclosure Agreement made to the MSRB through EMMA shall be in an EMMA compliant format and shall include the applicable CUSIP number(s) for the Bonds set forth in Exhibit A hereto, to which any such filing relates.

14. **Beneficiaries.** This Disclosure Agreement shall inure solely to the benefit of the Issuer, the Developer, the Land Bank, the Dissemination Agent, the Trustee, the Participating Underwriter and the Owners of the Bonds (the Participating Underwriter and Owners of the Bonds being hereby deemed express third party beneficiaries of this Disclosure Agreement), and shall create no rights in any other person or entity.

16. **Governing Law.** The laws of the State of Florida and Federal law shall govern this Disclosure Agreement and venue shall be any state or federal court having jurisdiction in St. Johns County, Florida.

17. **Counterparts.** This Disclosure Agreement may be executed in several counterparts and by PDF signature and all of which shall constitute but one and the same instrument.

18. **Trustee Cooperation.** The Issuer represents that the Dissemination Agent is a bona fide agent of the Issuer and the Issuer instructs the Trustee to deliver to the Dissemination Agent at the expense of the Issuer, any information or reports in the possession of or readily available to the Trustee which the Dissemination Agent requests in writing.

19. **Binding Effect.** This Disclosure Agreement shall be binding upon each party to this Disclosure Agreement and upon each successor and assignee of each party to this Disclosure Agreement and shall inure to the benefit of, and be enforceable by, each party to this Disclosure Agreement and each successor and assignee of each party to this Disclosure Agreement. Notwithstanding the foregoing, as to any entity comprising the Developer, the Land Bank or any assignee or successor thereto that becomes an Obligated Person pursuant to the terms of this Disclosure Agreement, only successor or assignees to such parties who are, by definition, Obligated Persons, shall be bound or benefited by this Disclosure Agreement.

INDEPENDENT AUDITOR'S REPORT

To the Board of Supervisors
Seaton Creek Reserve Community Development District
City of Jacksonville, Florida

Report on the Audit of the Financial Statements

Opinions

We have audited the accompanying financial statements of the governmental activities and each major fund of Seaton Creek Reserve Community Development District, City of Jacksonville, Florida ("District") as of and for the fiscal year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the District's basic financial statements as listed in the table of contents.

In our opinion, the financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and each major fund of the District, as of September 30, 2025, and the respective changes in financial position thereof for the fiscal year then ended in accordance with accounting principles generally accepted in the United States of America.

Basis for Opinions

We conducted our audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*, issued by the Comptroller General of the United States. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of the District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinions.

Responsibilities of Management for the Financial Statements

The District's management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America; and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinions. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial statements.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the District's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control–related matters that we identified during the audit.

Required Supplementary Information

Accounting principles generally accepted in the United States of America require that the management's discussion and analysis and budgetary comparison information be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Governmental Accounting Standards Board, who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context. We have applied certain limited procedures to the required supplementary information in accordance with auditing standards generally accepted in the United States of America, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's responses to our inquiries, the basic financial statements, and other knowledge we obtained during our audit of the basic financial statements. We do not express an opinion or provide any assurance on the information because the limited procedures do not provide us with sufficient evidence to express an opinion or provide any assurance.

Other Information Included in the Financial Report

Management is responsible for the other information included in the financial report. The other information comprises the information for compliance with FL Statute 218.39 (3) (c) but does not include the financial statements and our auditor's report thereon. Our opinions on the financial statements do not cover the other information, and we do not express an opinion or any form of assurance thereon. In connection with our audit of the financial statements, our responsibility is to read the other information and consider whether a material inconsistency exists between the other information and the financial statements, or the other information otherwise appears to be materially misstated. If, based on the work performed, we conclude that an uncorrected material misstatement of the other information exists, we are required to describe it in our report.

Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, we have also issued our report dated April 1, 2026, on our consideration of the District's internal control over financial reporting and on our tests of its compliance with certain provisions of laws, regulations, contracts, grant agreements and other matters. MANAGEMENT'S DISCUSSION AND ANALYSIS

Our discussion and analysis of Seaton Creek Reserve Community Development District, City of Jacksonville, Florida ("District") provides a narrative overview of the District's financial activities for the fiscal year ended September 30, 2025. Please read it in conjunction with the District's Independent Auditor's Report, basic financial statements, accompanying notes and supplementary information to the basic financial statements.

FINANCIAL HIGHLIGHTS

- The assets of the District exceeded its liabilities at the close of the most recent fiscal year resulting in a net position balance of \$904,952.
- The change in the District's total net position in comparison with the prior fiscal year was \$556,475, an increase. The key components of the District's net position and change in net position are reflected in the table in the government-wide financial analysis section.
- At September 30, 2025, the District's governmental funds reported combined ending fund balances of \$7,626,857, an increase of \$451,744 in comparison with the prior fiscal year. A portion of the fund balance is restricted for debt service and capital projects, nonspendable for prepaid items and the remainder is unassigned which is available for spending at the District's discretion.

OVERVIEW OF FINANCIAL STATEMENTS

This discussion and analysis are intended to serve as the introduction to the District's basic financial statements. The District's basic financial statements are comprised of three components: 1) government-wide financial statements, 2) fund financial statements, and 3) notes to the financial statements. This report also contains other supplementary information in addition to the basic financial statements themselves.

Government-Wide Financial Statements

The government-wide financial statements are designed to provide readers with a broad overview of the District's finances, in a manner similar to a private-sector business.

The statement of net position presents information on all the District's assets, deferred outflows of resources, liabilities, and deferred inflows of resources with the residual amount being reported as net position. Over time, increases or decreases in net position may serve as a useful indicator of whether the financial position of the District is improving or deteriorating.

The statement of activities presents information showing how the government's net position changed during the most recent fiscal year. All changes in net position are reported as soon as the underlying event giving rise to the change occurs, regardless of the timing of related cash flows. Thus, revenues and expenses are reported in this statement for some items that will only result in cash flows in future fiscal periods.

The government-wide financial statements include all governmental activities that are principally supported by assessments. The District does not have any business-type activities. The governmental activities of the District include general government (management), maintenance and recreation functions.

Fund Financial Statements

A fund is a grouping of related accounts that is used to maintain control over resources that have been segregated for specific activities or objectives. The District, like other states and local governments, uses fund accounting to ensure and demonstrate compliance with finance-related legal requirements. The District has one fund category: governmental funds.

OVERVIEW OF FINANCIAL STATEMENTS (Continued)

Governmental Funds

Governmental funds are used to account for essentially the same functions reported as governmental activities in the government-wide financial statements. However, unlike the government-wide financial statements, governmental fund financial statements focus on near-term inflows and outflows of spendable resources, as well as on balances of spendable resources available at the end of the fiscal year. Such information may be useful in evaluating a District's near-term financing requirements.

Because the focus of governmental funds is narrower than that of the government-wide financial statements, it is useful to compare the information presented for governmental funds with similar information presented for governmental activities in the government-wide financial statements. By doing so, readers may better understand the long-term impact of the District's near-term financing decisions. Both the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances provide a reconciliation to facilitate this comparison between governmental funds and governmental activities.

The District maintains three governmental funds for external reporting. Information is presented separately in the governmental fund balance sheet and the governmental fund statement of revenues, expenditures, and changes in fund balances for the general fund, debt service fund and capital projects fund, all of which are considered major funds.

The District adopts an annual appropriated budget for its general fund. A budgetary comparison schedule has been provided for the general fund to demonstrate compliance with the budget.

Notes to the Financial Statements

The notes provide additional information that is essential to a full understanding of the data provided in the government-wide and fund financial statements.

GOVERNMENT-WIDE FINANCIAL ANALYSIS

As noted earlier, net position may serve over time as a useful indicator of an entity's financial position. In the case of the District, assets exceeded liabilities at the close of the most recent fiscal year.

Key components of the District's net position are reflected in the following table:

NET POSITION SEPTEMBER 30,		
	2025	2024
Assets, excluding capital assets	\$ 7,639,003	\$ 7,214,514
Capital assets, net of depreciation	124,830	-
Total assets	7,763,833	7,214,514
Current liabilities	115,702	144,374
Long-term liabilities	6,743,179	6,721,663
Total liabilities	6,858,881	6,866,037
Net Position		
Net investment in capital assets	272,899	(107,050)
Restricted	219,352	196,185
Unrestricted	412,701	259,342
Total net position	\$ 904,952	\$ 348,477

The District's net position reflects its investment in capital assets (e.g. land, land improvements, and infrastructure) less any related debt used to acquire those assets that is still outstanding. These assets are used to provide services to residents; consequently, these assets are not available for future spending. Although the District's investment in capital assets is reported net of related debt, it should be noted that the resources needed to repay this debt must be provided from other sources, since the capital assets themselves cannot be used to liquidate these liabilities.

GOVERNMENT-WIDE FINANCIAL ANALYSIS (Continued)

The restricted portion of the District's net position represents resources that are subject to external restrictions on how they may be used. The remaining balance of unrestricted net position may be used to meet the District's other obligations.

The District's net position increased during the most recent fiscal year. The majority of the increase represents the extent to which program revenues exceeded the cost of operations.

Key elements of the change in net position are reflected in the following table:

CHANGES IN NET POSITION FOR THE FISCAL YEAR ENDED SEPTEMBER 30,			
	2025	2024	
Revenues:			
Program revenues			
Charges for services	\$ 894,743	\$ 865,303	
Operating grants and contributions	15,140	16,583	
Capital grants and contributions	271,797	342,665	
General revenues	-	7,896	
Total revenues	1,181,680	1,232,447	
Expenses:			
General government	97,103	82,795	
Maintenance and operations	116,389	29,158	
Parks and recreation	51,538	-	
Bond issuance costs	-	10,819	
Interest	360,175	379,889	
Total expenses	625,205	502,661	
Change in net position	556,475	729,786	
Net position - beginning	348,477	(381,309)	
Net position - ending	\$ 904,952	\$ 348,477	

As noted above and in the statement of activities, the cost of all governmental activities during the fiscal year ended September 30, 2025, was \$625,205. The costs of the District's activities were primarily funded by program revenues. Program revenues were comprised primarily of assessments for both the current and prior fiscal years. The District also received funds from investment earnings which are included in program revenues. The increase in current fiscal year expenses is primarily due to higher maintenance costs and greater spending on professional services, including amenity-related expenses.

GENERAL BUDGETING HIGHLIGHTS

An operating budget was adopted and maintained by the governing board for the District pursuant to the requirements of Florida Statutes. The budget is adopted using the same basis of accounting that is used in preparation of the fund financial statements. The legal level of budgetary control, the level at which expenditures may not exceed budget, is in the aggregate. Any budget amendments that increase the aggregate budgeted appropriations must be approved by the Board of Supervisors. Actual general fund expenditures did not exceed appropriations for the fiscal year ended September 30, 2025.

CAPITAL ASSETS AND DEBT ADMINISTRATION

Capital Assets

At September 30, 2025, the District had \$124,830 invested in capital assets. No depreciation has been recorded to date. More detailed information about the District's capital assets is presented in the notes of the financial statements.

Capital Debt

At September 30, 2025, the District had \$6,665,000 in Bonds outstanding and \$124,830 in Notes payable for its governmental activities. More detailed information about the District's capital debt is presented in the notes of the financial statements.

ECONOMIC FACTORS AND NEXT YEAR'S BUDGET

It is anticipated that the general operations of the District will increase as the District is being built out.

**SEATON CREEK RESERVE COMMUNITY DEVELOPMENT DISTRICT
CITY OF JACKSONVILLE, FLORIDA
NOTES TO FINANCIAL STATEMENTS**

NOTE 1 – NATURE OF ORGANIZATION AND REPORTING ENTITY

Seaton Creek Reserve Community Development District ("District") was established on August 30, 2021, pursuant to the Uniform Community Development District Act of 1980, otherwise known as Chapter 190, Florida Statutes, by the City of Jacksonville Ordinance 2021-451-E. The Act provides among other things, the power to manage basic services for community development, power to borrow money and issue bonds, and to levy and assess non-ad valorem assessments for the financing and delivery of capital infrastructure.

The District was established for the purposes of financing and managing the acquisition, construction, maintenance and operation of a portion of the infrastructure necessary for community development within the District.

The District is governed by the Board of Supervisors ("Board"), which is composed of five members. The Supervisors are elected by the owners of the property within the District. The Board of Supervisors of the District exercise all powers granted to the District pursuant to Chapter 190, Florida Statutes. At September 30, 2025, three of the Board members are affiliated with Lennar Homes, LLC, the Development Manager.

The Board has the responsibility for:

1. Assessing and levying assessments.
2. Approving budgets.
3. Exercising control over facilities and properties.
4. Controlling the use of funds generated by the District.
5. Approving the hiring and firing of key personnel.
6. Financing improvements.

The financial statements were prepared in accordance with Governmental Accounting Standards Board ("GASB") Statements. Under the provisions of those standards, the financial reporting entity consists of the primary government, organizations for which the District is considered to be financially accountable and other organizations for which the nature and significance of their relationship with the District are such that, if excluded, the financial statements of the District would be considered incomplete or misleading. There are no entities considered to be component units of the District; therefore, the financial statements include only the operations of the District.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

Government-Wide and Fund Financial Statements

The basic financial statements include both government-wide and fund financial statements.

The government-wide financial statements (i.e., the statement of net position and the statement of activities) report information on all of the non-fiduciary activities of the primary government. For the most part, the effect of interfund activity has been removed from these statements.

The statement of activities demonstrates the degree to which the direct expenses of a given function or segment is offset by program revenues. *Direct expenses* are those that are clearly identifiable with a specific function or segment. *Program revenues* include 1) charges to customers who purchase, use or directly benefit from goods, services or privileges provided by a given function or segment; operating-type special assessments for maintenance and debt service are treated as charges for services and 2) grants and contributions that are restricted to meeting the operational or capital requirements of a particular function or segment. Other items not included among program revenues are reported instead as *general revenues*.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Measurement Focus, Basis of Accounting and Financial Statement Presentation

The government-wide financial statements are reported using the *economic resources measurement* focus and the *accrual basis of accounting*. Revenues are recorded when earned and expenses are recorded when a liability is incurred, regardless of the timing of related cash flows. Assessments are recognized as revenues in the year for which they are levied. Grants and similar items are to be recognized as revenue as soon as all eligibility requirements imposed by the provider have been met.

Governmental fund financial statements are reported using the *current financial resources measurement focus* and the *modified accrual basis of accounting*. Revenues are recognized as soon as they are both measurable and available. Revenues are considered to be *available* when they are collectible within the current period or soon enough thereafter to pay liabilities of the current period. For this purpose, the government considers revenues to be available if they are collected within 60 days of the end of the current fiscal period. Expenditures are recorded when a liability is incurred, as under accrual accounting. However, debt service expenditures are recorded only when payment is due.

Assessments

Assessments are non-ad valorem assessments on benefitted property within the District. Operating and Maintenance Assessments are based upon adopted budget and levied annually at a public hearing of the District. Debt Service Assessments are levied when Bonds are issued and assessed and collected on an annual basis. The District may collect assessments directly or utilize the uniform method of collection (Chapter 197.3632, Florida Statutes). Direct collected assessments are due as determined by annual assessment resolution adopted by the Board of Supervisors. Assessments collected under the uniform method are mailed by County Tax Collector on November 1 and due on or before March 31 of each year. Property owners may prepay a portion or all of the Debt Service Assessments on their property subject to various provisions in the Bond documents.

Assessments and interest associated with the current fiscal period are all considered to be susceptible to accrual and so have been recognized as revenues of the current fiscal period. Only the portion of assessments receivable due within the current fiscal period is considered to be susceptible to accrual as revenue of the current period.

The District reports the following major governmental funds:

General Fund

The general fund is the general operating fund of the District. It is used to account for all financial resources except those required to be accounted for in another fund.

Debt Service Fund

The debt service fund is used to account for the accumulation of resources for the annual payment of principal and interest on long-term debt.

Capital Projects Fund

This fund accounts for the financial resources to be used for the acquisition or construction of major infrastructure within the District.

As a general rule, the effect of interfund activity has been eliminated from the government-wide financial statements.

When both restricted and unrestricted resources are available for use, it is the District's policy to use restricted resources first for qualifying expenditures, then unrestricted resources as they are needed.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Assets, Liabilities and Net Position or Equity

Restricted Assets

These assets represent cash and investments set aside pursuant to Bond covenants or other contractual restrictions.

Deposits and Investments

The District's cash and cash equivalents are considered to be cash on hand and demand deposits (interest and non-interest bearing).

The District has elected to proceed under the Alternative Investment Guidelines as set forth in Section 218.415 (17) Florida Statutes. The District may invest any surplus public funds in the following:

- a) The Local Government Surplus Trust Funds, or any intergovernmental investment pool authorized pursuant to the Florida Interlocal Cooperation Act;
- b) Securities and Exchange Commission registered money market funds with the highest credit quality rating from a nationally recognized rating agency;
- c) Interest bearing time deposits or savings accounts in qualified public depositories;
- d) Direct obligations of the U.S. Treasury.

Securities listed in paragraph c and d shall be invested to provide sufficient liquidity to pay obligations as they come due.

The District records all interest revenue related to investment activities in the respective funds. Investments are measured at amortized cost or reported at fair value as required by generally accepted accounting principles.

Prepaid Items

Certain payments to vendors reflect costs applicable to future accounting periods and are recorded as prepaid items in both government-wide and fund financial statements.

Capital Assets

Capital assets which include property, plant and equipment, and infrastructure assets (e.g., roads, sidewalks and similar items) are reported in the government activities columns in the government-wide financial statements. Capital assets are defined by the government as assets with an initial, individual cost of more than \$5,000 (amount not rounded) and an estimated useful life in excess of two years. Such assets are recorded at historical cost or estimated historical cost if purchased or constructed. Donated capital assets are recorded at acquisition value at the date of donation.

The costs of normal maintenance and repairs that do not add to the value of the asset or materially extend assets' lives are not capitalized. Major outlays for capital assets and improvements are capitalized as projects are constructed.

No depreciation has been taken in the current fiscal year.

In the governmental fund financial statements, amounts incurred for the acquisition of capital assets are reported as fund expenditures. Depreciation expense is not reported in the governmental fund financial statements.

Unearned Revenue

Governmental funds report unearned revenue in connection with resources that have been received, but not yet earned.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Assets, Liabilities and Net Position or Equity (Continued)

Long-Term Obligations

In the government-wide financial statements long-term debt and other long-term obligations are reported as liabilities in the statement of net position. Bond premiums and discounts are deferred and amortized ratably over the life of the Bonds. Bonds payable are reported net of applicable premiums or discounts. Bond issuance costs are expensed when incurred.

In the fund financial statements, governmental fund types recognize premiums and discounts, as well as issuance costs, during the current period. The face amount of debt issued is reported as other financing sources. Premiums received on debt issuances are reported as other financing sources while discounts on debt issuances are reported as other financing uses. Issuance costs, whether or not withheld from the actual debt proceeds received, are reported as debt service expenditures.

Deferred Outflows/Inflows of Resources

In addition to assets, the statement of financial position will sometimes report a separate section for deferred outflows of resources. This separate financial statement element, deferred outflows of resources, represents a consumption of net position that applies to a future period(s) and so will not be recognized as an outflow of resources (expense/expenditure) until then.

In addition to liabilities, the statement of financial position will sometimes report a separate section for deferred inflows of resources. This separate financial statement element, deferred inflows of resources, represents an acquisition of net position that applies to a future period(s) and so will not be recognized as an inflow of resources (revenue) until that time.

Fund Equity/Net Position

In the fund financial statements, governmental funds report nonspendable and restricted fund balance for amounts that are not available for appropriation or are legally restricted by outside parties for use for a specific purpose. Assignments of fund balance represent tentative management plans that are subject to change.

The District can establish limitations on the use of fund balance as follows:

Committed fund balance – Amounts that can be used only for the specific purposes determined by a formal action (resolution) of the Board of Supervisors. Commitments may be changed or lifted only by the Board of Supervisors taking the same formal action (resolution) that imposed the constraint originally. Resources accumulated pursuant to stabilization arrangements sometimes are reported in this category.

Assigned fund balance – Includes spendable fund balance amounts established by the Board of Supervisors that are intended to be used for specific purposes that are neither considered restricted nor committed. The Board may also assign fund balance as it does when appropriating fund balance to cover differences in estimated revenue and appropriations in the subsequent year's appropriated budget. Assignments are generally temporary and normally the same formal action need not be taken to remove the assignment.

The District first uses committed fund balance, followed by assigned fund balance and then unassigned fund balance when expenditures are incurred for purposes for which amounts in any of the unrestricted fund balance classifications could be used.

Net position is the difference between assets and deferred outflows of resources less liabilities and deferred inflows of resources. Net position in the government-wide financial statements is categorized as net investment in capital assets, restricted or unrestricted. Net investment in capital assets represents net position related to infrastructure and property, plant and equipment. Restricted net position represents the assets restricted by the District's Bond covenants or other contractual restrictions. Unrestricted net position consists of the net position not meeting the definition of either of the other two components.

NOTE 2 – SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (Continued)

Other Disclosures

Use of Estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities, and disclosure of contingent assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenditures during the reporting period. Actual results could differ from those estimates.

NOTE 3 – BUDGETARY INFORMATION

The District is required to establish a budgetary system and an approved Annual Budget. Annual Budgets are adopted on a basis consistent with generally accepted accounting principles for the general fund. All annual appropriations lapse at fiscal year-end.

The District follows these procedures in establishing the budgetary data reflected in the financial statements.

- a) Each year the District Manager submits to the District Board a proposed operating budget for the fiscal year commencing the following October 1.
- b) Public hearings are conducted to obtain public comments.
- c) Prior to October 1, the budget is legally adopted by the District Board.
- d) All budget changes must be approved by the District Board.
- e) The budgets are adopted on a basis consistent with generally accepted accounting principles.
- f) Unused appropriation for annually budgeted funds lapse at the end of the year.

NOTE 4 – DEPOSITS AND INVESTMENTS

Deposits

The District's cash balances were entirely covered by federal depository insurance or by a collateral pool pledged to the State Treasurer. Florida Statutes Chapter 280, "Florida Security for Public Deposits Act", requires all qualified depositories to deposit with the Treasurer or another banking institution eligible collateral equal to various percentages of the average daily balance for each month of all public deposits in excess of any applicable deposit insurance held. The percentage of eligible collateral (generally, U.S. Governmental and agency securities, state or local government debt, or corporate bonds) to public deposits is dependent upon the depository's financial history and its compliance with Chapter 280. In the event of a failure of a qualified public depository, the remaining public depositories would be responsible for covering any resulting losses.

Investments

The District's investments were held as follows at September 30, 2025:

	Amortized cost	Credit Risk	Maturities
First American Treasury			Weighted average
Oblig Fd Cl Y	\$ 7,158,255	S&P AAAM	maturity: 45 days
Total Investments	<u>\$ 7,158,255</u>		

Credit risk – For investments, credit risk is generally the risk that an issuer of an investment will not fulfill its obligation to the holder of the investment. This is measured by the assignment of a rating by a nationally recognized statistical rating organization. Investment ratings by investment type are included in the preceding summary of investments.

NOTE 4 – DEPOSITS AND INVESTMENTS (Continued)

Investments (Continued)

Concentration risk – The District places no limit on the amount the District may invest in any one issuer.

Interest rate risk – The District does not have a formal policy that limits investment maturities as a means of managing exposure to fair value losses arising from increasing interest rates.

However, the Bond Indenture limits the type of investments held using unspent proceeds.

Fair Value Measurement – When applicable, the District measures and records its investments using fair value measurement guidelines established in accordance with GASB Statements. The framework for measuring fair value provides a fair value hierarchy that prioritizes the inputs to valuation techniques.

These guidelines recognize a three-tiered fair value hierarchy, in order of highest priority, as follows:

- *Level 1: Investments* whose values are based on unadjusted quoted prices for identical investments in active markets that the District has the ability to access;
- *Level 2:* Investments whose inputs - other than quoted market prices - are observable either directly or indirectly; and,
- *Level 3:* Investments whose inputs are unobservable.

The fair value measurement level within the fair value hierarchy is based on the lowest level of any input that is significant to the entire fair value measurement. Valuation techniques used should maximize the use of observable inputs and minimize the use of unobservable inputs.

Money market investments that have a maturity at the time of purchase of one year or less and are held by governments other than external investment pools should be measured at amortized cost. Accordingly, the District's investments have been reported at amortized cost above.

NOTE 5 – INTERFUND RECEIVABLES, PAYABLES AND TRANSFERS

Interfund receivables and payables at September 30, 2025, were as follows:

Fund	Receivable	Payable
General	\$ 8,817	\$ -
Debt Service	-	4,126
Capital projects	-	4,691
Total	<u>\$ 8,817</u>	<u>\$ 8,817</u>

The outstanding balances between funds results primarily from the time lag between the dates that transactions are recorded in the accounting system and payments between funds are made. In the case of the District, the balances between the general fund and the debt service fund relate to excess transfers of assessments from the general fund to the debt service fund as of September 30, 2025. The balance between the general fund and the capital projects fund is the result of project costs incurred in the general fund on behalf of the capital projects fund.

Interfund transfers for the fiscal year ended September 30, 2025, were as follows:

Fund	Transfer in	Transfer out
Debt service	\$ -	\$ 9,529
Capital projects	9,529	-
Total	<u>\$ 9,529</u>	<u>\$ 9,529</u>

Transfers are used to move revenues from the fund where collection occurs to the fund where funds have been reallocated for use. In the case of the District, transfers from the debt service fund to the capital projects fund were made in accordance with the Bond Indentures.

The infrastructure intended to serve the District has been estimated at a total cost of approximately \$90,365,700. A portion of the project costs are expected to be financed with the proceeds from the issuance of Bonds with the remainder to be funded by the Developer and conveyed to the District. Upon completion, certain improvements are to be conveyed to others for ownership and maintenance responsibilities.

NOTE 7 – LONG-TERM LIABILITIES

Series 2023

On July 11, 2023, the District issued \$6,870,000 of Special Assessment Bonds, Series 2023, consisting of multiple term bonds with due dates ranging from June 15, 2030, to June 15, 2053, and fixed interest rates ranging from 4.625% - 5.5%. The Bonds were issued to finance the costs of acquisition of the Assessment Area One Project. Interest is to be paid semiannually on each June 15 and December 15, commencing December 15, 2023. Principal on the Bonds is to be paid serially commencing June 15, 2024, through June 15, 2053.

The Series 2023 Bonds are subject to redemption at the option of the District prior to their maturity. The Bonds are also subject to extraordinary mandatory redemption prior to maturity by the Issuer in whole or in part, if certain events occur as outlined in the Bond Indenture.

The Bond Indenture established a debt service reserve requirement as well as other restrictions and requirements relating principally to the use of proceeds to pay for the infrastructure improvements and the procedures to be followed by the District on assessments to property owners. The District agrees to levy special assessments in annual amounts adequate to provide payment of debt service and to meet the reserve requirements. Upon satisfaction of certain conditions, a portion of the original reserve requirements will be released to the Developer for construction costs paid on behalf of the District; this did not occur during the current fiscal year. The District was in compliance with the requirements at September 30, 2025.

Note Payable

In September 2025, the District entered into a 60-month equipment lease agreement for fitness equipment as a lessee. The agreement includes an end-of-term purchase option for \$1 and therefore has recognized the liability as a financed purchase note. As a result, an initial long-term liability and capital asset acquisition was recorded in the amount of \$124,830. The Note requires monthly payments of \$2,644.78, matures in September 2030 and has an interest rate of 9.8%. The associated equipment has a net book value of \$124,830 as of September 30, 2025.

NOTE 7 – LONG-TERM LIABILITIES (Continued)

	\$ 124,830	\$ 33,856	\$ 158,686

NOTE 8 – DEVELOPER TRANSACTIONS

The Developer owns the land within the District; therefore, assessment revenues in the general and debt service funds are the assessments levied on those lots owned by the Developer.

NOTE 9 – CONCENTRATION

The District's activity is dependent upon the continued involvement of the Developer and major landowners, the loss of which would have a material adverse effect on the District's operations.

NOTE 10 – MANAGEMENT COMPANY

The District has contracted with a management company to perform management advisory services, which include financial and accounting services. Certain employees of the management company also serve as officers (Board appointed non-voting positions) of the District. Under the agreement, the District compensates the management company for management, accounting, financial reporting, and other administrative costs.

NOTE 11 – RISK MANAGEMENT

The District is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters. The District has obtained commercial insurance from independent third parties to mitigate the costs of these risks; coverage may not extend to all situations. There were no settled claims during the past three years.

NOTE 12 – SUBSEQUENT EVENTS

Subsequent to fiscal year end, the District paid the Developer \$6,952,253 for the acquisition of infrastructure improvements.

**INDEPENDENT AUDITOR'S REPORT ON INTERNAL CONTROL OVER FINANCIAL
REPORTING AND ON COMPLIANCE AND OTHER MATTERS BASED ON AN AUDIT
OF FINANCIAL STATEMENTS PERFORMED IN ACCORDANCE WITH
GOVERNMENT AUDITING STANDARDS**

To the Board of Supervisors
Seaton Creek Reserve Community Development District
City of Jacksonville, Florida

We have audited, in accordance with the auditing standards generally accepted in the United States of America and the standards applicable to financial audits contained in Government Auditing Standards issued by the Comptroller General of the United States, the financial statements of the governmental activities and each major fund of Seaton Creek Reserve Community Development District, City of Jacksonville, Florida ("District") as of and for the fiscal year ended September 30, 2025, and the related notes to the financial statements, which collectively comprise the District's basic financial statements, and have issued our opinion thereon dated April 1, 2026.

Report on Internal Control Over Financial Reporting

In planning and performing our audit of the financial statements, we considered the District's internal control over financial reporting (internal control) to determine the audit procedures that are appropriate in the circumstances for the purpose of expressing our opinions on the financial statements, but not for the purpose of expressing an opinion on the effectiveness of the District's internal control. Accordingly, we do not express an opinion on the effectiveness of the District's internal control.

A deficiency in internal control exists when the design or operation of a control does not allow management or employees, in the normal course of performing their assigned functions, to prevent, or detect and correct misstatements on a timely basis. A *material weakness* is a deficiency, or a combination of deficiencies, in internal control, such that there is a reasonable possibility that a material misstatement of the entity's financial statements will not be prevented or detected and corrected on a timely basis. A *significant deficiency* is a deficiency, or a combination of deficiencies, in internal control that is less severe than a material weakness, yet important enough to merit attention by those charged with governance.

Our consideration of internal control was for the limited purpose described in the first paragraph of this section and was not designed to identify all deficiencies in internal control that might be material weaknesses or, significant deficiencies. Given these limitations, during our audit we did not identify any deficiencies in internal control that we consider to be material weaknesses. However, material weaknesses or significant deficiencies may exist that were not identified.

Report on Compliance and Other Matters

As part of obtaining reasonable assurance about whether the District's financial statements are free from material misstatement, we performed tests of its compliance with certain provisions of laws, regulations, contracts, and agreements, noncompliance with which could have a direct and material effect on the determination of financial statement amounts. However, providing an opinion on compliance with those provisions was not an objective of our audit, and accordingly, we do not express such an opinion. The results of our tests disclosed no instances of noncompliance or other matters that are required to be reported under *Government Auditing Standards*.

Purpose of this Report

The purpose of this report is solely to describe the scope of our testing of internal control and compliance and the results of that testing, and not to provide an opinion on the effectiveness of the entity's internal control or on compliance. This report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the entity's internal control and compliance. Accordingly, this communication is not suitable for any other purpose.

An examination involves performing procedures to obtain evidence about whether the District complied with the specified requirements. The nature, timing, and extent of the procedures selected depend on our judgment, including an assessment of the risks of material noncompliance, whether due to fraud or error.
